X.K Drug-Free Workplace Certification Site Information*

The Firm may insert in the space provided below the site(s) for the performance of work done in connection with the specific contract:

Place of performance (street address, city, county, state, zip code)

If there are workplaces on file that are not identified here, please type "On File".

*Response required

X.L References *

Upload as one (1) PDF file, a minimum of five (5) years' experience. Bidders must provide at least three (3) current customers and two (2) previous, within the past five (5) years.

If applicable, please list the examples of services rendered in the State of Florida, particularly within municipalities. This list must include complete and current addresses, contact person(s), e-mail addresses, telephone and fax numbers, and length of contract. These references may be contacted during the evaluation process.

*Response required

X.M City Required Forms - Notarized, non-notarized, and signed addendums. *

Upload as one (1) PDF document the COMPLETED City forms: Notarized, non-notarized, and signed addendums.

*Response required

X.N Submittal *

Upload as one (1) PDF document a complete copy of the submittal, including cover page.

Include a price proposal with the submitted price spelled out in letters and signed.

Important note: The uploaded price proposal must be the same price submitted in Section VI of this solicitation. There shall be no hidden costs associated with this project. Full disclosure of nature and amount of all fees and charges is mandatory.

Documents must be signed by an authorized Officer within your organization.

*Response required

X.O Access to Records and Reports*

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Owner, the Federal Aviation Administration and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor agrees to maintain all books, records and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

☐ Please confirm
*Response required

X.P Breach of Contract Terms*

Any violation or breach of terms of this contract on the part of the Contractor or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

Owner will provide Contractor written notice that describes the nature of the breach and corrective actions the Contractor must undertake in order to avoid termination of the contract. Owner reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the Owner elects to terminate the contract. The Owner's notice will identify a specific date by which the Contractor must correct the breach. Owner may proceed with termination of the contract if the Contractor fails to correct the breach by the deadline indicated in the Owner's notice.

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights, and remedies otherwise imposed or available by law.

☐ Please confirm
*Response required

X.Q Construction Safety and Phasing Plan - Safety Plan Compliance Certification*

Certification Statement:

I certify that I have read the Construction Safety and Phasing Plan (CSPP) and the Construction Safety and Phasing Details, pages G003 thru G011 of the Contract Drawings, respectively, as well as Attachment "A" to Section 80 of the Contract Documents, and if awarded this Contract, I will abide by its requirements as written.

☐ Please confirm
*Response required

X.R Affirmative Action Requirement

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Timetables

Goals for minority participation for each trade: **10.0%**

Goals for female participation in each trade: **6.9%**

These goals are applicable to all of the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and nonfederally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of $10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is The State of Florida, Volusia County, City of New Smyrna Beach.

X.R.1 CERTIFICATION OF BIDDER: The undersigned bidder will satisfy the DBE requirements of these specifications in the following manner (please check the appropriate space):*

☐ The bidder is committed to meeting or exceeding the DBE utilization goal stated above on this contract.

☐ The bidder, if unable to meet the DBE utilization goal stated above, is committed to a minimum of ____ % DBE utilization on this contract, and will submit documentation demonstrating good faith efforts. If this option is selected, see next question for insertion of DBE commitment.

*Response required

X.R.2 The bidder, if unable to meet the DBE utilization goal stated above, is committed to a minimum of ____ % DBE utilization on this contract, and will submit documentation demonstrating good faith efforts.

X.S Buy America Preference

FAA BUY AMERICAN PREFERENCE

The Contractor certifies that its bid/offer is in compliance with 49 USC § 50101, BABA and other related Made in America Laws,[1] U.S. statutes, guidance, and FAA policies, which provide that Federal funds may not be obligated unless all iron, steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder or offeror must complete and submit the certification of compliance with FAA's Buy American Preference, BABA and Made in America laws included herein with their bid or offer. The Airport Sponsor/Owner will reject as nonresponsive any bid or offer that does not include a completed certification of compliance with FAA's Buy American Preference and BABA.

The bidder or offeror certifies that all constructions materials, defined to mean an article, material, or supply other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of: non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber; or drywall used in the project are manufactured in the U.S.

[1] Per Executive Order 14005 "Made in America Laws" means all statutes, regulations, rules, and Executive Orders relating to federal financial assistance awards or federal procurement, including those that refer to "Buy America" or "Buy American," that require, or provide a preference for, the purchase or acquisition of goods, products, or materials produced in the United States, including iron, steel, and manufactured products offered in the United States.

Required Documentation (if applicable)

Type 2 Waiver (Nonavailability) - The iron, steel, manufactured goods or construction materials or manufactured goods are not available in sufficient quantity or quality in the United States. The required documentation for the Nonavailability waiver is

a) Completed Content Percentage Worksheet and Final Assembly Questionnaire

b) Record of thorough market research, consideration where appropriate of qualifying alternate items, products, or materials including;

c) A description of the market research activities and methods used to identify domestically manufactured items capable of satisfying the requirement, including the timing of the research and conclusions reached on the availability of sources.

Type 3 Waiver – The cost of components and subcomponents produced in the United States is more than 60 percent of the cost of all components and subcomponents of the "facility/project." The required documentation for a Type 3 waiver is:

a) Completed Content Percentage Worksheet and Final Assembly Questionnaire including;

b) Listing of all manufactured products that are not comprised of 100 percent U.S. domestic content (excludes products listed on the FAA Nationwide Buy American Waivers Issued listing and products excluded by Federal Acquisition Regulation Subpart 25.108; products of unknown origin must be considered as non-domestic products in their entirety).

c) Cost of non-domestic components and subcomponents, excluding labor costs associated with final assembly and installation at project location.

d) Percentage of non-domestic component and subcomponent cost as compared to total "facility" component and subcomponent costs, excluding labor costs associated with final assembly and installation at project location.

Type 4 Waiver (Unreasonable Costs) - Applying this provision for iron, steel, manufactured goods or construction materials would increase the cost of the overall project by more than 25 percent. The required documentation for this waiver is:

a) A completed Content Percentage Worksheet and Final Assembly Questionnaire from

b) At minimum two comparable equal bids and/or offers;

c) Receipt or record that demonstrates that supplier scouting called for in Executive Order 14005, indicates that no domestic source exists for the project and/or component;

d) Completed waiver applications for each comparable bid and/or offer.

False Statements: Per 49 USC § 47126, this certification concerns a matter within the jurisdiction of the Federal Aviation Administration and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code.

X.S.1 A4.3.2 Certification of Compliance with FAA Buy American Preference – Construction Projects*

As a matter of bid responsiveness, the bidder or offeror must complete, sign, date, and submit this certification statement with its proposal. The bidder or offeror must indicate how it intends to comply with 49 USC § 50101, BABA and other related Made in America Laws, U.S. statutes, guidance, and FAA policies, by selecting one of the following certification statements. These statements are mutually exclusive. Bidder must select one or the other.

☐ Bidder or offeror hereby certifies that it will comply with 49 USC § 50101, BABA and other related U.S. statutes, guidance, and policies of the FAA by: a) Only installing iron, steel and manufactured products produced in the United States; b) Only installing construction materials defined as: an article, material, or supply – other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber or drywall that have been manufactured in the United States. c) Installing manufactured products for which the Federal Aviation Administration (FAA) has issued a waiver as indicated by inclusion on the current FAA Nationwide Buy American Waivers Issued listing; or d) Installing products listed as an Excepted Article, Material or Supply in Federal Acquisition Regulation Subpart 25.108. By selecting this certification statement, the bidder or offeror agrees: a) To provide to the Airport Sponsor or the FAA evidence that documents the source and origin of the iron, steel, and/or manufactured product. b) To faithfully comply with providing U.S. domestic products. c) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified. d) Certify that all construction materials used in the project are manufactured in the U.S.

☐ The bidder or offeror hereby certifies it cannot comply with the 100 percent Buy American Preferences of 49 USC § 50101(a) but may qualify for a Type 3 or Type 4 waiver under 49 USC § 50101(b). By selecting this certification statement, the apparent bidder or offeror with the apparent low bid agrees: a) To the submit to the Airport Sponsor or FAA within 15 calendar days of being selected as the responsive bidder, a formal waiver request and required documentation that supports the type of waiver being requested. b) That failure to submit the required documentation within the specified timeframe is cause for a non-responsive determination that may result in rejection of the proposal. c) To faithfully comply with providing U.S. domestic products at or above the approved U.S. domestic content percentage as approved by the FAA. d) To furnish U.S. domestic product for any waiver request that the FAA rejects. e) To refrain from seeking a waiver request after establishment of the contract, unless extenuating circumstances emerge that the FAA determines justified.

*Response required

X.T CERTIFICATION OF OFFERER/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by selecting the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Note

If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the Sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The

applicant therefore must provide information to the owner about its tax liability or conviction to the Owner, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 USC § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

X.T.1 The applicant represents that it IS or IS NOT a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.*

RE: Taxiway B Reconstruction and Runway 7-25
Pavement Removal

To Whom It May Concern,

This letter is in reference to the project listed above. We have sent out solicitation requests to several DBE companies and have placed an ad in the New Journal. Unfortunately, at this time, MASCI can only commit to 6.04% DBE Utilization.

If you should have any questions, please feel free to contact us.

Sincerely,

Leticia M. Ferreira
Vice President

CONTRACTOR'S DBE PLAN

(Submit this form and attach one DBE Letter of Intent Form for each DBE subcontractor, supplier or manufacturer.)

Project Name/Location: Taxiway B Reconstruction and Runway 7-25 Pavement Removal, New Smyrna Beach Municipal Airport

FAA AIG Project No: 24-24-AIR

Total Awarded Contract Amount: $ 4,438,854.19

Name of Bidder's Firm: Masci General Contractor, Inc.

Street Address: 5752 S. Ridgewood Avenue

City: Port Orange State: Florida Zip: 32127

Printed name of signer: Leticia M. Ferreira

Printed title of signer: Vice President

DBE UTILIZATION SUMMARY

	DBE Contract Amount	DBE Value	Contract %
DBE Prime Contractor	$_____ x 1.00 =	$_____	_____ %
DBE Subcontractors	$_____ x 1.00 =	$_____	_____ %
DBE Suppliers	$ 93,180.00 x 0.60 =	$ 93,180.00	2.09 %
DBE Manufacturers	$ 175,465.00 x 1.00 =	$ 175,465.00	3.95 %
* Total Proposed DBE Participation		$_____	_____ %
Established DBE Goal		$ 268,645.00	6.04 %

* If the total proposed DBE participation is less than the established DBE goal, Bidder must provide written documentation of the good faith efforts as required by 49 CFR Part 26.

Affirmation:

The undersigned hereby assures that the information included herein is true and correct, and that the DBE firm(s) listed on the attached DBE Letter of Intent Forms have agreed to perform a commercially useful function in the work items noted for each firm. The undersigned further understands that no changes to this plan may be made without prior approval from the Civil Rights Staff of the Federal Aviation Administration.

Govt Public Notices

CITY OF EDGEWATER & SOUTHEAST VOLUSIA COUNTY
WATER SYSTEM CUSTOMERS
The City of Edgewater will perform treating and flushing of the entire water distribution system beginning Tuesday, June 18,2024. This also includes the area south of Edgewater provided water service by Volusia County Utilities. During this time, the disinfectant will be changed to free chlorine from chloramines that are currently used. The free chlorine residual will be allowed to move out into the distribution system while the water mains are thoroughly flushed. This is being done to maintain the water pipes to continue to deliver the highest quality water. During this time, the water continues to be safe to drink and use for cooking, washing, and other typical uses. However, with a change in disinfectant, some customers may notice a slight difference in the taste and/or odor of the water. The treatment and flushing should be completed within Three (3) weeks, after which time the system will return to chloramine disinfectant. If you have any questions concerning this procedure, please visit the City of Edgewater web site (www.cityofedgewater.org) for a complete fact sheet, or call the Water Treatment Plant at: (386) 424-2400 ext. 4030.

New Smyrna Beach, FL 32168

Reference: Recommendation of Award
Taxiway B Reconstruction and Runway 7-25 Pavement Removal
New Smyrna Beach Municipal Airport

Dear Mr. Weese:

On June 18, 2024 at 11:00AM, the Airport opened bids on the **Taxiway B Reconstruction and Runway 7-25 Pavement Removal** project. Three bids were received as detailed in the attached bid tabulation and summarized as follows:

Bidder	Base Bid	Add Alt A	Total Bid
Masci General Contractor, Inc.	$4,473,854.19	$373,274.45	$4,847,128.64
Halifax Paving, Inc.	$4,991,154.50	$293,955.00	$5,285,109.50
P & S Paving, Inc.	$5,960,706.25	$358,725.00	$6,319,431.25

The apparent low bidder is **Masci General Contractor, Inc. (Masci)** whose Total Bid is **$4,847,128.64.** Masci responded suitably to the questions on the OpenGov website, submitted the required 10% Bid Security with notarized Power of Attorney, and acknowledged Addendum 1. Some items noted while reviewing Masci's bid proposal:

- DBE – Masci committed to meeting 6.04% of the 10% goal; however, their GFE documentation is not complete (Masci letter and newspaper ad received). The remainder of the good faith efforts may be completed and submitted prior to contract execution and is not expected to prevent the award of the contract or the completion of the project.

- Disputes Disclosure (page 48) – Masci responded "Yes, details upon award" to the following: "Has your firm had against it or filed any requests for equitable adjustment, contract claims, bid protests, or litigation in the past five (5) years that is related to the services your firm provides in the regular course of business?"

- References – Masci provided a substantial list of projects completed over the last three (3) years; however, the requirement is as follows:

12. References *
Upload as one (1) PDF file, a minimum of five (5) years' experience. Bidders must provide at least three (3) current customers and two (2) previous, within the past five (5) years.

If applicable, please list the examples of services rendered in the State of Florida, particularly within municipalities. This list must include complete and current addresses, contact person(s), e-mail addresses, telephone and fax numbers, and length of contract. These references may be contacted during the evaluation process.

Completed_Contracts-_Updated_24.pdf

AVCON recommends accepting the project list and references that were submitted. The information provided demonstrates adequate experience with projects of similar size and scope both locally and throughout the region.

The second low bidder is Halifax Paving, Inc. (Halifax) whose Total Bid is $5,285,109.50. Halifax responded suitably to the questions on the OpenGov website, submitted the required 10% Bid Security with notarized Power of Attorney, and acknowledged Addendum 1. Some items noted while reviewing Halifax's bid proposal:

- DBE – Halifax committed to meeting 0.64% of the 10% goal, but they did not submit their GFE efforts.

Notwithstanding the City's Legal Counsel review, **AVCON** recommends Award of the Contract to **Masci General Contractor, Inc.** for the total amount of **$4,847,128.64,** subject to funding eligibility and the availability of funding.

We stand ready to assist in the implementation of this project. Should you have any questions or require additional information, please do not hesitate to call.

Sincerely,

AVCON, INC.

Daniel J. Nickols, Jr., P.E.
Senior Project Manager, Airports

CONSTRUCTION CONTRACT

CITY OF NEW SMYRNA BEACH
VOLUSIA COUNTY, FLORIDA

This Agreement, dated this ____ day of _____, 2024, by and between the **CITY OF NEW SMYRNA BEACH**, hereinafter called the **OWNER**, and **MASCI GENERAL CONTRACTOR, INC.** (a corporation organized and existing under the laws of the State of Florida and hereinafter called the **CONTRACTOR,** is awarded as a result of solicitation **BID 24-24-AIR, Title of Bid Taxiway B Reconstruction and Runway 7-25 Pavement Removal.**

WITNESSETH: The Owner and the Contractor, for the consideration stated herein, agree as follows:

ARTICLE I: Scope of Work

The Contractor shall perform all required work and shall provide and furnish all labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to complete the construction of and all appurtenant work thereto, described in the following document, hereby fully incorporated into this Contract:

BID 24-24-AIR, Title of Bid TAXIWAY B RECONSTRUCTION AND RUNWAY 7-25 PAVEMENT REMOVAL
City of New Smyrna Beach, Florida

All work shall be in strict compliance with the drawings and specifications, including any and all Addenda, and together with all Contract Documents hereinafter enumerated and made a part thereof.

It is understood and agreed that said labor, materials, tools, equipment, and service shall be furnished and said work performed and completed subject to the approval of the Owner.

ARTICLE II: Contract Price

The Owner shall pay the Contractor for performance of the work in accordance with the Contract Documents in current funds as follows:

$ 4,847,128.64

Spelled out: FOUR MILLION EIGHT HUNDRED FORTY-SEVEN THOUSAND ONE HUNDRED TWENTY EIGHT DOLLARS AND SIXTY FOUR CENTS

Payment will be made in accordance to the awarded bid proposal and the above negotiated agreed upon Contract Price. Change orders, including additions and deductions, must be approved in writing by the Owner. Any change where the Contractor has materially deviated from the proposed design shall be borne by the Contractor unless such deviation is agreed to in writing by Owner.

ARTICLE III: Contract Time

The Contractor agrees to commence work within **Ten (10) CALENDAR DAYS** after the date of the Notice to Proceed letter and shall achieve Substantial Completion within **Two Hundred (200)** consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ARTICLE IV: Inspection by Contractor

The undersigned Contractor agrees that he has carefully inspected all Contract Documents and is familiar with same; the Contractor agrees that he is responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and under-ground obstructions and nature thereof, the nature of the groundwater conditions and other physical characteristics of the work and work area in order that he may include in the prices which he has bid and the prices of the Contract, all costs pertaining to the work and thereby provide for the satisfactory completion thereof and determination of the Contract prices herein agreed upon, and that this Contract price is based upon these inspections and examination.

ARTICLE V: Liquidated Damages

If the work is not completed within the time specified in Article III of this Contract, the Contractor shall pay the Owner, as liquidated damages, the sum of **ONE HUNDRED FIFTY DOLLARS ($150)** for each consecutive calendar day thereafter until the work is completed, and as outlined in the Supplemental General Conditions.

ARTICLE VI: Right to Require Performance

The failure of the City at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the City thereafter to enforce same or be considered a waiver of such provision, nor shall a waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

ARTICLE VII: Component Parts of the Contract

This Contract consists of the following Contract Documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

- City Advertised Bid
- Construction Specifications
- Drawings
- Addendums
- Awarded Bid Proposal
- Bid Bond

The Contractor must provide the following documents within fourteen (14) days upon acceptance of the bid by City Commission. All of which are familiar to the Contractor and are component parts of the contract.

Contractor's Initials: _____

- Certificate of Insurance
- Performance/Payment Bond

Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

ARTICLE VIII: Severability

Should any term, covenant, condition, provision or sentence or part thereof of this Contract, including all Contract Documents which comprise the entire agreement, be held invalid or unenforceable by any court of competent jurisdiction, the remaining terms and provisions shall nevertheless remain in full force and effect.

ARTICLE IX: Force Majeure

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God
b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)
c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest
d) Government order or law
e) Actions, embargoes or blockades in effect on or after the date of this Agreement
f) Action by any governmental authority
g) National or regional emergency
h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and
i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement

ARTICLE X: Human Trafficking
Compliant with Florida Statures, 787.06.

Contractor's Initials: _____

(1)(a) The Legislature finds that human trafficking is a form of modern-day slavery. Victims of human trafficking are young children, teenagers, and adults. Thousands of victims are trafficked annually across international borders worldwide. Many of these victims are trafficked into this state. Victims of human trafficking also include citizens of the United States and those persons trafficked domestically within the borders of the United States. The Legislature finds that victims of human trafficking are subjected to force, fraud, or coercion for the purpose of sexual exploitation or forced labor.

(b) The Legislature finds that while many victims of human trafficking are forced to work in prostitution or the sexual entertainment industry, trafficking also occurs in forms of labor exploitation, such as domestic servitude, restaurant work, janitorial work, sweatshop factory work, and migrant agricultural work.

(c) The Legislature finds that traffickers use various techniques to instill fear in victims and to keep them enslaved. Some traffickers keep their victims under lock and key. However, the most frequently used practices are less obvious techniques that include isolating victims from the public and family members; confiscating passports, visas, or other identification documents; using or threatening to use violence toward victims or their families; telling victims that they will be imprisoned or deported for immigration violations if they contact authorities; and controlling the victims' funds by holding the money ostensibly for safekeeping.

(d) It is the intent of the Legislature that the perpetrators of human trafficking be penalized for their illegal conduct and that the victims of trafficking be protected and assisted by this state and its agencies. In furtherance of this policy, it is the intent of the Legislature that the state Supreme Court, The Florida Bar, and relevant state agencies prepare and implement training programs in order that judges, attorneys, law enforcement personnel, investigators, and others are able to identify traffickers and victims of human trafficking and direct victims to appropriate agencies for assistance. It is the intent of the Legislature that the Department of Children and Families and other state agencies cooperate with other state and federal agencies to ensure that victims of human trafficking can access social services and benefits to alleviate their plight.

ARTICLE XI: Construction

The headings and subheadings used throughout the Contract Documents are for convenience only and have no other significance in the interpretation of the body of the Contract Document.

RE: *(See attached Table 1 for referenced case(s))*
FINAL DETERMINATION

Table 1 - Letter Referenced Case(s)

ASN	Prior ASN	Location	Latitude (NAD83)	Longitude (NAD83)	AGL (Feet)	AMSL (Feet)
2022-ASO-3221-NRA	2021-ASO-6121-NRA	NEW SMYRNA BEACH,FL	29-03-17.60N	80-57-30.90W	6	16
2022-ASO-3222-NRA	2021-ASO-6122-NRA	NEW SMYRNA BEACH,FL	29-03-42.00N	80-56-37.50W	6	16

Description: These points are top of chain link fence points that were submitted previously and a determination was provided. The determination recommended that the points be resubmitted with a total AMSL top elevation of 16'. This case represents the requested resubmittal of these points at the elevations listed. Prior Cases are 2021-ASO-6121-NRA and 2021-ASO-6122-NRA.

We do not object with conditions to the construction described in this proposal provided:

You comply with the requirements set forth in FAA Advisory Circular 150/5370-2, "Operational Safety on Airports During Construction."

2022-ASO-3221-NRA

Airports:

The existing fence is located within the Runway 07 Approach Runway Protection Zone (RPZ). While the proposed object does violate the RPZ requirement, it does not constitute a hazard to air navigation. Structures, which will result in the congregation of people within an RPZ, are strongly discouraged in the interest of protecting people and property on the ground. The existing fence at the location provided penetrates the Runway Obstacle Free Zone (ROFZ) by 9 feet. Objects not needed for air navigational purposes must remain outside the ROFZ during aircraft operations. The proposed object must be relocated outside the Runway OFZ. The existing fence at the location provided penetrates the 40:1 Departure Surface for Runway 25 by 1 foot. Penetration to this surface results in an IFR effect, which prevents the optimum and most versatile situation for the pilot. This may result in a takeoff reduction of 40 feet to provide adequate obstacle clearance. A possible mitigation is to lower the object or relocating which precludes penetration to the OCS.

Subject: RE: Twy B project

Hi Arvin,

Thanks for reaching out. The pavement removal depicted in the sketch provided would remedy the existing RW 7/25 ROFZ penetrations. I don't see another alternative to bring the RW 9/27 ROFZ up to standards. Our understanding is that federal funding will be requested for the design in 2024 and construction in 2025. Please see the additional comments below.

- Please be sure that an AGIS survey is included in the scope. Relocating the runway ends is considered safety-critical and requires both design and as-built AGIS submittals in accordance with AC 150/5300-18B, General Guidance and Specifications for Submission of Aeronautical Surveys to NGS: Field Data Collection and Geographic Information Systems (GIS) Standards.
- An ALP update should also be included in the scope to reflect the revised runway dimensions, declared distances, etc.

Feel free to reach out if you have any questions.

Best Regards,

Scott W. Carraro, PE, CFM

THE CITY OF NEW SMYRNA BEACH - AIRPORT

CONSIDER THE APPROVAL OF FAA GRANT OFFER FOR CONSTRUCTION OF TAXIWAY B RECONSTRUCTION AND REMOVAL OF RUNWAY ENDS OF 7/25 AND AUTHORIZING THE MAYOR, CITY MANAGER, AND CITY ATTORNEY TO EXECUTE THE GRANT AWARD ON BEHALF OF THE CITY.

September 10, 2024

Background:

Airport staff recently applied for and are being awarded a FAA grant to cover the construction cost of Taxiway B rehabilitation, Runway 7/25 pavement removal, update Exhibit A (property map), and Disadvantaged Business Enterprise (DBE) plan.

- Taxiway B reconstruction will correct geometry to be compliant with current FAA standards and remove excess and dilapidated shoulder pavement as it is not required.
- Removal of pavement from both ends of Runway 7/25 will allow the Airport to come into compliance with FAA violations to the runway obstacle free zone. The Airport Advisory Board unanimously approve this project on February 23, 2023.
- An updated Exhibit A is needed for the FAA as part of their approval process of any land development at the airport.
- The DBE program is a legislatively mandated USDOT program that applies to recipients of USDOT federally assisted contracts issued by the FDOT.

The total cost for these projects will be $5,246,529 of which the FAA is offering to reimburse 90% or $4,721,876 of the cost. We have applied for an FDOT grant to reimburse 8% or $419,722 which they are currently in the process of writing and will be brought to the commission later this month for approval. The remaining 2% or $104,931 will come from the Airport fund.

The award of the grant is subject to the requirements in 2CFR §200.305 and the grant being executed and signed via electronic signature to the FAA by **September 18, 2024**. Due to the tight timeline, staff is seeking the Commission's approval to allow the Mayor, City Manager, and City Attorney to electronically execute any documents necessary to effectuate the award of the grant.

Fiscal Analysis:

The total cost for these projects will be $5,246,529 of which the FAA is offering to reimburse 90% or $4,721,876 of the cost. We have applied for an FDOT grant to reimburse 8% or $419,722 which they are currently in the process of writing and will be brought to the commission later this month for approval. The remaining 2% or $104,931 will come from the Airport fund.

Date: Monday, August 26, 2024 10:59:00 AM

CAUTION: EXTERNAL EMAIL

Hi EVB Team,

As a follow-up to our conversation, we anticipate a FY24 AIP grant agreement for the Taxiway B Reconstruction, Runway 7/25 pavement removal, and Exhibit A update being issued the week of September 9th for signatures. I'm hoping it will go out closer to the beginning of the week, but I will keep you updated. We will need both the sponsor's representative and attorney signatures by 9/18 at the latest.

Feel free to reach out if you have any questions.

Best Regards,

Scott W. Carraro, P.E.

5. CITY MANAGER'S REPORT

5.A City Manager's Report

City Manager Resheidat shared a report.

6. PUBLIC PARTICIPATION

Sharon Glenn, on behalf of Save our NSB Task Force, 1109 and 1111 South Atlantic Avenue, commented in opposition to Ordinance Nos. 46-24 and 47-24. She mentioned that there were over 800 signatures on a petition opposing this project. She reminded the Elected Officials of their oaths and reminded them that they were supposed to protect the people.

Cindy Sniezak, 512 Yupon Avenue, commented in opposition to the text amendment defining commercial floor area ratios. She suggested looking at cities like Winter Park since we had a smaller city with a positive image.

Stephanie Ford, SEV Chamber of Commerce and Ashley Musgrove, CEO of NSB Board of Realtors, welcomed the new City Manager Kevin Cowper. They invited the Commission to the Hob Nob Event at the Brannon Center tomorrow evening. She thanked the city for their support of their Leadership Program.

Doug Mullan, 918 East 1st Avenue, commented in opposition to Ordinance Nos. 46-24 and 47-24. He commented on the amount of motor vehicle accidents. He mentioned not turning New Smyrna Beach into Daytona Beach.

Ben Haag, 821 Maralyn Avenue, commented in opposition to Ordinance No. 46-24 and 47-24. He commented on quality of life and trying to change a paradise.

Sue Trzaskus, 1300 Hill Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. She mentioned the national crime survey.

Gayla Leslie, 1306 Hill Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. She requested that they work together as a community and make New Smyrna Beach beautiful.

Susan Coakley, 1402 Southard Avenue, commented in opposition to Ordinance Nos. 46-24 and 47-24. She requested that they not approve the ordinance when it returned and asked for the scale and character of the city to be preserved. She shared her concerns with the Planning and Zoning Board recommending approval on this project swiftly and carelessly.

Audia Ricker, 815 Willard Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. She commented on concerns with transients, property issues and setting a precedent for future building.

Donald and Marcia Eppelin, 1310 Hill Street, commented in opposition to Ordinance Nos. 46-24 and 47-24, mentioning that zoning was to protect citizens and the environment.

Ty Harrison, 2nd Avenue, commented in opposition to Ordinance Nos. 46-24 and 47-24. He commented on drainage problem and engineering. He shared his professional experience.

Angie Baretta-Herman, 108 Esther Street, expressed her heartfelt thanks to the Commission for saving the charm and hoped all the audience members would keep fighting for the charm. She commented on the Women's Club and wanted a status update. She commented on the continued deterioration of the Women's Club, in particular the leaking roof and she mentioned that the neighbors were concerned about having an abandoned building on their street.

Sandra Smith, 810 East 26th Avenue, commented on processes. She commented on the zoning districts and needing for variances. She commented in opposition to Ordinance Nos. 46-24 and 47-24. She shared that the applicant created their own self-hardship. She requested that the city post a notice on the property if the project request comes back to the city from the applicant prior to the public hearing.

Paul Schlichtmann, 914 Locust Street, commented on zoning procedures. He mentioned that he recently renovated a family home on Locust Street. He commented on spot planning and shared concerns with that. He commented on cascading challenges throughout the city. He commented on density and large-scale development.

Lou Pate, 1604 Saxon Drive, commented in opposition to Ordinance Nos. 46-24 and 47-24. He shared that there was no need for additional parking. He shared that the people wanted to know where the candidates for election stood.

Jess Romero, 708 South Cooper Street, commented about mentioning the MDA's and PUD's not having closing dates on them.

Harriett Hellier, 1111 Hill Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. She commented on FAR's. She commented on taking an opportunity to begin looking at the code. She wanted to come together on a consensus because it was not in the best interest of the citizens.

Nick Hellier, 1111 Hill Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. He commented on crime statistics, liquor licensing after 2:00 am, and believed there was something missing in communication.

Richard Trujillo, 844 South Cooper Street, commented in opposition to Ordinance Nos. 46-24 and 47-24. He commented on the parking lots and garages to observe the careless drivers trying to get on and off the beach. He shared if they were not using the current parking spaces, why would they use a new one.

Larry Westley, 39 Sandra Circle, commented on the gaslighting going on with this project. He shared that this project was not a parking garage, but rather a restaurant and retail space. He commented on the Planning and Zoning Board advertising. He commented on stopping some of the growth and stop changing the ordinances to accommodate developers. He commented on changing regulations. He shared that all of the elected officials would have to worry about leaving a legacy.

DaleAnn Clark, protected address, commented on her family history in New Smyrna Beach. She commented on the building code being previously voted as a maximum of three-stories high. She shared that the spirit of the Commission in the 1960's was deliberate, slow, growth. She asked them to keep New Smyrna Beach safe for all citizens. She shared it was not too late.

Pasqual Brignola, 391 South Timberlane Drive, commented on PUD on Paige Avenue, Oak Park Estates. He commented on receiving legitimate opposition to new growth. He commented about the flood plain, new development, flooding in surrounding neighborhoods. He shared that the solution would be for Volusia Forever to purchase this property. He shared that the application must be submitted by September 13th.

Leslie Sachs, 816 East 8th Avenue, was glad that the items were withdrawn. She commented on the text amendment. She commented on the County's decision to make beach parking free.

Commissioner Hartman thanked staff for their hard work regarding Venetian Bay parking issues. He commented on the stormwater issues. He commented on revisiting the moratorium in January and looked forward to the new data.

Commissioner Martin did not share a report.

Commissioner McGuirk commented on the auditing committee and appreciated the work they put into it.

Mayor Cleveland commented on parking enforcement. He commented on the elected officials offering their opinions prior to a quasi-judicial hearing.

14. CITY ATTORNEY'S REPORT

Motion:
Commissioner Martin moved to authorize the City Attorney's Office to proceed with filing an eviction regarding an airport tenant's failure to pay rent. Vice Mayor Perrine seconded the motion, and the motion carried unanimously.

15. ADJOURNMENT

As there is no further business to discuss, Mayor Cleveland adjourned the meeting at 9:57 PM.

THE CITY OF NEW SMYRNA BEACH - CITY CLERK'S OFFICE

CONSIDER THE APPROVAL OF THE FARMER'S MARKET MEMORANDUM OF UNDERSTANDING RENEWAL FOR TWO YEARS, TO EXPIRE ON SEPTEMBER 30, 2026.

September 10, 2024

Background:

Section 504.02 of the City's Land Development Regulations details the specific regulations required for each zoning district within the City. These regulations include the types of uses permitted within each zoning district. Uses may either be permitted "by right," meaning that if the property is zoned for that use, no special approvals are required. Special exception uses require review by the Planning and Zoning Board and approval by the City Commission. Conditional uses may be approved by staff, provided that all of the listed conditions are met.

In 2008, the City Commission adopted Ordinance #69-08, which allowed farmers markets as a conditional use in the MU, B-5, and PUD zoning districts. The following conditions must be met in order for staff to approve the farmer's market:

1. The Development Services Director determines that adequate parking is available.

2. There is adequate space on-site to accommodate all vendors without utilizing public rights-of-way unless City Commission approval has been received to utilize the public rights-of-way.

3. Vendors shall not block pedestrian ways.

4. Products offered for sale shall be limited to the following:

- Fresh fruits and vegetables
- Herbs and spices
- Farmstead products including, but not limited to, cheese, meats, fish, poultry, eggs, baked goods, canned goods, honey, maple syrup and preserves
- Bedding plants, hanging and potted plants, and cut flowers
- Dried flowers or plants
- A maximum of 50% of the total area used for the market shall be allowed for handicrafts
- Flea market and yard sale items are prohibited
- Prepared food products
- Mobile food trucks (maximum of three)

5. The farmers' market organization must obtain a business tax receipt from Volusia County and from the City of New Smyrna Beach.

6. Each vendor operating within the farmers market must obtain a business tax receipt from Volusia County and the City of New Smyrna Beach.

7. Informational booths for 501 (c) 3 non-profit organizations shall be permitted.

If these conditions are met, and the applicant provides staff with a conceptual plan showing the general location of the vendor stalls on the site, staff may approve the conditional use.

Findings:

Currently, there are two approved farmers markets operating within the city, which

consist of the market on Sams Avenue on Saturday mornings, and the market located in the Norwood's restaurant parking lot on East 3rd Avenue.

The existing market on Sams Avenue in front of City Hall (hereinafter referred to as the New Smyrna Beach Farmers' Market) has been in operation for a number of years. They arrived in their location in 2012, when the Chamber of Commerce parking lot was closed due to building renovations. In addition to obtaining conditional use approval for the market and ensuring that all vendors have obtained a business tax receipt from both Volusia County and the City of New Smyrna Beach, the New Smyrna Beach Farmers' Market also entered into a Memorandum of Understanding (MOU) with the City for the continued use of Sams Avenue and the City restroom facilities. This agreement was initially approved by the City Commission in 2012 and renewed by the City Commission in subsequent years. The current MOU will expire on September 30, 2024. No changes other than the dates are proposed to the 2024-2026 MOU.

Staff Recommends the City Commission approve the renewal of the Memorandum of Understanding with the New Smyrna Beach Farmer's Market.

MEMORANDUM OF UNDERSTANDING
BETWEEN THE CITY OF NEW SMYRNA BEACH. FLORIDA AND
NEW SMYRNA BEACH FARMERS' MARKET, LLC

THIS MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF NEW SMYRNA BEACH, FLORIDA AND NEW SMYRNA BEACH FARMERS' MARKET, LLC (Hereinafter "MOU") in entered into this _____ day of _____, 2024, by and between the City of New Smyrna Beach, Florida, a municipal corporation of the State of Florida, 210 Sams Avenue, New Smyrna Beach, Florida, 32168 (hereinafter "CITY") and New Smyrna Farmers' Market, LLC, a Florida Limited Liability Corporation, 132 West Park Avenue, Unit 7, Edgewater, Florida, 32132 (hereinafter "FARMERS' MARKET").

RECITALS

WHEREAS, FARMERS' MARKET is a Florida limited liability corporation established to promote partnerships with local farmers, consumers, and organizations; to increase knowledge of sustainable food and farming issues, and to provide educational activities that enrich the community; and

WHEREAS, the CITY is desirous of promoting healthy and cost-efficient food alternatives for its residents; and

WHEREAS, the CITY and the FARMERS' MARKET have had an amicable and informal relationship for over twenty (20) years, and

WHEREAS, the city wishes to formalize this relationship with the FARMERS' MARKET; and

WHEREAS, the purpose of this Memorandum of Understanding (MOU) is to outline the relative responsibilities of the parties related to the operation of the FARMERS' MARKET on city-owned and/or maintained property.

NOW, THEREFORE, CITY AND FARMERS' MARKET hereby agree as follows:

1. FARMERS' MARKET shall be responsible for the following:

    a. Set-up, break-down and clean-up following the close of each market.
    b. Closure of Sams Avenue on each market day, FARMERS' MARKET shall be allowed to close Sams Avenue between Washington Street and Julia Street between 10:00 P.M. Friday evening and 3:00 P.M. Saturday afternoon.
    c. FARMERS' MARKET shall temporarily be allowed to place signs as follows:

1. There shall not be a limit to the number of signs placed on-site at the FARMERS' MARKET.
2. No balloon, banner, pennant, or other prohibited signage device may be attached to a FARMERS' MARKET sign.
3. A sign plan, showing the location and size of all proposed signs, shall be provided to the City Planning Department and Code Compliance Department, and shall be incorporated as an exhibit to the MOU.

d. FARMERS' MARKET shall be allowed to place "No Parking Overnight, please" signs in Old Fort Park. Such parking signs may be placed no earlier than 5:00 P.M. on the Friday before the market and must be removed no later than 3:00 P.M. on the Saturday of the market.
e. FARMERS' MARKET shall pay the CITY $25.00 per month for electricity to the market. Alternatively, vendors may use generators to provide power to their booths.
f. FARMERS' MARKET agrees to abide by all regulations regarding the conditional use permit that has been issued by the CITY.
g. FARMERS' MARKET agrees to maintain access to all handicapped accessible sidewalk ramps and shall not block, or otherwise hinder access to said ramps.
h. FARMERS' MARKET agrees to provide at least one temporary handicapped accessible parking space in the parking lot on the north side of City Hall. The handicapped accessible space shall be a minimum of twelve (12) feet in width and shall have a minimum eight (8') foot wide handicapped accessible aisle.
i. FARMERS' MARKET agrees to provide temporary handicapped accessible port-o-lets, if required by the Chief Building Official.
j. FARMERS' MARKET expressly agrees to follow the provisions of City Ordinance No. 17-19 and will refrain from using and distribution polystyrene or polypropylene food service articles and plastic straws, as well as forbid any vendors or subsidiaries with whom FARMERS' MARKET contracts to use or distribute such, at the subject premises during the duration of this MOU. Nothing in this MOU shall be construed to stop FARMERS' MARKET or its vendors or subsidiaries from using alternative materials in their take-out containers and straws, provided they are not composed of the aforementioned and prohibited materials. Failure to comply with Ordinance No. 17-19 may be deemed a material default of the terms of this Memorandum of Understanding and constitutes grounds for termination by the city.
k. FARMERS' MARKET agrees and understands that the selection of vendors and the establishment of rules shall be done in a content-neutral manner, shall not discriminate based upon viewpoint, and that any restrictions on speech shall be limited to reasonable time, place, and manner rules. In the event litigation should arise as a result of any action by the FARMERS' MARKET in violation of this policy, the FARMERS' MARKET will indemnify the CITY for any and all costs associated in litigating such matters, including but not limited to attorney's fees, costs, and damages.

2. CITY shall be responsible for the following:

    a. CITY shall allow FARMERS' MARKET to utilize restroom facilities at the Community Redevelopment Agency (CRA) building. FARMERS' MARKET agrees to maintain the bathrooms, including bathroom cleaning and bathroom supplies.
    b. CITY shall provide an alternative location for the market during special events that require the use of Sams Avenue, if needed.

3. Additional Considerations:

CITY and FARMERS' MARKET shall each be responsible for their respective advertising, except as specified above.

4. Term:

The term of this Memorandum of Understanding (MOU) shall be from the date of the signing of this MOU until September 30, 2026. Such term shall not be automatically renewed. Prior to expiration of the term of this MOU, both parties shall review and evaluate the provisions of the MOU to determine what, if any changes should be made.

5. Indemnification:

FARMERS' MARKET shall provide proof of liability insurance to the CITY. Such insurance shall name the CITY as an additional insured and shall have a contractual liability endorsement. FARMERS' MARKET agrees, to the fullest extent permitted by law, to indemnify and hold harmless CITY against damages, liabilities and costs arising from the negligent acts of FARMERS' MARKET in the performance of obligations under this MOU, to the extent that FARMERS' MARKET is responsible for such damages, liabilities, and costs on a comparative basis of fault and responsibility between FARMERS' MARKET and CITY.

6. CITY's Representative:

CITY shall designate a representative authorized to act on behalf of CITY. The authorized representative shall examine the documents of the work as necessary and shall render decisions related thereto in a timely manner to avoid unreasonable delays.

7. FARMERS' MARKET Representative

FARMERS' MARKET shall designate a representative authorized to act on behalf of FARMERS' MARKET. The authorized representative shall examine the documents of the work as necessary and shall render decisions related thereto in a timely manner to avoid unreasonable delays.

8. Modification and Assignability of MOU:

This MOU contains the entire agreement between the parties, and no statements, promises, or inducements made by either party, or agents of either party, are valid or binding unless contained herein. This MOU may not be enlarged, modified, or altered except upon written agreement signed by the parties hereto. FARMERS' MARKET may not subcontract or assign its rights (including the right to compensation) or duties arising hereunder without the prior written consent and express authorization of the CITY. Any such consultant, subcontractor or assignee shall be bound by all the terms and conditions of this MOU is as named specifically herein.

RE: Policy 072382-72697524-24 Billing Account 009569669

Thank you for selecting Auto-Owners Insurance Group to serve your insurance needs! Feel free to contact your independent Auto-Owners agent with questions you may have. If you have questions your agent is unable to answer, please contact us at 517.323.1200.

Auto-Owners and its affiliate companies offer a full complement of policies, each of which has its own eligibility requirements, coverages and rates. In addition, Auto-Owners also offers many billing options. Please take this opportunity to review your insurance needs with your Auto-Owners agent, and discuss which company, program, and billing option may be most appropriate for you.

Auto-Owners Insurance Company was formed in 1916. Our A++ (Superior) rating by A.M. Best Company signifies that we have the financial strength to provide the insurance protection you need. The Auto-Owners Insurance Group is comprised of six property and casualty companies and a life insurance company.

Serving Our Policyholders and Agents Since 1916

NOTICE OF PRIVACY PRACTICES

What We Do To Protect Your Privacy

At Auto-Owners Insurance Group*, we value your business and we want to retain your trust. In the course of providing products and services, we may obtain nonpublic personal information about you. We assure you that such information is used only for the purpose of providing our products and services to you.

Protecting Confidentiality

Our agents and Company associates may have access to nonpublic personal information only for the purpose of providing our products or services to you. We maintain physical, electronic and procedural safeguards against unauthorized use of your nonpublic personal information.

Information We Obtain

To assist in underwriting and servicing your policy, we may obtain nonpublic personal information about you. For example, we routinely obtain information through applications, forms related to our products or services, from visiting www.auto-owners.com, and your transactions with us. We may obtain such information from our affiliates, independent insurance agents, governmental agencies, third parties, or consumer reporting agencies.

The type of information that we collect depends on the product or service requested, but may include your name, address, contact information, social security number, credit history, claims history, information to properly investigate and resolve any claims, or billing information. We may obtain your medical history with your permission. The nature and extent of the information we obtain varies based on the nature of the products and services you receive.

The Internet and Your Information

If you would like to learn about how we gather and protect your information over the Internet, please see our online privacy statement at www.auto-owners.com/privacy.

Generally, Auto-Owners may use cookies, analytics, and other technologies to help us provide users with better service and a more customized web experience. Our business partners may use tracking services, analytics, and other technologies to monitor visits to www.auto-owners.com. The website may use web beacons in addition to cookies. You may choose to not accept cookies by changing the settings in your web browser.

Information obtained on our websites may include IP address, browser and platform types, domain names, access times, referral data, and your activity while using our site; who should use our web site; the security of information over the Internet; and links and co-branded sites.

Limited Disclosure

Auto-Owners Insurance Group companies do not disclose any nonpublic personal information about their customers or former customers except as permitted by law. We do not sell your personal information to anyone. We do not offer an opportunity for you to prevent or "opt out of" information sharing since we only share personal information with others as allowed by law.

When sharing information with third parties to help us conduct our business, we require them to protect your personal information. We do not permit them to use or share your personal information for any purpose other than the work they are doing on our behalf or as required by law.

The types of information disclosed may include personal information we collect as necessary to service your policy or account, investigate and pay claims, comply with state and federal regulatory requests or demands, and process other transactions that you request. Third parties that receive disclosures may include your independent agent, regulators, reinsurance companies, fraud prevention agencies, or insurance adjusters.

How Long We Retain Your Information

We generally retain your information as long as reasonably necessary to provide you services or to comply with applicable law and in accordance with our document retention policy. We may retain copies of information about you and any transactions or services you have used for a period of time that is consistent with applicable law, applicable statute of limitations or as we believe is reasonably necessary to comply with applicable law, regulation, legal process or governmental request, to detect or prevent fraud, to collect fees owed, to resolve disputes, to address problems with our services, to assist with investigations, to enforce other applicable agreements or policies or to take any other actions consistent with applicable law.

In some circumstances we may anonymize your personal information (so that it can no longer be associated with you) for research or statistical purposes, in which case we may use this information indefinitely without further notice to you. This allows the specific information collected (name, email, address, phone number, etc.) to become anonymous, but allows Auto-Owners to keep the transaction or engagement data.

Changes to the Privacy Policy

We will provide a notice of our privacy policy as required by law. This policy may change from time to time, but you can always review our current policy by visiting our website at www.auto-owners.com/privacy or by contacting us.

ADDITIONAL INSURED - DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
CITY OF NEW SMYRNA BEACH/
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

1. In the performance of your ongoing operations; or
2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance**:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

 © Insurance Services Office, Inc., 2012

EXCLUSION OF CERTIFIED ACTS OF TERRORISM and IMPORTANT INFORMATION REGARDING TERRORISM RISK INSURANCE COVERAGE

It is agreed:

1. The following definition applies:

   Certified act of terrorism means any act certified by the Secretary of the Treasury, in consultation with:

   a. the Secretary of Homeland Security; and
   b. the Attorney General of the United States

   to be an act of terrorism as defined and in accordance with the federal Terrorism Risk Insurance Act of 2002 (including ensuing Congressional actions pursuant to the Act).

   Under the federal Terrorism Risk Insurance Act of 2002 (including ensuing Congressional actions pursuant to the Act) a terrorist act may be certified:

   a. if the aggregate covered commercial property and casualty insurance losses resulting from the terrorist act exceed $5 million; and

   b. **(1)** if the act of terrorism is:

      a) a violent act; or

      b) an act that is dangerous to human life, property or infrastructure; and

   (2) if the act is committed:

      a) by an individual or individuals as part of an effort to coerce the civilian population of the United States; or

      b) to influence the policy or affect the conduct of the United States government by coercion.

2. The following exclusion is added:

   We shall not pay:

   a. for any loss caused directly or indirectly by a **certified act of terrorism**, whether or not any other cause or event contributed concurrently or in any sequence to the loss.

   b. sums any insured becomes legally obligated to pay because of or arising out of bodily injury, property damage, personal injury or advertising injury, if covered by this insurance, caused by a **certified act of terrorism**.

All other policy terms and conditions apply.

IMPORTANT INFORMATION REGARDING TERRORISM RISK INSURANCE COVERAGE

The Terrorism Risk Insurance Act of 2002 was signed into law on November 26, 2002. The Act (including ensuing Congressional actions pursuant to the Act) defines an act of terrorism, to mean any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be (i) an act of terrorism; (ii) to be a violent act or an act that is dangerous to human life, property or infrastructure; (iii) to have resulted in damage within the United States or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and (iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

At your request, this policy does not provide insurance coverage for certified acts of terrorism as defined in the Act. "Excluded" is shown on the Declarations page under this coverage. In the event of a certified act of terrorism, future policies also may include a government assessed terrorism loss risk-spreading premium in accordance with the provisions of the Act.

Ordinance No. 13-23 Chapter 2 Sec 2-86 Board Member Absences.pdf
Res 56-24 Excused Absence Vice Mayor Perrine 9.24.24.pdf

ORDINANCE NO. 13-23

AN ORDINANCE OF THE CITY OF NEW SMYRNA BEACH AMENDING THE CODE OF ORDINANCES; AMENDING ARTICLE III, SECTION 2-86, TO CLARIFY THE EXCUSAL PROCESS FOR CITY COMMISSIONER ABSENCES FROM MEETINGS; PROVIDING FOR CODIFICATION; PROVIDING FOR PUBLIC HEARING; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, City staff has requested an administrative text amendment to Section 2-86 of the City Code of Ordinances, to clarify the excusal process for city commissioner absences from meetings; and

WHEREAS, it is in the best interest of the City of New Smyrna Beach to establish a clear process related to the excusals; and

WHEREAS, the City Commission deems it is in the best interests of the citizens of the City of New Smyrna Beach to amend Section 2-86 of the City Code of Ordinances, as more particularly set forth hereinafter.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Amendment.*** That New Smyrna Beach Code of Ordinances, Section 2-86, Automatic removal of appointed board members or commission members for failure to attend meeting; is hereby amended to read as follows: **(Note: Omissions from text are indicated by [...], deletions from text are indicated by ~~strikethrough~~ and additions to text are indicated by underline.)**

Sec 2-86. - ~~Automatic removal of appointed board members or commission members for failure to attend meetings~~ Board member absences.

(a) Any member appointed by the city commission to a board of the city that meets monthly who misses more than four regular meetings in a calendar year of the board without excuse shall be automatically removed from that board.

(b) Any member appointed by the city commission to a board of the city that meets quarterly who misses more than two regular meetings in a calendar year of the board without excuse shall be automatically removed from that board.

(c) The city clerk shall determine whether an appointed board member's absence is excused or unexcused and will only excuse absences due to illness, religious observance, or a planned vacations, and ~~so long as~~ notice is given to the clerk at least 24 hours in advance of the meeting, or if a family emergency~~ies~~ arises and notice is given as soon as possible.

(d) In the event a board member has failed to meet the minimum attendance requirements, the city clerk shall notify the city commission at its next regular meeting that the seat on the board has become vacant. Thereafter, the city commission shall fill the unexpired term of the vacant seat.

(e) At the time of a board member's appointment, the city clerk shall notify the appointee in writing of the provisions of this section.

(f) The city commission shall vote to excuse a city commissioner's absence at any regular city commission meeting from which the commissioner is absent if it is due to illness, religious observance, or a planned vacation, and notice is given to the clerk at least 24 hours in advance of the meeting, or if a family emergency arises and notice is given as soon as possible.

SECTION 2: ***Codification.*** Following adoption of this ordinance, the city clerk shall transmit a copy of this ordinance to Municipal Code Corporation of Tallahassee, Florida, to be codified into the City's Code of Ordinance. Municipal Code Corporation's usual and customary fee for said codification service is hereby approved. The provisions of this ordinance are intended to be incorporated into the code of Ordnance of the City of New Smyrna Beach, Florida, and the sections of this ordinance may be renumber, re-lettered, and the word "ordinance" may be changed to "sections, "article," or such other word or phrase in order to accomplish such intention.

SECTION 3: ***Public Hearing.*** That the public hearing considering the adoption of this ordinance shall be held at 6:30 p.m. on February 28, 2023 in the City Commission Chambers at City Hall, 214 Sams Avenue, New Smyrna Beach, Florida, after notice published pursuant to §166.041(3)(a), F.S.

SECTION 4: ***Conflicting Ordinances.*** That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Severability.*** That if any section, sentence, clause or phrase of this ordinance is held invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance.

SECTION 6: ***Effective Date.*** That this ordinance shall take effect immediately upon its final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

DATE: 2/7/2023

Ordinance No. 13-23 of the City of New Smyrna Beach, Florida, was introduced before the City Commission at its Regular Meeting on February 14, 2023, and read by title only. The Second Reading and Public Hearing of the proposed Ordinance would be conducted at the Regular Meeting on February 28, 2023.

Ordinance No. 13-23 was read by title only at the Regular Meeting held by the City Commission on February 28, 2023, Motion was made by Commissioner Martin, and seconded by Commissioner Perrine, that Ordinance No. 13-23 be adopted on second and final reading, the vote thereon being as follows:

MAYOR FRED E. CLEVELAND	Yes
COMMISSIONER JASON MCGUIRK	Yes
COMMISSIONER LISA MARTIN	Yes
COMMISSIONER VALLIE PERRINE	Yes
VICE MAYOR RANDY HARTMAN	Absent

The City Clerk noted the passage of Ordinance No. 13-23 in the minutes of this meeting by its title only and recorded the same in full in the Ordinance Records of the City.

The Mayor of the City of New Smyrna Beach has hereunto set his official signature, duly attested by the City Clerk, and has caused the Official Seal of said City to be hereunto affixed for the purpose of authenticity as required by law.

As Mayor of the City of New Smyrna Beach, Florida

(OFFICIAL SEAL)

As City Clerk of the City of New Smyrna Beach, Florida

ORDINANCE NO. 13-23

RESOLUTION NO. 56-24

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH EXCUSING THE ABSENCE OF VICE MAYOR VALLI PERRINE AT THE SEPTEMBER 24, 2024 CITY COMMISSION REGULAR MEETING; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Vice Mayor Valli Perrine, has advised the City Commission of a scheduling conflict preventing her attendance at the September 24, 2024 regular meeting of the City Commission; and

WHEREAS, Section 2-86, City Code requires the City Commission to vote on whether a City Commissioner's absence is excused; and

WHEREAS, Vice Mayor Perrine has given adequate notice in advance of the city commission meeting scheduled on that date, qualifying the conflict as an excused absence.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: The City Commission finds that Vice Mayor Valli Perrine's absence at the City Commission meeting on September 24, 2024 at 6:30 p.m. is excused in accordance with Section 2-86, City Code.

SECTION 2: This resolution shall take effect immediately upon its adoption.

THE CITY OF NEW SMYRNA BEACH - CRA/ECONOMIC DEVELOPMENT

CONSIDER THE APPROVAL OF A CONTRACT AWARD TO TOPLINE RECREATION, INC. FOR RFP 23-24-CRA MARY AVENUE TOT LOT IMPROVEMENTS PROJECT.

September 10, 2024

Background:

The City of New Smyrna Beach initiated Request for Proposal (RFP) 23-24-CRA for improvements to the Mary Avenue Tot Lot, located at 505 Mary Avenue, aiming to enhance community recreational spaces for children aged 5-12 of all abilities. Released on June 19th, 2024, the RFP sought a qualified contractor to complete the project, with proposals due by July 29th. The city received three proposals from reputable firms: Advanced Recreation Concepts, Lanier DBA Korkat, and Topline Recreation, Inc. An evaluation committee comprising the Capital Projects Improvement Manager, Senior Civil Engineer, and Community Resource Coordinator thoroughly reviewed the proposals. Ultimately, two top firms: Korkat and Topline Recreation Inc. were selected to present their proposals, and the committee recommended awarding the contract to Topline Recreation, Inc., with a bid amount of $140,163.10. Topline Recreation, Inc. has been selected as the lowest responsive bidder, recognized as the most qualified firm that met all bidding requirements and aligns with the city's overall needs.
Staff recommends that the City Commission approve a contract award to Topline Recreation Inc. RFP 23-24-CRA Mary Avenue Tot Lot Improvements Project.

Fiscal Analysis:

This is a federally funded project in the amount of $129,672 for FY 23/24. This is a reimbursement grant. The County of Volusia is a direct recipient of the federal funds and will reimburse the city upon completion of the project (Project #24TLP). CRA has allocated up to $50,000 to support this project.

I. Public Notice

23-24-CRA

Mary Avenue Tot Lot Improvements

The City of New Smyrna Beach, Florida (the "City") is requesting sealed proposals from qualified Contractors to provide playground equipment and installation services as listed in the City's specifications.

This is a federally assisted project and is subject to Federal Labor Standards which include, the Davis-Bacon Act (payment of prevailing wage rates) and the Copeland Act (anti-kickback of wages & submission of weekly certified payroll reports), as well as other provisions including 24 CFR 85.36 (bonding requirements), and Section 3 & M/WBE. Laborers and mechanics employed by primary contractors and sub-contractors performing construction work on this project shall be paid wages at rates not less than the prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act. The prime contractor is responsible for the enforcement of wage compliance and support documentation for the duration of the project and may be held liable for wage restitution. The applicable information regarding the laws and regulations stated above are included in the bid packet.

The award of this contract will be contingent upon the concurrence of the City and funding partners. All required documents shall be completed and submitted through the City's eProcurement Portal.

Solicitation documents can be obtained through the City's eProcurement Portal found at https://procurement.opengov.com/portal/cityofnsb.

II. Introduction

Thank you for your interest in doing business with the City of New Smyrna Beach, Florida.

If you are interested in preparing a response to this solicitation, please read the solicitation package in its entirety prior to submitting a response.

Under Chapter 119, Florida Statutes, all responses to this solicitation shall be considered public record, subject to distribution pursuant to the request for records by any interested party.

For purposes of this solicitation the terms "Consultant" “Proposer,” “Respondent” and/or “Vendor,” are used interchangeably, and are in reference to the person or entity submitting the response to this solicitation.

II.A Summary

The City of New Smyrna Beach shall accept sealed proposals for23-24-CRA Mary Avenue Tot Lot Improvementsfrom qualified Contractors licensed to do business in the State of Florida. The purpose of this Request for Proposal (RFP) is to replace the existing playground equipment for the Mary Tot Lot located at 505 Mary Avenue, New Smyrna Beach, Florida, 32168.

If an award is made it shall be made to the best overall proposer(s) whose proposal is most advantageous to the City, taking into consideration the evaluation factors set forth in this RFP. The City shall not use any other factors or criteria in the evaluation of the proposals received. The successful proposer will hereinafter be referred to as the "Contractor".

II.B Background

The City serves an area of 41.6 square miles in size and serves a population of approximately 32,400. It is located off of Florida’s East Coast, in the County of Volusia, just north of Cape Canaveral with easy access to both Interstate 95 and Interstate 4. The City’s fiscal year begins on October 1st and ends on September 30th.

The City was created in 1887 by adoption of its first charter, which was replaced through Chapter 224.08, Special Acts of Florida, 1943, and subsequently amended, with the most recent update taking effect January 1, 2021.

The legislative branch of the City is composed of an elected five-member City Commission consisting of the Mayor and four Commissioners. The City Commission is governed by the City Charter and by state and local laws and regulations. The City Commission is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Commission-appointed City Manager.

More detailed information on the government and can be found in City of New Smyrna’s Comprehensive Annual Financial Report (CAFR). This report may be viewed on https://www.cityofnsb.com/105/Financial-Reports.

The City of New Smyrna is exempt from any and all state, local and federal taxes.

Recommendation of award to City Commission	August 27, 2024

III. Scope of Services

III.A General Description

The City is requesting sealed proposals from qualified Contractors to provide playground equipment and installation services as listed herein.

The playground related to this project is located at 505 Mary Avenue, New Smyrna Beach, Florida, 32168. The existing playground structure is approximately twenty-three (23) years old. and is need of being updated. The playground defined area (playground borders in place) is approximately 3,600 SF.

This is a turn-key project with the awarded General Contractor being responsible for furnishing new playground equipment, possible shade structure, delivery of all equipment and installation of equipment. Services shall also include any required building permits, inspections, labor, site

prep and necessary materials for construction. Contractor shall furnish and install three (3) benches, see attached specifications of the bench preferred by the City.

The General Contractor will need to have a Structural Engineer sign and seal plans. Playground equipment to be signed and sealed by Professional Engineer hire by Contractor for Building Permit submittal.

Awarded Contractor is required to submit a building permit for approval prior to construction.

III.B Scope of Work

Provide and install a modern playground encompassing as much natural shade as possible. Shall include a primary color themed playground for children age's two (2) to twelve (12) years old. The new playground equipment design and layout should incorporate the latest in playground design philosophy and technology addressing the physical and creative needs of children of multiple ages.

The playground equipment setbacks and fall zone criteria are to be constructed per latest U.S. Consumer Product Safety Commission (CPSC) Public Playground Safety Handbook.

The playground shall be accessible to all children and meet all current ADA compatibility requirements at a minimum, with ADA inclusive features possible within the funding amount. Project includes a 160 LF of rubberized pathway (minimum 36 inches wide, 6 inches thick, or accepted material meeting fall zone criteria for ADA accessible to playground equipment. Cross-slopes must not exceed 2% and running slopes (longitude) to not exceed 5% slopes per ADA. Total rubberized area 515 SF.

Project shall represent New Smyrna Beach with a new modern playground structure that fits in with its surroundings. Project resulting in a low maintenance and high durability is extremely important. Best practices include the following, but not limited to:

- Areas that allow for universally accessible capability
- Areas that include age-appropriate components
- Capture the history of the existing playground and surrounding area
- Playground structure to be placed within existing playground borders

III.C Existing Equipment

The awarded Contractor shall:

- Prep the area for installation of new equipment.
- Remove existing footers and replace with new.
- Install Silt Fence around Construction Limits, which is approximately 250 LF.
- Existing fence sections may be removed to access during construction.
- Replace and return removed fence to original condition.

- Provide three (3) benches, specifications are provided in the Attachment Section of this document.

City Staff shall:

- Remove the existing playground equipment including slides, and swing set.
- Shall remove the existing mulch and replace the mulch once the project has been completed by Contractor.
- Remove existing benches.
- Coordinate with awarded Contractor the necessary trimming of oak trees. Trimming of trees will be completed by the City.

III.D Desired Equipment

The City's vision for the new equipment includes, but not limited to:

- Swing set to include four (4) to six (6) swings. At least one swing being ADA compatible.
- Open slides for main playground equipment with minimum 10 play events
- Movement Inclusive equipment with Play Mat
- Shade over proposed equipment
  Note: Proposals may include a quick release shade canopy incorporated with the equipment for consideration. Minimal enclosed features (no enclosed slides)

III.E Types of Materials for Equipment

The material for the equipment and other areas of the playground should be selected with three primary considerations: Safety, Durability and Maintenance.

Materials selected should be as low maintenance as possible and suited to a saltwater environment. City prefers all new equipment be HDPE. Natural stained or painted wood is ***not*** acceptable.

Proposed materials should be "grippable" by all ages of children and be coated so that they do not become too hot in the exposure to the weather. Consideration should be given to materials that have more longevity given location's close proximity to river and ocean salt air.

- Powder Coated or PVC Coated aluminum or hot dipped galvanized steel.
- PVC or polyethylene sheets or pipes.
- Polyethylene ropes or other similar materials.
- GRFC molds for decks, climbing rocks, etc.

All bolts, nuts, washers, screws and other associated hardware used for playground assembly must be corrosion resistant stainless steel. All play decks shall have textured slip resistant surfaces.

There will be no "water play" type equipment installed on this playground; therefore, please do not include water play equipment in your proposal. Including water play equipment in your proposal could result in your proposal being rejected.

III.F Budget

The City has allocated $158,000 CRA and CDBG funds for this project which includes, but is not limited to the following:

- Building permit fees – reference current Fee Schedule at the City Building Department;
- Signed sealed documents as needed for Building Permit approval;
- Construction in compliance with U.S. Consumer Product Safety Commission as well as ASTM F2373, ADA guidelines and ASTM F1292 – Impact Attenuation;
- Site restoration including periphery area used for staging/storing of materials;
- Insurance per specifications as well as minimum three (3) year labor warranty; fifteen (15) year limited warranty on metal decks, pipes, rungs, rails and loops; twenty (20) year limited warranty on recycled plastic lumber components; and five (5) year limited warranty on nylon-covered cable net climbers and components.

III.G Notes and Requirements

A. There must be removal and cleanup of all debris and construction materials after the equipment is installed.

B. Any deviation from the terms of this RFP must be noted on these bidding documents and explanatory specifications attached to the proposal.

C. The final project will not be accepted until the City of New Smyrna Beach approves the work after the construction has been completed.

D. It will be the responsibility of the contractor, before digging (if needs to be done), to contact local utility agencies.

E. Any disturbed areas shall be sodded.

F. Construction site shall be returned to the condition it was in prior to construction starting. Contractor is responsible for repairing all damages to site.

G. In the event that any specification stated in this request for proposal conflicts with State and/or Federal laws, the State and/or Federal Laws shall prevail.

H. Any excess dirt as a result of construction and/or installation is to be removed from the site. Removed dirt shall be properly disposed of according to federal, state, and local laws that may apply.

I. All site preparation is the responsibility of the contractor.

J. Must be a licensed contractor in Volusia County.

K. This is a federally assisted project and is subject to Federal Labor Standards which include, the Davis-Bacon Act (payment of prevailing wage rates) and the Copeland Act (anti-kickback of wages & submission of weekly certified payroll reports), as well as other provisions including 24 CFR 85.36 (bonding requirements), and Section 3 & M/WBE. Laborers and mechanics employed by primary contractors and sub-contractors performing construction work on this project shall be paid wages at rates not less than the prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act. The prime contractor is responsible for the enforcement of wage compliance and support documentation for the duration of the project and may be held liable for wage restitution. The applicable information regarding the laws and regulations stated above are included in the bid packet.

L. Prior to construction, awarded Contractor must call 811 to locate existing Utilites.

III.H Additional Considerations

The playground area has electrical service available to it from the pavilion and restroom facility nearby. Water fountain(s) are available outside the restroom facility as well.

III.I Contract

It is the City's intent to enter into one agreement with one company to complete the project within one hundred twenty days.

A contract resulting from this solicitation shall be subject to the terms and conditions set forth in a standard City agreement. The City reserves the right to include in any contract document such terms and conditions as it deems necessary for the proper protection of the rights of the City. The City shall not be obligated to sign any contracts, maintenance and/or service agreements or other documents supplied by the Professional Consultant.

The City of New Smyrna Beach reserves the right to evaluate the proposals received and award the most responsive and responsible proposer as determined to be in the best interest of the City and their funding partners.

Contract Negotiations: After the ranking is completed, the City will attempt to negotiate an agreement with the top ranked firm or individual which is determined to be in the best interest of the City. The agreement will cover all aspects of the scope of services as described herein. If no agreement is reached with the top ranked firm or individual, negotiations will be terminated and initiated with the next-ranked firm or individual, and so on, until an agreement is reached.

The selected Consultant shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

Assignment: The awarded Contractor shall not assign, transfer, convey, sublet or otherwise dispose of this contract, or of any or all of its rights, or interest therein, or his or its power to

execute such contract to any person, company or corporation without prior written consent of the City.

IV. Minimum Qualifications

IV.A Minimum Qualifications

The successful Firm/Contractor must:

- Be a successful and experienced playground design and construction firm.
- Experienced with similar projects for municipal governments.
- Provide applicable bond documents, when required.
- Financial Capacity: The Bidder may be required to provide financial performance information upon request by the City. The financial information must be received by the City within five Days (5) of Bidder receiving the written request. Submittals requested pursuant to this subsection may be in addition to those required elsewhere.
- Be currently certified, licensed and authorized to work in the State of Florida
- Active registration on Sams.gov
- Qualified staff capable of performing the required services.
- Insured and meeting insurance requirements applicable to perform the services.

Proposers that do not meet the minimum requirements as determined by the City, at its sole discretion, will be deemed non-responsive and not considered for award. All decisions made by the City are final.

IV.B Licenses and Certificates

Respondents are required to possess the correct professional license, and any other authorizations necessary to carry out and perform the work in accordance with the specifications pursuant to all applicable Federal, State and Local Law, Statute, Ordinances, and rules and regulations of any kind.

If required and/or requested, copies of the required licenses must be submitted with the solicitation response indicating that the entity proposing, as well as the team assigned to the City account, are properly licensed to perform the activities or work included in the contract documents.

V. General Terms and Conditions

V.A Ambiguity, Conflict, or Other Errors in the Solicitation

If a respondent discovers any ambiguity, conflict, discrepancy, omission, or other error in the solicitation, the respondent shall immediately notify the Purchasing Department, noted herein, of such error in writing and request modification or clarification of the document. The City shall make modifications by issuing an addendum through the City's e-Procurement portal. No interpretation shall be considered binding unless provided in writing by the City of New Smyrna Beach.

The respondent is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the solicitation prior to submitting the proposal or it shall be waived.

V.B Americans with Disabilities Act

Persons with disabilities needing special accommodation at public meetings should contact the Purchasing Department at 386-410-2654, no later than seven (7) days prior to the appropriate date on which the accommodation is requested.

V.C Assignment

The consultant(s) shall not assign, transfer, convey, sublet or otherwise dispose of this contract, or of any or all of its rights, or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the City.

V.D Bond

The response to this solicitation shall be accompanied by a Security of no less than ten (10 %) percent of the amount of the submitted proposal. Failure of the Proposer to supply same, in the amount and type required, shall automatically render the Proposer as non-responsive resulting in the disqualification from further consideration of their bid response.

The Security Bond shall be submitted in the form of a Bond in the amount of ten (10 %) percent of the total submitted Bid price, made payable to the City of New Smyrna Beach, issued by a surety firm and through a reputable and responsible surety bond agency licensed to do business in the State of Florida.

The surety must be rated as "A" or better as to strength by Best's Insurance Guide, published by A. M. Best Company, Inc., located at 1 Ambest Road, Oldwick, New Jersey 08858. For the latest ratings and Insurance Guide, access www.ambest.com.

In lieu of a Bid Bond, the Proposer may submit cash (U.S. currency only), money order, certified or cashier's check drawn from a national or state bank whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC), in the amount of ten (10%) percent of the total Bid price. Money orders and checks must be made payable to the City of New Smyrna Beach.

The terms of the Security Bond shall be:

A. The Proposer shall enter into an agreement if awarded to the Proposer;

B. The surety (or alternate form of security forfeit) shall be responsible for the costs resulting from the failure of the Proposer to enter into an Agreement if awarded to the Proposer; including the increased costs associated with awarding to the next most responsive, responsible Proposer and costs associated with conducting the solicitation process and letting the agreement;

C. To promptly enter into an agreement to perform the work and furnish the required Performance and Payment Bond, if applicable; and

D. Any interest earned as a result of the City depositing the accepted money order, certified or cashier's check, or cash received as bid security bond into an interest-bearing account, shall be retained by the City.

A copy of the bond must be uploaded with the proposal response in the form of a Bid bond, certified funds or an irrevocable letter of credit in a sum equal to the amount of ten (10%) percent of the amount of the bid proposal. The contractor shall guarantee the total proposal price for a period of 90 days from the date of the proposal opening.

If the contractor selects to submit a cashiers' check or cash bond it must be received by the City no later than 5:00 pm, on Monday, July 29, 2024. Please submit in a sealed envelope to the following address:

City of New Smyrna Beach

210 Sam's Avenue

New Smyrna Beach, Florida 32168

Attention: Purchasing Department

Return of Security Bond: As soon as the bid responses have been evaluated, the City may, at its sole discretion, return or release the bid security bonds accompanying such bid responses, which in its sole judgment, would not likely be considered for award. All other Bid Security Bonds will be held until award of this project and the agreement has been executed by the successful Bidder; after which any remaining Bid Security Bonds will be returned to the respective Bidders. It shall be the sole responsibility of the Bidder to request in writing from the City the return of the Bid Security Bond or alternative form of security used. Bid Security Bond or alternative form of security used shall not be returned unless requested by the Bidder in writing.

V.E Cancellation

The City reserves the right to cancel, in whole or in part, any solicitation when it is in the best interest of the City. Availability of all information related to a cancelled solicitation is subject to Chapter 119, Florida Statutes.

V.F City's Rights

The City of New Smyrna Beach reserves the right to retain all proposals submitted regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the respondent of the conditions contained in this solicitation, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the City of New Smyrna Beach and the awarded firm or consultant.

The City has the sole discretion and reserves the right to cancel or withdraw this solicitation at any time for any reason, to reject any/all proposals, to waive any/all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the best interest of the City to do so.

The City also reserves the right to award a contract based on experience and qualifications or to award only a portion of the services specified, if deemed to be in the City's best interest.

V.G Cone of Silence/Lobbying

Lobbying is defined as any action taken by an individual, firm, association, joint venture, partnership, syndicate, corporation, and/or all other groups who seek to influence the governmental decision of a City Commission Member, the City Manager, any requesting or evaluating Department/Division/Office personnel and/or any member of the Evaluation Committee concerning an active solicitation during the black-out period.

A lobbying black-out period commences upon the issuance of this solicitation document.

If a recommendation to award is presented to City Commission for approval or for a request to provide authorization to negotiate a Contract(s) and the City Commission refers the item back to the City Manager, Procurement Department and/or the requesting Department further review or otherwise does not take action on the item, the Cone of Silence/Lobbying Black-out Period will be reinstated until such time as the City Commission meets to consider the item for action.

Bidders, respondents, potential vendors, service providers, lobbyists, consultants, or vendor representatives shall not contact any City Commission member, the City Manager and/or any member of the evaluation committee concerning an active solicitation during the Cone of Silence/Lobbying Black-out Period.

V.H Conflict of Interest

The award of any contract hereunder is subject to the provisions of Chapter 112, Florida Statutes. Proposers must disclose with their proposal the name of any officer, director, partner, proprietor, associate, or agent who is also an officer or employee of the City or any of its agencies. Further, all proposers must disclose the name of any officer or employee of the City who owns, directly or indirectly, any interest in the Offeror's firm or any of its branches or affiliate companies.

V.I Contract

A contract resulting from this solicitation shall be subject to the terms and conditions set forth in a standard City agreement. The City reserves the right to include in any contract document such terms and conditions as it deems necessary for the proper protection of the rights of the City. The City shall not be obligated to sign any contracts, maintenance and/or service agreements or other documents supplied by the Professional Consultant.

Contract Negotiations: After the ranking is completed, the City will attempt to negotiate an agreement with the top ranked firm or individual which is determined to be in the best interest of the City. The agreement will cover all aspects of the scope of services as described herein. If no agreement is reached with the top ranked firm or individual, negotiations will be terminated and initiated with the next-ranked firm or individual, and so on, until an agreement is reached.

The selected Consultant shall be required to sign a standard City contract within fourteen (14) days of Notice of Selection for Award.

Contract Term: Contract period of one hundred twenty days.

V.J Corporate Standing and Authorized Signatory

The Proposer must demonstrate that the company is in good standing and that the person signing this proposal is an authorized signatory on behalf of the Proposer to negotiate and/or sign contracts, agreements, amendments and related documents to which the Proposer will be duly bound. Examples of satisfactory demonstration documents include:

A. A copy of your Articles of Incorporation listing the approved signatories of the corporation.

B. A letter from a corporate officer listing the members of staff that are authorized signatories for the company.

Failure to sign and witness the Proposer's signature form may result in disqualification of the bid. Please be sure the bid is signed, properly witnessed, and sealed.

V.K Federal and State Tax

The City of New Smyrna Beach is exempt from Federal and State Sales and Use Taxes for tangible personal property. Consultants doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City nor shall any Consultant be authorized to use the City's Tax Exemption Number in securing such materials.

V.L Florida Public Records Act

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that

might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

V.M Foreign Corporation

In accordance with Section 607.150 of the Florida Statutes, and provided an exemption is not available, a foreign corporation may not transact business in Florida until it obtains a certificate of authority from the Florida Department of State.

Foreign corporations may submit bids or proposals prior to obtaining a certificate of authority from the Florida Department of State. A foreign corporation must be in compliance with F.S. 607.150, prior to entering into a Contract with the City.

V.N Governing Law/Jurisdiction

The interpretation, effect, and validity of any contract(s) resulting from this solicitation shall be governed by the laws and regulations of the State of Florida. In the event that a suit is brought for the enforcement of any term of the contract(s), venue of any court action shall be in Volusia County, Florida.

V.O Immigration Reform and Control Act

Proposer acknowledges, and without exception or stipulation, any firm(s) receiving an award shall be fully responsible for complying with the provisions of the Immigration Reform and Control Act of 1986 as located at 8 U.S.C. 1324, et seq. and regulations relating thereto, as either may be amended. Failure by the awarded firm(s) to comply with the laws referenced herein shall constitute a breach of the award agreement and the City shall have the discretion to unilaterally terminate said agreement immediately.

V.P Inquiries

All questions related to this RFP shall be submitted in writing via the OpenGov Question/Answer Tab via the City's e-Procurement portal, on or before 5:00 pm on Monday, July 15, 2024. Please include the section title for each question, if applicable, in order to ensure that questions asked are responded to correctly.

When asking questions, please be sure to enter each question separately.

Proposers must clearly understand that the only official answer or position of the City shall be the one stated in writing by the City. All questions submitted and answers provided shall be electronically distributed to proposers following this solicitation on the City's e-Procurement Portal.

V.Q Joint Ventures

Responders that are intending to submit a bid response as a joint venture are required to have filed proper documents with the Division of Corporations, and/or any other State or local licensing agency prior to submitting a bid response. Please refer to Section 489.119 Florida Statutes.

Joint venture firms must provide an affidavit attesting to the formulation of a joint venture and provide either proof of incorporation as a joint venture or a copy of the formal Joint Venture Agreement between all joint venture parties, indicating their respective roles, responsibilities, and levels of participation for the project.

V.R Judgements/Legal Findings

By submitting a proposal for consideration, the proposer affirms that they currently have no judgements or other legal findings nor have any pending judgements or other legal findings against the company or any of its executives, with any federal, state or local governmental

entities that in any way could impact or have the potential to impact their ability to complete any contract awarded them as a result of this bid. Failure to disclose any such judgments and/or findings will result in the termination of any contracts and other penalties as deemed legal and appropriate by the City.

V.S Legal Requirements

Federal, State, County and local laws, ordinances, rules and regulations that in any manner affect the item(s) covered herein apply. Lack of knowledge by the respondent will in no way be cause for relief from responsibility.

V.T Liability

The City of New Smyrna Beach assumes no responsibility for the cost of preparing a response to this solicitation. The awarded consultant shall hold and save the City of New Smyrna Beach, its officers, agents and employees harmless from liability of any kind in the performance of or fulfilling the requirements of a contract which may result from award of this solicitation.

Neither party shall be held responsible for failure to complete contract due to causes beyond its control, including, but not limited to, work stoppage, fires, civil disobedience, riots, rebellions, Acts of Nature and similar occurrences making performance impossible or illegal.

The Consultant shall hold and save the City of New Smyrna Beach, its officers, agents, and employees harmless against claims by third parties resulting from the Consultant's breach of contract or negligence, including all attorney's fees and costs, and shall pay any and all damages, fees, and costs assessed on behalf of the City. The City expressly reserves all rights, privileges, and benefits of sovereign immunity.

V.U Licenses

The respondent(s) are required to possess the correct professional license, and any other authorizations necessary to carry out and perform the work in accordance with the specifications required by the project pursuant to all applicable Federal, State and Local Law, Statute, Ordinances, and rules and regulations of any kind.

If required and/or requested, copies of the required licenses must be submitted with the solicitation response indicating that the entity proposing, as well as the team assigned to the City account, are properly licensed to perform the activities or work included in the contract documents. A consultant is also required to have a business tax receipt.

If you have questions regarding required professional licenses and business tax receipt, contact the Building Department at (386) 410-2865.

V.V Method of Source Selection

The City of New Smyrna Beach is using the competitive sealed proposal methodology of source selection for this procurement, as authorized by the City Purchasing Policy.

V.W On-line Provider Disclaimer

It is recommended that respondents register and maintain their registration with OpenGov at www.OpenGov.com. This is a third-party provider that provides a platform to communicate solicitation information to the Public. OpenGov does not represent the City nor does communications through this provider constitute communications to the City. The City of New Smyrna Beach is not responsible for errors and omissions occurring in the transmission or downloading of any documents from the online website. In the event of any discrepancy between information on this website and the hard copy specifications, the terms of the hard copy specification will control.

V.X Opening of Proposals

Sealed proposals will remain sealed until the time of opening listed in Section II of this document. Through Microsoft Teams, the received proposals will be publicly opened, and the proposers' names read aloud at that time. It is important to note that this is public meeting, and the meeting will be recorded.

Proposers may contact the City's Purchasing Agent to obtain information to view the live bid opening. No discussion of the Proposals will occur at this time.

V.Y Payment

Florida Statute 218.70, et seq, known as the "Florida Prompt Payment Act" sets forth "the policy of this state that payment for all purchases by local governmental entities is made in a timely manner". This is also the policy of the City of New Smyrna Beach. The City expects prompt and accurate service from our consultants/vendors, and it shall pay their invoices promptly and accurately.

V.Z Pre-Proposal Meeting

A non-mandatory pre-proposal conference shall be held Friday, June 28, 2024 commencing promptly at 10:00 am, and shall be held in the 505 Mary Avenue, New Smyrna Beach, Florida, 32168, followed by mandatory site visit, which shall be held at 505 Mary Avenue, New Smyrna Beach, Florida, 32168. This will be the only opportunity to tour these facilities in connection with this solicitation.

The purpose of the pre-proposal conference is to allow an open forum for discussion and questioning with City staff regarding the solicitation with all prospective proposers having an equal opportunity to hear and participate. Oral questions shall receive oral responses, neither of which shall be official, nor become part of the solicitation. Only written responses to written questions shall be considered official and shall be included as part of the solicitation through the Question/Answer tab on OpenGov.

The City shall not be responsible for additional compensation if the respondent does not acquaint themselves with all the available conditions and information nor shall it relieve the respondent from any responsibility for properly performing the work.

The City may choose to call for additional pre-proposal site visit(s) if, in the sole judgment of the City, there is a need for such site visit(s) in order to promote competition.

This pre-proposal conference is denoted as "mandatory," so prospective proposers must be present in order to submit a proposal response.

V.AA Principals/Collusion

By submission of this proposal, the undersigned, as proposer, does declare that the only person or persons interested in this solicitation as principal or principals is/are named therein and that no person other than therein mentioned has any interest in this solicitation or in the contract to be entered into; that this proposal is made without connection with any person, company or parties submitting a proposal, and that it is in all respects fair and in good faith without collusion or fraud.

V.BB Prohibition of Gifts to City Employees

No organization or individual shall offer or give, either directly or indirectly, any favor, gift, loan, fee, service or other item of value to any City employee, as set forth in Chapter 112, Part III, Florida Statutes, the current City Ethics Ordinance, and City Administrative Policy. Violation of this provision may result in one or more of the following consequences:

A. Prohibition by the individual, firm, and/or any employee of the firm from contact with City staff for a specified period of time;

B. Prohibition by the individual and/or firm from doing business with the City for a specified period of time, including but not limited to: submitting bids, RFP, and/or quotes and;

C. Immediate termination of any contract held by the individual and/or firm for cause.

V.CC Proposal, Presentation, and Protest Costs

The City shall not be liable in any way for any costs incurred by any proposer in the preparation of its bid in response to this RFP, nor for the presentation of its bid and/or participation in any discussions, negotiations, or, if applicable, any protest procedures.

V.DD Proposal Due Date

Submittals shall be received prior to 5:00 pm on Monday, July 29, 2024. Submittals shall be submitted through the City's e-Procurement Portal.

Submittals received after the designated time will not be permitted or accepted. There is no expressed or implied obligation for the City of New Smyrna Beach to reimburse responding firms for any expenses incurred in preparing proposals in response to this request.

V.EE Protest Procedures

1) Respondents who do not agree with the City's recommendation for award shall be afforded the opportunity to protest the recommendation by submitting written notice to the Purchasing Division. Proposals not meeting the minimum published requirements, including specifications, scope of service, or required documents, are not subject to protest.

2) Such notice shall be given within three (3) business days after the City posts its notice of intent to award.

3) A formal written protest shall be made to the Purchasing Division within five (5) working days after filing the notice of protest, which shall state the grounds for the protest and the action requested.

4) The formal written protest shall include with it a bid protest bond in the amount of one percent (1%) of the estimated contract amount, as provided in Florida Statutes § 287.042(2)(c) and Rule 28-110.005 of the Florida Administrative Code. The notice of protest must be either hand-delivered and date and time stamped by the Finance Department, or sent via Certified U.S. mail, return receipt requested. Failure to file a protest within the timeframe specified herein shall constitute a full waiver of all rights to protest the City's decision regarding award of the bid. For full bid protest guidance, consult Section 9.1, Notice of Protest, of the City of New Smyrna Beach's purchasing policy.

V.FF Public Entity Crimes

Pursuant to Section 287.133(12)(a) of the Florida Statutes, "A person or affiliate, who has been placed on the convicted vendor list following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO ($25,000) for a period of 36 months from the date of being placed on the convicted vendor list."

V.GG Relation of City

It is the intent of the parties hereto that the consultant shall be legally considered an independent consultant, and that neither the consultant nor their employees shall, under any circumstances, be considered employees or agents of the City, and that the City shall be at no time legally responsible for any negligence on the part of said consultant, their employees or agents, resulting in either bodily or personal injury or property damage to any individual, firm, or corporation.

V.HH Requesting the Solicitation Document

The City of New Smyrna Beach Purchasing Department is the official source to obtain information relating to the City solicitations.

All documents regarding this solicitation are posted utilizing an online bid management system, OpenGov. There is no charge to register with OpenGov and/or to participate in the solicitation process.

V.II Requests for Clarification

The City may, as it deems necessary, conduct discussions with responsible respondents for the purpose of clarification to assure full understanding of, and responsiveness to solicitation requirements.

Requests by the Purchasing Coordinator to a proposer(s) for clarification of a submittal(s) shall be in writing. Proposer's failure to respond to request for clarification may deem proposer to be non-responsive and may be just cause to reject its proposal.

V.JJ Single Proposal

Each Proposer must submit, with their bid, the required forms included in this solicitation. Only one proposal from a legal entity as a primary shall be considered. A legal entity that submits a proposal as a primary or as part of a partnership or joint venture submitting as primary may not then act as a sub-consultant to any other firm submitting under the same solicitation.

All submittals in violation of this requirement shall be deemed non-responsive and rejected from further consideration.

V.KK State Registration Requirements

Any corporation submitting a proposal in response to this solicitation shall either be registered or have applied for registration with the Florida Department of State in accordance with the provisions of Chapter 607, Florida Statutes. A copy of the registration/application may be required prior to award of a contract.

Any partnership submitting a response to this Solicitation shall have complied with the applicable provisions of Chapter 620, Florida Statutes. For additional information on these requirements, please contact the Florida Secretary of State's Office, Division of Corporations at (800) 755-5111 or visit the following website: (http://www.dos.state.fl.us).

V.LL Termination

Termination for Convenience: The City reserves the right to terminate the Agreement in whole or part at any time without penalty or cause, which termination date shall not be less than thirty (30) days after the date of such written notice. Upon receipt of the written notice, the Contractor shall immediately stop all work as directed in the notice, notify all subcontractors of

the effective date of the termination and minimize all further costs to the City. In the event of termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and delivered to the City. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed, and materials accepted before the effective date of termination. Such compensation shall be the Contractor's sole remedy against the City in the event of termination under this provision.

Termination for Cause or Default: The City reserves the right to terminate the Agreement in whole or in part due to the failure of the Contractor to comply with any term or condition of the Agreement, including failure to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Agreement. The City shall provide written notice of the termination and the reasons for it to the Contractor. Upon termination under this provision, all goods, materials, documents, data and reports prepared by the Contractor under the Agreement shall become the property of and be delivered to the City on demand. The City may, upon termination of the Agreement, procure, on terms and in the manner that it deems appropriate, materials, or services to replace those under the Agreement. The Contractor shall be liable to the City for any excess costs incurred by the City in re-procuring the materials or services.

Contractor's Right to Terminate: If the work should be stopped for a period of three (3) months, under any order of any court or public authority, other than by the Owner, through no act of fault of the Contractor or of anyone employed by the Contractor, then the Contractor may, upon thirty (30) days written notice to the Owner, terminate the Contract and recover from the Owner payment for all work executed and any expense sustained plus a reasonable profit thereon.

Force Majeure:

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God

b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)

c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest

d) Government order or law

e) Actions, embargoes or blockades in effect on or after the date of this Agreement

f) Action by any governmental authority

g) National or regional emergency

h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and

i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said event shall not prevent CONTRACTOR from timely performing its functions under this Agreement.

V.MM Title VI

No person shall on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992 and other nondiscrimination authorities, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity of the City of New Smyrna Beach.

V.NN Validity of Submittal

Submittals cannot be withdrawn after they are filed unless the respondent makes their request in writing to the City prior to the time set for the closing of RFP.

All submittals shall be valid for a period of one hundred eighty (180) days from the submission date to accommodate evaluation and selection process.

VI. Construction Terms and Conditions

VI.A Clean-up

The Contractor shall keep the construction site free of rubbish and waste materials and shall restore to it to its original condition or better those portions of the site disrupted by the construction. Clean-up and restoration shall be accomplished on a continuing basis throughout the contract period and in such a manner as to maintain a minimum of nuisance and interference to the Owner, residents, and works at or adjacent to the project site. The

Contractor shall also remove, when no longer needed, all temporary structures and equipment used in his operations. It is the intent of this specification that the construction areas and those other areas not designed for alteration by the contract documents shall be restored to their original condition as nearly as possible.

VI.B Conditions of Work

Each proposer shall have read and be thoroughly familiar with the drawings, specifications and other Contract Documents. Failure to do so shall not relieve the successful proposer of his obligation to furnish all labor, materials and equipment necessary to carry out the previsions of the Contract Documents and to complete the contemplated work for the consideration set forth in his bid. No effort is made to emphasize any particular provision of the Contract, but proposers must familiarize themselves with every provision and its effect. The Owner makes no representations other than those stated or shown directly in the Contract Documents.

In case there is any item in the drawings, specifications or other Contract Documents which is not clear to the propose or which may, in the Contractor's opinion, be impossible to comply with, the proposer is urged to immediately notify the City by submitting all inquiries via the City's e-Procurement Portal, located at https://procurement.opengov.com/portal/cityofnsb.. If it is considered necessary and time permits, an addendum shall be forwarded to each holder of the drawings and specifications to clarify the question.

The proposer, by and through the submission of this bid, agrees that it shall be held responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and underground obstructions, the nature of the ground water conditions and all other physical characteristics of the work, in order that it may include in the prices which it bid, all costs pertaining to the work and thereby provide for the satisfactory completion thereof, including the removal, relocation or replacement of any objects or obstructions which shall be encountered in doing the proposed work.

VI.C Existing Underground Utilities

Representation of underground utilities is shown from information received from the various utility owners. The locations or elevations of utilities are not represented to be exact and are shown for the convenience of the Contractor. The Contractor shall contact the utility owner concerned for any available additional information and coordinate his construction activities accordingly. The utilities known to exist are listed in the Supplemental General Conditions, along with a list of their Owners. Any cost incurred for the protection of and/or damages to existing underground utilities shall be considered as part of the applicable Contract price for stage excavation and backfill and no additional compensation shall be paid to the Contractor. If, in the judgment of the Engineer, it is impossible to construct a given improvement in the location shown on the drawings as a result of underground utility or utilities, either the utility owner shall move the existing underground utility, or an appropriate Change Order shall be executed for the moving by the Contractor.

The following is a list of utilities, which may be located within the public rights-of-way of the City of New Smyrna Beach:

- Gas Mains – Florida Public Utilities Company
- Electric and Power Lines and Underground Cable - Utilities Commission, City of New Smyrna Beach
- Telephone Lines and Underground Cable - AT&T
- Water Mains and Sanitary Sewers - Utilities Commission City of New Smyrna Beach, Florida
- Storm Sewers - City of New Smyrna Beach, Florida
- Cable TV and Underground Cable - Spectrum

Prior to construction, awarded Contractor must call 811 to locate existing Utilites.

VI.D Inspection and Testing of Materials and Equipment

If applicable, the Contractor shall pay for all laboratory or environmental tests required at the project site or all laboratory tests required on material already delivered to the site. Copies of test or certifications on pipe, brick or other materials made at the factory shall be furnished in triplicate to the Engineer. The Engineer shall approve test reports on equipment before the equipment covered by the test is delivered to the project site. Test requirements are set out in the detailed specifications for the particular material.

VI.E Notice to Proceed

When the Contract has been executed on the part of the Owner, it shall be forwarded to the Contractor together with the Notice to Proceed. The Notice to Proceed shall include the time for completion. The Contractor shall begin construction operations at the site within ten (10) days after the date of such notice. The contact time shall begin ten (10) days after the date of the Notice to Proceed.

VI.F Payments to the Contractor

Monthly Payments to the Contractor: The Contractor shall plan his work for construction on the basis of monthly pay periods. So long as the work is prosecuted in compliance with the provisions of the contract, the Contractor shall, on or about the last day of the pay period, make an approximate estimate, in writing on a form approved by the Engineer, of the proportionate value of the work done, items and locations of the work performed up to and including the last day of the period then ending. The Contractor is responsible for all payments for stored material, and no payment shall be included in the Pay Request for stored materials. The Engineer shall then review said estimate and make the necessary revisions so that the estimate can receive his approval. If the Contractor and the Engineer do not agree on the approximate estimate of the proportionate value of the work done for any pay period, the determination of the Engineer shall

be binding. The amount of said estimate, after deducting the retainage and all previous payments, shall be due and payable to the Contractor within thirty (30) days after presentation of the estimate to the Owner. Any Periodical Pay Estimate signed by the Contractor shall be final as to the Contractor for any or all work covered by the Periodical Pay Estimate.

Contractor's Warranty of Title:

A. The Contractor warrants and guarantees that title to all work, materials and equipment covered by an application for payment, whether incorporated in the project or not, shall pass to the Owner at the time of payment, free and clear of all liens, claims, security interests and encumbrances (hereafter referred to as "Liens" in these General Conditions).

B. The Contractor agrees to furnish an affidavit stating that all laborers, materialmen and subcontractors have been paid on the project for work covered by the application for payment and that a partial or complete release of lien, as may be necessary, be properly executed by the material men, laborers and subcontractors on the project for the work covered by the application for payment, sufficient to secure the Owner from any claim whatsoever arising out of the aforesaid work.

Correction of Work Before Final Payment:

A. The Contractor shall promptly remove from the premises all material condemned by the Engineer as failing to conform to the Contract whether incorporated in the work or not, and the Contractor shall promptly replace and re-execute his own work in accord with the Contract and without expense to the Owner and shall bear the expense of making good all work of other Contracts destroyed or damaged by such removal or replacement.

B. If the Contractor does not remove such condemned work and materials within a reasonable time, fixed by written notice, the Owner may remove them and may store the materials at the expense of the Contractor. If the Contractor does not pay the expense of such removal within ten (10) days time thereafter, the Owner may, upon ten (10) days written notice, sell such materials at auction or at private sale and shall account for the net proceed thereof after deducting all the cost and expenses that should have been borne by the Contractor.

Liens: Neither the final payment nor any part of the retained percentage shall become due until the Contractor shall deliver to the Owner a complete release of all liens arising out of this Contract, or receipts in full in lieu thereof. In addition, thereto, in either case, the Contractor shall provide an affidavit that so far as the Contractor has knowledge or information, all includes receipts or releases for all the labor and material for which a lien could be filed. The Contractor may, should any subcontractor refuse to furnish a release or receipt in full, furnish a bond satisfactory to the Owner to indemnify that payments are made. The Contractor shall refund to the Owner all money payments that the latter may be compelled to pay in discharging such a lien, including all interest, costs, and reasonable attorney's fees.

Final Inspections: When the Contractor has completed the work in compliance with the terms of Contract Documents, the Contractor shall notify the Engineer in writing that the project is ready for final inspection.

The City shall then advise the Contractor as to the arrangements for final inspection and what work, if any, is required to prepare the project or a portion thereof for final inspection. When the Engineer determines the project or portion thereof is ready for final inspection, the Engineer shall perform the same. Upon completion of the final inspection, the City shall prepare a list of errors of either commission or omission by the Contractor, reasonably observable, and determined under the conditions governing and restricting said final inspection. When all such errors have been corrected, a final re-inspection shall be made. The process shall be repeated until, in the opinion of the City, the project has been completed in compliance with the terms of the Contract Documents as can best and reasonable be observed and determined under the conditions governing and restricting said final inspection. The Engineer shall, pursuant to such inspection and re-inspection, certify to the City as to the completion of the final inspection. It is understood that the certification covers only those items which can be physically inspected, and the Engineer's certification indicates compliance within the standards of the construction industry, as interpreted by the Engineer.

Final Acceptance: When the City shall certify the completion of the final inspection, the Contractor may make request for final payment. With the request for final payment, the Contractor shall furnish evidence satisfactory to the Owner's legal advisors that the Contractor has fully paid all debts for labor, materials and equipment incurred in connection with the work. The Contractor must provide all evidence required by the Contract to assure the Owner of complete compliance with all terms of the Contract. When the Owner has acknowledged the compliance with the terms of the Contract, and has received certification of final inspection, the Owner shall notify the Contractor of final acceptance by the Owner. The date of final acceptance shall be assumed as the date of final completion of the project, unless the Owner, with the Contractor, has made previous agreement.

Final Payment: When the Owner has made final acceptance, the City shall then review the amount of final request for payment and certify the amount of this approval. Upon approval by the Engineer, the Owner shall make final payment of the contract amount, plus all approved additions, less approved deductions and previous payments made.

Termination of Contractor's Responsibility: The Owner shall consider the Contract complete when all work has been finished, the final Inspection certified by the City, and the project finally accepted in writing. The Contractor's responsibility shall then terminate except as otherwise required and set out in the Contract Documents.

VI.G Preconstruction Conference

Prior to starting the work, a preconstruction conference shall be held to review the work schedules, to establish procedures for processing periodical pay estimates, and such other matters as may be pertinent to the project.

VI.H Progress and Control of the Work

Schedules and Progress Reports: The Contractor must submit a proposed schedule of the work at the preconstruction conference. The purpose of this schedule is to enable the Owner to govern the work, to protect the functions of the local government and its citizens, and to aid in providing appropriate surveillance. The Owner shall have the right to reschedule work provided such rescheduling is in accordance with the remainder of the terms of this Contract. The schedule shall show, as a minimum, the approximate dates on which each segment of the work is expected to be started and finished, the anticipated earnings by the Contractor for each month, and the approximate number of crews and equipment to be used. The Engineer shall review and approve the schedule. If rescheduling is needed then a new updated schedule should be provided to the Engineer for approval. The Contractor shall also forward to the Owner, as soon as practicable after the first day of each month, a summary report of the progress of the various parts of the work under the Contract, stating the existing status, estimated time of completion, and cause of delay, if any. Together with the summary report, the Contractor shall submit any necessary revisions to the original schedule for the Engineer's review and approval. The Engineer, for purpose of evaluation, may require additional more detailed schedules.

Approval of Subcontracts:

A. The Contractor shall, as soon as practicable after the signing of the Contract, notify the Owner in writing of the names of subcontractors, including material suppliers proposed for the work, and shall not employ any that have not been approved by the Owner.

B. The Contractor agrees to be fully responsible to the Owner for the acts and omissions of subcontractors and for payment of services rendered by the subcontractor.

C. Nothing contained in the contract Documents shall create any contractual relationship between any subcontractor and the Owner.
The Contractor shall furnish the Owner copies of any and all contracts entered into with subcontractors for performance of any work identified in the Contract Documents.

Prosecution of Work:

A. The work shall be prosecuted at such time and in or on such part or parts of the project with such forces of workmen, materials, and equipment as may be ordered by the Engineer, in writing, to complete the project as contemplated in the drawings, specifications, Contract, and schedules. If, at any time, the materials and equipment to be used appear to the Engineer as insufficient or improper for securing the quality of work required, or the required rate of progress, he may order the Contractor to increase his efficiency or to improve the character of his work, and the Contractor shall conform to such an order. The failure of the Engineer to demand any increase of such efficiency or any improvement shall not release the Contractor from his obligation to secure the quality of work or the rate of progress necessary to complete the work within the limits imposed by the Contract.

B. Contractor shall perform the work and take such precautions as he may deem necessary to complete the project so all work shall be in first-class and acceptable condition within the Contract time according to the schedule.

Workmanship, Material, and Workmen:

A. Unless otherwise stated in the detailed specifications, all workmanship, materials, and articles incorporated in the work covered by this Contract shall be of the most suitable grade of their respective kinds for the purpose and acceptable to the Engineer. The Engineer shall decide the question of quality where the expression “or approved equal” is used in the specifications following reference to a specific manufacturer of equipment or materials. If the contractor wishes to make a substitution request for an alternate material or installation procedure, he will need to present to the Engineer for approval prior to proceeding with said alternate. Samples of materials shall be submitted for approval when so directed. Machinery, materials, articles installed or used, or unusual methods of work used without such approval shall be at the risk of subsequent rejection.

B. The Engineer or the Owner may require the Contractor to remove from the work such employees as the Engineer or the Owner deems incompetent, careless, insubordinate, or otherwise objectionable, or whose continued employment on the work is deemed to be contrary to the Owner’s interest.

Delays and Extension of Time:

A. If the Contractor is delayed at any time in the progress of the work by any act or neglect of the Owner or his employees, or by any other Contractor employed by the Owner, or by changes ordered in the work, or by strikes, fire, lockouts, unusual delay in transportation, unavoidable causalities or by delay authorized by the Owner pending arbitration, or by any cause which the Owner shall decide to justify the delay, then the time of completion may be reasonably extended by the Owner.

B. No extension shall be made for delay unless notice of a claim is made by the Contractor in writing to the Owner within seven (7) days of the event or incident causing the delay and as otherwise provided by the definition of “notice”, referenced in "Definitions and Terms".

C. The article does not exclude the recovery of damages for delay by owner under the liquidated damages clause.

D. *NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME SHALL BE MADE OR ASSERTED AGAINST THE CITY BY REASON OF ANY DELAYS.* The CONTRACTOR shall not be entitled to an increase in the Contract Sum or payment or compensation of any kind from the City for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference or hindrance from any cause whatsoever; provided, however, that this provision shall not preclude recovery or

damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith or active interference on the part of the City or its agents. Otherwise, the CONTRACTOR shall be entitled only to extensions of the Contract Time as the sole an exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

VI.I Rights and Responsibilities of the Owner During Construction

Surveys and Lands for Work:

A. The Owner shall provide the lands upon which the work under this Contract is to be done; additional land will not be provided for storing materials.

B. Except that the Contractor shall provide all necessary additional land required for the erection of temporary construction facilities and storage of his material, together with right-of-access to the same. The Owner shall furnish all land surveys for this project.

C. The Contractor shall provide the Owner the information as to where material(s) are stored, the right of access to the material(s), and if applicable, keys to access locked areas.

Use of Completed Portions: The Owner shall have the right to take possession of and use any completed portions of the work, although the time for completing the entire work or such portions may not have expired, but such taking possession and use shall not be deemed an acceptance of any work not completed in accordance with the Contact Documents.

The Owner's Right to Do Work: If the Contractor should neglect to prosecute the work properly or fail to perform any provision of this Contract, the Owner, after seven (7) days written notice to the Contractor, may, without prejudice to any other remedy available to the Contractor, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due the Contractor.

Right to Retain Imperfect Work: If any part or portion of the work done or material furnished under this Contract shall prove defective and not in accord with the plans and specification, and if the Owner decides that any part or portion of the imperfect work is not of sufficient magnitude or importance as to make the work dangerous or undesirable, or if the Engineer decides that removing the work is warranted for whatever reason, then the owner has the right to reject and hold the contractor accountable for its removal and corrective action.

Suspension of Work:

A. If the work is defective, or the Contractor fails to supply sufficient skilled workmen or suitable materials or equipment, or if the Contractor fails to make prompt payments to subcontractors or for labor, material, or equipment, or if the Contractor fails to comply with work schedules, the Owner or Engineer may order the Contractor to stop all work, or any portion thereof, and terminate payments to the Contractor until the cause for such order has been eliminated. No extension of contract time shall be allowed for this suspension.

B. The Owner or Engineer may, at any time and without cause, suspend the work or any portion thereof for a period of not more than ninety (90) days by notice in writing to the Contractor, which notice shall fix the date on which the work shall be resumed. The Contractor shall resume the work on the date so fixed. The Contractor shall be allowed an increase in contract price or an extension of the contract time directly attributable to any suspension if he makes a claim therefore as provided in the section of this Contract titled: Progress and Control of Work - Delays and Extension of Time.

Termination of the Contract:

A. If the Contractor is adjudged as bankrupt or insolvent, or if makes a general assignment for the benefit of his creditors, or if a trustee or receiver is appointed for the Contractor or for any of his property, or files a petition to take advantage of any debtor's act, or to reorganize under the bankruptcy or similar laws, or if repeatedly fails to supply sufficient skilled workmen or suitable materials or equipment, or repeatedly fails to make prompt payments to subcontractors for labor, materials, or equipment, or disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction, or disregards the authority of the Engineer, or otherwise violates any provision of the Contract Documents, then the Owner may, without prejudice to any other right or remedy and after giving the Contractor and the Contractor's surety seven (7) days written notice, terminate the services of the Contractor and take possession of the project and of all materials, equipment, tools, construction equipment, and machinery thereon owned by the Contractor, and finish the work by whatever method the Owner may deem expedient. In cases where the actual cost of the work to be done by the Owner exceeds the amount in the Performance Bond, then the Contractor shall pay such to the owner.

B. Where the Contractor's services have been so terminated by the Owner, said termination shall not affect any rights of the Owner against the Contractor then existing or which may thereafter accrue. Any retention or payment of monies by the Owner due the Contractor shall not release the Contractor from liability.

C. Upon seven (7) days written notice to the Contractor, the Owner may, without cause and without prejudice to any other right or remedy, elect to abandon the project and terminate the agreement. In such case, the Contractor shall be paid for all work executed and any expense sustained plus a reasonable profit not to exceed five (5%) percent over the cost incurred.

VI.J Royalties and Patents

The Contractor shall pay all royalties and license fees for equipment or processes in conjunction with the equipment that the Contractor is furnishing. The Contractor shall defend all suits or claims for infringement of any patented right and shall save the City harmless from loss on account thereof and cost and attorney's fees incurred, therefore.

VI.K Safety and Health Regulations

Adequate sanitary conveniences for the use of persons employed on the work site shall be provided at Contractor's expense and, shall be properly secluded from public observations. The Contractor shall construct and maintain the sanitary facilities in such a manner and at such points as approved by the Owner. These conveniences shall be maintained at all times without nuisance and their use shall be strictly enforced. Upon completion of the work, they shall be removed from the premises, leaving all clean and free from nuisance.

VI.L Save Harmless Clause

The Contractor covenants and agrees to indemnify and save harmless the City, its employees, officials, and agents, and defend them from all costs, expenses, damages, attorney's fees, injury or loss, to which the City may be subject by any person, firm, corporation or organization by reason of any wrongdoing, misconduct, want or need of care or skill, negligence or default or breach of Contract, guaranty or warranty, by the Contractor, his employees, his agents or assigns.

VI.M Warranty and Guarantee Provisions

All materials and equipment furnished by the Contractor and all construction work and workmanship involved in the Contract is hereby guaranteed and warranted by the Contractor for a period of one (1) year from written final acceptance by the Owner as defined here in to be free from defects due either to faulty materials, equipment and/or faulty workmanship, and all materials, equipment and /or workmanship furnished, installed and performed by the Contractor is warranted and guaranteed by the Contractor to the Owner to be such as to meet the required standards and to accomplish the purposes and functions of the project as defined, detailed and specified in these Contract Documents. The Owner shall, following discovery thereof, promptly give written notice to the Contractor of faulty materials, equipment, and/or workmanship within the period of the guarantee. Any part of the warranty and guarantee shall be promptly replaced by the Contractor at his own cost and without cost to the Owner. These warranty and guarantee provisions create no limitations on the Owner as to any claims or actions for breach of guarantee or breach of warranty that the Owner might have against parties other than the Contractor, and do not constitute exclusive remedies of the Owner against the Contractor and are not intended to, and shall not limit any other rights, remedies or causes of action which the Owner might exercise against the Contractor, and shall not alter nor modify the application of the Statute of Limitations as established by the Statutes of the State of Florida. This Contract is governed by the Laws of the State of Florida.

VI.N Work by Others

The Owner reserves the right to allow the continuation and/or creation of other contracts it deems necessary at the site of the work subject to this Contract, provided such do not unreasonably burden or impair the work anticipated in the Contract. The Contractor shall afford

other Contractors reasonable opportunity for the introduction and storage of their materials and execution of their work and shall promptly connect and coordinate this work with theirs.

VI.O Claims and Damages

Requirement for Notice: Any requirements of the Contract Documents for notice of direction to the City shall be a condition precedent to be complied with by the Contractor before any claim for extra compensation can be made. See definition of Notice To Proceed.

Claims for Extra Cost: If the Contractor claims that any instructions in writing or by drawings or otherwise involve extra cost under this Contract, the Contractor shall give the City written notice on a form to be furnished by the City within a reasonable time after the receipt of such instructions, and in any event before proceeding to execute the work, except in emergency of endangering life or property. A decision by the City shall then be made as specified in "The Authority and Duties of the City - Status of the City" of this division. If this decision requires a Change Order, the procedure shall be as provided for in "Changes in the Work" Section. See definition of Terms and Conditions. No claim shall be valid unless so made.

Claims for Damages: Any claims for damages by the Contractor against the City arising under this Contract shall be made in writing to the party liable within thirty (30) days of the first observance of such damage, except as expressly stipulated otherwise in the case of faulty work or materials and shall be adjusted by agreement validated by a Change Order. Any claim not reported within thirty (30) days shall not be considered valid. See definition in Terms and Conditions.

Liquidated Damages: If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with such diligence as shall insure its completion within the time specified in the bid, or any extension thereof, or fails to complete said work within such time, the Owner may, by written notice to the Contractor, terminate his right to proceed with the work or such part of the work on which there has been delay. In such event, the Owner may take over the work and prosecute the same to completion by Contract or otherwise, and the Contractor and his Sureties shall be liable to the Owner for any excess cost occasioned the Owner thereby. If the Contractor's right to proceed is so terminated, the Owner may take possession of and utilize in completing the work such materials, and appliances as may be on the site of the work, or contained within any storage facility. If the Owner does not terminate the right of the Contractor to proceed, the Contractor shall pay to the Owner the sum specified in the Supplemental General Conditions as fixed, agreed, and liquidated damages for each calendar day of the delay until the work is finally accepted by the Owner, and the Contractor and his Sureties shall be liable to the Owner for any excess cost occasioned the Owner thereby.

The amount of and provision for liquidated damages as specified in this solicitation and as otherwise set forth in the Contract Document, shall be ONE HUNDRED ($100.00) FOR EACH CALENDAR DAY of the delay until the work is completed or accepted. Said amount is agreed upon because the injury that the Owner may sustain by reason of contracting breach would be impossible to ascertain or estimate; such sum is agreed upon as liquidated damages and is intended as compensation for the injury suffered by the Owner, rather than as a penalty.

Additional Owner Expense:

Should the Contractor fail to complete the work during the specified number of calendar days, it is agreed that for each day of overrun until final completion, all expenses of engineering supervision and inspection furnished by the City shall be at the expense of the Contractor and /or Surety. Such engineering expense shall be considered to be equal to the job payroll of the City plus One Hundred Fifty (150%) Percent thereof for overhead, plus on-the-job mileage. Such engineering expense shall be deducted from monies due the Contractor. The amount of such expenses shall be construed to be in addition to other damages for delays that might be assessed by the City.

VI.P Commencement of Work

The bidder agrees to commence work within TEN (10) CALENDAR DAYS after the date of the Notice to Proceed letter and shall complete the work within one hundred twenty (120) DAYS thereafter.

The City understands that lead times are becoming an issue throughout the construction industry. Consideration for extensions will be made for documented delays on purchase orders and substantiated lead time provided by suppliers.

VI.Q Effectiveness and Duration

The draft agreement provided in the "Attachment" Section of this document will be the contracting mechanism for the bid award. The agreement may not be amended, and any exceptions noted by the bidder to this document will not be considered. The draft agreement is provided as an example and shall not be included as part of your submittal.

An executed agreement or contract alone will not authorize the work or purchase of materials or require the City to place any orders for work or materials.

During the term of a contract, the City may require changes which alter the contract specifications provided that such changes are within the general scope of the contract. The parties agree to renegotiate to comply with any applicable current or revised state laws, regulation, or increases/decreases in allocations making any changes in the contract necessary.

Modifications of provisions shall only be valid through execution of a formal contract amendment, and duly signed by both parties. There are no obligations to agree by either party.

VI.R Liquidated Damages

The bidder further agrees to pay, as liquidated damages, the sum of ONE HUNDRED ($100.00) DOLLARS for each consecutive calendar day thereafter, until the work is completed or accepted.

Said amount is agreed upon because the injury that the City of New Smyrna Beach ("Owner") may sustain by reason of breach of contract would be impossible to ascertain or estimate; such sum is agreed upon as liquidated damages and is intended as compensation for the injury suffered by the Owner, rather than as a penalty.

VI.S Off-Site Liability Coverage

In addition to all other terms, covenants and conditions, the Contractor agrees that in the event the structure is moved off-site, and during said move, the said structure either collapses or otherwise cannot be moved in the normal and customary manner, he shall be responsible for all costs to the City and any liability, tort or otherwise, imposed by law, and shall secure a policy of insurance to cover such an event in an amount of at least one million dollars and shall have the City of New Smyrna Beach as co-insured on said policy of insurance.

VI.T Performance Bond, Material Bond, and Warranty of Title

A. Within fourteen (14) days upon acceptance of the bid by City Commission, the successful bidder shall deliver to the Owner a Performance Bond and a Labor and Material Payment Bond, each in an amount equal to 100 percent of the Contract Price.

The Bonds shall be secured from a surety company acceptable to the City. The forms of the Bonds the successful Bidder will be required to execute are included in the Bidding Documents. The Bonds shall name the City as obligee and shall be in such form and by sureties of financial standing having a rating from A.M. Best Company (or other equivalent rating company) equal to or better than A- Class VI and must be included on the approved list of sureties issued by the United States Department of Treasury. Each Bond shall be accompanied by an effectively dated Power of Attorney. The successful Bidder shall, before commencing the work, record said Payment and Performance Bond in the public records of Volusia County where the improvement is located in accordance with Chapter 255.05 of the Florida Statutes.

B. If the Contractor is a partnership, the bond shall be signed by each of the individuals who are partners. If the Contractor is a corporation, the bond shall be signed in the correct corporate name by a duly authorized officer, agent, or attorney-in-fact. There shall be executed an appropriate number of counterparts of the bond corresponding to the number of counterparts in the Contract. Each executed bond shall be accompanied by the (a) appropriate acknowledgement of the respective parties; (b) appropriate duly certified copy of the Power-of-Attorney or other certification of authority where the bond is executed by the agent, officer or other representative of the Contractor or Surety; (c) duly certified extract from By-Laws or resolutions of Surety under which the Power-of-Attorney, or other certificate of authority of its agent, officer or representative was issued.

C. Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

VI.U Sanitary Regulations

Adequate sanitary conveniences for the use of persons employed on the work site shall be provided at Contractor's expense and shall be properly secluded from public observations. The Contractor shall construct and maintain the sanitary facilities in such a manner and at such points as approved by the Owner. These conveniences shall be maintained at all times without

nuisance and their use shall be strictly enforced. Upon completion of the work, they shall be removed from the premises, leaving all clean and free from nuisance.

VII. Submittal Requirements

Submittals shall be in strict compliance with the requirements listed herein. Failure to comply with all provisions of this solicitation may result in disqualification.

VII.A Evaluation Committee and Evaluation Factors

An evaluation committee shall independently review and score each proposal. Proposals shall be evaluated on a total score basis, with a maximum score of one hundred (100) points per committee member. The following criteria shall be used in the evaluation process to determine the successful respondent(s):

Criteria	Maximum Points
Qualifications and Experience	20
Project Approach and Management	20
Proposed Equipment and Configuration	15
Deliverable Timeline	15
Warranty	10
Fee Proposal	15
References	5
Total	100

Evaluation factors are based on the abilities of the proposer to efficiently perform the Scope of Services as generally outlined in this solicitation. The city shall seek to identify the submittal(s) which shall best meet the needs of the city as determined from the responses received.

If no single top-ranked firm can be clearly identified by review of the written submittals alone, presentations shall be scheduled with the top ranked firm(s) for oral presentations/interviews. If Oral Presentations are required, the shortlisted firms will be re-ranked based solely on the presentations. The evaluation criteria may be modified for the oral presentation portion of the evaluation. The consensus of the committee will be the deciding factor on how to move forward.

Contract Negotiations: After the ranking is completed, the City will attempt to negotiate an agreement with the top ranked firm which is determined to be in the best interests of the City. The agreement will cover all aspects of the scope of services as described herein. If no agreement is reached with the top ranked firm negotiations will be terminated and initiated with the next-ranked firm or individual, and so on, until an agreement is reached.

VII.B Response Format

Submittals shall be deemed an offer to provide services to the City. In submitting, the professional consultant declares that he/she understands and agrees to abide by all specifications, provisions, terms and conditions of same, and all ordinances and policies of the City. The Proposer agrees that if the contract is awarded to him/her, he/she shall perform the work in accordance with the provisions, terms and conditions of the contract.

In order to maintain comparability and to facilitate the review process, it is requested that proposals be organized in the manner specified below. Proposals shall be submitted in a professional manner and is a representation of the consultant.

Any portions of the proposal that do not comply with these guidelines must be so noted and explained the Acceptance of Conditions section of the bid. However, proposals which contain such variances may be considered non-responsive.

VII.C Introduction and Management Summary

At a minimum shall include:

An introduction and management summary of not more than two (2) pages that highlight each of the key areas of the proposal and that summarizes the Respondent's experience and qualifications as to why they shall be recommend the award of contract for this project.

Management summary shall be signed by a corporate officer or principal, or an authorized representative authorized to obligate the firm and/or joint venture contractually. The letter shall include the business address, telephone number, facsimile number, e-mail and the name of the prime consultant or joint venture that the City can contact for additional information. The respondent or authorized representative is attesting that the information provided is current and factual and that all firms on the proposed team agree to work on the project together.

- Cover page representing the company that is submitting a proposal.
- A brief profile of the firm which should include their legal name (former name, if applicable); history; business structure; designation of the legal entity by which business operates (sole proprietor, partnership, corporate, LLC, etc.); type of ownership (small business, small disadvantaged business or women-owned business); length of company's existence; locations of their parent company, branch or subsidiary and proposed project team; total number of personnel including personnel by discipline.

VII.D Experience and Qualifications

At a minimum shall include:

A. Provide background of your firm including number of years in business, number of personnel, and other pertinent information.

B. Provide documentation related to the success and experience in playground design and installation

C. Number of years in business in the State of Florida.

D. Provide license to work in the State of Florida

E. Provide Sunbiz Registration

F. Provide active registration for Sams.gov

G. List of individuals who shall have the lead in administering the contract. List name, title or position, and specific duties.

H. State whether your firm is local, national, or international in size. State the size of the staff, number of professional staff, and over-all experience of assigned staff for this project.

I. Provide examples of your performance of other similar contracts. Also supply details and outcome of any lawsuits your company has been involved in within the past five years relating to personal injury as a result of your company's actions or inactions.

J. Prior failure (if any) to perform awarded contract.

K. Within the past five years, if your company has been cited by any local, state, or federal agencies for violations involving safety procedures, describe the details and outcome, including the agency's name and contact number.

Include:

Copies of all applicable license(s) for the organization as well as for each individual that will have a direct role with this project.

Eligibility: Federal, State and Local licensing requirements shall apply.

VII.E Project Approach and Management

At a minimum shall include:

State your typical project management procedure from project inception through design and through construction in situations where post-design services are included in the scope.

A. Approach to be taken with working with the City of New Smyrna Beach

B. List any innovative approaches or techniques your firm has implemented to ensure project schedule adherence.

C. Discuss your firm's cost estimating procedure and how you integrate new ideas or methodologies to assist your client in achieving a cost-effective project.

D. Examples of reports that would typically be made available to the City, if applicable

E. Competitive advantage: A summary of key elements that differentiate your proposed approach, company, customers, etc., from your competition.

F. Discuss why your firm is a fit for the City and why your firm should be selected.

VII.F Proposed Equipment and Configuration

At a minimum include the following:

A. Specifications sheets, photographs/images and a diagram of all of the equipment configuration that is being recommended for this project.

B. Overall play value of the proposed equipment, with emphasis on the variety and type of playground components.

C. Overall aesthetic value of the playground layout.

D. Durability and quality of equipment, including reputation and experience of the company manufacturing the equipment, experience of vendor and/or subcontractor (if used) in the construction of similar playground areas.

VII.G Deliverable Timeline

Provide a description of deliverable products and projected timeframe from design to installation in the completion of the project. Include a description that outlines the approach to be taken to meet the objectives of this solicitation. Include each project milestone to be complete within the proposed timeline.

All materials are to be delivered F.O.B.; City of New Smyrna Beach designated facility. Tentative delivery dates pertaining to this project must be clearly stated in the proposal.

VII.H Warranty

Proposers shall furnish all data pertinent to warranties or guarantees which may apply to the proposed playground equipment. Information may not limit or exclude any implied warranties.

VII.I Fees Proposal

Submittals shall include a detailed fee proposal outlining all cost associated in providing the necessary services to complete this project. Fee proposal shall be all-inclusive with no hidden fees.

Any work performed by the Contractor without approval by the City is performed at the Contractor's own election. Compensation to the Contractor for the services performed shall be as set forth on City issued purchase order as a result of a detailed proposal from the awarded consultant.

In the event the City fails to provide compensation under the terms and conditions of this Agreement, the Consultant shall notify the City's Designated Representative in order that the City may take remedial action.

VII.J References

Provide a list of five (5) previous customers during the past five (5) years for all work of similar size and scope. List shall include services rendered in the State of Florida, particularly within municipalities for which proposer has performed (or is currently performing) work similar in nature as described herein. The services provided to these clients should have characteristics as similar as possible to those requested in this document. A Reference Form has been provided in the Attachment Section of this Document.

Information provided for each client shall include the following:

A. Client name, address, and current telephone number.

B. Description of services provided.

C. Time period of the project or contract.

D. Client's contact reference name, email and current telephone number.

Failure to provide complete, accurate, and current client information, as specified here, may result in the disqualification of your Proposal.

The City reserves the right to contact any and all references to obtain ratings for the performance indicators as indicated in the Evaluation Criteria.

In addition to the completed Reference Form, Proposer's shall provide each reference listed a copy of the Reference Questionnaire that is provided in the Attachment Section of this document. References shall email the completed form to purchasing@cityofnsb.com prior to 5:00 pm, Monday, July 29, 2024, with 23-24-CRA Mary Avenue Tot Lot Improvements in the subject line of the email.

Note: The City of New Smyrna Beach, including the Airport, shall not be listed as a reference.

VII.K Financial Stability/Litigation

Respondent shall provide a statement certifying that they are financially stable and have the necessary resources, human and financial, to provide the services at the level required by the City of New Smyrna Beach. Respondent shall also list any lawsuits in which their team (firm & sub-consultants) are involved relative to the services performed or failed to perform over the last five (5) years. The respondent shall also list any work which their team failed to complete in the last five (5) years and describe when, where, how and why of such failure, including listing any officer or partner of their team who in the last five (5) years failed to complete a contract handled in his/her name and discuss the reasons. The companies Dunn & Bradstreet number shall be included.

Upon request, all respondents shall be prepared to supply a financial statement, preferably a certified audit, but a third party prepared financial statement and the latest Dunn & Bradstreet report will be accepted.

VII.L City Required Forms

Upload as one (1) PDF document completed City Forms provided in the Attachment Section of this document. Includes, notarized, non-notarized, and signed addendums.

VII.M Complete Copy of Submittal

Upload as one (1) PDF document a combined proposal to include: A cover page, the above evaluation criteria in the order as listed, required City, and signed addendums (if applicable).

Proposal must be in a professional format and signed by an authorized officer of your organization.

VII.N Florida Division of Corporations/Sunbiz

Provide evidence of authority to conduct commercial business in the State of Florida by providing the current Sunbiz report with an "Active" status.

VII.O Sams.Gov

Provide evidence of active status on Sams.Gov.

VIII. Insurance Requirements

VIII.A Insurance Requirements

The selected Firm or Individual will be required to name the City as an additional named insured with the following minimum coverages.

A. **Workers' Compensation** shall be maintained by the selected firm or individual for all employees engaged in the work under this solicitation in accordance with the laws of the
    1. State of Florida. Employers' Liability Insurance shall be maintained by the selected firm or individual at limits not less than the following:
    2. $500,000 Each Accident
    3. $500,000 Disease Each Employee
    4. $500,000 Policy Limit for Disease

B. **Commercial General Liability Insurance** shall be maintained by the selected firm or individual with limits not less than the following:
    1. $1,000,000 Bodily Injury & Property Damage-each occurrence
    2. $2,000,000 Personal & Advertising Injury-each occurrence
    3. $2,000,000 General Aggregate

4. $2,000,000 Products/Completed Operations Aggregates limit
5. $ 5,000 Medical Payments
6. $ 100,000 Fire Damage Legal Liability
7. Coverage shall include Contractual Liability and Independent Contractors Liability.

C. Professional Liability Insurance shall be maintained by the selected firm or individual with a combined single limit of not less than $1,000,000, protecting the selected firm against claims of the City for negligence, errors, mistakes, or omissions in the performance of services to be performed and furnished by the selected firm or individual.

1. If the consultant maintains broader coverage and/or higher limits than the minimums shown above, The City of New Smyrna Beach requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Consultant.
2. Cancellation: Thirty (30) days written notice of cancellation is required to Certificate Holder

Certificate Holder:

City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, FL 32168

VIII.B Acknowledgment of Insurance Requirements

It should be noted by the Proposer that, in order to meet the City's requirements, there may be additional insurance costs to the Proposer's firm. It is, therefore, imperative that the proposer discuss these requirements with the Proposer's insurance agent, as noted on the Insurance Check List, so that allowances for any additional costs can be made by the Proposer.

The Proposer's obligation under this provision shall not be limited in any way by the agreed upon contract price, or the Proposer's limit of, or lack of, sufficient insurance protection.

Proposer also understands that the evidence of required insurance may be required within five (5) business days following notification of its offer being accepted; otherwise, the City may rescind its acceptance of the Proposer's bid.

Statement of Insurance Compliance Form provided in the Attachment Section shall be completed and submitted with proposal.

IX. Federal Conditions

Required for Federally Funded Projects. Will apply if services are requested and rendered for a disaster related project. If attached, the CONTRACTOR is bound by the terms and conditions of the Federally-Funded Subaward and Grant Agreement between CITY and the Florida Division of Emergency Management (Division).

IX.A Access to Records

The following access to records requirements apply to this contract:

A. The contractor agrees to provide the City of New Smyrna Beach, Florida, representative(s) access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

B. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

C. The contractor agrees to provide the FEMA Administrator or his authorized representative(s) access to construction or other work sites pertaining to the work being completed under the contract.

IX.B Americans with Disabilities Act of 1990

Americans with Disabilities Act of 1990, as amended (ADA) – The CONTRACTOR will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the CONTRACTOR pursuant thereto.

IX.C Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

IX.D Clean Air Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000.

IX.E Compliance with Procurement of Recovered Materials

Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.322. CONTRACTOR must comply with section 6002 of the Solid Waste disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

IX.F Contract Work Hours and Safety Standards Act

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708) where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the CITY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

IX.G Davis Bacon Act

Davis Bacon Act as amended (40 U.S.C. §§3141-3148) when required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the CITY must place a current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The CITY must report all suspected or reported violations to the Federal

awarding agency. When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The CITY must report all suspected or reported violations to the Federal awarding agency.

A. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

B. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

C. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

IX.H Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

IX.I Disadvantaged Business Enterprise (DBE) Policy and Obligation

Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the CITY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with CITY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The CITY and its CONTRACTOR agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth

in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The CITY and the CONTRACTOR and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement. 2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

A. If the CONTRACTOR, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the CONTRACTOR shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

B. Affirmative steps must include:

    1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

    2. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

    3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

    4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

    5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

    6. Requiring the Prime contractor, if subcontractor are to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

IX.J E-Verify

The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

The E-Verify System means an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees.

Pursuant to Florida Statute 448.095, any new contract or renewal with a public agency requires the vendor and any subcontractor thereof to register with and use the E-Verify system to verify the work authorization status of all new employees working in the state of Florida or the United

States. If the contractor or vendor enters into a contract with a subcontractor, the subcontractor must provide an affidavit to the contractor or vendor that states that the subcontractor does not employ any unauthorized alien in Florida or the United States. The contractor shall provide and maintain proof of compliance with this statute upon request.

Information on registration for and use of the E-Verify System can be obtained via the internet at the Department of Homeland Security Web site: http://www.dhs.gov/E-Verify.

Every Vendor shall, upon request, provide evidence of compliance with this provision to the Owner. Failure to comply with this provision is a material breach of an Agreement, and the Owner may choose to terminate the Agreement at its sole discretion. The Vendor may be liable for all costs associated with the Owner securing the same services, inclusive, but not limited to, higher costs for the same services and rebidding costs (if necessary).

IX.K Equal Employment Opportunity

During the performance of this contract, the contractor agrees as follows:

A. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

C. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. A copy of Executive Order 11246 is provided in Attachments.

E. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

F. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

G. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

IX.L Hold Harmless

The CONTRACTOR shall hold the CITY harmless against all claims of whatever nature arising out of the CONTRACTOR's performance of work under this Agreement, to the extent allowed and required by law.

IX.M No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

IX.N Program Fraud and False or Fraudulent Statements or Related Acts

The contractor acknowledges that 31 U.S.C. Chapter 38 (Administrative Remedies for False Claims and Statements) applies to the contractor's actions pertaining to this contract.

IX.O Rights to Inventions Made Under a Contract or Agreement

If any Federal award implicated in this solicitation meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part

401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

X. Required Responses

X.A Public Records*

Applicant must respond confirming they have received a copy of the Public Records Act, located in the attachment section.

☐ Please confirm
*Response required

X.B Company Name and Address*

By submitting this response, you hereby designate the company name and address listed here as the office to which notices may be delivered or mailed.

*Response required

X.C Title of Position and Company Name*

Please provide the name and the title of the Prime Proposer for the organization.

*Response required

X.D Employer Identification Number**

Please provide the Employer Identification Number.

*Response required

X.E Proposer's Certification*

I have carefully examined this solicitation in its entirety, including but not limited to the qualifications, scope of services, and all other documents accompanying or made a part of this document.

I hereby propose to furnish the services specified herein at the prices, rates or discounts quoted in my proposal.

I agree that my proposal will remain firm for a period of up to one hundred eighty (180) days in order to allow the City adequate time to evaluate the proposals.

I agree to abide by all conditions of this proposal and understand that a background investigation may be conducted by the City of New Smyrna Beach Police Department prior to award.

I certify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the

consultant as its act and deed and that the consultant is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service; no officer, employee or agent of the City of New Smyrna Beach or of any other Proposer interested in said proposal; and that the undersigned executed this Proposer's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

*Response required

X.G Potential Conflict of Interest*

- Upload any documentation/information which may be a potential conflict of interest due to other clients, contracts, or property interest for this project
- Or, on company letterhead, upload a statement that no potential conflicts exist.

*Response required

X.H Acknowledgment of Insurance Requirements*

By submitting a response to this solicitation, the Proposer acknowledges the required insurance conditions listed herein.

The proposer shall be required to submit their Certificate(s) of Insurance to the City of New Smyrna Beach no later than 24 hours following the selection of the recommended consultant(s). Failure to do so shall be just cause for forfeiture of the proposal guaranty.

☐ Please confirm
*Response required

X.I Conflict of Interest Disclosure*

PROJECT NUMBER: 23-24-CRA - Mary Avenue Tot Lot Improvements

The award of this contract is subject to the provisions of Chapter 112, Florida Statutes. All respondents must disclose within their submittal: the name of any officer, director, or agent who is also an employee of the City of New Smyrna Beach, Florida. Furthermore, all respondents must disclose the name of any City employee who owns, directly, or indirectly, an interest of more than five percent (5%) in the respondent’s firm or any of its branches.

The purpose of this disclosure statement is to give the City the information needed to identify potential conflicts of interest for screening evaluation team members and other key personnel involved in the award of this contract.

The term "conflict of interest" refers to situations in which financial or other personal considerations may adversely affect, or have the appearance of adversely affecting, an employee's professional judgment in exercising any City duty or responsibility in administration, management, or other professional activities. The bias such conflicts could conceivable impart may inappropriately affect the goals of the City. The City must be free of the undue influence of outside interests.

The mere appearance of a conflict may be as serious and potentially damaging as an actual conflict of interest. Reports of conflicts based on appearances can undermine public trust in ways that may not be adequately restored even when the mitigating facts of a situation are brought to light. Apparent conflicts, therefore, should be disclosed and evaluated with the same vigor as actual conflicts.

PUBLIC RECORDS

All material submitted regarding this solicitation becomes the property of the City. Solicitation documents may be reviewed by any person ten (10) days after the public opening. The Respondent should take special note of this as it relates to any proprietary information that might be included in its offer. Any resulting contract may be reviewed by any person after the contract has been executed by the City.

The City has the right to use any or all information/material submitted in response to this solicitation and/or any resulting contract from same. Disqualification of a Professional Consultant does not eliminate this right. This section is further subject to F.S. 119.01 et. seq.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS, CITY CLERK, AT 386/410-2630, CLERK@CITYOFNSB.COM, CITY OF NEW SMYRNA BEACH, 210 SAMS AVENUE, NEW SMYRNA BEACH, FL 32168.

The contractor is required to comply with public records laws, specifically to:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

CONSTRUCTION CONTRACT

CITY OF NEW SMYRNA BEACH
VOLUSIA COUNTY, FLORIDA

This Agreement, dated this ____ day of _ _ _ _ _ _, 2024, by and between the **CITY OF NEW SMYRNA BEACH**, hereinafter called the **OWNER**, and **____ _____ __** Inc. (a corporation organized and existing under the laws of the State of Florida and hereinafter called the **CONTRACTOR,** is awarded as a result of solicitation RFP 23-24-CRA, MARY TOT LOT IMPROVEMENTS.

WITNESSETH: The Owner and the Contractor, for the consideration stated herein, agree as follows:

ARTICLE I: Scope of Work

The Contractor shall perform all required work and shall provide and furnish all labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to complete the construction of and all appurtenant work thereto, described in the following document, hereby fully incorporated into this Contract:

RFP 23-24-CRA, MARY TOT LOT IMPROVEMENTS
City of New Smyrna Beach, Florida

All work shall be in strict compliance with the drawings and specifications, including any and all Addenda, and together with all Contract Documents hereinafter enumerated and made a part thereof.

It is understood and agreed that said labor, materials, tools, equipment, and service shall be furnished and said work performed and completed subject to the approval of the Owner.

ARTICLE II: Contract Price

The Owner shall pay the Contractor for performance of the work in accordance with the Contract Documents in current funds as follows:

$ _____

Spelled out: _____

Payment will be made in accordance to the awarded bid proposal and the above negotiated agreed upon Contract Price. Change orders, including additions and deductions, must be approved in writing by the Owner. Any change, where the Contractor has materially deviated from the proposed design shall be borne by the Contractor unless such deviation is agreed to in writing by Owner.

Contractor's Initials: _____

ARTICLE III: Contract Time

The Contractor agrees to commence work within **Ten (10) CALENDAR DAYS** after the date of the Notice to Proceed letter and shall achieve Substantial Completion within **NINETY (90)** consecutive calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ARTICLE IV: Inspection by Contractor

The undersigned Contractor agrees that he has carefully inspected all Contract Documents and is familiar with same; the Contractor agrees that he is responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and under-ground obstructions and nature thereof, the nature of the groundwater conditions and other physical characteristics of the work and work area in order that he may include in the prices which he has bid and the prices of the Contract, all costs pertaining to the work and thereby provide for the satisfactory completion thereof and determination of the Contract prices herein agreed upon, and that this Contract price is based upon these inspections and examination.

ARTICLE V: Liquidated Damages

If the work is not completed within the time specified in Article III of this Contract, the Contractor shall pay the Owner, as liquidated damages, the sum of **ONE HUNDRED DOLLARS ($100)** for each consecutive calendar day thereafter until the work is completed, and as outlined in the Supplemental General Conditions.

ARTICLE VI: Right to Require Performance

The failure of the City at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the City thereafter to enforce same or be considered a waiver of such provision, nor shall a waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

ARTICLE VII: Component Parts of the Contract

This Contract consists of the following Contract Documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

- City Advertised Bid
- Construction Specifications
- Drawings
- Addendums
- Awarded Bid Proposal
- Bid Bond

The Contractor must provide the following documents within fourteen (14) days upon acceptance of the bid by City Commission. All of which are familiar to the Contractor and are component parts of the contract.

- Certificate of Insurance

Contractor's Initials: _____

- Performance/Payment Bond

Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

ARTICLE VII: Severability

Should any term, covenant, condition, provision or sentence or part thereof of this Contract, including all Contract Documents which comprise the entire agreement, be held invalid or unenforceable by any court of competent jurisdiction, the remaining terms and provisions shall nevertheless remain in full force and effect.

ARTICLE VIII: Force Majeure

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God
b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)
c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest
d) Government order or law
e) Actions, embargoes or blockades in effect on or after the date of this Agreement
f) Action by any governmental authority
g) National or regional emergency
h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and
i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement

PLAT OF TOPOGRAPHIC SURVEY OF

Portion of Lot 3, Block "4", Dougherty's New Smyrna, according to the plat thereof, as recorded in Deed Book "L", Page 538, of the Public Records of Volusia County, Florida

SURVEY REPORT:

1. Limits and scope of Topographic Survey identified by Tuan Huynh, P.E., City of New Smyrna Beach.
2. Subject to restrictions, reservations, limitations, easements and rights of way, if any, appearing of record.
3. This map of survey and report prepared without the benefit of an abstract and no title work has been performed or provided to this surveyor.
4. This map of survey and report is subject to any facts that may be disclosed by a full and accurate title search.
5. The location of any subsurface foundations, improvements, features or utilities which may or may not exist and which may or may not violate deed or easement lines are not determined or addressed by this survey.
6. Dimensions indicated hereon are in U.S. standard feet and decimals thereof, unless otherwise noted.
7. Elevations indicated hereon are in feet and decimals referenced to **North American Vertical Datum 1988** and are based on United States Coastal and Geodetic Survey monument D-212, published elevation 10.93 feet.
8. Unless otherwise noted, the monumentation has no identification number or name.
9. Drawing distance between features and property line may be exaggerated for clarity.
10. Features shown by symbol as indicated are not to scale.
11. The intended topographic features located and shown on this survey are the spot elevations and selected trees.
12. Additions or deletions to this survey map or report by other than the signing party or parties is prohibited without written consent of the signing party or parties per F.A.C. Rule 5J-17.051(3)(b)6.
13. The survey map and report or copies thereof are not valid without the signature and the original raised seal of a Florida licensed surveyor and mapper.

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of _____

Before me, the undersigned authority, personally appeared _____

who was duly sworn, deposes, and states:

1. I am the _____of _____ with a local office in

   _____and principal office in _____.
   (City & State) (City & State)

2. The above-named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFP 23-24-CRA, Mary Avenue Tot Lot Improvements.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by _____
(Print Individual's Name and Title)
for _____
(Print Name of Entity Submitting Sworn Statement)
whose business is _____

and (if applicable) its Federal Employer Identification Number (FEIN) is _____

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

    a. A predecessor or successor of a person convicted of a public entity crime; or

    b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

_____ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: _____

Consultant E-Verify Registration Number: _____

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

DUNS Number:

Form **W-9**
(Rev. October 2007)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See **Specific Instructions** on page 2.

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: ☐ Individual/Sole proprietor ☐ Corporation ☐ Partnership
☐ Limited liability company. Enter the tax classification (D=disregarded entity, C=corporation, P=partnership) ▶ .....
☐ Other (see instructions) ▶

☐ Exempt payee

Address (number, street, and apt. or suite no.)

Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here **Signature of U.S. person** ▶ **Date** ▶

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

SUPPLEMENTAL CONDITIONS FOR FEDERALLY ASSISTED PROJECTS

The supplemental conditions contained in this section are intended to cooperate with, to supplement, and to modify the general conditions and other specifications. In case of disagreement with any other section of this contract, the Supplemental Conditions shall govern. This contract is funded in whole or in part with federal funds made available from the U.S. Department of Housing and Urban Development (HUD). The contractor and all of its subcontractors shall comply with these federal provisions. The contractor shall include these supplemental conditions in all subcontracts.

1. Davis-Bacon Act
2. Copeland "Anti-Kick Back" Act
3. Federal Labor Standards
4. Build America, Buy America Act
5. Environmental Compliance
6. Lead Based Paint Requirements
7. Historic Preservation
8. Energy Efficiency
9. Flood Disaster Protection
10. Special Equal Opportunity Provisions
11. Section 3
12. Conflict of Interest
13. Utilization of Minority and Women-owned Businesses
14. Fair Housing Laws
15. Drug Free Workplace
16. Debarred Contractors
17. Lobbying
18. Access to Records
19. Records Retention

Attachment I - Federal Labor Standards Provisions
Attachment II - Section 3 Clause

1. Davis- Bacon Act- 29 CFR Parts 1,3,5,6 and 7

The contractor agrees to comply with the requirements of the Davis-Bacon Act, which requires the payment of prevailing wage rates (which are determined by the U.S. Department of Labor) to all laborers and mechanics on federally funded construction projects in excess of $2,000. A Davis-Bacon wage decision (or wage determination) is a listing of various construction work classifications and the minimum wage rates (and fringe benefits, where prevailing) that workers who perform work in those classifications must be paid.

2. Copeland "Anti-Kickback" Act- 18 USC 874 and 40 USC 276c; 29 CFR Part 3

The contractor and subcontractor(s) shall comply with the requirements of the Copeland "Anti-Kickback" Act as supplemented in the U.S. Department of Labor regulations 29 CFR Part 3. The Copeland Act makes it a federal crime for anyone to require any laborer or mechanic (employed on a federally assisted project) to kickback (i.e. give up or pay back) any part of their wages. The Copeland Act requires every contractor and subcontractor to submit weekly payroll reports (certified payroll) and regulates permissible payroll deductions.

3. **Federal Labor Standards**

The project or program to which the construction work covered by this contract pertains is a federally assisted project and the Federal Labor Standards Provisions are included in this contract pursuant to the provisions applicable to such Federal assistance. See Attachment 1 for a complete copy of these labor standards.

4. **Build America, Buy America (BABA) Act**

The Grantee must comply with the requirements of the Build America, Buy America (BABA) Act, 41 USC 8301 note, and all applicable rules and notices, as may be amended, if applicable to the Grantee's infrastructure project. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 FR 17001), any funds obligated by HUD on or after the applicable listed effective dates, are subject to BABA requirements, unless excepted by a waiver.

5. **Environmental Compliance- Section 306 of the Clean Air Act, Section 508 of the Clean Water Act and EPA Regulations- 42 U.S.C. 1857(h)**

The contractor shall comply with the requirements of the Federal Clean Air Act and the Federal Water Pollution Control Act, as amended. Requirements for compliance with these regulations apply to contracts and subcontracts in amounts in excess of $100,000. all applicable standards, orders, or requirements issued under (), (33 U.S.C. 1368), Executive Order 11738, and U.S. Environmental Protection Agency regulations (40 C.F.R. Part 15).

6. **Lead- Based Paint Requirements- 24 CFR Part 35**

All housing that is assisted by the contractor through this project with federal funds is subject to the lead-based paint requirements, found at 24 CFR Part 35. These rules apply to properties that were constructed prior to 1978, and require:

- Certain disclosures (in the form of notices) to occupants and applicants about any known or potential lead-based paint hazards
- Testing, assessing, and stabilization or reduction of lead-based paint hazards in accordance with established procedures, based on activity type and level of Federal assistance (for rehabilitation)
- Use of safe work practices
- Certain provisions included in all contracts and subcontracts related to lead-based paint
- Ongoing maintenance to monitor controls put in place to limit the hazards associated with the presence of lead-based paint.

7. **Historic Preservation- 16 USC 470; 36 CFR Part 800**

The contractor's performance may be subject to the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties.

8. Energy Efficiency

The contractor shall comply with any mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

9. Flood Disaster Protection- 42 USC 4001

The contractor's performance may be subject to the Flood Disaster Protection Act of 1973 which requires that activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, flood insurance under the National Flood Insurance Program must be obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including housing rehabilitation.)

10. Special Equal Opportunity Provisions

A. Activities and Contracts Not Subject to Executive Order 11246, as Amended

(Applicable to Federally assisted construction contracts and related subcontracts $10,000 and under.)

During the performance of this contract, the Contractor agrees as follows:

i. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

ii. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer seeking forth the provisions of this nondiscrimination clause. The Contractor shall state that all qualified applicants be considered without regard to race, color, religion, sex or national origin.

iii. Contractors shall incorporate foregoing requirements in all subcontracts.

B. Executive Order 11246 (contracts/subcontracts above $10,000)

During the performance of this contract, the contractor agrees as follows:

i. Section 202 Equal Opportunity Clause

a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment, or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in a conspicuous place, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration without regard to race, color, religion, sex, or national origin.

c. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding a notice to be provided by the Contract Compliance Officer advising the said labor union or workers representatives of the Contractors commitment under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the Rules, Regulations, and Relevant Orders of the Secretary of Labor.

e. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and others.

C. Certification of Non-segregated Facilities- E.O. 11246; 41 CFR Part 60- 1.8

By the submission of this bid, the bidder, offeror, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facility at any of his/her establishments, and that he/she does not permit employees to perform their services at any location, under his/her control, where segregated facilities are maintained. He/She certifies further that he/she will not maintain or provide for employees any segregated facilities at any of his/her establishments, and he/she will not permit employees to perform their services at any location under his/her control where segregated facilities are maintained. The bidder, offeror, applicant or subcontractor agrees that a breach of this certification is violation of the Equal Opportunity Clause of this contract. As used in this certification, the term segregated facilities means any waiting

rooms, work eating areas, time clocks, locker rooms, and other storage or dressing areas, transportation and housing facilities provided for employees which are in fact segregated on the basis of race, color, religion, or otherwise. He/She further agrees that (except where he/she has obtained identical certifications from proposed subcontractors prior to the award of subcontractors have submitted identical certifications for specific time periods).

D. Equal Employment Opportunity- Title VII of the Civil Rights Act of 1964 E.O. 11246

Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

E. Americans with Disabilities Act of 1990- E.O. 11250; 42 U.S.C 12131; 24 CFR Part 35

The contractor shall not exclude on the basis of handicap persons from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

F. Section 109 of the Housing and Community Development Act of 1974

No person in the United States shall on the grounds of race, color, national original, or sex is excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

G. Section 504 of the Rehabilitation Act of 1973- 29 USC 794, 24 CFR Parts 8 and 9

i. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

ii. The Contractor agrees to comply with the rules, regulations and relevant orders of the Secretary of Labor issued pursuant to the Act.

iii. In the event of the Contractors noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

iv. The Contractor agrees to post in conspicuous places, available to

employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the Contractors obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of applicants and employees.

v. The Contractor will notify each labor union or representative of workers with which it has a collective bargaining agreement or their contract understanding, that the contractor is bound by the terms of Section 503 of the Rehabilitation Act of 1973, and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

vi. The Contractor will include the provisions of this clause in every subcontract or purchase order of $2,500 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

H. Age Discrimination Act of 1975- 42 U.S.C. 6101, et seq; 24 CFR Part 146

The contractor shall comply with the Age Discrimination Act of 1975, which provides that no person, on the basis of age be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program, or activity receiving Federal Financial assistance.

I. NSP 3 Vicinity Hiring and Contracting Preference-

A contractor that is awarded a project involving the use of NSP3 funds, as provided by the Dodd-Frank "Wall Street Reform and Consumer Protection Act" of January 5, 2010, sec 1497 (a)(8), is required to take actions to hire employees who reside in the vicinity of NSP3-funded projects, and provide contracting opportunities to small businesses that are owned and operated by residents in this vicinity.

11. Section 3- 24 CFR Part 75

The contractor shall comply with the purposes of the Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701U) (Section 3) and ensure that employment and other economic opportunities generated by HUD funded programs, to the greatest extent feasible, and consistent with Federal, State, and local laws and regulations, be directed to low- and very-low income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low and very low-income persons. Sub-recipients, contractors and subcontractors for a Section 3 project must meet the requirements of § 75.19, regardless of whether Section 3 language is included in related agreements or contracts.

12. Conflict Of Interest- 24 CFR Part 85.36 and 24 CFR Part 570.611

No officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this contract, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed. Further, the Contractor shall cause to be incorporated in all subcontracts the language set forth in this paragraph prohibiting conflict of interest.

13. Utilization Of Minority And Women Firms (M/WBE)- 24 CFR Part 85 (e)

The contractor shall take affirmative steps to assure that M/WBE firms are utilized when possible as suppliers and/or subcontractors, as applicable.

Prior to contract award, the contractor shall document efforts to utilize M/WBE firms, including identifying what firms were solicited as suppliers and/or subcontractors, as applicable. Information regarding certified M/WBE firms can be obtained from:

- State of Florida at 904-487-4698 (all goods and services)
- State of Florida at 904-921-7370 (construction services, particularly highway)
- Minority Business Development Center in most major cities
- Local government M/WBE programs in many large counties and cities

14. Fair Housing Laws

The contractor shall company with the Fair Housing Act, and related laws that prohibit discrimination on the basis of race, color, national origin, religion, sex, familial status and handicap in the provision of housing, including rental, purchase, advertising, financing, insurance and multi-family housing on the basis of race, color, national origin, religion, sex, familial status and handicap. The requirements of the Fair Housing Act (42 U.S.C. 3601-20) and implementing regulations at 24 CFR part 100; Executive Order 11063, as amended by Executive Order 12259 (3 CFR, 1958-1063 Comp., p. 652 and 3 CFR, 1980 Comp., p. 307) (Equal Opportunity in Housing) and implementing regulations at 24 CFR part 107; and title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) (Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 CFR part 1 shall apply to any housing related contract awarded hereunder.

15. Drug Free Workplace- 41 USC 701, 24 CFR Part 21

The Contractor shall comply with the requirements of the Drug-Free Workplace Act of 1988. The Contractor certifies to comply with the drug-free workplace requirements in accordance with the Act, and with U.S. Department of Housing and Urban Development regulations.

16. Debarred Contractors

This project is subject to requirements prohibiting use of federal funds to directly or indirectly employ, award contracts to, or otherwise engage the services of any contractor, subcontractor or subrecipient during any period of federal debarment, suspension, or placement of ineligibility status. The County is required to check the eligibility status of all contractors, subcontractors, and subrecipients against the federal

publication that lists debarred and ineligible contractors. This list can be found on the The System for Award Management (SAM) at https://www.sam.gov

16. Lobbying

The Contractor certifies, to the best of his or her knowledge and belief, that:

A. No federally appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.

B. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. The Contractor shall require that the language of this certification be included in the award documents for all sub-awards at all tiers including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements.

D. This certification is a material representation of fact upon which reliance was placed when this contract was made or entered into. Agreement to this certification is a prerequisite for making or entering into this contract imposed by Section 1352, title 31, U.S. Code. Any person or agency that makes an expenditure prohibited by this section is subject to a civil penalty from $10,000 up to $100,000 for each failure. This penalty also applies to any person or agency that fails to submit or amend the disclosure form (LLL), when required. Failure to submit the required certification may result in payment under this contract being delayed or denied.

17. Access to Records- 24 CFR Part 85.42 (e) & (f)

The contractor shall give access to all records, pertinent books, documents, papers or other records related to this contract to the awarding agency, the County of Volusia, the U.S. Department of Housing and Urban Development, the Comptroller General of the United States, and any of their duly authorized representatives for the purpose of making audit, examination, excerpts, and transcriptions as needed.

18. Records Retention- 24 CFR Part 85.42 (a)-(d)

The contractor shall comply with the CDBG records retention regulations. Financial, program, supporting, and other records pertinent to this contract and the grant program shall be maintained for five years after the local government makes final payment and all other pending matters are closed.

Attachment I

FEDERAL LABOR STANDARDS PROVISIONS | **U.S. Department of Housing And Urban Development** | HUD-4010 (7/03)

Applicability

The project or program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week , and without subsequent deduction or rebate on account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at the time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made part hereof , regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR-5.5(a)(1)(iv); also regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its sub-contractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics employed in the classification (if known, or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent to HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contactor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate). HUD or its

designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee with the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1) (b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided that the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federally contract with the same prime contractor, or any other Federally assisted contract subject to Davis Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violation have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payroll and basic records. Payroll and basic records related thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b) (2) (B) of the Davis bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely, all of the information required to be maintained under 29 CFR Part 5.5(a) (3) (i). This information may be submitted in any form desired. Optional Form WH-347 is available for this purpose and may be purchased from the Superintendent of Documents (Federal Stock Number 029-005-00014-1), U.S. Government Printing Office, Washington D.C. 20402.The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be maintained under 29 CFR Part 5.5 (a) (3) (i) and that such information is correct and complete:

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been fully paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than the permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of WH-347 shall satisfy the requirement of submission of the: Statement of Compliance" required by paragraph A.3. (ii)(b) of this section

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph A.3.(i) of this section available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fail s to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available shall be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and training Administration, Bureau of Apprenticeship and Training, or with a State Apprenticeship Agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, bit who has been certified by the Bureau of Apprenticeship and Training or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeyman on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, which is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is

performing construction on a project in a locality other than that in which its program is registered , the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractors registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Bureau of Apprenticeship and Training, or a State Apprenticeship Agency recognized by the Bureau, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hurly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the training program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed in the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as HUD or its designee may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor will all the contract clauses in 29 CFR Part 5.5.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its

subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a) (1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C 1001. Additionally, U.S. Criminal Code, Section 1 01 0,Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of ... influencing in any way the action of such Administration....makes, utters or publishes any statement knowing the same to be false ..... shall be fined not more than $5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or related to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. As used in this paragraph, the terms "laborers" and "mechanic" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of eight hours in any calendar day or in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basis rate of pay for all hours worked in excess of eight hours in any calendar day or in excess of forty hours in such workweek, whichever is greater.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth on subparagraph (1) of this paragraph, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of eight hours or in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract, or any other Federal contract with the same prime contract, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontracts to include these clauses in any lower tier subcontracts, The prime contractor shall be responsible for compliance by any

subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor, by regulation.

(2) The Contractor shall comply with al regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 (formerly part 1518) and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 State 96).

(3) The Contractor shall include the provisions of this Article in every subcontract so that such provisions will be binding on each subcontractor. The Contractor shall take such action with respect to any subcontractas the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

Wage and Hour Division

Instructions For Completing Payroll Form, WH-347

- WH-347 (PDF)
  OMB Control No. 1235-0008, Expires 07/31/2024.

General: Form WH-347has been made available for the convenience of contractors and subcontractors required by their Federal or Federally-aided construction-type contracts and subcontracts to submit weekly payrolls. Properly filled out, this form will satisfy the requirements of Regulations, Parts 3 and 5 (29 C.F.R., Subtitle A), as to payrolls submitted in connection with contracts subject to the Davis-Bacon and related Acts.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) Regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Under the Davis-Bacon and related Acts, the contractor is required to pay not less than prevailing wage, including fringe benefits, as predetermined by the Department of Labor. The contractor's obligation to pay fringe benefits may be met either by payment of the fringe benefits to bona fide benefit plans, funds or programs or by making payments to the covered workers (laborers and mechanics) as cash in lieu of fringe benefits.

This payroll provides for the contractor to show on the face of the payroll all monies to each worker, whether as basic rates or as cash in lieu of fringe benefits, and provides for the contractor's representation in the statement of compliance on the payroll (as shown on page 2) that he/she is paying for fringe benefits required by the contract and not paid as cash in lieu of fringe benefits. Detailed instructions concerning the preparation of the payroll follow:

Contractor or Subcontractor: Fill in your firm's name and check appropriate box.

Address: Fill in your firm's address.

Payroll No.: Beginning with the number "1", list the payroll number for the submission.

For Week Ending: List the workweek ending date.

Project and Location: Self-explanatory.

Project or Contract No.: Self-explanatory.

Column 1 - Name and Individual Identifying Number of Worker: Enter each worker's full name and an individual identifying number (e.g., last four digits of worker's social security number) on each weekly payroll submitted.

Column 2 - No. of Withholding Exemptions: This column is merely inserted for the employer's convenience and is not a requirement of Regulations, Part 3 and 5.

Column 3 - Work Classifications: List classification descriptive of work actually performed by each laborer or mechanic. Consult classification and minimum wage schedule set forth in contract specifications. If additional classifications are deemed necessary, see Contracting Officer or Agency representative. An individual may be shown as having worked in more than one classification provided an accurate breakdown or hours worked in each classification is maintained and shown on the submitted payroll by use of separate entries.

Column 4 - Hours worked: List the day and date and straight time and overtime hours worked in the applicable boxes. On all contracts subject to the Contract Work Hours Standard Act, enter hours worked in excess of 40 hours a week as "overtime".

Column 5 - Total: Self-explanatory

Column 6 - Rate of Pay (Including Fringe Benefits): In the "straight time" box for each worker, list the actual hourly rate paid for straight time worked, plus cash paid in lieu of fringe benefits paid. When recording the straight time hourly rate, any cash paid in lieu of fringe benefits may be shown separately from the basic rate. For example, "$12.25/.40" would reflect a $12.25 base hourly rate plus $0.40 for fringe benefits. This is of assistance in correctly computing overtime. See "Fringe Benefits" below. When overtime is worked, show the overtime hourly rate paid plus any cash in lieu of fringe benefits paid in the "overtime" box for each worker; otherwise, you may skip this box. See "Fringe Benefits" below. Payment of not less than time and one-half the basic or regular rate paid is required for overtime under the Contract Work Hours Standard Act of 1962 if the prime contract exceeds $100,000. In addition to paying no less than the predetermined rate for the classification which an individual works, the contractor must pay amounts predetermined as fringe benefits in the wage decision made part of the contract to approved fringe benefit plans, funds or programs or shall pay as cash in lieu of fringe benefits. See "FRINGE BENEFITS" below.

Column 7 - Gross Amount Earned: Enter gross amount earned on this project. If part of a worker's weekly wage was earned on projects other than the project described on this payroll, enter in column 7 first the amount earned on the Federal or Federally assisted project and then the gross amount earned during the week on all projects, thus "$163.00/$420.00" would reflect the earnings of a worker who earned $163.00 on a Federally assisted construction project during a week in which $420.00 was earned on all work.

Column 8 - Deductions: Five columns are provided for showing deductions made. If more than five deduction are involved, use the first four columns and show the balance deductions under "Other" column; show actual total under "Total Deductions" column; and in the attachment to the payroll describe the deduction(s) contained in the "Other" column. All deductions must be in accordance with the provisions of the Copeland Act Regulations, 29 C.F.R., Part 3. If an individual worked on other jobs in addition to this project, show actual deductions from his/her weekly gross wage, and indicate that deductions are based on his gross wages.

Column 9 - Net Wages Paid for Week: Self-explanatory.

Totals - Space has been left at the bottom of the columns so that totals may be shown if the contractor so desires.

Statement Required by Regulations, Parts 3 and 5: While the "statement of compliance" need not be notarized, the statement (on page 2 of the payroll form) is subject to the penalties provided by 18 U.S.C. § 1001, namely, a fine, possible imprisonment of not more than 5 years, or both. Accordingly, the party signing this statement should have knowledge of the facts represented as true.

Items 1and 2: Space has been provided between items (1) and (2) of the statement for describing any deductions made. If all deductions made are adequately described in the "Deductions" column above, state "*See* Deductions column in this payroll." *See* "FRINGE BENEFITS" below for instructions concerning filling out paragraph 4 of the statement.

Item 4 FRINGE BENEFITS - Contractors who pay all required fringe benefits: If paying all fringe benefits to approved plans, funds, or programs in amounts not less than were determined in the applicable wage decision of the Secretary of Labor, show the basic cash hourly rate and overtime rate paid to each worker on the face of the payroll and check paragraph 4(a) of the statement on page 2 of the WH-347 payroll form to indicate the payment. Note any exceptions in section 4(c).

Contractors who pay no fringe benefits: If not paying all fringe benefits to approved plans, funds, or programs in amounts of at least those that were determined in the applicable wage decision of the Secretary of Labor, pay any remaining fringe benefit amount to each laborer and mechanic and insert in the "straight time" of the "Rate of Pay" column of the payroll an amount not less than the predetermined rate for each classification plus the amount of fringe benefits determined for each classification in the application wage decision. Inasmuch as it is not necessary to pay time and a half on cash paid in lieu of fringe benefits, the overtime rate shall be not less than the sum of the basic predetermined rate, plus the half time premium on basic or regular rate, plus the required cash in lieu of fringe benefits at the straight time rate. In addition, check paragraph 4(b) of the statement on page 2 the payroll form to indicate the payment of fringe benefits in cash directly to the workers. Note any exceptions in section 4(c).

Use of Section 4(c), Exceptions

Any contractor who is making payment to approved plans, funds, or programs in amounts less than the wage determination requires is obliged to pay the deficiency directly to the covered worker as cash in lieu of fringe benefits. Enter any exceptions to section 4(a) or 4(b) in section 4(c). Enter in the Exception column the craft, and enter in the Explanation column the hourly amount paid each worker as cash in lieu of fringe benefits and the hourly amount paid to plans, funds, or programs as fringe benefits. The contractor must pay an amount not less than the predetermined rate plus cash in lieu of fringe benefits as shown in section 4(c) to

each such individual for all hours worked (unless otherwise provided by applicable wage determination) on the Federal or Federally assisted project. Enter the rate paid and amount of cash paid in lieu of fringe benefits per hour in column 6 on the payroll. See paragraph on "Contractors who pay no fringe benefits" for computation of overtime rate.

Public Burden Statement: We estimate that it will take an average of 55 minutes to complete this collection of information, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection of information, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W.,Washington, D.C. 20210.

Note: In order to view, fill out, and print PDF forms, you need Adobe® Acrobat® Reader® version 5 or later, which you may download for free at www.adobe.com/products/acrobat/readstep2.html.

I, _____ _____
(Name of Signatory Party) (Title)

do hereby state:

(1) That I pay or supervise the payment of the persons employed by

_____ on the
(Contractor or Subcontractor)

_____; that during the payroll period commencing on the
(Building or Work)

_____ day of _____, _____, and ending the _____ day of _____, _____,

all persons employed on said project have been paid the full weekly wages earned, that no rebates have been or will be made either directly or indirectly to or on behalf of said

_____ from the full
(Contractor or Subcontractor)

weekly wages earned by any person and that no deductions have been made either directly or indirectly from the full wages earned by any person, other than permissible deductions as defined in Regulations, Part 3 (29 C.F.R. Subtitle A), issued by the Secretary of Labor under the Copeland Act, as amended (48 Stat. 948, 63 Stat. 108, 72 Stat. 967; 76 Stat. 357; 40 U.S.C. § 3145), and described below:

_____

_____

_____

_____

(2) That any payrolls otherwise under this contract required to be submitted for the above period are correct and complete; that the wage rates for laborers or mechanics contained therein are not less than the applicable wage rates contained in any wage determination incorporated into the contract; that the classifications set forth therein for each laborer or mechanic conform with the work he performed.

(3) That any apprentices employed in the above period are duly registered in a bona fide apprenticeship program registered with a State apprenticeship agency recognized by the Bureau of Apprenticeship and Training, United States Department of Labor, or if no such recognized agency exists in a State, are registered with the Bureau of Apprenticeship and Training, United States Department of Labor.

(4) That:

(a) WHERE FRINGE BENEFITS ARE PAID TO APPROVED PLANS, FUNDS, OR PROGRAMS

☐ – in addition to the basic hourly wage rates paid to each laborer or mechanic listed in the above referenced payroll, payments of fringe benefits as listed in the contract have been or will be made to appropriate programs for the benefit of such employees, except as noted in section 4(c) below.

(b) WHERE FRINGE BENEFITS ARE PAID IN CASH

☐ – Each laborer or mechanic listed in the above referenced payroll has been paid, as indicated on the payroll, an amount not less than the sum of the applicable basic hourly wage rate plus the amount of the required fringe benefits as listed in the contract, except as noted in section 4(c) below.

(c) EXCEPTIONS

EXCEPTION (CRAFT)	EXPLANATION

REMARKS:

NAME AND TITLE	SIGNATURE

THE WILLFUL FALSIFICATION OF ANY OF THE ABOVE STATEMENTS MAY SUBJECT THE CONTRACTOR OR SUBCONTRACTOR TO CIVIL OR CRIMINAL PROSECUTION. SEE SECTION 1001 OF TITLE 18 AND SECTION 3729 OF TITLE 31 OF THE UNITED STATES CODE.

"General Decision Number: FL20240137 05/10/2024

Superseded General Decision Number: FL20230137

State: Florida

Construction Type: Heavy

County: Volusia County in Florida.

HEAVY CONSTRUCTION PROJECTS (Including Sewer and Water Lines) (EXCLUDING CAPE CANAVERAL AIR FORCE STATION, PATRICK AIR FORCE BASE, KENNEDY SPACE FLIGHT CENTER AND MALABAR RADAR SITE)

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	. Executive Order 14026 generally applies to the contract. . The contractor must pay all covered workers at least $17.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2024.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	. Executive Order 13658 generally applies to the contract. . The contractor must pay all covered workers at least $12.90 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2024.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at http://www.dol.gov/whd/govcontracts.

==========

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 ($17.20) or 13658 ($12.90). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage

determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

State Adopted Rate Identifiers

Classifications listed under the ""SA"" identifier indicate that the prevailing wage rate set by a state (or local) government was adopted under 29 C.F.R §1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 01/03/2024 reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

==========

END OF GENERAL DECISION"

County of Volusia
Community Assistance
121 W. Rich Avenue
DeLand, FL 32720

Minority & Women Business Reporting Form (MWBE)
Information and Instructions for Contractors & Subcontractors

Reporting

This report shall be completed by all contractors and subcontractors for reporting contract and subcontract activities for construction projects as required by the County of Volusia Community Assistance Division. Subcontracts of less than $10,000 must be reported individually only if such contracts represent a significant portion of the total contracting activity.

- Section 7a:
  - ✓ **Amount of Contract/Subcontract:** Enter the dollar amount rounded to the nearest dollar. If subcontractor ID number is provided in 7f, the dollar figure would be for the subcontract only and not for the prime contract.

- Section 7b:
  - ✓ **Type of Trade:** Enter the numeric code which best indicates each contractor's/subcontractor's service type. If subcontractor ID number is provided in 7f, the type of trade code would be for the subcontractor only and not for the prime contractor.

    * The "other" category includes supply, professional services, and all other activities except construction and education/training activities

- Section 7c:
  - ✓ **Business Racial/Ethnic/Gender Code:** Enter the numeric code which best indicates the racial/ethnic/gender character of the owner(s) and controller(s) of 51% of the business. When 51% or more is not owned and controlled by any single racial/ethnic/gender category, enter the code which seems most appropriate. If the subcontractor ID number is provided, the code would apply to the subcontractor and not the prime contractor

- Section 7d:
  - ✓ **Women Owned Business:** Enter "yes" or "no" to if each listed agency is women owned

- Section 7e:
  - ✓ **Contractor Identification Number:** Enter the Employer (IRS/FEIN) Number of the Prime Contractor as the unique identifier of the prime recipient of HUD funds. Note that the Employer (IRS) Number must be provided for each contract/subcontract awarded.

- Section 7f:
  - ✓ **Subcontractor Identification Number:** Enter the Employer (IRS/FEIN) Number of the subcontractor as the unique identifier for each subcontract awarded from HUD funds. When the subcontractor ID number is provided, the respective Prime Contractor ID Number must also be provided.

- Section 7g:
  - ✓ **Contractor/Subcontractor Business Name and Address:** Enter this information for each firm receiving contract/subcontract activity only one time on each report for each firm.

EQUAL HOUSING OPPORTUNITY

Section 3 Information

What is Section 3?

Section 3 is a provision of the Housing and Urban Development Act of 1968. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low- and very low income persons; particularly those who are recipients of government assistance for housing or residents of the community in which the Federal assistance is provided.

What is a Section 3 Business Concern?

A business concern meeting at least one of the following criteria, documented within the last six-month period:

- Owned and controlled by at least 51% low- or very low-income persons;
- Over 75% of the labor hours performed for the business over the prior three-month period performed by Section 3 workers;
- Owned and controlled by at least 51% current public housing residents or residents currently living in Section-8 assisted housing

What is a Section 3 Worker?

A Section 3 worker is any worker who currently fits, or if hired on or after 11/30/20 fit, one the following categories, as documented:

- A worker whose annual income is at or below the 80% income limit as established by HUD
- A worker employed by a documented Section 3 Business Concern
- A worker that is a YouthBuild participant

What is a Targeted Section 3 Worker?

For Community Development funded projects, a Targeted Section 3 worker is:

- A worker employed by a documented Section 3 Business Concern; or
- A worker who currently fits, or if hired on or after 11/30/20 fit, one the following categories, as documented:
    - A worker living within the service area of the project, as defined at § 75.5; or
    - A worker that is a YouthBuild participant

Are there contract provisions related to Section 3?

Yes; all contracts for Section 3 covered projects must include language applying Section 3 requirements to any subrecipient agreement or contract for a Section 3 project. Sub-recipients, contractors and subcontractors for a Section 3 project must meet the requirements of § 75.19, regardless of whether Section 3 language is included in related agreements or contracts.

What information is required for Section 3 Reporting?

For Community Development funded projects, the following may be required:

- Section 3 Business Concern Certification
- Section 3 Project Workforce form
- Section 3 Certification form, when applicable
- Supporting documents for those claiming status as of Section 3 Business Concerns, Section 3 Worker, and/or Section 3 Targeted Worker
- Any other information requested by Volusia County to ensure Section 3 compliance

Build America, Buy America (BABA) Information

What is Build America, Buy America (BABA)?

The Build America, Buy America Act (BABA) requires that all iron, steel, manufactured products, and construction materials used for federally funded infrastructure projects are produced in the United States, unless otherwise exempt or subject to an approved waiver. This requirement is known as the "Buy America Preference (BAP)".

When does BABA apply to projects?

The Build America, Buy America Act (BABA) applies to all federally funded infrastructure projects. The Community Development Block Grant (CDBG) is a federal funding source and BABA would apply for all infrastructure project funded with CDBG. If additional funding sources are being used, the entire project must meet BABA requirements if any federal funding source is being utilized.

What is considered an infrastructure project?

The following are considered infrastructure projects according to BABA:

- Rehabilitation, maintenance, and reconstruction of buildings and real property, including housing
- Construction and repair of public facilities and improvements, such as water, sewer, or other utilities, parks, roads, bridges, sidewalks, homeless shelters, or broadband infrastructure

Do all materials have to be manufactured in the United States?

The U.S. Department of Housing and Urban Development (HUD) is requiring that BABA be met in phases to assist with the current transition. The phases are based on the year the funds were obligated. If you are unsure which fiscal year the funds were obligated for your project, reach out to the city you were awarded by or CDBG@volusia.org.

Obligated Fiscal Year	Materials that must follow BABA
FY 2023/24	• Iron • Steel
FY 2024/25	• Non-ferrous metals • Lumber • Plastic- and polymer-based composite building materials, pipes, and tubes
FY 2025/26	• All other plastic- and polymer-based products • Glass • Fiber optic cable • Optical fiber • Engineered wood • Drywall

What information is required for BABA reporting?

For Community Development funded infrastructure projects, the following is required:

- BABA Certification form
- Supporting documentation to show that all required materials were produced in the United States
    - Invoices, receipts, etc.

The form to be completed by the contractor is subject to change as additional information is provided by HUD.

24 CFR PART 85.36 Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments

Compliance with the following bonding requirements is mandatory.

Proof of bonding will be verified prior to issuance of the notice to proceed.

(h) Bonding requirements.

For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or sub grantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The bid guarantee shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A performance bond is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A payment bond is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

CITY OF NEW SMYRNA BEACH, FLORIDA
RFP 23-24-CRA: MARY AVENUE TOT LOT IMPROVEMENTS

Reference Questionnaire for: _____

Name and title of Individual completing this form: _____

Name of Organization: _____

Telephone Number: _____ Email Address: _____

Dates of services received: _____

Description of services provided by the above-mentioned firm to your organization: _____

_____

The City of New Smyrna Beach received a proposal from the above-mentioned Consultant/Firm listing you as a current or previous client. Kindly answer the following questions, then email your completed form. Your response provides valuable information in our evaluation process.

Each criteria listed below shall be rated on a scale of 1 to 5, with 5 representing exceptional and you would hire the firm or individual again; 4 representing above average; 3 representing average; 2 representing below average; 1 representing poor; and N/A representing that you do not have sufficient knowledge of the Firm or individuals past performance.

Item	Criteria	Score (1-5)
1	Rate the Contractor's quality of work, did it meet or exceed your expectations?	
2	Rate how effective the Contractor communicated throughout the project process.	
3	Rate how well the contractor adhered to timelines and stay within budget.	
4	Rate how setbacks or unexpected challenges were managed by the contractor.	

Is there anything additional you would like to add regarding the level of service and expertise of the firm, or the auditor(s) assigned to your organization?

If yes, please describe.

The City of New Smyrna Beach will only accept this completed form from the above listed individual that is completing the survey. Please email this completed survey to: purchasing@cityofnsb.com prior to July 15, 2024 with RFP 23-24-CRA in the subject line.

Addendum 1
RFP 23-24-CRA: Mary Avenue Tot Lot Improvements
June 28, 2024

TO ALL PROPOSERS: Notice is hereby given to all Proposers that this is Addendum 1 to RFP 23-24-CRA: Mary Avenue Tot Lot Improvements**,** issued June 19, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Attachment 1: Pre-bid Sign Sheet & Recording
Attachment 2: Agenda
Attachment 3: CDBG Requirements

Revisions: The following sections of the RFP document has been revised.

- Section 11 includes a draft construction contract. This replaces the professional services contract originally provided.
- Section VI has been revised to include the following terms and conditions.
  - Claims and Damages
  - Commencement of work
  - Effectiveness and Duration
  - Liquidated Damages
  - Off-Site Liability Coverage
  - Payments to the Contractor
  - Performance Bond, Material Bond and Warranty of Title
  - Safety and Health Regulations
  - Sanitary Regulations

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

City of New Smyrna Beach
RFP 25-24-CW: Mary Avenue Tot Lot Improvements
Non-Mandatory Pre-Bid/Site Visit
Agenda

Date: **June 28, 2024 @ 10:00AM**
Location: **505 Mary Avenue, New Smyrna Beach, Florida 32168**

- **Sign in & Introduction**.

General Description of Project: The playground related to this project is located at 505 Mary Avenue, New Smyrna Beach, Florida, 32168. The existing playground structure is approximately twenty-three (23) years old. and is need of being updated. The playground defined area (playground borders in place) is approximately 3,600 SF.

This is a turn-key project with the awarded General Contractor being responsible for furnishing new playground equipment, possible shade structure, delivery of all equipment and installation of equipment. Services shall also include any required building permits, inspections, labor, site prep and necessary materials for construction. Contractor shall furnish and install three (3) benches, see attached specifications of the bench preferred by the City.

The General Contractor will need to have a Structural Engineer sign and seal plans. Playground equipment to be signed and sealed by Professional Engineer hire by Contractor for Building Permit submittal.

Awarded Contractor is required to submit a building permit for approval prior to construction.

Scope of Services: Provide and install a modern playground encompassing as much natural shade as possible. Shall include a primary color themed playground for children age's two (2) to twelve (12) years old. The new playground equipment design and layout should incorporate the latest in playground design philosophy and technology addressing the physical and creative needs of children of multiple ages.

The playground equipment setbacks and fall zone criteria are to be constructed per latest U.S. Consumer Product Safety Commission (CPSC) Public Playground Safety Handbook.

The playground shall be accessible to all children and meet all current ADA compatibility requirements at a minimum, with ADA inclusive features possible within the funding amount. Project includes a 160 LF of rubberized pathway (minimum 36 inches wide, 6 inches thick, or accepted material meeting fall zone criteria for ADA accessible to playground equipment. Cross-slopes must not exceed 2% and running slopes (longitude) to not exceed 5% slopes per ADA. Total rubberized area 515 SF.

Project shall represent New Smyrna Beach with a new modern playground structure that fits in with its surroundings. Project resulting in a low maintenance and high durability is extremely important. Best practices include the following, but not limited to:

- Areas that allow for universally accessible capability
- Areas that include age-appropriate components
- Capture the history of the existing playground and surrounding area
- Playground structure to be placed within existing playground borders

Existing Equipment: **The awarded Contractor shall:**

- Prep the area for installation of new equipment.
- Remove existing footers and replace with new.
- Install Silt Fence around Construction Limits, which is approximately 250 LF.
- Existing fence sections may be removed to access during construction.
- Replace and return removed fence to original condition.
- Provide three (3) benches, specifications are provided in the Attachment Section of this document.

City Staff shall:

- Remove the existing playground equipment including slides, and swing set.
- Shall remove the existing mulch and replace the mulch once the project has been completed by Contractor.
- Remove existing benches.
- Coordinate with awarded Contractor the necessary trimming of oak trees. Trimming of trees will be completed by the City.

Desired Equipment: The City's vision for the new equipment includes, but not limited to:

- Swing set to include four (4) to six (6) swings. At least one swing being ADA compatible.
- Open slides for main playground equipment with minimum 10 play events
- Movement Inclusive equipment with Play Mat
- Shade over proposed equipment

Note: Proposals may include a quick release shade canopy incorporated with the equipment for consideration. Minimal enclosed features (no enclosed slides)

Types of Materials for Equipment: The material for the equipment and other areas of the playground should be selected with three primary considerations: Safety, Durability and Maintenance.

Materials selected should be as low maintenance as possible and suited to a saltwater environment. City prefers all new equipment be HDPE. Natural stained or painted wood is not acceptable.

Proposed materials should be “grippable” by all ages of children and be coated so that they do not become too hot in the exposure to the weather. Consideration should be given to materials that have more longevity given location’s close proximity to river and ocean salt air.

- Powder Coated or PVC Coated aluminum or hot dipped galvanized steel.
- PVC or polyethylene sheets or pipes.
- Polyethylene ropes or other similar materials.
- GRFC molds for decks, climbing rocks, etc.

All bolts, nuts, washers, screws and other associated hardware used for playground assembly must be corrosion resistant stainless steel. All play decks shall have textured slip resistant surfaces.

There will be no “water play” type equipment installed on this playground; therefore, please do not include water play equipment in your proposal. Including water play equipment in your proposal could result in your proposal being rejected.

Budget: The City has allocated $158,000 CRA and CDBG funds for this project which includes, but is not limited to the following:

- Building permit fees – reference current Fee Schedule at the City Building Department;
- Signed sealed documents as needed for Building Permit approval;
- Construction in compliance with U.S. Consumer Product Safety Commission as well as ASTM F2373, ADA guidelines and ASTM F1292 – Impact Attenuation;
- Site restoration including periphery area used for staging/storing of materials;
- Insurance per specifications as well as minimum three (3) year labor warranty; fifteen (15) year limited warranty on metal decks, pipes, rungs, rails and loops; twenty (20) year limited warranty on recycled plastic lumber components; and five (5) year limited warranty on nylon-covered cable net climbers and components.

Notes and Requirements:

- There must be removal and cleanup of all debris and construction materials after the equipment is installed.
- Any deviation from the terms of this RFP must be noted on these bidding documents and explanatory specifications attached to the proposal.
- The final project will not be accepted until the City of New Smyrna Beach approves the work after the construction has been completed.
- It will be the responsibility of the contractor, before digging (if needs to be done), to contact local utility agencies.
- Any disturbed areas shall be sodded.
- Construction site shall be returned to the condition it was in prior to construction starting. Contractor is responsible for repairing all damages to site.
- In the event that any specification stated in this request for proposal conflicts with State and/or Federal laws, the State and/or Federal Laws shall prevail.
- Any excess dirt as a result of construction and/or installation is to be removed from the site. Removed dirt shall be properly disposed of according to federal, state, and local laws that may apply.
- All site preparation is the responsibility of the contractor.
- Must be a licensed contractor in Volusia County.
- This is a federally assisted project and is subject to Federal Labor Standards which include, the Davis-Bacon Act (payment of prevailing wage rates) and the Copeland Act (anti-kickback of wages & submission of weekly certified payroll reports), as well as other provisions including 24 CFR 85.36 (bonding requirements), and Section 3 & M/WBE. Laborers and mechanics employed by primary contractors and sub-contractors performing construction work on this project shall be paid wages at rates not less than the prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act. The prime contractor is responsible for the enforcement of wage compliance and support documentation for the duration of the project and may be held liable for wage restitution. The applicable information regarding the laws and regulations stated above are included in the bid packet.
- Prior to construction, awarded Contractor must call 811 to locate existing Utilities.

Additional Considerations: The playground area has electrical service available to it from the pavilion and restroom facility nearby. Water fountain(s) are available outside the restroom facility as well.

Days of Completion: 120 Days. 90 Days Substantial. Final 30 Days thereafter

Addendum 1:

Section 11, Attachments updated with draft Construction Contract

Section VI. to be updated to include the below additional terms and conditions:

- Claims and Damages
- Commencement of work
- Effectiveness and Duration
- Liquidated Damages
- Off-Site Liability Coverage
- Payments to the Contractor
- Performance Bond, Material Bond and Warranty of Title
- Safety and Health Regulations
- Sanitary Regulations

Timeline Reminders:

Deadline for Written Questions:	July 15, 2024, 5:00pm
Proposal Submission Deadline:	July 29, 2024, 5:00pm
Opening of Submittals:	July 30, 2024, 9:00am
Evaluation Meeting:	August 8, 2024, 9:00am
Recommendation of award to City Commission:	August 27, 2024

Volusia County
FLORIDA

Pre-Bid Meeting - CDBG Requirements

1. There are additional requirements for CDBG funded projects including the adherence to certain labor standards and the completion and submittal of additional documentation including reporting forms and payroll reports
   - These requirements apply to the prime contractor **and** sub-contractors

2. Some of the labor standards and regulations are listed below and are not limited to:
   - *Davis-Bacon Act, Copeland "Anti-Kick Back" Act, Section 3, Build America, Buy America (BABA) Act, Environmental Compliance, Lead Based Paint Requirements, Historic Preservation, Energy Efficiency, Flood Disaster Protection, Special Equal Opportunity Provisions, Conflict of Interest, Utilization of Minority and Women-owned Businesses, Fair Housing Laws, Drug Free Workplace, etc.*

3. Prime contractor and all sub-contractors must be free of any debarment judgments
   - This will be verified through the federal System for Award Management (SAM) database

4. Reporting forms:
   a. The following reporting form should be submitted by the Prime contractor with bid submission:
      i. Section 3 Business Concern Certification
   b. The following reporting form may required from all sub-contractors no less than one week prior to a pre-construction meeting:
      i. Section 3 Business Concern Certification
   c. The following reporting forms are required from all contractors no less than one week prior to a pre-construction meeting:
      i. Section 3 Project Workforce
      ii. Section 3 Certification (as applicable)
      iii. Minority and Women Business
      iv. BABA Pre-Certification Form

5. Adherence to Davis-Bacon prevailing wage requirement and submission of certified payroll reports
   a. All laborers and mechanics working on CDBG funded projects are required to be paid at least the prevailing wage and any applicable fringe benefits for their work classification
   b. A Department of Labor Wage Determination is assigned to the project that is a listing of wage rates and fringe benefit rates for each work classification of laborers and mechanics
   c. Laborers and mechanics must be classified with a work classification from the wage determination assigned to the project
   d. Certified payroll reports will need to be submitted weekly
      i. Encourage use of WH347 Certified Payroll Form
   e. Site visits will be conducted by Volusia County staff to complete required employee interviews
   f. Wage determination and employee rights posters must be visibly posted on site

Addendum 2
RFP 23-24-CRA: Mary Avenue Tot Lot Improvements
July 22, 2024

TO ALL PROPOSERS: Notice is hereby given to all Proposers that this is Addendum 2 to RFP 23-24-CRA: Mary Avenue Tot Lot Improvements**,** issued June 19, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

1. **Question:** The RFP states, "Project includes a 160 LF of rubberized pathway (minimum 36 inches wide, 6 inches thick, or accepted material meeting fall zone criteria for ADA accessible to playground equipment. Cross-slopes must not exceed 2% and running slopes (longitude) to not exceed 5% slopes per ADA. Total rubberized area 515 SF." What surfacing does the city want under the swings and new playground structure? Does the city want PIP rubber surfacing or does the city want engineered wood fiber mulch with rubberized pathways?

   Answer: Engineered wood fiber mulch with rubberized pathway. Please see site plan sheet 3 of 5 table "Accepted Material and Thickness Within Fall Zone Limits" for additional information

2. **Question:** We understand the city is removing the existing mulch and will replace the mulch once installation is complete, but what about the existing plastic playground borders that hold the mulch in? If they're as old as that playground, I'd assume you would want those replaced, but it is a sizable line item, so I wanted to see if you wanted those included in the bid.

   Answer:

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

INDIVIDUAL PROPOSAL SCORES

Advanced Recreational Concepts

Qualifications and Experience | Points Based | 20 Points (20%)

Evaluator 1: 17

Good experience staff. Could have listed more detail information and years of experience for the supporting staff.

Evaluator 2: 18

Over 20 years of experience in playground construction. Experienced in dealing with municipalities.

Evaluator 3: 15

ARC operates as a limited liability corporation (LLC) and is well-equipped with a capable workforce to complete its projects efficiently. The project and installation manager are the sole support staff that has extensive experience in the field.

Project Approach and Management | Points Based | 20 Points (20%)

Evaluator 1: 16

Provided simple four steps to complete the project.

Evaluator 2: 10

Needed more information about the project management approach.

Evaluator 3: 15

ARC's four-step project management plan exemplifies a structured approach, though the firm could benefit from further elaboration on their unique qualifications.

Proposed Equipment and Configuration | Points Based | 15 Points (15%)

Evaluator 1: 15

Very Good site plan and equipment rendering for this project. Use project specific information to generate the concept plan.

Evaluator 2: 12

Meets proposed design and Configuration.

Evaluator 3: 10

ARC presented a proposal that appears to be durable and of high quality. The Playcraft system standards exceed industry expectations. However, the playground lacks a variety of play components that would appeal to a broader age group.

Deliverable Timeline | Points Based | 15 Points (15%)

Evaluator 1: 13

Clear project schedule to purchase and install the playground equipment.

Evaluator 2: 8

20 weeks proposed time. 10-12 weeks on manufacturing.

Evaluator 3: 10

ARC presented the project timeline from design to installation, but their completion time extends beyond our goals.

Warranty | Points Based | 10 Points (10%)

Evaluator 1: 10

Very good. Provided Warranty for material and installation certification.

Evaluator 2: 8

Good warranty terms

Evaluator 3: 8

ARC provided warranties for the installer and the equipment

Fee Proposal | Points Based | 15 Points (15%)

Evaluator 1: 15

Provide detail cost breakdown summary - under $150,000. Included cost for the 515 SF of ADA rubberized pathways around the playground.

Evaluator 2: 8

Within budget. (147K)

Evaluator 3: 15

The contractor provided a comprehensive fee proposal that itemized all expenses related to the project

References | Points Based | 5 Points (5%)

Evaluator 1: 2

Reference responded with forms.

Evaluator 2: 2

Satisfactory references

Evaluator 3: 2

The Contractor provided references, but they were not submitted timely, and all references were from the same firm.

Lanier Plans Inc. dba KorKat

Qualifications and Experience | Points Based | 20 Points (20%)

Evaluator 1: 18

Very good team with experience . Owner has over 24 years of experience in playground design as designer/engineer. Support staff has over 130 years of experience total.

Evaluator 2: 17

Over 20 years experience

Evaluator 3: 20

Korkat and the team possess extensive expertise in designing, manufacturing, certifying, and installing playgrounds.

Project Approach and Management | Points Based | 20 Points (20%)

Evaluator 1: 18

Project approach explain the standard processes to complete the project.

Evaluator 2: 18

Highly detailed project management approach.

Evaluator 3: 18

Korkat has outlined a comprehensive management plan approach; however, the manufacturing time exceeds our goals.

Proposed Equipment and Configuration | Points Based | 15 Points (15%)

Evaluator 1: 12

Show specific project equipment and rendering. Did not show entire ADA pathway.

Evaluator 2: 12

Design meets expectations.

Evaluator 3: 15

Korkat has presented a well- designed proposal that appeals to the age group and incorporates elements that are vibrant and inviting.

Deliverable Timeline | Points Based | 15 Points (15%)

Evaluator 1: 12

The schedule for product and installation listed a lot of information on the equipment and options. Could have provided a simpler schedule with an overall project complete time.

Evaluator 2: 12

Delivery time within scope

Evaluator 3: 12

Korkat presented a detailed project timeline that, extends beyond the anticipated project completion date.

Warranty | Points Based | 10 Points (10%)

Evaluator 1: 9

Warranty information provided.

Evaluator 2: 7

Warranty is up to standards

Evaluator 3: 10

Korkat offers a lifetime warranty on steel and other products.

Fee Proposal | Points Based | 15 Points (15%)

Evaluator 1: 10

Provide detail cost breakdown summary - under $150,000. But ADA rubberized path area on proposal was only 150 SF versus 515 SF shown on the RFP provided site plan. This could impact the overall cost proposal.

Evaluator 2: 9

Pricing is within budget 142K

Evaluator 3: 12

Korkat provided a comprehensive fee proposal that itemized all expenses related to the project, but I was unable to identify the standalone inclusive equipment.

References | Points Based | 5 Points (5%)

Evaluator 1: 2.9

Reference responded with forms.

Evaluator 2: 2.9

Satisfactory References

Evaluator 3: 2.9

Korkat submitted references, but did not submit timely.

TOP LINE RECREATION INC

Qualifications and Experience | Points Based | 20 Points (20%)

Evaluator 1: 17

Good experience staff with some over 20 years of experience in playground projects.

Evaluator 2: 15

Sufficient experience with 11 years in the playground business and experience with many municipalities

Evaluator 3: 20

Topline has 30 years extensive experience and training in playground construction.

Project Approach and Management | Points Based | 20 Points (20%)

Evaluator 1: 18

Good clear project approach with critical steps shown.

Evaluator 2: 10

Did not see a clear project management approach

Evaluator 3: 15

Top Line provided a step-by-step plan to manage the project, However, they could have provided key elements that set their approach apart from others.

Proposed Equipment and Configuration | Points Based | 15 Points (15%)

Evaluator 1: 11

Show general product of the equipment mainly produced by Burke. While other proposals develop project specific concept plan and layout.

Evaluator 2: 13

Equipment and configuration meets the City's criteria

Evaluator 3: 15

Topline has delivered a set of designs that capture the essence of play value, engaging activities and events tailored to the target age group.

Deliverable Timeline | Points Based | 15 Points (15%)

Evaluator 1: 14

Clear timeline to complete project. Provided very good project schedule summary.

Evaluator 2: 12

Deliverable time is more than satisfactory.

Evaluator 3: 15

Topline provided a timeline showing that the construction should be finished within the expected timeframe, which matches our requirements.

Warranty | Points Based | 10 Points (10%)

Evaluator 1: 9

Warranty information provided.

Evaluator 2: 8

Warranty is excellent.

Evaluator 3: 10

Topline presents a Burke Generations warranty that allows a 100-year limited warranty on playground products.

Fee Proposal | Points Based | 15 Points (15%)

Evaluator 1: 15

Provide detail cost breakdown summary - under $150,000. Included cost for the 515 SF of ADA rubberized pathways around the playground.

Evaluator 2: 13

Price is very fair.

Evaluator 3: 15

Topline provided a comprehensive fee proposal that itemized all expenses related to the project

References | Points Based | 5 Points (5%)

Evaluator 1: 0

References did not submit the forms per Purchasing.

Evaluator 2: 0

No reference Submitted

Evaluator 3: 0

Topline failed to adhere to the protocol for reference submissions.

INDIVIDUAL PROPOSAL SCORES

Lanier Plans Inc. dba KorKat

Qualifications and Experience | Points Based | 20 Points (21.1%)

TUAN HUYNH: 20

Very good team with experience . Owner has over 24 years of experience in playground design as designer/engineer. Support staff has over 130 years of experience total.

Alan Roig: 18

21 years experience

Irma Terry: 20

Korkat Team has extensive expertise in installing and designing playground equipment.

Project Approach and Management | Points Based | 20 Points (21.1%)

TUAN HUYNH: 18

Project approach explain the standard processes to complete the project.

Alan Roig: 15

Satisfactory project management process

Irma Terry: 20

Korkat presented a detailed management plan.

Proposed Equipment and Configuration | Points Based | 15 Points (15.8%)

TUAN HUYNH: 12

Good presentation on the proposed equipment and layout. But proposed layout presentation did not include the inclusive movement equipment and use incorrect areas for the ADA rubber pathways.

Alan Roig: 13

Contractor says they will provide the ADA ramp and inclusive table at no cost.

Irma Terry: 10

The design showcased creativity and engaging components but missed two major details in the scope. Korkat is willing to honor the city's scope and provide equipment according to the site plan. Willing to adjust colors or play events.

Deliverable Timeline | Points Based | 15 Points (15.8%)

TUAN HUYNH: 15

Project schedule submitted meets the CDBG grant timeline to complete within 16 weeks.

Alan Roig: 14

16-week lead time

Irma Terry: 15

Korkat presented a detailed project timeline that will keep the project on track.

Warranty | Points Based | 10 Points (10.5%)

TUAN HUYNH: 10

Warranty information provided.

Alan Roig: 8

satisfactory warranty

Irma Terry: 10

Warranty provides assurance regarding the durability of the product.

Fee Proposal | Points Based | 15 Points (15.8%)

TUAN HUYNH: 13

Fee proposal include security and performance bonds to cover project contingencies. There was discussion on the missing inclusive movement in the proposed bid price. Also, discussion on the wrong estimate quantity for the ADA pathway. Will honor the proposed bid price for missing items.

Alan Roig: 13

Contractor will not change fee but will add the missing components.

Irma Terry: 13

Korkat listed all associated expenses to the project, but failed to provide pricing for the 515 square foot ADA path and inclusive playground equipment as outlined in the scope. Korkat is willing to provide the necessary equipment at no additional cost.

TOP LINE RECREATION INC

Qualifications and Experience | Points Based | 20 Points (21.1%)

TUAN HUYNH: 19

Good experience staff with some over 20 years of experience in playground projects.

Alan Roig: 17

11 years' experience

Irma Terry: 20

Topline has 30 years of experience in playground construction and working with numerous municipalities.

Project Approach and Management | Points Based | 20 Points (21.1%)

TUAN HUYNH: 18

Good clear project approach and step-by-step to complete the project.

Alan Roig: 15

Good project management outline

Irma Terry: 18

Topline presented a detailed plan for project management.

Proposed Equipment and Configuration | Points Based | 15 Points (15.8%)

TUAN HUYNH: 15

Excellent video presentation showing the proposed equipment and configurations.

Alan Roig: 14

Burke system. Closest to city's vision

Irma Terry: 15

Topline presented designs that addressed engaging activities, play events and a variety of inclusive equipment that appeals to all abilities.

Deliverable Timeline | Points Based | 15 Points (15.8%)

TUAN HUYNH: 15

Provide good input on schedule to complete project from start to finish with detail steps. Very confidence in completing project before Christmas Holiday and to meet CDBG deadline of 16 weeks.

Alan Roig: 14

Most favorable to city's timeline 12 weeks

Irma Terry: 15

Topline presented a detailed project timeline that meets our expectations.

Warranty | Points Based | 10 Points (10.5%)

TUAN HUYNH: 10

Warranty is prorated. Starting over if work is needed from day one.

Alan Roig: 9

Satisfactory

Irma Terry: 10

Excellent warranty

Fee Proposal | Points Based | 15 Points (15.8%)

TUAN HUYNH: 15

Discuss in detail the fee proposal breakdown. Included all items within the scope of work. Included correct ADA path quantity and inclusive movement equipment.

Alan Roig: 14

Included city's specs within the budget

Irma Terry: 15

Proposal complies with funding requirements.

Irma Terry: 20

Korkat and the team possess extensive expertise in designing, manufacturing, certifying, and installing playgrounds.

Project Approach and Management | Points Based | 20 Points (21.1%)

TUAN HUYNH: 18

Project approach explain the standard processes to complete the project.

Alan Roig: 18

Highly detailed project management approach.

Irma Terry: 18

Korkat has outlined a comprehensive management plan approach; however, the manufacturing time exceeds our goals.

Proposed Equipment and Configuration | Points Based | 15 Points (15.8%)

TUAN HUYNH: 12

Show specific project equipment and rendering. Did not show entire ADA pathway.

Alan Roig: 12

Design meets expectations.

Irma Terry: 15

Korkat has presented a well- designed proposal that appeals to the age group and incorporates elements that are vibrant and inviting.

Deliverable Timeline | Points Based | 15 Points (15.8%)

TUAN HUYNH: 12

The schedule for product and installation listed a lot of information on the equipment and options. Could have provided a simpler schedule with an overall project complete time.

Alan Roig: 12

Delivery time within scope

Irma Terry: 12

Korkat presented a detailed project timeline that, extends beyond the anticipated project completion date.

Warranty | Points Based | 10 Points (10.5%)

TUAN HUYNH: 9

Warranty information provided.

Alan Roig: 7

Warranty is up to standards

Irma Terry: 10

Korkat offers a lifetime warranty on steel and other products.

Fee Proposal | Points Based | 15 Points (15.8%)

TUAN HUYNH: 10

Provide detail cost breakdown summary - under $150,000. But ADA rubberized path area on proposal was only 150 SF versus 515 SF shown on the RFP provided site plan. This could impact the overall cost proposal.

Alan Roig: 9

Pricing is within budget 142K

Irma Terry: 12

Korkat provided a comprehensive fee proposal that itemized all expenses related to the project, but I was unable to identify the standalone inclusive equipment.

References | Points Based | 5 Points (5.3%)

TUAN HUYNH: 2.9

Reference responded with forms.

Alan Roig: 2.9

Satisfactory References

Irma Terry: 2.9

Korkat submitted references, but did not submit timely.

TOP LINE RECREATION INC

Qualifications and Experience | Points Based | 20 Points (21.1%)

TUAN HUYNH: 17

Good experience staff with some over 20 years of experience in playground projects.

Alan Roig: 15

Sufficient experience with 11 years in the playground business and experience with many municipalities

Irma Terry: 20

Topline has 30 years extensive experience and training in playground construction.

Project Approach and Management | Points Based | 20 Points (21.1%)

TUAN HUYNH: 18

Good clear project approach with critical steps shown.

Alan Roig: 10

Did not see a clear project management approach

Irma Terry: 15

Top Line provided a step-by-step plan to manage the project, However, they could have provided key elements that set their approach apart from others.

Proposed Equipment and Configuration | Points Based | 15 Points (15.8%)

TUAN HUYNH: 11

Show general product of the equipment mainly produced by Burke. While other proposals develop project specific concept plan and layout.

Alan Roig: 13

Equipment and configuration meets the City's criteria

Irma Terry: 15

Topline has delivered a set of designs that capture the essence of play value, engaging activities and events tailored to the target age group.

Deliverable Timeline | Points Based | 15 Points (15.8%)

TUAN HUYNH: 14

Clear timeline to complete project. Provided very good project schedule summary.

Alan Roig: 12

Deliverable time is more than satisfactory.

Irma Terry: 15

Topline provided a timeline showing that the construction should be finished within the expected timeframe, which matches our requirements.

Warranty | Points Based | 10 Points (10.5%)

TUAN HUYNH: 9

Warranty information provided.

Alan Roig: 8

Warranty is excellent.

Irma Terry: 10

Topline presents a Burke Generations warranty that allows a 100-year limited warranty on playground products.

Fee Proposal | Points Based | 15 Points (15.8%)

TUAN HUYNH: 15

Provide detail cost breakdown summary - under $150,000. Included cost for the 515 SF of ADA rubberized pathways around the playground.

Alan Roig: 13

Price is very fair.

Irma Terry: 15

Topline provided a comprehensive fee proposal that itemized all expenses related to the project

References | Points Based | 5 Points (5.3%)

TUAN HUYNH: 0

References did not submit the forms per Purchasing.

Alan Roig: 0

No reference Submitted

Irma Terry: 0

Topline failed to adhere to the protocol for reference submissions.

City of New Smyrna Beach

Top Line Recreation, Inc. is delighted to provide City of New Smyrna Beach with this playground equipment proposal.

This design was developed with your specific needs in mind, and we look forward to discussing this project further with you to ensure your complete satisfaction. Top Line Recreation, Inc. is confident that this proposal will satisfy City of New Smyrna Beach's functional, environmental, and safety requirements -- and most importantly -- bring joy and excitement to the children and families directly benefiting from your new playground.

You have our personal commitment to support this project and your organization in every manner possible, and we look forward to developing a long-standing relationship with City of New Smyrna Beach. We appreciate your consideration and value this opportunity to earn your business.

Sincerely,

Debbie Lloyd

COOPERATIVE PURCHASING OPTIONS

PLAYGROUNDS WITHOUT ALL THE PAPERWORK

Purchasing with contracts may sound intimidating, but getting your community playspace doesn't need to be a painful process of writing specifications, issuing RFP's and jumping through hoops -- it can be simplified -- we promise! As you continue planning for your new playground, review the Purchasing Contracts offered through our partners.

EQUALIS GROUP

Equalis is an innovative cooperative purchasing organization that believes in the power of partnership and that when you work together you achieve more. The basic premise of the Equalis cooperative purchasing organization is to leverage the combined buying power of all members for better pricing and favorable contract terms. Equalis Group uses the lead agency model for competitively bid contracts, provides our participants the savings they expect and offers efficiencies and peace of mind within the procurement process. It is our mission to continuously improve the measurable and meaningful impact of cooperative services for everyone throughout the supply chain.

GOVMVMT

GOVMVMT is a non-profit group purchasing organization that meets the highest industry standards while putting the public's interest at the forefront of everything they do. Each one of GOVMVMT's first-class suppliers has consciously joined their mission to create the most credible, ethical, and public agency-focused non-profit cooperative purchasing program in the country.

GSA

Federal parks, child development programs, military bases and other agencies are a major priority for BCI Burke, and agencies can purchase Burke playgrounds through Burke's GSA contract for installation virtually anywhere in the world.

OMNIA PARTNERS

OMNIA Partners, Public Sector (Subsidiary National IPA) is the largest and most experienced organization in purchasing and supply chain management. Comprised of participants and suppliers in the public sector, we bring together industry-leading buying power and world-class suppliers to offer an extensive portfolio of competitively solicited and publicly awarded contracts and partnerships. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

SOURCEWELL

As a leader in cooperative purchasing, Sourcewell is passionate about helping members fulfill their public service missions. Sourcewell builds strong relationships with members and vendors to develop practical solutions together.

The easiest way to Join Our Movement is to call your local Representative at 800.266.1250 or visit **bciburke.com/rep**. Our passion is bringing play to communities like yours and we can't wait to help you get started!

DESIGN SUMMARY

Top Line Recreation, Inc. is very pleased to present this Proposal for consideration for the Mary Avenue Park Improvements located in New Smyrna Beach. BCI Burke Company, LLC has been providing recreational playground equipment for over 100 years and has developed the right mix of world-class capabilities to meet the initial and continuing needs of City of New Smyrna Beach. We believe our proposal will meet or exceed your project's requirements and will deliver the greatest value to you.

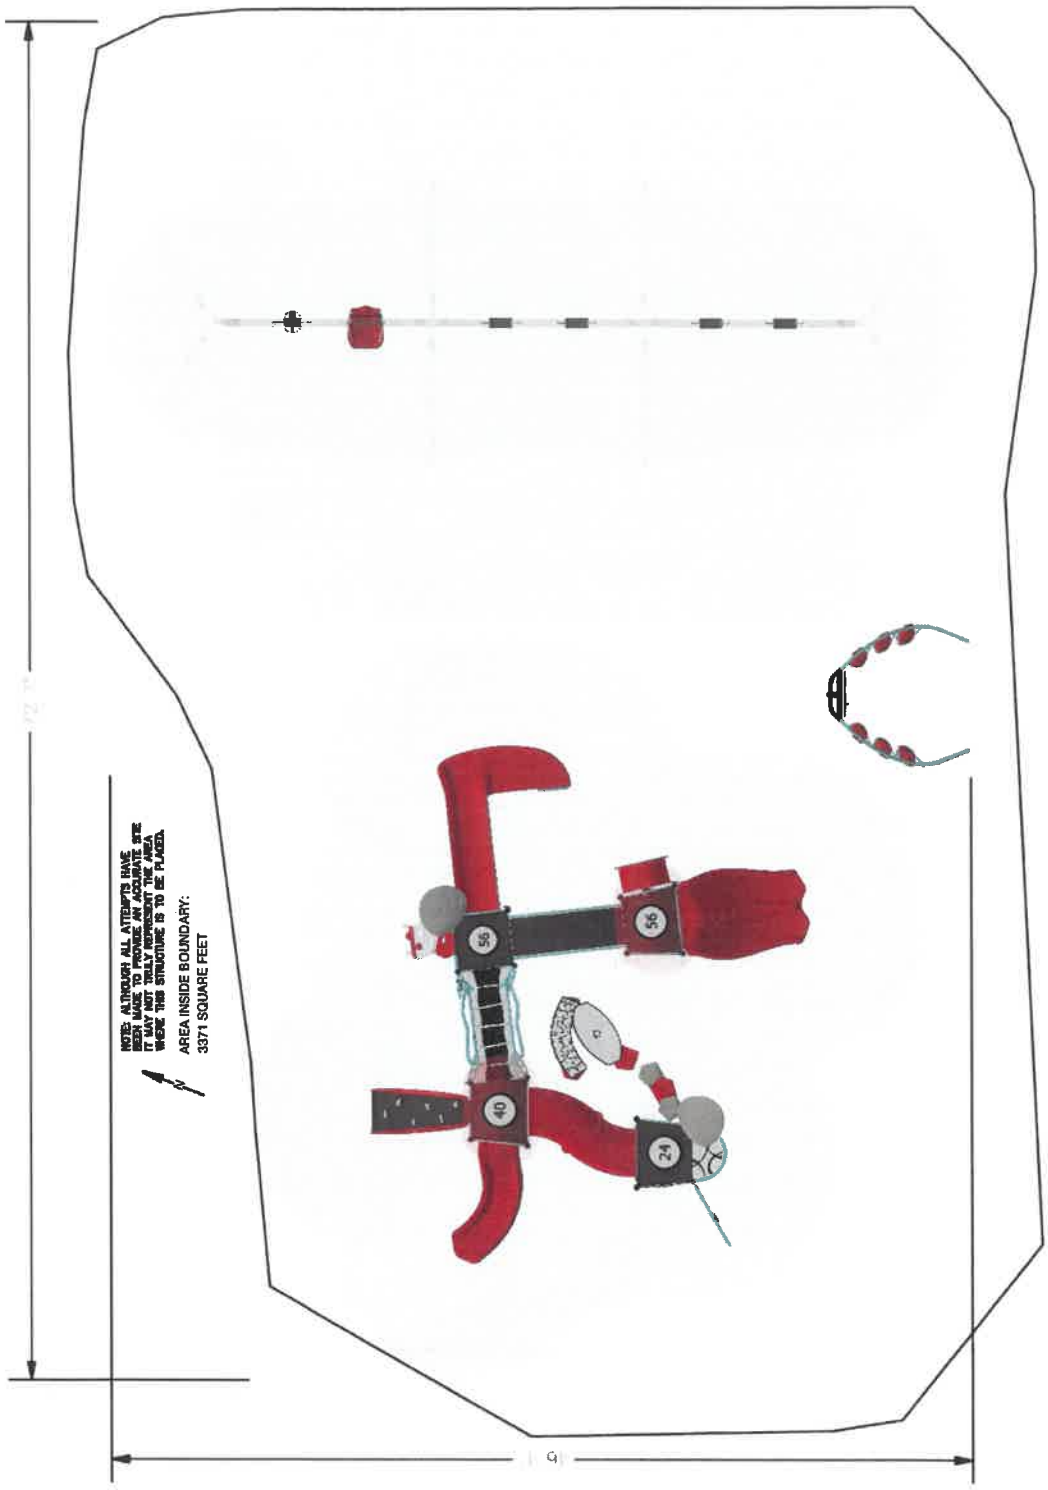
The following is a summary of some of the key elements of our Proposal:

- Project Name: Mary Avenue Park Improvements
- Project Number: 134-188242-1
- User Capacity: 70
- Age Groups: 5 to 12
- Dimensions: 72' 6"x46' 0"
- Designer Name: Christine Pitts

Top Line Recreation, Inc. has developed a custom playground configuration based on the requirements as they have been presented for the Mary Avenue Park Improvements playground project. Our custom design will provide a safe and affordable playground environment that is aesthetically pleasing, full of fun for all users and uniquely satisfies your specific requirements. In addition, proposal # 134-188242-1 has been designed with a focus on safety, and is fully compliant with ASTM F1487 and CPSC playground safety standards.

We invite you to review this proposal for the Mary Avenue Park Improvements playground project and to contact us with any questions that you may have.

Thank you in advance for giving us the opportunity to make this project a success.



PLAYGROUND ACCESSIBILITY (Provided/Required)

TOTAL EVENTS	ELEVATED EVENTS	TRANSFER ACCESSIBLE EVENTS	RAMP ACCESSIBLE EVENTS	GROUND EVENTS	TYPES OF GROUND EVENTS
23	13 / 7	13 / 0	0 / 0	15 / 4	5 / 3

The use and layout of play components identified in this plan conform to the CPSC guidelines. U.S. CPSC recommends the separation of age groups in playground layouts.

OVERALL BOUNDING OF USE ZONES **The space requirements shown here are to ASTM standards. Requirements for other standards may be different.

Area: 3339.2 sq.ft.
Perimeter: 237.2 ft.
STRUCTURE SIZE: 71'x72' 7"
POST SIZE(S): 5"

Warning: Accessible safety surfacing material is required beneath and around this equipment that is compliant with ASTM, CPSC, and ADAAG requirements.

Document A310™ – 2010

Conforms with The American Institute of Architects AIA Document 310

Bid Bond

CONTRACTOR:
(Name, legal status and address)

TopLine Recreation, Inc.
2922 Howland Blvd., Suite 3
Deltona, FL 32725

SURETY:
(Name, legal status and principal place of business)

Lexington National Insurance Corporation
P.O. Box 6098
Lutherville, MD 21094

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

OWNER:
(Name, legal status and address)

City of New Smyrna Beach
214 Sams Avenue
New Smyrna Beach, FL 32168

BOND AMOUNT: $ 10% Ten Percent of Amount Bid

PROJECT:
(Name, location or address, and Project number, if any)

Mary Avenue Park Improvements/ 505 Mary Avenue, New Smyrna Beach, FL

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

IMPORTANT NOTICE – THIS POWER OF ATTORNEY IS VOID IF "LNIC Original" WATERMARK IS NOT PRESENT

POWER OF ATTORNEY
Lexington National Insurance Corporation

Lexington National Insurance Corporation, a corporation duly organized under the laws of the State of Florida and having its principal administrative office in Baltimore County, Maryland, does hereby make, constitute and appoint:

Charles Nielson, Edward Ward, Kevin R. Wojtowicz, Shawn Burton, Jarrett Merlucci, David Hoover, Michael Megahan, Christian Collins, Taylor Rosenhaus

as its true and lawful attorney-in-fact, each in their separate capacity, with full power and authority to execute, acknowledge, seal and deliver on its behalf as surety any bond or undertaking of $6,000,000 or less. This Power of Attorney is void if used for any bond over that amount.

This Power of Attorney is granted under and by authority of the following resolutions adopted by the Board of Directors of the Company on February 15, 2018:

Be it Resolved, that the President or any Vice-President shall be and is hereby vested with full power and authority to appoint suitable persons as Attorney-in-Fact to represent and act for and on behalf of the Company subject to the following provisions:

Attorney-in-Fact may be given full power and authority for and in the name of and on the behalf of the Company, to execute, acknowledge and deliver any and all bonds, contracts, or indemnity and other conditional or obligatory undertakings, including any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts, and any all notices and documents cancelling or terminating the Company's liability thereunder and any such instruments so executed by any Attorney-in Fact shall be binding upon the Company as if signed by the President and sealed by the Corporate Secretary.

RESOLVED further, that the signature of the President or any Vice-President of LEXINGTON NATIONAL INSURANCE CORPORATION may be affixed by facsimile to any power of attorney, and the signature of the Secretary or any Assistant Secretary and the seal of the Company may be affixed by facsimile to any certificate of such power, or any such power or certificate bearing such facsimile signature or seal shall be valid and binding on the Company. Any such power so executed and sealed and certified by certificate so executed and sealed with respect to any bond to which it is attached continue to be valid and binding upon the Company.

IN WITNESS WHEREOF, the Company have caused this instrument to be signed and their corporate seal to be hereto affixed.

LEXINGTON NATIONAL INSURANCE CORP INCORPORATED 1989 FLORIDA

Ronald A. Frank, President

State of Maryland
County of Harford County, SS:

Before me, a notary public, personally appeared, Ronald A. Frank, President of Lexington National Insurance Corporation, who proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument and acknowledged to me that he executed the same in his capacity, and that by his signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.

I certify under the PENALTY of PERJURY under the laws of the State of Maryland that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

OPERATIONS PLAN and APPROACH

To Whom It May Concern:

Below is the typical schedule for playground related projects:

-Upon issuance of Purchase Order or deposit payment from customer, Top Line inputs puts order with the designated manufacturer within 1-2 business days.

-Engineering is requested as soon as we receive the confirmation back from our manufacture with the shipping date of equipment and our purple books to send for engineering. Engineering takes approximately 2-3 weeks to receive back from the engineering firm. Once received it is hand delivered to the installer to submit with the permit application.

-Permitting process will be started by our installers as soon as we hand off the engineering reports and the installer has received the site plan with defined setbacks outlined. Permitting is turned around within 6-8 weeks from the municipality.

-The Manufacturers typical turnaround time for playground equipment is within 10-12 weeks.

-Shipping of the playground equipment takes no longer than 5-7 business days.

-Installation of the playground equipment varies upon different scenarios (all equipment shows up without any missing hardware, job site not ready, too much rain, etc.) On a perfect installation, it should take a maximum of 2 weeks installation. Our installers are CPSI certified with 20 years of experience and training on Playgrounds construction.

-Invoices are send when job is complete following instruction on Purchase orders or contracts.

Jennifer Janelle
Project Manager
Top Line Recreation, Inc.

Top Line
RECREATION

DELIVERABLE TIMELINE:

As pertaining to the playground structure and equipment, design time can vary greatly depending on revisions, changes, and final agreement on the design. Designing from scratch to first draft can take between 3-7 business days and if that design is accepted, that's all there is for design.

After that, nothing happens until an order is placed. Once the order is placed, manufacturing time is between 6-8 weeks at the current time.

Once manufacturing and packaging is finished, it goes into shipping, which normally takes about a week to travel from the manufacturing plant in Wisconsin to the job site in Florida.

During this time, engineered drawings are requested, so that we can use them for permitting.

Permitting time can vary greatly and that all depends on the department and how fast things move. Our installation teams apply and follow up regularly to make sure things are moving along, but the processing is out of our hands.

For delivery of equipment to the job site, we time that with permitting to make sure when it arrives, we're good to start construction.

From construction start to finish, it could take a few days to two weeks, depending on the complexity of the entire project. Most projects are completed within a week.

Weather, rain, and ground water can affect the timeline as well.

BURKE GENERATIONS WARRANTY®

BCI Burke Company, LLC ("Burke") warrants that all standard products are warranted to be free from defects in materials and workmanship, under normal use and service, for a period of one (1) year from the date of shipment.

We stand behind our products.

In addition, the following products are warranted, under normal use and service from the date of shipment as follows:

- One Hundred (100) Year Limited Warranty on aluminum and steel upright posts (including Nucleus®, Nucleus Evolution®, Nucleus Aspire™, Intensity®, Level X®, Synergy®, Synergy Imagination® & 4Me® against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on KoreKonnect® clamps against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on Hardware (nuts, bolts, washers)
- One Hundred (100) Year Limited Warranty on bolt-through fastening and clamp systems (Synergy®, Intensity®, Nucleus®).
- Twenty-Five (25) Year Limited Warranty on spring assemblies and aluminum cast animals.
- Fifteen (15) Year Limited Warranty on structure platforms and decks, metal roofs, table tops, bench tops, railings and barriers against structural failure due to materials or workmanship.
- Fifteen (15) Year Limited Warranty on all plastic components including StoneBorders against structural failure due to materials or workmanship.
- Ten (10) Year Limited Warranty on ShadePlay® Canopies fabric, threads, and cables against degradation, cracking or material breakdown resulting from ultra-violet exposure, natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.
- Ten (10) Year Limited Warranty on NaturePlay® Boulders and GFRC products against structural failure due to natural deterioration or workmanship. Natural wear, which may occur with any concrete product with age, is excluded from this warranty.
- Ten (10) Year Limited Warranty on Full Color Custom Signage against manufacturing defects that cause delamination or degradation of the sign. Full Color Custom Signs also carry a two (2) year warranty against premature fading of the print and graphics on the signs.
- Five (5) Year Limited Warranty on Nucleus®, Intensity®, and RopeVenture® cables against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on rubber belt material against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on moving parts, including swing components, against structural failure due to materials or workmanship.
- Five (5) Year Limited Warranty on PlayEnsemble® cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Exclusions: The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

Limitation of Remedies: Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

Contact your local Burke Representative for warranty information regarding Burke Turf® and Burke Tile products.

Terms of Sale

Pricing: Prices published in this catalog are in USD, are approximate and do not include shipping & handling, surfacing, installation nor applicable taxes. All prices are subject to change without notice. Contact your Burke representative for current pricing. Payments are to be made in USD.

Weights: Weights are approximate and may vary with actual orders.

Installation: All equipment is shipped unassembled. For a list of factory-certified installers in your area, please contact your Burke representative.

Specifications: Product specifications in this catalog were correct at the time of publication. However, product improvements are ongoing at Burke, and we reserve the right to change or discontinue specifications without notice.

Loss or Damage in Transit: A signed bill of lading is our receipt from a carrier that our shipment to you was complete and in good condition upon arrival. Before you sign, please check the Bill of Lading carefully when the shipment arrives to make sure nothing is missing and there are no damages. Once the shipment leaves our plant, we are no longer responsible for any damage, loss or shortage.

For more information regarding the warranty, call Customer Service at 920-921-9220 or 1-800-356-2070. **01/2024**

CITY OF NEW SMYRNA BEACH, FLORIDA
RFP 23-24-CRA: MARY AVENUE TOT LOT IMPROVEMENTS
Reference Questionnaire for: TOP LINE RECREATION INC

Name and title of Individual completing this form: Rod Bargainer, Recreation & Leisure Services Manager

Name of Organization: City of Kissimmee Parks & Recreation

Telephone Number: 407-518-2363 Email Address: rod.bargainee@kissimmee.gov

Dates of services received: April 2024

Description of services provided by the above-mentioned firm to your organization: Top Line Recreation Inc. provided the installation of a new 20 x 40 pavilion. The scope of work included site preparation, construction of the pavilion structure, and ensuring compliance with local building codes and safety standards. The pavilion features a durable roofing system, sturdy support columns, and a concrete foundation to ensure longevity and stability. This new structure will provide a shaded area for community events, recreational activities, and gatherings, enhancing the overall functionality and aesthetic appeal of the park.

The City of New Smyrna Beach received a proposal from the above-mentioned Consultant/Firm listing you as a current or previous client. Kindly answer the following questions, then email your completed form. Your response provides valuable information in our evaluation process.

Each criteria listed below shall be rated on a scale of 1 to 5, with 5 representing exceptional and you would hire the firm or individual again; 4 representing above average; 3 representing average; 2 representing below average; 1 representing poor; and N/A representing that you do not have sufficient knowledge of the Firm or individuals past performance.

Item	Criteria	Score (1-5)
1	Rate the Contractor's quality of work, did it meet or exceed your expectations?	5
2	Rate how effective the Contractor communicated throughout the project process.	5
3	Rate how well the contractor adhered to timelines and stay within budget.	5
4	Rate how setbacks or unexpected challenges were managed by the contractor.	5

Is there anything additional you would like to add regarding the level of service and expertise of the firm, or the auditor(s) assigned to your organization?

If yes, please describe.

Top Line Recreation Inc. is a premier provider of parks and recreation solutions, renowned for their exceptional level of service and expertise. With years of experience in the industry, Top Line Recreation has established a solid reputation for delivering high-quality projects that enhance community spaces. Their team of skilled professionals is dedicated to assisting with every aspect of parks and recreation projects, from initial planning and design to installation and maintenance.

Top Line Recreation's commitment to excellence is evident in their meticulous attention to detail and their ability to tailor solutions to meet the unique needs of each project. They work closely with clients to ensure that every project is completed on time, within budget, and to the highest standards of quality. Whether it's installing state-of-the-art playground equipment, constructing durable sports facilities, or creating inviting public spaces, Top Line Recreation consistently delivers outstanding results that promote community well-being and engagement.

Their expertise extends to understanding the latest industry trends and incorporating innovative designs that prioritize safety, accessibility, and sustainability. With a customer-centric approach, Top Line Recreation is dedicated to fostering strong relationships with clients and ensuring their complete satisfaction. When it comes to parks and recreation projects, Top Line Recreation stands out as a trusted partner, committed to enhancing the quality of life for communities through expertly crafted recreational spaces.

The City of New Smyrna Beach will only accept this completed form from the above listed individual that is completing the survey. Please email this completed survey to: purchasing@cityofnsb.com prior to July 15, 2024 with RFP 23-24-CRA in the subject line.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)
TOP LINE RECREATION INC

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.
☐ Individual/sole proprietor ☐ C corporation ☒ S corporation ☐ Partnership ☐ Trust/estate
☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .
Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.
☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
Exempt payee code (if any)
Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)
(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.
2922 HOWLAND BLVD - SUITE 4

6 City, state, and ZIP code
DELTONA, FL 32725

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
[ ][ ][ ] - [ ][ ] - [ ][ ][ ][ ]

or

Employer identification number
4 5 - 3 0 0 9 1 0 9

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here | **Signature of U.S. person** | Date 05-05-2024

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

FLORIDA

2024 Florida Annual Resale Certificate for Sales Tax

This Certificate Expires on December 31, 2024

DR-13
R. 10/23

Business Name and Location Address

TOP LINE RECREATION INC
2922 HOWLAND BLVD STE 4
DELTONA, FL 32725-2900

Certificate Number

74-8017064943-7

By extending this certificate or the certificate number to a selling dealer to make eligible purchases of taxable property or services exempt from sales tax and discretionary sales surtax, the person or business named above certifies that the taxable property or services purchased or rented will be resold or re-rented for one or more of the following purposes:

- Resale as tangible personal property
- Re-rental as tangible personal property
- Resale of services
- Re-rental as commercial real property
- Incorporation into tangible personal property being repaired
- Re-rental as transient rental property
- Incorporation as a material, ingredient, or component part of tangible personal property that is being produced for sale by manufacturing, compounding, or processing

Your *Florida Annual Resale Certificate for Sales Tax* (Annual Resale Certificate) allows you or your representatives to buy or rent property or services tax exempt when the property or service is resold or re-rented. You **may not** use your Annual Resale Certificate to make tax-exempt purchases or rentals of property or services that will be used by your business or for personal purposes. Florida law provides for criminal and civil penalties for fraudulent use of an Annual Resale Certificate.

As a seller, you must document each tax-exempt sale for resale using one of three methods. You can use a different method each time you make a tax-exempt sale for resale.

1. Obtain a copy (paper or electronic) of your customer's current Annual Resale Certificate.
2. For each sale, obtain a transaction authorization number using your customer's Annual Resale Certificate number.
3. Each calendar year, obtain annual vendor authorization numbers for your regular customers using their Annual Resale Certificate numbers.

Online: Visit **floridarevenue.com/taxes/certificates**

Phone: 877-357-3725 and enter your customer's Annual Resale Certificate number

Mobile App: Available for iPhone, iPad, and Android devices

D-U-N-S number: **061966478**

CONFLICT OF INTEREST AFFIDAVIT

State of Florida: City of DELTONA

Before me, the undersigned authority, personally appeared SONIA M PERKINS

who was duly sworn, deposes, and states:

1. I am the PRESIDENT of TOP LINE Recreation with a local office in DELTONA, FL (City & State) and principal office in DELTONA, FL (City & State).
2. The above-named entity is submitting an Expression of Interest for the City of New Smyrna Beach project described as **RFP 23-24-CRA, Mary Avenue Tot Lot Improvements.**
3. The Affiant has made diligent inquiry and provides the information contained in this Affidavit based upon his/her own knowledge.
4. The Affiant states that only one submittal for the above project is being submitted and that the above-named entity has no financial interest in other entities submitting proposals for the same project.
5. Neither the Affiant nor the above-named entity has directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive pricing in connection with the entity's submittal for the above project. This statement restricts the discussion of pricing data until the completion of negotiations and execution of the Agreement for this project.
6. Neither the entity nor its affiliates, nor anyone associated with them, is presently suspended or otherwise ineligible from participating in contract lettings by any local, state, or federal agency.
7. Neither the entity, nor its affiliates, nor anyone associated with them have any potential conflict of interest due to any other clients, contracts, or property interests for this project.
8. I certify that no member of the entity's ownership, management, or staff has a vested interest in any aspect of or Department of City of New Smyrna Beach.
9. I certify that no member of the entity's ownership or management is presently applying for an employee position or actively seeking an elected position with City of New Smyrna Beach.
10. In the event that a conflict of interest is identified in the provision of services, I, on behalf of the above-named entity, will immediately notify City of New Smyrna Beach in writing.

SONIA M PERKINS

SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS.

1. THIS SWORN STATEMENT IS SUBMITTED TO City of New Smyrna Beach

by SONIA M PERKINS - PRESIDENT
(Print Individual's Name and Title)
for TOP LINE RECREATION INC
(Print Name of Entity Submitting Sworn Statement)
whose business is S CORPORATION

and (if applicable) its Federal Employer Identification Number (FEIN) is 45-3009109

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

   a. A predecessor or successor of a person convicted of a public entity crime; or

   b. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provisions of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders,

employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies).

_X_ Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, nor any affiliates of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

NON-COLLUSION AFFIDAVIT OF PROPOSER

State of FL

County of VOLUSIA

SONIA M PERKINS, being first duly sworn, deposes and says that:

He/she is PRESIDENT of TOPLINE Recreation, Proposer that has submitted the attached bid or Request for Qualifications;

He/she is fully informed respecting the preparation and contents of the attached bid and of all pertinent circumstances respecting such bid;

Such bid is genuine and is not a collusive or sham bid;

Neither the said Proposer nor any of its officers, partners, owners, agent representatives, employees, or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly, sought by agreement or collusion or communication or conference with any other Proposer, firm or person, to fix the price or prices in the attached Proposal or of any other Proposer, or to fix any overhead, profit or cost element of the Proposal price or the Proposal price of any other Proposer, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the CITY OF NEW SMYRNA BEACH, FLORIDA, or any person interested in the proposed Contract; and

The price or prices quoted in the attached Proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Proposer or any of its agents, representatives, owners, employees, or parties in interest, including this affiant.

COMPLIANCE WITH EMPLOYMENT ELIGIBILITY REQUIREMENTS

(§448.095, Florida Statutes – E-Verify)

The E-Verify system is an internet-based system operated by the United States Department of Homeland Security that allows participating employers to electronically verify the employment eligibility of newly hired employees. Florida Statutes §448.095 provides that any person or entity that has entered or is attempting to enter into a contract with the City of New Smyrna Beach to provide labor, supplies or services must register with and use the E-Verify system to verify the work authorization status of all employees hired after January 1, 2021. Further, the consultant must maintain certain required employment compliance records of sub consultants for the duration of the contract with the City of New Smyrna Beach.

Consultant Name: _____

Consultant E-Verify Registration Number: _____

The undersigned, on behalf of the consultant referenced above, after first being duly sworn, states as follows:

1. That said consultant understands that the consultant must comply with §448.095, Florida Statutes.
2. That the consultant uses the E-Verify system to verify the work eligibility status of employees.
3. That the consultant has enrolled in the E-Verify system under the registration number referenced above and will verify the work eligibility status of employees hired after January 1, 2021 through said registration number throughout the contract period of any and all contracts with the City of New Smyrna Beach.
4. That the consultant will maintain affidavits of sub consultants engaged to perform work on any and all contracts with the City of New Smyrna Beach.
5. That said consultant further understands that violation of §448.095, Florida Statutes may result in lawful termination of a contract by the City of New Smyrna Beach, subjecting the consultant to liability for additional costs incurred by the City of New Smyrna Beach as a result of the termination of the contract.

DELTONA, FL 32725

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number

or

Employer identification number
45 3009109

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ▶ [signature] Date ▶ 07-18-24

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

STATEMENT OF INSURANCE COMPLIANCE

The undersigned firm agrees to obtain prior to award, if selected, the insurance and levels in accordance to the requirements as set forth in the Invitation for Proposal, Invitation to Bid, or Invitation for Qualifications, or draft agreement, attached hereto.

Policies other than State Issued Worker's Compensation shall be issued only by companies authorized by maintaining certificates of authority issued to the companies by the Department of Insurance of the State of Florida to conduct business in the State of Florida and which maintain a Rating of "A" or better and a Financial Size category of "VII" or better according to the A.M. Best Company. Policies for Worker's Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.57, Florida Statutes.

PUBLIC ENTITY CRIME INFORMATION STATEMENT

All invitations to bid as defined by Section 287.012(11), Florida Statutes, requests for proposals as defined by Section 287.012(16), Florida Statutes, and any contract document described by Section 287.058, Florida Statutes, shall contain a statement informing persons of the provisions of paragraph (2)(a) of Section 287.133, Florida Statutes, which reads as follows:

> **"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."**

All vendors who submit a Bid or Request for Proposal to the City of New Smyrna Beach, are guaranteeing that they have read the previous statement, and by signing the bid documents, are qualified to submit a bid under Section 287.133, (2)(a) Florida Statutes.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

***THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR BID**

DRUG-FREE WORKPLACE CERTIFICATION FORM

IDENTICAL TIE BIDS-In accordance with Florida State Statutes Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violation of such prohibition.

2. Establishing an on-going drug-free awareness program to inform employees about:
   a. The dangers of drug abuse in the workplace.
   b. The employer's policy of maintaining a drug-free workplace.
   c. Any available drug counseling, rehabilitation, and employee assistance programs, and
   d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

3. Making it a requirement that each employee to be engaged in the performance of this contract be given a copy of the statement required by paragraph (a);

4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under this contract, the employee will:
   a. Abide by the terms of the statement; and
   b. Notify the Employer in writing of any arrest for a violation of a criminal drug statute or driving under the influence no later than five calendar days after such arrest;

5. Notifying the City of New Smyrna Beach, in writing, within 10 calendar days after receiving notice under subparagraph (4)(b) from an employee or otherwise receiving actual notice of such arrest Consultants of arrested employees must provide notice, including position and title to: City Clerk/Administrator, City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, FL 32168.

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is arrested.
   a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended, or
   b. Requiring such employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (1), (2), (3), (4), (5) and (6).

As a duly authorized representative of the Vendor, I hereby certify that the Firm will comply with the above certifications.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

CITY OF NEW SMYRNA BEACH
ACKNOWLEDGEMENT OF SMOKE FREE WORKPLACE

The City strives to improve working conditions and protect the health of employees and the general public. In accordance with the "Florida Clean Air Act" (Florida Statutes, Chapter 386), it is policy of the City to provide a healthy, comfortable, and safe environment in all respects by prohibiting use of all tobacco products in all City buildings, City properties (including rights-of-way), and in all City vehicles.

- Smoking or using a vapor-generating electronic device is prohibited in all City owned or leased buildings, including offices, hallways, waiting rooms, restroom, and break rooms.

- Smoking is not prohibited on City grounds. Those who choose to smoke must do so on their regularly scheduled breaks, or meal periods, off of City property.

All employees assigned to this contract shall acknowledge, sign and comply with the City's Non-Tobacco use policy.

As the person authorized to sign this statement, I certify that this firm complies fully with the above requirements.

Addendum 1
RFP 23-24-CRA: Mary Avenue Tot Lot Improvements
June 28, 2024

TO ALL PROPOSERS: Notice is hereby given to all Proposers that this is Addendum 1 to RFP 23-24-CRA: Mary Avenue Tot Lot Improvements, issued June 19, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

Attachment 1: Pre-bid Sign Sheet & Recording
Attachment 2: Agenda
Attachment 3: CDBG Requirements

Revisions: The following sections of the RFP document has been revised.

- Section 11 includes a draft construction contract. This replaces the professional services contract originally provided.
- Section VI has been revised to include the following terms and conditions.
  - Claims and Damages
  - Commencement of work
  - Effectiveness and Duration
  - Liquidated Damages
  - Off-Site Liability Coverage
  - Payments to the Contractor
  - Performance Bond, Material Bond and Warranty of Title
  - Safety and Health Regulations
  - Sanitary Regulations

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

Instructions:

This page shall be signed and returned with the proposal. Please provide a signed copy of this addendum with your proposal.

Addendum 2
RFP 23-24-CRA: Mary Avenue Tot Lot Improvements
July 22, 2024

TO ALL PROPOSERS: Notice is hereby given to all Proposers that this is Addendum 2 to RFP 23-24-CRA: Mary Avenue Tot Lot Improvements, issued June 19, 2024.

This addendum is issued to answer vendor questions, clarify, add, delete, correct and/or change the proposal documents to the extent indicated and is hereby made a part of the above noted solicitation documents. Any modifications/changes made by this addendum affect only the portions or paragraphs specifically identified herein; all remaining portions of the proposal are to remain in force. It is the responsibility of all Applicants to conform to this addendum. Please note, questions are recorded as they are received, including grammar and spelling errors.

This addendum shall be considered part of the Contract Documents for the above-mentioned solicitation as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum impacts all vendors interested in submitting proposals for this solicitation.

1. **Question:** The RFP states, "Project includes a 160 LF of rubberized pathway (minimum 36 inches wide, 6 inches thick, or accepted material meeting fall zone criteria for ADA accessible to playground equipment. Cross-slopes must not exceed 2% and running slopes (longitude) to not exceed 5% slopes per ADA. Total rubberized area 515 SF." What surfacing does the city want under the swings and new playground structure? Does the city want PIP rubber surfacing or does the city want engineered wood fiber mulch with rubberized pathways?

   Answer: The RFP states, "Project includes a 160 LF of rubberized pathway (minimum 36 inches wide, 6 inches thick, or accepted material meeting fall zone criteria for ADA accessible to playground equipment. Cross-slopes must not exceed 2% and running slopes (longitude) to not exceed 5% slopes per ADA. Total rubberized area 515 SF." What surfacing does the city want under the swings and new playground structure? Does the city want PIP rubber surfacing or does the city want engineered wood fiber mulch with rubberized pathways?

2. **Question:** We understand the city is removing the existing mulch and will replace the mulch once installation is complete, but what about the existing plastic playground borders that hold the mulch in? If they're as old as that playground, I'd assume you would want those replaced, but it is a sizable line item, so I wanted to see if you wanted those included in the bid.

   Answer: Please include the cost to replace as an alternative as we were anticipating the border being replaced and installed.

ALL OTHER AREAS OF THE BID DOCUMENT REMAINS THE SAME

RECOMMENDATION OF AWARD

To: Janet Vivian

Date: August 27, 2024

RE: RFP 23-24-CRA, Mary Avenue Tot Lot Improvements

It is recommended that the Mary Avenue Tot Lot Improvement Project be awarded to Topline Recreation, Inc Contractors. Based on the initial proposal, and shortlisted presentation the evaluation committee has determined that the selected vendor best meets the criteria as the most qualified and responsive bidder and supports the overall needs of the City of New Smyrna Beach as set forth in the RFP.

"As determined and agreed by the committee, Topline Recreation, Inc. Contractors meets or exceeds minimum technical requirements set forth in the RFP relative to the following: (seeking a contractor to replace the existing playground equipment and include all playground equipment and structures as outlined in the attached site plans). This project is federally funded, and the awarded contractor will be subject to Federal Labor Standards which includes, the Davis-Bacon Act (payment of prevailing wage rates) and the Copeland Act (anti-kickback of wages & submission of weekly certified payroll reports), as well as other provisions including 24 CFR 85.36 (bonding requirements), and Section 3 , Build America, Buy America (BABA)& M/WBE.

The agreed upon terms will commence as stated in the executed documents.

CONSTRUCTION CONTRACT

CITY OF NEW SMYRNA BEACH
VOLUSIA COUNTY, FLORIDA

This Agreement, dated this 30 day of Aug, 2024, by and between the **CITY OF NEW SMYRNA BEACH**, hereinafter called the **OWNER**, and Topline Recreation, Inc. (a corporation organized and existing under the laws of the State of Florida and hereinafter called the **CONTRACTOR,** is awarded as a result of solicitation **BID RFP 23-24-CRA, Mary Avenue Tot Lot Improvements.**

WITNESSETH: The Owner and the Contractor, for the consideration stated herein, agree as follows:

ARTICLE I: Scope of Work

The Contractor shall perform all required work and shall provide and furnish all labor, materials, necessary tools, expendable equipment, and all utility and transportation services required to complete the construction of and all appurtenant work thereto, described in the following document, hereby fully incorporated into this Contract:

RFP 23-24-CRA, Mary Avenue Tot Lot Improvements
City of New Smyrna Beach, Florida

All work shall be in strict compliance with the drawings and specifications, including any and all Addenda, and together with all Contract Documents hereinafter enumerated and made a part thereof.

It is understood and agreed that said labor, materials, tools, equipment, and service shall be furnished and said work performed and completed subject to the approval of the Owner.

ARTICLE II: Contract Price

The Owner shall pay the Contractor for performance of the work in accordance with the Contract Documents in current funds as follows:

$ 140,163.10

Spelled out: One hundred forty thousand one hundred sixty-three and ten dollars.

Payment will be made in accordance to the awarded bid proposal and the above negotiated agreed upon Contract Price. Change orders, including additions and deductions, must be approved in writing by the Owner. Any change, where the Contractor has materially deviated from the proposed design shall be borne by the Contractor unless such deviation is agreed to in writing by Owner.

ARTICLE III: Contract Time

The Contractor agrees to commence work within **Ten (10) CALENDAR DAYS** after the date of the Notice to Proceed letter and shall achieve Substantial Completion within **Sixty (60)** consecutive

Contractor's Initials: JP

calendar days thereafter. The Contractor shall have an additional thirty (30) consecutive calendar days from the date of Substantial Completion to achieve Final Completion.

ARTICLE IV: Inspection by Contractor

The undersigned Contractor agrees that he has carefully inspected all Contract Documents and is familiar with same; the Contractor agrees that he is responsible for having heretofore examined the site, the location and route of all the proposed work and for having satisfied himself as to the character of the route, the location, surface and under-ground obstructions and nature thereof, the nature of the groundwater conditions and other physical characteristics of the work and work area in order that he may include in the prices which he has bid and the prices of the Contract, all costs pertaining to the work and thereby provide for the satisfactory completion thereof and determination of the Contract prices herein agreed upon, and that this Contract price is based upon these inspections and examination.

ARTICLE V: Liquidated Damages

If the work is not completed within the time specified in Article III of this Contract, the Contractor shall pay the Owner, as liquidated damages, the sum of **ONE HUNDRED FIFTY DOLLARS ($150)** for each consecutive calendar day thereafter until the work is completed, and as outlined in the Supplemental General Conditions.

ARTICLE VI: Right to Require Performance

The failure of the City at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the City thereafter to enforce same or be considered a waiver of such provision, nor shall a waiver by the City of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

ARTICLE VII: Component Parts of the Contract

This Contract consists of the following Contract Documents, all of which are hereby made a part hereof as if herein set out in full and all of which are familiar to the Contractor:

- City Advertised Bid
- Construction Specifications
- Drawings
- Addendums
- Awarded Bid Proposal
- Bid Bond

The Contractor must provide the following documents within fourteen (14) days upon acceptance of the bid by City Commission. All of which are familiar to the Contractor and are component parts of the contract.

- Certificate of Insurance
- Performance/Payment Bond

Upon completion of the project, the Contractor shall provide the Owner with the Warranty of Title.

Contractor's Initials: SP

ARTICLE VIII: Severability

Should any term, covenant, condition, provision or sentence or part thereof of this Contract, including all Contract Documents which comprise the entire agreement, be held invalid or unenforceable by any court of competent jurisdiction, the remaining terms and provisions shall nevertheless remain in full force and effect.

ARTICLE IX: Force Majeure

No Party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, except for any obligations to make payments to the other party hereunder, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's control, including but not limited to, the following force majeure events:

a) Acts of God
b) A natural disaster (fires, explosions, earthquakes, hurricanes, flooding, storms, infestations, epidemic or pandemic)
c) War, invasion, hostilities (regardless if war is declared or not), terrorist threats or acts, riots or other civil unrest
d) Government order or law
e) Actions, embargoes or blockades in effect on or after the date of this Agreement
f) Action by any governmental authority
g) National or regional emergency
h) Strikes, labor stoppages or slowdowns or other industrial disturbance, and
i) Shortage of adequate power or transportation facilities

The Impacted Party shall give notice within two (2) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The impacted party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of sixty (60) days following Notice given by it, then either party may thereafter terminate this Agreement upon Notice

Notwithstanding the foregoing, any pandemic or epidemic, including but not limited to those related to COVID-19 and its mutations, and related issued executive orders and/or administrative orders by any federal, state, or local government entity related to any pandemic or epidemic, shall NOT be considered a force majeure and is expressly excluded from that definition herein and said even shall not prevent CONTRACTOR from timely performing its functions under this Agreement

ARTICLE X: Human Trafficking

Compliant with Florida Statures, 787.06.

(1)(a) The Legislature finds that human trafficking is a form of modern-day slavery. Victims of human trafficking are young children, teenagers, and adults. Thousands of victims are trafficked annually across international borders worldwide. Many of these victims are trafficked into this state. Victims of human trafficking also include citizens of the United States and those persons trafficked domestically within the borders of the United States. The Legislature finds that victims of human trafficking are subjected to force, fraud, or coercion for the purpose of sexual exploitation or forced labor.

Contractor's Initials: SP

(b) The Legislature finds that while many victims of human trafficking are forced to work in prostitution or the sexual entertainment industry, trafficking also occurs in forms of labor exploitation, such as domestic servitude, restaurant work, janitorial work, sweatshop factory work, and migrant agricultural work.

(c) The Legislature finds that traffickers use various techniques to instill fear in victims and to keep them enslaved. Some traffickers keep their victims under lock and key. However, the most frequently used practices are less obvious techniques that include isolating victims from the public and family members; confiscating passports, visas, or other identification documents; using or threatening to use violence toward victims or their families; telling victims that they will be imprisoned or deported for immigration violations if they contact authorities; and controlling the victims' funds by holding the money ostensibly for safekeeping.

(d) It is the intent of the Legislature that the perpetrators of human trafficking be penalized for their illegal conduct and that the victims of trafficking be protected and assisted by this state and its agencies. In furtherance of this policy, it is the intent of the Legislature that the state Supreme Court, The Florida Bar, and relevant state agencies prepare and implement training programs in order that judges, attorneys, law enforcement personnel, investigators, and others are able to identify traffickers and victims of human trafficking and direct victims to appropriate agencies for assistance. It is the intent of the Legislature that the Department of Children and Families and other state agencies cooperate with other state and federal agencies to ensure that victims of human trafficking can access social services and benefits to alleviate their plight.

ARTICLE XI: Construction

New Smyrna Beach, FL 32168

Re: FY 2023/24 Community Development Block Grant (CDBG)
Subrecipient Agreement and Authorization to Proceed

Dear Mr. Resheidat,

The following CDBG activities the City of New Smyrna Beach has planned for the 2023/24 fiscal year have been approved and this letter constitutes an authorization to proceed with the listed activities.

Activity Description	Budget
Mary Avenue Park Improvements	$106,346
Total	$106,346

A substantial amendment to add remaining funds from the city's completed 2022/23 fiscal year project has been requested by city staff. If approved, the amendment will be executed for the city's 2022/23 agreement and will not affect the 2023/24 attached agreement.

Please note that if the City is responsible for construction activities where federal funds will be used, in full or in part, to pay for the project costs, the City must comply with all applicable federal requirements. If you have questions regarding federal compliance, please contact us at (386) 736-5955 or CDBG@volusia.org.

Further, for all capital projects, the city is responsible for contacting Community Assistance prior to implementing any phase of the construction. The city must also inform and include Community Assistance in all pre-bid, pre-construction, or any other applicable meetings related to any capital project.

Complete monthly status reports and clientele reports of all CDBG activities are required regardless of the level of activity or costs incurred. The status report should include any progress that has been made in meeting the objectives listed in Attachment 1 - Statement of Work, included in the agreement.

For your convenience the following are enclosed with this letter; (1) Fully executed subrecipient agreement, (2) Construction Project Checklist and (3) Reminders & Helpful Information sheet.

Should you have any questions regarding the information contained herein, please feel free to contact me at (386) 736-5955, extension 15593.

Sincerely,

Eva Colee

Re: FY 2022/23 Community Development Block Grant (CDBG)
Subrecipient Agreement Amendment

Dear Mr. Resheidat,

This letter will approve the following changes to the subject agreement, to add the Mary Avenue Park Improvements project as approved by the Volusia County Council on April 2, 2024.

1. Amendment Journal

Amendment 1	3/29/23
Amendment 2	10/31/23
Amendment 3	4/3/24

2. Time Extension

The expiration of the subject agreement is extended to October 4, 2024.

3. Statement of Work

The Statement of Work contained in the subrecipient agreement is hereby updated to include the following project, as follows:

- Mary Avenue Park Improvements: Be responsible for several park improvements including a new shade structure, an ADA path, new playground equipment, bench replacements, and swing set replacement.

4. Budget Amendment

The budget contained in the subrecipient agreement is hereby updated as follows:

Activity Description	Budget	Transfer	Revised Budget
FY 2022/23 Palm Street Sidewalk	$93,614	($23,326)	$70,288
FY 2022/23 Mary Avenue Park Improvements	$0	$23,326	$23,326
Total	**$93,614**		**$93,614**

It is understood that this amendment does not modify any provisions to the above-described contract other than listed above, including but not limited to the stipulation regarding artifacts or archaeological features encountered during the activity. This amendment will become effective when signed by both parties. **Please retain a copy of the executed amendment for your files and return the original**.

THE CITY OF NEW SMYRNA BEACH - BUILDING DEPARTMENT

RESOLUTION NO. 57-24: CONSIDER THE ADOPTION OF A RESOLUTION, WHICH IF ADOPTED, WOULD ADD AN ADMINISTRATIVE FEE FOR MILESTONE INSPECTION REPORTS FOR AGING STRUCTURES.

September 10, 2024

Background:

The 2022 Senate Bill 4D that was signed into law on May 26, 2022 by Gov Ron DeSantis is to promote condominium building safety. The new laws are to help prevent future collapses of condominiums by mandating a variety of preventative measures. One of the mandates outlined in the bill includes Milestone Inspections of condominium and cooperative association buildings that are at least 3 stories in height when the structure reaches 30 years since its Certificate of Occupancy and every 10 years thereafter. For buildings located within 3 miles of a coastline, the milestone inspection must be performed when the structure reaches 25 years and every 10 years thereafter.

This phase one milestone inspection report must be performed, signed, and sealed by a licensed State of Florida design professional (engineer or architect) and must certify that

the building is in a structurally sound condition or identify the areas that are suspected of not being structurally sound. At a minimum, the report shall include a summary of findings and any recommended action/remediation/repair and shall state if unsafe or dangerous conditions were observed. If structural issues are found, a more detailed phase two milestone inspection will be required. Repairs outlined in the phase two milestone inspection report must commence within 365 days of the local enforcement agency receiving the phase two milestone report. Any construction activity for any repairs will require a building permit to be issued by the New Smyrna Beach Building Dept. prior to commencement of repair.

Findings:

Since Staff time will be expended on reviewing these milestone inspections and it may be substantial, Staff desires to be compensated in an amount commensurate with the time expended on such work. Therefore, Staff is requesting that a Milestone Inspection/Aging Structure Fee of $250, which is consistent with Volusia County's fee, be added to Group VII SPECIAL FEES of Resolution 42-20 Building Department Fee Policy. This fee, as outline in the Florida Building Code, Chapter 110.9, will be for the noticing, storing and tracking

of each Structural Safety Inspection for each inspection submission.

Fiscal Analysis:
None

Strategic Plan Item:
No

Staff Report Created By: Dorlisa Pogany - Development Services Coordinator

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA, AMENDING RESOLUTION NOS. 29-20, 37-10, 46-11, 01-17 AND 42-20, TO PROVIDE A FEE FOR ADMINISTRATION OF MILESTONE INSPECTION REPORTS OF AGING STRUCUTRES.

RESOLUTION NO.~~42-20~~

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA, AMENDING RESOLUTION NOS. 29-09, 37-10, 46-11, AND 01-17, TO PROVIDE FOR ~~ADMINISTRATIVE WAIVER OF ANNUAL CPI INCREASES~~; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 553.80, F.S., authorizes the governing body of a municipality to provide a schedule of fees for the enforcement of provisions of the Florida Building Code; and

WHEREAS, on August 25, 2009, the City Commission adopted Ordinance No 28-09 in part providing for building permit fees to be established by resolution of the City Commission; and

WHEREAS, on August 25, 2009, the City Commission adopted Resolution No. 29-09 establishing a building permit fee schedule; and

WHEREAS, on October 12, 2010, the City Commission adopted Resolution No. 37-10, establishing new building department administrative fees; and

WHEREAS, on November 29, 2011, the City Commission adopted Resolution No. 46-11, establishing a new building permit fee and administrative fee schedule; and

WHEREAS, on June 13, 2017, the City Commission adopted Resolution No. 01-17, establishing a new building permit fee and administrative fee schedule; and

WHEREAS, the City Commission deems it is in the best interests of the citizens of the City of New Smyrna Beach to amend Resolution No. 29-09, Resolution No. 37-10, Resolution No. 46-11 and Resolution No. 01-17 to provide for the administrative waiver of annual CPI increases when circumstances warrant no changes to the current Building Permit Fee Schedule.

WHEREAS, 2022 Florida bill SB 4-D requires milestone inspections of condominium and cooperative association buildings that are three or more stories in height to have a “milestone inspection” for structural integrity on a statutorily set schedule; and

WHEREAS, the City staff time expended on reviewing these milestone inspections may be substantial, and the City desires to be compensated in an amount commensurate with the time expended on such work, and so wishes to establish this fee to accomplish such.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Schedule of Fees for the City of New Smyrna Beach Building, Planning and Engineering Departments.***

Method for Determining Value of Buildings. Construction Cost/Valuation will be calculated using the "Building Valuation Data" chart as published in the most recent edition of the Building Safety Journal, a publication of the International Code Council, or the contracted price, whichever is greater.

In those instances in which valuation is based on the contractor's estimate, the contractor shall provide such verification as the Building Official may require, such as the written contract between the contractor and the owner. If the contractor fails to provide such verification, the Building Official may determine the valuation based on the value of construction of the proposed work.

Fifty percent of the permit fee will be paid in advance for plan review and shall not be eligible for refund.

GROUP I: NEW RESIDENTIAL STRUCTURE

New Construction - Single Family Structure, moving a single family structure, Town home, Duplex, and Mobile home (private).

Total Square footage (all floors) includes main structure, attached garage, attached porch and/or attached lanai. Fee includes up to two plan reviews, routine inspections and all subcontractor permit fees.

SECTION 2: ***Annual Adjustment of Fee.*** That the building permit fees shall be adjusted upward on October 1, 2020, and every October 1 thereafter by multiplying the rates in effect on the prior October 1 by 100% of the percentage increase in the Consumer Price Index (CPI) for the 12 month period ending the preceding October. The fees shall remain the same in the event the CPI indicates a decrease or if other circumstances warrant administrative waiver by the City Manager. If the index ceases to be published on a monthly basis, the adjustment shall be based on the CPI for the most recent 12-month period. The CPI to be used shall be the Consumer Price Index-All Urban Consumers as published by the United States Department of Labor for U.S. city average.

SECTION 3: ***Conflicting Resolutions.*** That all resolutions or parts thereof that are in conflict with this resolution are hereby rescinded or repealed.

SECTION 4: ***Effective Date.*** That this resolution shall take effect ~~October 1, 2020.~~ As soon as possible

APPROVED AS TO FORM AND CORRECTNESS:

Carrie Avallone

CARRIE AVALLONE
City Attorney

DATE: 10/13/2020

The Within and Foregoing Resolution No. 42-20 as introduced and read before the City Commission of the City of New Smyrna Beach, Florida, at its Regular Meeting held at the Brannon Center in said City on October 13, 2020. Motion was made by Commissioner Jason McGuirk, and seconded by Commissioner Randy Hartman, that said Resolution be adopted.

A roll-call vote of the City Commission on said motion to adopt the Resolution resulted as follows:

MAYOR RUSSELL OWEN	Yes
VICE MAYOR MICHAEL KOLODY	Yes
COMMISSIONER JASON MCGUIRK	Yes
COMMISSIONER RANDY HARTMAN	Yes
COMMISSIONER JACOB D. SACHS	Yes

Whereupon, the Mayor of the City of New Smyrna Beach, Florida, has hereunto set his official signature, duly attested by the City Clerk, and has caused the Official Seal of said City to be hereunto affixed for the purpose of authenticity and as is required by law.

As Mayor of the City of New Smyrna Beach, Florida

(OFFICIAL SEAL)

As City Clerk of the City of New Smyrna Beach, Florida

RESOLUTION NO. 42-20

RESOLUTION NO. 57-24

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, AMENDING RESOLUTION NOS. 29-09, 37-10, 46-11, 01-17 AND 42-20, TO PROVIDE A FEE FOR ADMINISTRATION OF MILESTONE INSPECTION REPORTS OF AGING STRUCTURES; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 553.80, F.S., authorizes the governing body of a municipality to provide a schedule of fees for the enforcement of provisions of the Florida Building Code; and

WHEREAS, on August 25, 2009, the City Commission adopted Ordinance No 28-09 in part providing for building permit fees to be established by resolution of the City Commission; and

WHEREAS, on August 25, 2009, the City Commission adopted Resolution No. 29-09 establishing a building permit fee schedule; and

WHEREAS, on October 12, 2010, the City Commission adopted Resolution No. 37-10, establishing new building department administrative fees; and

WHEREAS, on November 29, 2011, the City Commission adopted Resolution No. 46-11, establishing a new building permit fee and administrative fee schedule; and

WHEREAS, on June 13, 2017, the City Commission adopted Resolution No. 01-17, establishing a new building permit fee and administrative fee schedule; and

WHEREAS, on October 13, 2020, the City Commission adopted Resolution No. 42-20, to provide for the administrative waiver of annual CPI increases when circumstances warrant no changes to the current Building Permit Fee Schedule; and

WHEREAS, 2022 Florida bill SB 4-D requires milestone inspections of condominium and cooperative association buildings that are three or more stories in height to have a "milestone inspection" for structural integrity on a statutorily set schedule; and

WHEREAS, the City Commission deems it is in the best interests of the citizens of New Smyrna Beach to provide for the recovery of costs related to milestone inspections through the addition of this administrative fee to the fee schedule.

***NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA*:**

SECTION 1: ***Schedule of Fees for the City of New Smyrna Beach Building, Planning and Engineering Departments.***

Method for Determining Value of Buildings. Construction Cost/Valuation will be calculated using the "Building Valuation Data" chart as published in the most recent edition of the Building Safety Journal, a publication of the International Code Council, or the contracted price, whichever is greater.

In those instances in which valuation is based on the contractor's estimate, the contractor shall provide such verification as the Building Official may require, such as the written contract between the contractor and the owner. If the contractor fails to provide such verification, the Building Official may determine the valuation based on the value of construction of the proposed work.

Fifty percent of the permit fee will be paid in advance for plan review and shall not be eligible for refund.

GROUP I: NEW RESIDENTIAL STRUCTURE

New Construction - Single Family Structure, moving a single family structure, Town home, Duplex, and Mobile home (private).

Total Square footage (all floors) includes main structure, attached garage, attached porch and/or attached lanai. Fee includes up to two plan reviews, routine inspections and all subcontractor permit fees.

Any person commencing work without a permit shall be subject to a fee double the permit fee.

Refunds:

For projects that are cancelled after fees are paid, a 75% refund shall apply. Projects that have begun construction shall not be eligible for a refund.

Other Fees and Charges:

The applicant is responsible for other related fees and charges not enumerated in this schedule prior to receiving building permits certificate of occupancy as required by law. These include, but are not limited to, city and County Impact fees, Utility fees, etc.

SECTION 2: ***Annual Adjustment of Fee***. That the building permit fees shall be adjusted upward on October 1, 2024, and every October 1 thereafter by multiplying the rates in effect on the prior October 1 by 100% of the percentage increase in the Consumer Price Index (CPI) for the 12 month period ending the preceding October. The fees shall remain the same in the event the CPI indicates a decrease or if other circumstances warrant administrative waiver by the City Manager. If the index ceases to be published on a monthly basis, the adjustment shall be based on the CPI for the most recent 12-month period. The CPI to be used shall be the Consumer Price Index-All Urban Consumers as published by the United States Department of Labor for U.S. city average.

SECTION 3: ***Conflicting Resolutions***. That all resolutions or parts thereof that are in conflict with this resolution are hereby rescinded or repealed.

SECTION 4: ***Effective Date.*** That this resolution shall take effect upon adoption.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

CONSIDER THE APPROVAL OF AN APPLICATION FOR A SIDEWALK CAFÉ AGREEMENT FOR THE LITTLE GRIDDLE RESTAURANT LOCATED AT 412 CANAL STREET.

September 10, 2024

Background:

Applicant: Johnpaul Lebrun, 412 Canal Street, New Smyrna Beach, Florida 32168.

Property Owner: Victoria Building Property Inc, 613 S Timberlane Drive, New Smyrna Beach, Florida 32168.

Request: Request a sidewalk café agreement, to allow for 24 seats, within the Canal Street Right-of-Way.

Subject Area: The subject area is zoned MU, Mixed-Use, and is located on the south side of Canal Street, west of Palmetto Street.

Tax ID #: 7441-38-20-2430

Exhibits used in this report:

Exhibit A: Location Map
Exhibit B: Aerial Map
Exhibit C: Seating Area
Exhibit D: Site Photos
Exhibit E: Sidewalk Café Agreement
Exhibit F: Insurance Certificate

Findings:

The applicant is requesting approval of a sidewalk café within the Canal Street Right-of-Way. The City's *Land Development Regulations* (LDR) states that sidewalk cafes are only permitted for restaurants. The business is operating as a restaurant known as Little Griddle. The City Commission approved a Sidewalk Cafe for this location on June 27, 2023. Because of an ownership change, a new Sidewalk Cafe Agreement is required. There are no proposed changes from the previous agreement.

The proposed seating would be located under an existing fixed awning within a section of the public sidewalk that is 13 feet in width. The plan would allow a continuous 60 inches, (5 Feet), of clear area for pedestrians under the current awning over the public sidewalk.

A copy of the proposed seating area is attached as **Exhibit C.** Photos of the site are attached as **Exhibit D**. A copy of the signed Sidewalk Café Agreement is attached as **Exhibit E**. Insurance certificate is attached as **Exhibit F**.

Per Section 801.14 of the City's Land Development Regulations (LDR), sidewalk cafes may only be approved by the City Commission. This section of the LDR also lists the following minimum criteria that must be met in order for a sidewalk café to be approved (staff's responses provided below in **bold**):

- Sidewalk cafés shall only be permitted as an accessory use in the MU, Mixed Use, zoning district.

- **The subject property is located in the Mixed Use zoning district.**
- **This criterion is met.**

- The sidewalk café must be an extension of a restaurant permitted in the district.

- **There is a proposed restaurant at this location.**
- **This criterion is met.**

- The sidewalk café is limited to the sidewalk area directly adjacent to the restaurant frontage.

- **According to site plan provided with the application, all of the tables and seating will be located directly adjacent to the building frontage. The tables will be placed on the north side of the building in the Canal Street sidewalk under the existing covered awning.**
- **This criterion is met.**

- No additional parking is required if the outdoor seating area does not exceed 30% of the restaurant floor area.

- **No additional parking would be required for the 24 additional seats. Also the restaurant is located within the Arts Overlay District. This district allows for a parking waiver for restaurants.**
- **This criterion is met.**

- The license holder shall provide adequate liability coverage for the sidewalk café area. The license holder shall name the City as an additional insured.

- **The applicant has provided a copy of the liability coverage for the sidewalk café area.**
- **This Criterion is met.**

The applicant's proposal must also meet the following design criteria in order to establish a sidewalk café (staff's responses shown in **bold**):

- A minimum clear pedestrian area of sixty (60) inches, (5 Feet), must be maintained.

- **The sidewalk outside of the proposed seating will allow for 60 inches of travel space.**
- **This Criterion is met.**

- If seating area is provided adjacent to the curb, adequate safeguards must be provided to protect patrons from vehicles.

- **The outdoor seating will be placed adjacent to the building and under the existing covered awning and will maintain a 60 inch pedestrian area from the edge of the curb.**

- **This design criterion is met.**

◦ The sidewalk café area must be clearly delineated from the area to remain open for pedestrian traffic.

- **The applicant has delineated the area. The use of planter pots along the east and west sections under the covered awning delineates the seating area from the travel lane for pedestrians.**
- **This design criterion has been met.**

◦ Umbrellas shall be allowed if they are contained within the sidewalk café area.

- **The applicant has not proposed umbrellas with this application.**
- **This design criterion is Not Applicable.**

◦ Additional signs are limited to one (1) additional sign on an outdoor menu board and the business name or advertising on any umbrellas. The outdoor menu board may be two-sided and may not exceed four (4) square feet per side. A menu board must be located outside of the pedestrian travel lane.

- **If the applicant could decide to use a menu board, it will be limited to the size restrictions outlined above. This will be a condition of approval.**
- **This design criterion is met.**

◦ Outdoor lighting, if provided, must be permanently installed in accordance with City code and be approved as part of the application. The license holder shall take any necessary precautions, including illumination, for protection of the public with particular emphasis on the period from sunrise to sunset.

- **There is no additional proposal for outdoor lighting.**
- **This design criterion is Not Applicable.**

The following operating standards have also been established for outdoor cafes:

- All food preparation shall be done inside the restaurant and all food service shall comply with local and state laws.

- **The applicant has a kitchen inside the restaurant.**
- **This operating standard is met.**

- Alcoholic beverages may be served within the license area consistent with any alcoholic-beverage license in effect for the restaurant.

- **The applicant will be required to add the sidewalk café area as part of their State alcohol license.**
- **This operating standard is met.**

- The hours of operation for the sidewalk café cannot exceed the operating hours of the business.

- **The applicant has not requested extended hours of operation for the sidewalk café.**
- **This operating standard is met.**

- Tables, chairs, and other furniture shall be brought inside when the sidewalk café is

not in operation.

- **The applicant has proposed mobile tables and chairs.**
- **This operating standard is met.**

- The license area shall be kept in a clean condition and the sidewalk area shall be periodically cleaned to remove any stains or other dirt resulting from the sidewalk café operation.

- **The applicant will keep the sidewalk café area cleaned.**
- **This operating standard has been met.**

Approval of the sidewalk café permit should be conditioned upon compliance with the minimum operating standards and criteria listed above.

Recommendation

Staff recommends the City Commission to **approve** the sidewalk café agreement, allowing 24 seats under an existing awning structure, as a “limited activity”.

SIDEWALK CAFE LICENSE AGREEMENT

THIS AGREEMENT is made and entered into by the **CITY OF NEW SMYRNA BEACH**, a municipal corporation, existing under the laws of the State of Florida, hereinafter referred to as **"City"**, **Michael Coats, President of Victoria Building Property INC**, property owner, hereinafter referred to as "Owner" and **Eric Neil Little** as lessee of **Little Griddle LLC** hereinafter referred to as **"Lessee"**:

1. Lessee has applied to the City for a license to operate a sidewalk cafe on City sidewalks adjacent to Lessee's business. The business premises is described as follows: **412 Canal Street, New Smyrna Beach, Florida 32168**.
2. Lessee has submitted plans (EXHIBIT A) showing the proposed location of the Sidewalk Cafe, hereafter referred to as the "License Area". The City has determined that the application and proposed plan are in compliance with **SECTION 801.14** of the Land Development Regulations of The City of New Smyrna Beach.
3. The license agreement shall be valid for a period of one (1) year and may be renewed annually with the business tax receipt.
4. This License is subject to Lessee's strict compliance with the following terms and conditions:
   a. Pedestrian walkways with a minimum width of five (5) feet shall be maintained for use by the general public.
   b. The sidewalk café area must be clearly delineated from the area to remain open for pedestrian traffic.
   c. Umbrellas shall be allowed provided that the umbrellas are contained within the sidewalk café area and do not impede pedestrian traffic or vision at intersections.
   d. Additional signs are limited to one (1) additional sign on an outdoor menu board or sandwich board sign and the restaurant name or advertising on any umbrellas. The outdoor menu board or sidewalk sandwich board sign may be two-sided, not to exceed four (4) square feet per side. Any use of a sidewalk sandwich board sign must be located outside of the required five (5) foot pedestrian walkway and removed at closing time of the restaurant.
   e. Outdoor lighting, if provided, must be permanently installed in accordance with the City code and be approved as part of the application. The license holder shall take necessary precautions, including illumination, for protection of the public with particular emphasis on the period from sunset to sunrise.

f. All food preparation shall be done inside the restaurant, and all food service shall comply with local and state laws.

g. No paper plates, napkins, or other paper products may be used for outdoor service.

h. Alcoholic beverages may be served within the license area consistent with any alcoholic beverage license in effect for the restaurant.

i. The hours of operation for the sidewalk café may not exceed the operating hours of the restaurant.

j. Tables, chairs, and other furniture shall be brought inside when the sidewalk café is not in operation.

k. The license area shall be kept in a clean condition and the sidewalk area shall be periodically cleaned to remove any stains or other dirt resulting from the sidewalk café operation.

5. The Lessee shall maintain liability coverage for the License Area in an amount and form approved by the City Attorney of The City of New Smyrna Beach. This coverage shall name the City of New Smyrna Beach as an additional insured. Lessee shall provide proof of liability coverage prior to annual renewal of this license.

6. This License Agreement may be terminated with or without cause by written notice to the address of the Lessee contained on the application or latest written address change provided by the Lessee. The City will provide thirty (30) days written notice of termination without cause. The following shall constitute grounds for immediate termination with cause:

   a. Failure to use the License Area for ninety (90) consecutive days.

   b. Violation of any of the terms and conditions of this Agreement or violation of any local, State, or federal laws, ordinances, or regulations applicable to the License Area.

   c. Failure to maintain the primary business use and requisite licenses.

   d. Violation of alcoholic beverage laws or regulations.

   e. Conviction of the Lessee for a felony, or for violation of a state, federal, or local law involving moral turpitude.

7. This license may not be assigned without prior approval of the City Commission. No right, title, or interest in the real property is conveyed by this Agreement, and Lessee's use of the property is at the pleasure of The City of New Smyrna Beach.

IN WITNESS WHEREFORE, the parties hereto have executed this Sidewalk Café License Agreement on the respective dates below.

City Commission Regular Meeting
Tuesday, June 25, 2024 at 6:30 PM

SUMMARY OF ACTION

1. OPENING OF MEETING

Mayor Fred E. Cleveland called the meeting to order at 6:30 p.m.

Present: Mayor Fred E. Cleveland, Vice Mayor Valli Perrine, Commissioner Randy Hartman, Commissioner Lisa Martin, and Commissioner Jason McGuirk

2. INVOCATION/PLEDGE OF ALLEGIANCE

Police Chief Eric Feldman gave the invocation. Kyshea Shippy led those present in the Pledge of Allegiance.

3. APPROVAL OF THE AGENDA

City Manager Resheidat reported the addition of 7S. Resolution No. 47-24 Consider the adoption of Resolution, which if adopted, would authorize Commissioner Martin to remotely attend the July 23, 2024, City Commission Special meeting.

4. ANNOUNCEMENTS/PRESENTATION/RECOGNITIONS

4.A Proclamation: Recognizing the 85th Anniversary of the United States Coast Guard Auxiliary

No action.

4.B Proclamation: Recognizing July as National Parks and Recreation Month

The City Commission presented a proclamation to Rob Salazar, Director of Leisure Services.

4.C Parking Study Update by the Parking Consultant

Carrie Carl, LTG, Inc., provided an update regarding parking in the City of New Smyrna Beach.

5. CITY MANAGER'S REPORT

City Manager Resheidat outlined a report.

6. PUBLIC PARTICIPATION

No action.

7. CONSENT AGENDA

7.A Consider the approval of Amendment No. 4 to the Consulting Engineering Agreement with Avcon for Design and Bidding Phase Services on 1501 Airway Rehabilitation.
Unanimously approved.

7.B Consider the approval of a Lease between the City of New Smyrna Beach and Epic Aviation, Inc.
Unanimously approved.

7.C Consider the adoption of the City Commission Regular Meeting Minutes from June 11, 2024.
Unanimously adopted.

7.D Resolution No. 45-24: Consider the adoption of a Resolution, which if adopted, would establish the 2024 Canvassing Board.
Unanimously adopted.

7.E Resolution No. 46-24: Consider the adoption of a Resolution, which if adopted, would authorize the Vice Mayor to remotely attend July 23, 2024 Special City Commission Meeting.
Unanimously adopted.

7.F Consider the approval to award RFP 11-24-BLDG for Building Inspection and Plans Review Services to Bureau Veritas North America, Inc., Calvin, Giordano & Associates, Inc., Joe Payne, Inc., Swimco Building Inspection, LLC, Universal Engineering Sciences, LLC., and Willdan Engineering, Inc.
Unanimously approved.

7.G Consider the approval of Contract Renewals for Engineering Services for Marine Applications for Dredging & Marine Consultants, LLC and Taylor Engineering.
Unanimously approved.

7.H Consider the approval of Contract Renewals for Professional Engineering Services.
Unanimously approved.

7.I Consider the approval of the Stuart's Car Care Right-Of-Way Easement.
Unanimously approved.

7.J Resolution No. 44-24: Consider the adoption of a Resolution, which if adopted, would amend the FY2023-2024 budget.
Unanimously adopted.

7.K Resolution No. 43-24: Consider the adoption of a Resolution, which if adopted, would amend the FY2023-2024 budget.
Unanimously adopted.

7.L Consider the approval of the lease between Tiano's Italian Restaurant Inc. and the City of New Smyrna Beach.
Unanimously approved.

7.M Special Event: Consider the approval of the Venetian Bay New Year's Eve Celebration 2024, to be held on Tuesday Dec 31, 2024, at midnight.
Unanimously approved.

7.N Consider the approval of a contract for Bulk Fuels.
Unanimously approved.

7.O Consider the approval of RFP 17-24-CIP Dredging Services thru the FDEM Grant.
Unanimously approved.

7.P Resolution No. 42-24: Consider the adoption of a Resolution, which if adopted, would amend the FY2023-2024 budget.
Unanimously adopted.

7.Q Consider the approval to use Sourcewell Contract #092920-MTF to upgrade City fuel infrastructure.
Unanimously approved.

7.R Consider approving a contract with the Volusia County School Board for a full-time officer at the New Smyrna Beach High School for FY25.
Unanimously approved.

8. ADMINISTRATIVE ITEMS/NEW BUSINESS

8.A Consider the request from Volusia County Sheriff's Department for a fee waiver for use of the Brannon Center and Riverside Park for "Inshore Slam" on April 4 & 5, 2025.
Unanimously approved.

8.B Consideration of the City Manager Employment Agreement with Kevin Cowper.
Unanimously approved.

9. ORDINANCES - SECOND READING AND PUBLIC HEARINGS

9.A Conduct a Public Hearing to consider the approval of Application No. HTR-2-24 - Historic Tree Removal of two (39.5" and 44" DBH) Live Oak trees on the commercial property at 2331 State Road 44.
Approved by 3-2 majority vote, with Commissioner Martin and Mayor Cleveland voting no.

9.B Re-consider the approval of Variance Application No. V-11-22 for the property located at 3311 Hill Street.
Unanimously approved.

9.C Conduct a Quasi-Judicial Public Hearing to review and consider the approval of Reserve at Lake Waterford Final Plat and to Authorize the Mayor to Execute the Contract for Plat Recording.
Unanimously approved.

9.D Ordinance No. 35-24: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would approve the extension of the temporary moratorium, adopted by Ordinance No. 17-24, on issuance of certain building permits for a section of Venetian Bay Phase II.
Unanimously adopted.

9.E Ordinance No. 36-24: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would annex approximately 1.39 + acres of land located at 2565 Pioneer Trail.
Unanimously adopted.

9.F Ordinance No. 37-24: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would create a Small-Scale Comprehensive Plan amendment changing the Future Land Use to City Low Density Residential for property located at 2565 Pioneer Trail as part of an overall annexation application.
Unanimously adopted.

9.G Ordinance No. 38-24: Conduct the Second Reading and Quasi-Judicial Public Hearing of an Ordinance, which if adopted, would rezone a property located at 2565 Pioneer Trail to City A-3, Transitional Agriculture as part of an overall annexation application.
Unanimously adopted.

9.H Ordinance No. 39-24: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would annex approximately 0.58 acres of land located at 644 Dolores Street.
Unanimously adopted.

9.I Ordinance No. 40-24: Conduct the Second Reading and Public Hearing of an Ordinance, which if adopted, would create a Small-Scale Comprehensive
Unanimously adopted.

9.J Ordinance No. 41-24: Conduct the Second Reading and Quasi-Judicial Public Hearing of an Ordinance, which if adopted, rezone a property located at 644 Dolores Street to City R-2, Single-Family Residential as part of an overall annexation application.
Unanimously adopted.

10. ORDINANCES - FIRST READING

10.A Ordinance No. 45-24: Conduct the First Reading of an ordinance, which if adopted upon the Second Reading and Public Hearing, would rezone a property by adding the Historic Building Overlay District, (HBOD) to a property located at 403 Magnolia Street known as the Woman's Club.
City Attorney Avallone read Ordinance No. 45-24, the first time, by title only. She reported that the Second Reading and Public Hearing was scheduled for August 13, 2024.

10.B Ordinance No. 46-24: Conduct the First Reading and Public Hearing of an Ordinance, which if adopted upon the Second Reading and Public Hearing, would amend the Land Development Regulations by adding a definition of Floor Area Ratio, Commercial.
City Attorney Avallone read Ordinance No. 46-24, the first time, by title only. She reported that the Second Reading and Public Hearing was scheduled for August 13, 2024.

10.C Ordinance No. 47-24: Conduct the First Reading and Public Hearing of an Ordinance, which if adopted upon the Second Reading and Public Hearing, would rezone 1.01 acres of land from B-2 Neighborhood Business District to Planned Unit Development, at 1300 S. Atlantic Avenue.
City Attorney Avallone read Ordinance No. 47-24, the first time, by title only. She reported that the Second Reading and Public Hearing was scheduled for August 13, 2024.

10.D Ordinance No. 48-24: Conduct the First Reading of an Ordinance, which if adopted upon the Second Reading and Public Hearing, would authorize New Smyrna Beach Utilities to enter into a grant agreement with the Florida Department of Environmental Protection for a Septic to Sewer Project in Silver Sands.
City Attorney Avallone read Ordinance No. 48-24, the first time, by title only. She reported that the Second Reading and Public Hearing was scheduled for August 13, 2024.

9:16 p.m.

THE CITY OF NEW SMYRNA BEACH - FIRE DEPARTMENT

RESOLUTION NO. 44-24: CONSIDER THE ADOPTION OF A RESOLUTION, WHICH IF ADOPTED, WOULD AMEND THE FY2023-2024 BUDGET.

June 25, 2024

Background:

- The Fire Department currently operates one full time transport ambulance with one transport ambulance in reserve status. The current frontline ambulance now has over 70,000 miles, while the reserve ambulance has over 160,000 miles. With the current lead times for ambulance manufacturing and delivery, it is estimated that if ordered today, the current front line transport ambulance will have over 120,000 miles by the time a new unit is delivered.
- Once the new ambulance is received, the current frontline ambulance will be placed into reserve status and the current reserve ambulance will be potentially used as a trade in to help reduce some of the overall purchase cost.
- Please note that this request is separate from the 2025 budget request to add an additional transport unit to the department which will be funded by impact fees.

Findings:

With the current frontline ambulance accumulating significant mileage each year and the current reserve transport ambulance already well over the recommended replacement timeline, it has been determined that the purchase of a new frontline transport ambulance will help reduce current maintenance expenditures by placing a new transport unit in frontline status and moving the current frontline unit into reserve status.

Fiscal Analysis:

The cost to purchase a new transport ambulance is $416,000.00
The department is proposing using the following funds to purchase the unit, which will have no negative fiscal impact on the city:

- Transfer $279,000 from the vehicle lease account in the Fire Department budget to the Fire Department Capital account to be utilized towards the purchase of the replacement ambulance.
- The current ambulance transport revenue budget was set at $708,000.00. The department is currently on track to collect over $783,000.00. We are requesting to utilize the net anticipated funds of $75,583.00 and transfer to the Fire Department capital account to be utilized towards the purchase of the replacement ambulance.
- The remaining $61,417.00 will be transferred from a completed air conditioning replacement project that came in under budget.

- All three funding sources are currently in the budget and will not negatively impact the city's current budget.

Fleet Analysis

A replacement for Medic 50 is included in the budget plan for FY25, any fundsput toward this replacement now would offset planned Gen Fund expenditures on 10/1/24 and move the City ahead in line by beginning mfg process earlier than other municipalities.

Strategic Plan Item:

No

RESOLUTION NO. 44-24

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, AMENDING THE BUDGET FOR THE FISCAL YEAR 2023-2024 TO REVISE REVENUES, OPERATING EXPENDITURES, TRANSFERS AND CAPITAL EXPENDITURES; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1. Resolution No. 57-23, which adopted the budget for the City of New Smyrna Beach for the Fiscal Year 2023-2024, and was amended by Resolution Nos. 60-23, 65-23, 67-23, 69-23, 03-24, 04-24, 05-24, 09-24, 12-24, 13-24, 14-24, 20-24, 21-24, 23-24, 25-24, 26-24, 35-24, 36-24, 37-24, 38-24, 40-24, 42-24, and 43-24 is hereby further amended in order to provide for adjustments in revenues and expenditures.

SECTION 2. That portion of Section 1 of Resolution No. 43-24 reflecting estimated revenues, operating expenditures, and transfers and capital expenditures is hereby amended by increasing or decreasing certain funds identified.

SECTION 3. The Budget Amendment Schedule attached hereto as **Exhibit "A"** identifies the specific accounts being modified as summarized in Section 2, above.

SECTION 4. This Resolution shall take effect immediately upon its adoption.

APPROVED AS TO FORM AND CORRECTNESS:

Re: Notice of Final Award for Contract FSA23-VEF17.0: Fire & Rescue Vehicles, Boats, & Other Equipment

Florida Sheriffs Association (FSA) has completed its 17th year of the cooperative purchasing fire and rescue contract. FSA is issuing the Notice of Final Award for contract FSA23-VEF17.0: Fire & Rescue Vehicles, Boats, & Other Equipment that will be effective from April 1, 2023, through March 31, 2025. This year's bid included 739 items. The contract will offer fire apparatus, rescue apparatus, fire rescue and patrol boats, outboard engines, ambulances, emergency transport utility vehicles, and battery powered rescue tools.

The competitive process for this award began in October 2022, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On October 11, 2022, a direct notification was sent to 849 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 44 pre-bid attendees or waivers. Of these respondents, 14 submitted bids and 12 qualified. FSA has identified intended awardees in the attached Intent to Award report. The ITA report shows up to three lowest bidders per item.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

FSA Cooperative Purchasing Program

FSA23-VEF17.0
Fire & Rescue Vehicles, Boats, & Equipment
Final Award Report

1227

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Airport Rescue Fire Fighting (ARFF) Apparatus

Item: 1, Oshkosh Airport Products, Striker 4x4

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	Ten-8 Fire & Safety, LLC	$1,044,318.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Airport Rescue Fire Fighting (ARFF) Apparatus

Item: 2, Oshkosh Airport Products, Striker 6x6

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	Ten-8 Fire & Safety, LLC	$1,113,785.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Airport Rescue Fire Fighting (ARFF) Apparatus

Item: 3, Oshkosh Airport Products, Striker 8x8

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	Ten-8 Fire & Safety, LLC	$1,777,606.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Electric Vehicle (EV) Pumper

Item: 7, E-ONE, Vector

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	REV RTC	$2,099,524.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Electric Vehicle (EV) Pumper

Item: 8, Ferrara Fire Apparatus, Inc., Vector

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	REV RTC	$2,108,024.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Electric Vehicle (EV) Pumper

Item: 11, Rosenbauer, RTX

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	North America Fire Equipment Company, Inc.	$1,950,000.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Electric Vehicle (EV) Pumper

Item: 12, Spartan ER, Vector

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	REV RTC	$2,109,024.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Fire Apparatus - Initial Attack

Item: 13, E-ONE, Ford F550 2 dr Diesel 4x2

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File
Nationwide	Primary	REV RTC	$290,886.00	Build

Bid Award

Contract: FSA23-VEF17.0, Fire & Rescue Vehicles, Boats, and Equipment

Group: Fire Apparatus - Initial Attack

Item: 17, Pierce Manufacturing Inc., Ford F550 MP

Description: Refer to Item Group Specifications PDF document.

Model Upgrade/Downgrade:

Zone	Rank	Vendor	Price	Build File

FSA Cooperative Purchasing Program

FSA23-VEF17.0
Fire & Rescue Vehicles, Boats, & Equipment
How to Order

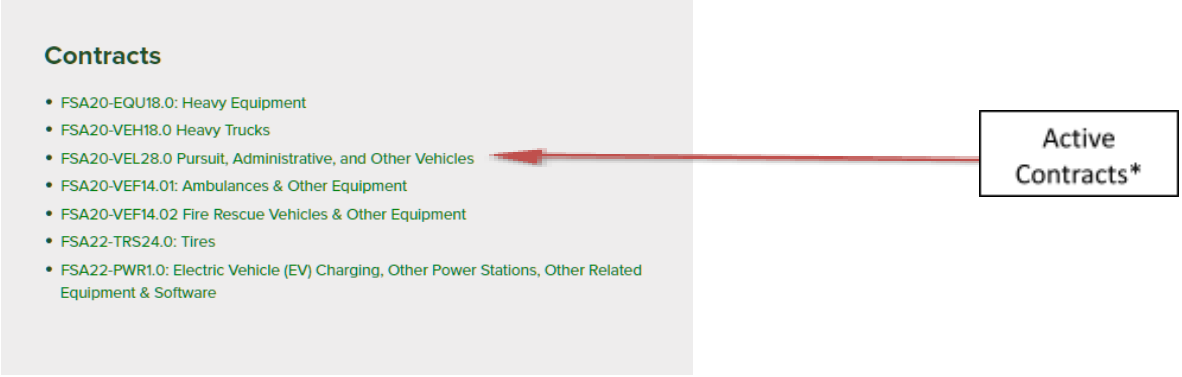
1476

CPP Ordering Instructions

1) The Florida Sheriffs Association (FSA) Cooperative Purchasing Program (CPP) welcomes purchasers to utilize our available contracts at no cost. FSA CPP currently has seven (7) active contracts, each are hyperlinked below and can be found on the CPP home page.

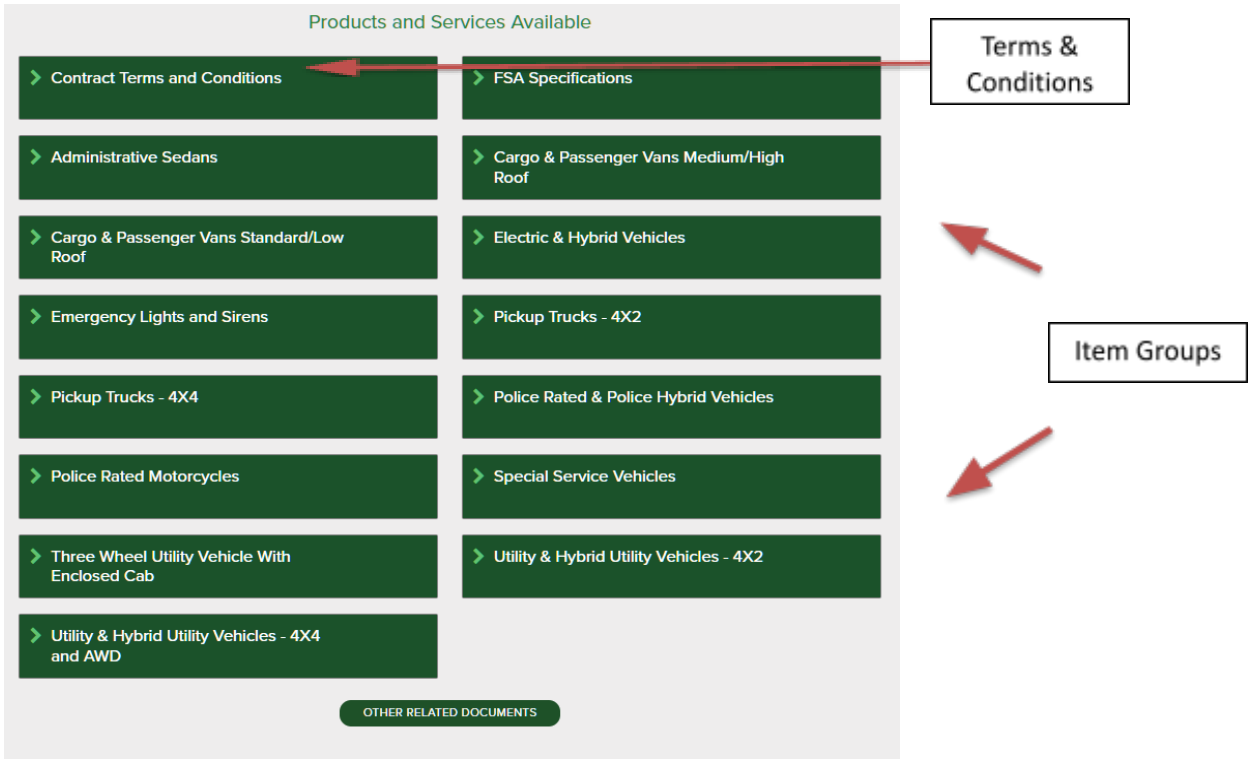
- ✔ Pursuit, Administrative and Other Vehicles
- ✔ Heavy Trucks & Buses
- ✔ Heavy Equipment
- ✔ Tires
- ✔ Electric Vehicle (EV) Charging, Power Stations, Equipment & Software
- ✔ Fire Rescue Vehicles and Equipment
- ✔ Ambulances and Equipment

2) Select the contract you are interested in. This can be done via the CPP home page or the Purchaser Resources page. *Note: information shown is for visual purposes only and may not reflect all current contracts.

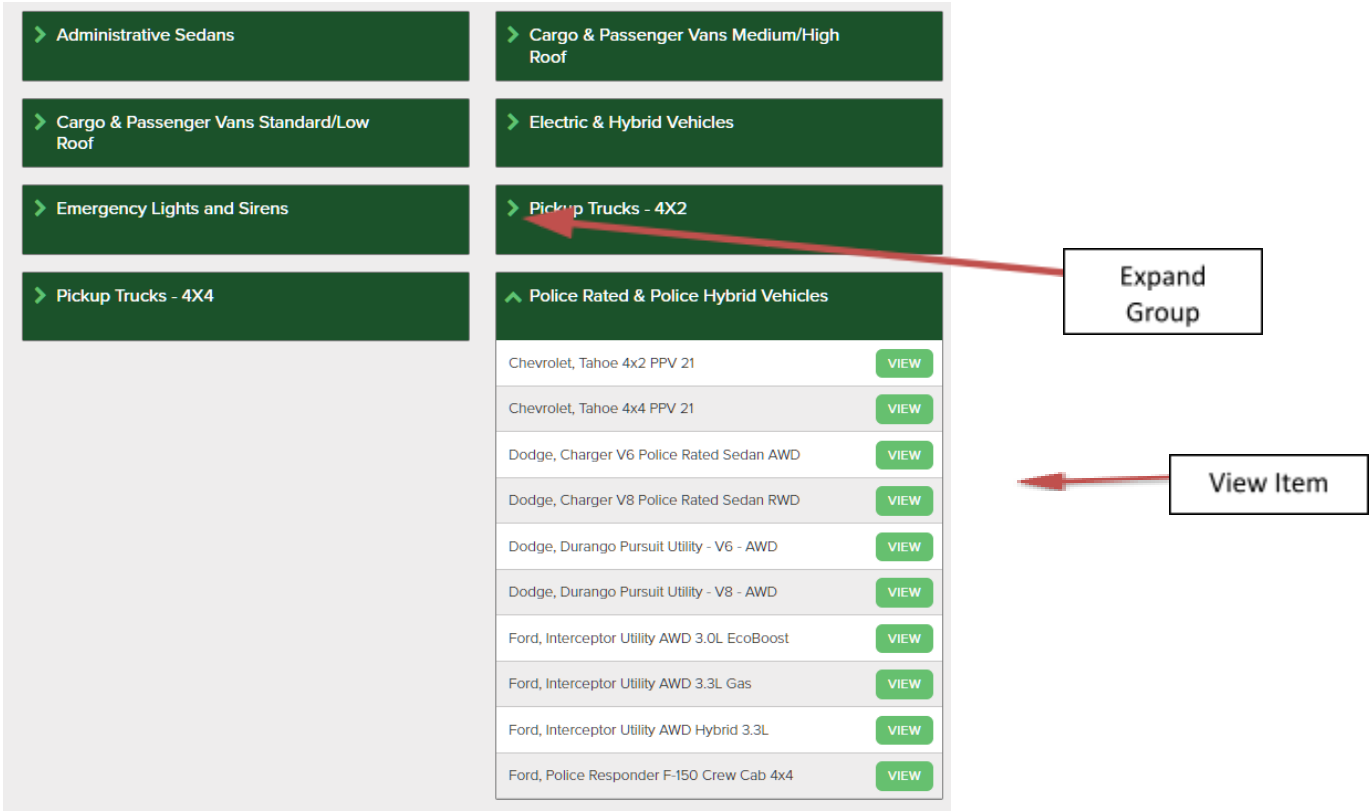


3) Scroll down to the Products & Services portion of the webpage, where there will be green boxes containing the Terms & Conditions and Item Groups.

CPP Ordering Instructions



4) To view available items, expand the Item Group by clicking on the green arrow to the left of each name. To view prices, awarded vendors by zone, build sheets, and option pricing select the green "View" button on the right.



CPP Ordering Instructions

5) A new tab will open, displaying the item award page. This page shows the primary awarded vendor for each zone and alternate vendors (if applicable). **Prices listed on this page are the current base price for contract items.** Click the "Build" link to review the vendor's Build Sheet. Click the "Options" link to review the vendor's options and their accompanying prices. Items can be upgraded or downgraded within the options.

Zone	Rank	Vendor	Price	Percent:	Build File	Options File

Awarded Vendors

Build Sheets

Option Sheets

6) Each contract page contains a contract specific Vendor Directory (see below). The directory provides the company name, if they opted-in for federal compliance, Sales/Fleet contact name, email address, and phone number. If a vendor has changed names, or been bought by another company both names will be shown in the directory.

FSA20-VEL28.0 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES

Contract Term: October 1, 2020 – September 30, 2022

Vendor Directory

The Florida Sheriffs Association in partnership with the Florida Association of Counties and Florida Fire Chiefs Association are pleased to offer a statewide purchasing contract for pursuit, administrative and other vehicles. Our awarded vendors provide the top manufacturer names in the industry.

For details of the products and services available, use the links located below that match the item you are seeking to purchase. The bid links will take you to pages that are solely dedicated to the bid award for items and includes the supporting bid documents you made need. Follow the purchasing instructions and remember to send a copy of your purchase order the FSA Cooperative Purchasing Program at COOP@FlSheriffs.org.

There are requirements for manufacturers, vendors, and purchasers within the terms and conditions (contract) that should be reviewed prior to and after the initial acquisition. These terms and conditions are written based on best practices to simplify the process for the

CPP Ordering Instructions

7) The "Purchaser Resources" page contains a Master Directory of CPP Vendors, in addition to the contract specific directories available on each award page.

8) FSA can make multiple awards by zone (if applicable). The purchaser has the choice of awarded vendors. The primary vendor offers the lowest price on the base item. If adding options, you may choose to get quotes from multiple awarded vendors. If a purchaser determines that a vendor in another zone can better serve their needs, they may order from that vendor; however, vendors may charge an out-of-zone delivery fee upon mutual agreement between the vendor and the purchaser.

9) Once a vendor has been identified for the item you wish to purchase, contact the vendor to request a quote.

10) Discuss delivery dates with the vendor. If no quote is provided, be sure to discuss delivery dates prior to issuing the purchase order to the vendor.

**Note: Vendors do not have any control over production delays in schedules from the manufacturer. **

Following the issuance of a purchase order, please send the PO to the selected vendors and the Florida Sheriffs Association at CPP@FlSheriffs.org.

CPP Ordering Instructions

11) Issue and submit a purchase order (PO) to the vendor.

12) The purchase order should include:
- The awarded vendor's name and address;
- The FSA contract number and title;
- The FSA item number and item description;
- The purchaser's federal identification number;
- The purchasing point of contacts name, phone number and email address; and
- Include the following FSA FIN/FAN/Certification codes on your purchase order for the corresponding manufacturer.

Manufacturer	Code Type	FSA Code	Contact
Ford	FIN	QE065	1-800-343-5338
Stellantis	FAN	917872	1-800-999-3533
General Motors	FAN	49313	1-800-353-3867
Nissan	Certification	FSA	FleetDistribution@Nissan-usa.com
Toyota	FIN	GE159	1-800-732-2798

13) As a courtesy, CPP asks that purchasers submit copies of purchase orders to COOP@flsheriffs.org.

We hope you enjoy your purchasing experience with the FSA Cooperative Purchasing Program, if you need any assistance, please contact our staff at CPP@FlSheriffs.org .

1.0 General Conditions

1.01 BID CORRESPONDENCE

All correspondence regarding this bid should be directed to the Florida Sheriffs Association, "FSA". Please be sure to reference the bid number and title, and provide your contact information. Communication for this Invitation to Bid should be identified by contract number and title and directed to:

Florida Sheriffs Association
Attn: Cooperative Purchasing Program Coordinator
2617 Mahan Drive
Tallahassee, FL 32308
E-mail: CPP@flsheriffs.org

1.02 PURPOSE

The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized dealers for contract terms specified under Section 1.03 for the purchase of items on a "no trade-in basis." If a purchaser has a desire to offer vehicles/equipment for trade to the vendor, the purchaser and dealer may do so at their sole discretion, separate and apart from this contract. The Florida Sheriffs Association invites interested bidders, including manufacturers and dealers or authorized representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract.

1.03 TERM OF CONTRACT

This contract shall remain in effect for one two-year (2) term from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA**.** The initial term of contract begins April 1, 2023 and ends March 31, 2025.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 QUANTITIES

Over the last two years, eligible users purchased an average of 237 items from this contract each year. Items sold depend on many factors, including the vendor's marketing efforts, established business with local governments and products awarded. Neither the FSA nor any eligible user is obligated to place any order for a given amount subsequent to the award of this bid solicitation.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures. The Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollar.

1.08 DEFINITIONS

The terms used in this contract are defined as the following:

A. Base item specification: Items developed by the FSA for bidders to bid on. These items may be unique to FSA and require additional components to the standard manufacturer specifications and equipment.
B. Bidder: A bidder or enterprise that submits a formal bid to the FSA Cooperative Purchasing Program in accordance with the FSA CPP Terms and Conditions. A bidder, that is not the manufacturer, must be authorized by the manufacturer to market and sell an item for which they are bidding.
C. Bid System: The online application used for the submission of bids and review of bid results for the item specifications connected to this Invitation to Bid. VendorLink is the software used for this bid.
D. Build Sheet: A document from the bidder or manufacturer that confirms that the bid item specifications submitted by bidders matches the FSA base item specification. Build sheets include, but are not limited to, the factory options list and door data plate info for the vehicles. They provide details such as engine size and transmission, paint codes, production date, axle code, etc.
E. Dealer: An enterprise authorized by the manufacturer to market, sell, provide, and service the items for the FSA Cooperative Purchasing Program. Dealers may be vendor-owned and controlled, in whole or in part, or independently owned and controlled.
F. End User: A term used to distinguish the person who ultimately uses or is intended to use a product or for whom a product is designed for use.
G. Factory: Refers to the manufacturer produced products.
H. Florida Sheriffs Association Cooperative Purchasing Program (FSA): The entity that administers the Invitation to Bid and contract administration functions for this contract.
I. Fleet Advisory Committee (committee): An employee of a sheriff's office or other local governmental agency, or person who FSA identifies as subject matter expert who assists with the development of item specifications and evaluation of bid responses. The committee makes recommendations to the FSA and is not responsible for final awards.
J. Invitation to Bid: A competitive solicitation and award process established through the issuance of an invitation to bidders, vendors, dealers, and manufacturers to submit a price offer on a specific product to be provided. This term shall include the item specifications available to bidders on the bid system and references to solicitation documents. The term shall not include request for proposals, request for quotes, request for letters of interest, or the solicitation of purchase orders based on oral or written quotations.
K. Item Specification Group: The item specification bid document contains the minimum base item specification requirements for each item or group of items within the competitive bid.
L. Manufacturer: The original producer or provider of items offered on this contract.
M. Manufacturer's Suggested Retail Price (MSRP): Manufacturer's Suggested Retail Price (MSRP) represents

the manufacturer's recommended retail selling price, list price, published list price, or other usual and customary price that would be paid by the purchaser. The following are acceptable sources of current MSRPs and MSRP Lists for use in submission of the bid solicitation and the resulting contract:

a. Manufacturer's computer printouts
b. Manufacturer's official website

N. Non-Scheduled Options: Any optional new or unused component, feature or configuration that is not included or listed in the base item specifications or options.
O. Production Cutoff: A date used by manufacturers to notify vendors and dealers that the factory has reached maximum capacity for orders or are discontinuing the production of an item.
P. Published List Price: A standard "quantity of one" price currently available to government and educational purchasers, excluding cooperative, volume discounts or other discounts.
Q. Purchase Order: A request for order from a purchaser to an awarded vendor for an item that has been awarded on this Contract. Purchaser orders placed using this contract formalize the terms and conditions of this contract under which a vendor furnishes items, vehicles or equipment to a purchaser.
R. Purchaser: A purchaser is an entity that seeks to obtain items awarded on this contract by meeting the eligible user criteria or with vendor approval.
S. Qualification Packet: This document contains the required forms, attestations, authorizations, and organizational information needed by bidders to submit a successful and complete bid.
T. Terms & Conditions: This document serves as the governing contract for the identified FSA contract and bid. Standard regulations, processes, procedures, and compliance requirements are identified herein. Bidders complete a qualification packet during the bid process indicating they agree to comply with the Terms & Conditions, and that this will serve as a contract for both parties.
U. Third Party Supplier: Businesses external to a bidder or vendor that provide products and services which contribute to the overall finished item in this contract. Third Party Suppliers are contractors under the direction and responsibility of the bidder or vendor. Third party suppliers may also be referred to as upfitters or remount service providers within this document.
V. Vendor: The bidder that has been awarded items who agrees to provide the items meeting the base item specifications and are in compliance with the terms of the contract. The vendor must agree to the contract terms and conditions, which will serve as the governing contract for items sold. If the vendor is not the manufacturer, the vendor must be certified by the manufacturer to market, sell, provide, and service for an awarded item.
W. Vendor Installed: A product or service provided by the vendor or other third party; not the factory.

1.09 ELIGIBLE PURCHASERS OF CONTRACT

Awarded bids, or contract prices, will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida. This includes, but is not limited to counties, municipalities, sheriffs' offices, clerks, property appraisers, tax collectors, supervisors of elections, school boards or districts, water management districts, other special districts, police and fire departments, emergency response units, state universities and colleges, or other state, local or regional government entities within the State of Florida. Eligible purchaser also includes all Eligible Users as defined in F.A.C. 60A-1.001(2).

All purchasers are bound by state law, local ordinances, rules and regulations for purchases made under this contract. Participating agencies cannot guarantee any order other than those ordered by the individual agency.

In addition, bids can be extended and guaranteed to other entities approved by manufacturers to participate in this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement and must agree to the terms and conditions of this contract.

1.10 LEGAL REQUIREMENTS

Federal, State, and local laws, ordinances, rules and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the bidder of applicable legal requirements will in no way be a cause for relief from responsibility.

Bidders have the option to certify that they are willing to accept purchase orders funded in whole or in part with federal funds. By opting in, bidders certify that they are willing to comply with the requirements outlined in Appendix C upon receipt of a federally funded purchase order. This is not a requirement of the bid or contract. Bidders are not required to opt-in; however, they are required to indicate whether they will opt-in or opt-out of receiving federally funded purchase orders. FSA has taken actions to provide and develop information, materials, and resources for bidders, vendors and purchasers that will assist in the use of federal funding with this contract. It is the responsibility of the purchaser to determine compliance for each vendor, if they wish to use federal funds for purchase, or intend to request reimbursements using federal funds.

1.11 PATENTS & ROYALTIES

The bidder, without exception shall indemnify and hold harmless the FSA and its employees from liability of any nature or kind, including costs and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the FSA or a purchaser.

If the bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

1.12 FEDERAL AND STATE STANDARDS

It is the intent of FSA that all item specifications herein are in full and complete compliance with all federal and State of Florida laws, requirements, and regulations applicable to the type and class of commodities and contractual services being provided. This includes, but is not limited to, Federal Motor Vehicle Safety Standards (FMVSS), Occupational Safety and Health Administration (OSHA), Environmental Protection Agency (EPA) Standards, Society of Automotive Engineers (SAE), Fire Apparatus Vehicle Standards, and Federal Ambulance Standards (KKK-A-1822F), which includes all subsequent change notices. All fire apparatus manufacturers must meet the National Fire Protection Association (NFPA) 1901 and 1906 standards.

In addition, any applicable federal or State legal or regulatory requirements laws that become effective during the term of the Contract, regarding the commodities and contractual services' specifications, safety, and environmental requirements shall immediately become part of the Contract. The vendor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the vendor shall contact the FSA immediately.

The bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and contract.

1.13 UNDERWRITERS' LABORATORIES

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be Underwriters' Laboratories, or U.L., listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.14 AMERICANS WITH DISABILITIES ACT

To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, or any accommodation to review any document or participate in any FSA sponsored proceeding, please contact FSA Human Resources at (850) 877-2165 five business days in advance to initiate your request. TTY users may also call the Florida Relay Service at 711.

1.15 REASONABLE ACCOMMODATION

In accordance with the Title II of the Americans with Disabilities Act, any person requiring an accommodation at the bid opening because of a disability must contact the FSA Human Resources at (850) 877-2165.

1.16 MINORITY BUSINESS ENTERPRISE (MBE)

As part of the solicitation process FSA makes information available to potentially qualified entities publicly available, and conducts additional outreach to qualified:

- Small businesses,
- Minority-owned small businesses,
- Women-owned small business enterprises, and
- Disadvantaged business enterprises.

FSA takes necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible, as recommended by 2 C.F.R. § 200.321.
FSA will:

- Evaluate whether small, minority, and women's businesses are potential sources,
- Place those qualified small and minority businesses and women's business enterprises on solicitation lists, and
- Search the Small Business Administration, Minority Business Development Agency, and Labor Surplus Area reports for additional potential sources.

Bidders self-identify in the qualification packet whether they meet the state and federal definitions of a disadvantaged business.

1.17 ANTI-DISCRIMINATION

The bidder certifies that they are in compliance as applicable by federal or state law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.18 BEST COMMERCIAL PRACTICES

The apparent silence or omission of any description from the item specifications shall be regarded as meaning that only the best commercial practices, size, and design are to be used. All workmanship is to be first quality. All interpretations of this item specification shall be upon the basis of this statement.

1.19 PUBLIC ENTITY CRIMES (PEC)

In accordance with the Public Entity Crimes Act, Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list maintained by the State of Florida Department of Management Services following a conviction for public entity crimes may not submit a bid on a contract to provide any goods or services

to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a vendor, supplier, sub-vendor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.20 TAX EXEMPTION

Purchasers making a purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the vendor to verify that the purchaser is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number.

The Florida Sheriffs Association is a 501(c)3 organization and is exempt from all Federal Excise and State Taxes. State Sales Tax and Use Certificate Number is 85-8012646919C-3.

1.21 ORDER OF PRECEDENCE IN THE EVENT OF CONFLICT

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

- Addenda to Contract Terms and Conditions, if issued
- Contract Conditions
- Addenda to Item Group Specifications, if issued
- Item Specifications
- Bidder Instructions
- General Conditions

1.22 COMMUNICATIONS

Communications between a proposer, bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the CPP Staff.

Bidders should not rely on representations, statements, or explanations other than those made in this bid or in any written addendum to this bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or eligible users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted by e-mail to CPP@flsheriffs.org. The bid title and number should be referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA Cooperative Purchasing Program website on the date indicated on the Bid Calendar.

Interpretation of item specifications or solicitation documents will not be made verbally. If any verbal clarifications are provided, they are without legal effect.

Questions received after the cone of silence date listed on the bid calendar will not be addressed. The FSA reserves the right address technical questions.

The FSA shall issue a Formal Addendum if substantial changes which impact the submission of bids are required. Any such addenda shall be binding on the bidder and shall become a part of the solicitation document. In the event

of conflict with the original item specifications, addenda shall govern to the extent specified. Subsequent Addenda shall govern over prior Addenda only to the extent specified.

FSA will make every attempt to e-mail updates to registered bidders. However, posting on the FSA website constitutes proper notice of addenda. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgement of the addenda to the item specifications. Bids that fail to account for the addenda shall reflect in bids being declared nonresponsive; however, that pursuant to Section 2.26, the FSA may waive this requirement in its best interest.

After the start of the contract term, FSA will notify all awarded vendors of any addenda and will require acknowledgement of the new terms and conditions. If the awarded vendor does not agree to the new terms and conditions, the vendor's award can be removed or replaced by another vendor or qualified, responsive bidder.

1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the bidder, which offer shall be deemed accepted upon approval by the FSA. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA bid system constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA.

If the original vendor sells or transfers all assets or the entire portion of the assets used to perform this contract, a successor-in-interest must perform all obligations under this contract. FSA reserves the right to reject the acquiring entity as vendor. A change of name agreement will not change the contractual obligations of the vendor.

In the event a manufacturer reassigns the product line to an alternate company, the vendor is required to immediately notify the FSA in writing of the change within 10 business days confirming the reassignment. If the alternate company is not already an approved FSA vendor, they are required to submit a Qualifications Packet to the FSA to become an approved vendor *prior to* conducting any qualified sales. FSA may approve such assignments of existing or new vendors at its discretion. The vendor is required to honor the contract pricing and all of the applicable terms and conditions throughout the remaining term of the contract.

1.26 TERMINATION OF PRODUCT LINE

If a vendor terminates a product line (manufacturer or brand), the vendor is required to notify the FSA within 10 business days of the decision not to retain the product line. FSA may remove the terminated products from the contract.

1.27 METHOD OF AWARD

The award is made to responsive and responsible bidders. FSA uses its discretion in determining if bids meet the requirements of this solicitation. The FSA reserves the right to make multiple awards for each item, if deemed in the best interest of the FSA and the purchasers. Awards will be posted on the FSA website according to the date posted in the bid calendar.

1.28 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA.

The FSA may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a bidder, including past performance with the FSA in making the award.

The FSA may require bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier which is the actual source of supply. In these instances, the FSA may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

Pre-award inspection of the bidder's facility may be made prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services as described in this bid.

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

1.29 VENDOR ABILITY TO PERFORM

During the contract period, FSA may review the vendor's record of performance and may require submission of supporting documentation to ensure that the vendor is providing sufficient financial support, equipment and organization.

If the FSA determines that the vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract awarded.
By responding to this procurement, the vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the vendor's ability to satisfy the obligations of the contract. The vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statues, or on any similar list maintained by any other state or the federal government. The vendor shall immediately notify the FSA and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.30 FINANCIAL RESPONSIBILITY

Bidder affirms by the submission of the bid and by signature on the contract signature form that the bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to

capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.

- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all items bid and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.31 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

1.32 NONCONFORMANCE

Items may be tested for compliance with item specifications. Items delivered that do not conform to specifications may be rejected and returned at the vendor's expense. Items not meeting the specifications and items not delivered within a reasonable period of time after expected delivery date may be purchased outside of the FSA contract.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with vendor.

1.33 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practical after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of bidders' products or services.

1.34 TIE BIDS

FSA has the right to award multiple bidders the primary or alternate award in the event of a tie. In the event the FSA desires to break tie bids, and both businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder within the State of Florida
- Vendors performance record with purchasers
- Coin Toss

1.35 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA to readily identify vendor's sales. FSA and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible users information whether kept by or under the control of the vendor, including, but not limited to those kept by its employees, agents, assigns, successors,

sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to purchase orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this contract and for a period of three (3) years after the completion of this contract. At the vendor's expense and upon written notice from FSA, the vendor shall provide such records for inspection and audit by FSA or its authorized representatives. Such records shall be made available to FSA during normal business hours within three business days of receipt of the written notice. FSA may select the vendor's place of business or offsite location for the audit. The FSA may also request the vendor provide requested records via e-mail.

Vendor shall ensure FSA has these rights with vendor's employees, agents, assigns, successors, and third-party supplier and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies under reporting, overpricing or overcharges (of any nature) by the vendor to FSA or a purchaser in excess of three percent (3%) of the total contract billings, the vendor shall reimburse FSA for the total costs of the audit not to exceed $5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.36 LIABILITY, INSURANCE, LICENSES AND PERMITS

The bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and contract. Where vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance. The vendor shall be liable for any damages or loss to the FSA or purchaser occasioned by negligence of the vendor or any person the vendor has designated in the completion of the contract as a result of the bid.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 PERFORMANCE BONDS, AND CERTIFICATES OF INSURANCE

After acceptance of bid, the FSA will notify the successful bidder to submit the applicable certificates of insurance in the amounts specified in the Insurance Checklist.

Purchaser may request a performance bond from a vendor. Performance Bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.39 COLLUSION

Collusion is a non-competitive secret or sometimes illegal agreement between rival bidders that attempts to disrupt the contract process equilibrium. Collusion involves people or companies that would typically compete, but are conspiring or working together in which the outcome results in an unfair bid advantage. The parties may collectively choose to agree to increase or decrease the item base price to maximize awards thus denying purchasers a fair price.

Bidders or vendors who are found to have engaged in collusion will be considered nonresponsive, and will be suspended or barred from bid participation. Any contract award resulting from collusive bidding may be terminated for default. Further, any collusion that is detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without conflict of collusion if the bid submitted is not from the same manufacturer and product line. Dealers which share the same ownership may submit multiple bids without conflict of collusion if the bidders are not in the same region featuring the same manufacturer and product line.

1.40 DEFAULT

In case of default on the part of vendor, the FSA may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked bidder or from other sources. A defaulting vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.41 PROTESTS AND ARBITRATION

Any person who is adversely affected by the decision or intended decision to award shall file a “Notice of Protest” in writing to the FSA within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party’s claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party’s filing will be reimbursable to the FSA and deducted from the protesting party’s bond or security which must accompany their filing.

Any bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA provided at the time of filing the initial protest. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.42 NONPERFORMANCE

By virtue of the bid submission, bidder acknowledges its obligation to sell items for which it is awarded. Failure of the bidder to comply with these requirements may result in the imposition of liquidated damages of up to $1,000 per item, which amount the vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA's discretion.

The vendor shall at all times during the contract term remain responsive and responsible. In determining vendor's responsibility, the FSA shall consider all information or evidence that demonstrates the vendor's ability or willingness to fully satisfy the requirements of the solicitation and the contract.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA at its sole discretion may remove a noncompliant vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by items, or other actions as determined by FSA at its sole discretion.

At FSA's discretion, vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result in termination from the existing contract and future competitive bid solicitations at the discretion of the FSA.

In situations where there is evidence that the vendor has engaged in egregious breaches of the contract with respect to either the FSA and/or the purchaser, the contract can be terminated and the vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

Any vendor presented with a valid purchase order consistent with vendor bid quotes or other agreed upon terms and pricing is required by this contract to accept such purchase order and deliver the product. Orders must be fulfilled if the item is a base model or whether it includes options. The vendor must deliver this product if they were awarded the contract – regardless of profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue the exact same order with another vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA may seek damages for nonpayment of administrative fees, to which FSA is entitled, according to Section 3.28 and any attorney's fees incurred in the recovery of these damages.

1.43 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.44 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the vendor and unless the deficiencies are corrected within 10 business days, the contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In that event, the FSA shall compensate the successful bidder in accordance with the contract for all services performed by the bidder prior to termination, net of any costs incurred by the FSA as a consequence of the default.

Notwithstanding the above, the vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the vendor, and the FSA may reasonably withhold payments to the vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the vendor is determined.

1.45 TERMINATION WITHOUT CAUSE

The FSA can terminate the contract in whole or part without cause by giving written notice to the vendor of such termination, which shall become effective 30 calendar days following receipt by vendor of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The vendor shall not be entitled to recover any lost profits that the vendor expected to earn on the balance of the contract or cancellation charges.

Any payments to the vendor shall be only to the total extent of the FSA liability for goods or services delivered prior to the date of notice to terminate the contract.

1.46 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The CPP logo is an official logo of the Florida Sheriffs Association designed to promote the program. The logo may be used by vendors in accordance with this policy. Use of the logo is limited to the original version received from the FSA. Modifications are not permitted.

Methods of use include, but are not limited to:

- Electronic mediums such as websites, digital marketing campaigns, social media and e-mail; or
- Print media such as forms, marketing campaigns, business cards, posters, banners, brochures, flyers and postcards.

Vendors may request the logo by contacting cpp@flsheriffs.org, and should include a brief description of how the vendor intends to use the logo. The official FSA sheriff's star and wreath logo may not be used without prior written permission.

2.0 BIDDER INSTRUCTIONS

2.01 BIDDER QUALIFICATIONS

Bidders are required to complete the qualification packet as part of the bid submission. A bidder becomes a qualified bidder if they comply with this section and Section 2.11, Mandatory Pre-Bid Meeting.

Qualification Packet information required for bid qualification include:

- Qualification form
  - Contact Information
  - Business Profile
  - References (if applicable)
  - Disqualifications & Defaults
  - Warranty Service Plan Attestation
  - Emergency Vehicle Technician Attestation
- State compliance attestations
  - E-Verify
  - Workers Compensation
  - Drug-Free Workplace
  - Motor Vehicles Dealer license
- Federal compliance attestations
  - Certification Regarding Debarment and Suspension
  - Certification Regarding Lobbying
- Contract Signature Form
- Insurance Checklist
  - Certificate of Insurance for awarded vendor

The qualification packet is located on the bid system.

2.02 LICENSING & FACILITIES

Bidders are required to possess a Florida Motor Vehicle Dealer's License in order to bid on any motor vehicle.

Bidders must maintain a repair facility within the State of Florida to provide warranty service for the items bid. If bidders do not have a facility, the bidder must be able to assist purchasers in obtaining warranty work as authorized by the manufacturer.

If a bidder does not maintain a facility within the State of Florida, the bidder must have a plan as to how the bidder would service Florida purchasers if awarded the contract. This warranty service plan must demonstrate that the warranty work will be timely and satisfactorily performed and should include:

- Whether the warranty service provider is approved by the manufacturer;
- If the bidder plans to contract out for service, a copy of the service agreement; and
- Service plans to include:
  - Response time to initial call from purchaser,
  - Number of personnel available to service the contract,
  - Qualifications of personnel providing warranty work, and
  - Any additional information that would detail how warranty service would be provided.

The sufficiency of the Warranty Service Plan may be evaluated by the FSA. The FSA reserves the right to request additional information from a bidder regarding the facility during the solicitation and the term of the contract, if awarded. The FSA may also exercise discretion in examining such facility as deemed necessary.

2.03 INSURANCE AND INDEMNIFICATION

Vendor shall be fully liable for the actions of its agents, employees, partners, or third party suppliers and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by bidder, its agents, employees, partners, or third party suppliers; provided, however, that the bidder shall not indemnify for that portion of any loss or damages resulting directly from the negligent acts or omissions of the Florida Sheriffs Association and participating agencies or proximately caused by intentional wrongful acts or omissions of the Florida Sheriffs Association and participating agencies.

Vendor's obligations under the above paragraph with respect to legal action are contingent upon the Florida Sheriffs Association and/or participating agencies giving the bidder (1) written notice of any action or threatened action, and (2) the opportunity to take over and settle or defend any such action at bidder's sole expense. Vendor shall not be liable for any cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies, in any legal action without bidder's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

The Insurance Checklist summarizes the bidder's insurance coverage obligations, if awarded. Certificates of Insurance, evidencing such coverages and endorsements as required herein, shall be provided no later than five business days prior to the contract award date. The vendor may not begin performance under the contract until such Certificates have been approved by the FSA.

The certificate must state Bid Number and Title. FSA must be named as an additional insured for the duration of the contract.

The vendor shall maintain comprehensive general liability insurance and general aggregate insurance in the amount and coverage levels specified on the Insurance Checklist.

The vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the vendor is acting as an independent contractor. The vendor shall be responsible for the work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular contract. The vendor at all times during the full duration of work under this contract, including extra work in connection with this contract, shall meet the requirements of this section.

The vendor shall maintain automobile liability insurance including property damage covering all owned, non-owned, hired and scheduled automobiles, when used in connection with the delivery or service of this contract.

The vendor shall maintain insurance to cover garage operations in the amount specified on the Insurance Checklist when the garage is used to complete work on this contract.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of B+ or better per the AM Best Rating.

FSA required insurance coverages must be maintained through the duration of the contract. Upon expiration of the required insurance, the vendor must email updated certificates of insurance for as long a period as any work is still in progress. No change or cancellation in insurance shall be made without 30 calendar days written notice to the FSA.

It is understood and agreed that all policies of insurance provided by the vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract. All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

> *The vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public and for all damages to the property per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the vendor, his agents, servants, or employees, or through the mere existence of the project under contract.*

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract, and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The vendor will secure and maintain policies of third-party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the vendor and all third-party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the vendor and all third-party suppliers of their liabilities and obligations under any section or provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third-party suppliers and of persons employed by them as they are for acts and omissions of persons directly employed by the vendor.

The FSA can request and the vendor shall furnish proof of insurance within seven calendar days of receipt of the written request from FSA. Should the vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA shall have the right to consider the contract breached and justifying the termination thereof. If bidder does not meet the insurance requirements; the FSA may consider alternate insurance coverage.

2.04 ITEM SPECIFICATIONS

All items covered by this contract shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the bid system or FSA base item specification. If awarded, bidders must supply an item that either meets or exceeds all the requirements included in the applicable specifications.

The base item specifications are contained in the FSA bid system, may be requested from FSA and are retained within FSA's archive. As part of the bid submission, all bidders will be required to provide information confirmation that the item bid meets the base item specification or may have their bid rejected. Failure of a bidder to comply with these provisions will result in bidders being held responsible for all costs required to bring the item into compliance with the contract specifications.

FSA develops the item specifications with subject matter experts and publicly available information. However, FSA does not have access to full details from the manufacturer and relies on bidders to assist in this process. Bidders should immediately notify the FSA of any inaccuracies in the item specifications. All notifications of inaccuracies must be in writing.

2.05 FIXED PRICES

If the bidder is awarded a contract under this Invitation to Bid, the prices quoted by the bidder at the time of bid submission shall remain fixed and firm during the term of this contract, unless otherwise addressed in a contract extension or price adjustment as provided herein.

2.06 DISCOUNTS

Discounts must be offered on this contract and shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for each item and option listed. The bidder has the authority to offer additional discounts based on quantity, as well as additional manufacturer or bidder discounts.

2.07 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA Bid System.

2.08 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a bidder may have to the terms and conditions must be documented in bidder's submission. Exceptions to the item specifications at the time of the bid submission shall reference the item number, make and model. FSA has the discretion to grant or deny, in whole or in part, the bidders requested exception, deviation or contingency to the specifications or terms and conditions. Bidder acknowledges that if FSA rejects the proposed exceptions, the bid may be disqualified.

2.09 MISTAKES

Bidders are expected to examine the item specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the bidder's risk.

2.10 EQUIVALENTS

Bidders must first request approval from the FSA before submitting a bid that includes an equivalent that will supplement an item on the base item specification. The FSA will determine whether the proposed equivalent is equal to or exceeds the quality, design and construction than the intended replacement item in the base item specification.

Bidders must provide the manufacturer name and model number (or product identifier) of each equivalent when seeking approval. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with specific replacement item.

If the equivalent is approved, the bidder must include the supporting material in the bid submission. Bids will not be considered without this information. If a bid uses equivalents without prior approval, the bid will be deemed nonresponsive.

Vendors offering alternate makes and manufacturers of vehicles or equipment that are not specifically identified in the bid, cannot publish or offer the unapproved equivalents. Offerings of this nature will cause the bid to be rejected. If such offerings are identified after the award has been granted, the offerings, item specification or entire award can be removed by the FSA.

When selling equivalents, vendors must disclose to the purchaser that an approved equivalent is being offered.

2.11 PRE-BID MEETING

Prospective bidders are **required** to attend or participate in the Pre-Bid Meeting. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA to clarify questions on the terms and conditions and to confirm all item specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the item specifications are finalized.

FSA reserves the right to grant attendance exceptions to the mandatory meeting if the bidder has requested authorization, signs a memo to agree to meet all the terms and conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.12 PRICES QUOTED

Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening. Each item, make, and model must be priced and bid separately. Prices quoted in the bid submission should reflect the final amount the bidder can expect to receive for payment for the items bid for the duration of the contract, unless otherwise provided in the contract. These prices must be inclusive of all components included in the item specification. Once awarded, the vendor has the authority to offer discounts for prompt payment. Cash or quantity discounts offered will not be a consideration in determination of award of the bid.

Prices bid, including options, must include the administrative fee FSA charges to administer the contract, as outlined within these terms & conditions. The administrative fee is three quarters of one percent (.0075).

Prices must be Free On Board (FOB) destination and include shipping and delivery to the purchaser.

2.13 OPTION PRICING

The bidder shall offer a discount below Manufacturer's Standard Retail Pricing (MSRP) or manufacturer's published list price for any options offered, if awarded. The FSA has the discretion to disqualify bidders if the option pricing is excessive or if options listed are not available for the item bid.

Options are intended to add or delete equipment or features from the item specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and

should not be made available for purchase separate from the base item. Bidders shall NOT use options to create an item that is available as another item bid on this ITB. The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the item specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Bidder must use proper manufacturer codes for all factory options. Options available through the factory should be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser. Factory package options are allowable under this contract. Factory package options included in the bid submission must detail what components the package includes.

If a bidder will offer registration and title services as a fee for service, the bidder must include the administrative fee as a separate option (i.e. line item) for each item bid. Government imposed fees should not be included in this option pricing.

If the bidder wishes to offer credit to the purchaser for an option that is standard on the FSA item specification, the bidder should include the word "Credit" at the beginning of the description field, and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the bidder will credit the purchaser.

2.14 EMERGENCY LIGHTS AND SIRENS

Under Florida Statute 316.003(1), authorized emergency vehicles are defined as:

"Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corporations operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective departments or the chief of police of an incorporated city or any sheriff of any of the various counties."

Bidders that will provide or contract to provide emergency light and siren installation must only use installers that possess a current Emergency Vehicle Technician Certification, or an approved equivalent. FSA may request certificates for a vendor's installers at any time during the contract term. Labor may be charged for the installation of emergency lights and sirens. Labor rates must be disclosed as part of the bid submission. Bidders may not charge for labor for vehicles that are manufactured with emergency lights and sirens, including motorcycles. Prices submitted for emergency lights and sirens shall include all applicable government-imposed fees.

Bidders that install emergency lights and sirens are required to provide and install products that are Society of Automotive Engineers (SAE) certified. SAE Certifications must include Class 1, Class 2 and Class 3 in order to be eligible for participation in the contract. If a lighting or siren product installed on an emergency vehicle is not SAE Certified, the vendor can be found in default of the contract.

2.15 BID SUBMISSION

Bidders must submit a bid electronically using the bid system. Bid submissions include pricing for the item, as well as required documentation. The bid must be received by the date and time specified on the Bid Calendar seen in Appendix A. Failure to meet all submission requirements by the date indicated on the Bid Calendar will result in rejection of the bid.

Bid System: VendorLink

The bid system is located at https://www.myvendorlink.com. Bidders are encouraged to participate in training provided. Usernames and passwords will be issued to bidders after registering in the bid system. Contact VendorLink at support@vendorlink.com if technical issues arise during bid submission.

Prices are to be rounded to the nearest whole dollar. If a bidder submits bid pricing using cents, the following formula will be applied: $.01-.49 will be rounded down to the dollar bid (e.g., $50.49 = $50) and $.50-.99 will be rounded to the next dollar (e.g., $50.50 =$51).

Bid Submission

To ensure correct bid submittal and formatting, bidders shall:

- Input a bid price for each item
- Upload files as instructed in the bid system; files requested will be in .pdf format.
- Follow all instructions outlined in this ITB and provide all requested information.

The bid shall include the following documents:

- Executed Qualifications Packet
- Build sheet for each item bid as a single .pdf
- Any requested exceptions or equivalents

FSA may ask awarded bidders to supply one hard copy set with digital signatures and original compliance forms, prior to the contract execution. Hard copy bids should not be submitted unless specifically requested by FSA. FSA is not responsible for bidder's improper use of the bid system. Exceptions will be granted to this section should any bid system malfunctions occur.

2.16 EXECUTION OF BID

By submitting a response to this Invitation to Bid, the bidder agrees to the terms and conditions of this contract and to be bound by such terms and conditions if selected for award. The bidder must submit the Contract Signature Form with the signature of an authorized representative no later than the bid submittal due date. All terms and conditions are applicable throughout the term of the contract and not specific to any given year, make or model.

2.17 MODIFICATION OR WITHDRAWALS OF BIDS

A bidder may submit a modified bid to replace all or any portion of a previously submitted bid until the due date and time of the bid submission listed in the Bid Calendar. Modifications received after the bid due date and time will not be considered.

Bids can be withdrawn in writing prior to the contract award. If a bidder must withdraw the bid, the bidder must contact FSA immediately. Bid withdrawals are handled on a case-by-case basis and can result in a limitation of participation in future bids.

2.18 LATE BIDS

The responsibility for submitting a bid before the due date and time on the bid calendar is solely and strictly the responsibility of the bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

2.19 PUBLIC BID OPENING

Bids shall be opened on the date and time specified on the Bid Calendar. The bid opening may occur at the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, Florida, or may be offered online.

FSA will provide a bid inspection period for bidders following the bid opening. The date, time and duration will be announced prior to the bid opening.

2.20 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the contract. As set forth in Section 2.26, FSA reserves the right to waive or allow a vendor to correct minor irregularities.

2.21 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible. In determining a responsible bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including previous FSA contracts; and
- Any other information relevant to the responsibility of a vendor that FSA is aware of.

In addition to the requirements as set forth by these Terms & Conditions, FSA reserves the right to request staffing, performance and financial information from any bidder during the evaluation process.

FSA reserves the right to determine which responses meet the requirements, item specifications, terms and conditions of the solicitation, and which bidders are responsive and responsible.

FSA further reserves the right to limit participation of bidders who, in FSA's sole discretion, are determined to present responsibility concerns that call into question the bidder's ability to perform but that do not rise to the level of requiring rejection of the bidder as non-responsible.

2.22 BASIS FOR AWARD

The FSA shall make awards to the lowest bidder by item and by manufacturer to bidders deemed to be responsive and responsible. Awards may also be made to the second and third lowest bidder by item and by manufacturer and determined to be in the best interest of the FSA and the purchaser. FSA has the discretion to consider option pricing in making the award. Awards will not be given to any parties listed on the government wide exclusion in the System for Award Management. See Appendix C, II to 2 CFR Part 200.

FSA reserves the right to accept or reject any and all bids, and to waive any minor irregularity, technicality or omission if it determines that doing so will serve the purchaser's best interest.

2.23 BID TABULATIONS

In the event that more than one bid is submitted per item a Bid Tabulation report will be posted on the FSA Cooperative Purchasing Program website after the bid submission closes as identified on the bid calendar.

If there is a delay in posting the bid tabulation results, FSA will post a notice of the delay and a revised date for posting of results.

2.24 MINOR IRREGULARITIES / RIGHT TO REJECT

The FSA has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the terms and conditions of this procurement that does not affect the price of the bid or give the bidder a substantial advantage over other bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA may allow a bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA may request a bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA will not request and a bidder may not provide the FSA with additional materials that affect the price of the bid, or give the bidder an advantage or benefit not enjoyed by other bidders.

The FSA may also reject any bids not submitted in the manner specified in this document.

2.25 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. During this period all communications regarding this solicitation between FSA and Bidder will cease, except for procedural questions, technical questions regarding problems incurred in the use of the bid system, or communications initiated by the FSA. All permitted communications during this period shall be made in writing to the procurement contacts identified in Section 1.01 of this Invitation to Bid.

3.0 CONTRACT CONDITIONS

3.01 GENERAL REQUIREMENTS

Once the bid has been awarded, the terms and conditions of this document become the contract between the FSA and the awarded vendor. The terms and conditions apply to all items purchased from this contract.

3.02 STATEMENT OF AUTHORITY

Each person signing the contract warrants that they are duly authorized to do so and binds the respective party to the contract.

3.03 VENDOR CONTACT INFORMATION

The vendor shall maintain current contact information with FSA at all times for sales and submission of purchase orders, quarterly reports and administrative fee payments. If a change occurs during the contract, the vendor must notify FSA immediately.

3.04 ADDITIONS AND DELETIONS

The FSA reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and the participating purchasers.

FSA reserves the right to remove, discontinue or suspend the sale or offering of any product within the Invitation to Bid document or existing contract, at its discretion.

This decision to take action may be based upon and not limited to:

- Few or no sales;
- Product recalls and other safety issues;
- Vendor/Manufacturer performance; or
- Lack of relevance of products.

3.05 CONTRACT EXTENSION

Contract Extension
The contract may be extended by mutual agreement, initiated at the discretion of the FSA, for up to two (2) additional years, on a year-to-year basis.

The vendor may request price adjustments for contract extensions as provided for in the price adjustment section. If no request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period may not be considered unless otherwise provided for in this contract.

The FSA reserves the right to in its sole discretion, elect to implement an optional term or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of the FSA.

Month-to-Month Continuation
In the event that a new contract is not active at the time of this contract's expiration, this contract's terms and conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

3.06 PRICE ADJUSTMENTS

This contract provides the following options for price adjustments:

- Annual Price Adjustments
- Changes to Production or Design
- Manufacturer Certified Adjustments
- Surcharges
- Equitable Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price and must be submitted as a percentage change. If a dollar amount is provided, FSA will calculate the percentage change.

Annual Price Adjustment

The FSA may consider annual price adjustments due to:

- Changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS); or
- As a result of any changes to national or state standards that require substantial price adjustments.

Changes resulting from PPI will be verified by the FSA, after the vendor requests a price adjustment under this provision and identifies the commodity code for each item as designated by the BLS.

In the event of changes to national or state standards, the vendor must present verifiable changes from the manufacturer in price to FSA. FSA may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the manufacturer. The FSA will consider the request and will make a final determination on the change in price.

For any price adjustment to commence annually or on the first day of the contract extension, the vendor's request for price adjustment should be submitted 60 (sixty) days prior to the annual execution of the contract or to the expiration of the contract extension.

Changes to Production or Design

Significant changes by the manufacturer to the production and item specification design may also initiate a price adjustment request. FSA will consider order dates, production cutoffs, conditions as provided for in Section 3.08, as well as replacement or complete redesign of items when considering significant changes to manufacturer production or design.

Manufacturer Certified Adjustments

Vendors must provide documentation from the manufacturer to FSA that shows a legitimate need for price adjustments.

Surcharges

Surcharges are increased costs that are imposed on awarded vendors for items sold on this contract. Surcharges can be related to the cost of materials, cost of transportation or shipping, or fees imposed by the governing entities. Since surcharges are imposed on awarded vendors, in order to request a price change, the vendor must document the origin of the surcharge.

The vendor must provide manufacturer or supplier certification documentation that identify the reason or cause for the surcharge to FSA in advance of assessing surcharges to a purchaser.

Surcharge After a Purchase Order is Issued

When a purchase order has been issued, the vendor may present a surcharge with all required documentation to the purchaser for consideration. The purchaser may accept or negotiate a reduction in the surcharge or reject the surcharge at their discretion.

Equitable Adjustments

The FSA may make an equitable adjustment to the contract terms or pricing at its discretion.

3.07 CONDITIONS

It is understood and agreed that any item offered or shipped as a result of this contract shall be the most current model offered.

3.08 PRODUCTION CUTOFF

Vendors shall notify the FSA in writing no less than sixty (60) calendar days prior to the close of final order date by the manufacturer when the final order date is during the term of the contract. Purchase orders received by the vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase orders issued and received after the production cutoff date will be subject to availability. In this case, the vendor and manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the contract term. If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the items, FSA may consider substitutions from the same manufacturer.

3.09 FACILITIES

The FSA reserves the right to inspect the vendor's facilities at any time with prior notice.

3.10 FACTORY-INSTALLED OPTIONS

All options specified as factory-installed are to be installed on the item at the primary site of assembly and is to be the manufacturer's standard assembly-line product. Aftermarket and vendor-installed equipment will not be accepted as factory-installed. Vendors found supplying aftermarket or vendor-installed equipment where factory-installed are specified shall be required to retrieve all delivered items and supply new items meeting the specifications.

All factory-ordered options are to be original equipment manufacturer (OEM) and installed at the primary site of assembly unless otherwise noted by the vendor and acknowledged in writing by the purchaser. Verbal agreements will not be recognized.

3.11 VENDOR-INSTALLED OPTIONS

All vendor-installed accessories, equipment, or options shall be installed according to the manufacturer's specifications. All vendor-installed options must be manufactured by an established manufacturer of the product

provided. Vendors are required to disclose make and model of product being offered, design, and model must be approved by the purchaser prior to installation. Prior to any purchase, the vendor must also disclose the warranty of any accessory, equipment or option that is less than or exceeds the factory or equipment warranty coverage. Any vendor that violates this provision will be considered in default of the contract. FSA may terminate the contract in accordance with these terms & conditions.

3.12 NON-SCHEDULED OPTIONS

A non-scheduled option is an option not listed on the FSA published award. Vendors may provide non-scheduled options at less than MSRP or the Published List Price. Non-scheduled options should be identified and listed as a separate line item with the price and discount on the purchase order. Non-scheduled options are covered under these terms and conditions.

3.13 AMBULANCE REMOUNT

Ambulance remount services may be offered by awarded vendors on this contract. Remount service providers shall maintain a minimum of $5,000,000 in Product Liability Insurance and a minimum of $1,000,000 in Professional Garage Keepers Liability Insurance. It is the responsibility of the vendor to maintain the insurance requirements under the Terms and Conditions. Proof of adequate coverage shall be provided to the purchaser upon request.

All remount service providers must be registered with National Highway Traffic Safety Administration (NHTSA) as a new vehicle manufacturer as required by law (49 CFR 571.7(e)). The remounter shall follow all recommended guidelines and practices as published and prescribed by the OEM chassis manufacturer for the chassis platform supplied. This includes:

1. Compliance with Federal Motor Vehicle Safety Standards (FMVSS);
2. Incomplete Vehicle Document (IVD) for appropriate chassis;
3. OEM Body Builder's Guide for appropriate chassis; and
4. Ford QVM Program Truck Guidelines or other OEM Chassis Upfitter programs.

The remounter must have financial strength to adequately support any warranty obligation provided to the customer and be able to verify this to the purchaser upon request. The warranty that shall be offered at a minimum to the customer shall be as follows:

1. The remounter shall warranty the ambulance and furnished equipment against parts failure or malfunction due to design, construction or installation errors, defective workmanship and missing or incorrect parts for a minimum period of 12 months or 12,000 miles (whichever occurs first) from date of acceptance, exclusive of any authorized driveaway mileage.

2. However, if the remounter received from any supplier or subcontractor additional warranty on the whole or any component of the ambulance, in the form of time and/or mileage, including prorated adjustments, or if the remounter generally extends to their customers a greater or extended warranty coverage, the purchaser shall receive corresponding warranty benefits.

The remounter must follow all recommended guidelines and requirements which apply to the new chassis, as well as application and installation of all components and equipment included in the remounted vehicle. This shall include suitability and generational compatibility of key components to meet both make and model year of chassis utilized.

The remounter shall perform the following series of steps to determine viability of the proposed remount vehicle prior to production:

1. The viability process shall include a visual inspection of ambulance body module for overall condition to determine suitability and feasibility for forward service life. This shall include the compatibility of the body to the proposed new chassis.
2. This viability process shall include, and the remounter shall provide, a Scope of Work document which shall include an itemized proposal to the customer and a notice of compliance to FMVSS requirements, as well as weight balance and payload analysis and projections. A minimum payload of 1,500 pounds is required.
3. The remounter shall inform the purchaser of any additional deficiencies or defects discovered during the production process and inform the purchaser immediately whereby remediation shall be mutually determined.

It is the responsibility of the vendor to certify that it has inspected the remounted module for structural integrity and will supply a statement that includes proof of the inspection process to the purchaser. The remounter shall have written work process documentation to substantiate each step of the production process for the remounted vehicle to include:

1. Evaluation and physical assessment of original vehicle;
2. Engineering analysis for major modifications such as change in chassis type or body mounts;
3. The actual production sequence and process; and
4. Written and verified quality control and function checks.

3.14 FORCE MAJEURE

A vendor shall not be penalized for a delay resulting from the vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the vendor's control, or for any of the foregoing that third party suppliers if no alternate source of supply is available to the vendor.

3.15 ORDER

To initiate a purchase, a purchase order must be issued to the vendor, which includes:

- FSA contract title and number;
- FSA item number, and the make and model or item description; and
- Purchaser name, phone number and email address.

The vendor's acceptance of a purchaser's order will indicate that the vendor agrees to deliver an awarded item that will be fully compatible with all options. Production schedules and delivery dates should be discussed at the time the quote is provided to the purchaser, or if no quote is provided, when the purchase order is delivered to the vendor. Vendor shall place the order with the manufacturer within 10 business days of receipt of the purchase order. The vendor shall assure that all orders are placed in full compliance with the specifications and the terms and conditions of the contract and the purchase order. Any changes that are required to bring an item into compliance with the various options due to an incorrect order will be accomplished at the vendor's expense.

A Confirmation of Order form shall be completed by the vendor and provided to the purchaser and FSA fifteen (15) calendar days from receipt of purchase order without request by the purchaser. Any additional information needed to complete this form should be obtained by the vendor from the purchaser.

If a vendor receives a purchase order for an item for which they were not awarded, the vendor must notify the purchaser and return the purchase order to the purchaser within three (3) business days.

Purchase orders may include additional terms and conditions established by the purchasing agency. When presented with a purchase order containing additional requirements beyond those established herein, the vendor may negotiate any additional requirements with the purchaser prior to accepting the purchase order.

3.16 DELIVERY

Vendors are to inspect the item to confirm the item meets or exceeds the FSA base item specification, manufacturer specification, and purchase order. Deliveries not complying with these requirements may be rejected and will have to be redelivered at vendor's expense.

Delivery shall be within the normal working hours of the user, Monday through Friday, excluding holidays. Delivery schedules shall be agreed to by the purchaser and the vendor. Vendor shall notify the purchaser no less than twenty-four (24) hours prior to delivery of the time and location, which shall reflect the mutually agreed upon delivery details. The vendor shall be responsible for delivering items that are properly serviced, clean and in first class operating condition. Items shall be delivered with each of the following documents completed or included:

- Copy of the purchase order
- Copy of the FSA base item specification
- Copy of manufacturer's Invoice, price sheet, build sheet or other documentation that verifies what components are included on the item being delivered
- Copy of the pre-delivery service report
- Registration warranty certification
- Owner's manual
- Registration, tag and title or an application for the registration, as applicable

All items with fuel tanks of thirty-five (35) gallons or less must contain no less than one quarter (1/4) tank of fuel as indicated by the fuel gauge at the time of delivery. For items that have more than thirty-five (35) gallons, a minimum of one eighth (1/8) of a tank of fuel must be provided.

Deliveries within 2,500 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws. Any delivery accomplished by driving fire rescue or emergency response vehicle must use an "OUT OF SERVICE" cover on light bars.

All deliveries in excess of 2,500 miles shall be approved by the purchaser. The purchaser has the option to reject a vehicle with more than 2,500 odometer miles, if not previously approved by the purchaser, or may deduct $0.51 cents per mile in excess of 2,500 miles from the invoice. This requirement also applies to redelivery of vehicles that were rejected upon initial delivery.

When items require service or adjustments upon delivery, the vendor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized representative or other service provider to remedy the defect. Such service or adjustments shall be initiated by the vendor within 48 hours after notification by a purchaser, not to include weekends and holidays. Delivery will not be considered complete until all services or adjustments are satisfactory, and the item is redelivered or repaired. The cost of any transportation required to address the defect shall be the responsibility of the vendor until the items are satisfactory and accepted by the purchaser.

3.17 INSPECTION AND ACCEPTANCE

Final acceptance shall be given only after the purchaser inspects or confirms the item meets contract specifications. Delivery of an item to a purchaser does not constitute acceptance for the purpose of payment. Inspection and acceptance will be at the purchaser's destination unless otherwise previously agreed upon location was provided in the purchase order. Should the delivered items differ in any respect from the item specifications, payment can be withheld until such time as the vendor completes the necessary corrective action.

3.18 REGISTRATION, TAG AND TITLE

Title items shall be the responsibility of the vendor. If the purchaser is a government agency, the purchaser has the right to choose to register and title the item. Costs of registration, tag and title shall not exceed the statutory rates. FSA administrative fee does not apply to the cost of registration, tag and title.

3.19 CAB AND CHASSIS PURCHASES

Vendors performing upfitting of cab and chassis should be licensed and certified to perform such work. Vendors are responsible for tag and title work if the chassis is completed by the vendor or the vendor's contracted third-party supplier. The requirements of Florida Statute 319.21 related to the manufacturer statement of origin apply to cab and chassis purchases.

3.20 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the vendor and purchaser placing orders using this contract. Vendors must invoice each purchaser independently. The vendor shall be paid upon submission of invoices to the purchaser after satisfactory delivery and acceptance of the items. The Local Government Prompt Payment Act will apply to ensure timely payment of vendor invoices. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79 of Florida Statutes.

3.21 WARRANTY

All warranties shall begin at the time of delivery and final acceptance by the purchaser. The purchaser's warranty should not be active for incomplete items and items delivered to a third-party supplier before final delivery.

3.22 PURCHASE ORDERS

The vendor must submit electronic copies of purchase orders within fifteen (15) calendar days of the purchase order issue date. Emails shall be sent to coop@flsheriffs.org. Purchase orders received by the vendor after this deadline must be submitted to FSA as soon as possible with the date received by the vendor and cause for the delay. Purchase orders should contain the following information:

- Purchaser name
- Purchase order number
- Purchase order issue date
- FSA contract title and number
- Item number
- Item make and model, or item description
- Item price
- Estimated delivery date.

Purchase orders vary in format and information provided. If a purchase order does not include the above information, the vendor may submit supplemental documentation to FSA at the same time the purchase order is due. Such information may be in bid quotes, equipment proposals, confirmation of orders, or other documents. If a purchaser does not use purchase orders, written communication from the purchaser to the vendor will be provided to FSA.

3.23 QUARTERLY REPORTS

Quarterly reports are the contractual responsibility of each vendor. Quarterly reports must be completed and submitted electronically. All quarterly reports shall be sent to reports@flsheriffs.org. The quarterly report template shall be submitted using an Excel workbook provided by FSA. Quarterly reports which do not adhere to the required format or are not complete of all purchase orders received and/or deliveries made during the quarter will be returned to the reporting vendor for correction.

Quarterly reports are due no later than the 15th day of the month following the end of the quarter. Quarterly reports shall follow the schedule below for the duration of the contract. If a contract extension is executed, the quarterly reports will maintain the same schedule for future reporting periods.

Quarterly reports should follow this schedule:

Contract Year 1: April 1, 2023 – March 31, 2024

Year 1 Quarter 1	April 1 – June 30	July 15
Year 1 Quarter 2	July 1 – September 30	October 15
Year 1 Quarter 3	October 1 – December 31	January 15
Year 1 Quarter 4	January 1 – March 31	April 15

Contract Year 2: April 1, 2024 – March 31, 2025

Year 2 Quarter 1	April 1 – June 30	July 15
Year 2 Quarter 2	July 1 – September 30	October 15
Year 2 Quarter 3	October 1 – December 31	January 15
Year 2 Quarter 4	January 1 – March 31	April 15

If a contract extension or renewal option are executed, the quarterly reports will maintain the same schedule for future reporting periods.

Quarterly reports must be submitted even if there are no sales or no deliveries in a quarter. If a vendor has no sales within a quarter, the vendor shall indicate “No sales this quarter” on the top row of the sales worksheet. If the vendor has no deliveries in a given quarter, the vendor shall indicate “No deliveries this quarter” on the top row of the delivery worksheet.

FSA reserves the right to modify the procedure for submitting quarterly reports during the term of the contract. Such a change shall not materially modify the substance of the information to be reported, but may change the method by which future quarterly reports are to be submitted. In the event of such a change, FSA will provide written notice to all vendors of the method by which future quarterly reports are to be submitted.

3.24 ADMINISTRATIVE FEE

The FSA charges three quarters of one percent (.0075) to procure, process and administer the contract. The administrative fees are the contractual responsibility of each awarded vendor.

After receipt of payment from contract purchases, the vendor shall remit all administrative fees to the FSA no later than 15 calendar days after the end of each quarter. All fees payable to the FSA during any given quarter will be accompanied and supported by a quarterly report.

The administrative fee will remain payable to FSA and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any purchase order or invoice.

The administrative fee is based on the total purchase order amount of new items. This fee excludes any value given to purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

Florida Sheriffs Association
Cooperative Purchasing Program
2617 Mahan Drive
Tallahassee, FL 32308

3.25 LIQUIDATED DAMAGES

The vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered as a breach of contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA within 15 calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of $25 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

When quarterly reports are late, liquidated damages are to be included in vendor's Quarterly Report and administrative fee submission. Liquidated damages that remain unpaid beyond 45 calendar days can result in FSA, at its sole discretion, implementing contract compliance actions, including but not limited to, suspension, limited participation by item specifications, disqualification from future solicitations, or termination for cause pursuant to the Terms & Conditions.

Schedule of Liquidated Damages

Failure to submit quarterly report on time	$25 per calendar day
Failure to submit administrative fee on time	$25 per calendar day

Failure to report a Purchase Order to FSA within 15 calendar days of the purchase order issue date	$100 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA for the damages that it will incur as a result of the vendor's failure to take the specified actions.

Appendix A: Bid Calendar

FSA23 - Fire & Rescue Bid Calendar	
Bid Calendar Task	**Date**
Invitation to Bid Announcement (ITB)	10/11/2022
Registration for Workshop & Pre-bid Open	11/1/2022
Voluntary Workshop for Interested Bidders; Review Specifications	12/5/2022
New Specification requests due	12/16/2022

www.flsheriffs.org

TO: All Customers of the Florida Sheriffs Association

SUBJECT: Florida Sheriffs Association is going paperless!

Our association is pleased to announce the implementation of accepting electronic payments from customers. If your agency or company is able to pay via ACH, please consider adding the Florida Sheriffs Association to your list of vendors paid via electronic payment.

Florida Sheriffs Association's Banking Information is as follows:

Checking Account
Capital City Bank
Routing Number: 063100688
Account Number: 0010867001

Please email any payment remittance information to accounting@flsheriffs.org.

If you choose to make ACH payments to the association, there is no additional charge. However, the information above can be used to pay with a wire transfer. If you choose to pay via wire, there is a charge of $25 per wire that you will need to add to your payment.

If you have any questions at all, please contact Trish Eldridge at teldridge@flsheriffs.org. or call (850) 559-5668.

Sincerely,

Trish Eldridge

Director of Accounting and Finance
Florida Sheriffs Association

Appendix C: Federal Clauses

APPLICABILITY OF THIRD PARTY CONTRACT PROVISIONS*

(excluding micro-purchases, except Davis-Bacon requirements apply to construction contracts exceeding $2,000)
In addition to other provisions negotiated with purchasers placing federally funded purchase orders, Vendors must comply with the following provisions upon award of a federally funded purchase order:

PROVISION	Professional Services/A&E	Operations/ Management	Construction	Materials & Supplies
Equal Employment Opportunity			All	
Davis-Bacon Act			>$2,000	
Copeland "Anti-Kickback" Act			>$2,000	
Contract Work Hours and Safety Standards Act	>$100,000	>$100,000	>$100,000	>$100,000
Rights to Inventions Made Under a Contract or Agreement	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work
Clean Air Act	>$150,000	>$150,000	>$150,000	>$150,000
Federal Water Pollution Control Act	>$150,000	>$150,000	>$150,000	>$150,000
Debarment and Suspension	All	All	All	All
Byrd Anti-Lobbying Amendment	>$100,000	>$100,000	>$100,000	>$100,000
Procurement of Recovered Materials	All	All	All	All
Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment	All	All	All	All
Domestic Preferences for Procurements	All	All	All	All

*References to the code of regulations (CFR) or United States Code (USC) were accurate at the time of publication. It is the responsibility of the bidder to ensure compliance is met of the referenced state and federal laws within the published rules.

EQUAL EMPLOYMENT OPPORTUNITY: Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The clause set forth in 41 CFR 60-1.4(b) is incorporated herein by reference. Vendor must comply with this clause and include this clause in all lower-tier federal assisted construction contracts.

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance

with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 CFR part 5).
(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of $29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.
(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).
(d) Subcontracts. Vendor shall insert in any subcontracts over $100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a

purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over $150,000.

DEBARMENT AND SUSPENSION (E.O.s 12549 and 12689): By accepting or performing this purchase order, Vendor certifies that it is not identified in the Exclusions area of the System for Award Management as being currently debarred, suspended, proposed for debarment, or otherwise excluded ("SAM Exclusion"). Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of $25,000 and Vendor shall not award lower-tier subcontracts in excess of $25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of $100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT:
(a) Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

(1) Procure or obtain;

(2) Extend or renew a contract to procure or obtain; or

(3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:

(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Vendor agrees to comply with the requirements of this clause and include the requirements of this clause in all subawards including all contracts and purchase orders for work or products under this award.

(b) For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

FSA Cooperative Purchasing Program

FLORIDA
SHERIFFS ASSOCIATION
COOPERATIVE
PURCHASING PROGRAM

FSA23-VEF17.0:

Fire & Rescue Vehicles, Boats, & Equipment

Awarded Vendor Contract Signature Pages

1525

Florida Sheriffs Association (FSA) has completed its 17th year of the cooperative purchasing fire and rescue contract. FSA is issuing the Notice of Final Award for contract FSA23-VEF17.0: Fire & Rescue Vehicles, Boats, & Other Equipment that will be effective from April 1, 2023, through March 31, 2025. This year's bid included 739 items. The contract will offer fire apparatus, rescue apparatus, fire rescue and patrol boats, outboard engines, ambulances, emergency transport utility vehicles, and battery powered rescue tools.

The following pages are the submitted contract signature pages from the awarded vendors. The contract signature page is submitted within the Bidder Qualification Packet for the bid. By submitting a response to this Invitation to Bid and signing this form, the bidder declares that he or she has read, and the company understands, accepts and will comply with the terms, conditions and specifications of this bid and any addenda issued. The failure or omission to review this document shall in no way relieve the authorized agent of obligations with respect to this bid. The submission of a bid and signature below shall be taken as evidence of acceptance of the terms and conditions of this bid.

The bidder further declares that no other persons other than the authorized agent herein named has any interest in this bid or in the contract to be taken, and that it is made without any connection with any other person or persons making proposal for the same article and is in all respects fair and without collusion or fraud.

The bidder further declares that they have carefully examined the specifications and is thoroughly familiar with its provisions and with the quality, type and grade of materials required.
The bidder further declares that they have provided a discount on all factory options included in this bid, and such discount will be included in all purchase orders.

The contract signature page may be handwritten or signed digitally. The forms that contained a digital signature have been noted as such.

CONTRACT SIGNATURE FORM

By submitting a response to this Invitation to Bid and signing this form, the bidder declares that he or she has read, and the company understands, accepts and will comply with the terms, conditions and specifications of this bid and any addenda issued. The failure or omission to review this document shall in no way relieve the authorized agent of obligations with respect to this bid. The submission of a bid and signature below shall be taken as evidence of acceptance of the terms and conditions of this bid.

The bidder further declares that no other persons other than the authorized agent herein named has any interest in this bid or in the contract to be taken, and that it is made without any connection with any other person or persons making proposal for the same article, and is in all respects fair and without collusion or fraud.

The bidder further declares that they have carefully examined the specifications and is thoroughly familiar with its provisions and with the quality, type and grade of materials required.

The bidder further declares that they have provided a discount on all factory options included in this bid, and such discount will be included in all purchase orders.

The bidder further declares that the company understands the financial responsibility associated with this bid as stated and further declares that it has the ability to meet the financial responsibility associated with this bid.

The bidder further declares that the company will furnish the items awarded for the price bid.

FSA23-VEF17.0:

Fire & Rescue Vehicles, Boats, & Equipment

Item Group Specifications

1537

Item Groups Summary

All items factory installed unless otherwise indicated. All bids shall meet the manufacturer's base item standard equipment and the minimum specifications of the base item bid.

Fire Vehicles

- Airport Rescue Fire Fighting (ARFF) Apparatus*
- Electric Vehicle (EV) Pumper*
- Fire Apparatus - Initial Attack
- Medium Duty Rescue Apparatus
- Mid Mounted Aerial Apparatus
- Mid Mounted Aerial Platform
- Mobile Water Supply Fire Apparatus – Single or Dual Axle
- Pumper Commercial 2-Door
- Pumper - Level 1 Custom 4 Door Chassis
- Pumper - Level 2 Custom 4 Door Chassis
- Rear Mounted Aerial Apparatus
- Rear Mounted Aerial Platform
- Rescue Apparatus - Heavy
- Rescue Apparatus - Walk-In
- Tractor-Drawn Aerial Apparatus
- Wildland Fire Apparatus

Fire & Rescue Equipment

- Battery Powered Rescue Tools*
- Emergency Transport Utility Vehicles*
- Fire Rescue, EMS, and Patrol Boats*
- Outboard Engines *
- Personal Watercraft*

Ambulance Vehicles

- Type I Ambulance: 4x2 Wheel Drive (4x4 Wheel Drive Optional), Regular Cab, Diesel Engine
- Type I Ambulance: 4x2 Wheel Drive (4x4 Wheel Drive Optional), Medium Duty Regular Cab, Diesel Engine
- Type II Ambulance: 4x2 Wheel Drive, Van, Gas Engine
- Type III Ambulance: 4x2 Wheel Drive, Cutaway Van, Gas Engine
- Type III Ambulance: 4x2 Wheel Drive, Cutaway Van, Diesel Engine

**Indicates that this is a new item specification group as of 2023*

Airport Rescue Fire Fighting Apparatus (ARFF)

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards and any other referenced NFPA standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards (where applicable). USDOT /FAA procurement specification AC 150/5220-10E. When requested by the purchaser, Vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient GVWR to safely accommodate all options selected by the purchaser. Bidders to bid Classes of ARFF that they produce.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, GVWR, angle of approach, and angle of departure
- Component manufacturers certificates supplied electronically
- Operational test data sheets electronically
- Product warranties
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of Operator and Service Manuals shall be provided to the purchaser at the time of delivery
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Power Train

- Engine certified by manufacturer for the application
- Transmission certified by manufacturer for the application

Fire Pump & Plumbing

- Centrifugal pump meeting the requirements of current NFPA standards

Apparatus Body

- Shall be corrosion resistant
- Minimum of 10 cubic feet of enclosed storage space
- Water tank /AFFF Sized based on AC 150/5220-10E meeting current NFPA standards

Emergency Warning

- Fully compliant with current NFPA standards/AC 150/5210-5
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency warning lights, rear, stop/turn/back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene and interior dome lights to be LED

Paint Finish/Reflective Striping

- Paint as required by 150/5220-10E
- Striping as required by 150/5220-10E

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year fire pump warranty
- Lifetime booster tank

Electric Vehicle (EV) Pumper

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient GVWR to safely accommodate all options selected by the purchaser. Vender must submit minimum power requirement needed for vehicles charging system.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specifications. Vendor must specify single or dual axle.
- Approval of drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Pump test certification by independent third party
- Water tank capacity certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi heat treated steel frame rail system
- Heavy duty 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 4200 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Power Train

- Primary drive shall be electric motor supplied power from onboard rechargeable EV batteries.
- Secondary drive/range extender shall activate when battery reaches a state of charge no lower than 15%
- Run time as required by current NFPA standards
- Secondary braking as specified by current NFPA standards
- Fuel tank 30-gallons minimum
- Engine exhaust vertical, where possible
- Secondary drive/APU shall have OEM oil and fuel filters

Vehicle Charging

- Daily use charger will need to be obtained from a third-party vendor. Awarded vendors must provide proper guidance for selection of charger to be used. Purchasers may consult the FSA22-PWR1.0 Electric Vehicle Charging contract for additional charging options.

Fire Pump & Plumbing

- 1,250 GPM pump per current NFPA standards
- One 3" deck gun discharge
- Four 2.5" discharge outlets (includes one (1) rear 2-1/2" discharge)
- One 2.5" suction inlet on left pump panel
- Two 6" steamer inlets with caps
- Discharge relief valve or electronic pressure governor.
- Inlet pressure relief valves
- Two 1.5" crosslays with 2" piping
- One 3" tank to pump line
- One 1.5" tank fill line
- 30-degree turn downs
- Anti-vibration gauges
- Color coded pump panel tags
- Stainless steel plumbing with 10-year warranty
- Side mount pump panel with all pump controls, instruments, and gauges located on the driver's side pump panel (not in a compartment)
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Cab

- Manufacturer's standard medium length tilt aluminum cab.
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, equipped with seat belt/occupant detection/warning system.
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors, from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report (if applicable)
- Minimum four (4) 750 CCA batteries (if applicable)
- Load manager with automatic high idle function (if applicable)
- Dual air horns with dual in-cab controls

Lights And Sirens

- NFPA compliant upper and lower-level warning light package
- Electronic 100-watt siren, minimum; 100-watt siren speaker, minimum
- Two (2) rear deck lights
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Minimum of three (3) compartments driver side of body, full height compartments-two (2) adjustable shelves per compartment
- Minimum of two (2) low side compartments right side of body-one (1) adjustable shelf per compartment
- Lights in compartments to meet current NFPA standards
- One (1) full height, full depth compartment rear of body, one (1 adjustable shelf per compartment
- Back up alarm
- Right side brackets for 24 ft. 2-section, 14 ft. roof, 10ft. attic ladders and 2 pike poles, ladders to be included
- Hose bed with hose restraints to be NFPA compliant; including one (1) adjustable divider

- Steps and handrails for climbing from ground to hose bed – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Two (2) rear deck lights
- Rub rail along each side of body and rear of body
- No less than four (4) self-contained breathing apparatus (SCBA) bottle storage compartments
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels
- Minimum 4-inch reflective stripe on cab and body, chevron striping on rear of body per current NFPA standards

Water Tank

- Minimum 500-gallon poly tank
- NFPA compliant fill tower

Compartments

- Manufacturer will submit cubic feet and size of compartments with bid

Paint Finish/Reflective Striping

- Cab and body to be painted single tone - excludes stainless steel not painted
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year fire pump warranty
- Lifetime booster tank
- EV Battery (Batteries) 5 years

Fire Apparatus - Initial Attack

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings to be provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Commercial Chassis (2 Door or Crew Cab)

- Cab to axle – 60 inches or more
- Gross vehicle weight rating (GVWR) – 19,500 lbs.
- Heavy service suspension
- Turbo diesel engine
- Manufacturer's standard front and rear axles
- Power steering
- Tires – all season with steel wheels
- Alternator(s) meeting 12-volt system requirements
- Battery system to meet 12-volt system requirements
- OEM fuel tank, largest available – minimum 40 gallon
- Front tow hooks
- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.

Power Train

- Turbo diesel engine
- Automatic transmission
- Limited slip differential, if available as standard equipment

2 Door or Crew Cab

- 2-door seating for a minimum of (2) passengers; crew-cab seating for a minimum of four (4) passengers; vinyl split-bench seat
- Single tone cab paint finish with OEM standard paint warranty
- Air conditioning and heating
- Power Mirrors with separate flat and convex sections – extended trailer towing mirrors
- Dual type headlights
- Forward facing turn and warning lights
- Minimum two (2) under cab step lights
- Engine compartment light

- Slip resistant running boards under cab doors per current NFPA standards

Fire Pump & Plumbing

- Minimum 500GPM water pump with in-cab interlocked pump shift for pump engagement
- Primer
- Lighted pump control panel
- Electronic pressure governor
- Pump cooler or recirculation line
- Minimum 4.5-inch suction inlet
- 2.5-inch suction gated for drafting
- 1.5-inch tank fill
- Three (3) 2.5-inch discharge
- Gauge package: Water level indicator, dual master pressure/vacuum gauges, 2-inch discharge pressure gauges
- Maximum sized polypropylene booster tank allowable; not to exceed OEM gross vehicle weight rating (GVWR)
- 3-inch tank to pump connection
- Minimum 8-inch square fill tower with minimum 4-inch overflow tube

Apparatus Body

- Bidders to bid on each of their offered construction types:
- Extruded aluminum
- Formed aluminum
- Formed galvanneal steel
- Formed stainless steel
- Modular Compartments minimum of two (2) per side
- Bidders to state thickness, alloys and construction methods of all materials used in body construction
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- NFPA minimum lighting in each compartment
- Backup alarm
- Tailboard and/or stirrup type step for climbing from ground to rear of truck – bidders to state exact design
- Lights at each step
- Stop, turn, backup lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- No wood used in mounting

Emergency Warning

- Fully compliant with current NFPA standards, Initial Attack Fire Apparatus
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- NFPA required reflective striping

Warranty To Be Provided by Vendor to Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- Five (5) year engine
- Five (5) transmission
- OEM chassis manufacturer's standard warranty
- Lifetime booster tank warranty
- Five (5) year fire pump warranty
- Cab & chassis standard manufacturer paint warranty
- Body 10-year paint warranty- pro-rated
- Five (5) year corrosion perforation on body

Medium Duty Rescue Apparatus

In all areas of this specification bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Vehicle orientation as outlined in current NFPA standards
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Commercial 2-Door Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase
- Two-wheel drive; minimum 108-inch cab to axle
- 110,000 psi heat treated steel frame rail system
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Chrome or stainless-steel front bumper
- Tow hooks or eyes front and rear attached to the frame
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Minimum 13.2 cubic ft. per minute (cfm) gear driven air compressor
- Air dryer, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel, if available

Powertrain

- Minimum 330 horsepower turbocharged diesel engine emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary engine braking
- Drivelines to meet engine torque rating
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

2-Door Cab

- Seating for minimum of two (2) passengers, seats with NFPA compliant seat belts and seat belt warning system
- NFPA compliant 12-volt switches and instruments
- Air conditioning and heating
- Engine compartment light
- Single tone cab paint finish with OEM standard paint warranty
- Driver remote controlled mirrors with separate flat and convex sections
- Dual type headlights
- Forward facing turn and warning lights
- Minimum two (2) under cab step lights
- Cab and compartment door ajar light and buzzer
- Engine compartment light
- Alternator to meet the requirements of amp draw report.
- Minimum two (2) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls
- 110-volt battery charger receptacle near driver's door

Apparatus Body

- Bidders to bid on each of their offered construction types:
    - Extruded aluminum
    - Formed aluminum
    - Stainless Steel
- Minimum 14 ft. body length outside length, do not include rear step in 14 ft. calculation of body length; non-walk-in type
- Body compartments shall be configured:
    - Minimum of 10 shelves total. Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
    - Minimum one (1) transverse compartment forward of rear wheels; must use all available space forward of rear wheels
    - One (1) transverse compartment over rear axle each side
    - One (1) full depth/full height compartment behind rear axle one each side
    - One (1) full height as deep as possible compartment on rear of body
    - Compartment lights per current NFPA standards
- License plate light
- One pair of 12-volt rear body upper scene lights per current NFPA standards

Emergency Warning

- NFPA upper and lower warning light package
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- NFPA required reflective striping

Warranty To Be Provided by Vendor to Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM chassis manufacturer's standard warranty
- 10-year paint on body pro-rated
- Five (5) year engine
- Five (5) year transmission
- Cab & Chassis standard manufacturer paint warranty
- Body 10-year paint warranty- pro-rated
- Five (5) year corrosion perforation on body

Mid Mounted Aerial Apparatus

Bidders may and are encouraged to bid multiple lengths as long as specifications are met to provide more flexibility and choices to meet purchaser needs.

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Three (3) days of training by employee of manufacturer
- Pump test certification by independent third party
- Water tank capacity certification by independent third party
- Aerial non-destructive, waterway flow test, performance, and stability testing by independent third party
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner
- 6-inch minimum extended front bumper polished stainless steel with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Minimum 450 horsepower turbocharged diesel engine emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary braking to meet current NFPA standards

- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors, from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Aerial Apparatus – Aluminum or Steel

- Aerial shall meet or exceed all sections of current NFPA standards
- Ladder material: aluminum or steel
- Mid-mounted configuration
- Minimum 2 section aerial per NFPA requirements
- Rated horizontal reach per NFPA requirements
- Rungs shall meet all aspects of current NFPA standards
- Rungs equipped with a slip resistant surface meeting current NFPA standards
- Rungs spacing meeting current NFPA standards
- Turntable with pedestal mounted controls meeting current NFPA standards
- Aerial rated load capacity not flowing water: 500 lbs. minimum in addition to equipment mounted at tip of ladder
- Aerial rated load capacity while flowing 1,000 gallons per minute (GPM) with monitor at the ladder tip: 500 lbs. minimum in addition to equipment mounted at tip of ladder
- Rated load capacities shall meet or exceed current NFPA standards
- The aerial shall be rated in multiple configurations per current NFPA standards
- Extend/retract, rotate and hydraulic or electric over hydraulic controls meeting current NFPA standards
- Hydraulic pressure gauge at turntable controls

- Illuminated Angle of Elevation Indicator meeting current NFPA standards
- Flowmeter on pump panel meeting current NFPA standards
- All aerial control devices shall meet current NFPA standards
- Fall protection provisions shall be provided
- Bidders to state type of stabilizers and overall stabilizers spread
- Aerial shall meet structural safety factors in accordance with current NFPA standards
- Aerial shall meet NFPA stability safety factors
- Lighted turntable area
- The aerial manufacturer, the company that manufacturers the entire aerial device, shall maintain a Quality Control Program in accordance with current NFPA standards
- Special attention shall be paid to meeting all safety requirements per current NFPA standards
- Aerial shall be fully tested and certified by third party certified testing company per current NFPA standards
- 2-way intercom system between aerial tip and turntable control pedestal
- Minimum 1,000 GPM waterway system meeting NFPA controls for nozzle at fly section and turntable control pedestal, with manual pinned waterway or remote-control moveable waterway
- Minimum 3-inch waterway discharge with 3-inch valve with hand-wheel or electric control on pump panel
- Minimum 4-inch waterway inlet (non-gated) on rear or on side of body per current NFPA standards
- Waterway relief valve and minimum 1.5-inch drain
- Stabilizer controls and stabilizer to aerial controls mounted on left side of body or at the rear of the apparatus.
- One (1) high intensity spotlight on ladder tip. Two (2) high intensity flood lights on ladder base.
- If painted finish on steel or galvanized steel aerial – bidder shall provide copy of paint warranty on aerial
- Instruction plates and signs must be installed per current NFPA standards

Fire Pump & Plumbing

- Minimum 1,250 gallons per minute (GPM) pump as rated per current NFPA standards. Pump shall be capable to achieve rated aerial flow without exceeding design performance.
- Air or electric operated pump shift
- Discharge pressure relief valve or electronic pressure governor
- Intake pressure relief valve
- Master drain valve
- Electric dry type or air primer
- Pump panel lights, three (3) each side
- Pump compartment light
- OK to pump lights in cab and at pump panel
- Engine cooler
- Pump cooler
- Two (2) 6-inch steamers, one (1) on side panel
- 2.5-inch left side gated suction
- 1.5-inch tank fill
- Two (2) 2-inch cross-lay hose beds over the pump compartment
- Two (2) 2.5-inch left side discharges
- Two (2) 2.5-inch right side discharges

- Stainless steel schedule 10 piping with 10-year warranty
- Panel gauge package: water tank level, tach, oil pressure, water temperature, voltmeter, light and alarm system
- Minimum 300-gallon polypropylene booster tank with lifetime warranty
- 3-inch tank to pump connection
- Minimum 10-inch x 8-inch fill tower with minimum 4-inch overflow tube
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Apparatus Body

- Bidders to bid on each of their offered construction types:
    - Extruded aluminum
    - Formed aluminum
    - Formed galvanneal steel
    - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- Back up alarm
- Ladder storage for minimum 85 ft. NFPA ground ladders, ladders to be included
- Rear pike pole storage for minimum of six (6) pike poles fully enclosed at rear of apparatus
- Slide out pump operator platform
- Hose bed with hose restraints to be NFPA compliant
- Steps and handrails for climbing from ground to turntable – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren/PA with minimum 100-watt speaker recessed in bumper
- All emergency lights, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- 20-year aerial structural
- Lifetime frame warranty
- Two (2) year front axle
- Two (2) year rear axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump
- Lifetime booster tank

Mid Mounted Aerial Platform

Bidders may and are encouraged to bid multiple lengths as long as specifications are met to provide more flexibility and choices to meet purchaser needs.

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Three (3) days of training by employee of manufacturer
- Pump test certification by independent third party
- Water tank capacity certification by independent third party
- Aerial non-destructive, waterway flow test, performance and stability testing by independent third party
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner
- 6-inch minimum extended front bumper polished stainless steel with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Minimum 450 horsepower turbocharged diesel engine, emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary braking to meet current NFPA standards
- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab meeting
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors, from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Aerial Platform – Aluminum or Steel

- Aerial shall meet or exceed all sections of current NFPA standards
- Ladder material: aluminum or steel
- Mid-mounted configuration
- Minimum 3 section aerial per NFPA requirements
- Rated horizontal reach per NFPA requirements
- Rungs shall meet all aspects of current NFPA standards
- Rungs equipped with a slip resistant surface meeting current NFPA standards
- Rungs spacing meeting current NFPA standards
- Turntable with pedestal mounted controls meeting current NFPA standards
- Aerial rated load capacity not flowing water: 1000 lbs. minimum in addition to equipment mounted in platform
- Aerial rated load capacity while flowing 1000 gallons per minute (GPM): 500 lbs. minimum in addition to equipment mounted in platform
- Rated load capacities shall meet or exceed current NFPA standards
- The aerial shall be rated in multiple configurations per current NFPA standards
- Extend/retract, rotate and hydraulic or electric over hydraulic controls meeting current NFPA standards
- Hydraulic pressure gauge at turntable controls
- Illuminated Angle of Elevation Indicator meeting current NFPA standards
- Flowmeter to be mounted at pump panel or turntable pedestal
- All aerial control devices shall meet current NFPA standards
- Man-saver gate or similar fall protection provisions at top of pedestal.
- Bidders to state type of stabilizers and overall stabilizers spread
- Aerial shall meet structural safety factors in accordance with current NFPA standards

- Aerial shall meet NFPA stability safety factors
- Lighted turntable area
- The aerial manufacturer, the company that manufacturers the entire aerial device shall maintain a Quality Control Program in accordance with current NFPA standards
- Special attention shall be paid to meeting all safety requirements per current NFPA standards
- Aerial shall be fully tested and certified by third party certified testing company per current NFPA standards
- 2-way intercom system between ladder tip and turntable control pedestal
- Minimum 1,000 gallons per minute (GPM) waterway system meeting current NFPA standards with remote control nozzle (controls in platform and at turntable control pedestal)
- Minimum 3-inch waterway discharge with 3-inch valve with hand-wheel or electric control on pump panel
- Minimum 4-inch waterway inlet (non-gated) on rear or on side of body per current NFPA standards
- Waterway relief valve and minimum 1.5-inch drain
- Stabilizer controls and stabilizer to aerial controls mounted on left side or rear of apparatus body
- One (1) high intensity spotlight on ladder tip
- Two high intensity flood lights on ladder base
- Painted finish on steel or galvanized steel aerial-bidder shall provide copy of paint warranty on aerial
- Instruction plates and signs must be installed per current NFPA standards
- The platform constructed of heat reflecting reinforced aluminum. The platform shall have a minimum floor area of 14 square ft. and be provided with closed sides, 45-inch high all around
- The platform shall be completely enclosed along the floorboard to protect occupants
- Two (2) lightweight deck monitors installed

Fire Pump & Plumbing

- Minimum 1,250 gallon per minute (GPM) pump as rated per current NFPA standards (pump shall be capable to achieve rated aerial flow without exceeding design performance)
- Air or electric operated pump shift
- Discharge pressure relief valve or electronic pressure governor
- Intake pressure relief valve
- Master drain valve
- Electric dry type or air primer
- Pump panel lights, three (3) each side
- Pump compartment light
- OK to pump lights in cab and at pump panel
- Engine cooler
- Pump cooler
- Two (2) 6-inch steamers, one on side panel
- 2.5-inch left side gated suction
- 1.5-inch tank fill
- Two (2) 2-inch cross-lay hose beds over the pump compartment
- Two (2) 2.5-inch left side discharges
- Two (2) 2.5-inch right side discharges
- Stainless steel schedule 10 piping with 10-year warranty
- Panel gauge package: water tank level, tach, oil pressure, water temperature, voltmeter, light and alarm system

- Minimum 300-gallon polypropylene booster tank with lifetime warranty
- Minimum 3-inch tank to pump connection
- Minimum 10-inch x 8-inch fill tower with minimum 4-inch overflow tube
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- Back up alarm
- Ladder storage for minimum 85 ft. NFPA ground ladders, ladders to be included
- Rear pike pole storage for minimum of six (6) pike poles fully enclosed at rear of apparatus
- Slide out pump operator platform
- Hose bed with hose restraints to be NFPA quint compliant
- Steps and handrails for climbing from ground to turntable – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B / D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren/PA with minimum 100-watt speaker recessed in bumper
- All emergency lights, stop, turn, back-up lights, DOT clearance, pump panel,
- compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- 20-year aerial structural

- Lifetime frame warranty
- Two (2) year front axle
- Two (2) year rear axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump
- Lifetime booster tank

Mobile Water Supply Fire Apparatus – Single or Dual Axle

In all areas of this specification bidders must comply with current National Fire Protection Association (NFPA) standards, mobile water supply Chapter 7, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. The intent of the mobile water supply specification is for all bidders to bid a mobile water supply vehicle with as much side and rear compartmentation as possible; equipped with an apparatus body, hose-bed, and pump module that are separate of the water tank. The hose-bed shall be integral to the apparatus body. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specifications. Vendor must specify single or dual axle.
- Approval of drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Pump test certification by independent third party
- Water tank capacity certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Commercial 2-Door Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- Two-wheel drive
- 110,000 psi heat treated steel frame with full length inner C-channel liner
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Chrome or stainless-steel front bumper
- Tow hooks or eyes front and rear attached to the frame
- Front and rear mud flaps
- S-cam air brakes, as large as possible, with automatic slack adjusters
- Minimum 13.2 cubic feet per minute (cfm) gear driven air compressor
- Air dryer, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel, if available

Powertrain

- Minimum 330 horsepower turbocharged diesel engine emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary engine braking to meet current NFPA standards
- Drivelines to meet engine torque rating
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank

- OEM oil, fuel, transmission filters

2-Door Cab

- Minimum seating for two (2) – with NFPA compliant seat belts and seat belt warning system
- NFPA compliant 12-volt switches and instruments
- Air conditioning and heating
- Engine compartment light
- Dome/step lights meeting current NFPA standards
- Single tone cab paint finish with OEM standard paint warranty
- Driver remote controlled mirrors with separate flat and convex sections
- Dual type headlights
- Forward facing turn and warning lights
- Minimum two (2) under cab step lights
- Cab and compartment door ajar light and buzzer
- Alternator to meet the requirements of the amp draw report
- Minimum two (2) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls
- 110-volt battery charger receptacle near driver's door

Fire Pump & Plumbing

- Minimum 500 gallons per minute (GPM) midship mounted PTO pump per current NFPA standards
- Discharge pressure relief valve or electronic pressure governor
- Intake pressure relief valve
- Master drain valve
- Electric dry type or air primer
- Pump panel lights, three (3) each side
- Pump compartment light
- OK to pump lights in cab and at pump panel
- Engine cooler
- Pump cooler
- One (1) 4-inch minimum steamer, on left side panel
- 2.5-inch left side gated suction
- 2-inch tank fill pump to tank fill
- Direct gated external tank fills meeting current NFPA standards
- Two (2) 2-inch cross-lay hose beds with 1.5-inch connection over the pump compartment
- One (1) 2.5-inch left side discharge
- One (1) 2.5-inch right side discharge
- Stainless steel piping with 10-year warranty
- Panel gauge package: water tank level, tach, oil pressure, water temperature, voltmeter, light and alarm system
- Side mount pump panel with gauges and all pump controls on driver side pump panel
- Minimum 1800-gallon polypropylene booster tank with lifetime warranty
- 3-inch tank to pump connection
- Minimum 10-inch x 8-inch fill tower with minimum 4-inch overflow tube
- Rear tank dump valve with 3-way dump capability

Apparatus Body

- Bidders to bid on each of their offered construction types:

  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Hard suction rack for two (2) lengths 10 ft x 4-inch minimum of hard suction
- Compartments: low side compartments both sides of body forward or after rear wheels; bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- One shelf minimum per compartment
- Back up alarm
- Hose bed with hose restraints to be NFPA compliant; including one (1) adjustable divider
- Steps and handrails for climbing from ground to hose bed – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body and rear of body
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B / D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren with 100-watt siren speaker minimum
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year body structural
- 10-year paint pro-rated on body
- Five (5) year corrosion perforation on body
- OEM Chassis manufacturer's standard warranty
- Five (5) year fire pump warranty
- Five (5) year engine
- Five (5) year transmission
- Lifetime warranty on water tank

Pumper Commercial 2-Door

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Requested by end user, bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specifications. Vendor must specify single or dual axle.
- Approval of drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Pump test certification by independent third party
- Water tank capacity certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Commercial 2-Door Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- Two-wheel drive
- 110,000 psi heat treated steel frame rail system
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Chrome or stainless-steel front bumper
- Tow hooks or eyes front and rear attached to the frame
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Minimum 13.2 cubic feet per minute (cfm) gear driven air compressor
- Air dryer, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel, if available

Powertrain

- Minimum 330 horsepower turbocharged diesel engine emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary engine braking
- Drivelines to meet engine torque rating
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

2-Door Cab

- Minimum seating for two (2) – with NFPA compliant seat belts and seat belt warning system
- Console between seats for storage of radios, 12-volt switches, and maps/notebooks
- Air conditioning and heating
- Engine compartment light
- Dome/step lights meeting current NFPA standards
- Single tone cab paint finish with OEM standard paint warranty
- Driver remote controlled mirrors with separate flat and convex sections
- Dual type headlights
- Forward facing turn and warning lights
- Minimum two (2) under cab step light
- Cab and compartment door ajar light and buzzer
- Alternator to meet the requirements of amp draw report
- Minimum two (2) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls
- 110-volt receptacle near driver's door with onboard battery charger

Lights And Sirens

- NFPA compliant warning lighting package – manufacturer's standard package
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Minimum of three (3) compartments driver side of body, full height compartments (2 shelves minimum per compartment)
- Minimum of two (2) low side compartments right side of body (1 adjustable shelf minimum per compartment)
- One (1) full height, full depth compartment rear of body (1 adjustable shelf minimum per compartment)
- Back up alarm
- Right side brackets for 24 ft 2-section, 14 ft roof, 10 ft attic ladders and 2 pike poles, ladders to be included
- Hose bed with hose restraints to be NFPA compliant- including one (1) adjustable divider
- Steps and handrails for climbing from ground to hose bed – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Two (2) rear deck lights
- Rub rail along each side of body and rear of body
- Running boards at each pump panel

- Brushed stainless steel or black non-glare aluminum pump panels
- Hose bed lighting must be provided per current NFPA standards
- Minimum 4-inch reflective stripe on cab and body, chevron striping on rear of body per current NFPA standards
- No less than four (4) self-contained breathing apparatus (SCBA) Bottle Storage

Pump

- Minimum 1m250 gallons per minute (GPM) drive shaft driven split shaft pump per current NFPA standards
- One 3-inch deck gun discharge
- Four (4) 2.5-inch discharge outlets-includes one (1) rear 2.5-inch discharge
- One (1) 2.5-inch suction inlet on left pump panel
- Two (2) 6-inch steamer inlets with caps
- Discharge relief valve or electronic pressure governor inlet pressure relief valve
- Two 1.5-inch cross-lays / speedlays with 2-inch piping
- One (1) 3-inch tank to pump line
- One (1) 1.5-inch tank fill line
- 30-degree turn downs
- Anti-vibration gauges
- Color coded pump panel tags
- Stainless steel plumbing with 10-year warranty
- Side mount pump panel with all pump controls, instruments, and gauges located on the driver side pump panel (not in a compartment)
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Water Tank

- 750-gallon T-type tank poly
- Fill tower to meet requirements of current NFPA standards

Compartments

- Manufacturer will submit cubic feet and size of compartments per request

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year body structural
- 10-year paint pro-rated on body
- Five (5) year corrosion perforation on body
- OEM Chassis manufacturer's standard warranty
- Five (5) year fire pump warranty
- Five (5) year engine warranty
- Five (5) year transmission warranty
- Lifetime tank warranty

Pumper - Level 1 Custom 4 Door Chassis

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specifications. Vendor must specify single or dual axle.
- Approval of drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Pump test certification by independent third party
- Water tank capacity certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi heat treated steel frame rail system
- 10-gauge polished stainless steel 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 4200 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Minimum 350 horsepower turbocharged diesel engine emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary engine braking
- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank

- OEM oil, fuel, transmission filters

Cab

- Manufacturer's standard medium length tilt aluminum cab.
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, equipped with seat belt/occupant detection/warning system.
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors, from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Lights And Sirens

- NFPA compliant upper and lower-level warning light package
- Electronic 100-watt siren, minimum; 100-watt siren speaker, minimum
- Two (2) rear deck lights
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Minimum of three (3) compartments driver side of body, full height compartments-two (2) adjustable shelves per compartment
- Minimum of two (2) low side compartments right side of body-one (1) adjustable shelf per compartment
- Lights in compartments to meet current NFPA standards
- One (1) full height, full depth compartment rear of body, one (1 adjustable shelf per compartment
- Back up alarm

- Right side brackets for 24 ft. 2-section, 14 ft. roof, 10ft. attic ladders and 2 pike poles, ladders to be included
- Hose bed with hose restraints to be NFPA compliant; including one (1) adjustable divider
- Steps and handrails for climbing from ground to hose bed – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Two (2) rear deck lights
- Rub rail along each side of body and rear of body
- No less than four (4) self-contained breathing apparatus (SCBA) bottle storage compartments
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels
- Minimum 4-inch reflective stripe on cab and body, chevron striping on rear of body per current NFPA standards

Pump

- Minimum 1,250 gallons per minute (GPM) drive shaft pump per current NFPA standards
- One 3-inch deck gun discharge
- Four (4) 2.5-inch discharge outlets including one (1) rear 2.5-inch discharge
- One (1) 2.5-inch suction inlet on left pump panel
- Two (2) 6-inch steamer inlets with caps
- Discharge relief valve or electronic pressure governor inlet pressure relief valves
- Two (2) 1.5-inch cross-lays with 2-inch piping
- One (1) 3-inch tank to pump line
- One (1) 1.5-inch tank fill line
- 30-degree turn downs
- Anti-vibration gauges
- Color coded pump panel tags
- Stainless steel plumbing with 10-year warranty
- Side mount pump panel with all pump controls, instruments, and gauges located on the driver's side pump panel-not in a compartment
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Water Tank

- 750-gallon T-type tank, poly
- NFPA compliant fill tower

Compartments

- Manufacturer will submit cubic feet and size of compartments with bid

Paint Finish/Reflective Striping

- Cab and body to be painted single tone-excludes stainless steel not painted
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump warranty
- Lifetime booster tank

Pumper - Level 2 Custom 4 Door Chassis

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specifications. Vendor must specify single or dual axle.
- Approval of drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Pump test certification by independent third party
- Water tank capacity certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi steel frame rail system heat treated
- 10-gauge polished stainless steel 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield, 1.5-inch front jump line with enclosed compartment in center of front bumper to hold minimum 100 ft. of 1-3/4 inch DJ fire hose
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, aluminum wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Aluminum wheels with hub and lug trim package
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Turbocharged diesel engine with a minimum 400 horsepower and 1,450 ft. lbs. torque rating emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary braking

- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- EVS 3000 or equivalent automatic transmission
- 65-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Extended length tilt aluminum cab-minimum 65-inch from center of front axle to rear of cab with minimum 10-inch raised rear roof, seating for six (6), five (5) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts per current NFPA standards, seats equipped with seat belt, occupant detection warning system per current NFPA standards
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors from driver's position with separate flat and convex sections
- DOT compliant headlights with LED marker and clearance lights
- LED forward facing turn and warning lights
- LED cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Minimum 320-amp alternator
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Lights And Sirens

- NFPA LED compliant lighting package, upper and lower
- 100-watt siren, minimum
- Mechanical siren with dual controls
- Two (2) 100-watt siren speakers, minimum
- Two (2) rear deck lights
- Four (4) 20,000 lumen LED lights mounted on body
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel

- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- Three (3) full height, full depth rescue style compartments on driver's side-two (2) adjustable shelves in each compartment
- Three (3) full height, full depth lower, half-depth upper rescue style compartments passenger side of body- two (2) adjustable shelves in each compartment
- One (1) full height, full depth compartment rear of body-one adjustable shelf per compartment
- Back up alarm
- Internal ladder storage compartment right rear of body, to hold NFPA complement of ground ladders and two (2) pike poles
- Hose bed with hose restraints to be NFPA compliant; including one (1) adjustable divider; minimum hose bed size of 70 cubic feet of usable storage
- Steps and handrails for climbing from ground to hose bed – bidders to state exact design
- Lights at each step
- LED stop, turn, back up lights
- LED DOT clearance and marker lights
- LED license plate light
- Minimum of six (6) self-contained breathing apparatus (SCBA) bottle storage compartments in rear wheel wells
- Rub rail along each side of body with reflective stripe in rub rail
- Running boards at each pump panel with a recessed hose well with hose restraint strap in the passenger side running board
- Brushed stainless steel or black non-glare aluminum pump panels
- Minimum 4-inch reflective stripe on cab and body, chevron striping on rear of body per current NFPA standards
- Two (2) floor mounted aluminum roll-out trays, minimum 250 lb. capacity each, located by customer
- Equipment package: One (1) 10 ft. folding attic ladder, one (1) 14 ft. roof ladder, one (1) 24 ft. two (2) section extension ladder, two (2) 10 ft. pike poles

Pump

- Minimum 1,500 gallons per minute (GPM)
- One (1) 3-inch deck gun discharge
- Four (4) 2.5-inch discharge outlets-includes one (1) rear 2.5-inch discharge
- One (1) 2.5-inch suction inlet on left pump panel
- Two (2) 6-inch steamer inlets with caps
- Discharge relief valve or electronic pressure governor inlet pressure relief valves
- Two (2) 1.5-inch cross-lays with 2-inch piping
- One (1) 3-inch tank to pump line
- One (1) 1.5-inch tank fill line
- 30 degree turn downs on all 2.5-inch or larger discharges
- Anti-vibration gauges
- Color coded pump panel tags
- Stainless steel plumbing with 10-year warranty
- One (1) 4-inch LDH discharge, right side pump panel, hand wheel control with 4-inch discharge valve and piping

Water Tank

- 750-gallon rectangular tank polyethylene fill tower, NFPA compliant

Compartments

- Manufacturer will submit cubic feet and size of compartments with bid

Paint Finish/Reflective Striping

- Cab and body to be painted single tone-excludes stainless steel not painted
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- Lifetime frame
- Two (2) year axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump
- Lifetime booster tank

Rear Mounted Aerial Apparatus

Bidders may and are encouraged to bid multiple lengths as long as specifications are met to provide more flexibility and choices to meet purchaser needs.

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Three (3) days of training by employee of manufacturer
- Pump test certification by independent third party
- Water tank capacity certification by independent third party
- Aerial non-destructive, waterway flow test, performance and stability testing by independent third party
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner
- 10-gauge polished stainless steel 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Minimum 450 horsepower turbocharged diesel engine emergency vehicle service rated

- Engine exhaust at front of right rear wheels
- Secondary braking system per current NFPA standards
- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Aerial Apparatus – Aluminum or Steel

- Aerial shall meet or exceed all sections of current NFPA standards
- Ladder material: aluminum or steel
- Rear-mounted configuration
- Minimum two (2) section aerial per NFPA requirements
- Rated horizontal reach per NFPA requirements
- Rungs shall meet all aspects of current NFPA standards
- Rungs equipped with a slip resistant surface meeting current NFPA standards
- Rungs spacing meeting current NFPA standards
- Turntable with pedestal mounted controls meeting current NFPA standards
- Aerial rated load capacity not flowing water: 500 lbs. minimum in addition to equipment mounted at tip of ladder
- Aerial rated load capacity while flowing 1,000 gallons per minute (GPM): 500 lbs. minimum in addition to equipment mounted at tip of ladder

- Rated load capacities shall meet or exceed current NFPA standards
- The aerial shall be rated in multiple configurations per current NFPA standards
- Extend/retract, rotate and hydraulic or electric over hydraulic controls meeting current NFPA standards
- Hydraulic pressure gauge at turntable controls
- Illuminated Angle of Elevation Indicator meeting current NFPA standards
- Flowmeter on turntable control pedestal meeting current NFPA standards
- All aerial control devices shall meet current NFPA standards
- Fall protection provisions shall be provided.
- Bidders to state type of stabilizers and overall stabilizers spread
- Aerial shall meet structural safety factors in accordance with current NFPA standards
- Aerial shall meet NFPA stability safety factors
- Lighted turntable area
- The aerial manufacturer, the company that manufacturers the entire aerial device, shall maintain a Quality Control Program in accordance with current NFPA standards
- Special attention shall be paid to meeting all safety requirements per current NFPA standards
- Aerial shall be fully tested and certified by third party certified testing company per current NFPA standards
- 2-way intercom system between ladder tip and turntable control pedestal.
- Minimum 1,000 gallons per minute (GPM) waterway system meeting current NFPA standards with remote control nozzle
- Controls at fly section and at turntable control pedestal with movable manual pinned waterway or remote-control movable waterway
- Minimum 4-inch rear waterway inlet with pressure gauge and long handled chrome cap
- Minimum 4-inch waterway discharge with 4-inch valve with handwheel or electric control on pump panel
- Waterway relief valve and minimum 1.5-inch drain at rear of apparatus
- Stabilizer controls and stabilizer to aerial controls mounted on rear of apparatus body
- One (1) high intensity spotlight on ladder tip
- Two (2) high intensity flood lights on ladder base
- Painted finish on steel or galvanized steel aerial-bidder shall provide copy of paint warranty on aerial
- Instruction plates and signs must be installed per current NFPA standards

Fire Pump & Plumbing

- Minimum 1,250 gallons per minute (GPM) pump as rated per current NFPA standards. Pump shall be capable to achieve rated aerial flow without exceeding design performance
- Air or electric operated pump shift
- Discharge pressure relief valve or electronic pressure governor
- Intake pressure relief valve
- Master drain valve
- Electric dry type or air primer
- Pump panel lights, three (3) each side
- Pump compartment light
- OK to pump lights in cab and at pump panel
- Engine cooler
- Pump cooler
- Two (2) 6-inch steamers, one on each side panel

- 2.5-inch left side gated suction
- 1.5-inch tank fill
- Two (2) 2-inch cross-lay hose beds over the pump compartment with 1.5-inch connections
- Two (2) 2.5-inch left side discharges
- Two (2) 2.5-inch right side discharges
- Stainless steel schedule 10 piping with 10-year warranty
- Panel gauge package: water tank level, tach, oil pressure, water temperature, voltmeter, light and alarm system
- Minimum 300-gallon polypropylene booster tank with lifetime warranty
- 3-inch tank to pump connection
- Fill tower per NFPA requirements
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- High left and right-side compartments or high left side compartments and low right side compartments with right side hose bed-one adjustable shelf per compartment
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- Back up alarm
- Rear ladder storage for minimum 85 ft. NFPA ground ladders fully enclosed at rear of apparatus, ladders to be included
- Rear pike pole storage for minimum of six (6) pike poles fully enclosed at rear of apparatus
- Slide out pump operator platform
- Hose bed with hose restraints to be NFPA compliant
- Steps and handrails for climbing from ground to turntable – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels
- No fewer than four (4) self-contained breathing apparatus (SCBA) bottle storage

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren/PA with minimum 100-watt speaker recessed in bumper

- All emergency lights, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone-excludes stainless steel not painted
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- 20-year aerial structural
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump
- Lifetime booster tank

Rear Mounted Aerial Platform

Bidders may and are encouraged to bid multiple lengths as long as specifications are met to provide more flexibility and choices to meet purchaser needs.

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Three (3) days of training by employee of manufacturer
- Pump test certification by independent third party
- Water tank capacity certification by independent third party
- Aerial non-destructive, waterway flow test, performance and stability testing by independent third party
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi heat treated steel frame rail with full length inner 110,000 psi C-channel liner or integral torque box frame
- 10-gauge polished stainless steel 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5,000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt, telescopic wheel

Powertrain

- Minimum 450 horsepower turbocharged diesel engine with 1,450 ft. lb. torque rating
- Engine exhaust at front of right rear wheels emergency vehicle service rated
- Secondary braking per current NFPA standards
- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab meeting current NFPA standards
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Aerial Apparatus – Aluminum or Steel

- Aerial shall meet or exceed all sections of current NFPA standards
- Ladder material: aluminum or steel
- Rear-mounted configuration
- Minimum 3-section aerial per NFPA requirements
- Rated horizontal reach per NFPA requirements
- Rungs shall meet all aspects of current NFPA standards
- Rungs equipped with a slip resistant surface meeting current NFPA standards
- Rungs spacing meeting current NFPA standards
- Turntable with pedestal mounted controls meeting current NFPA standards
- Single axle chassis: platform rated load capacity not flowing water: 750lbs. plus equipment. Dual axle chassis: platform rated load capacity not flowing water: 1,000 lbs. plus equipment.

- Platform rated load capacity while flowing 1,000 gallons per minute (GPM): 500 lbs. in addition to permanently affixed equipment
- Rated load capacities shall meet or exceed current NFPA standards
- The aerial shall be rated in multiple configurations per current NFPA standards
- Extend, retract, rotate and hydraulic or electric over hydraulic controls meeting current NFPA standards
- Hydraulic pressure gauge at turntable controls
- Illuminated Angle of Elevation Indicator meeting current NFPA standards
- Flowmeter on turntable control pedestal meeting current NFPA standards
- All aerial control devices shall meet current NFPA standards
- Fall protection provisions shall be provided
- Bidders to state type of stabilizers and overall stabilizers spread
- Aerial shall meet structural safety factors in accordance with current NFPA standards
- Aerial shall meet NFPA stability safety factors current NFPA standards
- Lighted turntable area
- The aerial manufacturer, the company that manufacturers the entire aerial device, shall maintain a Quality Control Program in accordance with current NFPA standards
- Special attention shall be paid to meeting all safety requirements per current NFPA standards
- Aerial shall be fully tested and certified by third party certified testing company per current NFPA standards
- 2-way intercom system between ladder tip and turntable control pedestal
- Minimum 1,000 gallons per minute (GPM) waterway system meeting current NFPA standards with remote control nozzle, controls in platform and at turntable control pedestal
- Minimum 4-inch rear waterway inlet with pressure gauge and long handled chrome cap
- Minimum 4-inch waterway discharge with 4-inch valve with handwheel or electric control on pump panel
- Waterway relief valve and minimum 1.5-inch drain at rear of apparatus
- Stabilizer controls and stabilizer to aerial controls mounted on rear of apparatus body
- One (1) high intensity spotlight on platform
- Two (2) high intensity flood lights on ladder base
- Painted finish on steel aerial-bidder shall provide copy of paint warranty on aerial
- Instruction plates and signs must be installed per current NFPA standards
- Platform construction and design must meet current NFPA standards
- Platform operating positions must meet current NFPA standards

Fire Pump & Plumbing

- Minimum 1,500 gallons per minute (GPM) pump as rated per NFPA-pump shall be capable to achieve rated aerial flow without exceeding design performance
- Air or electric operated pump shift
- Discharge pressure relief valve or electronic pressure governor
- Intake pressure relief valve
- Master drain valve
- Electric dry type or air primer
- Pump panel lights, three (3) each side
- Pump compartment light
- OK to pump lights in cab and at pump panel
- Engine cooler
- Pump cooler

- Two (2) 6-inch steamers, one on each side panel
- 2.5-inch left side gated suction
- 1.5-inch tank fill
- Two (2) 2-inch cross-lay hose beds over the pump compartment with 1.5-inch connection
- Two (2) 2.5-inch left side discharges
- Two (2) 2.5-inch right side discharges
- Stainless steel schedule 10 piping with 10-year warranty
- Panel gauge package: water tank level, tach, oil pressure, water temperature, voltmeter, light and alarm system
- Minimum 300-gallon polypropylene booster tank with lifetime warranty
- 3-inch tank to pump connection
- Fill tower to meet NFPA requirements
- 20 ft. of suction or 15 ft. of supply hose sized for capacity of fire pump

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction
- High left and right-side compartments or high left side compartments and low right side compartments with right side hose bed eight (8) shelves total
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- Lights in compartments to meet current NFPA standards
- Hose bed lighting must be provided per current NFPA standards
- Back up alarm
- Rear ladder storage for minimum 115 ft. NFPA ground ladders fully enclosed at rear of apparatus, ladders to be included
- Rear pike pole storage for minimum of six (6) pike poles fully enclosed at rear of apparatus
- Slide out pump operator platform
- Hose bed with hose restraints to be NFPA compliant
- Steps and handrails for climbing from ground to turntable – bidders to state exact design
- Lights at each step
- Stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body
- Running boards at each pump panel
- Brushed stainless steel or black non-glare aluminum pump panels
- No less than four (4) self-contained breathing apparatus (SCBA) bottle storage compartments

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting

- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren/PA with minimum 100-watt speaker recessed in bumper
- All emergency lights, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- 20-year aerial structural
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump
- Lifetime booster tank

Rescue Apparatus - Heavy

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Vehicle orientation as outlined in current NFPA standards
- Pump test certification (if applicable) by independent third party
- Water tank capacity (if applicable) certification
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner
- 10-gauge polished stainless steel 16-inch to 24-inch extended front bumper with aluminum diamond plate gravel shield
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt telescopic wheel

Powertrain

- Minimum 350 horsepower turbocharged diesel engine with 1000 ft. lb. torque rating emergency vehicle services rated
- Automatic transmission emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary braking

- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed stainless steel
- Minimum 18 ft. body length, outside body length, do not include rear step in 18ft body length calculation, non-walk-in type body
- Body compartments shall be configured:
- One (1) full depth/full height compartment behind rear axle one each side Four (4) shelves total
- One (1) transverse compartment forward of rear wheels, must utilize all space available forward of rear wheels
- One (1) transverse compartment over rear axle each side to include one floor-mounted pull-out tray
- One (1) full height as deep as possible compartment on rear of body one (1) adjustable shelf
- Bidder to state compartment sizes
- Minimum of 520 cubic feet of use able storage space
- License plate light
- One pair of 12-volt rear body upper scene lights per current NFPA standards
- Two (2) 12-volt upper side body scene lights per side (4 lights total)
- Minimum 10-inch rear step for access for rear storage compartment, step surface to meet NFPA requirements for slip-resistance, with NFPA compliant handrails

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, pump panel, compartment, step, license plate, perimeter and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear item
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- Lifetime frame warranty
- Two (2) year axle
- Five (5) year engine
- Five (5) year transmission
- Two (2) year fire pump (if applicable)
- Lifetime booster tank (if applicable)

Rescue Apparatus - Walk-In

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Air brake package
- Manufacturer's standard compressor
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes
- Power steering with tilt/telescopic wheel

Powertrain

- Minimum 300 horsepower diesel engine with 660 ft. lb. torque rating emergency vehicle service rated
- Minimum EVS 3000 transmission or equivalent
- Engine exhaust at front of right rear wheels
- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Seating for two (2)
- Air ride driver seat, all others fixed position

- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Air conditioning and heating
- Remote controlled mirrors
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Dome lights with red and clear bulbs
- Under cab step lights
- Color coded and function coded wiring
- Alternator, 270A or sized to amp draw report
- Minimum two (2) 750 CCA batteries
- Dual air horns with dual in-cab controls

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed stainless steel
- Minimum 15ft. body length, outside body length, do not include rear step in 15ft. body length calculation, walk-in type body
- Body compartments shall be configured with minimum of:
- Two (2) curb side compartments (4 total shelves)
- Three (3) street side compartments (6 total shelves)
- LED Compartment lights
- License plate light
- One pair of 12-volt rear body upper scene lights per current NFPA standards
- Two (2) 12-volt upper side body scene lights per side four (4) lights total
- Curbside entry door

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B / D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren with 100-watt siren speaker, minimum
- All emergency warning lights, rear, stop, turn, back-up lights, DOT clearance, compartment, step, license plate, perimeter and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year body paint pro-rated
- Five (5) year corrosion perforation on cab and body

- Lifetime frame warranty
- Manufacturer's standard warranty for front and rear axles
- Five (5) year engine
- Five (5) year transmission
- Two (2) year fire pump (if applicable)
- Lifetime booster tank (if applicable)

Tractor-Drawn Aerial Apparatus

Bidders may and are encouraged to bid multiple lengths as long as specifications are met to provide more flexibility and choices to meet purchaser needs.

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, and angle of departure
- SCAAN certification for drivetrain compatibility and approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Three (3) days of training by employee of manufacturer
- Pump test certification by independent third party, if applicable
- Water tank capacity certification, if applicable
- Aerial non-destructive, performance and stability testing by independent third party
- 12-volt and, if applicable, 110-volt testing by independent third party
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase
- 110,000 psi steel frame rail with full length inner 110,000 psi C-channel liner or integral torque box frame
- Tow hooks or eyes front and rear attached to the frame
- Minimum front and rear axle, suspension, tubeless radial tires, steel disc wheels to meet the designed apparatus gross vehicle weight rating (GVWR) including NFPA loose equipment allowance
- Front and rear mud flaps
- S-cam air brakes or equivalent, as large as possible, with automatic slack adjusters
- Manufacturer's standard compressor
- Minimum 5,000 cubic inch air reservoir capacity
- Air dryer, color coded air lines, turn drain valves on reservoirs
- ABS brakes

Powertrain

- Minimum 450 horsepower turbocharged diesel engine with 1650 ft. lb. torque rating emergency vehicle service rated
- Engine exhaust at front of right rear wheels
- Secondary braking to meet current NFPA standards

- Engine manufacturer's statement of engine installation approval with approved cooling system
- Drivelines to meet engine torque rating
- Coolant hoses with constant torque clamps
- Automatic transmission emergency vehicle service rated
- 50-gallon minimum fuel tank
- OEM oil, fuel, transmission filters

Cab

- Medium length tilt aluminum cab
- Seating for four (4), three (3) in self-contained breathing apparatus (SCBA) seats with SCBA brackets
- Air ride driver seat, all others fixed position
- All persons in 3-point seat belts, seats equipped with seat belt/occupant detection/warning system
- Electric over hydraulic cab tilt with manual back-up
- Single tone cab paint finish with 10-year paint warranty pro-rated
- Air conditioning and heating
- Remote controlled mirrors from driver's position with separate flat and convex sections
- DOT compliant headlights
- Forward facing turn and warning lights
- Cornering turn and warning lights
- Minimum four (4) dome lights with red and clear bulbs
- Minimum four (4) under cab step lights
- Cab and compartment door ajar light and buzzer
- One (1) engine compartment light
- Color coded and function coded wiring
- Alternator sized according to amp draw report
- Minimum four (4) 750 CCA batteries
- Load manager with automatic high idle function
- Dual air horns with dual in-cab controls

Aerial Apparatus – Aluminum or Steel

- Aerial shall meet or exceed all sections of current NFPA standards
- Ladder material: aluminum or steel
- Mid-mounted configuration
- 4-section aerial with minimum elevation of 100 ft. per current NFPA standards
- Rated horizontal reach per NFPA requirements
- Rungs shall meet all aspects of current NFPA standards
- Rungs equipped with a slip resistant surface meeting current NFPA standards
- Rungs spacing meeting current NFPA standards
- Turntable with pedestal mounted controls meeting current NFPA standards
- Aerial rated load capacity not flowing water: 500 lbs. minimum in addition to equipment mounted at tip of ladder
- Aerial rated load capacity while flowing 1,000 gallons per minute (GPM): 500 lbs. minimum in addition to equipment mounted at tip of ladder
- Rated load capacities shall meet or exceed current NFPA standards
- The aerial shall be rated in multiple configurations per current NFPA standards

- Extend/retract, rotate and hydraulic or electric over hydraulic controls meeting current NFPA standards
- Hydraulic pressure gauge at turntable controls
- Illuminated Angle of Elevation Indicator meeting current NFPA standards
- Flowmeter on turntable control pedestal meeting current NFPA standards
- All aerial control devices shall meet current NFPA standards
- Fall protection provisions shall be provided
- Bidders to state type of stabilizers and overall stabilizers spread
- Aerial shall meet structural safety factors in accordance with current NFPA standards
- Aerial shall meet NFPA stability safety factors
- Lighted turntable area
- The aerial manufacturer, the company that manufacturers the entire aerial device, shall maintain a Quality Control Program in accordance with current NFPA standards
- Special attention shall be paid to meeting all safety requirements per current NFPA standards
- Aerial shall be fully tested and certified by third party certified testing company per current NFPA standards
- 2-way intercom system between ladder tip and turntable control pedestal
- Minimum 1,000 gallons per minute (GPM) waterway system meeting current NFPA standards with remote control nozzle
- Controls at fly section and at turntable control pedestal with movable manual pinned waterway or remote-control movable waterway
- Minimum 4-inch rear waterway inlet with pressure gauge and long handled chrome cap
- Minimum 4-inch waterway discharge with 4-inch valve with handwheel
- Waterway relief valve and minimum 1.5-inch drain at rear of apparatus
- Stabilizer controls and stabilizer to aerial controls mounted at front or rear of apparatus body
- One (1) high intensity spotlight on ladder tip
- Two (2) high intensity flood lights on ladder base
- Aerials with painted finish bidder shall provide copy of paint warranty on aerial (see warranty section)
- Instruction plates and signs must be installed per current NFPA standards

Tiller

- Tiller cab to be totally enclosed
- Tiller cab to have one (1) fixed suspension seat
- Tiller cab to have minimum 6-inch round convex mirror, one on each side
- Gooseneck area of tiller trailer to be constructed of 100,000 psi minimum yield strength steel
- Trailer frame rails to be constructed of 80,000 psi minimum yield strength steel
- Tiller trailer axle to be minimum of 22,800 lbs.

Apparatus Body

- Bidders to bid on each of their offered construction types:
  - Extruded aluminum
  - Formed aluminum
  - Formed galvanneal steel
  - Formed stainless steel
- Bidders to state thicknesses, alloys and construction methods of all materials used in body construction

- High left side compartments and high right-side compartments-10 total shelves and 1 pull out tray per transverse compartment
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- Lights in compartments to meet current NFPA standards
- Back up alarm
- Rear ladder storage for minimum 115 ft. NFPA ground ladders fully enclosed at rear of apparatus, ladders to be included
- Rear pike pole storage for minimum of six (6) pike poles fully enclosed at rear of apparatus
- Steps and handrails for climbing from ground to turntable – bidders to state exact design
- Lights at each step
- Rear, stop, turn, back up lights
- DOT clearance and marker lights
- License plate light
- Rear deck lights
- Rub rail along each side of body

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-watt siren/PA with minimum 100-watt speaker recessed in bumper
- All emergency lights, stop, turn, back-up lights, DOT clearance, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective striping

- Cab and body to be painted single tone-excludes stainless steel not painted
- Polished aluminum wheels
- NFPA required reflective striping

Warranty

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- 10-year cab and body structural
- 10-year paint pro-rated
- Five (5) year corrosion perforation on cab and body
- 20-year aerial structural
- Lifetime frame warranty
- Two (2) year all axles
- Five (5) year engine
- Five (5) year transmission
- Five (5) year fire pump, if applicable
- Lifetime booster tank, if applicable

Wildland Fire Apparatus 4x4

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Documentation

- Bidders to accurately state wheelbase, cab to axle, overall length, bumper swing turn radius, curb-to-curb turning radius, overall height, overall width, gross vehicle weight rating (GVWR), angle of approach, angle of departure in submitted specification
- Approval drawings provided prior to construction commencement
- Two (2) copies of operator and service manuals shall be provided to the purchaser at the time of apparatus delivery
- Vehicle weight, as measured by certified scales, shall be provided at the time of apparatus delivery

Commercial 2-Door Chassis

- Commercial chassis must be current model available at time of build. Chassis model year must be disclosed at time of purchase.
- Cab to axle – 60-inch minimum
- gross vehicle weight rating (GVWR) – 19,000 lbs.
- Heavy service suspension
- Turbo diesel engine
- Manufacturer's standard front and rear axles
- Power steering
- Tires – all terrain with steel wheels
- Alternator(s) meeting 12-volt system requirements
- Battery system to meet 12-volt system requirements
- Fuel tank – largest OEM fuel tank available
- Front tow hooks
- Rear tow hooks attached to frame

Power Train

- Diesel engine
- Automatic transmission
- OEM fuel tank, largest available
- Limited slip differential, if available as standard equipment auto locking hubs – shift on fly

2-Door Cab

- Seating for two (2) with a console in the middle
- Single tone cab paint finish with OEM standard paint warranty
- Air conditioning and heating
- Mirrors with separate flat and convex sections – extended trailer towing mirrors
- Dual type headlights
- Forward facing turn and warning lights
- Minimum two (2) under cab step lights

- Engine compartment light
- Slip resistant running boards under cab doors

Fire Pump & Plumbing

- Minimum 18 horsepower gasoline engine driven pump with electric start capable of 150 gallons per minute (GPM) at 100 psi
- Primer
- Lighted pump control panel
- Throttle
- Pump cooler or recirculation line
- 2.5-inch suction gated for drafting
- 1-inch tank fill
- One (1) 1.5-inch discharge
- One (1) 1-inch discharge
- Gauge package: Sight type water tank level in booster tank, single master pressure gauge
- 300-gallon skid type polypropylene booster tank with lifetime warranty
- 2.5-inch tank to pump connection fill tower NFPA compliant
- Electric rewind hose reel with 150 ft. of 1-inch red rubber booster hose

Apparatus Body

- Extruded aluminum or formed Stainless steel all welded body with bolt on modular aluminum diamond plate compartments, one (1) per side minimum
- Bidders to state thickness, alloys and construction methods of all materials used in body construction
- Bidders to accurately state the total cubic footage of compartment space, along with each compartment size
- One (1) light in each compartment
- Backup alarm

Emergency Warning

- NFPA Zone A lower and upper-level lighting
- NFPA Zone B/D lower-level lighting
- NFPA Zone C upper and lower-level lighting
- Electronic 100-wattsiren/PA with minimum 100-watt speaker recessed in bumper
- All emergency lights, stop, turn, back-up lights, DOT clearance, compartment, step, license plate, perimeter scene, and interior dome lights to be LED

Paint Finish/Reflective Striping

- Cab and body to be painted single tone (excludes stainless steel not painted)
- Polished aluminum wheels
- NFPA required reflective striping

Warranty To Be Provided by Vendor to Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis manufacturer's standard warranty
- Lifetime booster tank warranty
- Five (5) year pump warranty
- Cab & Chassis standard manufacturer paint warranty
- Body 10-year paint warranty-pro rated

- Five (5) year corrosion perforation on body
- Five (5) year engine
- Five (5) year transmission

Battery Powered Rescue Tools

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards. When requested by the purchaser, vendors must submit detailed specifications for the item and options offered. Vendors are responsible for providing tool, tool batteries, and battery charger.

Documentation

- Vendor to provide user manual in either printed or electronic form

Batteries

- Batteries shall be provided to operate each powered rescue tool for a minimum of 20 minutes of continuous use

Battery charger

- A vehicle mountable charger with voltage of purchaser's choice

Warranty To Be Provided by Vendor to Purchaser

- 3-year batteries
- Manufacturers standard warranty on tools

Emergency Transport Utility Vehicles

In all areas of this specification, bidders must comply with current regulations, as applicable to fire rescue and EMS vehicles used indoors in such areas but no limited to sports stadiums, airports, seaports, etc. and outdoor areas such as parks, street festivals, race tracks, but no limited to and outdoor unimproved terrains such as national parks, woodlands, but not limited to where the units must to traverse and operate in mud, marsh, or other harsh conditions. All electrically powered units must be capable of operating no fewer than eight (8) hours when loaded with equipment, fire rescue personnel, and a patient. All vehicles powered by a gasoline or diesel engine must be equipped with the largest fuel tank from the vehicle manufacturer capable of allowing the unit to operate no fewer than eight (8) hours when loaded with equipment, fire rescue personnel and a patient. Additionally, the vehicle must meet all applicable United States Environmental Protection Agency (EPA) emission standards for gasoline and diesel engines used in an off-road application must include all appropriate heat and exhaust shields. When requested by the purchaser, vendors shall submit detailed specifications on items and options offered by the manufacturer. Vendors are responsible for providing a properly equipped vehicle in a "ready to work" condition at time of delivery. All vehicles purchased under this contract must be designed with the correct gross vehicle weight rating/operating weight to support the transport of no fewer than two (2) personnel, one (1) patient and stretcher, and medical equipment to be carried on the vehicle.

Documentation

- When requested by end user, bidders to accurately state the dimensions of the vehicle, gross vehicle weight rating/operating weight fuel tank/battery sizes tire wheel specifications, wall to wall and curb to curb turning radius dimensions. Accurately state horsepower and torque output as measured by OEM
- Approval drawings provided prior to construction commencement
- One (1) set of safety, operator, and service manuals

Power Train

- Manufacturers standard or optional electrical motor or gasoline or diesel powered capable of properly powering a vehicle
- Manufacturers standard automatic transmission
- Correct tires must be supplied for the indoor and or outdoor area the vehicle is being purchased and operating in

Transport Body (if Applicable)

- The rear body area must be capable of holding and transporting a patient with a minimum weight of 250 lbs. on a full-size wheeled stretcher (purchaser to provide stretcher requirements for intended application)
- Must have a seat next to the stretcher position for fire rescue personnel to allow them to attend the patient while in transport.
- Must have the capability of carrying and storing the medical equipment typically used or desired by the purchaser

Emergency Warning (if applicable)

- Vehicle must be capable of accepting emergency warning lights
- Electronic siren and speaker with PA
- All lights to be LED

Warranty To Be Provided by Vendor to Purchaser

- OEM standard warranty

Fire Rescue, EMS, and Patrol Boats

In all areas of this specification, bidders must comply with current National Fire Protection Association (NFPA) standards when vessel is being used by a fire department in a water response/rescue/firefighting operation, all applicable United States Environmental Protection Agency (EPA) emission standards for gasoline and diesel powered vessels, all applicable United States Coast Guard (USCG) requirements, Original Equipment Manufacturer requirements/recommendation for vessel used in a water response/rescue/firefighting operation and/or police patrol/response application, and if a trailer is being purchased at the same time, Federal Motor Vehicle Safety Standards (FMVSS, where applicable), and National Highway Traffic Safety Administration (NHTSA) standards.

When requested by the purchaser, vendors must submit detailed specifications for the vessel, trailer (if purchased at the same time) all systems installed in the vessel and options offered. Vendors are responsible for providing a vessel that is properly equipped inclusive of standard and OEM options and powered for the work requirement to be performed by the purchaser.

Documentation

- When requested by end user, bidders to accurately state all vessel dimensions (i.e. LOA, width, etc.), draft, fuel tank size(s), and operating weight when full of fuel and fluids inclusive of foam or other agents used in a firefighting application and/or any other item requested by the purchaser
- Engine(s) complete specifications
- Transmission(s) (inclusive of jet drive or other propulsion systems if equipped) if vessel is powered by an inboard or inboard/outboard engine
- Propeller specifications (if equipped)
- Generator specifications (if equipped)
- Primary fuel/water separators to all engines that draw fuel from the fuel tank. Water separator is to be the OEM's recommend proprietary unit or other brand desired by the purchaser that meets or exceed the primary fuel filtration requirement of the propulsion engines and generators.
- Firefighting equipment specification inclusive of the pump drive system, water pickup and pump gallons per minute (GPM) and fire nozzle discharge rates, etc. (if equipped)
- Any other system(s) equipment specifications installed on the vessel
- Approval drawings showing all equipment placement provided prior to construction commencement
- Two (2) sets of operator and service manuals for all systems installed on the vessel such as engine transmission but no limited to

Power Train

- Manufacturer's standard power train for vessel being provided for use in slow and high-speed operation

Pump (if applicable)

- Fire pump & plumbing to meet the work requirement of the purchaser

United State Coast Guard (USCG) Equipment (as Applicable)

- All minimum USCG equipment required to operate a vessel (fire extinguisher, flares, throwable floatation device, sound producing device, and required lighting for vessel size) except t for the personal floatation devices (PFD))
- All USCG required lighting for operation of a vessel in the day and/or night
- The system must be designed and capable of producing sufficient GPM and streams of water to allow a fire to be extinguished from a safe distance in accordance with any NFPA regulations
- System must be designed and capable of using sea water to extinguish fires and must be of the type that can survive the corrosive environment this unit will be exposed to without the yearly replacement of plumbing and connections.

Vessel Hull

- Manufacturer's standard hull (fiberglass, aluminum, steel, etc.) with reinforcements (if required) which must be capable of clearly performing the work requirement at slow or high speeds of the purchaser and the intended use of the vessel
- Must include tie down cleats on the left and right side of the bow and stern and a cleat(s) (depending on the length of the vessel multiple cleats may be needed) on the port and starboard side to be used for spring lines etc. to properly secure the units to the dock while the vessel is in the water

Emergency Warning for Fire Rescue, EMT, applications

- Vessel is to be equipped with the correct number of electronic siren(s) with and siren speaker(s) as applicable for the intended work requirement. All LED lights, for the rear, front, sides and manufacturer standard perimeter scene lights along the entire length of the port and starboard side of the vessel.

Paint Finish/Reflective Striping

- OEM standard paint scheme for model bid and when used in a fire rescue/EMT application, any required reflective striping per current NFPA standards
- Large Vessels that are designed to always be in the water 24/7/365 are to be provided with anti-fowling bottom paint to prevent unwanted growth of barnacles, algae, etc.

Warranty To Be Provided by Vendor to Purchaser

- OEM standard warranty

Outboard Engines

In all areas of this specification, bidders must comply with all applicable United States Environmental Protection Agency (EPA) emission standards for gasoline and diesel fuel outboards (propeller, jet powered, etc.), all applicable United States Coast Guard (USCG) requirements, Original Equipment Manufacturer requirements/recommendation for outboard engine used in a fire rescue vessel and/or police response vessel.

When requested by the purchaser, vendors must submit detailed specifications for the item and options offered and provide guidance to ensure the proper outboard engine is purchased. The bid price must include the outboard engine and all necessary parts and materials for installation; labor for installation may be offered as an option. Vendors are responsible for providing an outboard engine that is fully equipped and suitable for the vessel upon which it will be installed.

Documentation

- When requested by end user, bidders to accurately state outboard engine dimensions and weight, standard shaft length, propeller (material propeller is manufactured from, size, pitch, number of blades, etc.)
- One (1) set of operator and service manual

Warranty To Be Provided by Vendor to Purchaser

- OEM standard warranty

Personal Watercraft (PWC)

In all areas of this specification, bidders must comply with all applicable United States Environmental Protection Agency (EPA) emission standards for PWC, all applicable United States Coast Guard (USCG) requirements, Original Equipment Manufacturer requirements/recommendation for PWC used in a fire/rescue vessels and/or police patrol/response application. If a trailer is required at the time of purchase all Federal Motor Vehicle Safety Standards (FMVSS) and National Highway Traffic Safety Administration (NHTSA) standards must be met and provided with the support trailer. When requested by the purchaser, vendors shall provide detailed specifications on the equipment and options provided if any. Vendors shall provide a PWC that is properly equipped with all mandated standard safety features, OEM options that are requested by the purchasing agency, and properly powered for the austere work conditions that are encounter by Fire, Police, EMS, and First Responders.

Trailer is not included in the bid price. Trailers offered as an option must meet all Federal Motor Vehicle Safety Standards (FMVSS) and National Highway Traffic Safety Administration (NHTSA) standards.

Documentation

- One (1) set of operator, safety, and service manuals.
- When requested by end user, bidders to accurately state all PWC dimensions (i.e. LOA, beam, draft, etc.) and operating weight when full of fuel and fluids.

Power Train

- Manufacture's standard powertrain for specific PWC model selected by the purchaser

United State Coast Guard (USCG) Equipment as Applicable

- All required USCG equipment (inclusive of the safety shut off lanyard) required to operate a PWC, fire extinguisher, whistle, distress light, and approved USCG personal flotation device (PFD) to operate a PWC

PWC Hull (If Applicable)

- When sold to or use by a fire/rescue department for water rescue/response operation, the PWC hull must have the capability to accept a rescue sled specifically used for surf rescue applications

Paint Finish

- OEM standard paint scheme for current model year

Warranty To Be Provided by Vendor to Purchaser

- Standard manufacturer warranty provided for the make, model, year of the item

Ambulance Item Specification Group Requirements

The manufacturer or vendor for vehicles under this item group:

- Shall be a current member in good standing of the Ford Motor Company Qualified Vehicle Modifier Program (if applicable)
- Shall be a member of the National Truck Equipment Association's Ambulance Manufacturers Division
- Must comply with, Current Triple-K standards for, for the type of vehicle described herein, as prepared by an independent third-party testing laboratory, and must have "Star of Life" certification affixed to ambulance upon delivery (in-house certification will not be acceptable)
- Shall employ full-time parts personnel with toll-free access number
- Shall employ a full-time electrical troubleshooter with toll-free access number
- Shall employ a full-time warranty representative with toll-free access number

Type I Ambulance: 4x2 Wheel Drive (4x4 Wheel Drive Optional), Regular Cab, Diesel Engine

This specification describes an ambulance configuration as defined in the Federal Specification for the Star-of-Life Ambulance (Triple K), unless otherwise specified. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Engine

- Turbo diesel engine, minimum 5.9L displacement
- Must include the chassis manufacturer's "Ambulance Prep Package" which is intended to be an ambulance or components where available
- Heavy-duty alternator, minimum 200 amp
- Maintenance free heavy-duty batteries, largest OEM battery available, two (2) batteries minimum
- Manufacturer's engine cooling

Transmission

- Automatic transmission, 4 speed minimum with overdrive
- Manufacturer's cooling

Axles

- Manufacturer's standard drive axle ratio for ambulance prep

Performance Items

- Power steering
- Anti-lock brakes
- Power brakes, disc type front, disc, or drum rear
- Fuel capacity, 250 miles minimum without refueling
- Heavy-duty front and rear shocks
- Front stabilizer bar
- Rear stabilizer bar, if available

Comfort Items

- Factory installed air conditioning
- Tinted glass (factory tint)
- Minimum seating for two (2)
- Rubber floor mat instead of carpeting
- AM/FM radio
- Power door locks
- Power windows
- Speed control and tilt wheel

Safety Items

- Driver and passenger lap and shoulder belt with retractor
- Driver and passenger air bags
- Dual electric horns
- Outside mirrors to provide vision for vehicles 96-inch wide
- Two (2) speed wipers with intermittent option
- Interior dome lights wired to right and left doors
- Driver/passenger side air bag, if available

Tires And Wheels

- Black Sidewall (BSW) all season tread radial 17-inch tires, minimum
- Conventional spare tire and wheel
- Jack and wheel wrench

Chassis, Frame, Cab

- Minimum gross vehicle weight rating (GVWR) 13,200 lbs.
- Dual Rear Wheel Cab and chassis only
- Cab to center of axle 84 inches, minimum

Modular Body Construction

- The ambulance body and patient compartment shall be sufficient in size and meet requirements of this specification and current Triple-K specifications

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- Triple-K required reflective striping

Warranty To Be Provided By Vendor To Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis and other manufacturer's standard warranties
- Cab & Chassis standard manufacturer paint warranty
- Body 5-year paint warranty – pro-rated
- Five (5) year corrosion perforation on body
- 10-year minimum body structural warranty

Type I Ambulance: 4x2 Wheel Drive (4x4 Wheel Drive Optional), Medium Duty Regular Cab, Diesel Engine

This specification describes an ambulance configuration as defined in the Federal Specification for the Star-of-Life Ambulance (Triple K), unless otherwise specified. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Engine

- Diesel engine, 6 cylinder minimum
- Heavy-duty alternator, minimum 250 amp
- Maintenance free heavy-duty batteries, largest OEM battery available, two (2) batteries minimum
- Manufacturer's engine cooling

Transmission

- Automatic Transmission or Ford Torque Shift
- Manufacturer's transmission oil cooler: water to oil cooling

Axles

- Front Axle: 7,000 lbs.
- Rear Axle: 12,000 lbs.
- Front stabilizer bar, if available
- Air or hydraulic suspension with dual instant response leveling valves

Performance Items

- Power Steering
- Anti-lock brakes
- Power brakes, disc type front, disc, or drum rear
- Fuel capacity, 250 miles minimum without refueling
- Heavy-duty front and rear shocks

Comfort Items

- Factory installed air conditioning
- Tinted glass (factory tint)
- Dual air suspension seats with armrest, if available
- Rubber floor mat instead of carpeting
- AM/FM radio

Safety Items

- Driver and passenger lap and shoulder belt with retractor
- Dual electric horns
- Outside mirrors to provide vision for vehicles 96-inch wide
- Two speed wipers with intermittent
- Interior dome lights wired to right and left doors
- Halogen headlights with daytime running feature
- Driver/passenger side air bag, if available

Tires And Wheels

- Black Sidewall (BSW), all season tread radial 19.5-inch tires

Chassis, Frame, Cab

- Minimum gross vehicle weight rating (GVWR) 16,500 lbs.
- Dual rear wheel cab and chassis only
- Cab to center of axle 100 inches minimum

Modular Body Construction

- The ambulance body and patient compartment shall be sufficient in size and meet requirements of this specification and current Triple-K specifications

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- Triple-K required reflective striping

Warranty To Be Provided By Vendor To Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis and other manufacturer's standard warranties
- Cab & Chassis standard manufacturer paint warranty
- Body 5-year paint warranty- pro-rated
- Five (5) year corrosion perforation on body
- 10-year minimum body structural warranty

Type II Ambulance: 4x2 Wheel Drive, Van, Gas Engine

This specification describes an ambulance configuration as defined in the Federal Specification for the Star-of-Life Ambulance (Triple K), unless otherwise specified. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Engine

- Gas engine must meet Triple-K requirements including all change notices
- Must include the chassis manufacturer's "Ambulance Prep Package" intended to be an ambulance or components where available
- Heavy-duty alternator, minimum 200 amp
- Maintenance free heavy-duty batteries, largest OEM battery available, two (2) battery minimum
- Manufacturer's engine cooling

Transmission

- Automatic transmission, 4 speed with overdrive, minimum
- Manufacturer's cooling

Axles

- Manufacturer's standard drive axle ratio for ambulance prep

Performance Items

- Power steering
- Anti-lock brakes
- Power brakes, disc type front, disc, or drum rear
- Fuel capacity, minimum 25 gallons
- Heavy-duty front and rear shocks
- Front stabilizer bar
- Rear stabilizer bar, if available

Comfort Items

- Factory installed air conditioning
- Tinted glass (factory tint)
- Dual captain's chairs with armrest
- Rubber floor mat instead of carpeting
- AM/FM radio
- Power door locks
- Power windows
- Speed control and tilt wheel

Safety Items

- Driver and passenger lap and shoulder belt with retractor
- Driver and passenger air bags
- Dual electric horns
- Two speed wipers with intermittent
- Interior dome lights wired to right and left doors
- Driver/passenger side air bag, if available

Tires And Wheels

- Black Sidewall (BSW), all season tread radial 16-inch tires, minimum
- Conventional spare tire and wheel
- Jack and wheel wrench

Chassis, Frame, Cab

- Minimum gross vehicle weight rating (GVWR) 8,550 lbs.
- 138-inch wheelbase minimum

Modular Body Construction

- The ambulance body and patient compartment shall be sufficient in size and meet requirements of this specification and current Triple-K specifications
-

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- Triple-K required reflective striping

Warranty To Be Provided by Vendor to Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis and other manufacturer's standard warranties
- Cab & Chassis standard manufacturer paint warranty
- Body 5-year paint warranty- pro-rated
- Five (5) year corrosion perforation on body
- If the body is modified, the modified body must have the same or greater warranty as the OEM body.

Type III Ambulance: 4x2 Wheel Drive, Cutaway Van, Gas Engine

This specification describes an ambulance configuration as defined in the Federal Specification for the Star-of-Life Ambulance (Triple K), unless otherwise specified. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Engine

- Gas engine must meet Triple-K requirements including all change notices
- Must include the chassis manufacturer's "Ambulance Prep Package" intended to be an ambulance or components where available
- Heavy-duty alternator, minimum 200 amp
- Maintenance free heavy-duty batteries, largest OEM battery available, two (2) battery minimum
- Manufacturer's engine cooling

Transmission

- Automatic transmission, 4 speed with overdrive, minimum
- Manufacturer's cooling

Axles

- Manufacturer's standard drive axle ratio for ambulance prep

Performance Items

- Power steering
- Anti-lock brakes
- Power brakes, disc type front, disc, or drum rear
- Fuel capacity, 250 miles minimum without refueling
- Heavy-duty front and rear shocks
- Front stabilizer bar

Comfort Items

- Factory installed air conditioning
- Tinted glass (factory tint)
- Minimum seating for two
- Rubber floor mat instead of carpeting
- AM/FM radio
- Power door locks
- Power windows
- Speed control and tilt wheel

Safety Items

- Driver and passenger lap and shoulder belt with retractor
- Driver and passenger air bags
- Dual electric horns
- Outside mirrors to provide vision for vehicles 86" wide, minimum
- Two speed wipers with intermittent
- Interior dome lights wired to right and left doors
- Driver/passenger side air bag, if available

Tires And Wheels

- Black Sidewall (BSW), all season tread radial 16-inch tires, minimum
- Conventional spare tire and wheel
- Jack and wheel wrench

Chassis, Frame, Cab

- Minimum gross vehicle weight rating (GVWR) 10,300 lbs.
- Dual rear wheel cab and chassis cutaway
- Wheelbase 138-inch minimum

Modular Body Construction

- The ambulance body and patient compartment shall be sufficient in size and meet requirements of this specification and current Triple-K specifications

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- Triple-K required reflective striping

Warranty To Be Provided by Vendor to Purchaser

- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis and other manufacturer's standard warranties
- Cab & Chassis standard manufacturer paint warranty
- Body 5-year paint warranty- pro-rated
- Five (5) year corrosion perforation on body
- 10-year minimum body structural warranty

Type III Ambulance: 4x2 Wheel Drive, Cutaway Van, Diesel Engine

This specification describes an ambulance configuration as defined in the Federal Specification for the Star-of-Life Ambulance (Triple K), unless otherwise specified. Vendors are responsible for providing a chassis of sufficient gross vehicle weight rating (GVWR) to safely accommodate all options selected by the purchaser.

Engine

- Diesel engine must meet Triple-K requirements including all change notices.
- Must include the chassis manufacturer's "Ambulance Prep Package" intended to be an ambulance or components where available
- Heavy-duty alternator, minimum 200 amp.
- Maintenance free heavy-duty batteries, largest OEM battery available, two (2) batteries minimum
- Manufacturer's heavy-duty engine cooling

Transmission

- Automatic transmission, 4 speed with overdrive, minimum
- Manufacturer's cooling

Axles

- Manufacturer's standard drive axle ratio for ambulance prep

Performance Items

- Power steering
- Anti-lock brakes
- Power brakes, disc type front, disc or drum rear
- Fuel capacity, 250 miles minimum without refueling
- Heavy-duty front and rear shocks
- Front stabilizer bar

Comfort Items

- Factory installed air conditioning
- Tinted glass (factory tint)
- Minimum seating for two
- Rubber floor mat instead of carpeting
- AM/FM radio
- Power door locks
- Power windows
- Speed control and tilt wheel

Safety Items

- Driver and passenger lap and shoulder belt with retractor
- Driver and passenger air bags
- Dual electric horns
- Outside mirrors to provide vision for vehicles 86" wide, minimum
- Two speed wipers with intermittent
- Interior dome lights wired to right and left doors
- Driver/ passenger side air bag (if available)

Tires And Wheels

- BSW, all season tread radial 16” tires, minimum
- Conventional spare tire and wheel
- Jack and wheel wrench

Chassis, Frame, Cab

- Minimum GVWR 10,300 lbs.
- Dual Rear Wheel Cab and chassis cutaway
- Wheelbase 138” minimum

Modular Body Construction

- The ambulance body and patient compartment shall be sufficient in size and meet requirements of this specification and current Triple-K specifications

Paint Finish/Reflective Striping

- Cab OEM finish and body to be painted matching color
- Single tone cab paint finish
- Polished aluminum wheels
- Triple-K required reflective striping
- Warranty To Be Provided By Vendor To Purchaser
- One (1) year bumper to bumper mechanical, excluding normal wear and tear items
- OEM Chassis and other manufacturer’s standard warranties
- Cab & Chassis standard manufacturer paint warranty
- Body 5-year paint warranty- Pro rated
- 5-year corrosion perforation on body
- 10-year minimum body structural warranty

IN SERVICE TO SERVE YOU

Equipment Proposal

This Equipment Proposal (the "Proposal") has been prepared by Ten-8 Fire & Safety, LLC ("Company") in response to the undersigned Customer's request for a proposal. This Proposal is comprised of the special terms set forth below, the Proposal Option List (or for ambulance sales, the Quotation, or Order Form, as applicable), Warranty, and Company's Purchasing Terms and Conditions. Through its signature below or other Acceptance (as defined below), Customer acknowledges having received, read and being bound by this Proposal, all attachments and Company's Purchasing Terms and Conditions.

Date: August 14, 2024 ("Proposal Date") **Customer:** City of New Smyrna Beach ("Customer")

Customer Address: 124 Industrial Park Drive New Smyrna Beach, FL 32168

Quantity	Product Description & Options	Price
1	FSA item 490 Braun Chief XL on a Ford F550 4x2 Diesel	**$318,170.00**
1	FSA options list - items above base	**$61,117.00**
1	STF item - Stryker Power Pro 2 Cot * budgetary quote only*	**$36,555.00**
	Includes delivery, inspection and Stryker Cot	
	No Stryker Powerload added on this order	
	FSA 23-VEF17.0	
	Purchase Price:	**$415,842.00**

Delivery Timing: The Product described above in the Product Description and Options Section of this document will be built by and shipped from the manufacturer approximately 12-18 (months) after Company receives Customer's acceptance of this Proposal as defined below.

Other: Contigent on chassis

Unless accepted within 30 days from date of proposal, the right is reserved to withdraw this proposal.

ACCEPTANCE OF THIS PROPOSAL CREATES AN ENFORCEABLE BINDING AGREEMENT BETWEEN COMPANY AND CUSTOMER. "ACCEPTANCE" MEANS THAT CUSTOMER DELIVERS TO COMPANY: (A) A PROPOSAL SIGNED BY AN AUTHORIZED REPRESENTATIVE, OR (B) A PURCHASE ORDER INCORPORATING THIS PROPOSAL, WHICH IS DULY APPROVED, TO THE EXTENT APPLICABLE, BY CUSTOMER'S GOVERNING BOARD. ACCEPTANCE OF THIS PROPOSAL IS EXPRESSLY LIMITED TO THE TERMS CONTAINED IN THIS PROPOSAL AND COMPANY'S PURCHASING TERMS AND CONDITIONS. ANY ADDITIONAL OR DIFFERENT TERMS, WHETHER CONTAINED IN CUSTOMER'S FORMS OR OTHERWISE PRESENTED BY CUSTOMER AT ANY TIME, ARE HEREBY REJECTED.

INTENDING TO CREATE A BINDING AGREEMENT, Customer and Company have each caused this Proposal to be executed by their duly authorized representatives as of date of the last signature below.

PURCHASING TERMS AND CONDITIONS

PURCHASING TERMS AND CONDITIONS

(Florida)

These Purchasing Terms and Conditions, together with the Equipment Proposal and all attachments (collectively, the "Agreement") are entered into by and between Ten-8 Fire & Safety, LLC, a Florida company ("Company") and Customer (as defined in Ten-8 Fire & Safety, LLC's Equipment Proposal document) and is effective as of the date specified in Section 3 of these Purchasing Terms and Conditions. Both Company and Customer may be referred throughout this document individually as a "party" or collectively as the "parties."

1. Definitions.
   a. **"Acceptance"** has the same meaning set forth in Company's Equipment Proposal.
   b. **"Company's Equipment Proposal"** means the Equipment Proposal provided by Company and prepared in response to Customer's request for proposal for a fire apparatus, associated equipment or an ambulance.
   c. **"Cooperative Purchasing Contract"** means an Agreement between Company and a public authority, including without limitation, a department, division, agency of a municipal, county or state government ("Public Authority"), that adopts or participates in an existing agreement between Company and another non-party customer (including, but not limited to such non-party customer's equipment proposal, its applicable exhibits, attachments and purchasing terms and conditions), often referred to as a "piggyback arrangement," which is expressly agreed to, in writing, by Company. Company has sole discretion to determine whether it will agree to such a Cooperative Purchasing Contract.
   d. **"Delivery"** means when Company delivers physical possession of the Product to Customer.
   e. **"Manufacturer"** means the Manufacturer of any Product.
   f. **"Prepayment Discount"** means the prepayment discounts, if any, specified in Company's Equipment Proposal.
   g. **"Product"** means the fire apparatus and any associated equipment, or ambulance manufactured or furnished for Customer by Company pursuant to the Specifications.
   h. **"Purchasing Terms and Conditions"** means these Purchasing Terms and Conditions; however, if the Company's Equipment Proposal or the Customer's related Purchase Order states that it is governed by a Cooperative Purchasing Agreement, "Purchasing Terms and Conditions" shall mean those terms and conditions set forth in the applicable Cooperative Purchasing Agreement.
   i. **"Specifications"** means the general specifications, technical specifications, training, and testing requirements for the Product contained in Company's Equipment Proposal and its Exhibit A (Proposal Option List or for ambulance sales, the Quotation, or Order Form, as applicable), prepared in response to Customer's request for such a proposal.

2. Purpose. This Agreement sets forth the terms and conditions of Company's sale of the Product to Customer.

3. Term of Agreement. This Agreement will become effective on the date of Acceptance as defined in Company's Equipment Proposal ("Effective Date") and, unless earlier terminated pursuant to the terms of this Agreement, it will terminate upon Delivery and payment in full of the Purchase Price.

4. Purchase and Payment. Customer agrees to pay Company the Purchase Price for the Product(s) as set forth in Company's Equipment Proposal ("Purchase Price"). The Purchase Price is in U.S. dollars. Where Customer opts for a Prepayment Discount that specifies that Customer will tender one or more prepayments to Company, Customer must provide each prepayment within the time frame specified in the Equipment Proposal in order to receive the Prepayment Discount for that prepayment installment.

5. Representations and Warranties. Customer hereby represents and warrants to Company that the purchase of the Product(s) has been approved by Customer in accordance with applicable general laws and, as applicable, Customer's charter, ordinances and other governing documents, and funding for the purchase has been duly budgeted and appropriated.

6. Cancellation/Termination.

   a. Fire Equipment and Apparatus Sales. In the event this Agreement is cancelled or terminated by Customer before completion, Company may charge Customer a cancellation fee. The following charge schedule is based on costs incurred by Manufacturer and Company for the Product, which may be applied and charged to Customer: (a) 12% of the Purchase Price after the order for the Product(s) is accepted and entered into Manufacturer's system by Company; (b) 22% of

the Purchase Price after completion of approval drawings by Customer, and; (c) 32% of the Purchase Price upon any material requisition made by the Manufacturer for the Product. The cancellation fee will increase in excess of (c) in this Section 6, accordingly, as additional costs are incurred by Manufacturer and Company as the order progresses through engineering and into the manufacturing process.

b. Ambulance Sales. This Section 6 for Cancellation/Termination does not apply to Ambulance Sales. An order for an ambulance cannot be cancelled or terminated once Company receives and processes Customer's Acceptance of Company's Equipment Proposal.

7. Delivery. The Product is scheduled to be delivered as specified in the Delivery Timing section of the Equipment Proposal ("Delivery Timing"), which will be F.O.B. Company's facility. The Delivery Timing is an estimate, and Company is not bound to such date unless it otherwise agrees in writing. Company is not responsible for Delivery delays caused by or as the result of actions, omissions or conduct of the Manufacturer, its employees, affiliates, suppliers, contractors, and carriers. All right, title and interest in and to the Product, and risk of loss, shall pass to Customer upon Delivery of the Product(s) to Customer.

8. Standard Warranty. The manufacturer warranties applicable to this Agreement, if any, are attached to Company's Equipment Proposal as Exhibit A and are incorporated herein as part of the Agreement.

a. Disclaimer. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, COMPANY, INCLUDING ITS PARENT COMPANY, AFFILIATES, SUBSIDIARIES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS, AGENTS OR REPRESENTATIVES DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS PROVIDED UNDER THIS AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED OR STATUTORY. WITHOUT LIMITING THE FOREGOING DISCLAIMER, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, IMPLIED WARRANTY AGAINST INFRINGEMENT, AND IMPLIED WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED AND DISCLAIMED. STATEMENTS MADE BY SALES REPRESENTATIVES OR IN PROMOTIONAL MATERIALS DO NOT CONSTITUTE WARRANTIES.

9. Limitation of Liability. COMPANY WILL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, ECONOMIC, PUNITIVE, SPECIAL OR EXEMPLARY DAMAGES ARISING FROM OR IN ANY WAY CONNECTED WITH THIS AGREEMENT WITHOUT REGARD TO THE NATURE OF THE CLAIM OR THE UNDERLYING THEORY OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT, STRICT LIABILITY, EQUITY OR ANY OTHER THEORY OF LAW) ON WHICH SUCH DAMAGES ARE BASED. COMPANY'S LIMIT OF LIABILITY UNDER THIS AGREEMENT SHALL BE CAPPED AT THE TOTAL AMOUNT OF THE MONIES PAID BY CUSTOMER TO COMPANY UNDER THIS AGREEMENT.

10. Force Majeure. Company shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond Company's control which make Company's performance impracticable, including but not limited to civil wars, insurrections, strikes, riots, fires, storms, floods, other acts of nature, explosions, earthquakes, accidents, including transportation or delivery losses outside of Company's control, any act of government, delays in transportation, inability to obtain necessary labor supplies or manufacturing facilities, allocation regulations or orders affecting materials, equipment, facilities or completed products, failure to obtain any required license or certificates, acts of God or the public enemy or terrorism, failure of transportation, epidemics, quarantine restrictions, failure of vendors (due to causes similar to those within the scope of this clause) to perform their contracts or labor troubles causing cessation, slowdown, or interruption of work.

11. Customer's Obligations. Customer shall provide its timely and best efforts to cooperate with Company and Manufacturer during the manufacturing process to create the Product. Reasonable and timely cooperation includes, without limitation, Customer's providing timely information in response to a request from Manufacturer or Company and Customer's participation in traveling to Manufacturer's facility for inspections and approval of the Product.

12. Default. The occurrence of one or more of the following shall constitute a default under this Agreement: (a) Customer's failure to pay any amounts due under this Agreement or Customer's failure to perform any of its obligations under this Agreement; (b) Company's failure to perform any of its obligations under this Agreement; (c) either party becoming insolvent or becoming subject to bankruptcy or insolvency proceedings; (d) any representation made by either party to induce the other to enter into this Agreement, which is false in any material respect; (e) an action by Customer to dissolve, merge, consolidate or transfer a substantial portion of its property to another entity; or (f) a default or breach by Customer under any other contract or agreement with Company.

13. Manufacturer's Statement of Origin. Company shall retain possession of the manufacturer's statement of origin ("MSO") for the Product until the entire Purchase Price has been paid. If more than one Product is covered by this Agreement, Company shall retain the MSO for each individual Product until the Purchase Price for that Product has been paid in full.

14. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The Arbitration shall take place in Bradenton, Florida.

15. Miscellaneous. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture of or with the other. Neither party may assign its rights and obligations under this Agreement without the prior written approval of the other party. This Agreement and all transactions between Ten-8 Fire & Safety, LLC will be governed by and construed in accordance with the laws of the State of Florida. The delivery of signatures to this Agreement may be via facsimile transmission or other electronic means and shall be binding as original signatures. This Agreement shall constitute the entire agreement and supersede any prior agreement between the parties concerning the subject matter of this Agreement. This Agreement may only be modified by an amendment, in writing, signed by duly authorized representatives of both parties with authority to sign such amendments to this Agreement. In the event of a conflict between the Ten-8 Proposal and these Terms and Conditions, the Ten-8 Proposal shall control except in the case of a Cooperative Purchasing Contract as set forth in Section 1(c) and (h) of these Purchasing Terms and Conditions. If any term of this Agreement is determined to be invalid or unenforceable by a competent legal authority, such term will be either reformed or deleted, as the case may be, but only to the extent necessary to comply with the applicable law, regulation, order or rule, and the remaining provisions of the Agreement will remain in full force and effect.

New Smyrna FSA options list

Description	with 10% MSRP
Upgrade to 4x4 chassis	$1,952.00
INBOARD ARM RESTS FOR ALUMINUM CONSOLE	$331.00
AIR HORNS - BUELL DUAL TRUMPETS 10" and 12", UNDR BMPR W/SW	$3,206.00
HVAC - COMPRESSOR - SECONDARY ENGINE DRIVEN - T1 DIESEL	$3,999.00
LIGHTS RUNNING BOARD -WHELEN MINI-LED	$291.00
LIGHTS RUNNING BOARD -WHELEN MINI-LED	$291.00
CONTROL SCREEN, CURBSIDE, FIXED ANGLED MOUNT	$3,223.00
INVERTER, VANNER - 1100 WATT, LIFESINE LSC 12-1100-DC CHARGER	$2,059.00
INVERTER, TO BE ON WITH THE IGNITION	$145.00
INVERTER COVER - DIAMOND PLATE	$133.00
OUTLET, ADDITIONAL-12V	$95.00
RECEPTACLE SHORELINE INLET-SUPER 30 AMP, AUTO EJECT - YELLOW COVER	$918.00
SHORELINE INDICATOR LIGHT- ALLIED VCC GREEN MINI NEON - EXTERIOR MOUNTED	$99.00
SHORELINE INDICATOR LIGHT- ALLIED VCC GREEN MINI NEON - EXTERIOR MOUNTED - ADDITIONAL	$99.00
PRE-WIRE LIGHTS, FRONT MODULE TURN SIGNAL	$170.00
LIGHTS, OSS COMPARTMENTS - RIDGEBACK LED STRIP LIGHTING	$1,113.00
LIGHTS GRILLE - 2 additional WHELEN ION LED	$619.00
COATING, CERAMIC THERMAL	$395.00
SOUND DEADENING PACKAGE	$654.00
UNDERCOATING SEAL	$1,115.00
DOCK BUMPERS, REAR	$267.00
OSS #1 - EZ-O2 LIFT OXYGEN SYSTEM	$5,152.00
CABINET AT HEAD OF BENCH WITH SHARPS/WASTE DRAWER AND (2) DRAWERS TOWARDS THE BENCH.	$4,561.00
HVAC - PREMIUM 110/12V INDEPENDENT PACKAGE - LARGE HEAT STRIP	$13,678.00
GLOVE DISPENSER - (3) BOX - ABOVE REAR DOORS (ABS)	$331.00
COT FASTENER - STRYKER FLOOR PLATE AND 12v PRE-WIRE FOR CUSTOMER FUTURE INSTALL OF A POWER OR PERFORMANCE COT LOAD SYSTEM	$1,750.00
LIGHTS, INTERIOR CABINETS, RIDGEBACK 12V LED STRIP LIGHT, BLUE	$1,318.00
New Smyrna Beach Graphics and Paint to match layout provided.	$10,440.00
CHEVRON STRIPING - FULL COVERAGE	$2,713.00

FSA options added to base	$61,117.00
FSA #490 Braun F-550 Chief XL	$318,170.00
Stryker Cot	$36,555.00
Total	$415,842.00

The siren shall be capable of hands-free operation and shall be equipped with a noise canceling microphone. (Meets CA Title 13) ----------	1.00
30-10-0812	**SIREN SPEAKERS, CAST PRODUCTS - IN FRONT BUMPER** Install: Two (2) Cast Products - 100-watt siren speakers, shall be installed in outer ends of the front bumper. ----------	1.00
20-40-0203	**WHEELS, FORGED POLISHED ALUMINUM - 19.5 - F450/550 193" WB** Forged, polished aluminum wheels shall be provided, to include bright hub covers and center ornaments and valve stem extensions. ----------	1.00

Braun - Electrical

Item Number	*Description*	*Quantity*
30-06-0004	**ELECTRICAL SYSTEM - WELDON V-MUX, MICRO PROCESSOR BASED** Install: Weldon V-MUX 100% solid state microprocessor based multiplex system. ----------	1.00
30-10-0110	**ELECTRICAL CIRCUITS** All electrical circuits: shall have wiring and circuit protection suitable to the demand and must meet the national electric code (NEC) wiring requirements, added on wiring (18 GA through 10 GA) color coded and stamped with code numbers for easy identification, SLX high temperature thermoplastic cross link wire used. SGX insulated cable used for all under hood / underbody battery and charging system cable. High temperature (375° f) thermoplastic loom used on all harnesses. ----------	1.00
30-06-0126	**ELECTRICAL COMPARTMENT (PDQ) - MULTIPLEX ELECTRICAL SYSTEM** Electrical compartment / hinged door w/ (2) chrome locking lever latches/ located on the partition wall behind the attendant seat. ----------	1.00
30-06-0325	**FLASHER - MULTIPLEX ELECTRICAL SYSTEM**	1.00

	Provide: Flasher within and programmed by the multiplex electrical system. ----------	
30-06-0350	**FLASHING HEADLIGHTS - MULTIPLEX ELECTRICAL SYSTEM** Headlights (high beams) shall be programmed through the multiplex system to alternate flash (wig-wag). ----------	1.00
30-10-0190	**GROUND FAULT CIRCUIT INTERRUPTER-GFCI** Install: A 125 VAC, 20 AMP circuit breaker with ground fault circuit interrupter (GFCI) electronic ground leakage detection in the load center for the shoreline circuit. ----------	1.00
30-06-0285	**MODULE DISCONNECT - MULTIPLEX ELECTRICAL SYSTEM** Install: In-Power disconnect to keep the system power engaged after the ignition is switched to the “off” position. ----------	1.00
30-06-0575	**REVERSE -TRANSMISSION- FUNCTIONS - MULTIPLEX ELECTRICAL SYSTEM** System programmed to provide activation for: rear outboard warning lights, rear side warning lights, rear scene lights, the rear side scene lights - when the transmission selector lever is placed into "reverse" position. ----------	1.00
30-06-0150	**SPARE CIRCUIT - MULTIPLEX ELECTRICAL SYSTEM** Provide (1) spare 15-amp circuit. ----------	1.00
30-06-0175	**WIRING HARNESS CONNECTORS - MULTIPLEX ELECTRICAL SYSTEM** Connect all wiring harnesses via quick connect circular plug connectors. ----------	1.00
30-06-0300	**VOLTMETER - MULTIPLEX ELECTRICAL SYSTEM** Provide: (1) digital voltmeter on the master control console screen. ----------	1.00
30-06-0026	**WARNING DISPLAY - MULTIPLEX ELECTRICAL SYSTEM** Install: digital warning display integrated into the cab display console, programmed through the multiplex system to provide visual and audible indication. ----------	1.00
30-06-0225	**EMERGENCY MASTER SWITCH - MULTIPLEX ELECTRICAL SYSTEM** Supply: A single emergency master switch for activating all the emergency warning lights on the master control console screen, emergency master switch will activate the module power automatically, include an Emergency Master Menu button to allow access to individual warning light functions. ----------	1.00
30-06-0250	**CONTROL PANEL SWITCHES - MULTIPLEX ELECTRICAL SYSTEM** Switches on the master control console and attendant control panel screens shall have dimmable perimeter backlighting. ----------	1.00
30-06-0275	**MODULE POWER SWITCH - MULTIPLEX ELECTRICAL SYSTEM** Provide: A module power switch for the electrical system on both the Master Control Console and the Attendant Control Panel screens. ----------	1.00
30-06-0101	**ATTENDANT CONTROL PANEL (ACP) - MULTIPLEX ELECTRICAL SYSTEM** Attendant Control Panel (ACP) contains a color micro processor screen, controls all equipment installed in the patient compartment. ----------	1.00
30-06-0375	**PARK OVERRIDE - MULTIPLEX ELECTRICAL SYSTEM**	1.00

	Park override switch on the master control console screen, reactivates all lights disabled when the transmission is placed in the neutral/park position. ----------	
30-06-0400	**LOAD MANAGER-SEQUENTIAL SWITCHING SYSTEM - MULTIPLEX ELECTRIC SYSTEM** Load manager-sequential switching system controlled by the microprocessor based electrical system: emergency master button shall control the sequential switching of the emergency lights and/or other warning devices, load manager shall automatically shed non-critical electrical loads during low voltage conditions. ----------	1.00
30-06-0450	**FRONT CLEAR DISABLE SWITCH - MULTIPLEX ELECTRICAL SYSTEM** Activation of the switch on the master control console screen to disable all forward-facing clear warning lights. ----------	1.00
30-06-0076	**MASTER CONTROL CONSOLE (MCC) - MULTIPLEX ELECTRICAL SYSTEM** Floor mounted Master Control Console (MCC) located in the cab, housing siren, color microprocessor display screen, controlling all the Emergency Warning functions, Patient Compartment lighting and module heat/ac functions. ----------	1.00
30-06-0475	**CURBSIDE SCENE LIGHTS ON WITH CURBSIDE DOOR** The Curbside scene lights: programmed to activate when the Curbside door is in the open position. ----------	1.00
30-06-0500	**REAR SCENE LIGHTS ON WITH REAR DOORS OPEN** Rear scene lights programmed to activate when the rear doors are in the open position. ----------	1.00
30-06-0525	**DISABLE SWITCH FOR REAR SCENE LIGHTS - MULTIPLEX ELECTRICAL SYSTEM** Install: disable switch at the rear door area to disable the rear scene lights. ----------	1.00
30-06-0550	**DISABLE SWITCH FOR SIDE SCENE LIGHTS - MULTIPLEX ELECTRICAL SYSTEM** A disable switch shall be installed at the curbside door area to disable the curbside scene lights. ----------	1.00
30-06-0015	**VISTA IV ACP - PUSH BUTTON** Install: Weldon V-MUX Vista IV interface module / display screen mounted on an angled flip - down panel with chrome lever latches, in the patient compartment ACP area. ----------	1.00
30-06-0010	**VISTA IV MCC - PUSH BUTTON** Install: Weldon V-MUX Vista IV interface module / display screen in the cab, operated through the use of push buttons. ----------	1.00
30-10-0901	**SYSTEM ACTIVE AND CHECK OUT LIGHTS - 15 MINUTES** Switch: located at the curb and rear entry doors for activation of the V-MUX electrical system, check out light switch located at the curb and rear doors for activation of the left LED angled lights prior to entering the module, system programmed to shut down automatically after 15 minutes unless the ignition is on. ----------	1.00
30-06-0050	**DAYTIME RUNNING LAMPS - MULTIPLEX ELECTRICAL SYSTEM** OEM Daytime Running Light headlights activated for daytime operation, when transmission is placed in drive. ----------	1.00

30-10-0050	**BATTERY CONVERTER - CHARGER** Connect to Shoreline inlet: Progressive Dynamics #PD9245C, 45 amp, 125 VAC to 13.6 VDC converter, capable of maintaining the batteries when plugged in. ----------	1.00
30-10-0071	**CAMERA REAR VIEW - SINGLE SYSTEM - VISTA SCREEN** Install: camera system rear view, tied to M-Tech display screen. Per Dwg #2. Camera alignment will be conducted at final inspection, if applicable. ----------	1.00
30-10-0915	**SYSTEM AUTO ACTIVE WITH ENTRY DOOR OPEN OR UNLOCK SIGNAL** The system will auto activate when a module entry door is opened or when a door unlock signal is received. ----------	1.00
30-10-0585	**USB - DUAL OUTLET, ONE (1) INTERIOR LOCATED ON CONSOLE** Install: (1) dual USB port outlet, 5 volt / 2.1 amp, in the vehicle, located on the Master Control Console in the cab. ----------	1.00
USBAA101	**OUTLET, USB - ONE (1) DUAL - PRIMARY ACTION AREA** One (1) dual USB port outlet, 5 volt / 2.1 amp, shall be installed in the vehicle, located on the streetside primary action area in the patient compartment. ----------	1.00
125AA101	**OUTLET, 125VAC - ONE (1) INTERIOR DUPLEX - LEFT WALL ACTION AREA** One (1) 2-wire +plus ground 125 VAC duplex outlet in the street side wall in the primary action area. ----------	1.00
125AA201	**OUTLET, 125VAC - ONE (1) INTERIOR DUPLEX - SECONDARY ACTION AREA** One (1) 2-wire +plus ground 125 VAC duplex outlet in the street side wall in the secondary action area. ----------	1.00
125IF201	**OUTLET, 125VAC - ONE (1) INTERIOR DUPLEX - FRONT WALL CABINET** One (1) 2-wire +plus ground 125 VAC duplex outlet in the front wall cabinet. ----------	1.00
12VAA101	**OUTLET, 12VDC - ONE (1) - LEFT WALL ACTION AREA** One (1) 12 VDC power point outlet shall be installed in the street side wall in the primary action area. The outlet shall be labeled, "12 VDC". A Schottky diode medical isolator shall be provided to protect the 12 VDC outlet. ----------	1.00
12VIF201	**OUTLET, 12VDC - ONE (1) FRONT WALL - CABINET** One (1) 12 VDC power point outlet shall be installed in the patient compartment, in the front wall cabinet. The outlet shall be labeled, "12 VDC". A Schottky diode medical isolator shall be provided to protect the 12 VDC outlet. ----------	1.00
30-12-0001	**RECEPTACLE SHORELINE INLET-SUPER 20 AMP, AUTO EJECT - YELLOW COVER** Install: Kussmaul super auto eject shoreline inlet receptacle with yellow cover on module exterior (forward street side) near the driver's door, equipped with an integral dynamic disconnect. ----------	1.00
30-10-0657	**RADIO ANTENNA BASES - TWO (2) The coax cable(s) shall terminate in the PDQ.** Two (2) antenna bases with attached coax cables shall be installed on the module roof. The coax cables shall terminate in the PDQ. Access to the antenna bases shall be through adjacent module interior dome lights. ----------	1.00
30-10-0299	**LIGHT, ATTENDANT CONTROL PANEL AREA - TECNIQ SILHO-X LED - WARM WHITE**	1.00

	A Tecniq Silho-X 2.75" round warm white LED light with SS trim ring, shall be mounted above the left wall forward action area counter. The light shall be operated through a button on the ACP Vista screen labeled "Attendant Light". (Braun #26415) ----------	
30-10-0310	**LIGHT, LED ELECTRICAL COMPARTMENT -PDQ** A 12 VDC LED light shall be located in the PDQ. The light shall be wired "battery-hot" to activate when the PDQ door is in the open position. The light shall be off when the door is in the closed position.	1.00
30-11-0106	**LIGHTS, DOME LED (8) WHELEN SUPER LED** Eight (8) Whelen #LED (80C0EHCR) dome lights, shall be installed. See dwg #9 ----------	1.00
30-11-0152	**LIGHTS, RIDGEBACK LED PANEL (3) STREETSIDE - ANGLED** Install: (3) Ridgeback LED lights streetside per dwg #5. ----------	1.00
30-11-0176	**LIGHTS, RIDGEBACK LED PANEL (2) CURBSIDE - ANGLED** Install: (2) Ridgeback LED lights mounted on an angled panel above curbside seating area per dwg #6. ----------	1.00
30-10-0410	**LIGHTS, OSS COMPARTMENTS - INCANDESCENT** Install: Truck-Lite brand incandescent lights, activated by magnetic switches. Compartments #1, #2, #3, and #4, each contain two (2) clear 4" round lights, and compartment #5 shall contain two (2) 2-1/2" clear round lights. ----------	1.00
40-10-0191	**LOCKS POWER - PASSAGE, 5 COMPARTMENTS, KEY FOBS** Install: power door locks on module passage doors, and (5) OSS compartments, use OEM key fobs. Does not include battery bay door.	1.00
40-10-0151	**SWITCH DOOR UNLOCK, WATERPROOF - HIDDEN IN FRONT GRILLE AREA** Install: exterior hidden door unlock switch in grille area. ----------	1.00
30-06-0201	**RADIO TIE-IN POINT - (1) 12V/40 AMP - CAB CONSOLE AREA** Install (1) set of 12 volt/40 amp radio tie-in studs in cab console: (1) battery hot, (1) ignition hot, (1) grounded stud. ----------	1.00
30-06-0202	**RADIO TIE-IN POINT - (1) 12V/40 AMP - PATIENT COMPARTMENT** Install (1) set of 12 volt/40 amp radio tie-in studs in patient compartment: (1) battery hot, (1) ignition hot, (1) grounded stud. ----------	1.00
30-06-0203	**RADIO TIE-IN POINT - (1) 12V/250 AMP - PDQ** Install (1) set of 12 volt/250 amp radio tie-in studs in the PDQ: (1) battery hot, (1) ignition hot, (1) grounded stud. ----------	1.00

Braun - Exterior Lighting

Item Number	*Description*	*Quantity*
30-06-0410	**WARNING LIGHTS FLASH PATTERN SIGNAL ALERT 75 - MULTIPLEX ELECTRICAL SYSTEM** The default flash pattern for the vehicle warning lights: Signal Alert 75. ----------	1.00
ClearLENS	**CLEAR LENSES ON ALL WARNING LIGHTS**	1.00

GWL050002	**LIGHTS GRILLE - 2 WHELEN 500 SUPER LED** Two (2) Whelen 500 series super LED warning lights, with waterproof connectors shall be installed the grille area of the chassis. The lights shall operate from a switch on the master control console labeled "Flashers".	1.00

GWLCLR1R	**GRILLE WARNING LIGHT LOCATION 1 - RED** The warning light located on the grille in location 1 shall be red.	1.00

GWLCLR2R	**GRILLE WARNING LIGHT LOCATION 2 - RED** The warning light located on the grille in location 2 shall be red.	1.00

STRPTRN	**STRAIGHT PATTERN WARNING LIGHTS** The front warning lights will be aligned in a straight pattern across the module.	1.00

30-25-0122	**LIGHTS, ICC / LED CLEARANCE - ON MODULE FRONT - TECNIQ** Install: (5) amber Tecniq LED (S33-AA00-1) clearance / ICC lights on the front of the module near the roof line per dwg #1.	1.00

FWL090007	**LIGHTS FRONT MODULE - 7 WHELEN 900 SUPER LED** Seven (7) Whelen 900 series super LED warning lights with chrome bezels shall be installed on the module front. The lights shall operate from a switch on the master control console, labeled "Flashers".	1.00

FWLCLR1R	**FRONT WARNING LIGHT LOCATION 1 - RED** The warning light located on the upper front of the module in location 1 shall be red.	1.00

FWLCLR2R	**FRONT WARNING LIGHT LOCATION 2 - RED** The warning light located on the upper front of the module in location 2 shall be red.	1.00

FWLCLR3R	**FRONT WARNING LIGHT LOCATION 3 - RED** The warning light located on the upper front of the module in location 3 shall be red.	1.00

FWLCLR4W	**FRONT WARNING LIGHT LOCATION 4 - WHITE** The warning light located on the upper front of the module in location 4 shall be white.	1.00

FWLCLR5R	**FRONT WARNING LIGHT LOCATION 5 - RED** The warning light located on the upper front of the module in location 5 shall be red.	1.00

FWLCLR6R	**FRONT WARNING LIGHT LOCATION 6 - RED** The warning light located on the upper front of the module in location 6 shall be red.	1.00

FWLCLR7R	**FRONT WARNING LIGHT LOCATION 7 - RED** The warning light located on the upper front of the module in location 7 shall be red.	1.00

30-25-0123	**LIGHTS, ICC / LED CLEARANCE - ON MODULE REAR - TECNIQ** Install: (5) red TECNIQ LED (S33-RR00-1) clearance / ICC lights on the rear of the module near the roof line per dwg #2.	1.00

ROL090002	**LIGHTS REAR MODULE, UPPER OUTER - 2 WHELEN 900 LED**	1.00

	Two (2) Whelen 900 series super LED warning light with chrome bezels shall be installed on the upper rear of the module, in the outer location. The lights shall operate from a switch on the master control console, labeled "Flashers". ----------	
ROLCLR1R	**REAR OUTER MODULE LIGHT LOCATION 1 - RED** The warning light located on upper rear of the module, in outer location 1 shall be red. ----------	1.00
ROLCLR2R	**REAR OUTER MODULE LIGHT LOCATION 2 - RED** The warning light located on upper rear of the module, in outer location 2 shall be red. ----------	1.00
RCL090001	**LIGHTS REAR MODULE, UPPER CENTER - 1 WHELEN 900 LED** One (1) Whelen 900 series super LED warning light with a chrome bezel shall be installed on the upper rear of the module, center location. The light shall operate from a switch on the master control console, labeled "Flashers". ----------	1.00
RCLCLR1A	**REAR CENTER MODULE LIGHT LOCATION 1-AMBER** The warning light located on upper rear of the module in the center location shall be amber. ----------	1.00
RS090002	**LIGHTS REAR SCENE - 2 WHELEN 900 24 DIODE LED** Two (2) Whelen 900 Series super LED scene/load lights with chrome bezels shall be installed on the upper rear of the module. The lights shall operate from a switch on the master control console, labeled "Rear Scene Lights". ----------	1.00
WL090002	**LIGHTS REAR WINDOW - 2 WHELEN 900 SUPER LED** Two (2) Whelen 900 series super LED warning lights with chrome flanges shall be installed on the rear of the module at window level, one (1) on each side. These lights shall operate from a switch on the master control console, labeled "Flashers". ----------	1.00
WLCLR1R	**WINDOW LEVEL LIGHT LOCATION 1 - RED** The warning light located on rear of the module at window level, location 1 shall be red. ----------	1.00
WLCLR2R	**WINDOW LEVEL LIGHT LOCATION 2 - RED** The warning light located on rear of the module at window level, location 2 shall be red. ----------	1.00
30-26-3009	**LIGHTS, REAR TAIL - WHELEN 600 LED STOP, TURN, & MAXIMUM INTENSITY BACK-UP** Install: (1) pair each of Whelen 600 series LED stop/tail lights, turn lights, and fully populated MAXIMUM intensity LED back-up lights with chrome bezels on rear of the module. ----------	1.00
30-26-7002	**LIGHT, LICENSE PLATE LED - WHELEN OACOEDCR** Install:(1) Whelen OACOEDCR LED license plate light with 45 deg angled chrome-plated bezel on the rear of module, lower left side. ----------	1.00
FIL07T0002	**LIGHTS FRONT INTERSECTION - 2 WHELEN 700 LED W/15 DEGREE TILT HOUSING** Two (2) Whelen 700 series super LED warning lights, with water-proof connectors, shall be mounted in 15 degree tilt housings on the front chassis fenders, one (1) on	1.00

	each side. The lights shall operate from a switch on the master control console labeled "Flashers". NOTE: When vehicle is placed in park, the override switch must be on for intersection light(s) to remain on. ----------	
FILCLR1R	**FRONT INTERSECTION LIGHT LOCATION 1 - RED** The warning light located on front of the chassis fender in location 1 shall be red. ----------	1.00
FILCLR2R	**FRONT INTERSECTION LIGHT LOCATION 2 - RED** The warning light located on front of the chassis fender in location 2 shall be red. ----------	1.00
RIL070002	**LIGHTS INTERSECTION REAR - 2 WHELEN 700 LED** Two (2) Whelen 700 series super LED warning lights with, chrome flanges and water-proof connectors, shall be installed above the rear wheel wells, one (1) on each side. These lights shall operate from a switch on the master control console screen labeled "Flashers". NOTE: When vehicle is placed in park, the override switch must be on for intersection light(s) to remain on. ----------	1.00
RILCLR1R	**REAR INTERSECTION LIGHT LOCATION 1 - RED** The warning light located on above the rear wheel well at location 1 shall be red. ----------	1.00
RILCLR2R	**REAR INTERSECTION LIGHT LOCATION 2 - RED** The warning light located on above the rear wheel well at location 2 shall be red. ----------	1.00
30-27-1102	**LIGHTS, ICC / LED CLEARANCE - ON MODULE SIDE - TECNIQ** Install: (2) red Tecniq LED (S33-RR00-1) clearance/ICC lights, (1) red on each side at rear of the vehicle, flash with turn signal, per Dwg #3 and #4. ----------	1.00
SWL090004	**LIGHTS SIDE WARNING - 4 WHELEN 900 SUPER LED** Four (4) Whelen 900 series super LED warning lights with chrome flanges shall be installed, two (2)on each side of module exterior per dwg. ----------	1.00
SWLCLR1R	**SIDE WARNING LIGHT LOCATION 1 - RED** The warning light located on side of the module, in outer location 1 shall be red. ----------	1.00
SWLCLR2R	**SIDE WARNING LIGHT LOCATION 2 - RED** The warning light located on side of the module, in outer location 2 shall be red. ----------	1.00
SWLCLR3R	**SIDE WARNING LIGHT LOCATION 3 - RED** The warning light located on side of the module, in outer location 3 shall be red. ----------	1.00
SWLCLR4R	**SIDE WARNING LIGHT LOCATION 4 - RED** The warning light located on side of the module, in outer location 4 shall be red. ----------	1.00
SS090004	**LIGHTS SIDE SCENE - 4 WHELEN 900 24 DIODE LED** Four (4) Whelen 900 series 24 Diode LED scene lights with chrome flanges shall be installed, two (2) each module side. These lights shall operate from switches on the master control console labeled "Left Scene Light" and "Right Scene Light". ----------	1.00

Braun - Module Body Construction

Item Number	Description	Quantity
39-00-0005	**AWS ALUMINUM CERTIFIED WELDERS** ---	1.00
39-10-0003	**CONNECTIONS, MODULE** Bolt: to the chassis frame rail with (12) 5/8" -11 grade 8 bolts through OEM rubber insulating spacers installed on outriggers at twelve (12) separate locations (six each frame rail), providing noise insulation and easy removal for chassis replacement, mounting bolts to be properly torqued and secured with locktite, system used for fastening the module to the frame to be that approved by the chassis manufacturer.	1.00
40-00-0080	**INSULATION - POLYURETHANE SPRAY FOAM** The walls, ceiling, passage doors, outside storage doors, the entire underside of the module floor (except for mounting pads), the underside of the outside storage compartments, the wheel wells, and the underside of the curbside step area shall be completely foam - in - place insulated with nominal 3/4" thick sprayed on Class I, urethane foam for thermal and acoustical insulation. The insulation shall comply with FMVSS #302 flame spread requirements. The underside of the body shall be properly prepared to ensure adhesion before the spray insulation is applied. ---	1.00
39-00-0001	**MODULE BODY CONSTRUCTION - SEAMLESS** Module: fabricated entirely of parts cut and formed from .125" (minimum) thickness 5052-H32 flat aluminum sheet stock, using CNC machines capable of .010" repeatability. This is the only alloy that may be used for body parts that are welded together. Roll-cage type interior super-structure, aluminum partition and module welded together into a single unit, roof designed with a minimum 1.5" crown to facilitate water run-off. Floor, roof, sides, all exterior doors fabricated from .125" (minimum) thick flat aluminum sheet stock, exterior joints between the roof and side components continuous full seam welded the entire length of the module. All exterior body panel joints continuous full seam welded. No VHB bonding tape or other adhesives used in the construction of the ambulance module. ---	1.00
39-00-0002	**SOLE SOURCE MODULE BODY CONSTRUCTION** ---	1.00

Braun - Module Features / Exterior

Item Number	Description	Quantity
40-00-0009	**ALUMINUM PARTS - MODULE EXTERIOR** All unpainted exterior aluminum parts to be bright dip anodized after fabrication to retain the finish and increase corrosion resistance. ---	1.00
40-00-0010	**CORROSION MINIMIZATION - MODULE** All module contact with dissimilar metals shall be minimized with the use of nylon screw-hole inserts to provide hinge to door isolation with the module body, polypropylene strip hinge Isolation, polyethylene backed rubber tape, ceramic coated stainless steel hinge bolts, and ECK brand corrosion inhibitor spray. ---	1.00

40-00-0020	**DOOR CONSTRUCTION - GASKET PLACEMENT** All exterior hinged module doors shall be constructed in an inverted pan-formed design. The pan shall be constructed from .125" thick 5052-H32 flat sheet aluminum. The exterior door skin shall be constructed of .190" thick aluminum and welded to the pan. Door gaskets shall be attached to the interior side of the door skin on the top, bottom and outer edge of the door. The gasket on the hinge side of the door will be attached to the door frame. ----------	1.00
40-00-0060	**EXTERIOR COMPARTMENTS - SWEEP-OUT** Exterior module compartments: a sweep-out design to aid in facilitation of the purchaser's routine care and cleaning of the vehicle. All exterior compartment floors, with the exception of the front ALS compartment to be constructed to be flush with the bottom door frame. ----------	1.00
40-00-0030	**EXTERIOR COMPARTMENTS DESIGN** All exterior compartments shall be vented and include: sound absorbing slip resistant polyurethane material sprayed on the inside of all compartments and compartment shelving, slide out trays and closeouts, baffled seep holes provided to prevent water from splashing or seeping into the exterior compartments, full-length, two-way adjustable, stainless steel hinges on all exterior compartment doors with 3/16" stainless steel hinge pins, compartment doors installed, flush with the module body, when double doors are provided, each door to have exterior handle, but only the forward door lockable, rearward door is secured when forward door is locked), all exterior compartments and passage doors keyed alike, lockable Eberhard "free-floating" type chrome plated handles with rotary locks. Gasket installed under each handle to protect the paint; drip rails installed above all exterior compartment doors.	1.00
40-00-0050	**EXTERIOR COMPARTMENTS, VENTING** (9) square inches (minimum) of venting inside #1, #2, #3, & #4 exterior storage compartments to provide for easier closure of the compartment doors. ----------	1.00
40-00-0055	**EXTERIOR COMPARTMENTS, VENTING - OXYGEN STORAGE** (9) square inches (minimum) of venting provided in the exterior oxygen storage compartment, to dissipate any leaking oxygen gas. ----------	1.00
40-00-0070	**HANDLES, EBERHARD - CHROME FREE FLOATING TYPE** Install: Eberhard #EMC-1-2110 chrome "free-floating" handles on each exterior module door, large enough to accommodate a gloved hand. ----------	1.00
40-10-0072	**LOWERED MODULE SIDES** Module sides to be as low as possible and still comply with KKK-1822-F ramp break over angle.	1.00
40-10-0321	**STEPWELL, CURBSIDE DOORWAY - MID STEP AREA** Install: aluminum diamond plate step well and mid-level step in curbside doorway threshold area. ----------	1.00
40-00-0091	**THRESHOLD, STAINLESS STEEL - ALL OSS STORAGE COMPARTMENTS** Each exterior storage compartment with a hinged door: stainless steel lower threshold at the door opening to protect the paint. ----------	1.00
40-10-0340	**STONE GUARDS, MOD FRNT -ANODIZED DIAMOND PLATE**	1.00

	Install: anodized aluminum diamond plate stone guards on module front, (1) each side. ----------	
40-10-0066	**DOOR SLIDING - MODULE CURBSIDE PASSAGE** Install EZ Glide curb door. ----------	1.00
40-10-0088	**DOORS - REAR PASSAGE** Patient compartment rear door opening: doors flush without a protruding flange or lip, right rear passage door lockable, chrome exterior handle, left rear door non-locking, chrome exterior handle, all handles installed with a gasket, hinge full length stainless steel with a 3/16" stainless steel hinge pin, two-way adjustable, each rear door two-point slam action automotive type rotary latching system to the body, right rear door lock to the body at the top and bottom, not to left rear door, doors .213" steel door latch activator rods with clevis adjusters, doors lockable from inside and outside, shut on molded, air-core, automotive type door seals to prevent water from leaking into vehicle interior. ----------	1.00
40-10-0130	**EMERGENCY RELEASE LEVER, REAR PATIENT PASSAGE DOORS** Install emergency release lever, attached to each rear passage door latch to be free-floating from the interior door linkages.	1.00
40-10-0505	**WINDOWS, PASSAGE DOOR - (CURB SLIDING, REAR FIXED)** Curbside passage door (sliding) window with removable screen, rear passage doors w/ non-openable window, windows 69% dark tint, secured with black oxide coated fasteners, open doors not to block warning lights.	1.00
40-10-0103	**FENDERETTES - POLISHED ALUMINUM** Install: Polished aluminum fenderettes around the rear wheel well openings. ----------	1.00
40-10-0119	**HOLD-OPEN - REAR DOORS - GRABBERS** Install: door grabbers (1 pair) with hard rubber inserts on rear doors. ----------	1.00
40-10-0360	**KICKPLATE/THRESHOLD, REAR DOORWAY - ANODIZED DIAMOND PLATE** Install: anodized aluminum diamond plate kick plate at the rear exterior doorway, providing a kick / scuff plate at rear of the vehicle above rear step, per dwg # 2. ----------	1.00
40-10-0204	**MUD FLAPS, REAR - BLACK RUBBER FIBERGLASS REINFORCED - THREE COLOR** Install black rubber, fiberglass reinforced mud flaps with a minimum 1/4" thickness bolted to underside of module behind rear wheels, to provide adequate coverage of ear dual wheels of the chassis, mud flaps to be (3) color with the Manufacturers Logo. ----------	1.00
40-10-0266	**REAR STEP/BUMPER -FLIP-UP CENTER SECTION - STAR PUNCHED AND ANODIZED** Affix: rear bumper to chassis frame, constructed with a hinged center section, (2) steel braces to secure step to chassis frame, outer 17" on each end of bumper constructed from heavy gauge stamped polished stainless steel bumper parts, to provide smooth rounded corners, step constructed of star punched .125" thick aluminum diamond plate, (2) rear LED step illumination lights provided. All diamond plate surfaces to be anodized; strip of black PVC installed on face of step. ----------	1.00
40-10-0381	**TOW HOOKS, MODULE REAR** Secure: fasten (2) tow hooks in rear step area to rear step braces. ----------	1.00
40-10-0280	**RUB RAILS, ANODIZED ALUMINUM**	1.00

	Install: anodized polished aluminum rub rails on lower sides of body, below outside compartment sill areas., rub rails to be offset 3/16" from body. ----------	
40-00-0019	**DOOR SKINS, OUTSIDE STORAGE COMPARTMENTS - DIAMOND PLATE INTERIOR SKINS** Interior door skins for all outside storage compartments constructed of .063" thick aluminum diamond plate. ----------	1.00
OS1XL1STD	**OSS #1 - STREETSIDE FORWARD** OSS #1 streetside forward, hinged door with spring-loaded gas cylinder, locking handle installed on the exterior of the door. ----------	1.00
OS1XL1OP4	**OSS #1 - OXYGEN STORAGE** OSS #1 streetside forward, for housing an O2 cylinder. ----------	1.00
OS102WELD	**OSS #1 - OXYGEN STORAGE BRACKET WELDED IN FOR H or M CYLINDER** An oxygen storage bracket shall be welded in OSS #1 for retention of "H" or "M" oxygen cylinders. ----------	1.00
OS2XL1STD	**OSS #2 - STREETSIDE CENTER** OSS #2 streetside center, hinged double doors with spring-loaded gas cylinders, handles installed on the exterior of each door, forward door with locking handle. ----------	1.00
OS2XL1OP1	**OSS #2 - (1) ADJUSTABLE SHELF** OSS #2 streetside center, with one (1) adjustable shelf. ----------	1.00
OS2SHELF1	**OSS #2 - SHELF ONE (1) ADJUSTABLE WITH TRACK** Outside storage compartment #2 shall contain one (1) adjustable shelf with track. ----------	1.00
OS3XL1STD	**OSS #3 - STREETSIDE REAR - TALL DOOR** OSS #3 streetside rear, hinged door with spring-loaded gas cylinder, locking handle installed on the exterior of the door. ----------	1.00
OS3XL1OP1	**OSS #3 - (1) ADJUSTABLE SHELF WITH INSIDE/OUTSIDE ACCESS** OSS #3 streetside rear, for providing I/O storage access, and contain one (1) adjustable shelf. ----------	1.00
OS3SHELF1	**OSS #3 - SHELF ONE (1) ADJUSTABLE WITH TRACK** Outside storage compartment #3 shall contain one (1) adjustable shelf with track. ----------	1.00
OS4XL1STD	**OSS #4 - CURBSIDE REAR** OSS #4 curbside rear, hinged door with spring-loaded gas cylinder, locking handle installed on the exterior of the door. ----------	1.00
OS4XL1OP4	**OSS #4 - BACKBOARD AND (2) ADJUSTABLE SHELVES WITH INSIDE/OUTSIDE ACCESS AND FIXED DIVIDER** OSS #4 curbside rear, with one (1) fixed vertical divider for backboard/scoop stretcher storage on one side and and two (2) adjustable shelves with inside/outside storage access on other. ----------	1.00
OS4BB	**OSS #4 - BACKBOARD - SCOOP STRETCHER STORAGE**	1.00

	Compartment #4 shall provide storage for backboards / scoop stretcher, with a (1) inch adjustable strap with black plastic buckle. ----------	
OS4DIV1	**OSS #4 - FIXED DIVIDER** One (1), fixed divider with sprayed on polyurethane material shall be provided and installed in outside storage compartment #4 per dwg. #4. ----------	1.00
OS4SHELF2	**OSS #4 - SHELVES TWO (2) ADJUSTABLE WITH TRACK** Two (2) adjustable shelves with track in outside storage compartment #4. ----------	1.00
OS5XL1STD	**OSS #5 - CURBSIDE FORWARD** OSS #5 curbside forward, hinged door with spring-loaded gas cylinder, locking handle installed on the exterior of the door. ----------	1.00
OS5XL1OP1	**OSS #5 - INSIDE/OUTSIDE ACCESS TO THE ALS CABINET - #5B OPEN STORAGE AREA** OSS #5 curbside forward, inside/outside access to the ALS cabinet, and #5B lower storage area. ----------	1.00

Braun - Module Interior / Patient Compartment

Item Number	*Description*	*Quantity*
50-51-1001	**CABINET CONSTRUCTION - INTERIOR - ALUMINUM** All interior cabinets shall be constructed of .090" thick welded aluminum. ----------	1.00
50-60-0220	**EMBLEMS / SIGNS - REAR PATIENT COMPARTMENT** (2) "No Smoking / Oxygen Equipped / Fasten Seat Belts" signs: (1) sign installed in the cab, (1) above the oxygen outlets in the patient compartment street side cabinet. ----------	1.00
50-60-0300	**FLOOR CONSTRUCTION- PATIENT COMPARTMENT, NON-WOOD COMPOSITE** Sub-floor in the patient compartment: constructed of .125" thick aluminum over .125" and .190" thick reinforcing hat sections and mounting laterals, aluminum sub-floor covered with a 3/4" non-wood composite material, all corner molding, edging and trim anodized aluminum or stainless steel and sealed to prevent fluids from seeping under the cabinets. ----------	1.00
50-60-0301	**FLOORING - COVE** Patient compartment floor radius: coved with pre-formed floor coving material, installed behind the vinyl floor covering, along both the street side and curbside walls. ----------	1.00
50-60-0391	**HEADLINER - REAR PATIENT COMPARTMENT** Headliner in the patient compartment shall be one-piece, seamless, .090 thick aluminum finished with sprayed-on multi-use polychromatic coating.	1.00
50-51-1013	**HOLD OPENS FOR INTERIOR DOORS** All interior cabinets with doors less than 6" tall shall have friction hinges as hold opens for door(s). Doors 6" and taller shall be designed using gas shocks as hold opens for the door(s). ----------	1.00
50-60-0660	**PADDED EDGING PROTECTION**	1.00

	Install: padded corner edging where necessary on exposed corners and edges in the patient compartment for patient and attendant protection.	
50-00-0202	**ROUNDED INTERIOR CORNERS** Interior vertical edges: rounded/padded corners in the following locations: forward and aft edges of the CPR seat, the wall at the aft end of the squad bench, the partition opening cabinet edges and the upper front wall cabinet. ----------	1.00
50-51-1011	**RECESSED ADJUSTABLE SHELF TRACK - CABINETS** Install recessed adjustable shelf track in cabinets. ----------	1.00
50-51-5001	**UPHOLSTERY - PATRIOT PLUS CHARCOAL #8605** All cushions, head pads and seating surfaces shall be covered with Patriot Plus Charcoal #8605 ----------	1.00
50-60-0661	**INTERIOR MODULE PADS** Vinyl upholstered, foam cushioned head/back pads shall be installed as follows: the lower edge of the upper front wall cabinet (above the partition doorway or window), above the rear doors, above the side door, and on the street side wall behind and on each side of the CPR seat. The pads shall be covered with a flame-retardant color coordinated vinyl upholstery material. ----------	1.00
50-51-6003	**LONPLATE II, NON-SLIP EMBOSSED SM. GRID - GUNMETAL #424** The floor in the patient compartment shall be covered with Lonseal brand "Lonplate II" non-slip; small grid (embossed) Gunmetal #424. ----------	1.00
50-51-2002	**CABINET DOORS - CLEAR POLYCARBONATE** All cabinet doors shall be clear polycarbonate material / installed in aluminum track lined with PPL inserts / An edge mounted aluminum handle shall be installed on each sliding cabinet door. ----------	1.00
50-51-3001	**CABINETS/ WALLS - POLYCHROMATIC COATING - MARBLE STONE** Headliner, walls, cabinet faces, and cabinet interiors MultiSpec color to be Marble Stone ----------	1.00
IS-CNT2-ACR	**COUNTER TOP, SOLID ACRYLIC - SECONDARY ACTION AREA** Install: solid acrylic countertop with 1/2" lip on the secondary action area. ----------	1.00
IS-CNT-ACR	**COUNTER TOP, SOLID ACRYLIC** Install: solid acrylic countertop with 1/2" lip on the primary action area. ----------	1.00
50-51-4033	**COUNTERTOP - SOLID ACRYLIC - RAVEN BOULDER (GRAY/BLACK)** Install a solid acrylic counter top, Raven Boulder (#810).	1.00
50-01-0408	**LATCHES, CABINET, CN10 COMPLIANT AS APPLICABLE - INCLUDING RADIO CABINET** The ACP (attendant control panel) door, the PDQ (power distribution quarters) door, and the radio cabinet door shall be secured with chrome locking lever latches/ all remaining interior hinged cabinet doors with center squeeze latches/all interior drawers with locking flush pull latches.	1.00
50-10-0229	**LEFT WALL - ATTENDANT CONTROL PANEL - WITH FLAT AREA** A Weldon Vista Control Screen shall be mounted on a hinged access panel and secured with two (2) latches. The panel will be located to the immediate right of the attendant's seat. The forward portion of the panel will contain a flat area that may be	1.00

	used for future radio mounting, etc. ----------	
IS1XL1OP1	**CABINET - FIXED FRAME WITH SLIDING POLYCARBONATE DOORS AND (1) ADJ. SHELF EACH SIDE OF CENTER DIVIDER** Left wall, upper rear interior cabinet (#1): fixed frame, sliding polycarbonate doors w/full length handles, the outer most sliding door to have handles on both ends, center divider with (1) adjustable shelf each side ----------	1.00
IS2XL1OP1	**CABINET - FIXED FRAME WITH SLIDING POLYCARBONATE DOORS AND (1) ADJ. SHELF EACH SIDE OF CENTER DIVIDER** Left wall, upper interior cabinet (#2): fixed frame, sliding polycarbonate doors w/full length handles, the outer most sliding door to have handles on both ends, center divider with (1) adjustable shelf, each side. ----------	1.00
IS3XL1OP1	**CABINET - HINGED POLYCARBONATE DOORS WITH CENTER SQUEEZE LATCHES AND FULL LENGTH HANDLES, INSIDE/OUTSIDE ACCESS TO OSS #3** Left wall rear interior cabinet (#3): fixed frame, hinged polycarbonate doors w/ center squeeze latches and full length handles, inside/outside access to OSS #3. ----------	1.00
IS4XL1OP1	**CABINET - SLIDING POLYCARBONATEDOORS WITH (1) ADJUSTABLE SHELF** Left wall interior cabinet (#4) below secondary action area: fixed frame, sliding polycarbonate doors w/ full length handles, the outermost sliding door to have handles on both ends (1) adjustable shelf. ----------	1.00
IS5XL1OP1	**PULL-OUT DRAWER WITH HINGED ACRYLIC WRITING SURFACE AND LOCKING STAINLESS STEEL FLUSH PULL LATCH. RECESSED SUCTION BELOW DRAWER** Left lower wall: (1) drawer (#5) aisle facing, primary action area, under the attendant control panel, hinged acrylic writing surface, locking stainless steel flush pull latch. A recessed SSCOR suction canister shall be located below the drawer. An SSCOR suction system with a 12 VDC electric vacuum pump: recessed into the street side lower interior wall near the attendant seat, pump shall be mounted in the standard OSS #2, pump exhaust shall be vented to the exterior of the vehicle. (must use SSCOR pump and tubing) ----------	1.00
50-60-0018	**ASPIRATOR / SUCTION - SSCOR - WITH ELECTRIC PUMP - RECESSED** An SSCOR suction system shall be recessed into the street side lower interior wall near the attendant's seat. The 12 VDC SSCOR electric vacuum pump to be installed in an exterior compartment per the location on the drawing (must use SSCOR pump and tubing). ----------	1.00
IC1XL1OP2	**INSIDE/OUTSIDE ACCESS TO OSS #4 WITH HINGED POLYCARBONATE DOOR, FULL LENGTH HANDLE, AND CENTER SQUEEZE LATCH** Compartment #1 on the rearward curb side wall, inside/outside access to OSS #4, hinged polycarbonate door, full length handle, center squeeze latch. ----------	1.00
IC2XL1OP22	**SQUAD BENCH WITH RECESSED SHARPS/WASTE BELOW SEPARATE BENCH LID. SECOND PATIENT TRANSPORT ON THE SQUAD BENCH.** The Curbside wall shall have a squad bench which will include storage, a split lid with gas cylinder hold opens, and a recessed sharps and trash container. ----------	1.00
IC3XL1OP1	**(2) ANGLED LED LIGHTS OVERHEAD WITH OXYGEN OUTLET MOUNTED TO THE WALL**	1.00

	(2) LED lights on overhead angled panel on curb side upper wall. ----------	
50-50-0503	**SQUAD BENCH TOP - SPLIT WITH HINGED LID FORWARD WITH SHARPS / TRASH ACCESS** Squad bench top and cushion shall be split into two (2) sections with separate hinged lids/ forward most section shall have the sharps and trash container installed/ bench covered with color coordinated vinyl upholstery material/automatic latching fastener shall be installed in both sections ----------	1.00
50-50-0541	**HOLD OPENS - SQUAD BENCH LID - GAS CYLINDERS** Gas cylinder hold-open(s) shall be provided and installed to hold lid in the open and closed position. ----------	1.00
50-60-0709	**SHARPS AND TRASH CONTAINERS - ACCESS THRU SQUAD BENCH LID** A 6.9 qt. #BD5489 sharps container, and a 8 qt. trash container installed in the forward end of the squad bench base, containers accessed through the squad bench lid covered with a 3/8" thick clear acrylic hinged lid with a biohazard warning label. ----------	1.00
50-60-0718	**SQUAD BENCH FACE - VINYL FLOORING MATERIAL** The face of the squad bench shall be covered with vinyl flooring material. ----------	1.00
SQ-BN-BASE	**SQUAD BENCH BASE W/STORAGE** A storage area shall be provided in the squad bench base. The squad bench base shall be constructed of .090" thick aluminum for maximum storage capacity and minimum weight. The interior of the squad bench shall be sprayed with sound absorbing polyurethane material. ----------	1.00
IF3PDQ	**CABINET - PDQ** The Power Distribution Quarters (PDQ) shall hold electrical components, (i.e., power distribution nodes, circuit breakers, etc.), hinged door with (2) chrome locking lever latches, located on the partition wall behind the attendant seat. ----------	1.00
IF1XL1C4	**CABINET - FRONT WALL, UPPER #1 - HINGED ALUMINUM DOOR W/INSERT** The front wall interior cabinet #1, flip up hinged aluminum door with polycarbonate insert and gas shock hold-open(s), center squeeze latch, (1) adjustable shelf. ----------	1.00
IF1XL1OP4	**CABINET WITH HINGED ALUMINUM DOOR WITH POLYCARBONATE INSERT AND CENTER SQUEEZE LATCH WITH (1) ADJUSTABLE SHELF** Install cabinet with hinged aluminum door with polycarbonate insert and gas shock hold-open(s) in the upper front wall. ----------	1.00
IF2XL1OP1	**CABINET - UPPER/LOWER WITH HINGED POLYCARBONATE DOORS, CENTER SQUEEZE LATCHES, (1) ADJ. SHELF PER CABINET** Front interior wall cabinet #2 fixed frame separated into (2) cabinet sections, upper and lower, each enclosed with (1) set of hinged polycarbonate doors with center squeeze latches, (1) adjustable shelf per each section and (1) adjustable shelf between the sections for a total of (3) adjustable shelves. ----------	1.00
IF3XL1OP1	**CABINET - VENTED RADIO CABINET PDQ ABOVE** Power Distribution Quarters (PDQ) compartment and a vented radio compartment below the PDQ, lower front wall, left. ----------	1.00

IF3XL1RAD	**CABINET - FRONT WALL, LOWER BELOW PDQ (SINGLE VENTED DOOR)** A radio cabinet with a vented, hinged aluminum door, secured by a chrome locking lever latch, located on the front lower left wall, door to open towards rear of the module. ----------	1.00
IF4XL1OP1	**PASS-THROUGH WINDOW OPEN TO THE CAB** Window opening, pass-through from cab to module. ----------	1.00
50-20-0507	**PASS THROUGH - CAB TO MODULE, WINDOW OPENING** A window opening: provided in the rear of the cab to accommodate pass-through communications to the patient compartment, bellows provided to connect the cab to the module.	1.00
50-50-0118	**SEATING - ATTENDANT - USSC VALOR R - BACK INTEGRAL CHILD, SWIVEL SEAT CN8 COMPLIANT** A USSC Valor rear facing, R-back attendant seat with an integrated child seat installed at the head of the patient cot: a (2) position swivel seat mounted on a pedestal base with a heavy-duty seat frame / ABTS (All Belts To Seat) application with (4) point / (4) retractors single click internal mount belt system. The seat shall be padded and covered with sewn matching vinyl upholstery. ----------	1.00
50-50-0122	**SEATING - ATTENDANT - SIDE MOUNT POSITION** The attendant seat shall be in a side mount position. ----------	1.00
CPROP1	**SEATING - CPR - VALOR WITH 4PT BELTING** A CPR seat: on the street side of the patient compartment aft of the primary action area counter: KKK-A-1822F Change Notice 8 compliant, VALOR A-VAL shelf mount back frame and internal bolsters, single click, four (4) point / four (4) retractors, internal mount belt system, VALOR A-VAL shelf mount back frame and the seat shall be padded and covered with cushioned, color coordinated, cut and sewn vinyl. ----------	1.00
SQSTOP1	**SEATING - CN8 COMPLIANT TWO (2) VALOR A-VAL BACK** A Squad bench seat: (2) Valor A-Val Back individual seating positions will be installed on the curb side of the patient compartment. Seats shall have a VALOR A-VAL shelf mount back frame and internal bolsters with (4) point / (4) retractors single click internal mount belt system / padded and covered with cushioned, color coordinated, cut and sewn vinyl. ----------	1.00
50-60-0424	**HEAT/AIR CONDITIONING, HOSELINE FT-454, BRUSHLESS BLOWER 580 cfm (36,000 BTU HEAT/32,000 BTU COOL)** Install Hoseline FT-454 with 4x4 AC/Heat Core w/ brushless blower motor. ----------	1.00
50-61-0001	**ASSIST HANDLES, (6) BLACK RUBBER** Install: a total of (6) 10-7/8" black vulcanized rubber with steel core assist handles installed: (1) handle on each rear door, (1) on the curbside door, (1) at the curbside doorway and (2) at the rear doorway. ----------	1.00
50-60-0730	**DOOR PANELS - MODULE PASSAGE DOORS - FULL LENGTH ALUMINUM - W/ACCESS PANELS** Interior rear and curbside passage door panels to be full length aluminum, Multi-Spec sprayed to match interior color and contain removable latch access panel per	1.00

	dwg. # 6 & # 8. (Total 3). ----------	
50-60-0256	**EXHAUST VENTILATOR, 3-SPEED - MULTIPLEX ELECTRIC SYSTEM** Install: three-speed, 250 CFM (minimum) exhaust fan in the street side cabinet in the patient compartment, fan pulse width modulated from a switch on the attendant control panel vista screen, exhaust system to have a louvered grille inside and a chrome vent outside, system vent through the side of the vehicle, not through the roof. ----------	1.00
50-60-0322	**GLOVE DISPENSER - (3) BOX - ABOVE ENTRY DOOR - CURBSIDE (ABS)** A three (3) - box glove dispenser unit, with a clear acrylic hinged access panel with three (3) cut-outs, shall be provided above the curbside entry door. A 1/4" turn latch will be installed on the face of the glove box access panel. ----------	1.00
50-60-0340	**GRAB RAIL, 1-1/4" DIAMETER, (96") OVER COT AREA** (1) 1-1/4" diameter x 96" long stainless steel grab rail installed on the ceiling for attendant/ patient balance control, attached to the ceiling with (3) mounting brackets that secure it to the super structure of the module. Installation to comply with AMD-008 requirements.	1.00
50-60-0431	**IV HANGERS - CEILING RECESSED - CAST PRODUCTS #IV2008-1 (2)** Two (2) Cast Products #IV2008-1 recessed; dual ceiling I.V. hangers shall be provided per Dwg #9 locations. ----------	1.00
50-60-0640	**OXYGEN SYSTEM, ELECTRIC - MULTIPLEX ELECTRIC SYSTEM** A 12 VDC controlled electric O2 system operated through the v-mux multiplex electrical system shall be provided and installed.	1.00
50-60-1601	**OXYGEN OUTLET (1) LEFT WALL - OHIO MED - ACTION AREA** One (1) Ohio Medical flush mounted; quick release wall outlet shall be installed in the forward street side cabinet action area. Per dwg #5 ----------	1.00
50-60-1640	**OXYGEN OUTLET (1) RIGHT WALL - OHIO MED - HEAD END OF SEATING AREA** One (1) Ohio Medical flush mounted; quick release wall outlet shall be installed in the right wall above the head end of the curbside seating area. Per dwg #6 ----------	1.00
50-60-1680	**OXYGEN OUTLET (1) CEILING - OHIO MED - ABOVE HEAD OF COT** One (1) Ohio Medical flush mounted; quick release oxygen outlet shall be installed in the ceiling above the head of cot in the center mount position. Per dwg #9 ----------	1.00
50-60-0629	**FLOW METER, OXYGEN - THORPE STYLE** One (1) Thorpe style oxygen flow meter (15LPM) shipped loose with the completed vehicle. ----------	1.00
50-60-0761	**STAINLESS STEEL WALL PROTECTION - INTERIOR STREETSIDE** A brushed stainless steel panel shall be provided on the street side wall from the bottom of the CPR seat. ----------	1.00
50-60-0820	**ANTI-SLIP MATTING - CURBSIDE STEPWELL** Anti-Slip charcoal gray matting shall be installed in the curbside step well. ----------	1.00

Braun - Optional Patient Compartment Items

Item Number	Description	Quantity
50-62-0302	**COT FASTENER - STAT-TRAC SINGLE - CENTER POSITION CN8 COMPLIANT** Install a 96" Stat-Trac single position center mount ----------	1.00

Braun - Paint / Graphics

Item Number	Description	Quantity
60-01-0001	**PAINT PROCEDURE** All non-anodized aluminum module body surfaces: completely chemically steam cleaned, filled with premium body filler as needed, sanded smooth and primed with an epoxy primer and then primed again with a high solid primer, cured primer surfacer shall be DA sanded with 320 grit and cleaned. A high solid primer shall then be applied, where needed, as a sealer. ----------	1.00
60-01-0005	**STANDARDS AND SPECIFICATIONS FOR VEHICLE PAINT APPEARANCE** Adhere to Standards and Specifications for Vehicle Paint Appearance. ----------	1.00
60-10-0108	**CAB - OEM PAINT White** ----------	1.00
60-01-0004	**BUFFING, PAINT - MODULE** The paint on the module sides shall be buffed to a high shine using a recommended paint buff system. ----------	1.00
60-01-0002	**PAINT MODULE - OEM PAINT PLUS CLEAR COAT White** Paint module OEM to match the chassis. The entire module shall be clear-coated, using an Axalta Process, sprayed over the final paint coat. ----------	1.00
60-30-0200	**REFLECTIVE - DOOR REFLECTIVITY** Install reflective material (25" x 2.5" red/silver chevron style), on the lower interior stainless steel panel of each rear door and hinged side door. NOTE: If a sliding side door is provided, install a 1.50" x 40.00" white reflective stripe on the rear facing edge. ----------	1.00
60-25-0101	**REFLECTIVE - BLACK MATERIAL IN RUB RAILS** Install black reflective material in rub rails. ----------	1.00

Braun - Vehicle Manuals

Item Number	Description	Quantity
80-20-0001	**VEHICLE MANUALS (1) PACKAGE SET** One (1) Delivery Manual Package shall be supplied with the vehicle, and shall include the following items: Ambulance manufacturer parts, service, and operation manuals, OEM chassis owner's guide, complete 12 VDC and 125 VAC wiring schematics for all included standard and optional systems, Multiplex Electrical system programming -	1.00

THE CITY OF NEW SMYRNA BEACH - MARINA

RESOLUTION NO. 58-24: CONSIDER THE ADOPTION OF A RESOLUTION, WHICH IF ADOPTED, WOULD APPROVE A 3% INCREASE FOR ANNUAL SLIP LEASES AND TRANSIENT SLIP RATES AT THE CITY MARINA EFFECTIVE OCTOBER 1, 2024.

September 10, 2024

Background:

During the September 26, 2023, city commission meeting, Leisure Services Director Rob Salazar presented the commission with options regarding pricing for transient slips at the city's marina. The commission elected to pursue a revamp of the marina's transient pricing structure and allow the city to adjust both annual and transient rates annually on October 1st of each year according to CPI or a minimum of a 3% rate increase annually.

CPI% from July 2023 to July 2024 was 2.9%, because of this the marina rates will be adjusted at the minimum 3% per Resolution No. 29-24.

The marina operates as an enterprise fund. In order to maintain the appropriate standards of appearance and safety, maintain necessary operations, and complete improvement projects like the remaining phases of the dock repairs needed and potential restroom remodel this rate adjustment is needed. Marina rates will continue to remain competitive with competing marinas in the surrounding area with this increase in rates.

Findings:

Staff recommends approval of the 3% increase in marina rates.

Fiscal Analysis:

Based off revenue figures from FY 23 and FY 24, the marina expects to generate approximately $10,000 in additional revenue in FY 25 from this rate increase.

Strategic Plan Item:

No

Staff Report Created By: Robert Salazar - Leisure Services Director

RESOLUTION NO. 29-24

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, ESTABLISHING A NEW RATE STRUCTURE FOR TRANSIENT AND ANNUAL CONTRACT DOCKAGE AT THE CITY MARINA; PROVIDING FOR CONFLICTING RESOLUTIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City operates the marina facilities which provide dockage according to slip sizes used primarily by marina tenants to access the Atlantic Ocean Beach; and

WHEREAS, the marina slips currently are high demand and occupied approximately 90 percent of the time, with periods of time with no availability; and

WHEREAS, the City transient rates at the marina facilities which provide dockage have not had a rate increase since November 2021; and

WHEREAS, the City Commission deems it is in the best interests of the residents of the City of New Smyrna Beach to adjust the rental rate structure for dockage and other fees for the City Marina to be more competitive to that of other municipal marinas in Florida. **(Note: Omissions from text are indicated by [...], deletions from text are indicated by ~~strikeout~~, and additions to text are indicated by underline.)**

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Dockage Rates.*** The dockage rates shall be amended as follows:

Transient Dock Rates	**Current**	**Proposed**
Days 1 to 29	…	$2.00
Daily (per foot)	$2.00	No Changes
30 amp	$6.00	No Changes
50 amp	$10.00	No Changes
Days 30 to 89	…	$1.25
Weekly (per foot)	$12.00	No Changes
30 amp	$36.00	No Changes
50 amp	$60.00	No Changes
Days 90+	…	$1.00
Monthly (per foot)	$18.00	No changes
30 amp	$80.00	No Changes
50 amp	$160.00	No Changes

Annual Fix Timber	Current	Proposed
NSB resident (per foot)	$12.00	No Changes
30 amp	$40.00	No Changes
50 amp	$80.00	No Changes
NSB Non-resident (per foot)	$13.00	No Changes
30 amp	$40.00	No Changes
50 amp	$80.00	No Changes
Annual Floating Aluminum	**Current**	**Proposed**
NSB resident (per foot)	$13.00	No Changes
30 amp	$40.00	No Changes
50 amp	$80.00	No Changes
NSB Non-resident (per foot)	$14.00	No Changes
30 amp	$40.00	No Changes
50 amp	$80.00	No Changes
Live Aboard	$125.00	No Changes

Dockage rates shall be based upon the greater of the slip length or boat length. The minimum dockage shall be 28' as this is the minimum slip size.

SECTION 2: ***Dockage Rate Evaluation.*** That the fees described above shall hereinafter be evaluated on an annual basis beginning October 1, 2025. All other policies, terms, and conditions shall remain unchanged.

SECTION 3: ***Future Rate Adjustment.*** The City may increase transient slip and/or annual slip lease rates effective October 1st annually by CPI-U% or at a minimum of 3%.

SECTION 4: ***Conflicting Resolutions.*** That all resolutions or parts thereof that are in conflict with this resolution are hereby rescinded and repealed.

SECTION 5: ***Effective Date.*** That this resolution shall be effective retroactively to September 26, 2023.

THE CITY OF NEW SMYRNA BEACH - LEISURE SERVICES

SPECIAL EVENT: CONSIDER THE APPROVAL OF THE JOY TO THE ARTS EVENT 2024, TO BE HELD ON SATURDAY DECEMBER 14, 2024.

September 10, 2024

Background:

The Hub on Canal and Janes Art Center request approval to hold their Joy to the Arts community holiday vendor tent event on Saturday, December 14, 2024 from 10am to 4pm. Setup will begin at 7am continuing through 10am, with breakdown completed by 6pm. The event will include vendors in the roadway on Magnolia Street. The closure of Magnolia Street will begin at the Southern boundary of the intersection of Canal Street continuing southbound to the Downing Street intersection's Northern boundary, including the NSB Utilities parking lot exits onto Magnolia. The event will include up to 40 retail vendors tents this year, with 500 anticipated attendees. There will be alcohol sales during the event, provided through The Hub on Canal & Janes Art Center licensed to sell alcohol. All alcohol sales and consumption will be confined to inside the The Hub on Canal and Janes Art Center. The event will have a Santa entertainer and live music to be determined, using a P/A system. One NSB Police Officer will be present during the event to provide security.

Findings:

Staff recommends the approval of the Joy to the Arts Event 2024, to be held on Saturday December 14, 2024.

Fiscal Analysis:

The following permit and event fees will be collected by the city:
Building Dept Major Event Permit Fee: $305.24
Leisure Services Major Event Fee: $532.50

Banner Fee (2): $53.25

Strategic Plan Item:

No

There is a 2 week maximum time that banners may stay up. Location of banner placement is not guaranteed. Due to increase in demand, the Leisure Services Department will do its best to accommodate special requests, but they are not guaranteed.

Banner Requirements (Banners must meet these requirements)

1. Banner size should be **vertical** 4x6 with a 3" hem on the top and bottom, along with a grommet on each corner just above the hem. They must also be **double sided**.
2. Banners must be built to withstand a minimum of 25 MPH winds.
3. Number of banners and placement are based on availability with a **Maximum of 2** banners per event.
4. Banners are only installed and taken down on **Mondays**. They must be delivered to the Leisure Service Department the **Friday** before they are scheduled to go up. Banners must be picked up at the Leisure Services Department within **2 days after** they are taken down. The Leisure Services Department does not have a place to store your banners.
5. If your banners are not delivered on time, you may forfeit your reservation.

I have read and understand the requirements for banner specifications and placement. I further understand that the number and placement of banners is strictly up to the discretion of the Leisure Services Department.

Did you want to come over and sign the form or do you want me to just use this email as approval? You were close on the date it's actually 4/5/25.
Thanks,
Michelle

THE CITY OF NEW SMYRNA BEACH - POLICE DEPARTMENT

CONSIDER THE APPROVAL AND PURCHASE OF 70 GLOCK 45 9MM HANDGUNS, AIM POINT ACRO RED DOTS, STREAMLIGHT TLR-7A WEAPON LIGHTS AND SAFARILAND DUTY HOLSTERS.

September 10, 2024

Background:

Recently, several safety concerns have emerged regarding the NSBPD issued Sig Sauer P320 handgun, posing potential liability to the agency and the city. There have been over 100 reports of the handgun discharging without trigger contact, particularly while holstered with several of these being on body camera. These incidents have led to 93 reported injuries. In late June, Sig Sauer lost a federal lawsuit in Georgia, where the plaintiff was awarded $2.3 million after the handgun discharged in his holster and the bullet struck his leg. Subsequently, 14 additional lawsuits have been filed against Sig Sauer for similar incidents.

Upon receiving the information as well as a notice from the IUPA Police Union regarding the reported failures, NSBPD and the city attorney's office conducted a thorough review of the facts and as such recommend that the handgun be taken out of service to avoid potential injury to our officers and/or the public.

Findings:

The police department recommends transitioning away from the Sig Sauer P320 platform to the Glock 45 platform. Lou's Police Distributors, Inc. has agreed to offer a buy back option for the Sig Sauer P320 handguns if new Glock 45 handguns are purchased from them. Lou's Police Distributors has agreed to purchase each of our 70 Sig Sauer handguns for $400 per handgun, totaling $28,000. The total cost of the transition to Glock including the weapons, lights and holsters would be $83,006. With the trade in value of the Sig Sauer P320 handguns, that brings the total cost of the transition down to $55,006.

Fiscal Analysis:

Three quotes were obtained to seek the best price for the purchase of 70 Glock 45 9mm handguns. Utilizing this information, the handguns will be purchased from Lou's Police Distributors, Inc. and come complete with an Aim Point ACRO Red Dots, Streamlight TLR-7A weapon lights and Safariland duty holsters.

This will require a budget amendment from general fund reserves to expense line

00152101.552036, Ammunitions/Firearms to cover the cost of the purchase of $55,006.

Strategic Plan Item:

No

City of New Smyrna Beach

Memo

To: Chief Eric Feldman

From: Shey McCurdy, Assistant City Attorney

cc: Khalid Resheidat, City Manager

Kyle Cowper, City Manager

Date: August 22, 2024

Re: SIG Sauer P320

The New Smyrna Beach Police Department has entered into a contract with SIG Sauer, Inc., for the procurement of firearms to be issued to all sworn personnel within the department.

The City is currently reassessing its decision to utilize the SIG Sauer P320 as the standard duty weapon for officers, following a recent Georgia jury's finding of liability related to the manufacturing of the SIG Sauer P320 (“P320”).

At the time the contract for the SIG Sauer P320 was established, no jury or court had determined SIG Sauer, Inc., to be liable for manufacturing defects. To date, the New Smyrna Beach Police Department has not experienced any issues with this firearm. Nevertheless, the Police Union informed the City of the recent case in Georgia, prompting the Police Department's Command staff to conduct a thorough review of the concerns raised about this firearm.

SIG Sauer, Inc. is a firearm manufacturing company based in Delaware, with the firearms produced in the United States.

The exact number of accidental discharges involving the P320 is unknown, but it is reported that there have been at least 125 instances of unintentional discharge. A significant number of these

cases are currently being litigated in federal courts, some of which have resulted in class action lawsuits.

The legal implications for the City primarily concern potential liability related to negligence claims. Negligence, a fundamental principle of law, often forms the basis for personal injury or wrongful death suits. The elements of negligence include:

1. **Duty**: The City has a duty to ensure that equipment provided to its personnel is free from defects that could cause harm. This duty extends to protecting both the public and police officers.
2. **Breach of Duty**: A breach occurs if the City fails to act or acts inadequately in fulfilling its duty to provide safe equipment.
3. **Cause in Fact**: This element, also known as the "but for" analysis, requires establishing that the injury would not have occurred but for the City's failure to act.
4. **Proximate Cause**: This involves showing that the failure to act is the direct cause of the injury or harm.

Applying these elements to the current issue, the City has a duty to provide firearms that are free from defects. Despite SIG Sauer's assertion that the P320 is defect-free, a jury has found fault with its design. SIG Sauer plans to appeal this verdict, but the City must address the concerns raised by the jury finding and other reported incidents of unintentional discharge. Continuing to use the SIG P320 could be viewed as a breach of the City’s duty to its officers and the public. If an accidental discharge results in harm, the City could face significant liability due to its failure to switch to a different manufacturer.

Another concern is the potential for defense issues in excessive use-of-force claims. Given that the P320 has been known to discharge unintentionally without a trigger pull, any officer-involved shooting could be challenged on the basis that the firearm discharged accidentally. Without video evidence to confirm the circumstances of the discharge, it would be difficult to refute claims of unintentional discharge. While most unintentional discharges have occurred while the firearm was in the holster or during holster removal, this does not eliminate the risk of such claims.

Currently, only a few agencies in Florida are using the SIG P320, with other agencies opting to different firearm brands. Given the serious risks associated with potential accidental discharges, it is legally advisable for the City to consider switching manufacturers to mitigate potential liability.

THE CITY OF NEW SMYRNA BEACH - FINANCE

RESOLUTION NO. 64-24: CONSIDER THE ADOPTION OF A RESOLUTION, WHICH IF ADOPTED, WOULD AMEND THE FY2023-2024 BUDGET.

September 10, 2024

Background:

In order to transition from the Sig Sauer to the Glock 45 9mm handguns, the police department will need funds in the amount of $55,006. The total cost of the Glock 45's, including lights and holsters, is $83,006, less the trade in value of $28,000 for the 70 Sig Sauer guns.

The total purchase price of $55,006 would be funded by General Fund Reserves.

Staff is recommending approval of the Budget Amendment and the purchase of the Glock 45 9mm handguns.

Fiscal Analysis:

General Fund Adopted Budget: $50,605,704
General Fund Amended Budget: $53,450,675
ALL Funds Adopted Budget: $111,308,920
ALL Funds Amended Budget: $140,861,194

A RESOLUTION OF THE CITY OF NEW SMYRNA BEACH, AMENDING THE BUDGET FOR THE FISCAL YEAR 2023-2024 TO REVISE REVENUES, OPERATING EXPENDITURES, TRANSFERS AND CAPITAL EXPENDITURES; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1. Resolution No. 57-23, which adopted the budget for the City of New Smyrna Beach for the Fiscal Year 2023-2024, and was amended by Resolution Nos. 60-23, 65-23, 67-23, 69-23, 03-24, 04-24, 05-24, 09-24, 12-24, 13-24, 14-24, 20-24, 21-24, 23-24, 25-24, 26-24, 35-24, 36-24, 37-24, 38-24, 40-24, 42-24, 43-24, 44-24 and 52-24 is hereby further amended in order to provide for adjustments in revenues and expenditures.

SECTION 2. That portion of Section 1 of Resolution No. 52-24 reflecting estimated revenues, operating expenditures, and transfers and capital expenditures is hereby amended by increasing or decreasing certain funds identified.

SECTION 3. The Budget Amendment Schedule attached hereto as **Exhibit "A"** identifies the specific accounts being modified as summarized in Section 2, above.

SECTION 4. This Resolution shall take effect immediately upon its adoption.

APPROVED AS TO FORM AND CORRECTNESS:

/s/ CARRIE AVALLONE
City Attorney

THE CITY OF NEW SMYRNA BEACH - CITY MANAGER'S OFFICE

CONSIDER THE APPROVAL TO AUTHORIZE THE CITY MANAGER TO EXECUTE A COMMERCIAL CONTRACT BETWEEN THE CITY OF NEW SMYRNA BEACH AND THE KARTER PRESLEY LYNAUGH TRUST FOR PROPERTY LOCATED AT 403 MAGNOLIA STREET, NEW SMYRNA BEACH FLORIDA.

September 10, 2024

Background:

The City received a reimbursement grant from the State of Florida in the amount of $600,00.00 in 2022 for the rehabilitation of the Women's Club Facility. After proceeding with the design and early renovation efforts, it became apparent that the cost of a total rehabilitation was beyond the City's means to complete. Eventually, the City chose to cancel the contract and proceed with the RFP process to sell the property for the purpose of historic rehabilitation. The City received 2 proposals from the RFP process. The first was for an $85,000 purchase price and demolition of the structure. The second proposal from the Karter Presley Lynaugh (KPL)Trust for a purchase price of $225,000.00 and agreeing to the Historic Rehabilitation condition. The Commission accepted the KPL proposal and Staff has negotiated the attached contract. Subsequently, after discussing the circumstances with the State they agreed to allow the City to recoup a portion of our expenses of the grant in the amount of $391,460.15. The proviso being that the City execute and record the attached Restrictive Covenants mandating it maintain a historic appearance that may be approved by the State. The terms of the document will be in force for a 5-year period and apply to any subsequent owners.

Findings:

The original Staff recommendation of the RFP was denial due to the offer price ($225,000.00) being below the minimum bid of $450,000.00. However, due to the addition of the $391,460.15 grant reimbursement from the State made available due to the sale of the building and execution of the Restrictive Covenants document, Staff is now recommending approval of this Agreement.

Fiscal Analysis:

The City will realize a purchase price of $225,000.00.

Strategic Plan Item:

No

Staff Report Created By: Ron Neibert - Assistant City Manager

WC CONTRACT FINAL W EX-09032024141539.pdf

Commercial Contract

1. **PARTIES AND PROPERTY:** *Karter Presley Lynaugh Trust* **("Buyer")** agrees to buy and *City of New Smyrna Beach* **("Seller")** agrees to sell the property at:

Street Address: *403 Magnolia Street, New Smyrna Beach, Florida 32168*

Legal Description: *LOT 61 & N 1/2 OF LOT 62 BLK 4 ANDREWS NEW SMYRNA PER OR 3491 PG 1058*

PARCEL ID: 744138040610

and the following Personal Property: *N/A*

(all collectively referred to as the "Property") on the terms and conditions set forth below.

2. PURCHASE PRICE: $ *225,000.00*

(a) Deposit held in escrow by: *Professional Title Agency* $ *22,500.00*
("Escrow Agent") (checks are subject to actual and final collection)

Escrow Agent's address: *313 Julia Street, New Smyrna Beach, Florida 321* Phone: *386-424-9994*

(b) Additional deposit to be made to Escrow Agent
☐ within ____ days (3 days, if left blank) after completion of Due Diligence Period or
☐ within ____ days after Effective Date _____ $ _____

(c) Additional deposit to be made to Escrow Agent
☐ within ____ days (3 days, if left blank) after completion of Due Diligence Period or
☐ within ____ days after Effective Date $ _____

(d) Total financing (see Paragraph 5) _____ $ _____

(e) Other _____ $ _____

(f) All deposits will be credited to the purchase price at closing.
Balance to close, subject to adjustments and prorations, to be paid via wire transfer. $ *202,500.00*

For the purposes of this paragraph, "completion" means the end of the Due Diligence Period or upon delivery of Buyer's written notice of acceptability.

3. TIME FOR ACCEPTANCE; EFFECTIVE DATE; COMPUTATION OF TIME: Unless this offer is signed by **Seller** and **Buyer** and an executed copy delivered to all parties on or before *September 17, 2024*, this offer will be withdrawn and the **Buyer's** deposit, if any, will be returned. The time for acceptance of any counter offer will be 3 days from the date the counter offer is delivered. **The "Effective Date" of this Contract is the date on which the last one of the Seller and Buyer has signed or initialed ~~and delivered this offer or the final counter offer or~~ *this Commercial Contract*.** Calendar days will be used when computing time periods, except time periods of 5 days or less. Time periods of 5 days or less will be computed without including Saturday, Sunday, or national legal holidays. Any time period ending on a Saturday, Sunday, or national legal holiday will extend until 5:00 p.m. of the next business day. **Time is of the essence in this Contract.**

4. CLOSING DATE AND LOCATION:

(a) Closing Date: This transaction will be closed on *or before November 1, 2024* (Closing Date), unless specifically extended by other provisions of this Contract. The Closing Date will prevail over all other time periods including, but not limited to, Financing and Due Diligence periods. In the event insurance underwriting is suspended

on Closing Date and **Buyer** is unable to obtain property insurance, **Buyer** may postpone closing up to 5 days after the insurance underwriting suspension is lifted.

(b) Location: Closing will take place in ***Volusia*** County, Florida. (If left blank, closing will take place in the county where the property is located.) Closing may be conducted by mail or electronic means.

~~**5. THIRD PARTY FINANCING:**~~

~~**BUYER'S OBLIGATION:** On or before _____ days (5 days if left blank) after Effective Date, **Buyer** will apply for third-party financing in an amount not to exceed _____% of the purchase price or $_____, with a fixed interest rate not to exceed _____% per year with an initial variable interest rate not to exceed _____%, with points or commitment or loan fees not to exceed _____% of the principal amount, for a term of _____ years, and amortized over _____ years, with additional terms as follows: _____. **Buyer** will timely provide any and all credit, employment, financial and other information reasonably required by any lender. **Buyer** will use good faith and reasonable diligence to (i) obtain Loan Approval within _____ days (45 days if left blank) from Effective Date (Loan Approval Date), (ii) satisfy terms and conditions of the Loan Approval, and (iii) close the loan. **Buyer** will keep **Seller** and Broker fully informed about loan application status and authorizes the mortgage broker and lender to disclose all such information to **Seller** and Broker. **Buyer** will notify **Seller** immediately upon obtaining financing or being rejected by a lender. **CANCELLATION:** If **Buyer**, after using good faith and reasonable diligence, fails to obtain Loan Approval by Loan Approval Date, **Buyer** may within _____ days (3 days if left blank) deliver written notice to **Seller** stating **Buyer** either waives this financing contingency or cancels this Contract. If **Buyer** does neither, then **Seller** may cancel this Contract by delivering written notice to **Buyer** at any time thereafter. Unless this financing contingency has been waived, this Contract shall remain subject to the satisfaction, by closing, of those conditions of Loan Approval related to the Property. **DEPOSIT(S) (for purposes of Paragraph 5 only):** If **Buyer** has used good faith and reasonable diligence but does not obtain Loan Approval by Loan Approval Date and thereafter either party elects to cancel this Contract as set forth above or the lender fails or refuses to close on or before the Closing Date without fault on **Buyer's** part, the Deposit(s) shall be returned to **Buyer**, whereupon both parties will be released from all further obligations under this Contract, except for obligations stated herein as surviving the termination of this Contract. If neither party elects to terminate this Contract as set forth above or **Buyer** fails to use good faith or reasonable diligence as set forth above, **Seller** will be entitled to retain the Deposit(s) if the transaction does not close. For purposes of this Contract, "Loan Approval" means a statement by the lender setting forth the terms and conditions upon which the lender is willing to make a particular mortgage loan to a particular buyer. Neither a pre-approval letter nor a prequalification letter shall be deemed a Loan Approval for purposes of this Contract.~~

6. TITLE: Seller has the legal capacity to and will convey marketable title to the Property by ☐ statutory warranty deed ☒ special warranty deed ☐ other _____, free of liens, easements and encumbrances of record or known to **Seller**, but subject to property taxes for the year of closing; covenants, restrictions and public utility easements of record; existing zoning and governmental regulations; and (list any other matters to which title will be subject) ***Restrictive Covenants, attached as exhibit "A."*** _____; provided there exists at closing no violation of the foregoing and none of them prevents **Buyer's** intended use of the Property as ***a Women's Club, consistent with the HBOD zoning overlay and all other zoning regulations.***.

(a) Evidence of Title: The party who pays the premium for the title insurance policy will select the closing agent and pay for the title search and closing services. **Seller** will, at (check one) ☒ **Seller's** ☐ **Buyer's** expense and within ***45*** days after Effective Date or at least ***5*** days before Closing Date deliver to **Buyer** (check one) ☒ (i) a title insurance commitment by a Florida licensed title insurer setting forth those matters to be discharged by **Seller** at or before Closing and, upon **Buyer** recording the deed, an owner's policy in the amount of the purchase price for fee simple title subject only to exceptions stated above. If ~~**Buyer** is paying for the evidence of title and **Seller** has an owner's policy, **Seller** will deliver a copy to **Buyer** within 15 days after Effective Date.~~ ☐ (ii.) an abstract of title, prepared or brought current by an existing abstract firm or certified as correct by an existing firm. However, if such an abstract is not available to **Seller**, then a prior owner's title policy acceptable to the proposed insurer as a base for reissuance of coverage may be used. The prior policy will include copies of all policy exceptions and an update in a format acceptable to **Buyer** from the policy effective date and certified to **Buyer** or

©2024 Florida Realtors®

Software and added formatting © 2024 Alta Star Software, all rights reserved. • www.altastar.com • (877) 279-8898

Buyer's closing agent together with copies of all documents recited in the prior policy and in the update. If such an abstract or prior policy is not available to **Seller** then (i.) above will be the evidence of title.

(b) Title Examination: Buyer will, within 15 days from receipt of the evidence of title deliver written notice to **Seller** of title defects. Title will be deemed acceptable to **Buyer** if (1) **Buyer** fails to deliver proper notice of defects or (2) **Buyer** delivers proper written notice and **Seller** cures the defects within ***15*** days from receipt of the notice ("Curative Period"). Seller shall use good faith efforts to cure the defects. If the defects are cured within the Curative Period, closing will occur on the latter of 10 days after receipt by Buyer of notice of such curing or the scheduled Closing Date. **Seller** may elect not to cure defects if **Seller** reasonably believes any defect cannot be cured within the Curative Period. If the defects are not cured within the Curative Period, **Buyer** will have 10 days from receipt of notice of **Seller's** inability to cure the defects to elect whether to terminate this Contract or accept title subject to existing defects and close the transaction without reduction in purchase price.

(c) Survey: (check applicable provisions below)

(i.) ☒ **Seller** will, within ***15*** days from Effective Date, deliver to **Buyer** copies of prior surveys, plans, specifications, and engineering documents, if any, and the following documents relevant to this transaction:

any designs or blue prints associated with the Women's Club Restoration project,

prepared for **Seller** or in **Seller's** possession, which show all currently existing structures. In the event this transaction does not close, all documents provided by **Seller** will be returned to **Seller** within 10 days from the date this Contract is terminated.

☒ **Buyer** will, at ☐ **Seller's** ☒ **Buyer's** expense and within the time period allowed to deliver and examine title evidence, obtain a current certified survey of the Property from a registered surveyor. If the survey reveals encroachments on the Property or that the improvements encroach on the lands of another, ☒ **Buyer** will accept the Property with existing encroachments ☐ such encroachments will constitute a title defect to be cured within the Curative Period.

(d) Ingress and Egress: Seller warrants that the Property presently has ingress and egress.

7. PROPERTY CONDITION: Seller will deliver the Property to **Buyer** at the time agreed in its present "as is" condition, ordinary wear and tear excepted, and will maintain the landscaping and grounds in a comparable condition. **Seller** makes no warranties other than marketability of title. ~~**In the event that the condition of the Property has materially changed since the expiration of the Due Diligence Period, Buyer may elect to terminate the Contract and receive a refund of any and all deposits paid, plus interest, if applicable, or require Seller to return the Property to the required condition existing as of the end of Due Diligence period, the cost of which is not to exceed $_____ (1.5% of the purchase price, if left blank).**~~ By accepting the Property "as is", **Buyer** waives all claims against **Seller** for any defects in the Property. (Check **(a)** or **(b)**)

☒ **(a) As Is: Buyer** has inspected the Property or waives any right to inspect and accepts the Property in its "as is" condition.

☐ **(b) Due Diligence Period: Buyer** will, at **Buyer's** expense and within _____ days from Effective Date ("Due Diligence Period"), determine whether the Property is suitable, in **Buyer's** sole and absolute discretion. During the term of this Contract, **Buyer** may conduct any tests, analyses, surveys and investigations ("Inspections") which **Buyer** deems necessary to determine to **Buyer's** satisfaction the Property's engineering, architectural, environmental properties; zoning and zoning restrictions; flood zone designation and restrictions; subdivision regulations; soil and grade; availability of access to public roads, water, and other utilities; consistency with local, state and regional growth management and comprehensive land use plans; availability of permits, government approvals and licenses; compliance with American with Disabilities Act; absence of asbestos, soil and ground water contamination; and other inspections that **Buyer** deems appropriate. **Buyer** will deliver written notice to **Seller** prior to the expiration of the Due Diligence Period of **Buyer's** determination of whether or not the Property is acceptable. **Buyer's** failure to comply with this notice requirement will constitute acceptance of the Property in its present "as is" condition. **Seller** grants to **Buyer**, its agents, contractors and assigns, the right to enter the Property at any time during the term of this Contract for the purpose of conducting Inspections, upon reasonable notice, at a mutually agreed upon time; provided, however, that **Buyer**, its agents, contractors and assigns enter the Property and conduct Inspections at their own risk. **Buyer** will indemnify and hold **Seller** harmless from losses, damages, costs, claims and expenses of any nature, including attorneys' fees at all levels, and from liability to any person, arising from the conduct of any and all inspections or any work authorized by **Buyer**. **Buyer** will not engage in any activity that could result in a mechanic's lien being filed against the Property without **Seller's** prior written consent. In the event this transaction does not close, (1) **Buyer** will repair all damages to the

©2024 Florida Realtors®
Licensed to Alta Star Software and ID1856668.466088
Software and added formatting © 2024 Alta Star Software, all rights reserved. • www.altastar.com • (877) 279-8898

Property resulting from the Inspections and return the Property to the condition it was in prior to conduct of the Inspections, and (2) **Buyer** will, at **Buyer's** expense release to **Seller** all reports and other work generated as a result of the Inspections. Should **Buyer** deliver timely notice that the Property is not acceptable, **Seller** agrees that **Buyer's** deposit will be immediately returned to **Buyer** and the Contract terminated.

(c) Walk-through Inspection: Buyer may, on the day prior to closing or any other time mutually agreeable to the parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and to ensure that all Property is on the premises.

8. OPERATION OF PROPERTY DURING CONTRACT PERIOD: Seller will continue to operate the Property and any business conducted on the Property in the manner operated prior to Contract and will take no action that would adversely impact the Property after closing, as to tenants, lenders or business, if any. Any changes, such as renting vacant space, that materially affect the Property or **Buyer's** intended use of the Property will be permitted ☒ only with **Buyer's** consent ☐ without **Buyer's** consent.

9. CLOSING PROCEDURE: Unless otherwise agreed or stated herein, closing procedure shall be in accordance with the norms where the Property is located.

(a) Possession and Occupancy: Seller will deliver possession and occupancy of the Property to **Buyer** at closing. **Seller** will provide keys, remote controls, and any security/access codes necessary to operate all locks, mailboxes, and security systems.

(b) Costs: Buyer will pay **Buyer's** attorneys' fees, taxes and recording fees on notes, mortgages and financing statements and recording fees for the deed. **Seller** will pay **Seller's** attorneys' fees, taxes on the deed and recording fees for documents needed to cure title defects. If **Seller** is obligated to discharge any encumbrance at or prior to closing and fails to do so, **Buyer** may use purchase proceeds to satisfy the encumbrances.

(c) Documents: Seller will provide the deed; bill of sale; mechanic's lien affidavit; originals of those assignable service and maintenance contracts that will be assumed by **Buyer** after the Closing Date and letters to each service contractor from **Seller** advising each of them of the sale of the Property and, if applicable, the transfer of its contract, and any assignable warranties or guarantees received or held by **Seller** from any manufacturer, contractor, subcontractor, or material supplier in connection with the Property; current copies of the condominium documents, if applicable; assignments of leases, updated rent roll; tenant and lender estoppels letters (if applicable); tenant subordination, non-disturbance and attornment agreements (SNDAs) required by the **Buyer** or **Buyer's** lender; assignments of permits and licenses; corrective instruments; and letters notifying tenants of the change in ownership/rental agent. If any tenant refuses to execute an estoppels letter, **Seller**, if requested by the **Buyer** in writing, will certify that information regarding the tenant's lease is correct. If **Seller** is an entity, **Seller** will deliver a resolution of its governing authority authorizing the sale and delivery of the deed and certification by the appropriate party certifying the resolution and setting forth facts showing the conveyance conforms to the requirements of local law. **Seller** will transfer security deposits to **Buyer**. **Buyer** will provide the closing statement, mortgages and notes, security agreements, and financing statements.

(d) Taxes and Prorations: Real estate taxes, personal property taxes on any tangible personal property, bond payments assumed by **Buyer**, interest, rents (based on actual collected rents), association dues, insurance premiums acceptable to **Buyer**, and operating expenses will be prorated through the day before closing. If the amount of taxes for the current year cannot be ascertained, rates for the previous year will be used with due allowance being made for improvements and exemptions. Any tax proration based on an estimate will, at request of either party, be readjusted upon receipt of current year's tax bill; this provision will survive closing.

(e) Special Assessment Liens: Certified, confirmed, and ratified special assessment liens as of the Closing Date will be paid by **Seller**. If a certified, confirmed, and ratified special assessment is payable in installments, **Seller** will pay all installments due and payable on or before the Closing Date, with any installment for any period extending beyond the Closing Date prorated, and **Buyer** will assume all installments that become due and payable after the Closing Date. **Buyer** will be responsible for all assessments of any kind which become due and owing after Closing Date, unless an improvement is substantially completed as of Closing Date. If an improvement is substantially completed as of the Closing Date but has not resulted in a lien before closing, **Seller** will pay the amount of the last estimate of the assessment. This subsection applies to special assessment liens imposed by a public body and does not apply to condominium association special assessments.

(f) Foreign Investment in Real Property Tax Act (FIRPTA): If **Seller** is a "foreign person" as defined by FIRPTA, **Seller** and **Buyer** agree to comply with Section 1445 of the Internal Revenue Code. **Seller** and **Buyer** will complete, execute, and deliver as directed any instrument, affidavit, or statement reasonably necessary to comply

©2024 Florida Realtors®
Licensed to Alta Star Software and ID1856668.466088
Software and added formatting © 2024 Alta Star Software, all rights reserved. • www.altastar.com • (877) 279-8898

with the FIRPTA requirements, including delivery of their respective federal taxpayer identification numbers or Social Security Numbers to the closing agent. If **Buyer** does not pay sufficient cash at closing to meet the withholding requirement, **Seller** will deliver to **Buyer** at closing the additional cash necessary to satisfy the requirement.

10. ESCROW AGENT: Seller and **Buyer** authorize Escrow Agent or Closing Agent (collectively "Agent") to receive, deposit, and hold funds and other property in escrow and, subject to collection, disburse them in accordance with the terms of this Contract. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to **Seller** or **Buyer**, unless the misdelivery is due to Agent's willful breach of this Contract or gross negligence. If Agent has doubt as to Agent's duties or obligations under this Contract, Agent may, at Agent's option, (a) hold the escrowed items until the parties mutually agree to its disbursement or until a court of competent jurisdiction or arbitrator determines the rights of the parties or (b) deposit the escrowed items with the clerk of the court having jurisdiction over the matter and file an action in interpleader. Upon notifying the parties of such action, Agent will be released from all liability except for the duty to account for items previously delivered out of escrow. If Agent is a licensed real estate broker, Agent will comply with Chapter 475, Florida Statutes. In any suit in which Agent interpleads the escrowed items or is made a party because of acting as Agent hereunder, Agent will recover reasonable attorney's fees and costs incurred, with these amounts to be paid from and out of the escrowed items and charged and awarded as court costs in favor of the prevailing party.

11. CURE PERIOD: Prior to any claim for default being made, a party will have an opportunity to cure any alleged default. If a party fails to comply with any provision of this Contract, the other party will deliver written notice to the non-complying party specifying the non-compliance. The non-complying party will have ***15*** days (5 days if left blank) after delivery of such notice to cure the non-compliance. Notice and cure shall not apply to failure to close.

12. FORCE MAJEURE: Buyer or **Seller** shall not be required to perform any obligation under this Contract or be liable to each other for damages so long as performance or non-performance of the obligation, or the availability of services, insurance, or required approvals essential to Closing, is disrupted, delayed, caused or prevented by Force Majeure. "Force Majeure" means: hurricanes, floods, extreme weather, earthquakes, fire, or other acts of God, unusual transportation delays, or wars, insurrections, or acts of terrorism, which, by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended a reasonable time up to 7 days after the Force Majeure no longer prevents performance under this Contract, provided, however, if such Force Majeure continues to prevent performance under this Contract more than 30 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other and the Deposit shall be refunded to **Buyer**, thereby releasing **Buyer** and **Seller** from all further obligations under this Contract.

13. RETURN OF DEPOSIT: Unless otherwise specified in the Contract, in the event any condition of this Contract is not met and **Buyer** has timely given any required notice regarding the condition having not been met, **Buyer's** deposit will be returned in accordance with applicable Florida Laws and regulations.

14. DEFAULT:

(a) In the event the sale is not closed due to any default or failure on the part of **Seller** other than failure to make the title marketable after diligent effort, **Buyer** may elect to receive return of Buyer's deposit without thereby waiving any action for damages resulting from Seller's breach and may seek to recover such damages or seek specific performance. If Buyer elects a deposit refund, Seller may be liable to Broker for the full amount of the brokerage fee.

(b) In the event the sale is not closed due to any default or failure on the part of **Buyer**, **Seller** may either (1) retain all deposit(s) paid or agreed to be paid by **Buyer** as agreed upon liquidated damages, consideration for the execution of this Contract, and in full settlement of any claims, upon which this Contract will terminate or (2) seek specific performance. If **Buyer** fails to timely place a deposit as required by this Contract, **Seller** may either (1) terminate the Contract and seek the remedy outlined in this subparagraph or (2) proceed with the Contract without waiving any remedy for **Buyer's** default.

~~**15. ATTORNEY'S FEES AND COSTS:** In any claim or controversy arising out of or relating to this Contract, the prevailing party, which for purposes of this provision will include **Buyer**, **Seller** and Broker, will be awarded reasonable attorneys' fees, costs, and expenses.~~

16. NOTICES: All notices will be in writing and may be delivered by mail, overnight courier, personal delivery, or electronic means. Parties agree to send all notices to addresses specified on the signature page(s). Any notice, document, or item given by or delivered to an attorney or real estate licensee (including a transaction broker) representing a party will be as effective as if given by or delivered to that party.

Buyer (*JH*) (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 5 of 8 Pages.

17. DISCLOSURES:

(a) Commercial Real Estate Sales Commission Lien Act: The Florida Commercial Real Estate Sales Commission Lien Act provides that a broker has a lien upon the owner's net proceeds from the sale of commercial real estate for any commission earned by the broker under a brokerage agreement. The lien upon the owner's net proceeds is a lien upon personal property which attaches to the owner's net proceeds and does not attach to any interest in real property. This lien right cannot be waived before the commission is earned.

(b) Special Assessment Liens Imposed by Public Body: The Property may be subject to unpaid special assessment lien(s) imposed by a public body. (A public body includes a Community Development District.) Such liens, if any, shall be paid as set forth in Paragraph 9(e).

(c) Radon Gas: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

(d) Energy-Efficiency Rating Information: Buyer acknowledges receipt of the information brochure required by Section 553.996, Florida Statutes.

18. RISK OF LOSS:

(a) If, after the Effective Date and before closing, the Property is damaged by fire or other casualty, **Seller** will bear the risk of loss and **Buyer** may cancel this Contract without liability and the deposit(s) will be returned to **Buyer.** Alternatively, **Buyer** will have the option of purchasing the Property at the agreed upon purchase price and **Seller** will credit the deductible, if any and transfer to **Buyer** at closing any insurance proceeds, or **Seller's** claim to any insurance proceeds payable for the damage. **Seller** will cooperate with and assist **Buyer** in collecting any such proceeds. **Seller** shall not settle any insurance claim for damage caused by casualty without the consent of the **Buyer.**

(b) If, after the Effective Date and before closing, any part of the Property is taken in condemnation or under the right of eminent domain, or proceedings for such taking will be pending or threatened, **Buyer** may cancel this Contract without liability and the deposit(s) will be returned to **Buyer**. Alternatively, **Buyer** will have the option of purchasing what is left of the Property at the agreed upon purchase price and **Seller** will transfer to the **Buyer** at closing the proceeds of any award, or **Seller's** claim to any award payable for the taking. **Seller** will cooperate with and assist **Buyer** in collecting any such award.

19. ASSIGNABILITY; PERSONS BOUND: This Contract may be assigned to a related entity, and otherwise ☒ is not assignable ☐ is assignable. If this Contract may be assigned, **Buyer** shall deliver a copy of the assignment agreement to the **Seller** at least 5 days prior to Closing. The terms **"Buyer," "Seller"** and "Broker" may be singular or plural. This Contract is binding upon **Buyer**, **Seller** and their heirs, personal representatives, successors and assigns (if assignment is permitted).

20. MISCELLANEOUS: The terms of this Contract constitute the entire agreement between **Buyer** and **Seller**. Modifications of this Contract will not be binding unless in writing, signed and delivered by the party to be bound. Signatures, initials, documents referenced in this Contract, counterparts and written modifications communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted in or attached to this Contract prevail over preprinted terms. If any provision of this Contract is or becomes invalid or unenforceable, all remaining provisions will continue to be fully effective. This Contract will be construed under Florida law and will not be recorded in any public records.

21. BROKERS: Neither **Seller** nor **Buyer** has used the services of, or for any other reason owes compensation to, a licensed real estate Broker other than:

(a) Seller's Broker: *N/A* _____,
(Company Name) (Licensee)

_____,
(Address, Telephone, Fax, E-mail)

who ☐ is a single agent ☐ is a transaction broker ☐ has no brokerage relationship and who will be compensated_ by ☐ **Seller** ☐ **Buyer** ☐ both parties pursuant to ☐ a listing agreement ☐ other (specify) _____

_____

(b) Buyer's Broker: *N/A* _____,
(Company Name) (Licensee)

_____,
(Address, Telephone, Fax, E-mail)

Buyer (JH) (____) and **Seller** (____) (____) acknowledge receipt of a copy of this page, which is Page 6 of 8 Pages.

who ☐ is a single agent ☐ is a transaction broker ☐ has no brokerage relationship and who will be compensated by ☐ **Seller's Broker** ☐ **Seller** ☐ **Buyer** ☐ both parties pursuant to ☐ other (specify)

_____

(collectively referred to as "Broker") in connection with any act relating to the Property, including but not limited to inquiries, introductions, consultations, and negotiations resulting in this transaction. **Seller** and **Buyer** agree to indemnify and hold Broker harmless from and against losses, damages, costs and expenses of any kind, including reasonable attorneys' fees at all levels, and from liability to any person, arising from (1) compensation claimed which is inconsistent with the representation in this Paragraph, (2) enforcement action to collect a brokerage fee pursuant to Paragraph 10, (3) any duty accepted by Broker at the request of **Seller** or **Buyer**, which is beyond the scope of services regulated by Chapter 475, Florida Statutes, as amended, or (4) recommendations of or services provided and expenses incurred by any third party whom Broker refers, recommends, or retains for or on behalf of **Seller** or **Buyer**.

22. OPTIONAL CLAUSES: (Check if any of the following clauses are applicable and are attached as an addendum to this Contract):

☐ Arbitration	☐ Seller Warranty	☐ Existing Mortgage
☐ Section 1031 Exchange	☐ Coastal Construction Control Line	☐ Buyer's Attorney Approval
☐ Property Inspection and Repair	☐ Flood Area Hazard Zone	☐ Seller's Attorney Approval
☐ Seller Representations	☐ Seller Financing	☐ Other _____

23. ADDITIONAL TERMS:

15. ATTORNEY'S FEES AND COST: In any claim or controversy arising out of or relating to this Contract, each party shall bear its own attorneys' fees, costs and expenses.

23. A. The terms of this contract shall survive the closing of the real estate transaction and all references to Buyer herein shall include its successors or assigns. Additionally, this Commercial Contract shall be recorded in the Public Record of Volusia County by the Seller.

B. This Contract is the result of RFP 06-24-CRA. RFP 06-24-CRA, including Terms and Conditions, and Buyer's response are incorporated herein in recognition of the Buyer and Seller's commitment to maintain the historic nature and use of the Women's Club. Buyer agrees to use the property in accordance with the Buyer's response to the RFP, and consistent with all applicable City Land Development Regulations.

C. Buyer agrees to honor the Restrictive Convents, attached as exhibit "A," and Buyer agrees to add and maintain Seller as a beneficiary on Buyer's property insurance policy to protect the city from any force majeure and to cover the City's obligations to the State per the Restrictive Covenants.

E. This Commercial Contract shall not take effect unless approved by the City Commission and signed by the City Manager.

THIS IS INTENDED TO BE A LEGALLY BINDING CONTRACT. IF NOT FULLY UNDERSTOOD, SEEK THE ADVICE OF AN ATTORNEY PRIOR TO SIGNING. BROKER ADVISES BUYER AND SELLER TO VERIFY ALL FACTS AND REPRESENTATIONS THAT ARE IMPORTANT TO THEM AND TO CONSULT AN APPROPRIATE PROFESSIONAL FOR LEGAL ADVICE (FOR EXAMPLE, INTERPRETING CONTRACTS, DETERMINING THE EFFECT OF LAWS ON THE PROPERTY AND TRANSACTION, STATUS OF TITLE, FOREIGN INVESTOR REPORTING REQUIREMENTS, ETC.) AND FOR TAX, PROPERTY CONDITION, ENVIRONMENTAL AND OTHER ADVICE. BUYER ACKNOWLEDGES THAT BROKER DOES NOT OCCUPY THE PROPERTY AND THAT ALL REPRESENTATIONS (ORAL, WRITTEN OR OTHERWISE) BY BROKER ARE BASED ON SELLER REPRESENTATIONS OR PUBLIC RECORDS UNLESS BROKER INDICATES PERSONAL VERIFICATION OF THE REPRESENTATION. BUYER AGREES TO RELY SOLELY ON SELLER, PROFESSIONAL INSPECTORS AND GOVERNMENTAL AGENCIES FOR VERIFICATION OF THE PROPERTY CONDITION, SQUARE FOOTAGE AND FACTS THAT MATERIALLY AFFECT PROPERTY VALUE.

Each person signing this Contract on behalf of a party that is a business entity represents and warrants to the other party that such signatory has full power and authority to enter into and perform this Contract in accordance with its terms and each person executing this Contract and other documents on behalf of such party has been duly authorized to do so.

ATTENTION: SELLER AND BUYER

CONVEYANCES TO FOREIGN BUYERS: Part III of Chapter 692, Sections 692.201 - 692.205, Florida Statutes, 2023 (the "Act"), in part, limits and regulates the sale, purchase and ownership of certain Florida properties by certain buyers who are associated with a "foreign country of concern", namely: the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic. **It is a crime to buy or knowingly sell property in violation of the Act.**

At time of purchase, Buyer must provide a signed Affidavit which complies with the requirements of the Act. Seller and Buyer are advised to seek legal counsel regarding their respective obligations and liabilities under the Act.

EXHIBIT "A"

RESTRICTIVE COVENANTS
Project Name: City of New Smyrna Beach Woman's Club Stabilization and Restoration
Grant Number: #22.h.sc.900.011

THESE COVENANTS are entered into this ___ day of _____, 20__, by City of New Smyrna Beach, Florida, hereinafter referred to as the Owner, and shall be effective for a period of five (5) years from the date of recordation in **the Office of the Clerk of the Circuit Court of Volusia County, Florida**.

WHEREAS, the Owner is the fee simple titleholder of the Property located at 430 Magnolia Street (**Project Address**), **City of New Smyrna Beach, Volusia County**, Florida, as described in Exhibit A, attached to and made a part hereof, and

WHEREAS, the City of New Smyrna Beach, Florida, is to receive grant assistance funds administered by the State of Florida, Department of State, Division of Historical Resources, R.A. Gray Building, 500 South Bronough Street, Tallahassee, Florida 32399-0250, hereinafter referred to as the Department, in the amount of $600,000.00, to be used for the purposes set forth in the grant agreement by the Owner of the property as described in Exhibit A; and

Now THEREFORE, as part of the consideration for the State grant, and in accordance with section 287.05805, Florida Statutes, the **City of New Smyrna Beach, Florida** hereby makes and declares the following restrictive covenants which shall run with the title to said Property and be binding on the **City of New Smyrna Beach, Florida** and, if any, its heirs, successors in title, legal representatives and assigns, for a period stated in the preamble above:

1. The **City of New Smyrna Beach, Florida** grants to the Department a security interest in the Property in the amount of $391,460.15, for a period of five (5) years from the date of recordation of these Restrictive covenants.
2. The **City of New Smyrna Beach, Florida** agrees not to sell, transfer, mortgage, or assign its interest in the real property unless the Department of State approves the sale, transfer, mortgage, or assignment. The Department may require the entity acquiring an interest in the real property to assume the obligations of this Restrictive Covenant as a condition of approval.
3. The **City of New Smyrna Beach, Florida** agrees to use the real property subject to the terms of this Restrictive Covenant for the purposes set forth in the legislative appropriation awarding the grant funds to the Owner and in accordance with the grant agreement entered into by the Owner and the Department of State in furtherance of said legislative appropriation.
4. The **City of New Smyrna Beach, Florida** agrees that the Department, its agents and its designees shall have the right to inspect the Property at all reasonable times in order to ascertain whether the conditions of the Grant Award Agreement and these covenants are being observed.
5. The Owner agrees to record these covenants with **Office of the Clerk of the Circuit Court of Volusia County, Florida** prior to the release of the first installment of grant funds, and shall pay any and all expenses associated with their filing and recording.
6. The **City of New Smyrna Beach, Florida** agrees that these restrictions shall encumber the property for a period of **five (5)** years from the date of recordation, and that if a restriction is violated within the **5 year** period, the Department shall be entitled to liquidated damages in the amount of $391,460.15.

7. If the **City of New Smyrna Beach, Florida** violates any part of these Restrictive Covenants, then the **City of New Smyrna Beach, Florida** will be in default and the Department shall have the right to exercise the following rights:
    a. The Department shall have the right to declare the liquidated damages described in paragraph 6, plus interest at the statutory rate from the time of the **City of New Smyrna Beach, Florida** receipt of the grant funds, and attorneys' fees and other expenses incurred by the Department in the enforcement of these Restrictive Covenants, to be immediately due and payable without notice or demand on the **City of New Smyrna Beach, Florida**, which notice or demand are hereby expressly waived by the **City of New Smyrna Beach, Florida**, and upon the making of any such declaration, the entire amount shall become immediately due and payable;
    b. The Department may enforce its security interest in the Property to collect the entire amount described in paragraph 7a. through foreclosure proceedings or any other manner allowed by law;
    c. In the event of any litigation between the parties under these Restrictive Covenants, the prevailing party shall be entitled to reasonable attorneys', paralegals' and para-professionals' fees and court costs at all trial and appellate levels;
    d. All cash proceeds received by the Department in respect of any sale of, collection from, or other realization upon all or any part of the Property and all payments made in respect of the Property and received by the Department may, in the discretion of the Department, be held by the Department as collateral for the security interest plus interest, costs and fees, or may be applied (after payment to the Department of the reasonable expenses, including attorneys' fees and legal expenses, incurred by the Department in retaking, foreclosing, collecting, selling, or disposing of the Property) at any time in whole or part by the Department against all or any part of the Obligations in such order as the Department shall elect. Any surplus of such payments held by the Department and remaining after payment in full of all of the Obligations shall be paid over to the **City of New Smyrna Beach, Florida** or to whomsoever may be lawfully entitled to receive such surplus. The **City of New Smyrna Beach, Florida** shall remain liable for any obligations remaining unpaid.
8. The Department acknowledges and agrees that any liens or lien rights it may have or it may be entitled to in property owned by the **City of New Smyrna Beach, Florida** are and shall be subordinate to the lien rights of any and all lienholders whose liens were recorded before this document's date of recordation. Under no circumstance shall the Department's liens or lien rights be subordinated to any lienholders other than those whose liens were recorded before this document's date of recordation.
9. The **City of New Smyrna Beach, Florida** agrees that the Department shall incur no tax liability as a result of these restrictive covenants.

IN WITNESS WHEREOF, the **City of New Smyrna Beach, Florida** has read these Restrictive Covenants and has hereto affixed their signature.

THE CITY OF NEW SMYRNA BEACH - CITY MANAGER'S OFFICE

CONSIDER THE APPROVAL TO AUTHORIZE THE CITY MANAGER TO EXECUTE RESTRICTIVE COVENANTS FOR PROPERTY LOCATED AT 403 MAGNOLIA STREET, NEW SMYRNA BEACH, FLORIDA.

September 10, 2024

Background:

The City received a reimbursement grant from the State of Florida in the amount of $600,00.00 in 2022 for the rehabilitation of the Women's Club Facility. After proceeding with the design and early renovation efforts, it became apparent that the cost of a total rehabilitation was beyond the City's means to complete. Eventually, the City chose to cancel the contract and proceed with the RFP process to sell the property for the purpose of historic rehabilitation.

After discussing the circumstances with the State, they agreed to allow the City to recoup a portion of our expenses of the grant in the amount of $391,460.15. The proviso being that the City execute and record the attached Restrictive Covenants mandating it maintain a historic appearance that may be approved by the State. The terms of the document will be in force for a 5-year period and apply to any subsequent owners.

Findings:

Staff recommends authorizing the execution of this document.

Fiscal Analysis:

The City will realize a reimbursement of $391,460.15.

Strategic Plan Item:

No

Staff Report Created By: Ron Neibert - Assistant City Manager

Woman's Club Legal Description.docx

RESTRICTIVE COVENANTS
Project Name: City of New Smyrna Beach Woman's Club Stabilization and Restoration
Grant Number: #22.h.sc.900.011

THESE COVENANTS are entered into this ___ day of _____, 20__, by City of New Smyrna Beach, Florida, hereinafter referred to as the Owner, and shall be effective for a period of five (5) years from the date of recordation in **the Office of the Clerk of the Circuit Court of Volusia County, Florida**.

WHEREAS, the Owner is the fee simple titleholder of the Property located at 430 Magnolia Street (**Project Address**), **City of New Smyrna Beach, Volusia County**, Florida, as described in Exhibit A, attached to and made a part hereof, and

WHEREAS, the City of New Smyrna Beach, Florida, is to receive grant assistance funds administered by the State of Florida, Department of State, Division of Historical Resources, R.A. Gray Building, 500 South Bronough Street, Tallahassee, Florida 32399-0250, hereinafter referred to as the Department, in the amount of $600,000.00, to be used for the purposes set forth in the grant agreement by the Owner of the property as described in Exhibit A; and

Now THEREFORE, as part of the consideration for the State grant, and in accordance with section 287.05805, Florida Statutes, the **City of New Smyrna Beach, Florida** hereby makes and declares the following restrictive covenants which shall run with the title to said Property and be binding on the **City of New Smyrna Beach, Florida** and, if any, its heirs, successors in title, legal representatives and assigns, for a period stated in the preamble above:

1. The **City of New Smyrna Beach, Florida** grants to the Department a security interest in the Property in the amount of $391,460.15, for a period of five (5) years from the date of recordation of these Restrictive covenants.
2. The **City of New Smyrna Beach, Florida** agrees not to sell, transfer, mortgage, or assign its interest in the real property unless the Department of State approves the sale, transfer, mortgage, or assignment. The Department may require the entity acquiring an interest in the real property to assume the obligations of this Restrictive Covenant as a condition of approval.
3. The **City of New Smyrna Beach, Florida** agrees to use the real property subject to the terms of this Restrictive Covenant for the purposes set forth in the legislative appropriation awarding the grant funds to the Owner and in accordance with the grant agreement entered into by the Owner and the Department of State in furtherance of said legislative appropriation.
4. The **City of New Smyrna Beach, Florida** agrees that the Department, its agents and its designees shall have the right to inspect the Property at all reasonable times in order to ascertain whether the conditions of the Grant Award Agreement and these covenants are being observed.
5. The Owner agrees to record these covenants with O**ffice of the Clerk of the Circuit Court of Volusia County, Florida** prior to the release of the first installment of grant funds, and shall pay any and all expenses associated with their filing and recording.
6. The **City of New Smyrna Beach, Florida** agrees that these restrictions shall encumber the property for a period of **five (5)** years from the date of recordation, and that if a restriction is violated within the **5 year** period, the Department shall be entitled to liquidated damages in the amount of $391,460.15.
7. If the **City of New Smyrna Beach, Florida** violates any part of these Restrictive Covenants, then the **City of New Smyrna Beach, Florida** will be in default and the Department shall have the right to exercise the following rights:

a. The Department shall have the right to declare the liquidated damages described in paragraph 6, plus interest at the statutory rate from the time of the **City of New Smyrna Beach, Florida** receipt of the grant funds, and attorneys' fees and other expenses incurred by the Department in the enforcement of these Restrictive Covenants, to be immediately due and payable without notice or demand on the **City of New Smyrna Beach, Florida**, which notice or demand are hereby expressly waived by the **City of New Smyrna Beach, Florida**, and upon the making of any such declaration, the entire amount shall become immediately due and payable;

b. The Department may enforce its security interest in the Property to collect the entire amount described in paragraph 7a. through foreclosure proceedings or any other manner allowed by law;

c. In the event of any litigation between the parties under these Restrictive Covenants, the prevailing party shall be entitled to reasonable attorneys', paralegals' and para-professionals' fees and court costs at all trial and appellate levels;

d. All cash proceeds received by the Department in respect of any sale of, collection from, or other realization upon all or any part of the Property and all payments made in respect of the Property and received by the Department may, in the discretion of the Department, be held by the Department as collateral for the security interest plus interest, costs and fees, or may be applied (after payment to the Department of the reasonable expenses, including attorneys' fees and legal expenses, incurred by the Department in retaking, foreclosing, collecting, selling, or disposing of the Property) at any time in whole or part by the Department against all or any part of the Obligations in such order as the Department shall elect. Any surplus of such payments held by the Department and remaining after payment in full of all of the Obligations shall be paid over to the **City of New Smyrna Beach, Florida** or to whomsoever may be lawfully entitled to receive such surplus. The **City of New Smyrna Beach, Florida** shall remain liable for any obligations remaining unpaid.

8. The Department acknowledges and agrees that any liens or lien rights it may have or it may be entitled to in property owned by the **City of New Smyrna Beach, Florida** are and shall be subordinate to the lien rights of any and all lienholders whose liens were recorded before this document's date of recordation. Under no circumstance shall the Department's liens or lien rights be subordinated to any lienholders other than those whose liens were recorded before this document's date of recordation.
9. The **City of New Smyrna Beach, Florida** agrees that the Department shall incur no tax liability as a result of these restrictive covenants.

IN WITNESS WHEREOF, the **City of New Smyrna Beach, Florida** has read these Restrictive Covenants and has hereto affixed their signature.

Background:

Pavilions

The city of New Smyrna Beach currently has a large inventory of pavilions. Pavilions are utilized by the public on a first come, first served basis. These pavilions require routine care from the city's Maintenance Operations Department. Over the past year, the Leisure Services Department has received multiple requests to reserve pavilions at various parks throughout the city. Currently, there is no reservation system or fee structure in place to reserve/rent any park pavilions in the city besides Pettis Park, Riverside Park (partially), and Old Fort Park. The current approved fee structure to rent these parks is part of Ordinance 13-17 for Special Events. A more specific fee schedule would be beneficial to the department(s) and allow citizens the opportunity to rent city pavilions while also generating revenue for the city. The presentation includes examples of models how other local municipalities rent pavilions and the pricing structures associated with doing so.

Indoor Adult Athletics

Currently, the Leisure Services Department host indoor adult athletics at Babe James Community Center and City Gym. These activities consist of pickleball, volleyball, and basketball. Babe James hosts open adult pickleball Mondays, Wednesdays, Fridays and Saturdays and Open basketball and volleyball on Sundays. City Gym hosts open pickleball Monday thru Friday during the day and Tuesdays in the evening. City Gym has previously hosted basketball as well.

The Leisure Services Department is seeking approval to begin offering adult activities pass that would consist of a daily, monthly, and annual option for adults to participate in pickleball, basketball, volleyball, and ping pong. The pass would be required for patrons to participate in these activities. The department would also begin to offer extended hours at City Gym Monday through Thursday and have regularly scheduled programming ongoing until 8 pm each of these days. Extended hours at City Gym has been requested multiple times from guests for the gym however staffing these hours has been challenging. Promoting the activities pass will likely create additional attendance and participation in programs rather than the department's previous more passive, free programming approach. Revenue generated from these pass sales can potentially be

used to offset expenses for equipment upgrades, operating expenses, staffing, etc. associated with these programs. Staff has surveyed other local municipalities and reviewed how similar pass systems are implemented.

Findings:

Staff recommends approval of six-month trial to authorize implementation for pavilion rentals and associated fees for Rocco Park and Riverside Park and approval to authorize implementation of the NSB Adult Indoor Activities Pass System and associated fees.

Fiscal Analysis:

FY 25 Projected Revenue

Six Month Pavilion Rental/Promo trial - between $2,000 to $3,000 (20 to 30 rentals), if program is successful additional revenue would be able to be generated at other parks.

Six Month NSB Adult Indoor Activities Pass - anticipate high volume of registration and potentially between $15,000 to $25,000 of revenue based of previous fiscal year's attendance numbers for same activities.

Strategic Plan Item:

No

Staff Report Created By: Robert Salazar - Leisure Services Director

Pavilions & Daily Indoor Adult Athletics

Leisure Services Revenue Generation

Fiscal Year 2024-25

Pavilions

Currently…

- City has a large inventory of pavilions.
- Pavilions are utilized on a first come, first served basis.
- Pavilions require routine care from Maintenance Operation Dept.
- Leisure Services has received multiple requests to reserve pavilions over the past year.
- No reservation system is currently in place.

Proposing…

- Beginning Oct. 1, 2024…
- Leisure Services Department to offer pavilion reservations through RecTrac/WebTrac.
- Reservations can be made online or in person.
- Leisure Services facilitates the reservation process, then communicates and coordinates with Maintenance Ops. to have reserved pavilion cleaned, prepped, reservation signage posted, etc.

Workflow

- Customer completes reservation process online or in person/over the phone.
  - If online, Leisure Services staff will receive and email notifying department that reservation has been completed and paid.
- Leisure Services forwards reservation to Maintenance Ops. to put on calendar. Leisure Services includes signage to post at pavilion for day of rental indicating pavilion is reserved.
- Maintains Ops. empties trash, blows off grounds, posts sign for reservation, etc. at pavilion morning of reservation.
- Following day, Maintenance Ops. staff checks pavilion for issues.
- Maintenance Ops. Notifies Leisure Services of findings, Leisure Services refunds damage deposit as necessary.

Pavilion Inventory

Large Pavilions

- Rocco Park
- Riverside Park
- Holland Park
- Indian River Lagoon Preserve Park

Rocco Park

Pavilion Inventory

Medium Pavilions

- Detwiler Park
- Buena Vista Park (3)
- Riverside Park Gazebo

Buena Vista Park

Pavilion Inventory

Small Pavilions

- Esther St. Park (7)
- Marianne Clancy Park (4)
- Flagler/Pine Small Pavilion

Marianne Clancy Park

THE CITY OF NEW SMYRNA BEACH – RECREATIONS
ORDINANCE NO. 13-17: CONDUCT THE FIRST READING OF ORDINANCE NO. 13-17, SPECIAL EVENTS.
FEBRUARY 28, 2017

Background

The City staff has reviewed City Code Chapter 70 - Streets and Sidewalks and other Public Places Article VI and added the approval and review procedures that are being currently followed for special events in the City.

The City only charges at the current time, a permitting fee collected by the Building Dept for minor and major events, which ranges from $163.42 to $272.37. Public Safety fees for Police are charged directly by PD, based on overtime utilized, as will the Fire Dept in the future. Currently there is no charge for organizations to use the City's garbage cans, traffic cones, barricades, picnic tables, bleachers, stage, fencing, banner installation and staff requests consideration of charging a small fee in order to be able to replace these items as needed. .

Attached is the proposed Rental Rates for Special Events fees structure that gives the replacement cost and the suggested rental fees. This does not include a charge for staff delivery and pick up of these items. A conservative figure of staff time the City is donating to organization's various special events are 1,298 hours at a cost of $19,730 that we are not including in the fees. Labor rates are based on average of $15.20 for straight time including wages & benefits.

The below Special Events fees structure is being proposed:

Use of City Parks:

- Riverside Park - $500 for entire park/$250 for partial area of the park
- Pettis Park - $150
- Old Fort Park - $150

Minor Event w/o Road Closure - $100

Major Event w/Road Closure (includes cones, barricades & signs) - $500

City Equipment Rental:

Equipment/Item	Rental Fee	Comments	Replacement Cost/Each
Garbage cans, standard (no liners)	$25 for 8		$30
Traffic cones 36"	Included with major event		$25

Barricades - Standard A Frame	Included with major event		$65
Barricades - 8' Sawhorses	Included with major event		$130
Lights for Barricades	Included with major event		$36
Picnic tables, folding 6'	$11.50 each	Includes delivery, set-up, & removal - 3 people.	$50
Bleachers, 15', 3-tier, metal	$50 each	Includes delivery, set-up, & removal - 2 people.	$2,000
Stage, metal with stairs	$200	Includes delivery, set-up, & removal - 4 people.	$4,800
Stage, wooden with stairs	$200	Includes delivery, set-up, & removal - 4 people.	$700
Orange "snow" fencing w/posts	$200	Includes delivery, set-up, & removal - 2 people.	$200
Banners	$25 each/max of 2 banners per event	Includes delivery, set-up, & removal - 1 person.	$25

Banners will only be installed for special events that have been approved by the special event committee.

Commercial garbage collection not included in above rates, pricing dependent on size of dumpster(s) requested and number of pick-ups for a single day or multi-day event.

The document also gives the replacement cost and the suggested rental fees for the City equipment. This does not include a charge for staff delivery and pick up of these items. A conservative figure of staff time the City is donating to organizations various special events are 1,173 hours at a cost of $19,721 that is not included in the fees. We also install over 100 banners annually at no cost.

Informational meetings have been scheduled with the various groups that have special events in the City. We also realize that some flexibility will be required for non-profit community events like the Heritage Festival, as opposed to for-profit events hosted by professional firms. We also get groups setting up in City parks that have no City approvals that cause congestion, etc. That the City is not prepared for, as other events have been formally approved for the same time frame, in the same area.

This is an area that must be addressed for the continued budget impact on the City.

Recommendation

Staff recommends the City Commission conduct the first reading of Ordinance No. 13-17.

ORDINANCE NO. 13-17

AN ORDINANCE AMENDING CHAPTER 70 OF THE CITY CODE (STREETS AND SIDEWALKS AND OTHER PUBLIC PLACES), BY ADDING ARTICLE VI, *SPECIAL EVENTS*; PROVIDING FOR CODIFICATION; PROVIDING FOR PUBLIC HEARING; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City Commission recognizes the impact that special events have on the availability of City services; and

WHEREAS, certain special events have an impact of the welfare of the citizens of the City of New Smyrna Beach; and

WHEREAS, the City Commission deems it is in the best interests of the citizens of the City of New Smyrna Beach to amend Chapter 70 of the City Code by modifying Article VI, Special Events, as more particularly set forth hereinafter.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Amendment.*** That New Smyrna Beach Code of Ordinances, Chapter 70, Streets and Sidewalks and Other Public Places, is hereby amended by modifying Article VI, Special Events, as follows:

See Exhibit A, attached hereto and by reference made a part hereof.

SECTION2: ***Codification.*** Following adoption of this ordinance, the City Clerk shall transmit a copy of this ordinance to Municipal Code Corporation of Tallahassee, Florida, to be codified into the City's Code of Ordinances. Municipal Code Corporation's usual and customary fee for said codification service is hereby approved.

SECTION 3: ***Public Hearing.*** That a public hearing considering

the adoption of this ordinance held February 14, 2017, in the City Commission Chambers, 210 Sams Avenue (south entrance on Julia Street), New Smyrna Beach, Florida, after notice published, is found to comply with §166.041(3)(a), F.S.

SECTION 4: ***Conflicting Ordinances.*** That any ordinances that are in conflict with this ordinance are hereby rescinded and repealed.

SECTION 5: ***Severability.*** That if any section, sentence, clause or phrase of this ordinance is held invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance.

SECTION 6: ***Effective Date.*** That this ordinance shall take effect immediately upon its final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

FRANK B. GUMMEY, III
City Attorney

DATE: 2/14/17

Special Events, Article VI
Chapter 70, - Code Amendment
First Reading February 28, 2017
Public Hearing March 14, 2017

Banners will only be installed for special events that have been approved by the special event committee.

Commercial garbage collection not included in above rates, pricing dependent on size of dumpster(s) requested and number of pick-ups for a single day or multi-day event.

Chapter 70 – Streets and Sidewalks and other Public Places

Article VI. Special Events.

Section 70-163. Title; authority.

This section shall be known and may be cited as the "City of New Smyrna Beach Special Events Permit Ordinance"

Section 70-164. Purpose.

The City Commission recognizes the impact that Special Events have on the availability of City services, and the City Commission further recognizes the impactful nature of certain Special Events on the welfare of the citizens of New Smyrna Beach, Florida, and therefore adopts this procedure to regulate activities of this nature.

This chapter is applicable in all zoning districts in the City of New Smyrna Beach for all special events as defined in Section 70-165. The intent and purpose is to provide for the temporary use of land for Special Events in all zone districts, to provide for the orderly control of Special Events by establishing appropriate permit requirements and regulations, to ensure the promoter or sponsor of a Special Event is aware of any special circumstances that may have an impact on the success of their event and to minimize any significant effects of a Special Event on adjacent and nearby property owners, residents and businesses or which would impact the prevailing site conditions, traffic and circulation patterns, land use characteristics or the nature of the proposed use.

Section 70-165. Definitions.

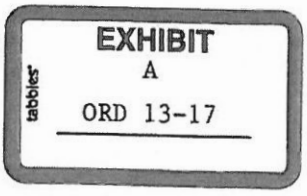
The following words, terms, and phrases when used in this chapter shall have the meanings respectively ascribed to them in this section, except where the context clearly requires otherwise:

City; shall mean the City of New Smyrna Beach, Florida

Fireworks; means any combustible or explosive composition or any substance or combination of substances or article prepared for the purpose of producing a visible or audible effect by combustion, explosion, deflagration, or detonation, including blank cartridges, firecrackers, torpedoes, skyrockets, roman candles, bombs, and other combustibles and explosives of like construction, as well as articles containing any explosives or flammable compound and tablets and other devices containing an explosive substance, and any item defined in s.791.01(4)FS.

Parade; shall mean any march, ceremony, demonstration, exhibition or procession upon any public street or right-of way of the City.

Special Event; is defined as an activity or series of activities, specific to an identifiable time and space, most often produced in conjunction with community organizations, held on public or



private property, and generally occurring once a year. A special event includes but is not limited to:

• Any activity involving entertainment and/or amplified sound, food, beverage, merchandise sales or any other promoted activity.

• Any activity that requires street closures and/or eliminates parking spaces

• Any activity which involves the use of public facilities

• Any activity which involves the use of any city services that would not be necessary in the absence of such event. Outdoor auto sales will only be allowed on sites with existing auto sales business tax license.

Special Event Permit; the permit required by Section 70-166 of this chapter.

Section 70-166. Permit required; exceptions.

(a) No person shall, engage in, participate in, or start any Special Event unless a Special Event permit shall first have been obtained from the Building Official.

(1) ***Minor Special Event***; shall be a special event that consist of fewer than 500 participants or attendees and has a minor impact on the community and does not require additional city resources.

(2) ***Major Special Event***; shall be a special event that is likely to have a major impact on the community, including but not limited to factors such as traffic, noise or other aspects of public health, safety, and welfare and would require City Commission approval. An event will be considered a major event when one of the following conditions exist;

(a) Road closures; or
(b) Open alcohol containers; or
(c) More than 500 participants or attendee at any given time (500 participants or attendees total over an eight hour period is not a major event); or
(d) More than a four consecutive day event; or
(e) A continuous on-going event (weekly, monthly) during a one year period; or
(g) Planned contingencies that are ~~in violation~~ not permitted by city ordinances; (music in violation of noise ordinance, etc.)

(b) Exception. This section shall not apply to:

(1) Funeral processions
(2) Lawful picketing or protesting. Lawful picketing or protesting shall be conducted off the street or roadway and not in a manner as to obstruct vehicular or pedestrian traffic. Any lawful picketing or protesting which crosses, traverses or is otherwise conducted in or upon any street or roadway shall not be exempted from the permit requirement.

Section 70 -167. Permit Application.

Any person seeking the issuance of a Special Events permit shall file a City application with the Building Official.

(a) Filing period. An application for a permit shall be completed and submitted before and not less than 14 days prior to the first day of the event for minor events and 45 days prior to the first day of the event for major events. However, for just cause, the Building Official with the approval of both the Chief of Police and Fire Chief, may waive the minimum forty-five-day filing period and accept an application filed within a shorter period if, after consideration of the date, time, place and nature of the Special Event, the number of participants and the necessity for City services which will be required in connection with the Special Event, the Building Official reasonably deems it appropriate to waive the filing period. In doing so, the Chief of Police and Fire Chief shall determine that such waiver will not present a hazard to the public's safety by reducing the amount of time available to process the application.

(b) Contents. The application for a permit shall set forth the following information and such other information as may be reasonably required:

(1) The name, place of residence, mailing address, e-mail and telephone number of the person applying for the permit.

(2) If the event is to be conducted for, on behalf of, or by an organization, the name, address and telephone number of the headquarters of the organization and of the authorized and responsible heads of such organization must be provided.

(3) The name, place of residence, mailing address, e-mail and telephone number of the individual person responsible for the conduct of the event.

(4) The dates and times scheduled for the event.

(5) The exact location of the event with an all-inclusive site plan.

(6) The nature and types of activities that will occur.

(7) The approximate number of spectators and participants present or participating in the event.

(8) The purpose of the event.

(9) If the event is a parade, run or walk, the following additional information shall be required.

a. The exact location of any marshaling or staging areas for the event.
b. The time at which the participants will begin to arrive at the staging areas, and the times at which all such units will be dispersed.
c. The exact route to be traveled, including the starting point and termination point.
d. The approximate number of persons, animals and vehicles which will

participate in the event, including a description of the types of animals and vehicles to be used in the event.

e. A statement as to whether the parade will occupy all or only a portion of the width of the street, roadway or sidewalks to be used.

(10) A designation of any public facilities proposed to be utilized.

(11) All authorizations required by any other governmental agency possessing Jurisdiction over the event (i.e. State liquor license, Coast Guard, State Road usage, etc.).

(c) Once completed, the application must be submitted to the Special Events Committee for consideration and approval before submission to the Building Department for permits.

Section 70-168. Permit Fee.

The application shall be accompanied by payment in the amount of the permit fee set forth herein:

Minor Special Events	$158.66 + $4.76
Major Special Events	$264.44 + $7.93
Continuous Events	$450.00 + $13.50 per year

ALL PERMITS ARE CHARGED A STATE OF FLORIDA SUR- CHARGE OF 3% OR $4.00 WHICH EVER IS GREATER. THIS FEE IS SUBJECT TO CHANGE EVERY YEAR ON OCTOBER 1, IN ACCORDANCE WITH THE CONSUMER PRICE INDEX(CPI).

Section 70-169. Fireworks display.

No person, firm, partnership or corporation shall expose, use or explode any fireworks unless a permit shall first have been obtained from the Building Official pursuant to all rules and regulations applicable to the Special Events procedure contained herein. In addition to all the requirements outlined in the Special Events procedure permit application, the applicant shall additionally file the following information with the Building Official for distribution to the Fire Chief and the Chief of Police prior to approval.

(a) A detailed listing of the type and quantity of fireworks to be used.

(b) A detailed written statement outlining all appropriate safety procedures which will be used at the fireworks display in order to protect the safety of the public and all surrounding property.

(c) A detailed written statement describing what facilities and containers will be used to store fireworks.

(d) If applicable, the applicant's federal license number for transporting fireworks across

state lines.

(e) A detailed list of the names, addresses, occupations and backgrounds of all individuals who will be responsible for the actual display, use or explosion of any fireworks. The background statement should include a complete history of the experience of the individuals involved with respect to their use of fireworks, including a detailed list and explanation of each and every accident resulting from the use of fireworks which the individuals have been responsible for or involved in.

Section 70-170. Standards for permit issuance.

The Building Official shall issue a permit as provided herein upon receipt of verification from the applicable City departments that the following standards for issuance of the permit have been satisfied or found not applicable to the requested permit:

(a) The conduct of the event will not substantially interrupt the safe and orderly movement of other pedestrians or vehicular traffic in or contiguous to the route or location of the event.

(b) The conduct of the event will not require the diversion of so great a number of public safety personnel or equipment of the City to properly secure the event area and the areas contiguous thereto as to prevent the current level of public safety services from being furnished to other parts of the City.

(c) The event shall not take place until inspections by concerned Departments, i.e., Fire, Building and Police, have been conducted, and a determination has been made that all codes and ordinances have been met and satisfied.

(d) The concentration of persons, displays, animals and/or vehicles at the event will not unduly interfere with proper fire and police protection or ambulance service to areas contiguous to the event area and other areas of the City.

(e) The conduct of the assembly is not going to cause injury or intended to cause injury to persons or property or to promote disorderly conduct as defined by state statutes. Under no circumstances may the Building Official deny a permit solely on the basis of the proposed content of speech or ideas of the group involved.

(f) Adequate sanitation and other required health facilities are or will be made available in the event area.

(g) The activities of the assembly will not result in noise that exceed the City's adopted noise ordinance.

(h) There are sufficient parking places near the event to accommodate the approximate number of automobiles reasonably expected to be driven to the assembly or provisions are made to transport event attendees from a satellite parking area.

(i) The applicant's responsibility has been fulfilled to secure police, fire and/or emergency

medical services, if needed and has prepaid the expenses therefore.

(j) If an event sponsored by an institution or corporate entity is to take place in any publicly owned or controlled property, public liability and property damage insurance with the City named as an additionally insured party shall be obtained in an amount of no less than $1,000,000.00 unless otherwise approved by the City Commission.

(k) If the event is a parade, run or walk and if the event will traverse a state or federal highway, the persons or organization must also have a permit from the applicable governmental agencies.

Section 70-171. Notice of rejection.

Should the application be denied, the Building Official shall notify the applicant in writing by U.S. Mail or email within seven (7) working days of the denial. This notification shall include the reasons for the denial of the permit and shall advise of the appeal procedure.

Section 70-172. Appeals.

Any applicant aggrieved shall have the right to appeal the denial of a permit or revocation of permit hereof to the City Manager. The appeal shall be taken by the applicant within 10 days of mailing of the notice of denial by filing a written notice with the Building Officialand the decision of the City Manager shall be considered final administration action. .

Section 70-173. Notice of issuance.

Immediately upon issuance of a permit, the Building Official shall forward a copy of a permit and application to the following:

(a) The City Manager.

(b) Public Works.

(c) Chief of Police.

(d) Fire Chief.

(e) Recreation

(f) Code Enforcement

(g) Building

(h) Planning

Section 70-174. Duties of permittee.

A permittee hereunder shall comply with all permit directions and conditions and with all applicable laws and ordinances. The event chairperson or organizer shall maintain custody of the permit and upon demand shall produce it to the City authorities. Under no circumstances may a permit

be transferred from the applicant to any other person or organization. A permit holder cannot make changes to an approved event plan without approval from the Special Events Committee.

Section 70-175. Revocation of permit.

The Chief of Police, Fire Chief, Building Official or City Manager, or their designated representatives, shall have the authority to revoke a permit issued hereunder instantly upon violation of any Life Safety Codes, ordinances or conditions or standards of issuance as set forth herein.

Section 70-176. Indemnification.

The applicant and any other persons, organizations or corporations on whose behalf the application is made by filing a permit application shall represent, stipulate, contract and agree that they jointly and severally indemnify and hold the City harmless against liability for any damages injuries, or costs incurred by the City as a result of the applicant's conducting of the special event. This includes court costs and attorney's fees, including appeal, or any and all claims for damage to property or injury to or death of persons arising out of or resulting from issuance of the permit or the conduct of the event or any of its participants or the revocation of the permit for reasons herein stated.

Section 70-177. Construal of provisions.

Nothing in this chapter shall be construed so as to exempt the applicant or any other person from the requirements of the Florida Building Code or any other applicable state or federal law.

Section 70-178. Penalties for offenses.

In addition to any other penalty provided herein, any person violating any provision of this Article may be referred to the Code Enforcement Board for action. No additional special event permits may be issued to any applicant/permittee until the violation is corrected and all fines/penalties are paid.

Chapter 70 – Streets and Sidewalks and other Public Places

Article VI. Special Events.

Section 70-163. Title; authority.

This section shall be known and may be cited as the "City of New Smyrna Beach Special Events Permit Ordinance"

Section 70-164. Purpose.

The City Commission recognizes the impact that Special Events have on the availability of City services, and the City Commission further recognizes the impactful nature of certain Special Events on the welfare of the citizens of New Smyrna Beach, Florida, and therefore adopts this procedure to regulate activities of this nature.

This chapter is applicable in all zoninge districts in the City of New Smyrna Beach for all special events as defined in Section 70-165. The intent and purpose is to provide for the temporary use of land for Special Events in all zone districts, to provide for the orderly control of Special Events by establishing appropriate permit requirements and regulations, to ensure the promoter or sponsor of a Special Event is aware of any special circumstances that may have an impact on the success of their event and to minimize any significant effects of a Special Event on adjacent and nearby property owners, residents and businesses or which would impact the prevailing site conditions, traffic and circulation patterns, land use characteristics or the nature of the proposed use.

Section 70-165. Definitions.

The following words, terms, and phrases when used in this chapter shall have the meanings respectively ascribed to them in this section, except where the context clearly requires otherwise:

City; shall mean the City of New Smyrna Beach, Florida

Fireworks; means any combustible or explosive composition or any substance or combination of substances or article prepared for the purpose of producing a visible or audible effect by combustion, explosion, deflagration, or detonation, including blank cartridges, firecrackers, torpedoes, skyrockets, roman candles, bombs, and other combustibles and explosives of like construction, as well as articles containing any explosives or flammable compound and tablets and other devices containing an explosive substance, and any item defined in s.791.01(4)FS.

Parade; shall mean any march,-ceremony, demonstration, exhibition or procession upon any public street or right-of way of the City.

Special Event; is defined as an activity or series of activities, specific to an identifiable time and space, most often produced in conjunction with community organizations, held on public or

private property, and generally occurring once a year. A special event includes but is not limited to:

- ***Any activity involving entertainment and/or amplified sound, food, beverage, merchandise sales or any other promoted activity.***
- ***Any activity that requires street closures and/or eliminates parking spaces***
- ***Any activity which involves the use of public facilities***
- ***Any activity which involves the use of any city services that would not be necessary in the absence of such event. Outdoor auto sales will only be allowed on sites with existing auto sales business tax license.***

Special Event Permit; the permit required by Section 70-166 of this chapter.

Section 70-166. Permit required; exceptions.

(a) No person shall, engage in, participate in, or start any Special Event unless a Special Event permit shall first have been obtained from the Building Official.

(1) ***Minor Special Event***; shall be a special event that consist of fewer than 500 participants or attendees and has a minor impact on the community and does not require additional city resources.

(2) ***Major Special Event***; shall be a special event that is likely to have a major impact on the community, including but not limited to factors such as traffic, noise or other aspects of public health, safety, and welfare and would require City Commission approval. An event will be considered a major event when one of the following conditions exist;

(a) Road closures; or
(b) Open alcohol containers; or
(c) More than 500 participants orattendee -at any given time (500 participants or attendees total over an eight hour period is not a major event); or
(d) More than a four consecutive day event; or
(e) A continuous on-going event (weekly, monthly) during a one year period; or
(g) Planned contingencies that are ~~in violation~~ not permitted by ~~of~~ city ordinances; (music in violation of noise ordinance, etc.)

Formatted: Strikethrough

(b) Exception. This section shall not apply to:

(1) Funeral processions
(2) Lawful picketing or protesting. Lawful picketing or protesting shall be conducted off the street or roadway and

not in a manner as to obstruct vehicular or pedestrian traffic. Any lawful picketing or protesting which crosses, traverses or is otherwise conducted in or upon any street or roadway shall not be exempted from the permit requirement.

Section 70 -167. Permit Application.

Any person seeking the issuance of a Special Events permit shall file a City application with the Building Official.

(a) Filing period. An application for a permit shall be completed and submitted before and not less than 14 days prior to the first day of the event for minor events and 45 days prior to the first day of the event for major events. However, for just cause, the Building Official with the approval of both the Chief of Police and Fire Chief, may waive the minimum forty-five-day filing period and accept an application filed within a shorter period if, after consideration of the date, time, place and nature of the Special Event, the number of participants and the necessity for City services which will be required in connection with the Special Event, the Building Official reasonably deems it appropriate to waive the filing period. In doing so, the Chief of Police and Fire Chief shall determine that such waiver will not present a hazard to the public's safety by reducing the amount of time available to process the application.

(b) Contents. The application for a permit shall set forth the following information and such other information as may be reasonably required:

(1) The name, place of residence, mailing address, e-mail and telephone number of the person applying for the permit.

(2) If the event is to be conducted for, on behalf of, or by an organization, the name, address and telephone number of the headquarters of the organization and of the authorized and responsible heads of such organization must be provided.

(3) The name, place of residence, mailing address, e-mail and telephone number of the individual person responsible for the conduct of the event.

(4) The dates and times scheduled for the event.

(5) The exact location of the event with an all-inclusive site plan.

(6) The nature and types of activities that will occur.

(7) The approximate number of spectators and participants present or participating in the event.

(8) The purpose of the event.

(9) If the event is a parade, run or walk, the following additional information shall be required.

a. The exact location of any marshaling or staging areas for the event.
b. The time at which the participants will begin to arrive at the staging areas, and the times at which all such units will be dispersed.
c. The exact route to be traveled, including the starting point and termination point.
d. The approximate number of persons, animals and vehicles which will participate in the event, including a description of the types of animals and vehicles to be used in the event.
e. A statement as to whether the parade will occupy all or only a portion of the width of the street, roadway or sidewalks to be used.

(10) A designation of any public facilities proposed to be utilized.

(11) All authorizations required by any other governmental agency possessing Jurisdiction over the event (i.e. State liquor license, Coast Guard, State Road usage, etc.).

(c) Once completed, the application must be submitted to the Special Events Committee for ~~approval~~ consideration and approval before submission to the Building Department for permits.

Section 70-168. Permit Fee.

The application shall be accompanied by payment in the amount of the permit fee set forth herein:

Minor Special Events	$158.66 + $4.76
Major Special Events	$264.44 + $7.93
Continuous Events	$450.00 + $13.50 per year

ALL PERMITS ARE CHARGED A STATE OF FLORIDA SUR- CHARGE OF 3% OR $4.00 WHICH EVER IS GREATER. THIS FEE IS SUBJECT TO CHANGE EVERY YEAR ON OCTOBER 1, IN ACCORDANCE WITH THE CONSUMER PRICE INDEX(CPI).

Section 70-169. Fireworks display.

No person, firm, partnership or corporation shall expose, use or explode any fireworks unless a permit shall first have been obtained from the Building Official pursuant to all rules and regulations applicable to the Special Events procedure contained herein. In addition to all the requirements outlined in the Special Events procedure permit application, the applicant shall additionally file the following information with the Building Official for distribution to the Fire Chief and the Chief of Police prior to approval.

(a) A detailed listing of the type and quantity of fireworks to be used.

(b) A detailed written statement outlining all appropriate safety procedures which will be used at the fireworks display in order to protect the safety of the public and all surrounding property.

(c) A detailed written statement describing what facilities and containers will be used to store fireworks.

(d) If applicable, the applicant's federal license number for transporting fireworks across state lines.

(e) A detailed list of the names, addresses, occupations and backgrounds of all individuals who will be responsible for the actual display, use or explosion of any fireworks. The background statement should include a complete history of the experience of the individuals involved with respect to their use of fireworks, including a detailed list and explanation of each and every accident resulting from the use of fireworks which the individuals have been responsible for or involved in.

Section 70-170. Standards for permit issuance.

The Building Official shall issue a permit as provided herein upon receipt of verification from the applicable City departments that the following standards for issuance of the permit have been satisfied or found not applicable to the requested permit:

(a) The conduct of the event will not substantially interrupt the safe and orderly movement of other pedestrians or vehicular traffic in or contiguous to the route or location of the event.

(b) The conduct of the event will not require the diversion of so great a number of public safety personnel or equipment of the City to properly secure the event area and the areas contiguous thereto as to prevent the current level of public safety services from being furnished to other parts of the City.

(c) The event shall not take place until inspections by concerned Departments, i.e., Fire, Building and Police, have been conducted, and a determination has been made that all codes and ordinances have been met and satisfied.

(d) The concentration of persons, displays, animals and/or vehicles at the event will not unduly interfere with proper fire and police protection or ambulance service to areas contiguous to the event area and other areas of the City.

(e) The conduct of the assembly is not going to cause injury or intended to cause injury to persons or property or to promote disorderly conduct as defined by state statutes. Under no circumstances may the Building Official deny a permit solely on the basis of the proposed content of speech or ideas of the group involved.

(f) Adequate sanitation and other required health facilities are or will be made available in the event area.

(g) The activities of the assembly will not result in noise that exceed the City's adopted noise

ordinance.

(h) There are sufficient parking places near the event to accommodate the approximate number of automobiles reasonably expected to be driven to the assembly or provisions are made to transport event attendees from a satellite parking area.

(i) The applicant's responsibility has been fulfilled to secure police, fire and/or emergency medical services, if needed and has prepaid the expenses therefore.

(j) If an event sponsored by an institution or corporate entity is to take place in any publicly owned or controlled property, public liability and property damage insurance with the City named as an additionally insured party shall be obtained in an amount of no less than $1,000,000.00 unless otherwise approved by the City Commission.

(k) If the event is a parade, run or walk and if the event will traverse a state or federal highway, the persons or organization must also have a permit from the applicable governmental agencies.

Section 70-171. Notice of rejection.

Should the application be denied, the Building Official shall notify the applicant in writing by U.S. Mail or email ~~mail~~ within seven (7) working days of the denial. This notification shall include the reasons for the denial of the permit and shall advise of the appeal procedure.

Section 70-172. Appeals.

Any applicant aggrieved shall have the right to appeal the denial of a permit or revocation of permit hereof to the City Manager. The appeal shall be taken by the applicant within 10 days of mailing ~~five (5) days after receipt~~ of the notice of denial by filing a written notice with the Building Official~~,~~ and the decision of the City Manager shall be considered final administration action. ~~Any appeal from the decision of the City Manager shall be to circuit court and shall be filed within thirty (30) days of the date on which the decision is rendered to the applicant~~.

Section 70-173. Notice of issuance.

Immediately upon issuance of a permit, the Building Official shall forward a copy of a permit and application to the following:

(a) The City Manager.

(b) Public Works.

(c) Chief of Police.

(d) Fire Chief.

(e) Recreation

(f) Code Enforcement

(g) Building

(h) Planning

Section 70-174. Duties of permittee.

A permittee hereunder shall comply with all permit directions and conditions and with all applicable laws and ordinances. The event chairperson or organizer shall maintain custody of the permit and upon demand shall produce it to the City authorities. Under no circumstances may a permit be transferred from the applicant to any other person or organization. A permit holder cannot make changes to an approved event plan without approval from the Special Events Committee.

Section 70-175. Revocation of permit.

The Chief of Police, Fire Chief, Building Official or City Manager, or their designated representatives, shall have the authority to revoke a permit issued hereunder instantly upon violation of any Life Safety Codes, ordinances or conditions or standards of issuance as set forth herein.

Section 70-176. Indemnification.

The applicant and any other persons, organizations or corporations on whose behalf the application is made by filing a permit application shall represent, stipulate, contract and agree that they jointly and severally indemnify and hold the City harmless against liability for any damages injuries, or costs incurred by the City as a result of the applicant's conducting of the special event. This includes court costs and attorney's fees, including appeal, or any and all claims for damage to property or injury to or death of persons arising out of or resulting from issuance of the permit or the conduct of the event or any of its participants or the revocation of the permit for reasons herein stated.

Section 70-177. Construal of provisions.

Nothing in this chapter shall be construed so as to exempt the applicant or any other person from the requirements of the Florida Building Code or any other applicable state or federal law.

Section 70-178. Penalties for offenses.

In addition to any other penalty provided herein, any person violating any provision of this Article may be referred to the Code Enforcement Board for action. No additional special event permits may be issued to any applicant/permittee until the violation is corrected and all fines/penalties are paid. ~~Any person violating any provision of this chapter shall be referred to Code Enforcement of the City of New Smyrna Beach. Each day such violation is committed or permitted to continue shall constitute a separate offense."~~

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

REVIEW AND CONSIDER THE APPROVAL OF A PROPORTIONATE FAIR SHARE AGREEMENT (PFSA) FOR THE OFF-SITE ROADWAY IMPROVEMENTS THAT ARE REQUIRED FOR IMPACTS CAUSED BY THE DEVELOPMENT OF THE ARDISIA PARK (FORMERLY KNOWN AS SHELL POINTE) PUD PHASES 1 THROUGH 4 RESIDENTIAL SUBDIVISION, FOR THE TOTAL OF $2,035,346.20 TO BE PAID TOWARD ROADWAY IMPROVEMENTS FOR SUGAR MILL DRIVE AND PIONEER TRAIL, BOTH COUNTY ROADS, AND SR 44, A STATE FDOT ROAD.

September 10, 2024

Background:

Applicant/Owner: Heather Isaacs, Taylor Morrison of Florida, Inc., 2600 Lake Lucien Dr. # 350, Maitland, FL 32751

Request: Approval of a Proportionate Fair Share Agreement (PFSA) for the off-site roadway improvements that are required for the Ardisia Park (formerly known as Shell Pointe) PUD Phases 1 through 4 residential subdivision, for the total of $2,035,346.20 to be paid toward roadway improvements for Sugar Mill Drive and Pioneer Trail, both County roads, and SR 44, a State FDOT road. This Agreement would be between three parties, which are the City, Volusia County, and the Owner/Applicant.

Site Data: The proposed subject property is currently undeveloped, zoned PUD Planned Unit Development, and generally located south of Pioneer Trail and west of Interstate 95, immediately north of and connecting to the existing Verano and Venetian PUD areas to the south and west. The 480 acre Phase 1 - 4 area to be platted is within the boundaries of the three separate tax parcels that comprise the Shell Pointe PUD. A location map showing this is attached as **Exhibit A**, along with an aerial photo of the site attached as **Exhibit B**. An overall development plan of the entire PUD area as provided by the applicant is attached as **Exhibit C**, showing all five Phase areas and the proposed residential development. The Phase 5 future Commercial area is to be the last Phase of site development and will require its own Traffic Impact Analysis (TIA) and a separate PFSA to be completed and approved in the future, whenever that Phase 5 Commercial development may occur.

Tax Parcel Numbers: 7308-00-00-0030, 7308-00-00-0050, and 7305-00-00-0030

Exhibits Attached:

Exhibit A - Location Map

Exhibit B - Aerial Map

Exhibit C - Overall Development and Phasing Plan, entire PUD (from applicant group)

Exhibit D - Proposed Ardisia Park PFSA and internal Exhibits A, B, & C

Findings:

Findings

A. This request concerns the City's participation in and approval of a three-way Agreement with Volusia County and Taylor Morrison of Florida, the owner and developer of Shell Pointe (to be renamed to Ardisia Park). This Proportionate Fair Share Agreement (PFSA) between the City, Volusia County, and the Owner/Applicant provides a method for the developer to compensate the City and County for the calculated cost portion of impacts to existing roadways caused by the traffic volumes of the proposed 687 total homes to be developed within Phases 1, 2, 3 & 4 of the Shell Pointe PUD. As calculated by LTG, the Traffic Engineering firm hired by the developer, those proportional impacts will total $2,035,346.20 to be paid toward a share of those roadway improvements costs for Sugar Mill Drive and Pioneer Trail, both County roads, and SR 44, a State FDOT road. That LTG Report is an internal Exhibit (B) enclosed within the attached **Exhibit D** proposed Ardisia Park PFSA, to be signed by all parties as the existing Applicant has done.

B. The proposed development is within the existing Shell Pointe PUD area was approved by the City for that rezoning in 2018. That area and development is now being renamed to instead be Ardisia Park, as on the proposed Final Plat that has been revised for the prior Shell Pointe Phase 1 and 2 residential subdivisions. Prior to that Phase 1 and 2 plat area being recorded with the Clerk of Courts, then allowing the Developer to sell individual development lots within, this Proportionate Fair Share Agreement (PFSA) must be approved between the City, Volusia County, and the Owner/Applicant.

C. That **Exhibit C** plan shows the five Phases of mixed use development permitted by the PUD Master Development Agreement (MDA) and its Conceptual Development Plan

(CDP), which allows for a maximum of 745 Single Family (SF) residential lots/units within the first four Phases (1-4), and with the Phase 5 areas approved for a maximum of 400,000 square feet of Commercial uses as the last phase of PUD development. Per the MDA, no other residential development is permitted, for any additional units and with multi-family and/or townhouse development strictly prohibited.

D. The 210.57 acre Phase 1 and 2 area now proposed to be platted is to contain 319 residential lots/units, as shown on **Exhibit C**. Current application materials now being reviewed by the City for the Phase 3 and 4 areas also show that additional area as proposed for 368 residential lots/units, for a total of 687 single family and residential lots, as opposed to the 745 units that the PUD MDA allows.

E. As shown on that same Exhibit, Phases 1 and 2 will connect to Pioneer Trail to the north at a point west of Williamson Blvd., at a "plus/+" intersection with Cypress Springs Parkway on the north side of Pioneer Trail, within the City of Port Orange. This proposed connection and all future Williamson Blvd. improvements and connections are under the permitting and direction of Volusia County, with Pioneer Trail and Williamson Blvd. both being County maintained roadways. Two other roadway connections are proposed to existing stubbed-out roads to the south within Verano at Venetian Bay, which are Monaco Blvd. and Modena Way. Future roadway connections from Phases 1 and 2 to the north, east, and the future Williamson Blvd. are also proposed and shown to occur within the future Phases 3 and 4 areas.

F. The Proportionate Fair Share Agreement (PFSA) documents have been reviewed by both Volusia County and the City's traffic engineering consultant and was recently updated for both the reduced number of proposed residential lots and current costs (using the June 2024 CPI). This agreement is also tentatively set for discussion and approval action at the September 17, 2024 County Council.

Recommendation

Staff recommends the City Commission vote to approve the PFSA as currently attached.

ARDISIA PARK –
PHASE 1, PHASE 2, PHASE 3, AND PHASE 4
PROPORTIONATE FAIR SHARE AGREEMENT

THIS AGREEMENT (the "Agreement") is entered into by and between the following entities: **Taylor Morrison of Florida, Inc.**, a Florida corporation, ("Developer"), mailing address: 4900 North Scottsdale Road, Suite 2000, Scottsdale, AZ 85251; **The City of New Smyrna Beach**, a Florida municipal corporation ("City"), mailing address: 210 Sams Avenue, New Smyrna Beach, FL 32168; and the **County of Volusia**, a political subdivision of the State of Florida ("County"), mailing address: 123 West Indiana Avenue, DeLand, FL 32720. Collectively, the Developer, City, and County are referred to herein as the "Parties."

WHEREAS Developer is the owner of +/- 481.34 acres of land generally south located along Pioneer Trail in New Smyrna Beach, Florida, as more particularly described on Exhibit "A" (the "Property"); and

WHEREAS, the Property is subject to the terms and conditions of the Master Development Agreement Shell Pointe Colony PUD, which was recorded in the Public Records of the County on July 25, 2018, at Book 7576, Page 1084, as amended by the First Minor Amendment to the Master Development Agreement for the Shell Pointe Colony PUD which was recorded in the Public Records of the County on November 3, 2022, at Book 8331, Page 3450, as amended by the Second Minor Amendment to the Master Development Agreement for the Shell Pointe Colony PUD which was recorded in the Public Records of the County on June 29, 2023, at Book 8426, Page 1845 ("Shell Pointe Colony MDA"), which authorizes development on the Property as a single-family residential subdivision; and

WHEREAS, the Property is undergoing subdivision review by the City of New Smyrna Beach to authorize development of 319 single-family residential lots and homes identified as Phase 1 and Phase 2 ("Phases 1 and 2"), and development of 368 single-family residential lots and homes identified as Phase 3 and Phase 4 ("Phases 3 and 4"), for a total of 687 single-family residential lots and homes on the Property (collectively "Project"); and

WHEREAS, in connection with the subdivision review, a traffic impact analysis ("TIA") in the vicinity of the Project was performed by LTG, Inc. on behalf of the Developer dated January 30, 2023, as amended on August 16, 2024, in order to determine the availability of roadway capacity to serve the Project; and

WHEREAS, Florida Statutes § 163.3180(5)(h) (2018) authorizes payment of proportionate fair share mitigation funds as an alternative to demonstrating traffic concurrency in certain circumstances, but specifically exempts backlogged failures from the requirement for proportionate fair share payment; and

WHEREAS, through the TIA, certain traffic impacts were identified in the vicinity of the Project ("Impact Area"), and Developer's obligation to make a contribution payment for certain roadway improvements is set forth in this Agreement; and

WHEREAS, LTG, Inc., in the TIA, calculated the Project's proportionate share of the total costs of the offsite traffic improvements to be constructed within the Impact Area, based upon the development of the Project, as further detailed in the TIA; and

WHEREAS, the TIA established a buildout year of 2030. If the proportionate fair share amount is not paid prior to December 31, 2030, then the TIA must be updated, and the proportionate fair-share amount recalculated based on conditions at that time.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, and with the intent to be legally bound and to bind their successors and assigns, the Developer, County, and City do hereby agree as follows:

1. Recitals. The recitals set forth above are true and correct, form a material part of this Agreement and are incorporated herein by reference.

2. Roadway Improvements. Developer shall pay the Proportionate Fair Share (defined below) to the County as consideration for the roadway improvements to be constructed as required by the City and County as a result of the traffic impacts created by the Project ("Roadway Improvements") in order to satisfy concurrency requirements consistent with the requirements of Section 402 of the City's Land Development Regulations and Section 72 of the County's Land Development Code:

(a.) Proportionate Fair Share. For purposes of this Agreement, the amount of $2,035,346.20, referred to herein as "Proportionate Fair Share," is the amount due for the Project, with $945,087.97 being due for Phases 1 and 2 and $1,090,258.22 being due for Phases 3 and 4, and further detailed in Exhibit "B". The Proportionate Fair Share for Phases 1 and 2 and Phases 3 and 4 shall be paid to the County before a subdivision approval letter for each phase will be issued by the City of New Smyrna Beach. If Developer does not pay a portion of the Proportionate Fair Share within one (1) year of the date of the execution of this Agreement by all parties hereto, then the unpaid portion of the Proportionate Fair Share shall be revised based on the applicable Consumer Price Index published inflationary rate for Transportation Services. If the proportionate fair share amount is not paid prior to December 31, 2030, then the TIA must be updated, and the proportionate fair-share amount recalculated based on conditions at that time. The parties agree that the location and timing of construction of the thoroughfare road improvements shall be constructed as determined by the County. Once Developer has paid the Proportionate Fair Share, Developer agrees to waive the right to request a return of the Proportionate Fair Share payment. Developer shall be entitled to County thoroughfare road impact fee credits equal to the amount of the Proportionate Fair Share payment. County impact fee credits shall be issued as detailed in Exhibit "C".

(b.) County's Application of Proportionate Fair Share. The Parties intend that the County will apply the Proportionate Fair Share to the cost of installing Roadway Improvements in the Impact Area. Developer acknowledges that it has no right to

direct or claim a right to direct the application of the Proportionate Fair Share to making any specific Roadway Improvements.

3. Developer Acknowledgement/Waiver. Developer acknowledges that the payment of the Proportionate Fair Share does not release the Developer from payment of any other City development or building related fees including impact fees, or such other City fees as may be prescribed by law. Developer specifically waives Developer's right to claim any and all City road impact fee credits, except as such credits may be due under the terms of the City's impact fee ordinance.

4. Timing. The Parties agree that the timing of construction of the Roadway Improvements shall be determined by the County of Volusia.

5. Effective Date. The effective date of this Agreement shall be the last date upon which all Parties hereto cause this Agreement to be executed as indicated below their respective signatures.

6. Binding Nature of this Agreement. This Agreement shall inure to the benefit of the Parties hereto and the Property, and shall be binding upon any person, firm, or corporation that may become a subsequent owner, successor in interest or assign, directly or indirectly, of the Property or any portion thereof.

7. Venue. In the event of any claim, action, litigation or proceeding under this Agreement, venue shall be in Volusia County, State of Florida.

8. Recordation. This Agreement will be recorded in the Public Records of Volusia County, Florida, at Developer's expense.

9. Amendment. Amendments to this Agreement will be in writing, signed by all Parties. All amendments require approval of the New Smyrna Beach City Commission and the County Council of Volusia.

10. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The electronic (i.e., facsimile or email) transmittal or delivery of a fully executed copy of this Agreement shall be deemed valid as if a fully executed original copy of this Agreement was transmitted or delivered.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on behalf of the respective entities, their successors, and assigns.

Re: Shell Pointe Colony Proportionate Share Cost Calculation Update
New Smyrna Beach, Florida

Dear Mr. Gove:

LTG, Inc. has prepared a Traffic Impact Analysis (TIA) for the proposed Shell Pointe Colony on behalf of Taylor Morrison of Florida, Inc. The results of the TIA, dated January 2023, showed that there were roadway segment improvements recommended as a result of the addition of project trips or on roadways identified as critical or near critical. The proportionate share (PS) cost had been calculated for the proposed development in April 2023. Since the submittal of the PS, the proposed development has undergone a change to the proposed number of single-family residential dwelling units. This letter outlines the updated trip generation, trip assignment to the study area roadway segments, segment analysis, PS cost calculations and the estimated transportation impact fees.

REVISED TRIP GENERATION

The approved TIA, dated January 2023, analyzed a development plan of 701 single-family detached dwelling units. The updated development plan now consists of a total of 687 single-family detached dwelling units. The daily, AM and PM project trip generation for the updated proposed development was determined using the Institute of Transportation Engineers (ITE) 11th Edition of the *Trip Generation Manual* and is presented in Table 1.

Table 1
Project Trip Generation – Updated
Shell Pointe Colony

Time Period	Land Use	Land Use Code	Trip Rate Equation	Size	Units	Percent Entering	Percent Exiting	Trips Entering	Trips Exiting	Total Trips
Daily	Single-Family Detached Housing	210	Ln(T) = 0.92Ln(X) + 2.68	687	DU	50%	50%	2,971	2,971	5,942
AM Peak-Hour			Ln(T) = 0.91Ln(X) + 0.12			26%	74%	112	318	430
PM Peak-Hour			Ln(T) = 0.94Ln(X) + 0.27			63%	37%	383	225	608

ROADWAY SEGMENT ANALYSIS

The current critical and near critical roadway segments were reviewed and it was determined that there no changes to the critical roadway designations since the April 2023 PS analysis. The study area roadway segment analysis from the approved January 2023 TIA, including the planned roadway improvements and the proposed background roadway improvements as presented in the TIA, was then updated by assigning the revised trip generation to the study area roadway segments. The updated 2030 build-out roadway segment analysis is presented in Table 2, below. The updated roadway segments analysis indicates that there are no changes to the proposed roadway improvements.

Table 2

PROPORTIONATE SHARE CALCULATION

Based on the Florida Statues, the proportionate share contribution is to be calculated based on the number of project trips anticipated at the deficient location and the change in capacity resulting from the improvement required to remain within the adopted LOS. The percentage of the total estimated cost associated with the improvement to be fulfilled by the applicant/developer is determined by the following equation:

$$\frac{Demand_{Project}}{Capacity_{Improved} - Capacity_{Existing}} * 100\%$$

Where:

- $Demand_{Project}$ = Two-way Peak Hour Traffic Volumes generated by the Project
- $Capacity_{Existing}$ = Two-way Peak Hour Capacity of the Existing Road Segment
- $Capacity_{Improved}$ = Two-way Peak Hour Capacity of the Improved Road Segment

The cost estimates utilized were obtained from Volusia County's latest Master PFS Table, received from William White on July 15, 2024. Additionally, the total PS cost was adjusted based on the June 2024 Consumer Price Index (CPI) for Transportation. The revised PS calculation is provided in Table 3, below.

The updated development plan consists of a total of 687 single-family detached dwelling units which are planned to be constructed as Phase 1 & 2 with 319 units and Phase 3 & 4 with 368 units. The total PS broken down by phase is provided in Table 4, below.

Table 3
Proportionate Share Cost Estimate
Shell Pointe Colony

Roadway	Segment From:	Segment To:	Cost per Mile[1]	Estimated Length (miles)	Improvement	Base Improvement Cost[1]	Additional Cost[2]	Total Estimated Improvement Cost[1]	Project Volume (a)	Unimproved Capacity (b)	Improved Capacity (c)	PS (%) (d)=a/(c-b)	Proportionate Share Cost

Phase	Units	Percentage	PS Subtotal	PS Total with June 2024 CPI
Phase 1 & 2	319	46%	$863,882.97	$945,087.97
Phase 3 & 4	368	54%	$996,579.73	$1,090,258.22
Total	687	100%	$1,860,462.70	$2,035,346.20

LTG Engineering & Planning

TRANSPORTATION IMPACT FEES

The proposed development plan has been assessed for transportation impact fees based on the rates adopted by Volusia County and the City of New Smyrna Beach. As indicated in Table 5, approximately $5,473,329 in total transportation impact fees is anticipated.

Table 5
Transportation Impact Fees
Shell Pointe Colony

Land Use	Land Use Code	Phase	Size	Unit	Volusia County		City of New Smyrna Beach	
					Impact Fee Rate ($/Unit-SF)[1]	Impact Fee Total	Impact Fee Rate ($/Unit-KSF)	Impact Fee Total
Single Family Detached Residential > 3,000-sq ft	210	Phase 1 & 2	319	DU	$6,215.00	$1,982,585.00	$1,752.00	$558,888.00
		Phase 3 & 4	368			$2,287,120.00		$644,736.00
Estimated Agencies Total:					$4,269,705.00		$1,203,624.00	
Estimated Grand Total:					$5,473,329.00			

Table 6 presents the estimated difference in the Volusia County total proportionate share cost and the Volusia County total transportation impact fees. As indicated, the estimated transportation impact fees are expected to exceed the estimated proportionate share costs.

Table 6
Estimated Difference in Volusia County Proportionate Share and Transportation Impact Fees
Shell Pointe Colony

Proportionate Share Total with June 2024 CPI	$2,035,346.20
Estimated Impact Fees Grand Total	$4,269,705.00
Difference	**($2,234,358.80)**

CONCLUSION

- Using the proportionate share equation set forth in the Florida Statutes, the prior PS calculations set forth for this development, the current Volusia County estimated cost for the improvements, and the current land use plan, the estimated proportionate share of improvement costs for the proposed Shell Pointe Colony development equates to $2,035,346.20.

- Based on Volusia County's and the City of New Smyrna Beach's current transportation impact fee schedule, the total estimated transportation impact fees for the proposed Shell Pointe Colony development equates to $4,269,705.00 and $1,203,624.00, respectively, for a total of $5,473,329.00.

- The Volusia County transportation impact fees for the proposed Shell Pointe Colony development are expected to exceed the Volusia County proportionate share cost amount by $2,234,358.80, therefore the applicant will only be responsible for paying the impact fees.

I affirm, by affixing my signature and seal below, that the findings contained herein are, to my knowledge, accurate and truthful and were developed using current procedures standard to the practice of professional engineering.

VOLUSIA COUNTY IMPACT FEE CREDIT INSTRUCTIONS

Volusia County
FLORIDA

REQUIREMENTS FOR PROPORTIONATE FAIR SHARE PAYMENTS & COUNTY TRANSPORTATION IMPACT FEE CREDIT PROCESS

To make a Proportionate Fair Share (PFS) payment to Volusia County, please submit:

1. **PFS Calculation:** The applicant shall submit the city and/or county approved PFS calculation based on the city and/or county approved TIA.

2. **PFS development agreement:** The project's recorded development agreement, including PFS calculation and any other documentation supporting the PFS amount, must accompany the PFS payment to the county. This serves as notification to the county that the city has officially approved the PFS amount and allows the respective PFS payment to be paid to the county. The developer making the PFS payment to the county would then be eligible to receive county impact fee credits. *If the city requires the county to be a party to the PFS or development agreement, please contact the County Engineer (386-736-5967). Following the city's approval, allow adequate time for preparation and scheduling of the County Council agenda item.*

3. **PFS check:** Checks can be addressed to: "County of Volusia." In return, a receipt will be provided. County staff will confirm that the check has an approved PFS amount based upon the recorded development agreement's required PFS. PFS checks should be sent to the address below:

Attn: Melissa Winsett
Volusia County Traffic Engineering
123 West Indiana Avenue, Room 402
Deland, FL 32720-4262

To Obtain Impact Fee Credits for PFS Payment or Constructed Mitigation Improvement:

1. **Establish an Impact Fee Credit Account:** After the PFS payment is made or constructed improvements are complete, contact Engineering & Construction to establish an impact fee credit account and obtain credits. Contact: Scott Carraro, scarraro@volusia.org, (386) 736-5967. Please allow 5-7 business days.

   For Impact Fee Credits related to PFS Payments, *please submit the following supporting documentation to Engineering and Construction:*

   - Copy of your PFS check and receipt.
   - Completed Volusia County Impact Fee Account Registration form**, attached. Registration forms require original signatures. Copies or PDF's will not be accepted.

   For Impact fee credits related to Constructed Improvements, *please submit the following to Engineering & Construction:*

   - Actual costs incurred such as executed construction contracts or contractor invoices. Engineers' estimates are not accepted.
   - Completed Volusia County Impact Fee Account Registration form**, attached. Registration forms require original signatures. Copies or PDF's will not be accepted.

   **Note: Your Transportation Impact Fee Credit Account is like a bank account. On the form, the "List of Person(s) authorized to sign for this account" will be the individuals authorized to make withdrawals from the respective Transportation Impact Fee Credit Account.

2. **Allow Staff to Process Information and Make Deposit:** The submittal will be reviewed by county engineering staff and additional information may be requested of the applicant. Engineering & Construction will deliver the original executed Registration Form to County Growth and Resource Management (GRM). GRM (Staff Contact: Beth Branton) will not accept executed forms from anyone other than Engineering & Construction. GRM will establish the Transportation Impact Fee Credit Account and send the applicant an email with instructions on how to pay County Transportation Impact Fees with credits, or if desired, transfer impact fee credits. Please be aware that the county auditor audits transportation impact fee credit files.

For questions regarding PFS calculations, please contact Melissa Winsett at (386) 736-5968, ext. 12322, mwinsett@volusia.org.

For questions regarding Impact Fee Credit Registration, please contact Scott Carraro at (386) 736-5967, ext. 12287, scarraro@volusia.org.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

CONDUCT A QUASI-JUDICIAL PUBLIC HEARING TO REVIEW AND CONSIDER THE APPROVAL OF MINOR REVISIONS TO THE PREVIOUSLY APPROVED BUT NOT YET RECORDED FINAL PLAT FOR SHELL POINTE PHASES 1 AND 2 (S-3-22), INCLUDING RENAMING THE PLAT AND AREA AS ARDISIA PARK AND AUTHORIZING THE MAYOR TO EXECUTE THE CONTRACT FOR PLAT RECORDING.

September 10, 2024

Background:

Applicant: Heather Isaacs, Taylor Morrison of Florida, Inc., 2600 Lake Lucien Dr. # 350, Maitland, FL 32751

Owners: Taylor Morrison of Florida, Inc. and Melvin RE Holdings LLC/Speer RE Holdings LLC, 4216 Dewitt Ave., Mattoon, IL 61938

Request: Approval of minor revisions to a previously approved but unrecorded single family residential subdivision plat, for a proposed 319 lots of varying sizes within a 210.57 acre total area to be platted as Phases 1 and 2 of a mixed-use PUD area, with 5 total development Phases. Those minor revisions include two items:

1. Revisions to lot lines and dimensions for 3 previously approved Lots only (# 52 - 54), for the intent of providing Model Homes within these 3 Lots, near the primary site entrance at Pioneer Trail, and
2. Changes to two previously approved names, for the Shell Pointe plat and community to instead now be named Ardisia Park, and for the primary roadway name through this plat area to be revised to Junonia Boulevard from its previously approved Shell Pointe Boulevard.

Site Data: The proposed subject property is currently undeveloped, zoned PUD Planned Unit Development, and generally located south of Pioneer Trail and west of Interstate 95, immediately north of and connecting to the existing Verano and Venetian PUD areas to the south and west. The 210 acre Phase 1 and 2 area to be platted is within the boundaries of the three separate tax parcels that comprise the Shell Pointe PUD. A location map showing this is attached as **Exhibit A**, along with an aerial photo of the site attached as **Exhibit B**. An overall development plan of the entire PUD area as provided by the applicant is attached as **Exhibit C**, showing all five Phase areas and the proposed residential development. The proposed 20 sheet revised Plat version is also included as

Exhibit F, along with other exhibits listed below**.**

Tax Parcel Numbers: 7308-00-00-0030, 7308-00-00-0050, and 7305-00-00-0030

Exhibits Attached:

Exhibit A - Location Map

Exhibit B - Aerial Map

Exhibit C - Overall Development and Phasing Plan, entire PUD (from applicant group)

Exhibit D - Boundary Survey, Phases 1 and 2 area only
Exhibit E - Model Home Exhibit (1 sheet)

Exhibit F - Plat (20 sheets)

Exhibit G - Plat Recording Contract

Findings:

Findings

A. This request concerns the first development plan proposed within the existing Shell Pointe PUD area originally approved by the City in 2018, with these approved Phase 1 and 2 plat areas comprising the southern and western 210 acre portions of the total 543.5 acre PUD area. The Shell Pointe PUD area is located on the south side of Pioneer Trail, immediately west of Interstate 95, and extending south to the existing Verano and Venetian Bay PUD developments. This PUD area is shown on the attached **Exhibits A - C** Maps and Plan.

B. Those same plans also show the five Phases of mixed use development permitted by the PUD Master Development Agreement (MDA) and its Conceptual Development Plan (CDP), which allows for a maximum of 745 Single Family (SF) residential lots/units within the first four Phases (1-4), and for the Phase 5 areas to contain a maximum of 400,000 square feet of Commercial uses as the last phase of PUD development. Per the MDA, no other residential development is permitted for any additional units, and with multi-family

and/or townhouse development to be strictly prohibited.

C. As mentioned above, the 210.57 acre Phase 1 and 2 area already approved to be platted is to contain 319 residential lots/units. Application materials have also been submitted to the City for the Phase 3 and 4 areas and are currently under review, with that area shown on the **Exhibit C** ODP as comprising 270.77 acres and proposed for another 368 residential lots/units.

D. As shown on these various Exhibits, Phases 1 and 2 will connect to Pioneer Trail to the north at a point west of Williamson Blvd., at a "plus/+" intersection with Cypress Springs Parkway on the north side of Pioneer Trail, within the City of Port Orange. Two other roadway connections are proposed to existing stubbed-out roads to the south, which are Monaco Blvd. and Modena Way within the Verano at Venetian Bay subdivision. Future roadway connections are also proposed from Phases 1 and 2 to the north, east, and the future Williamson Blvd., and shown to occur within the future Phases 3 and 4 areas.

E. The PUD MDA requires Minimum Residential Lot Sizes of 6,600 SF and Lot Widths of 55'. The Phases 1 and 2 plat instead proposes a Minimum Lot Size of 7,260 SF (55' x 132'), with the Average Lot Size of the 319 proposed lots being 9,417 SF. There are a combination of lot sizes proposed for Phases 1 and 2, ranging from 55', 65', 70' and 80' wide. There are also a total of 35 proposed Tracts within the Phases 1 and 2 plat for various future uses, including dedication of additional Pioneer Trail right-of-way area, stormwater management, perimeter landscape buffers, utilities, and common areas.

F. The current Shell Pointe Phases 1 and 2 plat version was unanimously approved by the City Commission at the June 27, 2023 meeting, after the Planning and Zoning Board, at their May 1, 2023 meeting voted, unanimously to recommend approval. While the site is currently under construction in accordance with that approved plat and plans, the plat has not yet been recorded with the Volusia County Clerk. Thus any revisions to this currently unrecorded plat would not be a Replat, but instead simple revisions to that originally approved plat prior to its recording.

G. As stated above, this request for minor revisions includes two items:

1. Revisions to lot lines and dimensions for 3 previously approved Lots only (# 52 - 54),

for the intent of providing Model Homes within these 3 Lots, near the primary site entrance at Pioneer Trail (as shown on **Exhibit E**), and

2. Changes to two previously approved names, for the Shell Pointe plat and community to instead now be named Ardisia Park, and for the primary roadway name through this plat area to be revised to Junonia Boulevard from its previously approved Shell Pointe Boulevard.

H. The first part of this request, concerning future Model Homes to be placed on Lots 52, 53, and 54, is for simple revisions to those lot lines and dimensions of those three lots. Lot 52 will be increased in width from 55' to 70', Lot 53 will remain 55' wide but in a slightly different location, and Lot 54 will increase from 55' to 65' wide. All appliable Lot utility connections have been revised accordingly. These three revised and proposed new Lot areas and locations are shown on the **Exhibit E** Model Home Exhibit (along with the proposed temporary parking area shown within the adjacent Lot 55 that is not being revised).

I. The second part of this request concerns changes for two previously approved names on this plat. The current Shell Pointe plat and community name will instead now be named Ardisia Park, and the name of the primary roadway through this plat area will be revised to be Junonia Boulevard from its previously approved Shell Pointe Boulevard name, with the reason given for these name changes being copyright issues. Those name revisions (along with the above 3 Lot revisions) are shown throughout various sheets of the 20 sheet revised plat now provided as **Exhibit F**.

J. These new plat and lot revisions have been reviewed and approved on behalf of the City by the same independent surveyor that performed those services for the currently approved plat.

K. The Planning and Zoning is scheduled to hear this same request at their September 9, 2024 meeting, and results of their recommendation to the Commission will be provided at this meeting. This request is also scheduled to be heard with a concurrent request for the City to approve a Proportionate Fair Share Agreement (PFSA) for the off-site roadway improvements required for impacts by the complete development of the Ardisia Park (formerly known as Shell Pointe) PUD Phases 1 through 4 residential subdivision, for the total of $2,035,346.20, as a separate agenda item.

Recommendation

Staff recommends the City Commission vote to approve the above listed minor plat revisions and authorize the Mayor to execute the Contract for Plat Recording on behalf of the City.

VICINITY MAP

SURVEY NOTES:

1. BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE GRID COORDINATE SYSTEM, EAST ZONE, NORTH AMERICAN DATUM OF 1983 (NAD 83), WITH A BEARING ALONG THE WEST LINE OF THE NORTHWEST 1/4 OF SECTION 8, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA AS BEING N01°27'29"W.
2. DISTANCES SHOWN HEREON ARE IN FEET AND DECIMALS THEREOF
3. THE PROPERTY DESCRIBED HEREON LIES WITHIN ZONE(S) "X" (AREA DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN) AND "A" (NO BASE FLOOD ELEVATION DETERMINED) AS SCALED FROM FEDERAL EMERGENCY MANAGEMENT AGENCY'S FLOOD INSURANCE RATE MAP (FIRM) NO. 12127C0517J AND 12127C0525H, VOLUSIA COUNTY, FLORIDA, EFFECTIVE DATE OF 02/19/2014.
4. UNDERGROUND FOUNDATIONS AND UTILITIES WERE NOT LOCATED AS PART OF THIS SURVEY. THOSE SHOWN HEREON WERE OBTAINED FROM ABOVE GROUND EVIDENCE AND/OR STRUCTURE DETAILS.
5. THIS SURVEY WAS PREPARED WITH THE BENEFIT OF A TITLE REPORT PREPARED BY FIDELITY NATIONAL TITLE INSURANCE COMPANY, COMMITMENT ORDER NO. 9836582, DATED 09/13/2019.
6. THERE MAY BE ADDITIONAL MATTERS AFFECTING THIS PROPERTY THAT EXIST IN THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA.
7. NORTH–SOUTH AND EAST–WEST TIES TO FOUND MONUMENTATION AND IMPROVEMENTS ARE BASED ON CARDINAL DIRECTION.
8. WETLAND AREAS WERE NOT ADDRESSED AS A PART OF THIS SURVEY. WETLANDS SHOWN HEREON WERE OBTAINED FROM A SURVEY PREPARED BY ACCURIGHT SURVEYS OF ORLANDO, INC., FILE NO. 6–17–33 NOLAND, DATED 02/09/2007, AND ARE SHOWN FOR IMFORMATIONAL PURPOSES ONLY.
9. THE ACCURACY OF THE SURVEY MEASUREMENTS USED FOR THIS SURVEY MEETS OR EXCEEDS THE EXPECTED USE OF THE PROPERTY DESCRIBED HEREON. (COMMERCIAL/HIGH RISK) 1 FOOT IN 10,000 FEET.
10. THE SUBJECT PROPERTY IS CONTIGUOUS ALONG ITS COMMON BOUNDARY LINES AND WITH PIONEER TRAIL, A PUBLIC VARIABLE WIDTH RIGHT–OF–WAY, ALL WITHOUT GAPS, GORES, HIATUSES AND OVERLAPS.

LEGAL DESCRIPTION:

A PART OF SECTIONS 5, 8, AND 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA, BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE NORTHWEST CORNER OF SAID SECTION 8; THENCE RUN N00°06'47"E, ALONG THE WEST LINE OF SAID SECTION 5, A DISTANCE OF 184.36 FEET TO A POINT ON THE SOUTHERLY RIGHT OF WAY LINE OF PIONEER TRAIL, HAVING A VARIABLE WIDTH RIGHT–OF–WAY; THENCE S79°29'49"E, ALONG SAID RIGHT OF WAY LINE, A DISTANCE OF 1296.54 FEET; THENCE CONTINUE ALONG SAID RIGHT–OF–WAY LINE, S79°05'39"E, A DISTANCE OF 1439.05 FEET TO A POINT ON THE WEST LINE OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE DEPARTING SAID RIGHT–OF–WAY LINE, RUN S06°54'58"W, ALONG SAID WEST LINE OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, A DISTANCE OF 32.08 FEET TO A POINT ON A LINE LYING 32.00 FEET SOUTHERLY OF AND PARALLEL WITH AFORESAID SOUTHERLY RIGHT–OF–WAY LINE OF PIONEER TRAIL; THENCE N79°05'39"W, ALONG SAID PARALLEL LINE, A DISTANCE OF 1134.96 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 40.00 FEET, A CENTRAL ANGLE OF 90°00'43", A CHORD BEARING OF S55°54'00"W AND A CHORD DISTANCE OF 145.98 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 62.84 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 56.57 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE EASTERLY, HAVING A RADIUS OF 2950.00 FEET, A CENTRAL ANGLE OF 04°27'33", A CHORD BEARING OF S08°39'52"W AND A CHORD DISTANCE OF 229.53 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 229.59 FEET TO THE POINT OF TANGENCY; THENCE S06°26'06"W, A DISTANCE OF 613.19 FEET; THENCE S13°29'38"W, A DISTANCE OF 237.37 FEET; THENCE S10°53'38"W, A DISTANCE OF 60.18 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 25.00 FEET, A CENTRAL ANGLE OF 90°00'00", A CHORD BEARING OF S34°06'22"E AND A CHORD DISTANCE OF 35.36 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 39.27 FEET TO A POINT ON A RADIAL LINE; THENCE S10°53'38"W, A DISTANCE OF 50.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 95.00 FEET; THENCE S10°53'38"W, A DISTANCE OF 120.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 142.87 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 82°22'02", A CHORD BEARING OF S37°55'20"E AND A CHORD DISTANCE OF 65.85 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 71.88 FEET TO THE POINT OF COMPOUND CURVATURE OF A CURVE CONCAVE WESTERLY, HAVING A CENTRAL ANGLE OF 07°37'58", A CHORD BEARING OF S07°04'40"W AND A CHORD DISTANCE OF 113.81 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 113.90 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 536.68 FEET TO A THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 350.00 FEET, A CENTRAL ANGLE OF 57°46'29", A CHORD BEARING OF S17°59'36"E AND A CHORD DISTANCE OF 338.16 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 352.93 FEET TO THE POINT OF TANGENCY; THENCE S46°52'51"E, A DISTANCE OF 457.72 FEET; THENCE S43°07'09"W, A DISTANCE OF 198.77 FEET; THENCE S46°52'51"E, A DISTANCE OF 1089.55 FEET; THENCE S50°30'18"E, A DISTANCE OF 60.00 FEET TO A POINT ON A RADIAL CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 970.00 FEET, A CENTRAL ANGLE OF 00°31'14", A CHORD BEARING OF S39°14'05"W AND A CHORD DISTANCE OF 8.81 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 8.81 FEET TO A POINT ON A NON–TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN S46°52'51"E, A DISTANCE OF 50.85 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 455.00 FEET, A CENTRAL ANGLE OF 32°04'59", A CHORD BEARING OF S62°55'20"E AND A CHORD DISTANCE OF 251.46 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 254.78 FEET TO THE POINT OF TANGENCY; THENCE S78°57'50"E, A DISTANCE OF 1049.22 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 545.00 FEET, A CENTRAL ANGLE OF 45°31'00", A CHORD BEARING OF S56°12'20"E AND A CHORD DISTANCE OF 421.66 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 432.96 FEET TO THE POINT OF TANGENCY; THENCE S33°26'50"E, A DISTANCE OF 467.49 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 545.00 FEET, A CENTRAL ANGLE OF 19°32'12", A CHORD BEARING OF S23°40'44"E AND A CHORD DISTANCE OF 184.93 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 185.83 FEET TO A POINT ON A RADIAL LINE; THENCE DEPARTING SAID CURVE, RUN N76°05'22"E, ALONG SAID RADIAL LINE, A DISTANCE OF 151.71 FEET; THENCE S80°47'00"E, A DISTANCE OF 65.56 FEET; THENCE N77°30'33"E, A DISTANCE OF 39.93 FEET; THENCE N69°02'29"E, A DISTANCE OF 46.57 FEET; THENCE S73°13'39"E, A DISTANCE OF 108.46 FEET TO A POINT ON THE WESTERLY BOUNDARY OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 4634, PAGE 2674, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE S16°46'21"W, ALONG SAID WESTERLY BOUNDARY, A DISTANCE OF 1367.68 FEET TO THE NORTHEAST CORNER OF VENETIAN BAY PHASE 2 – UNIT 1, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 53, PAGES 139–175, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N77°41'11"W, ALONG THE NORTH LINE OF SAID VENETIAN BAY PHASE 2 – UNIT 1, A DISTANCE OF 1572.13 FEET TO THE SOUTHEAST CORNER OF VERANO AT VENETIAN BAY, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 57, PAGES 5–13, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE RUN NORTHERLY AND WESTERLY ALONG THE EASTERLY AND NORTHERLY BOUNDARY OF SAID VERANO AT VENETIAN BAY, THE FOLLOWING SIX (6) COURSES; N49°35'36"E, A DISTANCE OF 167.05 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 260.00 FEET, A CENTRAL ANGLE OF 121°33'53", A CHORD BEARING OF N49°06'32"W AND A CHORD DISTANCE OF 453.84 FEET; THENCE NORTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 551.64 FEET TO A POINT ON A NON–TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN N77°43'43"W, A DISTANCE OF 773.24 FEET; THENCE N06°36'34"E, A DISTANCE OF 1441.74 FEET; THENCE N46°52'03"W, A DISTANCE OF 1838.78 FEET; THENCE N78°33'24"W, A DISTANCE OF 856.31 FEET TO A POINT ON THE WEST LINE OF AFORESAID SECTION 8 AND THE NORTHEAST CORNER OF TIFFANY HOMES AT VENETIAN BAY, PHASE 1B AS RECORDED IN MAP BOOK 53, PAGE 189–191, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N01°27'29"E, ALONG THE WEST LINE OF SAID SECTION 8, A DISTANCE OF 2614.68 FEET TO THE POINT OF BEGINNING.

CONTAINING 210.57 ACRES, MORE OR LESS.

SURVEYOR'S CERTIFICATE:

I HEREBY CERTIFY THIS SURVEY MEETS THE APPLICABLE "STANDARDS OF PRACTICE" AS SET FORTH BY THE FLORIDA BOARD OF PROFESSIONAL SURVEYORS AND MAPPERS IN CHAPTER 5J–17.050–.052, PURSUANT TO SECTION 472.027, FLORIDA STATUTES.

LOCATED IN SECTIONS 5, 8 & 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, CITY OF NEW SMYRNA BEACH, VOLUSIA COUNTY, FLORIDA

LEGAL DESCRIPTION:

A PART OF SECTIONS 5, 8, AND 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA, BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE NORTHWEST CORNER OF SAID SECTION 8; THENCE RUN N00°06'47"E, ALONG THE WEST LINE OF SAID SECTION 5, A DISTANCE OF 184.36 FEET TO A POINT ON THE SOUTHERLY RIGHT OF WAY LINE OF PIONEER TRAIL, HAVING A VARIABLE WIDTH RIGHT-OF-WAY; THENCE S79°29'49"E, ALONG SAID RIGHT OF WAY LINE, A DISTANCE OF 1296.54 FEET; THENCE CONTINUE ALONG SAID RIGHT-OF-WAY LINE, S79°05'39"E, A DISTANCE OF 1439.05 FEET TO A POINT ON THE WEST LINE OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE DEPARTING SAID RIGHT-OF-WAY LINE, RUN S06°54'58"W, ALONG SAID WEST LINE OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, A DISTANCE OF 32.08 FEET TO A POINT ON A LINE LYING 32.00 FEET SOUTHERLY OF AND PARALLEL WITH AFORESAID SOUTHERLY RIGHT-OF-WAY LINE OF PIONEER TRAIL; THENCE N79°05'39"W, ALONG SAID PARALLEL LINE, A DISTANCE OF 1134.96 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 40.00 FEET, A CENTRAL ANGLE OF 90°00'43", A CHORD BEARING OF S55°54'00"W AND A CHORD DISTANCE OF 56.57 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 62.84 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 145.98 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE EASTERLY, HAVING A RADIUS OF 2950.00 FEET, A CENTRAL ANGLE OF 04°27'33", A CHORD BEARING OF S08°39'52"W AND A CHORD DISTANCE OF 229.53 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 229.59 FEET TO THE POINT OF TANGENCY; THENCE S06°26'06"W, A DISTANCE OF 629.04 FEET; THENCE S10°53'38"W, A DISTANCE OF 281.51 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 25.00 FEET, A CENTRAL ANGLE OF 90°00'00", A CHORD BEARING OF S34°06'22"E AND A CHORD DISTANCE OF 35.36 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 39.27 FEET TO A POINT ON A RADIAL LINE; THENCE S10°53'38"W, A DISTANCE OF 50.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 107.00 FEET; THENCE S10°53'38"W, A DISTANCE OF 120.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 118.87 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 82°22'02", A CHORD BEARING OF S37°55'20"E AND A CHORD DISTANCE OF 65.85 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 71.88 FEET TO THE POINT OF COMPOUND CURVATURE OF A CURVE CONCAVE WESTERLY, HAVING A RADIUS OF 855.00 FEET, A CENTRAL ANGLE OF 07°37'58", A CHORD BEARING OF S07°04'40"W AND A CHORD DISTANCE OF 113.81 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 113.90 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 536.68 FEET TO A THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 350.00 FEET, A CENTRAL ANGLE OF 57°46'29", A CHORD BEARING OF S17°59'36"E AND A CHORD DISTANCE OF 338.16 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 352.93 FEET TO THE POINT OF TANGENCY; THENCE S46°52'51"E, A DISTANCE OF 457.72 FEET; THENCE S43°07'09"W, A DISTANCE OF 157.49 FEET; THENCE S46°52'03"E, A DISTANCE OF 1087.90 FEET; THENCE S49°08'50"E, A DISTANCE OF 60.00 FEET TO A POINT ON A RADIAL CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 470.00 FEET, A CENTRAL ANGLE OF 00°54'05", A CHORD BEARING OF S40°24'07"W AND A CHORD DISTANCE OF 7.40 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 7.40 FEET TO A POINT ON A NON-TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN S46°52'03"E, A DISTANCE OF 146.39 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 343.00 FEET, A CENTRAL ANGLE OF 32°05'47", A CHORD BEARING OF S62°54'56"E AND A CHORD DISTANCE OF 189.64 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 192.14 FEET TO THE POINT OF TANGENCY; THENCE S78°57'50"E, A DISTANCE OF 1007.47 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 547.00 FEET, A CENTRAL ANGLE OF 45°31'00", A CHORD BEARING OF S56°12'20"E AND A CHORD DISTANCE OF 423.21 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 434.54 FEET TO THE POINT OF TANGENCY; THENCE S33°26'50"E, A DISTANCE OF 467.49 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 547.00 FEET, A CENTRAL ANGLE OF 19°32'12", A CHORD BEARING OF S23°40'44"E AND A CHORD DISTANCE OF 185.61 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 186.52 FEET TO A POINT ON A RADIAL LINE; THENCE DEPARTING SAID CURVE, RUN N76°05'22"E, ALONG SAID RADIAL LINE, A DISTANCE OF 151.71 FEET; THENCE S80°47'00"E, A DISTANCE OF 65.56 FEET; THENCE N77°30'33"E, A DISTANCE OF 39.93 FEET; THENCE N69°02'29"E, A DISTANCE OF 46.57 FEET; THENCE S73°13'39"E, A DISTANCE OF 108.46 FEET TO A POINT ON THE WESTERLY BOUNDARY OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 4634, PAGE 2674, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE S16°46'21"W, ALONG SAID WESTERLY BOUNDARY, A DISTANCE OF 1367.68 FEET TO THE NORTHEAST CORNER OF VENETIAN BAY PHASE 2 - UNIT 1, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 53, PAGES 139-175, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N77°41'11"W, ALONG THE NORTH LINE OF SAID VENETIAN BAY PHASE 2 - UNIT 1, A DISTANCE OF 1572.13 FEET TO THE SOUTHEAST CORNER OF VERANO AT VENETIAN BAY, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 57, PAGES 5-13, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE RUN NORTHERLY AND WESTERLY ALONG THE EASTERLY AND NORTHERLY BOUNDARY OF SAID VERANO AT VENETIAN BAY, THE FOLLOWING SIX (6) COURSES; N49°35'36"E, A DISTANCE OF 167.05 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 260.00 FEET, A CENTRAL ANGLE OF 121°33'53", A CHORD BEARING OF N49°06'32"W AND A CHORD DISTANCE OF 453.84 FEET; THENCE NORTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 551.64 FEET TO A POINT ON A NON-TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN N77°43'43"W, A DISTANCE OF 773.24 FEET; THENCE N06°36'34"E, A DISTANCE OF 1441.74 FEET; GENERAL NOTES:

1. BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE GRID COORDINATE SYSTEM, EAST ZONE, NORTH AMERICAN DATUM OF 1983 (NAD 83) (1990 ADJUSTMENT), WITH A BEARING ALONG THE WEST LINE OF THE NORTHWEST 1/4 OF SECTION 8, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA AS BEING N01°27'29"W.
2. ACCORDING TO FEDERAL EMERGENCY MANAGEMENT AGENCY'S FLOOD INSURANCE RATE MAP (FIRM) NO. 12127C0051 7J AND 12127C0525H, VOLUSIA COUNTY, FLORIDA, REVISED DATE OF FEBRUARY 19, 2014, THE PROPERTY DESCRIBED HEREON LIES WITHIN ZONE(S) "X" (AREADETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN) AND "A" (NO BASE FLOOD ELEVATION DETERMINED).
3. DISTANCES SHOWN HEREON ARE IN FEET AND DECIMALS THEREOF. ALL MEASUREMENTS REFER TO THE HORIZONTAL PLANE IN ACCORDANCE WITH THE DEFINITION OF THE U.S. SURVEY FOOT OR METER ADOPTED BY THE NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY. ALL MEASUREMENTS SHALL USE THE 39.27/12=3.2808333333 EQUATION FOR CONVERSION FROM U.S. FOOT TO METERS. DIMENSIONS SHOWN ON THIS PLAT ARE IN U.S. GROUND FEET AND DECIMALS THEREOF.
4. ALL CURVILINEAR LINES SHOWN HEREON ARE RADIAL UNLESS OTHERWISE NOTED.
5. ALL PLATTED UTILITY EASEMENTS SHALL PROVIDE THAT SUCH EASEMENTS SHALL ALSO BE EASEMENTS FOR THE CONSTRUCTION, INSTALLATION, MAINTENANCE AND OPERATION OF CABLE TELEVISION SERVICES; PROVIDED, HOWEVER, NO SUCH CONSTRUCTION, INSTALLATION, MAINTENANCE OR OPERATION OF CABLE TELEVISION SERVICES SHALL INTERFERE WITH THE FACILITIES AND SERVICES OF AN ELECTRIC, TELEPHONE, GAS, OR OTHER PUBLIC UTILITY.
6. NOTICE: THIS PLAT, AS RECORDED IN IT'S GRAPHIC FORM, IS THE OFFICIAL DEPICTION OF THE SUBDIVIDED LANDS DESCRIBED HEREIN AND WILL IN NO CIRCUMSTANCES BE SUPPLANTED IN AUTHORITY BY ANY OTHER GRAPHIC OR DIGITAL FORM OF THE PLAT. THERE MAY BE ADDITIONAL RESTRICTIONS THAT ARE NOT RECORDED ON THIS PLAT THAT MAY BE FOUND IN THE PUBLIC RECORDS OF THIS COUNTY.
7. ALL LOTS AND TRACTS ARE SUBJECT TO A UTILITY EASEMENT ALONG THE FRONT AND STREET SIDE LOT LINES ABUTTING ALL ROAD RIGHT-OF-WAYS AS SHOWN HEREON.
8. THE COVENANTS AND RESTRICTIONS FOR ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. ARE RECORDED IN O.R. BOOK _____, PAGE _____ OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA.
9. THE ARTICLES OF INCORPORATION OF THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC., A FLORIDA NOT FOR PROFIT CORPORATION, WERE FILED ON APRIL 20, 2024, AND ASSIGNED DOCUMENT NUMBER N23000011589 WITH THE FLORIDA DEPARTMENT OF STATE, AS AMENDED.
10. ALL UTILITY EASEMENTS SHOWN HEREON ARE GRANTED AND CONVEYED TO ANY PUBLIC OR PRIVATE UTILITY, AND ARE SEVERABLE, NON-EXCLUSIVE EASEMENTS, GRANTING THE RIGHT TO CONSTRUCTION, OPERATION, MAINTENANCE AND REPAIR UNDERGROUND PUBLIC UTILITY SYSTEMS (INCLUDING WIRES, CABLES, CONDUITS AND ABOVE GROUND APPURTENANT EQUIPMENT) UNLESS OTHERWISE INDICATED.
11. TRACT A IS HEREBY DESIGNATED FOR ADDITIONAL RIGHT-OF-WAY DEDICATION TO BE CONVEYED IN FEE SIMPLE TO THE COUNTY OF VOLUSIA.
12. TRACTS B, C, D, E, F, G, H, I, J, K, L, T, U, AND V ARE HEREBY DESIGNATED FOR STORM WATER MANAGEMENT AND SHALL BE THE SOLE RESPONSIBILITY OF THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. TO MAINTAIN IN COMPLIANCE WITH THE DESIGN AND PERMITTED CONDITIONS.
13. TRACTS M, N, AND O ARE HEREBY DESIGNATED FOR THE INSTALLATION AND MAINTENANCE OF LIFT STATIONS TO BE CONVEYED IN FEE SIMPLE TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
14. TRACTS P, Q, R AND S ARE HEREBY DEDICATED AS COMMON AREAS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC.
15. TRACTS W, X, Y, Z, AA AND BB ARE HEREBY DESIGNATED FOR LANDSCAPE BUFFERS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC.
16. TRACTS CC, DD AND EE ARE HEREBY DESIGNATED FOR UTILITIES. SAID TRACTS ARE SUBJECT TO AN EASEMENT FOR ACCESS AND UTILITIES GRANTED TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
17. TRACT FF IS HEREBY DESIGNATED FOR ACCESS, UTILITIES, DRAINAGE AND COMMON AREA. SAID TRACT IS SUBJECT TO AN EASEMENT FOR ACCESS AND UTILITIES GRANTED TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
18. TRACTS GG, HH AND II ARE HEREBY DESIGNATED FOR NATURAL AREAS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. THESE NATURAL AREAS INCLUDE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT (SJRWMD) APPROVED WETLAND LIMITS AND A 25' MINIMUM UPLAND BUFFER AND ARE TO BE MAINTAINED IN THEIR NATURAL STATE. NO DEVELOPMENT OR CONSTRUCTION SHALL BE PERMITTED IN THESE AREAS WITHOUT APPROVAL FROM THE OFFICIAL GOVERNING ENTITY.
19. ALL SIDE LOT LINES ARE SUBJECT TO A 2.50 FOOT DRAINAGE EASEMENT FOR THE PURPOSE OF MAINTENANCE OF DRAINAGE FACILITIES, WITH FOREGOING EASEMENTS RESERVED AND DEDICATED TO ARDISIA PARK HOMEOWNERS ASSOCIATION, INC., ITS SUCCESSORS AND ASSIGNS.
20. THIS PLAT CONTAINS A TOTAL OF 37 TRACTS.
21. THIS PLAT CONTAINS 319 LOTS WITH A MINIMUM LOT SIZE OF 7,260.00 SQUARE FEET AND AN AVERAGE LOT SIZE OF 9,417.32 SQUARE FEET.
22. THE TOTAL RIGHT-OF-WAY FOR ALL ROADWAYS WITHIN THE PLAT CONTAIN 21.210 ACRES.
23. THE TOTAL LINEAL FEET OF STREETS IS 16,605.7 LINEAL FEET.
24. ALL PERMANENT CONTROL POINTS WILL BE PLACED ONCE ROADS HAVE BEEN COMPLETED PER F.S. 177.091.9.
25. ALL LOT AND TRACT CORNERS WILL BE SET PRIOR TO ANY TRANSFER OF LOTS OR TRACTS IN ACCORDANCE WITH F.S. 177.091.9.

CONTRACT FOR PLAT RECORDING

The Parties to this Contract for Plat Recording are Taylor Morrison of Florida, Inc., a Florida corporation (hereinafter "Owner"), and The City of New Smyrna Beach, a Florida municipal corporation (hereinafter the "City).

WITNESSETH:

WHEREAS, Owner warrants that Owner is the record title owner to certain real property located in the City of New Smyrna Beach (hereinafter the "Subject Property") more fully described in **Exhibit A**; and

WHEREAS, Owner has applied to the City for approval of a subdivision plat to be known as Ardisia Park – Phases 1 & 2 (hereinafter the "Plat"), a copy of which is incorporated herein by reference as **Exhibit B**, on which plat is shown areas offered by the Owner to be dedicated to public use as streets, alleys, access ways, drainage easements, and utility easements; and

WHEREAS, it is necessary in the interest of public welfare that the areas so offered be dedicated and constructed in accordance with the specifications hereinafter set forth.

NOW THEREFORE, to induce the City to approve the plat and to accept the dedications for uses as specified therein, the Owner does hereby unconditionally promise and agree to and with the City as follows:

1. CONSTRUCTION OF PUBLIC IMPROVEMENTS: The Owner will construct or cause to be constructed the public utilities, street improvements, and other improvements required to be dedicated for public ownership ("Public Improvements") as shown in the approved plans prepared by Melia Russell, Florida License No. 68357, of the firm Zev Cohen & Associates, Inc., dated September 4, 2024 (latest revision dated September 4, 2024) (the "Approved Plans"). A reduced-sized copy of the Approved Plans is included in **Exhibit C**.
2. SURVEY MONUMENTS: Monuments or permanent control points as required by Fla. Statutes Ch. 177 will be placed at all block corners, angle points, points of curves in streets, and at intermediate points as are indicated by the final plat.
3. STORM DRAINAGE: The storm drainage system will be installed in accordance with the Approved Plans; City ordinances, regulations, and standards; and St. Johns River Water Management District requirements.
4. POTABLE WATER, REUSE WATER, AND SANITARY SEWER SYSTEMS: Potable water, reuse water, and sanitary sewer systems will be installed in accordance with the Approved Plans; City ordinances, regulations, and standards; and Florida Department of Environmental Protection requirements.
5. PAVED STREETS: Paved streets will be constructed in proposed street right of ways or access easement areas, as shown on the plat. The drive aisles will be of the overall widths designated on **Exhibit B**.
6. BEAUTIFICATION AND LANDSCAPING: All unpaved portions of street rights of way will be sodded unless otherwise provided by applicable City ordinances, regulations, or standards.

7. SIDEWALKS AND BIKE PATHS: Sidewalks and bike paths will be constructed in all locations shown on **Exhibit C** in accordance with the Approved Plans and City ordinances, regulations, and standards.
8. STREET LIGHTS: Street lights will be installed in the locations shown on **Exhibit C** prior to the issuance of the first Certificate of Occupancy for property located within the plat.
9. TIME OF COMPLETION: All Public Improvements referenced herein are to be installed in the subdivision at the expense of the Owner and within 24 months after the Effective Date. This deadline may be extended by the City due to unforeseen circumstances. If no action has been taken pursuant to this Contract within the deadline (as may be extended), then all rights and obligations of the parties hereunder will automatically cease.
10. APPROVAL OF PLAT FOR RECORDING: The City Manager is authorized to execute the plat for recording in the Public Records of Volusia County, Florida, upon certification of the plat by the City Surveyor and legal approval by the City Attorney. Except as specifically provided below, all Public Improvements referenced herein must be completed before the plat is executed by the City Manager. The Public Improvements will not be deemed to be approved unless and until any required guarantees for unbuilt sidewalks and unplanted trees have been provided, and the City Engineer has executed a Certificate of Completion.
11. RECORDATION OF PLAT BEFORE COMPLETION OF IMPROVEMENTS; PERFORMANCE GUARANTEE AND OTHER CONDITIONS: If, at the time that the Owner requests that the City approve the plat for recording, all or a portion of the required Public Improvements are incomplete, the City Manager will give such approval only after the Owner supplies a performance guarantee that the Owner will complete construction of all Public Improvements in accordance with the requirements of this Contract. The performance guarantee must meet the following requirements:
    A. The performance guarantee must be in the form of a surety bond, irrevocable letter of credit, certified check, or cash. If submitted in the form of a surety bond or irrevocable letter of credit, both the form and the surety are subject to prior City approval.
    B. Except as provided in Subsection 11.C below, the amount of the guarantee will equal 115% of the construction cost of the remaining work to be done on all Public Improvements.
    C. If some or all of the Public Improvements are to be dedicated to a governmental entity other than the City, and such entity requires the provision of a performance guarantee to ensure completion of those improvements (hereinafter "Non-City Public Improvements"), then the Non-City Public Improvements need not be covered by the performance guarantee required herein, and the amount of the guarantee may be reduced accordingly.
    D. In determining the actual dollar amount of the performance guarantee, the City Engineer may use his or her own good faith estimate of the cost of completing the Public Improvements; or the City Engineer may require the Owner's engineer to certify such cost.
    E. The City Manager is authorized to partially release or reduce the performance guarantee for those portions of the covered work subsequently completed by Owner and certified as complete by the City Engineer.

F. Upon completion of all Public Improvements covered by the performance guarantee as certified by the City Engineer, and if requested by Owner, the City Manager will release the performance guarantee in full.

12. MAINTENANCE GUARANTEE: The Owner will repair and replace any defects which develop in all Public Improvements within one year after completion of construction and installation. Prior to the acceptance of Public Improvements by the City, the Owner will post a maintenance guarantee to ensure that the Owner will provide such repairs and replacements. The maintenance guarantee may be in any of the forms authorized for performance guarantee above, subject to the same conditions specified. The amount of the maintenance guarantee will equal 10% of the construction cost of the Public Improvements, certified in the same manner as provided above for the performance guarantee.
13. PAYMENT: The Owner will promptly make payment to all persons supplying labor, materials, and supplies used directly or indirectly by the Owner or its subcontractors in the construction of Public Improvements.
14. UTILITY CONSTRUCTION: The Owner will provide for the construction of all necessary utilities within the subdivision as required by the City's Land Development Regulations and the Utilities Commission.
15. PERMITS: The Owner will obtain all permits and approvals required from the City or other governmental agency that are necessary for the construction of Public Improvements and furnish copies to the City, prior to release of any surety. The final plat will not be recorded prior to obtaining all such permits and approvals. Construction of the Public Improvements will not be allowed to commence prior to the Owner furnishing evidence to the City Engineer of such permits and approvals.
16. CORRECTIONS: The Owner will take no advantage of any apparent error or omission in the Approved Plan, nor changes to the Approved Plans required by shop drawing review; but will immediately notify the City Engineer. The City Engineer will decide the appropriateness of corrections and interpretations necessary for fulfillment of the intent of the Approved Plans.
17. DEVIATIONS FROM PLANS: No deviations from the Approved Plans are to be made without prior written approval from the City Engineer. The Owner will revise the plans attached as Exhibit B to reflect all deviations necessary due to unforeseen conditions during construction. Prior to installation of Public Improvements, the Owner will submit to the City approved shop drawings.
18. AS-BUILT DRAWINGS: The Owner will submit as-built plans, which will be reproducible copies and in a form specified by the City Engineer, prior to the City's acceptance of Public Improvements or release of performance guarantees.
19. SIGNAGE: Prior to acceptance of the streets, the Owner will install street signs and other traffic control devices specified by the City.
20. CERTIFICATES OF OCCUPANCY: Although the City may issue building permits within this subdivision after recording of the above-referenced plat, no Certificates of Occupancy will be issued for any structures until all necessary permits have been obtained, easements have been conveyed, copies thereof have been furnished to the City, and all Public Improvements are certified as complete by the City Engineer.
21. PLAT RECORDING REQUIREMENTS:

A. A Title Opinion or a Certificate of Title in accordance with the requirements of Section 177.041, Florida Statutes, and in a form approved by the City Attorney will be furnished by or on behalf of the Owner prior to the anticipated date of recordation. The record information referenced in the Certificate will be "current," meaning that the record title search upon which the Opinion or Certificate is based will be conducted within 14 days of the anticipated date of recordation.
B. The Owner will provide evidence of payment of property taxes for the lands included in the above-referenced plat in accordance with Section 197.046, Florida Statutes, to the City immediately prior to the time of recording of the final plat.
C. A letter from the surveyor verifying that all survey monumentation required by Chapter 177, Florida Statutes, and the City's LDRs is in place.
D. Three mylar copies of the final plat executed by the developer and associated entities will be provided, along with a copy of the computer disk if the plat was prepared on a CAD system.
E. If required pursuant to a planned development agreement, the Owner agrees to record, concurrent with the plat, protective deed covenants and to furnish the City with a copy as recorded.
F. The Owner will pay all costs associated with the recording of the plat in the records of Volusia County.
G. The Owner will file Articles of Incorporation and By-Laws for any property owners association to be formed, and will furnish copies of the recorded document to the City.

22. Under no circumstances will the City have responsibility for ownership and maintenance of any private stormwater management systems.
23. The City agrees to do the following:
    A. To approve the plat for recording in accordance with the above conditions.
    B. To participate in the construction and improvements of off-site water and sewer lines only where specifically provided in this Contract or other duly authorized written agreements.
24. The Effective Date of this Contract will be the date on which this Contract as executed by the Owner is approved by the City Commission. This Contract may not be amended except through a written document signed by both Parties. Full-sized copies of Exhibits B and C will remain on file with the Office of the City Clerk.
25. ASSIGNMENTS. The City Manager for the City is authorized on behalf of the City to accept an assignment of Owner's rights and obligations under this Contract if legal title to the property described in the Plat is transferred to a party other than Owner during the Term of this Contract. No formal amendment will be necessary to accept such assignment. The City will not unreasonably withhold approval of such an assignment.
26. CONFLICTS. In case of conflicts between this Contract and any City ordinance, the City ordinance governs. In case of conflicts between this Contract and the provisions of any planned development agreement authorized by City ordinance, the planned development agreement controls.
27. APPLICABLE LAW. This Contract will be subject to and construed in accordance with the laws of the State of Florida. Venue in case of any suit filed to enforce the provisions of this Contract

will be in the Middle District of Florida, if filed in federal court, and in the state courts in and for Volusia County, if filed in state court.

IN WITNESS WHEREOF, the Parties hereunder have signed this Contract on the dates indicated below.

Owner: **Taylor Morrison of Florida, Inc.**, a Florida corporation

By: _____
Heather Issacs, Vice President

Date: 9/4/24

The City of New Smyrna Beach, Florida, a Florida municipal corporation

By: _____
Fred Cleveland, Mayor

Attest: _____
Kelly McQuillen, City Clerk

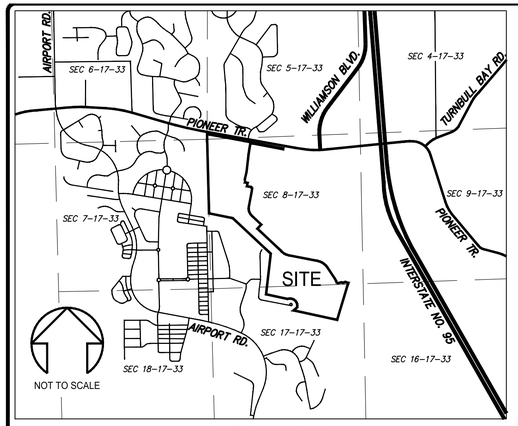
Date: _____

Approved as to legal form:

By: _____
Carrie Avallone, City Attorney

Exhibit “A”

Exhibit "A"



VICINITY MAP

SURVEY NOTES:

1. BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE GRID COORDINATE SYSTEM, EAST ZONE, NORTH AMERICAN DATUM OF 1983 (NAD 83), WITH A BEARING ALONG THE WEST LINE OF THE NORTHWEST 1/4 OF SECTION 8, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA AS BEING N01°27'29"W.
2. DISTANCES SHOWN HEREON ARE IN FEET AND DECIMALS THEREOF
3. THE PROPERTY DESCRIBED HEREON LIES WITHIN ZONE(S) "X" (AREA DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN) AND "A" (NO BASE FLOOD ELEVATION DETERMINED) AS SCALED FROM FEDERAL EMERGENCY MANAGEMENT AGENCY'S FLOOD INSURANCE RATE MAP (FIRM) NO. 12127C0517J AND 12127C0525H, VOLUSIA COUNTY, FLORIDA, EFFECTIVE DATE OF 02/19/2014.
4. UNDERGROUND FOUNDATIONS AND UTILITIES WERE NOT LOCATED AS PART OF THIS SURVEY. THOSE SHOWN HEREON WERE OBTAINED FROM ABOVE GROUND EVIDENCE AND/OR STRUCTURE DETAILS.
5. THIS SURVEY WAS PREPARED WITH THE BENEFIT OF A TITLE REPORT PREPARED BY FIDELITY NATIONAL TITLE INSURANCE COMPANY, COMMITMENT ORDER NO. 9836582, DATED 09/13/2019.
6. THERE MAY BE ADDITIONAL MATTERS AFFECTING THIS PROPERTY THAT EXIST IN THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA.
7. NORTH–SOUTH AND EAST–WEST TIES TO FOUND MONUMENTATION AND IMPROVEMENTS ARE BASED ON CARDINAL DIRECTION.
8. WETLAND AREAS WERE NOT ADDRESSED AS A PART OF THIS SURVEY. WETLANDS SHOWN HEREON WERE OBTAINED FROM A SURVEY PREPARED BY ACCURIGHT SURVEYS OF ORLANDO, INC., FILE NO. 6–17–33 NOLAND, DATED 02/09/2007, AND ARE SHOWN FOR IMFORMATIONAL PURPOSES ONLY.
9. THE ACCURACY OF THE SURVEY MEASUREMENTS USED FOR THIS SURVEY MEETS OR EXCEEDS THE EXPECTED USE OF THE PROPERTY DESCRIBED HEREON. (COMMERCIAL/HIGH RISK) 1 FOOT IN 10,000 FEET.
10. THE SUBJECT PROPERTY IS CONTIGUOUS ALONG ITS COMMON BOUNDARY LINES AND WITH PIONEER TRAIL, A PUBLIC VARIABLE WIDTH RIGHT–OF–WAY, ALL WITHOUT GAPS, GORES, HIATUSES AND OVERLAPS.

LEGAL DESCRIPTION:

A PART OF SECTIONS 5, 8, AND 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA, BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE NORTHWEST CORNER OF SAID SECTION 8; THENCE RUN N00°06'47"E, ALONG THE WEST LINE OF SAID SECTION 5, A DISTANCE OF 184.36 FEET TO A POINT ON THE SOUTHERLY RIGHT OF WAY LINE OF PIONEER TRAIL, HAVING A VARIABLE WIDTH RIGHT–OF–WAY; THENCE S79°29'49"E, ALONG SAID RIGHT OF WAY LINE, A DISTANCE OF 1296.54 FEET; THENCE CONTINUE ALONG SAID RIGHT–OF–WAY LINE, S79°05'39"E, A DISTANCE OF 1439.05 FEET TO A POINT ON THE WEST LINE OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE DEPARTING SAID RIGHT–OF–WAY LINE, RUN S06°54'58"W, ALONG SAID WEST LINE OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, A DISTANCE OF 32.08 FEET TO A POINT ON A LINE LYING 32.00 FEET SOUTHERLY OF AND PARALLEL WITH AFORESAID SOUTHERLY RIGHT–OF–WAY LINE OF PIONEER TRAIL; THENCE N79°05'39"W, ALONG SAID PARALLEL LINE, A DISTANCE OF 1134.96 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 40.00 FEET, A CENTRAL ANGLE OF 90°00'43", A CHORD BEARING OF S55°54'00"W AND A CHORD DISTANCE OF 145.98 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 62.84 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 56.57 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE EASTERLY, HAVING A RADIUS OF 2950.00 FEET, A CENTRAL ANGLE OF 04°27'33", A CHORD BEARING OF S08°39'52"W AND A CHORD DISTANCE OF 229.53 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 229.59 FEET TO THE POINT OF TANGENCY; THENCE S06°26'06"W, A DISTANCE OF 613.19 FEET; THENCE S13°29'38"W, A DISTANCE OF 237.37 FEET; THENCE S10°53'38"W, A DISTANCE OF 60.18 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 25.00 FEET, A CENTRAL ANGLE OF 90°00'00", A CHORD BEARING OF S34°06'22"E AND A CHORD DISTANCE OF 35.36 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 39.27 FEET TO A POINT ON A RADIAL LINE; THENCE S10°53'38"W, A DISTANCE OF 50.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 95.00 FEET; THENCE S10°53'38"W, A DISTANCE OF 120.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 142.87 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 82°22'02", A CHORD BEARING OF S37°55'20"E AND A CHORD DISTANCE OF 65.85 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 71.88 FEET TO THE POINT OF COMPOUND CURVATURE OF A CURVE CONCAVE WESTERLY, HAVING A CENTRAL ANGLE OF 07°37'58", A CHORD BEARING OF S07°04'40"W AND A CHORD DISTANCE OF 113.81 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 113.90 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 536.68 FEET TO A THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 350.00 FEET, A CENTRAL ANGLE OF 57°46'29", A CHORD BEARING OF S17°59'36"E AND A CHORD DISTANCE OF 338.16 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 352.93 FEET TO THE POINT OF TANGENCY; THENCE S46°52'51"E, A DISTANCE OF 457.72 FEET; THENCE S43°07'09"W, A DISTANCE OF 198.77 FEET; THENCE S46°52'51"E, A DISTANCE OF 1089.55 FEET; THENCE S50°30'18"E, A DISTANCE OF 60.00 FEET TO A POINT ON A RADIAL CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 970.00 FEET, A CENTRAL ANGLE OF 00°31'14", A CHORD BEARING OF S39°14'05"W AND A CHORD DISTANCE OF 8.81 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 8.81 FEET TO A POINT ON A NON–TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN S46°52'51"E, A DISTANCE OF 50.85 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 455.00 FEET, A CENTRAL ANGLE OF 32°04'59", A CHORD BEARING OF S62°55'20"E AND A CHORD DISTANCE OF 251.46 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 254.78 FEET TO THE POINT OF TANGENCY; THENCE S78°57'50"E, A DISTANCE OF 1049.22 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 545.00 FEET, A CENTRAL ANGLE OF 45°31'00", A CHORD BEARING OF S56°12'20"E AND A CHORD DISTANCE OF 421.66 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 432.96 FEET TO THE POINT OF TANGENCY; THENCE S33°26'50"E, A DISTANCE OF 467.49 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 545.00 FEET, A CENTRAL ANGLE OF 19°32'12", A CHORD BEARING OF S23°40'44"E AND A CHORD DISTANCE OF 184.93 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 185.83 FEET TO A POINT ON A RADIAL LINE; THENCE DEPARTING SAID CURVE, RUN N76°05'22"E, ALONG SAID RADIAL LINE, A DISTANCE OF 151.71 FEET; THENCE S80°47'00"E, A DISTANCE OF 65.56 FEET; THENCE N77°30'33"E, A DISTANCE OF 39.93 FEET; THENCE N69°02'29"E, A DISTANCE OF 46.57 FEET; THENCE S73°13'39"E, A DISTANCE OF 108.46 FEET TO A POINT ON THE WESTERLY BOUNDARY OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 4634, PAGE 2674, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE S16°46'21"W, ALONG SAID WESTERLY BOUNDARY, A DISTANCE OF 1367.68 FEET TO THE NORTHEAST CORNER OF VENETIAN BAY PHASE 2 – UNIT 1, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 53, PAGES 139–175, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N77°41'11"W, ALONG THE NORTH LINE OF SAID VENETIAN BAY PHASE 2 – UNIT 1, A DISTANCE OF 1572.13 FEET TO THE SOUTHEAST CORNER OF VERANO AT VENETIAN BAY, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 57, PAGES 5–13, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE RUN NORTHERLY AND WESTERLY ALONG THE EASTERLY AND NORTHERLY BOUNDARY OF SAID VERANO AT VENETIAN BAY, THE FOLLOWING SIX (6) COURSES; N49°35'36"E, A DISTANCE OF 167.05 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 260.00 FEET, A CENTRAL ANGLE OF 121°33'53", A CHORD BEARING OF N49°06'32"W AND A CHORD DISTANCE OF 453.84 FEET; THENCE NORTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 551.64 FEET TO A POINT ON A NON–TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN N77°43'43"W, A DISTANCE OF 773.24 FEET; THENCE N06°36'34"E, A DISTANCE OF 1441.74 FEET; THENCE N46°52'03"W, A DISTANCE OF 1838.78 FEET; THENCE N78°33'24"W, A DISTANCE OF 856.31 FEET TO A POINT ON THE WEST LINE OF AFORESAID SECTION 8 AND THE NORTHEAST CORNER OF TIFFANY HOMES AT VENETIAN BAY, PHASE 1B AS RECORDED IN MAP BOOK 53, PAGE 189–191, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N01°27'29"E, ALONG THE WEST LINE OF SAID SECTION 8, A DISTANCE OF 2614.68 FEET TO THE POINT OF BEGINNING.

CONTAINING 210.57 ACRES, MORE OR LESS.

SURVEYOR'S CERTIFICATE:

I HEREBY CERTIFY THIS SURVEY MEETS THE APPLICABLE "STANDARDS OF PRACTICE" AS SET FORTH BY THE FLORIDA BOARD OF PROFESSIONAL SURVEYORS AND MAPPERS IN CHAPTER 5J–17.050–.052, PURSUANT TO SECTION 472.027, FLORIDA STATUTES.

ARDISIA PARK - PHASES 1 & 2

LOCATED IN SECTIONS 5, 8 & 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, CITY OF NEW SMYRNA BEACH, VOLUSIA COUNTY, FLORIDA

LEGAL DESCRIPTION:

A PART OF SECTIONS 5, 8, AND 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA, BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE NORTHWEST CORNER OF SAID SECTION 8; THENCE RUN N00°06'47"E, ALONG THE WEST LINE OF SAID SECTION 5, A DISTANCE OF 184.36 FEET TO A POINT ON THE SOUTHERLY RIGHT OF WAY LINE OF PIONEER TRAIL, HAVING A VARIABLE WIDTH RIGHT-OF-WAY; THENCE S79°29'49"E, ALONG SAID RIGHT OF WAY LINE, A DISTANCE OF 1296.54 FEET; THENCE CONTINUE ALONG SAID RIGHT-OF-WAY LINE, S79°05'39"E, A DISTANCE OF 1439.05 FEET TO A POINT ON THE WEST LINE OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE DEPARTING SAID RIGHT-OF-WAY LINE, RUN S06°54'58"W, ALONG SAID WEST LINE OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, A DISTANCE OF 32.08 FEET TO A POINT ON A LINE LYING 32.00 FEET SOUTHERLY OF AND PARALLEL WITH AFORESAID SOUTHERLY RIGHT-OF-WAY LINE OF PIONEER TRAIL; THENCE N79°05'39"W, ALONG SAID PARALLEL LINE, A DISTANCE OF 1134.96 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 40.00 FEET, A CENTRAL ANGLE OF 90°00'43", A CHORD BEARING OF S55°54'00"W AND A CHORD DISTANCE OF 56.57 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 62.84 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 145.98 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE EASTERLY, HAVING A RADIUS OF 2950.00 FEET, A CENTRAL ANGLE OF 04°27'33", A CHORD BEARING OF S08°39'52"W AND A CHORD DISTANCE OF 229.53 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 229.59 FEET TO THE POINT OF TANGENCY; THENCE S06°26'06"W, A DISTANCE OF 629.04 FEET; THENCE S10°53'38"W, A DISTANCE OF 281.51 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 25.00 FEET, A CENTRAL ANGLE OF 90°00'00", A CHORD BEARING OF S34°06'22"E AND A CHORD DISTANCE OF 35.36 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 39.27 FEET TO A POINT ON A RADIAL LINE; THENCE S10°53'38"W, A DISTANCE OF 50.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 107.00 FEET; THENCE S10°53'38"W, A DISTANCE OF 120.00 FEET; THENCE S79°06'22"E, A DISTANCE OF 118.87 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 50.00 FEET, A CENTRAL ANGLE OF 82°22'02", A CHORD BEARING OF S37°55'20"E AND A CHORD DISTANCE OF 65.85 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 71.88 FEET TO THE POINT OF COMPOUND CURVATURE OF A CURVE CONCAVE WESTERLY, HAVING A RADIUS OF 855.00 FEET, A CENTRAL ANGLE OF 07°37'58", A CHORD BEARING OF S07°04'40"W AND A CHORD DISTANCE OF 113.81 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 113.90 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 536.68 FEET TO A THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 350.00 FEET, A CENTRAL ANGLE OF 57°46'29", A CHORD BEARING OF S17°59'36"E AND A CHORD DISTANCE OF 338.16 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 352.93 FEET TO THE POINT OF TANGENCY; THENCE S46°52'51"E, A DISTANCE OF 457.72 FEET; THENCE S43°07'09"W, A DISTANCE OF 157.49 FEET; THENCE S46°52'03"E, A DISTANCE OF 1087.90 FEET; THENCE S49°08'50"E, A DISTANCE OF 60.00 FEET TO A POINT ON A RADIAL CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 470.00 FEET, A CENTRAL ANGLE OF 00°54'05", A CHORD BEARING OF S40°24'07"W AND A CHORD DISTANCE OF 7.40 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 7.40 FEET TO A POINT ON A NON-TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN S46°52'03"E, A DISTANCE OF 146.39 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 343.00 FEET, A CENTRAL ANGLE OF 32°05'47", A CHORD BEARING OF S62°54'56"E AND A CHORD DISTANCE OF 189.64 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 192.14 FEET TO THE POINT OF TANGENCY; THENCE S78°57'50"E, A DISTANCE OF 1007.47 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 547.00 FEET, A CENTRAL ANGLE OF 45°31'00", A CHORD BEARING OF S56°12'20"E AND A CHORD DISTANCE OF 423.21 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 434.54 FEET TO THE POINT OF TANGENCY; THENCE S33°26'50"E, A DISTANCE OF 467.49 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 547.00 FEET, A CENTRAL ANGLE OF 19°32'12", A CHORD BEARING OF S23°40'44"E AND A CHORD DISTANCE OF 185.61 FEET; THENCE SOUTHEASTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 186.52 FEET TO A POINT ON A RADIAL LINE; THENCE DEPARTING SAID CURVE, RUN N76°05'22"E, ALONG SAID RADIAL LINE, A DISTANCE OF 151.71 FEET; THENCE S80°47'00"E, A DISTANCE OF 65.56 FEET; THENCE N77°30'33"E, A DISTANCE OF 39.93 FEET; THENCE N69°02'29"E, A DISTANCE OF 46.57 FEET; THENCE S73°13'39"E, A DISTANCE OF 108.46 FEET TO A POINT ON THE WESTERLY BOUNDARY OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 4634, PAGE 2674, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE S16°46'21"W, ALONG SAID WESTERLY BOUNDARY, A DISTANCE OF 1367.68 FEET TO THE NORTHEAST CORNER OF VENETIAN BAY PHASE 2 - UNIT 1, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 53, PAGES 139-175, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N77°41'11"W, ALONG THE NORTH LINE OF SAID VENETIAN BAY PHASE 2 - UNIT 1, A DISTANCE OF 1572.13 FEET TO THE SOUTHEAST CORNER OF VERANO AT VENETIAN BAY, ACCORDING TO THE MAP OR PLAT THEREOF, AS RECORDED IN MAP BOOK 57, PAGES 5-13, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE RUN NORTHERLY AND WESTERLY ALONG THE EASTERLY AND NORTHERLY BOUNDARY OF SAID VERANO AT VENETIAN BAY, THE FOLLOWING SIX (6) COURSES; N49°35'36"E, A DISTANCE OF 167.05 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHWESTERLY, HAVING A RADIUS OF 260.00 FEET, A CENTRAL ANGLE OF 121°33'53", A CHORD BEARING OF N49°06'32"W AND A CHORD DISTANCE OF 453.84 FEET; THENCE NORTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 551.64 FEET TO A POINT ON A NON-TANGENT LINE; THENCE DEPARTING SAID CURVE, RUN N77°43'43"W, A DISTANCE OF 773.24 FEET; THENCE N06°36'34"E, A DISTANCE OF 1441.74 FEET; THENCE N46°52'03"W, A DISTANCE OF 1838.78 FEET; THENCE N78°33'24"W, A DISTANCE OF 856.31 FEET TO A POINT ON THE WEST LINE OF AFORESAID SECTION 8 AND THE NORTHEAST CORNER OF TIFFANY HOMES AT VENETIAN BAY, PHASE 1B AS RECORDED IN MAP BOOK 53, PAGE 189-191, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE N01°27'29"W, ALONG THE WEST LINE OF SAID SECTION 8, A DISTANCE OF 2614.68 FEET TO THE POINT OF BEGINNING.

CONTAINING 210.57 ACRES, MORE OR LESS.

BEARINGS SHOWN HEREON ARE BASED ON THE FLORIDA STATE PLANE GRID COORDINATE SYSTEM, EAST ZONE, NORTH AMERICAN DATUM OF 1983 (NAD 83) (1990 ADJUSTMENT), WITH A BEARING ALONG THE WEST LINE OF THE NORTHWEST 1/4 OF SECTION 8, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA AS BEING N01°27'29"W.
2. ACCORDING TO FEDERAL EMERGENCY MANAGEMENT AGENCY'S FLOOD INSURANCE RATE MAP (FIRM) NO. 12127C0051 7J AND 12127C0525H, VOLUSIA COUNTY, FLORIDA, REVISED DATE OF FEBRUARY 19, 2014, THE PROPERTY DESCRIBED HEREON LIES WITHIN ZONE(S) "X" (AREADETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOODPLAIN) AND "A" (NO BASE FLOOD ELEVATION DETERMINED).
3. DISTANCES SHOWN HEREON ARE IN FEET AND DECIMALS THEREOF. ALL MEASUREMENTS REFER TO THE HORIZONTAL PLANE IN ACCORDANCE WITH THE DEFINITION OF THE U.S. SURVEY FOOT OR METER ADOPTED BY THE NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY. ALL MEASUREMENTS SHALL USE THE 39.27/12=3.2808333333 EQUATION FOR CONVERSION FROM U.S. FOOT TO METERS. DIMENSIONS SHOWN ON THIS PLAT ARE IN U.S. GROUND FEET AND DECIMALS THEREOF.
4. ALL CURVILINEAR LINES SHOWN HEREON ARE RADIAL UNLESS OTHERWISE NOTED.
5. ALL PLATTED UTILITY EASEMENTS SHALL PROVIDE THAT SUCH EASEMENTS SHALL ALSO BE EASEMENTS FOR THE CONSTRUCTION, INSTALLATION, MAINTENANCE AND OPERATION OF CABLE TELEVISION SERVICES; PROVIDED, HOWEVER, NO SUCH CONSTRUCTION, INSTALLATION, MAINTENANCE OR OPERATION OF CABLE TELEVISION SERVICES SHALL INTERFERE WITH THE FACILITIES AND SERVICES OF AN ELECTRIC, TELEPHONE, GAS, OR OTHER PUBLIC UTILITY.
6. NOTICE: THIS PLAT, AS RECORDED IN IT'S GRAPHIC FORM, IS THE OFFICIAL DEPICTION OF THE SUBDIVIDED LANDS DESCRIBED HEREIN AND WILL IN NO CIRCUMSTANCES BE SUPPLANTED IN AUTHORITY BY ANY OTHER GRAPHIC OR DIGITAL FORM OF THE PLAT. THERE MAY BE ADDITIONAL RESTRICTIONS THAT ARE NOT RECORDED ON THIS PLAT THAT MAY BE FOUND IN THE PUBLIC RECORDS OF THIS COUNTY.
7. ALL LOTS AND TRACTS ARE SUBJECT TO A UTILITY EASEMENT ALONG THE FRONT AND STREET SIDE LOT LINES ABUTTING ALL ROAD RIGHT-OF-WAYS AS SHOWN HEREON.
8. THE COVENANTS AND RESTRICTIONS FOR ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. ARE RECORDED IN O.R. BOOK _____, PAGE _____ OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA.
9. THE ARTICLES OF INCORPORATION OF THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC., A FLORIDA NOT FOR PROFIT CORPORATION, WERE FILED ON APRIL 20, 2024, AND ASSIGNED DOCUMENT NUMBER N23000011589 WITH THE FLORIDA DEPARTMENT OF STATE, AS AMENDED.
10. ALL UTILITY EASEMENTS SHOWN HEREON ARE GRANTED AND CONVEYED TO ANY PUBLIC OR PRIVATE UTILITY, AND ARE SEVERABLE, NON-EXCLUSIVE EASEMENTS, GRANTING THE RIGHT TO CONSTRUCTION, OPERATION, MAINTENANCE AND REPAIR UNDERGROUND PUBLIC UTILITY SYSTEMS (INCLUDING WIRES, CABLES, CONDUITS AND ABOVE GROUND APPURTENANT EQUIPMENT) UNLESS OTHERWISE INDICATED.
11. TRACT A IS HEREBY DESIGNATED FOR ADDITIONAL RIGHT-OF-WAY DEDICATION TO BE CONVEYED IN FEE SIMPLE TO THE COUNTY OF VOLUSIA.
12. TRACTS B, C, D, E, F, G, H, I, J, K, L, T, U, AND V ARE HEREBY DESIGNATED FOR STORM WATER MANAGEMENT AND SHALL BE THE SOLE RESPONSIBILITY OF THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. TO MAINTAIN IN COMPLIANCE WITH THE DESIGN AND PERMITTED CONDITIONS.
13. TRACTS M, N, AND O ARE HEREBY DESIGNATED FOR THE INSTALLATION AND MAINTENANCE OF LIFT STATIONS TO BE CONVEYED IN FEE SIMPLE TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
14. TRACTS P, Q, R AND S ARE HEREBY DEDICATED AS COMMON AREAS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC.
15. TRACTS W, X, Y, Z, AA AND BB ARE HEREBY DESIGNATED FOR LANDSCAPE BUFFERS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC.
16. TRACTS CC, DD AND EE ARE HEREBY DESIGNATED FOR UTILITIES. SAID TRACTS ARE SUBJECT TO AN EASEMENT FOR ACCESS AND UTILITIES GRANTED TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
17. TRACT FF IS HEREBY DESIGNATED FOR ACCESS, UTILITIES, DRAINAGE AND COMMON AREA. SAID TRACT IS SUBJECT TO AN EASEMENT FOR ACCESS AND UTILITIES GRANTED TO THE UTILITIES COMMISSION, CITY OF NEW SMYRNA BEACH, FLORIDA.
18. TRACTS GG, HH AND II ARE HEREBY DESIGNATED FOR NATURAL AREAS TO BE CONVEYED TO THE ARDISIA PARK HOMEOWNERS ASSOCIATION, INC. THESE NATURAL AREAS INCLUDE ST. JOHNS RIVER WATER MANAGEMENT DISTRICT (SJRWMD) APPROVED WETLAND LIMITS AND A 25' MINIMUM UPLAND BUFFER AND ARE TO BE MAINTAINED IN THEIR NATURAL STATE. NO DEVELOPMENT OR CONSTRUCTION SHALL BE PERMITTED IN THESE AREAS WITHOUT APPROVAL FROM THE OFFICIAL GOVERNING ENTITY.
19. ALL SIDE LOT LINES ARE SUBJECT TO A 2.50 FOOT DRAINAGE EASEMENT FOR THE PURPOSE OF MAINTENANCE OF DRAINAGE FACILITIES, WITH FOREGOING EASEMENTS RESERVED AND DEDICATED TO ARDISIA PARK HOMEOWNERS ASSOCIATION, INC., ITS SUCCESSORS AND ASSIGNS.
20. THIS PLAT CONTAINS A TOTAL OF 37 TRACTS.
21. THIS PLAT CONTAINS 319 LOTS WITH A MINIMUM LOT SIZE OF 7,260.00 SQUARE FEET AND AN AVERAGE LOT SIZE OF 9,417.32 SQUARE FEET.
22. THE TOTAL RIGHT-OF-WAY FOR ALL ROADWAYS WITHIN THE PLAT CONTAIN 21.210 ACRES.
23. THE TOTAL LINEAL FEET OF STREETS IS 16,605.7 LINEAL FEET.
24. ALL PERMANENT CONTROL POINTS WILL BE PLACED ONCE ROADS HAVE BEEN COMPLETED PER F.S. 177.091.9.
25. ALL LOT AND TRACT CORNERS WILL BE SET PRIOR TO ANY TRANSFER OF LOTS OR TRACTS IN ACCORDANCE WITH F.S. 177.091.9.

PROJECT DESCRIPTION:

PHASE 1 & 2 OF THIS PROJECT INCLUDES THE CONSTRUCTION OF 319 SINGLE FAMILY RESIDENTIAL LOTS ALONG WITH ASSOCIATED UTILITY INFRASTRUCTURE AND STORMWATER CONVEYANCE & TREATMENT FACILITIES.

SITE INFORMATION:	
SITE ADDRESS:	3350 PIONEER TRAIL, NEW SMYRNA BEACH, FL
PHASE AREA:	± 210.6 AC
TAX PARCEL I.D. #:	7305-00-00-0030; 7308-00-00-0030 & 0050
EXISTING ZONING:	PUD
EXISTING LAND USE:	UNDEVELOPED/AGRICULTURE
PROPOSED LAND USE:	SINGLE FAMILY RESIDENTIAL
EXISTING FUTURE LAND USE:	SUSTAINABLE COMMUNITY DEVELOPMENT (SCD)
UNIT/LOT COUNT:	319 LOTS
UNIT/LOT DENSITY:	1.5 LOTS PER ACRE (PHASE 1 & 2 AREA ONLY)
SETBACKS:	
FRONT:	17.5 FT (LIVING & PORCHES); 22.5 (GARAGES)
SIDE:	5 FT (FROM EAVE)
STREET SIDE:	15 FT
REAR:	25 FT
REQUIRED LANDSCAPE BUFFER(S):	
NORTH:	20 FT
SOUTH:	20 FT
EAST:	20 FT
WEST:	20 FT
MINIMUM LOT SIZE:	6,600 SF
MINIMUM LOT WIDTH:	55 FT
MAXIMUM BUILDING/LOT COVERAGE	50%
MAXIMUM BUILDING HEIGHT	35 FT
UTILITIES:	PROVIDED BY UTILITIES COMMISSION

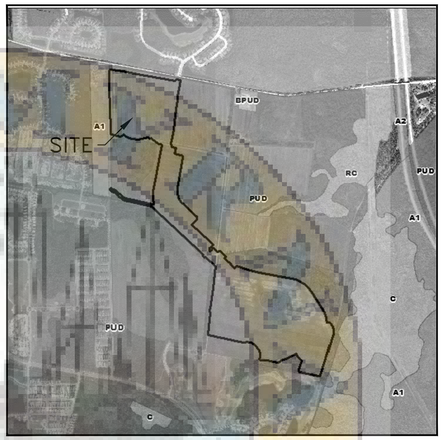
LAND USE TABLE:		
	ACREAGE	PERCENTAGE
PROPOSED IMPROVEMENTS:		
LOT IMPERVIOUS AREA	34.33 AC	16.3%
PAVEMENT & SIDEWALK	15.19 AC	7.2%
POND AREA(S)	57.33 AC	27.2%
LANDSCAPE/GREEN SPACE	103.75 AC	49.3%
TOTAL PERVIOUS	103.75 AC	49.3%
TOTAL IMPERVIOUS	106.85 AC	50.7%

LEGAL DESCRIPTION:

SEE SHEET C4 FOR LEGAL DESCRIPTION.

VICINITY MAP

SCALE: 1" = 2000'



ZONING MAP

SCALE: 1" = 1500'

CURRENT ZONING FOR THIS SITE IS: PUD

GENERAL NOTES

1. ALL CONSTRUCTION SHALL BE IN ACCORDANCE WITH THE CITY'S LAND DEVELOPMENT CODE REQUIREMENTS, STANDARD CONSTRUCTION DETAILS & STANDARD SPECIFICATIONS, LATEST EDITIONS.
2. ALL DRAINAGE STRUCTURES AND OTHER IMPROVEMENTS SHALL BE CONSTRUCTED IN ACCORDANCE WITH THE MOST RECENT EDITION OF FLORIDA DEPARTMENT OF TRANSPORTATION STANDARD PLANS FOR ROAD AND BRIDGE CONSTRUCTION.
3. SHOP DRAWINGS AND CERTIFICATIONS FOR ALL MATERIALS AND STRUCTURES ARE REQUIRED. THE CONTRACTOR SHALL REVIEW AND SIGN SHOP DRAWINGS. THE CONTRACTOR SHALL SUBMIT REVIEWED SHOP DRAWINGS TO THE ENGINEER FOR APPROVAL PRIOR TO ORDERING THE MATERIALS REQUIRED FOR CONSTRUCTION.
4. CONSTRUCTION SHALL BE IN ACCORDANCE WITH ALL REQUIRED PERMITS. THE CONTRACTOR SHALL MAINTAIN COPIES OF ALL RELEVANT PERMITS AND CONSTRUCTION DOCUMENTS AVAILABLE ON THE JOB SITE AT ALL TIMES.
5. CONTRACTOR TO MAINTAIN THE SITE IN A SAFE AND SECURE MANNER TO PROTECT PUBLIC SAFETY AND THE CONDITIONS OF THE IMPROVEMENTS.
6. THE CONTRACTOR SHALL MAINTAIN, AT THE JOB SITE, A RECORD COPY OF ALL CONSTRUCTION DRAWINGS AND SPECIFICATIONS ON WHICH ALL FIELD CHANGES ARE TO BE SHOWN. THESE CHANGES ARE TO BE INCORPORATED IN THE "AS–BUILT" SURVEY FURNISHED TO THE ENGINEER.
7. SHOULD CONDITIONS VARY FROM THOSE SHOWN ON THESE PLANS, THE CONTRACTOR SHALL IMMEDIATELY NOTIFY THE ENGINEER OF RECORD PRIOR TO CONTINUING CONSTRUCTION.
8. ANY FIELD MODIFICATIONS OR DEVIATIONS TO THESE CONSTRUCTION PLANS REQUIRES APPROVAL BY BOTH THE ENGINEER OF RECORD AND THE CITY PRIOR TO PERFORMING THE WORK.
9. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO PROVIDE AN "AS–BUILT" SURVEY OF THE COMPLETED CONSTRUCTION. THE "AS–BUILT" SURVEY SHALL BE PREPARED IN ACCORDANCE WITH APPROPRIATE GOVERNMENTAL REGULATIONS AND ZCA REQUIREMENTS. THE "AS–BUILT" SURVEY SHALL BE PREPARED ON ZCA'S DESIGN/PERMITTED PLANS. ELECTRONIC AND PAPER COPIES OF THE AS–BUILT SURVEY SHALL BE PROVIDED TO THE ENGINEER OF RECORD. THE "AS–BUILT" SHALL BE SIGNED AND SEALED BY A FLORIDA REGISTERED PROFESSIONAL LAND SURVEYOR.
10. THE CONTRACTOR SHALL BE RESPONSIBLE FOR MAINTAINING VEHICULAR AND PEDESTRIAN TRAFFIC SAFELY THROUGH THE WORK ZONE AT ALL TIMES, IF APPLICABLE. ANY SIDEWALK, LANE OR ROAD CLOSURE REQUIRES REVIEW AND APPROVAL IN ADVANCE AND A SEVEN (7) DAY MINIMUM NOTICE TO VOLUSIA COUNTY TRAFFIC OPERATIONS (386–239–6535). THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE REQUIRED COORDINATION.
11. MAINTENANCE OF TRAFFIC WILL BE IN ACCORDANCE WITH THE MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES FOR STREETS AND HIGHWAY CONSTRUCTION, MAINTENANCE AND UTILITY OPERATIONS AND THE FLORIDA DEPARTMENT OF TRANSPORTATION STANDARD PLANS, LATEST EDITIONS.
12. CONTRACTOR TO NOTIFY THE REGULATORY AGENCIES FORTY EIGHT (48) HOURS PRIOR TO THE START OF CONSTRUCTION. CONTRACTOR SHALL SEND COPIES OF ALL TESTING REPORTS TO THE REGULATORY AGENCIES AND THE ENGINEER OF RECORD.
13. SURVEY INFORMATION PROVIDED BY MARK DOWST & ASSOCIATES, INC. DATED _____. ALL ELEVATIONS BASED ON NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 88) AND ARE SHOWN IN FEET. STATE PLANE COORDINATES ARE BASED UPON NAD 83.
14. ALL PUBLIC LAND CORNERS AND MONUMENTS WITHIN THE LIMITS OF CONSTRUCTION ARE TO BE PROTECTED. THE CONTRACTOR SHALL EMPLOY A SURVEYOR, REGISTERED IN THE STATE OF FLORIDA, TO REPLACE/RESTORE ANY PROPERTY OR LAND MARKERS DISTURBED BY CONSTRUCTION ACTIVITIES.
15. NO LAND SHALL BE CLEARED, EXCAVATED OR FILLED AND NO STRUCTURES SHALL BE ERECTED, REPAIRED OR DEMOLISHED WITHOUT PROPER PERMIT(S).
16. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COMPLIANCE WITH ALL LOCAL, STATE AND FEDERAL REGULATIONS AS WELL AS THE REQUIREMENTS OF ST. JOHNS RIVER WATER MANAGEMENT DISTRICT AND E.P.A. (NPDES). CONTRACTOR SHALL ESTABLISH BEST MANAGEMENT PRACTICES AND EROSION CONTROL METHODS PRIOR TO COMMENCING ANY SITE CLEARING OR DEMOLITION AND SHALL MAINTAIN THOSE BARRIERS UNTIL FINAL ACCEPTANCE OF THE PROJECT.
17. THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE PROJECT'S NPDES PERMITTING, INSPECTION AND REPORTING, IF APPLICABLE.
18. ALL DELINEATED WETLAND AREAS SHALL BE STAKED AND FENCED WITH TYPE III SILT FENCING PRIOR TO CONSTRUCTION. FENCING SHALL NOT BE REMOVED UNTIL CONSTRUCTION IS COMPLETED. LIMITS OF SILT FENCE SHOWN ON PLANS ARE APPROXIMATE AND ARE TO BE ADJUSTED AS NECESSARY TO MEET FIELD CONDITIONS AND/OR AS DIRECTED BY THE ENGINEER.
19. THE EROSION, SEDIMENT AND TURBIDITY CONTROL MEASURES DELINEATED HEREON ARE THE MINIMUM REQUIRED. ADDITIONAL CONTROLS MAY BE NEEDED, DEPENDING UPON THE ACTUAL SITE CONDITIONS, JURISDICTIONAL AGENCY PERMIT REQUIREMENTS AND CONSTRUCTION OPERATIONS. STAKED SILT FENCE SHALL BE UTILIZED TO CONTROL EROSION AND RELEASE OF SUSPENDED SOLIDS. SEDIMENT TRACKING CONTROL DEVICES SHALL BE USED TO PREVENT THE OFFSITE TRANSPORT OF SEDIMENT BY MOTORIZED VEHICLES. IF CONTROL MEASURES DO NOT PROVE SATISFACTORY, WORK SHALL CEASE UNTIL NEW MEASURES ARE ADOPTED WITH SATISFACTORY RESULTS.
20. ALL EROSION AND SEDIMENT TRACKING CONTROL DEVICES SHALL BE INSPECTED DAILY AND IMMEDIATELY FOLLOWING A RAINFALL EVENT. REFER TO PROJECT'S STORMWATER POLLUTION PREVENT PLAN (SWPPP). ANY DEFICIENCIES FOUND IN THE EROSION CONTROL MEASURES SHALL BE REPAIRED IMMEDIATELY. THE CONTRACTOR SHALL KEEP A LOG BOOK DOCUMENTING THESE DAILY INSPECTIONS, DEFICIENCIES AND REMEDIAL ACTIONS.
21. ALL UNSUITABLE SOILS AND UNSUITABLE MATERIALS (SUCH AS CLAY, ORGANICS, ROCK, CEMENTED COQUINA, DEBRIS, ETC.) SHALL BE REMOVED, DISPOSED OF IN A LEGAL MANNER AND REPLACED WITH DRY COMPACTED GRANULAR MATERIAL SATISFACTORY TO THE CITY. THE COST OF ALL WORK AND MATERIALS IS TO BE INCLUDED IN THE UNIT PRICE OF THE ASSOCIATED CONSTRUCTION ITEMS UNLESS OTHERWISE SHOWN IN THE PLANS.
22. IN THE EVENT THAT WATER IS ENCOUNTERED DURING CONSTRUCTION, DEWATERING SHALL BE PERFORMED AS NEEDED. THE CONTRACTOR IS SOLELY RESPONSIBLE FOR THE DESIGN, PERMITTING, INSTALLATION, OPERATION AND SUBSEQUENT REMOVAL OF DEWATERING SYSTEMS AND THEIR SAFETY AND CONFORMITY WITH APPLICABLE CODES AND REGULATIONS.
23. PRIOR TO COMMENCEMENT OF CONSTRUCTION, THE CONTRACTOR SHALL NOTIFY THE APPROPRIATE ELECTRIC, TELEPHONE, GAS, CABLE TELEVISION, COMMUNICATIONS, ETC. COMPANIES TO DETERMINE THE TYPE AND LOCATION OF ALL UNDERGROUND FACILITIES IN THE AREA OF CONSTRUCTION.
24. ALL UNDERGROUND UTILITIES HAVE BEEN LOCATED HORIZONTALLY AND VERTICALLY BASED ON THE BEST INFORMATION AVAILABLE AND SHOULD BE CONSIDERED APPROXIMATE ONLY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING AND VERIFYING ALL ELEVATIONS OF EXISTING UTILITIES (PUBLIC AND PRIVATE) SHOWN OR NOT SHOWN PRIOR TO CONSTRUCTION. THE CONTRACTOR SHALL BE RESPONSIBLE FOR NOTIFYING THE VARIOUS UTILITY COMPANIES TO MAKE THE NECESSARY ARRANGEMENTS FOR ANY RELOCATION, DISRUPTION OF SERVICE OR CLARIFICATION OF ACTIVITY REGARDING SAID UTILITY. THE CONTRACTOR SHALL EXERCISE EXTREME CAUTION WHEN WORKING NEAR OR CROSSING A UTILITY, WHETHER SHOWN ON THESE PLANS OR FIELD LOCATED. THE CONTRACTOR SHALL BE RESPONSIBLE TO COORDINATE AND NOTIFY THE UTILITY COMPANIES FOR UTILITIES WHICH NEED TO BE RELOCATED FOR THE PROPOSED CONSTRUCTION. THE CONTRACTOR SHALL BE RESPONSIBLE TO PAY FOR ANY REPAIR, RELOCATION OR TEMPORARY MEASURES NEEDED FOR EXISTING OR PROPOSED UTILITIES.
25. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO LOCATE AND AVOID ALL UTILITIES, OTHER STRUCTURES AND OBSTRUCTIONS BOTH ABOVE AND BELOW GROUND. ALL DAMAGE RESULTING FROM THE CONTRACTOR'S FAILURE TO COMPLY WITH THIS REQUIREMENT SHALL BE REPAIRED AT THE CONTRACTOR'S EXPENSE.
26. THE CONTRACTOR SHALL NOTIFY ALL UTILITY PROVIDERS AT LEAST TWO (2) BUSINESS DAYS PRIOR TO ANY CONSTRUCTION.
27. THE CONTRACTOR SHALL MAINTAIN UNINTERRUPTED SERVICE AT ALL SERVICE CONNECTIONS. THE MANNER IN WHICH THIS IS ACCOMPLISHED SHALL BE LEFT TO THE DISCRETION OF THE CONTRACTOR, SUBJECT TO THE REQUIREMENTS OF THE CONTRACT SPECIFICATIONS.
28. ALL EXISTING DRAINAGE STRUCTURES AND UTILITIES WITHIN THE CONSTRUCTION LIMITS SHALL REMAIN, UNLESS OTHERWISE NOTED IN PLANS.
29. ALL STATIONS AND OFFSETS REFER TO CENTERLINE CONSTRUCTION UNLESS OTHERWISE NOTED IN PLANS.
30. THE LENGTH OF ALL DRAINAGE PIPES AND LOCATION OF ALL DRAINAGE STRUCTURES ARE APPROXIMATE. THE LOCATION OF THE DRAINAGE STRUCTURE SHALL DETERMINE THE LENGTH OF PIPE.
31. THE TOP OF CASTING ELEVATIONS (TC) OF ALL STRUCTURES ARE SHOWN. HOWEVER, THE CONTRACTOR SHALL INSTALL ALL FRAMES SO AS TO PROVIDE A SMOOTH SURFACE FOR VEHICULAR AND/OR PEDESTRIAN TRAFFIC.
32. CONTRACTOR SHALL CONFIRM PROPOSED TOP OF CASTING (TC) ELEVATIONS WILL ALLOW POSITIVE DRAINAGE TO PROPOSED INLETS. IF POSITIVE DRAINAGE DOES NOT EXIST, CONTRACTOR TO COORDINATE WITH ENGINEER OF RECORD FOR SOLUTION AND ADJUST PROPOSED INLETS AS NECESSARY.
33. CONTRACTOR SHALL CONFIRM ELEVATION OF EXISTING GRADE PRIOR TO PLACING DRAINAGE OUTFALL STRUCTURES. CONTRACTOR SHALL NOTIFY ENGINEER OF RECORD IF EXISTING GRADE DOES NOT MATCH PROPOSED OUTFALL INVERT. CONTRACTOR SHALL ADJUST OUTFALL STRUCTURE INVERT AND/OR STRUCTURE LOCATION AS DIRECTED BY ENGINEER OF RECORD.
34. ANY DRAINAGE PROBLEMS CREATED BY CONSTRUCTION, OR EXISTING BEFORE CONSTRUCTION AND NOT ALLEVIATED, SHOULD BE BROUGHT TO THE ATTENTION OF THE ENGINEER OF RECORD AT THE TIME OF DISCOVERY.
35. ALL STORMWATER PIPES AND INLETS SHALL BE CLEANED OF DEBRIS AND ERODED MATERIALS AT LAST STAGES OF AND PRIOR TO COMPLETION OF CONSTRUCTION.
36. SPECIAL ATTENTION IS DIRECTED TO THE FACT THAT PORTIONS OF SOME DRAINAGE STRUCTURES MAY EXTEND INTO THE STABILIZED PORTION OF THE ROADBED. EXTREME CAUTION WILL BE NECESSARY DURING COMPACTION AND STABILIZATION OPERATIONS AT THESE LOCATIONS TO AVOID DAMAGE AND ACHIEVE THE REQUIRED COMPACTION.
37. DURING CONSTRUCTION, AN ALL–WEATHER ACCESSIBLE ROADWAY SHALL BE MAINTAINED AT ALL TIMES FOR FIRE ACCESS.

GENERAL NOTES (CONT'D)

38. ALL REQUIRED FIRE LINES & HYDRANTS SHALL BE INSTALLED IN ACCORDANCE WITH LOCAL & STATE REQUIREMENTS AND OPERATIONAL PRIOR TO THE START OF VERTICAL CONSTRUCTION.
39. NONE OF THE EXISTING LIMEROCK BASE THAT IS REMOVED IS TO BE USED IN THE CONSTRUCTION OF THE NEW LIMEROCK BASE UNLESS OTHERWISE NOTED ON PLANS.
40. EXISTING DRIVEWAYS WITHIN THE LIMITS OF THIS PROJECT ARE TO BE REPLACED AT THE SAME LOCATION AND WIDTH WITH THE SAME TYPE OF MATERIAL, UNLESS OTHERWISE SHOWN IN THE PLANS.
41. ALL RAMPS, SIDEWALKS AND ACCESSIBLE ROUTES ARE TO BE IN COMPLIANCE WITH CURRENT A.D.A. REQUIREMENTS.
42. SIGNS THAT ARE REMOVED AND ARE TO BE RELOCATED SHALL BE STOCK PILED BY THE CONTRACTOR. ANY EXISTING SIGNS DAMAGED DURING CONSTRUCTION SHALL BE REPLACED BY THE CONTRACTOR AT HIS COST.
43. ROADWAY AND PARKING SIGNAGE AND MARKINGS SHALL BE IN CONFORMANCE WITH THE MANUAL OF UNIFORM TRAFFIC CONTROL DEVICES, CURRENT EDITION.
44. GRADES SHOWN ARE FINISHED GRADES.
45. OPERATION AND MAINTENANCE OF THE STORMWATER SYSTEM WILL BE PROVIDED BY THE OWNER OF PROPERTY. MAINTENANCE IS TO INCLUDE BI–WEEKLY MOWING OF SIDE SLOPES FOR VEGETATION CONTROL AND MONTHLY INSPECTION/CLEANING OF CULVERTS & STORM SYSTEMS.
46. ALL DISTURBED AREAS SHALL BE SODDED, UNLESS OTHERWISE SHOWN, AND SHALL HAVE SOD/ VEGETATED COVER ESTABLISHED PRIOR TO THE INSPECTION FOR THE CERTIFICATE OF OCCUPANCY.
47. INSTALLATION OF THE REQUIRED STREET SIGNS, TRAFFIC SIGNS, PAVEMENT STRIPING, STREET LIGHTS AND SIDEWALKS ALONG WITH THE PAINTING OF THE FIRE HYDRANTS MUST BE COMPLETED PRIOR TO THE ISSUANCE OF THE CERTIFICATE OF COMPLETION.
48. CONTRACTOR IS RESPONSIBLE FOR INSPECTING AND PRE–TESTING PRIOR TO SCHEDULING A TEST OR WALK–THROUGH WITH THE UTILITY REPRESENTATIVES, MUNICIPAL REPRESENTATIVES AND ENGINEER OF RECORD. ANY COST ASSOCIATED WITH RETESTING SHALL BE PAID FOR BY THE CONTRACTOR.
49. THE ENGINEER OF RECORD AND LOCAL UTILITY SHALL BE GIVEN SEVENTY–TWO (72) HOURS NOTICE OF ALL REQUESTED MEETINGS AND/OR TESTING MEASURES.
50. CONTRACTOR SHALL BE RESPONSIBLE TO COORDINATE WITH THE REGULATORY REPRESENTATIVES TO DETERMINE THE INSPECTIONS NEED FOR THE PROJECT. CONTRACTOR SHALL PROVIDE PROPER NOTIFICATION TO INSPECTING AUTHORITIES BEFORE AND DURING CONSTRUCTION.
51. SITE DEVELOPMENT SHALL ADHERE TO THE CITY'S CONSTRUCTION MANAGEMENT GUIDELINES AS DEPICTED WITHIN ORDINANCE 60–19 THAT MAY REQUIRE A 6' CHAIN LINK FENCE WITH SINGLE COLOR FABRIC ALONG THE PIONEER TRAIL PERIMETER.
52. ZEV COHEN AND ASSOCIATES, INC (ZCA) LIABILITY SHALL BE LIMITED TO THE COMPANY'S DESIGN OF SPECIFIC IMPROVEMENTS AS DEPICTED ON THE SITE INFRASTRUCTURE CONSTRUCTION DOCUMENTS. FOR RESIDENTIAL SUBDIVISION DESIGN, ZCA SHALL NOT BE RESPONSIBLE OR HELD LIABLE FOR, EITHER LOT OR HOME IMPROVEMENTS PROPOSED TO BE CONSTRUCTED (OR ACTUALLY CONSTRUCTED) BY OTHERS AND/OR IMPROVEMENTS CONSTRUCTED AFTER CERTIFICATION OF COMPLETION OF THE SITE INFRASTRUCTURE. LOT IMPROVEMENTS INCLUDING, BUT NOT LIMITED TO, INDIVIDUAL HOME CONSTRUCTION, INDIVIDUAL LOT GRADING, GARAGES, DRIVEWAYS, SIDEWALKS, PATIOS, PORCHES, POOLS, POOL DECKS, SITTING AREAS, RETAINING WALLS, ETC. DESIGNED OR CONSTRUCTED BY THE HOMEBUILDER, HOMEOWNER, HOA, CONTRACTORS OR OTHER DESIGN PROFESSIONALS, NOT EMPLOYED BY ZCA, SHALL NOT BE THE RESPONSIBILITY OF ZCA.

EROSION & SEDIMENT CONTROL NOTES

1. CONTRACTOR IS RESPONSIBLE FOR OBTAINING AND MAKING AVAILABLE ONSITE, ALL REQUIRED FEDERAL, STATE AND LOCAL PERMITS PRIOR TO COMMENCEMENT OF CONSTRUCTION. ANY POTENTIAL STORM WATER DISCHARGES TO THE CITY'S PERMITTED MUNICIPAL SEPARATE STORM SEWER SYSTEM (MS4) MUST BE DESIGNATED ON THE FDEP NPDES CONSTRUCTION GENERIC PERMIT AND A COPY OF THE NOTICE OF INTENT PROVIDED TO THE CITY OF NEW SMYRNA STORM WATER COORDINATOR. THE CONTRACTOR SHALL MAINTAIN COMPLIANCE WITH ALL FEDERAL, STATE AND LOCAL PERMITS REQUIREMENTS.
2. THE CONTRACTOR SHALL AS A MINIMUM, PREPARE AND IMPLEMENT AN EROSION AND SEDIMENT CONTROL PLAN IN ACCORDANCE WITH FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) GUIDELINES.
3. INITIAL SEDIMENT AND EROSION CONTROL MEASURES SHALL BE INSTALLED AND APPROVED BY THE CITY PRIOR TO ANY LAND DISTURBING ACTIVITIES.
4. PRIOR TO AND DURING CONSTRUCTION, THE CONTRACTOR SHALL IMPLEMENT AND MAINTAIN ALL EROSIONS AND SEDIMENT CONTROL MEASURES (BEST MANAGEMENT PRACTICES) REQUIRED TO RETAIN SEDIMENT ONSITE AND TO PREVENT VIOLATIONS OF WATER QUALITY STANDARDS. IF A PROJECT SPECIFIC EROSION AND SEDIMENT CONTROL PLAN IS APPROVED AS PART OF A PERMIT, THE PRACTICES MUST BE IN ACCORDANCE WITH THE APPROVED PLAN. IF SPECIFIC SITE CONDITIONS REQUIRE ADDITIONAL MEASURES DURING ANY PHASE OF CONSTRUCTION OR OPERATION TO PREVENT EROSION OR CONTROL OF SEDIMENT, BEYOND THOSE SPECIFIED IN THE EROSION AND SEDIMENT CONTROL PLAN, THE CONTRACTOR SHALL IMPLEMENT ADDITIONAL BEST MANAGEMENT PRACTICES AS NECESSARY.
5. CONTRACTORS SHALL MINIMIZE DISTURBANCES OF EXISTING VEGETATION AND DRAINAGE PATTERNS TO MAXIMUM EXTENT PRACTICABLE. STABILIZATION MEASURES SHALL BE INITIATED FOR EROSION AND SEDIMENT CONTROL ON DISTURBED AREAS AS SOON AS PRACTICABLE, BUT IN NO CASE MORE THAN 7 CALENDAR DAYS AFTER THE CONSTRUCTION ACTIVITY IN THAT PORTION OF THE SITE HAS TEMPORARILY OR PERMANENTLY CEASED.
6. STORM WATER RETENTION, DETENTION, STORAGE AND CONVEYANCE SYSTEMS MUST BE EXCAVATED TO ROUGH GRADE PRIOR TO BUILDING CONSTRUCTION OF PLACEMENT OF IMPERVIOUS SURFACE WITHIN THE AREA SERVED BY THOSE SYSTEMS. ADEQUATE MEASURES MUST BE TAKEN TO PREVENT SILTATION OF THESE TREATMENT SYSTEMS AND CONTROL STRUCTURES DURING CONSTRUCTION. SILTATION MUST BE REMOVED FROM THE STORM WATER SYSTEM UPON REACHING 50% CAPACITY AND IMMEDIATELY PRIOR TO THE FINAL INSPECTION OF THE PROJECT.
7. CITY DEWATERING PERMITS SHALL BE OBTAINED AND APPROVED PRIOR TO ANY DEWATERING INTO THE CITY'S PERMITTED MS4 SYSTEM.

SITE CLEARING AND GRADING NOTES

THE FOLLOWING REPRESENTS MINIMUM STANDARDS TO BE ADHERED TO BY THE CONTRACTOR THROUGHOUT THE CONSTRUCTION OF A PROJECT. THE CITY RESERVES THE RIGHT TO REQUIRE ADDITIONAL MEASURES TO BE EMPLOYED WHEN WARRANTED BY EXTREME CONDITIONS AND/OR THE FAILURE OF THE CONTRACTOR TO IMPLEMENT THE APPROPRIATE EROSION CONTROL BEST MANAGEMENT PRACTICES. FAILURE TO COMPLY WITH THESE PROVISIONS SHALL RESULT IN THE ISSUANCE OF A "STOP WORK ORDER".

1. NO DISTURBANCE OF EXISTING OR PROPOSED CONSERVATION EASEMENTS, NATURAL BUFFERS, OR WATER BODIES IS PERMITTED WITHOUT PRIOR APPROVAL FROM THE CITY ENGINEER OR DESIGNEE. THE CONTRACTOR SHALL LOCATE THESE AREAS ON THE PLANS AND BARRICADE THEM TO AVOID UNAUTHORIZED CLEARING. BARRICADES AND OTHER PROTECTIVE FENCING ARE TO BE LOCATED AT THE DRIP LINE OF EXISTING NATIVE TREES OR AT THE EDGE OF THE NATIVE UNDER–STORY HABITAT, WHICHEVER IS NEAREST TO THE CONSTRUCTION ACTIVITY.
2. SPECIMEN AND HISTORIC TREES, CONSERVATION EASEMENTS, NATURAL VEGETATION BUFFERS, AND SIMILAR AREAS MUST BE PROTECTED BY BARRICADES AND FENCING PRIOR TO CLEARING. BARRICADES ARE TO BE SET AT THE DRIP LINE OF THE TREES AND MAINTAINED THROUGHOUT THE DURATION OF THE PROJECT. BARBED WIRE IS NOT PERMITTED AS A PROTECTIVE BARRIER.
3. WHERE A CHANGE OF GRADE OCCURS AT THE DRIP LINE OF A SPECIMEN TREE, SILT FENCE WILL BE REQUIRED DURING CONSTRUCTION AND RETAINING WALLS MUST BE INSTALLED PRIOR TO FINAL ACCEPTANCE BY THE CITY.
4. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO HAVE ALL PROTECTIVE VEGETATION BARRICADES AND EROSION CONTROL STRUCTURES AND MEASURES IN PLACE PRIOR TO THE COMMENCEMENT OF ANY EARTHWORK, INCLUDING PRELIMINARY GRUBBING. THESE MEASURES INCLUDE, BUT ARE NOT LIMITED TO, TEMPORARY CONSTRUCTION FENCES, SYNTHETIC JUTE BALES, SILT FENCES, AND FLOATING TURBIDITY BARRIERS. FURTHER, IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO MAINTAIN ALL EROSION CONTROL DEVICES THROUGHOUT THE DURATION OF THE ENTIRE PROJECT. MAINTENANCE SHALL INCLUDE PERIODIC INSPECTION AND REMOVAL OF DEBRIS ABUTTING EROSION CONTROL DEVICES IN ACCORDANCE WITH THE CITY'S UTILITY DEPARTMENT STANDARDS.
5. PRIOR TO THE INSTALLATION OF ANY FILL MATERIAL ON SUBJECT SITE, SILT FENCE SHALL BE INSTALLED:
   a. ALONG SUBJECT SITE BOUNDARY AND PROPERTY LINES,
   b. AT THE EDGE OF CONSERVATION EASEMENTS AND WETLANDS,
   c. ADJACENT TO NATURAL LANDSCAPE BARRIERS, AND
   d. AROUND THE PERIMETER OF EXISTING STORM WATER TREATMENT FACILITIES.
   e. AT ANY ADDITIONAL AREAS THAT THE CITY DEEMS NECESSARY TO BE PROTECTED FROM POTENTIAL EROSION IMPACTS DURING CONSTRUCTION. THESE CONDITIONS SHALL APPLY IN ALL INSTANCES WHERE FILL MATERIAL IS BEING INSTALLED WITHIN 25 FEET OF ANY PROPERTY LINE. WHILE THESE ITEMS REPRESENT THE MINIMUM REQUIREMENTS, THE CITY RESERVES THE RIGHT TO IMPOSE ADDITIONAL PROTECTIVE MEASURES, AS DETERMINED DURING ACTUAL SITE VISITS CONDUCTED AS PART OF THE STANDARD REVIEW OF THE SITE–SPECIFIC CLEARING PERMIT AND THROUGHOUT PROJECT CONSTRUCTION.
6. WHERE FILL MATERIAL IS INTENDED TO BE INSTALLED ADJACENT TO EXISTING VEGETATION WHICH IS INTENDED TO REMAIN NATURAL, THE CONTRACTOR MAY INSTALL SILT FENCING AS A TREE PROTECTION MEASURE, IN LIEU OF INSTALLING EITHER WOOD BRACING OR ORANGE MESH FENCING. THIS PRACTICE IS ENCOURAGED BY THE CITY. IF THE SILT FENCE FAILS TO PROVIDE ADEQUATE PROTECTION FROM IMPACT DUE TO CONSTRUCTION, THEN ADDITIONAL CONSTRUCTION FENCING OR WOOD BRACING SHALL BE REQUIRED.
7. AT A MINIMUM, THE CONTRACTOR SHALL SEED AND MULCH ALL DISTURBED AREAS. GRASS COVERAGE IS TO BE ESTABLISHED WITHIN THIRTY DAYS.
8. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR THROUGH SCHEDULING, TO MINIMIZE THE DISTURBANCE OF SITE AREAS THAT HAVE BEEN BROUGHT TO PROPOSED FINAL GRADE. WITHIN TWENTY DAYS OF BRINGING A SUBJECT AREA TO ITS FINAL GRADE, THE CONTRACTOR SHALL INSTALL SEED AND MULCH OR SOD AND WATERING, AS REQUIRED.
9. FOR INDIVIDUAL CONSTRUCTION PROJECTS INVOLVING MULTIPLE PHASES, UPON COMPLETION OF EACH PHASE OF THE PROJECT, SEEDING AND MULCHING AND OR/ SODDING IS TO BE PERFORMED PRIOR TO COMMENCING THE NEXT PHASE OF CONSTRUCTION.
10. ONCE AN AREA IS SEEDED OR SODDED, IT MUST BE MAINTAINED, INCLUDING WATERING AND TRIMMING BY THE CONTRACTOR TO ALLOW THE GRASS TO BECOME ESTABLISHED.
11. ALL BURNING OF CLEARED MATERIALS MUST BE APPROVED AND PERMITTED THROUGH THE FL FOREST SERVICE, BUNNELL OFFICE.
12. ABSOLUTELY NO BURYING OF CLEARED & GRUBBED MATERIALS IS PERMITTED.
13. THE REMOVAL OF ALL VEGETATION AND TOPSOIL ON THE FUTURE ROADWAY, PARKING AND BUILDING LOT AREAS IS REQUIRED TO BE COMPLETED PRIOR TO THE PLACEMENT OF FILL ON THOSE AREAS. THE TOPSOIL MAY BE TEMPORARILY STOCKPILED AND USED AS TOPSOIL OVER PROPOSED GREEN AREAS SUCH AS PLANT BEDS, SODDED AREAS, AND WHERE TREES ARE TO BE INSTALLED OR RELOCATED. TEMPORARY STOCKPILE SLOPES SHALL NOT EXCEED 4:1 (H:V).
14. A SIGNED, DATED, AND SEALED LETTER FROM A SOILS ENGINEER OR THE ENGINEER OF RECORD CERTIFYING THAT THE AREAS TO BE FILLED HAVE BEEN STRIPPED OF ORGANIC MATERIALS, MUST BE SUBMITTED TO THE CITY PRIOR TO FILLING.
15. FILL MATERIAL IS TO BE PLACED IN ONE FOOT LIFTS AND COMPACTED TO THE APPROPRIATE DENSITY (98% FOR PAVED AREAS AND 95% FOR BUILDING PADS AND ALL OTHER AREAS AS PER MODIFIED AASHTO T–180).
16. DURING SUBDIVISION DEVELOPMENT WHEN FUTURE BUILDING LOTS ARE FILLED AS PART OF THE OVERALL SUBDIVISION IMPROVEMENTS, COMPACTION TEST REPORTS MUST BE PERFORMED ON THESE LOTS AT 300' INTERVALS. THESE TESTS ARE TO BE PERFORMED IN 1' VERTICAL INCREMENTS. THE RESULTS OF THESE TESTS ARE TO BE SUBMITTED TO THE CITY UPON COMPLETION OF THE TESTS.

SITE CLEARING AND GRADING NOTES

17. IF ANY MUCK OR ANY UNSUITABLE MATERIAL IS DISCOVERED, IT SHALL BE REMOVED AND REPLACED WITH A SUITABLE MATERIAL THAT IS PROPERLY BACKFILLED, COMPACTED AND TESTED USING AASHTO T–180 MODIFIED PROCTOR METHOD.
18. STOCKPILING IS NOT GENERALLY PERMITTED BY THE CITY. WHEN ALLOWED, STOCKPILES SHALL NOT EXCEED SIX FEET IN HEIGHT MEASURED FROM THE ORIGINAL GRADE. AT A MINIMUM, STOCK PILES THAT WILL REMAIN IN PLACE IN EXCESS OF FIVE DAYS SHALL BE COVERED OR WATERED TO MINIMIZE THE ADVERSE IMPACT ON ADJACENT PROPERTY OWNERS AT NO ADDITIONAL COST TO THE CITY OR OWNER. SEED AND MULCH IMMEDIATELY UPON PLACEMENT OF THE FINAL LIFT.
19. SOILS ARE TO BE STABILIZED BY WATER OR OTHER MEANS DURING CONSTRUCTION. THIS IS INTENDED TO REDUCE SOIL EROSION AND THE IMPACT TO NEIGHBORING COMMUNITIES. ADEQUATE WATERING METHODS SHOULD BE EMPLOYED TO ALLOW DAILY COVERAGE OF THE ENTIRE LIMITS OF ALL AREAS THAT DO NOT HAVE AN ESTABLISHED VEGETATIVE COVER. METHODS TO BE EMPLOYED INCLUDE, BUT ARE NOT LIMITED TO, WATER TRUCKS, PERMANENT IRRIGATION SYSTEMS, TEMPORARY SPRINKLER SYSTEMS OPERATED BY PUMPING UNITS CONNECTED TO WET RETENTION PONDS, WATER CANNONS, TEMPORARY IRRIGATION SYSTEMS MOUNTED ATOP STOCKPILE AREAS, AND OTHER METHODS AS DEEMED NECESSARY BY THE CITY.
20. ALL FILL MATERIALS LOCATED BENEATH STRUCTURES AND PAVEMENT SHALL CONSIST OF CLEAN GRANULAR SAND FREE FROM ORGANICS AND SIMILAR MATERIAL THAT COULD DECOMPOSE.
21. ALL FILL TO BE PLACED IN LANDSCAPED AREAS SHALL HAVE A PH RANGE BETWEEN 5.5 AND 7.5, BE ORGANIC IN NATURE, FREE OF ROCKS AND DEBRIS, OR MATCH NATIVE EXISTING SOILS.

STORMWATER CONSTRUCTION NOTES

1. ALL MATERIALS, INSTALLATION AND SEDIMENT AND EROSION CONTROL FOR SUBDIVISIONS AND SITE PLANS SHALL CONFORM TO CITY STANDARDS, FDEP STANDARDS, FDOT STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION (LATEST EDITION), AND FDOT DESIGN STANDARDS (LATEST EDITION).
2. A PERMIT SHALL BE REQUIRED PRIOR TO ENGAGING IN ANY DEWATERING OR CONSTRUCTION ACTIVITY THAT CHANGES THE IMPERVIOUS AREA OF LAND. DEWATERING ACTIVITIES INCLUDE THE REMOVAL OF GROUND WATER FROM A CONSTRUCTION SITE, ENCLOSED VAULT, COFFERDAM, OR TRENCHES, ALLOWING CONSTRUCTION OR MAINTENANCE IN A DRY ENVIRONMENT.
3. CONTRACTOR SHALL FOLLOW REQUIRED EROSION AND SEDIMENT CONTROL PRACTICES AND INCLUDE AN EROSION CONTROL PLAN FOR REVIEW AND APPROVAL BY THE CITY PRIOR TO CONSTRUCTION. ALL CONSTRUCTION ACTIVITIES SHALL CONFORM TO THE CITY'S EROSION AND SEDIMENT CONTROL NOTES DETAIL.
4. CONTRACTOR SHALL FOLLOW ALL OF THE CITY'S REQUIRED BEST MANAGEMENT PRACTICES. ALL CONSTRUCTION, RENOVATION, AND DEMOLITION SITES ARE TO BE KEPT CLEAN AND FREE OF REFUSE, DEBRIS, AND LITTER DURING THE CONSTRUCTION, RENOVATION, OR DEMOLITION PROCESS. A CERTIFICATE OF OCCUPANCY FOR A NEWLY CONSTRUCTED OR RENOVATED BUILDING SHALL NOT BE ISSUED UNTIL ALL REFUSE AND LITTER CAUSED BY THE CONSTRUCTION OR REN

SANITARY SEWER CONSTRUCTION & DESIGN STANDARDS TESTING REQUIREMENTS

1. THE CONTRACTOR SHALL EMPLOY AN INDEPENDENT TESTING LABORATORY AT HIS OWN EXPENSE TO INSURE COMPACTION OF ALL FILL MATERIAL IS COMPLETED PROPERLY. TESTS SHALL BE DONE ONE FOOT ABOVE THE PIPE AND AT ONE FOOT VERTICAL INTERVALS UNTIL FINAL GRADE IS REACHED. TESTS SHALL BE COMPLETED A MINIMUM FREQUENCY OF ONE SET OF TESTS EACH 300 FOOT LENGTH OF PIPING AND ONE ADDITIONAL SET OF TESTS AT EVERY MANHOLE. IDENTIFICATION OF TEST LOCATIONS SHALL BE CLEARLY INDICATED ON TEST REPORTS. TEST RESULTS SHALL BE FORWARDED PROMPTLY TO THE CITY'S DESIGNATED SITE INSPECTOR. INSPECTOR.
2. ALL TESTING REQUIRED BY THE CITY SHALL BE PAID FOR BY THE CONTRACTOR / DEVELOPER.
3. THE CITY OF NEW SMYRNA RESERVES THE RIGHT TO REQUIRE THE DEVELOPER TO PERFORM VACUUM TESTING OF ALL SANITARY MANHOLES AND TO AIR TEST SEWER MAINS.
4. ALL PROPOSED SEWER FORCE MAINS SHALL BE FLUSHED, PRESSURE TESTED AND CLEARED FOR SERVICE IN ACCORDANCE WITH THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION REQUIREMENTS. THE CONTRACTOR SHALL NOTIFY THE CITY'S DESIGNATED SITE INSPECTOR AT LEAST 3 BUSINESS DAYS PRIOR TO BEGINNING A FULL–DIAMETER FLUSH OF THE MAINS FOR PRESSURE TESTING.
5. SANITARY SEWER FORCE MAINS SHALL BE PRESSURE TESTED TO 100 PSI FOR 2 HOURS WITH ALLOWABLE LEAKAGE BASED ON THE TABLE BELOW.

ALLOWABLE LEAKAGE PER 1000 FT. OF PIPELINE * –GPH

AVERAGE TEST PRESSURE	NOMINAL PIPE DIAMETER – INCHES																		AVERAGE TEST PRESSURE
(PSI)	3	4	6	8	10	12	14	16	18	20	24	30	36	42	48	54	60	64	(PSI)
450	0.48	0.64	0.95	1.27	1.59	1.91	2.23	2.55	2.87	3.18	3.82	4.78	5.73	6.69	7.64	8.60	9.56	10.19	450
400	0.45	0.60	0.90	1.20	1.50	1.80	2.10	2.40	2.70	3.00	3.60	4.50	5.41	6.31	7.21	8.11	9.01	9.61	400
350	0.42	0.56	0.84	1.12	1.40	1.69	1.97	2.25	2.53	2.81	3.37	4.21	5.06	5.90	6.74	7.58	8.43	8.99	350
300	0.39	0.52	0.78	1.04	1.30	1.56	1.82	2.08	2.34	2.60	3.12	3.90	4.68	5.46	6.24	7.02	7.80	8.32	300
275	0.37	0.50	0.75	1.00	1.24	1.49	1.74	1.99	2.24	2.49	2.99	3.73	4.48	5.23	5.98	6.72	7.47	7.97	275
250	0.36	0.47	0.71	0.95	1.19	1.42	1.66	1.90	2.14	2.37	2.85	3.56	4.27	4.99	5.70	6.41	7.12	7.60	250
225	0.34	0.45	0.68	0.90	1.13	1.35	1.58	1.80	2.03	2.25	2.70	3.38	4.05	4.73	5.41	6.03	6.76	7.21	225
200	0.32	0.43	0.64	0.85	1.06	1.28	1.48	1.70	1.91	2.12	2.55	3.19	3.82	4.46	5.09	5.73	6.37	6.80	200
175	0.30	0.40	0.59	0.80	0.99	1.19	1.39	1.59	1.79	1.98	2.38	2.98	3.58	4.17	4.77	5.36	5.96	6.36	175
150	0.28	0.37	0.55	0.74	0.92	1.10	1.29	1.47	1.66	1.84	2.21	2.76	3.31	3.86	4.41	4.97	5.52	5.88	150
125	0.25	0.34	0.50	0.67	0.84	1.01	1.18	1.34	1.51	1.68	2.01	2.52	3.02	3.53	4.03	4.53	5.04	5.37	125
100	0.23	0.30	0.45	0.60	0.75	0.90	1.05	1.20	1.35	1.50	1.80	2.25	2.70	3.15	3.60	4.05	4.50	4.80	100

* IF THE PIPELINE UNDER TEST CONTAINS SECTIONS OF VARIOUS DIAMETERS, THE ALLOWABLE LEAKAGE WILL BE THE SUM OF THE COMPUTED LEAKAGE FOR EACH SIZE.

$$L = \frac{SD\sqrt{P}}{133{,}200}$$

WHERE:
L = ALLOWABLE LEAKAGE, IN GALLONS PER HOUR
S = LENGTH OF PIPE TESTED, IN FEET
D = NOMINAL DIAMETER OF PIPE, IN INCHES
P = AVERAGE TEST PRESSURE DURING THE LEAKAGE TEST, IN POUNDS PER SQUARE INCH (GAUGE)

POTABLE WATER CONSTRUCTION & DESIGN NOTES

1. THE UTILITIES COMMISSION SHALL BE GIVEN A MINIMUM OF 3 BUSINESS DAYS ADVANCE NOTICE (NOT INCLUDING HOLIDAYS OR WEEKENDS) PRIOR TO BEGINNING ANY POTABLE WATER SYSTEM CONSTRUCTION.
2. A PERMIT SHALL BE REQUIRED PRIOR TO ENGAGING IN ANY DEWATERING OR CONSTRUCTION ACTIVITY THAT CHANGES THE IMPERVIOUS AREA OF LAND. DEWATERING ACTIVITIES INCLUDE THE REMOVAL OF GROUND WATER FROM A CONSTRUCTION SITE, ENCLOSED VAULT, COFFERDAM, OR TRENCHES, ALLOWING CONSTRUCTION OR MAINTENANCE IN A DRY ENVIRONMENT.
3. ALL WORK PERFORMED ON POTABLE WATER FACILITIES OWNED OR PROPOSED TO BE OWNED BY THE CITY SHALL BE CONSTRUCTED BY AN UNDERGROUND UTILITY CONTRACTOR OR GENERAL CONTRACTOR LICENSED IN THE STATE OF FLORIDA AND REGISTERED WITH THE CITY.
4. UPON CONSTRUCTION COMPLETION AND ACCEPTANCE OF THE SYSTEM, IT IS THE DESIGN ENGINEER'S RESPONSIBILITY TO ENSURE THAT THE SYSTEM IS PROPERLY CERTIFIED AND ACCEPTED BY THE DEPARTMENT OF HEALTH, AND THAT AS–BUILT DRAWINGS MEETING THE CITY'S REQUIREMENTS ARE PROVIDED TO THE CITY AND ACCEPTED PRIOR TO ANY USE OF THE SYSTEM.
5. THE WATER DISTRIBUTION SYSTEM SHALL BE DESIGNED TO COMPLY WITH THE CITY'S FIRE (WATER) FLOW CODE.
6. EACH WATER SERVICE TERMINATION SHALL BE MARKED WITH 2" X 4" PRESSURE TREATED LUMBER EXTENDING 4' ABOVE GROUND, BENEATH WHICH AT THE SAME LEVEL AS THE METER BOX WITH 2" OF ENDGRAIN POLY–TUBE OR APPROVED EQUAL COILED AND CAPPED WITH AN ELSTER HYDROSERT CAP INSIDE EACH METER BOX.
7. ALL WATER SERVICES SHALL BE MARKED WITH A "√" SAW CUT INTO THE CURB.
8. ALL WATER VALVES SHALL BE MARKED WITH AN "X" SAW CUT INTO THE CURB.
9. ALL TAPPING OF MAINS (12" OR SMALLER) SHALL BE PERFORMED BY CITY PERSONNEL. SCHEDULING OF THESE CONNECTIONS REQUIRES A MINIMUM OF 3 BUSINESS DAYS ADVANCE NOTICE AND SHALL BE COORDINATED WITH THE CITY INSPECTOR.
10. THE PLANS SHALL INCLUDE RIGHT OF WAY LINES AND STATIONING AND OFFSETS FROM THE CENTER LINE OF CONSTRUCTION.
11. DEWATERING ACTIVITIES SHALL KEEP THE GROUNDWATER ELEVATION A MINIMUM OF 6 INCHES BELOW THE WATER MAIN BEING INSTALLED.
12. ALL WATER MAINS SHALL BE INSTALLED ON A FIRM UNYIELDING FOUNDATION WITH ALL UNSUITABLE MATERIAL (MUCK, ROCK, COQUINA, ETC.) REMOVED AND REPLACED WITH CLEAN GRANULAR MATERIAL.
13. TRENCHES SHALL BE BACKFILLED WITH MATERIAL ACCEPTABLE TO THE CITY WITH A MINIMUM COMPACTION OF 98% IN PAVED AREAS AND 95% IN UNPAVED AREAS IN ACCORDANCE WITH AASHTO T–180 MODIFIED PROCTOR TEST.
14. WHERE POTABLE WATER AND SANITARY SEWER MAINS CROSS WITH LESS THAN TWELVE (12) INCHES OF VERTICAL CLEARANCE OR WHERE THE SEWER MAIN IS ABOVE THE WATER MAIN, MEDIATION MUST BE REVIEWED AND APPROVED BY FDEP.
15. WATER MAINS SHALL BE CONSTRUCTED A MINIMUM OF 4 FEET BEHIND THE BACK OF CURB OR THE EDGE OF ROADWAY PAVEMENT, WHICHEVER IS GREATER, AS MEASURED FROM OUTSIDE WALL OF THE WATER MAIN.
16. 3 INCH METALIZED PIPE LOCATION TAPE SHALL BE LOCATED 15 INCHES TO 24 INCHES BELOW FINISHED GRADE OR AS SPECIFIED BY THE MANUFACTURER FOR ALL WATER LINES. BLUE TRACER WIRE SHALL BE ATTACHED TO ALL PIPES. WIRE RUNS SHALL BE CONNECTED WITH SILICONE FILLED WIRE CONNECTORS. SERVICES SHALL BE CONNECTED TO THE MAIN WIRE WITH SILICONE FILLED WIRE CONNECTORS. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ENSURE AND TEST FOR CONTINUITY (SEE CITY SPECIFICATION #15049 TRACER WIRE AND ALARMING TAPE). TRACER WIRE SHALL BE TESTED FOR CONTINUITY UNDER THE SUPERVISION OF A CITY REPRESENTATIVE AFTER INSTALLATION. IF A METER BOX IS NOT WITHIN 200 FEET OF A VALVE AND VALVE BOX AN ADDITIONAL VALVE BOX FOR TRACER WIRE IS REQUIRED.
17. SINGLE RESIDENTIAL WATER SERVICES SHALL BE A MINIMUM 1–INCH ENDOT, ENDOTRACE OR APPROVED EQUAL POLY–TUBE (MEETING THE SPECIFICATIONS OF NSF–14, AND AWWA C901.)
18. ALL WATER MAINS SHALL BE NSF–APPROVED FOR POTABLE WATER USE AND HAVE A MINIMUM COVER OF 36–INCHES.
19. WATER MAINS LESS THAN 18" MAY USE POLYVINYL CHLORIDE (PVC) C900, OR C905, SHALL MEET AWWA REQUIREMENTS AND HAVE A MINIMUM DIMENSION RATIO (DR–18) PRESSURE CLASS 150. WATER MAINS 18" AND LARGER SHALL BE DUCTILE IRON PIPE (D.I.P.), CLASS 350, CEMENT LINED. ALL NON–DUCTILE IRON PIPE HORIZONTAL DIRECTIONAL DRILL WATER MAINS SHALL HAVE A MINIMUM WORKING PRESSURE 160 PSI. THE CITY MAY REQUIRE A HIGHER PRESSURE RATING BASED ON SITE CONDITIONS. INSIDE DIAMETER OF NON D.I.P. HORIZONTAL DIRECTIONAL DRILL PIPE SHALL MATCH THE INSIDE DIAMETER OF CONNECTING PIPES. ALL GASKETS SHALL BE LUBRICATED BEFORE INSTALLATION.
20. DIRECTIONAL DRILLS SHALL HAVE FUSED MJ ADAPTERS.
21. ALL POTABLE WATER MAINS SHALL USE THRUST RESTRAINT AS CALCULATED BY A PROGRAM AVAILABLE AT EBAA.COM
22. ALL FITTINGS, VALVES, ETC. SHALL BE DUCTILE IRON (MJ OR FLANGED) AND SHALL BE RESTRAINED.
23. ALL RESTRAINED PIPE BELL JOINTS SHALL USE BELL RESTRAINTS OR GRIPPER TYPE GASKETS CAN BE USED FOR DUCTILE IRON PIPE JOINTS.
24. WATER VALVES SHALL BE INSTALLED AT ALL STREET INTERSECTIONS AND AT A MAXIMUM SPACING OF 750 FEET. SPACING OF VALVES ON PRIMARY TRANSMISSION MAINS WILL BE DETERMINED BY THE CITY.
25. VALVES SHALL BE INSTALLED ON ALL LEGS OF WATER MAIN TEES EXCEPT ONE.
26. ALL FITTINGS SHALL MEET MINIMUM RESTRAINT REQUIREMENTS PER ANSI/AWWA/EBAA, AND ALL PRESSURE PIPES UNDER THE ROADWAYS SHALL BE RESTRAINED.
27. METER LENGTHS REQUIRED FOR WATER METERS INSTALLATION ARE AS FOLLOWS: 3/4" TO 2" METER REQUIRES 6', 4" METER REQUIRES 12', 6" AND 8" METER REQUIRES 14',AND A 10" METER REQUIRES 20'.
28. ALL WATER VALVE BOXES SHALL BE ADJUSTED, INCLUDING DEBRIS CAP, AND CONCRETE COLLAR TO FINISHED GRADE. VALVE BOX LIDS SHALL BE PAINTED BLUE TO MAKE THEM CLEARLY VISIBLE.
29. UPON FINAL ACCEPTANCE OF NEW WATER SYSTEMS, WATER VALVES SHALL BE COMPLETELY OPENED BY CITY UTILITIES PERSONNEL. THE CONTRACTOR SHALL NOT OPERATE ANY EXISTING VALVES WITHOUT A CITY REPRESENTATIVE PRESENT.
30. ALL VALVES 2 INCHES AND SMALLER SHALL BE CURB STOPS. VALVES LARGER THAN 2 INCHES SHALL BE GATE VALVES.
31. A MINIMUM OF ONE FIRE HYDRANT SHALL BE LOCATED AT EVERY INTERSECTION. OTHER FIRE HYDRANTS SHALL BE LOCATED TO PRODUCE A MAXIMUM 500 FOOT RADIUS OF COVERAGE. ALL FIRE HYDRANTS SHALL BE INSTALLED IN EASILY ACCESSIBLE LOCATIONS FOR FIRE PERSONNEL. THE PRIMARY HYDRANT PORT ISHALL FACE THE STREET.
32. THE CONTRACTOR SHALL PIG ALL PIPES 6 INCHES OR LARGER IN DIAMETER. LAUNCHING AND EXTRACTION POINTS SHALL BE DETERMINED BY THE CONTRACTOR AND CITY REPRESENTATIVE.
33. FOR PIPE FLUSHING, PIGGING, TESTING, AND TIE–IN CONNECTIONS, THE CITY RESERVES THE RIGHT TO REQUIRE WORK TO BE PERFORMED DURING PERIODS OF LOW FLOW (MIDNIGHT TO 8 A.M.) THE CONTRACTOR SHALL COORDINATE WITH THE CITY REPRESENTATIVE AND WATER PLANT OPERATIONS TO SCHEDULE THE DATE AND TIME FOR THESE ACTIVITIES.
34. THE CITY RESERVES THE RIGHT TO PERFORM THE SAMPLING AND ANALYSIS FOR BACTERIOLOGICAL CLEARANCE OF THE WATER MAIN. ANY RETESTING WILL BE AT THE CONTRACTORS EXPENSE.
35. POTABLE WATER LINES SHALL NOT BE USED OR PLACED INTO SERVICE UNTIL CLEARANCE IS ACCEPTED BY VOLUSIA COUNTY HEALTH DEPARTMENT AND THE CITY OF NEW SMYRNA.
36. BACKFLOW PREVENTERS (BFP) SHALL BE PLACED ON ALL POTABLE AND FIRE LINES SERVING COMMERCIAL AND RESIDENTIAL PROPERTIES. THE TYPE OF BACKFLOW PREVENTERS REQUIRED ARE AS FOLLOWS:
    POTABLE WATER SERVICE; REDUCED PRESSURE ZONE (RPZ)(BFP)
    FIRE LINE SERVICING A FIRE SPRINKLER SYSTEM AND/OR PRIVATE FIRE HYDRANT; DOUBLE CHECK VALVE ASSEMBLY
    FIRE LINE; DOUBLE CHECK VALVE ASSEMBLY
    IN CASES WHERE A WATER LINE SERVES BOTH DOMESTIC AND FIRE SERVICES, A REDUCED PRESSURE ZONE BFP IS REQUIRED.

POTABLE WATER CONSTRUCTION & DESIGN NOTES (CONT'D)

37. ALL JACK & BORES REQUIRED FOR COMMERCIAL DEVELOPMENT SHALL BE PERFORMED AT THE SOLE COST OF THE OWNER'S/DEVELOPER.
38. ALL C–900 DR–18 PVC PIPE REQUIREMENTS REFERENCE TO THE C–900 STANDARDS.
39. CHLORINATED WATER MUST BE DECHLORINATED PRIOR TO DISCHARGE INTO ANY JURISDICTIONAL WETLAND OR WATER BODY PER AWWA STANDARD, ANSI/AWWA C655.

POTABLE WATER CONSTRUCTION & DESIGN STANDARDS TESTING REQUIREMENTS

1. IT IS THE CONTRACTOR'S RESPONSIBILITY TO PROVIDE TRENCH COMPACTION TESTS AT POINTS 12 INCHES ABOVE THE PIPE AND AT 12–INCH VERTICAL INTERVALS TO FINISHED GRADE AT A MAXIMUM HORIZONTAL SPACING OF 300 FEET.
2. ON ALL PROJECTS OTHER THAN THOSE INITIATED BY THE CITY THE CONTRACTOR SHALL EMPLOY AN INDEPENDENT TESTING LABORATORY AT HIS OWN EXPENSE TO INSURE THAT COMPACTION OF ALL FILL MATERIAL IS COMPLETED PROPERLY. ON ALL CITY PROJECTS THE TESTING WILL BE DONE IN ACCORDANCE WITH THE PLANS AND SPECIFICATIONS. IDENTIFICATION OF TEST LOCATIONS SHALL BE CLEARLY INDICATED ON TEST REPORTS. TEST RESULTS SHALL BE FORWARDED PROMPTLY TO THE CITY'S INSPECTOR.
3. ALL POTABLE WATER MAINS SHALL BE FLUSHED, DISINFECTED, PRESSURE TESTED AND BAC–TERIOLOGICALLY CLEARED FOR SERVICE WHEN APPROPRIATE IN ACCORDANCE WITH THE LATEST AWWA STANDARDS AND THE FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION REQUIREMENTS. THE CONTRACTOR SHALL NOTIFY THE CITY'S DESIGNATED INSPECTOR WHO SHALL COORDINATE WITH CITY PERSONNEL AT THE WATER TREATMENT PLANT AT LEAST 3 BUSINESS DAYS PRIOR TO BEGINNING FLUSHING THE MAINS BEFORE PRESSURE TESTING. THE CITY MA REQUIRE WORK TO BE PERFORMED DURING PERIODS OF LOW FLOW (MIDNIGHT TO 8 AM). THE DATE AND TIME SCHEDULE FOR FLUSHING AND PIGGING MUST BE APPROVED BY THE WATER PLANT OPERATIONS. NO HOSE OR FIRE HYDRANT SHALL BE USED IN THE COLLECTION OF BACTERIOLOGICAL SAMPLES. THE SAMPLING TAP MUST BE DEDICATED, CLEAN, DISINFECTED AND FLUSHED PRIOR TO SAMPLING. SAMPLING TAP SHALL BE SMOOTH, UNTHREADED 1/2 INCH HOSE BIB. DISINFECTION AND SAMPLING SHALL BE SCHEDULED AT THE CITY'S CONVENIENCE.
4. PRESSURE TEST FOR TAPPING SADDLES AND VALVES FOR A MINIMUM OF 30 MINUTES AT 150 PSI OR 30 MINUTES AT MANUFACTURER'S RECOMMENDED TESTING PRESSURE.
5. WATERMAINS SHALL BE PRESSURE TESTED AT 150 PSI FOR 3 HOURS. TESTING SHALL BE IN ACCORDANCE WITH AWWA C–600 AND AWWA C–605 AS APPLICABLE WITH ALLOWABLE LEAKAGE TO BE BASED ON THE TABLE BELOW.

ALLOWABLE LEAKAGE PER 1000 FT. OF PIPELINE * –GPH

AVERAGE PRESSURE TEST	NOMINAL PIPE DIAMETER – INCHES																		AVERAGE TEST PRESSURE
(PSI)	3	4	6	8	10	12	14	16	18	20	24	30	36	42	48	54	60	64	(PSI)
450	0.48	0.64	0.95	1.27	1.59	1.91	2.23	2.55	2.87	3.18	3.82	4.78	5.73	6.69	7.64	8.60	9.56	10.19	450
400	0.45	0.60	0.90	1.20	1.50	1.80	2.10	2.40	2.70	3.00	3.60	4.50	5.41	6.31	7.21	8.11	9.01	9.61	400
350	0.42	0.56	0.84	1.12	1.40	1.69	1.97	2.25	2.53	2.81	3.37	4.21	5.06	5.90	6.74	7.58	8.43	8.99	350
300	0.39	0.52	0.78	1.04	1.30	1.56	1.82	2.08	2.34	2.60	3.12	3.90	4.68	5.46	6.24	7.02	7.80	8.32	300
275	0.37	0.50	0.75	1.00	1.24	1.49	1.74	1.99	2.24	2.49	2.99	3.73	4.48	5.23	5.98	6.72	7.47	7.97	275
250	0.36	0.47	0.71	0.95	1.19	1.42	1.66	1.90	2.14	2.37	2.85	3.56	4.27	4.99	5.70	6.41	7.12	7.60	250
225	0.34	0.45	0.68	0.90	1.13	1.35	1.58	1.80	2.03	2.25	2.70	3.38	4.05	4.73	5.41	6.03	6.76	7.21	225
200	0.32	0.43	0.64	0.85	1.06	1.28	1.48	1.70	1.91	2.12	2.55	3.19	3.82	4.46	5.09	5.73	6.37	6.80	200
175	0.30	0.40	0.59	0.80	0.99	1.19	1.39	1.59	1.79	1.98	2.38	2.98	3.58	4.17	4.77	5.36	5.96	6.36	175
150	0.28	0.37	0.55	0.74	0.92	1.10	1.29	1.47	1.66	1.84	2.21	2.76	3.31	3.86	4.41	4.97	5.52	5.88	150
125	0.25	0.34	0.50	0.67	0.84	1.01	1.18	1.34	1.51	1.68	2.01	2.52	3.02	3.53	4.03	4.53	5.04	5.37	125
100	0.23	0.30	0.45	0.60	0.75	0.90	1.05	1.20	1.35	1.50	1.80	2.25	2.70	3.15	3.60	4.05	4.50	4.80	100

* IF THE PIPELINE UNDER TEST CONTAINS SECTIONS OF VARIOUS DIAMETERS, THE ALLOWABLE LEAKAGE WILL BE THE SUM OF THE COMPUTED LEAKAGE FOR EACH SIZE.

$$L = \frac{SD\sqrt{P}}{133{,}200}$$

WHERE:
L = ALLOWABLE LEAKAGE, IN GALLONS PER HOUR
S = LENGTH OF PIPE TESTED, IN FEET
D = NOMINAL DIAMETER OF PIPE, IN INCHES
P = AVERAGE TEST PRESSURE DURING THE LEAKAGE TEST, IN POUNDS PER SQUARE INCH (GAUGE)

RECLAIMED WATER CONSTRUCTION & DESIGN NOTES

1. THE UTILITIES COMMISSION SHALL BE GIVEN A MINIMUM OF THREE BUSINESS DAYS NOTICE (NOT INCLUDING HOLIDAYS) PRIOR TO BEGINNING ANY RECLAIMED WATER SYSTEM CONSTRUCTION.
2. A PERMIT SHALL BE REQUIRED PRIOR TO ENGAGING IN ANY DEWATERING OR CONSTRUCTION ACTIVITY THAT CHANGES THE IMPERVIOUS AREA OF LAND. DEWATERING ACTIVITIES INCLUDE THE REMOVAL OF GROUND WATER FROM A CONSTRUCTION SITE, ENCLOSED VAULT, COFFERDAM, OR TRENCHES, ALLOWING CONSTRUCTION OR MAINTENANCE IN A DRY ENVIRONMENT.
3. RECLAIMED WATER SERVICE ENDINGS SHALL BE SECURED BY WIRE TO 2" X 4" PRESSURE TREATED STAKES, APPROXIMATELY 2' ABOVE GRADE OR MAY BE PLACED IN RECLAIMED WATER METER BOXES PROVIDED BY THE CONTRACTOR AT THE TIME OF FIELD WITH INSPECTION.
4. FOR PIPE FLUSHING, PIGGING, TESTING, AND TIE–IN CONNECTIONS, THE CITY RESERVES THE RIGHT TO REQUIRE WORK TO BE PERFORMED DURING PERIODS OF LOW FLOW (MIDNIGHT TO 8 A.M.) IN ORDER TO MINIMIZE SERVICE DISRUPTION TO EXISTING CUSTOMERS. THE CONTRACTOR SHALL COORDINATE AND SCHEDULE WITH THE CITY REPRESENTATIVE THE DATE AND TIME, THAT MUST BE APPROVED BY WATER PLANT OPERATIONS.
5. IT IS THE CONTRACTOR'S RESPONSIBILITY TO SUPPLY "AS–BUILT DRAWINGS" TO THE CITY PRIOR TO ANY USE OF THE SYSTEM. **SEE CITY OF NEW SMYRNA AS–BUILT REQUIREMENTS.**
6. ALL RECLAIMED WATER SERVICES SHALL BE MARKED ALONG THE OUTSIDE EDGE OF CURB WITH A "J" OR BY METAL TABS SET INTO PAVEMENT. VALVES AND BLOW–OFFS FOR RECLAIMED WATER MAINS SHALL BE MARKED BY A "+" SET INTO THE PAVEMENT AND PAINTED WITH PURPLE ENAMEL.
7. RECLAIMED WATER SERVICES SHALL BE LOCATED AT SIDE LOT LINES ALTERNATING WITH POTABLE WATER SERVICE LOCATIONS. IN INSTANCES WHERE RECLAIMED WATER SERVICES MUST BE OFFSET, THE SERVICES MAY BE OFFSET FROM THE LOT LINE A MAXIMUM DISTANCE OF 2 FEET.
8. ALL RECLAIMED WATER HAND–OPERATED CONNECTIONS AND OUTLETS SHALL BE CONTAINED IN UNDER–GROUND SERVICE VAULTS AND APPROPRIATELY TAGGED OR LABELED TO WARN THE PUBLIC AND EMPLOYEES THAT THE WATER IS NOT INTENDED FOR DRINKING OR SWIMMING. ANY SIGNIFICANT IRRIGATION SITE UTILIZING RECLAIMED WATER, SUCH AS AN ATHLETIC FIELD, GOLF COURSE, PARK OR POND, IS REQUIRED TO POST A 12" x 12" RECLAIMED WATER SIGN WARNING THE PUBLIC AND EMPLOYEES THAT RECLAIMED WATER IS NOT INTENDED FOR DRINKING OR SWIMMING. THIS SIGN SHALL BE PLACED AT THE ENTRANCE TO THE SITE AND THE LOCATION OF THE PRIVATE REUSE SYSTEM. SEE "RECLAIMED WATER IN USE" DETAIL.
9. VAULTS FOR OUTLETS SHALL BE LOCKED OR REQUIRE A SPECIAL TOOL FOR OPERATION.
10. A 75 FOOT SETBACK DISTANCE SHALL BE PROVIDED FROM PUBLIC ACCESS RECLAIMED WETTED AREAS TO PUBLIC OR PRIVATE POTABLE WATER SUPPLY WELLS.
11. LOW TRAJECTORY NOZZLES ARE REQUIRED WITHIN 300 FEET OF PUBLIC EATING, DRINKING OR BATHING FACILITIES.
12. ALL RECLAIMED WATER MAINS SHALL BE INSTALLED ON A FIRM FOUNDATION WITH ALL UNSUITABLE MATERIAL (MUCK, ROCK, COQUINA, ETC.) REMOVED AND REPLACED WITH CLEAN GRANULAR MATERIAL.
13. TRENCHES SHALL BE BACKFILLED WITH MATERIAL ACCEPTABLE TO THE CITY WITH A MINIMUM COMPACTION OF 95% IN UNPAVED AREAS AND 98% IN PAVED AREAS IN ACCORDANCE WITH AASHTO T–180.
14. IT IS THE CONTRACTOR'S RESPONSIBILITY TO PROVIDE TRENCH COMPACTION TESTS AT POINTS 12 INCHES ABOVE THE PIPE AND AT 12 INCHES VERTICAL INTERVALS TO FINISH GRADE AT A MAXIMUM SPACING OF EVERY 300 FEET.
15. 3" NEUTRALIZED PIPE LOCATION TAPE SHALL BE INSTALLED 15" TO 24" BELOW FINISHED GRADE OR AS SPECIFIED BY MANUFACTURER FOR ALL PVC LINES, AND A SINGLE STRAND INSULATED COPPER TRACER WIRE SHALL BE ATTACHED TO ALL PVC PIPE. WIRE RUNS SHALL BE CONNECTED WITH SILICONE FILLED WIRE CONNECTORS. EACH RUN SHALL TERMINATE AT EVERY VALVE. SEE STANDARD DETAIL "MAIN VALVE BOX" FOR INSTALLATION OF WIRE ON RISER PIPE. SERVICES SHALL BE CONNECTED TO THE MAIN WIRE WITH SILICONE FILLED CONNECTORS. IT IS THE CONTRACTOR'S RESPONSIBLY TO ENSURE CONTINUITY AND TEST FOR CONTINUITY (SEE CITY SPECIFICATIONS #15049 TRACER WIRE AND ALARMING TAPE).
16. ALL SINGLE RESIDENTIAL WATER SERVICES SHALL BE 1". SERVICES SHALL BE CTS 3408 HIGH DENSITY POLYETHYLENE TUBING RATED FOR A MINIMUM OF 200 PSI WITH SDDR 9 (CTS). THE TUBING SHALL HAVE A VIRGIN HIGH DENSITY POLYETHYLENE CENTER FOR WHICH THE MANUFACTURER SHALL FURNISH A CERTIFICATE OF PURITY. THE TUBING SHALL BE PURPLE IN COLOR AND SHALL HAVE THE WORDS "RECLAIMED WATER" PERMANENTLY PRINTED ON THE OUTSIDE. THE TUBING SHALL HAVE U.V. PROTECTION AND SHALL NOT BE AFFECTED BY DIRECT SUNLIGHT. THE TUBING SHALL COMPLY WITH OR EXCEED THE APPLICABLE STANDARDS OF A.S.T.M. D1248, D3350, D2239, D2737, N.S.F.–14 AND A.W.W.A. C901 AND SHALL COME WITH A LIFETIME WARRANTY. APPROVED SIZES: 1" AND 2" DIAMETERS.
17. RECLAIMED WATER MAINS SHALL BE INSTALLED 4 FEET OFF THE BACK OF THE CURB ON THE OPPOSITE SIDE OF THE ROAD OF THE POTABLE WATER MAINS, OR AS APPROVED BY THE CITY. RECLAIMED WATER MAINS SHOULD NOT BE INSTALLED UNDER SIDEWALK.
18. ALL RECLAIMED WATER MAINS SHALL HAVE A MINIMUM COVER OF 36 INCHES. IN SPECIAL CASES WHERE IT IS IMPOSSIBLE OR INAPPROPRIATE TO PROVIDE ADEQUATE COVE, DUCTILE IRON PRESSURE CLASS 350 OR CONCRETE ENCASEMENT/PROTECTIVE SLAB MAY BE USED AT THE DISCRETION OF THE UTILITIES DEPARTMENT. ALL DIP SHALL HAVE 2" PURPLE STRIPES PAINTED AT 12 O'CLOCK,3 O'CLOCK, 6 O'CLOCK AND 9 O'CLOCK FOR THE FULL LENGTH OF PIPE. NON PAINTED RECLAIMED PIPE OR PIPES SHALL BE PAINTED WITH AN EPOXY PAINT (PANTONE PURPLE) TO CLEARLY MARK THE RECLAIM PIPE OR PIPES.

RECLAIMED WATER CONSTRUCTION & DESIGN NOTES (CONT'D)

19. RECLAIMED WATER MAINS SHALL BE PURPLE PVC, DR–18 AWWA CLASS C–900 OR C–905, CL 150, OR DIP PRESSURE CLASS 350, STANDARD CEMENT LINED (PAINTED PANTONE PURPLE) UNLESS APPROVED OTHERWISE BY THE CITY. ALL HORIZONTAL DIRECTIONAL DRILLS SHALL HAVE A MINIMUM WORKING PRESSURE OF 160 PSI. THE CITY MAY REQUIRE A HIGHER PRESSURE RATING BASED ON SITE CONDITIONS. INSIDE DIAMETER OF HORIZONTAL DIRECTIONAL DRILL PIPE SHALL MATCH THE INSIDE DIAMETER OF CONNECTING PIPES. ALL GASKETS SHALL BE LUBRICATED BEFORE INSTALLATION.
20. DIRECTIONAL DRILLS SHALL HAVE FUSSED MJ ADAPTERS.
21. ALL RECLAIMED WATER MAINS SHALL USE THRUST RESTRAINT AS CALCULATED BY A PROGRAM AVAILABLE AT EBAA.COM
22. ALL FITTINGS, VALVES, ECT. SHALL BE DUCTILE IRON (MJ OR FLANGED) AND SHALL BE RESTRAINED.
23. BELL RESTRAINTS OR GRIPPER TYPE GASKETS SHALL BE USED FOR ALL RESTRAINED PIPE BELL JOINTS.
24. VALVES SHALL BE PLACED AT ALL STREET INTERSECTIONS AND AT MAXIMUM SPACING OF 750 FEET.
25. VALVES SHALL BE INSTALLED ON ALL LEGS EXCEPT ONE AT ALL RECLAIMED WATER MAIN TEES AND CROSSES.
26. ALL VALVES SHALL BE ADJUSTED TO FINISH GRADE AND CAPS SHALL BE PAINTED PURPLE.
27. THE CONTRACTOR IS REQUIRED TO PIG ALL RECLAIMED WATER MAINS EQUAL TO OR GREATER THAN 6" IN DIAMETER AND PRIMARY DISTRIBUTION MAINS LOCATED ON COLLECTOR AND ARTERIAL ROADWAYS. LAUNCHING AND EXTRACTION POINTS S

SITE PLAN & SUBDIVISION TESTING

A. MATERIALS:
THE INSPECTION AND TESTING OF MATERIALS AND FINISHED ARTICLES TO BE INCORPORATED IN THE WORK SHALL BE MADE BY BUREAUS, LABORATORIES, OR AGENCIES APPROVED BY THE ENGINEER OF RECORD. THE CONTRACTOR SHALL SUBMIT SUCH SAMPLES OR TEST PIECES OF MATERIALS AS THE ENGINEER OF RECORD MAY REQUIRE. THE CONTRACTOR SHALL NOT INCORPORATE ANY MATERIAL OR FINISHED ARTICLE INTO THE WORK UNTIL THE RESULTS OF THE INSPECTIONS OR TESTS ARE KNOWN AND THE CONTRACTOR HAS BEEN NOTIFIED BY THE ENGINEER OF RECORD THAT THE MATERIAL OR FINISHED ARTICLE IS ACCEPTED. ALL MATERIALS MUST BE OF THE SPECIFIED QUALITY AND BE EQUAL TO THE APPROVED SAMPLE IF A SAMPLE HAS BEEN SUBMITTED. CERTIFIED COPIES OF ALL TESTS MADE SHALL BE SUBMITTED TO THE ENGINEER OF RECORD AS WELL AS TO THE CITY'S DESIGNATED SITE INSPECTOR. THE CITY'S DESIGNATED SITE INSPECTOR MUST RECEIVE COPIES OF ALL TESTING REPORTS AND CERTIFICATES PRIOR TO THE ENGINEER OF RECORD REQUESTING A FINAL PROJECT INSPECTION FROM THE CITY.

B. LABORATORY CONTROL AND CERTIFICATES:
1. SPECIFICATIONS: SAMPLING, TESTING, AND LABORATORY METHODS SHALL BE IN ACCORDANCE WITH THE STANDARD SPECIFICATIONS OF THE AASHTO OR ASTM. WHERE AASHTO OR ASTM SPECIFICATIONS ARE USED, THE REFERENCE SHALL BE CONSTRUED TO BE THE MOST RECENT STANDARD SPECIFICATIONS OR TENTATIVE SPECIFICATIONS OF THE AASHTO OR ASTM IN FORCE ON THE DATE OF THE TEST.
2. TEST & CERTIFICATES: THE CONTRACTOR SHALL ENGAGE AN APPROVED TESTING LABORATORY TO PROVIDE THE FOLLOWING TESTS AND CERTIFICATIONS SIGNED BY A REGISTERED ENGINEER OF THE STATE OF FLORIDA. ALL TECHNICIANS PERFORMING THE TESTS SHALL BE STATE CERTIFIED FOR THE TESTING PERFORMED. ADDITIONAL TESTS THAT MAY BE REQUIRED BY EITHER THE ENGINEER OF RECORD OR THE CITY SHALL ALSO BE PROVIDED BY THE CONTRACTOR, AND THE FOLLOWING SHALL NOT BE TAKEN AS A COMPLETE AND EXHAUSTIVE LIST OF THE CONTRACTOR'S TESTING RESPONSIBILITIES.
   a. SOIL ANALYSIS FOR STRUCTURAL FILL MATERIAL PRIOR TO INSTALLATION. SOIL ANALYSIS FOR STRUCTURAL FILL MATERIAL PRIOR TO INSTALLATION.
   b. PROCTOR DENSITIES, MOISTURE CONTENT, COMPACTED FIELD DENSITIES AND ATTERBERG LIMITS.
   c. ANALYSIS OF RECYCLED CONCRETE BASE MATERIAL PRIOR TO INSTALLATION.
   d. SPHALT MIX DESIGN, BITUMEN CONTENT, SIEVE ANALYSIS, HUBBARD FIELD STABILITY TESTS, NUCLEAR DENSITY TESTS (BACKSCATTER METHOD) AND ANALYSIS OF CORE SAMPLES.
   e. CONCRETE MIX DESIGNS FOR ALL APPLICATIONS INCLUDING PAVEMENT, CAST-IN-PLACE STRUCTURES, CURBING, GUTTERS, SIDEWALKS, BIKE PATHS, APRONS AND DRIVEWAYS.
   f. COMPRESSIVE TEST CYLINDERS AND SLUMP TESTS FOR ALL APPLICATIONS OF CONCRETE, INCLUDING PAVEMENT, CAST-IN-PLACE STRUCTURES, CURBING, GUTTERS, SIDEWALKS, BIKE PATHS, APRONS, AND DRIVEWAYS.
   g. ALL UNDERGROUND UTILITY TESTING TO BE COMPLETED IN ACCORDANCE WITH THE CITY'S UTILITIES DEPARTMENT DESIGN STANDARDS.

VOLUSIA COUNTY USE PERMIT NOTES

1. NOTIFY VOLUSIA COUNTY DEVELOPMENT ENGINEERING DIVISION AT (386) 736-5926 A MINIMUM OF 24 HOURS PRIOR TO THE START OF CONSTRUCTION. FAILURE OF THE PERMITTEE TO OBTAIN THE APPROPRIATE INSPECTIONS PRIOR TO PROCEEDING WITH WORK SHALL NOT RELIEVE THE PERMITTEE FROM REEXCAVATION OR OTHER MEASURES NECESSARY FOR THE INSPECTION OF WORK.
2. VOLUSIA COUNTY TRAFFIC ENGINEERING (386) 736-5968 IS NOT A MEMBER OF SUNSHINE ONE CALL. WHEN REQUESTING LOCATES, PLEASE PROVIDE A MINIMUM ADVANCED NOTIFICATION OF TWO (2) BUSINESS DAYS PRIOR TO PROPOSED WORK.
3. COORDINATION WITH VOLUSIA COUNTY TRAFFIC OPERATIONS (386) 239-6535 IS REQUIRED WITH A MINIMUM ADVANCED NOTICE OF SEVEN (7) DAYS PRIOR TO ANY SIDEWALK, LANE OR ROAD CLOSURE (INCLUDING FLAGGING OPERATIONS).
4. OPERATIONS WITHIN THE COUNTY RIGHT-OF-WAY SHALL NORMALLY BE CONDUCTED 7:00 AM TO 7:00 PM, MONDAY THROUGH FRIDAY. ANY DEVIATION FROM THESE HOURS REQUIRES PRIOR APPROVAL FROM THE COUNTY DEVELOPMENT ENGINEER. EMERGENCY REPAIRS ARE EXCLUDED FROM THIS TIME RESTRICTION.
5. ALL EXISTING SIDEWALKS WITHIN COUNTY RIGHT-OF-WAY SHALL EITHER REMAIN OPEN OR BE PROVIDED A TEMPORARY WALKWAY IN ACCORDANCE WITH THE CURRENT VERSION OF FLORIDA DEPARTMENT OF TRANSPORTATION STANDARD INDEX NO. 660. ANY DAMAGE TO SIDEWALKS SHALL BE REPAIRED AND/OR REPLACED IN LIKE KIND BY THE CONTRACTOR. NEW SIDEWALKS AND SECTIONS THROUGH DRIVEWAYS MUST BE AT A 1.5% CROSS SLOPE AND 2% MAXIMUM CROSS SLOPE PER ADA STANDARDS.
6. DRIVING OR STAGING OF CONSTRUCTION VEHICLES OR MATERIALS IS NOT PERMITTED WITHIN THE COUNTY RIGHT-OF-WAY OR ON PEDESTRIAN WALKWAYS AND PATHS. THERE SHALL BE NO OVERNIGHT CONSTRUCTION VEHICLE RELATED PARKING, CONSTRUCTION MATERIAL PLACEMENT OR STORAGE OF ANY KIND PERMITTED WITHIN THE COUNTY RIGHT-OF-WAY.
7. NO TRENCH OR EXCAVATION SHALL BE LEFT OPEN OR UNATTENDED OVERNIGHT, UNLESS APPROVED BY THE COUNTY DEVELOPMENT ENGINEERING INSPECTOR. EXCAVATIONS SHALL MEET THE DROP OFF PROTECTION REQUIREMENTS OF THE LATEST FDOT DESIGN STANDARD INDEX NO. 600.
8. RESTORATION SHALL BE REQUIRED FOR ANY DAMAGE TO SIDEWALKS, CURBS, OR OTHER EXISTING STRUCTURES IN THE RIGHT-OF-WAY. ALL DISTURBED AREAS WITHIN THE COUNTY RIGHT OF WAY SHALL BE RE-GRADED AND SODDED. SEED AND MULCH IS NOT AN ACCEPTABLE ALTERNATIVE TO SODDING.

AS-BUILT DRAWING REQUIREMENTS

IN ORDER TO ENSURE THAT NEW SUBDIVISIONS AND SITE PLANS ARE CONSTRUCTED SUBSTANTIALLY IN ACCORDANCE WITH CITY REGULATIONS AND THE APPROVED DRAWINGS, THE FOLLOWING INFORMATION IS REQUIRED ON ALL AS-BUILT DRAWINGS.

1. PAVEMENT AND CURB WIDTHS SHALL BE VERIFIED AND DIMENSIONED FOR EACH STREET AT EACH BLOCK. (FOR SUBDIVISIONS) AND AS APPROPRIATE TO CONFIRM PAVING LIMITS (ON SITE PLANS).
2. ALL RADII AT INTERSECTIONS SHALL BE VERIFIED AND DIMENSIONED. THIS INFORMATION IS TO BE CLEARLY INDICATED ON THE AS-BUILT.
3. ROADWAY ELEVATIONS SHALL BE RECORDED AT ALL GRADE CHANGES, 100' INTERVALS ALONG ROADWAY, AND OTHER INTERVALS AS NEEDED ALONG ALL STREETS. STREET CENTERLINE AND CURB INVERT ELEVATIONS SHALL BE RECORDED AS NOTED. THE AS-BUILT CENTERLINE PROFILE OF ALL STREETS SHALL ALSO BE SHOWN ON THE PLAN AND PROFILE SO IT MAY BE COMPARED TO THE DESIGN PROFILE GRADE LINES. IN THE EVENT THAT THE AS-BUILT CENTERLINE LONGITUDINAL GRADE DOES NOT MEET THE CITY MINIMUM STANDARDS, ADDITIONAL LONGITUDINAL GRADES OF THE ADJACENT CURBING AND SIMILAR ROADWAY CROSS-SECTION SURVEYS TO VERIFY THE CORRECT CROSS SLOPE, SHALL BE REQUIRED TO VERIFY THAT THE SYSTEM WILL FUNCTION AS ORIGINALLY DESIGNED.
4. STORM DRAINAGE STRUCTURES SHALL BE LOCATED AND/OR DIMENSIONED FROM CENTERLINES OR LOT LINES AS APPROPRIATE. EACH STRUCTURE SHALL BE LOCATED BY SUB-METER GPS WITH LATITUDE, LONGITUDE AND ELEVATION DATA PROVIDED.
5. STORM DRAINAGE PIPE INVERT AND INLET ELEVATIONS SHALL BE RECORDED AND CLEARLY DENOTED AS AS-BUILT INFORMATION. DESIGN ELEVATIONS SHALL BE CROSSED OUT AND AS-BUILT INFORMATION WRITTEN NEXT TO IT.
6. STORM DRAINAGE PIPE MATERIAL, LENGTH, AND SIZE SHALL BE MEASURED AND/OR VERIFIED. THIS INFORMATION IS TO BE CLEARLY INDICATED AS BEING AS-BUILT INFORMATION .
7. ALL APPLICABLE TOPOGRAPHIC INFORMATION PERTINENT TO THE ON-SITE DRAINAGE SYSTEM, SUCH AS DITCHES, SWALES, LAKES, CANALS, ETC. THAT ARE DEEMED NECESSARY BY THE CITY TO VERIFY THE FUNCTIONAL PERFORMANCE OF THE STORMWATER SYSTEM, SHALL BE NOTED. NORMALLY, RECORDING ELEVATIONS EVERY 100 FEET AT THE TOP OF BANK AND TOE OF SLOPE WILL BE REQUIRED. MEASUREMENTS SHALL BE TAKEN AND RECORDED IN ORDER TO ACCURATELY TIE DOWN THESE FEATURES TO THE ROADWAY CENTERLINES AND TO PLAT LINES. WHENEVER POSSIBLE, CONTOUR LINES SHALL BE UTILIZED TO GRAPHICALLY DESCRIBE THESE TOPOGRAPHIC FEATURES .
8. RETENTION AREAS, WETLAND CREATION/COMPENSATING STORAGE AREAS SHALL HAVE THEIR TOP-OF BANK AND BOTTOM ELEVATIONS RECORDED. ACTUAL MEASUREMENTS SHALL BE TAKEN AND DIMENSIONS RECORDED OF THE SIZE OF ALL RETENTION AREAS. MEASUREMENTS SHALL BE DONE FROM TOP-OF-BANK TO TOP-OF-BANK WITH SIDE SLOPES INDICATED. SEPARATE CALCULATIONS SHALL BE SUBMITTED TO INDICATE REQUIRED AND PROVIDED RETENTION VOLUMES.
9. ACTUAL MATERIALS USED AND ELEVATIONS AND DIMENSIONS OF OVERFLOW WEIR STRUCTURES AND SKIMMERS SHALL BE NOTED ON THE AS-BUILT.
10. STORM DRAINAGE SWALE CENTERLINES SHALL BE LOCATED AND ELEVATIONS OF FLOW LINE AND TOP OF BANK SHALL BE RECORDED EVERY 100 FEET. SIDE SLOPES SHALL ALSO BE INDICATED.
11. SANITARY SEWER MANHOLES SHALL BE VERIFIED AND DIMENSIONED FROM STREET CENTERLINES OR LOT LINES AS APPROPRIATE. ALL RIM AND INVERT ELEVATIONS SHALL BE VERIFIED AND RECORDED. THIS INFORMATION SHALL BE CLEARLY INDICATED AS BEING AS-BUILT INFORMATION. DESIGN ELEVATIONS SHALL BE CROSSED OUT AND AS-BUILT INFORMATION WRITTEN NEXT TO IT.
12. FOR SUBDIVISIONS, PROPOSED DESIGN FINISHED FLOOR ELEVATIONS SHALL APPEAR ON ALL SUBDIVISION LOTS ON THE APPROPRIATE PLAN AND PROFILE SHEET AS WELL AS ON THE MASTER DRAINAGE PLAN.
13. SANITARY SEWER LINE LENGTHS, SIZES, MATERIAL, ETC., SHALL BE VERIFIED AND RECORDED. THIS INFORMATION IS TO BE CLEARLY INDICATED AS BEING AS-BUILT INFORMATION.
14. SEWER LATERALS SHALL BE VERIFIED AND RECORDED AT THEIR CLEAN-OUT LOCATIONS. STATIONING AND OFFSET DISTANCES SHALL BE MEASURED FROM DOWNSTREAM MANHOLES TOWARDS UPSTREAM MANHOLES.
15. CUT OUTS OR METAL TABS, USED TO MARK SEWER LATERALS, WATER SERVICES AND WATER VALVES, SHALL BE VERIFIED FOR PRESENCE AND ACCURACY OF LOCATION.
16. POTABLE AND RECLAIMED WATER MAIN LINES SHALL BE DIMENSIONED OFF THE BASELINE CONSTRUCTION WATER MAIN LINE MATERIAL SIZE, LENGTH AND DEPTH PLACED SHALL BE NOTED. LOCATIONS OF VALVES SHALL ALSO BE SHALL BE TIED TO BASELINE CONSTRUCTION. THIS INFORMATION SHALL BE CLEARLY INDICATED AS BEING AS-BUILT INFORMATION.
17. POTABLE AND RECLAIMED WATER VALVES, TEES, BENDS, ALL SERVICES, AND FIRE HYDRANTS SHALL BE LOCATED BY TYING THEM TO BASELINE CONSTRUCTION (STA. & OFFSET). SIMILARLY, FORCE MAIN VALVES, TEES AND BENDS SHALL BE LOCATED IN THE SAME MANNER. STATIONING AND OFFSET DISTANCES SHALL BE MEASURED FROM DOWNSTREAM MANHOLES TO UPSTREAM MANHOLES. ALL VALVES AND HYDRANTS SHALL BE LOCATED BY SUB-METER GPS WITH LATITUDE, LONGITUDE AND ELEVATION DATA PROVIDED.
18. FOR PERPENDICULAR CROSSINGS OF STORMWATER, SANITARY SEWER, POTABLE WATER, OR RECLAIMED WATER, THE AS-BUILT PLANS SHALL CLEARLY INDICATE WHICH UTILITIES ARE LOCATED OVER OR UNDER OTHER UTILITIES, AS NECESSARY.
19. ANY SPECIAL FEATURES SUCH AS, CONCRETE FLUMES, LAKE BANKS, WALLS, FENCING, ETC., WHICH WERE A PART OF THE APPROVED CONSTRUCTION DRAWINGS SHOULD ALSO BE LOCATED AND DIMENSIONED.
20. IF AN APPROVED SUBDIVISION PLAT OR SITE PLAN SHOWS A CONSERVATION EASEMENT, THE PROJECT SURVEYOR SHOULD PROVIDE THE EXACT LOCATION OF THE SPECIMEN TREE(S) FROM THE RIGHT-OF-WAY OR PROPERTY LINES AND PROPOSED EASEMENT BOUNDARIES ON THE AS-BUILT DRAWING. THE AS-BUILT LOCATION OF THESE TREES WILL HELP VERIFY THE SUFFICIENCY OF THE CONSERVATION EASEMENT PRIOR TO PLAT RECORDING OR CERTIFICATE OF OCCUPANCY.
21. WHEN STORMWATER, POTABLE WATER, RECLAIMED WATER, OR SANITARY SEWER IMPROVEMENTS ARE LOCATED WITHIN AN EASEMENT, THE AS-BUILT DRAWING SHALL ACCURATELY DEPICT THE LOCATION OF THE EASEMENT ITSELF AS WELL AS THE EXACT LOCATION OF THE IMPROVEMENTS WITHIN THE EASEMENT. THIS IS REQUIRED IN ORDER TO VERIFY THAT THE IMPROVEMENTS HAVE BEEN PROPERLY LOCATED AND TO ENSURE THAT FUTURE SUBSURFACE EXCAVATION TO PERFORM REMEDIAL REPAIR CAN BE ACCOMPLISHED WITHOUT DISTURBANCE BEYOND THE EASEMENT.
22. REFERENCES TO WATER SHALL MEAN BOTH POTABLE AND RECLAIMED WATER.

2.01

SECTION 2- POTABLE WATER DISTRIBUTION SYSTEM

THIS SECTION INCLUDES THE MATERIAL STANDARDS FOR PIPE, FITTINGS, VALVES AND APPURTENANCES, APPLICABLE TO POTABLE WATER DISTRIBUTION SYSTEM INSTALLATIONS. REQUIRED SPECIALTY ITEMS NOT INCLUDED UNDER THIS SECTION SHALL BE HIGH QUALITY AND CONSISTENT WITH APPROVED INDUSTRY STANDARDS.

PIPE AND FITTINGS:
ALL PIPE AND FITTINGS SHALL BE CLEARLY MARKED WITH THE NAME OR TRADEMARK OF THE MANUFACTURER, THE BATCH NUMBER, THE LOCATION OF THE PLANT AND STRENGTH DESIGNATION, AS APPLICABLE. ALL POTABLE WATER PIPES AND ABOVE GROUND CROSS CONNECTION CONTROL DEVICES SHALL BE ADEQUATELY IDENTIFIED BY THE COLOR BLUE.

CONTRACTOR SHALL FOLLOW MANUFACTURER REQUIREMENTS FOR PIPE JOINT INSERTION. IF THE UTILITIES COMMISSION INSPECTS AND SEES THAT A PIPE JOINT IS OVER INSERTED, CONTRACTOR WILL BE REQUIRED TO REMOVE AND RE-INSTALL.

A. DUCTILE IRON:

DUCTILE IRON (DL) PIPE SHALL BE IN ACCORDANCE WITH AWWA C150 AND C151. DL PIPE FITTINGS SHALL CONFORM TO AWWA STANDARD C110. DL PIPE SHALL BE INSTALLED IN ACCORDANCE WITH AWWA C600. DUCTILE IRON PIPE AND FITTINGS FOR SHALL BE CEMENT-MORTAR LINED AS SPECIFIED IN AWWA STANDARD C104. POLYETHYLENE ENCASEMENT IS REQUIRED AND SHALL COMPLY WITH THE APPLICABLE PROVISIONS OF AWWA STANDARD C105.

B. POLYVINYL CHLORIDE:

POLYVINYL CHLORIDE (PVC) PIPE SHALL BE MANUFACTURED FROM CLEAN VIRGIN TYPE I, GRADE I RIGID UN-PLASTICIZED POLYVINYL CHLORIDE RESIN CONFORMING TO ASTM DESIGNATION D1784. PVC PIPE FOR POTABLE WATER USE SHALL HAVE THE NATIONAL SANITATION FOUNDATION (NSF) SEAL AND SHALL CONFORM TO AWWA STANDARD C900 FOR 4-INCH THROUGH 12-INCH MAINS AND AWWA STANDARD C905 FOR 14-INCH AND LARGER MAINS. PVC PIPE FOR POTABLE WATER MAINS SHALL HAVE A MINIMUM DIMENSION RATIO (DR) 18.

PVC PIPE LENGTHS SHALL BE 20 FEET WITH BELL AND SPIGOT ENDS OR MECHANICAL JOINT ONLY. LUBRICATION USED FOR PIPE AND FITTING JOINTS SHALL BE NON-TOXIC AND NSF APPROVED. PVC PIPE SHALL BE INSTALLED IN ACCORDANCE TO AWWA C605.

LEGAL DESCRIPTION:

A PART OF SECTIONS 5, 8, AND 17, TOWNSHIP 17 SOUTH, RANGE 33 EAST, VOLUSIA COUNTY, FLORIDA, BEING DESCRIBED AS FOLLOWS:

BEGIN AT THE NORTHWEST CORNER OF SAID SECTION 8; THENCE RUN N00°06'47"E, ALONG THE WEST LINE OF SAID SECTION 5, A DISTANCE OF 184.36 FEET TO A POINT ON THE SOUTHERLY RIGHT OF WAY LINE OF PIONEER TRAIL, HAVING A VARIABLE WIDTH RIGHT-OF-WAY; THENCE S79°29'49"E, ALONG SAID RIGHT OF WAY LINE, A DISTANCE OF 1296.54 FEET; THENCE CONTINUE ALONG SAID RIGHT-OF-WAY LINE, S79°05'39"E, A DISTANCE OF 1439.05 FEET TO A POINT ON THE WEST LINE OF THE LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, OF THE PUBLIC RECORDS OF VOLUSIA COUNTY, FLORIDA; THENCE DEPARTING SAID RIGHT-OF-WAY LINE, RUN S06°54'58"W, ALONG SAID WEST LINE OF LANDS DESCRIBED IN OFFICIAL RECORDS BOOK 6184, PAGE 784, A DISTANCE OF 32.08 FEET TO A POINT ON A LINE LYING 32.00 FEET SOUTHERLY OF AND PARALLEL WITH AFORESAID SOUTHERLY RIGHT-OF-WAY LINE OF PIONEER TRAIL; THENCE N79°05'39"W, ALONG SAID PARALLEL LINE, A DISTANCE OF 1134.96 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE SOUTHEASTERLY, HAVING A RADIUS OF 40.00 FEET, A CENTRAL ANGLE OF 90°00'43", A CHORD BEARING OF S55°54'00"W AND A CHORD DISTANCE OF 145.98 FEET; THENCE SOUTHWESTERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 62.84 FEET TO THE POINT OF TANGENCY; THENCE S10°53'38"W, A DISTANCE OF 145.98 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE EASTERLY, HAVING A RADIUS OF 2950.00 FEET, A CENTRAL ANGLE OF 04°27'33", A CHORD BEARING OF S08°39'52"W AND A CHORD DISTANCE OF 229.53 FEET; THENCE SOUTHERLY ALONG THE ARC OF SAID CURVE, A DISTANCE OF 229.59 FEET TO THE POINT OF TANGENCY; THENCE S06°26'06"W, A DISTANCE OF 629.04 FEET; THENCE S10°53'38"W, A DISTANCE OF 281.51 FEET TO THE POINT OF CURVATURE OF A CURVE CONCAVE NORTHEASTERLY, HAVING A RADIUS OF 25.00 FEET, A CENTRAL ANGLE OF 90°00'00", A CHORD BEARING OF S34°06'22"E AND A CHORD DISTANCE OF 35.36 FEET; GENERAL NOTES

1. A Soil Tracking Prevention Device (STPD) shall be constructed at locations designated by the engineer for points of egress from unstabilized areas of the project to public roads where off-site tracking of mud could occur. Traffic from unstabilized areas of the construction project shall be directed thru a STPD. Barriers, flagging, or other positive means shall be used as required to limit and direct vehicular egress across the STPD.
2. The Contractor may propose an alternative technique to minimize off-site tracking of sediment. The alternative must be reviewed and approved by the Engineer prior to its use.
3. All materials spilled, dropped, or tracked onto public roads (including the STPD aggregate and construction mud) shall be removed daily, or more frequently if so directed by the Engineer.
4. Aggregates shall be as described in Section 901 excluding 901-2.3. Aggregates shall be FDOT size #1. If this size is not available, the next available smaller size aggregate may be substituted with the approval of the Engineer. Sizes containing excessive small aggregate will track off the project and are unsuitable.
5. The sediment pit should provide a retention volume of 3600 cubic feet/acre of surface area draining to the pit. When the STPD is isolated from other drainage areas, the following pit volumes will satisfy this requirement:
   15' x 50'=100 ft.^{3} 30' x 50'=200 ft.^{3}
   As an option to the sediment pit, the width of the swale bottom can be increased to obtain the volume. When the sediment pit or swale volume has been reduced to one half, it shall be cleaned. When a swale is used, synthetic bales or silt fence shall be placed along the entire length.
6. The swale ditch draining the STPD shall have a 0.02% minimum and a 1.0% maximum grade along the STPD and to the sediment pit.
7. Mitered end sections are not required when the sidedrain pipe satisfies the clear zone requirements.
8. The STPD shall be maintained in a condition that will allow it to perform its function. To prevent off-site tracking, the STPD shall be rinsed (daily when in use) to move accumulated mud downward thru the stone. Additional stabilization of the vehicular route leading to the STPD may be required to limit the mud tracked.
9. A STPD shall be paid for under the contract unit price for Soil Tracking Prevention Device, EA. The unit price shall constitute full compensation for construction, maintenance, replacement of materials, removal, and restoration of the area utilized for the STPD; including but not limited to excavation, grading, temporary pipe (including MES when required), filter fabric, aggregate, paved turnout (including asphalt and base construction), ditch stabilization, approach route stabilization, sediment removal and disposal, water, rinsing and cleaning of the STPD and cleaning of public roads, grassing and sod. Synthetic Bale or Bale Type Barrier shall be paid for under the contract unit price for Synthetic Bales, LF. Silt fence shall be paid for under the contract unit price for Staked Silt Fence, LF.
10. The nominal size of a standard STPD is 15' x 50' unless otherwise shown in the plans. If the volume of entering and existing vehicles warrant, a 30' width STPD may be used if approved by the Engineer. When a double width (30') STPD is used, the pay quantity shall be 2 for each location.

SILT FENCE BARRIER INSTALLATION

BELTED SILT RETENTION FENCE (BSRF)

Priority 1 - Green Band

NOTES:

1. EROSION AND SEDIMENT CONTROL MEASURES SHALL BE INSTALLED AND MAINTAINED IN ACCORDANCE WITH THE STATE OF FLORIDA EROSION AND SEDIMENT CONTROL DESIGNER AND REVIEWER MANUAL, JULY 2013 UPDATE.
2. CONTRACTOR SHALL PROVIDE AND MAINTAIN SITE SPECIFIC EROSION PREVENTION AND SEDIMENT CONTROL (EPSC) MEASURES TO TREAT ALL STORMWATER DISCHARGES DURING CONSTRUCTION. DEPENDING UPON FLOW VELOCITIES AND VOLUME, ADDITIONAL MEASURES MAY BE REQUIRED.
3. CONTRACTOR SHALL ROUGH GRADE STORMWATER SWALES AND RETENTION AREAS IN COMPLIANCE WITH BEST MANAGEMENT PRACTICES PRIOR TO CONSTRUCTION OF SITE IMPROVEMENTS.
4. CONTRACTOR SHALL MEET ALL PERMIT CONDITIONS AS ESTABLISHED BY THE CITY OF DAYTONA BEACH AND ALL OTHER APPLICABLE AGENCIES, INCLUDING BUT NOT LIMITED TO COUNTY, FDOT, STATE, FEDERAL, AND THE SJRWMD.

NTS

NOTES:

1. MORTAR TO CONTAIN "HYDRATITE", OR APPROVED EQUAL, TO PREVENT SHRINKAGE.
2. SUB-GRADE BENEATH MANHOLES SHALL BE FIRM UNDISTURBED GRANULAR UNSATURATED SOIL. No. 57 AGGREGATE STONE SHALL BE USED IN WET CONDITIONS AND/OR WHERE UNSUITABLE MATERIAL IS ENCOUNTERED.
3. UNLESS DETAILED PLANS SHOW OTHERWISE, ALL MANHOLE RING AND COVER CASTINGS IN PAVED AREAS ARE TO BE ADJUSTED TO FINAL GRADE, SEALED AND SECURED IN PLACE WITH A CONCRETE COLLAR AFTER THE ROAD BASE IS PLACED AND JUST PRIOR TO PLACEMENT OF ASHPALT WEARING SURFACE.
4. CONTRACTOR SHALL PROVIDE THICKER MANHOLE WALLS AND BASES AS REQUIRED TO PREVENT FLOTATION BASED ON HISTORIC HIGH GROUND WATER TABLE ELEVATIONS AS DETERMINED USING ACCEPTED ENGINEERING PRACTICES AND/OR APPROVED BY THE UTILITIES DEPARTMENT.
5. CONCRETE COLLAR AROUND MANHOLE FRAME IS REQUIRED IN PAVED AREAS ONLY.
6. SHOP DRAWINGS FOR ALL STRUCTURES SHALL BE SUBMITTED TO AND APPROVED BY THE DESIGN ENGINEER PRIOR TO INSTALLATION.
7. NO BUG HOLES OR HONEYCOMB WILL BE ACCEPTED.
8. ENDS OF SECTION SHALL FIT FLUSH TOGETHER
9. MANHOLES SHALL BE CLEARED OF ALL DEBRIS PRIOR TO CITY ACCEPTANCE AND SYSTEM USE.

DIMENSIONS SHOWN ARE MINIMUM. FDOT STANDARD PLANS SHALL APPLY

CONCRETE STORM INLET AND APRON DETAIL
NTS

NOTES:

1. SIDEWALKS, BIKE PATHS, RAMPS AND DRIVEWAY APRONS SHALL BE CONSTRUCTED OF PLAIN PORTLAND CEMENT CONCRETE WITH A MAXIMUM SLUMP OF 3", A MINIMUM DEVELOPED COMPRESSIVE STRENGTH OF 3400 P.S.I. IN 28 DAYS AND A MINIMUM UNIFORM THICKNESS OF 6".
2. SIDEWALKS AND BIKE PATHS SHALL BE PLACED PARALLEL TO, AND ONE FOOT WITHIN THE RIGHT-OF-WAY LINE EXCEPT THAT THE CITY MAY APPROVE DEVIATIONS TO SAVE SPECIMEN TREES PROVIDED THAT THE SIDEWALK REMAINS WITHIN THE RIGHT-OF-WAY OR AN APPROVED SIDEWALK EASEMENT ABUTTING THE RIGHT OF WAY. SIDEWALKS AND BIKE PATHS SHOULD BE LOCATED A MINIMUM OF 4'-0" FROM THE EDGE OF THE STREET PAVEMENT UNLESS OTHERWISE APPROVED BY THE CITY.
3. ALL CURB CUTS AND HANDICAP RAMPS SHALL BE ADA COMPLIANT AND TO BE CONSTRUCTED IN ACCORDANCE WITH FDOT DESIGN STANDARDS AND FLORIDA BUILDING CODE ACCESSIBILITY, LATEST EDITIONS.
4. ABANDONED AND/OR UN-PERMITTED CURB CUTS: ANY ABANDONED AND/OR UN-PERMITTED CURB CUTS AND ACCESS POINTS SHALL BE REMOVED AND REPLACED WITH STANDARD CURBING AND REGRADING WITH SOD AS REQUIRED.
5. THE TOP OF THE CONCRETE SHALL BE AT AN ELEVATION NO LOWER THAN THE CROWN OF THE ADJACENT ROADWAY, AND NO HIGHER THAN 6" ABOVE THE CROWN UNLESS APPROVED BY THE CITY TO MAKE A MORE NATURAL TRANSITION WITH THE ADJACENT LAND.
6. EXPANSION AND ISOLATION JOINTS (TYPE A JOINTS) SHALL BE PROVIDED BETWEEN EXISTING SLABS OR STRUCTURES AND FRESH CONCRETE, TO SEPARATE PEDESTRIAN SECTIONS FROM SECTIONS WHICH WILL ENCOUNTER VEHICLE TRAFFIC, TO SEPARATE FRESH PLACEMENT OF CONCRETE WHICH HAS SET FOR MORE THAN 60 MINUTES, AND NO FARTHER APART THAN ONE HUNDRED FEET (100') IN SIDEWALKS AND THIRTY FEET (30') IN BIKE PATHS.
7. PREFORMED ½" EXPANSION JOINT MATERIAL SHALL BE AS SPECIFIED IN FDOT STANDARDS AND SPECIFICATIONS, LATEST EDITION, AND SHALL BE SYNTHETIC, RECYCLED RUBBER OR OTHER PRE-APPROVED NON-BIODEGRADABLE ELASTOMERIC MATERIAL. WOOD AND DECCA-DRAIN STYLE POOL DRAINS ARE STRICTLY PROHIBITED IN ACCORDANCE WITH CHAPTER 81.2 OF THE FDOT SOILS AND FOUNDATIONS HANDBOOK, LATEST EDITION.
8. CONTROL JOINTS (TYPE B JOINTS) SHALL BE TOOLED INTO THE FRESH CONCRETE OR SAW CUT INTO CURED CONCRETE TO A DEPTH EQUAL TO 25% THE SLAB THICKNESS AND SPACED APART A DISTANCE EQUAL TO THE WIDTH OF THE SLAB OR 5' WHICHEVER IS LESS.
9. THE SLAB SURFACE SHALL BE BROOM FINISHED TO BE SLIP RESISTANT, AND SHALL MATCH AS CLOSELY AS POSSIBLE THE FINISH OF EXISTING ADJACENT SLABS AND ALL EDGES SHALL BE TOOLED TO ELIMINATE SHARP CORNERS.
10. THE BEARING SUBSURFACE SHALL HAVE ALL ORGANIC, LOOSE, AND DELETERIOUS MATTER REMOVED, AND THE REMAINING CLEAN SOIL SHALL BE SMOOTH, SOUND, AND SOLID. ANY FILL MATERIAL SHALL BE COMPACTED WITH A VIBRATORY OR IMPACT COMPACTION MACHINE IN MAXIMUM 12" LIFTS OR COMPACTED WITH A HAND TAMPER IN MAXIMUM 4" LIFTS THE CITY SHALL REQUIRE A COMPACTION TEST FOR EACH LIFT IF THE TOTAL FILLED SECTION IS MORE THAN 12" DEEP OR IF THE SUBSURFACE HAS BEEN DISTURBED MORE THAN 12" DEEP. WHERE SUCH TEST IS REQUIRED, THE SIDEWALK BASE SHALL BE COMPACTED AND TESTED TO 95% WITH MINIMUM L.B.R. BASED ON AASHTO T-180 MODIFIED PROCTOR TEST. MOISTURE SHALL BE APPLIED TO DRY FILL MATERIAL TO ACHIEVE DENSITY REQUIREMENTS.
11. ALL CONCRETE WORK IN THE RIGHT-OF-WAY SHALL BE INSPECTED BY THE CITY AFTER THE SUBSOIL IS PREPARED AND THE FORMS ARE SET, BUT BEFORE THE CONCRETE PLACEMENT BEGINS.
12. THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROTECTING THE FINISHED SLAB FROM ALL DAMAGE AND VANDALISM UNTIL THE CITY ACCEPTS OR APPROVES THE SLAB, AFTER WHICH TIME THE OWNER OF THE ABUTTING LAND SHALL BE RESPONSIBLE FOR THE SLAB IN ACCORDANCE WITH THE CITY CODE. ANY SLAB SECTION DAMAGED OR VANDALIZED PRIOR TO ACCEPTANCE OR APPROVAL SHALL BE CUT OUT BETWEEN JOINTS AND REPLACED AT NO ADDITIONAL COST TO THE OWNER. REPAIRS ARE NOT ACCEPTABLE.
13. ALL FORMS SHALL BE REMOVED PRIOR TO ACCEPTANCE OR APPROVAL AND THE DISTURBED GROUND SHALL BE BACKFILLED, RE-GRADED, AND SODDED SO THAT THE WEAR SURFACE OF THE CONCRETE IS REASONABLY FLUSH WITH THE ADJACENT GRADE.
14. DETECTABLE WARNING DEVICES SHALL EXTEND THE FULL WIDTH OF THE SIDEWALK AND TO A DEPTH OF 2' min.
15. SEE FDOT STANDARD PLANS FOR ROAD CONSTRUCTION INDEX 522-002, LATEST EDITION, FOR REFERENCE.

* APPLICABLE TO BARE OR DUCTILE IRON PIPE
** APPLICABLE TO PVC OR POLYWRAPPED PIPE
*** APPLICABLE TO DUCTILE IRON, FOR PVC USE UNIFLANGE
**** NOTE: IN-LINE VALVES, TEES (BRANCH), AND DEAD ENDS SHALL BE RESTRAINED SAME AS A 90° BEND

NOTES:
1. RESTRAINED JOINTS ARE REQUIRED FOR PIPE AND FITTINGS LARGER THAN 12". RESTRAINED JOINTS MAY BE USED FOR PIPE AND FITTINGS EQUAL TO AND SMALLER THAN 12" AT THE CONTRACTORS OPTION AND FOR NO ADDITIONAL COMPENSATION.
2. WHERE TWO OR MORE FITTINGS ARE TOGETHER, USE FITTING WHICH YIELDS GREATEST LENGTH OF RESTRAINED PIPE.
3. IN-LINE VALVES AND THROUGH RUN OF TEES OUTSIDE LIMITS OF RESTRAINED JOINTS FROM OTHER FITTINGS NEED NOT BE RESTRAINED UNLESS OTHERWISE INDICATED.
4. LENGTHS SHOWN IN THE TABLE HAVE BEEN CALCULATED IN ACCORDANCE WITH THE PROCEDURE OUTLINED IN "THRUST RESTRAINT DESIGN FOR DUCTILE IRON PIPE" 2ND ED., 1989 AS PUBLISHED BY DIPRA, WITH THE FOLLOWING ASSUMPTIONS.
   WORKING PRESSURE 150 P.S.I.
   SOIL DESIGNATION SAND–SILT
   LAYING CONDITION TYPE 4
   MINIMUM DEPTH 2.5 FEET
   IF CONDITIONS ARE ENCOUNTERED WHICH DIFFER FROM THE ABOVE, THE CONTRACTOR MUST SUBMIT THRUST RESTRAINT CALCULATIONS TO THE ENGINEER FOR APPROVAL.
5. INSTALL FULL LENGTH JOINTS WITH TOTAL LENGTH EQUAL TO GREATER THAN SHOWN IN THE TABLE.
6. ALL TIE-RODS SHALL BE AISI 304 SS MATERIAL, INCLUDING WASHERS, NUTS AND BRACKETS.

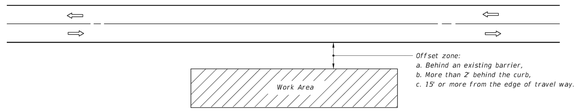
G:\18169 - SHELL POINT CONVENTIONAL ENGINEERING PLANS\CADWORKS\67-76_18169-DET.DWG — PRINTED 9/4/2024 12:09 PM



GENERAL NOTES

1. If the work operation (excluding establishing and terminating the work area) requires that two or more work vehicles cross the offset zone in any one hour, traffic control will be in conformance with Index 102-602.
2. No special signing is required.
3. When a side road intersects the highway within the work area, additional TTC devices shall be placed in accordance with other applicable TCZ Indexes.
4. When construction activities encroach on a sidewalk refer to Index 102-660.
5. For general TCZ requirements and additional information, refer to Index 102-600.

SYMBOLS

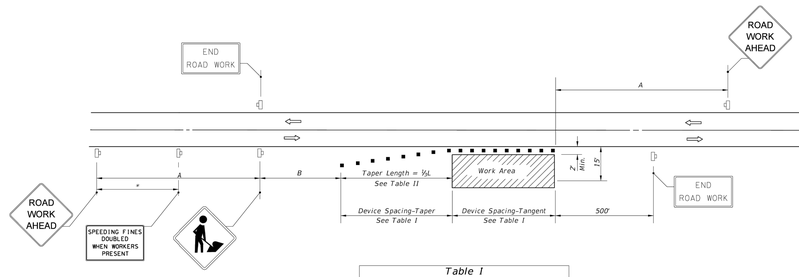
Work Area

Lane Identification + Direction of Traffic

CONDITIONS

WHERE ANY VEHICLE, EQUIPMENT, WORKERS AND THEIR ACTIVITIES ARE BEHIND AN EXISTING BARRIER MORE THAN 2' BEHIND THE CURB, OR 15' OR MORE FROM THE EDGE OF TRAVEL WAY.

LAST REVISION	DESCRIPTION:	FDOT FY 2020-21 STANDARD PLANS	TWO-LANE, TWO-WAY, WORK OUTSIDE SHOULDER	INDEX	SHEET
11/01/17				102-601	1 of 1



DISTANCE BETWEEN SIGNS

Speed	Spacing (ft.)	
	A	B
40 mph or less	200	200
45 mph	350	350
50 mph or greater	500	500

*Midway between signs.

Table I
Device Spacing

Speed (mph)	Max. Distance Between Devices (ft.)			
	Cones or Tubular Markers		Type 1 or Type II Barricades or Vertical Panels or Drums	
	Taper	Tangent	Taper	Tangent

70	187	233	280	

8' minimum shoulder width

½L = Length of shoulder taper in feet

W = Width of total shoulder in feet (combined paved and unpaved width)

S = Posted speed limit (mph)

SYMBOLS

Work Area

Channelizing Device (See Index 102-600)

Work Zone Sign

Lane Identification + Direction of Traffic

GENERAL NOTES

1. When four or more work vehicles enter the through traffic lanes in a one hour period or less (excluding establishing and terminating the work area), the advanced FLAGGER sign shall be substituted for the WORKERS sign. For location of Flaggers and FLAGGER signs, see Index 102-603.
2. SHOULDER WORK sign may be used as an alternate to the WORKER symbol sign only on the side where the shoulder work is being performed.
3. When a side road intersects the highway within the TTC zone, additional TTC devices shall be placed in accordance with other applicable TCZ Indexes.
4. For general TCZ requirements and additional information, refer to Index 102-600.

DURATION NOTES

1. Signs and channelizing devices may be omitted if all of the following conditions are met:
   a. Work operations are 60 minutes or less.
   b. Vehicles in the work area have high-intensity, rotating, flashing, oscillating, or strobe lights operating.

CONDITIONS

WHERE ANY VEHICLE, EQUIPMENT, WORKERS OR THEIR ACTIVITIES ENCROACH THE AREA CLOSER THAN 15' BUT NOT CLOSER THAN 2' TO THE EDGE OF TRAVEL WAY.

LAST REVISION	DESCRIPTION:	FDOT FY 2020-21 STANDARD PLANS	TWO-LANE, TWO-WAY, WORK ON SHOULDER	INDEX	SHEET
11/01/17				102-602	1 of 1

SYMBOLS:

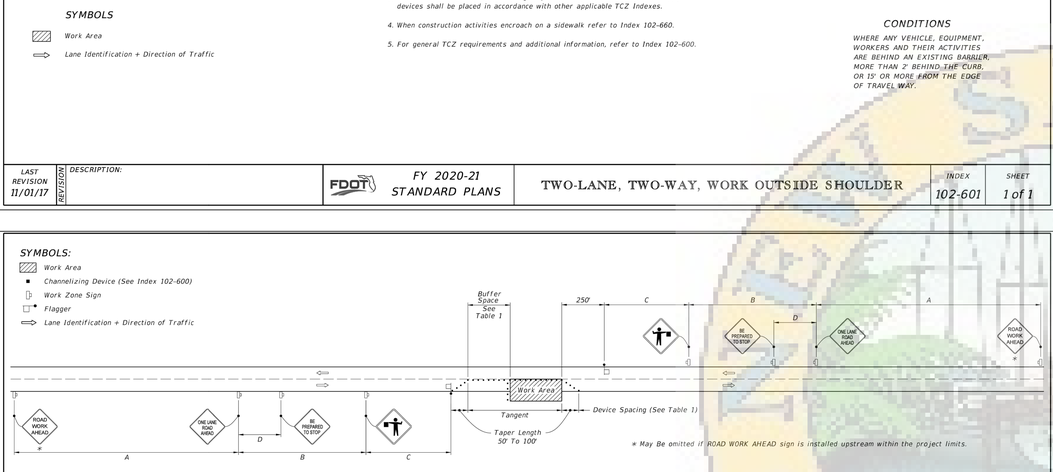
Work Area

Channelizing Device (See Index 102-600)

Work Zone Sign

Flagger

Lane Identification + Direction of Traffic



WITHOUT TEMPORARY RAISED RUMBLE STRIPS

GENERAL NOTES:

1. Special Conditions may be required in accordance with these notes and the following sheets:
   A. Railroad Crossings:
      a. If an active railroad crossing is located closer to the Work Area than the queue length plus 300 feet, extend the Buffer Space as shown on Sheet 3.
      b. If the queuing of vehicles across an active railroad crossing cannot be avoided, provide a uniformed traffic control officer or flagger at the highway-rail grade crossing to prevent vehicles from stopping within the highway-rail grade crossing, even if automatic train warning devices are in place.
   B. If the Work Area encroaches on the Centerline, use the Layout for Temporary Lane Shift to Shoulder on Sheet 3 only if the Existing Paved Shoulder width is sufficient to provide for an 11' lane between the Work Area and the Edge of Existing Paved Shoulder. Reduce the posted speed when appropriate.
2. Temporary Raised Rumble Strips:
   A. Use when both of the following conditions are met concurrently:
      a. Existing Posted Speed is 55 mph or greater;
      b. Work duration is greater than 60 minutes.
   B. Use a consistent Strip color throughout the work zone.
   C. Place each Rumble Strip Set transversely across the lane at locations shown.
   D. Use Option 1 or Option 2 as shown on Sheet 2. Use only one option throughout work zone.
3. Additional one-way control may be provided by the following means:
   A. Flag-carrying vehicle;
   B. Official vehicle;
   C. Pilot vehicles;
   D. Traffic signals.

   When flaggers are the sole means of one-way control, the flaggers must be in sight of each other or in direct communication at all times.
4. When a side road intersects the highway within the TTC zone, place additional TTC devices in accordance with other applicable TCZ Indexes.
5. The two channelizing devices directly in front of the work area may be omitted provided vehicles in the work area have high-intensity rotating, flashing, oscillating, or strobe lights operating.
6. When Buffer Space cannot be attained due to geometric constraints, use the greatest attainable length, not less than 200 ft, for posted speeds greater than 25 mph.
7. ROAD WORK AHEAD and the BE PREPARED TO STOP signs may be omitted if all of the following conditions are met:
   A. Work operations are 60 minutes or less.
   B. Speed limit is 45 mph or less.
   C. There are no sight obstructions to vehicles approaching the work area for a distance equal to the Buffer Space shown in Table 1.
   D. Vehicles in the work area have high-intensity, rotating, flashing, oscillating, or strobe lights operating.
   E. Volume and complexity of the roadway has been considered.
   F. If a railroad crossing is present, vehicles will not queue across rail tracks.
   G. AFADs are not in use.
8. See Index 102-600 for general TCZ requirements and additional information.
9. Automated Flagger Assistance Devices (AFADs) may be used in accordance with Specifications Section 102, 990 and the APL vendor drawings.

TABLE 1
DEVICE SPACING

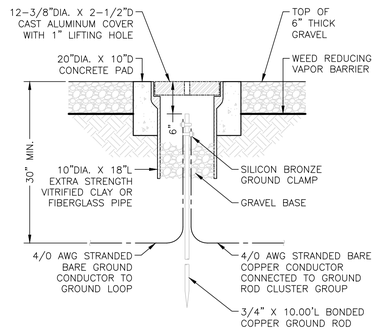
SECTION A–A

LIFT STATION NOTES:

1. LIFT STATION SITE SHALL BE A MINIMUM OF 40' X 40' IN SIZE, EXCLUSIVE OF OTHER EASEMENT(S).
2. VARIATIONS TO STANDARD SITE PLAN MUST BE APPROVED BY THE UCNSB ENGINEERING DEPARTMENT.
3. ALL AREAS INSIDE OF FENCE SHALL BE COVERED WITH 6" DEEP FDOT #57 STONE OVER 6–MIL WEED REDUCING VAPOR BARRIER.
4. ELEVATION OF EASEMENT AREA SHALL BE SET TO PROVIDE POSITIVE DRAINAGE AWAY FROM LIFT STATION.
5. DRIVEWAY: 6" THICK, 3,000 PSI CONCRETE WITH REINFORCED WIRE MESH OF FIBER; DRIVEWAY APRON PER APPLICABLE STATE OR LOCAL CODES.
6. POTABLE WATER SERVICE WITH METER, BACKFLOW PREVENTION DEVICE AND HOSE BIB IS REQUIRED. HOSE BIB SHALL BE POSTED 36" ABOVE GRADE AND THREADED FOR HOSE ATTACHMENT.
7. ONLY ONE INVERT PER WETWELL.
8. A CLARK SONIC ULTRASONIC FLOW METER, WHEN REQUIRED BY THE FDEP, SHALL BE INSTALLED WITHIN A 3 FT. X 3 FT. (INSIDE) STRUCTURE CONFORMING WITH ASTM C913.
9. LIFT STATIONS INTENDED TO SERVE MORE THAN 500 ERU'S SHALL HAVE PROVISIONS FOR A PERMANENT BACK–UP GENERATOR OR OTHER POWER SOURCE AND A FULLY AUTOMATIC OPERATING TRANSFER SWITCH TO SUPPLY A MINIMUM OF 24 HOURS NORMAL OPERATION IN THE EVENT OF A POWER OUTAGE. ADDITIONAL EASEMENT IS REQUIRED FOR AN EXTERNAL FUEL TANK.
10. ALL STRUCTURE OPENINGS BELOW GRADE SHALL BE SEALED WITH NON–SHRINK STRUCTURAL MORTAR, EMACO® S88 CI OR EQUAL.
11. ENGINEERS SHALL INCLUDE A DETAILED SITE PLAN FOR PROPOSED LIFT STATIONS AT A SCALE OF 1" = 10'. AT A MINIMUM, SITE PLANS SHALL INCLUDE:
    11.1. PROFILE OF GRAVITY PIPE.
    11.2. COMPLETE LIFT STATION GRADING PLAN.
    11.3. LOCATION OF ALL APPURTENANCES.
12. ELECTRICAL SERVICE SHALL BE FURNISHED AND INSTALLED PER UCNSB REQUIREMENTS.
13. ELECTRIC SERVICE METER AND ANTENNA SHALL BE LOCATED TO FIT FIELD CONDITIONS WITH THE UCNSB'S APPROVAL.
14. CONTRACTOR SHALL FURNISH AND INSTALL:
    14.1. ONE (1) PUMP CONTROL PANEL WITH THE FOLLOWING EQUIPMENT:
        14.1.1 ONE (1) TCU MODULE PROVIDED BY DATA FLOW SYSTEMS (DFS).
        14.1.2 CIRCUIT BREAKERS.
        14.1.3 DISCONNECT SWITCHES.
        14.1.4 OTHER MISCELLANEOUS ELECTRICAL EQUIPMENT AS INDICATED ON THE RISER DIAGRAMS AND ELECTRICAL CONTROL SCHEMATIC.
    14.2. MINIMUM: TWO (2) FULL VOLTAGE, NON–REVERSING, MOTOR STARTERS. STARTERS SHALL HAVE SOFT START CAPABILITIES; PUMPS SHALL BE DESIGNED FOR SOFT STARTERS AND SHALL BE THREE–PHASE UNLESS OTHERWISE APPROVED BY THE UCNSB ENGINEERING DEPARTMENT.
15. ALL PIPE IN THE WET WELL AND VALVE VAULT SHALL BE DUCTILE IRON PIPE.

LIFT STATION WET WELLS ARE CLASSIFIED AS A CLASS 1 DIVISION 1 HAZARDOUS LOCATION

SEAL–OFF CONNECTIONS AND CONDUIT CONSTRUCTION FOR ALL CONDUITS PENETRATING INTO THE WET WELL SHALL COMPLY WITH, AND BE INSTALLED PER, NEC ARTICLE 501



NOTE:
REFER TO PROJECT SPECIFICATION FOR MINIMUM SYSTEM RESISTANCE TO GROUND. IF THIS RESISTANCE CANNOT BE MET WITH SINGLE 10.00' RODS, ADD ADDITIONAL SECTIONS TO RODS OR ADD NEW RODS AS REQUIRED, SPACED AT 6.00' TO 10.00' OC.

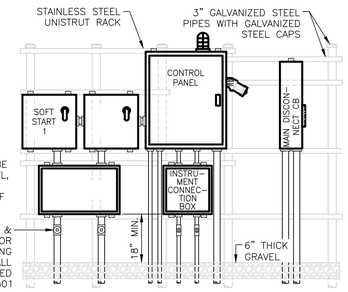
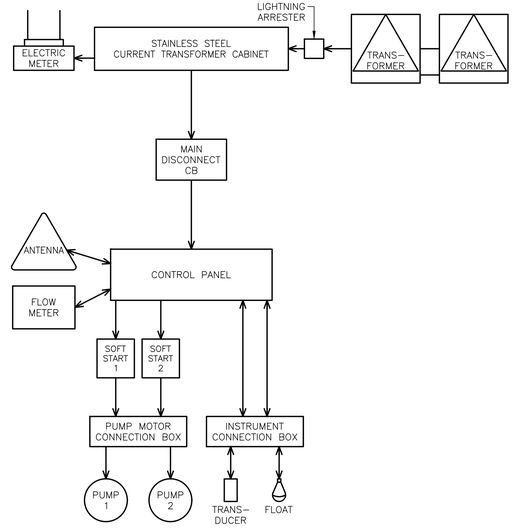
NOTES:
1. ALL MOUNTING HARDWARE SHALL BE TYPE 316 STAINLESS STEEL.
2. ALL ENCLOSURES SHALL BE TYPE 316 STAINLESS STEEL, NEMA 4X RATED, WITH GASKETED WEATHER-PROOF DOORS.

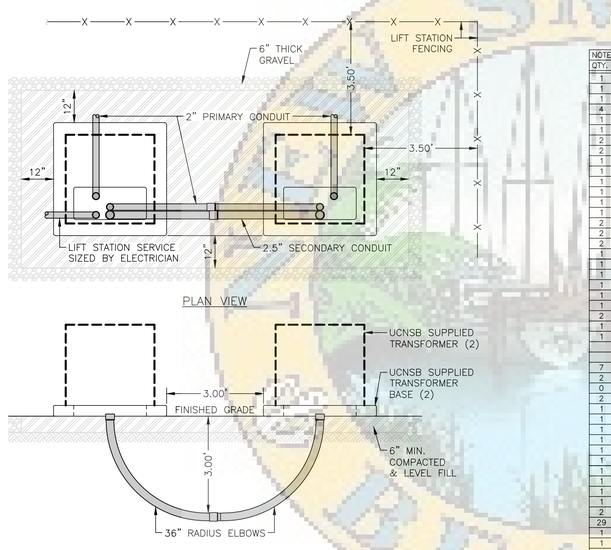
SEAL-OFF CONNECTIONS & CONDUIT CONSTRUCTION FOR ALL CONDUITS PENETRATING INTO THE WET WELL SHALL COMPLY WITH, & BE INSTALLED PER, NEC ARTICLE 501



EQUIPMENT RACK ELEVATION (WET WELL SIDE)
NTS UCNSB 6/15



CONTROL RISER SINGLE LINE DIAGRAM
NTS UCNSB 6/15



NOTES:
1. TRANSFORMER FOUNDATION TO BE PLACED ON A 6" MINIMUM COMPACTED AND LEVEL LAYER.
2. THE GROUND SHALL BE LEVELED AND THOROUGHLY COMPACTED BEFORE PAD IS INSTALLED.
3. ALL CONDUITS ARE TO BE STUBBED UP IN THE MIDDLE AT THE FORWARD MOST PORTION OF THE ACCESS PORT.
4. ALL SERVICE ELBOWS MUST BE STUBBED OUT PRIOR TO SETTING THE TRANSFORMER.
5. IF THE CUSTOMER PLANS TO RUN A NUMBER OF CONDUCTORS BEYOND THE MAXIMUM ALLOWED, A JUNCTION BOX MAY BE REQUIRED FOR TERMINATION OF CUSTOMER'S CONDUCTORS.
6. FILLED SERVICE CONDUITS SHALL BE TO THE REAR OF THE PAD WITH SPARE SERVICE CONDUITS TO THE FRONT.
7. CONTACT THE UCNSB REPRESENTATIVE FOR DETERMINATION OF NEED FOR TRAFFIC BARRIERS. EXACT ORIENTATION OF THE TRANSFORMER IN THE FIELD MUST BE APPROVED BY THE UCNSB.
8. IN AREAS WHERE TRANSFORMERS ARE TO BE ELEVATED ABOVE FINISHED GRADE, THE UCNSB ENGINEERING DEPARTMENT MUST BE CONTACTED TO COMPLY WITH SPECIAL RULES.
9. EIGHT (8) SERVICES MAXIMUM IN TRANSFORMER.
10. CONDUCTORS TO BE MARKED WITHIN 12" OF CONDUIT WITH PHYSICAL ADDRESS AND COLORED TAPE.

LIFT STATION SINGLE-PHASE PAD MOUNTED TRANSFORMERS SETTING

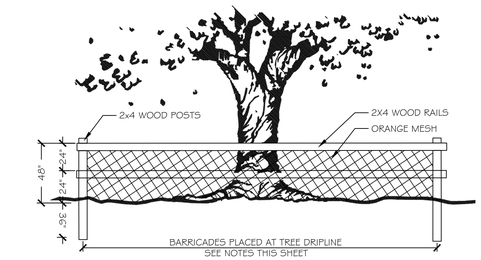
HISTORIC TREE REQUIREMENTS

TOTAL HISTORIC TREES ON SITE	4
HISTORIC TREES PRESERVED	4



1. PROTECT DESIGNATED EXISTING TREES SCHEDULED TO REMAIN AGAINST:
   - -UNNECESSARY CUTTING, BREAKING, OR SKINNING OF ROOTS
   - -SKINNING AND BRUISING OF BARK
   - -SMOTHERING OF TREES BY STOCKPILING CONSTRUCTION OR EXCAVATION MATERIALS WITHIN DRIP LINE
   - -FOOT OR VEHICULAR TRAFFIC
   - -PARKING VEHICLES WITHIN DRIP-LINE
2. ERECT TEMPORARY WOODEN BARRICADES AS SHOWN ON THIS SHEET. BEFORE COMMENCEMENT OF ANY SITE CLEARING OR GRADING. FENCE TO BE 4' HIGH MINIMUM WITH 2X4 POSTS AND 2-2X4 RAILS AT 2' AND 4' ABOVE GRADE AND SHALL BE SET DEEP ENOUGH IN THE GROUND TO BE STABLE WITHOUT ADDITIONAL SUPPORT. ALL FENCING SHALL FULLY ENCLOSE ALL TREES SCHEDULED TO REMAIN OUT TO THE DRIPLINE OR 1' OF RADIUS PER 1" OF TRUNK DIAMETER, WHICHEVER IS GREATER. ONLY HAND CLEARING IS ALLOWED WITHIN THIS AREA, AND NOTHING SHALL BE PLACED INSIDE OF PROTECTIVE BARRICADES, INCLUDING BUT NOT LIMITED TO CONSTRUCTION MATERIAL, MACHINERY, CHEMICALS, OR TEMPORARY SOIL DEPOSITS.
3. PROVIDE WATER TO TREES AS REQUIRED TO MAINTAIN THEIR HEALTH DURING CONSTRUCTION WORK.
4. NO WORK OR GRADE CHANGES ARE TO TAKE PLACE WITHIN THE BARRICADES WITHOUT PRIOR APPROVAL OF THE APPROVING AGENCY'S FORESTER PER THE LAND DEVELOPMENT CODE.

1 TREE PROTECTION BARRICADE DETAIL

N.T.S. P:\LA-TRE-TREE-01

NOTE: ALL PRESERVED TREES ARE TO HAVE TREE PROTECTION BARRICADES INSTALLED PER DETAIL 1 THIS SHEET. NO CHANGE OF GRADE IS ALLOWED WITH THE DRIP LINE. THE DRIP LINES OF THE TREE ARE TO BE FIELD VERIFIED AT TIME OF TREE PROTECTION BARRICADE INSTALLATION BY SITE CONTRACTOR.

HARDSCAPE NOTES

1. DIMENSIONS: ALL LAYOUT DIMENSIONS ARE TO EDGE OF PAVEMENTS UNLESS OTHERWISE NOTED.
2. LAYOUT: ALL LAYOUT DIMENSIONS SHOWN ON DETAILS ARE APPROXIMATE.
3. CONCRETE: REFER TO CIVIL DRAWINGS FOR CONCRETE DESIGN SPECIFICATIONS AS WELL AS GRADING AND DRAINAGE INFORMATION.
4. ACCESSIBILITY: ALL CONSTRUCTION SHALL CONFORM WITH THE REQUIREMENTS FOR HANDICAP ACCESSIBILITY AS OUTLINED UNDER THE AMERICANS WITH DISABILITIES ACT ACCESSIBILITY GUIDELINES (ADAAG).
5. STAKING AND LAYOUT: THE CONTRACTOR SHALL STAKE AND LAYOUT ALL IMPROVEMENTS USING THE GEOMETRIC DATA PROVIDED. IT IS THE CONTRACTORS RESPONSIBILITY TO COMPLETELY STAKE AND VERIFY THE ALIGNMENT, BOTH VERTICAL AND HORIZONTAL, AND TO INSURE PROPER POSITIONING, PRIOR TO THE MANUFACTURING AND INSTALLATION OF ANY IMPROVEMENT. THE CONTRACTOR SHALL NOTIFY THE OWNER IMMEDIATELY, IN WRITING, IF ANY DISCREPANCIES ARE FOUND, AND SHALL NOT PROCEED WITH THE WORK UNTIL DIRECTED.
6. CONTROL JOINTS: UNLESS OTHERWISE EXPRESSLY APPROVED, IN WRITING, BY THE OWNER ALL CONTROL JOINTS SHALL BE COORDINATED WITH CIVIL PLANS FOR ADDITIONAL SPECIFICATIONS. ALL CONTROL JOINT SHALL BE TOOLED, SAW CUTTING WILL NOT BE ACCEPTABLE.
7. EXISTING IMPROVEMENTS: THE CONTRACTOR SHALL REPAIR OR REPLACE, TO AN EQUAL TO OR BETTER CONDITION, ANY EXISTING IMPROVEMENTS, LOCATED OUTSIDE OF THE SCOPE OF WORK, THAT ARE DAMAGED BY THE CONTRACTOR'S CONSTRUCTION ACTIVITIES, AT NO ADDITIONAL COST TO THE OWNER.
8. EXISTING UTILITIES: THE CONTRACTOR SHALL BE RESPONSIBLE FOR LOCATING AND PROTECTING ALL EXISTING UTILITIES.
9. CONSTRUCTION JOINTS: CAULK ALL JOINTS BEFORE PAINTING.
10. PAINT: COLOR FOR PAINTED SURFACES SHALL BE AS INDICATED ON THESE PLANS OR SELECTED BY OWNER OR OWNERS REPRESENTATIVE. FINAL PAINT COLOR, SELECTED BY OWNER OR OWNERS REPRESENTATIVE, SHALL BE APPLIED AND APPROVED BY SAME PRIOR TO THE INSTALLATION OF SIGNAGE LETTERS.
11. TRASH: ALL CUTOFFS AND SCRAPS ARE TO BE REMOVED FROM SITE DAILY.
12. INTENT: THESE DRAWINGS ARE FOR DESIGN INTENT ONLY. FINAL DESIGN & BUILDING CODE COMPLIANCE AND PERMITTING IS BY OTHERS.
13. SHOP DRAWINGS: THE CONTRACTOR SHALL PROVIDE SHOP DRAWINGS, INDICATING REQUIRED STRUCTURAL DESIGN SPECIFICATIONS OR ANY CUSTOMIZATION SPECIFIC TO THE PLAN SET, TO THE OWNER, THAT ARE SIGNED AND SEALED BY A STRUCTURAL ENGINEER REGISTERED IN THE STATE OF FLORIDA.
14. SEALANT: ALL PAVERS MUST BE CLEANED WITH PAVER CLEANER AND ALLOWED TO DRY FOR A MINIMUM OF 24 HOURS. SEALER SHOULD SET FOR 24 HOURS BEFORE USE OF SURFACE.

FASTENER NOTES

1. BOLTS SHALL MEET THE REQUIREMENTS OF A.S.T.M SPECIFICATION 1-307 (HIGH STRENGTH BOLTS FOR STRUCTURAL JOINTS), TYPE 1, AND HOT-DIP GALVANIZED, IN ACCORDANCE WITH A.S.T.M SPECIFICATION A-153 (ZINC COATING HOT DIP ON IRON AND STEEL HARDWARE). BOLTS SHALL BE SPACED EQUALLY AND SHALL NOT BE CLOSER THAN 4 BOLT DIAMETERS FROM THE EDGE OF THE LUMBER.
2. FASTENERS GALVANIZED TO MEET A.S.T.M A 153 CLASS D ARE ACCEPTABLE FOR USE WITH TREATED LUMBER. STAINLESS STEEL FASTENERS ARE ALSO ACCEPTABLE.

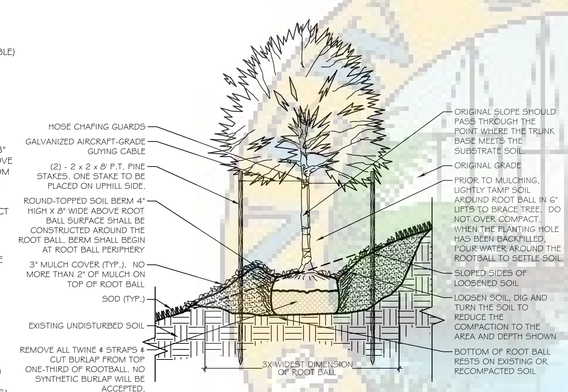
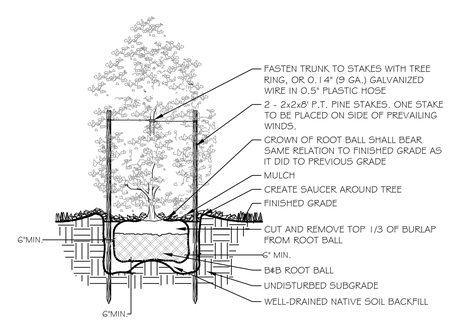
1 LARGE TREE PLANTING DETAIL

N.T.S. P-LA-TRE1-01



2 TREE PLANTING ON SLOPE DETAIL

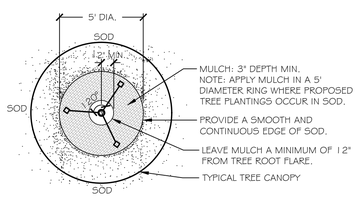
N.T.S. P-LA-TRE1-05



SPECIFICATIONS:
1. DO NOT DAMAGE MAIN ROOTS OR DESTROY ROOT BALL WHEN INSTALLING TREE STAKE.
2. WATER THOROUGHLY AFTER INSTALLATION.
3. REMOVE TREE RINGS AND STAKES UPON TREE ESTABLISHMENT (MAX. ONE YEAR AFTER INSTALLATION)
4. PROVIDED DRAINAGE FOR PLANTING PIT IN IMPERMEABLE SOIL.

3 FULL TO GROUND TREE PLANTING DETAIL

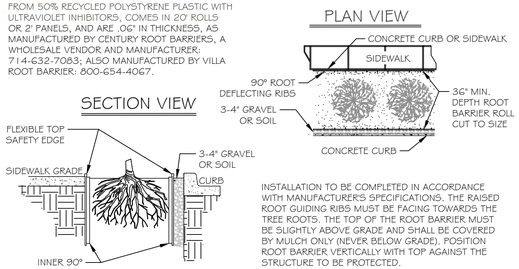
N.T.S P-LA-TRE1-02



4 TREE MULCHING DETAIL IN SOD AREAS

N.T.S. P-LA-MUL-TREE-01

ROOT BARRIERS ARE BLACK, MANUFACTURED FROM 50% RECYCLED POLYSTYRENE PLASTIC WITH ULTRAVIOLET INHIBITORS, COMES IN 20' ROLLS OR 2' PANELS, AND ARE .06" IN THICKNESS, AS MANUFACTURED BY CENTURY ROOT BARRIERS, A WHOLESALE VENDOR AND MANUFACTURER: 714-632-7083; ALSO MANUFACTURED BY VILLA ROOT BARRIER: 800-654-4067.



INSTALLATION TO BE COMPLETED IN ACCORDANCE WITH MANUFACTURERS SPECIFICATIONS. THE RAISED ROOT GUIDING RIBS MUST BE FACING TOWARDS THE TREE ROOTS. THE TOP OF THE ROOT BARRIER MUST BE SLIGHTLY ABOVE GRADE AND SHALL BE COVERED BY MULCH ONLY (NEVER BELOW GRADE). POSITION ROOT BARRIER VERTICALLY WITH TOP AGAINST THE STRUCTURE TO BE PROTECTED.

5 ROOT BARRIER DETAIL (LINEAR APPLICATION)

N.T.S. P-LA-ROO-01

LANDSCAPE SPECIFICATIONS

1. FLORIDA #1: ALL PLANT MATERIAL SHALL BE GRADE FLORIDA NO. 1 OR BETTER IN QUALITY AS DESIGNATED IN THE MOST RECENT PUBLICATION OF 'GRADES AND STANDARDS FOR NURSERY PLANTS', PUBLISHED BY THE FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES.
2. EXISTING PLANTS: IF EXISTING LANDSCAPING INTERFERES WITH PROPOSED PLANTINGS SHOWN ON PLAN, THE EXISTING LANDSCAPING IS TO BE REMOVED IN FAVOR OF THE NEW PLANTINGS, UNLESS OTHERWISE INDICATED. IF THE EXISTING VEGETATION IS INTENDED TO REMAIN, THE PROPOSED LANDSCAPING SHALL BE LOCATED AS CLOSE AS POSSIBLE TO ITS INTENDED LOCATION.
3. MULCH: ALL PLANTING BEDS SHALL BE TOP DRESSED WITH 3" PINE BARK MULCH, GRADE "B" OR APPROVED EQUAL. ALL TREES NOT IN BEDS SHALL HAVE A 5' DIAMETER MULCH RING. ALL PALMS NOT IN BEDS SHALL HAVE A 3' DIAMETER MULCH RING UNLESS OTHERWISE NOTED ON PLANS.
4. SOD: SOD SHALL BE ARGENTINE BAHIA SOD UNLESS OTHERWISE SPECIFIED ON THE PLANS AS FLORATAM ST. AUGUSTINE SOD. ALL SOD SHALL BE ROLLED UPON INSTALLATION. CONTRACTOR TO SOD ALL AREAS THAT ARE DISTURBED BY CONSTRUCTION RELATED ACTIVITIES. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ENSURE THE SOD IS FREE OF WEEDS & INSECTS UPON INSTALLATION AND FOR THE DURATION OF THE 90 DAY MAINTENANCE PERIOD. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ENSURE NO GAPS BETWEEN SOD. SOD QUANTITY TAKEOFFS ARE THE RESPONSIBILITY OF THE CONTRACTOR.
5. QUANTITIES: IN THE EVENT OF A VARIATION BETWEEN THE QUANTITIES SHOWN ON THE PLANT LIST AND THE QUANTITIES OF PLANTS SHOWN ON THE PLAN, THE PLAN SHALL CONTROL.
6. UNFORESEEN CONFLICTS: CONTRACTOR SHALL NOT WILLFULLY INSTALL ANY PORTION OF THE LANDSCAPE PLAN AS SHOWN ON THE DRAWINGS WHEN IT IS OBVIOUS IN THE FIELD THAT UNFORESEEN OBSTRUCTIONS, GRADE DIFFERENCES, STANDING WATER, SOIL CONDITIONS OR OTHER CONFLICTS EXIST. SUCH UNFORESEEN CONFLICTS SHALL BE BROUGHT TO THE ATTENTION OF THE OWNER'S REPRESENTATIVE AND THE LANDSCAPE ARCHITECT PRIOR TO INSTALLATION.
7. SUBSTITUTIONS: NO SUBSTITUTIONS OR VARIATIONS OF ANY PLANT MATERIAL OR ITS INSTALLED LOCATION SHALL BE PERMITTED WITHOUT THE PRIOR CONSENT OF THE LANDSCAPE ARCHITECT.
8. CONTAINERS: IF GALLONAGE FOR PLANTS OR TREES IS SHOWN THEY SHALL BE CONTAINER GROWN AND THE SIZE SHOWN SHALL REPRESENT THE MINIMUM ALLOWABLE GALLONAGE. IN ALL CASES THE PLANT SPECIFIED SIZE SHALL GOVERN OVER THE GALLONAGE INDICATED.
9. PLANTING SOIL: CONTRACTOR SHALL VERIFY THAT SOIL CONDITIONS ARE SUITABLE TO THE PLANT SPECIES SPECIFIED. IF SOIL CONDITIONS ARE DEEMED UNSUITABLE FOR PROPER PLANT HEALTH, CONTRACTOR SHALL NOTIFY LANDSCAPE ARCHITECT AND PROPER SUBSTITUTIONS SHALL BE SPECIFIED BY THE LANDSCAPE ARCHITECT PRIOR TO INSTALLATION. THE CONTRACTOR SHALL REMOVE LIME ROCK, CONCRETE AND OTHER DELETERIOUS DEBRIS FROM PLANTING BEDS. IF DEBRIS IS INTEGRATED IN THE SOIL, THE SOIL MUST BE EXCAVATED AND REPLACED WITH ACCEPTABLE SOIL. ALL FILL TO BE PLACED IN LANDSCAPE AREAS MUST HAVE A pH RANGE BETWEEN 5.8 AND 7.5, BE ORGANIC IN NATURE, AND BE FREE OF ROCKS AND DEBRIS.
10. TOPSOIL: TOPSOIL MATERIAL SHALL BE FREE FROM ALL HARD CLODS, WEEDS, STONES OVER 1" IN DIAMETER, CLAY, HARD PAN, NOXIOUS OR OTHER UNDESIRABLE PLANTS, SOD, INSECTS, SEEDS, OR MATERIAL WHICH MAY BE HARMFUL FOR GROWTH.
11. WEEDS: IF PRESENT, THE CONTRACTOR SHALL BE RESPONSIBLE TO REMOVE ANY WEEDS FROM PLANTING AND SOD AREAS PRIOR TO THE INSTALLATION OF PROPOSED PLANT MATERIAL AND MULCH COVER. CONTRACTOR SHALL BE RESPONSIBLE TO KEEP BEDS AND SOD FREE OF WEEDS FOR THE DURATION OF THE 90 DAY MAINTENANCE PERIOD.
12. GRADING: UNLESS OTHERWISE STATED ON THESE PLANS, THE LANDSCAPE CONTRACTOR SHALL FINE GRADE ALL AREAS TO BE PLANTED AND SODDED IN ORDER TO ELIMINATE BUMPS AND DEPRESSIONS. FINE GRADING SHALL BE DEFINED AS THE FINAL 2" OF GRADE TO BE ACHIEVED. THE CONTRACTOR SHALL BE RESPONSIBLE FOR REPAIRING AND RE-GRADING WASHOUT AREAS CAUSED BY EROSION UNTIL FINAL ACCEPTANCE OF THE PROJECT.
13. STAKING: ALL TREES AND PALMS ARE TO BE STAKED ACCORDING TO THE DETAILS IN THESE PLANS. IF THE CONTRACTOR PREFERS TO USE OTHER STAKING METHODS THAN SHOWN IN THE DETAILS, HE OR SHE MUST SUBMIT PROPOSED STAKING DETAILS TO THE LANDSCAPE ARCHITECT FOR APPROVAL PRIOR TO INSTALLATION. THE LANDSCAPE CONTRACTOR SHALL STRAIGHTEN, REPAIR, AND/OR REPLACE ANY PLANTS DAMAGED BY FAILURE TO PROPERLY STAKE OR GUY ANY TREES & PALMS ON SITE, AT THEIR OWN EXPENSE.
14. BED LINES: CONTRACTOR TO ENSURE CURVILINEAR LANDSCAPE BEDS ARE TO BE EDGED WITH SMOOTH FLOWING CURVES. STRAIGHT-LINE LANDSCAPE BEDS ARE TO BE EDGED IN A STRAIGHT LINE PARALLEL TO ADJACENT STRUCTURES UNLESS DESIGNED OTHERWISE.
15. FERTILIZER: OSMOCOTE SLOW RELEASE FERTILIZER OR EQUIVALENT SHALL BE APPLIED TO ALL TREE, SHRUB, AND GROUNDCOVER PLANTING AREAS AT THE RATE OF THREE (3) TABLESPOONS PER 2 S.F. OF PLANTING AREA.
16. DRAINAGE: THE LANDSCAPE CONTRACTOR SHALL ENSURE THAT THIS WORK DOES NOT INTERRUPT EXISTING OR PROPOSED DRAINAGE PATTERNS AND SHALL NOTIFY THE OWNERS REPRESENTATIVE IMMEDIATELY SHALL A CONFLICT ARISE. CONTRACTOR IS RESPONSIBLE FOR ALL LANDSCAPE/SOD AREAS TO PROPERLY DRAIN AWAY FROM BUILDINGS/STRUCTURES.
17. SPECIFICATIONS: THE LANDSCAPE ARCHITECT SHALL BE PERMITTED THE RIGHT DURING INSTALLATION, TO REJECT ANY AND ALL PLANT MATERIAL AND WORKMANSHIP WHICH IN HIS OR HER OPINION DOES NOT MEET THE REQUIREMENTS OF THESE SPECIFICATIONS.
18. NATURAL AREAS: NATURALLY PRESERVED VEGETATED AREAS SHALL BE CLEANED UP, INCLUDING BUT NOT LIMITED TO THE REMOVAL OF ANY DEBRIS OR WEEDS AND PRUNING OF DEAD OR YELLOW BRANCHES AND PALM FRONDS. MULCH EDGE OF NATURAL AREA 5' FEET.
19. WILDLIFE NOTIFICATION: THE CONTRACTOR SHALL CONTACT THE LANDSCAPE ARCHITECT WHO SHALL PROPOSE PLANT SUBSTITUTIONS UPON WRITTEN NOTIFICATION OF NUISANCE ANIMAL EXISTENCE. IT SHALL BE THE RESPONSIBILITY OF THE CONTRACTOR TO REPLACE ANY/ALL INSTALLED PLANT MATERIAL DESTROYED/DAMAGED BY WILDLIFE WITHIN THE MAINTENANCE PERIOD.
20. TURNOVER: CONTRACTOR SHALL CONTACT OWNERS REPRESENTATIVE FOR A TURNOVER DATE TO INCLUDE A WALK-THROUGH AND ACCEPTANCE OF WORK BY THE LANDSCAPE ARCHITECT OR OWNER. ANY WORK DEEMED UNACCEPTABLE SHALL BE CORRECTED IMMEDIATELY AND RE-INSPECTED AS SCHEDULED.
21. MAINTENANCE: CONTRACTOR SHALL BE RESPONSIBLE FOR MAINTENANCE TO BEGIN AFTER EACH PLANT HAS BEEN INSTALLED AND SHALL CONTINUE 90 DAYS AFTER FINAL WRITTEN ACCEPTANCE BY THE OWNER. MAINTENANCE SHALL INCLUDE WATERING, PRUNING, WEEDING, MULCHING, MOWING, REPLACEMENT OF SICK OR DEAD PLANTS, AND ANY OTHER CARE NECESSARY IN ORDER TO MAINTAIN PROPER PLANT HEALTH AND SOIL MOISTURE CONTENT.
22. GUARANTEE: CONTRACTOR SHALL GUARANTEE AND REPLACE ALL INSTALLED PLANT MATERIAL FOR ONE (1) CALENDAR YEAR STARTING FROM THE TURNOVER DATE FOR WORK FOUND ACCEPTABLE. ANY CORRECTED WORK SHALL HAVE A PROPORTIONAL EXTENSION OF WARRANTY ONCE APPROVED. ANY SICK OR DEAD MATERIAL SHALL BE REPLACED IMMEDIATELY. THE LANDSCAPE CONTRACTOR SHALL NOT BE RESPONSIBLE TO HONOR ANY WARRANTY FOR THE LOSS OF ANY PLANT MATERIAL CAUSED BY FLOODING, FIRE, ABNORMAL FREEZING TEMPERATURES, WINDS OVER 50 MPH, LIGHTNING, ANY OTHER NATURAL DISASTER, OR ANY LOSS/DAMAGE CAUSED BY VANDALISM OR NEGLIGENCE ON THE PART OF THE OWNER.
23. ROOT BARRIER: ROOT BARRIER TO BE INSTALLED FOR ALL STREET TREES AT AN APPROPRIATE DISTANCE AWAY FROM TREE WHERE ROOTS WILL DISTURB INFRASTRUCTURE.
24. CALL BEFORE YOU DIG: CONTRACTOR SHALL NOTIFY SUNSHINE 811 AND HAVE UTILITIES LOCATED, PRIOR TO DIGGING, BY CALLING 811. CONTRACTOR SHALL NOT PLANT TREES WITHIN 3' OF AN UNDERGROUND UTILITY, EITHER AS LOCATED OR AS SHOWN ON THE PLAN, WITHOUT FIRST OBTAINING WRITTEN PERMISSION FROM OWNER'S REPRESENTATIVE.
25. RECORD DRAWINGS: THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING AS-BUILT 'REDLINED' MARK-UPS OF THE LANDSCAPE AND IRRIGATION IMPROVEMENTS. THESE AS-BUILT 'REDLINES' SHALL BE REPRESENTED ON ZEV COHEN & ASSOCIATES, INC. PLAN SHEETS AND PROVIDED TO THE LANDSCAPE ARCHITECT.
26. SEED & MULCH: CONTRACTOR SHALL BE RESPONSIBLE FOR WATERING SEEDED AREA AFTER FIRST APPLICATION TO ASSURE THE TOP ONE (1) INCH OF SOIL IS MOIST. CONTRACTOR SHALL RE-INSPECT SEEDED AREA (MINIMUM OF THREE (3) TIMES WEEKLY), AND WATER AS NECESSARY TO ASSURE SURVIVABILITY. IF THERE ARE AREAS IN DECLINE THE CONTRACTOR SHALL BE RESPONSIBLE FOR RE-APPLICATION OF SEED TO FAILED AREAS.

IRRIGATION NOTES

1. THE CONTRACTOR SHALL BE RESPONSIBLE FOR PROVIDING 'REDLINED' MARK-UPS OF THE IRRIGATION IMPROVEMENTS AND PROVIDE TO THE LANDSCAPE ARCHITECT.
2. AN AUTOMATIC TIME CONTROLLED IRRIGATION SYSTEM WITH A RAIN SENSOR SHALL BE INSTALLED TO PROVIDE 100% HEAD TO HEAD COVERAGE OF ALL NEW PLANTINGS. IRRIGATION PLAN SHALL BE PROVIDED UPON SUBSTANTIAL SITE PLAN APPROVAL.
3. IRRIGATION DESIGN SHALL BE IN CONCORDANCE WITH VOLUSIA COUNTY STANDARDS, AND SHALL BE APPROVED THROUGH VOLUSIA COUNTY.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

ORDINANCE NO. 34-24: CONDUCT THE SECOND READING AND PUBLIC HEARING OF AN ORDINANCE, WHICH IF ADOPTED, WOULD CREATE A LARGE-SCALE *COMPREHENSIVE PLAN* AMENDMENT, CHANGING THE FUTURE LAND USE FROM AGRICULTURE, FORESTRY RESOURCE, AND CONSERVATION TO INDUSTRIAL MIXED-USE ON APPROXIMATELY 1,618 ± ACRES OF LAND LOCATED SOUTH OF STATE ROAD 44 AND WEST OF I-95 KNOWN AS DEERING PARK INNOVATION CENTER (DPIC).

September 10, 2024

Background:

A. Applicant: David Fuechtman, P. O. Box 70, Edgewater Florida 32132

B. Property Owner: Farmton North LLC, P. O. Box 70, Edgewater Florida 32132

C. Recent History: The city's current Economic Development Strategic Plan, that was approved by the City Commission in December 2019, outlines strategies and target the specific following industries:

1. Aviation and Aerospace
2. Creative Class, including High Tech
3. Light Industry, including Manufacturing
4. Recreation
5. Medical
6. Professional Office, including Corporate Headquarters

On October 28, 2021 the City of New Smyrna Beach Economic Development Advisory Board hosted a public workshop at the Brannon Center for the purpose of collecting input from the community the economic development strategic plan and future plans, actions, and decisions. Three major priorities were concluded in that workshop that had approximately 45 attendees that included elected officials, local business owners, and concerned citizens.

1. Diversify the tax base.
2. Enhance utilities infrastructure.
3. Ensure quality labor pool.

The Southeast Chamber of Commerce conducted two leadership summits. The first summit was conducted on May 17, 2021 and the second was conducted on February 24, 2022. The two (2) summits looked into the regional strengths, challenges, and

opportunities. These summits were participated by the Southeast Volusia Cities, SEV Chamber of Commerce, Volusia County Staff, Team Volusia, Southeast Volusia Manufacturing and Technology Coalition (SEVMTC), Southeast Volusia Advertising Authority, Elected Officials, Local Business Owners, and the East Central Florida Planning Council. The proposed Deering Park Innovation Center at New Smyrna Beach site was officially identified and recommended as an industrial mixed-use area during the second of these two leadership summits.

On June 14, 2022 the City Commission approved ordinance number 07-22, which approved a text amendment to the Future Land Use Element of the City's Comprehensive Plan to establish the Commercial Space Industry Opportunity Overlay. This Amendment to the City Comprehensive plan was to help identify areas within the city that are appropriate for commercial and light industrial development.

On October 25, 2022 the City Commission approved the Southeast Volusia Regional Economic Development Strategic Plan. The plan presents a regional analysis of SEV's demographic and occupational characteristics, employment profile, industry competitiveness, economic clusters, and challenges and opportunities.

During a public City Commission workshop on December 14, 2023, the Development Services Director, Shane Corbin and Attorney Glenn Storch presented a proposed innovation park to be located west of I-95 and south of State Road 44. This presentation outlined the history of the property, required PUD zoning, required Large Scale Comprehensive Plan amendment changing the Future Land Use to Industrial Mixed Use, and benefits to the city.

D. Request: Proposed Large Scale *Comprehensive Plan* amendment changing the Future Land Use from Agriculture, Forestry Resource, and Conservation to Industrial Mixed-Use on approximately 1,618 $\pm$ acres of land

E. Deering Park Site Information:

- **Size:** 1,618 $\pm$ acres
- **Location:** South of State Road 44, west of I-95
- **Parcel Numbers:** 7321-00-00-0010, 7328-00-00-0010, 7327-00-00-0024, 7333-00-00-0010, 7334-00-00-0010, and 7335-00-00-0100

Exhibit B: Aerial Map

Exhibit C: Existing Future Land Use Map

Exhibit D: Proposed Future Land Use Map

Exhibit E: Survey

Exhibit F: Applicants Existing Future Land Use Map

Exhibit G: Applicants Proposed Future Land Use Map

Exhibit H: Impact analyst

Exhibit I: Planning and Zoning Board Summary of Action
Exhibit J: State and County Review

Findings:

The Deering Park Innovation Center (DPIC) is a proposed mixed-use Planned Unit Development west of I-95 and south of SR 44. Approximately 1,618 ± acres in size. The project has been designed to allow up to 6,000,000 square feet of non-residential structures and 2,150 residential units, with at least 400 of the 1,618 acres to be designated Natural Vegetation Area.

The current intent of the Industrial Mixed-Use Future Land Use (FLU) Element is "to promote the sustainable development or redevelopment land near railways and/or major highways and in close proximity to the Canal Downtown Neighborhood, by providing maximum opportunity for innovative site planning for living, shopping, and working environments. Areas designated as Industrial Mixed-Use are intended to accommodate a mix of light industrial/research, office, retail and medium- to high-density residential uses. Areas designated as Industrial Mixed-Use are required to develop using the planned unit development format."

This Large-Scale *Comprehensive Plan* amendment has been applied for with two other joint applications. A rezoning application, **PUD-7-24**, has been submitted to change the zoning to PUD, Planned Unit Development with a proposed development agreement. There is another application, **CPA-2-24** to create a large scale C*omprehensive Plan* amendment, amending the current text and a policy change to amend the Language in the Industrial Mixed-Use, Future Land Use Element.

The impact analyst report does show a deficiency for wastewater treatment and

recreation open space based on the current capacities. These current statics are based on a 30 plus year buildout of this development. The associated Master Development Agreement, if approved, would transfer to the City an approximate 50 - 55 acres recreation track of land. That agreement would also transfer approximately 10 acres of land for a future police department use. In addition, the New Smyrna Beach Utilities will have projected updated expansion to the potable water and wastewater treatment facilities and should be able to accept the additional request of services or the New Smyrna Beach Utilities may require additional facilities or additional land for utility facilities from the developer.

Completed reviews by the Florida Department of Commerce, St. Johns River Water Management District, East Central Florida Regional Planning Council, Florida Department of Transportation, Volusia Growth Management Commission, and the Volusia County School Board have been done. Result letters are attached as **Exhibit J**.

Recommendations:

At its regular scheduled meeting on May 6, 2024, the Planning and Zoning Board voted, 4-2, to give a positive recommendation to the City Commission to **approve** the requested Large Scale *Comprehensive Plan* amendment changing the Future Land Use designation to Industrial Mixed-Use.

Based on support from the Planning and Zoning Board, Economic Development Board, Economic Development Director, regional development and planning agencies, and direction from the City Commission based on a public workshop in December 2023, the Development Services Department recommends that the City Commission to **approve** the requested Large Scale *Comprehensive Plan* amendment changing the Future Land Use designation to Industrial Mixed-Use.

RE: VGMC #24-040, City New Smyrna Beach Large Scale Amendment Application
CPA-1-24: Deering Park Innovation Center – Future Land Use Map Amendment
CPA-2-24: Deering Park Innovation Center – Future Land Use Text Amendment

Dear Mr. Corbin,

The Volusia Growth Management Commission (VGMC) received the above referenced large scale amendments from the City of New Smyrna Beach, VGMC Case No. 24-040. The application was deemed complete on August 7, 2024 and duly noticed. In accordance with Section 90-35(d)(2)a. of the Volusia Growth Management Commission Consistency Rules and Regulations, other units of local government had until September 4, 2024 to petition for hearing on the application.

As part of the application submittal, the Volusia County Schools issued a ***conditional*** finding of adequate capacity dated August 6, 2024. The conditional finding requires that the City (i) adopt the language in Section 15 "School Capacity" of the Deering Park Innovation Center at New Smyrna Beach Planned Unit Development Master Development Agreement (the "MDA"), and (ii) record the MDA in the public records of Volusia County. A copy of the Volusia County Schools correspondence is attached hereto and labeled as Exhibit A.

Based upon the lack of objection filed by another unit of local government, VGMC Case No. 24-040 is hereby deemed certified as consistent without the need for a public hearing ***subject to*** the City's compliance with Volusia County Schools' conditional finding of adequate capacity outlined in Exhibit A. Once adopted and recorded, please forward a copy of the ordinance(s) and MDA to both the Volusia County Schools and the VGMC office.

The Volusia Growth Management Commission appreciates the efforts of the City of New Smyrna Beach to further intergovernmental cooperation and coordination in Volusia County. If you have any questions regarding this matter, please do not hesitate to call me.

Sincerely,

Debbie Connors

MEMORANDUM

To: Shane Corbin, Development Services Director, Development Services Department, City of New Smyrna Beach, FL

From: John Patterson, AICP, Planner III

Date: June 6, 2024

Subject: Local Government Comprehensive Plan Review | New Smyrna Beach 24-01ESR

Introduction

The Community Planning Act, Chapter 163, *Florida Statutes*, authorizes the regional planning council to review local government comprehensive plan amendments prior to their adoption. The regional planning council review and comments are limited to adverse effects on regional resources or facilities identified in the Strategic Regional Policy Plan (SRPP) and extra-jurisdictional impacts that would be inconsistent with the comprehensive plan of any affected local government within the region. Council must provide any comments to the local government within 30 days of the receipt of the proposed amendments and must also send a copy of any comments to the state land planning agency.

The amendment package from the City of New Smyrna Beach was received on June 3, 2024 and contains one (1) comprehensive plan Future Land Use Map amendment. This report includes a summary of the proposed amendments and Council staff comments.

Summary of Proposed Amendment

The proposed amendment is to change the Future Land Use Map classification of a ±1,618-acre site from Conservation, Forestry Resources, and Agriculture uses to the Industrial Mixed Use classification to allow the development of Deering Park Innovation Center (DPIC), proposed for 2,150 residential units and 6,000,000 square feet of commercial and industrial development to be reviewed under a separate petition. The subject property is located south of and adjacent to State Road 44, just west of its intersection with I-95.

Comments and Recommendations

Staff has reviewed the proposed Future Land Use Mapy amendment, and found that the proposal will not adversely impact regional resources and facilities of significance identified in the SRPP, nor create extra-jurisdictional impacts on nearby governments in the region.

The applicant is commended for planning a development laid out in a manner to preserve the greatest amount of wetlands possible.

We thank you for the opportunity to review this Future Land Use Map amendment proposal. If you have any questions, please do not hesitate to contact John Patterson, AICP, Planner III, by email at jpatterson@ecfrpc.org or by phone at *(407) 245-0300, Extension 301.*

Kind regards,

John Patterson, AICP
Planner III
East Central Florida Regional Planning Council

July 3, 2024

The Honorable Fred Cleveland
Mayor, City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, Florida 32168

Dear Mayor Cleveland:

The Florida Department of Commerce (FloridaCommerce) has reviewed the proposed comprehensive plan amendment for the City of New Smyrna Beach (Amendment No. 24-01ESR) received on June 3, 2024. The review was completed under the expedited state review process. We have no comment on the proposed amendment.

The City should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. In addition, the City is reminded that:

- Section 163.3184(3)(b), F.S., authorizes other reviewing agencies to provide comments directly to the City. **If the City receives reviewing agency comments and they are not resolved, these comments could form the basis for a challenge to the amendment after adoption.**

- **The second public hearing,** which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of agency comments or the amendment shall be **deemed withdrawn** unless extended by agreement with notice to FloridaCommerce and any affected party that provided comment on the amendment pursuant to Section 163.3184(3)(c)1., F.S.

- **The adopted amendment must be transmitted to FloridaCommerce within ten working days after the second public hearing pursuant to 163.3184(3)(c)2., F.S.** Under Section 163.3184(3)(c)2. and 4., F.S., the **amendment effective date** is 31 days after FloridaCommerce notifies the City that the amendment package is complete or, if challenged, until it is found to be in compliance by FloridaCommerce or the Administration Commission.

An equal opportunity employer/program. Auxiliary aids and service are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TTD equipment via the Florida Relay Service at 711.

If you have any questions concerning this review, please contact Jon Coulter, Planning Analyst, by telephone at (850)-717-8421 or by email at jon.coulter@commerce.fl.gov.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning and Growth

SUBMITTAL OF ADOPTED COMPREHENSIVE PLAN AMENDMENTS

FOR EXPEDITED STATE REVIEW

Section 163.3184(3), Florida Statutes

NUMBER OF COPIES TO BE SUBMITTED: Please submit electronically using FloridaCommerce's electronic amendment submittal portal "**Comprehensive Plan and Amendment Upload**" (*https://fldeo.my.salesforce-sites.com/cp/*) **or** submit three complete copies of all comprehensive plan materials, of which one complete paper copy and two complete electronic copies on CD ROM in Portable Document Format (PDF) to the State Land Planning Agency and one copy to each entity below that provided timely comments to the local government: the appropriate Regional Planning Council; Water Management District; Department of Transportation; Department of Environmental Protection; Department of State; the appropriate county (municipal amendments only); the Florida Fish and Wildlife Conservation Commission and the Department of Agriculture and Consumer Services (county plan amendments only); and the Department of Education (amendments relating to public schools); and for certain local governments, the appropriate military installation and any other local government or governmental agency that has filed a written request.

SUBMITTAL LETTER: Please include the following information in the cover letter transmitting the adopted amendment:

_____ State Land Planning Agency identification number for adopted amendment package;

_____ Summary description of the adoption package, including any amendments proposed but not adopted;

_____ Identify if concurrency has been rescinded and indicate for which public facilities. (Transportation, schools, recreation and open space).

_____ Ordinance number and adoption date;

_____ Certification that the adopted amendment(s) has been submitted to all parties that provided timely comments to the local government;

_____ Name, title, address, telephone, FAX number and e-mail address of local government contact;

_____ Letter signed by the chief elected official or the person designated by the local government.

ADOPTION AMENDMENT PACKAGE: Please include the following information in the amendment package:

_____ In the case of text amendments, changes should be shown in strike-through/underline format.

_____ In the case of future land use map amendments, an adopted future land use map, **in color format,** clearly depicting the parcel, its future land use designation, and its adopted designation.

_____ A copy of any data and analyses the local government deems appropriate.

Note: If the local government is relying on previously submitted data and analysis, no additional data and analysis is required;

_____ Copy of the executed ordinance adopting the comprehensive plan amendment(s);

Suggested effective date language for the adoption ordinance for expedited review:

> "The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the state land planning agency notifies the local government that the plan amendment package is complete. If the amendment is timely challenged, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance."

_____ List of additional changes made in the adopted amendment that the State Land Planning Agency did not previously review;

_____ List of findings of the local governing body, if any, that were not included in the ordinance and which provided the basis of the adoption or determination not to adopt the proposed amendment;

_____ Statement indicating the relationship of the additional changes not previously reviewed by the State Land Planning Agency in response to the comment letter from the State Land Planning Agency.

Florida Department of Transportation

RON DESANTIS
GOVERNOR

719 S. Woodland Boulevard
DeLand, Florida 32720

JARED W. PERDUE, P.E.
SECRETARY

July 3rd, 2024

Mr. Robert Mathen
Senior Planner
City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, Florida 32168-9985

Subject: **City of New Smyrna Beach Proposed Comprehensive Plan Amendment 24-01ER**
Response Type: ***No Comments***

Dear Mr. Mathen,

Pursuant to Section 163.3184(3), Florida Statutes (F.S.), in its role as a reviewing agency as identified in Section 163.3184(1)(c), F.S., the Florida Department of Transportation (FDOT) reviewed the amendment package for the City of New Smyrna's Proposed 24-01ER, as requested in your transmittal letter, dated June 3rd, 2024.

Proposed Ordinance:
The comprehensive plan amendment proposes changing the Future Land Use on approximately ±1,618 acres of land from Conservation, Forestry, and Agriculture to Industrial Mixed Use. The location is generally located south of State Road 44, west of 1-95. The location maps of the subject properties are shown in **Appendix A**. As shown in the map, S.R. 9/I-95, S.R. 44, S.R. 44/Lytle Ave, and S.R. 44/Canal St are located within a 3-mile radius and identified as a state roadway of state importance[1].

[1] State roadway of state importance is defined as any roadway located on the SIS, SHS, or the NHS.

Result:
FDOT has reviewed the transmitted amendment for the City of New Smyrna pursuant to Section 163.3184(3), Florida Statutes. The proposed FLU amendment has been discussed previously with Department staff and any concerns have been discussed. At this time, there are no other comments from the Department.

We appreciate the opportunity to review the proposed amendment and request that a copy of the adopted amendment, be transmitted to the Department.

Thank you for coordinating the review of this proposed amendment with FDOT. If you have any questions, you may contact me at 386-943-5457 or by email at james.rodriguez@dot.state.fl.us.

Sincerely,

James Rodriguez
D5 Growth Management Coordinator

Subject:	City of New Smyrna Beach's proposed comprehensive plan amendment 24-01ESR
Attachments:	image001.png

Dear Mr. Corbin:

St. Johns River Water Management District (District) staff have reviewed City of New Smyrna Beach's proposed comprehensive plan amendment 24-01ESR in accordance with the provisions of Chapter 163, Florida Statutes (F.S.). District staff review, as outlined in F.S., focused on flood protection and floodplain management, wetlands and other surface waters, and regional water supply, as they relate to important state resources and facilities that will be adversely impacted by the amendment if adopted. District staff provide the following technical assistance related to wetlands and other surface waters and regional water supply.

Amendment

The proposed amendment changes the future land use designation of a 1,618-acre parcel to facilitate an industrial mixed-use development that includes 6,000,000 square feet of non-residential structures, 2,150 residential dwelling units, and at least 400 acres designated as a Natural Vegetation Area. The amendment notes that approximately 41% of the parcel (662 acres) may contain wetlands and approximately 327 acres may be impacted.

Important State Resources

The parcel is located within the District's Northern Coastal Surface Water Basin, Spruce Creek Hydrologic Basin, and Central Springs/East Coast Regional Water Supply Planning Region, and is within a designated Water Resource Caution Area (WRCA).

Technical Assistance

- Environmental Resource Permit (ERP) Advisory Information:
- The future proposed development will require an Environmental Resource Permit (ERP) in accordance with Chapter 62-330, Florida Administrative Code (F.A.C.). Conceptual approval for the proposed development may be requested followed by submittal of applications for phased construction. The extent of wetlands and surface waters will need to be established pursuant to Chapter 62-340, F.A.C., and will be utilized during review of any ERP.

- The proposed development appears to include activity that will need to meet the permitting criteria of Chapter 62-330, F.A.C. Note that the ERP applicant must provide reasonable assurance the conditions of issuance are met regarding water quality, water quantity, and impacts to natural resources. District ERP staff recommend proceeding with scheduling a pre-application meeting to ensure the applicant is aware of options that can be incorporated into the project design to provide the required reasonable assurance with regard to the rule criteria. Since stormwater harvesting may be a viable option, District CUP staff could also attend the pre-application meeting.

- District ERP staff note that the extent of proposed wetland and surface water impacts (approximately 50% of what has been identified onsite) is significant given the size of the project area and encourage review of the elimination and reduction criteria in Section 10.2.1 of the Applicant's Handbook Volume I during future development design.

- The future proposed development is located within the Spruce Creek Hydrologic Basin and, subsequently, will need to meet the standards and criteria of subsection 13.5 of the Applicant's Handbook Volume II.

- An ERP was recently issued for Deering Park North, which is located immediately south of the future proposed development. Deering Park North includes mitigation areas that may be adversely impacted as a result of proposed residential development within the southwestern portion of the Deering Park Innovation Center. Exhibit 10 of the Preliminary Environmental Assessment report does not reflect the location of Deering Park North mitigation areas that are adjacent to both Farmton Mitigation Bank and Deering Park Innovation Center. In addition, Exhibit 11 does not reflect the contiguity between Deering Park Innovation Center and the Volusia County Environmental Core Overlay, as a result of the Deering Park North mitigation.

- Please note that the Statewide Stormwater Rule may be adopted soon. If so, future development will be governed by the revised stormwater rules.

- Regardless of this amendment, please note that in accordance with Section 163.3177(6)(c)4, F.S., the City was required to adopt an updated Water Supply Facilities Work Plan (WSFWP) and related comprehensive plan amendment within 18 months of approval of the 2022 Central Springs/East Coast Regional Water Supply Plan (CSEC RWSP). The District approved the 2022 CSEC RWSP on February 8, 2022. Subsequently, the City was required to adopt an updated WSFWP and related comprehensive plan amendment by August 8, 2023. The District has no record of the City adopting an updated WSFWP and related comprehensive plan amendment.

  In addition, please note that the District regularly monitors and evaluates impacts to water resources from permitted and planned water users. Such analysis could determine that additional project options may need to be implemented, in addition to those already identified in the CSEC RWSP, to proportionally offset the respective impact to water resources.

Conclusion

The District is providing technical assistance comments consistent with Section 163.3168(3), F.S. The District encourages the City to address these issues and recommendations prior to adopting the proposed amendment. They are offered as suggestions which can strengthen the City's comprehensive plan and provide assurance that the future development will not adversely impact important state resources.

If you have any questions or need additional information, please contact me.

Sincerely,
Steve Fitzgibbons

School Adequate Capacity Determination
Conditional Finding of Adequate Capacity Letter

August 6, 2024

Mr. David Fuechtman
Farmton North, LLC
3450 Old Dawson Rd
Edgewater, FL 32132

RE : Deering Park Innovation Center at NSB-City of New Smyrna Beach
School Concurrency Case # 24-04-24-002-A

Dear Mr. Fuechtman:

The County Charter requires any Comprehensive Plan Amendment or Rezoning that allows increased residential density to be effective only when adequate public schools can be timely planned and constructed to serve the projected increase in student population. The district uses this requirement as the guiding principle behind the school adequate capacity review.

District staff reviewed the information for the proposed project known as Deering Park Innovation Center at NSB associated with 1,618 +/- acres of property located at or near the intersection of I-95 and SR 44 within New Smyrna Beach city limits. The proposed project would provide a total of two thousand one hundred fifty (2,150) total dwelling units, comprised of one thousand fifty-five (1,055) single family homes, seven hundred twenty (720) multifamily apartments and three hundred seventy-five (375) multifamily townhomes.

The district uses a county wide Student Generation Rate (SGR) of (0.258) per single family dwelling unit and (0.137) per multifamily dwelling unit to calculate projected students. By applying the SGR to the use types in Table 1 below, the project could generate four hundred twenty-four (424) full time students.

Table 1

UNIT TYPE	SGR	UNIT COUNT	STUDENTS GENERATED
Single Family Dwelling Unit	0.258	1,055	273
Multifamily Dwelling Unit	0.137	1,095	151
Manufactured Home Dwelling Unit	0.052	0	0
	Total	**2,150**	**424**

FACILITIES SERVICES
3750 OLSON DRIVE ✞ DAYTONA BEACH, FL 32124
PHONE: (386) 947-8786 ✞ FAX (386) 506-5056

When performing an adequate capacity review, district staff evaluates the effects of the proposed change compared to any remaining permanent capacity within the impacted schools, up to 100%, Table 2. The projected increase in student population may be over 100% if there are plans to serve increased student population in that planning area within the long-term planning horizon. A finding of adequate capacity may be issued in either case.

Table 2

Schools	SY 2023/24 Enrollment	% of Permanent Capacity	Plans for Capacity Increase Long-Term	Traditional K-12 students projected
Chisholm Elementary	489	124%	No	149
New Smyrna Beach Middle	972	119%	No	79
Southeast CSA (New Smyrna Beach High)	1,762	103%	No	135
Other				61

The student projections generated by this project **will** increase the existing percentage above 100% permanent capacity at the elementary and middle school levels.

The requirement for the Owner of Deering Park Innovation Center at New Smyrna Beach, its successors and assigns, to enter into a capacity enhancement agreement with the Volusia County School Board (VCSB) to dedicate a school site of at least thirty (30) usable acres to VCSB before the City of New Smyrna Beach may issue any preliminary site plan approval, is included in Section 15 of the proposed Master Development Agreement (MDA, see attached). The MDA also provides the following restrictions, that (1) residential units are restricted to 2,150 units; (2) the current request does not increase that residential density; and (3) in the event of an application to increase the number of dwelling units above 2,150 units or if the number of dwelling units approved for the Deering Park Innovation Center at New Smyrna Beach exceeds 2,150 units, then the excess units (over 2,150 units) shall be subject to school concurrency review.

Based on the foregoing, the school district can provide this letter of no impact on school capacity planning, provided that the language in Section 15 of the MDA is approved and adopted by the City Council and recorded in public records. Otherwise, there is no finding of adequate capacity.

Minimum planning considerations should include pedestrian and vehicular access, safety, connectivity, and buffering.

All future development orders, such as site plans and subdivisions, are subject to school concurrency regulations in effect at the time of review. School concurrency will be evaluated at the time when the impact of development is specifically quantified and known. Only funded school improvements and then current capacity will be considered at that time.

No student reservations have been made at this time.

Please note the School Board has the right to adjust the attendance boundaries to balance the student enrollment populations at these area schools. Consequently, students generated from this project may not attend the current assigned schools.

Should you need additional information, please contact me at (386) 947-8786, extension 50806.

Sincerely,

Leineriza V. Divina

VOLUSIA COUNTY SCHOOLS

Finding of Adequate School Capacity

VOLUSIA COUNTY SCHOOL BOARD

Project Information	
Project Name	Deering Park Innovation Center at NSB
VCSB Project #	**24-04-24-002-A**
Jurisdiction Project #	
Parcel ID Numbers	7321-00-00-0010; 7328-00-00-0010; 7327-00-00-0024; 7335-00-00-0100; 7344-00-00-0010; 7333-00-00-0010
Project Location	I-95 and SR 44
Potential Residential Units	1,055 Single Family Homes and 1,095 Multi-Family Units
Property Owner/Applicant	David Fuechtman - Farmton North, LLC
Notes: Additional review will be required at the time of subdivision/site plan submittal(s). No Student Reservations have been made.	

Based upon the Findings of Fact, pursuant to School Board Policy 612 and Section 206 of the County Charter, the school district has determined at this time that school capacity is adequate to serve the proposed increase in residential density. This Finding shall constitute competent substantial evidence that adequate public school capacity is likely to be available at the time it is required to serve the planned new development.

Capacity is <u>not</u> being reserved with this Finding unless otherwise noted on this document. This Finding of Adequate School Capacity allows this subject project to continue through the Comprehensive Plan Amendment and/or rezoning process; however, it may be subject to additional school capacity review in the future.

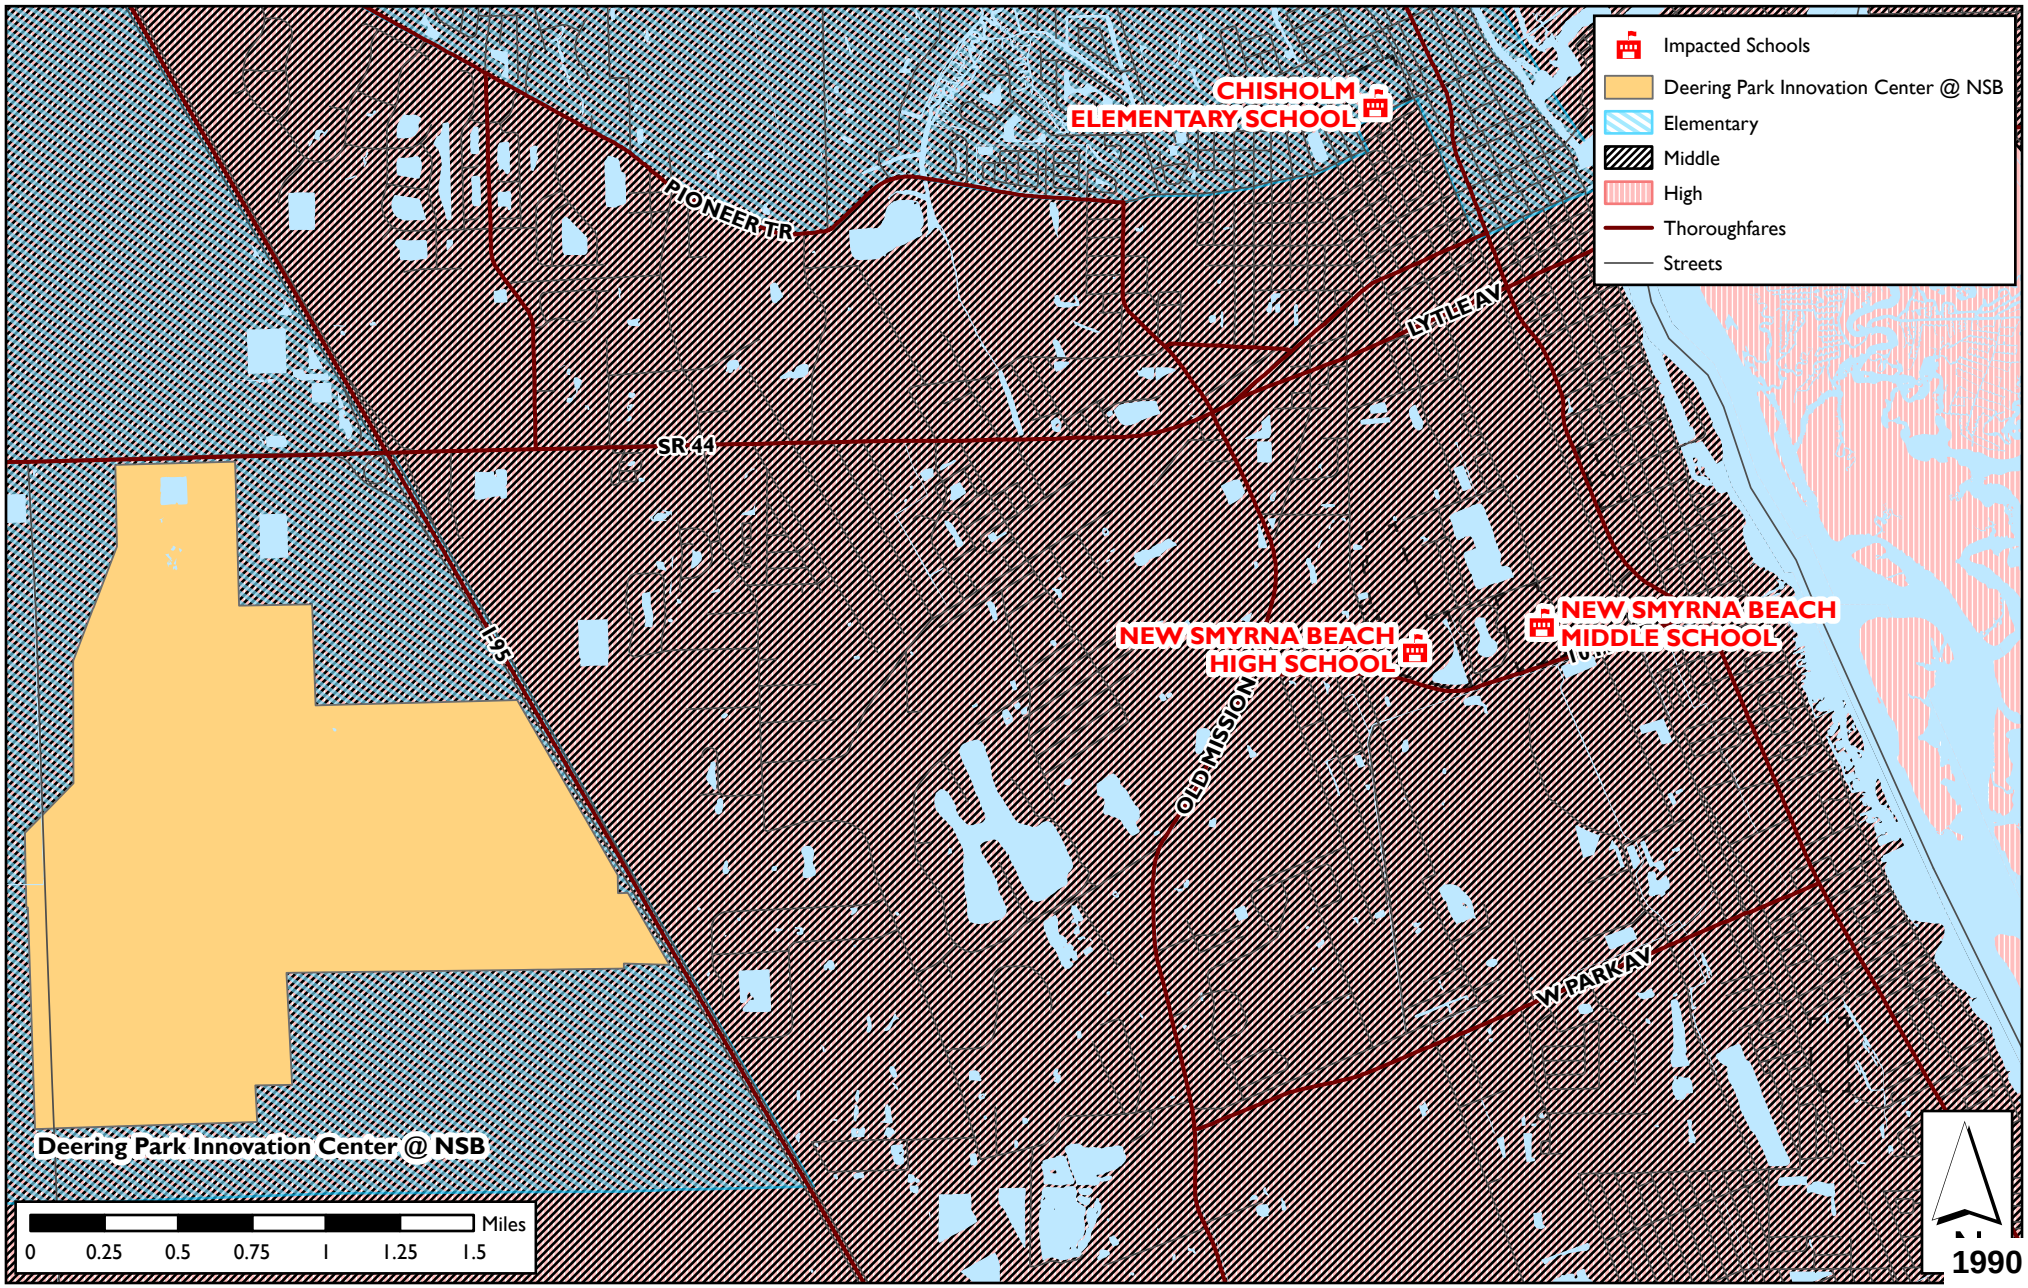
Created by Facilities Services
April 2024



ORDINANCE NO. 34-24

AN ORDINANCE AMENDING THE CITY OF NEW SMYRNA BEACH COMPREHENSIVE PLAN; CHANGING THE FUTURE LAND USE DESIGNATION OF 1,618± ACRES LOCATED SOUTH OF SR 44, WEST OF I-95, FROM CITY *AGRICULTURE, FORESTRY RESOURCE,* AND *CONSERVATION* TO CITY *INDUSTRIAL MIXED-USE;* PROVIDING FOR AMENDMENT OF THE ASSOCIATED COMPREHENSIVE PLAN MAPS; PROVIDING FOR REQUIRED TRANSMITTALS; PROVIDING FOR PUBLIC HEARINGS; PROVIDING FOR CONFLICTING ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, David Fuechtman, P.O. Box 70, Edgewater, FL 32121, applicant on behalf of property owner, Farmton North LLC, P.O. Box 70, Edgewater, FL 32121, requests to amend its Comprehensive Plan, Future Land Use Map II-4 to change the land use designations of approximately 1,618± acres located south of SR 44, west of I-95 from City *Agriculture, Forestry Resource,* and *Conservation* to City *Industrial Mixed-Use*; and

WHEREAS, the Planning and Zoning Board, sitting as the City's Local Planning Agency, held an advertised Public Hearing pursuant to §163.3164(40) & §163.3174(4)(a), F.S. on May 6, 2024, and by a vote of 4-2, recommended that the City Commission ***approve*** the proposed Plan Amendment; and

WHEREAS, the City Commission deems it in the best interests of the citizens of the City of New Smyrna Beach to amend its Comprehensive Plan as more particularly set forth hereinafter.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Land Use Amendment.*** That the New Smyrna Beach Comprehensive Plan, **Future Land Use Map II-4**, is hereby amended by changing the land use designation for real properties located in Volusia County, Florida, described as:

SEE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF,

from City *Agriculture, Forestry Resource,* and *Conservation* to City *Industrial Mixed-Use.*

SECTION 2: ***Transmittal of Notice and Amendments to Plan.*** The City Clerk has sent copies of the notice and amendment to the reviewing agencies in accordance with §163.3184(1)(c), F.S., and any other local government or governmental agency that has filed a written request with the City. §163.3184(3)(b)1, F.S.

SECTION 3: ***Public Hearings.*** It is hereby found that prior to transmittal a public hearing was held on May 28, 2024, after notice published May 21, 2024, and prior to adoption a public hearing was held September 10, 2024, after notice published September 5, 2024, and after receipt of agency comments, which is deemed to comply with §163.3184(3)(b)1 and (c)1 and 163.3184(11), F.S.

SECTION 4: ***Conflicting Ordinances***. That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Effective Date.*** That this ordinance shall become effective 31 days after the state land planning agency notifies the City that the plan amendment package is complete. If timely challenged, this amendment does not become effective until the state land planning agency or the Administration Commission enters a final order determining the adopted amendment to be in compliance. §163.3184(3)(c)4, F.S.

APPROVED AS TO FORM AND CORRECTNESS:

ORDINANCE NO. 42-24: CONDUCT THE SECOND READING AND PUBLIC HEARING OF AN ORDINANCE, WHICH IF ADOPTED, WOULD ESTABLISH DEERING PARK INNOVATION CENTER AT NEW SMYRNA BEACH BY AMENDING LANGUAGE IN THE FUTURE LAND USE ELEMENT OF THE COMPREHENSIVE PLAN.

September 10, 2024

Background:

A. Applicant: David Fuechtman, P.O. Box 70, Edgewater, FL 32132

B. Property Owner: Farmton North, LLC P.O. Box 70, Edgewater, FL 32132

C. Recent History: The city's current Economic Development Strategic Plan, that was approved by the City Commission in December 2019, outlines strategies and target the specific following industries:

1. Aviation and Aerospace
2. Creative Class, including High Tech
3. Light Industry, including Manufacturing
4. Recreation
5. Medical
6. Professional Office, including Corporate Headquarters

On October 28, 2021 the City of New Smyrna Beach Economic Development Advisory Board hosted a public workshop at the Brannon Center for the purpose of collecting input from the community the economic development strategic plan and future plans, actions, and decisions. Three major priorities were concluded in that workshop that had approximately 45 attendees that included elected officials, local business owners, and concerned citizens.

1. Diversify the tax base.
2. Enhance utilities infrastructure.
3. Ensure quality labor pool.

The Southeast Chamber of Commerce conducted two leadership summits. The first summit was conducted on May 17, 2021 and the second was conducted on February 24,

2022. The two (2) summits looked into the regional strengths, challenges, and opportunities. These summits were participated by the Southeast Volusia Cities, SEV Chamber of Commerce, Volusia County Staff, Team Volusia, Southeast Volusia Manufacturing and Technology Coalition (SEVMTC), Southeast Volusia Advertising Authority, Elected Officials, Local Business Owners, and the East Central Florida Planning Council. The proposed Deering Park Innovation Center at New Smyrna Beach site was officially identified and recommended as an industrial mixed-use area during the second of these two leadership summits.

On June 14, 2022 the City Commission approved ordinance number 07-22, which approved a text amendment to the Future Land Use Element of the City's Comprehensive Plan to establish the Commercial Space Industry Opportunity Overlay. This Amendment to the City Comprehensive plan was to help identify areas within the city that are appropriate for commercial and light industrial development.

On October 25, 2022 the City Commission approved the Southeast Volusia Regional Economic Development Strategic Plan. The plan presents a regional analysis of SEV's demographic and occupational characteristics, employment profile, industry competitiveness, economic clusters, and challenges and opportunities.

During a public City Commission workshop on December 14, 2023, the Development Services Director, Shane Corbin and Attorney Glenn Storch presented a proposed innovation park to be located west of I-95 and south of State Road 44. This presentation outlined the history of the property, required PUD zoning, required Large Scale Comprehensive Plan amendment changing the Future Land Use to Industrial Mixed Use, and benefits to the city.

D. Request: Currently, the location of the proposed Deering Park Innovation Center at New Smyrna Beach has Future Land Use (FLU) designations of Agriculture, Conservation and Forestry Resource. The applicant is seeking a FLU designation of Industrial Mixed-Use. However, the comprehensive plan only allows Industrial Mixed-Use in close proximity to the Canal Downtown Neighborhood. Therefore, a text amendment to the comprehensive plan is needed to add Deering Park Innovation Center at New Smyrna Beach as a location where Industrial Mixed-Use can be applied. Additional language is also being proposed to establish amounts of residential uses, non-residential uses and areas for natural vegetation.

E. Deering Park Site Information:

- **Size:** 1,618 +- acres
- **Location:** South of State Road 44, west of I-95
- **Parcel Numbers:** 7321-00-00-0010, 7328-00-00-0010, 7327-00-00-0024, 7333-00-00-0010, 7334-00-00-0010, and 7335-00-00-0100

F. Exhibits:

Exhibit A: Future Land Use Element with changes underlined

Exhibit B: Future Land Use Element with proposed changes

Exhibit C: Industrial Mixed-Use FLU with changes underlined

Exhibit D: Industrial Mixed-Use FLU with proposed changes

Exhibit E: P&Z Summary of Action
Exhibit F: Southeast Volusia Economic Development Strategic Plan 2022
Exhibit G: State and County Review

Findings:
The Planning and Zoning Board considered this application at their May 6, 2024 meeting, and voted 4-2 to recommend the City Commission approve the amendment to the Future Land Use Element of the Comprehensive Plan. Except for an added note included the term "low density" to the mix of residential uses permitted in the Deering Park Innovation Center, the language is the same as the Planning and Zoning Board reviewed.

A. The Deering Park Innovation Center at New Smyrna Beach is a proposed mixed-use Planned Unit Development west of I-95 and south of SR 44. Approximately 1,618 acres in size, the project is going to provide 6,000,000 square feet of non-residential uses and 2,150 residential units, with at least 400 of the 1,618 acres to be designated Natural Vegetation Area.

B. The current intent language of the Industrial Mixed-Use, FLU Element includes:

“...to promote the sustainable development or redevelopment land near railways and/or

major highways and in close proximity to the Canal Downtown Neighborhood, by providing maximum opportunity for innovative site planning for living, shopping, and working environments. Areas designated as Industrial Mixed Use are intended to accommodate a mix of light industrial/research, office, retail and medium- to high-density residential uses. Areas designated as Industrial Mixed Use are required to develop using the planned unit development format."

C. The proposed intent language of the Industrial Mixed-Use, Future Land Use (FLU) Element includes, underlined below:

...to promote the sustainable development or redevelopment land near railways and/or major highways and in close proximity to the Canal Downtown Neighborhood, and also within the Deering Park Innovation Center at New Smyrna Beach on approximately 1,618 acres west of I-95 and south of SR 44 between areas designated as Sustainable Community Development and Activity Center, by providing maximum opportunity for innovative site planning for living, shopping, and working environments. Areas designated as Industrial Mixed-Use are intended to accommodate a mix of light industrial/research, office, retail and low, medium, ~~to~~ and high-density residential uses. Areas designated as Industrial Mixed Use are required to develop using the planned unit development format.

The Deering Park Innovation Center at New Smyrna Beach is restricted to a total of six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres, and requiring at least 400 of those acres to be designated Natural Vegetation Area in the planned unit development agreement.

D. In addition to proposed new text to the Industrial Mixed-Use FLU Element, an additional Future Land Use policy is proposed under Objective 4, Policy g, underlined below:

Objective:

4. To provide adequate services and facilities for future development, at the adopted level of-service standard. In order to maintain the adopted level-of-service

standard, development orders, and permits will be conditioned on the availability of the public facilities and services necessary to serve the proposed development.

Policies:

…

g. Encourage managed growth and minimize impacts to City infrastructure and services by encouraging and allowing developers to voluntarily limit density, number of hotel/motel or dwelling units, square footage, and/or floor area ratios on newly-annexed property, or properties where changes to the Future Land Use designations are sought. Specific locations where limits are imposed on properties shall be noted on the Future Land Use Map and listed below. The following locations are limited in development beyond the designated future land use designation:

…

- <u>The Deering Park Innovation Center at New Smyrna Beach Planned Unit Development shall be limited to six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres.</u>

Completed reviews by the Florida Department of Commerce, St. Johns River Water Management District, East Central Florida Regional Planning Council, Florida Department of Transportation, Volusia Growth Management Commission, and the Volusia County School Board have been done. Result letters are attached as **Exhibit G**.

Recommendations

At its regular scheduled meeting on May 6, 2024, the Planning and Zoning Board voted, 4-2, to give a positive recommendation to the City Commission to **approve** the requested Large Scale *Comprehensive Plan* amendment changing language in the Future Land Use Element of the Comprehensive Plan to establish Deering Park Innovation Center at New Smyrna Beach.

Based on support from the Economic Development Board, Economic Development Director, regional development and planning agencies, and a positive recommendation from the Planning and Zoning Board, the Development Services Department recommends that the City Commission approves the requested amended language in the Future Land Use Element of the Comprehensive Plan to establish Deering Park Innovation Center at New Smyrna Beach.

Exhibit A

Future Land Use Element

Introduction

The community of New Smyrna Beach has evolved over time in response to a variety of economic, social, physical, and political influences. The way people within the community use the land is a reflection of their attitudes and values. The manner in which the community develops in the future will be based on the community's commitment to current goals and objectives.

In order to understand the structure of the community it is important to understand how the physical and social components fit together. These are more easily described in terms of neighborhoods, major environmental limitations/opportunities, and the various user groups that may be external to the community. Map II-4, Existing Land Use, describes the location and distribution of land uses in the City of New Smyrna Beach in 2010. In addition to existing land use that has been documented by the Planning and Zoning Department, the existing zoning and the 1990 *Comprehensive Plan*, as amended, define distinguishable areas that lend themselves to the structure of New Smyrna Beach and help give us an understanding of the general areas that will be influenced as part of the Future Land Use Element.

Goals, Objectives and Policies

To promote, protect and improve the public health, safety, and general welfare by ensuring consistency, economic viability, and stewardship of the natural environment, through appropriate land uses and land development regulations.

Objective:

4. To provide adequate services and facilities for future development, at the adopted level of-service standard. In order to maintain the adopted level-of-service standard, development orders, and permits will be conditioned on the availability of the public facilities and services necessary to serve the proposed development.

Policies:

a. New Smyrna Beach shall continue to enforce *Land Development Regulations* that ensure adopted level-of-service standards are met, consistent with the intent of §163.3180, *Florida Statutes*.
b. Annually update the capital improvement program to schedule the provision of future public services and facilities, including acquisition of needed lands that will be provided by the City, county, and other agencies, and demonstrating financial feasibility.
c. Continue to enforce regulations that require that public facilities and services necessary for the support of proposed development and the maintenance of adopted level-of-service standards will be in place at the time a development permit is issued, or will be in place concurrent with the impacts of development.
d. Maintain citywide densities to ensure that beachside residents can be evacuated consistent with the Hurricane Evacuation Plan.
e. Through the concurrency management system, maintain the availability and accessibility of facilities indicated in this plan to be essential to maintenance of the health, safety, and welfare of the municipal residents.
f. By December 2011 revise the population projections shown on Table II-1 to extend to the year 2030 and evaluate projected demand in comparison with the provision of facilities and services.
g. Encourage managed growth and minimize impacts to City infrastructure and services by encouraging and allowing developers to voluntarily limit density, number of hotel/motel or dwelling units, square footage, and/or floor area ratios on newly-annexed property, or properties where changes to the Future Land Use designations are sought. Specific locations where limits are imposed on properties shall be noted on the Future Land Use Map and listed below. The following locations are limited in development beyond the designated future land use designation:

- 1.33 acre parcel on the North Beach associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-7-03, having a Parcel No. 7405-00-00-0016 and approved with Ordinance No. 46-04 is limited to two (2) units;
- 160 acre parcel in the southeast portion of Venetian Bay associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-5-04, having had a Parcel No. 7317-00-00-0031 and approved with Ordinance No. 26-05 is limited to zero (0) additional units; ~~and~~
- 46.017 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive and north and west of Hidden Lakes Golf Club at 1140 and 1185 South Golf Lake Drive, 1240 Kenard Street, and 1984 Mayport Avenue associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0078, 7312-00-00-0079, 7312-00-00-0083, 7312-00-00-0084, 7312-00-00-0090, 7312-00-00-0100, 7312-00-00-0101, 7312-00-00-0110, 7312-00-00-0149, 7312-00-00-0190, 7312-00-00-0480, and 7312-00-00-0490, and approved with Ordinance No. 58-09 is limited to 132 units; and 9.07 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive at 1295 Kenard Street also associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0020 and 7312-00-00-0320 approved with Ordinance No. 58-09 is limited to zero (0) units and industrial/commercial floor area to 120,000 square feet. Prior to any land development activity of these 55.087 acres, each application shall be reviewed and if required, approved by Federal Aviation Administration (FAA). No development order may be issued without an FAA approval, agreement, or statement of no objection;
- The Pioneer Trails PUD shall be limited to 1,250 residential units, 15,000 square feet of office space, 341,000 square feet of non-office commercial space and 98 hotel rooms~~.~~ ; and
- The Deering Park innovation Center at New Smyrna Beach PUD shall be limited to six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres.

EXHIBIT B

Future Land Use Element

Introduction

The community of New Smyrna Beach has evolved over time in response to a variety of economic, social, physical, and political influences. The way people within the community use the land is a reflection of their attitudes and values. The manner in which the community develops in the future will be based on the community's commitment to current goals and objectives.

In order to understand the structure of the community it is important to understand how the physical and social components fit together. These are more easily described in terms of neighborhoods, major environmental limitations/opportunities, and the various user groups that may be external to the community. Map II-4, Existing Land Use, describes the location and distribution of land uses in the City of New Smyrna Beach in 2010. In addition to existing land use that has been documented by the Planning and Zoning Department, the existing zoning and the 1990 *Comprehensive Plan*, as amended, define distinguishable areas that lend themselves to the structure of New Smyrna Beach and help give us an understanding of the general areas that will be influenced as part of the Future Land Use Element.

Goals, Objectives and Policies

To promote, protect and improve the public health, safety, and general welfare by ensuring consistency, economic viability, and stewardship of the natural environment, through appropriate land uses and land development regulations.

Objective:

4. To provide adequate services and facilities for future development, at the adopted level of-service standard. In order to maintain the adopted level-of-service standard, development orders, and permits will be conditioned on the availability of the public facilities and services necessary to serve the proposed development.

Policies:

a. New Smyrna Beach shall continue to enforce *Land Development Regulations* that ensure adopted level-of-service standards are met, consistent with the intent of §163.3180, *Florida Statutes*.
b. Annually update the capital improvement program to schedule the provision of future public services and facilities, including acquisition of needed lands that will be provided by the City, county, and other agencies, and demonstrating financial feasibility.
c. Continue to enforce regulations that require that public facilities and services necessary for the support of proposed development and the maintenance of adopted level-of-service standards will be in place at the time a development permit is issued, or will be in place concurrent with the impacts of development.
d. Maintain citywide densities to ensure that beachside residents can be evacuated consistent with the Hurricane Evacuation Plan.
e. Through the concurrency management system, maintain the availability and accessibility of facilities indicated in this plan to be essential to maintenance of the health, safety, and welfare of the municipal residents.
f. By December 2011 revise the population projections shown on Table II-1 to extend to the year 2030 and evaluate projected demand in comparison with the provision of facilities and services.
g. Encourage managed growth and minimize impacts to City infrastructure and services by encouraging and allowing developers to voluntarily limit density, number of hotel/motel or dwelling units, square footage, and/or floor area ratios on newly-annexed property, or properties where changes to the Future Land Use designations are sought. Specific locations where limits are imposed on properties shall be noted on the Future Land Use Map and listed below. The following locations are limited in development beyond the designated future land use designation:

- 1.33 acre parcel on the North Beach associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-7-03, having a Parcel No. 7405-00-00-0016 and approved with Ordinance No. 46-04 is limited to two (2) units;
- 160 acre parcel in the southeast portion of Venetian Bay associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-5-04, having had a Parcel No. 7317-00-00-0031 and approved with Ordinance No. 26-05 is limited to zero (0) additional units; ~~and~~
- 46.017 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive and north and west of Hidden Lakes Golf Club at 1140 and 1185 South Golf Lake Drive, 1240 Kenard Street, and 1984 Mayport Avenue associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0078, 7312-00-00-0079, 7312-00-00-0083, 7312-00-00-0084, 7312-00-00-0090, 7312-00-00-0100, 7312-00-00-0101, 7312-00-00-0110, 7312-00-00-0149, 7312-00-00-0190, 7312-00-00-0480, and 7312-00-00-0490, and approved with Ordinance No. 58-09 is limited to 132 units; and 9.07 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive at 1295 Kenard Street also associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0020 and 7312-00-00-0320 approved with Ordinance No. 58-09 is limited to zero (0) units and industrial/commercial floor area to 120,000 square feet. Prior to any land development activity of these 55.087 acres, each application shall be reviewed and if required, approved by Federal Aviation Administration (FAA). No development order may be issued without an FAA approval, agreement, or statement of no objection;
- The Pioneer Trails PUD shall be limited to 1,250 residential units, 15,000 square feet of office space, 341,000 square feet of non-office commercial space and 98 hotel rooms~~.~~ ; and

- The Deering Park innovation Center at New Smyrna Beach PUD shall be limited to six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres.

EXHIBIT C

INDUSTRIAL MIXED USE

Maximum allowed density:

Up to 40 dwelling units per acre

Up to 75 transient lodging units per acre

Maximum allowed Floor Area Ratio (FAR): 6.50

Maximum Allowable Percentage of Uses for Developments Using the Planned Unit Development format:

Retail: 65%

Office: 75%

Residential: 65%

Industrial: 65%

Intent: The purpose of this land use designation is to promote the sustainable development or redevelopment land near railways and/or major highways and in close proximity to the Canal Downtown Neighborhood, and also within the Deering Park Innovation Center at New Smyrna Beach on approximately 1,618 acres west of I-95 and south of SR 44 between areas designated as Sustainable Community Development and Activity Center, by providing maximum opportunity for innovative site planning for living, shopping, and working environments. Areas designated as Industrial Mixed Use are intended to accommodate a mix of light industrial/research, office, retail and low, medium ~~to~~ and high-density residential uses. Areas designated as Industrial Mixed Use are required to develop using the planned unit development format. The Deering Park Innovation Center at New Smyrna Beach is restricted to a total of six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres, and requiring at least 400 of those acres to be designated Natural Vegetation Area in the planned unit development agreement.

EXHIBIT D

INDUSTRIAL MIXED USE

Maximum allowed density:

Up to 40 dwelling units per acre

Up to 75 transient lodging units per acre

CITY OF NEW SMYRNA BEACH
PLANNING AND ZONING REGULAR MEETING

SUMMARY OF ACTION

MONDAY, MAY 6, 2024 – 5:30 P.M.

OPENING OF MEETING:

Call to Order:
5:30 p.m.

Roll Call:
Thomas Bien - present
John Hall - present
John Frankhouser - present
Stephen Yates - absent
Larry Wheatcraft - present
Carl Hodges - present
Kip Hulvershorn – present

APPROVAL OF THE AGENDA:

Changed the order of the agenda.

APPROVAL OF MINUTES:

2.A Approval of the minutes of the Planning and Zoning Regular Meeting Minutes for December 4, 2023, March 18, 2024, and April 1, 2024.

Unanimously approved.

PUBLIC PARTICIPATION:

None.

OLD BUSINESS:

None.

NEW BUSINESS:

5.A A-6-24: 2565 Pioneer Trail
Unanimously approved.

5.B A-7-24: 644 Dolores Street
Unanimously approved.

5.C CPA-2-24: Establish Deering Park Innovation Center and Amending the FLU Element of the Comprehensive Plan
Approved with a Vote of 4-2.

5.D CPA-1-24: Deering Park Innovation Amending the FLU from Agriculture, Forestry Resource and Conservation to Industrial Mixed Use
Approved with a Vote of 4-2.

5.E PUD-7-24: Dearing Park Innovation Center
Continued to June 3, 2024, Planning and Zoning Meeting.

5.F ZT-1-23: Floor Area Ratio Commercial Definition
Approved with a Vote of 5-1.

5.G PUD-2-23: 1300 S. Atlantic – Mixed Use Building/Parking Garage
Approved with a Vote of 5-1.

EXECUTIVE SUMMARY

The Southeast Volusia (SEV) County region, including the Cities of New Smyrna Beach, Oak Hill, and Edgewater, has unified in efforts to increase regional economic development. To promote collaboration, the SEV Chamber of Commerce conducted two leadership summits to build consensus and a deeper understanding of regional strengths, challenges, and opportunities. These strategic stakeholder engagement events, funded by an EDA Cares grant, included the participation of SEV cities, SEV Chamber of Commerce, Volusia County staff, Team Volusia, Southeast Volusia Manufacturing and Technology Coalition (SEVMTC), Southeast Volusia Advertising Authority, CEO Business Alliance, elected officials, several local businesses, education providers and the East Central Florida Regional Planning Council as discussion facilitators and to provide economic development and technical assistance support. As a result of these summits, and based on the culmination of work prior to and after these events, the SEV region has developed an overarching focal goal to increase and diversify the regional economy, to attract high-wage jobs by retaining and expanding a skillful and quality workforce to interest businesses and specific targeted industries that will provide with those desirable jobs, and that will be suitable for the region to grow and prosper in an innovative, sensible, and thriving way. In addition, this goal aims to protect the region's valuable natural resources and the region's quality of life. Overall, the efforts that facilitate implementation of the established goal provides for the consideration of SEV's people, places, and prosperity, emphasizing comprehensive community resilience building.

This SEV Economic Development Strategic Plan presents a regional analysis of SEV's demographic and occupational characteristics, employment profile, industry competitiveness, economic clusters, and challenges and opportunities. The analysis concludes with the established regional goal, five objectives, and a series of respective strategies and actions that work toward preparing for opportunities, pivoting from threats, addressing weaknesses, and reinforcing strengths to promote and increase regional economic development.

SEV Economic Development Summit, 2022 (Brannon Center)

Acknowledgement

This Economic Development Plan is based on a unified collaboration between the Cities of Edgewater, New Smyrna Beach, and Oak Hill, Volusia County, the Southeast Volusia Chamber, Team Volusia, and the Southeast Volusia Manufacturing and Technology Coalition . This report consists, in part, of information shared by the Southeast Volusia Manufacturing and Technology Coalition and its publications.

PURPOSE AND SCOPE

Combined as one economic community, distinctly dependent on each other yet each very unique, the Southeast Volusia region- composed of the City of New Smyrna Beach, the City of Edgewater, the City of Oak Hill, and Volusia County- has unified to address the challenge of recruiting companies that can help provide high-paying jobs and valuable industry development for the region. Thus, with this challenge in mind and the opportunity that this presents for regional economic growth, these governmental entities have collaborated to establish an economic development goal that aims to diversify the regional economy by attracting high-wage/high-value industries and jobs in those industries that have been identified as most compatible and competitive based on unique regional characteristics.

Southeast Volusia (SEV) is geographically, economically, and socially connected through common commercial, institutional, cultural, and recreational assets. In addition, this community shares valuable resources such as the Mosquito Lagoon, Atlantic seashore, Chamber of Commerce, and the largest contiguous industrial area in the county, to name a few. Hence, the region holds a variety of attractive site characteristics and quality of life attributes for businesses to consider when establishing or relocating their facilities. However, additional contributing factors such as a qualified workforce, accessible and adequate infrastructure, housing availability, vicinity to schools, and healthcare access play an essential role in decision-making processes in economic competitiveness and business development goals. Therefore, the SEV governing bodies have recognized the importance of a strategic plan focused on quality workforce development, funding and infrastructure, resilient and environmentally conscious land use, economic prosperity, and collaborative economic and industry growth efforts. Accordingly, the region will work to promote and propel the established desired goal by preparing for opportunities, pivoting from threats, addressing weaknesses, and reinforcing regional strengths. This plan, in addition, will serve to complement and support efforts from the SEV Manufacturing and Technology Coalition and regional marketing initiatives.

STRATEGIC PLAN GOAL

Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high-wage/high-value industries and jobs in aviation & aerospace; light (including manufacturing); boat building suppliers & marine equipment and services; medical; and corporate office industries.

REGIONALLY SHARED VISION

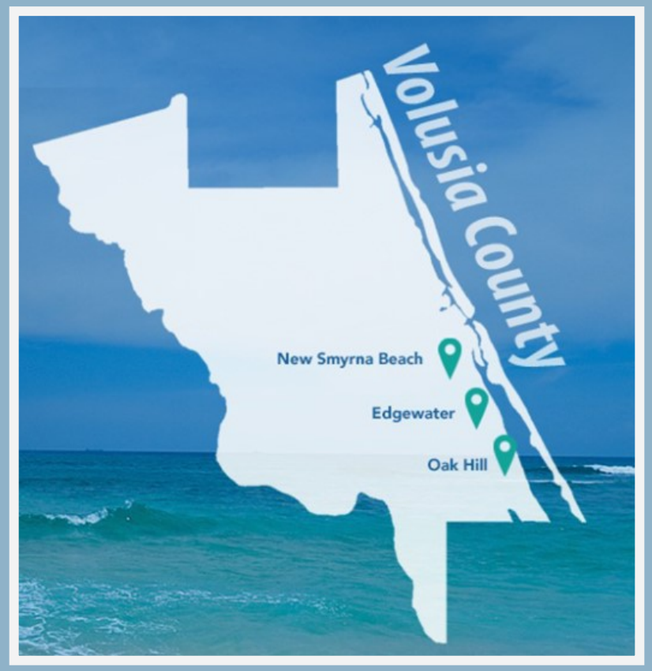
Southeast Volusia is recognized globally as competitive, business-friendly, economically strong community with a high quality of life.

ABOUT SOUTHEAST VOLUSIA (SEV)

Located by the Atlantic Ocean and north of Brevard County, the SEV region holds diverse and attractive characteristics that embrace wide-range economic development opportunities and conditions for overall great quality of life. Based on a SEV Strategic Marketing Plan initiative, the following regional attributes presented in this "About SEV" section have been identified. SEV offers a vast natural environment, world-class tourism/ecotourism experiences, and numerous recreational activities such as art, quality local restaurants, and quaint downtown districts for entertainment and retail.

In terms of education, the region offers excellent STEM program options- Edgewater Elementary Public School (the first elementary school in the State to become STEM) and Burns Sci Tech Charter School (NASA's Speakers Bureau Resource partner) - and quality post-secondary education, such as Daytona State College's New Smyrna Beach-Edgewater Campus. In addition, the region is near the Embry Riddle Aeronautical University campus, which also contributes with technical training and assistance opportunities for community building, workforce development, and industry recruitment.

Along with the many quality-of-life-related attributes, SEV also offers various economic influencing and location attractive qualities for businesses. For instance, the region is well-positioned to serve the aviation and aerospace industry. It is also a hub for boat and composite manufacturing, and it has a notable steel company presence. In addition, the region is also located in a prime area for aerospace supplier companies, near NASA and the Kennedy Space Center. Connectivity is also a key attribute of SEV for the business community. The region offers access to New Smyrna Beach Municipal Airport, Massey Ranch Airpark, Tully RV (private) airstrip, and Blue Ridge Flightpark (private) airport; and near Orlando International Airport (60 miles) and Daytona Beach International Airport.



SEV HIGHLIGHTS

- World class tourism and ecotourism area
- Quality educational opportunities
- Great quality of life components: art, outdoor activities, and quaint downtown districts
- HUB for manufacturing
- Well-positioned to serve the aviation and aerospace industry
- Access and close proximity to airports, port, rail, major connecting roads

ABOUT SEV (CONT.)

In terms of land and water transportation options, SEV has access to highway I-95, SR44 connection to highway I-4, US 1 route, Florida East Coast Railway, deep water Port Canaveral (90 miles away), Port of Jacksonville, Intracoastal Waterway, and soon access to additional and improved traffic arteries and connectors will be available.

Another notable attribute of the SEV region is the availability of site locations for businesses to build or relocate with great opportunities for financial success based on the many qualities previously stated. However, the site readiness and infrastructure availability is limited or slows site development and relocation opportunity. Thus, in order address this constrains, the SEV region has worked over the past years to develop strategies that will enhance area attributes and site readiness, and further promote economic development and industry growth.

Atlantic Center for the Arts

Mosquito Lagoon

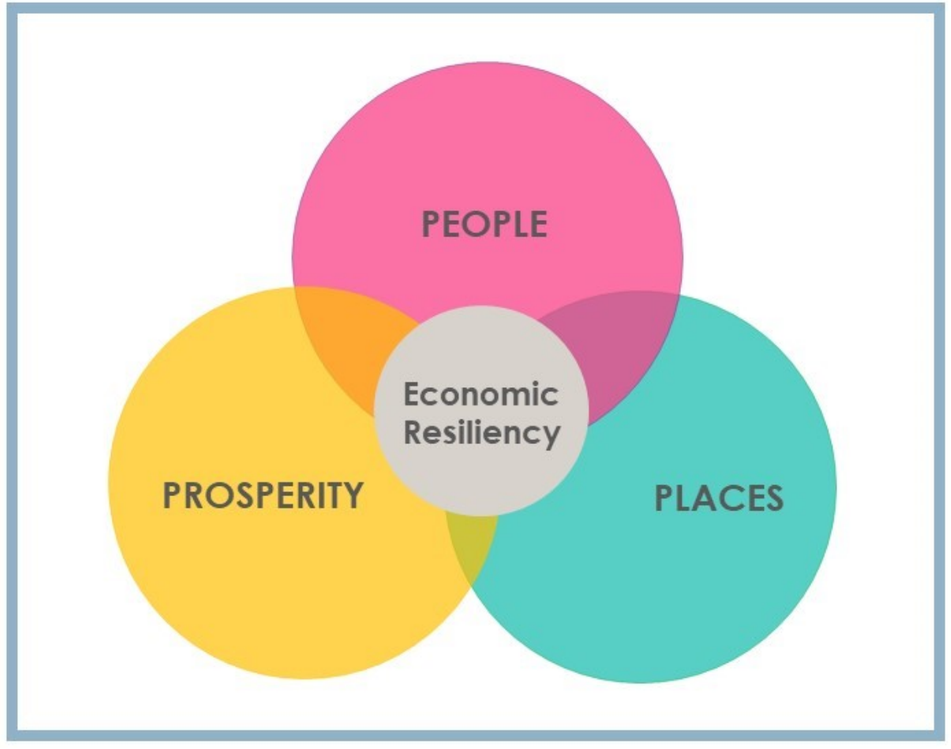
ECONOMIC FRAMEWORK

The East Central Florida Regional Planning Council (ECFRPC) has served as the region's Economic Development District since 2003. Through this partnership with the U.S. Economic Development Administration (EDA), the ECFRPC has helped communities and organizations attract more than $10 million in federal money to fund economic development projects. These include the Applied Aviation and Engineering Hangar at Embry Riddle University ($1 million) and infrastructure improvements to the Daytona Beach International Airport.

In order to access most EDA funding opportunities, economic development projects need to be compliant with the EDD's Comprehensive Economic Development Strategy (CEDS) document. A strategy-driven plan, the CEDS strives to create a resilient regional economy by fostering innovation, competitiveness, and industry diversification. The CEDS is developed with the assistance of a Strategy Committee comprised of members from the private and public sectors including economic development organizations, workforce development agencies, local governments, business leaders, higher education institutions, and private individuals. The East Central Florida CEDS document examines regional demographic and economic trends, measures the region's innovation capacity, identifies competitive industry clusters, and discusses the importance of place-based economics. The most updated version of the plan can be found at www.ecfrpc.org/economic development.

To address economic resiliency, the ECFRPC uses three pillars: People, Prosperity, and Places. The People factor addresses the general needs of the population, workforce, and local organizations to help foster social cohesion, inclusiveness, and community welfare. The Prosperity factor harnesses major industry assets and innovation systems to promote paths of upward social mobility, equity, and inclusive economic development. And finally, the Places factor focuses on the community's natural and built environments, infrastructure, place-based assets, local institutions, and governance systems to attract and retain economic activity, and improve the residents' health and well-being.

Resilience - The ability to *bounce forward*; absorb, recover, and get better in the face of short-term shocks like hurricanes or infrastructure failures and long-term stressors like affordable housing, aging infrastructure, shifting economic trends and climate change.



PEOPLE

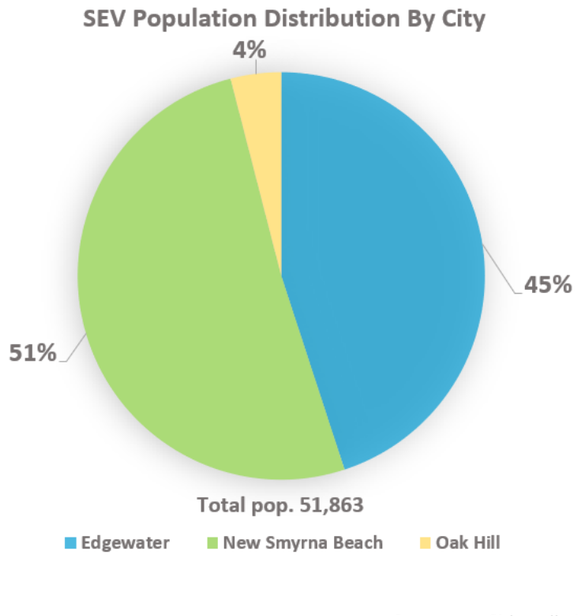
DEMOGRAPHIC CHARACTERISTICS

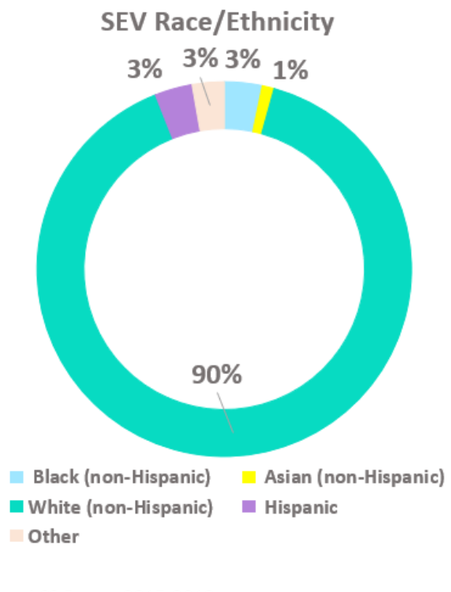
The Southeast Volusia (SEV) region is home to 51,863 people, which represents 10% of the County's population. Over half of the region's residents live within the City of New Smyrna Beach, with another 45% residing in Edgewater. The overwhelming majority of the region's residents are White/Non-Hispanic.

As a region, the female population makes up about 53% of the SEV residents from which 15% (4,098 residents) are 18 years old or younger, and 85% (23,578 residents) are 18 years old or older. The male population constitutes the remaining 47%, from which 14% (3,370 residents) are 18 years old or younger, and 86% (20,817 residents) are 18 years old or older. Fifty-three percent of the region's residents are of working age (18-64). When compared to Volusia, the SEV region has a lower percentage of young residents and a much higher proportion of retirees. The median age for each of the SEV cities is 51.1 in the City of Edgewater, 56.2 in the City of Oak Hill, and 59.3 in the City of New Smyrna Beach. The higher number of retirees within the SEV region explains why it has a lower labor force participation rate when compared to other jurisdictions.

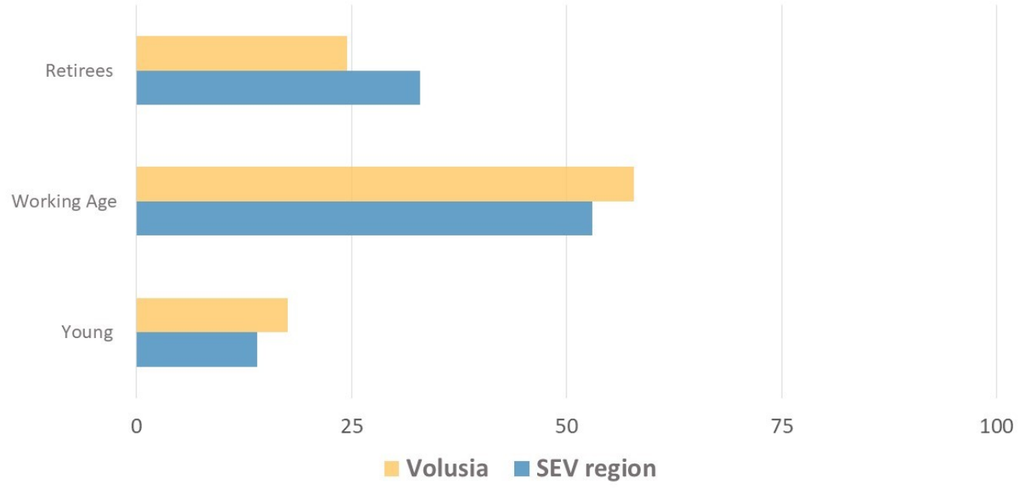
SEV Median Age By City		
Edgewater	New Smyrna Beach	Oak Hill
51.1	59.3	56.2

Source: mySidewalk, US Census ACS 5-year 2015-2019





Source: mySidewalk, US Census ACS 5-year 2015-2019



Source: mySidewalk, US Census ACS 5-year 2015-2019

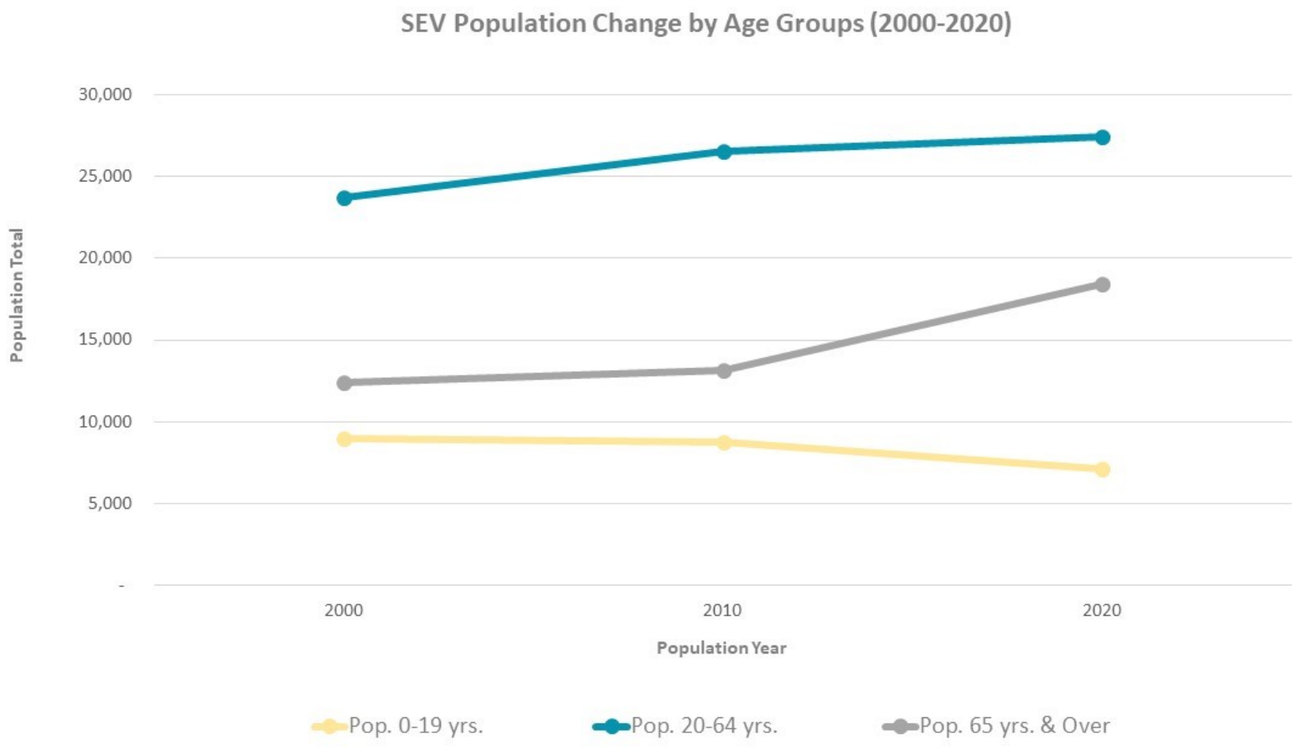
PEOPLE

DEMOGRAPHIC TRENDS

As previously discussed, currently more than half of the SEV region's population is within the working age range . Based on Census numbers, this segment of the population has increased slightly during the past two decades. The region added 3,775 residents between the ages of 20 and 64 during this time period.

While the SEV region's younger population decreased in the last two decades, the number of retirees continued to increase. One reason for this trend might be the construction of a housing stock that caters to retirees, especially those that want to live in the coast. There were almost 6,000 more retirees in 2020 than in 2000. This is a whopping 48 percent increase. On the other hand, the number of younger residents decreased by close to 2,000 people. Rising home prices has probably driven families to other nearby communities.

This graying population will have effects on the SEV's economy. Retirees tend to spend their money on health care and consumption services. While region's workforce has remained stable, regional leaders might want to develop more housing and amenities to attract more families to the area.



PEOPLE

DEMOGRAPHIC CHARACTERISTICS (CONT.)

In terms of education, SEV compares favorably with both Volusia County and the State of Florida. About 25% of the region's residents have a bachelor's degree or higher. This percentage is higher than the County (24%) but lower than Florida (31%). The SEV region does have a higher percentage of high school graduates and residents with "some college, not degree" than these other jurisdictions. To increase the region's competitiveness, SEV leaders should focus on capacity building for education and workforce development as part of the economic strategies; with this focal component, SEV will be able to attract businesses that provide higher-paying jobs and simultaneously facilitate the retention and expansion of the region.

The region's demographic structure and level of education influence the median household income. At $57,043, the City of New Smyrna Beach has the highest median household income in the SEV area. This income figure is relatively close to the numbers from the State of Florida ($57,073) and much higher than the County ($52,407). Conversely, the median household incomes for the City of Edgewater ($49,878) and the City of Oak Hill ($49,639) are lower than both jurisdictions.

SEV Median Household Income By City		
Edgewater	New Smyrna Beach	Oak Hill
$49,878	$57,043	$49,639

Source: mySidewalk, US Census ACS 5-year 2015-2019

OCCUPATIONAL CHARACTERISTICS

Another useful tool for examining the conditions of employment and the overall labor force is an occupational analysis. An analysis of the region shows that the largest occupation in SEV based on the number of employees is cashiers, with 509 people. Fast food and counter workers (477) and customer service representatives (247) are the region's second and third most common occupations. The mean annual wage for these three occupations is below $30,000. In terms of cashiers and fast-food workers, these occupations have a mean annual income of less than $25,000. Of the 13 biggest occupations by employment, only general and operations managers have a median annual income above $50,000.

An occupations analysis of the region shows that SEV heavily relies on hospitality, indicating a need for economic diversification.

Another way of looking at occupations is by their concentration. Location quotients (LQ) are used to gauge the relative strength of an industry or occupation compared to the national average for that industry. Hence, an occupation with an LQ of more than 1 shows the local strength of an industry over the national average. Of the occupations with the highest LQ within the SEV region, several have a presence in the manufacturing (fiberglass laminators, structural metal fabrication) and leisure and hospitality (host and hostesses, cooks, and waiters and waitresses).

Occupations By Highest Location Quotients By City

SEV City	Occupation	LQ
Edgewater	Fiberglass Laminators and Fabricators	172.30
	Marine Engineers and Naval Architects	27.23
	Motorboat Mechanics and Service Technicians	12.82
Oak Hill	Kindergarten Teachers, Except Special Education	9.04
	Education Administrators, Kindergarten through Secondary	8.13
	Structural Metal Fabricators and Fitters	12.32
New Smyrna Beach	Hosts and Hostesses, Restaurant, Lounge, and Coffee Shop	4.41
	Waiters and Waitresses	4.16
	Cooks, Restaurant	4.18

PROSPERITY

ECONOMIC STRUCTURE

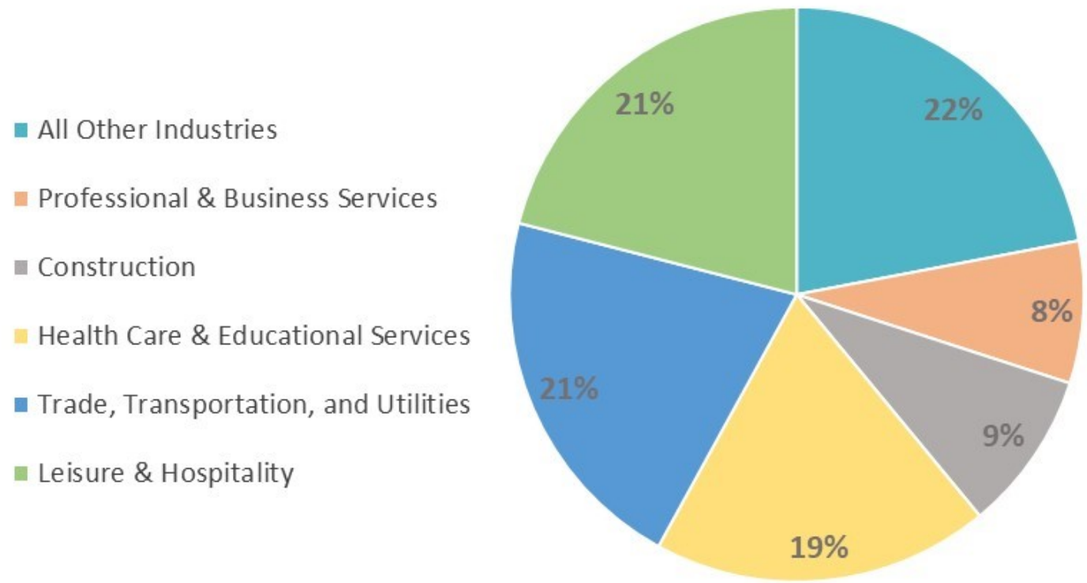
Economic structure is the term used to describe the composition of employment by industry in the local economy. Understanding this dynamic is the first step to analyzing SEV's economic competitiveness. Here it is is important to differentiate between "traded" and "non-traded" industries. The first set of industries drive economic growth because they sell their goods and services outside the region. Moreover, the development of their products is often dependent on national and international supply chains. Examples of traded industries include manufacturers and hotels. On the other hand, non traded industries mainly exist to serve the area's population and thus derive most of their income from the local consumption. These include establishments like supermarkets and barber shops.

According to JobsEQ, the SEV area had close to 15,000 employees in 2021. About 90 percent of these jobs belong to non-traded iand service producing industries. The Trade, Transportation & Utilities (TTU) supers sector comprises 21 percent of all jobs within the region. It includes wholesale and retail trade establishments, transportation companies, and private utilities. The second largest grouping is Leisure and Hospitality. While it includes some traded industries like accommodation, most of the local establishments are in the food services industry. Establishments within the Education and Health Services supersector provide education and medical services to the region's residents. Most of these establishments serve local residents.

When developing an economic development strategy, it is important to focus on strategies to attract more traded industries. These tend to generate more high-wage jobs for the area's residents and tend to have a bigger economic impact.

Industries Difference

Traded Industries	Non-Traded Industries
• Drive Economic Growth	• Provide Local Services
• Export Goods and Services	• Mostly Local Consumption
• National/ International Trends	• Regional Conditions



Source: JobsEQ, 2022

PROSPERITY

LARGEST EMPLOYERS

When addressing business structure, it is also important to know the name and location of the region's largest employers. According to Data Axle/Infogroup, SEV's largest employers are concentrated in the Health Care and Social assistance, Manufacturing, and Retail industries. The majority of these employment sites are located within the City of New Smyrna Beach.

The region's largest employer is Boston Whaler, located in the City of Edgewater, employing an estimated 1300 people. Followed by Advent Health New Smyrna Beach, as the second largest employer. This facility is a 112-bed hospital that employs about 700 people. The facility offers a comprehensive set of medical care services, including urgent and emergency care, cancer, diabetes, heart and vascular, home care, imaging, and lab services, among other services. Another large employer within the health care and social assistance sector is the Oceanview Nursing Rehabilitation Center, a skilled nursing facility. Finally, besides the Coconut Palms Beach Resort, the rest of the large employers are within the retail industry. Five of them are supermarkets.

Besides Boston Whaler boat manufacturing, most of the SEV region's large employers belong non traded industries. Most of these retail establishments pay wages below $15 an hour, which lessen the impact they have in the community. SEV leaders should focus their efforts on attracting large employers within traded sectors where the region is competitive.

Ten Largest Employers in SEV Region

Business Name	Estimated Employees	Industry	City
Boston Whaler	1300	Manufacturing	Edgewater
Advent Health NSB	700	Health Care and Social Assistance l	New Smyrna Beach
Walmart Super Center NSB	207	Retail	New Smyrna Beach
Oceanview Nursing Rehabilitation Center	200	Health Care and Social Assistance l	New Smyrna Beach
Publix Supermarket Edgewater	155	Retail	Edgewater
Coconut Palms Beach Resort	150	Accommodations	New Smyrna Beach
Publix Super Market New Smyrna Beach	150	Retail	New Smyrna Beach
Winn Dixie New Smyrna Beach	140	Retail	New Smyrna Beach
Winn Dixie Edgewater	130	Retail	Edgewater
Home Depot	120	Retail	New Smyrna Beach

PROSPERITY

MEASURING ECONOMIC COMPETITIVENESS

To identify competitive industries within the SEV region, the ECFRPC used location quotients. This is a ratio that compares the percentage of employment in a particular industry in a local economy to the percentage of employment in the same industry in a reference economy (McLean and Voytek, 2000). The LQ measure is popular because it is easy to understand. A ratio higher than 1 implies that there is an excess capacity in that particular industry. This means that the local economy probably exports these goods and services to other areas. As a destination for both regional tourists and outside visitors, the SEV shows strength on several Leisure and Hospitality sector. However, since the intention of this project is to diversify the region's economy, the ECFRPC focused this analysis on non-service industries within the targeted sectors.

According to JobsEQ, the three cities have a high location quotient (LQ) in the ship and boat building industry, including all types of watercraft manufacturers. The cities of Edgewater and Oak Hill share high LQs in the medical equipment and supplies manufacturing. These establishments manufacture a variety of products, including surgical instruments, medical appliances, and orthodontic goods, among others. In addition, these same cities also have establishments that specialize in manufacturing a variety of metal products. Being home to a municipal airport, the City of New Smyrna Beach has shown a high concentration in the non-scheduled air transportation and the support activities for air transportation industries. The first includes all establishments that transport people and cargo with no regular routes and schedules. The second industry consists of a variety of aviation services, including airport operation, aircraft maintenance, repair, and storage, among others.

The next section of the plan shows a more detailed discussion regarding the number of establishments within these sectors and allied industries.

City	Industry	Targeted Cluster	LQ
Edgewater	Ship and Boat Building	Boats	46.4
	Other Fabricated Metal Product Manufacturing	Boats	3.03
	Medical Equipment and Supplies Manufacturing	Medical	1.81
New Smyrna Beach	Ship and Boat Building	Boats	1.49
	Nonscheduled Air Transportation	Aviation	3.64
	Support Activities for Air Transportation	Aviation	5.64
Oak Hill	Ship and Boat Building	Boats	2.71
	Medical Equipment and Supplies Manufacturing	Medical	1.04
	Architectural and Structural Metals Manufacturing	Manufacturing	23.45

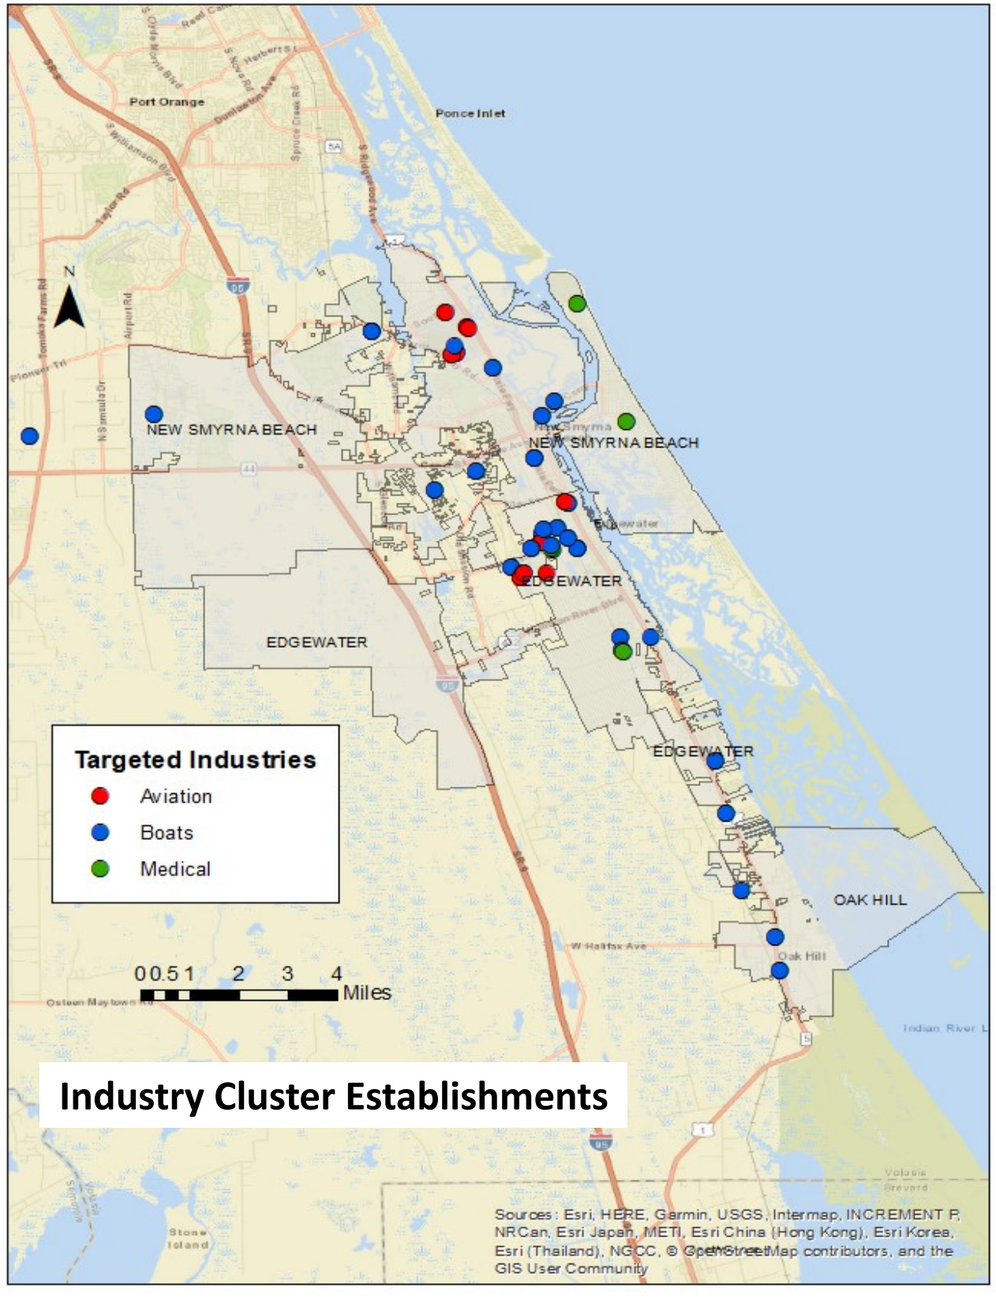
PROSPERITY

ECONOMIC CLUSTERING

Establishments within traded industries and their suppliers tend to agglomerate near each other to achieve economies of scale and gain a competitive advantage. These networks of inter-related businesses are called industry clusters. These firm concentrations are important regional job and wealth generators and are responsible for developing important technological innovations. For this analysis, the ECFRPC used the Data Axle/Infogroup business database to identify businesses that fall within three of the SEV's targeted industries. The ECFRPC found establishments related to the aviation, boats, and medical devices industries, but not corporate headquarters.

The ECFRPC identified 47 businesses employing more than 1,100 people. Sixty-six percent of these establishments belong to the boating industry. This number includes large boat manufacturers and their parts suppliers and repair services. There are also twelve establishments that provide a variety of aviation services. Most of these establishments provide support services to airplanes stationed at the New Smyrna Municipal Airport. Finally, the ECFRPC found four companies that develop medical devices and other health care technologies. Two of them are denture laboratories.

Before developing an economic strategy to attract more businesses within these targeted industries, it recommended for the region to explore how these current businesses could be scaled-up to help them generate more profits and additional jobs.



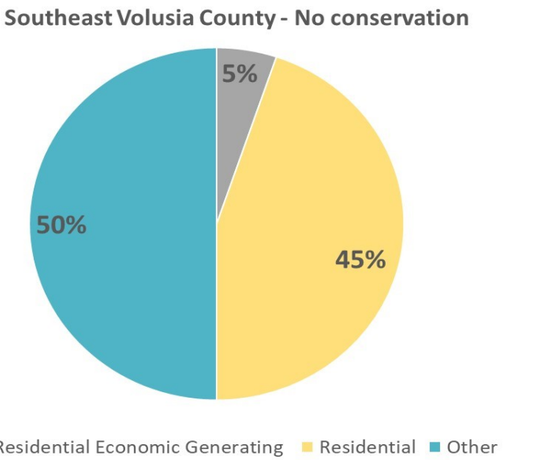
PLACES

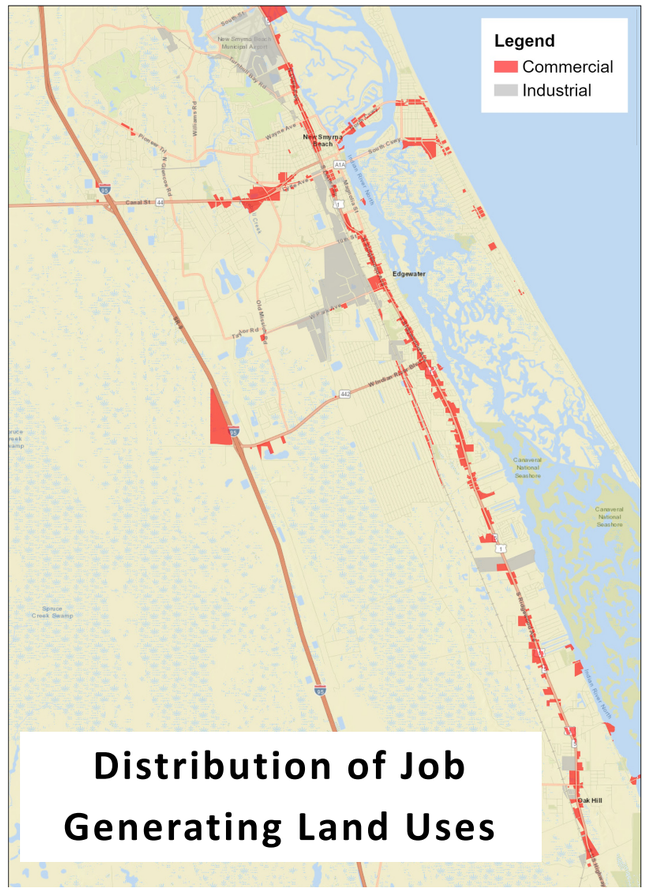
LAND USE PATTERNS

One important factor that is not usually included in economic development discussion is land use. This is mistake, as the community's ability to attract new businesses is highly dependent on the availability of land. For the purpose of this analysis, the ECFRPC divided the region's land uses into three different groups: residential, economic generating, and other land uses.

Similar to other communities across the East Central Florida region, most of the land within the SEV region is used for residential purposes. This group comprises all properties used for single-family, mobile, and multi-family home uses. Residential uses consumes about 45 percent of the land in the SEV area. This amount is heavily influenced by the region's population growth and demand for leisure waterfront properties. Economic generating land uses include all properties that have commercial and industrial designations. The first two land uses mostly serve local consumption industries such as retail and professional services. These tend to be concentrated along major throughfares such as US-1. On the other hand, industrial land is usually reserved for high intensity commercial uses and manufacturing. These uses comprise about five percent of the land within the SEV. Finally, the Other category includes agricultural, recreation, institutional, and mixed-use properties. These uses take about half the land within the SEV region.

In order to increase the SEV's economic prospects, local jurisdictions should strive to have more of a balance between residential and non residential land uses.





Distribution of Job Generating Land Uses

WORKSHOP #1 RESULTS

On May 17, 2021, the Southeast Volusia Chamber of Commerce hosted the Southeast Volusia Economic Development Summit with the purpose of assessing the interest in furthering the collaborative efforts of economic development for the SEV region to include the cities of New Smyrna Beach, Edgewater, Oak Hill and County of Volusia as well as determine what economic development efforts were occurring in the region.

During the workshop section, attendees were asked a series of question to move collaborative efforts forward, the following are the results of this activity.

What is Southeast Volusia's unique selling position/drivers?

- Workforce
- Proximity to Kennedy Space Center
- Land
- Climate
- Training opportunity/workforce development
- Community
- Open for business
- Access (Cape Canaveral, transportation, ports, rail)
- Diversity
- Existing businesses
- Real estate product
- Support programs
- Recreation
- Low cost of living
- Family Orientated
- Available land
- Light industry
- Schools/education
- Infrastructure
- Pad ready
- Quick permitting
- Career and Technical education
- Incentivize new business
- Can do attitude
- Wage increase

Challenges and Diversification - Needs to overcome challenges and enhance diversification as a Southeast Volusia Region:

- Streamlined environmental impact permitting to support quicker, lower-cost development, taking advantage of lower cost acreage.
- Better understanding of what is and is not working § Reduced risk for filling and building spaces
- Method to defer upfront cost
- Streamlined process for municipal staff that integrates day to day operations plus collaboration within the regional economic development initiatives (not piling more requirements and duties on)
- Similar zoning
- Include all the player
- Elected bodies create policies / resolution to work together
- Identify landowners in key property areas and solicit them
- Share standard incentives
- Identify low hanging fruit. No paralysis by analysis
- Get more business partnerships
- Have the planners work together
- A regional permitting process that will be available to be filled out and submitted online
- Overview so within state statute
- Clearly articulate value and ROI of economic development to everyone in the community.
- Adopt comp plan amendments for space overlay
- Understand clear desires of elected § Continue to have these kinds of meetings to move forward and track progress
- Regional incentives package

WORKSHOP #1 RESULTS (CONT.)

Building Consensus - Building consensus for a regional collaboration to capitalize on each community's strength while working collaboratively to overcome the challenges:

- Empowering elected officials to withstand the pushback from those that don't want change.
- Develop MOU for regional process to examine what is working, what is not working from deals that have "failed" – improve from there
- In SE Volusia collaboration and consensus looks like...including all stakeholders, expanding existing businesses, and creating private/public partnerships.
- In MOU agree to apply for EDA grant to develop a Regional Economic Development Strategy (REDS)
- Continuing the collaboration between the cities to build towards the growth of the private and public sector.
- Regional incentives and funding for economic development
- Need a regional economic strategy in writing with a timeline and stick to it and not vacillate with changing political wind
- Regional CEDS
- Better understanding of why we don't land the businesses that we want to recruit
- Major focus on workforce attraction. i.e. tax incentives, sufficient wage, and subsidies to encourage and attract workforce.
- Council and Commission members singing the same tune, knowing how to communicate with the naysayers with facts and positives
- Collaboration and consensus building in SE Volusia looks like business leaders sharing with educational institutions how to prepare the next generation of business owners and managers.
- More joint meetings
- Support our elected officials
- Open dialogue with private and public sectors

WORKSHOP #2 RESULTS

On February 24, 2022, the Second Southeast Volusia Economic Development Summit was held to identify and build consensus around strategies to advance and coordinate economic generating development focusing on the previously identified industries: aviation & aero-space, light industry (including manufacturing), boat building & marine equipment, supplies & services, and medical. Commercial corporate office space was added to this list of targeted industries.

During the workshop section, attendees participated in a map exercise to discuss on where they envision non-residential, economic generating land uses. Refer to discussion notes below and the map to the right for activity results.

Proposal for North

Industrial and commercial zone to connect along Williamson corridor, space between I-95 (transition zone)

- Deering Park North & Deering Park Center- mixed use areas (industrial and commercial)
- Discussion on improvements to Old Mission Rd.
- Between New Smyrna Beach and Edgewater (south of 44)- industrial park (potential)
- Consensus: on the north part of SEV, this would be the bubble supported

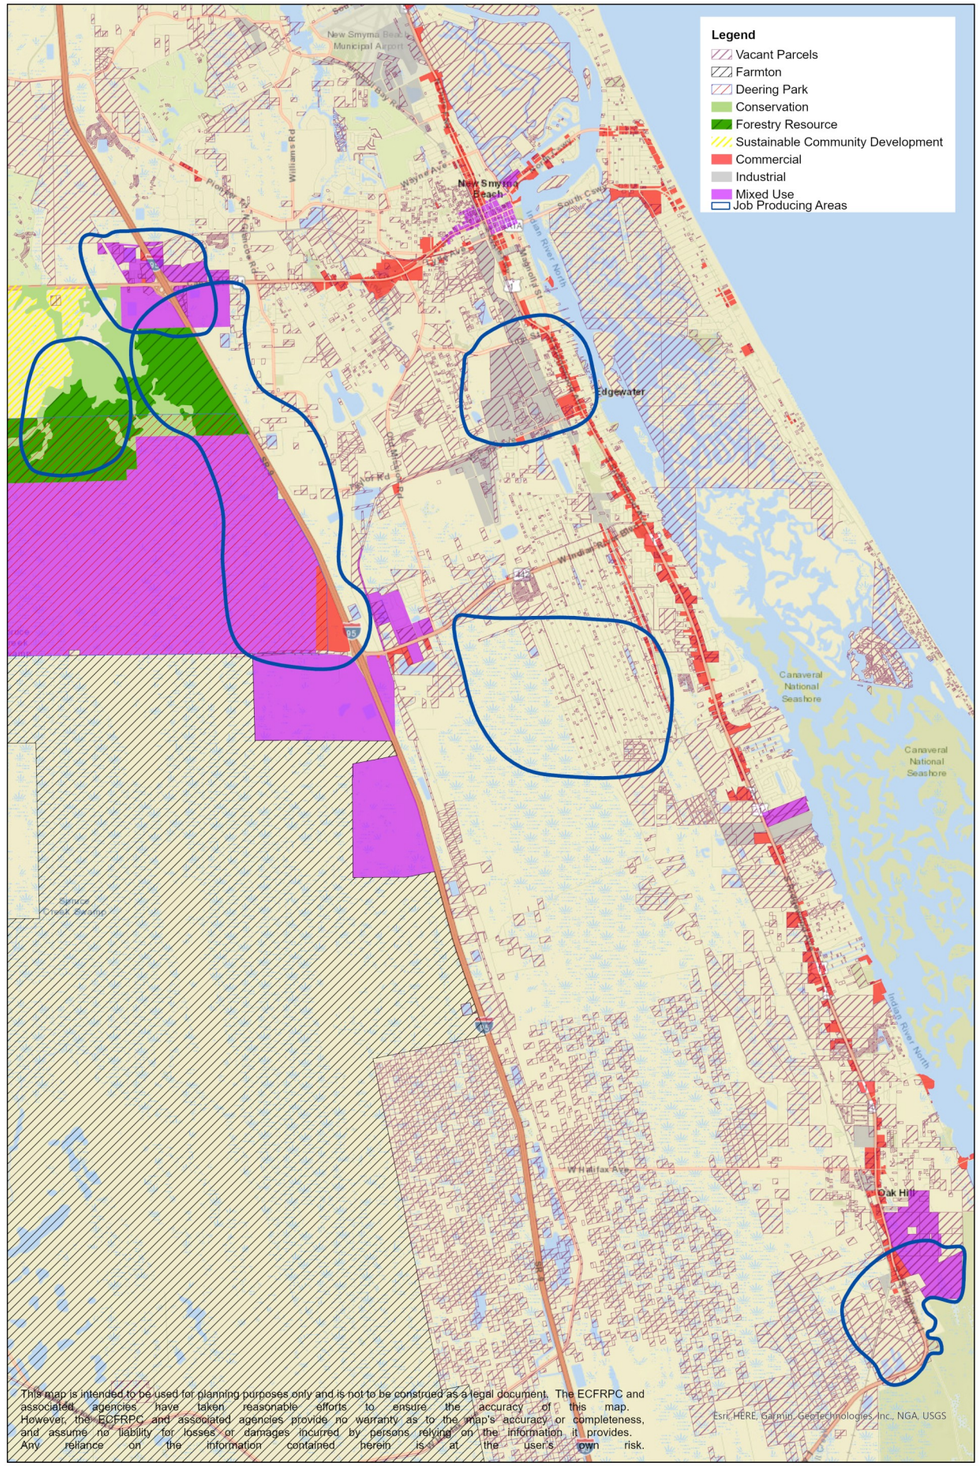
Office spaces can fall under other designation- mix uses for the most part allow for this kind of use.

Proposal for South

Brevard County line and I-95 section and US 1 could be used for manufacturing or commercial area (e.g., space industry)

- SEV Environmental Impacts Study (EIS)- e.g., Shiloh property extension
- There is an opportunity for leveraging, both, environmental initiatives (septic to sewer, etc.) and jobs.

Southeast Volusia FLU and Vacant



PLANNING FOR ECONOMIC DEVELOPMENT

Based on over a year of collaborative and culminating work focused on SEV's regional economic development, local experts have developed a single overarching goal to continue working as one economic region to diversify the economy by attracting identified targeted industries for high-wage/high-value job opportunities. This goal consists of five objectives and multiple respective strategies and actions to prepare the region for existing and new economic opportunities, pivot away from threats, address weaknesses, and reinforce existing strengths to position the region in a more competitive and industry-inviting place.

In May 2021, the Southeast Volusia Chamber of Commerce hosted the first Southeast Volusia Economic Development Summit, where the Chamber, along with the representatives from each of three SEV cities (City of New Smyrna, City of Edgewater, and City of Oak Hill), Volusia County, and the facilitative assistance of the East Central Florida Regional Planning Council, participated in a regional discussion that supports and further moves SEV's economic development collaborative efforts. During this meeting, areas and industries of priority were also identified for focused work. In February 2022, a second summit was held to continue the work. At this summit, city representatives and elected leadership further discussed priorities and concerns, established a vision of work, evaluated regional gaps and needs for increasing the suitability of sites for potential targeted businesses and industries, identified land use options and areas, and identified prospective collaborating partners/stakeholders. The outcomes of these summits have resulted in the established regional economic development goal presented in this document.

Goal

Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in aviation & aerospace; light (including manufacturing); boat building suppliers & marine equipment and services; medical; and corporate office industries.

Objectives

- **Position the region to maximize the opportunity for state, federal and county funds for infrastructure needs and quality-of-life projects.**
- **Strategically plan land-uses for increasing economic generating opportunities within the Southeast Volusia region that promote sustainable development patterns and a resilient and diverse economic future.**
- **Close the employment training, recruitment, expansion, and retention gap for target industry sectors.**
- **Create a unified and collaborative approach to Southeast Volusia's economic development as a region.**
- **Elevate regional economic prosperity through sustainable and resilient industry growth, diversification, and innovation.**

PLANNING FOR ECONOMIC DEVELOPMENT (Cont.)

It is important to note that in conjunction with these discussions, previous regional economic and strategic marketing plans have been analyzed to complement and promote existing and ongoing regional undertakings, along with fostering new strategies. In addition, the work presented in this plan takes into consideration the efforts that have been established in the regional Reasonable Assurance Plan by incorporating strategies that help promote, prepare, address, and reinforce environmental stewardship for maintaining healthy ecosystems and pivot away from practices that threaten the region's valuable natural resources.

The strategies included to address each of the objectives in this plan take into account and position the region to take action on a variety of priorities that will help advance the regional economy and assist in industry readiness. The priorities covered throughout the objectives include infrastructure development and availability (i.e., water, sewer, stormwater, transportation, broadband, electric and renewable energy, and affordable housing), strategic and reasonable land use, protection and enhancement of quality-of-life attributes (including natural areas conservation), funding opportunities, workforce development, strategic industry growth, innovation and sustainability, and regional collaboration and leadership.

The following section presents the strategy tables in which the work has been laid out for achieving the established regional economic development goal. The strategies proposed are non-exhaustive but help propel existing and new regional endeavors.

The Strategic Plan Considers:

- **Regional strategic marketing initiatives**
- **Regional Reasonable Assurance Plan**
- **Infrastructure needs**
- **Accessibility/Transportation**
- **Strategic and reasonable land use**
  - **Protecting and enhancing quality-of-life attributes**
- **Funding opportunities**
- **Workforce training, innovation, retention, and expansion**
- **Sustainable and resilient industry growth and diversification**
- **Regional collaboration and leadership**

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Position the region to maximize the opportunity for state, federal and county funds for infrastructure needs and quality-of-life projects

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
1.a. Create a regional infrastructure plan that includes an inventory of potential projects and estimated costs.	1.a.i. Secure funding and hire a consultant to facilitate conversations and develop the infrastructure plan.	2-3 years			
	1.a.ii. Build consensus around infrastructure focus areas to include: water, sewer, stormwater (including green stormwater infrastructure and low impact development), transportation (multimodal, transit, charging stations), broadband/high speed internet, electric, alternative energy–renewable readiness, workforce/affordable housing, etc.	2-3 years			
	1.a.iii. Identify key stakeholders to bring to the table including: utility providers (FPL, NSB Utilities, Florida Public Utilities, Florida Gas Transmission Co., AT&T, Brighthouse/Spectrum, CBN Broadband Network, City and County utility departments), major land owners, transportation entities (River to Sea TPO, VoTran, FDOT, County Transportation Division, FEC Railroad), target industry representative, major employers*, housing representatives (Volusia County Assistance Division, Realtors Association), medical/healthcare service representatives (Florida Hospital, Florida Memorial Hospital Health Park, Halifax Health), Volusia County Schools, permitting agencies (SJRWMD, FDEP), Indian River Lagoon Council, elected leaders and city/county staff.	2-3 years			
	*: SEV Manufacturing & Technology Coalition, SEV County Major Employers webpage: https://www.sevolusia.com/southeast-volusia-county-manufacturers/index				

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Position the region to maximize the opportunity for state, federal and county funds for infrastructure needs and quality-of-life projects

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
1.a. Create a regional infrastructure plan that includes an inventory of potential projects and estimated costs (cont.)	1.a.iv. Create a cohesive multi-modal transportation section within the plan to provide for the movement of goods and people that promotes vibrant economic development while safely, conveniently, and efficiently serving the travel needs of southeast Volusia, protecting the natural environment and preserving the character and history of the region. The plan should provide for the following considerations: downtowns, freight and economic ingress/egress, parking solutions—especially in New Smyrna Beach, new/enhanced multimodal infrastructure, future climate conditions, incorporation of innovative stormwater solutions to improve water quality of the IRL, and others.	2-3 years			
	1.a.v. Develop a prioritized list of regional infrastructure projects and cost estimations for inclusion in the plan that may be used to seek grants , other funding or public private partnership opportunities. The list should include projects necessary to develop industrial park west of I-95 straddling NSB and Edgewater as well as those identified through collaborative efforts undertaken to date including: • Williamson Extension • Widening of Mission Road • Sewer & water extension from Roberts Road to Brevard County line.	2-3 years			
	1.a.vi. Assess the Regional Assurance Plan and identify projects within the southeast Volusia area to be incorporated into the SEV Infrastructure Plan.	2-3 Years			
	1.a.vii. Municipal and county adoption of the plan by resolution.		3-5 years		

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Position the region to maximize the opportunity for state, federal and county funds for infrastructure needs and quality-of-life projects

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
1.b. Include in the development of the infrastructure plan a grant tracking table to identify potential funding sources, requirements (such as engineering and design, match, etc.), timelines and other considerations.	1.b.i. Identify potential partner(s) to secure grants in order to advance infrastructure development in priority development area(s) identified by leadership and as noted in this plan including the priority area between New Smyrna Beach and Edgewater. Partners could include SEV Chamber of Commerce, SEV cities, R2CTPO, Indian River Lagoon Council, utility partners, Volusia County Schools, Housing developers, private companies/businesses, and others.	2-3 years			
	1.b.ii. Research state and federal grants to fund infrastructure needs including those "outside of the box" – i.e. resilience or water quality grants to create onsite or regional stormwater infrastructure; structure projects as a dig once approach to secure grants that could cover planning or implementation of a number of infrastructure needs on one site at one time.	2-3 years			
1.c. During the collaboration efforts to develop the Infrastructure Plan, work with the City leadership to determine consensus regarding a regional financial mechanism to provide matching dollars for regional infrastructure.	1.c.i Collaborate with elected officials and city managers to determine consensus on an approach which could include a dedicated annual budget line item, increase in stormwater impact fees or other impact fees, a Regional Trust fund or other potential options. Note: Each city may opt to secure the funding through their own means, but at the very least, city and county partners should work to come to consensus regarding dollars allocated every year and how the dollars may be utilized or rolled over to create a growing account for infrastructure projects if not spent in a given year.	2-3 years			
	1..c.ii. Incorporate agreed upon approach into the infrastructure plan and resolution for adoption.		3-5 Years		
	1.c.iii. As housing has been discussed as being "infrastructure", partners should continue to explore the idea of funding an Affordable Housing Trust Fund.		3-5 Years		

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Strategically plan land-uses for increasing economic generating opportunities within the Southeast Volusia region that promote sustainable development patterns and a resilient and diverse economic future.

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
2.a. Re-envision corridors/areas to focus future economic generating land-uses (non-residential)	2.a.i. Conduct an audit of the priority areas identified by leadership to focus efforts to increase opportunities for economic generating land uses. This should include infrastructure gaps, vulnerabilities, land-use designations, and socio-economic framework of the area.	2-3 years			
	2.a.ii. Assess growing trends in the manufacturing sector to target industries that will diversify the region's economic future and can operate on smaller parcels or within manufacturing parks and areas identified in the priority areas.	2-3 years			
	2.a.iii. Develop a vision for these areas including potential land use designations, workforce housing, infrastructure needs, future conditions, and target industries.	2-3 years			
	2.a.iv. Work with property owners and jurisdictional planners to identify willing participants in planning tools to secure the future economic land-use on these properties.	2-3 years			
	2.a.v. Update comprehensive plan, zoning and land development codes to solidify incentives, overlays or other identified planning approaches.		3-5 years		
	2.a.vi. Conduct small area design planning as needed to ensure development occurs as desired.		3-5 years		
	2.a.vii. Implement Joint Planning Agreements for these corridors or properties as needed.	2-3 years			
	2.a.viii. Secure various cross-sector partnerships to create the spaces for businesses to scale over time		3-5 years		

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Strategically plan land-uses for increasing economic generating opportunities within the Southeast Volusia region that promote sustainable development patterns and a resilient and diverse economic future.

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
2.b. Examine zoning and land-uses to determine potential for more innovative approaches, beyond mixed use, to facilitate mix of uses including light industrial/commercial/office and residential.	2.b.i. Conduct best practice research for innovative zoning and land use designations that integrate land uses instead of segregation of industrial from other uses. Example: Philadelphia code offers two new classifications, Industrial Commercial Mixed Use (ICMX) and Industrial Residential Mixed Use (IRMX), which focuses on live-work arrangements.	2-3 years			
	2.b.ii. Examine zoning allowances for small scale manufacturing and incubators that could offer classes, fabrication and prototyping tools, electronic/computer equipment, and design software for members.	2-3 years			
	2.b.iii. Identify industries that do not require heavy infrastructure nor generates heavy traffic patterns.	2-3 years			
	2.b.iv. Audit zoning, land development codes and future land uses to determine where barriers exist to innovative allowances, and the potential and appetite for new codes and where these could be implemented .	2-3 years			
	2.b.v. Create an internal process in each community to ensure cross-sectoral communication and involvement in decision-making for planning, natural resources, grant application, and economic development is standard practice.	2-3 years			
	2.b.vi. Research and implement renewable ready codes and sustainable policies and initiatives to encourage the formation and growth of targeted industries and other high wage/ high value job creating businesses, entrepreneurship, creativity, and innovation.		3-5 years		
	2.b.vii. Develop strategies and codes that will allow for future development to contribute towards further enhancing environmental protections without becoming cost-prohibitive and/or unreasonable to the developer such as low impact design requirements and other stormwater management strategies.		3-5 years		2(**2034**

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Close the employment training, recruitment, expansion, and retention gap for target industry sectors.

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
3.a. Conduct gap assessment of educational and training resources and needs to feed manufacturing industries from high school pipe-line and retraining and expand programs within the region.	3.a.i. Conduct inventory of programs and (re)trainings available in Volusia County high schools, community and technical colleges.	2-3 years			
	3.a.ii. Conduct best practice research for strategies to close training and recruitment gaps in manufacturing industries.	2-3 years			
	3.a.iii. Engage with groups to assist with the training and recruitment of target groups including Volusia County high schools, Burns Science and Technology Charter School, Southeast Volusia School of Science and Technology, Veterans Services, Career Source, major employers, Daytona State College, non-profits specializing in workforce training and placement, religious institutions and other identified stakeholders in the development of strategies and program development and assist in assigning responsible parties and identify partnerships.	2-3 years			
	3.a.iv. Identify and engage training and recruitment target groups including high school students, armed forces retirees, unemployed, underemployed, etc. in the development of strategies and program development.	2-3 years			
	3.a.v. Produce recommendation report for appropriate stakeholders to consider for implementation to include timeframes, responsible party leads for specific actions and partnerships.	2-3 years			

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Close the employment training, recruitment, expansion, and retention gap for target industry sectors.

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
3.b. Continue to collaborate with stakeholders to assess progress recruitment and training recommendations and identify new partnerships, opportunities and strategies to advance recommendations in Recruitment and Retention Gap Analysis and Strategy Plan.	3.b.i. Continue to host roundtable session(s) to include educational and training entities, elected officials and industry representatives. Key stakeholders include those included in the development of the plan and NextGen Leaders, Burns Science and Technology Charter School, Sacred Heart School, Southeast Volusia School of Science and Technology, New Smyrna Beach High School, Daytona State College, Career Source, etc.		3-5 years		
	3.b.ii. In roundtable sessions, engage in dialogue to continue to identify private – public partnerships, non-profits and other organizations including 501 c(3), faith-based organizations, and others to advance strategies and opportunities to help close the recruitment and retention gap.		3-5 years		
3.c. Develop recruitment, retention, and expansion tools for regional industry growth.	3.c.i. Volusia Business Resources (VBR) and Team Volusia should continue to host the existing website with online resources for business expansion and retention. The Cities, partners and VBR should continue to update this website with new information, partnerships, etc. that emerge from the above engagement.				X
	Note: VBR website https://www.volusiabusinessresources.com & Team Volusia https://www.teamvolusiaedc.com/				
	3.c.ii. Continue efforts and information accessibility for recruitment of new industries and perspective entrepreneurs through easy to access and navigate website and include for example the development of a crosswalk of business installation prerequisites, services available, and infrastructure or resources required from the region to help expedite business residency in SEV.				X
	3.c.iii. Include on the VBR website a regional service provider and business directory by category.	2-3 years			

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Close the employment training, recruitment, expansion, and retention gap for target industry sectors.

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
3.d. The Chamber should continue to emphasize and market the region's reputation for entrepreneurship and innovation as a regional business identity.	3.d.i. Host annual business meetings to showcase successful local businesses and partnerships.				X
	3.d.ii. Develop a set of marketing material to promote identified the region's entrepreneurship and innovative investment opportunities.				X
	3.d.iii. Continue to promote business technology and resource investment, competitiveness, and excellence through incentives such as innovation awards, recognition programs, funding support, and scoring to help assist with business and regional improvements and create pathways into global recognition.				X
	3.d.iv. Continue collaboration with Volusia County, Team Volusia, and South East Volusia Manufacturing and Technology Coalition (SEVMTC).				X

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Continue the unified and collaborative approach to the Southeast Volusia's economic development as a region

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
4.a. Continue collaborative meetings and forums with regional planners, economic development staff, stake-holders and local representatives to regularly participate in efforts that address current and future identified issues and priorities at least once a year.	4.a.i. Continue to convene the regional economic leadership taskforce to deliver strong economic leadership and collaboration between all levels of government, industry, and the community. These meetings should be held no less than quarterly to ensure momentum and utilize the group to advance efforts of this plan.				X
	4.a.ii Host a minimum of one leadership forum session per year to focus on targeted collaboration, problem solving and partnership development. The leadership forum should include, as a minimum, elected and appointed government leadership and staff with key industries, academics, non-profits, and other identified stakeholders invited to the table dependent upon the focused discussion of the session. The goal of the leader-ship forum is to discuss and acknowledge economic development gaps and identify and promote opportunities across the region to ensure the region is well placed to grow and respond to economic changes/impacts.	2-3 years			X
4.b. Continue to seek, leverage, and mobilize internal resources and opportunities to build and sustain eco-nomic development and collaboration.	4.b.i. No less than quarterly, city and county planners and economic development staff, SEVMTC, and SEV Chamber should meet to discuss new opportunities, plan implementation progress and continue to collaborate to advance this plan and economic development opportunities, planning efforts and new partnerships. This meeting should be a recurring meeting hosted by the Chamber of Commerce.	2-3 years			
	4.b.ii. In collaboration with the County and cities GIS Department, City/County planners, economic develop-ment staff, and SEVMTC, continue the efforts to create a web-based regional mapping application for use by re-cruitment individuals and organizations, site selection professionals, and economic development practitioners to streamline the process in identifying non-residential development opportunities for targeted industries to locate in the region. The information included in the map should include a minimum zoning, future land use, site size, environmental constraints, utilities, and jurisdiction.	2-3 years			

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Elevate regional economic prosperity through sustainable and resilient industry growth, diversification, recovery planning and innovation

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
5.a. As resilience and recovery are important regional themes to incorporate into regional and local Comprehensive Economic Development Strategy (CEDS), conduct a vulnerability assessment of the region's economic system and identify strategies to adapt to shocks and stressors.	5.a.i Conduct an assessment of the region's economic system to identify industry conglomerations, industry gaps, supply chain resources, and other identified economic resources and vulnerabilities. This would include interviews with industry leaders to assess resources needs and where they obtain these resources for their operations.	2-3 years			
	5.a.ii. Work with practitioners and industry stakeholders to identify a regionally consistent set of indicators and benchmarks including economic vulnerability indicators to track progress being made in resilient economic development. Research of best practice indicators should occur during this process. This activity could be undertaken as a masters thesis with one of the local universities. Utilize resources found on NADA CEDS Central and US EDA for best practices which includes numerous tools such as National Economic Resilience Data Explorer (NERDE) and Analysis Platform for Risk, Resilience, and Expenditures (APRED).	2-3 years			
	5.a.iii. Update local CEDS plans to incorporate new metrics and ensure identified shocks and stresses are included as they don't stop at geographical or jurisdictional boundaries, making the need to prepare and respond to these events a regional effort. The CEDS planning process is therefore an ideal opportunity to position regions for recovery.		3-5 years

SEV REGIONAL ECONOMIC STRATEGIC PLAN

Goal: Continue working as one economic region to diversify the Southeast Volusia regional economy by attracting high wage/high value industries and jobs in the aviation & aerospace; light industry (including manufacturing); boat building supplies & marine equipment and services; medical; and corporate office industries.

Objective: Elevate regional economic prosperity through sustainable and resilient industry growth, diversification, recovery planning and innovation

Strategies	Actions	Time frame			
		Short-term	Mid-term	Long-term	On-going
5.c. Increase the number of industries within the region's innovation cluster and clean/green emerging industries to encourage economic diversification and circular economy concepts	5.c.i. Host a symposium or regional economic development summit focused on innovation and emerging technologies across sectors (private, government, community, academia, and clusters) to develop understanding, partnerships, and commitments for innovation.		3-5 years		
	5.c.ii. Develop recommendations, strategies and best practices that provide financial and non-financial incentives for "green" economic growth.	2-3 years			
	5.c.iii. Provide education on opportunities and resources offered by sustainability sector programs and entities such as Social Enterprise/B Corp.	2-3 years			
	Note: B Corp website: https://www.bcorporation.net/en-us/				
	5.c.iv. Investigate partnerships and opportunities to stimulate financial and non-financial development of work/study and apprenticeship programs for green jobs, with emphasis on inclusion for minority groups and disenfranchised youths.	2-3 years			

CONCLUSION

The Southeast Volusia region shall continue to collaborate and actively pursue efforts to help the region promote economic diversification, attract quality businesses and industries, and build an adequate and robust workforce to increase SEV's overall economic development. These efforts will be achieved by addressing, although not limited to, the stated goal and objectives and in collaboration with the organizations and stakeholders identified and presented in this plan. Some of the highlighted strategies, which will be essential for moving plan development forward, are the unified collaboration between the SEV cities and the County, meeting at least once a year to discuss progress and requirements, pursuing funding opportunities, workforce development, and availability and readiness of sites. The outcomes of this work will not only improve the region's economic resilience but will also work to promote people's quality of life and continue to protect, and when possible, enhance, places—the natural and built environment. Furthermore, by working on these community aspects, the region will be better equipped and prepared to face current and future shocks and stressors to the economy. After all, based on the economic impacts of the COVID-19 pandemic, people and businesses must work to foster technology, innovation, adaptability/flexibility, diversification, collaboration, and the sustainable use of resources (economic, natural, and material) to create a community and industry network that is supportive and resilient.

RE: VGMC #24-040, City New Smyrna Beach Large Scale Amendment Application
CPA-1-24: Deering Park Innovation Center – Future Land Use Map Amendment
CPA-2-24: Deering Park Innovation Center – Future Land Use Text Amendment

Dear Mr. Corbin,

The Volusia Growth Management Commission (VGMC) received the above referenced large scale amendments from the City of New Smyrna Beach, VGMC Case No. 24-040. The application was deemed complete on August 7, 2024 and duly noticed. In accordance with Section 90-35(d)(2)a. of the Volusia Growth Management Commission Consistency Rules and Regulations, other units of local government had until September 4, 2024 to petition for hearing on the application.

As part of the application submittal, the Volusia County Schools issued a ***conditional*** finding of adequate capacity dated August 6, 2024. The conditional finding requires that the City (i) adopt the language in Section 15 "School Capacity" of the Deering Park Innovation Center at New Smyrna Beach Planned Unit Development Master Development Agreement (the "MDA"), and (ii) record the MDA in the public records of Volusia County. A copy of the Volusia County Schools correspondence is attached hereto and labeled as Exhibit A.

Based upon the lack of objection filed by another unit of local government, VGMC Case No. 24-040 is hereby deemed certified as consistent without the need for a public hearing ***subject to*** the City's compliance with Volusia County Schools' conditional finding of adequate capacity outlined in Exhibit A. Once adopted and recorded, please forward a copy of the ordinance(s) and MDA to both the Volusia County Schools and the VGMC office.

The Volusia Growth Management Commission appreciates the efforts of the City of New Smyrna Beach to further intergovernmental cooperation and coordination in Volusia County. If you have any questions regarding this matter, please do not hesitate to call me.

Sincerely,

Debbie Connors

August 9, 2024

The Honorable Fred Cleveland
Mayor, City of New Smyrna Beach
210 Sams Avenue
New Smyrna Beach, Florida 32168

Dear Mayor Cleveland:

The Florida Department of Commerce (FloridaCommerce) has reviewed the proposed comprehensive plan amendment for the City of New Smyrna Beach (Amendment No. 24-02ESR) received on July 10, 2024. The review was completed under the expedited state review process. We have no comment on the proposed amendment.

The City should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, we have enclosed the procedures for adoption and transmittal of the comprehensive plan amendment. In addition, the City is reminded that:

- Section 163.3184(3)(b), F.S., authorizes other reviewing agencies to provide comments directly to the City. **If the City receives reviewing agency comments and they are not resolved, these comments could form the basis for a challenge to the amendment after adoption.**

- **The second public hearing,** which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of agency comments or the amendment shall be **deemed withdrawn** unless extended by agreement with notice to FloridaCommerce and any affected party that provided comment on the amendment pursuant to Section 163.3184(3)(c)1., F.S.

- **The adopted amendment must be transmitted to FloridaCommerce within ten working days after the second public hearing pursuant to 163.3184(3)(c)2., F.S.** Under Section 163.3184(3)(c)2. and 4., F.S., the **amendment effective date** is 31 days after FloridaCommerce notifies the City that the amendment package is complete or, if challenged, until it is found to be in compliance by FloridaCommerce or the Administration Commission.

An equal opportunity employer/program. Auxiliary aids and service are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TTD equipment via the Florida Relay Service at 711.

If you have any questions concerning this review, please contact Jon Coulter, Planning Analyst, by telephone at (850)-717-8421 or by email at jon.coulter@commerce.fl.gov.

Sincerely,

James D. Stansbury, Chief
Bureau of Community Planning and Growth

SUBMITTAL OF ADOPTED COMPREHENSIVE PLAN AMENDMENTS

FOR EXPEDITED STATE REVIEW

Section 163.3184(3), Florida Statutes

NUMBER OF COPIES TO BE SUBMITTED: Please submit electronically using FloridaCommerce's electronic amendment submittal portal "**Comprehensive Plan and Amendment Upload**" (*https://fldeo.my.salesforce-sites.com/cp/*) **or** submit three complete copies of all comprehensive plan materials, of which one complete paper copy and two complete electronic copies on CD ROM in Portable Document Format (PDF) to the State Land Planning Agency and one copy to each entity below that provided timely comments to the local government: the appropriate Regional Planning Council; Water Management District; Department of Transportation; Department of Environmental Protection; Department of State; the appropriate county (municipal amendments only); the Florida Fish and Wildlife Conservation Commission and the Department of Agriculture and Consumer Services (county plan amendments only); and the Department of Education (amendments relating to public schools); and for certain local governments, the appropriate military installation and any other local government or governmental agency that has filed a written request.

SUBMITTAL LETTER: Please include the following information in the cover letter transmitting the adopted amendment:

_____ State Land Planning Agency identification number for adopted amendment package;

_____ Summary description of the adoption package, including any amendments proposed but not adopted;

_____ Identify if concurrency has been rescinded and indicate for which public facilities. (Transportation, schools, recreation and open space).

_____ Ordinance number and adoption date;

_____ Certification that the adopted amendment(s) has been submitted to all parties that provided timely comments to the local government;

_____ Name, title, address, telephone, FAX number and e-mail address of local government contact;

_____ Letter signed by the chief elected official or the person designated by the local government.

ADOPTION AMENDMENT PACKAGE: Please include the following information in the amendment package:

_____ In the case of text amendments, changes should be shown in strike-through/underline format.

_____ In the case of future land use map amendments, an adopted future land use map, **in color format,** clearly depicting the parcel, its future land use designation, and its adopted designation.

_____ A copy of any data and analyses the local government deems appropriate.

Note: If the local government is relying on previously submitted data and analysis, no additional data and analysis is required;

_____ Copy of the executed ordinance adopting the comprehensive plan amendment(s);

Suggested effective date language for the adoption ordinance for expedited review:

> "The effective date of this plan amendment, if the amendment is not timely challenged, shall be 31 days after the state land planning agency notifies the local government that the plan amendment package is complete. If the amendment is timely challenged, this amendment shall become effective on the date the state land planning agency or the Administration Commission enters a final order determining this adopted amendment to be in compliance."

_____ List of additional changes made in the adopted amendment that the State Land Planning Agency did not previously review;

_____ List of findings of the local governing body, if any, that were not included in the ordinance and which provided the basis of the adoption or determination not to adopt the proposed amendment;

_____ Statement indicating the relationship of the additional changes not previously reviewed by the State Land Planning Agency in response to the comment letter from the State Land Planning Agency.

New Smyrna Beach, Florida 32168-9985

Subject: **City of New Smyrna Beach Proposed Comprehensive Plan Amendment 24-02ESR**
Response Type: ***No Comments***

Dear Mr. Mathen,

Pursuant to Section 163.3184(3), Florida Statutes (F.S.), in its role as a reviewing agency as identified in Section 163.3184(1)(c), F.S., the Florida Department of Transportation (FDOT) reviewed the amendment package for the City of New Smyrna's Proposed 24-01ER, as requested in your transmittal letter, dated June 3rd, 2024.

Proposed Ordinance:
The proposed Large-Scale Comprehensive Plan Text Amendment proposes adding Deering Park Innovation Center to the Industrial Mixed Use Future Land Use category and limiting the residential density to 2,150 units and commercial/Industrial Floor Aera Ration (FAR) to 6,000,000 square feet within the currently designated 1,618 and requiring that 400 of those acres to be designated Natural Vegetation Area in the planned unit development agreement.

Florida Department of Transportation

RON DESANTIS
GOVERNOR

719 S. Woodland Boulevard
DeLand, Florida 32720

JARED W. PERDUE, P.E.
SECRETARY

Result:
FDOT has reviewed the transmitted amendment for the City of New Smyrna pursuant to Section 163.3184(3), Florida Statutes. The proposed future land use element text amendments are not anticipated to have significant adverse impacts to transportation resources or facilities of state importance.

We appreciate the opportunity to review the proposed amendment and request that a copy of the adopted amendment, be transmitted to the Department.

Thank you for coordinating the review of this proposed amendment with FDOT. If you have any questions, you may contact me at 386-943-5457 or by email at james.rodriguez@dot.state.fl.us.

Sincerely,

James Rodriguez

School Adequate Capacity Determination
Conditional Finding of Adequate Capacity Letter

August 6, 2024

Mr. David Fuechtman
Farmton North, LLC
3450 Old Dawson Rd
Edgewater, FL 32132

RE : Deering Park Innovation Center at NSB-City of New Smyrna Beach
School Concurrency Case # 24-04-24-002-A

Dear Mr. Fuechtman:

The County Charter requires any Comprehensive Plan Amendment or Rezoning that allows increased residential density to be effective only when adequate public schools can be timely planned and constructed to serve the projected increase in student population. The district uses this requirement as the guiding principle behind the school adequate capacity review.

District staff reviewed the information for the proposed project known as Deering Park Innovation Center at NSB associated with 1,618 +/- acres of property located at or near the intersection of I-95 and SR 44 within New Smyrna Beach city limits. The proposed project would provide a total of two thousand one hundred fifty (2,150) total dwelling units, comprised of one thousand fifty-five (1,055) single family homes, seven hundred twenty (720) multifamily apartments and three hundred seventy-five (375) multifamily townhomes.

The district uses a county wide Student Generation Rate (SGR) of (0.258) per single family dwelling unit and (0.137) per multifamily dwelling unit to calculate projected students. By applying the SGR to the use types in Table 1 below, the project could generate four hundred twenty-four (424) full time students.

Table 1

UNIT TYPE	SGR	UNIT COUNT	STUDENTS GENERATED
Single Family Dwelling Unit	0.258	1,055	273
Multifamily Dwelling Unit	0.137	1,095	151
Manufactured Home Dwelling Unit	0.052	0	0
	Total	**2,150**	**424**

When performing an adequate capacity review, district staff evaluates the effects of the proposed change compared to any remaining permanent capacity within the impacted schools, up to 100%, Table 2. The projected increase in student population may be over 100% if there are plans to serve increased student population in that planning area within the long-term planning horizon. A finding of adequate capacity may be issued in either case.

Table 2

Schools	SY 2023/24 Enrollment	% of Permanent Capacity	Plans for Capacity Increase Long-Term	Traditional K-12 students projected
Chisholm Elementary	489	124%	No	149
New Smyrna Beach Middle	972	119%	No	79
Southeast CSA (New Smyrna Beach High)	1,762	103%	No	135
Other				61

The student projections generated by this project **will** increase the existing percentage above 100% permanent capacity at the elementary and middle school levels.

The requirement for the Owner of Deering Park Innovation Center at New Smyrna Beach, its successors and assigns, to enter into a capacity enhancement agreement with the Volusia County School Board (VCSB) to dedicate a school site of at least thirty (30) usable acres to VCSB before the City of New Smyrna Beach may issue any preliminary site plan approval, is included in Section 15 of the proposed Master Development Agreement (MDA, see attached). The MDA also provides the following restrictions, that (1) residential units are restricted to 2,150 units; (2) the current request does not increase that residential density; and (3) in the event of an application to increase the number of dwelling units above 2,150 units or if the number of dwelling units approved for the Deering Park Innovation Center at New Smyrna Beach exceeds 2,150 units, then the excess units (over 2,150 units) shall be subject to school concurrency review.

Based on the foregoing, the school district can provide this letter of no impact on school capacity planning, provided that the language in Section 15 of the MDA is approved and adopted by the City Council and recorded in public records. Otherwise, there is no finding of adequate capacity.

Minimum planning considerations should include pedestrian and vehicular access, safety, connectivity, and buffering.

All future development orders, such as site plans and subdivisions, are subject to school concurrency regulations in effect at the time of review. School concurrency will be evaluated at the time when the impact of development is specifically quantified and known. Only funded school improvements and then current capacity will be considered at that time.

No student reservations have been made at this time.

Please note the School Board has the right to adjust the attendance boundaries to balance the student enrollment populations at these area schools. Consequently, students generated from this project may not attend the current assigned schools.

Should you need additional information, please contact me at (386) 947-8786, extension 50806.

Sincerely,

VOLUSIA COUNTY SCHOOLS

Finding of Adequate School Capacity

VOLUSIA COUNTY SCHOOL BOARD

Project Information	
Project Name	Deering Park Innovation Center at NSB
VCSB Project #	**24-04-24-002-A**
Jurisdiction Project #	
Parcel ID Numbers	7321-00-00-0010; 7328-00-00-0010; 7327-00-00-0024; 7335-00-00-0100; 7344-00-00-0010; 7333-00-00-0010
Project Location	I-95 and SR 44
Potential Residential Units	1,055 Single Family Homes and 1,095 Multi-Family Units
Property Owner/Applicant	David Fuechtman - Farmton North, LLC
Notes: Additional review will be required at the time of subdivision/site plan submittal(s). No Student Reservations have been made.	

Based upon the Findings of Fact, pursuant to School Board Policy 612 and Section 206 of the County Charter, the school district has determined at this time that school capacity is adequate to serve the proposed increase in residential density. This Finding shall constitute competent substantial evidence that adequate public school capacity is likely to be available at the time it is required to serve the planned new development.

Capacity is <u>not</u> being reserved with this Finding unless otherwise noted on this document. This Finding of Adequate School Capacity allows this subject project to continue through the Comprehensive Plan Amendment and/or rezoning process; however, it may be subject to additional school capacity review in the future.

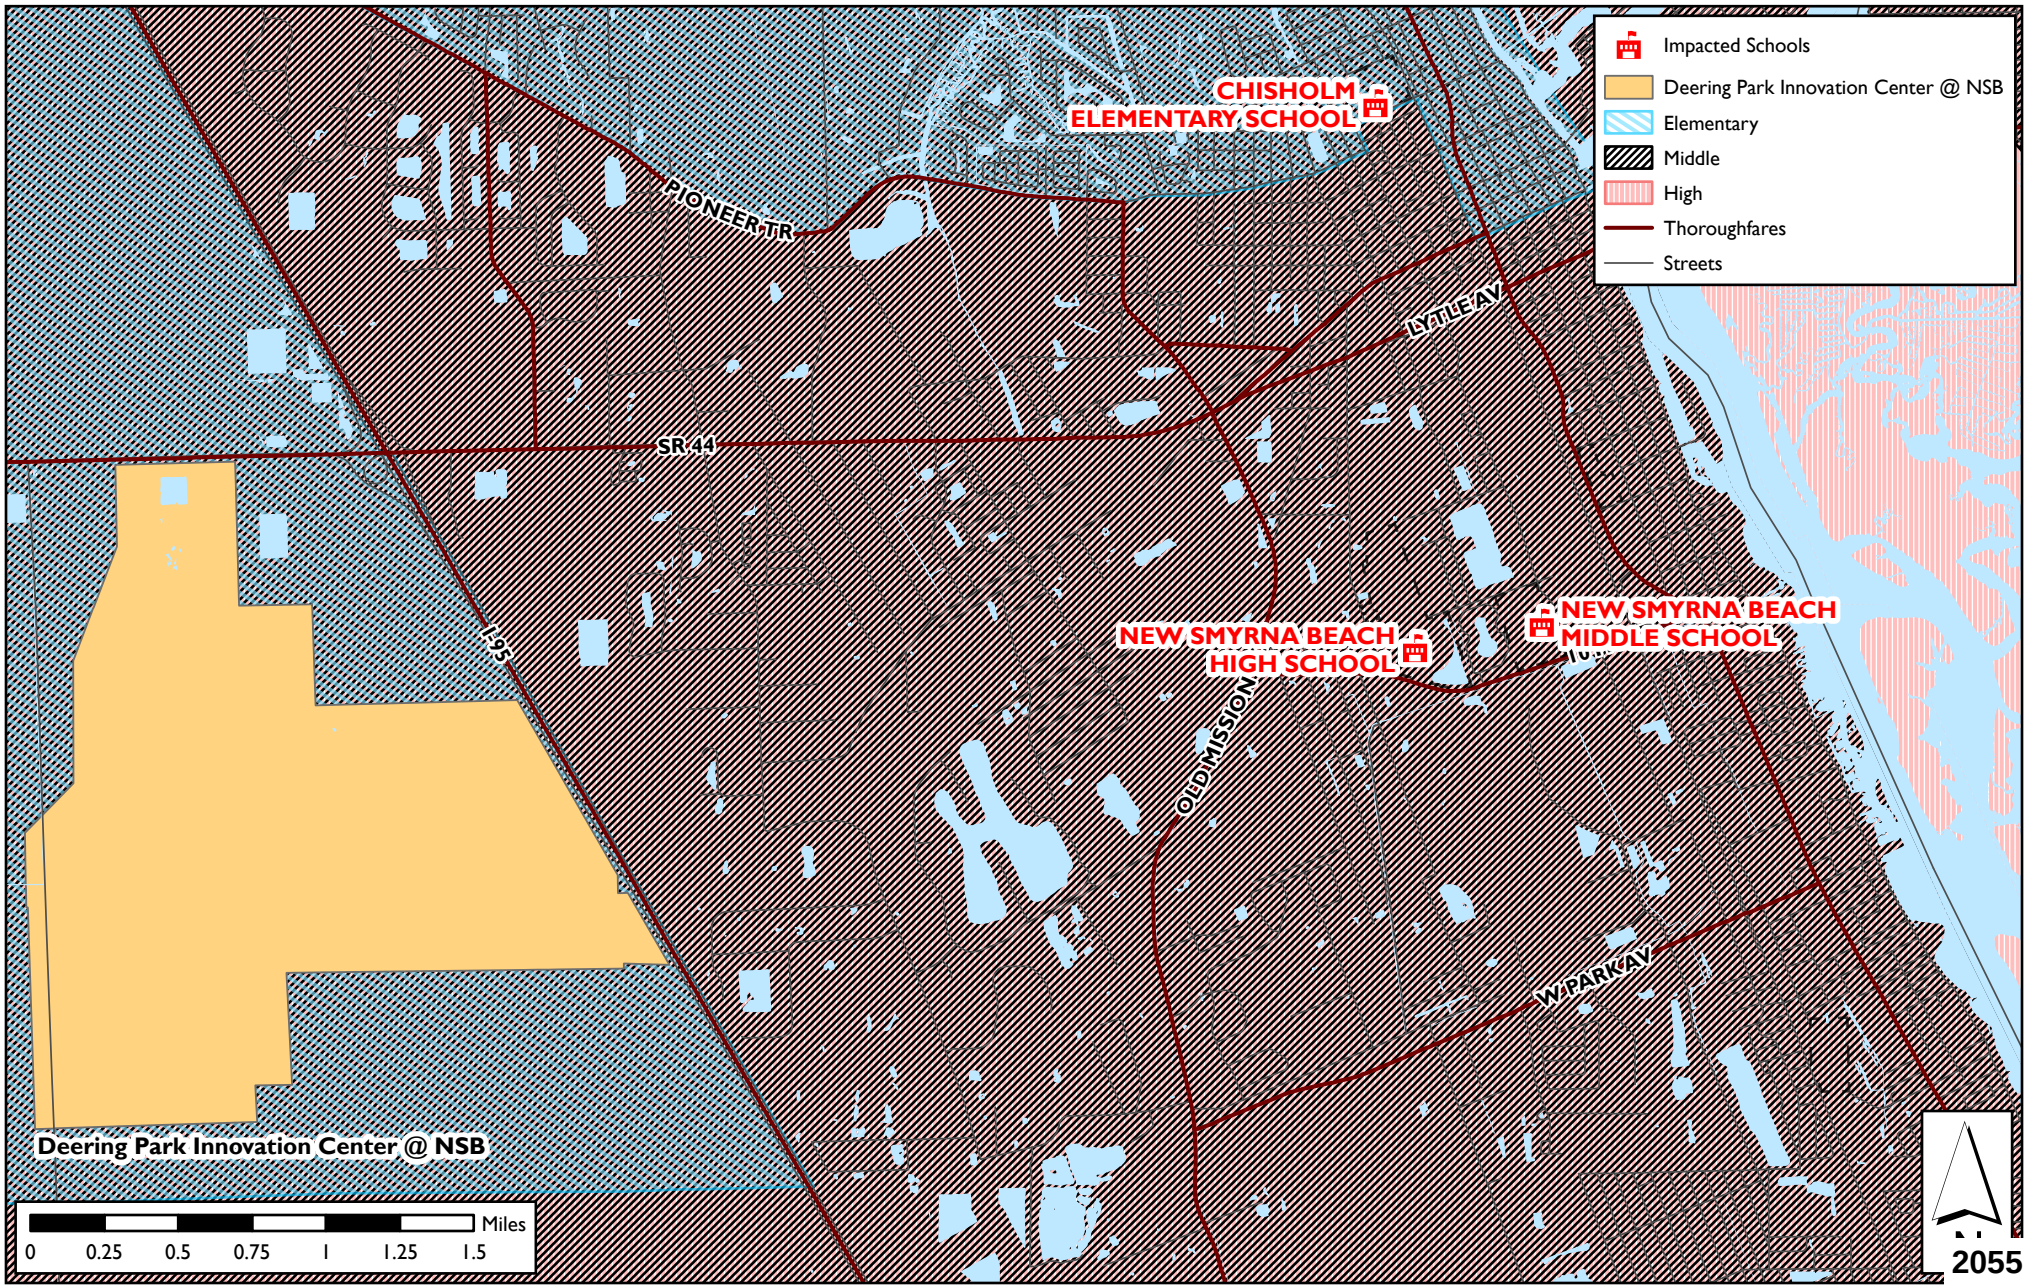
VOLUSIA COUNTY SCHOOLS

Created by Facilities Services
April 2024



ORDINANCE NO. 42-24

AN ORDINANCE AMENDING THE CITY OF NEW SMYRNA BEACH'S COMPREHENSIVE PLAN; AMENDING PART II, FUTURE LAND USE ELEMENT, TO LIMIT FUTURE DEVELOPMENT FOR THE DEERING PARK INNOVATION CENTER; PROVIDING FOR AMENDMENT OF THE ASSOCIATED COMPREHENSIVE PLAN MAPS; PROVIDING FOR REQUIRED TRANSMITTALS; PROVIDING FOR PUBLIC HEARINGS; PROVIDING FOR CONFLICTING ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, David Fuechtman, P.O. Box 70, Edgewater, FL 32121, applicant on behalf of property owner, Farmton North LLC, P.O. Box 70, Edgewater, FL 32121, requests an amendment to the City of New Smyrna Beach's Comprehensive Plan, Part II, Future Land Use Element to limit future development for the Deering Park Innovation Center; and

WHEREAS, the Planning and Zoning Board, sitting as the City's Local Planning Agency, held an advertised Public Hearing pursuant to §163.3164(18) & §163.3174(4)(a), F.S. on May 6, 2024, on the proposed Plan Amendment and following that Public Hearing by a vote of 6-1, adopted a recommendation that the City Commission ***approve*** the aforesaid Amendment to the City's Comprehensive Plan; and

WHEREAS, the City Commission deems it in the best interests of the citizens of the City of New Smyrna Beach to amend its Comprehensive Plan as more particularly set forth hereinafter.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Amendment.*** That the New Smyrna Beach Comprehensive Plan, Part II, Future Land Use Element, is hereby amended to read as follows (**Note: Additions in text are shown by underline; deletions in the text are shown by ~~strikeout~~ and omission in the text are shown by …):**

FUTURE LAND USE ELEMENT

INTRODUCTION

The community of New Smyrna Beach has evolved over time in response to a variety of economic, social, physical, and political influences. The way people within the community use the land is a reflection of their attitudes and values. The manner in which the community develops in the future will be based on the community's commitment to current goals and objectives.

In order to understand the structure of the community it is important to understand how the physical and social components fit together. These are more easily described in terms of neighborhoods, major environmental limitations/opportunities, and the various user groups that may be external to the community. Map II-4, Existing Land Use, describes the location and distribution of land uses in the City of New Smyrna Beach in 2010. In addition to existing land use that has been documented by the Planning and Zoning Department, the existing zoning and the 1990 Comprehensive Plan, as amended, define distinguishable areas that lend themselves to the structure of New Smyrna Beach and help give us an understanding of the general areas that will be influenced as part of the Future Land Use Element.

...

LAND USE CATEGORIES

...

INDUSTRIAL MIXED USE

Maximum allowed density:
Up to 40 dwelling units per acre
Up to 75 transient lodging units per acre
Maximum allowed Floor Area Ratio (FAR): 6.50
Maximum Allowable Percentage of Uses for Developments Using the Planned Unit Development format:
Retail: 65%
Office: 75%
Residential: 65%
Industrial: 65%

Intent: The purpose of this land use designation is to promote the sustainable development or redevelopment land near railways and/or major highways and in close proximity to the Canal Downtown Neighborhood, and also within the Deering Park Innovation Center at New Smyrna Beach on approximately 1,618 acres west of I-95 and south of SR 44 between areas designated as Sustainable Community Development and Activity Center, by providing maximum opportunity for innovative site planning for living, shopping, and working environments. Areas designated as Industrial Mixed Use are intended to accommodate a mix of light industrial/research, office, retail and low, medium ~~to~~ and high-density residential uses. Areas designated as Industrial Mixed Use are required to develop using the planned unit development format. The Deering Park Innovation Center at New Smyrna Beach is restricted to a total of six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres, and requiring at least 400 of those acres to be designated Natural Vegetation Area in the planned unit development agreement.

...

GOALS, OBJECTIVES, AND POLICIES

...

GOAL 2: GENERAL LAND USE PATTERN

To promote, protect and improve the public health, safety, and general welfare by ensuring consistency, economic viability, and stewardship of the natural environment, through appropriate land uses and land development regulations.

...

OBJECTIVE:

4. To provide adequate services and facilities for future development, at the adopted level of-service standard. In order to maintain the adopted level-of-service standard, development orders, and permits will be conditioned on the availability of the public facilities and services necessary to serve the proposed development.

Policies:

a. New Smyrna Beach shall continue to enforce Land Development Regulations that ensure adopted level-of-service standards are met, consistent with the intent of §163.3180, Florida Statutes.

b. Annually update the capital improvement program to schedule the provision of future public services and facilities, including acquisition of needed lands that will be provided by the City, county, and other agencies, and demonstrating financial feasibility.

c. Continue to enforce regulations that require that public facilities and services necessary for the support of proposed development and the maintenance of adopted level-of-service standards will be in place at the time a development permit is issued, or will be in place concurrent with the impacts of development.

d. Maintain citywide densities to ensure that beachside residents can be evacuated consistent with the Hurricane Evacuation Plan.

e. Through the concurrency management system, maintain the availability and accessibility of facilities indicated in this plan to be essential to maintenance of the health, safety, and welfare of the municipal residents.

f. By December 2011 revise the population projections shown on Table II-1 to extend to the year 2030 and evaluate projected demand in comparison with the provision of facilities and services.

g. Encourage managed growth and minimize impacts to City infrastructure and services by encouraging and allowing developers to voluntarily limit density, number of hotel/motel or dwelling units, square footage, and/or floor area ratios on newly-annexed property, or properties where changes to the Future Land Use designations are sought. Specific locations where limits are imposed on properties shall be noted

on the Future Land Use Map and listed below. The following locations are limited in development beyond the designated future land use designation:

- 1.33 acre parcel on the North Beach associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-7-03, having a Parcel No. 7405-00-00-0016 and approved with Ordinance No. 46-04 is limited to two (2) units;
- 160 acre parcel in the southeast portion of Venetian Bay associated with City of New Smyrna Beach Planning and Zoning Department Case No. CPA-5-04, having had a Parcel No. 7317-00-00-0031 and approved with Ordinance No. 26-05 is limited to zero (0) additional units; ~~and~~

- 46.017 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive and north and west of Hidden Lakes Golf Club at 1140 and 1185 South Golf Lake Drive, 1240 Kenard Street, and 1984 Mayport Avenue associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0078, 7312-00-00-0079, 7312-00-00- 0083, 7312-00-00-0084, 7312-00-00-0090, 7312-00-00-0100, 7312-00-00-0101, 7312-00-00-0110, 7312- 00-00-0149, 7312-00-00-0190, 7312-00-00-0480, and 7312-00-00-0490, and approved with Ordinance No. 58-09 is limited to 132 units; and 9.07 acre parcels south of the intersection of Turnbull Bay Road (County Road 4093) and Whispering Pines Drive at 1295 Kenard Street also associated with City of New Smyrna Beach Planning and Zoning Department case No. A-13-06, having had Parcel No. 7312-00-00-0020 and 7312-00-00-0320 approved with Ordinance No. 58-09 is limited to zero (0) units and industrial/commercial floor area to 120,000 square feet. Prior to any land development activity of these 55.087 acres, each application shall be reviewed and if required, approved by Federal Aviation Administration (FAA). No development order may be issued without an FAA approval, agreement, or statement of no objection;

- The Pioneer Trails PUD shall be limited to 1,250 residential units, 15,000 square feet of office space, 341,000 square feet of non-office commercial space and 98 hotel rooms~~.~~; and

- The Deering Park innovation Center at New Smyrna Beach PUD shall be limited to six million square feet of non-residential uses and 2,150 residential units within the entirety of the 1,618 acres.

...

SECTION 2: ***Transmittal of Notice and Amendments to Plan.*** The City Clerk has sent copies of the notice and amendment to the reviewing agencies in accordance with §163.3184(1)(c), F.S.,

and any other local government or governmental agency that has filed a written request with the City. §163.3184(3)(b)1, F.S.

SECTION 3: ***Public Hearings.*** It is hereby found that prior to transmittal a public hearing was held on June 13, 2024, after notice published June 3, 2024, and prior to adoption a public hearing was held September 10, 2024, after notice published September 5, 2024, and after receipt of agency comments, which is deemed to comply with §163.3184(3)(b)1 and (c)1 and 163.3184(11), F.S.

SECTION 4: ***Conflicting Ordinances***. That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Effective Date.*** That this ordinance shall become effective 31 days after the state land planning agency notifies the City that the plan amendment package is complete. If timely challenged, this amendment does not become effective until the state land planning agency or the Administration Commission enters a final order determining the adopted amendment to be in compliance. §163.3184(3)(c)4, F.S.

THE CITY OF NEW SMYRNA BEACH - PLANNING DEPARTMENT

ORDINANCE NO. 45-24: CONDUCT THE SECOND READING AND QUASI-JUDICIAL PUBLIC HEARING OF AN ORDINANCE, WHICH IF APPROVED, WOULD REZONE A PROPERTY BY ADDING THE HISTORIC BUILDING OVERLAY DISTRICT, (HBOD) TO A PROPERTY LOCATED AT 403 MAGNOLIA STREET KNOWN AS THE WOMAN'S CLUB.

September 10, 2024

Background:

Applicant: Curtis Hodges for the Karter Presley Lynaugh Trust, 620 South Riverside Drive, New Smyrna Beach, Florida 32168.

Property Owner: City of New Smyrna Beach, Kevin Cowper, City Manager 210 Sams Avenue, New Smyrna Beach, Florida 32168.

Request: Approval of a rezoning to add the Historic Building Overlay District, (HBOD), in order to continue a non-conforming use of Venue, without the required onsite parking at 403 Magnolia Street.

Subject Area: The subject building was constructed in 1924. The subject property consists of approximately 0.26 ± acres, is zoned R-5, Multi-Family, and is generally located on the east side of Magnolia Street, south of the Lytle Avenue overpass, on property addressed as 403 Magnolia Street. This building is known as the Woman's Club. (see location and aerial map attached as **Exhibits A and B**).

Tax ID #: 7441-38-04-0610.

Exhibit F: Current Photos
Exhibit G: 1986 Florida Master Site File
Exhibit H: 1989 National Register of Historic Places Application
Exhibit I: Plan for Development
Exhibit J: City Comprehensive Plan Review
Exhibit K: Legal Description

Findings:

In 2000, the City amended the *Land Development Regulations,* (LDR) to establish a Historic Building Overlay District (HBOD) zoning classification. The HBOD is specifically intended to assist in the reuse of historic structures that may be threatened as a result of zoning or other development restrictions. The overlay is also intended to promote the preservation, restoration, and reuse of historic structures by exempting underlying zoning districts use and district regulations. See **Exhibit C** for a copy of the HBOD regulations. The underling zoning of R-5, Multi-Family Residential is attached as **Exhibit D**. The current R-5, Multi-Family zoning district does not include venue as a permitted , conditional, or special exception use. The HBOD allows a historic property to be reused for any purpose the City and owner agree upon. Past and historic photos of the subject building are attached as **Exhibit E** with current photos of the subject building attached as **Exhibit F.**

The 1983 Florida Master Site File number 8V0437 listed the architecture as of Mediterranean Revival/Spanish Mission Style. The New Smyrna Beach Woman's Club was organized in 1911. The following year the club was federated, and in 1917 became incorporated.

In the early years, the club held its meetings Saturday afternoons at Gabriel Gomez's store at 409 ½ Magnolia. To raise money for a clubhouse building, teas were organized for the Saturday afternoon meetings and the ladies of the neighboring Rio Vista resort hotel were invited. Under the club leadership of Mrs. Jim Marshall, the teas, often complete with violin and piano concerts by Mary Conner, the school music teacher, were successful. By 1918 the sum of $1,200.00 was attained, enough to buy portions of lots 61 and 62 at the intersection of Lytle Avenue and Magnolia Street. This property was purchased from W. P. Shryock, owner of the general merchandise store adjacent to this property on the east.

In February of 1922 the members of the New Smyrna Woman's Club were invited to the opening of the New Daytona Beach Woman's Club building (since destroyed). This led to increase interest in a permanent clubhouse for New Smyrna. On February 5, 1923, a building committee was formed at the regular meeting of the New Smyrna Beach Woman's Club to select plans for the new clubhouse. In early May of 1923, plans were accepted for the new building. The total was to be $10,000. Eight local businessmen in the community donated $100.00 each, bringing the total to $3,000. By December, the lot was cleared, and Mr. E. M. Webster of Fidelity Bank made an offer of a loan to the club for the remaining construction money.

The plans for the building were completed by Phillip H. Reed, a local carpenter and builder. Mr. Reed also worked on several other commercial buildings and private residences, including an addition to the home of Mrs. Mary (Conner) Vaughn at 209 Lytle Avenue. Mr. William H. Berger, husband of the secretary of the club, and Colonel Joseph Bird, both offered their services to supervise the construction of the building.

The New Smyrna Beach Woman's Club was built in the Mediterranean Revival/ Mission style. Other buildings in the area were constructed in the similar styles but the New Smyrna Beach Woman's Club is unusual in that the west and north exterior walls extend out from the roof line. An arcaded porch extends from the west side of the building. The building lacks the extensive decorations as often seen on other Mediterranean Revival buildings.

In early February 1924, the first event was a bazaar, which was held in the nearly completed Woman's Club building. A newspaper account of the event described the new building as being attractive with a green and white color scheme throughout. The unfinished interior walls were decorated with bamboo, palms, and moss. The furniture was on loan from Sumner Furniture Company. The bazaar was a success, with $940.00 received from receipts. The club also raised money to pay for the building by such events as May Day festivals. A suite of furniture was donated by the winner of a raffle art the Victoria Theater in New Smyrna to help furnish the building.

The New Smyrna Beach Woman's Club was active in several functions of the community. In the 1920's the club participated in a city beautification program in conjunction with the Exchange Club and the Chamber of Commerce. The purpose of this program was to make New Smyrna a more attractive town, especially to incoming northern visitors.

The members also donated the use of their clubhouse for the honor society and senior banquets. The clubhouse served as the community's primary facility for social and cultural events. Musicals, flower shows, art exhibits and lectures were held at this location. Such organizations as the Girls Reserve also used the clubhouse for meetings in the 1930's. Political gatherings were held in the building, such as receptions for gubernatorial aspirant Fred O. (Bud) Dickerson, Jr., former Comptroller of Florida. In more recent years, the New Smyrna Beach Woman's Club has remained an integral part of the community through its use not only for club meetings and receptions but for church services and recreational classes as well.

On January 23, 1934, a fire broke out in the Kitchen, the result of a kerosene stove accidentally left burning by the girl reserves. The building was saved but the roof, interior, and furnishings were damaged. The club hired Harry M. Griffin, a Daytona Beach architect to perform the renovations. He was one of the most important architects in Florida from 1925 to the late 1950's. Mr. Griffin was the architect for the following projects in the Daytona Beach area: Daytona Beach Post Office, Junior and Senior high schools, the Tides apartments, a YMCA building, college buildings, the News-Journal building, the Peninsula Woman's Club, Cornelia Young Library, New Smyrna Yacht Club, and the Florida State Hospital in Chattahoochee Florida. After the renovations, the clubhouse continued to serve as a social center for New Smyrna.

In its heyday the New Smyrna Beach Woman's Club had up to 300 members. The New Smyrna Beach Woman's Club is one of the earliest clubs of its type in the area. The City purchased the Woman's Club in 1990 and use the facility as a venue to be leased out for meetings, weddings, and non-profit funding events like the Lions Club, Cheeseburgers in Paradise.

Per information from the 1986 Florida Master Site File, **Exhibit G**, and the 1989 United State Department of the Interior, National Park Service, National Register of Historic Places application, **Exhibit H**, the building at 403 Magnolia Street was constructed in

1924 with an architecture style of Spanish Mission. The building in the past, has received many designations and awards. The building was placed on the United States Department of the Interior, National Park Service's National Register of Historic Places in 1989. The building is also a contributing structure within the New Smyrna Beach National Registered Historic District. This National Registered Historic District was established on April 26, 1990. The Building was awarded the Donnadine Miller Preservation award in 2010 and was designated as a Local Landmark by the City of New Smyrna Beach in 2018.

The City hired the architecture firm of Bentley Architects & Engineers Inc, to design the rehabilitation of the Woman's Club building at 403 Magnolia Street. A contractor was selected via a bid process and the renovation was started. During the renovation, the contractor discovered additional damage to the structure that would cause an additional estimated cost in the millions to restore the building. The City Commission decided to halt the construction and reevaluate the building to determine the future direction of this building.

The City Commission decided to end the contract with the contractor and place the property for sale with conditions. Proposals for the purchase were received by the City under RFP 06-24-CRA and Karter, Presley, Lynaugh, Trust was selected as the purchaser. The proposed purchaser has submitted a plan for development and site plan, attached as **Exhibit I**, with a proposed timeline for the renovation of the Woman's Club.

The Planning Department reviewed the City Comprehensive Plan for consistency with this application. Under Element XIII, Historical and Archaeological Preservation, and Element XV Economic Development and have found that this application meets the following goals, objectives, and policies. See **Exhibit J**.

Element XIII Historical and Archaeological Preservation Element

- Objective 5, Policies b, c, d, and f.
- Objective 7, Policies c and e.

Element XV Economic Development Element

- Objective 4, Policies a and b.

The application is required to be placed for multiple public hearing with the Historic New Smyrna Beach Preservation Commission, Planning and Zoning Board, and City Commission. The Planning and Zoning Board shall provide recommendations on the physical development of the site and the expected impact on adjacent properties and the neighborhood. The Historic New Smyrna Beach Preservation Commission shall provide its recommendation as to the historic and architectural significance of the building and site. The city commission shall approve the ordinance establishing the historic overlay

district and plan for the development of the property if both the district and plan are consistent with the city's comprehensive plan, compatible with the surrounding neighborhood, and are reasonably necessary to preserve the historic resource.

Properties that have been approved through the Historic Building Overlay District application process are as follows:

- South Riverside Drive Indian River Lodge (Medical Office and Assisted Living Facility) Sunset 2004
- 532 North Riverside Drive (Assisted Living Facility Use)
- 223 Crawford Road (Bed and Breakfast Use)
- 801 North Atlantic Avenue (5 Unit Short-Term Rental Building Use)

See **Exhibit K** for a location map for current HBOD properties.

Recommendations:

The Planning Department reviewed the City Comprehensive Plan and land Development Regulations for consistency with this application. The Planning Department has found that the application is consistent with Element XIII, Historical and Archaeological Preservation, and Element XV Economic Development. Staff would suggest a State of Florida marker be placed along Magnolia Street acknowledging the Woman's Club, similar to the marker for the Gabordy Canal on Riverside Drive and Turnbull Grand Canal on State Road 44.

At its regular scheduled meeting on June 3, 2024 the Planning and Zoning Board voted, 6-0, to give the City Commission a positive recommendation that the application meets physical development of the site and the acceptable expected impact on adjacent properties and the neighborhood.

At its regular meeting on June 12, 2024 the Historic New Smyrna Beach Preservation Commission voted, 5-0, to give the City Commission a positive recommendation that the building and site does have historic and architectural significance.

Fiscal Analysis:

The estimated property tax that would be collected based on the 2023 tax role:

General Fund - $2,550.29
New Smyrna Beach I&S 2005 - $109.75

New Smyrna Beach I&S 2018 - $57.18

Strategic Plan Item:
No

HBOD, HISTORIC BUILDING OVERLAY DISTRICT

Intent. The intent of the HBOD, Historic Building Overlay District is to provide re-use opportunities for significant historic structures located in zoning districts wherein the evolution of zoning use restrictions and other zoning regulations have over the years either rendered the historic structures completely unusable, or significantly limited any practical uses of the historic structures. This overlay district seeks to promote the preservation, restoration and reuse of historic and architecturally significant structures by exempting these historic structures from the underlying zoning district's use and district regulations, so long as, these structures are redeveloped under plans for redevelopment that ensure that these structures are compatible with their surrounding neighborhoods.

District regulations. Buildings listed on the National Register of Historic Places, buildings eligible for listing on the National Register of Historic Places, properties containing a structure identified as a contributing structure in the city's historic districts, and properties that have been designated as local landmarks in this overlay district are exempt from all of the underlying zoning district's land use and other district regulations, so long as, each deviation from the normally applicable land use and other district regulations is consistent with the city's comprehensive plan, compatible with the surrounding neighborhood, and reasonably necessary to preserve the historic resource. No property in this overlay district may deviate from the underlining [underlying] zoning district's regulations without first submitting a plan for the development of the property to the city and obtaining a determination from the city commission that each proposed deviation from the underlying zoning district's land use and other district regulations as shown on the plan for the development of the property is consistent with the city's comprehensive plan, compatible with the surrounding neighborhood, and is reasonably necessary to preserve the historic resource. The city commission shall approve the establishment of historic overlay districts and plans for the development of the properties by ordinance in the same manner it approves rezonings. A historic overlay district and plan for the development of the property once approved may only be amended by ordinance in the same manner as a rezoning. All development on properties within this district shall be in accordance with the approved plan for the development of the property or comply with the underlying zoning district's regulations.

Application. Persons seeking approval of a historic building overlay district zoning and a plan for the development of the property shall make application to the development services department. The application shall be on forms provided by the development services department and shall include all of the below information and any other information the applicant feels is relevant:

(1) Plan for development of the property.

(2) Legal description.

(3) Proposed use.

(4) Statement as to why the proposed use cannot be accommodated under the existing zoning.

(5) A site plan showing property boundaries, the location of all existing and proposed buildings, parking, buffers, and any other essential elements of the proposed site use.

(6) An elevation of the building showing the building height, how the structure is to be preserved and how any proposed additions will continue the historic character of the structure.

(7) A schedule showing the timing of proposed improvements.

The development services department shall review the application and determine if the application is complete. Once the development services department has determined the application is complete, it shall transmit the application to the planning and zoning board and the historic preservation commission for their reviews and recommendations to the city commission. The planning and zoning board shall provide recommendations on the physical development of the site and the expected impact on adjacent properties and the neighborhood. The historic preservation commission shall provide its recommendation as to the historic and architectural significance of the building and site. Upon the planning and zoning board and the historic preservation commission completing their reviews and recommendations, the application shall be transmitted to the city commission for its consideration.

Approval of the historic overlay district and plan for development. The city commission shall approve the ordinance establishing the historic overlay district and plan for the development of the property if both the district and plan are consistent with the city's comprehensive plan, compatible with the surrounding neighborhood, and are reasonably necessary to preserve the historic resource. The property's approved plan for the development of the property shall constitute the property's zoning district's regulations. The city commission shall not establish a historic overlay district without at the same time approving a plan for the development of the property. The city commission shall establish a time certain for completion of development on the property in accordance with the approved plan for the development of the property. The historic overlay district shall be automatically repealed and the approved plan for the development of the property shall automatically expire without requiring any further action by the city in the event that the property owner fails to complete the redevelopment of the property and secure a certificate of occupancy for the property prior to the date set by the city commission for completion of the development of the property.

R-5, MULTIFAMILY RESIDENTIAL DISTRICT

Intent. The R-5, Multifamily Residential District is a high density multiple-family residential district that permits mixed housing. It is suitable for large and small land parcels and is a buffer between single-family and business districts and for older residential areas. In addition, the district is designed to preserve ocean views and breezes, enhance roadside appearance and encourage well-planned projects.

Permitted uses.

Playfields

Playgrounds

Public parks

Recreation buildings and complexes for residents and guests of a residential development

Single-family dwellings detached and attached

Duplex and multifamily dwellings including townhouses, apartments, and condominiums

Permitted accessory uses.

Garages

Gazebos

Incidental uses

On-site rental or manager's office for community association members' properties. Community association means a residential homeowners association in which membership is a condition of ownership of a unit in a planned unit development, or of a lot for a home or mobile home, or of a townhouse, villa, condominium, cooperative, or other residential unit which is part of a residential development scheme and which is authorized to impose a fee which may become a lien on the parcel. The following limitations shall be placed on the aforesaid rental or manager's office:

(1)

Said rental or manager's office may not be used in any way to promote the rental of or conduct transactions for the rental of noncommunity association members' properties;

(2)

The aforesaid rental or manager's office may only be used to rent or manage community association members properties that are located on the same site that the rental or manager's office is located;

(3)

Said rental or manager's office staffing be limited to two persons either working full- or part-time to handle rental of association members' properties and one person working full- or part-time to act as clerical assistant;

(4)

Said rental or manager's office shall be allowed to erect a sign to comply with F.S. § 475.22.

On-site temporary sales and brokerage offices and display models for residential dwelling units that are newly constructed, that have never been occupied for residential purposes, and have never been sold.

On-site temporary sales and brokerage structures to be used as a sales office for dwelling units planned to be constructed or under construction. The following limitations and regulations shall be placed on the aforedescribed on-site sales and brokerage offices and temporary sales and brokerage structures:

(1)

Said sales and brokerage offices shall only be used to promote the sales of newly constructed dwelling units (to wit: units that have never previously been occupied for residential purposes or never sold by the developer) and part of an approved site plan located on the same site as the office;

(2)

Said sales and brokerage offices shall only be used to sell residential dwelling units located on the same site as the sales office;

(3)

Said sales and brokerage offices may only have one sign not to exceed ten square feet in area in addition to the allowable signs indicated in [sub]section 604.14 of this LDR;

(4)

Said sales and brokerage offices shall be allowed within a development upon issuance of a certificate of occupancy for the

offices by the development division director or his/her designee and said sales office must be removed from the site upon the issuance of a certificate of occupancy for the last building to be constructed within a development; and

(5)

The following additional limitations and regulations shall be placed on the aforedescribed on-site temporary sales and brokerage structures:

(a)

Said sales and brokerage structures shall have a minimum floor area of 300 square feet and shall not have been formerly a travel trailer, camper, recreational vehicle or tractor-trailer trailer;

(b)

The perimeter of the area between the ground and floor level of the sales and brokerage structures shall be enclosed with ornamental skirting;

(c)

Said sales and brokerage structures must be located on the site such that it meets the minimum setback requirements;

(d)

A minimum of three parking spaces must be provided for the sales and brokerage structures or the minimum number of parking spaces required for an office, whichever is greater. Said parking spaces and access aisle must meet the requirements of [sub]section 604.10 within this LDR except an alternate surfacing agent, such as shell or mulch, may be used;

(e)

A minimum ten-foot-wide and six-foot-high natural vegetative buffer shall be maintained along the front, side and rear of the sales and brokerage structure, parking area and any accessory structures. Should no buffer exist, a ten-foot-wide buffer, meeting the requirements of [sub]section 604.05 E.(1) must be planted along the front, sides and rear of the sales and brokerage structure, parking area and accessory structures. Buffer areas are not required to be irrigated with an underground automatic system but must be regularly irrigated to maintain the vegetation;

(f)

No sales and brokerage structure shall be allowed on a site until all permits as required by all federal, state, and county agencies have been secured; and the site plan for the proposed permanent use has been approved; and a class I site plan has been approved for the use of a temporary sales and brokerage structure; and

(g)

Said sales and brokerage structures shall not remain on a site longer than one year from the date a certificate of occupancy is issued for said sales office or until a certificate of occupancy is issued for the first building within the development, whichever comes first. Upon removal of the sales and brokerage structure, the developer may maintain an on-site temporary sales and brokerage office within the dwelling unit(s).

Permitted home occupations

Storage sheds

Swimming pools, private, provided a principal structure exists and the pool is located behind the front plane of the principal structure. Corner lots will be considered to have two front planes, one on each street. If a structure is not constructed squarely on a parcel, the swimming pool must be located at or behind the most restrictive front plane of the principal structure.

Uses customarily associated with the permitted principal uses

Special exceptions. Special exception uses shall be located at least 25 feet from all property lines and off-street parking areas abutting residential property shall be screened by a buffer meeting the requirements of this LDR.

Adult congregate living facilities

Child day care on church property, subject to the following additional conditions:

(1)

The church property shall be located on and be accessible by an arterial or collector roadway.

(2)

Play areas shall be fenced and landscaped. The landscaping shall have a vegetative hedge that will reach six feet in height within two years that is planted a minimum of three feet on center.

(3)

Play areas shall be located within all applicable setback dimensions.

(4)

The church property shall have a vehicular drop off and pickup area with a minimum [of] 100 feet of drive lane outside of the public right-of-way, or sufficient parking area to provide enough space to fit the required parking and provided space for drop off and pick up.

Churches

Day care centers subject to compliance with the F.A.C. Child Care Standards and any amendments adopted thereto

Facilities owned and/or operated by federal, state, county or municipal government, except country clubs and golf courses

Garage apartments

Nursing homes

Public and private schools

Schools

Semipublic and public clubs including halls and lodges.

Dimensional requirements.

Single-family dwellings detached and duplexes.

Minimum lot size.

Single-family dwelling detached.

Area: 5,000 square feet

Depth: 100 feet

Width: 50 feet

Duplex.

Area: 7,500 square feet

Depth: 100 feet

Width: 75 feet

Minimum yard size.

Front yard: 20 feet or as required per [sub]section 504.01M. of this LDR

Rear yard: 7.5 feet

Side yard: 7.5 feet

Corner lots.

(1)

Parcels which front on two streets shall provide a 20-foot front yard on the street frontage with driveway access and a ten-foot front yard on the other street or as required per [sub]section 504.01M. of this LDR.

(2)

Parcels fronting on three streets shall provide a 20-foot front yard on the street frontage with driveway access and a ten-foot front yard on the remaining streets or as required per [sub]section 504.01M. of this LDR.

Minimum floor area.

600 square feet of livable area for single-family dwellings detached.

1,100 square feet of livable area for duplexes.

Maximum principal building height.

Three stories.

Maximum height: 35 feet.

Maximum building coverage. The total area covered with buildings on any lot shall not exceed 40 percent of the total lot area.

Screen enclosures. As an exception to the maximum building coverage provision any parcel may be allowed an additional ten percent building coverage for only a screen pool enclosure if the following conditions are met:

1.

A screen pool enclosure shall only cover the swimming pool and surrounding pool deck and shall have a roof and walls consisting entirely of screening; and

2.

There shall be no variances granted to exceed the maximum building coverage or additional coverage allowed for screen enclosures.

Maximum impervious lot coverage. The total area of the lot that may be covered with impervious material is 60 percent.

Multifamily dwelling.

Minimum project site dimensions.

Width: 100 feet

Depth: 100 feet

Maximum dwelling unit density for all dwelling units. Twelve dwelling units per acre beachside and 18 units per acre mainland. No less than 3,630 square feet of lot area for each beachside dwelling unit and 2,420 square feet for each mainland dwelling unit.

Minimum building separation. Where two or more multifamily dwellings, single-family dwellings attached or detached, duplexes, apartments, condominiums, [or] townhouses are built on one parcel there shall be a separation of at least 20 feet between the buildings plus 1.5 additional feet for each five feet of building height over 20 feet. When buildings vary in height, said distance to be based on the highest building. (For example: The distance between a 20-foot-tall and 25-foot-tall building shall be 21.5 feet.)

Streets. Public and private streets shall be constructed in accordance with city subdivision regulations.

Minimum yard requirements.

Front: 20 feet, plus 1.5 feet for every five feet over 30 feet in building height, or as required per [sub]-section 504.01M. of this LDR

Rear: 20 feet, plus 1.5 feet for every five feet over 30 feet in building height

Side:

(1)

For projects with six or fewer units, the minimum side setback shall be ten feet on each side, plus 1.5 feet for each five feet over 30 feet in building height;

(2)

For projects with more than six units but fewer than 12, the minimum side setback shall be 15 feet on each side, plus 1.5 feet for each five feet over 30 feet in building height; and

(3)

For projects with 12 or more units, the minimum side setback shall be 20 feet on each side, plus 1.5 feet for each five feet over 30 feet in building height.

Waterfront: 20 feet on river or canal measured from bulkhead or mean high water line

Any yard in 25 in project over ten acres: 25 feet plus 1.5 feet for each five feet over 30 feet in building height or as required per [sub]section 504.01M. of this LDR

Minimum requirements for townhouses and townhouse lots.

All lots shall be adjacent to a public right-of-way or common area.

Lots shall have a minimum width of 20 feet where a living unit is to be located.

Lot frontage along a right-of-way or common area shall be a minimum of ten feet.

Front setback shall be 20 feet or as required per [sub]section 504.01M. of this LDR.

Side setbacks shall be zero feet.

Rear setbacks shall be 20 feet except if there is a landscaped common area behind the townhome and there is a minimum distance of 20 feet from the project boundary line and the dwelling unit or accessory structures.

Minimum floor area for all dwelling units subject to multifamily development requirements.

Single-family dwellings detached. 600 square feet of livable area for one and two-bedroom single-family dwelling units; 1,200 square feet of livable area for a three-bedroom single-family dwelling unit; and 1,300 square feet of livable area for a four-bedroom single-family dwelling unit.

Duplexes (combined units). 1,100 square feet of livable area.

Townhouses, apartments, and condominiums.

450 square feet of livable area for a one-bedroom unit;

550 square feet of livable area for a two-bedroom unit; and

700 square feet of livable area for a three-bedroom unit.

Maximum building length and width. Building facades parallel to the street upon which the building fronts, or parallel to the oceanfront, shall not exceed 150 feet in length. No building constructed after the effective date of this LDR shall have a dimension which exceeds 200 feet.

Maximum principal building height.

Eight stories.

Maximum building height: 80 feet.

Nine stories, provided all of the first story of the building, or that portion of the first story of a building containing nine stories, is used for off-street parking, excluding elevator shafts; maintenance, and utility equipment rooms; laundry rooms; and storage rooms, restricted to owner or tenant usage.

Maximum building height with garage parking: 95 feet.

Maximum lot coverage by all buildings.

Height of Buildings (stories)	Maximum percentage of covered [area] (includes all solid roofed areas)
1	35
2	30
3	28
4	26
5	24

6	21
7	18
8	15
9	15

Maximum impervious lot coverage. The total area of the lot that may be covered with impervious material is 60 percent.

Through lots. Through lots shall provide a 20-foot front yard on each street or as required per [sub]section 504.01M. of this LDR.

Atypical lots. Visibility triangles shall be established at the rear corners of an atypical lot. The visibility triangles shall be those areas formed by a line connecting the points 30 feet from the intersection of the side and rear lot line, along the side lot line, and 30 feet from the intersection of the side and rear lot line along the rear lot line; no principal or accessory structure having a height over four feet, except for incidental uses, shall protrude into the area of a visibility triangle.

Building projections. There shall be no building projections into any required yard except for eaves with a maximum projection of 42 inches, but no closer than five feet to a property line; and those structures allowed in [sub]section 804.03.

Off-street parking. Multifamily projects which include different zoning districts, and where the multifamily portion of the development constitutes the principal use of the overall project, may utilize property in the nonmultifamily zoning district for accessory major recreational equipment parking, as long as such property is located within the project boundaries. The parking shall be developed in accordance with all applicable requirements of the land development regulations.

Covered off-street garage parking. Covered off-street garage parking may be provided either within or outside of the principal building(s). If the entire first story of the principal building(s) is used only for covered off-street garage parking, the principal building(s) may be nine stories but shall not exceed a maximum building height of 95 feet. If covered off-street garage parking is provided outside the outer walls of the principal

building(s), it may be considered open landscaped area if it has a landscaped periphery and the roof is used for recreation purposes. Covered off-street garage parking located outside the principal building(s) and considered open landscaped area is not included in the maximum percentage lot coverage calculation for solid roofed areas. Landscaping shall be provided as required in this LDR.

Visibility at intersections. Visibility at intersections shall be provided as required in this LDR.

Buffers for multifamily development. Landscaped or natural vegetative buffers shall be provided as indicated in [sub]section 604.05 and as follows:

(1) Along the front, rear, and side lot lines where off-street parking areas are located, the buffer shall be a minimum of seven feet wide; and

(2) Adjacent to or facing a single-family residential district or use, the buffer shall be a minimum of 20 feet wide from the property line.

Landscaping. A landscape plan is required as described in this LDR.

Deed covenants. The developer shall supply, in writing, all covenants and restrictions that will govern the maintenance of the common open space and other aspects of the project that are necessary for welfare of the project and consistent with the best interest of New Smyrna Beach. Such legal instruments shall be submitted with the site plan and approved by the city legal department prior to the issuance of a building permit by the chief building official.

Use of recreational amenities and/or commonly-owned facilities incidental to commercial and residential living accommodations. Use of all recreational amenities and/or commonly-owned facilities by the owner, the owner's guests, lessees, or invitees, shall be limited to that period of time concurrent with the owner's exclusive right of use, possession, and occupancy of the residential unit. It shall be unlawful for any person to represent by contract for purchase, promotional material, advertising, or any other public statement that amenities and/or commonly-owned facilities, may be used contrary to the requirements of the New Smyrna Beach Land Development Regulations. This subsection does not prohibit the establishment of permitted accessory uses at commonly owned facilities if such uses are in compliance with all the other requisites required by the New Smyrna Beach land development regulations.

Statement of Significance:

This one-story frame residence is located at 403 Magnolia Street. Notable architectural features include Spanish Mission styling evidenced by the arcaded porch with a flat roof and encastleated parapet, stucco finish, and casement windows. Alterations include all Spanish style additions built to the original hip roof house.

This building is located in the Andrews subdivision platted for Richard S. Andrews in 1895.(1) Sanborn Maps indicate that this building was constructed in c. 1924.(2)

The property is located within the corporate limits of New Smyrna Beach, the site of America's largest colonial enterprise, begun in 1768. Although the Turnbull colony was abandoned in 1777, some measure of settlement persisted, resulting from the presence of a coastal inlet in the vicinity. Resettlement began in earnest after the Civil War. The town was incorporated in 1887 and developed on the basis of a tourism, citrus, and commercial fishing economy. Rapid growth in the early twentieth century was spurred by the Florida East Coast Railroad. The City of New Smyrna Beach was expanded in 1947 to include the peninsula community of Coronado Beach.

Summary:

The Woman's Club of New Smyrna is a 1924/1934 one-story, stuccoed, concrete block building with Mediterranean Revival style influences. It is basically rectangular in plan. Although built in 1924, the interior was not completed until 1934. The main block of the building has a low hipped roof. A flat roofed area extends out from the main block on the west and north sides. There is one exterior chimney on the north side. The Mediterranean Revival influence is seen in the stylistic details of a small arched loggia on its main facade, and a parapet surrounding the flat roof.

The interior is divided into four main spaces: a foyer, an auditorium, a meeting room, and a kitchen. There are also men's and women's rest rooms, and a half basement under the entire clubhouse. The building has had few alterations since its interior was completed in 1934, and has its original 8/8 and 4/4 wood sash windows.

Setting:

The clubhouse is located in the center of New Smyrna Beach in Volusia County on the east coast of Florida. It is at the corner of Magnolia Street and Lytle Avenue, in a residential area at the center of the community. It is surrounded on three sides by large oak trees; the fourth side has a parking lot. Its setting has not changed significantly since the club was built (Photo 9).

Present Physical Appearance:

EXTERIOR

The Woman's Club of New Smyrna is a very simple, one-story, concrete block, stuccoed building, deriving its Mediterranean Revival style from a clipped, arched loggia on its facade, and a simple parapet with widely spaced merlons at the roof on the main facade and north elevation, the sides most visible from the street. The low hipped main roof is covered with diamond patterned asphalt shingles. The flat roof is covered with asphalt.

The main entrance on the west side has double doors with eight fixed lights in each door, and is sheltered by a loggia with seven arches; it is clipped on the north end (Photo 1).

The building is virtually devoid of any other architectural detailing, and windows and entrances are the main architectural features on the other elevations. Almost all of the windows are 8/8 wood sash (Photo 2). There are, however, 4/4 fixed light windows at the east end of the north elevation (kitchen) (Photo 3), and at the ground level of the east elevation (basement). An entrance at the north end of the east elevation, sheltered with a shed roof, accesses the kitchen. There is also a sunken entrance to a coquina rock half cellar in the center of this elevation (Photo 4).

There are also 4/4 fixed light windows on either side of the projecting chimney in the center of the north elevation. They are placed at an angle, forming a three sided cant bay with the chimney in the center (Photo 3).

INTERIOR

The interior has four major spaces: 1) a foyer at the west end, 2) an auditorium with a stage and two dressing rooms on either side of a stage at the east end, 3) a meeting hall that parallels the north elevation, and 4) a kitchen immediately east of the meeting hall in the northeast corner of the building. There are also men's and women's rest rooms. In keeping with the simple exterior, the interior of the building is almost austere, with little ornamentation. Its most distinctive interior features include the ceiling in the auditorium, a decorative proscenium, and a large coquina fireplace in the meeting hall.

Three segmental arches lead from the foyer to the auditorium which is dominated by the stage at the east end of the hall. Doors at either end of the east wall lead to dressing rooms on either side of the stage. Evenly spaced 8/8 wood sash windows are on the south wall. The most distinctive decorative features are exposed pecky cypress beams with carved wave motif brackets at their north and

south ends, two octagonal vents in the ceiling, and the proscenium with scalloped corners (Photos 5 & 6).

Three more segmental arches lead into the adjoining meeting hall on the north side of the building. The dominant feature of the room is a large coquina fireplace in the center of the north wall. It is set into a bay with 4/4 sash windows at an angle on either side (Photo 7). A door in the southwest corner of the room leads to the women's rest room area, and another door in the southeast corner leads to the kitchen in the northeast corner of the building (Photo 8).

Alterations:

When the clubhouse was opened for use in 1924, its interior was left unfinished. A fire in 1934 damaged the interior to such an extent that Harry M. Griffin was hired to design the interior finishes which remain unaltered. Only a few alterations, none of them structural, have been performed since that time: a heating system was installed in 1961, a plywood ceiling was installed in the kitchen in 1975, and ceiling fans were added to the auditorium in 1979. The roof was replaced in 1982. Aside from other maintenance, the 1924 exterior remains virtually untouched.

Summary:

The Woman's Club of New Smyrna is significant under Criterion A for its continued service to the local community as a social center since its construction in 1924. It is significant under Criterion C as a vernacular building which displays an unusual application of Mediterranean Revival architectural elements and employs rare building materials and features. It is also architecturally significant because of its association with Harry M. Griffin, one of the most important architects in Florida from 1925 to the late 1950s. The building was determined eligible for listing in the National Register of Historic Places under Criteria A and C on October 18, 1984.

Contexts for Criterion A:

NEW SMYRNA BEACH

The area of New Smyrna Beach was the site of one of the earliest European settlements in Florida. It was occupied by Spanish missionaries to the Timucuan Indians in the First Spanish Period (1565-1763), and was the site of the Andrew Turnbull colony from 1767 to 1776, during the British Period (1763-1783). Turnbull, a Scottish doctor, attempted to establish a colony, New Smyrna, using Minorcan, Greek, and Italian indentured workers. The colonists raised indigo, sugar, and fruit. Conflicts between Turnbull, the governor of East Florida, and the colonists led to the disintegration of the settlement.

There was little activity in the area again until 1803 when Spanish land grants spurred settlement again. Timber cutters came to the Mosquito Inlet to cut live oak for ship building. The Second Seminole War (1835-1842) prevented any great development, however, and the settlement remained a small hamlet from 1821 to 1865. During the Civil War, it was the site of Confederate salt works and home for some Confederate blockade runners.

Settlement increased after the war, and by 1869, New Smyrna was a travel base for the area, with ships docking three times a week. A school was built in 1872, and a union church was established in 1875. In the 1880s railroads further opened up the Florida peninsula to tourists. In

1886 the small village had a population of 150. Its industries were orange cultivation, honey production, and fishing. It was also known as a winter and summer resort. In 1887, the Blue Springs, Orange City and Atlantic Railroad was completed, linking the east coast with the St. Johns River and making New Smyrna even more accessible. The railroad reached New Smyrna itself in 1892, drawing more people to the village. Growth was further engendered with the building of the Conner Bridge which connected New Smyrna to the beach in 1893. A lighthouse was built on the Mosquito Inlet (now called Ponce de Leon Inlet), and New Smyrna was incorporated. The population supported two churches, two stores, two hotels, a meat market, and a school.

By 1911, the population was 750. There were six churches, five hotels, a bank, and a newspaper. The community began to grow; seven years later, there were 2,500 citizens, and by 1926 there were 8,000. The Florida East Coast Railroad bought the old rail line in the 1930s, established repair shops in New Smyrna, and was the major employer by the 1940s. The community's name was changed from New Smyrna to New Smyrna Beach in 1937. The area still depends on tourism, agriculture, and commercial fishing.

WOMAN'S CLUBS

Woman's clubs were formed in the United States in response to women's desires for intellectual stimulation and out of an awareness of and willingness to meet community needs. Until 1889, such groups were strictly local organizations. The Sorosis Club celebrated its twenty-first anniversary in 1889 by convening a meeting of women's groups from across the country. The result was the creation of the General Federation of Women's Clubs.

Florida's first such club for women was organized in Green Cove Springs in 1887. The goal of its members, mostly winter residents, was village improvement through the introduction of order and cleanliness, and the provision of a "social centre for intelligent intercourse of women with one another." The group was incorporated in April 1889 as "The Ladies' Improvement Association of Green Cove Springs, Florida." After solving the village's immediate health problems, the club took up other objectives, such as

literary pursuits, the creation of parks, and the digging of wells.

Meanwhile, other clubs had been established in Florida, and on February 21, 1895, the Florida Federation of Women's Clubs was created in Green Cove Springs. There were six charter members: the clubs in Palmetto, Green Cove Springs, Orange City, Crescent City, Fairfield, and Tarpon Springs. Clubs pursued various activities depending upon their community's needs, but many chose the establishment of libraries as a major project. In 1898, five woman's clubs in Florida had established libraries. Over the years the clubs have contributed greatly to the welfare of their communities in other ways as well, providing cultural activities, support of the war effort during the World Wars, and ministering to the needs of the poor and disadvantaged and children. The Florida Federation was admitted to the General Federation of Women's Clubs January 25, 1898, and was incorporated April 12, 1915. The Florida Federation remains an active organization with a membership of over 30,000 women, and publishes the quarterly magazine, Florida Clubwoman.

Historic Significance:

The Woman's Club of New Smyrna was organized in May 1911 at the home of Mrs. H.T. Hofreiter and met in various places for the next several years. In 1916, the group started a building fund. Through various projects, including teas and violin and piano concerts, $1,200 was raised, enabling the club to purchase a lot at the corner of Magnolia Avenue and Lytle Avenue in 1920. In 1923, a committee was formed to raise $10,000 for a building. Eight local businessmen each donated $100, and the Fidelity Bank made a "liberal loan offer" for the balance.

Plans for the building were completed by Philip H. Read, a local carpenter and builder. He also worked on several other commercial buildings and private residences, including an addition to the home of Mrs. Mary Vaughn at 209 Lytle Avenue (8Vo435). William H. Berger, husband of the secretary of the club, and Colonel Joseph Bird, both "having much experience in this line," offered their services gratis to supervise the construction of the building.

The club's first event in their building was a bazaar/flower show on February 22, 1924. The interior was unfinished, and remained so for the next ten years. A newspaper account of the bazaar described the new building as being attractive with a green and white color scheme throughout. The unfinished interior walls were decorated with bamboo, palms and moss. Furniture was borrowed from a local furniture company. More funds to pay for the building were raised through May Day festivals, and a suite of furniture was donated by a local citizen.

The New Smyrna woman's club members held the same social concerns as members of other woman's clubs throughout the state. Some of their earliest meetings were concerned with child welfare, and in 1923 they took steps to provide lunches to school children. Also in the 1920s, the club participated in a city beautification program in conjunction with the Exchange Club and the Chamber of Commerce. The purpose of this program was to make New Smyrna more attractive, especially to incoming northern visitors.

The building has been used as the meeting place for the woman's club since its construction, but has also served as the community's primary facility for social and cultural events. Musicals were conducted for the community there in 1924. In 1933, the club sponsored flower shows, art exhibits, and lectures. The members also donated the use of their clubhouse for high school honor society and senior banquets. The Girls Reserve also used the building for meetings in the 1930s.

On January 23, 1934, a fire broke out in the kitchen, the result of a kerosene stove accidentally left burning by the Girl Reserves. The interior of the building had never been completed, and it was thought that the fire ignited the exposed lath of the kitchen wall. The building was saved, but the roof, interior, and furnishings were damaged. Harry M. Griffin, the noted Daytona Beach architect, was hired to perform renovations, and his work enable the clubhouse to continue to serve as a social center for New Smyrna.

Contexts for Criterion C:

MEDITERRANEAN REVIVAL ARCHITECTURE

The Mediterranean Revival Style generally refers to a style derived from a combination of architectural elements borrowed from countries and cultures surrounding the Mediterranean Sea, particularly Spain and Italy. This practice became popular in the late 1910s as part of the increased national interest in historical styles and architecture. Interest in such styles was especially fostered by the Panama-California Exposition in San Diego in 1915. The style, so suitable for Florida's Mediterranean-like climate and Spanish history, became extremely popular in Florida and is closely associated with the Florida Land Boom of the 1920s.

General design characteristics include features taken from the Mission, Spanish Colonial Revival and Italian Renaissance styles: Moorish columns; low pitched, clay tile, gable and hip or flat parapeted roofs; stucco exteriors with terra cotta decorative features; and multi-level plans. Loggias and arcades are common features with cartouches, tile, and terra cotta insets. Highly decorated door and window surrounds are common.

HARRY M. GRIFFIN:

Harry Milton Griffin (1890-1979) was one of the foremost architects in Florida from the 1920s to the late 1950s. He was born in Connersville, Indiana, where he completed his early schooling. After high school, he studied at the Herron Art Institute in Indianapolis, and spent two-and-a-half years at the University of Illinois. He began his architectural practice in Connersville in 1912. By 1917, his firm was well established through the success of his designs for residential, commercial, and manufacturing buildings, and schools. After serving in World War I from 1917-1918, he resumed his practice in Connersville until 1925, specializing in school buildings.

In 1925 Griffin vacationed in Daytona Beach, Florida, and decided to stay. There he developed a large general practice. His commissions in Daytona Beach included: post

offices and junior and senior high schools, the Tides Apartment, Johnston's Restaurant, a YMCA building, college buildings, the News-Journal Building, the Peninsula Woman's Club, and the S. Cornelia Young Library. He also designed the New Smyrna Yacht Club, and buildings for the Florida State Hospital in Chattahoochee, and for the federal government.

Griffin was active in professional organizations. He served as president of the Indiana Society of Architects in 1924; was a member of the State Board of Architects of Florida from 1934 to 1939, and president in 1940; was president of the Daytona Beach chapter of the American Institute of Architects in 1947, and afterward vice president. He also served on the Daytona Beach Park Board. Griffin retired in the late 1950s and died in 1979.

Architectural Significance:

The Woman's Club of New Smyrna is architecturally significant because of some unusual architectural features, and as a work associated with Harry M. Griffin. The building was initially designed in 1924 by a local contractor, Philip H. Read. Although extremely simple, the building displays some distinctive architectural features. In the meeting room there is a large fireplace made of coquina rock, commonly used in the 1920s, but now a rare and protected natural substance. A basement, also of coquina rock, extends under the entire building. Basements, especially those that extend under an entire building, are rare in Florida due to the high water table near the coasts and limestone formations. In addition, the building's design is unusual in that a flat roof extends out on the north and west sides from the hipped roof of the main block, creating the illusion that there is a courtyard behind the exterior north wall.

Griffin's interior designs for the building, executed in 1934 after a fire, were actually the first interior finishes applied to the clubhouse which had been built in 1924. Blueprints for his work show that the building's interior finishes were completed with virtually no change to the main structure itself. Philip H. Read's signature on the blueprints indicates that he was on the renovation

committee, so the interior finishes designed by Griffin are probably faithful to the original architect's intent.

Griffin's work included the installation of new cabinets, counters, doors and woodwork in the kitchen where the fire began. The auditorium was refinished with a new plaster wall and windows on the south side, a new insulation board ceiling, and two octagonal ceiling vents. He replaced the square entrances to the auditorium with open plastered arches, and redesigned the proscenium. Probably the most distinctive feature he added to the auditorium was pecky cypress beams with crested brackets. He also remodeled the women's rest room area.

Dear Dr. Shiver:

It is my understanding that an effort is being made to place the New Smyrna Beach Woman's Club on the Historical Registry. The purpose of this letter is to support that effort.

The building is a Mediterranean structure built in 1924 and has served as a community focal point for years. The building is in need of repairs and placement on the Registry might serve as a catalyst for the county to support matching grants or other donations.

Accordingly, I urge you to consider making every effort possible to help the community save the structure.

Sincerely,

T. K. WETHERELL

RE: Historic Woman's Club in
New Smyrna Beach, Florida

Dear Mr. Gaske:

Please accept this letter as strong support for the application to have the Women's Club approved for registration in the National Registry of Historic Places. The Women's Club has served the southeast Volusia community for over 64 years and has played an important role in the community's development over many years.

Thank you for your careful consideration.

Sincerely,

Samuel P. Bell III

Dear Mr. Gaske:

I am writing in reference to a grant application for the "New Smyrna Beach Woman's Club" building located on the corner of Lytle and Magnolia Streets in New Smyrna Beach, Florida.

This beautiful old building has been a landmark of history in New Smyrna Beach and the Volusia County area. It was built to serve as a cultural and social center for many civic and social events from the early 1900's until the present time.

The main function was always to provide a meeting place for the Woman's Club of this area. In fact my mother was a member there from the early 1930's until her death in 1979. She and thousands of other ladies in our area dearly loved this fine old building.

The New Smyrna Beach Woman's Club unfortunately is not quite as affluent as of right now as it was in past history and does need help to make repairs and restoration to this historic landmark.

I certainly would endorse and encourage the Division of Historical Resources to help fund the restoration of this building through your grants program. There is no other structure that I can think of that would be anymore worthy of your consideration.

Mr. Frederick P. Gaske
Historic Preservation Planner
Division of Historical Resources
R.A. Gray Building
Tallahassee, Fl. 32399-0250

Dear Mr. Gaske:

The Historic New Smyrna Beach Preservation Commission unanimously supports the nomination of the Women's Club of New Smyrna Beach to the National Registry of Historic Places.

Celebrating its 75th anniversary, the Women's Club has been continuously active in community affairs, donating time and funds to numerous worthy causes. Political gatherings, weddings, USO dance hall during World War II, independent churches, Boy and Girl Scouts, and many clubs have been granted use of the facility through the years.

The Women's Club has come a long way from their first meeting in 1911 conducted above Dohn's Livery stable at the corner of Canal and Faulkner Streets. Today, their Mediterranean style club building, constructed in 1924, is endangered by the Lytle Avenue high-rise bridge scheduled to begin construction in 1988. With judicious restoration the building can be of community benefit to future generations as well.

With 75 years of service, the Women's Club membership roster reads like a census and Who's Who of New Smyrna Beach women. Since it has touched and improved so many lives here, we urge you to support this National Registry nomination.

Sincerely,

Gary Luther
Vice Chairman/Acting Chairman

Dear Mr. Gaske:

Documentation has been submitted to the Department to have the Womens' Club in New Smyrna Beach placed on the National Registry.

The building is in the classic Mediterranean style and was built in 1924. The location is the corner of Magnolia and Lytle Avenue in New Smyrna Beach. The building has served our community for 64 years and a large number of people in our community have been associated with it.

I support the request for a historic designation and would appreciate your consideration.

Re: New Smyrna Beach Women's Club

Gentlemen:

On February 15, 1988, Volusia County was informed that the Florida National Register Review Board had recommended that the New Smyrna Beach Women's Club be formally nominated for listing in the National Register of Historic Places. I am familiar with this nomination and whole-heartedly support it.

Early in 1984, representatives of the Florida Department of Transportation conducted a study of the Lytle Avenue area of New Smyrna Beach in preparation of its design for a new bridge across the Intracoastal Waterway. Pursuant to that study, a number of potentially historic sites in the area were analyzed. The New Smyrna Beach Women's Club was one of those sites. On July 19, 1984, George W. Percy, State Historic Preservation Officer, wrote to the Federal Highway Administration informing them that his office considered the New Smyrna Beach Women's Club to be of historic significance. Mr. Percy indicated that the building was of a Mediterranean Revival/Mission Style that was constructed in 1924 and had sustained only minor alterations. The significance of the building is that it has served important community functions throughout its history as a meeting place for academic, civic, religious, political and social affairs. Mr. Percy indicated at that time that he felt that the site was worthy of listing in the National Register of Historic Places. As part of the review process, The Keeper of the National Register, on October 18, 1984, issued a determination of eligibility notification that the New Smyrna Beach Women's Club was eligible for listing on the National Register of Historic Places.

In 1985, the City of New Smyrna Beach began its historic preservation program; and in July of 1986, it was determined to be a certified local government for historic preservation. The Historic Preservation Commission of the City of New Smyrna Beach has endorsed the New Smyrna Beach Women's Club as a site to be listed in the National Register of Historic Places.

COUNTY COUNCIL MEMBERS

Clay Henderson - At Large | Big John - At Large | Alice Cycler - District #1
Frank T. Bruno, Jr. - District #2 | Jerome N. Doliner - District #3 | Judith Conte - District #4 | Roy M. Schleicher - District #5

The New Smyrna Beach Women's Club is clearly eligible for listing in the National Register of Historic Places. There is significant public support for this listing. Accordingly, I fully support the nomination of the New Smyrna Beach Women's Club for inclusion in the National Register of Historic Places.

Very truly yours,

Clay Henderson
County Council Member

Re: Woman's Club of New Smyrna

Gentlemen:

The Woman's Club of New Smyrna Beach is a magnificent old structure in the City of New Smyrna Beach and should be included in the National Register of Historic Places. This venerable old structure has served this city and the organization that owns it for more than half a century. The architecture is magnificent and it is a credit to this city.

Trusting this letter will assist you in arriving at a proper designation for this historic landmark, I remain

Sincerely yours,

W. M. GILLESPIE.

1. **Plan for Development**

   Please see attached Conceptual Plan and Vision.

2. **Legal Description**

   LOT 61 & N 1/2 OF LOT 62 BLK 4 ANDREWS NEW SMYRNA PER OR 3491 PG 1058.

3. **Proposed Use**

   Small boutique venue for wedding and corporate events.

4. **Statement as to why the proposed use cannot be accommodated under the existing zoning.**

   The current use of the property is zoned R-5/Government Building. Currently the City rents this facility to non-profit organizations for special events and to residents for all types of gatherings. We are requesting to rezone the building to HBOD to continue the use as a venue.

5. **A Site Plan Showing Property Boundaries, The Location of all Existing and Proposed Building, Parking, Buffers, and Any other Essential Elements of the Proposed Site Use:**

   Please see attached Site Plan.

6. **An Elevation pf the Building Showing the Building Height, How the Structure is to be Preserved and How any Proposed Additions will Continue the Historic Character of the Structure:**

   Please see attached Site Plan.

7. **A schedule showing the timing of proposed improvements.**

   The following timeline below for the restoration and stabilization of the building:

   - Final Design of the Building - 1 year
   - Permitting of the Building - 1 year
   - Construction of the Building - 3 years

Total of 5 years

Summary

New Smyrna Beach prides itself on being a charming, coastal community and the City celebrated its British Colonial Settlement's 250. It is rich in history, has a thriving artist community and is surrounded by many natural preserve areas. The City of New Smyrna Beach is known for its laid-back attitude; safe, wide, white-sand beaches; and eclectic mix of history, culture, and the arts and nature.

The Woman's Club of New Smyrna is a historic building that has been used by the community as a social gathering place for over 94 years.

The Woman's Club of New Smyrna is listed on the National Register of Historic Places, a designated Local Historic Landmark and it is a significant structure that needs to be preserved. The Property meets the criteria for the HBOD designation because:

1. The property is on the National Register of Historic Places designation;
2. There is a plan to continue using the property for a venue;
3. The NSB Comprehensive Plan supports designating the property as HBOD;
4. The use is compatible with the neighborhood; and
5. This property fits exactly into the reason why the HBOD designation was incorporated into the Land Development Regulations as a way to feasibly preserve historic structures.

Conceptual Plan and Vision NSB Women's Club

Our bid is represented by Curtis and Harrison Hodges on behalf of the Karter Presley Lynaugh Trust. Curtis has been a resident of New Smyrna for the past fifteen years and has a resume founded in construction specializing in restoration. He successfully ran a construction and renovation company out of Orlando for over 45 years. His achievements include renovating and working on over 100 schools in Orange County and over a few hundred homes in the greater Orlando area. Locally Curtis has rejuvenated over a dozen homes in New Smyrna and helped the city with the New Smyrna Museum of History. He also served on the New Smyrna Beach historical preservation board for approximately two years. Curtis is now aiming his sights here on this project to restore this building to its proper state for a thriving events venue to serve the people of New Smyrna.

Our vision for the property is to restore it back to its former glory as a small boutique venue. Nestled near the larger venues it will provide a more intimate feel for weddings and corporate events. My son, Harrison Hodges, will accompany me on this business venture as he has ample experience in catering and venues. He worked for Dubsdread Golf Course in Orlando for over four years as their banquet Captain. He is 33 years old and manages multiple businesses and has always had a passion to own a venue. With my expertise in renovation and his management experience we believe we can create a renaissance of restoration to the Women's Club. Our business model will consist of completing the build out and restoration. Once complete we will work on setting up a wedding/corporate venue rental. We will only be interested in managing the building. We will have vendors for outside catering, valet parking, décor, etc. that we will partner with from the local community. At the venue we intend to have staff to manage the sales of the venue and available to show it. We envision the venue to target more budget friendly brides and events. We see this space to be utilized by local clubs, corporate events, awards banquets for our local schools and community. We want to celebrate and honor the past while adding the flair of the future to bring this property to a new high.

What you get with a "Curtis" is committed to seeing this project through to the end and in a timely manner. He will treat this project as a reflection of himself and skills. He is meticulous to attention and will spare no expense as he has done with his residence at 620 S Riverside Dr. Above all he understands the value and respect for how this building needs to be restored to remain an icon to our community.

The property is also close to home for Curtis. He lives just a few blocks away and it will be a personal mission for him. He is already an established entrepreneur and at this stage of his career he is looking to build his legacy here in New Smyrna. What better way, than to leave it better than the way he found it. His purpose is simple use his own resources to better his own neighborhood so that he can have a greater sense of pride for where he lives.

XIII HISTORICAL AND ARCHAEOLOGICAL PRESERVATION ELEMENT

OBJECTIVE:

5. Preserve privately owned historical and archaeological resources through use and reuse as an alternative to demolition and redevelopment.

POLICIES:

b. Remove obstacles to the rehabilitation, use, or reuse of historic properties. Included, but not limited to this, are granting variances, liberal interpretation of codes, and providing code exemptions for historical buildings.

c. Provide incentives to assist in preserving, using, and or reusing historical properties. Included, but not limited to this, are tax relief and exemptions, technical assistance, transfer of development rights, and grant acquisition.

d. Provide flexibility in zoning regulations and applications to preserve, use, and or reuse historical properties.

f. Encourage relocation or reuse of historic buildings where applicable to preserve the historic character of the buildings.

OBJECTIVE:

7. Employ historical and archaeological preservation as a means to strengthen the local economy through increased tourism and local visitation at historical and archaeological sites.

POLICIES:

c. Promote the development of historical and archaeological resources for public visitation and involvement.

d. Designate the Southeast Volusia New Smyrna Historic Society Museum of History as the headquarters for archaeological and historical tourism.

e. Promote the City as a destination for cultural tourism.

XV ECONOMIC DEVELOPMENT ELEMENT

OBJECTIVE:

4. Expand Tourism. Support efforts to expand tourism through venues and support systems.

POLICIES:

a. Stimulate the private development of short-term hotel accommodation space as well as convention services and facilities.

b. Encourage the expansion of existing events and development of new events, which are compatible with the vision and mission of the city.

Legal Description

Address:
403 Magnolia Street, New Smyrna Beach, Florida 32168

Parcel Number:
7441-38-04-0610

ALT KEY
3879201

Legal Description, per William M. Gillespie of Gillespie & Gillespie, PA:
Lot 61 and the North Half of Lot 62 of Block 4 of Andrews Addition to the City of New Smyrna, according to plat of record in Map Book 2, Page 68, Public Records of Volusia County, Florida.

ORDINANCE NO. 45-24

AN ORDINANCE OF THE CITY OF NEW SMYRNA BEACH REZONING 0.3± ACRES OF PROPERTY LOCATED AT 403 MAGNOLIA STREET TO ADD THE HISTORIC BUILDING OVERLAY DISTRICT (HBOD); PROVIDING FOR A QUASI-JUDICIAL PUBLIC HEARING; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Curtis Hodges, for the Karter Presley Lynaugh Trust, 620 South Riverside Drive, New Smyrna Beach, Florida 32168, applicant on behalf of the City of New Smyrna Beach, 210 Sams Avenue, New Smyrna Beach, Florida 32168, property owner, has initiated a request for the establishment of a Historic Building Overlay District in order to continue a non-conforming but historical use of venue, without the required onsite parking at 403 Magnolia Street; and

WHEREAS, this is an ordinance initiated by other then the City of New Smyrna Beach that changes the actual zoning map designation for a parcel of land; and

WHEREAS, the Planning and Zoning Board, at its regular scheduled meeting on June 3, 2024, by a vote of 6-0, recommended that the City Commission approve the requested rezoning; and

WHEREAS, the City Commission finds that the requested rezoning is consistent with the City Comprehensive Plan; and

WHEREAS, the City Commission finds that the applicant has complied with the procedural requirements of Land Development Regulations for rezoning the subject property; and

WHEREAS, the City Commission deems it is in the best interests of the citizens of the City of New Smyrna Beach to rezone said property as more particularly described hereinafter.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Establishment of Historic Building Overlay District.*** That the land located in the City of New Smyrna Beach, Florida, described as:

> Lot 61 and the North Half of Lot 62 of Block 4 of Andrews Addition to the City of New Smyrna, according to plat of record in Map Book 2, Page 68, Public Records of Volusia County, Florida.

shall be and the same is hereby established as a Historic Building Overlay Zoning District pursuant to Section 504.02 of the Land Development Regulations.

SECTION 2: ***Approval of Plan for Development.*** That the Plan for Development described as:

SEE EXHIBIT "A" ATTACHED HERETO AND BY REFERENCE MADE A PART HEREOF

is hereby approved.

SECTION 3: ***Quasi-Judicial Public Hearing.*** It is hereby found that a quasi-judicial public hearing held by the City Commission to consider adoption of this ordinance on August 13, 2024 at 6:30 p.m. in the City Commission Chambers, 214 Sams Avenue, New Smyrna Beach, Florida, to consider the rezoning request in accordance with *Bd. of Cty. Com'rs of Brevard v. Snyder*, 627 So.2d 469 (Fla. 1993) in a manner to insure that all parties are provided an opportunity to be heard, present evidence and cross-examine witnesses, and to be informed of all the facts upon which the Commission's decision on the rezoning is based, after notice published at least 10 days prior to hearing, is deemed to comply with §166.041(3)(a), Fla.Stat.

SECTION 4: ***Conflicting Ordinances.*** That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Severability***. If any section, subsection, sentence, clause, phrase, provision, or word of this Ordinance is held to be invalid or unconstitutional by a court of competent jurisdiction, then such invalidity or unconstitutionality shall not be held to invalidate or impair the validity, force, or effect of any other remaining provisions of this Ordinance.

SECTION 6: ***Effective Date***. That this ordinance shall become effective upon final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

THE CITY OF NEW SMYRNA BEACH - CITY ATTORNEY'S OFFICE

ORDINANCE NO. 53-24: CONDUCT THE FIRST READING OF AN ORDINANCE, WHICH IF ADOPTED UPON THE SECOND READING AND PUBLIC HEARING, WOULD AMEND THE CITY CODE TO REQUIRE BUSINESS IMPACT ESTIMATES FOR CERTAIN MUNICIPAL ORDINANCES.

September 10, 2024

Background:

The State recently adopted legislation requiring municipalities to produce business impact estimates for certain types of ordinances and to publish them on the City website. The State did provide for a number of exemptions to the requirement for a business impact estimate, including any municipal ordinances necessary for compliance with Federal or State law, issuance or refinancing of debt, budget related items, implementing a grant, implementing an emergency ordinance, ordinances related to procurement, and ordinances that relate to specific statutes relating to land development, community development districts, the Florida Building Code, or Florida Fire Prevention Code. Rezonings, comprehensive plan amendments, and other development orders that are not initiated by the City are also included in the list of exemptions.

Attached is a Business Impact Estimate form that the city will use going forward. Failure to comply with this new Florida Statute could expose the City to a lawsuit challenging the ordinance, and attorney's fees and costs in the event of successful litigation.

The City may decide to implement a processing fee in the future for the estimates, but at this time the fee is undetermined as it is unknown how many ordinances this will affect, how much time it will take to prepare, and whether a consultant will be necessary. At this point in time, it is anticipated that this legislation will be of minimal impact to the City.

Findings:

The City Attorney recommends approval of the ordinance in order to be in compliance with Florida Statute 166.041(4). No business impact statement is required of this ordinance.

Business Impact Estimate

This form should be included in agenda packet for the item under which the proposed ordinance is to be considered, and must be posted on the City of New Smyrna Beach website by the time notice of the proposed ordinance is published.

Proposed ordinance's title/reference:

This Business Impact Estimate is provided in accordance with section 166.041(4), *Florida Statutes*. If one or more boxes are checked below, this means the City of New Smyrna Beach is of the view that a business impact estimate is not required by state law[1] for the proposed ordinance, but the City of New Smyrna Beach is, nevertheless providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant, or other financial assistance accepted by the municipal government.
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
    a. A development order or development permit, as defined in s. 163.3164, F.S.; a development agreement as authorized by ss. 163.3220-163.3243, F.S.; or a comprehensive plan amendment or land development regulation amendment initiated by an application by a private party other than the municipality;
    b. Sections 190.005 and 190.046, *Florida Statutes*, regarding community development districts;
    c. Section 553.73, *Florida Statutes*, relating to the *Florida Building Code*; or
    d. Section 633.202, *Florida Statutes*, relating to the *Florida Fire Prevention Code*.

In accordance with the provisions of controlling law, even notwithstanding the fact that, an exemption noted above may apply, the City of New Smyrna Beach hereby publishes the following information:

[1] *See* Section 166.041(4)(c), *Florida Statutes*.

1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of New Smyrna Beach, if any: (a) An estimate of direct compliance costs that businesses may reasonably incur; (b) Any new charge or fee imposed by the proposed ordinance, or for which businesses will be financially responsible; and (c) An estimate of the City of New Smyrna Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

4. Additional information the governing body deems useful (if any): [*You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: City of New Smyrna Beach staff solicited comments from businesses in the City of New Smyrna Beach as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on City of New Smyrna Beach website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.*).

ORDINANCE NO. 53-24

AN ORDINANCE AMENDING THE CITY OF NEW SMYRNA BEACH CODE OF ORDINANCES; AMENDING CHAPTER 1, GENERAL PROVISIONS, TO ADD SECTION 1-16, BUSINESS IMPACT ESTIMATES; IMPLEMENTING THE STATE'S STATUTORY MANDATE TO PREPARE BUSINESS IMPACT ESTIMATES PRIOR TO THE ADOPTION OF PROPOSED ORDINANCES PURSUANT TO SECTION 166.041(4), FLORIDA STATUTES; ADOPTING BUSINESS IMPACT ESTIMATE PROCEDURES, REQUIREMENTS AND EXEMPTIONS; PROVIDING FOR CODIFICATION; PROVIDING FOR PUBLIC HEARING; PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City has been conferred broad legislative powers to enact ordinances to perform governmental functions and exercise power to promote the health, welfare, safety, and quality of life of a local government's residents by both the Florida Constitution and the Florida Legislature; and

WHEREAS, the procedures for adopting municipal ordinances are set forth in Section 166.041, Florida Statutes; and

WHEREAS, the Florida Constitution grants cities broad authority to take actions furthering citizens' health, welfare, safety, and quality of life called "home rule," and this authority includes legislative powers to enact local laws; and

WHEREAS, Florida cities have those governmental, corporate, and proprietary powers that enable them to conduct municipal government, perform their functions and provide municipal services, and exercise any power for municipal purposes, except as otherwise provided by law; and

WHEREAS, these home rule powers have been liberally construed when reviewed by courts; and

WHEREAS, this broad home rule authority is limited by two guideposts: preemption, where a higher level of government such as the State has already legislated on a topic, and standards of reasonableness; and

WHEREAS, a municipal ordinance can be declared invalid on the grounds that it is inconsistent with the Florida Constitution or Florida Statutes, and inconsistency may be found where a city ordinance is either preempted by or in conflict with the Florida Constitution or Florida Statutes; and

WHEREAS, a municipal ordinance can also be declared invalid on the grounds that it is arbitrary or unreasonable, meaning that it has no legitimate governmental interest, and city ordinances are presumed valid by courts reviewing them, and the burden falls on the challenger to establish the ordinance's arbitrary or unreasonable nature; and

WHEREAS, municipal ordinances adopted in Florida may be subject to local challenge based upon failure to produce a "business impact estimate"; and

WHEREAS, if a court invalidates an ordinance, this ruling may result in imposition of attorneys' fees against a city if an ordinance is later determined to be arbitrary or unreasonable; and

WHEREAS, the Florida Legislature also adopted a statutory mandate that cities produce a "business impact estimate" prior to passing an ordinance, subject to certain exemptions and exceptions; and

WHEREAS, the statute (Chapter 2023-309, Laws of Florida, codified as Section 166.041(4), Florida Statutes) mandates that the estimate must be published on the city's website and include certain information, such as the proposed ordinance's purpose, estimated economic impact on businesses, and compliance costs; and

WHEREAS, this unfunded state mandate also imposes certain conditions on lawsuits brought by any party to challenge the legal validity of local ordinances as preempted by state law, arbitrary, or unreasonable; and

WHEREAS, the state has created a number of exemptions for certain specified ordinances, including:

- Ordinances required to comply with federal or state laws or regulations;
- Ordinances relating to the issuance or refinancing of debt;
- Ordinances relating to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- Ordinances required to implement a contract or agreement, including grants or financial assistance;
- Emergency ordinances;
- Ordinances relating to procurement; or
- Ordinances enacted to implement the following:

- Development orders and development agreements, and development permits, as those terms are defined in section 163.3164 and development agreements, as authorized by the Florida Local Development Agreement Act under sections 163.3220-163.3243;
- Comprehensive plan amendments and land development regulation amendments initiated by an application by a private party other than the City of New Smyrna Beach;
- Sections 190.005 and 190.046 (CDDs);
- Section 553.73, relating to the Florida Building Code; or
- Section 633.202, relating to the Florida Fire Prevention Code.

WHEREAS, The City Commission has provided all necessary public notice and held the requisite public hearings and accepted testimony and other competent, substantial evidence from the public for purposes of making these findings and determining to adopt this ordinance.

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF NEW SMYRNA BEACH, FLORIDA:

SECTION 1: ***Amendment.*** That New Smyrna Beach Code of Ordinances, adding Section 1-16, Business Impact Estimates; is hereby amended to read as follows: **(Note: Omissions from text are indicated by [...], deletions from text are indicated by ~~strikethrough~~ and additions to text are indicated by underline.)**

Sec. 1-16. Implementation of Statutory Mandate to Perform Business Impact Estimates.

The City Commission hereby adopts an ordinance to implement the Florida statutory mandate contained in § 166.041(4), Florida Statutes, to perform business impact estimates prior to the adoption of certain ordinances as specified in the statute. The City Commission shall perform a business impact statement in accordance with the requirements of the statute for all ordinances not exempted by §§ 166.041(4)(c) or 166.0411, Florida Statutes, and may in its sole discretion determine to perform a business impact statement for any ordinance that is exempt under the statute. Nothing contained herein is intended to create additional mandates for performing the business impact estimates of exempt ordinances or to waive any exemption. The City hereby authorizes and adopts a pass through charge applicable to any person, firm, entity, or business which requests or sponsors the adoption of an ordinance solely to assess, cover, and collect the fees, deposits, costs, and expenses relating to pertaining to the preparation of the business impact estimate. The City may in its sole discretion waive this pass through charge.

SECTION 2: ***Codification.*** Following adoption of this ordinance, the City Clerk shall transmit a copy of this ordinance to Municipal Code Corporation of Tallahassee, Florida, to be codified into the City's Code of Ordinances. Municipal Code Corporation's usual and customary fee for said codification service is hereby approved.

SECTION 3: ***Public Hearing.*** That the public hearing considering the adoption of this ordinance shall be held at 6:30 p.m. on September 24, 2024, in the City Commission Chambers, 214 Sams Avenue, New Smyrna Beach, Florida, after notice published pursuant to §166.041(3)(a), F.S.

SECTION 4: ***Conflicting Ordinances.*** That all ordinances or parts thereof that are in conflict with this ordinance shall be and the same are hereby rescinded and repealed.

SECTION 5: ***Severability.*** That if any section, sentence, clause or phrase of this ordinance is held invalid or unconstitutional by any court of competent jurisdiction, then said holding shall in no way affect the validity of the remaining portions of this ordinance.

SECTION 6: ***Effective Date.*** That this ordinance shall take effect immediately upon its final adoption.

APPROVED AS TO FORM AND CORRECTNESS:

Carrie Avallone

CARRIE AVALLONE
City Attorney

DATE: 9/4/2024

THE CITY OF NEW SMYRNA BEACH - CITY CLERK'S OFFICE

AIRPORT ADVISORY BOARD: CONSIDER THE REAPPOINTMENTS/APPOINTMENTS OF (3) THREE MEMBERS TO SERVE THREE-YEAR TERMS SET TO EXPIRE ON SEPTEMBER 9, 2027.

September 10, 2024

Background:

The Airport Advisory Board is composed of six members (5 regular/1 alternate) appointed by the City Commission to three-year terms. Members must be residents of the city, unless waived by the City Commission. At least three members must possess experience directly related to or involving aviation and one member must possess proven experience in some area of business management. At least three members must be active in the business community. No member may serve more than two consecutive terms unless waived by the City Commission. Members who serve in an alternate role have routinely been given priority consideration for regular member status when vacancies occur.

The purpose of the Airport Advisory Board is to advise the City Commission and City Manager on policy matters relating to the development, use and operation of the airport facility. The board shall hold at least one meeting every three months and may hold such additional meetings as may be required by its work.

Findings:

The terms of Celeste Lester, Gary Norville, and Rulon Starley expired on September 9, 2024. Member Lester has served two terms, Member Norville has served three terms, and Member Starley has served one term. All three current members would like to be considered for reappointment.

The Airport Advisory Board had four meetings in 2024. There were no board member absences.

All current members have expressed their desire and willingness to continue serving on the Airport Advisory Board.

The following citizen has submitted their application for consideration:

- Cheily Diaz, 2568 Sunset Drive

Staff recommends the reappointment of the first term member Rulon Starley, the

appointment of one citizen, and the reappointment of one member, waiving the term limit, to serve three-year terms, expiring on September 9, 2027.

Work Experience

Embry-Riddle Aeronautical University	Director, Compensation and HR Compliance
Employer	Job Title

Please describe your work experience, if any.

Director, Compensation and HR Compliance, 2019-Present, Embry Riddle Aeronautical University, Daytona Beach, FL Responsible for overseeing and managing compensation programs and ensuring compliance with relevant laws and regulations pertaining to HR. This role involves a blend of strategic planning, policy development, data analysis, and regulatory compliance. The Director of Compensation and HR Compliance is responsible for managing the compensation function of the organization by developing and implementing new and revised compensation programs, policies and procedures to align with the company's goals and competitive practices. Position is also responsible for ensuring that the Department's processes are consistently administered in compliance with internal policies and government regulations. • Manages the development, implementation, and administration of ERAU's compensation program, including job offers, position description reviews, organizational changes, and restructures. Ensures that practices follow internal equity guidelines and external market benchmarks. • Maintains compliance with federal, state, and local employment laws and regulations. Reviews internal HR processes to maintain compliance with current and future changes to laws. Maintains and expands knowledge of existing and proposed federal and state laws/regulations affecting human resource management. Identifies trends that could affect organizational objectives and/or operational resources. Works with HR department to implement compliance driven changes to processes and maintains proper documentation and audit purposes. Works with Internal Audit and Risk Management to Identify risks the HR department faces. Designs or implements controls to mitigate those risks and tracks the effectiveness of the controls. Point of contact for compliance, risk management and institutional assessments. • Workday implementation, management, and update lead for Compensation module and HCM as a whole. Business Manager, College of Aviation, 2017-2019, Embry Riddle Aeronautical University, Daytona Beach, FL Wholly responsible for daily financial operations for the division, managing daily financial accounting functions including analysis, forecasting, and financial reporting. Directed team in the performance of administrative and financial activities, ensuring accuracy, transparency, and proper fiscal responsibility. Oversaw budgets of $40M+, managing revenue and expenditures for proper allocation. Performed HR functions, served as Emergency Response personnel, and liaised between internal and external partners. Developed revenue projections and expense reports to guide department priorities, increase efficiency, and maximize revenues. • Met the challenge of defining role and requirements for the Business Manager Position for university-wide integration – established SOPs built on world-class practices and policies. • Reallocated funding and reduced waste of operational expenses to fund virtual reality lab, lap developer position, two additional faculty positions, and one safety officer position. Licensed Assistant Branch Manager, 2012 to 2017 Regions Bank, Orange City, FL Directed branch office staff in the execution of key strategies focused on quality customer service through sales and service of products and achievement of branch and individual goals; monitored staff performance and provided guidance to boost performance. Served as Branch Compliance Officer, responsible for ensuring financial and bank compliance and conducting inspections and audits. Assisted with the direction and administration of branch operations, balanced transactions and completed month-end certification of cash items. Served as Branch Manager in absence of leadership and Community Service and Regions Education Champion – accountable for delivering training to diverse audiences on various banking topics. • Selected to mentor new employees on best-in-class practices, corporate standards, and compliance guidelines – successfully achieved 100% on mystery shop audit. • Worked with local Chamber of Commerce to develop outreach opportunities for local schools. Actively fundraised for annual educator award. Co-founded Young Leadership group at Southeast Volusia Chamber of Commerce. Financial Manager / Operations Manager, 2005 to 2011 U.S. Army, Fort Campbell, KY Excelled in multi-tasks administration, overseeing budget and finance operations, pre and post deployment training procedures – for 800 soldiers, and equipment safety and inspections. Served as Non-Commissioned Officer of Iraq North office, responsible for reviewing and approving transactions while ensuring compliance and accuracy; conducted audits. Led trainings related to policy changes. Held role as Drug Prevention Officer for 101st Finance Management Company. Prioritized professional and personal wellbeing of the soldiers under command as Team Lead. • Earned Army Achievement Medal for financial services. • Received U.S. Army Good Conduct Medal for honorable service and U.S. Army Commendation Medal for meritorious service. • Increased accuracy ratings of teams to 98.9% in the military out-processing and retirement pay office of military and civilian sectors. • Successfully developed a system that minimized fraud, waste

Community Involvement

Are you currently serving on another City of New Smyrna Beach Board?

○ Yes ◉ No

If yes, which Board and when were you appointed?

Please describe any community board, groups or events you have been involved with:

I previously served as Co-Chair of the Crystal Apple award and co-founder of the NExtGen Professional Group at the SEV Chamber of Commerce. I have been an active youth coach volunteer throughout NSB and Edgewater.

Do you have any financial interests or business ties that could potentially come before the Board(s) you selected during your term?

○ Yes ◉ No

If yes, please provide amplifying information.

Have you had official business before the Board(s) you selected within the last five (5) years?

○ Yes ◉ No

If yes, please provide amplifying information.

Interests & Experiences

Please tell us about yourself and why are you interested in serving on a board(s)?

My love for aviation extends beyond my current employer. While attending high school, I lived across the bay from the airport. I am now fortunate enough to live right down the road from it. While some complain about airport noise, the sound of airplanes is soothing to me and despite the beauty of the bay, I stop to watch anytime I plane flies by! I want to serve on this Board to put my passion, knowledge, and experience in the aviation and business world to work in our community and the very airport that has been near and dear to my heart for may years.

Work Experience

Employer	Job Title
Airlines, Overseas National Airlines, Braniff International Airways, Peninsula Aviation	Operations; Flight Manager; Pilot; Flight Instructor, Charter Pilot

Please describe your work experience, if any.

I have over fifty years of experience working in aviation which began as a line boy at Torrance Municipal Airport in California and progressed to the Vice President level at major airlines. I have a practiced and working knowledge of the operational and regulatory aspects of all flight operations and attendant infrastructure, and am currently involved in general aviation as an aircraft owner (Cessna 195).
