PUBLIC HEARINGS

8. Preliminary Budget for Fiscal Year 2025-2026.

The Board of Directors received a staff report from Finance Consultant, Ken Campo.

Vice-Chair Mark Joseph stated that the Finance Committee recommended the Chief move forward with the budget proposal, which includes the addition of a third Battalion Chief and administrative staffing upgrades. He emphasized that this is a preliminary budget and that the final budget will be reviewed in September. He also noted that additional revenue sources may materialize before then, including potential activity on the Giovannoni project and the possibility of deploying a strike team. These developments could provide financial flexibility. By September, the District will have a clearer understanding of its financial position. He also suggested other options to bridge the gap, such as deferring payments, suspending the OPEB contribution for the year, or considering the use of Tax and Revenue Anticipation Notes, which allow the District to borrow funds upfront and repay them at the end of the fiscal year.

Chair Pierre Washington inquired whether upcoming events at the Napa Valley Garden and Ruins would generate revenue for the Fire District. The Chief responded that while the District will charge fees related to fire prevention staff reviewing the venue, this will be a

cost-neutral activity. He explained that, as a property tax-driven agency, the Fire District does not receive direct revenue from event-related sales tax or transient occupancy tax like cities or counties do. Therefore, concerts do not provide a direct financial benefit to the District. However, if the events are successful and the property owner invests in significant improvements, the District could see an increase in assessed property value, resulting in higher property tax revenue in the future.

Chair Pierre Washington called for Public Comment. Written comments: none. Oral Comments: none. Chair Washington Closed Public Comment.

TITLE

Revised Salary Schedule for the Assistant Fire Chief.

RECOMMENDATION

Adopt a revised salary schedule for the Assistant Fire Chief position to include a 2% cost-of-living adjustment (COLA), retroactive to the first full pay period following July 1, 2025 (July 5–July 18, 2025), in accordance with the adopted FY 2025–2026 Budget.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

The Fiscal Year 2025–2026 Budget was approved at the June 25, 2025, District Board Meeting and included a 2% increase for the Assistant Fire Chief position. The current salary schedule for this position consists of three steps, whereas all other District positions are structured with four steps. Furthermore, this salary schedule has remained unchanged since FY 2022–2023 and has not received any adjustments in line with Consumer Price Index (CPI) changes.

To ensure internal equity and fair compensation practices, staff is proposing a 2% increase to the Assistant Fire Chief salary schedule based on the April 2025 Consumer Price Index for All Urban Consumers in the San Francisco Area (CPI-U). The CPI-U increase for April 2025 falls within the approved range of 2% minimum and 5% maximum.

Step	Hourly	Bi-Weekly	Monthly	Annually
Step I	\$ 84.18	\$ 6,734.55	\$ 14,591.53	\$ 175,098.35
Step II	\$ 89.02	\$ 7,121.83	\$ 15,430.64	\$ 185,167.63
Step III	\$ 94.14	\$ 7,531.36	\$ 16,317.95	\$ 195,815.36
Step III + 2%	\$ 96.02	\$ 7,681.60	\$ 16,643.47	\$ 199,721.60

The proposed adjustment aligns with the Board’s commitment to maintain competitive and equitable compensation practices across all positions. Staff recommends approval of the revised salary schedule for the Assistant Fire Chief position, with the 2% increase retroactive to July 5, 2025.

FISCAL IMPACT

The fiscal impact of this adjustment is consistent with the amounts budgeted and approved for FY 2025–2026. No additional budget appropriation is required.

Resolution 2025-14

TITLE

Adopt a Resolution Authorizing the Write-Off of Unsecured Fire Service Fees for FY 2022-2024.

RECOMMENDATION

Adopt a resolution authorizing the write-off of \$13,775.81 in delinquent unsecured fire service fee accounts for Fiscal Year 2022-2024.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

At the Fire District Board Meeting on June 24, 2025, the Board of Directors approved the Fire Service Fees for Fiscal Year 2025–2026. In past years, Napa County Collections managed the collection of Fire Service Fees for unsecured properties, primarily mobile and manufactured homes. Recently, the County advised the District that it would begin charging \$25,000 annually for this service—a significant increase that would severely reduce net revenue.

In response, the District engaged Wittman Enterprises, the District’s current billing provider for First Responder Fees, to also perform unsecured billing services at a rate of \$14 per unit. Based on current assessments, this alternative is estimated to cost approximately \$6,000 annually and will allow the District to retain a greater portion of the assessed revenue.

As part of this transition, staff conducted a reconciliation of delinquent unsecured accounts for Fiscal Years 2022–2024 in partnership with Napa County Collections. The results of this reconciliation are as follows:

- \$13,775.81 in unpaid unsecured Fire Service Fee accounts has been deemed uncollectible after reasonable collection efforts and is recommended for formal write-off.
- An additional \$10,742.20 in delinquent accounts has been secured through lien placements. It is important to note that this amount includes a \$20 lien processing fee per parcel charged by Napa County—not by the District—so this amount is not owed to the District and is not included in the

write-off. The lien balances remain recoverable in the future through property sale or transfer.

A breakdown of these accounts is included in Exhibit A.

FISCAL IMPACT

Transitioning collection services to Wittman Enterprises will reduce costs from \$25,000 to approximately \$6,000 annually. Writing off \$13,775.81 in delinquent fees will result in a one-time accounting adjustment, with no impact on current year revenue projections.

RESOLUTION 2025-15

A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT AUTHORIZING THE WRITE-OFF OF DELINQUENT UNSECURED FIRE SERVICE FEES

WHEREAS, the American Canyon Fire Protection District (“District”) assesses and collects Fire Service Fees annually to support the cost of providing fire protection and emergency services; and

WHEREAS, the collection of Fire Service Fees on unsecured properties (primarily mobile and manufactured homes) was previously administered by Napa County Collections; and

WHEREAS, Napa County has informed the District that it will begin charging an annual flat fee of \$25,000 for this service; and

WHEREAS, to preserve fiscal efficiency, the District has engaged Wittman Enterprises to perform this billing function at a cost of \$14 per unit, an estimated annual total of \$6,000; and

WHEREAS, following reconciliation with Napa County Collections, a total of \$13,775.81 in delinquent unsecured fire service fee accounts has been deemed uncollectible by the District and staff recommends these amounts be written off; and

WHEREAS, an additional \$10,740.20 in delinquent Fire Service Fees from the same period have been secured by liens placed on the associated properties and will not be written off, as the District retains the ability to recover these amounts through future property transactions; and

WHEREAS, the \$10,740.20 total includes a \$20 lien processing fee per parcel charged by Napa County, which is not owed to the District and does not affect the District’s financial position or the proposed write-off amount;

WHEREAS, the Board finds it is in the District’s best financial and administrative interest to authorize the write-off of these uncollectible accounts.

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the American Canyon Fire Protection District as follows:

1. The Board hereby authorizes the write-off of \$13,775.81 in delinquent unsecured Fire Service Fee accounts from Fiscal Year 2024–2025 as outlined in Exhibit A.
2. The Board acknowledges that liens totaling \$10,740.20 have been placed on certain delinquent accounts and that these amounts are not being written off.
