Subject: Re: Aliso Viejo Aquatics Center

CAUTION - EXTERNAL SENDER.

Mr. Smith,

Unless I overlooked your response, my requests to hear back from you have been ignored.

This is my third and final request for your response to my communication regarding my religious expression being discriminated against by the City of Aliso Viejo.

Unless I hear from you by the close of business tomorrow, February 9, 2021, I will send a Notice of Claim to the City of Aliso Viejo regarding this dispute.

In your response, I want to see the statute or ordinance that gives your office the authority to handle my complaint, instead of the City Manager handling my complaint.

According to the City of Aliso Viejo job description for the City Manager,

The City Manager's Office implements decisions established by the Aliso Viejo City Council, and the coordination of those efforts through the different City departments. **The City Manager's Office provides administrative direction to all departments and is responsible for enforcing all laws and ordinances.**

Please explain how the responsibilities of City Manager David Doyle have been transferred to you.

The City Attorney is responsible for advising the council and all the city officers -- not the public.

2.16.030 Functions. SHARE

The function of the office of the city attorney shall be to:

A. Advise the council and all city officers in all matters of law pertaining to their offices;

B. Furnish legal service at all meetings of the council, except when excused or disabled, and give advice or opinion on the legality of all matters under consideration by the council or by any of the boards and commissions or officers of the city;

C. Prepare and/or approve all ordinances, resolutions, agreements, contracts and other legal instruments as shall be required for the proper conduct of the business of the city and approve the form of all contracts, agreements and bonds given to the city; and

D. Perform such other legal duties as may be required by the council or as may be necessary to complete the performance of the foregoing functions. [Ord. 2010-126 § 1 (Exh. A)].

The City Attorney is a subordinate officer of the City Manager.

David Doyle is the responsible person in this matter.

2.06.090 Departmental cooperation.

It shall be the duty of all subordinate officers and the city clerk, city treasurer, and city attorney to assist the city manager in administering the affairs of the city efficiently, economically and harmoniously. [Ord. 2010-126 § 1 (Exh. A); Ord. 2005-078 § 1 (1-2-85); Ord. 2001-005 § 1 (1-2-85)]

In my previous correspondence to Mr. Doyle, he wrote that he was "scrupulous" in upholding his oath of office. However, his actions regarding the institutionalized discrimination against me is evidence of his violation of his oath to uphold the laws of the California Constitution and the U.S. Constitution.

Public servants such as Mr. Doyle are required to be ensured against such transgressions of their oath, as evidenced by this requirement of AVMC Chapter 2.06, Mr, Doyle has furnished a corporate surety bond "conditioned upon the faithful performance of the duties imposed upon the city manager." He is in further violation of his surety bond as he is not "faithfully" performing his duties in upholding the Constitution.

2.06.060 Bond.

The city manager and acting city manager shall furnish a corporate surety bond to be approved by the city council in such sum as may be determined by the city council, and shall be conditioned upon the faithful performance of the duties imposed upon the city manager and acting city manager as herein prescribed. Any premium for such bond shall be a proper charge against the city. [Ord. 2010-126 § 1 (Exh. A); Ord. 2005-078 § 1 (1-2-82); Ord. 2001-005 § 1 (1-2-82)].

Further, this applies to Mr. Doyle and his conduct in office:

Pursuant to Government Code section 53243, et seq. which became effective on January 1, 2012, if Doyle is convicted of a crime involving an abuse of his office or position, all of the following shall apply: (1) if Doyle is provided with administrative leave pay pending an investigation, Doyle shall be required to fully reimburse such amounts paid; (2) if City pays for the criminal legal defense of Doyle (which would be in its sole discretion, as it is generally not obligated to pay for a criminal defense), Doyle shall be required to fully reimburse such amounts paid; and (3) if this Agreement is terminated, any cash settlement related to the termination that Doyle may receive from City shall be fully reimbursed to City. For this Section, abuse of office or position means either: (1) an abuse of public authority, including waste, fraud, and **violation of the law under color of authority**; or(2) a crime against public justice, including a crime described in Title 7 commencing with section 92 of the Penal Code.

I want to know under what statutory authority gives you, the City Attorney, to handle this complaint instead of the City Manager.

Further, I want to know what statutory authority gives you and the City Manager the right to violate my Constitutionally-protected rights, which you are violating, along with your oath of office to uphold the California Constitution and the U.S. Constitution.

The law is clear, and the City, under Mr. Doyle's direction, is in clear violation of it.

Your reply is requested no later than 5:00 pm Tuesday, February 9, 2021.
