The City of Boynton Beach Strategic Plan FY 2020-2021 states that the City began planning for the following strategic initiatives:

- Cultivate consciousness and develop a framework to address racial and social equity in the delivery of City services for the benefit of all communities within the City.
- Strengthen resource access to the City's underserved populations by maintaining a database of links that connect residents with resources, supporting relationships, and partnerships.
- Build an equitable economy that will grow family-wage careers, advance opportunities for prosperity, collaborate with partners for an equitable city, and create vibrant neighborhoods and communities.
- Create responsive, accountable, and cost-effective government programs and services that lead to Performance Excellence.

MA-60 Broadband Needs of Housing occupied by Low- and Moderate-Income Households - 91.210(a)(4), 91.310(a)(2)

Describe the need for broadband wiring and connections for households, including low- and moderate-income households and neighborhoods.

Per the Federal Communication Commission [FCC] website (fcc.gov) broadband service is accessible to all households throughout Boynton Beach. According to the 2014-2019 American Community Survey, (ACS), 83.1% of households in Palm Beach County had a broadband subscription with an internet provider. There are five broadband providers in the city of Boynton Beach with plans providing at least ≥ 25/3 Mbps download/upload speed.

According to a 2013 White House report on broadband, there are major disparities in broadband affordability. Per the report, 93% of families making more than $100,000 have broadband access at home compared with only 43% of families making under $25,000. Therefore, the need in Boynton Beach is not the availability of service, but the affordability of service to low- and moderate-income households.

Palm Beach County does provide broadband service to public institutions such as libraries and schools at lower prices than private providers. Residents can access information and services at these facilities free of charge. The FCC also updated their Lifeline Program in 2016 to include fixed broadband internet service to reduce the cost burden to low-income households. Through this program, the FCC works with an interested broadband provider to provide service at a discounted rate, designating the Eligible Telecommunications Carrier (ETC) as a Lifeline Broadband Provider (LBP), and allowing the provider to provide a discount to eligible households.

Describe the need for increased competition by having more than one broadband Internet service provider serve the jurisdiction.

As stated above, there are five broadband providers in the city of Boynton Beach with plans providing at least ≥ 25/3 Mbps download/upload speed. It is doubtful that additional competition would have a significant impact on service affordability.

MA-65 Hazard Mitigation - 91.210(a)(5), 91.310(a)(3)

Describe the jurisdiction's increased natural hazard risks associated with climate change.

Climate change is the defining challenge for the 21st century. The burning of fossil fuels and the emission of greenhouse gases (GHG) has contributed to a steady rise in carbon dioxide levels in the atmosphere that have the potential to result in changes to the global climate, including long-term temperature increases, melting of glaciers, decrease in polar ice pack, changes in weather patterns resulting in droughts and flooding, and sea level rise. Sea level rise would have a direct impact on the City of Boynton Beach's (City) water supply, the ability of stormwater drainage infrastructure to function properly and the livability of real estate along the ocean and Intracoastal Waterway.

The projected long-term effects of climate change would directly affect the City's operations in the absence of a strategic plan that actively moves the city forward using a sustainable approach. These many factors embodied the basis for the City's creation of a Climate Action Plan (CAP) in 2010 that seeks to reduce the City's greenhouse gas (GHG) emissions as a first step towards a sustainable future.

Further, according to the Palm Beach County 2020 – 2024 Consolidated Plan, the County (including the City of Boynton Beach) faces multiple impacts ranging from extreme heat and drought to sea level rise, flooding, extreme storms, and saltwater intrusion. Based on scientific studies, by midcentury we can expect an average of 72 days per year with a heat index above 105 degrees Fahrenheit. This is compared to an average of four days per year with a heat index above 105 degrees Fahrenheit between 1971 and 2000. In addition to rising temperatures, according to regional projections we can expect mean sea levels to rise between 21 and 54 inches above the 2000 mean sea level by 2070, which will result in more frequent nuisance flooding and increased impacts from storm surge. With substantial diversity in income levels, education, physical health, mental health, and age, these changes only exacerbate existing challenges. Boynton Beach's low- and moderate-income residents will be affected disproportionately, due to their inability to afford remediation efforts on their properties and their inability to relocate from potentially impacted areas.

Describe the vulnerability to these risks of housing occupied by low- and moderate-income households based on an analysis of data, findings, and methods.

The physical impacts of a changing climate are matched and compounded by social challenges and economic consequences such as rising energy costs associated with conveying water, transportation, and health care. Low-income and vulnerable citizens, such as our elderly community, face disproportionate impacts of climate change including having fewer resources to respond to these changes.

Palm Beach County, which Boynton Beach is situated within, participated in a joint sea level rise vulnerability assessment in 2012 with Broward, Miami-Dade, and Monroe County of the Southeast Florida Climate Change Compact. The assessment looked at the region's vulnerability to 1, 2, and 3 feet of sea level rise and used geographic information systems (GIS) layers that were created using a modified

bathtub approach. The 2012 assessment was based on land elevation only and did not consider flooding related to rain events or that may be caused by storm surge/flood events. The following map illustrates the areas affected by sea level rise. Based on a review of the data, it appears that low and moderate-income areas within the Urban County Program jurisdiction that lie east of U.S. 1 would be impacted. These areas are found in the municipalities of Lake Park, Riviera Beach, Lake Worth Beach, and Lantana, as well as the eastern areas of Boynton Beach.

In 2021, Palm Beach County completed a comprehensive joint climate-change vulnerability assessment with Boynton Beach and six other municipalities located in the southeast section of the county that also included small areas of unincorporated Palm Beach County. This study examined the socioeconomic impacts of various climate threats in these areas. The most vulnerable areas identified during the study include 33,900 households with members 65 or older, and 18,400 households with members < 18.

The study identified a number of specific threat areas, the most urgent of which are detailed below:

1. *Rainfall Induced Flooding* presents the greatest exposure and highest levels of vulnerability and risk of all flooding threats assessed in this regional study. Specifically:

- NW areas show a co-occurrence of rainfall-induced flooding and high social vulnerability
- Most W and SW properties are within the 25 to 100-yr inundation extents, many are pre-FIRM or outside regulatory extent
- Along the coast, rainfall induced flooding is compounded by tidal flooding and storm surge
- Roadways and sidewalks are especially vulnerable in the west and southwest areas

2. *Sustained High Winds* are typically associated with tropical storms and can destroy infrastructure and assets. The study looked at property-level assessments based on use type and wind-related building design regulations.

- Health/Medical & Energy/Communications assets show highest percentages of vulnerability
- Unincorporated County areas have relatively low residential vulnerability compared to other jurisdictions in the region
- Several areas with high residential building vulnerability co-occur with areas of high social vulnerability
- 18 of the 22 most vulnerable residential areas are also among the most socially vulnerable

3. *Extreme Heat Events* are periods of excessively hot and/or humid weather that can last multiple days. Areas most vulnerable to extreme heat tend to have:

- More than 85% developed land cover (urban areas), less than 6% tree canopy coverage
- High socioeconomic stress, and sensitive population

As evidenced by the results of this study, the low-and- moderate-income populations of Boynton Beach, and Palm Beach County as a whole, face significant risks associated with these threats. And while there are remediation efforts that can be made to reduce property risks, such as Dry flood proofing, wind proofing, and elevating structures above flood levels, these options are often not affordable to LMIU homeowners or renters.

Strategic Plan

SP-05 Overview

Strategic Plan Overview

The City is increasing its allocation of federal resources by addressing geographic priorities with up to 63 percent of the funding for FY 2022-2023. Other activities such as public services are provided Citywide based on income eligibility. Some activities target the City's low- to moderate-income (LMI) target areas while some address the needs of LMI limited clientele. Priority needs were established through a community process, historical funding allocations, and data.

The highest priority needs below were determined through the housing and community needs assessment process of the Consolidated Plan and the review of related data.

1. Rehabilitation and preservation of existing housing especially single-family units.
2. Promotion and increase in homeownership and rental housing opportunities.
3. Increased public services to youth, seniors, and special needs populations
4. Economic development through business assistance and job creation/retention
5. Homeless prevention and assistance
6. Public facilities including those operated by non-profits such as group homes, shelters for the homeless and victims of domestic violence

For FY 2022-2023, the City will receive $547,027 in CDBG funds. For the five-year period, the City estimates receiving $2,736,035 in CDBG funds. The Community Improvement Division of the Financial Services Department is the lead agency for administering HUD grants. Other City departments and the Boynton Beach CRA works with the Division. The city works with the Palm Beach County Continuum of Care (CofC) and local and regional non-profit organizations to provide public services. Funding reductions and other factors affect service delivery. The City continues to affirmatively further fair housing through the provision of fair housing services.

Market characteristics include the construction of new houses and the acquisition and rehabilitation of existing single-family houses. Owner-occupied rehabilitation of single-family houses is important as much of the housing stock in the city is older units that may be subject to lead-based paint and deferred maintenance. Many of these houses are occupied by elderly households on fixed incomes who have challenges in finding resources to repair and stay in their homes.

The City does not have any public housing units, but Palm Beach County and Delray Beach Public Housing Authorities offer Section 8 Housing Choice Vouchers for renting homes in the City.

The city will act to reduce barriers to affordable housing including lack of affordable housing, exclusion of some affordable housing types, vacant land, and construction costs. Fair housing impediments including inadequate fair housing knowledge, lending disparities, and a segregated housing market will be addressed. Strategies include reducing housing costs, energy efficiency, and exploring developer incentives.

Homes constructed prior to 1978 selected for rehabilitation will be tested for lead-based paint. CDBG funds will be used to improve neighborhood conditions, improve quality of life, and to reduce poverty. The city will seek to provide business assistance, create jobs, and expand economic opportunities. The Community Improvement Division will carry out monitoring of non-profits, other City departments, and contractors through various methods including remote and on-site reviews in accordance with its policies and procedures and provide technical assistance as needed. The City will work with the CofC to address homeless needs and prevention.

SP-10 Geographic Priorities – 91.215 (a)(1)

Geographic Area

The City's low-to-moderate-income (LMI) target areas are those census tracts and block groups in which at least 51 percent of the population are households whose incomes are at or below 80 percent of the area median income (AMI). An average of sixty-six percent of the population within census tracts 5601, 5701, 5702, 6100, and 6201 are low-to-moderate-income.

Table 47 - Geographic Priority Areas

General Allocation Priorities

Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA)

All CDBG funds will be geographically allocated citywide, with preferences on the CDBG target area as it is the area with the highest area of minority concentration and lowest of incomes. The City plans to focus its CDBG funds on public improvements in its census tracts that have a low-to-moderate-income (LMI) population of 51 percent or more including the area called the Heart of Boynton.

For the previous FY 2017-2021 Consolidated Plan and related Annual Action Plans, the City did not direct its assistance based primarily on those target areas. The CDBG regulations allow for resources to be allocated based on the income characteristics of beneficiaries. As such, the City allocated its previous CDBG resources for public service activities, and home repair Citywide. On a target area basis, the City funded the development of affordable housing in the Heart of Boynton through the Special Activity by a Community Based Development Organization (CBDO), the Boynton Beach Faith Based CDC.

For the FY2022-2026 Consolidated Plan, the City decided to continue funding public services Citywide but discontinued funding the CBDO activity and will focus CDBG resources on public improvements in its LMI target areas including the Heart of Boynton. The City determined that these public improvement activities including sidewalks, road improvements, and equipment have the potential of meeting the needs of a larger section of the LMI population.

SP-25 Priority Needs - 91.215(a)(2)

Priority Needs

Table 48 – Priority Needs Summary

1	**Priority Need Name**	Rehabilitation and Preservation of Existing Housing
	Priority Level	High
	Population	Extremely Low Low Moderate Elderly
	Geographic Areas Affected	Citywide
	Associated Goals	Residential Rehabilitation
	Description	The city will continue to focus on rehabilitation of owner-occupied housing on a City-wide basis due to the aging housing stock that exists. The strategy will focus on improving health and safety, code violations, accessibility, and sustainability for extremely low to moderate households with preferences provided to the elderly, disabled, and veterans below 50% AMI.
	Basis for Relative Priority	Rehabilitation activities were identified as a priority during the Consolidated Plan planning process. The City's housing stock contains a high percentage of units built prior to 1980.
2	**Priority Need Name**	Promote and Increase Homeownership and Housing Rental Opportunities
	Priority Level	High
	Population	Low Moderate
	Geographic Areas Affected	Citywide
	Associated Goals	Home Purchase Assistance Affordable Housing Creation
	Description	Homeownership and access to rental housing is the cornerstone of developing stable neighborhoods. Overall, the City of Boynton Beach has a large percentage of owner-occupied units, but areas of the city experience low homeownership rates and sub-standard housing. As the population and housing demand increases, units need to be preserved and created.
	Basis for Relative Priority	This strategy helps establish higher rates of homeownership throughout the City, maintain and repair existing aging housing stock, and create affordable rental housing opportunities.

3	**Priority Need Name**	Increased Public Services
	Priority Level	High
	Population	Extremely Low Low Moderate Families with Children Elderly Frail Elderly Persons with Disabilities
	Geographic Areas Affected	Citywide
	Associated Goals	Public Services
	Description	The objective is to improve and expand public services that address senior services, crime prevention, childcare, youth services, fair housing counseling, recreational services, tenant/landlord counseling and employment training.
	Basis for Relative Priority	This increases the availability and accessibility of services to the community residents to meet public service needs, as indicated by public feedback.
4	**Priority Need Name**	Economic Development
	Priority Level	High
	Population	Extremely Low Low Moderate Middle
	Geographic Areas Affected	Citywide
	Associated Goals	Economic Development Public Facilities Improvement Job Creation Infrastructure Improvement Economic Development Technical Assistance
	Description	Provide incentives and technical assistance to promote economic development/job creation and improved public facilities/infrastructure in underserved areas.
	Basis for Relative Priority	This priority places emphasis on economic development activities and public facilities improvements, as indicated in public feedback.

5	**Priority Need Name**	Homeless Assistance
	Priority Level	High
	Population	Extremely Low Low Chronic Homelessness Mentally Ill Chronic Substance Abuse Veterans Unaccompanied Youth
	Geographic Areas Affected	Citywide
	Associated Goals	Homeless Assistance
	Description	Provide housing and support services to assist individuals and families who are in or in danger of being homeless.
	Basis for Relative Priority	The City will continue to work with the Homeless Coalition and Continuum of Care on strategies to assist individuals and families facing homelessness with an emphasis on the housing first model and providing effective mental health and substance abuse support services.
6	**Priority Need Name**	Services for Children and Youth
	Priority Level	Medium
	Population	Extremely Low Low Moderate Families with Children
	Geographic Areas Affected	Areas for Individual Benefit and Administration
	Associated Goals	After-School Care Day Care Youth Programs
	Description	Provide services for children and/or youth.
	Basis for Relative Priority	This need was given a Medium priority through an evaluation of community surveys and data analysis.
7	**Priority Need Name**	Health and Mental Health Services
	Priority Level	Medium
	Population	Extremely Low Low Moderate

		Large Families Families with Children Elderly Individuals Families with Children Mentally Ill Chronic Substance Abuse Persons with Alcohol or Other Addictions
	Geographic Areas Affected	Areas for Individual Benefit and Administration
	Associated Goals	Health Care Services Substance Abuse Treatment Counseling
	Description	Provide health care and mental health services in eligible areas.
	Basis for Relative Priority	This need was given a Medium priority through an evaluation of community surveys and data analysis.
8	**Priority Need Name**	Fair Housing Services
	Priority Level	Medium
	Population	Extremely Low Low Moderate Large Families Families with Children Elderly
	Geographic Areas Affected	Areas for Individual Benefit and Administration
	Associated Goals	Fair Housing Counseling Fair Housing Education Fair Housing Enforcement Fair Housing Testing
	Description	Provide fair housing services in eligible areas.
	Basis for Relative Priority	This need was given a Medium priority through an evaluation of community surveys and staff analysis.
9	**Priority Need Name**	Parks and Recreation Facilities
	Priority Level	Low
	Population	Extremely Low Low

	Geographic Areas Affected	Low-Income Area Benefit
	Associated Goals	Parks and Recreational Centers
	Description	Provide improvements to parks and recreation facilities in eligible areas.
	Basis for Relative Priority	This need was given a Low priority through an evaluation of community surveys and data analysis.
10	**Priority Need Name**	Public Infrastructure
	Priority Level	Low
	Population	Extremely Low Low
	Geographic Areas Affected	Low-Income Area Benefit
	Associated Goals	Street Improvements Sidewalk Improvements
	Description	Provide improvements to streets, roads, sidewalks, curbs and gutters, culverts, and drainage.
	Basis for Relative Priority	This need was given a Low priority through an evaluation of community surveys and data analysis.

Narrative (Optional)

The City's priority needs were determined based on reviewing census, housing, and economic development data from various sources. The census data sources provided by HUD were the 2015-2017 American Community Survey (ACS) and the 2013-2017 Comprehensive Housing Affordability Study (CHAS). The data was supported by various community surveys including the City's 2021 Racial and Social Equity Community Needs Assessment, the City's 2017 and 2021 Housing Needs Assessment, the Consolidated Plan agency and resident surveys, and feedback for the use of the American Rescue Plan Act (ARPA) funding. Feedback from public comments at the two Consolidated Plan public meetings was also included in the priority need determination. The need for affordable housing in the City and Palm Beach County is critical and was viewed as the highest priority for both renters and homeowners. The changing demographics and the economic impact of the COVID-19 pandemic saw job creation and retention and public services for the elderly, youth and children were selected as the next highest priorities. Public infrastructure and parks and recreational centers were concerned low priority from community surveys and comments and as a relative priority for residents. Activities are selected for funding in accordance with the priority needs established in the Consolidated Plan public participation process and the statutory requirements to provide decent housing, homeownership opportunities, economic development opportunities, homeless assistance, and expansion of public services.

SP-30 Influence of Market Conditions – 91.215 (b)

Influence of Market Conditions

Affordable Housing Type	Market Characteristics that will influence the use of funds available for housing type
Tenant Based Rental Assistance (TBRA)	Not applicable.
TBRA for Non-Homeless Special Needs	Not applicable.
New Unit Production	Market characteristics include the limited of decent, standard, and affordable units for very low-, low-, and moderate-income households and for special needs populations. New units will be produced on buildable lots in cooperation with local non-profit developers. These units will be leverage with other State funds and the City's Community Redevelopment Agency.
Rehabilitation	Market characteristics include the current cost of materials for rehabilitation and the availability of funding for housing rehabilitation activities. The City will focus on rehabilitation of those units that meet the City's criteria for substandard housing.
Acquisition, including preservation	Market characteristics include lending requirements and increased mortgage regulations, as well as rapidly rising home values. The City will accept vacant lots that are conveyed by Palm Beach County for nonpayment of taxes.

Table 49 – Influence of Market Conditions

SP-35 Anticipated Resources - 91.215(a)(4), 91.220(c) (1,2)

Introduction

The City of Boynton Beach receives Community Development Block Grant (CDBG) funds from HUD as an entitlement participant in its Community Planning and Development (CPD) programs. The first-year funding for the five-year Consolidated Plan was confirmed by HUD and used as a basis to estimate the available federal resources for the five-year period by multiplying the first-year allocation by five. In subsequent years, the actual annual allocation for each year may vary depending on what is approved by Congress for CPD programs. Goals, objectives, and activities will be adjusted in the applicable Annual Action Plans. The city also factors in an estimate of program income that is to be received each year and will vary from the estimate depending on the amounts received. The table below identifies the resources for the City's Consolidated Plan for FY 2022-2026. The City estimates that it will receive $2,736,035 in CDBG funds over the five years of the Consolidated Plan. It also shows State Housing Initiatives Partnership (SHIP) Program funds which will be used for leverage with CDBG for housing-related activities. SHIP allocations are determined annually by the State of Florida and cannot be estimated.

For FY 2022-2023, the city was allocated CDBG funds in the amount of $547,207. The city does not estimate any program income from CDBG. Program income for the five years cannot be estimated.

It should be noted that resource allocations from leveraged sources may also vary annually as will supplemental resources that will be used to leverage projects. Anticipated leverage amounts for the City of Boynton Beach may vary based on the financing structure of individual projects or programs funded, as well as market conditions and other intervening variables during the Consolidated Plan.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan $	Narrative Description
			Annual Allocation: $	Program Income: $	Prior Year Resources: $	Total: $		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	547,207	0	1,072,040	$1,619,247	$2,188,828	The expected amount available for the remainder of the Con Plan is estimated based on the FY 2022-2023 funding.
Other	public - state	Admin and Planning Other	775,874	TBD	0	775,874	0	The Florida State Housing Initiatives Partnership (SHIP) funds are for FY 2022-2023.

Table 50 - Anticipated Resources

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Funds provided to community-based organizations, though not required, will be matched by those organizations with funds from other sources such as other public and private sector grants, fundraising, and fees. The Plan recognizes that the limited CDBG public service funding is often a small part of these organizations' budgets. The City will leverage SHIP funds through the State of Florida and discounted first mortgages and other permanent contributions from private sector lending institutions. SHIP funds in the amount of $775,874 will be available over FY 2022-2023 but there is no guarantee of funding over the five years of the Consolidated Plan.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The city will continue to seek vacant land and residential structures for donation or sale to non-profit developers as these become available. The cost of properties in Palm Beach County has become unaffordable because of investor speculation. At the time of submission of this Plan, the City does not own properties that might be used to address the needs in the plan.

Discussion

With the 2020 public health crisis and resultant economic fallout due to business closures and loss of jobs, supplemental funding through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) has been allocated through HUD appropriations. County and State agencies have waived provisions to allow such funding to be allocated through "entitlement" cities. The allocation of federal resources and program design will be impacted with more of a focus on meeting immediate needs.

Public services to assist special needs and vulnerable populations and persons who are at risk of homelessness due to job loss will be top priority for resources. There are also opportunities for the City to work with other governmental entities and the private sector to address the needs of Boynton Beach residents.

SP-40 Institutional Delivery Structure – 91.215(k)

Explain the institutional structure through which the jurisdiction will carry out its consolidated plan including private industry, non-profit organizations, and public institutions.

Responsible Entity	Responsible Entity Type	Role	Geographic Area Served
Financial Services Department	Government	Planning, administration, public improvements, public services, affordable housing	Jurisdiction
Economic Development Department	Government	Business assistance Workforce development	
Public Works Department	Government	Neighborhood Improvements Public Facilities	Jurisdiction
Alzheimer's Community Care, Inc.	Non-profit organizations	Non-homeless special needs Public Services	Jurisdiction
Habitat for Humanity of South Palm Beach County	Non-profit organizations	Ownership	Region
Boynton Beach Community Redevelopment Agency	Government – special district	Economic Development Neighborhood Improvements	Jurisdiction (Special District)
Boynton Faith Based CDC	Non-profit organizations	Ownership	Jurisdiction
Pathways to Prosperity, Inc	Non-profit organizations	Self-Sufficiency Education Programs	Jurisdiction

Table 51 - Institutional Delivery Structure

Assess of Strengths and Gaps in the Institutional Delivery System

The City of Boynton Beach works in partnership with other city departments, county and state government agencies and non-profit organizations to deliver funding resources and services directly to the community. These resources are primarily used to create and maintain decent, affordable housing and provide services to low-to moderate income persons and families. Homeownership and homeowner rehabilitation opportunities for low-to moderate income persons and families are offered using a variety of funding sources which leverage CDBG dollars. The strengths of the housing delivery system rely heavily on the results from the City's *Housing Assessment Study* (March 2022) which provided a thorough analysis of the current and future housing needs. Among the key findings, which continue today, is the very low supply of vacant developed lots and increasing home values making affordability a major issue.

Additional community needs include public facilities and improvements, as well as several requests for CDBG assistance from non-profit organizations which consistently exceed available funding, particularly when factoring in the 15% cap on public services. Gaps within the delivery system that lessen the

likelihood of meeting all the housing and community development needs identified in the plan are related to financial resources, high housing costs, difficulty in obtaining supplies, and labor shortages. In determining how to invest its limited CDBG and other resources, the City Commission is committed to selecting those programs and projects that best respond to and serve the residents of Boynton Beach.

The Palm Beach County Continuum of Care (FL-605) coordinates outreach and services to the city's homeless populations. The city maintains membership on the County's Homeless Advisory Board to ensure the needs of the homeless are represented as a continuum member community. Homeless services are generally limited to referral services.

Availability of services targeted to homeless persons and persons with HIV and mainstream services

Homelessness Prevention Services	Available in the Community	Targeted to Homeless	Targeted to People with HIV

Table 52 - Homeless Prevention Services Summary

Describe how the service delivery system including, but not limited to, the services listed above meet the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth)

The city participates in, and relies heavily on, the Palm Beach County Continuum of Care (FL-605) for outreach and services to the city's homeless populations. The city maintains membership on the County's Homeless Advisory Board to ensure the needs of homeless persons within the city limits are represented.

Describe the strengths and gaps of the service delivery system for special needs population and persons experiencing homelessness, including, but not limited to, the services listed above.

N/A

Provide a summary of the strategy for overcoming gaps in the institutional structure and service delivery system for carrying out a strategy to address priority needs.

N/A

SP-45 Goals Summary – 91.215(a)(4)

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Provision of public services	2022	2026	Non-Housing Community Development	Citywide	Public Services, General	CDBG: $400,000	Public service activities other than LMI Housing Benefit: 3,000 Persons Assisted
2	Increase Quality of Public Improvements.	2022	2026	Non-Housing Community Development	Low & Moderate-Income Areas	Public Facilities and Infrastructure	CDBG: $1,209,005	Public Facility or Infrastructure Activities other than LMI Housing Benefit: 5,000 Persons Assisted
3	Create and maintain safe and affordable housing.	2022	2026	Affordable Housing	Citywide	Rehabilitation of existing and creation of new housing	CDBG: $579,825 State of Florida SHIP: $2,500,000	Homeowner Housing Added or preserved: 20 Housing Units
4	Planning and grant administration	2022	2026	Planning and Administration	Citywide	Public Improvements Public Services, General	CDBG: $547,205 State of Florida SHIP: $250,000	Other: 1 Other

Table 53 – Goals Summary

Goal Descriptions

1	**Goal Name**	Provision of public services
	Goal Description	No more than 15% of CDBG funds will be used to assist residents with a broad spectrum of public services activities to enhance their living environment including childcare, mental health services, health services, youth services, domestic violence services, substance abuse services, services for elderly, services for the elderly, and education. Public services will be provided by non-profit organizations that will be selected through an RFP process.
2	**Goal Name**	Increase quality of public facilities and improvements
	Goal Description	Funds will be used to foster healthy, stable, and attractive neighborhoods, access to quality public facilities, and blight removal by funding neighborhood improvement activities such as neighborhood public infrastructure and improvements including water, sewer, drainage, and sidewalks
3	**Goal Name**	Create and maintain safe and affordable housing
	Goal Description	CDBG and State of Florida SHIP funds will be used for land acquisition, down payment assistance, development subsidy, rental rehabilitation, major home repairs/residential rehabilitation for low- to moderate-income homeowners of single-family owner-occupied homes and tother eligible activities to create new affordable housing.
4	**Goal Name**	Planning and grant administration
	Goal Description	Funding to the City's Community Improvement Division for planning and grant administration that doesn't exceed 20% of the CDBG grant to implement and/or coordinate the implementation of all CDBG activities to meet the FY 2022-2023 Annual Action Plan goals and objectives. $77,587 in State of Florida SHIP funds will also be used for planning and administration.

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.315(b)(2).

Over the five-year Plan period, the City estimates that 16 low-income households, and 4 moderate-income households will be assisted with creating or preserving affordable housing using CDBG and State of Florida SHIP funds.

SP-50 Public Housing Accessibility and Involvement – 91.215(c)

Need to Increase the Number of Accessible Units (if Required by a Section 504 Voluntary Compliance Agreement)

The City of Boynton Beach does not own or operate a Public Housing Authority or Public Housing Agency within its jurisdiction. However, the Palm Beach County Housing Authority (PBCHA) does own forty-three single family units in Boynton Beach. Palm Beach County residents are provided with affordable housing options that are free of housing discrimination and architectural barriers according to the PBCHA. In addition, the City of Delray Beach Housing Authority allocates Section 8 housing vouchers in Boynton Beach. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination based on disability in any program or activity that receives financial assistance from any federal agency.

Since there are no public housing units in the City, this is not relevant. In seeking privately owned rental housing, the PHAs will identify landlords with accessible properties to meet the needs of Section 8 vouchers holders, as applicable.

Activities to Increase Resident Involvements

Plan to remove the 'troubled' designation

Not applicable.

SP-55 Barriers to affordable housing – 91.215(h)

Barriers to Affordable Housing

The City of Boynton Beach last amended its Housing Element in 2008. The overarching goal of the Housing element is "To provide decent, safe, and sanitary housing in suitable neighborhood environments at a range of costs and variety of types necessary to meet the needs of present and future residents of the City". This goal is very broad and falls within the norms for almost all municipalities. Additional goals which more specifically prioritize affordable housing should be developed to increase its success.

The City's Zoning Code defines a family as "One (1) or more persons occupying a single dwelling unit and using common cooking facilities. Families who provide care in their own home as duly state licensed foster family homes, in which dependent children have been duly placed by the State of Florida, and which include not more than five (5) children (both natural and foster) in the household, are expressly included within this term." This definition is in line with the definition provided by the Department of Housing and Urban Development. In addition, the housing policy established by the Future Land Use Element of the Comprehensive Plan states that the City "shall provide a mix of available residential densities to accommodate a variety of housing types sufficient to meet the needs of the present and projected population of the City, including the provision of adequate sites for housing very low-, low- and moderate-income households and for mobile and manufactured homes." While the definition of "family" and the Future Land Use element are adequate, there are still existing barriers to the development maintenance, and improvement of affordable housing. The most significant barriers for developing affordable housing include the following:

- **The lack of adequate public policies that support the creation of affordable housing.** The Housing Element of the City's Comprehensive Plan establishes goals, objectives and policies aimed at providing adequate housing for the City's residents. However, the Housing Element of the City's Comprehensive Plan has not been updated since 2008. The goals, objectives and policies of the Housing element should be updated to reflect the current conditions of the City.
- **Business Tax Receipt:** A business tax receipt is required for long term rental of a property. The City should ensure that the inspections required to obtain a Business Receipt cover an evaluation of the property that ensures the accommodations are safe to be inhabited. Roof Truss tests should be required as part of the inspection process for manufactured home long term rentals. This will ensure that the property conforms to HUD regulations for manufactured homes.
- **Lack of resources for affordable housing and infrastructure in support of affordable especially renter housing:** As grant sources, both Federal and State, are declining, resources for developing affordable housing are limited. Limited funding resources and the cost of retrofitting existing houses are barriers to the availability and accessibility of housing for persons with disabilities. The majority of the City's CDBG is not spent on affordable housing initiatives.
- **Limited Housing Options:** The Housing Element mentions housing options in supportive housing but does not talk specifically about type of houses such as accessory dwelling units that can accommodate new housing units in existing neighborhoods, provide housing options for lower income persons, and allow for efficient use of the city's existing housing stock and infrastructure.

- **Impact Fees:** Impact fees also pose a barrier to affordable housing. Currently, the impact fees for residential units 800 square feet in size or smaller are $2699.22. Coupled with today's construction costs, impact fees can disincentivize affordable housing projects.

- **Zoning Regulations**: Regulations and land use controls may also create unintended effects of reducing the availability of affordable housing as they may significantly impact the location and type of housing and business investments and may increase the cost of development. The development review and code compliance processes also tend to fall within the regulatory processes. Code compliance is essential to eliminate slum and blight but if not combined with adequate community engagement, it may become disastrous as residents may not comply and seek legal remedy. The City's Code Compliance Department should ensure that it is dedicated to enforcement as well as adequate community engagement.

- **Group Homes:** Group homes are allowed per the City's zoning Code. There is no distance requirement established between each group home establishment. However, a conditional use approval is required for group homes to be permitted in several zoning districts within the City. The additional approval requirement creates a barrier to affordable housing for residents requiring this type of housing.

- **Accessory Dwelling Units:** Accessory Dwelling Units are allowed per the zoning code. However, they are only allowed as an accessory use to any lawful non-residential principal use within a non-residential building. In addition, the living area requirement is seven hundred fifty (750) square feet and limited to occupancy by the property owner or business operator. Accessory Dwelling Units should be allowed as an accessory to lawful residential principal uses.

The City of Boynton Beach conducted an update in 2016 to its last Analysis of Impediments to Fair Housing Choice (AI).

Strategy to Remove or Ameliorate the Barriers to Affordable Housing

Notwithstanding the above barriers, the City of Boynton Beach has increased its efforts to remove or ameliorate the barriers to affordable housing through a variety of strategies.

- The Boynton Beach Community Redevelopment Agency (BBCRA) serves the community by guiding redevelopment activities such as affordable housing along the eastern edge of the City. Continued utilization of the BBCRA will facilitate revitalization of neighborhoods within the agency's purview and encourage affordable housing in the agency area.
- Programs to help first-time/modest income buyers fix up their newly purchased homes should be considered.
- Institute code changes which allow for the construction of accessory dwelling units in residential zoning districts to provide more options to residents especially for low-income households.

- Promote affordable housing by using funds to acquire land, provide low-income homebuyers with down payment assistance, create development subsidies to lower the building costs for buyers, assist elderly households with home repairs and explore rental rehabilitation opportunities to increase the number of affordable rental units available in the city.

- Institute code changes which allow for the construction of additional alternative types of housing that meet the requirements of the Florida Building Code. Shipping containers and tiny homes could help to offset the rising costs of traditional construction.

- Discontinue impact fees for affordable housing projects and offset the costs with tax assessments or tax increases.

- Facilitate rezoning and redevelopment of existing uses. This action will facilitate diversification of the types of housing that can be made available and support the overall increase of available housing supply for sale and for rent. According to the 2017 Housing Needs Assessment, some first-time millennial home buyers prefer more traditional types of subdivisions, while others are looking for a more urban lifestyle. In addition, Boynton Beach has very strong projected growth among Generation X (35- 54), which usually represents the prime homebuying years. Generation X home buyers are typically looking for larger and more luxurious homes than those they currently own. Also, this group is often recent renters re-entering homeownership after experiencing a period where their credit scores had to recover to qualify to purchase again.

- The significant increase in the 55+ population combined with their longer life expectancies will require more innovative communities that focus on wellness and allow for aging in place as they transition from independent to different levels of assisted living.

- Increased public transportation options within the City. Currently the bus options in the City only cover the main thoroughfare. Additional expansion with the inclusion of additional bus routes into residential communities would support low-income residents without access to cars.

SP-60 Homelessness Strategy – 91.215(d)

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The city participates in, and relies heavily on, the Palm Beach County Continuum of Care (FL-605) for outreach and services to the city's homeless populations. The city maintains membership on the County's Homeless Advisory Board to ensure the needs of homeless persons within the city limits are represented.

Non-profit organizations are the primary link to the City's involvement with homeless individuals. The agency provides many homeless services such as hotel vouchers, food, and assistance, and help in obtaining other forms of public assistance.

Addressing the emergency and transitional housing needs of homeless persons

The city participates in, and relies heavily on, the Palm Beach County Continuum of Care (FL-605) for outreach and services to the city's homeless populations. The city maintains membership on the County's Homeless Advisory Board to ensure the needs of homeless persons within the city limits are represented.

Non-Profit organizations are the primary link to the City's involvement with homeless individuals. These agencies provide many homeless services such as hotel vouchers, food, and assistance, and help in obtaining other forms of public assistance.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

Through its participation in the local Continuum of Care, the city provides information and referrals to the Palm Beach County Homeless Housing Alliance. The HHA coordinates all HUD CoC funding for the County, including the city of Boynton Beach and directs these referrals to the appropriate housing and service agencies, whether inside the city or in the county.

Help low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families who are likely to become homeless after being discharged from a publicly funded institution or system of care, or who are receiving assistance from public and private agencies that address housing, health, social services, employment, education, or youth needs

Through its participation in the local Continuum of Care, the city provides information and referrals to the Palm Beach County Homeless Housing Alliance. The HHA coordinates all HUD CoC funding for the County,

including the city of Boynton Beach and directs these referrals to the appropriate housing and service agencies, whether inside the city or in the county.

SP-65 Lead based paint Hazards – 91.215(i)

Actions to address LBP hazards and increase access to housing without LBP hazards

The City of Boynton Beach references lead-based paint hazards in pre-1978 housing in its housing program policies and procedures. Compliance with lead-based paint regulations regarding the use of federal housing assistance funds is required. The City will work toward incorporating measures to ensure that all federal lead safe practices are met.

To reduce the risk of lead poisoning, information is distributed to participants in the City's housing programs. The City makes lead-based paint information available to all interested parties in the City's housing programs.

As of April 22, 2010, the U.S. Environmental Protection Agency (EPA) requires all workers (including property owners) who disturb surfaces painted prior to 1978 to be trained in lead-safe work practices, and all firms to be EPA certified in those practices as well. The City follows strict HUD guidelines for testing and abatement of lead-based paint and other hazardous substances and require compliance from its contractors and subcontractors. The City can provide a list of licensed, prequalified contractors who are available to perform appropriate abatement and/or removal procedures if lead-based paint is present.

Lead-based paint can be mitigated through interim control methods and full abatement where possible. Abatement represents the most permanent method of lead-based paint containment. This method requires removal of contaminated surfaces. However, the cost of full abatement can be very high thus making some rehabilitation projects financially impractical, especially when the low-income homeowner is unable to take on additional debt. However interim controls can provide a more cost-effective solution. Interim controls are designed to reduce human exposure to lead-based paint hazards. Some methods of the interim controls include repairs, painting, temporary containment, and specialized cleaning. The City determines if the cost associated with interim controls outweighs the cost of abatement

How are the actions listed above related to the extent of lead poisoning and hazards?

The proposed actions listed above address units that may pose a lead-based paint threat based on the age of the housing stock. The City also considers units that are occupied by at-risk populations, such as children. The actions will identify, assess, and prevent lead poisoning and hazards.

How are the actions listed above integrated into housing policies and procedures?

The City utilizes CDBG for lead-based paint hazard reduction. The above actions will be incorporated in the City's housing program guidelines for CDBG funding.

SP-70 Anti-Poverty Strategy – 91.215(j)

Jurisdiction Goals, Programs and Policies for reducing the number of Poverty-Level Families

The City's goal is to reduce the number of poverty-level families through coordination and delivery of economic development, affordable housing, and service programs throughout the city. Persons and families in poverty must have the opportunity to overcome personal and socio-economic barriers and challenges that contribute to lives of poverty. Programs alone may not provide all the counseling, training, and tools necessary to resolve such a complex set of issues.

According to a 2021 Florida International University report entitled, *City of Boynton Beach – Racial and Social Equity Community Needs Assessment and* corroborated by the most recent ACS data provided by U.S. Census, poverty rates in the city have improved between 2012 and 2019, with the one exception of senior citizens (over 65) community, which increased from 10.4 to 11.4 percent. However, longstanding disparities continue to be evident between Black and African American and White, non-Hispanic populations. White, non-Hispanic poverty rates remain half that of Black and African Americans living in Boynton Beach. Also, families with just one householder and no spouse present are most likely to experience poverty. Hispanic and Black and African American families are more likely to have a single householder, especially this is the case for homes where only a mother is present. In 2019, about 10,400 people in Boynton Beach were below the poverty line.

This plan includes efforts to add value to neighborhoods through targeted investments in infrastructure in the most underserved areas. Our partner city departments, agencies and non-profit organizations share these goals and are also committed to take actions to eradicate poverty through affordable housing, educational and job training opportunities with the objective of creating an enhanced quality of life and a better chance to overcome poverty.

How are the Jurisdiction poverty reducing goals, programs, and policies coordinated with this affordable housing plan?

Boynton Beach will continue to address poverty by supporting incentives to attract, create and retain businesses, develop affordable housing opportunities, and improve public transportation. To the extent possible, CDBG funds will be used for eligible projects to supplement broader city efforts to reduce poverty. The strategic plan goals as articulated in the 2021 report include addressing racial and social equity issues, strengthening access to resources for its underserved population, and building an equitable economy and open opportunities for all residents,

SP-80 Monitoring – 91.230

Describe the standards and procedures that the jurisdiction will use to monitor activities carried out in furtherance of the plan and will use to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Boynton Beach Community Improvement Division will be responsible for following the established standards and procedures for monitoring the activities authorized under the CDBG program, ensure long-term compliance with the provisions of the program, and further the City's goals and objectives as set forth in the Plan. Measures used to check the progress and compare to resources consumed to accomplishments include tracking the status of projects and timeliness of expenditures, collect and review reports/projections, provide methods to change or improve outcomes where needed and conduct on-site monitoring activities to verify accomplishments when appropriate.

All activities will be monitored to ensure regulatory compliance with 24 CFR Part 570, as well as other federal program requirements such as, but not limited to, Environment, Davis-Bacon, Section 3, Fair Housing, Lead-based Paint, and Procurement. Data and information provided will be cross-checked against applicant information to verify accuracy and completeness of the data. When necessary, certain construction or other physical improvement may need additional personnel or expertise (building or housing program inspectors) to accomplish monitoring objectives related to governing construction standards, building codes, and other program guidelines. All monitoring processes will be reviewed and evaluated to ensure the Plan goals and objectives are being achieved throughout the Plan period.

The City will enter into binding contractual agreements with all other CDBG program participants. These agreements will ensure compliance with program guidelines and provisions between the city and these parties. These agreements will also provide a basis for enforcing program requirements and for identifying remedies in the event of a breach or non-compliance with any of the agreement provisions.

Minority Outreach Program – The City encourages local minority and women-owned businesses to participate in and compete for contracts. The City's Finance Department follows bid procedure requirements at 2 CFR Part 200 and all bids advertised on the City's website include information advising MBE/WBE of contracting opportunities. Once the specifications for a project are approved, a bid package is prepared with the following items: Invitation to Bid, set of specifications and special trades, bid proposal summary sheet, statement of non-collusion, contractor/subcontractor and minority report, MBE/WBE commitment affidavit, and best bid criteria affidavit.

Comprehensive Planning Requirements – The City will utilize the monitoring process as part of its long-term strategy to ensure program compliance and consistency with the broader established comprehensive planning efforts. This includes regional and local goals related to furthering fair housing objectives and reducing the number of fair housing complaints. Opportunities where Community Improvement or Finance Department staff can enhance affordable housing planning efforts through community forums, educational outreach, and training will be a priority.

AP-15 Expected Resources – 91.220(c) (1,2)

Introduction

The City of Boynton Beach receives Community Development Block Grant (CDBG) funds from HUD as an entitlement participant in its Community Planning and Development (CPD) programs. The first-year funding for the five-year Consolidated Plan was confirmed by HUD and used as a basis to estimate the available federal resources for the five-year period by multiplying the first-year allocation by five. In subsequent years, the actual annual allocation for each year may vary depending on what is approved by Congress for CPD programs. Goals, objectives, and activities will be adjusted in the applicable Annual Action Plans. The city also factors in an estimate of program income that is to be received each year and will vary from the estimate depending on the amounts received. The table below identifies the resources for the City's Consolidated Plan for FY 2022-2026. The City estimates that it will receive $2,736,035 in CDBG funds over the five years of the Consolidated Plan. It also shows State Housing Initiatives Partnership (SHIP) Program funds for FY2022 in the amount of $775,874 which will be used to leverage with CDBG for housing-related activities. The SHIP allocations are determined annually by the State of Florida and cannot be estimated in future years.

For FY 2022-2023, the city was allocated CDBG funds in the amount of $547,207. The city does not estimate any program income from CDBG. Program income for the five years cannot be estimated.

It should be noted that resource allocations from leveraged sources may also vary annually as will supplemental resources that will be used to leverage projects. Anticipated leverage amounts for the City of Boynton Beach may vary based on the financing structure of individual projects or programs funded, as well as market conditions and other intervening variables during the Consolidated Plan.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan $	Narrative Description
			Annual Allocation: $	Program Income: $	Prior Year Resources: $	Total: $		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	547,207	0	1,072,040	$1,619,247	$2,188,828	The expected amount available for the remainder of the Con Plan is estimated based on the FY 2022-2023 funding.
Other	public - state	Admin and Planning Other	$775,874	0	0	$775,874	TBD through annual state budgeting process	The Florida State Housing Initiatives Partnership (SHIP) funds are for FY 2022-2023.

Table 54 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state, and local funds), including a description of how matching requirements will be satisfied

When eligible, CDBG funds will be utilized to leverage City general fund allocations, other local, federal, and state funds to complete community development activities, address housing needs, and provide services to meet the needs of City residents. State funds received as an allocation from Florida Housing Finance Corporation's State Housing Initiative Partnership (SHIP) Program are an example of funding that will leverage CDBG funds allocated to affordable housing activities. This opportunity to leverage Federal and state funds allows the City to assist very low, low, low-to moderate- and middle-income citizens. The State SHIP fund allocation for the FY 2022-2023 is $775,874. Future years cannot be reflected as there is no guarantee of annual allocations of funding over the five years of the Consolidated Plan.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The city will continue to seek vacant land and residential structures for donation or sale to non-profit developers as these become available. The cost of properties in Palm Beach County has become unaffordable because of investor speculation. At the time of submission of this Plan, the City does not own properties that might be used to address the needs in the plan.

Discussion

With the 2020 public health crisis and resultant economic fallout due to business closures and loss of jobs, supplemental funding through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) has been allocated through HUD appropriations. County and State agencies have waived provisions to allow such funding to be allocated through "entitlement" cities. The allocation of federal resources and program design will be impacted with more focus on meeting immediate needs.

Public services to assist special needs and vulnerable populations and persons who are at risk of homelessness due to job loss will be top priority for resources. There are also opportunities for the City to work with other governmental entities and the private sector to address the needs of Boynton Beach residents.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator
1	Provision of public services	2022	2023	Non-Housing Community Development	Citywide	Public Services, General	CDBG: $80,000	Public service activities other than LMI Housing Benefit: 600 Persons Assisted
2	Increase Quality of Public Improvements.	2022	2023	Non-Housing Community Development	Low & Moderate-Income Areas	Public Facilities and Infrastructure	CDBG: $241,801	Public Facility or Infrastructure Activities other than LMI Housing Benefit: 2,500 Persons Assisted
3	Create and maintain safe and affordable housing.	2022	2023	Affordable Housing	Citywide	Rehabilitation of existing and creation of new housing	CDBG: $115,965 State of Florida SHIP: $775, 874	Homeowner Housing Added or preserved: 5 Housing Units
4	Planning and grant administration	2022	2023	Planning and Administration	Citywide	Public Improvements Public Services, General	CDBG: $109,441 State of Florida SHIP: $77,587	Other: 1 Other

Table 55 – Goals Summary

Goal Descriptions

1	**Goal Name**	Provision of public services
	Goal Description	No more than 15% of CDBG funds will be used to assist residents with a broad spectrum of public services activities to enhance their living environment including childcare, mental health services, health services, youth services, domestic violence services, substance abuse services, services for elderly, services for the elderly, and education. Public services will be provided by non-profit organizations that will be selected through an RFP process.
2	**Goal Name**	Increase quality of public facilities and improvements
	Goal Description	Funds will be used to foster healthy, stable, and attractive neighborhoods, access to quality public facilities, and blight removal by funding neighborhood improvement activities such as neighborhood public infrastructure and improvements including water, sewer, drainage, and sidewalks
3	**Goal Name**	Create and maintain safe and affordable housing
	Goal Description	CDBG and State of Florida SHIP funds will be used for land acquisition, down payment assistance, development subsidy, rental rehabilitation, major home repairs/residential rehabilitation for low- to moderate-income homeowners of single-family owner-occupied homes and tother eligible activities to create new affordable housing.
4	**Goal Name**	Planning and grant administration
	Goal Description	Funding to the City's Community Improvement Division for planning and grant administration that doesn't exceed 20% of the CDBG grant to implement and/or coordinate the implementation of all CDBG activities to meet the FY 2022-2023 Annual Action Plan goals and objectives. $77,587 in State of Florida SHIP funds will also be used for planning and administration.

Projects

AP-35 Projects – 91.220(d)

Introduction

The following table contains the projects that the City will fund in FY 2022-2023 using CDBG funds. Up to 20% of the CDBG grant can be expended on Planning and Administration. State of Florida SHIP and City general funds will be leveraged with the federal funds. CDBG funds allocated to Public Services will be awarded through a Request for Proposal process for eligible and qualified community-based non-profit organizations. No more than 15% of the CDBG grant can be expended on public service activities. The specific public service activities to be funded below were based on the priorities set by the Consolidated Plan and applications submitted by the non-profit organizations.

Projects

#	Project Name
1a	CDBG Public Services – Pathways to Prosperity
1b	CDBG Public Services – Alzheimer's Community Care, Inc.
2	CDBG and State of Florida SHIP Affordable Housing
3	CDBG Public Facilities and Improvements
4	CDBG Planning and Administration

Table 56 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs.

Allocation priorities were based on the City's housing and community development needs assessment contained in the Consolidated Plan, feedback from residents and other community stakeholders, funding applications received through a competitive grant applications cycle, and the City Commission. The economic dislocation caused by the COVID-19 pandemic has disproportionally affected low-to-moderate-income households. Housing market conditions related to demand and supply of both affordable rental and homeownership housing and the high costs of vacant land and construction makes it very difficult to serve the housing needs of LMI families. The City is challenged to develop and implement a well-coordinated and integrated outcome-driven service delivery system that meets the City's housing and community development needs and goals within the limits of available funding and external conditions.

Ongoing efforts to address the identified needs amidst dwindling financial resources at the federal and local level also requires the City to focus its funding to the activities that will have the highest impact. The City has selected to focus on public improvements such as streets, sidewalks, and other eligible infrastructure projects in low-income census tracts where at least 51 percent of the population is LMI households and affordable housing activities. Existing CDBG funding and other sources will be sought to address the affordable housing crisis which was deemed the highest priority in the needs assessment.

AP-38 Project Summary

Project Summary Information

1	**Project Name**	General Public Services – Pathways to Prosperity
	Target Area	Citywide
	Goals Supported	Provision of public services
	Needs Addressed	Public Services, General
	Funding	CDBG: $55,000
	Description	Activity Eligibility: 24 CFR 570.201(e)- Administered by the Community Improvement Division through the provision of funding to community-based organizations non-profits procured through a Request for Proposals (RFPs). This activity will benefit low- to moderate-income individuals and households by providing training, mentoring, and case management for children and parents.
	Target Date	9/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	It is estimated that up to 300 individuals who are primarily from low- and moderate-income households will benefit from this activity.
	Location Description	Citywide
	Planned Activities	Activities include program design, outreach, intake, activity delivery, reporting, and compliance.
2	**Project Name**	General Public Services – Alzheimer's Community Care, Inc.
	Target Area	Citywide
	Goals Supported	Provision of public services
	Needs Addressed	Public Services, General
	Funding	CDBG: $25,000
	Description	Activity Eligibility: 24 CFR 570.201(e)- Administered by the Community Improvement Division through the provision of funding to community-based organizations non-profits procured through a Request for Proposals (RFPs). This activity will benefit low- to moderate-income individuals and households by providing services for seniors, and persons with disabilities.
	Target Date	9/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	It is estimated that up to 300 individuals who are primarily from low- and moderate-income households will benefit from this activity.
	Location Description	Low/Mod Target Area
	Planned Activities	Activities include program design, outreach, intake, activity delivery, reporting, and compliance.
3	**Project Name**	CDBG Public Facilities and Improvements
	Target Area	Low & Moderate-Income Areas
	Goals Supported	Increase Quality of Public Facilities and Improvement

	Needs Addressed	Public Facilities, Infrastructure, and Improvements
	Funding	CDBG: $241,801
	Description	This project provides funding for improving public infrastructure in geographic areas where at least 51 percent of the population are low-to-moderate-income (at or below 80 percent of AMI)
	Target Date	9/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	The public facilities and improvements are anticipated to benefit 2,500 persons including individuals with disabilities.
	Location Description	This project will be carried out in qualified low-income areas.
	Planned Activities	Administered by the City's Community Improvement Division, this activity will provide for assistance to carry out activities serving the needs of low and moderate-income residents.
4	**Project Name**	CDBG Housing Activities
	Target Area	Low & Moderate-Income Households
	Goals Supported	Create and maintain safe and affordable housing
	Needs Addressed	Housing
	Funding	CDBG: $115,965; State of Florida SHIP: $775,874
	Description	This project provides funding for housing repairs and improvements to eligible low-to-moderate-income (at or below 80 percent of AMI) and/or elderly homeowners, buyers, and renters.
	Target Date	9/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	This activity is anticipated to benefit 2 persons/households assisted with CDBG and 8 persons/households assisted with SHIP.
	Location Description	This project will be carried out city-wide.
	Planned Activities	Administered by the City's Community Improvement Division or through a sub-recipient partner, this activity will provide housing assistance to low and moderate-income or elderly homeowners.
5	**Project Name**	CDBG Program Planning and Administration
	Target Area	Citywide
	Goals Supported	Increased public facilities and improvements Provision of public services Planning and grant administration
	Needs Addressed	Public facilities and improvements Public Services, General

	Funding	CDBG: $109,441 State of Florida SHIP: $ 77, 587
	Description	Activity Eligibility: 24 CFR570.205 and 570.206 Provide funding to the City of Boynton Beach Community Improvement Division of the Financial Services Department for the administration of the CDBG programs. An amount of $109,441 in CDBG funds will be used to partially cover the planning and administrative costs of the program.
	Target Date	9/30/2023
	Estimate the number and type of families that will benefit from the proposed activities	See individual activity benefits.
	Location Description	Citywide
	Planned Activities	The City's Community Improvement Division will administer the CDBG program activities including Consolidated planning, subrecipient agreement development, environmental assessments and reviews, financial management including grant sub awards, procurement, and designation of subrecipients, inspections, reasonableness reviews, reporting, monitoring and oversight, recordkeeping, and other activities to ensure grant compliance.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City will allocate federal funding on a citywide basis for the 2022 program year, with concentrations within Census tracts 5601, 5701, 5702, 6100, 6201, 6203, and 63.00. Housing rehabilitation, however, can be citywide for income eligible homeowners in need of code-related repairs. All projects included in this Annual Action Plan will benefit low- and-moderate income residents throughout the City.

Geographic Distribution

Target Area	Percentage of Funds
Citywide	35
Low-moderate-income areas	65

Table 57 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Boynton Beach adheres to all program-specific eligibility requirements when allocating funds. Priorities for allocation of funding have been established through a combination of public feedback, needs analysis, internal and stakeholder feedback and opportunities for leveraging. All the proposed Action Plan projects will serve very low-, low-, and moderate-income persons and households.

All CDBG funds will be geographically allocated citywide, with preferences on the CDBG target area as it is the area with the highest area of minority concentration and lowest of incomes. The City plans to focus its CDBG funds on public improvements in its census tracts that have a low-to-moderate-income (LMI) population of 51 percent or more including the area called the Heart of Boynton.

Discussion

See above discussion.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

During FY 2022-2023, the City of Boynton Beach will utilize CDBG funds leveraged with State of Florida SHIP funds to assist 10 non-homeless households with rehabilitation of owner-occupied housing units, production of new housing units, and acquisition of an existing housing unit.

The City's housing stock is aging and low- and moderate-income homeowners cannot afford to maintain or repair their homes. For this reason, rehabilitation of owner-occupied housing has been determined to be a high priority. The home repair needs of elderly persons will also be addressed under the CDBG and SHIP Home Repair Programs as special needs housing.

Discussion

During the first year of this new Consolidated Plan five-year period, the city will focus on completing those housing activities that were delayed during the prior two years and leverage its CDBG resources with those provided through the State Housing Initiatives Program (SHIP) to address the first-year priority housing needs reflected in the statistical analysis contained in the Plan. This will include $115,965 from Program Year 2022 and $1,229,651 in SHIP funds from PY's 2021 and 2022.

AP-60 Public Housing – 91.220(h)

Introduction

The City of Boynton Beach does not own or operate a Public Housing Authority or Public Housing Agency within its jurisdiction. However, the Palm Beach County Housing Authority (PBCHA) does own forty-three single-family units in Boynton Beach. Palm Beach County residents are provided with affordable housing options that are free of housing discrimination and architectural barriers according to the PBCHA. Also, the Delray Beach Housing Authority provides Section 8 vouchers to residents in Boynton Beach.

Actions planned during the next year to address the needs for public housing

N/A

Actions to encourage public housing residents to become more involved in the management and participate in homeownership

Outreach efforts are coordinated between the City of Boynton Beach, Palm Beach County and Delray Beach Housing Authorities with regard to informing Section 8 and/or public housing residents of new homebuyer opportunities. This includes notices of all homeownership seminars and workshops being sponsored by the city or its non-profit affordable housing partners.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

According to the Palm Beach County and Delray Beach Housing Authorities' most recent Annual Plans for FY2021, neither agency is designated as a troubled HA.

Discussion

See above.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Homeless and Housing Alliance (HHA) of Palm Beach County (formerly the Continuum of Care) is intended to deliver a comprehensive and coordinated continuum of services for homeless individuals and families. The City of Boynton Beach is under the umbrella of the HHA of Palm Beach County. The system's fundamental components include homeless prevention, outreach and assessment, emergency shelter, transitional housing, supportive services, permanent housing, and permanent supportive housing. The HHA includes community-based membership with representatives from government, business, formerly homeless individuals, law enforcement, banking, housing service providers, faith groups, education, veterans, health care, and concerned individuals. Palm Beach County Division of Human Services (the Division) continues its role as the lead entity for the HHA which began in January 2006.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

As reported in the Palm Beach County Annual Action Plan, the Service Prioritization Decision Assistance Tool (SPDAT) is the assessment tool used during outreach activities. The tool prioritizes whom to serve and identifies what supportive services should be provided.

- Palm Beach County's Homeless Outreach Team (HOT), which leads the County's homeless outreach program, utilizes the SPDAT to conduct initial assessments in the field. Individual SPDAT scores are used to determine what programs and services are the most needed by the homeless individual. The HOT Team travels throughout the County to various location where the homeless are known to congregate in order to conduct on-site screenings.
- The Homeless Coalition of Palm Beach County conducts Homeless Connect events throughout the County. These events allow the homeless population to receive haircuts, toiletries, clothing, and other related items.
- The Senator Phillip D. Lewis Center is the point of access for the homeless population to obtain housing and/or services in Palm Beach County. Homeless individuals and families are referred to the Lewis Center from the County's Homeless Outreach Team, as well as law enforcement.

Addressing the emergency shelter and transitional housing needs of homeless persons

Palm Beach County's HHA continues to prioritize the emergency shelter component for the County's ESG program. Palm Beach County provides ESG funding to support a transitional housing facility for single homeless men and two emergency shelters for victims of domestic abuse.

Palm Beach County operates a temporary emergency homeless shelter, the Lewis Center Annex. This shelter provides beds, showers, meals, medical services, and other supportive services for up to 125 chronically homeless persons.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to

permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Palm Beach County assists homeless individuals and families to transition into permanent supportive and independent housing. The following actions will be undertaken by the County and its partners to help the homeless population transition into a permanent form of housing:

- Palm Beach County will continue to utilize Continuum of Care (CoC) and ESG funding to support three (3) Rapid Rehousing programs. These programs will provide financial assistance to homeless individuals/families to regain stability in permanent housing. The financial assistance will include security deposits, rental assistance, utility deposits, and utility assistance. These households will also continue to receive case management and other supportive services.
- HHA has established as a goal for the Continuum to give funding priority to permanent supportive housing programs that dedicate 100% of their beds for the chronically homeless.
- State Housing Initiative Partnership (SHIP) funds will be used by the County to operate a Housing Reentry Assistance (REAP) Program. This homeless prevention program will provide rental security and utility deposits to eligible households whose income is up to 50% AMI.
- The County's CoC funding will continue to support permanent supportive housing programs that dedicate 100% of their beds for the chronic homeless population. These programs provide 64 housing and support services to individuals as well to families.
- The County will continue the SMART (Support, Marketing, Assistance, Rental, Tenant) campaign which recruits potential landlords to a database to match them with homeless individuals and families who need housing. Persons housed under this program are provided with deposits and monthly rental assistance which vary in length and dollar amounts based on the client's needs. Each household is assigned a case manager who in turn becomes the landlord's point of contact.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Palm Beach County uses local, state, and federal funding to support Homeless Prevention activities that are designed to assist low-income persons and families that find themselves threatened with homelessness:

- Palm Beach County provides financial assistance in the form of emergency rent and/or utility payments to households in order to prevent the household from becoming homeless. Homeless prevention funds target those individuals and families who would become homeless without the

assistance.

- Palm Beach County participates in the Reentry Task Force whose mission is to implement comprehensive re-entry services to ex-offenders from the time of their entry into the prison system through their transition, reintegration, and aftercare in the community. These services will include, among others, case management and housing assistance. The Reentry Task Force partners include Palm Beach County, Criminal Justice Commission and Gulfstream Goodwill Industries.
- Palm Beach County makes funding available to agencies that provide housing and support services to youth who have been discharged from the state's foster care program and provides CoC funding to support the "Connecting Youth to Opportunities" program that provides rapid re-housing and support services to unaccompanied youth ages 18 to 24 who have aged out of the foster care system.
- The Lewis Center coordinates with area hospitals and mental health facilities to permit discharged patients to receive referrals to the Lewis Center. The referrals will allow for the discharged persons to access the County's homeless services.
- The County's Division of Human and Veterans Services has oversight of HUD's Youth Homeless Demonstration Program (YHDP). The County awarded 3 nonprofit agencies funding under this program to provide eligible activities that serve youth experiencing homeless, including unaccompanied and pregnant or parenting youth, where no member of the household is older than 24 years of age.

Discussion

The Homeless and Housing Alliance (HHA) of Palm Beach County, with the support of the members of the CoC within the County, strategically support the needs of persons experiencing homelessness and persons with special needs. The jurisdiction will continue to support the most vulnerable, at-risk community members through housing and supportive services.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Boynton Beach last amended its Housing Element in 2008. The overarching goal of the Housing element is "To provide decent, safe, and sanitary housing in suitable neighborhood environments at a range of costs and variety of types necessary to meet the needs of present and future residents of the City". This goal is very broad and falls within the norms for almost all municipalities. Additional goals which more specifically prioritize affordable housing should be developed to increase its success.

The City's Zoning Code defines a family as "One (1) or more persons occupying a single dwelling unit and using common cooking facilities. Families who provide care in their own home as duly state licensed foster family homes, in which dependent children have been duly placed by the State of Florida, and which include not more than five (5) children (both natural and foster) in the household, are expressly included within this term." This definition is in line with the definition provided by HUD. In addition, the housing policy established by the Future Land Use Element of the Comprehensive Plan states that the City "shall provide a mix of available residential densities to accommodate a variety of housing types sufficient to meet the needs of the present and projected population of the City, including the provision of adequate sites for housing very low-, low- and moderate-income households and for mobile and manufactured homes." While the definition of "family" and the Future Land Use element are adequate, there are still existing barriers to the development maintenance, and improvement of affordable housing. The most significant barriers for developing affordable housing include the following:

- **The lack of adequate public policies that support the creation of affordable housing. -** The Housing Element of the City's Comprehensive Plan establishes goals, objectives and policies aimed at providing adequate housing for the City's residents. However, the Housing Element of the City's Comprehensive Plan has not been updated since 2008. The goals, objectives and policies of the Housing element should be updated to reflect the current conditions of the City.
- **Business Tax Receipt:** A business tax receipt is required for long term rental of a property. The City should ensure that the inspections required to obtain a Business Receipt cover an evaluation of the property that ensures the accommodations are safe to be inhabited. Roof Truss tests should be required as part of the inspection process for manufactured home long term rentals. This will ensure that the property conforms to HUD regulations for manufactured homes.
- **Lack of resources for affordable housing and infrastructure in support of affordable especially renter housing:** As grant sources, both Federal and State, are declining, resources for developing affordable housing are limited. Limited funding resources and the cost of retrofitting existing houses are barriers to the availability and accessibility of housing for persons with disabilities. The majority of the City's CDBG is not spent on affordable housing initiatives.
- **Limited Housing Options:** The Housing Element mentions housing options in supportive housing but does not talk specifically about type of houses such as accessory dwelling units that can accommodate new housing units in existing neighborhoods, provide housing options for lower income persons, and allow for efficient use of the city's existing housing stock and infrastructure. Other options include land acquisition, development subsidies, expanded down payment assistance and home repair programs designed to assist elderly homeowners.

- **Impact Fees:** Impact fees also pose a barrier to affordable housing. Currently, the impact fees for residential units 800 square feet in size or smaller are $2,699.22. Coupled with today's construction costs, impact fees can disincentivize affordable housing projects.

- **Zoning Regulations**: Regulations and land use controls may also create unintended effects of reducing the availability of affordable housing as they may significantly impact the location and type of housing and business investments and may increase the cost of development. The development review and code compliance processes also tend to fall within the regulatory processes. Code compliance is essential to eliminate slum and blight but if not combined with adequate community engagement, it may become disastrous as residents may not comply and seek legal remedy. The City's Code Compliance Department should ensure that it is dedicated to enforcement as well as adequate community engagement.

- **Group Homes:** Group homes are allowed per the City's zoning Code. There is no distance requirement established between each group home establishment. However, a conditional use approval is required for group homes to be permitted in several zoning districts within the City. The additional approval requirement creates a barrier to affordable housing for residents requiring this type of housing.

- **Accessory Dwelling Units:** Accessory Dwelling Units are allowed per the zoning code. However, they are only allowed as an accessory use to any lawful non-residential principal use within a non-residential building. In addition, the living area requirement is seven hundred fifty (750) square feet and limited to occupancy by the property owner or business operator. Accessory Dwelling Units should be allowed as an accessory to lawful residential principal uses.

The City of Boynton Beach conducted an update of its last Analysis of Impediments to Fair Housing Choice (AI) in 2010. The City is currently in the process of updating its last analysis.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Housing Element of the Comprehensive Plan: The City of Boynton Beach last amended its Housing Element in 2008. The overarching goal of the Housing element is "To provide decent, safe, and sanitary housing in suitable neighborhood environments at a range of costs and variety of types necessary to meet the needs of present and future residents of the City". This goal is very broad and falls within the norms for almost all municipalities. Additional goals which more specifically prioritize affordable housing should be developed to increase its success. The housing related goals of Comprehensive Plan conform to the City's Development Code since the development standards include regulations that permit various housing types and zoning waivers.

Discussion:

A summary of the recommendations to address impediments to fair housing choice is provided below and these actions are intended to remove and/or ameliorate the barriers to affordable housing.

Resources: The Boynton Beach CRA (CRA) was established as a tool for redevelopment within the City. A part of the Boynton Beach CRA's mission is to support affordable housing. Among its goals, the CRA aims to protect and enhance existing single-family neighborhoods and encourage the preservation of existing affordable housing and the development of new affordable housing through the provision of technical assistance, incentives, and land. The CRA has allocated $2,410,825 in affordable housing through its general fund and tax increment financing.

Outside of CRA funding, vacant lots have also been provided for the development of affordable housing through Habitat for Humanity. A total of $579,825 in additional CDBG funds has been allocated during the FY2022-2026 Consolidated Plan period towards affordable housing activities.

Regulatory Barriers: The City of Boynton Beach has developed partnerships with community-based organizations, banks, and realtors to increase and improve the supply and quality of affordable housing in the City through education and preservation of existing housing stock. The Housing Division, Zoning and Planning units will work closely together to identify any regulatory barriers to affordable housing and revise or eliminate such regulations when possible.

Discrimination on the Basis of Protected Class in Violation of Federal, State, and Local Fair Housing Laws **–Recommendations:** Provide comprehensive fair housing enforcement services; provide fair housing education and training to housing providers, residents, City staff, and Community Based Organizations for fair housing education and referrals; implement a broadcast and print media campaign in various languages; provide financial support for fair housing enforcement (including testing); review and revise, if needed, zoning policies for congregate facilities; and develop a fair housing referral process.

Shortage of Affordable/Accessible Housing **– Recommendations:** Provide information and technical assistance on all housing programs; increase the amount of accessible housing through design and construction training for greater accessibility; the use of universal design; and require City-funded housing to follow Fair Housing Design & Construction.

Lack of Knowledge of Fair Housing Protections and Redress under Fair Housing Laws – **Recommendations:** Conduct fair housing broadcast and print media campaign; use the City's website for Fair Housing information with links; and appoint a media liaison to discuss racial/ethnic issues.

Fair and Equal Lending Disparities – **Recommendations**: Implement a publicity campaign promoting Fair Lending and educational materials in English, Spanish, and Creole and require and monitor annual reports

from all area lenders by race/ethnicity.

***Strongly Segregated Housing Market*- Recommendations:** Provide technical assistance training in Affirmative Marketing for City funded housing projects, staff, and entities; provide culturally competent fair housing education for persons with Limited English Proficiency; and the City's own advertising reflects and appeals to diverse communities.

***No County-wide Cooperative Effort to Affirmatively Further Fair Housing*- Recommendations:** Encourage and support regional fair housing efforts; fair housing month activities; and federal Fair Housing, Performance Standards and CDBG Grant Review.

AP-85 Other Actions – 91.220(k)

Introduction:

The following is a list of actions the City of Boynton Beach plans to implement over the new one-year period to achieve success in addressing the housing and community development needs of low-to moderate income residents and families.

Actions planned to address obstacles to meeting underserved needs

The Community Improvement Division will continue to work with other city Departments, Palm Beach County, as well as other public and private organizations to expand services and leverage Federal, state, and local funds to address the obstacles to meeting the underserved needs of the community. Obstacles that arise over the next one-year will be addressed in the following ways: 1) determine the level of urgency and propose a solution with available resources and/or 2) re-prioritize future funding based on the level of urgency and available resources.

Actions planned to foster and maintain affordable housing

Boynton Beach will continue efforts of fostering and maintaining existing and new affordable housing by working with our housing partners and potential new developers to expand and increase affordable housing opportunities. Combined with State (SHIP) funding, the city anticipates having over $1 million to allocate towards housing during the next one-year period.

Actions planned to reduce lead-based paint hazards

Overall, the goal of the City of Boynton Beach is to eliminate lead-based paint hazards and prevent childhood poisoning in our community. This can only be achieved through partnering with our public and private sectors. The City will follow all procedures specified in the applicable program regulations for activities receiving these funds. The city will also provide all contractors/sub-recipient agencies the required notifications to owners and occupants and inspect for defective paint surfaces in pre-1978 properties assisted. Any defective paint conditions found will be included in the project scope of work and treatment provided to the defective areas. All paint inspections, risk assessments and clearance testing of suspect properties will be performed by licensed testing professionals. As a policy, the city provides the HUD required informational pamphlets to homeowners and contractors to ensure that both the lead safe work and the EPS's Renovation Repair, and Painting Rule (RRP) practices are being used for all Federally funded housing activities.

Actions planned to reduce the number of poverty-level families

As stated in prior sections, the city will work to increase the number of higher paying jobs that may in-turn reduce the number of poverty-level families and strive to expand new economic opportunities to build a more equitable business climate in Boynton Beach. Through its partnering agencies and non-profits organizations, efforts will continue to support educational opportunities, promote programs that prepare the workforce for new, or career changing paths to financial independence and seek new

businesses that will retain young local talented residents.

Actions planned to develop institutional structure

Boynton Beach will continue to work in partnership with local non-profit service providers and government agencies to deliver services to those in need. On-going efforts to review and assess the strengths and gaps in the current institutional structure will take place over the next one-year period and beyond. Adjustments, as necessary, will be made to improve results of the existing structure to produce better outcomes.

Actions planned to enhance coordination between public and private housing and social service agencies

The city undertakes a consultation process each year and invites comments/feedback from stakeholders within the housing and service delivery environs. Next steps will include developing a methodology to measure and collect data sufficient to assess the effectiveness of meeting client needs.

Discussion:

Affordable housing development requires multiple funding sources including the City's local funds, State dollars, federal funding, and available redevelopment property amassed by the City. To keep pace with the increasing demand for affordable housing and to balance development to ensure locational choice, continued federal and state funding is needed. The city received $547,207 in CDBG funding in Fiscal Year 2022. This allocation does not allow for a significant number of housing projects to occur due to the current spike in construction costs as a result of the COVID-19 pandemic.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l) (1,2,4)

Introduction:

The following is a description of the plans and actions that the City of Boynton Beach will implement during the 2022-2023 Program Year for each federal program shown below to remain in compliance with the program specific requirements of HUD Community Planning and Development programs.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed.	$0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	$0
3. The amount of surplus funds from urban renewal settlements.	$0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	$0
5. The amount of income from float-funded activities	$0
Total Program Income:	$0

Other CDBG Requirements

1. The amount of urgent need activities.	$0

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit – A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. **ONE YEAR - 100%**

Appendix A
Public Notices

RESOLUTION NO. R24-304

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, APPROVING AN AGREEMENT FOR PURCHASE AND SALE OF REAL PROPERTY WITH THE TRUSTEES OF FIRST PRESBYTERIAN CHURCH OF BOYNTON BEACH, FLORIDA, INC. FOR THE PURCHASE OF REAL PROPERTY LOCATED AT 235 SW 6TH AVENUE, BOYNTON BEACH, FLORIDA 33435; AND FOR ALL OTHER PURPOSES.

WHEREAS, the City desires to purchase property located at 235 SW 6th Avenue, Boynton Beach, Florida 33435, from the Trustees of First Presbyterian Church of Boynton Beach, Florida, Inc. in an amount of Three Hundred and 00/100 Dollars ($300,000) to construct a new Park near the Forest Park Community; and

WHEREAS, the purchase of land is contingent on an appraisal and a clear title; and

WHEREAS, the City Commission, upon the recommendation of staff, has deemed it in the best interests of the city's citizens and residents to approve an Agreement for the Purchase and Sale of Real Property with the Trustees of First Presbyterian Church of Boynton Beach, Florida, Inc. for the Purchase of Real Property located at 235 SW 6th Avenue, Boynton Beach, Florida 33435.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption.

SECTION 2. The City Commission of the City of Boynton Beach, Florida, does hereby approve the purchase of real property located 235 SW 6th Avenue, Boynton Beach, Florida 33435, from the Trustees of First Presbyterian Church of Boynton Beach, Florida, Inc., in an amount of Three Hundred and 00/100 Dollars ($300,000).

SECTION 3. The City Commission of the City of Boynton Beach, Florida, does hereby approve an Agreement for Purchase and Sale of Real Property between the Trustees of First Presbyterian Church of Boynton Beach, Florida, Inc., and the City (the "Agreement"), in form and substance similar to that attached as **"Exhibit A."**

SECTION 4. The City Commission of the City of Boynton Beach, Florida, hereby

authorizes the Mayor to execute the Agreement. The Mayor is further authorized to execute any ancillary documents required under the Agreement or necessary to accomplish the purposes of the Agreement and this Resolution.

SECTION 5. One fully executed original of the Agreement shall be retained by the City Clerk as a public record of the City. A copy of the fully executed Agreement shall be provided to Gail Mootz for further handling.

SECTION 6. This Resolution shall take effect in accordance with law.

PASSED AND ADOPTED this 19th day of November 2024.

AGREEMENT FOR PURCHASE AND SALE OF REAL PROPERTY
235 SW 6th Avenue, Boynton Beach, Florida 33435

Contract No. 24-0139

This Agreement for Purchase and Sale Of Real Property ("Agreement") is made by and between the **City of Boynton Beach, a Florida municipal corporation**, with an address of 100 East Ocean Avenue, Boynton Beach, FL 33435 ("Purchaser"), and **The Trustees of First Presbyterian Church of Boynton Beach, Florida, Inc.,** a not for profit corporation, whose mailing address is 235 SW 6th Ave, Boynton Beach, FL 33435 ("Seller"). The "Effective Date" of this Agreement shall be the date the last one of Seller or Purchaser signs the Agreement.

W I T N E S S E T H :

In consideration of the mutual promises and covenants herein contained and the sum of $10.00 and other good and valuable consideration paid by Purchaser to Seller, receipt of which is hereby acknowledged by Seller, it is mutually covenanted and agreed by the parties hereto as follows:

1. **Property.** Seller hereby agrees to sell and convey to Purchaser, and Purchaser hereby agrees to purchase from Seller, subject to the terms and conditions hereinafter set forth, a portion of that certain property located at 235 SW 6 Avenue, Boynton Beach, FL 33435, along with all improvements constructed thereon, as further described in **Exhibit A** (the "**Property**"). The Property shall include (i) Seller's rights in and to any and all licenses, permits, and all improvements constructed thereon and other governmental approvals pertaining to the Property and the use thereof; and (ii) any and all rights, entitlements and appurtenances to the Property, including, but not limited to, rights of ingress and egress, any and all air space rights and subsurface rights, mineral rights, riparian and littoral rights, together with all pertinent rights and interest pertaining to adjacent streets and roadways.

2. **Purchase Price and Terms of Payment**.

(a) The purchase price to be paid by the Purchaser for the Property shall be Three Hundred Thousand and 00/100 Dollars ($300,000) ("**Purchase Price**").

(b) The Purchase Price will be paid as follows:

i. Deposit. On or before the Effective Date of this Agreement, Purchaser shall deposit with the Escrow Agent (defined below) the sum of Ten Thousand Dollars ($10,000.00) ("Deposit"). The Deposit shall be held in escrow by the Escrow Agent in accordance with the terms and conditions of this Agreement. The Deposit shall be returned to or retained by Purchaser in the event (i) Purchaser delivers to Seller a notice of termination, pursuant to Section 3(d), (ii) Seller fails to close in accordance with the terms hereof, (iii) if any of the conditions to close set forth in Section 6 are not fully satisfied or waived by Purchaser, or (iv) Seller fails to cure any title objections in a timely manner as specified in Section 4 below. In all other events, the Deposit shall be disbursed in accordance with the terms and conditions set forth in this Agreement.

ii. Balance. The balance of the Purchase Price ($290,000.00), adjusted as provided in Section 7 below, shall be due and payable at Closing by

cashiers, official or certified check or wire transfer. There is no financing contingency to Purchaser's obligation to close.

3. **Property Data/Inspection Period/Termination/Delivery of Reports.**

(a.) Property Data. Seller expressly agrees to deliver to Purchaser, at Seller's sole cost and expense, prior to the close of business on the fifteenth (15th) day following the Effective Date, true and correct copies of all documents and records in Seller's possession or control, or available to Seller, as they relate to the title, the physical condition and the development, operation and occupancy of the Property, including without limitation, engineering and environmental studies, title reports and surveys ("Property Data"). If Purchaser does not purchase the Property as contemplated herein, Purchaser shall return the Property Data to Seller.

(b.) Property Disclosure. Seller does hereby represent that Seller has legal authority and capacity to convey the Property. Seller represents that Seller has no knowledge of facts materially affecting the value of the Property other than those which Purchaser can readily observe.

1. Energy Efficiency. In accordance with Florida Statute 553.996, notice is hereby given that the buyer of real property with a building for occupancy located thereon may have the building's energy-efficiency rating determined. Purchaser acknowledges receipt of the energy efficiency rating information brochure prepared by the State of Florida at the time of or prior to Purchaser signing this Agreement.

2. Radon Gas Disclosure. Radon gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon testing may be obtained from your county health unit.

3. Flood Zone. Purchaser is advised to verify with appropriate government agencies whether flood insurance is required and what restrictions apply to improving the Property and rebuilding in the event of casualty.

4. Other. Purchaser should exercise due diligence with respect to information regarding neighborhood crimes, sexual offenders/predators and any other matters Purchaser deems relevant to the purchase of the Property.

5. Mold Disclosure. Mold is naturally occurring. The presence of mold in a home or building may cause health problems and damage to the Property.
[ ] If marked see attached Mold Inspection Addendum.

6. Disclosure of Beneficial Interests. Seller represents that simultaneously with Seller's execution of this Agreement, Seller has executed and delivered to Purchaser, the Seller's Disclosure of Beneficial Interests attached hereto as **Exhibit B** (the "Disclosure") disclosing the name and address of every person or entity having a 5% or greater beneficial interest in the ownership of the Property as required by Section 286.23, Florida Statutes. Seller warrants that in the event there are any changes prior to Closing to the names and addresses of the persons or entities having a 5% or greater beneficial interest in the ownership of the Property after the date of execution of the Disclosure, Seller shall immediately, and in every instance, provide written notification of such change to the Purchaser in the manner required by Section 14 of this Agreement. Seller warrants that at Closing, Seller shall provide Purchaser with a Disclosure that accurately discloses the beneficial interests in the ownership of the Property at the time of Closing regardless of whether or not the

information contained therein has changed from the date of execution of the original Disclosure. The provisions of this Paragraph 6 shall survive the Closing or the earlier termination of this Agreement.

(c.) Inspection Period Contingency. Purchaser shall have a period of Thirty (30) days after the Effective Date (the "Inspection Period") to make its examination and inspection of the Property and the Property Data, including taking such soil and engineering tests, studies and samples and to otherwise inspect the Property to determine, in Purchaser's sole and absolute discretion, whether the Property is suitable for Purchaser's purposes. If Purchaser does not elect to terminate this Agreement as provided in Section 3(d) below, Purchaser shall also have the continuing right to enter upon the Property at any time after the Inspection Period for the purpose of performing surveying, engineering, environmental tests and studies, test borings and such other similar investigatory work as Purchaser shall consider appropriate and to conduct any tests necessary to satisfy Purchaser as to the suitability of the Property for Purchaser's purposes. The cost of Purchaser's due diligence investigation as provided herein shall be borne solely by Purchaser. In exercising its rights under this Paragraph, the Purchaser shall have the duty to restore the Property to its condition existing prior to the exercise of Purchaser's rights hereunder and any damage caused thereby.

1. Wood-Destroying Organisms. "Wood-Destroying Organisms (WDO)" means arthropod or plant life which may damage a structure. Within forty-five (45) after the Effective Date of this Agreement Purchaser, at Purchaser's expense, may have the Property inspected by a Florida certified pest control firm and notify Seller as to whether there is any visible active wood-destroying organism infestation or visible existing damage to the improvements from wood-destroying organisms by furnishing a copy of such firm's written report to Seller. Seller will, within ten (10) days after receiving such firm's written WDO report have repairs made in a workman like manner by an appropriately licensed person. Seller will pay costs of treatment and repair by appropriately licensed persons of all wood destroying organism report damage up to one percent (1.0%) of the purchase price. However, if such costs exceed the amount agreed to be paid by Seller, Seller must notify Purchaser in writing within ten (10) days after receiving a copy of the WDO report stating whether or not Seller will pay the excess costs for treatment or repairs. If Seller declines to pay the excess costs, Purchaser will have the option of (a) terminating this Agreement or (b) proceeding with this transaction, in which event Seller will bear costs equal to one percent (1.0%) of the purchase price. Seller is not obligated to treat the Property if there is evidence of previous infestation but no visible live infestation and Seller provides written proof to Purchaser of previous treatment of the Property for such infestation by a Florida certified pest control firm or transfers a current bond or service agreement for such infestation to Purchaser at closing. Purchaser will pay for any reinspection fees unless prohibited by law or regulation.

2. Possession. Seller represents that there are no parties in possession. Purchaser will be given possession at closing free and clear of all occupants and personal Property.

3. Personal Property: Included in the purchase price is all fixed equipment such as, but not limited to, attached lighting fixtures, fence, plants, and shrubbery, all as now installed on the Property, and these additional items: Non
_____
_____
_____
_____
_____.

(d) Termination. If, prior to 5:00 p.m. on the date of expiration of the Inspection Period, Purchaser is not satisfied with respect to the Property for any reason, in its sole and absolute discretion, and notifies Seller in writing (via e-mail, facsimile or otherwise) ("Notice of Termination"), then this Agreement shall be terminated whereupon the parties shall have no further liability or obligation hereunder.

(e) "AS IS". Purchaser acknowledges and agrees that, to the extent permitted by law, the Sale of the Property as provided for herein is made on an "AS IS" condition and basis with all faults as to the condition of the improvements on the property. Purchaser agrees that, except for Seller's representations and warranties set forth in this Agreement, Purchaser is relying solely upon Purchaser's own investigation of the Property.

4. **Title, Survey, Environmental Reports**.

(a.) Title Commitment. Within ten (10) days of the Effective Date, Purchaser, at Purchaser's expense, shall obtain a Title Insurance Commitment, from a Florida-licensed firm, undertaking to insure title to the Property, accompanied by one copy of all documents affecting the Property, and which shall set forth any exceptions to the Title Commitment. At least five (5) days prior to the Closing, Purchaser shall obtain an updated Commitment to the original Title Commitment for the Property which shall show no new matter not disclosed in the initial Title Commitment as approved by Purchaser. Purchaser shall give Seller written notice (the "**Title Notice**") prior to the expiration of the Inspection Period if Purchaser objects to any of the title exceptions. In the event Purchaser objects to any title exception(s), Purchaser shall state in the Title Notice which exception(s) set forth on the Title Commitment (or updated Commitment) are unacceptable and Seller shall use its best efforts to eliminate those exceptions; provided, however, that at the Closing all mortgages and any other liens that may be satisfied by the payment of money shall be satisfied of record by Seller. All title exceptions not timely objected to by Purchaser shall be deemed "**Permitted Exceptions**." Seller shall furnish good and marketable title to the Property, subject only to the Permitted Exceptions. Upon receipt of the Title Notice, Seller shall attempt to eliminate or modify all unacceptable matters to the satisfaction of Purchaser. Purchaser may, at any time, waive in writing its objection to title and accept title to the Property subject to the exceptions objected to by Purchaser. In the event Purchaser does not waive its objections (as set forth in the Title Notice) and if Seller is unable to remove the matters within thirty (30) days after receipt of the Title Notice, Purchaser may, at its option (i) accept title subject to the objections raised by Purchaser, in which event said objection(s) shall be deemed waived for all purposes, or (ii) rescind this Agreement, whereupon this Agreement shall terminate and the Deposit shall be retained by or returned to Purchaser. Purchaser shall elect one of the two options specified in the preceding sentence within five (5) business days after Purchaser receives notice from Seller that Seller is unable to remove such other exceptions objected to by Purchaser. At Closing, Seller shall obtain, an ALTA Form Owners Policy of Title Insurance, with Florida modifications, based on the Title Commitment. Such policy shall be in the amount of the Purchase Price for the Property and shall insure Purchaser fee simple title to the Property being purchased, subject only to the Permitted Exceptions.

(b.) Survey. Within forty-five (45) days after the Effective Date, Purchaser, at its expense, may, as it deems appropriate, obtain an accurate boundary survey of the Property showing all recorded easements on the Property, calculating the area of the Property in acres and including the surveyor's description of the Property. If the Survey shows any defects or matters unacceptable to Purchaser, including without limitation, any matter which would prevent the elimination of the survey exception from the Title Commitment, the same shall be treated as a title defect as provided in Section 4(a) above.

(c.) Environmental Audits. During the Inspection Period, Purchaser may, at its sole cost and expense, as it deems appropriate, obtain environmental audits for the Property prepared in accordance with ASTM Standards by an environmental engineer approved by Purchaser (the "Audits"). Purchaser's approval of such Audits is a condition

to the Closing, as provided in Section 6 below. The Audits shall be certified to Purchaser. If the Audits shows the presence of any Hazardous Waste (as defined in Section 15(h) below), notice to that effect shall be given to Seller prior to expiration of the Inspection Period. Seller shall have a period of sixty (60) days after receipt of such notice to use its best efforts to cure any such Hazardous Waste contamination. If Seller elects not to remove the Hazardous Waste contamination from the Property or is unable to cure such Hazardous Waste contamination within such sixty (60) day period, then Seller shall notify Purchaser in writing no later than three (3) business days after such sixty (60) day period and Purchaser may, at its option (i) waive objection to such Hazardous Waste contamination and proceed with the Closing or (ii) terminate this Agreement within five (5) days from receipt of such notice, whereupon the Purchaser shall be entitled to retain the Deposit, this Agreement shall terminate and both parties shall be relieved of any and all further obligations hereunder. Purchaser shall elect one of the two (2) options specified in the preceding sentence within five (5) business days after Purchaser receives written notice from Seller that Seller is unable to cure such Hazardous Waste contamination. In the event Purchaser fails to timely make such election, Purchaser shall be deemed to have elected to terminate this Agreement.

(d.) Zoning and Restrictions. If there is notice of proposed zoning changes or deed or other restrictions that could prevent such use at the time of closing, Purchaser will have the right to terminate this Agreement. Seller warrants and represents that there is ingress and egress to and from the Property sufficient for its current use. Purchaser will have ten (10) days after the date of acceptance of this Agreement to verify the existing zoning and current proposed changes and deliver written notice of objections to Seller or be deemed to have waived objections.

5. **Closing**. Subject to the conditions precedent stated in Section 6 below, the Closing shall be held at the office of Purchaser within Thirty (30) days following the expiration of the Inspection Period ("Closing" or "Closing Date"). The actual date and time of Closing shall be at a time mutually agreeable to both parties. Sole possession of the Property shall be delivered to Purchaser at the Closing.

6. **Conditions to Close**.

(a.) Purchaser's Conditions to Close. Purchaser's obligation to close this transaction is subject to satisfaction (or waiver by Purchaser), of the following conditions precedent:

(i.) Seller's representations and warranties set forth herein shall be true and correct on and as of the Closing Date with the same effect as if such representations and warranties were made on and as of Closing.

(ii.) Purchaser shall have approved the Title Commitment (or updated Title Commitment) described in Section 4(a) above and Title Company shall be prepared to issue a title policy to Purchaser with respect to the Property being purchased in the form of the Title Commitment approved pursuant to Section 4(a) above. Such approval shall include:

(iii.) Purchaser shall have approved the Survey described in Section 4(b) above and the Audits as described in Section 4(c) above.

(iv.) Purchaser shall have received an acceptable appraisal for the Property.

(v.) The City Commission of the City of Boynton Beach shall have approved the acquisition of the Property.

(b.) Seller's Conditions to Close. Seller's obligation to close this transaction is subject to satisfaction (or waiver by Seller), of the following conditions precedent:

(i.) Purchaser's representations and warranties set forth herein shall be true and correct on and as of the Closing Date with the same effect as if such representations and warranties were made on and as of Closing.

7. **Closing Costs and Adjustments**. At the Closing, the following items shall be borne, adjusted, prorated or assumed by or between Seller and Purchaser, as follows:

(a.) Adjustments and Prorations.

(i.) Real Estate Taxes. On or before the Closing Date, Seller shall establish an escrow fund with the Palm Beach County Tax Collector pursuant to Florida Statutes, Section 196.295, and shall pay into said escrow, Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing. The obligations set forth in this section shall survive the Closing.

(ii.) Special Assessments/Taxes. Seller shall pay all special assessments and taxes, interest and penalties levied against the Property prior to the Closing. Seller agrees to indemnify and hold Purchaser harmless from and against any and all liabilities, losses, charges, costs, expenses and damages incurred by Purchaser (including, but not limited to, attorneys' fees and court costs, including any appeal that may be filed) as a result of Seller's failure to pay any and all such special assessments and taxes, interest and penalties levied against the Property prior to the Closing. Seller's obligations under this section shall survive the Closing.

(b.) Closing Costs. At the Closing, all costs shall be payable as follows:

(i.) Seller shall pay for:

(1.) The cost of state documentary stamps which are required to be affixed to the Deed;

(2.) All fees and charges of Seller's attorneys, consultants, engineers, accountants, and other professionals and/or representatives;

(3.) The Owner's Title Insurance Commitment, updated Commitment and Policy and all related title searches and charges for the Property;

(4.) The cost of recording any corrective instruments that may be required in connection with perfecting the title established herein; and

(5.) All special taxes and assessments which became a lien on the Property prior to Closing.

(ii.) Purchaser shall pay for:

(1.) The balance of the Purchase Price in accordance with Section 2;

(2.) All fees and charges of Purchaser's attorneys, consultants, engineers, accountants, architects and other professionals and/or representatives;

(3.) The cost of recording the Deed;

(4.) The cost of the Survey; and

(5.) The cost of the Audits.

8. **Closing Documents**.

(a.) Seller's Documents at Closing. At the Closing, the Seller shall execute and deliver to Purchaser the following with respect to the Property:

(i.) Counterpart of Closing Statement;

(ii.) Statutory General Warranty Deed (the "Deed") for the Property;

(iii.) A Seller's affidavit in form and content as may be reasonably required by the Title Company to provide the "gap" coverage necessary to issue at Closing, an endorsement to the Title Commitment deleting the standard "gap" exception, the standard mechanic's lien exception and the standard parties in possession exception;

(iv.) Non-foreign affidavit evidencing that Purchaser shall not be liable for transfer liability under Section 1445 of the Internal Revenue Code, as amended;

(v.) Such corrective instruments as may be required to deliver good and marketable title, subject to the provisions of Section 4(a) hereof;

(vi.) Evidence that Seller is authorized to sell the Property;

(vii.) Bill of Sale for all personal property included in the conveyance;

(viii.) Any other documents reasonably necessary or advisable to consummate the transactions contemplated hereby.

(ix.) Seller's Disclosure of Beneficial Interests. A Seller's Disclosure of Beneficial Interests as required by Section 286.23, Florida Statutes, which accurately discloses the name and address of any person or entity having a 5% or greater beneficial interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to Purchaser, and in the same form as previously provided to Purchaser as set forth in **Exhibit B**.

(b.) Purchaser's Documents at Closing. At the Closing, Purchaser shall execute or cause to be executed by the appropriate persons and/or deliver to Seller the following:

(i.) Counterpart of Closing Statement;

(ii.) Any other documents necessary or advisable to consummate the transaction contemplated hereby; and

9. **Escrow Agent**.

(a) Designation of Agent. The Escrow Agent shall be:

Florida Direct Title
930 N. Congress Ave, Suite 220
Boynton Beach, FL 33436

Email: closings@fldirecttitle.com

(b) Escrow Obligations of Escrow Agent. Escrow Agent undertakes hereunder to perform only such duties as are expressly set forth herein and no implied duties or obligations will be inferred against escrow agent. The deposit will be held and disbursed by Escrow Agent as follows:

(i) Escrow Agent may (i) act in reliance upon any writing or instrument or signature which it, in good faith, believes to be genuine, (ii) assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and (iii) assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so.

(ii) Subject to the limitations of Purchaser's liability contained in Section 768.28, Florida Statutes, Seller and Purchaser shall jointly indemnify and hold harmless Escrow Agent from and against any and all claims, liabilities, losses, actions, suits or proceedings at law or in equity, or any other expenses, fees or charges of any character or nature whatsoever, which Escrow Agent may incur or with which it may be threatened solely by reason of its acting as Escrow Agent hereunder, except to the extent resulting from Escrow Agent's gross negligence, fraud, or intentional misconduct; and in connection therewith, to indemnify Escrow Agent against any and all expenses, including reasonable attorneys' fees and the cost of defending any action, suit or proceedings or resisting any claim (including, without limitation, fees for services rendered by Escrow Agent's constituent attorneys and paralegals); provided, however, that if such expenses are incurred by Escrow Agent in connection with litigation between Seller and Purchaser, the responsibility for indemnifying Escrow Agent for such expenses will belong solely to the non-prevailing party. If Purchaser is required to indemnify Escrow Agent pursuant to this Agreement, the limitations on tort liability under section 768.28, Florida Statutes, shall be the applicable limitations for Purchaser's indemnification obligations under this Agreement, regardless of the nature or basis of the claim asserted.

(iii) Escrow Agent will not make any disbursement of the Deposit (except at closing) without giving written notice to the party which will not receive the disbursement at least five (5) business days in advance of the disbursement. The failure of the party not receiving the disbursement to object to the disbursement by written notice to the other party and to the escrow agent within three (3) business days after receipt of Escrow Agent's notice of disbursement will constitute binding acquiescence of such party to the disbursement. If there is any disagreement about the interpretation of this agreement, or about the rights and obligations, or the propriety, of any action contemplated by escrow agent hereunder, Escrow Agent may file an action in interpleader to resolve such disagreement. Escrow Agent will be indemnified (by Seller or Purchaser, whichever is the non-prevailing party) as set forth in

the foregoing subsection (b) in connection with such interpleader action, and will be fully protected in suspending all or a part of its activities under this agreement until a final judgment in the interpleader action is received.

(iv) Escrow Agent may consult with counsel of its own choice and will have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. Escrow Agent otherwise will not be liable for any mistakes of fact or error of judgment, or for any acts or omissions of any kind unless caused by its willful misconduct or gross negligence.

(v) Escrow Agent may resign upon 15 days' written notice to Seller and Purchaser, and if a successor escrow agent is not appointed within such 15-day period, Escrow Agent may petition a court of competent jurisdiction to name a successor.

10. **Default**.

(a.) Seller's Default, Purchaser's Remedies. If any of Seller's representations and warranties contained herein shall not be materially true and correct, or if Seller shall have failed to perform in any material respect any of the covenants and agreements contained herein to be performed by Seller within the time for performance as specified herein (including Seller's obligation to consummate the transactions contemplated hereby), Purchaser as and for its sole and exclusive remedies, shall be entitled to either (i) elect to terminate this Agreement, in which event the Deposit will be promptly returned to Purchaser and this Agreement will be null and void and the parties hereto will have no further rights or obligations hereunder except with respect to the matters that expressly survive termination hereof, (ii) elect to waive any such conditions or defaults and consummate the transactions contemplated by this Agreement in the same manner as if there had been no conditions or defaults; or (iii) file an action for specific performance of this Agreement to compel the Seller to close this transaction in accordance with the terms hereof.

(b.) Purchaser's Default, Seller's Remedies. If any of Purchaser's representations and warranties contained herein shall not be materially true and correct, or if Purchaser shall fail to close in violation of this Agreement for reasons not caused by Seller, then Seller as and for its sole and exclusive remedy, shall be entitled to receive One Thousand Dollars ($1,000.00) as agreed upon liquidated damages for withholding the Property from the market and for expenses incurred and not as a penalty or forfeiture, actual damages being difficult or impossible to measure, whereupon the parties shall be relieved of any further obligation or liability hereunder. Seller and Purchaser understand that the remedy of liquidated damages is a proper and mutually acceptable negotiated remedy for the parties due to the fact that the damages suffered by Seller are not ascertainable at the time of execution of this Agreement and that such remedy takes into account the peculiar expenses and risks assumed by each party.

(c.) Limitation of Purchaser's Liability. Purchaser desires to enter into this Agreement only if in so doing Purchaser can place a limit on Purchaser's liability for any cause of action for money damages due to an alleged breach by Purchaser of this Agreement, so that its liability never exceeds the sum of $1,000. Seller hereby expresses its willingness to enter into this Agreement with this limitation on recovery for any damage action for breach of contract. Accordingly, Seller hereby agrees that Purchaser shall not be liable to Seller for damages in an amount in excess of $1,000 for any action for breach of contract arising out of the performance or nonperformance of any obligations imposed upon the Purchaser by this Agreement. Nothing contained in this subparagraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon Purchaser's liability as set forth in Section 768.28, Florida Statutes.

(d.) Except as otherwise expressly provided herein, neither party shall claim or be entitled to damages of any nature whatsoever.

11. Brokerage. Purchaser represents to Seller that Purchaser has not engaged any broker, finder or other agent in regard to this Agreement. Seller represents to Purchaser that Seller has not engaged any broker, finder or other agent in regard to this Agreement. Seller hereby indemnifies Purchaser and holds Purchaser harmless against all liability, loss, cost, damage and expense (including, but not limited to, attorneys' fees and court costs, including any appeal that may be filed) which Purchaser shall ever suffer or incur because of any claim by any broker, finder, or other agent, other than Broker, whether or not meritorious, for any fee, commission or other compensation with respect hereto resulting from the acts of Seller.

12. Condemnation. In the event of any condemnation or eminent domain proceedings for any public or quasi-public purposes at any time prior to the Closing, resulting in a taking of any material portion of the Property (prior to Closing thereon), Purchaser shall have the option to be exercised within ten (10) business days from being advised of such proceedings (i) to cancel this Agreement and the parties shall thereupon be relieved of any and all further responsibility hereunder and neither party shall have any further obligation or liability to the other; or (ii) to close the transaction contemplated by this Agreement, in which event the Purchase Price shall not be reduced, provided, however, that Seller shall assign any applicable condemnation or eminent domain award to Purchaser. The terms and provisions of this Section shall survive the Closing.

13. **Risk of Loss**.

(a.) In the event of damage or destruction of the Property or any portion thereof prior to the Closing in an amount not exceeding Ten Thousand Dollars ($10,000.00) (as reasonably determined by an independent party mutually acceptable to Purchaser and Seller), Purchaser and Seller shall consummate the sale of the Property pursuant to this Agreement, provided that, at Purchasers sole option, Seller shall (i) assign to Purchaser its right under any insurance policy covering such damage or destruction and the amount payable to Purchaser shall be credited against the Purchase Price, or (ii) Seller shall reduce the Purchase Price by an amount equal to the amount of the damage or destruction and retain all rights to any insurance proceeds.

(b.) In the event of damage or destruction of the Property or any portion thereof prior to the Closing in an amount in excess of Ten Thousand Dollars ($10,000.00) (as reasonably determined by an independent party mutually acceptable to Purchaser and Seller), Purchaser may elect either of the following:

(i.) to terminate this Agreement upon written notice to Seller with the same effect as if terminated under Section 3(d) above; or

(ii.) to consummate this Agreement, in which event Seller shall (a) assign to Purchaser its right under any insurance policy covering such damage or destruction and the amount payable to Purchaser shall be credited against the Purchase Price, or (b) Seller shall reduce the Purchase Price by an amount equal to the amount of the damage or destruction and retain all rights to any insurance proceeds.

14. **Notices**. Whenever any notice, demand, consent, delivery or request is required or permitted hereunder, it shall be in writing and shall be deemed to have been properly given or served (a) when delivered in fact to the proper party, or (b) when deposited in the United States mail, with adequate postage prepaid and sent by registered or certified mail with return receipt requested, or (c) delivered to Federal Express or other comparable overnight courier, or (d) sent by facsimile transmission or electronic mail with a copy mailed by U.S. first class mail, postage prepaid to the addresses set forth below or at such other addresses as are specified by written

notice so given in accordance herewith. All notices and requests required or authorized hereunder shall be delivered as aforesaid to the respective parties hereto as follows:

TO PURCHASER:	City of Boynton Beach 100 East Ocean Avenue Boynton Beach, FL 33435 Attention: Manager, Real Estate and Special Projects Email: mootzg@bbfl.us
WITH COPY TO:	City Attorney 100 East Ocean Avenue Boynton Beach, FL 33435 Email: CityAttorney@bbfl.us
TO SELLER:	_____ Presbytery of Tropical Florida Attn: Rev. Dr. Bultena Email: dbultena@tfpby.org
WITH COPY TO:	First Presbyterian Church of Boynton Beach, FL Email: _fpcboynton@aol.com

It is expressly understood and agreed to between the parties that counsel for the Purchaser and Seller are authorized to give notice on behalf of their respective clients.

15. **Seller's Representations and Warranties**. As inducement for Purchaser to enter into this Agreement, and in addition to the warranties contained in the Deed and other documents of conveyance, Seller hereby represents and warrants to Purchaser that the following statements are true and correct and Purchaser's obligation to close shall be conditioned on the same being true as of the Closing Date:

(a.) Litigation. To the best of Seller's knowledge, there are no known pending legal actions, suits, or administrative proceedings affecting the Property or any portion thereof, nor have any such proceedings been contemplated or threatened.

(b.) Duly Empowered. Seller has all requisite power and authority to execute, deliver and perform this Agreement and each of the documents executed and delivered by Seller. This Agreement is a valid and binding obligation of Seller, enforceable against Seller in accordance with its terms.

(c.) Duly Authorized. The execution, delivery and performance of this Agreement by Seller has been duly and validly authorized by all necessary action on the part of Seller and all required consents and approvals have been duly obtained.

(d.) Consents. The execution by Seller of this Agreement and the consummation by Seller of the transaction contemplated hereunder will not violate or result in a breach of or constitute a default under any provision of any contract, lien, instrument, order, judgment, decree, ordinance, regulation or other restriction of any kind to which Seller or the Property is or may be bound or affected.

(e.) Property Data. To the best of Seller's knowledge, all Property Data delivered by Seller to Purchaser is accurate and complete in all material respects.

(f.) Notice of Violations. Seller has received notice of, and there is no violation of, any law, regulation, ordinance, order, restrictive covenant, or other requirement affecting the Property.

(g.) Unrecorded Encumbrances. Seller has no knowledge of any unrecorded easements, restrictions or encumbrances affecting all or any part of the Property.

(h.) Hazardous Waste. To the best of Seller's knowledge, there is not located in, on, upon, over or under the Property any chemical, material or substance, exposure to which is prohibited, limited or regulated by any federal, state, county, regional or local authority or which, even if not so regulated, is known to pose a hazard to the health and safety of any persons that now or may hereafter occupy the Property (hereinafter sometimes collectively called "**Hazardous Waste**"). Seller has received no notice or otherwise been informed that Hazardous Waste may exist on the Property or on adjoining or nearby property.

(i.) Ingress and Egress. There are rights of ingress and egress for vehicular and pedestrian traffic to and from the Property. To the extent the requisite ingress and egress passes through adjoining land, it must do so in accordance with valid public easements or valid private easements which constitute part of the Property and which will inure to the benefit of Purchaser and be conveyed to Purchaser at the Closing.

(j.) Bankruptcy. There are no attachments, executions, assignments for the benefit of creditors, receiverships, conservatorships or voluntary or involuntary proceedings in bankruptcy or pursuant to any other debtor relief laws contemplated or filed by Seller or pending against Seller or the Property.

(k.) Pending Contracts. There are no contracts or other obligations outstanding for the sale, lease, license, exchange or other transfer of the Property or any portion thereof.

(l.) Title to Property. Seller owns good and marketable fee simple title to the Property and has the right to convey title to the Property to Purchaser. As a condition to Closing, title to the Property will be free and clear of all restrictions, liens, encumbrances, easements and exceptions, UCC financing statements and security interests of every kind and character, except for the Permitted Exceptions.

(m.) Parties in Possession. There are no parties in possession of any portion of the Property as lessees, licensees, tenants at sufferance, trespassers or otherwise. No other person has any right, claim or interest in the Property or any portion thereof, arising out of adverse possession or prescriptive rights.

(n.) Proffers. Seller has not made any commitments to any governmental or quasi-governmental authority or agency, utility company, school board, church, or other religious body, or to any other organization, group or individual, relating to the Property, that would impose on the Purchaser the obligation to make any contributions of money, dedications of land, or grants of easements or rights of way, or to construct, install or maintain any improvements, public or private, on the Property.

Seller agrees to indemnify and hold the Purchaser harmless from any loss or damage suffered by the Purchaser on account of the untruth or incorrectness of any such representations and warranties. All of Seller's representations and warranties shall survive any inspection or investigation made by or on behalf of Purchaser and shall survive for one year after the Closing.

16. **Purchaser's Representations and Warranties**. Purchaser represents and warrants to Seller that the following statements are true and correct and Seller's obligation to close shall be conditioned on the same being true as of the Closing Date:

(a.) Duly Empowered. Purchaser has all requisite power and authority to execute, deliver and perform this Agreement and each of the documents executed and

delivered by Purchaser. This Agreement is a valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms.

(b.) Duly Authorized. The execution and delivery and performance of this Agreement by Purchaser has been duly and validly authorized by all necessary action on the part of Purchaser and all required consents and approvals have been obtained.

(c.) Consents. The execution by Purchaser of this Agreement and the consummation by Purchaser of the transactions contemplated hereunder will not violate or result in a breach of or constitute a default under any provision of any contract, lien, instrument, order, judgment, ordinance, regulation or other restriction of any kind to which Purchaser or the Property is or may be bound or affected.

17. **Further Assurances**. In addition to the foregoing, the parties hereto, at the time and from time to time at or after Closing, upon request of Purchaser or of the Seller, as the case may be, agree to do, execute, acknowledge and deliver all such further deeds, assignments, transfers, conveyances, authorizations, filings, consents and assurances, as may be reasonably required for: (a) the better assigning, transferring, granting, conveying, assuring and confirming unto the Purchaser all of the applicable Seller's right, title and interest in and to the Property to be conveyed hereunder; and (b) the effective consummation of any other transactions referred to in this Agreement.

18. **Inspector General and Public Records**. Seller represents that:

17.1 **Inspector General**. Seller is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of this Agreement, and may demand and obtain records and testimony from the Seller and its agents. Seller understands and agrees that in addition to all other remedies and consequences provided by law, the failure of Seller or its agents to fully cooperate with the Inspector General when requested may be deemed by the Purchaser to be a material breach of this Agreement justifying its termination and a return of any deposit made by Purchaser.

17.2 **Public Records**. Seller shall comply with Chapter 119, Florida Statutes, regarding public records. Seller shall keep and maintain all documents, records, correspondence, computer files, emails, and/or reports prepared in relation to this Agreement. A request to inspect or copy public records relating to this Agreement must be made directly to the Purchaser. If the Purchaser does not possess the requested records, the Purchaser shall immediately notify the Seller of the request, and the Seller shall provide the records to the Purchaser or allow the records to be inspected or copied within a reasonable time at the cost that would not exceed the cost allowed by law. All records stored electronically must be provided to the Purchaser, upon request, in a format that is compatible with the information technology systems of the Purchaser. Upon completion of the Agreement, Seller shall transfer, at no cost, to the Purchaser all public records in possession of Seller or Seller shall keep and maintain all public records. If Seller keeps and maintains public records after closing, the Seller shall meet all applicable requirements for retaining public records. If Seller transfers all public records to the Purchaser upon completion of the Agreement, the Seller shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Seller shall ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed. Records that are exempt or confidential and exempt from public records disclosure requirements may include plans, drawings and records related to the physical security of Purchaser buildings or security systems and shall not be disclosed by Seller, except as authorized by law and specifically authorized by Purchaser. If Seller does not transfer the records to the Purchaser after closing, Seller shall ensure that exempt and confidential records are not disclosed. If Seller transfers all public records to the Purchaser after closing, the Seller shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Failure of the Seller to provide public records to the Purchaser within a reasonable time or allowable cost may be subject to penalties under Sec. 119.10, Florida Statutes, and may be cause for termination of the

Agreement by the Purchaser and a return of the deposit in addition to any other remedies available under the Agreement or by law.

IF THE SELLER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE SELLER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PURCHASER CLERK, WHO IS THE PURCHASER'S CUSTODIAN OF PUBLIC RECORDS, AT:

Office of the City Clerk
City of Boynton Beach
100 East Ocean Avenue
Boynton Beach, FL 33435
561-742-6061
CityClerk@bbfl.us

19. **Sovereign Immunity**. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by Purchaser nor shall anything included herein be construed as consent by Purchaser to be sued by third parties in any matter arising out of this Agreement.

20. **Captions and Headings**. Captions and Article headings contained in this Agreement are for convenience and reference only and in no way define, describe, extend or limit the scope or intent of this Agreement nor the intent of any provision hereof.

21. **No Waiver**. No waiver of any provision of this Agreement shall be effective unless it is in writing, signed by the party against whom it is asserted and any such written waiver shall only be applicable to the specific instance to which it related and shall not be deemed to be a continuing or future waiver.

22. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same agreement.

23. **Assignment**. This Agreement may not be assigned by either party without the prior written consent of the other party, which may be granted or withheld at such other party's sole and absolute discretion. Any attempted assignment, mortgage, pledge, encumbrance or subletting without such consent shall be null and void, without legal effect and shall constitute a breach of this Agreement. This provision shall be construed to include a prohibition against any assignment, by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

24. **Binding Effect**. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective heirs, personal representatives, successors and assigns.

25. **Governing Law**. This Agreement shall be construed and interpreted according to the laws of the State of Florida.

26. **Gender**. All terms and words used in this Agreement, regardless of the number and gender in which used, shall be deemed to include any other gender or number as the context or the use thereof may require.

27. **Interpretation**. This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by counsel for one of the parties, it being recognized that Seller and Purchaser have contributed substantially and materially to the preparation of this Agreement. Wherever used in this Agreement, "any" means "any and all"; and "including" each are without limitation; "indemnify" that the indemnitor will defend,

indemnify and hold the indemnitee harmless against any claims, demands, losses or liabilities asserted against or incurred by the indemnitee to any third party because of the subject matter of the indemnity; "may not" and other negative forms of the verb "may" each are prohibitory; and "will", "must" and "should" each are mandatory. Unless this Agreement expressly or necessarily requires otherwise (i) any time period measured in "days" means consecutive calendar days, except that the expiration of any time period measured in days that expires on a Saturday, Sunday or legal holiday automatically will be extended to the next day so that it is not a Saturday, Sunday or legal holiday; (ii) any action is at the sole expense of the party required to take it; (iii) the scope of the indemnity includes any costs and expenses, including reasonable attorneys' fees through all levels of proceedings incurred in defending any indemnified claim, or in enforcing the indemnity, or both.

28. **Entire Agreement**. This Agreement and the exhibits attached hereto contain the entire agreement between the parties. There are no promises, agreements, conditions, undertaking, warranties or representations, oral or written, express or implied between the parties other than as herein set forth. No amendment or modification of this Agreement shall be valid unless the same is in writing and signed by the parties hereto. No waiver of any of the provisions of this Agreement or any other agreement referred to herein shall be valid unless in writing and signed by the party against whom enforcement is sought.

29. **Time of the Essence**. Time is of the essence in respect to this Agreement.

30. **Venue**. Purchaser and Seller agree that the venue for any legal matters arising out of or in connection with this Agreement shall exclusively in the courts of Palm Beach County, Florida.

31. **Attorneys' Fees**. In connection with any litigation including appellate proceedings arising out of this Agreement, the prevailing party shall be entitled to recover from the losing party its reasonable attorneys' fees and costs incurred in enforcing its rights and remedies hereunder, including costs of collection prior to instigating litigation.

32. **Waiver of Jury Trial**. Purchaser and Seller waive the right to a trial by jury in any action or proceeding based upon, or related to, the subject matter of this agreement. This waiver is knowingly, intentionally, and voluntarily made by each party and each party expressly acknowledges that neither the other party nor any person acting on behalf of the other party has made any representations of fact to include this waiver of trial by jury or in any way to modify or nullify its effect. Each party acknowledges to the other that it has read and understands the meaning and effect of this waiver provision.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement, as of the date set forth below.

City Commission Minutes- January 7, 2025.docx

Summary of Actions of the City Commission Meeting
Held Online Via the GoToWebinar Platform and
In-Person at the City Hall Commission Chambers
100 East Ocean Avenue, Boynton Beach, Florida
On Tuesday, January 7, 2025, at 6:00 P.M.

Present:

Mayor Ty Penserga
Vice Mayor Aimee Kelley
Commissioner Angela Cruz
Commissioner Woodrow L. Hay
Commissioner Thomas Turkin

Daniel Dugger, City Manager
Shawna Lamb, City Attorney
Maylee De Jesús, City Clerk

1. Agenda Items

A. Call to Order –Mayor Ty Penserga

Mayor Penserga called the meeting to order at 6:03 P.M.

Roll Call

City Clerk Maylee De Jesús called the roll.

Invocation by Commissioner Woodrow Hay

Pledge of Allegiance to the Flag led by Vice Mayor Kelley

B. Agenda Approval:

1. Additions, Deletions, Corrections

Commissioner Turkin asked to table items 10B and 10D.

Commissioner Cruz asked to table item 10F, because she wanted to obtain feedback.

Commissioner Turkin asked for no changes to the fees until there is a discussion.

City Manager Dugger spoke about what was passed and the discussion that they had at the Agenda Review.

Commissioner Turkin asked to have the change fees stopped.

City Attorney Lamb stated that if there is consensus, then they can stop the implementation of the fees and then discussion will return to the Board.

Mayor Penserga explained that it will be for the pickleball courts and the pool, and the item will come back at the next meeting.

2. Adoption

Motion:
Commissioner Cruz moved to table items 10B, 10D, and 10F. Commissioner Turkin seconded the motion. The motion passed unanimously.

Motion:
Commissioner Turkin moved to approve the agenda, as amended. Commissioner Cruz seconded the motion. The motion passed unanimously.

2. Other

A. Informational items by the Members of the City Commission.

Commissioner Hay stated that First Friday was great again, but there wasn't a large crowd, like normal.

Vice Mayor Kelley wished everyone a Happy New Year. She gave a shout out to City Clerk De Jesús and the City Staff. She mentioned that there were 205 families that were helped with the Holiday Dinner Baskets this year. She mentioned that the extra food is now at the Police Department, in a small food pantry.

Mayor Penserga thanked Vice Mayor Kelley for taking the lead on this.

Commissioner Cruz thanked City Clerk De Jesús as well, and she stated that there were a few families in her district that received help. She stated that she had disclosures.

3. Announcements, Community and Special Events and Presentations

A. Proclamation recognizing the Boynton Bulldogs Football and Cheerleading Teams.

Mayor Penserga read the proclamation into the record.

Pernell Davis thanked Commissioner Hay for his efforts, and the City for their blessings. He thanked the parents for being diligent and taking pride in their program, and to the Board for their behind the scenes work.

Commissioner Hay stated that what they just saw was a lot of talent, because no other City can say that they have two high school trophy winners. He said that we should market this and show it off, and that any of these kids could be the next Heisman Trophy Winner.

4. Public Comments on Consent Agenda Items

Public Comments on Consent Agenda Items: Any citizen may be heard concerning any matter on the Consent Agenda. Speakers will be limited to 3-minute presentations (at the discretion of the Chair, this 3-minute allowance may need to be adjusted depending on the level of business coming before the City Commission).

Mack McCray said Happy New Year. He mentioned that we are preparing for an election and said that the candidate running for District 3 would have his vote, if he could vote on it. He spoke about the Sanitation Department and stated that we are cleaning the place up, and to keep doing what we're doing.

Susan Oyer said Happy New Year. She mentioned that she is here to request that the Andrews House be moved to the Magnusen House area, because there is plenty of space. She commented that there was a developer that said they would help pay for the move, and suggested we reach out to obtain sponsors and donations. She asked to have a Historic Preservation Planner rehired, because we were doing amazing things, and it has dropped.

Charles Hunt stated that he hopes that the problems at Rolling Green are being taken under consideration. He mentioned the fines that are accumulating and are becoming liens. He asked that the charges against the Rolling Green homes over the last two years be removed.

Cindy Falco De Corrado said Happy New Year. She asked about the $40M that was allegedly stolen in a land deal that should be returned to the City taxpayers. She spoke about the former Human Resources Decoste investigation and said that she should pay the money back. She mentioned that she was "accosted" in the City Chambers, and asked if this is a criminal enterprise because people are getting away with crimes in the City. She said that her trash was not picked up, and that there are three drug addict homes for women near her.

Renstein Jean Baptist stated that his home was struck with five bullets yesterday. He mentioned that there was a camera put in front of the house, but that it does not ensure safety for the neighborhood. He spoke about affordable housing on 1st Street and asked how are they going to sell the houses, if there are shootings happening, and mentioned what he has done to try to get this situation fixed.

Wesley Shuler asked if anyone conducted an outreach job fair for the new property development on 4th Street. He mentioned that there were no minorities or business from the community used for the last project that was built. He asked if there is anything in the clause that tries to keep the business local in Boynton, and then the county.

Tory Orr stated that he is here to speak about the new property development that is going in on 4th Street, because they would like job opportunities to work on these projects.

Steve Antoine stated that he is here as part of the Save the Andrews House effort. He mentioned that there is $3.72B in Heritage Tourism in Florida, and it is money that we are missing. He said that if we get something that captures people's attention for four hours, the City could make a lot of money, if people come to visit.

Barbara Ready stated that the Historic Preservation Resources Board has been trying to make the Andrews House a Historic Property for years. She said that the City should have ownership of this property. She invited everyone out this Saturday for the Annual Free Highwayman Art Show.

Mark Karageorge asked for a community benefit agreement to hold developers to the fire, to hire local people for work. He said that there should be verification through the tax roll.

Flynn Holland applauded the City for their great events. She mentioned the teams of people cleaning the sidewalks on Seacrest, and stated that they are cracked and dangerous, and the hedges are high. She commented that she has not seen Code Enforcement around, and people are renovating without permits. She spoke about saving the Andrews House.

Mariam Naranjo from the Schoolhouse Children's Museum thanked the City for their partnership and spoke about the Museum's engagement with the community. She mentioned that they are serving the community and the schools throughout the school year, and an upcoming event that they are having.

Mike Fitzpatrick spoke about moving the Andrews House to the Magnusen House property. He spoke about Global Warming and UV Exposure protection. He stated that he reviewed the demolition permit for the Andrews House and that there are no reporting requirements for the refrigerants at the property.

Ginger Pedersen stated that she is here to support saving the Andrews House and moving it to the Magnuson House area to create a zone. She mentioned the McDougal House in another municipality that was renovated and is now a place that is rented out for parties.

Edgar Burton stated that he is dedicating his birthday to a community outreach event and invited the Commission to come out on January 19th at Sara Sims. He mentioned that he has a lot of events going on and would like to see the community grow.

Commissioner Turkin asked for an update on the task order for the Seacrest Boulevard project

Andrew Mack, Deputy City Manager, gave an update for this project.

5. Administrative

6. Consent Agenda

A. Schoolhouse Children's Museum Quarterly Reports for 2nd and 3rd Quarter FY2023-2024.

B. Proposed Resolution No. R25-001- Accepting the 2024 Edward Byrne Memorial Justice Assistance Grant (JAG) for $42,408 and authorizing the Mayor to execute the grant agreement and all ancillary documents necessary to effectuate the intent of this resolution, subject to the approval of the City Attorney.

C. Proposed Resolution No. R25-002- Approve a Piggyback Agreement between the City and Line-Tec, Inc. for Maintenance of Water Service Connections and Restoration with an annual expenditure not to exceed $90,000 for the duration of the contract.

D. Proposed Resolution No. R25-003- Approve Task Order No. CRSUTL-01-2025 with Lori Lehr, Inc. in the amount of $99,050 in accordance with RFQ No. UTL23-001, Community Rating System (CRS) and Climate Resilience Planning Professional Support Services, for tasks associated with the Community Rating System 2025 annual recertification and Class 4 Verification Support.

E. Proposed Resolution No. R25-004- Correcting a scrivener's error on Resolution No. R24-297 related to the ID number of the units to be replaced for the Police Department.

F. Proposed Resolution No. R25-005- Approve a Facility Use Agreement between the City of Boynton Beach and Spotlight Stars School of the Arts, to provide S.T.E.A.M, Neuro-Arts, Mindfulness, and Japanese immersion programs to youth.

G. Proposed Resolution No. R25-006- Approve Grant Agreements between the City and A Custom Build, LLC; Daybreak Mortgage, LLC; Logo Legend, LLC; Medwear Uniforms West; Inc.; Rothman Health Solutions; Tranquility

Psychiatry, LLC; Universal Coaching Services, LLC; Zealia, LLC; Bedrock Counseling, LLC; and Palms Birth House, LLC for the Small Business Marketing Grant Program for an amount not to exceed $2,500 per Grantee.

H. Proposed Resolution No. R25-007- Approve Grant Agreements between the City and Casa Linda Restaurante, Fully Promoted Boynton Beach, J&I Optical, All Pro Rehab and Performance Center, Keisha Cakes, and Intention Enterprises LLC for the Small Business Support Grant program for an amount not to exceed $5,000, and Approve Grant Agreements between the City and Basic Pool Supplies, Copperpoint Brewing Company, El Atico, International M20, Joey's Home Bakery, Lux Salon, Keisha Cakes, Intention Enterprises, and The Bay Coaching for the Small Business Support Grant program for an amount not to exceed $10,000.

I. Proposed Resolution No. R25-008- Award Request for Qualifications No. CS24-053 for Citywide Painting and Coating Services to All Counties Painting, LLC, RMJ Maintenance Corp., MAV Paint Contractors, Inc., and Thousand and One Painting, as primary vendors, and Mario's Painting and Services, Inc., and FIVE12 Painting & Remodeling as alternate vendors for three years with the option to renew for two additional one-year periods. Projects will be initiated by the issuance of an informal solicitation or task order.

J. Proposed Resolution No. R25-009- Approve a six-month limited term extension amendment for RFQ No. 038-2821-19/TP Supervisory Control and Data (SCADA) System Programming, Preventative Maintenance, and Repair Services with McKim & Creed, Inc. and Star Controls, Inc. not to exceed $100,000 for each vendor.

K. Proposed Resolution No. R25-010- Approve the Client Engagement Letter between Urban Land Institute's Southeast Florida and Caribbean District Council (ULI SEFL) and the City of Boynton Beach.

L. Proposed Resolution No. R25-011- Approve and authorize the Mayor to sign an agreement between the City of Boynton Beach and Alpha 1, LLC, for temporary staffing services, for an initial term of three (3) years with two (2) additional one-year renewal term, for an annual expenditure not to exceed $120,000.

M. Proposed Resolution No. R25-012- Approve and authorize the City of Boynton Beach's participation in the FPL SolarTogether Program by subscribing to 2.6 MW of annual solar energy consumption, effective February 1, 2025.

N. Commission Meeting Minutes.

Commissioner Cruz pulled items 6G and 6H.

Motion:
Vice Mayor Kelley moved to approve the Consent Agenda, as amended. Commissioner Cruz seconded the motion. The motion passed unanimously.

> **6G.** Proposed Resolution No. R25-006- Approve Grant Agreements between the City and A Custom Build, LLC; Daybreak Mortgage, LLC; Logo Legend, LLC; Medwear Uniforms West; Inc.; Rothman Health Solutions; Tranquility Psychiatry, LLC; Universal Coaching Services, LLC; Zealia, LLC; Bedrock Counseling, LLC; and Palms Birth House, LLC for the Small Business Marketing Grant Program for an amount not to exceed $2,500 per Grantee.

Gigi Chazu, Division Director of Economic Development, spoke about the small business grants. She mentioned implementing a ranking process for all of the applicants and their impact on the community. She mentioned the grants that were awarded and the amounts.

Commissioner Cruz asked how many applicants did not receive grant funding.

Ms. Chazu spoke about how many applicants they had and said that two were outside of Boynton Beach.

Commissioner Cruz stated that there are a lot of businesses that are struggling, and we should be helping more businesses. She requested further opportunities to expand the grant program.

Ms. Chazu responded that she could work with the City to find more funds.

Commissioner Cruz stated that she did not realize the rent could increase mid year, and thought it was only an annual thing.

Amanda Radigan, Director, Planning and Development, stated that one of the ways they have tried to obtain more funding is by applying for Community Development Block Grant (CDBG) funding, and they will be applying again soon.

Commissioner Cruz stated that if there is an opportunity to get more funds sooner, staff should try.

Commissioner Turkin thanked staff for adding the impact requirement into the application process. He mentioned supporting further funds to help more businesses.

Adam Temple, Assistant City Manager, stated that they will try to find funds to help small businesses.

Vice Mayor Kelley praised Ms. Chazu for hitting the ground running and bringing in a lot of great programs to the City to help small businesses.

Motion:
Commissioner Cruz moved to approve Proposed Resolution No. R25-006. Vice Mayor Kelley seconded the motion. The motion passed unanimously.

6H. Proposed Resolution No. R25-007- Approve Grant Agreements between the City and Casa Linda Restaurante, Fully Promoted Boynton Beach, J&I Optical, All Pro Rehab and Performance Center, Keisha Cakes, and Intention Enterprises LLC for the Small Business Support Grant program for an amount not to exceed $5,000, and Approve Grant Agreements between the City and Basic Pool Supplies, Copperpoint Brewing Company, El Atico, International M20, Joey's Home Bakery, Lux Salon, Keisha Cakes, Intention Enterprises, and The Bay Coaching for the Small Business Support Grant program for an amount not to exceed $10,000.

Motion:
Commissioner Cruz moved to approve Proposed Resolution No. R25-007. Commissioner Turkin seconded the motion. The motion passed unanimously.

7. Consent Bids and Purchases over $100,000

A. Proposed Resolution No. R25-013- Approve Task Order No. GESUT-1B-01-25 with CDM Smith, Inc. for design services, engineering services, and project management services for the I-95 and Boynton Beach Boulevard Interchange Utility Relocation; associated with FDOT Project No. 435804-1-52-01 in the amount of $891,260. Additionally, approve a budget transfer to allocate sufficient funding for this project.

B. Proposed Resolution No. R25-014- Award Invitation to Bid No. CW24-064 for Janitorial Services for City Municipal Buildings, Facilities, and Utilities Buildings to Clean Space, Inc. and allow the mayor to enter into an agreement between the City and Clean Space, Inc. with an annual expenditure not to exceed $400,000 until January 7, 2027.

C. Proposed Resolution No. R25-015- Approve Amendment No.1 to Task Order UT-4B-03 with CDM Smith, Inc. in the amount of $62,518.91 for a new total contract amount of $325,323.46 for professional engineering services required for the design, permitting, and construction services for the City's Lift Station Nos. 410 & 414 Force Main Extensions Project.

D. Proposed Resolution No. R25-016- Approve Amendment No. 2 to the Progressive Design-Build Agreement with PCL Construction, Inc. (RFQ #013-2821-21/TP) for the design and construction services associated with the Master Lift Station 317 Upgrade Project; establishing the Guaranteed Maximum Price and providing for an increase in the contract amount by $9,970,393, resulting in a revised total contract amount of $10,521,878.

Commissioner Turkin pulled item 7D, for discussion.

Motion:
Commissioner Cruz moved to approve the Consent Bids and Purchases over $100,000. Commissioner Hay seconded the motion. The motion passed unanimously.

7D. Proposed Resolution No. R25-016- Approve Amendment No. 2 to the Progressive Design-Build Agreement with PCL Construction, Inc. (RFQ #013-2821-21/TP) for the design and construction services associated with the Master Lift Station 317 Upgrade Project; establishing the Guaranteed Maximum Price and providing for an increase in the contract amount by $9,970,393, resulting in a revised total contract amount of $10,521,878.

Poonam Kalkat, Utilities Director, stated that this item is to rehab a major lift station. She said that this lift station is old and needs help, including help with the odor and capacity of flow. She spoke about the upgrades that would happen with the rehab and mentioned that no other lift stations need this type of rehab.

Commissioner Turkin thanked Ms. Kalkat and the Utilities staff for always being swift on taking action.

Motion:
Commissioner Hay moved to approve Proposed Resolution No. R25-016. Vice Mayor Kelley seconded the motion. The motion passed unanimously.

8. Public Hearing

6 p.m. or as soon thereafter as the agenda permits.
The City Commission will conduct these public hearings in its dual capacity as Local Planning Agency and City Commission.

A. Proposed Ordinance No. 24-024- Second Reading, an Ordinance of the City Commission of the City of Boynton Beach, Florida, amending Ordinance No. 89-38 by amending the future land use map of the City of Boynton Beach, Florida, for an approximately 2.97-acre parcel of real property generally located north of the C. Stanley Weaver Canal on the west side of North Seacrest Boulevard, Boynton Beach, Florida, by changing the future land use classification from Low Density Residential (LDR) and Recreational (R) to Local Retail Commercial (LRC); declaring the proposed amendment to the future land use map to be consistent with all other elements of the comprehensive plan of the City; providing for severability, conflicts, and providing for an effective date. **Proposed Ordinance No. 24-025-** Second Reading, an Ordinance of the City Commission of the City of Boynton Beach, Florida, amending Ordinance No. 02-013 to rezone an approximately 2.97 acre parcel of real property generally located north of the C. Stanley Weaver Canal on the west side of north Seacrest Boulevard, Boynton Beach, Florida, from Single Family Residential (R-1-A) to Planned Commercial Development (PCD); declaring the proposed amendment to be consistent with the comprehensive plan of the City; providing for severability, conflicts, and providing for an effective date.

City Clerk De Jesús swore in everyone that would speak on items 8A-C.

Commissioner Cruz said, regarding Items 8A-C, that she has had ex-parte communication, has received written communication, has not conducted an investigation, has not made a site visit, and have received expert opinions from staff. She requested that these disclosures and all written communications be made a part of the record.

Vice Mayor Kelley said regarding Items 8 A-C that she has had ex=parte communication, has not received written communication, has not conducted an investigation, has not made a site visit, and has not received expert opinions. She requested that these disclosures and all written communications be made a part of the record.

Mayor Penserga said regarding Items 8 A-C that he has had any ex-parte communication, has not received written communication, has not conducted an investigation, has not made a site visit, and has not received outside expert opinions. He requested that these disclosures and all written communications be made a part of the record.

Commissioner Hay said, regarding Items 8 A-C, that he has not had any ex-parte communication, has not received written communication, has not conducted an

investigation, has not made a site visit, and has received expert opinions from staff. He requested that these disclosures and all written communications be made a part of the record.

Commissioner Turkin said since the last meeting, regarding Items 8 A-C, that he has not had any ex-parte communication, has not received written communication, has not conducted an investigation, has not made a site visit, and has not received expert opinions. He requested that these disclosures and all written communications be made a part of the record.

Bonnie Miskel, Attorney for the applicant, spoke about their three requests in these three items. She said that they made a full presentation at the last meeting and that they were present to answer any questions.

Mayor Penserga asked for clarity whether there were any changes.

Attorney Bonnie said that there were minor tweaks made.

Luis Bencosme, Principal Planner, stated that they incorporated the conditions as requested by the Commissioners at the first reading, which he read into the record.

Commissioner Cruz thanked them for the traffic report that was sent to the Commission.

Vice Mayor Kelley asked about protecting the units as affordable for the life of the building and solidifying the affordable housing aspect of the project.

Attorney Miskel mentioned that the 30-year limitation for the 100% is not reversible and cannot be changed. She stated that in the event that this owner sells the property and deviates from the conditions, then this would be a code violation, so the City is protected that way as well. She commented about the reporting that is in the requirements, that makes sure that they do this.

Ms. Radigan mentioned that the 30 years is a requirement for the Live Local project that was discussed at the last meeting. She believed that it was the intention of the City Commission that this condition was in perpetuity and she wanted to ensure that the applicant understands the condition of approval

Jonathan Karlik, Global One Investment Group, stated that they would agree to this condition of workforce housing because it has been their intent this entire time.

Ms. Radigan asked to have this clarified and added to the conditions of approval before they pass the Ordinance.

Commissioner Cruz thanked the developer for agreeing to the restrictions to make sure that the project is affordable in perpetuity.

Mr. Karlik also agreed to a super majority vote, if there were any changes.

Mayor Penserga opened public comment.

Susan Oyer asked if the units were apartments or condos, because we need owner occupied properties, not apartments. She asked about the art that will be done in the property, and what is happening with memorializing the C Stanley Weaver Canal.

Cindy Falco De Corrado stated that we need single-family homes or condos, where people are paying taxes.

(Commissioner Turken left the Dais at 7:36 P.M.)

Mayor Penserga closed public comment.

Motion
Vice Mayor Kelley moved to approve Ordinance No 24-024, on Second Reading. Commissioner Cruz seconded the motion. In a roll call vote, the motion passed 4-0 *(Commissioner Turkin was absent from the dais).*

Motion
Commissioner Hay moved to approve Ordinance No 24-025, on Second Reading. Commissioner Cruz seconded the motion. In a roll call vote, the motion passed 4-0. *(Commissioner Turkin was absent from the dais*).

B. Approval of Development Order for Variance (ZNCV-2024.06.52374) for the Seacrest Sound Apartments project.

(Commissioner Turken returned to the dais at 7:38 P.M.)

Motion:
Commissioner Cruz moved to approve this development order. Commissioner Hay seconded the motion. The motion passed unanimously.

C. Approval of the Development Order for the new Master Plan (NMP-2024.06.52374) for the Seacrest Sound Apartment project.

Motion:
Vice Mayor Kelley moved to approve this development order. Commissioner Cruz

seconded the motion. The motion passed unanimously.

D. Proposed Ordinance No. 24-026- Second Reading, An Ordinance of the City Commission of the City of Boynton Beach, Florida, correcting a scrivener's error in the legal description contained in Ordinance 23-021 approving the abandonment of the thirty foot (30') wide unimproved right-of-way established on the Palm Beach Farms Co. Plat No. 8, as recorded in Plat Book 5, Page 73 of the public records of Palm Beach County; authorizing the Mayor to execute an amended disclaimer, which shall be recorded with this Ordinance in the public records of Palm Beach County, Florida; providing an effective date; and for all other purposes.

Mayor Penserga opened Public Comment, there was none so he closed public comment.

Motion
Commissioner Cruz moved to approve Ordinance No 24-026, on Second Reading. Commissioner Hay seconded the motion. In a roll call vote, the motion passed unanimously.

9. City Manager's Report- None

10. Regular Agenda

A. Discussion and update on the potential relocation of the Andrew's House
Kevin Ramsey introduced Rick Hoffer, Assistant Director for Public Works.

Mr. Hoffer spoke about following regarding the relocation of the Andrews House: Andrews House location/Image Andrews House; Andrews House: potential relocation map; relocation costs; Potential Location 1; Potential Location 2; Potential Location 3; Potential Location 4; and Potential Location 5.

Mayor Penserga asked how they chose those properties.

Mr. Hoffer spoke about looking at City and CRA owned lots, and if they were feasible. He spoke about what they considered with the properties as well.

Mayor Penserga asked if the house would be used for a home in the future. He said that he does not think that is where it should go. He asked about the cost and bringing the building to Code.

Mr. Hoffer said that this is the bare minimum cost, because there was a renovation that was redone before, but if there are things out of Code, then that was not included.

Mayor Penserga said that he is leaning towards this being a community use, not a home.

Commissioner Turkin spoke about moving the building and agreed it should be a recreational or community use. He mentioned that having this next to another historic home is a great way to use the property. He stated that we should have the community involved to see what they would like to have this used for. He said that we need to move the home first, before figuring out what it can be used for.

Commissioner Hay said that he is all for moving the house, but where is the question. He stated that he does not think it would be a successful, if it becomes another little house.

Vice Mayor Kelley stated that they seem to all be on the same page with this house. She mentioned that we need to do a joint CRA/City meeting to make sure that we are all onboard.

Ms. Radigan stated that three locations were residential, one is a City park, and she explained what it could be used for on those properties. She spoke about the Magnuson house property and its challenges, and about bringing it up to Code, depending on what it will be used for.

Vice Mayor Kelley spoke about if it was not financially feasible and it sat empty for a long time. She said that if we move the house, there might not be interest to have it used.

Mayor Penserga asked what the bare minimum cost would be to move it to the Magnuson House property, until there is a use for it, after public input. He spoke about government fixing up the buildings because other businesses might not be able to fix it due to cost.

Mr. Hoffer spoke about the variables that they have had to consider and the possible lowest costs to just move it.

Ms. Radigan stated that there is a cost for the new foundation that is needed.

Mr. Mack spoke about the cost for some of the other properties, and possible use of the house.

Mayor Penserga asked what other cities game plans are on making something like this work.

Ms. Radigan spoke about the McDougle house, which is used for events, and is at a different scale than this house. She said that she thinks it can still work really well and reiterated that there are a lot of variables.

Commissioner Cruz stated that she would like to have a joint meeting and is in favor of moving the house. She stated that we should find the purpose first, before moving it.

Ms. Radigan said that property 1 is the most feasible location, because it's a passive park and it is City owned.

Commissioner Cruz said that she is not opposed to moving it to the Magnuson house, but would take staff recommendation into consideration.

Mayor Penserga noted that there is a CRA Meeting next week that they could discuss it at a joint meeting.

Commissioner Turkin stated that the Jones House, which is award winning, is a nice house and it is being utilized. He mentioned that the City had been speaking about having a public/private partnership with the Magnuson House. He stated that there is historical context that historical homes can be used for commercial uses. He compared this to Dada's in Delray Beach, and having this in the core of Boynton Beach, on Ocean Avenue.

Mayor Penserga said that he does not disagree and said that the key is CRA support.

Ms. Radigan stated that there are several proposals that utilized the outside property, and having two buildings on the Magnuson house property could limit the use.

There was consensus to hold a joint CRA Meeting.

Attorney Lamb suggested having the joint meeting before the CRA meeting next week, then continuing the City's conversation for the 21st.

There is consensus to start the meeting at 6 P.M., if the CRA was okay with it.

Commissioner Hay asked if the City has a historical district.

Ms. Radigan stated that we do not have a designated one, but there are clusters that would be eligible. She said that there are several designated sites, but not districts.

B. Procurement Policy Update and Our Roadmap to Future Codification our City's New Procurement Code.

This item was tabled to January 21, 2025.

C. Project update on Eco Park.

Mr. Ramsey spoke about Eco Park as follows: Project Summary; scope of plans- revised; site plan-revised; fencing; all terrain wheelchairs; and questions.

D. Quarterly CIP Update.

This item was tabled to January 21, 2025.

E. Presentation and status update on the Beautification and Streets Division in the Public Works Department by Kevin Ramsey, Director of Public Works.

Mr. Ramsey spoke about the following regarding the beautification and streets current update: mission statement; beautification and streets; current tasks and responsibilities; median pressure washing; litter control; sidewalk-pressure washing; street sweeping; Adopt-a-Road program; street light management; in-house tasks and activities.

Vice Mayor Kelley asked if the vendors notify the City of sidewalk issues.

Mr. Ramsey responded yes, and continued his presentation as follows: street sign repair/replacement/installation; speed hump installation; beautification and streets-graffiti; sidewalk vegetation clearing; sidewalk repair- trip hazards; street sign repair/replacement; ADA transitions; street markings; I-95 overpass ramp landscaping; next six months achievement goals; and questions

Mayor Penserga gave him kudos and said that this is great and they are doing the right things. He asked with littering, if there are patterns or something they could do.

Mr. Ramsey said that there is an area that there is always litter, and by I-95.

Mayor Penserga said that he agrees with median standards. He asked where they are at with the bridges.

Commissioner Turkin said that the City is lucky to have Mr. Ramsey on their team.

Commissioner Hay asked about the Adopt-a-Road program, and if this is for organizations or if anyone can Adopt-a-Road.

Mr. Ramsey explained that anyone can.

Commissioner Hay asked what the City supplies.

Mr. Ramsey responded that the sign is free, and their buckets, grabbers, glasses and vests are given to the people to borrow and there is no cost to the group.

Commissioner Hay said that the Omega's Group wanted to adopt the MLK Blvd., but there was an issue about cost that was brought up.

Mr. Ramsey said that the first-year fee was waived, and the second year would be $100 a year.

Mr. Mack said that staff can take a look at the cost and come back to the Commission. He said that some cities charge, and some do not, and that a lot of roads do not have the program signs up, because they are County owned.

Commissioner Hay asked if the street sweepers go down MLK Blvd. from Seacrest to US Highway 1.

Mr. Ramsey said that they can add it.

Mr. Mack mentioned that they also have vendors doing trash runs on MLK Blvd., but this can be adjusted.

Commissioner Hay mentioned this being the Heart of Boynton and it is a main throughway.

Mayor asked to have the Quantum Corporate House to be looked, because there are shrubs covering it.

Commissioner Cruz commended this body for bringing this up, and the City staff for implementing it.

F. Discussion regarding Recreation fees.

This item was tabled to January 21, 2025.

11. Future Agenda Items

A. Discussion regarding Citywide Master Plan to light up the City.- TBD Requested by Commissioner Turkin.

B. Discussion on additional paving in fiscal year 24-25 - TBD Requested by Commissioner Turkin

C. Discussion on utility lift station upgrades and odor control - TBD Requested by Commissioner Hay.

D.

E. Discussion regarding the City's Comprehensive Plan. - TBD Requested by Commissioner Cruz.

F. Discussion regarding how to attract more affordable housing within the City.- TBD Requested by Vice Mayor Kelley.

G. Discussion regarding requirements for Advisory Board Appointments.- Pending meeting with Vice Mayor Kelley. Requested by Vice Mayor Kelley.

H. Discussion regarding Hazard Pay for Community Standards.- Pending meeting with Commissioner Cruz. Requested by Commissioner Cruz.

I. Discussion regarding Amendments to the Code of Ordinances regarding flooding in the community.- Pending meeting with Commissioner Cruz. Requested by Commissioner Cruz.

J. Discussion regarding combining City properties together to create senior affordable housing. - Pending meeting with Mayor Penserga

12. Adjournment

Motion
Commissioner Turkin moved to adjourn the meeting. Commissioner Hay seconded the motion. The motion passed unanimously.

There being no further business to discuss, the meeting was adjourned at 8:52 P.M.

CITY OF BOYNTON BEACH
ATTEST:

_____
Maylee De Jesús, MPA, MMC
City Clerk

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/ 4/2025

Proposed Resolution No. R25-040- Approve single-source purchase and issuance of a purchase order for a Vapex Radical Odor Control System for Master Lift Station # 317 from Vapex Environmental Technologies, LLC for an amount of $169,750.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-040.

Explanation of Request: Odor Control is crucial in lift stations to ensure a safe and pleasant environment for employees, businesses, residents, and visitors.

During 2024, Utilities participated in a ninety (90) day pilot study with Vapex Environmental Technologies' odor control technology, which helped mitigate the odor concerns at the station. Utilities requested a second study, which is currently underway, due to the failure of the existing odor control unit at Master Lift Station #317. The current study is scheduled to end next month, and Utilities recommends purchasing the odor control system to continue odor mitigation throughout the rehabilitation project of Master Lift Station #317.

Master Lift Station # 317 is scheduled to undergo a complete rehabilitation in the next two years, and included in the scope of work is a new odor control system. Following the completion of the rehabilitation project, the Vapex odor control unit will be removed and installed at other lift stations as needed in the future.

This purchase will be procured under the single source exemption for a total cost of $169,750.00. Even though the documentation states we will pay 15% down, we will pay the total amount upon receipt of the item. The purchase will be done through a purchase order, which incorporates all of the City's standard terms and conditions for purchasing.

How will this affect city programs or services? Vapex radical odor control technology generates hydroxyl radicals, the second most powerful oxidant, and the oxidant most desired to quickly, efficiently, and effectively oxidize and disinfect contaminants, bacteria, and viruses in water disinfection. This technology will assist in preventing odor control issues at sanitary sewer lift stations and reduce health and safety risks associated with strong odors.

Budgeted Item: Yes

Account Line Item and Description: Funds are budgeted in CIP account # 403-5000-536-65.04 Project #SW2404.

Fiscal Impact: The fiscal impact to Utilities is for the amount of $169,750 which is budgeted

in CIP account # 403-5000-536-65.04 Project #SW2404.

RESOLUTION NO. R25-040

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, APPROVING THE PURCHASE OF A VAPEX RADICAL ODOR CONTROL SYSTEM FOR MASTER LIFT STATION #317 FROM VAPEX ENVIRONMENTAL TECHNOLOGIES, LLC, IN AN AMOUNT NOT TO EXCEED $169,750; AND FOR ALL OTHER PURPOSES.

WHEREAS, Odor Control is crucial in lift stations to ensure a safe and pleasant environment for employees, businesses, residents, and visitors; and

WHEREAS, during 2024, Utilities participated in a ninety (90) day pilot study with Vapex Environmental Technologies' odor control technology, which helped mitigate the odor concerns at the station. Utilities requested a second study, which is currently underway, due to the failure of the existing odor control unit at Master Lift Station #317. The current study is scheduled to end next month, and Utilities recommends purchasing the odor control system to continue odor mitigation throughout the rehabilitation project of Master Lift Station #317; and

WHEREAS, Master Lift Station # 317 is scheduled to undergo a complete rehabilitation in the next two years, and included in the scope of work is a new odor control system. Following the completion of the rehabilitation project, the Vapex odor control unit will be removed and installed at other lift stations as needed in the future; and

WHEREAS, this purchase will be procured under the single source exemption and will be accomplished by utilizing a purchase order in an amount not to exceed $169,750, which includes all of the City's standard terms and conditions for purchasing; and

WHEREAS, the City Commission, upon the recommendation of staff, has deemed it in the best interests of the city's citizens and residents to approve the issuance of a purchase order for the purchase of a Vapex Radical Odor Control System for Master Lift Station #317 from Vapex Environmental Technologies, LLC, in an amount not to exceed $169,750.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption.

SECTION 2. The City Commission of the City of Boynton Beach, Florida, does hereby approve the issuance of a purchase order for the purchase of a Vapex Radical Odor Control System for Master Lift Station #317 from Vapex Environmental Technologies, LLC, in an amount not to exceed $169,750.00, as further detailed in Exhibit A, the Proposal, attached hereto.

SECTION 3. The City Commission of the City of Boynton Beach, Florida, hereby authorizes the Mayor to execute the Proposal. The Mayor is further authorized to execute other related documents that may be necessary to accomplish the purpose of this Resolution.

SECTION 4. The City Clerk shall retain the fully executed Proposal and purchase order as a public record of the City. A copy of the fully executed Proposal shall be provided to Tremaine Johnson to forward to the Vendor.

SECTION 5. This Resolution shall take effect in accordance with law.

FIRM PROPOSAL
PRESENTED TO:
City of Boynton Beach
LS 317
January 7, 2025

2971-B Oxbow Circle
Cocoa, FL 32926
(407) 977-7250
www.vapex.com

1. DESIGN BASIS

Application:	Odor
Installation Location:	Lift Station 317

2. EQUIPMENT SUPPLIED

- 1 MILLI Unit Currently Operating at LS 317
- 6 HV Nozzle - Flexible
- 900 ft Oxidant Tubing
- 900 ft Water Tubing
- 1 8" RXN Vent
- 2 IOM Manuals
- 1 Installation Kit - MILLI - HV Nozzles
- 1 Operating Kit - MILLI
- 1 Spare Parts Kit - MILLI
- 1 Pedestal

3. SERVICES

Vapex™ will furnish the following services:

- One (1) Vapex™ certified technician for two (2) days during one (1) trip to assist in:
  * Installation inspection
  * Start-up supervision
  * Operator training
- 2 Vapex™ certified technican semiannual visits commencing 6 months from startup

4. PATENTS

The Equipment and/or Process quoted herein may operate under one or more U.S. patents. The Purchase Price includes a one-time royalty payment (if any), which provides the Buyer with immunity to operate the Equipment specified in the Quotation under any applicable patents.

5. PURCHASE PRICE

All of the above listed for..... **$ 169,750** USD

F.O.B. jobsite, Taxes Excluded

5.1. VALIDITY

Proposal: This proposal is valid for 60 days from proposal date. All prices are guaranteed for one year from date of Vapex™ acceptance of a Purchase Order. This proposal does not include applicable sales and use taxes which will be applied to the final invoice. Please provide tax exemption certificates(s) if applicable.

Acceptance: To accept this proposal send a Purchase Order to Vapex™ Corporate Headquarters - OR - complete the acceptance information below. All Purchase Orders shall include:

a. Purchase Price quoted in this document
b. Ship to address, contact name and phone number

c. Bill to address, contact name, phone number and fax number
d. Requested delivery date
e. Tax exemption information if applicable

5.2 PAYMENT TERMS

- 15% upon Submittal Submission or receipt of Submittal Waiver - Net 30 days
- 80% upon delivery - Net 30 days
- 5% Net thirty (30) days after equipment startup and training

FOB jobsite. Sales and or Use tax is not included in this proposal. If applicable, provide tax exemption information. Applicable tax is invoiced with purchase on date of shipment if tax exemption information is not received.

Orders: Orders are subject to credit evaluation and acceptance. All orders are subject to Vapex™ terms and conditions stated in this document.

Production: Vapex™ requires 4 to 6 weeks from the receipt of approved submittals or waiver of submittals for shipment.

Late Payment Penalty: Invoices not paid 31 days after the invoice date are subject to a Service Charge of 1-½% per month on the unpaid balance.

Cancellation: Unless otherwise specified in writing by the parties, the Buyer may not cancel the order, except upon written notice and payment to Seller of an amount covering all costs incurred under the Order, all costs which arose out of the cancellation, and a cancellation fee of 30% of the Order Price. Materials received and Goods manufactured in part or whole under the Order prior to the time of cancellation shall be retained by and shall be property of the seller. When calculating the cancellation related costs, payments made by the buyer to seller prior to cancellation shall be taken into account.

Title: Title to Vapex™ Radical Odor Control Systems and supplied equipment (the Goods) shall remain vested in Vapex™ and shall not pass to the buyer until the purchase price for the Goods has been paid in full and received by Vapex™ Environmental Technologies, LLC.

Start-Up: Start-up services include equipment start-up, warranty certification and onsite equipment operation and maintenance training. Trip fees may apply for additional training visits, multi-phase start-up or non-standard installations. Prior to scheduling the Vapex™ technician, the Customer shall verify that the site is prepared for start-up by completing the start-up form submitted at the time of Invoicing. If the site is not prepared when the technician arrives and the start-up is rescheduled, the customer will be responsible for payment of additional trip fees for the technician at current Vapex™ trip rates.

Important Notes: Regarding Vapex™ Radical Odor Control system Wet Well installations. If the system is treating a wet well (or lift station) all access for cables, wires or sample tubing shall be sealed. All conduit connections into the well must be sealed. If a vent is required, a Vapex™ supplied vent must be installed. Vapex™ strongly recommends that all ferrous metal hardware within the well be epoxy coated to prevent premature corrosion. Pump and/or grinder cables coated in natural rubber will deteriorate. If there are pump and/or grinder cables located inside the wet well they must be of a material compatible to sulfuric acid >10% and ozone or the pump cables must be sleeved with a PVC cable sheath (not provided by Vapex™ unless listed in the Equipment Supplied section of this document). Cables must be sleeved by the customer/contractor

prior to equipment start-up. Contact Vapex™ for additional information.

6. WARRANTY

Limited Mechanical Warranty Policy

Vapex™ Equipment is warranted to be free from defective material and workmanship, under normal use and service and when installed, operated and maintained in accordance with installation, operation and maintenance instructions. This policy and maintenance instructions. This policy is as follows:

- Vapex™ VL - 18 months from shipment or 12 months from start-up whichever occurs first

To make claim under this Warranty, Buyer must notify Vapex™ within ten (10) business days after the date of discovery of any nonconformity and make the affected Equipment immediately available for inspection by Vapex™ or its service representative.

Vapex™ Equipment may be deemed nonconforming only by an authorized Vapex™ representative. Returns will not be accepted unless Vapex™ has authorized said return in writing. If the Vapex™ inspection indicates non-conforming materials and/or workmanship, the Equipment will, at Vapex™'s option, either be repaired or replaced without charge. Upon receipt of Vapex™'s written consent, Equipment may be promptly returned to the Vapex™ factory, F.O.B. However, under certain circumstances, Vapex™ may decide, in its sole discretion, to repair or replace the Equipment at the Project site. Buyer hereby agrees to provide Vapex™, its employees and/or representatives, free of charge, onsite access to the Project site and any necessary utilities and plant personnel needed by Vapex™ for the purpose of repairing and/or replacing nonconforming Equipment per this Warranty.

The following will void this warranty:

1. Equipment is used for purposes other than those for which it was designed;

2. Equipment is not used in accordance with generally approved practices;

3. Disasters, whether natural or manmade, such as fire, flood, wind, earthquake, cave-in, lightning, war, brownout or vandalism, etc.;

4. Unauthorized alterations to or modifications of the Equipment not approved by Vapex™ in writing;

5. Abuse, neglect or misuse of Equipment, including but without limitation, operation of Equipment after a defect is discovered;

6. Operation of Equipment by persons not properly trained for that purpose;

7. Failure to operate the equipment in accordance with Vapex™'s specifications, O&M manuals or other written guidelines, and/or

8. Failure to perform regular cleaning, inspection, adjustment and/or preventative maintenance.

Notes:

A. Vapex™ is not liable for any corrective work or expenditure that has not been authorized by Vapex™ in writing prior to the commencement of such work and prior to committing to such expenditures.

B. Inspection service calls, requested by Buyer, where no evidence of nonconforming materials and/or workmanship is found, will be invoiced to the Buyer at Vapex™'s current per diem plus all travel and living expenses.

C. Onsite labor and freight are not covered by this Warranty.

D. During the Warranty period, all mechanical, electrical and electro-mechanical parts are warranted provided monthly maintenance is performed and documented and is in conformance with all terms and conditions stated in the warranty section.

E. Following a Warranty claim, verification of proper operations and maintenance is required.

F. Physical damage due to external forces and/or accident is not covered by this Warranty including, but not limited to, lightning strikes, brownout damage, electrical surging, flooding, fire, freezing, etc.

G. The effects of corrosion and unforeseeable environmental characteristics are excluded from this Warranty.

H. Actions by 3rd parties in causing nonconformity of the Equipment are not covered under this Warranty.

THE LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER GUARANTEES AND WARRANTIES OF ANY KIND WHATSOEVER, WRITTEN, ORAL OR IMPLIED; ALL OTHER WARRANTIES INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED.

VAPEX™ SHALL HAVE NO OBLIGATION OR LIABILITY, WHETHER ARISING IN CONTRACT (INCLUDING WARRANTY), TORT (INCLUDING ACTIVE, PASSIVE, OR IMPUTED NEGLIGENCE AND STRICT LIABILITY), OR OTHERWISE, FOR DAMAGE TO THE EQUIPMENT, PROPERTY DAMAGE, LOSS OF USE, REVENUE OR PROFIT, COST OF CAPITAL, COST OF SUBSTITUTE EQUIPMENT, ADDITIONAL COSTS INCURRED BY BUYER (FOR CORRECTION OR OTHERWISE) OR ANY OTHER INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM NONDELIVERY OR FROM THE USE, MISUSE OR INABILITY TO USE THE EQUIPMENT.

This exclusion applies even if the Warranty fails of its essential purpose and regardless of whether such damages are sought for breach of warranty, breach of contract, negligence or strict liability in tort or under any other legal theory.

Any modification of this Warranty must be in writing and signed by an authorized representative of Vapex. An adjustment made per this Warranty does not void the Warranty, nor does it imply an extension of the Warranty Period. Equipment repaired during the Warranty Period carries the un-expired portion of this original Warranty only. This Warranty is governed by the laws of the state of Florida.

7. ACCEPTANCE & PURCHASE ORDER INFORMATION

Is a Purchase Order (PO) required for the purchase or payment of the products on this Firm Proposal? (Customer to complete)

[ ] No

[ ] Yes - Please complete below - Send copy of Purchase Order

PO Number: _____

PO Amount: _____

Taxes are not included in the Purchase Price and will be added to the PO amount unless accompanied with a Sales Tax Exemption Certificate

Is this purchase sales tax exempt?

[ ] No - Taxes apply

[ ] Yes - Please send copy of sales tax exemption certificate with this submission

Upon signature by Customer and submission to Vapex™ Environmental Technologies, this Firm Proposal shall be considered as Accepted as an Order and shall become legally binding unless this Order is rejected by Vapex™ Environmental Technologies for any of the following reasons: (1) the signatory below does not have the authority to bind Customer to this Order, (2) changes have been made to this document (other than completion of the purchase order information and the signature block), (3) the PO Amount does not match the Purchase Price, or (4) the requested purchase order information or signature is incomplete or does not match our records or the rest of this document.

Purchasing Division
Sole/Single Source Justification Form

This form shall be completed and approved prior to all sole source purchases

Sole Source Definition - Commodities or contractual services available only from a sole source may be exempt from the quote or competitive process under the following circumstances:

a. There is only one source or one reasonable source for the required commodity, service, or construction, or;

b. The parts or accessories are an integral repair accessory compatible with existing equipment and are the only parts that can be reasonably used, or;

c. The procurement is needed to ensure consistency in results as related to other products or standardization of parts or supplies as required to avoid unreasonable cost or inefficiency

Single Source Definition - A procurement decision whereby purchases are directed to one source because of standardization, warranty, or other factors, even though other competitive sources may be available.

Section A – Purchase Details	
Requestor	
Department	Utilities/WWLS
Division	Pumping Stations
Point of Contact	Marc Filsaime
Phone Number	561-742-6422
Vendor	
Company Name	Vapex Environmental Technologies, LLC
Address	2971 – B Oxbow Circle Cocoa, FL 32926
Phone Number	(407) 977-7250
Point of Contact and Title	Robert Jeyaseelan
What other vendors were contacted? (List company name, contact, and phone number and explain why they were not suitable)	
Product or Service	
Product/Service Name	Vapex Radical Odor Control Unit
Manufacturer	Vapex Environmental Technologies, LLC
Make/Model #	Vapex
Price	$169.750.00
Did you negotiate the terms or prices with the vendor? ☐ Yes ☒ No	

Purchasing Division
Sole/Single Source Justification Form

Why is this price considered to be fair and reasonable? The Utilities is currently utilizing a Vapex Odor Control Unit on a trial period. The vendor is offering to sale this (new) unit at a discounted price of $169,750.00 down from a full retail price of $234,000.00.

Will this purchase obligate the City to a particular vendor in the future? (Either in terms of maintenance, services, or re-purchase for compatibility reasons) ☐ Yes ☒ No

Section B – Justification

This is a sole source because (choose any that apply):

☐ Sole provider of a licensed or patented good or service

☐ Single Source provider of items compatible with existing equipment, inventory, systems, programs, or services.

☐ Single Source provider of goods and services for which the city has established a standard. (new standards require the competitive solicitation process)

☐ Single Source of factory-authorized warranty service

☒ Sole provider of goods or services that will meet the specialized needs of the City or perform the intended function (please detail below or reference an attachment).

☐ The vendor/distributor is the owner of used equipment that would represent a best-value purchase for the City and is advantageous to the City. (Please provide information on current market prices, availability, etc.)

What necessary features does this vendor provide which are not available from other vendors? Please be specific. **Utility did a pilot study with this odor control technology in 2024 and the study was a success. The Utility is currently doing another study which is also working and based on the emergency need at LS 316 for the next two years (will undergo a complete rehab in the next two years). Purchasing the unit is more cost beneficial to the City and the unit can be used at other LSs as needed in the future. Vapex is the sole provider and is authorized to install and perform maintenance on this type of odor control technology. The odor control unit will be purchased and furnished by Vapex Environmental Technologies, LLC. Vapex Environmental technicians understand the sophisticated system and will be able to properly perform the following scope of work:**

- **Installation inspection.**
- **Start-up supervision**
- **Operator training**
- **Two (2) Vapex certified technician semiannual visits commencing six (6) months from startup.**

Attach documentation to substantiate this sole source claim including but not limited to: vendor quotes, product manuals, sole source letters, and patents or copyrights.

Section C – Routing, Certification and Approval

My department's recommendation for a sole source purchase is based upon an objective review of the product/service required and appears to be in the best interest of the City. I know of no conflict of interest on my part nor do I have any personal involvement in any way with this request. No gratuities, favors or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials, or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers that exist.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

Vapex Environmental Technologies, LLC

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☑ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

2971-B Oxbow Circle

Requester's name and address (optional)

6 City, state, and ZIP code

Cocoa, FL 32926

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			-			-				

or

Employer identification number

8	1	-	3	5	1	3	2	6	9

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/ 4/2025

Proposed Resolution No. R25-041- Approve Task Order No. GESUT-3C-03-25 with Carollo Engineers, Inc. to update and calibrate the City's wastewater model and the City's potable water model and services to convert the wastewater model from Innovyze InfoSWMM to Bentley SewerGEMS and the potable water model from Innovyze InfoWater to Bentley WaterGEMS, for a not-to-exceed amount of $400,000.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-041.

Explanation of Request: The purpose of this task order is to engage a consultant to perform a comprehensive review and update of the City's existing hydraulic models. This work will provide the necessary data and insights to better manage and optimize our water system, specifically in terms of flow, pressure, and capacity. By enhancing these models, we will also be able to proactively address issues such as system vulnerabilities, identify bottlenecks, and prepare for future demands as our community grows.

The City of Boynton Beach owns and operates a wastewater collection system and a potable water distribution system. The City has not updated or calibrated their wastewater and potable water hydraulic models in 9 years and wants to continue using them as tools to evaluate performance of existing infrastructure and plan for redevelopment/development and future flow conditions. The City also wants to achieve a better understanding of the impact of wet weather on its master wastewater conveyance infrastructure to improve resiliency. As a result, the City wants to update the hydraulic models with the most current GIS database, and calibrate the models based on select field testing and SCADA information.

This service was procured through the City's Continuing services contract and assigned task order # GESUT-3C-03-25. The total construction cost will not exceed $7.5M per FS 287.055. CCNA.

How will this affect city programs or services? 1. Improved Water and Wastewater Service Reliability
By updating the hydraulic models, the City will be able to accurately assess the performance of the water distribution and wastewater systems. This enables the identification of potential system deficiencies or areas that require attention. Early detection of issues will help prevent service disruptions or failures, leading to more reliable water and wastewater services for residents and businesses.

2. Enhanced Infrastructure Planning and Development

The updated hydraulic models will provide essential data to guide future infrastructure projects, including new developments, system upgrades, and expansions. This will ensure that the City's growth is supported by a robust and scalable infrastructure system, aligning with urban planning goals and improving the overall quality of life for residents.

3. Optimized Resource Allocation
Accurate models will allow the City to better allocate resources for maintenance, repairs, and system upgrades. By knowing which areas of the system are most critical, the City can prioritize investments in a way that maximizes return on investment and minimizes downtime, ensuring that essential services continue uninterrupted.

4. Support for Emergency Response and Risk Management
The task order will improve the City's ability to anticipate and manage emergencies related to water and wastewater systems. The hydraulic models can be used to simulate various emergency scenarios (e.g., equipment failure, natural disasters) and assess the system's ability to respond. This helps the City prepare for potential crises, minimizing response times and mitigating risks to public health and safety.

5. Compliance with Regulatory Requirements
Regular updates to the hydraulic models will ensure that the City remains in compliance with state and federal regulations governing water systems. Compliance is vital to maintaining public health standards and avoiding potential fines or penalties, as well as ensuring that the City's water system is capable of meeting both current and future regulatory demands.

6. Cost Savings and Fiscal Responsibility
By leveraging the updated hydraulic models for more informed decision-making, the City can reduce unnecessary expenditures on reactive repairs and inefficient system upgrades. Long-term cost savings can be achieved through better forecasting and more accurate planning, ultimately improving the City's fiscal health.

7. Public Confidence and Satisfaction
Residents will benefit from more reliable water and wastewater services, which directly enhances public satisfaction. Additionally, the City will be able to communicate to the public its commitment to investing in infrastructure improvements, further fostering trust and transparency in the City's leadership.

In summary, the task order proposal for the hydraulic models will directly enhance the efficiency and effectiveness of the City's water and wastewater systems, improve long-term infrastructure planning, and ensure the ongoing provision of essential services in a cost-effective and sustainable manner.

Budgeted Item: Yes

Account Line Item and Description: 403.5000.533-31.90 - US2403 - Water Distribution System Hydraulic Analysis/Modeling - $200,000
403.5000.535-31.90 - US2403- Force Main System Hydraulic Analysis/Modeling -$200,000.

Fiscal Impact: Utilities has $400,000 budgeted and approved to complete the Hydraulic Modeling for Potable Water and Waste Water Hydraulic Modeling.

403.5000.533-31.90 - US2403 - Water Distribution System Hydraulic Analysis/Modeling - $200,000

RESOLUTION NO. R25-041

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, APPROVING TASK ORDER NO. GESUT-3C-03-25 FOR CAROLLO ENGINEERS, INC. TO UPDATE AND CALIBRATE THE CITY'S WASTEWATER AND POTABLE WATER MODELS AND SERVICES, AND TO CONVERT THE CITY'S WASTEWATER MODEL FROM INNOVYZE INFOSWMM TO BENTLEY SEWERGEMS AND THE POTABLE WATER MODEL FROM INNOVYZE INFOWATER TO BENTLY WATERGEMS, FOR AN AMOUNT NOT TO EXCEED $400,000; AUTHORIZING THE MAYOR EXECUTE THE TASK ORDER AND ANY FUTURE DOCUMENTS ASSOCIATED WITH THE TASK ORDER THAT DO NOT INCREASE THE CITY'S FINANCIAL OBLIGATIONS, SUBJECT TO THE APPROVAL OF THE CITY ATTORNEY; AND FOR ALL OTHER PURPOSES.

WHEREAS, the City of Boynton Beach Utilities Department requests the approval of Task Order No. GESUT-3C-03-25 for Carollo Engineers, Inc. ("Vendor"), utilizing the General Engineering Consulting Services Agreement with the City, to perform a comprehensive review and update of the City's existing hydraulic models; and

WHEREAS, the City owns and operates a wastewater collection system and a potable water distribution system, both of which have not been updated nor calibrated in nine (9) years, which the City wishes to continue to use as tools to evaluate the performance of existing infrastructure and plan for future development and/or flow conditions; and

WHEREAS, the City desires a better understanding of the impact of wet weather on its master wastewater conveyance infrastructure to improve resiliency, including the update and calibration of its hydraulic models; and

WHEREAS, the approval of Task Order No. GESUT-3C-03-25 will provide the necessary data and insights to better manage and optimize the City's water systems, specifically in terms of flow, pressure, and capacity; and

WHEREAS, the enhancement of the City's water system models will enable to proactively address system vulnerabilities, identify bottlenecks, and prepare for future demands as the City community grows; and

WHEREAS, by updating its hydraulic models, the City can identify and prevent service

disruptions or failures, provide essential data to guide future infrastructure projects, upgrades, and expansions, to better allocate resources for maintenance and repair, to anticipate and manage emergencies related to water and wastewater systems, to ensure compliance with state and federal regulations governing water systems, to reduce unnecessary expenditures on reactive repairs and inefficient system upgrades, and to benefit City residents by providing more reliable water and wastewater services; and

WHEREAS, the total cost of Task Order No. GESUT-2C-04-25 is not to exceed $400,000; and

WHEREAS, upon recommendation of staff, the City Commission finds it in the best interest of the citizens and residents of the City to approve Task Order No. GESUT-3C-03-25, and to authorize the Mayor to execute the Task Order and any amendments that do not increase the City's financial obligations, subject to review by the office of the City Attorney for legal sufficiency.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

SECTION 2. The City Commission approves Task Order No. GESUT-3C-03-25, attached as Exhibit A, and authorizes the Mayor to execute the Task Order and any amendments that do not increase the City's financial obligations, subject to review by the office of the City Attorney for legal sufficiency.

SECTION 3. This Resolution shall become effective as provided by law.

Form of Task Order

CITY OF BOYNTON BEACH
General Engineering Consulting Services Task Order
Task Order No. GESUT-3C-03-25

Consultant: **Carollo Engineers**

1. **Task/Project**. Task Order No. GESUT-3C-03-25 Wastewater and Potable Water Models Update and Calibration

2. **Detailed Scope of Professional Services**.
A detailed scope of services under this Task Order, in accordance with the phases of service detailed in the Agreement, is attached as **Exhibit A**

3. **Deliverables and Schedule**.
For study/design related services: Consultant shall deliver to the City the deliverables specified at the time indicated on the attached **Exhibit B.**

For project administration services: Consultant shall provide project/construction administration services in accordance with the Agreement and project schedule.

4. **Compensation**.
The total estimated construction costs of the Project or the cost of the study or report for this Task Order may not exceed the amounts set forth in Section 287.055, Florida Statutes.

The total Fee to be paid to the Consultant under this Task Order shall not exceed $400,000.00, based on the hourly rates currently in effect under the Agreement.

A detailed fee schedule is attached as **Exhibit C.**
The payment schedule (based on deliverables) is attached as **Exhibit N/A**.

5. **Agreement Reference**.
This Task Order shall be performed under the terms and conditions described within the General Engineering Consulting Services Agreement, dated November 19, 2024, by and between the City of Boynton Beach and Carollo Engineers, Inc. ("Consultant"), Contract No. CW24-001.

6. **Insurance**.
Consultant shall maintain insurance coverages in accordance with the Agreement and hereby confirms that Certificate(s) of Insurance evidencing *current* policies meeting the requirements of the Agreement are on file with the City as of the date of this Task Order.

7. **Exhibits**.
All attached Exhibits are incorporated fully into this Task Order and the Agreement.

8. **Notice to Proceed** ***(Task Order Form and Purchase Order).***

☒ If checked, Consultant's receipt of a fully-executed copy of this Task Order and Purchase Order (PO) shall serve as the Notice to Proceed under this Task Order, effective as of the date the fully-executed Task Order was emailed to the Consultant.

☐ If checked, Consultant shall commence Services under this Task Order as specified in a forthcoming Purchase Order (PO) and Notice to Proceed.

INSURANCE ADVISORY FORM

GENERAL ENGINEERING CONSULTING SERVICES AGREEMENT

This Agreement ("Agreement"), is entered into between the **City of Boynton Beach**, a municipal corporation organized and existing under the laws of Florida, with a business address of **100 East Ocean** Ave., Boynton Beach, FL 33435, hereinafter referred to as "CITY", and **CAROLLO ENGINEERS, INC**. a [type of entity: corporation] authorized to do business in the State of Florida, with a business address of **2056 Vista Parkway, Suite 150, West Palm Beach, FL 33411**, hereinafter referred to as "VENDOR". In consideration of the mutual benefits, terms, and conditions hereinafter specified, the Parties agree as set forth below.

WHEREAS, the CITY solicited proposals for a non-exclusive agreement to perform General Engineering Consulting Services, and

WHEREAS, the CITY issued a **Request for Qualification for General Engineering Consulting Services**; and

WHEREAS, RFQ No. CW24-001 defined Scope of Services for General Engineering Consulting Services; and

WHEREAS, the CITY determined that VENDOR was qualified for appointment to perform the scope of services set forth in RFQ No. CW24-001; and

WHEREAS, the CITY Commission on **July 16, 2024**, determined that VENDOR was qualified for appointment to perform the scope of services set forth in the Request For Qualifications RFQ No. CW24-001; and

NOW, THEREFORE, in consideration of the mutual covenants expressed herein, the parties agree as follows:

1. SERVICES AND RESPONSIBILITIES.

1.1 VENDOR hereby agrees to perform the General Engineering Consulting Services, by way of individual Task Orders, at the request of the CITY during the term of this Agreement as more particularly described in the **Request for Qualifications RFQ No. CW24-001 for General Engineering Consulting Services**, which is incorporated herein by reference.

The specific projects that may be assigned to the VENDOR are in conjunction with the specific ☒ box next to the Scope Category:

☒Scope Category A Water Plant Modifications, Capacity and Operations Evaluation
☒Scope Category B Infrastructure Improvements and Evaluations
☒Scope Category C Ancillary Studies and Services
☐Scope Category D Transportation Services
☐Scope Category E Architectural Services
☐Scope Category F Hydrogeological Services
☐Scope Category G Green Infrastructure, Sustainability, and Resiliency Services
☐Scope Category H Geotechnical Services
☐Scope Category J Civil Land Development Services
☐Scope Category K Recreation and Parks Services

1.2 The VENDOR agrees to perform work assigned by Task Order(s) (the "Services") under such terms as set forth in the Task Order(s). The Task Order Form is attached hereto as **Exhibit A**. The terms of the Task Order(s) shall be supplemental to the terms of this Agreement.

1.3 VENDOR shall furnish all services, labor, equipment, supplies, and materials necessary and as may be required in the performance of this Agreement, except as otherwise specifically provided for herein, and all Services performed under this Agreement shall be done in a professional manner.

1.4 VENDOR assumes professional and technical responsibility for performance of its services to be provided hereunder in accordance with recognized professional and ethical guidelines established by their profession. If within one year following completion of its services, such services fail to meet the aforesaid standards, and the CITY promptly advises VENDOR thereof in writing, VENDOR agrees to re-perform such deficient services without charge to the CITY.

1.5 The relationship between CITY and VENDOR created hereunder and the services to be provided by VENDOR pursuant to this Agreement are non-exclusive. CITY shall be free to pursue and engage similar relationships with other VENDORS to perform the same or similar services performed by VENDOR hereunder, so long as no other consultant shall be engaged to perform the specific project(s) assigned to VENDOR while VENDOR is so engaged without first terminating such assignment. VENDOR shall be free to pursue relationships with other parties to perform the same or similar services, whether or not such relationships are for services to be performed within the CITY, so long as no such relationship shall result in a conflict of interest, ethical or otherwise, with the CITY's interests in the services provided by VENDOR hereunder.

1.6 The VENDOR is responsible for defects in its work and in the work of its Sub consultants'.

1.7 **PRELIMINARY SERVICES PHASE:** The VENDOR shall prepare preliminary studies and reports, feasibility studies, financial and fiscal studies, and evaluation of existing facilities, preparation of schematic layouts and sketches where required; develop construction budgets, opinions of Probable Construction Cost, and shall consult and confer with the CITY as may be necessary for the CITY to reach decisions concerning the subject matter. The VENDOR shall attend meetings with the CITY Commission and CITY staff as may be required, and provide the CITY with a time schedule which shall include but not be limited to submittal of all milestones related to the project up to delivery of 100% construction documents.

1.7.1 During the preliminary services phase, the VENDOR shall advise the CITY, based on VENDOR'S professional opinion and the current project conditions and reasonably foreseeable conditions of the completeness of existing data and its suitability for the intended purposes of the project; VENDOR to obtain data from other sources; identify and analyze requirements of governmental authorities having jurisdiction to approve the design of the project; provide analyses of the CITY'S needs for surveys; perform site evaluations and comparative studies of prospective site and solutions; and prepare and furnish a report to the City setting forth the VENDOR'S findings and recommendations.

1.7.2 Preliminary design services to be performed by the VENDOR shall include consultation and advice concerning the extent and scope of proposed work and preparation of preliminary design documents consisting of design criteria, preliminary drawings, and outline specifications as well as preliminary estimates of probable Construction Costs. This phase will also include preparation of a preliminary site plan or schematic drawings when appropriate. Up to six (6) copies of the preliminary design documents shall be furnished to the CITY, the exact number needed shall be determined by the CITY.

1.7.3 VENDOR shall provide environmental assessment and impact statements as required to determine the suitability of the site and its surrounds for the proposed project; and/or

1.7.4 Upon authorization of the CITY, the VENDOR will provide advice and assistance relating to operation and maintenance of project or other systems; evaluate and report on operations; assist the CITY in matters relating to regulatory agency operations review or operating permit non-compliance; assist with startup and operator training for newly installed or modified equipment and processes, and in the preparation of operating, maintenance and staffing manuals for the project.

1.8 **BASIC SERVICES:** The VENDOR shall consult and advise the CITY in the following manner: specifying the extent and scope of the work to be performed; prepare detailed construction drawings and specifications; revise and update, where necessary, previously designed construction plans and specifications, whether in whole or in part, to be incorporated into the proposed work and prepare construction documents and final estimate of probable Construction Cost. The final design services shall be provided in an electronic format, and shall also include furnishing up to six (6) copies of plans and specifications to the CITY; the exact number needed shall be determined by the CITY.

1.9 **FINAL DESIGN SERVICES** shall also include preparation of permit applications as may be required by such agencies as have legal review authority over the project. These applications shall include but not be limited to site plan approvals or other permits and work efforts and shall also consist of meetings at staff level and meetings with the appropriate governing body and the CITY. Unless specifically provided for under the final design phase, permit application services do not include applications requiring environmental impact statements or environmental assessments, consumptive use permits, and landfill permits.

1.9.1 The VENDOR based upon the approved design documents and any adjustments authorized by the CITY in each project, project schedule, or construction budget shall prepare for approval by the CITY, design development documents consisting of drawings and other documents to fix and describe the size and character of each project's civil engineering, environmental, landscape, architectural, structural, mechanical, and electrical systems, and any other requirements or systems, materials and such other elements as may be appropriate for a complete project. The VENDOR shall also advise the CITY of any adjustments to the preliminary estimate of probable Construction Costs.

1.9.2 The VENDOR based on CITY approved design development documents and any further adjustments in the scope or quality of the project or in the construction budget shall prepare Construction Documents within the number of calendar days specified within any notice issued by the CITY. The Construction Documents shall consist of drawings and specifications setting forth in detail the requirements for the construction of the project.

1.9.3 The VENDOR shall assist the CITY in the preparation of the necessary proposal information and forms.

1.9.4 The VENDOR shall advise the CITY of any adjustments to previous estimates of probable Construction Costs indicated by changes in codes, administrative and jurisdictional requirements of general market conditions.

1.9.5 The VENDOR shall submit to the CITY for each project, electronic format and up to six (6) copies of the Construction Documents, and a further revised estimate of total probable Construction Cost.

1.9.6 VENDOR shall include in the Construction Documents a requirement that the construction contractor shall provide a final as-built survey of the project in Autocad electronic format by a registered Land Surveyor, and provide marked-up construction drawings to the VENDOR so that the VENDOR can prepare and deliver to the CITY the record drawings in the form required by the CITY and as required.

1.9.7 Prior to final approval of the Construction Documents by the CITY, the VENDOR shall conduct a thorough review and quality control evaluation of the entire work product for compliance with the requirements of any local, state, or federal agency from which a permit or other approval is required. The VENDOR shall make sure that all necessary approvals have taken place.

1.9.8 Prior to each phased submittal, the VENDOR shall conduct a thorough quality control review and assessment of the work product to determine whether the work is properly coordinated and confirm that the CITY and agency comments have been addressed and incorporated into the Contract Documents. The VENDOR shall provide to the

CITY a Quality Assurance and Quality Control plan in a format that advises the CITY that all work has been performed as required. A report shall be submitted in accordance with those standards to apprise the CITY that due care has been taken in the preparation of the Contract Documents.

1.9.9 The VENDOR shall signify responsibility for the Contract Documents including technical specifications and drawings prepared pursuant to this Agreement by affixing a signature, date and seal as required by Florida Statutes Chapters 471 and 481, if applicable. The VENDOR shall comply with all of its governing laws, rules, regulations, codes, directives, and other applicable federal, state, and local requirements in preparation of the work.

1.10 The VENDOR shall provide the construction documents, technical specifications, and drawings completed in accordance with generally accepted professional practices and principles and in a manner consistent with the level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions.

1.11 The VENDOR, following the CITY's approval of the Construction Documents and the latest estimate of probable Construction Cost, shall, when so directed and authorized by the CITY, assist the CITY in obtaining proposals or negotiated proposals and assist in preparing contracts for construction.

1.11.1 The VENDOR shall review and analyze the proposals received by the CITY and shall make a recommendation for any award based on the CITY'S Procurement Administrative Policy Manual.

1.11.2 Any Opinion of the Construction Cost prepared by VENDOR represents its judgment as a design professional and is supplied for the general guidance of the CITY. Since VENDOR has no control over market conditions, VENDOR does not guarantee the accuracy of such opinions as compared to contractor bids or actual cost to the CITY. If the project is not advertised for proposals within three (3) months after delivery of Final Design Plans, through no fault of the VENDOR or if either local market conditions or industry-wide prices have changed because of unusual or unanticipated events affecting the general level of prices or times of delivery in the construction industry, the established Construction Cost limit may be adjusted as determined by the CITY'S Representative and as approved by the CITY, if necessary. Additionally, if the CITY expands a project scope of work after the VENDOR renders the Final estimated probable Construction Cost of the Final Design Plans, the VENDOR shall not be responsible for any redesign without compensation, which shall be mutually agreed to by the parties hereto.

1.11.3 The VENDOR shall provide the CITY with a list of recommended prospective bidders.

1.11.4 The VENDOR shall attend all pre-proposal/per-bid conferences.

1.11.5 The VENDOR shall recommend any addenda, through the CITY'S representative as appropriate, to clarify, correct, or change proposal documents.

1.11.6 If Pre-Qualification of bidders is required as set forth in the Request for Proposals, Request for Qualifications or Invitation to Bid (two-step bid process), VENDOR shall assist the CITY, if requested in developing qualifications criteria, review qualifications and recommend acceptance or rejection of the bidders.

1.11.7 If requested, VENDOR shall evaluate proposals and bidders, and make recommendations regarding any award by the CITY.

1.12 The CITY shall make decision on all claims regarding interpretation of the Construction Documents, and on all other matters relating to the execution and progress of the work after receiving a recommendation from the VENDOR. The VENDOR shall check schedules, shop drawings and other submissions for the limited purpose of checking conformance with the concept of the project, and for compliance with the information given by the Construction Documents. The VENDOR shall also review change orders prepared and submitted by

Contractor and review and make recommendations to the City for progress payments to the Contractor based on each project schedule of values and the percentage of work completed. The VENDOR will neither have control over or charge of, nor be responsible for, the construction means, methods, techniques, sequences, or procedures, or for the safety precautions and programs in connection with the construction of the assigned task order projects.

1.12.1 The CITY shall maintain a record of all change orders, which shall be categorized to the various types, causes, etc. that may be determined useful and necessary for its purpose.

1.12.2 If the VENDOR is not the Construction Manager for the construction, the CITY shall notify the VENDOR within three (3) business days of the discovery of any architectural/engineering error or omission so that the VENDOR can be part of the negotiations resolving the claim between the CITY and the Contractor.

1.13 The VENDOR shall carefully review and examine the Contractor's schedule of values, together with any supporting documentation. The purpose of such review and examination will be to protect the CITY from an unbalanced schedule of values which allocates greater value to certain elements of each project than is indicated by industry standards, supporting documentation, or data. If the schedule of values is not found to be appropriate, it shall be returned to the Contractor for revision for supporting documentation. After making such examination, when the schedule of values is found to be appropriate, the VENDOR shall sign the schedule of values indicated in the belief that the schedule of values constitutes a reasonable, balanced basis for payment of the Application for Payment to the Contractor.

1.14 The VENDOR shall perform on-site construction observation of each project based on the Construction Documents in accordance with paragraph 1.19 "Resident Project Services" of this Agreement. The VENDOR observation shall determine the progress of the work completed, and whether the work is proceeding in a manner indicating that the work when fully competed will be in accordance with the Construction Documents. On the basis of site visits, the VENDOR will provide the CITY with a written report of each site visit in order to reasonably inform the CITY of the progress of the portion of the work completed. The VENDOR shall endeavor to identify for the CITY any defects and deficiencies in the work of contractors, and make written recommendation to the CITY where the work fails to conform to the Construction Documents. The VENDOR shall not have control over or charge of, or responsibility for the construction means, methods, techniques, sequences or procedures. or for safety precautions and programs in connection with the work, nor shall the VENDOR be responsible for the Contractor's failure to perform the work in accordance with the requirements of the Contract Documents. The VENDOR shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work. Based on such observation and the Contractor's Application for Payment, the VENDOR shall determine the amount due to the Contractor and shall issue Certificates for Payment in such amount. These Certificates will constitute a representation to the CITY based on such observations and the data comprising the Application for Payment that the work has progressed to the point indicated. By issuing a Certificate of Payment, the VENDOR will also represent to the CITY that to the best of its information and belief, based on what its observation has revealed, the work is in accordance with the Construction Documents. The VENDOR shall conduct observations to determine the dates of substantial and final completion and issue a recommendation for final payment.

1.15 The VENDOR shall revise the Construction drawings and submit record or corrected drawings to the CITY to show those changes made during the construction process based on the marked up prints, drawings, and other data furnished by the Contractor. The record drawings shall be provided in electronic format inclusive of conformed PDF files and AutoCad files in a form compatible with the CITY'S version of AutoCad formats for archival purposes.

1.16 The VENDOR shall attend regularly scheduled progress meetings on site bi-monthly or as otherwise determined based on a specific need established prior to construction by the CITY.

1.17 The VENDOR shall review change orders prepared and submitted by the Contractor for the CITY'S approval. VENDOR shall not authorize any changes in the work or time, no matter how minor, without prior written approval by the CITY.

1.18 Each project's construction or demolition shall be considered complete upon compilation of a punchlist by VENDOR, which shall be timely completed by Contractor to the satisfaction of the CITY, written notification to Contractor by VENDOR that all releases of liens are satisfied, and written recommendation by VENDOR for final payment to the Contractor which shall be at the sole discretion of the CITY.

1.19 **RESIDENT PROJECT SERVICES:** During the Construction progress of any work, the VENDOR will, if authorized by the CITY, provide resident project observation services to be performed by one or more authorized employees ("Resident Project Representative") of the VENDOR. Resident Project Representatives shall provide extensive observation services at the project site during construction. The Resident Project Representative will endeavor to identify for the CITY any defects and deficiencies in the work of the Contractor(s). Resident project observation services shall include but are not limited to the following:

a. Conducting all pre-construction conferences;
b. Conducting all necessary construction progress meetings;
c. Observation of the work in progress to the extent authorized by the CITY;
d. Receipt, review coordination, and disbursement of shop drawings and other submittals;
e. Maintenance and preparation of progress reports;
f. Field observation and verification of quantities of equipment and materials installed;
g. Verification of contractors' and subcontractors' payrolls and records for compliance with applicable contract requirements;
h. Maintenance at each project site on a current basis of all drawings, specifications, contracts, samples, permits, and other project-related documents, and at the completion of each project, deliver all such records to the CITY;
i. Preparation, update, and distribution of a project budget with each project schedule;
j. Notification to the CITY immediately if it appears that either each project schedule or each project budget will not be met;
k. Scheduling and conducting monthly progress meetings at which CITY, Engineer, general contractor, trade contractor, utilities representatives, and suppliers can jointly discuss such matters as procedures, progress, problems, and scheduling.
l. Recommending courses of action, and enforcing action selected by the CITY, if so directed by the CITY, if the general and/or trade contractors are not meeting the requirements of the plans, specifications, and Construction Contract;
m. Development and implementation of a system for the preparation, review, and processing of change orders;
n. Maintenance of a daily log of each project;
o. Recording the progress of each project, and submission of written monthly progress reports to the CITY, including information on the Contractors' work and the percentage of completion;
p. Determination of substantial and final completion of work and preparation of a list of incomplete and unsatisfactory items, and a schedule of their completion; and
q. Securing and transmitting to the CITY, required guarantees; affidavits; releases; key manuals; record drawings; and maintenance stocks;

The Resident Project Representative shall also investigate and report on complaints and unusual occurrences that may affect the responsibility of the VENDOR or the CITY in connection with the work. The Resident Project Representative shall be a person acceptable to the CITY, and the CITY shall have the right to employ personnel to observe the work in progress, provided, however, that such personnel as employed by the CITY, and such personnel will be responsible directly to the CITY in the performance of work that would otherwise be assumed and performed by the VENDOR. The Resident Project Representative shall not have control over or charge of, or responsibility for the construction means, methods, techniques, sequences, or procedures, or for safety precautions and programs in connection with the work, nor shall the Resident Project Representative be responsible for the Contractor's failure to perform the work in accordance with the requirements of the Contract Documents. The Resident Project Representative shall not have control over or charge of,

and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the work.

Although VENDOR shall not be responsible for health or safety programs or precautions related to CITY"s activities or those of CITY's other contractors and consultants or their respective subcontractors and vendors ("Contractors"), VENDOR shall nonetheless report to the Resident Project Representative health and safety conditions or deficiencies observed by VENDOR'S employees or representatives. VENDOR shall not be responsible for CITY's pre-existing site conditions or the aggravation of those preexisting site conditions to the extent not caused by the negligence or willful misconduct of VENDOR. VENDOR shall not be responsible for inspecting, observing, or correcting health or safety conditions or deficiencies of CITY, Contractors, or others at the project site ("Project Site") other than for VENDOR's employees, sub-consultants, and vendors.

1.20 ADDITIONAL SERVICES

1.20.1 When additional services are necessary, they shall be specified in the written Task Order. Examples of additional non-exclusive services are:

a. Preparation of applications and supporting documents for private or governmental grants, loans, or advances in connection with any particular project.

b. Services to make measured drawings of or to investigate existing conditions or facilities or to verify the accuracy of drawings or other information furnished by or to the CITY.

c. Services resulting from significant changes in the general scope, extent, or character of any particular project or its design, including but not limited to changes in size, complexity, the CITY's schedule, character of construction or method of financing, and revising previously accepted studies, reports, design documents or Construction Contract Documents when such revisions are required by changes to laws, rules, regulations, ordinances, codes or orders enacted subsequent to the preparation of such studies, reports or documents, or are due to any other causes beyond the VENDOR'S control.

d. Providing renderings or models for the CITY's use.

e. Preparing documents for alternate Proposals requested by the CITY for work that is not executed for documents for out-of-sequence work.

f. Investigations and studies involving but not limited to, detailed considerations of operations, maintenance, and overhead expenses; providing value engineering during the course of design; the preparation of feasibility studies; cash flow and economic evaluations, rate schedules, and appraisals; assistance in obtaining financing for a project; evaluating processes available for licensing and assisting the CITY in obtaining process licensing; detailed quantity surveys of material, equipment and labor, and audits or inventories required in connection with construction performed by the CITY.

g. Assistance in connection with Proposal/proposal protests, re-bidding or re-negotiating contracts for construction, materials, equipment, or services, unless the need for such assistance is reasonably determined by the CITY to be caused by the VENDOR (e.g. defective plans and/or specifications which inhibit contractors from submitting proposals) in which event there shall be no additional cost for the provision of such services.

h. Preparing to serve or serving as a VENDOR or witness for the CITY in any litigation, arbitration, or other legal or administrative proceeding.

i. Additional services in connection with a project not otherwise provided for in this Agreement.

j. Services in connection with a field order or change order requested by the CITY.

k. Providing artwork, models, or renderings as requested by the CITY.

1.21 When required by the Construction Contract documents in circumstances beyond the VENDOR'S control, and upon the CITY'S authorization, it will furnish the following additional services.

a. Services in connection with work changes necessitated by unforeseen conditions encountered during construction.

b. Services after the award of each contract in evaluating and determining the acceptability of an unreasonable or excessive number of claims submitted by Contractor, except to the extent such claims are caused by the errors or omissions of the VENDOR.

c. Additional or extended services during construction made necessary by 1) work damaged by fire or other cause during construction, 2) a significant amount of defective or negligent work of any contractor, 3) acceleration of the progress schedule involving services beyond normal working hours, or 4) default by any contractor; provided however, if a fire occurs as a direct result of errors or omissions in the design by the VENDOR or if the VENDOR fails to notify the Contractor of the deficient quality of their workmanship pursuant to VENDOR'S duties as described in the Contract Documents, the VENDOR's additional services shall be deemed part of Basic Services and compensated as such.

d. Services in connection with any partial utilization of any part of a project by the CITY prior to Substantial Completion.

e. Services to evaluate the propriety of substitutions or design alternates proposed by the Contractor and involving methods of construction, materials, or major project components either during bidding and/or Negotiation services or Construction Contract award. The cost of such services shall be borne by the Contractor, and this requirement shall be included in the construction contract.

f. Services in making revisions to drawings and specifications occasioned by the acceptance of substitutions proposed by the Contractor, unless such substitutions are due to a design error by the VENDOR in which case such services shall be deemed Basic Services. Except when caused by a design error by the VENDOR, the cost of such services shall be borne by the Contractor, and this requirement shall be included in the construction contract.

1.22 **CITY'S RESPONSIBILITIES**

1.22.1 The CITY shall do the following in a timely manner so as not to delay the services of the VENDOR:

1.22.2 Designate in writing a person or persons to act as the CITY's representative with respect to the services to be rendered under this Agreement. Such person(s) shall have complete authority to transmit instructions and receive information with respect to the VENDOR'S services for a particular project. The CITY may have multiple CITY Representative(s) or project managers during the performance of this Agreement based on the specific Task Orders from each of the Scope Categories.

1.22.3 Provide all criteria and full information as to the CITY's requirements for the Project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations.

1.22.4 Assist the VENDOR by providing, at the VENDOR's request, all available information pertinent to the Project, including previous reports and any other data relative to the design or construction of the project.

1.22.5 Furnish to the VENDOR, if required for the performance of VENDOR's services (except where otherwise furnished by the VENDOR as Additional Services), the following:

1.22.6 Data prepared by, or services of others, including without limitations borings, probings and subsurface explorations, hydrographic surveys, laboratory tests, and inspection of samples, materials, and equipment;

1.22.6.1 Appropriate professional interpretations of all of the foregoing;

1.22.6.2 Environmental assessment and impact statements;

1.22.6.3 Property, boundary, easement, right-of-way, topographic and utility surveys;

1.22.6.4 Property descriptions;

1.22.6.5 Zoning, deed, and other land use restrictions;

1.22.6.6 Approval and permits required in the CITY's jurisdiction and those from outside agencies unless such approvals and permits are the responsibility of the VENDOR; and

1.22.6.7 Arrange for access to make all provisions for the VENDOR to enter upon the CITY's property as required for the VENDOR to perform services under this Agreement.

1.22.6.8 Consistent with the professional standard of care and unless otherwise specifically provided herein, VENDOR shall be entitled to rely upon the accuracy of data and information provided by the CITY or others without independent review or evaluation.

1.23 **SEQUENCE OF EVENTS**

1.23.1 Following receipt of any Task Order, the VENDOR shall submit to the CITY, at least five (5) business days prior to actual commencement of services, a schedule of services and expenses for approval by the CITY before any services commence. The CITY reserves the right to make changes to the sequence as necessary to facilitate the services or to minimize any conflict with operations.

1.23.2 Task Orders will be issued to the VENDOR in the order in which the CITY wishes, and shall be performed and completed in the order they are issued, unless otherwise specifically permitted by the CITY. Minor adjustments to the timetable for completion approved by the CITY in advance, in writing, shall not constitute non-performance by VENDOR pursuant to this Agreement.

1.23.3 In accordance with the CITY's Purchasing Policy Manual, proposals received by the VENDOR as a result of a Task Order that exceeds the Procurement threshold amount, will require approval from CITY Commission before the execution of services.

1.23.4 When the CITY issues Task Orders to the VENDOR, each authorization shall contain a stated completion schedule. If caused by the negligent errors or omissions of VENDOR, failure of the VENDOR to meet the stated schedule shall constitute a default for which payment for services may be withheld until default is cured. Time extensions will be reviewed upon request for extenuating circumstances.

1.23.5 It is anticipated and intended that the VENDOR will be authorized to begin new Task Order(s) on a "rolling" basis, as some already assigned Task Orders near timely completion. If a subsequent Task Order is issued to the VENDOR before it has completed the current Task Order, the completion date for each Task Order will remain independent of each other so that the VENDOR will prioritize the uncompleted Task Order from the first Task Order and finish as soon as practical. Failure to

complete the “older” Task Orders in a timely manner may adversely impact continued early authorization to start subsequent work.

1.23.6 When the VENDOR has exceeded the stated completion date, including any extension for extenuating circumstances, which may have been granted, a written notice of Default will be issued within seven (7) calendar days of the date that the default became active with a requirement of seven (7) calendar days to cure said default, to the VENDOR and payment for services rendered shall be withheld until such time that the CITY has determined that default has been cured.

1.23.7 Should the VENDOR exceed the assigned completion time, the CITY reserves the right not to issue to the VENDOR any further Task Order(s) until such time as it is no longer in default and the VENDOR has demonstrated to the CITY’s satisfaction, the reasons for tardy completion have been addressed and are not likely to be repeated in subsequent Task Orders. This restricted issuance provision may result in the VENDOR not being issued all of the planned work the CITY anticipated in this Agreement. The VENDOR shall have no right to the balance of any work or to any compensation associated with these non-issued Task Orders due to the VENDOR being rendered in default.

1.23.8 Should the VENDOR remain in default for a period of fifteen (15) consecutive calendar days beyond the time frame provided in Paragraph 1.23.6, the CITY may at its sole option retain another VENDOR to perform any Services arising out of this Agreement and/or terminate this Agreement.

1.24 DEFINITION OF DEFAULT

1.24.1 An event of default shall mean a material breach of this Agreement. Without limiting the generality of the foregoing and in addition to those instances referred to as a material breach, an event of default shall include the following:

a. VENDOR has not performed services on a timely basis due to VENDOR’s negligent errors or omissions;
b. VENDOR has refused or failed to supply enough properly skilled personnel;
c. VENDOR has failed to make prompt payments to VENDOR’s sub-consultants or suppliers for any services after receiving payment from the CITY for such services or supplies;
d. VENDOR has failed to obtain the approval of the CITY where required by this Agreement;
e. VENDOR has refused or failed to provide the services as defined in this Agreement;
f. VENDOR has filed bankruptcy or any other such insolvency proceeding and the same is not discharged within ninety (90) calendar days of such date;
g. CITY has failed to make payments to VENDOR in accordance with the requirements of this Agreement;

1.24.2 In the event of Default, the VENDOR shall be liable for all damages resulting from the Default including:

a. The difference between the amount that has been paid to the VENDOR and the amount required to complete the VENDOR’s Services, provided the fees by the firm replacing the VENDOR are reasonable and the hourly rates do not exceed the VENDOR’S rates. This amount shall also include procurement and administrative costs incurred by the CITY.

b. In the event of default by the City, VENDOR may suspend the Services pending receipt of such payment.

1.24.3. The CITY may take advantage of each and every remedy specifically existing at law or in equity. Each and every remedy shall be in addition to every other remedy given or otherwise existing and may be exercised from time to time and as often and in such order as may be deemed expedient by the CITY. The exercise or the beginning of

the exercise of one remedy shall not be deemed to be a waiver of the right to exercise any other remedy. The CITY's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to the CITY in law or in equity.

1.25 VENDOR shall not utilize the services of any sub-consultant without the prior written approval of CITY.

1.26 The CITY's Representative during the performance of this Agreement shall be ____.

1.27 The VENDOR's Representative during the performance of the Agreement shall be _____.

2. **TERM.** The initial Agreement period shall be for an initial term of two (2) years, commencing on **11/19/2024**, and shall remain in effect through **11/18/2026**. The City reserves the right to automatically renew the Agreement for two (2) two-year renewals subject to termination clause(s) as provided herein. The City requires firm fixed rates for the initial agreement term. Either party must give a sixty calendar day(s) written notice prior to the Agreement anniversary date of the intent to not renew for the renewal term. The initial term and any exercised renewal terms are collectively referred to as the "Term." Automatic renewal terms will be based on the same terms, conditions, pricing, specifications, and services herein. The VENDOR understands and acknowledges that all services to be performed will be governed by this Agreement and that there is no guarantee of any assignment, minimum amount of professional services, compensation, or future work being given to the VENDOR.

3. **Limited Term Extension**: The CITY may, at its sole discretion and without further City Commission action, extend the term of this Agreement for an additional one-hundred and eighty (180) calendar days (the "limited term extension") by filing a written notice signed by the Vendor and the City's Purchasing Department. At no time shall this limited term extension extend more than one-hundred eighty (180) calendar days beyond the expiration date of this Agreement without further City Commission approval. The VENDOR will be reimbursed for these services at the rate in effect when this limited term extension clause was invoked by the CITY.

4. **TIME OF PERFORMANCE / METHOD OF ORDERING SERVICES.**

4.1. Services under this Agreement shall commence upon the CITY's written notice to the VENDOR through an executed Task Order. The VENDOR shall perform all Services and provide all work products required pursuant to this Agreement and the specific Task Order by the sequence of events, or unless the CITY grants an extension of time in writing.

4.2. Limitations. No Task Order issued under this Agreement will be valid if the estimated construction cost of the specific project or the study activity fee exceeds the amounts set forth in Section 287.055, Florida Statutes.

4.3. VENDOR shall complete each Task Order executed during the Term without regard to whether such completion would cause Services to be performed after the expiration date of this Agreement. Any Task Order for which performance extends beyond the Term may be amended after that expiration date, provided that any additional Services, time, and compensation are permitted under this Agreement. The terms and conditions of this Agreement shall continue to govern Task Orders notwithstanding the expiration of this Agreement.

5. **PAYMENT**. The VENDOR shall be paid by the CITY for completed work and for Services rendered as follows:

a. Payment for the Services provided by VENDOR shall be made in accordance with the Fee Schedule as provided in **Exhibit B** attached hereto.

b. Payment as provided in this section by the CITY shall be full compensation for work performed, services rendered, and for all materials, supplies, equipment, and incidentals necessary to complete the Services.

c. Compensation for vendor's sub-consultants will be negotiated based on each Task Order. Compensation will be through a direct mark-up in accordance with the Fee Schedule attached

hereto. Sub-consulting services shall be approved by the City's representative in writing prior to performance of the sub-consulting work. Consulting time for processing and management of the VENDOR's sub-consultant shall not be included in direct cost as the direct mark-up is applied for management efforts.

d. The VENDOR may submit invoices to the CITY once per month during the progress of the Srevices for partial payment. Such invoices will be checked by the CITY, and upon approval thereof, payment will be made to the VENDOR in the amount approved.

e. In certain cases where incremental billing for partially completed Services is permitted by the CITY's representative, the total incremental billings shall not exceed the percentage of estimated completion of identifiable deliverables or accepted deliverables as of the billing date.

f. Computation of Time Charges/Not-to-Exceed Method of Payment: When a service is to be compensated based on time charge/not-to-exceed method, the VENDOR shall submit a not-to-exceed proposal to the CITY's representative for prior approval based on estimated labor hours and hourly rates, which shall not exceed the established hourly rates set forth in the Fee Schedule, plus any sub-consultant services and other related costs supporting the proposed Services. The CITY shall not be obligated to reimburse the VENDOR for costs incurred in excess of the total not-to-exceed cost amount.

g. Final payment of any balance due to the VENDOR of the total Task Order price earned will be made promptly upon its ascertainment and verification by the CITY after the completion of the Services under this Agreement and its acceptance by the CITY.

h. Final Invoice: In order for both parties herein to close their books and records, the VENDOR will clearly state "Final Invoice" on the VENDOR's final/last billing to the CITY. The final invoice certifies that all services have been properly performed and all charges and costs have been invoiced to the CITY. Since this account will thereupon be closed, any other further charges, if not properly included on this invoice, are considered waived by the VENDOR.

i. The VENDOR's records and accounts pertaining to this Agreement are to be kept available for inspection by representatives of the CITY and State for a period of five (5) years after the termination of the Agreement. Copies shall be made available upon request.

j. Hourly rates shall remain fixed and firm for the initial two (2) year period of this Agreement. Cost of subsequent years and any extension terms shall be subject to an adjustment only if increases incur in the industry. However, unless very unusual and significant changes as determined by the City, have occurred in the industry, such increases shall not exceed 5% per year, or whichever is less, the latest yearly percentage increase in the All Urban Consumer Price Index (CPI-U) (National) as published by the Bureau of Labor Statistics, U.S. Department of Labor. The yearly increase or decrease in the CPI shall be based on the latest index published and available ninety (90) calendar days prior to the end of the Agreement year then in effect, compared to the index for the same month one (1) year prior. Any requested cost increase shall be fully documented and submitted to the CITY at least sixty (60) calendar days prior to the Agreement anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of this Agreement. In the event the CPI or industry costs decline, the CITY shall have the right to receive from the VENDOR, a reasonable reduction in costs that reflect such changes in the industry. All rate increases above 2% must be approved by the City Commission on the recommendation of the Director of Financial Services.

k. The CITY may after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the CITY does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the CITY, the Agreement may be canceled by the CITY upon giving thirty (30) calendar days' written notice to the VENDOR.

l. All payments shall be governed by the Local Government Prompt Payment Act, as set forth in Part VII, Chapter 218, Florida Statutes.

6. **OWNERSHIP AND USE OF DOCUMENTS.** Upon completion of any project / Task Order and final payment to VENDOR, all documents, drawings, specifications, and other materials produced by the VENDOR in connection with the services rendered under this Agreement shall be the property of the CITY whether the project for which they are made is executed or not. Notwithstanding the foregoing, the VENDOR shall maintain the rights to reuse standard details and other design copies, including reproducible copies, of drawings and specifications for information, reference, and use in connection with VENDOR's endeavors. Any use of the documents for purposes other than as originally intended by this Agreement, without the written consent of VENDOR, shall be at the CITY's sole risk and without liability to VENDOR and VENDOR's sub-consultants.

7. **FUNDING.** This Agreement shall remain in full force and effect only as long as the expenditures provided in the Agreement have been appropriated by the CITY in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding.

8. **WARRANTIES AND REPRESENTATIONS.** VENDOR represents and warrants to the CITY that it is competent to engage in the scope of services contemplated under this Agreement and that it will retain and assign qualified professionals to all assigned projects during the term of this Agreement. VENDOR's Services shall meet or exceed the standard of care and skill ordinarily used by members of VENDOR's profession practicing under similar circumstances. In submitting its response to the RFQ, VENDOR has represented to CITY that certain individuals employed by VENDOR shall provide services to CITY pursuant to this Agreement. CITY has relied upon such representations. Therefore, VENDOR shall not change the designated Project Manager for any project without the advance written approval of the CITY, which consent may be withheld in the sole and absolute discretion of the CITY.

9. **COMPLIANCE WITH LAWS.** VENDOR shall, in performing the services contemplated by this Agreement, faithfully observe and comply with all federal, state, and local laws, ordinances, and regulations that are applicable to the services to be rendered under this Agreement.

10. **INDEMNIFICATION.**

A. The VENDOR shall indemnify and hold harmless CITY and its current, past, and future officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of VENDOR or other persons employed or utilized by VENDOR in the performance of this Agreement. Neither party to this Agreement shall be liable to any third party claiming directly or through the other respective party, for any special, incidential, indirect, or consequential damages of any kind, including but not limited to lost profits or use that may result from this Agreement or out of the services or goods furnished hereunder.

B. The parties understand and agree that the covenants and representations relating to this indemnification provision shall survive the term of this Agreement and continue in full force and effect as to the party's responsibility to indemnify.

C. Nothing contained herein is intended nor shall be construed to waive CITY's rights and immunities under the common law or §768.28, Fla. Stat., as may be amended from time to time.

PURSUANT TO FLORIDA STATUTE, NO INDIVIDUAL DESIGN PROFESSIONAL EMPLOYED BY OR ACTING AS AN AGENT OF VENDOR MAY BE HELD INDIVIDUALLY LIABLE FOR DAMAGES RESULTING FROM THE NEGLIGENCE OCCURRING WITHIN THE COURSE AND SCOPE OF THIS AGREEMENT

11. **INSURANCE.**

A. During the performance of the services under this Agreement, VENDOR shall maintain the following insurance policies, and provide originals or certified copies of all policies to CITY's Risk Management Director. All policies shall be written by an insurance company authorized to do business in Florida. VENDOR shall be required to obtain all applicable insurance coverage, as indicated below, prior to commencing any service pursuant to this Agreement:

a. **Worker's Compensation Insurance**: The VENDOR shall procure and maintain for the life of this Agreement, Worker's Compensation Insurance covering all employees

with limits meeting all applicable state and federal laws. This coverage shall include Employer's Liability with limits meeting all applicable state and federal laws. This coverage must extend to any subcontractor that does not have their own Worker's Compensation and Employer's Liability Insurance. The policy must contain a waiver of subrogation in favor of the City of Boynton Beach, executed by the insurance company.

b. **Comprehensive General Liability**: The VENDOR shall procure and maintain for the life of this Agreement, Comprehensive General Liability Insurance. This coverage shall be on an "Occurrence" basis. Coverage shall include Premises and Operations; Independent consultants, Products-Completed Operations, and Contractual Liability with specific reference to Article 7, "Indemnification" of this Agreement. This policy shall provide coverage for death, personal injury, or property damage that could arise directly or indirectly from the performance of this Agreement. VENDOR shall maintain a minimum coverage of $1,000,000 per occurrence and $1,000,000 aggregate for personal injury/ and $1,000.000 per occurrence/aggregate for property damage. The general liability insurance shall include the CITY as an additional insured and shall include a provision prohibiting cancellation of the policy upon thirty (30) calendar days prior written notice to the CITY.

c. **Business Automobile Liability**: The VENDOR shall procure and maintain, for the life of this Agreement, Business Automobile Liability Insurance. The VENDOR shall maintain a minimum amount of $1,000,000 combined single limit for bodily injury and property damage liability to protect the VENDOR from claims for damage for bodily and personal injury, including death, as well as from claims for property damage, which may arise from the ownership, use of maintenance of owned and non-owned automobile, included rented automobiles, whether such operations be by the VENDOR or by anyone directly or indirectly employed by the VENDOR.

d. **Professional Liability (Errors and Omissions) Insurance**: The VENDOR shall procure and maintain for the life of this Agreement in the minimum amount of $1,000,000 per occurrence.

e. **Umbrella/Excess Liability Insurance**: in the amount of $1,000,000.00 as determined appropriate by the CITY depending on the type of job and exposures contemplated. Coverage must follow the form of the General Liability, Auto Liability, and Employer's Liability. This coverage shall be maintained for a period of no less than the later of three (3) years after the delivery of goods/services or final payment pursuant to the Agreement.

B. VENDOR shall provide the CITY with all Certificates of Insurance required under this section prior to beginning performance under this Agreement. Failure to maintain the required insurance will be considered a default of the Agreement.

C. The CITY shall be named as an additional insured. The coverage shall contain no limitations on the scope of protection afforded to the CITY, its officers, officials, employees, or volunteers. A current valid insurance policy meeting the requirements herein identified shall be maintained during the duration of this Agreement, and shall be endorsed to state that coverage shall not be suspended, voided, or canceled by either party, reduced in coverage in limits except after thirty (30) calendar days prior written notice by either certified mail, return receipt requested, has been given to the CITY.

D. The CITY reserves the right to reasonably require any additional insurance coverage or increased limits as determined necessary by the Risk Management Director. The CITY reserves the right to review, modify, reject, or accept any required policies of insurance, including limits, coverage, or endorsements throughout the term of the Agreement.

12. **INDEPENDENT VENDOR/CONTRACTOR.** The VENDOR and the CITY agree that the VENDOR is an independent vendor/contractor with respect to the services provided pursuant to this Agreement. Nothing in this Agreement shall be considered to create the relationship of employer and employee between the parties hereto. Neither VENDOR nor any employee of VENDOR shall be entitled to any benefits accorded CITY employees by virtue of the services provided under this Agreement. The CITY shall not be responsible for withholding or otherwise deducting federal income tax or Social Security or for contributing

to the state industrial insurance program, otherwise assuming the duties of an employer with respect to VENDOR, or any employee of VENDOR.

13. **COVENANT AGAINST CONTINGENT FEES.** The VENDOR warrants that he has not employed or retained any company or person, other than a *bona fide* employee working solely for the VENDOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a *bona fide* employee working solely for the VENDOR any fee, commission, percentage, brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the CITY shall have the right to annul this Agreement without liability or, in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

14. **TRUTH-IN-NEGOTIATION CERTIFICATE.**

    A. Execution of this Agreement by the VENDOR shall act as the execution of a truth-in-negotiation certificate certifying that the wage rates and costs used to determine the compensation provided for in this Agreement is accurate, complete, and current as of the date of the Agreement and no higher than those charged the VENDOR's most favored customer for the same or substantially similar service.

    B. The said rates and cost shall be adjusted to exclude any significant sums should the CITY determine that the rates and costs were increased due to inaccurate, incomplete, or non-current wage rates or due to inaccurate representations of fees paid to outside VENDORs. The CITY shall exercise its rights under this "Certificate" within one (1) year following payment.

15. **SUBCONTRACTING.**

    A. VENDOR shall not utilize the services of any sub-consultant without the prior written approval of CITY

    B. The CITY reserves the right to accept the use of a sub-consultant or to reject the selection of a particular sub-consultant and to inspect all facilities of any sub-consultant in order to make a determination as to the capability of the sub-consultant to perform properly under this Agreement. If the VENDOR uses any sub-consultants on this project, the following provisions of this Article shall apply:

    C. If a sub-consultant fails to perform or make progress, as required by this Agreement, and it is necessary to replace the sub-consultant to complete the Services in a timely fashion, the VENDOR shall promptly do so, subject to acceptance of the new sub-consultant by the CITY. The substitution of a sub-consultant shall not be adequate cause to excuse a delay in the performance of any portion of this Agreement as set forth in the Scope of Work or applicable Task Order.

    D. The VENDOR, its sub-consultants, agents, servants, or employees agree to be bound by the terms and conditions of this Agreement and its agreement with any sub-consultant for work to be performed for the CITY the VENDOR must incorporate the terms of this Agreement.

16. **DISCRIMINATION PROHIBITED.** The VENDOR, with regard to the work performed by it under this Agreement, will not discriminate on the grounds of race, color, national origin, religion, creed, age, sex, or the presence of any physical or sensory handicap in the selection and retention of employees or procurement of materials or supplies.

17. **ASSIGNMENT.** The VENDOR shall not sublet or assign any of the services covered by this Agreement without the express written consent of the CITY.

18. **NON-WAIVER.** A waiver by either CITY or VENDOR of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.

19. **TERMINATION.**

A. **Termination for Convenience**. This Agreement may be terminated by the CITY for convenience, upon fourteen (14) calendar days of written notice by the terminating party to the other party for such termination in which event the VENDOR shall be paid its compensation for services performed to the termination date, including services reasonably related to termination. In the event that the VENDOR abandons the Agreement or causes it to be terminated, the VENDOR shall indemnify the CITY against loss pertaining to this termination.

B. **Termination for Cause**. In addition to all other remedies available to CITY, this Agreement shall be subject to cancellation by CITY for cause, should VENDOR neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for a period of thirty (30) calendar days after receipt by VENDOR of written notice of such neglect or failure.

20. **DISPUTES.**

A. Any and all legal action necessary to enforce the terms of this Agreement shall be governed by the laws of the State of Florida. Any legal action arising from the terms of this Agreement shall be submitted to a court of competent jurisdiction exclusively located in Palm Beach County.

B. **Correction of Work**. If, in the judgment of CITY, work provided by VENDOR does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, CITY reserves the right to require that VENDOR correct all deficiencies in the work to bring the work into conformance without additional cost to CITY, and/or replace any personnel who fail to perform in accordance with the requirements of this Agreement. CITY shall be the sole judge of non-conformance and the quality of workmanship.

C. **Remedies in Default**. In case of default by VENDOR, CITY shall notify VENDOR, in writing, of such abandonment, delay, refusal, failure, neglect, or default and direct VENDOR to comply with all provisions of the Agreement. If the abandonment, delay, refusal, failure, neglect, or default is not cured within seven (7) calendar days of when notice was sent by CITY, CITY may declare a default of the Agreement and notify VENDOR of such declaration of default and terminate the Agreement.

a. Upon such declaration of default, all payments remaining due VENDOR at the time of default, less all sums due CITY for damages suffered or expenses incurred by reason of default, shall be due and payable to VENDOR.

b. CITY may complete the Agreement, or any part thereof, either by day labor, use of a subcontractor, or by re-letting a contract for the same, and procure the equipment and the facilities necessary for the completion of the Agreement, and charge the cost of same to VENDOR together with the costs incident thereto to such default.

c. In the event CITY completes the Agreement at a lesser cost than would have been payable to VENDOR under this Agreement, if the same had been fulfilled by VENDOR, CITY shall retain such differences. Should such cost to CITY be greater, VENDOR shall pay the amount of such excess to the CITY.

d. Notwithstanding the other provisions in this Article, CITY reserves the right to terminate the Agreement at any time, whenever the service provided by VENDOR fails to meet reasonable standards of the trade after CITY gives written notice to the VENDOR of the deficiencies as set forth in the written notice within thirty (30) calendar days of the receipt by VENDOR of such notice from CITY.

21. **UNCONTROLLABLE FORCES.**

21.1 Neither the CITY nor VENDOR shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term “Uncontrollable Forces” shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the non-performing party. It includes, but is not limited to fire, flood,

earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

21.2 Neither party shall, however, be excused from performance if non-performance is due to forces, which are preventable, removable, or remediable, and which the non-performing party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The non-performing party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

22. **CITY PROVIDED INFORMATION AND SERVICES.**

22.1 CITY shall furnish VENDOR available studies, reports, and other data pertinent to VENDOR'S services; obtain or authorize VENDOR to obtain or provide additional reports and data as required; furnish to VENDOR services of others required for the performance of VENDOR's Services hereunder, and VENDOR shall be entitled to use and rely upon all such information and services provided by CITY or others in performing VENDOR's Services under this Agreement.

23. **ESTIMATES AND PROJECTIONS.**

23.1 In providing opinions of cost, financial analyses, economic feasibility projections, and schedules for potential projects, VENDOR has no control over cost or price of labor and material; unknown or latent conditions of existing equipment or structures that may affect operation and maintenance costs; competitive bidding procedures and market conditions; time or quality of performance of third parties; quality, type, management, or direction of operating personnel; and other economic and operational factors that may materially affect the ultimate project cost or schedule. Therefore, VENDOR makes no warranty that CITY's actual project costs, financial aspects, economic feasibility, or schedules will not vary from VENDOR's opinions, analyses, projections, or estimates.

24. **THIRD PARTIES.**

24.1 The services to be performed by VENDOR are intended solely for the benefit of CITY. No person or entity not a signatory to this Agreement shall be entitled to rely on VENDOR's performance of its services hereunder, and no right to assert a claim against VENDOR by assignment of indemnity rights or otherwise shall accrue to a third party as a result of this Agreement or the performance of VENDOR's services hereunder.

25. **NOTICES**. Notices to the CITY shall be sent to the following address:

Daniel Dugger, City Manager
City of Boynton Beach
100 E. Ocean Avenue
Boynton Beach, FL 33435
Telephone No. (561) 742-6000

Notices to VENDOR shall be sent to the following address:

ATTN:	Elizabeth Fujikawa
	Carollo Engineers, Inc.
Address:	2056 Vista Parkway
	Suite 150
	West Palm Beach, FL 33411
Phone:	561-868-6400
Email:	efujikawa@carollo.com

26. **INTEGRATED AGREEMENT.** This Agreement, together with RFQ and any addenda and/or attachments, represents the entire and integrated Agreement between the CITY and the VENDOR and supersedes all

prior negotiations, representations, or agreements, written or oral. This Agreement may be amended only by written instrument signed by both CITY and VENDOR.

27. **PUBLIC RECORDS.** The CITY is a public agency subject to Chapter 119, Florida Statutes. The VENDOR shall comply with Florida's Public Records Law. Specifically, the VENDOR shall:

    A. Keep and maintain public records required by the CITY to perform the service;

    B. Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Fla. Stat. or as otherwise provided by law;

    C. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and, following completion of the Agreement, VENDOR shall maintain in a secured manner all copies of such confidential and exempt records remaining in its possession once the VENDOR transfers the records in its possession to the CITY; and

    D. Upon completion of the Agreement, VENDOR shall transfer to the CITY, at no cost to the CITY, all public records in VENDOR's possession. All records stored electronically by VENDOR must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
TELEPHONE: 561-742-6060
CityClerk@bbfl.us

28. E-VERIFY.

28.1 VENDOR certifies that it is aware of and complies with the requirements of Section 448.095, Florida Statutes, as may be amended from time to time and briefly described herein below.

Definitions for this Section:

A. "Contractor, Vendor, Proposer, Consultant" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for a salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

B. "Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for a salary, wages, or other remuneration.

C. "E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

28.1.2 Registration Requirement; Termination: Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-Verify System in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

A. All persons employed by a Contractor to perform employment duties within Florida during the term of the Agreement;

B. All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and

C. By entering into this Agreement, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract.

28.1.3 Contract Termination. If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1), Fla. Stat., the contract shall be terminated

29. **SCRUTINIZED COMPANIES 287.135 and 215.473.** By execution of this Agreement, VENDOR certifies that VENDOR is not participating in a boycott of Israel. VENDOR further certifies that VENDOR is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has VENDOR been engaged in business operations in Syria. Subject to limited exceptions provided in state law, the City will not contract for the provision of goods or services with any scrutinized company referred to above. Submitting a false certification shall be deemed a material breach of contract. The CITY shall provide notice, in writing, to VENDOR of the CITY's determination concerning the false certification. VENDOR shall have five (5) calendar days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active contract term, VENDOR shall have ninety (90) calendar days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If VENDOR does not demonstrate that the CITY's determination of false certification was made in error then the CITY shall have the right to terminate the contract and seek civil remedies pursuant to Section 287.135, Florida Statutes, as amended from time to time.

30. **SOVEREIGN IMMUNITY.** Nothing contained herein is intended to serve as a waiver of sovereign immunity by the CITY or as a waiver of limits of liability or rights the CITY may have under the doctrine of sovereign immunity or under Section 768.28, Florida Statutes.

31. **CONFLICTS.** If there is a conflict or inconsistency between any term, statement, requirement, or provision of this Agreement, Exhibits, any Task Order, VENDOR's Proposal, or other documents incorporated into this Agreement, such conflict shall be resolved pursuant to the following order of precedence (1) this Agreement, (2) any Task Order, (3) the RFQ, and (4) VENDOR's Proposal.

32. **COMPLIANCE WITH STATE ENERGY POLICY AND CONSERVATION ACT**. VENDOR shall comply with all mandatory standards and policies relating to energy efficiency contained in the State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

33. **DOMESTIC PREFERENCE FOR PROCUREMENTS**. As appropriate and to the extent consistent with law, the VENDOR should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For purposes of this clause: Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items

and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

34. **LICENSE AND DELIVERY OF WORKS SUBJECT TO COPYRIGHT AND DATA RIGHTS**. If applicable, the VENDOR grants to CITY, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the contract but not first produced in the performance of this Agreement, VENDOR will identify such data and grant to the CITY or acquire on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this Agreement, VENDOR will deliver to the VENDOR data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this Agreement in formats acceptable by VENDOR.

35. **ENTITIES OF FOREIGN CONCERN.** The provisions of this section apply only if Vendor or any subcontractor will have access to an individual's personal identifying information under this Agreement. VENDOR represents and certifies: (i) VENDOR is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in VENDOR; and (iii) VENDOR is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. Prior to VENDOR and any subcontractor having access to personal identifying information pursuant to this Agreement, VENDOR and any subcontractor shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

36. **ANTI-HUMAN TRAFFICKING**. On or before the Effective Date of this Agreement, VENDOR shall provide CITY with an affidavit attesting that the VENDOR does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

37. **COUNTRIES OF CONCERN**. VENDOR represents that it is, and for the duration of the Term will remain, in compliance with Section 286.101, Florida Statutes.

38. **DULY LICENSED**. VENDOR represents that it is duly licensed in Florida to perform the Services under this Agreement and that it will continue to maintain all licenses and approvals required to conduct its business.

SIGNATURE PAGE FOLLOWS

"This Agreement will take effect once signed by both parties. This Agreement may be signed by the parties in counterparts which together shall constitute one and the same agreement among the parties. A facsimile signature shall constitute an original signature for all purposes."

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in multiple copies, each of which shall be considered an original on the following dates:

Risk Management Department

INSURANCE ADVISORY FORM

Under the terms and conditions of all contracts, leases, and agreements, the City requires appropriate coverages listing the City of Boynton Beach as Additional Insured. This is done by providing a Certificate of Insurance listing the City as "Certificate Holder" and "The City of Boynton Beach is Additional Insured as respect to coverages noted." Insurance companies providing insurance coverages must have a current rating by A.M. Best Co. of “B+” or higher. *(NOTE: An insurance contract or binder may be accepted as proof of insurance if a Certificate is provided upon selection of vendor.)* Thefollowing is a list of types of insurance required of contractors, lessees, etc., and the limits required by the City: **(NOTE: This list is not all inclusive, and the City reserves the right to require additional types of insurance, or to raise orlower the stated limits, based upon identified risk.)**

TYPE (Occurrence Based Only)	**MINIMUM LIMITS REQUIRED**	
General Liability	General Aggregate	$ 1,000,000.00
Commercial General Liability	Products-Comp/Op Agg.	$ 1,000,000.00
Owners & Contractor's Protective (OCP)	Personal & Adv. Injury	$ 1,000,000.00
Asbestos Abatement	Each Occurrence	$ 1,000,000.00
Lead Abatement	Fire Damage (any one fire)	$ 50,000.00
Broad Form Vendors	Med. Expense (any one person)	$ 5,000.00
Premises Operations		
Underground Explosion & Collapse Products		
Completed Operations Contractual		
Independent Contractors Fire		
Legal Liability		
Professional Liability	Aggregate	$ 1,000,000.00
Automobile Liability	Combined Single Limit	$ 1,000,000.00
Any Auto		
All Owned Autos		
Hired Autos		
Non-Owned Autos		
Excess Liability	Each Occurrence	to be determined
Umbrella Form	Aggregate	to be determined
Worker's Compensation Statutory Limits		
Employer's Liability	Each Accident	$ 1,000,000.00
	Disease, Policy Limit	$ 1,000,000.00
	Disease Each Employe	$ 1,000,000.00
Property:		
Homeowners Revocable Permit		$ 300,000.00
Builder's Risk		Limits based on Project Cost
Installation Floater		Limits based on Project Cost
Other - As Risk Identified		to be determined

Subject: Exhibit A: Proposal for Engineering Services
Task Order No. GESUT-3C-03-25 Wastewater and Potable Water Models Update and Calibration

Dear Mr. Webber:

As requested, we have prepared the following proposed scope of services for the subject project.

BACKGROUND

The City of Boynton Beach (City) owns and operates a wastewater collection system and a potable water distribution system serving approximately 75,000 customers. The City has not updated or calibrated their wastewater or potable water hydraulic models in 9 years and wants to continue using them as tools to evaluate performance of existing infrastructure and plan for redevelopment/development and future flow conditions. The City also wants to achieve a better understanding of the impact of wet weather on its master wastewater conveyance infrastructure to improve resiliency. As a result, the City wants to update the hydraulic models with the most current GIS database, and calibrate the models based on select field testing and SCADA information.

This Task Order (TO) provides engineering services for Carollo Engineers, Inc. (Carollo) to update and calibrate the City's wastewater model and the City's potable water model. Services to convert the wastewater model from Innovyze InfoSWMM to Bentley SewerGEMS and the potable water model from Innovyze InfoWater to Bentley WaterGEMS are also included.

The scope of services proposed as part of this TO is as–follows:

TASK 1 - PROJECT MANAGEMENT AND MEETINGS

Subtask 1.1 – Project Management and Communication

Carollo's project manager (PM) will make staffing assignments, review work progress, coordinate quality assurance and review procedures, and submit monthly progress reports along with monthly invoices. The PM will manage the budget, schedule, and invoicing. Regular virtual coordination phone calls will be held with the City PM and Carollo PM, monthly.

Subtask 1.2 – Project Kickoff Meeting and Progress Meetings

Carollo will facilitate a working Kickoff Meeting (in person) to discuss project goals and expectations. One (1) virtual progress meeting will be held to discuss field test needs and other data requirements for calibration. Two (2) additional progress meetings (in person), one for each system, are included to review preliminary calibration results for the potable water and the wastewater hydraulic models.

Subtask 1.3 – Coordination with Other Ongoing Task Orders

Time will be included under this subtask to coordinate activities among this and other TOs currently under development by Carollo, including the Boynton Beach Consent Order Assistance TO and the Boynton Beach Asset Management TO. This coordination of activities will be done through periodic internal meetings of the Carollo teams and will lead to streamlined management of information and quality of data and time/schedule savings.

Task 1 Deliverables:

- Monthly progress reports and invoices.
- Meeting agendas, presentations, and minutes in electronic format (PDF).

TASK 2 - DATA COLLECTION AND ANALYSIS

Subtask 2.1 – Collection System Data Collection: SCADA and Wet Weather Records

Carollo will begin the project by requesting updated information, including:

- Latest GIS sewer database (.gdb or .shp format)
- Daily average influent flow totals into the South Central Regional Wastewater Treatment Plant (SCRWWTP) measured upstream of headworks, Boynton side only, for the last five (5) years. (.xlsx spreadsheet format).
- Hourly influent to the SCRWWTP for the period when field testing will be performed. (.xlsx spreadsheet format).
- Hourly influent to the SCRWWTP for the five highest flow days within the last 5 years. (.xlsx spreadsheet format).
- Hourly influent to the SCRWWTP for the five lowest flow days within the last 5 years. (.xlsx spreadsheet format).
- Additional hourly data may be requested after the analysis of the historical data is completed.
- Lift station SCADA for the last year, including:
    - Pump runtimes (daily frequency for tandem lift stations, hourly for master lift stations, as available). (.xlsx spreadsheet format).
    - Pump status or pumps starts summaries (daily frequency for tandem lift stations, hourly for master lift stations, as available). (.xlsx spreadsheet format).
- Confirmed pump control levels (floats depth from wet well rim for tandem/submersible lift stations, and on/off/alarms elevations for master lift stations) (summarized in .xlsx spreadsheet format).
- Record drawings of any lift station configuration change that has occurred over the last 9 years. (.pdf format)

- Record drawings of force main configuration changes that have occurred over the last 9 years, if not reflected in GIS. (.pdf format)
- Excel (.xlsx format) files with:
    - Updated pump curves information by lift station
    - Pump design parameters such as horsepower, rated flow and head, impeller diameter, number of pumps if updated, and connection size as available.
    - Annotations as to how the operator envisions the pump station would operate better, i.e. lead pump operating longer than jockey pumps.
    - Dated history of wet well overflows or instances where emergency operations were necessary to avoid overflows.

  Carollo will provide an Excel template for City to enter this information if such is not already in a working spreadsheet maintained by the City's Operations team.
- Any change in operating strategies as redevelopment has occurred (written/ email format or .pdf diagrams)

These data will be used to update the wastewater model as described in Task 3, and to calibrate it as described in Task 4.

Subtask 2.2 – Collection System Field Testing

The objective of this subtask is to obtain an accurate dry weather flow (DWF) calibration data set and an accurate wet weather flow (WWF) calibration data set. For best accuracy, both the incoming flow into a station and the pumps response to it will be characterized in the field and reflected in the model. Because incoming flow is not currently monitored by SCADA, Carollo proposes to retain the services of a Subconsultant to perform flow monitoring.

Dry and Wet Weather Flow Testing by a Subconsultant:

In order to assess the impact of wet weather on the City's master wastewater conveyance infrastructure, the services of a Subconsultant will be retained to measure incoming wastewater flow at the City's master lift stations. These measurements are used to determine the amount of Inflow and Infiltration (I&I) in the sewer system. The flow testing will be over up to two extended (1 month each) periods (dry/wet) which will be scheduled at the same timeframe that the City and Carollo perform pressure and pump testing.

Pressure and Pump Testing by the City with Carollo Assistance:

With the aim to verify pump curve/capacity and system pressure, Carollo proposes that the City perform wet well draw-down testing at master lift stations during two different weather conditions. The field testing should be programmed as follows:

- After a period of approximately 5 days of dry weather, in parallel with dry weather flow monitoring.
- During a period of wet weather, in parallel with wet weather flow monitoring.

A detailed testing procedure and form to fill out in the field for data collection will be provided by Carollo to the City. One form shall be filled out per each location tested, each of the testing days.

Six (6) pressure loggers will be provided by Carollo, which shall be installed by the City to measure pressure at the discharge force main of each master lift station (6 in total) prior to the commencement of the flow

monitoring and drawdown tests. Prior to the start of Task 2, the City shall identify a location within the valve box of the master lift stations (typically at ARVs) where a ¼ NPT male thread fitting could be installed.

Two (2) additional Carollo-provided pressure loggers shall be installed by the City at force main locations where ARVs are accessible and for a duration consistent with flow monitoring. The drawdown testing at master lift stations is expected to occur within this timeframe.

Subtask 2.3 – Collection System Dry and Wet Weather Flow Analysis

Carollo will collect publicly available rainfall data from South Florida Water Management District rain gauges identified in Subtask 2.2 and classify the return interval and frequency of major rainfall events captured during the extended period test(s). Dry periods will be identified as well.

For identified dry periods during field testing, characteristic dry weather flow volumes and diurnal patterns will be developed for each site with recorded data. Base sanitary flows will be compared vs. water billing data within the master lift station basins to approximate the proportion of groundwater infiltration. Results will be used in dry weather flow (DWF) scenarios of the hydraulic model.

Wet weather response to the identified major rainfall events will be analyzed for each site with available flow data from field testing. The I&I response for each test site will be documented and replicated in the wet weather flow (WWF) scenarios of the hydraulic model. Two storms with significant effects on the influent flow to the SCRWWTP will be selected for use in hourly calibration and total daily flow verification, respectively. Significant wet weather events are best determined by detailed data review but are typically considered to be storms greater than 1-inch which result in a (measurable or observable) response in the observed flow at monitoring locations and the WWTP.

Subtask 2.4 – GIS Data & Coordination

Upon receiving from the City, the requested list of recently developed/redeveloped areas where changes to the potable water distribution system and wastewater collection system have not yet been reflected in the City GIS, Carollo will provide a virtual coordination and guidance workshop with the City GIS Department for City staff to draft necessary updates in the GIS from record drawings.

This task also includes coordination of updates from changes to the systems due to pipe replacement or improvement projects not recorded in the GIS and gaps identified through other ongoing Task Orders by Carollo. Virtual meetings are ideal for screenshare and individual multi-screen use for comparison and discussion. If required, Carollo may provide files in .gdb or .shp format to the City to utilize in GIS update. The City will be responsible for the integration of the updates into City GIS.

Subtask 2.5 – Potable Water SCADA Data, Fire Flow Data, and Facility Records Collection

Carollo will request updated information, including:

- Most up to date GIS water distribution system database (.gdb or .shp format)
    - Including geocoded customer location point layer.
- List of recently redeveloped areas where changes to the distribution system have not been reflected in the GIS (written/ email format or .pdf diagrams)

- Any changes to high service pump stations and storage tanks over the last 9 years (written/ email format or .pdf diagrams, or design drawing .pdf files as needed)
- High service pump station SCADA data for the last 3 years, for the East Water Treatment Plant (WTP) and the West WTP, including:
    - Flow to distribution (hourly frequency) (.xlsx format)
    - Pressure to distribution (hourly frequency) (.xlsx format)
    - Pressure or speed settings of high service pumps (status On/Off or Speed – signal frequency if available) (.xlsx format)
    - Standard operating procedures (SOPs) for pumps and drives (from O&M Manual), including normally open or closed valves, normally used high service pumps (during an average demand day vs. a maximum demand day vs. a day with emergency/fire flow/flushing protocols) (written/ email format or .pdf diagrams)
- Record drawings and cut sheets of the pumps after the last pump upgrade at the East WTP (.pdf format)
- Record drawings and cut sheets of any changes to the high service pumps and/or their configuration at the West WTP (.pdf format)
- 3 years of SCADA (.xlsx format) for the 3 MG remote pumping and storage facility, including hourly:
    - Flow
    - Pressure (backfill and discharge as available)
    - Tank levels
- 3 years of SCADA (.xlsx format) for the Water Tower, including hourly:
    - Flow
    - Pressure
    - Tank levels
- The following pressure settings (written/ email format or .pdf diagrams):
    - Filling pressure setting for the ground storage tank (GST).
    - System pressure that triggers pumping/withdrawal from the GST
    - Typical pressure at which the Water Tower starts filling up
    - Typical pressure at which the Water Tower starts emptying
- Hourly pressure at points of the water distribution system where pressure is currently measured by SCADA/telemetry (.xlsx format) for the past 3 years
- Any pump upgrades at the remote storage and pumping facility (.pdf format)
- Any change in operating strategies for the Water Tower since changes at the East WTP (written/ email format or .pdf diagrams)

These data will be used to update the potable water hydraulic model as described in Task 3, and to calibrate it as described in Task 4.

Subtask 2.6 – Potable Water Service Billing Data Request and Classification

Water consumption information by account location and type will be requested (.xlsx format). This data is usually obtained from billing/metering services. The City will also provide a geocoded customer point layer (.gdb or .shp format) to join with and locate in GIS the data provided by the billing/ metering services group. Consumption by account location and type will be used for hydraulic model update as described in Task 3. Carollo requests that any personal identification information of customers associated with each account be deleted.

Subtask 2.7 – Sewer Exclusions from Water Service in Billing Data, Large Sewer Users, and Septic Areas Information

Sewer flows will be calculated as a percentage of the potable water consumption for accounts with both water and wastewater services. To do this, a list or a database field identifying the accounts that only receive potable water service (that do not have a sewer connection) is requested (.xlsx format). Carollo will exclude such accounts from the wastewater hydraulic model.

In addition, a list of large wastewater customers and wastewater-only accounts and their location will be requested (.xlsx format). Carollo requests that any personal identification information of customers associated with each account be deleted.

Lastly, a map (.pdf electronic format) of the service area will be provided for the City to mark up the areas of the City that remain on septic tanks.

TASK 3 - HYDRAULIC MODELS CONVERSION AND UPDATE

Carollo recommends that the wastewater hydraulic model be converted from its current software, Innovyze InfoSWMM, to Bentley SewerGEMS prior to the planned retirement of product support for the Innovyze InfoSWMM software by the developer (which is expected in 2026). In addition, Carollo recommends that the conversion be performed concurrently with the update of the model and prior to calibration. This will be the most cost-efficient manner to perform the software conversion.

To acquire software licensure for both water and wastewater products under a single provider, Carollo recommends that the potable water model is converted to Bentley WaterGEMS. Similar to the wastewater software conversion, this conversion would be performed concurrently with the update and prior to calibration.

Carollo will complete the modeling subtasks listed below for the conversion and update of both hydraulic models.

Subtask 3.1 – Wastewater Collection Model Conversion and Update/Verification of Physical Attributes

In this subtask, Carollo will first package all the current physical attributes of the InfoSWMM model into GIS and perform a comparison vs. the most current GIS database provided by the City. Carollo will update:

- New infrastructure connected directly to the force main system (no gravity).
- Force main and lift station connectivity.
- Vertical datum and elevations where needed (canal crossings, interstate crossings, wet wells, isolation valves, changes due to new development and redevelopment).

Carollo will then import the updated physical attributes into a non-proprietary software (EPANET) that will allow a subsequent import into Bentley SewerGEMS software. Once the base infrastructure is in SewerGEMS, Carollo will:

- Perform topology checks for model connectivity/validity.
- Use provided record drawings to review node elevations and assumed friction factors. Modify model information if the pipe material has been updated due to recent projects, as information is made available.

Subtask 3.2 – Migration of Wastewater Sewersheds and Update of Sewer Flow Allocation

Sewershed polygons will be verified and updated from the City's GIS Department, as they have kept and maintained the previously Carollo-developed sewersheds GIS layer. This update will be performed for all stations including those not previously in the model. The result will be a single sewershed for each lift station there will be in the model. The entire service area will be covered by sewersheds, except for areas on septic. Because of the software conversion, and because a complete wet weather scenario calibration will be performed, these polygons will be migrated from the GIS layer and embedded in the wastewater model as sewer catchments, which are actual model elements that will be used for the simulation of rainfall-derived inflow and infiltration (I&I).

Billing records gathered and analyzed in Subtasks 2.6 and 2.7 will be geoprocessed in GIS and aggregated by sewershed polygon to obtain average base loading flows at the level of lift station. The existing diurnal water use patterns by account type will be captured and aggregated by sewershed. These base flows and water use patterns will be compared to actual influent flow data (average and patterns, respectively) at locations where flow will be monitored during the collection system field testing that will be performed as part of Subtask 2.2. The resulting relationships will be used to load the different flow components at the different catchment elements of the wastewater model.

The resulting flow allocation will be contrasted with 2020 Census data by census tract as a means to understand how population density, as recently recorded by the US Census Bureau, compares to actual sewer service allocation from metering. This TO does not include calculation or allocation of future/projected flows. However, this comparison will be useful to understand whether allocation for the analysis of future scenarios (to be developed under a future TO) shall be done using US Census Bureau projections or metered flows adjusted for expected growth.

Subtask 3.3 – Migration and Update of Sewer Lift Station Operational Attributes

Under this subtask, Carollo will:

- Migrate, review, and update pump curves per data collected during this and other ongoing Carollo TOs.
- Migrate and update pump control (on/off) levels.
- Develop and program logic controls/operational rules consistent with the manner operators operate the lift stations in the field.
- Analyze lift station SCADA, monitored flows, and/or drawdown test results to determine existing pumping operations when unavailable from operators. This will be completed to determine logic controls/rules that will be necessary to mimic in the model.

Subtask 3.4 – Potable Water Model Conversion and Update of Physical Attributes. Addition of Redevelopment, Water Treatment Plant Pumping and Storage Infrastructure, and Interconnects

In this subtask, Carollo will make use of the GIS database provided by the City and as-built records of work performed at the WTP and storage tank sites. Carollo will update:

- Pipeline and pump connectivity due to replacement, upgrade, redevelopment, or corrections made to the GIS database by the City's GIS Department.
- Water treatment plant yard piping related to high service pump stations, meters to distribution, and

storage tanks (other components of the WTP are not necessary to reflect in the potable water distribution hydraulic model).

- Interconnects.
- Vertical datum and elevations where needed (canal crossings, interstate crossings, tanks, control valves, pumps, new development and redevelopment included in the GIS database).

In addition, Carollo will:

- Perform topology checks for model connectivity/validity.
- Review node elevations and assumed friction factors. Modify if the pipe material has been updated, as needed.

Subtask 3.5 – Update of Potable Water Demand Allocation

Consumption data from billing records gathered in Subtask 2.6 will be geoprocessed in Excel and ArcGIS. The Thiessen polygon method will be used to allocate accounts consumption to junctions throughout the model junctions.

The existing diurnal water use patterns by account type will be used, but their allocation to junctions will be updated in accordance with land use type updates, to account for development and redevelopment. Several combinations of demand patterns may be used to reflect mixed land uses where applicable. If separate customer information is available by account type from Metering Services, proportional demands reflecting the split between usage type will have respective land use type diurnal patterns applied.

Subtask 3.6 – Update of Operational Attributes at the Potable Water Treatment and Pumping Facilities – From SCADA, SOPs

Carollo will analyze flow and pressure SCADA to determine operational trends and correlations among pumping operations and resulting system conditions and level of service. These trends and correlations will be used to program necessary controls in the model. Controls may be demand-based, pressure-based, or tank-level based. Standard operating procedures for an average flow day and for a maximum flow day, as available, and system settings as provided by the City, will also be used to program controls and dependencies in the average and maximum day scenarios.

SCADA data will also be used to update the seasonal production pattern, which will be used to relate conditions in which the model is calibrated to average day demand and maximum day demand.

TASK 4 – HYDRAULIC MODELS CALIBRATION AND EXISTING SCENARIOS

To obtain hydraulic models that closely mimic the City's systems operations, the hydraulic models need to be reasonably calibrated. Carollo strives to develop stable models that are over 95 percent accurate for flow predictions and within 2-7 psi for pressure, subject to the quality of the data. The resulting models would be useful for master planning as well as for operational decision-making. If the models are also able to replicate diverse existing scenarios (per field monitoring data and SCADA), the models would also be useful in conceptual design.

Subtask 4.1 – Wastewater Collection System Dry Weather Flow Calibration

In this subtask, Carollo will adjust appropriate variables such as flow allocations and diurnal patterns, lift station operation settings, and roughness coefficients to calibrate the model to the following 24-hour extended period patterns:

- Boynton Beach influent flow to the headworks of the SCRWWTP during DWF conditions.
- Five (5) master lift stations flows as monitored in Task 2.
- Five (5) master lift stations discharge pressure from pressure monitoring during drawdown testing per Task 2.
- Pressure collected in the field from up to three (3) accessible ARV locations per Task 2.

Dry weather calibration is typically considered to be successful if it meets the following guidelines:

- Peak Flow Rate: -10% to +10% of measured, or ±0.1 MGD for low flow sites
- Flow Volume: -10% to +10% of measured, or ±0.1 MGD for low flow sites
- Shape: the shape of modeled and metered flow curves should be similar.
- Timing: The timing of peaks, troughs, and recessions of modeled and metered flow curves should be similar.
- Force Main Pressure: within ±2 to 7 psi.

Subtask 4.2 – Wastewater Collection System Wet Weather Flow Calibration

In this subtask, Carollo will adjust appropriate variables such as R, T, and K coefficients for rainfall derived infiltration and inflow simulation to calibrate the model to the following hourly, multi-day extended period patterns:

- Boynton Beach influent flow to the headworks of the SCRWWTP during WWF conditions, as identified in WWF monitoring from Task 2.
- Six (6) master lift stations total WWF, as monitored in Task 2.
- Six (6) master lift stations discharge pressure or pump run patterns, as available from pressure monitoring or drawdown testing per Task 2.
- Pressure collected in the field from up to two (2) accessible ARV locations as available per Task 2.

Wet weather calibration is typically considered to be successful if it meets the following guidelines:

- Peak Flow Rate: -15% to +25% of measured, or ±0.1 MGD for low flow sites
- Flow Volume: -10% to +20% of measured, or ±0.1 MGD for low flow sites
- Shape: the shape of modeled and metered flow curves should be similar.
- Timing: The timing of peaks, troughs, and recessions of modeled and metered flow curves should be similar.
- Force main pressure: within ±2 to 7 psi.

If the flow monitoring effort included in this scope of work does not capture a significant wet weather event for calibration, the City may choose to extend the monitoring period at additional cost.

Subtask 4.3 – Potable Water Distribution System Calibration to Existing Average Annual Demand

In this subtask, Carollo will adjust appropriate variables to calibrate the potable water model to the following 24-hour extended period patterns:

- East and West WTPs finished water flow and pressure to distribution.
- Water Tower and remote pumping facility flow and tank levels.
- Select pressure points in the distribution system, as available from SCADA.

The calibration effort will be initially completed under the flow conditions existing at the time of SCADA data retrieval. The calibrated scenario will be adjusted to average daily demand conditions using the updated seasonal water production pattern generated as part of Subtask 3.6.

TASK 5 – DELIVERABLES AND DOCUMENTATION

A calibrated wastewater model that is suitable to evaluate the existing wastewater collection system physically and operationally under both DWF and WWF conditions will result from this TO upon completion. A calibrated water hydraulic model that is suitable to evaluate the potable water distribution system operations under average day conditions will also result from this TO upon completion. The calibrated scenarios will provide the City with the ability to run a variety of analyses and master planning scenarios that the City may elect to obtain as part of a future TO.

With the objective of documenting changes to the City's hydraulic models for City staff reference, the results of the project will be summarized in a Draft and a Final Technical Memorandums, which will include:

- An introduction including general purpose and scope,
- Condensed models update documentation such as data-supported parameters used to update and set up the new elements in the models, calibration setup and accuracy, and necessary information applicable to the DWF and WWF wastewater calibration scenarios, and average day potable water calibration scenario.
- Conclusions and recommendations for management of the models moving forward.

Carollo will focus on presenting information in graphics and maps rather than using primarily report text. Detailed tables will be used to summarize models input and calibration results. City staff will be asked to provide comments on the Draft Technical Memorandum. The City may also elect to review the updated hydraulic models at the time of Draft Technical Memorandum submittal. Upon receipt of City comments, the document will be revised based on the comments and a final version will be issued.

Deliverables:

- Collection system hydraulic model (SewerGEMS file format)
- Potable water system model. (WaterGEMS file format)
- Project GIS files (in .gdb format)
- Draft TM (electronic .pdf)

- Final TM (electronic .pdf)

PROJECT SCHEDULE

A detailed project schedule will be provided at the project Kickoff Meeting, or upon coordination with the City on availability to perform the field testing. It is anticipated that the entire effort will be completed in 12 months. Per City direction, precedence will be given to the wastewater model conversion and updates, which will commence upon receipt of NTP. However, it should be noted that the timing of model calibration to wet weather conditions will be dependent on the ability to capture a significant wet weather event during field testing.

CITY RESPONSIBILITIES

Because of the nature of this project, certain assumptions apply to this Scope of Services. To the extent possible, these assumptions are stated within this document and are reflected in the budget. If the project task requirements are different from the assumptions presented in this Scope of Services, or if the City desires additional services, the resultant change in scope will serve as a basis for amending this project assignment or initiating the development of a new project assignment as agreed to by both the City and Carollo. The following assumptions and City responsibilities apply to this project:

- Carollo shall be entitled to rely upon the accuracy of the data and information supplied by the City without independent review or evaluation.
- The City shall attend all workshops and review meetings to maintain the progress of the project according to the schedule.
- The City will provide Carollo with access to facilities/sites for data gathering and data validation if/as needed.
- The City will assist with field testing as necessary, including making personnel available for the drawdown tests, installation of pressure/data loggers, and fire hydrant testing. Carollo will provide up to eight (8) pressure loggers for field testing.
- The City will provide all required information within reasonable time, which is considered no longer than 2 weeks, after notice to proceed. Carollo will provide a data request list at the project kickoff meeting. The schedule is based on timely receipt of data and may shift due to data requirements. The City shall review Draft deliverables and provide comments to Carollo within a two-week period.
- Although conversion of the models to a new software platform will be completed under this TO, the procurement of the new software and licensing to the City are not included in this TO. Carollo will use its own software for the development of the scope and model deliverables will need proprietary (Bentley) software to be used by others, including the City. Software and licensing shall be procured separately by the City for in-house use.

PROJECT FEES

The compensation terms are based on a Fee Not-to-Exceed basis with an upper limit of $400,000 with an estimated breakdown by Task as shown in Exhibit B. Labor rates are based on the contract fee schedule shown in

the base contract. Cost for mileage for in-person meetings has been estimated using the United States Internal Revenue Service 2025 Standard Mileage Rate of $0.70/mile. Rental cost for pressure loggers is included at a rate of $250/ pressure logger unit and this fee includes rental of 8 units.

Please contact us if you have questions or comments. We look forward to working with you on this project.

Sincerely,
CAROLLO ENGINEERS, INC.

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/ 4/2025

Proposed Resolution No. R25-042- Approving First Amendment to Piggyback Agreement between the City and Centerline Drilling, Inc. for continuing well maintenance and rehabilitation services increasing the annual not to exceed expenditure amount from $200,000 to $300,000.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-042.

Explanation of Request:

Original Agreement Term: January 23, 2023 – January 22, 2026 with an option of two (2) one (1) year renewals.

The Utility utilizes groundwater from water wells as source water for the Water Treatment Plants. These wells require continuing well maintenance and rehabilitation services to ensure the wells are capable of producing sufficient clean water for both Water Plants to treat to meet all drinking water regulatory standards and customer usage demands. The Utilities Department requests approval to increase annual spending from $200,000 to $300,000 using the piggyback of the Town of Jupiter Island/South Martin Regional Utility contract number ITB 2023-01 for Continuing Well Maintenance and Rehabilitation Services approved by Commission on March 5, 2024, by Resolution No. R24-048.

How will this affect city programs or services?

The increase will allow for additional parts and services which are required for maintaining safe drinking water standards.

Budgeted Item: Yes

Account Line Item and Description: 401-2811-536.46-50, Wells & Screens - R&M.

Fiscal Impact:

The fiscal impact will be $300,000 annually from operating account 401-2811-536.46-50, Wells & Screens - R&M.

RESOLUTION NO. R25-042

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, APPROVING A FIRST AMENDMENT TO PIGGYBACK AGREEMENT WITH CENTERLINE DRILLING, INC. FOR CONTINUING WELL MAINTENANCE AND REHABILITATION SERVICE TO INCREASE THE ANNUAL NOT-TO-EXCEED AMOUNT FROM $200,000 TO $300,000; AND FOR ALL OTHER PURPOSES.

WHEREAS, the Utilities Department uses groundwater from water wells as source water for the City's Water Treatment Plants; and

WHEREAS, the City previously piggybacked an agreement between the Town of Jupiter Island/South Martin Regional Utility and Centerline Drilling, Inc. ("Vendor"), contract number ITB 2023-01 for Continuing Well Maintenance and Rehabilitation Services via Resolution R24-048, with an annual spending limit not-to-exceed $200,000; and

WHEREAS, the City and Vendor seek to increase the annual spending limit from $200,000 to $300,000; and

WHEREAS, the requested annual increase will allow for additional parts and services that are required for maintaining safe drinking water standards for the City; and

WHEREAS, the City Commission, upon the recommendation of staff, has deemed it in the best interests of the City's citizens and residents to approve the First Amendment to the Piggyback Agreement with the Vendor for Continuing Well Maintenance and Rehabilitation Service, with an annual amount not to exceed $300,000; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption.

SECTION 2. The City Commission of the City of Boynton Beach, Florida, does hereby approve the First Amendment to Piggyback Agreement between the City and Vendor, for Continuing Well Maintenance and Rehabilitation Services for an annual amount not to exceed $300,000 (the "First Amendment to Piggyback Agreement"), in form and substance similar to the,

attached as Exhibit A.

SECTION 3. The City Commission of the City of Boynton Beach, Florida, hereby authorizes the Mayor to execute the First Amendment to Piggyback Agreement. The Mayor is further authorized to execute any ancillary documents as may be necessary to accomplish the purpose of this Resolution.

SECTION 4. The City Clerk shall retain the fully executed First Amendment to Piggyback Agreement as a public record of the City. A copy of the fully executed First Amendment to Piggyback Agreement shall be provided to Bryan Heller to forward to the Vendor.

SECTION 5. This Resolution shall take effect in accordance with law.

FIRST AMENDMENT TO PIGGYBACK AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND CENTERLINE DRILLING, INC. FOR CONTINUING WELL MAINTENANCE AND REHABILITATION SERVICES

This First Amendment ("Amendment") is entered into by and between the City of Boynton Beach, a Florida municipal corporation ("City"), and Centerline Drilling, Inc. ("Vendor") (collectively referred to as the "Parties").

RECITALS

A. On March 5, 2024, pursuant to Resolution No. R24-048, the Parties entered into an Agreement for continuing well maintenance and rehabilitation services (the "Agreement").

B. The Parties desire to amend the Agreement to increase the annual not-to-exceed expenditure amount from $200,000 to $300,000.

Now, therefore, in consideration of the mutual terms and conditions, promises, covenants, and payments hereinafter set forth, the City and Vendor agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Amendment shall retain the meaning ascribed to such terms in the Agreement.

2. Except as modified herein, all remaining terms and conditions of the Agreement shall remain in full force and effect.

3. The Agreement is hereby amended as follows:

Annual Not-To-Exceed Increase. The maximum amount to be paid by the City pursuant to this Agreement is hereby increased from $200,000 to $300,000.

4. In the event of any conflict or ambiguity between this Amendment and the Agreement, the Parties agree that this Amendment shall control. The Agreement, as amended herein by this Amendment, incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understandings concerning the subject matter hereof that are not contained in the Agreement as amended in this Amendment. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

5. Vendor acknowledges that through the date this Amendment is executed by Vendor, Vendor has no claims or disputes against City with respect to any of the matters covered by the Agreement.

6. The effective date of this Amendment shall be the date of complete execution by the Parties.

7. This Amendment may be executed in multiple originals, and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 03/ 5/2024

Proposed Resolution No. R24-048- Approve the Piggyback of Town of Jupiter Island/South Martin Regional Utility Contract for Continuing Well Maintenance and Rehabilitation Services and authorize the City Manager to sign the piggyback agreement between the City and Centerline Drilling, Inc.

Requested Action:

Staff recommends approval of Proposed Resolution No. R24-048.

Explanation of Request:

Agreement Term: January 23, 2023 - January 22, 2026

The agreement is effective January 23, 2023, for three (3) years with an option of two (2) one (1) year renewals upon agreement of both parties.

The Utility utilizes groundwater from water wells as source water for the Water Treatment Plants. These wells require continuing well maintenance and rehabilitation services to ensure the wells are capable of producing sufficient clean water for both Water Plants to treat for meeting all drinking water regulatory standards and customer usage demands. The Utilities Department would like to piggyback the Town of Jupiter Island South Martin Regional Utility contract number ITB 2023-01 for Continuing Well Maintenance and Rehabilitation Services. The Town of Jupiter Island/South Martin Regional Utility contract meets the City of Boynton Beach procurement requirements.

How will this affect city programs or services?

The contract will allow for efficient and effective maintenance and operations of groundwater source wells allowing the Water Treatment Plants to meet regulatory requirements for drinking water production.

Fiscal Impact: The fiscal impact will be $200,000 annually from operating account 401-2811-536.46-50, Wells & Screens - R&M.

A RESOLUTION OF THE CITY OF BOYNTON BEACH, FLORIDA, APPROVING THE PIGGYBACK OF THE TOWN OF JUPITER ISLAND/SOUTH MARTIN REGIONAL UTILITY CONTRACT FOR CONTINUING WELL MAINTENANCE AND REHABILITATION SERVICES AND AUTHORIZING THE CITY MANAGER TO SIGN THE PIGGYBACK AGREEMENT BETWEEN THE CITY AND CENTERLINE DRILLING, INC; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Utilities Department utilizes groundwater from water wells as source water for the Water Treatment Plants; and

WHEREAS, these wells require continuing well maintenance and rehabilitation services to ensure the wells are capable of producing sufficient clean water for both Water Plants to treat for meeting all drinking water regulatory standards and customer usage demands; and

WHEREAS, the Department would like to piggyback the Town of Jupiter Island South Martin Regional Utility contract number ITB 2023-01 for Continuing Well Maintenance and Rehabilitation Services; and

WHEREAS, the City Commission of the City of Boynton Beach, Florida, deems it to be in the best interests of the citizens and residents of the City of Boynton to approve the Piggyback of Town of Jupiter Island/South Martin Regional Utility Contract for Continuing Well Maintenance and Rehabilitation Services and Authorize the City Manager to sign the piggyback agreement between the City and Centerline Drilling, Inc.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

Section 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

Section 2. The City Commission hereby approves the Piggyback of Town of Jupiter Island/South Martin Regional Utility Contract for Continuing Well Maintenance and

Rehabilitation Services and authorizes the City Manager to sign the piggyback agreement between the City and Centerline Drilling, Inc. A copy of the Agreement is attached hereto and incorporated herein by reference as Exhibit "A."

Section 3. This Resolution shall become effective immediately upon passage.

PASSED AND ADOPTED this 5th day of March 2024.

PIGGYBACK AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND CENTERLINE DRILLING, INC.

This Piggyback Agreement is made as of this _5_ day of March, 2024 by and between CENTERLINE DRILLING, INC., with a principal address of 1696 Old Okeechobee Road, #3C, West Palm Beach, FL 33409, hereinafter referred to as "Vendor," and the CITY OF BOYNTON BEACH, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Avenue, Boynton Beach, Florida 33435, hereinafter referred to as "City."

RECITALS

WHEREAS, SMRU / Town of Jupiter Island, a Florida Municipal Corporation, issued an "Invitation to Bid" (ITB) to solicit responses from qualified Vendors with expertise in the provision of all operations for Continuing Well Maintenance and Rehabilitation Services ("Services"); and

WHEREAS, SMRU / Town of Jupiter Island found Centerline Drilling, Inc. ("Vendor"), to be the lowest responsive, responsible bidder, and awarded it a three (3) year agreement, (ITB) Bid Agreement No. 2023-01 (the "Master Agreement"), commencing January 23, 2023, with two (2) one (1) year renewal terms upon agreement of both parties; and

WHEREAS, the City desires to obtain similar Continuing Well Maintenance and Rehabilitation Services ("Services"); and

WHEREAS, the City's Purchasing Policy Section X – Alternatives to Formal Sealed Bids, provides authority for the City to acquire or contract for services without utilizing a sealed competitive method or the written quotations methods where the desired services are the subject of an agreement that utilizes another government entity's contract, provided that the contract was awarded based strictly on competitive bidding; and

WHEREAS, in order to maintain an efficient and effective maintenance for operations of groundwater source wells allowing the Water Treatment Plants to meet regulatory requirements for drinking water production within the City, the City's Utility Department is requesting the City enter into a Piggyback Agreement with Vendor to provide Continuing Well Maintenance and Rehabilitation Services ("Services"); and

WHEREAS, the Vendor has provided the City with the SMRU / Town of Jupiter Island Contract with Centerline Drilling, Inc. and billing rates for the proposed services, attached as Exhibit "A;" and

WHEREAS, SMRU / Town of Jupiter Island and Vendor have agreed to allow the City to piggyback the Master Agreement, a copy of which is attached as Exhibit "B."

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other valuable consideration received, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

1. The foregoing recitals are true and correct and are hereby incorporated into this Agreement.

2. **TERM:** The term of this Agreement commences on February 21, 2024, and will remain in effect until January 24, 2026, with two (2) one-year renewal options ("Term"). The initial term and any subsequent renewals of this Agreement are subject to the renewal or extension of the Master Agreement. If the Master Agreement expires or is terminated during the Term, this Agreement shall terminate no later than six months after such expiration or termination of the Master Agreement.

3. **CONTRACT TERMS:** The Vendor agrees to complete the Services, as provided in Vendor's Proposal attached as Exhibit "A" on the same terms and in the same manner as set forth in the Master Agreement, except as otherwise provided herein. All recitals, representations, and warranties of Vendor made by Vendor in the Master Agreement are restated as if set forth fully herein, made for the benefit of the City, and incorporated herein, except that all references to the "Town of Jupiter Island" are hereby replaced with the "City of Boynton Beach." The City shall compensate Vendor pursuant to the rates set forth in the Master Agreement for the Services in an annual amount not to exceed $200,000.00.

4. **NOTICES:** All Notices to the City shall be in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, sent to:

City: Daniel Dugger, City Manager
City of Boynton Beach
P.O. Box 310
Boynton Beach, Florida 33425
Telephone: (561) 742-6010 / Facsimile: (561) 742-6090

Copy: Shawna G. Lamb, City Attorney
City of Boynton Beach
P.O. Box 310
Boynton Beach, Florida 33425
Telephone: (561) 742-6010 / Facsimile: (561) 742-6090

5. **INVOICES AND PAYMENT:** Invoices must identify the PO number and should be mailed to:

Boynton Beach Finance Department
Attn: Accounts Payable
P.O. Box 310

Boynton Beach, FL 33425.

Invoices shall show the nature of the service and dates(s) of service. Invoices based on hourly rates shall show the actual hours worked, person performing services, nature of the service, hourly rate, and dates(s) of service. Invoices may be submitted no more frequently than monthly. However, all services rendered prior to September 30th of any given year are required to be invoiced by September 30th of that year. Vendor shall provide W-9 with first invoice.

The fee shall be paid based on receipt of a proper invoice in accordance with the invoice schedule indicated above. Payment will be made within 45 days of receipt of a proper invoice in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida Statutes. No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement by Vendor, either wholly or in part, and no payment shall be construed to be an acceptance of or to relieve Vendor of liability for the defective, faulty or incomplete rendition of the Services.

6. **TAX EXEMPT:** Prices applicable to City do not include applicable state and local sales, use, and related taxes. The City is exempt from state and local sales and use taxes and shall not be invoiced for the same. Upon request, City will provide Vendor with proof of tax-exempt status.

7. **SOVEREIGN IMMUNITY:** Nothing contained in this Agreement nor contained herein shall be considered nor construed to waive City's rights and immunities under the common law or section 768.28, Florida Statutes, as may be amended.

8. **ATTORNEY'S FEES:** In the event that either Party brings suit for enforcement of the Agreement, each Party shall bear its own attorney's fees and court costs.

9. **PUBLIC RECORDS:** Sealed documents received by the City in response to an invitation are exempt from public records disclosure until thirty (30) days after the opening of the Bid unless the City announces intent to award sooner, in accordance with Florida Statutes 119.07.

   The City is a public agency subject to Chapter 119, Florida Statutes. The Vendor shall comply with Florida's Public Records Law. Specifically, the Vendor shall:

   A. Keep and maintain public records required by the City to perform the service;

   B. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat. or as otherwise provided by law;

   C. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Vendor shall destroy all copies of such confidential and exempt records remaining in its possession once the Vendor transfers the records in its possession to the City; and

D. Upon completion of the contract, Vendor shall transfer to the City, at no cost to the City, all public records in Vendor's possession All records stored electronically by Vendor must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

E. IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK OFFICE
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

10. **SCRUTINIZED COMPANIES - 287.135 AND 215.473:** By execution of this Agreement, Vendor certifies that Vendor is not participating in a boycott of Israel. The Vendor further certifies that Vendor is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has Vendor been engaged in business operations in Syria. Subject to limited exceptions provided in state law, the City will not contract for the provision of goods or services with any scrutinized company referred to above. Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Vendor of the City's determination concerning the false certification. The Vendor shall have five (5) days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active contract term, the Vendor shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Vendor does not demonstrate that the City's determination of false certification was made in error, then the City shall have the right to terminate the contract and seek civil remedies pursuant to Section 287.135, Florida Statutes, as amended from time to time.

11. **E-VERIFY:** Vendor shall comply with Section 448.095, Fla. Stat., "Employment Eligibility," including the registration and use of the E-Verify system to verify the work authorization status of employees. Failure to comply with Section 448.095, Fla. Stat. shall result in termination of this Agreement. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of the statute by Vendor, Vendor may not be awarded a public contract for a period of one (1) year after the date of termination.

12. **DISPUTES:** Any disputes that arise between the parties with respect to the performance

of this Agreement, which cannot be resolved through negotiations, shall be submitted to a court of competent jurisdiction exclusively in Palm Beach County, Florida. This Agreement shall be construed under Florida Law.

13. **EXECUTION OF THE AGREEMENT:** This Agreement will take effect once signed by both parties. This Agreement may be signed by the parties in counterparts, which together shall constitute one and the same agreement among the parties. A facsimile signature shall constitute an original signature for all purposes. Each person signing this Agreement on behalf of either Party individually warrants that he or she has full legal power to execute the Addendum on behalf of the Party for whom he or she is signing and to bind and obligate such Party with respect to all provisions contained in this Agreement

14. **TERMINATION FOR CONVENIENCE:** This Agreement may be terminated by the City for convenience upon fourteen (14) calendar days of written notice by the terminating party to the other party for such termination in which event the Vendor shall be paid its compensation for services performed to the termination date, including services reasonably related to termination. In the event that the Vendor abandons the Agreement or causes it to be terminated, the Vendor shall indemnify the City against loss pertaining to this termination.

15. **TERMINATION FOR CAUSE:** In addition to all other remedies available to City, this Agreement shall be subject to cancellation by City for cause, should Vendor neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for a period of thirty (30) calendar days' after receipt by Vendor of written notice of such neglect or failure.

16. **INDEMNIFICATION:** Vendor shall indemnify and hold harmless the City, its elected and appointed officers, agents, assigns and employees, consultants, separate Vendors, any of their subcontractors, or sub-subcontractors, from and against claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the City arising out of or resulting from (A) Vendor's performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Vendor's, its agents, employees, subcontractors, participants, and volunteers, and (C) Vendor's failure to take out and maintain insurance as required under this Agreement. Vendor's shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the City, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The obligations of this section shall survive indefinitely regardless of termination of the Agreement.

17. **INSURANCE:** At the time of execution of this Agreement, Vendor shall provide the City with a copy of its Certificate of Insurance reflecting the insurance coverage required by the Master Agreement. The Certificate of Insurance shall name the City of Boynton Beach, and its officers, employees and agents as an additional insured.

18. **LIMITATION OF LIABILITY:** Notwithstanding any provision of the Agreement to which it is applicable, City shall not be liable or responsible to Vendor beyond the amount remaining due to Vendor under the Agreement, regardless of whether said liability be based

in tort, contract, indemnity or otherwise; and in no event shall City be liable to Vendor for punitive or exemplary damages or for lost profits or consequential damages.

19. **INDEPENDENT CONTRACTOR:** The Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that Vendor is an independent contractor pursuant to the Agreement and shall not be considered the City's employee for any purpose.

20. **COMPLIANCE WITH LAWS:** Vendor hereby warrants and agrees that at all times material to the Agreement, Vendor shall perform its obligations in compliance with all applicable federal, state, and local laws, rules, and regulations, including section 501.171, Florida Statutes. Non-compliance may constitute a material breach of the Agreement.

21. **ASSIGNMENT:** In the event this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered, under any circumstances by Vendor, Vendor must gain prior written consent from City thirty (30) business days before such transfer. For purposes of this Agreement, any change of ownership of Company shall constitute an assignment that requires City's approval. Notwithstanding the foregoing, Vendor may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Vendor shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.

22. **AGREEMENT SUBJECT TO FUNDING:** The Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding. Early termination by City due to loss of funding shall not obligate Vendor to refund any prepaid fees.

23. **ENTIRE AGREEMENT.** The Agreement, including the Master Agreement, sets forth the entire Agreement between the City and the Vendor with respect to the subject matter of this Agreement. This Agreement supersedes all prior and contemporaneous negotiations, understandings, and agreements, written or oral, between the parties. This Agreement may not be modified except by the parties' mutual agreement set forth in writing and signed by the parties.

24. **SEVERABILITY.** If any provision of this Agreement or application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

EXHIBIT B
AGREEMENT BETWEEN SMRU / TOWN OF JUPITER, FLORIDA
AND
CENTERLINE DRILLING, INC.

AGREEMENT

FOR CONTINUING WELL MAINTENANCE AND REHABILITATION SERVICES

THIS AGREEMENT with an Effective Date, as defined below, by and between the Town of Jupiter Island, ("Owner"), mailing address: 2 Bridge Road, Hobe Sound, FL 33455, and Centerline Drilling, Inc., a Florida corporation, mailing address: 1696 Old Okeechobee Rd., #3C, West Palm Beach, FL 33409, Phone number: 561-615-0988 (hereinafter referred to as "Contractor").

RECITALS

A. In response to SMRU ITB 2023-01 (the "ITB"), Contractor submitted a bid dated January 4, 2023 (the "Bid") for Continuing Well Maintenance and Rehabilitation Services ("Services"); and

B. Town has determined that Contractor's Schedule of Bid Items for the Services in Attachment #3 to the Bid, as set forth in Exhibit "A" attached to this Agreement ("Unit Prices") provides the best value to Town, and Town wishes to accept the Bid and enter into an agreement for Services; and

D. Contractor agrees to perform the Services for Town under the terms and conditions set forth in the ITB, the Bid and this agreement and the attached exhibits (collectively, the "Agreement").

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

I. RECITALS

The foregoing recitals are true and are hereby made a part of this Agreement. Contractor agrees to provide the Services to Owner in accordance with the terms of this Agreement.

1. Term. The term of this Agreement commences on execution of this Agreement by Owner (the "**Effective Date**") and continues for a term of three (3) years. The Agreement may be renewed for two (2) one (1) year renewal terms upon agreement of both parties. Time is of the essence in the performance of this Agreement.

2. Unit Prices. The Unit Prices will be applicable during the term of this Agreement, as adjusted pursuant to the terms of the Contract Documents.

3. Service Requests.

A. No service requests under this Agreement are authorized upon execution of the Agreement. The Owner shall initiate requests for service by providing Contractor with a written service request (a "**Service Request**").

B. Each Service Request will set forth, among other things, the following:

i. The scope of service request requested;
ii. The time and schedule of service;
iii. The method and amount of compensation based upon the unit prices set forth in Section 3 above;
iv. Any modifications to this Agreement, if mutually agreed upon by the parties.

C. The services to be rendered by Contractor shall commence after the execution of each Service Request. Contractor's work shall be performed, completed and submitted to Owner as specified in the Service Request.

D. The terms and conditions of this Agreement shall be incorporated within and made a part of each Service Request.

4. Invoices. Applications for payments under the Agreement shall be submitted to the following:

Finance Director
South Martin Regional Utility/Town of Jupiter Island
P.O. Box 395
Hobe Sound, FL 33475

Notwithstanding any provision of the Contract Documents to the contrary, payment of each Invoice will be made in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida Statutes, as amended, which provides for prompt payment, interest payments, a dispute resolution provided detailed invoices are submitted in compliance with the terms of this Agreement.

5. Notice. All notices and other communications required in connection with this Agreement shall be in writing unless otherwise specified herein, and any notice or other communication required hereunder shall be e-mailed and mailed to the address set forth below, and shall be deemed delivered three (3) business days after the deposit of the mailed notice thereof in any main or branch office of the United States Post Office, certified or registered mail, return receipt requested, postage prepaid, properly addressed to the parties respectively as follows:

For notices and communications to Owner:

Town Manager
SMRU / Town of Jupiter Island
P.O. Box 395
Hobe Sound, FL 33475
Email: mventura@tji.martin.fl.us

For notices and communications to Contractor:

John Say, Jr.
Centerline Drilling, Inc.
1696 Old Okeechobee Rd, #3C
West Palm Beach, FL 33409
Email: ctrlinedrilling@aol.com

By notice complying with the foregoing requirements of this section, each party shall have the right to change the address or addressee or both for all future notices and communications to such party, but no notice of a change of address shall be effective until received.

6. Agreement Documents. Contractor agrees to complete all work in accordance with the Agreement Documents. The term "Agreement Documents" shall include all the terms and conditions and Work requirements contained in this Agreement, on Owner website(s), and the following documents, all of which taken together are incorporated herein and form the Agreement Documents: the ITB, the Bid. The terms and conditions of the ITB is incorporated herein and made a part of this Agreement, together with the Owner's Contractor General Conditions. The Agreement constitutes the entire agreement between Contractor and Owner and supersedes all prior verbal and written agreements, understandings, negotiations and discussions between the parties hereto. No verbal agreement or conversation with any officer, agent or employee of Owner either before or after execution of the Agreement shall affect or modify any of the terms or obligations contained in any of the documents comprising said Agreement Documents. For convenience sake, all of the Agreement Documents are not be attached to Agreement, but the indicated documents make up the Agreement Documents and are incorporated into the Agreement, regardless of whether they are attached.

7. Captions. The titles or captions contained in this Agreement are inserted only as a matter of convenience and for reference, and such captions in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision hereof.

8. Severability. If any provision of this Agreement or the application thereof to any person or circumstances shall be held by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remaining provisions of this Agreement and the validity, enforceability, and application of such provisions to other persons or circumstances shall not be impaired thereby, but such remaining provisions of this Agreement shall be interpreted, applied and enforced so as to achieve, as near as may be, the purposes and intent of this Agreement to the greatest extent permitted by applicable law.

9. Waiver. Unless otherwise specifically provided herein, no delay or failure to exercise a right resulting from any breach of this Agreement shall impair such right or shall be construed to be a waiver thereof, but such right may be exercised from time to time and as often as may be deemed expedient. Any waiver shall be in writing and signed by the party granting such waiver. In any representation, warranty, or covenant by the other party, such waiver shall be limited to the breach so waived and shall not be deemed to waive any other breach under this Agreement.

10. Conflict of Interest. Contractor represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder, as provided for in Section 112.311, Florida Statutes, and as may be amended from time to time. Contractor further represents that no person having any interest shall be employed for said performance.

11. Warranties and Representations. Contractor restates, and makes current to the date of this Agreement, and incorporates in this Agreement, the warranties and representations in the Contract Documents. Prior to performance of any work under this Agreement and as a condition precedent to this Agreement, Contractor shall provide Owner a current Certificate of Corporate Principal, a current Sworn Statement under Section 287.133(3)(a), Florida Statutes, on Public Entity Crimes, a current Certificate of Liability Insurance, a current State of Florida license certification, and a current Bidder's Qualifications Statement/Statement of Business Organization.

12. Termination. Owner may terminate this Agreement upon written notice to Contractor. Contractor's sole remedy upon such termination is to receive payments due under this Agreement for outstanding Service Request performed through the date of termination, which Service Requests terminate with the termination of the Agreement.

13. Allotment of Service Requests to Contractor. Owner, through its designated representative, shall, in its sole discretion, issue Service Requests to Contractor as deemed in the best interests of Owner. The Agreement in no way guarantees any future Service Requests. Owner retains the right to utilize other contractors or otherwise bid and execute procurements. Contractor shall have no right to appeal or challenge Owner's decision regarding distribution of Service Requests.

14. Choice of Law and Venue. This Agreement shall be construed and interpreted under the laws of the State of Florida, without giving effect to principles of conflict of laws, except where specifically pre-empted by Federal law. To the extent Chapter 558, Florida Statutes, is applicable, the parties expressly opt out of the requirements of Chapter 558, Florida Statutes, within the meaning of Section 558.005(1), Florida Statutes. Venue with respect to any state or federal litigation in connection with this Agreement shall be exclusively in Martin County, Florida.

15. Availability of Funds. This Agreement is conditioned upon the availability of funds lawfully appropriated and available for the purposes set out herein as determined in the sole discretion of Owner. If funding for this Agreement is in multiple years, funds must be appropriated each year prior to costs being incurred. Nothing in this paragraph shall prevent the making of contracts with a term of more than one (1) year, but any contract so made will be executory only for the value of the services to be rendered or paid for in succeeding fiscal years. In the event funds to finance this Agreement become unavailable, Owner may terminate this Agreement upon notice to Contractor.

16. Scrutinized Companies List. Pursuant to Section 787.135, Florida Statutes, Contractor represents that it is not on the Scrutinized Companies that Boycott Israel List, maintained by the State of Florida, and is not engaged in a boycott of Israel. Additionally, if the Agreement Price is $1,000,000 or more, Contractor represents that neither Contractor nor its principals or owners are listed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or engages in business activities in Sudan or Cuba. Violations of this section may result in termination of the Agreement and recovery of all monies paid to Contractor under the Agreement.

17. Federal Labor/Employment Laws. In accordance with Section 255.20, Florida Statutes, Contractor represents that it has not been found guilty by a court of any violation of federal labor or employment tax laws regarding the subjects such as safety, tax withholding, workers' compensation, reemployment assistance of unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws with the past five (5) years.

18. Prohibited Persons. Neither Contractor nor any of its respective officers, directors, shareholders, partners, members or affiliates (including without limitation indirect holders of equity interests in Contractor) is or will be an entity or person(i) that is lists in the Annex t, or is otherwise subject to the provisions of Executive Order 13224 issued on September 24, 2001 ("EO13224"), (ii) whose name appears on the United States Treasury Department's Office of Foreign Assets Control ("OFAC") most current list of "Specifically Designated National and Blocked Persons" (which list may be published from time to time in various mediums including, but not limited to, the OFAC website, http://www.treas. gov/offices/enforcement/ofac/sdn/t11sdn.pdf), (iii) who commits, threatens to commit or supports "terrorism", as that term is defined in EO13224, (iv) is subject to sanction of the United States Government or is in violation of any federal, state, municipal or local laws, statutes, codes, ordinances, orders, decrees, rules or regulations relating to terrorism or money laundering, including, without limitation, EO13224, or (v) who is otherwise affiliated with any entity or person listed above (and all parties described in clauses (i) – (v) above are herein referred to as a "Prohibited Person".)

19. E-Verify/Verification of Employment Status. As required by Section 448.095(2)(a), Florida Statutes, Contractor represents to Owner that Contractor has registered with and uses the E-Verify System to verify the work authorization status of all newly hired employees. Contractor must provide documentation of its compliance with this requirement to Owner upon Owner's request. If Contractor enters into a contract with a subcontractor, the subcontractor must provide Contractor with an affidavit that the subcontractor does not employ an unauthorized alien. Contractor must maintain a copy of such affidavit(s) for the duration of the contract. Contractor must provide documentation of its subcontractors' compliance with this requirement to Owner upon Owner's request. Contractor agrees that its violation of this section will be grounds for the unilateral termination of the contract by Owner, which termination is not a breach of contract.

20. Public Records.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE TOWN CLERK, WHO IS OWNER'S CUSTODIAN OF PUBLIC RECORDS, AT:

Office of the Town Clerk
Town of Jupiter Island
2 S.E. Bridge Road
Hobe Sound, Florida 33475
772-545-0100
kkogos@tji.martin.fl.us

[Signature Page Follows]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and effective as of the date signed by Owner (the "Effective Date).

TOWN OF JUPITER ISLAND: ITB 203-01

Proposal of: Centerline Drilling, Inc.
(Bidder Company Name)

Bid Amount: One Hundred Eighty Eight Thousand Nine Hundred Ten 00/100 Dollars
(Write Out Dollar Amount Here)

($ 188,910.00)

Bidder agrees to furnish, unless otherwise provided, all implements, machinery, equipment, transportation, tools, materials, supplies, labor, and other things necessary for the performance and completion of the work for the amount indicated above.

The undersigned Bidder hereby declares that:

1. No Lobbying. Bidder acknowledges that contact by Bidder, or anyone representing Bidder, regarding this ITB or the Project, with the Town Mayor, any Town Commissioner, Officer, Town employee, other than the Town Clerk or the SMRU attorney, is grounds for disqualification.

2. This Bid is made in good faith, without collusion or fraud and is fair and competitive in all respects.

3. The Bidder has carefully and to his full satisfaction examined ITB 2023-01, including the Scope of Work, Special Terms, General Conditions, supplemental conditions, technical specifications, and form of bond, if applicable, together with the accompanying drawings and plans, and Bidder has read all addenda issued by the Town.

4. Bidder represents that it has taken all necessary steps to ascertain the nature and location of the work and that it has investigated and satisfied itself as to the general and local conditions which can affect the performance of the work, including: (i) the site conditions that may impact its performance, including but not limited to, conditions relating to access, egress, transportation, debris disposal, parking and storage of materials; (ii) availability of labor; and (iii) physical conditions at the site. Any failure by Bidder to take these steps will not relieve the Bidder from the responsibility for estimating properly the difficulty and cost of successfully performing the work without additional expense to Town.

5. Upon receipt of a Notice of Intent to Award the contract the Bidder shall: 1) commence obtaining Certificate(s) of Insurance immediately after receiving a Notice of Intent to Award, and 2) immediately obtain a Certificate of Registration for engaging in business from Town, as such documents will be required prior to execution of a Contract.

6. Bidder understands that the contract time starts on the date indicated in the Notice to Proceed.

7. Bidder furthermore agrees that, in case of failure on his part to execute a Contract and provide all required documents within ten (10) calendar days of receipt of the Contract for execution, the Town may withdraw the offer and contract with another bidder and the check, bond, or other security accompanying his bid and the money payable thereon, shall become the property of the Town, by forfeit as agreed and liquidated damages.

8. The Bidder states that this Bid is the only bid for this Project in which Bidder is interested; and Bidder shall not be a subcontractor or subcontractor on this Project.

10. Bidder acknowledges that within ten (10) days of receipt of the fully executed Contract, Bidder will record the required public construction bond with the Clerk of the Court in the Public Records of Martin County and provide a certified copy of the recorded bond to Owner prior to commencing work and submittal of first invoice.

11. All debris is to be legally disposed of at a licensed disposal site in accordance with Town, County, state, and federal standards.

12. The Town reserves the right to select and include one or more alternates in the Project and work.

13. The following officer, director or agent of the Bidder is also an employee of Town:

Name
N/A

Address
N/A

14. The following employee(s) of Town hold, either directly or indirectly, an interest of 10% or more of Bidder or its affiliates or subsidiaries:

Name
N/A

Address
N/A

15. Neither the Town nor its representatives warrant or represent that any award will be made as a result of the issuance of this ITB. Any recipient of this ITB or Bidder who responds hereto fully acknowledges all the provisions of this Discloser and Disclaimer and agrees to be bound by the terms hereof.

16. Bidder and all affiliates, suppliers, subcontractor, or consultants who will perform the Work have not been placed on the Public Entity Crimes convicted vendor list maintained by the State of Florida within the 36 months immediately preceding the date of this Bid.

17. Bidder acknowledges that ADDENDA NO(S). 1 have been RECEIVED and are ATTACHED HERETO and are signed by a duly authorized officer of Bidder.

18. By signing and submitting this Bid, Bidder represents that all Bid Forms are fully complete and accurate.

19. Bidder acknowledges that the Bid may be rejected if all Bid Forms are not fully complete, not accurate or if forms are not signed by properly authorized signatures where required.

20. The undersigned official of Bidder is properly authorized to submit this Bid and to bind the Bidder.

DRUG FREE WORKPLACE CERTIFICATION

The undersigned Bidder, in accordance with Florida Statute 287.087 hereby certifies to the Town of Jupiter Island, Florida that

Centerline Drilling, Inc. does:
(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under this bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities, or contractual services that are under bid, the employee will abide by the terms of the statement, and will notify the employer of any conviction of, or plea of guilty, or *nolo contendre* to any violation of Chapter 1893, or of any controlled substance law of the United States, or any State, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance, or rehabilitation program, if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Centerline Drilling, Inc.

2 Business name/disregarded entity name, if different from above
Centerline Drilling, Inc.

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☑ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
1696 Old Okeechobee Rd., #3C

Requester's name and address (optional)

6 City, state, and ZIP code
West Palm Beach, Florida 33409-5273

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
[ ][ ][ ] - [ ][ ] - [ ][ ][ ][ ]

or

Employer identification number
4 2 - 1 5 5 1 1 7 7

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ _____ Date ▶ 01/04/2023

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Initialed

South Martin Regional Utility

SMRU CONTINUING WELL MAINTENANCE AND REHABILITATION SERVICES

ITB 2023-01 **Addendum No. 1**

(25 pages)

Addendums to this bid solicitation state additional information that must be considered as part of the proposal for construction services and to disseminate any questions asked during the Q&A period. Additionally, any changes to bid documents are noted by addendum and it is up to the bidder to take corrective measures to amend his document to maintain relevant bidding information.

All addendums will be distributed via email and must be printed, initialed, and attached to the bid at the time of presentation to the Town. This addendum is the final addendum and the only one which will be issued as part of the bid process.

Please review the information below carefully before presenting your bid:

1.) The attached, revised SECTION 1- SCOPE OF WORK (ATTACHMENT 1), shall replace in its entirety the original Section 1 SCOPE OF WORK as provided in the original invitation to bid.

2.) Maps and specifications of all wells within the SMRU utility system has been included as part of the Invitation to Bid. Please review the information in (ATTACHMENT 2) for further information.

3.) The attached, revised SECTION B3- SCHEDULE OF BID ITEMS (ATTACHMENT 3), shall replace in its entirety the original SECTION B3- SCHEDULE OF BID ITEMS as provided in the original invitation to bid. Use this, revised bid schedule for pricing work.

4.) The following questions were received, accompanying responses are presented in **bold**.

Question 1

Q: Please provide the amounts of hydrochloric acid and sulfamic acid that are expected in each event.

A: The volumes vary from well to well and must be calculated for each specific site based on their construction. See revised scope of work for further information.

Question 2

Q: Please provide discharge locations for all development, testing and any other pumping events.

A: See revised scope of work for further information.

Sign _____ Title Presicent

Print John Say, JR. Date 01/04/23

Question 3
Q: Please clarify what specific tests are expected for microbiological sampling and analysis.

A: See revised scope of work for further information.

Question 4
Q: Please provide well construction details of all wells (diameters, depths, pump sizes, etc.)

A: See attached Well Construction Info taken from SFWMD Permit #43-00066-W.

Pump & Motor Info is as follows:

Remediation Wells – Wilo Pump (Model #: TWI04.70-12.75 M4) & Franklin Electric Motor (Model #: 2347288802g)

Surficial Wells – Grundfos Pump (Model #: C-16b70002p219190001) & Grundfos Motor (Model #: 78357214 Model C)

14n & 15n – Grundfos Pump (C-16B70002p239170001) and Franklin Electric Motor (Model #: 2366048120)

All wells are 480V except for 14n & 15n which are 240V

Question 5
Q: Please define the difference between Major and Minor site restoration.

A: Major site restoration is typically any work that would require heavy machinery or additional materials. If the discharge resulted washout of gravel or the excessive removal of soil, for example.

Minor site restoration is typically any work that can be done by hand (rake, shovel, pressure washing, etc.) This is typical cleanup of the wellsite post development (leveling the ground, etc.)

Question 6
Q: Shall the bidder provide the % for the Additional Parts Markup in the SOV?

A: **The bidder may bid up to, but not to exceed, 10%**

Revised "Section 1 Scope of Work" -December 27, 2022

SECTION 1 – SCOPE OF WORK

South Martin Regional Utility is an exclusively ground water supply treatment utility that has a total of twenty (20) wells of various sizes and depths into the surficial aquifer and the Floridan aquifer. These wells require periodic maintenance and rehabilitation to remain in compliance with FDEP regulations, SFWMD regulations, local City, County, and Health Department regulations, and/or to meet the needs of the utility.

The nature and scope of this bid is as follows:

Furnish all permits, labor, equipment, and materials necessary to perform well maintenance and/or rehabilitation of all wells owned and operated by South Martin Regional Utility (Town of Jupiter Island) located in Hobe Sound, Florida.

Well maintenance activities may include but are not limited to:

The removal/reinstallation of the wellhead and its components including downhole equipment and well piping; pump and motor inspection, repair, and/or replacement of well mechanical components including miscellaneous welding, well disinfection, and bacteriological clearance.

Well rehabilitation activities may include but are not limited to:

The removal/repair/reinstallation/replacement of the wellhead and its components, static and dynamic downhole well videos, brushing existing well casings, replacing/adding casing/column pipe, chemical treatment of wells, removal/replacement of gravel pack, well development including airlift development, high velocity jetting with simultaneous airlift development, and pump development, well performance pump testing, well disinfection, bacteriological clearance, site restoration, and completion of all required work to the extent that the well facility has been successfully rehabilitated, returned to service, and accepted by the OWNER based on the intent of the contract documents.

The scope of each bid item is as follows:

1. Mobilization & Demobilization of Equipment

This is an overall expense to get all needed equipment, material. and personnel to and from SMRU to rehabilitate all wells in ownership and operation by SMRU.

Mobilization/Demobilization includes but is not limited to the following principle items:

- Mobilize men. materials. and equipment to the wellsite
- Demobilize men, materials, and equipment from the wellsite

2. Remove pump, column pipe, wellhead, transducer

The transducer (and/or any other measurement device) should be removed from the stilling well and stored in a safe and secure manner as instructed by the SMRU representative on site. The wellhead, column pipe, stilling well, and pump/motor should all be removed and stored on site for the duration of work as necessary. These items should be protected and kept out of the dirt to be reinstalled following the completion of the project.

3. Reinstall well pump, column pipe, wellhead, transducer

All items should be rinsed prior to installation to ensure that they are free from debris. As the pump, motor, and casing are being installed, the submersible pump cable and safety cable should be securely attached to the column pipe using heavy duty zip ties – tape is expressly prohibited from being inserted into the well. The stilling well for the transducer should be installed before installing the wellhead. All items inserted into the well should be sprayed with disinfectant (provided by SMRU) at the time of installation. The wellhead should be properly sealed to prevent intrusion and/or contamination.

4. Rotary brush clean existing well casing and screen, complete

Rotary brush cleaning is a mechanical method of cleaning the well casing. The brush diameter is to be no more than half an inch smaller than the inside diameter of the casing as determined in the field. This item is to be bid as an hourly rate and payment will be made for the actual number of hours spent brushing the well.

5. Acidize existing well with 20% Sulfamic Acid, complete

This shall be the total cost of mixing the acid to a strength of 20% and pumping it into the well. This line item does not include the cost of the Sulfamic Acid.

6. Sulfamic Acid

This line item is to account for fluctuations in the market price of Acid. The contractor is expected to list the price they pay for the chemical per project. The invoice is not to exceed the quoted markup of that price.

Note:
Sulfamic Acid may be purchased at any strength; however, unless otherwise authorized by SMRU, the solution strength must be 20% when injected into the well.

7. Acidize existing well with 32% Hydrochloric Acid, complete

This shall be the total cost of mixing the acid to a strength of 32% and pumping it into the well. This line item does not include the cost of the Hydrochloric Acid.

8. Hydrochloric Acid

This line item is to account for fluctuations in the market price of Acid. The contractor is expected to list the price they pay for the chemical per project. The invoice is not to exceed the quoted markup of that price.

Note:
Hydrochloric Acid may be purchased at any strength; however, unless otherwise authorized by SMRU, the solution strength must be 32% when injected into the well.

9. Furnish and Install Gravel Pack

Gravel pack is not expected to be part of every development project. This line item will be requested by SMRU on a case-by-case basis.

If requested: Levels shall be measured continuously during development with the use of tremie tubing and replenished as needed. Replacement gravel material shall be as specified for each well by SMRU or it's hydrogeologist. At the completion of development, the gravel elevation shall remain at the designated level.

10. Furnish and Install Cement

This shall be the cost of cement used to make various repairs to well pads and misc. appurtenances. The installation of the cement shall be billed hourly based on the "Extra Work by Drilling Crew (with/without equipment)."

11. Furnish and Install Cement Grout

This shall be the cost of cement grout used to make various repairs to well pads and misc. appurtenances. The installation of the cement grout shall be billed hourly based on the "Extra Work by Drilling Crew (with/without equipment)."

12. Development (including airlift, jetting, jetting with simultaneous airlift, and pump development)

The CONTRACTOR shall provide all pumps, motors, air compressors, surge tanks, discharge hoses and/or pipes, and other ancillary equipment needed to develop each production well to the extent that, as practical, suspended solids have been removed from the open hole, well bore, screen and/or gravel pack.

The CONTRACTOR shall provide all discharge hoses and/or pipes, settling tank(s), filtration devices, transfer pump(s), turbidity curtain(s), and other ancillary equipment to contain and treat well water generated during development activities such that discharge meets the requirements detailed in the Contract. A daily development log must be recorded daily and submitted to the OWNER for approval of development performed.

Note:
This line item is the actual hours spent performing development. All necessary equipment,

materials, etc. needed to complete the work should be covered under "Mobilization & Demobilization of Equipment."

13. Downhole Video Surveillance (Pre & Post)

A video survey must be performed prior to the beginning of the work and then again following the completion of the work. It is expected that the video be dynamic in nature in order to capture the entirety of the casing. The intended goal is to verify the effective development of the well and to identify any areas that may need future attention. Following the completion of the project, the pre and post video shall be provided to SMRU.

14. Well Disinfection ("Super Chlorination")

The CONTRACTOR shall disinfect each production well, pump facilities, wellhead, and added piping according to the requirements of FAC 62-555.315, AWWA C-654-13, and AWWA C-601. Disinfection procedures shall ensure that the disinfecting agent is uniformly applied throughout the entire water depth of the well, without relying on subsequent mechanical or surging action for dispersing the disinfectant. The complete disinfection program and methods followed, especially if materially different from those specified, shall be in accordance with Florida Department of Environmental Protection (FDEP) and all methods employed shall have their approval.

Due to the geological nature of the wells, HTH (calcium hypochlorite) shall not be permitted without prior authorization. Sodium Hypochlorite is the preferred chemical. The strength of available chlorine being injected shall not be less than 100ppm or more than 250ppm.

Final approval of the bacterial samples shall be received prior to the time that the system is placed into operation. Re-chlorination needed because of failing bacteriological test results shall be completed by the CONTRACTOR at his own expense.

15. Microbiological Sampling & Analysis (pre and post)

As requested by SMRU, the CONTRACTOR shall arrange sample collection by a certified laboratory. Samples must be taken at the desired production rate prior to beginning any work on the well and following the completion of disinfection of the well. The samples expected are as follows:

1. Prior to beginning well work, a sample must be taken to a certified lab for a full analysis that includes: HPC, bacterial count, fecal coliform, total coliform, fungal identification, and algal tests. Results of the pretesting should be provided to SMRU and shall be used to determine if any additional treatment is needed.

2. Following the completion of disinfection, a sample must be taken to a certified lab for a full analysis that includes: HPC, bacterial count, fecal coliform, total coliform, fungal identification, and algal tests. Results of the post testing should be provided to SMRU and shall be compared to the pretest to determine if any additional treatment is needed and/or to confirm successful treatment.

16. Bacteriological Sampling & Analysis (clearance)

Bacteriological clearance samples must be taken prior to returning a well to service following any major work (i.e. work that requires the wellhead seal to be broken).

Standard clearance samples consist of two total coliform tests performed over two consecutive days (i.e. one sample collected on day one and one sample collected on day two, approximately 24-hours later). Note - If post microbiological testing has been performed, this may act as one of the clearance samples.

If a well is offline for more than six months, a total of ten clearance samples must be collected as required by FDEP. To expedite the clearance of the well, two samples may be collected per day if they are a minimum of 6 hours apart.

If the well does not pass the necessary clearance samples, the CONTRACTOR must retest and/or re-chlorinate the well until the bacteriological clearance samples succeeds. All extra work will be at the CONTRACTOR's expense.

17. Disassembly and Inspection of Pump/Motor

Disassembly and Inspection of Pump/Motor shall include labor, materials, and equipment necessary to disassemble and inspect a submersible well pump/motor in an OWNER approved repair shop. Work shall include but not be limited to transporting pump/motor to and from well to an OWNER approved repair shop, disassembly, and inspection of pump/motor in shop, completion of pump test including determination of shut-off head, preparation of report, and recommendation for repair including cost of repair.

A report shall be provided following any pump inspection. The report shall include well number, pump manufacturer, pump size, pump speed, serial number of pump, pump curve, photographs, explanation of deficiencies, recommendations of repair, and cost of repair.

18. Pump/Motor Maintenance (in shop)

Maintenance of Pump/Motor at an OWNER approved repair shop shall include but not be limited to all labor and equipment needed to repair pump and motor in accordance with OWNER accepted recommendations and may include but not be limited to replacement of shafts, bearings, wear rings, adapters, and other materials on the pump based on an estimated quantity of hours from the Inspection Report submitted required for Disassembly and Inspection of Pump/Motor.

19. Pump/Motor Retrieval

Pump/Motor Retrieval is for all labor, materials, and equipment necessary to retrieve a pump motor from the well including but not limited to downhole video, fishing tool, labor and time spent fishing and retrieving, removal of motor, transporting of motor to water plant, removal and replacement of wellhead piping to access well with crane, and all other necessary appurtenances necessary to

complete the task. Payment shall be made at the Contract Unit Price for the number of hours spent fishing and retrieving the motor as witnessed and approved by the OWNER or OWNER'S representative.

20. Install/Replace Column Pipe (markup over current market price)

Replacement of column pipe is not expected to be part of every development project. This line item will be requested by SMRU on a case-by-case basis or at the recommendation of the CONTRACTOR. If requested, the preferred column pipe is Certa-Lok and this line item is used to pay for all couplers, splines, and any other necessary parts. All quotes must be itemized and approved by OWNER prior to the purchase of parts or start of work. Failure to do so will result in no payment of this Pay Item by OWNER.

21. Extra Work by Drilling Crew (with equipment)

Extra work performed by the crew with equipment (crane, boom truck and/or associated equipment necessary to perform the work) shall be paid for at the Contract Unit Price based on the amount of approved time used based on the OWNER or OWNER's HYDROGEOLOGIST. CONTRACTOR must receive approval from OWNER and OWNER's HYDROGEOLOGIST to bill against this Pay Item before actual time is incurred. Failure to do so will result in no payment of this Pay Item by OWNER.

22. Extra Work by Drilling Crew (without equipment)

Extra work performed by the crew without equipment shall be paid for at the Contract Unit Price based on the amount of approved time used based on the OWNER or OWNER's HYDROGEOLOGIST. CONTRACTOR must receive approval from OWNER and OWNER's HYDROGEOLOGIST to bill against this Pay Item before actual time is incurred. Failure to do so will result in no payment of this Pay Item by OWNER.

23. Additional Parts Markup

This line item is to cover the cost of any parts not identified by this contract. SMRU will accept a parts markup not to exceed 10%. To receive payment, CONTRACTOR must provide receipts of parts as justification for markup.

24. Unidentified Parts Allowance

This item is intended for specialized small parts and procurement of items not stocked by the OWNER needed to complete rehabilitation of wells and avoid delays associated with placing the wells back into service. CONTRACTOR shall supply OWNER with Receipts for all items for which payment is requested under this pay item. Written approval of OWNER is required before any parts or items are purchased under this pay item. Failure of the CONTRACTOR to obtain OWNER'S approval in writing will result in non-payment of the items purchased. Labor shall not be charged under this pay item.

25. Certified Welding Services (optional)

Welding services shall be paid for at the contract unit price per hour of welding performed by a certified welder. CONTRACTOR must receive approval from OWNER to bill against the pay item before actual time is incurred. Failure to do so will result in no payment of this line item by the OWNER.

26. Licensed Electrical Services (optional)

Electrical services shall be paid for at the contract unit price per hour of electrical work performed by a licensed electrician. CONTRACTOR must receive approval from OWNER to bill against the pay item before actual time is incurred. Failure to do so will result in no payment of this line item by the OWNER.

27. SFWMD Flow Meter Calibration Services (optional)

Flow meter calibrating services shall be paid for at the Contract Unit Price per meter calibrated, including time, materials and labor necessary to complete any requested calibration services. A calibration report shall be provided to the OWNER in accordance with SFWMD requirements.

The nature and scope of the work requested in this bid (the "Work") is as follows:

Furnish all labor, equipment, and materials necessary to perform well maintenance and/or rehabilitation of all SMRU ground water supply wells and ground water monitor wells located in Hobe Sound, Florida.

Well maintenance activities may include but are not limited to:

The removal and reinstallation of the wellhead and its components (including downhole equipment and well piping); pump and motor inspection, maintenance, repair, and/or replacement; repair, maintenance and/or replacement of well mechanical components; and/or well disinfection and bacteriological clearance.

Well rehabilitation activities may include but are not limited to:

The removal, rehabilitation, reinstallation and/or replacement of the wellhead and its components (including downhole equipment and well piping); static and dynamic downhole well videos; brushing existing well casings; replacing/adding casing/column pipe; chemical treatment of wells; removal/replacement of gravel pack; well development (including airlift development, high velocity jetting with simultaneous airlift development, and pump development); well performance pump testing; miscellaneous electrical, welding, concrete, and/or grout work; well disinfection, bacteriological clearance, site restoration; and/or the completion of all required work to the extent that the well facility has been successfully rehabilitated, returned to service, and accepted by the OWNER based on the intent of the contract documents.

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/ 4/2025

Proposed Resolution No. R25-043- Award Request for Proposal No. BD25-014R for Supplemental Building Inspections and Plan Review Services to C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., and Calvin, Giordano & Associates, Inc., and approve Professional Services Agreements for a three-year term with the option to renew for one additional two-year term with the awarded Consultants who will be utilized on an "as needed basis" with an annual expenditure not to exceed $400,000 in the aggregate.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-043.

Explanation of Request: The City intends to award a contract with an initial term of Three (3) Years with One (1) Two-Year Renewal period.

The City of Boynton Beach's Building Department requires qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technicians.

On November 1, 2024, the City's Purchasing division issued a Request for Proposals (RFP) BD25-014R- Professional Services Agreement for Supplemental Building Inspections and Plan Review Services (Consultant) to establish qualified and experienced firms to perform fire, building, electrical, mechanical and/or plumbing inspections, and plan review services on an "as needed basis."

This RFP was issued to maintain good service and responsiveness for plan review for residential and commercial applications, review Business Use Certification for change in occupancy requirements, and inspection services for structures in which permits have been issued by the City of Boynton Beach. The RFP requested that respondents provide hourly costs for Single and Multi-Discipline Field Inspectors and Single and Multi-Discipline Plans Examiner. The building department can increase and decrease services to meet service demand by utilizing temporary personnel.

On December 10, 2024, the solicitation closed with six response packages to the RFP. Two of the proposal packages were deemed non-responsive. The City created an evaluation committee to review the proposals. On January 8, 2025, the City held a publicly posted open-to-the-public evaluation committee meeting where all remaining proposal packages were

reviewed. The Committee determined they would like to shortlist the top-ranked firms and requested presentations. The top-ranked firms were C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., and Calvin, Giordano & Associates, Inc.

On January 14, 2025, the evaluation committee received presentations from all three firms. As a result of the presentations, the evaluation committee decided collectively that it would be in the City's best interest to request approval from the commission to award contracts to all three firms that will be utilized on a rotating basis. Therefore, staff recommends the Mayor and Commission approve contracts to C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., and Calvin, Giordano & Associates, Inc. for three years with the option for one two-year renewal with a total annual expenditure not to exceed $400,000 in the aggregate.

How will this affect city programs or services? By awarding to these three (3) vendors, the Building Department will be assured that there will be personnel available to provide immediate services as required.

Budgeted Item: Yes

Account Line Item and Description:

Funds will come from account numbers 130-2411-524.49-17 and 001-2211-522.49-17.

Fiscal Impact:

This is a budgeted item.

RESOLUTION NO. R25-043

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, AWARDING REQUEST FOR PROPOSAL NO. BD25-014R FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES TO C.A.P. GOVERNMENT, INC., GFA INTERNATIONAL, INC. D/B/A UNIVERSAL ENGINEERING SCIENCES, INC., AND CALVIN, GIORDANO & ASSOCIATES, INC; APPROVING PROFESSIONAL SERVICE AGREEMENTS FOR A THREE-YEAR TERM WITH THE OPTION TO RENEW FOR ONE ADDITIONAL TWO-YEAR TERM WITH AWARDED CONSULTANTS TO BE USED ON AN AS-NEEDED BASIS, FOR AN AMOUNT NOT TO EXCEED $400,000 PER YEAR; AND PROVIDING AN EFFECTIVE DATE; AND FOR ALL OTHER PURPOSES.

WHEREAS, the City of Boynton Beach's Building Division requires qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of section 468, Florida Statutes, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technicians; and

WHEREAS, on November 1, 2024, the City's Purchasing division issued a Request for Proposals ("RFP") No. BD25-014R – Professional Services Agreement for Supplemental Building Inspections and Plan Review Services (Consultant) to establish qualified and experienced firms to perform fire, building, electrical, mechanical, and/or plumbing inspections and plan review services on an as-needed basis; and

WHEREAS, after the solicitation closed with six response packages to the RFP on December 10, 2024, and after the City held its open-to-public evaluation committee meeting on January 8, 2025, the top-ranked firms of the respondents were C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc. ("UES"), and Calvin, Giordano & Associates, Inc.; and

WHEREAS, on January 14, 2025, the evaluation committee received presentations from all three of the aforementioned top-ranked firms, whereby the committee collectively decided that it would be in the City's best interest to request approval from the Commission to award contracts to all three firms that will be utilized on a rotating basis for three years, with the option for one

two-year renewal, with an annual expenditure of $400,000 split between all three firms; and

WHEREAS, the City Commission, upon the recommendation of staff, has deemed it in the best interests of the City's citizens and residents to approve and authorize the Mayor to sign contracts with C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., and Calvin, Giordano & Associates, Inc. for three years with the option for one two-year renewal.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption.

SECTION 2. The City Commission of the City of Boynton Beach, Florida, does hereby approve and authorize the Mayor to execute the contract with C.A.P. Government, Inc., a copy of which is attached hereto as Exhibit A.

SECTION 3. The City Commission of the City of Boynton Beach, Florida, does hereby approve and authorize the Mayor to execute the contract with GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., a copy of which is attached hereto as Exhibit B.

SECTION 4. The City Commission of the City of Boynton Beach, Florida, does hereby approve and authorize the Mayor to execute the contract with Calvin, Giordano & Associates, Inc., a copy of which is attached hereto as Exhibit C.

SECTION 5. The City Commission of the City of Boynton Beach, Florida, hereby authorizes the Mayor to execute any ancillary documents necessary to accomplish the purposes of this Resolution.

SECTION 6. The City Clerk shall retain the fully executed contracts with C.A.P. Government, Inc., GFA International, Inc. d/b/a Universal Engineering Sciences, Inc., and Calvin, Giordano & Associates, Inc. as public records of the City.

SECTION 7. This Resolution shall take effect immediately.

AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND C.A.P. GOVERNMENT, INC., FOR PROFESSIONAL SERVICES

RFP No. BD25-014R
SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (CONSULTANT)

This Agreement is made as of this ____ day of _____, 20___, by and between C.A.P. GOVERNMENT, INC., a Florida Profit Corporation, with a principal address of 343 Almeria Ave Coral Gables, FL 33134, hereinafter referred to as "Consultant," and the City of Boynton Beach, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Avenue, Boynton Beach, Florida 33435, hereinafter referred to as "City." In consideration of the mutual benefits, terms, and conditions hereinafter specified, the Parties agree as set forth below.

WHEREAS, the City issued Request for Proposals No. BD25-014R (the "RFP ") pursuant to state and local law to solicit proposals for SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (the "Services"); and

WHEREAS, the Consultant responded to the RFP by submitting its Proposal dated December 10, 2024 (the "Proposal"), and

WHEREAS, the City created an evaluation committee to review the proposals in a publicly noticed open-to-the-public meeting on January 8, 2025, in accordance with the requirements of the RFP; and

WHEREAS, the evaluation committee requested presentations from the top three ranked vendors on January 14, 2025; and

WHEREAS, the City's evaluation committee selected the Consultant as the best qualified to perform the Services; and

WHEREAS, the City desires to engage the Consultant to provide such services to the City on an as-needed basis according to the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, for and in consideration of the mutual covenants and promises as hereinafter set forth and of the faithful performance of such covenants and conditions, the City and Consultant do hereby agree as follows:

1. **SERVICES AND METHOD OF ORDERING SERVICES**.
   a. **Services**. Consultant shall provide the type of services described in the Scope of Services attached hereto as **Exhibit A** (which services are hereinafter referred to as the "Services"). Consultant may be requested to provide specific Services for various and different tasks or projects. Consultant shall render the Services in a diligent, careful, thorough, and professional manner consistent with sound business practice and shall at all times provide City with the most sound and reasonable recommendations and advice. The standard of care for all Services performed or furnished by the Consultant under this Agreement will be the care and skill ordinarily used by members of the Consultant's profession practicing under similar circumstances or at the same time and in the same locality.
   b. **Method of Ordering Services**. Services will be rendered in response to periodic written Task Orders (each "Task Order") issued by the City on an as-needed basis. For each task or assignment, the City shall request the Consultant to develop for review by the City:
      i. A scope of services.
      ii. An estimate of fees and costs based on the hourly rates established in this Agreement with sufficient detail to identify the various elements of costs, which amount shall constitute a guaranteed maximum and shall not be exceeded without the prior written approval of City;

iii. A task/deliverable schedule; and
iv. A payment schedule based on deliverables, which may not be front-loaded.

The Consultant and City shall execute a written Task Order upon mutual agreement of the scope of services, fees and costs, task/deliverable schedule, and payment schedule. City shall not be liable to pay for any Services provided without a properly executed Task Order. Upon complete execution of a Task Order and issuance of a Purchase Order, Consultant shall provide all Services described in the Task Order, including all necessary, incidental, and related activities required for the full and complete performance of such Services. The form of the Task Order is attached hereto as **Exhibit B**. Any Task Order over the then-current procurement policy threshold shall require approval of the City Commission.

c. **Use of Subconsultants**. Consultant shall utilize only the subconsultants identified in a Task Order to provide the Services. Consultant shall obtain written approval of City before changing or modifying any subconsultants, which shall be automatically updated upon such written approval. Consultant shall bind in writing each and every approved subconsultant to the terms stated in this Agreement and the applicable Task Order, provided that this provision shall not, in and of itself, impose the insurance requirements set forth in Article 24 on Consultant's subconsultants.

d. **Services Provided in Response to Natural Disaster / Emergency.** Consultant provides services that the City may require in the event of a hurricane or other disaster. Consultant acknowledges and agrees that in such event, the City may apply to the State of Florida or the federal government for funds which will be used to pay Contractor or reimburse the City for payments made to Consultant. FEMA will only consider reimbursing contracts which contain the requisite FEMA provisions. Consultant desires to be eligible to be awarded disaster work and be compensated through federal funds. The City and Consultant agree that with respect to any services or work performed or provided by Consultant or its subconsultants under this Agreement arising or related to a disaster event, the provisions set forth in the FEMA Required Contract Terms (the "FEMA Requirements"), a copy of which is attached hereto as **Exhibit D** and incorporated herein by reference, shall apply. The FEMA Requirements shall only modify this Agreement upon the provision by Consultant of work or services required as a result of a disaster. The terms and conditions of the Agreement and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Agreement and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

2. TERM. This Agreement shall be for an initial term of **THREE** (**3**) years, commencing on January 21, 2025, and shall remain in effect through January 20, 2028 ("Initial Term"), unless otherwise terminated or extended as provided in this Agreement.

The City reserves the right to renew the Agreement for one (1) additional two-year renewal term (the "Extension Term") on the same terms and conditions stated in this Agreement, subject to Consultant's satisfactory performance as determined by the City, determination by the City that renewal will be in the best interest of the City, and confirmation that Consultant is the sole source to provide the Services. The Mayor is authorized to execute the term extension amendment(s). If Consultant requests a rate change at the time of renewal, such change shall not become effective until a written amendment is approved by the City Commission and duly executed by the Parties.

3. TIME FOR PERFORMANCE.

a. **Commencement of Work**. Services under the Agreement and any applicable Task Order shall commence upon the City giving written notice to the Consultant to proceed along with a purchase order. Consultant shall perform all Services and provide all deliverables required pursuant to this Agreement and each Task Order. Time is of the essence for the Consultant's performance of the duties, obligations, and responsibilities required by this Agreement.

b. **Delays; Untimely Performance**.

i. **Delays; No Fault of Consultant**. If Consultant is unable to timely complete all or any portion of the Services because of delays resulting from untimely review by the City or other governmental agencies having jurisdiction over the project and such delays are not the fault of Consultant, or because of delays caused by factors outside the control of Consultant, the City shall grant a reasonable extension of time for completion of the Services. It shall be the responsibility of the Consultant to notify the City in writing whenever a delay in approval by a governmental agency is anticipated or experienced and whenever a delay has been caused by factors outside of the Consultant's control and to inform the City of all facts and details related to the delay. Consultant must provide such written notice to the City within three (3) business days after the occurrence of the event causing the delay.

ii. **Delays Due to Consultant**. If Consultant fails to substantially complete the Services in whole or in part on or before the date established in each Task Order, Consultant shall pay City its proportional share of any claim for damages arising out of the delay. This section shall not affect either Party's indemnification rights or obligations otherwise outlined in this Agreement.

c. **If Task Order Continues Beyond Term**. Consultant shall complete each executed Task Order without regard to whether such completion would cause Services to be performed after the expiration date of this Agreement. Any Task Order for which performance extends beyond the Term may be amended after that expiration date, provided that any additional Services, time, and compensation are permitted under this Agreement. The terms and conditions of this Agreement shall continue to govern Task Orders notwithstanding the expiration of this Agreement.

4. AMOUNT AND METHOD OF COMPENSATION.

a. **Compensation**. As compensation for Services rendered by the Consultant to the City pursuant to a duly executed Task Order. The Fee is based on the Hourly Rates outlined in the Fee Schedule attached hereto as **Exhibit C** and incorporated into this Agreement by reference.

b. The Fee shall be the sole compensation paid to Consultant in connection with the rendition of the Services and the performance of any and all of its other obligations under this Agreement and shall include any out-of-pocket or other expenses, including travel expenses, incurred by Consultant.

c. **Subconsultant Fees**. If sub consulting is permitted, the Consultant shall bill the City for sub-consultant fees with no markup and within any applicable maximum not-to-exceed amount.

d. **CPI Increases.** All prices for the Initial Term **(THREE YEARS)** are fixed in accordance with the pricing stated in the Agreement. Consultant may request a price adjustment for labor unit prices for any applicable extension term. This request must be in writing, submitted to the City at least ninety (90) days before the start of the next applicable Extension Term, and accompanied by documentation to substantiate the need for the price adjustment.

Any price adjustment will be consistent with the Consumer Price Index ("CPI"). The CPI data will be obtained from the U.S. Bureau of Labor Statistics table for CPI for All Urban Consumers ("CPI-U"), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. The City will designate a reasonably similar index if no such index is published.

In its sole discretion, the City will determine if Consultant's requested adjustment is in the City's best interest based on current market conditions and information regarding similar services in the area. City approval is required for any price adjustment requested by Consultant; the City will provide written notification to Consultant of City's decision to approve or reject any requested adjustment. The City may also initiate a price adjustment consistent with the CPI-U; unless otherwise stated in the Agreement, Consultant's written approval is required for any price adjustment initiated by City.

If approved by the City, the CPI price adjustment percentage is calculated as follows: the difference of the CPI current period less the CPI previous period, divided by the CPI previous period, times 100. The CPI current period means the most recently published monthly index before the Agreement's annual anniversary. The CPI previous period means for the same month of the prior year. Any year's CPI price adjustment percentage will not exceed a maximum change of three percent (3%).

Consultant acknowledges that any adjustment is at the City's sole discretion, and if the City does not approve any such adjustment, Consultant is obligated to perform the Services in full for the entire Term without the requested adjustment to pricing.

5. **NOTICES**. All Notices to the City shall be in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, sent to:

6. **INVOICES AND PAYMENT**. Invoices must identify the PO number Task Order project description and should be mailed to:

Boynton Beach Finance Department
Attn: Accounts Payable

P.O. Box 310
Boynton Beach, FL 33425

Invoices shall show the nature of the service and dates(s) of service. Invoices based on hourly rates shall show the actual hours worked, the person performing services, the nature of the service, the hourly rate, and the dates(s) of service. Invoices may be submitted after such services are performed; however, all services rendered before September 30th of any given year must be invoiced by September 30th of that year. Consultant shall provide a W-9 with the first invoice.

Payment shall be made only for services actually performed and completed pursuant to a duly executed Task Order and this Agreement. The fee shall be paid based on receipt of a proper invoice in accordance with the invoice schedule indicated above. Payment will be made within 45 days of receipt of a proper invoice in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida Statutes. No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement by Consultant, either wholly or in part, and no payment shall be construed to be an acceptance of or to relieve Consultant of liability for the defective, faulty, or incomplete rendition of the Services.

7. **TAX EXEMPT**. Prices applicable to the City do not include applicable state and local sales, use, and related taxes. The City is exempt from state and local sales and use taxes and shall not be invoiced for the same. The City will provide the Consultant with proof of tax-exempt status upon request.

8. **SOVEREIGN IMMUNITY**. Nothing contained in this Agreement nor contained herein shall be considered nor construed to waive the City's rights and immunities under the common law or section 768.28, Florida Statutes, as may be amended.

9. **ATTORNEY'S FEES**. If either Party brings suit to enforce the Agreement, each Party shall bear its own attorney's fees and court costs.

10. **PUBLIC RECORDS**. The City is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law. Specifically, the Consultant shall:
    a. Keep and maintain public records required by the City to perform the service when utilizing non-City-owned equipment;
    b. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Fla. Stat. or as otherwise provided by law;
    c. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Consultant shall destroy all copies of such confidential and exempt records remaining in its possession once the Consultant transfers the records in its possession to the City; and
    d. Upon completion of the contract, Consultant shall transfer to the City, at no cost to the City, all public records in Consultant's possession. All records stored electronically by Consultant must be provided to the City, upon request from the City's custodian of public records, in a format compatible with the City's information technology systems.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK OFFICE
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

11. **DISCRIMINATORY VENDOR AND SCRUTINIZED COMPANIES LISTS; COUNTRIES OF CONCERN**. Consultant represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Sections 215.473 or 215.4725, Florida Statutes. Consultant represents and certifies that it is not, and for the duration of the Term, will not be, ineligible to contract with City on any of the grounds stated in Section 287.135, Florida Statutes. Consultant represents that it is, and for the duration of the term will remain, in compliance with Section 286.101, Florida Statutes.

12. **E-VERIFY**. Consultant shall comply with Section 448.095, Fla. Stat., "Employment Eligibility," including registering and using the E-Verify system to verify the work authorization status of employees. Failure to comply with Section 448.095, Fla. Stat. shall result in termination of this Agreement. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the termination date. If this Agreement is terminated for a violation of the statute by Consultant, Consultant may not be awarded a public contract for one (1) year after the date of termination.

13. **ENTITIES OF FOREIGN CONCERN**. The provisions of this section apply only if Consultant or any subconsultant will have access to an individual's personal identifying information under this Agreement. Consultant represents and certifies: (i) Consultant is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in Consultant; and (iii) Consultant r is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. On or before the effective date of this Agreement, Consultant and any subconsultant that will have access to personal identifying information shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice for purposes of Section 6. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

14. **ANTI-HUMAN TRAFFICKING**. On or before the effective date of this Agreement, Consultant shall provide City with an affidavit attesting that the Consultant does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

15. **COUNTRIES OF CONCERN**. The Consultant represents that it is and will remain in compliance with Section 286.101, Florida Statutes, for the duration of the term.

16. **PUBLIC ENTITY CRIME ACT**. Consultant represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. Consultant further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Consultant has been placed on the convicted vendor list.

17. **CONTINGENCY FEE**. Consultant represents and warrants that it has not employed or retained any person or

entity, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. If this Agreement is subject to Section 287.055, Florida Statutes, the Parties agree and stipulate that the statutory language stated in Section 287.055(6)(a) is deemed included and fully incorporated herein.

18. **TRUTH-IN-NEGOTIATION REPRESENTATION**. Consultant's compensation under this Agreement is based upon its representations to City. Consultant certifies that the wage rates, factual unit costs, and other information supplied to substantiate Consultant's compensation, including, without limitation, in the negotiation of this Agreement, are accurate, complete, and current as of the date Consultant executes this Agreement. Consultant's compensation may be reduced by City, in its sole discretion, to correct any inaccurate, incomplete, or noncurrent information provided to City as the basis for Consultant's compensation in this Agreement.

19. **DULY LICENSED**. Consultant represents that it is duly licensed to perform the Services under this Agreement and will continue to maintain all licenses and approvals required to conduct its business.

20. **FORCE MAJEURE**. If the performance of this Agreement, or any obligation hereunder, is prevented by reason of hurricane, earthquake, or other casualty caused by nature, epidemic, pandemic, or other public health emergency, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency (collectively, "Force Majeure Event"), the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the extent of such prevention, provided that the affected Party shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such inability to perform due to the Force Majeure Event exceeds sixty (60) consecutive days, the Party that was not prevented from performance by the Force Majeure Event has the right to terminate this Agreement upon written notice to the other Party. This section shall not supersede or preclude the exercise of any right either Party may otherwise have to terminate this Agreement.

21. **DISPUTES**. Any disputes that arise between the parties regarding the performance of this Agreement and cannot be resolved through negotiations shall be submitted to a court of competent jurisdiction exclusively in Palm Beach County, Florida. This Agreement shall be construed under Florida Law.

22. **TERMINATION**.
    a. **Termination for Convenience**. This Agreement may be terminated by either Party for convenience upon fourteen (14) calendar days of written notice. In this event, the Consultant shall be compensated for services performed through the termination date, including services reasonably related to termination.
    b. **Termination for Cause**. In addition to all other remedies available to the aggrieved Party, this Agreement shall be subject to cancellation by either Party for cause, should the other Party neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for thirty (30) calendar days after receipt by the defaulting Party of written notice of such neglect or failure.
    c. In the event of termination, the City shall compensate the Consultant for all authorized work satisfactorily performed through the termination date under the payment terms contained in this Agreement. Consultant shall immediately deliver all documents, written information, electronic data, and other materials concerning City projects in its possession to the City and shall cooperate in transitioning its consulting duties to appropriate parties at the direction of the City.
    d. Upon termination, this Agreement shall have no further force or effect, and the Parties shall be relieved of all further liability hereunder, except that the provisions of this section and the provisions regarding

property rights, insurance, indemnification, governing law, and litigation shall survive termination of this Agreement and remain in full force and effect.

23. **INDEMNIFICATION**. Consultant shall indemnify and hold harmless the City and its elected and appointed officers, agents, assigns and employees, consultants, separate Consultants, any of their subconsultants, or sub-subconsultants (collectively, "Indemnified Party"), from and against claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the Indemnified Party arising out of or resulting from (A) Consultant's performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Consultant's, its agents, employees, subcontractors, subconsultants, participants, and volunteers, and (C) Consultant's failure to take out and maintain insurance as required under this Agreement. Consultant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature against an Indemnified Party, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The obligations of this section shall survive indefinitely regardless of termination of the Agreement. If considered necessary by the City and the City Attorney, the City may retain any sums due Consultant under this Agreement until all claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the City.

24. **INSURANCE**. At the time of execution of this Agreement, the Consultant shall provide the City with a copy of its Certificate of Insurance reflecting the following insurance coverage:
    a. Workers' Compensation Insurance to apply for all employees in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. In addition, the policy(ies) shall include Employer's Liability with limits of One Million Dollars ($1,000,000.00) each accident, One Million Dollars ($1,000,000.00) each condition, and One Million Dollars ($1,000,000.00) aggregate by condition.
    b. Comprehensive General Liability with minimum limits of One Million Dollars ($1,000,000.00) per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability shall include:
        i. Premises and/or Operations on an occurrence basis.
        ii. Completed Operations Liability on an occurrence basis.
        iii. Broad Form Property Damage.
        iv. Broad Form Contractual Coverage applicable to this specific Agreement, including any hold harmless and/or indemnification agreement.

        The Certificate of Insurance shall name the City of Boynton Beach and its officers, employees, and agents as additional insured.
    c. Consultant shall require that each subconsultant maintains insurance coverage that adequately covers the Services provided by that subconsultant on substantially the same insurance terms and conditions required of Consultant under this article. Consultant shall ensure that all such subconsultants comply with these requirements and that "and its officers, employees, and agents as additional insured" is named as an additional insured under the subconsultants' applicable insurance policies. Consultant shall not permit any subconsultant to provide Services unless and until all applicable requirements of this article are satisfied.

25. **LIMITATION OF LIABILITY**. Notwithstanding any provision of the Agreement to which it is applicable, City shall not be liable or responsible to Consultant beyond the amount remaining due to Consultant under the Agreement, regardless of whether said liability be based in tort, contract, indemnity, or otherwise; and in no event shall City be liable to Consultant for punitive or exemplary damages or lost profits or consequential damages.

26. **INDEPENDENT CONTRACTOR**. The Agreement does not create an employee/employer relationship between the Parties. The Parties intend that Consultant is an independent contractor under this Agreement and shall

not be considered the City's employee for any purpose. Consultant shall not have the right to bind City to any obligation not expressly undertaken by City under this Agreement

27. **COMPLIANCE WITH LAWS**. Consultant hereby warrants and agrees that at all times material to the Agreement, Consultant shall perform its obligations in compliance with all applicable federal, state, and local laws, rules, and regulations, including section 501.171, Florida Statutes. Non-compliance may constitute a material breach of the Agreement.

28. **BREACH OF REPRESENTATIONS**. Consultant acknowledges that City is materially relying on the representations, warranties, and certifications of Consultant stated in its Proposal and this Agreement, and City shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Consultant; (c) set off from any amounts due Consultant the total amount of any damage incurred; and (d) debarment of Consultant.

29. **ASSIGNMENT**. If this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered under any circumstances by Consultant, Consultant must gain prior written consent from City thirty (30) business days before such transfer. For purposes of this Agreement, any company ownership change shall constitute an assignment that requires the City's approval. Notwithstanding the foregoing, Consultant may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Consultant shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.

30. **NO LIEN**. The Consultant shall not at any time permit any lien, attachment, or any other encumbrance under the laws of the State of Florida, or otherwise, by any person or persons whomsoever to be filed or recorded against the City, against any City property or money due or to become due for any work done or materials furnished under this Agreement by Consultant.

31. **AGREEMENT SUBJECT TO FUNDING**. The Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

32. **NON-EXCLUSIVE**. This Agreement is non-exclusive. City may retain additional entities to perform the same or similar work.

33. **REPRESENTATION OF AUTHORITY**. Consultant represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Consultant and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Consultant has with any third party or violates applicable law. Consultant further represents and warrants that execution of this Agreement is within Consultant's legal powers, and each individual executing this Agreement on behalf of Consultant is duly authorized by all necessary and appropriate action to do so on behalf of Consultant and does so with full legal authority.

34. **RIGHTS IN DOCUMENTS AND WORK**.
    a. **Ownership**. Any and all videos, photographs, documents, materials, data, or other work created by Consultant in connection with performing services, whether finished or unfinished ("Documents and Work"), shall be owned by City, and Consultant hereby transfers to City all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work.
    b. **Deliverables Upon Conclusion of Task Order**. Consultant shall deliver to the City for approval and acceptance, and before being eligible for final payment of any amounts due under any Task Order, all

documents and materials prepared for the City in connection with the Task Order. All such documents and records shall be provided within a reasonable time at no additional cost. Such documents may be provided electronically.

c. **Delivery Upon Expiration or Termination of Agreement**. Upon expiration or termination of this Agreement, the Documents and Work shall become the property of City and shall be delivered by Consultant to City within seven (7) days after expiration or termination. Any compensation due to Consultant may be withheld until all Documents and Work are received as provided in this Agreement. Consultant shall ensure that the requirements of this section are included in all agreements with all subconsultant(s).

d. **Reuse of Project Documents**. City may, at its option, reuse (in whole or in part) the resulting end-product or deliverables resulting from Consultant's Services (including, but not limited to, drawings, specifications, other documents, and services as described herein and in the applicable Scope of Services for any Task Order); and Consultant agrees to such reuse in accordance with this provision.

35. **CONSULTANT'S STAFF**. Consultant will provide the key staff identified in its Proposal as long as they are in Consultant's employment. Consultant will obtain prior written approval from the City to change key staff. Consultant shall provide City with such information as necessary for City to determine the suitability of proposed new key staff. City will be reasonable in evaluating key staff qualifications. If City desires to request removal of any of Consultant's staff, City shall first meet with Consultant and provide reasonable justification for said removal; upon such reasonable justification, Consultant shall use good faith efforts to remove or reassign the staff at issue.

36. **THIRD-PARTY BENEFICIARIES**. Neither Consultant nor City intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

37. **MATERIALITY AND WAIVER OF BREACH**. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and essential to the formation of this Agreement, and each is, therefore, a material term. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed as a modification of this Agreement. To be effective, any waiver must be in writing and signed by an authorized signatory of the Party granting the waiver.

38. **COUNTERPARTS AND MULTIPLE ORIGINALS**. This Agreement may be executed in multiple originals and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

39. **NON-DISCRIMINATION**. Consultant and any subconsultants shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

40. **CONTROLLING PROVISIONS**. Except as otherwise specifically provided herein, in the event of any conflict between the specific provisions of this Agreement and the requirements or provisions of the RFP and/or Proposal, the provisions shall be given precedence in the following order: (1) this Agreement, (2) the RFP; and (3) the Proposal. Wherever possible, the provisions of the documents shall be construed in such a manner as to avoid conflicts between the provisions of the various documents.

41. **ENTIRE AGREEMENT**. The Agreement, including the RFP, the Proposal, and the Exhibits that are incorporated into this Agreement in their entirety, embody the entire agreement and understanding of the parties concerning the subject matter of this Agreement and supersede all prior and contemporaneous agreements and

understandings, oral or written, relating to said subject matter. This Agreement may only be modified by a written amendment executed by the City and Consultant.

42. **SEVERABILITY**. If any provision of this Agreement or application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

IN WITNESS OF THE FOREGOING, the parties have set their hands and seals the day and year first written above.

SCOPE OF SERVICES

In an effort to maintain good service and be responsive to its citizens, the Building Division desires to secure the services of a qualified firm to perform daily plan reviews for residential and commercial building applications, review Business Use Certificates for changes in occupancy requirements under the Florida Building Code, and inspection services (Business Use Certificate, generic inspections (A generic inspection is to verify work without permits or unsafe structure, a stop work order may be required to be issued for work w/o permits.), building, plumbing, electric, mechanical (HVAC) for structures in which the City of Boynton Beach has issued permits. Inspection and plan review services shall be conducted under the City's and all other federal, state, and local laws, rules, regulations, directives, codes, and ordinances.

A. Inspection and Plan Review services shall include, but not be limited to, general building, mechanical (HVAC), plumbing, structural, and electrical, as well as providing all administrative documentation as required by the City.

B. Inspect permitted construction within the City limits for compliance with City codes and ordinances and permitted plans and specifications.

C. Receive and investigate alleged complaints of working without permits, operating a business without a Business Use Certificate, code violations, etc., by citizens, City employees, and others, including appearances before the Code Enforcement Board where appropriate.

D. Inspect new and transferred business uses. Review applications and research past use to determine possible changes in building code requirements for occupancy.

E. Prepare written reports of inspections and investigations of complaints and other reports as may be reasonably requested by the City. City inspection forms must be used.

F. Maintain records of inspections and investigations. Log daily inspections and results in the computer system.

G. Review plans for code compliance. Maintain records of reviews and investigations. Log daily reviews and results in the computer system.

H. Review and maintain all records required by the Federal Emergency Management Agency (FEMA) in association with processing building permits in the format required by FEMA.

I. Contact contractors, architects, engineers, and citizens about construction projects, code questions, and other concerns.

J. Coordinate activities with the City's Planning and Zoning Consultants, the City's Fire Marshall, and the City's Code Enforcement Officers.

K. Perform other duties that are related to or incidental to the Inspector's or Plan Reviewer's primary duties as described herein and that the City may assign from time to time.

L. Perform these duties during normal business hours of 8:00 AM to 5:00 PM, Monday through Friday, as needed or as may be altered with mutual agreement, as well as irregular hours as required during an emergency or natural disaster.

M. Report to the City's Building Official or designee.

N. Inspection personnel may be required to attend meetings or to provide consultation to the City.

O. Provide services regarding Unsafe Buildings as described in the Boynton Beach Administrative Amendment to the Florida Building Code, inspect, post and record violations and provide support to the Building Official or designee.

P. Provide services of an application technician to cover the counter, answer phone calls, receive permit applications, review applications for completeness, calculate applicable fees, receives payments, issue permits, and schedule inspections.

Q. All inspectors and examiners assigned to the City's contract shall have a valid driver's license in the State of Florida and be able to pass a background security check relevant to the position.

R. Inspection Services and Plan Review shall be provided in the event of a natural disaster (i.e. hurricane). Services shall be provided in emergency situations as follows:

a. During a declared emergency, Firm shall be responsible for staffing the EOC when operational and assisting with damage assessment and safety inspections. The Building Code Administrator shall have immediate access to building plans and other essential building information.

b. Firm shall work with the City during post-disaster (natural or man-made) times in restoring Plan Review and Inspection Services pursuant to the Florida Building Code and executive orders of the Governor. The firm shall provide personnel to assist with damage assessment teams. The firm shall serve as a resource and consultant in the relevant discipline areas, assisting the operational decision-making process and performing other duties as deemed necessary to restore overall safety and services.

c. The firm shall provide personnel in each discipline who shall be able to respond within one (1) hour (24 hours/day, 7 days/week) to any emergency call-out by the City's Fire Rescue, Law Enforcement or any authorized City representative.

d. If services are provided in response to an emergency, the FEMA Requirements shall apply to those services.

Key Negotiation Points:

A. **Billing for Training**
   a. To reduce costs, the Consultant shall only train one staff member on the permitting software system.
   b. This trained staff member would then train other inspectors internally, ensuring the City is not repeatedly charged for training hours.

B. **Inspection Scheduling**
   a. The Building Department shall notify the company to schedule inspections for the following day.

C. **Data Entry into Permitting Software**
   a. Consultant shall enter Inspection results directly into the permitting software system at the time of the inspection.
   b. Inspections end by 3:00 p.m. every day, and the Consultant shall inform the Building Department if a follow-up inspection needs to be scheduled the following day.

11	Other (specify in comments)	$105.0000	Floodplain Reviewer $136.50 Floodplain Reviewer (Overtime)

EXHIBIT D

FEMA REQUIRED CONTRACT TERMS

The FEMA Requirements shall only modify the Contract upon the provision by the Contractor of work or services required as a result of a disaster.

The term "Contractor", as used throughout shall mean the Contractor, Provider, Consultant, Supplier, etc., as applicable with respect to the Contract or Agreement.

The term "Contract" as used throughout shall mean the underlying contract or agreement, as applicable.

FEMA Requirements. The City and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or related to a disaster event, the provisions set forth in this Addendum (including Form FHWA-1273) and 2 CFR Part 200 (collectively, the **"FEMA Requirements")** shall apply. **The FEMA Requirements shall only modify the Contract upon the provision by Contractor of work or services required as a result of a disaster.** The terms and conditions of the Contract and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Contract and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

A. Contracts to receive funding derived from federal grants must comply with federal guidelines. The federal funds appropriated by the Federal Emergency Management Agency (FEMA) will be administered through the State of Florida.

B. **In the event of a conflict between the FEMA Requirements listed in this section and other provisions of the Contract, the FEMA Requirements will govern and prevail. Only FEMA provisions applicable to the Contract shall apply.**

C. **Payment**. Payment shall be based on the unit rates/prices pursuant to the Contract Fee Schedule. The contractor shall submit invoices covering no more than a 30-day period.

D. **Remedies**.

(1) Legal Remedies. The city may enforce any breach of contract through a city-initiated lawsuit in a court of competent jurisdiction to pursue temporary or permanent injunctive relief or any other legal or equitable remedy authorized by law to cure, remove, prevent, or end a violation of any provision of this article. The City shall recover its court costs and reasonable attorneys' fees in any legal proceedings commenced to enforce the contract.

(2) Additional Remedies. In addition to any other remedies provided for in the contract or to which the City may be entitled at law or in equity, in the event of a breach or violation of the Contract by the Contractor, the Contractor shall be subject to debarment or suspension from consideration for the award of additional contracts from the City, including but not limited to contracts related to disaster relief or recovery, pursuant to the terms and procedures set forth in the City Code.

These remedies are cumulative, and the use of any appropriate remedy shall not constitute an election of other remedies by the City. The use of one remedy shall not preclude the use of any other remedy. Nothing in this article shall prohibit the City from enforcing the requirements of this article by any other legal means.

E. **Termination or Suspension of Contract**. The City may, by written notice to the Contractor, suspend any or all of the City's obligations under the Contract due to the Contractor's failure to comply with applicable law or the terms of the Contract until such time as the event or condition resulting in such suspension has ceased or been corrected.

F. **Termination for Cause**. The City shall have the right to terminate the Contract for cause, in the event of a breach of the contract terms, upon five (5)-calendar days written notice to Contractor. In the event of termination, the City shall compensate the Provider for all authorized services or work satisfactorily performed through the termination date under the payment terms contained in the Contract. The City shall be liable for the payment of all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective

date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

G. **Termination for Convenience**. The City may terminate this Contract at its convenience with or without cause upon written notice of termination to the Contractor. In the event of such a termination by the City, the City shall be liable for the payment of all Work properly performed prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

H. **Changes to Contract**. Changes to the Contract terms and conditions which are within the scope of the Contract, reasonable for completion of the contract scope, allowable under FEMA regulations, and mutually agreed, may be made part of the Contract by written amendment duly executed by City and Contractor.

I. **Equal Employment Opportunity**.
(Applicable to All FEMA Construction Contracts)

During the performance of this Contract, the Contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for

purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, his contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph **(1)** and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part 11, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings

J. **Civil Rights**.
(Applicable to All FEMA Contracts)

The following requirements will apply to the Contract and any sub-contracts:

(1) **Age**. In accordance with section 4 of the Age Discrimination in Employment Act of 19671 as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(2) **Disabilities**. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. §12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

K. **Davis Bacon Act and Copeland Anti-Kickback Act**.

(Applicable to Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program construction contracts in excess of $2,000. Not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program; Davis Bacon Act--40 USC s. 3141-3144 and 3146-3148, 2 CFR Part 200, Appendix II; Copeland Anti-Kickback Act--40 USC s. 3145)

In situations where the Davis-Bacon Act does not apply, neither does the Copeland Anti-Kickback Act.

Compliance with Davis Bacon Act (if applicable)

(1) The Contractor agrees to comply with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146- 3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

(2) The Contractor agrees to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

(3) The Contractors will pay wages not less than once a week.

Compliance with Copeland Anti-Kickback Act

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

L. **Contract Work Hours and Safety Standards Act**.
(Applicable to all FEMA contracts in excess of $100,000 that involve the employment of mechanics or laborers; 29 CFR Part 5; 2 CFR Part 22, Appendix II, E)

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. U. S. Department of Homeland Security Headquarters 500 C St SW Washington, D.C. 20042.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums

as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

M. **Rights to Inventions Made Under a Contract or Agreement**.

(Applicable if FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement". Does not apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households - Other Needs Assistance Grant Program. 37 CFR Part 401; 2 CFR Part 200, Appendix II, F).

The contractor acknowledges that it must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by FEMA.

N. **Clean Air Act and the Federal Water Pollution Control Act**.
(Applicable to Contracts in Excess of $150,000)

Clean Air Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

O. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**. (Applicable to All FEMA Contracts and Subcontracts; Executive Order 12549, Executive Order 12689, 2 CFR Part 180; 2 CFR Part 3000)

a. By signing this Addendum, the Contractor is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Contractor shall submit an explanation

of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the Contractor to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The Contractor shall provide immediate written notice to the department or agency to whom this proposal is submitted if any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

d. This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

e. The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

f. This certification is a material representation of fact relied upon by the City. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State, and the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

g. The Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of the Contract. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

P. **Certification Regarding Use of Contract Funds for Lobbying - Byrd Anti-Lobbying**.

(Byrd Anti-Lobbying (31 USC s. 1352) --Applicable to contracts in excess of $100,000. 2 CFR Part 200, Appendix II)

Contractors with contracts of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the City who in turn will forward the certification(s) to FEMA.

(1) The Contractor certifies, by signing this Addendum, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of the fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

d. The Contractor also agrees that he or she shall require that the language of this certification be included in all lower-tier subcontracts, which exceed $100,000, and that all such recipients shall certify and disclose accordingly.

e. The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

P. **Procurement of Recovered Materials**.
(Applicable to all FEMA contracts, 42 USC s. 6962; 2 CFR Part 200, Appendix II, K; 2 CFR s. 200.322)

(1) In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired-
   a. Competitively within a timeframe providing for compliance with the contract performance schedule;
   b. Meeting contract performance requirements; or
   c. At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines website, www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program,

(3) The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

Q. **Compliance with Federal Law, Regulations, and Executive Orders**.
(Applicable to all FEMA contracts)

This is an acknowledgment that FEMA financial assistance will be used to fund the Contract only. The Contractor will comply with all applicable federal laws, regulations, executive orders, FEMA policies, procedures, and directives as applicable, and as amended from to time, including but not limited to:

   a. The Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 USC Sec. 5121, et. seq.
   b. Resource Conservation and Recovery Act
   c. National Historic Preservation Act
   d. Mandatory Standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act

R. **Compliance with State and Federal Reporting Requirements**. The Contractor and its subcontractors shall comply with and the Contract is subject to the requirements and regulations of the Federal Emergency Management Agency and the State of Florida Division of Emergency Management pertaining to reporting.

S. **Immigration and Naturalization Act**.
(Applicable to all FEMA contracts}

Contractor shall not knowingly employ unauthorized alien workers in violation of 8 USC §1324a(e) [§274A(a)(1) and (e)] of the Immigration and Nationality Act] and such employment of unauthorized aliens shall be grounds for unilateral termination of the Contract/Agreement.

T. **Indemnity of Funding Entities**.
(Applicable to all FEMA contracts)

Contractor hereby agrees to indemnify and hold harmless the State of Florida, the Government of the United States of America (including but not limited to the Federal Emergency Management Agency and the Federal Highway Administration), and the City and their officers, agents, employees, and elected officials from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including attorneys' fees for trial and appeal, and for the preparation of same arising out of Contractor's, its officers, agents, employees, and subcontractors' acts or omissions associated with this Contract.

U. **Performance and Payment Bonds**.
(Applicable to all FEMA Construction Contracts}

If not already required under the Contract, and if requested by the City, the Contractor shall, prior to the commencement of operations, furnish a Performance and Payment Bond, executed by a surety company authorized to do business in the State of Florida, in the amount of the estimated contract value, which bond shall be conditioned upon the successful completion of all work, labor, services, and materials to be provided and furnished under the contract and the payment of all subcontractors, materials, and laborers. Said bonds shall be subject to approval by the City.

V. **Materials and Supplies**.
(Applicable to all FEMA contracts)

All manufactured and unmanufactured articles, materials, and supplies which are acquired for public use under this Contract have been produced in the United States as required by 41 USC §10a, unless it would not be in the public interest or unreasonable in cost.

W. **Access to Records**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

(1) The Contractor agrees to provide the City, State, FEMA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the contract for the purposes of making audits, examinations, excerpts and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

(4) The Contractor agrees to maintain all books, records, accounts and reports required under the Contract for a period of not less than three (3) years after the date of termination or expiration of the Contract, except in the event of litigation or settlement of claims arising from the performance of the Contract, in which case Contractor agrees to maintain same until the City, the State, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

(5) In compliance with the Disaster Recovery Act of 2018, the City and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

X. **DHS Seal, Logo and Flags**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

The Contractor shall not use the OHS seal(s), logos, crests or reproductions of flags or likenesses of OHS agency officials without specific FEMA approval.

Y. **Fraud and False or Fraudulent or Related Acts**.
(Applicable to all FEMA contracts)

The Contractor acknowledges that 31 USC Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

Z. **No Obligation by the Federal Government**.
(Applicable to all FEMA contracts)

The Federal Government or FEMA is not a party to the Contract and shall not be subject to any obligations or liabilities to the City, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the contract.

AA. **Additional FEMA Provisions**.
(

(1) Affirmative Socioeconomic Steps. If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

(2) Copyrights and Data Rights. The Contractor grants to the City a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this Contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the City or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the City data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the City.

BB. **Subcontracts**. (Applicable to all FEMA contracts)

To the extent applicable, the Contractor shall cause the inclusion of the provisions of this Addendum in all subcontracts.

SAMPLE PERFORMANCE EVALUATION QUESTIONNAIRE
(FOR INFORMATIONAL PURPOSES ONLY)

Instructions: Performance evaluations may be completed by the Project Manager for the following: (1) all Contracts; (2) all individual Task Orders/Work Orders. Task Orders/Work Orders/Purchase Orders with a term of six (6) months or more at a minimum, the Project Manager shall complete performance evaluations at the mid-point of the project term or at more frequent intervals as required by the Task Order/Work Order/Purchase Order **and** at the time of Task Order/Work Order/Purchase Order or Contract completion**.**

It is especially important for the Project Manager to contact a Procurement representative to advise of any performance issues so that Procurement can assist with efforts to bring performance back to acceptable standards. It is equally important to complete this form whenever any of the performance indicators are either "marginal" or "unsatisfactory" even when this is not within the normal review cycle. In the event the Average Rating Score is "marginal" or "unsatisfactory" even after reasonable efforts have been taken by the City to improve performance, the Project Manager shall coordinate with Procurement to determine what action needs to be taken under the circumstances.

When completed, forward the evaluation form to Procurement. Procurement will keep track of the Average Rating Scores (Line 11) for all evaluations completed for the entire term of the Contract, Task Order, and Work Order. The completed Performance Evaluation form will be retained in Procurement and will be available as a record of current performance for use in the evaluation process of future solicitations released by the District. The completed evaluation is available to the contractor upon a Public Records request pursuant to Chapter 119, F.S.

Contract/Work Order No.	Contractor	Evaluation Period ☐ Interim ☐ Final
Project Title		If evaluating under a work order contract, specify type

Check the appropriate ratings for Lines 1 through 8.
Sum the individual ratings, by column, to produce the Individual Column Ratings on Line 9.
Sum the Individual Column Ratings in Line 9 to produce the Total Rating Score on Line 10.
Divide the Total Rating Score in Line 10 by the number 8 (the number of performance indicators in Lines 1-8) to produce the Average Rating Score in Line 11.

AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND GFA INTERNATIONAL, INC., DBA UNIVERSAL ENGINEERING SCIENCES (UES) FOR PROFESSIONAL SERVICES

RFP No. BD25-014R
SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (CONSULTANT)

This Agreement is made as of this _16___ day of _January_, 2025_, by and between GFA INTERNATIONAL, INC., DBA UNIVERSAL ENGINEERING SCIENCES., a Florida Profit Corporation, with a principal address of 4205 VINELAND ROAD SUITE L1 ORLANDO, FL 32811, hereinafter referred to as "Consultant," and the City of Boynton Beach, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Avenue, Boynton Beach, Florida 33435, hereinafter referred to as "City." In consideration of the mutual benefits, terms, and conditions hereinafter specified, the Parties agree as set forth below.

WHEREAS, the City issued Request for Proposals No. BD25-014R (the "RFP ") pursuant to state and local law to solicit proposals for SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (the "Services"); and

WHEREAS, the Consultant responded to the RFP by submitting its Proposal dated December 10, 2024 (the "Proposal"), and

WHEREAS, the City created an evaluation committee to review the proposals in a publicly noticed open-to-the-public meeting on January 8, 2025, in accordance with the requirements of the RFP; and

WHEREAS, the evaluation committee requested presentations from the top three ranked vendors on January 14, 2025; and

WHEREAS, the City's evaluation committee selected the Consultant as the best qualified to perform the Services; and

WHEREAS, the City desires to engage the Consultant to provide such services to the City on an as-needed basis according to the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, for and in consideration of the mutual covenants and promises as hereinafter set forth and of the faithful performance of such covenants and conditions, the City and Consultant do hereby agree as follows:

1. **SERVICES AND METHOD OF ORDERING SERVICES**.
   a. **Services**. Consultant shall provide the type of services described in the Scope of Services attached hereto as **Exhibit A** (which services are hereinafter referred to as the "Services"). Consultant may be requested to provide specific Services for various and different tasks or projects. Consultant shall render the Services in a diligent, careful, thorough, and professional manner consistent with sound business practice and shall at all times provide City with the most sound and reasonable recommendations and advice. The standard of care for all Services performed or furnished by the Consultant under this Agreement will be the care and skill ordinarily used by members of the Consultant's profession practicing under similar circumstances or at the same time and in the same locality.
   b. **Method of Ordering Services**. Services will be rendered in response to periodic written Task Orders (each "Task Order") issued by the City on an as-needed basis. For each task or assignment, the City shall request the Consultant to develop for review by the City:
      i. A scope of services.
      ii. An estimate of fees and costs based on the hourly rates established in this Agreement with sufficient detail to identify the various elements of costs, which amount shall constitute a guaranteed maximum

and shall not be exceeded without the prior written approval of City.

iii. A task/deliverable schedule; and

iv. A payment schedule based on deliverables, which may not be front-loaded.

The Consultant and City shall execute a written Task Order upon mutual agreement of the scope of services, fees and costs, task/deliverable schedule, and payment schedule. City shall not be liable to pay for any Services provided without a properly executed Task Order. Upon complete execution of a Task Order and issuance of a Purchase Order, Consultant shall provide all Services described in the Task Order, including all necessary, incidental, and related activities required for the full and complete performance of such Services. The form of the Task Order is attached hereto as **Exhibit B**. Any Task Order over the then-current procurement policy threshold shall require approval of the City Commission.

c. **Use of Subconsultants**. Consultant shall utilize only the subconsultants identified in a Task Order to provide the Services. Consultant shall obtain written approval of City before changing or modifying any subconsultants, which shall be automatically updated upon such written approval. Consultant shall bind in writing each and every approved subconsultant to the terms stated in this Agreement and the applicable Task Order, provided that this provision shall not, in and of itself, impose the insurance requirements set forth in Article 24 on Consultant's subconsultants.

d. **Services Provided in Response to Natural Disaster / Emergency.** Consultant provides services that the City may require in the event of a hurricane or other disaster. Consultant acknowledges and agrees that in such event, the City may apply to the State of Florida or the federal government for funds which will be used to pay Contractor or reimburse the City for payments made to Consultant. FEMA will only consider reimbursing contracts which contain the requisite FEMA provisions. Consultant desires to be eligible to be awarded disaster work and be compensated through federal funds. The City and Consultant agree that with respect to any services or work performed or provided by Consultant or its subconsultants under this Agreement arising or related to a disaster event, the provisions set forth in the FEMA Required Contract Terms (the "FEMA Requirements"), a copy of which is attached hereto as **Exhibit D** and incorporated herein by reference, shall apply. The FEMA Requirements shall only modify this Agreement upon the provision by Consultant of work or services required as a result of a disaster. The terms and conditions of the Agreement and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Agreement and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

2. TERM. This Agreement shall be for an initial term of **THREE** (**3**) years, commencing on January 21, 2025, and shall remain in effect through January 20, 2028 ("Initial Term"), unless otherwise terminated or extended as provided in this Agreement.

The City reserves the right to renew the Agreement for one (1) additional two-year renewal term (the "Extension Term") on the same terms and conditions stated in this Agreement, subject to Consultant's satisfactory performance as determined by the City, determination by the City that renewal will be in the best interest of the City, and confirmation that Consultant is the sole source to provide the Services. The Mayor is authorized to execute the term extension amendment(s). If Consultant requests a rate change at the time of renewal, such change shall not become effective until a written amendment is approved by the City Commission and duly executed by the Parties.

3. TIME FOR PERFORMANCE.

a. **Commencement of Work**. Services under the Agreement and any applicable Task Order shall commence upon the City giving written notice to the Consultant to proceed along with a purchase order. Consultant shall perform all Services and provide all deliverables required pursuant to this Agreement and each Task Order. Time is of the essence for the Consultant's performance of the

duties, obligations, and responsibilities required by this Agreement.

b. **Delays; Untimely Performance**.

i. **Delays; No Fault of Consultant**. If Consultant is unable to timely complete all or any portion of the Services because of delays resulting from untimely review by the City or other governmental agencies having jurisdiction over the project and such delays are not the fault of Consultant, or because of delays caused by factors outside the control of Consultant, the City shall grant a reasonable extension of time for completion of the Services. It shall be the responsibility of the Consultant to notify the City in writing whenever a delay in approval by a governmental agency is anticipated or experienced and whenever a delay has been caused by factors outside of the Consultant's control and to inform the City of all facts and details related to the delay. Consultant must provide such written notice to the City within three (3) business days after the occurrence of the event causing the delay.

ii. **Delays Due to Consultant**. If Consultant fails to substantially complete the Services in whole or in part on or before the date established in each Task Order, Consultant shall pay City its proportional share of any claim for damages arising out of the delay. This section shall not affect either Party's indemnification rights or obligations otherwise outlined in this Agreement.

c. **If Task Order Continues Beyond Term**. Consultant shall complete each executed Task Order without regard to whether such completion would cause Services to be performed after the expiration date of this Agreement. Any Task Order for which performance extends beyond the Term may be amended after that expiration date, provided that any additional Services, time, and compensation are permitted under this Agreement. The terms and conditions of this Agreement shall continue to govern Task Orders notwithstanding the expiration of this Agreement.

4. AMOUNT AND METHOD OF COMPENSATION.

a. **Compensation**. As compensation for Services rendered by the Consultant to the City pursuant to a duly executed Task Order. The Fee is based on the Hourly Rates outlined in the Fee Schedule attached hereto as **Exhibit C** and incorporated into this Agreement by reference.

b. The Fee shall be the sole compensation paid to Consultant in connection with the rendition of the Services and the performance of any and all of its other obligations under this Agreement and shall include any out-of-pocket or other expenses, including travel expenses, incurred by Consultant.

c. **Subconsultant Fees**. If sub consulting is permitted, the Consultant shall bill the City for sub-consultant fees with no markup and within any applicable maximum not-to-exceed amount.

d. **CPI Increases.** All prices for the Initial Term **(THREE YEARS)** are fixed in accordance with the pricing stated in the Agreement. Consultant may request a price adjustment for labor unit prices for any applicable extension term. This request must be in writing, submitted to the City at least ninety (90) days before the start of the next applicable Extension Term, and accompanied by documentation to substantiate the need for the price adjustment.

Any price adjustment will be consistent with the Consumer Price Index ("CPI"). The CPI data will be obtained from the U.S. Bureau of Labor Statistics table for CPI for All Urban Consumers ("CPI-U"), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. The City will designate a reasonably similar index if no such index is published.

In its sole discretion, the City will determine if Consultant's requested adjustment is in the City's best interest based on current market conditions and information regarding similar services in the area. City approval is required for any price adjustment requested by Consultant; the City will provide written notification to Consultant of City's decision to approve or reject any requested adjustment. The City may also initiate a price adjustment consistent with the CPI-U; unless otherwise stated in the Agreement, Consultant's written approval is required for any price adjustment initiated by City.

If approved by the City, the CPI price adjustment percentage is calculated as follows: the difference of the CPI current period less the CPI previous period, divided by the CPI previous period, times 100. The CPI current period means the most recently published monthly index before the Agreement's annual anniversary. The CPI previous period means for the same month of the prior year. Any year's CPI price adjustment percentage will not exceed a maximum change of three percent (3%).

Consultant acknowledges that any adjustment is at the City's sole discretion, and if the City does not approve any such adjustment, Consultant is obligated to perform the Services in full for the entire Term without the requested adjustment to pricing.

5. **NOTICES**. All Notices to the City shall be in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, sent to:

6. **INVOICES AND PAYMENT**. Invoices must identify the PO number Task Order project description and should be mailed to:

Boynton Beach Finance Department
Attn: Accounts Payable

P.O. Box 310
Boynton Beach, FL 33425

Invoices shall show the nature of the service and dates(s) of service. Invoices based on hourly rates shall show the actual hours worked, the person performing services, the nature of the service, the hourly rate, and the dates(s) of service. Invoices may be submitted after such services are performed; however, all services rendered before September 30th of any given year must be invoiced by September 30th of that year. Consultant shall provide a W-9 with the first invoice.

Payment shall be made only for services actually performed and completed pursuant to a duly executed Task Order and this Agreement. The fee shall be paid based on receipt of a proper invoice in accordance with the invoice schedule indicated above. Payment will be made within 45 days of receipt of a proper invoice in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida Statutes. No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement by Consultant, either wholly or in part, and no payment shall be construed to be an acceptance of or to relieve Consultant of liability for the defective, faulty, or incomplete rendition of the Services.

7. **TAX EXEMPT**. Prices applicable to the City do not include applicable state and local sales, use, and related taxes. The City is exempt from state and local sales and use taxes and shall not be invoiced for the same. The City will provide the Consultant with proof of tax-exempt status upon request.

8. **SOVEREIGN IMMUNITY**. Nothing contained in this Agreement nor contained herein shall be considered nor construed to waive the City's rights and immunities under the common law or section 768.28, Florida Statutes, as may be amended.

9. **ATTORNEY'S FEES**. If either Party brings suit to enforce the Agreement, each Party shall bear its own attorney's fees and court costs.

10. **PUBLIC RECORDS**. The City is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law. Specifically, the Consultant shall:
    a. Keep and maintain public records required by the City to perform the service when utilizing non-City-owned equipment;
    b. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Fla. Stat. or as otherwise provided by law;
    c. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Consultant shall destroy all copies of such confidential and exempt records remaining in its possession once the Consultant transfers the records in its possession to the City; and
    d. Upon completion of the contract, Consultant shall transfer to the City, at no cost to the City, all public records in Consultant's possession. All records stored electronically by Consultant must be provided to the City, upon request from the City's custodian of public records, in a format compatible with the City's information technology systems.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK OFFICE
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

11. **DISCRIMINATORY VENDOR AND SCRUTINIZED COMPANIES LISTS; COUNTRIES OF CONCERN**. Consultant represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Sections 215.473 or 215.4725, Florida Statutes. Consultant represents and certifies that it is not, and for the duration of the Term, will not be, ineligible to contract with City on any of the grounds stated in Section 287.135, Florida Statutes. Consultant represents that it is, and for the duration of the term will remain, in compliance with Section 286.101, Florida Statutes.

12. **E-VERIFY**. Consultant shall comply with Section 448.095, Fla. Stat., "Employment Eligibility," including registering and using the E-Verify system to verify the work authorization status of employees. Failure to comply with Section 448.095, Fla. Stat. shall result in termination of this Agreement. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the termination date. If this Agreement is terminated for a violation of the statute by Consultant, Consultant may not be awarded a public contract for one (1) year after the date of termination.

13. **ENTITIES OF FOREIGN CONCERN**. The provisions of this section apply only if Consultant or any subconsultant will have access to an individual's personal identifying information under this Agreement. Consultant represents and certifies: (i) Consultant is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in Consultant; and (iii) Consultant r is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. On or before the effective date of this Agreement, Consultant and any subconsultant that will have access to personal identifying information shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice for purposes of Section 6. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

14. **ANTI-HUMAN TRAFFICKING**. On or before the effective date of this Agreement, Consultant shall provide City with an affidavit attesting that the Consultant does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

15. **COUNTRIES OF CONCERN**. The Consultant represents that it is and will remain in compliance with Section 286.101, Florida Statutes, for the duration of the term.

16. **PUBLIC ENTITY CRIME ACT**. Consultant represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. Consultant further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Consultant has been placed on the convicted vendor list.

17. **CONTINGENCY FEE**. Consultant represents and warrants that it has not employed or retained any person or

entity, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. If this Agreement is subject to Section 287.055, Florida Statutes, the Parties agree and stipulate that the statutory language stated in Section 287.055(6)(a) is deemed included and fully incorporated herein.

18. **TRUTH-IN-NEGOTIATION REPRESENTATION**. Consultant's compensation under this Agreement is based upon its representations to City. Consultant certifies that the wage rates, factual unit costs, and other information supplied to substantiate Consultant's compensation, including, without limitation, in the negotiation of this Agreement, are accurate, complete, and current as of the date Consultant executes this Agreement. Consultant's compensation may be reduced by City, in its sole discretion, to correct any inaccurate, incomplete, or noncurrent information provided to City as the basis for Consultant's compensation in this Agreement.

19. **DULY LICENSED**. Consultant represents that it is duly licensed to perform the Services under this Agreement and will continue to maintain all licenses and approvals required to conduct its business.

20. **FORCE MAJEURE**. If the performance of this Agreement, or any obligation hereunder, is prevented by reason of hurricane, earthquake, or other casualty caused by nature, epidemic, pandemic, or other public health emergency, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency (collectively, "Force Majeure Event"), the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the extent of such prevention, provided that the affected Party shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such inability to perform due to the Force Majeure Event exceeds sixty (60) consecutive days, the Party that was not prevented from performance by the Force Majeure Event has the right to terminate this Agreement upon written notice to the other Party. This section shall not supersede or preclude the exercise of any right either Party may otherwise have to terminate this Agreement.

21. **DISPUTES**. Any disputes that arise between the parties regarding the performance of this Agreement and cannot be resolved through negotiations shall be submitted to a court of competent jurisdiction exclusively in Palm Beach County, Florida. This Agreement shall be construed under Florida Law.

22. **TERMINATION**.
    a. **Termination for Convenience**. This Agreement may be terminated by either Party for convenience upon fourteen (14) calendar days of written notice. In this event, the Consultant shall be compensated for services performed through the termination date, including services reasonably related to termination.
    b. **Termination for Cause**. In addition to all other remedies available to the aggrieved Party, this Agreement shall be subject to cancellation by either Party for cause, should the other Party neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for thirty (30) calendar days after receipt by the defaulting Party of written notice of such neglect or failure.
    c. In the event of termination, the City shall compensate the Consultant for all authorized work satisfactorily performed through the termination date under the payment terms contained in this Agreement. Consultant shall immediately deliver all documents, written information, electronic data, and other materials concerning City projects in its possession to the City and shall cooperate in transitioning its consulting duties to appropriate parties at the direction of the City.
    d. Upon termination, this Agreement shall have no further force or effect, and the Parties shall be relieved of all further liability hereunder, except that the provisions of this section and the provisions regarding

property rights, insurance, indemnification, governing law, and litigation shall survive termination of this Agreement and remain in full force and effect.

23. **INDEMNIFICATION**. Consultant shall indemnify and hold harmless the City and its elected and appointed officers, agents, assigns and employees, consultants, separate Consultants, any of their subconsultants, or sub-subconsultants (collectively, "Indemnified Party"), from and against claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the Indemnified Party arising out of or resulting from (A) Consultant's performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Consultant's, its agents, employees, subcontractors, subconsultants, participants, and volunteers, and (C) Consultant's failure to take out and maintain insurance as required under this Agreement. Consultant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature against an Indemnified Party, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The obligations of this section shall survive indefinitely regardless of termination of the Agreement. If considered necessary by the City and the City Attorney, the City may retain any sums due Consultant under this Agreement until all claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the City.

24. **INSURANCE**. At the time of execution of this Agreement, the Consultant shall provide the City with a copy of its Certificate of Insurance reflecting the following insurance coverage:
    a. Workers' Compensation Insurance to apply for all employees in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. In addition, the policy(ies) shall include Employer's Liability with limits of One Million Dollars ($1,000,000.00) each accident, One Million Dollars ($1,000,000.00) each condition, and One Million Dollars ($1,000,000.00) aggregate by condition.
    b. Comprehensive General Liability with minimum limits of One Million Dollars ($1,000,000.00) per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability shall include:
        i. Premises and/or Operations on an occurrence basis.
        ii. Completed Operations Liability on an occurrence basis.
        iii. Broad Form Property Damage.
        iv. Broad Form Contractual Coverage applicable to this specific Agreement, including any hold harmless and/or indemnification agreement.

        The Certificate of Insurance shall name the City of Boynton Beach and its officers, employees, and agents as additional insured.
    c. Consultant shall require that each subconsultant maintains insurance coverage that adequately covers the Services provided by that subconsultant on substantially the same insurance terms and conditions required of Consultant under this article. Consultant shall ensure that all such subconsultants comply with these requirements and that "and its officers, employees, and agents as additional insured" is named as an additional insured under the subconsultants' applicable insurance policies. Consultant shall not permit any subconsultant to provide Services unless and until all applicable requirements of this article are satisfied.

25. **LIMITATION OF LIABILITY**. Notwithstanding any provision of the Agreement to which it is applicable, City shall not be liable or responsible to Consultant beyond the amount remaining due to Consultant under the Agreement, regardless of whether said liability be based in tort, contract, indemnity, or otherwise; and in no event shall City be liable to Consultant for punitive or exemplary damages or lost profits or consequential damages.

26. **INDEPENDENT CONTRACTOR**. The Agreement does not create an employee/employer relationship between the Parties. The Parties intend that Consultant is an independent contractor under this Agreement and shall

not be considered the City's employee for any purpose. Consultant shall not have the right to bind City to any obligation not expressly undertaken by City under this Agreement

27. **COMPLIANCE WITH LAWS**. Consultant hereby warrants and agrees that at all times material to the Agreement, Consultant shall perform its obligations in compliance with all applicable federal, state, and local laws, rules, and regulations, including section 501.171, Florida Statutes. Non-compliance may constitute a material breach of the Agreement.

28. **BREACH OF REPRESENTATIONS**. Consultant acknowledges that City is materially relying on the representations, warranties, and certifications of Consultant stated in its Proposal and this Agreement, and City shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Consultant; (c) set off from any amounts due Consultant the total amount of any damage incurred; and (d) debarment of Consultant.

29. **ASSIGNMENT**. If this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered under any circumstances by Consultant, Consultant must gain prior written consent from City thirty (30) business days before such transfer. For purposes of this Agreement, any company ownership change shall constitute an assignment that requires the City's approval. Notwithstanding the foregoing, Consultant may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Consultant shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.

30. **NO LIEN**. The Consultant shall not at any time permit any lien, attachment, or any other encumbrance under the laws of the State of Florida, or otherwise, by any person or persons whomsoever to be filed or recorded against the City, against any City property or money due or to become due for any work done or materials furnished under this Agreement by Consultant.

31. **AGREEMENT SUBJECT TO FUNDING**. The Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

32. **NON-EXCLUSIVE**. This Agreement is non-exclusive. City may retain additional entities to perform the same or similar work.

33. **REPRESENTATION OF AUTHORITY**. Consultant represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Consultant and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Consultant has with any third party or violates applicable law. Consultant further represents and warrants that execution of this Agreement is within Consultant's legal powers, and each individual executing this Agreement on behalf of Consultant is duly authorized by all necessary and appropriate action to do so on behalf of Consultant and does so with full legal authority.

34. **RIGHTS IN DOCUMENTS AND WORK**.
    a. **Ownership**. Any and all videos, photographs, documents, materials, data, or other work created by Consultant in connection with performing services, whether finished or unfinished ("Documents and Work"), shall be owned by City, and Consultant hereby transfers to City all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work.
    b. **Deliverables Upon Conclusion of Task Order**. Consultant shall deliver to the City for approval and acceptance, and before being eligible for final payment of any amounts due under any Task Order, all

documents and materials prepared for the City in connection with the Task Order. All such documents and records shall be provided within a reasonable time at no additional cost. Such documents may be provided electronically.

c. **Delivery Upon Expiration or Termination of Agreement**. Upon expiration or termination of this Agreement, the Documents and Work shall become the property of City and shall be delivered by Consultant to City within seven (7) days after expiration or termination. Any compensation due to Consultant may be withheld until all Documents and Work are received as provided in this Agreement. Consultant shall ensure that the requirements of this section are included in all agreements with all subconsultant(s).

d. **Reuse of Project Documents**. City may, at its option, reuse (in whole or in part) the resulting end-product or deliverables resulting from Consultant's Services (including, but not limited to, drawings, specifications, other documents, and services as described herein and in the applicable Scope of Services for any Task Order); and Consultant agrees to such reuse in accordance with this provision.

35. **CONSULTANT'S STAFF**. Consultant will provide the key staff identified in its Proposal as long as they are in Consultant's employment. Consultant will obtain prior written approval from the City to change key staff. Consultant shall provide City with such information as necessary for City to determine the suitability of proposed new key staff. City will be reasonable in evaluating key staff qualifications. If City desires to request removal of any of Consultant's staff, City shall first meet with Consultant and provide reasonable justification for said removal; upon such reasonable justification, Consultant shall use good faith efforts to remove or reassign the staff at issue.

36. **THIRD-PARTY BENEFICIARIES**. Neither Consultant nor City intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

37. **MATERIALITY AND WAIVER OF BREACH**. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and essential to the formation of this Agreement, and each is, therefore, a material term. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed as a modification of this Agreement. To be effective, any waiver must be in writing and signed by an authorized signatory of the Party granting the waiver.

38. **COUNTERPARTS AND MULTIPLE ORIGINALS**. This Agreement may be executed in multiple originals and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

39. **NON-DISCRIMINATION**. Consultant and any subconsultants shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

40. **CONTROLLING PROVISIONS**. Except as otherwise specifically provided herein, in the event of any conflict between the specific provisions of this Agreement and the requirements or provisions of the RFP and/or Proposal, the provisions shall be given precedence in the following order: (1) this Agreement, (2) the RFP; and (3) the Proposal. Wherever possible, the provisions of the documents shall be construed in such a manner as to avoid conflicts between the provisions of the various documents.

41. **ENTIRE AGREEMENT**. The Agreement, including the RFP, the Proposal, and the Exhibits that are incorporated into this Agreement in their entirety, embody the entire agreement and understanding of the parties concerning the subject matter of this Agreement and supersede all prior and contemporaneous agreements and

understandings, oral or written, relating to said subject matter. This Agreement may only be modified by a written amendment executed by the City and Consultant.

42. **SEVERABILITY**. If any provision of this Agreement or application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

IN WITNESS OF THE FOREGOING, the parties have set their hands and seals the day and year first written above.

EXHIBIT A

SCOPE OF SERVICES

In an effort to maintain good service and be responsive to its citizens, the Building Division desires to secure the services of a qualified firm to perform daily plan reviews for residential and commercial building applications, review Business Use Certificates for changes in occupancy requirements under the Florida Building Code, and inspection services (Business Use Certificate, generic inspections (A generic inspection is to verify work without permits or unsafe structure, a stop work order may be required to be issued for work w/o permits.), building, plumbing, electric, mechanical (HVAC) for structures in which the City of Boynton Beach has issued permits. Inspection and plan review services shall be conducted under the City's and all other federal, state, and local laws, rules, regulations, directives, codes, and ordinances.

A. Inspection and Plan Review services shall include, but not be limited to, general building, mechanical (HVAC), plumbing, structural, and electrical, as well as providing all administrative documentation as required by the City.

B. Inspect permitted construction within the City limits for compliance with City codes and ordinances and permitted plans and specifications.

C. Receive and investigate alleged complaints of working without permits, operating a business without a Business Use Certificate, code violations, etc., by citizens, City employees, and others, including appearances before the Code Enforcement Board where appropriate.

D. Inspect new and transferred business uses. Review applications and research past use to determine possible changes in building code requirements for occupancy.

E. Prepare written reports of inspections and investigations of complaints and other reports as may be reasonably requested by the City. City inspection forms must be used.

F. Maintain records of inspections and investigations. Log daily inspections and results in the computer system.

G. Review plans for code compliance. Maintain records of reviews and investigations. Log daily reviews and results in the computer system.

H. Review and maintain all records required by the Federal Emergency Management Agency (FEMA) in association with processing building permits in the format required by FEMA.

I. Contact contractors, architects, engineers, and citizens about construction projects, code questions, and other concerns.

J. Coordinate activities with the City's Planning and Zoning Consultants, the City's Fire Marshall, and the City's Code Enforcement Officers.

K. Perform other duties that are related to or incidental to the Inspector's or Plan Reviewer's primary duties as described herein and that the City may assign from time to time.

L. Perform these duties during normal business hours of 8:00 AM to 5:00 PM, Monday through Friday, as needed or as may be altered with mutual agreement, as well as irregular hours as required during an emergency or natural disaster.

M. Report to the City's Building Official or designee.

N. Inspection personnel may be required to attend meetings or to provide consultation to the City.

O. Provide services regarding Unsafe Buildings as described in the Boynton Beach Administrative Amendment to the Florida Building Code, inspect, post and record violations and provide support to the Building Official or designee.

P. Provide services of an application technician to cover the counter, answer phone calls, receive permit applications, review applications for completeness, calculate applicable fees, receives payments, issue permits, and schedule inspections.

Q. All inspectors and examiners assigned to the City's contract shall have a valid driver's license in the State of Florida and be able to pass a background security check relevant to the position.

R. Inspection Services and Plan Review shall be provided in the event of a natural disaster (i.e. hurricane). Services shall be provided in emergency situations as follows:

a. During a declared emergency, Firm shall be responsible for staffing the EOC when operational and assisting with damage assessment and safety inspections. The Building Code Administrator shall have immediate access to building plans and other essential building information.

b. Firm shall work with the City during post-disaster (natural or man-made) times in restoring Plan Review and Inspection Services pursuant to the Florida Building Code and executive orders of the Governor. The firm shall provide personnel to assist with damage assessment teams. The firm shall serve as a resource and consultant in the relevant discipline areas, assisting the operational decision-making process and performing other duties as deemed necessary to restore overall safety and services.

c. The firm shall provide personnel in each discipline who shall be able to respond within one (1) hour (24 hours/day, 7 days/week) to any emergency call-out by the City's Fire Rescue, Law Enforcement or any authorized City representative.

d. If services are provided in response to an emergency, the FEMA Requirements shall apply to those services.

Key Negotiation Points:

A. **Billing for Training**
   a. To reduce costs, the Consultant shall only train one staff member on the permitting software system.
   b. This trained staff member would then train other inspectors internally, ensuring the City is not repeatedly charged for training hours.

B. **Inspection Scheduling**
   a. The Building Department shall notify the company to schedule inspections for the following day.

C. **Data Entry into Permitting Software**
   a. Consultant shall enter Inspection results directly into the permitting software system at the time of the inspection.
   b. Inspections end by 3:00 p.m. every day, and the Consultant shall inform the Building Department if a follow-up inspection needs to be scheduled the following day.

EXHIBIT D

FEMA REQUIRED CONTRACT TERMS

The FEMA Requirements shall only modify the Contract upon the provision by the Contractor of work or services required as a result of a disaster.

The term "Contractor", as used throughout shall mean the Contractor, Provider, Consultant, Supplier, etc., as applicable with respect to the Contract or Agreement.

The term "Contract" as used throughout shall mean the underlying contract or agreement, as applicable.

FEMA Requirements. The City and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or related to a disaster event, the provisions set forth in this Addendum (including Form FHWA-1273) and 2 CFR Part 200 (collectively, the **"FEMA Requirements")** shall apply. **The FEMA Requirements shall only modify the Contract upon the provision by Contractor of work or services required as a result of a disaster.** The terms and conditions of the Contract and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Contract and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

A. Contracts to receive funding derived from federal grants must comply with federal guidelines. The federal funds appropriated by the Federal Emergency Management Agency (FEMA) will be administered through the State of Florida.

B. **In the event of a conflict between the FEMA Requirements listed in this section and other provisions of the Contract, the FEMA Requirements will govern and prevail. Only FEMA provisions applicable to the Contract shall apply.**

C. **Payment**. Payment shall be based on the unit rates/prices pursuant to the Contract Fee Schedule. The contractor shall submit invoices covering no more than a 30-day period.

D. **Remedies**.

(1) Legal Remedies. The city may enforce any breach of contract through a city-initiated lawsuit in a court of competent jurisdiction to pursue temporary or permanent injunctive relief or any other legal or equitable remedy authorized by law to cure, remove, prevent, or end a violation of any provision of this article. The City shall recover its court costs and reasonable attorneys' fees in any legal proceedings commenced to enforce the contract.

(2) Additional Remedies. In addition to any other remedies provided for in the contract or to which the City may be entitled at law or in equity, in the event of a breach or violation of the Contract by the Contractor, the Contractor shall be subject to debarment or suspension from consideration for the award of additional contracts from the City, including but not limited to contracts related to disaster relief or recovery, pursuant to the terms and procedures set forth in the City Code.

These remedies are cumulative, and the use of any appropriate remedy shall not constitute an election of other remedies by the City. The use of one remedy shall not preclude the use of any other remedy. Nothing in this article shall prohibit the City from enforcing the requirements of this article by any other legal means.

E. **Termination or Suspension of Contract**. The City may, by written notice to the Contractor, suspend any or all of the City's obligations under the Contract due to the Contractor's failure to comply with applicable law or the terms of the Contract until such time as the event or condition resulting in such suspension has ceased or been corrected.

F. **Termination for Cause**. The City shall have the right to terminate the Contract for cause, in the event of a breach of the contract terms, upon five (5)-calendar days written notice to Contractor. In the event of termination, the City shall compensate the Provider for all authorized services or work satisfactorily performed through the termination date under the payment terms contained in the Contract. The City shall be liable for the payment of all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective

date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

G. **Termination for Convenience**. The City may terminate this Contract at its convenience with or without cause upon written notice of termination to the Contractor. In the event of such a termination by the City, the City shall be liable for the payment of all Work properly performed prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

H. **Changes to Contract**. Changes to the Contract terms and conditions which are within the scope of the Contract, reasonable for completion of the contract scope, allowable under FEMA regulations, and mutually agreed, may be made part of the Contract by written amendment duly executed by City and Contractor.

I. **Equal Employment Opportunity**.
(Applicable to All FEMA Construction Contracts)

During the performance of this Contract, the Contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for

purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, his contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph **(1)** and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part 11, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings

J. **Civil Rights**.
(Applicable to All FEMA Contracts)

The following requirements will apply to the Contract and any sub-contracts:

(1) **Age**. In accordance with section 4 of the Age Discrimination in Employment Act of 19671 as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(2) **Disabilities**. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. §12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

K. **Davis Bacon Act and Copeland Anti-Kickback Act**.

(Applicable to Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program construction contracts in excess of $2,000. Not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program; Davis Bacon Act--40 USC s. 3141-3144 and 3146-3148, 2 CFR Part 200, Appendix II; Copeland Anti-Kickback Act--40 USC s. 3145)

In situations where the Davis-Bacon Act does not apply, neither does the Copeland Anti-Kickback Act.

Compliance with Davis Bacon Act (if applicable)

(1) The Contractor agrees to comply with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146- 3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

(2) The Contractor agrees to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

(3) The Contractors will pay wages not less than once a week.

Compliance with Copeland Anti-Kickback Act

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

L. **Contract Work Hours and Safety Standards Act**.
(Applicable to all FEMA contracts in excess of $100,000 that involve the employment of mechanics or laborers; 29 CFR Part 5; 2 CFR Part 22, Appendix II, E)

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. U. S. Department of Homeland Security Headquarters 500 C St SW Washington, D.C. 20042.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums

as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

M. **Rights to Inventions Made Under a Contract or Agreement**.

(Applicable if FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement". Does not apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households - Other Needs Assistance Grant Program. 37 CFR Part 401; 2 CFR Part 200, Appendix II, F).

The contractor acknowledges that it must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by FEMA.

N. **Clean Air Act and the Federal Water Pollution Control Act**.
(Applicable to Contracts in Excess of $150,000)

Clean Air Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

O. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**. (Applicable to All FEMA Contracts and Subcontracts; Executive Order 12549, Executive Order 12689, 2 CFR Part 180; 2 CFR Part 3000)

a. By signing this Addendum, the Contractor is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Contractor shall submit an explanation

of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the Contractor to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The Contractor shall provide immediate written notice to the department or agency to whom this proposal is submitted if any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

d. This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

e. The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

f. This certification is a material representation of fact relied upon by the City. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State, and the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

g. The Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of the Contract. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

P. **Certification Regarding Use of Contract Funds for Lobbying - Byrd Anti-Lobbying**.

(Byrd Anti-Lobbying (31 USC s. 1352) --Applicable to contracts in excess of $100,000. 2 CFR Part 200, Appendix II)

Contractors with contracts of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the City who in turn will forward the certification(s) to FEMA.

(1) The Contractor certifies, by signing this Addendum, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of the fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

d. The Contractor also agrees that he or she shall require that the language of this certification be included in all lower-tier subcontracts, which exceed $100,000, and that all such recipients shall certify and disclose accordingly.

e. The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

P. **Procurement of Recovered Materials**.
(Applicable to all FEMA contracts, 42 USC s. 6962; 2 CFR Part 200, Appendix II, K; 2 CFR s. 200.322)

(1) In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired-
   a. Competitively within a timeframe providing for compliance with the contract performance schedule;
   b. Meeting contract performance requirements; or
   c. At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines website, www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program,

(3) The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

Q. **Compliance with Federal Law, Regulations, and Executive Orders**.
(Applicable to all FEMA contracts)

This is an acknowledgment that FEMA financial assistance will be used to fund the Contract only. The Contractor will comply with all applicable federal laws, regulations, executive orders, FEMA policies, procedures, and directives as applicable, and as amended from to time, including but not limited to:

   a. The Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 USC Sec. 5121, et. seq.
   b. Resource Conservation and Recovery Act
   c. National Historic Preservation Act
   d. Mandatory Standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act

R. **Compliance with State and Federal Reporting Requirements**. The Contractor and its subcontractors shall comply with, and the Contract is subject to the requirements and regulations of the Federal Emergency Management Agency and the State of Florida Division of Emergency Management pertaining to reporting.

S. **Immigration and Naturalization Act**.
(Applicable to all FEMA contracts}

Contractor shall not knowingly employ unauthorized alien workers in violation of 8 USC §1324a(e) [§274A(a)(1) and (e)] of the Immigration and Nationality Act] and such employment of unauthorized aliens shall be grounds for unilateral termination of the Contract/Agreement.

T. **Indemnity of Funding Entities**.
(Applicable to all FEMA contracts)

Contractor hereby agrees to indemnify and hold harmless the State of Florida, the Government of the United States of America (including but not limited to the Federal Emergency Management Agency and the Federal Highway Administration), and the City and their officers, agents, employees, and elected officials from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including attorneys' fees for trial and appeal, and for the preparation of same arising out of Contractor's, its officers, agents, employees, and subcontractors' acts or omissions associated with this Contract.

U. **Performance and Payment Bonds**.
(Applicable to all FEMA Construction Contracts}

If not already required under the Contract, and if requested by the City, the Contractor shall, prior to the commencement of operations, furnish a Performance and Payment Bond, executed by a surety company authorized to do business in the State of Florida, in the amount of the estimated contract value, which bond shall be conditioned upon the successful completion of all work, labor, services, and materials to be provided and furnished under the contract and the payment of all subcontractors, materials, and laborers. Said bonds shall be subject to approval by the City.

V. **Materials and Supplies**.
(Applicable to all FEMA contracts)

All manufactured and unmanufactured articles, materials, and supplies which are acquired for public use under this Contract have been produced in the United States as required by 41 USC §10a, unless it would not be in the public interest or unreasonable in cost.

W. **Access to Records**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

(1) The Contractor agrees to provide the City, State, FEMA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the contract for the purposes of making audits, examinations, excerpts and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

(4) The Contractor agrees to maintain all books, records, accounts and reports required under the Contract for a period of not less than three (3) years after the date of termination or expiration of the Contract, except in the event of litigation or settlement of claims arising from the performance of the Contract, in which case Contractor agrees to maintain same until the City, the State, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

(5) In compliance with the Disaster Recovery Act of 2018, the City and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

X. **DHS Seal, Logo and Flags**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

The Contractor shall not use the OHS seal(s), logos, crests or reproductions of flags or likenesses of OHS agency officials without specific FEMA approval.

Y. **Fraud and False or Fraudulent or Related Acts**.
(Applicable to all FEMA contracts)

The Contractor acknowledges that 31 USC Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

Z. **No Obligation by the Federal Government**.
(Applicable to all FEMA contracts)

The Federal Government or FEMA is not a party to the Contract and shall not be subject to any obligations or liabilities to the City, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the contract.

AA. **Additional FEMA Provisions**.
(

(1) Affirmative Socioeconomic Steps. If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
(2) Copyrights and Data Rights. The Contractor grants to the City a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this Contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the City or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the City data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the City.

BB. **Subcontracts**. (Applicable to all FEMA contracts)

To the extent applicable, the Contractor shall cause the inclusion of the provisions of this Addendum in all subcontracts.

SAMPLE PERFORMANCE EVALUATION QUESTIONNAIRE
(FOR INFORMATIONAL PURPOSES ONLY)

Instructions: Performance evaluations may be completed by the Project Manager for the following: (1) all Contracts; (2) all individual Task Orders/Work Orders. Task Orders/Work Orders/Purchase Orders with a term of six (6) months or more at a minimum, the Project Manager shall complete performance evaluations at the mid-point of the project term or at more frequent intervals as required by the Task Order/Work Order/Purchase Order **and** at the time of Task Order/Work Order/Purchase Order or Contract completion.

It is especially important for the Project Manager to contact a Procurement representative to advise of any performance issues so that Procurement can assist with efforts to bring performance back to acceptable standards. It is equally important to complete this form whenever any of the performance indicators are either "marginal" or "unsatisfactory" even when this is not within the normal review cycle. In the event the Average Rating Score is "marginal" or "unsatisfactory" even after reasonable efforts have been taken by the City to improve performance, the Project Manager shall coordinate with Procurement to determine what action needs to be taken under the circumstances.

When completed, forward the evaluation form to Procurement. Procurement will keep track of the Average Rating Scores (Line 11) for all evaluations completed for the entire term of the Contract, Task Order, and Work Order. The completed Performance Evaluation form will be retained in Procurement and will be available as a record of current performance for use in the evaluation process of future solicitations released by the District. The completed evaluation is available to the contractor upon a Public Records request pursuant to Chapter 119, F.S.

Contract/Work Order No.	Contractor	Evaluation Period ☐ Interim ☐ Final
Project Title		If evaluating under a work order contract, specify type

Check the appropriate ratings for Lines 1 through 8.
Sum the individual ratings, by column, to produce the Individual Column Ratings on Line 9.
Sum the Individual Column Ratings in Line 9 to produce the Total Rating Score on Line 10.
Divide the Total Rating Score in Line 10 by the number 8 (the number of performance indicators in Lines 1-8) to produce the Average Rating Score in Line 11.

AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND CALVIN, GIORDANO & ASSOCIATES, INC. FOR PROFESSIONAL SERVICES

RFP No. BD25-014R
SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (CONSULTANT)

This Agreement is made as of this ____ day of _____, 20___, by and between Calvin, Giordano & Associates, Inc., a Florida Profit Corporation, with a principal address of 1800 Eller Drive Ste 600 Fort Lauderdale FL, 33316, hereinafter referred to as "Consultant," and the City of Boynton Beach, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Avenue, Boynton Beach, Florida 33435, hereinafter referred to as "City." In consideration of the mutual benefits, terms, and conditions hereinafter specified, the Parties agree as set forth below.

WHEREAS, the City issued Request for Proposals No. BD25-014R (the "RFP ") pursuant to state and local law to solicit proposals for SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES (the "Services"); and

WHEREAS, the Consultant responded to the RFP by submitting its Proposal dated December 10, 2024 (the "Proposal"), and

WHEREAS, the City created an evaluation committee to review the proposals in a publicly noticed open-to-the-public meeting on January 8, 2025, in accordance with the requirements of the RFP; and

WHEREAS, the evaluation committee requested presentations from the top three ranked vendors on January 14, 2025; and

WHEREAS, the City's evaluation committee selected the Consultant as the best qualified to perform the Services; and

WHEREAS, the City desires to engage the Consultant to provide such services to the City on an as-needed basis according to the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, for and in consideration of the mutual covenants and promises as hereinafter set forth and of the faithful performance of such covenants and conditions, the City and Consultant do hereby agree as follows:

1. **SERVICES AND METHOD OF ORDERING SERVICES**.
   a. **Services**. Consultant shall provide the type of services described in the Scope of Services attached hereto as **Exhibit A** (which services are hereinafter referred to as the "Services"). Consultant may be requested to provide specific Services for various and different tasks or projects. Consultant shall render the Services in a diligent, careful, thorough, and professional manner consistent with sound business practice and shall at all times provide City with the most sound and reasonable recommendations and advice. The standard of care for all Services performed or furnished by the Consultant under this Agreement will be the care and skill ordinarily used by members of the Consultant's profession practicing under similar circumstances or at the same time and in the same locality.
   b. **Method of Ordering Services**. Services will be rendered in response to periodic written Task Orders (each "Task Order") issued by the City on an as-needed basis. For each task or assignment, the City shall request the Consultant to develop for review by the City:
      i. A scope of services.
      ii. An estimate of fees and costs based on the hourly rates established in this Agreement with sufficient detail to identify the various elements of costs, which amount shall constitute a guaranteed maximum

and shall not be exceeded without the prior written approval of City.

iii. A task/deliverable schedule; and

iv. A payment schedule based on deliverables, which may not be front-loaded.

The Consultant and City shall execute a written Task Order upon mutual agreement of the scope of services, fees and costs, task/deliverable schedule, and payment schedule. City shall not be liable to pay for any Services provided without a properly executed Task Order. Upon complete execution of a Task Order and issuance of a Purchase Order, Consultant shall provide all Services described in the Task Order, including all necessary, incidental, and related activities required for the full and complete performance of such Services. The form of the Task Order is attached hereto as **Exhibit B**. Any Task Order over the then-current procurement policy threshold shall require approval of the City Commission.

c. **Use of Subconsultants**. Consultant shall utilize only the subconsultants identified in a Task Order to provide the Services. Consultant shall obtain written approval of City before changing or modifying any subconsultants, which shall be automatically updated upon such written approval. Consultant shall bind in writing each and every approved subconsultant to the terms stated in this Agreement and the applicable Task Order, provided that this provision shall not, in and of itself, impose the insurance requirements set forth in Article 24 on Consultant's subconsultants.

d. **Services Provided in Response to Natural Disaster / Emergency.** Consultant provides services that the City may require in the event of a hurricane or other disaster. Consultant acknowledges and agrees that in such event, the City may apply to the State of Florida or the federal government for funds which will be used to pay Contractor or reimburse the City for payments made to Consultant. FEMA will only consider reimbursing contracts which contain the requisite FEMA provisions. Consultant desires to be eligible to be awarded disaster work and be compensated through federal funds. The City and Consultant agree that with respect to any services or work performed or provided by Consultant or its subconsultants under this Agreement arising or related to a disaster event, the provisions set forth in the FEMA Required Contract Terms (the "FEMA Requirements"), a copy of which is attached hereto as **Exhibit D** and incorporated herein by reference, shall apply. The FEMA Requirements shall only modify this Agreement upon the provision by Consultant of work or services required as a result of a disaster. The terms and conditions of the Agreement and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Agreement and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

2. TERM. This Agreement shall be for an initial term of **THREE** (**3**) years, commencing on January 21, 2025, and shall remain in effect through January 20, 2028 ("Initial Term"), unless otherwise terminated or extended as provided in this Agreement.

The City reserves the right to renew the Agreement for one (1) additional two-year renewal term (the "Extension Term") on the same terms and conditions stated in this Agreement, subject to Consultant's satisfactory performance as determined by the City, determination by the City that renewal will be in the best interest of the City, and confirmation that Consultant is the sole source to provide the Services. The Mayor is authorized to execute the term extension amendment(s). If Consultant requests a rate change at the time of renewal, such change shall not become effective until a written amendment is approved by the City Commission and duly executed by the Parties.

3. TIME FOR PERFORMANCE.

a. **Commencement of Work**. Services under the Agreement and any applicable Task Order shall commence upon the City giving written notice to the Consultant to proceed along with a purchase order. Consultant shall perform all Services and provide all deliverables required pursuant to this Agreement and each Task Order. Time is of the essence for the Consultant's performance of the

duties, obligations, and responsibilities required by this Agreement.

b. **Delays; Untimely Performance**.

i. **Delays; No Fault of Consultant**. If Consultant is unable to timely complete all or any portion of the Services because of delays resulting from untimely review by the City or other governmental agencies having jurisdiction over the project and such delays are not the fault of Consultant, or because of delays caused by factors outside the control of Consultant, the City shall grant a reasonable extension of time for completion of the Services. It shall be the responsibility of the Consultant to notify the City in writing whenever a delay in approval by a governmental agency is anticipated or experienced and whenever a delay has been caused by factors outside of the Consultant's control and to inform the City of all facts and details related to the delay. Consultant must provide such written notice to the City within three (3) business days after the occurrence of the event causing the delay.

ii. **Delays Due to Consultant**. If Consultant fails to substantially complete the Services in whole or in part on or before the date established in each Task Order, Consultant shall pay City its proportional share of any claim for damages arising out of the delay. This section shall not affect either Party's indemnification rights or obligations otherwise outlined in this Agreement.

c. **If Task Order Continues Beyond Term**. Consultant shall complete each executed Task Order without regard to whether such completion would cause Services to be performed after the expiration date of this Agreement. Any Task Order for which performance extends beyond the Term may be amended after that expiration date, provided that any additional Services, time, and compensation are permitted under this Agreement. The terms and conditions of this Agreement shall continue to govern Task Orders notwithstanding the expiration of this Agreement.

4. AMOUNT AND METHOD OF COMPENSATION.

a. **Compensation**. As compensation for Services rendered by the Consultant to the City pursuant to a duly executed Task Order. The Fee is based on the Hourly Rates outlined in the Fee Schedule attached hereto as **Exhibit C** and incorporated into this Agreement by reference.

b. The Fee shall be the sole compensation paid to Consultant in connection with the rendition of the Services and the performance of any and all of its other obligations under this Agreement and shall include any out-of-pocket or other expenses, including travel expenses, incurred by Consultant.

c. **Subconsultant Fees**. If sub consulting is permitted, the Consultant shall bill the City for sub-consultant fees with no markup and within any applicable maximum not-to-exceed amount.

d. **CPI Increases.** All prices for the Initial Term **(THREE YEARS)** are fixed in accordance with the pricing stated in the Agreement. Consultant may request a price adjustment for labor unit prices for any applicable extension term. This request must be in writing, submitted to the City at least ninety (90) days before the start of the next applicable Extension Term, and accompanied by documentation to substantiate the need for the price adjustment.

Any price adjustment will be consistent with the Consumer Price Index ("CPI"). The CPI data will be obtained from the U.S. Bureau of Labor Statistics table for CPI for All Urban Consumers ("CPI-U"), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. The City will designate a reasonably similar index if no such index is published.

In its sole discretion, the City will determine if Consultant's requested adjustment is in the City's best interest based on current market conditions and information regarding similar services in the area. City approval is required for any price adjustment requested by Consultant; the City will provide written notification to Consultant of City's decision to approve or reject any requested adjustment. The City may also initiate a price adjustment consistent with the CPI-U; unless otherwise stated in the Agreement, Consultant's written approval is required for any price adjustment initiated by City.

If approved by the City, the CPI price adjustment percentage is calculated as follows: the difference of the CPI current period less the CPI previous period, divided by the CPI previous period, times 100. The CPI current period means the most recently published monthly index before the Agreement's annual anniversary. The CPI previous period means for the same month of the prior year. Any year's CPI price adjustment percentage will not exceed a maximum change of three percent (3%).

Consultant acknowledges that any adjustment is at the City's sole discretion, and if the City does not approve any such adjustment, Consultant is obligated to perform the Services in full for the entire Term without the requested adjustment to pricing.

5. **NOTICES**. All Notices to the City shall be in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, sent to:

6. **INVOICES AND PAYMENT**. Invoices must identify the PO number Task Order project description and should be mailed to:

Boynton Beach Finance Department

Attn: Accounts Payable
P.O. Box 310
Boynton Beach, FL 33425

Invoices shall show the nature of the service and dates(s) of service. Invoices based on hourly rates shall show the actual hours worked, the person performing services, the nature of the service, the hourly rate, and the dates(s) of service. Invoices may be submitted after such services are performed; however, all services rendered before September 30th of any given year must be invoiced by September 30th of that year. Consultant shall provide a W-9 with the first invoice.

Payment shall be made only for services actually performed and completed pursuant to a duly executed Task Order and this Agreement. The fee shall be paid based on receipt of a proper invoice in accordance with the invoice schedule indicated above. Payment will be made within 45 days of receipt of a proper invoice in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida Statutes. No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement by Consultant, either wholly or in part, and no payment shall be construed to be an acceptance of or to relieve Consultant of liability for the defective, faulty, or incomplete rendition of the Services.

7. **TAX EXEMPT**. Prices applicable to the City do not include applicable state and local sales, use, and related taxes. The City is exempt from state and local sales and use taxes and shall not be invoiced for the same. The City will provide the Consultant with proof of tax-exempt status upon request.

8. **SOVEREIGN IMMUNITY**. Nothing contained in this Agreement nor contained herein shall be considered nor construed to waive the City's rights and immunities under the common law or section 768.28, Florida Statutes, as may be amended.

9. **ATTORNEY'S FEES**. If either Party brings suit to enforce the Agreement, each Party shall bear its own attorney's fees and court costs.

10. **PUBLIC RECORDS**. The City is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law. Specifically, the Consultant shall:
    a. Keep and maintain public records required by the City to perform the service when utilizing non-City-owned equipment;
    b. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Fla. Stat. or as otherwise provided by law;
    c. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Consultant shall destroy all copies of such confidential and exempt records remaining in its possession once the Consultant transfers the records in its possession to the City; and
    d. Upon completion of the contract, Consultant shall transfer to the City, at no cost to the City, all public records in Consultant's possession. All records stored electronically by Consultant must be provided to the City, upon request from the City's custodian of public records, in a format compatible with the City's information technology systems.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK OFFICE
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

11. **DISCRIMINATORY VENDOR AND SCRUTINIZED COMPANIES LISTS; COUNTRIES OF CONCERN**. Consultant represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Sections 215.473 or 215.4725, Florida Statutes. Consultant represents and certifies that it is not, and for the duration of the Term, will not be, ineligible to contract with City on any of the grounds stated in Section 287.135, Florida Statutes. Consultant represents that it is, and for the duration of the term will remain, in compliance with Section 286.101, Florida Statutes.

12. **E-VERIFY**. Consultant shall comply with Section 448.095, Fla. Stat., "Employment Eligibility," including registering and using the E-Verify system to verify the work authorization status of employees. Failure to comply with Section 448.095, Fla. Stat. shall result in termination of this Agreement. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the termination date. If this Agreement is terminated for a violation of the statute by Consultant, Consultant may not be awarded a public contract for one (1) year after the date of termination.

13. **ENTITIES OF FOREIGN CONCERN**. The provisions of this section apply only if Consultant or any subconsultant will have access to an individual's personal identifying information under this Agreement. Consultant represents and certifies: (i) Consultant is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in Consultant; and (iii) Consultant r is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. On or before the effective date of this Agreement, Consultant and any subconsultant that will have access to personal identifying information shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice for purposes of Section 6. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

14. **ANTI-HUMAN TRAFFICKING**. On or before the effective date of this Agreement, Consultant shall provide City with an affidavit attesting that the Consultant does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

15. **COUNTRIES OF CONCERN**. The Consultant represents that it is and will remain in compliance with Section 286.101, Florida Statutes, for the duration of the term.

16. **PUBLIC ENTITY CRIME ACT**. Consultant represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. Consultant further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Consultant has been placed on the convicted vendor list.

17. **CONTINGENCY FEE**. Consultant represents and warrants that it has not employed or retained any person or entity, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. If this Agreement is subject to Section 287.055, Florida Statutes, the Parties agree and stipulate that the statutory language stated in Section 287.055(6)(a) is deemed included and fully incorporated herein.

18. **TRUTH-IN-NEGOTIATION REPRESENTATION**. Consultant's compensation under this Agreement is based upon its representations to City. Consultant certifies that the wage rates, factual unit costs, and other information supplied to substantiate Consultant's compensation, including, without limitation, in the negotiation of this Agreement, are accurate, complete, and current as of the date Consultant executes this Agreement. Consultant's compensation may be reduced by City, in its sole discretion, to correct any inaccurate, incomplete, or noncurrent information provided to City as the basis for Consultant's compensation in this Agreement.

19. **DULY LICENSED**. Consultant represents that it is duly licensed to perform the Services under this Agreement and will continue to maintain all licenses and approvals required to conduct its business.

20. **FORCE MAJEURE**. If the performance of this Agreement, or any obligation hereunder, is prevented by reason of hurricane, earthquake, or other casualty caused by nature, epidemic, pandemic, or other public health emergency, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency (collectively, "Force Majeure Event"), the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the extent of such prevention, provided that the affected Party shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such inability to perform due to the Force Majeure Event exceeds sixty (60) consecutive days, the Party that was not prevented from performance by the Force Majeure Event has the right to terminate this Agreement upon written notice to the other Party. This section shall not supersede or preclude the exercise of any right either Party may otherwise have to terminate this Agreement.

21. **DISPUTES**. Any disputes that arise between the parties regarding the performance of this Agreement and cannot be resolved through negotiations shall be submitted to a court of competent jurisdiction exclusively in Palm Beach County, Florida. This Agreement shall be construed under Florida Law.

22. **TERMINATION**.
    a. **Termination for Convenience**. This Agreement may be terminated by either Party for convenience upon fourteen (14) calendar days of written notice. In this event, the Consultant shall be compensated for services performed through the termination date, including services reasonably related to termination.
    b. **Termination for Cause**. In addition to all other remedies available to the aggrieved Party, this Agreement shall be subject to cancellation by either Party for cause, should the other Party neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for thirty (30) calendar days after receipt by the defaulting Party of written notice of such neglect or failure.
    c. In the event of termination, the City shall compensate the Consultant for all authorized work satisfactorily performed through the termination date under the payment terms contained in this Agreement. Consultant shall immediately deliver all documents, written information, electronic data, and other materials concerning City projects in its possession to the City and shall cooperate in transitioning its consulting duties to appropriate parties at the direction of the City.
    d. Upon termination, this Agreement shall have no further force or effect, and the Parties shall be relieved

of all further liability hereunder, except that the provisions of this section and the provisions regarding property rights, insurance, indemnification, governing law, and litigation shall survive termination of this Agreement and remain in full force and effect.

23. **INDEMNIFICATION**. Consultant shall indemnify and hold harmless the City and its elected and appointed officers, agents, assigns and employees, consultants, separate Consultants, any of their subconsultants, or sub-subconsultants (collectively, "Indemnified Party"), from and against third-party claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the Indemnified Party to the extent arising out of or resulting from (A) Consultant's negligent performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Consultant's, its agents, employees, subcontractors, subconsultants, participants, and volunteers, and (C) Consultant's failure to take out and maintain insurance as required under this Agreement. Consultant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature against an Indemnified Party, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon to the extent arising out of the negligent, willfull misconduct of Consultant's, its agent and employees. The obligations of this section shall survive indefinitely regardless of termination of the Agreement. If considered necessary by the City and the City Attorney, the City may retain any sums due Consultant under this Agreement until all claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the City.

    Consultant's obligations under this Section 23 are contingent upon timely notice of any Losses, such that defense of the Losses is not compromised, and the Indemnitees cooperation in defending the Losses.

24. **INSURANCE**. At the time of execution of this Agreement, the Consultant shall provide the City with a copy of its Certificate of Insurance reflecting the following insurance coverage:
    a. Workers' Compensation Insurance to apply for all employees in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. In addition, the policy(ies) shall include Employer's Liability with limits of One Million Dollars ($1,000,000.00) each accident, One Million Dollars ($1,000,000.00) each condition, and One Million Dollars ($1,000,000.00) aggregate by condition.
    b. Comprehensive General Liability with minimum limits of One Million Dollars ($1,000,000.00) per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability shall include:
        i. Premises and/or Operations on an occurrence basis.
        ii. Completed Operations Liability on an occurrence basis.
        iii. Broad Form Property Damage.
        iv. Broad Form Contractual Coverage applicable to this specific Agreement, including any hold harmless and/or indemnification agreement.

        The Certificate of Insurance shall name the City of Boynton Beach and its officers, employees, and agents as additional insured.
    c. Consultant shall require that each subconsultant maintains insurance coverage that adequately covers the Services provided by that subconsultant on substantially the same insurance terms and conditions required of Consultant under this article. Consultant shall ensure that all such subconsultants comply with these requirements and that "and its officers, employees, and agents as additional insured" is named as an additional insured under the subconsultants' applicable insurance policies. Consultant shall not permit any subconsultant to provide Services unless and until all applicable requirements of this article are satisfied.

25. **LIMITATION OF LIABILITY**. Notwithstanding any provision of the Agreement to which it is applicable, City shall not be liable or responsible to Consultant beyond the amount remaining due to Consultant under the Agreement, regardless of whether said liability be based in tort, contract, indemnity, or otherwise; and in no event shall City be liable to Consultant for punitive or exemplary damages or lost profits or consequential damages.

26. **INDEPENDENT CONTRACTOR**. The Agreement does not create an employee/employer relationship between the Parties. The Parties intend that Consultant is an independent contractor under this Agreement and shall not be considered the City's employee for any purpose. Consultant shall not have the right to bind City to any obligation not expressly undertaken by City under this Agreement

27. **COMPLIANCE WITH LAWS**. Consultant hereby warrants and agrees that at all times material to the Agreement, Consultant shall perform its obligations in compliance with all applicable federal, state, and local laws, rules, and regulations, including section 501.171, Florida Statutes. Non-compliance may constitute a material breach of the Agreement.

28. **BREACH OF REPRESENTATIONS**. Consultant acknowledges that City is materially relying on the representations, warranties, and certifications of Consultant stated in its Proposal and this Agreement, and City shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Consultant; (c) set off from any amounts due Consultant the total amount of any damage incurred; and (d) debarment of Consultant.

29. **ASSIGNMENT**. If this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered under any circumstances by Consultant, Consultant must gain prior written consent from City thirty (30) business days before such transfer. For purposes of this Agreement, any company ownership change shall constitute an assignment that requires the City's approval. Notwithstanding the foregoing, Consultant may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Consultant shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.

30. **NO LIEN**. The Consultant shall not at any time permit any lien, attachment, or any other encumbrance under the laws of the State of Florida, or otherwise, by any person or persons whomsoever to be filed or recorded against the City, against any City property or money due or to become due for any work done or materials furnished under this Agreement by Consultant.

31. **AGREEMENT SUBJECT TO FUNDING**. The Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

32. **NON-EXCLUSIVE**. This Agreement is non-exclusive. City may retain additional entities to perform the same or similar work.

33. **REPRESENTATION OF AUTHORITY**. Consultant represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Consultant and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Consultant has with any third party or violates applicable law. Consultant further represents and warrants that execution of this Agreement is within Consultant's legal powers, and each individual executing this Agreement on behalf of Consultant is duly authorized by all necessary and appropriate action to do so on behalf of Consultant and does so with full legal authority.

34. **RIGHTS IN DOCUMENTS AND WORK**.
    a. **Ownership**. Any and all videos, photographs, documents, materials, data, or other work created by Consultant in connection with performing services, whether finished or unfinished ("Documents and Work"), shall be owned by City, and Consultant hereby transfers to City all right, title, and interest,

including any copyright or other intellectual property rights, in or to the Documents and Work. Notwithstanding any provision of this Agreement to the contrary, Consultant shall have no liability, including under Section 23, with respect to (i) the use by City of unfinished or draft Documents and Work or (ii) the use of Documents and Work for any project other than that for which they were prepared or (iii) the use of Documents and Work after a change in applicable codes or law.

b. **Deliverables Upon Conclusion of Task Order**. Consultant shall deliver to the City for approval and acceptance, and before being eligible for final payment of any amounts due under any Task Order, all documents and materials prepared for the City in connection with the Task Order. All such documents and records shall be provided within a reasonable time at no additional cost. Such documents may be provided electronically.

c. **Delivery Upon Expiration or Termination of Agreement**. Upon expiration or termination of this Agreement, the Documents and Work shall become the property of City and shall be delivered by Consultant to City within seven (7) days after expiration or termination. Any compensation due to Consultant may be withheld until all Documents and Work are received as provided in this Agreement. Consultant shall ensure that the requirements of this section are included in all agreements with all subconsultant(s).

d. **Reuse of Project Documents**. City may, at its option, reuse (in whole or in part) the resulting end-product or deliverables resulting from Consultant's Services (including, but not limited to, drawings, specifications, other documents, and services as described herein and in the applicable Scope of Services for any Task Order); and Consultant agrees to such reuse in accordance with this provision.

35. **CONSULTANT'S STAFF**. Consultant will provide the key staff identified in its Proposal as long as they are in Consultant's employment. Consultant will obtain prior written approval from the City to change key staff. Consultant shall provide City with such information as necessary for City to determine the suitability of proposed new key staff. City will be reasonable in evaluating key staff qualifications. If City desires to request removal of any of Consultant's staff, City shall first meet with Consultant and provide reasonable justification for said removal; upon such reasonable justification, Consultant shall use good faith efforts to remove or reassign the staff at issue.

36. **THIRD-PARTY BENEFICIARIES**. Neither Consultant nor City intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

37. **MATERIALITY AND WAIVER OF BREACH**. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and essential to the formation of this Agreement, and each is, therefore, a material term. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed as a modification of this Agreement. To be effective, any waiver must be in writing and signed by an authorized signatory of the Party granting the waiver.

38. **COUNTERPARTS AND MULTIPLE ORIGINALS**. This Agreement may be executed in multiple originals and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

39. **NON-DISCRIMINATION**. Consultant and any subconsultants shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

40. **CONTROLLING PROVISIONS**. Except as otherwise specifically provided herein, in the event of any conflict between the specific provisions of this Agreement and the requirements or provisions of the RFP and/or

Proposal, the provisions shall be given precedence in the following order: (1) this Agreement, (2) the RFP; and (3) the Proposal. Wherever possible, the provisions of the documents shall be construed in such a manner as to avoid conflicts between the provisions of the various documents.

41. **ENTIRE AGREEMENT**. The Agreement, including the RFP, the Proposal, and the Exhibits that are incorporated into this Agreement in their entirety, embody the entire agreement and understanding of the parties concerning the subject matter of this Agreement and supersede all prior and contemporaneous agreements and understandings, oral or written, relating to said subject matter. This Agreement may only be modified by a written amendment executed by the City and Consultant.

42. **SEVERABILITY**. If any provision of this Agreement or application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

IN WITNESS OF THE FOREGOING, the parties have set their hands and seals the day and year first written above.

EXHIBIT A

SCOPE OF SERVICES

In an effort to maintain good service and be responsive to its citizens, the Building Division desires to secure the services of a qualified firm to perform daily plan reviews for residential and commercial building applications, review Business Use Certificates for changes in occupancy requirements under the Florida Building Code, and inspection services (Business Use Certificate, generic inspections (A generic inspection is to verify work without permits or unsafe structure, a stop work order may be required to be issued for work w/o permits.), building, plumbing, electric, mechanical (HVAC) for structures in which the City of Boynton Beach has issued permits. Inspection and plan review services shall be conducted under the City's and all other federal, state, and local laws, rules, regulations, directives, codes, and ordinances.

A. Inspection and Plan Review services shall include, but not be limited to, general building, mechanical (HVAC), plumbing, structural, and electrical, as well as providing all administrative documentation as required by the City.

B. Inspect permitted construction within the City limits for compliance with City codes and ordinances and permitted plans and specifications.

C. Receive and investigate alleged complaints of working without permits, operating a business without a Business Use Certificate, code violations, etc., by citizens, City employees, and others, including appearances before the Code Enforcement Board where appropriate.

D. Inspect new and transferred business uses. Review applications and research past use to determine possible changes in building code requirements for occupancy.

E. Prepare written reports of inspections and investigations of complaints and other reports as may be reasonably requested by the City. City inspection forms must be used.

F. Maintain records of inspections and investigations. Log daily inspections and results in the computer system.

G. Review plans for code compliance. Maintain records of reviews and investigations. Log daily reviews and results in the computer system.

H. Review and maintain all records required by the Federal Emergency Management Agency (FEMA) in association with processing building permits in the format required by FEMA.

I. Contact contractors, architects, engineers, and citizens about construction projects, code questions, and other concerns.

J. Coordinate activities with the City's Planning and Zoning Consultants, the City's Fire Marshall, and the City's Code Enforcement Officers.

K. Perform other duties that are related to or incidental to the Inspector's or Plan Reviewer's primary duties as described herein and that the City may assign from time to time.

L. Perform these duties during normal business hours of 8:00 AM to 5:00 PM, Monday through Friday, as needed or as may be altered with mutual agreement, as well as irregular hours as required during an emergency or natural disaster.

M. Report to the City's Building Official or designee.

N. Inspection personnel may be required to attend meetings or to provide consultation to the City.

O. Provide services regarding Unsafe Buildings as described in the Boynton Beach Administrative Amendment to the Florida Building Code, inspect, post and record violations and provide support to the Building Official or designee.

P. Provide services of an application technician to cover the counter, answer phone calls, receive permit applications, review applications for completeness, calculate applicable fees, receives payments, issue permits, and schedule inspections.

Q. All inspectors and examiners assigned to the City's contract shall have a valid driver's license in the State of Florida and be able to pass a background security check relevant to the position.

R. Inspection Services and Plan Review shall be provided in the event of a natural disaster (i.e. hurricane). Services shall be provided in emergency situations as follows:

a. During a declared emergency, Firm shall be responsible for staffing the EOC when operational and assisting with damage assessment and safety inspections. The Building Code Administrator shall have immediate access to building plans and other essential building information.

b. Firm shall work with the City during post-disaster (natural or man-made) times in restoring Plan Review and Inspection Services pursuant to the Florida Building Code and executive orders of the Governor. The firm shall provide personnel to assist with damage assessment teams. The firm shall serve as a resource and consultant in the relevant discipline areas, assisting the operational decision-making process and performing other duties as deemed necessary to restore overall safety and services.

c. The firm shall provide personnel in each discipline who shall be able to respond within one (1) hour (24 hours/day, 7 days/week) to any emergency call-out by the City's Fire Rescue, Law Enforcement or any authorized City representative.

d. If services are provided in response to an emergency, the FEMA Requirements shall apply to those services.

Key Negotiation Points:

A. **Billing for Training**
   a. To reduce costs, the Consultant shall only train one staff member on the permitting software system.
   b. This trained staff member would then train other inspectors internally, ensuring the City is not repeatedly charged for training hours.

B. **Inspection Scheduling**
   a. The Building Department shall notify the company to schedule inspections for the following day.

C. **Data Entry into Permitting Software**
   a. Consultant shall enter Inspection results directly into the permitting software system at the time of the inspection.
   b. Inspections end by 3:00 p.m. every day, and the Consultant shall inform the Building Department if a follow-up inspection needs to be scheduled the following day.

EXHIBIT D

FEMA REQUIRED CONTRACT TERMS

The FEMA Requirements shall only modify the Contract upon the provision by the Contractor of work or services required as a result of a disaster.

The term "Contractor", as used throughout shall mean the Contractor, Provider, Consultant, Supplier, etc., as applicable with respect to the Contract or Agreement.

The term "Contract" as used throughout shall mean the underlying contract or agreement, as applicable.

FEMA Requirements. The City and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or related to a disaster event, the provisions set forth in this Addendum (including Form FHWA-1273) and 2 CFR Part 200 (collectively, the **"FEMA Requirements")** shall apply. **The FEMA Requirements shall only modify the Contract upon the provision by Contractor of work or services required as a result of a disaster.** The terms and conditions of the Contract and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Contract and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

A. Contracts to receive funding derived from federal grants must comply with federal guidelines. The federal funds appropriated by the Federal Emergency Management Agency (FEMA) will be administered through the State of Florida.

B. **In the event of a conflict between the FEMA Requirements listed in this section and other provisions of the Contract, the FEMA Requirements will govern and prevail. Only FEMA provisions applicable to the Contract shall apply.**

C. **Payment**. Payment shall be based on the unit rates/prices pursuant to the Contract Fee Schedule. The contractor shall submit invoices covering no more than a 30-day period.

D. **Remedies**.

(1) Legal Remedies. The city may enforce any breach of contract through a city-initiated lawsuit in a court of competent jurisdiction to pursue temporary or permanent injunctive relief or any other legal or equitable remedy authorized by law to cure, remove, prevent, or end a violation of any provision of this article. The City shall recover its court costs and reasonable attorneys' fees in any legal proceedings commenced to enforce the contract.

(2) Additional Remedies. In addition to any other remedies provided for in the contract or to which the City may be entitled at law or in equity, in the event of a breach or violation of the Contract by the Contractor, the Contractor shall be subject to debarment or suspension from consideration for the award of additional contracts from the City, including but not limited to contracts related to disaster relief or recovery, pursuant to the terms and procedures set forth in the City Code.

These remedies are cumulative, and the use of any appropriate remedy shall not constitute an election of other remedies by the City. The use of one remedy shall not preclude the use of any other remedy. Nothing in this article shall prohibit the City from enforcing the requirements of this article by any other legal means.

E. **Termination or Suspension of Contract**. The City may, by written notice to the Contractor, suspend any or all of the City's obligations under the Contract due to the Contractor's failure to comply with applicable law or the terms of the Contract until such time as the event or condition resulting in such suspension has ceased or been corrected.

F. **Termination for Cause**. The City shall have the right to terminate the Contract for cause, in the event of a breach of the contract terms, upon five (5)-calendar days written notice to Contractor. In the event of termination, the City shall compensate the Provider for all authorized services or work satisfactorily performed through the termination date under the payment terms contained in the Contract. The City shall be liable for the payment of all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective

date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

G. **Termination for Convenience**. The City may terminate this Contract at its convenience with or without cause upon written notice of termination to the Contractor. In the event of such a termination by the City, the City shall be liable for the payment of all Work properly performed prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

H. **Changes to Contract**. Changes to the Contract terms and conditions which are within the scope of the Contract, reasonable for completion of the contract scope, allowable under FEMA regulations, and mutually agreed, may be made part of the Contract by written amendment duly executed by City and Contractor.

I. **Equal Employment Opportunity**.
(Applicable to All FEMA Construction Contracts)

During the performance of this Contract, the Contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for

purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, his contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph **(1)** and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part 11, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings

J. **Civil Rights**.
(Applicable to All FEMA Contracts)

The following requirements will apply to the Contract and any sub-contracts:

(1) **Age**. In accordance with section 4 of the Age Discrimination in Employment Act of 19671 as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(2) **Disabilities**. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. §12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

K. **Davis Bacon Act and Copeland Anti-Kickback Act**.

(Applicable to Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program construction contracts in excess of $2,000. Not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program; Davis Bacon Act--40 USC s. 3141-3144 and 3146-3148, 2 CFR Part 200, Appendix II; Copeland Anti-Kickback Act--40 USC s. 3145)

In situations where the Davis-Bacon Act does not apply, neither does the Copeland Anti-Kickback Act.

Compliance with Davis Bacon Act (if applicable)

(1) The Contractor agrees to comply with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146- 3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

(2) The Contractor agrees to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

(3) The Contractors will pay wages not less than once a week.

Compliance with Copeland Anti-Kickback Act

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

L. **Contract Work Hours and Safety Standards Act**.
(Applicable to all FEMA contracts in excess of $100,000 that involve the employment of mechanics or laborers; 29 CFR Part 5; 2 CFR Part 22, Appendix II, E)

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. U. S. Department of Homeland Security Headquarters 500 C St SW Washington, D.C. 20042.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums

as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

M. **Rights to Inventions Made Under a Contract or Agreement**.

(Applicable if FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement". Does not apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households - Other Needs Assistance Grant Program. 37 CFR Part 401; 2 CFR Part 200, Appendix II, F).

The contractor acknowledges that it must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by FEMA.

N. **Clean Air Act and the Federal Water Pollution Control Act**.
(Applicable to Contracts in Excess of $150,000)

Clean Air Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

O. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**. (Applicable to All FEMA Contracts and Subcontracts; Executive Order 12549, Executive Order 12689, 2 CFR Part 180; 2 CFR Part 3000)

a. By signing this Addendum, the Contractor is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Contractor shall submit an explanation

of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the Contractor to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The Contractor shall provide immediate written notice to the department or agency to whom this proposal is submitted if any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

d. This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

e. The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

f. This certification is a material representation of fact relied upon by the City. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State, and the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

g. The Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of the Contract. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

P. **Certification Regarding Use of Contract Funds for Lobbying - Byrd Anti-Lobbying**.

(Byrd Anti-Lobbying (31 USC s. 1352) --Applicable to contracts in excess of $100,000. 2 CFR Part 200, Appendix II)

Contractors with contracts of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the City who in turn will forward the certification(s) to FEMA.

(1) The Contractor certifies, by signing this Addendum, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of the fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

d. The Contractor also agrees that he or she shall require that the language of this certification be included in all lower-tier subcontracts, which exceed $100,000, and that all such recipients shall certify and disclose accordingly.

e. The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

P. **Procurement of Recovered Materials**.
(Applicable to all FEMA contracts, 42 USC s. 6962; 2 CFR Part 200, Appendix II, K; 2 CFR s. 200.322)

(1) In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired-
   a. Competitively within a timeframe providing for compliance with the contract performance schedule;
   b. Meeting contract performance requirements; or
   c. At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines website, www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program,

(3) The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

Q. **Compliance with Federal Law, Regulations, and Executive Orders**.
(Applicable to all FEMA contracts)

This is an acknowledgment that FEMA financial assistance will be used to fund the Contract only. The Contractor will comply with all applicable federal laws, regulations, executive orders, FEMA policies, procedures, and directives as applicable, and as amended from to time, including but not limited to:

   a. The Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 USC Sec. 5121, et. seq.
   b. Resource Conservation and Recovery Act
   c. National Historic Preservation Act
   d. Mandatory Standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act

R. **Compliance with State and Federal Reporting Requirements**. The Contractor and its subcontractors shall comply with, and the Contract is subject to the requirements and regulations of the Federal Emergency Management Agency and the State of Florida Division of Emergency Management pertaining to reporting.

S. **Immigration and Naturalization Act**.
(Applicable to all FEMA contracts}

Contractor shall not knowingly employ unauthorized alien workers in violation of 8 USC §1324a(e) [§274A(a)(1) and (e)] of the Immigration and Nationality Act] and such employment of unauthorized aliens shall be grounds for unilateral termination of the Contract/Agreement.

T. **Indemnity of Funding Entities**.
(Applicable to all FEMA contracts)

Contractor hereby agrees to indemnify and hold harmless the State of Florida, the Government of the United States of America (including but not limited to the Federal Emergency Management Agency and the Federal Highway Administration), and the City and their officers, agents, employees, and elected officials from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including attorneys' fees for trial and appeal, and for the preparation of same arising out of Contractor's, its officers, agents, employees, and subcontractors' acts or omissions associated with this Contract.

U. **Performance and Payment Bonds**.
(Applicable to all FEMA Construction Contracts}

If not already required under the Contract, and if requested by the City, the Contractor shall, prior to the commencement of operations, furnish a Performance and Payment Bond, executed by a surety company authorized to do business in the State of Florida, in the amount of the estimated contract value, which bond shall be conditioned upon the successful completion of all work, labor, services, and materials to be provided and furnished under the contract and the payment of all subcontractors, materials, and laborers. Said bonds shall be subject to approval by the City.

V. **Materials and Supplies**.
(Applicable to all FEMA contracts)

All manufactured and unmanufactured articles, materials, and supplies which are acquired for public use under this Contract have been produced in the United States as required by 41 USC §10a, unless it would not be in the public interest or unreasonable in cost.

W. **Access to Records**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

(1) The Contractor agrees to provide the City, State, FEMA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the contract for the purposes of making audits, examinations, excerpts and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

(4) The Contractor agrees to maintain all books, records, accounts and reports required under the Contract for a period of not less than three (3) years after the date of termination or expiration of the Contract, except in the event of litigation or settlement of claims arising from the performance of the Contract, in which case Contractor agrees to maintain same until the City, the State, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

(5) In compliance with the Disaster Recovery Act of 2018, the City and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

X. **DHS Seal, Logo and Flags**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

The Contractor shall not use the OHS seal(s), logos, crests or reproductions of flags or likenesses of OHS agency officials without specific FEMA approval.

Y. **Fraud and False or Fraudulent or Related Acts**.
(Applicable to all FEMA contracts)

The Contractor acknowledges that 31 USC Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

Z. **No Obligation by the Federal Government**.
(Applicable to all FEMA contracts)

The Federal Government or FEMA is not a party to the Contract and shall not be subject to any obligations or liabilities to the City, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the contract.

AA. **Additional FEMA Provisions**.
(

(1) Affirmative Socioeconomic Steps. If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
(2) Copyrights and Data Rights. The Contractor grants to the City a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this Contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the City or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the City data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the City.

BB. **Subcontracts**. (Applicable to all FEMA contracts)

To the extent applicable, the Contractor shall cause the inclusion of the provisions of this Addendum in all subcontracts.

SAMPLE PERFORMANCE EVALUATION QUESTIONNAIRE
(FOR INFORMATIONAL PURPOSES ONLY)

Instructions: Performance evaluations may be completed by the Project Manager for the following: (1) all Contracts; (2) all individual Task Orders/Work Orders. Task Orders/Work Orders/Purchase Orders with a term of six (6) months or more at a minimum, the Project Manager shall complete performance evaluations at the mid-point of the project term or at more frequent intervals as required by the Task Order/Work Order/Purchase Order **and** at the time of Task Order/Work Order/Purchase Order or Contract completion.

It is especially important for the Project Manager to contact a Procurement representative to advise of any performance issues so that Procurement can assist with efforts to bring performance back to acceptable standards. It is equally important to complete this form whenever any of the performance indicators are either "marginal" or "unsatisfactory" even when this is not within the normal review cycle. In the event the Average Rating Score is "marginal" or "unsatisfactory" even after reasonable efforts have been taken by the City to improve performance, the Project Manager shall coordinate with Procurement to determine what action needs to be taken under the circumstances.

When completed, forward the evaluation form to Procurement. Procurement will keep track of the Average Rating Scores (Line 11) for all evaluations completed for the entire term of the Contract, Task Order, and Work Order. The completed Performance Evaluation form will be retained in Procurement and will be available as a record of current performance for use in the evaluation process of future solicitations released by the District. The completed evaluation is available to the contractor upon a Public Records request pursuant to Chapter 119, F.S.

Contract/Work Order No.	Contractor	Evaluation Period ☐ Interim ☐ Final
Project Title		If evaluating under a work order contract, specify type

Check the appropriate ratings for Lines 1 through 8.
Sum the individual ratings, by column, to produce the Individual Column Ratings on Line 9.
Sum the Individual Column Ratings in Line 9 to produce the Total Rating Score on Line 10.
Divide the Total Rating Score in Line 10 by the number 8 (the number of performance indicators in Lines 1-8) to produce the Average Rating Score in Line 11.

Letter of Interest

The Letter of Interest shall summarizes the Bidder's primary qualifications and a firm commitment to provide the proposed services.

Line Item	Description	Response *
1	The Letter of Interest shall summarizes the Proposer's primary qualifications and a firm commitment to provide the proposed services.	November 26th, 2024 Mr. Dan Dugger City Manager City of Boynton Beach 100 E. Ocean Avenue Boynton Beach, FL 33435 RE: BD25-014R Professional Services Agreement for Supplemental Building Inspections and Plan Review Services (Consultant) Dear Mr. Dugger: C.A.P. Government, Inc. (CAP) hereby submits our proposal to the City of Boynton Beach (City) for the above referenced services. CAP thoroughly understands the scope of services and has submitted our electronic response via bidsandtenders.net. All terms and conditions of the RFP are understood and acknowledged. Our company has the ability, expertise, and commitment to perform the work in a timely and professional manner. CAP has been providing outsourced plan review and inspection services to governmental agencies in Florida for over thirty-five (35) years. Our corporate philosophy is to deliver these services by creating a positive customer experience while maintaining the highest standards of accuracy, efficiency, and transparency. We believe this aligns perfectly with the City's vision for its Building Department customers. Most importantly we have been providing services to the City of Boynton Beach since 2014. CAP is a State of Florida Corporation with three (3) strategically located offices in Florida including: Corporate Office: Broward County Palm Beach County 343 Almeria Avenue 100 S.E. 12th St. 1910 N. FL. Mango Rd. Coral Gables, FL 33134 Fort Lauderdale, FL 33316 W. Palm Beach, FL 33409 (305) 448-1711 (954) 888-9531 (561) 508-0615 CAP's extensive expertise, advanced tools, and unwavering commitment to excellence makes us the ideal provider for these services. As you review our qualifications, please consider the following key points: • Qualifications: Founded in 1989, CAP has over thirty-five (35) years of experience and is a pioneer in outsourcing Building Department services to municipalities throughout Florida. We currently serve over eighty-five (85)

governmental clients, including seven (7) that are educational institutions.

• Staff Availability: CAP employs over three hundred (300+) professionals. Our technical staff, including structural, building, electrical, plumbing, and mechanical inspectors, plans examiners, certified building officials, and certified floodplain managers, are fully certified, qualified, trained, and experienced. They are available to provide plans review and inspection services to the Building Department of the City of Boynton Beach.

• Technology: Since 2013, CAP has been investing in, developing, and implementing an Electronic Plans Review (EPR) platform. This platform enables our Plans Examiners to work electronically in an efficient, transparent, and real-time manner, ensuring accurate and timely inspections and documentation.

Emergencies/Disasters Response and Recovery

Since Hurricane Andrew in 1992, CAP has been a leader in emergency management and disaster recovery throughout the State of Florida. Our team of Emergency Managers and Building Officials are trained in both the National Incident Management System (NIMS) and the FEMA Incident Management System. We offer a comprehensive range of services, including support for Municipal Emergency Operations Centers (EOC), emergency damage assessments, floodplain management, structural and electrical support for Building and Public Works Departments, and continuity of operations planning for municipalities and educational institutions.

Our extensive experience in hurricane disaster response and recovery includes working on Hurricane Andrew (1992), Hurricane Charley (2004), Hurricane Ivan (2004), Hurricane Jeanne (2004), Hurricane Dennis (2005), Hurricane Wilma (2005), Hurricane Irma (2017), Hurricane Florence (2018), Hurricane Michael (2018), Hurricane Dorian (2019), Hurricane Ian (2022), and Hurricane Nicole (2022).

We commit to delivering efficient, cost-effective, and quality solutions to the City of Boynton Beach by maintaining the necessary resources to provide the services required in the Request for Proposal.

Why choose us? Consider the numbers:

35+ Years in Business (Est. in 1989).
32 Years Outsourcing Building Services Exclusively to the Government
11 Municipal Clients - Full Service
67 Municipal Clients - Supplemental Services (Similar to this RFP)
7 Educational Clients
85 Total Building Department Outsourcing Clients
10 Years providing services in City of Boynton Beach
11 Years providing Electronic Plan Review (EPR)
300+ Employees dedicated to outsourcing Building Services

If given the opportunity, we will continue to provide customer centered Building Department services to the City of Boynton Beach. If you require any additional information, or wish to discuss this proposal further, please contact me at 305.458.6000, or capenin@capfla.com.

Very truly yours,
C.A.P. Government, Inc.

Carlos A. Penin, PE
President

Local Business Status Certification

I am an authorized representative of the business and, on behalf of the Business, request that it be deemed to be a local business for purposes of the City of Boynton Beach Local Preference Program. Answering yes to Question 1 and Question 2 below will qualify the business as a local business. In support of this request, I certify the following to be true and correct:

I understand that misrepresentation of any facts in connection with this request may be cause for removal from the certified local business list. I also agree that the business is required to notify the City in writing should it cease to qualify as a local business.

By checking the box that you are not submitting for "Local Business Status Certification" you declare that you are not a local business in the City of Boynton Beach.

☑ We will not be submitting for Local Business Status Certification

Is the business located within the City limits of Boynton Beach, Florida? *	Does the business have a business tax receipt issued in the current year? *	Is the business registered with the Florida Division of Corporations? *	Number of years in business *	Business license number *

Qualifications and Experience/Ability of Professional Personnel

Describe the experience and qualifications of all key Proposer and Sub-Proposer players. Summarize the quality of the firm's support personnel and continuity of staff. Describe the ability to perform additional services and provide technical support throughout engagement. Explain the ability to meet set standards. Provide evidence of a capable and well-organized engagement team and management plan.

Description	Response *

Describe the experience and qualifications of all key Proposer and Sub-Proposer players.	C.A.P. Government, Inc. (CAP), founded on 1989, by Carlos A. Penin, PE, has specialized in providing outsourced Building Department services, including permitting, plan review, and inspection services to municipalities across Florida. Over the past 35 years, CAP has established itself as a leading firm, offering tailored solutions exclusively to government entities. Our legacy of hard work and dedication has established us as a leader in our industry. Today CAP is recognized as the leading firm in providing Building Department services. We currently serve over eighty-five (85) governmental clients, including seven (7) that are educational institutions. The firm has a strong presence in Florida, with strategic offices located in Coral Gables, Fort Lauderdale, and West Palm Beach. CAP has been providing services to the City of Boynton Beach since 2014. CAP has a proven track record of managing full and supplemental Building Department Services across numerous jurisdictions in Florida. CAP's approach emphasizes maintaining effective professional relationships with city staff, contractors, homeowners, architects, engineers, and developers. We utilize an Electronic Plans Review (EPR) platform for efficient, transparent, and real-time inspections and documentation. CAP has extensive experience in managing emergency response and recovery operations, having been involved in significant disaster recovery efforts since Hurricane Andrew in 1992. The company is certified in various aspects of emergency management and disaster response, highlighting its capability to support federal, state, and local jurisdictions during major hurricane and emergency events. Our Emergency Managers and Building Officials are trained in the National Incident Management System (NIMS) and the FEMA Incident Management System. We offer various services, including support for Municipal Emergency Operations Centers (EOCs), emergency damage assessments, structural and electrical support for Building and Public Works Departments, and continuity of operations planning for municipalities and educational institutions. In 2017, 2018, 2019 and again in 2020 our company has been ranked as a "Top 100 firm" and recipient of this prestigious award at the Zweig Hot Firm & A/E Industry Awards Conference. In 2017 and in 2018 CAP was recognized as one of the fastest-growing, Gator-owned businesses in the world. CAP will not be using any sub-consultants for the proposed services. The firm's robust capacity, extensive experience, and advanced tools position it as a reliable provider of Building Department services, ensuring that all services meet or exceed client expectations.
Summarize the quality of the firm's support personnel and continuity of staff.	CAP Government prides itself on a robust support personnel structure, ensuring continuity and reliability throughout its operations. The firm boasts a dedicated team that includes experienced administrative staff, project managers, and technical experts, all of whom work collaboratively to maintain high service standards. CAP employs a team of over 300 professionals, including Structural, Building, Electrical, Plumbing, and Mechanical Inspectors, Plans Examiners, Certified Building Officials, and Certified Floodplain Managers. With such extensive expertise and capacity, CAP can deliver comprehensive, high-quality building department services. This stability is reinforced by low turnover rates, allowing for long-term relationships with clients and a deep understanding of ongoing projects. As a result, CAP can provide consistent support and seamless communication, enhancing the overall quality of service delivered to clients.
Describe the ability to perform additional services and provide technical support throughout engagement.	C.A.P. Government, Inc. (CAP) demonstrates a strong ability to perform additional services and provide comprehensive technical support throughout the engagement process. With a robust team, CAP is well equipped to adapt to the diverse needs of its clients. A notable aspect of CAP's capabilities is its extensive experience in emergency management and disaster recovery services. The firm has been actively involved in significant disaster recovery efforts since Hurricane Andrew in 1992, showcasing its ability to respond effectively to emergencies and support municipalities during critical times. CAP's certifications in various areas of emergency management reinforce its capacity to assist federal, state, and local jurisdictions during major disasters. Throughout engagements, CAP employs a proactive approach, maintaining effective communication and collaboration with city staff, contractors, and other stakeholders. This ensures that clients receive tailored solutions and technical assistance as their projects evolve. The firm utilizes an Electronic Plans Review (EPR) platform, which facilitates efficient, transparent, and real-time inspections and documentation, further enhancing its ability to provide timely support.

Explain the ability to meet set standards.	CAP has a proven ability to meet and exceed set standards through its comprehensive approach to project management and service delivery. The firm's extensive experience in building department services, including permitting, plan review, and inspection, ensures a consistent focus on quality and compliance with relevant building codes, regulations, and industry standards. CAP employs a highly qualified team of professionals, including Certified Building Officials, Structural, Electrical, Plumbing, and Mechanical Inspectors, and Certified Floodplain Managers, all of whom are trained to adhere to the highest standards of practice. The firm's emphasis on quality assurance and quality control (QA/QC) processes ensures that all services are consistently aligned with established requirements. These processes include regular audits, peer reviews, and staff training to maintain high service standards across all projects. CAP's commitment to utilizing advanced tools, such as the Electronic Plans Review (EPR) platform, further supports its ability to meet standards efficiently and transparently. The EPR platform ensures real-time, accurate inspections and documentation, which contributes to maintaining compliance and meeting deadlines. Additionally, CAP's long-standing relationships with municipalities and its history of successfully managing department services across multiple jurisdictions demonstrate the firm's capability to consistently meet and exceed the expectations of both local authorities and clients. This reliable track record, combined with its dedicated team and advanced technologies, positions CAP as a trusted partner capable of meeting all set standards and regulatory requirements for every project.

Provide evidence of a capable and well-organized engagement team and management plan.	CAP has a well-organized and capable engagement team, supported by a comprehensive management plan, to ensure the successful delivery of services. Evidence of this capability is reflected in the following aspects: Experienced Leadership and Key Personnel CAP's leadership team brings a wealth of experience and expertise, ensuring effective oversight and strategic direction. Key personnel include: Carlos A. Penin, PE: As the founder and President, Carlos Penin has over 35 years of industry experience, providing strong leadership and a clear vision for the company. Carlos Del Pino, PE: With over 30 years of experience, Mr. Del Pino serves as the Senior Operations Director, overseeing significant projects and ensuring they are managed effectively. Mr. Judson Dulany, BU - CAP's Municipal Manager: Mr. Dulany is responsible for managing, directing and overseeing CAP's Palm Beach County Operations. He has over thirty (30) years of experience in construction management. He is knowledgeable in all aspects of the construction industry and his experience includes customer centered management and supervision of municipal departments. Luis Pérez-Codina: Leading the emergency and disaster response strategy, Pérez-Codina has extensive experience and key certifications from FEMA and other relevant authorities. Comprehensive Staffing and Professional Expertise: CAP's diverse and highly skilled team ensures that the company can handle a wide range of services efficiently and effectively. Proven Management Plan: CAP's management plan is designed to ensure seamless execution and high-quality service delivery. Key components include: • Quality Assurance and Quality Control (QA/QC): A dedicated QA/QC team oversees all projects to ensure compliance with standards and client expectations. Regular audits, staff training, and peer reviews are integral to this process. • Advanced Technology Utilization: Enhances transparency and efficiency, allowing for real-time inspections and documentation. • Effective Communication and Collaboration: CAP emphasizes maintaining strong professional relationships with city staff, contractors, homeowners, architects, engineers, and developers. This collaborative approach ensures clear communication and effective project coordination. • Track Record of Success: CAP's extensive experience and proven track record in managing full and supplemental Building Department Services across numerous jurisdictions in Florida demonstrate its capability. Notable long-term engagements, such as with the City of Boynton Beach, highlight CAP's ability to deliver consistent, high-quality services. By combining experienced leadership, a highly skilled team, a robust management plan, and advanced technology, CAP provides a well-organized and capable engagement team that is well-equipped to meet client needs and ensure successful project outcomes.

References

In order to be considered**, the Bidder must** list the minimum number of three (3) successfully completed or in progress projects within the last five (5) years of similar scope and complexity in the State of Florida, which shows experience and demonstrates expertise in providing the services as stated herein.

The City is interested in learning of other firms' or government agencies' experiences with your company; as such**, please do not list the City of Boynton Beach as a reference.**

Addenda & Declarations

Background, Qualifications, and Terms

BACKGROUND:

The City of Boynton Beach serves an area of approximately 16.5 square miles with a population of approximately 80,000. The City provides services to its citizens in many areas, such as law enforcement, emergency medical services, fire control, water and sewer, library services, refuse collection, a municipal golf course, and various park sites and recreational services. The City was incorporated in 1920 and has operated under a Commission-Manager form of government (the City employs some 844 full-time and 41 part-time employees; it had total assets of almost $589 million and revenues of over $232 million for the fiscal year that ended September 30, 2023.

PURPOSE:

The City of Boynton Beach "City" Building Division is requesting sealed proposals from qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technician on an as-needed basis.

The City intends to award a contract with an initial term of **Three (3) Years with One (1) Two-Year Renewal period.**

The City reserves the right to award to more than one firm. The firm(s) shall act as independent contractors and not as employees of the City.

Questions related to this RFP are to be submitted to the Purchasing representative through the e-procurement system only by clicking on the "Submit a Question" button for this specific Solicitation.

☑ I/We have the authority to bind the Company and submit this Bid on behalf of the Bidder. - Carlos Penin, President, C.A.P. Government, Inc.

The bidder shall declare any potential or actual conflict of interest that could arise from Bidding on this Bid. Do you have a conflict of interest?

10. List the Pertinent Experience of the Key Individuals of C.A.P. Government, Inc.

Carlos A. Penin, PE - President

Carlos A. Penin is the founder and President of C.A.P. Government, Inc. (CAP), with over 40 years of experience as a civil engineer. He is a licensed Professional Engineer in Florida and leads CAP with strategic planning, overseeing all operations, marketing, business development, and staff management. In addition to his engineering expertise, Mr. Penin has held various managerial roles and government appointments within industry organizations.

Carlos Del Pino, PE – Senior Operations Director

Carlos Del Pino, with over 30 years of experience as a Civil Engineer, specializes in design and construction management. As a Senior Operations Director, Carlos oversees operations, ensuring compliance with the Florida Building Code through plans review and inspection services, including threshold inspections. He coordinates with educational institutions and municipal clients, prepares technical proposals, monitors contracts and schedules, reviews building plans for code compliance, prepares reports on discrepancies, maintains records, interprets codes, and assesses the structural soundness of buildings and construction projects.

Mr. Judson Dulany, BU - CAP's Municipal Manager

Judson Dulany is responsible for managing, directing, and overseeing CAP's Palm Beach County operations. With over 30 years of experience in construction management, he holds licenses as a Certified Building Official, Building Plans Examiner, Inspector, and Floodplain Manager. Mr. Dulany is knowledgeable in all aspects of the construction industry, with extensive experience in customer-centered management and supervision of municipal departments.

Ms. Deborah Nutter, BU, PX, BN

Deborah Nutter has over 30 years of experience in the construction industry. She holds various licenses, including those for Building, Electrical, and Mechanical Inspector. Additionally, Ms. Nutter is licensed to provide Electrical Plans Review and is a Certified Building Official. In 2018, she was recognized by her peers as the Building Official of the Year.

Luis Pérez-Codina

Luis Pérez-Codina leads our Emergencies/Disasters Response and Recovery strategy. With extensive experience in emergency management, he supports Federal, State, and Local jurisdictions during major hurricanes and floodplain emergencies. His expertise includes managing response efforts for hurricanes like Ian, Michael, and Dorian. Mr. Pérez-Codina excels in developing and implementing emergency response plans, leading teams of certified inspectors, conducting damage assessments, and supporting critical operational and administrative functions.

Luis is Certified by FEMA, Florida Department of Emergency Management, and United States Coast Guard in the areas below:

- L-973 Finance/Administrative Section Chief
- MGT-318 Public Information in All-Hazards
- AWR-345 Unmanned Aircraft Systems in Disaster Management
- FL-601 Preliminary Damage Assessment
- G-400 Advanced ICS Command & General Staff: Complex Incidents
- G-300 Intermediate ICS for Expanding Incidents
- IS-244 Developing & Managing Volunteers
- IS-775 EOC Management & Operations
- IS-248 IPAWS for the American Public UX SC&USCG Search Coordination & Execution

18. Describe Policies and Methods of Project Monitoring and Budgeting Control as well as Adherence to Project Schedule

C.A.P. Government, Inc. (CAP) employs a systematic, client-focused approach to project monitoring, budgeting control, and adherence to project schedules, particularly in delivering services to the City of Boynton Beach. Our methodology ensures accuracy, efficiency, and compliance with relevant codes and regulations while remaining flexible to accommodate specific client needs.

Project Monitoring:

1. **Initial Assessment and Engagement:**

- **Kickoff Meeting:** Organize initial meetings with key stakeholders to discuss objectives, scope, timelines, and unique requirements.
- **Document Review:** Thorough review of relevant ordinances, regulations, and project documents to align with City's standards.
- **Resource Allocation:** Assign a dedicated team of certified professionals with expertise tailored to City's requirements.

2. **Ongoing Monitoring:**

- **Electronic Plans Review (EPR):** Utilize an EPR system for digital submissions, transparent tracking, and efficient communication, ensuring timely feedback and compliance.
- **On-Site Inspections:** Perform detailed on-site evaluations, documenting findings in real-time using mobile technology for immediate communication with project managers.

3. **Quality Assurance and Continuous Improvement:**

- Implement quality control processes to ensure all inspections, reviews, and assessments meet high standards.
- Regularly evaluate and improve processes based on feedback and internal assessments.

Budgeting Control:

1. **Comprehensive Planning:**

- Prepare detailed technical and fee service proposals, ensuring alignment with project scope and budgetary constraints.
- Monitor contracts and schedules, providing accurate budget forecasts and adjustments as needed.

2. **Efficient Resource Management:**

- Allocate resources effectively, ensuring the right personnel and tools are available for each phase of the project.

3. **Regular Reporting:**

- Provide clear, detailed reports at each project stage, offering full visibility into budget status and any emerging financial issues.

Adherence to Project Schedule:

1. **Detailed Scheduling:**

- Develop comprehensive project schedules in collaboration with the City of Boynton Beach, outlining all critical milestones and deadlines.

2. **Progress Tracking:**

- Utilize real-time reporting tools to monitor progress against the schedule, quickly identifying and addressing any delays or issues.
- Conduct regular status meetings with City representatives to discuss updates and maintain alignment with project timelines.

3. **Rapid Response:**

- Deploy specialized teams for immediate response and damage assessments in the event of natural disasters, ensuring minimal disruption to project schedules.

By integrating these methods into our approach, CAP ensures effective project monitoring, stringent budgeting control, and strict adherence to schedules, delivering high-quality services that meet the specific needs and standards of the City of Boynton Beach.

Technical Approach and Methodology

C.A.P. Government, Inc. (CAP) is confident in our ability to continue enforcing the Florida Building Code (FBC) by providing Supplemental Building Inspections and Plan Review Services to the City of Boynton Beach. Our personnel are familiar with the City and the Building Department's regulations and policies. **We are committed to the continued training of staff and adapting to the ever-changing environment.**

It is CAP's intent to continue providing quality service to the City's Building Department through stringent permitting, inspection methodologies and effective customer service. CAP will perform these duties during normal business hours from 8:00 AM to 5:00 PM, Monday through Friday as needed, or as

may be altered by mutual agreement. CAP's personnel will report to the City's Building Official or designee.

As part of our continued services, CAP's staff will meet with architects, engineers, homeowners, contractors and stakeholders when requested, to discuss any issues, questions or problems concerning plan reviews and inspections. As requested, CAP's staff will be available in a manageable manner, to assist and provide information on building permitting and inspection issues to expedite the process. When requested, staff will be available weekly, bi-weekly or as needed for departmental training.

Issuing of Permits and Inspections

A building permit will be issued by the City once CAP, working closely with City staff, have reviewed and processed construction plans and it is determined that the permit application and supporting documents follow all governing codes. The permit holder will be notified as to what corrections are required to the plans and documents to meet the FBC and other federal, state, and local laws, rules, regulations, directives, codes and ordinances. CAP will follow the City's procedures in gaining compliance with requirements by the FBC including expired permits and FBC violations. CAP is prepared to act as the City's representative and attend meetings as requested.

CAP will prepare and represent the City in all cases presented to the Code Enforcement and/or Special Magistrate Board, in conjunction with the City Attorney. CAP has assigned a Project Manager to the City to support, coordinate and assist in all building code services, as the need arises. CAP will coordinate activities with the City's Planning and Zoning Consultants, City Fire Marshal and City's Code Enforcement Officers.

When inspections are performed, the permit holder will be informed as to whether the inspection has passed or failed. If the inspection fails, the FBC Section will be referenced substantiating the failure. The records of inspections, plan review results and field investigations will be entered into the City's permitting system. CAP staff will provide daily hours including daily logs, with the collection of field documentation to the Building Official and designee, as directed.

CAP will prepare written reports of inspections, occurring from field investigations of complaints, and other reports requested by the City utilizing the City's forms and databases. As required, our inspection staff will perform other duties that are related to or incidental to the inspector's primary duties, as required by the City.

CAP's Application Technicians will manage the front counter, answer phone calls, receive permit applications, review applications for completeness, calculate applicable fees, receive payments, and schedule inspections. The following chart shows the timeframe to schedule an Inspection either online or by phone call directly to the City.

19. Provide Descriptions of Quality Assurance/Quality Control Management Methods

C.A.P. Government, Inc. (CAP) employs a robust Quality Assurance (QA) and Quality Control (QC) management methodology to ensure the highest standards of service delivery for the City of Boynton Beach. Our approach is designed to maintain accuracy, efficiency, and compliance with all relevant codes and regulations.

Quality Assurance (QA) Methods:

1. **Comprehensive Training:**

- **Certification:** Ensure all team members are certified professionals with up-to-date knowledge of the Florida Building Code (FBC), Florida Fire Prevention Code (FFPC), and City Ordinances.
- **Continuous Education:** Provide ongoing training and professional development to keep staff informed of the latest industry standards and best practices.

2. **Systematic Process Development:**

- **Standard Operating Procedures (SOPs):** Develop and implement SOPs for all plan examinations, inspections, and civil engineering reviews to ensure consistency and reliability.
- **Documentation and Records Management:** Maintain detailed records of all processes, including plan reviews, inspections, and assessments, to ensure traceability and accountability.

3. **Initial Assessment and Engagement:**

- **Kickoff Meetings:** Conduct initial meetings with key stakeholders to establish clear objectives, scope, timelines, and specific requirements.
- **Thorough Documentation Review:** Review all relevant ordinances, regulations, and project documents to ensure complete alignment with City standards.

Quality Control (QC) Methods:

1. **Plan Examination and Compliance Checks:**

- **Electronic Plans Review (EPR):** Use our EPR system for digital submissions, allowing transparent tracking and efficient communication.
- **Detailed Compliance Checks:** Conduct thorough reviews of all submitted construction documents to ensure adherence to the FBC, FFPC, and City Ordinances.

2. **Inspection Services:**

- **Pre-Inspection Preparation:** Review project documents and previous inspection reports to understand site and project specifics fully.

- **On-Site Inspections:** Perform detailed on-site evaluations of new constructions, repairs, additions, remodeling, demolition, and alterations.
- **Real-Time Reporting:** Utilize mobile technology to document inspection findings in real-time, facilitating immediate communication of results and recommendations.

3. **Quality Control Checks:**

- **Regular Audits:** Conduct regular audits of all inspections, reviews, and assessments to ensure adherence to SOPs and quality standards.
- **Peer Reviews:** Implement peer review processes for critical inspections and plan reviews to provide an additional layer of scrutiny and verification.

4. **Continuous Improvement:**

- **Feedback Mechanisms:** Collect feedback from City representatives and internal teams to identify areas for improvement.
- **Process Evaluation:** Regularly evaluate and optimize processes and methodologies to enhance service delivery and maintain high standards of quality.

5. **Communication and Coordination:**

- **Regular Status Meetings:** Participate in regular meetings with City representatives to provide updates, discuss issues, and ensure alignment with project goals.
- **Clear Reporting:** Provide detailed, clear reports at each project stage, ensuring full visibility in progress, compliance, and any issues.

By integrating these QA/QC methods into our approach, CAP ensures that all services delivered to the City of Boynton Beach meet the highest standards of quality, accuracy, and compliance.

The notes on pages 40 to 54 are an integral part of the condensed half-year consolidated financial statements.

Consolidated statement of comprehensive income

(€ millions)	1st half 2024	1st half 2023
Net income	242.2	242.2
Other comprehensive income		
Items to be reclassified to profit		
Currency translation differences (1)	9.9	(73.7)
Cash flow hedges (2)	(0.2)	(0.3)
Tax effect on items to be reclassified to profit	-	-
Total items to be reclassified to profit	9.7	(74.0)
Items not to be reclassified to profit		
Actuarial gains/(losses) (3)	4.1	(2.4)
Tax effect on items not to be reclassified to profit	(1.1)	0.4
Total items to be reclassified to profit	3.0	(2.0)
Other comprehensive income for the period	12.7	(76.0)
TOTAL COMPREHENSIVE INCOME	254.9	166.2
Attributable to:		
owners of the Company	251.3	160.0
non-controlling interests	8.2	8.8

(1) Currency translation differences: this item includes exchange differences arising on the conversion of the financial statements of foreign subsidiaries into euros. The change over the period is mainly attributable to fluctuations against the euro of the US dollar for a positive EUR 19.8 million and the Brazilian real for a negative EUR 14.8 million.

(2) The change in cash flow hedges results from changes in the fair value of derivative financial instruments eligible for hedge accounting.

(3) Actuarial gains and losses: the Group recognizes actuarial gains and losses arising on the measurement of pension plans and some other long-term employee benefits in equity. These actuarial differences reflect the impact of experience adjustments and changes in valuation assumptions (discount rate, salary inflation rate and rate of increase in pensions) regarding the Group's obligations in respect of defined benefit plans.

The notes on pages 40 to 54 are an integral part of the condensed half-year consolidated financial statements.

NON-COLLUSION AFFIDAVIT AND CERTIFICATION OF PROPOSER

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

State of Florida)
:
County of Miami-Dade)

Carlos A. Penin, PE, being first duly sworn, deposes and says that:

1) He/She is President (Title) of C.A.P. Government, Inc. (Name of Corporation or Integrator), the proposer that has submitted the attached BID:

2) He/She is fully informed respecting the preparation and contents of the attached submittal and of all pertinent circumstances respecting such submittal;

3) By signing and submitting this bid, the BIDDER certifies that this bid is made independently and free from collusion;

4) Further, the said bidder nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived, or agreed, directly or indirectly with any other Bidder, integrator or person to submit a collusive or sham BID in connection with the Contract for which the attached BID has been submitted or to refrain from bidding in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communications or conference with any other bidder, integrator or person to fix the price or prices in the attached BID or of any other bidder, or to fix any overhead, profit or cost element of the BID price or the BID price of other proposer or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the **City of Boynton Beach** or any person interested in the proposed Contract; and

5) The price or prices quoted in the attached bid are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

6) BIDDER shall disclose below, to their best knowledge, any City of Boynton Beach officer or employee, or any relative of any such officer or employee as defined in Section 112.3135(1) (c), Florida Statutes (2022), who is an officer of director or, or has a material interest in, the BIDDER's business, who is in a position to influence this procurement. Any City of Boynton Beach officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to indirectly own any of the total assets or capital stock of any business entity owned or operated by the BIDDER, or if they otherwise stand to personally gain if the contract is awarded to this BIDDER.

7) Failure to submit this executed statement as part of the bid shall make the bid non-responsive and not eligible for award consideration. In the event the BIDDER does not indicate any names, the CITY shall interpret this to mean that the BIDDER has indicated that no such relationships exist. Failure of a BIDDER to disclose any

relationship described herein shall be reason for termination of bid or award, whichever is applicable, with no time to cure.

E-VERIFY FORM UNDER SECTION 448.095, FLORIDA STATUTES

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

Project Name: **Professional Services Agreement for Supplemental Building Inspections & Plan Review Services**

Solicitation No.: **RFP No. BD25-014R**

1. Definitions:

"Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

"Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

"E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2. Effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and
b) All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and
c) Should vendor become the successful Contractor awarded for the above-named project, by entering into the contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract.

3. Contract Termination

a) If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1) Fla. Stat., the contract shall be terminated.
b) If the City has a good faith belief that a subcontractor knowingly violated s. 448.095 (2), but the Contractor otherwise complied with s. 448.095 (2) Fla. Stat., shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
c) A contract terminated under subparagraph a) or b) is not a breach of contract and may not be considered as such.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR
BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

d) Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination.
e) If the contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.

I, Carlos A. Penin, PE - President, on behalf of C.A.P. Government, Inc. certify

Print Name and Title Company Name

that C.A.P. Government, Inc does not:

Company Name

1. Participate in a boycott of Israel; and
2. Is not on the Scrutinized Companies that Boycott Israel List; and
3. Is not on the Scrutinized Companies with Activities in Sudan List; and
4. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
5. Has not engaged in business operations in Syria.

Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Consultant of the City's determination concerning the false certification. The Consultant shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Consultant does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Florida Statute § 287.135.

Section 287.135, Florida Statutes, prohibits the City from:

1) Contracting with companies for goods or services if at the time of bidding on, submitting a proposal for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S. or is engaged in a boycott of Israel; and

2) Contracting with companies, for goods or services that are on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or are engaged in business operations in Syria.

As the person authorized to sign on behalf of the Consultant, I hereby certify that the company identified above in the section entitled "Consultant Name" does not participate in any boycott of Israel, is not listed on the Scrutinized Companies that Boycott Israel List, is not listed on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Syria. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may

subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the City for goods or services may be terminated at the option of the City if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

A. Letter of Interest

November 26th, 2024

Mr. Dan Dugger
City Manager
City of Boynton Beach
100 E. Ocean Avenue
Boynton Beach, FL 33435

RE: BD25-014R Professional Services Agreement for Supplemental Building Inspections and Plan Review Services (Consultant)

Dear Mr. Dugger:

C.A.P. Government, Inc. (CAP) hereby submits our proposal to the City of Boynton Beach (City) for the above referenced services. **CAP thoroughly understands the scope of services and has submitted our electronic response via bidsandtenders.net. All terms and conditions of the RFP are understood and acknowledged.** Our company has the ability, expertise, and commitment to perform the work in a timely and professional manner.

CAP has been providing outsourced plan review and inspection services to governmental agencies in Florida for over thirty-five (35) years. Our corporate philosophy is to deliver these services by creating a positive customer experience while maintaining the highest standards of accuracy, efficiency, and transparency. We believe this aligns perfectly with the City's vision for its Building Department customers. **Most importantly we have been providing services to the City of Boynton Beach since 2014.**

CAP is a State of Florida Corporation with three (3) strategically located offices in Florida including:

Corporate Office:	**Broward County**	**Palm Beach County**
343 Almeria Avenue	100 S.E. 12th St.	1910 N. FL. Mango Rd.
Coral Gables, FL 33134	Fort Lauderdale, FL 33316	W. Palm Beach, FL 33409
(305) 448-1711	(954) 888-9531	(561) 508-0615

CAP's extensive expertise, advanced tools, and unwavering commitment to excellence makes us the ideal provider for these services. As you review our qualifications, please consider the following key points:

- **Qualifications:** Founded in 1989, CAP has over thirty-five (35) years of experience and is a pioneer in outsourcing Building Department services to municipalities throughout Florida. We currently serve over eighty-five (85) governmental clients, including seven (7) that are educational institutions.

- **Staff Availability:** CAP employs over three hundred (300+) professionals. Our technical staff, including structural, building, electrical, plumbing, and mechanical inspectors, plans examiners, certified building officials, and certified floodplain managers, are fully certified, qualified, trained, and experienced. They are available to provide plans review and inspection services to the Building Department of the City of Boynton Beach.

- **Technology:** Since 2013, CAP has been investing in, developing, and implementing an Electronic Plans Review (EPR) platform. This platform enables our Plans Examiners to work electronically in an efficient, transparent, and real-time manner, ensuring accurate and timely inspections and documentation.

Emergencies/Disasters Response and Recovery

Since Hurricane Andrew in 1992, CAP has been a leader in emergency management and disaster recovery throughout the State of Florida. Our team of Emergency Managers and Building Officials are trained in both the National Incident Management System (NIMS) and the FEMA Incident Management System. We offer a comprehensive range of services, including support for Municipal Emergency Operations Centers (EOC), emergency damage assessments, floodplain management, structural and electrical support for Building and Public Works Departments, and continuity of operations planning for municipalities and educational institutions.

Our extensive experience in hurricane disaster response and recovery includes working on Hurricane Andrew (1992), Hurricane Charley (2004), Hurricane Ivan (2004), Hurricane Jeanne (2004), Hurricane Dennis (2005), Hurricane Wilma (2005), Hurricane Irma (2017), Hurricane Florence (2018), Hurricane Michael (2018), Hurricane Dorian (2019), Hurricane Ian (2022), and Hurricane Nicole (2022).

We commit to delivering efficient, cost-effective, and quality solutions to the City of Boynton Beach by maintaining the necessary resources to provide the services required in the Request for Proposal.

Why choose us? Consider the numbers:

35+	Years in Business (Est. in 1989).
32	Years Outsourcing Building Services Exclusively to the Government
11	Municipal Clients - Full Service
67	**Municipal Clients - Supplemental Services (Similar to this RFP)**
7	Educational Clients
85	Total Building Department Outsourcing Clients
10	**Years providing services in City of Boynton Beach**
11	Years providing Electronic Plan Review (EPR)
300+	Employees dedicated to outsourcing Building Services

If given the opportunity, we will continue to provide customer centered Building Department services to the City of Boynton Beach. If you require any additional information, or wish to discuss this proposal further, please contact me at 305.458.6000, or capenin@capfla.com.

Very truly yours,
C.A.P. Government, Inc.

Carlos A. Penin, PE
President

B. Firm's Qualifications

B. FIRM'S QUALIFICATIONS

Statement of Firm's Qualifications

C.A.P. Government, Inc. (CAP) was founded on April 10, 1989, by Mr. Carlos A. Penin, PE. In 1992 CAP entered into an agreement with the newly incorporated Village of Key Biscayne to offer the outsourcing of professional Building Department services. We have been doing so *continuously* since then.

C.A.P. Government, Inc. (CAP) has been providing Building Code and Permitting Services to the City of Boynton Beach continuously since 2014.

Today CAP is recognized as the leading firm in providing Building Department services to over eighty-five (85) municipalities across Florida. For thirty-five (35) years CAP has maintained an exemplary track record of professional management of all phases of the building and permitting process. CAP's expertise involves developing tailored solutions to plans review, inspections, and code compliance services exclusively to government entities.

Our customer centered approach to Permitting, Plan Review, and Inspection Services has helped us build a team of over 300+ Professional Engineers, Architects, Building Code Administrators, Plans Examiners, Inspectors, and Permit Technicians, which gives us the ability to provide required services to the City of Boynton Beach. Our legacy of hard work and dedication has established us as a leader in our industry.

CAP will be performing the work for the City of Boynton Beach from our Palm Beach office. Although CAP can perform Plans Review using Electronic Plan Review software virtually from anywhere.

CAP's management capacity has been built and proven with decades of successfully managing full and supplemental Building Department Services in numerous jurisdictions throughout Florida. These methods are often tailored to meet the specific needs and expectations for each municipality. CAP has the flexibility to work on-site in the City of Boynton Beach with City personnel, review plans remotely, and perform inspections.

Additionally, our CAP team will provide constant communication to the City of Boynton Beach regarding projects. CAP will provide clarity to applicants, architects, engineers, and contractors on plans review comments and inspections, as needed.

If awarded, our intent is to meet with the City's representatives to coordinate all our efforts to continue performing and perhaps increase services, immediately.

C.A.P. Government, Inc. (CAP) will not use any subconsultants and will provide all required services directly.

C.A.P. Government, Inc. has not been issued any fines by the State of Florida.

C.A.P. Government, Inc. has not had any litigation filed against it in the past three years related to the services that the firm provides in the regular course of business.

Emergencies/Disasters Response and Recovery

CAP is aware of the devastating effects that a hurricane can have on our community. Our senior, technical, and administrative staff have the experience, hands-on knowledge, and training to work with the City before, during and after these occurrences.

CAP has been an integral part of the response to Hurricane Irma ('17), Hurricane Michael ('18), Hurricane Dorian ('19), and Hurricane Ian ('22) as a partner to our municipal clients. Our highly trained staff has taken a leadership role in preparing the local community for these events, during the damage assessment and recovery efforts in the aftermath.

After Hurricane Ian struck the Gulf Coast of Florida, the CAP Team quickly mobilized to assist the affected areas, including the State of Florida, City of Sanibel, Town of Ft. Myers Beach, and City of Punta Gorda.

CAP deployed 20 certified inspectors, Building Officials, and a FEMA Certified Manager to provide damage assessments as per local and FEMA requirements. As the response continued, we shifted focus to maintaining continuity of operations for municipal Managers and Building Officials.

When these events strike again, we will be ready to provide personnel for each discipline **within one (1) hour (24 hours per day and 7 days per week)** alongside the City's, community and emergency response teams. CAP will provide Federal Emergency Management Agency ("FEMA") support and immediate access to building plans or other essential building information.

Emergency Operations and Services Provided for Clients:

Phase I: Rapid damage assessments of structures. In this initial phase, we conduct swift and thorough damage assessments after an emergency or disaster. The goal is to quickly identify the extent of damage to structures so that immediate safety measures can be taken. Our team evaluates various aspects, including structural integrity, wind damage, flooding impact, electrical safety, and overall emergency management needs.

- CAP provided rapid damage assessment services after hurricane Ian (2022) to: State of Florida Division of Emergency Management, Town of Fort Myers Beach, Town of Longboat Key, City of Marco Island, City of Punta Gorda, City of Sanibel, Sarasota County, and City of Venice.
- Trades: Structural/Building, Wind Damage, Flooding, Electrical, Emergency Management

Phase II: Full damage assessments of structures. Following the rapid assessments, this phase involves a more detailed and comprehensive evaluation of the damage. Our experts assess structural/building conditions, wind damage, flooding, and mechanical, electrical, and plumbing (MEP) systems. This in-depth assessment provides a clear understanding of the repair and restoration needs, allowing for precise planning and resource allocation for the reconstruction process.

- Trades: Structural/Building, Wind Damage, Flooding, Mechanical, Electrical, and Plumbing

Phase III: Plans review, permitting, and inspections during the reconstruction period. In this final phase, we support the rebuilding efforts through meticulous plans review, permitting, and inspection services. Our team ensures that reconstruction plans comply with all relevant codes and standards. We offer expedited services depending on the client's status as a full-service or supplementary services client. The focus areas during this phase include structural/building, MEP systems, wind damage repairs, and floodplain considerations. This comprehensive oversight ensures that the rebuilding process is efficient, safe, and compliant with regulatory requirements.

- Trades: Structural/Building, Mechanical, Electrical, Plumbing, Flood plain

Anthony D'Auria, PX, BN
Plumbing & Mechanical Plans Examiner & Inspector

Mr. D'Auria has over forty (40) years of experience as a licensed and certified inspector and plans examiner, for the State of Florida. He has years of accomplished business, operations and project management experiences, both on the field and in the office. Inspecting and evaluating all types of commercial and residential multi-story, sanitary and storm systems, with water distribution systems, while clarifying and enforcing the Florida State Building Code.

EDUCATION

Master & Journeyman Plumber, Gas Massachusetts State Board

Fitter, Fire Protection Licenses

Business Management and Administration Classes

STATE OF FLORIDA LICENSE

Mechanical & Plumbing Plans Examiner
PX4133

Mechanical & Plumbing Inspector
BN7353

Plumbing and Mechanical Plans Examiner & Inspector, C.A.P. Government, Inc.
2019 – Present
Responsible for closely inspection of mechanical, and other systems for commercial and residential sites, like appliances, boilers, elevators, gas and oil lines, and HVAC systems. Evaluate and approve or disapprove of the work done in accordance with local and state regulations. Examine and test new or existing plumbing systems in buildings to make sure they are installed. Reviews plans to ensure that the plans meet building codes and requirements of the state, county, and city where the construction is taking place.

EXPERIENCE

Assistant Vice President of Facilities, Florida Atlantic University
2011 - 2015
Responsibilities included facilities and engineering responsibility for five campuses totaling over six million square feet on 800 plus acres. Oversight of duties of Engineering and Utilities; Building Code Administration; Space Utilization; Building and Grounds; Facilities Planning; and Environmental Health Safety.

Plumbing Plans Examiner & Inspector
2018 – 2019
Plan Review and Inspections for code compliance on commercial and residential projects. Reviewed blueprints and permits for accuracy with the Florida Building Code. Inspected all aspects of underground, top-out, and finish work for plumbing, accessibility, energy conservation and gas codes.

Plumbing Plans Examiner & Inspector, City of Boca Raton
2016 – 2019
Met with plumbing contractors, GC's, owners, architects, engineers, etc. to review blueprints and permits for accuracy. Identified any health and safety violations. Completed detailed list of code violations as required, per job site permit.

2023 – Present
Responsible for conducting inspections of residential, institutional, and commercial properties to determine hazardous conditions and enforce compliance with city fire safety laws and ordinances.

□□□□R□□□C□

□re □□□□ec□□r□□□re C□□e□□C□□□ □□□ □eec□□bee □re De□□r□me□□□
1992 – 2022
Responsible for attending and participating in TRC meetings with contractors prior to project approvals. Reviewed all plans associated with these projects. After approval of projects, received fire safety plans, fire protection plans (kitchen hoods, sprinklers, fire alarms, booths, etc.). Reviewed plans and worked closely with the City's contracted Building Department. Performed as needed inspect services and ensured plans were followed as approved. Reviewed and discussed "add-ons" with contractors as well as any updated plans for review. Conducted acceptance testing of fire protection systems prior to signing off on projects. Assisted fire officers with fire inspections based on the need and type of systems. Assisted the school officials with fire and life safety inspections annually and reported same to the state as required. Conducted hundreds of inspections and plan reviews regarding commercial buildings and projects as well as any residential projects meeting three or more-unit requirements. Projects include Health Care Facilities, Detention, Government (courthouse), multi-story hotels, Gas stations, LP and Natural Gas, and many more.

□re □□□□ec□□r□□r□□□□ □ □□□□e□ □□re Re□c□e,
1989 – 1992
Received training and gained experience regarding Fire Protection Systems. Maintained and inspected the systems daily as well as ran tests on all the pumps at many different locations for our firefighting. water source via the Pump House. Encountered Halon systems and all forms of fire alarms systems.

□□re□□□□□er □□M□□□ □eec□□bee C□□□□□ □□re Re□c□e
1985 – 1989
Part-Time off and on for several years while employed with the city of Okeechobee prior to becoming Chief.

CITY OF BOYNTON BEACH
RFP No. BD25-014R

SERVICE CONTRACTS

C.A.P. Government, Inc. (CAP) has been providing Plan Review and Inspections Services to Palm Beach County since 2010, and to the City of Boynton Beach since 2014.

Relevant Government Experience:

	Palm Beach County Palm Beach County has contracted with CAP to provide building inspection, plan review and permit technician services to the Planning, Zoning, and Building Department. These services include building, civil, plumbing, electric, and mechanical, HVAC. **Dates of Services: 2016-Ongoing (8 Years)**
	Village of Wellington The Village of Wellington has contracted with CAP to provide Planning, Zoning and Building Inspection Services. CAP performs inspections of buildings, civil, roofing, electrical, mechanical, and plumbing as contained in the Florida Building Code. **Dates of Services: 2015-Ongoing (9 Years)**
	City of Aventura The City of Aventura has contracted with CAP for over 29 years to provide full Building Department outsourcing. CAP handles plans review and inspections for building, structural, civil, electrical, mechanical, and plumbing, adhering to the Florida Building Code and any local amendments. CAP also supplies the Building Official for the City. **Dates of Services: 1995-Ongoing (29 Years)**
	City of South Bay CAP assists in the permit application process, providing plan review and inspection services to ensure compliance with the Florida Building Code. These services include structural, electrical, mechanical, plumbing and engineering services. CAP also provides the Building Official for the City. **Dates of Services: 2010-Ongoing (14 Years)**

SERVICE CONTRACTS

	The School District of Palm Beach County CAP conducts Building Code Inspections and Plan Review Services in the following disciplines: Building, Mechanical, Electrical, Plumbing and Fire Code Compliance. **Dates of Services: 2018-Ongoing (6 Years)**
	Broward College Broward College has recently contracted with CAP to provide full Building Department outsourcing. CAP handles plans review and inspections for building, structural, civil, electrical, mechanical, and plumbing, adhering to the Florida Building Code and any local amendments. **Dates of Services: 2022-Ongoing (2 Years)**
	School Board of Broward County The School Board of Broward County has contracted with CAP for over 10 years to provide full Building Department outsourcing. CAP handles plans review and inspections for building, structural, civil, electrical, mechanical, and plumbing, adhering to the Florida Building Code and any local amendments. **Dates of Services: 2014-Ongoing (10 Years)**
	**City of Weston** The City of Weston has contracted with CAP for 19 years for full Building Department outsourcing. CAP provides the Building Official, plans review, and inspections for building, structural, civil, electrical, mechanical, and plumbing as per the Florida Building Code. CAP also supplies Permit Technicians and staff for Document Control support. **Dates of Services: 2005-Ongoing (19 Years)**
	Town of Highland Beach CAP provides the Town Building Inspection and Plan Review services. These services include building, plumbing, electric, and mechanical, HVAC. All Building inspection and plan review and permit processing services are conducted to ensure compliance with the Florida Building Code. **Dates of Services: 2018-Ongoing (6 Years)**

D. Current and Projected Workload

D. CURRENT AND PROJECTED WORKLOAD

CAP continuously performs supplemental building department services for government entities and municipalities, ensuring that all regulatory and compliance needs are met efficiently and effectively. Given the ongoing and dynamic nature of these services, the concept of percentage completion does not apply to our contracts. Instead, our agreements are designed to be consistently renewed, reflecting the continuous and evolving demand for our expertise and support. This approach allows us to maintain a high standard of service and adaptability, addressing both current workloads and anticipated future needs.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

C.A.P. Government, Inc.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☑ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.

P. O. Box 843599

Requester's name and address (optional)

6 City, state, and ZIP code

Dallas, TX 75284-3599

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

6	5	–	0	1	2	1	5	9	4

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person**  **Date** 04.30.24

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

The notes on pages 40 to 54 are an integral part of the condensed half-year consolidated financial statements.

Statement of consolidated comprehensive income

(€ millions)	202	202
Net profit	2	2
Other comprehensive income		
Items to be reclassified to profit		
Currency translation differences (1)	9.9	(73.7)
Cash flow hedges (2)	(0.2)	(0.3)
Tax effect on items to be reclassified to profit	-	-
Items to be reclassified to profit	9	0
Items not to be reclassified to profit		
Actuarial gains/(losses) (3)	4.1	(2.4)
Tax effect on items not to be reclassified to profit	(1.1)	0.4
Items not to be reclassified to profit	0	2 0
Other comprehensive income for the period	12	0
TOTAL COMPREHENSIVE INCOME	2 9	1
Attributable to:		
owners of the Company	251.3	160.0
non-controlling interests	8.2	8.8

(1) Currency translation differences: this item includes exchange differences arising on the conversion of the financial statements of foreign subsidiaries into euros. The change over the period is mainly attributable to fluctuations against the euro of the US dollar for a positive EUR 19.8 million and the Brazilian real for a negative EUR 14.8 million.

(2) The change in cash flow hedges results from changes in the fair value of derivative financial instruments eligible for hedge accounting.

(3) Actuarial gains and losses: the Group recognizes actuarial gains and losses arising on the measurement of pension plans and some other long-term employee benefits in equity. These actuarial differences reflect the impact of experience adjustments and changes in valuation assumptions (discount rate, salary inflation rate and rate of increase in pensions) regarding the Group's obligations in respect of defined benefit plans.

The notes on pages 40 to 54 are an integral part of the condensed half-year consolidated financial statements.

Letter of Interest

The Letter of Interest shall summarizes the Bidder's primary qualifications and a firm commitment to provide the proposed services.

Line Item	Description	Response *
1	The Letter of Interest shall summarizes the Proposer's primary qualifications and a firm commitment to provide the proposed services.	Dear City of Boynton Beach Building Division: GFA International Inc. dba Universal Engineering Sciences (UES) truly appreciates the opportunity to present our services and experience to the City of Boyton Beach (The City) in response to this solicitation for RFP No. BD25-014R Building Inspections and Plan Review Services. We are confident that our capabilities and experience position UES as the ideal firm to execute said scope and we make a positive commitment to perform the work in a timely manner. Our West Palm Beach office is staffed with dedicated professionals familiar with the region's geographic conditions, state, county, and city regulations and who have developed strong working relationships with local specialized sub-consultants and vendors. Our team has decades of experience providing expert plans reviews for clientele and complex projects of all sizes, including municipalities similar to the City of Boynton Beach. Clients we have provided these services to include the City of Boynton Beach, The School Board of Palm Beach County, City of West Palm Beach, Town of Jupiter, and Indian River. Our team's technical expertise and specialized training, a fleet of equipment, and broad scope of capabilities have assisted our clients in finding solutions to complex and difficult challenges on various projects. We understand that the selected firm must be appropriately qualified, licensed, and be an experienced vendor fully capable of providing inspections, plan reviews, and code compliance, in accordance with Chapter 468, Part XII, Building Code Administrators & Inspectors; and Chapter 553, Building Construction Standards. The individuals performing these duties must possess valid licenses that are in good standing with the Department of Business and Professional Regulation. We also understand that this contract requires licensure in all disciplines inspection personnel will inspect. Our mission is to provide the City with cost-effective, efficient, and accurate Inspection Services. Integrity is the keystone of our business relationship with all of our clients. When you work with UES, you'll be interacting with industry professionals who pride themselves on the highest level of integrity, dependability, ethics, and quality of work and who are also exceptionally innovative, dynamic, and responsive. We want the City to think of UES as an extension your staff and your trusted advisors. Authorized Representatives/Vendor Service Representatives: Tom Montano, PE Branch Manager 3921 Westgate Ave West Palm Beach, FL 33409 (772) 204-4239 tmontano@teamues.com

		Matthew Chaney, BN Building Inspections Department Manager 3921 Westgate Ave West Palm Beach, FL 33409 (904) 673-0626 mchaney@teamues.com Matt Chaney, EI, will serve as Project Manager for this contract. He will assign personnel as projects are awarded and will oversee each project personally. Matt will be involved in defining the scope of services and in developing the budget for each. Our Principals have thoroughly reviewed and understand this RFP, its related documents, and the anticipated scope of work. UES commits to provide all of the proposed services listed in the RFP documents. Our team is ready to serve as an extension to your staff, and we will represent the City in the best possible way. UES appreciates the opportunity to be of service to the City in support of this contract and we look forward to your favorable reply. On behalf of our entire team, we would like to thank you for this opportunity, your time, and your consideration. Respectfully, UES Tom Montano, PE Branch Manager 3921 Westgate Ave West Palm Beach, FL 33409 (772) 204-4239 tmontano@teamues.com

Local Business Status Certification

I am an authorized representative of the business and, on behalf of the Business, request that it be deemed to be a local business for purposes of the City of Boynton Beach Local Preference Program. Answering yes to Question 1 and Question 2 below will qualify the business as a local business. In support of this request, I certify the following to be true and correct:

I understand that misrepresentation of any facts in connection with this request may be cause for removal from the certified local business list. I also agree that the business is required to notify the City in writing should it cease to qualify as a local business.

By checking the box that you are not submitting for "Local Business Status Certification" you declare that you are not a local business in the City of Boynton Beach.

☐ We will not be submitting for Local Business Status Certification

Is the business located within the City limits of Boynton Beach, Florida? *	Does the business have a business tax receipt issued in the current year? *	Is the business registered with the Florida Division of Corporations? *	Number of years in business *	Business license number *

Qualifications and Experience/Ability of Professional Personnel

Describe the experience and qualifications of all key Proposer and Sub-Proposer players. Summarize the quality of the firm's support personnel and continuity of staff. Describe the ability to perform additional services and provide technical support throughout engagement. Explain the ability to meet set standards. Provide evidence of a capable and well-organized engagement team and management plan.

Description	Response *

Describe the experience and qualifications of all key Proposer and Sub-Proposer players.	Tom Montano, PE, brings over 13 years of experience in the construction industry to his role as Branch Manager. He oversees all branch operations, including staff management and project execution, ensuring that the work performed meets the highest quality and client satisfaction standards. Tom is actively involved in all aspects of the business, from client relations and project management to scheduling and staff training. His diverse project management portfolio includes educational and industrial facilities, ports, aviation projects, commercial developments, multi-story condominiums, and infrastructure projects, highlighting his versatility and expertise. Matthew Chaney, BN, a licensed standard inspector with eight years of experience, serves as the manager of the building inspections department at UES. In this role, he oversees inspection teams and manages all inspections performed by the branch, ensuring quality and compliance across various projects. Alongside his expertise in building inspections, Matthew has extensive geotechnical and structural engineering knowledge, providing valuable insight into complex projects. His project experience includes serving on Continuing Contracts with the Town of Jupiter, Martin County, and Indian River County, Florida, showcasing his commitment to delivering reliable and efficient inspection services. Michael Keenan, CBO, BN, PX, recently joined UES, bringing extensive experience in residential and commercial new construction and remodeling projects. With a strong background in plan review and inspection across structural, mechanical, electrical, and plumbing disciplines, he has worked on a diverse range of construction types, including residential, commercial, and industrial facilities; schools; fire department buildings; antenna towers; hotels; apartment buildings; marinas; fuel dispensing stations; retail spaces; assisted living facilities; parks and recreation areas; and water treatment facilities. In his previous role as an acting building official, Michael successfully implemented policy changes within local government and played a key role in facilitating an interlocal agreement that streamlined inspection and plan review services between two municipalities. Derek Wiechmann, PG, CBO, and ICC-Certified Plans Examiner, brings over 30 years of combined experience in engineering and construction to UES. His expertise spans civil and geotechnical engineering, geology, building official duties, and plans examination. With a deep understanding of engineering principles and construction practices, Derek provides invaluable insights across diverse projects, ensuring compliance with industry standards and regulations. His extensive experience enhances UES' capabilities in delivering high-quality services in geotechnical, civil, and building inspection disciplines. Dennis Hanrahan, PE, BX, PX, brings over 27 years of Building inspection and Code Compliance experience to UES. He has provided inspection and plan review services for numerous municipalities, school districts, counties, cities, and government agencies. His expertise spans many projects, from small single-family residences to high-rise condominiums and apartment complexes throughout South Florida. With a comprehensive understanding of the latest Florida Building Codes, Dennis ensures compliance and quality in every project, contributing to the successful execution of diverse construction and development initiatives.
Summarize the quality of the firm's support personnel and continuity of staff.	UES ensures the delivery of high-quality building inspection and plan review services through a robust team of highly qualified support personnel and a strong commitment to staff continuity. UES' team includes certified building inspectors, plans examiners, and building officials with extensive expertise in building codes, construction practices, and regulatory compliance. Our personnel possess diverse certifications, including Building Code Administrator, Standard Inspector, and Plans Examiner licenses, ensuring comprehensive knowledge and capabilities in all aspects of building inspections and plan review. UES prioritizes staff continuity to maintain seamless project execution and consistent service quality. We achieve this by retaining experienced professionals and cultivating an environment of collaboration and development within our nationwide network of nearly 4,000 engineers and technical experts. This ensures institutional knowledge is retained across all projects, allowing for efficient communication, smooth transitions, and reliable outcomes. Additionally, UES' regional presence and significant resources, including 85+ locations and 60 accredited laboratories, enhance our capacity to provide additional support personnel if needed, ensuring our clients always have access to the right expertise for their projects. Our combination of skilled personnel and commitment to continuity makes UES a trusted partner for building inspection and plan review services.

Describe the ability to perform additional services and provide technical support throughout engagement.	UES offers an unparalleled capacity to perform additional services and provide comprehensive technical support throughout the duration of any engagement involving building inspections and plan reviews. With a nationwide network of nearly 4,000 professionals, UES can scale resources and deploy specialized experts to meet evolving project needs without compromising quality or timelines. Our team includes certified building inspectors, plans examiners, and building officials with advanced certifications and expertise in multiple disciplines, including structural, mechanical, plumbing, electrical, and fire code compliance. This diverse skill set enables UES to address unexpected challenges or expanded scopes of work seamlessly. UES' resources include 85+ strategically located offices, 60 accredited laboratories, and mobile testing capabilities, ensuring technical support is always within reach. Our integrated teams collaborate efficiently, allowing us to respond promptly to requests for additional services such as advanced plan reviews, specialized inspections, or third-party assessments under Florida's Private Provider statute 553.791. By leveraging our extensive resources, depth of experience, and commitment to client success, UES delivers reliable technical support and a proactive approach to any additional service needs, ensuring project goals are consistently met with precision and efficiency.
Explain the ability to meet set standards.	UES consistently meets and exceeds established standards for building inspections and plan reviews through a combination of highly qualified personnel, proven processes, and cutting-edge technology. Our team comprises certified building inspectors, plans examiners, and building officials who are experts in local, state, and federal codes, including Florida Building Codes and International Code Council (ICC) standards. UES follows a structured quality assurance/quality control (QA/QC) process to ensure compliance with all regulatory requirements. This includes detailed plan reviews, meticulous inspections, and thorough documentation at every project stage. Our advanced project management systems facilitate real-time tracking, reporting, and communication, ensuring all work aligns with the client's specifications and timeline. Our commitment to continuous training and professional development ensures our team remains up-to-date with evolving codes, best practices, and emerging technologies. UES guarantees adherence to set standards, ensuring safety, code compliance, and quality outcomes for every project through our expertise, resources, and dedication to excellence.
Provide evidence of a capable and well-organized engagement team and management plan.	UES ensures every project is supported by a capable and well-organized engagement team, backed by a detailed management plan to deliver exceptional building inspection and plan review services. Engagement Team Our team consists of certified professionals, including: • Building Officials: Experienced leaders ensuring compliance with local, state, and federal codes. • Plans Examiners: Experts review construction documents for structural, mechanical, electrical, plumbing, and fire safety compliance. • Building Inspectors: Field specialists conducting thorough inspections to verify code adherence during every construction phase. Our professionals hold advanced certifications, such as Building Code Administrator, Standard Inspector, and Standard Plans Examiner, reflecting their comprehensive expertise and commitment to excellence. Management Plan UES employs a structured management approach tailored to each client's needs: 1. Clear Roles and Responsibilities: Defined roles ensure accountability and efficiency at every project stage. 2. Project Oversight: Dedicated project managers oversee schedules, budgets, and deliverables, maintaining open communication with stakeholders. 3. QA/QC Procedures: Robust quality assurance protocols are applied to all plan reviews and inspections to ensure compliance with set standards and client expectations. 4. Real-Time Reporting: Advanced software platforms provide up-to-date project tracking, ensuring transparency and quick issue resolution. 5. Resource Flexibility: UES' network of 85+ offices and nearly 4,000 technical professionals ensures scalable support for any project demands. Our management strategy fosters collaboration, streamlines workflows, and ensures consistent, high-quality deliverables. The UES team's depth of expertise and organizational capabilities make us a trusted partner for successful project execution.

References

In order to be considered**, the Bidder must** list the minimum number of three (3) successfully completed or in progress projects within the last five (5) years of similar scope and complexity in the State of Florida, which shows experience and demonstrates expertise in providing the services as stated herein.

The City is interested in learning of other firms' or government agencies' experiences with your company; as such**, please do not list the City of Boynton Beach as a reference.**

Subcontractors

The Bidder shall state all Subcontractor(s) and type of Work proposed to be used for this project. Bidders shall not indicate "TBD" (To Be Determined) or "TBA" (To Be Announced) or similar wording and shall not indicate multiple choices of Subcontractor names for any Subcontractor category in their list of Subcontractors.

Schedule of Sub-Consultants

The Undersigned Respondent proposes the following major subcontractors for the major areas of work for the Project. The Respondent is further notified that all sub-contractors shall be properly licensed, bondable and shall be required to furnish the City with a Certificate of Insurance in accordance with the contract general conditions. This page may be reproduced for listing additional sub-contractors, if required. If not applicable or if no-subconsultants will be used in the performance of this Work, write "Not-Applicable" or "NONE" across the form.

☑

By clicking here I confirm that there are no Subcontractor(s)/Subconsultant(s) and the Bidder shall perform the project with their "**OWN FORCES**".

Documents

Ensure your submission document(s) conforms to the following:

Documents should NOT have a security password, as City of Boynton Beach may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by City of Boynton Beach.

If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

If the attached file(s) cannot be opened or viewed, your Bid Call Document may be rejected.

Addenda & Declarations

Background, Qualifications, and Terms

BACKGROUND:

The City of Boynton Beach serves an area of approximately 16.5 square miles with a population of approximately 80,000. The City provides services to its citizens in many areas, such as law enforcement, emergency medical services, fire control, water and sewer, library services, refuse collection, a municipal golf course, and various park sites and recreational services. The City was incorporated in 1920 and has operated under a Commission-Manager form of government (the City employs some 844 full-time and 41 part-time employees; it had total assets of almost $589 million and revenues of over $232 million for the fiscal year that ended September 30, 2023.

PURPOSE:

The City of Boynton Beach "City" Building Division is requesting sealed proposals from qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technician on an as-needed basis.

The City intends to award a contract with an initial term of **Three (3) Years with One (1) Two-Year Renewal period.**

The City reserves the right to award to more than one firm. The firm(s) shall act as independent contractors and not as employees of the City.

Questions related to this RFP are to be submitted to the Purchasing representative through the e-procurement system only by clicking on the "Submit a Question" button for this specific Solicitation.

☑ I/We have the authority to bind the Company and submit this Bid on behalf of the Bidder. - Jamie Gray, Commercial Operations Manager, GFA International, Inc dba Universal Engineering Sciences

The bidder shall declare any potential or actual conflict of interest that could arise from Bidding on this Bid. Do you have a conflict of interest?

1. State the true, exact, correct, and complete name of the partnership, corporation, trade, or fictitious name under which you do business and the address of the place of business.

   The correct name of the Proposer is:
   GFA International, Inc. dba Universal Engineering Sciences

   The address of the principal place of business is:
   3921 Westgate Ave., West Palm Beach, FL 33409

2. If Proposer is a corporation, answer the following:

   a. Date of Incorporation: 1998
   b. State of Incorporation: Florida
   c. President's name: Travis Merrick
   d. Vice President's name: Paul Danforth
   e. Secretary's name: Benjamin Butterfield
   f. Treasurer's name: Michael Dear
   g. Name and address of Resident Agent: N/A

3. If Proposer is an individual or a partnership, answer the following:

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

a. Date of organization: N/A

b. Name, address and ownership units of all partners:

N/A

c. State whether general or limited partnership: N/A

4. If Proposer is other than an individual, corporation, or partnership, describe the organization and give the name and address of principals:

N/A

5. If Proposer is operating under a fictitious name, submit evidence of compliance with the Florida Fictitious Name Statute.

N/A

6. How many years has your organization been in business under its present business name?

26+

Under what other former names has your organization operated?

None.

7. Indicate registration, license numbers, or certificate numbers for the businesses or professions, which are the subject of this Bid. Please attach the certificate of competency and/or state registration.

Firm Engineering Registry #4930

State Registration #P98000089761

8. Did you attend the Pre-Proposal Conference if any such conference was held?

YES [ ] NO [X]

9. Have you ever failed to complete any work awarded to you? If so, state when, where, and why:

No.

10. List the pertinent experience of the key individuals of your organization (continue on insert sheet, if necessary)

Please see page 3.

11. State the name of the individual who will have personal supervision of the work:

Matthew Chaney, EI

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

KEY PERSONNEL

Tom Montano, PE, brings over 13 years of experience in the construction industry to his role as Branch Manager. He oversees all branch operations, including staff management and project execution, ensuring that the work performed meets the highest quality and client satisfaction standards. Tom is actively involved in all aspects of the business, from client relations and project management to scheduling and staff training. His diverse project management portfolio includes educational and industrial facilities, ports, aviation projects, commercial developments, multi-story condominiums, and infrastructure projects, highlighting his versatility and expertise.

Matthew Chaney, BN, a licensed standard inspector with eight years of experience, serves as the manager of the building inspections department at UES. In this role, he oversees inspection teams and manages all inspections performed by the branch, ensuring quality and compliance across various projects. Alongside his expertise in building inspections, Matthew has extensive geotechnical and structural engineering knowledge, providing valuable insight into complex projects. His project experience includes serving on Continuing Contracts with the Town of Jupiter, Martin County, and Indian River County, Florida, showcasing his commitment to delivering reliable and efficient inspection services.

Michael Keenan, CBO, BN, PX, recently joined UES, bringing extensive experience in residential and commercial new construction and remodeling projects. With a strong background in plan review and inspection across structural, mechanical, electrical, and plumbing disciplines, he has worked on a diverse range of construction types, including residential, commercial, and industrial facilities; schools; fire department buildings; antenna towers; hotels; apartment buildings; marinas; fuel dispensing stations; retail spaces; assisted living facilities; parks and recreation areas; and water treatment facilities. In his previous role as an acting building official, Michael successfully implemented policy changes within local government and played a key role in facilitating an interlocal agreement that streamlined inspection and plan review services between two municipalities.

Derek Wiechmann, PG, CBO, and ICC-Certified Plans Examiner, brings over 30 years of combined experience in engineering and construction to UES. His expertise spans civil and geotechnical engineering, geology, building official duties, and plans examination. With a deep understanding of engineering principles and construction practices, Derek provides invaluable insights across diverse projects, ensuring compliance with industry standards and regulations. His extensive experience enhances UES' capabilities in delivering high-quality services in geotechnical, civil, and building inspection disciplines.

Dennis Hanrahan, PE, BX, PX, brings over 27 years of Building inspection and Code Compliance experience to UES. He has provided inspection and plan review services for numerous municipalities, school districts, counties, cities, and government agencies. His expertise spans many projects, from small single-family residences to high-rise condominiums and apartment complexes throughout South Florida. With a comprehensive understanding of the latest Florida Building Codes, Dennis ensures compliance and quality in every project, contributing to the successful execution of diverse construction and development initiatives.

12. State the name and address of the attorney, if any, for the business of the Proposer:
Benjamin Butterfield, General Counsel, 4205 Vineland Road, Suite L1, Orlando, FL 32811

13. State the names and addresses of all businesses and/or individuals who own an interest of more than five percent (5%) of the Proposer's business and indicate the percentage owned of each such business and/or individual:
Obsidian Group Acquisitions, Inc. - 100%

14. State the names, addresses, and the type of business of all firms that are partially or wholly owned by Proposer:
N/A

15. State the name of the Surety Company which will be providing the bond (if applicable), and the name and address of the agent:
United States Fire Insurance Company, John E. Genet
5909 Peachtree Dunwoody Road, Suite 800, Atlanta, GA 30328

16. Annual Average Revenue of the Proposer for the last three years as follows:

		Revenue Index Number
a.	Government Related Work	10
b.	Non-Governmental Related Work	10
	Total Work (a +b):	20

Revenue Index Number

1.	Less than $100,000
2.	$100,000 to less than $250,000
3.	$250,000 to less than $500,000
4.	$500,000 to less than $1 million
5.	$1 million to less than $2 million
6.	$2 million to less than $5 million
7.	$5 million to less than $10 million
8.	$10 million to less than $25 million
9.	$25 million to less than $50 million
10.	$50 million or greater

18. Describe policies and methods for project monitoring and budgeting control as well as adherence to project schedule (continue on insert sheet, if necessary).

UES understands our client's desire for fast, accurate inspection results and how the execution of these services can dramtically impact both the project schedule and budget. In response, UES has developed proprietary software called FDC (Field Data Collection), which is one of the industry's most reliable and efficient methods for gathering, processing, and reporting data collected in the field.

19. Provide descriptions of quality assurance/quality control management methods (continue on insert sheet, if necessary):

See page 6.

20. Is the financial statement submitted with your proposal (if applicable) for the identical organization named on page one?

YES [ ] NO [X]

21. If not, explain the relationship and financial responsibility of the organization whose financial statement is provided (e.g., parent-subsidiary).

Obsidian Group Acquisitions, Inc. - Parent Subsidairy

22. What will be your turnaround time for written responses to City inquiries?

24 hours

23. List and describe all bankruptcy petitions (voluntary or involuntary) which have been filed by or against the Proposer, its parent or subsidiaries, or predecessor organizations during the past five (5) years. Include in the description, the disposition of each such petition.

None.

24. List all claims, arbitrations, administrative hearings, and lawsuits brought by or against the Proposer or its predecessor organization(s) during the last five (5) years. The list shall include all case names, case arbitration or hearing identification numbers, the name of the project in which the dispute arose, and a description of the subject matter of the dispute.

Please see page 9.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

19. QUALITY ASSURANCE/QUALITY CONTROL MANAGEMENT METHODS

UES is committed to good professional practices and the quality of building inspection services provided to our clients. Quality Assurance can be made possible by using qualified personnel for each task, supervising and reviewing of these tasks by management and senior personnel, using approved methodology including standard operating procedures with good laboratory practices and measurement of the level of quality provided. It is our policy of our Quality Control Plan to provide quality inspection services to all of our clients while creating one of the most respected technical and managerial staffs supported by an accredited laboratory facility.

The objectives of our Quality Control Plan are to customize and develop innovative services and programs to meet our client's quality needs, improve and expand our inspection services, develop logistical and informational systems to maximize assets which speed delivery of accurate and complete documents.

The Project Manager and Project Engineer with the assistance of Field Supervisors are required to familiarize themselves with the quality documentation and to implement its policies and procedures to our technical staff. Management is responsible for having the quality system policy communicated to the field and office personnel so that the policies are understood and implemented per the Quality Manual.

UES has a reputation for providing high-quality services to clients. The cornerstone for providing this commitment to quality is quality management system procedures, which cover the services provided by the company. UES understands that a top priority for clients is quality inspection services. Our Project Manager and Project Engineer assure that top quality services will be provided by qualified and accredited personnel, modern and calibrated equipment will be utilized, and all personnel assigned to this contract will closely follow written procedures for inspection services to maintain a high level of quality in our services.

KEY QA/QC MANAGEMENT METHODS INCLUDE:

Detailed Pre-Inspection/Plan Review Protocols: Our team employs thorough checklists and code compliance guidelines tailored to the specific requirements of each jurisdiction.

Experienced, Certified Professionals: Our inspectors and plans examiners are licensed and trained to identify and address critical issues promptly, minimizing delays and ensuring project integrity.

Rigorous Peer Review Processes: Every inspection report and plan review undergoes a secondary review by senior staff to validate findings and confirm adherence to QA standards.

Ongoing Training and Standards Updates: UES ensures all team members stay current on code updates and best practices through regular training sessions and certifications.

Advanced Technology Integration: We leverage modern software solutions for documentation, report generation, and project tracking to improve accuracy and communication with stakeholders

Feedback and Continuous Improvement: Client feedback and internal performance metrics are regularly reviewed to refine processes and deliver superior service on future projects.

25. List and describe all criminal proceedings or hearings concerning business-related offenses to which the Proposer, its principals or officers, or predecessors' organization(s) were defendants.

None.

26. Has the Proposer, its principals, officers, or predecessors' organization(s) been convicted of a Public Entity Crime, debarred, or suspended from bidding by any government during the last five (5) years? If so, provide details.

No.

The Proposer acknowledges and understands that the information contained in response to this Qualification Statement shall be relied upon by the owner in awarding the contract and such information is warranted by Proposer to be true. The discovery of any omission or misstatement that materially affects the Proposer's qualifications to perform under the contract shall cause the owner to reject the proposal, and if after the award, to cancel and terminate the award and/or contract.

24. LITIGATION INFORMATION

There has been no litigation or regulatory action that has been filed, pending or resolved against GFA International, Inc. (a/k/a GFA International, Inc. d/b/a Universal Engineering Sciences) in the past five (5) years other than the following:

1. On March 11, 2015, a complaint was filed against GFA, et al, by 2700 North Ocean Condominium Association, Inc. (Case No. 50-2014-CA-010718- XXXX-MB (AI) in the 15th Judicial Court in Palm Beach County). GFA provided third-party plan review, building inspections, threshold inspections and construction materials testing for two (2) 27-story condominium buildings(2700 North Ocean). The plaintiff(s) are alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and the case was settled on 11/10/20.

2. On February 21, 2017, a complaint was filed against GFA, et al, by Swire Pacific Holdings, Inc. (Case No. 2016-000804-CA-40) in the 11th Judicial Court in Miami-Dade County. GFA provided limited structural observations and construction materials testing on a 36-story condominium project (Asia Condominium). The plaintiff(s) alleged negligence for failure to properly inspect certain limited aspects of the building construction. GFA denied all liability and the case was settled and dismissed in July 2019.

3. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 18-CA-003655 in the 20th Judicial Court in Lee County) involving alleged construction defects for a multi-building condominium project (Paseo) in Lee County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. The plaintiff alledged negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was dismissed from the case on 03/15/2019. GFA was brought back into the case as a 4th party defendant on 1/14/2021 by a subcontractor but was dismissed from the case on 2/18/22.

4. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 11-2018-CA-002256-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a multi-building condominium project (Ole at Lely) in Collier County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. GFA denied all liability and was dismissed from the case on 03/15/2019.

5. On February 1, 2017, a complaint was filed by Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA- 001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) involving alleged construction defects for a 6-story apartment complex in Boca Raton (Altis Fairway Commons). On July 26, 2018, the complaint was amended to include GFA, et al. GFA provided private provider plan review, building inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was granted a Motion for Summary Judgment and Final Judgment in their favor on January 8, 2020. The Plaintiff has appealed the ruling to the 4th District. Court of Appeals (DCA). The 4th DCA affirmed the ruling and GFA was dismissed in 2021.

6. On June 25, 2019, a Complaint was filed by FCCI Insurance as subrogee to Coconut Creeks Hotels, LLC against GFA,et al in Case No. CACE-19-006066 in Broward County involving alleged construction defects and resulting water intrusion damage for a 4-story Hampton Inn and Suites Hotel in Coconut Creek Florida. GFA provided threshold inspections and construction materials testing. The plaintiff was alleging negligence for failure to properly inspect certain aspects of the building window construction. GFA denied all liability and after filing a 57.105 claim (frivolous lawsuit), was dismissed from the case on 11/15/2019.

7. On April 4, 2020, a Demand for Arbitration was filed to the American Arbitration Association Construction Panel by Old ADC, Inc. F/K/A Altman Development Corporation, against GFA International, Inc. (GFA) (CASE NO.: 01-20-0005- 0503) for the same alleged damages summarized in "Case 2" above "(Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA-001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) which GFA was dismissed from. GFA denied all liability and filed a counterclaim. The case settled on June 6, 2023.

8. On February 5, 2020, a complaint was filed by Ave Maria University, Inc. against GFA (Case No. 11-2020-CA-000396-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a 2-story recreational building in Naples, Florida (Tom Golisano Field House). GFA provided construction materials testing, private provider inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect certain

aspects of the building construction. GFA denied all liability and the case was settled with GFA on 6/10/22.

9. On September 15, 2020, a complaint was filed by Edward and Susan Bradley against GFA (Case Style Edward J. Bradley and Susan Bradley v Sun Home Services, GFA - Case No. 20-0794CA in the 19th Circuit Court in Martin County, Florida) alleging improper treatment for termite damage for a modular home and subsequent termite damage. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to ensure proper termite protection was provided. GFA denied all liability and the case was settled in May, 2021.

10. On July 12, 2021, a complaint was filed by Bruce Beasley against the Williams Company who filed a third-party complaint against GFA, et al) (Case Style BEASLEY NAPLES, LLC, a Florida limited liability company, BRIAN E. BEASLEY, AS PERSONAL REPRESENTATIVE OF THE ESTATE OF GEORGE G. BEASLEY, and SHIRLEY ANN BEASLEY , vs. THE WILLIAMS GROUP, INC. - Case No. 11- 2021-CA-001142 in the 20th Circuit Court in Collier, Fl) alleging construction defects relating to exterior stone columns on a residential structure. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to properly inspect. GFA denied all liability and the case was dismissed against GFA on June 1, 2022.

11. On March 20, 2023, a complaint was filed by Centra Falls Homeowners Association, Inc. against Centra Falls. LLC, et al, including a claim against GFA International, Inc. - Case No. CACE-23-000367 in the 17th Circuit Court in Broward, Fl alleging construction defects relating to building construction and site improvements. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test soil and concrete materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

12. On March 23, 2023, a complaint was filed by Nicole Perry (as individual) against GFA International, Inc., et al, - Case No. CACE-22-008820 in the 17th Circuit Court in Broward, Fl alleging construction of a dangerous condition at the Pompano Beach Parking Garage which caused a trip and fall accident. GFA provided material Geotechnical Engineering, Quality Control testing of construction materials and threshold inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to identify a dangerous condition when the parking garage was constructed in 2016.

GFA denied all liability and the case against GFA was dismissed on 8/22/2023.

13. On August 11, 2023, a complaint was filed by South Florida Motor Sports, LLC and Moss & Associates, LLC against Apex Circuit Design, LTD, et al, including a claim against GFA International, Inc. d/b/a Universal Engineering Sciences - Case No. 2023-021255-CA-01 in the 11th Circuit Court in Miami-Dade, FL, alleging construction defects relating to design and construction of the site improvements associated with the Formula 1 Miami Grand Prix project Miami. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test asphalt materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

ORGANIZATIONAL STRUCTURE

UES is a privately held, rapidly growing engineering and consulting firm with six decades of experience in geotechnical engineering, construction materials testing, building code compliance, threshold inspections and environmental consulting. With nearly 4,000 professionals across more than 90+ branches in high growth markets in the U.S., UES consults on projects of all sizes for public and private clients in industries ranging from transportation and healthcare to commercial, residential, and education.

Experienced and proven, UES is considered a pioneer of the industry and stands at the forefront of emerging technology and best practices. Our work includes public and private clients, as well as public-private partnerships, and consists of projects ranging from transportation and infrastructure to aviation and aerospace. Our engineers, geologists, certified inspectors, scientists, and drillers offer an unwavering commitment to excellence, approaching each project with the knowledge that precision, professionalism, and creative solutions are what drive success and cultivate enduring client relationships.

UNDERSTANDING OUR GROWTH

Founded in 1988, GFA International, Inc. (GFA) is a full-service Engineering and Geological consulting organization providing Building Code Inspection Services, as well as Environmental, Geotechnical, Construction Materials Testing, Threshold and Special Inspections, and Private Provider services, across a broad spectrum of industries.

In early 2020, GFA merged with Universal Engineering Sciences and additional leading engineering firms. This combination of like minded firms, complementary in professional services, core values, and customer service-centric views, formed the UES family of companies — the largest, most experienced, resource-rich organization of its kind in the U.S.

UES has 19 offices strategically located to service our clients throughout the State of Florida. For 60 years, UES has successfully built our state-wide reputation for superior service, trustworthy business management, and strict attention to health, safety and innovative engineering.

UNMATCHED RESOURCES

UES is well-versed in the Florida statutory code compliance nuances and has over 20+ years of experience in providing both private provider code compliance services and city/county building department services.

With a growing demand for construction plans review and inspection services, UES has become the most reliable, cost-effective resource for government extension assistance. We provide expert assistance to our municipal clients to help them improve their level of service to the community while simultaneously reducing their operational cost.

Our staff is certified to meet all the requirements of Florida Statute Chapters 468 Part XIII, 471, 481, and 633, as well as Florida Building Code Chapters 18 and 134, and can ensure compliance with local, state, and federal codes as well as the City building safety staff any other applicable Chapters of the County Planning and Development Department's codes and ordinances.

Our professional staff consists of multi-certified professionals who meet, and in most cases, surpass the minimum requirements as stated in the RFP with regards to education, certifications, and experience.

OUR CAPABILITIES

We understand that we will be providing Building Official Services for the City of Boynton Beach. All of our building officials are State of Florida Certificated as a Building Code Administrators and many hold several other certifications such as those for fire and electrical.

INSPECTION CREDENTIALS:

- Master Code Professional (International Code Council)
- Certified Building Official (International Code Council)
- Certified Building Official (Council of American Building Officials)
- Code Enforcement and Administration Professional (Southern Building Code Congress International)

UES IS CAPABLE OF PROVIDING THE FOLLOWING BUILDING CODE SERVICES:

- Inspection and Plan Review Services
- Quality Assurance Services
- Punchlist Origination Services
- Threshold/Balcony Inspection Services
- Due Diligence/Property Condition Assessment Services
- Window Testing
- Blower Door Testing
- Stucco Evaluations
- Photometric Studies
- Green Building Evaluation
- Sound Measurements

TECHNICAL CAPABILITIES

Our firm offers a highly qualified team of licensed Building Officials, Inspectors, and Plans Examiners, supported by advanced equipment, software, and materials. We assign work based on team member expertise and project needs, ensuring the right personnel are allocated for each task. Our team includes specialists in structural, roofing, plumbing, electrical, gas, fire prevention, mechanical systems, accessibility, and energy compliance. We maintain a high level of service through well-established procedures, regular training, and stringent quality control protocols to meet Florida's regulatory standards.

With 19 locations throughout Florida, UES is capable of performing services for a range of clientele and locations.

Our West Palm Beach (WPB) branch is located at 3921 Westgate Ave, West Palm Beach, FL 33409. The WPB office is 15 miles (driving distance) from the City and will provide primary project management for this contract.

The branch includes a staff of 75, including dedicated professionals familiar with the region's geographic conditions and state, county, and city regulations.

Our South Florida locations boast immensely qualified staff, including a Lead Special Inspector with more than three decades of experience, as well as:

- 9 Florida Registered Professional Engineers
- 7 Engineering Interns
- 3 Special Inspectors for Threshold Buildings
- 5 Florida Licensed Building Officials
- 3 ICC Master Code Professionals
- 11 Florida Licensed Plan Reviewers
- 23 Florida Licensed Building Inspectors

UES personnel are familiar with local conditions and practices within the immediate service area. Having performed myriad efforts in South Florida, including the City of Boynton Beach and West Palm Beach, our professionals offer detailed, up-to-date knowledge of the practices needed to assist the City on future projects.

Our West Palm Beach office also benefits from a network of support via our additional South Florida locations, including Port St. Lucie, Fort Myers, Delray Beach, Naples, Miami, and Clewiston.

NON-COLLUSION AFFIDAVIT AND CERTIFICATION OF PROPOSER

State of Florida)
:
County of Saint Lucie)

Thomas Montano, being first duly sworn, deposes and says that:

1) He/She is Branch Manager (Title) of GFA International, Inc dba Universal Engineering Sciences (Name of Corporation or Integrator), the proposer that has submitted the attached BID:

2) He/She is fully informed respecting the preparation and contents of the attached submittal and of all pertinent circumstances respecting such submittal;

3) By signing and submitting this bid, the BIDDER certifies that this bid is made independently and free from collusion;

4) Further, the said bidder nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived, or agreed, directly or indirectly with any other Bidder, integrator or person to submit a collusive or sham BID in connection with the Contract for which the attached BID has been submitted or to refrain from bidding in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communications or conference with any other bidder, integrator or person to fix the price or prices in the attached BID or of any other bidder, or to fix any overhead, profit or cost element of the BID price or the BID price of other proposer or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the **City of Boynton Beach** or any person interested in the proposed Contract; and

5) The price or prices quoted in the attached bid are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

6) BIDDER shall disclose below, to their best knowledge, any City of Boynton Beach officer or employee, or any relative of any such officer or employee as defined in Section 112.3135(1) (c), Florida Statutes (2022), who is an officer of director or, or has a material interest in, the BIDDER's business, who is in a position to influence this procurement. Any City of Boynton Beach officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to indirectly own any of the total assets or capital stock of any business entity owned or operated by the BIDDER, or if they otherwise stand to personally gain if the contract is awarded to this BIDDER.

7) Failure to submit this executed statement as part of the bid shall make the bid non-responsive and not eligible for award consideration. In the event the BIDDER does not indicate any names, the CITY shall interpret this to mean that the BIDDER has indicated that no such relationships exist. Failure of a BIDDER to disclose any

relationship described herein shall be reason for termination of bid or award, whichever is applicable, with no time to cure.

E-VERIFY FORM UNDER SECTION 448.095, FLORIDA STATUTES

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

Project Name: **Financial Auditing Services**

Solicitation No.: **FIN24-036**

1. Definitions:

"Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

"Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

"E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2. Effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:
   a) All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and
   b) All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and
   c) Should vendor become the successful Contractor awarded for the above-named project, by entering into the contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract.

3. Contract Termination

   a) If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1) Fla. Stat., the contract shall be terminated.
   b) If the City has a good faith belief that a subcontractor knowingly violated s. 448.095 (2), but the Contractor otherwise complied with s. 448.095 (2) Fla. Stat., shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
   c) A contract terminated under subparagraph a) or b) is not a breach of contract and may not be considered as such.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR
BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

d) Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination.
e) If the contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.

CERTIFICATION PURSUANT TO FLORIDA STATUTE § 287.135

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

I, Tom Montano, PE, on behalf of GFA International, Inc dba Universal Engineering Sciences certify

Print Name and Title — Company Name

that GFA International, Inc dba Universal Engineering Sciences does not:

Company Name

1. Participate in a boycott of Israel; and
2. Is not on the Scrutinized Companies that Boycott Israel List; and
3. Is not on the Scrutinized Companies with Activities in Sudan List; and
4. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
5. Has not engaged in business operations in Syria.

Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Consultant of the City's determination concerning the false certification. The Consultant shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Consultant does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Florida Statute § 287.135.

Section 287.135, Florida Statutes, prohibits the City from:

1) Contracting with companies for goods or services if at the time of bidding on, submitting a proposal for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S. or is engaged in a boycott of Israel; and

2) Contracting with companies, for goods or services that are on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or are engaged in business operations in Syria.

As the person authorized to sign on behalf of the Consultant, I hereby certify that the company identified above in the section entitled "Consultant Name" does not participate in any boycott of Israel, is not listed on the Scrutinized Companies that Boycott Israel List, is not listed on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Syria. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may

subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the City for goods or services may be terminated at the option of the City if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

RFP No. BD25-014R

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES

UES™

Grounded in Excellence

1427

TAB A

Letter of Interest

Date: December 10, 2024

Attention: City of Boynton Beach
Room 115
100 E. Ocean Avenue
Boynton Beach, FL 33435

Reference: RFP No. BD25-014R Building Inspections and Plan Review Services

Dear City of Boynton Beach Building Division:

GFA International Inc. dba Universal Engineering Sciences (UES) truly appreciates the opportunity to present our services and experience to the City of Boyton Beach (The City) in response to this solicitation for RFP No. BD25-014R Building Inspections and Plan Review Services. **We are confident that our capabilities and experience position UES as the ideal firm to execute said scope and we make a positive commitment to perform the work in a timely manner.**

Our West Palm Beach office is staffed with dedicated professionals familiar with the region's geographic conditions, state, county, and city regulations and who have developed strong working relationships with local specialized sub-consultants and vendors.

Our team has decades of experience providing expert plans reviews for clientele and complex projects of all sizes, including municipalities similar to the City of Boynton Beach. Clients we have provided these services to include the City of Boynton Beach, The School Board of Palm Beach County, City of West Palm Beach, Town of Jupiter, and Indian River. Our team's technical expertise and specialized training, a fleet of equipment, and broad scope of capabilities have assisted our clients in finding solutions to complex and difficult challenges on various projects.

We understand that the selected firm must be appropriately qualified, licensed, and be an experienced vendor fully capable of providing inspections, plan reviews, and code compliance, in accordance with Chapter 468, Part XII, Building Code Administrators & Inspectors; and Chapter 553, Building Construction Standards. The individuals performing these duties must possess valid licenses that are in good standing with the Department of Business and Professional Regulation. We also understand that this contract requires licensure in all disciplines inspection personnel will inspect.

Our mission is to provide the City with cost-effective, efficient, and accurate Inspection Services. Integrity is the keystone of our business relationship with all of our clients.

When you work with UES, you'll be interacting with industry professionals who pride themselves on the highest level of integrity, dependability, ethics, and quality of work and who are also exceptionally innovative, dynamic, and responsive. We want the City to think of UES as an extension your staff and your trusted advisors.

mchaney@teamues.com

Matt Chaney, EI, will serve as Project Manager for this contract. He will assign personnel as projects are awarded and will oversee each project personally. Matt will be involved in defining the scope of services and in developing the budget for each.

Our Principals have thoroughly reviewed and understand this RFP, its related documents, and the anticipated scope of work. UES commits to provide all of the proposed services listed in the RFP documents.

Our team is ready to serve as an extension to your staff, and we will represent the City in the best possible way. UES appreciates the opportunity to be of service to the City in support of this contract and we look forward to your favorable reply. On behalf of our entire team, we would like to thank you for this opportunity, your time, and your consideration.

Respectfully,

UES

1. State the true, exact, correct, and complete name of the partnership, corporation, trade, or fictitious name under which you do business and the address of the place of business.

   The correct name of the Proposer is:
   GFA International, Inc. dba Universal Engineering Sciences

   The address of the principal place of business is:
   3921 Westgate Ave., West Palm Beach, FL 33409

2. If Proposer is a corporation, answer the following:

   a. Date of Incorporation: 1998
   b. State of Incorporation: Florida
   c. President's name: Travis Merrick
   d. Vice President's name: Paul Danforth
   e. Secretary's name: Benjamin Butterfield
   f. Treasurer's name: Michael Dear
   g. Name and address of Resident Agent: N/A

3. If Proposer is an individual or a partnership, answer the following:

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

a. Date of organization: N/A

b. Name, address and ownership units of all partners:

N/A

c. State whether general or limited partnership: N/A

4. If Proposer is other than an individual, corporation, or partnership, describe the organization and give the name and address of principals:

N/A

5. If Proposer is operating under a fictitious name, submit evidence of compliance with the Florida Fictitious Name Statute.

N/A

6. How many years has your organization been in business under its present business name?

26+

Under what other former names has your organization operated?

None.

7. Indicate registration, license numbers, or certificate numbers for the businesses or professions, which are the subject of this Bid. Please attach the certificate of competency and/or state registration.

Firm Engineering Registry #4930

State Registration #P98000089761

8. Did you attend the Pre-Proposal Conference if any such conference was held?

YES [ ] NO [X]

9. Have you ever failed to complete any work awarded to you? If so, state when, where, and why:

No.

10. List the pertinent experience of the key individuals of your organization (continue on insert sheet, if necessary)

Please see page 3.

11. State the name of the individual who will have personal supervision of the work:

Matthew Chaney, EI

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

KEY PERSONNEL

Tom Montano, PE, brings over 13 years of experience in the construction industry to his role as Branch Manager. He oversees all branch operations, including staff management and project execution, ensuring that the work performed meets the highest quality and client satisfaction standards. Tom is actively involved in all aspects of the business, from client relations and project management to scheduling and staff training. His diverse project management portfolio includes educational and industrial facilities, ports, aviation projects, commercial developments, multi-story condominiums, and infrastructure projects, highlighting his versatility and expertise.

Matthew Chaney, BN, a licensed standard inspector with eight years of experience, serves as the manager of the building inspections department at UES. In this role, he oversees inspection teams and manages all inspections performed by the branch, ensuring quality and compliance across various projects. Alongside his expertise in building inspections, Matthew has extensive geotechnical and structural engineering knowledge, providing valuable insight into complex projects. His project experience includes serving on Continuing Contracts with the Town of Jupiter, Martin County, and Indian River County, Florida, showcasing his commitment to delivering reliable and efficient inspection services.

Michael Keenan, CBO, BN, PX, recently joined UES, bringing extensive experience in residential and commercial new construction and remodeling projects. With a strong background in plan review and inspection across structural, mechanical, electrical, and plumbing disciplines, he has worked on a diverse range of construction types, including residential, commercial, and industrial facilities; schools; fire department buildings; antenna towers; hotels; apartment buildings; marinas; fuel dispensing stations; retail spaces; assisted living facilities; parks and recreation areas; and water treatment facilities. In his previous role as an acting building official, Michael successfully implemented policy changes within local government and played a key role in facilitating an interlocal agreement that streamlined inspection and plan review services between two municipalities.

Derek Wiechmann, PG, CBO, and ICC-Certified Plans Examiner, brings over 30 years of combined experience in engineering and construction to UES. His expertise spans civil and geotechnical engineering, geology, building official duties, and plans examination. With a deep understanding of engineering principles and construction practices, Derek provides invaluable insights across diverse projects, ensuring compliance with industry standards and regulations. His extensive experience enhances UES' capabilities in delivering high-quality services in geotechnical, civil, and building inspection disciplines.

Dennis Hanrahan, PE, BX, PX, brings over 27 years of Building inspection and Code Compliance experience to UES. He has provided inspection and plan review services for numerous municipalities, school districts, counties, cities, and government agencies. His expertise spans many projects, from small single-family residences to high-rise condominiums and apartment complexes throughout South Florida. With a comprehensive understanding of the latest Florida Building Codes, Dennis ensures compliance and quality in every project, contributing to the successful execution of diverse construction and development initiatives.

12. State the name and address of the attorney, if any, for the business of the Proposer:
Benjamin Butterfield, General Counsel, 4205 Vineland Road, Suite L1, Orlando, FL 32811

13. State the names and addresses of all businesses and/or individuals who own an interest of more than five percent (5%) of the Proposer's business and indicate the percentage owned of each such business and/or individual:
Obsidian Group Acquisitions, Inc. - 100%

14. State the names, addresses, and the type of business of all firms that are partially or wholly owned by Proposer:
N/A

15. State the name of the Surety Company which will be providing the bond (if applicable), and the name and address of the agent:
United States Fire Insurance Company, John E. Genet
5909 Peachtree Dunwoody Road, Suite 800, Atlanta, GA 30328

16. Annual Average Revenue of the Proposer for the last three years as follows:

		Revenue Index Number
a.	Government Related Work	10
b.	Non-Governmental Related Work	10
	Total Work (a +b):	20

Revenue Index Number

1.	Less than $100,000
2.	$100,000 to less than $250,000
3.	$250,000 to less than $500,000
4.	$500,000 to less than $1 million
5.	$1 million to less than $2 million
6.	$2 million to less than $5 million
7.	$5 million to less than $10 million
8.	$10 million to less than $25 million
9.	$25 million to less than $50 million
10.	$50 million or greater

17. Bank References:

Bank **Address** **Telephone**

18. Describe policies and methods for project monitoring and budgeting control as well as adherence to project schedule (continue on insert sheet, if necessary).

UES understands our client's desire for fast, accurate inspection results and how the execution of these services can dramtically impact both the project schedule and budget. In response, UES has developed proprietary software called FDC (Field Data Collection), which is one of the industry's most reliable and efficient methods for gathering, processing, and reporting data collected in the field.

19. Provide descriptions of quality assurance/quality control management methods (continue on insert sheet, if necessary):

See page 6.

20. Is the financial statement submitted with your proposal (if applicable) for the identical organization named on page one?

YES [ ] NO [X]

21. If not, explain the relationship and financial responsibility of the organization whose financial statement is provided (e.g., parent-subsidiary).

Obsidian Group Acquisitions, Inc. - Parent Subsidairy

22. What will be your turnaround time for written responses to City inquiries?

24 hours

23. List and describe all bankruptcy petitions (voluntary or involuntary) which have been filed by or against the Proposer, its parent or subsidiaries, or predecessor organizations during the past five (5) years. Include in the description, the disposition of each such petition.

None.

24. List all claims, arbitrations, administrative hearings, and lawsuits brought by or against the Proposer or its predecessor organization(s) during the last five (5) years. The list shall include all case names, case arbitration or hearing identification numbers, the name of the project in which the dispute arose, and a description of the subject matter of the dispute.

Please see page 9.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR THE BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

19. QUALITY ASSURANCE/QUALITY CONTROL MANAGEMENT METHODS

UES is committed to good professional practices and the quality of building inspection services provided to our clients. Quality Assurance can be made possible by using qualified personnel for each task, supervising and reviewing of these tasks by management and senior personnel, using approved methodology including standard operating procedures with good laboratory practices and measurement of the level of quality provided. It is our policy of our Quality Control Plan to provide quality inspection services to all of our clients while creating one of the most respected technical and managerial staffs supported by an accredited laboratory facility.

The objectives of our Quality Control Plan are to customize and develop innovative services and programs to meet our client's quality needs, improve and expand our inspection services, develop logistical and informational systems to maximize assets which speed delivery of accurate and complete documents.

The Project Manager and Project Engineer with the assistance of Field Supervisors are required to familiarize themselves with the quality documentation and to implement its policies and procedures to our technical staff. Management is responsible for having the quality system policy communicated to the field and office personnel so that the policies are understood and implemented per the Quality Manual.

UES has a reputation for providing high-quality services to clients. The cornerstone for providing this commitment to quality is quality management system procedures, which cover the services provided by the company. UES understands that a top priority for clients is quality inspection services. Our Project Manager and Project Engineer assure that top quality services will be provided by qualified and accredited personnel, modern and calibrated equipment will be utilized, and all personnel assigned to this contract will closely follow written procedures for inspection services to maintain a high level of quality in our services.

KEY QA/QC MANAGEMENT METHODS INCLUDE:

Detailed Pre-Inspection/Plan Review Protocols: Our team employs thorough checklists and code compliance guidelines tailored to the specific requirements of each jurisdiction.

Experienced, Certified Professionals: Our inspectors and plans examiners are licensed and trained to identify and address critical issues promptly, minimizing delays and ensuring project integrity.

Rigorous Peer Review Processes: Every inspection report and plan review undergoes a secondary review by senior staff to validate findings and confirm adherence to QA standards.

Ongoing Training and Standards Updates: UES ensures all team members stay current on code updates and best practices through regular training sessions and certifications.

Advanced Technology Integration: We leverage modern software solutions for documentation, report generation, and project tracking to improve accuracy and communication with stakeholders

Feedback and Continuous Improvement: Client feedback and internal performance metrics are regularly reviewed to refine processes and deliver superior service on future projects.

25. List and describe all criminal proceedings or hearings concerning business-related offenses to which the Proposer, its principals or officers, or predecessors' organization(s) were defendants.

None.

26. Has the Proposer, its principals, officers, or predecessors' organization(s) been convicted of a Public Entity Crime, debarred, or suspended from bidding by any government during the last five (5) years? If so, provide details.

No.

The Proposer acknowledges and understands that the information contained in response to this Qualification Statement shall be relied upon by the owner in awarding the contract and such information is warranted by Proposer to be true. The discovery of any omission or misstatement that materially affects the Proposer's qualifications to perform under the contract shall cause the owner to reject the proposal, and if after the award, to cancel and terminate the award and/or contract.

24. LITIGATION INFORMATION

There has been no litigation or regulatory action that has been filed, pending or resolved against GFA International, Inc. (a/k/a GFA International, Inc. d/b/a Universal Engineering Sciences) in the past five (5) years other than the following:

1. On March 11, 2015, a complaint was filed against GFA, et al, by 2700 North Ocean Condominium Association, Inc. (Case No. 50-2014-CA-010718- XXXX-MB (AI) in the 15th Judicial Court in Palm Beach County). GFA provided third-party plan review, building inspections, threshold inspections and construction materials testing for two (2) 27-story condominium buildings(2700 North Ocean). The plaintiff(s) are alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and the case was settled on 11/10/20.

2. On February 21, 2017, a complaint was filed against GFA, et al, by Swire Pacific Holdings, Inc. (Case No. 2016-000804-CA-40) in the 11th Judicial Court in Miami-Dade County. GFA provided limited structural observations and construction materials testing on a 36-story condominium project (Asia Condominium). The plaintiff(s) alleged negligence for failure to properly inspect certain limited aspects of the building construction. GFA denied all liability and the case was settled and dismissed in July 2019.

3. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 18-CA-003655 in the 20th Judicial Court in Lee County) involving alleged construction defects for a multi-building condominium project (Paseo) in Lee County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. The plaintiff alledged negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was dismissed from the case on 03/15/2019. GFA was brought back into the case as a 4th party defendant on 1/14/2021 by a subcontractor but was dismissed from the case on 2/18/22.

4. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 11-2018-CA-002256-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a multi-building condominium project (Ole at Lely) in Collier County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. GFA denied all liability and was dismissed from the case on 03/15/2019.

5. On February 1, 2017, a complaint was filed by Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA- 001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) involving alleged construction defects for a 6-story apartment complex in Boca Raton (Altis Fairway Commons). On July 26, 2018, the complaint was amended to include GFA, et al. GFA provided private provider plan review, building inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was granted a Motion for Summary Judgment and Final Judgment in their favor on January 8, 2020. The Plaintiff has appealed the ruling to the 4th District. Court of Appeals (DCA). The 4th DCA affirmed the ruling and GFA was dismissed in 2021.

6. On June 25, 2019, a Complaint was filed by FCCI Insurance as subrogee to Coconut Creeks Hotels, LLC against GFA,et al in Case No. CACE-19-006066 in Broward County involving alleged construction defects and resulting water intrusion damage for a 4-story Hampton Inn and Suites Hotel in Coconut Creek Florida. GFA provided threshold inspections and construction materials testing. The plaintiff was alleging negligence for failure to properly inspect certain aspects of the building window construction. GFA denied all liability and after filing a 57.105 claim (frivolous lawsuit), was dismissed from the case on 11/15/2019.

7. On April 4, 2020, a Demand for Arbitration was filed to the American Arbitration Association Construction Panel by Old ADC, Inc. F/K/A Altman Development Corporation, against GFA International, Inc. (GFA) (CASE NO.: 01-20-0005- 0503) for the same alleged damages summarized in "Case 2" above "(Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA-001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) which GFA was dismissed from. GFA denied all liability and filed a counterclaim. The case settled on June 6, 2023.

8. On February 5, 2020, a complaint was filed by Ave Maria University, Inc. against GFA (Case No. 11-2020-CA-000396-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a 2-story recreational building in Naples, Florida (Tom Golisano Field House). GFA provided construction materials testing, private provider inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect certain

aspects of the building construction. GFA denied all liability and the case was settled with GFA on 6/10/22.

9. On September 15, 2020, a complaint was filed by Edward and Susan Bradley against GFA (Case Style Edward J. Bradley and Susan Bradley v Sun Home Services, GFA - Case No. 20-0794CA in the 19th Circuit Court in Martin County, Florida) alleging improper treatment for termite damage for a modular home and subsequent termite damage. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to ensure proper termite protection was provided. GFA denied all liability and the case was settled in May, 2021.

10. On July 12, 2021, a complaint was filed by Bruce Beasley against the Williams Company who filed a third-party complaint against GFA, et al) (Case Style BEASLEY NAPLES, LLC, a Florida limited liability company, BRIAN E. BEASLEY, AS PERSONAL REPRESENTATIVE OF THE ESTATE OF GEORGE G. BEASLEY, and SHIRLEY ANN BEASLEY , vs. THE WILLIAMS GROUP, INC. - Case No. 11- 2021-CA-001142 in the 20th Circuit Court in Collier, Fl) alleging construction defects relating to exterior stone columns on a residential structure. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to properly inspect. GFA denied all liability and the case was dismissed against GFA on June 1, 2022.

11. On March 20, 2023, a complaint was filed by Centra Falls Homeowners Association, Inc. against Centra Falls. LLC, et al, including a claim against GFA International, Inc. - Case No. CACE-23-000367 in the 17th Circuit Court in Broward, Fl alleging construction defects relating to building construction and site improvements. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test soil and concrete materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

12. On March 23, 2023, a complaint was filed by Nicole Perry (as individual) against GFA International, Inc., et al, - Case No. CACE-22-008820 in the 17th Circuit Court in Broward, Fl alleging construction of a dangerous condition at the Pompano Beach Parking Garage which caused a trip and fall accident. GFA provided material Geotechnical Engineering, Quality Control testing of construction materials and threshold inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to identify a dangerous condition when the parking garage was constructed in 2016.

GFA denied all liability and the case against GFA was dismissed on 8/22/2023.

13. On August 11, 2023, a complaint was filed by South Florida Motor Sports, LLC and Moss & Associates, LLC against Apex Circuit Design, LTD, et al, including a claim against GFA International, Inc. d/b/a Universal Engineering Sciences - Case No. 2023-021255-CA-01 in the 11th Circuit Court in Miami-Dade, FL, alleging construction defects relating to design and construction of the site improvements associated with the Formula 1 Miami Grand Prix project Miami. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test asphalt materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

ORGANIZATIONAL STRUCTURE

UES is a privately held, rapidly growing engineering and consulting firm with six decades of experience in geotechnical engineering, construction materials testing, building code compliance, threshold inspections and environmental consulting. With nearly 4,000 professionals across more than 90+ branches in high growth markets in the U.S., UES consults on projects of all sizes for public and private clients in industries ranging from transportation and healthcare to commercial, residential, and education.

Experienced and proven, UES is considered a pioneer of the industry and stands at the forefront of emerging technology and best practices. Our work includes public and private clients, as well as public-private partnerships, and consists of projects ranging from transportation and infrastructure to aviation and aerospace. Our engineers, geologists, certified inspectors, scientists, and drillers offer an unwavering commitment to excellence, approaching each project with the knowledge that precision, professionalism, and creative solutions are what drive success and cultivate enduring client relationships.

UNDERSTANDING OUR GROWTH

Founded in 1988, GFA International, Inc. (GFA) is a full-service Engineering and Geological consulting organization providing Building Code Inspection Services, as well as Environmental, Geotechnical, Construction Materials Testing, Threshold and Special Inspections, and Private Provider services, across a broad spectrum of industries.

In early 2020, GFA merged with Universal Engineering Sciences and additional leading engineering firms. This combination of like minded firms, complementary in professional services, core values, and customer service-centric views, formed the UES family of companies — the largest, most experienced, resource-rich organization of its kind in the U.S.

UES has 19 offices strategically located to service our clients throughout the State of Florida. For 60 years, UES has successfully built our state-wide reputation for superior service, trustworthy business management, and strict attention to health, safety and innovative engineering.

UNMATCHED RESOURCES

UES is well-versed in the Florida statutory code compliance nuances and has over 20+ years of experience in providing both private provider code compliance services and city/county building department services.

With a growing demand for construction plans review and inspection services, UES has become the most reliable, cost-effective resource for government extension assistance. We provide expert assistance to our municipal clients to help them improve their level of service to the community while simultaneously reducing their operational cost.

Our staff is certified to meet all the requirements of Florida Statute Chapters 468 Part XIII, 471, 481, and 633, as well as Florida Building Code Chapters 18 and 134, and can ensure compliance with local, state, and federal codes as well as the City building safety staff any other applicable Chapters of the County Planning and Development Department's codes and ordinances.

Our professional staff consists of multi-certified professionals who meet, and in most cases, surpass the minimum requirements as stated in the RFP with regards to education, certifications, and experience.

OUR CAPABILITIES

We understand that we will be providing Building Official Services for the City of Boynton Beach. All of our building officials are State of Florida Certificated as a Building Code Administrators and many hold several other certifications such as those for fire and electrical.

INSPECTION CREDENTIALS:

- Master Code Professional (International Code Council)
- Certified Building Official (International Code Council)
- Certified Building Official (Council of American Building Officials)
- Code Enforcement and Administration Professional (Southern Building Code Congress International)

UES IS CAPABLE OF PROVIDING THE FOLLOWING BUILDING CODE SERVICES:

- Inspection and Plan Review Services
- Quality Assurance Services
- Punchlist Origination Services
- Threshold/Balcony Inspection Services
- Due Diligence/Property Condition Assessment Services
- Window Testing
- Blower Door Testing
- Stucco Evaluations
- Photometric Studies
- Green Building Evaluation
- Sound Measurements

TECHNICAL CAPABILITIES

Our firm offers a highly qualified team of licensed Building Officials, Inspectors, and Plans Examiners, supported by advanced equipment, software, and materials. We assign work based on team member expertise and project needs, ensuring the right personnel are allocated for each task. Our team includes specialists in structural, roofing, plumbing, electrical, gas, fire prevention, mechanical systems, accessibility, and energy compliance. We maintain a high level of service through well-established procedures, regular training, and stringent quality control protocols to meet Florida's regulatory standards.

With 19 locations throughout Florida, UES is capable of performing services for a range of clientele and locations.

Our West Palm Beach (WPB) branch is located at 3921 Westgate Ave, West Palm Beach, FL 33409. The WPB office is 15 miles (driving distance) from the City and will provide primary project management for this contract.

The branch includes a staff of 75, including dedicated professionals familiar with the region's geographic conditions and state, county, and city regulations.

Our South Florida locations boast immensely qualified staff, including a Lead Special Inspector with more than three decades of experience, as well as:

- 9 Florida Registered Professional Engineers
- 7 Engineering Interns
- 3 Special Inspectors for Threshold Buildings
- 5 Florida Licensed Building Officials
- 3 ICC Master Code Professionals
- 11 Florida Licensed Plan Reviewers
- 23 Florida Licensed Building Inspectors

UES personnel are familiar with local conditions and practices within the immediate service area. Having performed myriad efforts in South Florida, including the City of Boynton Beach and West Palm Beach, our professionals offer detailed, up-to-date knowledge of the practices needed to assist the City on future projects.

Our West Palm Beach office also benefits from a network of support via our additional South Florida locations, including Port St. Lucie, Fort Myers, Delray Beach, Naples, Miami, and Clewiston.

PROJECT EXPERIENCE

Brightline West Palm Beach Station

West Palm Beach, FL

The All Aboard West Palm Beach Station is a part of the new high-speed train system that will connect Miami to Orlando in three hours. The West Palm Beach Station project includes a 2-story commuter rail station with a footprint of approximately 60,000 square feet, a 12-story residential tower, and an 8-story parking garage in the heart of downtown. The estimated total cost for the West Palm Beach Station is $29 million. UES provided licensed plan review services in accordance with the Florida Building Code for the structural, mechanical, electrical, plumbing, and building disciplines. UES provided private provider inspections for all building, mechanical, electrical, plumbing, and gas components. UES provided threshold inspections for all reinforcing steel placement, shoring and re-shoring inspection verification, concrete and grout placement monitoring, pre and post fill cell grouting, and structural steel inspections. Mr. Hanrahan was responsible for performing Private Provider Inspections and Plan Review services.

Adagio

Fort Lauderdale, FL

This project consisted of the new construction of an eleven-story condominium building with ground floor lobby, amenity, and common areas, and parking on levels 1, 2, 3, and 4. The building is approximately 146,470 total square feet. UES provided licensed plans examiners to perform Private Provider Plan Review Services for the Structural, Mechanical, Electrical, Plumbing, and Building Disciplines. UES also provided licensed inspectors to perform Private Provider Inspections for Building, Electrical, Plumbing, and Mechanical Disciplines. UES provided licensed inspectors to perform Threshold Inspections for Reinforcing Steel Placements, Shoring and Re-Shoring Inspection Verification, Concrete and Grout Placement Monitoring, Pre and Post Fill Cell Grouting, and Structural Steel, as well as post tensioned cable elongation monitoring. UES also provided engineering field technicians and a certified laboratory to complete Construction Materials Testing services for all soils, aggregate, and concrete materials used for the project. Mr. Hanrahan was responsible for performing Private Provider Inspections and Plan Review services.

Robert J. Bentz, BN, PX

Electrical Inspector

Robert's industry experience includes over 45 years in electrical construction. He is a licensed Electrical Contractor, and previous owner of an electrical construction firm specializing in residential, multi-family, commercial and Industrial efforts. His expertise includes installing high voltage electrical equipment and distribution components. In addition to Robert's electrical expertise, he holds designations as a Standard Inspector and a Plans Examiner.

Years of Experience

45

Licenses & Certifications

- Standard Inspector - BN8031

Vincent Ferri, BN

Inspector

Vincent is a Florida-licensed Standard Inspector serving UES' South Florida locations, with over 45 years of construction experience. In addition to his inspector's license, he also maintains licensing as a General Contractor and Plumbing Contractor. Vincent's expertise includes the execution of building plans, plumbing riser plans, and installation plans. He has also designed schematic and as-built drawings and supervised work teams. His additional experience as a licensed real estate broker, CEO, and president of construction firms has strengthened his business acumen, including his knowledge of estimating, permitting, and contract negotiations.

Years of Experience

45

Licenses

- Standard Inspector - FL BN8622
- General Contractor - FL CGC1507647
- Plumbing Contractor - FL CFC1429303; CFC019078
- Real Estate Broker/ Principal Broker - FL BK383410

EMPLOYMENT HISTORY/PROJECT EXPERIENCE

Gulfview Construction & Plumbing(2015-2020)

Boynton Beach, FL

Vincent was responsible for building plan execution, and creating all plumbing riser and installation plans for permit approval. He also supervised all structural and plumbing installations, and led estimates, labor, billing, and accounting. Gulfview provides plumbing services for residential and commercial clientele. The firm's construction division focused on home additions and remodeling efforts, with emphasis on kitchens and baths. During Vincent's tenure, he supervised the rebuilding of water and fire supply main at Square One Center, in Jensen Beach, FL. He repaired large commercial meter installations including re-piping of water mains they served and their respective meter boxes. He also created as-built drawings of the water supply system for ownership.

Mountain Laurel Shoppes, LLC & Mountain Laurel Builders, Inc. (2005-2013)

Cashiers, NC

Vincent served as General Contractor and General Partner for this LLC group which purchased and renovated a 32,000 SF mixed use property with retail shops, restaurants and a motel complex.

The property earned the Village Historical Society Award presented by the Cashiers Chamber of Commerce. Vincent was responsible for ground up renovations to the motel and support building, returning the motel to a functioning entity. During his tenure he rebuilt and expanded the community water system, lift stations, storm water system, parking lots and landscaping. He exercised complete control over the project, from permitting to completion.

Mountain Laurel Builders, Inc. (2005-2013)

Cashiers, NC

Vincent formed the company in late 2004 and secured a North Carolina state licensed (as a General Building Contractor) on February 10, 2005. He formed the company with the purpose of doing business in North Carolina.

Muirfield Realty & Investment, Inc., & Muirfield 1st Funding, Inc. (1993-2005)

Boynton Beach, FL

Vincent served as Principal Broker for both real estate and mortgage brokerage companies. He was responsible for ensuring compliance of files, disclosures, and recordkeeping for all government agencies. Vincent also set up all lines of financing for conventional, jumbo, and B&C residential loans as well as commercial and hard money lending. Additionally, he hired and supervised the activities of eight real estate brokers and six mortgage brokers.

Juan C. Hernandez, PE

Professional Engineer

Mr. Hernandez is a State of Florida registered professional engineer who specializes in Mechanical Engineering. Juan has over 30 years of experience in mechanical engineering, and serves in the code compliance division of UES' Port St. Lucie location. He performs mechanical inspections for residential and commercial buildings to ensure compliance with applicable codes.

Years of Experience

30

Licenses & Certifications

- Professional Engineer - FL #52659

PROJECT EXPERIENCE

Town of Jupiter - Plan Review, Inspections, and Permit Technicians (Continuing Contract)

Jupiter, FL

Under UES' continuing contract with the Town of Jupiter to provide professional building inspections, plan review services and Permit Technicians for all town construction projects, Mr. Hernandez provides mechanical inspections on various residential and commercial structures on an as-needed basis.

City of Fort Pierce - Plan Review and Inspections (Continuing Contract)

Fort Pierce, FL

Mr. Hernandez serves as Mechanical Inspector for UES' continuing contract with the Town of Jupiter to provide professional building inspections, plan review services and Permit Technicians for all citywide construction projects. He provides mechanical inspections on various residential and commercial structures on an as-needed basis.

Village of Indiantown Building Code Administration (Continuing Contract)

Village of Indiantown, FL

UES has a continuing contract with the Village of Indiantown to provide complete Building Code Administration services. Specific services include Building Official, permitting and plan review, and building code inspections for all construction projects within the Village. Mr. Hernandez provides mechanical inspections on various residential and commercial structures as needed.

Additional Plan Review Projects:

- 2414 Florida Art Warehouse
- Blue Sky Phase 1 and 2
- Buildings 1, 2, 3, and 4
- Royal Poincienna Phase 1 and 2

Owen D. Stuebe, BN

Building Inspector

With eight years of experience, including military service in the United States Navy, Owen serves UES Port St. Lucie as a Building Inspector. His expertise includes efforts completed within the United States, as well as overseas.

Education

Construction Management, Roger Williams University, Bristol, RI

Years of Experience

8

Licenses

- Standard Inspector - FL #BN9097

EMPLOYMENT HISTORY/PROJECT EXPERIENCE

Building Inspector - GFA International, Inc. dba Universal Engineering Sciences (October 2024-present)

Port St. Lucie, FL

Owen serves UES Port St. Lucie as a Building Inspector. In this capacity, he performs inspections as needed for various facilities and environments.

Tew and Taylor

Palm Beach, FL

Owen completed daily private provider inspections for a housing community in Palm Beach, Florida.

United States Navy (Seabees)

California; Japan

During his tenure with the US Navy, Owen constructed schoolhouses, training facilities, forward operating bases, and other military spaces. One such project involved construction of a G.A.T.O.R Facility in Okinawa, Japan, with assistance from three naval battalions. In addition to his construction experience, Owen conducted soil analyses and surveyed various areas to create topographical maps.

F. UES HAS NEVER BEEN ISSUED ANY FINES BY THE STATE OF FLORIDA.

G. ADDITIONAL INFO

UNDERSTANDING OF SCOPE

UES is well-versed in the Florida statutory code compliance nuances and has over 20 years of experience conducting private provider code compliance services and city/county building department services.

With a growing demand for construction plan review and inspection services, UES has become the most reliable, cost-effective resource for government extension assistance. We focus on assisting our clients in improving their service to the community while simultaneously reducing their business costs.

Our staff is certified to meet all the requirements of Florida Statute Chapters 468 Part XIII, 471, 481, and 633, Florida Building Code and any other applicable Chapters of the The City's Building Department's codes and ordinances.

Our qualified, capable staff consists of multi-certified professionals valued for their experience, professional knowledge, and desire to surpass clients' expectations.

With a rising demand for building permitting and inspection services, we have become a dependable, customer service-driven resource. For this contract, UES will provide personnel to perform Building Inspections, Plan Reviews, Fire Inspections, and Building Official scopes of work.

As we have performed as-needed plan review support for the Villages Building Department, we are uniquely familiar with Department workflows. It is our understanding that the Villages seeks professional, licensed firms to perform services for:

- Florida Building Code compliant residential and/or commercial inspections in the principal building trades of building, electrical, plumbing, mechanical, energy conservation, and existing building
- Florida Building Code compliant residential and/or commercial remote plan reviews in the principal building trades of building, MEP, energy conservation, and existing building.
- Florida Building Code Compliant Building Official services
- Permit technician services for permitting intake, processing, data entry, and customer service

UES will provide personnel to conduct Florida Building Code compliant residential and/or commercial inspections in the principal building trades of building, electrical, plumbing, mechanical, energy conservation, and existing building, Florida Building Code compliant residential and/or commercial remote plan reviews and Florida Building Code Compliant Building Official services.

WORKING KNOWLEDGE OF THE CITY

UES recognizes that we are to supply personnel ("Assigned Employees") who shall provide a variety of expert consulting services to the City's Building Office.

UES also recognizes that we are responsible for providing other Assigned Employees as requested by the City from time to time and as reflected on a need-based requirement.

UES understands that all Assigned Employees are employees of our firm and are not, and will not be considered, employees of the City. We will select employees that meet the City's requirements noted herein and provide them for the City's based on their qualifications, certifications, licenses, and experience as an Assigned Employee.

UES will notify any Assigned Employees they are not an employee of the City for all purposes.

UES is obligated to be cost conscious in our attempts to ensure we meet the City's needs. We respond to those needs without compromising the integrity of our work. We have developed an effective process of partnering with our clients such as the Town of Jupiter, Indian River County, Martin County, and the City of West Palm Beach.

Our mission is to communicate with our clients before and during the work to come to mutually agreeable terms. We intend to provide the Village with comfort in knowing that UES views cost management as a critical concern.

UES maintains full management control over the scheduling and quality of our work. Should a problem arise, we urge your representative to contact our Senior Management and/or Principals for immediate resolution.

UES staff members are professional in every way. We strive to blend seamlessly, representing the Village with professional, courteous service, and to become an asset to the City Building Official and the Building Office.

All staff will accept direction and instructions while performing their duties independently and professionally, with minimal supervision required.

UES provides exceptional service and we take pride in delivering outstanding services to our customers. The preceding process outlines the proposed approach to comply with the scope of services contained in this RFP.

SERVICES/TASKS TO BE PERFORMED

REMOTE PLANS EXAMINERS (BUILDING, ELECTRICAL, MECHANICAL AND PLUMBING)

UES' Plans Examiners will provide technical plan reviews per the Florida Building Code (FBC) and other federal, state, and local laws, rules, regulations, directives, codes, and ordinances.

Each plans examiner is well-recognized in their field of expertise and is required to maintain their license with the state of Florida in compliance with Florida Statute 468 XII.

Upon receiving a Plan Review assignment, UES' Plans Examiners will review construction documents for compliance with adopted codes and standards. After completing each review, the plans examiner shall approve or reject the proposed work for specific code deficiencies. All examinations will be recorded in the County computer system.

Comments from each Plan Review will be compiled and formatted into a clear, concise document. All deficiencies identified shall reference the sheet number and include the proper code citations required by Florida Statutes. The City staff will receive review comments. These documents and a summary sheet shall be attached to all billing statements.

Plans examiners shall also meet with and assist design professionals, contractors, and homeowners to answer questions about the code and its intent.

In addition, plans examiners can provide plan reviews for clients with schedule constraints or an aggressive schedule at the discretion of the Building Official.

INSPECTORS (BUILDING, ELECTRICAL, MECHANICAL, AND PLUMBING)

UES' highly trained and certified inspectors have provided construction inspection services for many complex, high-profile projects.

All UES inspectors are well-respected in their field of expertise and must maintain their license with the state of Florida per Florida Statute 468 XII.

Once a UES inspector is approved by the City and given an assignment, they will report for work and be available to perform inspection service duties during regular business hours or as needed. UES' approved personnel will report to the City Building Official or their designee. UES shall not change them without the City's prior written consent.

Upon inspection assignments, UES Inspectors will provide residential and commercial inspections for compliance with the Florida Building Code, State Statutes, and local codes and ordinances.

Inspection services will include new and existing permitted residential and commercial construction within the City. They will provide written comments if found non-compliant with applicable codes and regulations. UES' inspectors will provide written inspection reports using inspection forms and log daily inspection results and hours worked in a permitting tracking system.

All deficiencies identified shall include proper code citations as required by Florida Statutes. UES' certified staff will contact contractors, architects, engineers, and citizens about construction projects, code questions, and other concerns.

As noted, UES inspectors utilize late-model vehicles equipped with a mobile computing solution and the latest upgrades.

This setup provides staff with enhanced communication abilities. The mobile system allows the inspector to provide accurate time inspection results and other documents in the field. In addition, every employee has a smartphone. The cell phone numbers are shared with our municipal partners and customers.

UES inspectors understand the importance of keeping clear and concise documentation of all inspections. They write correction notices, hold office hours, answer phone calls, and respond to inquiries from the field as needed by the jurisdiction. Our staff will provide the same level of service as if they were members of your own jurisdiction's staff.

Below is a summary representative of the tasks that will be performed within this scope of the contract with the City. This list is not necessarily all-inclusive.

- Coordinate and perform assigned fire safety plan review operations in support of departmental goals and objectives; coordinates activities with other departments and agencies as needed.
- Investigate complaints of fire safety hazards which are reported.
- Report violations, issues and explains notices of non-compliance for violations and hazardous conditions.
- Receive and review drawings and plan applications for fire system permits to ensure code compliance.
- Conduct research and utilize available references to evaluate Fire Code issues.
- Interpret legal requirements and recommend compliance procedures to contractors, craft workers, and owners.
- Provide assistance regarding specific matters within identified areas of expertise; develop guidelines and handouts to improve completeness of drawing submittals for plans review.
- Perform final new construction fire inspections of work upon completion; sign permit providing final approval of work ensuring structures and property are safe to inhabit.
- Perform a variety of critical record keeping duties; manages and maintains department record keeping and filing systems relevant materials appropriate to assigned unit; provides written documentation of all duties performed.
- Analytically and objectively inspect new and existing structures and facilities for compliance with all Federal, State and local Fire and Life Safety codes.
- Analytically and objectively investigate fire scenes; ability to prepare clear and detailed reports based on results.
- Analytically and objectively review and evaluate construction drawings and plan applications for fire safety to ensure code compliance with all Federal, State and local Fire and Life Safety codes.
- Provide plans review oversight and recommend/ develop modifications as necessary to ensure overall project compliance with applicable codes and regulatory standards.
- Utilize their considerable knowledge of pre-established City, County and State policies and procedures applicable to the work.
- Establish and maintain effective working relations with all levels of management, employees, other departments, officials and the general public for dissemination of information and the enforcement of all local, State and Federal fire codes and regulations; skill in the principles and techniques of customer service skills.

INSPECTIONS AND RECORD KEEPING

Upon notification from the permit holder or representing agent, UES inspectors shall make or cause to make the inspections required by the Florida Building Code.

They shall either approve the portion of completed work or notify the permit holder or representing agent wherein the same fails to comply (by providing written notice of the violation of the code and/or corrections ordered).

UES will be responsible for producing and signing a fully completed inspection report form indicating whether the inspection passed or failed. UES will post this form at the project site.

UES will turn over a complete set of all assigned and completed inspections. UES will also maintain a copy of all project documents for seven years after project closeout.

SCHEDULING METHODOLOGY

We will develop reasonable schedules using standard scheduling techniques, including a project network with critical path layouts and milestone planning during project schedules. During the project's performance, we will make real-time comparisons against the planned project schedule to monitor the project's progress.

UES will monitor variances between the planned and actual schedule and investigate to determine if any issues are present.

If problems are encountered, we will initiate corrective actions. When these project cost and schedule issues are identified, the UES Primary contact will characterize the extent of the problem and devise contingency plans as appropriate, such as:

- Directing allocation of additional resources as necessary to accomplish work in a timely, cost-effective manner.
- Analyzing the schedule logic for a change in the sequence of work elements to maintain milestone

dates (i.e., expedite upcoming task schedules).
- Establishing new dates for task completions/ milestones after consultation with and approval by the City

These corrective actions will enable UES to meet established performance goals.

Our network of Florida offices also allows for rapid mobilization to project locations, minimizing travel time. All management and field personnel have smartphones allowing for frequent updates during critical work phases.

Immediate access to laptop PCs also provides for implementing last-minute work scope changes as necessary.

As thorough as this process is, UES never forgets that many of our clients require expedited services due to tight schedules, whether it is speed-to-market demands or site viability, UES will waste no time in providing the professional services necessary for you to make decisions based on our result.

TECHNOLOGY CAPABILITY

Our Special Inspectors, Plan Reviewers, and Building Officials are all equipped with late-model vehicles (including a mobile computing solution outfitted with the latest hardware and software upgrades). This approach provides our team with enhanced communication abilities.

The mobile system allows inspectors to provide real-time inspection results and other documents in the field. Additionally, every employee is equipped with a smartphone. Contact numbers are shared with our customers.

At the firm level, UES relies upon a licensed, proprietary, and comprehensive software system to successfully manage our daily operations and all aspects of a project.

At the top level, our company utilizes Microsoft Windows 10 on all PCs in conjunction with Office 365, Sophos Cyber Security, Fortinet Firewall and Ransomware, a secured VPN, and GoToMeeting.

However, at the center of our operations lies Deltek Vision. Vision is an established industry standard used extensively throughout the A/E/C community.

This software is our primary database capturing every project detail, such as the scope of work, duration, sub-consultants used, and direct personnel. It also houses all client-based information and allows for detailed report generation. Another essential function of Vision is billing. The bookkeeping capabilities of this component are made possible due to the massive amount of captured project and client information.

UES employs a full-time Application Business Analyst and Software Developer to ensure that all of these systems work seamlessly together.

UES GADGET SOFTWARE

Following a client's request for service, we will immediately create a work order, and a properly credentialed UES BID inspector will be scheduled and dispatched to building site. We use the proprietary UES Gadget software to manage all incoming requests, workorders, and reporting. Clients will be able to request inspections and view results of inspections on our client portal.

With the use of remote devices in the field, the inspector's information is saved and transmitted to our office.

The resulting data is uploaded to our dispatch and scheduling application, where reports are generated and reviewed by a project manager for quality. Once approved, the reports are then sent electronically to the client.

This entire process begins and ends with the client—a fact that every UES employee involved in the process understands. We strive to deliver fast, accurate results.

H. LITIGATION INFORMATION

There has been no litigation or regulatory action that has been filed, pending or resolved against GFA International, Inc. (a/k/a GFA International, Inc. d/b/a Universal Engineering Sciences) in the past five (5) years other than the following:

1. On March 11, 2015, a complaint was filed against GFA, et al, by 2700 North Ocean Condominium Association, Inc. (Case No. 50-2014-CA-010718- XXXX-MB (AI) in the 15th Judicial Court in Palm Beach County). GFA provided third-party plan review, building inspections, threshold inspections and construction materials testing for two (2) 27-story condominium buildings(2700 North Ocean). The plaintiff(s) are alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and the case was settled on 11/10/20.

2. On February 21, 2017, a complaint was filed against GFA, et al, by Swire Pacific Holdings, Inc. (Case No. 2016-000804-CA-40) in the 11th Judicial Court in Miami-Dade County. GFA provided limited structural observations and construction materials testing on a 36-story condominium project (Asia Condominium). The plaintiff(s) alleged negligence for failure to properly inspect certain limited aspects of the building construction. GFA denied all liability and the case was settled and dismissed in July 2019.

3. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 18-CA-003655 in the 20th Judicial Court in Lee County) involving alleged construction defects for a multi-building condominium project (Paseo) in Lee County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. The plaintiff alledged negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was dismissed from the case on 03/15/2019. GFA was brought back into the case as a 4th party defendant on 1/14/2021 by a subcontractor but was dismissed from the case on 2/18/22.

4. On August 20, 2018, a complaint was filed by Stock Development against GFA, et al (Case No. 11-2018-CA-002256-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a multi-building condominium project (Ole at Lely) in Collier County. GFA provided private provider building inspections, third-party quality control inspections and construction materials testing for some of the buildings within the community in 2006-7. GFA denied all liability and was dismissed from the case on 03/15/2019.

5. On February 1, 2017, a complaint was filed by Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA- 001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) involving alleged construction defects for a 6-story apartment complex in Boca Raton (Altis Fairway Commons). On July 26, 2018, the complaint was amended to include GFA, et al. GFA provided private provider plan review, building inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect certain aspects of the building construction. GFA denied all liability and was granted a Motion for Summary Judgment and Final Judgment in their favor on January 8, 2020. The Plaintiff has appealed the ruling to the 4th District. Court of Appeals (DCA). The 4th DCA affirmed the ruling and GFA was dismissed in 2021.

6. On June 25, 2019, a Complaint was filed by FCCI Insurance as subrogee to Coconut Creeks Hotels, LLC against GFA,et al in Case No. CACE-19-006066 in Broward County involving alleged construction defects and resulting water intrusion damage for a 4-story Hampton Inn and Suites Hotel in Coconut Creek Florida. GFA provided threshold inspections and construction materials testing. The plaintiff was alleging negligence for failure to properly inspect certain aspects of the building window construction. GFA denied all liability and after filing a 57.105 claim (frivolous lawsuit), was dismissed from the case on 11/15/2019.

7. On April 4, 2020, a Demand for Arbitration was filed to the American Arbitration Association Construction Panel by Old ADC, Inc. F/K/A Altman Development Corporation, against GFA International, Inc. (GFA) (CASE NO.: 01-20-0005-0503) for the same alleged damages summarized in "Case 2" above "(Altman Glenewinkel Construction against Orange and Blue Construction (Case No. 50-2017-CA-001280-XXXX-MB in the 15th Judicial Court in Palm Beach County) which GFA was dismissed from. GFA denied all liability and filed a counterclaim. The case settled on June 6, 2023.

8. On February 5, 2020, a complaint was filed by Ave Maria University, Inc. against GFA (Case No. 11-2020-CA-000396-0001-XX in the 20th Judicial Court in Collier County) involving alleged construction defects for a 2-story recreational building in Naples, Florida (Tom Golisano Field House). GFA provided construction materials testing, private provider inspections and threshold inspections for the project. The plaintiff is alleging negligence for failure to properly inspect

certain aspects of the building construction. GFA denied all liability and the case was settled with GFA on 6/10/22.

9. On September 15, 2020, a complaint was filed by Edward and Susan Bradley against GFA (Case Style Edward J. Bradley and Susan Bradley v Sun Home Services, GFA - Case No. 20-0794CA in the 19th Circuit Court in Martin County, Florida) alleging improper treatment for termite damage for a modular home and subsequent termite damage. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to ensure proper termite protection was provided. GFA denied all liability and the case was settled in May, 2021.

10. On July 12, 2021, a complaint was filed by Bruce Beasley against the Williams Company who filed a third-party complaint against GFA, et al) (Case Style BEASLEY NAPLES, LLC, a Florida limited liability company, BRIAN E. BEASLEY, AS PERSONAL REPRESENTATIVE OF THE ESTATE OF GEORGE G. BEASLEY, and SHIRLEY ANN BEASLEY , vs. THE WILLIAMS GROUP, INC. - Case No. 11- 2021-CA-001142 in the 20th Circuit Court in Collier, Fl) alleging construction defects relating to exterior stone columns on a residential structure. GFA provided Private Provider Plan Review and Inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to properly inspect. GFA denied all liability and the case was dismissed against GFA on June 1, 2022.

11. On March 20, 2023, a complaint was filed by Centra Falls Homeowners Association, Inc. against Centra Falls. LLC, et al, including a claim against GFA International, Inc. - Case No. CACE-23-000367 in the 17th Circuit Court in Broward, Fl alleging construction defects relating to building construction and site improvements. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test soil and concrete materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

12. On March 23, 2023, a complaint was filed by Nicole Perry (as individual) against GFA International, Inc., et al, - Case No. CACE-22-008820 in the 17th Circuit Court in Broward, Fl alleging construction of a dangerous condition at the Pompano Beach Parking Garage which caused a trip and fall accident. GFA provided material Geotechnical Engineering, Quality Control testing of construction materials and threshold inspection services for the project. The Plaintiff is alleging negligence against GFA for failure to identify a dangerous condition when the parking garage was constructed in 2016. GFA denied all liability and the case against GFA was dismissed on 8/22/2023.

13. On August 11, 2023, a complaint was filed by South Florida Motor Sports, LLC and Moss & Associates, LLC against Apex Circuit Design, LTD, et al, including a claim against GFA International, Inc. d/b/a Universal Engineering Sciences - Case No. 2023-021255-CA-01 in the 11th Circuit Court in Miami-Dade, FL, alleging construction defects relating to design and construction of the site improvements associated with the Formula 1 Miami Grand Prix project Miami. GFA provided material Quality Control testing services for the project. The Plaintiff is alleging negligence against GFA for failure to properly test asphalt materials installed as part of the construction. GFA has denied all liability and the case is still on-going.

Current and Projected Workload of the Proposer

CURRENT AND PROJECTED WORKLOAD OF THE PROPOSER

We have determined that UES has the available assets (personnel and equipment) to successfully perform the work under this contract. We do not anticipate our workload will affect our team's ability to achieve the City's contract goals.

We further assert that personnel assigned to this project will come from existing resources and that only experienced and well-qualified personnel will perform our services.

The assigned staff will be available to begin the specified projects and continue the work as needed.

Our local office and key personnel will remain easily accessible at all times, and project representatives will be well informed of ongoing progress. Senior and staff professionals will visit the site regularly (during field activities) to verify the continuity of the work plan.

On the following pages, we have included our inspections team's current workload and their availability for this contract.

UES key Project Managers typically have anywhere from 15 projects to 20 projects at any given time.

UES staff have 75-100% of time available to devote to the contract.

Current Workload- Inspection & Plan Review Services	Status (% Complete)
Alba Residences	20%
Apogee	75%
Avenir Charter School	15%
Boys & Girls Club	99%

Thomas Montano, being first duly sworn, deposes and says that:

1) He/She is Branch Manager (Title) of GFA International, Inc dba Universal Engineering Sciences (Name of Corporation or Integrator), the proposer that has submitted the attached BID:

2) He/She is fully informed respecting the preparation and contents of the attached submittal and of all pertinent circumstances respecting such submittal;

3) By signing and submitting this bid, the BIDDER certifies that this bid is made independently and free from collusion;

4) Further, the said bidder nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived, or agreed, directly or indirectly with any other Bidder, integrator or person to submit a collusive or sham BID in connection with the Contract for which the attached BID has been submitted or to refrain from bidding in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communications or conference with any other bidder, integrator or person to fix the price or prices in the attached BID or of any other bidder, or to fix any overhead, profit or cost element of the BID price or the BID price of other proposer or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the **City of Boynton Beach** or any person interested in the proposed Contract; and

5) The price or prices quoted in the attached bid are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

6) BIDDER shall disclose below, to their best knowledge, any City of Boynton Beach officer or employee, or any relative of any such officer or employee as defined in Section 112.3135(1) (c), Florida Statutes (2022), who is an officer of director or, or has a material interest in, the BIDDER's business, who is in a position to influence this procurement. Any City of Boynton Beach officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to indirectly own any of the total assets or capital stock of any business entity owned or operated by the BIDDER, or if they otherwise stand to personally gain if the contract is awarded to this BIDDER.

7) Failure to submit this executed statement as part of the bid shall make the bid non-responsive and not eligible for award consideration. In the event the BIDDER does not indicate any names, the CITY shall interpret this to mean that the BIDDER has indicated that no such relationships exist. Failure of a BIDDER to disclose any

relationship described herein shall be reason for termination of bid or award, whichever is applicable, with no time to cure.

E-VERIFY FORM UNDER SECTION 448.095, FLORIDA STATUTES

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

Project Name: **Financial Auditing Services**

Solicitation No.: **FIN24-036**

1. Definitions:

"Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

"Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

"E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2. Effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and

b) All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and

c) Should vendor become the successful Contractor awarded for the above-named project, by entering into the contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract.

3. Contract Termination

a) If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1) Fla. Stat., the contract shall be terminated.

b) If the City has a good faith belief that a subcontractor knowingly violated s. 448.095 (2), but the Contractor otherwise complied with s. 448.095 (2) Fla. Stat., shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.

c) A contract terminated under subparagraph a) or b) is not a breach of contract and may not be considered as such.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR
BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

d) Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination.
e) If the contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.

I, Tom Montano, PE, on behalf of GFA International, Inc dba Universal Engineering Sciences certify

Print Name and Title — Company Name

that GFA International, Inc dba Universal Engineering Sciences does not:

Company Name

1. Participate in a boycott of Israel; and
2. Is not on the Scrutinized Companies that Boycott Israel List; and
3. Is not on the Scrutinized Companies with Activities in Sudan List; and
4. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
5. Has not engaged in business operations in Syria.

Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Consultant of the City's determination concerning the false certification. The Consultant shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Consultant does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Florida Statute § 287.135.

Section 287.135, Florida Statutes, prohibits the City from:

1) Contracting with companies for goods or services if at the time of bidding on, submitting a proposal for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S. or is engaged in a boycott of Israel; and

2) Contracting with companies, for goods or services that are on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or are engaged in business operations in Syria.

As the person authorized to sign on behalf of the Consultant, I hereby certify that the company identified above in the section entitled "Consultant Name" does not participate in any boycott of Israel, is not listed on the Scrutinized Companies that Boycott Israel List, is not listed on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Syria. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may

subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the City for goods or services may be terminated at the option of the City if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ **Go to *www.irs.gov/FormW9* for instructions and the latest information.**

Give Form to the requester. Do not send to the IRS.

Print or type. See **Specific Instructions** on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

GFA International, Inc

2 Business name/disregarded entity name, if different from above

DBA Universal Engineering Sciences

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☒ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ C

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) NA

Exemption from FATCA reporting code (if any) NA

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

1215 Wallace Drive

Requester's name and address (optional)

6 City, state, and ZIP code

Delray Beach, FL 33444-4600

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

6	5	–	0	8	7	4	9	6	2

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person ▶**  **Date ▶**

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ **Go to *www.irs.gov/FormW9* for instructions and the latest information.**

Give Form to the requester. Do not send to the IRS.

Print or type. See **Specific Instructions** on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

GFA International, Inc

2 Business name/disregarded entity name, if different from above

DBA Universal Engineering Sciences

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☒ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ C

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) NA

Exemption from FATCA reporting code (if any) NA

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

1215 Wallace Drive

Requester's name and address (optional)

6 City, state, and ZIP code

Delray Beach, FL 33444-4600

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

6	5	–	0	8	7	4	9	6	2

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person ▶** [signature] **Date ▶** 01/08/2024

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Independent Auditor's Report

Board of Directors
Obsidian Group Holdings, LLC and Subsidiaries

Opinion

We have audited the consolidated financial statements of Obsidian Group Holdings, LLC and Subsidiaries (the Company), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the related consolidated statements of operations, member's equity and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and the results of their operations and their cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

CONFIDENTIAL

RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Note 1. Nature of Business and Significant Accounting Policies

Nature of operations: On March 15, 2019, Obsidian Group Holdings, LLC (Holdings) was formed as a Limited Liability Company, under the laws of the state of Delaware. Holdings is a full service environmental and geological consulting organization providing environmental consulting, health and safety, geotechnical engineering, construction materials testing, and inspections, as well as code compliance services across a broad spectrum of industries. Holdings operates under the trade name UES, also known as UES Professional Solutions.

Effective August 31, 2021, all of the equity of Holdings was purchased by Universal Engineering Sciences Holdings, Inc. (Ultimate Parent) through its wholly owned subsidiary, Universal Engineering Sciences Midco, Inc. (Midco).

Principles of consolidation: The consolidated financial statements include Holdings, its wholly owned subsidiary, Obsidian Acquisitions, Inc. (Acquisitions) and all of the subsidiaries of Acquisitions (collectively, the Company) and are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and include the accounts of the Company and its wholly owned subsidiaries. The consolidated financial statements include the accounts of the Company and its subsidiaries and only include the results of operations for the periods in which the Company owned the acquired businesses. All intercompany accounts and transactions have been eliminated in consolidation.

The following companies are wholly-owned subsidiaries of Acquisitions as of December 31, 2023:

Alpha Testing Inc.
Aries Consultants, LLC
Biome Consulting Group, LLC
Carmichael Engineering, LLC

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Business combinations: In accordance with the Financial Accounting Standards Board's (FASB) guidance on accounting for Business Combinations, the identifiable assets acquired and liabilities assumed in a business combination are recorded at fair value at the acquisition date. Management, in consultation with an independent third-party valuation expert, estimated fair values based on assumptions they believe to be reasonable and representative of those from the perspective of a market participant. These estimates are based on historical experience and information obtained from the management of the acquired entities. Critical estimates in valuing certain of the intangible assets include future expected cash flows from revenue, assumptions about the period of time the acquired intangible assets will continue to provide economic value and discount rates applied to the expected cash flows. Acquisition related costs are expensed as operating expenses when incurred and when the related services have been received and are included in the consolidated statements of operations as transaction costs.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the business combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. During the measurement period, which does not exceed one year, the Company retrospectively adjusts the provisional amounts recognized at the acquisition date or recognizes additional assets or liabilities to reflect new information obtained about facts and circumstances that existed as of the acquisition date and, if known, would have affected the measurement of the amounts recognized as of the date of acquisition.

Use of estimates: The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Estimates and assumptions are reviewed periodically and the effects of revisions are reflected in the consolidated financial statements in the period they are determined to be necessary. Actual results could differ from those estimates.

Risks and uncertainties: During the normal course of business, the Company encounters significant economic and business risk, as well as political, legislative and regulatory risk. The Company, as well as the construction industry as a whole, are affected by changes in economic conditions (such as interest rates, personal income, unemployment levels and consumer confidence) and operate in an intensely competitive environment. In addition, the Company enters into contracts under competitive bidding, which requires them to make estimates of total costs and estimated gross profits. Changes in job performance, job conditions, estimated profitability, and the economic environment and market conditions may result in revisions to costs and revenues. Any adjustments that ultimately may be made because of inherent uncertainties in estimating costs could have a material impact on the consolidated financial statements.

Cash and concentrations of credit risk: Financial instruments that potentially subject the Company to concentrations of credit consist principally of cash and accounts receivables. The Company maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents. As of December 31, 2023 and 2022, the Company did not have any cash equivalents.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Contract receivables and allowance for credit losses: Contract receivables are carried at the original charge amount less an estimate made for credit losses based on a review of all outstanding amounts on a quarterly basis, and do not bear interest. Certain customers withhold a retainage amount on the accounts receivable balance, which is generally paid upon completion of the contract. The Company establishes an allowance for credit losses to reduce contract receivables to the net amount expected to be collected. Management exercises judgment in determining its allowance for credit losses, which is based on historical collection and write-off experience, adjusted for current macroeconomic trends and conditions, specific customer collection issues, and using historical experience applied to an aging of accounts. The Company performs ongoing credit evaluations and continuously monitors collections and payments from its customers. Accounts receivables are written off when deemed uncollectible. Recoveries of accounts receivables previously written off are recorded as income when received. At December 31, 2023 and 2022, management determined that the allowance for credit losses was approximately $9,505 and $4,485, respectively.

Machinery and equipment: Machinery and equipment are recorded at cost or at estimated fair value if acquired through a business combination transaction. Depreciation of machinery and equipment is recorded using the straight-line method over their estimated useful lives. Leasehold improvements are amortized over the shorter of the non-cancelable lease term or remaining useful lives. Expenditures for improvements and betterments which extend the useful lives of the assets are capitalized at cost. Expenditures for repairs and maintenance are expensed as incurred.

The estimated useful lives of machinery and equipment are as follows:

	Years
Machinery and equipment	5-15
Vehicles	5
Computers and software	3-12
Furniture and office equipment	5

Intangible assets: Intangible assets consist of trademarks and trade names which are recorded at fair value when acquired and amortized over their estimated useful lives using a method that reflects the pattern in which economic benefit of the intangible asset will be realized over its estimated useful life. Intangible assets are tested for recoverability when events or changes in circumstances indicate that their carrying amount may not be recoverable.

Impairment of long-lived assets: The Company periodically reviews the carrying amount of its long-lived assets, primarily machinery and equipment, right-of-use assets and intangible assets, to determine if circumstances exist indicating an impairment or if depreciation periods should be modified. If facts or circumstances support the possibility of impairment, the Company will prepare a projection of the undiscounted future cash flows of the specific assets and determine if the assets are recoverable. If an impairment exists based on these projections, an adjustment will be made to the carrying amount of the specific assets to reflect the amount of impairment. Management has determined that no impairment of long-lived assets exists as of December 31, 2023 and 2022, and accordingly, no adjustments to the carrying amounts or useful lives of the Company's long-lived assets have been made.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Goodwill: Goodwill represents the excess of the purchase price over the value assigned to identifiable asset acquired and liabilities assumed at the acquisition date. The Company amortizes goodwill on a straight-line basis over 10 years. The Company tests its recorded goodwill for impairment upon a triggering event at the entity level. Factors that could trigger an impairment test include, but are not limited to, underperformance relative to historical or projected future operating results, significant changes in the manner of use of the acquired assets or the Company's overall business and significant negative industry or economic trends. As of December 31, 2023 and 2022, the Company determined that no impairment of goodwill exists.

Deferred financing costs: Deferred financings costs represent the costs of obtaining financing arrangements and are being amortized over the term of the underlying debt agreements using the straight-line method, which approximates the effective interest method. The debt issuance costs related to a recognized debt liability are presented on the consolidated balance sheet as a direct deduction from the carrying amount of the debt liability, consistent with debt discounts. As of December 31, 2023 and 2022, unamortized debt issuance costs being recorded as a discount on related debt amounted to $5,140 and $4,890, respectively. Amortization of debt issuance costs of $1,588 and $1,328 for the years ended December 31, 2023 and 2022, respectively, is included in interest expense on the accompanying consolidated statements of operations.

Revenue recognition: The Company's revenues are generated by providing professional engineering services that range from geotechnical evaluations to construction materials inspections. Engineering services are comprised of a mixture of professional services and lab testing.

The Company recognizes revenue in accordance with FASB Accounting Standards Codification (ASC) Topic 606, which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract.
- Identify performance obligations.
- Determine the transaction price.
- Allocate the transaction price.
- Recognize revenue.

The majority of the Company's contracts are with private customers. For private customers, statutory mechanics liens provide the Company relatively high priority in the event of lien foreclosures, thus minimizing credit risk. A minority of customers consists of government agencies. For government contracts, future cash flows depend on the Company's ability to continue to obtain federal, state and local government contracts and indirectly on the amount of funding available to these agencies for new and current government projects.

The Company has determined that the revenue associated with both the professional and engineering services is recognized over time as control transfers to the customer, which is the term the services are provided for the duration of the project.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company recognizes revenue over time using the cost-to-cost method (input method) by comparing the contract costs incurred to date to the total estimated contract costs. The Company believes this method is the most representative depiction of the Company's performance because it directly measures the value of the services transferred to the customer. Subcontractor materials, labor and equipment are included in revenue and cost of revenue. Changes to total estimated contract cost or losses, if any, are recognized in the period in which they are determined as assessed at the contract level.

For contracts structured on a time and materials (T&M) basis, the Company elected the as-invoiced practical expedient as billing equates to revenue earned. T&M contracts have a rate card that designates a fixed amount for each hour of service and unit of testing performed and is billed on a monthly basis to the customer. The Company typically receives payment within 90 days of the invoice date.

Cost of revenues earned include all direct material and labor costs, subcontractors, and rental equipment, and those indirect costs related to contract performance, such as indirect labor, supplies, tools, repairs and depreciation costs for machinery and equipment. General and administrative costs are charged to expense as incurred. Note that due to contracts being recognized as individual performance obligations are billed, there is no provision for losses on long-term contracts, as allowance for credit losses would cover any accounts receivable not deemed collectable.

Certain construction contracts include retention provisions to assure customers that the Company will perform in accordance with the contract terms and, therefore, not considered a financing benefit. However, retention amounts for the Company are insignificant, as the majority of balances are due upon receipt. The Company has determined that there are no financing components included in contracts as of December 31, 2023 and 2022.

The transaction price for the Company's contracts may include variable consideration, which includes awards and incentives, and reductions to transaction price for liquidated damages. The Company recognizes revenue for variable consideration when it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur. The Company estimates variable consideration for a performance obligation utilizing one of the two prescribed methods: (a) the expected value method, whereby the amount of variable consideration to be recognized represents the sum of probability weighted amounts in a range of possible consideration amounts, or (b) the most likely amount method, whereby the amount of variable consideration to be recognized represents the single most likely amount in a range of possible consideration amounts. When applying these methods, the Company considers all information that is reasonably available, including historical, current and estimates of future performance.

The following table disaggregates the Company's revenues by source for the years ended December 31, 2023 and 2022:

	2023	2022
Construction materials testing	$ 311,943	$ 309,970
Geotechnical	143,974	130,648
Environmental services	83,985	76,785
Other—facilities support services	59,988	9,223
	$ 599,890	$ 526,626

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

The Company offers a variety of services surrounding the area of professional engineering, including the following:

Construction materials testing and inspections: involves various scientific and industry standard methods of testing materials used by the Company's clients in their projects to confirm compliance with corresponding code or other policies. Each test has a fee associated with it. The fee can vary based upon such factors as geographic market, client, volume of work being performed on a project, competitive forces, etc. The majority of contracts require completion of a set of various testing or inspections in order to comply with the project and represent a single performance obligation.

Geotechnical services: involves various scientific and industry standard explorations and reporting required to properly and safely construct a building. The geotechnical report is a tool used to communicate the site conditions and design and construction recommendations to the site design, building design, and construction personnel. Geotechnical services are frequently packaged as a bundle and provided as a set of tests to generate a report indicating the project may proceed. Similar to construction materials, fees are impacted by such factors as geographic market, client, volume of work being performed on a project, competitive forces, etc. Due to the bundling of services, geotechnical inspections are considered a single performance obligation.

Environmental services: includes research of regulatory and other agency records, site reconnaissance of the site and nearby properties, interviews with authorities with knowledge of the property, and preparation of reports that include observations, findings, conclusions and recommendations. The majority of contracts require completion of a set of various services in order to comply with the project and represent a single performance obligation.

Other services: may include a variety of activities such as facilities support, miscellaneous professional engineering services, or add-ons to any of the inspection and testing services identified above. The majority of contracts require completion of a set of various services in order to comply with the project and represent a single performance obligation.

Contract assets and liabilities: Contract assets represent unbilled amounts where the right to payment is subject to more than merely the passage of time and includes performance-based incentives and services provided ahead of agreed contractual milestones. Contract assets are transferred to unbilled receivables when the right to consideration becomes unconditional and are transferred to amounts billed upon invoicing. The increase in contract assets was a result of normal business activity and not materially impacted by any other factors.

Contract assets represent revenue recognized to date in excess of amounts billed to clients and are presented as costs and estimated earnings in excess of billings on uncompleted contracts on the accompanying consolidated balance sheets. Contract liabilities represent amounts billed to clients in excess of revenue recognized to date and are presented as billings in excess of costs and estimated earnings on uncompleted contracts on the accompanying consolidated balance sheets. The Company anticipates that substantially all such amounts will be earned over the next 12 months.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Contract assets and liabilities are as follows as of December 31, 2023 and 2022:

	2023	2022
Costs and estimated earnings in excess of billings on uncompleted contracts	$ 29,498	$ 20,653
Billings in excess of costs and estimated earnings on uncompleted contracts	$ 1,535	$ 2,612

In accordance with industry practice, the Company classifies all contract-related assets and liabilities as current under the operating cycle of the Company, a portion of which may not be realized within one year. Contract-related assets and liabilities include contract and retainage receivable, accounts and retainage payable, contract assets and contract liabilities.

Advertising: The Company expenses advertising costs as incurred. During the years ended December 31, 2023 and 2022, the Company incurred $160 and $221, respectively, in advertising costs, which is included in operating expenses on the consolidated statements of operations.

Self-insurance: The Company is self-insured for substantially all medical claims for all entities located in the United States during the year ended December 31, 2023. The Company is self-insured for substantially all medical claims, workers' compensation claims and general and auto liability claims for all entities located in the United States during the year ended December 31, 2022. The Company's responsibility for medical claims is generally capped through the use of a stop loss contract with an insurance company at $275 per claimant per plan year. For claims occurring through December 31, 2022, the Company maintains a per-occurrence retention of $100 and $50 for the workers' compensation and general liability programs, respectively. For the auto liability program, there is an aggregate deductible amount of $500, after which a $250 maintenance deductible applies per occurrence through December 31, 2022. Third-party administrators are used to process claims. The Company uses actual claims data and estimates of claims incurred but not recorded (IBNR) to calculate estimated liabilities for unsettled claims on an undiscounted basis. Although management re-evaluates the assumptions and reviews the claims experience on an ongoing basis, actual claims paid could vary significantly from estimated claims.

As of December 31, 2023 and 2022, the Company recorded a reserve of $2,898 and $4,638, respectively, for claims incurred but not paid including an estimate of claims incurred but not reported and is presented within accrued expenses on the consolidated balance sheets.

Fair value measurements: U.S. GAAP establishes a framework for measuring fair value. Under this framework, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are defined as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that are accessible at the measurement date.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Level 2: Inputs to the valuation methodology include quoted prices in markets that are not active or quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3: Inputs to the valuation methodology are unobservable, reflecting the entity's own assumptions about assumptions market participants would use in pricing the asset or liability.

The categorization of an asset or liability within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs The fair value of the intangible assets acquired, the equity issued and certain contingent liabilities issued as consideration in the business combinations discussed in Note 2 were determined using Level 3 measurements based on significant unobservable inputs. Equity-based compensation is reported at fair value, which is based on the estimated value of the equity award at the date of grant. In management's opinion, this is a Level 3 measurement because it is based on significant observable inputs.

Leases: In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*, which provides guidance requiring lessees to recognize a right-of-use asset and a lease liability in the consolidated balance sheets for substantially all leases, except for short term leases. Leases will be classified as either financing or operating, with classification affecting the pattern of expense recognition in the consolidated statements of operations. Lessor accounting remains largely unchanged from previous U.S. GAAP but does contain some targeted improvements to align with the new revenue recognition guidance issued under Topic 606.

On January 1, 2022, the Company adopted Topic 842 using the modified retrospective transition method as allowed under ASU 2018-11 which includes the ability to recognize the cumulative effect of the adoption being recorded as an adjustment to retained earnings on January 1, 2022.The Company elected several of the other practical expedients and transition policies as outlined below.

- The Company elected the package of practical expedients permitted under the transition guidance with the new standard. This election allowed the carryforward of historical conclusions for lease identification, lease classification, and initial direct costs.

- The Company is accounting for leases with a term of less than one year under the short-term policy election.

- For agreements in which the Company is the lessee, the Company elected the practical expedient to not separate lease components from the non-lease components for all classes of leased assets.

ASC Topic 842 had a material impact to the Company's consolidated balance sheet as of December 31, 2022, but did not materially impact consolidated net loss or cash flows. The most significant impact was the recognition of right-of-use assets and lease liabilities for operating leases. Adoption of the new standard resulted in the recording of right-of-use assets and lease liabilities of approximately $38,950 and $39,917, respectively, as of January 1, 2022. In connection with the adoption, pre-existing liabilities for deferred rent and various lease incentives of $967 were reclassified as a component of the lease assets. Adoption did not require the Company to record an adjustment to opening retained earnings.

CONFIDENTIAL

Note 1. Nature of Business and Significant Accounting Policies (Continued)

Income taxes: Holdings is organized as a limited liability company. Accordingly, current federal and applicable state income tax laws provide that the members separately account for their pro rata shares of Holdings items of taxable income, deductions, losses and credits. Accordingly, no income taxes have been recognized in the accompanying consolidated financial statements for the results of the operations of Holdings for the years ended December 31, 2023 and 2022. Acquisitions is taxed as a corporation. Accordingly, the Company recognizes the income taxes of this entity and its wholly owned subsidiaries in the accompanying consolidated financial statements.

Deferred taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax basis. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

The Company follows the accounting standard on accounting for uncertainty in income taxes. Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the consolidated financial statements. The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in interest expense and other non-interest expense, respectively.

Equity-based compensation: Equity-based compensation expense is charged to earnings net of the estimated impact of forfeited awards. As such, the Company recognizes equity-based compensation expense only for those awards that are estimated to ultimately vest over their requisite service period, based on a straight-line method. There may be adjustments to future periods if actual forfeitures differ from current estimates.

Subsequent events: The Company has evaluated subsequent events through March 27, 2024, the date the consolidated financial statements were available to be issued.

CONFIDENTIAL

Note 2. Business Combinations

2023 Acquisitions: During the year ended December 31, 2023, Holdings, through its subsidiary, Acquisitions, purchased all of the equity interests of the following entities, to expand the Company's geographic footprint and customer base, on the dates noted below for the consideration listed.

	Date of Acquisition	Total Consideration
Faulkner Engineering Services, LLC (Faulkner)	March 1, 2023	$ 6,344
Grubbs, Hoskyn, Barton & Wyatt, LLC (Grubbs)	April 1, 2023	1,088
Riner Engineering, Inc. (Riner)	May 31, 2023	40,974
Geo Solutions, LLC (Geo Solutions)	June 30, 2023	11,474
Biome Consulting Group, LLC (Biome)	August 31, 2023	4,357
InControl Technologies, LLC (InControl)	November 30, 2023	7,543

Note 2. Business Combinations (Continued)

The acquisitions during the year ended December 31, 2023, have total consideration of $71,780, consisting of $60,076 in cash paid to the sellers and certain third parties on behalf of the sellers and issuance of Class B membership units of the Ultimate Parent, with an aggregate fair value of $11,704. The consideration paid was funded with borrowings on long-term debt of $40,700 and cash of hand of $20,883, net of transaction costs of $1,507.

The fair value of the common stock of the Ultimate Parent was determined based on observable market participant transactions (Level 2) in contemporaneous cash transactions for common stock issued.

The following table summarizes the estimated preliminary fair values of the assets acquired and the liabilities assumed at the date of each acquisition:

	Faulkner	Grubbs	Riner	Geo Solutions	Biome	InControl
Cash	$ 2,370	$ 169	$ 2,799	$ 1,747	$ 320	$ 1,646
Contract receivables	896	859	6,702	746	496	1,421
Costs and estimated earnings in excess of billings on uncompleted contracts	-	873	314	367	-	342
Prepaid and other assets	25	-	295	69	26	38
Property and equipment	118	272	283	-	-	272
Right-of-use assets	408	214	4,620	827	57	136
Goodwill	3,100	(430)	33,046	8,862	3,550	4,916
Total assets acquired	6,917	1,757	48,059	12,618	4,449	8,771
Accounts payable	80	180	47	14	-	490
Accrued expenses	82	275	870	303	35	408
Deferred taxes	3	-	1,548	-	-	194
Lease liabilities	408	214	4,620	827	57	136
Total liabilities assumed	573	669	7,085	1,144	92	1,228
Net assets acquired	$ 6,344	$ 1,088	$ 40,974	$ 11,474	$ 4,357	$ 7,543

CONFIDENTIAL

Total consideration for business combination transactions in the year ended December 31, 2023 of $71,780 exceeded the preliminary fair value of net assets acquired. Accordingly, the Company recognized the excess of purchase price over the fair value of the net assets acquired of $53,044 as goodwill. The goodwill arising from the acquisition consists largely of the customer relationships, processes, procedures and knowledge of the workforces in place. The goodwill recognized from the acquisition of Riner is not deductible for income tax purposes, while the majority of the goodwill recognized from all other 2023 acquisitions is deductible for income tax purposes.

The fair value of the acquired machinery and equipment was estimated using a market data approach with the assistance of valuation specialists in the engineering industry.

The fair value of the financial assets acquired includes receivables and costs and estimated earnings in excess of billings on uncompleted contracts for which the fair value was estimated at the net realizable amount and no amounts are believed to be uncollectible.

Note 2. Business Combinations (Continued)

In connection with the 2023 business combination transactions, the Company incurred costs of approximately $1,507, which were included in acquisition costs on the accompanying consolidated statement of operations.

2022 Acquisitions: During the year ended December 31, 2022, Holdings, through its subsidiary, Acquisitions, purchased all of the equity interests of the following entities, to expand the Company's geographic footprint and customer base, on the dates noted below for the consideration listed.

	Date of Acquisition	Total Consideration
Speedie & Associates, LLC (Speedie)	June 30, 2022	$ 34,875
Rock Engineering and Testing Laboratory, LLC (Rock)	July 7, 2022	17,418
Dan Brown and Associates, LLC (DBA)	November 30, 2022	9,209
Carmichael Engineering, LLC (Carmichael)	December 31, 2022	6,495

The acquisitions during the year ended December 31, 2022, had total consideration of $67,997, consisting of $53,677 in cash paid to the sellers and certain third parties on behalf of the sellers and issuance of Class B membership units of the Ultimate Parent, with an aggregate fair value of $14,320. The consideration paid was funded with borrowings on long-term debt of $52,817, net of transaction costs of $971 and cash on hand of $1,831.

The fair value of the common stock of the Ultimate Parent was determined based on observable market participant transactions (Level 2) in contemporaneous cash transactions for common stock issued.

The following table summarizes the estimated preliminary fair values of the assets acquired and the liabilities assumed at the date of each acquisition:

	Speedie	Rock	DBA	Carmichael
Cash	$ 3,782	$ 2,557	$ 1,056	$ 475
Contract receivables	4,609	2,509	1,821	678
Costs and estimated earnings in excess of billings on uncompleted contracts	279	171	48	72
Prepaid and other assets	120	95	-	14
Property and equipment	824	607	1	1,054
Right-of-use assets	1,000	500	-	-
Intangibles	-	-	353	-
Goodwill	26,196	12,446	6,384	4,367
Total assets acquired	36,810	18,885	9,663	6,660
Accounts payable	250	297	105	-
Accrued expenses	685	670	349	165
Lease liabilities	1,000	500	-	-
Total liabilities assumed	1,935	1,467	454	165
Net assets acquired	$ 34,875	$ 17,418	$ 9,209	$ 6,495

CONFIDENTIAL

Note 2. Business Combinations (Continued)

Total consideration for business combination transactions in the year ended December 31, 2022 of $67,997 exceeded the preliminary fair value of net assets acquired. Accordingly, the Company recognized the excess of purchase price over the fair value of the net assets acquired of $49,393 as goodwill. The goodwill arising from the acquisition consists largely of the customer relationships, processes, procedures and knowledge of the workforces in place. The majority of the goodwill recognized is deductible for income tax purposes.

The fair value of the acquired machinery and equipment was estimated using a market data approach with the assistance of valuation specialists in the engineering industry.

The fair values of the intangible assets acquired, consisting of trade names of $353, were estimated by applying discounted cash flow models. The fair value measurements were based on significant inputs that are not observable and are considered Level 3 inputs in the fair value hierarchy. Management estimates fair values based upon market participant assumptions they believed to be reasonable. These estimates are based on historical experience and information obtained from management.

The fair value of the financial assets acquired includes receivables and costs and estimated earnings in excess of billings on uncompleted contracts for which the fair value was estimated at the net realizable amount and no amounts are believed to be uncollectible.

In connection with the 2022 business combination transactions, the Company incurred costs of approximately $971, which were included in acquisition costs on the accompanying consolidated statement of operations.

During the year ended December 31, 2023, the Company paid an additional $183, net of cash received, to the sellers of the entities acquired in 2022.

Note 3. Contract Receivables

Contract receivables as of December 31, 2023 and 2022, consists of the following:

	2023	2022
Contract receivables	$ 131,144	$ 118,551
Retainage	1,099	393
	132,243	118,944
Less allowance for credit losses	9,505	4,485
Contract receivables, net	$ 122,738	$ 114,459

CONFIDENTIAL

Note 4. Machinery and Equipment

Machinery and equipment as of December 31, 2023 and 2022, consists of the following:

	2023	2022
Machinery and equipment	$ 21,692	$ 16,856
Leasehold improvements	9,974	7,244
Vehicles	24,111	26,611
Computers and software	15,749	8,956
Furniture and office equipment	7,344	4,336
	78,870	64,003
Less accumulated depreciation	29,194	17,334
Machinery and equipment, net	$ 49,676	$ 46,669

Depreciation expense for the years ended December 31, 2023 and 2022, was $16,382 and $15,348, respectively, and is included in operating expenses on the consolidated statements of operations.

Note 5. Goodwill and Intangibles

The following table represents the changes in the carrying value of goodwill as of and for the years ended December 31, 2023 and 2022:

Balance, December 31, 2021	$ 638,172
Measurement period adjustment	2,721
Acquisitions	49,393
Amortization	(67,945)
Balance, December 31, 2022	622,341
Acquisitions	53,044
Amortization	(73,607)
Balance, December 31, 2023	$ 601,778

During 2022, the Company finalized amounts of certain assumed liabilities, including taxes payable, related to acquisitions completed in 2021, which resulted in an increase in goodwill of approximately $2,721.

The Company is amortizing goodwill on a straight-line basis over a useful life of 10 years.

Intangible assets consist of the following at December 31, 2023:

	2023			
	Weighted Average Useful Life (Years)	Gross Carrying Amount	Accumulated Amortization	Net Carrying Amount
Trade names	14.9	$ 73,187	$ 11,266	$ 61,921

CONFIDENTIAL

Note 5. Goodwill and Intangibles (Continued)

Intangible assets consist of the following at December 31, 2022:

	2022			
	Weighted Average Useful Life (Years)	Gross Carrying Amount	Accumulated Amortization	Net Carrying Amount
Trade names	14.9	$ 73,187	$ 6,315	$ 66,872

Amortization expense for intangibles and goodwill was $4,951 and $73,607, for the year ended December 31, 2023, respectively. Amortization expense for intangibles and goodwill was approximately $4,866 and $67,945, for the year ended December 31, 2022, respectively.

The future amortization expense for goodwill and intangible assets recorded as of December 31, 2023, is as follows:

	Goodwill	Intangible Assets
Years ending December 31:		
2024	$ 76,215	$ 4,980
2025	76,215	4,980
2026	76,215	4,972
2027	76,215	4,895
2028	76,215	4,829
Thereafter	220,703	37,265
	$ 601,778	$ 61,921

Note 6. Line of Credit and Long-Term Debt

Outstanding borrowings on long-term debt as of December 31, 2023 and 2022, is as follows:

	2023	2022
Term loan and incremental term loans (a)	$ 315,591	$ 280,938
Delayed draw term loans (a)	87,461	48,976
Other notes payable (b)	130	254
Equipment line of credit (c)	3,158	4,509
	406,340	334,677
Less unamortized debt financing costs	(5,140)	(4,890)
	$ 401,200	$ 329,787

On August 31, 2021, the Company entered into a credit agreement with certain financial institutions which consists of a $210,000 term loan, a delayed draw term loan of $50,000, and a revolving line of credit with a maximum borrowing of $40,000, which are secured by substantially all assets of the Company (the Credit Agreement). In addition, the financial institutions may issue letters of credit under the revolving line of credit which reduces amounts available to be advanced. As of December 31, 2023, there were $7,109 standby letters of credit outstanding for the benefit of vendors requiring them in the ordinary course of business, primarily for the Company's self-insured claims.

CONFIDENTIAL

Note 6. Line of Credit and Long-Term Debt (Continued)

The interest rate on the revolving line of credit is determined at the date of borrowing based on the base rate plus applicable margin, as defined in the Credit Agreement. As of December 31, 2023, interest on borrowed funds under the line of credit was 10.25%. As of December 31, 2023 and 2022, there were $0 of borrowings outstanding on the line of credit. The line of credit expires in August 2026.

In December 2021, the Company executed its First Amendment to the Credit Agreement to obtain an $80,000 incremental term loan. In January and July 2023, the Company executed the Second and Third Amendments to the Credit Agreement, respectively, to obtain $45,000 of incremental term loans.

In 2023, the Company obtained two additional delayed draw term loans of $80,000 under the Second and Third Amendment to the Credit Agreement. During 2023 and 2022, the Company has borrowed against the delayed draw term loans to partially fund the acquisitions discussed in Note 2. As of December 31, 2023 and 2022, the Company had borrowed a total of $90,700 and $50,000, respectively, from the delayed draw terms loans. As of December 31, 2023, the Company has $39,300 available borrowings remaining under the delayed draw term loans.

The interest rate on the term loan, incremental term loans and delayed draw term loans (the Term Loans) is the base rate plus the applicable margin, as defined in the Credit Agreement. As of December 31, 2023, interest on borrowed funds under the term loan and incremental term loan was 8.23% to 8.54%. As of December 31, 2023, interest on borrowed funds under the delayed draw term loans was 8.23% to 8.54%.

The term loan and incremental term loans are payable in aggregate quarterly installments of $4,189 through September 30, 2024 and $6,284 from December 31, 2024 through June 30, 2026, with the remainder due under these loans at maturity in August 2026. The delayed draw term loans are payable in aggregate quarterly installments of $1,138 through September 30, 2024 and $1,707 from December 31, 2024 through June 30, 2026, with the remainder due under these loans at maturity in August 2026. Interest is paid quarterly.

Borrowings on the Term Loans and the revolving line of credit are subject to mandatory repayments of excess cash flows beginning in 2022, as defined in the Credit Agreement. The Credit Agreement requires certain financial covenants to be maintained on a quarterly basis including a total net leverage ratio, as defined in the agreement.

(a) The Company also has various notes payable with total borrowings of $130 and $254 as of December 31, 2023 and 2022, respectively. These debt agreements require monthly principal and interest payments and have interest rates ranging from 5.2% to 6.0%, with maturity dates through May 2026.

(b) The Company also has an equipment line of credit with a financial institution with total available borrowings of $10,000. As of December 31, 2023 and 2022, the Company has utilized $2,928 and $4,509, respectively, of funding under the agreement. Interest under the line of credit ranges between 2.92% and 4.11% annually and is paid monthly. The equipment line of credit expires in June 2026, if not renewed.

CONFIDENTIAL

Note 6. Line of Credit and Long-Term Debt (Continued)

The various notes payable and equipment line of credit are collateralized by machinery and equipment.

Contractual maturities of long-term debt at December 31, 2023, are as follows:

Years ending December 31:	
2024	$ 25,282
2025	57,189
2026	323,869
	406,340
Less unamortized debt financing costs	(5,140)
	$ 401,200

Note 7. Income Taxes

The provision for income taxes charged to operations for the years ended December 31, 2023 and 2022, consists of the following expense (benefit):

	2023	2022
Current:		
Federal	$ 8,331	$ 5,133
State	2,733	1,950
	11,064	7,083
Deferred:		
Federal	(10,370)	(3,109)
State	(939)	(1,975)
	(11,309)	(5,084)
Total income tax expense (benefit)	$ (245)	$ 1,999

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in future years in which those temporary difference are expected to be recovered or settled. A valuation allowance is recognized to reduce the net deferred tax assets to amounts that are more likely than not to be realized.

CONFIDENTIAL

Note 7. Income Taxes (Continued)

Temporary differences between the consolidated financial statement carrying amounts and tax basis of assets and liabilities give rise to significant portions of the net deferred tax liabilities summarized below as of December 31, 2023 and 2022:

	2023	2022
Deferred tax assets:		
Accounts receivable	$ 2,257	$ 1,785
Accrued expenses	63	1
Deferred compensation	2,135	1,852
Lease liability	13,776	10,964
Section 174 expense	4,062	-
Interest expense	4,708	1,700
Equity-based compensation	719	432
Other	1	15
	27,721	16,749
Deferred tax liabilities:		
Property and equipment	9,783	9,824
Intangibles	3,753	6,857
Right-of-use asset	13,545	10,465
Other	1,473	-
	28,554	27,146
Deferred tax liabilities, net	$ (833)	$ (10,397)

The significant items reconciling the expected income tax benefit at the corporate income tax rate of 21% to the actual income tax expense include permanent items, state taxes, limitations on net operating losses due to acquisitions and other items for the years ended December 31, 2023 and 2022.

Note 8. Leases, Commitments and Contingencies

Operating leases: The Company has various cancelable and noncancelable operating leased assets. These assets primarily include buildings and warehouse space, printers and copiers, vehicles, mailroom equipment, office equipment and an aircraft. Payments for these leases are generally fixed; however, there are instances of variable lease payments relating to additional rent payments based on a percentage of all operating costs and real estate costs. Variable lease payments are recognized in the period in which the obligation for those payments is incurred. There are currently no agreements in which the Company the lessor.

Under Topic 842, the Company determines an arrangement is a lease when the Company has the right to control the use of identified property, plant or equipment for a period of time in exchange for consideration.

CONFIDENTIAL

Note 8. Lease, Commitments and Contingencies (Continued)

For the leases identified, right-of-use assets and lease liabilities are recognized at commencement date based on the present value of lease payments over the lease term using the rate implicit in the lease, if available, or the calculated incremental borrowing rate. The right-of-use asset also includes any lease payments made in advance and excludes lease incentives. Lease terms may include options to extend or terminate the lease and are recognized by the Company when it is reasonably certain that the options will be exercised. The Company's lease agreements do not contain any residual value guarantees in which payment is probable or material restrictive covenants. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

Lease costs for the years ended December 31, 2023 and 2022, are as follows:

	2023	2022
Operating lease costs	$ 16,627	$ 10,757
Short-term lease costs	4,404	291
Variable lease costs	99	79
	$ 21,130	$ 11,127

The Company is committed under several non-cancelable operating leases for its facilities with related parties, who are also members of the Company. These lease arrangements with related parties primarily continue through December 2040.

For the years ended December 31, 2023 and 2022, total lease expense from these related parties were approximately $4,095 and $3,800, respectively, and has been included in the lease costs disclosed above.

Estimated future undiscounted cash flows for operating leases are as follows:

	Third Party	Related Party
Years ending December 31:		
2024	$ 15,112	$ 3,550
2025	12,839	3,137
2026	9,398	2,609
2027	4,798	2,076
2028	2,721	1,915
Thereafter	4,606	18,058
	49,474	31,345
Less imputed interest	(5,876)	(9,117)
	$ 43,598	$ 22,228

CONFIDENTIAL

Note 8. Lease, Commitments and Contingencies (Continued)

The following table summarizes the weighted average remaining lease term and discount rate as of December 31, 2023 and 2022:

	2023	2022
Weighted average remaining lease term (years)	10.3	8.3
Weighted average discount rate	5.10%	4.50%

Litigation: Claims and contingencies, including claims and legal actions arising in the ordinary course of business (if any), are recorded as liabilities when the likelihood of loss is probable and an amount of range of loss can be reasonably estimated. In consultation with legal counsel, the Company does not believe there are such matters that will have a material effect on the consolidated financial statements.

Investment in Captive Insurance Company: The Company became a member of a group captive insurance company in 2023 to provide worker's compensation, general liability and automobile liability coverage for its operations. The Company has a non-controlling ownership interest in the group captive for $75,000. This investment is included in other assets in the consolidated balance sheet as of December 31, 2023.

The group captive determines the amount of premium based on the Company's payroll and number of vehicles as well as the prior five years' loss experience and estimated exposures. The Company charges the premium to expense on a straight-line basis over the policy term. If actual incurred losses exceed estimated losses for a policy year, the Company can be assessed an additional premium up to a maximum amount based on a percentage of estimated claims. If any policy year is in a deficit situation, the Company records a reserve up to the maximum assessment for that policy year.

When estimating reserves, management considers a number of factors, including historical claims experience, demographic factors and severity factors. If actual incurred losses exceed these estimates, additional reserves may be required. The estimation process involves uncertainty since management must use judgment to estimate ultimate incurred losses and additional assessments. Part of management's estimation process is to consider the probability of the need for a reserve. No reserves have been recorded as of December 31, 2023.

Note 9. Equity-Based Compensation

On August 31, 2021, the Ultimate Parent adopted the 2021 Equity Incentive Plan (the Plan) to provide an incentive to employees, directors and consultants to secure and retain the services of eligible award recipients, provide incentives for such persons to exert maximum efforts for the success of the Company, and provide a means by which the eligible recipients may benefit from increases in value of the Company. The total number of Class B units reserved for issuance under the Plan is 52,643.

CONFIDENTIAL

Note 9. Equity-Based Compensation (Continued)

The units primarily vest as follows: (a) approximately 50% of the units shall vest 20% on each anniversary of the grant date over five years or immediately upon a change of control and are subject to certain provisions as defined in the Plan and the employee's continuous employment with the Company, and (b) the remaining 50% shall vest subject to performance-based vesting terms requiring achievement of specific investment return thresholds (as defined in the Plan) and subject to the employee's continuous employment with the Company. Any portion not vested as of the grantee's termination date will be immediately forfeited. The fair value of each option award is estimated on the date of grant using assumptions that are not readily available and considered Level 3 inputs.

The following table summarizes information relating to the units outstanding as of December 31, 2023, and the changes for the year ended December 31, 2023, is presented as follows:

	Units	Average Grant Date Fair Value
Outstanding at December 31, 2021	32,902	$ 161.32
Granted	19,024	161.32
Exercised	-	-
Forfeited	(3,991)	161.32
Outstanding at December 31, 2022	47,935	161.32
Granted	5,230	183.33
Exercised	-	-
Forfeited	(3,841)	161.32
Outstanding at December 31, 2023	49,324	$ 163.65
Exercisable at December 31, 2023	7,744	$ 228.09

The Company recorded compensation expense of $1,437 and $1,313 during the years ended December 31, 2023 and the 2022, respectively, related to the time-vesting units. At December 31, 2023, the Company has 41,579 unvested options and approximately $5,111 of unrecognized compensation expense of which approximately $2,455 will be recognized when certain performance conditions under the grant agreements become probable of achievement. The remaining unrecognized compensation expense will be recognized ratably through 2028.

Line Item	Description	Response *
1	The Letter of Interest shall summarizes the Proposer's primary qualifications and a firm commitment to provide the proposed services.	City of Boynton Beach, Florida 100 E. Ocean Avenu, Room 115 Boynton Beach, FL 33004 RE: RFP No. BD25-014R - Professional Services Agreement for Supplemental Building Inspection and Plan Review Services Dear Esteemed Members of the Evaluation Committee: Calvin, Giordano & Associates, Inc. (CGA), a SAFEbuilt company, is pleased to submit our proposal in response to the City of Boynton Beach's Request for Proposals (RFP) No. BD25-014R for Supplement Building Inspection and Plan Review Services. With a proven track record of delivering high-quality Engineering, Planning & Zoning, and Supplment Building services to the City, we are eager to continue our partnership with the City. Our commitment is to provide exceptional service that enhances the City's operations and supports its growth and development objectives. For the past 87 years, CGA has evolved from a small two-person surveying firm in Florida into a statewide organization with over 590 employees. Today, we proudly serve 130 clients across municipal, state, and federal government sectors, as well as school districts and higher education institutions in Florida, providing similar services to 58 of them. Our deep experience working with local governments uniquely positions us to deliver effective, reliable solutions that address the specific needs of municipal projects. Our expertise and offerings include: Decades of experience in providing building department services with proven continual renewals since 2009. Access to dozens of certified staff members in South Florida to ensure we meet all contractual Service Level Agreements (SLAs). Industry-leading technology solutions, including proprietary tools for route optimization, electronic plan reviews, and electronic inspections. We have assembled a team of highly qualified and experienced professionals dedicated to exceeding the City's expectations. Our team not only meets but significantly surpasses the City's minimum requirements. Additionally, we offer the expertise of a seasoned Project Manager as a value-added service at no extra cost, ensuring superior project oversight and management that enhances efficiency and effectiveness in service delivery. As President of Calvin, Giordano & Associates, Inc., I am authorized to sign any agreements resulting from this proposal and will provide contract support to our proposed team. For all communications regarding this proposal, please contact Maria Pineda, Account Manager, at 561.696.3496 or via email at mpineda@safebuilt.com. Best Regards, Chris Giordano President of Calvin, Giordano & Associates, Inc.and Chief Executive Officer of SAFEbuilt, LLC

Local Business Status Certification

I am an authorized representative of the business and, on behalf of the Business, request that it be deemed to be a local business for purposes of the City of Boynton Beach Local Preference Program. Answering yes to Question 1 and Question 2 below will qualify the business as a local business. In support of this request, I certify the following to be true and correct:

I understand that misrepresentation of any facts in connection with this request may be cause for removal from the certified local business list. I also agree that the business is required to notify the City in writing should it cease to qualify as a local business.

By checking the box that you are not submitting for "Local Business Status Certification" you declare that you are not a local business in the City of Boynton Beach.

☑ We will not be submitting for Local Business Status Certification

Addenda & Declarations

Background, Qualifications, and Terms

BACKGROUND:

The City of Boynton Beach serves an area of approximately 16.5 square miles with a population of approximately 80,000. The City provides services to its citizens in many areas, such as law enforcement, emergency medical services, fire control, water and sewer, library services, refuse collection, a municipal golf course, and various park sites and recreational services. The City was incorporated in 1920 and has operated under a Commission-Manager form of government (the City employs some 844 full-time and 41 part-time employees; it had total assets of almost $589 million and revenues of over $232 million for the fiscal year that ended September 30, 2023.

PURPOSE:

The City of Boynton Beach "City" Building Division is requesting sealed proposals from qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technician on an as-needed basis.

The City intends to award a contract with an initial term of **Three (3) Years with One (1) Two-Year Renewal period.**

The City reserves the right to award to more than one firm. The firm(s) shall act as independent contractors and not as employees of the City.

Questions related to this RFP are to be submitted to the Purchasing representative through the e-procurement system only by clicking on the "Submit a Question" button for this specific Solicitation.

☑ I/We have the authority to bind the Company and submit this Bid on behalf of the Bidder. - Chris Giordano, President, Calvin, Giordano & Associates, Inc.
The bidder shall declare any potential or actual conflict of interest that could arise from Bidding on this Bid. Do you have a conflict of interest?

No

10. List the pertinent experience of the key individuals of your organization (continue on insert sheet, if necessary)

Please refer to TAB C Qualifications of Project Team and Availability for experience of key individuals from our organization that are assigned to the project.

11. State the name of the individual who will have personal supervision of the work:

Pete Deveaugh, K-Maron Perdue, Roman Sanchez

12. State the name and address of the attorney, if any, for the business of the Proposer:
Akerman Stenterfitt, Attorney at Law
Attn: David Ristaino
P.O. Box 32802-4906, Orlando, Florida 32802

13. State the names and addresses of all businesses and/or individuals who own an interest of more than five percent (5%) of the Proposer's business and indicate the percentage owned of each such business and/or individual:
SAFEbuilt, LLC – 100%
444 N. Cleveland Avenue
Loveland, CO 80537

14. State the names, addresses, and the type of business of all firms that are partially or wholly owned by Proposer:
Not Applicable

15. State the name of the Surety Company which will be providing the bond (if applicable), and the name and address of the agent:
Not Applicable

16. Annual Average Revenue of the Proposer for the last three years as follows:

		Revenue Index Number
a.	Government Related Work	10
b.	Non-Governmental Related Work	8
	Total Work (a +b):	18

Revenue Index Number

1.	Less than $100,000
2.	$100,000 to less than $250,000
3.	$250,000 to less than $500,000
4.	$500,000 to less than $1 million
5.	$1 million to less than $2 million
6.	$2 million to less than $5 million
7.	$5 million to less than $10 million
8.	$10 million to less than $25 million
9.	$25 million to less than $50 million
10.	$50 million or greater

17. Bank References:

Bank **Address** **Telephone**

Brock Wilbor, Senior Vice President, 954.362.3554, brock.wilbor@truist.com

Truist Bank - 5350 Town Center Road, Suite 200, Boca Raton, Florida 33486

18. Describe policies and methods for project monitoring and budgeting control as well as adherence to project schedule (continue on insert sheet, if necessary).

CGA utilizes Ajera to manage the full project lifecycle of each project. As one of our project management tools, the system controls all aspects of the project, including accounting, project management, and resource utilization in real-time. This system is web-based, allowing both internal and remotely placed employees full function capabilities via any Internet connection. The system not only keeps a "live" accounting of all of our projects' budgets, earned to date, work in progress and estimate to complete, but it also allows Project Managers to assign and resource load our staff and projects.

19. Provide descriptions of quality assurance/quality control management methods (continue on insert sheet, if necessary):

Please refer to the Quality Control and Quality Assurance section within this attachment.

20. Is the financial statement submitted with your proposal (if applicable) for the identical organization named on page one?

YES [X] NO [ ]

21. If not, explain the relationship and financial responsibility of the organization whose financial statement is provided (e.g., parent-subsidiary).

22. What will be your turnaround time for written responses to City inquiries?

24 hours

23. List and describe all bankruptcy petitions (voluntary or involuntary) which have been filed by or against the Proposer, its parent or subsidiaries, or predecessor organizations during the past five (5) years. Include in the description, the disposition of each such petition.

None

24. List all claims, arbitrations, administrative hearings, and lawsuits brought by or against the Proposer or its predecessor organization(s) during the last five (5) years. The list shall include all case names, case arbitration or hearing identification numbers, the name of the project in which the dispute arose, and a description of the subject matter of the dispute.

Please refer to Litigation Section immediately following this attachement.

25. List and describe all criminal proceedings or hearings concerning business-related offenses to which the Proposer, its principals or officers, or predecessors' organization(s) were defendants.

None

26. Has the Proposer, its principals, officers, or predecessors' organization(s) been convicted of a Public Entity Crime, debarred, or suspended from bidding by any government during the last five (5) years? If so, provide details.

None

The Proposer acknowledges and understands that the information contained in response to this Qualification Statement shall be relied upon by the owner in awarding the contract and such information is warranted by Proposer to be true. The discovery of any omission or misstatement that materially affects the Proposer's qualifications to perform under the contract shall cause the owner to reject the proposal, and if after the award, to cancel and terminate the award and/or contract.

Quality Control and Quality Assurance

CGA understands that our continued success relies upon delivering high-quality services to our clients with attention to detail. Quality Control (QC) is not just a review of the final work product before its delivery to a client. Instead, true quality control is a commitment to an ongoing process of "critical eye" review and oversight throughout the project. Our approach is proactive—we prevent quality issues to the greatest extent possible and prepare for other situations in advance by mitigating risk. Further, our approach is grounded in Total Quality Management principles, with a detailed QC plan tailored to each project. This plan outlines responsibilities, procedures, and standards to facilitate independent checks, reviews, and verification of all data, ensuring compliance with standards and proper coordination of production documents under the contract.

To ensure we consistently deliver and maintain exceptional services for our customers, our Project Manager performs random quality evaluations of our staff throughout the year. These activities include:

- Standardized processes for intake, completion of returned work, email correspondence, review comment letters, inspection reports, and other items to ensure consistency and client satisfaction (e.g., logging review data into each municipality's system).
- Plan review and inspections are conducted using SAFEbuilt's customized checklists for each activity.
- Our Project Manager conducts periodic reviews to ensure completeness, accuracy, and consistency of work performed.
- Periodic peer review of others' plan reviews
- One ½ day ride-along with each inspector each quarter; can perform ride-along checklist at the same time.
- Staff feedback as necessary for any discrepancies or improvements needed.
- For Inspectors: One on the jobsite inspector meeting each month with training/discussion around inspection.
- For Plan Reviewers: One office/virtual meeting with discussion of specific occupancy type, trade discipline, or code interpretation each month.
- Staff is paid to attend both internal and external training to grow professionally and improve skill sets.
- CGA's Account Manager conducts periodic check-ins with clients for feedback on satisfaction with work performed and services provided.
- CGA's Account Manager sends periodic customer satisfaction surveys for feedback on work performed and services provided.
- CGA uses both check-ins and surveys to find possible opportunities to improve client satisfaction, work performed, and services provided, as necessary.

In addition to the routing and tracking systems used for plan review and inspections, staff receive regular training to stay up-to-date on current codes, ordinances, amendments, and regulations. We also mitigate risks through our ability to direct additional resources from our corporate operations or regional operations for immediate staffing needs.

Litigation History

Customer satisfaction is CGA's primary objective for every project undertaken by the firm. As such, CGA endeavors to complete each project on time and within budget. CGA is proud to assert that CGA has not failed to provide products, perform services, or furnished goods for which we have been contracted.

Litigation History involving what have been reviewed to be "material" cases for the last three (5) years for Calvin, Giordano & Associates, Inc., its parent company, SAFEbuilt, LLC, and its sibling companies is provided below.

OPEN

Case Name	Details	Date Filed	Comments
Florida			
Detwiler-Erwin v. CGA	Allegation of negligent permitting, plan review and inspection	Second amended complaint 2/17/22	Matter has proceeded. Plaintiff has made a mediation demand against CGA and another defendant for the full amount claimed, which it now estimates will be ~$850K. A principal defendant appears to be in bankruptcy. We are attempting to minimize the repair cost estimate, which is the majority of the $850K. It does not appear that most damages relate to our work. Mediation is set for 6/238/23. Do not expect to close case at that time.

CLOSED

Case Name	Details	Date	Comments
Florida			
Kupsis v. Cooper	Kupis alleges that we failed to properly issue a permit. Kupis got a permit to put a new roof over existing building and then tried to get a separate permit to add walls connecting the new roof to the old walls and to tear out the old roof. Our view was that this constituted improper piece-mealing of the project.	06/24/21	Settled for $2K
Bridgeport Condo Assoc - Notice	Allegations of negligent permitting and inspection, particularly as to the roof.	No complaint. 2/24/2022	Closed due to no further action
Sage Beach Condo. Ass'n Inc. V. PMG Driftwood LLC, et al.	Condominium alleged a construction defect case against the Developer and the General Contractor Calvin Giordano for poor construction of the building. Case against Calvin Giordano alleges negligence, breach of contract, and violation of the Florida Building Codes Act.	10/22/20	Calvin, Giordano & Associates has been dismissed from this action as a defendant.

State of Florida
Department of State

I certify from the records of this office that CALVIN, GIORDANO & ASSOCIATES, INC. is a corporation organized under the laws of the State of Florida, filed on June 27, 1985.

The document number of this corporation is M17373.

I further certify that said corporation has paid all fees due this office through December 31, 2024, that its most recent annual report/uniform business report was filed on February 5, 2024, and that its status is active.

I further certify that said corporation has not filed Articles of Dissolution.

Given under my hand and the Great Seal of the State of Florida at Tallahassee, the Capital, this the Fifth day of February, 2024

NON-COLLUSION AFFIDAVIT AND CERTIFICATION OF PROPOSER

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

State of Florida)

:

County of Broward)

Chris Giordano, being first duly sworn, deposes and says that:

1) He/She is President (Title) of Calvin, Giordano & Associates, Inc. (Name of Corporation or Integrator), the proposer that has submitted the attached BID:

2) He/She is fully informed respecting the preparation and contents of the attached submittal and of all pertinent circumstances respecting such submittal;

3) By signing and submitting this bid, the BIDDER certifies that this bid is made independently and free from collusion;

4) Further, the said bidder nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived, or agreed, directly or indirectly with any other Bidder, integrator or person to submit a collusive or sham BID in connection with the Contract for which the attached BID has been submitted or to refrain from bidding in connection with such Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communications or conference with any other bidder, integrator or person to fix the price or prices in the attached BID or of any other bidder, or to fix any overhead, profit or cost element of the BID price or the BID price of other proposer or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the **City of Boynton Beach** or any person interested in the proposed Contract; and

5) The price or prices quoted in the attached bid are fair and proper and are not tainted by any collusion, conspiracy, connivance, or unlawful agreement on the part of the bidder or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

6) BIDDER shall disclose below, to their best knowledge, any City of Boynton Beach officer or employee, or any relative of any such officer or employee as defined in Section 112.3135(1) (c), Florida Statutes (2022), who is an officer of director or, or has a material interest in, the BIDDER's business, who is in a position to influence this procurement. Any City of Boynton Beach officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to indirectly own any of the total assets or capital stock of any business entity owned or operated by the BIDDER, or if they otherwise stand to personally gain if the contract is awarded to this BIDDER.

7) Failure to submit this executed statement as part of the bid shall make the bid non-responsive and not eligible for award consideration. In the event the BIDDER does not indicate any names, the CITY shall interpret this to mean that the BIDDER has indicated that no such relationships exist. Failure of a BIDDER to disclose any

relationship described herein shall be reason for termination of bid or award, whichever is applicable, with no time to cure.

E-VERIFY FORM UNDER SECTION 448.095, FLORIDA STATUTES

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

Project Name: Supplemental Building Inspections and Plan Review Services

Solicitation No.: BD25-014R

1. Definitions:

"Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

"Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

"E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2. Effective January 1, 2021, Contractors, shall register with and use the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and
b) All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and
c) Should vendor become the successful Contractor awarded for the above-named project, by entering into the contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract.

3. Contract Termination

a) If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1) Fla. Stat., the contract shall be terminated.
b) If the City has a good faith belief that a subcontractor knowingly violated s. 448.095 (2), but the Contractor otherwise complied with s. 448.095 (2) Fla. Stat., shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
c) A contract terminated under subparagraph a) or b) is not a breach of contract and may not be considered as such.

THIS PAGE IS TO BE SUBMITTED ALONG WITH THE BID FOR
BID PACKAGE TO BE CONSIDERED COMPLETE AND ACCEPTABLE

d) Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination.
e) If the contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.

CERTIFICATION PURSUANT TO FLORIDA STATUTE § 287.135

THIS PAGE IS TO BE COMPLETED AND UPLOADED ONLINE

I, Chris Giordano, on behalf of Calvin, Giordano & Associates, Inc. certify

Print Name and Title | Company Name

that Calvin, Giordano & Associates, Inc. does not:

Company Name

1. Participate in a boycott of Israel; and
2. Is not on the Scrutinized Companies that Boycott Israel List; and
3. Is not on the Scrutinized Companies with Activities in Sudan List; and
4. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
5. Has not engaged in business operations in Syria.

Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Consultant of the City's determination concerning the false certification. The Consultant shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Consultant does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Florida Statute § 287.135.

Section 287.135, Florida Statutes, prohibits the City from:

1) Contracting with companies for goods or services if at the time of bidding on, submitting a proposal for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S. or is engaged in a boycott of Israel; and

2) Contracting with companies, for goods or services that are on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or are engaged in business operations in Syria.

As the person authorized to sign on behalf of the Consultant, I hereby certify that the company identified above in the section entitled "Consultant Name" does not participate in any boycott of Israel, is not listed on the Scrutinized Companies that Boycott Israel List, is not listed on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Syria. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may

subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the City for goods or services may be terminated at the option of the City if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

RE: RFP No. BD25-014R - Professional Services Agreement for Supplemental Building Inspection and Plan Review Services

Dear Esteemed Members of the Evaluation Committee:

Calvin, Giordano & Associates, Inc. (CGA), a SAFEbuilt company, is pleased to submit our proposal in response to the City of Boynton Beach's Request for Proposals (RFP) No. BD25-014R for Supplement Building Inspection and Plan Review Services. With a proven track record of delivering high-quality Engineering, Planning & Zoning, and Supplment Building services to the City, we are eager to continue our partnership with the City. Our commitment is to provide exceptional service that enhances the City's operations and supports its growth and development objectives.

For the past 87 years, CGA has evolved from a small two-person surveying firm in Florida into a statewide organization with over 590 employees. Today, we proudly serve 130 clients across municipal, state, and federal government sectors, as well as school districts and higher education institutions in Florida, providing similar services to 58 of them. Our deep experience working with local governments uniquely positions us to deliver effective, reliable solutions that address the specific needs of municipal projects. Our expertise and offerings include:

- Decades of experience in providing building department services with proven continual renewals since 2009.
- Access to dozens of certified staff members in South Florida to ensure we meet all contractual Service Level Agreements (SLAs).
- Industry-leading technology solutions, including proprietary tools for route optimization, electronic plan reviews, and electronic inspections.

We have assembled a team of highly qualified and experienced professionals dedicated to exceeding the City's expectations. Our team not only meets but significantly surpasses the City's minimum requirements. Additionally, we offer the expertise of a seasoned Project Manager as a value-added service at no extra cost, ensuring superior project oversight and management that enhances efficiency and effectiveness in service delivery.

As President of Calvin, Giordano & Associates, Inc., I am authorized to sign any agreements resulting from this proposal and will provide contract support to our proposed team. For all communications regarding this proposal, please contact Maria Pineda, Account Manager, at 561.696.3496 or via email at mpineda@safebuilt.com.

Best Regards,

Chris Giordano
President of Calvin, Giordano & Associates, Inc.and Chief Executive Officer of SAFEbuilt, LLC

18. Describe policies and methods for project monitoring and budgeting control as well as adherence to project schedule (continue on insert sheet, if necessary).

CGA utilizes Ajera to manage the full project lifecycle of each project. As one of our project management tools, the system controls all aspects of the project, including accounting, project management, and resource utilization in real-time. This system is web-based, allowing both internal and remotely placed employees full function capabilities via any Internet connection. The system not only keeps a "live" accounting of all of our projects' budgets, earned to date, work in progress and estimate to complete, but it also allows Project Managers to assign and resource load our staff and projects.

19. Provide descriptions of quality assurance/quality control management methods (continue on insert sheet, if necessary):

Please refer to the Quality Control and Quality Assurance section within this attachment.

20. Is the financial statement submitted with your proposal (if applicable) for the identical organization named on page one?

YES [X] NO [ ]

21. If not, explain the relationship and financial responsibility of the organization whose financial statement is provided (e.g., parent-subsidiary).

22. What will be your turnaround time for written responses to City inquiries?

24 hours

23. List and describe all bankruptcy petitions (voluntary or involuntary) which have been filed by or against the Proposer, its parent or subsidiaries, or predecessor organizations during the past five (5) years. Include in the description, the disposition of each such petition.

None

24. List all claims, arbitrations, administrative hearings, and lawsuits brought by or against the Proposer or its predecessor organization(s) during the last five (5) years. The list shall include all case names, case arbitration or hearing identification numbers, the name of the project in which the dispute arose, and a description of the subject matter of the dispute.

Please refer to Litigation Section immediately following this attachement.

25. List and describe all criminal proceedings or hearings concerning business-related offenses to which the Proposer, its principals or officers, or predecessors' organization(s) were defendants.

None

26. Has the Proposer, its principals, officers, or predecessors' organization(s) been convicted of a Public Entity Crime, debarred, or suspended from bidding by any government during the last five (5) years? If so, provide details.

None

The Proposer acknowledges and understands that the information contained in response to this Qualification Statement shall be relied upon by the owner in awarding the contract and such information is warranted by Proposer to be true. The discovery of any omission or misstatement that materially affects the Proposer's qualifications to perform under the contract shall cause the owner to reject the proposal, and if after the award, to cancel and terminate the award and/or contract.

Quality Control and Quality Assurance

CGA understands that our continued success relies upon delivering high-quality services to our clients with attention to detail. Quality Control (QC) is not just a review of the final work product before its delivery to a client. Instead, true quality control is a commitment to an ongoing process of "critical eye" review and oversight throughout the project. Our approach is proactive—we prevent quality issues to the greatest extent possible and prepare for other situations in advance by mitigating risk. Further, our approach is grounded in Total Quality Management principles, with a detailed QC plan tailored to each project. This plan outlines responsibilities, procedures, and standards to facilitate independent checks, reviews, and verification of all data, ensuring compliance with standards and proper coordination of production documents under the contract.

To ensure we consistently deliver and maintain exceptional services for our customers, our Project Manager performs random quality evaluations of our staff throughout the year. These activities include:

- Standardized processes for intake, completion of returned work, email correspondence, review comment letters, inspection reports, and other items to ensure consistency and client satisfaction (e.g., logging review data into each municipality's system).
- Plan review and inspections are conducted using SAFEbuilt's customized checklists for each activity.
- Our Project Manager conducts periodic reviews to ensure completeness, accuracy, and consistency of work performed.
- Periodic peer review of others' plan reviews
- One ½ day ride-along with each inspector each quarter; can perform ride-along checklist at the same time.
- Staff feedback as necessary for any discrepancies or improvements needed.
- For Inspectors: One on the jobsite inspector meeting each month with training/discussion around inspection.
- For Plan Reviewers: One office/virtual meeting with discussion of specific occupancy type, trade discipline, or code interpretation each month.
- Staff is paid to attend both internal and external training to grow professionally and improve skill sets.
- CGA's Account Manager conducts periodic check-ins with clients for feedback on satisfaction with work performed and services provided.
- CGA's Account Manager sends periodic customer satisfaction surveys for feedback on work performed and services provided.
- CGA uses both check-ins and surveys to find possible opportunities to improve client satisfaction, work performed, and services provided, as necessary.

In addition to the routing and tracking systems used for plan review and inspections, staff receive regular training to stay up-to-date on current codes, ordinances, amendments, and regulations. We also mitigate risks through our ability to direct additional resources from our corporate operations or regional operations for immediate staffing needs.

Litigation History

Customer satisfaction is CGA's primary objective for every project undertaken by the firm. As such, CGA endeavors to complete each project on time and within budget. CGA is proud to assert that CGA has not failed to provide products, perform services, or furnished goods for which we have been contracted.

Litigation History involving what have been reviewed to be "material" cases for the last three (5) years for Calvin, Giordano & Associates, Inc., its parent company, SAFEbuilt, LLC, and its sibling companies is provided below.

OPEN

Case Name	Details	Date Filed	Comments
Florida			
Detwiler-Erwin v. CGA	Allegation of negligent permitting, plan review and inspection	Second amended complaint 2/17/22	Matter has proceeded. Plaintiff has made a mediation demand against CGA and another defendant for the full amount claimed, which it now estimates will be ~$850K. A principal defendant appears to be in bankruptcy. We are attempting to minimize the repair cost estimate, which is the majority of the $850K. It does not appear that most damages relate to our work. Mediation is set for 6/238/23. Do not expect to close case at that time.

CLOSED

Case Name	Details	Date	Comments
Florida			
Kupsis v. Cooper	Kupis alleges that we failed to properly issue a permit. Kupis got a permit to put a new roof over existing building and then tried to get a separate permit to add walls connecting the new roof to the old walls and to tear out the old roof. Our view was that this constituted improper piece-mealing of the project.	06/24/21	Settled for $2K
Bridgeport Condo Assoc - Notice	Allegations of negligent permitting and inspection, particularly as to the roof.	No complaint. 2/24/2022	Closed due to no further action
Sage Beach Condo. Ass'n Inc. V. PMG Driftwood LLC, et al.	Condominium alleged a construction defect case against the Developer and the General Contractor Calvin Giordano for poor construction of the building. Case against Calvin Giordano alleges negligence, breach of contract, and violation of the Florida Building Codes Act.	10/22/20	Calvin, Giordano & Associates has been dismissed from this action as a defendant.

Firm Qualifications

Calvin, Giordano, & Associates, Inc.'s (CGA) history dates to 1937, when the company was formed. Over the past 87 years, our focus has remained on servicing the municipal client space in Florida. CGA maintains established offices in Fort Lauderdale, Miami-Dade, West Palm Beach, Port St. Lucie, Estero, and Clearwater.

From the beginning, much of our reputation was built on repeat business with clients from the public and private sectors. Our large number of repeat and long-term clients affirm that using a personal approach and delivering quality work is the key to our success. Because of our diversity, CGA can control the entire process, offering a host of professional services as a one-source partner or efficiently tackling time-sensitive individual projects, providing customized solutions with handpicked teams of highly experienced professionals.

CGA strategically provides a broad range of services to meet our client's needs. Our professional services include:

- Building Code Services
- Civil Engineering/Roadway & Highway Design
- Code Compliance
- Construction Engineering & Inspection
- Construction Services
- Data Technologies & Development
- Electrical Engineering
- Civil Engineering
- Environmental Services
- Facilities Management
- Geographic Information Systems
- Governmental Services
- Grant Management & Writing
- Landscape Architecture
- Planning
- Project Management
- Surveying & Mapping
- Transportation & Mobility
- Transportation Planning
- Water/Utility Engineering
- Engineering Plan Review

For nearly nine decades, we have gained institutional knowledge and a comprehensive understanding of the best approaches and methods to provide municipal clients with the operational services they need. We continue to grow, evolve, and adapt to the changes in the industry and client expectations. As such, we have increased our service line delivery through the years to include and exceed those contemplated by the RFP package.

Our team includes professionals with direct public agency experience, ensuring full compliance with all federal, state, and local regulations and standards. This diverse expertise sets CGA apart, enabling us to consistently deliver projects on time, under budget, and beyond expectations.

cgiordano@cgasolutions.com

Our success is directly intertwined with the fabric of so many municipalities in Florida. We pride ourselves on being part of their history as much as they are part of ours.

Original M.E. Berry & Associates Survey Party, February 1942

History

Founded in 1937 as M.E. Berry & Associates, a small two-person surveying firm in Hollywood, Florida, CGA has since grown into a multidisciplinary leader, expanding services, offices, and capabilities. Our diverse expertise allows us to manage entire projects as a one-source partner or address time-sensitive needs with customized solutions and expert teams.

Since joining SAFEbuilt in 2018, we have elevated our community development services, providing top-tier expertise and resources to municipal and private clients nationwide. We have also expanded both our service offerings and our geographic reach, continuing to grow and evolve.

Ownership

CGA is a subsidiary of SAFEbuilt, LLC, a national community development and infrastructure support services provider. The Riverside Company of Cleveland, OH, wholly owns SAFEbuilt, LLC, and its family of companies. Since 2014, SAFEbuilt has acquired 18 companies nationwide, including the brands presented below.

The SAFEbuilt Family of Brands

M.T. CAUSLEY, LLC. — A SAFEbuilt COMPANY

MTCI PRIVATE PROVIDER SERVICES, LLC — A SAFEbuilt COMPANY

Calvin, Giordano & Associates, Inc. — A SAFEbuilt COMPANY

INTERWEST — A SAFEbuilt COMPANY

DAL-TECH ENGINEERING, INC. — A SAFEbuilt COMPANY

PA MUNICIPAL CODE ALLIANCE, INC. — A SAFEbuilt COMPANY

WEINTRAUB Engineering and Inspections, Inc. — A SAFEbuilt COMPANY

winston services, inc. — A SAFEbuilt COMPANY

All of our staff have previous experience working directly for or supporting municipalities, giving them a unique insight from "both sides of the table." Taking advantage of our diversified staff's experience and knowledge distinguishes CGA as a professional consultant and allows our team to repeatedly complete projects on-time, under budget, and exceeding expectations while doing so.

In 2018, we joined the SAFEbuilt family of companies, providing our clients with the stability and depth of resources of a national company with service delivery at a local level. CGA provides a comprehensive range of building department services to municipalities throughout Florida. We leverage our extensive local knowledge alongside the broader capabilities of our parent company, SAFEbuilt, to deliver each client the highest levels of service, expertise, and resources.

Today, CGA's 600+ employees support 130 municipal, state, and federal governments, school districts, and higher learning institutions. We provide the same or similar services to the 51 municipal clients presented in the table below.

As part of the SAFEbuilt family of companies, we will focus on continued growth in Florida, implementing new technologies and expanding our services along the way to meet the ever-changing needs of our clients. We will strive to develop new partnerships with organizations and businesses to provide superior services and create an even more comprehensive suite of solutions for their clients. As the world of construction and development continues to evolve, CGA will remain committed to providing its clients with the best solutions, helping them achieve their goals and create a better future.

Subcontractors

The building department services required by the City are part of CGA's core competencies; thus, we will not require subcontractor support for a contract with the City.

Local Office

CGA's office in West Palm Beach will be the City's local project office. The offices are located at the following address: 580 Village Blvd, Suite 325, West Palm Beach, FL 33409 | P: 561.684.6161.

"I use CGA anytime the project success is critical. My commission routinely praises the team at CGA. They make us all look brilliant"
– William "Mac" Serda, Town Manager, Town of Hillsboro Beach, FL

Overall Approach to the Project

Our Building Division always aims to provide efficient, state-of-the-art, customer-friendly services that allow our staff to deliver a code-compliant completed project to the residents, businesses, and the City. To ensure contract success, we promote the importance of communication at every level of our organization. Using leading-edge technology, we can communicate more efficiently with our clients, residents, contractors, co-workers, and support staff. Communication throughout the organization is stressed to ensure our clients are up-to-date on all larger-scale permits in the City. This communication makes the team more efficient in their daily scope of services, e.g., when a large-scale project may be added to the City's tax roll or could provide staff with information regarding a stoppage of work or delay in construction. We believe that knowledge is power, and we strive to provide our clients with as much knowledge about the status of the services we provide as possible.

As part of our approach, we inspire our teams to look at how they perform every task under their purview and look for ways to make these duties run more efficiently to benefit the client, CGA, and themselves. In partnership with the City, CGA will continue to drive efficiencies and innovations and leverage new technologies to serve our client communities.

CGA staff is professional in every way, and our goals are to support the City in its efforts to maintain an efficient and effective building department. All staff will accept directions and instructions while performing their responsibilities independently and professionally with minimal supervision required. CGA conducts training and mentoring throughout the year to ensure that appropriate actions follow this concept. Hiring professional staff is the key to providing exceptional service. As a standard, CGA staff will:

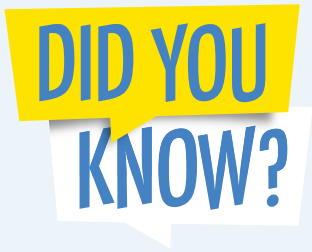
- Be respectful to neighbors, contractors, staff, and supervisors at all times.
- Be professional and courteous at all times.
- Consistently follow the rules and procedures of the City.
- Be able to provide and accept constructive criticism with professionalism.
- Be able to perform their responsibilities successfully, independently, and efficiently in a diverse environment with minimal direct supervision.
- Work reliably on a regular schedule.
- Effectively utilize the City's computer systems.
- Protect confidential information with integrity.
- Attend meetings as required by the City.
- Prepare and record written reports and records of daily activities accurately in the City's system of record.
- Provide professional and accurate interaction with owners, contractors, architects, engineers, neighbors, co-workers, and supervisors.
- Provide services during the hours needed by the City, and be available to respond after-hours emergencies when needed.
- Respond to inquiries via phone or email within 24-hours (next business day) of receipt or sooner.
- Safely operate a motor vehicle in a professional, courteous manner.
- Work effectively with all co-workers regardless of their employer.

Plans Examiners

CGA's plans examiners are dedicated to maintaining meticulous attention to detail and accuracy in their work. They excel in clear written communication for notations and documentation, ensuring that all necessary information is conveyed effectively. Our examiners are also skilled verbal communicators and comfortable engaging with municipal officials, residents, engineers, architects, and design professionals. Additionally, they are adept at managing their time and swiftly transitioning between reviews, balancing competing project schedules to meet deadlines efficiently.

The staff proposed will review permit applications, plans, and other required documents, including shop drawings and product approvals. Plans Examiners create detailed comments regarding conflicts between the plans with applicable codes.

Our proposed Plans Examiners will review plans during the City's normal business hours and after hours and weekends if needed to keep up with increased workflow. The Plans Examiners will approve applications when the file complies with all applicable laws, codes, and ordinances. The review of plans will result in the recommendation of approval, approval with modification, or denial of the plans. If the permit file is deficient, the Plans Examiners will provide concise comments identifying the deficiencies and citing the applicable code section. Our staff will provide the customer with a clear path to approval. The Plans Examiners will also meet with and assist design professionals, contractors, and homeowners to answer questions about the code and its intent.



CGA is the largest employer of BORA-approved staff, enabling us to adjust our workforce to meet our clients' workload demands effectively. This flexibility allows us to scale our team up or down as project volumes fluctuate.

The Plans Examiners will provide plan reviews for clients with schedule constraints or an aggressive schedule at the discretion of the Building Official or Assistant Building Official. All trades or disciplines included in the proposed services will be reviewed to ensure compliance with adopted building, residential and commercial, plumbing, electrical, mechanical, fuel gas, and energy conservation codes, and other City ordinances and state statutes. When the review is complete, all plan reviews will be documented in the City's system of record.

The Proposed Plans Examiners for the City will:

- Examine, review, and analyze construction drawings, plans, and specifications to ensure compliance with adopted local, state, and federal codes, ordinances, policies, and regulations.
- Receive and record incoming plans submitted, providing the customer with the ability to track progress.
- Attend pre-submittal and pre-construction meetings as requested and be available for consultations as needed.
- Process plan review comments and plan review actions via Bluebeam or the City's preferred method for electronic plan review.
- Return all emails/voicemails within 24 hours.
- Determine the scope of the project before plan review.
- Conduct pre-plan review meetings as necessary.
- Review all construction documents and plan sets for all trades within proposed time frames.
- Use compliance checklists during plan reviews.
- Provide (at a minimum) the following in the plan review letter:
  - Cite the applicable construction drawing sheet number(s).
  - Note code section(s) and provide the code language.
  - Provide a brief but concise comment explaining the identified issues.
- Return approved plans/associated documentation to the applicant in a timely and professional manner.
- Provide design advice only in the context of achieving code compliance (written and verbal communication).
- Perform plan reviews within specified time frames.
- Determine and communicate valuation/fee updates to the City.

CGA will follow up on the status of reviews and will incorporate comments into one plan review in order to minimize correspondence. A full review of the plans will be completed so that only the comments sent out for correction need to be reviewed upon resubmittal. All reviews will be sent to the applicant electronically.

A pre-submittal meeting will convene when requested by the applicant or if our Plans Examiners feel it will result in a more seamless plan review process.

A pre-construction meeting will convene when the contractor or building department staff feel it will contribute to a smooth start and ongoing building project. The process includes reviewing inspection requirements, testing, and special reporting requirements. CGA will provide the main points of contact for building department staff and contractor staff contact lists.

Copies of corrections will be entered into the City's system of record. Resubmitted plans shall be submitted directly to the City or shipped or delivered directly to our office.

Following these steps, the applicant pays the appropriate fee to the City, and the permit is issued. By assigning a number at the time of intake, the permit can be tracked by number throughout the life of the project via the jurisdiction's system of record.

Our Plans Examiners can conference with clients and project teams in-person, by phone, or via teleconference or web conference. All transfers of files should be handled directly from the jurisdiction to CGA. Our process has been designed to be not only convenient for our client jurisdictions but also highly convenient for the designers and permit applicants being served.

Bluebeam Revu

Our team typically uses Bluebeam Revu to review plans electronically and in hard copy when customers are unable to use electronic platforms. This system gives all stakeholders the ability to access and manage a master set of digital documents, perform concurrent reviews, and collaborate on the same PDF together in real-time, and includes the following features:

- Industry-standard markups, including text, pen marks, highlights, clouds, CAD symbols, measurements, and text stamps. These tools replicate pen and paper, allowing reviewers to add comments to electronic plans and request revisions efficiently.
- The Tool Chest, where each reviewer can create and save custom tool sets for specific needs.
- A "Compare Documents" feature instantly clouds the differences between drawing revisions.
- An integrated "Markups" list allows technicians to view and track comments during the permitting process and summarize them into a PDF report.

Plan Review Turnaround Time

CGA proposes the following plan review turnaround times for a contract with the City.

Deliverables			
Pre-submittal Meetings	Provide pre-submittal meetings to applicants by appointment.		
Plan Review Turnaround Times 	Provide comments within the following time frames: Day 1 = first full business day after receipt of plans and all supporting documents.		
	Project Type	**First Comments**	**Second Comments**
	Residential within	5 working days	3 working days or less
	Tenant improvements within	5 working days	3 working days or less
	Multi-family within	10 working days	5 working days or less
	New commercial within	10 working days	5 working days or less
	Commercial alteration within	10 working days	5 working days or less
	Stand-alone permits (plumbing, mechanical) within	5 working days	3 working days or less
	Permis for HVAC, water heater, re-roof, etc.	1 working day	<1 working day or less

National Plan Review Program

In addition to the Plans Examiners dedicated to the City of Boynton Beach, we offer backup support from our 48 multi-disciplinary Plans Examiners through our National Plan Review (NPR) program. This service is ideal for managing workload efficiently.

CGA has provided remote plan review services since 2012. During the COVID-19 pandemic, we launched the NPR program to ensure uninterrupted service, and it has grown to include experts in areas such as education, fire, post-disaster, site/civil, seismic, and structural projects. This streamlined process, shown in **Figure 2**, enhances efficiency and reduces costs.

NATIONAL Plan Review

Figure 1. Plan Review Process with Our National Plan Review Team

Our NPR Plans Examiners hold multiple ICC certifications, with ten members achieving ICC Master Code Professional (MCP) status. The team also includes licensed engineers, architects, and trade specialists. Our NPR team can perform the following types of reviews:

- Building
- Residential, Commercial, Industrial, and Emergency
- Accessibility
- Structural/Civil Engineering
- Mechanical
- Plumbing
- Electrical
- Fire
- Health
- Fire Alarm and Sprinkler
- Landscape
- Traffic
- Site Plan Review
- Energy
- Green Building

The benefits of this approach include:

Access to Multi-Discipline Experts: Remote plan review gives the City of Boynton Beach access to highly credentialed Plans Examiners nationwide, providing expertise that would be costly to staff locally.

Concurrent Reviews: National network access allows for concurrent reviews across time zones, speeding up turnaround times and preventing development delays.

Expedited Plan Reviews: The City of Boynton Beach can expedite reviews for clients with tight deadlines or behind-schedule projects.

Eliminating Turnaround Complaints: A strict workflow increases efficiency, reducing delays and ensuring timely reviews.

Remote Access and Transparency: Clients can submit and track their plans online, 24/7, without being restricted by office hours or waiting for updates.

"Reliable. CGA has always been available to help us when we needed them."

— Alex Hernandez, Building Official, City of Coral Springs, FL

Inspectors

Inspectors for all trades and disciplines work with City staff, contractors, builders, owners, and the general public. As such, they must be helpful, patient, and, above all, very knowledgeable of the relevant codes and ordinances. Our Inspectors are trained to take an educational approach when working with our clients and their customers. Before contract start, all team members will refresh their knowledge of codes and ordinances unique to the City. We know that technical competence, while expected, is not enough. Experience and careful consideration of issues and impacts are also critical.

CGA Inspectors will conduct technical field inspections of residential and commercial structures and equipment installations during the various phases of construction, installation, and operation, assuring work conforms to all applicable building codes and approved plans and specifications. The Inspectors will issue written comments if the work is not in accordance with the approved plans or applicable codes. The Inspectors will maintain formal inspection records and process inspection comments and results immediately upon completion—and always within the same business day.

CGA uses GPS routing software to ensure inspections are conducted efficiently and within the allotted time scheduled. Inspection checklists and building guides are accessible from the Inspector's tablets to assist customers in the field. Electronic versions of the codebooks are available on their tablets as well.

The Inspectors will advise and confer with architects, engineers, City personnel, homeowners, contractors, and developers. Questions, concerns, and inquiries will be received and responded to within one business day. The CGA team will be available to the City throughout all construction phases.

The Proposed Inspectors for the City will:

- Review all plans submitted before each inspection.
- Adhere to scheduled inspection times.
- Conduct all inspections within 24-hours of request received by the City's Building Official and Development Services Director.
- Verify approved plans are on site and verify construction has not deviated from approved plans.
- Verify on-site condition is consistent with the appropriate records for square footage, setbacks, heights, and other requirements that may be applicable.
- Use inspection checklists and codebooks during inspections.
- Perform field inspections in accordance with the City's adopted ordinances, codes, and standards.
- Inspect industrial, commercial, residential, and multi-family buildings during various stages of construction and remodeling for compliance with all adopted codes and ordinances of the City of Boynton Beach.
- Analyze sites and buildings undergoing change of use or occupancy, buildings being moved or demolished, and damaged or dilapidated buildings.
- Make decisions regarding compliance with sound engineering practices, codes, and ordinances of the City, State, and Federal agencies and construction methods under the supervision of the Building Official.

- Work with contractors to facilitate appropriate remedies for code violations.
- Issue stop-work notices as needed.
- Enter inspection results into the City's permitting application.
- Result inspections and review reports and comments with the construction contractor on site whenever possible.
- Provide the written inspection results to the City and the client at the conclusion of the inspection.

All inspections will be resulted per the City's guidelines and via their system of record. CGA verifies that all inspection records, including daily records of what was inspected, are entered into the City's system of record. Inspection reports provide information about whether they failed, passed, or need re-inspection. Our team works hard to minimize delays to builders and provide helpful advice and counsel to builders, owners, engineers, and architects to enhance the construction process's orderly flow while maintaining an effective level of enforcement. Inspectors ensure construction changes are documented and approved by appropriate City staff.

Inspection Turnaround Time

CGA's staff will monitor the City system of record for next-day inspections. Most inspections take between 15 minutes and 2 hours to complete, depending on the type of inspection. We offer weekend and after-hours inspections on a scheduled basis for an additional fee. We will, of course, make ourselves available to respond to inspections related to emergencies.

Inspection Services by Type

The individual types of inspections we perform include, but are not limited to:

- Accessibility
- Accessory Building
- Certificate of Occupancy
- Commercial & Residential
- Construction Engineering Inspection
- Construction Load Draw
- Electrical
- Fence
- Irrigation
- Land Use
- Mechanical
- Mobile Home
- New Construction
- On-Site Sewage Facilities
- Plumbing
- Post-Disaster
- Property Maintenance
- Virtual Inspections
- Roof
- Sign
- Site/Civil
- Structural
- Substandard Structure
- Swimming Pool
- Building Safety Inspection Program (BSIP)10 and 25 Year

Staff Training

CGA's and SAFEbuilt leadership have implemented a program that allows employees to access comprehensive training, continuing education, and coaching. The focus on continuing education ensures that staff stays up to date with local, state, and federal codes, regulations, amendments, and the latest best practices, reducing the need for constant reference to code books in the field.

All building services staff receive a minimum of 40 hours of training per calendar year—48 hours per calendar year for every new code adoption year. Our commitment to our employees' well-being, continuing education, and competitive compensation enable us to keep our staff retention at optimum levels.

SAFEbuilt Academy

The SAFEbuilt family of companies is committed to ensuring our people remain at the forefront of occupational skills. We offer a program called SAFEbuilt Academy, which provides online technical training to work with our building services staff's schedules. Our company strongly supports maintaining training certifications and encourages employees to work with their managers to identify and attend the best training opportunities for them.

All courses offered by SAFEbuilt Academy are approved by ICC, and most can provide dual credit through AIA. The 38 courses that SAFEbuilt Academy currently offers include Commercial and Residential Building, Mechanical, Electrical, Plumbing, Fire, Solar Inspector and Plan Review and Permit Technician certification courses, and more.

ICC Preferred Provider

SAFEbuilt is recognized as an ICC Preferred Provider (#1104), offering approved continuing education and training related to International Codes. As a part of the International Code Council's (ICC) Preferred Provider Program, SAFEbuilt provides access to high-quality educational opportunities focused on building codes, standards, construction methods, and code enforcement practices. Through this program, SAFEbuilt ensures professionals stay updated with the latest industry requirements and advancements.

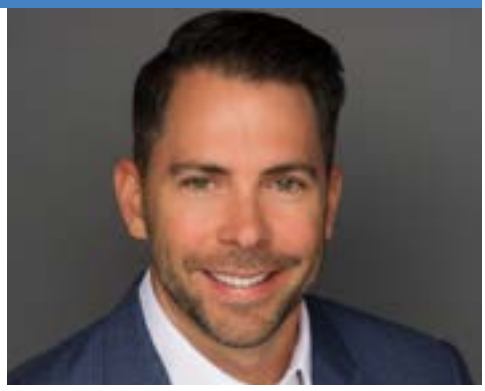
Contract Oversight and Leadership

CGA believes that maintaining frequent and consistent check-ins between account management, operations, and our clients are key to the early identification of performance risks and contribute to contract success. Your Account Manager, **Ms. Maria Pineda**, will reach out to the City with regular check-in meetings to ensure the City is satisfied with our services. These meetings allow both parties to manage the resources tactfully and develop the best contractor-client relationship.

CGA'S LEADERSHIP TEAM FOR THE CITY OF BOYNTON BEACH

Maria Pineda
Account Manager
561.696.3496
mpineda@safebuilt.com

Pete Deveaugh
Regional Operations Manager and Project Manager
954.444.3581
pdeveaugh@cgasolutions.com



Chris Giordano
Principal-in-Charge and President
954.266.6475
marketing@cgasolutions.com

As the Account Manager for this contract, Ms. Pineda will act as an intermediary between CGA and the City to meet the City's needs for information, support, and assistance. In turn, she helps SAFEbuilt to better understand the City's needs, expectations, and difficulties.

Mr. Pete Deveaugh is the Regional Operations Manager and will be the Project Manager for an engagement with the City. He will be responsible for contract oversight, ensuring the project operates in accordance with contract terms. He will perform periodic check-ins with the City to ensure staffing levels are sufficient for the current workload.

Mr. Chris Giordano, President of CGA, takes a hands-on approach with our major contracts. He ensures that our company enters into contracts that benefit both our clients and CGA, meets all applicable legal and regulatory requirements, and is consistent with the organization's overall goals and objectives.

Together, Ms. Pineda, Mr. Deveaugh, and Mr. Giordano are dedicated to ensuring that the City receives high-quality work products in the format required and providing staff trained and briefed on the City's specific requirements to deliver services promptly.

Tab C

Qualfications of Project Team and Available Resources

Approach

CGA thoroughly screens prospective personnel for the right experience and qualifications to perform their assigned duties. With 87 years of industry experience, we are very familiar with each position's requirements within the different building services disciplines. We look for candidates with a well-rounded background in the building services and construction industries, a passion for customer service, and a drive to get the job done correctly and on schedule. We actively seek self-motivated, personable candidates who can seamlessly integrate into any team. Our team is driven to expedite code-compliant projects to completion.

We assure our clients that we will provide résumés only for the staff we genuinely intend to dedicate to your project, with any necessary adjustments subject to the City's approval. Our approach focuses on ensuring that the proposed team is committed to the client's needs and project goals.

CGA is pleased to present our proposed team of qualified professionals, as shown in **Figure 1**, to provide supplemental Building Division services for the Community Development Department. Collectively, our team brings more than 405 years of experience in providing building department services to the City of Boynton Beach. Each team member has earned and maintains the required State of Florida certifications for the inspection, plan review, and building code official disciplines they support. We present a matrix summarizing our team's many licenses and certifications on the following page.

Mr. Pete Deveaugh, a seasoned expert with 45 years of experience in building department and construction services, will serve as **Project Manager**, leading our team of inspectors, plans examiners, and permit technicians. As CGA's Operations Manager for South Florida since 2016, Mr. Deveaugh brings extensive knowledge of all aspects of building department support in the region. He currently oversees operations for seven (7) full-service municipalities, along with providing supplemental services to several others as needed.

The proposed Project Manager position is a value-added role we provide at no cost to the City. This role offers additional oversight for the team and plays a crucial role in coordinating scheduling, ensuring timely project completion. As the Project Manager, Mr. Deveaugh will monitor the inspection and review processes closely, address any issues promptly, and coordinate between various departments to streamline communications and workflows, ultimately contributing to higher-quality project outcomes for the City.

Fully utilizing our diversified staff's experience and knowledge with our ability to create and utilize leading technology to streamline the permitting process, we are able to routinely complete plan review and inspections ahead of contractual requirements. Every member of our proposed team is a full-time employee with CGA, which means we do not utilize 1099 or subcontracted employees to subsidize our staff.

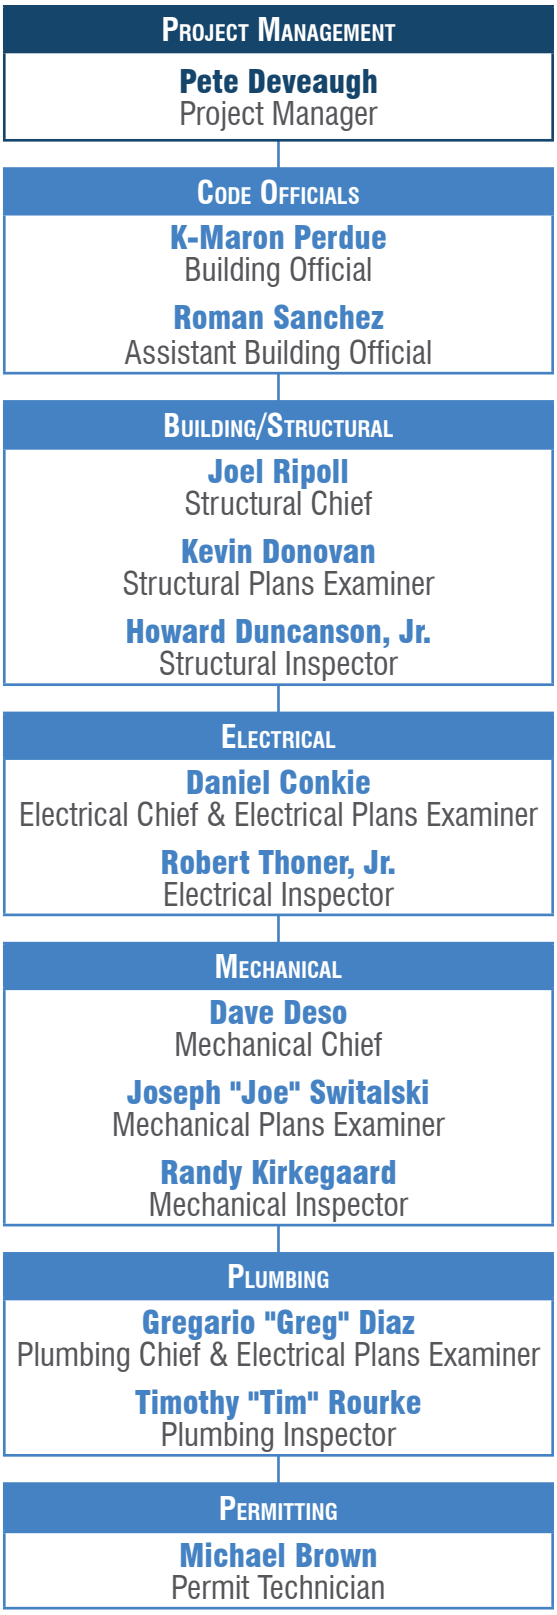


Figure 2. Proposed Team for the City of Boynton

CGA is confident that we can provide the staff you require when needed. Our model offers real advantages to the City, providing flexibility and a sense of security, knowing that reliable expertise is always on hand, without the hassle of the staffing issues or fixed costs that come with an in-house department. We can quickly increase or decrease employee size through our scheduling process, and our commitment to service delivery for the City is always number one.

Licenses & Certifications Summary Matrix

The following matrix summarizes the many licenses and certifications earned and maintained by our talented team.

Professional and Trade Services Staff

The table below lists the number of CGA staff by discipline.

Discipline	Staff Count
Building Inspection	290
Plan Review	71
Code Enforcement	19
Planning & Zoning	20
Parks, Onsite, Operations & Maintenance	106
Construction Engineering & Inspection	26
Engineering & Surveying	24
Landscape Architecture	11
Overhead	36
Total	**603**

Litigation

Customer satisfaction is CGA's primary objective for every project undertaken by the firm. As such, CGA endeavors to complete each project on time and within budget. CGA is proud to assert that CGA has not failed to provide products, perform services, or furnish goods for which we have been contracted.

CGA has no pending or completed litigation, claims made, investigations, and/or sanctions by the SEC, MSRB, or other similar entities, contract disputes or defaults and liens arising due to company performance or any current or former services during the past five years to report.

Tab D

Current and Projected Workload

Current and Projected Workload

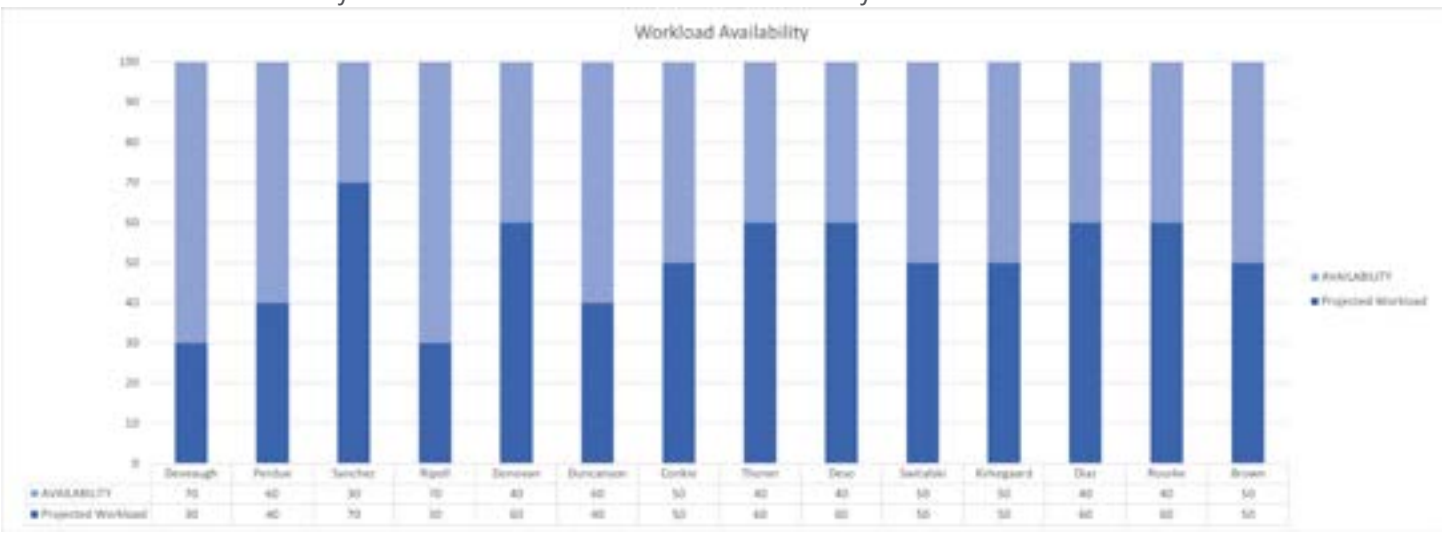
Historically Projects Handled by the Proposer's Key Project Personnel

Historically, our assignation of workload to each project manager is generally predicated on the amount of effort necessary to complete each project. Large, complex and multi-disciplinary projects require a greater involvement from the project manager than small, simple projects. Because of the variation in needs present across different project types, the ranges provided only serve to indicate the average number of projects each PM is generally assigned to. Our internal work assignation determinations are ultimately based on an evaluation of the overall workload availability of the project manager compared to the specific needs and anticipated demands of each unique project. As a threshold, our internal best practices always seek to ensure that PMs carry a workload that doesn't exceed a workload demand of 80%, always allowing for a 20% availability to address unexpected, unforeseen situations that may arise on any project at any time. This guarantees our ability to remain flexible, responsive and available to our clients.

	Pete Deveaugh	K-Maron Perdue	Roman Sanchez	Joel Ripoll	Kevin Donovan	Howard Duncanson	Daniel Conkie	Robert Thoner	Dave Deso	Joseph Switalski	Randy Kirkegaard	Greg Diaz	Tim Rourke	Michael Brown
Assigned Project Workload	4-5	2-3	2-3	1-2	2-3	1-2	2-3	2-3	1-2	1-2	2-3	2-3	1-2	1-2

Projected Workload

CGA has sufficient staff to support the projects under this contract because we serve as municipal staff, and in keeping with our reputation of being promptly responsive, we ensure that availability of our staff never goes below 40 percent for our senior staff and 30 percent for our technical support staff, amending our staffing needs as necessary. This is a strategy that we maintain to allow us to meet the impromptu and unexpected demands of all of our clients without sacrificing the needs of others. CGA guarantees that we will have the necessary staff to meet all the needs no matter what they are.

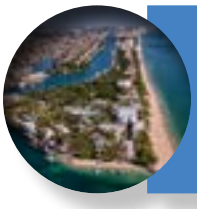


Tab E

References

Relevant Experience

We present the three projects listed below as our references in the completed portal section online.

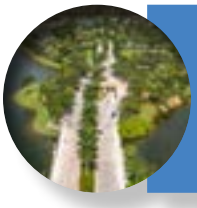


Town of Hillsboro Beach

Client Since 2018

"Love the staff I work with. They are top-notch!"

– William "Mac" Serda, Town Manager, Town of Hillsboro Beach, FL



City of Pembroke Pines

Client Since 2009

"The CGA building department team assisted the City with the deployment of our online (Tyler) permitting platform...Their team was a valuable resource in this endeavor."

– Michael Stamm, Director of Planning & Economic Development, City of Pembroke Pines, FL

City of Parkland

Client Since 2017

"CGA has provided building code services to Parkland for the past 10 years. We have never had an issue with the service they have provided."

– Bill Tracy, Building Official, City of Parkland, FL

Project Showcase

CGA proudly supports communities across South Florida by handling all types of permits, both large and small, residential and commercial. We are committed to delivering thorough reviews and inspections for every permit, whether it's a simple water heater replacement or a 100,000 ft² commercial building. The following project summaries showcase just a few of the many projects the proposed team has supported for our clients in Broward County.

NE Focal Point at Braithwaite Center for Active Aging

Deerfield Beach, FL | 2021 – 2024

The 22,000 ft² center offers a wide range of activities designed to enhance the quality of life and promote independence for seniors aged 60 and older. The facility includes an Alzheimer's and Adult Day Care Center, providing respite services for caregivers and specialized programs for individuals with cognitive disorders such as Alzheimer's disease and dementia.

CGA provided comprehensive plan review and inspection services throughout the construction of the $13.6M facility.

Memorial Cancer Institute

Pembroke Pines, FL | 2021 – 2023

CGA provided ongoing plan review and inspection services for the construction of a state-of-the-art, 4-story, 121,000+ ft² outpatient cancer center. Designed to support cutting-edge research, clinical trials, and advanced cancer treatments, the facility offers comprehensive services, including cancer screening and diagnostics, radiation therapy, chemotherapy, cellular therapies, surgery, and integrative medicine.

The center features 63 exam rooms—more than doubling the previous capacity of 29—along with 51 private infusion suites, up from 38. This $125 million project includes:

- A 4-story atrium and main lobby
- Radiation Oncology, Hematology Oncology, Breast Cancer Center
- Infusion bays, pharmacy, and laboratory services
- Clinic support areas
- Center for Body, Mind, and Spirit
- Meditation room, café, and rooftop garden

This facility sets a new standard for comprehensive cancer care, significantly expanding the health system's ability to serve patients.

Johnny L. Tigner Community Center

Deerfield Beach, FL | 2023 – 2024

CGA provided plan review and inspection services for the construction of a new two-story, 14,000 ft² community center, valued at nearly $16 million. The facility features a banquet hall, multipurpose spaces for diverse programs, and general support areas, all designed to meet a wide range of community needs

Appendix A

Additional Information

Additional Capabilities and Value-Added Services

The following briefly describes a few of the services and capabilities that CGA offers that may be of interest and benefit to the City.

Fire Services

Our proposed team includes certified professionals who provide quality residential and commercial fire services at every phase of the project—before construction, during construction, and ongoing fire deterrence and compliance. We offer a complete range of services that can be customized to your needs, including:

- Life Safety and Plan Review
- Fire Site Plans
- Fire Alarm Plans
- Fire Sprinkler Plans
- Sprinkler and Fire Extinguishing System Inspections
- Fire Alarm System Inspections
- Fire Main and Pump Inspections
- Storage Tank Inspections
- Annual Inspections of Schools and Commercial Properties
- Fire Education Programs
- Property Loss Mitigation, Consultation and Inspection
- Fire Investigation

Disaster and Emergency Response Support

CGA is prepared to offer comprehensive disaster recovery support for any event. We have first-hand experience establishing a post-disaster building department and will be on the ground with a dedicated team for the City to facilitate a sustained recovery. Our services include reviewing applicable standards, permit review, building inspection services for compliance, plan review, and on-site plan inspection services. We have successfully delivered these services to many post-disaster clients when needed.

Grant Writing and Management

From identifying opportunities and crafting competitive applications, to diligent project delivery and proactive follow-up, our grant writing group will help you customize a plan to secure critical funding for your projects and programs.

With local, regional, state, and federal grant expertise, our team not only simplifies the application process for our clients, but also significantly boosts the probability of securing funding. Our strategic approach and deep understanding of grant mechanisms enhances your chances of success at every level, ensuring that your project receives the financial support it deserves.

Calvin, Giordano & Associates, Inc.
A SAFEbuilt COMPANY

CommunityCore Solutions: Community Development Software

CommunityCore Solutions is SAFEbuilt's (CGA's parent company's) proprietary, online community development software tool for managing permitting, plan reviews and approvals, and code enforcement and inspection activities. CommunityCore integrates with other government software systems. It is designed to streamline and automate many building department processes, helping to ensure compliance, manage workflows, generate activity reporting, and provide transparency to all stakeholders.

CommunityCore is divided into three interface modules, depending on the user.

CommunityCore POWERED BY SAFEbuilt

CommunityCore for Building Departments

Users of CommunityCore can:

- Manage permit applications and permits throughout their life cycle.
- Assess fees and collect payment.
- Manage contractor and business licenses.
- Create and track projects.
- Manage how the system works for you by customizing workflows, defining customer permit fields, and managing users.
- Generate reports.

CommunityConnect POWERED BY SAFEbuilt

CommunityConnect for Contractors & Communities

Users of CommunityConnect can:

- Apply for permits.
- Track existing permits.
- Upload plans.
- Request inspections.
- Access permit documents, including permit certificates and plan reviews.
- View inspection results.
- Pay fees.

InspectorConnect POWERED BY SAFEbuilt

InspectorConnect for Code Enforcement

Inspectors and Code Compliance Officers can use InspectorConnect to:

- Easily view their assigned work.
- Organize stops for improved efficiency.
- Automatically send inspection results to the contractor or permit applicant.
- Access key documents, such as plans and certificates.
- Schedule, reschedule, or assign inspections in the field.
- Look up permit information from the field.

Created by people who have worked in building departments like yours, CommunityCore Solutions are simple yet flexible enough to handle the work you and your team do every day. We offer a genuinely unique combination—large company strength and stability together with small company personalized and responsive support.

If the City of Boynton Beach chooses CGA as its service provider for this RFP, we offer CommunityCore Solutions—typically valued at $150,000.00—at no extra charge for up to three users. We can provide a demonstration and will also offer a comprehensive assessment, complete implementation, project management services, and estimates for data migration from your current system or spreadsheets.

In the meantime, we invite you to watch a recent webinar, "Understanding Electronic Permitting Systems," for a quick overview:

Appendix B

Acceptance of Terms

Acceptance of Terms

After careful review of the terms of the RFP and the sample Professional Services Agreement provided with the RFP, CGA's Contracts and Legal team respectfully request the following modifications to the sections of the agreement cited below.

Refer To:	Modification Request:
Page 43, Professional Services Agreement, 22 Termination	a. Termination for Convenience. This Agreement may be terminated by either Party for convenience upon fourteen (14) calendar days of written notice. In this event, the Consultant shall be compensated for services performed through the termination date, including services reasonably related to termination. **Consultant shall not be responsible or liable in any manner for City's use of unfinished work product or documents.** b. Termination for Cause. In addition to all other remedies available to the aggrieved Party, this Agreement shall be subject to cancellation by either Party for cause, should the other Party neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for thirty (30) calendar days after receipt by the defaulting Party of written notice of such neglect or failure. c. In the event of termination, the City shall compensate the Consultant for all authorized work **satisfactorily** performed through the termination date under the payment terms contained in this Agreement. Consultant shall immediately deliver all documents, written information, electronic data, and other materials concerning City projects in its possession to the City and shall cooperate in transitioning its consulting duties to appropriate parties at the direction of the City. d. Upon termination, this Agreement shall have no further force or effect, and the Parties shall be relieved of all further liability hereunder, except that the provisions of this section and the provisions regarding property rights, insurance, indemnification, governing law, and litigation shall survive termination of this Agreement and remain in full force and effect.
Page 43-44, Professional Services Agreement, 23 Indemnification	23. INDEMNIFICATION. Consultant shall indemnify and hold harmless the City and its elected and appointed officers, agents, assigns and employees, consultants, separate Consultants, any of their subconsultants, or sub-subconsultants (collectively, "Indemnified Party"), from and against **third-party** claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the Indemnified Party **to the extent** arising out of or resulting from (A) Consultant's **negligent** performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Consultant's, its agents, employees, subcontractors, subconsultants, participants, and volunteers, and (C) Consultant's failure to take out and maintain insurance as required under this Agreement. Consultant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind or nature against an Indemnified Party, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon **to the extent arising out of the negligent, willfull misconduct of Consultant's, its agent and employees.** The obligations of this section shall survive indefinitely regardless of termination of the Agreement. If considered necessary by the City and the City Attorney, the City may retain any sums due Consultant under this Agreement until all claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the City. **Consultant's obligations under this Section 23 are contingent upon timely notice of any Losses, such that defense of the Losses is not compromised, and the Indemnitees cooperation in defending the Losses.** **23. EXCEPT WITH RESPECT TO PAYMENT OBLIGATIONS, IN NO EVENT SHALL THE LIABILITY OF CITY OR CONSULTANT UNDER THIS AGREEMENT FROM ANY CAUSE OF ACTION WHATSOEVER (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER LEGAL THEORY, AND WHETHER ARISING BY NEGLIGENCE, INTENTIONAL CONDUCT, OR OTHERWISE) EXCEED THE GREATER OF THE AMOUNT AVAILABLE LIMITS OF CONSULTANTS INSURANCE REQUIRED PURSUANT TO SECTION 24, BELOW.**

Refer To:	Modification Request:
Page 45, Professional Services Agreement, 29 Assignment	If this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered under any circumstances by Consultant, Consultant must gain prior written consent from City thirty (30) business days before such transfer. **Written consent shall not be unreasonably withheld or delayed.** For purposes of this Agreement, any company ownership change shall constitute an assignment that requires the City's approval. Notwithstanding the foregoing, Consultant may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Consultant shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.
Page 46, Professional Services Agreement, 34 Righst in Deocuments and Work	a. Ownership. Any and all videos, photographs, documents, materials, data, or other work created by Consultant in connection with performing services, whether finished or unfinished ("Documents and Work"), shall be owned by City, and Consultant hereby transfers to City all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work. **Notwithstanding any provision of this Agreement to the contrary, Consultant shall have no liability, including under Section 23, with respect to (i) the use by City of unfinished or draft Documents and Work or (ii) the use of Documents and Work for any project other than that for which they were prepared or (iii) the use of Documents and Work after a change in applicable codes or law.** b. Deliverables Upon Conclusion of Task Order. Consultant shall deliver to the City for approval and acceptance, and before being eligible for final payment of any amounts due under any Task Order, all documents and materials prepared for the City in connection with the Task Order. All such documents and records shall be provided within a reasonable time at no additional cost. Such documents may be provided electronically. c. Delivery Upon Expiration or Termination of Agreement. Upon expiration or termination of this Agreement, the Documents and Work shall become the property of City and shall be delivered by Consultant to City within seven (7) days after expiration or termination. Any compensation due to Consultant may be withheld until all Documents and Work are received as provided in this Agreement. Consultant shall ensure that the requirements of this section are included in all agreements with all subconsultant(s). d. Reuse of Project Documents. City may, at its option, reuse (in whole or in part) the resulting end- product or deliverables resulting from Consultant's Services (including, but not limited to, drawings, specifications, other documents, and services as described herein and in the applicable Scope of Services for any Task Order) **upon** ~~**; and**~~ Consultant's **consent**. ~~**agrees to such reuse in accordance with this provision.**~~

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 10/2/2024

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ **Go to *www.irs.gov/FormW9* for instructions and the latest information.**

Give Form to the requester. Do not send to the IRS.

Print or type. See **Specific Instructions** on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

Calvin, Giordano & Associates, Inc.

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☑ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

1800 Eller Drive, Suite 600

Requester's name and address (optional)

6 City, state, and ZIP code

Fort Lauderdale, FL 33316

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–		–				

or

Employer identification number

6	5	–	0	0	1	3	8	6	9

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ Jesus Cruz Date ▶ 2/12/2024

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

NOTICE TO PROPOSERS

REQUEST FOR PROPOSALS
FOR
PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES

RFP No. BD25-014R

Electronic Requests for Proposals (RFPs) shall be received by the e-procurement system up until **November 26, 2024; No Later Than 3:00 P.M. (Local Time);** unless specified otherwise and may not be withdrawn within (90) days after such date and time.

All RFPs received will be publicly opened and acknowledged of receipt by the City's e-procurement system electronically. The e-procurement system does not permit RFPs received after the assigned date and time. For the above reasons, it is recommended that the proposer(s) allow sufficient time to complete your online Submission and to resolve any issues that may arise.

ATTENTION, ALL INTERESTED RESPONDENTS:

To obtain documents online, please visit Boynton-beach.bidsandtenders.net. Documents are not provided in any other manner.

SCOPE OF SERVICES:

The City of Boynton Beach "City" Building Division is requesting sealed proposals from qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors" Business Inspector, and Application Technician on an as-needed basis.

The City intends to award a contract with an initial term of **Three (3) Years with One (1) Two-Year Renewal period.**

The City reserves the right to award to more than one firm. The firm(s) shall act as an independent contractor and not as an employee of the City.

Questions related to this RFP are to be submitted to the Purchasing representative through the e-procurement system only by clicking on the "Submit a Question" button for this specific Solicitation.

PRE-PROPOSAL CONFERENCE:

A **NON-MANDATORY** Pre-Proposal Conference & Site Visit is scheduled for **November 8, 2024, at 10:00 AM**. to be held at City of Boynton Beach City Hall Room 115, 100 East Ocean Avenue, Boynton Beach, Florida 33435.

The purpose of this meeting is to provide a forum for all concerned parties to discuss the proposed term contract, answer questions on the solicitation document, review the qualifications requested, provide instructions for submitting proposals, and discuss other relevant issues.

In the event that any discussions or questions at the pre-proposal meeting require, in the City's opinion, official additions, deletions, or clarifications of the solicitation or any other document, the City will issue an addendum to this Request for Proposals, as the City determines is appropriate.

No oral representation or discussion taking place at the pre-proposal meeting will be binding or may be relied upon by any person or entity. All questions prior to the pre-proposal meeting should be submitted in writing through the City's e-procurement system by the deadline for questions.

The firm's proposal will be rejected if the proposer does not attend the pre-proposal conference & site visit.

LOBBYING / CONE OF SILENCE:

Consistent with the requirements of Chapter 2, Article VIII, Lobbyist Registration, of the Palm Beach County Code of Ordinances, Boynton Beach imposes a Cone of Silence. A cone of silence shall be imposed upon each competitive solicitation as of the deadline to submit the proposal, bid, or other response and shall remain in effect until the City Commission awards or approves a contract, rejects all bids or responses, or otherwise takes action that ends the solicitation process. While the cone of silence is in effect, no proposer or its agent shall directly or indirectly communicate with any member of the City Commission or their staff, the Manager, any employee of Boynton Beach authorized to act on behalf of Boynton Beach in relation to the award of a particular contract or member of the Selection Committee in reference to the solicitation, with the exception of the Purchasing Manager or designee. (Section 2-355 of the Palm Beach County Code of Ordinances.) Failure to abide by this provision may serve as grounds for disqualification for award of contract to the proposer. Further, any contract that violates the cone of silence shall render the transaction voidable.

The cone of silence shall not apply to oral communications at any public proceeding, including pre-bid conferences, oral presentations before Selection Committees, contract negotiations during any public meeting, presentations made to the City Commission, and protest hearings. Further, the cone of silence shall not apply to contract negotiations between any employee and the intended awardee, any dispute resolution process following the filing of a protest between the person filing the protest and any employee, or any written correspondence with Boynton Beach as may be permitted by the competitive solicitation. Additionally, the cone of silence shall not apply to any purchases made in an amount less than the competitive solicitation threshold set forth in the Purchasing Manual.

PUBLIC RECORDS DISCLOSURE:

Pursuant to Florida Statutes §119.071, sealed Bids, Proposal or Responses received by the City in response to a Request for Proposal, Request for Qualification or Invitation to Bid are exempt from public records disclosure requirements until thirty (30) days after the opening of the Proposals/Bids unless the City announces intent to award sooner. If the City rejects all Responses submitted in accordance with a Request for Proposal/Qualification or Invitation to Bid, and the City concurrently provides notice of its intent to reissue the competitive solicitation, the rejected Responses remain exempt from public disclosure until such time as the City provides notice of a decision or intended decision concerning the competitive solicitation or until the City withdraws the reissued competitive solicitation. A Bid, Proposal, Response, or reply is not exempt for longer than twelve (12) months after the initial City notice rejecting all Bids, Proposals, or replies.

CITY OF BOYNTON BEACH

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES
RFP No.: BD25-014R

SECTION I – INSTRUCTION TO PROPOSERS – SUBMISSION REQUIREMENTS

Procurement Definition: A Request for Proposal (RFP) is a method of procurement permitting discussions with responsible offerors and revisions to proposals prior to the award of a contract. The consultant's qualifications, experience, and price will be factors in the evaluation.

Proposals will be evaluated by an evaluation committee based on the criteria set forth in SECTION IV.

1.0 DEFINITIONS

Whenever the following terms appear in the Proposal, the intent and meaning shall be interpreted as follows:

"Addenda"
Written or graphic instruments issued before opening Solicitations that clarify, correct, or change the solicitation requirements or the contract document.

"Agreement"
The written agreement between the City and the Consultant covering the scope of work to be performed, including other Contract Documents attached to the Agreement and made a part thereof. The words "Agreement" and "Contract" are used interchangeably.

"City" or "Owner"
The City of Boynton Beach, Florida, a municipal corporation of the State of Florida

"Contract Administrator"
The Department's Director or some other employee expressly designated as Contract Administrator in writing by the Director, who is the representative of the City concerning the Contract Documents.

"Contract Documents"
The contract documents consist of this Agreement, conditions of the contract (General, Supplementary, and other Conditions), of this Solicitation, all addenda issued prior to, all modifications issued after execution of this Agreement, Notice of Award, Notice to Proceed, Certificate(s) of Insurance, Bonds and any additional modifications and supplements, Change Orders and Work directive changes issued on or after the effective date of the Contract. These contract documents form the Agreement, and all are as fully a part of the Agreement if attached to this Agreement or repeated therein.

"Consultant"
The individual or firm who successfully receives the award for work to be completed as defined by this solicitation. Also referred to as Successful Proposer.

Effective Date of the Agreement
The date indicated in the Agreement on which it becomes effective, but if no such date is indicated it means the date on which the Agreement is signed and delivered by the last of the two parties to sign and deliver.

"Evaluation Committee"
City Staff and /or outside consultants or subject matter experts who are assigned to evaluate the submitted proposals.

"Interested parties"
Firms or proposers interested in the solicitation and plan to eventually become proposers.

"Notice to Proceed"
A written notice given by the City to the Consultant fixing the date on which the Contract Time will commence to run and on which the Consultant shall start to perform the Consultant's obligations under the Contract Documents. Such Notice is to be issued by the project Contract Administrator.

"Online e-procurement system" or "e-procurement system"
The City of Boynton Beach's solicitation management system is "bids&tenders."

"Procurement Services"
The Procurement Division - Department of Finance of the City of Boynton Beach.

"Proposer/Offeror/Responder"
Any individual, firm, or corporation submitting a proposal for this project, acting directly or through a duly authorized representative. For the purpose of this solicitation, the terms "Offeror" and "Proposer" are used interchangeably and have the same meaning.

"Request for Proposals (RFP)"
A method of procurement permitting discussions with responsible offerors and revisions to proposals prior to the award of a contract.

"Sub-Consultant"
Any person, firm, entity, or organization, other than the employees of the Consultant, who contracts with the Consultant to furnish labor, or labor and materials, in connection with the work or services to the City, whether directly or indirectly, on behalf of the Consultant.

"Responsible Proposer"
This means a person or firm capable of fully performing the requirements in the RFP and agreement and having the tenacity, perseverance, experience, integrity, reliability, capacity, facilities, equipment, and credit to ensure good faith performance.

"Responsive Proposer"
This means a Person or firm who has submitted a Proposal that conforms in all material respects to the requirements outlined in this RFP.

"Written Amendment"
A written amendment of the Contract Documents, signed by the City and the Consultant on or after the Effective Date of the Agreement and typically dealing with non-technical aspects rather than strictly work-related aspects of the Contract Documents.

"Unit Price or Hourly Wage Work"
Work to be paid for based on unit prices outlined within the RFP.

"Task Order, Work Order, Project, Services, or Program"
All matters that will be required to be done by the Consultant in accordance with the Scope of Work, Terms and Conditions and Special Provisions of this RFP.

The following instructions are given to guide Proposers inadequately preparing their response. These directions have equal force and weight with the specifications, and strict compliance is required with all provisions.

1.1 DEPARTMENTS WITHIN THE CITY OF BOYNTON BEACH

Anytime the City releases a new solicitation, it will contain a prefix of one of the following types:

AC = Arts and Culture
BD = Building Department
CC = City Clerk
CW = Citywide
CS = Community Standards
DS = Development Services
FIN = Financial Services
FR = Fire Rescue
GO = Golf
HR = Human Resources
ITS = Information Technology Solutions
LIB = Library
PLDEV = Planning and Development
PUBA = Public Affairs
PW = Public Works
PWE = Public Works Engineering
PD = Police Department
RP = Recreations and Parks
UTL = Utilities

This prefix will denote the department responsible for initiating the solicitation request.

1.2 TYPES OF SOLICITATIONS PROVIDED BY THE CITY

Anytime the City releases a new solicitation, it will contain a suffix of one of the following types:

B = Invitation for Bid (ITB)
R = Request for Proposal (RFP)
L = Letter of interest (LOI)
Q = Request for Qualifications (RFQ)
RQ = Request for Quote (RFQ)

This suffix will determine what type of solicitation the City will be procuring.

The City reserves the right to add any additional solicitation types at any time.

1.3 ONLINE E-PROCUREMENT SYSTEM – (bids&tenders)

A. The City of Boynton Beach utilizes an electronic online e-procurement system service to notify and distribute its solicitation documents; please visit Boynton-beach.bidsandtenders.net.
B. To obtain documents online, please visit Boynton-beach.bidsandtenders.net.
C. Before registering for the opportunity, you may preview the solicitation documents with a Preview Watermark. Documents are not provided in any other manner.
D. Proposers are cautioned that the timing of their Submittal submission is based on when the Submittal is RECEIVED by the e-procurement System, not when a Submittal is submitted, as the Submittal transmission can be delayed due to file transfer size, transmission speed, etc.
E. For the above reasons, sufficient time is recommended to complete your RFP Submission and resolve any issues that may arise. The online e-procurement system's web clock shall determine the closing time and date.
F. Proposers should contact bids&tenders support listed below at least twenty-four (24) hours prior to the closing time and date if they encounter any problems.
G. The e-procurement system will send a confirmation email to the Proposer advising that their submittal was submitted successfully. If you do not receive a confirmation email, contact bids&tenders support at support@bidsandtenders.net.

1.4 EXAMINATION OF CONTRACT DOCUMENTS

A. Before submitting a Proposal, each Offeror must visit the site (if applicable to the project) to become familiar with the facilities and equipment that may in any manner affect cost or

performance of the work; must consider federal, state, grant requirements (if Applicable) and local laws, ordinances, rules and regulations that may in any manner affect cost or performance of the work, must carefully compare the Offeror's observations made during site visits or in review of applicable laws with the Proposal Documents; and must promptly notify the Procurement Officer of all conflicts, errors and discrepancies, if any, in the Proposal Documents.

B. The Offeror, by and through the submission of a Proposal, agrees that it shall be held responsible for having examined the facilities and equipment (if applicable), is familiar with the nature and extent of the work and any local conditions that may affect it, and is familiar with the equipment, materials, parts, and labor required to perform the work successfully.

1.5 ELIGIBILITY OF PROPOSER

To be eligible to respond to participate in this RFP, the proposing firm or principals must demonstrate that they, or the principals assigned to the contract, have successfully provided services similar magnitude as those specified in SECTION II. SCOPE OF WORK (SERVICES) of this solicitation to at least one city similar in size and complexity to the City of Boynton Beach or can demonstrate they have the experience with large-scale private sector clients and the managerial and financial ability to perform the services successfully.

1.6 QUALIFICATIONS OF PROPOSERS

A. No e-submission will be accepted from, nor will any contract be awarded to, any person who is in arrears to the City of Boynton Beach upon any debt or contract or who has defaulted, as surety or otherwise, upon any obligations to the City, or who has been deemed irresponsible or unreliable to the City.

B. The City is not required to award any jobs to a Consultant based solely on their lowest e-submission price.

C. Awards will be based on past performance and quality of work in addition to the Consultant's RFP response.

D. If selected for a contract, all Consultants must perform to the satisfaction of the City before being considered for award of additional contracts.

E. Consultants whose performance is unsatisfactory shall be subject to debarment or suspension.

1.7 PRE-PROPOSAL CONFERENCE

The City may hold a pre-proposal conference for this project. The information regarding such a meeting will be noted on the 1st page of this document.

1.8 QUESTIONS AND ADDENDA ON THIS SOLICITATION

From time to time, the City may issue an addendum to change the intent or to clarify the meaning of the Contract Documents. Since all addenda are available to Proposers through the City's e-Procurement system Boynton-beach.bidsandtenders.net, it is the responsibility of each Proposer to have received ALL addenda issued.

Proposers should check online at Boynton-beach.bidsandtenders.net before submitting their proposal and until the proposal closing time and date in the event, to ensure no additional addenda are issued.

If a Proposer submits their proposal before the solicitation closing time and date and an addendum has been issued, the e-procurement system shall WITHDRAW the proposal.

The submittal status will change to an INCOMPLETE STATUS, and the Proposal will be withdrawn. The Proposer can view this status change in the "MY BIDS" section of the e-procurement system.

A. The Proposer is solely responsible for creating any required adjustments to their Proposal, acknowledging the addenda, and ensuring the re-submitted Proposal is RECEIVED by the e-procurement System no later than the stated Proposal closing time and date.

B. The Proposer is responsible for submitting written questions or requesting clarification for items included in this solicitation through bids&tenders.
C. Any and all responses to questions or inquiries, interpretations, and supplemental instructions will be in the form of a written addenda, which, if issued, will be posted through bids&tenders.
D. No verbal interpretations may be relied upon.
E. Failure of any proposer to receive any such addenda or interpretation shall not relieve any Proposer from any obligation under a response as submitted. All addenda so issued shall become a part of the solicitation document.
F. Proposer shall acknowledge receipt of any addenda through the e-procurement system by checking a box for each addenda and any applicable attachment.
G. It is the Proposer's responsibility to have received all issued addenda. Proposers should check online at Boynton-beach.bidsandtenders.net prior to submitting their Submittal and up until the solicitation closing time and date in the event additional addenda are issued.
H. If any interested parties have received this RFP packet from a source other than bids&tenders directly and the Interested Party is not registered with bids&tenders, they must register with bids&tenders.
I. No negotiations, decisions, or actions shall be initiated by the Proposer as a result of any discussions with a City employee.
J. Only those communications in writing from the Purchasing Division may be considered a duly authorized expression. Also, only communications from proposers submitted through bids&tenders in writing will be recognized by the City as duly authorized expressions on behalf of the Proposer.
K. Late Submittal Responses are not permitted by the e-procurement system.
L. To ensure receipt of the latest information and updates via email regarding this solicitation, or if a Proposer has obtained this solicitation from a third party, the responsibility is on the Proposer to create an e-procurement system vendor account and register as a plan taker for the solicitation with bids&tenders.
M. All expenses for making submittal responses to the City are to be borne by the Proposer.

1.9 MISTAKES WITHIN RFP

Proposers are cautioned to examine all terms, conditions, specifications, scope of work, exhibits, addenda, delivery instructions, and special conditions pertaining to the solicitation. Failure to examine all pertinent documents shall not entitle the proposer to any relief from the conditions imposed in the Agreement and may lead to the rejection of a proposal.

1.10 SUBMISSION OF THE PROPOSAL

A. The City’s e-procurement solicitation system shall receive ELECTRONIC SOLICIAITON SUBMISSIONS ONLY.
B. **Hardcopy submissions are not permitted.**
C. Electronic Request for Proposals for this solicitation shall be received by the City’s e-procurement system no later than the time outlined on page #1 of this solicitation.
D. Late responses are not permitted by the e-procurement system. It shall be the sole responsibility of the Proposer to have their Request for Proposals submittal submitted online.
E. All proposals shall be submitted in English.
F. All prices, terms, and conditions proposed in the submitted response shall be expressed in U.S. Dollars and will be firm for acceptance for ONE HUNDRED TWENTY (120) calendar days after the closing of the RFP.

1.11 SOLICITATION FORMS

A. The Proposer will submit a response to the solicitation (RFP) on the proposal submission forms provided. All proposal submissions prices, amounts, and descriptive information must be entered into the e-procurement system bids&tenders.
B. The Proposer must state the price and the time of delivery for which they propose to deliver the equipment or service requested.

C. The Proposer must be licensed to do business as an individual, partnership, or corporation in the State of Florida.

D. All proposal submission forms should be executed and submitted for easy identification. Responses not submitted on proposal submission forms may be rejected.

E. All proposal submissions are subject to the conditions specified in this solicitation document. Submittals that do not comply with these conditions may be rejected.

1.12 EXECUTION OF SOLICITATION DOCUMENTS

Proposal submissions to this solicitation must contain a manual signature of an authorized representative in the space provided on all affidavits and proposal sheets.

1.13 CAUSES FOR REJECTION

No response will be canvassed, considered, or accepted which, in the opinion of the City's evaluation committee, is incomplete, informal, or unbalanced or contains inadequate documentation as required herein. Any alteration, erasure, interlineations, or failure to specify a response for all items called for in the schedule may render the proposal invalid.

1.14 REJECTION OF PROPOSALS

A. The City reserves the right to reject any proposal if the evidence submitted by the Proposer, or if the investigation of such Proposer, fails to satisfy the City that such Proposer is appropriately qualified to carry out the obligations and to complete the work contemplated.

B. Any or all proposals will be rejected if there is reason to believe that collusion exists among proposers. A proposal shall be considered irregular and may be rejected if it indicates serious omissions, alterations in form, additions not called for, conditions, unauthorized alternates, or irregularities of any kind.

C. The City reserves the right to reject any or all proposals, waive such technical errors, waive informalities or irregularities in any response received, re-advertise, or take any other actions as may be deemed best for the interests of the City.

1.15 WITHDRAWAL OF PROPOSALS

Any Responder may, without prejudice to themself, withdraw its response at any time prior to the expiration of the time during which responses may be submitted. Such withdrawal request must be in writing and signed in the same manner and by the same person who signed the response through bids&tenders. After the expiration period for receiving responses, no proposal can be withdrawn.

1.16 NO SUBMITTAL

A NO SUBMITTAL response can be submitted online through bids&tenders the e-procurement system.

1.17 SOLICITATION DEADLINE

The Proposer is responsible for ensuring that the proposal is submitted electronically by or at the proper time and date before the solicitation deadline. The e-procurement solicitation system does not permit late submission responses.

1.18 RIGHTS OF THE CITY FOR THIS REQUEST FOR PROPOSALS (RFP)

The City reserves the right to the following:

A. Reject any or all proposals.
B. Reject or cancel any or all proposals during the procurement process.
C. Reissue the solicitation.
D. Extend the RFP deadline time and date.
E. Procure any item by other means.
F. Increase or decrease the quantity specified in the Request for Proposals (RFP).
G. Consider and accept an alternate proposal as provided herein when most advantageous to the City.

H. Waive any defect, irregularity, or informality in any RFP procedure.

I. Waive as an informality technical error, minor deviations from specifications, defect, or accept a portion of any proposal deemed to be the most responsive, responsible Proposer(s) representing the most advantageous submission to the City.

J. In determining the "most advantageous proposal," price, quantifiable factors, and other factors are considered. Such factors include but are not limited to:
   a. Statement of Work
   b. Price Proposal
   c. Other factors contributing to the overall RFP outlined in SECTION IV – EVALUATION OF PROPOSALS.

K. Consideration may be given but is not necessarily limited to conformity to the specifications, including timely delivery; product warranty; a Proposer's proposed service; ability to supply and provide service; delivery to required schedules and past performances in other agreements with the City or other government entities.

1.19 PROTEST PROCEDURE

Protest procedures are provided in the City of Boynton Beach Purchasing Policy. Protests shall be submitted in writing, addressed to the Purchasing Director, via hand delivery, or mail, along with a protest cash bond in an amount equal to 5% of the submittal price or $5,000, whichever is less.

The bond will be refunded to a protester if the protest is upheld. The protest must identify the solicitation, specify the basis for the protest, and be received by the Purchasing Division within the deadlines as follows:

A. If the protest relates to a Request for Proposal, must be received before the solicitation submittal deadline date.

B. If the protest relates to any other matter relating to the solicitation, including, but not limited to, the award of an Agreement, the protest must be received no later than **SEVEN (7)** regular business days after the date of notification of award by a member of the purchasing staff.

Failure to file a protest as outlined in the City of Boynton Beach's Purchasing Policy shall constitute a waiver of proceedings.

1.20 MINIMUM STANDARDS REQUIRED BY THE CITY

Factors to be considered in determining whether the standard of responsibility has been met include whether a prospective Proposer has the following:

A. The appropriate financial, material, equipment, facility, and personnel resources and expertise, or the ability to obtain such, necessary to indicate its capability to meet all contractual requirements.
B. A satisfactory record of performance.
C. A satisfactory record of integrity.
D. Qualified legally to contract within the State of Florida and the City of Boynton Beach.
E. Supplied all necessary information in connection with the inquiry concerning responsibility.

1.21 DISQUALIFICATION OF PROPOSER

More than one Proposal from an individual, firm, partnership, corporation, or association under the same or different names shall not be considered. All proposals shall be rejected if there is reason to believe collusion exists between proposers.

Automatic disqualifiers are as follows:

A. Not being licensed to perform the required work by the Consultant.
B. Not being eligible to submit a proposal due to violations listed under "Public Entity Crimes."
C. Not completing all required forms outlined in Section III 3.4 F.

1.22 INFORMATION AND DESCRIPTIVE LITERATURE

The Proposer must furnish all information requested in the spaces provided on the proposal submission form. Further, as may be specified elsewhere, each Proposer may need to submit cuts, sketches, descriptive literature, and technical specifications covering the products or services offered for proposal evaluation. Reference to literature submitted with a previous submittal or on file with the City will not satisfy this provision.

1.23 INTERPRETATIONS

To ensure fair consideration for all Proposers, the City prohibits communication to or with any department, officer, or employee during the solicitation process as described in the Cone of Silence except as otherwise specified. If the Proposer should be in doubt as to the meaning of any of the solicitation documents or believes that the plans and/or specifications contain errors, contradictions, or reflect omissions, the Proposer shall direct questions to the Purchasing representative through the e-procurement solicitation system only by clicking on the "Submit a Question" button for this solicitation, no later than ten (10) days prior to the solicitation deadline.

1.24 CERTIFICATIONS, LICENSE, AND PERMITS

A. Unless otherwise directed by the City, the Proposer should provide a copy of all applicable certificates of Competency or Licenses issued by the State of Florida or the Palm Beach County Licensing Board in the name of the Proposer.

B. If applicable, the Proposer shall also maintain a current Local Business Tax Receipt (Occupational License) for the County and all permits required to complete the contractual service at no additional cost to the City.

C. A County Local Business Tax Receipt (Occupational License) is required unless specifically exempted by law. It shall be the responsibility of the Consultant to obtain all certifications, licenses, and permits, if required, to complete the services at no additional cost to the City.

D. It is the responsibility of the Proposer to ensure all required certifications, licenses, and permits are maintained and are current throughout the term of the Agreement, inclusive of any renewals.

E. Licenses and permits shall be readily available for review by the Purchasing Agent and City Inspectors.

F. Failure to meet this requirement shall be considered a default of the Agreement.

1.25 SUB-CONSULTING

A. If a Proposer utilizes sub-consultants for any portion of the Agreement for any reason, the Proposer should state the name and address of the sub-consultant and the name of the person to be contacted on the online form within the e-procurement system under "Schedule of Sub-consultant."

B. The City of Boynton Beach reserves the right to accept or reject any or all proposals wherein a sub-consultant is named and to make the award to the Consultant, who, in the opinion of the City, will be in the best interest of and/or most advantageous to the City.

C. The City also reserves the right to reject a submission of any Proposer if the solicitation names a sub-consultant who has previously failed to perform an award properly or failed to deliver on-time contracts of a similar nature or who cannot perform correctly under this award.

D . The City reserves the right to inspect all facilities of any sub-consultant to determine the foregoing.

E. The sub-consultant will be equally responsible for meeting all requirements specified in this Request for Proposals (RFP).

F. Proposers are encouraged to seek participation from minority and women-owned business enterprises in subcontracting opportunities. The City reserves all rights to determine the foregoing.

1.26 ESCALATOR CLAUSE

Any proposal that is submitted subject to an escalator clause will be rejected.

1.27 EXCEPTIONS BY PROPOSER

A. Incorporation in a proposal of exceptions to any portion(s) of the Contract Documents may invalidate the proposal. Exceptions to the Scope of Work and/or Special Provisions shall be clearly and specifically noted in the submitted proposal on a separate sheet marked "**EXCEPTIONS TO THE SPECIFICATIONS,**" which shall be attached to the proposal.

B. Any exceptions taken to the terms and conditions of the solicitation or the City's Agreement shall be considered a part of the Proposer's solicitation response and will be considered by the City in its evaluation. Any exception not specifically stated is deemed waived. Submission of any exceptions does not denote acceptance by the City. Furthermore, taking exceptions to the City's terms and conditions may be viewed unfavorably by the City/evaluation committee and ultimately may impact the overall evaluation of a Proposer's submittal.

C. The use of the Proposer's standard forms or the inclusion of the manufacturer's printed documents shall not be construed as constituting an exception within the intent of the Contract Documents.

1.28 TRADE SECRET

Any language contained in the Proposer's proposal purporting to require confidentiality of any portion of the Proposal, except to the extent that certain information is, in the City's opinion, a Trade Secret pursuant to Florida law, shall be void. If a Proposer submits any documents or other information to the City that the Proposer claims are Trade Secret information and exempt from Florida Statutes Chapter 119.07 (Public Records Laws), the Proposer shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Proposer must specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Proposer's proposal constitutes a Trade Secret. The City's determination of whether an exemption applies shall be final, and the Proposer agrees to defend, indemnify, and hold harmless the City its officers, employees, volunteers, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as public records. Proposals purporting to be subject to copyright protection in full or in part will be rejected.

EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, DO NOT MARK YOUR PROPOSAL AS PROPRIETARY OR CONFIDENTIAL. DO NOT MARK YOUR PROPOSAL OR ANY PART THEREOF AS COPYRIGHTED.

1.29 ANTI-KICKBACK AFFIDAVIT

Each Proposer shall complete the Anti-Kickback Affidavit Form and shall submit this form with their Proposal. The City considers the failure of the Proposer to submit this document to be a major irregularity and may be cause for rejection of the Proposal.

1.30 CONFLICT OF INTEREST / GIFT POLICY

The Proposer represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in a manner with the performance of services required hereunder, as provided for in Chapter 112, Part III, Florida Statutes. All Proposers shall disclose the name of any City employee or relative of a City employee who owns, directly or indirectly, an interest of ten percent (10%) or more in the Proposer's firm or any of its branches.

A. CONFLICT OF INTEREST:

No employee, officer, or agent of the City may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, agent,

any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in or may receive a tangible personal benefit from a proposer considered for a City contract.

In addition, the Proposer shall disclose to City in writing all federal criminal law violations involving fraud, bribery, or gratuity that potentially affect the award of this solicitation. Failure to make the required disclosures can result in withheld payments, award termination, suspension, or debarment of the proposer.

B. ORGANIZATIONAL CONFLICT OF INTEREST:

The Proposer shall not have activities or relationships (a) causing the Proposer to be unable, or potentially unable, to render impartial assistance or advice to the City; (b) impairing the Proposer's objectivity in performing the contract work; or (c) resulting in an unfair competitive advantage.

1.31 GIFT POLICY

No Proposer who is a party to, or receives a benefit from, this Agreement shall offer a gratuity, favor, or anything of monetary value to any officer, employee, or agent of the City. Further, no officer, employee, or agent of the City shall solicit or accept a gratuity, favor, or anything of monetary value from a Proposer who is a party to, or receives a benefit from, this Agreement.

1.32 CONFIRMATION OF MINORITY-OWNED BUSINESS

It is the desire of the City of Boynton Beach to increase the participation of minority-owned businesses in its contracting and procurement programs. While the City does not have any preference or set-aside programs in place, it is committed to a policy of equitable participation for these firms. Therefore, each Proposer shall complete the Confirmation of Minority-Owned Business Form and shall submit the form with its submission.

1.33 LOCAL BUSINESS PREFERENCE

The City of Boynton Beach Administrative Policy No. 10.16.01 provides for a local business preference.

“For all acquisitions made pursuant to Requests for Proposals, Requests for Qualifications, or Requests for Letters of Interest, the solicitation shall include a weighted criterion for Local Businesses of five percentage points (5%) of the total points in the evaluation criteria published in the solicitation. Local Preference shall not be applied when its application would result in an award that exceeds the otherwise lowest responsive, responsible proposer by 5% or $5,000 whichever is lower. For all acquisitions made pursuant to Requests for Proposals, Requests for Qualification, or Requests for Letters of Interest, where the solicitation includes a qualitative ranking rather than a quantitative selection, the evaluation criteria shall include a Local Business preference, as reasonably determined by the Purchasing Division, consistent with the intent of this Policy. Each such solicitation shall clearly define the application of the Local Business preference.”

Respondents must include the Local Business Status Certification Form with their RFP submissions to be considered for a local business preference.

Failure to submit this form at the time of RFP submittal will result in the Respondent being found ineligible for the local business preference for this solicitation and will receive zero (0) points for that criterion.

If the Respondent meets the requirements of a local business as defined by the preference, the proposal will be awarded the total 5 points allotted by each evaluation committee member. Firms not meeting the Preference requirements will receive zero points in this evaluation criterion.

1.34 AWARD OF AGREEMENT

A. Agreement(s) or purchase order(s) will be awarded by the City to the most qualified, responsive, responsible Proposer whose submission represents the most advantageous proposal to the City, the price of the proposal, and other factors considered.

B. Proposals will be evaluated based on the evaluation factors and standards set forth herein. The City reserves the right to reject all proposals and waive technical errors as set forth herein.

C. In the event of a court challenge to an award by any Proposer, damages, if any, resulting from an award shall be limited to actual proposal preparation costs incurred by the challenging Proposer. Each party shall be responsible for its own attorney's fees and costs.

D. In no case will the award be made until all necessary investigations have been made into the Proposer's responsibility and the City is satisfied that the most qualified, responsive, responsible Proposer is qualified to do the work and has the necessary organization, licenses, permits, capital, and equipment to carry out the required work within the time specified.

1.35 SIGNING OF AGREEMENT

An Award Letter will be presented to the Consultant. Within ten (10) calendar days after the award letter is issued, the Consultant should sign and deliver the Agreement to the City with the required bonds (if applicable) and insurance certificates. After receiving and approving such documents, the Agreement would be executed within thirty (30) calendar days. The City intends to deliver a fully signed and executed Agreement to the Consultant. At times, a purchase order will be issued in lieu of a formal agreement.

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES RFP No: BD25-014R

SECTION II – SCOPE OF WORK (SERVICES) – TERM CONTRACT

2.1 BACKGROUND

The City of Boynton Beach Building Division is requesting sealed proposals from qualified and experienced firms to provide supplemental services to cover staffing on an as-needed basis for building, electrical, mechanical, and/or plumbing inspection and plan review services in accordance with the requirements of Florida Statutes 468, Part XII "Building Code Administrators and Inspectors", Business Inspector, and Application Technician on an as-needed basis.

The City reserves the right to award to more than one firm. The firm(s) shall act as independent Consultants and not as employees of the City.

2.2 SCOPE OF SERVICES / GOAL

In an effort to maintain good service and be responsive to its citizens, the Building Division desires to secure the services of a qualified firm to perform daily plan reviews for residential and commercial building applications, review Business Use Certificates for changes in occupancy requirements under the Florida Building Code, and inspection services (Business Use Certificate, generic inspections (A generic inspection is to verify work without permits or unsafe structure, a stop work order may be required to be issued for work w/o permits.), building, plumbing, electric, mechanical (HVAC) for structures in which the City of Boynton Beach has issued permits. Inspection and plan review services shall be conducted under the City's and all other federal, state, and local laws, rules, regulations, directives, codes, and ordinances.

2.3 TERM OF CONTRACT

The City intends to award a contract with an initial term of **Three (3) Years with One (1) Two-Year Renewal period.**

2.4 STAFFING

Staffing will be supplemental and on an "as needed" basis as required by the City of Boynton Beach Building Department.

2.5 QUALIFICATIONS OF PERSONNEL/FIRM

A. Personnel shall be qualified as licensed building, electrical mechanical, plumbing inspectors, and/or plan reviewers at minimum within the State of Florida. Multi-licensed personnel in building, electrical, mechanical, and/or plumbing are preferred.

   i. Any inspector or plans reviewer provided to the City after execution of an agreement shall not have an active project (with either the awarded vendor or private personal business, or any other entity thereof) in the City of Boynton Beach

B. Florida Department of Business Professional Regulation Certified Building Code Inspector and/or plan reviewer with a current certificate, as regulated by Florida Statute 468, Part XII, for the disciplines the inspector and/or plan reviewer will be responsible for monitoring.

C. Personnel shall be fully certified, qualified, trained, and experienced before beginning services for the City of Boynton Beach.

D. New and inexperienced personnel shall not be acceptable.

E. Personnel shall maintain their inspector's and/or plan reviewer's certification with the State of Florida, to continually provide their best efforts to efficiently and effectively perform duties and responsibilities as assigned properly and professionally, to uphold the City and Department regulations and policies, and to abide by ethical standards of conduct appropriate to their position.

2.6 RESPONSIBILITIES

A. Inspection and Plan Review services shall include, but not be limited to, general building, mechanical (HVAC), plumbing, structural, and electrical, as well as providing all administrative documentation as required by the City.

B. Inspect permitted construction within the City limits for compliance with City codes and ordinances and permitted plans and specifications.

C. Receive and investigate alleged complaints of working without permits, operating a business without a Business Use Certificate, code violations, etc., by citizens, City employees, and others, including appearances before the Code Enforcement Board where appropriate.

D. Inspect new and transferred business uses. Review applications and research past use to determine possible changes in building code requirements for occupancy.

E. Prepare written reports of inspections and investigations of complaints and other reports as may be reasonably requested by the City. City inspection forms must be used.

F. Maintain records of inspections and investigations. Log daily inspections and results in the computer system.

G. Review plans for code compliance. Maintain records of reviews and investigations. Log daily reviews and results in the computer system.

H. Review and maintain all records required by the Federal Emergency Management Agency (FEMA) in association with processing building permits in the format required by FEMA.

I. Contact contractors, architects, engineers, and citizens about construction projects, code questions, and other concerns.

J. Coordinate activities with the City's Planning and Zoning Consultants, the City's Fire Marshall, and the City's Code Enforcement Officers.

K. Perform other duties that are related to or incidental to the Inspector's or Plan Reviewer's primary duties as described herein and that the City may assign from time to time.

L. Perform these duties during normal business hours of 8:00 AM to 5:00 PM, Monday through Friday, as needed or as may be altered with mutual agreement, as well as irregular hours as required during an emergency or natural disaster.

M. Report to the City's Building Official or designee.

N. Inspection personnel may be required to attend meetings or to provide consultation to the City.

O. Provide services regarding Unsafe Buildings as described in the Boynton Beach Administrative Amendment to the Florida Building Code, inspect, post and record violations and provide support to the Building Official or designee.

P. Provide services of an application technician to cover the counter, answer phone calls, receive permit applications, review applications for completeness, calculate applicable fees, receives payments, issue permits, and schedule inspections.

Q. All inspectors and examiners assigned to the City's contract shall have a valid driver's license in the State of Florida and be able to pass a background security check relevant to the position.

R. Inspection Services and Plan Review shall be provided in the event of a natural disaster (i.e. hurricane). Services shall be provided in emergency situations as follows:

a. During a declared emergency, Firm shall be responsible for staffing the EOC when operational and assisting with damage assessment and safety inspections. The Building Code Administrator shall have immediate access to building plans and other essential building information.

b. Firm shall work with the City during post-disaster (natural or man-made) times in restoring Plan Review and Inspection Services pursuant to the Florida Building Code and executive orders of the Governor. The firm shall provide personnel to assist with damage assessment teams. The firm shall serve as a resource and consultant in the relevant discipline areas, assisting the operational decision-making process and performing other duties as deemed necessary to restore overall safety and services.

c. The firm shall provide personnel in each discipline who shall be able to respond within one (1) hour (24 hours/day, 7 days/week) to any emergency call-out by the City's Fire Rescue, Law Enforcement or any authorized City representative.

d. If services are provided in response to an emergency, the FEMA Requirements shall apply to those services.

2.7 SELECTION AND ASSIGNMENT OF PERSONNEL

A. The City retains the right to interview and select personnel assigned to its jurisdiction.

B. Personnel approved by the City for each assignment shall not be changed without the City's prior written consent.

C. All personnel approved for assignment or replacement shall be selected from those individuals provided by the selected firm(s) as qualified and available to perform services for the City.

D. Personnel approved and given an assignment by the City shall not be granted leaves of absence (vacation, sick or other) from their assignment unless a person of equal or greater qualification is approved for substitution.

E. Emergency substitutes shall not remain on an assignment for more than two (2) days without the written consent of the City.

F. Personnel must meet or exceed the employment requirements of City personnel prior to approval and assignment. The City reserves the right to terminate the contract or have an individual person removed from service in the City.

2.8 EQUIPMENT

Each inspector shall be required to provide the following items at their own cost:

A. An inspection vehicle in good operating condition, subject to approval by the City, capable of transporting one ladder. Vehicles may be required to display a City of Boynton Beach magnetic sign (provided by the City) on the doors.

B. Cellular telephone.

C. One ladder capable of reaching the roof of a typical one-story home.

D. Uniform provided by the firm contracting with the City.

E. Safety shoes, hard hats, and other safety-related equipment.

2.9 FACILITIES

The City will provide personnel with facilities and support services adequate for the performance of their duties, including office space, computers, office materials and equipment, and access to City clerical support. Vehicles, radios, cellular telephones, ladders, uniforms, and safety equipment are excluded and shall not be provided by the City but must be provided by personnel.

2.10 GENERAL

The Consultant(s) shall furnish all tools, materials, equipment, sub-consultants, labor, supervision, etc., as necessary for the Proposer to maintain and complete the assigned as outlined in the agreed-upon scope of work/services provided within this Request for Proposals. All mileage and travel time to and from the job site is not reimbursable. The City reserves the right to negotiate the contract's final terms, conditions, and pricing structure as may be in the City's best interest.

2.11 TIME SCHEDULE AND TIME FRAMES:

Schedules shall be included in detailed work orders issued under the Contract and shall be based on the number of continuous calendar days following the work order execution date to complete specific tasks of the project. If the City reviews and comments are necessary to proceed with a task, then a specified City review time shall be included in the schedule.

THE REMAINDER OF THIS PAGE WAS LEFT BLANK INTENTIONALLY

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES
RFP No: BD25-014R

SECTION III – SUBMISSION OF PROPOSALS

3.1 GENERAL REQUIREMENTS

The Technical Proposal aims to demonstrate the qualifications, competence, and capacity of the Firms seeking to undertake the requirements of this REQUEST FOR PROPOSALS (RFP). As such, the substance of the Proposal will carry more weight than its length, form, or manner of presentation. The Technical Proposal should demonstrate the qualifications of the Proposer and the particular staff to be assigned to his engagement. It should also specify an approach that will meet or exceed the RFP requirements.

The selected Consultant(s) shall provide sufficient organization, personnel, and management to carry out the requirements of this RFP expeditiously and economically, consistent with the city's needs. Additionally, the consultant will be required to demonstrate recent experience successfully completing services similar to those specified in this RFP.

3.2 CERTIFICATION AND LICENSES

Proposers must include copies of all applicable certificates and licensing or business permits related to the Work specified herein with their proposals.

3.3 DETAILED PROPOSAL

Each of the seven (7) sections listed below shall be completed online through the e-procurement system.

A. Letter of Interest – To be completed online

The Letter of Interest shall summarize the Proposer's primary qualifications and a firm commitment to provide the proposed services.

B. Firm's Qualifications – To be completed online

a. Complete and submit the Proposer's Qualification Statement.
b. Proof of authorization (SUNBIZ) from the Florida Secretary of State to transact business in the State from prime and supporting firms.
c. Describe the Firm and provide a statement of the Firm's qualifications for performing requested consulting services.
d. Identify the services, which your Firm's staff would complete and those that would be provided by sub-consultants, if any.
e. Identify any sub-consultants you propose to utilize to supplement your Firm's staff. (Maximum of 4 pages)
c) If the Principal Place of Business is different than the location specified in the Proposer's Qualification Statement, then the proposer shall specify the office location where each project will be managed and produced.

C. Qualifications of Project Team and availability of specialty resources. – To be attached online

Provide an overview of the qualifications of the specific project team to be submitted by the Firm/Individual to perform the requested services, including:

a. An organizational chart that clearly defines the lines of authority and specifically lists the Client Service Manager, Project Manager, and primary Project Professional. These project team members are hereafter referenced as "key contract members".

b. Provide resumes for all key project members outlining the relevant experience and education.

c. Provide a list of current and past service contracts with a brief description of these contracts and their locations and dates.

d. Provide a list of all service contracts performed for governmental agencies. (If the firm has performed any service contracts for a governmental agency not listed, the proposal may be considered non-responsive.)

e. Provide evidence of valid state, county, and local licenses documenting authority to conduct business in the jurisdiction within which the firm is located.

f. State whether the firm has been issued any fines by the State of Florida.

g. Provide any additional information which may be considered pertinent.

h. Provide a summary of any litigation filed against the firm in the past three years which is related to the services that the firm provides in the regular course of business.

D. Current and Projected Workload of the Proposer (by office local, if applicable): - To be completed online

a. Provide quantitative data that clearly indicates the ability of the Proposer to devote the necessary time and resources to successfully complete the services promptly. Current and projected workload data shall be provided for each key project member as follows:
   i Historically, describe the typical number of projects handled by the Proposer's key project managers at any given time.
   ii Projected workload of project management activities as defined in the scope of services.

E. References – Past Performance – To be completed online

Provide a list of three (3) governmental agency references or similar contracts for which the Proposer has completed or is in progress within the past three (3) years with the following information:

a. Name of Agency
b. Address
c. Contact Name, Email Address
d. Telephone Number

The City is interested in learning of other firms' or government agencies' experiences with your firm; as such, please do not list the City of Boynton as a reference.

Contact persons must be informed that they are being used as a reference and that the City or their designee will be contacting them for information. Selection Committee Members or designee will **email** or **call** each reference up to three (3) times. If there is no answer after the third attempt, the City may apply no points for that project experience.

F. Submittal of General Information and Procurement Forms and Documents

Procurement forms must be completed, signed and notarized when required and submitted. In addition, all other request and supporting documentation should be included.

a. Proposer Qualification Statement – ***Upload Online***
b. Non-collusion Affidavit of Proposer – ***Upload Online***
c. *E-Verify Form Under Section 448.095* – ***Upload Online***
d. Certification Pursuant to Florida Statute § 287.135 - ***Upload Online***
e. Anti-Kickback Affidavit – ***Upload Online***
f. *Affidavit of Compliance with Foreign Entity Laws* - ***Upload Online***

g. *Affidavit of Compliance with Anti-Human Trafficking Laws* - ***Upload Online***
h. Proposer Acknowledgement – ***Online Acknowledgement***
i. Addenda Acknowledgement – ***Online Acknowledgement***
j. Confirmation of Minority-Owned Business - ***Online Form***
k. Confirmation of Drug-Free Workplace - ***Online Acknowledgement***
l. Palm Beach Inspector General - **Online Acknowledgement**
m. Local Business Certification - ***Online Form***
n. Statement of non-submittal (if applicable) - ***Online Form***
o. Schedule of Sub-Consultants – ***Online Form***
p. Submit current Florida Professional License(s), including evidence of possession of required licenses – ***Attach and Upload***
q. Submit proof of Professional Liability Insurance at the levels identified on the Insurance Advisory Form as an attachment. – ***Attach and Upload***
r. Submit any Supplemental information relative to this RFP– ***Attach and Upload***

G. **Price Proposal Sheet is a separate document where proposers will input prices within the system**

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES
RFP No: BD25-014R

SECTION IV – EVALUATION OF PROPOSALS

4.1 EVALUATION METHOD AND CRITERIA

A preliminary evaluation of each Proposal will be conducted by the City's Purchasing Division Agent or Designee through the City's electronic e-procurement system Boynton-beach.bidsandtenders.net.

This evaluation determines if the Proposal is responsive to the submission requirements as outlined in this solicitation based on the information provided about your firm. A responsive Proposal follows the solicitation requirements, includes all documentation, is submitted in the format outlined in this solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the Proposal being deemed non-responsive.

The City will assemble an Evaluation and Selection Committee, herein referred to as "Selection Committee," comprised of City staff and an outside consultant(s), if deemed necessary. The Selection Committee may utilize the City's e-procurement system to electronically evaluate all submittals based on the information provided and criteria as set forth in this solicitation. The City's Selection Committee will act in what they consider to be the best interest of the City and its residents. **Price shall not be the sole determining factor for selection.**

The selection of the best-qualified Respondent(s) will be based on whether the Respondent(s) are responsible and responsive, which means a Firm that has submitted a proposal that conforms in all material respects to the requirements in this RFP. The weighted criteria provided below is provided to assist the Proposer in the allocation of their time and efforts during the submission process. This weighted criterion is the framework for evaluation used by the SEC during the short-list and scoring process.

Evaluation Criteria	Point Range
a. Compliance with Request for Proposals Requirements (Responsiveness) - [Mandatory].	
b. Managerial Capacity, Relevant Experience, and Quality of Response - Firm's Qualifications, Qualifications of Project Manager Team/Individual (key contract members), and Availability of Specialty Resources	**0 – 40**
c. Services to be Provided and Quality Control – Approach, Demonstrated Skill Set, Creativity, and Innovative Ideas that will be used to address the Scope of Work	**0 – 30**
d. References of Past Performance	**0 – 10**
e. Term Contract Price Proposal*	**0 – 20**
TOTAL POINTS	**0 – 100**
Local Boynton Beach Business Preference	Up to 5 Points
Presentations (If applicable)	**0 - 25**

A. Methodology

a. Compliance with Request for Proposals Requirements (Responsiveness) [Mandatory].

This refers to the adherence to all conditions and requirements of the Request for Proposals.

b. Managerial Capacity, Relevant Experience, and Quality of Response

This refers to the exact type and nature of the offeror's proposed services and how they accomplish the objectives of the requested term contract the quality planning process that they utilize to ensure compliance with our specification's requirements, as well as the ability to rapidly respond to the City's needs, as defined in the Evaluation Criteria.

The proposer's capability in all respects to have sufficient management and supervisory staff available to manage work teams and project performance and to perform fully the contract requirements, and the tenacity, perseverance, experience, integrity, and reliability which will assure good faith performance, as well as satisfactory reference verification.

c. Services to be Provided and Quality Control

The proposer clearly demonstrated an understanding of the work to be performed.

d. References of Past Performance

Reference information was gathered from other entities regarding the past experience of the Proposer, as well as other areas addressed in the *Scope of Work* herein.

e. Proposed Costs

Offeror's price and cost proposals.

This refers to the proposed schedule included in the RFP. Each location has a separate charge. The City reserves the right to award to the proposer that is seen to be in the City's best interest. (**Please note that price is only one factor for consideration of award**).

Submitted project cost shall not be subject to change until formal negotiations have begun with a designated firm.

*Term Contract Cost will be calculated per the following "sample" formula.

Firm A: Proposed Price $20,000 Percentage = 100% X Weight (20) = 20 Points
Firm B: Proposed Price $25,000 Percentage = 80% X Weight (20) = 16 Points
Firm C: Proposed Price $28,000 Percentage = 71% X Weight (20) = 14.2 Points
Firm B's percentage is $20,000 ÷ $25,000 = 80% of maximum points
Firm C's percentage is $20,000 ÷ $28,000 = 71% of maximum points

f. Local Vendor Preference
(Prohibited by Local, State or Federal Grant funding provisions.)

The City of Boynton Beach Administrative Policy No. 10.16.01 provides for a local business preference.

"For all acquisitions made pursuant to Requests for Proposals, Requests for Qualifications, or Requests for Letters of Interest, the solicitation shall include a weighted criterion for Local Businesses of five percentage points (5%) of the total points in the evaluation criteria published in the solicitation. For all acquisitions made pursuant to Requests for Proposals, Requests for Qualification, or Requests for Letters of Interest, where the solicitation includes a qualitative ranking rather than a quantitative selection, the evaluation criteria shall include a Local Business preference, as reasonably determined by the Purchasing Division, consistent with the intent of this Policy. Each such solicitation shall clearly define the application of the Local Business preference."

Respondents must include the Local Business Status Certification Form with their RFP submissions to be considered for a local business preference.

Failure to submit this form at the time of RFP submittal will result in the Respondent being found ineligible for the local business preference for this solicitation and will receive zero (0) points for that criterion.

If the Respondent meets the requirements of a local business as defined by the preference, the proposal will be awarded the total 5 points allotted by each evaluation committee member. Firms not meeting the Preference requirements will receive zero points in this evaluation criterion.

4.2 CITY'S RIGHT TO USE BEST-VALUE SCORING

The City may utilize a best-value scoring process as an alternative to using the weighted criteria. The best value scoring will require the evaluation committee to assign a composite score rank based on the Committee's determination of the relative overall value of the Proposer's response. Composite scores will rank responses from 1 (1st place), 2 (2nd place), and so on for the total number of responses under consideration.

4.3 BEST AND FINAL OFFER

The City reserves the right to request Best and Final Offers from any or all Proposers when the City determines that information received during the evaluation process warrants additional clarification.

4.4 SELECTION PROCESS

A. A Selection Committee consisting of the City's staff members, and may include outside consultants as deemed necessary, will review each written submission to ascertain whether the provider is qualified to render the required services according to State regulations and the requirements of this RFP.

B. The weighted criteria provided above is provided to assist the Proposer in allocating their time and efforts during the submission process. This weighted criterion is the framework for evaluation used by the SEC during the short-list and scoring process.

C. The Selection Committee meeting will be scheduled and publicly noticed. All Selection/Evaluation Committee members' scores may be electronically opened and read aloud for discussion among the selection committee members.

D. The Selection Committee may at its sole discretion request discussions or interviews or require presentations, additional information, or clarification of any information submitted by Respondent(s).

E. The Selection Committee may establish equal time limits for all firms as necessary to facilitate its evaluation. If conducted and after the completion of the discussions, interviews, or presentations, the Committee will re-evaluate, re-rate, and re-rank the proposals based on the evaluation criteria listed above.

F. After the final ranking is completed, the selection committee will make a motion for a recommendation for an award, which will be submitted to the City Commission for approval.

G. After approval by the City Commission, the City Representative authorized to execute contracts will execute an Agreement(s) based on the attached draft contract developed from this Request for Proposals (RFP).

H. The City reserves the right to include additional provisions if the inclusion is in the City's best interest, as determined solely by the City.

I. CONTACT WITH ANY PERSONNEL OF THE CITY OF BOYNTON BEACH OTHER THAN THE PROCUREMENT REPRESENTATIVE DURING THE SOLICITATION, EVALUATION AND AWARD PROCESS REGARDING THEIR REQUEST FOR PROPOSALS MAY BE GROUNDS FOR ELIMINATION FROM THE SELECTION PROCESS.

J. In the event less than three (3) firms express interest in a solicitation or less than three (3) are deemed qualified by the Selection Committee, then Procurement Services shall make a determination as to whether to proceed with the lesser number of firms. If the decision is to re-advertise, and after a subsequent advertisement, resulting in three (3) firms that still cannot be qualified, then the City shall proceed hereunder with the qualified firms.

THE REMAINDER OF THIS PAGE WAS LEFT BLANK INTENTIONALLY

PROFESSIONAL SERVICES AGREEMENT FOR SUPPLEMENTAL BUILDING INSPECTIONS AND PLAN REVIEW SERVICES
RFP No: BD25-014R

SECTION V – STANDARD GENERAL TERMS AND PROVISIONS

Unless otherwise agreed to by the City of Boynton Beach ("City"), the following Standard Terms and Conditions are applicable to this solicitation and the resulting Agreement. The term "vendor," as used below, may collectively apply to vendors, bidders, proposers, consultants, contractors, subcontractors, and subconsultants.

5.1 FAMILIARITY AND COMPLIANCE WITH LAWS, CODES AND REGULATIONS:

Before submitting a proposal to this RFP, proposers shall comply with all federal, state, and local laws, ordinances, and regulations applicable to the services contemplated herein, including those applicable to conflict of interest and collusion.

Proposers must familiarize themselves with all federal, state, and local laws, ordinances, codes, and regulations that may in any way affect the goods/services offered and any other applicable federal requirements now in effect or imposed in the future. Lack of knowledge by the Proposer shall not be a cause for relief from responsibility.

5.2 NON-COLLUSION

Proposer shall not collude, conspire, connive, or agree, directly or indirectly, with any other proposer, firm, or person to submit a collusive or sham response in connection with the work for which the response has been submitted or to refrain from responding in connection with such work or have in any manner, directly or indirectly, sought by a person to fix the price or prices in the proposal submission form or of any other proposer, or to fix any overhead profit, or cost elements of the proposal price of any other responder, or to secure through any collusion, conspiracy, connivance, or unlawful agreement any advantage against any other proposer, or any person interested in the proposed work. The proposer certifies there has been no collusion with any other firm or employees from any other firm who will be submitting a proposal on the same project.

5.3 LEGAL CONDITIONS

Proposers are notified to familiarize themselves with the provisions of the law of the State of Florida relating to the hours of labor on municipal work and with the provisions of the laws of the State of Florida and the Charter and Ordinances of the City of Boynton Beach.

5.4 CONFLICT OF INTEREST

The award is subject to all conflict-of-interest provisions of the City of Boynton Beach, Palm Beach County, of the State of Florida.

5.5 ADDITIONAL HOURS QUANTITIES

The City reserves the right to acquire additional hours or quantities of the requested proposal services at the prices proposal in this solicitation.

If additional quantities are not acceptable, the price proposal sheets must be noted: **"PROPOSAL IS FOR SPECIFIED QUANTITY ONLY".**

5.6 DISPUTES

In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the City Manager shall be final and binding on both parties.

5.7 LEGAL REQUIREMENTS:

Proposer shall comply with all Federal, State, County, and City laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Proposer will in no way be a cause for relief from responsibility.

5.8 ON PUBLIC ENTITY CRIMES

All Request for Proposals as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

"A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a proposal on a contract or provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, vendor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list".

5.9 FEDERAL AND STATE TAX:

The City of Boynton Beach is exempt from Federal and state taxes.

5.10 PURCHASE ORDER REQUIRED:

The City will not accept any goods delivered or services performed unless a duly authorized purchase order has been issued for said goods and/or services. The purchase order number must appear on all invoices, packing slips, and all correspondence concerning the order.

5.11 COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH:

The Proposer certifies that all material, equipment, etc., contained in this proposal meets all O.S.H.A. requirements. Proposer further certifies that if awarded as the Consultant, and the material equipment, etc. delivered is subsequently found to be deficient in any O.S.H.A. requirement in effect on the date of delivery, all costs necessary to bring the materials, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Proposer.

Proposer certifies that all employees, subcontractors, agents, etc. shall comply with all O.S.H.A. and State safety regulations and requirements.

5.12 PALM BEACH COUNTY INSPECTOR GENERAL:

The Proposer and, if awarded Consultant, is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of any Agreement resulting from this solicitation and, in furtherance thereof, may demand and obtain records and testimony from the Consultant and its sub-consultant and lower-tier sub-consultants.

The Consultant understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the Consultant or its sub-consultants or lower-tier sub-consultants to fully cooperate with the Inspector General when requested may be deemed by the municipality to be a material breach of this Agreement justifying its termination.

5.13 OTHER AGENCIES

Any Agreement(s) resulting from this RFP and from this submitted proposal may, upon mutual agreement, permit any municipality or other governmental agency to participate in the Agreement under the same prices, terms, and conditions if agreed to by both parties.

It is understood that at no time will any city, county, municipality, or other agency be obligated to place an order for any other city, county, municipality, or agency, nor will any city, county municipality, or agency be obligated for any bills incurred by any other city, county, municipality, or agency.

Further, it is understood that each agency will issue its own purchase order or contract to the awarded Proposer(s).

5.14 VENUE AND GOVERNING LAW:

Any and all legal actions arising from or necessary to enforce this solicitation and resulting Agreement will be held exclusively in Palm Beach County and shall be interpreted according to the laws of Florida.

5.15 NON-DISCRIMINATION & EQUAL OPPORTUNITY EMPLOYMENT

A. The City is committed to assuring equal opportunity in awarding orders/contracts and complies with all laws prohibiting discrimination.

B. During the performance of the Agreement, the Consultant and its sub-consultants shall not discriminate against any employee or applicant for employment because of race, color, sex, including pregnancy, religion, age, national origin, ancestry, marital status, political affiliation, familial status, sexual orientation, gender identity, expression, or disability if qualified.

C. The Consultant will take affirmative action to ensure that employees and those of its sub-consultants are treated during employment, without regard to their race, color, sex, including pregnancy, religion, age, national origin, ancestry, marital status, political affiliation, familial status, sexual orientation, gender identity, expression, or disability if qualified.

D. Such actions must include, but not be limited to, the following: employment, promotion; demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

E. The Consultant and its sub-consultants shall agree to post in conspicuous places, available to its employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

F. The Consultant further agrees that they will ensure that all sub-consultants, if any, will be made aware of and will comply with this nondiscrimination clause.

G. The Consultant understands and agrees that a material violation of this section shall be considered a material breach of this solicitation and the resulting agreement/contract and may result in termination of the agreement/contract, disqualification, or debarment of the company from participating in City contracts, or other sanctions.

5.16 INDEPENDENT CONTRACTOR RELATIONSHIP:

The Proposer and, if awarded Consultant, is, and shall be, in the performance of all work, services, and activities under this solicitation and the resulting Agreement, an independent Contractor and not an employee or agent of the City. All persons engaged in any of the work or services performed pursuant to the Agreement shall, at all times and in all places, be subject to the Consultant's sole direction, supervision, and control. The Consultant shall exercise control over the means and manner in which it and its employees perform the work, and in all respects, the Consultant's relationship, and the relationship of its employees, to the City shall be that of an independent contractor and not as employees or agents of the City.

5.17 OMISSION OF DETAILS

Omission of any essential details from the terms or specifications contained herein will not relieve the

responding Firm of supplying such product(s) or service as specified.

5.18 LOBBYING - CONE OF SILENCE:

Consistent with the requirements of Chapter 2, Article VIII, Lobbyist Registration, of the Palm Beach County Code of Ordinances, Boynton Beach imposes a Cone of Silence. A cone of silence shall be imposed upon each competitive solicitation as of the deadline to submit the proposal, or other response and shall remain in effect until the City Commission awards or approves a contract, rejects all responses, or otherwise takes action that ends the solicitation process. While the cone of silence is in effect, no Proposer or its agent shall directly or indirectly communicate with any member of City Commission or their staff, the Manager, any employee of Boynton Beach authorized to act on behalf of Boynton Beach in relation to the award of a particular contract or member of the Selection Committee in reference to the solicitation, with the exception of the Purchasing Manager or designee. (Section 2-355 of the Palm Beach County Code of Ordinances.) Failure to abide by this provision may serve as grounds for disqualification for the award of contract to the Proposer. Further, any contract entered into in violation of the cone of silence shall render the transaction voidable.

The cone of silence shall not apply to oral communications at any public proceeding, including pre-proposal conferences, oral presentations before Selection Committees, contract negotiations during any public meeting, presentations made to the City Commission, and protest hearings. Further, the cone of silence shall not apply to contract negotiations between any employee and the intended awardee, any dispute resolution process following the filing of a protest between the person filing the protest and any employee, or any written correspondence with Boynton Beach as may be permitted by the competitive solicitation. Additionally, the cone of silence shall not apply to any purchases made in an amount less than the competitive solicitation threshold set forth in the Purchasing Manual.

5.19 LEGAL EXPENSES:

The City shall not be liable to a Proposer for any legal fees, court costs, or other legal expenses arising from the interpretation or enforcement of the Agreement, or any other matter generated by or relating to the Agreement.

5.20 NO THIRD-PARTY BENEFICIARIES:

No provision of this RFP or agreement/contract to follow with Consultant is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity not a party to the agreement/contract, including but not limited to any citizen or employees of the City and/or Proposer.

5.21 DIRECT OWNER PURCHASES:

The City reserves the right to issue purchase orders for materials to either the Contractor/Consultant/Vendor or the City's suppliers for contracts/construction/public works-related materials when deemed in the City's best interest.

5.22 SCRUTINIZED COMPANIES:

By submission of a proposal for this solicitation, Consultant, its principals, or owners, certify that they are not listed on the Scrutinized Companies that Boycott Israel List, Scrutinized Companies with Activities in Sudan List, Scrutinized Companies with Activities in the Iran Terrorism Energy Sector List, or is engaged in business operations with Syria. In accordance with Section 287.135, Florida Statutes, as amended, a company is ineligible to, and may not, bid on, submit a bid for, or enter into or renew a contract with any agency or local governmental entity for goods or services of:
Any amount of, at the time bidding on, submitting a bid for, or entering into or renewing such Agreement, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or
One million dollars or more if, at the time of bidding on, submitting a bid for, or entering into or renewing such Contract, the company:
Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Energy Sector List, created pursuant to Section 215.473, Florida Statutes, or is engaged in business operations in Syria.

5.23 DISCRIMINATORY VENDOR LIST

An entity or affiliate who has been placed on the discriminatory vendor list may not: obtain an agreement/contract to provide goods or services to a public entity; construct or repair of a public building or public work; lease real property to a public entity; award or perform work as a vendor, supplier, or vendor under agreement/contract with any public entity; nor transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and intends to post the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity at (850) 487-0915.

5.24 NON-EXCLUSIVE

As may be applicable, the City reserves the right to acquire some or all of these goods and services through a State of Florida contract pursuant to the City's Procurement Policy, provided the State of Florida contract offers a lower price for the same goods and services. This reservation applies both to the initial award of this solicitation and to acquisition after an agreement/contract may be awarded.

Additionally, the City reserves the right to award other agreements for goods and services falling within the scope of this solicitation and resultant Agreement when the specifications differ from this solicitation or resultant Agreement, or for goods and services specified in this solicitation when the scope substantially differs from this solicitation or resultant Agreement.

5.25 BUSINESS INFORMATION

If a proposing firm is a Joint Venture for the goods/services described herein, the Proposer

shall, upon request of the City, provide a copy of the Joint Venture Agreement signed by all parties.

5.26 AGREEMENT

Proposer agrees that by submitting a proposal that is accepted by the City of Boynton Beach, a binding Agreement is formed in accordance with the City's terms, conditions, and specifications as set forth in the purchase order unless otherwise agreed by the City and the Proposer. The Proposer certifies that the proposal has been made by an officer or employee having the authority to bind the Proposer.

5.27 ENDORSEMENTS

No endorsements by the City of the goods and/or services will be used by the Proposer in any way, manner, or form.

5.28 DRUG-FREE WORKPLACE

The Consultant shall implement and maintain a drug-free workplace program of at least the following items:

A. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

B. Inform employees about the dangers of drug abuse in the workplace, the Proposer's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

C. Give each employee engaged in providing the services that are under contract a copy of the statement specified in Item A above.

D. In the statement specified in Item A above, notify the employees that, as a condition of providing the services that are under contract, the employee will abide by the terms of the statement and will notify the Proposer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893, Florida Statutes, or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) calendar days after such conviction or plea.

E. Impose a sanction on or require satisfactory participation in a drug abuse assistance or rehabilitation program, if such is available in the employee's community, for any employee who is so convicted or so pleads.

F. Make a good faith effort to continue to maintain a drug-free workplace through the implementation of Section 287.087, Florida Statutes

5.29 PROHIBITED TELECOMMUNICATIONS EQUIPMENT

Proposer represents and certifies that Proposer and all Sub-consultants do not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. Proposer represents and certifies that Proposer and all Sub-consultants shall not provide or use such covered telecommunications equipment, system, or services during the Term.

5.30 PROHIBITION AGAINST CONSIDERING SOCIAL, POLITICAL, OR IDEOLOGICAL INTERESTS IN GOVERNMENT CONTRACTING

Proposers are hereby notified of the provisions of section 287.05701, Florida Statutes, as amended, that the City will not request documentation of or consider a Proposer's social, political, or ideological interests when determining if the Proposer is a responsible Consultant. Proposers are further notified that the City's governing body may not give preference to a Proposer based on the Proposer's social, political, or ideological interests.

5.31 RIGHTS IN DATA

Except if otherwise agreed to in writing, the City shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials, and documents discovered or produced by Proposer pursuant to the terms of this solicitation, including but not limited to reports, memoranda or letters concerning the research and reporting tasks required.

5.32 DOCUMENTATION OF COSTS

All costs submitted shall be supported by properly executed payrolls, time records, invoices, vouchers, or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the resulting contract/agreement shall be clearly identified and regularly accessible and provided to the City upon request.

5.33 PUBLIC RECORDS

Sealed documents received by the City in response to a Request for Proposals are exempt from public records disclosure until thirty (30) calendar days after the opening of the RFP unless the City announces intent to award sooner, in accordance with Florida Statutes 119.071.

The Consultant agrees that copies of any and all property, work product, documentation, reports, computer systems and software, schedules, graphs, outlines, books, manuals, logs, files, deliverables, photographs, videos, tape recordings, or data relating to the Agreement which have been created as a part of the vendor's services or authorized by the City as a reimbursable expense, whether generated directly by the Consultant, or by or in conjunction or consultation with any other party whether or not a party to the Agreement, whether or not in privity of contract with the City or the Consultant, and wherever located shall be the property of the City.

Any material submitted in response to this solicitation is considered a public document in accordance with Section 119.07, F.S. All submitted

information that the responding Proposer believes to be confidential and exempt from disclosure (i.e., a trade secret or as provided for in Section 119.07, Chapter 688, and Section 812.081, F.S.) must be specifically identified as such. Upon receipt of a public records request for such information, a determination will be made as to whether the identified information is, in fact, confidential.

The City is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law. Specifically, the Consultant shall:

A. Keep and maintain public records required by the City to perform the service.

B. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat. or as otherwise provided by law.

C. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the Agreement, Consultant shall destroy all copies of such confidential and exempt records remaining in its possession once the Consultant transfers the records in its possession to the City; and

D. Upon completion of the Agreement, Consultant shall transfer to the City, at no cost to the City, all public records in Consultant's possession. All records stored electronically by Consultant must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

E. Failure of the Consultant to comply with the requirements of this Section, and other applicable requirements of state or federal law, shall be a material breach of the resulting Agreement. The City shall have the right to exercise all remedies available to it for breach of agreement/contract, including but not limited to, the right to terminate for cause.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK'S OFFICE
100 EAST OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

5.34 **SOVEREIGN IMMUNITY**

Nothing contained herein is intended to serve as a waiver of sovereign immunity by the City or as a waiver of limits of liability or rights the City may have under the doctrine of sovereign immunity or under Section 768.28, Florida Statutes.

THE REMAINDER OF THE PAGE IS INTENTIONALLY LEFT BLANK

SECTION VI – SPECIAL CONDITIONS – TERM CONTRACT

The Consultant will be responsible for supplying necessary labor for the completion of services outlined in this RFP by the City of Boynton Beach.

The following special conditions shall apply to all Proposers and eventually to the Consultant(s) who are awarded the contract for these services.

6.1 ASSIGNMENT:

Any contract issued pursuant to this request for proposal, qualifications, or invitation to bid and the funds that may come due hereunder are not assignable except with the prior written approval of the city.

6.2 PERFORMANCE DURING EMERGENCY:

The Consultant agrees and promises that immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, the City shall be given "first priority" for all goods and/or services under the agreement/contract.

The Consultant agrees to provide all goods and/or services to City immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, at the terms, conditions, and prices as provided in this solicitation on a "first priority" basis.

The Consultant shall furnish a 24-hour phone number to the City. Failure to provide the goods and/or services to the City on a first priority basis immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, shall constitute a breach of agreement/contract and subject the Consultant to sanctions from doing further business with the City.

6.3 CPI PRICE ADJUSTMENT

All prices for the Initial Term are fixed in accordance with the pricing stated in the Agreement. Consultant may request a price adjustment for labor unit prices for any applicable renewal term. This request must be in writing, must be submitted to the City at least ninety (90) days prior to the start of the next applicable renewal term, and must be accompanied by documentation to substantiate the need for the price adjustment.

Any price adjustment will be consistent with the Consumer Price Index (“CPI”). The CPI data will be obtained from the U.S. Bureau of Labor Statistics table for CPI for All Urban Consumers (“CPI-U”), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. If no such index is published, the City will designate a reasonably similar index.

The City, in its sole discretion, will determine if Consultant’s requested adjustment is in the best interest of City based upon current market conditions and information regarding similar services in the area. City approval is required for any price adjustment requested by Consultant; the City will provide written notification to Consultant of City’s decision to approve or reject any requested adjustment. The City may also initiate a price adjustment consistent with the CPI-U; unless otherwise stated in the Agreement, the Consultant’s written approval is required for any price adjustment initiated by the City.

If approved by the City, the CPI price adjustment percentage is calculated as follows: the difference of the CPI current period less the CPI previous period, divided by the CPI previous period, times

100. The CPI current period means the most recently published monthly index prior to Agreement's annual anniversary.

The CPI previous period means for the same month of the prior year. The CPI price adjustment percentage for any year will not exceed a maximum change of three percent (3%).

Consultant acknowledges that any adjustment is at the City's sole discretion, and if any such adjustment is not approved by the City, Consultant is obligated to perform the Services in full for the entire Term without the requested adjustment to pricing.

6.4 AGREEMENT EXTENSION

The City reserves the right to extend automatically for a period not to exceed an additional **ONE HUNDRED EIGHTY (180)** calendar days by mutual agreement and by filing a written notice signed by the Consultant to the City's Purchasing Department without further City Commission action. This extension shall provide the City with continual services for an additional term of the contract.

6.5 INDEMNIFICATION

The consultant shall indemnify, hold harmless, and defend City and all of City's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by Consultant, or any intentional, reckless, or negligent act or omission of Consultant, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, Consultant shall, upon written notice from City, defend each Indemnified Party with counsel satisfactory to City or, at City's option, pay for an attorney selected by the City Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement. If considered necessary by the Contract Administrator and the City Attorney, any sums due Consultant under this Agreement may be retained by City until all Claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by City.

The Consultant shall also be liable to the City for all costs, expenses, attorneys' fees, and damages which may be incurred or sustained by the City by reason of the Consultant's breach of any of the provisions of the contract. Consultant shall not be responsible for negligent acts of the City or its employees. Further, the Consultant shall hold the City harmless and indemnify the City for any funds that the City is obligated to refund the Federal Government arising out of the conduct, activities, or administration of the agreement/contract by the Consultant.

6.6 TERMINATION

The City, by written notice, may terminate in whole or in part any Contract resulting from this RFP when such action is in the best interest of the City.

If the Contract(s) are so terminated the City shall be liable for only payment for services rendered prior to the effective date of termination. Services rendered will be interpreted to include costs of items already delivered plus reasonable costs of supply actions short of delivery.

A. DEFAULT AND TERMINATION FOR CAUSE:

The City may, by written notice of default to the Consultant, terminate the agreement/contract in whole or in part if the Consultant fails to satisfactorily perform any provisions of this agreement/contract, or fails to make progress so as to endanger performance under the terms and conditions of this agreement/contract, or provides repeated nonperformance, or does not remedy such failure within a period of 30 calendar days after receipt of notice from the City of Boynton Beach specifying such failure. In the event the City terminates the agreement/contract in whole or in part because of default of the Consultant, the City may procure goods and/or services similar to those terminated, and the Consultant shall be liable for any excess costs incurred due to this action.

If it is determined that the Consultant was not in default or that the default was excusable (e.g., failure due to causes beyond the control of, or without the fault or negligence of, the Consultant), the rights and obligations of the parties shall be those provided in Section "Termination for Convenience".

B. TERMINATION FOR CONVENIENCE OF CITY

Whenever the interests of the City so require, terminate the agreement/contract, in whole or in part, for the convenience of the City. Purchasing shall give fourteen (14) business days prior written notice of termination to the Consultant, specifying the portions of the agreement/contract to be terminated and when the termination is to become effective. If only portions of the agreement/contract are terminated, the Consultant has the right to withdraw, without adverse action, from the entire agreement/contract.

Unless directed differently in the notice of termination, the Consultant shall incur no further obligations in connection with the terminated work and shall stop work to the extent specified and, on the date, given in the notice of termination. Additionally, unless directed differently, the Consultant shall terminate outstanding orders and/or subcontracts related to the terminated work.

Consultant shall indemnify the City against loss pertaining to this termination.

C. REMEDIES:

No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law, or in equity, by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

D. FUNDING OUT

This result of this Agreement shall remain in full force and effect only if the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

6.7 PERFORMANCE OF CONSULTANT

The proposer shall be fully responsible for performing all the work necessary to meet City standards in a safe, neat, and good workmanlike manner, using only generally accepted methods in carrying out the work and complying with all federal and state laws and all ordinances and codes of the City relating to such work.

Failure on the part of the submitting Firm to comply with the conditions, terms, specifications, and requirements of the RFP shall be cause for cancellation of the RFP award, notwithstanding any additional requirements enumerated in the Special conditions herein relating to performance-based contracting.

The City may, by written notice to the Responding Firm, terminate the Contract for failure to perform. The date of termination shall be stated in the notice. The City shall be the sole judge of nonperformance.

6.8 INSURANCE REQUIREMENTS

If a Consultant is providing a service under this agreement/contract, then the Consultant shall, at its sole expense, always maintain in full force and effect during the life of this agreement/contract, insurance coverages, and limits (including endorsements), as required by the City.

These requirements shall not in any manner limit or qualify the liabilities and obligations assumed by the Consultant under this agreement/contract.

All coverages shall be provided on a primary basis with the City endorsed as an Additional Insured as follows: "**The City of Boynton Beach**". The Consultant shall provide the City with a Certificate of Insurance evidencing such coverages prior to the commencement of any services and within a time frame specified by the City (normally within 2 working days after request). Failure to maintain the required insurance shall be considered a default of the agreement/contract.

It shall be the responsibility of the Consultant to maintain workers' compensation insurance, professional liability, property damage liability insurance, and vehicular liability insurance; during the time any of his/her personnel are working on City of Boynton Beach property. Loss by fire or any other cause shall be the responsibility of the Consultant until such time as the items and/or work have been accepted by the City. The Consultant shall furnish the City with a certificate of insurance after award has been made prior to the start of any work on City property. Said insured companies must be authorized to do business in the State of Florida and the City will not accept any company that has a rating less than B+ in accordance with A.M. Best's Key Rating Guide, latest edition.

6.9 FORCE MAJEURE

The agreement/contract which is awarded to the Consultant may provide that the performance of any act by the City or Consultant thereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from the performance by acts of God, pandemic, epidemic, emergency orders, the elements, war rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided, however, the City shall have the right to provide substitute service from third parties or City forces and in such event, the City shall withhold payment due to Consultant for such period of time. If the condition of force majeure exceeds a period of 14 business days the City may, at its option and discretion, cancel or renegotiate the agreement/contract.

6.10 INSPECTION AND ACCEPTANCE OF WORK PRODUCED

The City has the right to review, require correction, if necessary, and accept the work produced by the Consultant. Such review(s) shall be carried out within thirty (30) calendar days to not impede the work of the Consultant. Any product of work shall be deemed accepted as submitted if the City does not issue written comments and/or required corrections within thirty (30) calendar days from the date of receipt of such product from the Consultant.

The Consultant shall make any required corrections promptly at no additional charge and return a revised copy of the work requested to the City within seven (7) business days of notification or a later date if extended by the City.

Failure by the Consultant to proceed with reasonable promptness to make necessary corrections shall be a default. If the Consultant's submission of corrected work remains unacceptable, the City may terminate the resulting contract (or the task order involved) or reduce the contract price or cost to reflect the reduced value of services received.

6.11 PERFORMANCE EVALUATION:

The awarded Consultant(s) may receive a performance evaluation by City Staff during the course of the term contract. The City's Project Manager shall complete performance evaluations at the first year of the contract or more frequent intervals as required by the Contract **and** at the time of the end of the term contract.

Should the services provided by the Consultant fail to meet the expectations of the City's Project Manager, the Consultant shall have a period of ten (10) working days from the date notice is given to the Consultant by the City to correct all deficiencies in the under the contract.

All corrections shall be made to the satisfaction of the City Project Manager. Inability to correct all

deficiencies within the specified ten days shall be good and sufficient cause to immediately terminate the contract without the City being liable for any and all future obligations under the Contract as determined by the City at its sole discretion.

The City, in its judgment, may elect to compensate the Consultant for any accepted work product through the date of termination of an authorized Purchase Order, provided it is in a form sufficiently documented and organized to allow subsequent utilization in completing the work product.

The City's Project Manager shall contact a Procurement representative to advise of any performance issues so that Procurement can assist with bringing performance back to acceptable standards. It is equally important to complete the "Consultant Performance Evaluation Form whenever any of the performance indicators are either "marginal" or "unsatisfactory". In the event the Average Rating Score is "marginal" or "unsatisfactory" even after reasonable efforts have been taken by the City to improve performance, the City's Project Manager shall coordinate with Procurement to determine what action needs to be taken under the circumstances.

The Contract Performance Evaluation Form enclosed within this document illustrates a sample evaluation form to be used by the City for the various types of services provided by the City.

6.12 SUCCESSORS AND ASSIGNS:

The City and the Consultant each bind themselves and their successors and assigns to the other party in respect to all provisions of the Contract. Neither the City nor the Consultant shall assign, sublet, convey, or transfer its interest in the Contract without the prior written consent of the other.

APPENDIX 'A'

DRAFT

AGREEMENT

AGREEMENT BETWEEN THE CITY OF BOYNTON BEACH AND _____, FOR CONTINUING _____ CONSULTING SERVICES

This Agreement is made as of this __ day of _____, 20___, by and between _____, a _____, with a principal address of _____, hereinafter referred to as "Consultant," and the **City of Boynton Beach**, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Avenue, Boynton Beach, Florida 33435, hereinafter referred to as "City." In consideration of the mutual benefits, terms, and conditions hereinafter specified, the Parties agree as set forth below.

WHEREAS, the City issued Request for Proposals No._____ (the "RFP ") pursuant to state and local law to solicit proposals for _____ (the "Services"); and

WHEREAS, Consultant responded to the RFP by submitting its Proposal dated _____ (the "Proposal"), and

WHEREAS, City created a selection evaluation committee to review the proposals in accordance with the requirements of the RFP; and

WHEREAS, the City selected Consultant as the best qualified to perform the Services; and

WHEREAS, the City desires to engage Consultant to provide such services to the City on an as-needed basis according to the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, for and in consideration of the mutual covenants and promises as hereinafter set forth and of the faithful performance of such covenants and conditions, the City and Consultant do hereby agree as follows:

1. SERVICES AND METHOD OF ORDERING SERVICES.

a. **Services**. Consultant shall provide the type of services described in the Scope of Services attached hereto as **Exhibit A** (which services are hereinafter referred to as the "Services"). Consultant may be requested to provide specific Services for various and different tasks or projects. Consultant shall render the Services in a diligent, careful, thorough, and professional manner consistent with sound business practice and shall at all times provide City with the most sound and reasonable recommendations and advice. The standard of care for all Services performed or furnished by the Consultant under this Agreement will be the care and skill ordinarily used by members of the Consultant's profession practicing under similar circumstances or at the same time and in the same locality.

b. **Method of Ordering Services**. Services will be rendered in response to periodic written Task Orders (each a "Task Order") issued by the City on an as-needed basis. For each task or assignment, the City shall request the Consultant to develop for review by the City:

   a. A scope of services;

   b. An estimate of fees and costs based on the hourly rates established in this Agreement with sufficient detail to identify the various elements of costs, which amount shall constitute a guaranteed maximum and shall not be exceeded without the prior written approval of City;

c. A task/deliverable schedule; and

d. A payment schedule based on deliverables, which may not be front-loaded.

The Consultant and City shall execute a written Task Order upon mutual agreement of the scope of services, fees and costs, task/deliverable schedule, and payment schedule. City shall not be liable to pay for any Services provided without a properly executed Task Order. Upon complete execution of a Task Order and issuance of a Purchase Order, Consultant shall provide all Services described in the Task Order, including all necessary, incidental, and related activities required for the full and complete performance of such Services. The form of the Task Order is attached hereto as **Exhibit B**. Any Task Order over the then-current procurement policy threshold shall require approval of the City Commission.

c. **Use of Subconsultants**. Consultant shall utilize only the subconsultants identified in a Task Order to provide the Services. Consultant shall obtain written approval of City before changing or modifying any subconsultants, which shall be automatically updated upon such written approval. Consultant shall bind in writing each and every approved subconsultant to the terms stated in this Agreement and the applicable Task Order, provided that this provision shall not, in and of itself, impose the insurance requirements set forth in Article 24 on Consultant's subconsultants.

d. **Services Provided in Response to Natural Disaster / Emergency.** Consultant provides services that the City may require in the event of a hurricane or other disaster. Consultant acknowledges and agrees that in such event, the City may apply to the State of Florida or the federal government for funds which will be used to pay Contractor or reimburse the City for payments made to Consultant. FEMA will only consider reimbursing contracts which contain the requisite FEMA provisions. Consultant desires to be eligible to be awarded disaster work and be compensated through federal funds. The City and Consultant agree that with respect to any services or work performed or provided by Consultant or its subconsultants under this Agreement arising or related to a disaster event, the provisions set forth in the FEMA Required Contract Terms (the "FEMA Requirements"), a copy of which is attached hereto as **Exhibit D** and incorporated herein by reference, shall apply. The FEMA Requirements shall only modify this Agreement upon the provision by Consultant of work or services required as a result of a disaster. The terms and conditions of the Agreement and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Agreement and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

2. TERM. This Agreement shall be for an initial term of **THREE** (**3**) years, commencing on _____, 20___, and shall remain in effect through _____, 20___ ("Initial Term"), unless otherwise terminated or extended as provided in this Agreement. The City reserves the right to renew the Agreement for one (1) additional two-year renewal term (the "Extension Term") on the same terms and conditions stated in this Agreement, subject to Consultant's satisfactory performance as determined by the City, determination by the City that renewal will be in the best interest of the City, and confirmation that Consultant is the sole source to provide the Services. The Mayor is authorized to execute the term extension amendment(s). If Consultant requests a rate change at the time of renewal, such change shall not become effective until a written amendment is approved by the City Commission and duly executed by the Parties.

3. TIME FOR PERFORMANCE.

a. **Commencement of Work**. Services under the Agreement and any applicable Task Order shall commence upon the City giving written notice to the Consultant to proceed along with a purchase order. Consultant shall perform all Services and provide all deliverables required pursuant to this Agreement and each Task Order. Time is of the essence for the Consultant's performance of the duties, obligations, and responsibilities required by this Agreement.

b. **Delays; Untimely Performance**.

i. **Delays; No Fault of Consultant**. If Consultant is unable to timely complete all or any

portion of the Services because of delays resulting from untimely review by the City or other governmental agencies having jurisdiction over the project and such delays are not the fault of Consultant, or because of delays caused by factors outside the control of Consultant, the City shall grant a reasonable extension of time for completion of the Services. It shall be the responsibility of the Consultant to notify the City in writing whenever a delay in approval by a governmental agency is anticipated or experienced and whenever a delay has been caused by factors outside of the Consultant's control and to inform the City of all facts and details related to the delay. Consultant must provide such written notice to the City within three (3) business days after the occurrence of the event causing the delay.

ii. **Delays Due to Consultant**. If Consultant fails to substantially complete the Services in whole or in part on or before the date established in each Task Order, Consultant shall pay City its proportional share of any claim for damages arising out of the delay. This section shall not affect either Party's indemnification rights or obligations otherwise outlined in this Agreement.

c. **If Task Order Continues Beyond Term**. Consultant shall complete each executed Task Order without regard to whether such completion would cause Services to be performed after the expiration date of this Agreement. Any Task Order for which performance extends beyond the Term may be amended after that expiration date, provided that any additional Services, time, and compensation are permitted under this Agreement. The terms and conditions of this Agreement shall continue to govern Task Orders notwithstanding the expiration of this Agreement.

4. AMOUNT AND METHOD OF COMPENSATION.

a. **Compensation**. As compensation for Services rendered by Consultant to the City pursuant to a duly executed Task Order, the City shall pay the Consultant an annual amount not to exceed _____ ($_____) ("Fee") calculated based on the anniversary date of complete execution of the Agreement. The Fee is based on the Hourly Rates outlined in the Fee Schedule attached hereto as **Exhibit C** and incorporated into this Agreement by reference. The Fee shall be the sole compensation paid to Consultant in connection with the rendition of the Services and the performance of any and all of its other obligations under this Agreement and shall include any out-of-pocket or other expenses, including travel expenses, incurred by Consultant.

b. **Subconsultant Fees**. If subconsulting is permitted, the Consultant shall bill the City for subconsultant fees with no markup and within any applicable maximum not-to-exceed amount.

c. **CPI Increases.** All prices for the Initial Term are fixed in accordance with the pricing stated in the Agreement. Consultant may request a price adjustment for labor unit prices for any applicable extension term. This request must be in writing, submitted to the City at least ninety (90) days before the start of the next applicable Extension Term, and accompanied by documentation to substantiate the need for the price adjustment.

Any price adjustment will be consistent with the Consumer Price Index ("CPI"). The CPI data will be obtained from the U.S. Bureau of Labor Statistics' table for CPI for All Urban Consumers ("CPI-U"), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. The City will designate a reasonably similar index if no such index is published.

In its sole discretion, the City will determine if Consultant's requested adjustment is in the City's best interest based on current market conditions and information regarding similar services in the area. City approval is required for any price adjustment requested by Consultant; the City will provide written notification to Consultant of City's decision to approve or reject any requested adjustment. The City may also initiate a price adjustment consistent with the CPI-U; unless

otherwise stated in the Agreement, Consultant's written approval is required for any price adjustment initiated by City.

If approved by the City, the CPI price adjustment percentage is calculated as follows: the difference of the CPI current period less the CPI previous period, divided by the CPI previous period, times 100. The CPI current period means the most recently published monthly index before the Agreement's annual anniversary. The CPI previous period means for the same month of the prior year. Any year's CPI price adjustment percentage will not exceed a maximum change of three percent (3%).

Consultant acknowledges that any adjustment is at the City's sole discretion, and if the City does not approve any such adjustment, Consultant is obligated to perform the Services in full for the entire Term without the requested adjustment to pricing.

5. NOTICES. All Notices to the City shall be in writing by certified mail return receipt requested, or customarily used overnight transmission with proof of delivery, sent to:

City: Daniel Dugger, City Manager
City of Boynton Beach
P.O. Box 310
Boynton Beach, Florida 33425
Telephone: (561) 742-6010 / Facsimile: (561) 742-6090

Copy: Shawna G. Lamb, City Attorney
City of Boynton Beach
P.O. Box 310

6. INVOICES AND PAYMENT. Invoices must identify the PO number, Task Order project description, and should be mailed to:

Boynton Beach Finance Department
Attn: Accounts Payable
P.O. Box 310
Boynton Beach, FL 33425

Invoices shall show the nature of the service and dates(s) of service. Invoices based on hourly rates shall show the actual hours worked, the person performing services, the nature of the service, the hourly rate, and the dates(s) of service. Invoices may be submitted after such services are performed; however, all services rendered before September 30th of any given year must be invoiced by September 30th of that year. Consultant shall provide a W-9 with the first invoice.

Payment shall be made only for services actually performed and completed pursuant to a duly executed Task Order and this Agreement. The fee shall be paid based on receipt of a proper invoice in accordance with the invoice schedule indicated above. Payment will be made within 45 days of receipt of a proper invoice in accordance with the Local Government Prompt Payment Act, Section 218.70, et al., Florida

Statutes. No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement by Consultant, either wholly or in part, and no payment shall be construed to be an acceptance of or to relieve Consultant of liability for the defective, faulty, or incomplete rendition of the Services.

7. **TAX EXEMPT**. Prices applicable to the City do not include applicable state and local sales, use, and related taxes. The City is exempt from state and local sales and use taxes and shall not be invoiced for the same. The City will provide the Consultant with proof of tax-exempt status upon request.

8. **SOVEREIGN IMMUNITY**. Nothing contained in this Agreement nor contained herein shall be considered nor construed to waive the City's rights and immunities under the common law or section 768.28, Florida Statutes, as may be amended.

9. **ATTORNEY'S FEES**. If either Party brings suit to enforce the Agreement, each Party shall bear its own attorney's fees and court costs.

10. **PUBLIC RECORDS**. The City is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law. Specifically, the Consultant shall:

    a. Keep and maintain public records required by the City to perform the service when utilizing non-City-owned equipment;

    b. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Fla. Stat. or as otherwise provided by law;

    c. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Consultant shall destroy all copies of such confidential and exempt records remaining in its possession once the Consultant transfers the records in its possession to the City; and

    d. Upon completion of the contract, Consultant shall transfer to the City, at no cost to the City, all public records in Consultant's possession. All records stored electronically by Consultant must be provided to the City, upon request from the City's custodian of public records, in a format compatible with the City's information technology systems.

IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

CITY CLERK OFFICE
100 E. OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

11. **DISCRIMINATORY VENDOR AND SCRUTINIZED COMPANIES LISTS; COUNTRIES OF CONCERN**. Consultant represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Sections 215.473 or 215.4725,

Florida Statutes. Consultant represents and certifies that it is not, and for the duration of the Term, will not be, ineligible to contract with City on any of the grounds stated in Section 287.135, Florida Statutes. Consultant represents that it is, and for the duration of the term will remain, in compliance with Section 286.101, Florida Statutes.

12. **E-VERIFY**. Consultant shall comply with Section 448.095, Fla. Stat., "Employment Eligibility," including registering and using the E-Verify system to verify the work authorization status of employees. Failure to comply with Section 448.095, Fla. Stat. shall result in termination of this Agreement. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the termination date. If this Agreement is terminated for a violation of the statute by Consultant, Consultant may not be awarded a public contract for one (1) year after the date of termination.

13. **ENTITIES OF FOREIGN CONCERN**. The provisions of this section apply only if Consultant or any subconsultant will have access to an individual's personal identifying information under this Agreement. Consultant represents and certifies: (i) Consultant is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in Consultant; and (iii) Consultant r is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. On or before the effective date of this Agreement, Consultant and any subconsultant that will have access to personal identifying information shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice for purposes of Section 6. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

14. **ANTI-HUMAN TRAFFICKING**. On or before the effective date of this Agreement, Consultant shall provide City with an affidavit attesting that the Consultant does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

15. **COUNTRIES OF CONCERN**. The Consultant represents that it is and will remain in compliance with Section 286.101, Florida Statutes, for the duration of the term.

16. **PUBLIC ENTITY CRIME ACT**. Consultant represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. Consultant further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Consultant has been placed on the convicted vendor list.

17. **CONTINGENCY FEE**. Consultant represents and warrants that it has not employed or retained any person or entity, other than a bona fide employee working solely for Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. If this Agreement is subject to Section 287.055, Florida Statutes, the Parties agree and stipulate that the statutory language stated in Section 287.055(6)(a) is deemed included and fully incorporated herein.

18. **TRUTH-IN-NEGOTIATION REPRESENTATION**. Consultant's compensation under this Agreement is based upon its representations to City. Consultant certifies that the wage rates, factual unit costs, and other information supplied to substantiate Consultant's compensation, including, without limitation, in the negotiation of this Agreement, are accurate, complete, and current as of the date Consultant executes this Agreement. Consultant's compensation may be reduced by City, in its sole discretion, to correct any inaccurate, incomplete, or noncurrent information provided to City as the basis for Consultant's compensation in this Agreement.

19. **DULY LICENSED**. Consultant represents that it is duly licensed to perform the Services under this Agreement and will continue to maintain all licenses and approvals required to conduct its business.

20. **FORCE MAJEURE**. If the performance of this Agreement, or any obligation hereunder, is prevented by reason of hurricane, earthquake, or other casualty caused by nature, epidemic, pandemic, or other public health emergency, or by labor strike, war, or by a law, order, proclamation, regulation, ordinance of any governmental agency (collectively, "Force Majeure Event"), the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the extent of such prevention, provided that the affected Party shall first have taken reasonable steps to avoid and remove such cause of non-performance and shall continue to take reasonable steps to avoid and remove such cause, and shall promptly notify the other Party in writing and resume performance hereunder whenever such causes are removed; provided, however, that if such inability to perform due to the Force Majeure Event exceeds sixty (60) consecutive days, the Party that was not prevented from performance by the Force Majeure Event has the right to terminate this Agreement upon written notice to the other Party. This section shall not supersede or preclude the exercise of any right either Party may otherwise have to terminate this Agreement.

21. **DISPUTES**. Any disputes that arise between the parties regarding the performance of this Agreement and cannot be resolved through negotiations shall be submitted to a court of competent jurisdiction exclusively in Palm Beach County, Florida. This Agreement shall be construed under Florida Law.

22. **TERMINATION**.

    a. **Termination for Convenience**. This Agreement may be terminated by either Party for convenience upon fourteen (14) calendar days of written notice. In this event, the Consultant shall be compensated for services performed through the termination date, including services reasonably related to termination.

    b. **Termination for Cause**. In addition to all other remedies available to the aggrieved Party, this Agreement shall be subject to cancellation by either Party for cause, should the other Party neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for thirty (30) calendar days after receipt by the defaulting Party of written notice of such neglect or failure.

    c. In the event of termination, the City shall compensate the Consultant for all authorized work satisfactorily performed through the termination date under the payment terms contained in this Agreement. Consultant shall immediately deliver all documents, written information, electronic data, and other materials concerning City projects in its possession to the City and shall cooperate in transitioning its consulting duties to appropriate parties at the direction of the City.

    d. Upon termination, this Agreement shall have no further force or effect, and the Parties shall be relieved of all further liability hereunder, except that the provisions of this section and the provisions regarding property rights, insurance, indemnification, governing law, and litigation shall survive termination of this Agreement and remain in full force and effect.

23. **INDEMNIFICATION**. Consultant shall indemnify and hold harmless the City and its elected and appointed officers, agents, assigns and employees, consultants, separate Consultants, any of their subconsultants, or sub-subconsultants (collectively, "Indemnified Party"), from and against claims, demands, or causes of action whatsoever, and the resulting losses, damages, costs, and expenses, including but not limited to attorneys' fees, including paralegal expenses, liabilities, damages, orders, judgments, or decrees, sustained by the Indemnified Party arising out of or resulting from (A) Consultant's performance or breach of Agreement, (B) acts or omissions, negligence, recklessness, or intentional wrongful conduct by Consultant's, its agents, employees, subcontractors, subconsultants, participants, and volunteers, and (C) Consultant's failure to take out and maintain insurance as required under this Agreement. Consultant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits, or actions of any kind

or nature against an Indemnified Party, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The obligations of this section shall survive indefinitely regardless of termination of the Agreement. If considered necessary by the City and the City Attorney, the City may retain any sums due Consultant under this Agreement until all claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the City.

24. INSURANCE. At the time of execution of this Agreement, the Consultant shall provide the City with a copy of its Certificate of Insurance reflecting the following insurance coverage:

a. Workers' Compensation Insurance to apply for all employees in compliance with the "Workers' Compensation Law" of the State of Florida and all applicable federal laws. In addition, the policy(ies) shall include Employer's Liability with limits of One Million Dollars ($1,000,000.00) each accident, One Million Dollars ($1,000,000.00) each condition, and One Million Dollars ($1,000,000.00) aggregate by condition.

b. Comprehensive General Liability with minimum limits of One Million Dollars ($1,000,000.00) per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability shall include:

i. Premises and/or Operations on an occurrence basis.
ii. Completed Operations Liability on an occurrence basis.
iii. Broad Form Property Damage.
iv. Broad Form Contractual Coverage applicable to this specific Agreement, including any hold harmless and/or indemnification agreement.

The Certificate of Insurance shall name the City of Boynton Beach and its officers, employees, and agents as additional insured.

c. Consultant shall require that each subconsultant maintains insurance coverage that adequately covers the Services provided by that subconsultant on substantially the same insurance terms and conditions required of Consultant under this article. Consultant shall ensure that all such subconsultants comply with these requirements and that "and its officers, employees, and agents as additional insured" is named as an additional insured under the subconsultants' applicable insurance policies. Consultant shall not permit any subconsultant to provide Services unless and until all applicable requirements of this article are satisfied.

25. LIMITATION OF LIABILITY. Notwithstanding any provision of the Agreement to which it is applicable, City shall not be liable or responsible to Consultant beyond the amount remaining due to Consultant under the Agreement, regardless of whether said liability be based in tort, contract, indemnity, or otherwise; and in no event shall City be liable to Consultant for punitive or exemplary damages or lost profits or consequential damages.

26. INDEPENDENT CONTRACTOR. The Agreement does not create an employee/employer relationship between the Parties. The Parties intend that Consultant is an independent contractor under this Agreement and shall not be considered the City's employee for any purpose. Consultant shall not have the right to bind City to any obligation not expressly undertaken by City under this Agreement

27. COMPLIANCE WITH LAWS. Consultant hereby warrants and agrees that at all times material to the Agreement, Consultant shall perform its obligations in compliance with all applicable federal, state, and local laws, rules, and regulations, including section 501.171, Florida Statutes. Non-compliance may constitute a material breach of the Agreement.

28. BREACH OF REPRESENTATIONS. Consultant acknowledges that City is materially relying on the representations, warranties, and certifications of Consultant stated in its Proposal and this Agreement, and

City shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Consultant; (c) set off from any amounts due Consultant the total amount of any damage incurred; and (d) debarment of Consultant.

29. **ASSIGNMENT**. If this Agreement and any interests granted herein shall be assigned, transferred, or otherwise encumbered under any circumstances by Consultant, Consultant must gain prior written consent from City thirty (30) business days before such transfer. For purposes of this Agreement, any company ownership change shall constitute an assignment that requires the City's approval. Notwithstanding the foregoing, Consultant may, without City's consent, assign this Agreement in whole or in part as part of a corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement. Consultant shall provide City written notice of any such corporate reorganization, consolidation, merger, or sale of substantially all of its assets related to this Agreement within thirty (30) calendar days of such event.

30. **NO LIEN**. The Consultant shall not at any time permit any lien, attachment, or any other encumbrance under the laws of the State of Florida, or otherwise, by any person or persons whomsoever to be filed or recorded against the City, against any City property or money due or to become due for any work done or materials furnished under this Agreement by Consultant.

31. **AGREEMENT SUBJECT TO FUNDING**. The Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Boynton Beach in the annual budget for each fiscal year of this Agreement and is subject to termination based on lack of funding.

32. **NON-EXCLUSIVE**. This Agreement is non-exclusive. City may retain additional entities to perform the same or similar work.

33. **REPRESENTATION OF AUTHORITY**. Consultant represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Consultant and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Consultant has with any third party or violates applicable law. Consultant further represents and warrants that execution of this Agreement is within Consultant's legal powers, and each individual executing this Agreement on behalf of Consultant is duly authorized by all necessary and appropriate action to do so on behalf of Consultant and does so with full legal authority.

34. **RIGHTS IN DOCUMENTS AND WORK**.

    a. **Ownership**. Any and all videos, photographs, documents, materials, data, or other work created by Consultant in connection with performing services, whether finished or unfinished ("Documents and Work"), shall be owned by City, and Consultant hereby transfers to City all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work.

    b. **Deliverables Upon Conclusion of Task Order**. Consultant shall deliver to the City for approval and acceptance, and before being eligible for final payment of any amounts due under any Task Order, all documents and materials prepared for the City in connection with the Task Order. All such documents and records shall be provided within a reasonable time at no additional cost. Such documents may be provided electronically.

    c. **Delivery Upon Expiration or Termination of Agreement**. Upon expiration or termination of this Agreement, the Documents and Work shall become the property of City and shall be delivered by Consultant to City within seven (7) days after expiration or termination. Any compensation due to Consultant may be withheld until all Documents and Work are received as provided in this Agreement. Consultant shall ensure that the requirements of this section are included in all

agreements with all subconsultant(s).

d. **Reuse of Project Documents**. City may, at its option, reuse (in whole or in part) the resulting end-product or deliverables resulting from Consultant's Services (including, but not limited to, drawings, specifications, other documents, and services as described herein and in the applicable Scope of Services for any Task Order); and Consultant agrees to such reuse in accordance with this provision.

35. **CONSULTANT'S STAFF**. Consultant will provide the key staff identified in its Proposal as long as they are in Consultant's employment. Consultant will obtain prior written approval from the City to change key staff. Consultant shall provide City with such information as necessary for City to determine the suitability of proposed new key staff. City will be reasonable in evaluating key staff qualifications. If City desires to request removal of any of Consultant's staff, City shall first meet with Consultant and provide reasonable justification for said removal; upon such reasonable justification, Consultant shall use good faith efforts to remove or reassign the staff at issue.

36. **THIRD-PARTY BENEFICIARIES**. Neither Consultant nor City intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

37. **MATERIALITY AND WAIVER OF BREACH**. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and essential to the formation of this Agreement, and each is, therefore, a material term. City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed as a modification of this Agreement. To be effective, any waiver must be in writing and signed by an authorized signatory of the Party granting the waiver.

38. **COUNTERPARTS AND MULTIPLE ORIGINALS**. This Agreement may be executed in multiple originals and may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

39. **NON-DISCRIMINATION**. Consultant and any subconsultants shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

40. **CONTROLLING PROVISIONS**. Except as otherwise specifically provided herein, in the event of any conflict between the specific provisions of this Agreement and the requirements or provisions of the RFP and/or Proposal, the provisions shall be given precedence in the following order: (1) this Agreement, (2) the RFP; and (3) the Proposal. Wherever possible, the provisions of the documents shall be construed in such a manner as to avoid conflicts between the provisions of the various documents.

41. **ENTIRE AGREEMENT**. The Agreement, including the RFP, the Proposal, and the Exhibits that are incorporated into this Agreement in their entirety, embody the entire agreement and understanding of the parties concerning the subject matter of this Agreement and supersede all prior and contemporaneous agreements and understandings, oral or written, relating to said subject matter. This Agreement may only be modified by a written amendment executed by the City and Consultant.

42. **SEVERABILITY**. If any provision of this Agreement or application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue in full force and effect, and be enforced to the fullest extent permitted by law.

IN WITNESS OF THE FOREGOING, the parties have set their hands and seals the day and year first written above.

EXHIBIT C
FEE SCHEDULE / HOURLY RATES

EXHIBIT D

FEMA REQUIRED CONTRACT TERMS

The FEMA Requirements shall only modify the Contract upon the provision by the Contractor of work or services required as a result of a disaster.

The term "Contractor", as used throughout shall mean the Contractor, Provider, Consultant, Supplier, etc., as applicable with respect to the Contract or Agreement.

The term "Contract" as used throughout shall mean the underlying contract or agreement, as applicable.

FEMA Requirements. The City and Contractor agree that with respect to any services or work performed or provided by Contractor or its subcontractors under the Contract arising or related to a disaster event, the provisions set forth in this Addendum (including Form FHWA-1273) and 2 CFR Part 200 (collectively, the **"FEMA Requirements")** shall apply. **The FEMA Requirements shall only modify the Contract upon the provision by Contractor of work or services required as a result of a disaster.** The terms and conditions of the Contract and the FEMA Requirements should be read to operate in concert, except where directly in conflict. In the event of a conflict between the terms of the Contract and the FEMA Requirements, the FEMA Requirements shall govern and prevail.

A. Contracts to receive funding derived from federal grants must comply with federal guidelines. The federal funds appropriated by the Federal Emergency Management Agency (FEMA) will be administered through the State of Florida.

B. **In the event of a conflict between the FEMA Requirements listed in this section and other provisions of the Contract, the FEMA Requirements will govern and prevail. Only FEMA provisions applicable to the Contract shall apply.**

C. **Payment**. Payment shall be based on the unit rates/prices pursuant to the Contract Fee Schedule. The contractor shall submit invoices covering no more than a 30-day period.

D. **Remedies**.

(1) Legal Remedies. The city may enforce any breach of contract through a city-initiated lawsuit in a court of competent jurisdiction to pursue temporary or permanent injunctive relief or any other legal or equitable remedy authorized by law to cure, remove, prevent, or end a violation of any provision of this article. The City shall recover its court costs and reasonable attorneys' fees in any legal proceedings commenced to enforce the contract.

(2) Additional Remedies. In addition to any other remedies provided for in the contract or to which the City may be entitled at law or in equity, in the event of a breach or violation of the Contract by the Contractor, the Contractor shall be subject to debarment or suspension from consideration for the award of additional contracts from the City, including but not limited to contracts related to disaster relief or recovery, pursuant to the terms and procedures set forth in the City Code.

These remedies are cumulative and the use of any appropriate remedy shall not constitute an election of other remedies by the City. The use of one remedy shall not preclude the use of any other remedy. Nothing in this article shall prohibit the City from enforcing the requirements of this article by any other legal means.

E. **Termination or Suspension of Contract**.The City may, by written notice to the Contractor, suspend any or all of the City's obligations under the Contract due to the Contractor's failure to comply with applicable law or the terms of the Contract until such time as the event or condition resulting in such suspension has ceased or been corrected.

F. **Termination for Cause**. The City shall have the right to terminate the Contract for cause, in the event of a breach of the contract terms, upon five (5)-calendar days written notice to Contractor. In the event of termination, the City shall compensate the Provider for all authorized services or work satisfactorily performed through the termination date under the payment terms contained in the Contract. The City shall be liable for the payment of all portions of materials, supplies, services, and facility orders which cannot be

canceled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

G. **Termination for Convenience**. The City may terminate this Contract at its convenience with or without cause upon written notice of termination to the Contractor. In the event of such a termination by the City, the City shall be liable for the payment of all Work properly performed prior to the effective date of termination and for all portions of materials, supplies, services, and facility orders which cannot be canceled and were placed prior to the effective date of termination and other reasonable costs associated with the termination. Notwithstanding the preceding, under no circumstances shall the City be liable to the Contractor for lost profits or overhead for work, materials, or services not performed or delivered to the City. All other termination provisions in the Contract shall remain applicable.

H. **Changes to Contract**. Changes to the Contract terms and conditions which are within the scope of the Contract, reasonable for completion of the contract scope, allowable under FEMA regulations, and mutually agreed, may be made part of the Contract by written amendment duly executed by City and Contractor.

I. **Equal Employment Opportunity**.
(Applicable to All FEMA Construction Contracts)

During the performance of this Contract, the Contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, his contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph **(1)** and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part 11, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings

J. **Civil Rights**.
(Applicable to All FEMA Contracts)

The following requirements will apply to the Contract and any sub-contracts:

(1) **Age**. In accordance with section 4 of the Age Discrimination in Employment Act of 19671 as amended, 29 U.S.C. §623, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

(2) **Disabilities**. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. §12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities, and which prohibits discrimination in the areas of employment, public accommodations, transportation, telecommunications and government services.

K. **Davis Bacon Act and Copeland Anti-Kickback Act**.
(Applicable to Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security

Grant Program, and Transit Security Grant Program construction contracts in excess of $2,000. Not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program; Davis Bacon Act--40 USC s. 3141-3144 and 3146-3148, 2 CFR Part 200, Appendix II; Copeland Anti-Kickback Act--40 USC s. 3145)

In situations where the Davis-Bacon Act does not apply, neither does the Copeland Anti-Kickback Act.

Compliance with Davis Bacon Act (if applicable)

(1) The Contractor agrees to comply with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.

(2) The Contractor agrees to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.

(3) The Contractors will pay wages not less than once a week.

Compliance with Copeland Anti-Kickback Act

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

L. **Contract Work Hours and Safety Standards Act**.
(Applicable to all FEMA contracts in excess of $100,000 that involve the employment of mechanics or laborers; 29 CFR Part 5; 2 CFR Part 22, Appendix II, E)

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. U. S. Department of Homeland Security Headquarters 500 C St SW Washington, D.C. 20042.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated

damages as provided in the clause set forth in paragraph (b)(2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section.

M. **Rights to Inventions Made Under a Contract or Agreement**.

(Applicable if FEMA award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the non-Federal entity wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement". Does not apply to the Public Assistance, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households - Other Needs Assistance Grant Program. 37 CFR Part 401; 2 CFR Part 200, Appendix II, F).

The contractor acknowledges that it must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by FEMA.

N. **Clean Air Act and the Federal Water Pollution Control Act**.
(Applicable to Contracts in Excess of $150,000)

Clean Air Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

(1) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

(2) The Contractor agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the State, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

(3) The Contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

O. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**.
(Applicable to All FEMA Contracts and Subcontracts; Executive Order 12549, Executive Order 12689, 2 CFR Part 180; 2 CFR Part 3000)

a. By signing this Addendum, the Contractor is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Contractor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the Contractor to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The Contractor shall provide immediate written notice to the department or agency to whom this proposal is submitted if any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

d. This Contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

e. The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

f. This certification is a material representation of fact relied upon by the City. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State, and the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

g. The Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of the Contract. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

P. **Certification Regarding Use of Contract Funds for Lobbying - Byrd Anti-Lobbying**.

(Byrd Anti-Lobbying (31 USC s. 1352)--Applicable to contracts in excess of $100,000. 2 CFR Part 200, Appendix II)

Contractors with contracts of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the City who in turn will forward the certification(s) to FEMA.

(1) The Contractor certifies, by signing this Addendum, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of the fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by

31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

d. The Contractor also agrees that he or she shall require that the language of this certification be included in all lower-tier subcontracts, which exceed $100,000, and that all such recipients shall certify and disclose accordingly.

e. The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

P. **Procurement of Recovered Materials**.
(Applicable to all FEMA contracts, 42 USC s. 6962; 2 CFR Part 200, Appendix II, K; 2 CFR s. 200.322)

(1) In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired-

a. Competitively within a timeframe providing for compliance with the contract performance schedule;
b. Meeting contract performance requirements; or
c. At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines website, www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program,

(3) The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act."

Q. **Compliance with Federal Law. Regulations, and Executive Orders**.
(Applicable to all FEMA contracts)

This is an acknowledgment that FEMA financial assistance will be used to fund the Contract only. The Contractor will comply with all applicable federal laws, regulations, executive orders, FEMA policies, procedures, and directives as applicable, and as amended from to time, including but not limited to:

a. The Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, 42 USC Sec. 5121, et. seq.
b. Resource Conservation and Recovery Act
c. National Historic Preservation Act
d. Mandatory Standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act

R. **Compliance with State and Federal Reporting Requirements**. The Contractor and its subcontractors shall comply with and the Contract is subject to the requirements and regulations of the Federal Emergency Management Agency and the State of Florida Division of Emergency Management pertaining to reporting.

S. **Immigration and Naturalization Act**.
(Applicable to all FEMA contracts}

Contractor shall not knowingly employ unauthorized alien workers in violation of 8 USC §1324a(e) [§274A(a)(1) and (e)] of the Immigration and Nationality Act] and such employment of unauthorized aliens shall be grounds for unilateral termination of the Contract/Agreement.

T. **Indemnity of Funding Entities**.
(Applicable to all FEMA contracts)

Contractor hereby agrees to indemnify and hold harmless the State of Florida, the Government of the United States of America (including but not limited to the Federal Emergency Management Agency and the Federal Highway Administration), and the City and their officers, agents, employees, and elected officials from and against any and all liability, claims, damages, demands, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including attorneys' fees for trial and appeal, and for the preparation of same arising out of Contractor's, its officers, agents, employees, and subcontractors' acts or omissions associated with this Contract.

U. **Performance and Payment Bonds**.
(Applicable to all FEMA Construction Contracts}

If not already required under the Contract, and if requested by the City, the Contractor shall, prior to the commencement of operations, furnish a Performance and Payment Bond, executed by a surety company authorized to do business in the State of Florida, in the amount of the estimated contract value, which bond shall be conditioned upon the successful completion of all work, labor, services, and materials to be provided and furnished under the contract and the payment of all subcontractors, materials, and laborers. Said bonds shall be subject to approval by the City.

V. **Materials and Supplies**.
(Applicable to all FEMA contracts)

All manufactured and unmanufactured articles, materials, and supplies which are acquired for public use under this Contract have been produced in the United States as required by 41 USC §10a, unless it would not be in the public interest or unreasonable in cost.

W. **Access to Records**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

(1) The Contractor agrees to provide the City, State, FEMA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the contract for the purposes of making audits, examinations, excerpts and transcriptions.

(2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

(3) The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.

(4) The Contractor agrees to maintain all books, records, accounts and reports required under the Contract for a period of not less than three (3) years after the date of termination or expiration of the Contract, except in the event of litigation or settlement of claims arising from the performance of the Contract, in which case Contractor agrees to maintain same until the City, the State, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto.

(5) In compliance with the Disaster Recovery Act of 2018, the City and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

X. **DHS Seal, Logo and Flags**.
(Applicable to all FEMA contracts; OHS Standard Terms and Conditions, v. 3.0 XXV)

The Contractor shall not use the OHS seal(s), logos, crests or reproductions of flags or likenesses of OHS agency officials without specific FEMA approval.

Y. **Fraud and False or Fraudulent or Related Acts**.
(Applicable to all FEMA contracts)

The Contractor acknowledges that 31 USC Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

Z. **No Obligation by the Federal Government**.
(Applicable to all FEMA contracts)

The Federal Government or FEMA is not a party to the Contract and shall not be subject to any obligations or liabilities to the City, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the contract.

AA. **Additional FEMA Provisions**.
(

(1) Affirmative Socioeconomic Steps. If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
(2) Copyrights and Data Rights. The Contractor grants to the City a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this Contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the City or acquires on its behalf a license of the same scope as for data first produced in the performance of this contract. Data, as used herein, shall include any work subject to copyright under 17 U.S.C. § 102, for example, any written reports or literary works, software and/or source code, music, choreography, pictures or images, graphics, sculptures, videos, motion pictures or other audiovisual works, sound and/or video recordings, and architectural works. Upon or before the completion of this contract, the Contractor will deliver to the City data first produced in the performance of this contract and data required by the contract but not first produced in the performance of this contract in formats acceptable by the City.

BB. **Subcontracts**. (Applicable to all FEMA contracts)
To the extent applicable, the Contractor shall cause the inclusion of the provisions of this Addendum in all subcontracts.

SAMPLE PERFORMANCE EVALUATION QUESTIONNAIRE
(FOR INFORMATIONAL PURPOSES ONLY)

Instructions: Performance evaluations may be completed by the Project Manager for the following: (1) all Contracts; (2) all individual Task Orders/Work Orders. Task Orders/Work Orders/Purchase Orders with a term of six (6) months or more at a minimum, the Project Manager shall complete performance evaluations at the mid-point of the project term or at more frequent intervals as required by the Task Order/Work Order/Purchase Order **and** at the time of Task Order/Work Order/Purchase Order or Contract completion.

It is especially important for the Project Manager to contact a Procurement representative to advise of any performance issues so that Procurement can assist with efforts to bring performance back to acceptable standards. It is equally important to complete this form whenever any of the performance indicators are either "marginal" or "unsatisfactory" even when this is not within the normal review cycle. In the event the Average Rating Score is "marginal" or "unsatisfactory" even after reasonable efforts have been taken by the City to improve performance, the Project Manager shall coordinate with Procurement to determine what action needs to be taken under the circumstances.

When completed, forward the evaluation form to Procurement. Procurement will keep track of the Average Rating Scores (Line 11) for all evaluations completed for the entire term of the Contract, Task Order, and Work Order. The completed Performance Evaluation form will be retained in Procurement and will be available as a record of current performance for use in the evaluation process of future solicitations released by the District. The completed evaluation is available to the contractor upon a Public Records request pursuant to Chapter 119, F.S.

Contract/Work Order No.	Contractor	Evaluation Period ☐ Interim ☐ Final
Project Title		If evaluating under a work order contract, specify type

Check the appropriate ratings for Lines 1 through 8.
Sum the individual ratings, by column, to produce the Individual Column Ratings on Line 9.
Sum the Individual Column Ratings in Line 9 to produce the Total Rating Score on Line 10.
Divide the Total Rating Score in Line 10 by the number 8 (the number of performance indicators in Lines 1-8) to produce the Average Rating Score in Line 11.

	Performance Indicators	**Rating** Unsatisfactory	Marginal	Satisfactory	Very Good	Exceptional
1.	Planning & Approach	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
2.	Staff Capability	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5
3.	Staff Effectiveness	☐ 1	☐ 2	☐ 3	☐ 4	☐ 5

Florida Department of State, Division of Corporations

City of Boynton Beach
Agenda Item Request Form

Meeting Date: 02/ 4/2025

Proposed Resolution No. R25-044- Award Invitation to Bid No. UTL 25-002 for West Water Treatment Plant Water Quality Laboratory Renovation to East Coast Construction Group, Inc., and approve the Agreement between the City and East Coast Construction Group, Inc. in the amount of $1,898,290 with an additional 10% contingency in the amount of $189,829 for staff-authorized change orders to address unforeseen conditions, bringing the total not-to-exceed contract and purchase order amount to $2,088,119. Additionally, approve a budget transfer to allocate sufficient funding for this project.

Requested Action: Staff recommends approval of Proposed Resolution No. R25-044.

Explanation of Request:

On December 10, 2024, bids were received for the West Water Treatment Plant Water Quality Laboratory Renovation project, Bid No. UTL 25-002. A total of three (3) bids were submitted, accepted, and evaluated. The total bid amounts ranged from $1,898,290 to $2,578,744.76, with East Cost Construction Group, Inc. identified as the lowest bidder at $1,898,290.

Based on the review and evaluation of all the documents provided, project experience qualifications criteria, and terms established in the Bid Documents, East Coast Construction Group, Inc.'s bid was found acceptable and meets the minimum requirements for this project.

Consequently, City staff recommends awarding the contract to East Coast Construction Group, Inc., the lowest, most responsive, responsible, and qualified bidder, for $1,898,290.

How will this affect city programs or services?

The Water Quality Laboratory at the West Water Treatment Plant requires significant interior improvements and upgrades to ensure continued proper operation and compliance with current codes and City standards. The existing air conditioning system and components have reached the end of their useful life and must be replaced. Additionally, the facility's rooms and equipment are in poor condition, exhibiting wear and corrosion. The planned upgrades will include the replacement of lighting, walls, flooring, and ceilings, along with mechanical, electrical, and plumbing (MEP) work necessary to accommodate a redesigned layout on both

the first and second floors. These improvements are essential to maintaining the laboratory's ability to support water quality testing and ensure the uninterrupted delivery of safe and reliable water services to the community.

The scope of work includes the furnishing of all labor, materials, and equipment required to complete the project in accordance with the contract documents. The contractor will provide all necessary resources, including labor, supervision, tools, plant power, light, heat, fuel, water, and appliances, to perform the work in a manner that promotes rapid construction while prioritizing safety and minimizing disruptions to City services. The contractor will also repair or restore any structures or property that may be damaged during the project and maintain the worksite throughout construction until the project is complete and accepted.

Additionally, the contractor will provide and maintain modern tools and equipment that are proven efficient to ensure satisfactory and acceptable work performance. Incidental work not specified in the contract will be included in the overall project cost, with no additional payments. This comprehensive approach ensures that all aspects of the project are addressed efficiently and effectively, minimizing any adverse impact on City programs and maintaining the high standards expected of City facilities.

Budgeted Item: Yes

Account Line Item and Description:

Acct # 403-5000-535.-65.02– Project WT1605 --- $150,000 Budgeted, and $1,819,079 rolled over for a new budget of $1,969,079.

Budget Transfer Required from Acct # 403-5000-535-65.02 – Project WT2406 in the amount of $144,040.

Fiscal Impact:

The total authorized funding for the construction phase of this project, including 10% contingency is $2,088,119.

Funding is available in the Utilities CIP account 403.5000.533.-65.02, Project WT1605 in the amount of $1,969,079.

A budget transfer will need to be approved and completed to fund the construction of the project, we will also transfer funds ($25,000) to cover any permit costs.

Budget transfer of $144,040.00 from WT2406 account 403-5000-535.-65.02 to WT1605 account 403-5000-535.-65.02.

RESOLUTION NO. R25-044

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, AWARDING INVITATION TO BID NO. UTL 25-002 FOR WEST WATER TREATMENT PLANT WATER QUALITY LABORATORY RENOVATION TO EAST COAST CONSTRUCTION GROUP, INC.; APPROVING AGREEMENT BETWEEN THE CITY AND THE AWARDED VENDOR; AND FOR ALL OTHER PURPOSES.

WHEREAS, the Water Quality Laboratory at the City West Water Treatment Plant ("Plant") requires significant interior improvements and upgrades to ensure continued proper operation and compliance with current codes and City standards; and

WHEREAS, the Plant's existing air conditioning system and components have reached the end of their useful life and require replacement, and the Plant's facility rooms and equipment are in poor condition, showing wear and corrosion; and

WHEREAS, the Plant requires upgrades in the form of replacement of lighting, walls, flooring, and ceilings, including mechanical, electrical, and plumbing work necessary to accommodate a redesigned layout on both the first and second floors; and

WHEREAS, the improvements to the Plant are essential to maintaining the laboratory's ability to support water quality testing and to ensure the uninterrupted delivery of safe and reliable water services to the community; and

WHEREAS, the scope of the work necessary for the improvements includes the furnishing of all labor, materials, and equipment required to complete the project rapidly, safely, and in a manner that minimizes disruptions to City services; and

WHEREAS, on December 10, 2024, three (3) bids were received for the West Water Treatment Plant Water Quality Laboratory Renovation project, in reference to Invitation to Bid No. UTL 25-002; and

WHEREAS, upon review and evaluation of the three submitted bids, East Coast Construction Group, Inc. was the lowest bidder and was found acceptable to meet the minimum requirements for the project; and

WHEREAS, the City Commission, upon the recommendation of staff, has deemed it in the best interests of the City's citizens and residents to award Invitation to Bid No. UTL 25-002 for the

renovation of the Plant to East Coast Construction Group, Inc., and approve Agreements between the City and the awarded Vendor.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF BOYNTON BEACH, FLORIDA, THAT:

SECTION 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption.

SECTION 2. The City Commission of the City of Boynton Beach, Florida, does hereby award Invitation to Bid No. UTL 25-002 for the renovation of the Plant to East Coast Construction Group, Inc.

SECTION 3. The City Commission of the City of Boynton Beach, Florida, does hereby approve the Agreement between East Coast Construction Group, Inc. and the City for Invitation to Bid No. UTL 25-002 for the renovation of the Plant, in form and substance similar to that attached as Exhibit A.

SECTION 4. The City Commission of the City of Boynton Beach, Florida, hereby authorizes the Mayor to execute the Agreement. The Mayor is further authorized to execute any ancillary documents required under the Agreement or necessary to accomplish the purposes of the Agreement and this Resolution.

SECTION 5. The City Clerk shall retain the fully executed Agreement as a public record of the City. A copy of the fully executed Agreement shall be provided to Eduardo Garcia to forward to the Vendor.

SECTION 6. This Resolution shall take effect in accordance with law.

CONSTRUCTION CONTRACT
WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

THIS AGREEMENT is entered into by and between the CITY OF BOYNTON BEACH, a municipal corporation organized and existing under the laws of Florida, with a business address of 100 East Ocean Ave., Boynton Beach, FL 33435, hereinafter referred to as "CITY", and East Coast Construction Group, Inc. a corporation authorized to do business in the State of Florida, with a business address of 7700 Congress Avenue Ste 1139, Boca Raton, FL 33487, hereinafter referred to as the "CONTRACTOR".

WHEREAS, the CITY has selected the CONTRACTOR to perform construction services related to the West Water Treatment Plant – Water Quality Laboratory Renovation Project; and,

WHEREAS, at its meeting of February 4, 2025, by Resolution No. _____, the CITY Commission approved this award to CONTRACTOR and authorized the proper CITY officials to execute this Agreement hereinafter referred to as Contract No.: **UTL25-002** and used interchangeably with "Contract".

NOW, THEREFORE, CITY and VENDOR, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. SCOPE OF WORK. VENDOR shall furnish all labor, materials, equipment, services, and incidents necessary to perform all "WORK" described in the Contract Documents (as defined in Article 8 below) and related thereto for the Project.

Article 2. CONSULTANT. Shall mean the CITY of Boynton Beach / West Architecture + Design, LLC ("CONSULTANT"), which has designed the Project and will assume all duties and responsibilities and will have the rights and authority assigned to CONSULTANT in connection with the completion of the WORK in accordance with the Contract Documents.

Article 3. CONTRACT TIME; TERMINATION; LIQUIDATED DAMAGES.

3.1. **Contract Time.** The WORK will be substantially completed within **(210) [two hundred ten]** calendar days from the effective date of this Agreement, when the Contract Time commences to run as provided in paragraph 2.3 of the General Conditions and completed and ready for final payment in accordance with paragraph 14.9 of the General Conditions within **30** calendar days from the date of Substantial Completion.

3.2. **Termination for Convenience.** This Agreement may be terminated by CITY for convenience, upon providing fourteen (14) business days of written notice to VENDOR for such termination. In the event of termination, VENDOR shall be paid its compensation for services performed until the termination date, including services reasonably related to termination. In the event that VENDOR abandons this Agreement or causes it to be terminated, VENDOR shall indemnify CITY against loss pertaining to this termination.

3.3. **Termination for Cause**. In addition to all other remedies available to CITY, this Agreement shall be subject to cancellation by CITY for cause, should VENDOR neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for a period of thirty (30) days after receipt by VENDOR of written notice of such neglect or failure.

3.4. **Liquidated Damages.** The CITY and VENDOR recognize and acknowledge that time is of the essence of this Contract and that the CITY will suffer financial loss if the WORK is not completed within the times specified in paragraph 3.1 above, plus any extensions

thereof allowed in accordance with Article 12 of the General Conditions. Each of the parties acknowledges that it has attempted to quantify the damages which would be suffered by the CITY in the event of the failure of VENDOR to perform in a timely manner, but neither one has been capable of ascertaining such damages with certainty. CITY and VENDOR also recognize and acknowledge the delays, expense, and difficulties involved in proving in a legal preceding the actual loss suffered by the CITY if the WORK is not completed on time. Accordingly, instead of requiring any such proof, the CITY and VENDOR agree that as liquidated damages for delay (but not as a penalty) VENDOR shall pay the CITY, [**One Thousand Two Hundred**] Dollars (**$1,200.00**) for each day of that expires after the time specified in paragraphs 3.1 for substantial completion until the WORK is substantially complete. After Substantial Completion, if VENDOR shall neglect, refuse or fail to complete the remaining WORK within the Contract Time or any proper extension thereof granted by the CITY, VENDOR shall pay CITY [**Three Hundred**] Dollars [**$300.00**] for each day that expires after the time specified in paragraph 3.1 for completion and readiness for final payment.

Article 4. CONTRACT PRICE.

CITY shall pay VENDOR, for the faithful performance of the Contract, in lawful money of the United States of America, and subject to the additions and deductions as provided in the Contract Documents, a total sum as follows:

Based on the Contract prices shown in the Bid Form submitted to the CITY as subsequently revised and as stated herein, a copy of such Bid Form being a part of the Contract Documents, the aggregate amount of this Contract (obtained from either the lump sum price, the application of unit prices to the quantities shown in the Bid Form or the combination of both) not to exceed:

One Million Eight Hundred Ninety-Eight Thousand Two Hundred Ninety Dollars and Zero Cents	**$ 1,898,290.00**
(Written)	**(Numerical)**

Contingency Funds – ALL CONTIGENCY SUMS ARE CITY'S CONTINGENCY AND REMAIN THE CITY'S PROPERTY UNTIL EXPENSE IS APPROVED. The Contract price shall not include any contingency amounts. If the Contract or schedule of bid prices includes an agreed sum as a contingency, such amount is identified solely for budget purposes and remains the CITY's funds. The CITY may approve the use of contingency funds only to defray the expenses due to unforeseen conditions, extra work, and circumstances relating to construction unless otherwise agreed. Such contingency funds are not for use by the CONTRACTOR to cover shortfalls in the CONTRACTOR's bid amount and not for use by the CITY to increase the scope of work.

CONTRACTOR shall obtain prior written approval from the CITY prior to the expenditure of contingency funds, and CONTRACTOR will be required to furnish documentation evidencing expenditures charged to contingency and/or allowances prior to the release of such funds by CITY. All uncommitted contingency funds remain the funds of the CITY.

CONTINGENCY. CITY and CONTRACTOR agree the Project budget shall include CITY's contingency, which shall be utilized as outlined above. **The Contingency shall be up to ten percent (10%) or One Hundred Eighty-Nine Thousand Eight Hundred Twenty-Nine Dollars and Zero Cents ($ 189,829.00) to account for any unforeseen conditions only approved by the City Manager or designee.**

Article 5. PAYMENT PROCEDURES.

VENDOR shall submit Applications for Payment in accordance with **Article 14** of the General Conditions. CITY will process Applications for Payment as provided in the General Conditions.

1.1 Progress Payments. VENDOR may submit an Application for Payment as recommended by CONSULTANT, for WORK completed during the Project at intervals of not more than once a month. All progress payments will be on the basis of the progress of WORK measured by the schedule of values established in Paragraph **2.9.1** of the General Conditions and in the case of Unit Price Work based on the number of units completed or, in the event there is no schedule of values, as provided in the General Requirements.

1.2 Prior to Substantial Completion progress payments will be made in an amount equal to 90% of WORK completed, but, in each case, less the aggregate of payments previously made and less such amounts as CONSULTANT shall determine, or CITY may withhold, in accordance with paragraph **14.5** of the General Conditions.

1.3 VENDOR shall submit with each Application for Payment, an updated progress schedule acceptable to the CITY and a Warranty of Title/Release of Liens relative to the Work that is the subject of the Application. Each Application for Payment shall be submitted to the CITY for approval. The CITY shall make payment to the VENDOR within thirty (30) days after approval by the CITY of VENDOR'S Application for Payment and submission of an acceptable updated progress schedule.

1.4 Five percent (5) of all monies earned by the VENDOR shall be retained by the CITY until Final Completion of the construction services purchased (defined as that point at which one hundred (100) percent of the construction of the work as defined in the Contract Schedule of Values has been performed under the contract by the VENDOR) has been reached and acceptance by CITY.

1.5 The CITY may withhold, in whole or in part, payment to such extent as may be necessary to protect itself from loss on account of:

a. Defective Work not remedied.
b. Claims filed or reasonable evidence indicating probable filing of claims by other parties against VENDOR.
c. Failure of VENDOR to make payments properly to SUBCONTRACTORS or for material or labor.
d. Damage to another VENDOR not remedied.
e. Liquidated damages and costs incurred by the CITY for extended construction administration.

When the above grounds are removed or resolved or VENDOR provides a surety bond or consent of Surety, satisfactory to the CITY, which will protect the CITY in the amount withheld, payment may be made in whole or in part.

1.6 Final Payment. Upon final completion and acceptance of the WORK in accordance with paragraph **14.10** of the General Conditions, CITY shall pay the remainder of the Contract Price as recommended by CONSULTANT as provided in paragraph **14.10**.

1.7 All payments shall be governed by the Local Government Prompt Payment Act, as set forth in Part VII, Chapter 218, Florida Statutes.

Article 6. <u>RETAINAGE.</u>

Within 30 calendar days after reaching the earlier of substantial completion or beneficial occupancy, the City/Owner and the Vendor will inspect the work and develop a punch list covering those items required to render complete, satisfactory, and acceptable construction services purchased by the City/Owner. The punch list will include a schedule of values that provides the estimated cost to complete each item on the punch list. If the City/Owner and Vendor are unable to agree on an item or value, the City/Owner has final discretion whether to include an item and the amount for valuation of the cost to complete each item on the punch list. Within 20 business days after the creation of the punch list, the remaining contract balance, including retainage, will be paid to the Vendor less an amount equal to 150 percent of the cost to complete the items on the punch list. Upon reaching final acceptance for an item or all items, the 150 percent withheld for each item will be released with final payment. For projects valued at $10 million or more, the 30-calendar day period may be extended to 45 days.

Article 7. <u>CONTRACTOR GUARANTEE.</u>

VENDOR warrants all work, materials, and equipment shall be free from damages and/or defects owing to faulty materials or workmanship for a period of one (1) year after completion of the WORK covered by this Contract. The VENDOR, free of all costs to the CITY, shall replace any part of the equipment,

materials, or work included in this Contract, which proves to be defective by reason of faulty materials, damages, and/or workmanship within twelve (12) month period.

Article 8. CONTRACT DOCUMENTS.

The Documents hereinafter listed shall form the Contract, and they are as fully a part of the Contract as if attached hereto:

8.1 Request for Bid

8.2 Instructions to Proposers / Bidders

8.3 Proposal Forms (including the Proposal, Schedule(s), Submission Requirements of Proposer / Bidder, and all required certificates, affidavits, and other documentation)

8.4 Construction Contract

8.5 VENDOR's Bid Bond, Performance, and Payment Bond

Article 10. INDEMNITY.

10.1 The VENDOR shall indemnify and hold harmless the CITY and its officers, employees, agents, instrumentalities, and the State of Florida, Division of Emergency Management from liability, losses or damages, including attorneys' fees and costs of defense through the conclusion of any appeals, which the CITY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of or resulting from the negligence, recklessness, or intentional wrongful misconduct of VENDOR, its employees, agents,

partners, principals or subcontractors during the term of this Agreement or resulting thereafter. The VENDOR shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the CITY, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon. The VENDOR expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the VENDOR shall in no way limit the responsibility to indemnify, keep and save harmless and defend the CITY or its officers, employees, agents and instrumentalities as herein provided.

10.2 VENDOR's aggregate liability pursuant to this indemnification provision shall not exceed one and one-half (1 1/2) times the contract price or One Million Dollars ($1,000,000) per occurrence, whichever is greater.

10.3 Upon completion of all services, obligations, and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.

10.4 CITY reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of VENDOR.

10.5 Nothing contained herein is intended nor shall be construed as a contractual waiver of the CITY's rights, limits, and immunities under the common law or Section 768.28, Florida Statutes, as may be amended from time to time, nor a waiver of any defense the CITY may have and shall not be construed as consent to be sued by third parties based on any claims arising under this Contract. VENDOR and CITY agree that any liability of the CITY under this Contract shall be limited to the amounts set forth in Sec. 728.68, Florida Statutes.

Article 11. REIMBURSEMENT OF CONSULTANT EXPENSES.

Should the completion of this Contract be delayed beyond the specified or adjusted time limit, VENDOR shall reimburse the CITY for all expenses of consulting and inspection incurred by the CITY during the period between said specified or adjusted time and the actual date of final completion. All such expenses for consulting and inspection incurred by the CITY will be charged to the VENDOR and be deducted from payments due VENDOR as provided by this Contract. Said expenses shall be further defined as CONSULTANT charges associated with the construction contract administration, including resident project representative costs.

Article 12. FLORIDA'S PUBLIC RECORDS LAW.

The CITY is a public agency subject to Chapter 119, Florida Statutes. The VENDOR shall comply with Florida's Public Records Law. Specifically, the VENDOR shall:

12.1 Keep and maintain public records required by the CITY to perform the service;

12.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statue or as otherwise provided by law;

12.3 Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, VENDOR shall destroy all copies of such confidential and exempt records remaining in its possession once the VENDOR transfers the records in its possession to the CITY; and,

12.4 Upon completion of the contract, VENDOR shall transfer to the CITY, at no cost to the CITY, all public records in VENDOR's possession. All records stored electronically by VENDOR must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

12.5 **IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:**

Article 13. E-VERIFY.

1.1 VENDOR certifies that it is aware of and complies with the requirements of Section 448.095, Florida Statutes, as may be amended from time to time and briefly described herein below.

1.1.1 Definitions for this Section:

A. "Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for a salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

B. "Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for a salary, wages, or other remuneration.

C. "E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

1.1.2 Registration Requirement; Termination: Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-Verify system in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E- Verify System to verify the employment eligibility of:

A. All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and

B. All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and

C. The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be

considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

Article 14. PROHIBITION AGAINST CONSIDERING SOCIAL, POLITICAL OR IDEOLOGICAL INTERESTS IN GOVERNMENT CONTRACTING -- F.S. 287.05701.

VENDOR is hereby notified of the provisions of section 287.05701, Florida Statutes, as amended, that the CITY will not request documentation of or consider VENDOR's social, political, or ideological interests when determining if the VENDOR is a responsible contractor. VENDOR is further notified that the CITY's governing body may not give preference to a Vendor based on the VENDOR's social, political, or ideological interests.

Article 15. SCRUTINIZED COMPANIES.

By execution of this Agreement, VENDOR certifies that VENDOR is not participating in a boycott of Israel. VENDOR further certifies that VENDOR is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has VENDOR been engaged in business operations in Syria. Subject to limited exceptions provided in state law, the CITY will not contract for the provision of goods or services with any scrutinized company referred to above. Submitting a false certification shall be deemed a material breach of contract. The CITY shall provide notice, in writing, to the VENDOR of the CITY's determination concerning the false certification. VENDOR shall have five (5) days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active contract term, the VENDOR shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the VENDOR does not demonstrate that the CITY's determination of false certification was made in error then the CITY shall have the right to terminate the contract and seek civil remedies pursuant to Section 287.135, Florida Statutes, as amended from time to time.

Article 16. COVENANT AGAINST CONTINGENT FEES.

The VENDOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the VENDOR, to solicit or secure this Agreement, and that VENDOR has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the VENDOR any fee, commission, percentage, brokerage fee, gifts, or any other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the CITY shall have the right to annul this Agreement without liability or, in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

Article 17. TRUTH IN NEGOTIATION CERTIFICATE.

A. Execution of this Agreement by the VENDOR shall act as the execution of a truth-in-negotiation certificate certifying that the wage rates and costs used to determine the compensation provided for in this Agreement is accurate, complete, and current as of the date of the Agreement and no higher than those charged to the VENDOR's most favored customer for the same or substantially similar service.

B. The said rates and cost shall be adjusted to exclude any significant sums should the CITY determine that the rates and costs were increased due to inaccurate, incomplete, or non-current wage rates or due to inaccurate representations of fees paid to outside vendors. The CITY shall exercise its rights under this "Certificate" within one (1) year following payment.

Article 18. ENTITIES OF FOREIGN CONCERN.

The provisions of this section apply only if Vendor or any subcontractor will have access to an individual's personal identifying information under this Agreement. Vendor represents and certifies:

(i) Vendor is not owned by the government of a foreign country of concern; (ii) the government of a foreign country of concern does not have a controlling interest in Vendor; and (iii) Vendor is not organized under the laws of and does not have its principal place of business in, a foreign country of concern. Prior to Vendor and any subcontractor having access to personal identifying information pursuant to this Agreement, Vendor and any subcontractor shall submit to City executed affidavit(s) under penalty of perjury, in a form approved by City attesting that the entity does not meet any of the criteria in Section 287.138(2), Florida Statutes. Compliance with the requirements of this section is included in the requirements of a proper invoice. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

Article 19. ANTI-HUMAN TRAFFICKING.

On or before the Effective Date of this Agreement, VENDOR shall provide CITY with an affidavit attesting that the VENDOR does not use coercion for labor or services, in accordance with Section 787.06(13), Florida Statutes.

Article 20. MISCELLANEOUS.

20.1 Any and all legal action necessary to enforce the terms of this Agreement shall be governed by the laws of the State of Florida. Any legal action arising from the terms of this Agreement shall be submitted to a court of competent jurisdiction located exclusively in Palm Beach County.

20.2 No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

20.3 City and VENDOR each bind itself, their partners, successors, assigns, and legal representatives to the other party hereto, their partners, successors, assigns, and legal representatives in respect of all covenants, agreements, and obligations contained in the Contract Documents.

20.4 In the event that either party brings suit for enforcement of this Agreement, each party shall bear its own attorney's fees and court costs, except as otherwise provided under the indemnification provisions set forth herein above.

20.5 Prior to final payment of the amount due under the terms of this Agreement, to the extent permitted by law, a final waiver of lien shall be required to be submitted by the VENDOR, as well as all suppliers and subcontractors who worked on the project that is the subject of this Agreement. Payment of the invoice and acceptance of such payment by VENDOR shall release City from all claims of liability by VENDOR in connection with this Agreement.

20.6 At all times during the performance of this Agreement, VENDOR shall protect CITY's property from all damage whatsoever on account of the work being carried on under this Agreement.

20.7 It shall be the VENDOR's responsibility to be aware of and comply with all statutes, ordinances, rules, orders, regulations, and requirements of all local, city, state, and federal agencies as applicable.

20.8 This Agreement represents the entire and integrated agreement between City and VENDOR and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement is intended by the parties hereto to be the final expression of this Agreement, and it constitutes the full and entire understanding between the parties with respect to the subject hereof, notwithstanding any representations, statements, or agreements to the contrary heretofore made. In the event of a conflict between this Agreement, the solicitation, and the VENDOR's bid proposal, this Agreement shall govern

then the solicitation, and then the bid proposal.

20.9 U.S. Produced Iron and Steel. VENDOR shall comply with the requirements of Section 255.0993, Florida Statutes, which requires any iron or steel product permanently incorporated in the project must be produced in the United States.

20.10 Waiver of Chapter 558, Florida Statutes. Pursuant to Section 558.005(1), VENDOR and CITY agree to opt out of the requirements of Chapter 558, Florida Statutes.

20.11 This Agreement will take effect once signed by both parties. This Agreement may be executed by hand or electronically in multiple originals or counterparts, each of which shall be deemed to be an original and together shall constitute one and the same agreement. Execution and delivery of this Agreement by the Parties shall be legally binding, valid and effective upon delivery of the executed documents to the other party through facsimile transmission, email, or other electronic delivery.

Article 21. DEFAULT OF CONTRACT & REMEDIES.

21.1 **Correction of Work.** If, in the judgment of CITY, work provided by VENDOR does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, CITY reserves the right to require that VENDOR correct all deficiencies in the work to bring the work into conformance without additional cost to CITY, and/or replace any personnel who fail to perform in accordance with the requirements of this Agreement. CITY shall be the sole judge of non-conformance and the quality of workmanship.

21.2 **Default of Contract.** The occurrence of any one or more of the following events shall constitute a default and breach of this Agreement by VENDOR:

21.2.1 The abandonment of the project by VENDOR for a period of more than seven (7) business days.

21.2.2 The abandonment, unnecessary delay, refusal of, or failure to comply with any of the terms of this Agreement or neglect, or refusal to comply with the instructions of the CITY's designee.

21.2.3 The failure by VENDOR to observe or perform any of the terms, covenants, or conditions of this Agreement to be observed or performed by VENDOR, where such failure shall continue for a period of seven (7) days after written notice thereof by CITY to VENDOR; provided, however, that if the nature of VENDOR's default is such that more than seven (7) days are reasonably required for its cure, then VENDOR shall not be deemed to be in default if VENDOR commences such cure within said seven (7) day period and thereafter diligently prosecutes such cure to completion.

21.2.4 The assignment and/or transfer of this Agreement or execution or attachment thereon by VENDOR or any other party in a manner not expressly permitted hereunder.

21.2.5 The making by VENDOR of any general assignment or general arrangement for the benefit of creditors, or the filing by or against VENDOR of a petition to have VENDOR adjudged a bankruptcy, or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against VENDOR, the same is dismissed within sixty (60) days); or the appointment of a trustee or a receiver to take possession of substantially all of VENDOR's assets, or for VENDOR's interest in this Agreement, where possession is not restored to VENDOR within thirty (30) days; for attachment, execution or other judicial seizure of substantially all of VENDOR's assets, or for VENDOR's interest in this Agreement, where such seizure is not discharged within thirty (30) days.

21.3 **Remedies in Default.** In case of default by VENDOR, CITY shall notify VENDOR, in writing, of such abandonment, delay, refusal, failure, neglect, or default and direct VENDOR to comply with all provisions of the Agreement. A copy of such written notice shall be mailed to the Surety on the Performance Bond. If the abandonment, delay, refusal, failure, neglect or default is not cured within seven (7) days of when notice was sent by

CITY, CITY may declare a default of the Agreement and notify VENDOR of such declaration of default and terminate the Agreement. The Surety on the Performance Bond shall within ten (10) days of such declaration of default, rectify or cause to be rectified any mismanagement or breach of service in the Agreement and assume the work of VENDOR and proceed to perform services under the Agreement, at its own cost and expense.

21.3.1 Upon such declaration of default, all payments remaining due VENDOR at the time of default, less all sums due CITY for damages suffered, or expenses incurred by reason of default, shall be due and payable to Surety. Thereafter the Surety shall receive monthly payments equal to those that would have been paid by the VENDOR had the VENDOR continued to perform the services under the Agreement.

21.3.2 CITY may complete the Agreement, or any part thereof, either by day labor, use of a subcontractor, or by re-letting a contract for the same, and procure the equipment and the facilities necessary for the completion of the Agreement, and charge the cost of same to VENDOR and/or the Surety together with the costs incident thereto to such default.

21.3.3 In the event CITY completes the Agreement at a lesser cost than would have been payable to VENDOR under this Agreement, if the same had been fulfilled by VENDOR, CITY shall retain such differences. Should such cost to CITY be greater, VENDOR shall pay the amount of such excess to the CITY.

21.3.4 Notwithstanding the other provisions in this Article, CITY reserves the right to terminate the Agreement at any time, whenever the service provided by VENDOR fails to meet reasonable standards of the trade after CITY gives written notice to the VENDOR of the deficiencies as set forth in the written notice within thirty calendar (30) days after the receipt by VENDOR of such notice from CITY.

SIGNATURE PAGE FOLLOWS

"This Agreement will take effect once signed by both parties. This Agreement may be signed by the parties in counterparts, whether signed physically or electronically, which together shall constitute one and the same agreement among the parties. A facsimile signature shall constitute an original signature for all purposes."

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day and year set forth below their respective signatures.

The Letter of Interest shall summarizes the Bidder's primary qualifications and a firm commitment to provide the proposed services.

Line Item	Description	Response *
1	The Letter of Interest shall summarize the Proposer's primary qualifications and a firm commitment to provide the proposed services.	Dear City of Boynton Beach Procurement Department, We are pleased to submit this letter of interest to express East Coast Construction Group, Inc.'s firm commitment to providing exceptional commercial construction services. As a legacy company founded by Thomas Virzi in 1985 and now led by President Anthony Virzi, we bring decades of experience and a proven track record of success to every project we undertake. East Coast Construction Group specializes in commercial construction with particular expertise in managing complex renovation projects that require uninterrupted operations. Our extensive experience includes: The Soup Kitchen - Boynton Beach: A 3,000-square-foot expansion of a fully operational facility, completed without disrupting daily food services or public assistance programs. Town of Palm Beach Public Works Facility: Currently underway, this major renovation involves 4,000 square feet of building space, with the majority of the structure remaining occupied and operational throughout construction. These projects exemplify our ability to maintain seamless functionality for our clients while delivering high-quality construction results. Our approach is rooted in meticulous planning, innovative problem-solving, and close collaboration with stakeholders to ensure that every project meets or exceeds expectations. At East Coast Construction Group, our legacy of excellence and commitment to client satisfaction positions us as an ideal partner for your Laboratory Renovation. We look forward to the opportunity to leverage our expertise to bring your vision to life. Thank you for considering East Coast Construction Group, Inc. for your construction needs. Sincerely, Anthony Virzi President East Coast Construction Group, Inc.

References

In order to be considered for this project, the Vendor must submit a **valid General Contractors license** and have successfully completed a **minimum of three (3) Laboratory Renovation projects or similar scope and complexity over the past five (5) years**, in the State of Florida, and must be able to document the required experience upon request.

The City is interested in learning about other firms' or government agencies' experiences with your company; as such**, please do not list the City of Boynton as a reference.**

Contact persons must be informed that they are being used as a reference and that the City or their designee will be contacting them for information. Selection Committee Members or designee will email and or call each reference up to three (3) times. If there is no answer after the third attempt, the City will apply no points toward the evaluation criteria.

***Note the City will not attempt to correct any of the supplied contact information, it is the responsibility of the Proposer to supply correct reference contact information.**

If the proposer cannot satisfy the requirements for similar work, the City may reject the bid.

Subcontractors

The Bidder shall state all Subcontractor(s) and type of Work proposed to be used for this project. Bidders shall not indicate "TBD" (To Be Determined) or "TBA" (To Be Announced) or similar wording and shall not indicate multiple choices of Subcontractor names for any Subcontractor category in their list of Subcontractors.

Subcontractors

The Bidder proposes the following major subcontractors for the major areas of work for the Project. The Bidder is further notified that all subcontractors shall be properly licensed, bondable and shall be required to furnish the City with a Certificate of Insurance in accordance with the contract general conditions. This page may be reproduced for listing additional subcontractors, if required.

Owner reserves the right to reject any subcontractors who has previously failed in the proper performance of an award, or failed to deliver on time contracts in a similar nature, or who is not responsible(financial capability, lack of resources, etc.) to perform under this award. Owner reserves the right to inspect all facilities of any subcontractors in order to make a determination as to the foregoing.

☐

By clicking here I confirm that there are no Subcontractor(s)/Subconsultant(s) and the Bidder shall perform the project with their "**OWN FORCES**".

Documents

Ensure your submission document(s) conforms to the following:

Documents should NOT have a security password, as City of Boynton Beach may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by City of Boynton Beach.

If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

If the attached file(s) cannot be opened or viewed, your Bid Call Document may be rejected.

Bonding Upload Section

Refer to Bid Document

ATTENTION ALL INTERESTED BIDDERS:

All Vendors are required to submit a five percent (5%) Bid Bond with the Bid Form or the Bid shall be rejected as non-responsive. A one hundred percent (100%) Payment and Performance Bond is required upon notification by the City of the awarded Contract to the selected firm.

No bids may be withdrawn for a period of ninety (90) days after the Bid opening. Bids must be accompanied by an acceptable 5% Bid Bond, cash, certified check, or money order. Said bid bond is to be furnished and executed by a surety company of recognized standing, authorized to do business in the State of Florida, and having a Registered Agent in Florida. The bid bond amount shall be 5% of the bid price and shall constitute a guarantee that the Vendor, if awarded the contract, will enter into a written contract with the City to perform this work pursuant to the bid.

- Bid Bond - Bid Bond Documents - East Coast Construction Group.pdf - Thursday December 05, 2024 23:33:03

SPECIAL CONDITIONS

PURPOSE: The purpose of this bid is to seek the services of a qualified Vendor for the renovations of the first and second floor of the West Water Treatment Plant, including mechanical, electrical, plumbing, and minor structural work.

AWARD: Successful Vendor awarded shall ensure that proper and sufficient staff, equipment, organization, materials, references, and past performance, etc. will be provided for this contract to meet the specifications denoted herein at a paramount level.

The City further reserves the right to waive irregularities and technicalities and/or to request resubmission. There is no obligation on the part of the City to award the bid to the lowest bidder or any bidder. The City reserves the right to make the award to a responsible bidder submitting a responsive bid most advantageous and in the best interest of the City. The City shall be the sole judge of the bids and the City's decision shall be final.

INSURANCE: It shall be the responsibility of the successful Vendor to maintain workers' compensation insurance, property damage, liability insurance, and vehicular liability insurance, during the time any of the vendor's personnel are working on the City of Boynton Beach property. The vendor shall furnish the City with a certificate of insurance after award has been made prior to the start of any work on City property. Said insured companies must be authorized to do business in the State of Florida, and the City will not accept any company that has a rating less than B+ in accordance to A.M. Best's Key Rating Guide, latest edition.

PERFORMANCE WARRANTY: The vendor shall guarantee all work, equipment, and materials included in the services against any defects in workmanship; and shall satisfactorily correct, at no cost to the City, any such defect that may become apparent within a period of one year after completion of work. The warranty period shall commence upon the date of acceptance, inspection, and approval by the City Representative only. If the vendor is notified in writing of a deficiency in the work provided, within one year from completion of the work, the vendor shall, at the City's option, re-perform the work in question at no additional cost to the City, or refund the City the original charges for the work in question, including the difference in cost if any, to re-perform the work if completed by another vendor.

INVOICING AND PAYMENT: Payment for any and all invoice(s) that may arise as a result of a contract or purchase order issued pursuant to this ITB shall minimally meet the following conditions to be considered as a valid payment request. Timely submission of a properly certified invoice(s) in strict accordance with the price(s) and delivery elements as stipulated in the Contract document should be submitted to:

City of Boynton Beach
P.O. Box 310
Boynton Beach, FL 33425-0310
Email: Utilitiesfinance@bbfl.us ; AP@bbfl.us

All invoices submitted shall consist of as follows:

- Clearly referenced the subject Contract or Purchase Order number;
- Provide sufficient salient description to identify the goods and services for which payment is requested;
- Contain date of delivery;
- Original or legible copy of a signed delivery receipt including both manual signature and printed name of the designated City employee or authorized agent; be clearly marked as "partial", "complete", or "final invoice." The City will accept partial deliveries. The invoice shall contain the Bidder's Federal Employer Identification Number.

The City's terms of payment, unless otherwise stated in the Contract Documents are "Net 30 Days" after acceptance of goods or services and receipt of an acceptable invoice as described herein. Any other items of payment must have been previously approved by the City and appear on the Contract or Purchase Order document to be binding on the City. Should the City return an invoice for correction, the Vendor shall re-submit a corrected invoice to the City for processing.

- It will be the sole responsibility of the Vendor to properly dispose of all construction debris at an authorized landfill and all incurred costs shall be borne by the Vendor.
- All work areas must meet safety requirements for pedestrian and vehicular traffic and must be left in a clean and orderly manner. All grass areas and/or private property that are damaged while work area is under construction shall be restored as found by the Vendor prior to leaving the work areas after completion of work. It is recommended that the Vendor keep a before

and after picture history, at no cost to the City, should any questions arise and be made available to the Project Manager if needed.

- All work must meet or exceed the State of Florida Department of Transportation Applicable Standards including the Florida Building Code and City of Boynton Beach Standards.
- The supervision of the execution of this Contract is vested wholly in the Project Manager or his representative, and the orders of the City Commission and/or Utilities Director are to be given through him. The instructions of the Project Manager or his representative are to be strictly and promptly followed in every case. The Vendor may designate a foreman or other representative to receive such instructions in his absence, and failing to do so, he will be held responsible for the execution of any instructions it may be necessary to give in his absence. The Project Manager or his representative is to have free access to the materials and the work at all times for laying out, measuring, inspecting, or oversight of the same, and the Vendor is to afford him all necessary facilities and assistance for so doing.
- To prevent all disputes and litigation, it is agreed by the parties hereto that the Utilities Director or City representative shall decide all questions, difficulties, and disputes of any nature which may arise relative to the interpretation of the specifications, construction, prosecution and fulfillment of the contract and task orders, and as to the character, quality, amount and value of any work done and materials furnished under or by reason of the Contract, and his estimates and decisions upon all claims, questions, and disputes shall be final and conclusive upon the parties hereto.
- Time is an essential element of the contract and as delay in the execution of work will inconvenience and possibly endanger the public, obstruct traffic, and interfere with business, it is important that once work commences at any site, it be carried through to completion without delays or suspension of operations unless deemed to be necessary by the Project Manager or Inspector.
- In the event any delays or suspension of operations occur, the City reserves the right to hire off-duty police, erect barricades, or take whatever actions are necessary to provide for the safety of the site. All costs involved in doing so shall be just claims against the Vendor or the Vendor's Performance and Payment Bond. By submitting a bid, the Vendor agrees to the conditions as stated above.

PLANS AND SPECIFICATIONS: The specifications and all other documentation that make up and constitute the contract shall be followed in strict accordance with work, material, and dimensions except when the Utilities Project Manager may authorize an exception in writing. Measurement discrepancies shall be decided upon by the Utilities Project Manager or his representative and the Vendor shall not proceed when in doubt as to any dimension or measurement.

PERFORMANCE OF WORK:

a. The Vendor will furnish a qualified Superintendent who will be present at all times while work is being performed, and shall be authorized to act for the Vendor. The Vendor shall maintain sufficient plant, equipment, and labor on the job site to meet the requirements of the work.
b. Equipment shall be kept in a satisfactory operating condition and capable of safely and efficiently performing the work. All operations shall be subject to inspection by the Utilities Project Manager or his representative at all times. The Vendor shall submit for approval by the Utilities Project manager or his representative a description of the type of materials and equipment to be used; and to the method of procedure to be used in the performance of the work.
c. It is expressly understood that the Vendor is in all respects an independent Vendor for this work, notwithstanding that under certain conditions, he is bound to follow the directions of the Utilities Project Manager or his representative, and is in no respect an agent, servant or employee of the City.

RESTORATION OF PROPERTY: Property, public or private, if damaged during construction or removed for the convenience of the work, shall be repaired or replaced at the expense of the Vendor in a manner acceptable to the Utilities Project Manager prior to the final acceptance of the work. Such facilities shall include but are not limited to: signalization equipment and miscellaneous hardware removed from the construction site, driveways, walkways, walls, fences, mailboxes, sod, landscaping, irrigation systems, footings, or underground utilities.

DELAYS:

a. If the Vendor should be delayed in the progress of the work included in the Contract by unforeseeable causes beyond his control, the time for completion of the work may be extended by the Utilities Project Manager or his representative. Requests for extensions of time must be submitted in writing to the Utilities Project Manager or his representative within seven (7) days from the Vendor's knowledge of a delay. Vendor shall not receive any compensation for additional time required to complete the work as a result of any delay.
b. The Vendor shall assume all risks resulting from delays except that should the City, by act or omission, intentionally and without reason, cause delays that result in actual loss to the Vendor. Reimbursement thereof may be adjusted and allowed by the City only after being notified in writing by the Vendor at the time of the delay and after being given an opportunity to verify such money losses as they occur. No payment or adjustment will be allowed to the Vendor as reimbursement for any other delays whatsoever, regardless of by what or by whom caused, even though by other Vendors on the same work, or by times,

seasons, or weather, other than amounts provided in the Contract for payment which shall be understood to include and cover all risks due to delays except as stated in the foregoing.

c. If the Vendor fails to start the work within the time specified, and if the City should nevertheless permit the Vendor to continue and complete the same without an official extension of time in writing, such permission shall not modify nor waive any liability of the Vendor for damages arising from non-completion of work within the time limit, but all such liabilities shall be subject to continuation in full force against the Vendor.
d. Liability of the Vendor will include any claim by any person for bodily or property damage after the Notice to Proceed was given for the requested work.

MATERIALS:

a. The Vendor shall provide the services of all workmen, mechanics, tradesmen, and other employees trained and skilled in their various occupations and all materials and equipment. The request for work to be performed will require the Vendor to supply all labor, equipment, materials, and work incidental to, or described or implied as incidental to, the construction included under this Contract, notwithstanding any omission in the drawings or specifications.
b. Wherever not explicitly described, materials and workmanship of every kind shall be in keeping with industry standards. The Vendor shall perform his work in proper sequence to the work of other Vendors and to acts or operations of the City and shall properly join his work to existing or new construction.
c. All materials and every process and operation of manufacture, construction, and erection shall be subject to inspection at all times, and the Utilities Project Manager or his representatives and their representatives shall have free access to all parts of the work of construction and erection. The Vendor shall remove, reconstruct, replace, and make good, as may be directed, without charge, any defective work. Oversight or error or judgment of inspectors, or previous acceptance, shall not relieve the Vendor from the obligation to make good defects whenever discovered.

U.S. PRODUCED IRON AND STEEL:

Work must comply with the requirements of Section 255.0993, Florida Statutes, which requires any iron or steel product permanently incorporated in the project must be produced in the United States.

FINAL CLEAN-UP:

Upon completion of the work specified herein, and before acceptance of any part thereof, and any payment made to include final payment, the Vendor shall remove from the site completed all machinery, equipment surplus, and discarded materials and temporary structures. The disposal of all materials, rubbish, and construction debris shall be made at a legal disposal site or by other manner if prior approval is granted by the Project Manager. Materials cleared from the site and deposited on the adjacent or nearby property will not be considered as having been disposed of properly.

The Bidder hereby acknowledges and agrees:

1. To provide all goods, services, and construction, as more specifically set out and in accordance with the solicitation, including but not limited to the scope of work, specifications, drawings, Addenda (if issued by the Owner), the terms and conditions, etc. stated therein, which are expressly acknowledged and made part of this Contract.

2. This Bid is made without any connections, knowledge, comparison of figures, or arrangements with any other company, firm, or person making a Bid for the same Work and is in all respects fair and without collusion or fraud.

3. I/WE do hereby Bid and offer to enter into a Contract to do all the Work as specified in the solicitation which shall include all costs but not limited to; freight, duty, currency, etc. in accordance with the prices and terms as submitted by the Bidder herein.

4. If I/WE withdraw this Bid before the formal Contract is executed by the Awarded Bidder for the said Work or One Hundred Twenty (120) Calendar Days, whichever event first occurs, the amount of the Bid Bond accompanying this Bid (if applicable to this bid) shall be forfeited to the Owner.

5. I/WE acknowledge and agree that any issued Addendum/Addenda forms part of the solicitation.

6. I/WE (including any related or affiliated entities and any principal thereof) have no unresolved litigation with the Owner.

Palm Beach County Inspector General Acknowledgement

The Consultant is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of this Consultant Agreement, and in furtherance thereof may demand and obtain records and testimony from the Consultant and its sub-consultants and lower tier sub-consultants.

The Consultant understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the Consultant or its subconsultants or lower tier sub-consultants to fully cooperate with the Inspector General when requested may be deemed by the municipality to be a material breach of this contract justifying its termination.

Confirmation of Drug Free Workplace

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more submittals which are equal with respect to price, quality, and service are received by the City of Boynton Beach or by any political subdivision for the procurement of commodities or contractual services, a submittal received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie submittals will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

Give each employee engaged in providing the commodities or contractual services that are under submittal a copy of the statement specified in subsection (1).

In the statement specified in subsection (1), notify the employee that, as a condition of working on the commodities or contractual services that are under submittal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or- plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than 5 days after such conviction.

Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by, any employee who is so convicted.

Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

☑ I/We have the authority to bind the Company and submit this Bid on behalf of the Bidder. - Anthony Virzi, President , East Coast Construction Group, Inc.
The bidder shall declare any potential or actual conflict of interest that could arise from Bidding on this Bid. Do you have a conflict of interest?

BID BOND

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

STATE OF FLORIDA)

COUNTY OF PALM BEACH)

KNOW ALL MEN BY THESE PRESENTS, that East Coast Construction Group Inc.

as Principal, and Great American Insurance Company, as Surety, authorized to do business in the State of Florida are held and firmly bound unto the Owner, City of Boynton Beach in the penal sum of Five Percent of Amount Bid Dollars ($5% of Amount Bid) lawful money of the United States, for the payment of which sum will and truly to be made, we bond ourselves, our heirs, executors, administrators, and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that whereas the Principal has submitted the accompanying bid, dated November 15, 2024, for:

(WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION)

NOW THEREFORE,

A. If the principal shall not withdraw such Bid within ninety (90) days after date of opening of the same, and shall within ten (10) days after the prescribed forms are presented to the principal for signature, enter into a written Contract with the Owner in accordance with the Bid as accepted, and give bonds with goods and sufficient surety or sureties, as may be required, for the faithful performance and proper fulfillment of such Contract, then the above obligations shall be void and of no effect, otherwise to remain in full force and effect.

B. In the event of the withdrawal of such Bid within the period specified, or the failure to enter into such Contract and give such bonds within the time specified, if the principal shall pay the Owner the difference between the amount specified in such Bid and the amount for which the Owner may procure the required work and supplies, if the latter amount be in excess of the former then the above obligations shall be void and of no effect, otherwise to remain in full force and effect.

THIS PAGE IS TO BE SUBMITTED ALONG WITH BID FOR PACKAGE
TO BE CONSIDERED COMPLETE AND ACCEPTABLE

IN WITNESS WHEREOF, the above bounded parties have executed this instrument under their several seals, this 15th day of November , 2024 , being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of is governing body.

Attest GREAT AMERICAN INSURANCE COMPANY

Assistant Secretary

Divisional Senior Vice President

MARK VICARIO (877-377-2405)

STATE OF OHIO, COUNTY OF HAMILTON - ss:

On this 9TH day of DECEMBER , 2021 , before me personally appeared MARK VICARIO, to me known, being duly sworn, deposes and says that he resides in Cincinnati, Ohio, that he is a Divisional Senior Vice President of the Bond Division of Great American Insurance Company, the Company described in and which executed the above instrument; that he knows the seal of the said Company; that the seal affixed to the said instrument is such corporate seal; that it was so affixed by authority of his office under the By-Laws of said Company, and that he signed his name thereto by like authority.

SUSAN A KOHORST
Notary Public
State of Ohio
My Comm. Expires
May 18, 2025

This Power of Attorney is granted by authority of the following resolutions adopted by the Board of Directors of Great American Insurance Company by unanimous written consent dated June 9, 2008.

RESOLVED: That the Divisional President, the several Divisional Senior Vice Presidents, Divisional Vice Presidents and Divisonal Assistant Vice Presidents, or any one of them, be and hereby is authorized, from time to time, to appoint one or more Attorneys-in-Fact to execute on behalf of the Company, as surety, any and all bonds, undertakings and contracts of suretyship, or other written obligations in the nature thereof; to prescribe their respective duties and the respective limits of their authority; and to revoke any such appointment at any time.

RESOLVED FURTHER: That the Company seal and the signature of any of the aforesaid officers and any Secretary or Assistant Secretary of the Company may be affixed by facsimile to any power of attorney or certificate of either given for the execution of any bond, undertaking, contract of suretyship, or other written obligation in the nature thereof, such signature and seal when so used being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

CERTIFICATION

I, STEPHEN C. BERAHA, Assistant Secretary of Great American Insurance Company, do hereby certify that the foregoing Power of Attorney and the Resolutions of the Board of Directors of June 9, 2008 have not been revoked and are now in full force and effect.

Signed and sealed this 15th day of November , 2024 .

CERTIFICATION PURSUANT TO FLORIDA STATUTE § 287.135

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

TO BE COMPLETED AND UPLOADED ONLINE

I, Thomas Vest - Vice Pres, on behalf of East Coast Construction certify

Print Name and Title Company Name

that East Coast Construction does not:

Company Name

1. Participate in a boycott of Israel; and
2. Is not on the Scrutinized Companies that Boycott Israel List; and
3. Is not on the Scrutinized Companies with Activities in Sudan List; and
4. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
5. Has not engaged in business operations in Syria.

Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to the Consultant of the City's determination concerning the false certification. The Consultant shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If the Consultant does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Florida Statute § 287.135.

Section 287.135, Florida Statutes, prohibits the City from:

1) Contracting with companies for goods or services if at the time of bidding on, submitting a proposal for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, F.S. or is engaged in a boycott of Israel; and

2) Contracting with companies, for goods or services that are on either the Scrutinized Companies with activities in the Iran Petroleum Energy Sector list, created pursuant to s. 215.473, or are engaged in business operations in Syria.

As the person authorized to sign on behalf of the Consultant, I hereby certify that the company identified above in the section entitled "Consultant Name" does not participate in any boycott of Israel, is not listed on the Scrutinized Companies that Boycott Israel List, is not listed on either the Scrutinized Companies with

activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Syria. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the City for goods or services may be terminated at the option of the City if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan list or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List.

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

TO BE COMPLETED AND UPLOADED ONLINE

In consideration of, and to induce the Award of **THE CITY OF BOYNTON BEACH, FLORIDA,** Construction Contract described in these Bid Documents, the Vendor represents and warrants to the City of Boynton Beach, Florida:

/ 1. The Vendor is financially solvent and sufficiently experienced and competent to perform all of the work required of the Vendor in the Construction Contract; and

/ 2. That the facts stated in the Vendor's Bid and information given the Vendor pursuant to the request or proposal for Bids, instructions to Vendors and Specifications are true and correct in all respects; and

/ 3. That the Vendor has read and complied with all of the requirements set forth in the request for Bids, instructions to Vendors and Specifications; and

/ 4. That the Vendor warrants all materials supplied by it under the terms of the Construction Contract are delivered to the City of Boynton Beach, Florida, free from any security interest, and other lien, and that the Vendor is a lawful owner having the right to sell the same and will defend the conveyance to the City of Boynton Beach, Florida, against all persons claiming the whole or any part thereof; and

/ 5. That the materials supplied to the City of Boynton Beach, Florida, under the Construction Contract are free from the rightful claims of any persons whomsoever, by way of patent or trademark infringement or the like; and

/ 6. That the materials supplied under the Construction Contract are merchantable within the meaning of the Uniform Commercial Code Section 2-314; and

/ 7. That the materials supplied under the Construction Contract are free from defects in materials and workmanship under normal use and service and that any such materials found to be defective shall be replaced by the Vendor as per the attached Warranty.

/ 8. That the materials supplied pursuant to the Construction Contract are fit for the purposes for which they are intended to be used; that under normal use and maintenance, the material will continue to be fit for such purposes for the warranty period after delivery, provided that the City shall give the Vendor notice that the materials failed to fulfill the warranty; such notice shall state in what respect the materials have failed to fulfill the warranty, whereupon the Vendor shall be allowed a reasonable time after receipt of such notice to correct the defect and the City agrees to cooperate in this regard. If the materials cannot be made to fulfill the Contract within the warranty period the Vendor will either furnish duplicate materials, or at its option, refund the amount paid, which shall constitute a settlement in full for all damages occasioned by reason at this warranty of fitness; and

/ 9. That this Warranty is included in exposures for which the Vendor has products liability and completed operations insurance, in minimum amounts of One Million ($1,000,000.00) Dollars for property damage and One Million ($1,000,000.00) Dollars for personal injury as shown on the

Certificates of such Insurance attached hereto, and the Vendor agrees to keep such insurance coverage during the period of this Warranty; and

10. That it is an express condition of this Warranty that the item(s) hereby warranted shall be operated and maintained by the City in accordance with the manufacturer's recommendations as to those portions of the item(s) that are not fabricated by the Vendor, and in accordance with the Vendor's recommendations, a copy of which has either been supplied to the City of Boynton Beach should maintain complete and accurate records made at the time of performance of maintenance showing compliance with such instructions, and by acceptance of this Warranty, the City of Boynton Beach, Florida, agrees to present such records to the Vendor upon request in the event of a claim hereunder by the City;

11. The foregoing Warranties apply as a minimum and are supplemental to other Warranties offered. They are not substituted, but in addition to, any other Warranties offered; and

12. That it is agreed and understood by the Vendor that the City of Boynton Beach, Florida, is induced to enter the Construction Contract in reliance upon this Warranty.

RE: East Coast Construction Group Inc.

To Whom It May Concern:

This is to advise you that our office provides Performance & Payment Bonds for East Coast Construction Group Inc. Their Surety is Great American Insurance Company, which carries an A.M. Best Rating of A+ XV and is listed in the department of the Treasury's Federal Register.

Based upon normal and standard underwriting at the time of the request, we should be in a position to provide Performance and Payment Bonds in the amount of $2,000,000 for single projects and $4,000,000 total aggregate. It must be understood; however, that we reserve the right to review all contractual documents prior to final commitment to issue any bonds.

East Coast Construction Group Inc.is an excellent contractor and we hold them in high regard. We feel extremely confident in them and encourage you to offer them an opportunity to execute any upcoming projects.

This letter is not an assumption of liability, nor is it a bid or performance and payment bond. It is issued only as a bonding reference requested by our respected client.

Sincerely,

Jarrett Merlucci

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
7100 Congress Ave, Ste 1139

Requester's name and address (optional)

6 City, state, and ZIP code
Boca Raton, FL 33487

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
[ ][ ][ ] - [ ][ ] - [ ][ ][ ][ ]

or

Employer identification number
32-0539732

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

CITY OF BOYNTON BEACH
E-VERIFY FORM UNDER SECTION 448.095, FLORIDA STATUTES
TO BE COMPLETED AND UPLOADED ONLINE

Project Name: **WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION**

Solicitation No.: **UTL25-002**

1. Definitions:

"CONTRACTOR" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "CONTRACTOR" includes, but is not limited to, a vendor or consultant.

"SUB-CONTRACTOR" means a person or entity that provides labor, supplies, or services to or for a CONTRACTOR or another SUB-CONTRACTOR in exchange for salary, wages, or other remuneration.

"E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2. Effective January 1, 2021, CONTRACTORS, shall register with and use the E-Verify system in order to verify the work authorization status of all newly hired employees. CONTRACTOR shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

   a) All persons employed by a CONTRACTOR to perform employment duties within Florida during the term of the contract; and

   b) All persons (including sub-vendors/sub-consultants/sub-CONTRACTORS) assigned by CONTRACTOR to perform work pursuant to the contract with the City of Boynton Beach. The CONTRACTOR acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and

   c) Should vendor become the successful CONTRACTOR awarded for the above-named project, by entering into the contract, the CONTRACTOR shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. CONTRACTOR shall also require all SUB-CONTRACTORS to provide an affidavit attesting that the SUB-CONTRACTOR does not employ, contract with, or subcontract with, an unauthorized alien. The CONTRACTOR shall maintain a copy of such affidavit for the duration of the contract.

3. Contract Termination

   a) If the City has a good faith belief that a person or entity with which it is contracting has knowingly violated s. 448.09 (1) Fla. Stat., the contract shall be terminated.

   b) If the City has a good faith belief that a SUB-CONTRACTOR knowingly violated s. 448.095 (2), but the CONTRACTOR otherwise complied with s. 448.095 (2) Fla. Stat., shall promptly notify the CONTRACTOR and order the CONTRACTOR to immediately terminate the contract with the SUB-CONTRACTOR.

THIS PAGE IS TO BE SUBMITTED ALONG WITH BID FOR PACKAGE
TO BE CONSIDERED COMPLETE AND ACCEPTABLE

c) A contract terminated under subparagraph a) or b) is not a breach of contract and may not be considered as such.

d) Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination.

e) If the contract is terminated for a violation of the statute by the CONTRACTOR, the CONTRACTOR may not be awarded a public contract for a period of 1 year after the date of termination.

My Comm. Expires
May 18, 2025

This Power of Attorney is granted by authority of the following resolutions adopted by the Board of Directors of Great American Insurance Company by unanimous written consent dated June 9, 2008.

RESOLVED: That the Divisional President, the several Divisional Senior Vice Presidents, Divisional Vice Presidents and Divisonal Assistant Vice Presidents, or any one of them, be and hereby is authorized, from time to time, to appoint one or more Attorneys-in-Fact to execute on behalf of the Company, as surety, any and all bonds, undertakings and contracts of suretyship, or other written obligations in the nature thereof; to prescribe their respective duties and the respective limits of their authority; and to revoke any such appointment at any time.

RESOLVED FURTHER: That the Company seal and the signature of any of the aforesaid officers and any Secretary or Assistant Secretary of the Company may be affixed by facsimile to any power of attorney or certificate of either given for the execution of any bond, undertaking, contract of suretyship, or other written obligation in the nature thereof, such signature and seal when so used being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

CERTIFICATION

I, STEPHEN C. BERAHA, Assistant Secretary of Great American Insurance Company, do hereby certify that the foregoing Power of Attorney and the Resolutions of the Board of Directors of June 9, 2008 have not been revoked and are now in full force and effect.

Signed and sealed this 17th day of December , 2024 .

INVITATION TO BID
WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION
BID No. UTL25-002

NOTICE TO CONTRACTORS

Electronic bids shall be received by the bidding system up until **DECEMBER 10, 2024; No Later Than 2:30 P.M. (Local Time).**

Bid Submittals will be opened at:

CITY OF BOYNTON BEACH CITY HALL – ROOM 115
100 E. OCEAN AVENUE
BOYNTON BEACH, FL 33435
At 2:30 PM

All Bid's received will be publicly opened and acknowledge of receipt. Bid's received after the assigned date and time are not permitted by the bidding system. For the above reasons, it is recommended that Vendor's allow sufficient time to complete your online Submission and to resolve any issues that may arise.

ATTENTION, ALL INTERESTED RESPONDENTS:

To obtain documents online please visit Boynton-beach.bidsandtenders.net. Documents are not provided in any other manner.

SCOPE OF WORK:

The City of Boynton Beach is seeking the services of a qualified Vendor for construction services for the current Water Quality Laboratory. The work under this project consists of the renovation of the first and second floors of the West Water Treatment Plant, including mechanical, electrical, plumbing, and minor structural work.

The current water quality laboratory is reaching the end of its useful life and is in need of renovation. Implementation of the improvements will provide the necessary upgrades to the current facility and will allow the City to continue performing daily water quality testing, maintain the laboratory certification, and avoid more costly repairs in the future.

REQUIRED QUALIFICATION:

At the time of bid submittal, the Vendor must possess and provide written evidence of the firm being licensed to contract the scope of work in Palm Beach County with the following:

- General Contractor License

At the time of bid submittal, the Vendor must provide references for a minimum of three (3) successfully completed Laboratory Renovation projects or similar scope and complexity over the past five years, in the State of Florida, and must be able to document the required experience upon request.

LOCATION OF PROJECT:

- West Water Treatment Plant – Water Quality Laboratory Renovation
  5469 Boynton Beach Blvd, Boynton Beach, FL 33437 (PCN# 00-42-45-23-00-000-5030)

The scope of work is more clearly defined in the Contract Document, Special Conditions, and Terms and General Conditions for City Furnished Materials (if applicable), Technical Specifications (Plans), and Project Drawings, which are hereby not listed in any order of precedence.

A NON-MANDATORY Pre-Bid Meeting Conference & Site Visit is scheduled for **October 29, 2024, at 9:00 A.M.,** to be held at the City of Boynton Beach, City Hall, Room 115, 100 E. Ocean Avenue, Boynton Beach, Florida 33435. The purpose of this meeting is to provide a forum for all concerned parties to discuss the proposed BID, answer questions on the solicitation document, provide instruction for submitting to the Invitation to Bid, and discuss other relevant issues. In the event that any discussions or questions at the pre-bid meeting require, in the City's opinion, official additions, deletions, or clarifications of the solicitation, or any other document, the City will issue an addendum to this Invitation to Bid, as the City determines is appropriate.

No oral representation or discussion taking place at the pre-bid meeting will be binding or may be relied upon by any person or entity. All questions prior to the pre-bid meeting shall be submitted in writing through the City's e-procurement bidding system Boynton-beach.bidsandtenders.net by the submit questions deadline date and time.

At the time of the bid opening, each Vendor shall be presumed to have inspected the sites and to have read to be thoroughly familiar with the plans and contract documents (including all addenda). The failure or omission of any Vendor to examine any form, instrument, or document shall in no way relieve any Vendor from any obligation in respect to this bid.

ATTENTION ALL INTERESTED BIDDERS:

All Vendors are required to submit a five percent (5%) Bid Bond with the Bid Form or the Bid shall be rejected as non-responsive. A one hundred percent (100%) Payment and Performance Bond is required upon notification by the City of the awarded Contract to the selected firm.

No bids may be withdrawn for a period of ninety (90) days after the Bid opening. Bids must be accompanied by an acceptable 5% Bid Bond, cash, certified check, or money order. Said bid bond is to be furnished and executed by a surety company of recognized standing, authorized to do business in the State of Florida, and having a Registered Agent in Florida. The bid bond amount shall be 5% of the bid price and shall constitute a guarantee that the Vendor, if awarded the contract, will enter into a written contract with the City to perform this work pursuant to the bid.

LOBBYING / CONE OF SILENCE:

Consistent with the requirements of Chapter 2, Article VIII, Lobbyist Registration, of the Palm Beach County Code of Ordinances, Boynton Beach imposes a Cone of Silence. A cone of silence shall be imposed upon each competitive solicitation as of the deadline to submit the proposal, bid, or other response and shall remain in effect until the City Commission awards or approves a contract, rejects all bids or responses, or otherwise takes action that ends the solicitation process. While the cone of silence is in effect, no proposer or its agent shall directly or indirectly communicate with any member of City Commission or their staff, the Manager, any employee of Boynton Beach authorized to act on behalf of Boynton Beach in relation to the award of a particular contract or member of the Selection Committee in reference to the solicitation, with the exception of the Purchasing Manager or designee. (Section 2-355 of the Palm Beach County Code of Ordinances.) Failure to abide by this provision may serve as grounds for disqualification for award of

contract to the proposer. Further, any contract entered into in violation of the cone of silence shall render the transaction voidable.

The cone of silence shall not apply to oral communications at any public proceeding, including pre-bid conferences, oral presentations before Selection Committees, contract negotiations during any public meeting, presentations made to the City Commission, and protest hearings. Further, the cone of silence shall not apply to contract negotiations between any employee and the intended awardee, any dispute resolution process following the filing of a protest between the person filing the protest and any employee, or any written correspondence with Boynton Beach as may be permitted by the competitive solicitation. Additionally, the cone of silence shall not apply to any purchases made in an amount less than the competitive solicitation threshold set forth in the Purchasing Manual.

PUBLIC RECORDS DISCLOSURE:

Pursuant to Florida Statutes §119.071, sealed Bids, Proposal or Responses received by the City in response to a Request for Qualification or Invitation to Bid are exempt from public records disclosure requirements until the City provides a notice of intended decision or **thirty (30) days** after the opening of the Proposals/Bids. If the City rejects all Responses submitted in accordance with a Request for Proposal/Qualification or Invitation to Bid, and the City concurrently provides notice of its intent to reissue the competitive solicitation, the rejected Responses remain exempt from public disclosure until such time as the City provides notice of a decision or intended decision concerning the competitive solicitation or until the City withdraws the reissued competitive solicitation. A Bid, Proposal, Response, or reply is not exempt for longer than twelve (12) months after the initial City notice rejecting all Bids, Proposals, or Responses.

Questions related to this Bid are to be submitted to the Purchasing representative through the Bidding System only by clicking on the “Submit a Question” button for this specific Solicitation.

CITY OF BOYNTON BEACH

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

INSTRUCTIONS TO BIDDERS

1. The City of Boynton Beach utilizes an electronic online bidding system service for notification and distribution of its solicitation documents, please visit Boynton-beach.bidsandtenders.net.

2. ELECTRONIC BID SUBMISSIONS ONLY shall be received by the City's e-Procurement Bidding System. Hardcopy submissions are not permitted.

3. Electronic Request for Qualification/Request for Proposal/Invitation to Bid Proposals for this solicitation shall be received by the City's e-Procurement bidding system no later than: **DECEMBER 10, 2024 No Later Than 2:30 PM (Local Time).**

4. Late responses are not permitted by the bidding system. It shall be the sole responsibility of the Vendor to have their Request for Qualification/Request for Proposal/Invitation to BID submittal submitted online.

5. Vendors shall acknowledge receipt of any addenda through the Bidding System by checking a box for each addenda and any applicable attachment.

6. It is the responsibility of the Vendor to have received all Addenda that are issued. Vendors should check online at Boynton-beach.bidsandtenders.net prior to submitting their Submittal and up until the Bid closing time and date in the event additional addenda is issued.

7. To obtain documents online please visit Boynton-beach.bidsandtenders.net. You may preview the solicitation documents with a Preview Watermark prior to registering for the opportunity. Documents are not provided in any other manner.

8. Vendors are cautioned that the timing of their Submittal submission is based on when the Submittal is RECEIVED by the Bidding System, not when a Submittal is submitted, as the Submittal transmission can be delayed due to file transfer size, transmission speed, etc.

9. For the above reasons, it is recommended that the Vendor allow sufficient time to complete your Bid Submission and to resolve any issues that may arise.

10. Vendors should contact bids&tenders support listed below, at least twenty-four (24) hours prior to the closing time and date, if they encounter any problems. The Bidding System will send a confirmation email to the Vendor advising that their submittal was submitted successfully. If you do not receive a confirmation email, contact bids&tenders support at support@bidsandtenders.net.

11. To ensure receipt of the latest information and updates via email regarding this Request for Qualification/Request for Proposal/Invitation to Bid, or if a Vendor has obtained this Solicitation from a third party, the responsibility is on the Vendor to create a Bidding System Vendor account and register as a Plan Taker for the Solicitation.

12. All expenses for making SUBMITTAL responses to the City are to be borne by the Vendor.

13. A sample draft agreement that the City intends to execute with the successful firm(s) is contained within this Request for Qualification/Request for Proposal/Invitation to Bid for review. Any exceptions taken to the terms and conditions of the City's agreement shall be considered a part of Vendor's solicitation response and will be considered by the City in its evaluation. Any exception not specifically stated is deemed waived. Submission of any exceptions to the agreement does not denote acceptance by the City. Furthermore, taking exceptions to the City's terms and conditions may be viewed unfavorably by the City/evaluation committee and ultimately may impact the overall evaluation of a vendor's submittal. The City reserves the right to modify the contract language prior to execution following the selection of the top firm(s).

14. Each Vendor, by submission of a proposal response, acknowledges that in the event of any legal action challenging the award of a Request for Qualification/Request for Proposer/Invitation to Bid; damages, if any, shall be limited to the actual cost of the preparation of the Bid or Proposal.

THE REMAINDER OF THE PAGE IS INTENTIONALLY LEFT BLANK.

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

STANDARD TERMS AND CONDITIONS FOR BIDDERS

Unless otherwise agreed to by the City of Boynton Beach ("City"), the following Standard Terms and Conditions are applicable to this solicitation and the resulting agreement/contract. The term "vendor" as used below may collectively apply to vendors, bidders, proposers, consultants, contractors, subcontractor, and subconsultant.

1. FAMILIARITY WITH LAWS: The Vendor is presumed to have full knowledge of and be in compliance with all Federal, State, and Local laws, ordinances, rules, and regulations that in any manner affect the equipment and the services provided to the City. Ignorance on the part of the Vendor will in no way relieve Vendor of responsibility to adhere to such regulations.

2. RFP/RFQ/BID FORMS: The Vendor will submit an RFP/RFQ/BID on the RFP/RFQ/BID forms provided. The Vendor must state the price and the time of delivery for which they propose to deliver the equipment or service requested. The Vendor is required to be licensed to do business as an individual, partnership, or corporation in the State of Florida. All RFP/RFQ/BID forms must be executed and submitted for easy identification. Bids/Proposals not submitted on Bid or Proposal forms herein may be rejected. All RFPs/RFQs/BIDs are subject to the conditions specified within this solicitation document. Submittals which do not comply with these conditions are subject to rejection.

3. EXECUTION OF RFP/RFQ/BID: RFP/RFQ/BID must contain a manual signature of an authorized representative in the space provided on all affidavits and proposal sheets.

4. NO SUBMITTAL: A NO SUBMITTAL response can be submitted online through the e-Procurement bidding system.

5. SOLICITATION DEADLINE: It is the Vendor's responsibility to ensure that the Bid/Proposal is submitted electronically by or at the proper time and date prior to the solicitation deadline. Late Submittal Responses are not permitted by the e-Procurement Bidding System.

6. RIGHT TO REJECT BID: The City reserves the right to reject any or all bids or proposals, waive technical errors, or to accept a portion of any bids that are deemed to be the most responsive, responsible Vendor(s) which represents the most advantageous bid to the City. In determining the "most advantageous bid", price, quantifiable factors, and other factors are considered. Such factors include but are not limited to specifications; delivery requirements; the initial purchase price; life expectancy; cost of maintenance and operation; operating efficiency; training requirements; disposal value; and other factors contributing to the overall acquisition cost of an item. Consideration may be given, but is not necessarily limited to conformity to the specifications; including timely delivery; product warranty; a Vendor's proposed service; ability to supply and provide service; delivery to required schedules, and past performances in other contracts with the City or other government entities.

7. AGREEMENT EXTENSION: The City reserves the right to extend automatically for a period not to exceed an additional one hundred eighty (180) calendar days by mutual agreement and by filing a written notice signed by the vendor to the City's Purchasing Department without further City Commission action. The extension shall provide the City with continual service while a new contract is solicited, evaluated, and/or awarded. **N/A**

8. RIGHTS OF THE CITY: The City expressly reserves the right to:

A. Waive as an informality, minor deviations from specifications at a lower price than the most responsive, responsible Vendor meeting all aspects of the specifications and consider it if it is determined that total cost is lower and the overall function is improved or not impaired;
B. Waive any defect, irregularity, or informality in any RFP, RFQ, or BID procedure;
C. Reject or cancel any or all RFP, RFQ or BID;
D. Reissue a Request for Proposals (RFP), Request for Qualifications (RFQ), or Invitation to Bid (BID);
E. Extend the RFP, RFQ, BID deadline time and date;
F. Procure any item by other means;
G. Increase or decrease the quantity specified in the Request for Proposals (RFP), Request for Qualifications (RFQs), Invitation to Bid (BID);
H. Consider and accept an alternate RFP/RFQ/BID as provided herein when most advantageous to the City.

9. STANDARDS: Factors to be considered in determining whether the standard of responsibility has been met include whether a prospective Vendor has:

   A. Available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or the ability to obtain such, necessary to indicate its capability to meet all contractual requirements;
   B. A satisfactory record of performance;
   C. A satisfactory record of integrity;
   D. Qualified legally to Contract within the State of Florida and the City of Boynton Beach;
   E. Supplied all necessary information in connection with the inquiry concerning responsibility;

10. DISQUALIFICATION OF PROPOSER: More than one Proposal from an individual, firm, partnership, corporation or association under the same or different names shall not be considered. All proposals shall be rejected if there is reason to believe that collusion exists between Vendors. Automatic disqualifiers are as follows:

    A. Not including an executed Vendor signature.
    B. Not being licensed to perform the required work or to provide the required product.
    C. Not being eligible to submit a proposal due to violations listed under Item No.29, “Public Entity Crimes.”
    D. Not completing the Bid, RFQ, or RFP Submittal Forms as required.

11. DIRECT PURCHASES: Procedure used by the City to make direct purchases of any materials/equipment and make direct payment to the Vendor. The City reserves the right to issue purchase orders for materials to either the Contractor’s/ Consultant’s/ Vendor’s or the City’s suppliers for construction/public works-related materials when deemed in the best interest of the City.

12. INFORMATION AND DESCRIPTIVE LITERATURE: Vendors must furnish all information requested in the spaces provided on the bid/proposal form. Further, as may be specified elsewhere, each Vendor must submit for bid evaluation cuts, sketches, and descriptive literature, and technical specifications covering the products offered. Reference to literature submitted with a previous bid or on file with the buyer will not satisfy this provision.

13. SIGNING OF CONTRACT: The Award Letter will be presented to the Successful Vendor. Within ten (10) calendar days after issuance of the award letter, the successful Vendor shall sign and deliver the Contract with the required bonds and insurance certificates to the City. After receipt and approval of such documents, the Contract will be executed. Within thirty (30) calendar days thereafter, the City shall deliver a fully signed and executed Contract to the successful Vendor. At times a purchase order will be issued in lieu of a contract agreement. The General Terms and Conditions of the City’s purchase order shall apply and prevail over any conflicting terms or conditions.

14. INTERPRETATIONS: To ensure fair consideration for all Vendors, the City prohibits communication to or with any department, officer, or employee during the solicitation process except as otherwise specified. If the Vendor should be in doubt as to the meaning of any of the RFP, RFQ, or BID documents, or is of the opinion that the plans and/or specifications contain errors, contradictions, or reflect omissions; the Vendor shall direct questions to the Purchasing representative through the Bidding System only by clicking on the “Submit a Question” button for this Bid, no later than ten (10)

days prior to the RFP, RFQ, or BID deadline.

15. CONFLICT OF INTEREST: The award hereunder is subject to all conflict of interest provisions of the City of Boynton Beach, Palm Beach County, of the State of Florida.

16. SUBCONTRACTING: If a Vendor subcontracts any portion of a Contract for any reason, the Vendor must state the name and address of the sub-contractor/sub-consultant and the name of the person to be contacted on the online form within the e-bidding system under "Schedule of Subcontractors". The City of Boynton Beach reserves the right to accept or reject any or all bids/proposals wherein a sub-contractor/sub-consultant is named and to make the award to the Vendor, who, in the opinion of the City, will be in the best interest of and/or most advantageous to the City. The City also reserves the right to reject a Bid/Proposal of any Vendor if the RFP, RFQ, or BID names a sub-contractor/sub-consultant who has previously failed in the proper performance of an award or failed to deliver on time Contracts of a similar nature, or who is not in a position to perform properly under this award. The City reserves the right to inspect all facilities of any sub-contractor/sub-consultant in order to make determination as to the foregoing. The sub-contractor/sub-consultant will be equally responsible for meeting all requirements specified in this Request for Proposals (RFP), Request for Qualifications (RFQ), or BID. Vendors are encouraged to seek minority and women business enterprises for participation in sub-contractor/sub-consultant contracting opportunities. The City reserves all rights in order to make a determination as to the foregoing.

17. ADDENDA: From time to time, the City may issue an addendum to change the intent or to clarify the meaning of the Contract documents. Since all addenda are available to Vendor through the City's e-Procurement System Boynton-beach.bidsandtenders.net, it is the responsibility of each Vendor to have received ALL addenda that are issued. Vendors should check online at Boynton-beach.bidsandtenders.net prior to submitting their bid/proposal and up until the bid closing time and date in the event, additional addenda are issued. If a Vendor submits their bid/proposal prior to the BID closing time and date and an addendum has been issued, the Bidding System shall WITHDRAW the Vendor's submission and the submittal status will change to an INCOMPLETE STATUS and Withdraw the Bid Proposal. The Vendor can view this status change in the "MY BIDS" section of the Bidding System.

    The Vendor is solely responsible to:

    - make any required adjustments to their Bid/Proposal; and
    - acknowledge the addenda; and
    - Ensure the re-submitted Bid/Proposal is RECEIVED by the Bidding System no later than the stated Bid/Proposal closing time and date.

18. ADDITIONAL QUANTITIES: The City reserves the right to acquire additional quantities of the bid/proposal products or services at the prices bid/proposal in this solicitation. If additional quantities are not acceptable, the bid sheets must be noted: **"BID/PROPOSAL IS FOR SPECIFIED QUANTITY ONLY".**

19. SAMPLES: Samples of items, when called for, must be furnished free of expense, and if not used, tested, or destroyed, upon request, will be returned at the Vendor's expense. Request for the return of samples may be made within ten (10) days following the RFP, RFQ, or BID deadline. Each individual sample must be labeled with the Vendor's name, manufacturer's brand name and number, and item reference.

20. DEMONSTRATIONS: Performance of the equipment/services upon request can be deemed a part of the evaluation process in determining the award of the Vendor. Demonstrations of the merits of the equipment/services that meet City requirements shall be requested by Procurement Services. Equipment demonstrated shall be a minimum of one (1) year old. All required staff, to be assigned per the individual bid/proposal product or service application, will form the Bid/Proposal Award Committee to evaluate and submit a group award recommendation. The City reserves the right to make separate and independent awards based on its needs and the combined evaluation results.

21. ESCALATOR CLAUSE: Any bid or proposal which is submitted subject to an escalator clause will be rejected.

22. EXCEPTIONS: Incorporation in a bid of exceptions to any portion(s), of the Contract documents may invalidate the bid. Exceptions to the Technical and Special Provisions shall be clearly and specifically noted in the Vendor's proposal on a separate sheet marked "**EXCEPTIONS TO THE SPECIFICATIONS**" and this sheet shall be attached to the bid. The use of the Vendor's standard forms or the inclusion of the manufacturer's printed documents shall not be construed as constituting an exception within the intent of the Contract documents. Any exceptions not noted in Vendor's proposal shall be deemed waived.

23. ALTERNATES: Where a base bid/proposal is provided for, the Vendor shall submit a bid/proposal on the base bid/proposal and may exercise their own prerogative in submitting a bid/proposal on alternate items. The Owner reserves the right to accept or reject the alternates or base bid/proposal or any combination thereof. The Owner, or a representative, further reserves the unqualified right to determine whether any particular item or items of material, equipment, or the like, is an approved equal, and reserves the unqualified right to a final decision regarding the approval or rejection of the same.

24. NONCONFORMANCE TO CONTRACT CONDITIONS: Items may be tested for compliance with specifications under the direction of appropriate testing laboratories. The data derived from any tests for compliance with specifications are public records and open to examination thereto in accordance with Chapter 119, Florida Statutes. Items delivered not conforming to specifications may be rejected and returned at the vendor's expense. These items and items not delivered as per delivery date in the bid and or Purchase Order may result in the Vendor being found in default in which event any and all procurement costs may be charged against the defaulted Vendor. Any violation of these stipulations may also result in the vendor's name being removed from the City of Boynton Beach's vendor mailing list.

25. DISPUTES: In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the City Manager shall be final and binding on both parties.

26. ANTITRUST CAUSE OF ACTION: In submitting a bid/proposal to the City of Boynton Beach, the Vendor offers and agrees that if the bid/proposal is accepted, the Vendor will convey, sell, assign or transfer to the City of Boynton Beach all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of Florida for price-fixing relating to the particular commodities or services purchased or acquired by the City of Boynton Beach. At the City of Boynton Beach's discretion, such assignment shall be made and become effective at the time the purchasing agency tenders final payment to the Vendor.

27. GOVERNMENTAL RESTRICTIONS: In the event, any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship, or performance of the items offered on this proposal prior to their delivery, it shall be the responsibility of the successful Vendor to notify the City at once, indicating in a letter the specific regulation which required an alteration. The City reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Contract at no expense to the City.

28. LEGAL REQUIREMENTS: Federal, State, County, and City laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Vendor will in no way be a cause for relief from responsibility.

29. ON PUBLIC ENTITY CRIMES – All Request for Proposals, Request for Qualifications, Invitations to Bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

    "A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract or provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided

in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list".

30. SCRUTINIZED COMPANIES LISTS Florida Statues Section 287.135: By submission of this RFP, RFQ, or Bid, the Vendor certifies that the Vendor is not participating in a boycott of Israel. Vendor further certifies that Vendor is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has Vendor been engaged in business operations in Syria. Subject to limited exceptions provided in state law, the City will not contract for the provision of goods or services with any scrutinized company referred to above. Submitting a false certification shall be deemed a material breach of contract. The City shall provide notice, in writing, to Vendor of the City's determination concerning the false certification. Vendor shall have five (5) days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active contract term, Vendor shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If Vendor does not demonstrate that the City's determination of false certification was made in error then the City shall have the right to terminate the contract and seek civil remedies pursuant to Section 287.135, Florida Statutes, as amended from time to time.

31. NON-COLLUSION AFFIDAVIT: The vendor certifies that it has entered into no agreement to commit a fraudulent, deceitful, unlawful, or wrongful act, or any act that may result in an unfair advantage for one or more vendors over other vendors. A conviction for the commission of any fraud or act of collusion in connection with any sale, quote, quotation, proposal, or another act incident to doing business with the City may result in permanent debarment. No premiums, rebates, or gratuities are permitted; either with, prior to, or after any delivery of material or provision of services. Any such violation may result in award cancellation, return of materials, discontinuation of services, and removal from the vendor list(s), and/ or debarment or suspension from doing business with the City.

    Each Vendor shall complete the Non-Collusion Affidavit Form and shall submit the form with their Proposal. The City considers the failure of the Vendor to submit this document to be a major irregularity and may be cause for rejection of the Proposal.

32. TRADE SECRET: Any language contained in the Vendor's Proposal purporting to require confidentiality of any portion of the Proposal, except to the extent that certain information is in the City's opinion a Trade Secret pursuant to Florida law, shall be void. If a Vendor submits any documents or other information to the City which the Vendor claims are Trade Secret information and exempt from Florida Statutes Chapter 119.07 (Public Records Laws), the Vendor shall clearly designate that it is a Trade Secret and that it is asserting that the document or information is exempt. The Vendor must specifically identify the exemption being claimed under Florida Statutes 119.07. The City shall be the final arbiter of whether any information contained in the Vendor's Proposal constitutes a Trade Secret. The City's determination of whether an exemption applies shall be final, and the Vendor agrees to defend, indemnify, and hold harmless the City its officers, employees, volunteers, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as public records. Proposals purporting to be subject to copyright protection in full or in part will be rejected.

    EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, DO NOT MARK YOUR PROPOSAL AS PROPRIETARY OR CONFIDENTIAL. DO NOT MARK YOUR PROPOSAL OR ANY PART THEREOF AS COPYRIGHTED.

33. ANTI-KICKBACK AFFIDAVIT: Each Vendor shall complete the Anti-Kickback Affidavit Form and shall submit this form with their Proposal. The City considers the failure of the Vendor to submit this document to be a major irregularity and may be cause for rejection of the Proposal.

34. CONFIRMATION OF MINORITY-OWNED BUSINESS: It is the desire of the City of Boynton Beach to increase the participation of minority-owned businesses in its contracting and procurement programs. While the City does not have any preference or set-aside programs in place, it is committed to a policy of equitable participation for these firms. Therefore, each Vendor shall complete the Confirmation of Minority-Owned Business Form and shall submit the form with its Bid/Proposal.

35. ADVERTISING: In submitting a RFP, RFQ, or BID, the Vendor agrees not to use the results as a part

of any commercial advertising. Violation of this stipulation may be subject to action covered under "**NONCONFORMANCE WITH CONTRACT CONDITIONS**".

36. ASSIGNMENT: Any Purchase Order issued pursuant to this Request for Proposals, Request for Qualifications, or Invitation to Bid and the funds which may be come due hereunder are not assignable except with the prior written approval of the City.

37. INDEMNIFICATION: The selected Vendor(s) shall hold and save harmless the City of Boynton Beach, Florida its officers, agents, volunteers, and employees from liability of any kind in the performance of this Contract. Further, the selected Vendor(s) shall indemnify, save harmless and undertake the defense of the City, its City Commissioners, agents, and employees from and against any and all claims, suits, actions, damages, or causes of action arising during the term of this Contract, for any personal or bodily injury, loss of life, or damage to property arising directly or indirectly from Vendor's operation pursuant to this Contract, and from and against all costs, counsel fees, expenses and liabilities incurred in an about any such claims, the investigation thereof, or the defense of any action or proceedings brought thereon, including through the conclusion of any appeals, and from and against any orders or judgments which may be entered therein. The extent of Vendor's indemnification shall be limited to one and one-half (1 1/2) times the contract price or One Million Dollars ($1,000,000) per occurrence, whichever is greater. The City shall notify the Vendor within ten (10) days of receipt by the City of any claim, suit, or action against the City arising directly or indirectly from the operations of the Vendor hereunder, for which the City may be entitled to a claim or indemnity against the Vendor, under the provisions of this Contract. Vendor shall have the right to control the defense of any such claim suit or actions. The Vendor shall also be liable to the City for all costs, expenses, attorneys' fees, and damages that may be incurred or sustained by the City by reason of the Vendor's breach of any of the provision of the contract. Vendor shall not be responsible for negligent acts of the City or its employees.

38. PURCHASING AGREEMENT WITH OTHER GOVERNMENTAL ENTITIES: If a Vendor is awarded a contract as a result of this Request for Proposal or Invitation to Bid, Vendor will, if Vendor has sufficient capacity or quantities available, provide to other Florida governmental agencies so requesting, the products or services awarded in accordance with the terms and conditions of the Invitation to Bid and resulting award. **N/A**

39. AWARD OF CONTRACT: The low monetary bid will NOT in all cases be awarded the Contract or Purchase Order. Contracts or Purchase Orders will be awarded by the City to the most responsive, responsible Vendor whose bid represents the most advantageous bid to the City, price, and other factors considered. Evaluation of bids will be made based upon the evaluation factors and standards set forth herein. The City reserves the right to reject any and all bids and to waive technical errors as set forth herein. In the event of a Court challenge to an award by any Vendor, damages, if any, resulting from an award shall be limited to actual bid preparation costs incurred by the challenging Vendor. In no case will the award be made until all necessary investigations have been made into the responsibility of the Vendor and the City is satisfied that the most responsive, responsible Vendor is qualified to do the work and has the necessary organization, capital, and equipment to carry out the required work within the time specified.

40. AS SPECIFIED: A Purchase Order will be issued to the successful Vendor with the understanding that all items/services delivered must meet the specifications herein. Items/services delivered not as specified, will be returned at no expense or penalty to the City of Boynton Beach.

41. DELIVERY: Prices shall be quoted F.O.B. Boynton Beach, Florida. F.O.B. destination indicates that the seller is responsible for the shipment until it reaches its destination. Any and all freight charges are to be included in the bid/proposal total. The Vendor's invoice payment terms must be shown.

42. WARRANTY REQUIREMENTS: Each item, including all components and all installed accessories and equipment, shall be guaranteed by the Vendor to be free of defective parts and workmanship. This warranty shall be for a period of 365 days or the time designated in the standard factory warranty, whichever is longer. The warranty will be the same as that offered to the commercial trade and shall be honored by any of the manufacturer's authorized dealers. Warranty will cover parts, labor, and any necessary shipping. Warranty repairs may be accomplished on City property if space is available; this will be at the sole discretion of the City. Contact Procurement Services for permission to perform warranty service on City property. Warranty to start at the time of acceptance by the City; however, in cases where vehicles or equipment are not immediately placed in service, the Vendor will provide a

delay of warranty start-up time. The period of warranty delay will be coordinated by Procurement Services.

43. PRICES, TERMS, AND PAYMENT: Firm prices shall be quoted and include all packing, handling, shipping charges, and delivery to the destination shown herein. Vendor is requested to offer a cash discount for prompt invoice payment. Discount time will be computed from the date of satisfactory delivery at the place of acceptance or from receipt of the correct invoice at the office specified, whichever is later.

    Upon delivery, the City shall make a final inspection. If this inspection shows that the equipment/service has been delivered/performed in a satisfactory manner in accordance with the specifications, the City shall receive the same. Final payment due to the Vendor shall be withheld until a visual inspection is made by the **CITY'S DESIGNEE** and merits of performance evaluated. This total acceptance will be done in a reasonable and timely manner. Acceptance shall not exceed thirty (30) days. If any equipment/service has to be rejected for any reason, the Vendor shall be required to pick up the equipment, accomplish the necessary repairs and return the equipment to the City. Warranty repairs may be accomplished on City property if space is available; this will be at the discretion of the City. Title to or risk loss or damage to all items shall be the responsibility of the Vendor unless such loss or damages have been proven to be the result of negligence by the City.

44. TIME OF DELIVERY: The Vendor shall state in the bid/proposal the time of delivery of the equipment. Time is of importance to the City and the Vendor is hereby notified that the date of delivery will be considered as a factor in the evaluation of the bids.

    All equipment shall be completely assembled, adjusted, and clean. All standard equipment and specified options shall be installed and the unit made ready for continuous, heavy-duty service. In addition to new equipment pre-delivery service, a thorough condition and specification compliance from these specifications, including manufacturer's standard equipment items, and accessory equipment supplied by the equipment dealer, which is clearly necessary for the complete operation of the vehicle, shall be considered a requirement although not directly specified in these specifications.

45. CERTIFICATIONS, LICENSE, AND PERMITS: Unless otherwise directed by the City, the vendor should provide a copy of all applicable certificates of Competency or Licenses issued by the State of Florida or the Palm Beach County Construction Industry Licensing Board in the name of the vendor. If applicable, the vendor shall also maintain a current Local Business Tax Receipt (Occupational License) for County and all permits required to complete the agreement/contractual service at no additional cost to City. A County Local Business Tax Receipt (Occupational License) is required unless specifically exempted by law. It shall be the responsibility of the successful vendor to obtain all certifications, licenses, and permits, if required, to complete the services at no additional cost to the City. It is the responsibility of the vendor to ensure all required certifications, licenses, and permits are maintained and are current throughout the term of the agreement/contract, inclusive of any renewals. Licenses and permits shall be readily available for review by the Purchasing Agent and City Inspectors. Failure to meet this requirement shall be considered a default of the agreement/contract.

46. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH: The Vendor certifies that all material, equipment, etc., contained in this bid meets all O.S.H.A. requirements. Vendor further certifies that if awarded as the successful Vendor, and the material equipment, etc. delivered is subsequently found to be deficient in any O.S.H.A. requirement in effect on the date of delivery, all costs necessary to bring the materials, equipment, etc., into compliance with the aforementioned requirements shall be borne by the Vendor.

    Vendor certifies that all employees, subcontractors, agents, etc. shall comply with all O.S.H.A. and State safety regulations and requirements.

47. PALM BEACH COUNTY INSPECTOR GENERAL: The Vendor is aware that the Inspector General of Palm Beach County has the authority to investigate and audit matters relating to the negotiation and performance of any contracts resulting from this solicitation, and in furtherance thereof, may demand and obtain records and testimony from the Vendor and its subcontractors and lower-tier subcontractors. The Vendor understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the Vendor or its subcontractors or lower-tier subcontractors to fully cooperate with the Inspector General when requested, may be deemed by the

municipality to be a material breach of this contract justifying its termination.

48. PUBLIC RECORDS: Sealed documents received by the City in response to a Request for Proposals, Request for Qualifications or Invitation to Bid are exempt from public records disclosure until thirty (30) days after the opening of the Bid unless the City announces intent to award sooner, in accordance with Florida Statutes 119.07.

    The City is a public agency subject to Chapter 119, Florida Statutes. The Vendor shall comply with Florida's Public Records Law. Specifically, the Vendor shall:

    A. Keep and maintain public records required by the City to perform the service;

    B. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat. or as otherwise provided by law;

    C. Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Vendor shall destroy all copies of such confidential and exempt records remaining in its possession once the Vendor transfers the records in its possession to the City; and

    D. Upon completion of the contract, Vendor shall transfer to the City, at no cost to the City, all public records in Vendor's possession. All records stored electronically by Vendor must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

    E. **IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:**

CITY CLERK'S OFFICE
100 EAST OCEAN AVENUE
BOYNTON BEACH, FLORIDA, 33435
561-742-6060
CityClerk@bbfl.us

49. E-VERIFY: Vendor is aware of and complies with the requirements of Section 448.095, Florida Statues, as may be amended from time to time and briefly described herein below.

    1) Definitions for this Section:

    "Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration. "Contractor" includes, but is not limited to, a vendor or consultant.

    "Subcontractor" means a person or entity that provides labor, supplies, or services to or for a contractor or another subcontractor in exchange for salary, wages, or other remuneration.

    "E-Verify system" means an Internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

2) Registration Requirement; Termination:

Pursuant to Section 448.095, Florida Statutes, effective January 1, 2021, Contractors, shall register with and use the E-Verify System in order to verify the work authorization status of all newly hired employees. Contractor shall register for and utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a. All persons employed by a Contractor to perform employment duties within Florida during the term of the contract; and
b. All persons (including sub-vendors/sub-consultants/sub-contractors) assigned by Contractor to perform work pursuant to the contract with the City of Boynton Beach. The Contractor acknowledges and agrees that registration and use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the City of Boynton Beach; and
c. The Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes, but is not limited to registration and utilization of the E-Verify System to verify the work authorization status of all newly hired employees. Contractor shall also require all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. Termination of this Contract under this Section is not a breach of contract and may not be considered as such. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of one (1) year after the date of termination.

50. PROHIBITION AGAINST CONSIDERING SOCIAL, POLITICAL, OR IDEOLOGICAL INTERESTS IN GOVERNMENT CONTRACTING - F.S. 287.05701: Vendors are hereby notified of the provisions of section 287.05701, Florida Statutes, as amended, that the City will not request documentation of or consider a Vendor's social, political, or ideological interests when determining if the Vendor is a responsible Vendor. Vendors are further notified that the City's governing body may not give preference to a Vendor based on the Vendor's social, political, or ideological interests.

51. VENUE AND GOVERNING LAW: Any and all legal actions arising from or necessary to enforce this solicitation and resulting agreement/contract will be held in Palm Beach County and shall be interpreted according to the laws of Florida.

52. SOVEREIGN IMMUNITY: Nothing contained herein is intended to serve as a waiver of sovereign immunity by the City or as a waiver of limits of liability or rights the City may have under the doctrine of sovereign immunity or under Section 768.28, Florida Statutes.

53. LOCAL BUSINESS PREFERENCE
The City of Boynton Beach Administrative Policy No. 10.16.01 provides for a local business preference. "For all acquisitions made pursuant to Sealed Competitive Bid, as provided in Sec. 10.05, the City shall give preference to a Local Business if the Local Business' bid is determined to be within five percent (5%) or five thousand dollars ($5,000.00), whichever is less, of the lowest responsible and responsive bidder. In revenue-generating contracts where award, if any, is to be made to the Vendor returning the highest amount to the City, the same preference set forth herein shall be applied with respect to the highest bid."

In order to be considered for a local business preference, **a Vendor must include the Local Business Status Certification Form at the time of bid, or proposal submittal.** Failure to submit this form at the time of bid submittal will result in the Vendor being found ineligible for the local business preference for this solicitation.

Failure of the Vendor to comply with the provisions set forth in this General Condition shall constitute a Default and Breach of the Agreement with the City.

54. LEGAL EXPENSES: The City shall not be liable to a vendor for any legal fees, court costs, or other

legal expenses arising from the submission of a Request for Proposals, Request for Qualifications, or Invitation to Bid, the interpretation or enforcement of the agreement/contract, or from any other matter generated by or relating to the agreement/contract.

55. NO THIRD-PARTY BENEFICIARIES: No provision of the agreement/contract is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity, not a party to the agreement/contract, including but not limited to any citizen or employees of the City and/or Vendor.

56. SUCCESSORS AND ASSIGNS: The City and the Vendor each binds itself and its successors and assigns to the other party in respect to all provisions of the Bid or proposal and any resulting Contract. Neither the City nor the Vendor shall assign, sublet, convey or transfer its interest in the Contract without the prior written consent of the other.

57. FUNDING OUT: The resultant Agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission for the City of Boynton Beach in the annual budget for each fiscal year of the Agreement, and is subject to termination based on lack of funding.

58. INSURANCE REQUIREMENTS: Vendor shall, at its sole expense, maintain in full force and effect at all times during the life of this agreement/contract, insurance coverages, and limits (including endorsements), as required by the City. These requirements shall not in any manner limit or qualify the liabilities and obligations assumed by the vendor under this agreement/contract. All coverages shall be provided on a primary basis with the City endorsed as an Additional Insured as follows: "The City of Boynton Beach". The Vendor shall provide the City with a Certificate of Insurance evidencing such coverages prior to the commencement of any services and within a time frame specified by the City (normally within 2 working days after request). Failure to maintain the required insurance shall be considered a default of agreement/contract.

59. MISTAKES: Vendors are expected to examine the specifications, delivery schedule, bid or proposal prices, extensions, and all instructions pertaining to supplies and services. Failure to do so will be at Vendor's risk.

60. FORCE MAJEURE: The agreement/contract which is awarded to the successful vendor may provide that the performance of any act by the City or Vendor thereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from the performance by acts of God, pandemic, epidemic, emergency orders, the elements, war rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided, however, the City shall have the right to provide substitute service from third parties or City forces and in such event, the City shall withhold payment due to vendor for such period of time. If the condition of force majeure exceeds a period of 14 business days the City may, at its option and discretion, cancel or renegotiate the agreement/contract.

61. PERFORMANCE DURING EMERGENCY: The vendor agrees and promises that immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, City shall be given "first priority" for all goods and/or services under the agreement/contract. The vendor agrees to provide all goods and/or services to City immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, at the terms, conditions, and prices as provided in this solicitation on a "first priority" basis. The vendor shall furnish a 24-hour phone number to the City. Failure to provide the goods and/or services to the City on a first priority basis immediately preceding, during, and after a public emergency, disaster, hurricane, flood, or act of God, shall constitute a breach of agreement/contract and subject the vendor to sanctions from doing further business with the City.

62. SALES PROMOTIONS / PRICE REDUCTIONS / MOST FAVORED CUSTOMER: Should sales promotions occur during the term of the agreement/contract that lower the price of the procured item, the vendor shall extend to the City the lower price offered by the manufacturer on any such promotional item. Additionally, any time after award, the vendor may offer a reduced price, which shall remain in effect for the duration of the agreement/contract. The vendor warrants that the price(s) shall not exceed the vendor's price(s) extended to its most favored customer for the same or similar goods or services in similar quantities, or the current market price, whichever is lower. In the event the vendor offers more favorable pricing to one of its customers, the vendor shall extend to the City the same pricing or the then-current market price, whichever is lower.

63. REMEDIES: No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law, or in equity, by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

64. ENDORSEMENTS: No endorsements by the City of the goods and/or services will be used by the vendor in any way, manner or form.

65. SEAL, LOGO, and FLAGS: The Vendor shall not use the seal(s), logos, crests, or reproductions of flags or likenesses of the City or agency officials without specific written pre-approval.

66. DRUG-FREE WORKPLACE: The Vendor shall implement and maintain a drug-free workplace program of at least the following items:

    a. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

    b. Inform employees about the dangers of drug abuse in the workplace, the Vendor's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

    c. Give each employee engaged in providing the services that are under agreement/contract a copy of the statement specified in Item Number A above.

    d. In the statement specified in Item Number A above, notify the employees that, as a condition of providing the services that are under agreement/contract, the employee will abide by the terms of the statement and will notify the Vendor of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893, Florida Statutes, or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) calendar days after such conviction or plea.

    e. Impose a sanction on, or require satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, for any employee who is so convicted or so pleads.

    f. Make a good faith effort to continue to maintain a drug-free workplace through the implementation of Section 287.087, Florida Statutes.

67. PROTEST PROCEDURE: Protest procedures are provided in the City of Boynton Beach Purchasing Policy. Protests shall be submitted in writing, addressed to the Purchasing Manager, via hand delivery, or mail, along with a protest cash bond in an amount equal to 5% of the bid or $5,000, whichever is less. The bond will be refunded to a protester if the protest is upheld. The protest must identify the solicitation, specify the basis for the protest, and be received by the Purchasing Department within the deadlines as follows:
    A. If the protest relates to a Request for Proposal, Request for Qualification, or Invitation to Bid, the protest shall be received prior to the bid submittal deadline date.
    B. If the protest relates to any other matter relating to the RFP, RFQ, OR BID, including, but not limited to, the Award of an Agreement/contract, the protest must be received no later than seven (7) regular business days after the date of notification of award by the Purchasing Staff.

    Failure to file a protest as outlined in the City of Boynton Beach's Purchasing Policy shall constitute a waiver of proceedings.

68. DEFAULT AND TERMINATION FOR CAUSE: The City may, by written notice of default to the vendor,

terminate the agreement/contract in whole or in part if the vendor fails to satisfactorily perform any provisions of this agreement/contract, or fails to make progress so as to endanger performance under the terms and conditions of this agreement/contract, or provides repeated nonperformance, or does not remedy such failure within a period of 30 calendar days after receipt of notice from the City of Boynton Beach specifying such failure. In the event the City terminates the agreement/contract in whole or in part because of default of the vendor, the City may procure goods and/or services similar to those terminated, and the vendor shall be liable for any excess costs incurred due to this action.

69. TERMINATION FOR CONVENIENCE: Whenever the interests of the City so require, terminate the agreement/contract, in whole or in part, for the convenience of the City. Purchasing shall give fourteen (14) business days prior written notice of termination to the vendor, specifying the portions of the agreement/contract to be terminated and when the termination is to become effective. If only portions of the agreement/contract are terminated, the vendor has the right to withdraw, without adverse action, from the entire agreement/contract.

    Unless directed differently in the notice of termination, the vendor shall incur no further obligations in connection with the terminated work and shall stop work to the extent specified on the date given in the notice of termination. Additionally, unless directed differently, the vendor shall terminate outstanding orders and/or subcontracts related to the terminated work.

WEST WATER TREATMENT PLANT – WATER QUALITY LABORATORY RENOVATION

BID No.: UTL25-002

SPECIAL TERMS AND CONDITIONS

PURPOSE: The purpose of this bid is to seek the services of a qualified Vendor for the renovation of the first and second floor of the West Water Treatment Plant, including mechanical, electrical, plumbing, and minor structural work.

AWARD: Successful Vendor awarded shall ensure that proper and sufficient staff, equipment, organization, materials, references, and past performance, etc. will be provided for this contract to meet the specifications denoted herein at a paramount level.

The City further reserves the right to waive irregularities and technicalities and/or to request resubmission. There is no obligation on the part of the City to award the bid to the lowest bidder or any bidder. The City reserves the right to make the award to a responsible bidder submitting a responsive bid most advantageous and in the best interest of the City. The City shall be the sole judge of the bids and the City's decision shall be final.

INSURANCE: It shall be the responsibility of the successful bidder to maintain workers' compensation insurance, property damage, liability insurance, and vehicular liability insurance, during the time any of bidder's personnel are working on the City of Boynton Beach property. Vendors are required to secure Builder's Risk Insurance coverage equal to the total amount of the awarded solicitation. Proof of this coverage must be submitted prior to the commencement of any work and should be upheld throughout the duration of the project. The vendor shall furnish the City with a certificate of insurance after award has been made prior to the start of any work on City property. Said insured companies must be authorized to do business in the State of Florida and the City will not accept any company that has a rating less than B+ in accordance to A.M. Best's Key Rating Guide, latest edition.

PERFORMANCE WARRANTY: The bidder shall guarantee all work, equipment, and materials included in the services against any defects in workmanship; and shall satisfactorily correct, at no cost to the City, any such defect that may become apparent within a period of one year after completion of work. The warranty period shall commence upon the date of acceptance, inspection, and approval by the City Representative only. If the bidder is notified in writing of a deficiency in the work provided, within one year from completion of the work, the bidder shall, at the City's option, re-perform the work in question at no additional cost to the City, or refund the City the original charges for the work in question, including the difference in cost if any, to re-perform the work if completed by another vendor.

INVOICING AND PAYMENT: Payment for any and all invoice(s) that may arise as a result of a contract or purchase order issued pursuant to this ITB shall minimally meet the following conditions to be considered as a valid payment request. Timely submission of a properly certified invoice(s) in strict accordance with the price(s) and delivery elements as stipulated in the Contract document should be submitted to:

City of Boynton Beach
P.O. Box 310
Boynton Beach, FL 33425-0310
Email: Utilitiesfinance@bbfl.us; AP@bbfl.us

All invoices submitted shall consist of as follows:

- Clearly referenced the subject Contract or Purchase Order number;

- Provide sufficient salient description to identify the goods and services for which payment is requested;
- Contain date of delivery;
- Original or legible copy of a signed delivery receipt including both manual signature and printed name of the designated City employee or authorized agent; be clearly marked as “partial”, “complete”, or “final invoice.” The City will accept partial deliveries. The invoice shall contain the Bidder’s Federal Employer Identification Number.

The City’s terms of payment, unless otherwise stated in the Contract Documents are “Net 30 Days” after acceptance of goods or services and receipt of an acceptable invoice as described herein. Any other items of payment must have been previously approved by the City and appear on the Contract or Purchase Order document to be binding on the City. Should the City return an invoice for correction, the Vendor shall re-submit a corrected invoice to the City for processing.

- It will be the sole responsibility of the Vendor to properly dispose of all construction debris at an authorized landfill and all incurred costs shall be borne by the Vendor.

- All work areas must meet safety requirements for pedestrian and vehicular traffic and must be left in a clean and orderly manner. All grass areas and/or private property that are damaged while work area is under construction shall be restored as found by the Vendor prior to leaving the work areas after completion of work. It is recommended that the Vendor keep a before and after picture history, at no cost to the City, should any questions arise and be made available to the Project Manager if needed.

- All work must meet or exceed the State of Florida Department of Transportation Applicable Standards including the Florida Building Code and City of Boynton Beach Standards.

- The supervision of the execution of this Contract is vested wholly in the Project Manager or his representative, and the orders of the City Commission and/or Utilities Director are to be given through him. The instructions of the Project Manager or his representative are to be strictly and promptly followed in every case. The Vendor may designate a foreman or other representative to receive such instructions in his absence, and failing to do so, he will be held responsible for the execution of any instructions it may be necessary to give in his absence. The Project Manager or his representative is to have free access to the materials and the work at all times for laying out, measuring, inspecting, or oversight of the same, and the Vendor is to afford him all necessary facilities and assistance for so doing.

- To prevent all disputes and litigation, it is agreed by the parties hereto that the Utilities Director or City representative shall decide all questions, difficulties, and disputes of any nature which may arise relative to the interpretation of the specifications, construction, prosecution and fulfillment of the contract and task orders, and as to the character, quality, amount and value of any work done and materials furnished under or by reason of the Contract, and his estimates and decisions upon all claims, questions, and disputes shall be final and conclusive upon the parties hereto.

- Time is an essential element of the contract and as delay in the execution of work will inconvenience and possibly endanger the public, obstruct traffic, and interfere with business, it is important that once work commences at any site, it be carried through to completion without delays or suspension of operations unless deemed to be necessary by the Project Manager or Inspector.

- In the event any delays or suspension of operations occur, the City reserves the right to hire off-duty police, erect barricades, or take whatever actions are necessary to provide for the safety of the site. All costs involved in doing so shall be just claims against the Vendor or the Vendor’s Performance and Payment Bond. By submitting a bid, the Vendor agrees to the conditions as stated above.

PLANS AND SPECIFICATIONS: The specifications and all other documentation that make up and constitute the contract shall be followed in strict accordance as to work, material, and dimensions except when the Utilities Project Manager may authorize in writing an exception. Measurement discrepancies shall be decided upon by the Utilities Project Manager or his representative and the Vendor shall not proceed when in doubt as to any dimension or measurement.

PERFORMANCE OF WORK:

a. The Vendor will furnish a qualified Superintendent who will be present at all times while work is being performed, and shall be authorized to act for the Vendor. The Vendor shall maintain sufficient plant, equipment, labor on the job site to meet the requirements of the work.

b. Equipment shall be kept in a satisfactory operating condition and capable of safely and efficiently performing the work. All operations shall be subject to inspection by the Utilities Project Manager or his representative at all times.

   The Vendor shall submit for approval by the Utilities Project manager or his representative a description of the type of materials and equipment to be used; and to the method of procedure to be used in the performance of the work.

c. It is expressly understood that the Vendor is in all respects an independent Vendor for this work, notwithstanding that under certain conditions, he is bound to follow the directions of the Utilities Project Manager or his representative, and is in no respect and agent, servant or employee of the City.

d. Any performance or non-performance issues noted by the Project Manager or their representative(s) will be brought to the attention of the Vendor through the use of the Performance Evaluation Form, see Attachment 'A'. The Project Manager or their representative(s) will conduct annual performance evaluations based on areas serviced under this contract/agreement.

RESTORATION OF PROPERTY: Property, public or private, if damaged during construction or removed for the convenience of the work shall be repaired or replaced at the expense of the Vendor in a manner acceptable to the Utilities Project Manager, prior to the final acceptance of the work. Such facilities shall include but are not limited to: signalization equipment and miscellaneous hardware removed from the construction site, driveways, walkways, walls, fences, mailboxes, sod, landscaping, irrigation systems, footings, or underground utilities.

DELAYS:

a. If the Vendor should be delayed in the progress of the work included in the Contract by unforeseeable causes beyond his control, the time for completion of the work may be extended by the Utilities Project Manager or his representative. Requests for extensions of time must be submitted in writing to the Utilities Project Manager or his representative within seven (7) days from the Vendor's knowledge of a delay. Vendor shall not receive any compensation for additional time required to complete the work as a result of any delay.

b. The Vendor shall assume all risks resulting from delays except that should the City, by act or omission, intentionally and without reason, cause delays which result in actual loss to the Vendor. Reimbursement thereof may be adjusted and allowed by the City only after being notified in writing by the Vendor at the time of the delay and after being given an opportunity to verify such money losses as they occur. No payment or adjustment will be allowed to the Vendor as reimbursement for any other delays whatsoever; regardless of by what or by whom caused, even though by other Vendors on the same work, or by times, seasons, or weather; other than amounts provided in the Contract for payment which shall be understood to include and cover all risks due to delays except as stated in the foregoing.

c. If the Vendor fails to start the work within the time specified, and if the City should nevertheless permit the Vendor to continue and complete the same without official extension of time in writing, such permission shall not modify nor waive any liability of the Vendor for damages arising from non-completion of work within the time limit, but all such liabilities shall be subject to continuation in full force against the Vendor.

d. Liability of the Vendor will include any claim by any person for bodily or property damage after the Notice to Proceed was given for the requested work.

MATERIALS:

a. The Vendor shall provide the services of all workmen, mechanics, tradesmen, and other employees trained and skilled in their various occupations and all materials and equipment. The request for work to be performed will require the Vendor to supply all labor, equipment, materials and work incidental to, or described or implied as incidental to, the construction included under this Contract, notwithstanding any omission in the drawings or specifications.

b. Wherever not explicitly described, materials and workmanship of every kind shall be in keeping with industry standards. The Vendor shall perform his work in proper sequence to the work or other Vendors and to acts or operations of the City, and shall properly join his work to existing or new construction.

c. All materials and every process and operation of manufacture, construction and erection shall be subject to inspection at all times, and the Utilities Project Manager or his representatives and their representatives shall have free access to all parts of the work of construction and erection. The Vendor shall remove, reconstruct, replace, and make good, as may be directed, without charge, any defective work. Oversight or error or judgment of inspectors, or previous acceptance, shall not relieve the Vendor from the obligation to make good defects whenever discovered.

FINAL CLEAN-UP:

Upon completion of the work specified herein, and before acceptance of any part thereof, and any payment made to include final payment, the Vendor shall remove from the site completed, all machinery, equipment surplus, and discarded materials and temporary structures. The disposal of all materials, rubbish, and construction debris shall be made at a legal disposal site or by other manner if prior approval is granted by the Project Manager. Materials cleared from the site and deposited on the adjacent or nearby property will not be considered as having been disposed of properly.

U.S. PRODUCED IRON AND STEEL:

Work must comply with the requirements of Section 255.0993, Florida Statutes, which requires any iron or steel product permanently incorporated in the project must be produced in the United States.

ARTICLE 1 – DEFINITIONS

Whenever used in the Contract Documents the following terms have the meanings indicated which are applicable to both the singular and plural thereof:

1.1 **Acceptance:** Written Acknowledgement by the CITY's Project Manager that the Work is fully complete in accordance with the Contract Documents.

1.2 **Addenda:** Written or graphic instruments issued prior to the opening of Bids which clarify, correct, or change the Bidding requirements of the Contract.

1.3 **Application for Payment:** The form accepted by the CONSULTANT which is to be used by CONTRACTOR to request progress payment and which is to be accompanied by such supporting documentation as is required by the Contract Documents.

1.4 **Award Letter:** The official written notice by the CITY to the apparent successful Bidder stating that upon compliance by the apparent successful bidder with the conditions precedent enumerated with the award letter, within the time specified, the CITY may enter into a Contract.

1.5 **Bid:** The offer of the BIDDER submitted on the prescribed form setting forth the prices of the Work.

1.6 **Bidder:** Any person, firm or corporation submitting a Bid for the Work directly to the CITY.

1.7 **Bid Documents:** Includes the Invitation to Bid, Instructions to Bidders, Bid Form, and proposed Contract Documents (including all Addenda issued prior to receipt of Bids).

1.8 **Bonds:** Bid, performance and payment bonds and other instruments of security, furnished by the CONTRACTOR and their surety in accordance with the Contract Documents and in accordance with the law of the State of Florida.

1.9 **Change Order:** A written order to the CONTRACTOR executed by the CITY, CONSULTANT, and CONTRACTOR authorizing an addition, deletion or revision in the Work, or an adjustment in the Contract Price or the Contract Time that may be as a result of an emergency or unforeseen physical conditions which occur after execution of the Contract. Such change order shall be in accordance with para 9.4 "Clarifications and Interpretations" or orders minor changes in the Work in accordance with para. 10.1 "Authorized Changes in the Work".

1.10 **CITY:** The City of Boynton Beach, Florida, a municipal corporation, its authorized and legal representatives, the public entity with whom the CONTRACTOR has entered into the agreement and for whom the Work is to be provided. The term **CITY** will be used interchangeably with the term **OWNER.**

1.11 **CITY's Representative:** The person or persons designated by the CITY's Project Manager. The CITY's Project Manager may include the CONSULTANT.

1.12 **Consultant:** The person, firm or corporation named as such in the Contract Documents that acts as the CITY's authorized agent within the scope of work entrusted to them at the CITY.

1.13 **Consultant's Representative:** An authorized representative of the CONSULTANT assigned to observe the Work performed and materials furnished by the CONTRACTOR.

1.14 **Contract:** The written agreement between CITY and CONTRACTOR covering the Work to be performed. The term **Contract** will be used interchangeably with the term **Agreement.**

1.15 **Conformed Contract Documents:** Contract Documents which consolidate all bidding documents including all addenda which are incorporated by and signed and sealed by the CONSULTANT. The Conformed Contract Documents shall be used by the CONTRACTOR to create the Record Drawings for the Project.

1.16 **Contract Documents:** The Contract Documents establishing the rights and obligations of the parties and include the Contract, Contract/Bid, Addenda, CONTRACTOR's Bid (including documentation accompanying the Bid and any post Bid documentation submitted prior to the notice of award, when attached as an exhibit to the Contract, the Notice to Proceed, the Bonds, these General Conditions, the Supplementary Conditions, Special Conditions, and the Drawings as the same are more specifically identified in the Contract, together shall all Written Amendments, Change Orders, Field Change Orders (change orders as a result of Field changes), and CONSULTANT's written interpretations and clarifications issued on or after the Effective Date of the Contract. Approved Shop Drawings and the reports and drawings of subsurface and physical conditions are not Contract Documents. Only printed or hard copies of the items listed in this paragraph are Contract Documents. Files in electronic media format or text, data, graphics, and the like that may be furnished by CITY to CONTRACTOR are not Contract Documents.

1.17 **Contract Price:** The total monies payable by the CITY to the CONTRACTOR under the terms and conditions of the Contract Document.

1.18 **Contract Time:** The number or numbers of successive days or dates stated in the Contract Documents for the completion of the Work.

1.19 **CONTRACTOR:** The individual, partnership, corporation, joint venture, or other legal entity with whom the CITY has entered into the Contract to perform work to complete the project that is the subject of the Bid.

1.20 **DAY:** A calendar day of 24 hours measured from midnight to the next midnight.

1.21 **Defective Work:** Work that is unsatisfactory, faulty, or deficient, or that does not conform to the Contract Documents, or does not meet the requirements of any inspection, reference standard, test or approval referred to in the Contract Documents; or Work that has been damaged prior to the CONSULTANT's recommendation of final payment.

16.1 **Drawings:** The drawings, plans, maps, profiles, diagrams, and other graphic representations which show character, location, nature, extent and scope of the Work, which have been prepared or approved by CONSULTANT and are included and/or referred to in the Contract Documents. Shop Drawings are not Drawings as defined in this paragraph.

1.22 **Effective Date of the Contract:** The date indicated in the Contract, but if no such date is indicated, it means the last date on which the Contract is signed by the last of all parties to execute the Contract.

1.23 **Field Order:** A written order issued by the CITY's Project Manager or the CONSULTANT which clarifies or interprets the Contract Documents. The Field Order shall not impact Contract Price or Contract Time.

1.24 **General Requirements:** See General Conditions and Section 1 of the Technical Specifications as Special Conditions.

1.25 **Laws and Regulations; Laws or Regulations:** Laws, rules, codes, regulations, ordinances and/or orders promulgated by a lawfully constituted body authorized to issue such Laws and Regulations, either federal, state or local.

1.26 **Local Public Agency:** Any public entity which has regulatory jurisdiction over any part of the Work during the construction project.

1.27 **Notice to Proceed:** The written notice issued by the CITY, or its agents, to the CONTRACTOR authorizing the CONTRACTOR to proceed with the Work and establishing the date of commencement of the Contract Time, and the date the Contract Work to be completed.

1.28 **Partial Utilization:** Placing a portion of the Work in service for the purpose for which it is intended (or a related purpose) before reaching Substantial Completion for all the Work.

1.29 **Project:** The total construction of which the Work to be provided under the Contract Documents.

1.30 **Resident Project Representative:** The authorized representative of the CONSULTANT who is assigned to the Site or any part thereof.

1.31 **Responsible Bidder, Offeror, Quoter, or Respondent:** An individual or business that has submitted a bid, offer, proposal, quotation, or response, which has the capability in all respects to perform fully the Contract requirements, and the integrity and reliability which will give reasonable assurance of good faith and performance.

1.32 **Responsive Bidder, Offeror, Quoter, or Respondent, Vendor, Contractor:** an individual, or business that has submitted a bid, offer, proposal, quotation, or response, which conforms in all material respects to the solicitation, including but not limited to compliance with any W/MBE requirements contained within the solicitation.

1.33 **Shop Drawings:** All drawings, diagrams, illustrations, brochures, schedules and other data which are prepared by or for the CONTRACTOR, a Subcontractor, manufacturer, supplier or distributor and which illustrate the equipment, material or some portion of the Work and as required by the Contract Documents. Shop Drawings are not part of the Contract Documents and failure of the CONSULTANT or the CITY or any of its representatives to take exception to any product, material, system or installation depicted on Shop Drawings that are not in conformance with the requirements of the Contract Documents shall not constitute a Field Order or Change Order or any other modification of the Contract Documents, and shall not relieve the CONTRACTOR from complying with any portion of the Contract Documents.

1.34 **Special Conditions:** When included as part of the Contract Documents, Special Conditions refer only to the Work under this Contract. Special Conditions take precedence over the General Conditions.

1.35 **Specifications:** Those portions of the Contract Documents consisting of written technical descriptions of materials, equipment, construction systems, standards or workmanship as applied to the Work and certain administrative details applicable thereto.

1.36 **Sub-Bidder:** One who submits a Bid to a Bidder.

1.37 **Sub-Contractor:** An individual, firm, or corporation having a direct contract with the CONTRACTOR or with any other Sub-Contractor for the performance of a part of the Work at the Site.

1.38 **Substantial Completion:** For purposes of this Contract, and for compliance of those procedures, duties and obligations as set forth in Florida Statutes § 218.70 and § 218.735, the term Substantial Completion shall be as follows, in lieu of any other definition:

a. "Substantial Completion" is defined as the point where the CITY is able to enjoy beneficial occupancy of the WORK and where the Work has achieved that level of completion such that the CITY is able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use; with the exception of incidental or incomplete items where a lack of completion of such incidental or incomplete items of Work shall adversely affect the complete operation of other areas of the Work.
b. Additional conditions (if any) needed to achieve Substantial Completion of the Work and which are project specific as set forth in attached Special Conditions.
c. When the entire Project is considered to be Substantially Complete, this does not constitute Final Acceptance or Final Completion of the entire Project.

1.39 **Successful Bidder:** The lowest, qualified, responsible and responsive Bidder to whom the CITY (on the basis of the CITY's evaluation as hereinafter provided) makes an award.

1.40 **Supplementary General Conditions:** The part of the Contract Documents which amends or supplements these General Conditions.

1.41 **Supplier:** A manufacturer, fabricator, supplier, distributor, material man, or vendor.

1.42 **Surety:** The corporate body which is bound with the CONTRACTOR and which engages to be responsible for the CONTRACTOR and their acceptable performance of the Work.

1.43 **Unbalanced Bids:**

a. Mathematically Unbalanced Bid: a bid containing lump sum or unit bid items which do not reflect reasonable actual costs plus a reasonable proportionate share of the bidder's anticipated profit, overhead costs, and other indirect costs.
b. Materially Unbalanced Bid: a bid which generates a reasonable doubt that award to the Bidder submitting a mathematically unbalanced

bid will result in the lowest ultimate cost to the CITY; or which is so mathematically unbalanced as to result in an advanced payment.

1.44 **Unit Price Work:** Work to be paid for on the basis of unit prices.

1.45 **Utilities:** All pipelines, conduits, ducts, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or attachments, and any encasements containing such facilities which have been installed underground or above ground to furnish any of the following services or materials: electricity, gases, steam, liquid petroleum, telephone, or other communications, cable television, water supply or distribution, sewage and drainage removal, traffic or other control systems.

1.46 **Work:** Any and all obligations, duties, and responsibilities necessary to the successful completion of the Project assigned to or undertaken by the successful Bidder/ CONTRACTOR under the Contract Documents, including all labor, materials, equipment, and other incidentals, and the furnished thereof.

1.47 **Written Amendment:** A written amendment of the Contract Documents, signed by the CITY and CONTRACTOR on or after the Effective Date of the Contract.

ARTICLE 2 – PRELIMINARY MATTERS

2.1 DELIVERY OF BONDS AND INSURANCE CERTIFICATES:

2.1.1 The CONTRACTOR shall deliver to the CITY such Bonds and Insurance Policies, Certificates or other documents as the CONTRACTOR may be required to furnish in accordance with the Contract Documents. The aforementioned documents must be submitted to the CITY prior to any work being performed.

2.2 COPIES OF DOCUMENTS:

2.2.1 The CITY shall furnish to CONTRACTOR ONE (1) copy (unless additional copies exist) of the Conformed Contract Documents for the execution of the Work. CONTRACTOR shall be responsible for procuring additional copies from the CONSULTANT.

2.3 NOTICE TO PROCEED:

2.3.1 The Contract Times shall commence to run on the date stated in the Notice to Proceed.

2.4 COMMENCEMENT THE WORK:

2.4.1 CONTRACTOR shall begin to perform the Work on the commencement date stated in the Notice to Proceed, but no Work shall be done at the Site prior to such commencement date.

2.4.2 CONTRACTOR's Review of the Contract Documents: Before undertaking each part of the Work, CONTRACTOR shall carefully study and compare the Contract Documents and check and verify pertinent figures shown thereon and all applicable field measurements. CONTRACTOR shall promptly report in writing to CONSULTANT any conflict, error, ambiguity or discrepancy which CONTRACTOR may discover and shall obtain a written interpretation or clarification from CONSULTANT before proceeding with any Work affected thereby.

2.5 PRE-CONSTRUCTION MEETING:

2.5.1 The CONTRACTOR is required to attend a preconstruction meeting within ten (10) days after the effective date of the Contract, but before any Work at the Site is started (unless otherwise specified in the Special Conditions). This meeting shall be attended by the CITY, CONSULTANT and others as appropriate in order to discuss the Work.

2.5.2 The CONTRACTOR's initial schedule for shop drawings submittals, obtaining permits and Plan of Operation and Critical Path Method (CPM) Schedule shall be reviewed and finalized. As a minimum, the CONTRACTOR's representatives should include its project manager and schedule expert. If the submittals are not finalized at the end of the meeting, additional meetings shall be held so that the submittals can be finalized prior to the submittal of the first Application for Payment. No Application for Payment shall be processed prior to receiving acceptable initial submittals from the CONTRACTOR.

2.5.3 CITY shall schedule pre-construction meeting.

2.5.3.1 Attendance Required: CITY's Project Manager, CONSULTANT, and CONTRACTOR/CM Project Manager and Superintendent.

2.5.3.2 Agenda: Distribution of Conformed Contract Documents, Confirmation based on prior submission (during Bid process) of the list of Subcontractors, list of Products, Project Safety Plan, Schedule of Values and Progress Schedule.

2.5.3.3 Designation of personnel representing the parties in Contract and the CONSULTANT.

2.5.3.4 Procedures and processing of field decisions, submittals, substitutions, applications for payments, proposal requests, Change Orders, and Contract close-out procedures.

2.5.3.5 Issuance of Notice to Proceed.

2.5.3.6 Copies of the Application for Payment, Change Order, Submittal Requirements/Record, Request for Information (RFI), Shutdown Request, Boynton Beach Department of Engineering Right-of-Way Permit Procedure and Project Sign format will be distributed.

2.6 SITE MOBILIZATION MEETING:

2.6.1 CITY will schedule a meeting at the Project Site prior to CONTRACTOR occupancy.

2.6.2 Attendance Required: CITY, CONSULTANT, Special Consultants, and CONTRACTOR, CONTRACTOR's superintendent, and major Sub-Contractors.

2.6.3 Agenda:

2.6.3.1 Use of premises by CITY and CONTRACTOR.

2.6.2.1 CITY's requirements and partial occupancy.

2.6.2.2 Construction facilities and controls provided by CITY.

2.6.2.3 Temporary utilities provided by the CITY.

2.6.2.4 Survey and building layout
2.6.2.5 Security and housekeeping procedures.
2.6.2.6 Schedules
2.6.2.7 Application for Payment Procedures
2.6.2.8 Procedures for testing
2.6.2.9 Procedures for maintaining record documents.
2.6.2.10 Requirements for start-up of equipment.
2.6.2.11 Inspection and acceptance of equipment put into service during construction period.
2.6.2.12 CONSULTANT shall record minutes and distribute copies within two (2) days after meeting to participants, with copies to all, participants including CONTRACTOR, and those affected by decisions made.

2.7 PROGRESS MEETINGS

2.7.1 Schedule and administer meetings throughout progress of the Work at maximum monthly intervals. Make arrangements for meetings, prepare agenda with copies for participants, and preside at meetings.

2.7.2 Attendance Required: Job superintendent, major Sub-Contractors and suppliers, CITY, CONSULTANT, as appropriate to agenda topics for each meeting.

2.7.3 Agenda:
2.7.3.1 Review minutes of previous meetings.
2.7.3.2 Review of work progress.
2.7.3.3 Field observations, problems and decisions.
2.7.3.4 Identification of problems that impeded planned progress.
2.7.3.5 Review of submittal, schedule and status of submittals.
2.7.3.6 Review of off-site fabrication and delivery schedules.
2.7.3.7 Maintenance of progress schedule.
2.7.3.8 Corrective measures to regain projected schedules.
2.7.3.9 Planned progress during succeeding work period.
2.7.3.10 Coordination of projected progress.
2.7.3.11 Maintenance and quality of work standards.
2.7.3.12 Effect of proposed changes on progress schedule and coordination.
2.7.3.13 Other business related to work.
2.7.3.14 Record minutes and distribute copies within two (2) days after meeting to participants, with copies to CONSULTANT, CITY, and those affected by decisions made.

2.8 PRE-INSTALLATION MEETING:

2.8.1 When required in individual specification section, convene a pre-installation meeting at the site prior to commencing work on the section.

2.8.2 Require attendance of parties directly affecting, or affected by, work of the specific section.

2.8.3 Notify CITY and CONSULTANT five (5) working days in advance of meeting date.

2.8.4 Prepare agenda and preside at meeting.

2.8.5 Review conditions of installation, preparation and installation procedures.

2.8.6 Review coordination with related work.

2.8.7 Record minutes and distribute copies within three (3) days after meeting to participants with copies to CONSULTANT, CITY and those affected by decisions made.

2.9 FINALIZING SCHEDULES:

2.9.1 Within ten (10) days of receiving the Notice to Proceed, the CONTRACTOR shall submit the final schedule approved by the CITY and CONSULTANT. The finalized progress schedule shall be acceptable to the CITY as providing an orderly progression of the Work to completion within the Contract Time. Such acceptance shall neither impose on the CITY's responsibility for the progress or scheduling of the Work nor relieve CONTRACTOR from full responsibility thereof. The finalized schedule of Shop Drawing submissions shall be acceptable to the CITY as providing a workable arrangement for processing the submissions. The finalized Schedule of Values shall be acceptable to the CITY as to form and substance.

2.10 SUBMITTAL PROCEDURES:

2.10.1 SCOPE OF WORK: Administrative and procedural requirements for processing of submittals during construction process. Submittals may include the following:
a) Proposed Products Lists
b) Proposed Vendor List
c) Product Data
d) Shop Drawings
e) Samples
f) Design Data
g) Field Test Reporting
h) Quality Control Reporting
i) Certificates
j) Manufacturer's Installation, Handing and Storage Instructions

k) Manufacturer's Field Reports
l) Erection Drawings
m) Close-out Documents
n) Warranties
o) Scheduling of Work
p) Construction Progress Schedule
q) Submittals Schedule
r) Survey and Layout Data
s) Construction Progress Reporting
t) Periodic Work Observation
u) Photographic Documentation
v) Purchase Order Tracking
w) Operation and Maintenance Documentation

2.10.2 RELATED SECTIONS:

A. Payment Procedures
B. Project Coordination
C. References
D. Quality Control
E. Product Storage and Handling Requirements
F. Close-out Submittals

2.10.2.1 SEE 2.10.2 RELATED SECTIONS AND SUBMITTAL SECTIONS 2.10.1 FOR INDIVIDUAL SUBMITTAL PROCEDURES.

2.10.3 SUBMITTAL PROCEDURES - GENERAL

2.10.3.1 Submittal Procedures shall be in conformance with General Conditions of the Contract and as amended by the CITY.
2.10.3.2 Transmit each submittal with CITY's Standard Transmittal Form.
2.10.3.3 Sequentially number each transmittal form. Revise submittals with original number and a sequential alphabetic suffix.
2.10.3.4 Identify project, CONTRACTOR, Sub-Contractor or supplier pertinent drawing and detail number, and specification section number, as appropriate.
2.10.3.5 Apply CONTRACTOR's stamp, signed or initialed certifying that review, approval, verification of products required, field dimensions, adjacent construction work, and coordination of information are in accord with requirements of the Work and Contract Documents.
2.10.3.6 Schedule submittals to expedite the Project, and delivery to CONSULTANT and CITY at business address. Coordinate submission of related items.
2.10.3.7 For each submittal for review, allow fifteen (15) days including delivery time to and from the CONTRACTOR.
2.10.3.8 Identify variations from Contract Documents and product or system limitations, which may be detrimental to successful performance of the completed Work.
2.10.3.9 Provide space for CONTRACTOR and CONSULTANT review stamps.
2.10.3.10 When revised for resubmission, identify all changes made since previous submission.
2.10.3.11 Distribute copies of reviewed submittals as appropriate. Instruct parties to promptly report any inability to comply with requirements.
2.10.3.12 Submittals not requested will not be recognized or processed.

2.10.4 PRODUCT DATA

2.10.4.1 Product Data for Review:
2.10.4.1.1 Submit to CONSULTANT for review for purpose of checking for conformance with information given and design concept expressed in Contract Documents.

2.10.4.1.2 After review, provide copies and distribute per Submittal Procedures article above and for Record Documents purposes described in the Special Conditions 01740 "Project Documentation and Closeout."

2.10.4.2 Product Data for Project Information:
2.10.4.2.1 Submittal for CONSULTANT's knowledge as contract administrator for CITY.

2.10.4.3 Product Data for Project Close-out:
2.10.4.3.1 Submit for CITY's benefit during and after the project completion.

2.10.4.4 Submit required number of copies as per CONTRACTOR/CM, plus two (2) copies for CONSULTANT.

2.10.4.5 Mark each copy to identify applicable products, models, options and other data.

2.10.4.6 Supplement manufacturers' standard data to provide information unique to project.

2.10.4.7 Indicate product utility and electrical characteristics, utility connection requirements, and location of utility outlets for service for functional equipment and appliances.

2.10.4.8 After review, distribute in accord with Submittal Procedures article above and provide copies for Record Documents described in the

Special Conditions 01740 "Project Documentation and Closeout."

2.10.5 CONSTRUCTION SUBMITTALS

2.10.5.1 Submit one (1) copy of Building Permit, Site Permits, Environmental Permits, or other permits required for construction of work.

2.10.5.2 Submit Payment Applications to CONSULTANT for review for purpose of checking conformance with information given and design concept expressed in Contract Documents.

2.10.5.3 Certificates:
- 2.10.5.3.1 When specified, submit certification by manufacturer, installation/application Sub-Contractor, or CONTRACTOR to CONSULTANT, in quantities specified for Product Data.
- 2.10.5.3.2 Indicate material or Product conforms to or exceeding specified requirements.
- 2.10.5.3.3 Submit supporting reference date, affidavits, and certifications as appropriate.
- 2.10.5.3.4 Certificates may be recent or previous test results on material or Product, but must be acceptable to CONSULTANT.

2.10.5.4 Manufacturer's Instructions:
- 2.10.5.4.1 When specified, submit printed instructions for delivery, storage, assembly, installation, start-up, adjusting, and finishing, to CONSULTANT for delivery to CITY in quantities specified for Product Data.
- 2.10.5.4.2 Indicate special procedures, perimeter conditions requiring special attention, and special environmental criteria required for application or installation.
- 2.10.5.4.3 Refer to Quality Control and Warranty sections for quality assurance requirements.

2.10.5.5 Manufacturer's Field Reports:
- 2.10.5.5.1 Submit reports to CONSULTANT and CITY's Project Manager.
- 2.10.5.5.2 Submit report within ten (10) days of observation to CONSULTANT.
- 2.10.5.5.3 Submit for information for purpose of assessing conformance with information given and design concept expressed in Documents.

2.10.5.6 Erection Drawings:
- 2.10.5.6.1 Submit drawings to CONSULTANT and CITY's Project Manager.
- 2.10.5.6.2 Submit for information for purpose of assessing conformance with information given and design concept expressed in Documents.
- 2.10.5.6.3 Data indicating inappropriate or unacceptable work is subject to rejection by CONSULTANT or CITY.

ARTICLE 3 – USE OF CONTRACT DOCUMENTS

3.1 INTENT:

3.1.1 The Contract Documents comprise the entire agreement between the CITY and CONTRACTOR concerning the Work. The Contract Documents are complementary: what is called for by one is as binding as if called for by all. The Contract Documents shall be construed in accordance with the laws of the State of Florida with venue in Palm Beach County, Florida.

3.1.2 It is the intent of the Contract Documents to describe the Work, functionally complete, to be constructed in accordance with the Contract Documents. Any labor, documentation, services, materials, or equipment that may reasonably be inferred from the Contract Documents or from prevailing custom or trade usage as being required to produce the intended result shall be provided whether or not specifically called for.

3.2 REFERENCE TO STANDARDS:

3.2.1 Reference to standard specifications, manuals or codes of any technical society, organization, or association, or to the Laws or Regulations of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code or Laws or Regulations in effect at the time of opening of Bids, except as may be otherwise specifically stated. However, no provision of any referenced standard specification, manual or code (whether or not specifically incorporated by reference in the Contract Documents) shall be effective to change the duties or responsibilities of the CITY, CONTRACTOR or CONSULTANT or any of their agents or employees from those set forth in the Contract Documents, nor shall it be effective to assign to CITY, CONSULTANT, or CONSULTANT's agents or employees, any duty or authority to supervise or direct the furnishing or performance of the Work or any duty or authority to undertake responsibility contrary to the provisions of the Contract Documents.

3.3 REVIEW OF CONTRACT DOCUMENTS:

3.3.1 The Contract Documents which comprise the Contract between the CITY and the CONTRACTOR are attached hereto and made part hereof and consist of the following:
- 3.3.1.1 The Purchase Order
- 3.3.1.2 Contractor's Bid and Bid Bonds
- 3.3.1.3 Bid Documents consisting of:
- 3.3.1.4 Invitation to Bid and Instructions to Bidders
- 3.3.1.5 General Conditions
- 3.3.1.6 Supplemental Conditions
- 3.3.1.7 Technical Specifications
- 3.3.1.8 All Plans
- 3.3.1.9 All Addenda
- 3.3.1.10 Recorded Public Construction Performance and Payment Bond in a form supplied by the CITY, which shall be provided to the CITY by the CONTRACTOR, along with the return of an executed Purchase Order. The CONTRACTOR shall be responsible for recording the Public Construction Bond.

3.3.1.11 Insurance Certificates shall be provided by the CONTRACTOR, along with the return of an executed copy of the Contract.
3.3.1.12 Any modifications, including change orders, duly delivered after execution of this Contract.
3.3.1.13 Executed Notice to Proceed

3.3.2 Except for duly authorized and executed Modifications including but not limited to change orders and contract amendments, any conflict between the terms and conditions of this Contact and the terms and conditions of any of the other Contract Documents shall be interpreted in favor of this Contract.

3.3.3 If, during the performance of the Work, CONTRACTOR finds a conflict, error, or discrepancy in the Contract Documents, the CONTRACTOR shall so notify the CONSULTANT, in writing, at once and before proceeding with the Work affected thereby, and shall obtain written interpretation or clarification except in an emergency as authorized in paragraph 6.13

3.4 ORDER OF PRECEDENCE OF CONTRACT DOCUMENTS:

3.4.1 In resolving conflicts resulting from errors or discrepancies in any of the Contract Documents, the order of precedence shall be as follows:
1. Change Order
2. Construction Contract or Purchase Order.
3. Addenda, with later date having greater priority.
4. Bid Form
5. Special Conditions
6. Supplemental General Conditions
7. Invitation to Bid
8. Instructions to Bidders
9. General Conditions
10. Technical Specifications
11. Contract Drawings

The captions or subtitles of the several articles and divisions of these Contract Documents constitute no part of the context and hereof, but are only labels to assist in locating and reading the provisions hereof.
However, In the event of inconsistent or conflicting provisions of the Purchase Order or Contract and referenced documents, the following descending order of precedence shall prevail:
1. Specifications
2. Drawings
3. Special/Supplemental Conditions
4. General Conditions
5. Item Description.

3.4.2 With reference to Drawings, the order of precedence is as follows:
1. Figures govern over scaled dimensions.
2. Detail drawings govern over general drawings.
3. Addenda/Change Order drawings govern over any other drawings.
4. Drawings govern over standard drawings.

3.4.3 Except as otherwise specifically stated in the Contract Documents or as may be provided by amendment or supplement thereto issued by one of the methods indicated in paragraph 3.5 (Amending of Contract Documents), the provisions of the Contract Documents shall take precedence in resolving any conflict, error, ambiguity or discrepancy between the provisions of the Contract Documents and:
1. the provisions of any such standard, specifications, manual, code or instruction (whether or not specifically incorporated by reference in the Contract Documents); or
2. The provisions of any such Law or Regulations applicable to the performance of the Work (unless such an interpretation of the provisions of the Contract Documents would result in violation of such Law or Regulation).
