Rental Agreement (Month-to-Month)

This Residential Lease Agreement (hereinafter "Agreement" or "Lease") is entered into between Newlands Enterprises, LLC (hereinafter "Landlord") and the following individuals, jointly and severally (hereinafter collectively "Residents"): Silueto Sili

1. LEASED PREMISES: Landlord rents to Resident(s) the premises located at 301 east O'Keefe st Apartment # 4, San mateo, County, California (hereinafter "the Premises"), which is located within the Apartment Community, commonly known as Kasii apartments (hereinafter the "Apartment Community" or "Property") for use as a residence and for no other purpose. Pursuant to Civil Code Section 1962(a)(1) the current on-site property manager (or, alternatively Newlands enterprises, LLC) is authorized to manage the Premises. The telephone number and street address at which personal service may be effected on this person is 650-369-6309, P.O. box 5222 Belmont, California 94002. The person designated above, so long as he/she is employed at the property, is also the person authorized by the Owner of the Premises (hereinafter "Owner") to act for and on behalf of the Owner for the purpose of service of process and for the purpose of receiving and receipting for all notices and demands.

2. TERM:

a. Original Term. This agreement shall be month-to-month, terminable by either party on thirty days' written notice pursuant to California Civil Code Section 1946. The term shall commence on June 1, 2011.

b. Delay of Possession. Resident(s) understand that, for reasons beyond the control of Landlord, Landlord may not be able to provide occupancy to Resident(s) on the commencement date if, for example, a former tenant of the Premises who has given notice to leave cancels the notice or fails to leave by the scheduled date. If, for any reason, Landlord is unable to provide occupancy to Resident(s) by the scheduled commencement date, Resident(s)' remedy in this event shall be limited to termination of this Agreement and Resident(s) shall be entitled to a prompt refund of any monies paid. Landlord shall have no liability to Resident(s) if there is a delay of possession other than promptly to refund any monies paid.

3. RENT: Resident(s) shall pay to Landlord, as rent for the Premises, the sum of $ 900.00 each month. The name, telephone number and address of the person or entity to whom rent payments shall be made is Newlands Enterprises, LLC P.O. box 5222, Belmont, Ca. 94002 - 650-369-6309. Except as otherwise provided in this Lease, said sum shall be paid in full, in advance, on or before the first day of each month in the form of personal check, cashier's check or money order. If in any month the rent is paid after the fifth day of the month, payment must be in the form of a cashier's check or money order. If Landlord serves Resident(s) with a three-day notice to pay rent or surrender possession, which Landlord may do on any date after the first day of the month, any payment rendered following service of said notice must be in the form of a cashier's check or money order. If any check given by Resident(s) is, for any reason whatsoever, returned unpaid by the bank upon which it is drawn, all subsequent payments for the rest of Resident(s)' occupancy of the Premises (including the payment necessary to replace the dishonored check) must be in the form of a cashier's check or money order unless Landlord agrees, in writing, to waive this requirement. It is Resident(s)' responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident(s)' convenience - the risk of receipt of funds by Landlord when such box is used is Resident(s)', and not Landlord's, risk. The usual days and hours when rent payments may be made personally are Monday through Friday, 9:00 a.m. to 5:00 p.m.

4. LATE CHARGE AND NSF CHARGE: Landlord and Resident(s) agree that when Resident(s) fail to pay rent on time, or when Resident(s) pay rent by a check which is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, such as additional bookkeeping and administrative charges, bank charges, lost opportunity costs of the late payment, etc. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which both parties agree is difficult or impossible to ascertain, the parties agree that, any time the rent for any given month is paid after the second day of such month, Resident(s) will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of $ 20.00 per day. The parties further agree that, in the event of a dishonored check, Resident(s) will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, a NSF fee in the sum of $25.00. The parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this paragraph. If such notice

regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident(s) and does not have an independent claim to right of possession of the Premises.

9. UTILITIES: Payment of all utilities charges shall be the responsibility of Resident(s), with the exception of water and garbage, which shall be paid by Landlord. With respect to the utilities charges listed above to be paid by Landlord, Resident(s) shall not make excessive or unreasonable use of such utilities. If Resident(s) do make excessive or unreasonable use of such utilities, Landlord may bill Resident(s) for such excessive or unreasonable use and said billing shall become due and payable, in full, as additional rent together with the regular monthly rental payment on the first day of the month next following the date of such billing. In the event of a dispute as to any such charges, Resident(s) shall pay the disputed amount as required, but may file a Small Claims Court action for a refund and, if such Court determines that the amount charged by Landlord is excessive, Landlord shall promptly refund any such overcharge. If Resident(s) fail to pay any utility charges that are to be paid by Resident(s), Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident(s) by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rental payment on the first day of the month next following the date of such billing.

10. JOINT AND SEVERAL LIABILITY AND AUTHORITY: All persons signing this Agreement as Resident(s) shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Resident(s) of the Premises, and may institute unlawful detainer proceedings against all Resident(s) if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident(s) give notice but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Resident(s), including the Resident(s) giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

11. NOTICES: Any notice that Landlord gives to Resident(s) shall be deemed properly served (whether or not actually received by Resident(s)) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure section 1162, but Resident(s) actually receive the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any of the Resident(s) of the Premises shall be deemed valid service upon all Resident(s) - it is not necessary individually to serve each Resident unless otherwise required by law..

12. ACCESS TO PREMISES: The parties agree that upon advance reasonable written notice to Resident(s), unless otherwise agreed to by Resident(s), Landlord shall have the right to enter the Premises during normal business hours for the purpose of (a) making desired, necessary or agreed repairs, decorations, alterations, improvements, or renovations to the Premises, to an adjacent unit or for the benefit of the building in which the Premises is located; (b) supplying necessary or agreed services; (c) showing the unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors; or (d) for any other purposes permitted by California Civil Code §1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). The parties hereby agree that twenty-four (24) hours' notice is presumed reasonable, although both acknowledge that a shorter time period may also be reasonable under the circumstances. In the case of an emergency, or Resident(s)' abandonment or surrender of the Premises, Landlord or its agent may enter the Premises at any time without first securing Resident's prior permission. Resident(s) agree to permit Landlord access to the Premises in accordance with this Paragraph #12. Resident(s) agree that if they deny Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice terminating the tenancy.

13. MISSTATEMENTS ON APPLICATION: Resident(s) have completed an application in connection with securing this Lease. Landlord has relied upon the statements set forth in said application in deciding to rent the Premises to Resident(s). It is agreed that, if Landlord subsequently discovers any misstatements of fact in the Resident(s)' application, any such misstatements shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice terminating the tenancy.

is served after the second day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent.

5. RENTAL PRO-RATION: Resident(s) shall pay to Landlord, before taking occupancy of the Premises, one full month's rent in addition to a security deposit (see Paragraph #6). If Resident(s) take occupancy of the Premises on a day other than the first day of the month, Resident(s) shall also pay the sum of $ X before taking occupancy of the Premises, as and for the pro-rated amount of rent to cover the period through the final day of the first partial month of occupancy. Commencing with the following month, a full month's rent shall be due each month on or before the first day of the month as stated in Paragraph #3 above. In the event of a conflict between the amount set forth in this paragraph and the amount which an arithmetic computation would yield based upon the rental rate set forth in Paragraph #3 above divided by thirty, with the result multiplied by the number of days in the pro-ration period, the amount determined by said arithmetic computation shall govern (i.e., if the amount set forth in this paragraph is computed incorrectly, any such arithmetic error shall not be binding - the amount owing shall be the amount resulting from a correct arithmetic computation of the pro-ration). In all instances where a pro-rated amount of rent is computed during this tenancy, a thirty-day month shall be assumed irrespective of the actual number of days in the month for which the pro-ration is computed.

6. SECURITY DEPOSIT: Resident(s) shall pay to Landlord, as security, the sum of 40 00, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code §1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident(s) interest in connection with such security deposit. It is understood that the security deposit is applicable to all Resident(s) jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Resident(s) and it shall be the responsibility of all Resident(s) to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any of the Resident(s) individually (which need not be done until the statutory time has elapsed after all Residents have vacated the Premises), in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Resident(s) for failure of any Resident(s) equitably to divide such refund. If the security deposit is later increased by agreement of the parties for any reason (such as the installation of a satellite dish, a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this paragraph at the end of the statutory period following the end of Resident(s)' tenancy. Removal of the pet, satellite dish or waterbed, or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit.

7. MOVE-IN PAYMENT: Resident(s) shall pay to Landlord, at the time of move-in, the sum of $ X. This amount is composed of the following sums: $ _____ as the first month's rent, $ 40.00 as security deposit (see Paragraph #6 above), and $ _____ as the advance payment of rent for the period _____ through _____. Landlord may require that this entire sum be paid in the form of cashier's check or money order. If Landlord accepts a personal or other non-certified check and the check is, for any reason whatsoever, returned unpaid by the bank upon which it is drawn, the entire amount shall immediately become due and payable and shall be considered rent so that Landlord may serve a three-day notice to pay rent or quit for the entire amount and, if Resident(s) does not comply with said notice, Landlord may utilize unlawful detainer procedures to evict Resident(s) from the Premises.

8. OCCUPANCY: The Premises shall be occupied only by the following persons:

Name: Silivelio Sili Date of Birth: 07/17/52 Name: _____ Date of Birth: _____

Name: Falakika Sili Date of Birth: 04/30/59 Name: _____ Date of Birth: _____

Name: Ripiena Sili Date of Birth: 14 years old Name: _____ Date of Birth: _____

Name: Ofaloto Sili Date of Birth: 12 years old Name: _____ Date of Birth: _____

No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord or its authorized agent. Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident(s) named above and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named above make any claim to right of possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident(s) and their claim to right of possession shall be denied. Any person named above in this Paragraph #8 who is not also named above as a Resident and/or who is not a signatory to this Lease shall be deemed to be invitees of the named Resident(s), who are signatories to this Lease. Accordingly, if any such individual is not named in any unlawful detainer action to

14. USE OF PREMISES: Resident(s) agree that the Premises are rented for residential use only. Resident(s) shall not use the Premises as a business address, nor shall Resident(s) conduct any business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident(s) at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident(s) agree not to permit the Premises to be used for any illegal purpose, nor to engage in any illegal acts upon the Premises or upon the grounds of the Apartment Community. Resident(s) agree not to have any illegal narcotics in the Premises or on the grounds of the Apartment Community. Resident(s) agree to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of the violation of any statute, ordinance, regulation or other governmental restriction by Resident(s), their guests or invitees. Resident(s) further agree not to harass, annoy or endanger any other Resident of the Apartment Community or their guests or create any nuisance in the Apartment Community. Resident(s) agree not to do or permit anything to be done in the Premises that may be deemed hazardous or that will cause a cancellation of or an increase in the premiums for any insurance for the Apartment Community. Resident(s) agree not to deface or damage any part of the Premises or the Apartment Community or permit the same to be done or keep in the Premises any flammable or explosive materials or any substance considered dangerous, hazardous or toxic under any governmental law or regulation. Any violation of this provision shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice terminating the tenancy. Nothing set forth in this paragraph shall be deemed as disallowing any use of the Premises that cannot legally be prohibited.

15. SMOKING: Resident(s) who smoke, or allow smoking by their invitees or guests, must ensure the smoke does not disturb the quiet enjoyment of other residents. Secondhand tobacco smoke may seep and drift through open doors, windows, and ventilation ducts, which may constitute a disturbance to those residents who do not smoke, particularly those with health and allergy- related sensitivities. Pursuant to other provisions of this Agreement, Resident(s) agree not to harass, annoy, or endanger any other resident or person, or create or maintain a nuisance, or disturb the peace or solitude of any other resident. Resident(s) are responsible for the conduct of guests or invitees while they are on the Property. Violation of this provision may result in the immediate termination of this Agreement as provided in this Lease and by law. Landlord, however, does not provide or guarantee a smoke-free environment and smoking is permitted in individual units and in most outdoor common areas, except where prohibited by law. As such, nothing in this paragraph shall be deemed a guarantee of any kind that Resident(s) will not be exposed to tobacco smoke while on the Property and Landlord expressly denies any such assertion.

16. ASSIGNMENT AND SUBLETTING: Unless prohibited by local regulations, Resident(s) shall not assign this Lease nor sublet all or any part of the Premises. Permitting any person not named as an occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. Any attempted subletting or assignment in violation of this provision shall be void.

17. LIQUID-FILLED FURNITURE AND AQUARIUMS: Waterbeds and other liquid-filled furniture are allowed only under the regulations of California Civil Code Section 1940.5, which requires proper insurance coverage for waterbeds. A certificate of insurance evidencing waterbed coverage must be provided to Landlord prior to Resident bringing any liquid-filled furniture into the Premises. Resident(s) must provide Landlord with at least 24-hours written notice prior to the installation, removal or movement of any liquid-filled furniture and Landlord has the right to be present at the time of such installation, removal or movement. Installation movement and removal must be done in accordance with standards set by the manufacturer, retailer or state law, whichever provides the highest degree of safety. No aquariums over 10 gallons are permitted without prior written consent of Landlord. If Resident(s) installs any liquid-filled furniture, the Security Deposit shall be increased by $ 200.00, which in no event shall be more than one-half of one month's rent.

18. MILITARY TRANSFER: If any Resident is or becomes a member of the Armed Forces on extended active duty, a member of the State National Guard serving on full-time duty, or a civil service technician with a National Guard unit, and receive change-of-duty orders to depart from the local area for longer than ninety (90) days, or are relieved from such duty, Resident(s) may terminate this Lease by giving thirty (30) days prior written notice to Landlord, provided Resident is not otherwise in default. As condition to such termination, Resident will furnish Landlord with a certified copy of the official orders which warrant termination of this Lease. Military orders authorizing base housing in the local area in which the Premises is located do not constitute change-of-duty under this paragraph.

19. CONDITION OF PREMISES-ALTERATIONS: Resident(s) have inspected the Premises and acknowledge that the Premises are in good and habitable order and repair at the time Resident(s) are given occupancy. Resident(s) agree not to make any alterations or improvements to the Premises without the prior written consent of Landlord. All additions, fixtures and improvements shall be

c. Resident(s) agree to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request.

30. SUBORDINATION: This Lease and all rights of Resident(s) arising under it are expressly agreed to be subject and subordinate in all respects to the lien of any present or future mortgages which are or may be placed upon the Property and to all other rights acquired by the holder of any such mortgage(s). As used in this paragraph, the term "mortgage" shall include deeds of trust or any similar security interest.

31. SUCCESSORS IN INTEREST: If the Property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident(s). Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

32. MEGAN'S LAW DATABASE: Notice: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 *et seq.*, Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident(s) are advised to take whatever reasonable and lawful actions Resident(s) believe necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident(s) are advised that Landlord may not notify Resident(s) if Landlord learns or is advised that a registered sex offender is living in the Apartment Community. The existence of registered sex offenders in the Apartment Community is not grounds for breaking this Agreement.

33. CONDUCT OF RESIDENT; COMPLIANCE APARTMENT COMMUNITY RULES:

a. Resident(s) have received a copy of the Apartment Community Rules ("Rules"), which Rules are incorporated into and made a part of this Lease. Resident(s) agree to abide by said Rules in all respects. Any Rules may be changed on thirty days' notice and Resident(s) agree to abide by any such changes. Failure to comply with the Rules shall be deemed a breach of this Lease.

b. Resident(s) agree not to harass, annoy, or endanger any other resident or person, or create or maintain a nuisance, or disturb the peace or solitude of any other resident, or commit waste in or about the Premises (Apartment Community). Resident(s) are responsible for the conduct of their guests or invitees while they are on the Property.

c. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Property. These include, but are not limited to, the use, possession or sale of illegal drugs, and carrying or exhibiting firearms on the Property (except as required by law or job necessity). A resident conducting any of these activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement with a three-day notice to quit.

d. Resident(s) further agree not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors. Failure to abide by this policy will result in a written warning and will be grounds for termination of this lease if there are future violations.

34. PETS: No pets are permitted without the prior written consent of the Landlord. Any such consent may be revoked at any time, with or without cause, by giving ten (10) days' written notice. Except to the extent written permission is given, pets may not be brought upon the Premises, whether such pets belong to Resident(s) or to any other person. The presence of any pets as to which written permission has not been given and is not currently in force, even if such pets are "just visiting", shall be deemed a material and incurable breach of this Lease and shall be cause for the service of a three-day notice terminating the tenancy. This policy does not apply to service animals.

35. SMOKE DETECTOR: Resident(s) acknowledge that the Premises are equipped with operable smoke detectors. Resident(s) agree to not interfere with the presence or operability of such smoke detectors and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident(s) further agree that, if the smoke detector(s) is battery operated, Resident(s)

shall be responsibile to: (a) ensure that the battery is in operating condition at all times; and (b) replace the battery as needed (unless otherwise provided by law).

36. SATELLITE DISHES: If Resident(s) choose to install an individual satellite dish at the Premises, it must be one meter [approximately 3 feet, 3 inches] or less in diameter or a traditional stick type antenna. Resident(s) may not install a satellite dish or antenna in any common areas; drill holes through walls, roofs, railways or glass; or mount a satellite dish or antenna in a manner that will cause more than ordinary wear and tear to the Premises.

a. Resident(s) must pay an additional deposit of $_____ to cover potential damage to the Premises and the Apartment Community. This additional deposit will be returned to Resident(s) after Resident(s) vacate the Premises, provided the damage caused by the dish or antenna is only reasonable wear and tear.

b. Assumption of the Risk. Resident(s) assume all risk and responsibility for any injury or property damage caused by the installation, operation or removal of the dish or antenna, including any caused by a failure to securely attach the dish to the Premises.

c. Renter's Insurance. Because satellite dishes are susceptible to wind or being knocked over by occupants in the Apartment Community, Resident(s) must have renter's insurance that covers any and all losses from the installation, operation and removal of the dish. Resident(s) must provide Landlord with evidence of such coverage.

37. INDEMNITY/HOLD HARMLESS: Resident(s) agree to indemnify and hold Landlord harmless and to indemnify Landlord for any costs of defense from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident(s) or Resident(s)' guests or invitee(s).

38. ASBESTOS DISCLOSURE, OPERATION AND MAINTENANCE PROGRAM:

Applicable only if checked here [ ] *(must be checked if building is constructed prior to 1981 or if Landlord knows or believes there is asbestos on the Premises.)*

a. Asbestos is a mineral on the list of chemicals known to the State of California to cause cancer. Asbestos is present in the sprayed-on acoustic ceiling material (which has a "cottage cheese" appearance) in the Premises and in hallways and other areas in the building in which the Premises is located. Asbestos may also be present in other materials in the Premises and the building, including the insulation fireproofing and floor tiles.

b. Landlord has instituted operations and a maintenance program directed at maintaining the Premises in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing material; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident(s) and Resident(s)'s invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including, without limitation the following:

i. Hazardous materials. Resident(s) shall not take or allow any action which in any way damages or disturbs all or part of the ceiling or floor tiles in the Premises, including, but not limited to: piercing the surface of the ceiling or floor tiles by drilling or any other method; hanging plants, mobiles or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling;

ii. Resident(s) shall notify Landlord immediately in writing (a) if there is any damage to or deterioration of the ceiling or floor tiles in the Premises, including, without limitation, loose, cracking, hanging or dislodged material, water leaks, or stains in the ceiling or floor tiles; or (b) upon the occurrence of any of the activities described in the preceding paragraph.

39. LEAD-BASED PAINT DISCLOSURE AND WARNING:

Applicable only if checked here [ ] *(must be checked if building is constructed prior to 1978 or if Landlord knows or believes there to be lead-based print on the Premises.)*

a. Lead Warning Statement. Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead based paint hazards in the dwelling. Resident(s) must also receive a federally approved pamphlet on lead poisoning prevention.

b. Landlord's Disclosure (*check appropriate box or boxes*).

☒ Landlord has no knowledge of lead-based paint and/or lead-based paint hazards in the Premises.
☐ Landlord has no reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises.
☐ Landlord knows that lead-based paint and/or lead-based paint hazards are present in the Premises

(*explain*)._____

☐ Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has provided Resident(s) with all available records and reports, which are attached to and made a part of the Lease.

(*list documents*) _____

c. Resident(s)' Acknowledgment.

☒ Resident(s) have received copies of all information listed above, if any.
☐ Resident(s) have received the pamphlet *Protect Your Family from Lead in Your Home.*

40. PROPOSITION 65 WARNING: The Premises as well as the common areas in and around the Apartment Community contain at least one of the following chemical(s) known to the State of California to cause cancer or reproductive toxicity and for which warnings are now required. These chemicals include, but are not limited to: tobacco, smoke, lead and lead components, asbestos, carbon monoxide and gasoline components. More information on specified exposures is available at www.prop65apt.org. California Health & Safety Code Section 25249.

41. EVENTS OF DEFAULT: Resident(s) shall be guilty of material breach of this Lease if Resident(s): (a) fail to pay any rent or other sums payable under this Lease on the date it becomes due; (b) default in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacate or abandon the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permit the leasehold interest of Resident to be levied upon or attached by process of law; or (e) make an assignment for the benefit of creditors.

42. WAIVER: Landlord's failure on any occasion to require strict compliance with any provision of this Lease or to exercise any rights arising under this Lease shall not be deemed a waiver of Landlord's right subsequently to enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment of rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

43. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the parties.

44. ATTORNEY'S FEES: In the event of any litigation relating to this Agreement or the rights or liabilities of any party arising under this Agreement, the prevailing party of such litigation shall be entitled to its costs, including reasonable attorneys' fees, incurred in such litigation, not to exceed a maximum total of $1,000.00 fees and costs. If any such litigation is dismissed prior to trial, the parties agree that there shall be no prevailing party for purposes of an award of attorney's fees and/or costs. An unlawful detainer action shall be considered an action relating to this Lease and thus subject to this provision.

45. ENTIRE AGREEMENT: This Lease sets forth the entire agreement among the parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident(s) hold over after the expiration of the Lease term on a month-to-month holdover basis, Landlord may change any provision of this Lease without the consent of Resident(s) in the manner prescribed by California Civil Code section 827.

46. SEVERABILITY: If a provision or paragraph of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or paragraph will be deemed deleted and the rest of this Lease will remain in effect. To the extent that any provision of this Lease is in conflict with any provisions of applicable law, such provision is hereby deleted, and any provision required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

47. ATTACHMENTS/ADDENDA: Resident(s) acknowledge receipt of a copy of the attachments listed in this section, which are incorporated into and made part of this Lease. Resident(s) agree to abide by said attachments in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease.

48. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, creed, religion, sex, sexual orientation, marital status, family status (minor children or no minor children), national origin, ancestry, disability or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of residents, lessees, subtenants, sub-lessees or vendees of the Premises.

49. REASONABLE ACCOMMODATION: A disabled person, for all purposes under this Lease, shall be provided reasonable accommodations to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. This paragraph shall constitute notice, that Resident(s) may at any time during the term or any renewal of this Lease request reasonable accommodation. If Resident(s) or a household member requires an accommodation, he or she should contact Landlord to engage in an interactive process with respect to the accommodation request.

50. SIGNATORIES: The undersigned Resident(s), whether or not in actual possession of the Premises, are jointly and severally responsible for all obligations arising under this Lease (see Paragraph #10 above). This Lease shall not be considered to be in full force and effect until signed by Landlord or Landlord's authorized agent. Landlord may, without liability, refuse to enter into this Lease and may refuse to allow Resident(s) to occupy the Premises at any time prior to signing this Lease. Anything to the contrary in this provision notwithstanding, Resident(s) shall be fully liable for all obligations arising under this Lease, and Landlord may enforce the provisions of this Lease as against Resident(s) if, for any reason or by any means, Resident(s) obtain occupancy to the Premises before such time as this Lease has been signed by Landlord or Landlord's authorized agent.

Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to Resident(s) making such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition. Resident(s) agree not to install additional or different locks or gates on any doors or windows of the Premises without written permission of Landlord. If Landlord approves Resident(s)' request to install such locks, Resident(s) agree to provide Landlord with a key for each lock.

20. DUTY TO CLEAN AND VENTILATE: Resident(s) hereby acknowledge that mold and mildew can grow in the Premises if the Premises are not properly maintained and ventilated. Resident(s) acknowledge that it is important that Resident(s) regularly allow air to circulate in the Premises. Resident(s) agree regularly to allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow if even a small amount of moisture builds up, Resident(s) also agree to clean all toilets, sinks, counter-tops, showers, bathtubs and tile or linoleum floors with a household cleaner on a weekly basis. Resident(s) further agree to notify Landlord immediately whenever Resident(s) learn of any condition which could lead to a build up of moisture in Resident(s)' apartment, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors or windows and/or any failure or malfunction in the heating, ventilation or air-conditioning system in the Premises. If Resident(s) notice mold or mildew growing in the Premises, Resident(s) agree to notify Landlord, in writing, immediately. Any failure to comply with the requirements of this paragraph shall be deemed a material breach of this Lease.

21. PACKAGE RELEASE: Resident(s) give Landlord and its agents permission to sign for and accept any parcels or letters that may be sent to Resident(s), whether anticipated or unanticipated, through UPS, Federal Express, Airborne, United States Postal Service, hand deliveries, or the like. Landlord does not accept any responsibility or liability for any lost, damaged, or unordered deliveries and Resident(s) agree to hold Landlord and Landlord's agents harmless from any loss or damage to any of Resident(s)' packages. Nothing in this paragraph, however, obligates Landlord to accept any packages on behalf of Resident(s) and Landlord may choose not to do so.

22. PARKING: Landlord shall not be liable for any damage or loss to motor vehicles of, or the contents of motor vehicles of, Resident(s) and/or Resident(s)' guests or invitees. Failure of Resident(s) or Resident(s)' guests or invitees to follow Community Rules and/or posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

23. LIABILITY: Landlord shall not be liable to Resident(s) or to any guests or invitees of tenant(s) for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control.

24. BEDBUGS. Bedbugs are wingless parasites which may lie dormant in cracks, crevices and personal belongings until a host is present. Resident(s) have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin including bedbugs in the Premises. Resident(s) agree to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin including bedbugs. If Resident(s) allow individuals or items carrying bedbugs into the apartment, or has repeated infestations that cannot be traced to another source, such will be deemed damage to the unit and Resident(s) will be responsible for the cost of treatment to their apartment, personal belongings and surrounding units as necessary to eradicate the infestation.

25. DAMAGE TO PREMISES:

a. If the Premises are damaged by fire, flood or other casualty, necessitating repairs that require Resident(s) to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident(s), at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice.

b. If Landlord elects to terminate, this Agreement shall expire and all interest of the Resident(s) in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs to Resident(s) after the termination date. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident(s).

(Month-to-Month/Fees)

c. If Landlord elects to repair the damage and/or make the significant repairs and continue this Agreement in full force and effect, Resident(s) agree to vacate the Premises for the time necessary for the repairs to be completed and, if Resident(s) need to be absent for more than eight (8) hours in any twenty-four (24) hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident(s) will remain responsible for all rent while Landlord is paying for the alternative accommodations. If Resident(s) elect to relocate to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such lodging, which shall be at Resident(s)' sole cost and expense; although Resident(s) shall have no obligation to pay rent during the time the Premises is not available to Resident(s) during the repairs if Landlord is not paying for the alternative lodging.

26. SIGNIFICANT REPAIRS:

a. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, etc.) which require Resident(s) to vacate the Premises for any length of time, Resident(s) must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. Landlord shall give Resident(s) at least ten days written notice of the need to vacate the Premises which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident(s) will need to be absent from the Premises.

b. Resident(s) agree to vacate the Premises for the time necessary for the work to be completed and, if Resident(s) need to be absent from the Premises for more than eight (8) hours in any twenty-four (24) hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident(s) will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident(s) elect to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident(s)' sole cost and expense; although Resident(s) shall have no obligation to pay rent during the time the Premises is not available to Resident(s) during the repairs if Landlord is not paying for the alternative lodging.

27. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements at the Property is a material breach of this Lease and grounds for termination of this Agreement

28. RENTER'S INSURANCE: Landlord does not provide insurance for Resident(s)' personal property or automobile. Renter's insurance is designed to provide Resident(s) with reimbursement for loss, damage or destruction of their property, as well as coverage for additional living expenses incurred if the Premises, for example, become uninhabitable as the result of a fire. Such insurance can also protect Resident(s) from any liability claims resulting from their own personal activities. For example, if Resident(s)' negligence causes a fire, Resident(s) may be held responsible for the damage of the property of others, including Landlord's property. Resident(s) are encouraged to obtain renter's insurance in an amount sufficient to cover any personal possessions of Resident(s) together with a reasonable level of liability coverage of the actions of Resident(s) or Resident(s)' guests or invitees.

29. SAFETY CONCERNS:

a. Landlord makes no representations or guarantees to Resident(s) concerning the security of the Premises or the Apartment Community. Landlord is under no obligation to Resident(s) to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. All such systems are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident(s) are responsible for planning and taking action with respect to the safety of Resident(s) and their property as if such systems and deterrents did not exist

b. Landlord has no obligation to obtain criminal background checks on any Resident(s) and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident(s) shall not rely on the fact that Landlord may have run a criminal background check on Resident(s) or any other applicant when deciding whether to enter into this Agreement. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Apartment Community. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant

Rental Agreement (Month-to-Month)

This Residential Lease Agreement (hereinafter "Agreement" or "Lease") is entered into between Newlands Enterprises, LLC (hereinafter "Landlord") and the following individuals, jointly and severally (hereinafter collectively "Residents"): Silivelio Siki.

1. LEASED PREMISES: Landlord rents to Resident(s) the premises located at 301 E. OKEEFE ST. Apartment # 4, SAN MATEO, County, California (hereinafter "the Premises"), which is located within the Apartment Community, commonly known as KOJII APARTMENTS (hereinafter the "Apartment Community" or "Property") for use as a residence and for no other purpose. Pursuant to Civil Code Section 1962(a)(1) the current on-site property manager (or, alternatively NEWLANDS ENTERPRISES, LLC) is authorized to manage the Premises. The telephone number and street address at which personal service may be effected on this person is 650-369-6309, P.O. BOX 5222 Belmont CA 94002. The person designated above, so long as he/she is employed at the property, is also the person authorized by the Owner of the Premises (hereinafter "Owner") to act for and on behalf of the Owner for the purpose of service of process and for the purpose of receiving and receipting for all notices and demands.

2. TERM:

a. Original Term. This agreement shall be month-to-month, terminable by either party on thirty days' written notice pursuant to California Civil Code Section 1946. The term shall commence on JUNE 1ST, 2011.

b. Delay of Possession. Resident(s) understand that, for reasons beyond the control of Landlord, Landlord may not be able to provide occupancy to Resident(s) on the commencement date if, for example, a former tenant of the Premises who has given notice to leave cancels the notice or fails to leave by the scheduled date. If, for any reason, Landlord is unable to provide occupancy to Resident(s) by the scheduled commencement date, Resident(s)' remedy in this event shall be limited to termination of this Agreement and Resident(s) shall be entitled to a prompt refund of any monies paid. Landlord shall have no liability to Resident(s) if there is a delay of possession other than promptly to refund any monies paid.

3. RENT: Resident(s) shall pay to Landlord, as rent for the Premises, the sum of $946.00 each month. The name, telephone number and address of the person or entity to whom rent payments shall be made is P.O. Box 5222 Belmont, CA 94002. Except as otherwise provided in this Lease, said sum shall be paid in full, in advance, on or before the first day of each month in the form of personal check, cashier's check or money order. If in any month the rent is paid after the fifth day of the month, payment must be in the form of a cashier's check or money order. If Landlord serves Resident(s) with a three-day notice to pay rent or surrender possession, which Landlord may do on any date after the first day of the month, any payment tendered following service of said notice must be in the form of a cashier's check or money order. If any check given by Resident(s) is, for any reason whatsoever, returned unpaid by the bank upon which it is drawn, all subsequent payments for the rest of Resident(s)' occupancy of the Premises (including the payment necessary to replace the dishonored check) must be in the form of a cashier's check or money order unless Landlord agrees, in writing, to waive this requirement. It is Resident(s)' responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident(s)' convenience - the risk of receipt of funds by Landlord when such box is used is Resident(s)', and not Landlord's, risk. The usual days and hours when rent payments may be made personally are Monday through FRIDAY, 9:00 a.m. to 5:00 p.m.

4. LATE CHARGE AND NSF CHARGE: Landlord and Resident(s) agree that when Resident(s) fail to pay rent on time, or when Resident(s) pay rent by a check which is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, such as additional bookkeeping and administrative charges, bank charges, lost opportunity costs of the late payment, etc. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which both parties agree is difficult or impossible to ascertain, the parties agree that, any time the rent for any given month is paid after the second day of such month, Resident(s) will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of $_____ and further agree that, in the event of a dishonored check, Resident(s) will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, a NSF fee in the sum of $25.00. The parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this paragraph. If such notice

RENTAL AGREEMENT

SECTION HEADINGS: The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause. X YB

1. This Rental Agreement (hereinafter "Agreement" or "Lease") is entered into this 1 **day of** December, 2014, **between** Angel Rosado, **as an authorized agent for Newlands Enterprises, LLC, the owner of the Premises, (hereinafter "Landlord") and the following individuals, jointly and severally:** Yulenia Berber Alvina, Federico Vargas Gonzalez **(hereinafter collectively "Resident(s)"). Together Resident(s) and Landlord are referred to herein as the "Parties").** X YB

2. Leased Premises: Landlord rents to Resident(s) the premises located at: 301 East Okeefe, East Palo Alto Kajii **Apartment #** 5, San Matio **County, California,** 94303. (hereinafter "Premises") which is located within the Apartment Community, commonly known as Kajii (hereinafter the "Apartment Community" or "Property") **for use as a residence and for no other purpose.**
X YB

3. Term: a. Original Term. This Agreement shall be **month to month**, terminable by either party on thirty (30) days written notice pursuant to California Civil Code Section 1946. The term shall commence on: December 01, 2014 (hereinafter "Commencement Date").
b. Delay of Possession. Resident(s) understands that for reasons beyond the control of Landlord, Landlord may not be able to provide occupancy to Resident(s) on the Commencement Date if, for example, a former tenant of the Premises who has given notice to leave cancels the notice or fails to leave by the scheduled date. If, for any reason, Landlord is unable to provide occupancy to Resident(s) by the scheduled Commencement Date, Resident(s)'s only remedy in this event shall be limited to termination of this Agreement and Resident(s) shall be entitled to a prompt refund of any monies paid. **Landlord shall have no liability to Resident(s) if there is a delay of possession other than to refund any monies paid.**
X YB

4. RENT: a. Resident(s) shall pay to Landlord, as rent for the Premises, the sum of $ 1,003.08 each month **in the form of Money Order or Cashier's Check. (Personal or Business checks are NOT an acceptable form of payment).** X YB
b. The name, telephone number, and address of the person or entity to which rent payments shall be made is: **Newlands Enterprises, LLC.** ~~(916) 368-7001. 10515 Mills Tower Dr. #17 Rancho Cordova, CA 95670.~~
X YB
c. Said sum shall be paid in full, in advance, on or before the first day of each month in the form of Cashier's check or money order except as otherwise provided in this Lease or if Landlord agrees, in

writing, in advance, to waive this requirement. If Landlord serves Resident(s) with a three-day notice to pay rent or surrender possession, **which Landlord may do on any date after the first day of the month,** any payment tendered following service of said notice must be in the form of a cashier's check or money order. If any check given by a Resident(s) is, for any reason whatsoever, returned unpid by the bank upon which it is drawn, all subsequent payments for the rest of the Resident(s)'s occupancy of the Premises (including payment necessary to replace the dishonord check and any fees) must be in the form of cashier's check or money order unless Landlord agrees, in writing, in advance, to waive this requirement.. X YB

d. It is the Resident(s)'s responsibility to be certain that each payment is actually received by Landlord on or before its due date. X YB

The usual days and hours when rent payments may be made personally are Monday through Friday, 9am to 5pm. X YB

5. LATE CHARGE AND NSF CHARGE: Landlord and Resident(s) agree that when Resident(s) fails to pay rent on time, or when Resident(s) pays rent by a check which is subsequently dishonored by the bank, landlord incurs fees due to the cost of the actual late payment or the actual fee of the dishonored check, these certain costs include but are not limited to additional bookkeeping and administrative charges, bank charges. Lost opportunity cost of late payment, etx. After making a reasonable endeavor to estimate accurately the approximate costs associated with these breaches, which the Parties agree are difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the fifth (5th) day of such month, Resident(s) will in that month pay to the Landlord, as an additional rent due with the late payment, a late charge in the sum of **$100.00** and further agree that, in the event of a dishonored check, resident(s) will pay to Landlord, as additional rend due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00.** The Parties agree that the payment of these sums does not sonstitute a license to pay rent late nor does it constitute a license to pay by dishonored check, at any time during the Term of this Agreement. ***Rent remains due on the first (1st) day of the month and there is no grace period for the payment of rent.*** X YB

A three day notice to pay rent or quit may be served at any time after the first day of the month iffespective of the existence of the late charges as set forth in this paragraph. If such notice is served after the fifth (5th) day of the month it may include the late charge and/of NSF charge, if applicable, with charges, as set forth above, payable as additional rent in that month. X YB

6. RENTAL PRO-RATION: Resident(s) shall pay to the Landlord, before taking occupancy of the Premises, one full month's rent in addition to a security deposit (discussed in Paragraph 7 below). If Resident(s) takes occupancy of the Premises on a day other than the first day of the month, Resident(s) shall also pay the sum of $ 1,003.08 before taking occupancy of the Premises, as and for the pro-rated amount of rent to cover the period through the final day of the second calendar month of occupancy. Commencing with the following month a full month's rent shall be due each month on or before the first day of the month as stated above. In the event of a conflict between the amount set forth in this paragraph and the amount which an arithmetic computation would yield based upon the rental rate set forth above divided by thirty, with the result multiplied by the number of days in the pro-ration period, the amount determined by said arithmetic computation shall govern (*I.e, if the amount set forth in this paragraph is computed incorrectly, any such arithmetic error shall not be binding-the amount owing shall be the amount resulting from a correct arithmetic computation of the pro-ration).* X YB

In all instances where a pro-rated amount of rent is computed during this tenancy, a thirty day month shall be assumed irrespective of the actual number of days in the month for which the pro-ration is computed. X YB

7. SECURITY DEPOSIT: **a.** Resident(s0 shall pay to Landlord, as security, the sum of $ 850.00, in the form of money order or cashier's check, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. And any other applicable statutes. Landlord shall not be obligated to pay Resident(s) interest in conneciton with such security deposit, unless specifically required by applicable

law. Resident(s) agrees there will be a move-in inspection and a move-out inspection in order to complete a checklist. Any damages to the property shall be deducted from the Resident(s) Security deposit and if damages exceed the amount of Security Deposit, balance is payable to Landlord, and due before move-out of Resident(s). Any balance unpaid after move-out may result in legal actions, at option of Landlord. Any cleaning costs, key replacement, and any other costs legally allowable under the terms of this Agreement shall be deducted frim the Resident(s)'s security deposit. Resident(s) agrees to a quarterly survey of the property. Resident(s) agrees and understands that carpets will be professionally cleaned upon move-out and deducted from the Security Deposit (Landlord will schedule the carpet cleaning with a company of the Landlord's choice). A written accounting of said charges shall be presented to Resident(s) within twenty-one (21) business days of move-out. **Resident(s) agrees that the Security Deposit will not be applied as payment of the last month's rent.** X YB

b. it is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents vacate the Premises. It shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually (which need not be done until the statutory time has elapsed, after all Residents have vacated the Premises), in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or grounp of Residents for failure of any Resident to divide such refund equitably. X YB

c. If the Security Deposit is later increased by agreement of the Parties for any reason (such as installation of satellite dishe, a waterbed or relating to a pet), the additional Security Deposit will be disbursed by Landlord in accordance with this paragraph at the end of the statutory period following the end of Resident(s)'s tenancy. Removal of the pet, satellite dish or waterbed or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit. X YB

8. MOVE-IN PAYMENT: Resident(s) shall pay to Landlord $ 1,003.08 at the time of move-in. This amount is composed of the following sums: $ _____ as the first month's rent. $ 850.00 as the Security Deposit, $ N/A as the Pet Deposit (with written permission from Landlord), and $ 1,003.08 as the advance payment of rent for the period 12-1 through 12-31. Landlord may, at Landlord's option, require that this entire sum be paid in the form of cashier's check or money order. If Landlord accepts a personal or other non-certified check and the check is, for any reason whatsoever, returned unpaid by the bank upon which it is drawn, the entire amount shall immediately become due and payable and shall be considered rent so that Landlord may sere a three day notice to pay rent or quit for the entire amound, and if Resident(s) does not comply with said notice, Landlord may utilize unlawful detainer procedures to evict Resident(s) from the Premises. X YB

9. UTILITIES AND PLUMBING: Unless a separate utility addendum is executed between the Parties modifying this paragraph, **payment of all utilities charges shall be the responsibility of Resident(s)** with the exception of Water, Sewer, Trash, PG&E, Landscape, Pool Services, which shall be the financial responsibility of the Landlord, Resident(s) shall not make excessive or unreasonable use of such utilities, Landlord may bill Resident(s) for such excessive or unreasonable use and said biling shall become due and payable, in full, as additional rent together with the regular monthly rental payemt on the first day of the month next following the date of such billing. In the event os a dispute as to any such charges, Resident(s) shall pay the disupted amount as required, but may file a Small Claims Court action for a refund, and if such Court determines that the amound charged by Landlord is excessive, Landlord shall promptly refund any such overcharge. For any utility which Resident(s) is responsible for paying directly to the utility provider, Resident(s) must contact the utility company prior to move in to hae the services placed in Resident(s)'s name no later thatn three(3) business days following move-in. Resident9s) shall have utilities connected at all times during tenancy. **SMUD is to be in resident(s) name no later than (date)** 12-01.

X YB

Disconnection of utilities due to non-payment is a material violation of this Agreement and subject

to termination of tenancy. X YB

If Resident(s) fails to pay any utility charges thast are to be paid by Resident(s), Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident9s) by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly reantal payment on the first day of the month next following the date of such billing. X YB

Resident(s shall not use any utilities in the common areas of the Property for their own personal use with out prior written consent of the Landlord. X YB

Any and all plumbing and/or sewage problems, caused by Resident9s) (including minors), and/or Resident(s) guests or invitees, is the sole financial responsibility of Resident(s) X

Name_____Date of Birth_____ Name_____Date of Birth_____

Name_____Date of Birth_____ Name_____Date of Birth_____

No other persons have permission to occupy the Premises unless such permission is obtained in writing, in advance, and signed by Landlord or its authorized agent. Resident(s) shall not allow any other individual to reside in or on Premises, or allow any other individual to utilize the mailing address for said unit. X YB

Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident(s) named above and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named above make any claim to right of possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident(s) and their claim to the right of possession shall be denied. Any person named above in this Paragraph who is not also named above as a Resident and/or who is not a signatory to this Lease shall be deemed to be invitees of the named Resident(s), who are signatories to this Lease. Accordingly, if any such individual is not named in any unlawful detainer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident(s) and does not have an independent claim to right of Possession of the Premises. **Resident(s) understand that in no event shall more than two (2) persons per bedroom plus one additional person occupy the premises.**

X YB

If the household composition changes such that the number of occupants exceeds this occupancy standard, Resident(s) agrees that such over-utilization shall be grounds for Landlord to terminate this Agreement,

solely at Landlords option. X YB

12. ASSIGNMENT AND SUBLETTING: Unless prohibited by local regulations, Resident(s) shall not assign this Lease nor sublet any part of the Premises. **Permitting any person not named as an occupant or as an Resident in this Lease as listed above to occupy the Premises shall be deemed an improper subletting of the Premises and will constitute a material breach of the Lease and shall subject the tenancy to termination of tenancy with a three-day notice to quit.** Any attempted subletting or assignment is in violation of this provision and shall be void and shall be grounds for Landlord to terminate this Agreement, solely at Landlord's option. X YB

13. ACCESS TO PREMISES: The Parties agree that upon advance reasonable written notice to Resident(s), unless otherwise agreed to by Resident(s), Landlord shall have the right to enter the Premises during normal business hours for the purpose of: (a) making desired, necessary or agreed repairs, decorations alterations, improvement, or renovations to the Premises, to an adjacent unit or for the benefit of the building in which the Premises is located; (b) supplying necessary or agreed services; (c.) showing the unit to prospective or actual purchasers, mortgagees, tenant, workmen, or contractors; or (d) for any other purposes permitted by California Civil Code Section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). The Parties hereby agree that twenty-four (24) hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period my also be reasonable under some circumstances. In the case of an emergency, or Resident(s)'s abandonment or surrender of the Premises, Landlord or its agent may enter the Premises at any time with out first securing Resident(s)'s prior permission. **Resident(s) agrees to permit Landlord access to the Premises in accordance with this paragraph. Resident(s) also agrees that if Resident(s0 denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice to quit.** X YB

14. RESIDENTIAL USE OF PREMISES: Resident(s) agrees that the Premises is rented for RESIDENTIAL USE ONLY and for no other purpose. Resident(s) shall not use the Premises as a business address, nor shall Resident(s) conduct business activities on the Premises. Conducting business activities includes, with out limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident(s) at the Premises, having business stationery setting forth the address of the Premises, or otherwise holding out the Premises as the address of any business. Resident(s) may, however, insofar as it is consistent with the restrictions set for the in this section, and with written consent of Landlord, use a portion of the Premises as a "home office." Nothing set for the herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally. X YB

15. COMPLIANCE WITH APPLICABLE LAWS: Resident(s) agrees not to permit the Premises to be used for any purpose which violates local, state or federal law, or engage in any illegal acts upon the Premises or upon the grounds of the Apartment Community. Resident(s) further agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident(s)'s violation of any statute, ordinance, regulation or other governmental restriction.
X YB

To the extent any lease provision is require by statute or local ordinance, but not set forth herein or in addendum to this Lease, it is hereby inserted as an additional provision of this Lease, but only to the extend specifically required by applicable law interpreted as narrowly as possible and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.
X YB

Resident(s) is responsible for any fines, legal fees incurred by Landlord, or other costs occasioned by violations of the Law by Resident(s) (including minors), or Resident(s)'s guests or invitees in the Premises or on the Property of the Apartment Community while Resident(s) is in possession. If any such fines or costs are levied against Landlord, Resident(s) agrees to pay such fines or costs attributed to Resident(s)'s tenancy or conduct of Resident(s) (including minors), Resident(s)'s guests, invitees or others at the Premises upon receipt of an invoice from the Landlord. The obligation to pay fines and costs assessed against Landlord may be in addition to any fines or costs assessed directly against Resident(s). X YB

16. COMPLIANCE WITH RULES: Resident(s) acknowledges receipt of a copy of the Apartment Community Rules ("Rules"), which Rules are incorporated into and made a part of this Lease. **Resident(s) agrees to abide by said Rules in all respects.** X YB
Any Rules may be changed on Thirty (30) days' notice and Resident(s) agrees to abide by any such changes. **Failure to comply with the Rules shall be deemed a material violation of this Agreement and subject to termination of tenancy with a three-day notice to quit.** X YB

17. CONDUCT OF RESIDENT:

a. Resident(s) agrees not to harass, annoy, or endanger any other Resident, neighbor or other person or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other Resident, neighbor or other person, or commit waste in our about the Premises. X YB

b. Resident(s) further agrees not to harass, verbally abuse, denigrate or otherwise disrespect the Landlord's employees, agents and/or contractors or interfere with the operations of the Property or the work of the Landlord's employees or agents. X YB

c. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other Residents of the Property. These include, but are not limited to, the use, possession, manufacturing, or sale of illegal drugs or controlled substances (as defined in Section 1025 of the Controlled Substance Act (21 U.S.C. 802)).Resident(s) and members of the Resident(s)'s household **will not permit the dwelling unit to be used for, or to facilitate, criminal activity, including drug-related criminal activity, regardless of whether the individual engaging in such activity is a member of the household or guest.** Resident(s), any member of the Resident(s)'s household, or guest, invitee or other person under the Resident(s)'s control shall not engage in acts of violence or threats of violence, including but not limited to the unlawful discharge of firearms on or near the property/premises. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity.
X YB

d. Resident(s) additionally agrees not to deface or damage any part of the Premises or the Apartment Community or permit the same to be done or keep any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation in the Premises.
X YB

e. Resident(s) also agrees not to do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Owner or Apartment Community. X YB

f. Resident(s) is responsible for the conduct of his/her/their guest or invitees while they are on the Property as well as all household members (including minors). A Resident(s) conducting any of the activities set forth hereinabove, or who allows his/her/their guests, invitees or household members (including minors) to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement with a three-day notice to quit.
X YB

18. SMOKING

a. Resident(s) must comply with all applicable laws and Rules regarding smoking on the Premises. Landlord may change its Rules regarding smoking at any time by providing Resident(s) with thirty (30) days'

written notice. At the inception of this Agreement: **Smoking is permitted in any area where smoking is not prohibited by applicable law.** X YB

b. Landlord is not required to advise Resident(s) of any changes in the law with respect to smoking on the Property. Resident(s) is responsible for complying with all laws relating to smoking and thirty days' notice is not required if a policy change is implemented to comply with a new statute, regulation or ordinance.. The Parties agree to execute any addendum relating to smoking which may be required by law after the execution of this Agreement. X YB

c. Although smoking may be prohibited at various locations at the Apartment Community, Landlord does not provide or guarantee a smoke-free environment and nothing in this paragraph or any smoking addendum, if any, shall be deemed a guarantee of any kind that Resident(s) will not be exposed to smoke while on the Property and Landlord expressly denies any such assertion. X YB

d. To the extent smoking is allowed anywhere in the Apartment Community, Resident(s) who smoke, or allow smoking by their invitees or guests, must ensure the smoke does not disturb the quite enjoyment of other residents. Secondhand smoke may seep and drift through open doors, windows, and ventilation ducts which may constitute a disturbance to those residents who do not smoke, particularly those with health and allergy-related sensitivities. Pursuant to other provisions of this Agreement, Resident(s) is responsible for the conduct of guests and invitees while they are on the Property. Violation of this provision may result in the immediate termination of this Agreement as provided in this Lease and by law.
X YB

e. Resident(s) agrees to dispose of all cigarette butts in appropriate receptacles. Cigarette butts are not to be flushed down toilets, put down drains, or left on the grounds of the Apartment Community.
X YB

f. Resident(s), guests and invitees agrees to **NOT** smoke in bed. X YB

As a condition to such termination, Resident(s) will furnish Landlord with a certified copy of the official orders which warrant termination of this Lease. Military orders authorizing base housing in the local area in which the Premises is located do not constitute change-of-duty under this paragraph. X YB

20. LIQUID-FILLED FURNITURE AND AQUARIUMS: Waterbeds and other liquid-filled furniture are allowed only under the regulations of California Civil Code Section 1940.5, which requires proper insurance coverage for waterbeds. A certificate of insurance evidencing waterbed coverage must be provided to Landlord prior to Resident(s) bringing any liquid-filled furniture into the Premises. Resident(s) must provide Landlord with at least twenty-four (24) hours' written notice prior to the installation, removal or movement of any liquid-filled furniture and Landlord has the right to be present at the time of such installation, removal or movement. Installation, movement and removal must be done in accordance with standards set by the manufacturer, retailer, or state law, whichever provides the highest degree of safety. No aquariums over 5 gallons are permitted with out prior written consent of Landlord. If Resident(s) installs any liquid filled furniture, the Security Deposit shall be increased by **$300.00**, which in no event shall be more than one-half of one month's rent. X YB

21. CONDITION OF PREMISES-ALTERATIONS: Resident(s) has inspected the Premises and acknowledges that the Premises is in good and habitable order and repair at the time Resident(s) is given occupancy. X YB
Resident(s) agrees not to make any alterations or improvement to the Premises without the prior written consent of the Landlord. All additions, fixtures and improvements shall be Landlord's property and shall

remain upon the Premises after the termination of the Lease unless Landlord, as a condition of allowing Resident(s) to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition. Resident(s) agrees not to install additional or different locks or gates on any doors or windows of the Premises without written permission of Landlord. If landlord approves Resident(s)'s request to install such locks, Resident(s) agrees to provide Landlord with a key for each lock. X YB

22. DUTY TO CLEAN AND VENTILATE: Resident(s) hereby acknowledges that mold and mildew can grow in the Premises if the Premises is not properly maintained and ventilated. Resident(s) acknowledges that it is important the Resident(s) regularly allow air to circulate in the Premises. Resident(s) agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow if even a small amount of moisture builds up, Resident(s) also agrees to clean all toilets, sinks, countertops, showers, bathtubs, and tile or linoleum floors with house hold cleaner on at least a bi-weekly basis. Resident(s) further agrees to notify Landlord immediately whenever Resident(s) learns of any condition which could lead to a build up of moisture in Resident(s)'s apartment, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater, or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors or windows and/or any failure or malfunction in the heating, ventilation, or air-conditioning system in the Premises. Resident(s) agrees to keep the unit free of dirt and debris that can harbor mold or mildew. Resident(s) agrees to notify Landlord, in writing, of overflows from bathroom, kitchen, or unit laundry facilities, especially in cases where the overflow may have permeated walls or cabinets. Resident(s) agrees to allow the Landlord to enter the unit to inspect and make necessary repairs. Resident(s) agrees to use bathroom fans while showering or bathing and to report to the Landlord, in writing, any non-working fan. Resident(s) agrees to use all reasonable care to close all windows and other openings in the Premises to prevent outdoor water from penetrating into the interior unit. Resident agrees to clean and dry any moisture on windows, window sills, walls, floors, countertops, and other surfaces including personal property, as soon as reasonably possible. (Note: Mold and mildew can grow on damp surfaces with in 24 to 48 hours). **Resident(s) agrees to indemnify and hold harmless the Landlord/Owner/Agent from any actions, claims, losses, damages, and expenses, including but not limited to, attorneys' fees that the Landlord/Owner/Agent may sustain or incur as a result of the negligence of the Resident(s) or any guest or other person living in, occupying, or using the Premise.** If Resident(s) notices mold, mildew or other organic growth in the Premises, Resident(s) agrees to notify Landlord, in writing, immediately. **Any failure to comply with the requirements of this paragraph shall be deemed a material breach of this Lease. In addition, Resident(s) shall be liable to Landlord for any damage resulting from Resident(s)'s failure to comply with the requirements of this paragraph.** X YB

23. PACKAGE RELEASE: Resident(s) gives Landlord and its agents permission to sign for and accept any parcels or letters that may be sent to Resident(s), whether anticipated or unanticipated, through UPS, Federal Express, Airborne, USPS, hand deliveries, or the like. Landlord does not accept any responsibility or liability for any lost, damaged, or unordered deliveries and Resident(s) agrees to hold Landlord and Landlord's agents harmless from any loss or damage to any of Resident(s) packages. **Nothing in this paragraph, however, obligates Landlord to accept any packages on behalf of Resident(s) and Landlord may choose not to do so.** X YB

24. PARKING: The Apartment Community off street parking is for Resident parking only. Parking permits are required on all vehicles parked on property. Parking permits are available in the Apartment Community Office. X YB
Guests and invitees are to be instructed to park on the street. X YB
Remote Gate controls are needed to enter and exit the main parking lot. Remote Controls are available in the Babu's Villa Apartments office for a deposit of $25.00. X YB

Landlord shall not be liable for any damage or loss to motor vehicles of, or the contents of motor vehicles of, Resident(s) and/or Resident(s)'s guests or invitees. X YB
Failure of Resident(s) or Resident(s)'s guests or invitees to follow Rules and/or posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner(s). X YB
In the event a vehicle is towed, all fees, not limited to towing, storage, citations, and the like, are the responsibility of the vehicle owner(s). Landlord shall not be liable for any fees related to towing of vehicle(s). X YB
Number of parking spaces assigned to Resident(s)'s unit 05. Only one vehicle may be parked in each parking space. X YB
Only currently registered vehicles may be parked on the property.
X YB
Any vehicle that lacks an engine, transmission, wheels, tires, doors, or any other major part or equipment necessary to operate safely on the highways, is subject to tow under California Vehicle Code 22658. Vehicles parked in violation of local laws/ordinance are subject to tow at owner's expense. X YB

25. PESTS AND PEST CONTROL:

a. California law requires that an Owner/Agent/Landlord of a residential dwelling unit provide each new Resident(s) a copy of the notice provided by a registered pest control company if a contract for periodic pest control service has been executed. Pursuant to applicable law, concurrently with signing this lease, you are being provided with a copy of the legally required notice provided by the registered pest control company.
X YB

b. Resident(s) and Landlord both have inspected the Premises prior to leasing and acknowledge there is not visible evidence of the presence or infestation of insects or vermin including bedbugs in the Premises. Resident(s) agrees to inspect all personal belongings for signs of bedbugs and other insects or vermin prior to bringing personal belongings into the apartment and further agree not to bring into the Premises any belongings which Resident(s) suspects may be infested with bedbugs, insects or other vermin.
X YB

c. Resident(s) agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with Rules and other policies relating to the prevention of infestations. Resident(s) further agrees to report any signs of bedbugs, ants, fleas, roaches or other insects or vermin immediately to Landlord. X YB

d. If Resident(s) allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, **or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident(s) will be responsible for all costs of treatment to the Premises, their personal belongings and surrounding units as necessary to eradicate the infestation.** The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor. X YB

e. It is our goal to maintain the highest quality living environment for out Resident(s). the Landlord has inspected the unit prior to lease and knows of NO bedbug infestation. Resident(s) have an important role in preventing and controlling bed bugs. While the presence of bed bugs is not always related to personal cleanliness or housekeeping, good housekeeping will help control the problem by identifying bed bugs, minimizing an infestation, and limiting its spread. It is important to underscore that travelers are mainly responsible for the transfer of bed bugs. X YB
Resident(s) represent(s) that all furnishings and other personal property that will be moved into the unit free of bedbugs. X YB

f. Resident(s) agrees to cooperate with all pest control efforts at and within the Premises and the Property. Resident(s) shall follow **all** instructions from Landlord and/or Landlord's pest Control Company with respect to treatment and eradication whether infestation is in the Resident(s)'s unit, another unit or elsewhere on the Property. **Resident(s) agrees that any non cooperation with all instructions from Landlord and/or Landlord's pest control company will result in a $25.00 service call fee, Resident(s) agree to pay said**

fee with the following month's rent. X YB

26. EMINENT DOMAIN OR CONDEMNATION: Should the land whereon the building containing the Premises is situated, or any part thereof, or any portion of the Apartment Community, be condemned or taken for public use, then, in that event, upon the taking of same for such public use, this Lease, at the option of the Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. **Resident(s) shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.** X YB

27. SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:

a. If the Premises or Property are damaged by fire, flood or other casualty, necessitating repairs that require Resident(s) to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option **either** (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, **or** (2) give notice to Resident(s), at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. **Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident(s).** X YB

b. If Landlord elects to terminate, this Agreement shall expire and all interest of the Resident(s) (including minors) in the Premises shall terminate and Landlord shall have no obligation to pay lodging, hotel, motel costs or other expenses to Resident(s) (including minors), guests or invitees, after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Agreement in full force and effect, the "Duty to Cooperate" and "Significant Repairs" provisions of the Agreement shall apply. X YB

28. SIGNIFICANT REPAIRS:

a. If the Premises requires significant renovations, improvements, or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident(s) to vacate the Premises for any length of time, Resident(s) must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, landlord shall give Resident(s) at least twenty-four (24) hours written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time landlord anticipates Resident(s) will need to be absent from the Premises. X YB

b. Resident(s) agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident(s) needs to be absent from the Premises for more than eight (8) hours in any twenty-four hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident(s) will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident(s) elects to relocate temporarily to lodging other than designated by Landlord, then Landlord shall have not obligation to pay the cost of such housing, which shall be at the Resident(s)'s sole cost and expense; although Resident(s) shall have no obligation to pay rent during the time the Premises is not available to Resident(s) during the repairs if Landlord is not paying for the alternative lodging, except as provided below. X YB

c. If the work or repairs are required because of the conduct of Resident(s) or the conduct of Resident(s)'s household (including minors), invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident(s) shall remain responsible for both rent and the cost of alternative lodging during the time when Resident(s) (including minors), guests and/or invitees must vacate the Premises for any work to be completed.

X YB

29. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations, extermination, or other improvements at the Property is a material and incurable breach of this Lease and grounds for termination of this Agreement with service of three-day notice to quit.
X YB

30. SAFETY CONCERNS:
a. Landlord makes no representations or guarantees to Resident(s) (including minors), Resident(s)'s guests or invitees concerning the security of the Premises or the Apartment Community. Landlord is under no obligation to Resident(s) (including minors), Resident(s)'s guests or invitees to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. All such systems are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. **Resident(s) is responsible for planning and taking action with respect to the safety of Resident(s) (including minors) Resident(s)'s guests and invitees and their property** as if such systems and deterrents did not exist. X YB
b. Landlord may install surveillance cameras in some of the common areas of the Property. These cameras may or may not be monitored and the footage may or may not be recorded by these cameras and the footage may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident(s).
X YB
c. Landlord has not obligation to obtain criminal background checks on any Resident(s) and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident(s) shall not rely on the fact that Landlord may have run a criminal background check on Resident(s) or any other applicant when deciding whether to enter into this Agreement. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Apartment Community or that someone living on the Property will not commit a crime in the future. Landlord ahs not made and does not make any representations as to the background of any existing or future Resident and Landlord is under no obligation to run background checks on any existing Resident or future applicant. X YB
d. Resident(s) agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident(s) receives a copy of any law enforcement agency's incident report for an incident that occurred on the Property and said incident impacted the Premises, the Property or other residents at the Property, Resident(s) shall provide a copy of said incident report to landlord upon request. X_____

a. NOTICE: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides. X YB
b. Since the information is equally available to Resident(s) and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 *et seq.*, Landlord has not made an inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident(s) are advised to make whatever reasonable and lawful actions Resident(s) believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with diminished capacity about how to deal with strangers and similar topics. **Resident(s) is advised that Landlord may not notify Resident(s) if Landlord learns or is advised that a registered**

sex offender is living in the Apartment Community. The existence of registered sex offenders in the Apartment Community is not grounds for terminating this Agreement. X YB

32. LIABILITY: Landlord shall not be liable to Resident(s) (including minors) or any guests or invitees of Resident(s) for any damage or losses to person or property arising from any cause including, but not limited to, theft burglary, assault, vandalism, fire, flood water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. X YB

33. RENTER'S INSURANCE: Landlord does not provide insurance for Resident(s)'s personal property or automobile. Renter's insurance is designed to provide Resident(s) with reimbursement for loss, damage or destruction of their property, as well as coverage for additional living expenses incurred if the Premises, for example, become uninhabitable as a result of a fire. Such insurance can also protect Resident(s) from any liability claims resulting from their own personal activities. For example, if Resident(s)'s negligence causes a fire, Resident(s) may be held responsible for the damage of the property of others, including Landlord's property. X YB

Resident(s) is REQUIRED to obtain renter's insurance in an amount sufficient to cover all personal possessions of Resident(s) together with reasonable level of liability coverage of the actions of Resident(s), house hold members (including minors) or Resident(s)'s guest(s) or invitee(s). Resident(s) shall provide proof of insurance to Landlord at commencement of this Lease Agreement. X YB

34. INDEMNITY/HOLD HARMLESS: Resident(s) agrees to indemnify and hold harmless, the Landlord, their officers, directors, employees and agents from and against any and all claims, liabilities, damages, cause of action, losses, costs and expenses or liability of any nature, including death or injury to any person, property damage or any other loss caused by or arising out of Resident(s) (including minors), Resident(s)'s guest(s), invitee(s)or subtenant(s)' negligent acts, errors, or omissions, or willful misconduct, or conduct for which applicable law may impose strict liability on Landlord in the performance of or failure to perform its obligations under this Lease Agreement. X YB

35. PETS: NO dogs, cats, animal, fowl, fish, reptile, and/or pets of any kind are permitted on the premises, for any amount of time, without the prior written consent of the Landlord. In the event that written consent is given by Landlord, an additional deposit of $400.00 will be collected.
X YB

Any such consent may be revoked at any time, with our without cause, by giving thirty (30) days' written notice. X YB

In the event of default by Resident of any terms in this paragraph, Resident agrees, within three days after receiving written notice of default from Landlord, to cure the default or vacate the Premises. X YB

Except to the extent written permission is given; **pets may NOT be brought upon the Premises, whether such pets belong to Resident(s) or to another person. The presence of any pets as to which written permission has not been given and is not currently in force, even if such pets are "just visiting," shall be deemed a material and incurable breach of this Lease and shall be cause for the service of a three-day notice terminating the tenancy.**
X YB

This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Property should contact Landlord, before bringing the animal onto the Premises and request accommodation to this lease provision. All accommodation requests will be processed in accordance with applicable laws. X

inoperability in the carbon-monoxide device. Resident(s) agrees to not interfere with the presence or operability of any carbon-monoxide device. X YB
Resident(s) further agrees that if the carbon-monoxide device(s) is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, **Resident(s) assumes responsibility to: (a) ensure the battery is in operating condition at all times;** X_____
and (b) replace the battery as needed. X YB
Under no circumstances shall Resident(s) remove the battery of a carbon-monoxide device without immediately replacing the battery with a new one.
X YB

37. SATELLITE DISHES: Resident(s) agrees to NOT install any satellite dishes on the Property or in the Premises or on the balcony/patio.
X YB

38. POLITICAL SIGNS: Resident(s) agrees to NOT post any political signs.
X YB

39. PROPOSITION 65 WARNING: The Premises as well as the common areas in and around the Apartment Community contain at lease one chemical(s) known to the State of California to cause cancer or reproductive toxicity and for which warnings are now required. These chemicals include, but are not limited to: tobacco, smoke, lead and lead components, asbestos, carbon monoxide, and gasoline components. More information on specified exposures is available at www.prop65apt.org. California Health & Safety Code Section 25249. X YB

40. ASBESTOS DISCLOSURE, OPERATION AND MAINTENANCE PROGRAM:
Applicable only if checked here [X] *(must be checked if building is constructed prior to 1981 or if Landlord knows or believed there is asbestos on the Premises.)*
a. Asbestos is a mineral on the list of chemicals known to the State of California to cause cancer. Asbestos is present in the strayed-on acoustic ceiling material (which has a "cottage cheese" appearance) in the Premises and in hallways and other areas in the building in which the Premises is located. Asbestos may also be present in other materials in the Premises and the building, including the insulation fireproofing and floor tiles.
b. Landlord has instituted operations and a maintenance program directed at maintaining the Premises in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimized disturbance or damage to asbestos-containing material; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. Now matter how small the percentage of such material may be, Resident(s) (including minors) and Resident(s) invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program including, without limitation the following:

i. Hazardous materials: Resident(s) shall not take or allow any action which in any way damages or disturbs all or part of the ceiling or floor tiles in the Premises, including, but not limited to: piercing the surface of the ceiling or floor tiles by drilling or any other method; hanging plants, mobiles or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling;

ii. Resident(s) shall notify Landlord immediately in writing (a) if there is any damage or deterioration of the ceiling or floor tiles in the Premises, including without limitation, loose, cracking, hanging or dislodged material, water leaks, or stains in the ceiling or floor tiles; or (b) upon the occurrence of any of the activities described in the preceding paragraph.

Regarding Pet(s), IN THE EVENT OF WRITTEN CONSENT FROM LANDLORD: Resident(s) agrees to comply with all applicable ordinances, regulations and laws governing pets.
X YB
Resident(s) agrees to provide proof of vaccinations, license and registration for the City of Rancho Cordova and County of Sacramento no later than 5 business days from the commencement of this Lease. X YB
Resident(s) agrees that Pet will not be permitted outside Resident(s)'s unit unless restrained by a leash. X YB
Resident(s) agrees that Use of grounds or premises for sanitary purposes is prohibited. Any "mess" created by Pet shall immediately be cleaned up by Resident(s). Resident must provide and maintain an appropriate litter box, if applicable. X YB
Resident(s) agrees that Pet MUST be neutered. X YB
Resident(s) agrees that Pet shall not be fed directly on the carpeting or wood flooring in the unit.
X YB
Resident(s) shall prevent fleas, ticks, or other infestation of the rental unit or other property of Landlord, and may be held liable for costs associated with any necessary remediation.
X YB
Resident(s) agrees that Resident(s) shall not permit, and represents that Pet will not cause any damage, discomfort, annoyance, nuisance or in any way inconvenience, or cause complaints, from any other Resident(s), guest, or public. X YB
Resident(s) shall be liable to Landlord for all damages or expenses incurred by or in connection with Pet, and shall hold Landlord/Owner/Agent harmless and indemnify Landlord/Owner/Agent for any and all damages or costs in connection with Pet(s) owned or brought to Premises/Property by Resident(s), guest(s) and/or invitee(s). X YB
Resident(s) also agrees to carry insurance deemed appropriate by Landlord to cover possible liability and damages that may be caused by such Pet(s). X YB

36. SMOKE DETECTOR AND CARBON-MONOXIDE DEVICES: Resident(s) acknowledges that the Premises is equipped with operable smoke detector(s) at the time Resident(s) took possession of the Premises. Resident(s) acknowledges the smoke detection device(s) was/were tested and its operation explained by Landlord in the presence of Resident at time of initial occupancy and the detector(s) was/were operating properly at the time. X YB
Resident(s) agrees to perform the manufacturer's recommended test at least once a week to determine if the smoke detector(s) are operating properly. X YB
Resident(s) agrees to not interfere with the presence or operability of such smoke detectors and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. X_____
In accordance with California law, Resident(s) shall allow Landlord access to the Premises for that purpose.
X YB
Resident(s) understand that the smoke detector is battery operated. X YB
Resident(s) further agrees that, if the smoke detector(s) is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident(s) assumes responsibility to:
(a) Ensure the battery is in operating condition at all times. X YB
and (b) replace the battery as needed. X YB
Under no circumstances shall Resident(s) remove the battery of a smoke detector without immediately replacing the battery with a new one.
X YB
If a carbon-monoxide device has been installed within the Premises, Resident(s) acknowledges that the carbon-monoxide device was operable at the time Resident(s) took possession of the Premises.
X YB
Resident(s) is responsible for notifying Landlord if Resident(s) becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or

41. LEAD-BASED PAINT DISCLOSURE AND WARNING:

Applicable only if checked here [X] *(must be checked if building is constructed prior to 1978 or if Landlord knows or believes there to be lead-based paint on the Premises.)*

a. Lead Warning Statement. Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead based poisoning prevention.

b. Landlord's Disclosure *(check appropriate box or boxes).*

[X] Landlord has no knowledge of lead-based paint and/or lead-based paint hazards in the Premises.

[X] Landlord has no reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises.

[ ] Landlord knows that lead-based paint and/or lead-based paint hazards are present in the Premises (explain)._____

[ ] Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has provided Resident(s) with all available records and reports or made such records and reports available to Resident(s)'s upon Resident(s)'s request. *(List documents)*_____

c. Resident(s)'s Acknowledgment *(check all that apply)*

[ ] Copies of all information listed above, if any, have been made available to Resident(s) upon request.

[ ] Resident(s) have received copies of all information listed above, if any.

[X] Resident(s) have received the pamphlet *Protect Your Family from Lead in Your Home.*

42. MISSTATEMENTS ON APPLICATION: Resident(s) has completed an application in connection with securing this Lease. Landlord has relied upon the statements set forth in said application in deciding to rent the Premises to Resident(s). **It is agreed that, if Landlord subsequently discovers any misstatements of fact in the Resident(s)'s application, any such misstatements shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice terminating tenancy.**

X YB

43. EVENTS OF DEFAULT: Resident(s) shall be guilty of material breach of this Agreement, and subject to termination of tenancy with a three-day notice to quit,

if Resident(s): (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; X YB **(b)** defaults in performance of or breach of any other provision, term, covenant or condition of this Lease; X YB **(c)** vacates or abandons the Premises before expiration of the full term o this Lease, or any extension of the term; X YB **(d)** sublets or attempts to sublet this Lease; **(e)** permit's the leasehold interest of Resident to be levied upon or attached by process of law; or X YB **(f)** makes an assignment for the benefit of creditors. X YB

44. WAIVER: Landlord's failure on any occasion to require strict compliance with any provision of this Lease or to exercise any right arising under this Lease shall not be deemed a waiver of Landlord's right subsequently to enforce any such provision or to insist upon any such right. X YB
The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment of rent or to exercise any remedy available for late payment of rent. X YB
Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease. X

45. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.
X YB

46. DISCLOSURE REGARDING OWNER/MANAGEMENT: Pursuant to Civil Code Section 1962(a) (1), the current on-site manager (_____) is authorized to manage the Premises. The telephone number and street address at which personal service may be affected on this person(s) is.
Off-Site Manager(s): **Kamilia (Emily) Dimitri, Angel Rosales, John Halwani 650-369-6309. 3250 Middlefield Road, Menlo Park, CA 94025.** X YB

47. NOTICES: Any notice that Landlord gives to Resident(s) shall be deemed **properly** served (whether or not actually received by Resident(s)) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but **Resident(s) actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served.** Service upon any of the residents of the Premises shall be deemed valid service upon all Residents-it is not necessary to serve each Resident individually unless otherwise required by law.
X YB

48. ATTORNEY'S FEES: In the event of any litigation relating to this Agreement or the rights or liabilities of any party arising under this Agreement, **the prevailing party of such litigation shall be entitled to its costs, including reasonable attorney's fees, incurred in such litigation, not to exceed a maximum total of $2,000.00 fees and costs.** If any such litigation is dismissed prior to trial, the parties agree that there shall be no prevailing party for purposes of an award of attorney's fees and/or costs. **An unlawful detainer action shall be considered an action relating to this Lease and thus subject to this provision.** X YB

49. ARBITRATION: Should Landlord or resident(s) wish to commence an action for damages under the Agreement, it shall be required to adjudicate the dispute through binding arbitration under the rules of the American Arbitration Association or under such rules to which the parties may agree. This Section shall not apply to actions maintained for a breach of contract or covenant where the remedy is rescission and/or restitution of possession or any termination. X YB
50. JOINT AND SEVERAL LIABILITY AND AUTHORITY: All persons signing this Agreement as Resident(s) shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. X YB
The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and my

institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises. X YB

51. ENTIRE AGREEMENT: This Agreement, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreement to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident(s) hold over the expiration of the Lease term on a month-to-month holdover basis, Landlord may change any provision of this Lease without the consent of Resident(s) in the manner prescribed by California Civil Code Section 827. X YB

52. SEVERABILITY AND PROVISIONS REQUIRED BY LAW: If a provision or paragraph of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or paragraph will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Agreement is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction. X YB

53. SUBORDINATION: This Lease and all rights of Resident(s) arising under it are expressly agreed to be subject and subordinate in all respects to the lien of any present or future mortgages which are or may be placed upon the Property and to all other rights acquired by the holder of any such mortgage(s). As used in this paragraph, the term "mortgage" shall include deeds of trust or any similar security interest.
X YB

54. SUCCESSORS IN INTEREST: If the Property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident(s). **Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.**
X YB

55. CREDIT REPORTING: Resident(s) is notified that Resident(s)'s performance as a tenant of this property may be reported to credit reporting agencies. X YB

56. ATTACHMENTS/ADDENDA: Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. **Resident(s) agrees to abide by all said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease.**

a) Community Rules **b) Pool Rules**
c) Bedbug Addendum **d) Asbestos Addendum**

e) Move In/Out Inspection f) Pest Control

57. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenant, lessees, or vendees of the Premises. X YB

58. REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS: A disabled person, for all purposes under this Lease, shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. **If Resident(s) believes Resident(s) or a member of Resident(s)'s household requires an accommodation or modification as a result of a disability, Resident(s) should contact Landlord to begin the interactive process.** X YB

59. SIGNATORIES: The individuals signing below as "Resident," whether or not in actual possession of the Premises, are jointly and severally responsible for all obligations arising under this Lease. This Lease shall not be considered to be in full force and effect until signed by Landlord or Landlord's authorized agent. Landlord may, with out liability, refuse to enter into this Lease and may refuse to allow Resident(s) to occupy the Premises at any time prior to Landlord signing this Lease. Resident(s) shall be fully liable for all obligations arising under this Lease and Landlord may enforce the provisions of this Lease as against Resident(s) if, for any reason or by any means, Resident(s) obtains access to the premises before such time as the Lease has been signed by Landlord or Landlord's authorized agent.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of Woodland Park (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,000.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

When Landlord has (1) received the written notice and the Early Termination Option payment and (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;
ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or
iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. **EARLY TERMINATION:** In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. **DELAY OF POSSESSION:** If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. **FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT:** If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. **MONTHLY RENT PAYMENT:** The total rent is set forth in Section 4.
    i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience – the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.
    ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by check, cashier's check, money order, or through the online payment portal. No cash or post-dated checks will be accepted.
    iii. Payments must be made payable to **Woodland Park** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
    iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.
    v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.
    vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. **LATE CHARGE AND NSF CHARGE:** Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **$35.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **4th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **4th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **4th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. **SECURITY DEPOSIT:**
    i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.
    ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.
    iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early

C. RESIDENT DEFAULT

17. **DEFAULT BY RESIDENT:** Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. **REMEDIES:** Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:
    - i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
        - a. The worth at the time of award of the unpaid rent which had been earned at time of termination;
        - b. The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
        - c. Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
        - d. Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.
    - ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph c of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.
    - iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.
    - iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.
    - v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.
    - vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. **DAMAGE BY RESIDENT:** If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally, such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. **RESIDENT INFORMATION:** If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. **COMPLIANCE WITH APPLICABLE LAWS:** Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate in criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. **COMPLIANCE WITH POLICIES:** If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. **CONDITION OF PREMISES:** Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. **RESTRICTIONS ON ALTERATIONS:** Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. **MAINTENANCE:** Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.
    To maintain the Premises, Resident agrees to:
    i. Keep the Premises clean.
    ii. Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
    iii. Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
    iv. Refrain from making any repairs without Landlord's prior written consent.
    v. Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
    vi. Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
    vii. Keep all ingress and egress routes clear and unobstructed and at all times.
    viii. Practice safe use of electrical cords, outlets, and appliances.

26. **DUTY TO CLEAN AND VENTILATE:** Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:
    i. In damp or rainy weather, keep windows and doors closed.
    ii. If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
    iii. Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
    iv. Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
    v. Use care when watering houseplants. If spills occur, dry up excess water immediately.
    vi. When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
    vii. Thoroughly dry any spills on carpeting.
    viii. Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
    ix. Do not overfill closets or storage areas to allow for proper ventilation.
    x. Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
    xi. Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.
    Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. **PESTS AND PEST CONTROL:**
    i. The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
    ii. Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.
    iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.
    iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.
    v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all

instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to the treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. **KEYS, LOCKS, AND ACCESS DEVICES:**

i. **Keys and Locks:** Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$5.00** for each key that is lost or not returned.

ii. **Access:** Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. **Access Devices:** If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply: Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. **LOCATION:** Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. **CONDITION UPON TERMINATION.** Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. **ENTRY:** Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. **SMOKE DETECTORS:** The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. **CARBON-MONOXIDE DEVICES:** If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperability's in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-

monoxide device without immediately placing the battery with a new one.

34. **SATELLITE DISHES:** If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. **WATERBEDS AND AQUARIUMS:** Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non-renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. **LIABILITY:** Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. **INDEMNITY/HOLD HARMLESS:** Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. **HOUSING SERVICES:** The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. **EMINENT DOMAIN OR CONDEMNATION:** Should the land whereon the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. **SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:**
    i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident, at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.
    ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. **SIGNIFICANT REPAIRS**:
    i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.
    ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24-hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to

pay rent during the time the Pre. ..ses are not available to Resident during the repairs .andlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. **DUTY TO COOPERATE**: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. **SAFETY CONCERNS:**

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. **INSURANCE:** Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. **MEGAN'S LAW:** Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. **ENVIRONMENTAL INDEMNIFICATION:** To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. **PROPOSITION 65 WARNING:** The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

information from the California Enviro... ...ental Protection Agency's Office of Environmental He... ... Hazard.

48. **LEAD-BASED PAINT WARNING:** Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.
    i. Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards **are present** in the housing.
    ii. Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. **ASBESTOS DISCLOSURE:** Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed-on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:
    i. Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.
    ii. Resident shall notify Landlord immediately in writing if there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. **CREDIT REPORTING:** Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. **SOCIAL MEDIA:** Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Residents accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. **USE OF PREMISES:** Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. **CONDUCT OF RESIDENT:** Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. **PARKING:** Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. **OCCUPANTS:** Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall

be deemed to be the payment of rent behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detailer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. **GUESTS:** Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. **ASSIGNMENT AND SUBLETTING**: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. **PETS:** No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. **CLOTHESLINES/DRYING RACKS**: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:
   - **i.** No more than two drying lines/racks may be in use at any one time.
   - **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
   - **iii.** Drying lines/racks must be free standing.
   - **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
   - **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
   - **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.
   - **vii.** Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
   - **viii.** Drying lines/racks cannot interfere with the maintenance of the Community.
   - **ix.** Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

   If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. **UTILITIES:** Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30-day written notice. Reference the utility addendum for detailed terms, conditions and methodology.

   The following terms shall apply:
   - **i.** Resident agrees to pay all charges for utilities for the Premises for the term of the Lease including but not limited to those listed in the Utility Billing Addendum. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
   - **ii.** Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
   - **iii.** Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
   - **iv.** For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing.
   - **v.** Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
   - **vi.** Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. **HOT WATER:** The following will apply.
   - **i.** The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.

ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.
iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.
iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.
v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.
vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. **REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS:** A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. **MILITARY:** Military personnel on active duty may terminate this lease under Federal law if:
i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
a. Orders for a permanent change of station; or
b. Orders to deploy for a period of at least 90 days.

Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. **OFFICE OF FOREIGN ASSETS CONTROL:** Resident represents and warrants that Resident and each person or entity owning an interest in Resident is:
i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").
ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.
iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).
iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).
v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.
vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

Resident covenants and agree(s):
i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.
ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.
iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.
iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.
v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the term shall be a material default. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default.

65. **NON-DISCRIMINATION:** There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. **SUCCESSORS:** If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. **SUBORDINATION:** This Lease shall, without further act on the part of Resident, be subject and subordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. **ATTORNMENT:** Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. **ESTOPPEL CERTIFICATE:** Resident agrees that within 5 days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. **CONTENTS OF THIS LEASE:** The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. **SEVERABILITY AND PROVISIONS REQUIRED BY LAW**: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. **ENTIRE AGREEMENT**: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. **SECTION HEADINGS:** The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. **NOTICES:**
   - **i.** Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by (Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.
   - **ii.** Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is 650-566-2000. On non-holidays, the business hours, which remain subject to change, are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
   - **iii.** The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. **JOINT AND SEVERAL LIABILITY AND AUTHORITY:** In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. **ELECTRONIC SIGNATURES**: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. **ATTACHMENTS/ADDENDA:** Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **December 1, 2014** by between **Tomasi Pelesikoti Malia Pelesikoti** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 6** ("Premises") located at **301 East O'Keefe Street, East Palo Alto, CA 94303.**

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and/or Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items or clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   - i. Do not put plastic items in the dryer.
   - ii. Always clean the lint screen prior to use.
   - iii. Never operate the dryer without a lint screen,
   - iv. Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   - v. We recommend leaving washer door open after cycle for better ventilation.
   - vi. Always clean the lint screen prior to using the dryer never operate it without a lint filter.
   - vii. Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   - i. Appliances shall not be removed from the Premises, common areas, or Community.
   - ii. The Dispose All should only be used for the purpose for which it was designed. The following items should not be put in the Dispose All: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, or potato peel.
   - iii. The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, and baby wipes rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   - iv. Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   - v. To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   - vi. On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools, and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/ equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits or swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts or non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios Balconies:** Resident shall comply with the following rules:
   - i. Patios and balconies are to be kept neat and orderly at all times.
   - ii. The installation of sunshades, blinds or hanging fabrics is not allowed.
   - iii. The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.
   - iv. Patios and balconies may not be used as bedrooms.
   - v. No storage of any personal property or trash containers is allowed.
   - vi. All plants must be free-standing and have saucers underneath them. Hanging plants are not permitted.
   - vii. No motorcycles are allowed to be kept on any patios or balconies at any time.
   - viii. Unapproved bike hooks are not permitted and will be removed.
   - ix. Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord is served regularly by the Landlord or a third-party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders regulations of all state, federal, municipal local governments regarding the collection, sorting, separation, recycling of waste products, garbage, and refuse trash.

11. **Barbeques:** The use or storage of a[illegible]charcoal burner, liquid petroleum, gas fueled or any [illegible]r open flame cooking devices are prohibited in the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.

13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.

14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed remove items that are not in keeping with the nature of the Community, as determined by Landlord.

15. **Garage Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals /or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and/or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.

16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.

17. **Car Wash and Repair:** Vehicle repairs, including oil changes washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.

18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.

19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact or other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms conditions contained herein.

Gas	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill
Electricity	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill

This document is an addendum to the California Lease Agreement ("Lease") dated **December 1, 2014** between **Tomasi Pelesikoti Malia Pelesikoti** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 207** ("Premises") located at **301 East O'Keefe Street #6, East Palo Alto, CA 94303**.

1. **Resident Not the Direct Customer of Record.** The following provisions apply to utilities/services which are the Resident's responsibility, but of which Landlord is the utility/service customer of record.
   - i. Sub-metered Utilities. Billings based on sub-meter readings (if any) will itemize the beginning and ending meter readings, the rate charged to Resident and all categories of information that appear within the utility's standard billing format to the Landlord billing amounts will be determined by multiplying the sub-meter readings for the Resident's Premises by the utility rate that would be charged by the utility for that level of consumption if the Resident was the utility provider's direct customer of record. Residents should be aware that because of volume discounts the rate charged to Landlord may be less than the rate that would be charged to the Resident if the Resident was the utility provider's direct customer of record. If the Premises are sub-metered, Resident agrees to allow Landlord, or a billing service provider designated by Landlord, access to Resident's Premises in order to install, repair, remove read sub-meters.
   - i. The sub meters in the Premises are located_____. Landlord's agent will require access to your Premises, upon reasonable advanced notice (at least 24 hours when possible), for the purpose of submeter installation, repair, reading, maintenance, inspections testing.
   - i. RUBS Formula Billing Used. If formula billing is used, the specific formula used is indicated above. Details about formulas are below.
     a. Square footage: For any Square Footage formula, Resident's share is calculated by comparing the approximate square footage of Resident's Premises as compared to the total square footage of all premises on the property.
     b. Occupants: Resident's share using an Occupant formula is calculated by comparing the number of occupants residing in Resident's Premises as compared to all occupants in all premises on the property as of the first day of the month. Resident represents that all occupants that who reside in the Premises are identified in the Lease. Resident agrees to immediately notify Landlord of any change in the number of occupants.
     c. Per Premises: Dividing the bill equally among all premises on the property.
     d. Flat: Standard amount charged each month.
2. **Water, Sewer, Trash, Gas, Electricity.** If either sub-metering or formula methods are used to calculate Resident's share for water, sewer, trash, gas, or electricity, all related charges assessed to Landlord may be used to calculate the amount charged to Resident. These may include (but are not limited to) related charges contained on tax bills, and all charges contained on the local water provider's bills to Landlord. Landlord Resident agree that it is impractical or extremely difficult to determine the exact amount of the utilities consumed by Resident (/or in the common areas), but that the methods used to determine Resident's share described above are reasonably accurate estimates. Trash costs to be charged to Resident may include actual trash invoices, costs on tax bills, Landlord's internal costs related to trash disposal, trash management costs, trash auditing costs, and recycling charges.
3. **Utility Billing Service.** Landlord currently uses the services of **Conservice, Resident Services, P.O. Box 4718, Logan, Utah, 84323-4718** ("Utility Billing Company") to bill for utilities. Landlord reserves the right to change utility billing service providers at any time. If Landlord changes the utility billing service during Resident's tenancy, Resident will be given notice by Landlord. The Utility Billing Company is not the utility provider. Resident Questions Concerns Regarding Utility Billings may be addressed to **Conservice 1-866-947-7 2079**
4. **Utility Billing Statements.** Resident will receive monthly billing statements. All amounts due to are payable to Woodland Park at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. Failure of the Resident to pay the utility charges by their due date will be considered a material breach of the Lease grounds for termination. All monetary amounts due under this Utility Addendum are deemed additional rent. Utility billings will be prorated as necessary.
5. **Payment from Security Deposit.** Any obligation that remains unpaid, including utility charges that have accrued but have not been invoiced when Landlord reacquires possession of the Premises, may be deducted from the Resident's security deposit. If actual amounts have not been determined before Landlord provides Resident with an accounting of Resident's security deposit, Landlord may estimate the amount based on prior consumption or until actual numbers become available.
6. **Utility Payment.** Resident must make payment in full to Landlord or the Utility Billing Company for the utility charges prior to the due date listed on each bill.

i. Landlord Resident agree that the actual cost to Landlord /or Utility Billing Company when Resident fails to pay the utility bill on time is difficult or impossible to ascertain, but the Parties agree that Landlord /or Utility Billing Company does, in the event of a late payment, incur certain costs including, without limitation, additional bookkeeping administrative charges, additional charges from the billing provider, costs in printing mailing late notices, lost opportunity costs of the payment. Accordingly, Landlord and Resident agree that if the payment is received after the enumerated due date then:

   a. If the Utility Billing company collects utility payments then Resident shall immediately pay a late payment in the amount of **$35.00**, which is a reasonable estimate of the costs incurred;

   b. If Landlord collects utility payments then late fees shall apply as if rent was not paid. Returned checks will be assessed a non-sufficient funds charge applicable charges in accordance to the Lease.

ii. Resident's billing statement will include a monthly service charge of up to **$0.00**. A new account set up charge of **$0.00** final bill fee of **$0.00** will also be applied to the resident's bill. The service charge represents the reasonable value of services provided by Landlord or the utility billing company to allocate the utility costs to the responsible parties, provides billing to Resident, and process payments. The monthly service charge is subject to change upon **sixty (60) days** written notice of increase. Resident agrees to pay any fees charged by a collection agency to Landlord to collect amounts due from Resident.

7. **No Waiver.** Landlord's waiver of any covenant of this Utility Addendum or the Lease will not constitute a waiver of any other breach. Landlord's acceptance of rent or any other payment with knowledge of Resident's failure to pay utility charges does not waive Landlord's right to enforce any provision of this Utility Addendum or the Lease. No waiver will exist unless made in writing and signed by both Resident and Landlord.

8. **Estimation.** Landlord may estimate Resident's consumption if Resident's sub-meter is broken or does not transmit a meter reading or if Landlord has not received bills from utility providers in time to prepare Resident's invoices.

Resident and Landlord represent that they have read this Addendum, understanding the terms conditions contained herein, and agree to the terms and conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization Just Cause of Eviction Ordinance of 2010 requires Landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that Landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2017-2018 program year is 2.7%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance /or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent;
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by Landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B /or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction Rebate for Housing Service Reductions, including Maintenance Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability /or maintenance problems, /or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered for more information about this provision in the Ordinance.

R091

PROTECTIONS AGAINST EVICTION WITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

Information About Bedbugs Pest Control Policies

This document is an addendum to the Lease Agreement dated **December 1, 2014** by and between **Tomasi Pelesikoti Malia Pelesikoti** and **Woodland Park** for **Unit # 6 located at 301 East O'Keefe Street, East Palo Alto, CA 94303**.

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

   a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

   b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

   c) Bed bugs can survive for months without feeding.

   d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

   e) Common signs symptoms of a possible bed bug infestation:

      • Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.

      • Molted bed bug skins, white, sticky eggs, or empty eggshells.

      • Very heavily infested areas may have a characteristically sweet odor.

      • Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

   f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully thoroughly inspect used furniture or clothes you acquire bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms conditions contained herein.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **December 1, 2014** between **Tomasi Pelesikoti Malia Pelesikoti** and **Woodland Park** for the **Unit # 6** located at **301 East O'Keefe Street, East Palo Alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understands that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS /OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution /or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture /or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts facsimile copies of same shall be admissible for all purposes shall be deemed an original.

BECAUSE WE CARE

At **Woodland Park**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.
2. If you have a deadbolt or night latch, use them even when you're home.
3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.
4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.
5. Keep the telephone numbers for the police, emergency, and medical services handy.
6. Check your smoke detector periodically to ensure it is working.
7. Report to the management (in writing, dated signed) any malfunction of safety devices outside your home such as broken gate locks, burned-out stairwell parking lot lights, etc.
8. Close your curtains or blinds at night.
9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.
10. Mark or engrave valuable personal possessions for identification.
11. Be careful to whom you lend or give your keys.
12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.
13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!
2. Leave a radio playing very softly when you're not at home.
3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.
4. Try not to walk outside alone at night.
5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.
6. If you have an entry code, don't give your code to guests or strangers.
7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.
2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.
3. Don't leave your keys in the car.
4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.
5. Look in the back seat before you get in the car.
6. Don't stop alone at night at an automatic teller or gas station.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **December 1, 2014**, by and between **Woodland Park** (hereinafter referred to as "Landlord"), Landlord of the Community in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, **Tomasi Pelesikoti Malia Pelesikoti** (hereinafter referred to as "Resident"), in connection with the California Lease Agreement (the "Lease") between Landlord Resident for: **301 East O'Keefe Street #6, East Palo Alto, Ca 94303** in **Woodland Park** (the "Premises").

1. **Security Deposit.** Landlord hereby acknowledges receipt from Resident of the sum of: **$450.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Landlord will hold the Security Deposit for the faithful performance by Resident of Resident's obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after surrender.

2. **Refund of Security Deposit.** Landlord shall deduct from the Security Deposit all monies expended as a result of any breach of the Lease or this Agreement, including but not limited to the following obligations:
   - A. Resident shall vacate completely the entire Premises on or before the date specified in the required written **30-day** move-out notice, expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - B. Payment by Resident of all rent required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - C. The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) including all baths, closets, storage areas, patios/balconies, and all other areas have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - D. There are no defects or damage to the Premises, whether caused by Resident, pets, or otherwise, unless shown on a written list of damages and defects signed by Resident at the commencement of the Lease term.
   - E. Resident observes and performs all other covenants and obligations to be kept or performed by Resident under the Lease up to and including the date of expiration or termination of the Lease term.
   - F. Resident observes and follows all rules and regulations including, without limitation, those rules and regulations pertaining to pets.
   - G. **RESIDENT has given LANDLORD thirty (30) days written notice prior to the date of expiration or termination of the term of the Lease.**
   - H. Resident has provided Landlord with a written copy of the forwarding address of Resident.

3. **Deductions.** Within twenty-one (21) days after Resident has vacated the Premises, Landlord shall furnish Resident with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Resident.

4. **Move-Out Procedures.** When Resident moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Resident have been removed. Resident should accompany Landlord during said inspection to help resolve any problems that may arise. Failure of Resident to do so shall constitute a concurrence by Resident in Landlord's assessment of charges for damages or cleaning. After inspection by Landlord, appropriate charges will be assessed by Landlord for any missing items; damages or repairs to the Premises, or its contents (normal wear tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this Agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets /or furniture; for cleaning the Premises (including all kitchen appliances). Resident shall be charged for each unreturned key (mail-box key garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Landlord.

PARKING RULES REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.
2. Every vehicle, including motorcycles, parked in an assigned **Woodland Park** parking space must have a visible, valid **Woodland Park** parking permit.
3. The **Woodland Park** Management Office at **5 Newell Court, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.
4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **Woodland Park**. Be sure not to cover the permit identification number.
5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.
6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **Woodland Park**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **Woodland Park** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.
7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.
8. Certain parking spaces are marked as guest or visitor parking spaces. Vehicles cannot be parked in guest or visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.
9. Residents and their guests or visitors may park their vehicles in the parking spaces marked "**Woodland Park Management Office**" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.
10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.
11. All vehicles parked at **Woodland Park** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and/or driveways is strictly prohibited.
12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.
13. Vehicles are not to be covered. Management will remove and discard covers.
14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.
15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.
16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the California Vehicle Code to fully understand your rights, as this is only an overview the law may change at any time.

Generally, prior to paying any towing storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and/or storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of **Woodland Park** (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,360.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

When Landlord has (1) received the written notice and the Early Termination Option payment and (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and

payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;

ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or

iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. EARLY TERMINATION: In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. DELAY OF POSSESSION: If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT: If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. MONTHLY RENT PAYMENT: The total rent is set forth in Section 4.

i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience - the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.

ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by **check, cashier's check, money order, or through the online payment portal**. No cash or post-dated checks will be accepted.

iii. Payments must be made payable to **Woodland Park** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 5PM**.

iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.

v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.

vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. LATE CHARGE AND NSF CHARGE: Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **35.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **10th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **10th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **10th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. SECURITY DEPOSITS:

i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.

ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.

iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit.

C. RESIDENT DEFAULT

17. DEFAULT BY RESIDENT: Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. REMEDIES: Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:

i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
- **a.** The worth at the time of award of the unpaid rent which had been earned at time of termination;
- **b.** The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
- **c.** Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
- **d.** Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.

ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph (c) of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.

iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.

iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.

v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.

vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. DAMAGE BY RESIDENT: If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. RESIDENT INFORMATION: If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. COMPLIANCE WITH APPLICABLE LAWS: Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. COMPLIANCE WITH POLICIES: If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. CONDITION OF PREMISES: Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. RESTRICTIONS ON ALTERATIONS: Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. MAINTENANCE: Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.

To maintain the Premises, Resident agrees to:

- **i.** Keep the Premises clean.
- **ii.** Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
- **iii.** Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
- **iv.** Refrain from making any repairs without Landlord's prior written consent.
- **v.** Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
- **vi.** Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
- **vii.** Keep all ingress and egress routes clear and unobstructed and at all times.
- **viii.** Practice safe use of electrical cords, outlets, and appliances.

26. DUTY TO CLEAN AND VENTILATE: Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:

- **i.** In damp or rainy weather, keep windows and doors closed.
- **ii.** If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
- **iii.** Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
- **iv.** Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
- **v.** Use care when watering houseplants. If spills occur, dry up excess water immediately.
- **vi.** When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
- **vii.** Thoroughly dry any spills on carpeting.
- **viii.** Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
- **ix.** Do not overfill closets or storage areas to allow for proper ventilation.
- **x.** Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
- **xi.** Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.

Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. PESTS AND PEST CONTROL:

- **i.** The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
- **ii.** Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into

the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.

iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.

iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.

v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. KEYS, LOCKS, AND ACCESS DEVICES:

i. Keys and Locks: Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$25.00** for each key that is lost or not returned.

ii. Access: Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. Access Devices: If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply:
Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. LOCATION: Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. CONDITION UPON TERMINATION: Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. ENTRY: Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. SMOKE DETECTORS: The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. CARBON-MONOXIDE DEVICES: If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperabilities in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-monoxide device without immediately replacing the battery with a new one.

34. SATELLITE DISHES: If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. WATERBEDS AND AQUARIUMS: Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. LIABILITY: Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. INDEMNITY/HOLD HARMLESS: Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. HOUSING SERVICES: The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. EMINENT DOMAIN OR CONDEMNATION: Should the land wheron the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:

i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident,

at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.

ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. SIGNIFICANT REPAIRS:

i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.

ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24 hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to pay rent during the time the Premises are not available to Resident during the repairs if Landlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. SAFETY CONCERNS:

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. INSURANCE: Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. MEGAN'S LAW: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an

offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. ENVIRONMENTAL INDEMNIFICATION: To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. PROPOSITION 65 WARNING: The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

For more information please contact OEHHA at (916) 445-6900 or visit http://www.oehha.org/prop65/pdf/Prop65tenants.pdf for additional information from the California Environmental Protection Agency's Office of Environmental Health Hazard.

48. LEAD-BASED PAINT WARNING: Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.

i. Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards are present in the housing.

ii. Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. ASBESTOS DISCLOSURE: Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:

i. Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.

ii. Resident shall notify Landlord immediately in writing: If there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. CREDIT REPORTING: Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. SOCIAL MEDIA: Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Resident accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. USE OF PREMISES: Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall

Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. CONDUCT OF RESIDENT: Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. 53. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A Resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. PARKING: Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. OCCUPANTS: Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detailer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. GUESTS: Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. ASSIGNMENT AND SUBLETTING: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. PETS: No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. CLOTHESLINES/DRYING RACKS: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:

- **i.** No more than two drying lines/racks may be in use at any one time.
- **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
- **iii.** Drying lines/racks must be free standing.
- **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
- **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
- **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.

vii. Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
viii. Drying lines/racks cannot interfere with the maintenance of the Community.
ix. Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. UTILITIES: Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30 day written notice.

The following terms shall apply:
i. Resident agrees to pay all charges for utilities for the Premises for the term of the Lease. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
ii. Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
iii. Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
iv. For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing. Resident will also be subject to an additional charge of **$50.00** for each billing cycle during which Resident has failed to become the customer of record with the utility provider(s).
v. Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
vi. Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. HOT WATER: The following will apply.
i. The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.
ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.
iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.
iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.
v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.
vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS: A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. MILITARY: Military personnel on active duty may terminate this lease under Federal law if:
i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
a. Orders for a permanent change of station; or
b. Orders to deploy for a period of at least 90 days.

Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. OFFICE OF FOREIGN ASSETS CONTROL: Resident represents and warrants that Resident and each person or entity owning an interest in Resident is

i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").

ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.

iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).

iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).

v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.

vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

Resident covenants and agree(s):

i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.

ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.

iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.

iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.

v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the lease term shall be a material default of the Lease. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default of the Lease.

65. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. SUCCESSORS: If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. SUBORDINATION: This Lease shall, without further act on the part of Resident, be subject and subordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. ATTORNMENT: Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. ESTOPPEL CERTIFICATE: Resident agrees that within five (5) days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. CONTENTS OF THIS LEASE: The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. SEVERABILITY AND PROVISIONS REQUIRED BY LAW: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. ENTIRE AGREEMENT: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. SECTION HEADINGS: The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. NOTICES:

i. Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.

ii. Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is **(650) 566-2000**. On non-holidays, the business hours, which remain subject to change, are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 5PM**.

iii. The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. JOINT AND SEVERAL LIABILITY AND AUTHORITY: In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. ELECTRONIC SIGNATURES: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. ATTACHMENTS/ADDENDA: Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

ACKNOWLEDGEMENT RE USE OF MEDICAL MARIJUANA

Resident acknowledges receipt and understanding of the attached policies concerning use of Medical Marijuana. If applicable, Resident agrees to complete the Addendum for any Resident, Occupant, invitee, or guest who requires a Medical Marijuana Accommodation. If the accommodation is not applicable, Resident is not required to complete the Addendum and it will remain solely as an informative section of the lease, not an Acknowledgment of any sort.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **March 21, 2024** between **Soane L. Kofeloa** and **Woodland Park** for the Unit # **9** located at **301 E okeefe St East Palo alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understand that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER AND POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS AND/OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution and/or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture and/or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts and facsimile copies of same shall be admissible for all purposes and shall be deemed an original.

BECAUSE WE CARE

At **Woodland Park**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.

2. If you have a deadbolt or night latch, use them even when you're home.

3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.

4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.

5. Keep the telephone numbers for the police and emergency medical services handy.

6. Check your smoke detector periodically to ensure it is working.

7. Report to the management (in writing, dated and signed) any malfunction of safety devices outside your home such as broken gatelocks, burned-out stairwell and parking lot lights, etc.

8. Close your curtains or blinds at night.

9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.

10. Mark or engrave valuable personal possessions for identification.

11. Be careful to whom you lend or give your keys.

12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.

13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small and contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!

2. Leave a radio playing very softly when you're not at home.

3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.

4. Try not to walk outside alone at night.

5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.

6. If you have an entry code, don't give your code to guests or strangers.

7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.

2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.

3. Don't leave your keys in the car.

4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.

5. Look in the back seat before you get in the car.

6. Don't stop alone at night at an automatic teller or gas station.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **March 21, 2024** between **Soane L. Kofeloa** ("Resident") and **Woodland Park** ("Landlord") for the **Unit #9** ("Premises") located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items and clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   - **i.** Do not put plastic items in the dryer.
   - **ii.** Always clean the lint screen prior to use.
   - **iii.** Never operate the dryer without a lint screen,
   - **iv.** Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   - **v.** We recommend leaving washer door open after cycle for better ventilation.
   - **vi.** Always clean the lint screen prior to using the dryer and never operate it without a lint filter.
   - **vii.** Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   - **i.** Appliances shall not be removed from the Premises, common areas, or Community.
   - **ii.** The disposal should only be used for the purpose for which it was designed. The following items should not be put in the disposal: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, and potato peel.
   - **iii.** The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, baby wipes and rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   - **iv.** Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   - **v.** To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   - **vi.** On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings and Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment and Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits and swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts and non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios and Balconies:** Resident shall comply with the following rules:

i. Patios and balconies are to be kept neat and orderly at all times.

ii. The installation of sunshades, blinds or hanging fabrics is not allowed.

iii. The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.

iv. Patios and balconies may not be used as bedrooms.

v. No storage of any personal property or trash containers is allowed.

vi. All plants must be free-standing and have saucers underneath them. Hanging plants are not permitted.

vii. No motorcycles are allowed to be kept on any patios or balconies at any time.

viii. Unapproved bike hooks are not permitted and will be removed.

ix. Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash and disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord and is served regularly by the Landlord or a third party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders and regulations of all state, federal, municipal and local governments regarding the collection, sorting, separation, and recycling of waste products, garbage, refuse and trash.

11. **Barbeques:** The use or storage of any charcoal burner, liquid petroleum, gas fueled or any other open flame cooking devices are prohibited in the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.

13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.

14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed and remove items that are not in keeping with the nature of the Community, as determined by Landlord.

15. **Garage and Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals and/or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials and immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.

16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.

17. **Car Wash and Repair:** Vehicle repairs, including oil changes, and washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.

18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.

19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact and other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms and conditions contained herein.

INFORMATION ABOUT BEDBUGS AND PEST CONTROL POLICIES

This document is an addendum to the Lease Agreement dated **March 21, 2024** between **Soane L. Kofeloa** and **Woodland Park** for the Unit **#9** located at **301 E okeefe St, East Palo alto, CA 94303**.

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds and linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

c) Bed bugs can survive for months without feeding.

d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

e) Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects and vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully and thoroughly inspect used furniture or clothes you acquire and bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms and conditions contained herein.

MOLD/MILDEW ADDENDUM

This document is an addendum to the Lease Agreement dated **March 21, 2024** between **Soane L. Kofeloa** and **Woodland Park** for the Unit #**9** located at **301 E okeefe St, East Palo alto, CA 94303**.

Resident acknowledges that it is necessary for Resident to provide appropriate climate control, keep the Unit clean, and take other measures to retard and prevent mold and mildew from accumulating in the Unit. Resident agrees to clean and dust the Unit on a regular basis and to remove visible moisture accumulation on windows, walls, and other surfaces as soon as reasonably possible. Resident agrees not to block or cover any of the heating, ventilation or air conditioning ducts in the Unit. Resident also agrees to immediately report to Landlord: (i) any evidence of a water leak or excessive moisture in the Unit, as well as in any storage room, garage or other common area; (ii) any evidence of mold- or mildew-like growth that cannon be removed by simply applying a common household cleaner and wiping the area; (iii) any failure or malfunction in the heating, ventilation or air conditioning system in the Unit; and (iv) any inoperable doors or windows. Resident further agrees that Resident shall be responsible for damage to the Unit and Resident's property as well as personal injury to Resident, other occupants or Resident's guests, resulting from Resident's failure to comply with the terms of this Addendum.

A default under the terms of this Addendum shall be deemed a material default under the terms of the Lease, and Landlord shall be entitled to exercise all rights and remedies at law or in equity. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control. Any term that is capitalized but not defined in this Addendum that capitalized and defined in the Lease shall have the same meaning for purposes of this Addendum as it has for purposes of the Lease.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization and Just Cause of Eviction Ordinance of 2010 requires landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS AND RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2022-2023 program year is 4.2%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance and/or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent; and
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases and must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B and/or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction and Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction and Rebate for Housing Service Reductions, including Maintenance and Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability and/or maintenance problems, and/or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered and for more

information about this provision in the Ordinance.

PROTECTIONS AGAINST EVICTONS WITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy and unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

PARKING RULES AND REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.

2. Every vehicle, including motorcycles, parked in an assigned **Woodland Park** parking space must have a visible, valid **Woodland Park** parking permit.

3. The **Woodland Park** Management Office at **5 Newell Court, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.

4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **Woodland Park**. Be sure not to cover the permit identification number.

5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.

6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **Woodland Park**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **Woodland Park** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.

7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.

8. Certain parking spaces are marked as guest and visitor parking spaces. Vehicles cannot be parked in guest and visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.

9. Residents and their guests and visitors may park their vehicles in the parking spaces marked "**Woodland Park** Management Office" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.

10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.

11. All vehicles parked at **Woodland Park** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and driveways is strictly prohibited.

12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.

13. Vehicles are not to be covered. Management will remove and discard covers.

14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.

15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.

16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the **California** Vehicle Code to fully understand your rights, as this is only an overview and the law may change at any time.

Generally, prior to paying any towing and storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

PET ADDENDUM

This document is an addendum to the California Lease Agreement ("Lease") dated **March 21, 2024** between **Soane L. Kofeloa** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 9** ("Premises") located at **301 E okeefe St, East Palo alto, CA 94303**.

Pets, including unauthorized or visiting pets, are not permitted on the Premises without prior written consent from Landlord. This addendum constitutes written consent for the pet(s) described below in the "Pet Description."

Pet Description

Resident and Landlord agree as follows:

1. Resident agrees to pay **$0.00** per month per pet in Pet Rent per month on or before the first of each month with Monthly Rent. Pet Rent is additional "rent" for all purposes.

2. If a pet is added during the lease term, Resident agrees to pay **$50.00** in Pet Rent per pet per month and will be required to pay an additional deposit of **$500.00**.

3. The additional deposit shall be subject to full inspection of the Premises upon Resident's move out and shall be considered an additional deposit pursuant to the Lease terms.

4. Resident shall be liable for all damages to Premises, common areas, or Community and all expenses caused by or in connection with pet, including without limitation the presence of fleas.

5. Pet will not be permitted outside the Premises unless restrained by a leash. Resident must control pet activity while in the Premises.

6. Pets may not be left or tied on balconies, porches, or patios and these areas must be kept clean and free of pet waste.

7. Resident is responsible for immediate and proper cleaning up and disposal of pet waste. Please note that landscape pesticides and chemicals are used on the grounds of the Community and therefore special care should be taken when walking pets.

8. If pet is a cat, an appropriate litter box shall be maintained and a scratching post should be provided. Resident must place soiled cat litter in a securely tied trash bag for disposal.

9. If Resident does not clean up after pet, Resident will be fined **$50.00** per occurrence.

10. Pets shall not weigh over **50 Pounds** full grown.

11. The number of pets per unit is limited to **2**.

12. Resident shall not permit and represents that pet will not cause any damage, discomfort, annoyance, nuisance or in any way inconvenience, or cause complaints from, any other resident.

13. All pets must have all current, required vaccinations. Upon request from Landlord, Resident must provide proof of vaccinations to Landlord.

14. It is strongly recommended that all pets have an identification tag showing current address and telephone number on their collar. Dogs are required to have a current license and an identification tag at all times.

15. Resident agrees to comply with all applicable ordinances, regulations and laws governing pets.

16. In addition, Resident shall comply with the following policies:

- **i.** Except as further restricted by law, the following types of pets are permissible: cats, dogs, hamsters, guinea pigs, rabbits, birds, fish, non-poisonous or non-venomous amphibians, and non-poisonous or non-venomous reptiles. Permitted birds must be kept caged and permitted fish, amphibians, and reptiles must remain in in a tank/aquarium at all times.
- **ii.** All pets must be spayed/neutered.
- **iii.** Resident shall prevent any fleas or other infestation of the Premises, building and Community.
- **iv.** Birds shall not be let out of cages.
- **v.** Resident must obtain prior written consent from Landlord to have fish tanks over **30 gallons**. Fish tanks must be placed in a safe area inside of the Premises.
- **vi.** Dangerous, illegal, exotic or poisonous animals (as determined solely by Landlord) are not permitted on the Premises.
- **vii.** Residents are not allowed to keep endangered species.
- **viii.** Feral animals cannot be fed or kept on the Premises, common areas, or Community.
- **ix.** Resident shall not allow any pet in the Community that has exhibited any sign of aggressive behavior or aggressive tendencies towards any person.
- **x.** Resident shall not allow any pet in the Community that is a Restricted Breed. Restricted Breeds are Alaskan Malamute, Boxer,

Chow Chow, Dalmatian, Doberman Pinscher, German Shepperd, Belgian Malinois, Husky breeds, Pit-Bull breeds, Staffordshire Terrier, Presa Canario, Rottweiler and wolf hybrids..

17. This addendum shall terminate without affecting the Lease or Resident's responsibilities under the Lease and Resident shall remove the pet immediately if any of the following occurs:

i. Payment of Pet Rent is delinquent.

ii. The pet displays aggressive behavior.

iii. Landlord perceives the pet to be dangerous or disruptive to premises, common areas, or Community, other residents, guest or employees.

iv. Resident fails to provide proof of current, required vaccinations upon request from Landlord.

v. Upon thirty (30) days' notice by either party to the other of intent to terminate this Addendum.

18. Companion and/or Service Animal: Landlord will review any request for accommodation to the pet policies, including the need for a companion or service animal. Additional information may be requested while engaging in the interactive process to determine the need for the accommodation. If a companion or service animal is required, the Resident will be provided a Companion Animal and/or Service Animal Addendum & Agreement detailing the terms and conditions.

19. Resident agrees to hold harmless and indemnify Landlord from all liability pertaining to pets on the property and Resident shall hold Landlord harmless and indemnify Landlord for any and all damages or costs in connection with pet.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms and conditions contained herein.

LEASE ADDENDUM
PERSONAL LIABILITY INSURANCE REQUIRED

1. **Addendum.** This is an addendum to the Lease for Apt. No. **9** at **301 E okeefe St, East Palo alto, CA 94303**

   The effective date of this Addendum is **March 20, 2024**.

2. **Insurance Acknowledgment.** You acknowledge that we do not maintain insurance to protect you against personal injury, loss or damage to your personal property or to cover your own liability for injury, loss or damage you (or your occupants or guests) may cause others. You also acknowledge that you may be responsible to others (including us) for the full cost of any injury, loss or damage caused by your negligent actions or the negligent actions of your occupants or guests, including but not limited to damage caused by fire, smoke, explosion or water damage liability.

3. **Required Renters Insurance Policy.** You are required to purchase and maintain a renter's personal liability insurance policy which provides limits of liability to third parties in an amount not less than **$100,000.00** per occurrence through an insurance company or insurance agent authorized to issue insurance in this state. Proof of coverage must be submitted for all leaseholders. Such insurance policies are often referred to as "renter's insurance policies or "liability-only insurance policies." Most renter's insurance policies contain personal liability coverage and also personal property coverage for your own property. You are only required to have personal liability insurance, however we highly recommend that you obtain coverage for your personal property too. Personal property coverage protects your property in the event of theft, fire or weather-related loss to your property. The required personal liability insurance policy must cover all residents in your unit. The policy must identify Insurance Tracking, **1050 Crown Pointe Parkway, Suite 600, Atlanta, GA 30388** as a "Party of Interest" or "Interested Party" where the "Party of Interest" or "Interested Party" must be notified within ten (10) days after your insurance company or agent renews, cancels or non-renews your policy. When insurance providers are paperless and only submit communications electronically, they are required to submit policy documents to **woodlandparkca@greystar.com**. Failure to include Insurance Tracking as the "Party or Interest" or "Interested Party" with the above-listed address and/or **woodlandparkca@greystar.com** will constitute a breach of this Lease.

4. **Insurance Election.** If you choose not to purchase insurance through the carrier of your choice or are unable to secure satisfactory personal liability insurance coverage, you have the option to obtain insurance coverage under an insurance program issued by an insurance carrier we have partnered with. As a resident of this property, you automatically qualify for this coverage with our preferred insurance provider with no underwriting or lengthy application. Participation in this program allows you to conveniently pay the insurance charges with your monthly rent. Following your execution of this Lease, you will be sent a link via email or text message to an online insurance portal where you must either enroll in the insurance program offered by our preferred insurance provider or upload proof of insurance if you already have insurance or if you decide to purchase the insurance through a carrier or agency other than our preferred insurance provider.

   If you choose to participate in this preferred insurance provider's program, you agree that you will be charged **$14.50** monthly with your rent to cover the costs of securing personal liability coverage in an amount of **$100,000.00** and personal property coverage in an amount of **$5,000.00**. The insurance company will issue a certificate of insurance to you that will describe the limits, conditions and terms of the coverage provided. A description of the insurance coverage and the insurance carrier are available by visiting the online insurance portal. If you have questions regarding the insurance program, including other available options, please call **(833) 227-2209**.

   If you decide not to enroll in the preferred insurance provider's program described above, you will be required to upload proof of insurance coverage via the link you receive by email from **woodlandparkca@greystar.com** to meet the Lease's insurance requirement. If you do not have access to upload your proof of insurance, you must contact the leasing office and the on-site staff may be able to provide you with an alternative method (e.g. business center computer, iPad, etc.).

5. **Freedom of Choice.** At all times, you are able to purchase insurance through the carrier or agency of your choice and are not required to purchase insurance through a particular carrier or agency, including the preferred provider. However, the insurance you purchase must meet the Lease's minimum requirements at all times. By signing this Addendum you consent to the sharing of information with our preferred insurance provider, which includes, but is not limited to, your name, address, lease status/expiration, current renter's insurance policy information, email address and telephone number(s).

6. **Subrogation Allowed.** You acknowledge that subrogation is allowed by all parties and that this Addendum supersedes any language to the contrary in the Lease. Accordingly, our commercial insurance carrier may make a claim against you for losses it pays as a result of your negligence, and your insurance carrier may make a claim against us for losses it pays as a result of our negligence. We retain the right to hold you responsible for any loss in excess of your insurance coverage.

7. **Your Insurance Coverage.** By signing this Addendum, you acknowledge that you have purchased (or agree to purchase) the insurance described above or you have agreed to participate in the insurance program. If you purchase insurance through a carrier or agency other than the preferred insurance provider, you must provide proof of insurance via the online insurance portal prior to taking possession of the apartment. You further acknowledge that you will keep your insurance

policy in-force for the entire term of the Lease. If any material terms of your insurance policy change, you agree to promptly provide proof of the modified policy terms to **woodlandparkca@greystar.com**.

8. **Default.** Unless otherwise prohibited by law, and subject to any right to cure a default under the Lease, any default under the terms of this Addendum shall be deemed a material default of the Lease, and we are entitled to exercise all rights and remedies under the law. If you fail to obtain and maintain personal liability insurance as required by this Addendum, you will be in violation of your Lease. In such event, we may send a written notice to you demanding that you cure the violation by purchasing the required insurance and providing evidence of coverage to us. If you fail to supply evidence of such insurance to us on or before the specified date set forth in your notice, we reserve the right to obtain personal liability insurance coverage on your behalf, and to charge you monthly for the amount of the insurance charges (**$14.50**). This is an insurance program provided to us by an insurance company we have partnered with and provides **$100,000.00** in personal liability insurance to you but **does not include any personal property coverage to protect your property from any loss or damage, including but not limited to from theft, fire or weather**. You may cancel your participation in this insurance program at any time if you purchase your own personal liability insurance policy or renter's insurance policy and provide proof of coverage to **woodlandparkca@greystar.com**. Upon your enrollment in the insurance program set forth in this paragraph, the insurance company will deliver you an insurance certificate evidencing and describing the coverage.

9. **Miscellaneous.**

   a. Except as specifically stated in this Addendum, all other terms and conditions of the Lease shall remain unchanged.

   b. The insurance required by the Lease Contract is not required by any law. Your obligation to provide insurance stems solely from the Lease Contract.

   c. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

   d. The insurance required by the Lease is not an attempt to limit our liability for our own negligence or your liability for your own negligence.

   e. **Arthur J Gallagher & Co.**, a licensed insurance agency and affiliate of property manager, may receive compensation on policies issued by the preferred insurance provider for administrative, brokerage or marketing support. Owner may be receiving compensation or other payments from **Arthur J Gallagher & Co.** or one of its affiliates where permitted by law.

   f. The insurance required by the Lease is not in lieu of, or in any way a component of, any security deposit required by the Lease.

   g. **You understand that the personal liability insurance coverage set forth in paragraph 8 may cost more than similar insurance you can purchase on your own and will only cover you for your own liability for injury, loss or damage caused by you (or, in some cases, your occupants or guests) to others and DOES NOT INCLUDE COVERAGE FOR PERSONAL INJURY OR LOSS OR DAMAGE TO YOU OR YOUR PERSONAL PROPERTY. THE PERSONAL LIABILITY INSURANCE DESCRIBED IN PARAGRAPH 8 IS LIMITED IN SCOPE AND MAY NOT FULLY PROTECT YOUR INTERESTS.**

   h. You agree that you have not received any oral representations from Owner or any representative of Owner which are inconsistent with or not contained in the Lease Contract, the addenda attached to the Lease Contract, or in the Rules and Regulations. If you have received any such oral representations, you agree that you did not rely on them to decide to enter in the Lease Contract or this Addendum.

   i. You must refer to the actual insurance policy or certificate for a complete description of the coverage, as this Addendum only provides a general summary. If you have an annual renter's insurance policy and decide to switch to the insurance program offered by our preferred insurance provider, please compare the terms of coverage between the two policies, as not all policies are the same and coverage may differ.

   j. By signing this Addendum, you consent to receive communications from the insurance company via email, text, or other electronic means with respect to insurance related matters.

By signing below, you acknowledge and agree to be bound to the terms of this Addendum.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests and invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

UTILITIES WAIVER

This document is an addendum to the California Lease Agreement dated **March 20, 2024** between **Soane L. Kofeloa** and **Woodland Park** for the Unit #**9** located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to allow my community to track our whole building utility data, which will be used to determine what upgrades can be done to reduce utility expenses in each unit, I hereby grant authority for **Woodland Park Property Owner, LLC doing business as Woodland Park Communities**, the owner of **Woodland Park** to obtain the usage and utility detail for my utility accounts during my tenancy at this location for the sole purpose of benchmarking through the Energy Star® Portfolio Manager system. In order to do this, I agree to grant my Landlord the right to sign my account up to electronically receive utility data, where necessary, and to receive my account details as necessary to accomplish such benchmarking. Where available, such details will be collected in aggregate so that no unit information is available, and no unit information will be distributed except as required by law, nor used for any **marketing** purposes.

Therefore, I hereby authorize any utility provider serving my Premises, located at **301 E okeefe St #9, East Palo alto, CA 94303** to provide such utility details and history about the accounts tied to my Premises upon request through the term of this Lease, and including up to the 24 months prior to the signing of this agreement.

I understand that by signing below I am waiving my right to privacy, both actual and perceived, under Federal, State and Local statutes regarding the release of my utility data and agree to hold all parties involved harmless from any potential right to privacy violations.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **March 21, 2024**, by and between **Woodland Park** (hereinafter referred to as "Lessor"), Lessor of the apartment complex in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, and **Soane L. Kofeloa** (hereinafter referred to as "Lessee"), in connection with the Apartment Lease Agreement (the "Lease") between Lessor and Lessee for: **Woodland Park** (the "Premises").

1. **Security Deposit.** Lessor hereby acknowledges receipt from Lessee of the sum of: **$2,240.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Lessor will hold the Security Deposit for the faithful performance by Lessee of his/her obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after its surrender.

2. **Refund of Security Deposit.** Lessor shall deduct from the Security Deposit all monies expended as a result of any breach of the lease or this agreement, including but not limited to the following:
   - **A.** Vacate completely the entire Premises by Lessee on or before the date specified in the required written **30 day** move-out notice.
   - **B.** Expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - **C.** Payment by Lessee of all rental required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - **D.** The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) and including all baths, closets, storage areas, patios/balconies, etc. have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - **E.** No defects or damage to the Premises, whether caused by Lessee, pets, or otherwise, unless shown on a written list of damages and defects signed by Lessee at the commencement of the Lease term.
   - **F.** Observance and performance by Lessee of all of the other covenants and obligations to be kept or performed by Lessee under the Lease up to and including the date of expiration or termination of the Lease term.
   - **G.** Observation and performance by Lessee of all rules and regulations to be kept and performed by Lessee under the Lease, including, without limitation, those rules and regulations pertaining to pets.
   - **H. LESSEE has given LESSOR thirty days written notice prior to the date of expiration or termination of the term of the Lease.**
   - **I.** Lessee has provided Lessor with a written copy of the forwarding address of Lessee.

3. **Deductions.** Within twenty-one (21) days after Lessee has vacated the Premises, Lessor shall furnish Lessee with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Lessee.

4. **Move-Out Procedures.** When Lessee moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Lessee have been removed. Lessee should accompany Lessor during said inspection to help resolve any problems that may arise. Failure of Lessee to do so shall constitute a concurrence by Lessee in Lessor's assessment of charges for damages or cleaning. After inspection by Lessor, appropriate charges will be assessed by Lessor for any missing items; damages or repairs to the Premises, or its contents (normal wear and tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets and/or furniture; and for cleaning the Premises (including all kitchen appliances). Lessee shall be charged for each unreturned key (mail-box key and garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Lessor.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of Woodland Park (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,000.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

When Landlord has (1) received the written notice and the Early Termination Option payment and (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;
ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or
iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. **EARLY TERMINATION:** In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. **DELAY OF POSSESSION:** If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. **FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT:** If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. **MONTHLY RENT PAYMENT:** The total rent is set forth in Section 4.
    i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience – the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.
    ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by check, cashier's check, money order, or through the online payment portal. No cash or post-dated checks will be accepted.
    iii. Payments must be made payable to **Woodland Park** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
    iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.
    v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.
    vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. **LATE CHARGE AND NSF CHARGE:** Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **$35.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **4th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **4th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **4th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. **SECURITY DEPOSIT:**
    i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.
    ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.
    iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early

Reimbursement of the security dep

C. RESIDENT DEFAULT

17. **DEFAULT BY RESIDENT:** Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. **REMEDIES:** Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:
    i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
        a. The worth at the time of award of the unpaid rent which had been earned at time of termination;
        b. The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
        c. Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
        d. Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.
    ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph c of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.
    iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.
    iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.
    v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.
    vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. **DAMAGE BY RESIDENT:** If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally, such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. **RESIDENT INFORMATION:** If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. **COMPLIANCE WITH APPLICABLE LAWS:** Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate in criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. **COMPLIANCE WITH POLICIES:** If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. **CONDITION OF PREMISES:** Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. **RESTRICTIONS ON ALTERATIONS:** Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. **MAINTENANCE:** Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.
    To maintain the Premises, Resident agrees to:
    i. Keep the Premises clean.
    ii. Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
    iii. Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
    iv. Refrain from making any repairs without Landlord's prior written consent.
    v. Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
    vi. Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
    vii. Keep all ingress and egress routes clear and unobstructed and at all times.
    viii. Practice safe use of electrical cords, outlets, and appliances.

26. **DUTY TO CLEAN AND VENTILATE:** Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:
    i. In damp or rainy weather, keep windows and doors closed.
    ii. If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
    iii. Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
    iv. Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
    v. Use care when watering houseplants. If spills occur, dry up excess water immediately.
    vi. When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
    vii. Thoroughly dry any spills on carpeting.
    viii. Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
    ix. Do not overfill closets or storage areas to allow for proper ventilation.
    x. Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
    xi. Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.
    Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. **PESTS AND PEST CONTROL:**
    i. The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
    ii. Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.
    iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.
    iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.
    v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all

Rose instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to the treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. **KEYS, LOCKS, AND ACCESS DEVICES:**

i. **Keys and Locks:** Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$5.00** for each key that is lost or not returned.

ii. **Access:** Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. **Access Devices:** If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply: Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. **LOCATION:** Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. **CONDITION UPON TERMINATION.** Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. **ENTRY:** Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. **SMOKE DETECTORS:** The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. **CARBON-MONOXIDE DEVICES:** If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperability's in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-

monoxide device without immediately replacing the battery with a new one.

34. **SATELLITE DISHES:** If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. **WATERBEDS AND AQUARIUMS:** Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non-renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. **LIABILITY:** Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. **INDEMNITY/HOLD HARMLESS:** Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. **HOUSING SERVICES:** The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. **EMINENT DOMAIN OR CONDEMNATION:** Should the land whereon the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. **SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:**
    i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident, at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.
    ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. **SIGNIFICANT REPAIRS**:
    i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.
    ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24-hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to

pay rent during the time the Pr es are not available to Resident during the repairs andlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. **DUTY TO COOPERATE**: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. **SAFETY CONCERNS:**

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. **INSURANCE:** Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. **MEGAN'S LAW:** Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. **ENVIRONMENTAL INDEMNIFICATION:** To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. **PROPOSITION 65 WARNING:** The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

For more information please contact OEHHA at (916) 445-6900 or visit http://www.oehha.org/prop65/pdf/Prop65tenants.pdf for additional

information from the California Environmental Protection Agency's Office of Environmental Health Hazard.

48. **LEAD-BASED PAINT WARNING:** Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.
    i. Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards **are present** in the housing.
    ii. Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. **ASBESTOS DISCLOSURE:** Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed-on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:
    i. Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.
    ii. Resident shall notify Landlord immediately in writing if there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. **CREDIT REPORTING:** Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. **SOCIAL MEDIA:** Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Residents accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. **USE OF PREMISES:** Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. **CONDUCT OF RESIDENT:** Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. **PARKING:** Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. **OCCUPANTS:** Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall

be deemed to be the payment of rent on behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detailer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. **GUESTS:** Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. **ASSIGNMENT AND SUBLETTING**: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. **PETS:** No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. **CLOTHESLINES/DRYING RACKS**: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:
   - **i.** No more than two drying lines/racks may be in use at any one time.
   - **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
   - **iii.** Drying lines/racks must be free standing.
   - **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
   - **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
   - **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.
   - **vii.** Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
   - **viii.** Drying lines/racks cannot interfere with the maintenance of the Community.
   - **ix.** Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

   If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. **UTILITIES:** Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30-day written notice. Reference the utility addendum for detailed terms, conditions and methodology.

   The following terms shall apply:
   - **i.** Resident agrees to pay all charges for utilities for the Premises for the term of the Lease including but not limited to those listed in the Utility Billing Addendum. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
   - **ii.** Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
   - **iii.** Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
   - **iv.** For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing.
   - **v.** Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
   - **vi.** Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. **HOT WATER:** The following will apply.
   - **i.** The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.

ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.
iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.
iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.
v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.
vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. **REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS:** A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. **MILITARY:** Military personnel on active duty may terminate this lease under Federal law if:
i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
a. Orders for a permanent change of station; or
b. Orders to deploy for a period of at least 90 days.

Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. **OFFICE OF FOREIGN ASSETS CONTROL:** Resident represents and warrants that Resident and each person or entity owning an interest in Resident is:
i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").
ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.
iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).
iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).
v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.
vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

Resident covenants and agree(s):
i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.
ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.
iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.
iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.
v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the term shall be a material default. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default.

65. **NON-DISCRIMINATION:** There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. **SUCCESSORS:** If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. **SUBORDINATION:** This Lease shall without further act on the part of Resident, be subject and subordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. **ATTORNMENT:** Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. **ESTOPPEL CERTIFICATE:** Resident agrees that within 5 days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. **CONTENTS OF THIS LEASE:** The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. **SEVERABILITY AND PROVISIONS REQUIRED BY LAW**: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. **ENTIRE AGREEMENT**: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. **SECTION HEADINGS:** The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. **NOTICES:**
   i. Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by (Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.
   ii. Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is 650-566-2000. On non-holidays, the business hours, which remain subject to change, are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
   iii. The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. **JOINT AND SEVERAL LIABILITY AND AUTHORITY:** In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. **ELECTRONIC SIGNATURES**: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. **ATTACHMENTS/ADDENDA:** Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **May 20, 2011** by between **Gabriel Diaz** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 12** ("Premises") located at **301 East O'Keefe Street, East Palo Alto, CA 94303.**

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and/or Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items or clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   i. Do not put plastic items in the dryer.
   ii. Always clean the lint screen prior to use.
   iii. Never operate the dryer without a lint screen,
   iv. Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   v. We recommend leaving washer door open after cycle for better ventilation.
   vi. Always clean the lint screen prior to using the dryer never operate it without a lint filter.
   vii. Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   i. Appliances shall not be removed from the Premises, common areas, or Community.
   ii. The Dispose All should only be used for the purpose for which it was designed. The following items should not be put in the Dispose All: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, or potato peel.
   iii. The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, and baby wipes rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   iv. Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   v. To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   vi. On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools, and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/ equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits or swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts or non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios Balconies:** Resident shall comply with the following rules:
   i. Patios and balconies are to be kept neat and orderly at all times.
   ii. The installation of sunshades, blinds or hanging fabrics is not allowed.
   iii. The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.
   iv. Patios and balconies may not be used as bedrooms.
   v. No storage of any personal property or trash containers is allowed.
   vi. All plants must be free-standing and have saucers underneath them. Hanging plants are not permitted.
   vii. No motorcycles are allowed to be kept on any patios or balconies at any time.
   viii. Unapproved bike hooks are not permitted and will be removed.
   ix. Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord is served regularly by the Landlord or a third-party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders regulations of all state, federal, municipal local governments regarding the collection, sorting, separation, recycling of waste products, garbage, and refuse trash.

11. **Barbeques:** The use or storage of any charcoal burner, liquid petroleum, gas fueled or any other open flame cooking devices are prohibited in

the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.

13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.

14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed remove items that are not in keeping with the nature of the Community, as determined by Landlord.

15. **Garage Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals /or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and/or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.

16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.

17. **Car Wash and Repair:** Vehicle repairs, including oil changes washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.

18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.

19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact or other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization Just Cause of Eviction Ordinance of 2010 requires Landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that Landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2017-2018 program year is 2.7%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance /or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent;
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by Landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B /or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction Rebate for Housing Service Reductions, including Maintenance Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability /or maintenance problems, /or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered for more information about this provision in the Ordinance.

PROTECTIONS AGAINST EVICTIOI .VITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

Information About Bedbugs Pest Control Policies

This document is an addendum to the Lease Agreement dated **May 20, 2011** by and between **Gabriel Diaz** and **Woodland Park** for **Unit # 12** **located at 301 East O'Keefe Street, East Palo Alto, CA 94303.**

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

   a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

   b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

   c) Bed bugs can survive for months without feeding.

   d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

   e) Common signs symptoms of a possible bed bug infestation:

      • Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.

      • Molted bed bug skins, white, sticky eggs, or empty eggshells.

      • Very heavily infested areas may have a characteristically sweet odor.

      • Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

   f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully thoroughly inspect used furniture or clothes you acquire bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms conditions contained herein.

Electricity	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill

This document is an addendum to the California Lease Agreement ("Lease") dated May 20, 2011 between Gabriel Diaz ("Resident") and Woodland Park ("Landlord") for the Unit # 207 ("Premises") located at 301 East O'Keefe Street #12, East Palo Alto, CA 94303.

1. **Resident Not the Direct Customer of Record.** The following provisions apply to utilities/services which are the Resident's responsibility, but of which Landlord is the utility/service customer of record.

   i. Sub-metered Utilities. Billings based on sub-meter readings (if any) will itemize the beginning and ending meter readings, the rate charged to Resident and all categories of information that appear within the utility's standard billing format to the Landlord billing amounts will be determined by multiplying the sub-meter readings for the Resident's Premises by the utility rate that would be charged by the utility for that level of consumption if the Resident was the utility provider's direct customer of record. Residents should be aware that because of volume discounts the rate charged to Landlord may be less than the rate that would be charged to the Resident if the Resident was the utility provider's direct customer of record. If the Premises are sub-metered, Resident agrees to allow Landlord, or a billing service provider designated by Landlord, access to Resident's Premises in order to install, repair, remove read sub-meters.

   i. The sub meters in the Premises are located_____. Landlord's agent will require access to your Premises, upon reasonable advanced notice (at least 24 hours when possible), for the purpose of submeter installation, repair, reading, maintenance, inspections testing.

   ii. RUBS Formula Billing Used. If formula billing is used, the specific formula used is indicated above. Details about formulas are below.
      a. Square footage: For any Square Footage formula, Resident's share is calculated by comparing the approximate square footage of Resident's Premises as compared to the total square footage of all premises on the property.
      b. Occupants: Resident's share using an Occupant formula is calculated by comparing the number of occupants residing in Resident's Premises as compared to all occupants in all premises on the property as of the first day of the month. Resident represents that all occupants that who reside in the Premises are identified in the Lease. Resident agrees to immediately notify Landlord of any change in the number of occupants.
      c. Per Premises: Dividing the bill equally among all premises on the property.
      d. Flat: Standard amount charged each month.

2. **Water, Sewer, Trash, Gas, Electricity.** If either sub-metering or formula methods are used to calculate Resident's share for water, sewer, trash, gas, or electricity, all related charges assessed to Landlord may be used to calculate the amount charged to Resident. These may include (but are not limited to) related charges contained on tax bills, and all charges contained on the local water provider's bills to Landlord. Landlord Resident agree that it is impractical or extremely difficult to determine the exact amount of the utilities consumed by Resident (/or in the common areas), but that the methods used to determine Resident's share described above are reasonably accurate estimates. Trash costs to be charged to Resident may include actual trash invoices, costs on tax bills, Landlord's internal costs related to trash disposal, trash management costs, trash auditing costs, and recycling charges.

3. **Utility Billing Service.** Landlord currently uses the services of Conservice, Resident Services, P.O. Box 4718, Logan, Utah, 84323-4718 ("Utility Billing Company") to bill for utilities. Landlord reserves the right to change utility billing service providers at any time. If Landlord changes the utility billing service during Resident's tenancy, Resident will be given notice by Landlord. The Utility Billing Company is not the utility provider. Resident Questions Concerns Regarding Utility Billings may be addressed to Conservice 1-866-947-7 2079

4. **Utility Billing Statements.** Resident will receive monthly billing statements. All amounts due to are payable to Woodland Park at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. Failure of the Resident to pay the utility charges by their due date will be considered a material breach of the Lease grounds for termination. All monetary amounts due under this Utility Addendum are deemed additional rent. Utility billings will be prorated as necessary.

5. **Payment from Security Deposit.** Any obligation that remains unpaid, including utility charges that have accrued but have not been invoiced when Landlord reacquires possession of the Premises, may be deducted from the Resident's security deposit. If actual amounts have not been determined before Landlord provides Resident with an accounting of Resident's security deposit, Landlord may estimate the amount based on prior consumption or until actual numbers become available.

6. **Utility Payment.** Resident must make payment in full to Landlord or the Utility Billing Company for the utility charges prior to the due date listed on each bill.

i. Landlord Resident agree that the actual cost to Landlord /or Utility Billing Company when Resident fails to pay the utility bill on time is difficult or impossible to ascertain, but the Parties agree that Landlord /or Utility Billing Company does, in the event of a late payment, incur certain costs including, without limitation, additional bookkeeping administrative charges, additional charges from the billing provider, costs in printing mailing late notices, lost opportunity costs of the payment. Accordingly, Landlord and Resident agree that if the payment is received after the enumerated due date then:

   a. If the Utility Billing company collects utility payments then Resident shall immediately pay a late payment in the amount of **$35.00**, which is a reasonable estimate of the costs incurred;

   b. If Landlord collects utility payments then late fees shall apply as if rent was not paid. Returned checks will be assessed a non-sufficient funds charge applicable charges in accordance to the Lease.

ii. Resident's billing statement will include a monthly service charge of up to **$0.00**. A new account set up charge of **$0.00** final bill fee of **$0.00** will also be applied to the resident's bill. The service charge represents the reasonable value of services provided by Landlord or the utility billing company to allocate the utility costs to the responsible parties, provides billing to Resident, and process payments. The monthly service charge is subject to change upon **sixty (60) days** written notice of increase. Resident agrees to pay any fees charged by a collection agency to Landlord to collect amounts due from Resident.

7. **No Waiver.** Landlord's waiver of any covenant of this Utility Addendum or the Lease will not constitute a waiver of any other breach. Landlord's acceptance of rent or any other payment with knowledge of Resident's failure to pay utility charges does not waive Landlord's right to enforce any provision of this Utility Addendum or the Lease. No waiver will exist unless made in writing and signed by both Resident and Landlord.

8. **Estimation.** Landlord may estimate Resident's consumption if Resident's sub-meter is broken or does not transmit a meter reading or if Landlord has not received bills from utility providers in time to prepare Resident's invoices.

Resident and Landlord represent that they have read this Addendum, understanding the terms conditions contained herein, and agree to the terms and conditions contained herein.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **May 20, 2011** between **Gabriel Diaz** and **Woodland Park** for the **Unit # 12** located at **301 East O'Keefe Street, East Palo Alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understands that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS /OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution /or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture /or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts facsimile copies of same shall be admissible for all purposes shall be deemed an original.

BECAUSE WE CARE

At **Woodland Park**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.
2. If you have a deadbolt or night latch, use them even when you're home.
3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.
4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.
5. Keep the telephone numbers for the police, emergency, and medical services handy.
6. Check your smoke detector periodically to ensure it is working.
7. Report to the management (in writing, dated signed) any malfunction of safety devices outside your home such as broken gate locks, burned-out stairwell parking lot lights, etc.
8. Close your curtains or blinds at night.
9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.
10. Mark or engrave valuable personal possessions for identification.
11. Be careful to whom you lend or give your keys.
12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.
13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!
2. Leave a radio playing very softly when you're not at home.
3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.
4. Try not to walk outside alone at night.
5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.
6. If you have an entry code, don't give your code to guests or strangers.
7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.
2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.
3. Don't leave your keys in the car.
4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.
5. Look in the back seat before you get in the car.
6. Don't stop alone at night at an automatic teller or gas station.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **May 20, 2011**, by and between **Woodland Park** (hereinafter referred to as "Landlord"), Landlord of the Community in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, **Gabriel Diaz** (hereinafter referred to as "Resident"), in connection with the California Lease Agreement (the "Lease") between Landlord Resident for: **301 East O'Keefe Street #12, East Palo Alto, Ca 94303** in **Woodland Park** (the "Premises").

1. **Security Deposit.** Landlord hereby acknowledges receipt from Resident of the sum of: **$250.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Landlord will hold the Security Deposit for the faithful performance by Resident of Resident's obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after surrender.

2. **Refund of Security Deposit.** Landlord shall deduct from the Security Deposit all monies expended as a result of any breach of the Lease or this Agreement, including but not limited to the following obligations:
   - A. Resident shall vacate completely the entire Premises on or before the date specified in the required written **30-day** move-out notice, expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - B. Payment by Resident of all rent required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - C. The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) including all baths, closets, storage areas, patios/balconies, and all other areas have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - D. There are no defects or damage to the Premises, whether caused by Resident, pets, or otherwise, unless shown on a written list of damages and defects signed by Resident at the commencement of the Lease term.
   - E. Resident observes and performs all other covenants and obligations to be kept or performed by Resident under the Lease up to and including the date of expiration or termination of the Lease term.
   - F. Resident observes and follows all rules and regulations including, without limitation, those rules and regulations pertaining to pets.
   - G. **RESIDENT has given LANDLORD thirty (30) days written notice prior to the date of expiration or termination of the term of the Lease.**
   - H. Resident has provided Landlord with a written copy of the forwarding address of Resident.

3. **Deductions.** Within twenty-one (21) days after Resident has vacated the Premises, Landlord shall furnish Resident with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Resident.

4. **Move-Out Procedures.** When Resident moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Resident have been removed. Resident should accompany Landlord during said inspection to help resolve any problems that may arise. Failure of Resident to do so shall constitute a concurrence by Resident in Landlord's assessment of charges for damages or cleaning. After inspection by Landlord, appropriate charges will be assessed by Landlord for any missing items; damages or repairs to the Premises, or its contents (normal wear tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this Agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets /or furniture; for cleaning the Premises (including all kitchen appliances). Resident shall be charged for each unreturned key (mail-box key garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Landlord.

PARKING RULES REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.
2. Every vehicle, including motorcycles, parked in an assigned **Woodland Park** parking space must have a visible, valid **Woodland Park** parking permit.
3. The **Woodland Park** Management Office at **5 Newell Court, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.
4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **Woodland Park**. Be sure not to cover the permit identification number.
5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.
6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **Woodland Park**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **Woodland Park** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.
7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.
8. Certain parking spaces are marked as guest or visitor parking spaces. Vehicles cannot be parked in guest or visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.
9. Residents and their guests or visitors may park their vehicles in the parking spaces marked "**Woodland Park Management Office**" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.
10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.
11. All vehicles parked at **Woodland Park** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and/or driveways is strictly prohibited.
12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.
13. Vehicles are not to be covered. Management will remove and discard covers.
14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.
15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.
16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the California Vehicle Code to fully understand your rights, as this is only an overview the law may change at any time.

Generally, prior to paying any towing storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and/or storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of **Woodland Park** (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,900.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

When Landlord has (1) received the written notice and the Early Termination Option payment and (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and

payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;

ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or

iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. EARLY TERMINATION: In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. DELAY OF POSSESSION: If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT: If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. MONTHLY RENT PAYMENT: The total rent is set forth in Section 4.

i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience - the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.

ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by **check, cashier's check, money order, or through the online payment portal**. No cash or post-dated checks will be accepted.

iii. Payments must be made payable to **Woodland Park** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 5PM**.

iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.

v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.

vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. LATE CHARGE AND NSF CHARGE: Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **35.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **10th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **10th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **10th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. SECURITY DEPOSITS:

i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.

ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.

iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit.

C. RESIDENT DEFAULT

17. DEFAULT BY RESIDENT: Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. REMEDIES: Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:

i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
- **a.** The worth at the time of award of the unpaid rent which had been earned at time of termination;
- **b.** The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
- **c.** Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
- **d.** Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.

ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph (c) of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.

iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.

iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.

v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.

vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. DAMAGE BY RESIDENT: If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. RESIDENT INFORMATION: If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. COMPLIANCE WITH APPLICABLE LAWS: Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. COMPLIANCE WITH POLICIES: If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. CONDITION OF PREMISES: Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. RESTRICTIONS ON ALTERATIONS: Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. MAINTENANCE: Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.

To maintain the Premises, Resident agrees to:

- **i.** Keep the Premises clean.
- **ii.** Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
- **iii.** Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
- **iv.** Refrain from making any repairs without Landlord's prior written consent.
- **v.** Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
- **vi.** Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
- **vii.** Keep all ingress and egress routes clear and unobstructed and at all times.
- **viii.** Practice safe use of electrical cords, outlets, and appliances.

26. DUTY TO CLEAN AND VENTILATE: Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:

- **i.** In damp or rainy weather, keep windows and doors closed.
- **ii.** If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
- **iii.** Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
- **iv.** Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
- **v.** Use care when watering houseplants. If spills occur, dry up excess water immediately.
- **vi.** When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
- **vii.** Thoroughly dry any spills on carpeting.
- **viii.** Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
- **ix.** Do not overfill closets or storage areas to allow for proper ventilation.
- **x.** Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
- **xi.** Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.

Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. PESTS AND PEST CONTROL:

- **i.** The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
- **ii.** Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into

the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.

iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.

iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.

v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. KEYS, LOCKS, AND ACCESS DEVICES:

i. Keys and Locks: Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$25.00** for each key that is lost or not returned.

ii. Access: Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. Access Devices: If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply:
Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. LOCATION: Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. CONDITION UPON TERMINATION: Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. ENTRY: Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. SMOKE DETECTORS: The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. CARBON-MONOXIDE DEVICES: If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperabilities in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-monoxide device without immediately replacing the battery with a new one.

34. SATELLITE DISHES: If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. WATERBEDS AND AQUARIUMS: Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. LIABILITY: Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. INDEMNITY/HOLD HARMLESS: Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. HOUSING SERVICES: The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. EMINENT DOMAIN OR CONDEMNATION: Should the land wheron the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:

i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident,

at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.

ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. SIGNIFICANT REPAIRS:

i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.

ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24 hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to pay rent during the time the Premises are not available to Resident during the repairs if Landlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. SAFETY CONCERNS:

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. INSURANCE: Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. MEGAN'S LAW: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an

offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. ENVIRONMENTAL INDEMNIFICATION: To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. PROPOSITION 65 WARNING: The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

For more information please contact OEHHA at (916) 445-6900 or visit http://www.oehha.org/prop65/pdf/Prop65tenants.pdf for additional information from the California Environmental Protection Agency's Office of Environmental Health Hazard.

48. LEAD-BASED PAINT WARNING: Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.

- **i.** Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards are present in the housing.
- **ii.** Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. ASBESTOS DISCLOSURE: Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:

- **i.** Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.
- **ii.** Resident shall notify Landlord immediately in writing: If there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. CREDIT REPORTING: Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. SOCIAL MEDIA: Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Resident accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. USE OF PREMISES: Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall

Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. CONDUCT OF RESIDENT: Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. 53. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A Resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. PARKING: Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. OCCUPANTS: Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detailer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. GUESTS: Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. ASSIGNMENT AND SUBLETTING: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. PETS: No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. CLOTHESLINES/DRYING RACKS: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:

- **i.** No more than two drying lines/racks may be in use at any one time.
- **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
- **iii.** Drying lines/racks must be free standing.
- **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
- **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
- **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.

vii. Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
viii. Drying lines/racks cannot interfere with the maintenance of the Community.
ix. Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. UTILITIES: Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30 day written notice.

The following terms shall apply:
i. Resident agrees to pay all charges for utilities for the Premises for the term of the Lease. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
ii. Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
iii. Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
iv. For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing. Resident will also be subject to an additional charge of **$50.00** for each billing cycle during which Resident has failed to become the customer of record with the utility provider(s).
v. Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
vi. Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. HOT WATER: The following will apply.
i. The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.
ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.
iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.
iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.
v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.
vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS: A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. MILITARY: Military personnel on active duty may terminate this lease under Federal law if:
i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
a. Orders for a permanent change of station; or
b. Orders to deploy for a period of at least 90 days.

Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. OFFICE OF FOREIGN ASSETS CONTROL: Resident represents and warrants that Resident and each person or entity owning an interest in Resident is

i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").

ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.

iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).

iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).

v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.

vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

Resident covenants and agree(s):

i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.

ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.

iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.

iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.

v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the lease term shall be a material default of the Lease. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default of the Lease.

65. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. SUCCESSORS: If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. SUBORDINATION: This Lease shall, without further act on the part of Resident, be subject and subordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. ATTORNMENT: Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. ESTOPPEL CERTIFICATE: Resident agrees that within five (5) days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. CONTENTS OF THIS LEASE: The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. SEVERABILITY AND PROVISIONS REQUIRED BY LAW: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. ENTIRE AGREEMENT: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. SECTION HEADINGS: The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. NOTICES:

i. Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.

ii. Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is **(650) 566-2000**. On non-holidays, the business hours, which remain subject to change, are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 5PM**.

iii. The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. JOINT AND SEVERAL LIABILITY AND AUTHORITY: In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. ELECTRONIC SIGNATURES: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. ATTACHMENTS/ADDENDA: Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

ACKNOWLEDGEMENT RE USE OF MEDICAL MARIJUANA

Resident acknowledges receipt and understanding of the attached policies concerning use of Medical Marijuana. If applicable, Resident agrees to complete the Addendum for any Resident, Occupant, invitee, or guest who requires a Medical Marijuana Accommodation. If the accommodation is not applicable, Resident is not required to complete the Addendum and it will remain solely as an informative section of the lease, not an Acknowledgment of any sort.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **June 1, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** and **Woodland Park** for the Unit # **15** located at **301 E okeefe St East Palo alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understand that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER AND POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS AND/OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution and/or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture and/or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts and facsimile copies of same shall be admissible for all purposes and shall be deemed an original.

BECAUSE WE CARE

At **Woodland Park**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.

2. If you have a deadbolt or night latch, use them even when you're home.

3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.

4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.

5. Keep the telephone numbers for the police and emergency medical services handy.

6. Check your smoke detector periodically to ensure it is working.

7. Report to the management (in writing, dated and signed) any malfunction of safety devices outside your home such as broken gatelocks, burned-out stairwell and parking lot lights, etc.

8. Close your curtains or blinds at night.

9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.

10. Mark or engrave valuable personal possessions for identification.

11. Be careful to whom you lend or give your keys.

12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.

13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small and contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!

2. Leave a radio playing very softly when you're not at home.

3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.

4. Try not to walk outside alone at night.

5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.

6. If you have an entry code, don't give your code to guests or strangers.

7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.

2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.

3. Don't leave your keys in the car.

4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.

5. Look in the back seat before you get in the car.

6. Don't stop alone at night at an automatic teller or gas station.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **June 1, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** ("Resident") and **Woodland Park** ("Landlord") for the **Unit #15** ("Premises") located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items and clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   - **i.** Do not put plastic items in the dryer.
   - **ii.** Always clean the lint screen prior to use.
   - **iii.** Never operate the dryer without a lint screen,
   - **iv.** Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   - **v.** We recommend leaving washer door open after cycle for better ventilation.
   - **vi.** Always clean the lint screen prior to using the dryer and never operate it without a lint filter.
   - **vii.** Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   - **i.** Appliances shall not be removed from the Premises, common areas, or Community.
   - **ii.** The disposal should only be used for the purpose for which it was designed. The following items should not be put in the disposal: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, and potato peel.
   - **iii.** The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, baby wipes and rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   - **iv.** Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   - **v.** To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   - **vi.** On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings and Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment and Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits and swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts and non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios and Balconies:** Resident shall comply with the following rules:
   - **i.** Patios and balconies are to be kept neat and orderly at all times.
   - **ii.** The installation of sunshades, blinds or hanging fabrics is not allowed.
   - **iii.** The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.
   - **iv.** Patios and balconies may not be used as bedrooms.
   - **v.** No storage of any personal property or trash containers is allowed.
   - **vi.** All plants must be free-standing and have saucers underneath them. Hanging plants are not permitted.
   - **vii.** No motorcycles are allowed to be kept on any patios or balconies at any time.
   - **viii.** Unapproved bike hooks are not permitted and will be removed.
   - **ix.** Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash and disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord and is served regularly by the Landlord or a third party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders and regulations of all state, federal, municipal and local governments regarding the collection, sorting, separation, and recycling of waste products, garbage, refuse and trash.

11. **Barbeques:** The use or storage of any charcoal burner, liquid petroleum, gas fueled or any other open flame cooking devices are prohibited in the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.

13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.

14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed and remove items that are not in keeping with the nature of the Community, as determined by Landlord.

15. **Garage and Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals and/or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials and immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.

16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.

17. **Car Wash and Repair:** Vehicle repairs, including oil changes, and washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.

18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.

19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact and other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms and conditions contained herein.

INFORMATION ABOUT BEDBUGS AND PEST CONTROL POLICIES

This document is an addendum to the Lease Agreement dated **June 1, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** and **Woodland Park** for the Unit **#15** located at **301 E okeefe St, East Palo alto, CA 94303**.

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds and linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

c) Bed bugs can survive for months without feeding.

d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

e) Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects and vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully and thoroughly inspect used furniture or clothes you acquire and bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms and conditions contained herein.

MOLD/MILDEW ADDENDUM

This document is an addendum to the Lease Agreement dated **June 1, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** and **Woodland Park** for the Unit #**15** located at **301 E okeefe St, East Palo alto, CA 94303**.

Resident acknowledges that it is necessary for Resident to provide appropriate climate control, keep the Unit clean, and take other measures to retard and prevent mold and mildew from accumulating in the Unit. Resident agrees to clean and dust the Unit on a regular basis and to remove visible moisture accumulation on windows, walls, and other surfaces as soon as reasonably possible. Resident agrees not to block or cover any of the heating, ventilation or air conditioning ducts in the Unit. Resident also agrees to immediately report to Landlord: (i) any evidence of a water leak or excessive moisture in the Unit, as well as in any storage room, garage or other common area; (ii) any evidence of mold- or mildew-like growth that cannon be removed by simply applying a common household cleaner and wiping the area; (iii) any failure or malfunction in the heating, ventilation or air conditioning system in the Unit; and (iv) any inoperable doors or windows. Resident further agrees that Resident shall be responsible for damage to the Unit and Resident's property as well as personal injury to Resident, other occupants or Resident's guests, resulting from Resident's failure to comply with the terms of this Addendum.

A default under the terms of this Addendum shall be deemed a material default under the terms of the Lease, and Landlord shall be entitled to exercise all rights and remedies at law or in equity. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control. Any term that is capitalized but not defined in this Addendum that capitalized and defined in the Lease shall have the same meaning for purposes of this Addendum as it has for purposes of the Lease.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization and Just Cause of Eviction Ordinance of 2010 requires landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS AND RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2022-2023 program year is 4.2%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance and/or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent; and
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases and must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B and/or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction and Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction and Rebate for Housing Service Reductions, including Maintenance and Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability and/or maintenance problems, and/or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered and for more

information about this provision in the Ordinance.

PROTECTIONS AGAINST EVICTONS WITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy and unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

PARKING RULES AND REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.

2. Every vehicle, including motorcycles, parked in an assigned **Woodland Park** parking space must have a visible, valid **Woodland Park** parking permit.

3. The **Woodland Park** Management Office at **5 Newell Court, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.

4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **Woodland Park**. Be sure not to cover the permit identification number.

5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.

6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **Woodland Park**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **Woodland Park** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.

7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.

8. Certain parking spaces are marked as guest and visitor parking spaces. Vehicles cannot be parked in guest and visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.

9. Residents and their guests and visitors may park their vehicles in the parking spaces marked "**Woodland Park** Management Office" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.

10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.

11. All vehicles parked at **Woodland Park** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and driveways is strictly prohibited.

12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.

13. Vehicles are not to be covered. Management will remove and discard covers.

14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.

15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.

16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the **California** Vehicle Code to fully understand your rights, as this is only an overview and the law may change at any time.

Generally, prior to paying any towing and storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

PET ADDENDUM

This document is an addendum to the California Lease Agreement ("Lease") dated **June 1, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 15** ("Premises") located at **301 E okeefe St, East Palo alto, CA 94303**.

Pets, including unauthorized or visiting pets, are not permitted on the Premises without prior written consent from Landlord. This addendum constitutes written consent for the pet(s) described below in the "Pet Description."

Pet Description

Resident and Landlord agree as follows:

1. Resident agrees to pay **$0.00** per month per pet in Pet Rent per month on or before the first of each month with Monthly Rent. Pet Rent is additional "rent" for all purposes.

2. If a pet is added during the lease term, Resident agrees to pay **$50.00** in Pet Rent per pet per month and will be required to pay an additional deposit of **$500.00**.

3. The additional deposit shall be subject to full inspection of the Premises upon Resident's move out and shall be considered an additional deposit pursuant to the Lease terms.

4. Resident shall be liable for all damages to Premises, common areas, or Community and all expenses caused by or in connection with pet, including without limitation the presence of fleas.

5. Pet will not be permitted outside the Premises unless restrained by a leash. Resident must control pet activity while in the Premises.

6. Pets may not be left or tied on balconies, porches, or patios and these areas must be kept clean and free of pet waste.

7. Resident is responsible for immediate and proper cleaning up and disposal of pet waste. Please note that landscape pesticides and chemicals are used on the grounds of the Community and therefore special care should be taken when walking pets.

8. If pet is a cat, an appropriate litter box shall be maintained and a scratching post should be provided. Resident must place soiled cat litter in a securely tied trash bag for disposal.

9. If Resident does not clean up after pet, Resident will be fined **$50.00** per occurrence.

10. Pets shall not weigh over **50 Pounds** full grown.

11. The number of pets per unit is limited to **2**.

12. Resident shall not permit and represents that pet will not cause any damage, discomfort, annoyance, nuisance or in any way inconvenience, or cause complaints from, any other resident.

13. All pets must have all current, required vaccinations. Upon request from Landlord, Resident must provide proof of vaccinations to Landlord.

14. It is strongly recommended that all pets have an identification tag showing current address and telephone number on their collar. Dogs are required to have a current license and an identification tag at all times.

15. Resident agrees to comply with all applicable ordinances, regulations and laws governing pets.

16. In addition, Resident shall comply with the following policies:

- **i.** Except as further restricted by law, the following types of pets are permissible: cats, dogs, hamsters, guinea pigs, rabbits, birds, fish, non-poisonous or non-venomous amphibians, and non-poisonous or non-venomous reptiles. Permitted birds must be kept caged and permitted fish, amphibians, and reptiles must remain in in a tank/aquarium at all times.
- **ii.** All pets must be spayed/neutered.
- **iii.** Resident shall prevent any fleas or other infestation of the Premises, building and Community.
- **iv.** Birds shall not be let out of cages.
- **v.** Resident must obtain prior written consent from Landlord to have fish tanks over **30 gallons**. Fish tanks must be placed in a safe area inside of the Premises.
- **vi.** Dangerous, illegal, exotic or poisonous animals (as determined solely by Landlord) are not permitted on the Premises.
- **vii.** Residents are not allowed to keep endangered species.
- **viii.** Feral animals cannot be fed or kept on the Premises, common areas, or Community.
- **ix.** Resident shall not allow any pet in the Community that has exhibited any sign of aggressive behavior or aggressive tendencies towards any person.

x. Resident shall not allow any pet in the Community that is a Restricted Breed. Restricted Breeds are Alaskan Malamute, Boxer, Chow Chow, Dalmatian, Doberman Pinscher, German Shepperd, Belgian Malinois, Husky breeds, Pit-Bull breeds, Staffordshire Terrier, Presa Canario, Rottweiler and wolf hybrids..

17. This addendum shall terminate without affecting the Lease or Resident's responsibilities under the Lease and Resident shall remove the pet immediately if any of the following occurs:

i. Payment of Pet Rent is delinquent.

ii. The pet displays aggressive behavior.

iii. Landlord perceives the pet to be dangerous or disruptive to premises, common areas, or Community, other residents, guest or employees.

iv. Resident fails to provide proof of current, required vaccinations upon request from Landlord.

v. Upon thirty (30) days' notice by either party to the other of intent to terminate this Addendum.

18. Companion and/or Service Animal: Landlord will review any request for accommodation to the pet policies, including the need for a companion or service animal. Additional information may be requested while engaging in the interactive process to determine the need for the accommodation. If a companion or service animal is required, the Resident will be provided a Companion Animal and/or Service Animal Addendum & Agreement detailing the terms and conditions.

19. Resident agrees to hold harmless and indemnify Landlord from all liability pertaining to pets on the property and Resident shall hold Landlord harmless and indemnify Landlord for any and all damages or costs in connection with pet.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms and conditions contained herein.

LEASE ADDENDUM
PERSONAL LIABILITY INSURANCE REQUIRED

1. **Addendum.** This is an addendum to the Lease for Apt. No. **15** at **301 E okeefe St, East Palo alto, CA 94303**

   The effective date of this Addendum is **May 28, 2024**.

2. **Insurance Acknowledgment.** You acknowledge that we do not maintain insurance to protect you against personal injury, loss or damage to your personal property or to cover your own liability for injury, loss or damage you (or your occupants or guests) may cause others. You also acknowledge that you may be responsible to others (including us) for the full cost of any injury, loss or damage caused by your negligent actions or the negligent actions of your occupants or guests, including but not limited to damage caused by fire, smoke, explosion or water damage liability.

3. **Required Renters Insurance Policy.** You are required to purchase and maintain a renter's personal liability insurance policy which provides limits of liability to third parties in an amount not less than **$100,000.00** per occurrence through an insurance company or insurance agent authorized to issue insurance in this state. Proof of coverage must be submitted for all leaseholders. Such insurance policies are often referred to as "renter's insurance policies or "liability-only insurance policies." Most renter's insurance policies contain personal liability coverage and also personal property coverage for your own property. You are only required to have personal liability insurance, however we highly recommend that you obtain coverage for your personal property too. Personal property coverage protects your property in the event of theft, fire or weather-related loss to your property. The required personal liability insurance policy must cover all residents in your unit. The policy must identify Insurance Tracking, **1050 Crown Pointe Parkway, Suite 600, Atlanta, GA 30388** as a "Party of Interest" or "Interested Party" where the "Party of Interest" or "Interested Party" must be notified within ten (10) days after your insurance company or agent renews, cancels or non-renews your policy. When insurance providers are paperless and only submit communications electronically, they are required to submit policy documents to **woodlandparkca@greystar.com**. Failure to include Insurance Tracking as the "Party or Interest" or "Interested Party" with the above-listed address and/or **woodlandparkca@greystar.com** will constitute a breach of this Lease.

4. **Insurance Election.** If you choose not to purchase insurance through the carrier of your choice or are unable to secure satisfactory personal liability insurance coverage, you have the option to obtain insurance coverage under an insurance program issued by an insurance carrier we have partnered with. As a resident of this property, you automatically qualify for this coverage with our preferred insurance provider with no underwriting or lengthy application. Participation in this program allows you to conveniently pay the insurance charges with your monthly rent. Following your execution of this Lease, you will be sent a link via email or text message to an online insurance portal where you must either enroll in the insurance program offered by our preferred insurance provider or upload proof of insurance if you already have insurance or if you decide to purchase the insurance through a carrier or agency other than our preferred insurance provider.

   If you choose to participate in this preferred insurance provider's program, you agree that you will be charged **$14.50** monthly with your rent to cover the costs of securing personal liability coverage in an amount of **$100,000.00** and personal property coverage in an amount of **$5,000.00**. The insurance company will issue a certificate of insurance to you that will describe the limits, conditions and terms of the coverage provided. A description of the insurance coverage and the insurance carrier are available by visiting the online insurance portal. If you have questions regarding the insurance program, including other available options, please call **(833) 227-2209**.

   If you decide not to enroll in the preferred insurance provider's program described above, you will be required to upload proof of insurance coverage via the link you receive by email from **woodlandparkca@greystar.com** to meet the Lease's insurance requirement. If you do not have access to upload your proof of insurance, you must contact the leasing office and the on-site staff may be able to provide you with an alternative method (e.g. business center computer, iPad, etc.).

5. **Freedom of Choice.** At all times, you are able to purchase insurance through the carrier or agency of your choice and are not required to purchase insurance through a particular carrier or agency, including the preferred provider. However, the insurance you purchase must meet the Lease's minimum requirements at all times. By signing this Addendum you consent to the sharing of information with our preferred insurance provider, which includes, but is not limited to, your name, address, lease status/expiration, current renter's insurance policy information, email address and telephone number(s).

6. **Subrogation Allowed.** You acknowledge that subrogation is allowed by all parties and that this Addendum supersedes any language to the contrary in the Lease. Accordingly, our commercial insurance carrier may make a claim against you for losses it pays as a result of your negligence, and your insurance carrier may make a claim against us for losses it pays as a result of our negligence. We retain the right to hold you responsible for any loss in excess of your insurance coverage.

7. **Your Insurance Coverage.** By signing this Addendum, you acknowledge that you have purchased (or agree to purchase) the insurance described above or you have agreed to participate in the insurance program. If you purchase insurance through a carrier or agency other than the preferred insurance provider, you must provide proof of insurance via the online insurance portal prior to taking possession of the apartment. You further acknowledge that you will keep your insurance

policy in-force for the entire term of the Lease. If any material terms of your insurance policy change, you agree to promptly provide proof of the modified policy terms to **woodlandparkca@greystar.com**.

8. **Default.** Unless otherwise prohibited by law, and subject to any right to cure a default under the Lease, any default under the terms of this Addendum shall be deemed a material default of the Lease, and we are entitled to exercise all rights and remedies under the law. If you fail to obtain and maintain personal liability insurance as required by this Addendum, you will be in violation of your Lease. In such event, we may send a written notice to you demanding that you cure the violation by purchasing the required insurance and providing evidence of coverage to us. If you fail to supply evidence of such insurance to us on or before the specified date set forth in your notice, we reserve the right to obtain personal liability insurance coverage on your behalf, and to charge you monthly for the amount of the insurance charges (**$14.50**). This is an insurance program provided to us by an insurance company we have partnered with and provides **$100,000.00** in personal liability insurance to you but **does not include any personal property coverage to protect your property from any loss or damage, including but not limited to from theft, fire or weather**. You may cancel your participation in this insurance program at any time if you purchase your own personal liability insurance policy or renter's insurance policy and provide proof of coverage to **woodlandparkca@greystar.com**. Upon your enrollment in the insurance program set forth in this paragraph, the insurance company will deliver you an insurance certificate evidencing and describing the coverage.

9. **Miscellaneous.**

   a. Except as specifically stated in this Addendum, all other terms and conditions of the Lease shall remain unchanged.

   b. The insurance required by the Lease Contract is not required by any law. Your obligation to provide insurance stems solely from the Lease Contract.

   c. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

   d. The insurance required by the Lease is not an attempt to limit our liability for our own negligence or your liability for your own negligence.

   e. **Arthur J Gallagher & Co.**, a licensed insurance agency and affiliate of property manager, may receive compensation on policies issued by the preferred insurance provider for administrative, brokerage or marketing support. Owner may be receiving compensation or other payments from **Arthur J Gallagher & Co.** or one of its affiliates where permitted by law.

   f. The insurance required by the Lease is not in lieu of, or in any way a component of, any security deposit required by the Lease.

   g. **You understand that the personal liability insurance coverage set forth in paragraph 8 may cost more than similar insurance you can purchase on your own and will only cover you for your own liability for injury, loss or damage caused by you (or, in some cases, your occupants or guests) to others and DOES NOT INCLUDE COVERAGE FOR PERSONAL INJURY OR LOSS OR DAMAGE TO YOU OR YOUR PERSONAL PROPERTY. THE PERSONAL LIABILITY INSURANCE DESCRIBED IN PARAGRAPH 8 IS LIMITED IN SCOPE AND MAY NOT FULLY PROTECT YOUR INTERESTS.**

   h. You agree that you have not received any oral representations from Owner or any representative of Owner which are inconsistent with or not contained in the Lease Contract, the addenda attached to the Lease Contract, or in the Rules and Regulations. If you have received any such oral representations, you agree that you did not rely on them to decide to enter in the Lease Contract or this Addendum.

   i. You must refer to the actual insurance policy or certificate for a complete description of the coverage, as this Addendum only provides a general summary. If you have an annual renter's insurance policy and decide to switch to the insurance program offered by our preferred insurance provider, please compare the terms of coverage between the two policies, as not all policies are the same and coverage may differ.

   j. By signing this Addendum, you consent to receive communications from the insurance company via email, text, or other electronic means with respect to insurance related matters.

By signing below, you acknowledge and agree to be bound to the terms of this Addendum.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests and invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

UTILITIES WAIVER

This document is an addendum to the California Lease Agreement dated **May 28, 2024** between **Juana Serrate Navas and Hilario Arias Rivas** and **Woodland Park** for the Unit #**15** located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to allow my community to track our whole building utility data, which will be used to determine what upgrades can be done to reduce utility expenses in each unit, I hereby grant authority for **Woodland Park Property Owner, LLC doing business as Woodland Park Communities**, the owner of **Woodland Park** to obtain the usage and utility detail for my utility accounts during my tenancy at this location for the sole purpose of benchmarking through the Energy Star® Portfolio Manager system. In order to do this, I agree to grant my Landlord the right to sign my account up to electronically receive utility data, where necessary, and to receive my account details as necessary to accomplish such benchmarking. Where available, such details will be collected in aggregate so that no unit information is available, and no unit information will be distributed except as required by law, nor used for any **marketing** purposes.

Therefore, I hereby authorize any utility provider serving my Premises, located at **301 E okeefe St #15, East Palo alto, CA 94303** to provide such utility details and history about the accounts tied to my Premises upon request through the term of this Lease, and including up to the 24 months prior to the signing of this agreement.

I understand that by signing below I am waiving my right to privacy, both actual and perceived, under Federal, State and Local statutes regarding the release of my utility data and agree to hold all parties involved harmless from any potential right to privacy violations.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **June 1, 2024**, by and between **Woodland Park** (hereinafter referred to as "Lessor"), Lessor of the apartment complex in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, and **Juana Serrate Navas and Hilario Arias Rivas** (hereinafter referred to as "Lessee"), in connection with the Apartment Lease Agreement (the "Lease") between Lessor and Lessee for: **Woodland Park** (the "Premises").

1. **Security Deposit.** Lessor hereby acknowledges receipt from Lessee of the sum of: **$2,600.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Lessor will hold the Security Deposit for the faithful performance by Lessee of his/her obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after its surrender.

2. **Refund of Security Deposit.** Lessor shall deduct from the Security Deposit all monies expended as a result of any breach of the lease or this agreement, including but not limited to the following:
   - **A.** Vacate completely the entire Premises by Lessee on or before the date specified in the required written **30 day** move-out notice.
   - **B.** Expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - **C.** Payment by Lessee of all rental required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - **D.** The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) and including all baths, closets, storage areas, patios/balconies, etc. have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - **E.** No defects or damage to the Premises, whether caused by Lessee, pets, or otherwise, unless shown on a written list of damages and defects signed by Lessee at the commencement of the Lease term.
   - **F.** Observance and performance by Lessee of all of the other covenants and obligations to be kept or performed by Lessee under the Lease up to and including the date of expiration or termination of the Lease term.
   - **G.** Observation and performance by Lessee of all rules and regulations to be kept and performed by Lessee under the Lease, including, without limitation, those rules and regulations pertaining to pets.
   - **H. LESSEE has given LESSOR thirty days written notice prior to the date of expiration or termination of the term of the Lease.**
   - **I.** Lessee has provided Lessor with a written copy of the forwarding address of Lessee.

3. **Deductions.** Within twenty-one (21) days after Lessee has vacated the Premises, Lessor shall furnish Lessee with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Lessee.

4. **Move-Out Procedures.** When Lessee moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Lessee have been removed. Lessee should accompany Lessor during said inspection to help resolve any problems that may arise. Failure of Lessee to do so shall constitute a concurrence by Lessee in Lessor's assessment of charges for damages or cleaning. After inspection by Lessor, appropriate charges will be assessed by Lessor for any missing items; damages or repairs to the Premises, or its contents (normal wear and tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets and/or furniture; and for cleaning the Premises (including all kitchen appliances). Lessee shall be charged for each unreturned key (mail-box key and garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Lessor.

Any security deposit shall be held by the Landlord for Resident who is party to the Lease. The claim of a Resident to the security deposit shall be prior to the claim of any creditor for the Landlord. **(Civil Code Section 1950.5(d)).**

From the time of the Pre Move-Out Inspection until the termination of the tenancy, the Resident may remedy the deficiencies identified in a manner consistent with the rights and obligations of the Parties under the Lease, in order to avoid deductions from the security deposit.

The law allows the Landlord to use the security deposit for legal deductions itemized in this statement that are not corrected by the Resident prior to the termination of tenancy or that were not identified during the time of the Pre Move-Out Inspection and for damages to the Premises/Community. A final itemized statement will be provided to Resident.

RENTAL AGREEMENT

SECTION HEADINGS: The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause. X n a

1. This Rental Agreement (hereinafter "Agreement" or "Lease") is entered into this 1 **day of** March, **2** 015, **between** Nilda Alvarado, **as an authorized agent for Newlands Enterprises, LLC, the owner of the Premises, (hereinafter "Landlord") and the following individuals, jointly and severally:** Emily Dimitri Angel Pasto **(hereinafter collectively "Resident(s)"). Together Resident(s) and Landlord are referred to herein as the "Parties").** X n a

2. Leased Premises: Landlord rents to Resident(s) the premises located at: 301, East Okeefe East Palo Alto **Apartment #** 16, San Mateo **County, California,** 94303. (hereinafter "Premises") which is located within the Apartment Community, commonly known as Kayu Apartments (hereinafter the "Apartment Community" or "Property") **for use as a residence and for no other purpose.**
X n a

3. Term: a. Original Term. This Agreement shall be **month to month**, terminable by either party on thirty (30) days written notice pursuant to California Civil Code Section 1946. The term shall commence on: March 01, 2015 (hereinafter "Commencement Date").
b. Delay of Possession. Resident(s) understands that for reasons beyond the control of Landlord, Landlord may not be able to provide occupancy to Resident(s) on the Commencement Date if, for example, a former tenant of the Premises who has given notice to leave cancels the notice or fails to leave by the scheduled date. If, for any reason, Landlord is unable to provide occupancy to Resident(s) by the scheduled Commencement Date, Resident(s)'s only remedy in this event shall be limited to termination of this Agreement and Resident(s) shall be entitled to a prompt refund of any monies paid. **Landlord shall have no liability to Resident(s) if there is a delay of possession other than to refund any monies paid.**
X na

4. RENT: a. Resident(s) shall pay to Landlord, as rent for the Premises, the sum of $ 1,800.00 each month **in the form of Money Order or Cashier's Check. (Personal or Business checks are NOT an acceptable form of payment).** X n a
b. The name, telephone number, and address of the person or entity to which rent payments shall be made is: **Newlands Enterprises, LLC. (916) 368-7001. 10515 Mills Tower Dr. #17 Rancho Cordova, CA 95670.**
X n a
c. Said sum shall be paid in full, in advance, on or before the first day of each month in the form of Cashier's check or money order except as otherwise provided in this Lease or if Landlord agrees, in

writing, in advance, to waive this requirement. If Landlord serves Resident(s) with a three-day notice to pay rent or surrender possession, **which Landlord may do on any date after the first day of the month,** any payment tendered following service of said notice must be in the form of a cashier's check or money order. If any check given by a Resident(s) is, for any reason whatsoever, returned unpid by the bank upon which it is drawn, all subsequent payments for the rest of the Resident(s)'s occupancy of the Premises (including payment necessary to replace the dishonord check and any fees) must be in the form of cashier's check or money order unless Landlord agrees, in writing, in advance, to waive this requirement.. X na →
d. It is the Resident(s)'s responsibility to be certain that each payment is actually received by Landlord on or before its due date. X na
The usual days and hours when rent payments may be made personally are Monday through Friday, 9am to 5pm. X na →

5. LATE CHARGE AND NSF CHARGE: Landlord and Resident(s) agree that when Resident(s) fails to pay rent on time, or when Resident(s) pays rent by a check which is subsequently dishonored by the bank, landlord incurs fees due to the cost of the actual late payment or the actual fee of the dishonored check, these certain costs include but are not limited to additional bookkeeping and administrative charges, bank charges. Lost opportunity cost of late payment, etx. After making a reasonable endeavor to estimate accurately the approximate costs associated with these breaches, which the Parties agree are difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the fifth (5th) day of such month, Resident(s) will in that month pay to the Landlord, as an additional rent due with the late payment, a late charge in the sum of **$100.00** and further agree that, in the event of a dishonored check, resident(s) will pay to Landlord, as additional rend due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00.** The Parties agree that the payment of these sums does not sonstitute a license to pay rent late nor does it constitute a license to pay by dishonored check, at any time during the Term of this Agreement. ***Rent remains due on the first (1st) day of the month and there is no grace period for the payment of rent.*** X na
A three day notice to pay rent or quit may be served at any time after the first day of the month iffespective of the existence of the late charges as set forth in this paragraph. If such notice is served after the fifth (5th) day of the month it may include the late charge and/of NSF charge, if applicable, with charges, as set forth above, payable as additional rent in that month. X na

6. RENTAL PRO-RATION: Resident(s) shall pay to the Landlord, before taking occupancy of the Premises, one full month's rent in addition to a security deposit (discussed in Paragraph 7 below). If Resident(s) takes occupancy of the Premises on a day other than the first day of the month, Resident(s) shall also pay the sum of $_____before taking occupancy of the Premises, as and for the pro-rated amount of rent to cover the period through the final day of the second calendar month of occupancy. Commencing with the following month a full month's rent shall be due each month on or before the first day of the month as stated above. In the event of a conflict between the amount set forth in this paragraph and the amount which an arithmetic computation would yield based upon the rental rate set forth above divided by thirty, with the result multiplied by the number of days in the pro-ration period, the amount determined by said arithmetic computation shall govern (*I.e, if the amount set forth in this paragraph is computed incorrectly, any such arithmetic error shall not be binding-the amount owing shall be the amount resulting from a correct arithmetic computation of the pro-ration).* X na
In all instances where a pro-rated amount of rent is computed during this tenancy, a thirty day month shall be assumed irrespective of the actual number of days in the month for which the pro-ration is computed.
X na

7. SECURITY DEPOSIT: **a.** Resident(s0 shall pay to Landlord, as security, the sum of $ 1000, in the form of money order or cashier's check, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. And any other applicable statutes. Landlord shall not be obligated to pay Resident(s) interest in conneciton with such security deposit, unless specifically required by applicable

law. Resident(s) agrees there will be a move-in inspection and a move-out inspection in order to complete a checklist. Any damages to the property shall be deducted from the Resident(s) Security deposit and if damages exceed the amount of Security Deposit, balance is payable to Landlord, and due before move-out of Resident(s). Any balance unpaid after move-out may result in legal actions, at option of Landlord. Any cleaning costs, key replacement, and any other costs legally allowable under the terms of this Agreement shall be deducted frim the Resident(s)'s security deposit. Resident(s) agrees to a quarterly survey of the property. Resident(s) agrees and understands that carpets will be professionally cleaned upon move-out and deducted from the Security Deposit (Landlord will schedule the carpet cleaning with a company of the Landlord's choice). A written accounting of said charges shall be presented to Resident(s) within twenty-one (21) business days of move-out. **Resident(s) agrees that the Security Deposit will not be applied as payment of the last month's rent.** X n a

b. it is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents vacate the Premises. It shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually (which need not be done until the statutory time has elapsed, after all Residents have vacated the Premises), in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or grounp of Residents for failure of any Resident to divide such refund equitably. X n a

c. If the Security Deposit is later increased by agreement of the Parties for any reason (such as installation of satellite dishe, a waterbed or relating to a pet), the additional Security Deposit will be disbursed by Landlord in accordance with this paragraph at the end of the statutory period following the end of Resident(s)'s tenancy. Removal of the pet, satellite dish or waterbed or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit. X n a

8. MOVE-IN PAYMENT: Resident(s) shall pay to Landlord $ 1,800— at the time of move-in. This amount is composed of the following sums: $ 1,800— as the first month's rent. $ 1000 as the Security Deposit, $ N/A as the Pet Deposit (with written permission from Landlord), and $ 1,800— as the advance payment of rent for the period 3-1 through 3-31. Landlord may, at Landlord's option, require that this entire sum be paid in the form of cashier's check or money order. If Landlord accepts a personal or other non-certified check and the check is, for any reason whatsoever, returned unpaid by the bank upon which it is drawn, the entire amount shall immediately become due and payable and shall be considered rent so that Landlord may sere a three day notice to pay rent or quit for the entire amound, and if Resident(s) does not comply with said notice, Landlord may utilize unlawful detainer procedures to evict Resident(s) from the Premises. X n a

9. UTILITIES AND PLUMBING: Unless a separate utility addendum is executed between the Parties modifying this paragraph, **payment of all utilities charges shall be the responsibility of Resident(s)** with the exception of Water, Sewer, Trash, PG&E, Landscape, Pool Services, which shall be the financial responsibility of the Landlord, Resident(s) shall not make excessive or unreasonable use of such utilities, Landlord may bill Resident(s) for such excessive or unreasonable use and said biling shall become due and payable, in full, as additional rent together with the regular monthly rental payemt on the first day of the month next following the date of such billing. In the event os a dispute as to any such charges, Resident(s) shall pay the disupted amount as required, but may file a Small Claims Court action for a refund, and if such Court determines that the amound charged by Landlord is excessive, Landlord shall promptly refund any such overcharge. For any utility which Resident(s) is responsible for paying directly to the utility provider, Resident(s) must contact the utility company prior to move in to hae the services placed in Resident(s)'s name no later thatn three(3) business days following move-in. Resident9s) shall have utilities connected at all times during tenancy. **SMUD is to be in resident(s) name no later than (date)** 3/3/2015

X n a

Disconnection of utilities due to non-payment is a material violation of this Agreement and subject

to termination of tenancy. X n a

If Resident(s) fails to pay any utility charges thast are to be paid by Resident(s), Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident9s) by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly reantal payment on the first day of the month next following the date of such billing.

X n a

Resident(s shall not use any utilities in the common areas of the Property for their own personal use with out prior written consent of the Landlord. X n a

Any and all plumbing and/or sewage problems, caused by Resident9s) (including minors), and/or Resident(s) guests or invitees, is the sole financial responsibility of Resident(s) X n a

Misuese of plumbing and/or sewage includes, but not limited to, diapers, diaper wipes, feminine hygiene products, hair and hair products, paper towels, toys, silverware, glass, food, cooking and/or machine grease, etc... X n a

10. RECYCLING AND DISPOSAL OF RUBBISH: Landlord shall arrange for recycling services consistent with applicable law. Resident(s) agrees to cooperate in all recycling efforts and comply with applicable laws and Rules regarding recycling. **Not recycling is to be stored in the Premises or balcony/patio of Premises.**

X n a

Resident(s) shall deposit all garbage and wasted in a clean and sanitary manner inot the proper recepttacles and shall cooperate in keeping the gargage area neat and clean. Resident(s) shall be responsible for disposing of items of such size and nature as are not normally acceptable by the garbage hauler, at Resident(s)'s expense. X n a

No trash is to be stored in the Premises or on balcony/patio of the Premises. X n a

11. OCCUPANCY: The Premises shall be occupied only by the following persons:

Name_____Date of Birth_____ Name_____Date of Birth_____

Name_____Date of Birth_____ Name_____Date of Birth_____

Name_____Date of Birth_____ Name_____Date of Birth_____

No other persons have permission to occupy the Premises unless such permission is obtained in writing, in advance, and signed by Landlord or its authorized agent. Resident(s) shall not allow any other individual to reside in or on Premises, or allow any other individual to utilize the mailing address for said unit. X na

Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident(s) named above and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named above make any claim to right of possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident(s) and their claim to the right of possession shall be denied. Any person named above in this Paragraph who is not also named above as a Resident and/or who is not a signatory to this Lease shall be deemed to be invitees of the named Resident(s), who are signatories to this Lease. Accordingly, if any such individual is not named in any unlawful detainer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident(s) and does not have an independent claim to right of Possession of the Premises. **Resident(s) understand that in no event shall more than two (2) persons per bedroom plus one additional person occupy the premises.**

X n a

If the household composition changes such that the number of occupants exceeds this occupancy standard, Resident(s) agrees that such over-utilization shall be grounds for Landlord to terminate this Agreement,

solely at Landlords option. X n a

12. ASSIGNMENT AND SUBLETTING: Unless prohibited by local regulations, Resident(s) shall not assign this Lease nor sublet any part of the Premises. **Permitting any person not named as an occupant or as an Resident in this Lease as listed above to occupy the Premises shall be deemed an improper subletting of the Premises and will constitute a material breach of the Lease and shall subject the tenancy to termination of tenancy with a three-day notice to quit.** Any attempted subletting or assignment is in violation of this provision and shall be void and shall be grounds for Landlord to terminate this Agreement, solely at Landlord's option. X n a

13. ACCESS TO PREMISES: The Parties agree that upon advance reasonable written notice to Resident(s), unless otherwise agreed to by Resident(s), Landlord shall have the right to enter the Premises during normal business hours for the purpose of: (a) making desired, necessary or agreed repairs, decorations alterations, improvement, or renovations to the Premises, to an adjacent unit or for the benefit of the building in which the Premises is located; (b) supplying necessary or agreed services; (c.) showing the unit to prospective or actual purchasers, mortgagees, tenant, workmen, or contractors; or (d) for any other purposes permitted by California Civil Code Section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). The Parties hereby agree that twenty-four (24) hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period my also be reasonable under some circumstances. In the case of an emergency, or Resident(s)'s abandonment or surrender of the Premises, Landlord or its agent may enter the Premises at any time with out first securing Resident(s)'s prior permission. **Resident(s) agrees to permit Landlord access to the Premises in accordance with this paragraph. Resident(s) also agrees that if Resident(s0 denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice to quit.** X n a

14. RESIDENTIAL USE OF PREMISES: Resident(s) agrees that the Premises is rented for RESIDENTIAL USE ONLY and for no other purpose. Resident(s) shall not use the Premises as a business address, nor shall Resident(s) conduct business activities on the Premises. Conducting business activities includes, with out limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident(s) at the Premises, having business stationery setting forth the address of the Premises, or otherwise holding out the Premises as the address of any business. Resident(s) may, however, insofar as it is consistent with the restrictions set for the in this section, and with written consent of Landlord, use a portion of the Premises as a "home office." Nothing set for the herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally. X n a

15. COMPLIANCE WITH APPLICABLE LAWS: Resident(s) agrees not to permit the Premises to be used for any purpose which violates local, state or federal law, or engage in any illegal acts upon the Premises or upon the grounds of the Apartment Community. Resident(s) further agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident(s)'s violation of any statute, ordinance, regulation or other governmental restriction.
X n a .
To the extent any lease provision is require by statute or local ordinance, but not set forth herein or in addendum to this Lease, it is hereby inserted as an additional provision of this Lease, but only to the extend specifically required by applicable law interpreted as narrowly as possible and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.
X n a

Resident(s) is responsible for any fines, legal fees incurred by Landlord, or other costs occasioned by violations of the Law by Resident(s) (including minors), or Resident(s)'s guests or invitees in the Premises or on the Property of the Apartment Community while Resident(s) is in possession. If any such fines or costs are levied against Landlord, Resident(s) agrees to pay such fines or costs attributed to Resident(s)'s tenancy or conduct of Resident(s) (including minors), Resident(s)'s guests, invitees or others at the Premises upon receipt of an invoice from the Landlord. The obligation to pay fines and costs assessed against Landlord may be in addition to any fines or costs assessed directly against Resident(s). X n a

16. COMPLIANCE WITH RULES: Resident(s) acknowledges receipt of a copy of the Apartment Community Rules ("Rules"), which Rules are incorporated into and made a part of this Lease. **Resident(s) agrees to abide by said Rules in all respects.** X n a
Any Rules may be changed on Thirty (30) days' notice and Resident(s) agrees to abide by any such changes. **Failure to comply with the Rules shall be deemed a material violation of this Agreement and subject to termination of tenancy with a three-day notice to quit.** X n a

17. CONDUCT OF RESIDENT:

a. Resident(s) agrees not to harass, annoy, or endanger any other Resident, neighbor or other person or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other Resident, neighbor or other person, or commit waste in our about the Premises. X n a

b. Resident(s) further agrees not to harass, verbally abuse, denigrate or otherwise disrespect the Landlord's employees, agents and/or contractors or interfere with the operations of the Property or the work of the Landlord's employees or agents. X n a

c. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other Residents of the Property. These include, but are not limited to, the use, possession, manufacturing, or sale of illegal drugs or controlled substances (as defined in Section 1025 of the Controlled Substance Act (21 U.S.C. 802)).Resident(s) and members of the Resident(s)'s household **will not permit the dwelling unit to be used for, or to facilitate, criminal activity, including drug-related criminal activity, regardless of whether the individual engaging in such activity is a member of the household or guest.** Resident(s), any member of the Resident(s)'s household, or guest, invitee or other person under the Resident(s)'s control shall not engage in acts of violence or threats of violence, including but not limited to the unlawful discharge of firearms on or near the property/premises. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity.
X n a

d. Resident(s) additionally agrees not to deface or damage any part of the Premises or the Apartment Community or permit the same to be done or keep any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation in the Premises.
X n a

e. Resident(s) also agrees not to do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Owner or Apartment Community. X n a

f. Resident(s) is responsible for the conduct of his/her/their guest or invitees while they are on the Property as well as all household members (including minors). A Resident(s) conducting any of the activities set forth hereinabove, or who allows his/her/their guests, invitees or household members (including minors) to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement with a three-day notice to quit.
X n a

18. SMOKING

a. Resident(s) must comply with all applicable laws and Rules regarding smoking on the Premises. Landlord may change its Rules regarding smoking at any time by providing Resident(s) with thirty (30) days'

written notice. At the inception of this Agreement: **Smoking is permitted in any area where smoking is not prohibited by applicable law.** X n a

b. Landlord is not required to advise Resident(s) of any changes in the law with respect to smoking on the Property. Resident(s) is responsible for complying with all laws relating to smoking and thirty days' notice is not required if a policy change is implemented to comply with a new statute, regulation or ordinance.. The Parties agree to execute any addendum relating to smoking which may be required by law after the execution of this Agreement. X n a

c. Although smoking may be prohibited at various locations at the Apartment Community, Landlord does not provide or guarantee a smoke-free environment and nothing in this paragraph or any smoking addendum, if any, shall be deemed a guarantee of any kind that Resident(s) will not be exposed to smoke while on the Property and Landlord expressly denies any such assertion. X n a

d. To the extent smoking is allowed anywhere in the Apartment Community, Resident(s) who smoke, or allow smoking by their invitees or guests, must ensure the smoke does not disturb the quite enjoyment of other residents. Secondhand smoke may seep and drift through open doors, windows, and ventilation ducts which may constitute a disturbance to those residents who do not smoke, particularly those with health and allergy-related sensitivities. Pursuant to other provisions of this Agreement, Resident(s) is responsible for the conduct of guests and invitees while they are on the Property. Violation of this provision may result in the immediate termination of this Agreement as provided in this Lease and by law.

X n a

e. Resident(s) agrees to dispose of all cigarette butts in appropriate receptacles. Cigarette butts are not to be flushed down toilets, put down drains, or left on the grounds of the Apartment Community.

X n a

f. Resident(s), guests and invitees agrees to **NOT** smoke in bed. X n a

19. MILITARY TRANSFER If Resident(s) is or becomes a member of the Armed Forces on extended active duty, a member of the State National Guard serving on full-time duty, or a civil service technician with a National Guard unit, and received change-of-duty orders to depart from the local area for longer than ninety (90) days, or is relieved from such duty, Resident(s) may terminate this Lease by giving thirty (30) days prior written notice to Landlord, provided Resident(s) is not otherwise in default. As a condition to such termination, Resident(s) will furnish Landlord with a certified copy of the official orders which warrant termination of this Lease. Military orders authorizing base housing in the local area in which the Premises is located do not constitute change-of-duty under this paragraph. X n a

20. LIQUID-FILLED FURNITURE AND AQUARIUMS: Waterbeds and other liquid-filled furniture are allowed only under the regulations of California Civil Code Section 1940.5, which requires proper insurance coverage for waterbeds. A certificate of insurance evidencing waterbed coverage must be provided to Landlord prior to Resident(s) bringing any liquid-filled furniture into the Premises. Resident(s) must provide Landlord with at least twenty-four (24) hours' written notice prior to the installation, removal or movement of any liquid-filled furniture and Landlord has the right to be present at the time of such installation, removal or movement. Installation, movement and removal must be done in accordance with standards set by the manufacturer, retailer, or state law, whichever provides the highest degree of safety. No aquariums over 5 gallons are permitted with out prior written consent of Landlord. If Resident(s) installs any liquid filled furniture, the Security Deposit shall be increased by **$300.00**, which in no event shall be more than one-half of one month's rent. X n a

21. CONDITION OF PREMISES-ALTERATIONS: Resident(s) has inspected the Premises and acknowledges that the Premises is in good and habitable order and repair at the time Resident(s) is given occupancy. X n a

Resident(s) agrees not to make any alterations or improvement to the Premises without the prior written consent of the Landlord. All additions, fixtures and improvements shall be Landlord's property and shall

remain upon the Premises after the termination of the Lease unless Landlord, as a condition of allowing Resident(s) to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition. Resident(s) agrees not to install additional or different locks or gates on any doors or windows of the Premises without written permission of Landlord. If landlord approves Resident(s)'s request to install such locks, Resident(s) agrees to provide Landlord with a key for each lock. X na

22. DUTY TO CLEAN AND VENTILATE: Resident(s) hereby acknowledges that mold and mildew can grow in the Premises if the Premises is not properly maintained and ventilated. Resident(s) acknowledges that it is important the Resident(s) regularly allow air to circulate in the Premises. Resident(s) agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow if even a small amount of moisture builds up, Resident(s) also agrees to clean all toilets, sinks, countertops, showers, bathtubs, and tile or linoleum floors with house hold cleaner on at least a bi-weekly basis. Resident(s) further agrees to notify Landlord immediately whenever Resident(s) learns of any condition which could lead to a build up of moisture in Resident(s)'s apartment, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater, or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors or windows and/or any failure or malfunction in the heating, ventilation, or air-conditioning system in the Premises. Resident(s) agrees to keep the unit free of dirt and debris that can harbor mold or mildew. Resident(s) agrees to notify Landlord, in writing, of overflows from bathroom, kitchen, or unit laundry facilities, especially in cases where the overflow may have permeated walls or cabinets. Resident(s) agrees to allow the Landlord to enter the unit to inspect and make necessary repairs. Resident(s) agrees to use bathroom fans while showering or bathing and to report to the Landlord, in writing, any non-working fan. Resident(s) agrees to use all reasonable care to close all windows and other openings in the Premises to prevent outdoor water from penetrating into the interior unit. Resident agrees to clean and dry any moisture on windows, window sills, walls, floors, countertops, and other surfaces including personal property, as soon as reasonably possible. (Note: Mold and mildew can grow on damp surfaces with in 24 to 48 hours). **Resident(s) agrees to indemnify and hold harmless the Landlord/Owner/Agent from any actions, claims, losses, damages, and expenses, including but not limited to, attorneys' fees that the Landlord/Owner/Agent may sustain or incur as a result of the negligence of the Resident(s) or any guest or other person living in, occupying, or using the Premise.** If Resident(s) notices mold, mildew or other organic growth in the Premises, Resident(s) agrees to notify Landlord, in writing, immediately. **Any failure to comply with the requirements of this paragraph shall be deemed a material breach of this Lease. In addition, Resident(s) shall be liable to Landlord for any damage resulting from Resident(s)'s failure to comply with the requirements of this paragraph.** X na

23. PACKAGE RELEASE: Resident(s) gives Landlord and its agents permission to sign for and accept any parcels or letters that may be sent to Resident(s), whether anticipated or unanticipated, through UPS, Federal Express, Airborne, USPS, hand deliveries, or the like. Landlord does not accept any responsibility or liability for any lost, damaged, or unordered deliveries and Resident(s) agrees to hold Landlord and Landlord's agents harmless from any loss or damage to any of Resident(s) packages. **Nothing in this paragraph, however, obligates Landlord to accept any packages on behalf of Resident(s) and Landlord may choose not to do so.** X na

24. PARKING: The Apartment Community off street parking is for Resident parking only. Parking permits are required on all vehicles parked on property. Parking permits are available in the Apartment Community Office. X na
Guests and invitees are to be instructed to park on the street. X na
Remote Gate controls are needed to enter and exit the main parking lot. Remote Controls are available in the Babu's Villa Apartments office for a deposit of $25.00. X na

Landlord shall not be liable for any damage or loss to motor vehicles of, or the contents of motor vehicles of, Resident(s) and/or Resident(s)'s guests or invitees. X na
Failure of Resident(s) or Resident(s)'s guests or invitees to follow Rules and/or posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner(s). X na
In the event a vehicle is towed, all fees, not limited to towing, storage, citations, and the like, are the responsibility of the vehicle owner(s). Landlord shall not be liable for any fees related to towing of vehicle(s). X na
Number of parking spaces assigned to Resident(s)'s unit_____. Only one vehicle may be parked in each parking space. X na
Only currently registered vehicles may be parked on the property.
X na
Any vehicle that lacks an engine, transmission, wheels, tires, doors, or any other major part or equipment necessary to operate safely on the highways, is subject to tow under California Vehicle Code 22658. Vehicles parked in violation of local laws/ordinance are subject to tow at owner's expense. X na

25. PESTS AND PEST CONTROL:

a. California law requires that an Owner/Agent/Landlord of a residential dwelling unit provide each new Resident(s) a copy of the notice provided by a registered pest control company if a contract for periodic pest control service has been executed. Pursuant to applicable law, concurrently with signing this lease, you are being provided with a copy of the legally required notice provided by the registered pest control company.
X na
b. Resident(s) and Landlord both have inspected the Premises prior to leasing and acknowledge there is not visible evidence of the presence or infestation of insects or vermin including bedbugs in the Premises. Resident(s) agrees to inspect all personal belongings for signs of bedbugs and other insects or vermin prior to bringing personal belongings into the apartment and further agree not to bring into the Premises any belongings which Resident(s) suspects may be infested with bedbugs, insects or other vermin.
X na
c. Resident(s) agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with Rules and other policies relating to the prevention of infestations. Resident(s) further agrees to report any signs of bedbugs, ants, fleas, roaches or other insects or vermin immediately to Landlord. X na
d. If Resident(s) allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, **or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident(s) will be responsible for all costs of treatment to the Premises, their personal belongings and surrounding units as necessary to eradicate the infestation.** The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor. X na
e. It is our goal to maintain the highest quality living environment for out Resident(s). the Landlord has inspected the unit prior to lease and knows of NO bedbug infestation. Resident(s) have an important role in preventing and controlling bed bugs. While the presence of bed bugs is not always related to personal cleanliness or housekeeping, good housekeeping will help control the problem by identifying bed bugs, minimizing an infestation, and limiting its spread. It is important to underscore that travelers are mainly responsible for the transfer of bed bugs. X na
Resident(s) represent(s) that all furnishings and other personal property that will be moved into the unit free of bedbugs. X na
f. Resident(s) agrees to cooperate with all pest control efforts at and within the Premises and the Property. Resident(s) shall follow **all** instructions from Landlord and/or Landlord's pest Control Company with respect to treatment and eradication whether infestation is in the Resident(s)'s unit, another unit or elsewhere on the Property. **Resident(s) agrees that any non cooperation with all instructions from Landlord and/or Landlord's pest control company will result in a $25.00 service call fee, Resident(s) agree to pay said**

fee with the following month's rent. X n a

26. EMINENT DOMAIN OR CONDEMNATION: Should the land whereon the building containing the Premises is situated, or any part thereof, or any portion of the Apartment Community, be condemned or taken for public use, then, in that event, upon the taking of same for such public use, this Lease, at the option of the Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. **Resident(s) shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.** X n a

27. SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:

a. If the Premises or Property are damaged by fire, flood or other casualty, necessitating repairs that require Resident(s) to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option **either** (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, **or** (2) give notice to Resident(s), at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. **Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident(s).** X n a

b. If Landlord elects to terminate, this Agreement shall expire and all interest of the Resident(s) (including minors) in the Premises shall terminate and Landlord shall have no obligation to pay lodging, hotel, motel costs or other expenses to Resident(s) (including minors), guests or invitees, after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Agreement in full force and effect, the "Duty to Cooperate" and "Significant Repairs" provisions of the Agreement shall apply. X n a

28. SIGNIFICANT REPAIRS:

a. If the Premises requires significant renovations, improvements, or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident(s) to vacate the Premises for any length of time, Resident(s) must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, landlord shall give Resident(s) at least twenty-four (24) hours written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time landlord anticipates Resident(s) will need to be absent from the Premises. X n a

b. Resident(s) agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident(s) needs to be absent from the Premises for more than eight (8) hours in any twenty-four hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident(s) will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident(s) elects to relocate temporarily to lodging other than designated by Landlord, then Landlord shall have not obligation to pay the cost of such housing, which shall be at the Resident(s)'s sole cost and expense; although Resident(s) shall have no obligation to pay rent during the time the Premises is not available to Resident(s) during the repairs if Landlord is not paying for the alternative lodging, except as provided below. X n a

c. If the work or repairs are required because of the conduct of Resident(s) or the conduct of Resident(s)'s household (including minors), invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident(s) shall remain responsible for both rent and the cost of alternative lodging during the time when Resident(s) (including minors), guests and/or invitees must vacate the Premises for any work to be completed.

X n a

29. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations, extermination, or other improvements at the Property is a material and incurable breach of this Lease and grounds for termination of this Agreement with service of three-day notice to quit.

X n a

30. SAFETY CONCERNS:

a. Landlord makes no representations or guarantees to Resident(s) (including minors), Resident(s)'s guests or invitees concerning the security of the Premises or the Apartment Community. Landlord is under no obligation to Resident(s) (including minors), Resident(s)'s guests or invitees to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. All such systems are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. **Resident(s) is responsible for planning and taking action with respect to the safety of Resident(s) (including minors) Resident(s)'s guests and invitees and their property** as if such systems and deterrents did not exist. X n a

b. Landlord may install surveillance cameras in some of the common areas of the Property. These cameras may or may not be monitored and the footage may or may not be recorded by these cameras and the footage may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident(s).

X n a

c. Landlord has not obligation to obtain criminal background checks on any Resident(s) and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident(s) shall not rely on the fact that Landlord may have run a criminal background check on Resident(s) or any other applicant when deciding whether to enter into this Agreement. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Apartment Community or that someone living on the Property will not commit a crime in the future. Landlord ahs not made and does not make any representations as to the background of any existing or future Resident and Landlord is under no obligation to run background checks on any existing Resident or future applicant. X n a

d. Resident(s) agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident(s) receives a copy of any law enforcement agency's incident report for an incident that occurred on the Property and said incident impacted the Premises, the Property or other residents at the Property, Resident(s) shall provide a copy of said incident report to landlord upon request. X n a

31. MEGAN'S LAW DATABASE:

a. NOTICE: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides. X n a

b. Since the information is equally available to Resident(s) and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 *et seq.*, Landlord has not made an inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident(s) are advised to make whatever reasonable and lawful actions Resident(s) believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with diminished capacity about how to deal with strangers and similar topics. **Resident(s) is advised that Landlord may not notify Resident(s) if Landlord learns or is advised that a registered**

sex offender is living in the Apartment Community. The existence of registered sex offenders in the Apartment Community is not grounds for terminating this Agreement. X na

32. LIABILITY: Landlord shall not be liable to Resident(s) (including minors) or any guests or invitees of Resident(s) for any damage or losses to person or property arising from any cause including, but not limited to, theft burglary, assault, vandalism, fire, flood water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. X na

33. RENTER'S INSURANCE: Landlord does not provide insurance for Resident(s)'s personal property or automobile. Renter's insurance is designed to provide Resident(s) with reimbursement for loss, damage or destruction of their property, as well as coverage for additional living expenses incurred if the Premises, for example, become uninhabitable as a result of a fire. Such insurance can also protect Resident(s) from any liability claims resulting from their own personal activities. For example, if Resident(s)'s negligence causes a fire, Resident(s) may be held responsible for the damage of the property of others, including Landlord's property. X na
Resident(s) is REQUIRED to obtain renter's insurance in an amount sufficient to cover all personal possessions of Resident(s) together with reasonable level of liability coverage of the actions of Resident(s), house hold members (including minors) or Resident(s)'s guest(s) or invitee(s). Resident(s) shall provide proof of insurance to Landlord at commencement of this Lease Agreement. X na

34. INDEMNITY/HOLD HARMLESS: Resident(s) agrees to indemnify and hold harmless, the Landlord, their officers, directors, employees and agents from and against any and all claims, liabilities, damages, cause of action, losses, costs and expenses or liability of any nature, including death or injury to any person, property damage or any other loss caused by or arising out of Resident(s) (including minors), Resident(s)'s guest(s), invitee(s)or subtenant(s)' negligent acts, errors, or omissions, or willful misconduct, or conduct for which applicable law may impose strict liability on Landlord in the performance of or failure to perform its obligations under this Lease Agreement. X na

35. PETS: NO dogs, cats, animal, fowl, fish, reptile, and/or pets of any kind are permitted on the premises, for any amount of time, without the prior written consent of the Landlord. In the event that written consent is given by Landlord, an additional deposit of $400.00 will be collected.
X na
Any such consent may be revoked at any time, with our without cause, by giving thirty (30) days' written notice. X na
In the event of default by Resident of any terms in this paragraph, Resident agrees, within three days after receiving written notice of default from Landlord, to cure the default or vacate the Premises. X na
Except to the extent written permission is given; **pets may NOT be brought upon the Premises, whether such pets belong to Resident(s) or to another person. The presence of any pets as to which written permission has not been given and is not currently in force, even if such pets are "just visiting," shall be deemed a material and incurable breach of this Lease and shall be cause for the service of a three-day notice terminating the tenancy.**
X na
This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Property should contact Landlord, before bringing the animal onto the Premises and request accommodation to this lease provision. All accommodation requests will be processed in accordance with applicable laws. X na

Regarding Pet(s), IN THE EVENT OF WRITTEN CONSENT FROM LANDLORD: Resident(s) agrees to comply with all applicable ordinances, regulations and laws governing pets.
X n a

Resident(s) agrees to provide proof of vaccinations, license and registration for the City of Rancho Cordova and County of Sacramento no later than 5 business days from the commencement of this Lease. X n a

Resident(s) agrees that Pet will not be permitted outside Resident(s)'s unit unless restrained by a leash. X n a

Resident(s) agrees that Use of grounds or premises for sanitary purposes is prohibited. Any "mess" created by Pet shall immediately be cleaned up by Resident(s). Resident must provide and maintain an appropriate litter box, if applicable. X n a

Resident(s) agrees that Pet MUST be neutered. X n a

Resident(s) agrees that Pet shall not be fed directly on the carpeting or wood flooring in the unit.
X n a

Resident(s) shall prevent fleas, ticks, or other infestation of the rental unit or other property of Landlord, and may be held liable for costs associated with any necessary remediation.
X n a

Resident(s) agrees that Resident(s) shall not permit, and represents that Pet will not cause any damage, discomfort, annoyance, nuisance or in any way inconvenience, or cause complaints, from any other Resident(s), guest, or public. X n a

Resident(s) shall be liable to Landlord for all damages or expenses incurred by or in connection with Pet, and shall hold Landlord/Owner/Agent harmless and indemnify Landlord/Owner/Agent for any and all damages or costs in connection with Pet(s) owned or brought to Premises/Property by Resident(s), guest(s) and/or invitee(s). X n a

Resident(s) also agrees to carry insurance deemed appropriate by Landlord to cover possible liability and damages that may be caused by such Pet(s). X n a

36. SMOKE DETECTOR AND CARBON-MONOXIDE DEVICES: Resident(s) acknowledges that the Premises is equipped with operable smoke detector(s) at the time Resident(s) took possession of the Premises. Resident(s) acknowledges the smoke detection device(s) was/were tested and its operation explained by Landlord in the presence of Resident at time of initial occupancy and the detector(s) was/were operating properly at the time. X n a

Resident(s) agrees to perform the manufacturer's recommended test at least once a week to determine if the smoke detector(s) are operating properly. X n a

Resident(s) agrees to not interfere with the presence or operability of such smoke detectors and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. X n a

In accordance with California law, Resident(s) shall allow Landlord access to the Premises for that purpose.
X

Resident(s) understand that the smoke detector is battery operated. X n a

Resident(s) further agrees that, if the smoke detector(s) is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident(s) assumes responsibility to:
(a) Ensure the battery is in operating condition at all times. X n a
and (b) replace the battery as needed. X

Under no circumstances shall Resident(s) remove the battery of a smoke detector without immediately replacing the battery with a new one.
X n a

If a carbon-monoxide device has been installed within the Premises, Resident(s) acknowledges that the carbon-monoxide device was operable at the time Resident(s) took possession of the Premises.
X n a

Resident(s) is responsible for notifying Landlord if Resident(s) becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or

inoperability in the carbon-monoxide device. Resident(s) agrees to not interfere with the presence or operability of any carbon-monoxide device. X na
Resident(s) further agrees that if the carbon-monoxide device(s) is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, **Resident(s) assumes responsibility to: (a) ensure the battery is in operating condition at all times;** X na **and (b) replace the battery as needed.** X na
Under no circumstances shall Resident(s) remove the battery of a carbon-monoxide device without immediately replacing the battery with a new one.
X na

37. SATELLITE DISHES: Resident(s) agrees to NOT install any satellite dishes on the Property or in the Premises or on the balcony/patio.
X na

38. POLITICAL SIGNS: Resident(s) agrees to NOT post any political signs.
X na

39. PROPOSITION 65 WARNING: The Premises as well as the common areas in and around the Apartment Community contain at lease one chemical(s) known to the State of California to cause cancer or reproductive toxicity and for which warnings are now required. These chemicals include, but are not limited to: tobacco, smoke, lead and lead components, asbestos, carbon monoxide, and gasoline components. More information on specified exposures is available at www.prop65apt.org. California Health & Safety Code Section 25249. X na

40. ASBESTOS DISCLOSURE, OPERATION AND MAINTENANCE PROGRAM:
Applicable only if checked here [X] *(must be checked if building is constructed prior to 1981 or if Landlord knows or believed there is asbestos on the Premises.)*
a. Asbestos is a mineral on the list of chemicals known to the State of California to cause cancer. Asbestos is present in the strayed-on acoustic ceiling material (which has a "cottage cheese" appearance) in the Premises and in hallways and other areas in the building in which the Premises is located. Asbestos may also be present in other materials in the Premises and the building, including the insulation fireproofing and floor tiles.
b. Landlord has instituted operations and a maintenance program directed at maintaining the Premises in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimized disturbance or damage to asbestos-containing material; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. Now matter how small the percentage of such material may be, Resident(s) (including minors) and Resident(s) invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program including, without limitation the following:

i. Hazardous materials: Resident(s) shall not take or allow any action which in any way damages or disturbs all or part of the ceiling or floor tiles in the Premises, including, but not limited to: piercing the surface of the ceiling or floor tiles by drilling or any other method; hanging plants, mobiles or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling;

ii. Resident(s) shall notify Landlord immediately in writing (a) if there is any damage or deterioration of the ceiling or floor tiles in the Premises, including without limitation, loose, cracking, hanging or dislodged material, water leaks, or stains in the ceiling or floor tiles; or (b) upon the occurrence of any of the activities described in the preceding paragraph.

41. LEAD-BASED PAINT DISCLOSURE AND WARNING:

Applicable only if checked here [X] *(must be checked if building is constructed prior to 1978 or if Landlord knows or believes there to be lead-based paint on the Premises.)*

a. Lead Warning Statement. Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead based poisoning prevention.

b. Landlord's Disclosure *(check appropriate box or boxes).*

[X] **Landlord has no knowledge of lead-based paint and/or lead-based paint hazards in the Premises.**

[X] **Landlord has no reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises.**

[ ] Landlord knows that lead-based paint and/or lead-based paint hazards are present in the Premises (explain)._____

[ ] Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has provided Resident(s) with all available records and reports or made such records and reports available to Resident(s)'s upon Resident(s)'s request. *(List documents)*_____

c. Resident(s)'s Acknowledgment *(check all that apply)*

[ ] Copies of all information listed above, if any, have been made available to Resident(s) upon request.

[ ] Resident(s) have received copies of all information listed above, if any.

[X] Resident(s) have received the pamphlet *Protect Your Family from Lead in Your Home.*

42. MISSTATEMENTS ON APPLICATION: Resident(s) has completed an application in connection with securing this Lease. Landlord has relied upon the statements set forth in said application in deciding to rent the Premises to Resident(s). **It is agreed that, if Landlord subsequently discovers any misstatements of fact in the Resident(s)'s application, any such misstatements shall be deemed a material and incurable breach of this Lease and shall entitle Landlord to serve Resident(s) with a three-day notice terminating tenancy.**

X na

43. EVENTS OF DEFAULT: Resident(s) shall be guilty of material breach of this Agreement, and subject to termination of tenancy with a three-day notice to quit,

if Resident(s): (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; X na **(b)** defaults in performance of or breach of any other provision, term, covenant or condition of this Lease; X na **(c)** vacates or abandons the Premises before expiration of the full term o this Lease, or any extension of the term; X na **(d)** sublets or attempts to sublet this Lease; **(e)** permit's the leasehold interest of Resident to be levied upon or attached by process of law; or X na **(f)** makes an assignment for the benefit of creditors. X na

44. WAIVER: Landlord's failure on any occasion to require strict compliance with any provision of this Lease or to exercise any right arising under this Lease shall not be deemed a waiver of Landlord's right subsequently to enforce any such provision or to insist upon any such right. X n a
The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment of rent or to exercise any remedy available for late payment of rent. X n a
Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease. X n a

45. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.
X n a

46. DISCLOSURE REGARDING OWNER/MANAGEMENT: Pursuant to Civil Code Section 1962(a) (1), the current on-site manager (_____) is authorized to manage the Premises. The telephone number and street address at which personal service may be affected on this person(s) is.
Off-Site Manager(s): **Kamilia (Emily) Dimitri, Angel Rosales, John Halwani 650-369-6309. 3250 Middlefield Road, Menlo Park, CA 94025.** X n a

47. NOTICES: Any notice that Landlord gives to Resident(s) shall be deemed **properly** served (whether or not actually received by Resident(s)) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but **Resident(s) actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served.** Service upon any of the residents of the Premises shall be deemed valid service upon all Residents-it is not necessary to serve each Resident individually unless otherwise required by law.
X n a

48. ATTORNEY'S FEES: In the event of any litigation relating to this Agreement or the rights or liabilities of any party arising under this Agreement, **the prevailing party of such litigation shall be entitled to its costs, including reasonable attorney's fees, incurred in such litigation, not to exceed a maximum total of $2,000.00 fees and costs.** If any such litigation is dismissed prior to trial, the parties agree that there shall be no prevailing party for purposes of an award of attorney's fees and/or costs. **An unlawful detainer action shall be considered an action relating to this Lease and thus subject to this provision.** X n a

49. ARBITRATION: Should Landlord or resident(s) wish to commence an action for damages under the Agreement, it shall be required to adjudicate the dispute through binding arbitration under the rules of the American Arbitration Association or under such rules to which the parties may agree. This Section shall not apply to actions maintained for a breach of contract or covenant where the remedy is rescission and/or restitution of possession or any termination. X n a
50. JOINT AND SEVERAL LIABILITY AND AUTHORITY: All persons signing this Agreement as Resident(s) shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. X n a
The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and my

institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises. X n a

51. ENTIRE AGREEMENT: This Agreement, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreement to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident(s) hold over the expiration of the Lease term on a month-to-month holdover basis, Landlord may change any provision of this Lease without the consent of Resident(s) in the manner prescribed by California Civil Code Section 827. X n a

52. SEVERABILITY AND PROVISIONS REQUIRED BY LAW: If a provision or paragraph of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or paragraph will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Agreement is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction. X n a

53. SUBORDINATION: This Lease and all rights of Resident(s) arising under it are expressly agreed to be subject and subordinate in all respects to the lien of any present or future mortgages which are or may be placed upon the Property and to all other rights acquired by the holder of any such mortgage(s). As used in this paragraph, the term "mortgage" shall include deeds of trust or any similar security interest.
X n a

54. SUCCESSORS IN INTEREST: If the Property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident(s). **Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.**
X n a

55. CREDIT REPORTING: Resident(s) is notified that Resident(s)'s performance as a tenant of this property may be reported to credit reporting agencies. X n a

56. ATTACHMENTS/ADDENDA: Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. **Resident(s) agrees to abide by all said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease.**

57. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenant, lessees, or vendees of the Premises. X na a

58. REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS: A disabled person, for all purposes under this Lease, shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. **If Resident(s) believes Resident(s) or a member of Resident(s)'s household requires an accommodation or modification as a result of a disability, Resident(s) should contact Landlord to begin the interactive process.** X na

59. SIGNATORIES: The individuals signing below as "Resident," whether or not in actual possession of the Premises, are jointly and severally responsible for all obligations arising under this Lease. This Lease shall not be considered to be in full force and effect until signed by Landlord or Landlord's authorized agent. Landlord may, with out liability, refuse to enter into this Lease and may refuse to allow Resident(s) to occupy the Premises at any time prior to Landlord signing this Lease. Resident(s) shall be fully liable for all obligations arising under this Lease and Landlord may enforce the provisions of this Lease as against Resident(s) if, for any reason or by any means, Resident(s) obtains access to the premises before such time as the Lease has been signed by Landlord or Landlord's authorized agent.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of **301 East O'Keefe Street** (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,150.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

When Landlord has (1) received the written notice and the Early Termination Option payment and (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and

payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;

ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or

iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. EARLY TERMINATION: In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. DELAY OF POSSESSION: If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT: If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. MONTHLY RENT PAYMENT: The total rent is set forth in Section 4.

i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience - the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.

ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by **check, or certified cashiers check only, and NO CASH, MONEY ORDERS, or POST DATED CHECKS will be accepted for rental payments**. No cash or post-dated checks will be accepted.

iii. Payments must be made payable to **301 East O'Keefe Street** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 7PM**.

iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.

v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.

vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. LATE CHARGE AND NSF CHARGE: Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **105.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **4th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **4th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **4th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. SECURITY DEPOSITS:

i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.

ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.

iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early disbursement of the security deposit.

C. RESIDENT DEFAULT

17. DEFAULT BY RESIDENT: Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. REMEDIES: Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:

i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
- **a.** The worth at the time of award of the unpaid rent which had been earned at time of termination;
- **b.** The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
- **c.** Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
- **d.** Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.

ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph (c) of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.

iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.

iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.

v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.

vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. DAMAGE BY RESIDENT: If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. RESIDENT INFORMATION: If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. COMPLIANCE WITH APPLICABLE LAWS: Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. COMPLIANCE WITH POLICIES: If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. CONDITION OF PREMISES: Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. RESTRICTIONS ON ALTERATIONS: Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. MAINTENANCE: Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.

To maintain the Premises, Resident agrees to:

- **i.** Keep the Premises clean.
- **ii.** Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
- **iii.** Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
- **iv.** Refrain from making any repairs without Landlord's prior written consent.
- **v.** Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
- **vi.** Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
- **vii.** Keep all ingress and egress routes clear and unobstructed and at all times.
- **viii.** Practice safe use of electrical cords, outlets, and appliances.

26. DUTY TO CLEAN AND VENTILATE: Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:

- **i.** In damp or rainy weather, keep windows and doors closed.
- **ii.** If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
- **iii.** Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
- **iv.** Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
- **v.** Use care when watering houseplants. If spills occur, dry up excess water immediately.
- **vi.** When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
- **vii.** Thoroughly dry any spills on carpeting.
- **viii.** Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
- **ix.** Do not overfill closets or storage areas to allow for proper ventilation.
- **x.** Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
- **xi.** Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.

Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. PESTS AND PEST CONTROL:

- **i.** The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
- **ii.** Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into

the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.

iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.

iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.

v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. KEYS, LOCKS, AND ACCESS DEVICES:

i. Keys and Locks: Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$5.00** for each key that is lost or not returned.

ii. Access: Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. Access Devices: If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply:
Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. LOCATION: Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. CONDITION UPON TERMINATION: Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. ENTRY: Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. SMOKE DETECTORS: The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. CARBON-MONOXIDE DEVICES: If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperabilities in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-monoxide device without immediately replacing the battery with a new one.

34. SATELLITE DISHES: If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. WATERBEDS AND AQUARIUMS: Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. LIABILITY: Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. INDEMNITY/HOLD HARMLESS: Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. HOUSING SERVICES: The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. EMINENT DOMAIN OR CONDEMNATION: Should the land wheron the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:

i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident,

at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.

ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. SIGNIFICANT REPAIRS:

i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.

ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24 hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to pay rent during the time the Premises are not available to Resident during the repairs if Landlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. DUTY TO COOPERATE: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. SAFETY CONCERNS:

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. INSURANCE: Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. MEGAN'S LAW: Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an

offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. ENVIRONMENTAL INDEMNIFICATION: To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. PROPOSITION 65 WARNING: The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

For more information please contact OEHHA at (916) 445-6900 or visit http://www.oehha.org/prop65/pdf/Prop65tenants.pdf for additional information from the California Environmental Protection Agency's Office of Environmental Health Hazard.

48. LEAD-BASED PAINT WARNING: Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.

- **i.** Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards are present in the housing.
- **ii.** Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. ASBESTOS DISCLOSURE: Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:

- **i.** Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.
- **ii.** Resident shall notify Landlord immediately in writing: If there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. CREDIT REPORTING: Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. SOCIAL MEDIA: Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Resident accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. USE OF PREMISES: Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall

Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. CONDUCT OF RESIDENT: Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. 53. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A Resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. PARKING: Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. OCCUPANTS: Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall be deemed to be the payment of rent on behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detailer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. GUESTS: Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. ASSIGNMENT AND SUBLETTING: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. PETS: No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. CLOTHESLINES/DRYING RACKS: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:

- **i.** No more than two drying lines/racks may be in use at any one time.
- **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
- **iii.** Drying lines/racks must be free standing.
- **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
- **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
- **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.

vii. Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
viii. Drying lines/racks cannot interfere with the maintenance of the Community.
ix. Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. UTILITIES: Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30 day written notice.

The following terms shall apply:
i. Resident agrees to pay all charges for utilities for the Premises for the term of the Lease. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
ii. Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
iii. Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
iv. For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing. Resident will also be subject to an additional charge of **$50.00** for each billing cycle during which Resident has failed to become the customer of record with the utility provider(s).
v. Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
vi. Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. HOT WATER: The following will apply.
i. The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.
ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.
iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.
iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.
v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.
vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS: A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. MILITARY: Military personnel on active duty may terminate this lease under Federal law if:
i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
a. Orders for a permanent change of station; or
b. Orders to deploy for a period of at least 90 days.

Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. OFFICE OF FOREIGN ASSETS CONTROL: Resident represents and warrants that Resident and each person or entity owning an interest in Resident is

i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").

ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.

iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).

iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).

v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.

vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

Resident covenants and agree(s):

i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.

ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.

iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.

iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.

v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the lease term shall be a material default of the Lease. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default of the Lease.

65. NON-DISCRIMINATION: There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. TIME IS OF THE ESSENCE: Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. SUCCESSORS: If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. SUBORDINATION: This Lease shall, without further act on the part of Resident, be subject and subordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. ATTORNMENT: Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. ESTOPPEL CERTIFICATE: Resident agrees that within five (5) days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. CONTENTS OF THIS LEASE: The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. SEVERABILITY AND PROVISIONS REQUIRED BY LAW: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. ENTIRE AGREEMENT: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. SECTION HEADINGS: The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. NOTICES:

i. Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.

ii. Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is **(650) 566-2000**. On non-holidays, the business hours, which remain subject to change, are: **Mon and Wed, 9AM - 6PM, Tues 10AM - 6PM, Thurs and Fri 9AM - 7PM, Sat and Sun 10AM - 7PM**.

iii. The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. JOINT AND SEVERAL LIABILITY AND AUTHORITY: In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. ELECTRONIC SIGNATURES: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. ATTACHMENTS/ADDENDA: Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

ACKNOWLEDGEMENT RE USE OF MEDICAL MARIJUANA

Resident acknowledges receipt and understanding of the attached policies concerning use of Medical Marijuana. If applicable, Resident agrees to complete the Addendum for any Resident, Occupant, invitee, or guest who requires a Medical Marijuana Accommodation. If the accommodation is not applicable, Resident is not required to complete the Addendum and it will remain solely as an informative section of the lease, not an Acknowledgment of any sort.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **February 5, 2022** between **Isela Garcia Demora and Noe M. Torres** and **301 East O'Keefe Street** for the Unit # **20** located at **301 E okeefe St East Palo alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understand that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER AND POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS AND/OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution and/or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture and/or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts and facsimile copies of same shall be admissible for all purposes and shall be deemed an original.

BECAUSE WE CARE

At **301 East O'Keefe Street**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.
2. If you have a deadbolt or night latch, use them even when you're home.
3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.
4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.
5. Keep the telephone numbers for the police and emergency medical services handy.
6. Check your smoke detector periodically to ensure it is working.
7. Report to the management (in writing, dated and signed) any malfunction of safety devices outside your home such as broken gatelocks, burned-out stairwell and parking lot lights, etc.
8. Close your curtains or blinds at night.
9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.
10. Mark or engrave valuable personal possessions for identification.
11. Be careful to whom you lend or give your keys.
12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.
13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small and contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!
2. Leave a radio playing very softly when you're not at home.
3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.
4. Try not to walk outside alone at night.
5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.
6. If you have an entry code, don't give your code to guests or strangers.
7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.
2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.
3. Don't leave your keys in the car.
4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.

5. Look in the back seat before you get in the car.

6. Don't stop alone at night at an automatic teller or gas station.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **February 5, 2022** between **Isela Garcia Demora and Noe M. Torres** ("Resident") and **301 East O'Keefe Street** ("Landlord") for the **Unit #20** ("Premises") located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items and clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   - **i.** Do not put plastic items in the dryer.
   - **ii.** Always clean the lint screen prior to use.
   - **iii.** Never operate the dryer without a lint screen,
   - **iv.** Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   - **v.** We recommend leaving washer door open after cycle for better ventilation.
   - **vi.** Always clean the lint screen prior to using the dryer and never operate it without a lint filter.
   - **vii.** Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   - **i.** Appliances shall not be removed from the Premises, common areas, or Community.
   - **ii.** The disposal should only be used for the purpose for which it was designed. The following items should not be put in the disposal: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, and potato peel.
   - **iii.** The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, baby wipes and rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   - **iv.** Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   - **v.** To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   - **vi.** On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings and Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment and Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits and swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts and non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios and Balconies:** Resident shall comply with the following rules:
   - **i.** Patios and balconies are to be kept neat and orderly at all times.
   - **ii.** The installation of sunshades, blinds or hanging fabrics is not allowed.
   - **iii.** The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.
   - **iv.** Patios and balconies may not be used as bedrooms.
   - **v.** No storage of any personal property or trash containers is allowed.
   - **vi.** All plants must be free-standing and have saucers underneath them. Hanging plants are not permitted.
   - **vii.** No motorcycles are allowed to be kept on any patios or balconies at any time.
   - **viii.** Unapproved bike hooks are not permitted and will be removed.
   - **ix.** Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash and disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord and is served regularly by the Landlord or a third party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders and regulations of all state, federal, municipal and local governments regarding the collection, sorting, separation, and recycling of waste products, garbage, refuse and trash.

11. **Barbeques:** The use or storage of any charcoal burner, liquid petroleum, gas fueled or any other open flame cooking devices are prohibited in the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.

13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.

14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed and remove items that are not in keeping with the nature of the Community, as determined by Landlord.

15. **Garage and Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals and/or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials and immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.

16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.

17. **Car Wash and Repair:** Vehicle repairs, including oil changes, and washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.

18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.

19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact and other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms and conditions contained herein.

INFORMATION ABOUT BEDBUGS AND PEST CONTROL POLICIES

This document is an addendum to the Lease Agreement dated **February 5, 2022** between **Isela Garcia Demora and Noe M. Torres** and **301 East O'Keefe Street** for the Unit **#20** located at **301 E okeefe St, East Palo alto, CA 94303**.

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds and linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

c) Bed bugs can survive for months without feeding.

d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

e) Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects and vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully and thoroughly inspect used furniture or clothes you acquire and bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms and conditions contained herein.

Lease Addendum

Personal Liability Insurance Required

This document is an Addendum and is part of the Rental/Lease Agreement, dated **February 5, 2022** between **301 East O'Keefe Street** (Owner/Agent) and **Isela Garcia Demora and Noe M. Torres**, (Resident) for unit # **301-20** located at **301 E okeefe St, East Palo alto, CA 94303**.

In this document, the terms "you" and "your" refer to all residents signing below; the terms "we," "us," and "our" refer to the owner or owner's representative named in the Lease Contract (not to the Community Manager or anyone else).

1. **Insurance Acknowledgement.** You acknowledge that we do not maintain insurance to protect you against personal injury, loss or damage to your personal property or to cover your own liability for injury, loss or damage you (or your occupants or guests) may cause others. You also acknowledge that you may be responsible to others (including us) for the full cost of any injury, loss or damage caused by your negligent actions or the negligent actions of your occupants or guests, including but not limited to damage caused by fire or smoke.

2. **Required Renters Insurance Policy.** You are required to purchase and maintain a renter's personal liability insurance policy which provides limits of liability to third parties in an amount not less than **$100,000** per occurrence through an insurance company or insurance agent authorized to issue insurance in this state. Such insurance policies are often referred to as "renter's insurance policies or "liability-only insurance policies." Most renter's insurance policies contain personal liability coverage and also personal property coverage for your own property. You are only required to have personal liability insurance; however, we highly recommend that you obtain coverage for your personal property too. Personal property coverage protects your property in the event of theft, fire or weather-related loss to your property. The required personal liability insurance policy must cover all residents in your unit. The policy must identify Insurance Tracking, **P.O. Box 979142, Miami, FL 33197-9142** as a "Party of Interest" or "Interested Party" where the "Party of Interest" or "Interested Party" must be notified within ten (10) days after your insurance company or agent renews, cancels or non-renews your policy. Failure to include Insurance Tracking as the "Party or Interest" or "Interested Party" with the above-listed address will constitute a breach of this Lease.

3. **Insurance Election.** If you choose not to purchase insurance through the carrier of your choice or are unable to secure satisfactory personal liability insurance coverage, you have the option to obtain insurance coverage under an insurance program issued by an insurance carrier we have partnered with. As a resident of this property, you automatically qualify for this coverage with our preferred provider with no underwriting or lengthy application. Participation in this program allows you to conveniently pay the insurance charges with your monthly rent. Following your execution of this Lease, you will be sent a link via email or text message to an online insurance portal where you must either enroll in the insurance program offered by our preferred provider or upload proof of insurance if you already have insurance or if you decide to purchase the insurance through a carrier or agency other than our preferred provider. If you choose to participate in this preferred provider's program, you agree that you will be charged **$14.50** monthly with your rent to cover the costs of securing personal liability coverage in an amount of **$100,000** and personal property coverage in an amount of **$10,000.** The insurance company will issue a certificate of insurance to you that will describe the limits, conditions and terms of the coverage provided. A description of the insurance coverage and the insurance carrier are available by visiting the online insurance portal. If you have questions regarding the insurance program, please call **(866) 786-1721.**

4. **Freedom of Choice.** At all times, you are able to purchase insurance through the carrier or agency of your choice and are not required to purchase insurance through a particular carrier or agency, including the preferred provider. However, the insurance you purchase must meet the Lease's minimum requirements at all times.

5. **Subrogation Allowed.** You acknowledge that subrogation is allowed by all parties and that this Addendum supersedes any language to the contrary in the Lease. Accordingly, our commercial insurance carrier may make a claim against you for losses it pays as a result of your negligence, and your insurance carrier may make a claim against us for losses it pays as a result of our negligence. We retain the right to hold you responsible for any loss in excess of your insurance coverage.

6. **Your Insurance Coverage.** By signing this Addendum, you acknowledge that you have purchased (or agree to purchase) the insurance described above or you have agreed to participate in the insurance program. If you purchase insurance through a carrier or agency other than the preferred provider, you must provide proof of insurance via the online insurance portal prior to taking possession of the apartment. You further acknowledge that you will keep your insurance policy in-force for the entire term of the Lease. If any material terms of your insurance policy change, you agree to promptly provide proof of the modified policy terms to the on-site staff.

7. **Default.** . Unless otherwise prohibited by law, and subject to any right to cure a default under the Lease, any default under the terms of this Addendum shall be deemed a material default of the Lease, and we are entitled to exercise all rights and remedies under the law. If you fail to obtain and maintain personal liability insurance as required by this Addendum, you will be in violation of your Lease. In such event, we may send a written notice to you demanding that you cure the violation

by purchasing the required insurance and providing evidence of coverage to us. If you fail to supply evidence of such insurance to us on or before the specified date set forth in your notice, we reserve the right to obtain personal liability insurance coverage on your behalf, and to charge you monthly for the amount of the insurance charges **$10.75.** This is an insurance program provided to us by an insurance company we have partnered with and provides **$100,000** in personal liability insurance to you but **does not include any personal property coverage to protect your property from any loss or damage, including but not limited to from theft, fire or weather.** You may cancel your participation in this insurance program at any time if you purchase your own personal liability insurance policy or renter's insurance policy and provide proof of coverage to our on-site staff. Upon your enrollment in the insurance program set forth in this section, the insurance company will deliver you an insurance certificate evidencing and describing the coverage.

8. Miscellaneous. .

a. Except as specifically stated in this Addendum, all other terms and conditions of the Lease shall remain unchanged.

b. The insurance required by the Lease Contract is not required by any law. Your obligation to provide insurance stems solely from the Lease Contract.

c. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

d. The insurance required by the Lease is not an attempt to limit our liability for our own negligence or your liability for your own negligence.

e. CAS Insurance Agency, LLC, a Greystar affiliate and a licensed insurance agency, may receive compensation on policies issued by the preferred insurance provider for administrative, brokerage or marketing support. Owner may be receiving compensation or other payments from CAS Insurance Agency, LLC or one of its affiliates where permitted by law.

f. The insurance required by the Lease is not in lieu of, or in any way a component of, any security deposit required by the Lease.

g. **You understand that the personal liability insurance coverage set forth in section 8 may cost more than similar insurance you can purchase on your own and will only cover you for your own liability for injury, loss or damage caused by you (or, in some cases, your occupants or guests) to others and DOES NOT INCLUDE COVERAGE FOR PERSONAL INJURY OR LOSS OR DAMAGE TO YOU OR YOUR PERSONAL PROPERTY. THE PERSONAL LIABILITY INSURANCE DESCRIBED IN SECTION 8 IS LIMITED IN SCOPE AND MAY NOT FULLY PROTECT YOUR INTERESTS.**

h. You agree that you have not received any oral representations from Owner or any representative of Owner which are inconsistent with or not contained in the Lease Contract, the addenda attached to the Lease Contract, or in the Rules and Regulations. If you have received any such oral representations, you agree that you did not rely on them to decide to enter in the Lease Contract or this Addendum.

i. You must refer to the actual insurance policy or certificate for a complete description of the coverage, as this Addendum only provides a general summary. If you have an annual renter's insurance policy and decide to switch to the insurance program offered by our preferred provider, please compare the terms of coverage between the two policies, as not all policies are the same and coverage may differ.

All Lease terms not in conflict with this Lease Addendum shall remain in full force and effect, and if conflict should arise concerning the terms of this Lease Addendum and the Lease, then the terms of this Lease Addendum shall control. Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

MOLD/MILDEW ADDENDUM

This document is an addendum to the Lease Agreement dated **February 5, 2022** between **Isela Garcia Demora and Noe M. Torres** and **301 East O'Keefe Street** for the Unit #**20** located at **301 E okeefe St, East Palo alto, CA 94303**.

Resident acknowledges that it is necessary for Resident to provide appropriate climate control, keep the Unit clean, and take other measures to retard and prevent mold and mildew from accumulating in the Unit. Resident agrees to clean and dust the Unit on a regular basis and to remove visible moisture accumulation on windows, walls, and other surfaces as soon as reasonably possible. Resident agrees not to block or cover any of the heating, ventilation or air conditioning ducts in the Unit. Resident also agrees to immediately report to Landlord: (i) any evidence of a water leak or excessive moisture in the Unit, as well as in any storage room, garage or other common area; (ii) any evidence of mold- or mildew-like growth that cannon be removed by simply applying a common household cleaner and wiping the area; (iii) any failure or malfunction in the heating, ventilation or air conditioning system in the Unit; and (iv) any inoperable doors or windows. Resident further agrees that Resident shall be responsible for damage to the Unit and Resident's property as well as personal injury to Resident, other occupants or Resident's guests, resulting from Resident's failure to comply with the terms of this Addendum.

A default under the terms of this Addendum shall be deemed a material default under the terms of the Lease, and Landlord shall be entitled to exercise all rights and remedies at law or in equity. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control. Any term that is capitalized but not defined in this Addendum that capitalized and defined in the Lease shall have the same meaning for purposes of this Addendum as it has for purposes of the Lease.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization and Just Cause of Eviction Ordinance of 2010 requires landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS AND RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2018-2019 program year is 2.9%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance and/or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent; and
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases and must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B and/or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction and Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction and Rebate for Housing Service Reductions, including Maintenance and Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability and/or maintenance problems, and/or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered and for more

information about this provision in the Ordinance.

PROTECTIONS AGAINST EVICTONS WITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy and unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

PARKING RULES AND REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.

2. Every vehicle, including motorcycles, parked in an assigned **301 East O'Keefe Street** parking space must have a visible, valid **301 East O'Keefe Street** parking permit.

3. The **301 East O'Keefe Street** Management Office at **301 East O'Keefe Street, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.

4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **301 East O'Keefe Street**. Be sure not to cover the permit identification number.

5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.

6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **301 East O'Keefe Street**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **301 East O'Keefe Street** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.

7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.

8. Certain parking spaces are marked as guest and visitor parking spaces. Vehicles cannot be parked in guest and visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.

9. Residents and their guests and visitors may park their vehicles in the parking spaces marked "**301 East O'Keefe Street** Management Office" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.

10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.

11. All vehicles parked at **301 East O'Keefe Street** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and driveways is strictly prohibited.

12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.

13. Vehicles are not to be covered. Management will remove and discard covers.

14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.

15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.

16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the **California** Vehicle Code to fully understand your rights, as this is only an overview and the law may change at any time.

Generally, prior to paying any towing and storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

LEASE ADDENDUM
PERSONAL LIABILITY INSURANCE REQUIRED

1. **Addendum.** This is an addendum to the Lease for Apt. No. **20** at **301 okeefe., East Palo alto, CA 94303**

   The effective date of this Addendum is **February 1, 2022**.

2. **Insurance Acknowledgment.** You acknowledge that we do not maintain insurance to protect you against personal injury, loss or damage to your personal property or to cover your own liability for injury, loss or damage you (or your occupants or guests) may cause others. You also acknowledge that you may be responsible to others (including us) for the full cost of any injury, loss or damage caused by your negligent actions or the negligent actions of your occupants or guests, including but not limited to damage caused by fire or smoke.

3. **Required Renters Insurance Policy.** You are required to purchase and maintain a renter's personal liability insurance policy which provides limits of liability to third parties in an amount not less than **$100,000.00** per occurrence through an insurance company or insurance agent authorized to issue insurance in this state. Such insurance policies are often referred to as "renter's insurance policies or "liability-only insurance policies." Most renter's insurance policies contain personal liability coverage and also personal property coverage for your own property. You are only required to have personal liability insurance, however we highly recommend that you obtain coverage for your personal property too. Personal property coverage protects your property in the event of theft, fire or weather-related loss to your property. The required personal liability insurance policy must cover all residents in your unit. The policy must identify **Insurance Tracking**, **P.O. Box 979142 Miami, FL 33197-9142** as a "Party of Interest" or "Interested Party" where the "Party of Interest" or "Interested Party" must be notified within ten (10) days after your insurance company or agent renews, cancels or non-renews your policy. Failure to include Insurance Tracking as the "Party or Interest" or "Interested Party" with the above-listed address will constitute a breach of this Lease.

4. **Insurance Election.** If you choose not to purchase insurance through the carrier of your choice or are unable to secure satisfactory personal liability insurance coverage, you have the option to obtain insurance coverage under an insurance program issued by an insurance carrier we have partnered with. As a resident of this property, you automatically qualify for this coverage with our preferred provider with no underwriting or lengthy application. Participation in this program allows you to conveniently pay the insurance charges with your monthly rent. Following your execution of this Lease, you will be sent a link via email or text message to an online insurance portal where you must either enroll in the insurance program offered by our preferred provider or upload proof of insurance if you already have insurance or if you decide to purchase the insurance through a carrier or agency other than our preferred provider. If you choose to participate in this preferred provider's program, you agree that you will be charged **$0.00** monthly with your rent to cover the costs of securing personal liability coverage in an amount of **$100,000.00** and personal property coverage in an amount of **$10,000.00**. The insurance company will issue a certificate of insurance to you that will describe the limits, conditions and terms of the coverage provided. A description of the insurance coverage and the insurance carrier are available by visiting the online insurance portal. If you have questions regarding the insurance program, please call (866) 786-1721.

   If you decide not to enroll in the preferred provider's program described above, you will be required to upload proof of insurance coverage to the online portal to meet the Lease's insurance requirement. If you do not have access to the online insurance portal, you must contact the leasing office and the on-site staff may be able to provide you with an alternative access to the portal (e.g. business center computer, iPad, etc.).

5. **Freedom of Choice.** At all times, you are able to purchase insurance through the carrier or agency of your choice and are not required to purchase insurance through a particular carrier or agency, including the preferred provider. However, the insurance you purchase must meet the Lease's minimum requirements at all times.

6. **Subrogation Allowed.** You acknowledge that subrogation is allowed by all parties and that this Addendum supersedes any language to the contrary in the Lease. Accordingly, our commercial insurance carrier may make a claim against you for losses it pays as a result of your negligence, and your insurance carrier may make a claim against us for losses it pays as a result of our negligence. We retain the right to hold you responsible for any loss in excess of your insurance coverage.

7. **Your Insurance Coverage.** By signing this Addendum, you acknowledge that you have purchased (or agree to purchase) the insurance described above or you have agreed to participate in the insurance program. If you purchase insurance through a carrier or agency other than the preferred provider, you must provide proof of insurance via the online insurance portal prior to taking possession of the apartment. You further acknowledge that you will keep your insurance policy in-force for the entire term of the Lease. If any material terms of your insurance policy change, you agree to promptly provide proof of the modified policy terms to the on-site staff.

8. **Default.** Unless otherwise prohibited by law, and subject to any right to cure a default under the Lease, any default under the terms of this Addendum shall be deemed a material default of the Lease, and we are entitled to exercise all rights and remedies under the law. If you fail to obtain and maintain personal liability insurance as required by this

Addendum, you will be in violation of your Lease. In such event, we may send a written notice to you demanding that you cure the violation by purchasing the required insurance and providing evidence of coverage to us. If you fail to supply evidence of such insurance to us on or before the specified date set forth in your notice, we reserve the right to obtain personal liability insurance coverage on your behalf, and to charge you monthly for the amount of the insurance charges **$0.00**. This is an insurance program provided to us by an insurance company we have partnered with and provides **$100,000.00** in personal liability insurance to you but **does not include any personal property coverage to protect your property from any loss or damage, including but not limited to from theft, fire or weather.** You may cancel your participation in this insurance program at any time if you purchase your own personal liability insurance policy or renter's insurance policy and provide proof of coverage to our on-site staff. Upon your enrollment in the insurance program set forth in this section, the insurance company will deliver you an insurance certificate evidencing and describing the coverage.

9. Miscellaneous.

a. Except as specifically stated in this Addendum, all other terms and conditions of the Lease shall remain unchanged.

b. The insurance required by the Lease Contract is not required by any law. Your obligation to provide insurance stems solely from the Lease Contract.

c. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

d. The insurance required by the Lease is not an attempt to limit our liability for our own negligence or your liability for your own negligence.

e. **CAS Insurance Agency, LLC**, a Greystar affiliate and a licensed insurance agency, may receive compensation on policies issued by the preferred insurance provider for administrative, brokerage or marketing support. Owner may be receiving compensation or other payments from **CAS Insurance Agency, LLC** or one of its affiliates where permitted by law.

f. The insurance required by the Lease is not in lieu of, or in any way a component of, any security deposit required by the Lease.

g. **You understand that the personal liability insurance coverage set forth in section 8 may cost more than similar insurance you can purchase on your own and will only cover you for your own liability for injury, loss or damage caused by you (or, in some cases, your occupants or guests) to others and DOES NOT INCLUDE COVERAGE FOR PERSONAL INJURY OR LOSS OR DAMAGE TO YOU OR YOUR PERSONAL PROPERTY. THE PERSONAL LIABILITY INSURANCE DESCRIBED IN SECTION 8 IS LIMITED IN SCOPE AND MAY NOT FULLY PROTECT YOUR INTERESTS.**

h. You agree that you have not received any oral representations from Owner or any representative of Owner which are inconsistent with or not contained in the Lease Contract, the addenda attached to the Lease Contract, or in the Rules and Regulations. If you have received any such oral representations, you agree that you did not rely on them to decide to enter in the Lease Contract or this Addendum.

i. You must refer to the actual insurance policy or certificate for a complete description of the coverage, as thls Addendum only provides a general summary. If you have an annual renter's insurance policy and decide to switch to the insurance program offered by our preferred provider, please compare the terms of coverage between the two policies, as not all policies are the same and coverage may differ.

By signing below, you acknowledge and agree to be bound to the terms of this Addendum.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests and invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

UTILITIES WAIVER

This document is an addendum to the California Lease Agreement dated **February 1, 2022** between **Isela Garcia Demora and Noe M. Torres** and **301 East O'Keefe Street** for the Unit #**20** located at **301 E okeefe St, East Palo alto, CA 94303**.

In order to allow my community to track our whole building utility data, which will be used to determine what upgrades can be done to reduce utility expenses in each unit, I hereby grant authority for **Woodland Park Property Owner, LLC**, the owner of **301 East O'Keefe Street** to obtain the usage and utility detail for my utility accounts during my tenancy at this location for the sole purpose of benchmarking through the Energy Star® Portfolio Manager system. In order to do this, I agree to grant my Landlord the right to sign my account up to electronically receive utility data, where necessary, and to receive my account details as necessary to accomplish such benchmarking. Where available, such details will be collected in aggregate so that no unit information is available, and no unit information will be distributed except as required by law, nor used for any **marketing** purposes.

Therefore, I hereby authorize any utility provider serving my Premises, located at **301 E okeefe St #20, East Palo alto, CA 94303** to provide such utility details and history about the accounts tied to my Premises upon request through the term of this Lease, and including up to the 24 months prior to the signing of this agreement.

I understand that by signing below I am waiving my right to privacy, both actual and perceived, under Federal, State and Local statutes regarding the release of my utility data and agree to hold all parties involved harmless from any potential right to privacy violations.

Resident(s) acknowledges to have read this Addendum and understands the terms and conditions contained herein.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **February 5, 2022**, by and between **301 East O'Keefe Street** (hereinafter referred to as "Lessor"), Lessor of the apartment complex in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, and **Isela Garcia Demora and Noe M. Torres** (hereinafter referred to as "Lessee"), in connection with the Apartment Lease Agreement (the "Lease") between Lessor and Lessee for: **301 East O'Keefe Street** (the "Premises").

1. **Security Deposit.** Lessor hereby acknowledges receipt from Lessee of the sum of: **$600.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Lessor will hold the Security Deposit for the faithful performance by Lessee of his/her obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after its surrender.

2. **Refund of Security Deposit.** Lessor shall deduct from the Security Deposit all monies expended as a result of any breach of the lease or this agreement, including but not limited to the following:
   - **A.** Vacate completely the entire Premises by Lessee on or before the date specified in the required written **60 day** move-out notice.
   - **B.** Expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - **C.** Payment by Lessee of all rental required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - **D.** The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) and including all baths, closets, storage areas, patios/balconies, etc. have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - **E.** No defects or damage to the Premises, whether caused by Lessee, pets, or otherwise, unless shown on a written list of damages and defects signed by Lessee at the commencement of the Lease term.
   - **F.** Observance and performance by Lessee of all of the other covenants and obligations to be kept or performed by Lessee under the Lease up to and including the date of expiration or termination of the Lease term.
   - **G.** Observation and performance by Lessee of all rules and regulations to be kept and performed by Lessee under the Lease, including, without limitation, those rules and regulations pertaining to pets.
   - **H. LESSEE has given LESSOR sixty days written notice prior to the date of expiration or termination of the term of the Lease.**
   - **I.** Lessee has provided Lessor with a written copy of the forwarding address of Lessee.

3. **Deductions.** Within twenty-one (21) days after Lessee has vacated the Premises, Lessor shall furnish Lessee with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Lessee.

4. **Move-Out Procedures.** When Lessee moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Lessee have been removed. Lessee should accompany Lessor during said inspection to help resolve any problems that may arise. Failure of Lessee to do so shall constitute a concurrence by Lessee in Lessor's assessment of charges for damages or cleaning. After inspection by Lessor, appropriate charges will be assessed by Lessor for any missing items; damages or repairs to the Premises, or its contents (normal wear and tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets and/or furniture; and for cleaning the Premises (including all kitchen appliances). Lessee shall be charged for each unreturned key (mail-box key and garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Lessor.

Any security deposit shall be held by the Landlord for Resident who is party to the Lease. The claim of a Resident to the security deposit shall be prior to the claim of any creditor for the Landlord. **(Civil Code Section 1950.5(d)).**

From the time of the Pre Move-Out Inspection until the termination of the tenancy, the Resident may remedy the deficiencies identified in a manner consistent with the rights and obligations of the Parties under the Lease, in order to avoid deductions from the security deposit.

The law allows the Landlord to use the security deposit for legal deductions itemized in this statement that are not corrected by the Resident prior to the termination of tenancy or that were not identified during the time of the Pre Move-Out Inspection and for damages to the Premises/Community. A final itemized statement will be provided to Resident.

This Lease is entered into on the date signed, by and between the above-named parties (collectively, "Parties"). The party executing this Lease as the Landlord's Agent is acting as the managing agent for the owner of Woodland Park (the "Community"). Each person living in the Premises that is 18 years of age or older must sign the Lease as a resident. Each Resident states that they are of legal age to enter into a binding Lease for lodging. All others living in the Premises must be designated as Occupants. Each person signing the Lease is jointly and severally liable for all the various resident obligations under the Lease. Every individual resident, including all co-residents, is responsible for the entire rental amount and other obligations, even if, as roommates, individual residents have made arrangements among themselves to allocate the rent or other payments or obligations.

Landlord hereby leases and Resident hereby hires and takes the Premises for the term specified and subject to all of the terms and provisions set forth herein.

A. TERM OF LEASE

7. **INITIAL TERM:** The initial term of this Lease shall commence on the Start Date and end on the End Date as outlined in Section 3 and shall **automatically continue as a tenancy from month-to-month upon expiration of the initial term.**

8. **LEASE EXPIRATION:** Either party may terminate this Lease on the End Date or after the initial term by giving the other party at least **thirty (30) days'** written notice of its intention to terminate the tenancy, subject to California Civil Code sections 1946, et seq. In the absence of written notice of termination, or a new lease, after the expiration of the initial term, the tenancy shall become month-to-month subject to a rental increase and applicable fees as allowed under local and state law. Resident agrees to pay all rent up to and including the end of any **thirty (30) day** (or, as applicable, sixty (60) day) notice period (which may not occur before the end of the initial Lease term) or until the Premises are re-occupied, whichever occurs first.

9. **FAILURE TO VACATE AFTER NOTICE:** If Resident gives written notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Landlord shall be entitled to commence legal proceedings to recover possession of the Premises and Resident shall be liable, unless otherwise prohibited by law, in addition to all other damages provided for under this Lease, for the daily rent based on a pro-ration of the monthly rent for each day Resident remains in the Premises. In addition, Landlord may collect costs for loss suffered from future resident losses, legal costs, lost rent, and other expenses, and any other amount allowed by law.

10. **OPTION FOR EARLY TERMINATION:** Resident is expected to remain a Resident for the entire initial term. If Resident fails to do so, Resident will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the initial term, minus rents paid by a replacement resident (if any). This amount will vary depending upon how long it takes Landlord to find a replacement resident which typically cannot be determined in advance of move-out.

To avoid this uncertainty, Resident may choose to exercise an Early Termination Option. Resident understands and acknowledges that Landlord is not legally obligated to allow early termination of the Lease unless provided for pursuant to law. To exercise this option, Resident must deliver to Landlord:

i. A written notice stating that Resident has elected to exercise the Early Termination Option;
ii. An early termination option payment of **$3,000.00**;
iii. An executed agreement for repayment of concessions received prior to the early termination (if applicable, see Concession Addendum); and
iv. Payment of rent and other amounts due through the new End Date.

Wher[illegible]andlord has (1) received the [illegible]en notice and the Early Termination Option payme[illegible]nd (2) signed the notice, the End Date will be amended. The new End Date will be the date specified in the notice which must be at least **thirty** days after the written election and payment are given to Landlord. Exercise of the Early Termination Option will affect only Resident's rent obligations after the new End Date. Resident must comply with all other Lease obligations.

The notice will not move the End Date forward if:

i. Resident is in default under the Lease at the time that Resident gives notice of Resident's exercise of the option;
ii. Resident provides the notice unaccompanied by the Early Termination Option payment; or
iii. Resident does not properly exercise the Early Termination Option by following the procedures specified above, but vacates the Premises before the End Date specified in the Lease.

11. **EARLY TERMINATION:** In the event Resident vacates the Premises before the End Date, and fails to exercise the Early Termination Option as specified above. Resident shall be liable for all rent owed for the remainder of the initial term minus amounts paid by a replacement resident (if any), plus any other amounts as specified by law.

12. **DELAY OF POSSESSION:** If the Landlord, for any reason, cannot deliver the possession of the Premises to Resident at the Move-In Date, this Lease shall not be void or voidable, nor shall Landlord be liable to Resident for any loss or damages resulting therefrom; but in that event there shall be a per diem deduction of rent covering the period between the Move-In Date and the time when Landlord can deliver possession.

13. **FAILURE TO MAKE PAYMENTS PRIOR TO COMMENCEMENT:** If Resident fails to make any payment due prior to the Start Date of Lease shown in Section 3, Landlord has no duty to provide possession of the Premises, and Landlord may apply any and all previously made payments to amounts due to Landlord.

B. PAYMENTS, DEPOSITS, AND FEES

14. **MONTHLY RENT PAYMENT:** The total rent is set forth in Section 4.
    i. All rent payments are due in advance on or before the 1st day of each month. It is Resident's responsibility to be certain that each payment is actually received by Landlord on or before its due date. Use of a rental payment drop box is for Resident's convenience – the risk of receipt of funds by Landlord when such box is used is Resident's risk, and not Landlord's risk. If any rent payment is made late, it will be subject to all applicable charges and may be rejected by Landlord.
    ii. Initial payment due for move in must be made in the form of a cashier's check. Except as otherwise provided, all subsequent rent payments shall be made by check, cashier's check, money order, or through the online payment portal. No cash or post-dated checks will be accepted.
    iii. Payments must be made payable to **Woodland Park** and may be personally delivered to the Business Manager, Assistant Business Manager or Sales Associate at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. On non-holidays, the business hours, which remain subject to change, when rent payments may be made personally are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
    iv. Unless Resident notifies Landlord otherwise by written notation on the rent payment, Landlord shall apply all of the payments made in the order of priority Landlord determines. Landlord reserves the right at any time to change payment procedures and policies.
    v. If Resident makes any payment by check, it may be converted into an electronic funds transfer ("EFT"). This means Landlord will copy the check and use the account information on it to electronically debit Resident's account for the amount of the check. The debit from Resident's account will usually occur within 24 hours, and may occur as early as the same day as Landlord receives payment. The debit will be shown on Resident's regular account statement. Resident will not receive the original check back. Landlord will destroy the original check, but will keep a copy of it to the extent required by applicable laws. If the EFT cannot be processed for technical reasons, Resident authorizes Landlord to process the copy in place of the original check. If the EFT cannot be completed because of insufficient funds, Landlord may require payment in certified funds as required below.
    vi. If the Start Date occurs on other than the first day of a calendar month or the End Date occurs on other than the last day of a calendar month, then the rent for that month shall be prorated on a daily basis.

15. **LATE CHARGE AND NSF CHARGE:** Landlord and Resident agree that when Resident fails to pay rent on time, or when Resident pays rent by a check which payment is subsequently dishonored by the bank, the actual cost to Landlord is difficult or impossible to ascertain, but the Parties agree that Landlord does, in the event of late payment or in the event of a dishonored check, incur certain costs, including without limitation, communication with Resident, additional bookkeeping and administrative charges, bank charges, and lost opportunity costs of the late payment. After making a reasonable endeavor to estimate accurately the approximate costs associated with such a breach, which the Parties agree is difficult or impossible to ascertain, the Parties agree that, any time the rent for any given month is paid after the **4th** day of such month, Resident will in that month pay to Landlord, as additional rent due with the late payment, a late charge in the sum of **$35.00** and further agree that, in the event of a dishonored check, Resident will pay to Landlord, as additional rent due with the payment required to replace the dishonored check, an NSF fee in the sum of **$25.00**. The Parties agree that the payment of these sums does not constitute a license to pay rent late nor does it constitute a license to pay by dishonored check. Rent remains due on the first day of the month and there is no grace period for the payment of rent. A three-day notice to pay rent or quit may be served at any time after the first day of the month irrespective of the existence of the late charges as set forth in this section. If such notice is served after the **4th** day of the month, it may include the late charge and NSF charge, if applicable, which charges, as set forth above, are payable as additional rent. Furthermore, if Resident does not pay by the end of the **4th** day of the month, Resident may only pay by cashier's check or electronic payment (if offered). Landlord will not accept a personal check after the **4th** day of the month, or in response to a notice to pay rent or quit, or a notice to perform covenant or quit requiring payment. Landlord may terminate this Lease for failure to pay late charges and may terminate this Lease for non-payment of rent. If Resident gives Landlord two payments that are returned for nonpayment during the term of this Lease, then the future rent shall be payable by cashier's check for the remainder of the term.

16. **SECURITY DEPOSIT:**
    i. Resident shall pay to Landlord, as security, the amount set forth in Section 5, which sum shall not exceed the maximum permitted by California Civil Code Section 1950.5. This sum shall be applied and accounted for in accordance with the provisions of California Civil Code Section 1950.5 and any other applicable statutes. Landlord shall not be obligated to pay Resident interest in connection with such security deposit, unless specifically required by applicable law.
    ii. It is understood that the security deposit is applicable to all Residents jointly, and Landlord does not account for it until the passing of the permissible statutory period after all Residents have vacated the Premises. Any refund due may be made payable jointly to all Residents and it shall be the responsibility of all Residents to work out between themselves the manner of dividing said security deposit. If Landlord chooses to make the refund to any one of the Residents individually, in legal contemplation the payment shall be deemed to have been made to all Residents and Landlord shall have no liability to any one or group of Residents for failure of any Resident to divide such refund equitably.
    iii. If the security deposit is later increased by agreement of the Parties for any reason (such as the installation of a waterbed or relating to a pet), the additional security deposit will be disbursed by Landlord in accordance with this section at the end of the statutory period following the end of Resident's tenancy. Removal of the waterbed or pet, or whatever caused the increase in the deposit, will not be grounds for early

R[illegible]ursement of the security dep[illegible]

C. RESIDENT DEFAULT

17. **DEFAULT BY RESIDENT:** Resident shall be guilty of material breach of this Lease if Resident: (a) fails to pay any rent or other sums payable under this Lease on the date it becomes due; (b) defaults in the performance of or breach of any other provision, term, covenant or condition of this Lease; (c) vacates or abandons the Premises before expiration of the full term of this Lease, or any extension of the term; (d) permits the leasehold interest of Resident to be levied upon or attached by process of law; or (e) makes an assignment for the benefit of creditors.

18. **REMEDIES:** Upon the occurrence of any default by Resident, Landlord may exercise any right or remedy which Landlord may have at law or in equity, each and all of which are cumulative and nonexclusive. This may include giving Resident notice to correct or cure such default, taking action to recover possession of the Premises via the eviction process or otherwise, and/or terminating the Lease, all in accordance with applicable law. Additionally, Landlord shall be entitled to recover from Resident all damages incurred by Landlord by reason of Resident's default. Without limitation on the foregoing, upon the occurrence of any event of default by Resident, Landlord shall have the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive:
    i. Terminate this Lease and Resident's right to possession of the Premises and recover from Resident all damages allowed at law or in equity, including those allowed under Civil Code Section 1951.2 including:
        a. The worth at the time of award of the unpaid rent which had been earned at time of termination;
        b. The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that the Resident proves could have been reasonably avoided;
        c. Subject to subsection (iii), the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that the Resident proves could be reasonably avoided; and
        d. Any other amount necessary to compensate the Landlord for all the detriment proximately caused by the Resident's failure to perform Resident's obligations under the Lease or which in the ordinary course of things would be likely to result therefrom.
    ii. The "worth at the time of award" of the amounts referred to in paragraphs (a) and (b) of subsection (i) is computed by allowing interest at **10% per year**, but no greater than the maximum interest rate permitted by law. The worth at the time of award of the amount referred to in paragraph c of subsection (i) is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1 percent.
    iii. Landlord may recover damages that include the worth at the time of award of the amount by which the unpaid rent of the balance of the term after the time of award, exceeds the amount of rental loss for the same period Resident proves could be reasonably avoided.
    iv. Efforts by the Landlord to mitigate the damages caused by the Resident's breach of the Lease do not waive the Landlord's rights to recover damages under this section.
    v. Nothing in this section affects the right of the Landlord under a Lease to indemnification for liability arising prior to the termination of the Lease for personal injuries or property damage where the Lease provides for such indemnification.
    vi. Landlord has the remedy described in California Civil Code Section 1951.4 (Landlord may continue Lease in effect after Resident's breach and abandonment and recover rent as it becomes due, if Resident has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Resident, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19. **DAMAGE BY RESIDENT:** If any damage or destruction to the Premises, building, or Community is caused by Resident, Occupants, guests or invitees, such damage shall be considered a breach of Lease. Resident further agrees to pay rent for the period the Premises is damaged whether or not habitable, if such damage is caused by Resident, Occupants, guests or invitees. Any such damage or destruction of the Premises caused by Resident, Occupants, guests or invitees constitutes grounds for termination of the Lease; additionally, such actions will not create any right of rent reduction. Resident shall pay for any expenses, including the costs of repairing such damage or destruction.

20. **RESIDENT INFORMATION:** If Resident has supplied information to Landlord by means of a rental application or similar instrument, Landlord has relied upon the statements set forth in said application or instrument in deciding to rent the Premises to Resident. Resident covenants that all such information is accurate and was given voluntarily and knowingly by Resident. It is agreed that, if Landlord subsequently discovers any misstatements of fact in the application or instrument, any such misstatements shall be deemed a material breach of this Lease. In the event that Resident submits information to verify Resident's income, Resident hereby certifies the accuracy of such information and further agrees that accurate information regarding family income, family composition and any other related eligibility requirements shall be deemed substantial and material obligations of Resident's tenancy; that Resident will comply with all requests for information with respect thereto from Landlord or any mortgagee; that Resident's failure to provide accurate information shall be a default by Resident, which shall entitle Landlord to pursue all rights and remedies set forth in the **"DEFAULT BY RESIDENT"** section or otherwise permitted by law, and that Resident's failure to furnish accurate and current information could subject Resident to civil liability.

21. **COMPLIANCE WITH APPLICABLE LAWS:** Resident agrees not to engage in or permit unlawful activities in the Premises, in the common areas or on the grounds of the Community or permit the Premises or Community to be used for any purpose which violates local, state or federal law. Resident, Occupants, guests or invitees and any other person under Resident's control shall not engage in or facilitate in criminal activity, including drug-related criminal activity, on or near the Premises. "Drug-related criminal activity" means illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)). Resident, Occupants, guests or invitees or other person under Resident's control shall not engage in any act of violence or threats of violence, including, but not limited to, the unlawful discharge of firearms, on or near the Premises. Resident agrees to reimburse and indemnify Landlord for all fines or other penalties incurred by Landlord as a result of Resident's violation of any statute, ordinance, regulation or other governmental restriction. This provision constitutes written notice to cease any breach of this section, including, without limitation, being so disorderly as to destroy the peace, quiet, comfort, or safety of the Landlord or other tenants of the building or Community or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property. Such disorderly conduct includes violations of state and federal criminal law that destroy the peace, quiet, comfort, or safety of the landlord or other tenants of the building or Community containing the rental unit, or, where the Premises are a single-family dwelling, the peace, quiet, comfort or safety of the owner or residents of an adjacent property.

22. **COMPLIANCE WITH POLICIES:** If indicated on the last page of this Lease with respect to Attachments/Addenda, Resident acknowledges receipt of a copy of the Community Policies, which Community Policies are incorporated into and made a part of this Lease, Resident agrees to abide by said Community Policies in all respects. Any Community Policies may be changed with thirty days' notice and Resident agrees to abide by any such changes. Failure to comply with the Community Policies shall be deemed a breach of this Lease.

D. PREMISES:

23. **CONDITION OF PREMISES:** Resident has inspected the Premises and acknowledges that the Premises are in good and habitable order and repair with all appliances and equipment in good working order at the time Resident is given occupancy. Resident also agrees that Landlord has made no promise to decorate, alter, repair or improve the Premises, except as listed on the Move In/Move Out Inspection Form.

24. **RESTRICTIONS ON ALTERATIONS:** Without the prior written consent of Landlord, Resident agrees not to make any alterations or improvements to the Premises, including, without limitation (i) changing or removing any part of the appliances, fixtures, or equipment; (ii) painting, installing wallpaper, or adhering contact paper; (iii) installing appliances including washing machines, dishwashers, dryers, fans, heaters, or air conditioners; or (iv) adding window coverings, foil draperies, or non-standard window coverings. In no event can any personal property, alterations, or improvements block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment. All additions, fixtures and improvements shall be Landlord's property and shall remain upon the Premises after the termination of the Lease unless Landlord, as a condition to allowing Resident to make such alteration, requires that the Premises be restored to the condition existing prior to such alteration or addition.

25. **MAINTENANCE:** Resident is responsible to notify Landlord in writing, delivered personally or submitted online (except in the event of an emergency, in which case by telephone), if maintenance issues arise in or around the Premises. Maintenance requests will be handled after office hours only in an emergency. The on-duty maintenance associate will determine the appropriate course of action. Resident shall replace light bulbs and replace broken, damaged, or missing articles that Landlord has furnished.
    To maintain the Premises, Resident agrees to:
    i. Keep the Premises clean.
    ii. Use all appliances, fixtures, and equipment in a safe manner and only for the purposes for which they are intended.
    iii. Refrain from destroying, defacing, damaging or removing any part of the Premises, common areas, Community or grounds.
    iv. Refrain from making any repairs without Landlord's prior written consent.
    v. Maintain a minimum of 50 degrees inside the Premises at all times to prevent water lines from freezing during winter months.
    vi. Dispose of all garbage, waste and recyclable materials in designated containers and/or designated areas and in accordance with applicable law and Landlord's instructions. Large items may not be disposed of in garbage containers or common areas.
    vii. Keep all ingress and egress routes clear and unobstructed and at all times.
    viii. Practice safe use of electrical cords, outlets, and appliances.

26. **DUTY TO CLEAN AND VENTILATE:** Resident hereby acknowledges that mold and mildew can grow in the Premises if the Premises are not properly ventilated and maintained. Resident acknowledges that it is important that Resident regularly allow air to circulate in the Premises. Resident agrees to regularly allow air to circulate in the Premises by using bathroom fan(s), using ceiling fans, where available, and regularly opening the windows and/or sliding doors where available. Since it is common for mold and mildew to grow even if a small amount of moisture builds up, Resident agrees to regularly wipe down areas where moisture sometimes accumulates and clean all toilets, sinks, countertops, bathroom walls, windows, windowsills, patio doors, showers, bathtubs and tile or linoleum floors with a household cleaner on at least a bi-weekly basis. Resident further agrees to notify Landlord immediately whenever Resident learns of any condition which could lead to a build-up of moisture in the Premises, including, but not limited to plumbing leaks, broken window or door seals, accumulation of rainwater or other moisture around windows or doors, broken water lines or sprinklers, inoperable fans, doors, or windows, and any failure or malfunction in the heating, ventilation, or air-conditioning system, if any, in the Premises, storage room, garage, or common area. If Resident notices mold, mildew, or other organic growth in the Premises, Resident agrees to notify Landlord, in writing, immediately. Resident agrees to take the following steps to prevent the growth of mildew, mold, and organic growth in the Premises:
    i. In damp or rainy weather, keep windows and doors closed.
    ii. If possible, maintain a temperature of between 50° and 80° Fahrenheit within the Premises at all times.
    iii. Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom.
    iv. Use the exhaust fan in the kitchen when cooking or while the dishwasher is running. Allow the fan to run until all excess moisture has vented from the kitchen.
    v. Use care when watering houseplants. If spills occur, dry up excess water immediately.
    vi. When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet. If condensation does accumulate, dry with a fan or towel.
    vii. Thoroughly dry any spills on carpeting.
    viii. Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
    ix. Do not overfill closets or storage areas to allow for proper ventilation.
    x. Do not overfill the Premises or block with personal property ventilation from fans, windows, or doors.
    xi. Vacuum and dust the Premises on a regular basis to remove household dirt and debris that contribute to mold growth.
    Any failure to comply with the requirements of this section shall be deemed a material breach of this Lease. In addition, Resident shall be liable to Landlord for any damage resulting from Resident's failure to comply with the requirements of this section.

27. **PESTS AND PEST CONTROL:**
    i. The Premises and/or the common areas may be covered by a contract for periodic pest control by a registered structural pest control company. If so, pursuant to applicable law, concurrently with signing this Lease, Resident is being provided with a copy of the legally required notice provided by the registered pest control company under Business and Professions Code §8538 and California Civil Code §1940.8. Resident accepts all risks and hazards associated with chemicals used on the Premises that are stated in the notice attached to this Lease.
    ii. Resident and Landlord have inspected the Premises prior to leasing and acknowledge there is no visible evidence of the presence or infestation of insects or vermin, including bedbugs, in the Premises. Resident agrees to inspect all personal belongings for signs of bedbugs or other insects or vermin prior to bringing personal belongings into the apartment and further agrees not to bring into the Premises any belongings which Resident suspects may be infested with bedbugs, insects, or other vermin.
    iii. Resident agrees to maintain the Premises in a manner that prevents the occurrence of an infestation of insects and vermin, including bedbugs, and comply with policies relating to the prevention of infestations. Resident further agrees to report any signs of bedbugs, ants, fleas, roaches, or other insects or vermin immediately to Landlord.
    iv. If Resident allows individuals or items carrying bedbugs, fleas, roaches, or other insects or vermin into the Premises, or has an infestation that cannot be traced to another source, such infestation will be deemed damage to the Premises and Resident will be responsible for all costs of treatment to the Premises, Resident's personal belongings, and neighboring units as necessary to eradicate the infestation. Resident will also be responsible for any damages caused to the Premises or to any of Resident's personal property, including without limitation furniture, clothing, and personal belongings, caused by pests or the treatment of pests. The choice of treatment shall be at the discretion of Landlord in consultation with Landlord's pest control vendor, if any.
    v. Resident agrees to cooperate with all pest control efforts at and within the Premises and the Community. Resident shall follow all

Resident instructions from Landlord and/or Landlord's pest control vendor, if any, with respect to the treatment and eradication of pests, whether infestation is within the Premises, a neighboring unit, or elsewhere in the Community. The Premises must be properly prepared for any treatment. Resident acknowledges that preparations for treatments can be time consuming and difficult. Resident nonetheless agrees to fully prepare the Premises in a timely manner at its own cost and expense for the treatment and eradication of pests until the pest infestation is fully abated. Resident further agrees to coordinate the cleaning and/or disposal of Resident's personal property with the treatment being performed, so as to protect against a re-infestation of any pests. Resident agrees to follow the recommended readiness procedures, including allowing full access for treatment(s). Resident agrees that the choice of pest control vendors, if any, and the implementation of a treatment plan, including the application of pesticides, is exclusively that of Landlord. Resident agrees not to treat the Premises, building, or Community with pesticides without the written authorization of Landlord.

vi. Resident is required to report, in writing, any suspected infestations to Landlord immediately after discovery. Resident shall report any signs of any infestations, including, but not limited to any household member experiencing any bites, seeing any insects or vermin within the Premises, or seeing any feces or other detritus relating to insects.

vii. Resident represents to Landlord that Resident is not aware that bed bugs were present in Resident's last residence and that if bed bugs were present in any of their furniture, clothing, or other personal property, the bed bugs have been eradicated. Resident agrees that this representation to Landlord is a material inducement to Landlord leasing the Premises to Resident.

28. **KEYS, LOCKS, AND ACCESS DEVICES:**

i. **Keys and Locks:** Resident agrees not to change or add any locks or gates on any doors or windows to the Premises without prior written consent of Landlord. If Landlord, in its sole discretion, approves a request to install locks, Resident agrees to immediately provide Landlord with a key for each lock. On or before the end of the term, Resident agrees to return all keys to the Premises to Landlord. Landlord may charge Resident **$5.00** for each key that is lost or not returned.

ii. **Access:** Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security device. Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges. It is understood that Landlord is not responsible for providing access to the Premises after office hours. Resident is responsible for contacting a locksmith, at Resident's expense, to gain access to the Premises in the event of lockout. If Resident has called a locksmith, Landlord must be notified and then change locks at Resident's expense.

iii. **Access Devices:** If Resident has received gate cards, fitness, restroom and/or entry gate keys as indicated in Section 6 of this Lease, Resident understands that if any of these items are lost or not returned upon move out, that the following fees will apply: Gate Access Device **$0.00** Key Fob **$0.00** Entry Gate Key **$50.00**

29. **LOCATION:** Upon reasonable notice, Landlord shall have the right to transfer Resident to another unit that is comparable to the Premises, upon which transfer the other unit shall automatically become the Premises under this Lease, which shall remain in full force and effect. Resident acknowledges and agrees that such comparable unit shall be deemed to provide the same housing services as the original Premises and that such transfer is not an eviction.

30. **CONDITION UPON TERMINATION.** Upon termination of the Lease, or the termination of Resident's right to occupy the Premises, Resident shall deliver all keys, access cards, and remotes to Landlord and move out of the Premises, leaving them in substantially the same clean, undamaged, and ready-to-rent condition as existed on the Start Date, less ordinary wear and tear. If the Premises are not returned in such condition, Landlord may charge Resident for the costs to repair any damage and to put the Premises back in the condition they were in upon the Start Date, less ordinary wear and tear. Resident is responsible for replacement of any damaged or missing items and for payment of all costs to clean or repair any portion of the Premises, carpeting, flooring, wall coverings, paint, counters, trim, window treatment, doors, windows, or appliances which are damaged, dirty, or unsanitary. Cleaning and repair of any damage due to smoking of any kind is not considered ordinary wear and tear. Resident is responsible for removing all trash and other items of personal property from the Premises. Failure to do so will constitute a condition that exceeds ordinary wear and tear. Resident will not be considered as having moved out, vacated and surrendered possession of the Premises until Resident has removed all personal belongings from the Premises and returned all keys, access cards and remotes. If Resident moves out and fails to return all keys, access cards and remotes, Resident agrees that the move-out date shall be determined by Landlord in Landlord's reasonable judgment and that Resident will be charged for any missing keys, access cards and remotes. If Resident leaves personal property in the Premises after move-out or if Resident places personal property in areas of the Community not designated for Resident's exclusive use, Landlord can determine that such property has been abandoned and can take steps to remove or dispose of the property consistent with applicable laws.

31. **ENTRY:** Landlord has the right to enter the Premises as allowed by law, including, without limitation, in case of emergency, to make desired, necessary or agreed repairs, decorations, alterations, renovations, or improvements, to supply necessary or agreed services, to test smoke detectors, to exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, or for any other purposes permitted by California Civil Code section 1954 (and any other applicable statutes or amendments which might be enacted subsequent to the execution of this Lease). Landlord also has the right to enter the Premises in order to make an inspection pursuant to subdivision (f) of Civil Code section 1950.5 when Resident has abandoned or surrendered the Premises and pursuant to court order. Resident agrees that if Resident denies Landlord access to the Premises when Landlord is in compliance with statutory requirements and entitled to access, any such denial of access shall be deemed a material breach of this Lease. The Parties agree that 24 hours' notice is presumed reasonable, although the Parties acknowledge that a shorter time period may also be reasonable under some circumstances. Landlord will serve Resident with written notice before entry unless:

i. Entry is due to an emergency, surrender or abandonment of the Premises, or

ii. Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or

iii. Resident is present and consents to entry at the time of entry, or

iv. To exhibit the Premises to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.

32. **SMOKE DETECTORS:** The Premises have been equipped with smoke detectors. The smoke detectors have been tested prior to Resident's move in to ensure they are operational. Resident agrees not to interfere with the presence or operability of any smoke detector and to report immediately to Landlord, in writing, any defects in the condition of any smoke detectors. Resident agrees that if a smoke detector is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a smoke detector without immediately replacing the battery with a new one.

33. **CARBON-MONOXIDE DEVICES:** If a carbon-monoxide device has been installed within the Premises, Resident acknowledges that the carbon-monoxide device was operable at the time Resident took possession of the Premises. Resident is responsible for notifying Landlord if Resident becomes aware of an inoperable or deficient carbon-monoxide device within the Premises. Landlord shall correct any reported deficiencies or inoperability's in the carbon-monoxide device. Resident further agrees that, if the carbon-monoxide device is battery operated, pursuant to California Civil Code Section 1942.1, as part of the consideration of the rental, Resident assumes responsibility to: (a) ensure the battery is in operating condition at all times; and (b) replace the battery as needed. Under no circumstances shall Resident remove the battery of a carbon-

monitor device without immediately replacing the battery with a new one.

34. **SATELLITE DISHES:** If satellite dishes are allowed in the Community they must be one meter or less in size and may not be affixed to the patio or balcony of the Premises. Resident is specifically prohibited from making physical modifications to the Premises and is prohibited from installing said satellite dish in the common areas of the Community, including, but not limited to, outside walls, roofs, window sills, common balconies or stairways. Resident will be responsible for damages caused by the satellite dish, including the cost of removal if in any violation of any satellite guidelines. Resident shall install, use, maintain and remove a satellite dish in a manner which is consistent with industry standards and shall be liable for any damage or injury sustained as a result of the negligent installation, maintenance, use or removal of said satellite dish. Allowable locations may not provide an optimal signal or any signal at all.

35. **WATERBEDS AND AQUARIUMS:** Waterbeds and water tanks holding 30 or more gallons may only be installed in the Premises with prior written consent from Landlord. Prior to installation, a valid waterbed insurance policy or certificate of insurance for property damage must be obtained. The policy shall be issued by a company licensed to do business in California and possessing a Best's Insurance Report rating of "B" or higher. The insurance policy shall be maintained in full force and effect until the waterbed/water tank is permanently removed from the Premises. The policy shall be written for no less than **one hundred thousand dollars ($100,000.00)** of coverage. The policy shall cover, up to the limits of the policy, replacement value of all property damage, including loss of use, incurred by the Landlord or other residents caused by or arising out of the ownership, maintenance, use, or removal of the waterbed/water tank, except for any damage caused intentionally or at the direction of the insured, or for any damage caused by or resulting from fire. Landlord may require Resident to produce evidence of insurance at any time. The insurance carrier shall give Landlord notice of cancellation or non-renewal 10 days prior to this action. The waterbed/tank shall conform to the pounds-per-square foot weight limitation and placement as dictated by the floor load capacity of the Premises. The weight shall be distributed on a pedestal or frame which is equivalent to the dimensions of the mattress itself. Resident shall install, maintain and remove the waterbed/tank, including, but not limited to, the mattress and frame, according to standard methods of installation, maintenance, and removal as prescribed by the manufacturer, retailer, or state law, whichever provides the higher degree of safety. Resident shall notify Landlord in writing of the intent to install, remove, or move the waterbed/tank. The notice shall be delivered at least 24 hours prior to the installation, removal, or movement. The Landlord has the right to be present at the time of installation, removal, or movement. If the waterbed/water tank is installed or moved by any person other than Resident, Resident shall deliver to Landlord a written installation receipt stating the installer's name, address, and business affiliation.

E. LIMITATION ON LIABILITY:

36. **LIABILITY:** Landlord shall not be liable to Resident, Occupants, or to any guests or invitees of Resident for any damage or losses to person or property arising from any cause including, but not limited to, theft, burglary, assault, vandalism, fire, flood, water leaks, rain, hail, ice, snow, smoke, lightning, wind, explosion, interruption of utilities, earthquake, or any other condition over which the Landlord has no control. To the extent allowed by law, Resident agrees to assume all risk of harm, and waive all claims against Landlord, resulting from use of common area amenities. To the extent allowed by law, use of the common area amenities is at the sole risk of Resident, Occupants, guests or invitees.

37. **INDEMNITY/HOLD HARMLESS:** Resident and Occupants agree to indemnify and hold Landlord harmless, from any claims arising out of any death or injury to any person, or any damage to property, if such injury or damage is caused directly or indirectly by the act, omission, negligence, or fault of Resident, Occupants, or Resident's guests or invitee(s).

38. **HOUSING SERVICES:** The furnishing by Landlord to Resident of any storage space, use of laundry, electronic access controls and gates, or any other common area facilities outside the Premises shall be deemed to be furnished gratuitously and Landlord makes no representations or guarantees as to the availability, adequacy, or fitness of such space, service, or facilities. Resident acknowledges that Landlord will not provide lifeguard service at swimming facilities, if any, and Resident agrees to take adequate and reasonable care in use of all recreational facilities to ensure the safety of Resident, Occupants, guests or invitees. All guests and invitees must be accompanied by a Resident or Occupant to use recreational facilities and amenities. Resident, Occupants, guests, and invitees shall comply with all signs posted by Landlord in and around the common areas and Community. Landlord may ban any Resident, Occupant, guest or invitee from using any amenity at the Community if such persons fail to abide by posted signs or rules relating to those areas and Resident shall not be entitled to any rent reduction or offset if the loss of amenity privileges is the result of the conduct of Resident, Occupants, guests or invitees. Landlord makes no representations, warranties or guarantees express or implied, regarding the presence or quality of reception of electronic communication or information retrieving devices within the Premises or Community.

39. **EMINENT DOMAIN OR CONDEMNATION:** Should the land whereon the building containing the Premises is situated, or any part thereof, or any portion of the Community, be condemned or taken for public use, then, in that event, upon the taking of the same for such public use, this Lease, at the option of Landlord, shall be deemed null and void, and the term shall cease and come to an end, notwithstanding anything to the contrary herein, and without apportionment of the award. Resident shall not be entitled to receive any sum, or portion thereof, constituting any award arising out of any such eminent domain or condemnation.

40. **SIGNIFICANT DAMAGE TO OR DESTRUCTION OF PREMISES:**
    i. If the Premises or property are damaged by fire, flood or other casualty, necessitating repairs that require Resident to vacate the Premises for any length of time, in the sole and absolute discretion of Landlord, Landlord shall have the option either (1) to repair the damage or otherwise restore the Premises, with this Agreement continuing in full force and effect, or (2) give notice to Resident, at any time after such damage occurs or repairs become necessary, terminating this Agreement as of a date to be specified in such notice. Landlord shall not be required to repair any damage by fire or other cause or to make any repairs of any property installed in the Premises by Resident.
    ii. If Landlord elects to terminate, this Lease shall expire and all interest of the Resident in the Premises shall terminate and Landlord shall have no obligation to pay lodging costs or other expenses to Resident after the termination date. If Landlord elects to repair the damage and/or make the significant repairs and continue this Lease in full force and effect, the "Duty to Cooperate" and "Significant Repairs" sections, below, shall apply.

41. **SIGNIFICANT REPAIRS**:
    i. If the Premises require significant renovations, improvements or repairs (such as, by way of example only and not by way of any limitation, tenting for termites, treating for pests or other vermin, replacing plumbing or electrical wiring, repairing fire damage, etc.) which require Resident to vacate the Premises for any length of time, Resident must vacate the Premises as needed and otherwise cooperate with Landlord in its efforts to perform the work. To the extent possible, Landlord shall give Resident at least ten days written notice of the need to vacate the Premises, which notice shall include Landlord's best estimation of the length of time Landlord anticipates Resident will need to be absent from the Premises.
    ii. Resident agrees to vacate the Premises for the time necessary for the work to be completed and, if Resident needs to be absent from the Premises for more than 8 hours in any 24-hour period, relocate to alternative housing of the Landlord's choosing. Landlord shall be responsible to pay for the alternative housing; however, Resident will remain responsible for all rent while Landlord is paying for alternative accommodations. If Resident elects to relocate temporarily to lodging other than that designated by Landlord, then Landlord shall have no obligation to pay the cost of such housing, which shall be at Resident's sole cost and expense; although Resident shall have no obligation to

R008 rent during the time the Pr es are not available to Resident during the repairs ndlord is not paying for the alternative lodging, except as provided below. Resident shall return to the Premises once Landlord advises Resident that the work has been completed. Landlord shall have no obligation to pay for alternative housing or waive rent after Landlord has advised Resident that Resident may return to the Premises.

iii. If the work or repairs are required because of the conduct of Resident or the conduct of Occupants, invitees or guests (such as misuse of plumbing, causing a fire, etc.), then Landlord shall be relieved of its obligation to pay for alternative accommodations set forth above and Resident shall remain responsible for both rent and the cost of alternative lodging during the time when Resident must vacate the Premises for any work to be completed.

42. **DUTY TO COOPERATE**: Failure to vacate the Premises or otherwise cooperate with Landlord's efforts to conduct repairs, renovations or other improvements in the Community is a material breach of this Lease and grounds for termination of this Agreement.

43. **SAFETY CONCERNS:**

i. Landlord makes no representations or guarantees to Resident concerning the security of the Premises or the Community. Landlord is under no obligation to Resident to provide any security measure or take any action not required by statute. The presence of courtesy patrols, patrol cars, access gates, surveillance cameras or other deterrents do not guarantee that crime can or will be prevented. Landlord reserves the right to reduce, modify or eliminate any such measures (other than those statutorily required) at any time; and Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord. All such measures are subject to personnel absenteeism, human error, mechanical malfunctions and tampering. Resident is responsible for planning and taking action with respect to the safety of Resident and personal property as if such systems and deterrents did not exist.

ii. Landlord may install surveillance cameras in some common areas. These cameras may or may not be monitored and the footage recorded by these cameras may or may not be kept by Landlord for any length of time. Landlord may remove such cameras, or install additional cameras, at any time without notice to Resident. Footage from any cameras belongs to Landlord and shall not be released to any resident although such footage may be released to law enforcement personnel, insurance adjusters or others with legitimate business needs for such footage in the sole discretion of Landlord and without the consent of any individuals recorded by such footage.

iii. Landlord has no obligation to obtain criminal background checks on any residents and bears no responsibility or liability related to the criminal background or actions (whether past, present or future) of any person, even if Landlord has actually run a criminal background check on applicants. Resident agrees to hold Landlord harmless from claims arising out of criminal acts of other residents or third parties. Resident shall not rely on the fact that Landlord may have run a criminal background check on residents or any other applicant when deciding whether to enter into this Lease. Background checks are limited to the information actually reviewed and are not a guarantee that a person with a criminal background does not reside at the Community or that someone living in the Community will not commit a crime in the future. Landlord has not made and does not make any representations as to the background of any existing or future resident and Landlord is under no obligation to run background checks on any existing resident or future applicant.

iv. Resident agrees to report immediately all suspected or actual criminal activity to the appropriate local law enforcement agencies and, after doing so, to Landlord, and shall provide Landlord with such law enforcement agency's incident report number upon request. If Resident receives a copy of any law enforcement agency's incident report for an incident that occurred on the property and said incident impacted the Premises, the Community or other residents in the Community, Resident shall provide a copy of said incident report to Landlord upon request.

44. **INSURANCE:** Landlord does not maintain insurance to cover (a) Resident's personal injury, (b) loss or damage to Resident's personal property, or (c) Resident's liability for injury, loss or damage caused to others by Resident (or Occupants or guests). Resident is not a co-insured, a beneficiary, or an implied beneficiary under any insurance policy maintained by Landlord. Unless prior to the Start Date, Resident provides Landlord with written proof of a policy of liability insurance issued by an authorized insurance company that provides Resident with a minimum policy coverage amount of $100,000 per occurrence and names Landlord as an Interested Party, Resident hereby elects for Landlord to enroll Resident in a service program administered by Landlord and backed by a liability coverage program administered by an insurance company selected by Landlord. Resident agrees to reimburse Landlord for the actual cost of such program. The premium payment made by Landlord on Resident's behalf will be considered rent. Landlord reserves the right to hold Resident liable for any loss in excess of the insurance proceeds paid by the insurer. If Resident maintains its own liability insurance, Resident shall provide proof of such insurance to Landlord upon Landlord's request. Resident's failure to provide such proof within three days of a request therefor shall constitute an election by Resident for Landlord to enroll Resident in the service program specified above, at the then-current actual cost of the service program.

45. **MEGAN'S LAW:** Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and the zip code in which the offender resides. Since the information is equally available to residents and Landlord, and Landlord cannot discriminate against registered sex offenders pursuant to Penal Code Section 290.46 et seq., Landlord has not made any inquiry of any applicant or resident as to whether he or she is a registered sex offender. Resident is advised to take whatever reasonable and lawful actions Resident believes necessary to protect household members or guests against any potential harm. This includes talking to any children or individuals with a diminished capacity about how to deal with strangers and similar topics. Resident is advised that Landlord may not notify Resident if Landlord learns or is advised that a registered sex offender is living in the Community.

46. **ENVIRONMENTAL INDEMNIFICATION:** To the extent allowed by law, Resident expressly assumes and accepts any and all risks involved or related to the presence in the Premises, common areas, and Community of any and all health affecting substances, and any power lines in the vicinity of the Premises. Resident waives all claims and causes of action of any kind or nature, at law or in equity, including, but not limited to, claims or causes of action arising by statute, ordinance, rule, regulation or similar provision, against Landlord and Landlord's agents, principals, employees, legal representatives, affiliates, assignees, successors in title, partners, shareholders, officers, directors, parents, members and managers (herein collectively called the "Landlord Affiliates") with respect to any health hazard occurring in connection with the presence in the Premises, common areas, or Community of materials containing potentially health affecting substances, and claims arising out of or based upon any potentially health affecting substances brought, or allowed to be brought, into the Premises, common areas, or Community by any Resident, Occupant, guest, or invitee. Resident agrees to defend, indemnify and hold harmless the Landlord Affiliates against and from any and all actions, causes of action, claims, demands, liabilities, losses, damages and expenses of whatsoever kind, including, but not limited to, attorneys' fees at both the trial and appellate levels, that any or all of the Landlord Affiliates may at any time sustain or incur by reason of any and all claims asserted against them arising out of potentially health affecting substances brought or allowed to be brought into the Community by any Resident, Occupant, guest, or invitee.

47. **PROPOSITION 65 WARNING:** The Premises, common areas, and Community may contain chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. These chemicals may be contained in emissions and fumes from building materials, products and materials used to maintain the property, and emissions, fumes, and smoke from Resident and guest activities, including but not limited to the use of motor vehicles, barbecues, and tobacco products. These chemicals may include, but are not limited to carbon monoxide, formaldehyde, tobacco smoke, unleaded gasoline, soot, tars, and mineral oils.

For more information please contact OEHHA at (916) 445-6900 or visit http://www.oehha.org/prop65/pdf/Prop65tenants.pdf for additional

information from the California Environmental Protection Agency's Office of Environmental Health Hazard.

48. **LEAD-BASED PAINT WARNING:** Housing built before 1978 may contain lead-based paint. Lead from paint chips and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Before renting pre-1978 housing, Landlords must disclose the presence of known lead-based paint and/or lead-based paint hazards in the Unit. Residents must also receive a federally approved pamphlet on lead poisoning prevention. By Resident signing this Lease, they acknowledge receipt of Protect Your Family from Lead in Your Home pamphlet.
    i. Presence of lead-based paint or lead-based paint hazards: Known lead-based paint and/or lead-based paint hazards **are present** in the housing.
    ii. Landlord has reports or records pertaining to lead-based and/or lead-based paint hazards in the Premises and has made available to Resident all available records and reports upon Resident's request.

49. **ASBESTOS DISCLOSURE:** Before 1981, asbestos was commonly used in construction. This Community was built before 1981 and asbestos may be present. Asbestos is a chemical known to cause cancer. Asbestos may be present in sprayed-on acoustical ceiling material, insulation, fire proofing and floor tiles in the Premises and/or buildings of the Community. Disturbing or damaging certain interior Premises, common areas, and/or Community surfaces may increase the potential exposure to asbestos. Resident may not pierce, damage, disturb, or remove any portions of the Premises, common areas, and/or Community known or suspected to contain asbestos. Resident must notify Landlord immediately in writing if any portion of the Premises, common areas, and/or Community known or suspected to contain asbestos are pierced, damaged, disturbed or removed. Landlord has instituted an operations and maintenance program directed at maintaining the Community in accordance with any applicable federal and state safety requirements regarding asbestos-containing material. This program is designed (among other things) to prevent release of asbestos fibers into the air; minimize disturbance of damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Resident, Occupants, guests, or invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's operations and maintenance program, including without limitation to the following:
    i. Hazardous Materials: Resident shall not take or allow any action which in any way damages or disturbs all or part of the ceiling, flooring, walls, insulation in the Premises, including but not limited to: Piercing the surface of the ceiling, flooring, walls or insulation by drilling or any other method; hanging plants, mobiles, or other objects from the ceiling; allowing any objects to come into contact with the ceiling; permitting water or any other liquid to come into contact with the ceiling; painting or undertaking any repairs or improvements with respect to the ceiling or floor tiles; or undertaking any activity which results in building vibration which may damage the ceiling.
    ii. Resident shall notify Landlord immediately in writing if there is any damage to or deterioration of the ceiling, flooring, walls or insulation of the Premises, including (without limitation) loose, cracking, hanging, or dislodged material, water leaks, or stains in the ceiling, flooring, walls or insulation.

50. **CREDIT REPORTING:** Resident is notified that Resident's performance as a tenant of this Community may be reported to credit reporting agencies.

51. **SOCIAL MEDIA:** Landlord maintains an online presence through its website and social media. This online presence includes, but is not limited to, displaying images from community events organized by Landlord. From time to time Landlord will capture still ("photo") and moving ("video") images at these events. Resident hereby acknowledges that by attending these events Residents accepts and agrees to the potential of being depicted in those images and further agrees to permit Landlord to use Resident's, Occupants', guests' or invitees' likenesses, without compensation, for the limited purpose of Landlord's online presence. Please note that Landlord respects Resident's privacy and at Resident's written request Landlord will remove any image depicting Resident, Occupants, guests or invitees.

F. COMMUNITY CONSIDERATION

52. **USE OF PREMISES:** Resident agrees to use the Premises solely as a private residence. Storage areas, parking areas, balconies, patios, outdoor areas, and decks shall not be used for occupancy. Resident shall not use the Premises as a business address, nor shall Resident conduct business activities on the Premises. Conducting business activities includes, without limitation, using the Premises as a mailing address for a business enterprise, having a business telephone line in the Premises, having business clients meet with Resident at the Premises, having business stationery setting forth the address of the Premises as a business address, assembling or manufacturing any product upon the Premises, or otherwise holding out the Premises as the address of any business. Resident may, however, insofar as it is consistent with the restrictions set forth in this section, and with the written consent of Landlord, use a portion of the Premises as a "home office." Nothing set forth herein shall be deemed as disallowing any use of the Premises that cannot be prohibited legally.

53. **CONDUCT OF RESIDENT:** Resident agrees not to harass, annoy, or endanger any other resident, neighbor, or other person, or create or maintain a nuisance, or disturb the peace or solitude or quiet enjoyment of any other resident, neighbor or other person, or commit waste in or about the Premises. Resident further agrees not to harass, verbally abuse, denigrate or otherwise disrespect Landlord's employees, agents and/or contractors or interfere with the operations of the Community or the work of Landlord's employees or agents. Resident agrees to keep the volume of any activity, radio, stereo, electronic equipment, television or musical instrument at such a level which will not disturb the other residents at any time. Any noise, disturbance, or activity which would, in the sole and absolute discretion of Landlord, be reasonably likely to annoy or disturb other residents is strictly prohibited. Certain acts are considered to be contrary to the safety, well-being, peace, and enjoyment of the other residents of the Community. These include, but are not limited to, the use, possession or sale of illegal drugs or controlled substances and the carrying or exhibiting of firearms in the Community. Such acts are prohibited. The carrying or exhibiting of firearms may be permitted with written consent of Landlord if doing so is required by law or job necessity. Resident shall not deface or damage any part of the Premises or the common areas or the Community or permit the same to be done. Resident shall not keep in the Community any flammable or explosive materials or any substance considered dangerous, hazardous, or toxic under any governmental law or regulation. Resident shall not do or permit anything to be done in the Premises that may be deemed hazardous or which will cause a cancellation of or an increase in the premiums for any insurance for the Community. Resident is responsible for the conduct of Occupants, guests, and invitees, including without limitation any minors, while they are in the Premises and in the Community. A resident conducting any of the activities set forth in this section, or who allows Occupants, guests, or invitees to conduct any of said activities shall be deemed in violation of this Agreement, and said activity shall be grounds for termination of this Agreement. This provision constitutes written notice to cease any breach of this section, including, without limitation, committing or permitting to exist a nuisance in the Premises, building, or Community.

54. **PARKING:** Resident, Occupants, guests, and invitees shall follow the Parking Rules and Regulations, as the same may be amended from time to time. Landlord shall not be liable for any damage or loss to motor vehicles, the contents of motor vehicles, or personal property of Residents, Occupants, guests, or invitees. Failure to follow the Parking Rules and Regulations and posted signs relating to parking and operation of vehicles will result in the towing of the offending vehicle at the cost of the vehicle owner.

55. **OCCUPANTS:** Any person staying in the Premises for longer than two weeks or 20 nonconsecutive days out of the year shall be considered to be occupying the Premises. The Premises shall be occupied only by the person(s) indicated in Section 2. No other persons have permission to occupy the Premises unless such permission is in writing and signed by Landlord. Landlord's acceptance of rent from any other individual shall

be deemed to be the payment of rent on behalf of the Resident and shall not constitute permission for the person making the payment to occupy the Premises. Should any person not named in Section 2 make any claim of right to possession of the Premises, any such person shall be deemed to be the guest or invitee of the named Resident and their claim to right of possession shall be denied. Any Occupant, named in Section 2, who is not a signatory to this Lease shall be deemed to be an invitee of Resident, who is a signatory to this Lease. Accordingly, if any such Occupant is not named in any unlawful detainer action to regain possession of the Premises, and if any such individual thereafter makes a claim to right of possession of the Premises, that claim shall be denied on the basis that said individual is the invitee of the named Resident and does not have an independent claim to right of possession of the Premises.

56. **GUESTS:** Any person occupying the Premises shall be considered an unauthorized occupant in violation of this Lease unless that person has completed a rental application, been approved, and been added to the Lease.

57. **ASSIGNMENT AND SUBLETTING**: Resident shall not assign this Lease nor sublet all or any part of the Premises without Landlord's written consent. Resident shall not sublet all or any part of the Premises on a short-term basis, including without limitation through Air BNB or any other short-term rental program. Permitting any person not named as an Occupant or as a Resident in this Lease to occupy the Premises shall be deemed an improper subletting of the Premises and shall subject the tenancy to termination. This provision constitutes written notice to cease any breach of this section, which breach is incurable pursuant to state law. Any attempted subletting or assignment in violation of this provision shall be void. In the event that no original Resident remains in residency at the Premises, Landlord may reset the rent in accordance with the Civil Code and Rent Stabilization Ordinance.

58. **PETS:** No pets are permitted in the Premises without the prior written consent of the Landlord through an Animal Addendum to this Lease. Permission to keep a pet may be granted, denied, or revoked in Landlord's sole discretion. Except to the extent written permission has been given, pets may not be brought upon the Premises, whether such pets belong to Resident or to any other person. The presence of any pets for which written permission has not been given and is not currently in force, even if such pets are "just visiting" shall be deemed a material breach of this Lease. This policy does not apply to accommodation or service animals. A disabled individual who requires an animal in order to be able to use and enjoy the Premises or the Community should contact Landlord before bringing the animal onto the Premises and request an accommodation to this Lease provision. All accommodation requests will be processed in accordance with applicable laws. Resident is responsible for reimbursing Landlord for the costs of repairing damage to the Premises, common areas, or Community caused by animal(s) under the control of or visiting Resident. Resident must promptly notify Landlord of any damage caused by animals.

59. **CLOTHESLINES/DRYING RACKS**: If the Premises has a private patio, deck, or balcony, which is enclosed by a fence, railing, or other structure, Resident is permitted to hang clothing, blankets or other laundry on the patio, deck, or balcony subject to the following rules and conditions:
   - **i.** No more than two drying lines/racks may be in use at any one time.
   - **ii.** Items may not be left on the drying lines/racks for more than 24 hours (i.e., all items must be removed within 24 hours of being put out on the drying lines/racks).
   - **iii.** Drying lines/racks must be free standing.
   - **iv.** No drying lines or racks may be attached or affixed in any manner to any portion of the building, fence, railing, wall, building support structure, or light fixtures.
   - **v.** Drying lines/racks cannot be higher than the patio, balcony, or deck fence or railing.
   - **vi.** Drying lines/racks cannot be clearly visible from the sidewalk or street.
   - **vii.** Drying lines/racks cannot block entrance to or egress from the Premises, create a health or safety hazard or interfere with walkways or utility service equipment.
   - **viii.** Drying lines/racks cannot interfere with the maintenance of the Community.
   - **ix.** Clothes may not be draped over fence or balcony railings, or hung from any building fixtures.

   If the private patio or balcony is not enclosed by a fence, railing, or other structure, Resident is not permitted to hang clothing, blankets, or any other laundry on the patio, deck, or balcony.

G. UTILITIES AND HOT WATER

60. **UTILITIES:** Utility services shall be provided directly from the utility provider or, at the sole discretion of Landlord, on a sub-metering, square footage, or other allocation basis. Landlord reserves the right to modify the method by which the utilities are furnished to the Premises or billed to Resident during the term of this Lease and may modify billing Resident for utilities previously included in the rent by giving Resident a 30-day written notice. Reference the utility addendum for detailed terms, conditions and methodology.

   The following terms shall apply:
   - **i.** Resident agrees to pay all charges for utilities for the Premises for the term of the Lease including but not limited to those listed in the Utility Billing Addendum. Charges may be assessed by the utility provider or Landlord or Landlord's designated Billing Party in the case of utilities billed to Resident by Landlord in connection with Resident's use of utilities.
   - **ii.** Resident shall not use any utility in a wasteful, unreasonable, or hazardous manner and agrees to comply with all utility conservation efforts implemented by Landlord.
   - **iii.** Landlord is not liable for claims arising from utility service outages, interruptions, or fluctuations in utilities provided to the Premises not reasonably within Landlord's control.
   - **iv.** For any utility which Resident is responsible for paying directly to the utility provider, Resident must contact the utility company prior to move-in to have the services placed in Resident's name no later than ten (10) business day following move-in. Resident shall continue to contract with the utility provider throughout the term for continuous utility service. Resident's failure to make necessary arrangements for Resident's utility service may result in an interruption of services and Resident's failure to transfer utility services to Resident's name or failure to have continuous utility service may be, at Landlord's discretion, considered a material breach of this Lease and will permit Landlord to terminate the Lease. If Resident fails to pay any utility charges that are to be paid by Resident, Landlord may, at its option, pay such charges to retain continuing utilities service. If Landlord does so, any such charges may be billed to Resident by Landlord and said billing shall become due and payable, in full, as additional rent together with the regular monthly rent payment on the first day of the month next following the date of such billing.
   - **v.** Resident shall not use any utilities in the common areas for their own personal use without written consent of the Landlord.
   - **vi.** Resident agrees not to disturb, tamper, adjust, or disconnect any utility service, sub-metering device or system.

61. **HOT WATER:** The following will apply.
   - **i.** The water temperature in the Premises is set at 120 degrees Fahrenheit or below. When the water temperature is 120 degrees Fahrenheit, or below, bacteria may enter the water heater or associated plumbing and accumulate. If Resident desires the thermostat to remain at 120 degrees Fahrenheit, or below, Resident assumes any and all risks associated with any bacterial growth in the water heater or associated plumbing.

ii. Resident should be aware that some units may be equipped with an HVAC heating system which operates on hot water. To achieve full heating potential, it may be necessary to increase the temperature of the water heater during the colder months of the year. Resident should also be aware that some units operate on centralized hot water systems which service multiple units and as such individual adjustments in temperatures will not be possible.

iii. If Resident desires the water temperature in the Premises to be higher than 120 degrees Fahrenheit and the Premises has an individual hot water heater, Resident will request, in writing, the temperature of the hot water heater to be adjusted by Landlord, and Resident shall specify the desired temperature at which Landlord is requested to set the thermostat.

iv. Resident understands that if the temperature is set above 120 degrees Fahrenheit, that the water released from the taps in the Premises may scald or burn anyone using water, and potentially cause severe injury.

v. Resident may not tamper with, or adjust the water temperature thermostat in the Premises in any way without written authorization from Landlord.

vi. Resident agrees to indemnify and hold Landlord harmless in any action involving any injury related to the temperature of the water, the water system or the associated plumbing in the Premises.

H. ADDITIONAL TERMS

62. **REQUESTS FOR ACCOMMODATIONS OR MODIFICATIONS:** A disabled person shall be provided reasonable accommodations or reasonable modifications to the extent necessary to provide the disabled person with an opportunity to use and occupy the Premises in a manner equal to that of a non-disabled person. If Resident believes Resident, Occupant, or a member of Resident's household requires an accommodation or modification as a result of a disability, Resident should contact Landlord to begin the interactive process.

63. **MILITARY:** Military personnel on active duty may terminate this lease under Federal law if:
   i. Resident becomes a member of the Armed Forces of the United States after Resident enters into the Lease; or
   ii. Resident is or becomes a member of the Armed Forces of the United States and receives:
      a. Orders for a permanent change of station; or
      b. Orders to deploy for a period of at least 90 days.

   Landlord fully supports its residents who are active-duty or reserve military personnel. Resident must give Landlord written notice of termination. For rentals when rent is paid monthly, the termination becomes effective 30 days after the first date on which the next rent payment is due after the termination notice is delivered and no further rent will be owed following the expiration of the notice period (or the actual move-out date, if later). Resident must furnish the Landlord with proof to establish that Resident qualifies for this limited exception. Proof may consist of any official military orders, or any notification, certification, or verification from the service member's commanding officer, with respect to the service member's current or future military duty status. Military permission for base housing does not constitute a permanent change-of-station order.

64. **OFFICE OF FOREIGN ASSETS CONTROL:** Resident represents and warrants that Resident and each person or entity owning an interest in Resident is:
   i. Not currently identified on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list maintained by OFAC pursuant to any authorizing statute, executive order or regulation (collectively, the "List").
   ii. Not a person or entity with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States.
   iii. None of the funds or other assets of Resident constitute property of, or are beneficially owned, directly or indirectly, by any Embargoed Person (as hereinafter defined).
   iv. No Embargoed Person has any interest of any nature whatsoever in Resident (whether directly or indirectly).
   v. None of the funds of Resident have been derived from any unlawful activity with the result that the investment in Resident is prohibited by law or that the Lease is in violation of law.
   vi. Resident has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times. The term "Embargoed Person" means any person, entity or government subject to trade restrictions under U.S. law, including but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 at seq., and any Executive Orders or regulations promulgated there under with the result that the investment in Resident is prohibited by law or Resident is in violation of law.

   Resident covenants and agree(s):
   i. To comply with all requirements of law relating to money laundering, anti-terrorism, trade embargo and economic sanctions, now or hereafter in effect.
   ii. To immediately notify Landlord in writing if any of the representations, warranties or covenants set forth in this section or the preceding section are no longer true or have been breached or if Landlord has a reasonable basis to believe that they may no longer be true or have been breached.
   iii. Not to use funds from any "Prohibited Person" (as such term is defined in the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism) to make any payment due to Landlord.
   iv. At the request of Landlord, Resident may be asked to provide such information to determine Resident's compliance with the terms hereof.
   v. Resident hereby acknowledges and agrees that Resident's inclusion on the List at any time during the term shall be a material default. Notwithstanding anything herein to the contrary, Resident shall not permit the Premises or any portion thereof to be used or occupied by any person or entity on the List or by any Embargoed Person (on a permanent, temporary or transient basis), and any such use or occupancy of the Premises by any such person or entity shall be a material default.

65. **NON-DISCRIMINATION:** There shall be no discrimination against or segregation of, any persons on account of race, color, national origin, ancestry, creed, religion, gender, gender identity, gender expression, sexual orientation, genetic information, marital status, familial status, age, source of income, handicap, disability, citizenship status, immigration status, primary language spoken or any other protected classification under state or federal law, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Premises, nor shall the Landlord or any person claiming under or through Landlord, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, or vendees of the Premises.

66. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to the provisions of this Lease. This provision shall be interpreted in its strictest sense irrespective of the relative hardship to the Parties.

67. **SUCCESSORS:** If the property is sold or the ownership interest otherwise transferred, the successor in interest of Landlord shall be deemed the assignee of all rights arising under this Lease, and shall be entitled to enforce the provisions of this Lease against Resident. Nothing in this provision shall be construed as conflicting or superseding the foregoing subordination or as requiring a continuation of the tenancy in the event of a foreclosure or other involuntary transfer of ownership.

68. **SUBORDINATION:** This Lease shal. ıout further act on the part of Resident, be subject a ubordinate to the lien of any mortgage and/or any deed of trust or other encumbrance which may now exist, upon, or which may hereafter be placed by Landlord upon, the leased Premises or property including the Premises.

69. **ATTORNMENT:** Resident hereby agrees that Resident will recognize as its Landlord under this Lease and shall attorn to any person succeeding to the interest of Landlord in respect of the land and the buildings on or in which the Premises is contained upon any foreclosure of any mortgage upon such land or buildings or upon the execution of any deed in lieu of such foreclosure in respect of such mortgage. If requested, Resident shall execute and deliver an instrument or instruments confirming its attornment as provided for herein; provided, however, that no such mortgagee or successor-in-interest shall be bound by any payment of rent for more than one 1 month in advance, or any amendment or modification of this Lease made without the express written consent of such mortgagee.

70. **ESTOPPEL CERTIFICATE:** Resident agrees that within 5 days of Landlord's request, Resident must execute and deliver to Landlord a written statement certifying that this Lease is unmodified and in full force and effect (or if modified, describing the modification). Any prospective or actual property purchaser may rely upon Resident's written statement. Should Resident fail to deliver a statement within the specified time, it will be conclusively presumed that the Lease is unmodified and in full force and effect, except as otherwise indicated, and there are no uncured defaults in Landlord's performance, and any other details specified by Landlord originally requested of Resident.

71. **CONTENTS OF THIS LEASE:** The failure of Landlord to insist upon strict performance of any of the covenants and agreements of this Lease or any addenda thereto, or to exercise any rights arising under this Lease, shall not be construed to be a waiver of Landlord's right to subsequently enforce any such provision or to insist upon any such right. The fact that Landlord may have accepted late payment(s) on one or more occasions shall not be deemed a waiver of Landlord's right to insist upon timely payment or rent or to exercise any remedy available for late payment of rent. Acceptance of rent following a breach of this Agreement shall not be deemed to constitute a waiver of such breach. No custom or practice which may develop between the Parties in the course of the tenancy shall be construed to waive the right of Landlord to enforce any provision of this Lease.

72. **SEVERABILITY AND PROVISIONS REQUIRED BY LAW**: If a provision or section of this Lease is legally invalid, or declared by a court to be unenforceable, such provision or section will be deemed deleted and the rest of this Lease will remain in effect. To the extent any provision of this Lease is in direct conflict with any provisions of applicable law, such provision is hereby deleted. Any provision specifically required by applicable law which is not included in this Lease is hereby inserted as an additional provision of this Lease, but only to the extent required by applicable law and then only so long as the provision of the applicable law is not repealed or held invalid by a court of competent jurisdiction.

73. **ENTIRE AGREEMENT**: This Lease, including all addenda executed by both Parties, sets forth the entire agreement among the Parties with respect to the matters set forth in it. It shall not be altered nor modified unless such alteration or modification is in writing and signed by all signatories to this Lease. No verbal agreements or representations have been made or relied upon by either party or any agent or employee of either party, and neither party nor any agent or employee of either party is entitled to alter any provisions of this Lease by any verbal representations or agreements to be made subsequent to the execution of this Lease. The foregoing notwithstanding, if Resident holds over after the expiration of the Lease term on a month-to-month basis, Landlord may change any provision of this Lease without the consent of Resident in the manner prescribed by California Civil Code Section 827.

74. **SECTION HEADINGS:** The section headings are inserted only for convenience and are not intended to define or limit the scope or intent of any clause.

75. **NOTICES:**
   - i. Any notice that Landlord gives to Resident shall be deemed properly served (whether or not actually received by (Resident) if served in the manner prescribed in Code of Civil Procedure Section 1162. Except as prohibited by law, if Landlord fails to serve the notice in accordance with the provisions of Code of Civil Procedure Section 1162, but Resident actually receives the notice, the actual receipt shall be deemed to cure any defects in the manner of service and the notice shall be deemed properly and personally served. Service upon any Resident of the Premises shall be deemed valid service upon all Residents - it is not necessary to serve each Resident individually unless otherwise required by law.
   - ii. Any notice that Resident gives to Landlord shall be given to the business manager, assistant business manager, or sales associates, who are authorized to manage the Premises, at the management office(s) located at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303 during normal business hours. The telephone number is 650-566-2000. On non-holidays, the business hours, which remain subject to change, are: Monday and Wednesday, 9am to 6pm, Tuesday 10am to 6pm, Thursday and Friday 9am to 7 pm, Saturday and Sunday 10am to 7pm.
   - iii. The persons designated above are the persons authorized by the owner to act for an on behalf of the owner for the purpose of service of process and for the purpose of receiving and giving receipts for all notices and demands.

76. **JOINT AND SEVERAL LIABILITY AND AUTHORITY:** In the event of more than one Resident, each Resident is jointly and severally liable for each provision of this Lease and service of any notice or demand upon one shall constitute notice to each other Resident. All persons signing this Lease as Resident shall remain jointly and severally liable for all obligations arising under it, whether or not they remain in actual possession of the Premises. The giving by any individual Resident of a notice of termination of tenancy shall not terminate the Lease as to that Resident unless all Residents vacate the Premises by the agreed date. Landlord may, however, treat any such notice as a notice binding against all Residents of the Premises, and may institute unlawful detainer proceedings against all Residents if they do not restore possession of the Premises to Landlord on or before the end of the notice period. Conversely, Landlord may, at its sole option, if one or more Resident gives notice, but all Residents do not return possession of the Premises to Landlord within the notice period, continue the tenancy in effect and, if Landlord does so, all Residents, including the Resident giving notice, shall remain fully liable for all obligations arising hereunder whether or not they remain in occupancy of the Premises.

77. **ELECTRONIC SIGNATURES**: The Parties agree that they may enter into this Lease by electronic means, although traditional hard copies with wet signatures may be used instead at the option of Landlord. Resident agrees and acknowledges that if Resident is entering into this Lease with Landlord by electronic means, doing so is not conditioned on Resident's agreement to conduct the leasing transaction electronically.

78. **ATTACHMENTS/ADDENDA:** Resident(s) acknowledges receipt of a copy of the attachments/addenda listed in this section, which are incorporated into and made part of this Lease. Resident(s) agrees to abide by said attachments/addenda in all respects. Any failure to comply with any of the attachments shall be deemed a breach of this Lease. If there is a conflict between these policies and the Lease, the Lease shall govern.

COMMUNITY POLICIES

This document is an addendum to the California Lease Agreement ("Lease") dated **May 4, 2014** by between **Juan Rodirguez Raquel Rodriguez** ("Resident") and **Woodland Park** ("Landlord") for the **Unit # 21** ("Premises") located at **301 East O'Keefe Street, East Palo Alto, CA 94303.**

In order to maintain and promote the Community, Landlord has established the following policies for the comfort and convenience of all residents. These Community Policies may be modified by written notice to residents.

1. **Service Requests:** All requests for service should be made in writing, delivered personally, sent via electronic mail, or submitted to the online resident portal. In an emergency, call 911 directly for help. Notify the Landlord immediately after.

2. **Laundry Facilities:** Laundry facilities are for the exclusive use by Resident and/or Occupants during the hours posted. Items should not be left unattended in the laundry area. Landlord is not responsible for loss or damage to personal items or clothing. To ensure the washers and dryers are working when needed, please follow the posted operating instructions carefully and treat the machines with care. If any of the laundry machines are not working properly, please notify Landlord immediately, so service can be arranged. A few additional tips:
   - i. Do not put plastic items in the dryer.
   - ii. Always clean the lint screen prior to use.
   - iii. Never operate the dryer without a lint screen,
   - iv. Refrain from overloading the washing machine or dryer. Do not use laundry facilities to wash or dry bulky items such as comforters.
   - v. We recommend leaving washer door open after cycle for better ventilation.
   - vi. Always clean the lint screen prior to using the dryer never operate it without a lint filter.
   - vii. Never dry items that have come into contact with flammable substances like cooking oil, gasoline, paint thinner, or alcohol.

3. **Appliances:** The following policies must be followed with regard to appliances.
   - i. Appliances shall not be removed from the Premises, common areas, or Community.
   - ii. The Dispose All should only be used for the purpose for which it was designed. The following items should not be put in the Dispose All: metal, string, grease, coffee grounds, nut shells, fruit pits, corn on the cob, or potato peel.
   - iii. The bathroom fixtures should only be used for the purpose for which they were designed. The following items should not be disposed of in the toilets: diapers, paper towels, sanitary napkins, tampons, food, and baby wipes rags. Resident shall be held responsible for any repairs or damage resulting from the disposal of such items in the toilet. If Resident puts any other foreign objects in bathroom or plumbing fixtures, Resident shall reimburse Landlord for any repairs or damage caused by the same.
   - iv. Dishwashers should not be overloaded and only detergents made for automatic dishwashers should be used. We recommend using a rinse agent to improve drying and reduce spots and build up in dishwasher.
   - v. To keep the oven clean, use mild detergents following each use and do not use hard abrasives on chrome or glass parts of the oven.
   - vi. On the stove, never place foil under the burner pans.

4. **Interior Alterations:** Resident must obtain the prior written approval of Landlord before making any interior alteration. Any expenses incurred to restore the Premises will be at Resident's expense. Resident may not use nails when hanging pictures, mirrors, or other wall hangings. Please use adhesive hangers.

5. **Window Coverings Signs:** Resident shall not use blankets, sheets, foil or non-standard window coverings in place of draperies or blinds. Except as permitted by law, Residents shall not place objects on window or window sill which are visible from the outside.

6. **Community Equipment Facilities:** Recreational facilities may include business centers, fitness rooms, swimming pools, and community rooms. Residents, Occupants, guests and invitees shall abide by all rules and regulations for the use of the recreational facilities. Resident, Occupants, guests and invitees will avoid conduct that Landlord deems inappropriate or disruptive. Any person in violation of these rules will be asked to vacate the area immediately. Failure to adhere strictly to the posted rules and regulations is acknowledged as grounds for suspension of privileges or termination of the tenancy in accordance with law. Landlord may change the rules and regulations at Landlord's discretion. Exercise care when enjoying the recreation facilities/equipment. Landlord is not responsible for physical injuries that result from the use of the recreational facilities/equipment. Any damages to any of the recreational facilities/ equipment caused by Resident, Occupants, guests or invitees will result in Resident being responsible for the cost of repairing the damages. Take caution to lock/close common area doors and gates. No pets are allowed in any of the recreational facilities.

7. **Communities with Pools:** Resident is required to limit guests to no more than two at a time and accompany them to the pool. Visitors not accompanied by Resident will be asked to leave. Glass containers are not allowed in the pool area. Please help keep the pool area clean. Proper pool attire, such as bathing suits or swim trunks, is required. Children who are not toilet trained must wear a swim diaper. Cut-off jeans, T-shirts or non-swim diapers are not allowed. Additional pool policies and hours are posted by the pool. For safety reasons, do not swim alone.

8. **Patios Balconies:** Resident shall comply with the following rules:
   - i. Patios and balconies are to be kept neat and orderly at all times.
   - ii. The installation of sunshades, blinds or hanging fabrics is not allowed.
   - iii. The construction of walls, ceilings, or other permanent attachments to the patio or balcony is not permitted.
   - iv. Patios and balconies may not be used as bedrooms.

   - vii. No motorcycles are allowed to be kept on any patios or balconies at any time.
   - viii. Unapproved bike hooks are not permitted and will be removed.
   - ix. Only furniture designed for outdoor use is permitted.

9. **Trash Removal:** Containers are located at various places throughout the Community. Residents shall secure trash and place it in a designated container. Residents shall not place trash on the ground if dumpster is full and should proceed to the next closest container to dispose of the trash. Resident shall not place large articles, such as furniture, for trash removal and Resident shall make alternate arrangements with a private disposal service to pick up such item at Resident's expense. Recyclable materials shall be separated from trash disposed of in the recycling receptacles. Boxes should be recycled and broken down before disposal. Resident shall not dispose of hazardous materials in any container or other location at the Community. Resident shall only dispose of refuse in compliance with applicable laws. Resident may be charged a fee for not following these guidelines. Do not store trash on porches, balconies or in the hallways unless it is an approved container provided by the Landlord is served regularly by the Landlord or a third-party vendor.

10. **Recycling:** Resident agrees to comply with all present and future Community policies, laws, orders regulations of all state, federal, municipal local governments regarding the collection, sorting, separation, recycling of waste products, garbage, and refuse trash.

11. **Barbeques:** The use or storage of any charcoal burner, liquid petroleum, gas fueled or any other open flame cooking devices are prohibited in

the Premises, including on any patio or balcony.

12. **Loitering:** No unnecessary loitering in laundry facilities, recreation areas, leasing office, amenity areas, parking areas, or other common areas.
13. **Recreational Equipment:** Skateboards, motorcycles, bicycles and similar vehicles may not be stored in entry ways or under stairs without prior written permission from Landlord. Skateboards, roller-blades or other similar recreational equipment usage in Premises and in common areas is prohibited.
14. **Posting Flyers:** Resident is not authorized to distribute advertising, information or any other type of flyer, door-to-door, on cars, anywhere else in the building or throughout the Community, except as authorized by law. Landlord may designate a place for such items to be displayed remove items that are not in keeping with the nature of the Community, as determined by Landlord.
15. **Garage Storage:** Parking areas may only be used to park the Resident's registered, operational personal vehicle(s) in accordance with the Lease and Parking Rules and Regulations. Resident shall not use any parking area as storage for equipment, personal items, containers, vehicle parts or inoperable vehicles. In addition, Resident will not under any circumstances use any parking area or storage space to store flammable or toxic chemicals /or waste. The parking area and storage space may not be used for occupancy. If Resident violates these requirements Resident agrees to immediately reimburse the Landlord for any costs associated with the removal of the unauthorized materials immediately vacate the parking area or storage. Resident further agrees to be liable for any and all damage caused by Resident's carelessness or negligent driving, which may result in the destruction of the storage space and/or parking area or to any other vehicle near garage or storage space. The Landlord shall not be liable for any loss, theft, damages and/or destruction of any personal property contained in any parking area or storage space. Nor shall the Landlord be held liable for or held responsible for any injury to any Resident, Occupant, guest or invitee resulting from the use of any parking area and/or storage space.
16. **Solicitors and Salespeople:** Solicitors are not allowed in the Community, except as authorized by law. Residents shall report all solicitors or salespeople to the Landlord immediately.
17. **Car Wash and Repair:** Vehicle repairs, including oil changes washing of vehicles are prohibited in the common areas and Community unless there is a designated area provided by Landlord.
18. **Moving of Furniture:** Landlord may designate the time and method for moving items to and from the Premises such as any furniture, merchandise, goods, freight or other such items. Residents may not move furniture to and from the Premises through the lobby, patio doors, or through the use of elevators (if available) without Landlord's permission. If elevators are installed at the Community, Landlord does not guaranty that the elevators will be available for use by Resident nor shall Landlord be liable for any loss resulting from the unavailability of elevator service.
19. **Notification of Changes:** Resident shall notify Landlord immediately in writing with any change to Resident's employer, employer telephone number, alternate phone numbers, emergency contact or other pertinent information.

Resident and Landlord represent that they have read this Addendum, understand the terms and conditions contained herein, and agree to the terms conditions contained herein.

NOTICE OF ORDINANCE AT COMMENCEMENT OF TENANCY

Section 6 of the East Palo Alto Rent Stabilization Just Cause of Eviction Ordinance of 2010 requires Landlords provide residential tenants with a written notice of this Ordinance at the commencement of any tenancy.

RENTS RENT INCREASES

How Much Can Rents be Increased Each Year:

The Rent Stabilization Board determines the percentage increase each year, the Annual General Adjustment ("AGA"), that Landlords can raise rents for tenants in regulated rental units. **The percentage of rent increase allowed**, including for all fees for regulated housing services, **for the 2017-2018 program year is 2.7%.**

Landlords, who are in compliance with the Ordinance, may increase rents between July 1 and June 30 of each program year by the amount of the AGA after giving a proper 30-day notice to a tenant. A landlord is eligible to increase rents using AGAs only if the landlord:

1. Registers all units in the same property with the Rent Stabilization Program;
2. Substantially complies with the Rent Stabilization Ordinance /or orders or regulations issued under the Ordinance, including not charging more than the maximum allowed rent;
3. Ensures the rental unit complies with the implied warranty of habitability; and completes all repairs ordered by the City.

Fees paid to a landlord for regulated housing services such as parking or utilities are generally part of the rent. An increase in fees for housing services, or charges for additional services that were not included in a tenant's initial rental agreement, are generally considered rent increases must conform to the requirements for raising rents.

Accumulating AGAs for Future Rent Increases:

Landlords may raise rents by a lesser amount than allowed by the AGA or choose not to raise rents in any given year, and in that event, they may apply the AGA for future use to raise a tenant's rent. Rent increases may not exceed **10%** in any 12-month period.

Certificate of Maximum Allowable Rent ("MAR"):

Certificates are issued upon Initial Registration of a rental unit, upon occupancy by a new tenant, and upon individual request. They are not issued every year. Based on information submitted by Landlords, the Rent Stabilization Administrator calculates the Maximum Allowable Rent in the Certificates issued for rental units that have been properly registered with the City. A tenant cannot be charged rent, including any fees for regulated housing services, that exceeds the MAR for the timeframe specified in the Certificate issued for their unit.

RIGHT TO PETITION FOR VIOLATIONS OF ORDINANCE

A tenant can file petition A, B /or C when their landlord violates the requirements of the City's Rent Stabilization Ordinance. A tenant may file a petition seeking a rent reduction or a rebate for rent already paid for the following reasons:

File Petition A for a Rent Reduction Rebate for Maximum Allowable Rent Violations: This petition may be filed when rent is being charged over the Maximum Allowable Rent for a regulated rental unit. A tenant can also file Petition A if their landlord failed to properly register the unit.

File Petition B for Rent Reduction Rebate for Housing Service Reductions, including Maintenance Breach of Implied Warranty of Habitability: This petition may be filed when the tenant experiences habitability /or maintenance problems, /or reductions in services that have not been corrected in a reasonable time.

File Petition C for Approval to Withhold Rent for Landlord's Failure to Register a Unit with the Rent Stabilization Program: Tenants may contact the Rent Program to find out if their rental unit is properly registered for more information about this provision in the Ordinance.

PROTECTIONS AGAINST EVICTIO WITHOUT CAUSE

Evictions are only permitted for the specific reasons cited in the Ordinance. Evictions not meeting these requirements can be contested in any action to recover possession of a rental unit in court.

Landlords must specify at least one of the permitted grounds for eviction listed in the Ordinance in a written notice of termination of tenancy. Permitted grounds for eviction include failing to pay rent, violating the lease, or engaging in disorderly or destructive conduct, among other reasons.

The landlord must file with the Rent Board a copy of any termination of tenancy unlawful detainer action within five calendar days after the tenant has been served with such a notice.

TENANT PROTECTION ORDINANCE (Codified in Section 14.02 of the Municipal Code):
In May 2014, the City Council adopted the Tenant Protection Ordinance ("TPO") to further protect tenants. The TPO requires landlords to provide tenants a tenant rights information sheet, to give keys to every adult occupant in the rental unit, and to replace locks before a new tenancy begins. The TPO prohibits landlords from discriminating against families with children or based on the student or non-student status of housing applicants and tenants. It also prohibits landlords from harassing or taking retaliatory action against tenants. The TPO confirms tenants' rights to organize and to distribute literature related to tenancy issues. The TPO also provides for relocation assistance when units are to be demolished or removed or tenants have to temporarily relocate due to necessary repairs.

Information About Bedbugs Pest Control Policies

This document is an addendum to the Lease Agreement dated **May 4, 2014** by and between **Juan Rodirguez Raquel Rodriguez** and **Woodland Park** for **Unit # 21 located at 301 East O'Keefe Street, East Palo Alto, CA 94303.**

1. In recent times, bed bugs have become a re-emerging problem nationwide. One reason for these increasing problems is that it is easy for persons to spread the problem unknowingly. Bed bugs readily hide in small crevices and are notorious hitch-hikers. Bed bugs are often transferred by purchasing used furniture and through travel in luggage and in hotel beds linens.

2. Landlord provides the following information about bedbugs pursuant to California Civil Code Section 1954.603:

   a) Bed Bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

   b) Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

   c) Bed bugs can survive for months without feeding.

   d) Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

   e) Common signs symptoms of a possible bed bug infestation:

      • Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.

      • Molted bed bug skins, white, sticky eggs, or empty eggshells.

      • Very heavily infested areas may have a characteristically sweet odor.

      • Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

   f) For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

3. The best strategy for effective pest control is prevention. The following are recommended steps in the prevention of infestations by insects vermin, including bed bugs: (1) Clean Premises regularly, including vacuuming mattresses; (2) Clean up clutter to help reduce the number of places insects like bed bugs can hide; (3) Carefully thoroughly inspect used furniture or clothes you acquire bring into the Premises; Ask the person from whom you acquire the items if the items were checked and treated for bed bugs; (4) Do not bring discarded furniture, mattresses or clothing into the Premises; and (5) When traveling or staying in hotels, avoid places which do not appear to be cleaned regularly.

4. If the Premises or neighboring Premises are infested with vermin or insects, including bed bugs, Landlord may hire a pest control professional to develop a treatment plan and apply pesticides. The Premises must be properly prepared for any treatment and Resident must cooperate with the implementation of the treatment plan.

Resident and Landlord represent that they have read this Addendum, understands the terms and conditions contained herein, and agree to the terms conditions contained herein.

UTILITY ADDENDUM 2 (WITH GAS ELECTRIC CHARGES)

UTILITY/ SERVICE	UTILITY'S CUSTOMER OF RECORD	CHARGED TO RESIDENT?	CALCULATION METHOD ("FORMULA") For CHARGES TO RESIDENT	COMMON AREAS
Water	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill
Sewer	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill
Trash	Landlord	Yes		Resident will pay a pro-rata share of the utilities consumed in common areas
Gas	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill
Electricity	Landlord	Yes		Are not separately metered a deduction of 0% for estimated common area charges is made before calculating Resident's bill

This document is an addendum to the California Lease Agreement ("Lease") dated May 4, 2014 between Juan Rodirguez Raquel Rodriguez ("Resident") and Woodland Park ("Landlord") for the Unit # 207 ("Premises") located at 301 East O'Keefe Street #21, East Palo Alto, CA 94303.

1. **Resident Not the Direct Customer of Record.** The following provisions apply to utilities/services which are t h e Resident's responsibility, but of which Landlord is the utility/service customer of record.

   i. Sub-metered Utilities. Billings based on sub-meter readings (if any) will itemize the beginning and ending meter readings, the rate charged to Resident and all categories of information that appear within the utility's standard billing format to the Landlord billing amounts will be determined by multiplying the sub-meter readings for the Resident's Premises by the utility rate that would be charged by the utility for that level of consumption if the Resident was the utility provider's direct customer of record. Residents should be aware that because of volume discounts the rate charged to Landlord may be less than the rate that would be charged to the Resident if the Resident was the utility provider's direct customer of record. If the Premises are sub-metered, Resident agrees to allow Landlord, or a billing service provider designated by Landlord, access to Resident's Premises in order to install, repair, remove read sub-meters.

   i. The sub meters in the Premises are located_____. Landlord's agent will require access to your Premises, upon reasonable advanced notice (at least 24 hours when possible), for the purpose of submeter installation, repair, reading, maintenance, inspections testing.

   ii. RUBS Formula Billing Used. If formula billing is used, the specific formula used is indicated above. Details about formulas are below.
      a. Square footage: For any Square Footage formula, Resident's share is calculated by comparing the approximate square footage of Resident's Premises as compared to the total square footage of all premises on the property.
      b. Occupants: Resident's share using an Occupant formula is calculated by comparing the number of occupants residing in Resident's Premises as compared to all occupants in all premises on the property as of the first day of the month. Resident represents that all occupants that who reside in the Premises are identified in the Lease. Resident agrees to immediately notify Landlord of any change in the number of occupants.
      c. Per Premises: Dividing the bill equally among all premises on the property.
      d. Flat: Standard amount charged each month.

2. **Water, Sewer, Trash, Gas, Electricity.** If either sub-metering or formula methods are used to calculate Resident's share for water, sewer, trash, gas, or electricity, all related charges assessed to Landlord may be used to calculate the amount charged to Resident. These may include (but are not limited to) related charges contained on tax bills, and all charges contained on the local water provider's bills to Landlord. Landlord Resident agree that it is impractical or extremely difficult to determine the exact amount of the utilities consumed by Resident (/or in the common areas), but that the methods used to determine Resident's share described above are reasonably accurate estimates. Trash costs to be charged to Resident may include actual trash invoices, costs on tax bills, Landlord's internal costs related to trash disposal, trash management costs, trash auditing costs, and recycling charges.

3. **Utility Billing Service.** Landlord currently uses the services of Conservice, Resident Services, P.O. Box 4718, Logan, Utah, 84323-4718 ("Utility Billing Company") to bill for utilities. Landlord reserves the right to change utility billing service providers at any time. If Landlord changes the utility billing service during Resident's tenancy, Resident will be given notice by Landlord. The Utility Billing Company is not the utility provider. Resident Questions Concerns Regarding Utility Billings may be addressed to Conservice 1-866-947-7 2079

4. **Utility Billing Statements.** Resident will receive monthly billing statements. All amounts due to are payable to Woodland Park at 5 Newell Court or at 2041 Euclid Ave., East Palo Alto, CA 94303. Failure of the Resident to pay the utility charges by their due date will be considered a material breach of the Lease grounds for termination. All monetary amounts due under this Utility Addendum are deemed additional rent. Utility billings will be prorated as necessary.

5. **Payment from Security Deposit.** Any obligation that remains unpaid, including utility charges that have accrued but have not been invoiced when Landlord reacquires possession of the Premises, may be deducted from the Resident's security deposit. If actual amounts have not been determined before Landlord provides Resident with an accounting of Resident's security deposit, Landlord may estimate the amount based on prior consumption or until actual numbers become available.

6. **Utility Payment.** Resident must make payment in full to Landlord or the Utility Billing Company for the utility charges prior to the due date listed on each bill.

i Landlord Resident agree that the actual cost to Landlord /or Utility Billing Company when Resident fails to pay the utility bill on time is difficult or impossible to ascertain, but the Parties agree that Landlord /or Utility Billing Company does, in the event of a late payment, incur certain costs including, without limitation, additional bookkeeping administrative charges, additional charges from the billing provider, costs in printing mailing late notices, lost opportunity costs of the payment. Accordingly, Landlord and Resident agree that if the payment is received after the enumerated due date then:

a. If the Utility Billing company collects utility payments then Resident shall immediately pay a late payment in the amount of **$35.00**, which is a reasonable estimate of the costs incurred;

b. If Landlord collects utility payments then late fees shall apply as if rent was not paid. Returned checks will be assessed a non-sufficient funds charge applicable charges in accordance to the Lease.

i Resident's billing statement will include a monthly service charge of up to **$0.00**. A new account set up charge of **$0.00** final bill fee of **$0.00** will also be applied to the resident's bill. The service charge represents the reasonable value of services provided by Landlord or the utility billing company to allocate the utility costs to the responsible parties, provides billing to Resident, and process payments. The monthly service charge is subject to change upon **sixty (60) days** written notice of increase. Resident agrees to pay any fees charged by a collection agency to Landlord to collect amounts due from Resident.

7. **No Waiver.** Landlord's waiver of any covenant of this Utility Addendum or the Lease will not constitute a waiver of any other breach. Landlord's acceptance of rent or any other payment with knowledge of Resident's failure to pay utility charges does not waive Landlord's right to enforce any provision of this Utility Addendum or the Lease. No waiver will exist unless made in writing and signed by both Resident and Landlord.

8. **Estimation.** Landlord may estimate Resident's consumption if Resident's sub-meter is broken or does not transmit a meter reading or if Landlord has not received bills from utility providers in time to prepare Resident's invoices.

Resident and Landlord represent that they have read this Addendum, understanding the terms conditions contained herein, and agree to the terms and conditions contained herein.

ADDENDUM RE USE OF MEDICAL MARIJUANA

This document is an addendum to the Lease Agreement dated **May 4, 2014** between **Juan Rodirguez Raquel Rodriguez** and **Woodland Park** for the **Unit # 21** located at **301 East O'Keefe Street, East Palo Alto, CA 94303**.

I have read the following and agree to adhere to the below rules and regulations for Medical Marijuana use at the Community:

1. I have a physical or mental impairment that limits one (or more) major life activity. As a result of my disability, I require the use of Medical Marijuana. A copy of the Medical Marijuana Card is attached and incorporated by reference into this Addendum. I agree to notify Landlord if the Medical Marijuana Card is revoked or expires and understands that this Agreement terminates immediately upon revocation or expiration of the Medical Marijuana Card.
2. The Office of Environmental Health Hazard Assessment and the California Environmental Protection Agency list marijuana smoke as a carcinogen. In 2009, the Carcinogen Identification Committee determined that marijuana smoke was shown to cause cancer, and was added to the Proposition 65 list, pursuant to Title 27, California Code of Regulations, section 25305(a)(1) (formerly Title 22, California Code of Regulations, section 12305(a)(1)).
3. I UNDERSTAND THAT ANY SECONDHAND MARIJUANA SMOKE THAT DRIFTS INTO THE WINDOWS OF OTHER UNITS, THROUGH THE VENTS, UNDER ANOTHER RESIDENT'S DOOR, ONTO A BALCONY, OR IN A COMMON AREA (INCLUDING FITNESS CENTER POOL/SPA) IS PROHIBITED. I AGREE TO CONFINE THE SMOKE TO MY PREMISES AND AGREE THAT ANY SMOKE THAT AFFECTS A NEIGHBORING RESIDENT WILL BE DEEMED A NUISANCE. I UNDERSTAND THAT I WILL BE REQUIRED TO TAKE THE MEDICATION IN AN ALTERNATE MEANS /OR SMOKE IN AN ALTERNATE LOCATION IF THE SMOKE DISTURBS ANY NEIGHBORING RESIDENT.
4. I understand that there are reasonable alternate means to take the medication, including (among others) edibles, tinctures, beverages, cannabis oils, and pills. Landlord understands that each individual's medical situation is different and will address the specific situation and alternate means to take the medication with advice from the prescribing physician.
5. The distribution /or sale of marijuana or any other narcotic or illegal substance is a violation of the Lease and basis for termination of tenancy.
6. Resident is prohibited from making any unauthorized modifications to the Premises, including indoor irrigation systems or any other alteration that may increase the moisture /or humidity levels or risk of fire in the Premises, building or Community.
7. This Addendum may be modified for any reason at any time without Resident's approval in accordance with State and Federal law.
8. Except as expressly modified hereunder, the remaining terms and conditions of the Lease as previously amended shall remain in full force and effect.
9. Resident hereby acknowledges that this addendum is incorporated into the Lease.
10. The Parties hereto represent and acknowledge that in executing this Agreement they do not rely upon and have not relied upon any representation made by the other party with regard to the subject matter of this Addendum, or its effects, other than those representations specifically set forth herein. No supplement, modification, or amendment of this Addendum shall be binding unless executed in writing by both Parties.

This Addendum may be executed in counterparts facsimile copies of same shall be admissible for all purposes shall be deemed an original.

BECAUSE WE CARE

At **Woodland Park**, we care about our residents' safety. We would like you to be aware of some important guidelines for your safety and protecting your personal property. Keep in mind that security is provided by local law enforcement agencies, much as it is for the other communities in the surrounding area. You should always proceed as if safety systems do not exist. The best safety measures you can take are the ones you can perform yourself as a matter of common sense. We have worked with local law enforcement agencies to develop a list of their recommendations for prudent practices regarding your personal safety. We provide this list as a convenience to you, without making any representation or warranty, and subject to the Lessee Security Notice & Acknowledgement:

PERSONAL SAFETY/INSIDE YOUR HOME

1. Lock your doors and windows, even when you're home.
2. If you have a deadbolt or night latch, use them even when you're home.
3. Never answer your door unless you know who is on the other side by looking through a peephole or window. If you don't know the person, talk to them without opening the door, and don't open the door unless you're satisfied with their identity.
4. If you are worried because you have lost a key, ask the management to rekey the locks. You have the right to do so, provided that you pay the cost of rekeying in advance.
5. Keep the telephone numbers for the police, emergency, and medical services handy.
6. Check your smoke detector periodically to ensure it is working.
7. Report to the management (in writing, dated signed) any malfunction of safety devices outside your home such as broken gate locks, burned-out stairwell parking lot lights, etc.
8. Close your curtains or blinds at night.
9. Let friends know when you're going to be gone for an extended period of time. Ask your neighbors to keep an eye on your home, because the management cannot assume that responsibility.
10. Mark or engrave valuable personal possessions for identification.
11. Be careful to whom you lend or give your keys.
12. When lighting candles, always use holders that are sturdy to avoid tipping and keep candles 12" away from flammable objects such as curtains or pillows. Never leave a candle unattended. Extinguish them prior to sleeping or leaving your home.
13. Do not leave cooking items unattended. If a grease fire should break out, place a metal lid over the flames. Do not use glass since the heat from the fire could cause the glass to break. Smother the fire with a liberal amount of baking soda if it is relatively small contained. Do NOT attempt to extinguish a grease fire with water; this will only cause the burning oil to splash and spread the flames.

PERSONAL SAFETY/OUTSIDE YOUR HOME

1. Lock your doors while you're gone. That means dead bolts too!
2. Leave a radio playing very softly when you're not at home.
3. Close and lock your windows when you're gone. Don't forget the sliding glass doors. Purchase a lamp timer at the hardware store, and set the time when you're not home in the evening or when you're on vacation.
4. Try not to walk outside alone at night.
5. Don't hide your front door key under the doormat. It's usually the first place a burglar will look.
6. If you have an entry code, don't give your code to guests or strangers.
7. Arrange for your newspaper delivery to be stopped when you're on vacation.

PERSONAL SAFETY/USING YOUR CAR

1. Lock your car doors when you're driving. Lock the doors and roll up the windows when you leave the car parked.
2. Don't leave visible items in the car, such as purses, briefcases, packages, money, etc.
3. Don't leave your keys in the car.
4. No matter where you are, always carry your key ring in your hand when you walk to the car. Don't ever stand by the car fumbling for keys.
5. Look in the back seat before you get in the car.
6. Don't stop alone at night at an automatic teller or gas station.

RESIDENT SECURITY
NOTICE & ACKNOWLEDGMENT

NOTICE TO RESIDENT: Landlord does not promise, warrant, or guarantee the safety or security of the Resident, Occupants, or their personal property against the criminal actions of other residents or third parties. Each Resident has the responsibility to protect himself or herself and to maintain appropriate insurance to protect his or her belongings.

It is a fact that no security system, courtesy patrol or electronic security device can guarantee protection against crime. Even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by clever criminals. Therefore, Lessees should always proceed on the assumption that no security systems exist. The best safety measures are those precautions that can be performed as a matter of common sense and habit.

If security systems, security devices, or walk-through/drive-through services are employed at this community, no representation is being made that they will be effective to prevent injury, theft or vandalism. Such personnel, if provided, cannot physically be every place at every moment. Usually, such personnel are unarmed independent contractors and have no greater authority under the law to restrain or arrest criminals than the ordinary citizen. Therefore, Landlord does not warrant that any security systems, security devices, or services employed at this community will discourage or prevent breaches of security, intrusions, thefts, or incidents of violent crime. Further, Landlord reserves the right to reduce, modify or eliminate any security system, security devices or services (other than those statutorily required) at any time; Resident agrees that such action shall not be a breach of any obligation or warranty on the part of Landlord.

Resident agrees to promptly notify Landlord in writing of any problem, defect, malfunction or failure of door locks, window latches, controlled access gates, intrusion alarms, and any other security-related device. If Resident's home is equipped with an intrusion alarm, Resident agrees to be responsible for all fines, penalties and other charges resulting from or attributable to the alarm, including false alarm charges.

ACKNOWLEDGMENT BY RESIDENT: I have read, understood and agree with the above notice. I have received no representation or warranties, either express or implied, as to any security or any security system on the property. Landlord has not in any way stated or implied to me that security of person or property was provided, promised, or guaranteed or that the Community was or will be free from crime. I further acknowledge that Landlord is not obligated under any circumstances to respond to any signal from an intrusion alarm system. The responsibility for protecting me, my property, and my family, guests invitees from acts of crime is the sole responsibility of myself and law enforcement agencies.

I agree to release and hold harmless Landlord from claims arising out of criminal acts of other residents and third parties. I agree that Landlord shall not be liable to me based upon any claim that security was not provided, subject to Landlord's compliance with state statutes regarding door locks and window latches. Resident acknowledges that the foregoing shall also be binding upon Resident's heirs, successors, and assigns.

Representatives of Landlord have no authority to make changes or modifications in the terms of this document, except when in writing and signed.

SECURITY DEPOSIT AGREEMENT

This Agreement is made this day, **May 4, 2014**, by and between **Woodland Park** (hereinafter referred to as "Landlord"), Landlord of the Community in which the "Premises", as hereinafter defined, are located, acting pursuant to express written authority given by the owner of such apartment complex, **Juan Rodirguez Raquel Rodriguez** (hereinafter referred to as "Resident"), in connection with the California Lease Agreement (the "Lease") between Landlord Resident for: **301 East O'Keefe Street #21, East Palo Alto, Ca 94303** in **Woodland Park** (the "Premises").

1. **Security Deposit.** Landlord hereby acknowledges receipt from Resident of the sum of: **$800.00** (Security Deposit) which represents the security deposit payment under the Lease, which shall hereinafter be defined as "Security Deposit". Landlord will hold the Security Deposit for the faithful performance by Resident of Resident's obligations under the Lease, including payment of rent, and cleaning and repair of the Premises after surrender.

2. **Refund of Security Deposit.** Landlord shall deduct from the Security Deposit all monies expended as a result of any breach of the Lease or this Agreement, including but not limited to the following obligations:
   - A. Resident shall vacate completely the entire Premises on or before the date specified in the required written **30-day** move-out notice, expiration of the term of the Lease, or termination or cancellation of the Lease in accordance with the express provisions thereof.
   - B. Payment by Resident of all rent required under the Lease, up to and including the date of expiration or termination of the term of the Lease, or the full move-out notice period, whichever is longer.
   - C. The Premises, including all kitchen appliances (refrigerator, oven, range, dishwasher, and microwave) including all baths, closets, storage areas, patios/balconies, and all other areas have been thoroughly cleaned, so as to be in the same condition as they were in on the commencement date of the term of Lease, normal wear and tear excepted.
   - D. There are no defects or damage to the Premises, whether caused by Resident, pets, or otherwise, unless shown on a written list of damages and defects signed by Resident at the commencement of the Lease term.
   - E. Resident observes and performs all other covenants and obligations to be kept or performed by Resident under the Lease up to and including the date of expiration or termination of the Lease term.
   - F. Resident observes and follows all rules and regulations including, without limitation, those rules and regulations pertaining to pets.
   - G. **RESIDENT has given LANDLORD thirty (30) days written notice prior to the date of expiration or termination of the term of the Lease.**
   - H. Resident has provided Landlord with a written copy of the forwarding address of Resident.

3. **Deductions.** Within twenty-one (21) days after Resident has vacated the Premises, Landlord shall furnish Resident with an itemized written statement of the basis for, and the amount of, any security received and the disposition of such security to Resident.

4. **Move-Out Procedures.** When Resident moves out of the Premises, an inspection of the condition of same shall be made after all of the personal effects of Resident have been removed. Resident should accompany Landlord during said inspection to help resolve any problems that may arise. Failure of Resident to do so shall constitute a concurrence by Resident in Landlord's assessment of charges for damages or cleaning. After inspection by Landlord, appropriate charges will be assessed by Landlord for any missing items; damages or repairs to the Premises, or its contents (normal wear tear excepted) with the exception of those items listed on the Move-In/Move-Out Inspection Report attached to this Agreement; insufficient light bulbs; scratches, burns, or holes in the walls, doors, floors, draperies, carpets /or furniture; for cleaning the Premises (including all kitchen appliances). Resident shall be charged for each unreturned key (mail-box key garage remote), and charged for replacing locks if all door keys to the Premises are not returned to Landlord.

PARKING RULES REGULATIONS

1. Each resident may only use the assigned parking space associated with that resident's lease and parking permit. Any vehicle parked in a parking space other than the assigned space is subject to immediate tow at the owner's expense. If you are not sure which space is yours, please ask the Management Office.
2. Every vehicle, including motorcycles, parked in an assigned **Woodland Park** parking space must have a visible, valid **Woodland Park** parking permit.
3. The **Woodland Park** Management Office at **5 Newell Court, East Palo Alto, CA 94303** issues parking permits. Generally, one parking permit will be issued for each assigned parking space. The make, model, color, and license plate number for each vehicle must be provided to obtain a parking permit.
4. The parking permit, including the permit identification number, must be fully visible at all times that the vehicle is parked at **Woodland Park**. Be sure not to cover the permit identification number.
5. If a resident's vehicle information changes or there are any other changes affecting the parking permit, the Management Office will reissue the parking permit. Upon reissue, the original parking permit will no longer be valid. All updated information must be provided to the Management Office.
6. If a parking permit must be reissued due to loss or theft, the resident will be charged a replacement fee for reissuance of the permit. Upon reissue, the original parking permit will no longer be valid. If the original parking permit is found in any vehicle parked at **Woodland Park**, that vehicle will be subject to immediate tow at the owner's expense. Reproduction or alteration of a parking permit is a direct violation of the Parking Rules. Any vehicle parked at **Woodland Park** with a reproduced or altered parking permit will be subject to immediate tow at the owner's expense.
7. No vehicle may be parked at any time in a fire lane, red zone, or any other area marked "NO PARKING." No vehicle may be parked so as to block any other parking space, sidewalk, driveway, or garage entrance. Any vehicle parked in violation of these rules is subject to immediate tow at the owner's expense.
8. Certain parking spaces are marked as guest or visitor parking spaces. Vehicles cannot be parked in guest or visitor spaces for more than 72 hours, unless the Management Office has provided prior written approval. An unapproved vehicle parked in a guest or visitor space for more than 72 hours is subject to immediate tow at the owner's expense. It is the resident's responsibility to advise guests and visitors of the Parking Rules.
9. Residents and their guests or visitors may park their vehicles in the parking spaces marked "**Woodland Park Management Office**" outside of Management Office hours; however, these vehicles must be moved during Management Office hours (signs are posted with the times). Any vehicle parked in the Management Office parking spaces during office hours are subject to immediate tow at the owner's expense.
10. Motorcycles must be parked in parking spaces. Motorcycles must affix the parking permit so that it is visible on the front area of the vehicle. Motorcycles may not be stored in units, on walkways, in courtyards, or on balconies. All parking rules and regulations apply to motorcycles.
11. All vehicles parked at **Woodland Park** must be in good operating condition and currently registered and licensed. Vehicles leaking any fluids will be subject to clean up fees. Any vehicle that is lacking any part or equipment necessary to operate safely, including without limitation, an engine, transmission, wheels, tires, doors, or windshield is subject to tow at the owner's expense. Management will attempt to provide 72 hours of notice before towing any such vehicle. Vehicle repair and maintenance in parking spaces and/or driveways is strictly prohibited.
12. Storage of personal property is not allowed in parking spaces. Management reserves the right to remove personal property left in parking spaces with no prior warning. Parking spaces and adjacent areas are to be neat and clean at all times.
13. Vehicles are not to be covered. Management will remove and discard covers.
14. Management is not responsible for theft or damage to any vehicle or personal property in the parking areas.
15. Boats, large trucks, RV's or trailers are not to be parked in the parking areas.
16. Bicycles must be parked in designated bicycle racks or inside a Resident's unit. Bicycles may not be stored or parked in common walkways or by the resident's front door.

Please remember to always lock your vehicle and never leave valuables in your car. Management is not responsible for loss or damage. Park at your own risk.

IF YOUR VEHICLE IS TOWED...

You have rights if your vehicle gets towed. Please consult the California Vehicle Code to fully understand your rights, as this is only an overview the law may change at any time.

Generally, prior to paying any towing storage-related fees, you have the right to:

- Receive an itemized invoice of actual charges.
- Receive your personal property, at no charge, during normal business hours.
- Retrieve your vehicle during the first 72 hours of storage and not pay a lien fee.
- Request a copy of the Towing Fees and Access Notice.
- Pay by cash or valid bank credit card
- Inspect your vehicle or have your insurance carrier inspect your vehicle at the storage facility, at no charge, during normal business hours.

You generally have the right to have the vehicle released to you upon (1) payment of all towing and storage-related fees, (2) presentation of a valid photo identification, (3) presentation of reliable documentation showing that you are the owner of the vehicle or that the owner has authorized you to take possession of the vehicle, and (4), if applicable, presentation of any required police or law enforcement release documents.

If you do not pay the towing and/or storage-related fees or you abandon your vehicle at the towing company, the towing company may sell your vehicle and any money received will be applied to towing and storage-related fees that have accumulated against your vehicle. You are still responsible for paying the towing company any outstanding balance due on any of these fees once the sale is complete.

If your vehicle was damaged during storage or towing, the owner of the vehicle may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

If the towing company violates the law, you may be able to bring a lawsuit in court, generally in small claims court. The towing company may be civilly liable for damages up to two times the amount charged, not to exceed $500, and possibly more for certain violations.

Opposition to Petition

Woodland Park opposes this petition for rent reduction and rebate. Woodland Park maintains the premises in a good and habitable condition. Each time that Petitioner notified Respondent of a problem in the premises, Respondent addressed that problem in a timely fashion. For problems that Petitioner did not reasonably notify Respondent and give Respondent an opportunity to correct, no rent rebate is available. Petitioner bears the burden of proof to demonstrate the landlord was provided with reasonable notice and an opportunity to correct the conditions, and yet failed to do so. Petitioner has not met this burden. Respondent has responded to and corrected in a timely fashion the problems identified by Petitioner, except to the extent and when Petitioner has prevented Respondent from providing requested services.

Woodland Park has also charged rent as allowed by the Rent Stabilization Ordinance, and at no time has exceeded the Maximum Allowable Rent. There has not been any rent ceiling violation. No rent rebate is appropriate.

Opposition to Petition

Woodland Park opposes this petition for rent reduction and rebate. Woodland Park maintains the premises in a good and habitable condition. Each time that Petitioner notified Respondent of a problem in the premises, Respondent addressed that problem in a timely fashion. For problems that Petitioner did not reasonably notify Respondent and give Respondent an opportunity to correct, no rent rebate is available. Petitioner bears the burden of proof to demonstrate the landlord was provided with reasonable notice and an opportunity to correct the conditions, and yet failed to do so. Petitioner has not met this burden. Respondent has responded to and corrected in a timely fashion the problems identified by Petitioner, except to the extent and when Petitioner has prevented Respondent from providing requested services.

Woodland Park has also charged rent as allowed by the Rent Stabilization Ordinance, and at no time has exceeded the Maximum Allowable Rent. There has not been any rent ceiling violation. No rent rebate is appropriate.

Opposition to Petition

Woodland Park opposes this petition for rent reduction and rebate. Woodland Park maintains the premises in a good and habitable condition. Each time that Petitioner notified Respondent of a problem in the premises, Respondent addressed that problem in a timely fashion. For problems that Petitioner did not reasonably notify Respondent and give Respondent an opportunity to correct, no rent rebate is available. Petitioner bears the burden of proof to demonstrate the landlord was provided with reasonable notice and an opportunity to correct the conditions, and yet failed to do so. Petitioner has not met this burden. Respondent has responded to and corrected in a timely fashion the problems identified by Petitioner, except to the extent and when Petitioner has prevented Respondent from providing requested services.

Woodland Park has also charged rent as allowed by the Rent Stabilization Ordinance, and at no time has exceeded the Maximum Allowable Rent. There has not been any rent ceiling violation. No rent rebate is appropriate.

BLEYLE ELEVATOR proposes to do the following: Conduct a 5-year load test.

Reason for repairs: The State elevator code requires a load test every 5 years. The last load test was performed on 07/26/2019.

1. Remove the elevator from service.
2. Conduct a load test, at the rated capacity of 2,100 lbs. as required by code.
3. Affix a load test tag to the pump unit as required by code.
4. Upon successful testing, return the elevator to service.
5. Submit the completed load test data to the State Elevator Unit.

(Note: If deficiencies of the elevator are found on-site and cannot be corrected in the time allotted, an additional proposal will follow to correct the condition.)

Payment Schedule: Signed proposal returned, 100% upon completion.

Price: Two Thousand Three Hundred Eighty-Seven and 00/00 _____ Dollars: $ 2,387.00

This quotation is subject to change or withdrawal by Bleyle Elevator prior to acceptance. The above price is good for 30 days. This proposal, when accepted by you, constitutes the contract between Bleyle Elevator and all prior representations are superseded. Contracts with deposits are subject to change or withdrawal if payment is not received within 30 days of acceptance. Final payment is due and payable 10 days after completion. Accounts are subject to a late charge of 1 1/2% per month if not paid within 30 days of invoice. In the event Bleyle Elevator commences collection action, the purchaser will pay the cost of collection, including reasonable attorney's fees.

E. Okeefe Tenant Association
201, 245, and 301 E Okeefe St.
East Palo Alto, CA 94303

RE: July 17, 2024, Letter

Dear E. Okeefe Tenant Association:

Thank you for your letter dated as of July 17, 2024. Greystar is the property manager for all of the Woodland Park Apartments, and we have been asked to respond to your letter in that capacity. We sincerely appreciate feedback from our tenants and we are looking into your requests.

You asked for an immediate response, so we are sending this reply as fast as we are able. However, we continue to look into the situation to better understand your input.

As a preliminary matter, Greystar is committed to ensuring that all of the Woodland Park Apartments are safe and habitable at all times. We work hard in our management office and through our maintenance team to track and complete all work orders in a timely fashion. We have confirmed that all of the work orders for units in 201 and 245 E. O'Keefe Street have been resolved at this time. There are no "open" or unresolved work orders in which a resident has alerted us to a problem that has not yet been addressed. There are a handful of recent work orders for units in 301 E. O'Keefe Street that are in the process of being resolved.

The swimming pool at 201 E. OKeefe is open and clean. The elevators at 201 and 301 E. Okeefe are fully functional and there is an elevator maintenance company that responds to maintenance requests in a timely fashion. There is no elevator at 245 E. O'Keefe; any elevator that may have existed at that building was decommissioned prior to the current ownership of the Woodland Park Apartments.

In the event that a maintenance issue arises, please have that resident report the issue in their unit so that it can be fixed. There are many ways for a resident to report an issue. The resident can log on to the resident portal, they can call 650-566-2000, or they can come to a Management Office at 5 Newell Court or 2043 Euclid Ave.

We respectfully request time to look further into these issues, at which point we would be happy to meet and discuss any remaining issues.

We will be back in touch soon with additional information.

Sincerely,

Pabel Zumarraga
General Manager

201 EOK Listening Session - Agenda

Monday - August 19, 2024

I. **Welcome Residents**
   a. Sign-In (Encouraged but not mandatory)
   b. We will "prioritize" residents of 201 EOK for the first meeting so they get first priority to seating and space inside if there are too many people.
   c. If residents belong to another building, welcome them to the meeting. We will not turn people away if they want to join.
   d. Cristina and Pabel – notetakers

II. **Opening Statement (Mike Kramer)**
   a. Sand Hill and Greystar Team Introduction
   b. Clarify the difference between SHPCO and Greystar
   c. Ask the attendees to introduce themselves
   d. Remind the tenants/lease signers that they will each have an opportunity to submit service request(s) with the Greystar management team towards the end of the meeting.
   e. Teresa to Translate

III. **Stacie/Pabel**
   a. Discuss different ways of submitting Work Orders
      i. Resident Portal - https://www.liveatwoodlandparkapts.com/
         1. Explain the Registration Process
         2. How to Create a free account – Disseminate Instructions (flyer)
      ii. Call the main office - (650) 566-2000
         1. Be specific and descriptive when placing a WO
         2. Explain the benefits of providing PTE vs. Scheduling an appointment
      iii. Email Management
         1. woodlandparkca@greystar.com
      iv. Visit the Management Office
         1. 5 Newell Court or 2043 Euclid Ave
         2. Hours of operation are Monday-Friday, 9am-6pm, and Saturday-Sunday, 9AM-5PM.
   b. Encourage the preferred method
   c. Explain how work orders are attended to/order of priority/urgency
      i. Emergency WO's vs Non-Emergency WO's
      ii. Average time to complete a WO
      iii. Follow up call/email for satisfaction
      iv. Case Escalation – Who to contact

IV. **Open the Floor to Residents (approx. 45-60 mins depending on # of residents/attendees)**

a. Remind the tenants/lease signers that they will each have an opportunity to submit unit service request(s) with the Greystar management team towards the end of the meeting.

V. Closing Statement (Clarisse and Teresa)

a. Thank the residents for attending
b. Emphasize the goal of the meeting
c. State next steps
d. Follow up with individuals regarding service requests

VI. Residents/Lease Signers are open to see Greystar management and submit service request(s).

Scenarios and How to Respond

I. **Scenario:** YUCA or RTO members requesting/forcing to attend the meeting
Response: We appreciate your time, attendance, and willingness to provide support to the residents; however, this is a Listening Session between the Landlord and Tenants whom we have contractual agreement with. *We will not ask them to leave, but we will only listen to/take work orders from our actual tenants.*

II. **Scenario:** Media personnel or if someone tries to record the meeting

Response: Please understand this is a private business office and video or audio recording is prohibited. We also would like to protect the privacy of the residents/attendees.

III. **Scenario**: Someone causes nuisance/raises voice out of frustration/anger/etc.

Response: (Always diffuse the situation.) We are here to amicably and openly listen to your concerns and our goal is to resolve them efficiently and effectively.

Hello,
Thanks for reaching out. Are you a resident of one of the buildings? What is your name and which building do you live in?
We appreciate your correspondence. After receiving your first two letters, both the property management team and the ownership team inspected the three buildings in question and have resolved many of the stated concerns. We held the three listening sessions this week as a response to your letter so that all residents of those buildings, yourself included, would have an opportunity to ask any questions and share any concerns they may have directly with the ownership and property management teams. The listening sessions were very successful, and we had tenants from all three buildings attend the meetings and we were able to open new work orders to address their concerns. These meetings were conducted in English and Spanish. Additionally, we included instructions in the listening session invitation for tenants to report a maintenance issue for repair, and many have contacted us directly with new maintenance requests even if they chose not to attend the meeting.
We are happy to fix any maintenance issues that our tenants bring up to ensure that their housing is safe and habitable. It is important for them to let us know about any maintenance issue directly so we can look into it. There are many ways to do so. The resident can log on to the resident portal, they can call 650-566-2000, they can e-mail woodlandparkcagm@greystar.com, or they can come to a Management Office at 5 Newell Court or 2043 Euclid Ave.
If any resident has further questions or concerns, they can also contact the ownership community engagement team led by Teresa Morales. The best way to do so is to call 650-690-6199, email tmorales@wlpcommunities.com, or visit the Community Engagement Office at 2041 Euclid Ave.
I would be happy to meet with you on Wednesday 9/25 at 6:30 pm to further listen to any questions or concerns you may have. We can meet at our community engagement office at 2041 Euclid Ave. Any other residents can join us and can submit a maintenance request to Greystar at that time.
Thanks! Best wishes -

Hola,

Gracias por comunicarse con nosotros. ¿Es usted residente de uno de los edificios? ¿Cuál es su nombre y en qué edificio vive?

Agradecemos su correspondencia. Después de recibir sus dos cartas, tanto el equipo de

administración y mantenimiento de la propiedad como el equipo de propietarios inspeccionaron los tres edificios en cuestión y resolvieron muchas de las preocupaciones planteadas. Realizamos tres sesiones para escuchar esta semana pasada en respuesta a su carta para que todos los residentes de esos edificios, incluyendo usted, tuvieran la oportunidad de hacer preguntas y compartir las inquietudes que pudieran tener directamente con los equipos de los propietarios y de mantenimiento de la propiedad. Las sesiones para escuchar fueron muy exitosas, y los inquilinos de los tres edificios asistieron a las reuniones y pudimos abrir nuevas órdenes de mantenimiento para abordar sus preocupaciones. Estas reuniones se llevaron a cabo en inglés y español. Además, incluimos instrucciones en la invitación a la sesión para escuchar para que los inquilinos informen sus problemas de mantenimiento para su reparación, y muchos ya nos han contactado directamente con nuevas solicitudes de mantenimiento incluyendo aquellos que decidieron no asistir a la reunión.

Estamos disponibles para solucionar cualquier problema de mantenimiento que presenten nuestros inquilinos para garantizar que su vivienda sea segura y habitable. Es importante que nos informen sobre cualquier problema de mantenimiento directamente para que podamos investigarlo. Hay muchas formas de hacerlo. El residente puede iniciar una orden en el portal para residentes, puede llamar al 650-566-2000, puede enviar un correo electrónico a woodlandparkcagm@greystar.com o puede acercarse a las Oficinas de Administración del manejo de la propiedad en el 5 Newell Court o al 2043 Euclid Ave.

Si algún residente tiene más preguntas o inquietudes, también puede comunicarse con el equipo de participación comunitaria de los propietarios dirigido por Teresa Morales. La mejor manera de hacerlo es llamando al 650-690-6199, enviando un correo electrónico a tmorales@wlpcommunities.com o visitando la Oficina de Participación Comunitaria en el 2041 Euclid Ave.

Con gusto nos reuniremos con usted el miércoles 25 de septiembre a las 6:30 pm para escuchar más sobre cualquier pregunta o inquietud que pueda tener. Podemos reunirnos en nuestra oficina de participación comunitaria en 2041 Euclid Ave. Cualquier otro residente puede unirse a esta reunión y puede hacer una solicitud de mantenimiento a Greystar en ese momento.

¡Gracias! Saludos cordiales -

Querido Mr. Kramer,

Agradecemos el correo electrónico de aclaración que envió y queríamos compartir con usted nuestra perspectiva sobre las sesiones para escucharnos.

El 17 de julio, enviamos nuestra primera carta de demanda a Sand Hill Property Company solicitando que todos aborden los problemas de mantenimiento diferido y las necesidades de justicia lingüística en nuestra comunidad. Todos enviaron una respuesta al correo electrónico de nuestra asociación de inquilinos el 31 de julio. En respuesta, una delegación de inquilinos que representan a la Asociación de Inquilinos de E. Okeefe, con el apoyo de aliados de la comunidad, entregó personalmente una carta a su oficina el 1 de agosto solicitando que todos respondieran al correo electrónico de nuestra asociación de inquilinos (eokeefeta@gmail.com) con los horarios disponibles. para encontrarse.

Vimos los volantes sobre una sesión para escucharnos en la oficina de Woodland y los volantes no contenían información sobre la asociación de inquilinos ni indicación de que estas sesiones pretendían ser una respuesta a la carta de la asociación de inquilinos. Como resultado, asumimos que era parte de un esfuerzo general de Woodland Park para escuchar las inquietudes de los residentes. Hemos tenido reuniones periódicas para formar nuestra asociación de inquilinos y redactar las demandas claras y articuladas que hemos incluido en nuestras dos cartas para ayudarlos a todos a abordar los problemas en nuestros edificios. Todavía no hemos recibido una respuesta que aborde los puntos de nuestras cartas.

Además, queremos aclarar lo que hemos dicho en nuestra carta inicial. Estamos pidiendo que Sand Hill Property Company se reúna con nosotros en la mesa de negociaciones para negociar de buena fe sobre nuestros temas de interés común. Lo que eso significa es que todas las partes acuerden mutuamente la hora y el lugar para que se reúnan la asociación de inquilinos y los representantes de Sand Hill Property Company y Woodland Park Property Management. Somos una asociación de inquilinos formada por familias trabajadoras y muchos de nosotros trabajamos en múltiples trabajos. Queremos poder participar en negociaciones directas y eso requiere una cuidadosa planificación y consideración por nuestra parte. Esperamos que puedan reconocer que las sesiones de escucha propuestas tienen muy poco parecido con el proceso de negociación que hemos estado solicitando como asociación de inquilinos.

En conclusión, queremos dejar muy claro que la Asociación de Inquilinos de E. Okeefe quiere negociar con usted, Sand Hill Property Company, de buena fe sobre nuestros temas de interés común. Si bien apreciamos el ofrecimiento de la sesión de

escucharnos, es una respuesta insuficiente a las demandas que ya hemos hecho como asociación de inquilinos. Como resultado, nos gustaría proponer que comencemos las negociaciones con una reunión el Miercoles (9/25) at 6:30 to 8:00 pm, Viernes (9/27) at 6:30 to 8:00 pm or Sabado (9/28) at 12 to 1:30 pm. Responda a este correo electrónico antes del 30 de agosto confirmando su participación en nuestra primera reunión de negociación.

Hello,

We're looking forward to our meeting on Wednesday, September 9/25 at 6:30 pm. We are happy to meet at 1900 University Ave, Suite 400. How do we get into the building/suite?

Who can we expect to attend from your group?

We will have decision makers from Sand Hill and Greystar attend the meeting to listen to your questions and concerns. To protect the privacy of our residents and staff, we request no members of the press be present – this meeting will be off the record.

Please note that we can only accept maintenance requests inside a unit made by a resident of that unit. Therefore, if anyone has a maintenance request inside their unit, it would be best if they can attend the meeting themselves. If they are not able to attend, they can also log on to the resident portal, call 650-566-2000, e-mail woodlandparkcagm@greystar.com, or come to one of our two management offices at 5 Newell Court or 2043 Euclid Ave at another time.

If any resident has further questions or concerns, or are not able to make the meeting Wednesday, they can also contact the community engagement team at 650-690-6199, email tmorales@wlpcommunities.com, or visit in person at 2041 Euclid Ave.

Looking forward to seeing you Wednesday. Please feel free to contact me directly at 650-772-4319 if anything comes up or you'd like to chat in advance.

Thanks! Best wishes –

Hola, Sr. Kramer:

Esta cuenta de correo electrónico fue creada colectivamente por los miembros de la Asociación de inquilinos de E Okeefe que viven en 201, 245, 301 E Okeefe St. Le enviamos una petición con las firmas de los miembros que se unieron para formar la asociación.

El miércoles (25 de septiembre) a las 6:30 p. m. será nuestra primera reunión de negociación. Nos gustaría proponer un lugar neutral para que Sand Hill Property Company, Greystar Management y nuestra Asociación de inquilinos de E Okeefe se reúnan. Lo ideal sería que pudiera invitar a Peter Pau y a otros tomadores de decisiones de Sand Hill y Greystar Management a unirse a la reunión. Estamos buscando un lugar donde podamos reunirnos y le enviaremos la dirección del lugar y borrador de agenda cuando la hayamos encontrado.

Hi Mr Kramer,

This email account is collectively governed by the E Okeefe Tenant Association members living at 201, 245, 301 E Okeefe St. We sent you a petition with signatures

from the members who signed on to form the association.

Wednesday (9/25) at 6:30 pm will be our first negotiation meeting. We would like to propose a neutral location for Sand HIll Property Company, Greystar Management and our E Okeefe Tenant Association to meet. Ideally, if you could invite Peter Pau and other decision makers from Sand Hill and Greystar Management to join the meeting that would be great. We are exploring meeting locations and will be sending you the location address and draft agenda when it is finalized.

Somos una asociación de inquilinos formada por familias trabajadoras y muchos de nosotros trabajamos en múltiples trabajos. Queremos poder participar en negociaciones directas y eso requiere una cuidadosa planificación y consideración por nuestra parte. Esperamos que puedan reconocer que las sesiones de escucha propuestas tienen muy poco parecido con el proceso de negociación que hemos estado solicitando como asociación de inquilinos.

En conclusión, queremos dejar muy claro que la Asociación de Inquilinos de E. Okeefe quiere negociar con usted, Sand Hill Property Company, de buena fe sobre nuestros temas de interés común. Si bien apreciamos el ofrecimiento de la sesión de escucharnos, es una respuesta insuficiente a las demandas que ya hemos hecho como asociación de inquilinos. Como resultado, nos gustaría proponer que comencemos las negociaciones con una reunión el Miercoles (9/25) at 6:30 to 8:00 pm, Viernes (9/27) at 6:30 to 8:00 pm or Sabado (9/28) at 12 to 1:30 pm. Responda a este correo electrónico antes del 30 de agosto confirmando su participación en nuestra primera reunión de negociación.

Hello,

Thanks for following up, it was nice meeting with you last month. I appreciate you sending along the proposal document. Regarding our response to the proposals:

Category 1: Potential Sale - We will provide updates about the sale as required by law and the City of East Palo Alto. Currently there are no potential buyers and the property is not in contract. We do not expect a sale in the immediate future.

Category 2: Repairs – We will review all recent and current work orders for 201, 245, and 301 E. O'Keefe Ave, as well as the recent petitions that were sent to the City to understand recent requests for repairs. We will work with Greystar property management to ensure they respond to repair requests in a timely and satisfactory manner. We currently have an emergency maintenance hotline 24/7 which can be reached at 650-566-2000**.**

As a reminder, If you have a maintenance concern in your home, please let the Greystar property management team know right away so that the issue(s) can be fixed as soon as possible. There are several ways for you to report a maintenance issue:

You can log on to the resident portal online at https://www.liveatwoodlandparkapts.com/.
You can call the main office line at (650) 566-2000.
You can visit the Management Office at 5 Newell Court or 2043 Euclid Ave. The hours of operation are Monday-Friday, 9am-6pm, and Saturday-Sunday, 9AM-5PM.

If you have any questions or feedback for the Woodland Park Communities ownership team, please contact Teresa Morales, Community Engagement Manager, at 650-690-6199, tmorales@wlpcommunities.com, or in-person at 2041 Euclid Avenue (at East O'Keefe).

Category 3: Weatherization – We will conduct inspections of all common areas and units in 201, 245, and 301 E. O'Keefe Ave, and make any necessary repairs to ensure the buildings and units are safe and habitable.

Category 4: Safety – We currently have private security which patrols the property on a regular basis. If any resident has a concern or would like to speak to security, they can call 408-978-9111. If any resident needs a copy of a key to any building or common

area they are entitled to in their lease, please contact Greystar management and they will provide one if possible.

Category 5: Rent – We strictly follow the East Palo Alto Rent Stabilization Ordinance and charge at or below the maximum allowable rent for each unit. You can obtain information about the maximum allowable rent for your unit from the Rent Stabilization Program at 650-853-3157.

We would be happy to meet again, but I think it would be best if we are able to complete the inspections of the buildings that you requested in advance of the meeting. Additionally, just this week we received 30 petitions that were submitted to the Rent Stabilization Program with concerns about 201, 245, and 301 E. O'Keefe. These petitions are hundreds of pages, so we need to review each of them and make the appropriate inquiries and inspections of the units involved. We would be happy to meet after we've completed this, but I expect that will take at least until mid- to late-November. I can reach out once we've made sufficient progress to schedule another meeting.

Thanks! Best wishes –

Mike

Hola,

Gracias por seguirnos, fue un placer reunirnos contigo el mes pasado. Agradezco que nos hayas enviado el documento de propuesta. Con respecto a nuestra respuesta a las propuestas:

***Categoría 1: Venta potencial**: brindaremos actualizaciones sobre la venta según lo exija la ley y la ciudad de East Palo Alto. Actualmente, no hay compradores potenciales y la propiedad no está bajo contrato. No esperamos una venta en el futuro inmediato.*

***Categoría 2: Reparaciones:** revisaremos todas las órdenes de trabajo recientes y actuales para 201, 245 y 301 E. O'Keefe Ave, así como las peticiones recientes que se enviaron a la ciudad para comprender las solicitudes recientes de reparaciones. Trabajaremos con la administración de la propiedad de Greystar para asegurarnos de que respondan a las solicitudes de reparación de manera oportuna y satisfactoria. Actualmente, contamos con una línea directa de mantenimiento de emergencia disponible las 24 horas, los 7 días de la semana, a la que se puede llamar al 650-566-2000.*

Como recordatorio, si tiene un problema de mantenimiento en su hogar, infórmeselo de inmediato al equipo de administración de propiedades de Greystar para que los problemas se puedan solucionar lo antes posible. Hay varias formas de informar un

problema de mantenimiento:

- *Puede iniciar sesión en el portal para residentes en línea en https://www.liveatwoodlandparkapts.com/.*
- *Puede llamar a la línea principal de la oficina al (650) 566-2000.*
- *Puede visitar la Oficina de Administración en 5 Newell Court o 2043 Euclid Ave. El horario de atención es de lunes a viernes, de 9 a. m. a 6 p. m., y sábados y domingos, de 9 a. m. a 5 p. m.*

Si tiene alguna pregunta o comentario para el equipo de propietarios de Woodland Park Communities, comuníquese con Teresa Morales, Gerente de Participación Comunitaria, al 650-690-6199, tmorales@wlpcommunities.com, o en persona en 2041 Euclid Avenue (en East O'Keefe).

***Categoría 3: Climatización:** realizaremos inspecciones de todas las áreas comunes y unidades en 201, 245 y 301 E. O'Keefe Ave, y haremos las reparaciones necesarias para garantizar que los edificios y las unidades sean seguros y habitables.*

***Categoría 4: Seguridad:** actualmente contamos con seguridad privada que patrulla la propiedad de manera regular. Si algún residente tiene alguna inquietud o desea hablar con seguridad, puede llamar al 408-978-9111. Si algún residente necesita una copia de una llave de cualquier edificio o área común a la que tenga derecho en su contrato de alquiler, comuníquese con la administración de Greystar y ellos le proporcionarán una si es posible.*

***Categoría 5: Alquiler:** seguimos estrictamente la Ordenanza de Estabilización de Alquileres de East Palo Alto y cobramos el alquiler máximo permitido o menos por cada unidad. Puede obtener información sobre el alquiler máximo permitido para su unidad del Programa de Estabilización de Alquileres al 650-853-3157.*

Nos encantaría volver a reunirnos, pero creo que sería mejor si pudiéramos completar las inspecciones de los edificios que solicitó antes de la reunión. Además, esta semana recibimos 30 peticiones que se presentaron al Programa de Estabilización de Alquileres con inquietudes sobre 201, 245 y 301 E. O'Keefe. Estas peticiones tienen cientos de páginas, por lo que debemos revisar cada una de ellas y realizar las consultas e inspecciones correspondientes de las unidades involucradas. Nos encantaría reunirnos después de que hayamos completado esto, pero creo que eso llevará al menos hasta mediados o fines de noviembre. Puedo comunicarme con usted una vez que hayamos avanzado lo suficiente para programar otra reunión.

¡Gracias! –

Hi Michael,

We have attached a pdf document with our proposals from our meeting on September 25th 2024. You shared in the meeting that you would send us formal responses to each line item in our proposals and we wanted to make sure that you had them in writing. In light of the fact that we were not able to get through our full discussion in regards to our proposals, we would like to schedule a second negotiation meeting with you for Wednesday, October 23rd from 6:30 to 8:00 pm or Friday, October 25th from 6:30 to 8:00 pm. It would be ideal if you could send us your formal responses by end of day on Friday, October 18th, 2024 to facilitate a more substantive discussion at our second negotiation meeting.

Similar to our first negotiation meeting we will be prepared with simultaneous English/Spanish interpretation as a tenant association. Please come prepared with a Spanish interpreter so that you all can participate fully in the negotiation meeting space.

We are looking forward to hearing a response confirming your availability for the second negotiation meeting by Tuesday, October 15th.

Sincerely,
E. Okeefe Tenant Association

Date: Friday, December 20, 2024 1:16:52 PM

Hello,

Thanks for reaching out. As I mentioned, we have been waiting for additional information from the City about the recently filed petitions and from the County about the complaints that were recently lodged. I believe the most productive conversation would be after we hear back from them. However, they are both moving slowly and I understand your interest in meeting earlier.

Unfortunately, we are not available the evening of 1/17 and generally a Friday night will be difficult to schedule our team. What about the afternoon of Thursday, January 16 from 4-6 pm? Or on Wednesday, January 29 from 4-6 pm?

Additionally, our team met recently to discuss how we can be more responsive and provide a helpful channel for communication. As I mentioned when we spoke in person, our Palo Alto office on El Camino Real is not open for public business, please do not visit again. You are welcome to visit our on-site management office nearby at 2041 Euclid Ave where Teresa (cc'ed) sits downstairs and Clarisse (cc'ed) sits upstairs. I would also be happy to meet you in East Palo Alto by appointment. Additionally, we will provide a dedicated ownership representative to talk through any concerns or complaints that any resident of 201, 245, or 301 E'O'Keefe may have. His name is Bill Reyes and you can reach him any time at breyes@wlpcommunities.com or 650-730-0411 to speak with him directly or make an appointment to meet in person in East Palo Alto. He has over 4 years of experience dealing with tenant concerns at Woodland Park and is well suited to listen to and address any concerns. Please feel free to provide his contact information to any of the residents.

Please let me know if the dates above work for a meeting, and I look forward to hearing back. Happy holidays and have a great weekend! Best wishes –

Hola,

Gracias por comunicarse. Como mencioné, hemos estado esperando información adicional de la Ciudad sobre las peticiones presentadas recientemente y del Condado sobre las quejas que se presentaron recientemente. Creo que la conversación más productiva sería después de que tengamos noticias de ellos. Sin embargo, ambos están avanzando lentamente y entiendo su interés en reunirse antes.

Lamentablemente, no estamos disponibles la noche del 17 de enero y, por lo general, un

viernes por la noche será difícil programar a nuestro personal. ¿Qué pasa la tarde del jueves 16 de enero de 4 a 6 p. m.? ¿O el miércoles 29 de enero de 4 a 6 p. m.?

Además, nuestro equipo se reunió recientemente para analizar cómo podemos ser más receptivos y brindar un canal útil para la comunicación. Como mencioné cuando hablamos en persona, nuestra oficina de Palo Alto no está abierta al público, no vuelva a visitarnos. Puede visitar nuestra oficina de administración en el lugar, cerca de 2041 Euclid Ave, donde Teresa (con copia) se sienta en la planta baja y Clarisse (con copia) se sienta en la planta alta. También me encantaría reunirme con usted en East Palo Alto con cita previa. Además, le proporcionaremos un representante de propietarios dedicado para hablar sobre cualquier inquietud o queja que pueda tener cualquier residente de 201, 245 o 301 E'O'Keefe. Su nombre es Bill Reyes y puede comunicarse con él en cualquier momento a breyes@wlpcommunities.com o al 650-730-0411 para hablar con él directamente o programar una cita para reunirse en persona en East Palo Alto. Tiene más de 4 años de experiencia en el tratamiento de inquietudes de inquilinos en Woodland Park y está bien preparado para escuchar y abordar cualquier inquietud. No dude en proporcionar su información de contacto a cualquiera de los residentes.

Avíseme si las fechas anteriores le convienen para una reunión. Espero recibir noticias suyas. ¡Felices fiestas y que tenga un excelente fin de semana! Mis mejores deseos –

Subject: East O'Keefe Tenant Association Negotiation Proposals and Petitions

Dear East O'Keefe Tenant Association:

We write today in response to your proposal dated as of January 16, 2025, and James Huynh's representations to the City of East Palo Alto (the "City") at the January 28, 2025, Pre-Hearing Conference regarding Petitions for Individual Rent Adjustment from 201, 245, and 301 E. O'Keefe St. (the "Petitions"). We appreciate your patience on this and we wanted to evaluate all matters including tenant representation.

I wanted to share a reminder pertaining to our tenant's privacy as it is valued to ownership and property management. Woodland Park is in contractual privity with its tenants. As part of this legal relationship, Woodland Park is obligated to maintain confidentiality of tenant records. Woodland Park does not discuss the specifics of any given tenant or tenancy with anyone other than the named tenants on the lease. This protects the confidentiality of the tenant information as well as the safety and security of the tenants. Woodland Park is unable to discuss specifics about any tenancy with anyone other than the tenant. The purported "Association" continues to request that Woodland Park make private tenant information public which we cannot and will not do for the sake of our tenants. We appreciate your cooperation, compliance, and understanding in respecting tenant privacy by refraining from asking Woodland Park to compromise tenants' privacy.

Woodland Park has a written lease agreement with every tenant of ours. That lease agreement, together with local and state law, governs the terms of each tenancy. Woodland Park fulfills all of its obligations to every tenant pursuant to their lease agreement, local law, and state law.

A number of tenants in 201, 245, and 301 E. O'Keefe St. have submitted petitions for individual rent adjustment. On January 28, 2025, the City held a pre-hearing conference to discuss the logistics of the hearings on these Petitions. Mr. Huynh appeared at the conference but did not disclose whom he was representing. Mr. Huynh told the City and its hearing examiners that Woodland Park refused to participate in settlement negotiations regarding the Petitions. That is not true.

In fact, Mr. Huynh has prevented Woodland Park from discussing the petitions at the meetings that have been held. The "Association" requested the January 16, 2025, meeting to "negotiate." Woodland Park came prepared to discuss the previously raised issues at 201, 245, and 301 E. O'Keefe St. Mr. Huynh cut off this conversation and refused to discuss it. This was disappointing as we wanted to focus on the 201, 245, and 301 E. O'Keefe St. tenant's thoughts and follow up with their work order concerns. This did not happen and instead, Mr. Huynh insisted on raising new and different issues at different properties, all of which are irrelevant to the Petitions. It was Mr. Huynh who refused to negotiate or work toward settlement, not Woodland Park.

Mr. Huynh is advised not to misstate facts or otherwise mislead the tribunal or the City with regard to the Petitions or any other matter. His actions do not help the tenants but in turn delays getting the tenant's issues addressed and resolved.

We wanted to reiterate that Woodland Park continues to fulfill all of its obligations under the lease agreements, local law, and state law. Woodland Park tenants are provided all of the housing services to which they are entitled. Woodland Park has opposed each of the Petitions for rent reduction and rebate on the basis that Woodland Park maintains the premises in a good and habitable condition. And, when a tenant does not notify Woodland Park of a problem or provides Woodland Park an opportunity to correct it, no rent rebate is available. Woodland Park has responded to and corrected in a timely fashion all problems identified by tenants, except where tenants prevented Woodland Park from providing requested services.

We do have concerns that there is a directive from the association side to tenants not to submit work orders through the proper channels and protocol to the leasing team, online, or by phone nor send them to our onsite Community Engagement Manager. This is concerning because it significantly reduces the opportunity for Woodland Park to address and resolve our tenants' work orders. We hope this is not the case. When Woodland Park received your letter of concerns about 201, 245, and 301 E. O'Keefe St., Woodland Park took those concerns very seriously. Woodland Park hosted three evening listening sessions and invited all tenants to all of those buildings to come speak directly about their concerns. Almost no one came, giving rise to an inference that individual tenants do not have ongoing concerns.

The "Association" has held "negotiation meetings," but unfortunately these meetings have not been productive while taking away valuable and needed time away from our tenants. To date, these meetings have consisted of "Association" representatives reading a letter that could have been sent and read in advance. As mentioned on several occasions, if there are issues to be resolved in any tenant's unit, Woodland Park invites that tenant to report the issue directly to the property management team (Greystar) or the community engagement staff so it can be solved.

To also aid in our tenants' needs, Woodland Park has hired a new part-time community engagement representative dedicated to solving any tenant problems. Woodland Park announced his e-mail address and phone number to the "Association" and reported that he would schedule an appointment with any tenant to discuss and help fix their problems. Unfortunately, zero tenants from any of the six buildings have reached out to him. This reflects that individual tenants do not have ongoing concerns.

Woodland Park has brought the General Manager, the Regional Property Manager, and the Maintenance Manager to the "negotiation meetings" to receive reports of any problems so that work orders can be created efficiently and problems can be solved expediently. No tenant provided any new work orders at the meetings. It seems it does not appear that individual tenants have any ongoing concerns.

Woodland Park hereby reiterates that it is always willing to meet with any tenant and to address their concerns. That said, Woodland Park cannot meet with "representatives" with whom it has no relationship or otherwise discuss private tenant matters with anyone other than the tenant. The property owner is working closely with Greystar property management to ensure that the on-site management team responds to repair requests in a timely and satisfactory manner. There is an emergency maintenance hotline 24/7 which can be reached at **650-566-2000**.

If any tenant has a maintenance concern in their home, they should let the Greystar property management team know right away so that the issue(s) can be fixed as soon as possible. There are several ways to report a maintenance issue:

- Tenants can log on to the resident portal online at: https://www.liveatwoodlandparkapts.com
- Tenants can call the main office line at **(650) 566-2000**.
- Tenants can visit the **Management Office** at 5 Newell Court or 2043 Euclid Ave. The hours of operation are **Monday-Friday, 9am-6pm, and Saturday-Sunday, 9AM-5PM**.

If anyone has questions or feedback for the Woodland Park Communities ownership team, please contact **Teresa Morales**, Community Engagement Manager, at (**650) 690-6199**, tmorales@wlpcommunities.com, or in-person at 2041 Euclid Avenue (at East O'Keefe). There is also a dedicated ownership representative to talk through any concerns or complaints that any tenant may have. His name is **Bill Reyes** and you can reach him any time at breyes@wlpcommunities.com or (**650) 730-0411** to speak with him directly or make an appointment to meet in person in East Palo Alto. He has over 4 years of experience dealing with tenant concerns at Woodland Park and is well suited to listen to and address any concerns.

Woodland Park will continue to fulfill its obligations under its lease agreements, local law, and state law. Woodland Park will participate in the Petition hearings. We will also continue to respond to tenant inquiries and work orders in a timely fashion and address/resolve.

At this time; and after attending recent association meetings, we will continue to be focused on addressing any tenant issues that arise; however, we will not be attending future association meetings so we can provide said focus and be mindful of our tenant's time.

Estimada Asociación de Inquilinos de East O'Keefe:

Le escribo hoy en respuesta a su propuesta con fecha de enero 16, 2025 y a las representaciones de James Huynh ante el Consejo de la Ciudad de East Palo Alto (la Ciudad) en la Pre-conferencia de enero 28, 2025 Audiencia acerca de las Peticiones para Ajustes de Rentas Individuales del 201, 245, y 301 E. O'Keefe St. (las "Peticiones"). Apreciamos su paciencia en este asunto y quisimos evaluar todos los asuntos presentados incluyendo la representacion de los inquilinos.

Queria compartir un recordatorio respecto a la privacidad de nuestros inquilinos ya que es valorada por los dueños y los gerentes de la propiedad. Woodland Park está en contrato de privacidad con sus inquilinos. Como parte de esta relación legal, Woodland Park está obligada a mantener confidencialidad de los records de tales inquilinos. Woodland Park no comparte los detalles de ningun asunto de contrato de inquilinos con nadie mas allá de los inquilinos dentro de cada contrato de arrendamiento. Esto proteje la confidencialidad de la información del inquilino así como la seguridad de los inquilinos.
Woodland Park no puede hablar de especificos de ningun inquilino con alguien mas aparte del inquilino. La supuesta "Asociación" continua pidiendo que Woodland Park haga pública la información de los inquilinos lo cual no podemos hacer para proteger a los inquilinos. Apreciamos su cooperación, su conformidad, y su consideración con respecto a la privacidad de los inquilinos al no solicitar que Woodland Park comprometa la privacidad de sus inquilinos.

Woodland Park tiene un acuerdo por escrito con cada inquilino. Ese acuerdo, junto con la ley local y estatal, protegen los terminos de cada contrato de arrendamiento. Woodland Park responde a todas sus obligaciones con cada inquilino de acuerdo a su contrato con la ley local y estatal.

Un número de inquilinos en el 201, 245, y 301 E. O'Keefe St., han entregado peticiones para ajustes de rental individual. El 28 de enero, 2025, la Ciudad llevo a cabo una conferencia de pre-audiencia para hablar de las logisticas de las audiencias de estas Peticiones. El Sr Huynh se presentó a la conferencia pero no reveló a quien estaba representando. El Sr. Huynh manifestó ante la Ciudad y los examinadores de la audiencia que Woodland Park se rehusó a participar en negociaciones referente a las Peticiones. Esto no es verdad.

De hecho, El Sr. Huynh ha impedido que Woodland Park dialogue sobre las peticiones en las reuniones llevadas a cabo. La "Asociación" pidió una reunión el 16 de enero, 2025 para "negociar." Woodland Park llegó preparada para hablar de los asuntos previamente discutidos del 201, 245, y 310 E. O'Keefe St. El Sr. Hyunh cerró la conversación y se rehusó a hablar de tales asuntos. Esto nos desagradó ya que queriamos enfocarnos en el 201, 245, y 301 E. O'Keefe y lo que inquilinos pensaban de las órdenes de mantenenimiento y sus preocupaciones. Esto no sucedió, y en su lugar el Sr. Huynh insistió en enfocarse en presentar nuevos y diferentes asuntos de diferentes propiedades. Las cuales todas eran irrelevantes a las Peticiones. Fué el Sr Huynh quien se rehusó a negociar ó a dialogar para llegar a un acuerdo, no Woodland Park.

Se le aconseja al Sr Huynh a no presentar hechos incorrectos ni tampoco hacer representaciones falsas ante el tribunal de la Ciudad con respecto a peticiones o cualquier otro asunto. Sus acciones no ayudan a los inquilinos, al contrario impiden que los asuntos de los inquilinos se escuchen y se resuelvan.

Queremos reiterar que Woodland Park continua asumiendo sus obligaciones bajos el contrato de arrendamiento, la ley local, y estatal. Los inquilinos de Woodland Park reciben todos los servicios de vidienda a los que tienen derecho. Woodland Park se opone a cada una de las Peticiones de reducción de renta y rebate con base en que Woodland Park mantiene las propiedad en condiciones buenas y habitables. Y, cuando un inquilino no notifica a Woodland Park de un problema o provee a Woodland Park la oportunidad de corregir tal problema, el rebate de renta no está disponible. Woodland Park ha respondido y corregido todos los poblemas de manera oportuna con los inquilinos, excepto donde los inquilinos han impedido que Woodland Park provea tales servicios requeridos.

Nos preocupa que haya un influencia por la asociación dirigiendo a los inquilinos a no entregar sus órdenes de reparaciones por medio de los medios apropiados y el protocólo del equipo de arrendamientos, ya sea por línea, por teléfono o por medio de la gerente de asuntos comunitarios. Nos preocupa porque esto reduce significativamente la oportunidad de Woodland Park de resolver y enfocarse en las órdenes de reparaciones de los inquilinos. Esperamos que este no sea el caso. Cuando Woodland park recibió su carta de procupaciones acerca de 201,245, y 301 E. O'Keefe St., Woodland Park tomó muy seriamente esas preocupaciones. Woodland Park organizó tres sesiones para escuchar por las tardes e invitó a todos los inquilinos de todos esos edificios para que vinieran a hablar directamente acerca de sus preocupaciones. Casi nadie llegó, dandonos asi el mensaje de que los inquilinos individualmente no tenian preocupaciones actuales.

La "Asociación" ha organizado "reuniones de negociación" pero desafortunadamente estas reuniones no han sido productivas tomando asi el tiempo necesario y de valor para nuestros inquilinos. A la fecha, estas reuniones han consistido en lecturas de cartas por los representates de la "Asociación" las cuales pudieron haber sido enviadas para leerlas previamente. Como mencionado en varias ocasiones, si existen asuntos a resolver en cualquiera de las unidades, Woodland Park le invita a los inquilinos a reportar el problema directamente a la compañia de manejo de la propiedad o al personal de asuntos comunitarios para que se resuelvan.

Para ayudar con las necesidades de nuestros inquilinos, Woodland Park ha contratado a un nuevo representate de asuntos comunitarios parte de tiempo y esta dedicado a resolver problemas de los inquilinos. Woodland Park anunció su correo electronico y su número de teléfono a la "Asociación" y anunciamos que esta persona estaría disponible para ayudar a asegurar que se resuelvan los problemas de mantenimiento. Desafortunadamente, ningun inquilino de los seis edificios han contactado a esta persona. Esto nos dice que los inquilinos individuales no tienen problemas actuales.

Woodland park invitó al Gerente General, El Gerente Regional, y al Gerente de Mantenimiento a las "reuniones de negociaciones" para recibir reportes y quejas de cualquier problema para asegurar que las órdernes de trabajo se llenaran al momento de la reunión y asi resolver los problemas de manera mas rápida. Ningun inquilino se acercó para entregar órdenes de trabajo de mantenimiento en estas reuniones. Esto nos dice que parece no haber preocupaciones actuales de parte de inquilinos individuales.
Por medio de la presente, Woodland Park reitera que siempre está dispuesta a reunirse con los inquilinos para abordar sus procupaciones. Habiendo dicho esto, Woodland Park no puede reunirse con "representantes" con quienes no tiene relación ó de otra manera no puede discutir asuntos privados de inquilinos con personas que nos sean los inquilinos. El dueño de la propiedad esta supervisando muy de cerca a Greystar quien maneja la propiedad para asegurarse que el equipo de mantenimiento responda a las peticiones de reparaciones de manera satisfactoria y rápida. Existe una línea de emergencias 24/7 la cual puede contactarse en el (**650) 566-2000.**

Si un inquilino tiene un asunto de mantenimiento en su hogar, ellos pueden hacerle saber al equipo de Greystar imediatamente para que el asunto se resuelva a la brevedad posible. Hay varias maneras de reportar estos asuntos de mantenimiento:

- Inquilinos pueden entrar al portal de residentes por línea a: https://www.liveatwoodlandparkapts.com
- Inquilinos pueden llamar a la oficina **(650) 566-2000**.
- Inquilinos pueden visitar la **Oficina de Gerencia** al 5 Newell Court o al 2043 Euclid Ave. Las horas de operación son de **lunes-viernes, 9am-6pm, y de sábado-domingo, 9AM-5PM**.

Si alguien tiene preguntas o información para los dueños de Woodland Park Communities, favor de hablar con **Teresa Morales,** Gerente de Compromiso Comunitario, al **(650) 690-6199,** tmorales@wlpcommunities.com, ó en persona al 2041 Euclid Avenue (en East O'Keefe). Tambíen pueden llamar al representante de los dueños dedicado a estos asuntos y quejas de los inquilinos. Su nombre es **Bill Reyes** y pueden encontrarlo en breyes@wlpcommunities.com ó **(650) 730-0411** para hablar con el directamente ó hacer una cita en persona en East Palo Alto. El tiene más de 4 años de experiencia de manejo de asuntos de mantenimiento con inquilinos en Woodland Park. El está disponible para darle atención adecuada y resolver cualquier asunto.

Woodland Park continuará asumiendo sus obligaciones bajo los acuerdos de arrendamiento, la ley local y estatal. Woodland Park participará en las audiencias de Peticiones. También continuará respondiendo a las preguntas y órdenes de trabajo de mantenimiento a la brevedad possible y asi abordar/resolver cualquier asunto.

Por ahora; y despúes de asistir a recientes reuniones de la asociación, continuaremos enfocados en responder a las cuestiones que se presenten; no obstante, no atenderemos reuniones futuras de la asociación y asi enfocarnos y respetar el tiempo de nuestros inquilinos.

Inquilinos de Woodland Park y miembros del público son bienvenidos a visitar las oficinas de Woodland Park en el 5 Newell Ct. 2041 Euclid Ave., y el 2043 Euclid Ave. Como se subrayó y como se especificó en la reunión de la asociación, la oficina de la Compañia Sand Hill Property en Camino Real no está abierta para negocios de asuntos públicos y cualquier visita no autorizada será considerada como una intrusión.

Gracias por su tiempo y comprensión.
Sinceramente,

Jason Villarreal

Dear Gilberto,

We're always looking for ways to enhance your resident experience here at Woodland Park, so we are excited to announce the launch of the new Resident Experience app!

Download the Resident Experience app from your preferred app store to get registered!

- If you currently have an automatic payment set up, it will not process for December's rent. You will need to set up a new recurring payment in the new Resident Experience app.

Through the new app, you will be able to:

1. Access a NEW payments and rewards program.

- It's hassle free – through the new payments and rewards program, you'll earn points on each rent payment which you can use towards travel, fitness and more.
- You'll also get access to new rent day benefits each month and be able to opt in to free rent reporting. Explore all benefits after logging in.

2. Submit maintenance requests 24/7 and automatically receive status updates.
3. Experience new ways to connect and stay-up to date with what is going on at your community and so much more!

BILT PAYMENTS AND REWARDS

RESIDENT FAQ

Do I need to download the Bilt App as well as the Resident Experience App?

No. The only app you need as a Greystar resident is the Resident Experience App. To access the Bilt Rewards portal, go to the Payments section within the Resident Experience App.

When my community goes live on Bilt, do I need to set up a new payment method?

Yes. Any current recurring payment or payment information setup within your previous resident portal will be deleted automatically. New payment details for one-time or recurring payments will need to be setup within the Payments section of the Resident Experience App.

What benefits will I get with my Bilt Reward membership?

Earn rewards points on every rent payment you make in Bilt to use towards future rent payments, airline tickets, hotels, Amazon purchases, ride share services, and much more.

Free credit reporting (opt-in) to build your credit rating with every on-time rent payment.

Special opportunities to purchase unique experiences only available through Bilt Rewards.

Do I need to apply for a Bilt Credit Card to pay my rent via Bilt rewards?

No. You do not need to apply for a Bilt credit card. You simply need to log into your Resident Experience app and navigate to the Payments section to access your Bilt Rewards account, select Wallet, and proceed with linking your bank account or one-time payment options. While opting for the Bilt credit card will earn more rewards, it is not required.

EQUAL HOUSING OPPORTUNITY

GREYSTAR™ | BILT

Am I required to link my bank account information?

No. There are two ways to link your Bilt Rewards payment details to your bank account: Bilt uses PLAID, a secure third-party service, which requires you to enter your bank's login information for authentication by Bilt.

A list of banks integrated with PLAID can be found at plaid.com/institutions.

The standard process supports bank integration and lets you seamlessly connect your bank account to Bilt by providing your bank account and routing number.

Is there any fee associated with paying through Bilt Rewards?

There is no fee to pay through the following methods:

-Checking or Saving accounts

-Bilt Credit Card

There will be a processing fee incurred when paying by Debit Card or Non-Bilt Credit Cards. The fee is collected by the payment processor, not the apartment community, and is disclosed in the Bilt Payments portal when you make your payment selection prior to submitting payment.

Will my rent be sent to credit agencies without my consent?

No. Credit reporting to the three major agencies (Experian, TransUnion, Equifax) is a free service offered by Bilt Rewards. However, you must opt into it. In addition, you may opt out at any time.

I am getting more emails than I would like from Bilt, how do I adjust this?

At the bottom of every email from Bilt, there is a "Click here to unsubscribe" button. Click on this button to adjust your subscription preferences.

I am having an issue logging into Bilt. Who should I reach out to?

Send an email to Bilt directly for support at **greystarmembersupport@biltrewards.com**.

Additional questions? Please contact your community's Leasing Office for assistance. Thank you!

Good afternoon Pabel,

Please see the attached reports from the inspections this past Tuesday. Complaints that were noted to be closed in the reports have been closed out on our end.

Please continue to send updates on fixes for the outstanding issues. Alberto had mentioned something about a running word document where the progress has been updated.

Around Mid-December, I'd like to do the inspection for 301 E O'keefe as well, assuming majority of the planned fixes have been completed.

Thanks,

Stephen Low REHS III

Good morning Pabel,

Following up on this as a reminder that we'd like to get an update on the complaints by the end of today. I would like to reiterate that failure to respond with the information we are requesting will result in each unit investigation next week being billed at the county's hourly approved rate of 249.00 per hour, per complaint.

Thanks,

Stephen Low REHS III

Subject: Re: Multiple Complaints at 201, 245 and 301 E O'Keefe St Facilities

Good afternoon Pabel,

I'm following up as a reminder that our office would like to get an update, preferably on the spreadsheets provided, for the work done in each of the units that had filed complaints by the end of the week. From there I'd like to schedule a time for an inspection to follow up and confirm the

completed work and note down any remaining issues. Please note that failure to provide an update will result in an inspection, performed at a time at our discretion, that will be billed at the county's hourly approved rate of 249.00 per hour, per complaint that we find outstanding issues at.

Thanks,

Stephen Low REHS III

Good morning Pabel,

Thank you for the update on the situation. I'd like to see copies of the WOs to get an idea of the work done in each of the units before we do the walkthrough of each property.

Thanks,

Stephen Low REHS III

Good Afternoon Stephen,

We are working closely with the city of EPA in regards to this. We have compiled all of the WO that we received and we have opened new WO so our team can inspect and close out this week. I will keep you updated on when all of these items have been addressed or cleared.

Subject: [EXTERNAL] Multiple Complaints at 201, 245 and 301 E O'Keefe St Facilities

Good afternoon Alberto,

Per our discussion yesterday, I've compiled all the complaints we've received at the 3 properties into spreadsheets. Please fill out column D with all the work done at each respective unit. Be as specific as possible so that we can parse down the list of outstanding issues in each unit. For complaints that did not share the unit number, I have provided the provided names to assist in figuring out which unit they are referring to. Please fill out these sheets and return them to me within a 2 week period. From there, we can schedule a time to do an inspection at each of these properties, confirm with as many residents as possible that the work stated has been done and close out the complaints.

Please let me know if you have any questions.

Thanks,

EAST PALO ALTO RENT STABILIZATION MEMORANDUM

DATE: August 12, 2026
TO: Honorable Chair and Members of the Rent Stabilization Board
BY: Natasha Raiburn, Rent Stabilization Program Administrator
Michelle Magarrell, Deputy City Attorney
Shiri Klima, Assistant City Manager
SUBJECT: *Calderon, et al., v. Woodland Park Communities*
Consolidated Appeal Case Numbers A20240013 through A20240021, Appeal Hearing & Procedure

Recommendation

Adopt a resolution formally rescheduling the appeal hearing for *Calderon,et al., v. Woodland Park Communities* Consolidated Appeal Case Numbers A20240013 through A20240021 on the record for August 12, 2026. Originally set by resolution 26-01 on March 11, 2026 and scheduled to be heard on June 10, 2026.

Background

On June 10, 2026, the Board was scheduled to hear the consolidated appeal *Calderon, et al., v. Woodland Park Communities* Consolidated Appeal Case Numbers A20240013 through A20240021. The hearing was scheduled on The Board received guidance from the City Attorney that the hearing needed to be continued to a future meeting. The continuation took place without a formal resolution being passed. The Board heard public comment on the item. During public comment tenants voiced their request to have the consolidated appeal hearings for 201, 245, and 301 E. O'Keefe Street heard at the same future Board meeting to avoid scheduling issues for the tenants. On July 31, 2026, parties were provided noticing for the August 12, 2026, hearing date as per 1500G(2)(f) of the Rent Stabilization Rules and Regulations.

Josephina Calderon, et al., (hereinafter referred to as the "Petitioner/Appellee"), filed Petition Nos. 20240013 through 20240021 with the Rent Stabilization Program ("Program") on September 18, 2024, against landlord Woodland Park Communities,

(hereinafter referred to as “Respondent/Appellant”) regarding the property at 201 East O’Keefe Street Unit 107 (Josefina Calderon), Unit 108 (Rocio Rios, Jose del Torre, Miriam de la Torre, and Miguel Del La Torre), Unit 110 (Reyna del Cid, Richard Juarez, and Jaqueline Argueta), Unit 201 (Alma Hernandez), Unit 202 (Maria, Guadalupe Villalon), Unit 204 (Adelina Garcia and Mireya Segundo), Unit 206 (Katterine Ciramagua and Alex Santiago), Unit 207 (Elizabeth Perada), Unit 208 (Melva Spruell), (collectively “Petitioners/Appellees”).

In the petition, Petitioners/Appellees alleged that Respondent violated the Rent Stabilization and Just Cause for Eviction Ordinance of 2010 (the “Ordinance”) by (i) a breach of the implied warranty of habitability, (ii) a decrease in housing services and/or (iii) a deterioration of the Rental Properties. A hearing on the petitions for the common areas of 201 East O’Keefe Street was scheduled for February 27, 2025. Hearing Examiner Michael Roush conducted a hearing regarding Petitioner’s consolidated petition on February 27, 2025. Hearing Examiner found in favor of Petitioners and issued a decision on May 30, 2025. *See* Attachment 1. Respondent/Appellant filed a timely appeal of the Decision with the Rent Stabilization Board (the “Board”) on June 27, 2025. *See* Attachment 2.

Discussion

Under Section 14.04.140 (J) of the Ordinance, the Board may review hearing examiner decisions and take certain actions concerning such decisions (*e.g.*, “affirm, reverse, remand or modify the decision”). Regulation 1500 G(2)(h) states the Board may conduct the appeal hearing in two different ways: (1) *de novo* review, in which case evidence may be presented directly to the Board; or (2) on-the-record review, where the administrative record is confined to facts or evidence already presented to the Hearing Examiner.

Staff recommends that the Board schedule an appeal hearing in this case for August 12, 2026.

Furthermore, Staff recommends that the Board conduct an on-the-record appeal hearing. Under Regulation 1500(G)(2)(h), an on-the-record appeal hearing is the default procedure unless overridden by the Board. Staff does not perceive a need to override the default procedure in this appeal. The issues raised in the appeal can be adequately decided on the basis of the record already presented to the Hearing Examiner. If the Board decides not to override the default procedure, and this matter is heard on the record, the parties’ oral argument and briefing shall be limited to legal issues or evidence previously presented to the Hearing Examiner (the parties would not be allowed to address factual matters or evidence not presented to the Hearing Examiner).

In addition to setting the date for the appeal hearing and the nature of that hearing, Staff asks that the Board provide direction as to certain aspects of the appeal procedure. Accordingly, Staff requests that the Board adopt a resolution to the following effect:

(1) Schedule the hearing on the record on the above-named matter for **August 12, 2026**, beginning at the hour of 7:00 p.m. or as soon thereafter as the matter may be heard.

(2) That only the parties to the appeal, their representatives, and Staff may address the Board at the appeal hearing (assuming that the appeal hearing is on the record and the Board does not hear live testimony).

(3) Pursuant to Regulation 1500 (G)(2)(i), each side shall be allotted a maximum of ten (10) minutes devoted to oral argument, with the appellant to be heard first, followed by the appellee. The appellant may reserve up to three (3) minutes for rebuttal if the appellant so elects.

Based on the foregoing, pursuant to Regulation 1500 (G)(2)(e), Staff has provided a memorandum to the Board, which has also been provided to the parties at least ten (10) days prior to the scheduled hearing, on **July 31, 2026**.

PARTIES AND HEARING DATE

On September 18, 2024 Petitioners and Tenants Josefina Calderon (apartment 107), Rocio Rios, Jose de la Torre, Miriam de la Torre, and Miguel de la Torre (apartment 108), Reyna del Cid, Richard Juarez, and Jacqueline Argueta (apartment 110), Alma Hernandez (apartment 201), , Maria Guadalupe Villalon (apartment 202), Adelina Garcia and Mireya Segundo (apartment 204), Katterine Ciramagua and Alex Santiago (apartment 206), Elizabeth Perada (apartment 207), and Melva Spruell (apartment 208) ("Tenants") filed petitions with the East Palo Alto Rent Stabilization Program against Respondent Woodland Park Communities ("Woodland Park" or "Landlord"). The petitions state Tenants are tenants at 201 E. O'Keefe Street, East Palo Alto, California. The petitions were submitted with and consolidated with petitions filed by tenants at 245 and 301 E. O'Keefe Street.

A hearing on the petitions was held on February 27, 2025. Tenants were present at the hearing and many of them testified; they were represented by James Huynh and Laura Vasquez, both from the Regional Tenant Organizing Association. Present on behalf of Woodland Park were Aura Andrade, Community Manager, Andrea Bumagat, Compliance Manager, and Enrique Bedolla, Maintenance Supervisor. Prior to the hearing, the undersigned Hearing Officer, at the request of the Tenants, inspected the exterior of the property at 201 E. O'Keefe Street, as well as the hallways and other portions of the interior of the property but not any individual rental units. Natasha Raiburn, Rent Stabilization Program Administrator, accompanied the Hearing Officer at the inspection. Ms. Andrade was also present at the property for the inspection.

ISSUES PRESENTED

The petitions seek a rent reduction and/or a rent rebate based on habitability problems, reduction in maintenance and services, failure to provide maintenance and services required by law, code violations, and loss of or reduced housing services, both within each Tenant's respective rental unit as well as in the common areas of the property.

Because the petitions concern issues within each Tenant's individual units as well as issues in the common area, it was decided that the common area issues would be decided first. Once those issues had been heard and decided, each Tenant's individual issues would be heard and decided.

Accordingly, concerning the common areas issues, in their petition Tenants identify the following in support of their petition: the swimming pool was out of service for many years and although it was re-opened in July 2024, it is not maintained properly; lawn chairs, picnic tables and refuse containers that previously were provided in the areas adjacent to the swimming pool have been removed; chairs on the second floor where residents could gather to talk have been removed; the intercom system does not work and has not worked for many years, the paint on the exterior of the building and common areas is peeling; the elevator does not operate all the time and it is not maintained; many common areas are in a state of disrepair, for example, lights in the hallway not working, uneven floors, doors are discolored; there is a problem with the water system as the water often comes out with an unpleasant smell; many of the washing machines in the laundry rooms do not work properly; and there is a lack of security measures.

Woodland Park disagrees with the contentions in the petitions, stating that the property has been maintained in a good and habitable condition and when Tenants have notified Woodland Park of a problem either in the rental unit or in the common area of the property, Woodland Park has addressed the problem in a timely manner. Woodland Park also contends that many of the conditions that Tenants identify have existed for many years and for which Tenants should not be granted relief due to the passage of time. Woodland Park also submitted documents that it contends supports its contentions that Tenants are not entitled to relief.

RELIEF REQUESTED

The petitions request that Tenants' rent be reduced and/or rebated due to these various conditions in the common area of the property.

By way of background, on July 24, 2024, the E. O'Keefe Tenant Association sent to the Sand Hill Property Company a petition, dated July 17, 2024, setting forth various issues and conditions at 201, 245 and 301 E. O'Keefe Street, requesting that all notices from management to the tenants be in English and Spanish, and summarizing a list of demands that the tenants wanted addressed in each building. Tenant Exhibit ("TE") 1. On July 31, 2024, Pabel Zumarraga, then General Manager of Woodland Park Apartments, responded to the Association's letter or July 17. That letter provides that maintenance personnel have responded timely to requests for work and there were no open work orders, the swimming pool is clean and available to the tenants, the elevator (at 201 E O'Keefe) is maintained, reminding tenants that if there are maintenance issues, they may be reported to management in a number of ways, and promising to look into other issues raised by the petition. TE 2.

The Association responded to the July 31, 2024 letter on August 1, again requesting that all communications with the tenants be in English and Spanish, disputing the contention that maintenance issues at the properties have been completed, requesting a direct meeting with the owners of the property, and stating that the tenants were still waiting for a response concerning fumigation for pests in the rental units, 24 hours notice when water would be shut off, and replacing appliances and worn out carpets in the units. TE 4.

On September 18, 2024, Tenants filed their petitions seeking a rent reduction based on various grounds set forth above. TE 28. The petitions were submitted with and consolidated with petitions from tenants at 245 and 301 E. O'Keefe Street.

Notwithstanding that Tenants had filed their petitions, following meetings between representatives of Woodland Park and the Tenants, the Association on September 25, 2024 sent a list of proposals to Woodland Park concerning conditions if the property were to be sold, repair procedures, weatherization of all rental units and the common areas, safety and security issues, and requesting a rent rollback. TE 7 and 8.

The parties met again in January 2025. Following that meeting, the Association sent an email to Woodland Park requesting further information/clarification concerning repair procedures, safety and security, weatherization and improvements in all the units and common area, rent rollbacks, and conditions of sale if the property were to be sold. TE 10 and 11.

Woodland Park responded on February 7, 2025 expressing a number of concerns about the process that has been used to address Tenants' issues, informing Tenants a part time community engagement representative dedicated to resolving tenant issues had been hired, and reminding Tenants of the process to report maintenance issues. TE 12.

At the hearing on February 27, 2025, numerous Tenants testified in support of the petitions: Alyce Spruell (apartment 208); Josephine Calderon (apartment 107); Reyna Del Cid (apartment 110); Maria Guadalupe (apartment 202); and Adelina Garcia (apartment 204). Some Tenants testified about individual common area conditions and some Tenants testified about several common area conditions. To a great extent, Tenants' testimony overlapped but was consistent.

Tenants, many of whom have lived at the property for many years, testified as follows and/or submitted documents concerning conditions in the common area of the property, all of which they say they have brought to the attention of the landlord numerous times.

The swimming pool has not been consistently available to tenants and even when it is available, it is not maintained properly so tenants are not able to use the pool. TE 13, 16 and 25. Moreover, access to the pool is locked and many tenants do not have keys. In the swimming pool area, there were lawn chairs, picnic tables and refuse containers so that tenants could gather there. Those amenities have been removed. TE 14, 16 and 17.

The second floor had chairs where tenants could meet but those chairs have been removed. At one time the property had an intercom system so that if someone wanted to enter the building, the person could contact a tenant; that system has been inoperable for years. TE 19. Paint on the exterior of the building is peeling and the hallways have not been painted in many years; this lack of maintenance makes the property look shabby. TE 18, 20, 23 and 27; also see photos attached to

the petitions that show the common areas. The floors in the lobby and in the hallway are uneven and tiles are cracked, posing a tripping hazard. TE 17, 21 and photos attached to the petitions showing common areas.

The elevator is often out of service and even when it is working, it is not cleaned often. TE 16, 17 and 22. Many of the hallway light fixtures no longer work and when lights no longer work, they are not replaced, making the hallways dark. TE 16 and 26. Within all the units there is a problem with the plumbing. Often when water comes out of the faucet, it appears brown and has an unpleasant smell. The laundry rooms are not kept clean and when machines do not work, they are not repaired timely. TE 16. There is also a lack of security concerning the property.

Landlord representatives (Ms. Andrade and Mr. Bedolla [LE F]) testified as follows in response to the Tenants' testimony. Landlord also submitted a number of exhibits to support their contentions that the common areas are property maintained (LE L, M, O, and R), that Landlord has informed Tenants how to report repairs and maintenance (LE P and Q), and that Landlord provides adequate security for the building (LE N). Landlord also submitted other work orders (LE D and E) but these concern work or repairs in individual units, not the common areas.

It was acknowledged that the swimming pool is occasionally not available to the tenants because the proper permits from the County to operate the pool safely had not been obtained; those permits have now been obtained and the pool will be open. There is regular maintenance scheduled (two times/week) for the pool. Keys to the pool area have been provided to the tenants. If a tenant does not have a key, the tenant may obtain one from the office. The tables and chairs have been removed from the swimming pool area because some tenants were consistently damaging them or throwing them into the pool.

Concerning the chairs on the second floor that have been removed, that occurred many years ago and was in response to the request of the Fire Department. The intercom system was disabled more than 15 years ago. There is a keypad for entry to the building and many vendors who regularly deliver packages, etc. to the tenants have the code. The landlord is aware of the paint peeling on the exterior of the building and it is planned for the entire building to be painted.

The elevator is rarely out of service and when it is, the repair company responds timely. LE L. The elevator is cleaned regularly. As to the light fixtures and lights that need replacing, when tenants inform the landlord of these issues, repairs and replacement are accomplished timely. LE P, Q and R. Similarly, if the Landlord is informed of cracked tiles in the hallway floors, they are replaced. LE P, Q and R.

The issue with the water appearance and smell seems to occur after the water main in the street is shut off by the water company or the Fire Department in order to perform regular maintenance, not because of anything that the Landlord has control of. The Landlord has a third party vendor to maintain and replace the laundry facilities and when there are issues about those facilities, the Landlord responds timely. LE M.

As to security issues, the Landlord has a security service that routinely is on the property and routinely prepares reports about what security services it provides and in response to security concerns raised by tenants. LE N. Tenants have the number of the security service and can contact the service when necessary.

LEGAL FRAMEWORK

Section 13 of the City's Rent Stabilization and Just Cause for Eviction Ordinance ("Rent Ordinance") addresses rent adjustments for maintenance and service reductions. The failure to maintain a rental unit in a habitable condition consistent with building or housing codes is considered an increase in rent and a rent reduction may be ordered based on loss in rental value attributable to a failure to maintain the rental unit in a habitable condition. In addition, a decrease in housing services or maintenance without a corresponding reduction in rent is considered an increase in rent and a rent reduction may also be ordered based on loss in rental value attributable to a reduction in maintenance or services.

"Housing services" are broadly defined to include maintenance, repairs and any other benefit connected with the use or occupancy of rental unit. Rent Ordinance, Section 4, subsection G.

Subsection E of Section 1500 of the Rent Stabilization Board Regulations for Residential Tenancies in the City of East Palo Alto ("Regulations") sets for the grounds for reductions in rent. These include a failure of a landlord to comply with the "Warranty of Habitability" set forth in California Civil Code, section 1941.1, failure to comply with building or housing codes or other legal requirements for the maintenance and operation of rental housing which affects the livability and/or rental value of the rental unit, and decreases in housing services or failure to provide adequate maintenance without a corresponding reduction in rent. Minor maintenance deficiencies or deterioration, however, that have no or insignificant impacts on the livability of rental value of a rental unit and that do not cause any health and safety risk shall not provide a basis for reduction in the rent.

A petitioner shall bear the burden of proof and must prove by a preponderance of evidence the grounds for a reduction in rent. Regulations, at paragraph c, subsection E, Section 1500. Reductions in rent shall be effective from the date that the landlord first had notice or should have known of the condition providing the basis of the reduction. For failures justifying a reduction In rent that are ongoing at the time of hearing, the reduction shall be in effect until the failure is corrected. Regulations, at Paragraph d, subsection E, Section 1500.

DISCUSSION

Rent includes housing services and, as stated above, housing services are broadly defined and include repairs, maintenance, and any other benefit connected with the use or occupancy of a rental unit. A rent reduction and/or rent rebate may be ordered for a landlord's failure to maintain the property or for a reduction in housing services. As stated previously, Tenants' petitions seek a rent reduction based on (1) habitability problems (failure to comply with the "Warranty of Habitability" set forth in California Civil Code, section 1941.1), (2) reductions in maintenance and services and/or failure to provide maintenance and services required by law, (3) code violations (failure to comply with code violations that materially affect tenants' health and safety), and (4) loss or reduced housing services.

1. Habitability Problems

On the petition form itself, most of the items identified under the heading of Habitability Problems concern items that are within the rental unit itself, e.g, defective plumbing, drains, sewage system, or water supply, loss or insufficient hot water or water supply. Some items under this heading, however, do concern common area conditions: "Building, yard, garage, hallways, stairs and common areas are not clean, sanitary, or free from all accumulations of debris, filth, rubbish, garbage, rodents, and vermin, such as cockroaches or rats"; "Floors, stairways or railings are broken, rotting or missing".

To avoid repetition, the common area conditions that are under this heading are discussed in Section 2 below.

2. Reductions in Maintenance and Services and/or Failure to Provide Maintenance and Services Required by Law.

As with the items identified on the form of the petition under Habitability Problems, many of the items identified under this heading also address items within a rental unit (defective appliances in the unit, inadequate window coverings, etc.). But other items under this heading likewise pertain to common area issues, for example, peeling paint, missing, cracked or broken tiles, inoperative/missing exterior lights.

There was substantial testimony and documentary evidence that many common areas are not being repaired or maintained promptly. For example, there was testimony that light fixtures in the hallway and burned out light bulbs in the common areas have not been repaired or replaced timely. Hallway floors are uneven and tiles are cracked or broken and have not been repaired or replaced. Paint is peeling on the exterior of the building. Moreover, the Inspection Reports from the San Mateo County Environmental Health Services (LE O, pgs. 308-311) likewise identified various common area issues, such as the need to repair or replace steps, handrails or landings that are missing or in need of repair; and inoperable fire extinguishers.

The evidence did show that the Landlord does address maintenance issues in the common areas (LE L and M), but the evidence also demonstrated that the Landlord often delays unreasonably in making many of the repairs. See, for example, LE R, showing numerous invoices for repairs and other maintenance services in the common areas but only within the past few months, and LE O, at pgs. 277, 290, 296 and 298, concerning common area work orders only in the past few months.

The Landlord's failure to undertake timely maintenance and repairs is a reduction in maintenance and housing services in that housing services are broadly defined to include maintenance and repairs. Tenants have carried their burden of proof that there has been a reduction in maintenance and housing services such that a rent reduction/rebate is warranted. To the extent the conditions not timely repaired or maintained may also be characterized as habitability problems, Tenants have likewise carried their burden of proof.

3. Code Violations

Code violations address a landlord's failure to comply with code violations that materially affect tenants' health and safety, including Health and Safety Code, Section 17920.3. The Inspection Reports from San Mateo County Environmental Health Services (LE O, pgs. 308-311) do cite to violations of that statute and to violations of the Uniform Building and Housing Code but the code violations were characterized as "minor". Tenants have not carried their burden of proof that there are code violations that have been or are so severe so as to warrant a rent reduction/rebatge.

4. Loss or Reduced Housing Services

As stated above, housing services are broadly defined and the items listed under this category include many common area items such as a defective or inoperative elevator, a broken or defective intercom, laundry facilities, swimming pool, and no on site resident manager services for rental properties with 16 or more rental units. Tenants offered considerable testimony and submitted considerable documentary evidence in support of their contention that there has been a significant loss or reduction in housing services.

The evidence established that the swimming pool has not been available during the summer months whether due to maintenance issues or the landlord's failure to obtain the necessary County permits to operate the pool. Even a few of the reports from the security service state that the pool is dirty. LE N. That the pool has not always been available is a loss or reduction of housing services.

The evidence was uncontradicted that for some time there were tables and chairs in the area near the swimming pool but these have been removed. Ms. Andrade, on behalf of the Landlord, explained the tables and chairs were removed because they were continually getting broken and/or thrown into the swimming pool. A landlord should not be in the position of constantly replacing amenities that tenants or their guests are damaging. Although as a gesture of good faith, the Landlord should consider once again providing those amenities (perhaps this time taking better steps to secure the tables and chairs), the removal of the tables and chairs was justified and hence not a reduction in housing services for which a rent reduction is warranted.

Although at some point the property had a working intercom system, the evidence was clear that the intercom system has not been functional for many years. Given the length of time the intercom system has not worked, a petition for loss of this housing service should have been filed many years ago. Because of that, that loss of housing service is time barred.

The evidence established that the elevator is out of service from time to time and that the interior of the elevator is not as well maintained as it should be. Nevertheless, it does not appear that the elevator has been out of service for an extensive period of time or that it constantly is out of service. LE L. The Landlord should ensure that the interior of the elevator is cleaned regularly but the elevator related issues do not constitute a loss of housing services.

From time to time, water in the individual units is brown colored and has an unpleasant smell. These issues are better addressed with the individual petitions but evidently result after the water company or the Fire Department shuts off water in the main line, rather than a problem with the interior water lines.

Tenants cite to a lack of security at the property but there is a key pad in order to provide access and the Landlord does have a security service that is routinely in and around the property. LE N. While the Tenants would like to see more or better security, the evidence does not establish that there has been a reduction in housing services due to security issues.

Except as the failure of the Landlord to maintain and repair timely as described in Section 2 above may be considered a loss or reduction of housing services, and except for the unavailability of the swimming pool, Tenants have not carried their burden of proof as to a reduction of any other housing services so as to warrant a rent reduction/rebate.

REMEDY

Tenants have carried their burden of proof that the overall lack of maintenance in the common areas and the lack of availability of the swimming pool constitute a reduction in maintenance and housing services, both of which call for a reduction in/rebate of rent. As to an appropriate remedy, for a period of three years prior to the filing of the petitions in September 2024 through May 2025, Tenants are entitled to have their rents reduced by seven percent, 2% for the unavailability of the swimming pool and 5% for the failure of timely maintenance and repairs in the common areas. Assuming that the swimming pool is now available, beginning June 2025, Tenants' rents are reduced by only 5%. Given the wide ranging scope of repairs/maintenance that needs to occur in the common areas, for example, painting the exterior of the building, repairing light fixtures in the hallway, repairing/replacing broken or cracked tiles in the hallway, ensuring the elevator is working and that the laundry facilities are in working order and the laundry areas kept clean, and maintaining the swimming pool, etc., the 5% reduction will continue for one year in order to provide the Landlord with the opportunity to address the maintenance issues and demonstrate that the Landlord will meet its obligations to maintain the common areas on an ongoing basis.

DECISION

1. The petitions for a rent reduction/rebate based on the failure to maintain or repair items in the common area or a reduction in housing services relative to the common areas are granted; the rents for the Tenants are reduced by 7% from September 2021 through May 2025. From June 2025 through May 2026 Tenants' rents are reduced by 5%. If, after one year, Landlord has failed to demonstrate that it is maintaining the common areas, Tenants may file new petitions.

2. Because each Tenant is paying a different amount of rent, a separate calculation is required for the amount of reimbursement/rebate to each Tenant household and a separate calculation is required as to the rent as of June 2025. Landlord has provided rental information for the Tenants at 201 E. O'Keefe Street who filed petitions. LE B. The calculation of the rent reduction/rebate and the rent as of June 2025, for Tenants are set forth in Attachment 1. As to the reimbursement/rebates, Landlord may provide the amounts directly to the Tenants, provide the amounts as a credit against future rent, or provide the amounts against rent that is in arrears. The reimbursement/rebates shall be provided within 30 days from the date this Decision is final.

3. In all other respects, the petitions are denied.

Grounds for the Appeal

Respondent Woodland Park Communities ("Respondent") hereby appeals the Decision of the Hearing Examiner because the decision was in error and constituted an abuse of discretion on the part of the Hearing Examiner. Respondent respectfully requests that the Rent Board modify the Hearing Examiner's decision to correct the errors and the abuse of discretion.

The Decision was in error and constituted an abuse of discretion for the following reasons:

1.) The Decision awarded rent rebates and reimbursements to individuals who are not tenants. For example, the Decision awarded Mireya Segundo a reimbursement/rebate for Apartment 204 even though the record evidence shows that only Adelina Garcia is a tenant in that apartment. No rent rebates and reimbursements are available to non-tenants.

2.) The Decision awarded rent rebates and reimbursements to tenants for time periods in which they were not tenants and did not pay rent. For example, record evidence shows that Katterine Ciramagua and Alex Santiago became tenants of Apartment 206 on June 8, 2024. The Decision awards these tenants rent rebates and reimbursements for 24 months, which predates the beginning of their tenancy. There is no authority in the Rent Stabilization Ordinance ("RSO") to rebate or reimburse tenants for rent that was not paid, during a time period in which they were not tenants. (The prior tenants are not petitioners and no rent rebate or reimbursement is appropriate for a tenant who does not petition.)

3.) The Decision awarded rent rebates and reimbursements for the alleged unavailability of the pool during summer months for three years. Unrefuted record evidence shows that the pool was available during many summer months during that time. No rent rebate or reimbursement is proper when the housing service is being provided.

4.) The Decision awarded rent rebates and reimbursements for the unavailability of the pool during non-summer months. Record evidence shows that the pools are not open outside of summer months. In other words, pool availability is not a housing service during non-summer months. Therefore, lack of availability of a pool during non-summer months is not a reduction of housing services. No rent rebate or reimbursement is proper when there is no reduction of housing services, such as a pool that is not open in non-summer months.

5.) The Decision awarded rent rebates and reimbursements for unspecified "failure of maintenance and repairs in the common areas." There is no citation of record evidence of exactly what maintenance or repair failed. There is no record evidence as to when a tenant provided notice to the landlord of a problem in the common areas that was not immediately fixed. There is ample record evidence that when a tenant did provide notice to the landlord, the problem was fixed.

6.) The Decision awarded rent rebates and reimbursements for *de minimus* problems, including for example a problem with a light fixture, a burned out lightbulb, and a cracked tile. No rent rebates or reimbursements are available for minor maintenance deficiencies or deterioration. See Regulation 1500(E)(1)(c) ("Minor maintenance deficiencies or deterioration which have no or insignificant impacts on the livability or rental value of a unit and which do not cause any health and safety risk shall not provide a basis for a reduction in the Rent pursuant to this subsection.")

7.) The Decision awarded rent rebates and reimbursements in excess of the loss in rental value attributable to the alleged problems. Regulation 1500(E)(3) requires "Reductions in Rent shall reflect the loss in rental value attributable to the failures specified...above." The rent rebates and reimbursements far exceed any loss in rental value attributable to the alleged

problems, which are de minimus. There is no record evidence that the alleged and unspecified problems with the common areas reduced the rental value by 5% for every petitioner.

8.) The Decision awarded rent rebates and reimbursements without properly considering the criteria for reductions in rent. Regulation 1500(E)(3) requires that reductions in rent be based on, among other things, "governmental inspection reports, if any." The governmental inspection reports in the instant case showed that any alleged common area problems were "minor." Therefore, it was error and an abuse of discretion to award a rent rebate or reimbursement.

9.) The Decision failed to determine, as required by Regulation 1500(A)(16), the date on which the landlord was notified that each condition or problem existed. Without such date, it is impossible to determine the length of time for any rent rebate or reimbursement. It was error to calculate or award any rent rebate or reimbursement absent record evidence was to when the landlord was notified of a problem. It was error to calculate or award any rent rebate or reimbursement absent record evidence was to when the landlord was notified of a problem, and to instead assume notice, without any citation or record evidence, in September 2021.

10.) Similarly, Petitioners "must provide proof" that landlords had reasonable notice and a reasonable opportunity to correct the conditions or restore the reductions in housing services. See Regulation 1500(E)(2)(A). Petitioners failed to provide such proof. Therefore, the Decision is in error and an abuse of discretion.

11.) The Decision provides for prospective rent reductions without consideration for whether each alleged condition or problem has been fixed and without an opportunity to prove that it has been fixed. There is no authority in the RSO or the Rules for prospective relief. Rather, Regulation 1500(E)(2) specifies that "the reduction shall be in effect until the failure is

corrected." Regulation 1500(E)(4) explains "Restoration of Rent Once Bases for Reductions in Rent Area Corrected." There is no authority for a reduction to continue beyond the time of correction. Moreover, there is no record evidence that any problems are ongoing, so no prospective rent reduction is lawful. It is error and abuse of discretion to award prospective rent reductions.

12.) The preponderance of the record evidence shows that as soon as a tenant notified the landlord of a problem, the landlord took action to solve the problem. No rent adjustment is permissible unless supported by the preponderance of the evidence, which is not present here. See Regulation 1500(A)(15).

13.) The Decision awards a blanket rent reduction and reimbursement starting from September 2021. There is no record evidence that the alleged housing service reductions began in September 2021 or that the tenants provided the landlord with notice of any problem at that time. There is no citation to record evidence regarding this September 2021 date and there is no explanation as to why this date was chosen.

14.) The blanket rent reduction and reimbursement continues through May 2025 with no explanation and no citation to record evidence. The hearing on this case took place in February 2025 and no evidence was solicited or provided regarding the time period after the hearing through May 2025. It is error and an abuse of discretion to award a rent reduction and reimbursement during a time period during which there is no evidence of a problem.

15.) The Decision awards rent rebates and reimbursements that were not requested. Regulation 1500(A)(13) limits a hearing to the issues raised by the petition. Not all petitioners raised issues with common areas. It was error and abuse of discretion for the Decision to award rent rebates and reimbursements for issues not raised by a given petition.

16.) The Decision awards rent rebates and reimbursements to all petitioners, even petitioners who did not attend the hearing and for whom there is no evidence to support a finding that the rental value of their unit has been decreased by the common area issues for which an award was given. This is error and an abuse of discretion.

17.) The Decision awards rent rebates and reimbursements based on rent amounts not actually charged at the relevant time periods. This is error and an abuse of discretion.

18.) The Decision awards rent rebates and reimbursements calculated on the basis of arithmetic errors, which is error and an abuse of discretion.

RSB RESOLUTION NO. 26-

A RESOLUTION OF THE RENT STABILIZATION BOARD OF THE CITY OF EAST PALO ALTO FORMALLY RESCHEDULING AN APPEAL HEARING IN THE MATTER OF JOSEPHINA CALDERON, ET AL., V. WOODLAND PARK COMMUNITIES, REGARDING 201 E. O'KEEFE STREET, EAST PALO ALTO, CASE NOS. A202400013 THROUGH A20240021

WHEREAS, Woodland Park Apartments ("Respondent/Appellant") filed an appeal with the Rent Stabilization Board (the "Board") of the decision rendered by the Hearing Examiner in the Case Nos. 202400013 through 20240021; and

WHEREAS, the Board was scheduled to hear the consolidated appeal in *Calderon, et al., v. Woodland Park Communities*, 201 E. O'Keefe Street Consolidated Appeal Case Numbers A20240013 through A20240021, on June 10, 2026; and

WHEREAS, the Board received guidance from the City Attorney that the hearing needed to be continued to a future date, and the hearing was continued without a formal resolution being passed; and

WHEREAS, during the June 10, 2026 hearing, the Board heard public comment, during which tenants requested that the consolidated appeals for the properties at 201, 245, and 301 E. O'Keefe Street be heard together at the same future Board meeting to avoid scheduling conflicts; and

WHEREAS, on July 31, 2026, the parties were provided notice of a hearing date of August 12, 2026, in accordance with Section 1500G(2)(f) of the Rent Stabilization Rules and Regulations; and

WHEREAS, pursuant to Regulation 1500(G)(2)(h) of the Rent Stabilization and Just Cause for Cause for Eviction Ordinance of 2010, the Board has authority to determine whether to conduct a de novo appeal hearing or to hear an appeal on the basis of the record before the Hearing Examiner; and

WHEREAS, that the Board shall hear the consolidated appeal in *Calderon, et al., v. Woodland Park Communities* on the record based on the evidence presented before the Hearing Examiner, without conducting a de novo hearing.

NOW, THEREFORE, BE IT RESOLVED that the appeal hearing in *Calderon, et al., v. Woodland Park Communities*, Consolidated Appeal Case Numbers A20240013 through A20240021, is hereby scheduled for August 12, 2026, at 7:00 p.m., or as soon thereafter as the matter may be heard; and

BE IT FURTHER RESOLVED that the appeal hearing shall be conducted on the record, and shall proceed as follows:

1. **Oral Argument.** Each party shall have a maximum of ten (10) minutes for oral argument, with the appellant to be heard first, followed by the appellee. The

appellant may reserve up to three (3) minutes of its time for rebuttal, to be presented after the appellee's argument.

2. **Scope of Argument.** The parties are hereby ordered to confine their remarks to legal issues and facts contained within the administrative record before the Hearing Examiner. No new factual matter or evidence outside the administrative record may be presented.

MEMORANDUM

DATE: August 12, 2026
TO: Honorable Chair and Members of the Rent Stabilization Board
BY: Natasha Raiburn, Rent Stabilization Program Administrator
Michelle Magarrell, Deputy City Attorney
Shiri Klima, Assistant City Manager
SUBJECT: *Calderon, et al., v. Woodland Park Communities*
Consolidated Appeal Case Numbers A20240007 through A20240012,
Appeal Hearing Schedule & Procedure

Recommendation

Adopt a resolution formally rescheduling the appeal hearing for *Calderon,et al., v. Woodland Park Communities* Consolidated Appeal Case Numbers A20240007 through A20240012 on the record for August 12, 2026. Originally set by resolution 26-02 on March 11, 2026 and scheduled to be heard on June 10, 2026.

Background

On June 10, 2026, the Board was scheduled to hear the consolidated appeal *Calderon, et al., v. Woodland Park Communities* Consolidated Appeal Case Numbers A20240013 through A20240021. The hearing was scheduled on The Board received guidance from the City Attorney that the hearing needed to be continued to a future meeting. The continuation took place without a formal resolution being passed. The Board heard public comment on the item. During public comment tenants voiced their request to have the consolidated appeal hearings for 201, 245, and 301 E. O'Keefe Street heard at the same future Board meeting to avoid scheduling issues for the tenants. On July 31, 2026, parties were provided noticing for the August 12, 2026, hearing date as per 1500G(2)(f) of the Rent Stabilization Rules and Regulations.

Josephina Calderon, et al., (hereinafter referred to as the "Petitioner/Appellee"), filed Petition Nos. 20240007 through 20240012 with the Rent Stabilization Program ("Program") on September 18, 2024, against landlord Woodland Park Communities, (hereinafter referred to as

"Respondent/Appellant"), regarding the property at 245 East O'Keefe Street Unit 1 (Brian and Earleen Jenkins), Unit 12 (Oscar Reyes and Elida Candia), Unit 14 (Tomas Jimenez), Unit 15 (Alison Cuthbert, Carmen Webster, Francisco Hernandez), Unit 18 (Fredy Roma, Ana Cardana, Becky Roma), Unit 19 (Tonga Victoria), (collectively "Petitioners/Appellees").

In the petition, Petitioners/Appellees alleged that Respondent violated the Rent Stabilization and Just Cause for Eviction Ordinance of 2010 (the "Ordinance") by (i) a breach of the implied warranty of habitability, (ii) a decrease in housing services and/or (iii) a deterioration of the Rental Properties. A hearing on the consolidated petitions for the common areas of 245 East O'Keefe Street was scheduled for February 27, 2025. Hearing Examiner Michael Roush conducted a hearing regarding Petitioner's consolidated petition on February 27, 2025. Hearing Examiner found in favor of Petitioner and issued a decision on May 30, 2025. *See* Attachment 1. Respondent/Appellant filed a timely appeal of the Decision with the Rent Stabilization Board (the "Board") on June 27, 2025. *See* Attachment 2.

Discussion

Under Section 14.04.140 (J) of the Ordinance, the Board may review hearing examiner decisions and take certain actions concerning such decisions (*e.g.*, "affirm, reverse, remand or modify the decision"). Regulation 1500 E(2)(h) states the Board may conduct the appeal hearing in two different ways: (1) *de novo* review, in which case evidence may be presented directly to the Board; or (2) on-the-record review, where the administrative record is confined to facts or evidence already presented to the Hearing Examiner.

Staff recommends that the Board schedule an appeal hearing in this case for August 12, 2026, the earliest practicable date.

Furthermore, Staff recommends that the Board conduct an on-the-record appeal hearing. Under Regulation 1500(E)(2)(h), an on-the-record appeal hearing is the default procedure unless overridden by the Board. Staff does not perceive a need to override the default procedure in this appeal. The issues raised in the appeal can be adequately decided on the basis of the record already presented to the Hearing Examiner. If the Board decides not to override the default procedure, and this matter is heard on the record, the parties' oral argument and briefing shall be limited to legal issues or evidence previously presented to the Hearing Examiner (the parties would not be allowed to address factual matters or evidence not presented to the Hearing Examiner).

In addition to setting the date for the appeal hearing and the nature of that hearing, Staff asks that the Board provide direction as to certain aspects of the appeal procedure. Accordingly, Staff requests that the Board adopt a resolution to the following effect:

(1) Schedule the hearing on the record on the above-named matter for **August 12, 2026**, beginning at the hour of 7:00 p.m. or as soon thereafter as the matter may be heard.

(2)

(3) That only the parties to the appeal, their representatives, and Staff may address the Board at the appeal hearing (assuming that the appeal hearing is on the record and the Board does not hear live testimony).

(4) Pursuant to Regulation 1500 (G)(2)(i), each side shall be allotted a maximum of ten (10) minutes devoted to oral argument, with the appellant to be heard first, followed by the appellee. The appellant may reserve up to three (3) minutes for rebuttal if the appellant so elects.

Based on the foregoing, pursuant to Regulation 1500 (G)(2)(e), Staff will provide a memorandum to the Board with Staff's substantive recommendations on the merits of the case, which will also be provided to the parties at least ten (10) days prior to the scheduled hearing, or by **July 31, 2026**.

PARTIES AND HEARING DATE

On September 18, 2024, Petitioners and Tenants Brian and Earleen Jenkins (apartment 1), Oscar Reyes and Elida Candia (apartment 12), Tomas Jimenez (apartment 14), Alison Cuthbert, Carmen Wesloter and Francisco Hernandez (apartment 15), Fredy Ramon, Ana Cardana, and Becky Roman (apartment 18) , and Tonga Victoria (apartment 19) ("Tenants") filed petitions with the East Palo Alto Rent Stabilization Program against Respondent Woodland Park Communities ("Woodland Park" or "Landlord"). The petitions state Tenants are tenants at 245 E. O'Keefe Street, East Palo Alto, California. These petitions were submitted with and consolidated with petitions from tenants at 201 and 301 E. O'Keefe Street.

A hearing on the petitions was held on February 27, 2025. Some Tenants were present at the hearing; they were represented by James Huynh and Laura Vasquez, both from the Regional Tenant Organizing Association. Present on behalf of Woodland Park were Aura Andrade, Community Manager, Andrea Bumagat, Compliance Manager, and Enrique Bedolla, Maintenance Supervisor. Prior to the hearing, the undersigned Hearing Officer, at the request of the Tenants, inspected the exterior of property at 245 E. O'Keefe Street, as well as the hallways and other portions of the interior of the property but not any individual rental units. Natasha Raiburn, Rent Stabilization Program Administrator, accompanied the Hearing Officer at the inspection. Ms. Andrade was also present at the property for the inspection.

ISSUES PRESENTED

The petitions seek a rent reduction and/or rebate based on habitability problems, reduction in maintenance and services, failure to provide maintenance and services required by law, code violations, and loss of or reduced housing services, both within each Tenant's respective rental unit as well as in the common areas of the property.

Because the petitions concern issues within each Tenant's individual units as well as issues in the common area, it was decided that the common area issues would be decided first. Once those issues had been heard and decided, each Tenant's individual issues would be heard and decided.

Accordingly, concerning the common areas issues, in their petitions Tenants identify the following in support of their petitions: Re-open and thereafter properly maintain the elevator; repair and provide effective walls, floors and weather protection; improve the on site security system; provide effective plumbing, such as repair/replace leaky pipes; provide proper notice when water will be shut off; maintain all common areas, including hallways; and eradicate the presence of vermin, such as rats and cockroaches.

Woodland Park disagrees with the contention in the petitions, stating that the property has been maintained in a good and habitable condition and when Tenants have notified Woodland Park of a problem on the property, Woodland Park has addressed the problem in a timely manner. Woodland Park also contends that many of the conditions that Tenants identify have existed for many years and for which Tenants should not be granted relief due to the passage of time. Woodland Park also submitted documents that it contends supports its contentions that Tenants are not entitled to relief.

RELIEF REQUESTED

The petitions request that Tenants' rent be reduced and/or rebated due to these various conditions in the common areas of the property.

By way of background, on July 24, 2024, the E. O'Keefe Tenant Association sent to the Sand Hill Property Company a petition, dated July 17, 2024, setting forth various issues and conditions at 201, 245 and 301 E. O'Keefe Street, requesting that all notices from management to the tenants be in English and Spanish, and summarizing a list of demands that the tenants wanted addressed in each building. Tenant Exhibit ("TE") 1. On July 31, 2024, Pabel Zumarraga, then General Manager of Woodland Park Apartments, responded to the Association's letter or July 17. That letter provides that maintenance personnel have responded timely to requests for work and there were no open work orders, reminding tenants that if there are maintenance issues, they may be reported to management in a number of ways, and promising to look into other issues raised by the petition. TE 2; LE P.

The Association responded to the July 31, 2024 letter on August 1, again requesting that all communications with the tenants be in English and Spanish, disputing the contention that maintenance issues at the properties have been completed, requesting a direct meeting with the owners of the property, and stating that the tenants were still waiting for a response concerning fumigation for pests in the rental units, 24 hours notice when water would be shut off, replacing appliances and worn out carpets in the units. TE 4.

On September 18, 2024, Tenants filed their petitions with the Rent Program seeking a rent reduction/rent rebate based on various grounds set forth above. The petitions were filed with and consolidated with petitions filed by the tenants at 201 and 301 E. O'Keefe Street. TE 27.

Notwithstanding that Tenants had filed their petitions, following meetings between representatives of Woodland Park and the Tenants, the Association on September 25, 2024 sent a list of proposals

to Woodland Park concerning conditions if the property were to be sold, repair procedures, weatherization of all rental units and the common areas, safety and security issues, and requesting a rent rollback. TE 7 and 8.

The parties met again in January 2025. Following that meeting, the Association sent an email to Woodland Park requesting further information/clarification concerning repair procedures, safety and security, weatherization and improvements in all the units and common area, rent rollbacks, and conditions of sale if the property were to be sold. TE 10 and 11.

Woodland Park responded on February 7, 2025 expressing a number of concerns about the process that has been used to address Tenants' concerns, informing Tenants that a part time community engagement representative dedicated to resolving tenant issues had been hired, and reminding Tenants of the process to report maintenance issues. TE 12.

At the hearing on February 27, 2025, Tenants Brian Jenkins (apartment 1) and Fredy Roman (apartment 18), both of whom have lived on the property for many years, testified and/or submitted documents concerning conditions in the common area of the property, all of which they say they have brought to the attention of the Landlord numerous times. Tenants' petitions (TE 27) also have photos of conditions in the common areas that Tenants contend support their petitions.

There is no security system on the property, leading to items being stolen (TE 15) and unauthorized persons have access to the units and park their vehicles on the property without permission. There are plumbing issues, in particular sometimes the water is discolored and smells bad. Also when there are water leaks and other plumbing related issues, it takes the landlord a long time to respond, for example, there was water draining from a pipe outside the laundry room and it took months for the Landlord to fix it. TE 18 and 19. There is a significant rat and cockroach problem both in the common areas and inside the rental units themselves. TE 17.

In addition, when it rains a lot, there is a drainage problem in the parking area. Residents are not informed when the water will be shut off for repairs. There is an overall lack of maintenance in the common areas, for example, there was a hole in the ceiling of the covered parking area that remained open for many months (TE 22 and 24), there are electrical boxes that are not secured (TE 23), cable wires that are loose (TE 26), cement in areas is buckling (TE 25) and repairs in the common areas are left unattended (TE 20 and 21). Also, the elevator that used to serve the building has been removed making it difficult for some persons who live above the first floor to access their units easily,

Landlord representatives (Ms. Andrade and Mr. Bedolla [LE F) testified as follows in response to the Tenants' testimony. Landlord also submitted a number of exhibits to support their contentions that the common areas are properly maintained (LE L and M) and that Landlord has informed Tenants how to report repairs and maintenance (LE P and Q). Landlord also submitted other work orders (LE D and E) but these concern work or repairs in individual units, not the common areas.

The property has a security service and tenants have ways to contact the service. The issue with the occasional unpleasant smell and off color of the water is due to the water company or the Fire Department flushing the water line in the street, not the result of the internal piping on the property. Concerning the vermin, the landlord has taken appropriate steps to address this problem by having a pest control company spray and seal holes. The Landlord has repeatedly informed tenants of the

numerous ways that needed repairs may be reported to management. LE P and Q. Moreover, the Landlord has addressed the drainage issues and otherwise maintains the property properly. For example, the landlord paid $49,000 to have a storm drain system cleaned (LE L), the hole in the parking area has been repaired and a plumber has fixed leaking pipe (LE R), and common area violations found by the San Mateo County Environmental Health Services were characterized as minor and have been corrected (LE M, at pgs 75-78.). As to the elevator, it was completely removed many years ago and it would be a tremendous expense to make it operational.

LEGAL FRAMEWORK

Section 13 of the City's Rent Stabilization and Just Cause for Eviction Ordinance ("Rent Ordinance") addresses rent adjustments for maintenance and service reductions. The failure to maintain a rental unit in a habitable condition consistent with building or housing codes is considered an increase in rent and a rent reduction may be ordered based on loss in rental value attributable to a failure to maintain the rental unit in a habitable condition. In addition, a decrease in housing services or maintenance without a corresponding reduction in rent is considered an increase in rent and a rent reduction may also be ordered based on loss in rental value attributable to a reduction in maintenance or services.

"Housing services" are broadly defined to include maintenance, repairs and any other benefit connected with the use or occupancy of rental unit. Rent Ordinance, Section 4, subsection G.

Subsection E of Section 1500 of the Rent Stabilization Board Regulations for Residential Tenancies in the City of East Palo Alto ("Regulations") sets for the grounds for reductions in rent. These include a failure of a landlord to comply with the "Warranty of Habitability" set forth in California Civil Code, section 1941.1, failure to comply with building or housing codes or other legal requirements for the maintenance and operation of rental housing which affects the livability and/or rental value of the rental unit, and decreases in housing services or failure to provide adequate maintenance without a corresponding reduction in rent. Minor maintenance deficiencies or deterioration, however, that have no or insignificant impacts on the livability of rental value of a rental unit and that do not cause any health and safety risk shall not provide a basis for reduction in the rent.

A petitioner shall bear the burden of proof and must prove by a preponderance of evidence the grounds for a reduction in rent. Regulations, at paragraph c, subsection E, Section 1500. Reductions in rent shall be effective from the date that the landlord first had notice or should have known of the condition providing the basis of the reduction. For failures justifying a reduction In rent that are ongoing at the time of hearing, the reduction shall be in effect until the failure is corrected. Regulations, at Paragraph d, subsection E, Section 1500.

DISCUSSION

Rent includes housing services and, as stated above, housing services are broadly defined and include repairs, maintenance, and any other benefit connected with the use or occupancy of a rental unit. A rent reduction/rebate may be ordered for a landlord's failure to maintain the property or for a reduction in housing services. As stated previously, Tenants' petitions seek a rent reduction based on (1) habitability problems (failure to comply with the "Warranty of Habitability" set forth in California Civil Code, section 1941.1), (2) reductions in maintenance and services and/or failure to

provide maintenance and services required by law, (3) code violations (failure to comply with code violations that materially affect tenants' health and safety), and (4) loss or reduced housing services.

1. Habitability Problems

On the petition form itself, most of the items identified under the heading of Habitability Problems concern items under this heading that are within the rental unit itself, e.g, defective plumbing, drains, sewage system, or water supply, loss or insufficient hot water or water supply. Some items, however, do concern common area conditions: "Building, yard, garage, hallways, stairs and common areas are not clean, sanitary, or free from all accumulations of debris, filth, rubbish, garbage, rodents, and vermin, such as cockroaches or rats"; "Floors, stairways or railings are broken, rotting or missing".

To avoid repetition, the common area conditions that are under this heading are discussed in Section 2 below.

1. Reductions in Maintenance and Services and/or Failure to Provide Maintenance and Services Required by Law.

As with the items identified on the form of the petition under Habitability Problems, many of the items identified under this heading also address items within a rental unit (defective appliances in the unit, inadequate window coverings, etc.). But other items likewise pertain to common area issues, for example, peeling paint, missing, cracked or broken tiles, inoperative/missing exterior lights.

There was substantial testimony and documentary evidence that many common areas are not being repaired or maintained promptly.. For example, Tenants point to various plumbing issues that took months for the landlord to fix (LE L and R) and the presence of rats in the shrubbery and trees in the common areas that has not been abated. The Inspection Reports from San Mateo County Environmental Health Services (LE M, at pgs. 75-78) also show common area violations, albeit characterized in the Reports as "minor".

The evidence showed the landlord does address maintenance issues in the common areas (LE L and M), but the evidence also demonstrated that the landlord has delayed unreasonably in making many repairs and has not taken adequate steps to eradicate the rat problem. See LE R, showing numerous invoices for repairs and other maintenance services but only within the past few months, and LE M as to work orders in the common areas that were completed only in the last few months.

These failures to maintain and/or repair constitute a reduction in housing services in that housing services are broadly defined to include maintenance and repairs. Tenants have carried their burden of proof that there has been a reduction in maintenance and housing services such that a rent reduction/rebate is warranted.

2. Code Violations

Code violations address a landlord's failure to comply with code violations that materially affect tenants' health and safety, including Health and Safety Code, Section 17920.3. The San Mateo

County Environmental Health Services inspected the property on October 19, 2024 and on January 17, 2025. LE M, pgs. 75-78. The October 19, 2024 Report mainly concerns issues within individual units but does mention one common area issue (downspouts in carports). The January 17, 2025 Report does cite to Health and Safety Code, section 17920.3 and both Reports cite to violations of the Uniform Housing Code. All code violations, however, were reported as "minor". There are no code violations in the common areas that have been or are so severe so as towarrant a reduction in rent.

3. Loss or Reduced Housing Services

As stated above, housing services are broadly defined and the items listed under this heading include many common area items such as a defective or inoperative elevator, a broken or defective intercom, laundry facilities, and no on site resident manager services for rental properties with 16 or more rental units.

Tenants contend that there is inadequate security at the property and the elevator has been removed, either or both of which is a reduction in housing services. Landlord contends that the property has never been totally secured, such as a security gate or locked doors to all entrances, and that there is a security service that routinely is on site and for which tenants have its number.

The evidence shows that the property has never been totally secured from unauthorized persons having access to the property and the landlord does have a security service, although it is recognized that personnel from such service are not present around the clock.

The loss of an elevator would certainly be considered a reduction in housing services. Here, however, the elevator was taken out of service many years ago and no tenant sought a rent reduction based on its removal at that time. This loss of housing service, therefore, is time barred.

From time to time, water in the individual units is brown colored and has an unpleasant smell. These issues are better addressed with the individual petitions but evidently result after the water company or the Fire Department shuts off water in the main line, rather than a problem with the interior water lines.

Except as the failure of the Landlord to maintain and repair timely as described in Section 2 above may be considered a loss or reduction in housing services, Tenants have not carried their burden of proof that other items or conditions have resulted in a reduction of any other housing services so as to warrant a rent reduction/rebate.

REMEDY

Tenants have carried their burden of proof that the overall lack of maintenance in the common areas warrants a reduction in or rebate of rent. As an appropriate remedy, for a period of three years prior to the filing of the petitions in September 2024 through May 2025, Tenants are entitled to have their rents reduced by 5% for lack of maintenance in the common areas. Given the wide ranging scope of repairs/maintenance that needs to occur in the common areas, such as eradicating the rat problem and timely addressing plumbing related issues, the 5% reduction will continue for one year in order to provide the Landlord with the opportunity to address successfully

these issues and demonstrate that the Landlord will meet its obligations to maintain the common areas on an ongoing basis.

DECISION

1. The petitions for a rent reduction/rebate based on the failure to maintain or repair items in the common area are granted; the rents for the Tenants are reduced by 5% from September 2021 through May 2025. From June 2025 through May 2026 Tenants' rents will remain reduced by 5%. If, after one year, Landlord has failed to demonstrate that it is maintaining the common areas, Tenants may file new petitions.

2. Because each Tenant is paying a different amount of rent, a separate calculation is required for the amount of reimbursement/rebate to each Tenant household and a separate calculation is required as to the rent as of June 2025. Landlord has provided rental information for the Tenants at 245 O'Keefe who filed petitions. LE B. The calculation of the rent reduction/rebate and the rent as of June 1, 2025 for those Tenant households are set forth in Attachment 1. As to the reimbursement/rebates, Landlord may provide the amounts directly to the Tenants, may provide the amounts as a credit against future rent, or provide the amounts against any rent in arrears. The reimbursement/rebates shall be made within 30 days from the date this Decision is final.

3. In all other respects, the petitions are denied.

Grounds for the Appeal

Respondent Woodland Park Communities ("Respondent") hereby appeals the Decision of the Hearing Examiner because the decision was in error and constituted an abuse of discretion on the part of the Hearing Examiner. Respondent respectfully requests that the Rent Board modify the Hearing Examiner's decision to correct the errors and the abuse of discretion.

The Decision was in error and constituted an abuse of discretion, including without limitation for the following reasons:

1.) The Decision awarded rent rebates and reimbursements to tenants for time periods in which Petitioners were not tenants and did not pay rent. For example, record evidence shows that Oscar Reyes and Elida Candia became tenants of Apartment 12 on September 1, 2023 and moved out on December 14, 2024. The Decision awards these tenants rent rebates and reimbursements for 32 months, which is longer than their entire tenancy. There is no authority in the Rent Stabilization Ordinance ("RSO") to rebate or reimburse tenants for rent that was not paid, during a time period in which they were not tenants. (Neither the prior tenants nor the subsequent tenants are petitioners and no rent rebate or reimbursement is appropriate for a tenant who does not petition.)

2.) The Decision determines "Except as the failure of the Landlord to maintain and repair timely as described in Section 2 above may be considered a loss or reduction in housing services, Tenants have not carried their burden of proof that other items or conditions have resulted in a reduction of any other housing services so as to warrant a rent reduction/rebate." Section 2 determines "there are no code violations in the common areas that have been or are so severe as towarrant [sic] a reduction in rent." Therefore, because Section 2 determines no reduction in rent is possible and Section 3 relies on the description in Section 2, by the plain

terms of the Decision itself it was error and an abuse of discretion to issue a rent rebate and reimbursement.

3.) The Decision awarded rent rebates and reimbursements for *de minimus* problems, including unspecified "plumbing issues" and "the presence of rats in the shrubbery and trees." No rent rebates or reimbursements are available for minor maintenance deficiencies or deterioration. See Regulation 1500(E)(1)(c) ("Minor maintenance deficiencies or deterioration which have no or insignificant impacts on the livability or rental value of a unit and which do not cause any health and safety risk shall not provide a basis for a reduction in the Rent pursuant to this subsection.")

4.) The Decision awarded rent rebates and reimbursements in excess of the loss in rental value attributable to the alleged problems. Regulation 1500(E)(3) requires "Reductions in Rent shall reflect the loss in rental value attributable to the failures specified...above." The rent rebates and reimbursements far exceed any loss in rental value attributable to the alleged problems, which are de minimus. There is no record evidence that the alleged and unspecified problems with the common areas reduced the rental value by 5% for every petitioner.

5.) The Decision awarded rent rebates and reimbursements without properly considering the criteria for reductions in rent. Regulation 1500(E)(3) requires that reductions in rent be based on, among other things, "governmental inspection reports, if any." The governmental inspection reports in the instant case showed that any alleged common area problems were "minor." Therefore, it was error and an abuse of discretion to award a rent rebate or reimbursement.

6.) The Decision failed to determine, as required by Regulation 1500(A)(16), the date on which the landlord was notified that each condition or problem existed. Without such date, it

is impossible to determine the length of time for any rent rebate or reimbursement. It was error to calculate or award any rent rebate or reimbursement absent record evidence was to when the landlord was notified of a problem, and to instead assume notice, without any citation or record evidence, in September 2021.

7.) Similarly, Petitioners "must provide proof" that landlords had reasonable notice and a reasonable opportunity to correct the conditions or restore the reductions in housing services. See Regulation 1500(E)(2)(A). Petitioners failed to provide such proof. Therefore, the Decision is in error and an abuse of discretion.

8.) The Decision awarded rent rebates and reimbursements for unspecified "failure of maintenance and repairs in the common areas." There is no citation of record evidence of exactly what maintenance or repair failed. There is no record evidence as to when a tenant exactly a tenant provided notice to the landlord of a problem in the common areas and there is no record evidence that it was not immediately fixed. Absent a determination of what the problem was, when it was reported to the landlord, and how long it existed, there is no factual basis on which to determine the loss in rental value attributable to the problem.

9.) The preponderance of the record evidence shows that as soon as a tenant notified the landlord of a problem, the landlord took action to solve the problem. No rent adjustment is permissible unless supported by the preponderance of the evidence, which is not present here. See Regulation 1500(A)(15). There is ample record evidence that when a tenant did provide notice to the landlord, the problem was fixed.

10.) The Decision awards a blanket rent reduction and reimbursement starting from September 2021. There is no record evidence that the alleged housing service reductions began in September 2021 or that the tenants provided the landlord with notice of any problem at that

time. There is no citation to record evidence regarding this September 2021 date and there is no explanation as to why this date was chosen.

11.) The blanket rent reduction and reimbursement continues through May 2025 with no explanation and no citation to record evidence. The hearing on this case took place in February 2025 and no evidence was solicited or provided regarding the time period after the hearing through May 2025. It is error and an abuse of discretion to award a rent reduction and reimbursement during a time period during which there is no evidence of a problem.

12.) The Decision provides for prospective rent reductions without consideration for whether each alleged condition or problem has been fixed and without an opportunity to prove that it has been fixed. There is no authority in the RSO or the Rules for prospective relief. Rather, Regulation 1500(E)(2) specifies that "the reduction shall be in effect until the failure is corrected." Regulation 1500(E)(4) explains "Restoration of Rent Once Bases for Reductions in Rent Area Corrected." There is no authority for a reduction to continue beyond the time of correction. Moreover, there is no record evidence that any problems are ongoing, so no prospective rent reduction is lawful. It is error and abuse of discretion to award prospective rent reductions.

13.) The Decision did not specify exactly what needs to be fixed. For example, it cites without further explanation "plumbing related issues." There is no description or citation to record evidence as to what plumbing related issues exist and what needs to be done to show they are corrected. This is error and an abuse of discretion.

14.) The Decision awarded rent rebates and reimbursements to individuals who are not tenants. For example, the Decision awarded Ana Cardana and Becky Roman a reimbursement/rebate for Apartment 18 even though the record evidence shows that only Fredy

Roman is a tenant in that apartment. No rent rebates and reimbursements are available to non-tenants.

15.) The Decision awards rent rebates and reimbursements that were not requested. Regulation 1500(A)(13) limits a hearing to the issues raised by the petition. Not all petitioners raised issues with common areas. It was error and abuse of discretion for the Decision to award rent rebates and reimbursements for issues not raised by a given petition.

16.) The Decision awards rent rebates and reimbursements based on rent amounts not actually charged at the relevant time periods. This is error and an abuse of discretion.

17.) The Decision awards rent rebates and reimbursements calculated on the basis of arithmetic errors, which is error and an abuse of discretion.

18.) The Decision awards rent rebates and reimbursements to all petitioners, even petitioners who did not attend the hearing and for whom there is no evidence to support a finding that the rental value of their unit has been decreased by the common area issues for which an award was given. This is error and an abuse of discretion.

RSB RESOLUTION NO. 26-

A RESOLUTION OF THE RENT STABILIZATION BOARD OF THE CITY OF EAST PALO ALTO FORMALLY RESCHEDULING AN APPEAL HEARING IN THE MATTER OF JOSEPHINA CALDERON, ET AL., V. WOODLAND PARK COMMUNITIES, REGARDING 245 E. O'KEEFE STREET, EAST PALO ALTO, CASE NOS. A20240007 THROUGH A20240012

WHEREAS, Woodland Park Apartments ("Respondent/Appellant") filed an appeal with the Rent Stabilization Board (the "Board") of the decision rendered by the Hearing Examiner in the Case Nos. 20240007 through 20240012; and

WHEREAS, the Board was scheduled to hear the consolidated appeal in *Calderon, et al., v. Woodland Park Communities*, 201 E. O'Keefe Street Consolidated Appeal Case Numbers A20240007 through A20240012, on June 10, 2026; and

WHEREAS, the Board received guidance from the City Attorney that the hearing needed to be continued to a future date, and the hearing was continued without a formal resolution being passed; and

WHEREAS, during the June 10, 2026 hearing, the Board heard public comment, during which tenants requested that the consolidated appeals for the properties at 201, 245, and 301 E. O'Keefe Street be heard together at the same future Board meeting to avoid scheduling conflicts; and

WHEREAS, on July 31, 2026, the parties were provided notice of a hearing date of August 12, 2026, in accordance with Section 1500G(2)(f) of the Rent Stabilization Rules and Regulations; and

WHEREAS, pursuant to Regulation 1500(G)(2)(h) of the Rent Stabilization and Just Cause for Eviction Ordinance of 2010, the Board may determine whether to conduct a *de novo* appeal hearing, in which case the evidence may be presented directly to the Board, or to hear the appeal on the basis of the record ("on the record") before the Hearing Examiner.

NOW, THEREFORE, BE IT RESOLVED that the appeal hearing in *Calderon, et al., v. Woodland Park Communities*, Consolidated Appeal Case Numbers A20240007 through A20240012, is hereby scheduled for **August 12, 2026**, at 7:00 p.m., or as soon thereafter as the matter may be heard; and

BE IT FURTHER RESOLVED that the appeal hearing shall be conducted on the record, and shall proceed as follows:

1. **Oral Argument.** Each party shall have a maximum of ten (10) minutes for oral argument, with the appellant to be heard first, followed by the appellee. The

appellant may reserve up to three (3) minutes of its time for rebuttal, to be presented after the appellee's argument.

2. **Scope of Argument.** The parties are hereby ordered to confine their remarks to legal issues and facts contained within the administrative record before the Hearing Examiner. No new factual matter or evidence outside the administrative record may be presented.
