Superintendent Report – Superintendent Licata attended the groundbreaking ceremony at Rickards Middle School, and stated it was a great opportunity for all to celebrate. Dr. Licata attended the Soul Bowl that he deemed as one of the best events and stated it was a phenomenal celebration. He thanked and acknowledged Mary Mulder, Executive Director of Food And Nutrition Services and the food service staff for their great work. There was a State detailed audit, and the District did not receive one finding or room for improvement and every group was recognized for an excellent job. He thanked Mr. David Azzarito, Chief People Officer and his staff as individuals were returning to Broward to work from other districts. The District had a classroom vacancy rate around one percent (1%). Dr. Licata commented on the loss of several staff members and students who were listed on the agenda.

Good Day,
I respectfully request the board today takes a serious approach to help retain teachers in Broward Schools. Our educators need a significant pay increase. I have the privilege to work among many bright educators who are committed to provide the best academic experience to their students. Unfortunately, the feeling of being unappreciated is overwhelming. The reality is our teachers deserve better. So many are actively searching for other professions simply because they can no longer afford to remain as teachers. Our neighboring counties have implemented increases to help keep their teachers, can we not do better than 1.69%? I am certain that our district can. It is up to you as School Board to find a way to help our district increase our teachers salary. If Palm Beach County could budget an increase of 7%, can't Broward County do the same? If your budget keepers are not coming up with solutions for a meaningful pay increase of teachers, then you, our School Board, needs to really seek more information on how to do so effectively.
As an experience teacher of 25 years, it saddens me to watch the quality of education provided to students be negatively impacted. You get what you pay for, it is as simple as that. Our veteran teachers are a dying breed, and the new teachers will not remain in a profession that does not provide enough income for sustaining an average life style.
Do the right thing, provide an increase that will allow teachers to remain in this beautiful profession.
Thank you for your attention to this matter,
Mavel Russo

The amount of teachers who are retiring on this list is stark proof that we are not retaining experienced teachers. The reasons run the gamut from severe micromanaging by the district to never giving teachers a raise on their permanent salary. Everything else is a priority when the budget is discussed. And even when we think budget hearings are over, some board members continually inject chaos in the mix. The last Board Meeting had many chaotic moments, but one did not escape my notice because I heard it as an item which is directly related to everyone's salary. During the discussion a new way to micromanage salaries was slipped into the mix. Alston made a proposal which would change the money available for salaries. He was shocked that every employee didn't have the opportunity like teachers to continue their education. His proposal would provide every employee with $1000 to continue their education. This is an additional $17,288,000 carved out of the budget each year. Another major change in the budget which did not go through the appropriate process. It should not be considered during this school year, but that's exactly what Alston insisted upon. He said he wanted a plan by December and implementation by January 2024. He ignored the fact that this money is part of the total cost of compensation and should go though the various unions or employee groups before it's considered. I can almost guarantee that every employee would rather have the additional $1000 in their pocket each year rather than a program similar to the Teacher Directed Incentive Fund. This is but one example of how decisions are made in the District. One Board Member gets outraged about something and millions of dollars are siphoned away from permanent salary increases. Enough - Give a 7% increase to teachers and retain those who are directly responsible for student outcomes.

Miami-Dade County and Palm Beach County are both giving 7% raises to their teachers and last I heard all Broward was planning on was 1.7 percent AND THAT's the money the state of FL gave to teachers. If Broward values our teachers they need to give them a 7% raise like the other counties! What's to stop our teachers from going to these two counties to work? They need a living wage with ONE job!

We need to retain our teachers in the district by giving them a raise which at least matches other South Florida Counties. If you give anything other than a 7% raise you are going to loose teachers to our neighboring counties. Who will you hire then? People need to make a living from ONE job. If you value our teachers, you will pay them fairly.

Good morning, Chair Alhadeff, School Board Members, and Dr. Peter Licata, Superintendent. My name is Sue Colton, and I am a retired educator with 32 years of experience with Broward County Public Schools. I support retaining high-quality teachers with the School Board of Broward County, Florida. One of the most critical ways to

retain teachers is to value and support them with an adequate salary. Please dig deep and approve a salary increase for teachers at least equal to that of our surrounding school districts. Miami-Dade teachers received a 7-10% raise and contract settlement before school opened, and Palm Beach County approved a 7% pay increase and a 3% bonus for teachers last month. We thank you for approving the MOU regarding referendum bonuses in August; however, bonuses are a short-term solution. Pay raises result in long-term, permanent increases in income and financially extend far into the future, including retirement. Dr. Licata's commitment to being "Student-Centered, Teacher-Supported, and Principal-Led" has inspired our district to move forward and return to our previous "A Rated" District Status! I know we can do this; supporting teachers with a livable wage will put us over the top! Please direct your Negotiations Team to settle this contract and the others that follow before the upcoming holidays. Thank you for listening, and thank you for your leadership each and every day. Every 1 Counts!

This is leaving the most vunerable children in Broward county exposed to HIPAA violations. Since the district forces the hand of parents to have these tests you are also forcing parents to not protect their childrens private medical information as these tests expose diagnosis of ADHD, ASD, Learning diabilities, private health information, IQ's of students. This isn't just FERPA. Who in the district is actually protecting our childrens private medical information. When you see any doctor including a pyschologist that is protected information except in Broward schools. You have no right to say waive the tests and your rights to get educational help for your child. To give anyone "school official" titles to a 3rd party which divulges our childrens first and last name, Parents'/Caregivers
first and last name, Parents'/Caregivers' e-
mail address, Student identification
number, Student date of birth, Student gender,
Student grade level, Name of school
Teacher's first and last,
name, Students'/Parents'/Teachers' responses to test questions. How are you really protecting our childrens right to privacy? This is not a general educational item to be open to whomever has exposure to our.childrens files. You are also allowing for discrimination (against disabilities or learning differences) to occur for students based off these evaluations that every school can view once a school requests educational records or has your childs file. You must vote no on this or find a way to protect our students information or not force parents into such evaluations in order to get IEP'S.
This line here in section D is just wrong. What assessments are to be done without parents consent? (d) FERPA exception to consent
for disclosing education records pursuant to
assessments that do not require parental consent to administer. There should be no assessments without parent consent.

Hello. I am a school social worker. I would like to support an increase in teachers salaries. If there was any question about how valuable teachers are to society, I think the pandemic answered that question. We have children who are now grade levels behind academically, have poor social skills and are in more need of mental health services than ever before. School is a place where many children receive not only their basic needs to live, but their emotional and social needs. Considering how important we know schools and teachers are to our society, I think it's only appropriate that we pay teachers at least a livable wage. Teachers should not be living paycheck to paycheck, working multiple jobs, or even homeless. The goal is to attract people to our profession, but we now have teachers quitting in record numbers and less graduates entering the profession. People want to feel appreciated for what they do. They don't want their line of work to be associated with "low pay" and "no respect." If we want the best for our future generations we need to make sure that teachers are valued and compensated appropriately for their work. In South Florida, A decent apartment is $2000+ per month, the median price for a single family home is around $600,000, and the average salary for a teacher in Broward County is $50,000. Florida's average teacher salary ranks 48th in the nation. If we can't afford to live here, who will teach the children?

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

November 14, 2023
Tuesday, 9:00 a.m.

MINUTES OF THE ANNUAL ORGANIZATIONAL MEETING

The School Board of Broward County, Florida, met in special session at 9:04 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members, Lori Alhadeff, Chair; Debra Hixon, Vice Chair; Torey Alston; Brenda Fam, Esq. (telephonically); Daniel Foganholi; Dr. Jeff Holness; Sarah Leonardi; Nora Rupert; Dr. Allen Zeman; Dr. Peter B. Licata, Superintendent of Schools; and Marylin Batista, General Counsel.

Call to Order Presiding, the Superintendent called this meeting to order. Mrs. Hixon introduced the students at Oriole Elementary School (via video conference) and led the Pledge of Allegiance to the Flag of the United States of America.

A discussion was held regarding recommending a process and procedure to be followed for the selection of Chair and Vice Chair. A suggestion was made to consider speeches (commentary as to why they should lead the district) as candidates are nominated.

Motion:
Motion was made by Mr. Alston, seconded by acclamation of the Board and carried, to consider speeches as candidates are nominated for Chair and Vice Chair. The candidates would provide commentary after acceptance of the nomination as to why they should lead the district at this time and the Board would then make a selection. Mrs. Rupert and Dr. Holness voted no. (7-2 vote)

Board discussion included, but was not limited to, the disadvantage of not being prepared for the speech; the historical perspective on the nomination process; and not having a written School Board policy or procedure to determine the designation of the Chair or Vice Chair.

Close Agenda Upon motion by Dr. Zeman and seconded by Mr. Foganholi and carried, the Agenda was approved and declared closed. (9-0 vote)

Purpose of Meeting Annual Organization of the Board as required by Florida Statute 1001.371, Organization of the District School Board: Election of Chair (Superintendent Presides), Election of Vice Chair (New Chair Presides), and any other items the Board deems necessary.

Nomination(s) of Chair As acting Chair, the Superintendent asked for nominations for Chair of The School Board of Broward County, Florida.

The name of Debra Hixon was placed in nomination for the office of Chair by Mrs. Leonardi. The name of Dr. Allen Zeman was placed in nomination for the office of Chair by Mr. Foganholi. The name of Lori Alhadeff was placed in nomination for the office of Chair by Mrs. Fam.

Close Nomination(s) for Chair Upon acclamation of the Board, the Agenda was closed for nominations for Chair.

Everyone accepted the nomination and provided a brief three-minute statement expressing why they would be the best candidate to lead the district as the School Board Chair:

Mrs. Hixon stated she was the Vice Chair and this had been her 35th year in the district. She was willing and excited to be the leader; she had been the peacemaker and stated she was very passionate about the district and looked forward to being the Chair for the ensuing year.

Dr. Zeman stated he believed Mrs. Hixon had all characteristics of a great leader. Dr. Zeman informed that he ran to serve to have an opportunity to make a difference that mattered to him. He stated he was here to serve the students, the schools and any role on the Board. He looked forward to working with his colleagues to make progress towards the strategic goals.

Mrs. Alhadeff stated it was her pleasure to lead the Board with integrity and passion. Her time as Chair had strongly brought the Board forward and she ran the meetings in an efficient manner. Mrs. Alhadeff had learned on the job and she would be able to bring more time and passion being the Chair for another year, improving the board meetings and workshops. She stated with her strong leadership ability she would be honored to continue as Chair.

The Board discussed the procedures pertaining to voting for the nominees. The Superintendent will announce the nominees in order of recommendation and complete a roll-call vote for each candidate until the consensus of at least five votes were obtained; and historical voting procedures were shared.

Vote
A roll-call vote was first taken on Debra Hixon. Mrs. Alhadeff, Mr. Alston, Mrs. Fam, Mr. Foganholi, and Dr. Zeman voted no. (4-5 vote)
A reverse roll-call vote was taken on Dr. Zeman. Mrs. Alhadeff, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, and Mrs. Rupert voted no. (4-5 vote)

Following a majority vote, Mrs. Lori Alhadeff was elected to return as Chair of The School Board of Broward County, Florida for the ensuing 2023-2024 school year.

Statement by Superintendent Dr. Licata thanked Mrs. Alhadeff for her services in the role as Chair for 2022-2023 and presented her with a plaque and bouquet of flowers for her reappointment as Chair for the 2023-2024 school year.

The Superintendent then turned the gavel over to Mrs. Alhadeff who assumed the role of Chair and conducted the remainder of this meeting.

Nomination(s) of Vice Chair The Chair asked for nominations for the office of Vice Chair.

The name of Debra Hixon was placed in nomination for the office of Vice Chair by Mrs. Leonardi.
The name of Daniel Foganholi was placed in nomination for the office of Vice Chair by Mr. Alston.
The name of Dr. Allen Zeman was placed in nomination for the office of Vice Chair by Mr. Alston.

Close Nomination(s) for Vice Chair Upon acclamation of the Board, the Agenda was closed for nominations for Vice Chair.

Everyone accepted the nomination and provided a brief three-minute statement expressing why they would be the best candidate to lead the district as the School Board Vice Chair:

Mrs. Hixon was excited for the opportunity to continue to serve as Vice Chair and stated it was her honor to be the vice chair of Broward County Public Schools. She had served in a capacity of leadership, of collegiality and was excited to continue the service to the district.

Mr. Foganholi stated he was a product of Broward Schools and was honored to be a Board Member and working with his colleagues. He stated the Board wanted the same goal which was the best for the students of Broward County.

Dr. Zeman stated the Vice Chair duties were important for partnering with the Chair and looked forward to doing that if given the chance. Standing in for meetings and representing Broward County Public Schools was a good choice to do, and he stated he would be happy to serve as Vice Chair.

Motion:
Motion was made by Mrs. Leonardi, seconded by Mrs. Rupert and carried, to suggest using the reverse Roll-Call vote on the nominations. (9-0 vote)

Mrs. Fam and Mrs. Leonardi were absent for the vote. (7-0 vote)

***** CONSENT AGENDA *****

ITEMS
Consent agenda items will be noted by a single letter, and open agenda items will be noted by double letters in accordance with Policy 1100A.

H. HUMAN RESOURCES & EQUITY (CONSENT)

***H-1. Instructional Appointments and Leaves 2023-2024 (Approved)**

Approved the instructional appointments, substitute teachers and instructional leaves of absence as listed on the attached lists respectively. All recommendations are made with the understanding that these individuals will comply with regulations/policies set forth by The Florida Department of Education and The School Board of Broward County, Florida. District-wide.

H-2. Instructional Separation of Employment or Discipline 2023-2024 (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve instructional separations of employment or termination/discipline as listed on the attached lists respectively. All recommendations are made with the understanding that these individuals will comply with the regulations/policies as set forth by The Florida Department of Education and The School Board of Broward County, Florida. District-wide. (9-0 vote)

A brief comment was made to congratulate the retirees.

A vote was taken on this item.

H-3. Non-Instructional Appointments and Leaves 2023-2024 (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve non-instructional appointments and non-instructional leaves of absence as listed on the attached lists respectively. District-wide. (9-0 vote)

The Chair received public comments.

An inquiry was made regarding the Chief Strategy & Innovation Officer's primary role, to close and repurpose schools, and the proposed $224,000 salary that could be set aside for something different.

<u>Substitute Motion</u> (Failed)
Motion was made by Mr. Alston, seconded by Mr. Foganholi, to move $224,000 to set aside salaries for teachers, administrators, instructional, and non- instructional staff as an initial set aside that the Board will begin to work on. Mrs. Alhadeff, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, and Dr. Zeman voted no. (3-6 vote)

The Chair received public comments.

Discussion continued regarding the offsets of the reductions that had taken place; if the motion were to pass, what would happen to the $224,000; recommendation to set aside funds for restricted use; the motion would not cancel out the nomination or the item; not filling the position and the total compensation of $224,000 should be set aside for salaries; and the job description being previously debated and approved.

A vote was taken on the Substitute Motion (page 3).

A brief comment was made commending the Superintendent and staff for putting the amazing amount of work together; and inquired if the overall plan was to repurpose schools and look at charter school options.

A vote was taken on this item.

Following a vote on this item, newly appointed District personnel were recognized and congratulated by the Board.

H-4. Non-Instructional Separation of Employment or Discipline 2023-2024 (Approved)

***H-5. Supplemental Pay Position 5 (Approved)**

Approved supplemental pay positions for the 2023-2024 school/fiscal year as listed on the attached lists respectively. District-wide.

A. ACADEMICS (CONSENT)

***A-1. School Advisory Council (SAC) 2023 - 2024 Membership (Approved)**

Approved the School Advisory Council (SAC) 2023-2024 membership for all district schools District-wide.

B. BOARD MEMBERS (CONSENT)

B-1. Proclamations Presented by School Board Member Daniel P. Foganholi (Received)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to receive the four proclamations presented by School Board Member Daniel P. Foganholi in the months of October and November. (Foganholi)
During the December 12, 2023, Regular School Board Meeting, Board Member Sarah Leonardi (District 5) co-sponsored this item from the dais.
Mrs. Fam voted no. (8-1 vote)

Board discussion included, but was not limited to, the reason why this item was presented to the Board; co-sponsorship opportunities; creating a process and notification to the Board; explained that a proclamation was a statement which was publicly announced and a resolution was an expression of the Board's opinion, will, or intent; and a suggestion to remove the item from the agenda because the partnership had already occurred.

Motion to Amend (Failed)
Motion was made by Mr. Alston, seconded by Mr. Foganholi, to remove this item (B-1) from the agenda. Mrs. Alhadeff, Mrs. Fam, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, and Dr. Zeman voted no. (2-7 vote)

Discussion continued addressing proclamations and resolutions in Policy 1100A.

A vote was taken on the Motion to Amend.

Brief suggestions were made on how to advise the Board of the upcoming proclamations and for co-sponsorship.

Motion to Amend No Vote Taken)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon to have the Chair approve proclamations where she/he believes that they carry unanimous consent of the Board and that those get transmitted to the Board appropriately.

A brief comment was made to have the proclamations sent to the Board Members to review for input or objection.

Substitute Motion (No Vote Taken)
Motion was made by Dr. Holness, seconded by Mrs. Hixon, to have the Chair and the Superintendent approve proclamations and simultaneously be sent to all Board Members for input or objection during the process.

Brief comments were made to have flexibility on the motion; and the need to share the proclamation for co-sponsorship without impacting the Chair's decision.

Substitute Motion (Carried)
Motion was made by Dr. Holness, seconded by Mrs. Hixon and carried, to notify all Board Members or be given a copy of the proclamation for co-sponsorship. Mrs. Fam voted no. (8-1 vote)

The General Counsel advised if there was a desire to co-sponsor, this would be by contacting the Office of the Chief of Staff; discussion around the sponsor, and co-sponsor to sign, and not constraining the Chair.

A vote was taken on the Substitute Motion.

A vote was taken on this item.

B-2. BCPS Partnership with Town of Southwest Ranches & South FL Wildlife Center (Approved as Amended)
Motion was made by Mr. Alston, seconded by Mrs. Rupert, to approve the Superintendent of Schools to work with the Town of Southwest Ranches and the South Florida Wildlife Center on a Partnership to utilize a portion of available land in the town for an educational purpose. (Alston) **This motion was superseded by a Motion to Amend**. (9-0 vote)

The Chair received public comments.

A brief comment was made regarding the potential partnership.

Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Alhadeff and carried, to revise the requested action on the Agenda Request Form (ARF) to add the word "potential" in front of partnership, to read as follows:
Approve the Superintendent of Schools to work with the Town of Southwest Ranches and the South Florida Wildlife Center on a **potential** Partnership to utilize a portion of available land in the town for an educational purpose.
Mr. Alston, Mr. Foganholi, Mrs. Leonardi, Mrs. Rupert voted no. (5-4 vote)

If you ever questioned why teachers leave the County read the comments made for this post:
You know you work for BCPS when….. at the grocery store my credit card was declined due to insufficient funds.
You know you work for BCPS when your rent is 95% of your take home pay.
And you can’t afford to move because you need 3 months rent saved. I'm freaking out as my landlord is selling the house and my rent has stayed the same for years and now have to move and pay 500-800 more monthly for a smaller place.
I took in a roommate to live with my family in order to make bills. He rents a room in the house. This is with 26 years of experience, National Board Certification, and three masters degrees. If that isn’t ridiculous, I don’t know

what is!
You know you work for Broward when you see an old sliding pay scale (*with steps) and you make less than a teacher with the same years experience as you 20 years later!
This is not how it is supposed to be in 2023!
You know you work for BCPS when you don't attend social events because you have to tutor to pay your bills.
You know you work for Broward Schools when your car has 231,000 miles and I can't afford the repairs or to buy a new one.
You know you work for BCPS and have to live in WPB to afford a house-add a 2.5 + hour commute. You want my data WHEN?
You know you work for BCPS if you analyze and shuffle your bills because you can't afford to pay them all.
You know you work in BCPS when you live off of credit cards because your biweekly ain't cutting it!
You know you work for BCPS when you have 3 part time jobs and still looking for more work.
You know you work for BCPS when you read over 100 comments about not having enough money. It's not right that a teacher can't afford groceries and I'm sincerely sorry this is happening.

My name is Sharlene Bancs employee #84466,I am opposing my name termination.I don't currently see any names up 4 termination but due 2the fact that I have messaged w/the talent&acquisition director &often times received no response,I am choosing 2 B proactive.I received an email from Susan Rockelman December 5th, in response 2 an email sent regarding placement&reasonable accommodations,Ms. Rockleman's email stated my name would be placed for termination for failing to respond 2 an offer of employment.I responded to Ms. Rockelman's email stating I did respond via email since I had not received any offer via mail &her email was actually a response to my own, she has not responded back 2 that email.My email was an inquiry 2 the unofficial offer 4 placement w/reasonable accommodations&I asked specifically what the reasonable accommodations were 4 the position.It's alarming this detail was omitted as it's now over a 1 1/2 yr I haven't been placed due 2 waiting 4 reasonable accommodations.I emailed Ms. Hughes of the EEO October 25th&November 6th of 2023 regarding possible positions&reasonable accommodations&received no response until a month&a half later in the form of this unofficial offer. The response was the unofficial offer of a position but gave no details as 2the reasonable accommodations which is what caused the delay initially.This is disheartening&I fear this conduct correlates directly w/my reporting of discrimination to EEOC.This is a duplicate of what talent&acquisitions has done in 2022 w/the exception of giving no deadline this time.I am asking the board 2 deny/make no decision regarding this termination until a thorough accounting of all procedures have been done by a neutral party not identified in my EEOC complaint.Lastly U will find I never received official notice of placement/reasonable accommodations&i will forward those emails 2 all board members

I support a Wednesday start as I also believe many educators do as well but don't want to have to return back so early. In elementary school its challenging for our youngest learners to adjust to a being in school for the first time for an entire week. I have been in primary classrooms during the first few weeks of school especially the first week and witness how much of a struggle it is for the children. I also support eliminating half days. Hopefully we can have more than 2 options for the following year. Also regardless of the calendar, the district needs to ensure teaching is expected from teachers every single day that children show up to school regardless of how many others are absent.

Lloyd Estates is a special place for me because it was where I started my journey in BCPS as a Kindergarten Student. It is also a place where children in Oakland Park can go to be educated, but also nurtured under the amazing leadership of Principal Allen who is a staunch advocate for her school. Please provide for their safety by ensure that critical items such as the fire alarms are installed appropriately and swiftly. I am not sure how an oversight such as this was made given that BCPS design criteria are known. Designers, engineers, contractors etc. should be held responsible for these errors and omissions. When you look at the O&E for this project at 1.35% and other projects utilizing the same contractors, these O&Es are astronomical and costly to our district and the companies making these mistakes should be held accountable. Nevertheless, this project needs to be completed so please vote in favor of this change.

I am in support of Atlantic West Elementary School receiving the additional funding to ensure that the roof work is completed sufficiently and without further delay. I have had the privilege of visiting Atlantice west on several occasions to attend School Advisory meetings and see the condition of the school. The campus needs a complete facelift. They are still awaiting renovations of their media center, also located in building 1. The media center currently is open on two sides and provides no safety for students should there be a breach at the single point of entry which is less than 30 ft away. Their cafeteria which is also located in building 1- a straight shot from the single point of entry and has fire doors that cannot be locked- another safety issue. It was a disappointment to see the condition of the school, but the real reward was to see how passionate and caring the staff are, to witness the great leadership of Principal Reynolds and the warm interactions with students who are motivated to do well because of the nurturing staff. Approving the funding for the completion of this project will hopefully make way for the completion of the remaining construction projects the school desperately needs. Please do the right thing and vote in favor of these students having a safe and appealing place to learn.

EXECUTIVE SUMMARY
H-1 - Instructional Appointments and Leaves 2023-2024

Requested Action
Approve instructional appointments, substitute teachers and instructional leaves of absence as listed on the attached lists respectively.

What would the impact be if the Board voted "yes" or "no"?
If the Board votes "Yes": The recommended instructional candidates will continue to be employed and the leaves of absence will continue to be approved.

If the Board votes "No": The recommended instructional candidates would be released per Florida Statute 1012.332 and the leave of absence approvals would need to be rescinded.

Background/History
Recommended candidates for instructional appointments either hold or are eligible for certification/licensure per Florida State Board rules. In addition, the Talent Acquisition & Operations (Instructional) Department has reviewed required documents, confirmed background screenings and affirms the named individuals are cleared to be hired. They have accepted employment within our organization that is contingent upon Board-approval.

The list of leave approvals is for instructional employees requesting a Board-approved leave of absence for the 2023-24 school year or those currently on leave requesting an additional leave of absence for the 2023-24 school year. Article 23 of the Collective Bargaining Agreement outlines the various leaves available to instructional employees. Likewise, Policy 4410, Employee's Obligation During Leave, indicates an employee must notify Human Resources of their plans for the following year no later than March 1.

Alignment to 2027 Goals and Guardrails
This item is aligned to Guardrail 3, *School Support*.

Measurable Outcome(s)/Return on Investment
Talent Acquisition & Operations-Instructional monitors vacancies, new hires and establishes Key Performance Indicators (KPI) to track the onboarding process and recruitment efforts. These KPIs are used to decrease time to fill rates, improve candidates' experiences, and provide stellar customer service to all Human Resources stakeholders.

Financial Impact
No additional funding is required. The respective funding is allocated in the school/department budgets.

EXECUTIVE SUMMARY
H-2 - Instructional Separation of Employment or Discipline 2023-2024

Requested Action
Approve instructional separations of employment or termination/discipline as listed on the attached lists respectively.

What would the impact be if the Board voted "yes" or "no"?
If the Board votes "Yes": The separation of employment is officially accepted by the Board. If the discipline is indicated, the discipline action can be implemented.

If the Board votes "No": The separation of employment would not officially be accepted by the Board. If discipline is indicated, the discipline would not be implemented.

Background/History
Recommendations for employee discipline and separation of employment must be approved by the Board. The employee's work location submits documentation to support a recommended action to the Human Resources & Equity Division for review. Once the necessary departments have reviewed supporting documentation and validated compliance with required processes and procedure, the Talent Acquisition & Operations (Instructional) Department prepares the item to be presented for Board-approval.

Alignment to 2027 Goals and Guardrails
This item is aligned to Guardrail 3, *School Support*.

Measurable Outcome(s)/Return on Investment
Discipline implemented by the District is a method to improve employee performance. Expectations are discussed throughout the process to alert the employee of state statutes, and board policies related to their job responsibilities.

Financial Impact
No additional funding is required. The respective funding is allocated in the school/department budgets.

EXECUTIVE SUMMARY
H-3 - Non-Instructional Appointments and Leaves 2023-2024

Requested Action
Approve non-instructional appointments and non-instructional leaves of absence as listed on the attached lists respectively.

What would the impact be if the Board voted "yes" or "no"?
If the Board votes "Yes": The recommended non-instructional candidates will be employed, and the leaves of absence will continue to be approved.

If the Board votes "No": The recommended non-instructional candidates would not be employed, and the leaves of absence approvals would need to be rescinded.

Background/History
The recommended appointments provide leadership and support to our schools and departments. All recommended non-instructional personnel outlined on the agenda meet the minimum qualifications and have been afforded conditional employment with Broward County Public Schools.

The list of leave approvals is for non-instructional employees requesting a Board-approved leave of absence for the 2023-24 school year or those currently on leave requesting an additional leave of absence for the 2024-25 school year.

Alignment to 2027 Goals and Guardrails
This item is aligned to Guardrail 3, *School Support*.

Measurable Outcome(s)/Return on Investment
Talent Acquisition & Operations – Non-Instructional monitors vacancies, new hires and establishes Key Performance Indicators (KPI) to track the onboarding process and recruitment efforts. These KPIs are used to decrease time to fill rates, improve candidates' experiences, and provide stellar customer service to all Human Resources stakeholders.

Financial Impact
No additional funding is required. The respective funding is allocated in the school/department budgets.

EXECUTIVE SUMMARY

H-4 - Non-Instructional Separation of Employment or Discipline 2023-2024

Requested Action
Approve non-instructional separations of employment or termination/discipline as listed on the attached lists respectively.

What would the impact be if the Board voted "yes" or "no"?
If the Board votes "Yes": The separation of employment is officially accepted by the Board. If the discipline is indicated, the discipline action can be implemented.

If the Board votes "No": The separation of employment would not officially be accepted by the Board. If discipline is indicated, the discipline would not be implemented.

Background/History
Recommendations for employee discipline and separation of employment must be approved by the Board. The employee's work location submits documentation to support a recommended action to the Human Resources & Equity Division for review. Once the necessary departments have reviewed supporting documentation and validated compliance with required processes and procedure, the Talent Acquisition & Operations (Non-Instructional) Department prepares the item to be presented for Board-approval.

Alignment to 2027 Goals and Guardrails
This item is aligned to Guardrail 3, *School Support*.

Measurable Outcome(s)/Return on Investment
Discipline implemented by the District is a method to improve employee performance. Expectations are discussed throughout the process to alert the employee of state statutes, and board policies related to their job responsibilities.

Financial Impact
No additional funding is required. The respective funding is allocated in the school/department budgets.

EXECUTIVE SUMMARY
H-5 – Supplemental Pay Positions 2023-2024

Requested Action
Approve Supplemental Pay for the 2023-2024 School/Fiscal Year as listed on the attached lists respectively.

What would the impact be if the Board voted "yes" or "no"?
If the Board votes "Yes": The supplement will remain, and the employee will receive the supplement(s) when paid.

If the Board votes "No": The supplement would need to be removed, and employee may be overpaid. Notices would be sent to recover the overpayment.

Background/History
The collective bargaining agreement for the various employee groups outline the available supplements, their requirements and associated compensation. Policy 6210, Supplements, outlines the procedures for the positions. Principals/directors are responsible for advertising these positions, selecting candidate to fill these roll and processing payments for assigned duties. An employee may qualify may be selected for multiple supplemental positions. Individuals accepting supplements understand they must comply with regulations and polices set for by the Florida Department of Education and the District.

Alignment to 2027 Goals and Guardrails
This item is aligned to Guardrail 3, *School Support*.

Measurable Outcome(s)/Return on Investment
The ability to earn supplements by employees leads to greater retention. Employees become more engaged and committed to their work when rewarded.

Financial Impact
No additional funding is required. The respective funding is allocated in the school/department's budgets.

EXECUTIVE SUMMARY

Subjects Out-of-Field Teacher Approvals 2023-2024

Board Meeting Date: January 23, 2024

Requested Action

Approve the attached list of out-of-field teaching assignments.

What would the impact be if the Board voted "yes" or "no"?

If the Board votes "Yes": Talent Acquisition & Operations, Instructional, will advise teachers to complete training to continue in the out-of-field assignment; and the School Board would be compliant with State Board Rules avoiding any audit exceptions.

If the Board votes "No": The Auditor General for the State of Failure could impose a financial penalty for failure to report out-of-field teachers.

Background/History

State Board of Education Rule (SBER) 6A-1.0503 *Definition of Qualified Instructional Personnel* requires School Board approval for newly identified out-of-field teachers because they have been:

- Assigned to teach a course for which the teacher does not have a valid certificate in the appropriate area (i.e., certified in social studies but teaching math); or
- Assigned a student characteristic for which the teacher does not hold appropriate certification (i.e., ESOL, ASD, gifted).

The Florida Course Code Directory outlines the appropriate certification areas for all courses, as well as directives on appropriate certification needed based on specific student characteristics. Using this information, the district programmatically identifies out-of-field teachers, except for teachers providing services to gifted students.

Schools must meet the requirements for delivery of gifted services outlined in the *Gifted Procedural Guide* and submit a list of their teachers providing gifted services to the Innovative Learning Department for vetting. Innovative Learning then provides the names of teachers that do not hold the gifted endorsement to Talent Acquisition & Operations - Instructional.

The State mandates out-of-field teachers complete training each year until appropriately certified. However, the Collective Bargaining Agreement between The School Board of Broward County, Florida, and Education Professionals, Article 4(d), allows for the

assignment of an employee to a position outside the scope of their certificate for one year or less as determined by the needs of the school. In these situations, the teacher can choose not to complete required training.

State Board of Education Rule (SBER) 6A-1.0503 and the Multicultural Education, Training, Advocacy, Inc. (META) have outlined the training requirements and timelines. If a teacher fails to complete the mandated training, the teacher can no longer teach in the out-of-field area and can never be out-of-field again.

Talent Acquisition & Operations, Instructional (TAO), has advised out-of-field teachers of the need for state mandated training and has provided information to them on how to complete requirements. They provide a minimum of five notices each year to them, as well as to provide webinars, one-on-one consultations, and a plethora of virtual meetings so teachers are aware of all options. They partnered with academic content experts who participates in these meetings to provide information on completing infield designation where that is an option. The district offers professional development for ESOL, Gifted, and Reading at no cost to the teacher.

TAO is submitting a total of 276 teachers to the Board for approval to teach out-of-field for FTE Survey 3, as compared to a total of 222 teachers last year at this time. Below are the specific reasons why teachers are being submitted to the Board for this survey period:

1. The Florida Course Code Directory requires teachers assigned ESE core ACCESS courses (math, English, science, social sciences) to hold certification in ESE and in the core subject area assigned, or ESE and elementary education. (i.e., a teacher assigned ACCESS English 1 needs to hold certification in ESE and English or ESE and Elementary).

2. Teachers hold certification in a related area but not in the specific area they teach. For example: certified in middle grades English 5-9 and out-of-field for English 6-12; certified in chemistry and out-of-field for physics or biology; certified in Prekindergarten/Primary (age 3 to grade 3) but teaching 4th or 5th grade.

3. There is a limited availability of candidates. These candidates have expertise/knowledge in the area but do not hold the certification area. Colleges of Education continue to show a significant decrease in enrollment. This has profoundly impacted the number of certified teachers available to teach all subject areas. The shortage has required principals to assign teachers' out-of-field to ensure that a certified teacher covers all classrooms.

4. Teachers assigned the primary English/language arts/reading class (this includes ESE and elementary teachers) to limited English proficient students must have the ESOL endorsement on their certificate as per the META Consent Decree.

5. Schools that have assigned teachers to provide instruction to gifted students must select a gifted certified teacher or a teacher that agrees to complete the gifted courses. The principal designates a qualified teacher as the Local Education Agency (LEA) representative. The LEA must have a working knowledge of the Policies and Procedures for the Provision of Specially Designed Instruction and Related Services for Exceptional Students. The Innovative Learning Department provides meetings and trainings pertaining to gifted education to identified individuals.

6. There are not enough courses offered to hire a full-time teacher; therefore, a teacher on staff that does not hold the appropriate certification covers the periods.

Alignment to 2027 Goals and Guardrails

This item aligns to student-focused outcomes through Guardrail *School Support*.

Measurable Outcome(s)/Return on Investment

With approval, the SBBC will not receive audit exceptions related to State Board of Education Rule (SBER) 6A-1.0503 Definition of Qualified Instructional Personnel.

Instructional staff identified as Out of Field, will receive the training needed to become appropriately certified.

Financial Impact

No additional funding required.

EXECUTIVE SUMMARY

District Partnership with Every Child A Swimmer

Requested Action

Direct the Superintendent of Schools to work with Every Child A Swimmer on a partnership to disseminate information through Broward County Public Schools (BCPS) utilizing multiple communication channels.

Impact if the Board Voted Yes or No

If the Board votes "Yes": BCPS students and families will be provided access to Every Child A Swimmer's educational resources around swim safety, including scholarship opportunities for swim lessons for families that qualify.

If the Board votes "No": BCPS students and families will not be provided access to Every Child A Swimmer's educational resources around swim safety, including scholarship opportunities for swim lessons for families that qualify.

Background/History

District 3 School Board Member Sarah Leonardi met with Casey McGovern, founder of Every Child A Swimmer, to learn about the nonprofit organization's goals and to discuss opportunities to partner with BCPS. Every year 80 children are lost to a preventable drowning. While BCPS already has a partnership with Swim Central it is always good to provide multiple opportunities for engagement and education around swim safety. Every Child A Swimmer partners with the International Swimming Hall of Fame to provide parent/caregiver and Swim School resources, including opportunities for low to no cost scholarships for qualified children. This item directs the Superintendent of Schools and senior staff to formally engage with Every Child A Swimmer on next steps and develop a mutual plan for disseminating information throughout BCPS utilizing multiple channels of communication.

Alignment to 2027 Goals and Guardrails

Guardrail #5 - Wellness Support

Measurable Outcome(s)/Return on Investment

Through this partnership, swim safety awareness will increase by 40%.

Financial Impact

There is no Financial Impact to the District.

EXECUTIVE SUMMARY

District Plan to Uplift Pandemic and Post-Pandemic Learning Loss

Recommendation

Direct the Superintendent to present a plan at the February 21, 2024, Regular Board Meeting on Broward County Public Schools Plan to Uplift Pandemic and Post-Pandemic Learning Loss of nearly 125,000 students who are not proficient in one subject and/or performing below grade level.

Background/History

District 2 School Board Member Alston has asked repeated questions, but is not aware of a district plan to uplift nearly 125,000 students who are not proficient in one subject and/or are performing below grade level.

Florida Statute 1001.41 outlines the general powers of a district school board. The general powers include:

(3) Prescribe and adopt standards and policies to provide each student the opportunity to receive a complete education program, including language arts, mathematics, science, social studies, health, physical education, foreign languages, and the arts, as defined by the state academic standards. The standards and policies must emphasize integration and reinforcement of reading, writing, and mathematics skills across all subjects, including career awareness, career exploration, and career and technical education.

Florida Statute 1001.42 outlines the powers and duties of the district school board. They include:

(a) *School improvement plans.*—The district school board shall annually approve and require implementation of a new, amended, or continuation school improvement plan for each school in the district which has a school grade of "D" or "F"; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34 and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. The improvement plan of a school that meets the requirements of this

paragraph shall include strategies for improving these results. The state board shall adopt rules establishing thresholds and for determining compliance with this paragraph.

At the November 28, 2023, School Board Workshop, district staff shared the proposed 2024-2025 school calendar options. The discussion lacked data on academics and the current state of learning gains/loss of our children. Upon questioning, district staff confirmed nearly 125,000 students are not proficient in one subject and/or are performing below grade level. Back in August 2022, similar questions were asked of district staff. Unfortunately, more than a year later, the academic data and learning loss has not improved.

At the December 12, 2023, District 2 School Board Member Alston was successful in initiating a motion that ultimately passed, to remove early release days for the 2024-2025 school year for additional instruction time. Now, we need a clear plan that will increase student achievement for all students.

District 2 School Board Member Alston is seeking a comprehensive plan to significantly improve learning gains that will ultimately lead to a "A" school district and 100% proficiency for all students.

Alignment to 2027 Goals and Guardrails

Goals 1-4 focus on academics, student achievements and overall teaching and learning gains.

Measurable Outcomes/Return on Investment/Item Justification

Learning gains that will ultimately lead to an "A" school district and 100% proficiency for all students.

Financial Impact

The financial impact to the District is unknown at this time. The intent is to utilize existing budget and resources, if feasible.

EXECUTIVE SUMMARY

Direction to Initiate Rulemaking for Policy 5309, School Unified Dress

Board Meeting Date: January 23, 2024, Regular School Board Meeting

Requested Action

Direct the Superintendent of Schools to initiate rulemaking for revisions to Policy 5309, School Unified Dress. (Foganholi)

Impact if the Board Voted Yes or No

If the Board votes "Yes": The Superintendent of Schools will commence the rulemaking process and present the recommended revisions to the School Board for adoption at a subsequent Board meeting for implementation for the 2024-2025 school year.

If the Board votes "No": The current policy language will remain in effect until it goes through a future rulemaking process for revisions.

Background/History

Policy 5309, School Unified Dress, was last revised in 2008. Current policy language affords each school with the opportunity to determine whether participation in a school-wide unified dress program would best serve the interest of their school community. Volumes of research cite the benefits of school uniforms or unified dress policies. Specifically, they promote school safety, improve student discipline, address psychological equality, reduce bullying, remove peer pressure, improve concentration, and focus, and lessen distractions in the learning environment. These findings support a need to implement rulemaking for this policy and adopt language that requires every school to participate in a mandatory school-wide unified dress program.

Alignment to 2027 Goals and Guardrails

Guardrail 1 (Safety) and Guardrail 4 (Wellness Support)

Measurable Outcome(s)/Return on Investment

One hundred percent (100%) of schools in the District will implement a mandatory school-wide unified dress program for the 2024-2025 school year. Student on student bullying complaints will decrease by 25% in the first year of implementation.

Financial Impact

There is no financial impact to the District for this item.

SCHOOL UNIFIED DRESS

IN THE BROWARD COUNTY PUBLIC SCHOOL SYSTEM, ALL STUDENTS ARE EXPECTED TO DRESS IN A WAY THAT WILL SHOW RESPECT FOR THEMSELVES AS WELL AS OTHERS. THEREFORE, DRESS, MANNERS, GENERAL GROOMING AND CONDUCT OF STUDENTS SHALL BE CONSISTENT WITH THE HIGHEST POSSIBLE STANDARDS. THIS POLICY AUTHORIZES INDIVIDUAL SCHOOLS AND CENTERS TO DETERMINE WHETHER PARTICIPATION IN A SCHOOL-WIDE UNIFIED DRESS PROGRAM WOULD BEST SERVE THE INTERESTS OF THEIR PARTICULAR STUDENTS. THE RULES IN THIS POLICY ARE CONSISTENT WITH THE DISTRICT'S ELEMENTARY AND SECONDARY CODE OF STUDENT CONDUCT, DRESS CODE.

AUTHORITY: F.S. 1001.41
Policy Adopted:8/28/69
Policy Readopted: 9/5/74
Rules Readopted: 7/17/01; 6/17/97; 12/13/05; 3/4/08
Policy Adopted: 6/17/97; 7/17/01; 12/13/05; 3/4/08

DEFINITIONS:
Exception: An allowed exclusion on a day-by-day basis.
Exemption: A complete release granted by the participating school from wearing the mandatory unified dress.
Unified Dress: A pre-determined color and/or style of clothing for both tops and bottoms that will be worn by all students at the designated school. The determination of the unified dress will be collaboratively decided upon by staff and families through a School Advisory Council recommendation.

RULES

1. ALL SCHOOLS SHALL BE ELIGIBLE TO PARTICIPATE IN A SCHOOL-WIDE MANDATORY UNIFIED DRESS PROGRAM, IF THE FOLLOWING CONDITIONS ARE MET:

    a. At least a 66 2/3 percent vote from the parents/guardians of students enrolled in the school show that they are in favor of participating in a school-wide mandatory program. "Parents/guardians" mean each household will be allowed one vote.

    b. If a school is no longer interested in participating in a school-wide mandatory unified dress program, a school-wide vote must be conducted and at least a 66 2/3 percent vote from the parents/guardians of students enrolled in the school must agree that they are in favor of no longer participating in the wearing of unified dress. "Parents/guardians" mean each household will be allowed one vote.

    c. A new vote of parents shall occur no sooner than every three years to determine whether to adopt or discontinue a unified dress program.

    d. The Principal and School Advisory Council (SAC) are responsible for planning and implementing guidelines and procedures for participating in the mandatory unified dress program, including: (1) specifying and publicizing the date(s), time(s) and location(s) for the vote; and, (2) insuring that unified dress designs are suitable for a public school environment. Schools shall offer an array of sources for unified dress and shall not limit the parent's options to just one source.

    e. Unified dress selected by the school must comply with applicable provisions of the Code of Student Conduct.

    f. The school must make provisions for those students who, by reason of financial hardship, cannot comply with the mandatory unified dress policy and must notify parents of these provisions during planning and implementation.

    g. Exceptions to wearing the mandatory unified dress are permitted when:

        (1) Uniforms of a nationally recognized youth organization, such as the Boy Scouts or Girl Scouts, are worn on scheduled meeting days.

(2) A student wears a costume or special clothing necessary for a school activity/play or other school-sponsored program, as permitted by the principal.

(3) A student's parent/guardian has secured an exemption from the mandatory unified dress policy by following the procedures set forth in Rule 3 below.

2. Parents/Guardians shall be made aware of a school's participation in a mandatory unified dress program and their options on an annual basis. Further, all registration packets for new students shall include information pertaining to the mandatory unified dress program.

3. Parents/guardians may request exemptions for their students from participation in the mandatory unified dress program, and shall be informed by the principal, in writing, of the following procedure in this regard:

   a. Parents/guardians may request an application for exemption from the current school (Appendix A).

   b. An application for exemption must be made annually.

   c. The application for exemption must be completed in full and must be submitted to the school principal within the first ten (10) school days of a student's initial attendance.

   d. The school principal (or a designated school administrator) shall communicate with the parents to discuss the unified dress policy and the nature of the request for the exemption. The purpose of this communication shall include:

      (1) Ensuring that the parents/guardians understand the unified dress policy and its intent.

      (2) Verifying the accuracy of the information on the application for an exemption.

   e. The principal's response in this regard shall be transmitted to the parents/guardians in writing via the Application For Exemption form within ten (10) school days of submission.

4. All rights accorded to parents/guardians in this regard are transferred to students at the age of 18 (School Board Policy 5100).

5. Each school instituting a mandatory unified dress policy, with the support and participation of its SAC, shall encourage compliance with the unified dress policy.

6. The mandatory unified dress program shall be subject to review/evaluation by the school district to determine its impact at three-year intervals beginning with the 2007-08 school year.

7. Violations of the unified dress policy shall be subject to the same consequences as violations of the dress code policy. It should not be a violation of the unified dress policy if a student wears a button, armband, or other accoutrement to exercise the right to freedom of speech as guaranteed by the First Amendment and applicable School Board policies. Any buttons, armbands, or other accoutrements must comply with the standards set forth in the Student Code of Conduct. (Clothing, jewelry buttons haircuts, or other items or markings which are suggestive, revealing, or indecent, associated with gangs or cults, encourage the use of drugs, alcohol, or violence, or support discrimination on the basis of age, color, disability, ethnicity, gender, linguistic differences, marital status, national origin, race religion, socioeconomic background, sexual orientation, physical appearance, or for any other reason are not allowed.)

8. The Board authorizes the Superintendent to develop administrative guidelines and procedures to implement this policy.

9. The School Board, as aligned with Policy 1403, will not grant a release from any part of this policy.

Guidelines for School Unified Dress

I. INTRODUCTION

This guide is designed to assist in the implementation of School Board Policy 5309-*SCHOOL UNIFIED DRESS.* It contains information that will encourage and aid parents, students, teachers, and school leaders in determining whether to adopt a School Unified Dress program. It is important for schools to communicate with the parents and students to assure that they understand the policy and its rules.

The rules in the policy are consistent with The School Board of Broward County's Code of Student Conduct. Therefore, Unified Dress selected by a school must comply with applicable provisions of the Code of Student Conduct.

II. ELIGIBILITY

Elementary schools, middle schools, high schools and centers are eligible to participate in a school-wide mandatory School Unified Dress program, by following the rules as set forth in the School Unified Dress Policy. At least 66 2/3 percent of the parents who have students enrolled in the school must cast a vote in favor of participating in a school-wide mandatory Unified Dress program. Parents/guardians mean each household will be allowed one vote.

Schools interested in participating in a school-wide Unified Dress program must conduct a vote of the parents of each household of the students enrolled in the school to determine whether there is a desire to participate. The attached voting form must be used and must be sent home in the language which is spoken in the home.

Every school that conducts a school-wide Unified Dress vote must keep a written record of the conducted school-wide vote in the School Advisory Council minutes. The attached school-wide voting record form must be completed and signed by both the principal and the School Advisory Council chairperson at the conclusion of the school-wide vote and kept as a record within the school SAC documented records.

The same process is used to discontinue an existing Unified Dress program. A 66 2/3 percent vote of parents/guardians is required to discontinue an existing Unified Dress program at a school.

III. RESPONSIBILITIES OF PRINCIPAL AND SCHOOL ADVISORY COUNCIL (SAC)

The principal and School Advisory Council (SAC) are responsible for planning and implementing guidelines and procedures for participating in the mandatory Unified Dress program, including: (a) specifying and publicizing the date(s), time(s) and location(s) for the vote; and (b) insuring that Unified Dress designs, quality and style are suitable for a public school environment.

Each school shall provide parents with written notification concerning scheduled informational meetings. These meetings should include the following: explanation of School Unified Dress Policy, eligibility and voting procedures, school responsibilities, provisions for financial hardship, exemptions to wearing of Unified Dress, students' responsibilities, rights of students 18 years and older, and other pertinent information.

The means by which this written information is communicated may include, but not be limited to, direct mail and newsletters. Posters, telephone notifications/hot lines, parent meetings, television, radio, newspapers and other media sources may be used as reinforcements.

IV. RIGHTS AND RESPONSIBILITIES

Violations of the Unified Dress policy shall be subject to the same consequences as violations of the dress code policy. It should not be a violation of the Unified Dress policy if a student wears a button, armband, or other accoutrement to exercise the right to freedom of speech as guaranteed by the First Amendment and applicable School Board policies. Any buttons, armbands, or other accoutrements must comply with the standards set forth in the Student Code of Conduct. (Clothing, jewelry, buttons, haircuts, or other items or markings which are, suggestive, revealing, or indecent, associated with gangs or cults, encourage the use of drugs, alcohol, or violence, or support discrimination on the basis of age, color, disability, ethnicity, gender, linguistic differences, marital status, national origin, race religion, socioeconomic background, sexual orientation, physical appearance, or for any other reason are not allowed.)

V. EXEMPTIONS TO WEARING OF SCHOOL ADOPTED UNIFIED DRESS.

Parents/guardians shall be made aware of a school's participation in the mandatory Unified Dress program, and their options for exemption on an annual basis. Further, all registration packets for new students shall include information pertaining to the mandatory Unified Dress program.

A student's parents/guardians must submit a completed application for exemption (Appendix A) from the mandatory Unified Dress policy within the first ten (10) days of the student's initial attendance by following the procedures set forth in Rule 3 of School Board Policy 5309. An application for exemption must be made available to all students and completed annually.

The school principal (or a designated administrator) shall communicate with the parents to discuss the Unified Dress policy and the request for exemption. The purpose of the communication shall include ensuring that the parents/guardians understand the Unified Dress policy and its intent and verifying the accuracy of the information on the application for exemption. The principal's decision in this regard shall be transmitted to the parents/guardians in writing within ten school days of the receipt of the request for exemption. The only circumstance by which a principal can deny a unified dress exemption is when a parent fails to submit a completed application for exemption within the first ten (10) days of the student's initial attendance (Rule 3, SB Policy 5309).

Any school adopting a new Unified Dress program beginning with the 2007-08 school year shall not limit exemptions to that of sincerely held religious beliefs. Schools that already have a Unified Dress program allowing for exemptions for sincerely held religious beliefs will continue to follow their school's specific waiver language until the waiver sunsets if there are less than three years remaining in the waiver or if the waiver years extend beyond three years, for not more than three years after the revised Policy 5309 was approved by The School Board of Broward County on March 4, 2008. However, should the school initiate a new school-wide vote to continue and/or initiate a Unified Dress program, previous waivers or any attempts to initiate a new waiver will be null and void.

VI. PROVISIONS FOR FINANCIAL HARDSHIP

Schools must make provisions for the students who, by reason of financial hardship, cannot comply with the mandatory Unified Dress policy and must notify parents of these provisions during planning and implementation.

VII. PERIODIC REVIEW/EVALUATION AND LEGAL RAMIFICATIONS

To determine its impact, the mandatory Unified Dress program shall be subject to periodic review/evaluation by the School District's Research Services Department. Such review/evaluation will occur every three years commencing with the 2007-08 school year. All schools participating in a Unified Dress program will participate in the District's review/evaluation process.

The review/evaluation will include recommendations that will be submitted to the Superintendent of Schools for review and transmitted to the School Board.

VIII. PURCHASING PROCEDURES

The following procedures must be used by schools in purchasing schoolwide Unified Dress:

- School Board Policy 2081, *CONTRACTS BY INDIVIDUAL SCHOOLS,* addresses items that are purchased for the exclusive benefit of students, which are paid either directly or indirectly to vendors by students through an RFP process.
- Each school participating in the RFP will be required to submit the specifications for their school's Unified Dress to be included in the RFP following the same procedures used in RFPs for school pictures, yearbooks, etc.
- The purchase of school Unified Dress will be a not-for-profit type of purchase.
- Although one vendor will be awarded this contract, all parents/guardians must also be offered an array of sources (such as various department stores) for the purchase of Unified Dress and schools will not limit the parent's/guardian's options to just the contract awardee.
- All artwork, designs, emblems and any other additions to the selected apparel for use in connection with any School Board of Broward County Unified Dress cannot be mandatory and if suggested shall be the property of and owned by the specific school for which it was designed. Such items shall be made available to the appropriate school upon completion and/or delivery of Unified Dress unless otherwise authorized by the affected school. Schools shall be allowed immediate access to any logos designed for their location in order to sell the school logo to any parent/guardian requesting the purchase of the school logo only.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

MANDATORY SCHOOL UNIFIED DRESS PROGRAM
VOTING FORM

Broward County School Board Policy 5309 states that elementary schools, middle schools, high schools and centers shall be eligible to participate in a schoolwide mandatory Unified Dress program if at least a 66 2/3 percent vote from the parents/guardians of students enrolled in the school show that they are in favor of participating in a school-wide mandatory program. Parents/guardians mean each household will be allowed one vote.

If a mandatory Unified Dress program is implemented, students will be required to wear Unified Dress, unless a specific exemption is approved by the principal.

Parents/guardians shall be responsible for ensuring that this voting form is received by the school on or before

EXECUTIVE SUMMARY

Begin Immediate Negotiations with Broward Health on Vacant Land for Educational Purpose

Board Meeting Date: January 23, 2024

Requested Action

Approve Motion to Direct the Superintendent of Schools to Begin Immediate Negotiations with Broward Health on Selling Vacant Land for Educational Purpose

Impact if the Board Voted Yes or No

If the Board votes "Yes": Superintendent Licata will begin negotiations with Broward Health on selling vacant land for an educational purpose.

If the Board votes "No": Superintendent Licata will not begin negotiations with Broward Health on selling vacant land for an educational purpose.

Background/History

District 2 School Board Member Alston has introduced an item for Superintendent of Schools Peter Licata to begin immediate negotiations with Broward Health on selling vacant land for an educational purpose.

This concept has been shared with prior Superintendent of Schools' Cartwright, Smiley, Wanza and now Peter Licata. District 2 School Board Member Alston accelerated the item for consideration with the prior Interim Superintendent of Schools, as the item has been idle since that time. While initially serving as School Board Chair in late 2022, city officials also reached out to District 2 School Board Member Alston to help push this concept forward. Local city officials and community officials have also reconfirmed support for this item.

In the 4th quarter of 2019, Broward Health and other community partners completed a bi-annual Community Needs Assessment. This assessment captured data points from approximately forty-eight zip codes, including 33076 and 33067. During the process, they analyzed the current and projected population, health insurance coverage, primary care needs, mortality and morbidity rates, and other demographics, including but not limited to, race and age.

The ultimate concept includes a medical facility for the area that will provide opportunities for Broward County Public School students in the medical sciences, nursing and other related fields. The opportunities are endless for internships, career days, volunteer services hours, to name just a few benefits for our children.

Property Details - Broward County Public School Site, 7625 University Drive, Folio number 474133060030 Parkland, FL 33067 (approximately 10.41Acres of vacant land located along the east side of University Drive and the south side of Trails End with a current zoning designation of CF, Community Facility, with a land use designation of Commercial).

EXECUTIVE SUMMARY

Final Order on Broward County School Board vs. Wanda J. Collins

Board Meeting Date

January 23, 2024

Requested Action

Approve the Final Order adopting the Recommended Order entered on November 7, 2023, by Cathy M. Sellers, Administrative Law Judge, in the matter of Broward County School Board vs. Wanda J. Collins, Case No. 22-0938TTS, in the State of Florida Division of Administrative Hearings.

Background/History

This item requests Board approval of the Final Order adopting the Recommended Order upholding the Superintendent's recommendation to terminate Wanda J. Collins ("Collins"), a mathematics teacher at Crystal Lake Community Middle School ("Crystal Lake"). Collins earned four, consecutive, overall "Needs Improvement" evaluations, based on metrics that included an Instructional Practice Score and Student Performance Score. Under Section 1012.33(3), Florida Statutes, a professional service contract with instructional staff, supervisors, and school principals shall be renewed each year unless: the employee receives two consecutive annual performance evaluation ratings of unsatisfactory under Section 1012.34, Florida Statutes, two annual performance evaluation ratings of unsatisfactory within 3-year period under Section 1012.34, Florida Statutes, or three consecutive annual performance evaluation ratings of needs improvement or a combination of needs improvement and unsatisfactory under Section 1012.23, Florida Statutes.

The Administrative Complaint was served on Collins recommending her termination and she timely requested a hearing. The School Board approved the recommendation, and the matter was transferred to the Division of Administrative Hearings ("DOAH") to assign an Administrative Law Judge ("ALJ") to conduct the final hearing challenging the School Board's discipline. The DOAH hearing was held, and on November 7, 2023, the ALJ entered a Recommended Order in favor of the School Board upholding termination of Collin's employment as a teacher.

The Superintendent recommends that the School Board approve the Final Order adopting the Recommended Order. The School Board's decision is final.

STATEMENT OF THE ISSUE

Whether there is just cause, as charged in the Administrative Complaint, for Petitioner, Broward County School Board, to terminate the employment of Respondent, Wanda J. Collins, as a teacher with Broward County Public Schools.

Exhibit "A"

PRELIMINARY STATEMENT

On February 26, 2022, Petitioner, Broward County School Board (hereafter, "Petitioner" or "School Board"), notified Respondent, Wanda J. Collins (hereafter, "Respondent"), by agency action letter, that it intended to terminate her professional services contact with the School Board at its March 15, 2022, meeting. The Administrative Complaint, setting forth the alleged factual and legal bases for the School Board's action terminating Respondent, was served on February 28, 2022. Respondent timely requested an administrative hearing, and the matter was referred to DOAH on March 24, 2022, for assignment of an ALJ to conduct the hearing.

The parties waived the statutory time frame in section 1012.33(6), Florida Statutes (2021),[1] for conducting the administrative hearing, and the final hearing initially was set for September 27 and 28, 2022; however, pursuant to motion, the hearing was rescheduled for February 15 through 17, 2023, and, subsequently, for August 8 through 10, 2023.

The final hearing was held on August 8 through 10, 2023. At the final hearing, Petitioner presented the in-person testimony of Heather Parente, Marcia Fay, Gisela Cobo-Suarez, Sabine Phillips, Ben Reeves, Felice Winston-Davis, Tavures Williams, Diego DeRose, Nina McWhorter, Julie Franciosi Jackson, Earnest Toliver, and Vanessa Pelusso. Additionally, the deposition testimony of Tawanna Rowe, Arlene Colson, Annmarie Stramanak, and Sheryl Coram-Priest was admitted into evidence in lieu of in-person testimony at the final hearing. Additionally, Petitioner's Exhibits 1 through 19, 21 through 64, 66 through 81, 83, and 85 through 113 were

[1] The Administrative Complaint alleges statutory and rule violations for school years 2016-17, 2017-18, 2018-19, 2019-20, 2020-21, and 2021-22. Because section 1012.33 was not amended over this time period, all references to this section are to the 2021 version, which was in effect at the time Petitioner took action to terminate Respondent from her employment.

admitted into evidence. Respondent testified on her own behalf, and Respondent's Exhibits 1 through 8 were admitted into evidence.

The three-volume, 785-page Transcript of the final hearing was filed at DOAH on August 24, 2023. The parties initially were given until September 5, 2023, to file their proposed recommended orders; however, that deadline subsequently was extended to September 25, 2023, and then to September 28, 2023. The parties timely filed their proposed recommended orders ("PROs"), and both PROs have been duly considered in preparing this Recommended Order.

FINDINGS OF FACT

I. The Parties

1. Petitioner is a duly-constituted school board charged with the duty to operate, control, and supervise free public schools within Broward County, Florida, pursuant to article IX, section 4(b) of the Florida Constitution and section 1012.33(1)(a).

2. Respondent is employed as a middle school classroom teacher, teaching mathematics, at Crystal Lake Community Middle School ("Crystal Lake"), and has been employed as a teacher with Broward County Public Schools (the "District") since 2006.

II. The Administrative Complaint

3. The Administrative Complaint charges Respondent with having three consecutive annual performance evaluations of unsatisfactory under section 1012.34.

4. Additionally, the Administrative Complaint charges Respondent with violations of specified provisions of Florida Administrative Code Rule 6A-5.056.

5. The Administrative Complaint also charges Respondent with having violated School Board Policy 4008, and, consequently, section 1012.53, which

imposes the requirement on instructional personnel to, among other things, comply with policies adopted by the district school board.

6. Each of these alleged violations, if proven, constitutes just cause for dismissal under section 1012.33.

III. Evidence Adduced at the Final Hearing

7. On February 28, 2022, Respondent was notified that the School Board would consider the Broward County Superintendent of Public Schools' recommendation to terminate her employment as a teacher with the District.

8. Respondent timely requested an administrative hearing under sections 120.569 and 120.57(1).

9. On March 15, 2022, the School Board took action to terminate Respondent's employment as a teacher with the District.

A. The District's Performance Evaluation Systems

10. Pursuant to section 1012.34, the School Board has implemented a personnel performance evaluation system to evaluate the performance of duties and responsibilities of instructional personnel, including classroom teachers.[2]

11. For District schools, the teacher performance evaluation system is named "Broward Instructional Development and Growth Evaluations System," or "BrIDGES."

12. Consistent with section 1012.34, each teacher in the District is evaluated at least once a year, and three criteria are evaluated: student performance, which constitutes at least one-third of the teacher's performance evaluation; instructional practice, which constitutes at least one-third of the teacher's performance evaluation; and "other indicators of performance," which constitutes the remainder of the teacher's performance evaluation, and may consist of peer reviews, surveys of students and parents

[2] The term "classroom teachers" is defined in section 1012.01(2)(a) as staff members who are assigned the professional activity of instructing students in classroom situations. The statute does not specifically define other types of teachers. Therefore, for brevity purposes, the term "teachers" is used in this Recommended Order to refer to classroom teachers.

regarding teaching practices, and other valid and reliable measures of instructional practice.

13. The teacher evaluation system must be designed to differentiate between four levels of performance: highly effective, effective, needs improvement, and unsatisfactory.

14. Every year, District teachers are informed, via an orientation presentation, about how evaluations will be performed. Respondent received this presentation for each school year relevant to this proceeding.

Student Performance Component

15. The Department of Education ("DOE") dictates the specific assessments which are used to gauge student performance.

16. Additionally, a value-added model ("VAM") using statistical regression analysis is applied to determine a student's expected score on a specified assessment. The VAM helps minimize the effect that some non-instructional variables, such as attendance, special needs, language, and age/grade correlation, may have on student performance scores.

Instructional Practice Component

17. The School Board, with the concurrence of the Broward Teachers Union ("BTU"), has adopted the research-based Marzano evaluation Model ("Marzano Model") to gauge a teacher's instructional practice performance. Under this model, the teacher's instructional practice score is based on an administrator's (i.e., a principal's or an assistant principal's) observations of the teacher in the classroom setting, as weighted under the Marzano Model.

18. In order to evaluate teachers, principals and assistant principals must be trained regarding the components of the particular evaluation model, must learn how to accurately and consistently apply the model to the teacher and student behaviors being observed, and must be credentialed in use of the particular evaluation model.

19. Under the Marzano Model, there are three types of teaching observations: formal, informal, and walk-through. Formal evaluations are

classroom teaching observations conducted by administrators, lasting at least 30 minutes each and entailing a pre- and post-observation conference with the teacher. Informal observations are seven- to 15-minute classroom teaching observations conducted by administrators. Walk-through observations are five- to seven-minute classroom teaching observations conducted by administrators.

20. The District uses an electronic system known as iObservation to record and maintain instructional performance observation data.

21. In the 2016-17 and 2017-18 school years, the District used the version of the Marzano Model known as the Marzano Legacy Model. This Model was comprised of 60 elements organized into a learning map having four domains. Domain 1 was titled "Classroom Strategies and Behaviors," and consisted of Elements 1 through 41. Domain 2 was titled "Planning and Preparing," and consisted of Elements 42 through 49. Domain 3 was titled "Reflecting on Teaching," and consisted of Elements 50 through 54. Domain 4 was titled "Collegiality and Professionalism," and consisted of Elements 55 through 60.

22. Succinctly stated, Domain 1 is focused on measuring in-classroom instruction, while the other three domains are focused on measuring other, non-classroom aspects of instruction.

23. Additionally, each element within each domain has a protocol. The protocol describes, and provides examples of, the teaching behavior in which the teacher should engage in order to achieve the best outcomes for that particular element.

24. For example, Element 1 of the Legacy Model, titled "Providing Rigorous Learning Goals and Performance Scales (Rubrics)," explains that "[t]he teacher provides rigorous learning goals and/or targets, both of which are embedded in a performance scale that includes application of knowledge." The examples of teacher behavior that are entailed in this protocol include such things as "[t]eacher has a learning goal and/or target [which is] posted for student reference"; "[t]eacher makes reference to the learning goal or

target throughout the lesson"; and "[t]eacher relates classroom activities to the scale throughout the lesson."

25. Additionally, the protocol describes student-centered evidence that the teaching goal is being accomplished. For example, for Element 1, the protocol states: "[s]tudents can explain the learning goal or target for the lesson"; "[s]tudents can explain how their current activities relate to the learning goal or target"; and "[s]tudent artifacts demonstrate students know the learning goal or target."

26. The administrator conducting the teacher performance evaluation observes and records whether (or not) the teacher and the students are exhibiting behavior that evidences that the purpose of the protocol is being achieved in the lesson being observed.

27. The extent to which such teacher and student behaviors are exhibited during an observation is ranked on a scale, which sets forth five different levels of teaching proficiency for that protocol: "Not Using," "Beginning," "Developing," "Applying," and "Innovating," with 1, 2, 2.5, 3, and 4 points, respectively, assigned to the observed behavior.

28. For purposes of calculating the teacher's overall instructional practice score, behavior described in each protocol is weighted depending on whether the protocol is within Domain 1, 2, 3, or 4. Domain 1, which focuses on measurement of in-classroom instruction, is assigned a weight of 68% of the instructional practice score, while Domains 2, 3, and 4 collectively are assigned a weight of 32% of the instructional practice score.

29. To calculate a teacher's instructional practice score, the administrator observing the teacher records a data mark each time a protocol behavior is observed, or is not observed,[3] and assigns a point value (discussed above) to that behavior based on the proficiency level. The weighted average for each proficiency level is calculated by multiplying the total point value observed

[3] A teacher's failure to exhibit a required or desired behavior identified in a protocol would result in a data mark of 1 point.

for that proficiency level by its relative percentage of the total data marks recorded in the observation. Each weighted average is then added to obtain the total score for the particular domain. The total score for each domain is then multiplied by its assigned weight—i.e., 68% for Domain 1, 32% for Domains 2, 3, and 4—and added together. This results in the teacher's final instructional practice score.

30. This weighted scoring method, described above, was applicable to all of the Marzano Model variations (discussed below) used by the District to evaluate teachers' instructional practice during the time frame relevant to this proceeding.

31. For the 2018-19 school year, the District used an updated Marzano teacher performance evaluation model, known as Florida Teacher Evaluation Model, or "FTEM," for evaluating teachers who taught sixth, seventh, and eighth grades. Under FTEM, Domains 1 through 4 in the Marzano Legacy Model were replaced with domains respectively titled "Standards-Based Planning," consisting of three elements; "Standards-Based Instruction," consisting of ten elements; "Conditions for Learning," consisting of seven elements; and "Professional Responsibilities," consisting of three elements, for a total of 23 elements evaluated. Additionally, the protocols were revised, and the protocol scale labels were changed to "needed," "emergent," "proficient," "accomplished," and "exemplary." The scoring system using weighted averages remained the same as that used in scoring under the Marzano Legacy Model.

32. Because the District applied FTEM on a pilot program basis in the 2018-19 school year, an additional middle school metric was added, and all teachers were given a "highly effective" rating for that metric as a percentage of their final evaluation score. Thus, the percentages assigned to the four evaluation components in deriving the final evaluation score were 45% for instructional practice, 35% for student performance, 15% for deliberate practice, and 5% for the middle school metric.

33. In the 2019-20 school year, the District continued to use FTEM, and expanded its use in evaluating teachers in pre-kindergarten through twelfth grades. Although DOE waived teacher performance evaluations for the 2019-20 school year due to the COVID-19 pandemic, the District did evaluate teachers on the instructional practice component through March 2020, after which District schools were closed for the rest of the school year.

34. For the 2020-21 school year, the School Board received permission from DOE to use a limited FTEM Model for teacher evaluation consisting of seven elements. Teachers taught virtually beginning in August 2020, until January 2021, when all teachers returned to in-person classroom teaching. Because some students continued to attend school by virtual platform, teachers were evaluated only for the planning and professional responsibilities elements.

35. For the 2021-22 school year, the District used the regular 23-element FTEM Model, and added a new protocol titled "Equity, Access, SEL," with the acronym standing for "Social Emotional Learning." The purpose of this new protocol was to encourage teachers to consider students' different needs and learning styles in planning and delivering instruction.

36. The District offers supportive services for teachers who are struggling with deficient performance. Specifically, the annual teacher evaluation orientation, described above, addresses performance intervention for teachers who score a certain number of "not using" or "beginning" data marks in the previous year's evaluation. For teachers who earn a certain number of such data marks, administrators have an "informal conversation" regarding performance improvement measures. Additionally, a performance development plan ("PDP") may be developed for teachers who earn a specified number of such data marks and also earn an instructional practice score that equates to an "unsatisfactory" or "needs improvement" rating.

37. The District's Evaluations Department monitors the teacher evaluation ratings of teachers, and offers performance assistance by peer

reviewers for teachers who have deficient performance ratings. Peer reviewers coach, model effective teaching practices, and provide instructional practice feedback to the teacher.

38. Additionally, school-based assistance provided by subject area-specific instructional coaches also is available to teachers who have deficient performance ratings.

Other Indicators of Performance Component

39. Pursuant to section 1012.34, the third component of teacher evaluations is the "other indicators of performance" criterion. This component affords school districts flexibility to identify and evaluate other specific components that a school district determines are useful indicators of teacher performance.

40. The District uses a deliberate practice measure as the third component of its teacher evaluation system. For this component, the teacher uses iObservation to develop an annual growth plan, and the teacher completes a self-assessment on teaching strategies set forth in the Marzano Model. If the teacher completes the self-assessment by a specified deadline, the teacher receives a "highly effective" rating for the "other indicators of performance" component.

Calculating the Teacher Evaluation Score for a School Year

41. By the end of the school year, teachers will have been informed of their final instructional practice score for that school year.

42. The final student performance score for a school year is not available until the fall semester of the following school year.

43. The scores for each of the three components comprising the teacher evaluation system—student performance, instructional practice, and deliberate practice—are calculated separately, then a weighted average of these three scores is calculated to derive the teacher's overall performance evaluation score for the school year.

B. Respondent's Performance and Conduct in the 2016-17 through 2021-22 School Years

44. As previously noted, Respondent was evaluated for the 2016-17, 2017-18, 2018-19, 2019-20, 2020-21, and 2021-22 school years, using the evaluation systems discussed above.

45. The competent substantial evidence establishes that for each of these school years, Respondent's performance was deficient—that is, her rating was either "needs improvement" or "unsatisfactory."

46. Additionally, the competent substantial evidence establishes that Respondent had significant issues in managing her classroom, and her lack of management negatively affected her students' learning environment.

The 2016-17 School Year

47. For the 2016-17 school year, the relative weights assigned to the three teacher performance evaluation components were: student performance, 35%; instructional practice, 60%; and deliberate practice, 5%.

48. For the 2016-17 school year, the final teacher evaluation score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

49. For this school year, Respondent earned an overall performance evaluation score of 2.364, which constituted a "needs improvement" rating.

50. She received a score of 2.167 on the student performance component, which constituted a "needs improvement" rating. Twenty-seven of her 94 math students (i.e., 29%) achieved their expected scores on the applicable assessments, placing her in the sixth percentile among the 414 middle school math teachers in the District for the 2016-17 school year.

51. For the 2016-17 school year, the instructional practice score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.500 and 3.399 constituted "effective"; between 2.0 and 2.499

constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

52. Respondent earned a score of 2.342 for the instructional practice component of the evaluation, which constituted a "needs improvement" rating. This was the third-lowest instructional practice score of the 2,812 middle school teachers in the District, and the lowest of the 414 middle school math teachers in the District, for the 2016-17 school year.

53. To determine Respondent's instructional practice score in the 2016-17 school year, Respondent was evaluated by Sabine Phillips, principal at Crystal Lake, and assistant principals Shante Collins and Ben Reeves. All three were trained and credentialed in administering the District's teacher evaluation system.

54. Phillips credibly testified that during the classroom teaching observations of Respondent that she conducted, Respondent failed to correctly state the learning goal for the day's lesson, and Respondent's instructional delivery was disorganized. Additionally, her students were not engaged in the lesson and failed to comply with her requests, and Respondent failed to take action to redirect them.

55. Upon being informed of Phillips's observations, Respondent did not approach Phillips to discuss her observations, nor did Respondent dispute any of Phillips's observations.

56. Reeves's observations of Respondent were consistent with Phillips's observations. Specifically, Respondent's statement of the day's learning goal was vague, and no summary of the topic taught was provided at the end of the lesson. Many students were not engaged in the lesson and, instead, were talking among themselves and using cell phones; one student was sweeping the classroom floor; and another student was sitting on top of a desk. Respondent's efforts to redirect the students to engage in the lesson were minimal and unsuccessful.

57. Respondent was offered the assistance of a peer reviewer toward the end of the 2016-17 school year, but refused that assistance.

58. Respondent earned a 4.0 deliberate practice score for the 2016-17 school year, which constituted a "highly effective" rating.

The 2017-18 School Year

59. For the 2017-18 school year, the relative weights assigned to the teacher performance evaluation components were: student performance, 35%; instructional practice, 60%; and deliberate practice, 5%.

60. For the 2017-18 school year, the final teacher evaluation score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

61. For this school year, Respondent earned an overall performance evaluation score of 2.207, which constituted a "needs improvement" rating.

62. Respondent's student performance score for the 2017-18 school year was a 1.833, which constituted an "unsatisfactory" rating. Twenty of her 93 math students (i.e., 22%) achieved their expected assessment scores, placing her in the fourth percentile among 398 middle school math teachers in the District for the 2017-18 school year.

63. For the 2017-18 school year, the instructional practice score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

64. Respondent earned a score of 2.276 for the instructional practice component of the evaluation, a "needs improvement" rating. This was the second-lowest instructional practice score of the 2,953 middle school teachers in the District, and the lowest of the 398 middle school math teachers in the District, for the 2017-18 school year.

65. To determine Respondent's instructional practice score for this school year, Respondent was evaluated by Phillips, and assistant principals Reeves, Felice Winston-Davis, and Julie Franciosi Jackson. All were trained and credentialed in administering the District's teacher evaluation system.

66. Although Respondent did receive some "applying" data marks during some observations, these administrators' classroom teaching observations showed that, overall, Respondent continued to have significant instructional performance problems. Specific classroom instructional practice behavior that the administrators observed included Respondent's failure to adequately explain the relationship of the learning goal for the lesson and its relationship to the work students were assigned; lack of student engagement in the lesson and Respondent's failure to successfully redirect them to engage in the lesson; Respondent's failure to correct student misbehavior in the classroom; lack of classroom student conduct rules and lack of consequences for inappropriate classroom conduct; failing to provide verbal direction to students while teaching the lesson; and allowing students to engage in off-task behavior, such as listening to music.

67. Additionally, Respondent continue to engage in conduct about which she previously received directives from the Crystal Lake administration. Specifically, she continued to issue hall passes to students after being directed not to do so, and she failed to escort students to and from the cafeteria after being directed to do so.

68. Respondent earned a 4.0 deliberate practice score for the 2017-18 school year, which constituted a "highly effective" rating.

The 2018-2019 School Year

69. As noted above, for the 2018-19 school year, a new evaluation component, the "middle school metric," was added,[4] so that the relative weights assigned to the teacher performance evaluation components were as

[4] The middle school metric was used only in the 2018-19 school year.

follows: student performance, 35%; instructional practice, 45%; deliberate practice, 15%; and middle school metric, 5%.

70. For the 2018-19 school year, the final teacher evaluation score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.500 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

71. For this school year, Respondent earned an overall performance evaluation score of 2.291, which constituted a "needs improvement" rating.

72. Respondent's student performance score for the 2018-19 school year was a 2.0, which constituted a "needs improvement" rating. Thirty of her 111 math students (i.e., 27%) achieved their expected assessment scores, placing her in the eighth percentile among 386 middle school math teachers in the District for the 2018-19 school year.

73. For the 2018-19 school year, the instructional practice score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.000 and 1.999 constituted "unsatisfactory."

74. That year, Respondent earned a score of 1.757 for the instructional practice component of her evaluation, an "unsatisfactory" rating. This was the lowest instructional practice score of the 2,913 middle school teachers in the District, and the lowest of the 386 middle school math teachers in the District, for the 2018-19 school year.

75. To determine Respondent's instructional practice score for the 2018-19 school year, Respondent was evaluated by Phillips and assistant principals Franciosi Jackson and Tavures Williams. All three were trained and credentialed in administering the District's teacher evaluation system.

76. Phillips conducted one classroom observation of Respondent, in which she rated Respondent as "proficient" for two instructional elements.

77. Franciosi Jackson conducted one classroom observation of Respondent for the Professional Responsibilities Domain of the FTEM Model, and rated her as "accomplished."

78. Williams, an assistant principal at Crystal Lake, also was the head of the school's mathematics department. He was Respondent's direct supervisor and conducted six observations of Respondent's classroom teaching, two of which were formal observations, during the 2018-19 school year.

79. Williams credibly testified that, generally, Respondent struggled with classroom management, and did not teach the applicable curriculum, notwithstanding that professional learning meetings were conducted to discuss the curriculum and instructional strategies to successfully teach it. Further to this point, Williams testified that the statewide math curriculum—which identifies the standards and content that students are to learn for purposes of the statewide assessments, and also provides prepared lesson plans for teachers to use in delivering that content—is readily available for all teachers to access and use in their teaching; nonetheless, Respondent did not avail herself of this key resource.

80. Among Respondent's instructional practices that Williams observed were that although Respondent outlined strategies or resources she would use in her planning, she did not implement them in her instruction; she did not develop or implement plans to address specific learner needs; and although she posted applicable state learning standards and goals on the classroom board, she did not align teaching content to the standards and goals. Additionally, although she attempted to use some innovative teaching content, she had not previewed it or determined how to use it in implementing her lesson plans.

81. Williams observed the following student behaviors during his observations of Respondent's teaching: a relatively small proportion of the students in her class were able to identify the content that was the subject of the lesson; many students were not engaged; students often moved around

the classroom and were not required to stay seated and attend to their work; there was no redirection or encouragement to students to participate in the lesson; and Respondent made no attempt to engage or redirect their attention to the lesson.

82. Following each of his formal observations of Respondent's teaching, Williams met with Respondent, and provided her a memorandum summarizing his observations and identifying deficiencies regarding her instructional practice.

83. Specifically, on February 8, 2019, Williams identified deficiencies in Respondent's classroom instruction in two areas, Standards-Based Instruction and Conditions of Learning.

84. With respect to Standards-Based Instruction, Respondent was rated as "needed" with respect to reviewing content with the students, helping students examine their reasoning, and helping students revise their knowledge. She was rated as "emergent" with respect to identifying critical context from the standards.

85. With respect to Conditions of Learning, Respondent was rated as "needed" for using formative assessments to track student progress, organizing students to interact with content, establishing and acknowledging adherence to rules and procedures, and communicating high expectations for each student to close the achievement gap. She was rated as "emergent" for using engagement strategies.

86. On May 13, 2019, Williams again met with Respondent and provided her a memorandum summarizing his observations and identifying deficiencies regarding her instructional practice. In this observation, Williams found Respondent's instruction deficient in three areas: Standards-Based Planning, Standards-Based Instruction, and Conditions of Learning.

87. With respect to Standards-Based Planning, Williams rated Respondent's instruction as "needed" with respect to planning Standards-Based lessons or units, aligning resources to the standards, and planning to

close the achievement gap using data. Specific examples regarding these deficiencies that Williams identified were Respondent's failure to use established content standards or plan rigorous units with learning targets that demonstrate progression of learning; failure to plan for the use of, or attempt to use, traditional or digital resources in Standards-Based lessons; and failure to use data to meet the needs of each student in closing the achievement gap.

88. With respect to Standards-Based Instruction, Respondent was again rated as "needed" with respect to reviewing the content with the students, helping students examine their reasoning, and helping students revise their knowledge. She was again rated as "emergent" with respect to identifying critical context from the standards. Specific examples regarding these deficiencies that Williams identified were that the learning goal posted on the classroom board did not coincide with the material being taught, and the standard and lesson objective were not aligned with each other.

89. With respect to Conditions of Learning, Respondent was again rated as "needed" with respect to using formative assessment to track student progress, organizing students to interact with content, and establishing and acknowledging adherence to rules and procedures. She was rated as "emergent" for using engagement strategies. Specific instructional deficiencies that Williams identified included lack of posted classroom rules and expectations; no seating chart, which led to students moving about the classroom; lack of established classroom routines and procedures; and teacher tolerance of inappropriate student conduct.

90. Williams testified that, in addition to her instructional practice performance deficiencies, Respondent also engaged in conduct that violated school policy by failing to keep her classroom door locked.

91. Additionally, during one of Williams's classroom observations of Respondent, he saw her embarrass a female student by first refusing to allow her to use the restroom, and then making an extremely personal remark

about the student that caused the other students in the room to gasp. As a result of Respondent's conduct, which violated the School Board's policy prohibiting teachers from exposing students to unnecessary embarrassment or disparagement, Williams issued a meeting summary, the District's least serious form of corrective action, to Respondent.

92. An instructional coach and a peer reviewer were assigned to assist Respondent in the 2018-19 school year.

93. Sheryl Coram-Priest was Respondent's math instructional coach for the 2018-19 school year. As a math coach, her role was to provide support to the math teachers with lesson planning, the provision of resources to foster student engagement, and working directly with students to help them in understanding the math content being taught. Instructional coaches do not evaluate teacher performance.

94. Coram-Priest testified that during the time she worked with Respondent, she often observed Respondent seated at her desk rather than interacting with her class, presenting a lesson, or working with the students. As she put it, "there was very little teaching and learning."

95. Arlene Colson serves as a peer reviewer for the District schools. As a peer reviewer, her role is to support teachers who are identified as needing additional support. As with instructional coaches, peer reviewers do not have a role in teacher performance evaluation.

96. Colson provided support to Respondent as a peer reviewer for part of the 2018-19 school year.

97. According to Colson, Respondent failed to monitor student learning while she was teaching. In one instance, she played a video for the students, and did not stop the video at points to ask if the students understood the concepts being covered in the video. Another time, when she used a computer game to teach a certain skill, she failed to monitor student understanding and progress regarding the skill being taught, and did not correct her students' mistakes. Colson also testified that Respondent awarded work

credit even when they did not complete the assigned work, so that there was no monitoring and follow-up to ensure that a student understood a concept before moving on to other content. According to Colson, Respondent also did not give her students tests, so had no way of determining whether students were learning the content.

98. Annmarie Stramanak took over as Respondent's peer reviewer in February 2019. Stramanak testified that, while Respondent appeared receptive to receiving support, she was unwilling to change her instructional practices. She further testified that Respondent failed to take the time necessary to understand how to communicate with, and teach her students, and that as a result, she was unable to identify and address her students' strengths and weaknesses.

99. Respondent earned a 4.0 deliberate practice score for the 2018-19 school year, which constituted a "highly effective" rating.

100. Additionally, she earned a 4.0 middle school metric rating.

The 2019-20 School Year

101. As found above, DOE waived final teacher performance evaluations for the 2019-20 school year, due to the COVID-19 pandemic.

102. Accordingly, student performance scores were not considered in determining overall teacher performance evaluation scores for that school year. The District also did not consider deliberate practice scores in determining overall teacher performance evaluation scores for that school year.

103. However, as noted above, the District did evaluate teachers on the instructional practice component of the teacher performance evaluation system for that school year.

104. For the 2019-20 school year, the instructional practice score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499

constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

105. As of the end of the 2019-20 school year, Respondent had earned an instructional practice score of 1.588, which was an "unsatisfactory" rating.

106. Earnest Toliver was the principal at Crystal Lake in the 2019-20 school year.

107. Williams and Nina McWhorter, another assistant principal, evaluated Respondent's instructional practice for the 2019-20 school year. Both were trained and credentialed in administering the teacher evaluation system.

108. McWhorter conducted one informal evaluation of Respondent that school year. She observed that Respondent did not appropriately group students for a cooperative learning exercise; did not ensure that students had the necessary equipment, such as laptops, to complete an assignment; did not utilize data for closing the achievement gap; and did not attempt to reengage students who were off-task, using their cell phones, sleeping, and talking to each other, rather than working on the assignment.

109. McWhorter also testified that some students asked to be moved to a different math class because they were not learning in Respondent's class due to the noise and other students' disruptive conduct.

110. On October 22, 2019, Respondent received a meeting summary from McWhorter for issuing restroom passes to students, without discretion, resulting in her students engaging in disruptive conduct, such as vandalizing restrooms, engaging in unruly behavior and horseplay, and entering other classrooms at the school without permission. Respondent was directed to use discretion in issuing such passes, or contact security to escort students to the restroom.

111. Williams conducted six classroom observations of Respondent in the 2019-20 school year—two formal, and the other four informal. Additionally,

Williams conducted two non-classroom observations of Respondent, consisting of meetings/feedback sessions.

112. Of the 37 data marks that Williams recorded while observing Respondent's instructional practice, 24 of the observed behaviors, or 64.8%, were rated as "needed"; 11 of the observed behaviors, or 29.73%, were rated as "emergent"; one of the observed behaviors, or 2.7%, was rated as "proficient"; and one of the observed behaviors, or 2.7%, was rated as "exemplary."

113. During Williams's four informal classroom observations, he observed the same or similar classroom management deficiencies that Respondent had exhibited in the previous school year. Specifically, Respondent failed to provide classroom conduct rules, and most of the students were off-task, either talking about topics unrelated to the lesson in which they were supposed to be engaged, or using their cell phones.

114. Respondent also failed to timely submit lesson plans. When they were submitted, the content did not correspond with that being taught in the classroom that day.

115. Respondent did earn an exemplary data mark for participating in an initiative, "Teachers Opening Doors."

116. Williams conducted a formal observation of Respondent's classroom instruction on October 23, 2019, and prepared a post-observation summary, which was given to Respondent on November 1, 2019.

117. In the observation, Williams again found Respondent's instruction deficient in three areas: Standards-Based Planning, Standards-Based Instruction, and Conditions of Learning.

118. With respect to Standards-Based Planning, Williams rated Respondent's instruction as "emergent" with respect to aligning resources to the standards, and planning to close the achievement gap using data. Specific examples regarding these deficiencies that Williams identified were Respondent's failure to identify traditional, digital, or human resources in

her lesson plans; failure to implement formative assessments, as set forth in her lesson plans; and failure to use data to support her lesson plan activities to close the achievement gap.

119. With respect to Standards-Based Instruction, Respondent was again rated as "needed" with respect to reviewing the content with the students, helping students examine their reasoning, and using questions to help students elaborate on the content. Specific examples regarding these deficiencies that Williams identified were that the content displayed on the board did not reflect the applicable learning standard; Respondent failed to ask complex questions to require students to critically think; and Respondent missed opportunities to review concepts with students.

120. With respect to Conditions of Learning, Respondent was rated as "needed" with respect to establishing and acknowledging adherence to rules and procedures, using student engagement strategies; establishing and maintaining effective relationships in a student-centered classroom; and communicating high expectations for each student to close the achievement gap. She was rated as "emergent" for organizing students to interact with content. Specific instructional deficiencies that Williams identified included the lack of posted rules in the classroom; no clear procedures for students to follow in organizing into groups; and Respondent ordering students who approached her for assistance to "get away."

121. Williams also identified other continuing concerns about Respondent's job performance. These included her apparent lack of progress in completing the required standards for the math curriculum; her lack of classroom control and management, as evidenced by students not being engaged in any lesson, being out of their seats in the classroom, fighting and otherwise being extremely noisy and disruptive; allowing students to skip her class; failing to take attendance on multiple days; failing to have a seating chart for her classes; failing to return parents' calls or otherwise communicate with them regarding their child's progress; and frequently

using her personal laptop while seated at her desk, rather than being engaged in teaching a lesson.

122. When Williams expressed his concerns to Respondent, she denied that her class was loud or disruptive, stated that she was taking professional development courses, and claimed that she was being targeted and harassed.

123. On November 13, 2019, Toliver met with Respondent and Williams to discuss his and Williams's ongoing concerns regarding Respondent's classroom management and other issues. Among the issues of concern regarding Respondent's performance addressed at that meeting, and memorialized in a meeting summary memorandum, were: allowing students to hold a "block party" in her classroom at the end of the 2018-19 school year, that entailed loud music of inappropriate content and tables of food; daily issuance of restroom and hall passes to her students, without discretion, resulting in disruptive and destructive behavior by those students; failure to manage her classroom, resulting in issuance of 15 office referrals for her students over a seven-day period in October 2019, and school security being called to her classroom numerous times to establish control and address disruptive student behavior; failure to address and resolve parent complaints, which resulted in students being transferred from her class; failure to submit lesson plans; failure to prevent students from ripping pages from math workbooks, which affected other students' ability to complete their assignments; and her failure to timely arrive at work on at least 16 days in September and October 2019.

124. In the meeting summary, Toliver stated his expectations that Respondent would use instructional time to present instruction in math to her students; state the reason for issuing a hall pass to a student when doing so; adequately supervise her students; improve her communications with parents; submit lesson plans and correctly utilize classroom workbooks; arrive to work on time; and notify the school if she was going to be tardy.

125. Respondent continued to have significant classroom management difficulties. On November 19, 2019, McWhorter was summoned to Respondent's classroom to remove ten disruptive students. Later in the same class period, Respondent summoned school security to remove the remaining students from her classroom.

126. Respondent also exhibited significant lack of attention to matters concerning her class. For example, several times, she failed to charge the assigned computer cart, which interfered with her students' ability to complete assessments.

127. On December 17, 2019, Respondent received another meeting summary for failing to attend a scheduled conference; failing to complete a planning form assigned on iObservation; and failing to submit a lesson plan in advance of a formal observation, which was scheduled for December 16, 2019. Respondent also was absent from school on December 16, 2019.

128. Williams conducted a formal observation of Respondent on January 8, 2020, and met with her on January 16, 2020, to discuss the observation.

129. Williams again found Respondent's instruction deficient in Standards-Based Planning, Standards-Based Instruction, and Conditions of Learning.

130. With respect to Standards-Based Planning, Williams rated Respondent's instruction as "needed" with respect to planning Standards-Based lessons, aligning resources to standards, and planning to close the achievement gap using data. This rating was due to Respondent's failure to submit lesson plans.

131. With respect to Standards-Based Instruction, Respondent was again rated as "needed" with respect to helping students examine their reasoning, and "emergent" with respect to identifying critical content from the standards and reviewing the content with the students. Williams noted that Respondent attempted to identify critical content during the lesson, but the formative

data showed that the students were unable to distinguish between critical and unimportant content as it related to the learning target. Additionally, Respondent attempted to engage students in a review of content; however, the formative data demonstrated that the students did not understand the content.

132. With respect to Conditions of Learning, Respondent was rated as "needed" with respect to establishing and acknowledging adherence to rules and procedures, using student engagement strategies, and using formative assessments to track student progress. She was rated as "emergent" for organizing students to interact with content. Specific instructional deficiencies identified were the lack of posted rules or procedures in the classroom; lack of use of engagement strategies, resulting in none of the students being engaged in the lesson, but, instead, using their cell phones or walking around the classroom; failure to use formative assessments to determine student progress on the learning target, so that many students were not clear regarding the learning goal for the day; and failure to successfully organize students into groups to facilitate the learning of the content.

133. Coram-Priest served as Respondent's math coach, and Marcia Fay served as Respondent's peer reviewer, for the 2019-20 school year.

134. Coram-Priest testified, credibly, that she did not often observe Respondent actively engaged in teaching, and that when she did, Respondent made no effort to engage the students in the lesson. She also testified, credibly, that the students who misbehaved in Respondent's class were better-behaved in other teachers' classes.

135. In Fay's view, Respondent's classroom management skills needed improvement. Upon entering Respondent's classroom, she frequently observed that students were not seated, were using their cell phones, and were not engaged in the lesson. She noted that the few times when

Respondent did attempt to gain control of her classroom, the students did not respect her authority.

136. On February 10, 2020, Toliver placed Respondent on performance probation for a 90-day period. At that time, Respondent's instructional practice score was a 1.532, which was "unsatisfactory." Toliver advised Respondent that during the 90-day period, he would be conducting formal evaluations using the District's BrIDGES teacher evaluation system, and would write and administer a PDP for Respondent. Toliver advised Respondent that at the end of the 90-day period, he would determine whether Respondent's performance deficiencies had been corrected, and would forward a recommendation to the Superintendent regarding whether Respondent's employment contract should be continued or terminated.

137. Respondent's PDP identified the Standards-Based Planning, Standards-Based Instruction, and Conditions for Learning domains as those in which she was deficient. The PDP also identified specific strategies for improving her instruction and correcting her instructional practice deficiencies for each domain. She was given until May 20, 2020, to correct her instructional practice performance deficiencies.

138. During the implementation of her PDP, Respondent received formal assistance, support, and feedback, the purpose of which was to help improve her instructional practice performance.

139. On March 6, 2020, Respondent received another meeting summary for completing self-observations during classroom instructional time. Williams reminded her that she was required to use classroom instructional time to instruct the students, rather than doing work on her computer.

140. On March 13, 2020, District school sites closed for the rest of the school year, due to the pandemic. By letter dated May 19, 2020, Toliver notified Respondent that her PDP had 58 remaining days, and that it would be resumed when District school sites were reopened.

The 2020-21 School Year

141. Due to the pandemic, District classes were conducted virtually for the first two months of the 2020-21 school year. Thereafter, some students returned in person to school sites, while others continued to receive virtual instruction.

142. For the 2020-21 school year, the relative weights assigned to the teacher performance evaluation components were: student performance, 35%; instructional practice, 50%; and deliberate practice, 15%.

143. During the 2020-21 school year, the District conducted teacher performance evaluations using a modified FTEM Model which had fewer elements on which teacher instructional performance would be evaluated.

144. For the 2020-21 school year, Respondent earned an overall performance evaluation score of 2.436, which constituted a "needs improvement" rating.

145. Respondent's student performance score for the 2020-21 school year was a 2.333, which constituted a "needs improvement" rating. Twenty-three of her 68 math students (34%) achieved their expected assessment scores, placing her in the eighth percentile among 348 middle school math teachers in the District for the 2020-21 school year.

146. Due to the unusual teaching and learning circumstances and environment, Respondent's PDP remained on hold during the 2020-21 school year. This effectively tolled the 90-day probation period.

147. For the 2020-21 school year, the instructional practice score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

148. Respondent earned a score of 2.038 for the instructional practice component of her evaluation, a "needs improvement rating." This was the second-lowest instructional practice score of the 2,786 middle school teachers

in the District, and the lowest of the 348 middle school math teachers in the District, for the 2020-21 school year.

149. Williams evaluated Respondent's instructional practice score in the 2020-21 school year. As previously noted, Williams was trained and credentialed in administering the District's teacher evaluation system.

150. Based on his observations, Williams rated Respondent as "needed" for four data marks, "emergent" for five data marks, "proficient" for three data marks, and "accomplished" for one data mark. He observed the following deficiencies in Respondent's classroom instruction: failure to accurately follow her lesson plans, failure to use data to close the achievement gap, and failure to use clear examples to help students understand the concepts she attempted to teach.

151. Gisela Cobo-Suarez, a professional development specialist and former math teacher, was Respondent's peer reviewer for the 2020-21 school year, and they worked together by virtual platform due to the in-person meeting restrictions in place during the pandemic. Cobo-Suarez testified, credibly, that Respondent missed several scheduled meetings and generally was not receptive to assistance, as evidenced by her failure to attend meetings and respond to Cobo-Suarez's emails regarding instructional assistance. Respondent also declined Cobo-Suarez's offer to assist her by co-teaching some of the lessons.

152. Respondent received a 4.0 deliberate practice score for the 2020-21 school year, which constituted a "highly effective" rating.

153. In addition to her instructional practice deficiencies, Respondent also continued to have issues with attendance and tardiness to work in the 2020-21 school year. Specifically, Respondent was absent from her online classes on September 2, 3, 8, 15, 17, and 18, 2020, and was tardy for classes between August 31 and September 18, 2020.

154. As a result of her absenteeism, tardiness, and failure to provide classroom coverage when she was absent or tardy, on October 12, 2020,

Respondent received a verbal reprimand, which is a form of discipline under the District's corrective action policy.

155. On June 1, 2021, Williams and Toliver met with Respondent to address their concerns about her failure to follow District or school policies, including using instructional time for non-instructional matters, repeated absence and tardiness to meetings, failure to follow the District's on-campus mask requirement, failure to work the required number of hours pursuant to her employment contract, and failure to prevent her students from being disruptive during administration of the Florida standardized assessments.

156. During this meeting, Toliver informed Respondent regarding his expectations for her instructional and non-instructional performance for the 2021-22 school year, and further informed her that her PDP, which had 58 remaining days, would be reactivated in the 2021-22 school year, and that she would have a peer reviewer assigned to assist in improving her performance.

The 2021-22 School Year

157. The District used the regular 23-element FTEM teacher performance evaluation system for the 2021-22 school year.

158. For the 2021-22 school year, the final teacher evaluation score scale was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement"; and between 1.0 and 1.999 constituted "unsatisfactory."

159. Because Respondent was suspended and terminated[5] in February 2022, before the end of the school year, as discussed below, her student performance, deliberate practice, and final teacher performance evaluation scores were not calculated.

[5] Pursuant to sections 1012.33 and 120.57(1), Respondent's suspension and termination were subject to the outcome of this de novo administrative challenge to the School Board's agency action.

160. However, because her instructional practice performance was being evaluated pursuant to her PDP, an instructional practice score was calculated for her.

161. As with previous school years, the instructional practice score scale for the 2021-22 school year was as follows: between 3.4 and 4.0 constituted a "highly effective" rating; between 2.5 and 3.399 constituted "effective"; between 2.0 and 2.499 constituted "needs improvement;" and between 1.0 and 1.999 constituted "unsatisfactory."

162. For the 2021-22 year, Respondent earned an instructional practice score of 2.056, which constituted a "needs improvement" rating.

163. Toliver, Williams, and McWhorter evaluated Respondent's instructional practice for the school year. As found above, all were trained and credentialed in administering the District's teacher evaluation system.

164. On September 27, 2021, Williams conducted an informal evaluation of Respondent's teaching. He observed some of the same performance deficiencies that he previously had observed with respect to Respondent—specifically, that a significant number of the students were not engaged in the lesson, and, instead, were engaged in other activities; and that there was no evidence that Respondent had used data to determine the proficiency level of her students, so that she was unable to teach to their level in order to meet their instructional needs.

165. On September 30, 2021, Toliver notified Respondent that he remained concerned regarding her instructional performance. At that time, her instructional performance score, which had been carried over from the 2020-21 school year, was 2.038, which constituted a "needs improvement" rating.

166. Toliver informed Respondent that even though she had 58 days remaining on the PDP on which she had been placed in the 2019-20 school year, he was restarting her 90-day probationary period, and she would be given a full 90 days, starting on September 30, 2021, in which to meet the

standards and requirements established in a newly-drafted PDP ("2021-22 PDP"). Thus, rather than having only 58 remaining days to improve her instructional practice, she was given a new 90-day period to do so—effectively giving her a net of 32 additional days to improve her instructional practice.

167. Respondent's 2021-22 PDP was very similar to her previous PDP. The domains in which Respondent was identified as deficient were Standards-Based Planning, Standards-Based Instruction, and Conditions for Learning. The strategies identified in the 2021-22 PDP for improvement, corrections, and assistance were updated to reflect that Colson would again serve as her peer reviewer; and that Tawanna Rowe, the math department head, would serve as her instructional coach.

168. Respondent did not agree that she should be placed back on probation and another PDP put in place to monitor her instructional practice; however, she participated in the development of the 2021-22 PDP.

169. Respondent was evaluated several times during the 90-day probationary period.

170. On October 18, 2021, Williams conducted a formal evaluation of Respondent's teaching. Respondent continued to be deficient in the three domains identified in the 2021-22 PDP.

171. With respect to the Standards-Based Planning domain, Williams rated Respondent as "needed" for planning to close the achievement gap, and "emergent" for planning Standards-Based lessons/units. Specific observations included Respondent's failure to align an identified learning target to the grade-level adopted standards, and failure to provide or articulate any data used to close the performance gap and meet the needs of each student.

172. With respect to the Standards-Based Instruction domain, Williams rated Respondent as "emergent" for identifying critical content based on the standards; helping students practice skills, strategies, and processes; and reviewing content. Specific observations included Respondent's failure to identify a learning goal that was aligned to grade-level standards, failure to

use a progression of Standards-Based learning targets to accurately identify and convey critical content during the lesson, failure to effectively engage students in cumulative review of the content, and failure to provide opportunities for students to practice the content being taught.

173. With respect to the Conditions for Learning domain, Williams rated Respondent as "needed" for using formative assessments to track student progress, and establishing and adhering to rules and procedures. She was rated as "emergent" for organizing students to interact with content. Specific observations included Respondent's failure to have a process to facilitate the tracking of student progress on learning targets, lack of organization in establishing student groups for instruction, and failure to post classroom rules and procedures to facilitate learning.

174. On November 17, 2021, Toliver conducted a PDP mid-point meeting with Respondent, Williams, and the District's evaluation coordinator, Vanessa Pelusso. At that point in the implementation of Respondent's 2021-22 PDP, her instructional practice score was 1.959, an "unsatisfactory" rating.

175. Respondent disagreed with the data marks on which her instructional practice score was based. She was reminded of the procedure set forth in the Broward Teachers Union Educational Professionals Contract to challenge observation scores with which she disagreed. Specifically, the teacher may provide evidence that he or she deserves a higher data mark, and if such evidence is persuasive, the administrator is authorized to change the data mark. If the administrator refuses to change the data mark, and the teacher maintains that he or she deserves a higher data mark, the teacher may appeal to the District's Evaluations Department and/or to the BTU. Respondent did not challenge these data marks pursuant to this procedure.

176. Toliver conducted an informal observation of Respondent on December 7, 2021, and met with her on December 16, 2021, to discuss his

continuing concerns regarding her deficient performance in the three domains addressed in her 2021-22 PDP.

177. With respect to the Standards-Based Planning domain, Toliver rated Respondent as "emergent" for planning to close the achievement gap. He noted that during the lesson he observed, Respondent attempted to use data from a quiz ostensibly given to the students, but failed to provide any evidence that such a quiz was actually ever administered, or how the data generated from the quiz was used to meet the needs of individual students, in order to close the achievement gap.

178. With respect to the Standards-Based Instruction domain, Toliver rated Respondent as "needed" for reviewing content and helping students examine their reasoning. He rated her as "emergent" for identifying critical content based on the standards, and using questions to help students elaborate on content. Specific observations included Respondent's failure to review content during the lesson to help the students understand the content being taught, ineffective use of questioning to help students understand or elaborate on the content being taught, failure to identify critical content using a progression of Standards-Based learning targets, and failure to assist students with their logic and reasoning in the lesson being taught.

179. With respect to the Conditions for Learning domain, Toliver rated Respondent as "emergent" for using engagement strategies and establishing and acknowledging adherence to rules and procedures. Specific observations included lack of engagement by the students, lack of clear direction by Respondent to help students complete the activity, and failure to establish classroom rules and procedures in order to facilitate students' cooperative work on the lesson.

180. On January 13, 2022, Toliver met with Respondent to review her progress on her 2021-22 PDP. At that time, her instructional practice score was a 2.036, a "needs improvement" rating. Toliver reviewed the PDP with

Respondent, Williams, Pelusso, and others in attendance, including the BTU field representative. No changes were made to the PDP.

181. At that time, Respondent was informed that if she finished the PDP with a "less than effective"—i.e., an "unsatisfactory" or "needs improvement"—instructional practice rating, the administration may recommend to the Superintendent that she be terminated from her employment. She also would be given the option to resign instead of being terminated.

182. On January 19, 2022, McWhorter conducted a formal observation of Respondent and once again found her deficient in the three domains that were the subject of her 2021-22 PDP.

183. With respect to the Standards-Based Planning domain, McWhorter rated Respondent as "emergent" for planning to close the achievement gap. McWhorter noted that during the lesson she observed, Respondent failed to use data to identify and plan to meet the needs of each student.

184. With respect to the Standards-Based Instruction domain, McWhorter rated Respondent as "emergent" for using questions to help students elaborate on content, reviewing content, and helping students examine their reasoning. Specific observations included Respondent's failure to use increasingly complex questioning to help students examine their reasoning; failure to highlight the cumulative nature of the content being reviewed; and failure to afford the students the opportunity to elaborate on, and demonstrate their understanding of, the content being taught.

185. With respect to the Conditions for Learning domain, McWhorter rated Respondent as "needed" for organizing students to interact with content and using engagement strategies. She rated Respondent as "emergent" for using formative assessments to track progress, establishing and acknowledging adherence to rules and procedures, and communicating high expectations for each student to close the achievement gap. Specific observations included the ineffective use of formative assessments to

facilitate tracking student progress; failure to relate content learned to one or more learning targets; failure to use conversation, help, activity, movement, and participation (so-called "CHAMPS") strategies to engage students in the lesson; failure to redirect students who were off-task; and failure to exhibit high expectations for all students to achieve academic success.

186. As previously noted, Rowe was the math department head at Crystal Lake in the 2021-22 school year. She served as Respondent's instructional coach for that year. Rowe testified, credibly, that Respondent had significant difficulty in managing her classroom, and that her students frequently left the classroom and entered other classrooms, including hers, while they were supposed to be in Respondent's classroom. She also testified, credibly, that she suggested a range of teaching strategies to Respondent, but that Respondent did not implement them.

187. Colson served as Respondent's peer reviewer for the 2021-22 school year. Colson testified, credibly, that Respondent often failed to attend performance assistance meetings that they had scheduled, and that when she (Colson) suggested teaching strategies to Respondent, her response was that she already was implementing those strategies.

C. Termination of Respondent's Employment

188. On February 2, 2022, Toliver met with Respondent and others, including the BTU field representative, to conclude Respondent's 2021-22 PDP.

189. At that time, Respondent was informed that she had earned an instructional practice score of 2.056, which was a "needs improvement" rating. Toliver informed Respondent that he was recommending to the Superintendent that she be terminated from her employment as a teacher.

190. At the final hearing, Toliver testified that he decided to terminate Respondent because she was not meeting the needs of her students and had not done so since the 2016-17 school year. She had been given extensive assistance, but her teaching skills and performance did not improve.

191. Williams, who was her direct supervisor for four years, testified that Respondent was not a successful teacher because she had poor classroom management skills, which deprived her students of the opportunity to learn in her class.

192. On February 14, 2022, the Superintendent was notified regarding Toliver's recommendation that Respondent be terminated from her employment as a teacher.

193. The Superintendent concurred in this recommendation and notified Respondent, by letter dated February 26, 2022, that she would recommend to the School Board that Respondent's employment as a teacher with the District be terminated.

194. The School Board took action on March 15, 2022, to terminate Respondent's employment as a teacher with the District.

D. Respondent's Defense

195. Respondent testified that she was always open to assistance and receptive to new ideas and strategies, and that she did employ the instructional strategies that were suggested by her instructional coaches and peer reviewers.

196. She contended that the data marks she received in the observations conducted in the 2016-17 through 2021-22 school years did not accurately reflect her instructional practice proficiency.

197. She also contended that, notwithstanding her efforts to improve her instructional performance, the administrators in charge of evaluating her had preconceived notions about her ability to teach and improve, so that the outcome of her 90-day probation and final instructional practice score for her 2021-22 PDP had already been determined.

198. The competent, substantial, and persuasive evidence does not support Respondent's contentions that her evaluation scores were not accurate, or that the Crystal Lake administrators did not fairly evaluate her instructional practice because they wanted to terminate her.

199. To the contrary, the instructional practice data marks and corresponding written observations regarding Respondent's instructional practice, earned over the nearly six-year period of evaluations at issue in this proceeding, were made by different administrators, and were remarkably consistent from school year to school year.

200. Additionally, had Crystal Lake administrators already determined that they wanted to terminate her employment, they could have placed her on 90-day probation and a PDP at or near the beginning of the 2020-21 school year, immediately after she had earned three consecutive years of "needs improvement" ratings for the 2016-17, 2017-18, and 2018-19 school years. However, they did not do so, and, instead, gave her an additional few months—with additional observations—before determining that her instructional practice was not improving, despite ongoing assistance from instructional coaches, peer reviewers, and the administrators themselves.

201. Further, in the 2021-22 school year, Toliver could simply have resumed Respondent's PDP from the 2019-20 school year, which would have given her only 58 remaining days in which to improve her instructional practice performance. However, to give Respondent additional opportunity to improve, Toliver restarted the 90-day probationary period and prepared a new PDP for her—which, as discussed above, effectively gave her a new set of observations, with corresponding data marks, toward her instructional practice score, and an additional 32 days in which to improve her instructional practice skills.

202. For these reasons, Respondent's contentions are not persuasive.

IV. Findings of Ultimate Fact

203. Whether an offense constitutes a violation of applicable statutes, rules, and policies is a question of ultimate fact to be determined by the trier of fact in the context of each violation. *McKinney v. Castor*, 667 So. 2d 387, 389 (Fla. 1st DCA 1995)(whether particular conduct violates a statute, rule, or policy is a factual question); *Langston v. Jamerson*, 653 So. 2d 489, 491

(Fla. 1st DCA 1995)(whether the conduct, as found, constitutes a violation of statutes, rules, or policies is a question of ultimate fact); *Holmes v. Turlington*, 480 So. 2d 150, 153 (Fla. 1st DCA 1985)(whether there was a deviation from a standard of conduct is not a conclusion of law, but is instead an ultimate fact).

204. Here, the competent, substantial, and persuasive evidence establishes that, pursuant to the District's instructional employee evaluation system—which was developed and adopted pursuant to section 1012.34 and Florida Administrative Code Rule 6A-5.030—Respondent earned three consecutive annual performance evaluation ratings of "needs improvement." As specifically found above, Respondent earned annual performance evaluation ratings of "needs improvement" in the 2016-17, 2017-18, and 2018-19 school years; an "unsatisfactory" instructional performance rating in the 2019-20 school year; a "needs improvement" rating for the 2020-21 school year; and a "needs improvement" instructional practice rating for the 2021-22 school year. These ratings constitute a basis, under section 1012.33(1)(a), to terminate Respondent's employment.

205. Additionally, the competent substantial evidence establishes that Respondent engaged in conduct that violated rule 6A-5.056, which defines and describes conduct that constitutes just cause for termination of employment.

206. Specifically, Respondent engaged in conduct that constitutes misconduct in office, pursuant to rule 6A-5.056(2).

207. Respondent violated the Principals of Professional Conduct for the Education Profession in Florida, codified at Florida Administrative Code rule 6A-10.081, by failing to adequately and effectively manage her classroom. As such, she failed to make a reasonable effort to protect her students from conditions harmful to their physical and mental health and/or safety, in violation of rules 6A-10.081(2)(a)1. and 6A-5.056(2)(b).

208. Additionally, in making a derogatory personal remark to a female student who had asked for permission to go to the restroom, she exposed that student to unnecessary embarrassment, in violation of rules 6A-10.081(2)(a)5. and 6A-5.056(2)(b).

209. By failing to adequately manage her classroom and her students' behavior, Respondent engaged in conduct that resulted in classroom conditions that disrupted her students' learning environment, in violation of rule 6A-5.056(2)(d).

210. By failing to adequately plan and effectively present instruction to her students, Respondent engaged in behavior that reduced her ability to effectively perform her teaching duties, in violation of rule 6A-5.056(2)(e).

211. Additionally, due to Respondent's failure to adequately manage her classroom, her students frequently were noisy and disruptive to other classes. As such, Respondent's conduct reduced the ability of her colleagues to effectively perform their teaching duties, in violation of rule 6A-5.056(2)(e).

212. Respondent also failed to effectively discharge her teaching duties, in violation of rule 6A-5.056(3). Additionally, she often failed to appropriately communicate with her students' parents, in violation of rule 6A-5.056(3)(a)1. and 3.

213. Additionally, due to her inadequate classroom management skills, her classroom was disorganized to such an extent that the welfare of her students was diminished, in violation of rule 6A-5.056(3)(a)4.

214. Respondent also was frequently, and excessively, absent from, or tardy to, school, in violation of rule 6A-5.056(3)(a)5.

215. Respondent's conduct in failing to adequately and timely plan, and prepare lesson plans, for effective delivery of instruction to her students constituted an intentional failure to carry out her required duties, in violation of rule 6A-5.056(5).

216. As a result of having violated rules 6A-5.056 and 6A-10.081, Respondent also violated School Board Policy 4008, which requires

instructional personnel to comply with the Principles of Professional Conduct of the Education Profession in Florida and conform to all rules prescribed by the State Board of Education.

CONCLUSIONS OF LAW

I. Jurisdiction, Burden of Proof, and Standard of Proof

217. DOAH has jurisdiction over the parties to, and subject matter of, this proceeding, pursuant to sections 120.569 and 120.57(1).

218. Because Petitioner seeks to take penal action against Respondent by terminating her employment, it bears the ultimate burden of proof to establish that Respondent committed the conduct alleged in the Administrative Complaint; that the alleged conduct violates the statutes, rules, and policies cited in the Administrative Complaint; and that the violation of these statutes, rules, and policies constitutes just cause to suspend Respondent and terminate her employment with the District. *Dileo v. Sch. Bd. of Dade Cnty.*, 569 So. 2d 883 (Fla. 3d DCA 1990). *See Balino v. Dep't of HRS*, 348 So. 2d 349, 350 (Fla. 1st DCA 1977)(unless provided otherwise by statute, the burden of proof is on the party asserting the affirmative of the issue).

219. The standard of proof applicable to this proceeding is the preponderance, or greater weight, of the evidence. *McNeill v. Pinellas Cnty. Sch. Bd.*, 678 So. 2d 476, 477 (Fla. 2d DCA 1996); *Dileo*, 569 So. 2d at 884.

II. Applicable Statutes, Rules, and School Board Policies

220. Section 1012.33 states, in pertinent part:

> (1)(a) Each person employed as a member of the instructional staff in any district school system shall be properly certified pursuant to s. 1012.56 or s. 1012.57 or employed pursuant to s. 1012.39 and shall be entitled to and shall receive a written contract as specified in this section. All such contracts, except continuing contracts as specified in subsection (4), shall contain provisions for

> dismissal during the term of the contract only for just cause. Just cause includes, but is not limited to, the following instances, as defined by rule of the State Board of Education: immorality, misconduct in office, incompetency, two consecutive annual performance evaluation ratings of unsatisfactory under s. 1012.34, two annual performance evaluation ratings of unsatisfactory within a 3-year period under s. 1012.34, three consecutive annual performance evaluation ratings of needs improvement or a combination of needs improvement and unsatisfactory under s. 1012.34, gross insubordination, willful neglect of duty, or being convicted or found guilty of, or entering a plea of guilty to, regardless of adjudication of guilt, any crime involving moral turpitude.

221. Section 1012.34[6] requires school districts to establish instructional personnel evaluation systems, and identifies the specific matters, including

[6] In the time period from 2016 to 2021, section 1012.34 was amended once, in 2017; however, that amendment did not affect the provisions of that statute pertinent to this proceeding. Accordingly, the 2021 version of the statute is cited as the applicable version in this case.

procedures and performance evaluation criteria, which must be addressed by those evaluation systems.

222. Section 1012.34(4) sets forth the procedure regarding placing an instructional employee on a 90-day performance probation and providing assistance to the employee to help them correct their performance deficiencies within the probationary period. That statute also sets forth the process for terminating an employee who fails to correct performance deficiencies within the probationary period.

223. Section 1012.53 states:

> (1) The primary duty of instructional personnel is to work diligently and faithfully to help students meet or exceed annual learning goals, to meet state and local achievement requirements, and to master the skills required to graduate from high school prepared for postsecondary education and work. This duty applies to instructional personnel whether they teach or function in a support role.
>
> (2) Members of the instructional staff of the public schools shall perform duties prescribed by rules of the district school board. The rules shall include, but are not limited to, rules relating to a teacher's duty to help students master challenging standards and meet all state and local requirements for achievement; teaching efficiently and faithfully, using prescribed materials and methods, including technology-based instruction; recordkeeping; and fulfilling the terms of any contract, unless released from the contract by the district school board.

224. Pursuant to section 1012.34(8), the State Board of Education has adopted rules, codified at rule 6A-5.030, to implement the instructional personnel evaluation system requirements identified in section 1012.34. Among other things, this rule chapter establishes the specific evaluation system requirements, criteria, and procedures. Pursuant to section 1012.34 and rule 6A-5.030, the District adopted an instructional personnel evaluation system, and it was applied to evaluate Respondent's teaching performance.

225. Additionally, the State Board of Education has adopted rule 6A-5.056, defining conduct that affords just cause for dismissal from employment. The rule states, in pertinent part:

> "Just cause" means cause that is legally sufficient. Each of the charges upon which just cause for a dismissal action against specified school personnel may be pursued are set forth in Sections 1012.33 and 1012.335, F.S. In fulfillment of these laws, the basis for each such charge is hereby defined:

>
> (2) "Misconduct in Office" means one or more of the following:
>
> (a) A violation of the Code of Ethics of the Education Profession in Florida as adopted in Rule 6A-10.080, F.A.C.;[7]
>
> (b) A violation of the Principles of Professional Conduct for the Education Profession in Florida as adopted in Rule 6A-10.081, F.A.C.;
>
> (c) A violation of the adopted school board rules;
>
> (d) Behavior that disrupts the student's learning environment; or
>
> (e) Behavior that reduces the teacher's ability or his or her colleagues' ability to effectively perform duties.
>
> (3) "Incompetency" means the inability, failure or lack of fitness to discharge the required duty as a result of inefficiency or incapacity.
>
> (a) "Inefficiency" means one or more of the following:
>
> 1. Failure to perform duties prescribed by law;

[7] In 2016, this rule was repealed, and its provisions were transferred to rule 6A-10.081.

2. Failure to communicate appropriately with and relate to students;

3. Failure to communicate appropriately with and relate to colleagues, administrators, subordinates, or parents;

4. Disorganization of his or her classroom to such an extent that the health, safety or welfare of the students is diminished; or

5. Excessive absences or tardiness.

* * *

(5) "Willful neglect of duty" means intentional or reckless failure to carry out required duties.

226. Rule 6A-10.081, the Principles of Professional Conduct for the Education Profession in Florida, states, in pertinent part:

(2) Florida educators shall comply with the following disciplinary principles. Violation of any of these principles shall subject the individual to revocation or suspension of the individual educator's certificate, or the other penalties as provided by law.

(a) Obligation to the student requires that the individual:

1. Shall make reasonable effort to protect the student from conditions harmful to learning and/or to the student's mental and/or physical health and/or safety.

227. School Board Policy 4008, in pertinent part, states the following:

B. DUTIES OF INSTRUCTIONAL PERSONNEL

The members of instructional staff shall perform the following functions:

> 1. Comply with the Code of Ethics and the Principles of Professional Conduct of the Education Profession in Florida.
>
> * * *
>
> 8. Conform to all rules and regulations that may be prescribed by the State Board and by the School Board.

III. Conclusions Regarding Just Cause

228. Based on the foregoing Findings of Fact, including the Findings of Ultimate Fact, and pursuant to the applicable statutes and rules set forth above, it is concluded that just cause exists, pursuant to section 1012.33(1) and (3) and rule 6A-5.065(2), (3), and (5) to terminate Respondent's employment as a teacher with the District.

RECOMMENDATION

Based on the foregoing Findings of Fact and Conclusions of Law, it is RECOMMENDED that the Broward County School Board enter a final order terminating Respondent's employment as a teacher.

SUBJECT: **ADDITIONAL INFORMATION FOR C-2, PROPOSED 2024-2025 SCHOOL/PERSONNEL CALENDAR, FOR THE JANUARY 23, 2024, REGULAR SCHOOL BOARD MEETING**

Attached is additional information regarding C-2, Proposed 2024-2025 School/Personnel Calendar for the January 23, 2024, Regular School Board Meeting.

At the Tuesday, December 12, 2023, School Board Meeting, the Board discussed the 2024-2025 Proposed School Calendar and approved the following two (2) motions:

1. Motion was made to repurpose the Early Release Days to full instructional days.
2. Motion was made to return to the Calendar Committee with the Board's recommendation to have teachers start school on August 5, 2024, students starting school on August 12, 2024, and the first semester ending before the winter break.

Subsequently, staff diligently took the necessary measures to align with the motions and is now seeking approval from the School Board for the 2024-2025 Proposed School Calendar.

Following Board Approval of the 2024-2025 School/Personnel Calendar, staff, in conjunction with the Superintendent's Calendar Committee, will develop the corresponding 2024-2025 Personnel Calendars and Summer Term Calendars 2024-2025 for Community Schools and Technical Colleges. It is anticipated these calendars will be presented for Board Approval no later than March 2024.

EXECUTIVE SUMMARY

Proposed 2024-2025 School/Personnel Calendar

Board Meeting Date: January 23, 2024

Requested Action

Approve the School Board of Broward County, Florida Proposed 2024-2025 School/Personnel Calendar.

Impact if the Board Voted Yes or No

If the Board votes "Yes": The 2024-2025 Proposed School/Personnel Calendar will be approved, and staff will develop the 2024-2025 Personnel Calendars.

If the Board votes "No": The 2024-2025 Proposed School/Personnel Calendar will not be approved, and staff will not be able to initiate the development of the 2024-2025 Personnel Calendars to meet the March deadline date per School Board Policy 6001.

Background/History

At the Tuesday, December 12, 2023, School Board Meeting, the Board discussed the 2024-2025 Proposed School Calendar and approved the following two (2) motions:

1. Motion was made to repurpose the Early Release Days to full instructional days.
2. Motion was made to return to the Calendar Committee with the Board's recommendation to have teachers start school on August 5, 2024, students starting school on August 12, 2024, and the first semester ending before the winter break.

Subsequently, the District's Chief Negotiator met with the President of the Broward Teachers Union (BTU). While the BTU President did not support the removal of the Early Release Days for the 2024-2025 Calendar Development Cycle, the BTU President is open to this change being negotiated during the 2025-2026 Calendar Development Cycle, which begins in April 2024.

Additionally, the Calendar Committee Chair met with the Superintendent's Calendar Committee. The committee was not opposed to the recommendations made by the School Board. However, much of the discussion spoke to honoring the stakeholder feedback received during the calendar development cycle, which was presented at the December 12, 2023, School Board Meeting. Overall, the committee supports

consideration for removal of the Early Release Days, an earlier school start, and ending the first semester prior to the winter break with the 2025-2026 School Calendar.

Staff did prepare a calendar with the School Board's recommendation to have teachers start on August 5, 2024, and students starting school on August 12, 2024. However, since the Early Release Days cannot be removed due to specific language in the current collective bargaining agreement with the BTU, the recommendation to end the first semester prior to winter break is not possible. **(Exhibit A)**

Delineated below is background information previously provided regarding the initial proposed calendar option.

At the Tuesday, November 28, 2023, School Board Workshop, staff outlined the Calendar Development Process and presented two (2) 2024-2025 Proposed School/Personnel Calendar options. As a result of the information presented, inclusive of feedback from various stakeholder groups through the Superintendent's Calendar Committee, survey data results from ***41,152 responses***, and feedback from School Board members, Option #2 - (Monday School Start) was presented for approval at the Tuesday, December 12, 2023, School Board Meeting.

Illustrated below are the survey results that demonstrate majority support of ***Proposed Calendar Option #2 – Monday School Start***:

Group	Option #1 Count	Option #1 Percent	Option #2 Count	Option #2 Percent	Total
Community Member	202	46%	239	54%	441
District Staff	414	40%	610	60%	1024
Parent	12370	41%	17655	59%	30025
Principal/Assistant Principal	166	52%	156	48%	322
School Based Staff	862	42%	1187	58%	2049
Student	898	55%	722	45%	1620
Teacher	2782	49%	2889	51%	5671
Grand Total	**17694**	**43%**	**23458**	**57%**	**41152**

Key Highlights of Calendar Option #2 – Monday School Start includes:

- School Starts on Monday, August 19, 2024.
- A Balanced Semester Breakdown: 89 School Days/91 School Days.
- Thanksgiving Break; Monday, November 25, 2024, through Friday, November 29, 2024.
    - Students/Teachers return on Monday, December 2, 2024.
- "A Day of Service and Love": Friday, February 14, 2025.
- Spring Break: Monday, March 24, 2025 – Friday, March 28, 2025.
    - Students return on Tuesday, April 1, 2025.

Following Board approval of the 2024-2025 School/Personnel Calendar, staff, in conjunction with the Superintendent's Calendar Committee, will develop the corresponding 2024-2025 Personnel Calendars and Summer Term Calendars 2024-2025 for Community Schools and Technical Colleges. It is anticipated these calendars will be presented for Board approval no later than March 2024.

Alignment to 2027 Goals and Guardrails

Goal 1- Early Literacy Proficiency Goal, Goal 2 – Algebra Proficiency, Goal 3 – Science Proficiency, and Goal 4 – College & Career Readiness/Acceleration

Measurable Outcome(s)/Return on Investment

The proposed school calendar ensures 100% that the District will satisfy the bona fide instructional time requirements, pursuant to Section 1003.436(1), Florida State Statue.

Financial Impact

There is no additional financial impact to the District.

2024-2025 Proposed School Calendar Options

Presented by:
David Azzarito, Chief People Officer
Eric M. Chisem, Director, Talent Acquisition & Operations (Non-Instructional)

Established 1915
BROWARD
County Public Schools

Introduction

Policy No. 6001

SCHOOL CALENDAR

"The Superintendent and/or his/her designated representatives shall prepare a tentative School Calendar which shall be submitted to the Board for adoption any time prior to the regular March Meeting."

Purpose

Annually, staff presents Proposed School Calendar Options to the School Board for consideration of one (1) school calendar. The school calendar will be Board approved in December. Subsequently, the Board will approve all Employee Work Calendars in March of the following year.

2022-2027 STRATEGIC PLAN Goal

1. Early Literacy Proficiency Goal
2. Algebra Proficiency
3. Science Proficiency
4. College & Career Readiness/Acceleration

Guardrail

2: Equity

4: Accountability

Request of School Board

Review the two (2) Proposed Calendar Options for the 2024 – 2025 School Year and recommend the Superintendent seek Board approval for one (1) School Calendar option in December.

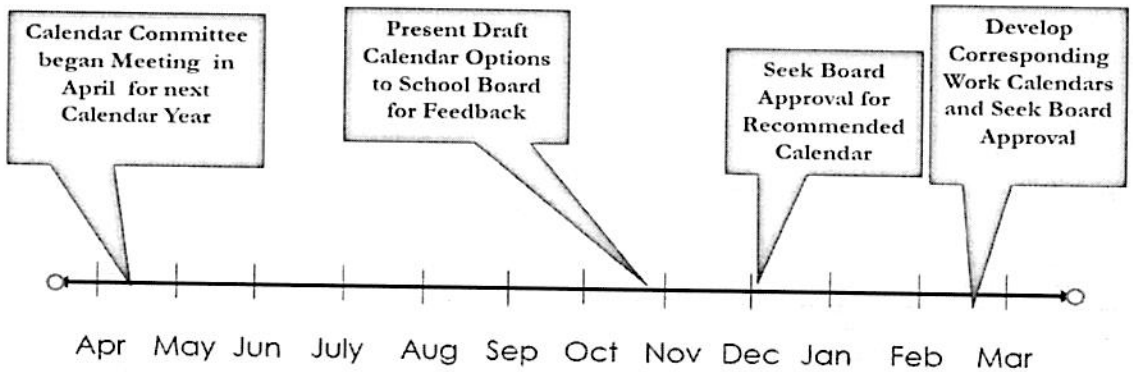
Financial Impact: There is no financial impact for policy development, adoption or review.

Superintendent's Calendar Committee

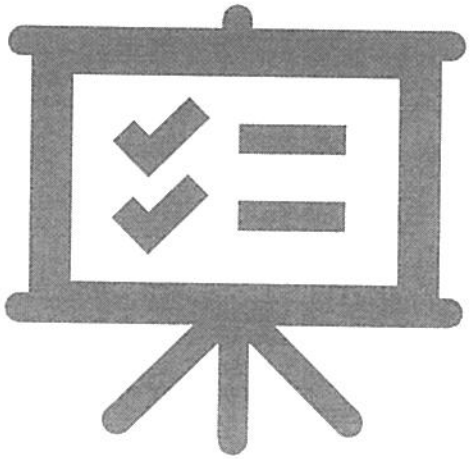
The Superintendent's Calendar Committee is appointed by the Superintendent. The Superintendent's Calendar Committee is responsible for the annual development of school calendars. Proposed school calendar options are developed as a result of input from various stakeholder groups, including, but not limited to, advisory councils (district, area, student), teacher/employee unions, employee program staff, human relations & diversity groups, etc. These groups are included to secure additional feedback from all other stakeholders. The school calendar must meet legislative and contractual requirements, such as Florida State Laws and Rules, providing required days/hours of instruction, and meeting the requirements of employee collective bargaining agreements.

Annually, the school calendar development process begins in April, where the calendar committee meets to discuss calendar options for the following school year. During this time, the committee members are informed of the process, share information with their respective stakeholder groups, and receive feedback to share during the development process meetings. Traditionally, calendar options are presented to School Board Members for discussion in October/November, and subsequently, a recommended calendar option is submitted to the school board in December. Once the school calendar option is approved by the School Board in December, the calendar committee reconvenes to develop the remaining employee work group calendars.

Calendar Development Timeline



State Laws and Rules



- **Section 1011.60(2), F.S.** requires that schools operate for 180 actual teaching days or the equivalent on an hourly basis in order to participate in the Florida Education Finance Program.

- **1001.42 Powers and Duties of District School Board** 3(f) Opening and closing of schools; fixing uniform date. Adopt policies for the opening and closing of schools and fix uniform dates; however, the opening date for schools in district may not be earlier than August 10 of each year.

- **Rule 6A-1.045111, Florida Administrative Code (F.A.C.),** specifies that hourly equivalent as not less than 720 net instructional hours for kindergarten through grade 3 and not less than 900 hours for grades 4 through 12.

Legal Opinion – "as a day off"

SUBJECT: **Memorandum on Religious Holidays**
W-102219-1

The opinion set forth below was previously provided to The School Board on November 5, 2019. This Office has been requested to provide an updated communication regarding this topic. The text that is no longer relevant is shown by strike-through below.

The School Board Members made inquiry at a ~~recent~~ Workshop regarding criteria for determining the dates a school district can take as holidays or "days off". There are no Florida laws that prescribe the exact dates a school District should have as days off. The existing statutes provide some parameters, for example district school boards may authorize a maximum of six paid legal holidays which shall apply to the total annual number of required days of service adopted by the board. There must be a term of 180 actual teaching days each school year. *F.S. Sec. 1011.60(2)* (Ed.) Other laws exist which designate certain days as official Federal and State holidays, however, they serve as guidelines and do not have to be followed by district school boards.

As it relates to Federal Laws, the starting point for deciding if and when public schools should close on a religious holiday is the First Amendment. Under the Establishment clause, schools may not close for religious reasons or to accommodate the religious requirements of any faith. A school district may add a religious holiday as a day off if there is a legitimate secular purpose consistent with the business operation of the school district. For purposes of the Broward County Public Schools, Policy 6001, the ratification of the Superintendent's School Calendar Committee offers a secular approach to the recommendation of days off which may include days that coincide with religious holidays. The Committee is representative, through its membership, of the requests of the majority of stake holders in the District. ~~The recommendation for the 2020-2021 school year is for Calendar 2A. This recommendation, if approved by the Board, provides the district with a neutral approach to the selection of days off.~~

If you have any questions or need clarification, please do not hesitate to contact this office.

EXECUTIVE SUMMARY
Recommendation to Approve
Motorola Radio Loaner Agreement

Board Meeting Date: January 23, 2024

Requested Action
Approve the Motorola Radio Loaner Agreement between Gregory Tony, as Sheriff of Broward County, Florida ("BSO") and The School Board of Broward County, Florida ("SBBC") District-Wide that commences upon the date of SBBC's signature of the Agreement and expires on September 30, 2024, with the option to extend the Agreement term for four (4) additional one (1) year periods.

What would the impact be if the Board voted "yes" or "no"?
If Yes: Allows the Special Investigative Unit to utilize up to thirty (30) public safety portable radios and associated equipment, on loan from BSO, to transmit and receive criminal justice information and maintain continuous communication with the County Regional Communications Center. This Agreement would also temporarily relieve the need of access and use of up to thirty (30) District radios.
If No: The Special Investigative Unit will lose immediate access to critical public safety communications.

Background/History
The Motorola Radio Loaner Agreement allows SBBC to utilize public safety radios to transmit and receive criminal justice information and maintain continuous communication with the County Regional Communications Center. This Agreement would temporarily relieve the need of access and use of up to thirty (30) District radios. Funding for the radios is not readily available and the need is immediate.

Alignment to 2027 Goals and Guardrails
This item aligns with Guardrail 1: Safety. The Superintendent may not allow a breach of safety policies and procedures that result in an increase in threatening or unsafe circumstances for students and staff.

Measurable Outcome(s)/Return on Investment
Continued operational functions within the Special Investigative Unit.

Financial Impact
There is no financial impact.

MOTOROLA RADIO LOANER AGREEMENT

THIS AGREEMENT is made and entered into by and between Gregory Tony, as Sheriff of Broward County, Florida, a constitutional officer whose principal place of business is 2601 West Broward Boulevard, Fort Lauderdale, Florida 33311 ("BSO" or "SHERIFF"), and The School Board of Broward County, Florida, a body corporate and political subdivision of the State of Florida whose principal place of business is 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301 ("SBBC").

WHEREAS, the SBBC is in temporary need of immediate access and use of up to thirty (30) Motorola APX6000 AN portable radios for use by SBBC's Law Enforcement Unit (SBBC Police) and the school guardians pursuant to Florida Statutes that they employ and manage; and

WHEREAS, the BSO is willing to loan said equipment to SBBC conditioned upon the terms and conditions recited herein in this Agreement; and

NOW THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Recitals.** The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

2. **Term.** The term of this Agreement commences upon the date of the last signature below ("Effective Date") through September 30, 2024. This Agreement may be extended for four (4) additional one (1) year terms through written Amendment of this Agreement that is approved by both parties.

3. **BSO Responsibilities.**

(a) Loan of Motorola Radios. The BSO will loan SBBC, for SBBC's own use, up to thirty (30) Motorola APX6000 AN portable radios and associated equipment (battery chargers, batteries, earpieces, belt caring cases, etc.) herein referred to collectively as "Motorola Radios" and itemized on **Exhibit A** attached hereto. Said **Exhibit A** may be updated by and between the parties at any time by way of a written amendment to this Agreement that is approved by both parties.

(b) Programing of Motorola Radios. The programing and reprograming of each Motorola Radio shall be completed by BSO.

4. **SBBC Responsibilities.**

(a) SBBC will comply with all applicable federal Bureau of Investigation (FBI) Criminal Justice Information Security Policies (CJIS) when operating said Motorola Radios and transmitting or receiving any Criminal Justice Information (CJI), as defined by the FBI, over said Motorola Radios.

(b) SBBC will maintain the Motorola Radios and store them in a secure location when not in use. SBBC will replace Motorola Radios that it damages or loses at SBBC's own expense and report such loss or damage to BSO within two (2) business days of such loss or damage. The risk of loss and/or damage to the Motorola Radios during the shipment, delivery, acceptance, use and return of the Motorola Radios is exclusively burdened by the SBBC, unless the Motorola Radios have a defect. If the Motorola Radios are defective, then SBBC will notify BSO of the defect within a reasonable period of time after discovery of the defect; and BSO will replace the defective Motorola Radio(s) with non-defective Motorola Radio(s). BSO may inspect the Motorola Radios at any time upon a three (3) day advance notice to SBBC, and SBBC shall make said Motorola Radios available for inspection to BSO at BSO's designated location.

5. **Point of Contact.**

(a) BSO's point of contact for all matters pertaining to the Motorola Radios during office hours and after hours are: IT Supervisor John Bukata (954) 358-7060 John_BukataJr@sheriff.org & Secondary/Backup– Captain Jeremy Hansen (954) 650-3617 Jeremy_Hansen@sheriff.org or their successors.

(b) SBBC's point of contact for all matters pertaining to the Motorola Radios during office hours and after hours are: Primary contact: Lieutenant Caridad Vesco (954) 931-0681, caridad.vesco@browardschools.com or successor. Back up Lieutenant: Kevin Nosowicz (954) 931-5286, kevin.nosowicz@browardschools.com or successor.

6. **No Cost.** There shall be no charges, fees, compensation or monetary cost charged by BSO to SBBC for SBBC to receive and use the Motorola Radios.

7. **No Warranty.** EXCEPT AS EXPRESSLY STATED HEREIN, IN THIS AGREEMENT, SHERIFF DISCLAIMS AND EXCLUDES FROM THIS AGREEMENT ALL WARRANTIES, INCLUDING, BUT NOT LIMITED TO, STATUTORY WARRANTIES, EXPRESS WARRANTIES, AND ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AS TO THE MOTOROLA RADIOS. SHERIFF EXPRESSLY DISCLAIMS ANY OBLIGATION OR LIABILITY FOR ANY INJURIES, BODILY HARM, OR DAMAGES OF ANY TYPE, INCLUDING, BUT NOT LIMITED TO, ALL INCIDENTAL OR CONSEQUENTIAL DAMAGES, ALL LOSS, DAMAGE OR EXPENSE ARISING OUT OF, OR IN CONNECTION WITH, THIS AGREEMENT OR SBBC USE OF THE MOTOROLA RADIOS AND/OR THE MOTOROLA RADIO'S PERFORMANCE, OR NON-PERFORMANCE AND DAMAGES FROM ANY OTHER CAUSE RELATED TO SBBC's USE OF THE MOTOROLA RADIOS. SHERIFF DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND/OR IMPLIED WARRANTY OF MERCHANTABILITY WITH RESPECT TO THE MOTOROLA RADIOS. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

8. **Limitation of Liability.**

(a) BSO. WITHOUT LIMITATION OF THE PREVIOUS SECTION, EXCEPT FOR DAMAGES ARISING OUT OF LIABILITY WHICH CANNOT BE LAWFULLY EXCLUDED OR LIMITED, THE TOTAL LIABILITY OF SHERIFF FOR ANY AND ALL CLAIMS AGAINST SHERIFF FILED BY SBBC ANY OTHER PARTY OR END USER OF THE MOTOROLA RADIOS UNDER THIS AGREEMENT SHALL NOT EXCEED ONE HUNDERED DOLLARS ($100.00). THE FOREGOING LIMITATION OF LIABILITY IS CUMULATIVE WITH ALL PAYMENTS FOR CLAIMS OR DAMAGES IN CONNECTION WITH THIS AGREEMENT. THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE LIMIT. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS LIMITATION OF LIABILITY IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES AND SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. EACH PARTY ACKNOWLEDGES THAT THIS LIMITATION OF LIABILITY REFLECTS AN INFORMED, VOLUNTARY ALLOCATION BETWEEN THE PARTIES OF THE RISKS (KNOWN AND UNKNOWN) THAT MAY EXIST IN CONNECTION WITH THIS AGREEMENT AND HAS BEEN TAKEN INTO ACCOUNT AND REFLECTED IN DETERMINING THE CONSIDERATION TO BE GIVEN BY EACH PARTY UNDER THIS AGREEMENT AND IN THE DECISION BY EACH PARTY TO ENTER INTO THIS AGREEMENT. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(b) SBBC. WITH THE EXCEPTION OF SBBC's RESPONSIBILITIES TO REPLACE OR REPAIR THE MOTOROLA RADIOS PER SECTION 4(B) OF THIS AGREEMENT AND NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, EXCEPT FOR DAMAGES ARISING OUT OF LIABILITY WHICH CANNOT BE LAWFULLY EXCLUDED OR LIMITED, THE TOTAL LIABILITY OF SBBC FOR ANY AND ALL CLAIMS AGAINST SBBC FILED BY SHERIFF UNDER THIS AGREEMENT SHALL NOT EXCEED ONE HUNDERED DOLLARS ($100.00). THE FOREGOING LIMITATION OF LIABILITY IS CUMULATIVE WITH ALL PAYMENTS FOR CLAIMS OR DAMAGES IN CONNECTION WITH THIS AGREEMENT. THE EXISTENCE OF ONE OR MORE CLAIMS WILL NOT ENLARGE THE LIMIT. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS LIMITATION OF LIABILITY IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES AND SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. EACH PARTY ACKNOWLEDGES THAT THIS LIMITATION OF LIABILITY REFLECTS AN INFORMED, VOLUNTARY ALLOCATION BETWEEN THE PARTIES OF THE RISKS (KNOWN AND UNKNOWN) THAT MAY EXIST IN CONNECTION WITH THIS AGREEMENT AND HAS BEEN TAKEN INTO

ACCOUNT AND REFLECTED IN DETERMINING THE CONSIDERATION TO BE GIVEN BY EACH PARTY UNDER THIS AGREEMENT AND IN THE DECISION BY EACH PARTY TO ENTER INTO THIS AGREEMENT. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

9. **Termination.** Either party may terminate this Agreement, with or without cause, upon thirty (30) calendar days written notice, except that either BSO or SBBC may terminate this Agreement immediately and without notice upon finding that the other party has violated the term(s) of this Agreement.

10. **Notice.** When either party desires to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Chief, Special Investigative Unit The School Board of Broward County, Florida 7720 W. Oakland Park Boulevard Sunrise, Florida 33351
To BSO:	Colonel Andrew Dunbar, Executive Director Department of Human Resources/Communications & Technology 2601 West Broward Boulevard Fort Lauderdale, Florida 33311
With a Copy to:	Terrence O. Lynch, General Counsel Broward County Sheriff's Office Office of the General Counsel 2601 West Broward Boulevard Fort Lauderdale, Florida 33312

11. **E-Verify.** Pursuant to Section 448.095, Florida Statutes, both Parties shall register with and use the E-Verify system to verify the work authorization for their employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If either party has a good faith belief that the other party or the other party's subcontractors has/have knowingly violated Section 448.09(1), Florida Statutes, then that nonbreaching party may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by a party pursuant to this section is not a breach of this Agreement and may not be considered as such.

12. **Equal Opportunity Provision.** The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

13. **Public Records.** Both parties are required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions that either party would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to the other party, all public records in that party's possession upon termination of its Agreement and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to the other party in a format that is compatible with that party's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party is responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

14. **Indemnification.** Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

15. **Annual Appropriation.** Both parties' performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its respective governing body. If a party does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by that party at the end of the period for which funds have been allocated. That party shall notify the other party at the earliest possible time before such termination. No penalty accrues to a party if this provision is exercised, and neither party is obligated or liable for any future payments due or any damages as a result of termination under this section.

16. **No Waiver of Sovereign Immunity.** Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

17. **No Third-Party Beneficiaries.** The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third-parties in any matter arising out of any Agreement.

18. **Independent Contractor.** The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so.

19. **Default.** The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience.

20. **Compliance with Laws.** Each party shall comply with all applicable federal, state and local laws, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

21. **Place of Performance.** All of the Parties' obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

22. **Governing Law and Venue.** This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement. BY ENTERING INTO THIS AGREEMENT, BOTH PARTIES WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO, OR ARISING OUT OF THIS AGREEMENT AND/OR THE SERVICES PERFORMED UNDER THIS AGREEMENT.

23. **Entirety of Agreement.** This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

24. **Binding Effect.** This Agreement is binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

25. **Assignment.** Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to use the Motorola Radios to anyone other than SBBC Police, safe school officers, and school guardians employed by SBBC.

26. **Captions.** The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

27. **Severability.** If any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included.

28. **Preparation of Agreement.** The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

29. **Amendments.** No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto or as described under this Agreement.

30. **Waiver.** The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not deemed a continuing or future waiver.

31. **Force Majeure.** Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

32. **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

33. **Survival.** All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

34. **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement. Such delegation includes amending this Agreement in the form of a written Amendment solely to amend to **Exhibit A** of this Agreement as needed for SBBC to return Motorola Radios listed on **Exhibit A** to BSO and for BSO to add Motorola Radios to those listed **Exhibit A** that are loaned to SBBC.

35. **Counterparts and Multiple Originals.** The parties agree that this agreement may be executed in several counterparts, each of which is an original and all of which shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties; it being understood that all parties need not sign the same counterparts. Facsimile and electronic mail copies in "portable document format" (".pdf") form or digital e-signatures are acceptable and shall constitute effective execution and delivery of this agreement as to the parties and may be used in lieu of the original agreement for all purposes. Signatures of the parties transmitted by facsimile, e-mail or digital format shall be deemed to be their original signatures for all purposes.

36. **Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

37. **Incorporation by Reference.** **Exhibit A** attached hereto and referenced herein are incorporated into this Agreement by reference.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

SCHEDULE OF EXPLANATION FOR COMBINED BALANCE SHEET
For the Four Months Ended October 31, 2023

ASSETS

(A) Cash, cash equivalents, and investments decreased by $278.3 million as the District continues to complete approved projects funded by the accumulated capital reserves of the General Obligation Bond and other Capital Outlay resources.

(B) Due from other agencies increased by $91.1 million due to the timing difference in recognizing revenues for General Fund, Grants, Food Service Fund, Debt Service Fund, and Capital Funds.

(C) Prepaids and Other assets increased by $35.6 million due to additional prepaid and other receivables recorded for claims exceeding revenues in health insuranced fund 1210.

LIABILITIES

(D) Notes Payable increased by $40.7 million due to the Tax Anticipation Notes (TAN), Series 2023 issued at par amount $197.5 million (issued at $200.2 million net premium of $2.7 million) compared to the prior year TAN amount of $156.8 million (issued at $160.1 million net premium of $3.3 million).

FUND EQUITY

(E) Restricted-Other decreased by $179.5 million and Restricted-Capital Encumbrances decreased by $0.8 million as the District continues to complete approved projects.

(F) Assigned/Unassigned decreased by $21.3 million as the ending fund balance for fiscal year 2023 decreased as a result of last year's substantial four percent raises and an increased payment for school resource officers.

SCHEDULE OF EXPLANATION FOR COMBINED REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES - ALL GOVERNMENTAL FUND TYPES
For the Four Months Ended October 31, 2023

REVENUES

LOCAL SOURCES

(G) **Ad valorem taxes**

The increase of $86.7 million as of October is due to increases in property tax values as well as voters approved increase of referendum funding from a half-mill to one-mill effective July 1, 2023.

EXPENDITURES

(H) **Instructional services**

The increase of $39.3 million is primarily due to increase in FEFP and Non-FEFP yearly distribution to charter schools in the amount of $72.8 million.

(I) **Capital outlay**

The increase of $73.1 million in capital outlay expenditures is primarily due to increases in remodeling and renovations in the current year.

EXECUTIVE SUMMARY

Special Revenue - Food Service Fund Amendment #1, as of December 31, 2023

Board Meeting Date: January 23, 2024

Requested Action

Approve the Special Revenue - Food Service Fund Amendment #1.

Impact if the Board Voted Yes or No

If the Board votes "Yes": The District will be following statutory requirements per State Board Administrative Rule 6A-1.007.

If the Board votes "No": The District will be out of compliance with statutory requirements per State Board Administrative Rule 6A-1.007.

Background/History

The School Board shall approve amendments to the District school budget whenever the function amounts in the budget accounts are changed from the original budget approved by the School Board.

Alignment to 2027 Goals and Guardrails

Business Operations

Measurable Outcome(s)/Return on Investment

To comply with statutory requirements per SBE Administrative Rule 6A-1.007.

Financial Impact

The total financial impact is an increase of $1.9 million to the Special Revenue - Food Service Fund's fund balance.

This amendment incorporates several important changes:

The Food and Nutrition Services (FNS) Department continues operating Community Eligibility Provision (CEP) in 2023-2024SY. CEP provided breakfast and lunch at no cost for all students at 180 eligible Broward County Public Schools. Universal free lunch pilot is being operated in 47 National School Lunch sites where students also eat at no cost.

CEP is offered to schools with students qualifying for SNAP, TANF, Medicaid and Extension of Benefits along with Homeless, Foster, Head Start and Migrant. BCPS has identified schools with 40% or higher of students qualifying for this program. CEP in 180 sites and Universal free breakfast and lunch pilot in 47 sites.

Additional Contributing factors include:

1. Salary and benefits accruing to the Food and Nutrition fund are being reduced by the projected budgeted increase for the Fiscal Year as salary increases to employees of 5.5% are being funded through referendum dollars out of the general fund.

2. The state allocation and matching quarterly dollar amounts to be paid in FY 2024 were received by the state. Budget was adjusted for the actual amounts documented from the state.

3. United States Department of Agriculture's downward adjustment to the commodity allocation dollars based on the current 2023-2024SY meal trend.

Topic: F-3. Special Revenue-Food Service Fund Amendment#1, as of December 31, 2023

Staff Follow Up: Can you please explain (1) Appropriations on page 2 of 2? Why is the salary being reduced from General Funds? The 5/5% increase from Referendum is a bonus, not salary, correct?

Response: The salary decrease is from the Food and Nutrition Services Fund. The Referendum dollars/supplement are paid through the General Fund.

This Supplement is an aggregate amount equal to five and one-half percent (5.5%) of the base salary of those employees, inclusive of fringe expenses.

Referendum Supplements are FRS eligible and shall be paid in equal installments per pay period for the employee.

MEMORANDUM OF UNDERSTANDING BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA AND THE FEDERATION OF PUBLIC EMPLOYEES

This Memorandum of Understanding (MOU) is made on this 28 day of August, 2023, by and between The School Board of Broward County, Florida (SBBC) and The Federation of Public Employees (FOPE), Food Service, hereinafter collectively referred to as "the parties."

Purpose:

The purpose of this MOU is to memorialize the parties' agreement regarding the distribution of Referendum Supplements to employees in the FOPE Food Service bargaining unit for the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 schoolyears. The MOU is also intended to provide a $500 sign-on bonus for newly hired employees for only the 2023-2024 school year. Finally, the parties agree to salary increases for Assistant Managers, and an increment increase for Key Persons.

Duration:

This memorandum shall be effective from the date of execution and shall end on June 30, 2027 for the Referendum Supplement. The MOU shall end on June 30, 2024 for the $500 Sign-On Bonus.

Scope:

WHEREAS, the FOPE Food Service Collective Bargaining Agreement, Article 14-Section A-**Referendum Funds, provides in part:**

> The parties intend that these supplements will be pensionable. Supplement Funds shall continue to be appropriated to eligible employees in the Federation of Public Employees - Food Service bargaining unit, accounting for increases or decreases for the Certified School Taxable Value, and their distribution shall be negotiated annually by the parties until the referendum sunsets or is extended via Board approval and community vote.

If the Referendum authority expires or is not renewed by the voters, the supplements will end.

WHEREAS, on August 23, 2022, Broward voters approved a referendum renewal and increase to one (1) millage.

WHEREAS, the parties have come to this agreement regarding the distribution of the Referendum Fund Supplements for the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years. The parties further agree to provide a $500 sign-on bonus for newly hired employees for the 2023-2024 school year. Finally, the parties agree to increase salaries for Assistant Managers and increments for Key Person employees in the Federation of Public Employees Food Service bargaining unit.

NOW THEREFORE, it is agreed as follows:

1. The above recitals are hereby adopted and incorporated in this section as if fully set forth herein.

2. For the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years, eligible employees in the Federation of Public Employees Food Service bargaining unit whose effective start date is on or before July 1, of each of the previous school years covered by this MOU, will receive a Referendum Supplement equal to five and one-half percent (5.5%) of base salary. Newly hired employees after the commencement of the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years, shall be eligible for a pro rata portion of the remaining 20 payments of the Referendum Supplements.

3. The Referendum Supplement proceeds will be effective July 1, of each respective school year covered by this MOU. This Supplement will continue to be an aggregate amount equal to five and one-half percent (5.5%) of the base salary of those employees, inclusive of fringe expenses.

4. Referendum Supplements are pensionable and shall be paid in equal installments per pay period of the employee. Employees who separate employment before the end of the fiscal year shall receive a pro-rata portion of the Referendum Supplements commensurate with the portion of the year actually worked by the employee.

5. In the event that SBBC collects additional Referendum Funds for the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 school years, the parties will agree on a distribution of said additional funds to eligible employees in the Federation of Public Employees Food Service bargaining unit annually.

6. Effective the start of the employee's work calendar for the 2023-2024 school year, salaries will increase for Assistant Managers by $3.00 per hour and Key Person's increment by $1 00 per hour

7. For the 2023-2024 school year only, the District will provide a $500 sign-on bonus for newly hired employees.

BROWARD
County Public Schools

Terms and Conditions:

This Agreement sets forth an entire agreement between the parties hereto and shall supersede any and all prior agreements or understandings between the parties; except that in the event of a conflict between this memorandum of understanding and the parties' collective bargaining agreement, the collective bargaining agreement shall control. This Agreement may be executed in counterparts, and each counterpart will have an original executed document. Electronic and facsimile copies will be considered originals for all purposes, including enforcement. This Agreement may not be amended except by a written agreement signed by the parties.

Acknowledgment, Signatures and Dates:

The parties further agree that this MOU represents the full and complete understanding of the parties as it relates to the distribution of Referendum Fund Supplements to the employees of the Federation of Public Employees Food Service bargaining unit for the 2023-2024, 2024-2025, 2025-2026, and 2026-2027 schoolyears; the $500 Sign-On Bonus for newly hired employees for only the 2023-2024 school year; and hourly rate increases for Assistant Managers, and Key Persons' increments. As such, this agreement does not establish a precedent beyond the time period set forth herein.

EXECUTIVE SUMMARY

Surplus of Tangible Personal Property

Board Meeting Date: January 23, 2024

Requested Action

Approve the Surplus of Tangible Personal Property for the Period Ended October 31, 2023.

Impact if the Board Voted Yes or No

If the Board votes "Yes": The District will be following statutory requirement per Florida Statute 274.07.

If the Board votes "No": The District will be out of compliance with statutory requirement per Florida Statute 274.07.

Background/History

The surplused tangible personal property shall be submitted to the Board pursuant to the Florida Statute 274.07, which requires "the disposal of property shall be recorded in the minutes of the governmental unit". This item includes Surplus of Tangible Personal Property for the period ended October 31, 2023, with a net book value of $4,001.11. The net book value is an accounting term used to describe the cost of an asset, less accumulated depreciation, or amortization. Items recommended for a surplus are reviewed and approved by the Surplus Committee. All items will be disposed of as prescribed by law.

Alignment to 2027 Goals and Guardrails

Business Operations

Measurable Outcome(s)/Return on Investment

Proper and timely disposition of the District's surplused tangible personal property with the net book value under $500,000.

Financial Impact

There is no financial impact to the District.

EXECUTIVE SUMMARY
Termination for Convenience of the Construction Agreement
LEE Construction Group, Inc.
Plantation Middle School, Plantation
SMART Program Renovations
Project No. P.001729
ITB 18-180C

Requested Action:
Approve AECOM's recommendation through the Superintendent to the School Board to terminate, for convenience, the Construction Agreement between The School Board of Broward County, Florida (the "School Board') and LEE Construction Group, Inc. (the "Contractor" or "LEE Construction") for the Plantation Middle School SMART Program Renovations project, Project No. P.001729 (the "Project"). The School Board and the Contractor shall hereinafter collectively be referred to as the "Parties."

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: If approved, the Project will be completed under multiple Construction Minor Services Projects (CSMP) agreements.

If no: The project would be unable to move forward.

Background/History:

Delivery Method:	**Design/Bid/Build**
Architect:	**Sol-ARCH, Inc.**
Original Funding Allocation:	**$3,448,000**

On March 3, 2020, the School Board entered into a Construction Agreement (the "Agreement") with LEE Construction for the Project (Agenda Item JJ-1). The scope of the Project includes fire sprinklers, electrical improvements, HVAC improvements, media center improvements, restroom renovation, and building envelope improvements which include aluminum covered walkway repairs and re-roofing of Buildings 1-4.

Primarily due to long delays associated with the Contractor's inability to obtain the roofing subpermit, it was determined that termination of the Agreement for convenience would be in the best interest of the Parties and permit the scope of work to be performed by other contractors. As a condition precedent to this Board Item and pursuant to Article 41 of the Agreement, the Contractor was issued a written Notice of Intent to Recommend Termination for Convenience on December 8, 2023 (see Exhibit 3 – NOI to Recommend Termination).

Measurable Outcome(s)/Return on Investment:
The approval of the termination of the Agreement will permit the completion of the Project under separate Construction Services Minor Project (CSMP) agreements resulting in an expedited schedule.

Financial Impact:
This item does not have a direct financial impact; however, pursuant to Article 40.02 of the Agreement, the Contractor is entitled to reasonable costs actually incurred and paid for: demobilization and remobilization, including such costs paid to subcontractors; preserving and protecting work in place; storage of materials or equipment purchased for the Project, including insurance; and performing in a later, or, during a longer time frame than that contemplated by the Agreement ("Termination Expenses").

The total budget for the Project is $6,636,300. Of the $5,234,820 awarded to the Contractor, $384,784.49 has been paid to LEE Construction for the completion of the media center scope of work. A deductive change order was approved at the September 12, 2023, Regular School Board Meeting in the amount of ($4,628,745.24) for work not completed. The remaining retainage to be held pending evaluation of the Termination Expenses claim will be $26,830.65.

There is a likely future impact on the budget because of this delay that resulted in the cancellation of the work. The value of the credit received from this cancellation may not be enough to execute the work when it is awarded to another contractor and that additional funding would come from the capital reserves.

EXECUTIVE SUMMARY
Grant of Utility Easement
to Broward County Water & Wastewater Services
Northeast High School, Oakland Park
New Addition/Renovations to Building 12
Project No. P.002301
RFQ 19-091C

Requested Action:
Approve the easement to be granted to Broward County Water & Wastewater Services to install new domestic water lines to service the (2) new buildings and fire protection system at Northeast High School, located at 700 N.E. 56th Street, Oakland Park, Florida 33334.

What would the impact be if the Board voted "yes" or "no" for the Board Items?

If yes: This item, if approved, would allow Broward County water and wastewater management to install new water lines with sufficient capacity to service the new buildings and fire protection system at Northeast High School.

If no: If this item is not approved the County will not reconnect the water services to the (2) new buildings and fire protection system.

Background/History:
The existing domestic water lines installed at Northeast High School is 2 inches in diameter. The new classroom addition, which consists of (2) new buildings and equipped with a fire protection system throughout, requires new 4-inch domestic water lines to handle the increased capacity. Installation of the new water lines cannot be undertaken until the easement is granted.

Measurable Outcome(s)/Return on Investment:
Approving this item ensures that Broward County will install the new domestic water lines and SBBC will not assume responsibility for the installation and associated cost.

Financial Impact:
This item does not have an additional cost to the District.

UTILITY EASEMENT AGREEMENT

THIS UTILITY EASEMENT AGREEMENT ("Easement Agreement") is made this 17th day of October 2023, ("Effective Date") by The School Board of Broward County, Florida, a body corporate existing under the laws of the State of Florida ("Grantor") whose address is 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301, in favor of Broward County, a political subdivision of the State of Florida ("Grantee") whose address is Governmental Center, 115 South Andrews Avenue, Fort Lauderdale, Florida 33301. Grantor and Grantee are hereinafter referred to collectively as the "Parties," and individually referred to as the "Party."

(Wherever used herein the terms, "Grantor" and "Grantee" shall include heirs, legal representatives, and assigns of individuals, and the successors and assigns of corporations wherever the context so admits or requires).

RECITALS

WHEREAS, Grantor is the fee simple owner of the property located in Broward County, Florida, and described as follows (the "Property"):

See Exhibit A with accompanying sketch of description hereto and made a part hereof.

WHEREAS, Grantee desires a nonexclusive and perpetual easement over, across, under, and through the Easement Area, as defined in Section 2, for water mains, wastewater force mains, reclaimed water mains, and/or for any other water and wastewater installations which may be required for the purpose of providing water supply services for domestic, commercial, industrial, or other use and for the collection of domestic, commercial, industrial, or other kinds of wastewater to and from properties, inclusive of the property, which may or may not abut or be contiguous to the easement ("Easement"); and

WHEREAS, the Grantor is willing to grant the Easement to Grantee under the terms herein.

NOW, THEREFORE, for and in consideration of the mutual terms and conditions contained herein, and the sum of one dollar ($1.00), and other good and valuable consideration, the sufficiency of which are hereby acknowledged, Grantor hereby declares as follows:

1. The recitals set forth above are true and accurate, and fully incorporated by reference herein.

2. Grantor hereby grants unto Grantee, its licensees, agents, and independent contractors the Easement together with any incidental or necessary appurtenances thereto ("Easement Area"), which Easement Area is further described in **Exhibit A** attached hereto and made a part hereof.

3. Grantor agrees that no obstructions that would interfere with the maintenance or improvement of Grantee's facilities may be placed in the Easement Area without Grantee's prior consent.

4. Grantee shall, at its sole cost and expense, restore the surface of the Easement Area to the same condition which existed prior to the commencement of Grantee's access, maintenance, or repair to the Easement Area.

5. Grantor retains the right to engage in any activities on, over, under, across, or through the Easement Area and shall, for its own purpose, utilize the Property in any manner that does not unreasonably interfere with the Easement.

6. This Easement Agreement may be amended, altered, or modified only by written agreement between the Parties, or their heirs, assigns, or successors-in-interest, which shall be recorded in the Official Records of Broward County, Florida.

7. This Easement Agreement shall run with the land and shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, successors, and assigns.

8. This Easement Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The Parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Easement Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Easement Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either Party may claim by virtue of residency or other jurisdictional device.

9. Grantee, at its own expense, shall record this fully executed Easement Agreement in its entirety in the Official Records of Broward County, Florida.

[Signatures and Acknowledgments appear on following pages.]

IN WITNESS WHEREOF, the undersigned has signed and sealed this Easement Agreement on the respective date under its signature and certifies that he/she has the authority to execute this instrument.

UTILITY EASEMENT AGREEMENT

THIS UTILITY EASEMENT AGREEMENT ("Easement Agreement") is made this **23rd day of January 2024**, ("Effective Date") by The School Board of Broward County, Florida, a body corporate existing under the laws of the State of Florida ("Grantor") whose address is 600 S.E. 3rd Avenue, Fort Lauderdale, Florida 33301, in favor of Broward County, a political subdivision of the State of Florida ("Grantee") whose address is Governmental Center, 115 South Andrews Avenue, Fort Lauderdale, Florida 33301. Grantor and Grantee are hereinafter referred to collectively as the "Parties," and individually referred to as the "Party."

(Wherever used herein the terms, "Grantor" and "Grantee" shall include heirs, legal representatives, and assigns of individuals, and the successors and assigns of corporations wherever the context so admits or requires).

RECITALS

WHEREAS, Grantor is the fee simple owner of the property located in Broward County, Florida, and described as follows (the "Property"):

See Exhibit A with accompanying sketch of description hereto and made a part hereof.

WHEREAS, Grantee desires a nonexclusive and perpetual easement over, across, under, and through the Easement Area, as defined in Section 2, for water mains, wastewater force mains, reclaimed water mains, and/or for any other water and wastewater installations which may be required for the purpose of providing water supply services for domestic, commercial, industrial, or other use and for the collection of domestic, commercial, industrial, or other kinds of wastewater to and from properties, inclusive of the property, which may or may not abut or be contiguous to the easement ("Easement"); and

WHEREAS, the Grantor is willing to grant the Easement to Grantee under the terms herein.

NOW, THEREFORE, for and in consideration of the mutual terms and conditions contained herein, and the sum of one dollar ($1.00), and other good and valuable consideration, the sufficiency of which are hereby acknowledged, Grantor hereby declares as follows:

1. The recitals set forth above are true and accurate, and fully incorporated by reference herein.

2. Grantor hereby grants unto Grantee, its licensees, agents, and independent contractors the Easement together with any incidental or necessary appurtenances thereto ("Easement Area"), which Easement Area is further described in **Exhibit A** attached hereto and made a part hereof.

3. Grantor agrees that no obstructions that would interfere with the maintenance or improvement of Grantee's facilities may be placed in the Easement Area without Grantee's prior consent.

4. Grantee shall, at its sole cost and expense, restore the surface of the Easement Area to the same condition which existed prior to the commencement of Grantee's access, maintenance, or repair to the Easement Area.

5. Grantor retains the right to engage in any activities on, over, under, across, or through the Easement Area and shall, for its own purpose, utilize the Property in any manner that does not unreasonably interfere with the Easement.

6. This Easement Agreement may be amended, altered, or modified only by written agreement between the Parties, or their heirs, assigns, or successors-in-interest, which shall be recorded in the Official Records of Broward County, Florida.

7. This Easement Agreement shall run with the land and shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, successors, and assigns.

8. This Easement Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The Parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Easement Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Easement Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either Party may claim by virtue of residency or other jurisdictional device.

9. Grantee, at its own expense, shall record this fully executed Easement Agreement in its entirety in the Official Records of Broward County, Florida.

[Signatures and Acknowledgments appear on following pages.]

IN WITNESS WHEREOF, the undersigned has signed and sealed this Easement Agreement on the respective date under its signature and certifies that he/she has the authority to execute this instrument.

EXECUTIVE SUMMARY
Grant of Bill of Sale Absolute, Affidavit and Final Release of Lien to Broward County
Northeast High School, Oakland Park
New Addition/Renovations to Building 12
Project No. P.002301
RFQ 19-091C

Requested Action:
Approve the Bill of Sale Absolute, Affidavit and Final Release of Lien to Broward County for the installation of Water, Wastewater and Fire Water Service Line at Northeast High School, located at 700 N.E. 56th Street, Oakland Park, Florida 33334 for the new classroom addition.

What would the impact be if the Board voted "yes" or "no" for the Board Items?

If yes: This item, if approved, would allow occupancy of the building.

If no: any delay in the approval of this item will ensure delay in obtaining occupancy.

Background/History:
The School Board hired a contractor to install a complete force main, fire water service line, water taps and asphalt repair of an affected area at Northeast high School as part of the new classroom addition project. Broward County requires a bill of sale absolute, an affidavit, and a final release of lien to close out the project with the contractor.

Measurable Outcome(s)/Return on Investment:
Approving this item would allow for proper closeout of the scope of work and provides for occupancy.

Financial Impact:
There is no financial impact from this item.

EXECUTIVE SUMMARY

Pre-Qualification of Contractors
Superintendent's Recommendations for Pre-Qualification Certification

---

Board Meeting Date: January 23, 2024

Requested Action
Approve the recommendation of the Qualification, Selection, and Evaluation Committee (QSEC); QSEC Meeting Date: December 14, 2023; Recommended Firms: Eighteen (18) firms representing eighteen (18) licenses are recommended to be re-certified; Automatic Revocations: Three (3) firms representing four (4) licenses; Small/Minority/Women Business Enterprise Vendor(s): Seventy-three (73); District-wide.

Impact if the Board Voted Yes or No
If the Board votes "Yes": The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew.

If the Board votes "No": Denial by the School Board would stop the Pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase limits.

Background/History
State Statutes, regulations and School Board policy allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty days. State regulations and School Board policy require that the School Board act on appeals within thirty days; District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Warehousing Services Department (PWS) administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. PWS staff review the applications, make recommendations, and facilitate Qualification Selection Evaluation Committee (QSEC) meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

The Superintendent's recommendations. Such recommendations may include:

Issue Pre-Qualification Re-Certification: This is an annual renewal certificate for a contractor who is currently certified and has met the eligibility criteria.

Issue Recommendation to Not Certify: This is the denial of the initial certification for a Contractor who has not met the eligibility criteria.

Issue Recommendation to Not Re-Certify: This is the denial of the annual renewal certificate for a contractor who is currently certified and has not met the eligibility criteria.
Issue Recommendation to Increase Limits: This is the approval of the request to increase the bonding limits for a contractor who is currently certified and has met the eligibility criteria.

Deny Request to Increase Limits: This is the denial of the request to increase the bonding limits for a contractor who is currently certified and has not met the eligibility criteria.

Suspend or Revoke Certification: This is the suspension for a specified period of time or revocation of the pre-qualification certificate of a contractor for a good cause as outlined in School Board Policy 7003.1 and SREF Chapter 4, Section 4.1.

Adhere to Modify or Reverse Prior School Board Suspension or Revocation of Certification: This is the School Board's response to a contractor's request for reconsideration of a suspension or revocation of its pre-qualification certificate as outlined in School Board Policy 7003.1. During the renewal process, contractors may not submit a renewal application within the time allowed by SREF. The applicable licenses will be automatically revoked. No action is required by QSEC, the Superintendent, or the School Board.

Automatic Revocation of Certification: This is the revocation of a pre-qualification certificate for a firm that has failed to submit its renewal application, which includes a new statement or verification of bond capacity, after at least thirty (30) days of written notice, is automatically revoked in accordance with SREF Chapter 4, Section 4.1(1) (e) 1. PWS staff sends several reminders to submit a renewal application to pre-qualified contractors beginning ninety (90) days prior to the expiration date of the certification.

EXECUTIVE SUMMARY

2024-25 school attendance areas/boundaries and school usage recommendations

Board Meeting Date: January 23, 2024

Requested Action

Approve the superintendent of schools' recommendations for all elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year at this first board meeting. **The Superintendent has recommended no school boundary changes for the 2024-25 school year.** District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": All elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year will remain the same as they were in the 2023-24 school year.

If the Board votes "No": All elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year will remain the same as they were in the 2023-24 school year.

Background/History

On September 29, 2023, the Superintendent of schools released a memo to the School Board stating that there will be no school boundary changes for the 2024-25 school year due to the creation of a Long-range Facilities Master Plan and the superintendent's commitment to the School Board to bring forward plans by June 2024 to repurpose five existing school sites. Based on the data published in the Demographics & Enrollment Planning Department's 2023-24 Benchmark Day Enrollment Count, there are currently no schools with enrollment issues that would demand immediate mitigation.

SUBJECT: **2023/24 SCHOOL BOUNDARY PROCESS**

In light of Broward County Public Schools embarking on the creation of a Long-range Facilities Master Plan to align its physical footprint with the current and future needs of our students, families, and communities, and of my commitment to the School Board to bring forward plans by June, 2024 to repurpose five existing school sites, **I am recommending that a community boundary process not be conducted during this school year**. Based on data published in the Demographics & Enrollment Planning Department's 2023/24 Benchmark Day Enrollment Count, there are currently no schools with enrollment issues that would demand immediate mitigation. Therefore, I am confident that this pause in the annual boundary process will better position the District to develop and act on recommendations that may result from the master planning process.

I invite and encourage our families and community members to participate and stay engaged this year as we begin the conversations on what school repurposing in Broward County will look like and what sites may be considered. There is much work ahead, and input and involvement from all of our stakeholders will be critically important.

I thank you for your continued support as we move our District into the future and reimagine our schools to provide the best possible educational choice for our students and prepare them for the opportunities that lie ahead.

EXECUTIVE SUMMARY

2024-25 school attendance areas/boundaries and school usage recommendations

Board Meeting Date: January 23, 2024

Requested Action

Approve the superintendent of schools' recommendations for all elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year at this first board meeting. **The Superintendent has recommended no school boundary changes for the 2024-25 school year.** District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": All elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year will remain the same as they were in the 2023-24 school year.

If the Board votes "No": All elementary, middle, high and combination school usage and school attendance areas/boundaries for the 2024-25 school year will remain the same as they were in the 2023-24 school year.

Background/History

On September 29, 2023, the Superintendent of schools released a memo to the School Board stating that there will be no school boundary changes for the 2024-25 school year due to the creation of a Long-range Facilities Master Plan and the superintendent's commitment to the School Board to bring forward plans by June 2024 to repurpose five existing school sites. Based on the data published in the Demographics & Enrollment Planning Department's 2023-24 Benchmark Day Enrollment Count, there are currently no schools with enrollment issues that would demand immediate mitigation.

SUBJECT: **2023/24 SCHOOL BOUNDARY PROCESS**

In light of Broward County Public Schools embarking on the creation of a Long-range Facilities Master Plan to align its physical footprint with the current and future needs of our students, families, and communities, and of my commitment to the School Board to bring forward plans by June, 2024 to repurpose five existing school sites, **I am recommending that a community boundary process not be conducted during this school year**. Based on data published in the Demographics & Enrollment Planning Department's 2023/24 Benchmark Day Enrollment Count, there are currently no schools with enrollment issues that would demand immediate mitigation. Therefore, I am confident that this pause in the annual boundary process will better position the District to develop and act on recommendations that may result from the master planning process.

I invite and encourage our families and community members to participate and stay engaged this year as we begin the conversations on what school repurposing in Broward County will look like and what sites may be considered. There is much work ahead, and input and involvement from all of our stakeholders will be critically important.

EXECUTIVE SUMMARY

Recommendation to Terminate Contract
FY23-043 – Virtual Career Fair Software

Board Meeting Date: January 23, 2024

Requested Action
Approve the termination, without cause, of the contract between The School Board of Broward County, Florida (SBBC), and Career Soft LLC; Original Contract Term: June 1, 2022, through May 31, 2027; Award Amount: $172,775; Awarded Vendor: Career Soft LLC; Small/Minority/Women Business Enterprise Vendor(s): None; District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": The contract with Career Soft LLC will be terminated. Under section 3.05 of the contract, the Superintendent of Schools will be delegated the authority to send a thirty (30) calendar day written notice to Career Soft LLC communicating the termination of the contract without cause. The termination will be effective on February 28, 2024.

If the Board votes "No": The contract will be valid until May 31, 2027.

Background/History
The software provided a solution to allow the Human Resources Division to conduct large-scale "virtual fairs." However, we have shifted our approach towards conducting large-scale fairs due to preferences and requirements. Our locations prefer in-person events, making this software no longer essential to our operations. In addition, Microsoft Teams has enhanced its platform, providing a solution that aligns with our current needs.

Alignment to 2027 Goals and Guardrails
Guardrail 3, School Support

Measurable Outcome(s)/Return on Investment
By terminating this contract, Talent Acquisition will have additional funds available for recruitment initiatives (i.e. paid advertising, support in-person job fairs, etc.).

Procurement Method
This contract was solicited according to the Purchasing Policy 3320, Section II, H, and the Department of Education, Rule 6A-I.012, I I(b), Florida Administrative Code as authorized by Section I010.04(4)(a), Florida Statutes, which authorized SBBC to purchase copyrighted materials including software without competitive solicitations. A copy of the Existing contract is available online at: http://www.broward.k12.fl.us/supply/agenda/FY23-043_CareerSoft,LLCExecutedAgreement.pdf.

Written Notice of Termination without cause

Dear: Ms. Tatiana Delerme Jones:

The School Board, at its January 23, 2024, Regular School Board Meeting, terminated, without cause, the Agreement between The School Board of Broward County, Florida (SBBC) and Career Soft LLC. (Career Soft), approved by SBBC on May 17, 2022; that commenced on June 1, 2022 and expires on May 31, 2027 (Agreement), and granted the Superintendent of Schools the delegated authority to provide Career Soft with a thirty (30) calendar day notice of termination without cause.

In accordance with section 3.05 of the Agreement, this letter hereby serves as an official thirty (30) calendar days written notice of termination, without cause, of the Agreement. Please be advised that after thirty (30) calendar days of the date of this Notice plus, five (5) calendar days for mailing time, effective on February 28, 2024, the Agreement between SBBC and Career Soft is considered officially terminated.

If you have any questions, please contact me at 754-321-0545 or the Purchasing Agent as copied below.

EXECUTIVE SUMMARY

Recommendation to Reject All Bids
ITB24-236 - Technology Computing Devices, Accessories, and Deployment Services

---

Board Meeting Date: January 23, 2024

Requested Action
Approve the rejection of all bids received for the Invitation to Bid (ITB); Awarded Vendor(s): None; Small/Minority/Women Business Enterprise Vendor(s): None; District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": Procurement & Warehousing Services (PWS) would be able to release a new ITB with revised specifications that would change the current processes, thus protecting the best interest of the School Board of Broward County, Florida (SBBC).

If the Board votes "No": This would not allow PWS to release a new ITB with revised specifications for the above-referenced services.

Background/History
This ITB was meant to increase the variety of computing devices available to students and staff throughout the District. These devices included Windows-based laptops and desktops. Inadvertently, non-Windows devices such as Chromebooks and Android-based tablets were omitted. Additionally, the ITB allowed vendor questions to be addressed through an addendum. The release of a future ITB will provide an opportunity to clarify the numerous questions asked, potentially increasing the pool of qualified vendors.

This bid is being recommended for rejection to allow staff to revise the specifications and rebid. Therefore, it is in the best interest of the district, to reject all bids received to enable the District to issue a new solicitation with revised specifications.

Procurement Method
This contract was competitively solicited in accordance with Purchasing Policy 3320, Part II, Rule D, and Florida Administrative Code 6A-1.012(7).
A copy of the ITB documents is available online at: http://www.broward.k12.fl.us/supply/agenda/ITB24-236_TechnologyComputingDevicesAccessoriesandDeploymentServices_Addendum.pdf.

This Bid is being rejected to allow staff to revise the specifications and rebid. Therefore, it is in the best interest of the district, to reject all bids received to enable the District to issue a new solicitation with revised specifications.

Any person who is adversely affected by the decision or intended decision shall file a notice of protest, in writing, within 72 hours after the posting of the notice of decision or intended decision. The formal written protest shall be filed within ten (10) days after the date the notice of protest is filed. Failure to file a notice of protest or failure to file a formal written protest shall constitute a waiver of proceedings under this chapter. Section 120.57(3) (b), Florida Statutes, states that "The formal written protest shall state with particularity the facts and law upon which the protest is based." Saturdays, Sundays, state holidays and days during which the District is closed shall be excluded in the computation of the 72-hour time period provided. Filings shall be at the office of the Director of Procurement & Warehousing Services, 7720 West Oakland Park Boulevard, Suite 323, Sunrise Florida 33351. Any person who files an action protesting an intended decision shall post with the School Board, at the time of filing the formal written protest, a bond, payable to The School Board of Broward County, Florida, (SBBC), in an amount equal to one percent (1%) of the estimated value of the contract. Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

(*) The Cone of Silence, as stated in the ITB, is in effect until award is approved by SBBC. The Board meeting date stated above is tentative. Confirm with the Purchasing Agent of record for the actual date the Cone of Silence has concluded.

REVISED AWARD RECOMMENDATION

In accordance with Section 6A-1.012(12)(C), Florida Administrative Code, and Part II, Section D (1) of Purchasing Policy 3320 and Section 8, General Condition 6 (2) of ITB24-236: "In the best interest of the School Board of Broward County, Florida (SBBC), the School Board reserves the right to reject any or all bids received when there are sound documented business reasons that serve the best interests of SBBC.

It is recommended pursuant to Section 6A-1.012(12)(c), F.A.C., that all proposals be rejected. This solicitation will be rebid with revised bid specifications, in accordance with School Board policies and procedures.

EXECUTIVE SUMMARY

BridgePrep Academy of Hollywood Hills

Second Amendment to the Charter School Renewal Agreement

Board Meeting Date: January 23, 2024

Requested Action: Approve the Second Amendment to the Charter School Renewal Agreement (Agreement) for BridgePrep Academy of Hollywood, Inc. d/b/a BridgePrep Academy of Hollywood Hills - 5116 requesting an entity name change from BridgePrep Academy of Hollywood, Inc. to BridgePrep Academy, Inc.

Impact if the Board Voted Yes or No

If the Board votes "Yes": Pursuant to sections 1002.33(7)(d) and Section 2.B.4 of the Agreement which permits modifications and amendments to the Agreement, the School Board of Broward County, Florida (Sponsor) will be in compliance with state statutes and laws.

If the Board votes "No": Pursuant to sections 1002.33(7)(d) and Section 2.B.4 of the Agreement which permits modifications and amendments to the Agreement, the School Board of Broward County, Florida (Sponsor) will not be in compliance with state statutes and laws.

Background/History

On or about June 11, 2019, the Sponsor and BridgePrep Academy of Hollywood, Inc. entered into a Charter School Renewal Agreement, which incorporates by reference the School's Charter School Application wherein the School was authorized to operate an elementary charter school, grade levels kindergarten through fifth (K–5), known as "BridgePrep Academy of Hollywood Hills – 5116" in Broward County, Florida. On or about June 23, 2020, the Sponsor and BridgePrep Academy of Hollywood, Inc. entered into a First Amendment to the Charter School Agreement authorizing BridgePrep Academy of Hollywood Hills to acknowledge the co-location of BridgePrep Academy of Broward K8 – 5022, an elementary/middle charter school, grade levels kindergarten through eighth (K-8). BridgePrep Academy of Hollywood, Inc. desires a Second Amendment the Charter

School Renewal Agreement to reflect an entity name change from BridgePrep Academy of Hollywood, Inc. to BridgePrep Academy, Inc. Through this entity name change, all BridgePrep Academy charter schools in the state of Florida will operate under the same governing board entity known as BridgePrep Academy, Inc. District 1.

EXECUTIVE SUMMARY

Recommendation to Approve Amended Head Start Corrective Action Plan

Board Meeting Date: Tuesday, January 23, 2024

Requested Action
Approve Head Start Corrective Action Plan.

Impact if the Board Voted Yes or No

If the Board votes "Yes": The School Board of Broward County, Florida (SBBC) will be in compliance with the United States Department of Health and Human Services, and the Administration for Children and Families, allowing the Head Start/Early Head Start Program to continue District-wide.

If the Board votes "No": SBBC will be out of compliance with the United States Department of Health and Human Services, and the Administration for Children and Families.

Background/History
The Corrective Action Plan approved by SBBC on Tuesday, December 12, 2023, has been updated after review by the Head Start Policy Council and the Head Start Training and Technical Assistance team. This revised version is being resubmitted to the Board to align with the final version submitted to the Office of Head Start. The revisions are documented in red.

Alignment to 2027 Goals and Guardrails
Guardrail 1: Safety

Measurable Outcome(s)/Return on Investment
By June 2024, all Head Start and Early Head Start programs will have had lead in water testing completed.

Financial Impact
This grant funds all Head Start and Early Head Start programs, including staffing, educational resources, and wrap-around services.

Dear Chair Alhadeff,

I have elected to resign as the Chief Auditor of the School Board of Broward County, Florida. In accordance with Section 2.17 of the Chief Auditor's Employment Agreement, I am providing the required written 90 calendar day notice by designating April 12, 2024 as the effective date of my resignation.

I would like to thank all of the School Board Members who have served during my tenure. I am grateful to the Office of the Chief Auditor team members and the Audit Committee members for their hard work and support to me and the District over the past 5+ years.

I plan to perform my duties and fulfill the terms of my employment agreement until April 11, 2024 and assist the School Board as it directs.

Respectfully yours,

Joris Jabouin

EMPLOYMENT AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

JORIS M. JABOUIN
(hereinafter referred to as "Jabouin" or "Chief Auditor"),
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301.

WHEREAS, SBBC is responsible for retaining a Chief Auditor for The School District of Broward County, Florida ("School District"); and

WHEREAS, SBBC has offered and the Chief Auditor has agreed to be employed by SBBC in such capacity, and on the terms and conditions provided herein, given the Chief Auditor and SBBC's mutual commitments to the furtherance of the School District.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Effective Date of Agreement**. The initial term of this Agreement commences on July 1, 2022 ("Effective Date").

2.02 **Term of Employment**.

2.02.1 Initial Term. SBBC hereby employs Jabouin as Chief Auditor, and Jabouin hereby accepts and agrees to such employment, for an Initial Term of three (3) years commencing on July 1, 2022 and ending on June 30, 2025, unless earlier terminated as provided in this Agreement.

2.02.2 **Extension and Nonrenewal**. The Term of this Agreement may be extended upon mutual agreement of the parties and continue in full force and effect for an additional one (1) year term ("Extension Term"), unless one party shall deliver a notice of nonrenewal to the other party at least ninety (90) calendar days prior to the end of the Initial Term or any Extension Term then in effect. For purposes of this Agreement, the "Term of this Agreement" shall mean the Initial Term and all Extension Terms, if any. Any additional extension beyond the Extension Term shall require amendment of this Agreement and further SBBC approval.

2.03 **Duties**. During the Term of this Agreement, Jabouin will faithfully comply with all applicable laws, rules, and SBBC policies relating to the performance of his duties as Chief Auditor, including without limitation, all of the applicable provisions of the laws of the State of Florida, as may be amended, and any successor provision thereto ("School Laws"), the rules and regulations of the State of Florida Board of Education ("State Board Rules"), all applicable federal rules and regulations, and SBBC's policies ("School Board Policies") including, without limitation, School Board Policy 1002.1 – "Office of the Chief Auditor", all as may be amended and any successor provisions thereto, and Jabouin will perform all duties which may be lawfully required of him by SBBC. Specifically, the Chief Auditor shall administer the performance of the Office of the Chief Auditor to assist School District staff in the effective and efficient discharge of their responsibilities by furnishing objective analyses, appraisals, recommendations, and pertinent comments concerning the activities reviewed. The Chief Auditor shall prepare reports that will be submitted concurrently to SBBC's Audit Committee and the Superintendent, make oral presentations and provide answers at SBBC's request. Among his duties, the Chief Auditor shall:

2.03.1 Ascertain the extent to which SBBC assets are accounted for and safeguarded from losses of all kinds; and

2.03.2 Direct the examination of financial records and documents for compliance with established accounting procedures, the examination of reporting and procedures systems, financial and otherwise, to ensure conformance with the administrative policy; and

2.03.3 Review audit reports and examine justification for findings and recommendations. Present reports to the Superintendent, the Audit Committee, and SBBC; and

2.03.4 Interpret for School District personnel those statutory requirements, Board Policies and administrative directives pertaining to accounting of financial transactions; and

2.03.5 Coordinate the meetings of the Audit Committee; and

2.03.6 Direct the data processing audits to be conducted by the Office of the Chief Auditor; and

2.03.7 Perform independent evaluation of data processing controls and operations; and

2.03.8 Analyze legislation and other pertinent regulations and, when necessary, recommend changes to the Superintendent of Schools and SBBC with appropriate recommended steps and accompanying documentation; and

2.03.9 Participate in the study, design, development, and revision of accounting forms, systems, procedures, controls, and methods to promote more efficient and effective operations within the various School District departments and to assist School District administrative staff in their proper installation and implementation; and

2.03.10 Direct the staff of the Office of the Chief Auditor in assisting School District personnel in the correction of any deficiencies disclosed by studies and audits; and

2.03.11 Direct the conduct of inventories of all School District property within SBBC's various administrative and school locations and assist in keeping current the Manual of Property Control Procedures used by School District personnel regarding property control reporting and procedural systems; and

2.03.12 Act as liaison between external auditors, the Office of the Auditor General, the Department of Education (F.T.E. auditors), and others and the School District; and

2.03.13 Implement and maintain a current Succession Management Plan to identify and develop highly qualified employees for current and future positions within the Office of the Chief Auditor. The Chief Auditor will make recommendations for the appointment of employees within the Office of the Chief Auditor. However, SBBC has the final authority in the appointment of such employees and the terms of their employment; and

2.03.14 Perform other duties required by School Board Policy 1002.1 – "Office of the Chief Auditor" and as such policy may be revised or amended from time-to-time; and

2.03.15 Perform other duties related to general administrative responsibilities of the position.

2.04 **Restriction Upon Outside Services**. During the Initial Term of employment and any period of extension hereunder, the Chief Auditor shall not render services to anyone other than SBBC and the School District and will devote his full business time, attention, and best efforts to the business of the School District and fulfillment of his duties as Chief Auditor hereunder.

2.05 **Required Filings**. The Board shall provide Chief Auditor, and Chief Auditor shall take, execute and file, all oaths of office or other documents required under federal, state or local law for the Chief Auditor's assumption of his duties hereunder, payroll tax purposes and personnel records requirements.

2.06 **Reporting Structure**. Consistent with School Board Policy 1002.1 – "Office of the Chief Auditor", as such policy may be revised or amended from time-to-time, the Chief Auditor understands and expressly agrees that he and the Office of the Chief Auditor, for so long as the latter is under his direction and supervision, will report directly to SBBC.

2.07 **Compensation.** For all services rendered pursuant to this Agreement by the Chief Auditor, SBBC shall pay to and provide for the Chief Auditor the following salary and retirement and such other benefits as are described in this Agreement:

2.07.1 Salary. The Chief Auditor shall receive an annual base salary of One Hundred Seventy Five Thousand Dollars ($175,000) per annum for the first year of this Agreement, effective as of July 1, 2022, less appropriate deductions for federal, state and local tax withholding. Such Salary shall be paid in accordance with SBBC's normal payroll practices.

2.07.2 Salary Adjustments. The Chief Auditor's annual compensation for any year following the first year of this Agreement shall be adjusted consistent with the same terms and conditions awarded to SBBC's 12-month administrative employees for that current school year.

2.07.3 Retirement. If he so chooses, the Chief Auditor, may continue to participate in the Florida Retirement System, as provided for in Chapter 121, Florida Statutes, as may be amended, and all other retirement programs for which he is or may become eligible during the Initial Term of this Agreement or during any period of extension. The SBBC will take whatever action necessary to designate and maintain the position of Chief Auditor as participating within the Senior Management Service Class of the Florida Retirement System.

2.08 **Expenses**. The Chief Auditor shall be reimbursed for his reasonable and necessary expenses incurred in the performance of his duties hereunder in accordance with applicable School Board Policies. Without limiting the generality of the foregoing, SBBC will pay all reasonable expenses for the Chief Auditor to attend professional and official meetings, seminars, conventions, and other meetings and functions that the Chief Auditor deems relevant to the performance of his duties hereunder upon the submission of proper receipts and other appropriate or necessary documentation. All expenses that are payable or reimbursable under this Section 2.08 shall be governed by Section 112.061, Florida Statutes, and School Board Policy 3400 – "Per Diem and Travel Expenses for Board Members, Board Employees and Other Authorized Individuals."

2.09 **Cell Phone**. SBBC shall provide The Chief Auditor with a cellular telephone for official use only. SBBC shall pay for the cost of that equipment and its usage at SBBC's sole cost and expense and shall pay all monthly usage and other recurring charges for the use of such telephone during the Term of this Agreement and any period of extension in accordance with applicable SBBC policies and procedures.

2.10 **Office of the Chief Auditor Resources**. The Chief Auditor will submit requests through the School District's financial, personnel and budget approval processes for the approval of the personnel and budget necessary for the appropriate and efficient function of the Office of the Chief Auditor aligning with the requirements of the Audit Plan of the Office of the Chief Auditor. The approval of such requests are subject to the sole discretion of SBBC.

2.11 **Benefits**.

2.11.1 Employee Benefits. For the Initial Term of this Agreement and any period of extension, the Chief Auditor shall be provided with SBBC-paid benefits for himself, including life insurance, on the same terms and conditions as such benefits are provided to other SBBC 12-month administrative employees. The Chief Auditor shall be entitled to participate in all benefit plans made available to other SBBC 12-month administrative employees.

2.11.2 Liability Policy Benefits. SBBC hereby agrees to include the Chief Auditor as an additional insured in its existing personal third-party liability policy, School Leaders Errors and Omissions Policy, Public Official Liability Policy, or any equivalent policy in effect on the date of the execution of this Agreement (the "Policy"). In addition to the complete defense and indemnification provided for in Section 2.19, entitled "Indemnification" hereunder, or as otherwise provided for in this Agreement, SBBC hereby represents and warrants to the Chief Auditor that the terms of such Policy shall also provide for the complete defense of the Chief Auditor from and against any liability, including Chief Auditor's fees and costs, in connection with any proceedings arising out of the Chief Auditor's performance of his duties hereunder. SBBC hereby covenants and agrees to maintain any Policy referred to in this Section 2.11.2 in full force and effect for the Initial Term of this Agreement and for any period of extension and the Chief Auditor shall be covered for a minimum of four (4) years should SBBC continue any renewal policy after the expiration or termination of this Agreement. In the event such policy is not renewed, the Chief Auditor shall be covered under Section 2.19, entitled "Indemnification", and Section 1012.26, Florida Statutes. In addition, any other benefits afforded to other SBBC 12-month administrative employees will automatically be incorporated into the Chief Auditor's package of benefits.

2.12 **Vacation and Sick Leave**. During the Initial Term of this Agreement and any period of extension, the Chief Auditor shall be entitled to accrue vacation leave at the rate of two (2) days per month and sick leave/personal leave at the rate of one (1) day per month. Upon termination of employment hereunder, the Chief Auditor or his beneficiary and in the absence of a designated beneficiary, his estate shall receive a lump sum payment equal to the Chief Auditor's per diem salary at that time multiplied by the Chief Auditor's accrued vacation and sick days, in accordance with and subject to applicable Florida law and School Board Policies. Such lump sum payment shall be in addition to any other amounts payable to the Chief Auditor upon the termination of employment under this Agreement and applicable law and shall be made within sixty (60) calendar days of the termination. Without limiting the

provision of any benefits hereunder, the Chief Auditor shall be entitled to participate in all benefits programs available to School District employees.

2.13 **Disability or Death**.

2.13.1 Termination for Disability. In the event of his Disability (as hereinafter defined) to fully perform his duties hereunder, SBBC shall have the right to terminate the Chief Auditor's employment. For purposes of this Agreement, "Disability" is herein defined as the Chief Auditor's permanent and total disability such that the Chief Auditor is unable to perform his duties as Chief Auditor as set forth in Section 2.03 of this Agreement, entitled "Duties", herein for a period in excess of six (6) consecutive months. During the period of any temporary disability, and until the Chief Auditor is terminated by SBBC hereunder, SBBC shall pay the Chief Auditor all salary and benefits to which he is otherwise entitled hereunder. Upon termination pursuant to this provision, the Chief Auditor may elect to purchase continued medical insurance or other benefits, if any, in accordance with applicable federal or state law or School Board Policy (e.g. COBRA).

2.13.2 Payment in the Event of Death. In the event of the death of the Chief Auditor at any time during the Initial Term of this Agreement or any period of extension, SBBC shall pay to his beneficiary or beneficiaries, an amount equal to the portion of the Chief Auditor's Salary, together with all benefits to which he was entitled through the date of his death. Such payment shall be made within one (1) month of the date of his death, together with such payments or benefits as are authorized by applicable law or School Board Policies.

2.14 **Evaluation**.

2.14.1 School Board Member Conferences. SBBC shall provide the Chief Auditor with periodic opportunities to discuss Chief Auditor-SBBC relationships and each School Board Member may meet individually with the Chief Auditor to inform the Chief Auditor from time-to-time of any inadequacies in such relationships perceived by the School Board Member, and to also advise of those areas of the Chief Auditor's performance deserving of commendation and accolades.

2.14.2 Audit Plan Strategy. The Chief Auditor will annually develop and submit to SBBC a proposed Audit Plan containing an audit strategy for the School District. The proposed Audit Plan will include reporting and non-reporting activities and include flexibility to allow for adjustments required by unforeseen circumstances; the need to apply additional audit or reporting procedures to existing audit subject areas; the Chief Auditor's identification of additional areas requiring review, investigation, analysis, or inspection; and any new risks presented to the School District. The Audit Plan proposed by the Chief Auditor will be based upon the following:

2.14.2.1 School Board Policy 1700 – "Office of the Chief Auditor" as such policy may be revised or amended from time-to-time; and

2.14.2.2 Information, requests, and requirements presented or required by applicable law enforcement or regulatory entities including, without limitation, the United States Department of Education, the Florida Department of Education, and the Florida Auditor General; and

2.14.2.3 Additional areas of audit coverage, investigation, or review identified by the Chief Auditor based upon the exercise of his professional judgment of risk and of the School District's risk assessment audit needs.

2.14.3 SBBC Approval of the Audit Plan. The annual Audit Plan (and any material modifications thereto) proposed by the Chief Auditor will be submitted for SBBC's consideration and approval. Individual School Board Members will be provided the opportunity to address potential audit subjects during SBBC's consideration of the proposed annual Audit Plan. Any requests to add or delete audit topics to the Audit Plan will require formal approval by SBBC and, absent such approval, audit topics may not be added or deleted from the Audit Plan at the request of one or more individual School Board Members. The initial proposed Audit Plan will be submitted to SBBC by the Chief Auditor for consideration at a School Board Workshop by May 2023 for proposed SBBC approval in July 2023. The proposed Audit Plan for subsequent years of the term of this Agreement shall be submitted to SBBC by the Chief Auditor for consideration at a School Board Workshop in May of each subsequent year for proposed SBBC approval in July of such year.

2.14.4 Chief Auditor's Initiated Audits. Based on the Chief Auditor's professional judgment, and after the plan approval by the Board, an audit or investigation of an area that he or she identifies requiring audit coverage can be added in addition to the Audit Plan. He or she may perform this work upon consultation with the School Board Chair unless the audit involves law enforcement or regulatory matters which would make the audit confidential. The consultation with the Chair will serve as a check and balance to the Chief Auditor. If there is conflict or no agreement with the Chair, the Chief Auditor may bring an item before the Board to amend the Audit Plan.

2.14.5 Chief Auditor's Written Self-Assessment. By April 30 of each year of the Term, the Chief Auditor shall submit to SBBC a written self-assessment of his performance in meeting the established goals and objectives and of his total performance.

2.14.6 Evaluation of the Chief Auditor. Commencing in May of 2023 and continuing at least once a year thereafter, SBBC shall evaluate the Chief Auditor's performance of his duties. Evaluations of the Chief Auditor's job performance shall be based upon the Chief Auditor's job description, the powers and duties of a School Board Chief Auditor as described in Florida Statutes, the goals and performance objectives established under or pursuant to this Agreement, the Chief Auditor's working relationship with SBBC and SBBC's contractual expectations. SBBC may discuss the annual evaluation of the Chief Auditor at a public meeting. The Chief Auditor shall have the right to submit to SBBC a written or oral response to the evaluation. In the event that a majority of the School Board Members determine the performance of the Chief Auditor to be unsatisfactory, SBBC shall specify in reasonable detail the unsatisfactory performance and include recommendations for

improvement in all areas in which the Board determines the Chief Auditor's performance to be unsatisfactory or in need of improvement.

2.14.7 Evaluation Format and Procedures. By September 30, 2022, or such other date as mutually agreed to by the parties, SBBC and the Chief Auditor shall mutually develop an evaluation format and procedures acceptable to both parties to use in the evaluation of the Chief Auditor. SBBC shall then distribute these forms to be completed by individual Board Members.

2.15 **Termination without Cause**. SBBC may terminate the employment of the Chief Auditor at any time during the Initial Term of this Agreement or any period of extension without any reason or for unsatisfactory performance upon an affirmative vote of a majority of the School Board Members. Nothing in this Agreement shall prevent SBBC from exercising its discretion to terminate this Agreement and the services of the Chief Auditor. The Chief Auditor expressly waives any right he might otherwise have to reasons for his termination, prior notice and/or a hearing in connection with the termination of his employment, except as expressly provided in this Agreement. In the event that the Chief Auditor's employment is terminated by SBBC pursuant to this Section 2.15, and in addition to all Salary and benefits then due, SBBC agrees to pay the Chief Auditor a lump sum, as provided under Section 215.425(4)(a), Florida Statutes, in an amount equal to twenty (20) weeks of his then current salary. The Chief Auditor shall not receive the foregoing lump sum payment if he should be terminated by SBBC due to misconduct, as defined in Section 443.036(29), Florida Statutes. In the event that SBBC terminates the Chief Auditor's employment pursuant to this Section 2.15, SBBC agrees to provide the Chief Auditor ninety (90) calendar days' notice prior to the date this Agreement is to be terminated. All payments required to be made hereunder shall be paid by SBBC to the Chief Auditor within sixty (60) calendar days of the effective date of the termination provided in such notice.

2.16 **Termination for Cause**. Aside from SBBC's rights to terminate (as is provided for in Section 2.13.1, entitled "Termination for Disability"; Section 2.15, entitled "Termination without Cause", or Section 2.17, entitled "Resignation"), SBBC may terminate the Chief Auditor for Cause. For purposes of this Agreement, "Cause" is herein defined and shall be limited to the grounds set forth in Section 1012.33(4)(c), Florida Statutes, as may be amended or any successor provisions thereto. SBBC agrees that at least three (3) business days prior to any vote by SBBC to terminate the Chief Auditor for Cause, SBBC shall provide the Chief Auditor with a written notice describing in reasonable detail SBBC's grounds for a termination for Cause. In the event that SBBC intends to terminate the Chief Auditor for Cause, the Chief Auditor shall have full right to contest such action pursuant to the Administrative Procedure Act, as is provided for in Chapter 120, Florida Statutes, as may be amended or any successor provision thereto. Upon any such termination, the Chief Auditor may elect to purchase continued medical insurance or other benefits, if any, in accordance with applicable federal or state law or School Board Policy (e.g. COBRA). In the event the Chief Auditor is terminated for cause pursuant to this Section 2.16, said termination shall be without any severance pay or similar compensation, from the date the termination becomes effective.

2.17 **Resignation**. If the Chief Auditor at any time elects to resign his position, the Chief Auditor agrees to provide SBBC with written notice of such resignation. Unless otherwise mutually agreed, the written notice shall be provided not less than ninety (90) calendar days prior to the date of resignation. If the Chief Auditor elects to resign in accordance with this Section 2.17, SBBC shall pay to the Chief Auditor an amount equal to the portion of the Chief Auditor's Salary then in effect on the date of resignation, together with such payments or benefits as would accrue, through the effective date of the Chief Auditor's resignation and irrespective of any earlier date that SBBC might terminate the Chief Auditor as allowed hereunder. Upon any such termination, the Chief Auditor may elect to purchase continued medical insurance or other benefits, if any, in accordance with applicable federal or state law or School Board Policy (e.g. COBRA).

2.18 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	School Board Chair The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	General Counsel The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
To Jabouin:	Joris M. Jabouin The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301

2.19 **Indemnification**. In addition to any insurance coverage provided by SBBC pursuant to the terms and conditions of the Policy referred to in Section 2.11.2 herein or any other insurance coverage, SBBC shall indemnify and defend the Chief Auditor to the fullest extent permitted by applicable law in effect on the execution date of this Agreement or at any time during the Term of this Agreement, whichever is greater. Without in any way diminishing the scope of the indemnification provided by this Section 2.19, SBBC will indemnify and defend the Chief Auditor if and whenever the Chief Auditor is involved in any manner (including, without limitation, as a party or as a witness) in any threatened, pending, or completed proceeding by reason of the fact that the Chief Auditor is or was employed by, or otherwise was an agent or acted as an agent, of SBBC, or by reason of anything done or not done by the Chief Auditor in those capacities. The defense and indemnification obligations of SBBC under this Section 2.19 shall include a full defense and indemnification for any and all reasonable expenses and fees incurred

by the Chief Auditor or on his behalf in connection with the investigation, defense, settlement or appeal of any such proceeding. Any and all reasonable expenses and fees incurred by or on behalf of the Chief Auditor pursuant to this Section 2.19 shall be advanced by SBBC within twenty (20) calendar days after the receipt of a written request for such payment in accordance with School Board Policies and School District practices and procedures. No initial finding by SBBC, its counsel, independent counsel, arbitrators or any other person or body shall be effective to deprive the Chief Auditor of the protection of the defense and indemnification provisions of this Section 2.19, as it is intended that SBBC shall pay promptly all amounts necessary to effectuate the full defense and indemnification provisions provided by this Section 2.19. Notwithstanding the obligation of SBBC to pay for the defense and indemnification provided by this Section 2.19, the Chief Auditor shall retain the complete right to retain the counsel of his choice and oversee, direct and control every aspect of the defense, settlement or appeal of any proceeding that is the subject of this Section 2.19. However, in any case in which the Chief Auditor pleads guilty or nolo contendere or is found guilty of any such action, the Chief Auditor hereby agrees to reimburse SBBC for any reasonable legal fees which SBBC may have supplied pursuant to this Section 2.19. The terms and conditions of this Section 2.19 shall survive the termination of this Agreement.

2.20 **Certifications.** The Chief Auditor holds a certification as a Certified Public Accountant, among other certifications. The Chief Auditor shall maintain that certification at all times during the Term of this Agreement and any period of extension. SBBC shall reimburse the Chief Auditor for the costs and expenses incurred in maintaining that certification, including any membership fees and continuing education requirements up to the amount included in each year's SBBC-approved budget.

2.21 **Professional Development.** SBBC encourages the continuing professional growth of the Chief Auditor through his participation, as he might decide in light of his responsibilities as Chief Auditor, in the operations, programs and other activities conducted or sponsored by local, state, and national associations, seminars and courses offered by public or private educational institutions; informational meetings with other persons whose particular skills or backgrounds would serve to improve the capacity of the Chief Auditor to perform his professional responsibilities for SBBC, and visits to other institutions. SBBC shall reimburse the Chief Auditor for the costs and expenses incurred for professional growth and development activities up to the amount included in each year's SBBC-approved budget.

2.22 **Memberships.** SBBC agrees to pay dues up to the amount included in each year's SBBC-approved budget on behalf of the Chief Auditor for membership in such organizations that the Chief Auditor believes necessary to carry out SBBC's mission. Furthermore, SBBC agrees to pay the reasonable cost of the Chief Auditor's subscription to professional journals up to the amount included in each year's SBBC-approved budget.

2.23 **Taxes.** The Chief Auditor shall remain liable for any and all tax liabilities as a result of the benefits received herein. The Chief Auditor represents that he has sought competent legal advice and is advised that he is responsible for any and all tax liabilities as a result of the benefits and compensation received herein.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination without cause pursuant to Section 2.15.

3.04 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.05 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.06 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County,

Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.07 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.08 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.09 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.10 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.11 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.12 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.13 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.14 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a

waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.15 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.16 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.17 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.18 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.19 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
JOB DESCRIPTION

POSITION TITLE:	Chief Auditor
JOB CODE:	A-013
CLASSIFICATION:	Exempt
SALARY BAND:	Contract
CONTRACT TERM:	Contract
REPORTS TO:	The School Board of Broward County, Florida
CONTRACT YEAR:	Twelve Months

POSITION GOAL:
To design, implement and coordinate the District's internal auditing function to assure conformance with School District policies, state and federal regulations, and established auditing principles and procedures. Special emphasis to be placed on the auditing of the District's ongoing facilities construction and maintenance program.

ESSENTIAL PERFORMANCE RESPONSIBILITIES:
The Chief Auditor shall carry out the essential performance responsibilities listed below.

- Supervise staff as assigned in the performance of job duties.
- Manifest professional code of ethics and values.
- Design and administer an internal audit program, including procedures, practices and schedules for review and control of internal accounting and financial records, and develop a system for reporting to the Superintendent auditing activities and findings, and (through the Superintendent) report to other members of management as applicable.
- Design, coordinate and implement an audit function for the District facilities construction and maintenance program. This shall include, but not be limited to, reviews to establish compliance with procedures for selecting professional services, reviewing bid documents for general contractors, review of procedure used in site acquisition, construction contracts including adherence to all specifications, etc. Other responsibilities shall include:
    a. Review compliance with engineering and architectural specifications and state regulations. Assure compliance with all building regulations including OSHA standards.
    b. Review contracts for the purchase and building of portable classrooms.
    c. Audit new property leaseholds.
    d. Review of District construction and maintenance projects for compliance with established quality, time, and budget standards.
    e. Provide staff assistance with procedures and systems.
    f. Review formal communication systems (written and electronic) between the facilities and capital budgeting departments to ensure appropriate sharing of information.
- Direct the supporting organization, develop, and establish the duties of subordinate auditors; schedule their assignments, special studies and analyses, and field trips; initiate and supervise the preparation of reports that set forth the internal controls reviewed, the basic records examined, and the documents and transactions tested.
- Establish the purpose and the scope of each audit, i.e., if it is a review of a single function or action, or if the audit should include the review of an entire area of responsibility such as a department and the functions it performs.
- Examine for validity and accuracy the accounting and financial records and FTE reporting in connection with mathematical accuracy and authenticity of actual values compared with the data; for example, this may include physical inventory checks of material in terms of number or value, direct confirmation of values or amounts from independent outside interests, etc.
- Protect and conserve School District property and assets of all kinds (through the auditing function) by ensuring that all assets are properly cared for and safeguarded by the following procedures:
    a. Detection of fraud and dishonesty - establishing necessary controls to place emphasis on prevention of fraudulent activity.
    b. Checking for adequate burglary protection, for protection of inventories against all elements and similar type "physical" losses.
    c. Review of the adequacy of insurance and the data relative to the building, material, or equipment on which the insurance is based.
    d. Detection of inefficiencies in methods or procedures as, for example, accounting document processing procedures.

e. Review of the physical condition and location of operating assets.
f. Review of "outside" transactions covering purchasing, and in some cases, special agreements, and contracts.

- Review and report, from an audit of policies and procedures in both financial, facilities and operational functions of the School District, for compliance with the controls that management and the principal departments have established in their operations. Such audits may include review for conformance to accounting procedures, hiring practices, safety observances or compliance with governmental regulations, Florida Statutes, state and federal regulations, and School Board policy, i.e., revenue acts, social security legislation, minimum wage legislation, etc. This type of audit essentially measures and evaluates the effectiveness of other controls. All final reports will be submitted to the Superintendent and Board simultaneously.
- Review records and procedures for their competence to perform the intended function or activity; in addition, review and appraise the policies and plans of the School District as they relate to a specific area in which the auditor is conducting a study and/or analysis.

EXECUTIVE SUMMARY

Recommendation to Approve 2023-24 Capital Fund Amendment #1 As of December 31, 2023

Board Meeting Date: January 23, 2024

Requested Action

Approve Capital Fund Amendment #1 changes in revenue and appropriations and a net reduction of $20,829,192 from the unallocated capital reserve, with an ending SMART Reserve of $0 and an ending unallocated capital reserve of $56,700,109.

Impact if the Board Voted Yes or No

If the Board votes "Yes"

From unallocated capital reserves, staff would:

- Fund ADA projects with an expected completion of June 2024.
- Fund SMART program needs projected through July 2024.

If the Board votes "No"

- ADA projects will be underfunded.
- SMART program projects will not have sufficient funding.

Background/History

The following items are amending the unallocated capital reserve. The net impact of these changes results in an unallocated capital reserve balance of $56,700,109.

Current Balance Unallocated Reserve	**$ 77,529,301**	
SMART Program Need		$ (28,486,180)
ADA Projects		(2,341,731)
SMART Project Closeout Savings		2,248,230
DEFP Project Closeout Savings		3,610,489
Insurance Loss Recoveries		4,140,000
Sub-Total	**(20,829,192)**	
Ending Balance Unallocated Reserve	**$ 56,700,109**	

(See Exhibit C, page 36)

- **SMART Program Need**
  - Funding of $82,894,239 is required to fully allocate all remaining SMART program projects based on Atkins projections, current PMOR contracts, and Building Department supplemental services needs. Exhibit E, page 38 includes a detailed listing.
  - This will be funded from the remaining SMART reserve balance and the unallocated capital reserves.

Funding the SMART Program Needs	
SMART Funding Needs	**$ 82,894,239**
Funded From:	
Current SMART Reserve	54,408,059
Unallocated Reserve	28,486,180
Funding Sources	**$ 82,894,239**
	(See Exhibit E, page 38)
➔ ***The SMART Reserve balance will be $0*** (See Exhibit C, page 35)	

  - This amendment only impacts the current fiscal year 2023-24 capital budget and additional funding will be required for program/project management costs in future fiscal years until the projects are completed.
  - Individual project-level costs such as change orders or Board approved scope changes will impact the unallocated reserve if those costs exceed the project budget.

- **ADA Projects**

  The Facilities staff identified ADA projects totaling $2,341,731 and recommended completion this school year. Exhibit D, page 37 includes a detailed listing.

- **Project Closeouts**

  In this Capital Fund Amendment, SMART project closeouts add $2,248,230 to the SMART reserve and DEFP project closeouts add $3,610,489 to the unallocated reserve. Total savings from project closeouts are $5,858,719. Exhibit F, page 39, and Exhibit G, page 45 include a detailed listing of project closeouts.

- **Insurance Recovery**

  $4,140,000 was received from insurance for April 2023 flood claims. This is an open claim and additional payments are anticipated.

Alignment to 2027 Goals and Guardrails

Guardrail 2: Equity – ADA projects increase the District's ability to serve students, staff, and the community that require accessibility.

Guardrail 3: School Support – The ongoing work of the SMART program allows the District to continue to enhance schools for students and staff.

Guardrail 4: Accountability - This item is presented to the School Board to comply with statutory requirements per Fla. Admin. Code R. 6A-1.007.

Measurable Outcome(s)/Return on Investment

Funding these requests allows staff to continue with planned ADA projects and the SMART Program.

Financial Impact

This item fully allocates the SMART Reserve and has a net reduction to the unallocated capital reserve of $20,829,192. The SMART Reserve will be $0, and the unallocated capital reserve will be $56,700,109.

Requested Action:

Approve this Change Order #1 in the amount of $76,038 and no days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures the replacement of code required transformers and panelboards.

If no: A delay in the approval of this item could further delay the completion of the capital project.

Background/History:

The scope of work for the project includes fire sprinklers, electrical improvements, media center improvements, HVAC improvements, STEM lab improvements and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	5,916,870.00	801 Days
DIRECT OWNER PURCHASE(S):	$	(388,329.00)	0 Days

CURRENT REVISED CONTRACT:	**$**	**5,641,154.00**	**801 Days**

Status of Work:

Construction of the project is 72% complete.

Change Order Items:

Item #1 – (COI #7) Replacement of Transformers and Panelboards in Buildings 1, 2 and 6: The original bid drawings called for the replacement of the existing panelboards and transformers. However, due to the larger dimensions of the new equipment, a decision was made to relocate the new transformers and panelboards to meet the clearance requirements, and thereby optimizing safety and functionality. Therefore, the Contractor is to provide labor, material, and equipment to relocate transformers and panelboards. (Consultant Omission – $76,038; Add 0 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM and cost by Atkins and received a recommendation for approval from the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Measurable Outcome(s)/Return on Investment:
The approval of this item ensures that the transformers and panelboards are installed per code requirement.

Financial Impact:
The financial impact of this item is $76,038 and will be funded from the current project budget.

Location No:	2351		
Contractor:	LEGO CONSTRUCTION CO. 1011 SUNNYBROOK AVE - STE #905 MIAMI,FL 33136	Reference Letter Dated:	

Description of Change:
The original bid drawings depict the replacement of several transformers and panelboards throughout the school, to be installed at the same location as the existing. ASI 2 relocated most of the panelboards and transformers.

Attachments: _____

Reason For Change:
RFI #8 was submitted on 11/16/22 concerning the clearances within electrical rooms for the transformers and panelboards. Per the EOR response on 01/12/23, an upcoming Electrical ASI would address the clearance issues. ASI 2 issued on 02/15/23 changed the location of most panelboards and transformers.

Requested Action:
Approve Change Order #2 and additional funding in the amount of $5,584 and no days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures the completion of the scope of work.

If no: If this item is not approved, this work will not be able to move forward.

Background/History:
The scope of work for the project includes building envelope improvements and HVAC improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	2,825,072.35	365 Days
DIRECT OWNER PURCHASE(S):	$	0.00	0 Days
PREVIOUSLY APPROVED CO'S:	$	42,563.00	0 Days
CURRENT CO REQUEST:	$	5,584.00	0 Days
CURRENT REVISED CONTRACT:	**$**	**2,873,219.35**	**365 Days**

Status of Work:
Construction of the project is 94% complete.

Change Order Items:
Item #1 – (COI #12) Installation of Face and Bypass in Buildings 2 & 8 (Classrooms): The original design intent for the spaces served by the air handler units in Buildings 2 and 8, was based on a single zone variable air volume system with variable frequency drives (VFD). That means the system would keep the unit supply fans operating at the lowest speed possible while maintaining the desired temperature and humidity. Owner has requested the replacement of the existing system with a constant air volume system which will supply airflow at a constant rate while the air temperature is varied to meet the thermal load of the space. (Owner's Request – $5,584; Add 0 Days)

Other Item:
Item #1 – Additional Funding Request: This change order item exceeds the available change order contingency in the project, therefore $5,584 is being requested. The project has fully depleted the change order contingency and any future change orders will require additional

Board approval.

Action Plan:
This change order has been reviewed for entitlement and cost by AECOM and received a recommendation for approval from the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board meeting.

Measurable Outcome(s)/Return on Investment:
Approval of this item ensures that a face and by-pass delivery to the existing AHUs in lieu of VFDs at the request of the District's Mechanical engineer.

Financial Impact:
The financial impact of this item is $5,584 will be funded from Capital Projects Reserve. This increases the project budget from $3,488,630 to $3,494,214.

	Report Subject: Forensic Schedule Delay Analysis

1. Introduction

1.1 All schedule activity names referenced in this review letter will be italicized. Related project documentation referenced throughout this review letter will be italicized.

1.2 Definitions: The term “longest-path” is defined as the interconnected chain of critical activities in which the total duration of that path is longer than any other path. For continuity of understanding across all present and forthcoming parties to view this document, the term “critical” will be used as the short form of the term “longest path”. The term “critical” is defined as activities having a total float equal to or less than zero (0) days. The term “unimpacted schedule” can be defined as the “base” schedule or latest Owner-accepted schedule prior to the start of the subject delay event. Where not elsewise differentiated, the term “days” will be used instead of calendar days or consecutive days for brevity. Schedule terminology contained throughout this review letter will use the above expressed definitions unless otherwise delineated. For the purposes of this report: “Excusable Delays” are defined as delays that are unforeseeable and beyond the control of the contractor. “Non-Excusable Delays” are defined as delays that are foreseeable or within the contractor's control.

1.3 Methodology: AECOM used a modified Method In Practice (MIP) 3.7. “Retrospective Time Impact Analysis (TIA)” methodology to validate the contractor’s TIA submission via independent analysis as described in AACE International Recommended Practice No. 52R-06. This method was slightly modified as it contains schedule activities that model the delay event both retrospectively (in the past) and prospectively (in the future) based on key assumptions discussed herein. This MIP was chosen as the “best fit” for the contractor’s submission since it utilized a contemporaneous to the delay event schedule file and performs a schedule analysis by adding a modeled event to an unimpacted schedule to measure project progress both pre and post impact. This method is used for projects which are on-going and thus provide a forward-looking perspective in near-real time context.

2. Executive Summary

2.1 The AE issued a substantial completion certificate for Silver Trail Middle School, P.001406 on 30-Sep-20. This is three-hundred, seventy-seven days (377) after the original substantial completion date. The schedule update, Data Date 30-Sep-20 reports three-hundred, Seventy-seven (377) days delay to substantial completion (SC).

2.2 The contractor claims the substantial completion was delayed due to roofing package approval, replacing cooling tower, out of scope remediation after roofing inspection, Building 1 damper replacement, and inclement weather impacts.

2.3 The Reviewer identified five delay impact events as follows:

- Delay Event 1: The owner denied the contractor access to areas of the building required for replacement of the cooling tower due to non-conformance. Specifically, the contractor had installed heat pumps without requesting an inspection and approval from the building department. This resulted in the issuance of a stop work order. However, Total Float (Contingency time) was available but eventually eroded, reducing the overall impact of this delay to the SC. **Total impact to the project is 63 days.**

- Delay Event 2: Upon demolition of the upper roof material of Building 1, it was found there was no sub-straight on which to attach roofing material to the inside of the parapet, but only metal framing. The inspector prescribed an out-of-scope remediation to provide a sub-straight material to which the flashing and roof membrane could be secured to. This resulted in a change order, delaying roofing work already on the critical path. **This event impacted the project 84 days, bringing the total project delay impact to 147 days.**

- Delay Event 3: The July 2020 Updates reports additional 158 days delays after end of Event 2 impact, installation of Parapet wall (28-Nov-2019). **Before modeling Event 4** (the damper replacement into July 2020 updates), **the SC was delayed by an additional 158 days, bringing the total project delay to 305 days.**

- Delay Event 4: During Inspections it was found that existing dampers in Building 1 were not functional. This led to Change Order, # 3, where the contractor had to replace 15 dampers. **This event delayed the project by 72 days, bringing the total project impact to 377 days.**

- Delay Event 5: The AE issued the contractor a certificate of substantial completion on 30-Sep-20. However contemporaneous project records validated with the Project Management team report the project still had construction activities still in progress. Further, there were several failed mechanical and building inspections between 30-Sep-20 (that date of the AE issued certificate of substantial completion) and 04-Jun-21 (Final Inspection). **In agreement with the Project management team, 04-Jun-21 is considered an official substantial completion date and not 30-Sep-20. The time between 30-Sep-20 and 04-Jun-21 is an 247 days, chronologically and cumulatively bringing the entire project delay to six-hundred, twenty-four (624) days.**

2.4 The contractor also claims 24 days delay in their operations due to inclement. Article 6 of the Project Manual describes rain as “Adverse weather such as rain is not to be considered as an Act of God unless it exceeds the ten (10) year average as published by the National Weather Service (or equivalent organization acceptable to the Owner at its sole discretion) for that time of year in Broward County. These 24 days do not exceed the time specified in Article 6 so the delay does not qualify as excusable.

3. Recommendation

3.1 It is recommended that an **excusable, non-compensable extension of one-hundred fifty-six (156) days excusable and non-compensable days are added to Construction Contract's Contractual SC**, with Final Completion (FC) also extended accordingly, with the responsibility categorized as depicted below.

Contractor	Owner	A/E	Other	Net Impact
468	156	0	0	624

Justification for Recommendation

3.2 The delay events are summarized as follows:

Delay Event		Impact Delay Days	Responsibility
1	Cooling Tower	63	Contractor
2	Parapet Change	84	Owner, Unforeseeable Conditions
3	Progress Delay	158	Contractor
4	Damper Replacement	72	Owner, Unforeseeable Conditions
5	Continued Roofing Work and Failed Inspections	247	Contractor

3.3 Delay Event 1: The delay event started with the cooling tower replacement when a stop work order was issued and contractor access to the building was denied. The contractor was ready to replace the cooling tower on 30-Jul-19 but the owner denied access to the contractor asking for a detailed work plan (required and foreseeable on bid day). Additionally, the Project management team confirmed the stop-work order was issued because due to non-conformance as the contractor installed heat pumps without requesting an inspection and approval from the building department. As it was the contractor's responsibility to comply with the contract, the contractor is responsible for this delay. This no-work order was in place until 23-Dec-2019 and work was completed on or about 1-Mar-2020. This is a total delay of 215 days (30-Jul-2019 to 1-Mar-2020). *Note however that because 177 days of Total Float (Contingency Time) was available to the project, and the SC was only impacted by 63 days; therefore only 63 days are assigned as the Contractor's responsibility*.

3.4 Delay Event 2 started with a roofing inspection that identified an unforeseen condition on 15-Aug-19, when the unforeseen condition of the substrate under the parapet wall was inserted into the pre-impact the SC becomes negatively impacted by a total of one-hundred, forty-seven (147) days, adding 84 days to the previous 63-day delay impact.

3.5 After the end of Event 2, installation of the Parapet wall (28-Nov-2019) the July 2020 Updates reports 158 days delay. This 158-day delay was because of contractor behind the schedule on planned activities. Before modeling Event 3, the damper replacement into July 2020 updates, the SC was delayed by 305 days including this 158 days contractor's delay.

3.6 Another change order for Building 1 damper replacement started affecting the SC in August 2020. When building 1 damper replacement was inserted into the pre-impact the SC becomes negatively impacted by 377 days, which matches the substantial completion certificate dates, issued by the AE.

3.7 Though the AE issued the contractor a certificate of substantial completion on 30-Sep-20, contemporaneous updates report construction activities still in progress. The Project Management team disagrees with the AE issuing a substantial completion certificate on 30-Jun-20 while the AE continued working on the project until 04-Jun-21. Additionally, there were several failed mechanical and building inspections during 30-Sep-20 (an AE issued certificate of substantial completion) and 04-Jun-21 (Final Inspection). **In agreement with the Project Management team, 04-Jun-21 is considered an official substantial completion date** and not 30-Sep-20. This event including the aforementioned delay events, chronologically and cumulatively, brings the entire project delay to six-hundred, twenty-four (624) days.

4. Project Background

4.1 NTP was issued on 04-Sep-18. The original Contract duration was three hundred eighty-two (382) days from NTP to SC, and an additional thirty (30) days from SC to FC, four hundred twelve (412) days total.

4.2 The project scope includes two buildings with roofing, mechanical, electrical, and Fire Alarm work.

4.3 To date no contract time extensions are awarded.

4.4 The baseline schedule models nothing on the critical path. HVAC activities are the nearest to critical with 85 days of Total Float.

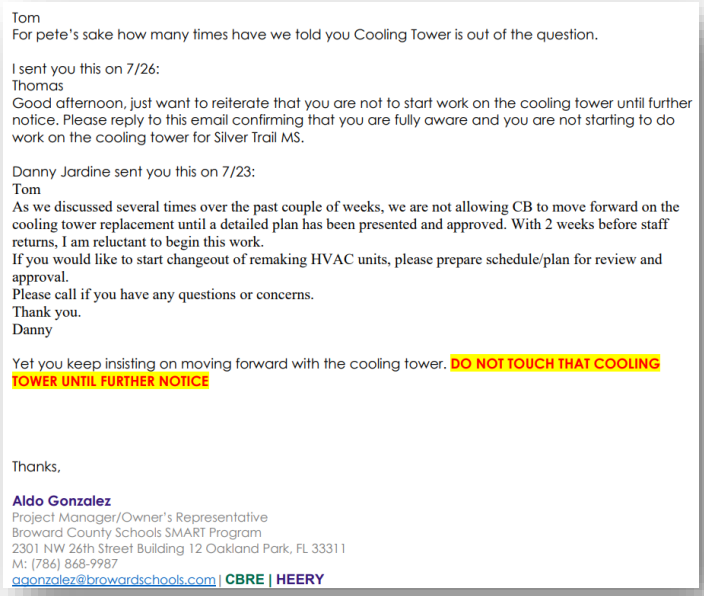
4.5 The project experienced several delays, both concurrent and consecutive in nature. The delays affecting the SC are:

- Delay Event 1: Cooling Tower Replacement
- Delay Event 2: Change Order #9 (Out-of-scope remediation in roofing after inspection)
- Delay Event 3: Progress Delay
- Delay Event 4: Change Order #3 (Damper Replacement)
- Delay Event 5: Continued Roofing Work and Failed Inspections

5. Quantitative Analysis

5.1 Delay Event 1 Cooling Tower Replacement:

- The contractor was ready to work on the cooling tower on 30-July-2019 but was denied access because of a stop work order issued in April 2019 for replacing the cooling tower. The contractor was asked to provide a detailed plan for replacing the cooling tower which the contractor failed to provide before 30-Jul-19.
- When requested on moving forward with the cooling tower the below email figure 1 was sent to the contractor.



Tom
For pete's sake how many times have we told you Cooling Tower is out of the question.

I sent you this on 7/26:
Thomas
Good afternoon, just want to reiterate that you are not to start work on the cooling tower until further notice. Please reply to this email confirming that you are fully aware and you are not starting to do work on the cooling tower for Silver Trail MS.

Danny Jardine sent you this on 7/23:
Tom
As we discussed several times over the past couple of weeks, we are not allowing CB to move forward on the cooling tower replacement until a detailed plan has been presented and approved. With 2 weeks before staff returns, I am reluctant to begin this work.
If you would like to start changeout of remaking HVAC units, please prepare schedule/plan for review and approval.
Please call if you have any questions or concerns.
Thank you.
Danny

Yet you keep insisting on moving forward with the cooling tower. DO NOT TOUCH THAT COOLING TOWER UNTIL FURTHER NOTICE

Thanks,

Aldo Gonzalez

Figure 1: Standby direction on cooling tower until further notice

- Further, the contractor installed heat pumps without requesting an inspection and approval from the building department. This resulted in the issuance of a stop work order.

- The contractor was allowed to resume working on 23-Dec-2019 and work completed on or about 1-March-2020.

- As the delay event begins with the submission of documentation that was foreseeable on bid day, the baseline (Data Date 04-Sept-2018) was used as the pre-impact schedule.

- Within the baseline nothing is on the critical path, roofing work calculated 177 days of positive Total Float (contingency time). When new schedule activities were inserted into the pre-impact schedule, the total delay was 215 days. However, considering the 177 days of contingency time, the total impact to the SC was only 63 days (negative Total Float). **(240 days of total impact – 177 Total Float Contingency Time =63 days of impact to the SC.) Therefore, this delay event impacted the SC 63 days.**

Figure 2: Delay Event 1 Cooling Tower Replacement

5.2 Delay Event 2: Change Order #9 (Out-of-scope remediation in roofing after inspection)

- During roofing inspection on 15-Aug-19 it was found there was no sub-straight on which to attach roofing material to the inside of the parapet but only metal framing. A change order was issued to provide sub-straight material to which the flashing and roof membrane can be secured to.

- To model this next chronological delay event, new activities were inserted into a copy of the July 2019 update schedule to retrospectively model known events and prospectively forecast future dates of potentially impacted schedule activities. A 5-day workweek Calendar was used by the contractor.

- **When new schedule activities are inserted into the pre-impact schedule the SC is further delayed by 84 days, bringing the total project delay to 147 days.** However, an additional 23 days is required for project closeout documentation effecting SC, **bringing the total impact for this single delay event to 107 days. Chronologically and cumulatively, this is a total impact to the project of 147 days.** See figure next page.

5.3 Delay Event 3 and 4: Lack of Progress and Change Order #3 (Damper Replacement)

- To calculate the impact of this event on the SC the July 2020 update was used as the pre-impact schedule (Data Date 30-Jul-20). A 5-day workweek Calendar was used by the contractor, calculations below are in calendar days.

- **The pre-impact schedule (Data Date 30-Jul-20) reports the project as having incurred an additional 158-day delay due to a lack of progress on the critical path.** No explanation is provided to substantiate an excusable delay for this time. **Chronologically and cumulatively, this brings the total project delay to 305 days (147 days + 158 days = 305 days total).**

Figure 4: Delay Event 3: Lack of Progress

- During the reroofing scope 15 backdraft dampers were identified as inoperable. Change Order 3 was issued to replace the dampers.
- **The new Building 1 damper replacement schedule activity when inserted impacted the SC by 72 days. Chronologically and cumulatively, this is a total impact to the project of 377 days.**
- **This 377 calendar days extends the SC to a date that matches 30-Sept-2020 on the substantial completion certificate issued by the AE.**

Document 01770e (01 65 16.40)-Project Consultant's Letter Establishing Substantial Completion Date

Instructions for Project Consultant's Use: Provide this completed letter to establish the Date of Substantial Completion of the Work or a designated portion thereof.

To: (Owner's Representative) Chis Schiappa, Broward County School Board
Project No: P.001406
Facility Name: Silver Trail Middle School
Location No: 4841
Contractor: CB Constructors

Contractor's Request No.: 1 **Date:** 2/15/21
[X] Full Project

On September 30th, 2020 the Substantial Completion Inspection was completed for the project, or designated portion thereof, listed above.

This shall certify that the Contractor achieved Substantial Completion and the Work, or designated portion thereof, was ready for beneficial occupancy on the following date:
September 30th, 2020

The date of Substantial Completion is the last date of Substantial Completion for this Work, or designated portion thereof, originally requested by the Contractor. Evidence is provided by our signatures below that the Project Consultant and Contractor agree that this project was ready for Beneficial Occupancy by the Owner for its intended purpose on the date of Substantial Completion listed above. The Owner is advised to submit Standard Form 770 to advise Risk Management and Safety of the required change of insurance for this completed portion of the Work.

Figure 6: Certificate of Substantial Completion

5.4 Delay Event #5: Continued Roofing Work and Failed Inspections

- Though the AE issued the contractor a certificate of substantial completion on 30-Sep-20. However contemporaneous updates report construction activities still in progress.
- Additionally, the Project Management team disagrees with the AE issuing a substantial completion certificate on 30-Sep-20 while the AE continued working on the project until 04-Jun-21.
- The contractor claims roofing 95% complete in their pay application for December 2020, which validates the Project Management team's declaration of 30-Sep-20 as an invalid substantial completion date.
- There were several failed mechanical and building inspections during 30-Sep-20 (an AE issued certificate of substantial completion) and 04-Jun-21 (Final Inspection).
- **In agreement with the Project Management team, 04-Jun-21 is considered an official substantial completion date and not 30-Sep-20.**
- A new schedule activity named "roofing work and failed inspections" was added to the July 2020 schedule updates. The new activity extended the project completion date to 04-Jun-21. **(4-June-21 - 30-Sept-20 = 247 calendar days.)**
- **This activity including the aforementioned delay events, chronologically and cumulatively, brings the entire project delay to six-hundred, twenty-four (624) days. (377 days +247 days = 624 days total.)**

Figure 7: Final Inspection 6/4/21 (Presumed as Certificate of Substantial Completion)

5.5 Given the above, the status of the contract would be as follows:

	Delay Event	Total Delay	Available Float	Impact Delay Days	Cumulative Delay
1	Cooling Tower	240	-177	63	63
2	Parapet Change		0	84	147
3	Progress Delay		0	158	305
4	Damper Replacement		0	72	377
5	Continued Roofing Work and Failed Inspections		0	247	624

6. Qualitative Analysis

6.1 Contemporaneous schedule updates indicate a continuous increase in negative Total Float for roofing work.

6.2 The contractor claims 358 days delay to the original SC date of 21-Oct-19. The delays associated with this CHNG-11 are with the Roofing work and weather.

6.3 The contractor has claimed an extension for roofing package approval while the package was approved before becoming critical. This event does not qualify for any extension.

6.4 The contractor also claims an extension of 145 days due to access denial to Building by the owner on July 30, 2019 to replace the cooling tower. A stop work order for the cooling tower was issued to the contractor in April 2019. The Project management team confirmed that the order was issued because of non-conformance. The contractor had installed heat pumps without requesting an inspection and approval from the building department. This resulted in the issuance of a stop work order. The contractor owns this delay due to non-compliance.

6.5 The contractor claims the first delay event as roofing submittal delays but the baseline models roofing submittal with a total float of 177 days.

6.6 The contractor also mentions delays caused by replacing a steel ladder with aluminum resulting in ASI 1. The ladder was installed after the issuance of the Substantial Completion Certificate on 30-Sep-2020 but this item was a requirement to achieve the SC.

6.7 Though AE had issued a certificate of substantial completion, but the contractor continued working on roofing and mechanical work until the final building inspection was held on 04-Jun-21. Passing this final inspection is considered a pre-requisite for a substantial completion certificate, hence extended the SC date to 04-Jun-21 instead of considering it 30-Sep-20.

7. Responsibility Matrix

7.1 Delay event 1: Cooling Tower replacement delay was caused due to non-compliance. A stop work order for the cooling tower was issued because the contractor had installed heat pumps without requesting an inspection and approval from the building department. *Therefore, the contractor is responsible for this delay.*

7.2 Delay Event 2: During the roofing inspection it was found that there is no sub-straight on which to attach roofing material to the inside of the parapet but only metal framing. A change order was issued to provide a sub-straight material to which the flashing and roof membrane can be secured to. *As this delay event is due to unforeseen conditions that would not have been discoverable without destructive inspections, it is considered the Owner's delay.*

7.3 Delay Event 3: Between 31-July-2019 and 30-Jul-2020, the project was delayed 158 days. No explanation is provided by the contractor for this delay such that the TIA Reviewer can classify this delay time as anything other than "inexcusable." *Therefore, the contractor is responsible for this delay.* **If new information is provided regarding the nature of project delays occurring within this timeframe, TIA Reviewer will reconsider the classification of these delays accordingly.**

7.4 Delay Event 3: During the reroofing scope 15 backdraft dampers were identified to be inoperable. *As this delay event is due to unforeseen conditions, it is considered the Owner's delay.*

7.5 Delay Event 4: The contractor continued working on roofing even after the issuance of certificate of substantial completion by the AE. The final building inspection was requested by the contractor on 03-Jun-21 and held on 04-Jun-21. In between 30-Sep-20 and 04-Jun-21 several inspections were failed delaying the project. *Therefore, the contractor is responsible for this delay.*

7.6 In summary:

Delay Event		Impact Delay Days	Responsibility
1	Cooling Tower	63	Contractor
2	Parapet Change	84	Owner, Unforeseeable Conditions
3	Progress Delay	158	Contractor
4	Damper Replacement	72	Owner, Unforeseeable Conditions
5	Continued Roofing Work and Failed Inspections	247	Contractor

7.7 The responsibility for the extension should be categorized as depicted below.

Contractor	Owner	A/E	Other	Net Impact
468	156	0	0	624

7.8 Given the above, the contractor is entitled to a total of one hundred fifty-six (156) days excusable and non-compensable days.

Topic: JJ-5.) Change Order #5 – Silver Trail MS

Staff Follow Up: The request is to change the contractual date to February 24, 2020. That was 4 years ago. Can you please explain this? **RSBM-012324-03 (D. Hixon)**

Response: This item seeks approval of a credit of 156 days to the General Contractor for delays attributed to parapet repairs and damper replacement, which were unforeseen and outside the contractor's scope of work. The granting of these days would adjust the Original Substantial Completion Date from September 21, 2019, to February 24, 2020.

The project experienced additional delays which resulted in the project reaching Actual Substantial Completion on June 30, 2021, and Final Completion on June 17, 2022. The PMOR and staff are evaluating those additional delays to determine responsibility.

This item is being bought forth at this time because the contractor did not request time for delays until after Substantial Completion was reached in June of 2021 and the appropriate analysis conducted.

Requested Action:

Approve this Change Order #6 in the amount of $11,423 and no days added to the contract duration and approve additional funding in the amount of $4,359.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures completion of the scope of work.

If no: A delay in the approval of this item could further delay the completion of the HVAC system.

Background/History:

The scope of work for the project includes fire sprinklers, HVAC improvements, safety/security upgrades, conversion of existing space to a music and/or art lab, music room renovation, and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	6,079,000.00	425 Days
DIRECT OWNER PURCHASE(S):	$	(899,756.16)	0 Days
PREVIOUSLY APPROVED CO'S:	$	366,061.00	0 Days
CURRENT CO REQUEST:	$	11,423.00	0 Days
CURRENT REVISED CONTRACT:	**$**	**5,556,727.84**	**425 Days**

Status of Work:

Construction of the project is 88% complete.

Change Order Items:

Item #1 – (COI #17) Installation of Outside Air Intake Ductwork in Building 1: The original drawings called for the existing Outside Air Intake Ductwork to remain. However, during construction, it was identified that the existing ductwork is completely corroded and needs to be replaced in order to provide a fully functioning HVAC system. Therefore, the Contractor is to provide labor, materials, and equipment to install new outside air intake ductwork in Building 1. (Consultant Omission - $11,423; Add 0 Days)

Other Item:

Item #1 – Additional Funding Request: This change order item exceeds the available change order contingency in the project, therefore $4,539 of additional funding is being requested. The project has fully depleted the change order contingency and any future change orders will require additional Board approval.

Action Plan:
This change order has been reviewed for entitlement and cost by AECOM. The above-referenced Change Order Item, COI #17 received a recommendation for approval by the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Measurable Outcome(s)/Return on Investment:
The approval of this item ensures the scope of work is completed according to District and Florida Building Code standards; it also ensures the outside air ductwork is installed.

Financial Impact:
The financial impact of this item is $11,423. Additional funding in the amount of $4,539 is required from the Capital Projects Reserve and increases the budget from $7,973,000 to $7,977,539.

Requested Action:

Approve this Change Order #7 in the amount of $39,338 and 61 days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures the completion of the scope of work.

If no: A delay in the approval of this item could further delay the completion of the capital project.

Background/History:

The scope of work for the project includes fire sprinklers, safety/security upgrades, building envelope improvements, electrical improvements, HVAC improvements, and media center improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	9,108,315.00	550 Days
DIRECT OWNER PURCHASE(S):	$	(1,639,397.59)	0 Days
PREVIOUSLY APPROVED CO'S:	$	171,570.00	481 Days
CURRENT CO REQUEST:	$	39,338.00	61 Days
CURRENT REVISED CONTRACT:	**$**	**7,679,825.41**	**1,092 Days**

Status of Work:

Construction of the project is 85% complete.

Change Order Items:

Item #1 – (COI #30) Relocation of Condensate Drain in Building 8: During construction, it was identified that the volume of condensate from all units was too high for a drywell per District standards and that the condensate drain would require connection to the storm water drain line in lieu of a drywell. Therefore, the Contractor is to provide labor and material to complete the condensate drains in Building 8. (Consultant Omission – $8,187; Add 61 Days)

Item #2 – (COI #42) Installation of Door to Grant Access in Building 1: Original drawings did not include access to air handling unit 1 (AHU 1) in Building 1. Therefore, the Contractor is to provide labor, materials, and equipment to install a new door giving access to AHU 1 in Building 1. (Consultant Omission – $13,126; Add 0 Days)

Item #3 – (COI #46) Relocate Existing Electrical Wiring in Building 10: The partial ceiling removal uncovered existing electrical items that did not meet Florida Building Code and electrical work would be required to accommodate the new ductwork routing. Therefore, the Contractor is to provide labor, material and equipment to make corrections to existing electrical issues above ceiling and to relocate existing electrical items to accomodate new ductwork in Building 10. (Unforeseen - $16,326; Add 0 Days)

Item #4 – (COI #47) Relocation of Fire Alarm Strobe in Building 3 (Classroom): Upon inspection it was discovered that the new walls in Room 813 were obstructing the view of the fire alarm strobe. Therefore, the Contractor is to provide labor, material and equipment to relocate fire alarm strobe. (Consultant Omission - $1,699; Add 0 Days)

Action Plan:

This change order has been reviewed for entitlement by AECOM and cost by Atkins. The above-referenced Change Order Items, COI #30, COI #42, COI #46 and COI #47 were recommended for approval by the Change Order Review Panel (CORP).

The requests for additional time are supported by a Time Impact Analysis (TIA), which has been analyzed and recommended for approval by an Independent Claims Analyst Forensic Scheduler. See Exhibit 3 – Time Impact Analysis (TIA).

Measurable Outcome(s)/Return on Investment:

The approval of this item ensures the required scope of work is completed to meet District criteria.

Financial Impact:

The financial impact of this item is $39,338 and will be funded from the current project budget.

This review is intended to be in accordance with specification section 01 32 16 Construction Schedule Critical Path Method-CPM and section 01 26 00 Change Modification Procedures of the contract documents. This review does not include verification of compliance with contractual instruments or any other management operations related Change modification procedures. This review is not intended in any way to conflict with or misconstrue the program's management or contractual instruments or processes for settling cost or time changes. This review does not include verification of the program's change modification procedures. The findings, data, and recommendation contained in this review letter does not include or guarantee compliance with any local or international building code, or any validation that any referenced design is compliant with any engineering or architectural standards (building, structural, roofing, electrical, mechanical, plumbing, or any other construction discipline); this is the responsibility of the Owner and Authorities Having Jurisdiction. Any project delays, past, concurrent to, or future, other than the subject delay being reviewed herein, reflected in the Contractor's construction schedule are not approved or accepted as a result of comments or the recommendations contained throughout this review document. This review is intended to be independent in methodology and based on industry recommended practices for Time Impact Analysis, while also in orchestration with the stipulations and objectives of the above referenced program. AECOM notes that the analysis and report is quantitative in approach, not qualitative. Thus, any anecdotal reasoning or information that is counter to or outside of AECOM's independent investigation, or counter to the recommendation contained herein, AECOM reserves the right to consider those at a later time.

1. Introduction

1.1 All schedule activity names referenced in this review letter will be *italicized*. Related project documentation referenced throughout this review letter will be *italicized*.

1.2 Definitions: The term “longest-path” is defined as the interconnected chain of critical activities in which the total duration of that path is longer than any other path. For continuity of understanding across all present and forthcoming parties to view this document, the term “critical” will be used as the short form of the term “longest path.” The term “critical” is defined as activities having a total float equal to or less than zero (0) days. The term “unimpacted schedule” can be defined as the “base” schedule or latest Owner-accepted schedule prior to the start of the subject delay event. Where not elsewise differentiated, the term “days” will be used instead of calendar days or consecutive days for brevity. Schedule terminology contained throughout this review letter will use the above expressed definitions unless otherwise delineated. For the purposes of this report: “Excusable Delays” are defined as delays that are unforeseeable and beyond the control of the contractor. “Non-Excusable Delays” are defined as delays that are foreseeable or within the contractor's control.

1.3 Methodology: AECOM used a modified Method in Practice (MIP) 3.7. “Retrospective Time Impact Analysis (TIA)” methodology to validate the contractor’s TIA submission via independent analysis as described in AACE International Recommended Practice No. 52R-06. This method was slightly modified as it contains schedule activities that model the delay event both retrospectively (in the past) and prospectively (in the future) based on key assumptions discussed herein. This MIP was chosen as the “best fit” for the contractor’s submission since it utilized a contemporaneous to the delay event schedule file and performs a schedule analysis by adding a modeled event to an unimpacted schedule to measure project progress both pre and post impact. This method is used for projects which are on-going and thus provide a forward-looking perspective in near-real time context.

1.4 Files Reviewed: In preparation for this report, AECOM reviewed the following files:

- *Pre-impact schedule Data Date February 28, 2023*
- *Post-impact schedule Data Date April 30, 2023*
- *December 2022 Updates*

2. Executive Summary

2.1 Olsen MS, P.001955 to date has not achieved Substantial Completion (SC).

2.2 The original SC of 22-Jun-22 is already extended by 481 days to 13-Oct-23.

2.3 This change request is associated with ASI 8 Part 3 and CHANG-29, a continuous series of delay events associated with ASI 8.

2.4 CHNG-29 is eliminating condensate drywall and tying the condensate to storm drain line as per ASI 8.

2.5 The contractor initiated this change on 07-Nov-22 prior to getting access to building # 8. It was in the AE's court for 72 days before responding.

2.6 The contractor was granted access to Building 8 on 06-Mar-23 but due to change order not being processed the contractor could not proceed with critical activities.

2.7 The CCD was issued on 11-April-23, and it took the contractor additional 20 days to do the work.

2.8 The contractor had to sequentially complete one building to start work on another building.

2.9 The contractor requested 62 days for issuance of CCD and additional work, while the Net Impact of this on the SC is 61 days.

2.10 The Project Management team was interviewed and ultimately agree with the findings of this report.

Recommendation

2.11 It is recommended that an **excusable, non-compensable extension of Sixty-one (61) days are added to the new SC**, with Final Completion (FC) also extended accordingly, with the responsibility categorized as depicted below.

Event	Contractor	Owner	A/E	Other	Net Impact
CCD # 3 issuance and execution of additional work	0	26	35	0	61

2.12 Given the above:

NTP	18-Dec-2020
Original Contract Duration	550 days
Previous extension (CHNG-2, CHANG-14 & CHNG-21)	481 days
SC after CHNG-2 & CHANG-14	13-Oct-23
Delays associated with CHNG-29 (PCO-30)	61 days
New SC	15-Dec-23

Justification for Recommendation

2.13 The delay events are summarized as follows:

Delay Event		Impact Delay Days	Responsibility
1	CCD # 3 issuance and execution of additional work	61	AE = 35 Owner = 26

2.14 Delay Event 1: (Scope Change): After obtaining access to Building #8 on 06-Mar-23 the contractor had to wait for a CCD to issue and proceed with critical work. Swing space is a major issue in this project and the contractor must finish work in one building to start work in another building. The contractor initiated CHNGE-29 approximately 5 months ahead of obtaining access to Building #8. AE initially responded to the contractor after 72 days and it took another three months for the CCD to be issued. Had the AE reviewed the documents and responded to contractor's submission of CHNG-29 within their contractual obligations of 14 days, the CCD would have been issued prior to contractor getting access to Building #8. Out of the total 61 days impact to SC, **AE is responsible for 35 days delaying CCD process and 26 days are categorized as other due to scope change** with no responsible for. **This delayed the SC by 61 days, partially distributed between AE and unforeseeable condition due to scope change.**

3. Background

3.1 NTP was issued on 18-Dec-20. The original contract duration was five-hundred and fifty (550) days from NTP to SC, and an additional thirty (30) days from SC to Final Completion (FC), five-hundred and Eighty (380) days total. The scope of work for the project includes roofing, mechanical, interior, and exterior and electrical work.

3.2 An extension of 481 days has been granted to the project through CHNG-2, CHNG-14, and CHNG-21.

3.3 Olsen MS, P.001955 to date has not achieved Substantial Completion (SC).

3.4 Due to limited swing space the contractor could not switch work between buildings nor could start work on another building until one is completely turned over to the school. All work had to be performed sequentially. A delay in one building impacts the whole project by hindering starting work on another building.

3.5 During an AOC meeting in February 2022 there was a discussion on altering FISH plan that led to the initiation of ASI 8, changing scope in few buildings including 8.

3.6 ASI 8 changes to building 8, was eliminating condensate drywall and tying the condensate to storm drain line.

3.7 The contractor initiated this change on 07-Nov-22 prior to getting access to building # 8 which was 06-Mar-23.

3.8 The contractor could not proceed with critical activities until CCD was issued on 11-Apr-23.

4. Quantitative Analysis

4.1 February 2023 updates are used as pre-impact to CHNG-29. The events started on 07-Nov-22 when the contractor initiated CHNGE-29 but started impacting the SC when the contractor was given access to Building #8. The pre-impact schedule models Building #8 on the critical path followed by Building 6. Due to limited swing space, those buildings are planned sequentially, that is a second building can be started after turning over the first to school.

4.2 See graphic next page.

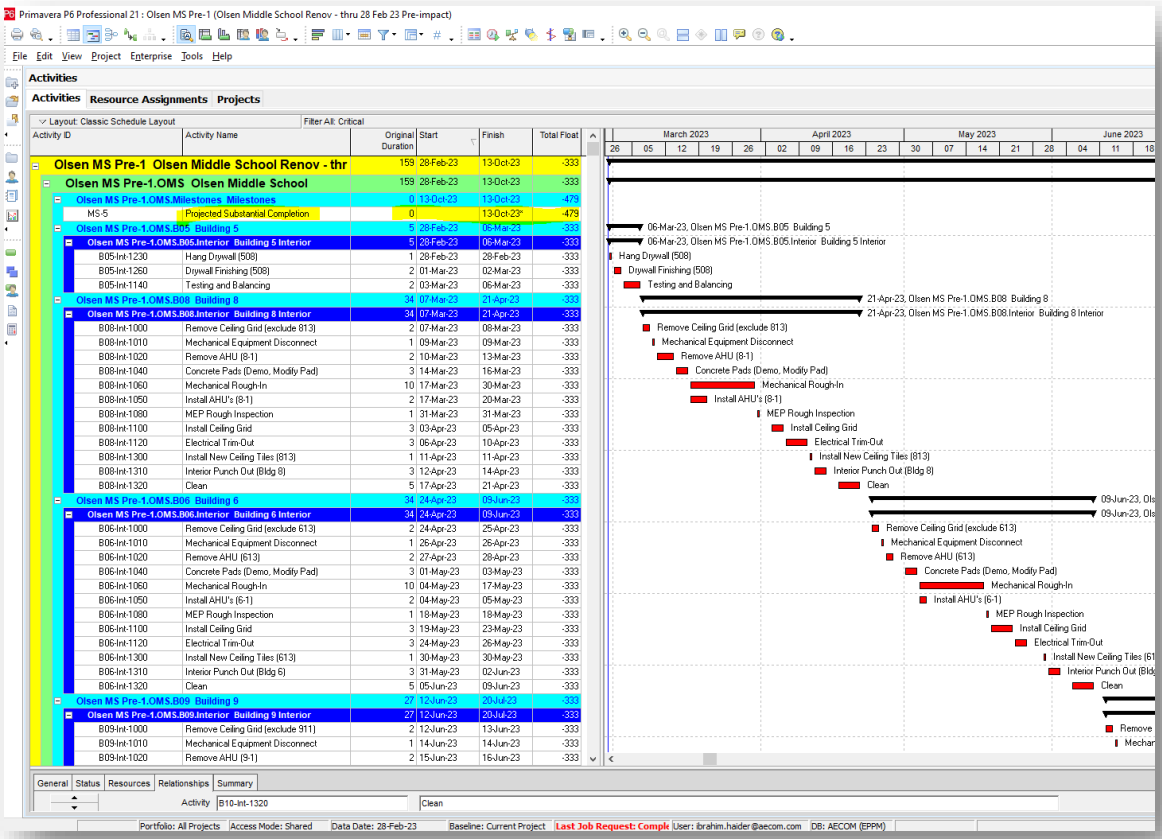

Figure 1: Pre-impact models Building 8 on critical path

4.3 ASI 8 changes to Building # 3 was eliminating condensate drywall and tying the condensate to storm drain line affecting mechanical work in Building 8. The contractor-initiated CHNG-29 on 07-Nov-22, 5 months before getting access to building #8. **It took AE 72 days to review and provide initial respond to contractor for the submitted documents, which AE should have reviewed and responded within 14 days**.

13.12 The Design Professional shall promptly review, and take other appropriate action upon Contractor's submittals such as shop drawings, product data and samples, per conformance with the design concept of the contract documents. Such action shall be taken within fourteen (14) days of receipt by Design Professional unless Owner and Design Professional otherwise mutually agree.

13.12.1 Design Professional's review shall not constitute review or approval of safety

4.4 **Issuance and implementation of CCD#3 delayed the new SC of 13-Oct-23 by 61 days.** Figure below shows adding a delay fragnet of ASI 8 Part# 3, Condensate bldg#8 delay, into the February 2023 updates delays the SC by 61 days.

4.5 See graphic next page.

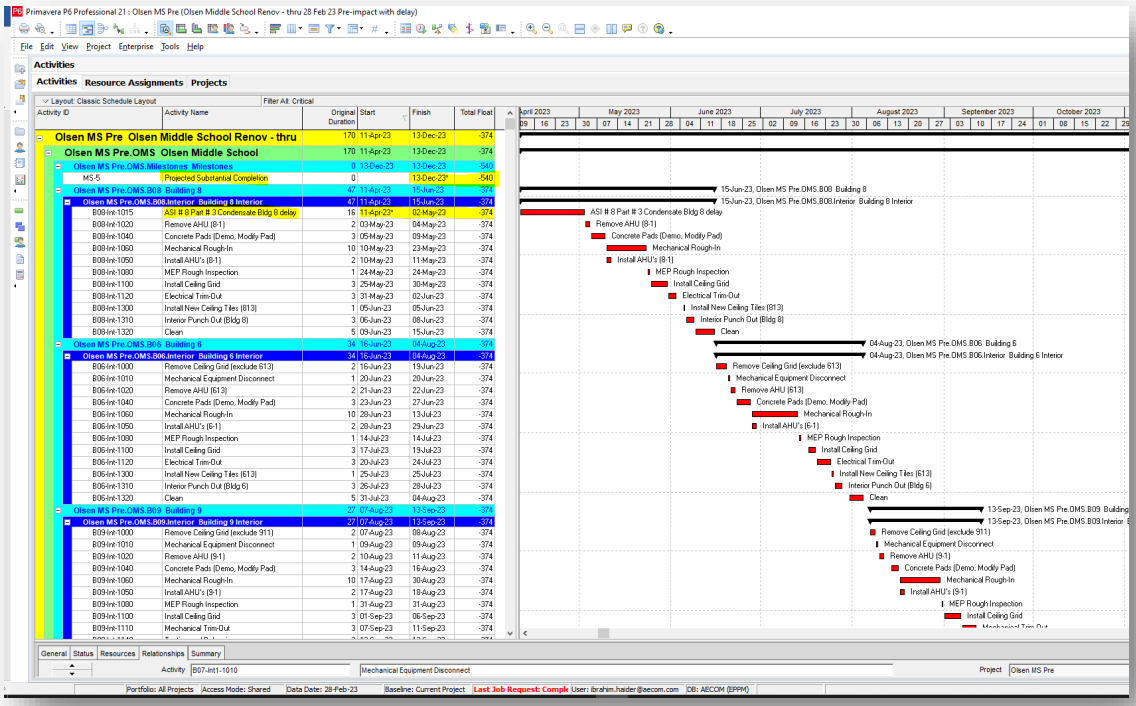

Figure 4: ASI 8 Part #3 changes in Building 8 delays New SC by 61 days

4.6 The Reviewer below event impacting SC:

- Delay Event (Scope Change): After obtaining access to Building #8 on 06-Mar-23 the contractor had to wait for a CCD to issue and proceed with critical work. Swing space is a major issue in this project and the contractor must completely handover one building to the school and start work on another building. The contractor initiated and submitted CHNGE-29 approximately 5 months ahead of obtaining access to Building #8. AE initially responded to contractor after 72 days and it took another three months for the CCD to be issued. **The total impact of this event to the project is 61 days.**

5. Qualitative Analysis

5.1 Due to limited swing space the contractor could not switch work between buildings nor could start work on another building until one is completely turned over to the school. A delay in one building impacts the whole project by hindering starting work on another building.

5.2 During an AOC meeting in February 2022 there was a discussion on altering FISH plan that led to the initiation of ASI 8. CHNG-29 is implementing ASI 8 Part #3 in building #8, eliminating condensate drywall and tying the condensate to storm drain line.

5.3 The delay ultimately started impacting the SC when the contractor was given access to building #8 but they had to wait for CCD#3 to issue.

5.4 The contractor could not proceed with critical work until CCD was issued on 11-Apr-23.

5.5 The contractor initiated CHNGE-29 approximately 5 months prior to obtaining access to Building #8. AE initially responded to contractor's submission of CHNG-29 after 72 days and it took another three months for the CCD to be issued. Had the AE reviewed the documents and responded to contractor within their contractual obligations of 14 days, the CCD would have been issued prior to contractor getting access to Building #8.

5.6 Reviewer determined that the issuance of CCD#3 and its execution impact the Project's Substantial Completion by Sixty-one (61) days.

6. Responsibility Matrix

6.1 Delay Event: (Scope Change): After obtaining access to Building #8 on 06-Mar-23 the contractor had to wait for a CCD to issue and proceed with critical work. Swing space is a major issue in this project and the contractor must finish work in one building to start work in another building. The contractor initiated CHNGE-29 approximately 5 months ahead of obtaining access to Building #8.

6.2 AE initially responded to contractor's submission of CHNG-29 after 72 days and it took another three months for the CCD to be issued. Had the AE reviewed the documents and responded to contractor within their contractual obligations of 14 days limit, the CCD would have been issued prior to contractor getting access to Building #8.

6.3 **This delayed the SC by 61 days, where the AE is responsible for 35 days due to delaying CCD issuance.**

6.4 **26 days are allocated to execute the work covered by the CCD.**

6.5 **Therefore, the total delay is considered excusable.**

Requested Action:
Approve this Change Order #7 and additional funding in the amount of $16,612 and no days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures that the existing stucco is removed, and the proper flashing is installed.

If no: If this item is not approved, it could further delay the completion of the capital project.

Background/History:
The scope of work for the project includes fire sprinklers, safety/security upgrades, ADA renovations related to educational adequacy, electrical improvements, HVAC improvements, STEM lab improvements, and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	8,275,545.00	530 Days
DIRECT OWNER PURCHASE(S):	$	(1,462,418.98)	0 Days
PREVIOUSLY APPROVED CO'S:	$	445,391.00	0 Days
CURRENT CO REQUEST:	$	16,612.00	0 Days
CURRENT REVISED CONTRACT:	**$**	**7,275,129.02**	**530 Days**

Status of Work:
Construction of the project is 80% complete.

Change Order Items:
Item #1 – (COI #15) Removal of Stucco and Installation of Flashing in Building 7: Original design called for the existing stucco on Building 7 to remain and for the flashing to be installed over the stucco. However, during demolition, it was identified that several areas of existing stucco were found to be partially delaminated from the substrate, preventing the roofing contractor from proceeding with proper flashing installation. Therefore, the Contractor is to provide labor, material, and equipment to remove stucco from several buildings to install flashing. (Consultant Error – $16,612; Add 0 Days)

Other Item:
Item #1 – Additional Funding Request: This change order item exceeds the available change order contingency in the project; therefore, $16,612 is being requested. The project has fully depleted the change order contingency and any future change orders will require additional

Board approval.

Action Plan:
This change order has been reviewed for entitlement by AECOM and received a recommendation for approval from the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time, which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Measurable Outcome(s)/Return on Investment:
Approval of this item ensures that the existing stucco is removed, and the proper flashing is installed.

Financial Impact:
Additional funding in the amount of $16,612 is required from the Capital Projects Reserve and increases the project budget from $10,765,100 to $10,781,712.

Reason For Change:
AE details (ie:3/A8.0, 8/8.A.1, 20/8.3, 26/A8.4, 52/A8.8, 56/A8.9) call for existing stucco to remain and install the flashing above the stucco. During roof demolition, several areas of existing stucco were found to be partially delaminated from substrate, preventing the roofing contractor from proceeding with proper flashing installation. Many of these area were witnessed during our Friday 8/19/2022 site walk with the owner representative team (PM-OR, Team Leader, Construction Coordinator, Roofing consultant, AOR), roofing contractor, GC. The directive from the owner representative was to proceed with the demolition and install the flashing direct against the substrate. Additionally, Owner representative team requested to present Time and material tickets for this additional work.

Requested Action:
Approve this Change Order #9 and additional funding request in the amount of $84,233 and no days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, ensures the installation of a new circuit breaker to accommodate new feeders.

If no: If not approved, the current circuit breaker would be non-functional.

Background/History:
The scope of work for the project includes fire sprinklers, electrical improvements, HVAC improvements, media center improvements, STEM lab improvements, and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	10,812,722.00	728 Days

CURRENT CO REQUEST:	$	84,233.00	0 Days
CURRENT REVISED CONTRACT:	**$**	**9,743,896.43**	**728 Days**

Status of Work:
Construction of the project is 80% complete.

Change Order Items:
Item #1 – (COI #45) Installation of Power Feeders to Switchgear: During construction, it was discovered that the Florida Power and Light vault conditions would not allow installation of the switchgear per approved SBBC design. Therefore, the Contractor is to provide labor, material and equipment to provide power feeders to switchgear in lieu of busduct. (Consultant Omission - $84,233; Add 0 Days)

Other Item:
Item #1 – Additional Funding Request: The change order item exceeds the available change order contingency in the project, therefore, $84,233 of additional funding is being requested. The project has fully depleted the change order contingency and any further change orders will require additional Board approval.

Action Plan:
This change order has been reviewed for entitlement by AECOM and cost by Atkins and received a recommendation for approval from the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Measurable Outcome(s)/Return on Investment:
Approval of this item ensures that power feeders are installed per SBBC design specification to new switchgear in lieu of busduct.

Financial Impact:
Additional funding in the amount of $84,233 is required from the Capital Projects Reserve and increases the project budget from $15,175,323 to $15,259,556.

Requested Action:

Approve this Change Order #9 and additional funding in the amount of $44,786 and 817 days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, will revise the Contractual Substantial Completion date to July 27, 2023. The Contractor has submitted an additional claim for time delays which is under review.

If no: If this item is not approved, the Contractor will be unfairly assessed for delays to the project that were outside its control.

Background/History:

The scope of work for the project includes ADA restrooms, fire alarm, and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	3,507,115.00	340 Days
DIRECT OWNER PURCHASE(S):	$	(215,521.11)	0 Days
PREVIOUSLY APPROVED CO'S:	$	155,794.00	85 Days
CURRENT CO REQUEST:	$	44,786.00	817 Days
CURRENT REVISED CONTRACT:	**$**	**3,492,173.89**	**1,242 Days**

Status of Work:

Construction of the project is 95% complete.

Change Order Items:

Item #1 – (COI #20) Installation of Additional Fire Alarm Devices in Buildings 1-5 & 6 (Classrooms and Administration): After approval of the Contractor's fire alarm design, and during the inspection of the new system, the Chief Fire Official determined that additional devices were required. Therefore, the Contractor is to provide additional labor, material, and equipment to install additional fire alarm devices. The Contractor submitted a time extension for 817 days for delays associated with the approval fire alarm shop drawings. (Consultant Omission – $40,648; Add 817 Days)

Item #2 – (COI #31) Installation of Additional Fire Alarm Devices in Building 1: During a site inspection it was identified that there were fire alarm devices that require relocation in accordance with the code, and that there were other devices that are required to be added. Therefore, the Contractor is to provide labor, material, and equipment to relocate the existing pull stations and install additional fire alarm devices.

(Consultant Omission - $4,138; Add 0 Days)

Other Item:

Item #1 – Additional Funding Request: This change order item exceeds the available change order contingency in the project; therefore, $44,786 of additional funding is being requested. The project has fully depleted the change order contingency and any future change orders will require additional Board approval.

Action Plan:

This change order has been reviewed for entitlement by AECOM and cost by Atkins. The above-referenced Change Order item, COI #20 was recommended for approval from the Change Order Review Panel (CORP).

Per Policy 8000, COI #31 did not exceed $5,000 therefore it does not require approval from the Change Order Review Panel (CORP).

The request for additional time is supported by a Time Impact Analysis (TIA), which has been analyzed and recommended for approval by an Independent Claims Analyst Forensic Scheduler. See Exhibit 3 – Time Impact Analysis (TIA).

Measurable Outcome(s)/Return on Investment:

Approval of this item ensures completion of the fire alarm scope of work and revises the Contractual Substantial Completion date to July 27, 2023.

Financial Impact:

Additional funding in the amount of $44,786 is required from the Capital Projects Reserve and increases the project budget from $4,627,616 to $4,672,402.

This review is intended to be in accordance with specification section 01 32 16 Construction Schedule Critical Path Method-CPM and section 01 26 00 Change Modification Procedures of the contract documents. This review does not include verification of compliance with contractual instruments or any other management operations related Change modification procedures. This review is not intended in anyway to conflict with or misconstrue the program's management or contractual instruments or processes for settling cost or time changes. This review does not include verification of the program's change modification procedures. The findings, data, and recommendation contained in this review letter does not include or guarantee compliance with any local or international building code, or any validation that any referenced design is compliant with any engineering or architectural standards (building, structural, roofing, electrical, mechanical, plumbing, or any other construction discipline); this is the responsibility of the Owner and Authorities Having Jurisdiction. Any project delays, past, concurrent to, or future, other than the subject delay being reviewed herein, reflected in the Contractor's construction schedule are not approved or accepted as a result of comments or the recommendations contained throughout this review document. This review is intended to be independent in methodology and based on industry recommended practices for Time Impact Analysis, while also in orchestration with the stipulations and objectives of the above referenced program. AECOM notes that the analysis and report is quantitative in approach, not qualitative. Thus, any anecdotal reasoning or information that is counter to or outside of AECOM's independent investigation, or counter to the recommendation contained herein, AECOM reserves the right to consider those at a later time. AECOM notes that the contract stipulates for requests for time to be submitted within a specified number of calendar days. In alignment with the objectives of the above referenced program, the subject time extension item is still being reviewed for final recommendation to the Board.

1. Introduction

1.1 All schedule activity names referenced in this review letter will be *italicized*. Related project documentation referenced throughout this review letter are *italicized*.

1.2 Definitions: The term “longest-path” is defined as the interconnected chain of critical activities in which the total duration of that path is longer than any other path. For continuity of understanding across all present and forthcoming parties to view this document, the term “critical” will be used as the short form of the term “longest path”. The term “critical” is defined as activities having a total float equal to or less than zero (0) days. The term “unimpacted schedule” can be defined as the “base” schedule or latest Owner-accepted schedule prior to the start of the subject delay event. Where not elsewise differentiated, the term “days” will be used in lieu of calendar days or consecutive days for brevity. Schedule terminology contained throughout this review letter will use the above expressed definitions unless otherwise delineated. For the purposes of this report: “Excusable Delays” are defined as delays that are unforeseeable and beyond the control of the contractor. “Non-Excusable Delays” are defined as delays that are foreseeable or within the contractor's control.

1.3 Methodology: AACEI International Recommended Practice No. 29R-03 Method Implementation Protocol 3.6 was used to validate the contractor’s TIA submission via independent analysis. This method was chosen as the “best fit” to evaluate the project closeout Change Order Request (COR) since it provides retrospective schedule analysis by adding a modeled event to the unimpacted schedule.

1.4 Files Reviewed: In preparation of this report, AECOM reviewed the following files:

- CO #20
- *COR #20 Proposal Request*
- *COR #20 Narrative, dated 19 Apr 2022*
- *COR #20 Revised Narrative, dated 09 Mar 2023*
- *Building Department List of Permits (all associated with Revised Narrative for CO #20)*
- *Building Department Inspections (all associated with Revised Narrative for CO #20)*
- *Document 00700: General Conditions of the Contract*
- *McHarry Associates submittal Log, dated 02 Mar 2020 through 29 Mar 2021 (All data after is missing)*
- *Pre-Impact Schedule: Baseline dated 20-Mar-20*

2. Executive Summary

2.1 RFI #20 was submitted by Contractor on 12-Oct-20 to address fire alarm scope added by the Building Department.

2.2 A/E directed Contractor to proceed with the scope and issued ASI #12 on 24-Mar-21.

2.3 ASI #12 was permitted for various fire alarm revision, evidenced by ISS #23531 on 15-Nov-22.

2.4 Change Order submittals and approvals commenced on 24-Mar-21 and is estimated to be complete by the approval of this report by Owner on or about 15-May-23.

Recommendation

2.1 The following recommendations are made:

- Issuance of CCD for materials and mobilization to mitigate further delay to project.
- Approval of ASI #12 – CO#20 is recommended to be expedited for approval by Owner.
- Issuance of CO #20 was reviewed and as a result it is recommended the Contractor is granted an excusable non-compensable time extension for *eight hundred and seventeen (817)* days to the Substantial Completion date with the Final Completion date adjusted accordingly.

Justification for Recommendation

2.2 The building department scope creep and the added fire alarm devices was unforeseeable during bidding and the contractor performed due diligence and care to review all as-built conditions of project.

2.3 Contractor commenced and performed fire protection and fire alarm installation until no further work could be performed while waiting for the fire alarm scope changes from the Owner.

2.4 Contractor provided schedules outlining the criticality of fire alarm from the issuance of ASI 12 through the writing of this TIA review. Fire alarm was the 1st critical path on all schedules submitted to the Owner by the contractor outlining urgency for the project.

2.5 Contractor inserted estimated time impact into the schedule and attempted to initiate change orders for ASI #12 with no forward progress or approvals to proceed with the additional fire alarm scope.

Reference Specification Section 01250 Change Modification Procedures.

The contractor shall prepare and submit a Time Impact Analysis illustrating the influence of each change or delay upon the current contract schedule. (Narrative) The Time Impact Analysis (TIA) shall document (a) A schedule sub-net demonstrating how the contractor proposes to incorporate the change order or delay into his detailed schedule based upon the date the construction change directive is issued to the contractor (impacted schedule) .(b) The Status of construction at that point in time (Pre-Impacted Schedule) (c) The start/finish dates of all affected activities utilizing the dates included in the latest updated detailed construction schedule to the time of delay or change.

3. Background

3.1 NTP was issued on 03-Mar-20. The original Contract duration was three hundred and forty (340) CDs from NTP to SC, and an additional thirty (30) CDs from SC to Final Completion (FC), three hundred seventy (370) CDs. The scope of work included ADA improvements, Fire Sprinklers, Building Envelope, Fire Alarm and HVAC for Budlings 1, 2, 4, 5, 6, 80, and 99.

3.2 ASI #5-CO #6 issued for new doors in restrooms was issued for **time extension of 72 CDs** for an adjusted CDs of four hundred and twelve (412) CDs to SC and four hundred forty-two (442) CDs to FC.

3.3 ASI #8-CO #14 issued for Electrical scope was issued for **time extension of 13 CDs** for an adjusted CDs of four hundred twenty-five (425) CDs to SC and four hundred fifty-five (455) CDs to FC.

3.4 ASI #6-CO #19 is **pending.**

3.5 Given ASI #5 and ASI #8; ninety-nine (99) additional days is added to the construction contract to date, **extending the total contract time to four-hundred, thirty (439) days** from NTP to SC.

4. Quantitative Analysis

4.1 The following schedules submitted by Contractor for CO #20 were reviewed and compared with the schedules submitted with invoices to Broward County during the dates listed for the schedules.

Contractor Submitted

- BL05-BASE Dated 03-Mar-20
- MES1639-UP#02T-UP 25 Dated 20-Apr-20
- MES1639-UP#03T-UP 27 Dated 25-Jun-20

4.2 Contractor submitted a time impact analysis using a “Window-of-Time” Approach to request *four hundred and twenty-eight (428) days* of excusable and compensable time for Change Order #20. The “Window of Time” approach is closely aligned with AACEI MIP 3.7., in that, multiple schedules were used in attempt to analyze the delay event. This method is best used for “assessing a single delay on the critical path of the project schedule current at the time that the delay event occurred, and, as such, analysis is carried out on a prospective basis.” (AACEI CDR.2849). However, because the delay analyzed in the past (retrospective) and the project incurred multiple delay events, MIP 3.7. is not the best methodology for this delay analysis and therefore may provide erroneous results.

4.3 To assure more accurate analysis results are provided, the Reviewer used MIP. 3.6. (AACEI CDR.2936) as described in paragraph 1.1. above. Below “windows” describes the results of this analysis.

4.4 **Window 1 02-Mar-20 through 31-May-21:**

Contractor submitted the window-of-time request from 02-Mar-20 through 31-May-21 as a period of delay of *three hundred and eighty-seven (-387) days* based on the total float calculated in updated schedules. (One hundred and nine (-109) days to be non-excusable and -91 to be excusable per Contractor's submission.) "Update #02", "Update #03", "Update #9" and "Update #13" attribute the negative total float to roofing and fire alarm submittals.

Delay Event 1 (Roofing Submittals): The baseline schedule for roofing submittals was to occur on 23-Mar-20 and complete on 26-May-20. The actual completion of the roofing submittal did not finish until 19-Jun-20 causing a delay of *twenty-four (-24) days. This delay is concurrent with Delay Event 2 described below.*

Delay Event 2 (FA System): During the same window-of-time observed in the Contractor schedules, the fire alarm submittals were to begin on 30-Mar-20 and complete on 01-May-20. However, the actual completion of the fire alarm submittal did not finish until 19-Jun-20 causing a delay of *forty-nine (-49) days.*

After conformed drawing sets were completed for permitting on 19-Jun-20, the Owner made further changes to fire alarm scope that did not complete new conformed sets for permitting until 21-Aug-20. The Owner delay from 19-Jun-20 through 21-Aug-20 for added scope caused a delay of *sixty-three (63) days*.

Fire alarm shop drawings SD-11 ISS #9755, as verified by Building Department records, started submittal processing on 21-Aug-20. There were various iterations to complete approval for permitting which occurred on 12-May-21. This delay from 21-Aug-20 to 12-May-21 is attributed to the revise and resubmittal requirements caused by the Contractor in the amount of *two hundred and sixty-four (-264) days.*

During this same period 21-Aug-20 to 12-May-21, RFI #20 was initiated by the Contractor on 12-Oct-20 addressing Building Department comments which outlined fire alarm scope not provided or outlined on conformed drawings sets provided. RFI #20 was answered with comments by A/E on 15-Oct-20, that state *"Contractor is responsible for revising shop drawings addressing all comments in ISS"*.

Contractor proceeded to start fire alarm work with the approved SD-11 Fire Alarm sets approved by the Building Department on 12-May-21. Fire alarm work is calculated as the longest path on the Contractor's schedule. As such, the Contractor should have anticipated the start of work. However, they did not start until 01-Jun-21 delaying the critical work path *twenty (-20) days.*

The A/E issued a response to RFI #20 on 15-Oct-20 and issued ASI #12 on 24-Mar-21. The delay from the response to RFI #20, with the directions "to revise shop drawings", and the issuance of the ASI created a delay caused by the A/E for *one hundred and sixty (160) days.* This time is concurrent with the Contractor delay outlined during the same period.

As of the start of work on 01-Jun-21 the added fire alarm scope was not incorporated into the shop drawings nor was a CO or ASI issued to the Contractor for the additional scope changes.

Delay Events 1 and 2 listed above were delayed by three (3) responsible parties from 02-Mar-20 through 31-May-21.

- Contractor (contractor) delay of *three hundred and thirty-three (-333) days* are to be non-excusable non-compensable for change order #20.

- Owner directed changes delay of *sixty-three (63)* days are to be excusable non-compensable for change order #20.

- A/E changes and ASI 12 delay of *one hundred and sixty (160) days* are to be excusable non-compensable for change order #20.

Event	Excusable Non-Compensable	Owner	A/E	Contractor
Contractor Delay Event 2 (FA System)	-49			-49
Owner Directed Changes for Fire Alarm after Conformed	14	63		
Contractor Delay for SD-11 Approvals	-250			-264
Contractor Delay Starting Work	-270			-20
A/E Delay Processing ASI 12	-110		160	
Cumulative Total	**-110**	**63**	**160**	**-333**

During this window-of time one hundred and ten (-110) calendar days are considered as non-excusable non-compensable time.

4.5 Window 2 01-Jun-21 through 31-May-22:

Contractor submitted the window-of-time request from 01-Jun-21 through 31-May-22 as a period of delay *of two hundred and eighty-seven (-287) days* based on the total float in Contractor schedules "Update #24" and "Update #26".

Delay Event 2 (FA System): 01-Jun-21 through 15-Nov-22 validated by ISS 23531, ASI 12 was approved by the Building Department 15-Nov-22. From the issuance of ASI 12 on 24-Mar-21 to the permitting of ASI 12 on 15-Nov-22 outlining various fire alarm changes, a delay by A/E was caused of *six hundred and one (601) days.*

Contractor schedules with Invoices from "Update 11" dated 31-Mar-21 through "Update 26" dated 31-May-22 clearly outline all fire alarm scope for all buildings is the 1st critical path. While during the same time meeting minutes for the project do not outline the criticality of the fire alarm work.

The Contractor received the ASI on 24-Mar-21, however, continued to be unresponsive to the criticality of the fire alarm scope, evidenced by their own schedule submittals with invoices. The Contractor made no effort to mitigate delay during the period of 24-Mar-21 to 28-Jan-22 when the first change order submittal occurred for fire alarm changes. This delay is caused by the contractor in the amount of *three hundred and ten (-310) days.*

This timeframe of delay is considered Contractor's responsibility due to the submission of incomplete packages and late submissions.

The Contractor attempted to initiate change order #16 on 28-Jan-22 for the added scope based on the ISS 23531 comments, although the ASI had not yet been permitted. Through various submittals and approvals by the A/E, change order #16 was voided by Owner (Atkins) on 08-Apr-22 with instructions to "revise and change to a change order instead of a CCD", as submitted in e-builder. Consequently, Owner (Atkins) did not void change order #16 in e-builder until 17-Jun-22. This caused a level of confusion for submittals and reviewers. The review and approval could have completed during this time causing further delay to Contractor's s work of *seventy (70) days.*

Delay Event 2 (FA System) was delayed by two (2) responsible parties from 01-Jun-21 through 31-May-22.

Event	Excusable Non-Compensable	Owner	A/E	Contractor
Contractor Delay Event 2 (FA System)	-49			-49
Owner Directed Changes for Fire Alarm after Conform	14	63		
Contractor Delay for SD-11 Approvals	-250			-264

Change order #16 Processing Delay	251	70		-310
Cumulative Total	251	**133**	**761**	**-643**

During this window of time, two hundred and fifty-one (251) cumulative days are identified as excusable non-compensable time for award to Contractor.

4.6 Window 3: 31-May-22 through 15-May-23

Delay Event 2 (FA System): The Contractor submitted a new change order #20 (previously CO #16) on 21-Apr-22, as required by Owner. This approval is still pending. The delay by Owner from 21-Apr-22 through 15-May-23 is *three hundred and eighty-nine (389) days.*

TIA reviewer noted various steps that were missed or not performed to mitigate the Owner delay to the Contractor.

Reviewer requested additional information from McHarry (A/E) regarding meetings and / or other documentation to support the data in e-builder past 2021. As of this writing, no response to these requests is received.

During the processing of Change Order #20 a "Notice to Cure-Failure to Update Schedules" and "Assessment of Liquidated Damages" dated 30-Nov-22 were issued to Contractor. These letters were issued to Contractor while Change Order #20 was pending review and approval by the Owner. Schedule "Update 28" data date 31-Jul-22 reports all roofing as complete and all Fire Alarm scope, excluding ASI #12, were substantially complete; no documentation reputing the status of these items is currently identified.

The following delays are recorded for the processing of Change Order #20:

- *CO #20 financial review started 21-Mar-22 and did not complete until 15-Mar-23.*
- Scheduler was not engaged for review until 25-Aug-22 and not provided correct records such that a full review could be performed until 29-Mar-23.
    - *TIA resubmissions and / or requests for additional data required for the validation of the contractor's data occurred on September 2, 2022, September 30, 2022, February 13, 2023, March 15, 2023, March 28, 2023, April 3, 2023, April 12, 2023, April 22, 2023.*
    - *While delays incurred due to the presence of multiple resubmissions and / or requests for additional data may superficially appear to be the responsibility of the Contractor, it should be noted because the initiating delay event was the change in scope ("but for") directed by the Owner, this period is assessed as the Owner's responsibility.*
- The time for the approval of the TIA was performed based on *AACEI "Forensic Schedule Analysis" 29R-03.MIP 3.6 "Modeled Additive"*. From 29-Mar-23 through an estimated date of approval by Owner of 15-May-23.

Delay Event 2 (FA System) was delayed by one (1) responsible party from 31-May-22 through 15-May-23.

- Owner change order processing delay of *three hundred and eighty-nine (389) days* 31-May-22 through 15-May-23 are to be excusable non-compensable for change order #20.

Event	Excusable Non-Compensable	Owner	A/E	Contractor
Contractor Delay Event 2 (FA System)	-49			-49
Owner Directed Changes for Fire Alarm after Conform	14	63		
Contractor Delay for SD-11 Approvals	-250			-264
Contractor Delay Starting Work	-270			-20
A/E Delay Processing ASI 12	-110		160	
Owner Permitting of ASI 12	491		601	
Change order #16 Processing Delay	251	70		-310
Owner Delay Processing Change Order #20	640	389		
Cumulative Total	**640**	**522**	**761**	**-643**

During this window of time, six hundred and forty (640) cumulative days is identified as excusable non-compensable time for award to Contractor.

4.7 Window 4: Prospective Remaining Work

Contractor will need to complete the work once the change order is approved by Owner. Contractor schedule "Update 34 dated 31-Jan-23" provided the estimated time to complete (ETC) for fire alarm scope of work. The following time is to be awarded to Contractor based on the AACEI additive models referenced in this document.

-	Change Order #20 Approval by Owner (Estimated)		15-May-23
-	Procurement	45 days	30-Jun-23
-	Remaining Work to Complete	40 days	10-Aug-23
-	Punch and Closeout	90 days	09-Nov-23
	New Substantial Completion		09-Nov-23

Delay Event 2 (FA System) was delayed by one (1) responsible party from 15-May-23 through 9-Nov-23.

- Prospective remaining work delay of *one hundred and seventy-seven (177) days* are to be excusable non-compensable for change order #20.

Event	Excusable Non-Compensable	Owner	A/E	Contractor
Contractor Delay Event 2 (FA System)	-49			-49
Owner Directed Changes for Fire Alarm after Conform	14	63		
Contractor Delay for SD-11 Approvals	-250			-264
Contractor Delay Starting Work	-270			-20
A/E Delay Processing ASI 12	-110		160	
Owner Permitting of ASI 12	491		601	
Change order #16 Processing Delay	251	70		-310
Owner Delay Processing Change Order #20	640	389		
Prospective Remaining Work	817	177		
Cumulative Total	**817**	**699**	**761**	**-643**

AECOM found eight hundred and seventeen (817) cumulative days is to be excusable non-compensable time for award to Contractor.

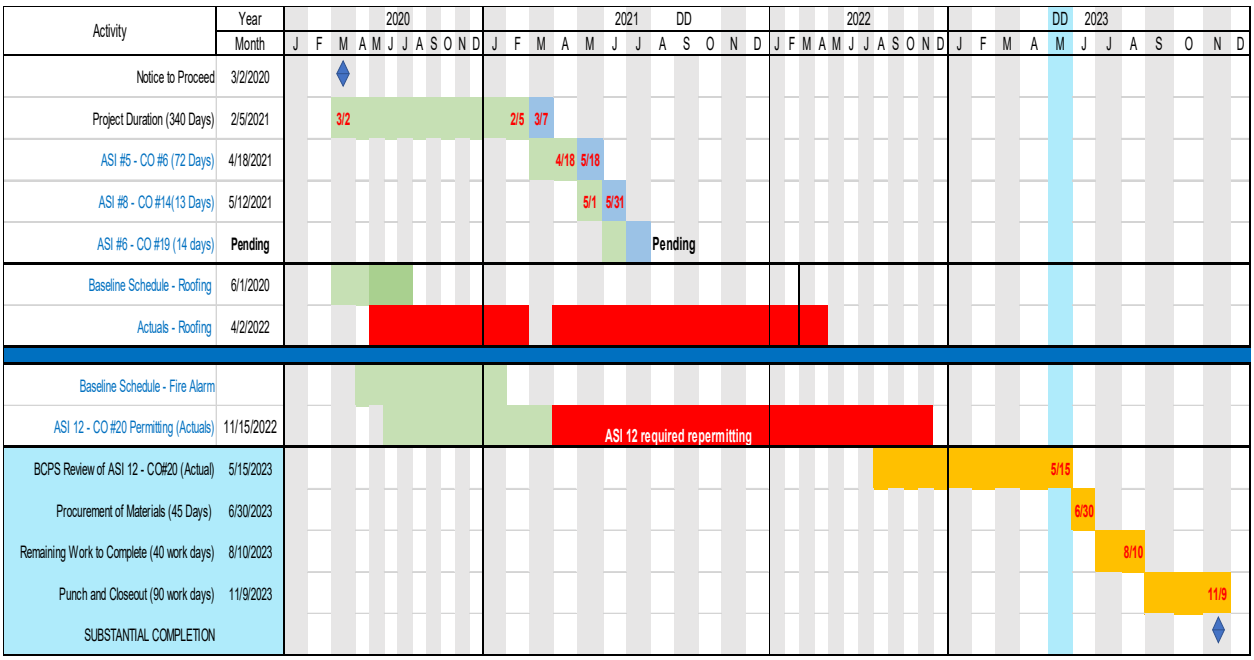
5. Qualitative Analysis

5.1 The TIA Reviewer contacted McHarry (A/E) and requested they provide any supporting data to substantiate the delay caused by ASI #12. As of this writing, the A/E has not responded to these requests.

5.2 Reviewer performed independent validation of Contractor schedules and project documents (ISS documents, Field Inspections and Reports, RFI's, e-builder comments by all stake holders, submittals and approvals, and Letters to Contractor). The review of these documents and Contractor submittal supports the time extension outlined in this report.

5.3 Reviewer examined all Contractor schedules submitted with all invoices from baseline dated 02-Mar-20 through 31-Jan-23 (the last schedule of record). Schedule logic appears sound and consistent with narratives and supporting documents observed for the processing of this TIA change order #20.

5.4 Note that ASI #12's timeframe was reviewed for concurrency with previous ASIs (e.g., ASI 5, 8, 6). Because the recommendations for these time extensions were 1) not associated with the delay event(s) discussed herein, 2) not the overall driving delay event on the project, and 3) simply confirmed a time extension previously provided via a CCD; *ASI's recommended time extension is not considered concurrent with previously recommended time extensions.* See graphic next page.



6. Responsibility

6.1 The responsibility for the aforementioned project delays is demonstrated in the table below.

6.2 Note the A/E and owner have a total delay of one-thousand, four-hundred, sixty (1460) days.

Responsible	Days	Justification
A/E	761	Window 1 Delay of the design issuance of ASI #12 and incomplete or missing data as part of the change order process
Owner	699	Windows 1 through 4 Changes and scope creep for Fire Alarm and incomplete or missing data
Contractor Non-Excusable, Non-Compensable	-643	Windows 1 and 2 Non-responsive to the processing of Owner requested changes
Total Due to Contractor	817

Requested Action:
Approve this deductive Change Order #21 in the amount of ($626,789) and no days added to the contract duration.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, allows for ($100,000) of credited funds to remain in the project budget and ($526,789) of credited funds be returned to the Capital Budget Reserve.

If no: If not approved, the credited funds will not be returned to the project budget and Capital Budget Reserve.

Background/History:
The scope of work for the project includes art room renovation and equipment, electrical improvements, fire alarm, fire sprinklers, HVAC improvements, media center improvements, music room renovation, safety/security upgrade, STEM lab improvements, and building envelope improvements.

Construction Contract Summary:

ORIGINAL BASE CONTRACT:	$	25,422,614.00	846 Days
AMENDMENT TO CONTRACT:	$	400,000.00	157 Days
DIRECT OWNER PURCHASE(S):	$	(3,841,695.73)	0 Days
PREVIOUSLY APPROVED CO'S:	$	81,800.89	196 Days
CURRENT CO REQUEST:	$	(626,789.00)	0 Days
CURRENT REVISED CONTRACT:	**$**	**21,435,930.16**	**1,199 Days**

Status of Work:
Construction of the project is 98% complete.

Change Order Items:
Item #1 – (COI #74) Credit for Gypsum Deck Replacement: The original Contract Documents indicated that the gypsum decks were to be removed and replaced with metal decks at Buildings 1, 2, 13, 14, and 16. During a Roof Reality Check, it was determined that the existing decks were in good condition and could remain. The Contractor is to provide a credit for the labor and materials associated with the roof deck replacement. (Owner's Request – ($626,789); Add 0 Days)

Action Plan:
This change order has been reviewed for entitlement by AECOM, cost by Atkins, and received a recommendation for approval from the Change Order Review Panel (CORP).

Future requests from the Contractor for additional time which are supported by a Time Impact Analysis (TIA), shall be analyzed by an Independent Claims Analyst Forensic Scheduler, and if acceptable shall be presented to the Board for consideration of approval at a future Board Meeting.

Measurable Outcome(s)/Return on Investment:
The approval of this item allows for ($100,000) of credited funds to remain in the project budget and ($526,789) of credited funds be returned to the Capital Budget Reserve.

Financial Impact:
There is an additional impact to the project budget. A credit in the amount of ($100,000) will remain in the current project budget. The remaining ($526,789) will be returned to the Capital Budget Reserve. This reduces the project budget from $31,973,345 to $31,446,556.

P.001817	Nova HS - SMART Program Renovations	30	01.20.2021	$ 2,954.00	0	0.01%	James B. Pirtle Construction Company, Inc.	Consultant Error	The electrical panel (ELF) in Room 232 required clearances in front of the panel. To provide the required clearances, the panel needed to be recessed on an existing CMU wall due to lack of space. It was decided that recessing the panel on an existing CMU wall would have been too expensive. Therefore, the panel was relocated to room 217 in building 6, to provide the required front clearances.	$25,422,614.00	04.04.2019
P.001817	Nova HS - SMART Program Renovations	31	01.20.2021	$ 833.00	0	0.00%	James B. Pirtle Construction Company, Inc.	Consultant Omission	Upon inspection, it was discovered that the partition wall in Room 136 at building 3 was interfering with the full development of the fire sprinkler pattern, thus leaving a small corner of the cubicle unprotected. The EOR indicated that providing one (1) additional sprinkler head would resolve the issue. As a result, labor, equipment, and materials are required to install the additional sprinkler head, hardware and related piping to complete the fire protection scope of work.	$25,422,614.00	04.04.2019

P.001817	Nova HS - SMART Program Renovations	3	04.20.2021	$ 13,516.00	0	0.05%	James B. Pirtle Construction Company, Inc.	Consultant Error	Sizes of existing ductwork was based on limited observation during pre-construction. Once selective demolition was implemented, existing condition exposed different size ducts. Therefore, labor, material and equipment are required to install new correct size ductwork in Building 6.	$25,422,614.00	04.04.2019

Consultant Omission	Original scope of work included fire protection in Buildings 05, 08, and 16. Per the Building Department, additional fire protection is required. Drawings did not include required fire protection in Building 05 interior covered stairwell on the 1st floor or for any exterior canopy or interior covered stairwell on the 2nd floor. Building 08 and Building 16 did not depict any sidewall sprinkler heads. Drawings were revised by the design team to include fire sprinkler coverage required for Buildings 05, 08, and 16. Therefore labor, materials, and equipment are required for the installation of the additional fire protection.	$25,422,614.00	04.04.2019

Owner's Request	As a result of failed inspection scope in room 388, the Consultant on record approved additional services, which included deliverables to add the equipment back into the scope. The existing transformer must be relocated to be brought into compliance. Therefore, Contractor is to provide labor, material, and equipment to furnish and install the new transformer and enclosed circuit breaker in the electrical room and all miscellaneous materials, replacing and repairing existing primary feeders found in existing high voltage gutter.	$25,422,614.00	04.04.2019

EXECUTIVE SUMMARY
Second Amendment to Professional Services Agreement
RGD & Associates, Inc.
Sawgrass Elementary School, Sunrise
SMART Program Renovations
Project No. P.002127
RFQ 19-015C

Requested Action:
Approve the Second Amendment to the Professional Services Agreement with RGD & Associates, Inc. for $6,000.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: This item, if approved, would provide for compensation to the Consultant for additional design services to remove the fire sprinkler scope of work for Buildings 2 and 3 from the permitted design drawings.

If no: If this item is not approved, the Consultant will not be compensated for work already performed in good faith.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$2,646,000**

The proposed amendment is for an increase to the Basic Services fee in the amount of $6,000 for additional design services to remove the fire sprinkler scope of work for Buildings 2 and 3 from the permitted drawings.

The originally permitted drawings for this project included the installation of automatic fire sprinkler systems for Buildings 1, 2, and 3. However, prior to the project being advertised, a redesign of the permitted drawings was required by the Project Consultant based on changes to the fire sprinkler scope made by the previous Task-Assigned Chief Fire Official. It had been determined that automatic fire sprinkler systems were not required for Buildings 2 and 3; therefore, the scope of work was removed from the project.

AGENDA ITEM	DATE APPROVED	DESCRIPTION	BASIC FEES	ALLOWANCES/ SUPPLEMENTAL SERVICES	TOTAL
Original PSA	05/08/2018	Professional Services Agreement	$180,000	Reimbursable Expenses $57,000 Supplemental Services $25,000	**$262,000**
First Amendment	07/19/2022	Contract Form Update (01250g COI Form)	$0	--	**$262,000**
Second Amendment	Pending Board Approval	Increase to Basic Services fee to remove the fire sprinkler scope of work for Bldgs. 2 and 3 from the permitted drawings.	$6,000	Reimbursable Expenses ($6,000)	**$262,000**

Measurable Outcome(s)/Return on Investment:
This item ensures that the fire sprinkler scope of work for Buildings 2 and 3 is removed from the permitted drawings.

Financial Impact:
The financial impact of this item is $6,000 and will be funded from existing contract Reimbursable Allowance funds. No additional spend authority is required.

SECOND AMENDMENT
TO
PROFESSIONAL SERVICES AGREEMENT

BETWEEN

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA AND
PROJECT CONSULTANT FOR ARCHITECTURAL/ENGINEERING SERVICES

This Second Amendment to the Professional Services Agreement ("Agreement") between The School Board of Broward County, Florida (hereinafter referred to as "School Board" or "Owner") and RGD and Associates, Inc., d/b/a RGD Consulting Engineers (hereinafter referred to as "Project Consultant") for architectural/engineering services dated the 8th day of May 2018, is entered into this 23rd day of January 2024 by and between the Owner and the Project Consultant.

For the Project known as: **Sawgrass Elementary School**
Project No. P.002127
SMART Program Renovations

WHEREAS, the Owner and Project Consultant acknowledge and agree that the Agreement between Owner and Project Consultant dated the 8th day of May 2018, is in full force and effect as revised by the First Amendment dated July 19, 2022, and this Second Amendment; and

WHEREAS, the originally permitted drawings for this Project included the installation of automatic fire sprinkler systems in Buildings 1, 2, and 3, however it was subsequently determined that fire sprinklers were only required for Building 1; and

WHEREAS, the Project Consultant has been requested by District staff to modify the permitted drawings to remove automatic fire sprinkler systems for Buildings 2 and 3 from the scope of work; and

WHEREAS, the Project Consultant has agreed to perform the aforementioned, additional services in exchange for an increase to the Basic Services fee in the amount of $6,000; and

WHEREAS, the Owner's Program Manager, AECOM, Inc., and District staff have successfully negotiated and hereby recommend the removal of scope, and such additional fees as set forth herein above and below.

NOW, THEREFORE, in exchange for the mutual covenants and promises set forth herein and the sums of money agreed to be paid by the Owner to the Project Consultant, the parties agree as follows:

1. The recitals contained herein are true and correct and are incorporated herein by reference.

2. **Revised Terms.** The Project Consultant shall perform all related design services identified herein as set forth below:

a. Fees. The parties mutually agree that the additional design services shall be performed in exchange for the payment of $6,000 which will be paid from existing Reimbursable Allowance funds defined in the Agreement.

	Original Amount	First Amendment Amount	Description	Second Amendment Amount	Revised Amount
Basic Services Fees	$180,000	$0	Increase to Basic Services fee to remove descoped work from the permitted drawings.	$6,000	**$186,000**
Allowances – Reimbursable Expenses	$57,000	$0	--	($6,000)	**$51,000**
Supplemental Services	$25,000	$0	--	$0	**$25,000**
Total	**$262,000**	**$0**	**N/A**	**$0**	**$262,000**

3. **Other Provisions Remain in Force.** All other terms and conditions of the Contract shall remain in full force and effect. Except as expressly provided herein and as may have been previously amended, all other portions of the Agreement remain in full force and effect.

4. **Order of Precedence among Agreement Documents.** In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

a) This Second Amendment to Agreement; then
b) the First Amendment to Agreement; then
c) the Agreement.

5. **Authority:** Each person signing this Second Amendment on behalf of either party warrants that he or she has full legal power to execute this Second Amendment on behalf of the party for whom he or she is signing it to bind and obligate such party with respect to all provisions contained in this Second Amendment.

IN WITNESS WHEREOF, the parties hereto have caused this Second Amendment to be executed and their Corporate Seal affixed by and through their proper offices, thereunto duly authorized on this day and year first above written.

Requested Action:

Approve the Third Amendment to the Professional Services Agreement with The Tamara Peacock Company Architects of Florida, Inc. for $8,833.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: This item, if approved, would provide compensation to the Project Consultant for additional design services to add a fire alarm diagram to the permitted drawings, as well as provide additional clearances for HVAC equipment maintenance.

If no: If this item is not approved, the Project Consultant will not be compensated for work already performed in good faith.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$2,999,000**

The proposed amendment is for an increase to the Basic Services fee in the amount of $8,833 for additional design services to add a fire alarm diagram to the permitted drawings, as well as provide additional clearances for equipment maintenance.

The original scope of work for this project did not include work on the fire alarm system and as such was not included in the Project Consultant's original contract. However, due to the work with the fire sprinkler system, the Project Consultant was requested to add a fire alarm riser diagram to the permitted drawings.

Additionally, the Project Consultant has been requested by District staff to provide guidance on altering room dimensions or existing conditions to permit the required maintenance clearances to access the air handling unit coils.

AGENDA ITEM	DATE APPROVED	DESCRIPTION	BASIC FEES	ALLOWANCES/ SUPPLEMENTAL SERVICES	TOTAL
Original PSA	08/20/2019	Professional Services Agreement	$190,000	Reimbursable Expenses $37,000 Supplemental Services $20,000	**$247,000**
First Amendment	03/10/2021	Increase to Basic Services fee, Reimbursable Allowances, and Supplemental Services associated with additional civil engineering services.	$17,500	Reimbursable Expenses $750 Supplemental Services $1,704	**$266,954**
Second Amendment	06/14/2022	Contract Form Update (01250g COI Form)	$0	--	**$266,954**
Third Amendment	Pending Board Approval	Increase to Basic Services fee to provide a fire alarm diagram and additional clearances for equipment maintenance.	$8,833	Reimbursable Expenses ($8,833)	**$266,954**

Measurable Outcome(s)/Return on Investment:
This item ensures the provision of a fire alarm diagram to the permitted drawings, as well as additional clearances for HVAC equipment maintenance.

Financial Impact:
The financial impact of this item is $8,833 and will be funded from existing contract Reimbursable Allowance funds. No additional spend authority is required.

THIRD AMENDMENT
TO
PROFESSIONAL SERVICES AGREEMENT

BETWEEN
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA AND PROJECT CONSULTANT FOR ARCHITECTURAL/ENGINEERING SERVICES

This Third Amendment to the Professional Services Agreement ("Agreement") between The School Board of Broward County, Florida (hereinafter referred to as "SBBC" or "Owner") and The Tamara Peacock Company Architects of Florida, Inc. (hereinafter referred to as "Project Consultant") for architectural/engineering services dated the 20th day of August 2019, is entered into this 23rd day of January 2024 by and between the Owner and the Project Consultant.

For the Project known as: **Hollywood Hills Elementary School**
Project No. P.001845

Requested Action:
Approve the Fourth Amendment to the Professional Services Agreement with Song & Associates, Inc. for $5,333.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: This item, if approved, would provide for compensation to the Consultant for additional design services to modify the permitted drawings to account for revisions made to the door and hardware replacement scope, as well as revisions to the electrical and mechanical scope.

If no: If this item is not approved, the Consultant will not be compensated for work already performed in good faith.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$10,990,000**

The proposed amendment is for an increase to the Basic Services fee in the amount of $5,333 for additional design services to modify the permitted drawings to accommodate for revisions made to the Building 3 door and hardware replacement, as well as revisions to the electrical and mechanical scope.

The Project Consultant was requested by staff to eliminate the door and door hardware replacement in Building 3 from the permitted drawings. The Project Consultant was also requested to revise the permitted drawings to install VFDs on all face and bypass air handlers in lieu of motor starters, as well as remove the installation of a new roof supply fan that was already installed by Physical Plant Operations.

EXECUTIVE SUMMARY
Fifth Amendment to Professional Services Agreement
LIVS Associates, LLC
South Broward High School, Hollywood
SMART Program Renovations
Project No. P.001838
RFQ 17-103C

Requested Action:
Approve the Fifth Amendment to the Professional Services Agreement with LIVS Associates, LLC for $30,308.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: This item, if approved, would provide for compensation to the Consultant for additional design services to revise the permitted drawings to accommodate unforeseen obstructions preventing the replacement of the acoustical panels in the auditorium.

If no: If this item is not approved, the acoustical panels in the auditorium cannot be replaced.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$5,952,000**

The proposed amendment is for an increase to the Basic Services fee in the amount of $29,708 and increase in Reimbursable Expenses in the amount of $600 for additional design services to revise the permitted drawings to accommodate the replacement of the acoustical panels in the auditorium.

The Project Consultant was previously requested to revise the originally permitted drawings to incorporate recommendations made by the acoustical sub-contractor which addressed the replacement of the sound absorption wall panels in the auditorium. During construction, it was discovered that numerous unforeseen obstructions need to be addressed to proceed with installing the acoustical wall panels. The Project Consultant will revise the permitted drawings to increase the wall thickness of the acoustical panel area and update the fire and electrical drawings to allow for the installation of the wall panels.

The Owner's Program Manager, AECOM, Inc., and Atkins have successfully negotiated and recommend the additional scope and additional fees set forth herein above and below.

EXECUTIVE SUMMARY
Sixth Amendment to Professional Services Agreement
Wolfberg/Alvarez and Partners, Inc.
Piper High School, Sunrise
SMART Program Renovations
Project No. P.001744
RFQ 16-124C

Requested Action:

Approve the Sixth Amendment to the Professional Services Agreement with Wolfberg/Alvarez and Partners, Inc. for $21,134.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: If approved, this item would ensure that the Project Consultant is compensated for additional design services to re-design the Media Center ceiling system, as well as include the installation of a combination freezer and cooler in the Culinary STEM lab.

If no: If this item is not approved, the Consultant will not be compensated for work already performed in good faith.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$14,921,000**

The proposed amendment to the Agreement is for an increase to the Basic Services fee in the amount of $21,134 for additional design services to modify the permitted construction documents by re-designing the Media Center ceiling system, as well as to accommodate the installation of an Owner-supplied combination freezer and cooler with remote condensing units in the Culinary STEM lab

The original Media Center ceiling configuration and lighting layout were coordinated with the furniture layout developed during the design phase. The furniture layout was subsequently changed to meet the school's new operational requirements for the Media Center, making the original ceiling design and lighting layout obsolete. The Project Consultant was requested to modify the Media Center ceiling system, including the lighting and air distribution, in coordination with the modified furniture layout.

The Project Consultant was also requested to revise the permitted construction documents to include the installation of an Owner-supplied combination freezer and cooler in the Culinary STEM Lab. The equipment information provided to the Project Consultant during the design phase included an Owner-supplied freezer with refrigeration equipment mounted on top of the unit in the ceiling space. This was later changed to a combination freezer and cooler, with refrigeration equipment remotely mounted outdoors.

The Owner's Program Manager, AECOM, Inc., and Atkins have successfully negotiated and recommend the additional scope and additional fees set forth herein above and below.

AGENDA ITEM	DATE APPROVED	DESCRIPTION	BASIC FEES	ALLOWANCES/ SUPPLEMENTAL SERVICES	TOTAL
Original PSA	07/26/2016	Professional Services Agreement	$854,221	Reimbursable Expenses $49,779	**$904,000**
				Supplemental Services $0	

First Amendment	05/02/2017	Increase in Destructive Testing and Site Survey Allowance funds.	$0	Reimbursable Expenses $20,000	**$924,000**
Second Amendment	03/20/2018	e-Builder Language	$0	--	**$924,000**
Third Amendment	09/05/2018	Increase to Basic Services Fee to develop a separate bid package for the Single Point of Entry.	$28,374	--	**$952,374**
Fourth Amendment	09/15/2020	Increase to Basic Services Fees for FLCC increase.	$377,219	--	**$1,329,593**
Fifth Amendment	06/14/2022	Contract Form Update (01250g COI Form)	$0	--	**$1,329,593**
Sixth Amendment	Pending Board Approval	Increase to Basic Services Fee to re-design the Media Center ceiling system and Culinary STEM lab freezer.	$21,134	--	**$1,350,727**

Measurable Outcome(s)/Return on Investment:
This item ensures that the Project Consultant is compensated for additional design services to re-design the Media Center ceiling system, as well as include the installation of a combination freezer and cooler in the Culinary STEM lab.

Financial Impact:
The financial impact of this item is $21,134 and will be funded from the current project budget.

EXECUTIVE SUMMARY
GMP Amendment 1 to the Construction Services Agreement
D. Stephenson Construction, Inc.
Deerfield Beach Middle School, Deerfield Beach
SMART Program Renovations
Project No. P.002142
RFQ FY20-187

Requested Action:
Approve Guaranteed Maximum Price (GMP) Amendment 1 to the Construction Services Agreement to establish $4,191,104 as the GMP to complete the SMART Program Renovations at Deerfield Beach Middle School. Approve the additional funding request of $4,334,000.

What would the impact be if the Board voted "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, will allow construction of the SMART Program Renovations to proceed immediately.

If no: If this item is not approved, the Notice to Proceed cannot be issued and the delay to the project schedule could impact the project budget through material cost escalation.

Background/History:

Type of Contract:	**Construction Services Agreement - Construction Manager at Risk**
Project Consultant:	**D.L. Fields Consultants, LLC**
Notice to Proceed Date:	**Pending Board Approval**
Original Total Project Funding Allocation:	**$4,333,000**

The Construction Services Agreement (CMAR) for Deerfield Beach Middle School with D. Stephenson Construction, Inc. was approved by the School Board at the May 19, 2020, Regular School Board Meeting (Agenda Item JJ-1).

The scope of work associated with this GMP Amendment 1 includes fire alarm, HVAC improvements, and building envelope improvements. The original scope of work also included fire sprinklers and the re-roofing of Buildings 1, 2, 3, 4, 5, 6, 7, 8, 9, 85, and the covered walkways. The fire sprinkler scope of work is being completed as a Construction Services Minor Project (CSMP) carve-out. Due to the condition of the roof, this scope has been removed from the main project and is being completed under different project numbers.

The original fire sprinkler scope in Buildings 1, 3, and 9 was reviewed by the previous Chief Fire Official who confirmed that fire sprinklers are only necessary for Building 1. Therefore, the fire sprinkler scope for Buildings 3 and 9 was removed from the scope of work.

This GMP Amendment 1 for Phase 1B submitted by D. Stephenson Construction, Inc., in accordance with Article 6 of the CMAR Agreement, has been received and is recommended for acceptance and approval in the amount of $4,191,104.

Included in the GMP Amendment 1 is a Construction Contingency of $128,372 which is customary under the CMAR delivery model and allowed by the construction contract agreement. Procedures and expenditures related to the use of any Contingency included in GMP Amendment 1 shall comply with the CMAR Agreement Section 6.1.1 and Specification Section 01250h Contract Modification Procedures.

GMP Amendment 1 exceeds the available funds and requires additional funding in the amount of $4,334,000 to proceed with the SMART Program Renovations. The following table summarizes the previous and revised funding allocations on page 2:

Measurable Outcome(s)/Return on Investment:

Total Project Funding Allocation	Current Amount	Revised Amount	Net Change
Planning Design and Management	$987,718	$987,718	$0
Construction GMP Amendment*	$0	$4,191,104	$4,191,104
Construction Contingency	$0	$130,000	$130,000
Construction Misc.**	$308,395	$321,291	$12,896
Furnishings	$124,887	$124,887	$0
Fire Sprinkler Carveout	$685,000	$685,000	$0
Total	$2,106,000	$6,440,000	$4,334,000

*The Board approved the transfer of $2,227,000 to facilitate the multiple roofing carve-out projects at the February 15, 2022, Regular School Board Meeting.
**Includes the following items where applicable: Custodial Overtime, Hazardous Materials, Abatement, Technology Infrastructures, and Utility Connection Charges.
Soft costs include: Planning, Design, Management, Contingencies, and Furnishings.

The submitted GMP proposal is 7% over the Atkins Estimate. The project budget (Revised Amount) is 4% over the last quarterly risk assessment. Net Change is 206% over the Current Amount (DEFP).

The Procurement & Warehousing Services Department/Supplier Diversity Outreach Program (SDOP) has conducted a review of the required documentation and has determined that D. Stephenson Construction, Inc. is a certified S/M/WBE. However, D. Stephenson Construction, Inc. has committed to 20% participation at the construction management level and 80% at the subcontractor level through the use of certified M/WBE subcontractors.

Financial Impact:
The financial impact of this item is $4,191,104. AECOM and Atkins have reviewed and evaluated GMP Amendment 1 and deem it fair and reasonable based on current market conditions.

There is an additional impact to the project budget. The GMP for Deerfield Beach Middle School exceeds the available funds and requires additional funding in the total amount of $4,334,000 to proceed with the SMART Program Renovations. These funds will come from the Capital Projects Reserve and increase the project budget from $2,106,000 to $6,440,000.

Attention: Rene Pfeilsticker, Project Manager

Dear Ms. Pfeilsticker,

Per your request, and in compliance with the revised contract agreement issued in the First Amendment article of our Professional Service Agreement (PSA) with the School Board of Broward County, Florida, our office has reviewed the revised GMP documents distributed and revised on November 16, 2023, for the Construction Management at Risk Contract (CMAR) with D. Stephenson.

This letter, per Section 2.5.7 indicates our recommendation for bid award to D. Stephenson, along with the apparent qualified low bidders for the subcontracts, and adjustments made for the total Guaranteed Maximum Price (GMP) of Four Million, one Hundred ninety one Thousand, one Hundred four dollars ($4,191,104.00) based on the following;

Article 2.1.11 Construction Manager Deliverables/ Project Consultants Duty to Respond, paragraphs .1 **Cost Estimates** and paragraph .4 **GMP** - Our office was provided with the Contractor' bids and attended the bid opening and two negotiations. AECOM/ Atkins was acting as the Owner representative, with DLFC as the Project Consultant. We had input, along with Owner comments during those negotiations which was picked up and incorporated into the updated GMP. Per paragraph 2.5.4 of our PSA we found the updated GMP to be consistent with the amounts agreed upon between the negotiating team (AECOM) and the CMAR D. Stephenson, including the Basis of Costs, Qualifications and Assumptions, proposed project schedule, proposed phasing, accuracy and applicability of all listed drawing numbers and dates, accuracy and applicability of all listed of Project Manual sections as included in the GMP acceptable.

The budget aligns with the descoped items and remaining scope.

We will be available for continued participation, should you have any further clarifications, please do not hesitate to call.

TO CONSTRUCTION MANAGER AT RISK AGREEMENT

GMP AMENDMENT

THIS GMP AMENDMENT, made and entered into as of this___day of_____, _____, ("GMP Amendment") amends that certain Agreement between Owner (The School Board of Broward County, Florida) and Construction Manager (D. Stephenson Construction, Inc.), made as of the 19th day of May 2020 for the following described project: Deerfield Beach Middle School SMART Program Renovations (Project)

WHEREAS, the Owner and the Construction Manager have agreed to amend the Agreement in the manner set forth herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, in the Agreement and the other Contract Documents and for such other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner and the Construction Manager do hereby agree as follows:

1. This GMP Amendment is executed in connection with, and is deemed to be a part of the Agreement and the Contract Documents. Wherever the terms of this GMP Amendment and the terms of the Contract Documents are in conflict, the terms of this GMP Amendment shall govern and control. The terms used herein, unless otherwise defined in this GMP Amendment, shall have the meanings ascribed to them in the Contract Documents.
2. The following are hereby incorporated into the Contract Documents and made part thereof:
   a. The drawings listed on **Attachment I** attached hereto, which drawings are made a part of the Contract Documents by this reference (the "Drawings"); and
   b. The specifications listed on **Attachment II** attached hereto, which specifications are made a part of the Contract Documents by this reference (the "Specifications").
   c. Those documents listed on **Attachment III**, Additional Contract Documents, attached hereto, are made a part of the Contract Documents by this reference.
3. The entire Scope of the Work for the Project is hereby incorporated into the work.

   .1 The **Date of Commencement** for the construction shall be: 03/01/24 .

   The Construction Manager shall achieve Substantial Completion of the entire Work not later than 622 calendar days from the Date of

Commencement (the "Contract Time") and final completion not later than 60 calendar days from the date of Substantial Completion. Failure to meet either the Substantial Completion or Final Completion dates shall be a material breach of this Agreement.

.1 The Owner and the Construction Manager acknowledge and agree that the Owner will suffer damages if the Construction Manager fails to achieve Substantial Completion of the entire Work, as defined in the Contract Documents, on or before the expiration of the Contract Time, which damages are difficult, if not impossible, to ascertain with any degree of certainty. Accordingly, if the Construction Manager fails to achieve Substantial Completion of the entire Work for this Project on or before the expiration of the Contract Time, liquidated damages (which are not intended as a penalty) shall be assessed against the Construction Manager in an amount of five hundred dollars ($500) per calendar day.

.2 To the extent that the Contract Documents include specific provisions for liquidated damages to be applied separately for any Phase, Building or other portion of the Work prior to the required completion date or within the Contract Time for the entire Project, such liquidated damages shall be assessed based on the required completion dates and construction time durations set forth in the approved schedule for each such separate portion of the Work.

.3 The Guaranteed Maximum Price for the Project is hereby guaranteed by the Construction Manager not to exceed the sum of $4,191,104 (the "Project GMP"),

based upon the entire Scope of Work as described in the Contract Documents, including, but not limited to, the Drawings and the Specifications, subject only to additions and deductions by Change Order or Construction Change Directive, as provided in the Contract Documents. The GMP is more particularly itemized in the Schedule of Values prepared in accordance with the terms of the Agreement, which Schedule of Values is attached hereto and made a part of the Contract Documents by this reference. Included in the Schedule of Values and specifically identified herein, the contingency included in this guarantee maximum price is the amount of $128,372.

.4 Whether or not the Construction or Contract Documents enumerated in t h e Attachments to this GMP Amendment have actually been completed to the level of 50% or 100% as defined by this Agreement, the Guaranteed Maximum Price includes all Work reasonably inferable from such Construction and Contract Documents, the documents referenced in section paragraph 1.4 of the Construction Manager At-Risk Agreement and all responses issued by the Design

Consultant to CM's bidding inquiries and requests for information, as necessary to deliver a fully completed and finished working Project. To the extent there exists a conflict between the Construction and Contract Documents and any of the other aforementioned reference documents, the item of higher price, quantity or quality shall be included in the Guaranteed Maximum Price, without use of anyContingency.

.5 Procedures and expenditures related to use of any Contingency and any Allowances included in this GMP shall comply with CMAR Agreement Section 6.1.1, Specification Section 01250 respectively, and all provisions of such documents are incorporated into and made a part of this Contract.

.6 Procedures and expenditures related to direct purchases of materials by the Owner for this Project shall comply with Specification Section 01295, and all provisions of such documents are incorporated into and made a part of this Contract.

.7 The Construction Manager shall provide Commercial General Liability Insurance, Automobile Liability Insurance, Professional Liability Insurance and Worker's Compensation Insurance in compliance with the provisions of Article 9 of the CMAR Agreement and Article 29 of the General Conditions of the Contract for Construction, satisfactory to the Owner's Office of Risk Management.

.8 By executing this GMP Amendment, the Construction Manager acknowledges that it has ascertained all correct locations for points of connection for all utilities, if any, required for this Project; and has identified all clarifications and qualifications for this Project, if any.

.9 The Construction Manager's on-site management and supervisory personnel for this Project are set forth on **Attachment IV**, attached hereto and made a part hereof by this reference.

.10 To the extent that the Owner has authorized the Construction Manager, in writing, to perform a portion of the Work for this Project; with the Construction Manager's own forces, the salary and wage schedule for the Construction Manager's personnel performing such portion of the Work, agreed upon by the Owner and the Construction Manager, shall be as set forth on **Attachment IV**, attached hereto and made a part of the Contract Documents by this reference. The Construction Manager warrants and represents that the salary and wage schedule includes the lowest comparable market rates (including any and all benefits, contributions and insurance) charged by the Construction Manager for comparable contracts to other businesses and individuals for similar services, and that such rates are not higher than the standard paid at the

place of this Project.

.11 The Construction Schedule for this Project is set forth on **Attachment V**, attached hereto and made a part hereof by this reference. The final accepted schedule for construction as required in the Construction Manager At-Risk Agreement and included in this GMP Amendment shall not be construed as the Detailed Initial or Baseline Schedule as set forth in the General Conditions of the Contract for Construction which schedule shall be prepared by the CM and separately submitted for review and approval after approval of the GMP Amendment by the Owner, as set forth in the General Conditions of the Contract for Construction.

.12 Except as expressly provided herein above, all of the terms, conditions, covenants, agreements and understandings contained in the Contract Documents shall remain unchanged and in full force and effect, and the same are hereby expressly ratified and confirmed by the Owner and the Construction Manager.

.13 This Amendment may be executed in several counterparts, each of which shall be deemed an original but not all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have affixed their signatures, effective on the date first written above.

Bid # and Title:	RFQ FY20-187 Construction Manager at Risk Services - Deerfield Beach Middle School - SMART Program Renovations
Project #	P.002142
Affirmative Procurement Initiative (API):	The API implemented in this solicitation is the M/WBE Evaluation Preference and M/WBE Segmented Subcontracting Goals Program. The M/WBE goal for this project is 20% at Construction Management Level (Preconstruction and Construction) and 29% at Subcontractor Level for eligible M/WBE firms, certified by SBBC, who subcontract or self-perform.

S/M/WBE Participation at CM Level (Preconstruction and Construction):

Company	Prime/ Subcontractor	Scope of Work	*Category	Committed Amount	Committed Percentage
D.Stephenson Construction, Inc.	**Prime**	**Management**	S/MBE-AA	$779,241.00	80.00%
Sagoma Construction Services, Inc.	Subcontractor	Management Consulting	S/MBE-AA	$ 194,810.31	20.00%
			Total	**$974,051.31**	**100.00%**
Construction Phase:					
Vassell Tile & Marble, Inc.	Subcontractor	Flooring	S/M/WBE-AA	$ 17,073.00	0.6%
Coltec Engineering, Inc.	Subcontractor	HVAC	S/MBE-HA	$ 341,114.00	12.0%
Electrical Alliance Corp.	Subcontractor	Electrical	S/MBE-AA	$ 2,123,062.00	74.4%
			S/M/WBE Cost of Work Total	**$ 2,481,249.00**	**86.98%**
			GMP Total:	**$4,191,104.69**	

S/M/WBE Participation Commitment

CM Level M/WBE Commitment:	**20.00%**	**$194,810.31**	M/WBE at CM Level / Value 3
Construction Phase M/WBE % Commitment:	**80.33%**	Cost of Work Subtotal / (Preconstruction Fee + CM Fee + Onsite Staffing)	

Notes:

CM Level Participation Goal is calculated as follows:

Management for the Construction phase – the percentage is calculated by using Overhead and Profit plus costs of Management Staff. This is a cumulative figure for preconstruction and construction phases. If there are more than one (1) GMPs, these figures will be combined.

Subcontractor Participation Goal is calculated for Construction Phase based on the GMP Value minus contingency, minus the items listed in CM Level Goal Calculation. If there is more than one (1) GMP, these figures will be combined.

EDDC Comments:

D. Stephenson Construction, Inc. has submitted the required documentation in accordance with the solicitation's requirements. D. Stephenson Construction was not a certified Minority, Women-owned Business Enterprise (M/WBE) at the time of award, but they are certified firm currently. For the Construction Phase, they have committed to CM Level M/WBE Participation of 20% and 80% subcontracting for this project through the use of the following S/M/WBE Certified Firms: Sagoma Construction Services, Inc. - S/MBE-AA, Vassell Tile & Marble, Inc. - S/M/WBE-AA, Coltec Engineering, Inc. - S/MBE-HA, Electrical Alliance Corp. - S/MBE-AA.

The Economic Development & Diversity Compliance Department (EDDC) will monitor and track progress throughout all phases of the project.

Qualifications and Assumptions
GMP
09/19/2023 (Revised 12/01/23)

The Scope of this Design Development Construction Document Estimate Proposal is based on the documents issued by DLFC Architects dated 03/05/23, Addenda 1 through 4 and the following Qualifications and Assumptions.

1. ITEMS PROVIDED BY OWNER:
    a. Impact fees and / or jurisdictional assessments.
    b. Mitigation of radon or methane gas.
    c. Removal of asbestos in ductwork.
    d. Replacement of ductwork, electric duct heaters and ACT at building 3.

2. EXCLUDED COSTS: (or by others)
    a. Upgrading of existing conditions if not related to GMP scope of work.

Division 01 – General Requirements

1. Project schedule assumes all work will be performed in a continuous operation without interruption. We have assumed access to work areas will not be limited and that work can be underway in multiple areas.

Division 09 – Drywall

1. Upgrading of partition walls to meet smoke/fire rating is limited to repair of penetrations associated with scope of work of various trades for this project.

End of Qualifications and Assumptions.

Requested Action

Approve a time extension of 220 days to Substantial Completion; approve a time extension of 6 days between Substantial and Final Completion; approve the Final Acceptance and Release of Retainage.

What would the impact be if the Board voted "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, provides for a construction closeout of this project, and allows for the retainage (final payment) to be released to the contractor.

If no: If this item is not approved, final payment cannot be released to the contractor.

Background/History

The scope of work for the project included the removal and replacement of the existing roofing system for Buildings 2, 5, 6, and 7.

Construction Contract Summary

ORIGINAL BASE CONTRACT:	$	2,435,653.48	180 Days
DIRECT OWNER PURCHASE(S):	$	(772,529.52)	0 Days
PREVIOUSLY APPROVED CO'S:	$	(46,501.77)	0 Days
CURRENT REQUEST:	$	0.00	220 Days
CURRENT REVISED CONTRACT:	**$**	**1,616,622.19**	**400 Days**

Status of Work:

This project is in the closeout phase.

Action Plan:

AECOM recommends granting the Contractor a time extension of 220 days to permit timely Substantial Completion, as well as granting 6 days between Substantial and Final Completion for delays which were not the fault of the Contractor.

Release of Retainage:

Item #1 – Retainage Reduction: Release the remainder of retainage in the amount of $79,336.05.

Measurable Outcome(s)/Return on Investment:

This item provides for a construction closeout of this project and allows for the retainage (final payment) to be released to the contractor.

Financial Impact:

The final contract payment for retainage in the amount of $79,336.05 will be released to the contractor. Once approved, this project is ready for financial closeout. A credit of ($331,448.29) for the remaining project funds will be returned to the Capital Budget Reserve and reduce the project budget from $3,092,600 to $2,761,151.71.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

Requested Action

Approve a time extension of 720 days to Substantial Completion; approve a time extension of 10 days between Substantial and Final Completion; approve the Final Acceptance and Release of Retainage.

What would the impact be if the Board voted "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, provides for a construction closeout of this project, and allows for the retainage (final payment) to be released to the contractor.

If no: If this item is not approved, final payment cannot be released to the contractor.

Background/History

The scope of work for the project included the removal and replacement of the existing roofing system for Buildings 5 and 6.

Construction Contract Summary

ORIGINAL BASE CONTRACT:	$	1,132,154.93	120 Days
DIRECT OWNER PURCHASE(S):	$	0.00	0 Days
PREVIOUSLY APPROVED CO'S:	$	0.00	0 Days
CURRENT REQUEST:	$	0.00	720 Days
CURRENT REVISED CONTRACT:	**$**	**1,132,154.93**	**840 Days**

Status of Work:

This project is in the closeout phase.

Release of Retainage:

Item #1 – Retainage Reduction: Release the remainder of retainage in the amount of $111,691.80.

Action Plan:

AECOM recommends granting the Contractor a time extension of 720 days to permit timely Substantial Completion, as well as granting 10 days between Substantial and Final Completion for delays which were not the dault of the Contractor.

The delay to Substantial completion can mostly be attributed to unforeseen supply chain delays associated with the roof tiles. The work was considered cosmetic and actual construction roofing work was completed in a timely manner. This delay was unrelated to the performance of work by the Contractor.

Measurable Outcome(s)/Return on Investment:
This item provides for a construction closeout of this project and allows for the retainage (final payment) to be released to the contractor.

Financial Impact:
The final contract payment for retainage in the amount of $111,691.80 will be released to the contractor. Once approved, this project is ready for financial closeout. A credit of ($17,845.07) for the remaining project funds will be returned to the Capital Budget Reserve and reduce the project budget from $1,150,000 to $1,132,154.93.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

Requested Action

Approve a time extension of 8 days to Substantial Completion; approve a time extension of 842 days between Substantial and Final Completion; approve the Final Acceptance and Release of Retainage.

What would the impact be if the Board voted "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, provides for a construction closeout of this project, and allows for the retainage (final payment) to be released to the contractor.

If no: If this item is not approved, final payment cannot be released to the contractor.

Background/History

The scope of work for the project included the replacement of the existing Building 12 with a new 30-classroom addition.

Construction Contract Summary

ORIGINAL BASE CONTRACT:	$	12,613,478.00	365 Days
DIRECT OWNER PURCHASE(S):	$	(1,236,677.85)	0 Days
PREVIOUSLY APPROVED CO'S:	$	(618,237.45)	36 Days
CURRENT REQUEST:	$	0.00	8 Days
CURRENT REVISED CONTRACT:	**$**	**10,758,562.70**	**409 Days**

Status of Work:

This project is in the closeout phase.

Release of Retainage:

Item #1 – Retainage Reduction: Release the remainder of retainage in the amount of $87,925.63.

Action Plan:

AECOM recommends granting the Contractor a time extension of 8 days to permit timely Substantial Completion, as well as granting 842 days between Substantial and Final Completion for delays which were not the fault of the Contractor.

The delay between Substantial and Final completion can mostly be attributed to site work being completed by the District. This work was required to be completed before the Contractor was able to complete the remaining scope of work on the project. This delay was unrelated to the performance of work by the Contractor.

Measurable Outcome(s)/Return on Investment:
This item provides for a construction closeout of this project and allows for the retainage (final payment) to be released to the contractor.

Financial Impact:
There is no budget or spending authority impact for this item. The final contract payment for retainage in the amount of $87,925.63 will be released to the contractor.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

Requested Action

Approve a time extension of 66 days to Substantial Completion; approve a time extension of 19 days between Substantial and Final Completion; approve the Final Acceptance and Release of Retainage.

What would the impact be if the Board voted "yes" or "no" for this Board item?

If yes: The impact of this item, if approved, provides for a construction closeout of this project, and allows for the retainage (final payment) to be released to the contractor.

If no: If this item is not approved, final payment cannot be released to the contractor.

Background/History

The scope of work for the project included the removal and replacement of the existing roofing system for Buildings 1, 2, 4, 5, and 6, as well as the repair of the existing aluminum-covered walkways.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

PAYMENTS TO CONTRACTOR DURING CONSTRUCTION

PER STATUTE F.S. 255.078, AND EXCEPT AS PROVIDED BELOW, CONSTRUCTION PAYMENTS ON PROJECTS UP TO FIFTY (50) PERCENT COMPLETION SHALL NOT EXCEED NINETY (90) PERCENT OF THE WORK COMPLETED OR MATERIALS PAID FOR AND PROPERLY STORED ON SITE, OR IN A BONDED WAREHOUSE.

PAYMENTS SHALL BE CONDITIONED UPON OWNER'S REPRESENTATIVE APPROVING PROGRESS OF WORK AND MATERIALS STORED, IN ACCORDANCE WITH THE EXECUTED CONSTRUCTION CONTRACT.

REDUCTION OF RETAINAGE:
PER STATUTE F.S. 255.078, RETAINAGE SHALL BE REDUCED TO FIVE (5) PERCENT AFTER THE PROJECT REACHES FIFTY (50) PERCENT COMPLETION. FURTHER REDUCTION OF RETAINAGE SHALL BE AUTHORIZED ONLY AFTER THE PROJECT ACHIEVES SUBSTANTIAL COMPLETION AND THE CERTIFICATE OF OCCUPANCY OR FORM OEF 110B HAS BEEN FULLY EXECUTED. THE RETAINAGE REDUCTION BELOW FIVE (5) PERCENT SHALL REQUIRE THE RECOMMENDATION OF THE SUPERINTENDENT OR DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCTION MANAGEMENT, AND BE AUTHORIZED BY BOARD ACTION.

REDUCTION OF RETAINAGE ON IDENTIFIABLE PHASED PROJECTS IS PERMITTED, PURSUANT TO THE RULES ABOVE. FOR PHASED PROJECTS, IF THE OVERALL CONTRACT VALUE EXCEEDS THE CONSTRUCTION COST LIMIT PER STATUTE F.S. 287.055; REDUCTION OF RETAINAGE ON INDIVIDUAL PHASES SHALL REQUIRE BOARD APPROVAL.

FINAL PAYMENT OF RETAINAGE:
THE CRITERIA AND CONDITIONS FOR FINAL PAYMENT OF THE RETAINAGE INCLUDE:

1. THE SCHOOL BOARD ACCEPTS THE FACILITY VIA AN EXECUTED FORM 110B.

2. ALL CONTRACTUAL OBLIGATIONS HAVE BEEN COMPLETED.

3. EXECUTED FORM OEF 209, OR WHEN AN OEF 209 IS NOT REQUIRED, CERTIFICATION OF COMPLETION BY THE ARCHITECT OR ENGINEER OF RECORD.

FINAL ACCEPTANCE AND RELEASE OF RETAINAGE ON PROJECTS WITH A CONSTRUCTION COST LIMIT PER F.S. 287.055 SHALL NOT REQUIRE BOARD APPROVAL. APPROVAL SHALL BE GRANTED BY THE DEPUTY SUPERINTENDENT OF FACILITIES AND CONSTRUCITON MANAGEMENT OR DESIGNEE, UPON RECEIPT OF THE EXECUTED CERTIFICATE OF FINAL INSPECTION OR CERTFICATE OF COMPLETION NOTED ABOVE. FOR THE PURPOSES OF THIS RULE, CONSTRUCTION CONTRACTS THAT DO NOT REQUIRE A CERTIFICATE OF OCCUPANCY SHALL BE CERTIFIED AS SUBSTANTIALLY COMPLETE BY THE ARCHITECT OR ENGINEER OF RECORD.

SMART Program Renovations
Project No. P.001836
RFQ 17-102C

Requested Action:
Approve the Fifth Amendment to the Professional Services Agreement with LIVS Associates, LLC for $289,360.

What would the impact be if the Board votes "yes" or "no" for this Board item?

If yes: This item, if approved, ensures that the permitted drawings are revised to incorporate the replacement of the corroded sanitary lines for a complete scope of work to be bid, as well as provide compensation to the Project Consultant for additional pre-bid services associated with the rebid of the project.

If no: If this item is not approved, the project cannot move forward.

Background/History:

Type of Contract:	**Professional Services Agreement**
Authorization to Proceed:	**TBD**
Original Total Project Funding Allocation:	**$8,869,000**

The proposed amendment is for an increase to the Basic Services fee in the amount of $228,860, increase in Reimbursable Expenses in the amount of $10,500, and increase the Supplemental Services in the amount of $50,000 for additional design services to revise the permitted drawings to incorporate the replacement of the corroded sanitary lines for a complete scope of work to be bid, as well as provide compensation to the Project Consultant for additional pre-bid services associated with the rebid of the project.

WHEREAS, the Owner and Project Consultant acknowledge and agree that the Agreement between Owner and Project Consultant dated the 21st day of March 2017, is in full force and effect as revised by the First Amendment dated March 20, 2018, the Second Amendment dated September 5, 2018, the Third Amendment dated January 11, 2022, the Fourth Amendment dated June 14, 2022, and this Fifth Amendment; and

WHEREAS, the advertisement seeking bids for the Project was placed on April 10, 2023, resulting in the receipt of just two (2) bids on May 18, 2023; and

WHEREAS, as a result of the discovery that the Bid Documents insufficiently identified the required phasing, scheduling, or the complexity of the scope of work, a recommendation was posted to reject both of the bids received, revise the Bid Documents, and readvertise the Project; and

WHEREAS, the Project Consultant has been requested to modify the Bid Documents as required to sufficiently identify the required phasing, scheduling, and complexity of the scope of work, and to provide additional pre-bid services; and

WHEREAS, the Project Consultant has also been requested to further revise the permitted drawings to include the replacement of corroded sanitary sewer piping discovered on-site; and

WHEREAS, the Project Consultant has agreed to perform such additional services in exchange for an increase to the Basic Services fee in the amount of $228,860, an increase in Reimbursable Expenses in the amount of $10,500, and an increase in Supplemental Services in the amount of $50,000; and

WHEREAS, the Owner's Program Manager, AECOM, Inc., and Atkins have successfully negotiated and hereby recommend the additional scope, and such additional fees as set forth herein above and below.

NOW, THEREFORE, in exchange for the mutual covenants and promises set forth herein and the sums of money agreed to be paid to the Project Consultant by the Owner, the parties agree as follows:

1. The recitals contained herein are true and correct and are hereby incorporated by reference.

2. **Revised Terms.** The Project Consultant shall perform all related design services for the additional Project scope identified herein as set forth below:

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission FDOE Supplemental School Improvement Grant

Board Meeting Date: January 23, 2024

Requested Action
Approve the post-submission Supplemental School Improvement Grant Application for the 2023-2024 school year in the amount of $5,832,502.70.

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this grant is approved and awarded, the District will receive $5,832,502.70 in funding to serve student populations as identified by ESSA Federal Percent of Points Index.

If the Board votes "No": If this grant is not approved, the District will lose the opportunity to receive $5,832,502.70 in funding to serve student populations as identified by ESSA Federal Percent of Points Index.

Background/History
The mission of the Bureau of School Improvement (BSI) is to serve as a partner in supporting improved outcomes for all students through strategic problem solving, capacity building, and the implementation of sustainable systems in the areas of 1)transformational leadership, 2) standards-based planning, instruction, and learning, and 3) positive culture and environment.

The grant funds are allocated through BCPS to serve student populations as identified by the Every Student Succeeds Act (ESSA) Federal Percent of Points Index in schools implementing targeted and comprehensive support and improvement activities under section 1111(d) of ESSA. Each LEA with at least one school identified as Additional Targeted Support and Improvement (ATSI), Targeted Support and Improvement (TSI), or Comprehensive Support and Improvement (CSI) is eligible to receive funding.

The Supplemental School Improvement Grant is an entitlement grant. Broward will receive funding for 145 traditional schools and 45 charter schools. For more information, please contact Richard Baum, Director of Research, Evaluation & Accountability.

Alignment to 2027 Goals and Guardrails
Goal 1: Early Literacy Proficiency; Goal 2: Algebra Proficiency; Goal 3: Science Proficiency; Goal 4: College & Career Readiness/Acceleration

Measurable Outcome(s)/Return on Investment: As a result of the Supplemental School Improvement Grant, the percentage of schools labeled Additional Targeted Support and Improvement (ATSI), Targeted Support and Improvement (TSI) and Comprehensive Support and Improvement (CSI) will be reduced by 20% in the 2024-2025 school year.

Financial Impact
The potential positive financial impact is $5,832,502.70. The source of funds is from the Florida Department of Education. There is no additional financial impact to the District.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission National Oceanic and Atmospheric Administration (NOAA) Gulf of Mexico Bay Watershed Education and Training (B-WET) Grant

Board Meeting Date: January 23, 2024

Requested Action
Approve the post-submission National Oceanic and Atmospheric Administration (NOAA) Gulf of Mexico Bay Watershed Education and Training (B-WET) Grant through Seacamp Association, Inc. for a two-year grant period beginning in the 2023-2024 school year.

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this grant is approved, eligible teachers and their students will receive $191,120 in funding and in-kind support for professional and experiential learning.

If the Board votes "No": If this grant is not approved, eligible teachers and their students will lose the opportunity to receive $191,120 in funding and in-kind support for professional and experiential learning.

Background/History
Seacamp Association, Inc., (Seacamp), through a grant awarded by the NOAA Gulf of Mexico B-WET Program, has awarded Sawgrass Springs and Silver Lakes middle schools funding and in-kind support valued at $191,120 to provide professional learning for teachers and multiple field studies for students. Field experiences will comply with water-based field trip safety requirements and will be approved by Risk Management. All instructional materials provided through this partnership will comply with SBBC Policy 4140 Instructional Materials, which ensures that all non-state-adopted instructional materials are approved by the Office of Academics.

The National Oceanic and Atmospheric Administration (NOAA) Gulf of Mexico Bay Watershed Education and Training (B-WET) Grant is a new and competitive grant. Seacamp will provide teacher compensation for program implementation and funding for program and transportation fees for 222 students for experiential learning at Newfound Harbor Marine Institute at Seacamp (Big Pine Key). This grant will be managed by the Applied Learning Department. For more information, please contact Susan Cantrick, Director of Applied Learning.

Alignment to 2027 Goals and Guardrails
Goal 4: College & Career Readiness

Measurable Outcome(s)/Return on Investment
By June 2025, 222 students will experience place-based, standards-aligned, science field studies comparing South Florida habitats: Everglades, Wahoo Bay (Pompano Beach), and Newfound Harbor Marine Institute at Seacamp (Big Pine Key).

Financial Impact
The positive financial impact is $191,120 in in-kind support and payments paid directly from Seacamp Association, Inc. to participating teachers. The source of funds is NOAA through Seacamp. There is no additional financial impact to the District.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission United States Tennis Association Equipment Grant Application

Board Meeting Date: January 23, 2024

Requested Action
Approve the post-submission United States Tennis Association Equipment and Program Grant Applications for the 2023-2024 school year in the amount of $13,994.10.

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this grant application is approved, the District will receive $13,994.10 in in-kind and financial support for school tennis programs.

If the Board votes "No": If this grant application is not approved, the District will lose the opportunity to receive $13,994.10 in in-kind and financial support for school tennis programs.

Background/History
USTA Florida Foundation offers Program and Equipment Grants to Florida nonprofit organizations and government entities with a current USTA organizational membership to help fund eligible tennis programs throughout Florida communities. The Office of Facility Planning & Real Estate and the Athletics & Student Activities Department have partnered with school-based Athletic Directors to pursue funding from the United States Tennis Association's (USTA), Florida Section. Schools opted in and finalized applications to pursue grants during the August – October grant application cycle.

Crystal Lake Middle School received a Program Grant for $6,500.00, and three schools received Equipment Grants (Crystal Lake Middle School $2,499.60, McArthur High School $2,499.60, and South Broward High School $2,494.90), for a combined total of $13,994.10 in-kind and financial support.

Funding will support the introduction of tennis programming. Staff must complete USTA's Safe Play Certification, a comprehensive athlete safety program requirement consisting of education, screening, reporting tools and policies for appropriate conduct in tennis.

The USTA grant is a new and competitive grant. This grant will be managed by the awarded school sites. For more information, please contact Patricia Brown, Director of the Athletics and Student Activities Department.

Alignment to 2027 Goals and Guardrails
Guardrail 3: School Support, Guardrail 5: Wellness Support

Measurable Outcome(s)/Return on Investment
If awarded, the District will benefit from in-kind funding for tennis equipment to introduce children, adolescents, and community members to play, skill development, and healthy habits through tennis.

Financial Impact

The potential positive in-kind impact is $13,994.10 (Program Grant: $6,500.000 Crystal Lake Middle School; Equipment Grants: $2,499.60 Crystal Lake Middle School, $2,499.60 McArthur High School, and $2,494.90 South Broward High School). The source of in-kind support and funds is the United States Tennis Association. There is no additional financial impact to the District.

EXECUTIVE SUMMARY

Recommendation to Approve the Post-Submission Everglades Champion School Mini-Grant

Board Meeting Date: January 23, 2024

Requested Action
Approve the post-submission Everglades Champion School Mini-Grant for the 2023-2024 school year in the amount of $1,000.

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this grant is approved, Harbordale Elementary School will receive $1,000 in funding to support the school for Everglades-related field trips.

If the Board votes "No": If this grant is not approved, Harbordale Elementary School will lose the opportunity to receive $1,000 in funding to support the school for Everglades-related field trips.

Background/History
An Everglades Champion School is a call-to-action, designed to incentivize and empower schools to find their Everglades potential by focusing on curriculum, projects, and practices that become a part of their school culture. It encourages schools to make Everglades conservation a core value of the institution. Through the Everglades Champion School Mini-Grant, Harbordale Elementary will use its grant funds in Everglades-related field trips.

The Everglades Champion School Mini-Grant is a new and competitive grant. Harbordale Elementary School has been awarded $1,000 in funding. This grant will be managed by the school. For more information, please contact Jennifer Woertz-Kashdin, Principal of Harbordale Elementary School.

Alignment to 2027 Goals and Guardrails
Goal 3: Science Proficiency

Measurable Outcome(s)/Return on Investment
Students will make important classroom to "real-world" connections through the access to visual/hands-on learning opportunities such as understanding their curriculum through an Everglades experience. Students will also build their science proficiency in earth and life sciences.

Financial Impact
The positive financial impact is $1,000. The source of funds is The Everglades Foundation. There is no additional financial impact to the District.

Approve the post-submission National Youth Leadership Council Youth as Solutions Program grant for the 2023-2024 school year in the amount of $1,000.

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this grant is approved, Hollywood Hills High School will receive $1,000 in funding to support student-driven substance abuse prevention, railroad crossing, and safe driving campaigns implemented through the school's Students Against Destructive Decisions Club.

If the Board votes "No": If this grant is not approved, Hollywood Hills High School will lose the opportunity to receive $1,000 in funding to support student-driven substance abuse prevention, railroad crossing, and safe driving campaigns implemented through the school's Students Against Destructive Decisions Club.

Background/History
Awarded funds will support the Students Against Destructive Decisions (SADD) Club at Hollywood Hills High to implement activities aimed at increasing positive decision-making and safety. The SADD club has over 250 members from 9th to 12th grade. SADD Club members foster a sense of belonging at the school and promote resiliency, leadership, and advocacy so that young people can make positive life decisions that they will carry with them throughout life.

The National Youth Leadership Council - Youth as Solutions Program is a new and competitive grant. Hollywood Hills High School has been awarded $1,000 in funding. This grant will be managed by the school. For more information, please contact Daniel Most, Principal of Hollywood Hills High School.

Alignment to 2027 Goals and Guardrails
Guardrail 1: Safety

Measurable Outcome(s)/Return on Investment
Students will learn and understand the characteristics of effective collaboration as they develop and implement campaigns for school-wide positive decisions and safe driving.

Financial Impact
The positive financial impact is $1,000. The source of funds is National Youth Leadership Council. There is no additional financial impact to the District.

EXECUTIVE SUMMARY

Recommendation to Approve the Third Amendment to the MIND Education Agreement

Board Meeting Date: January 23, 2024

Requested Action
Approve the Third Amendment to the MIND Education Agreement for the 2023-2024 school year in the amount of $12,000 (in-kind).

Impact if the Board Voted Yes or No

If the Board votes "Yes": If this Agreement is approved, Westpine and Pines middle schools will receive a total of $12,000 in in-kind support for the implementation of the ST Math instructional program.

If the Board votes "No": If this Agreement is not approved, Westpine and Pines middle schools will lose a total of $12,000 in in-kind support for the implementation of the ST Math instructional program.

Background/History
ST Math is a PreK-8 visual instructional program that leverages the brain's innate spatial-temporal reasoning ability to solve mathematical problems. ST Math's unique, patented approach provides students with equitable access to online learning through challenging puzzles, non-routine problem solving, and informative feedback. With ST Math, students build deep conceptual understanding, and schools see proven, repeatable results. With the support of Verizon, MIND Education offers schools the following for the 2023-2024 school year:

- A full site license to ST Math: Middle School Supplement (Grades 6-8)
- Ongoing training and professional development for educators
- Ongoing webinar training and access to learning resources
- Personalized technical and curricular support
- Live coaching and modeling for teachers in the classroom
- Coaching and support in the use of data and reports
- 24/7 access to a robust gallery of reports

This Agreement allows for Westpine and Pines middle schools to receive an in-kind donation of site licenses valued at $6,000 each for a combined total of $12,000. The schools will manage their own program. All purchased instructional materials funded through this grant will comply with SBBC Policy 4140 Instructional Materials, which ensures that all non-state adopted instructional materials be evaluated by the school staff and approved by the Office of Academics, prior to purchase. For more information, please contact Sherri Wilson, Director of Innovative Learning.

Alignment to 2027 Goals and Guardrails
Goal 2: Algebra Proficiency; Guardrail 3: School Support

Measurable Outcome(s)/Return on Investment
The ST Math pre-assessment will help establish baseline data. Utilizing ST Math and the school's math curriculum, regular formative assessments will guide online and remote remediation, enrichment activities, and instructional practices to reach the goal of 75% achievement score and personal learning gains of 75 points or better for students participating in ST Math.

Financial Impact
The positive financial impact is $12,000 (in-kind). The source of funds is MIND Education. Awarded schools who choose to participate after June 30, 2024 will purchase the program from the school's budget. There is no additional financial impact to the District.

THIRD AMENDMENT TO AGREEMENT

THIS THIRD AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

MIND EDUCATION
f/k/a
MIND RESEARCH INSTITUTE
(hereinafter referred to as "MIND"),
having its principal place of business is
5281 California Avenue, Suite 300, Irvine, California 92617

WHEREAS, SBBC and MIND entered into an Agreement dated December 15, 2020 ("Agreement"); and

WHEREAS, the Agreement implements "Spatial-Temporal Math" or "ST Math," which develops a uniquely visual, non-language approach to teaching math to all students by developing a deeper understanding of math concepts, perseverance, and problem-solving skills through the ST Math School Grants Program ("Program") beginning at Glades, Margate, and Nova middle schools ("Cohort 1"); and

WHEREAS, on August 17, 2021, SBBC and MIND entered into a First Amendment to add McNicol, Olsen, Pines, and Westpine middle schools awarded in 2021 ("Cohort 2"); and

WHEREAS, on August 17, 2022, SBBC and MIND entered into a Second Amendment to add Annabel C. Perry PreK-8, Bair, Driftwood, Forest Glen, Lauderdale Lakes, Pompano Beach, Silver Lakes middle schools, and Millennium 6-12 College Academy that were awarded in 2022; and

WHEREAS, the parties mutually desire to amend certain provisions of the Agreement through this Third Amendment to Agreement ("Third Amendment").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Name Change**. MIND Research Institute is replaced with MIND Education, by interlineation, within the Agreement.

1.03 **Amended Provisions.** The parties hereby agree to the following amended provisions to the Agreement:

I. The following provisions replace Section 2.02(b) Program Description of the Agreement as follows:

(b) This grant is awarded for a period of two years ending on June 30, 2024. Westpine and Pines middle schools receive a total of $12,000 in in-kind support for the implementation of the ST Math instructional program. SBBC will not be responsible for paying any balance for the annual ST Math software license fee not covered by the grant.

II. The provisions in Section 2.03(d) Program Requirements of the Agreement are replaced with the following:

(d) Renewal Fees. SBBC understands that this is a one-time grant, and that SBBC is not responsible for funding its use of the Program once the grant has expired and should the school continue participating in the program.

III. The provisions in Section 2.05(a)(5) MIND Safeguarding the Confidentiality of Education Records of the Agreement are replaced with the following:

2.05 **MIND Safeguarding the Confidentiality of Education Records**.

a) Notwithstanding any provision to the contrary within this Agreement, MIND shall:

* * *

5) utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall, otherwise be in full be in compliance with Section 1006.1494, Florida Statutes;

* * *

IV. The following provisions are added to the Agreement, by interlineation, as "Section 2.18: Auditing of Data Protection Controls":

2.18 **Auditing of Data Protection Controls.**

(a) MIND or any of MIND's subcontractors with access to SBBC data shall undergo an audit utilizing the Statement on Standards for Attestation Engagements 18 (SSAE 18) auditing standards published by the Auditing Standards Board of the American Institute of Certified Public Accountants and receive a System and Organization Controls (SOC) 2 report validating their security controls.

(b) At a minimum, the audit shall show what controls are used to:

1) protect SBBC against unauthorized access, unauthorized disclosure, and damage;
2) reduce the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data;
3) ensure SBBC student and/or staff personal information is collected, used, retained, disclosed, and disposed of in a manner to meet MIND's objectives while also ensuring the data is protected from unauthorized use or disclosure; and
4) monitor compliance with established security controls.

(c) Regardless of the audit type used, SSAE 18 or another third-party audit, MIND shall provide an attestation stating that MIND and/or MIND's subcontractors with access to SBBC data have undergone an audit and the security controls being used are in compliance with acceptable security standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by MIND or by any of MIND's subcontractors with access to SBBC data under this Agreement.

(d) Additionally, MIND and/or MIND's subcontractors with access to SBBC data shall, at minimum, annually complete a SSAE 18 or other third-party compliance assessment and maintain compliance during the agreement. The MIND shall provide SBBC an attestation of continued compliance by MIND and/or MIND's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

1.04 **Order of Precedence among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents shall take precedence in this order:

a) This Third Amendment to Agreement, then
b) The Second Amendment to Agreement; then
c) The First Amendment to Agreement; then
d) The Agreement.

1.05 **Other Provisions Remain in Force.** Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

1.06 **Authority**. Each person signing this Third Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Third Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Third Amendment to Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Second Amendment to Agreement on the date of last signature below.

EXECUTIVE SUMMARY

Recommendation to Approve Agreement
AGR24-230 – Inner Explorer

Board Meeting Date: January 23, 2024

Requested Action
Approve the Agreement; Contract Term: January 23, 2024, through January 22, 2027, with an option for two additional one-year renewal periods; Award Amount: $594,000 (Year 1: $198,000; Year 2: $198,000; Year 3: $198,000); Awarded Vendor: Inner Explorer, Inc.; Small/Minority/Women Business Enterprise Vendor(s): None; District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": Students can access an interactive platform that helps develop resiliency skills while promoting life skills and wellness.

If the Board votes "No": Students will not have access to resources that will help improve their mental health.

Background/History
Inner Explorer is a mindfulness platform designed to support mental health and well-being. Instructors use this resource prior to instruction, during daily transitions, and after emergency/safety protocols. This audio-guided program is based on the Mindfulness-Based Stress Reduction (MBSR) protocols. It supports State Statue 1003.42 as it cultivates critical life skills, such as self-awareness, self-regulation, empathy, and resilience. These skills work to address chronic stress, trauma, and adversity while also fostering compassionate and equitable learning environments. This evidence-based program improves mental health, brain development, emotional regulation, performance, creativity, and a host of other benefits.

This program requires no preparation, planning, training, or curriculum as it is just a "press-and-play" tool with sequential practice for daily activities. Teachers and families can join in the daily practices in English and Spanish and benefit as much as the students. Webinars tailored to the needs of counselors, educators, administrators, and families will also be provided. Analytics dashboards with customized reporting and a dedicated project coordinator are also provided.

Alignment to 2027 Goals and Guardrails
Guardrail 5: Wellness Support

Measurable Outcome(s)/Return on Investment
By November of 2024, the self-awareness and self-management results in the life skills and wellness survey will increase by ten (10) percent.

Last school year, two hundred seven (207) of our two hundred forty (240) schools in Broward County Public Schools were actively using Inner Explorer, eighty-six (86) percent. In a study conducted during the 2022-2023 school year about Inner Explorer, one hundred ninety-three (193) schools responded, consisting of teachers, counselors, and administrators reporting the following results:

- One hundred thirty (130) saw an increase in awareness of self and others
- One hundred twelve (112) indicated an increase in student self-regulation
- Seventy-one (71) saw an increase in student academics
- Sixty-five (65) experienced fewer classroom behaviors

Procurement Method
Pursuant to Rule 6A -1.012, 11(b), and 14, Florida Administrative Code, and Purchasing Policy 3320, Section II.H, authorizes the purchase of any type of copyrighted materials, instructional materials, and computer software without competitive solicitations.

Financial Impact
The spending authority is $594,000. The funds will come from the Mental Health Assistance Allocation.

The financial impact amount represents an estimated contract value; however, the amount authorized will not exceed the estimated contract award amount.

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

INNER EXPLORER, INC.
(hereinafter referred to as "IEI"),
whose principal place of business is
430 Franklin Village Drive #325, Franklin, Massachusetts 02038

WHEREAS, SBBC is willing to partner with IEI, a non-profit organization founded in 2011, that effectively and easily brings daily audio-guided mindfulness lessons to district preschool through high school classrooms to help district students develop skills of attention, focus, and self-control, resulting in less stress, better grades and better behavior; and

WHEREAS, IEI provides access to mindfulness computer software program through web, mobile and integrated on learning management systems including Clever; and

WHEREAS, IEI is willing to provide mobile and web access through the Inner Explorer-home app to the SBBC; and

WHEREAS, SBBC and IEI desire to memorialize the terms and conditions of their agreement for the provision of such services; and

WHEREAS, Rule 6A -1012, 11(b) and 14, Florida Administrative Code and School Board Policy 3320, Section II.H, authorizes the purchase of any type of copyrighted materials, and computer software without competitive solicitations.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 – RECITALS

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement**. The term of this Agreement commences on January 23, 2024 ("Effective Date") and conclude on January 22, 2027 unless terminated earlier pursuant to section 3.05 of this Agreement. This Agreement may, upon approval of both parties in writing in the form of an Amendment to this Agreement executed by both parties, be extended for two (2) additional one (1) year periods.

2.02 **Description of IEI Responsibilities**.

(c) ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

(d) safeguard each education record through administrative, physical and technological safety standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements;

(e) notify SBBC immediately upon discovery of a breach of confidentiality of education records by telephone at 754-321-0300 (Manager, Information Security), and 754-321-1900 (Privacy Officer), and email at privacy@browardschools.com, and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes;

(f) prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes;

(g) be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law.

2.06 **SBBC Disclosure of Employee Records**.

(a) SBBC staff will provide IEI with the employee records in this section for the following purposes:

1) Clever SSO Authentication. Inner Explorer allows school staff to access online mindfulness resources to be used during classroom lessons, particularly for the district's required Mindfulness Initiative. These resources are pre-made activities that are played for students under the direction of the instructor.

(b) SBBC will provide IEI with the following employee records, via secure file transfer protocol (FTP) or a physical disk drive:

1) Teacher's Profile Information:
   i. First and Last Name
   ii. Email Address
   iii. School Name
   iv. School Address

IEI will provide SBBC with the following information monthly:

2) Practice Information
   i. Date and Time of Access
   ii. Practice Name and Language
   iii. Duration of the Practice Playback

(c) In addition to the employee records being disclosed by SBBC staff in this section, IEI will also have access to work and information input by employees in IEI's online platform, including, First and Last Name, Email Address, School Name, and School Address.

(d) The requirements of this section shall supersede any uses and disclosures of employee records as listed in IEI's privacy policies.

2.07 **IEI Safeguarding the Confidentiality of Employee Records**. Notwithstanding any provision to the contrary within this Agreement, IEI shall:

(a) fully comply with the requirements of state or federal law or regulation regarding the confidentiality of employee records,

(b) hold the employee records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law,

(c) only share employee records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement,

(d) protect employee records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the employee's records and information,

(e) notify SBBC immediately upon discovery of a breach of confidentiality of employee records by telephone at 754-321-0300 (Manager, Information Security), and 754-321-1900 (Privacy Officer), and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes,

(f) prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, and

(g) be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law. This section shall survive the termination of all performance or obligations under this Agreement.

2.08 **Auditing of Data Protection Controls**.

(a) IEI or any of IEI's subcontractors with access to SBBC data shall provide an attestation stating the IEI and/or IEI's subcontractors with access to SBBC data have undergone a third-party audit and the security controls being used are in compliance with acceptable security standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by IEI or by any of IEI's subcontractors with access to SBBC data under this Agreement.

(b) At a minimum, the audit shall show what controls are used to:

1) protect SBBC against unauthorized access, unauthorized disclosure, and damage;
2) reduce the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data;
3) ensure SBBC student and/or staff personal information is collected, used, retained, disclosed, and disposed of in a manner to meet IEI'S objectives while also ensuring the data is protected from unauthorized use or disclosure; and
4) monitor compliance with established security controls.

(c) Additionally, the IEI and/or the IEI's subcontractors with access to SBBC data shall, at minimum, annually receive a third-party audit of their security controls showing continued compliance with acceptable security standards and maintain compliance during the agreement. The IEI shall provide SBBC an attestation of continued compliance by IEI and/or IEI's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.09 **Inspection of IEI's Records by SBBC**. IEI shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All IEI's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by

SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze and verify the applicable business records of IEI directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. Such audit shall be no more than one (1) time per calendar year.

(a) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to IEI's Records from the effective date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to IEI pursuant to this Agreement.

(b) Notice of Inspection. SBBC's agent or its authorized representative shall provide IEI reasonable advance written notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction.

(c) Audit Site Conditions. SBBC's agent or its authorized representative shall have access to IEI's facilities and to any and all records related to this Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by IEI to permit audit, inspection, examination, evaluation and/or reproduction as permitted under this section shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for SBBC's denial of some or all of any of IEI's claim for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by IEI in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by IEI. If the audit discloses billings or charges to which IEI is not contractually entitled, IEI shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand under otherwise agreed to in writing by both parties.

(f) Inspection of Subcontractor's Records. If applicable, IEI shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by IEI to include such requirements in any subcontract shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for the exclusion of some or all of any Payee's costs from amounts payable by SBBC to IEI pursuant to this Agreement and such excluded costs shall become the liability of IEI.

(g) Inspector General Audits. IEI shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.10 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director, School Counseling, Student Services Division The School Board of Broward County, Florida Procurement and Warehousing Services Department 7720 West Oakland Park Boulevard, Suite 323 Sunrise, Florida 33351
With a Copy to:	Director of Student Assessment and Research The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
To IEI:	Dr. Laura Bakosh Inner Explorer, Inc. 430 Franklin Village Drive #325 Franklin, Massachusetts 02038

2.11 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.12 **Background Screening**. IEI shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of IEI's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be

conducted by SBBC in advance of IEI or its personnel providing any services under this Agreement. IEI shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to IEI and its personnel. The parties agree that the failure of IEI to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit IEI to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. IEI agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from IEI's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.13 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. IEI shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, IEI shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. IEI shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if IEI does not transfer the public records to SBBC. Upon completion of the Agreement, IEI shall transfer, at no cost, to SBBC all public records in possession of IEI or keep and maintain public records required by SBBC to perform the services required under the Agreement. If IEI transfers all public records to SBBC upon completion of the Agreement, IEI shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If IEI keeps and maintains public records upon completion of the Agreement, IEI shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.14 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

(a) By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

(b) By IEI. IEI agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by IEI, its agents, servants, or employees; the equipment of IEI , its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of IEI or the negligence of IEI's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by IEI, SBBC, or otherwise.

2.15 **Insurance Requirements**. IEI shall comply with the following insurance requirements throughout the term of this Agreement:

(a) General Liability. IEI shall maintain General Liability insurance during the term of this Agreement with limits not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate; and limits not less than $1,000,000 for Products/Completed Operations Aggregate.

(b) Workers' Compensation. IEI shall maintain Workers' Compensation insurance during the term of this Agreement in compliance with the limits specified in Chapter 440, Florida Statutes, and Employer's Liability limits shall not be less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

(c) Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

(d) Verification of Coverage. Proof of the required insurance must be furnished by IEI to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) days of the date of this Agreement. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences to permit IEI to remedy any deficiencies. IEI must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

(e) Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

1) The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insured.

2) All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

3) Certificate Holder: The School Board of Broward County, Florida, 600 S.E. 3rd Avenue, Fort Lauderdale, FL 33301.

(f) Cancellation of Insurance. IEI is prohibited from providing services under this Agreement with SBBC without the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

(g) SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverage, or endorsements, herein throughout the term of this Agreement.

2.16 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.17 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by IEI that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. IEI further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. IEI acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. IEI further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if IEI (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is one million dollars ($1,000,000) or more, the Agreement may be terminated at SBBC's option if IEI is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.18 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this

Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.19 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.20 **Proprietary Information**.

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days written notice to cure the default. However, if said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be canceled with or without cause by SBBC during the term hereof upon thirty (30) days written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC shall be entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the date of the last signature below.

EXECUTIVE SUMMARY

Recommendation to Approve First Amendment, Renewal, and Additional Spending Authority FY21-213 - Identification and Card Solution

---

Board Meeting Date: January 23, 2024

Requested Action
Approve the First Amendment, Renewal, and Additional Spending Authority of the Agreement; Original Contract Term: January 20, 2021, through January 31, 2024; New Contract Term: January 20, 2021, through January 31, 2025, with one additional one-year renewal period remaining; Additional Spending Authority: $100,000; New Total Award Amount: $396,000.; Awarded Vendor: Identisys, Inc.; Small/Minority/Women Business Enterprise Vendor(s): None; District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": Schools will continue to purchase services from Identisys to create and print student and staff badges meeting the school safety and security requirements of having everyone identified on campus.

If the Board votes "No": Schools will not be able to purchase or renew from Identisys the system to create student/staff badges and will not be able to meet the school safety and security requirements of having everyone identified on campus.

Background/History
The Broward County Public Schools' strategic plan calls for continuous improvement in safety and security on every school campus. The District schools have utilized equipment and software to provide students, teachers, and administrative staff with identification cards specific to each campus. The identification cards allow for a unique design for each campus to identify students and staff associated with the school easily. The schools using the system are:

- Deerfield Beach HS
- William Dandy MS
- Norcrest ES
- Deerfield Beach HS
- Cypress ES
- Silver Lakes MS
- Cypress Run Education Center
- Virginia Shuman Young ES
- Dillard HS
- Blanche Ely HS
- Castle Hill Annex
- Gulfstream Early Learning Center #5641
- Driftwood MS
- Parkway MS
- Miramar ES

Alignment to 2027 Goals and Guardrails
Safety
Accountability

Measurable Outcome(s)/Return on Investment
Increase student/staff security on campus, decrease unauthorized access to school grounds and maintain greater control of personal private data.

Procurement Method
Rule 6A -1.012(14), Florida Administrative Code, and Purchasing Policy 3320, Section VI.(C)(5)(c), authorize the purchase of information technology as defined in Section 282.0041, Florida Statutes, by direct negotiation based on specifications, projected quantities, and terms and conditions, as best fits the needs of SBBC.

Financial Impact
The additional spending authority being requested is $100,000, bringing the total spending authority to $396,000. The funding source will come from the Schools operating Budget.

Financial Impact Table:

ACTION	DATE	TERM (months)	AMOUNT
Original Award	1/20/2021	36	$260,000
Additional Spending Authority	10/17/2023		$36,000
First Renewal + additional spending authority	1/31/2025	12	$100,000
Total Contract Award Amount		**48**	**$396,000**

The financial impact amount represents an estimated contract value; however, the amount authorized will not exceed the estimated contract award amount.

FIRST AMENDMENT TO AGREEMENT

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

IDENTISYS INCORPORATED
(hereinafter referred to as "IdentiSys"),
having its principal place of business at
7630 Commerce Way, Eden Prairie, Minnesota 55344

WHEREAS, IdentiSys is a provider of equipment and software solutions to facilitate production of identification cards; and

WHEREAS, SBBC and IdentiSys entered into an agreement with a contract term beginning January 20, 2021, and continuing through January 31, 2024 ("Agreement") for IdentiSys to provide SBBC with its identification card solutions, equipment, and services for use within the school district; and

WHEREAS, the parties mutually desire to extend the Agreement for an additional year through this First Amendment to Agreement; and

WHEREAS, Rule 6A -1.012(14), Florida Administrative Code, and Purchasing Policy 3320, Section VI.(C)(5)(c), authorize the purchase of information technology as defined in Section 282.0041, Florida Statutes, by direct negotiation based on specifications, projected quantities, and terms and conditions, as best fits the needs of SBBC.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Term of Agreement**. Pursuant to Article 2.01 of the Agreement, the term of the Agreement is hereby extended from February 1, 2024 ("Effective Date") through January 31, 2025, unless terminated earlier pursuant to Article 3.05 of the Agreement.

1.03 **Order of Precedence among Agreement Documents**. In the event of a conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

a) The First Amendment to Agreement; then
b) The Agreement.

1.04 **Other Provisions Remain in Force**. Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

1.05 **Authority**. Each person signing this First Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment to Agreement on behalf of the party for whom he or she is signing and to bind and obligate such party with respect to all provisions contained in this First Amendment to Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this First Amendment to Agreement on the Effective Date.

BM Request: Why are there only 15 schools included in this contract? **RSBM-012324-05 (D. Hixon)**

Response: The 15 schools included in the Identisys contract have been specifically selected for this contract due to their existing use of the system. As we progress, we are planning to transition these functionalities to Focus SIS after it goes live. This aligns with our broader goals of system integration and efficiency within the District.

EXECUTIVE SUMMARY

Piggyback Recommendation for First Renewal and Additional Spending Authority
FY22-176 – HVAC Filter and Installation Services

Board Meeting Date: January 23, 2024

Requested Action
Approve the First Renewal and Additional Spending Authority for the Piggyback Agreement; Original Contract Term: October 13, 2021, through February 9, 2024; New Contract Term: October 13, 2021 through February 9, 2025, with one additional one-year renewal period remaining; Additional Spending Authority: $2,336,000; New Total Award Amount: $6,118,000; Awarded Vendor: Bonded Filter Co. LLC, d/b/a BFC Solutions, Small/Minority/Women Business: None; District-wide.

Impact if the Board Voted Yes or No

If the Board votes "Yes": Continue to purchase and install Air Conditioning Filters for schools and sites throughout the District.

If the Board votes "No": Denial by the School Board would limit the purchase and installation of air conditioning filters.

Background/History
The Physical Plant Operations (PPO) Department will use this bid to purchase and install Air Conditioning Filters for schools and sites throughout the District. Filters are replaced monthly, quarterly, and semi-annually, depending on the size and thickness of the filter and per equipment manufacturers' recommendations. Prior to this bid, PPO and school Custodial Staff would be responsible for regularly replacing air filters at the sites. This bid will allow for greater efficiency, management, and accountability of this commodity and service. Timely filter replacements are essential to avoid endangering public health, improve air quality, maximize the life expectancy of the equipment, and reduce repair costs and downtime.

Alignment to 2027 Goals and Guardrails
Business Operations

Measurable Outcome(s)/Return on Investment
Reliable, economical HVAC Filter and Installation Services at all schools and facilities – District-wide.

Procurement Method

In accordance with Florida Administrative Code (F.A.C.), Rule 6A-1.012(6) and Purchasing Policies 3320, Part II, General Provisions, Item M states that: "In lieu of requesting competitive solicitations from three (3) or more sources, District School Boards may make purchases at or below the specified prices from contracts awarded by other city or county governmental agencies, other District School Boards, Community Colleges, Federal Agencies, the Public or Governmental Agencies of any State, or from State University system cooperative bid agreements when the proposer awarded a contract by another entity defined herein will permit purchases by a District School Board at the same terms, conditions, and prices (or below such prices) awarded in such contract, and such purchases are to the economic advantage of the District School Board."

A copy of the Piggyback documents is available online at:
http://www.broward.k12.fl.us/supply/agenda/FY22-176_2007239_HVACFilter&InstallationServices.pdf.

Financial Impact

The additional spending authority requested is $2,336,000 which will bring the new total award amount to $6,118,000 and it is funded by approved Physical Plant Operations budgets.

Financial Impact Table:

ACTION	DATE	TERM (months)	AMOUNT
Original spending authority request	10/12/21	28	$1,125,000
Additional Spending Authority	9/13/22		$2,657,000
First Renewal and additional spending authority	1/23/24	12	$2,336,000

AGREEMENT FOR OPEN END SERVICES BETWEEN
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
AND
CONSULTANT
FOR
STRUCTURAL ENGINEERING SERVICES

THIS AGREEMENT, made this, 23rd day of January in the year 2024, by and between **THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA** (hereinafter called the "**Owner,**" "**SBBC**" and/or "**Board**"), and:

JENKINS AND CHARLAND INC., DBA TRC WORLDWIDE ENGINEERING.

Hereinafter, "**Consultant**," for various projects. It is agreed that this Agreement is an "Open End" Agreement in that the Owner will from time to time during the term of this Agreement require services from the Consultant on various different projects with estimated construction costs that do not exceed the limit set forth in Section 287.055(2)(g), Florida Statutes as amended from time to time. Rather than enter into separate agreements each time that is required, the Owner and Consultant shall enter into this Agreement. The terms and conditions of this Agreement shall govern each of the individual projects that the Consultant is hired to provide services for. Attached as **Attachment 1** to this Agreement is a general "Scope of Work for Structural Engineering Services," which has been negotiated and agreed upon by all parties. The Owner will assign increments of Work to the Consultant via an Authorization to Proceed ("ATP"), Attachment 4, which will be completed for each project or service to which the Consultant is assigned. Each ATP, which includes forms for the Professional Services required, Project Schedule and Professional Fee, shall be completed by the Owner and Consultant evidencing the services, fees, time, etc. for that particular project and confirming that the terms and conditions of this Agreement apply. Each project assigned to the Consultant will be identified by the Owner's assigned project numbers. For each project, some or all of these Services will be part of the Scope of Work for that particular project. In addition, other services may be required.

The term of this Open-End Agreement commences on the date of this Agreement as set forth above. Unless extended pursuant to the terms of the Agreement, no new projects may be assigned under this Open-End Agreement upon expiration of the initial Three (3) year term of the Agreement. The total dollar amount for all fees to be paid to the Consultant for all projects pursuant to this Agreement may not exceed Two hundred Fifty Thousand ($250,000) Dollars during the initial three (3) year term of the Agreement. The Agreement may be extended by two (2) additional, one-year periods with a limit increase of One Hundred Thousand ($100,000) Dollars per year of extension. The Owner and Consultant agree as follows:

ARTICLE 1 – DEFINITIONS

1.1 **The Office of Facilities & Construction ("Office" or "OFC"):** The Owner's organizational entity which acts as liaison between the Consultant and Owner and provides day to day management and other professional services on the Owner's behalf. Various members of the Office of Facilities and Construction, acting as representatives of the Owner, will meet with the Consultant at periodic intervals throughout the preparation of the Contract Documents to assess the progress of the Work in accordance with approved schedules. Office personnel will also examine documents submitted by the Consultant, including invoices, and will promptly render decisions and/or recommendations pertaining thereto to avoid unreasonable delay in the progress of the Consultant's work. The Project Manager shall be principally responsible for direct communication to the Consultant and the Contractor.

1.2 **The Chief Facilities & Construction Officer, Office of Facilities & Construction:** An employee of The School Board of Broward County, Florida, who has the authority and responsibility for oversight and management of all projects for the Owner. Referred to hereinafter as the Chief Facilities & Construction Officer or Chief Facilities Officer.

1.3 **Authorization to Proceed (ATP):** A document in the form of Attachment 4 to this Agreement, accompanied by a fully executed Purchase Order, issued by the Owner to the Consultant, authorizing the performance of specific professional services and commencement of a Phase as defined in Article 2.1 through Article 2.8, and stating the time for completion and the amount of fee authorized for such services.

1.4 **Basic Services:** Those services defined in Attachment 1.

1.5 **Other Basic Services:** Those services defined in Attachment 1.

1.6 **Supplemental Services:** Those services defined in Attachment 1.

1.7 **Consultant:** The individual, partnership, corporation, association, joint venture, or any combination thereof, of properly registered and licensed professionals who has entered into a contract with the Owner to provide professional Structural Engineering services pursuant to the terms of this Agreement.

1.8 **Project Scope:** The activities necessary to respond to the Owner's requirements for the various projects, refer to Attachment 1.

1.9 **Project Budget:** The sum, established by the Owner, as available for the entire Project, including but not limited to the construction budget (Fixed Limit of Construction Cost ("FLCC")), land costs, costs of furniture, fixtures and equipment (FF&E), financing costs, compensation for all professional services, costs of Owner-furnished goods and services, contingency allowances and other similar established or estimated costs.

1.10 **Project Schedule:** The Owner's requirements for the progress of activities associated with the Project identified by milestones and required completion dates for Consultant services defined by this Agreement.

1.11 **The Contract Documents:** The Contract Documents as used herein refer to the Agreement

Form, Exhibits, Attachments, Educational Specifications, including any and all modifications thereto, issued before and after execution of the Contract and all Exhibits, attached thereto used by the Owner to establish a construction contract with the Contractor. These Contract Documents, and their requirements for the Consultant are incorporated by reference into this Agreement. Refer to Article 10 for the provisions of the RFQ incorporated into the Agreement.

1.12 **Contractor:** The individual, partnership, corporation, association, joint venture, or any combination thereof, who has entered into a contract with the Owner for construction of schools, administrative and support buildings, or various other types of facilities and incidents thereto.

1.13 **Program Manager:** AECOM The entity retained by the School Board of Broward County, Florida, to oversee the execution and delivery of the projects, and act as the Owner's Representative.

1.14 **Project Manager:** An employee of the District or Program Manager to manage the Project as a direct representative of the Owner.

1.15 **The Project:** The construction, alteration or repair, and all services and incidents thereto, comprising a facility as contemplated and budgeted by the Owner.

1.16 **Sub-Consultant:** A person or organization of properly registered and licensed professionals who have entered an agreement with the Consultant to provide professional Structural Engineering services for the Project.

1.17 **Superintendent of Schools:** The duly appointed executive officer of the Owner authorized to act by and through the Owner, referred to hereinafter as the **Superintendent**.

1.18 **Fixed Limit of Construction Cost (FLCC):** The total dollar value of all costs to construct each project.

1.19 **Building Code Inspector (BCI):** A licensed employee or designee of The School Board of Broward County, Florida, who provides plan review and construction inspection for code compliance, and report non-compliant work to the Project Manager and Project Consultant.

1.20 **Value Engineering:** Value Engineering (VE) is the creative, organized process of analysis of a project as to cost and/or performance with a focus on analysis of the proposed facility (and its systems, assemblies, or components) and the elimination or modification of those features which add cost without contributing to that facility's required function or design value.

1.21 **Constructability:** Constructability is the creative, organized process of reviewing a project's drawings, specifications, and other project documentation with a goal of eliminating design, detailing, and specification problems which might render the construction contract documents unbuildable or requiring extensive Addenda or Change Orders to make them buildable.

1.22 **The Project Team:** The Owner, Program Manager, and the Consultant who work jointly

during the design, construction, and warranty phases.

1.23 **Substantial Completion:** The term Substantial Completion as used herein, shall mean that point at which all work associated with the Project, or contractually defined phase or portion of the Project, has received a fully executed Certificate of Occupancy (OEF 110B Form) or Certificate of Completion, whichever is applicable.

1.24 **Chief Building Official, Inspections and Code Compliance (CBO):** The officer or other designated authority charged with the administration and enforcement of all applicable codes, or a duly authorized representative.

1.25 **Design Criteria:** Owner design requirements for all architectural and engineering disciplines.

1.26 **Negotiated Unit Prices:** unit prices for professional services to be utilized during various phases of each project under this Agreement. The Consultant's proposal shall serve as the basis for Negotiated Unit Prices. Refer to Articles 5 and 6 for terms of compensation and payment.

ARTICLE 2 – CONSULTANT SERVICES AND RESPONSIBILITIES

2.1 **Consulting Services:** The Consulting Services are those set forth in the Professional Services Required form attached as Attachment 1 hereto and incorporated by reference. It should be noted that the Consulting Services may be some or all of those services listed on Attachment "1" to this Agreement, or other services designated by Owner.

2.2 **Standard of Care and Representations:**

2.2.1 Standard of Care: The Owner's engagement of the Consultant is based upon the Consultant's representations to the Owner that: (A) it is an organization of experienced professionals, authorized and licensed to do business in Florida; (B) the person responsible for performance pursuant to this Agreement is currently a registered Professional Architect or Engineer in the State of Florida; (C) it is qualified, willing and able to perform services for the Project; and that (D) it has the past experience and ability to provide services which will meet the Owner's objectives and requirements.

2.2.2 As to all services provided pursuant to this Agreement, the Consultant shall furnish services by experienced personnel and under the supervision of qualified and experienced Consultants, and shall exercise a degree of care and diligence in the performance of these services in accordance with the customary professional standards currently practiced by firms in Florida and in compliance with any and all applicable codes, laws, ordinances, etc.

2.2.3 Any defective or deficient work furnished by the Consultant shall be promptly corrected by the Consultant at no cost to Owner, without limitations to other remedies or rights of Owner. Owner's approval, acceptance, or use of or payment for all or any part of Consultant's services hereunder or of the Project itself shall in no way alter the Consultant's obligations

or Owner's rights hereunder. The Consultant shall utilize the same personnel over the course of the Work and shall, if requested by the Owner, replace personnel whom the Owner has found to be incompetent or to whom the Owner otherwise reasonably objects.

2.2.4 All services provided by the Consultant shall: (A) be in accordance with all applicable codes, including but not limited to, Florida State Board of Education Regulations, Chapter 6A-2.010 (Educational Facilities), the Florida Department of Education's State Requirements for Educational Facilities)("SREF"), the Florida Building Code ("FBC"), the Florida Fire Protection Code, the Americans With Disabilities Act (ADA), in effect at the time of execution of this Agreement, and its referenced codes and standards; Crime Prevention Through Environmental Design (CPTED) (Broward Sheriff's Office), and all guidelines or regulations of the Owner (provided same are not less stringent than applicable codes); (B) be provided for the benefit of the Owner and not for the benefit of any other party; and (C) include all Consultant services normally required for a project of this type as listed in the Scope of Work (Attachment 1 to this Agreement).

2.2.5 **Approval of Documents**: Owner's approval of or comments on any of the documents submitted to Owner by Consultant shall not be deemed the approval of or by another governmental authority having jurisdiction over the project and Consultant acknowledges that the aforesaid authorities may require modifications of any of the documents submitted by Consultant. Subject to Article 2, such modifications shall be made at no cost to Owner.

ARTICLE 3 – SUB-CONSULTANTS

3.1 Sub-Consultants' Relations:

3.1.1 All services provided by a Sub-Consultant shall be pursuant to appropriate agreements between the Consultant and the Sub-Consultants which shall contain provisions that preserve and protect the rights of the Owner and the Consultant under this Agreement. All such Agreements shall provide that the Consultant may assign or transfer to Owner any and all claims or causes of action which the Consultant has or may have against Sub- Consultant as a result of or relating to any acts of omission or commission of that Sub- Consultant.

3.1.2 Nothing contained in this Agreement shall create any contractual relationship between the Owner and the Sub-Consultants. However, the Consultant is at all times liable for any and all negligent acts of omission or commission of its Sub-Consultants relating to or regarding this Agreement or the Project which is the subject of this Agreement. Owner may, at any time, after agreeing to provide Consultant with a Release or Covenant Not to Sue as to a claim or cause of action, require the Consultant to assign or transfer to Owner any such claims or causes of action which Consultant has or may have against one or more of its Sub-Consultants regarding or relating to this Project. Upon such request, the Consultant shall execute a written assignment or transfer in a form to be provided by the Owner. In the event the Owner requires the Consultant to assign, or transfer said claims or causes of action, then the Owner agrees to indemnify and hold the Consultant harmless from any claim or cause of action brought by a Sub-Consultant against the Consultant directly related to the claim or cause of action brought by the Owner against a Sub- Consultant as a result of such assignment.

3.2 **Proposed Sub-Consultants:**

3.2.1 The Consultant proposes to utilize the Sub-Consultants identified in Attachment 5 (List of Project Team Members)

3.2.2 The Consultant shall not change any Sub-Consultant without prior approval by the Owner.

3.2.3 The Consultant shall, not later than ten (10) days after the date of this Agreement, submit a list of contact information for Sub-Consultants which includes contact names, firm addresses, telephone and fax numbers and email addresses. Any future changes to Sub-Consultants must also be submitted no later than ten (10) days after the date the change was made.

ARTICLE 4 – THE OWNER'S RESPONSIBILITIES

4.1 **Information, Documents and Services:** The Owner shall consult with the Consultant and provide such information regarding requirements for the Project as are reasonably necessary for Consultant to perform its services.

4.2 **Owner Furnished Items:** When documents, services, or other materials furnished by the Owner for the Consultant's use are deemed by the Consultant as inappropriate, inaccurate, or otherwise unreasonable, the Consultant shall notify the Owner of its opinion immediately upon discovery of same. Owner will notify Consultant upon delivery of any inaccurate data provided to the Consultant. Failure of the Consultant to notify the Owner shall result in the Consultant being responsible for any costs, expenses, or damages incurred by the Owner and forfeiture of claims for damages, delays or other compensation related to the use of those Owner furnished materials.

4.3 **Project Management:**
The Director of Preconstruction: The Director of Preconstruction or designee shall act on behalf of the Owner in all matters pertaining to this Agreement and shall approve all Authorizations to Proceed to the Consultant and all invoices for payment to the Consultant.

ARTICLE 5 – BASIS OF COMPENSATION

5.1 **Professional Basic Service Fees ("Fee"):**

5.1.1 The Owner agrees to pay the Consultant, and the Consultant agrees to accept for services rendered pursuant to this Agreement, based upon a Cost Plus with a Guaranteed Maximum based on a Multiple of Direct Personnel Expenses as set forth in Attachment 11 based on the fee schedule as set forth in Attachment 4 attached hereto and incorporated by reference. If Owner and Consultant cannot mutually agree to a Cost Plus with a Guaranteed Maximum based on Direct Personnel Expense, the Owner may secure services from an independent source or from the Owner's resources.

5.2 Supplemental Fee:

5.2.1 The Fee listed above is based on the scope of services for a project of this scope, size, and complexity.

5.2.2 If the Owner authorizes an increase or decrease in the scope, size or complexity of the Project, the Fee will be adjusted as mutually agreed upon, in writing, by Owner and Consultant.

5.2.3 The Consultant may be authorized to perform Supplemental Services. The fee for such services will be based upon a Cost Plus with a Guaranteed Maximum based on a Multiple of Direct Personnel Expenses. Where a mutually agreeable Cost Plus with a Guaranteed Maximum based on Direct Personnel Expense cannot be arrived at, the Owner may secure services from an independent source or from the Owner's resources. The Consultant shall provide any information and/or copies of project documentation necessary to facilitate the provision of said supplemental services by others.

5.3 Multiple of Direct Salary Expense:

5.3.1 Where this Agreement or Attachments 4 hereto indicates a fee computed on the basis of a Multiple of Direct Salary Expense, such fee shall be based on a negotiated multiple of the Direct Personnel Expense as set forth in Attachment 11.

5.3.2 Should overtime work be necessary for work compensated by this fee method, the Consultant's authorization and compensation for such work shall be approved by the Chief Facilities & Construction Officer or his designee, in writing, and stated in Attachment 4 or other documents executed by Owner and Consultant.

5.4 **Direct Personnel Expense:** Direct Personnel Expense is defined as the salary rate, as determined from salaries reported to the Director of Internal Revenue, of the personnel engaged directly on the Project, and the portion of the cost of their mandatory and customary contributions and benefits related thereto, such as employment taxes and other statutory employee benefits, insurance, sick leave, holidays, vacations, pensions and similar contributions and benefits.

5.5 Reimbursable Fees:

5.5.1 Reimbursables are those items pre-approved, in writing, and authorized by the Owner in addition to the Supplemental Services and consist of actual expenditures made by the Consultant and the Consultant's employees and Sub-Consultants in the interest of the work.

5.5.2 Authorized travel outside the areas of Dade, Broward and Palm Beach Counties, lodging and meals in connection with the Project (subject to the limitations imposed by Chapter 112.061, Florida Statutes); long distance communications (except for long distance charges for calls placed to others living outside the Consultant's local calling area), and fees paid for securing approval of authorities having jurisdiction over the work, reproductions, postage and handling of Drawings, Specifications and other documents, and, if authorized

in advance by the Owner, expense of overtime work requiring higher than regular rates.

5.5.3 The Owner will reimburse the Consultant for authorized Reimbursables as verified by appropriate bills, invoices, or statements.

5.5.4 Authorized Reimbursables shall not include charges for office rent or overhead expenses of any kind, including but not limited to, local telephone and utility charges, office and drafting supplies, depreciation of equipment, professional dues, subscriptions, etc., reproduction of drawings and specifications, mailing, stenographic, clerical, or other employees time or travel and subsistence not directly related to the Project. For all Reimbursables, the Consultant will apply the multiplier of one and five-hundredths (1.05) times the amount expended by the Consultant. Authorized reproductions in excess of sets required at each phase of the work will be a reimbursable.

ARTICLE 6 – PAYMENTS TO THE CONSULTANT

6.1 Payment for Basic Services and Supplemental Services:

6.1.1 Payments for Basic and Supplemental Services may be requested monthly (on the Owner's standard invoice format) in proportion to services performed during each portion of the work or other basis as set forth in the Schedules attached hereto and conforming to the attached Consultant's proposal for Attachment 1 – "Scope of Work". Owner in its sole discretion shall determine if the payment requested is in accordance with the proportion of the work performed.

Should services be required which are not included in the attached Attachment "1" (SBBC Standard Unit Prices for (if applicable), such services and payment therefore shall be negotiated between the parties in advance and in writing.

Unit prices and hourly rates shall be administered in accordance with Attachment "11" as attached hereto. Actual hours shall be rounded off to the nearest fifteen (15) minute intervals.

Charges shown on Attachment "11" are for time of engineering technicians' portal to portal, spent in sampling, conducting field or laboratory tests or inspections, and tests not otherwise charged on unit price basis. Overtime, at the Owner's request, is for work before 7:00 AM and after 5:00 PM, over eight (8) hours per regular day, forty (40) hours per week, Saturday, Sunday and Holidays.

In the event the testing technician, through no fault of the technician or of the Consultant, is unable to conduct a test within thirty (30) minutes after the time scheduled for the test or within thirty (30) minutes of the technician's arrival on-site ready to conduct the test, whichever is later, the appropriate hourly technician rate from Attachment "11" shall apply to any excess time spent by the technician beyond the normally expectable amount of time for conducting such a test plus thirty (30) minutes. These charges shall be verified and documented between the Consultant and the Owner at the time of occurrence. This charge shall apply to concrete, soils, and any other test which is based on the unit prices described in Attachment "11".

6.1.2 No payments shall be due to Consultant unless and until all materials, forms and documents required by Owner have been provided by Consultant and its Sub-Consultant to Owner or others who are to receive same. The Owner retains the right to withhold payment from the Consultant for non-performance of the Consultant during any phase or portion of the Project.

6.1.3 The Consultant shall submit invoices in the Owner's required invoice format (Attachment 2) as provided.

6.1.4 All submitted invoices shall have copies of referenced Scope of Work and the Authorization to Proceed (ATP) attached.

6.1.5 Payments are due and payable thirty (30) days from receipt of the Consultant's invoice, provided it is in accord with the requirements of this Agreement.

6.1.6 The Consultant shall submit a monthly S/M/WBE Monthly Subcontractor Utilization Report with the monthly request for payment, on forms provided by the Owner.

6.2 Payment for Reimbursables:

6.2.1 Payment for Reimbursables may be requested monthly (on the Owner's standard invoice format, Attachment 2) based on actual costs.

6.2.2 Payments are due and payable within thirty (30) days from receipt of the Consultant's invoice.

6.3 Project Suspension:

6.3.1 If the Project is suspended for the convenience of the Owner for more than three (3) months or terminated in whole or in part during any Phase, the Consultant shall be paid for services authorized by an Authorization to Proceed which were performed prior to such suspension or termination, together with the cost of Reimbursable Services and expenses then due.

ARTICLE 7 - INDEMNIFICATION CLAUSE

7.1 Indemnification:

7.1.1 To the fullest extent permitted by law, the Project Consultant shall indemnify, and hold harmless the owner, its members, officers, employees and agents (hereinafter collectively "Related Parties") from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of this contract.

7.1.2 In any and all claims against the Owner by any employee of the Consultant, or anyone for whose acts the Consultant may be liable, the obligations for Consultant to indemnify Owner under this contract shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for the Consultant under workman's compensation acts, disability acts, or other employee benefit acts.

7.1.3 In the event that any claims are brought, or actions filed against the Owner with respect to the indemnity contained herein, the Consultant agrees to defend against any such claims or actions regardless of whether such claims or actions are rightfully or wrongfully brought or filed. The Consultant agrees that the Owner may select the attorneys to appear and defend such claims or actions on behalf of the Owner. The Consultant further agrees to pay, at the sole expense of the Consultant, the attorney's fees and costs incurred by those attorneys selected by the Owner to appear and defend such claims or actions on behalf of the Owner. However, if the claims or actions are covered by insurance and such coverage is acknowledged by the insurance company in writing to the Owner, then, in that case, the insurance company shall choose counsel, direct the defense and be the judge of the acceptability of any compromise or settlement of any such claims or actions against the Owner which are within the insurance policy limits and are paid by the insurance company solely. Otherwise, if the claims or actions are not covered by insurance, then, at its sole option the Owner shall have the sole authority for the direction of the defense and shall be the sole judge of the acceptability of any compromise or settlement of any claims or actions asserted against the Owner.

ARTICLE 8 – INSURANCE

8.1 General Insurance Requirements:

8.1.1 The Consultant shall not start work under this Agreement until the Consultant has obtained all insurance required hereunder and such insurance has been approved by the Owner.

8.1.2 All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. All insurance companies providing policies required under this Agreement shall have an "A" rating, or better, and a financial rating of no less than VI in the current A.M. Best Manual OR hold a Moody's Investors Service Financial Strength of "Aa3" or better.

8.1.3 All insurance policies required under this Agreement shall be endorsed to be primary of all other valid and collectable coverages maintained by the Owner. The Owner shall be named as an additional insured under the General Liability policy, including Products Liability, shall include the Owner's Project number and full Project title (including applicable facility name) on the Certificate.
