FIRE CHIEF ORAL REPORT

Chief Belyea provided the following updates:

- **Memorial Day Ceremony Recognition:** Chief Belyea acknowledged Captain Abalos for representing the District at the City's Memorial Day Ceremony. Captain Abalos, a military veteran, played a critical role in aerial refueling operations over New York and the eastern United States during the events of September 11, 2001. He shared his personal experience during the ceremony, and the District extends its appreciation for his service and his contribution to the event.
- **Insurance Review:** Staff is currently evaluating the District's property and liability insurance coverage. The District receives insurance through a Joint Powers Authority (JPA) with the Fire Agencies Insurance Risk Authority (FAIRA). In recent years, the District has experienced annual premium increases between 10% and 20%, which is consistent with broader industry trends. Staff has identified a potential alternative insurance provider that may offer comparable coverage with cost savings. The District remains committed to being responsible stewards of public funds and is continually seeking opportunities to reduce expenditures while maintaining full staffing and high-quality services for the American Canyon community.

- **Statewide Legislative Outreach:** Chief Belyea remains actively engaged with the Fire Districts Association of California (FDAC) and continues outreach efforts with state legislators and elected officials. The goal is to advocate for sustainable funding mechanisms for fire districts, especially considering state-level decisions over the past decade that have impacted local revenue streams. As fire districts primarily rely on property tax revenue, FDAC is closely monitoring any legislative developments that could create new funding opportunities or restore previously diminished resources.

Re: Report Upon Return from Closed Session; Regular Meeting of the American Canyon Fire Protection District Board of Directors; May 27, 2025

Dear Chair Washington and Members of the Board of Directors:

This communication sets forth reportable action, if any, of the Board of Directors (“Board”) of the American Canyon Fire Protection District (“District”), consistent with provisions of the Ralph M. Brown Opening Meeting Act (Government Code Section 54950, *et seq.*) resulting from the Closed Session of the May 27, 2025 Regular Meeting, consistent with Government Code Section 54957.1.

Board members Oro, Cruz, and Lamattina convened in Open Session at 5:37 p.m. and after ascertaining that there were no public comments on the matter agendaized for Closed Session, adjourned to Closed Session at 5:37 p.m. to address the matter agendaized for Closed Session consideration.

There was one (1) matter agendaized for District Closed Session consideration:

1. Conference with Legal Counsel - Anticipated Litigation. Pursuant to Government Code Section 54956.9(d)(2). Two Matters.

With respect to the first matter considered under District Closed Session Agenda Item No. 1., there was reportable action in the form of confirming that the District representatives for purposes of negotiation with the County of Napa on a prospective Property Tax Allocation Agreement with the District for the proposed land use annexation of the Hess-Laird property were Chair Washington and Board Member Cruz. Except as indicated, there was no other reportable action under the common law attorney-client privileged and that provided by Government Code Section 54956.9(d)(2).

The Honorable Pierre Washington, Chair
and Members of the Board of Directors
American Canyon Fire Protection District
March 26, 2025
Page 2

With respect to the second matter considered under District Closed Session Agenda Item No. 1., there was no reportable action under the common law attorney-client privilege and that provided by Government Code Section 54956.9(d)(2).

The Closed Session concluded at 6:31 p.m. When the Board convened in open session (with Board Member Oro chairing the Meeting) it was indicated that a written report upon return consistent with Government Code Section 54957.1, would be prepared.

This communication should be reviewed under the Consent portion of the Agenda of your next Regular or Special District Board Meeting.

Should you have questions concerning this Report, it may be taken off the Consent calendar when agendized in the future, or our office may be contacted in the interim.

Very truly yours,

William D. Ross
District Counsel

TITLE

Fire Mitigation Fees

RECOMMENDATION

Adopt a Resolution Increasing the 1986 Mitigation Fee for Fiscal Year 2025-2026 by the Change in the Consumer Price Index for the Year ended April 2025 by an increase of 1.3% percent.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

In November 1986, the voters approved a mitigation fee which is actually an assessment to help pay for Fire District facilities and apparatus. This revenue measure was needed due to the combination of the passage of Proposition 13 (Article XIII of the State Constitution), which severely reduced the District’s tax base and the needs in future years based on projected construction of residential and commercial development. The Fire Mitigation Fee is a one-time tax (which is now properly characterized as an assessment) which is levied upon property owners who construct and occupy any residential, commercial or industrial building located with the District. The assessment is calculated based on the square footage of the structure.

Pursuant to the 1986 Mitigation Fee Resolution 86-5, Section 4, Paragraph K, the Board of Directors shall review and adjust the rate each year according to the changes in the Consumer Price Index (CPI). For the year ending April 2025, the CPI index for the San Francisco/Oakland/San Jose increased 1.3% percent. The increase is applicable to all building permits issued beginning July 1, 2025.

FISCAL IMPACT

When the percentage increase in the CPI is applied, the assessment is increased as follows:

Assessment Rate Per Square Foot

Category	Current	Proposed
Single Family	\$.2935	\$.2973

Multi-Family	\$.3582	\$.3628
Commercial	\$.5374	\$.5443
Industrial	\$.6517	\$.6601

BOARD PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community"

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act (CEQA) pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378(b)(4) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

Additionally, in September 1997, District Counsel completed a Prop. 218 analysis and confirmed that no additional CEQA study or Public Hearing needs to be conducted when confirming the annual increase.

RESOLUTION NO. 2025-08

A RESOLUTION OF AMERICAN CANYON FIRE PROTECTION DISTRICT, A SUBSIDIARY SPECIAL DISTRICT OF THE CITY OF AMERICAN CANYON, APPROVING AN INCREASE IN MITIGATION FEES FOR FISCAL YEAR 2025-2026 BY THE CHANGE IN THE CONSUMER PRICE INDEX OF 1.3%

WHEREAS, the American Canyon Fire Protection District (“District”) Resolution 86-5, Section 4, Paragraph K, provides that the Board of Directors shall review and adjust the voter approved Mitigation Fee each year according to the changes in the Consumer Price Index; and

WHEREAS, the Consumer Price Index for the San Francisco / Oakland / San Jose area for the year ending April 2025 increased 1.3 percent.

WHEREAS, the 1.3 percent adjustment in the Consumer Price Index causes an increase to the District Mitigation Fee as follows:

Fire Service Fees

RECOMMENDATION

Adopt a Resolution approving the annual cost-of-living increase to the District Fire Service Fee Special Tax consistent with District Ordinance 2013-01 and confirming the Fire Service Fee Assessments of \$ 896,771.08 for Fiscal Year 2025/2026.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

At the June 1980 general election, a ballot measure designated as Measure B was approved by 76% of the voters of the then-independent District to provide supplemental funding for fire protection and emergency services in the District subsequent to the passage of Proposition 13 in 1978.

The Fire Service Fee is apportioned to all parcels in the District based on the associated demand for fire protection services; and is applied on a “per equivalent dwelling unit” basis, or “EDU.” On July 20, 2013, the District Board enacted Ordinance 2013-01 to clarify and implement the provisions of Measure B. The District subsequently filed a validation action, American Canyon Fire Protection District v. All Persons Interested in the Matter of the Validity of the American Canyon Fire Protection District Ordinance No. 2013-1 Confirming Special Tax for Fire Services, Napa Superior Court Case No. 26-62587, which resulted in a Judgement on January 22, 2014 which confirmed the validity of Ordinance 2013-01.

Ordinance 2013-01 provides for an annual cost-of-living increase for the Fire Service Fee. This inflationary adjustment is based on the change in the California Consumer Price Index from January to January of each year. The District has retained Capitol Public Finance to determine the annual adjustment for FY 2024-2025, Attachment 2.

Consistent with that determination, it is recommended that the Fire Service Fee be increased by the cost-of-living adjustment of 3.07%. If approved, the Fire Service Fee would increase by \$3.55, from \$115.73/EDU to \$119.28/EDU.

The District Ordinance requires the Fire Chief to compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District. The list is updated each year to reflect any new construction or parcel splits. The parcel listings are attached for review. After review of the fee listing, the Board confirms the assessments by resolution, which is then submitted to the Napa County Auditor-Controller. For secured property, the Auditor-Controller includes the annual assessments on the property tax bill.

In the case of unsecured property, Wittman Enterprises will mail individual invoices and collect the assessment.

In previous years, Napa County Collections collected the Fire Service Fee for unsecured properties (primarily mobile/manufactured homes). However, the County recently notified the District that it would begin charging \$25,000 annually for this service, a significant increase that would severely diminish the net revenue received. In response, the District engaged Wittman Enterprises, its current billing provider for First Responder Fees, to perform this service at a rate of \$14 per unit. Based on current assessments, this alternative is estimated to cost approximately \$6,000 and will allow the District to retain a greater portion of the assessed revenue.

The attached Fire Service Fee assessment listings for Fiscal Year 2025-2026 total \$866,811.34 for secured property and \$29,959.74 for unsecured (mobile home,) for a total assessment of \$896,771.08.

In accordance with District Ordinance 2013-01, a hearing of the “Fire Service Fee Board of Review” will be noticed subsequent to Board approval of the annual listing for any property owner wishing to challenge their annual assessment.

FISCAL IMPACT

If approved, the proposed Fire Service Fee of \$119.28/EDU is expected to generate operating revenue of \$896,771.08 for fiscal year 2025-2026. Adopting the annual inflationary adjustment will maintain parity between Fire Service Fee and increases in the cost of providing fire protection and other emergency services, consistent with Ordinance 2013-01.

RESOLUTION 2025-09

A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ESTABLISHING FIRE SERVICE FEES AND ADOPTING FIRE SERVICE FEE ASSESSMENTS FOR FISCAL YEAR 2024-2025 CONSISTENT WITH DISTRICT ORDINANCE 2013-01

WHEREAS, at the June 1980 General Election, a ballot measure entitled “Measure B,” was approved by 76% of the voters of the American Canyon Fire Protection District (“District”), then an independent fire protection district; and,

WHEREAS, Measure B was enacted to address the limitations imposed on property taxes by Proposition 13, Art. XIIA of the State Constitution; and,

WHEREAS, Measure B contained provisions which were based on fire flow determined by property use and specific uses and could be characterized as either an assessment or a special tax; and,

WHEREAS, in July 2013, the Board of Directors (“Board”) enacted Ordinance 2013-01 which amended the District Ordinance enacted by the passage of Measure B clarifying and defining the intent of the voters in enacting Measure B; and,

WHEREAS, Ordinance 2013-01 was the subject of a final judgement of the Superior Court of Napa County in the matter of *American Canyon Fire Protection District v. all Persons Interested, etc.*, Napa Superior Court Case No. 26-62587, in which Judgement confirming the validity of Ordinance 2013-01 was entered on January 22, 2014; and,

WHEREAS, consistent with Measure B and the judicially validated Ordinance 2013-01, the District is authorized to increase of the Fire Service Fee by the cost of living increases as determined in the Bay Area consistent with the California Consumer Price Index; and,

WHEREAS, the District retained the consulting firm of Capital Public Finance to make a determination of the cost of living increase consistent with Ordinance 2013-01 and the amount increased for the period of January 2024 to January 2025 was determined to be 3.07%; and,

WHEREAS, the District Ordinance requires the Fire Chief to annually compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District; and,

WHEREAS, after review of the fee listing the Board confirms the assessments by resolution and the resolution and listing are then submitted to the Napa County Auditor-Controller and included on property tax bills each year for secured properties; and,

WHEREAS, the Board has reviewed the listing of prospective assessments and confirms the total assessments for secured property of \$866,811.34 and requests the Napa County Auditor-Controller include assessments for secured property tax billings in the amount of \$866,811.34.

WHEREAS, the Board has reviewed the listing of unsecured assessments and confirms the total assessments for unsecured property of \$29,959.74; and, due to significantly increased collection fees proposed by Napa County, the District has designated Wittman Enterprises as the new billing agency for unsecured assessments.

WHEREAS, the Fire Service Fee Board of Review will be noticed subsequent to Board approval of the annual listing in accordance with District Ordinance 2013-01;

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize and increase in the District Fire Service Fee by the amount of 3.07 percent (3.07%), effective July 1, 2024; and

BE IT FURTHER RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize the Fire Chief to direct the Napa County Auditor-Controller to include the Fire Service Fee assessments for secured property owners in the amount of \$866,811.34 on the fiscal year 2025-2026 property tax rolls and for Wittman Enterprises to issue invoices to unsecured property (mobile home) owners in the amount of \$29,959.74 for a total assessment of \$ 896,771.08.

TITLE

First Responder Fee Adjustment for Medical Services

RECOMMENDATION

Adopt a Resolution adjusting the First Responder Fee for Fiscal Year 2025-2026 to \$730.30 per incident to better align with actual service costs and regional rates. Formal adoption by the Board of Directors would follow under Ordinance 2019-02.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

On November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services. California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services.

In prior years, adjustments have been tied to the annual Consumer Price Index (CPI); however, newly updated cost data from FY 2023-2024 shows that the actual average cost of response per call is \$730.30—higher than the current fee of \$576.25. This figure includes salaries, benefits, mileage, supplies, and a 27% overhead rate.

Given this cost data and the regional benchmarks, staff recommends a fee adjustment to \$730.30, which more accurately reflects the full cost of service delivery and ensures financial sustainability.

The proposed increase is supported by the following cost pressures:

- Substantial increases in fuel prices for emergency vehicles
- Dispatch Services
- Higher costs for medical equipment and disposable supplies, including medications, PPE, and oxygen
- Rising labor and benefit costs driven by contractual obligations and inflation

The current fee of \$576.25 is no longer adequate to recover these costs.

The proposed fee of \$730.30 remains competitive and reasonable compared to other agencies in the region in the following table:

Agency	Fee (2025)
Vacaville	\$1,820
Berkeley Fire	\$812
San Ramon Valley	\$800
AMR-Napa County	\$791
America West-Napa County	\$780
Moraga-Orinda	\$753
American Canyon (Proposed)	\$730.30
Contra Costa County Fire	\$687
City of Vallejo	\$561
City of Fairfield	\$553
City of Benicia	\$501
City of Napa	\$338*

*Note: The City of Napa’s Fee is significantly lower due to a voter-approved Paramedic Tax.

As a reminder, for District residents, we utilize a “compassionate billing” approach whereby whatever amount of the First Responder Fee that is paid by a patient’s medical insurance is considered payment in full, with no balance billing for the remaining amount; and the entire fee would be waived for those District residents without medical insurance.

FISCAL IMPACT

The proposed adjustment from \$576.25 to \$730.30 per incident represents a 27% increase, or \$154.05. This increase will enhance cost recovery for EMS services. Based on current call volume, the estimated additional annual revenue is approximately \$23,311.30.

RESOLUTION NO. 2025-10

A RESOLUTION OF AMERICAN CANYON FIRE PROTECTION DISTRICT, A SUBSIDIARY SPECIAL DISTRICT OF THE CITY OF AMERICAN CANYON, INCREASING THE FIRS RESPONDER FEE FOR EMERGENCY MEDICAL SERVICES

WHEREAS, on November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services; and

WHEREAS, California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services; and

WHEREAS, the District has experienced significant increases in the costs of providing emergency medical response services, including but not limited to personnel costs, medical supplies, fuel, and overhead; and

WHEREAS, a cost analysis for Fiscal Year 2024–2025 determined that the average cost of a non-transport EMS response is approximately \$730.30 per incident; and

WHEREAS, the District’s current First Responder Fee of \$576.25 is no longer sufficient to recover these costs; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the American Canyon Fire Protection District as follows:

1. The First Responder Fee for Emergency Medical Services is hereby increased to \$730.30 per incident, effective July 1, 2025.
2. District staff is authorized and directed to implement and administer the revised fee, and to take all necessary steps to notify applicable billing agencies and stakeholders.

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

The American Canyon Fire Protection District (District) is committed to the continual improvement of having updated policies and procedures in place to ensure the safety and efficiency of our operations. Recognizing the prolonged period since the last update to our existing policies and procedures, the District has undertaken a strategic partnership with Lexipol, a renowned public safety solutions company specializing in policy management for agencies like ours.

The proposed policies have undergone thorough examination by our labor and legal teams, encompassing a diverse range of polices, including Safely Surrendered Baby Law, Abandoned Infants, Scene Preservation, and Child Abuse Reporting.

Upon the approval of the Board of Directors, they will be integrated into the Lexipol database, providing a standardized framework for our operations.

The joint efforts between our workforce and the District emphasize our commitment to maintaining the highest standards. This proactive approach not only guarantees compliance of state and federal laws and legal decisions but also significantly mitigates the risk of legal entanglements.

Safely Surrendered Baby Law

318.1 PURPOSE AND SCOPE

This policy establishes the guidelines to comply with the Safely Surrendered Baby (SSB) Law (Health and Safety Code § 1255.7).

This policy addresses infants who are less than 72 hours old and are surrendered under the terms of the SSB Law pursuant to Penal Code § 271.5 and Health and Safety Code § 1255.7. This policy does not address illegal desertion or abandonment of an infant as defined in Penal Code § 271. For an abandoned infant, see the Abandoned Infants Policy.

318.1.1 DEFINITIONS

Definitions related to this policy include:

Coded identification bracelets - Two small coded bracelets to be placed on the ankles of the surrendered infant and one large coded bracelet provided to the person surrendering the infant.

Medical questionnaire - The SSB Law requires that a medical questionnaire be offered to the person surrendering the infant for the purpose of collecting medical information critical to the health and survival of the infant.

Safe-surrender site - Any district facility designated by the local governing body (Health and Safety Code § 1255.7).

318.2 POLICY

It is the policy of the American Canyon Fire Protection District to provide an option to protect infants by allowing parents or persons with lawful custody to safely and confidentially surrender infants at any fire station that has been designated as a safe-surrender site (Health and Safety Code § 1255.7).

318.3 PROCEDURE

The Fire Chief shall identify personnel qualified to take custody of surrendered infants and ensure that such qualified personnel are available to receive any surrendered infants (Health and Safety Code § 1255.7).

The Administration Assistant Chief shall ensure that district facilities designated as safe-surrender sites display the California state-approved Infant Safe logo.

The following procedures will be used by personnel at all district facilities that have been designated as safe-surrender sites (Health and Safety Code § 1255.7).

(a) Site preparation:

1. All district facilities designated as safe-surrender sites will display the California state-approved Infant Safe logo near the front door, adjacent to a 9-1-1 call box if possible. In addition, fire station lobbies should display public outreach brochures obtained from the state or the local child welfare agency.

Safely Surrendered Baby Law

2. Each safe-surrender site shall have a person designated as responsible to order, maintain and inventory, on a monthly basis, Safe Surrender Kits that contain coded identification bracelets, the medical information questionnaire and a fact sheet regarding the SSB Law.
 3. Each designated safe-surrender site shall have a person responsible for maintaining any donated blankets and maintaining current contact information for the local child welfare agency.
- (b) Accepting a surrendered infant:
1. Qualified personnel shall accept a surrendered infant, even if the infant appears older than 72 hours. If the infant appears to be older than 72 hours, the receiving personnel should immediately notify law enforcement and the appropriate child welfare agency, as provided in the Abandoned Infants Policy.
 2. The receiving personnel shall notify the Dispatch of a "medical aid" at the station and request an ambulance and a paramedic unit, if one is not available in quarters. Avoid radio traffic declaring an "infant safe surrender," to maintain confidentiality.
 3. If it appears that the infant has been the victim of child abuse or neglect, law enforcement personnel should be requested.
- (c) Following acceptance of an infant:
1. Receiving personnel shall open a Safe Surrender Kit and place the small coded bracelets on the infant's ankles and make a good faith effort to give the large coded bracelet to the person surrendering the infant to facilitate reclaiming the infant.
 2. Receiving personnel shall make a good faith effort to provide the fact sheet from the kit to the surrendering person. The law requires that the medical questionnaire also be offered to the surrendering person. This is a voluntary document, however, and can be declined by the surrendering person.
 3. The surrendering person should be encouraged to accompany the infant to the hospital to give the medical history directly to the hospital staff and should be reassured that the same protection from prosecution and the ability to surrender the child is available at the hospital.
 4. If the surrendering person does not wish to accompany the infant to the hospital, the surrendering person should be encouraged to complete the medical questionnaire and should be given assistance, if needed.
 5. If the surrendering person is unwilling to complete the questionnaire and unwilling to accompany the infant to the hospital, personnel should make a good faith effort to provide the surrendering person the following items from the kit:
 - (a) The business reply envelope containing the medical questionnaire, which can be filled out later and returned by mail.
 - (b) The fact sheet

American Canyon Fire Protection District

Policy Manual

Safely Surrendered Baby Law

- (c) The surrendering person's copy of the coded bracelet
- (d) Medical assessment and documentation:
 - 1. A qualified health care professional shall assess the infant to identify any immediate treatment needs and complete a Pre-Hospital Care Report (PCR) for the infant. The bracelet code number shall be included on the infant's PCR in the patient name field.
 - 2. If the surrendering person is the birth mother, a qualified health care professional should attempt to assess and treat her as necessary and pursuant to established Emergency Medical Services (EMS) protocols. If treated, the mother should be listed as "Jane Doe" to protect her anonymity.
 - 3. **DO NOT** use the parent's name on the PCR (Health and Safety Code § 1255.7(d)(2)).
- (e) Transportation to the hospital:
 - 1. Paramedics shall accompany the infant and surrendering person (if the person is willing to accompany the infant) to the nearest emergency room with labor and delivery capabilities.
 - 2. The receiving hospital will take custody of the infant and make immediate notification to the local child welfare agency.
 - 3. District personnel will coordinate with the hospital to confirm that the above required notification has been made as soon as possible but in no event later than 48 hours after the District has taken custody of the infant.
- (f) Additional notifications and media concerns:
 - (a) The receiving personnel shall notify their appropriate supervisor as soon as practicable.
 - (b) The supervisor will notify the Battalion Chief, duty officer and the district Public Information Officer.
 - (c) The Public Information Officer may, as circumstances dictate, provide the following limited facts to the media:
 - (a) Date, time and fire station where the infant was surrendered
 - (b) Local child welfare agency representative's name and telephone number
 - (c) Under no circumstances shall the surrendering person's name be released to the public or media (Health and Safety Code § 1255.7(k))
- (g) Individuals who return to claim an infant:
 - (a) If a parent or individual who voluntarily surrendered an infant requests return of the infant while the District still has physical custody, the infant shall either be returned to the parent or individual or the receiving personnel should contact the local child welfare agency if any personnel at the safe-surrender site know or reasonably suspect that the child has been the victim of child abuse or neglect. The voluntary surrender of an infant is not in and of itself a sufficient

Safely Surrendered Baby Law

basis for reporting child abuse or neglect. Possession of the ankle bracelet identification, in and of itself, does not establish a right to custody of the child and is recommended that members seek assistance from the child welfare agency and/or Law enforcement.

- (b) If a parent or individual who voluntarily surrendered an infant requests return of the infant after the District has given up physical custody, the person should be directed to call the child welfare agency that has custody of the infant. District personnel should assist the person with the telephone call, as needed.
 - (c) Notify Dispatch that the company is engaged in a "public assist" at the fire station.
 - (d) The identity of the surrendering individual must still be kept anonymous and confidential.
 - (e) Do not make any judgments about time frames or the individual's ability to care for the infant. The local child welfare agency will determine whether the infant is released to the individual.
- (h) Community donations:
- 1. Community groups, volunteers, foundations and individuals may express interest in helping with this program. Some may want to donate baby supplies, such as baby food, diapers or blankets, directly to the fire station. The following guidelines are established:
 - (a) The only item a fire station may accept is a small, new baby blanket in the original wrapper. Donated blankets may be stored with the Safe Surrender Kits.
 - (b) Donors who wish to donate any other baby-related items, such as clothes, baby food or diapers, should be directed to a local social service agency and/or reputable charities.

Abandoned Infants

319.1 PURPOSE AND SCOPE

This policy provides guidance to American Canyon Fire Protection District personnel who encounter abandoned infants or children. This policy does not apply to infants who are surrendered within 72 hours of birth under the Safely Surrendered Baby Law (Health and Safety Code § 1255.7), as provided in the Safely Surrendered Baby Policy.

319.1.1 DEFINITIONS

Definitions related to this policy include:

Abandoned child - Any child, who is not in the care of a parent or guardian, an adult family member, a responsible sibling, a responsible caregiver, a law enforcement officer, a social services representative or another person who is providing a safe environment for the child, except those surrendered within the guidelines of the Safely Surrendered Baby Policy (Health and Safety Code § 1255.7).

319.2 POLICY

It is the policy of the American Canyon Fire Protection District to make the safety, health and well-being of an abandoned child a primary consideration. Notification to the appropriate law enforcement agency regarding the child should be the secondary consideration.

319.3 MEDICAL PROCEDURE

Abandoned children who have apparent medical needs or are unable to provide information regarding their health history or acute medical conditions, nutrition and allergy history or other significant health information should be treated as medical patients, receive the appropriate pre-hospital medical evaluation and be delivered to an appropriate medical facility for further evaluation.

319.4 MANDATED REPORTER REQUIREMENTS

Non-volunteer firefighters, paramedics, EMT 1 and II and other district members certified under Health and Safety Code Division 2.5 § 1797 et seq. are designated as mandated reporters (Penal Code § 11165.7). Mandated reporters shall notify a police or sheriff's department or a child welfare agency as soon as practicable and shall send a written report concerning the abandoned child to that same agency within 36 hours (Penal Code § 11166(a)).

If a mandated reporter of this district relinquishes control of an abandoned child to a law enforcement officer and, by mutual agreement, the officer assumes responsibility for complying with the mandated reporter requirements, the district mandated reporter may forego submitting a written report (Penal Code § 11166(h)). The mandated reporter shall still obtain an incident/run number and document the incident in the District's Fire/RMS system as a public assist.

Abandoned Infants

319.5 RELINQUISHING CONTROL

District members may relinquish control of an abandoned child at any time to a law enforcement officer or to a representative of a child welfare agency having jurisdiction over abandoned children. Members may also relinquish control of an abandoned child to a physician, nurse or social services representative at a receiving medical facility or to a representative from a licensed children's shelter or other facility approved by the child welfare agency having jurisdiction over abandoned children.

Members should not release an abandoned child to a parent, family member, guardian or other person without first notifying a law enforcement officer and a representative of a child welfare agency having jurisdiction over abandoned, abused or neglected children.

Scene Preservation

322.1 PURPOSE AND SCOPE

The purpose of this policy is to provide district members with guidance on performing emergency mitigation tasks when working in and around scenes where evidence may be present. Members of the District are often confronted with opposing priorities when performing duties at scenes containing potential evidence. They must balance the need to provide timely and effective life-saving and property-preserving services while minimizing the disturbance of any items of evidentiary value. In some instances district members must evaluate whether to enter a scene or to initiate mitigation activities.

322.1.1 DEFINITIONS

Definitions related to this policy include:

Evidence - Any item or arrangement of items that may provide relevant information to an investigation.

Scene - Any location where items of evidentiary value may be found. A scene need not be the location where a criminal act occurred, it need only be a location where items of evidentiary value are available for collection or documentation.

322.2 POLICY

It is the policy of the American Canyon Fire Protection District to minimize the disturbance of conditions and evidentiary items when providing emergency mitigation services in and around scenes.

322.3 SCENE IDENTIFICATION

District members must be mindful of encountering potential evidence at a scene whenever they respond to calls for service. The potential for evidence at a scene may be identified in a number of ways, including but not limited to:

- (a) The location of any incident that involves a physical assault or results from an act of violence. Such a location should be assumed to be a crime scene. Examples include shooting incidents, stabbing incidents, any incident involving a medical patient injured by the act of another person, suicides, bomb incidents or any act of terrorism.
- (b) Any incident that law enforcement personnel have identified as a crime scene and have notified district members of that determination.
- (c) Any unattended death scene.
- (d) All fire incidents.
- (e) Any incident where district members believe or have a reasonable suspicion that a crime has taken place. The type of suspected criminal activity may be severe, as in the case of a robbery or burglary, or less severe, as in the case of vandalism.

Scene Preservation

- (f) Transportation incidents, including traffic collisions and rail, aircraft, shipping and boating incidents.
- (g) Industrial accidents.

322.4 ENTERING SCENES

When district members determine that a scene containing potential evidence is involved, they should promptly evaluate the need to enter the scene prior to approval of investigators. For the purposes of district members, scenes may be categorized into two distinct types: stable or unstable.

322.4.1 STABLE SCENE

A stable scene exists when there is no apparent immediate or ongoing threat to the safety, health or well-being of district members, the public or property. Examples of stable scenes include incidents where the victim or victims are obviously deceased, incidents involving obviously failed incendiary devices and fire incidents where the fire is clearly extinguished prior to the arrival of district members.

When district members encounter a stable scene and it is apparent that no threat to safety or property exists, they should remain outside the scene until cleared to enter by the appropriate investigator or law enforcement personnel. If there is a confirmed or suspected threat to life or public safety, district members should take whatever actions reasonably appear necessary to stabilize the scene and then withdraw pending approval from investigators or law enforcement personnel to re-enter.

322.4.2 UNSTABLE SCENE

An unstable scene exists whenever there appears to be an ongoing or imminent threat to the health, safety or well-being of district members, the public or property that necessitates immediate mitigation. Examples of unstable scenes include incidents involving injured or entrapped persons, active fire or threat of imminent fire, imminent structural collapse endangering lives, the release or imminent threat of the release of hazardous materials or any incident where immediate mitigation is required to preserve life.

When district members encounter an unstable scene they are authorized to take appropriate corrective action to mitigate the threat.

322.5 PRESERVATION OF EVIDENCE AT CRIME SCENES

Whenever practicable, district members should avoid touching, moving, manipulating or otherwise altering anything located at a scene where the potential for evidence exists. In some circumstances, the need to move items may be unavoidable. In those instances, district members should note what items were moved, who moved them and the location from which they were moved. Members should not attempt to move displaced items back to their original location; rather the items should be left in the place to which they were moved. The appropriate investigator or

Scene Preservation

law enforcement personnel should be informed of any items that were moved and the location where the items originally were found.

In instances where an obvious item of evidence must be moved, an investigator or law enforcement representative should be consulted prior to moving the item, if practicable. For example, if a weapon is located beside or underneath a victim and an investigator is available, the investigator should be called to relocate the weapon. Life-preserving care should not be unreasonably delayed awaiting the arrival of an investigator or law enforcement personnel to move items of evidence.

322.6 MEDICAL SUPPLIES AND DEBRIS

When district members provide medical care in or around a scene where evidence may be located, any discarded medical material, wrapping material, used bandaging, containers or other debris should be left at the scene when the crews depart. Reusable tools, medical equipment and other durable supplies may be collected but care should be taken by district members to minimize any disturbance to other items or material at the scene. Hazardous items and other material, such as medical sharps, controlled substances or surplus medications, should be collected and handled appropriately. If investigators or law enforcement personnel direct that any hazardous materials be left in place, district members should clearly identify all such materials to the controlling authority at the scene and document on the incident report.

Child Abuse Reporting

323.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the mandatory reporting of suspected child abuse or neglect (Penal Code § 11165.7).

American Canyon Fire Protection District personnel should refer to the Napa County Health and Human Service Agency [mandated reporter page](#) and EMS Administration Policy 102: [Assault, Abuse and Suspicious Policy](#)

323.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Any person under the age of 18 years (Penal Code § 11165).

Child abuse or neglect - Includes the following:

- Physical injury or death inflicted by other than accidental means upon a child (Penal Code § 11165.6)
- Sexual abuse as defined in Penal Code § 11165.1
- Neglect as defined in Penal Code § 11165.2
- The willful harming or injuring of a child or endangering a child or the health of a child, as defined in Penal Code § 11165.3
- Unlawful corporal punishment or injury as defined in Penal Code § 11165.4

Child abuse or neglect does not include an altercation between minors (Penal Code § 11165.6).

323.2 POLICY

It is the policy of the American Canyon Fire Protection District to report suspected child abuse to local law enforcement.

323.3 MANDATED REPORTER REQUIREMENTS

All members of this district are responsible for the timely and proper reporting of suspected child abuse or neglect. Non-volunteer firefighters, paramedics, EMT I and II and other district members certified under Health and Safety Code Division 2.5 § 1797 et seq. are designated as mandated reporters (Penal Code § 11165.7). All members shall comply with Napa County EMS Agency Policy #102 for reporting suspected child abuse.

A mandated reporter of this district who, in his/her professional capacity or scope of employment, has knowledge of or observes a child known or reasonably suspected to have been the victim of child abuse or neglect, shall notify law enforcement personnel by telephone as soon as practicable. The member shall then send or transmit a written follow-up report on the form provided by the law

Child Abuse Reporting

enforcement agency (Penal Code § 11168) within 36 hours of receiving the information concerning the incident (Penal Code § 11166(a)). A record of the written follow-up report should be retained.

Reports of suspected child abuse or neglect shall include the following information if known (Penal Code § 11167(a)):

- The name, business address and telephone number of the mandated reporter
- The capacity that makes the person a mandated reporter
- The information that gave rise to the reasonable suspicion of child abuse or neglect and the source of that information
- The names, addresses and telephone numbers of the child's parents or guardians
- The name, address, telephone number and other relevant personal information about the persons who might have abused or neglected the child

District members with knowledge of, or who reasonably suspect that, a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage may make a report through a mandated reporter (Penal Code § 11166.05).

Failure to report an incident of known or reasonably suspected child abuse or neglect by a mandated reporter is a misdemeanor and may also result in discipline (Penal Code § 11166(c)).

323.4 MANDATED REPORTER STATEMENT

Each mandated reporter of this district shall be provided with a copy of Penal Code § 11165.7, Penal Code § 11166 and Penal Code § 11167, and shall sign a statement acknowledging that he/she received the copies, is a mandated reporter and will comply with the mandatory reporting provisions (Penal Code § 11166.5). The District will retain the original signed statement consistent with the district's established records retention schedules.

323.5 CONFIDENTIALITY

Reports of child abuse or neglect are to be confidential and may be disclosed only as provided in Penal Code § 11167.5.

TITLE

Annual Appropriations Limit

RECOMMENDATION

Adopt a Resolution approving the annual appropriations limit for the American Canyon Fire Protection District for fiscal year 2025-2026.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

In November 1979, California voters added Article XIII-B to the State Constitution, which placed limitations on the appropriations of State and local governments. The Article, as implemented by State Legislation, requires that local agencies set an annual spending limit for budget appropriations funded from the proceeds of taxes, as defined by the law and accepted statewide guidelines.

In June 1990, voters approved Proposition 111, which amended Article XIII-B. The amendment changed both how the limit was calculated and the appropriations that were subject to the limit and added governing body adoption and independent audit requirements.

Calculating the Appropriations Limit

The base year was set as fiscal year 1978-79 and the first appropriations limit was applied to public agency budgets beginning in fiscal year 1980-81. The appropriations limit is revised annually by a prescribed formula that uses a combination of the percentage change in California's per capita personal income or non-residential assessed valuation, if available, and the local jurisdictions change in population measured as of January 1st of each year. The percentage change in per capita personal income and the percentage change in population are provided by the California Department of Finance.

There are no penalties under Article XIII-B for failure to adopt a limit. Compliance with the law is intended to be locally enforced by citizens. The State Government Code limits a civil court challenge of the appropriations limit calculation to a 45-day period after adoption.

Proceeds of Taxes and Appropriations Subject to Limit

After the annual appropriations limit is calculated, the appropriations that are subject to the limit are determined. The appropriations limit only applies to appropriations that are funded from the proceeds of taxes, which are defined in the statewide guidelines.

American Canyon Fire Protection District Appropriation Limit

Consistent with prior years, the fiscal year 2025-2026 appropriations limit was calculated using the statewide per capita personal income increase of 6.44% and the City of American Canyon population change of 2.94%. Applying these factors results in an increase in the prior year appropriations limit of 9.57%, or \$1,562,203. This amount is added to the FY 2024-2025 appropriations limit of \$16,323,961, resulting in a FY 2025-2026 appropriations limit of \$17,886,164. The appropriations subject to the limit were determined to be \$6,827,190, which is \$11,058,974 under the appropriation limit. The detailed calculations are presented in the attached Appropriations Spending Limit Worksheet (Attachment 2).

FISCAL IMPACT

None.

Resolution 2025-12

**A Resolution of the American Canyon Fire Protection District
Establishing the Appropriations Limit
For Fiscal Year 2025-2026
Pursuant to Article XIII B of the California Constitution**

WHEREAS, Article XIII B of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity shall not exceed the appropriation limit of such government entity for the prior year adjusted for certain changes mandated by Proposition 4 passed in November 1979 and Proposition 111 passed in June 1990 except as otherwise provided for in said Article XIII B and implementing State statutes; and

WHEREAS, pursuant to said Article XIII B, and Section 7900et seq. of the California Government Code, the District is required to set its appropriation limit for each fiscal year; and

WHEREAS, the District staff has conducted the necessary analysis and calculations to determine the appropriations limit for fiscal year 2025-2026 relying on the fiscal year 2024-2025 limit as approved by the Board of Directors for the District, and applying the following two adjustment factors: *Change in Population* and *Change in Per Capita Income*; and

WHEREAS, based on such calculations District staff has determined the said appropriation limit, and pursuant to Section 7910 of the Government Code, has made available to the public the documentation used in the determination of the limit;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the District that:

1. The annual adjustment factors used to calculate the fiscal year 2025-2026 appropriations limit shall be the change in State Per Capita Income of 6.44% for 2025-2026 and the January 2025 City population change of 2.94%, as provided by the State Department of Finance;
2. The new Appropriation Limit for Fiscal Year 2025-2026 shall be and is hereby set in the amount of \$17,886,164; and
3. The fiscal year 2025-2026 Budget appropriations subject to the appropriation limit are \$6,827,190.

Dear Fiscal Officer:

Subject: Price Factor and Population Information

Appropriations Limit

California Revenue and Taxation Code Section 2227 requires the Department of Finance to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2025, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2025-26. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2025-26 appropriations limit. Attachment B provides the city and unincorporated county population percentage change along with the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

Population Percent Change for Special Districts

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code Section 2228 provides additional information regarding the appropriations limit. Article XIII B, Section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: <http://leginfo.legislature.ca.gov/faces/codes.xhtml>.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

Population Certification

The population certification program applies only to cities and counties. California Revenue and Taxation Code Section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2025.**

Please Note: The prior year's city population estimates may be revised. The per capita personal income change is based on historical data.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2025-26 appropriation limit is:

Per Capita Personal Income

Fiscal Year (FY)	Percentage change over prior year
2025-26	6.44

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2025-26 appropriation limit.

2025-26:

Per Capita Cost of Living Change = 6.44 percent
Population Change = 0.28 percent

Per Capita Cost of Living converted to a ratio: $\frac{6.44 + 100}{100} = 1.0644$

Population converted to a ratio: $\frac{0.28 + 100}{100} = 1.0028$

Calculation of factor for FY 2025-26: $1.0644 \times 1.0028 = 1.0674$

Geoff Belyea, Fire Chief

BACKGROUND AND ANALYSIS

Presented for your review is the American Canyon Fire Protection District's Fiscal Year 2025-2026 (FY26) Preliminary Budget. The District's budget establishes a guideline for anticipated revenues and operating expenditures to ensure inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a practical and realistic financial plan for the upcoming fiscal year and maintains the enhanced level of firefighter staffing previously authorized by the Board to safeguard our community. The additional staffing affords both a greater level of fire protection and emergency medical services for the community and greater level of safety for our firefighters during such emergencies. The budget is consistent with the District's mission, vision, and values, and has been prepared with the priorities and resources necessary to accomplish the goals and objectives established by the Board of Directors.

In 2022, the Fire Chief presented a Long-Range Master Plan that identified three critical issues facing the District moving forward: recruitment and retention of personnel; keeping up with anticipated growth and the ability to adequately staff the district; and the ability to provide additional chief officers (Battalion Chief) for the supervision and training of line staff, along with added administrative support. The FY26 budget was developed in furtherance of addressing those critical issues; and as demonstrated throughout this report, the FY26 budget continues funding for those efforts and allows the District to execute its mission to protect and preserve life and property and to have a positive impact on the lives of the people and the communities we serve.

The District's ability to maintain these initiatives, however, is heavily dependent on a growing property tax base and the related property tax revenue that provides the bulk of financing for daily operations. Legal disputes over development within the City of American Canyon, coupled with economic uncertainty, has soured the District's financial outlook by slowing the pace of property tax growth. The unpredictability inherent in this chaotic climate makes it extremely difficult to reliably forecast property tax growth or plan for financial stability. While current conditions provide adequate confidence to balance the budget for the coming fiscal year, the outyear forecast projects reserve balances falling short of Board policy without taking steps to enhance revenues or curtail spending. Moving forward, staff will continue to monitor the District's financial position, assess external economic conditions, and analyze options to mitigate these shortfalls and avoid, where possible, the need for outyear budget reductions.

GENERAL FUND BUDGET SUMMARY

The FY26 General Fund revenue budget totals \$8.5 million, which includes \$6.3 million in property taxes and \$2.2 million in other operating revenues. The General Fund expenditure budget totals \$8.7 million and includes \$7.7 million in salaries and benefits and \$1 million in other operating expenditures.

GENERAL FUND REVENUE SUMMARY

The District's General Fund revenue is projected to be approximately \$8.5 million for operating uses in carrying out the projects and program costs in FY26. The General Fund is financed primarily by property taxes, which represents \$6.8 million or 81% of the District-wide revenue. The Fire Assessment Fee generates an additional \$888,000, while charges for services amount to \$437,000 and other revenue amounts to \$301,000. Last year the District was reimbursed \$236,000 from the State Office of Emergency Services (Cal OES) for strike team deployments and repositioning during major storms and red flag warning events. The District typically does budget in advance for the revenue or related personnel cost associated with these activities as they are not predictable

and depend upon the availability of District resources to respond.

GENERAL OPERATING FUND EXPENDITURE SUMMARY

The District's General Fund expenditures are projected to be \$8.7 million for fire suppression and related operations in FY24. Salaries and benefits represent \$7.7 million or 89% of the District-wide expenditures. Services and supplies are projected at \$214,000 or 3% of the District-wide expenditures

and provide for items necessary to carry out the work of the District. The legal, professional and contract services budget is projected at \$716,000 or 8% of overall expenditures. There are no operating transfers to the FF&E Fund proposed for FY26 due budget constraints.

Salaries and Benefits represents normal compensation for all District personnel such as salaries, stipends, specialty pays, and workers compensation and other benefits including leave cash out, health insurance, dental insurance, life insurance, and post-employment health benefits. For FY26, the preliminary budget is set at \$7.7 million which is an increase of \$438,000 or 6% over last year's amended budget.

The budget amount reflects full-year funding for all previously authorized positions, including the District-funded city administrative assistant position.

Authorized Staffing				
	FY23	FY24	FY25	FY26
District FTE's	27	27	27	27.5

The budget also includes funding for a 3rd Battalion Chief for six months beginning January 1, 2026. Hiring of the 3rd BC position is being purposefully delayed to first ascertain

whether there is sufficient growth in property taxes and/or other operating revenue to support the added cost. Likewise, the proposed budget includes additional funding for market adjustments for the two administrative assistant positions at mid-year, but these adjustments are similarly dependent on the level of available funding.

OTHER ECONOMIC AND OPERATIONAL ISSUES

Strategic Plan and Goals - The District's strategic initiatives for FY25 as discussed with the Board's Finance Committee are incorporated throughout this budget, many of which pertain in large part to anticipating and preparing the District to meet the expected increase in service demand from the Watson Ranch development and other major development projects. The Long-Range Master Plan will help ensure the strategic plans, goals, and priorities of the District support the vision and ideas designed to shape the future of the District, ensure District resources are in strategic alignment with this vision and that we remain well positioned to meet the all-risk emergency needs of a growing community.

Pension Funding Policy - Retirement plan costs involve two basic cost components: the normal cost rate, expressed as a percentage of payroll and the Unfunded Actuarial Liability (UAL), which is a fixed amount payment due each fiscal year. The District receives an annual actuarial plan valuation of its retirement plans from CalPERS each year. The most recent valuation available is for plan year ended June 30, 2023, which set retirement contribution rates for FY26. Each July, the District makes a lump-sum prepayment to CalPERS for the annual UAL fixed payment amount and realizes a discount/savings by doing so. The projected UAL savings for FY26 is \$29,500.

OPEB Funding Policy - The retiree medical benefit plan is funded in a similar manner to the pension plan. Plan costs involve two basic cost components: the normal cost rate and the amortization of the OPEB UAL. The District receives an annual actuarial plan valuation of its Other Post-Employment Benefit every two

years. The most recent valuation available is for plan year ended June 30, 2023, which set retiree medical contribution amounts for FY25 and FY26.

CONCLUSION

Budgetary Priorities - The District's FY26 Preliminary Budget presents a realistic financial plan for the next fiscal year. It provides for a high level of fire and emergency response services, enhances the leadership and development of our personnel, and places a top priority on the health and safety of the public and our firefighters. Heading into FY26 there are still uncertainties pertaining to the ongoing state of the economy and the pace of continued development activity. The District, however, is moving forward with confidence in our ability to meet the financial and operational challenges that lie ahead, and proactively positioning the District to address the expected increase in demand for emergency services associated with further residential and commercial development.

Financial Stewardship - The Board and management place a high priority on closely monitoring the impact of local economic conditions on the District's finances and our ability to maintain service levels, meet infrastructure needs, and to build and maintain prudent reserve balances. The budget preparation and adoption process are guided by the following fundamental fiscal principles:

- Utilize long-range financial planning tools to ensure the District remains financially viable for future generations.
- Ongoing operating expenditures are to be paid with ongoing operating revenues.
- Address the unfunded liabilities associated with employee retirement benefits.
- Services provided by District Staff that have a cost recovery element should be as close to full cost recovery as is feasible.
- Unassigned fund balances at fiscal year-end are allocated to reserves for future uses.

The District has incorporated these principles into its fiscal strategies and uses them to set fiscally responsible short and long-term goals. As a result, the District's reserves remain aligned with Board policy and the long-term financial outlook remains positive. Effective leadership and prudent fiscal practices continue to ensure that the residents and businesses receive the service level that they have come to expect. We will continue to fortify the District's financial sustainability through sound and efficient planning and budgeting to ensure we maintain a high level of emergency services to our growing community.

Acknowledgements - This FY26 budget would not be possible without the support, guidance, and strategic direction from the Board with respect to fiscal policies and guidelines for budget development. I also wish to express my appreciation to the union representatives and employees of the District for their ongoing collaboration and willingness to work with the Board and Administration for the long-term good of the District and those we serve. With their cooperation and commitment to providing the best possible service within our funding constraints, we have been able to keep pace with the growing demand for essential emergency services and keep the District on a fiscally sustainable path moving forward.

We would like to express our appreciation as well to the City of American Canyon for their continuing support of our public safety partnership.

And thank you to the taxpaying public, our residents, and area businesses for their support, cooperation, and partnership with the District in making our community an outstanding and safe place to work, play and live.

BOARD PRIORITY PROGRAMS AND PROJECTS

The overarching goal of the Districts Strategic Plan is to provide the community of American Canyon with the highest possible level of service balanced with long term financial sustainability. Strategic Initiative

#5 is to develop a fixed assets and apparatus and equipment preventative maintenance and capital improvement program.
