***AGENDA ITEM***

DATE: July 17, 2024

TO: Mayor and City Council

FROM: Ann Eifert, Director of Financial Services/City Treasurer

SUBJECT: INVESTMENT POLICY FOR FISCAL YEAR 2024-25

---

**Recommended Action:**

Adopt a Resolution approving the Investment Policy for Fiscal Year 2024-25 and rescinding Resolution No. 2023-21 in its entirety.

**Fiscal Impact:**

The adoption of the Investment Policy will allow for the continual investment of the City's idle cash, which will provide additional revenue to the City.

**Background:**

California Government Code Section 53646 and best management practices dictate that local agencies prepare and update an investment policy on an annual basis. The City's Investment Policy complies with the California Government Code and the guidelines recommended by the State and California Municipal Treasurer's Association.

The investment policy states the goals of the City's investment activities, the types of investments allowed by the Government Code, and reporting requirements. The City's investment goals are, in order of priority, safety, liquidity, and yield. The purpose of the Investment Policy is to identify the policies and procedures that enhance opportunities for a prudent and systematic investment process and to organize and formalize investment-related activities.

**Discussion:**

Submitted for Council's review and adoption is the FY 2024-25 Investment Policy, its accompanying resolution, and an administrative policy containing guidelines for investments and internal control. Staff has consulted with the City's investment advisor and is recommending increasing the maximum percentage of portfolio allowed for money market funds from 10% to 20%. This will allow the City to take advantage of higher

interest rates while still maintaining the same liquidity and safety as LAIF. There are no other significant changes to the proposed FY 2024-25 Investment Policy.

## Statement of Investment Policy

This Statement of Investment Policy ("Policy"), as set forth by the City of Aliso Viejo ("City"), provides the guidelines for prudent investment of the City's idle or reserve cash and outlines the policies essential to ensuring the safety and financial strength of the City's investment portfolio.

This Policy is based on the principles of prudent money management and conforms to all applicable Federal and State Laws governing the investment of public funds. In instances in which the Policy is more restrictive than Federal or State Law, the Policy will supersede.

## Objectives

It is the policy of the City to invest public funds in a manner which will provide for the preservation of capital while meeting the daily cash flow requirements of the City and attaining a market average rate of return within an acceptable and defined level of risk.

The Policy has three primary objectives, in order of priority:

1. **Preservation of Capital (Safety)** – the protection of principal is the foremost consideration when undertaking investment decisions that affect public funds. The objective is to mitigate credit risk and interest rate risk.

**Credit Risk**

Credit Risk is the risk of loss of principal due to the failure of the security issuer. Credit Risk can be mitigated by:

- Limiting investments to the safest types of securities.
- Pre-qualifying accountants, auditors, financial institutions, broker/dealers, financial advisors, and other outside consultants with which the City does business.
- Diversifying the investment portfolio so that potential losses are minimized.

**Interest Rate Risk**

Interest rate risk is the risk that the market value of securities will fall due to a rise in general market interest rates. It is the policy of the City to hold individual securities to maturity in an effort to meet liquidity demands. Interest rate risk can be mitigated by:

- Holding individual securities to maturity - Structuring the investment portfolio so that securities mature to meet cash flow requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- Employing a laddering strategy whereby staggering maturities of individual securities so that bonds come due in increments, assuring an overall liquidity pattern.
- Limiting maturities of individual securities and the average maturity of the overall portfolio.

2. **Liquidity** – the investment portfolio shall remain sufficiently liquid to meet all daily cash flow and operating requirements that may be reasonably expected or anticipated.
3. **Return or Yield** – attain a rate of return consistent with the primary objectives of safety and liquidity, throughout budgetary and economic cycles.

## Scope of Funds

The investment policy applies to all financial assets and investment activities of the City, except for proceeds of debt issuance. Debt proceeds shall be invested in accordance with the "Permitted Investments" provisions for each specific bond indenture.

The Policy applies to the following funds and is accounted for in the City's annual audited financial statements.

A. General Fund
B. Special Revenue Funds
C. Debt Service Funds
D. Capital Improvement Funds
E. Enterprise Funds
F. Internal Service Funds
G. Agency Funds

## Prudent Investor Standard

The standard to be used by investment officials shall be that of a "prudent person" and shall be applied in the context of managing all aspects of the City's investment portfolio

**The Prudent Investor Standard:**

Governing bodies of local agencies or persons authorized to make investment decisions on behalf of those local agencies investing public funds pursuant to this chapter are trustees and therefore fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of sections 16429.1 and 53600 through 53684 of the California Government Code and considering individual investments as a part of an overall strategy, a trustee is authorized to acquire investments as authorized by law.

## Investment Philosophy

It is the investment philosophy of the City to make investment decisions based on an overall passive management style that embodies a prudent investor standard and such that investments are purchased to generally match expected future cash outflows and with the intent to hold until maturity.

Accordingly, the City's conservative philosophy prohibits active trading and speculation; i.e., the purchase of securities with the intent to profit from favorable market changes in market prices or market conditions. Leveraging or borrowing money for the purpose of investing is specifically prohibited. However, the City may elect to sell a security prior to its maturity and

record a capital gain or loss in order to improve the quality, liquidity, or yield of the portfolio in response to market conditions or City needs.

## Delegation of Authority

The City's Resolution No. 2003-018 appoints the Director of Financial Services to also serve as City Treasurer. The Treasurer, or his or her designee, has the authority to manage the City's investment portfolio in accordance with California Government Code Sections 53600 and 53630 *et seq*. and all related State and Federal laws.

The Treasurer will provide prior written notification to the City Manager and City Council regarding the designation of responsibilities.

The Treasurer shall establish written procedures for the operation and management of the City's investment portfolio consistent with this investment policy. The procedures should include reference to safekeeping, repurchase agreements, wire transfer agreements, banking service contracts, collateral or depository agreements, competitive bid process, and due diligence. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction, except as provided under the terms of this policy and the investment procedures established by the Treasurer and approved by the City Manager.

The City may also engage Securities and Exchange Commission registered external investment advisor to manage the City's investment program.

## Public Trust

All participants in the investment process shall act as custodians of public funds. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of public trust. In a diversified portfolio, it must be recognized that occasional measured losses are inevitable and must be considered in the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.

## Ethics and Conflicts of Interest

Elected officials and employees of the City involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial decisions under the Political Reform Act and Government Code Section 1090 *et seq*. Elected officials and employees shall disclose to the City Manager any material interests in financial institutions that conduct business with the City, and they shall further disclose any personal investment position or financial asset that could be related to the performance of the City's investment program. Elected officials and employees shall subordinate their personal investment transactions to those of the City particularly with regard to the time of purchases and sales.

Any firm proposing to provide any type of investment service to the City shall acknowledge their familiarity with the provisions of the Political Reform Act, Government Code Section 81000 *et seq*. and CA Code of Regulations 18110 *et seq*. and the provisions limiting contractual conflicts of interest under Government Code Section 1090 *et seq*. Any firm proposing to provide any type of investment service to the City shall also acknowledge their familiarity with and agree to abide by any Federal or State law, regulation, rule, or policy pertaining to or limiting campaign contributions by such firms, their employees, spouses, or agents.

All persons, firms, broker/dealers, financial institutions, and advisors providing investment services or bond issue assistance shall disclose to the City Manager and the Treasurer all fee sharing, fee-splitting, and commission arrangements with other entities or persons prior to the City agreeing to buy an investment or issue bonds.

## Internal Investment Controls

The Treasurer will implement and maintain a system of internal investment controls and segregate responsibilities of investment functions in order to prevent fraud, theft, loss of principal, loss of control over funds, inaccurate reporting, and negligence.

The Treasurer will assign designee(s) to assist in carrying out these functions and will establish an Oversight Reviewer function that may be carried out by a designated member of staff, independent individuals, or independent expert contractor to perform specified tasks.

In addition to the specified requirements placed on investment types, quality, maturity, and diversification, further controls will include:

- **Safekeeping of Securities**

  To protect against losses caused by the collapse of individual securities dealers, all securities owned by the City are required to be held by a third-party safekeeping institution. Third-party safekeeping institutions may not act as custodians for any securities which that institution has issued or sold to the City.

  Collateral must be held at safekeeping, as defined in the Safekeeping and Custody section of the Policy.

  Payment procedures for all securities transactions will be Delivery v. Payment (DVP)

- **Competitive Bidding of Investments**

  The City's investment procedures require that approved broker/dealers compete for investment purchases and sales in order for the City to obtain the highest yield available in the market and to ensure that investment transactions are free from favoritism.

  Qualified Bids will be required for purchase of all investment transactions. The Treasurer shall select the best bid and is required to keep a record of each investment transaction. The Treasurer will rotate the purchase of investments among the pool of qualified broker/dealers.

  If the City utilizes an external investment advisor, the advisor shall send its approved list of broker/dealers to the City annually and follow its policies and procedures for competitive bidding.

- **Annual Management Review and Audit**

  An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City with written observations and recommendations regarding the adequacy of investment controls.

- **Segregated Investment Execution, Recordkeeping and Reporting**

  An independent member of City staff will record the Treasurer's investment records or confirmations to the City's general ledger. In addition, independent staff will

perform the monthly reconciliation of bank, broker/dealer, and safekeeping confirmations.

- **Secondary Approval Required**

  The City Manager will review and approve the establishment of investment accounts, broker/dealer, and financial institution relationships and any agreements or contracts related to investments or investment related activity.

- **Wire Transfer Controls**

  All City wire transfers will be executed in accordance with a written agreement specifying control procedures required for wire transfers of funds, including the establishment of repetitive wires to pay for securities transactions with approved securities dealers as well as any other routine money transfers. All other non-repetitive wires require City Manager approval prior to release.

## Investment Policy Adoption

The City Council's primary responsibilities over the investment function includes establishing investment policies, annually reviewing such policies, appointing a City Treasurer, reviewing monthly investment reports issued by the Treasurer, authorizing bond documents and financing transactions, and adopting recommended changes to the City's Investment Policy as necessary.

The City's investment policy shall be adopted by resolution of the City Council. The policy shall be reviewed annually by the City Council and any modifications made thereto must be approved the City Council.

## Indemnification of Investment Officials

Any investment officer exercising his/her authority with due diligence, prudence, and care and in accordance with the Investment Policy and all written procedures shall be relieved of personal responsibility and liability for an individual security's losses or losses incurred by the portfolio. However, any investment officer also bears the responsibility of reporting deviations from expectations in a timely manner to City Council and appropriate action is taken to control adverse developments and mitigate loss of principal.

## Investment Portfolio Compliance

Should the portfolio, for any reason, fall out of compliance with this Investment Policy, immediate liquidation of securities in order to bring the portfolio back into compliance will not be required. However, the Treasurer must take action to bring the portfolio into compliance within 12 months from the date the portfolio was determined to be in non-compliance with the provisions of this Investment Policy. Additionally, adequate disclosure of all instances of noncompliance, and the efforts undertaken to bring the portfolio into compliance, must be made on the monthly Treasurer's Report.

## Reporting

The Treasurer shall submit a "Monthly Treasurer's Report" to the City Manager and City Council within 45 days following the last day of the month to be agendized for official action at a regular Council meeting thereafter. These reports shall disclose information relevant to the risk characteristics of the City's investment portfolio and shall include the following information:

**Monthly Treasurer's Report**

A. Cash receipts, disbursements, and balances in total.

B. A summary of the investment portfolio.

C. An asset list showing the issuer, type of investment, par value, maturity date, and interest rate.

D. Average rate of return on the City's investment portfolio.

E. Maturity aging grouped by type of investment.

F. Diversification of the investment portfolio.

G. A listing of individual investment transactions during the month, as required by Government Code section 53607.

H. A statement of ability to meet upcoming operating expenses and spending requirements for the next six months.

I. A statement of compliance with the Investment Policy, including a schedule of any transactions or holdings which do not comply with this policy or with the California Government Code, including a justification for their presence in the portfolio, and a timetable for resolution.

**Annual Report**

The annual report will be prepared by the City Treasurer and submitted to the City Manager each fiscal year to ensure consistency. The annual report will include an overall analysis of the portfolio and shall suggest policies and improvements to enhance the City's investment program. These enhancements will be annually considered by City Council and the authority to amend the Policy rests with City Council.

## Authorized and Suitable Investments

## Ratings and Rating Agencies

When possible, two ratings should be obtained to determine if an investment meets the Policy's quality standard. Currently under this Policy, only Standard and Poor's (S&P) and Moody's Investor Service (Moody's) are recognized investment ratings providers, and the City has established the following minimum standards to be applied at time of purchase and for reporting purposes:

## Prohibited Investments

State and Federal laws notwithstanding, any investment not specifically described herein including, but not limited to, reverse repurchase agreements, derivatives, options, futures, zero coupon bonds, inverse floaters, range notes, first mortgages or trust deeds, collateralized mortgage obligations (CMO's), limited partnerships, real estate investments trusts (REIT's), open-end mutual funds, closed-end mutual funds, mutual funds with a weighted average maturity greater than 180 days, unregulated and/or uninsured investment pools, common stock, preferred stock, commodities, precious metals, securities with high price volatility, limited marketability (less than three active bidders), securities that may default on interest payments, and any other speculative investment deemed inappropriate under the Prudent Investor standard are strictly prohibited. In addition, any investment transaction that might impair public confidence in the Aliso Viejo City government is to be avoided.

## Collateralization

Collateral for Certificates of Deposit (CD) and Negotiated Certificates of Deposit (NCD) must comply with Government Code, Chapter 4, Bank Deposit Law Section 16500 *et seq.* and the Savings and Loan and Credit Union Deposit Law Government Code Section 16600 *et seq.* In addition, if the CD is not FDIC insured or goes over the FDIC $250,000 limit, collateral is required equal to 100 percent of principal.

Collateral for Repurchase Agreements shall be 102 percent of market value of principal and accrued interest. Collateral can be either US Treasury securities or Federal Agency securities. This will provide an addition level of security due to inevitable changes in market conditions.

Collateral will always be held by an independent third party with whom the City has a current custodial agreement. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained. The right of collateral substitution is granted within the parameters and constraints of this Policy.

## Investment Pools

Government sponsored investment pools (Pools) are permitted under California Government Code Section 53601 *et seq*. and are an excellent short-term investment option for cash management facilities. These pools can provide safety, liquidity, and yield in a single diversified investment. However, thoughtful investigation and due diligence are required both initially at time of purchase and on an ongoing basis with analysis to determine that the investment pool is being managed in a manner consistent with the objectives of the Policy. The following guidelines include, but are not limited to:

- The Pool shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations, or shall be insured by a municipal insurance corporation.
- The Pool marks to market weekly at a minimum.
- The Pool provides comprehensive, timely monthly reports which include detailed transaction listings, report realized and unrealized gains and losses, provide accurate market values for each security, provide quality rating for individual securities, take delivery DVP, provide third party safekeeping of all investments, and for whom an audit is conducted annually by an independent auditor with no relationship to the Pool.

## Money Market Mutual Funds

Money market mutual funds provide another safe, liquid, and diversified investment option for the City's surplus capital. However, certain conditions need to be met both initially and on an ongoing basis. The money market may only invest in US Government securities permitted under this policy and under California Government Code Section 53601 *et seq*. withfinal stated maturities of one year or less "Government Money Market Funds."

In order to be an eligible money market investment under this section, the primary objective of the money market, as stated in the funds' prospectus, is to maintain a constant $1.00 Net Asset Value (NAV). The following additional guidelines include, but are not limited to:

- The money market only invests in US Government securities, and the weighted average maturity of the portfolio is less than 180 days.

- The fund shall be registered with the SEC.
- The money market shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations and shall maintain these ratings for the duration of the investment.

## Maturity Limits

The longer the maturity of securities, the greater the market volatility. Therefore, the maximum maturity limit for any given security in the investment portfolio shall not exceed five (5) years.

It is also important to note that specific investments, detailed under the "Authorized and Suitable Investments" section, may be restricted to a shorter maturity.

The weighted average life of the portfolio may not exceed three (3) years in duration.

At a minimum, 15 percent of the portfolio shall remain liquid, accessible on demand by the City without restriction or penalty.

The investment portfolio shall be structured for liquidity purposes; therefore, 40 percent of the portfolio shall mature within 365-days.

Maturities will be selected based on a sufficiently detailed cash flow projection that facilitates selecting investment maturity dates to approximately match the projected dates of budgeted expenditures. Once cash flow needs are matched, maturities are selected based on a "laddering strategy" and the shape of the yield curve.

Extensions in the maximum maturity and average weighted life of the portfolio must be supported by detailed cash flow forecasts demonstrating the adequacy of cash from maturing assets to meet one hundred twenty-five percent (125%) of monthly expenditures for each prospective quarter, ending with the current maximum including capital expenditures funded on a pay-as-you-go basis. Recommendations to extend maturities must be reviewed and approved by the City Manager and City Council.

## Qualifications for Financial Institutions and Broker/Dealer's

The Treasurer will maintain a list of qualified financial institutions and broker/dealers authorized to transact business with the City, as stated in Appendix "B".

If the City utilizes a SEC registered external investment advisor, the advisor shall maintain a list of authorized broker-dealers and complete the appropriate due diligence required by the SEC. The external investment advisor may use its own list of approved broker/dealers and financial institutions for investment purposes on behalf of the City. The investment advisor shall submit the list of approved broker/dealers to the Finance Director/City Treasurer on an annual basis. The Finance Director/City Treasurer may restrict the use of a broker/dealer which may be deemed unsuitable.

The financial entitieseligible to transact investment business with the City are:

I. Federal Reserve Bank:

Direct purchase of U.S. Treasury Bills, Notes, and Bonds using primary government dealers as designated by the Federal Reserve are exempt from quality requirements and are encouraged due to commission or mark-up discounts.

II. Nationally or State Chartered Banks, Savings and Loans, and Credit Unions:

The City may purchase investments offered from Banks, Savings and Loans, and Credit

Unions provided the institutions are:

- Nationally or State Chartered Institutions.
- Registered as investment securities dealers.
- Ranked in the top 15 percent of institutions within their respective peer group.
- The signatures of two individuals shall be required for the opening and closing of any bank account (the Treasurer, City Manager, Mayor, or Mayor Pro Tem). The Accounting Officer, who is independent of the investment function, shall keep a record of all opened and closed accounts. On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.

III. Broker/Dealers:

The City will purchase investments from primary dealers whenever possible. However, if an investment deemed appropriate for the portfolio is not available through the primary market, then the Treasurer may use an authorized broker/dealer from the pre-approved list of broker/dealers on record.

For a broker/dealer to be considered for placement on the pre-approved list, they must comply with the following:

- Primary or Regional dealers that qualify for SEC Rule 15c3-1
- Provide audited financial statements from the two most frequent years
- A statement certifying that the institution has reviewed the City's Investment Policy and California Government Code Section 53600 *et seq.* and that all securities offered to the City shall comply fully with all provisions of the Policy and the California Government Code.
- The signatures of two individuals shall be required for the opening and closing of any broker/dealer account (the Treasurer, City Manager, Mayor or Mayor Pro Tem). The Accounting Officer, who is independent of the investment function, shall keep a record of all opened and closed accounts. On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.
- Settlement of securities traded through qualified broker/dealers shall occur trade date plus one or two days (depending upon security type), the current industry standard. New issue securities may have longer settlements, but none shall be greater than three weeks.

  The Treasurer is responsible for ensuring that settlement occurs in a timely matter and that execution confirmations reflect accurate trade data. In addition, investment transactions are required to be Delivery v. Payment (DVP).

## Diversification Guidelines and Risks

The City recognizes diversification is an investment strategy that will mitigate risk in the investment portfolio. The City's investment portfolio shall be diversified to avoid incurring unreasonable and avoidable risks with regard to specific investment types. Within investment types, the City shall also maintain a mix of securities to avoid concentrations within individual financial institutions, geographic areas, industry types, and maturities.

The City will only invest in fixed rate, fixed maturity securities and, with the exception of U.S. Treasury securities or the Local Agency Investment Fund (LAIF), no more than 60 percent of the investment portfolio shall be invested in any single investment type or financial institution.

## Safekeeping and Custody

All security transactions, including collateral for repurchase agreements and certificates of deposit, shall be transacted on a Delivery vs. Payment (DVP) basis. This means that the securities shall be delivered to the City or the City's designated custodian upon receipt of payment by the City.

All securities that may be purchased, including collateral, shall be held by a third-party custodian designated by the Treasurer whenever possible. These securities shall be held in the City's name and control, and the third-party custodian shall be evidenced by safekeeping receipts. The third-party custodian shall send the City, on a monthly basis, a summary of safekeeping assets, and this statement shall be reconciled to the City's records on a monthly basis. Securities held in custody for the City shall be independently audited on an annual basis to verify investment holdings.

## Performance Standards and Evaluation

Investment performance is continually monitored and evaluated by the City Treasurer. Investment activity reports are generated on a monthly basis for presentation to the City Manager and City Council.

The weighted average maturity of the pooled portfolio shall not exceed three years and shall be designated to attain a market average rate of return. The market average rate of return will be determined by a custom benchmark that represents the prominent and persistent characteristicsof the portfolio.

An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City Manager and City Council with written observations and recommendations regarding the adequacy of investment controls.

## Qualifications and Continuing Education

The City Treasurer shall be a City employee or contract employee. The Treasurer shall be selected on the basis of educational background and experience relevant to the Treasury function.

There is no minimum investment period, and the minimum transaction is $5,000, in multiples of $1,000 above that, with a maximum balance of $75,000,000 for any agency. It offers high liquidity because deposits can be converted to cash in 24 hours and no interest is lost. All interest is distributed to those agencies participating on a proportionate share basis determined by the amounts deposited and the length of time they are deposited. Interest is paid quarterly. California Government Code §16429.3 states, in part:

> "money placed with the State Treasurer for deposit in the Local Agency Investment Fund by cities, counties, or special districts shall not be subject to impoundment or seizure by any state official or state agency."

**Maturity** - The date upon which the principal or stated value of an investment becomes due and payable.

**Medium Term Corporate Notes** - Unsecured promissory notes issued by a corporation organized and operating in the United States. Local agencies are restricted by the Government Code to investments in corporations rated in the top three note categories by Moody's Investors Service, Inc., and/or Standard and Poor's Corporation. For medium term notes, eligible purchases consist of instruments that have a rating of "A" or better by both Moody's Investors Service, Inc., and Standard and Poor's Corporation.

The primary market issuance is in multiples of $1,000,000; the secondary market usually trades in denominations of $500,000, although smaller lots are occasionally available. As a matter of practice, only the ten largest U.S. banks where there is a secondary market established for continued liquidity would be considered for investment.

Purchases inject reserve into the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

**Paper Gain or Loss** - Term used for unrealized gain or loss on securities being held in a portfolio based on comparison of current market quotes and their original cost. **Primary Dealer** - A group of government securities dealers that submit daily reports of market activity and security positions held to the Federal Reserve Bank of New York and are subject to its informal oversight.

In some states, the law requires that a fiduciary, such as a trustee, may invest money only in a list of securities selected by the custody state - the so-called legal list. In other states, the trustee may invest in a security if it is one which would be bought by a prudent person of discretion and intelligence who is seeking a reasonable income and preservation of capital.

**Repurchase Agreement (RP or REPO)** - A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this. Dealers use RP extensively to finance their positions. Exception: When the Fed is said to be doing RP, it is lending money, or increasing bank reserves.

## GLOSSARY OF TERMS (continued)

## ADMINISTRATIVE POLICY

## Investment Guidelines, Strategy, and Internal Control

| **INVESTMENT GUIDELINES, STRATEGY AND INTERNAL CONTROL** | Dave Doyle CITY MANAGER | **11** | **7/1/2015 Rev 7/1/2017 7/1/2023** | **1 of 4** |

**PURPOSE**

The purpose of this policy is to establish a framework for the investment of surplus City funds within the established internal control procedures for treasury functions.

**POLICY**

INVESTMENT GUIDELINES AND STRATEGY

GUIDELINES

1. Investment Transaction - Every investment transaction must be authorized and reviewed by the Director of Finance/City Treasurer or his/her designee.

2. Pooled Cash - Whenever practical, local agency cash is consolidated into one bank account and invested on a pooled concept basis. Interest earnings are allocated monthly according to month-end cash and investment balances for each fund.

3. Competitive Bids - Purchases and sales of securities are made on the basis of competitive offers and bids.

4. Cash Forecast - The cash flow for the City is analyzed with the receipt of revenues and maturity of investments scheduled so that adequate cash will be available to meet disbursement requirements.

5. Investment Limitations - Security purchases and holdings are maintained within statutory limits imposed by the California Government Code.

6. Liquidity - The marketability of a security is considered at the time of purchase, as the security may have to be sold at a later date to meet unanticipated cash demands.

7. Diversification - The portfolio should consist of various types of securities, issuers, and maturities.

STRATEGY

1. Economic Forecasts - Economic Forecasts are obtained periodically from economists and financial experts through bankers and brokers to assist the Director of Finance/City Treasurer or his/her designee with the formulation of an investment strategy for the local agency.

2. Implementing Investment Strategy - Investment transactions are executed to conform to anticipated interest rate trends and the current investment strategy plan.

3. Rapport - A close working relationship is maintained with public works, city staff, and large vendors of the city. The objective is to pinpoint when large disbursements will clear the City's bank account. It is essential for good cash control that such large expenditures be anticipated, estimated as to dollar amount, and communicated to the Director of Finance/City Treasurer or his/her designee for liquidity planning purposes.

4. Preserve Portfolio Value - Field standards are developed in order to maintain earnings near the market and to preserve the value of the portfolio.

INTERNAL CONTROL

I. OBJECTIVES OF INTERNAL CONTROL

1. To effectively and efficiently conduct business, including adherence to financial and management policies.
2. Safeguarding its assets and prevention or detection of errors and fraud.
3. Timely preparation of accurate and reliable financial information.
4. Compliance with applicable laws and regulations.

II. COMPONENTS OF INTERNAL CONTROL

1. Control Environment - The control environment is the set of standards, processes, and structures that provides the basis for carrying out internal control across the organization. Management establishes the tone at the top regarding the importance of internal control, including expected standards of conduct, organizational structure, and assignment of authority and responsibility.

2. Risk Assessment - Risk assessment involves a dynamic process for identifying and analyzing risks in achieving the entity's objectives. Risk assessment requires management to consider the impact of possible changes in the internal and external environment that may render established internal controls ineffective.

3. Control Activities - Control activities are the actions established through policies and procedures to ensure that management's directives to mitigate risks are achieved. Segregation of duties is typically built into the development of control activities and may include authorizations, verifications, reconciliations, and reviews.

4. Communication - Communication occurs both internally and externally and provides the organization with the information needed to carry out day-to-day activities.

5. Audits – Audits are the process through which activities can be monitored and evaluated for any internal control deficiencies and communicated to management for taking corrective action.

| **INVESTMENT GUIDELINES, STRATEGY AND INTERNAL CONTROL** | Dave Doyle CITY MANAGER | **11** | **7/1/2015 Rev 7/1/2017 7/1/2023** | **3 of 4** |

III. ELEMENTS OF INTERNAL CONTROL

1. Organization - Responsibility for the performance of duties should be assigned and lines of authority and reporting clearly identified and delineated.

2. Segregation of functions - Segregation of functions reduces the risk for an individual to be able to perpetrate and conceal errors or commit fraud in the normal course of duty. If two parts of a transaction are handled by different individuals, collusion is necessary to conceal errors or commit fraud. Functions that should be considered when evaluating segregation of duties are authorization, execution, recording, custody of assets, and reconciliation.

3. Authorization - All transactions should be approved by an authorized individual. The responsibilities and limits of authorization should be clearly delineated. The individual or group authorizing a specific transaction or granting general authority for transactions should be in a position commensurate with the nature and significance of the transactions.

4. Controls over an accounting system - Controls over an accounting system include the procedures, both manual and computerized, carried out independently to ascertain that transactions are complete, valid, authorized, and properly recorded.

IV. LIMITATIONS OF INTERNAL CONTROL

Internal control, no matter how well-designed, implemented, and conducted, can only provide reasonable assurance to management of the achievement of an entity's objectives. Inherent limitations of internal control may include:

1. Recurring, rather than unusual, types of transactions.
2. Human error due to misunderstanding, carelessness, fatigue, or distraction.
3. Potential for collusion that circumvents controls defined by the segregation of functions.
4. Possibility of a management override of the system, despite an otherwise effective system of internal control.

**APPENDIX C: Administrative Policy: Investment Guidelines, Strategy, and Internal Control**

## Statement of Investment Policy

This Statement of Investment Policy ("Policy"), as set forth by the City of Aliso Viejo ("City"), provides the guidelines for prudent investment of the City's idle or reserve cash and outlines the policies essential to ensuring the safety and financial strength of the City's investment portfolio.

This Policy is based on the principles of prudent money management and conforms to all applicable Federal and State Laws governing the investment of public funds. In instances in which the Policy is more restrictive than Federal or State Law, the Policy will supersede.

## Objectives

It is the policy of the City to invest public funds in a manner which will provide for the preservation of capital while meeting the daily cash flow requirements of the City and attaining a market average rate of return within an acceptable and defined level of risk.

The Policy has three primary objectives, in order of priority:

1. **Preservation of Capital (Safety)** – the protection of principal is the foremost consideration when undertaking investment decisions that affect public funds. The objective is to mitigate credit risk and interest rate risk.

**Credit Risk**

Credit Risk is the risk of loss of principal due to the failure of the security issuer. Credit Risk can be mitigated by:

- Limiting investments to the safest types of securities.
- Pre-qualifying accountants, auditors, financial institutions, broker/dealers, financial advisors, and other outside consultants with which the City does business.
- Diversifying the investment portfolio so that potential losses are minimized.

**Interest Rate Risk**

Interest rate risk is the risk that the market value of securities will fall due to a rise in general market interest rates. It is the policy of the City to hold individual securities to maturity in an effort to meet liquidity demands. Interest rate risk can be mitigated by:

- Holding individual securities to maturity - Structuring the investment portfolio so that securities mature to meet cash flow requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- Employing a laddering strategy whereby staggering maturities of individual securities so that bonds come due in increments, assuring an overall liquidity pattern.
- Limiting maturities of individual securities and the average maturity of the overall portfolio.

2. **Liquidity** – the investment portfolio shall remain sufficiently liquid to meet all daily cash flow and operating requirements that may be reasonably expected or anticipated.
3. **Return or Yield** – attain a rate of return consistent with the primary objectives of safety and liquidity, throughout budgetary and economic cycles.

## Scope of Funds

The investment policy applies to all financial assets and investment activities of the City, except for proceeds of debt issuance. Debt proceeds shall be invested in accordance with the "Permitted Investments" provisions for each specific bond indenture.

The Policy applies to the following funds and is accounted for in the City's annual audited financial statements.

A. General Fund
B. Special Revenue Funds
C. Debt Service Funds
D. Capital Improvement Funds
E. Enterprise Funds
F. Internal Service Funds
G. Agency Funds

## Prudent Investor Standard

The standard to be used by investment officials shall be that of a "prudent person" and shall be applied in the context of managing all aspects of the City's investment portfolio

**The Prudent Investor Standard:**

Governing bodies of local agencies or persons authorized to make investment decisions on behalf of those local agencies investing public funds pursuant to this chapter are trustees and therefore fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of sections 16429.1 and 53600 through 53684 of the California Government Code and considering individual investments as a part of an overall strategy, a trustee is authorized to acquire investments as authorized by law.

## Investment Philosophy

It is the investment philosophy of the City to make investment decisions based on an overall passive management style that embodies a prudent investor standard and such that investments are purchased to generally match expected future cash outflows and with the intent to hold until maturity.

Accordingly, the City's conservative philosophy prohibits active trading and speculation; i.e., the purchase of securities with the intent to profit from favorable market changes in market prices or market conditions. Leveraging or borrowing money for the purpose of investing is specifically prohibited. However, the City may elect to sell a security prior to its maturity and

record a capital gain or loss in order to improve the quality, liquidity, or yield of the portfolio in response to market conditions or City needs.

## Delegation of Authority

The City's Resolution No. 2003-018 appoints the Director of Financial Services to also serve as City Treasurer. The Treasurer, or his or her designee, has the authority to manage the City's investment portfolio in accordance with California Government Code Sections 53600 and 53630 *et seq*. and all related State and Federal laws.

The Treasurer will provide prior written notification to the City Manager and City Council regarding the designation of responsibilities.

The Treasurer shall establish written procedures for the operation and management of the City's investment portfolio consistent with this investment policy. The procedures should include reference to safekeeping, repurchase agreements, wire transfer agreements, banking service contracts, collateral or depository agreements, competitive bid process, and due diligence. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction, except as provided under the terms of this policy and the investment procedures established by the Treasurer and approved by the City Manager.

The City may also engage Securities and Exchange Commission registered external investment advisor to manage the City's investment program.

## Public Trust

All participants in the investment process shall act as custodians of public funds. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of public trust. In a diversified portfolio, it must be recognized that occasional measured losses are inevitable and must be considered in the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.

## Ethics and Conflicts of Interest

Elected officials and employees of the City involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial decisions under the Political Reform Act and Government Code Section 1090 *et seq*. Elected officials and employees shall disclose to the City Manager any material interests in financial institutions that conduct business with the City, and they shall further disclose any personal investment position or financial asset that could be related to the performance of the City's investment program. Elected officials and employees shall subordinate their personal investment transactions to those of the City particularly with regard to the time of purchases and sales.

Any firm proposing to provide any type of investment service to the City shall acknowledge their familiarity with the provisions of the Political Reform Act, Government Code Section 81000 *et seq*. and CA Code of Regulations 18110 *et seq*. and the provisions limiting contractual conflicts of interest under Government Code Section 1090 *et seq*. All persons, firms, broker/dealers, financial institutions, and advisors providing investment services or bond issue assistance shall disclose to the City Manager and the Treasurer all fee sharing, fee-splitting, and commission arrangements with other entities or persons prior to the City agreeing to buy an investment or issue bonds.

## Internal Investment Controls

The Treasurer will implement and maintain a system of internal investment controls and segregate responsibilities of investment functions in order to prevent fraud, theft, loss of principal, loss of control over funds, inaccurate reporting, and negligence.

The Treasurer will assign designee(s) to assist in carrying out these functions and will establish an Oversight Reviewer function that may be carried out by a designated member of staff, independent individuals, or independent expert contractor to perform specified tasks.

In addition to the specified requirements placed on investment types, quality, maturity, and diversification, further controls will include:

- **Safekeeping of Securities**

  To protect against losses caused by the collapse of individual securities dealers, all securities owned by the City are required to be held by a third-party safekeeping institution. Third-party safekeeping institutions may not act as custodians for any securities which that institution has issued or sold to the City.

  Collateral must be held at safekeeping, as defined in the Safekeeping and Custody section of the Policy.

  Payment procedures for all securities transactions will be Delivery v. Payment (DVP)

- **Competitive Bidding of Investments**

  The City's investment procedures require that approved broker/dealers compete for investment purchases and sales in order for the City to obtain the highest yield available in the market and to ensure that investment transactions are free from favoritism.

  Qualified Bids will be required for purchase of all investment transactions. The Treasurer shall select the best bid and is required to keep a record of each investment transaction. The Treasurer will rotate the purchase of investments among the pool of qualified broker/dealers.

  If the City utilizes an external investment advisor, the advisor shall send its approved list of broker/dealers to the City annually and follow its policies and procedures for competitive bidding.

- **Annual Management Review and Audit**

  An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City with written observations and recommendations regarding the adequacy of investment controls.

- **Segregated Investment Execution, Recordkeeping and Reporting**

perform the monthly reconciliation of bank, broker/dealer, and safekeeping confirmations.

- **Secondary Approval Required**

  The City Manager will review and approve the establishment of investment accounts, broker/dealer, and financial institution relationships and any agreements or contracts related to investments or investment related activity.

- **Wire Transfer Controls**

All other non-repetitive wires require City Manager approval prior to release.

## Investment Policy Adoption

The City Council's primary responsibilities over the investment function includes establishing investment policies, annually reviewing such policies, appointing a City Treasurer, reviewing monthly investment reports issued by the Treasurer, authorizing bond documents and financing transactions, and adopting recommended changes to the City's Investment Policy as necessary.

The City's investment policy shall be adopted by resolution of the City Council. The policy shall be reviewed annually by the City Council and any modifications made thereto must be approved the City Council.

## Indemnification of Investment Officials

Any investment officer exercising his/her authority with due diligence, prudence, and care and in accordance with the Investment Policy and all written procedures shall be relieved of personal responsibility and liability for an individual security's losses or losses incurred by the portfolio. However, any investment officer also bears the responsibility of reporting deviations from expectations in a timely manner to City Council and appropriate action is taken to control adverse developments and mitigate loss of principal.

## Investment Portfolio Compliance

Should the portfolio, for any reason, fall out of compliance with this Investment Policy, immediate liquidation of securities in order to bring the portfolio back into compliance will not be required. However, the Treasurer must take action to bring the portfolio into compliance within 12 months from the date the portfolio was determined to be in non-compliance with the provisions of this Investment Policy. Additionally, adequate disclosure of all instances of noncompliance, and the efforts undertaken to bring the portfolio into compliance, must be made on the monthly Treasurer's Report.

## Reporting

The Treasurer shall submit a "Monthly Treasurer's Report" to the City Manager and City Council within 45 days following the last day of the month to be agendized for official action at a regular Council meeting thereafter. These reports shall disclose information relevant to the risk characteristics of the City's investment portfolio and shall include the following information:

**Annual Report**

The annual report will be prepared by the City Treasurer and submitted to the City Manager each fiscal year to ensure consistency. The annual report will include an overall analysis of the portfolio and shall suggest policies and improvements to enhance the City's investment program. These enhancements will be annually considered by City Council and the authority to amend the Policy rests with City Council.

In addition, any investment transaction that might impair public confidence in the Aliso Viejo City government is to be avoided.

## Collateralization

Collateral for Certificates of Deposit (CD) and Negotiated Certificates of Deposit (NCD) must comply with Government Code, Chapter 4, Bank Deposit Law Section 16500 *et seq.* and the Savings and Loan and Credit Union Deposit Law Government Code Section 16600 *et seq.* In addition, if the CD is not FDIC insured or goes over the FDIC $250,000 limit, collateral is required equal to 100 percent of principal.

Collateral for Repurchase Agreements shall be 102 percent of market value of principal and accrued interest. Collateral can be either US Treasury securities or Federal Agency securities. This will provide an addition level of security due to inevitable changes in market conditions.

Collateral will always be held by an independent third party with whom the City has a current custodial agreement. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained. The right of collateral substitution is granted within the parameters and constraints of this Policy.

## Investment Pools

Government sponsored investment pools (Pools) are permitted under California Government Code Section 53601 *et seq.* and are an excellent short-term investment option for cash management facilities. These pools can provide safety, liquidity, and yield in a single diversified investment. However, thoughtful investigation and due diligence are required both initially at time of purchase and on an ongoing basis with analysis to determine that the investment pool is being managed in a manner consistent with the objectives of the Policy. The following guidelines include, but are not limited to:

- The Pool shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations, or shall be insured by a municipal insurance corporation.
- The Pool marks to market weekly at a minimum.
- The Pool provides comprehensive, timely monthly reports which include detailed transaction listings, report realized and unrealized gains and losses, provide accurate market values for each security, provide quality rating for individual securities, take delivery DVP, provide third party safekeeping of all investments, and for whom an audit is conducted annually by an independent auditor with no relationship to the Pool.

## Money Market Mutual Funds

Money market mutual funds provide another safe, liquid, and diversified investment option for the City's surplus capital. However, certain conditions need to be met both initially and on an ongoing basis. The money market may only invest in US Government securities permitted under this policy and under California Government Code Section 53601 *et seq.* withfinal stated maturities of one year or less "Government Money Market Funds."

In order to be an eligible money market investment under this section, the primary objective of the money market, as stated in the funds' prospectus, is to maintain a constant $1.00 Net Asset Value (NAV). The following additional guidelines include, but are not limited to:

- The money market only invests in US Government securities, and the weighted average maturity of the portfolio is less than 180 days.

- The fund shall be registered with the SEC.
- The money market shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations and shall maintain these ratings for the duration of the investment.

## Maturity Limits

The longer the maturity of securities, the greater the market volatility. Therefore, the maximum maturity limit for any given security in the investment portfolio shall not exceed five (5) years.

It is also important to note that specific investments, detailed under the "Authorized and Suitable Investments" section, may be restricted to a shorter maturity.

The weighted average life of the portfolio may not exceed three (3) years in duration.

At a minimum, 15 percent of the portfolio shall remain liquid, accessible on demand by the City without restriction or penalty.

The investment portfolio shall be structured for liquidity purposes; therefore, 40 percent of the portfolio shall mature within -365-days-.

Maturities will be selected based on a sufficiently detailed cash flow projection that facilitates selecting investment maturity dates to approximately match the projected dates of budgeted expenditures. Once cash flow needs are matched, maturities are selected based on a "laddering strategy" and the shape of the yield curve.

Extensions in the maximum maturity and average weighted life of the portfolio must be supported by detailed cash flow forecasts demonstrating the adequacy of cash from maturing assets to meet one hundred twenty-five percent (125%) of monthly expenditures for each prospective quarter, ending with the current maximum including capital expenditures funded on a pay-as-you-go basis. Recommendations to extend maturities must be reviewed and approved by the City Manager and City Council.

## Qualifications for Financial Institutions and Broker/Dealer's

The Treasurer will maintain a list of qualified financial institutions and broker/dealers authorized to transact business with the City, as stated in Appendix "B".

If the City utilizes a SEC registered external investment advisor, the advisor shall maintain a list of authorized broker-dealers and complete the appropriate due diligence required by the SEC. The external investment advisor may use its own list of approved broker/dealers and financial institutions for investment purposes on behalf of the City. The investment advisor shall submit the list of approved broker/dealers to the Finance Director/City Treasurer on an annual basis. The Finance Director/City Treasurer may restrict the use of a broker/dealer which may be deemed unsuitable.

The financial entities eligible to transact investment business with the City are:

I. Federal Reserve Bank:

Direct purchase of U.S. Treasury Bills, Notes, and Bonds using primary government dealers as designated by the Federal Reserve are exempt from quality requirements and are encouraged due to commission or mark-up discounts.

The City may purchase investments offered from Banks, Savings and Loans, and Credit

On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.

For a broker/dealer to be considered for placement on the pre-approved list, they must comply with the following:

- Primary or Regional dealers that qualify for SEC Rule 15c3-1
- Provide audited financial statements from the two most frequent years
- A statement certifying that the institution has reviewed the City's Investment Policy and California Government Code Section 53600 *et seq.* and that all securities offered to the City shall comply fully with all provisions of the Policy and the California Government Code.
- The signatures of two individuals shall be required for the opening and closing of any broker/dealer account (the Treasurer, City Manager, Mayor or Mayor Pro Tem). The Accounting Officer, who is independent of the investment function, shall keep a record of all opened and closed accounts. On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.
- Settlement of securities traded through qualified broker/dealers shall occur trade date plus one or two days (depending upon security type), the current industry standard. New issue securities may have longer settlements, but none shall be greater than three weeks.

  The Treasurer is responsible for ensuring that settlement occurs in a timely matter and that execution confirmations reflect accurate trade data. In addition, investment transactions are required to be Delivery v. Payment (DVP).

## Diversification Guidelines and Risks

The City recognizes diversification is an investment strategy that will mitigate risk in the investment portfolio. The City's investment portfolio shall be diversified to avoid incurring unreasonable and avoidable risks with regard to specific investment types. Within investment types, the City shall also maintain a mix of securities to avoid concentrations within individual financial institutions, geographic areas, industry types, and maturities.

The City will only invest in fixed rate, fixed maturity securities and, with the exception of U.S. Treasury securities or the Local Agency Investment Fund (LAIF), no more than 60 percent of the investment portfolio shall be invested in any single investment type or financial institution.

## Safekeeping and Custody

All security transactions, including collateral for repurchase agreements and certificates of deposit, shall be transacted on a Delivery vs. Payment (DVP) basis. This means that the securities shall be delivered to the City or the City's designated custodian upon receipt of payment by the City.

All securities that may be purchased, including collateral, shall be held by a third-party custodian designated by the Treasurer whenever possible. These securities shall be held in the City's name and control, and the third-party custodian shall be evidenced by safekeeping receipts. The third-party custodian shall send the City, on a monthly basis, a summary of safekeeping assets, and this statement shall be reconciled to the City's records on a monthly basis. Securities held in custody for the City shall be independently audited on an annual basis to verify investment holdings.

## Performance Standards and Evaluation

Investment performance is continually monitored and evaluated by the City Treasurer. Investment activity reports are generated on a monthly basis for presentation to the City Manager and City Council.

The weighted average maturity of the pooled portfolio shall not exceed three years and shall be designated to attain a market average rate of return. The market average rate of return will be determined by a custom benchmark that represents the prominent and persistent characteristicsof the portfolio.

An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City Manager and City Council with written observations and recommendations regarding the adequacy of investment controls.

## Qualifications and Continuing Education

The City Treasurer shall be a City employee or contract employee. The Treasurer shall be selected on the basis of educational background and experience relevant to the Treasury function.

The City recognizes the need for and is committed to providing ongoing education specific to the investment function for the Treasurer and other City staff and officials involved in the investment process.

**Primary Dealer** - A group of government securities dealers that submit daily reports of market activity and security positions held to the Federal Reserve Bank of New York and are subject to its informal oversight.

**Prudent Person Rule** - An investment standard. In some states, the law requires that a fiduciary, such as a trustee, may invest money only in a list of securities selected by the custody state - the so-called legal list. In other states, the trustee may invest in a security if it is one which would be bought by a prudent person of discretion and intelligence who is seeking a reasonable income and preservation of capital.

**Purchase Date** - The date in which a security is purchased for settlement on that or a later date.

**Qualified Public Depositories** - A financial institution that does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the commission eligible collateral having a value of not less approved by the Public Deposit Protection Commission to hold public deposits.

**Rate of Return** - The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond or the current income return.

**Repurchase Agreement (RP or REPO)** - A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this. Dealers use RP extensively to finance their positions. Exception: When the Fed is said to be doing RP, it is lending money, or increasing bank reserves.

## GLOSSARY OF TERMS (continued)

**Reverse Repurchase Agreement (Reverse REPO)** - A transaction where the seller (City) agrees to buy back from the buyer (bank) the securities at an agreed upon price after a stated period of time.

**Risk** - Degree of uncertainty of return on an asset.

**Safekeeping** - See Custody.

**Secondary Market** - A market made for the purchase and sale of outstanding issues following the initial distribution.

**Structured Notes** - Notes issued by government-sponsored enterprises (FHLB, FNMA, etc.) and corporations that have imbedded options (e.g., call features, step-up coupons, floating rate coupons, derivative-based returns) in their debt structure. Their market performance is impacted by the fluctuation of interest rates, the volatility of the imbedded options, and shifts in the shape of the yield curve.

**Supranational -** A supranational entity is formed by two or more central governments with the purpose of promoting economic development for the member countries. Supranational institutions finance their activities by issuing debt, such as supranational bonds. The three U.S. based supranationals are International Bank for Reconstruction and Development, the International Finance Corporation, and the Inter-American Development Bank.

**Swap** - The sale of one issue and the simultaneous purchase of another for some perceived advantage.

**Treasury Notes** - Medium-term coupon-bearing U. S. Treasury securities issued as direct obligations of the U. S. Government and having initial maturities from two to ten years.

**Uniform Net Capital Rule** - Securities and Exchange Commission requirement that member firms, as well as nonmember broker-dealers in securities, maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called net capital rule and net capital ratio. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

**U.S. Government Agencies** - Instruments issued by various U.S. Government Agencies, most of which are secured only by the credit worthiness of the particular agency.

## Statement of Investment Policy

This Statement of Investment Policy ("Policy"), as set forth by the City of Aliso Viejo ("City"), provides the guidelines for prudent investment of the City's idle or reserve cash and outlines the policies essential to ensuring the safety and financial strength of the City's investment portfolio.

This Policy is based on the principles of prudent money management and conforms to all applicable Federal and State Laws governing the investment of public funds. In instances in which the Policy is more restrictive than Federal or State Law, the Policy will supersede.

## Objectives

It is the policy of the City to invest public funds in a manner which will provide for the preservation of capital while meeting the daily cash flow requirements of the City and attaining a market average rate of return within an acceptable and defined level of risk.

The Policy has three primary objectives, in order of priority:

1. **Preservation of Capital (Safety)** – the protection of principal is the foremost consideration when undertaking investment decisions that affect public funds. The objective is to mitigate credit risk and interest rate risk.

**Credit Risk**

Credit Risk is the risk of loss of principal due to the failure of the security issuer. Credit Risk can be mitigated by:

- Limiting investments to the safest types of securities.
- Pre-qualifying accountants, auditors, financial institutions, broker/dealers, financial advisors, and other outside consultants with which the City does business.
- Diversifying the investment portfolio so that potential losses are minimized.

**Interest Rate Risk**

Interest rate risk is the risk that the market value of securities will fall due to a rise in general market interest rates. It is the policy of the City to hold individual securities to maturity in an effort to meet liquidity demands. Interest rate risk can be mitigated by:

- Holding individual securities to maturity - Structuring the investment portfolio so that securities mature to meet cash flow requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- Employing a laddering strategy whereby staggering maturities of individual securities so that bonds come due in increments, assuring an overall liquidity pattern.
- Limiting maturities of individual securities and the average maturity of the overall portfolio.

2. **Liquidity** – the investment portfolio shall remain sufficiently liquid to meet all daily cash flow and operating requirements that may be reasonably expected or anticipated.
3. **Return or Yield** – attain a rate of return consistent with the primary objectives of safety and liquidity, throughout budgetary and economic cycles.

## Scope of Funds

The investment policy applies to all financial assets and investment activities of the City, except for proceeds of debt issuance. Debt proceeds shall be invested in accordance with the "Permitted Investments" provisions for each specific bond indenture.

The Policy applies to the following funds and is accounted for in the City's annual audited financial statements.

A. General Fund
B. Special Revenue Funds
C. Debt Service Funds
D. Capital Improvement Funds
E. Enterprise Funds
F. Internal Service Funds
G. Agency Funds

## Prudent Investor Standard

The standard to be used by investment officials shall be that of a "prudent person" and shall be applied in the context of managing all aspects of the City's investment portfolio

**The Prudent Investor Standard:**

Governing bodies of local agencies or persons authorized to make investment decisions on behalf of those local agencies investing public funds pursuant to this chapter are trustees and therefore fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of sections 16429.1 and 53600 through 53684 of the California Government Code and considering individual investments as a part of an overall strategy, a trustee is authorized to acquire investments as authorized by law.

## Investment Philosophy

It is the investment philosophy of the City to make investment decisions based on an overall passive management style that embodies a prudent investor standard and such that investments are purchased to generally match expected future cash outflows and with the intent to hold until maturity.

Accordingly, the City's conservative philosophy prohibits active trading and speculation; i.e., the purchase of securities with the intent to profit from favorable market changes in market prices or market conditions. Leveraging or borrowing money for the purpose of investing is specifically prohibited. However, the City may elect to sell a security prior to its maturity and

record a capital gain or loss in order to improve the quality, liquidity, or yield of the portfolio in response to market conditions or City needs.

## Delegation of Authority

The City's Resolution No. 2003-018 appoints the Director of Financial Services to also serve as City Treasurer. The Treasurer, or his or her designee, has the authority to manage the City's investment portfolio in accordance with California Government Code Sections 53600 and 53630 *et seq.* and all related State and Federal laws.

The Treasurer will provide prior written notification to the City Manager and City Council regarding the designation of responsibilities.

The Treasurer shall establish written procedures for the operation and management of the City's investment portfolio consistent with this investment policy. The procedures should include reference to safekeeping, repurchase agreements, wire transfer agreements, banking service contracts, collateral or depository agreements, competitive bid process, and due diligence. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction, except as provided under the terms of this policy and the investment procedures established by the Treasurer and approved by the City Manager.

The City may also engage Securities and Exchange Commission registered external investment advisor to manage the City's investment program.

## Public Trust

All participants in the investment process shall act as custodians of public funds. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of public trust. In a diversified portfolio, it must be recognized that occasional measured losses are inevitable and must be considered in the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.

## Ethics and Conflicts of Interest

Elected officials and employees of the City involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial decisions under the Political Reform Act and Government Code Section 1090 *et seq.* Elected officials and employees shall disclose to the City Manager any material interests in financial institutions that conduct business with the City, and they shall further disclose any personal investment position or financial asset that could be related to the performance of the City's investment program. Elected officials and employees shall subordinate their personal investment transactions to those of the City particularly with regard to the time of purchases and sales.

Any firm proposing to provide any type of investment service to the City shall acknowledge their familiarity with the provisions of the Political Reform Act, Government Code Section 81000 *et seq.* and CA Code of Regulations 18110 *et seq.* and the provisions limiting contractual conflicts of interest under Government Code Section 1090 *et seq.* Any firm proposing to provide any type of investment service to the City shall also acknowledge their familiarity with and agree to abide by any Federal or State law, regulation, rule, or policy pertaining to or limiting campaign contributions by such firms, their employees, spouses, or agents.

All persons, firms, broker/dealers, financial institutions, and advisors providing investment services or bond issue assistance shall disclose to the City Manager and the Treasurer all fee sharing, fee-splitting, and commission arrangements with other entities or persons prior to the City agreeing to buy an investment or issue bonds.

## Internal Investment Controls

The Treasurer will implement and maintain a system of internal investment controls and segregate responsibilities of investment functions in order to prevent fraud, theft, loss of principal, loss of control over funds, inaccurate reporting, and negligence.

The Treasurer will assign designee(s) to assist in carrying out these functions and will establish an Oversight Reviewer function that may be carried out by a designated member of staff, independent individuals, or independent expert contractor to perform specified tasks.

In addition to the specified requirements placed on investment types, quality, maturity, and diversification, further controls will include:

- **Safekeeping of Securities**

  To protect against losses caused by the collapse of individual securities dealers, all securities owned by the City are required to be held by a third-party safekeeping institution. Third-party safekeeping institutions may not act as custodians for any securities which that institution has issued or sold to the City.

  Collateral must be held at safekeeping, as defined in the Safekeeping and Custody section of the Policy.

  Payment procedures for all securities transactions will be Delivery v. Payment (DVP)

- **Competitive Bidding of Investments**

  The City's investment procedures require that approved broker/dealers compete for investment purchases and sales in order for the City to obtain the highest yield available in the market and to ensure that investment transactions are free from favoritism.

  Qualified Bids will be required for purchase of all investment transactions. The Treasurer shall select the best bid and is required to keep a record of each investment transaction. The Treasurer will rotate the purchase of investments among the pool of qualified broker/dealers.

  If the City utilizes an external investment advisor, the advisor shall send its approved list of broker/dealers to the City annually and follow its policies and procedures for competitive bidding.

- **Annual Management Review and Audit**

  An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City with written observations and recommendations regarding the adequacy of investment controls.

- **Segregated Investment Execution, Recordkeeping and Reporting**

  An independent member of City staff will record the Treasurer's investment records or confirmations to the City's general ledger. In addition, independent staff will

perform the monthly reconciliation of bank, broker/dealer, and safekeeping confirmations.

- **Secondary Approval Required**

  The City Manager will review and approve the establishment of investment accounts, broker/dealer, and financial institution relationships and any agreements or contracts related to investments or investment related activity.

- **Wire Transfer Controls**

  All City wire transfers will be executed in accordance with a written agreement specifying control procedures required for wire transfers of funds, including the establishment of repetitive wires to pay for securities transactions with approved securities dealers as well as any other routine money transfers. All other non-repetitive wires require City Manager approval prior to release.

## Investment Policy Adoption

The City Council's primary responsibilities over the investment function includes establishing investment policies, annually reviewing such policies, appointing a City Treasurer, reviewing monthly investment reports issued by the Treasurer, authorizing bond documents and financing transactions, and adopting recommended changes to the City's Investment Policy as necessary.

The City's investment policy shall be adopted by resolution of the City Council. The policy shall be reviewed annually by the City Council and any modifications made thereto must be approved the City Council.

## Indemnification of Investment Officials

Any investment officer exercising his/her authority with due diligence, prudence, and care and in accordance with the Investment Policy and all written procedures shall be relieved of personal responsibility and liability for an individual security's losses or losses incurred by the portfolio. However, any investment officer also bears the responsibility of reporting deviations from expectations in a timely manner to City Council and appropriate action is taken to control adverse developments and mitigate loss of principal.

## Investment Portfolio Compliance

Should the portfolio, for any reason, fall out of compliance with this Investment Policy, immediate liquidation of securities in order to bring the portfolio back into compliance will not be required. However, the Treasurer must take action to bring the portfolio into compliance within 12 months from the date the portfolio was determined to be in non-compliance with the provisions of this Investment Policy. Additionally, adequate disclosure of all instances of noncompliance, and the efforts undertaken to bring the portfolio into compliance, must be made on the monthly Treasurer's Report.

## Reporting

The Treasurer shall submit a "Monthly Treasurer's Report" to the City Manager and City Council within 45 days following the last day of the month to be agendized for official action at a regular Council meeting thereafter. These reports shall disclose information relevant to the risk characteristics of the City's investment portfolio and shall include the following information:

**Monthly Treasurer's Report**

A. Cash receipts, disbursements, and balances in total.

B. A summary of the investment portfolio.

C. An asset list showing the issuer, type of investment, par value, maturity date, and interest rate.

D. Average rate of return on the City's investment portfolio.

E. Maturity aging grouped by type of investment.

F. Diversification of the investment portfolio.

G. A listing of individual investment transactions during the month, as required by Government Code section 53607.

H. A statement of ability to meet upcoming operating expenses and spending requirements for the next six months.

I. A statement of compliance with the Investment Policy, including a schedule of any transactions or holdings which do not comply with this policy or with the California Government Code, including a justification for their presence in the portfolio, and a timetable for resolution.

**Annual Report**

The annual report will be prepared by the City Treasurer and submitted to the City Manager each fiscal year to ensure consistency. The annual report will include an overall analysis of the portfolio and shall suggest policies and improvements to enhance the City's investment program. These enhancements will be annually considered by City Council and the authority to amend the Policy rests with City Council.

## Authorized and Suitable Investments

## Ratings and Rating Agencies

When possible, two ratings should be obtained to determine if an investment meets the Policy's quality standard. Currently under this Policy, only Standard and Poor's (S&P) and Moody's Investor Service (Moody's) are recognized investment ratings providers, and the City has established the following minimum standards to be applied at time of purchase and for reporting purposes:

## Prohibited Investments

State and Federal laws notwithstanding, any investment not specifically described herein including, but not limited to, reverse repurchase agreements, derivatives, options, futures, zero coupon bonds, inverse floaters, range notes, first mortgages or trust deeds, collateralized mortgage obligations (CMO's), limited partnerships, real estate investments trusts (REIT's), open-end mutual funds, closed-end mutual funds, mutual funds with a weighted average maturity greater than 180 days, unregulated and/or uninsured investment pools, common stock, preferred stock, commodities, precious metals, securities with high price volatility, limited marketability (less than three active bidders), securities that may default on interest payments, and any other speculative investment deemed inappropriate under the Prudent Investor standard are strictly prohibited. In addition, any investment transaction that might impair public confidence in the Aliso Viejo City government is to be avoided.

## Collateralization

Collateral for Certificates of Deposit (CD) and Negotiated Certificates of Deposit (NCD) must comply with Government Code, Chapter 4, Bank Deposit Law Section 16500 *et seq.* and the Savings and Loan and Credit Union Deposit Law Government Code Section 16600 *et seq.* In addition, if the CD is not FDIC insured or goes over the FDIC $250,000 limit, collateral is required equal to 100 percent of principal.

Collateral for Repurchase Agreements shall be 102 percent of market value of principal and accrued interest. Collateral can be either US Treasury securities or Federal Agency securities. This will provide an addition level of security due to inevitable changes in market conditions.

Collateral will always be held by an independent third party with whom the City has a current custodial agreement. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained. The right of collateral substitution is granted within the parameters and constraints of this Policy.

## Investment Pools

Government sponsored investment pools (Pools) are permitted under California Government Code Section 53601 *et seq.* and are an excellent short-term investment option for cash management facilities. These pools can provide safety, liquidity, and yield in a single diversified investment. However, thoughtful investigation and due diligence are required both initially at time of purchase and on an ongoing basis with analysis to determine that the investment pool is being managed in a manner consistent with the objectives of the Policy. The following guidelines include, but are not limited to:

- The Pool shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations, or shall be insured by a municipal insurance corporation.
- The Pool marks to market weekly at a minimum.
- The Pool provides comprehensive, timely monthly reports which include detailed transaction listings, report realized and unrealized gains and losses, provide accurate market values for each security, provide quality rating for individual securities, take delivery DVP, provide third party safekeeping of all investments, and for whom an audit is conducted annually by an independent auditor with no relationship to the Pool.

## Money Market Mutual Funds

Money market mutual funds provide another safe, liquid, and diversified investment option for the City's surplus capital. However, certain conditions need to be met both initially and on an ongoing basis. The money market may only invest in US Government securities permitted under this policy and under California Government Code Section 53601 *et seq.* withfinal stated maturities of one year or less "Government Money Market Funds."

In order to be an eligible money market investment under this section, the primary objective of the money market, as stated in the funds' prospectus, is to maintain a constant $1.00 Net Asset Value (NAV). The following additional guidelines include, but are not limited to:

- The money market only invests in US Government securities, and the weighted average maturity of the portfolio is less than 180 days.

- The fund shall be registered with the SEC.
- The money market shall have attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations and shall maintain these ratings for the duration of the investment.

## Maturity Limits

The longer the maturity of securities, the greater the market volatility. Therefore, the maximum maturity limit for any given security in the investment portfolio shall not exceed five (5) years.

It is also important to note that specific investments, detailed under the "Authorized and Suitable Investments" section, may be restricted to a shorter maturity.

The weighted average life of the portfolio may not exceed three (3) years in duration.

At a minimum, 15 percent of the portfolio shall remain liquid, accessible on demand by the City without restriction or penalty.

The investment portfolio shall be structured for liquidity purposes; therefore, 40 percent of the portfolio shall mature within 365-days .

Maturities will be selected based on a sufficiently detailed cash flow projection that facilitates selecting investment maturity dates to approximately match the projected dates of budgeted expenditures. Once cash flow needs are matched, maturities are selected based on a "laddering strategy" and the shape of the yield curve.

Extensions in the maximum maturity and average weighted life of the portfolio must be supported by detailed cash flow forecasts demonstrating the adequacy of cash from maturing assets to meet one hundred twenty-five percent (125%) of monthly expenditures for each prospective quarter, ending with the current maximum including capital expenditures funded on a pay-as-you-go basis. Recommendations to extend maturities must be reviewed and approved by the City Manager and City Council.

## Qualifications for Financial Institutions and Broker/Dealer's

The Treasurer will maintain a list of qualified financial institutions and broker/dealers authorized to transact business with the City, as stated in Appendix "B".

If the City utilizes a SEC registered external investment advisor, the advisor shall maintain a list of authorized broker-dealers and complete the appropriate due diligence required by the SEC. The external investment advisor may use its own list of approved broker/dealers and financial institutions for investment purposes on behalf of the City. The investment advisor shall submit the list of approved broker/dealers to the Finance Director/City Treasurer on an annual basis. The Finance Director/City Treasurer may restrict the use of a broker/dealer which may be deemed unsuitable.

The financial entitieseligible to transact investment business with the City are:

I. Federal Reserve Bank:

Direct purchase of U.S. Treasury Bills, Notes, and Bonds using primary government dealers as designated by the Federal Reserve are exempt from quality requirements and are encouraged due to commission or mark-up discounts.

II. Nationally or State Chartered Banks, Savings and Loans, and Credit Unions:

The City may purchase investments offered from Banks, Savings and Loans, and Credit

Unions provided the institutions are:

- Nationally or State Chartered Institutions.
- Registered as investment securities dealers.
- Ranked in the top 15 percent of institutions within their respective peer group.
- The signatures of two individuals shall be required for the opening and closing of any bank account (the Treasurer, City Manager, Mayor, or Mayor Pro Tem). The Accounting Officer, who is independent of the investment function, shall keep a record of all opened and closed accounts. On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.

III. Broker/Dealers:

The City will purchase investments from primary dealers whenever possible. However, if an investment deemed appropriate for the portfolio is not available through the primary market, then the Treasurer may use an authorized broker/dealer from the pre-approved list of broker/dealers on record.

For a broker/dealer to be considered for placement on the pre-approved list, they must comply with the following:

- Primary or Regional dealers that qualify for SEC Rule 15c3-1
- Provide audited financial statements from the two most frequent years
- A statement certifying that the institution has reviewed the City's Investment Policy and California Government Code Section 53600 *et seq.* and that all securities offered to the City shall comply fully with all provisions of the Policy and the California Government Code.
- The signatures of two individuals shall be required for the opening and closing of any broker/dealer account (the Treasurer, City Manager, Mayor or Mayor Pro Tem). The Accounting Officer, who is independent of the investment function, shall keep a record of all opened and closed accounts. On an annual basis, the Accounting Officer shall provide a list of accounts to the independent auditor.
- Settlement of securities traded through qualified broker/dealers shall occur trade date plus one or two days (depending upon security type), the current industry standard. New issue securities may have longer settlements, but none shall be greater than three weeks.

## Diversification Guidelines and Risks

The City recognizes diversification is an investment strategy that will mitigate risk in the investment portfolio. The City's investment portfolio shall be diversified to avoid incurring unreasonable and avoidable risks with regard to specific investment types. Within investment types, the City shall also maintain a mix of securities to avoid concentrations within individual financial institutions, geographic areas, industry types, and maturities.

The City will only invest in fixed rate, fixed maturity securities and, with the exception of U.S. Treasury securities or the Local Agency Investment Fund (LAIF), no more than 60 percent of the investment portfolio shall be invested in any single investment type or financial institution.

## Safekeeping and Custody

All security transactions, including collateral for repurchase agreements and certificates of deposit, shall be transacted on a Delivery vs. Payment (DVP) basis. This means that the securities shall be delivered to the City or the City's designated custodian upon receipt of payment by the City.

All securities that may be purchased, including collateral, shall be held by a third-party custodian designated by the Treasurer whenever possible. These securities shall be held in the City's name and control, and the third-party custodian shall be evidenced by safekeeping receipts. The third-party custodian shall send the City, on a monthly basis, a summary of safekeeping assets, and this statement shall be reconciled to the City's records on a monthly basis. Securities held in custody for the City shall be independently audited on an annual basis to verify investment holdings.

## Performance Standards and Evaluation

Investment performance is continually monitored and evaluated by the City Treasurer. Investment activity reports are generated on a monthly basis for presentation to the City Manager and City Council.

The weighted average maturity of the pooled portfolio shall not exceed three years and shall be designated to attain a market average rate of return. The market average rate of return will be determined by a custom benchmark that represents the prominent and persistent characteristicsof the portfolio.

An annual audit of the City's Investment Policy, practices, procedures, and portfolio status will be conducted by an independent auditor of all items including, but not limited to, items specified in the Audit Checklist provided in the City's Procedure Manual. The auditor will provide the City Manager and City Council with written observations and recommendations regarding the adequacy of investment controls.

## Qualifications and Continuing Education

The City Treasurer shall be a City employee or contract employee. The Treasurer shall be selected on the basis of educational background and experience relevant to the Treasury function.

The City recognizes the need for and is committed to providing ongoing education specific to the investment function for the Treasurer and other City staff and officials involved in the investment process.

There is no minimum investment period, and the minimum transaction is $5,000, in multiples of $1,000 above that, with a maximum balance of $75,000,000 for any agency. It offers high liquidity because deposits can be converted to cash in 24 hours and no interest is lost. All interest is distributed to those agencies participating on a proportionate share basis determined by the amounts deposited and the length of time they are deposited. Interest is paid quarterly. California Government Code §16429.3 states, in part:

> "money placed with the State Treasurer for deposit in the Local Agency Investment Fund by cities, counties, or special districts shall not be subject to impoundment or seizure by any state official or state agency."

Local agencies are restricted by the Government Code to investments in corporations rated in the top three note categories by Moody's Investors Service, Inc., and/or Standard and Poor's Corporation. For medium term notes, eligible purchases consist of instruments that have a rating of "A" or better by both Moody's Investors Service, Inc., and Standard and Poor's Corporation.

Open market operations are the Federal Reserve's most important and most flexible monetary policy tool.

**Paper Gain or Loss** - Term used for unrealized gain or loss on securities being held in a portfolio based on comparison of current market quotes and their original cost. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this. | **INVESTMENT GUIDELINES, STRATEGY AND INTERNAL CONTROL** | Dave Doyle CITY MANAGER | **11** | **7/1/2015 Rev 7/1/2017 7/1/2023** | **1 of 4** |

**PURPOSE**

The purpose of this policy is to establish a framework for the investment of surplus City funds within the established internal control procedures for treasury functions.

**POLICY**

INVESTMENT GUIDELINES AND STRATEGY

GUIDELINES

1. Investment Transaction - Every investment transaction must be authorized and reviewed by the Director of Finance/City Treasurer or his/her designee.

2. Pooled Cash - Whenever practical, local agency cash is consolidated into one bank account and invested on a pooled concept basis. Interest earnings are allocated monthly according to month-end cash and investment balances for each fund.

3. Competitive Bids - Purchases and sales of securities are made on the basis of competitive offers and bids.

4. Cash Forecast - The cash flow for the City is analyzed with the receipt of revenues and maturity of investments scheduled so that adequate cash will be available to meet disbursement requirements.

5. Investment Limitations - Security purchases and holdings are maintained within statutory limits imposed by the California Government Code.

6. Liquidity - The marketability of a security is considered at the time of purchase, as the security may have to be sold at a later date to meet unanticipated cash demands.

7. Diversification - The portfolio should consist of various types of securities, issuers, and maturities.

STRATEGY

1. Economic Forecasts - Economic Forecasts are obtained periodically from economists and financial experts through bankers and brokers to assist the Director of Finance/City Treasurer or his/her designee with the formulation of an investment strategy for the local agency.

2. Implementing Investment Strategy - Investment transactions are executed to conform to anticipated interest rate trends and the current investment strategy plan.

3. Rapport - A close working relationship is maintained with public works, city staff, and large vendors of the city. The objective is to pinpoint when large disbursements will clear the City's bank account. It is essential for good cash control that such large expenditures be anticipated, estimated as to dollar amount, and communicated to the Director of Finance/City Treasurer or his/her designee for liquidity planning purposes.

4. Preserve Portfolio Value - Field standards are developed in order to maintain earnings near the market and to preserve the value of the portfolio.

INTERNAL CONTROL

I. OBJECTIVES OF INTERNAL CONTROL

1. To effectively and efficiently conduct business, including adherence to financial and management policies.
2. Safeguarding its assets and prevention or detection of errors and fraud.
3. Timely preparation of accurate and reliable financial information.
4. Compliance with applicable laws and regulations.

II. COMPONENTS OF INTERNAL CONTROL

1. Control Environment - The control environment is the set of standards, processes, and structures that provides the basis for carrying out internal control across the organization. Management establishes the tone at the top regarding the importance of internal control, including expected standards of conduct, organizational structure, and assignment of authority and responsibility.

2. Risk Assessment - Risk assessment involves a dynamic process for identifying and analyzing risks in achieving the entity's objectives. Risk assessment requires management to consider the impact of possible changes in the internal and external environment that may render established internal controls ineffective.

3. Control Activities - Control activities are the actions established through policies and procedures to ensure that management's directives to mitigate risks are achieved. Segregation of duties is typically built into the development of control activities and may include authorizations, verifications, reconciliations, and reviews.

4. Communication - Communication occurs both internally and externally and provides the organization with the information needed to carry out day-to-day activities.

5. Audits – Audits are the process through which activities can be monitored and evaluated for any internal control deficiencies and communicated to management for taking corrective action.

| **INVESTMENT GUIDELINES, STRATEGY AND INTERNAL CONTROL** | Dave Doyle CITY MANAGER | **11** | **7/1/2015 Rev 7/1/2017 7/1/2023** | **3 of 4** |

III. ELEMENTS OF INTERNAL CONTROL

1. Organization - Responsibility for the performance of duties should be assigned and lines of authority and reporting clearly identified and delineated.

2. Segregation of functions - Segregation of functions reduces the risk for an individual to be able to perpetrate and conceal errors or commit fraud in the normal course of duty. If two parts of a transaction are handled by different individuals, collusion is necessary to conceal errors or commit fraud. Functions that should be considered when evaluating segregation of duties are authorization, execution, recording, custody of assets, and reconciliation.

3. Authorization - All transactions should be approved by an authorized individual. The responsibilities and limits of authorization should be clearly delineated. The individual or group authorizing a specific transaction or granting general authority for transactions should be in a position commensurate with the nature and significance of the transactions.

4. Controls over an accounting system - Controls over an accounting system include the procedures, both manual and computerized, carried out independently to ascertain that transactions are complete, valid, authorized, and properly recorded.

IV. LIMITATIONS OF INTERNAL CONTROL

Internal control, no matter how well-designed, implemented, and conducted, can only provide reasonable assurance to management of the achievement of an entity's objectives. Inherent limitations of internal control may include:

1. Recurring, rather than unusual, types of transactions.
2. Human error due to misunderstanding, carelessness, fatigue, or distraction.
3. Potential for collusion that circumvents controls defined by the segregation of functions.
4. Possibility of a management override of the system, despite an otherwise effective system of internal control.

***AGENDA ITEM***

DATE: July 17, 2024

TO: Mayor and City Council

FROM: Ann Eifert, Director of Financial Services/City Treasurer

SUBJECT: RESOLUTION OF COMMUNITY FACILITIES DISTRICT NO. 2005-01 (GLENWOOD AT ALISO VIEJO) AUTHORIZING THE ANNUAL LEVY OF SPECIAL TAXES FOR FISCAL YEAR 2024-25

---

**Recommended Action:**

Adopt a resolution ("Resolution") of the City Council, acting as the legislative body of Community Facilities District No. 2005-01 (Glenwood at Aliso Viejo) (the "CFD"), authorizing the annual levy of special taxes for fiscal year 2024-25.

**Fiscal Impact:**

The approval of the CFD special tax levy for FY 2024-25 will provide approximately $2,065,915 required to pay annual debt service on outstanding Special Tax Bonds, administrative expenses of the CFD, and cash flow contingency for anticipated delinquent special taxes.

**Background:**

The CFD was formed by the City on March 16, 2005, for the purpose of financing the acquisition and/or construction of certain public improvements to be owned by the City, the County of Orange, and Moulton Niguel Water District required as conditions of approval of the development of property within the CFD. On the same date, the qualified electors of the CFD voted to authorize to levy the special tax pursuant to the rate and method of apportionment thereof and to authorize the issuance of bonds for the CFD in a principal amount not to exceed $37,500,000 to be secured by such special taxes to finance such public improvements. At the request of Shea Homes Limited Partnership, the City conducted proceedings to modify the rate and method of apportionment of special taxes authorized to be levied within the CFD. On November 1, 2006, City Council approved the Modified Rate and Method of Apportionment ("Modified RMA"). On December 6, 2007, the CFD issued Bonds in the amount of $34,070,000 to finance the authorized facilities (the "2007 Bonds").

On February 13, 2014, the CFD issued the 2014 Special Tax Refunding Bonds for the purpose of refunding the outstanding 2007 Bonds to achieve lower interest rates and provide annual special tax savings to the property owners within the CFD.

On December 5, 2023, the CFD issued the 2023 Special Tax Refunding Bonds for the purpose of refunding the outstanding 2014 Bonds to achieve lower interest rates and provide annual special tax savings to the property owners within the CFD.

**Discussion:**

To meet the financial requirements of the CFD in FY 2024-25, special taxes are proposed to be levied on Developed Property as defined in the Modified RMA at approximately seventy-one and 22/100 (71.22%) of the authorized maximum special tax rates. The proposed FY 2024-25 special tax rates are listed in Exhibit "A" of the Resolution. Developed Property are parcels for which building permits were issued and represent 458 units of taxable residential property within the CFD (excludes one parcel for whom the parcel owner fully prepaid their special tax obligation). Building permits have been issued for all planned residential units within the CFD; therefore, the CFD is considered fully developed.

FY 2024-25 is the 18th year the CFD will levy special taxes. Special taxes will be levied on Developed Property in FY 2024-25 in an aggregate amount of approximately $2,065,915 to fund the FY 2024-25 net financial requirements of the CFD, which includes payment of debt service on the bonds, administrative expenses, and anticipated delinquencies.

In order to levy the special tax for FY 2024-25, the City Council must adopt the Resolution authorizing the annual special tax levy.

SUBJECT: ADDENDUM P TO THE LEASE AGREEMENT WITH PMZ PENSION CORPORATION FOR 12 JOURNEY, SUITE 201

---

**Recommended Actions:**

1. Approve Addendum P to the lease agreement with PMZ Pension Corporation for 12 Journey, Suite 201; and

2. Authorize the City Manager to execute the Addendum.

**Fiscal Impact:**

The lease agreement for Suite 201 will be amended to increase the rent from $3,999.25 to $5,000 per month. Rent had not been adjusted since becoming a month-to-month lease in 2015.

**Background:**

The City leases out unneeded tenant space upstairs at City Hall, with 2 current tenants and 1 suite vacancy.

**Discussion:**

PMZ has been a long-term tenant at City Hall, leasing Suite 201 since 2001. The previous addendum in 2015 modified the term to become month to month with the intention of continuing to lease long term. Since it was month to month, there was not a renewal to trigger rent adjustments as might be typical in a lease agreement.

This new addendum will provide an ongoing lease term, but with market adjustments to rent every two years based upon the current market conditions. Termination by either party is possible given a 90-day notification. PMZ has been a valued tenant and staff respectfully recommends approval of this addendum.

**ADDENDUM P**

This Addendum P to the Lease Agreement for 12 Journey, Suite 201, Aliso Viejo, California ("Addendum") is entered into on the ____ day of _____ 2024, by and between the City of Aliso Viejo, a California municipal corporation ("Lessor") and **PMZ Pension Corporation.** ("Lessee")**,** whose principal place of business is 12 Journey, Suite 201, Aliso Viejo, California 92656. Lessor and Lessee may be referred to in this Addendum individually as "Party" or collectively as "Parties."

**RECITALS**

A. Pacific Park Executive Plaza LLC and PMZ Pension Corporation entered into a certain lease agreement dated October 24, 2001, and subsequent Addendums A thru N.

B. Pursuant to Addendum O, the Parties amended the Term to continue as a month-to-month tenancy until such time as it is terminated by either Party. Either Party may terminate the lease by giving the other Party written notice at least 90 days prior to the when the Premises are to be vacated.

C. The Parties now desire to amend the Lease Agreement in order to amend the the Rent Lease and revise additional provisions, as set forth herein.

**TERMS**

1. **Base Rent.** Section 1.5 of the Lease Agreement is hereby amended to read as follows:

"May 1, 2024, through June 30, 2026 shall be at $5,000.00 per month."

"Subsequent 2-year terms beginning on July 1, 2026 shall be adjusted per office space rent market study provided by the Lessee no later than May 1 and agreed to by the Lessor. In no event shall rent be less than $5,000.00 per month."

TO: Honorable Mayor and City Council Members

SUBJECT: NATIONAL OPIOID SETTLEMENTS WITH DEFENDANT KROGER CO.

---

**Recommended Actions:**

1. Opt into the settlement agreement with Kroger, allocate the City's portion of the settlement funds to the County of Orange, and direct the City Manager to execute any documents necessary to implement the action; and

2. Grant the City Manager authority to execute and enter into future similar agreements related to the nation-wide opioid settlements.

**Fiscal Impact:**

The recommended action will have no fiscal impact to the City's General Fund, but could indirectly result in savings to the City through the County's use of this funding source to the City's benefit.

**Background:**

Litigation brought by states, cities, local political subdivisions, special districts, and tribes across the United States ("subdivisions") against manufacturers and pharmaceutical distributors of opioid painkillers ("opioid distributors") has resulted in settlements requiring the opioid distributors to pay more than $20 billion dollar to abate the opioid epidemic, with approximately $17 billion going to participating states and other subdivisions.

- Kroger Settlement. A proposed multi-state settlement with Kroger dated March 22, 2024 (Exhibits A and B) has been offered totaling approximately $1.4 billion in such payments ("Kroger settlement"). The proposed settlement also enjoins Kroger's opioid dispensing practices and prevents diversion of prescription opioids.

- Allocation of Funds. California is expected to receive approximately $120 million from the proposed Kroger settlement to distribute pursuant to an allocation formula. This formula is nearly identical to previous opioid settlement agreements

and allocates the funds as follows: 15% to the subdivision fund, 15% to the state fund; and 70% to the abatement accounts fund.

- o Subdivision Fund. 15% percent of the total settlement funds would be distributed to the subdivision fund, which would be allocated among the plaintiffs in the litigation to fund future opioid remediation and to reimburse past opioid-related expenses (which may include fees and expenses related to litigation).

- o State Fund. 15% percent of the total settlement funds would be allocated to the State and used by the State for future opioid remediation.

- o Abatement Accounts Fund. 70% percent of the total settlement funds would be allocated to counties and cities to be used for opioid abatement or remedial uses (such as services to treat opioid use disorder, support people in treatment and recovery; purchase and distribute naloxone; connect people to care; address needs of criminal justice-involved persons; address the needs of communities of color and vulnerable populations (including sheltered and unsheltered persons disproportionately impacted by substance use disorders); prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids; prevent misuse of opioids; prevent overdose deaths and other harms; provide leadership, planning, and coordination of programs; provide training; and conduct research.

    - The funds to individual counties are allocated based on opioid deaths per capita, incidence of opioid use disorder, and opioid dosage.

    - The funds to cities within a particular county are allocated based on historical spending of cities on various services such as police protection, fire protection, health services, correction services, housing and community development, judicial services, and legal services.

- Management of funds. Each county and city receiving payments must prepare written reports at least annually regarding the use of those funds until the funds are fully expended and for one year thereafter. These reports would also include a certification that all funds received have been used in compliance with the allocation agreements. Further, each county and city would need to track all deposits and expenditures. A county is not responsible for oversight, reporting, or monitoring of funds received by a city within that county that receives direct payment.

**Discussion:**

California counties and cities have been allocated 85% of the total amount allocated to California, which based on best estimates will be approximately $120 million.

- City Allocation. The specific amount to be allocated to the City is unknown at this time because it is dependent upon the number of localities that opt into the settlement, but based on the currently proposed California allocation agreement, the City's percentage allocation would be roughly 0.011% ($10,245) disbursed over 11 years.

- Default Distribution. The default distribution of settlement funds channels the City's share of funds directly to Orange County to fulfill the targeted functions on the City's behalf. The City may instead elect at any time to receive its funds directly by providing notice in the participation agreements, but the City would have to provide the services and undertake compliance reporting. Alternatively, the City may opt in or out of direct payment at any time, in whole or in part, by providing notice to the settlement fund administrators at least 60 days prior to a payment date.

- City-Specific Considerations. In deciding whether to direct its share of funds to the County, the City should consider the following: (1) whether the amount of money is substantial enough for the City to funds stand-alone impactful and meaningful programs, (2) whether the City offers the services and has the employees and capacity to spend the money in accordance with its prescribed uses, and (3) the cost-benefit of engaging in the reporting requirements over the course of the next twelve years (11 years of distribution and an additional year following final distribution).

This is the third of these opioid settlements and it is counsel's and staff's understanding that there could be more settlements with other defendants. If previous settlements are indicative, future settlements with smaller players will continue to be in descending amounts. Thus, there could be some efficacy in granting the City Manager authority to execute any future settlement agreements consistent with City Council direction.

Opting In

The City must opt into the settlement by **August 12, 2024**, which requires the City to release its claims against Kroger.

- No Opt-in Action. If the City takes no action, it will have not opted into the settlement and its allocation of settlement funds will not be paid. The City would still have the opportunity to bring its own action against Kroger if it opts out of the settlement, which is not very realistic.

- Opt-in Action. Rubris Incorporated ("Rubris") has been designated as the Settlement Implementation Administrator responsible for providing notice and managing the collection of participation forms. Rubris also handled the previous national opioid settlements. The City must return the "Subdivision Participation and Release Form" (Exhibit C) to Rubris using electronic signature via DocuSign, manual signature returned via DocuSign, or manual signature returned via

electronic mail to opioidsparticipation@rubris.com by August 12, 2024 in order to opt into the settlement.

Conclusion

Unless the City intends to pursue its own litigation against Kroger in the 2024 National Settlement Agreements, counsel and staff recommends that the City opt into the settlement. While it is unclear what the exact amount is that the City will be allocated, it is estimated that this amount will be less than the relatively small amount of funds the City received pursuant to the 2021 and 2022 National Settlement Agreements. Because of this, the restrictions on what the funds can be used for, and the onerous reporting requirements, counsel staff also recommends that the City allocate its funds to the County of Orange.

Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Kroger, and the Participating Subdivisions. This Agreement will then be filed as part of a Consent Judgment in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

## I. Definitions

Unless otherwise specified, the following definitions apply:

A. *"Additional Remediation Amount."* The amount available to the Settling States totaling up to $8,000,000.00, to be paid in accord with the payment schedule at Exhibit M-3.

B. *"Adjusted State Remediation Payment."* The State Remediation Payment reduced by the Overall State Allocation for each Non-Settling State on Exhibit F.

C. *"Agreement."* This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.

E. *"Allocation Statute."* A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that Settling State and/or its Subdivisions. An Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

F. *"Annual Fees Payment."* The amounts payable by Kroger in each Payment Year comprised of the State AG Fees and Costs payment, the Additional Remediation Amount payment, and the Private Attorney Fees payment, and not including the Annual Remediation Payment.

G. "*Annual Remediation Maximum.*" The total amount available to Eligible States for Annual Remediation Payments in each Payment Year as set forth in the "Maximum Annual Remediation Payment" column of Exhibit M-1. In no event shall an Annual Remediation Payment in Payment Years 1-2, or 5-10 exceed the Annual Remediation Maximum for that Payment Year set forth in Exhibit M-1. For Payment Years 3-4, the Annual Remediation Payment may exceed the Annual Remediation Maximum for that Payment Year only to the extent needed for the Incentive Payment A Catch-up Payment for a Settling State that has not earned some or all of Incentive Payment BC in prior Payment Years, having resulted in correspondingly lower Annual Remediation Payments in those prior Payment Years. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Remediation Payments by Kroger under this Agreement) shall not constitute a Bar.

The Reference Date shall be no later than thirty (30) calendar days after the Initial Participation Date, unless it is extended by written agreement of Kroger and the Enforcement Committee.

Without limiting the foregoing, Released Claims include any Claims that have been asserted against Released Entities, by a Settling State or Litigating Subdivision in any federal, state, or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of, or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted prior to the Initial Participation Date by a Settling State, Subdivision, or Releasor (whether or not such Settling State, Subdivision, or Releasor has brought such action or proceeding). The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. An illustrative list of Kroger's joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. Notwithstanding any other provision of this Agreement, Albertsons Companies, Inc. (and its joint ventures, subsidiaries, divisions, and affiliates, and the predecessors, successors, assigns, and agents of Albertsons Companies, Inc., its joint ventures, subsidiaries, divisions, and affiliates) is not a Released Entity and will not become a Released Entity if acquired by Kroger. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section X.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

OOO. "*Remediation Accounts Fund.*" The component of the Settlement Fund described in Section V.

PPP. "*Revocation Event.*" With respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A Settling State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

CCCC. *"Statutory Trust."* A trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from the Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each Settling State shall equal one hundred percent (100%). Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. ## II. Participation by Eligible States and Condition to Preliminary Agreement

A. *Notice to Eligible States.* On March 25, 2024, this Agreement shall be distributed to all Eligible States. The Attorneys General of the Eligible States shall then have until April 24, 2024 to decide whether to become Settling States. Eligible States that determine to become Settling States shall so notify Kroger and shall further commit to obtaining any necessary additional state releases prior to the Reference Date. This notice period may be extended by written agreement of Kroger and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A, Kroger shall determine whether, in its sole discretion, enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII. If Kroger determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Kroger determine that this condition has not been satisfied, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by Eligible States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Kroger and the Enforcement Committee. If an Eligible State becomes a Settling State more than sixty (60) calendar days after

the Preliminary Agreement Date, but on or before the Reference Date, the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of the Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after the Reference Date.

D. *Litigation Activity.* Following the Preliminary Agreement Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Kroger, including by jointly seeking stays or, where appropriate, severance of claim against Kroger, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

## III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

## IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Remediation Payments*

1. Kroger shall make eleven (11) Annual Remediation Payments, each comprised of Base Payments and Incentive Payments as provided in this Section IV and as determined by the Settlement Fund Administrator as set forth in this Agreement, *provided that* the Annual Remediation Payment in Payment Year 1 shall consist solely of Base Payments. The payment schedule for the Annual Remediation Payments is attached hereto as Exhibit M-2.

2. In no instance shall Kroger's Annual Remediation Payment obligation exceed the Annual Remediation Maximum, reduced for Non-Settling States, except as specified in the definition of "Annual Remediation Maximum" for Payment Years 3, 4, and 11. In no instance shall the sum of Kroger's Annual Remediation Payment obligations for Payment Years 1-11 exceed the sum of Kroger's Annual Remediation Maximums for Payment Years 1-11, reduced for Non-Settling States.

C. *Settlement Fund Payment Process*

1. To determine each Annual Remediation Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of sixty (60) days prior to the Payment Date for each payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for

distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. Determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the Settling State is entitled by applying the criteria under Section IV.F, Section IV.G, and Section IV.H;

b. applying any offsets, credits or reductions as specified under Section IV and Section XII;

c. determining the total amount owed by Kroger to all Settling States and the Participating Subdivisions listed on Exhibit G; and

d. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Remediation Payment pursuant to Section V among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

3. If, no later than fifty (50) days prior to the Payment Date, Kroger and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Kroger shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2. If the Settlement Fund Administrator is not so informed, it shall give notice to Kroger, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Kroger, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Remediation Payment or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the

Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Kroger identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Kroger shall pay the adjusted amount, collectively totaling that year's Annual Remediation Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Kroger of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Annual Remediation Maximum. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Remediation Maximum.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Kroger into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the

allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

6. The Settlement Fund Administrator may combine the disbursements of Annual Remediation Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

7. For the avoidance of doubt, a Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Procedure for Annual Remediation Payment and Annual Fees Payment in Payment Year 1*. The process described in Section IV.C shall not apply to Payment Year 1. The procedure in lieu of Section IV.C for Payment Year 1 is as set forth below:

1. The Payment Date for Payment Year 1 is March 31, 2024. Kroger shall deposit into a segregated interest-bearing bank account it establishes the "Maximum Base Payment" for Payment Year 1 as specified in Exhibit M-2. Kroger shall also deposit into two (2) separate segregated interest-bearing bank accounts it establishes: (a) the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 as specified in Exhibit M-3; and (b) the sum of the "State Cost Fund," the "Maximum State Outside Counsel Fee Fund," and the "Maximum Additional Remediation Amount" for Payment Year 1 as specified in Exhibit M-3. Kroger shall separately account for the interest earned on each of the three (3) accounts.

2. Kroger shall provide proof to the Enforcement Committee of the deposits required by Section IV.D.1 by March 31, 2024. Kroger shall not remove any money from the segregated bank accounts, except as provided by Section IV.D.3 and Section IV.D.4.

3. In the event that an Eligible State does not agree to become a Settling State by the Preliminary Agreement Date, such State's share of the funds held in the segregated bank account holding the "Maximum Base Payment" for Payment Year 1 shall immediately revert to Kroger. This amount shall be calculated by multiplying the aggregate Overall Allocation Percentage attributable to Eligible States that have not agreed to become Settling State by the Preliminary Agreement Date by the "Maximum Base Payment" amount specified in Exhibit M-2 for Payment Year 1. In the event that, in accordance with the terms of Section VIII.B, Kroger determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the segregated bank accounts shall immediately revert to Kroger.

4. If the condition set forth in Section VIII.B is met, Kroger shall transfer into the Settlement Fund, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Base Payment" for Payment Year 1 (including all interest accrued on that account) plus the total amount of the Base Payment owed in Payment Year 1 for the Eligible States that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date, which shall be calculated by multiplying those Settling States' Overall Allocation Percentage by the amount specified in Exhibit M-2 for Payment Year 1. If the condition set forth in Section VIII.B is met, Kroger also shall transfer into the relevant funds as directed by the Enforcement Committee, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 (including all interest accrued on that account), and the amount in the segregated account holding the sum of the "State Cost Fund," the "Maximum State Outside Counsel Fee Fund," and the "Maximum Additional Remediation Amount" for Payment Year 1 (including all interest accrued on that account), except that any reductions provided by Section IX.B and Exhibits R, S, and T shall revert to Kroger. Kroger shall provide an accounting to the Enforcement Committee of the transfers, including Statewide Payment Amount for Payment Year 1 for each Eligible State that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date.

5. The Annual Remediation Payment for Payment Year 1 transferred by Kroger into the Settlement Fund pursuant to Section IV.D.4 shall be disbursed by the Settlement Fund Administrator after the Effective Date to each Settling State and to its Initial Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4 through Section IV.C.7; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that Settling State.

E. *Payment Date for Payment Years 2 through 11.* The Payment Date for Payment Year 2 is March 31, 2025. The Payment Date for Payment Years 3 through 11 shall be each successive March 31. The Annual Remediation Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Remediation Payments to the Settlement Fund for Non-Settling States.* An offset equal to $1,200,000,000 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Kroger to the Settlement Fund. For the avoidance of doubt, the Adjusted State Remediation Payment is calculated in a way that reflects this offset. The Base Payments and Incentive Payments are also subject to offset and reduction as provided in Section XII.

G. *Base Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Kroger shall make Base Payments into the Settlement Fund in an amount equal to thirty-eight percent (38%) of the Adjusted State Remediation Payment. The maximum total for Base Payments is $456,000,000. The Base Payments shall be due in installments consistent with Exhibit M-2 over the eleven (11) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. The Base Payment for any Settling State in each Payment Year shall be the Base Payment for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F.

H. *Incentive Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Kroger shall make potential additional incentive payments totaling up to a maximum of sixty-two percent (62%) of the Adjusted State Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $744,000,000.

2. A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. With the exception of the Incentive Payment Earn-Back, the maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F. With the exception of the Incentive Payment Earn-Back, Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be divided among four (4) categories, referred to as Incentive Payments A, BC and D, and the Incentive Payment Earn-Back. Incentive Payments A and BC will be due in installments over the ten (10) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over Payment Years 6 through 11, as shown on Exhibit M-2. The Incentive Payment Earn-Back will be

due, if earned pursuant to Section IV.H.7, in Payment Year 11. The total amount of incentive payments in an Annual Remediation Payment shall be the sum of the incentive payments for which the individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A in an Annual Remediation Payment, such Settling State is not eligible for Incentive Payments BC or D in that Annual Remediation Payment. A Settling State that receives Incentive Payment A is eligible to receive the Incentive Payment Earn-Back, if the requirements of Section IV.H.7 are met.

b. Incentive Payment A shall be equal to sixty-two percent (62%) of the Adjusted State Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over ten (10) Payment Years, starting in Payment Year 2, and shall equal a total potential maximum of $744,000,000 if all Eligible States qualify for Incentive Payment A. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State qualifies, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M-2 times the Settling State's Overall Allocation Percentage.

c. Qualification for Incentive Payment A is as follows: A Settling State qualifies for Incentive Payment A if, as of two (2) years of the Effective Date: (i) there is a Bar in that Settling State in full force and effect, (ii) there is a Settlement Class Resolution in that Settling State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a Settling State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iv) a combination of the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (*e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Kroger and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Initial Participation Date.

d. A Settling State that does not qualify for Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

e. Kroger shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

f. If a Settling State does not qualify for Incentive Payment A as of the Payment Date for Payment Year 2, and becomes eligible for Incentive Payment A as of Payment Date for Payment Year 3, it shall receive the payment that it would have received for Incentive Payment A for Payment Year 2 (the "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 3. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 3, and becomes eligible for Incentive Payment A as of two (2) years after the Effective Date, it shall receive the payment that it would have received for Incentive Payment A for Payment Years 2 and 3 (also an "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 4. The Incentive Payment A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentive Payment BC prior to the Settling State's eligibility for Incentive Payment A.

g. If Kroger made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the Settling State requalifies for Incentive Payment A through any method pursuant to Section IV.H.4.c, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Kroger in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by Kroger).

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-nine percent (59%) of the Settling State's State Allocation. Incentive Payment BC will be due to a Settling State as part of the Annual Remediation Payment over ten (10) Payment Years, starting in Annual Remediation Payment 2. Subject to Section IV.F, Incentive Payment BC shall equal a total potential maximum of $708,000,000 if all states are eligible.

c. A Settling State may earn Incentive Payment BC in Annual Remediation Payments 2 through 11 and may receive, when combined with the Settling State's Base Payment, a maximum of up to ninety-seven 97% of the Settling State's State Allocation. The maximum Incentive Payment BC for any Settling State in a given Payment Year shall be the Incentive Payment BC for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F, provided such Settling State becomes eligible for Incentive Payment BC by sixty (60) days before the Payment Date for Payment Year 6.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC for the Payment Year provided by Section IV.H.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

| **Participation Percentage of Incentive BC Eligible Subdivision Population**[5] | **Incentive Payment BC Percentage for the Relevant Payment Year** |
|---|---|
| Less than 85% | 0% |
| 85% or more but less than 86% | 3.57% |
| 86% or more but less than 87% | 8.93% |

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions, or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section X) of the Subdivision to be excluded.

| | |
|---|---|
| 87% or more but less than 88% | 14.29% |
| 88% or more but less than 89% | 19.64% |
| 89% or more but less than 90% | 25% |
| 90% or more but less than 91% | 30.36% |
| 91% or more but less than 92% | 35.71% |
| 92% or more but less than 93% | 41.07% |
| 93% or more but less than 94% | 46.43% |
| 94% or more but less than 95% | 51.79% |
| 95% or more but less than 96% | 60.71% |
| 96% or more but less than 97% | 68.75% |
| 97% or more but less than 98% | 76.79% |
| 98% or more but less than 99% | 84.82% |
| 99% or more but less than 100% | 92.86% |
| 100% | 100% |

f. For Payment Years 2-5, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date. For Payment Years 6-11, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date for Payment Year 6. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by sixty (60) days before the Payment Date for Payment Year 6, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC because it is not eligible for Incentive Payment A, that Settling State will receive its maximum

Incentive Payment BC for that Annual Remediation Payment provided by Section IV.H.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted State Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is $120,000,000.[6]

c. Incentive Payment D shall be paid starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-11 will depend on (i) the Settling State meeting the qualifications set out in Section IV.H.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6.

d. A Settling State qualifies for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the Settling State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that Settling State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's qualification for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date ("*Incentive Payment D Look-Back Date*"). If a Later Litigating Subdivision's lawsuit in that Settling State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that Settling State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

f. The Incentive Payment D for any Settling State qualifying for Incentive Payment D in Payment Years 6-11 shall be equal to between three percent (3%) and ten percent (10%) of the of the State Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F. The

[6] The Incentive Payment BC table specified in Section IV.H.5.e and Incentive Payment D table specified in Section IV.H.6.f operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed sixty-two percent (62%) of the Adjusted State Remediation Payment over the term of the Agreement. Kroger will have no obligation to pay more than $744,000,000 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F.

applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6 as shown in the table below:

| **Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days prior to the Payment Date for Payment Year 6** | **Each Eligible Settling State's Applicable Incentive Payment D Percentage** |
|---|---|
| Participation of less than 95% | 10% of State Allocation |
| Participation of 95% but less than 96% | 9% of State Allocation |
| Participation of 96% but less than 97% | 8% of State Allocation |
| Participation of 97% but less than 98% | 7% of State Allocation |
| Participation of 98% but less than 99% | 6% of State Allocation |
| Participation of 99% but less than 100% | 5% of State Allocation |
| Participation of 100% | 3% of State Allocation |

g. Incentive Payment D shall be paid in six equal installments. Prior to making the Annual Remediation Payment for Payment Years 6-11, the Settlement Fund Administrator shall determine a Settling State's qualification for Incentive Payment D as of the Incentive Payment D Look-Back Date for that Payment Year. Prior to the Incentive Payment D Look-Back Date for each Payment Year, Kroger may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section IV.H.6.d and Section IV.H.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Kroger in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

7. Incentive Payment Earn-Back. Upon calculation of Incentive Payments A, BC, and D for Payment Year 11, all Incentive Payment amounts that have been unearned by any Settling State under this Agreement for Payment Years 2-11 will be aggregated to determine the Total Unearned Incentive Payments for all Settling States. In Payment Year 11, the Settling States can collectively qualify to receive the Total Unearned Incentive Payments, up to a maximum of 2% of the State Remediation Payment ($24,000,000) (the "Potential Earn-Back Amount"), if there has been no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State that survived more than six (6) months after denial in whole or in part of a Threshold Motion. If, at any point prior to Payment Year 11, any lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than (6) months

after denial in whole or in part of a Threshold Motion, no Settling State is eligible for any portion of the Potential Earn-Back Amount. If no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than six (6) months after denial in whole or in part of a Threshold Motion, then the Settling States will receive the Potential Earn-Back Amount in accordance with the Overall Allocation Percentages in Exhibit F.

I. In no event shall any Settling State receive Base Payments and Incentive Payments A, BC, and D totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment. However, if the requirements in Section IV.H.7 are met by the Settling States, a Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment.

## V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Annual Remediation Payments and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to Kroger.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than ninety-five (95%) of Kroger's maximum amount of payments pursuant to Section IV as set forth on Exhibit M-2 over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Kroger how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.G among the Settling States pursuant to Section IV.G.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section IV.H on a state-specific basis. Incentive Payments for which a Settling State is eligible under Section IV.H will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If an offset or reduction under Section XII applies with respect to a Settling State, the offset or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Remediation Accounts Fund, and the Subdivision Fund for that Settling State.

4. Settlement Fund Administrator. Prior to the Effective Date, Kroger and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however,* that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Kroger shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2

address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[7] For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Kroger and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the Settling State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that

[7] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that Settling State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the Settling State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that Settling State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will directly receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that Settling State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, the Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that Settling State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that

function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (3) has funded or otherwise managed an established health care or treatment infrastructure *(e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small Settling States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee")* to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Kroger and the Enforcement Committee

F. *Nature of Payment*. Kroger, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by Kroger constitutes, and is paid for, compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law; and

4. For the avoidance of doubt: (a) the entire Compensatory Restitution Amount is properly characterized as described in Section V.F, (b) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

## VI. Enforcement

A. *Enforceability*. This Agreement is enforceable only by the Settling States and Kroger; *provided, however,* that Released Entities may enforce Section X and Participating Subdivisions listed on Exhibit G have the enforcement rights described later in this paragraph and in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Kroger with respect to either the terms of this Agreement that apply only to or in other Settling States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Kroger with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments

that would be allocated to the Participating Subdivisions or the Remediation Accounts Fund in such Settling State; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Kroger consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Kroger believes that the ninety-five percent (95%) threshold established in Section V.B.1 is not being satisfied, any Party may request that Kroger and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to Kroger seeking to reduce its Annual Remediation Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the ninety-five percent (95%) threshold established in Section V.B.1; (ii) only reduce Annual Remediation Payments to those Settling States and their Participating Subdivision(s) that are below the ninety-five percent (95%) threshold established in Section V.B.1; and (iii) not reduce Annual Remediation Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Kroger Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Kroger to make its Annual Remediation Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims; and

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best

efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Kroger shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular state's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by Kroger to pay the Annual Remediation Payment or the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between Kroger and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XIII.D;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(ix) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section X.B.4.c;

(x) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xi) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Kroger, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Kroger on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Kroger, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Kroger whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Kroger and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Kroger and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and/or Kroger of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however,* that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Kroger such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Kroger or its affiliates, unless in the event of a default or breach of the payment provisions by Kroger. Nothing in this

Section shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Kroger.

H. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand *("CID")* or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Kroger reserve all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

## VII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means and may be combined with distribution of the Subdivision Settlement Participation Form) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. Up to $1,500,000 of the costs of the Implementation Administrator shall be paid for by Kroger. The Settling States, with the cooperation of Kroger, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however,* that Non-Litigating Subdivisions

may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section VIII.B have been met, whichever is later. A Settling State may require each Litigating Subdivision in that Settling State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and/ all Subdivision Participation Agreements shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Remediation Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after January 31, 2025, shall receive seventy-five percent (75%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however,* that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payment or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its state shall receive twenty-five percent (25%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Kroger.

G. *Ineligible Subdivisions.* Prior Litigating Subdivisions whose claims have already been resolved, Subdivisions located in Non-Settling States, and Subdivisions not located in Eligible States cannot be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Remediation Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

## VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed with Settlement—Settling States.* Following the Initial Subdivision Participation Date, the Settling States on the Enforcement Committee shall determine whether to proceed with the Agreement. No later than fifteen (15) calendar days prior to the Reference Date, the Settling States shall provide notice to Kroger and the Enforcement Committee of their decision. If the Settling States elect not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void. Within seven (7) calendar days of informing Kroger that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Kroger.

B. *Determination to Proceed with Settlement—Kroger*. If the Settling States elect to proceed, Kroger will then determine on or before the Reference Date whether there is sufficient Eligible State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Kroger and may be based on any criteria or factors deemed relevant by Kroger.

C. *Notice by Kroger.* On or before the Reference Date, Kroger shall inform the Settling States of its determination pursuant to Section VIII.B. If Kroger determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Kroger determines not to proceed, this Agreement will have no further effect, any amounts deposited for Payment Year 1, including funds referenced in Section IV.D.1 and Exhibit M, shall revert to Kroger, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

## IX. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. Agreed terms concerning the State Outside Counsel Fee Fund and the State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

B. *Additional Remediation Amount.*

1. Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and subject to the reduction specified in Section IX.B.2, Kroger shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Kroger pursuant to this Section IX.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of Kroger that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

C. All payments addressed by this Section IX will be made on March 31 for each Payment Year in which they are due pursuant to Exhibit M-3.

## X. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivisions hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Kroger in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section X.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Kroger shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Kroger:

a. Kroger shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Kroger and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement;

c. That Releasor and Kroger shall take steps sufficient and permissible under the law of the state of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Kroger or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Kroger to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Kroger by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Kroger under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Kroger may devise to hold Kroger harmless from the Claim-Over.

d. The actions of that Releasor and Kroger taken pursuant to paragraph (c) must, in combination, ensure Kroger is not required to pay more with respect to Covered Conduct than the amounts owed by Kroger under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Kroger may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Kroger shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Kroger harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Kroger may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Kroger shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Kroger (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Kroger.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the Settling State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and

instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions, and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the Settling State's Governor. Also for the purposes of clause (3), a release from a Settling State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Kroger to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Kroger on or after the date the Preliminary Agreement Date. This provision shall not require a Settling State to make any monetary payment or adjustment to allocation or incur other obligation.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, workers' compensation Claims, Claims for liability under tax law, Claims under securities law by a Settling State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

## XI. Later Litigating Subdivisions

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date, the following shall apply subject to Section XI.B:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Kroger shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Kroger under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Kroger shall confer and use reasonable efforts to

promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Kroger shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of the Annual Remediation Payments starting in Payment Year 11 and working backwards.

3. For the avoidance of doubt, any offset pursuant to this Section XI in a Settling State that at the time is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

4. *"Terms requiring payment"* shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions*

1. Section XI.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein.

2. An offset under Section XI.A.2 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XII.

3. Section XI.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* An offset under Section XI.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States*. An offset under Section XI.A applicable to one State shall not affect the allocation or payment of the Annual Remediation Payment to other Settling States.

E. *Litigating Subdivisions in Non-Eligible States.* The Settling States will not encourage, facilitate, or assist in any manner whatsoever claims for Covered Conduct against Kroger in any Settling, Non-Settling, or Non-Eligible State, regardless of whether those claims were filed against Kroger prior to, on, or after the Effective Date.

## XII. Other Reductions/Offsets

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Kroger shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that Settling State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XI.A with respect to the Subdivision at issue.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If Kroger made any Annual Remediation Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Remediation Payment, Kroger shall receive a dollar-for-dollar offset against the portion of remaining Annual Remediation Payments that would be allocated to that Settling State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Kroger by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from Kroger during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

C. *Certain Taxes.* Amounts paid by Kroger under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against Kroger obligation to pay its share of the Annual Remediation Payment in that Payment Year that would be allocated to the taxing Settling State or its Participating Subdivisions. If such amounts paid exceed the Annual Remediation Payment allocable to the taxing Settling State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its remaining Annual Remediation Payments that would be allocated to the taxing Settling State or its Participating Subdivisions. Kroger represents that as of March 4, 2024, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

## XIII. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July

1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.4.c and Section IV.H.6.d: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.[8] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Kroger and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *Most-Favored-Nation Provision*

1. If, after the Effective Date, Kroger enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIII.D.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain overall payment terms at least as favorable as those obtained by such Non-Settling State. "Overall payment terms" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Kroger shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Kroger with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the consideration set forth in Section XIII.D.1, the Settling State(s) and Kroger shall engage in the following process:

[8] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

a. Within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement agreement or consent judgment to Settling States, the Settling State(s) shall provide notice to Kroger of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the Settling State(s)'s belief that it is entitled to a revision of the Agreement.

b. Kroger shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Kroger do not reach agreement as to the application of Section XIII.D.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.D.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State and Kroger shall be bound by the determination of the National Arbitration Panel of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Kroger, overall payment terms at least as favorable as those obtained by such Non-Settling State.

4. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement with Kroger that is entered into with a Non-Settling State: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Kroger and the Non-Settling State, or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Kroger jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; (c) the earlier of (i) after a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Kroger in the Non-Settling State's case; (ii) after a sanctions ruling against Kroger in the Non-Settling State's case against Kroger; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

5. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Kroger and Non-Participating Subdivisions or Non-Participating Special Districts.

6. This Section XIII.D will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

E. *No Admission.* Kroger does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Kroger.

F. *Tax Cooperation and Reporting.*

1. Upon request by Kroger, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Kroger to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by 26 C.F.R § 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Kroger with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. Pursuant to 26 C.F.R. § 1.6050X-1(a) and (b), the Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of 26 C.F.R. § 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Kroger and (ii) any legally required forms, returns or amended returns with any applicable governmental authority, or any returns requested by Kroger, and (b) provides to Kroger a copy of (i) the IRS Form 1098-F filed with respect to Kroger and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such forms, returns, or statements shall be prepared and filed in a manner fully consistent with Section V.F. and as set forth in Section XIII.F.4.

4. Any form, return, amended return, or written statement filed or provided pursuant to Section XIII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any form, return, amended return, or written statement contemplated by this Section

XIII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Kroger a draft of such form, return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Kroger on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Kroger nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. Settling States may not assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement

N. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Kroger of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Kroger cannot comply with this Agreement without violating such a requirement or requirements, Kroger shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

P. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.N.

Q. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

S. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Kroger and its respective successors and assigns.

2. Kroger shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Kroger (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Kroger) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Kroger's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless Kroger obtains the

acquiror's agreement that it will be either a guarantor of or successor to the percentage of Kroger's remaining Payment Obligations under this Agreement equal to the percentage of Kroger's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Kroger most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.U shall be enforceable solely by the Settling States, and any objection under this Section XIII.U not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

V. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Kroger concludes prior to the Reference Date that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Kroger shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Kroger, along with the signature of at least two-thirds of those then serving as Attorney General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in Settling States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

W. *Termination.*

1. Unless otherwise agreed to by each of Kroger and the Settling States, this Agreement and all of its terms (except Section XIII.Q and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has

become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.W.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Kroger and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Kroger and the Settling State shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Kroger and the Settling State shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Kroger and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 11, *provided* that Kroger has performed its Payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.W.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.W.3.

X. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Kroger or against which Kroger is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

Y. *Bankruptcy.* The following provisions shall apply if Kroger enters bankruptcy and (i) the Kroger bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Kroger pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to Kroger) that the financial obligations of this Agreement have been terminated and

rendered null and void (except as provided in Section XIII.Y.1.a) due to a material breach by Kroger, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Kroger; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Kroger and the Settling States shall have the right to assert any and all claims against Kroger in the bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided*, *however*, that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Kroger itself; and (ii) in the event the Settling State asserts any Released Claim against Kroger after the rejection and/or termination of this Agreement as described in this Section XIII.Y.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the Settling State has previously received from Kroger under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the Settling State is required to disgorge or repay to Kroger's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Kroger subject to all defenses and rights of the Kroger.

Z. *Waiver*. Kroger, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Kroger's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Kroger's payment obligations incurred hereunder are satisfied in full, Kroger's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that

would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated March 22, 2024 ("*Kroger Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Kroger Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Kroger Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Kroger Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].

3. The Governmental Entity agrees to the terms of the Kroger Settlement pertaining to Participating Subdivisions as defined therein.

4. By agreeing to the terms of the Kroger Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Kroger Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Kroger Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel

as provided in, and for resolving disputes to the extent otherwise provided in, the Kroger Settlement.

7. The Governmental Entity has the right to enforce the Kroger Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Kroger Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Kroger Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Kroger Settlement shall be a complete bar to any Released Claim.

9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Kroger Settlement.

10. In connection with the releases provided for in the Kroger Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Kroger Settlement.

11. Nothing herein is intended to modify in any way the terms of the Kroger Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Kroger Settlement in any respect, the Kroger Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

**NOTES TO EXHIBIT M-2:**

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn the full amount of the relevant incentive payment.

2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.

3. All figures for the Maximum Annual Remediation Payment reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).

4. Pursuant to the terms of the Settlement Agreement, Kroger will never have to pay both the Maximum Incentive Payment BC and Maximum Incentive Payment D.

5. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

6. A Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage in Year 11 if it is eligible to receive an Earnback Payment. The maximum aggregate Earnback Payment for all Settling States shall be lesser of the Total Unearned Incentive Payments for all Settling States, or $24 million.

## EXHIBIT O

## Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including Alaska.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

# Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

## I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Kroger shall implement the Injunctive Terms set forth below in Sections II through XVIII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Kroger already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

   a. Kroger will implement or maintain a Controlled Substance Compliance Program ("CSCP").

   b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

   c. The CSCP shall apply during the term of these Injunctive Terms, to each of Kroger's retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

   d. Kroger shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Kroger must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

   e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Kroger and to perform such other roles as set forth herein. Upon the committee's formation, Settling States shall provide notice to Kroger of the members of the committee.

4. Compliance with Laws

   a. Kroger acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those

regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Kroger of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Kroger to engage in any acts or practices prohibited by such laws, regulations or rules.

b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Kroger from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Kroger to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.

c. In the event that Kroger determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court ("Express Interpretations"), such that Kroger determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Kroger shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Kroger referenced above, Kroger and the State shall meet and discuss the potential conflict, and Kroger shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Kroger believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Kroger may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Kroger as to the conflict; (ii) be deemed to relieve Kroger from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Kroger from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Kroger of a duty under these Injunctive

Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

d. Kroger shall retain all records it is required to create pursuant to its obligations hereunder for a period outlined in appendix A, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.

5. No Admission and No Use as Evidence. Kroger does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Kroger. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

## II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until November 15, 2032, unless otherwise specified herein.

2. Except as otherwise stated herein, the Injunctive Terms shall apply to Kroger's retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Kroger operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.[1]

3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

## IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Kroger shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Kroger's compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.

3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Kroger's compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Kroger's Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Kroger's Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Kroger shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, or other applicable law related to Designated Controlled Substances. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Kroger shall publish its Hotline contact information to its employees and Patients in the Settling States. Kroger shall maintain for a period outlined in appendix A a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Kroger to investigate a pharmacist's professional judgment to refuse a

prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

## V. INDEPENDENCE

1. Kroger's Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Kroger's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Kroger from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Kroger's Controlled Substance Compliance Department shall not report to Kroger's sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

4. Kroger's sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, Kroger's Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

## VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Kroger shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Kroger shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Kroger's Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Kroger's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.

3. On an annual basis, Kroger's Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Kroger, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Kroger from implementing changes to the CSCP Policies and Procedures pending such review and approval.

## VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Kroger's retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

2. Kroger shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Kroger will further require that every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Kroger shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that (i) Kroger's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of April 2024.

## VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Kroger shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Kroger in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an

admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

3. Kroger's CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Kroger's CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Kroger, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Kroger's CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Kroger records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Kroger.

6. Kroger's CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags

identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless (a) if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber or (b) if documentation is not possible (e.g., a patient refuses to hand over a non-electronic prescription). Any such records shall be maintained for a period outlined in appendix A. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Kroger's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from a Kroger but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Kroger to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons, or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Kroger's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

## IX. RED FLAGS

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Kroger shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; and (5) the total number of Designated Controlled Substance prescriptions that pharmacists at the Settling Pharmacy refused to dispense, as reflected in the pharmacy dispensing or other electronic system. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or for other law enforcement purposes, it shall first provide ten (10) days' notice to Kroger unless doing so would conflict with applicable law.

2. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Kroger unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.

3. Within the ninety (90) days following the provision of the Annual Data Reports, either Kroger or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Kroger or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Kroger might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (e.g., number of prescriptions, distance thresholds).

    a. If Kroger and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.

    b. If Kroger and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.

    c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.

    d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context

of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Kroger's burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.

4. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

   a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;

   b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Kroger pharmacy from more than four other Prescribers, from separate practices, in a given 6-month period;[2]

   c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill a Designated Controlled Substances or any opioid product within a six-month period;

   d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Kroger's pharmacies within thirty (30) days;

   e. The distance between a Patient's residence and the Kroger receiving the Designated Controlled Substance prescription is farther than 50 miles;

   f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription, unless the dispensing pharmacist makes a good faith error in evaluating the distance, and the prescription was not issued pursuant to a telemedicine consultation;

   g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other

[2] In Kroger's sole discretion, for administrative convenience Kroger may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Kroger pharmacist within the past thirty (30) days;

h. A patient pays in cash for a Designated Controlled Substance despite having current prescription drug insurance on file in the Settling Pharmacy's dispensing system for that medication;

i. To the extent personally known by any pharmacy personnel, three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substance medication;

j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.

5. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"

a. A Controlled Substance prescription fails to meet the requirements of law. For the sake of clarity, minor deficiencies in the patient's name, address, date of birth, or contact information are not a red flag if the pharmacist, in his or her professional judgment and usual course of practice, is able to resolve these deficiencies with the patient. Similarly, minor deficiencies in the prescriber's name, address, contact information, or DEA number are not a red flag if the pharmacist is able to resolve these deficiencies with the prescriber;

b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;

d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and

e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

6. Kroger's CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"

a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

## X. PRESCRIBER REVIEW

1. Kroger shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Kroger's retail dispensing for potential Prescribers of concern.

2. Kroger shall initiate Prescriber Review Process in the following circumstances:

   a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Kroger's retail pharmacy stores in the Settling States;

   b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

   c. Kroger has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's alleged illegitimate prescribing of Designated Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, Kroger may also initiate the Prescriber Review Process when:

   a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;

   b. A Prescriber of Designated Controlled Substances was flagged for review by a Kroger pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Kroger's pharmacies in a Settling State; or

   c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Kroger's retail dispensing.

4. Once Kroger identifies a Prescriber of Designated Controlled Substances for further investigation, Kroger shall review pertinent and available data or information

pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Kroger for a period outlined in appendix A. When permitted by law, nothing contained in this Section prevents Kroger from taking immediate action to Block a Prescriber.

5. If after the Prescriber Review Process, those making the decision have not resolved the circumstances that caused Kroger to further investigate the Prescriber, from the perspective of those making the decisions, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Kroger's retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Kroger to seek future reinstatement by providing information to Kroger that may resolve its concerns. Nothing in this Section shall limit the right or ability of Kroger pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by Kroger to Block or not Block a given Prescriber. On written demand, on an annual basis, Kroger shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Kroger shall provide to the Injunctive Relief Committee the number, names and DEA registration or NPI numbers of Prescribers who were: (a) blocked, and (b) the number of prescribers who were reviewed but not blocked.

## XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Kroger shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Kroger and made accessible to all Controlled Substance Compliance Department personnel upon request for a period outlined in appendix A.

2. During the term of these Injunctive Terms, Kroger personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in XI.1. in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.

3. During site visits, Kroger's personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

4. Kroger's personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by Kroger and made accessible to all Controlled Substance Compliance Department personnel for a period outlined in appendix A. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

## XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Kroger shall maintain information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store for a period outlined in appendix A, if the information is an electronic record. If the information is not an electronic record, Kroger shall only be required to maintain those records for a period outlined in appendix A.

2. In addition to any other reporting obligations under state and federal law, Kroger must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy or other relevant state agency requiring such reports. Each Settling State shall provide contact information in order to receive such reports.

## XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform Kroger to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Kroger shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.

2. Kroger shall document and for a period outlined in appendix A maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

## XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

   a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Kroger is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Kroger violates Kroger's CSCP Policies and Procedures.

   b. Potential Violation Discovered by Settling State.

      i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Kroger in writing (the "State's Notice").

      ii. Within thirty (30) days of receipt of the State's Notice, Kroger shall provide a written response to the Settling State. The response shall include Kroger's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Kroger believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

      iii. If the Settling State wishes to meet with Kroger, Kroger shall promptly make itself available for such a meeting.

   c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Kroger and work in conjunction with Kroger to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

   d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Kroger will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed

by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Kroger. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

e. If Kroger fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Kroger. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

## XV. COMPLIANCE CERTIFICATION

1. Kroger's Controlled Substance Compliance Director, or the most senior ranking member of the Controlled Substance Compliance Committee shall, after diligent inquiry, complete an annual compliance certification on behalf of Kroger as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. The certification shall state:

> "I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive

Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my personal knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

## XVI. DATA SHARING

1. Kroger shall consent to the provision by its distributors of Kroger's unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Kroger) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Kroger, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Kroger provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Kroger agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Kroger, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

## XVII. CLEARINGHOUSE

1. Kroger will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Kroger for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by

Kroger to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Kroger may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. Kroger and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Kroger contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Kroger's contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by Kroger to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Kroger.

## XVIII. FUTURE ACQUISITIONS

1. Kroger agrees to use reasonable best efforts to bring acquired pharmacies into compliance with these injunctive relief provisions in an expeditious manner. In the event that Kroger consummates its acquisition of Albertsons, then the parties shall discuss and agree within thirty (30) days of the transaction closing on a specific time period for bringing Albertsons into compliance with the terms of the injunctive relief provisions herein.

## II. Fees and Costs

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

*A.* *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by Kroger to Attorneys under this Fee Agreement shall be up to, but in no event more than, $148,800,000.00, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $88,800,000 for the Attorney Fee Fund, as set forth in Section II, and $60,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Expense Fund. The Maximum Attorney Fees, subject to the reductions set forth herein, are $88,800,000 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Kroger shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Kroger Agreement.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by Kroger shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that do not participate in the Kroger Agreement ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below. Any reduction or credit will be applied to the last payment under this Agreement.

4. If Kroger settles with any Non-Settling State after September 8, 2023, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Kroger agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recovery paid as defined in the Court Common Benefit Order (Docket #4428). If Kroger settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after September 8, 2023, then Kroger agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recoveries (the "*Kroger Subdivision CBF Assessment,*" and, along with the Kroger State Settlement CBF Assessment, each a "*Kroger CBF Assessment*"). If (a) Kroger settles with a Non-Settling State after November 1, 2023, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Kroger later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Kroger agrees to deposit the Kroger State Settlement CBF Assessment in the Common Benefit Fund. Any Kroger CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order (Docket #4428).

*B.* *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund, provided the Contingency Fee Fund shall pay a Contingency Fee of the lesser of the Contingency Fee Contract amount, or 20% of client recovery. Any excess Contingency Fee Fund monies shall revert to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Orders. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Kroger Agreement. Fees to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall Kroger be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Kroger Agreement, as set forth in Exhibit G to the Kroger Agreement, and shall be made by applying the

Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

*C.* *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by Kroger into the Attorney Fee Fund is $53,280,000, and in no event shall it exceed that amount. Kroger's maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

| | **Kroger Shall Pay Common Benefit** |
|---|---|
| Year 1<br>March 31, 2024 | $8,880,000 |
| Year 2<br>March 31, 2025 | $8,880,000 |
| Year 3<br>March 31, 2026 | $8,880,000 |
| Year 4<br>March 31, 2027 | $8,880,000 |
| Year 5<br>March 31, 2028 | $8,880,000 |
| Year 6<br>March 31, 2029 | $8,880,000 |
| Total | |

| | |
|---|---|
| | $53,280,000 |

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

   a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Kroger have also reached a settlement for Released Claims with Kroger, and these settlements are the subject of agreements with Kroger. Attorneys are eligible for Common Benefit consideration provided such agreement with Kroger became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Kroger' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Kroger Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Kroger Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Kroger Agreement, including the Kroger Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but

not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Kroger Agreement or not. It is the intent of this provision to recognize that the goal of the Kroger Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivision does not further the goal of the Kroger Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions or Later Litigating States is antithetical to the Kroger Agreement and detracts from Common Benefit; the Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Kroger as set forth in Section II.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Kroger under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Kroger in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Kroger shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

*D.* *Contingency Fee Fund* (40% of the Attorney Fee Fund)

1. The maximum potential total Contingency Fee Fund payment to be made by Kroger into the Attorney Fee Fund is $35,520,000, and in no event shall it exceed that amount. Kroger' maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2 for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

| | **Kroger Shall Pay Contingency Fee Fund** |
|---|---|

| | |
|---|---|
| Year 1<br>March 31, 2024 | $5,920,000 |
| Year 2<br>March 31, 2025 | $5,920,000 |
| Year 3<br>March 31, 2026 | $5,920,000 |
| Year 4<br>March 31, 2027 | $5,920,000 |
| Year 5<br>March 31, 2028 | $5,920,000 |
| Year 6<br>March 31, 2029 | $5,920,000 |
| Total | $35,520,000 |

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

    a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.

    b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

3. The amount owed by Kroger to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

4. In the event that after the date of the Kroger Agreement, Kroger, prior to the Effective Date of the Kroger Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Kroger Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited to Kroger, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement. All credits will be applied to the last Payment Year.

5. The Contingency Fee Allocation shall be determined as set forth in the Mathematical Model attached. If after application of the attached model funds remain in the Contingency Fee Fund, such funds shall be transferred to the MDL Common Benefit Fund established by Order of May 9, 2022 (Docket #4428).

E. *Subdivision Cost and Expense Fund*

1. Kroger shall pay $60,000,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

| | Cost Fund |
|---|---|
| Year 1<br>March 31, 2024 | $10,000,000 |
| Year 2<br>March 31, 2025 | $10,000,000 |
| Year 3<br>March 31, 2026 | $10,000,000 |
| Year 4<br>March 31, 2027 | $10,000,000 |
| Year 5<br>March 31, 2028 | $10,000,000 |
| Year 6<br>March 31, 2029 | $10,000,000 |

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of Qualifying Representations of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

3. During the period between March 22, 2024 and the Effective Date of the Kroger Agreement, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund, shall make best efforts to cease litigation activity against Kroger, including by jointly seeking stays or severance of claims against Kroger, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Kroger, prior to the Effective Date of the Kroger Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Kroger Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Kroger, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' costs and expenses incurred by Attorneys engaged in Qualifying Representations. The Cost and Expense Fund Administrator shall receive and evaluate applications from Attorneys for the Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims asserted in MDL 2804. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator shall consider reasonable and appropriate payment to the Kroger Bellwethers for client time,

costs and expenses. In addition the Cost and Expense Fund Administrator shall have the authority to award additional abatement proceeds to the Kroger bellwethers not to exceed: $20 million for Montgomery, $11 million for Durham, $11.5 million for Cobb County, and $9.5 million for Tarrant County, as additional abatement proceeds. The Administrator shall take into account like payments from other settlement funds when making its determination under this provision. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the MDL Expense Fund for reimbursement of expenses determined and approved at the discretion of the Administrator. If any funds remain thereafter they shall be transferred to the MDL Common Benefit Fund.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Kroger that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to December 31, 2024, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, payment of Subdivision Costs and Expenses to Attorneys is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate Attorneys for the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Kroger shall pay $5,000,000 of the Subdivision Cost and Expense Fund Year 1 payment into the MDL Expense Fund on the schedule set forth below.

| | MDL Expense Fund |
|---|---|
| Year 1<br>March 31, 2024 | $5,000,000 |

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid

directly to the MDL Opiate Capital Account. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions or Non-Litigating Subdivisions. Should the approved MDL Costs and Expenses be less than $5,000,000, the balance shall go to the Subdivision Costs and Expenses Fund.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after the Effective Date of the Settlement, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred by the MDL prior to the Effective Date and that costs were in pursuit of Abatement recovery for Litigating Subdivisions incurred following the public announcement of the Kroger Agreement, including reasonable costs related to the implementation of the Kroger Agreement.

4. At the conclusion of the Opioid MDL 2804 any funds remaining in the MDL Cost & Expense Fund shall be transferred to the MDL 2804 Common Benefit Fund (Dkt #5100).

*G. Eligibility*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the

requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Participating Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

   b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, with respect to Released Claims against Released Entities.

   c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.

   d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.

   e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Kroger Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Kroger Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Kroger when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Kroger Agreement represents a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Kroger. Kroger or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Kroger, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Kroger Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

*H. Calculation of Amounts Due*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Kroger as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Kroger may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Kroger) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

b. The novelty, time, and complexity of the Qualifying Representations;

c. The skill requisite to perform legal services properly and undesirability of the case;

d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph II.C.4;

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Kroger or any risk for Kroger created by the Applicant in cases against Kroger;

m. Any risk for defendants created by Applicants in cases against Kroger;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Kroger prior to the announcement of this settlement on September 8, 2023;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Kroger Agreement on September 8, 2023, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Kroger Agreement on September 8, 2023, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Kroger Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:

    a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

    b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

    c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

    d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

    e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

    a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

    b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

    c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

   a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.

   b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

   a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

   b. Apply the Mathematical Model in Exhibit A.

   c. Use such allocations to determine refund amounts owed to Kroger from the Attorney Fee Fund, and inform Kroger and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Kroger is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

*I. Miscellaneous*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Kroger.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Kroger will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Kroger information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

4. The MDL PEC and Kroger agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision or Settling State to represent a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State. This Subsection shall be

enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Kroger Agreement until the Effective Date of the Kroger Agreement, as well as thereafter, if the Kroger Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents), including Non-Eligible States or subdivisions in Non-Eligible States. However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

## III. Miscellaneous

A. *Termination*. If the Kroger Agreement does not proceed past the Reference Date, whether because Kroger does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Kroger shall have no obligation to make any payments under this Fee Agreement, and Kroger and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as an exhibit to the Kroger Agreement. This Fee Agreement shall also be submitted by Kroger and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Kroger under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Kroger and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Kroger related to fees and costs beyond the amounts described in this Fee Agreement.

2. If Kroger and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Kroger shall have no obligation to make any payments under this Fee Agreement, and Kroger and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante.*

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Kroger and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Kroger as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Kroger, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Kroger Agreement.

EXHIBIT A

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Kroger Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Kroger Settlement Agreement.[1] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Kroger Settlement Agreement.[2] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Kroger (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Kroger Settlement Agreement is $35,520,000.[3]

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Kroger Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the $1,200,000,000 Remediation amount [see Exhibit M of the Kroger Settlement Agreement].
- 50% of the 1% share allocated to State A is $6,000,000.

[1] *See* Kroger Settlement Agreement, Exhibit R § II.D.2.
[2] Kroger Settlement Agreement, Exhibit R § II.D.2.
[3] Kroger Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $6,000,000, or $60,000.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Kroger in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Kroger in a suit before September 8, 2023, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named Kroger before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract*. Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Kroger in a lawsuit).

Illustrative example:

- $220,000 [from para. 2.b] ÷ $280,000,000 [total amount owed under contingency fee contracts nationwide] = 0.0785714%[4]
- 0.0785714% * $225,493,007.20 [Contingency Fee Fund] = $177,173.01

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Kroger Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Kroger in a lawsuit).

Illustrative example:

- 1% * $225,493,007.20 = $2,254,930.072 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $2,500,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $2,500,000 = 8.8%
- 8.8% * $2,254,930.072 = $198,433.85

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.[5]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool,

[4] In this example, $280 million is the amount theoretically owed under all contingency fee contracts for litigation against Kroger as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

[5] The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

## State Outside Counsel Fee Fund

1. **Definitions**. This Exhibit incorporates all defined terms in the Agreement. Additionally, the following definitions apply to this Exhibit:

   a. "State Outside Counsel Fee Fund" or "Fee Fund" means the fees portion of the State AG Fees and Costs amount, which is disbursed pursuant to this Exhibit.

   b. "Outside Counsel States" means Alaska and Utah, the two states with litigation brought by outside counsel as of September 8, 2023, when the agreement in principle was announced.

   c. "Retained Amount" means any amount retained by Kroger pursuant to Section 4 below.

2. **Payment**. The amount of the State Outside Counsel Fee Fund is $8 million. It is to be paid by Kroger pursuant to the schedule in Exhibit M-3 and the terms of the Agreement, including this Exhibit.

3. **Allocation**. The State Outside Counsel Fee Fund is allocated evenly between the Outside Counsel States, with Alaska and Utah each eligible for an allocation of $4 million. If both Outside Counsel States are Settling States, the Settlement Fund Administrator shall evenly allocate the Fee Fund portion of the Annual Fees Payments between the two states.

4. **Use of Funds**. An Outside Counsel State may use any or all of a Fee Fund payment for the payment of (or reimbursement for) outside counsel fees and/or for Opioid Remediation.

5. **Retained Amount for Non-Settling Outside Counsel States**. If an Outside Counsel State is a Non-Settling State, then its Fee Fund allocation shall not be paid by Kroger. The Retained Amount shall be applied to the back end of all payments for State AG Fees and Costs and the Additional Remediation Amount.

For example, if one Outside Counsel State is a Non-Settling State, then the following would occur:

   i. The $4 million Retained Amount would be applied to Payment Year 6 and there would be no payment that year for the Fee Fund, State Cost Fund, or Additional Restitution Amount.

   ii. The full Payment Year 3 Fee Fund payment would be made to the Outside Counsel State that is a Settling State.

   iii. The two Additional Remediation payments will move up a year and be paid in Payment Years 4 and 5.

# EXHIBIT T

## State Cost Fund

1. **Definitions**. This Exhibit incorporates all defined terms in the Agreement. Additionally, the following definitions apply to this Exhibit:

a. "Agreement on the Joint State Cost Fund" means the Agreement on the Joint State Cost Fund, which is Exhibit T to the multistate settlement agreements with Allergan Finance, LLC, CVS Health Corporation, Teva Pharmaceutical Industries Ltd., Walgreen Co., and Walmart Inc.

b. "Joint State Cost Fund" means the fund for state costs established by the Agreement on the Joint State Cost Fund.

c. "Joint State Cost Fund Committee" means the committee established to oversee the Joint State Cost Fund pursuant to the Agreement on the Joint State Cost Fund.

d. "Litigating States" means Alaska, Utah, and Washington, the three states with active litigation as of September 8, 2023, when the agreement in principle was announced.

e. "Priority Payment" means a payment to a Litigating State that becomes a Settling State for Kroger-related costs that is made pursuant to the requirements of Section 4 below.

f. "State Cost Fund" means the State costs portion of the State AG Fees and Cost amount, which is disbursed through this Exhibit.

2. **Payment.** The amount of the State Cost Fund is $8 million. It is to be paid by Kroger pursuant to the schedule in Exhibit M-3 and the terms of the Agreement, including this Exhibit. The amount to be paid by Kroger into the State Cost Fund will be reduced by $2 million for each Litigating State that does not become a Settling State. The Retained Amount shall be applied to the back end of all payments for State AG Fees and Costs and the Additional Remediation Amount.

3. **NAAG Grant Reimbursement**. From the initial State Cost Fund payment in Payment Year 1, there shall be a disbursement to the relevant NAAG fund for any opioid grant reimbursement amount that is owing and is not scheduled to be paid from another source. Any initial NAAG grant reimbursement paid from the State Cost Fund pursuant to this provision shall not exceed $1.5 million. The foregoing sentence is not intended to limit reimbursements to NAAG from the Joint State Cost Fund.

4. **Priority for Litigating States**. Each Litigating State that becomes a Settling State is eligible for a Priority Payment of up to $2 million per state from the State Cost Fund for Kroger-related costs. The process for such priority payments is as follows:

a. The Litigating State will provide the Joint State Cost Fund Committee with a written statement of the amount of its Kroger-related costs and a request for a Priority Payment of such costs up to $2 million. The Litigating State will certify that these costs are eligible for reimbursement pursuant to the requirements the Joint State Cost Fund Committee has established for payments from the Joint State Cost Fund.

b. The Priority Payments to Litigating States shall be made from the amounts Kroger pays to the State Cost Fund in Payment Years 1 and 2.

c. If there are not sufficient funds to fully pay any NAAG grant reimbursement amount and all Litigating State Priority Payments in Payment Year 1, then the $4 million Year 1 State Cost Fund payment shall fully cover the NAAG reimbursement amount and the remaining amount shall be allocated equitably among the Litigating State Priority Payments pursuant to instructions from the Joint State Cost Fund Committee. The remaining priority payment amounts shall be paid from the Payment Year 2 State Cost Fund payment.

d. Litigating States receiving a Priority Payment shall submit the costs covered by such payment to the Joint State Cost Fund Committee (or its auditor) so that the Committee may account for the expenses and their reimbursement in processing applications for any payments from the Joint State Cost Fund and otherwise confirm the eligibility of such expenses. If such submitted expenses are determined by the Committee to be ineligible pursuant to the requirements the Joint State Cost Fund Committee has established for payments from the Joint State Cost Fund, the recipient will refund the amount of any such ineligible expense to the Joint State Cost Fund.

5. **Eligibility for Joint Cost Fund Payments**. While they will be credited with having received Priority Payments, Litigating States receiving Priority Payments remain eligible to apply for cost reimbursement from the Joint State Cost Fund for expenses not covered by the Priority Payments. Should a Litigating State receive additional funds for remediation or fees from Kroger outside of this Agreement, such additional funds shall not affect such State's eligibility for reimbursement of costs from funds paid into the Joint State Cost Fund from the Kroger State Cost Fund payments.

6. **Remaining State Cost Fund Amounts**. State Cost Fund payment amounts that are not directed to NAAG grant reimbursement or to Litigating State Priority Payments pursuant to this Exhibit shall be directed to the Joint State Cost Fund to be disbursed pursuant to the Agreement on the Joint State Cost Fund.

7. **Clarification**. No State that is not a Settling State may receive payments from the State Cost Fund.

Re: Kroger Opioids Settlement Agreement

Dear Mr. Jones:

This letter summarizes the agreement reached between Kroger and the State of California regarding the multistate Kroger Settlement Agreement dated March 22, 2024 regarding opioid claims by states and subdivisions (the "Multistate Kroger Settlement Agreement").

The Kroger Co. and all of its direct and indirect subsidiaries ("Kroger"), and the State of California, by and through its Attorney General Rob Bonta, have agreed to the following modification to the Multistate Kroger Settlement Agreement in its application to California. For the avoidance of doubt, the limited modification set forth below applies only to California and to no other state or territory.

The "Prescription Red Flag" described in Section IX(5)(a) of Exhibit P to the Multistate Kroger Settlement Agreement is modified in its entirety to read as follows:

> A Controlled Substance prescription fails to meet the requirements of law. For the sake of clarity, minor deficiencies in the patient's name, address, date of birth, or contact information are not a red flag if the pharmacist, in his or her professional judgment and usual course of practice, is able to resolve these deficiencies with the patient.

This limited California-specific modification was a necessary condition for California's decision to sign-on as a participating state to the Multistate Kroger Settlement Agreement.

For the avoidance of doubt, all other terms and provisions in the Multistate Kroger Settlement Agreement remain the same, including without limitation all "Prescription Red Flags" not specified above, all

definitions, all release provisions, the eleven-year-payment schedule and all other terms and provisions of the payment schedule, and all other terms and provisions.

These terms and this letter shall be included in a stipulated judgment to be filed in a Superior Court in the State of California.

Sincerely,

Chantale Fiebig
*Counsel for The Kroger Co.*

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Kroger Settlement.
