Agenda Staff Report # 2.1
Meeting Date: December 1, 2022

SUBJECT: Fiscal Year 2022-2023 First Quarter Financial Report

SUBMITTED BY: Robert Howell

PREPARED BY: Robert Howell, Administrative Service Director

ACTION:
Receive and File the Fiscal Year 2022-2023 First Quarter Financial Report

DISCUSSION:

In accordance with the reporting requirements of Measure Z, staff is pleased to present the First Quarter FY 2022-23 Financial Report (July 1, 2022 through September 30, 2022). This is also a preliminary report for the fund balance as the independent auditors are engaged in the annual auditing process for that fiscal year with anticipation of a final report for FY 2021-22 during the month of January 2023, which will be presented to the Committee during the February 2023 meeting.

The majority of the fund's annual budgeted revenues of $438,300 come from the tax assessment of $28.00 per parcel, which are budgeted at $400,600. Most of the assessment payments are received in two installments during the fiscal year (January and May). As such, the City did not receive any tax assessment revenues during this first quarter reporting period. The City has received $2,970 in Special Event Revenues and $3,384 in Park Rentals during the reporting period.

The expenditures for the first quarter were $118,318, or 24.45% of the $483,200 FY 2022-23 budget. Most of the expenditures were for on-going maintenance and utilities of the City parks.
