WINTER HAVEN
THE CHAIN OF LAKES CITY

CITY COMMISSION MEETING

DATE: Monday, August 25, 2025, 6:00 p.m.

LOCATION: City Hall - John Fuller Auditorium
451 Third Street NW
Winter Haven, FL 33881

---

1. **CALL TO ORDER** - Nathaniel J. Birdsong, Jr., Mayor
2. **ROLL CALL** - Vanessa Castillo, MMC, City Clerk
3. **INVOCATION** - Pastor Danny Bennett, St. John's United Methodist Church
4. **PLEDGE OF ALLEGIANCE** - Vanessa Castillo, MMC, City Clerk
5. **PRESENTATIONS**
   - 5.A **Recognition of the 2025 Certified Public Manager (CPM) Program Graduates**
     Staff Contact: *T. Michael Stavres, City Manager, mstavres@mywinterhaven.com*
6. **DEVELOPMENTS OF NOTE**
7. **MINUTES**
   - 7.A **August 6, 2025, Special City Commission Meeting Minutes (Utility Budget)**
     Staff Contact: *Vanessa Castillo, MMC, City Clerk, vcastillo@mywinterhaven.com*

19. EMERGENCY MATTERS NOT RECEIVED FOR THE AGENDA

20. ADJOURNMENT

If a person decides to appeal any decision made by the Commission with respect to any matter considered at such meeting or hearing, they will need a record of the proceedings, and that, for such purpose, they may need to ensure that a verbatim record of the proceeding is made which record includes the testimony and evidence upon which the appeal is to be based (FS 286.0105). In accordance with the Americans with Disabilities Act and Florida Statutes, Section 286.26, persons with disabilities needing special accommodations to participate in this proceeding, should contact the City Clerk's Office, 451 Third Street, NW, Winter Haven, Florida 33881, in writing, not later than 48 hours prior to the proceeding; if not in writing, then not later than four (4) days prior to the proceeding at (863) 291-5600. Vision or hearing impaired please call (800) 955-8771 for assistance.

WINTER HAVEN
THE CHAIN OF LAKES CITY

SPECIAL CITY COMMISSION WORKSHOP MEETING MINUTES
UTILITY BUDGET

DATE: Wednesday, August 6, 2025, 5:30 p.m.

LOCATION: City Hall – John Fuller Auditorium
451 Third Street NW, Winter Haven, FL 33881

NOTE:
PowerPoint slides of certain agenda items were also presented during this meeting. Link to PowerPoint here:
https://acrobat.adobe.com/id/urn:aaid:sc:VA6C2:af22771f-362b-4c03-9d57-741192645od6
A hard copy of the PowerPoint would be attached to the original signed minutes.

1. CALL TO ORDER - Mayor Birdsong called the meeting to order at 5:30 p.m.

2. ROLL CALL - Vanessa Castillo, MMC, City Clerk

Commissioners Present: Mayor Nathaniel J. Birdsong, Jr.; Commissioner Tracy Mercer; and Commissioner Clifton E. Dollison.

Commissioners Absent: Mayor Pro Tem Brian Yates and Commissioner Bradley T. Dantzler

Staff Present: City Manager T. Michael Stavres; Deputy City Manager Michael "M.J." Carnevale; City Attorney John Murphy; City Clerk Vanessa Castillo; Assistant City Manager for Public Safety Charlie Bird; Economic Opportunity and Community Investment Director Eric Labbe; Winter Haven Water Director Gary Hubbard; Parks, Recreation and Culture Director Julie Adams; Public Affairs and Communications Director Katrina Hill; Winter Haven Regional Airport Director Troy Heidel; Public Works Director Brittany Hart; Chief Financial Officer Colleen "C.J." Scott; and Fire Chief Drew Neubrand.

3. WINTER HAVEN WATER DEPARTMENT PROPOSED FY 2025/2026 BUDGET WORKSHOP

A. Winter Haven Water Department Proposed FY 2025-2026 Budget Overview - T. Michael Stavres, City Manager

City Manager Stavres introduced this item and said everything the Commission would hear tonight had been presented previously in the budget presentation. He said that the budget process could include a postscript in September before final approval, as changes could occur between the tentative and final versions. These adjustments could stem from updated State revenue projections or unencumbered projects that needed to roll forward. While these changes typically did not alter the overall financial outlook, the budget should be viewed as a two-year window, encompassing both the wrap-up of the current fiscal year and anticipated activities for the next. He also showed a *Winter Haven Water Budget Proposal Fiscal Year 2025-2026* PowerPoint *(see link/attached)*.

The budget was built around the Strategic Plan's six pillars, as shown on the slide, with a primary focus on Community Safety:

1. *Quality of Life* – The priorities also tied back to this and economic stability.
2. *Community Safety* – Ensure safe, contaminant-free drinking water; maintain sufficient water pressure for firefighting needs; remove asbestos pipes following strict protocols; and upgrade telemetry systems to detect pressure drops and treatment plant issues.

DRAFT

3. *Infrastructure* – Build new water production facilities at Cypresswood and Pollard Road; complete significant wastewater treatment plant upgrades; and develop a new administration campus on Buckeye Loop Road.

4. *Responsible Government* – Conducted a rate study last year to update fees and charges; adjusted connection fees to ensure growth costs are covered by growth drivers; established a repair and renewal fund for aging infrastructure; and actively pursue grants to support infrastructure projects.

   He also recognized Wastewater Treatment Plant Operator Frank O'Neal and Wastewater Treatment Plant Chief Operator Brett Martin who were awarded the Joseph V. Towery Award by the Florida Water and Pollution Control Operators Association for demonstrating competency and dedication to reclaimed water to the entire reclaimed water industry.

5. *Environmental Stewardship* – Expanded the smart cover program to prevent utility spills and advanced septic-to-sewer projects, including work around Lake Hartridge, to reduce environmental risks.

6. *Economic Sustainability* – The priorities also tied back to this and quality of life.

BUDGET HIGHLIGHTS (slide)

City Manager Stavres and Winter Haven Water Director Hubbard explained this slide in more detail:

Several major capital projects highlighted to include continued septic-to-sewer conversions, potable water well drilling at the Pollard Road and Cypresswood water production facilities (WPF) with construction at Pollard Road expected to begin in early 2026, and the start of recharge well drilling and wetland construction at the Bradco Farms property acquired in December 2023. A new 50,000-square-foot utility complex on Buckeye Loop Road will consolidate administration, maintenance, equipment storage, and customer service operations. The City will also undertake a major rehabilitation and expansion of Wastewater Treatment Plant #3, one of the most significant and costly projects in its history, along with installing improved screening and filtration systems there to support future growth. For the FY 2025–26 budget, utility services debt issuance was contemplated at $24.7 million. After the 2024 rate study, it contemplated a greater debt occurrence in FY 2026 with a bond issuance or some combination of borrowing in the approximate amount of $258 million. Future borrowing of $60–$80 million was anticipated in late 2025 or early 2026, with potential additional borrowing within 12–24 months. The City had approval to move forward with $171 million in borrowing directly through the federal Water Infrastructure Finance and Innovation Act (WIFIA) loan program, which could only account for 49% of City projects. Other funding sources could include State Revolving Fund (SRF) loans, municipal bonds, and possible grants. The City's strategy was to stagger borrowing to align with project timelines, avoid early interest costs, and take advantage of potentially lower interest rates. Additionally, $2.4 million was budgeted for repair and replacement work funded by a dedicated water bill charge. The Water Department employed 136 total employees with some new positions planned for the upcoming year.

MONTHLY USER FEE COMPARISON (slide)

City Manager Stavres explained this slide in more detail:

In the current fiscal year, Winter Haven's water and sewer user fees were among the lowest in Polk County, ranking second lowest for water rates. Beginning October 1, 2025, as part of a five-year fee schedule adopted last year, water rates would increase by 2.5% and wastewater or sewer rates by 7.5%, marking the second year of planned adjustments. Even with these changes, the City would remain the third lowest in Polk County, which is notable given the costs in neighboring jurisdictions. Rate comparisons were based on 5,000 gallons of monthly use, a standard benchmark, though over 76% of single-family homes in Winter Haven used less than that amount, and over 56% used under 3,000 gallons. As a result, most residents paid less than the benchmark rate, underscoring the City's ability to keep utility costs low despite ongoing investments.

CONNECTION FEE COMPARISON (slide)

City Manager Stavres explained this slide in more detail:

Effective January 1, 2025, the City increased its water system connection fees, which were currently the highest in Polk County. While there was concern this might slow development, data from January through July 2025 showed otherwise, with 498 single-family home permits issued during that period, including 93 in July alone. The higher fees had not hindered growth, but helped ensure that new development paid for its impact on the water system.

TOTAL REVENUES: UTILITY FUND (slide)

City Manager Stavres explained this slide in more detail:

The Utility Fund's total revenues for the upcoming fiscal year included approximately $24.6 million in anticipated debt proceeds, a figure that could increase if additional borrowing occurred later in the year. Water and sewer sales accounted for about 44% of overall revenues, while connection fees contributed roughly 10%, and grants were projected to provide another 10%, with potential for a higher share if more grants were awarded. Additional revenue sources included service charges and setup fees for new accounts, administrative and inspection fees, and miscellaneous revenues such as late payment penalties and proceeds from recycling obsolete water meters. Interest earnings and reimbursements from the Polk Regional Water Cooperative (PRWC) were also included, with the PRWC set to repay the City for installing a raw water line to the Pollard Road water production facility. Lastly, the Utility Fund received a refuse billing fee from the Solid Waste Division for managing its billing services.

TOTAL EXPENDITURES: UTILITY FUND (slide)

City Manager Stavres explained this slide in more detail:

Within the Utility Fund, the largest portion of expenditures, approximately 45% was allocated to capital projects, which were essential to operations and held within the fund rather than in a separate construction fund as in the General Fund. Operating costs accounted for roughly 22%, and personnel expenses made up about 12%. Other expenditures included an approximate $6.1 million transfer to the General Fund, departmental fees supporting shared services such as Human Resources, Information Technology, Fleet Maintenance, and Facilities Maintenance, annual debt service on prior bonds, and investments in the repair and replacement program.

UTILITY FUND (slide)

City Manager Stavres explained this slide in more detail:

For the Fiscal Year 2025–2026 budget, the Utility Fund was projected to generate about $7.3 million more in revenues than FY 2024–2025 and spend approximately $6.1 million more, resulting in an ending cash balance of roughly $50.6 million. However, much of this balance is restricted since funds from connection fees can only be used for service expansions and other portions are reserved for debt service. Only about $6.2 million, or 12.3%, was unrestricted and available for discretionary use, meaning the majority of the fund balance, around 87–88%, was already committed. City Manager Stavres noted the complexities of proprietary fund accounting, which operated under business-like principles, requiring specialized handling for items such as depreciation and capitalization of interest, distinct from General Fund practices.

PROPOSED: NEW POSITIONS (slide)

City Manager Stavres explained this slide in more detail:

For FY 2025–26, Winter Haven Water was adding several new positions to support its growing operations. A fiscal manager would oversee complex financial aspects, including federal and state grant compliance and large-scale projects. Two additional utility service workers [in Water Distribution] would assist with expanding infrastructure, including lift stations, meters, and valve maintenance. Customer service would gain one new staff member to help manage adjusted lobby hours and call volume, which would take effect September 1, 2025 and a part-time electrician would support lift station electrical systems alongside existing maintenance crews. The department managed a total of 43,833 meters, with roughly 40,500 serving residential accounts, 66% within City limits and 34% in the unincorporated service area. With new meters installed weekly as development continues, these staffing additions were essential to maintaining service and meeting the growing demand from new homes and customers.

OPERATING BUDGET: SIGNIFICANT ITEMS (slide)

Winter Haven Water Director Hubbard explained this slide in more detail:

The remainder of the presentation focused on the capital investment plan over the next five years, but highlighted that the operating budget included significant maintenance and upgrades that impacted daily operations. Some examples included $2 million for repairs to water plant storage tanks, $1.5 million for work on the aeration basins at Wastewater Plant #3, and $1.2 million for upgrades at the AdventHealth Fieldhouse and Conference Center master lift station. These projects were included in the FY 2025–26 budget for Commission approval later on.

DRAFT

CAPITAL INVESTMENT PROGRAM: UTILITIES (slide)

Winter Haven Water Director Hubbard explained these slides in more detail:

From a capital investment perspective, the FY 2025–26 budget allocated funds across multiple divisions, with approximately $16.8 million designated for the new water utility complex on Buckeye Loop Road. Wastewater treatment received approximately $8 million, water treatment approximately $4.7 million, and other divisions shared remaining costs. Nearly 6% of capital expenditures, or approximately $2.3 million, was allocated to the repair and replacement program, and the budget also included approximately $2 million for land acquisition in the coming year.

CAPITAL INVESTMENT PROJECTS: FIVE-YEAR PLAN (slides)

Winter Haven Water Director Hubbard explained these slides in more detail:

Over the next five years, the Winter Haven Water Department's capital projects spanned water treatment, wastewater, distribution, and repair programs. Key water treatment projects included the Pollard Road facility, with phased spending of $1.65 million in FY 2025–26, $2.2 million in FY 2026–27, and additional costs through FY 2027–28, coming online when PRWC delivered water in October 2028. Engineering projects, including Bradco Farms wetland restoration, aquifer recharge, and the new utility administration complex, were projected at $45 million for engineering over five years, with $24 million spent over the next two years. Wastewater projects focused on Treatment Plant #3, the Logistics Parkway facility, and the new water resource facility, the latter represented nearly $173 million of the five-year plan. Water distribution investments included new mains, asbestos replacements, septic-to-sewer conversions, lift station repairs (over 230 stations), sewer extensions, reclaimed water loops, and aquifer storage and recovery wells. Innovative projects included a trailer-mounted direct potable reuse treatment system for demonstration and community use. The repair and replacement program was projected at $14 million over five years and $37.3 million in FY 2025–26, with $335 million projected over the next 5-year period.

UTILITY FUND: FIVE-YEAR MAJOR CAPITAL PROJECTS (slides)

Winter Haven Water Director Hubbard explained these slides in more detail:

Key initiatives included Wastewater Treatment Plant #3 and the Water Resource Facility at roughly $173 million, wetland restoration projects at approximately $17 million, upgrades to water treatment plants at $33 million, and the new administration and maintenance complex at $24 million, with additional projects contributing to the overall capital investment plan. Over the next five years, Winter Haven's major utility projects were projected to total approximately $240 million.

MAJOR CAPITAL: WATER TREATMENT PLANTS (slide)

Winter Haven Water Director Hubbard explained this slide in more detail:

The City was planning to construct two new water treatment facilities: Cypresswood and Pollard Road. The existing Cypresswood plant was in poor condition, while drilling had already begun at Pollard Road, reaching depths of 900–1,000 feet into the upper zone of the Lower Floridan Aquifer. Water from this zone was not currently limited by the Southwest Florida Water Management District (SWFWMD), unlike the upper portion of the aquifer, which would soon be capped at roughly 11.5–12 million gallons per day (MGD) based on 2025 demand. The Pollard Road plant would be an 8 MGD facility, half sourced from PRWC for distribution to Auburndale and Lake Alfred, with the remainder meeting City of Winter Haven needs. Cypresswood would be a 1.5–2 MGD facility. The City was pursuing a 50-year water use permit from SWFWMD for 18.3 MGD from the upper Florida zone, contingent on recharging the upper aquifer, and expects preliminary results on water quality from the upper zone of the Lower Floridan Aquifer within the next month, following successful drilling examples from nearby Davenport.

MAJOR CAPITAL: WATER RESOURCE FACILITY (slide)

Winter Haven Water Director Hubbard explained this slide in more detail:

The City was planning a new water resource facility to address aging infrastructure and consolidate operations. Currently, Plant #2 (north), a 1.7 million MGD facility, became operational in 1971, and Plant #3, a 7.5 million MGD facility, began in 1976. Combining these two facilities is seen as a timely and efficient approach. The City would evaluate how to transfer flow from Plant #2 to Plant #3 and explore options for system redundancy on the east side. The new facility, designed by Kimley-Horn and Associates, Inc. and under contract with Wharton-Smith, Inc. since January 2025, would initially have a 12 million MGD capacity and include upgraded screening and filtration, with early construction packages expected this year.

DRAFT

MAJOR CAPITAL: SAPPHIRE NECKLACE AT BRADCO FARM (slide)

Winter Haven Water Director Hubbard explained this slide in more detail:

The Sapphire Necklace Project, also known as the Bradco Farms project, began with an unsolicited proposal from Resource Environmental Solutions, LLC (RES) in March 2023. The City initially purchased 370 acres in December 2023, and the project is expected to expand to 450–500 acres through additional property acquisitions. Construction preparations were underway, including plans to drill a recharge well on the site using the contractor already engaged for Pollard Road and Cypresswood wells, with drilling expected to begin in November or December 2025. Wetland restoration efforts were anticipated to start in summer 2026, marking significant progress on this long-planned initiative.

MAJOR CAPITAL: UTILITY ADMINISTRATION AND OPERATIONS FACILITY (slide)

City Manager Stavres explained this slide in more detail:

As part of the Bradco Farms purchase, the City acquired 10 acres of high ground to develop a new utility administration facility. The planned layout includes a 3,700-square-foot administration building with potential expansion into a 25,000-square-foot warehouse and operations center to house work crews. Additional structures, such as pole barns, would accommodate utility equipment. Construction was expected to take 12 to 16 months, potentially starting as early as December 2025, marking a major milestone in the City's upcoming utility infrastructure projects.

MAJOR INITIATIVES (slide)

Winter Haven Water Director Hubbard explained this slide in more detail:

The City's major utility initiatives for the coming year focused on expanding and modernizing infrastructure. The City was currently about 60% complete with its automated meter infrastructure and planned to increase coverage to 95% or greater by installing additional towers. Approximately 10,000 water meters would be replaced annually to ensure reliability. Lead and copper replacements across the distribution system were on track to meet EPA deadlines. The City was also bringing its unidirectional flushing and valve exercise program in-house, adding two new positions and equipment to implement the program internally. Grant funding was a major focus, advocating for as much as 50%, with the City targeting up to 40% support over five years, significantly higher than the 5% assumed in last year's rate study. These efforts were designed to strengthen Winter Haven's water system and set the stage for long-term sustainability.

City Manager Stavres emphasized that the Winter Haven Water Department was the City's largest operational department, with costs exceeding those of the entire General Fund, including Public Safety and other departments. The figures presented in the tentative budget, shared two weeks prior, were associated with the General Fund and had no impact on the City's 6.59 millage rate, as the utility department's revenues cover its own expenses. The budget anticipated borrowing to fund these projects, likely at levels higher than initially forecasted. However, the existing utility fee schedule was designed to generate sufficient revenue to cover debt service, ensuring the City was well-positioned to manage future borrowing while maintaining financial stability.

4. ADJOURNMENT – 6:20 p.m.

WINTER HAVEN
THE CHAIN OF LAKES CITY

CITY COMMISSION AGENDA REVIEW SESSION MINUTES

DATE: Wednesday, August 6, 2025, 5:30 p.m.

LOCATION: City Hall – John Fuller Auditorium
451 Third Street NW, Winter Haven, FL 33881

NOTE:
PowerPoint slides of certain agenda items were also presented during this meeting. Link to PowerPoint here: https://acrobat.adobe.com/id/urn:aaid:sc:VA6C2:c2e566e2-67d8-4017-b9a2-00639a8627d5
A hard copy of the PowerPoint will be attached to the original signed minutes.

1. CALL TO ORDER - Mayor Birdsong called the meeting to order at 6:25 p.m. *(began later than the usual time for this meeting due to a Special City Commission Workshop Meeting that commenced at 5:30 p.m.).*

2. ROLL CALL - Vanessa Castillo, MMC, City Clerk

Commissioners Present: Mayor Nathaniel J. Birdsong, Jr.; Commissioner Tracy Mercer Commissioner; and Clifton E. Dollison

Commissioners Present: Mayor Pro Tem Brian Yates and Commissioner Bradley T. Dantzler

Staff Present: City Manager T. Michael Stavres; Deputy City Manager Michael "M.J." Carnevale; City Attorney John Murphy; City Clerk Vanessa Castillo; Assistant City Manager for Public Safety Charlie Bird; Economic Opportunity and Community Investment Director Eric Labbe; Winter Haven Water Director Gary Hubbard; Parks, Recreation and Culture Director Julie Adams; Public Affairs and Communications Director Katrina Hill; Winter Haven Regional Airport Director Troy Heidel; Public Works Director Brittany Hart; Chief Financial Officer Colleen "C.J." Scott; and Fire Chief Drew Neubrand.

PRESENTATION(S)

A. * AGENDA REVIEW ONLY *** Strategic Plan Presentation: Infrastructure**

Deputy City Manager Carnevale gave an overview of this item and showed a *FY 25 Strategic Pillar Update – Infrastructure – Update 2* PowerPoint presentation *(see link/attached*). He noted that the infrastructure pillar encompassed all of the essential systems that kept the City functioning daily, including roads, bridges, sidewalks, water and sewer systems, airport facilities, buildings, and fiber networks. He added that this update also introduced a few new staff members who would present on these initiatives.

Winter Haven Regional Airport Director Heidel said that tonight's agenda focused on key infrastructure and planning initiatives essential to the City's growth, safety, and operational efficiency with emphasis on infrastructure reliability and resilience. Each initiative contributed to improved service delivery, supported future growth, and ensured safety and connectivity throughout the City.

Airport Taxi Lane Project (slide)

Director Heidel explained this slide in more detail:

The Florida Department of Transportation (FDOT) conducted statewide airfield pavement inspections on a three-year cycle, with the most recent inspection completed in 2024. The airfield received a Pavement Condition Index (PCI) score of 83, rated as satisfactory, with most areas in good condition. However, the T-hangar taxi lanes on the south side showed wear, ranging from fair to very poor. Plans included milling and overlaying areas in fair condition and fully reconstructing those in very poor condition, as those taxi lanes were vital for daily operations, tenant

DRAFT

satisfaction, and hangar value. The Commission recently approved an FDOT grant for the project's design phase, positioning the airport to reach a top 10% PCI ranking statewide once completed. Additionally, during a June 2025 visit to the FAA Technical Center in Atlantic City, he and City Manager Stavres observed advanced pavement testing that informs national airfield pavement standards, directly benefiting the City's maintenance practices.

City Manager Stavres said that Director Heidel, General Palumbo, and himself visited the FAA's large indoor laboratory in Atlantic City, the biggest of its kind in North America. This facility featured a 900-foot test track where massive aircraft tires simulated the weight and movement of jumbo jets to evaluate asphalt performance. He noted that while the City's airport would never host aircraft of that size, the research provides valuable confidence in the asphalt designs planned for the taxi lanes leading to the T-hangars.

Remote Tower Update (slide)

Director Heidel explained this slide in more detail:

The primary purpose of the FAA visit was to tour the remote tower facility, which was in full operation and testing mode during the visit. FAA staff and air traffic controllers expressed strong support for the project, which was expected to significantly modernize traffic control at the airfield. After several years of discussion, the project was nearing completion. Currently, the City of Bartow's control console was in place, and an identical setup for Winter Haven was being installed in the same room. The physical tower infrastructure for the City was scheduled to arrive between late this year and early next year, with the system anticipated to go online between mid-2026 and mid-2027, pending final requirements.

Airport Layout Plan (slide)

Director Heidel explained this slide in more detail:

The airport layout plan (ALP) served as a critical planning tool for funding and development, guiding both FAA and FDOT review processes. Key future projects include Commerce Park phases one and two, new T-hanger rows on the south side, and corporate T-hangars on the east side. The ALP also designated areas for advanced air mobility (AAM), which involved electric vertical takeoff aircraft, positioning Winter Haven as an ideal hub due to its location between Tampa and Orlando and its strong local tourism. These developments aimed to enhance travel times, connectivity, and the airport's role in emerging aviation technologies.

8th Street NW Project (slide)

Capital Projects and Strategic Initiatives Manager Tyler Williams explained this slide in more detail:

The 8th Street and Avenue L Complete Streets project, funded through the FDOT, aimed to enhance infrastructure around the Lake Howard area, improving safety and connectivity for drivers and pedestrians while linking into downtown. The 8th Street segment would extend from Lake Howard Drive to Mirror Terrace, and Avenue L would run from 8th Street to US 17, near locations such as Northgate Shopping Center, St. Paul's Church, and Beymer Church. Although initial FDOT funding was removed due to carbon reduction fund cuts, strong collaboration with the Polk Transportation Planning Organization (TPO) had made this Polk County's top priority for complete streets projects. FDOT has committed over $167,000 for design in fiscal year 2026, with design expected to begin in spring 2026 and plans completed by spring 2027, paving the way for construction in fiscal year 2028. The project underscored the City's focus on maintaining strong partnerships with transportation organizations to address safety and infrastructure needs effectively.

3rd St. Concept Plan (slide)

Capital Projects and Strategic Initiatives Manager Tyler Williams explained this slide in more detail:

The downtown traffic improvement project, previously discussed at a Commission meeting, focused on enhancing traffic flow and safety through the addition of two new roundabouts. The project also aimed to improve pedestrian connectivity with upgraded sidewalks and crosswalks, linking key facilities such as the Trailhead [Park] playground, the Garden Center, the Senior [Adult] Center, tennis courts, and Dr. Martin Luther King, Jr. (MLK) Park. Kimley Horn had completed the 60% design phase and was now progressing to the 90% phase. The FDOT had allocated nearly $1.7 million in construction funding for the current fiscal year, with construction anticipated to begin next summer. Proposed improvements included roundabouts, new crosswalks, minor landscaping, and enhancements to Avenue E and F Northwest to better connect downtown facilities.

DRAFT

Transportation Improvement Program (slide)

Capital Projects and Strategic Initiatives Manager Tyler Williams explained this slide in more detail:

Earlier this year, the City highlighted its largest repaving effort in Winter Haven's history, completing work on 31 roads with the poorest Pavement Condition Index (PCI) ratings between October and December. In addition, the City implemented double micro surfacing, applying two successive layers of micro surfacing material, for the first time during the 2023 Avenue C Southwest Complete Streets Project and expanded this treatment to roads including 4th Street Southeast, Oleander Drive Southeast, and areas off 10th Street Southeast in 2024. In April, the City collaborated with Pavement Technologies to rejuvenate 15 miles of roadways by applying restorative oils, which extended road life, while Asphalt Paving Systems (APS) completed crack sealing over the summer to prevent pothole formation. Later this year, APS would return for additional double micro and cape seal applications, timed for cooler weather to ensure proper bonding. Looking ahead, the City was preparing a list of roads for future repaving efforts, combining remaining TIP funds with the proposed budget, and would launch an interactive online map to allow residents to track completed work, upcoming projects, and PCI ratings throughout the community.

Harmony Master Lift Station (slide)

Lift Stations Superintendent Dalton Glover explained this slide in more detail:

The Harmony Master lift station was designed to mirror the Chain of Lakes master lift station while also diverting some flow away from the Chain of Lakes to improve overall system efficiency. Key upgrades include a new PLC card called Specific Energy, which monitored the efficiency of all four pumps and suggested adjustments to optimize performance. Gate valves had been replaced with new wheel valves that allowed a single person to operate them safely and efficiently. Additional improvements include upgraded pumps with impeller springs to prevent debris buildup, exterior lighting for safety, and reuse lines in the wet well to manage debris circulation. The lift station was intended to enhance connections between Plant #2 and Plant #3 while boosting the efficiency of the wastewater system.

SCADA Radio Comms and Fiber Connections (slide)

Fairfax Water Plant Chief Operator Damon Irvis explained this slide in more detail:

The City had made significant improvements to its SCADA system to address previous communication failures and enhanced the reliability of water treatment operations. New equipment, including radios, cables, antennas, and grounding rods, had been installed to improve system bandwidth and ensure better communication and control between components. The SCADA interface allows operators to monitor and manage five elevated tanks, track water levels, pressures, pump activity, and chlorine residuals across all water plants, including Eloisewood. Additional enhancements included frequency cards for lift stations and water plants, properly aligned antennas, and ongoing collaboration with the [Technology Services] Department to improve fiber connectivity. These upgrades strengthened the overall communication framework, ensuring efficient and consistent delivery of high-quality water service.

Pollard and Cypresswood Well Drilling (slide)

Fairfax Water Plant Chief Operator Bjorn Wint explained this slide in more detail:

The City provided an update on its well drilling operations at Pollard Road, where drilling has reached approximately 800 feet with a target depth of 1,200 feet to access the upper zone of the Lower Floridan Aquifer. Visuals included casings, drill bits, and the drilling equipment. Successfully reaching this aquifer was critical, as it would determine the quality of water available and enabled the construction of the new Pollard Road and Cypresswood water plants.

Commissioner Mercer requested to see the three wells. Deputy City Manager Carnevale said this would be arranged.

City Manager Stavres highlighted the value of having frontline staff present directly to the City Commission, showcasing their passion and expertise. The speakers emphasized the complexity of City operations, particularly the advanced technology and monitoring capabilities within the SCADA system, and praised staff for their skill in managing and operating these systems effectively. Overall, it underscored both the dedication and technical proficiency of the team.

Deputy City Manager Carnevale reminded everyone that the next pillar update on economic sustainability would take place in September.

WINTER HAVEN
THE CHAIN OF LAKES CITY

REGULAR CITY COMMISSION MEETING MINUTES

DATE: Monday, August 11, 2025 6:00 p.m.

LOCATION: City Hall – John Fuller Auditorium
451 Third Street NW, Winter Haven, FL 33881

NOTE:
PowerPoint slides of certain agenda items were also presented during this meeting. Link to PowerPoint here:
https://acrobat.adobe.com/id/urn:aaid:sc:VA6C2:0e5335ba-8659-48c2-9244-530e76f68402
A hard copy of the PowerPoint will be attached to the original signed minutes.

1. **CALL TO ORDER** - Mayor Birdsong called the regular meeting to order at 6:00 p.m.

2. **ROLL CALL** - Vanessa Castillo, MMC, City Clerk

   Commissioners Present: Mayor Nathaniel Birdsong; Commissioner Tracy Mercer; and Commissioner Clifton Dollison

   Commissioners Absent: Mayor Pro Tem Brian Yates and Commissioner Brad Dantzler

   Staff Present: City Manager T. Michael Stavres; Deputy City Manager Michael "M.J." Carnevale; City Attorney John Murphy; City Clerk Vanessa Castillo; Assistant City Manager for Public Safety Charlie Bird; Economic Opportunity and Community Investment Director Eric Labbe; Public Affairs and Communications Director Katrina Hill; Chief Financial Officer Colleen "C.J." Scott; Winter Haven Regional Airport Director Troy Heidel; and Police Chief Vance Monroe.

3. **INVOCATION** – Pastor John Halman, St. Paul Worship Center

4. **PLEDGE OF ALLEGIANCE** – Vanessa Castillo, MMC, City Clerk

5. **PRESENTATION(S)** – None

6. **DEVELOPMENTS OF NOTE** – None

7. **MINUTES**

   A. July 9, 2025, City Commission Agenda Review Session Minutes

   B. July 14, 2025, Regular City Commission Meeting Minutes

   C. July 23, 2025, City Commission Agenda Review Session Minutes

   D. July 23, 2025, Special City Commission Workshop Meeting Minutes

   E. July 28, 2025, Regular City Commission Meeting Minutes

   Motion by Commissioner Mercer to approve the minutes as presented.

DRAFT

Mayor Birdsong stated that anyone wishing to speak to the minutes could make comments now by coming to the podium and stating their name and address for the record and make comments. No one spoke for or against.

Motion carried 3:0.

8. COMMENTS FROM THE AUDIENCE

Desiree Howell, representing Courtyard by Marriott located at 6625 Cypress Gardens Boulevard in Winter Haven, expressed concerns about ongoing trash runoff for the past 6 ½ years between Chase Bank and their property, which flowed into the lake in front of the hotel and raised environmental and aesthetic concerns. With plans for a new hotel nearby, the owner sought assistance and a collaborative resolution to address the problem. Deputy City Manager responded and explained that the drainage issue near the hotel fell under the Florida Department of Transportation (FDOT) jurisdiction and responsibility, since Cypress Gardens Boulevard was a state road and part of the state's drainage network. The City has worked with FDOT over the years to help keep the area clean, but would continue to press for a resolution. In addition, the City team had also made efforts to provide some on-site cleaning support when possible. City Manager Stavres said they would try to get the Natural Resources Division to assist, even though it was outside the area that the City normally maintained.

Sherry Groover, representing her mother at 595 Lake Martha Drive Northeast in Winter Haven and the City's visitors and residents, read a statement from the City of Winter Haven regarding employee standards to uphold professionalism, respectfulness, honesty, and courtesy. She expressed concerns about accountability in her brother's cardiac call incident from 11 years ago and encouraged others to visit her YouTube channel, "Cookie CBI," regarding government accountability.

9. ORDINANCE(S) – SECOND READING – PUBLIC HEARING – None

10. CONSENT AGENDA

A. Reappointment of Two Airport Advisory Committee Members

B. ITB-25-28 - Award of Landscape Maintenance of Rights-of-Way, Parks, and Trails - Two Year Contract

C. Replacement of P320 Duty Weapon with Glock 47

Motion by Commissioner Mercer to approve the Consent Agenda as presented.

Mayor Birdsong closed the Regular City Commission Meeting and opened a Public Hearing stating anyone wishing to speak to the Consent Agenda could come to the podium and state their name and address for the record. No one spoke for or against.

Mayor Birdsong closed the Public Hearing and reopened the Regular Commission Meeting.

Motion carried 3:0.

11. RESOLUTION(S)

A. R-25-34 - Request by KRPC Willowbrook, LLC to accept a portion of the improvements, infrastructure, and dedication in favor of the City of Winter Haven and modify the Performance Bond submitted to the City to insure completion of the additional required improvements for the Willowbrook North Subdivision

City Attorney Murphy read Resolution R-25-34 by title only and City Manager Stavres presented.

Motion by Commissioner Mercer to approve Resolution R-25-34.

Mayor Birdsong closed the Regular City Commission Meeting and opened a Public Hearing stating anyone wishing to speak to this Resolution may come to the podium and state their name and address for the record. No one spoke for or against.

Mayor Birdsong closed the Public Hearing and reopened the Regular Commission Meeting.

Motion carried 3:0.

12. ORDINANCE(S) - FIRST READING – None

13. NEW BUSINESS

14. CITY COMMISSIONERS/LIAISON REPORTS

Commissioner Mercer reported the following: attended the Talbot House Ministries [Center for Women and Children] Grand Opening and said that they had purchased the building [320 Martin Luther King Boulevard Northwest] from the Salvation Army for a dedicated homeless shelter. She also attended the Public Safety Oath of Office of new and promoted staff and thanked them for all they did.

Commissioner Dollison reported the following: attended a Planning Commission Meeting; attended the Talbot House Ministries event and prayed over the facility, which would have over 60 beds and said there were already about 13 families on the waiting list.

Mayor Birdsong reported the following: attended the Talbot House Ministries event; attended a reception at Aria [Restaurant] on Central with the Winter Haven Economic Development Council (WHEDC); chaired a Central Florida Regional Planning Council (CFRPC) Meeting; and "double" chaired a Polk Regional Water Cooperative (PRWC) Meeting at the AdventHealth Fieldhouse and Conference Center, which got hacked via Zoom.

15. CITY ATTORNEY REPORT – None

16. CITY MANAGER REPORT

A. City Commission Liaison Request - Construction Manager at Risk Services for Cypresswood & Pollard Road Water Production Facilities RFQ

City Manager Stavres presented this item and requested a Commission Liaison.

Commissioner Mercer agreed to serve.

B. Commission Liaison assignment - Request for Applications for the Local Government Area of Opportunity (LGAO)

City Manager Stavres presented this item and requested a Commission Liaison.

Commissioner Dollison agreed to serve.

❖

City Manager Stavres reported the following:

- *First day of school* - Today City staff and law enforcement stationed in school zones to remind motorists that school was back in session and help ensure safety. Patience requested as families adjust to new routines, particularly around Lake Elbert Elementary, where the City was working closely with school administrators, Polk County School Bord (PCSB) Superintendent [Frederick] Heid's office, and the [Polk County] Sheriff's Safe School Team to manage traffic flow. While the first day went well overall, it typically takes 1-2 weeks for congestion to ease.

- *Polk County Legislative Delegation Meeting* - Tomorrow at 1:00 p.m. at the Polk County Board of County Commission (BoCC) Chambers in Bartow. The City was preparing for the upcoming Florida legislative session, which would begin in January, 2026. Key points for the three-minute presentation at the Legislative Delegation Meeting included property tax reform, tourist development taxes, protecting community redevelopment agencies, concerns with Senate Bill 180, and the city's primary appropriation request: the official transfer of ownership of the Florida Citrus Building to Winter Haven. Since acquiring the lease in 2017, the City had invested over $3 million in improvements and continues to make the facility available for community use, supporting a strong case for the transfer.

- *Skate Park* - Following the July 28, Regular City Commission Meeting, Parks, Recreation and Culture Department and City Manager's Office staff inspected the skate park on July 29 and found that all graffiti had been painted over, reflecting the park's standard practice of promptly addressing vandalism. Feedback from users indicated that traditional paint created a slick surface, so alternative paints with better grip were being considered. The Police Department had increased surveillance with multiple daily visits, and the Technology Services Department was exploring security camera options using either fiber optic or

cellular connections. Additional improvements under consideration include solar and programmable lighting, new benches, seating, and potentially fencing. Regarding access to drinking water, the City was evaluating options such as a vandal-proof vending machine due to infrastructure limitations. Overall, staff would continue to address vandalism proactively, recognizing the importance of maintaining a safe and well-maintained skate park.

- *City Vehicle* – Today, the City experienced an unfortunate incident when a City vehicle was completely destroyed by fire outside the Garden Center during routine improvement work. One employee sustained injuries and was transported to Tampa General Hospital for treatment of burns, but was reported to be doing well and expected to be released soon. The vehicle was a total loss, with only minor components potentially salvageable. City leadership commended the police and fire [Public Safety] Department for their swift, professional, and compassionate response in assisting the injured employee.

- *2025 Florida League of Cities (FLC) Conference* – Mayor Birdsong, Mayor Pro Tem Yates, Commissioners Mercer and Dollison would be attending this conference in Orlando from Wednesday evening through Saturday morning to learn about legislative issues and FLC initiatives. City Manager Stavres and Public Affairs and Communications Director Hill would also be present to support in any way. During the Saturday session, the Mayor would serve as Winter Haven's voting delegate, with staff providing support throughout. Deputy City Manager Carnevale would manage City operations while the team is away.

17. DEPUTY CITY MANAGER REPORT – No report

18. CITY CLERK REPORT – No report

19. EMERGENCY MATTERS NOT RECEIVED FOR THE AGENDA – None

20. ADJOURNMENT – 6:29 p.m.

ATTEST:

_____
Vanessa Castillo, MMC
City Clerk

CITY OF WINTER HAVEN, FLORIDA

_____
Nathaniel J. Birdsong, Jr.
Mayor

DATE: August 8, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Gary Hubbard, Water Department Director

SUBJECT: Florida Department of Environmental Protection (FDEP), LPA0441 Grant, Amendment #1

BACKGROUND

On March 17, 2023, the City of Winter Haven and Florida Department of Environmental Protection (FDEP) entered into Grant Agreement LPA0441 for partial funding of the Sapphire Necklace Creation project. The funding will support the preconstruction design activities for the Sapphire Necklace wetland storage nature park located at the Bradco property.

The original agreement was scheduled to expire on December 31, 2025. Due to delays in securing the P3 consultant, HGS, LLC (RES Environmental Operating Company), the City and FDEP have agreed to execute Amendment #1 for a time extension. The project completion date has been extended to December 31, 2026.

FINANCIAL IMPACT

There are no financial impacts associated with the LPA0441 Grant Amendment #1.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Infrastructure
- **Goal:** 3.3 – Ensure an actionable strategy is in place for the future of water resources.
- **Strategy:** 3.3.4 – Maintain relationships with local, regional, state, and federal regulatory and cooperative agencies directly related to integrated water resource management.

RECOMMENDATION

Staff recommends the City Commission approve Amendment #1 for the FDEP LPA0441 Grant Agreement and authorize City Manager or his designee to take all necessary actions required of the City in order to implement the FDEP LPA0441 grant agreement.

ATTACHMENTS

- FDEP LAP0441 Grant Agreement, Amendment #1
- LPA0441 – Sapphire Necklace Creation (executed 3-17-23)

AMENDMENT NO. 1
TO AGREEMENT NO. LPA0441
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
CITY OF WINTER HAVEN

This Amendment to Agreement No. LPA0441 (Agreement) is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and the City of Winter Haven (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for Sapphire Necklace Creation (Project), effective March 17, 2023; and,

WHEREAS, the Grantee has requested an extension of the Agreement due to delays in the subcontracting; and,

WHEREAS, other changes to the Agreement are necessary; and,

WHEREAS, the parties have agreed to amend the Agreement as set forth herein.

NOW THEREFORE, the parties agree as follows:

1. Section 3. of the Standard Grant Agreement is hereby revised to change the Date of Expiration to December 31, 2026. The Department and the Grantee shall continue to perform their respective duties during this extension period pursuant to the same terms and conditions provided in the Agreement.

2. Section 6. of the Standard Grant Agreement is hereby revised to the following:

Department's Grant Manager	**Grantee's Grant Manager**
Name: Julie N. Roberts	Name: Mark Bombard
Address: Florida Dept. of Environmental Protection	Address: 401 6th Street, SW
3900 Commonwealth Blvd.	Winter Haven, FL 33884
Tallahassee, FL 32399-3000	
Phone: 850-245-2906	Phone: 863-291-5853
Email: Julie.N.Roberts@FloridaDEP.gov	Email: MBombard@MyWinterHaven.com

3. Section 2.d. of Attachment 1 is deleted and replaced as follows:

This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties.
A formal amendment to this Agreement is required for changes which cause any of the following:
(1) an increase or decrease in the Agreement funding amount;
(2) a change in Grantee's match requirements;
(3) a change in the expiration date of the Agreement; and/or
(4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
(5) any changes to the terms and conditions of the Agreement other than the specific instances enumerated below when a change order may be used.
A change order to this Agreement may be used when:
(1) task timelines within the current authorized Agreement period change;
(2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;

(3) changing the current funding source as stated in the Standard Grant Agreement; and/or
(4) fund transfers between budget categories for the purposes of meeting match requirements.
This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

4. The following is hereby added to Attachment 1 in Section 8:

State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.
ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

5. Section 11. of Attachment 2 is hereby revised as follows:

Subcontracting
The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. Upon request by the Department's Grant Manager, the Grantee will submit a copy of the executed subcontract.

6. Attachment 3-2, Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-3, Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3-2 shall hereinafter refer to Attachment 3-3, Revised Grant Work Plan.

7. Attachment 5, Special Audit Requirements, is hereby deleted in its entirety and replaced with Attachment 5-1, Revised Special Audit Requirements, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 5 shall hereinafter refer to Attachment 5-1, Revised Special Audit Requirements.

8. Exhibit A, Progress Report Form, is hereby deleted in its entirety and replaced with Exhibit A-1, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit A shall hereinafter refer to Exhibit A-1.

9. All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistency may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

The parties agree to the terms and conditions of this Amendment and have duly authorized their respective representatives to sign it on the dates indicated below.

ATTACHMENT 3-3
REVISED GRANT WORK PLAN

PROJECT TITLE: Sapphire Necklace Creation

PROJECT LOCATION: The Project will be located in the City of Winter Haven within Polk County; Lat/Long (28.0361, -81.6926).

PROJECT BACKGROUND: The City of Winter Haven (Grantee) is located in the Peace Creek Watershed at the headwaters of the Peace River and the Floridan Aquifer systems. This area is identified as a hydrologically impaired region called the Southern Water Use Caution Area because lakes and river flows are stressed. The Peace Creek Watershed has been ditched and drained over the past century and groundwater systems have been over pumped. These hydrologic alterations, in addition to rapidly expanding urban development, will further exacerbate future restoration opportunities. The proposed Sapphire Necklace Project, a priority project of the One Water Master Plan, will restore historical wetland areas as interconnected nature parks, providing flood mitigation, aquifer recharge, water quality, water supply and habitat benefits, while also creating recreational and scenic amenities for residents. Once the Sapphire Necklace is completed, the Upper Peace Creek Watershed will function much like it did historically, restoring an estimated 200 acres of wetlands. It is estimated that this will provide approximately 128 million gallons of water storage capacity.

This project is associated with the larger Polk Regional Water Cooperative Heartland Headwaters Protection and Sustainability project funded under DEP Agreement No. LPA0212.

PROJECT DESCRIPTION: The Grantee will complete the pre-design study, design and permitting phase of the Sapphire Neckless Creation project. This phase of the project includes surveying, site information (wetlands, soils, water table, etc.) work, preliminary design, hydrologic modelling, final design and permitting as its first phase of Sapphire Necklace project, located in east Winter Haven along the Peace Creek Drainage Canal.

TASKS: All documentation should be submitted electronically unless otherwise indicated and should be submitted prior to the expiration of the grant agreement.

Task 1: Preconstruction Activities

Deliverables: The Grantee will complete the design of Sapphire Necklace wetland storage nature park project and obtain all necessary permits for construction of the project. Activities necessary for design, such as surveys, geotechnical evaluations, pre-design studies, and environmental assessments are eligible under this task. Upon request by the Department's Grant Manager, the Grantee will provide additional supporting documentation relating to this task.

Documentation: The Grantee will submit a signed summary of activities completed for the period of work covered in the payment request, including the percentage of design complete and permitting status, using the format provided by the Department's Grant Manager.

For the final documentation, the Grantee will also submit a copy of the design completed with the funding provided for this task, a list of all required permits identifying issue dates and issuing authorities, and copies of any surveys, assessments, or other documents funded under this task. Upon request by the Department's Grant Manager, the Grantee will provide additional supporting documentation relating to this task.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, a payment request may be processed.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

PROJECT TIMELINE & BUDGET DETAIL: The tasks must be completed by the corresponding task end date. Cost reimbursable grant funding must not exceed the budget amounts as indicated below.

Task No.	Task Title	Budget Category	Grant Amount	Task Start Date	Task End Date
1	Preconstruction Activities	Contractual Services	$250,000	07/01/2022	06/30/2026
		Total:	$250,000		

Note that, per Section 8 of Attachment 1 in the Agreement, authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of the Department if the Legislature reduces or eliminates appropriations. Extending the contract end date carries the risk that funds for this project may become unavailable in the future. This should be a consideration for the Grantee with this and future requests for extension.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5-1

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(1)(n), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and the current Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and the current Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at https://www.myfloridacfo.com/ and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and the current Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or the current Rules of the Auditor

General, should indicate the date and time the reporting package was delivered to the recipient and any correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Agreement	Department of Environmental Protection	2022-2023	37.039	Statewide Water Quality Restoration Projects	$250,000	140047
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$250,000	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

Revised Exhibit A-1
Progress Report Form

The current **Exhibit A, Progress Report Form** for this grant can be found on the Department's website at this link:

https://floridadep.gov/wra/wra/documents/progress-report-form

Please use the most current form found on the website, linked above, for each progress report submitted for this project.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Standard Grant Agreement

This Agreement is entered into between the Parties named below, pursuant to Section 215.971, Florida Statutes:

1. Project Title (Project): **Sapphire Necklace Creation**

Agreement Number: **LPA0441**

2. Parties: **State of Florida Department of Environmental Protection, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000** (Department)

Grantee Name: **City of Winter Haven** Entity Type: **Local Government**

Grantee Address: **401 6th Street, SW, Winter Haven, Florida 33884** FEID: **59-6000453** (Grantee)

3. Agreement Begin Date: **Upon Execution**

Date of Expiration: **December 31, 2025**

4. Project Number: *(If different from Agreement Number)*

Project Location(s): **Lat/Long: (28.0361, -81.6926)**

Project Description: **This project will restore an estimated 200 acres of wetlands adjacent to a proposed housing development.This project is associated with the larger Polk Regional Water Cooperative Heartland Headwaters Protection and Sustainability project funded under DEP.**

5. Total Amount of Funding: **$ 250,000.00**

Funding Source?	Award #s or Line Item Appropriations:	Amount per Source(s):
☒ State ☐Federal	**LP, GAA LI 1665A, FY 22-23, GR**	$ **250,000.00**
☐ State ☐Federal		$
☐ Grantee Match		$
	Total Amount of Funding + Grantee Match, if any:	$ **250,000.00**

6. Department's Grant Manager

Name: **Jack Deming** or successor

Address: **Florida Dept. of Environmental Protection**
3900 Commonwealth Blvd.
Tallahassee, FL 32399-3000

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with Section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf.

e. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

f. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

g. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

h. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

i. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: www.myfloridacfo.com/Division/AA/Vendors/default.htm.

j. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

    ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with Section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal

Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work, or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or

iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
   i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
   ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to Sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

   ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

   iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

   iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

26. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to Section 216.347, F.S., except that pursuant to the requirements of Section

287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with Sections 11.062 and 216.347, F.S.

27. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

28. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

   i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

   ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

   iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

29. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

30. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

31. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

32. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

33. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

34. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This

Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

35. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

36. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

37. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

38. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

39. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

AGREEMENT NO. LPA0441

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Sapphire Necklace Creation. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement begins on July 1, 2022 and ends following the expiration of this agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods are not permitted under this agreement.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

No retainage is required under this Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.

The Grantee will identify the expected return on investment for this project and provide this information to the Governor's Office of Policy and Budget (OPB) within three months of execution of this Agreement. For each full calendar quarter thereafter, the Grantee will provide quarterly update reports directly to OPB, no later than 20 days after the end of each quarter, documenting the positive return on investment to the state that results from the Grantee's project and its use of funds provided under this Agreement. Quarterly reports will continue until the Grantee is instructed by OPB that no further reports are needed, or until the end of this Agreement, whichever occurs first. All reports shall be submitted electronically to OPB at env.roi@laspbs.state.fl.us, and a copy shall also be submitted to the Department at legislativeaffairs@floridaDEP.gov.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and

return PUR 1808 before contract execution] If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808

15. Additional Terms. None

ATTACHMENT 3
GRANT WORK PLAN

PROJECT TITLE: Sapphire Necklace Creation

PROJECT LOCATION: The Project will be located in the City of Winter Haven within Polk County; Lat/Long (28.0361, -81.6926).

PROJECT BACKGROUND: The City of Winter Haven (Grantee) is located in the Peace Creek Watershed at the headwaters of the Peace River and the Floridan Aquifer systems. This area is identified as a hydrologically impaired region called the Southern Water Use Caution Area because lakes and river flows are stressed. The Peace Creek Watershed has been ditched and drained over the past century and groundwater systems have been over pumped. These hydrologic alterations, in addition to rapidly expanding urban development, will further exacerbate future restoration opportunities. The proposed Sapphire Necklace Project, which is a priority project of the One Water Master Plan, will restore historical wetland areas as interconnected nature parks, which will not only provide flood mitigation, aquifer recharge, water quality, water supply and habitat benefits, but also create recreational and scenic amenities for residents. Once the Sapphire Necklace is completed, the Upper Peace Creek Watershed will function much like it did historically which will restore an estimated 200 acres of wetlands adjacent to a proposed housing development. It is estimated that this will provide 128 million gallons of water storage capacity.

This project is associated with the larger Polk Regional Water Cooperative Heartland Headwaters Protection and Sustainability project funded under DEP Agreement No. LPA0212.

PROJECT DESCRIPTION: The Grantee will complete the pre-design study, design and permitting phase of Saphire Neckless Creation project. This phase of the project includes surveying, site information (wetlands, soils, water table, etc) work, preliminary design, hydrologic modelling, final design and permitting as its first phase of Sapphire Necklace project, located in east Winter Haven along the Peace Creek Drainage Canal.

TASKS: All documentation should be submitted electronically unless otherwise indicated.

Task 1: Pre-Design Study

Deliverables: The Grantee will perform a pre-design study of the wetland storage nature park project and produce a pre-design report that will detail the scope of the problem in the analysis area, outline design options, and identify the tasks required to complete a resolution to the problem.

Documentation: The Grantee will submit the final pre-design study report.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement following the conclusion of the task.

Task 2: Preconstruction Activites

Deliverables: The Grantee will complete the design of the first Sapphire Necklace wetland storage nature park project and obtain all necessary permits for construction of the project.

Documentation: The Grantee will submit: 1) a signed acceptance of the completed work to date, as provided in the Grantee's Certification of Payment Request; and 2) a summary of preconstruction activities to date, indicating the percentage of design completion for the time period covered in the payment request. For the final documentation, the Grantee will also submit a copy of the design completed with the funding provided for this task and a list of all required permits identifying issue dates and issuing authorities.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

PROJECT TIMELINE & BUDGET DETAIL:

The tasks must be completed by, and all documentation received by, the corresponding task end date. Cost reimbursable grant funding must not exceed the budget amounts as indicated below.

Task No.	Task Title	Budget Category	Grant Amount	Task Start Date	Task End Date
1	Pre-Design Study	Contractual Services	$75,000	07/01/2022	12/31/2023
2	Preconstruction Activities	Contractual Services	$175,000	07/01/2022	07/31/2025
		Total:	$250,000

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

Telephone: **(850) 245-2118**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: If the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Agreement	Department of Environmental Protection	2022-2023	37.039	Statewide Water Quality Restoration Projects	$250,000	140047
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award:	$250,000	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

DATE: August 8, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Gary Hubbard, Water Department Director

SUBJECT: Recommendation of Award ITB-25-31, AMI Infrastructure Installation Services, Re-Bid

---

BACKGROUND

On June 18, 2025, the City of Winter Haven issued an Invitation to Bid, ITB-25-31, for the re-bid of the AMI Infrastructure Installation Services. On July 31, 2025, two (2) proposals were received with one meeting the qualifications. Tower Systems, Inc., of Winter Park, FL was the lowest responsive/responsible bidder, meeting all of the requirements for the construction of the project. A Recommendation of Award was posted on August 4, 2025 with no protest received in response.

This project expands the City's Advanced Metering Infrastructure (AMI) receiving antennas from fourteen (14) to twenty-one (21) towers. AMI systems utilize the towers to enable two-way communication between utility billing and smart water meters, facilitating real-time data collection and management of customer water usage. These towers act as data collectors, relaying information that improves billing accuracy, leak detection, and overall system efficiency.

Construction is estimated to begin in September 2025 and is expected to take 120 days to complete.

FINANCIAL IMPACT

Funds are budgeted in account 402-08-919-6301 in fiscal year 2024/2025 in the amount of $234,177.44.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Infrastructure
- **Goal:** 3.4 – Pursue emerging opportunities to embrace new technology, infrastructure, and enterprise opportunities.

- **Strategy:** 3.4.1 – Incorporate advanced transportation and infrastructure systems that leverage technology for enhanced effectiveness and efficiency in the delivery of municipal services.

RECOMMENDATION

Staff recommends the City Commission award of ITB-25-31 AMI Infrastructure Installations Services, Re-Bid to Tower Systems, Inc. and authorize City Manager or his designee to take all necessary actions required of the City.

WINTER HAVEN Water

Active and Proposed AMI Towers
Winter Haven Water

Active and Proposed AMI Towers
By: Daniel Biller
Date: 8/5/2025

DATE: August 8, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Gary Hubbard, Water Department Director

SUBJECT: Recommendation of Award ITB-25-32, Utility Extensions to Winter Haven Water Administration Facility

---

BACKGROUND

On June 25, 2025, the City of Winter Haven issued an Invitation to Bid, ITB-25-32, for the Utility Extensions to Winter Haven Administration Facility. Five (5) proposals were received on August 5, 2025, and all met the specified qualifications. Tucker Paving Inc., of Winter Haven, FL was the lowest responsive/responsible bidder, meeting all of the requirements for the construction of the project. A Recommendation of Award was posted on August 6, 2025 with no protest received in response.
This project will extend the potable water main, install a sewage force main, and place fiber optic along Buckeye Loop Road, from Buckeye Terrace Blvd to Buckeye Road NE. These additions will service the proposed Water Department Administration and Operation Facility.

The award of this project will be for the base bid. Construction is estimated to begin in September 2025 with a duration of 120-days for completion.

FINANCIAL IMPACT

Funds are budgeted in account 402-08-305-6301 in fiscal year 2024/2025 and fiscal year 2025/2026 in the amount of $1,107,737.73 for the base bid for the project.

STRATEGIC PLAN ALIGNMENT

This is a routine project associated with normal operations of the City not specifically defined as a goal or strategy within the Strategic Plan. However, it is aligned with the Infrastructure and Community Safety pillars.

RECOMMENDATION

Staff recommends the City Commission award the base bid of ITB-25-32, for the Utility Extensions to Winter Haven Administration Facility to Tucker Paving, Inc. and authorize City Manager or his designee to take all necessary actions required of the City.

FROM: Gary Hubbard, Water Department Director

SUBJECT: Reclaim Bypass to WWTP#2, Phase 2 and 3 Material Purchase

---

BACKGROUND

The Water Department is dedicated to providing high-quality reclaim water to all customers within our utility service area. Due to increasing demand from growth and large users like golf courses, there is a growing need to ensure both product quality and sufficient water pressure.

In December 2023, the reclaim transmission mains between Wastewater Treatment Plant #2 (WWTP #2) and Wastewater Treatment Plant #3 (WWTP #3) were interconnected. To improve water pressure in the reclaimed water system, the Department has reached out to our consultants, KMAC Consulting Services and Jones Edmunds for recommendations. Based on their recommendations, a reclaim bypass line will be installed allowing WWTP #3 to pump directly to WWTP #2's reclaimed water ground storage tanks essentially converting the WWTP #2 system to a booster pump station for the northeast section of the service area.

The construction of the bypass line will be completed in three phases:

1. Construction of 1,800 feet of 16-inch reclaim main from the existing reclaim tanks at WWTP #2 across city owned property to the north side of Motor Pool Road. This phase was completed by Water Department staff in June 2025.
2. Construction of 950 feet of 16-inch reclaim main along Motor Pool Road in conjunction with the Motor Pool Road Improvements project, designed by Carter Kaye Engineering. Construction to begin in October 2025. Material cost: $258,017.33 (quote B581174).
3. Installation and programming of an actuated valve on the WWTP#2 reclaim tanks to regulate the flow and pressure of the reclaim transmission main. This phase will be installed by Water Department staff, with construction to begin October 2025. Material cost: $149,998.74 (quote B579351).

FINANCIAL IMPACT

Funds are budgeted in fiscal year 2024/2025 in account 402-08-324-6301 for the total material cost of $408,016.07. Funds from Reclaim Transmission Main Extensions/Connections and Logistics Parkway Stormwater Reclamation in the amount of $300,000 will be used to offset the shortage. The direct purchase of the materials (via piggyback of Sarasota County's contract SR 2280 Pipe and Fittings for Potable, Reclaimed Water and Wastewater Utilities) will produce a cost savings of $69,452.73 from sales tax and contractor markups.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Infrastructure
- **Goal:** 3.3 – Ensure an actionable strategy is in place for the future of water resources.
- **Strategy:** 3.3.1 – Adopt, implement, and maintain the One Water Master Plan to ensure sufficient capacity for potable, reuse and wastewater needs.

RECOMMENDATION

Staff recommends the City Commission approve the Phase 2 and 3 material purchase for the Reclaim Bypass to WWTP#2 from Ferguson Waterworks and authorize City Manager or his designee to take all necessary actions required of the City.

- CAUTION!!! VERTICAL CLEARANCE IS CRITICAL. DEFLECT PIPE AS NECESSARY PER CONFLICT DETAIL

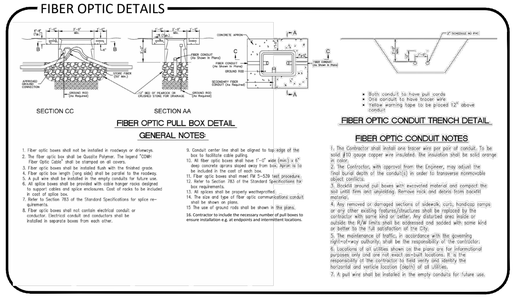
ELECTRICAL SERVICE & LIGHTING NOTE:

GENERAL CONTRACTOR TO COORDINATE WITH THE CITY AND ITS LIGHTING AND ELECTRICAL CONTRACTOR/DESIGNERS TO PLAN, OBTAIN POWER, DESIGN AND INSTALL ALL NECESSARY UTILITY, POWER, ELECTRICAL COMPONENTS AND APPURTENANCES TO ENSURE THE REQUESTED AND NECESSARY SYSTEMS (E.G., PANELS, PEDESTRIAN LIGHT, BEACONS, PEDESTRIAN ACTIVATION BUTTONS, ADVISORY AND GUIDANCE SIGNS) ARE FULLY FUNCTIONAL.

PAVING NOTES:

1. CONTRACTOR TO INSTALL EROSION CONTROL MEASURES PER THE LATEST EDITION OF THE STATE OF FLORIDA EROSION AND SEDIMENTATION DESIGNER AND REVIEWER MANUAL.
2. EXISTING ELEVATIONS IN PLAN VIEW ARE BASED ON THE SURVEY PROVIDED BY OTHERS.
3. PLEASE REFER TO UNIVERSAL ENGINEER'S GEOTECHNICAL REPORT FOR THE PROPOSED PAVEMENT REQUIREMENTS TO INCLUDE USE OF SP-12.5. CONTRACTOR TO HIRE UES TO PROVIDE GUIDANCE AND RECOMMENDATIONS DURING CONSTRUCTION.
4. CONTRACTOR IS TO PERFORM AN INDEPENDENT ASSESSMENT OF THE EXISTING CONDITIONS AND CORRECT SLOPES (TO MEET THE TYPICAL ROAD CROSS SECTIONS, AS APPLICABLE) IN AREAS WHERE A NEW ROAD IS NOT PROPOSED TO MEET THE MINIMUM STRUCTURAL NUMBER FOR A HEAVY DUTY ROAD.
5. THE CONTRACTOR IS TO REVIEW THE EXISTING CONDITIONS, E.G., ELEVATIONS, AND CORRECT THE SLOPES AS NECESSARY WITH OVERBUILD TO A MINIMUM OF 2 PERCENT CROSS SLOPES AND A MINIMUM OF 0.5 PERCENT LONGITUDINAL.
6. CONTRACTOR TO ENSURE NO BIRD BATHS WILL OCCUR WITHIN THE PROPOSED ROAD IMPROVEMENTS.

FIBER OPTIC DETAILS



SECTION CC

SECTION AA

FIBER OPTIC PULL BOX DETAIL

GENERAL NOTES:

1. Fiber optic boxes shall not be installed in roadways or driveways.
2. The fiber optic box shall be Quazite Polymer. The legend "COMM Fiber Optic Cable" shall be stamped on all covers.
3. Fiber optic boxes shall be installed flush with the finished grade.
4. Fiber optic box length (long side) shall be parallel to the roadway.
5. A pull wire shall be installed in the empty conduits for future use.
6. All splice boxes shall be provided with cable hanger racks designed to support the cable and splice enclosures. Cost of racks to be included in cost of splice box.
7. Refer to Section 783 of the Standard Specifications for splice requirements.
8. Fiber optic boxes shall not contain electrical conduit or electrical wiring. Communication cables shall not be installed in separate boxes from each other.
9. Conduit center line shall be aligned to top edge of the box to facilitate cable pulling.
10. Conduit bends shall have 5'-0" wide (min.) x 6" deep concrete apron sloped away from box. Apron is to be included in the cost of each box.
11. Fiber optic boxes shall meet FM 5-536 test procedure.
12. Refer to Section 783 of the Standard Specifications for splice requirements.
13. All splices shall be properly weatherproofed.
14. The size and type of fiber optic communications conduit shall be as shown in the plans.
15. The use of ground rods shall be shown in the plans.
16. Contractor to include the necessary number of pull boxes to ensure installation e.g. at endpoints and intermittent locations.

FIBER OPTIC CONDUIT TRENCH DETAIL

- Both conduit to have pull cords
- One conduit to have locator wire
- Orange warning tape to be placed 12" above conduit

FIBER OPTIC CONDUIT NOTES

1. The Contractor shall install one tracer wire per pair of conduit. To be solid #10 gauge copper wire insulated. The insulation shall be solid orange in color.
2. The Contractor, with approval from the Engineer, may relocate the route and direction of the conduit(s) in order to minimize unavoidable utility conflicts.
3. Backfill around pull boxes with excavated material and compact the soil until firm and unyielding. Remove rock and debris from backfill material.
4. Any removed or damaged sections of sidewalk, curb, handicap ramps or any other existing features/structures shall be replaced by the contractor at his own expense. Any disturbed area inside or outside of the work limits shall be restored and sodded with same kind of grass to the full satisfaction of the City.
5. The maintenance of traffic, in accordance with the governing right-of-way authority, shall be the responsibility of the contractor.
6. Locations of all utilities shown on the plans are for informational purposes only and are not exact on-the-ground locations. It is the responsibility of the contractor to field verify and identify the horizontal and vertical location (depth) of all utilities.
7. A pull wire shall be installed in the empty conduits for future use.

EXISTING UTILITIES LEGEND

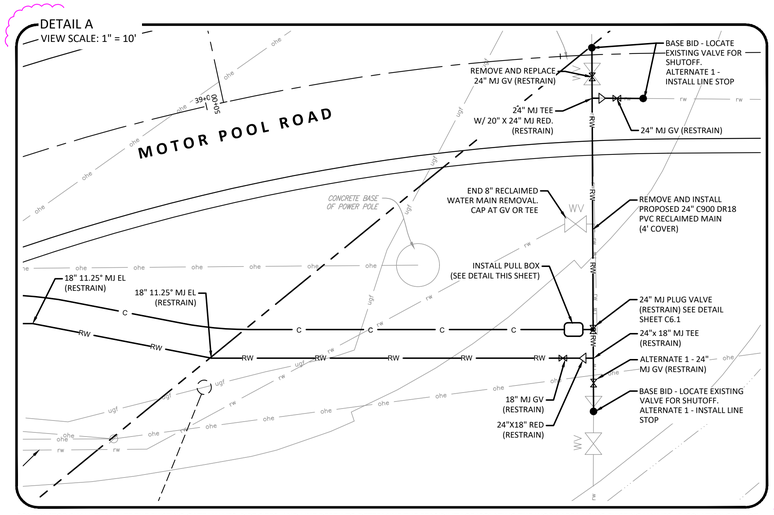
1. w — C.O.W.H. WATER MAIN *(approximate location of existing 8" watermain per map received 06/25/2024)*
2. rw — C.O.W.H. REUSE *(approximate location of existing 8" watermain per map received 06/25/2024)*
3. s — C.O.W.H. SANITARY SEWER *(approximate location of existing 8" watermain per map received 06/25/2024)*
4. fm — C.O.W.H. FORCEMAIN *(approximate location of existing 4" forcemain per map received 06/25/2024)*
5. ugt — FRONTIER - FIBER *(approximate location of buried fiber lines per Frontier map received 06/27/2024)*
6. g — FLORIDA PUBLIC UTILITIES - GAS *(approximate location of 2" buried gas line per FPU map received 06/25/2024)*
7. ohw — FRONTIER - FIBER *(approximate location of overhead power lines per Frontier map received 06/27/2024)*
8. vgc — SPECTRUM *(approximate location of aerial fiber per map received 10/29/2024.)*

NOTES:

1. UNLESS NOTED OTHERWISE, EXISTING FEATURES SHOWN ARE PROVIDED FROM THE SURVEYOR OF RECORD.
2. THE SOURCE OF SURVEY INFORMATION HAS NOT BEEN VERIFIED BY THE E.O.R.
3. ALL EXISTING UTILITIES (IE. CABLE, ELECTRIC, TELEPHONE, NATURAL GAS, TELEVISION, FIBER OPTICS, WATER, ETC.) DEPICTED ON THESE PLANS ARE APPROXIMATE LOCATIONS BASED ON BEST AVAILABLE INFORMATION PROVIDED BY THE UTILITY COMPANY. UTILITIES SHOWN HAVE NOT BEEN SURVEYED AND NEED TO BE FIELD VERIFIED BY THE CONTRACTOR PRIOR TO CONSTRUCTION.

DETAIL A

VIEW SCALE: 1" = 10'



CONTRACTOR SHALL EVALUATE THE EXISTING GATE VALVES, PIPE SIZES, AND LINE DEPTH TO DETERMINE THE FEASIBILITY OF ISOLATING THE WORK AREA USING EXISTING VALVES. IF ISOLATION CANNOT BE ACHIEVED, CONTRACTOR SHALL PLAN FOR LINE STOP(S) IN ACCORDANCE WITH ALTERNATE 1. CONTRACTOR SHALL VERIFY TO THE EOR AND CITY ADEQUATE SPACE AND DEPTH ARE AVAILABLE FOR THE PROPOSED VALVE INSTALLATIONS AND CONNECTION WORK PRIOR TO ORDERING MATERIALS. INSTALLATION SHALL BE PERFORMED IN ACCORDANCE WITH THE MANUFACTURER'S REQUIREMENTS.CONTRACTOR SHALL COORDINATE WITH THE CITY OF WINTER HAVEN (COWH) AND THE ENGINEER OF RECORD (EOR) TO FINALIZE THE BASE BID OR ALTERNATE 1 PRIOR TO ORDERING MATERIALS OR BEGINNING WORK.

PRINTED COPIES OF THIS DOCUMENT WHICH DO NOT HAVE A SEAL OVER AN ORIGINAL SIGNATURE & DATE ARE NOT CONSIDERED SIGNED AND SEALED. A DIGITAL SIGNATURE, IF APPLICABLE, MUST BE VERIFIED TO BE VALID ON ANY ELECTRONICALLY SIGNED COPIES.

MOTOR POOL ROAD IMPROVEMENTS
WHITEHEAD CONSTRUCTION

RECLAIMED WATER PLAN

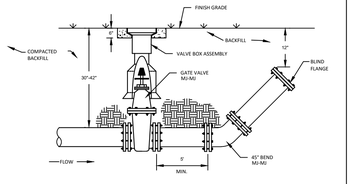
PROJECT NO:	EVWHS23002
DRAWN BY:	AJO
APPROVED BY:	KYK

THESE PLANS ARE PRELIMINARY PRIOR TO PERMIT ISSUANCE

SHEET NO:

C4.0

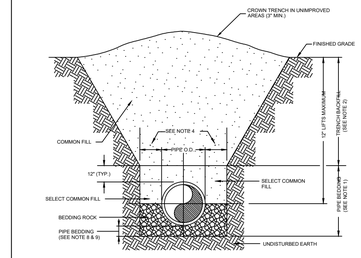
Dwg: K:\Clients\evwhs - everett whitehead and sons, inc\evwhs23002 motor pool road improvements\ACAD_SHEETS\UTILITY.dwg; Layout: C4.0 RECLAIM WATER PLAN Aug 05, 2025-8:53



NOTES:

1. ALL FITTINGS SHALL BE DUCTILE IRON MECHANICALLY RESTRAINED JOINTS.

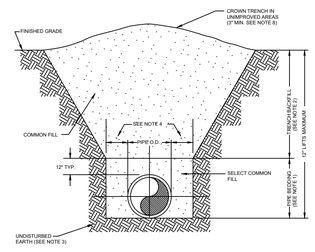
WINTER HAVEN STANDARD DETAIL	POLY PIG RETRIEVAL STATION	DWG W/S/R102 DATE: JUNE, 2007



NOTES:

1. PIPE BEDDING: SELECT COMMON FILL COMPACTED TO 98% OF THE MAXIMUM DENSITY AS PER AASHTO T-180.
2. TRENCH BACKFILL: COMMON FILL COMPACTED TO 98% OF THE MAXIMUM DENSITY AS PER AASHTO T-180.
3. USE TYPE A BEDDING TO BE DETERMINED IN THE FIELD AS DIRECTED BY THE CITY.
4. 15" FOR PIPE DIAMETER LESS THAN 24". AND 24" MAXIMUM FOR PIPE DIAMETER 24" AND LARGER.
5. TRENCHES MUST BE FREE OF WATER AT ALL TIMES DURING CONSTRUCTION.
6. ALL PIPE TO BE INSTALLED WITH BELL FACING UPSTREAM TO THE DIRECTION OF FLOW.
7. REFER TO THE MANUAL FOR SHEETING AND BRACING IN EXCAVATIONS.
8. GRAVITY SEWERS SHALL UTILIZE TYPE A BEDDING. BEDDING DEPTH SHALL BE 4" MINUMUM FOR PIPE DIAMETER UP TO/ INCLUDING 15" AND 6" MINIMUM FOR PIPE DIAMETER 18" AND LARGER.
9. DEPTH FOR REMOVAL OF UNSUITABLE MATERIAL SHALL GOVERN DEPTH OF BEDDING ROCK BELOW THE PIPE. THE CITY OF WINTER HAVEN SHALL DETERMINE IN THE FIELD REQUIRED REMOVAL OF UNSUITABLE MATERIAL TO REACH SUITABLE FOUNDATION.
10. FINAL RESTORATION IN IMPROVED AREAS SHALL BE IN COMPLIANCE WITH REGULATIONS OF GOVERNING AGENCIES. SURFACE RESTORATION WITHIN CITY OF WINTER HAVEN RIGHT-OF-WAY SHALL COMPLY WITH REQUIREMENTS OF RIGHT-OF-WAY UTILIZATION REGULATIONS AND ROAD CONSTRUCTION SPECIFICATIONS.

WINTER HAVEN STANDARD DETAIL	TYPE A BEDDING AND TRENCHING	DWG G102 DATE: JUNE, 2007



NOTES:

1. PIPE BEDDING: SELECT COMMON FILL COMPACTED TO 98% OF THE MAXIMUM DENSITY AS PER ASSHTO T-180.
2. TRENCH BACKFILL: COMMON FILL COMPACTED TO 98% OF THE MAXIMUM DENSITY AS PER ASSHTO T-180.
3. PIPE BEDDING UTILIZING SELECT COMMON FILL OR BEDDING ROCK IN ACCORDANCE WITH TYPE "A" BEDDING AND TRENCHING DETAIL MAY BE REQUIRED AS DIRECTED BY THE CITY.
4. 15" FOR PIPE DIAMETER LESS THAN 24". AND 24" MAXIMUM FOR PIPE DIAMETER 24" AND LARGER.
5. TRENCHES MUST BE FREE OF WATER AT ALL TIMES DURING CONSTRUCTION.
6. ALL PIPE TO BE INSTALLED WITH BELL HOUSING FACING UPSTREAM TO THE DIRECTION OF FLOW.
7. REFER TO THE MANUAL FOR SHEETING AND BRACING EXCAVATIONS.
8. FINAL RESTORATION IN IMPROVED AREAS SHALL BE IN COMPLIANCE WITH REGULATIONS OF GOVERNING AGENCIES. SURFACE RESTORATION WITHIN CITY OF WINTER HAVEN RIGHT-OF-WAY SHALL COMPLY WITH REQUIREMENTS OF RIGHT-OF-WAY UTILIZATION REGULATIONS AND ROAD CONSTRUCTION SPECIFICATIONS.

WINTER HAVEN STANDARD DETAIL	TYPE B BEDDING AND TRENCHING	DWG G103 DATE: JUNE, 2007

GATE VALVES (TYPE 600 SERIES)
TYPE 635 – CAST-IRON TAPPING GATE VALVES (3 INCHES THROUGH 24 INCHES)
VALVES SHALL CONFORM TO AWWA C500 AND BE IRON-BODIED, BOLTED BONNET, NON-RISING STEM, SOLID BRONZE INTERNAL WORKING PARTS, PARALLEL-FACED, BOTTOM WEDGING DOUBLE-DISCS, AND O-RING SEALS. DISCS FOR VALVES LARGER THAN 12 INCHES SHALL BE SOLID BRONZE OR CAST-IRON WITH BRONZE FACINGS. BRONZE FOR INTERNAL WORKING PARTS, INCLUDING STEMS, SHALL NOT CONTAIN MORE THAN 2% ALUMINUM OR MORE THAN 7% ZINC AND SHALL CONFORM TO ASTM B62 OR ASTM B584 (ALLOY C83600), EXCEPT THAT STEM BRONZE SHALL HAVE A MINIMUM TENSILE STRENGTH OF 60,000 PSI, A MINIMUM YIELD STRENGTH OF 30,000 PSI, AND A MINIMUM ELONGATION OF 10% IN 2 INCHES (ASTM B584, ALLOY C87600). BODY BOLTS SHALL BE TYPE 316 STAINLESS-STEEL, ASTM A276/A276M. ENDS SHALL BE FLANGED, CLASS 125, ASME B16.1, WITH ONE END HAVING SLOTTED BOLT HOLES TO FIT TAPPING MACHINES. SEAT RINGS SHALL BE OVERSIZED TO PERMIT THE USE OF A FULL-SIZE CUTTER. APPROVED MANUFACTURERS: AMERICAN FLOW CONTROL, CLOW, OR ENGINEER-APPROVED EQUAL.

TYPE 682 – DUCTILE-IRON RESILIENT WEDGE GATE VALVES (3 INCHES THROUGH 20 INCHES) FOR BURIED SERVICE (AWWA C509) VALVES 2 INCHES AND LARGER FOR BURIED SERVICE SHALL BE OF DUCTILE-IRON BODY CONSTRUCTION AND CONFORM TO AWWA C509 FOR RESILIENT-SEATED GATE VALVES. VALVES SHALL HAVE NON-RISING STEMS, O-RING STEM SEALS, AND OPEN COUNTERCLOCKWISE. VALVES SHALL PROVIDE BUBBLE-TIGHT SHUTOFF TO FLOW IN EITHER DIRECTION AND BE TESTED BEFORE SHIPMENT TO A 200 PSI PRESSURE DIFFERENTIAL IN BOTH DIRECTIONS. THE MANUFACTURER SHALL PROVIDE A CERTIFICATE STATING THAT EACH VALVE PROVIDED BUBBLE-TIGHT SHUTOFF DURING TESTING. THE VALVE INTERIOR SHALL BE EPOXY COATED ON THE ENTIRE FERROUS SURFACE OF THE WATERWAY, AND THE EXTERIOR SHALL BE PAINTED AND COATED IN ACCORDANCE WITH MANUFACTURERS REQUIREMENTS FOR BURIED CONDITIONS. BURIED VALVES SHALL BE EQUIPPED WITH STANDARD 2-INCH-SQUARE OPERATING NUTS. BURIED VALVES 2 INCHES AND LARGER SHALL HAVE MECHANICAL JOINT ENDS CONFORMING TO AWWA C111/A21.11 AND BE FURNISHED COMPLETE WITH BOLTS, NUTS, AND GASKETS. APPROVED MANUFACTURERS: MUELLER, AMERICAN FLOW CONTROL, KENNEDY, OR ENGINEER-APPROVED EQUAL.

TYPE 685 – DUCTILE-IRON RESILIENT WEDGE GATE VALVES (24 INCHES THROUGH 36 INCHES) FOR EXPOSED AND BURIED SERVICE (AWWA C515)
VALVES SHALL BE CAST-IRON OR DUCTILE-IRON BODY AND COMPLY WITH AWWA C515. VALVES SHALL BE OF THE BOLTED-BONNET TYPE WITH NON-RISING STEMS. THE VALVE GATE SHALL BE DUCTILE-IRON WITH A RESILIENT WEDGE. VALVE STEMS SHALL BE TYPE 304 OR 316 STAINLESS-STEEL OR CAST, FORGED, OR ROLLED BRONZE. STEM NUTS SHALL BE MADE OF SOLID BRONZE CONFORMING TO ASTM B62 OR ASTM B584. BODY BOLTS SHALL BE TYPE 316 STAINLESS-STEEL. END CONNECTIONS FOR EXPOSED VALVES SHALL BE FLANGED, AND FOR BURIED VALVES SHALL BE MECHANICAL JOINT TYPE. REDUCTION-THRUST BEARINGS SHALL BE PROVIDED ABOVE THE STEM COLLAR. STUFFING BOXES SHALL BE O-RING SEAL TYPE WITH TWO RINGS LOCATED IN THE STEM ABOVE THE THRUST COLLAR. EACH VALVE SHALL HAVE A SMOOTH, UNOBSTRUCTED WATERWAY FREE FROM ANY SEDIMENT POCKETS. VALVES SHALL BE LINED AND COATED AT THE PLACE OF MANUFACTURE WITH EITHER FUSION-BONDED EPOXY OR HEAT-CURED LIQUID EPOXY, WITH A MINIMUM EPOXY THICKNESS OF 8 MILS. APPROVED MANUFACTURERS: KENNEDY, CLOW, AVK, AMERICAN FLOW CONTROL, OR ENGINEER-APPROVED EQUAL.

PLUG VALVES (TYPE 900 SERIES)
PLUG AND SEATING DESIGN FOR ECCENTRIC PLUG VALVES
ECCENTRIC PLUG VALVES SHALL COMPLY WITH MSS SP-108. VALVES SHALL HAVE A RECTANGULAR OR CIRCULAR PLUG DESIGN WITH AN ASSOCIATED RECTANGULAR OR ROUND SEAT. BIDIRECTIONAL SEATING DESIGN SHALL BE PROVIDED, ENSURING THE VALVE SEATS WITH THE RATED PRESSURE UPSTREAM AND DOWNSTREAM OF THE CLOSED PLUG. GEARED ACTUATORS SHALL BE SIZED FOR BIDIRECTIONAL OPERATION.

GENERAL REQUIREMENTS
THE METALLIC PORTION OF THE PLUG SHALL BE A ONE-PIECE DESIGN WITHOUT EXTERNAL REINFORCING RIBS THAT COULD CREATE WATER PASSAGE SPACES. VALVES SHALL BE REPACKABLE WITHOUT DISASSEMBLY OF THE VALVE OR ACTUATOR AND CAPABLE OF BEING REPACKED UNDER DESIGN PRESSURE IN THE OPEN POSITION. NOWHERE IN THE VALVE OR ACTUATOR SHALL THE VALVE SHAFT BE EXPOSED TO IRON-ON-IRON CONTACT. SLEEVE BEARINGS SHALL BE STAINLESS-STEEL FOR 20-INCH AND SMALLER VALVES AND BRONZE OR STAINLESS-STEEL FOR 24-INCH AND LARGER VALVES. ALL VALVES 6 INCHES AND LARGER SHALL BE PROVIDED WITH ENCLOSED WORM-GEAR ACTUATORS.

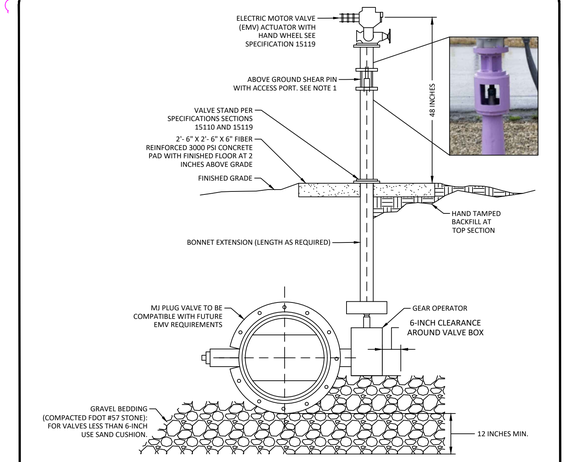
RUBBER COMPOUND TESTING
RUBBER COMPOUNDS SHALL HAVE LESS THAN 2% VOLUME INCREASE WHEN TESTED IN ACCORDANCE WITH ASTM D471 AFTER IMMERSION IN DISTILLED WATER AT 73.4°F ±2°F FOR 70 HOURS.

TYPE 902 – ECCENTRIC PLUG VALVES (4 INCHES THROUGH 12 INCHES)
VALVES SHALL BE NON-LUBRICATED TYPE WITH A MINIMUM PRESSURE RATING OF 175 PSI. BODIES SHALL BE CAST-IRON (ASTM A126, CLASS B) OR DUCTILE IRON (ASTM A536, GRADE 65-45-12). ENDS SHALL BE FLANGED, CLASS 125, PER ASME B16.1. PLUGS SHALL BE DUCTILE-IRON (ASTM A536, GRADE 65-45-12) WITH BUNA-N OR NEOPRENE FACING. VALVE BODY SEATS SHALL BE 316 STAINLESS-STEEL OR HAVE A RAISED WELDED-IN OVERLAY AT LEAST 1/8-INCH THICK WITH ≥90% NICKEL CONTENT. BODY CAPSCREWS, BOLTS, AND NUTS SHALL BE TYPE 316 STAINLESS-STEEL. PACKING SHALL BE BUTADIENE-FILLED TEFLON. PROVIDE 100% PORT AREA. APPROVED MANUFACTURERS: DEZURIK PEF, CLOW F-5412, VAL-MATIC "CAM-CENTRIC," MILLIKEN "MILLCENTRIC" FIGURE 601, PRATT "BALLCENTRIC," OR ENGINEER-APPROVED EQUAL.

TYPE 906 – ECCENTRIC PLUG VALVES (14 INCHES THROUGH 36 INCHES)
VALVES SHALL BE NON-LUBRICATED TYPE WITH A MINIMUM PRESSURE RATING OF 150 PSI. BODIES SHALL BE CAST-IRON (ASTM A126, CLASS B) OR DUCTILE IRON (ASTM A536, GRADE 65-45-12). ENDS SHALL BE FLANGED, CLASS 125, PER ASME B16.1. PLUGS SHALL BE DUCTILE-IRON (ASTM A536, GRADE 65-45-12) WITH BUNA-N OR NEOPRENE FACING. VALVE BODY SEATS SHALL BE 316 STAINLESS-STEEL OR HAVE A RAISED WELDED-IN OVERLAY AT LEAST 1/8-INCH THICK WITH ≥90% NICKEL CONTENT. PLUG SHALL BE OF ONE-PIECE DESIGN. BODY CAPSCREWS, BOLTS, AND NUTS SHALL BE TYPE 316 STAINLESS-STEEL. PACKING SHALL BE BUTADIENE-FILLED PTFE. PROVIDE 100% PORT AREA. APPROVED MANUFACTURERS: DEZURIK PEF, CLOW F-5412, VAL-MATIC "CAM-CENTRIC," MILLIKEN "MILLCENTRIC" FIGURE 601, OR ENGINEER-APPROVED EQUAL.

PART 3 – EXECUTION
3.01 JOINTS
FLANGED VALVES: BOLT HOLES SHALL STRADDLE THE HORIZONTAL AND VERTICAL CENTERLINES OF THE PIPE RUN. CLEAN FLANGES, BOLTS, AND NUTS BY WIRE BRUSHING BEFORE INSTALLATION. LUBRICATE THREADS WITH OIL AND GRAPHITE, THEN TIGHTEN UNIFORMLY. IF LEAKS OCCUR DURING PRESSURE TESTING, RESEAT OR REPLACE THE GASKET AND RETEST. JOINTS SHALL BE WATERTIGHT.
THREADED JOINTS: CLEAN BY WIRE BRUSHING OR SWABBING. APPLY TEFLON JOINT COMPOUND OR TEFLON TAPE BEFORE INSTALLATION. JOINTS SHALL BE WATERTIGHT. LUG-TYPE VALVES: INSTALL WITH SEPARATE HEX HEAD MACHINE BOLTS AT EACH BOLT HOLE AND EACH FLANGE (TWO BOLTS PER VALVE BOLT HOLE). GROOVED-END VALVES: INSTALL IN ACCORDANCE WITH MANUFACTURERS REQUIREMENTS —GENERAL. 3.02 INSTALLING EXPOSED VALVES FOR PIPE CENTERLINE ELEVATIONS ≤4 FEET 6 INCHES ABOVE THE FLOOR, INSTALL VALVES WITH OPERATING STEMS VERTICAL. FOR PIPE CENTERLINE ELEVATIONS BETWEEN 4 FEET 6 INCHES AND 6 FEET 9 INCHES ABOVE THE FLOOR, INSTALL VALVES WITH OPERATING STEMS HORIZONTAL.

MJ PLUG VALVE AND ELECTRIC ACTUATOR DETAIL



NOTES:

1. COORDINATE WITH THE CITY ON THE EXTENT OF THE INSTALLATION
2. CONTRACTOR SHALL FABRICATE A STEEL ACCESS PORT AND INSTALL AN ABOVE GROUND SHEAR PIN DESIGN TO SHEAR BEFORE THE BELOW GROUND SHEAR PIN TO ALLOW FOR EASY ACCESS AND REPLACEMENT.
3. CONTRACTOR SHALL PAINT AND COAT THE ABOVE GROUND VALVE FLOOR STAND AND SHEAR PIN ACCESS PORT GREY IN ACCORDANCE WITH THE PROJECT SPECIFICATIONS.

NOTES:

1. CONTRACTOR SHALL INSTALL AND PRESSURE TEST TAPPING SLEEVE AND VALVE ASSEMBLY. INSTALL SUPPORTS AND BACKFILL THE TRENCH WITNESSED BY CITY INSPECTOR.
2. ALL TAPS SHALL BE PREFORMED BY A TAPPING SPECIALIST WITH CREDENTIALS ACCEPTABLE TO THE CITY.
3. CONTRACTOR TO SUPPLY EQUIPMENT TO HANDEL TAPPING MACHINE AND DEWATERING.
4. TAPPING SLEEVE SHALL BE NO CLOSER THAN 18 INCHES FROM A PIPE BELL OR FITTING.
5. TAPPING SLEEVE AND VALVE ASSEMBLY SHALL BE PRESSURE TESTED AT 150 PSI FOR 5 MINUTES AND MUST NOT SHOW PRESSURE DROP.
6. TAPPING SLEEVE SHALL BE WRAPPED IN VISQUEEN, 10 MILLS THICK, PRIOR TO PLACEMENT OF CONCRETE SUPPORT.
7. RESTRAINTS SHALL BE INSTALLED IN ACCORDANCE WITH CITY STANDARD TECHNICAL SPECIFICATIONS.
8. AS-BUILT SURVEY OF LOCATION AND ELEVATION OF TAPPING SLEEVE AND VALVE SHALL BE PREFORMED PRIOR TO BACK FILL OF TRENCH.

WINTER HAVEN STANDARD DETAIL	TAPPING VALVE SUPPORT	DWG W/S/R 110 DATE: AUGUST, 2020

NOTE:

1. BLOW OFF ASSEMBLY SHALL BE ONE-HALF THE DIAMETER OF THE MAIN.

WINTER HAVEN STANDARD DETAIL	BLOW OFF ASSEMBLY	DWG W105 DATE: JUNE, 2007

NOTES:

1. ALL PRESSURE PIPE SHALL HAVE TWO(2) INSULATED METALLIC LOCATING WIRES (14 GAUGE COPPER) CAPABLE OF DETECTION BY A CABLE LOCATOR BURIED DIRECTLY AGAINST THE PIPE.
2. LOCATING WIRES SHALL TERMINATE AT THE TOP OF EACH VALVE BOX AND BE CAPABLE OF EXTENDING 12" ABOVE TOP OF BOX IN SUCH A MANNER SO AS NOT TO INTERFERE WITH VALVE OPERATION.
3. USE DUCT TAPE AS NECESSARY TO HOLD WIRE DIRECTLY AGAINST THE PIPE.
4. ALL PRESSURE MAINS SHALL HAVE 3" IDENTIFICATION TAPE INDICATING MATERIAL CONTAINED WITHIN PIPE (E.G., POTABLE WATER, RECLAIMED WATER, WASTEWATER). TAPE SHALL BE BURIED DIRECTLY ABOVE THE CENTERLINE OF PIPE, AND UNBROKEN THE ENTIRE RUN OF PIPE.
5. THE LOCATING WIRES SHALL BE COLOR CODED AS FOLLOWS: BLUE FOR POTABLE WATER, PURPLE FOR RECLAIMED WATER, AND GREEN FOR WASTEWATER.
6. FINAL RESTORATION IN IMPROVED AREAS SHALL BE IN COMPLIANCE WITH REGULATIONS OF GOVERNING AGENCIES. SURFACE RESTORATION WITHIN CITY OF WINTER HAVEN RIGHT-OF-WAY SHALL COMPLY WITH REQUIREMENTS OF RIGHT-OF-WAY UTILIZATION REGULATIONS AND ROAD CONSTRUCTION SPECIFICATIONS.

UPDATED FEB., 2018

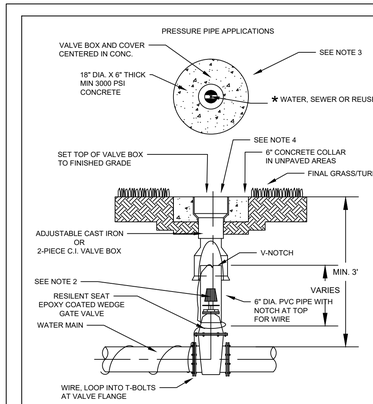
Note: Consult with the City Engineer for appropriate restraints for fittings not listed.

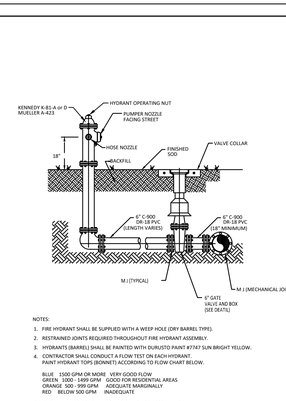
WINTER HAVEN STANDARD DETAIL	PIPE RESTRAINT TABLE	DWG W/S/R 111 DATE: SEPTEMBER, 2021



NOTES:

1. 6" DIA. PVC IS PERMITTED FOR USE AS VALVE BOX EXTENSION.
2. THE ACTUATING NUT FOR VALVES SHALL BE AT MAX. 3 FEET BELOW FINISHED GRADE. EXTENSIONS SHALL BE PROVIDED AS REQUIRED.
3. IF VALVE IS LOCATED IN PAVER, COLLAR CAN BE 18"X18" SQUARE, 6" THICK.
4. LID SHALL HAVE/SHOW SEWER, WATER OR REUSE AS APPLICABLE.

WINTER HAVEN STANDARD DETAIL	GATE VALVE, BOX AND COLLAR	DWG W/S/R103 DATE: OCTOBER, 2022

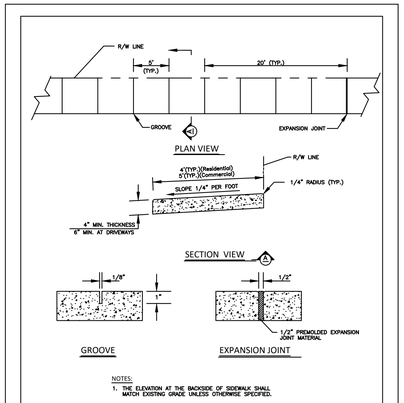


NOTES:

1. FIRE HYDRANT SHALL BE SUPPLIED WITH A WEEP HOLE (DRY BARREL TYPE).
2. RESTRAINED JOINTS REQUIRED THROUGHOUT FIRE HYDRANT ASSEMBLY.
3. HYDRANTS (BARREL) SHALL BE PAINTED WITH DURLISTO PAINT #7747 SUN BRIGHT YELLOW.
4. CONTRACTOR SHALL CONDUCT A FLOW TEST ON EACH HYDRANT. PAINT HYDRANT TOPS (BONNETS) ACCORDING TO FLOW CHART BELOW:

   BLUE 1500 GPM OR MORE VERY GOOD FLOW
   GREEN 1000 - 1499 GPM GOOD FOR RESIDENTIAL AREAS
   ORANGE 500 - 999 GPM MARGINALLY
   RED BELOW 500 GPM INADEQUATE
5. FIRE HYDRANT OR FDC WITH STORZ CAP IS NOT ACCEPTABLE.
6. THE FIRE HYDRANT ELBOW (SHOE) SHALL BE 6" MECHANICAL JOINT DIP WITH A 5-1/4" MAIN VALVE OPENING (M.V.O.) MEETING ASTM A536 70-50-5. DO NOT USE FLANGED OR PUSH-ON TYPE GRAY IRON ELBOW, ASTM A-126, CLASS B MATERIAL.
7. PUMPER NOZZLE (1)-4 1/2"NH/NST; HOSE NOZZLE (2)- 2 1/2" NH/NST; AND OPERATING NUT - 1" PENTAGON
8. ALL JOINTS SHALL BE M J FITTINGS ONLY.

WINTER HAVEN STANDARD DETAIL	FIRE HYDRANT ASSEMBLY	DWG W102 DATE: FEBRUARY, 2025



NOTES:

1. THE ELEVATION AT THE BACKSIDE OF SIDEWALK SHALL MATCH EXISTING GRADE UNLESS OTHERWISE SPECIFIED.
2. CONCRETE SHALL BE 3000 P.S.I. FIBERMESH CONCRETE. FIBERMESH SHALL BE COMMERCIAL GRADE AT 1.5 LBS./CY OF CONCRETE.
3. PLACED ON A COMPACTED SUB-BASE OF 95% OF MAX. DENSITY. COMPACTION TESTING SHALL BE PERFORMED AT 400' INTERVALS WITH A MINIMUM OF ONE TEST PER BLOCK.

MOTOR POOL ROAD IMPROVEMENTS
WHITEHEAD CONSTRUCTION

CITY STANDARD DETAILS

PROJECT NO:	EVWH523002
DRAWN BY:	AJO
APPROVED BY:	KYK
PLOT DATE:	Aug 05, 2025-8:53

SHEET NO:
C6.1

Dwg: K:\Clients\evwhs - everett whitehead and sons, inc\evwh523002 motor pool road improvements\ACAD_SHEETS\CITY DETAILS.dwg Layout: C6.1 CITY STANDARD DETAILS

DATE: August 6, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Amanda-Jo Nicholson, Assistant to the City Manager

SUBJECT: Authorization for Travel and Training

BACKGROUND

In April 2011, the City Commission amended the City's Policy Relating to the "Travel and Training Expenses for Both Officials, Employees, and City-Sponsored Boards and Committees". As part of the amended policy, any travel and training for the City Manager and City Commissioners must be presented to the City Commission for pre-authorization prior to attending a convention, conference or training program.

In accordance with the City Commission's Policy, authorization is requested for the following:

Event:	Florida League of Cities (FLC) Legislative Policy Committee Meetings
Dates	September 26, 2025 October 17, 2025 December 4, 2025
Location:	Orlando, FL
Attendees:	Mayor Birdsong, Mayor Pro Tem Yates, Commissioners Dantzler, Dollison, and Mercer

FINANCIAL IMPACT

Expenses associated with the travel and training outlined above will be accounted for within the City Commission cost center.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Responsible Government
- **Goal:** 6.2 – Engage and participate in legislative matters (State & Federal) and advocate for Home Rule and local priorities.
- **Strategy:** 6.2.1 – Strategically engage in local, State and national professional organizations and coalitions.

RECOMMENDATION

Staff recommends the City Commission approve the travel as outlined above.

Subject: 2025-2026 FLC policy committee signup

The Florida League of Cities' legislative policy committees set the legislative platform for the League and Florida's 411 municipalities.

2025 Meeting schedule:

- Meeting 1: **Friday, September 26, 2025**, from 10:00 a.m. to 2:00 p.m. at the Hilton Orlando, 6001 Destination Parkway, Orlando, FL 32819 (hotel room block to be announced soon)
- Meeting 2: **Friday, October 17, 2025**, from 10:00 a.m. to 2:00 p.m. at the Hilton Orlando, 6001 Destination Parkway, Orlando, FL 32819 (hotel room block to be announced soon)
- Meeting 3: **Thursday, December 4, 2025**, from 10:00 a.m. to 12:00 p.m. during the FLC Legislative Conference at the Renaissance Orlando at SeaWorld, 6677 Sea Harbor Drive, Orlando, FL 32821. The League will provide hotel room block information at a later date. The legislative priorities will be adopted during the Legislative Conference.

There are currently five standing legislative policy committees:

- **Development, Code Compliance, and Redevelopment Committee:** This committee addresses development, redevelopment, housing, community planning, zoning, eminent domain, property rights, short-term rentals, code enforcement, building and fire code, building permitting, and concurrency management: **Commission Bradley T. Dantzler**
- **Finance and Taxation Committee:** This committee addresses general finance and tax issues, fees, assessments, infrastructure funding, local option revenues, pension issues, revenue sharing, franchise fees, Communications Services Tax (CST), and ad valorem. **Mayor Pro Tem Brian Yates**
- **Intergovernmental Relations, Mobility, and Emergency Management Committee:** This committee addresses transportation, municipal roads, traffic safety, municipal airports, drones, vertiports, ports, telecommunications, broadband, use of public rights-of-way, parking, signage, emergency management, homelessness, charter counties, annexation, ethics for public officers and employees, elections, special districts, and general preemptions. **Commissioner Clifton E. Dollison**
- **Municipal Operations Committee:** This committee addresses government operations, municipal service delivery, cybersecurity, technology, public safety, public meetings, public records, public property use and management, procurement, personnel, insurance, collective bargaining, workers' compensation, liability, and sovereign immunity. **Commissioner L. Tracy Mercer**
- **Utilities, Natural Resources, and Public Works Committee:** This committee addresses coastal management, environmental permitting, hazardous and toxic wastes, recycling, solid waste collection and disposal, stormwater, wastewater treatment and reuse, water management, water quality and quantity, resiliency, brownfields, and municipal utilities. **Mayor Nathaniel Birdsong, Jr.**

SUBJECT: South Lake Howard Nature Park Expansion – Guaranteed Maximum Price Construction Phase II

BACKGROUND

On February 26, 2024, the City Commission awarded RFQ-23-41, Design-Build Services for South Lake Howard Nature Park Expansion to Whitehead Construction. The purpose of the project is to update and expand the stormwater treatment within the area and develop complimentary recreational elements in and around the new stormwater features. The project was broken out into three separate phases, with phases I and II both being tied to grant funding requirements. The phases are broken down as follows:

Phase I: First phase of recreation elements associated with a Florida Recreation and Development Assistance Program (FRDAP) Grant. These elements include the following: Nature Trail; paved exercise trail; playground; picnic area; outdoor classroom; frisbee golf hole; kayak launch (lakeside); fishing pier (lakeside); trailhead/parking area.

Phase II: Stormwater and wetland infrastructure associated with a Heartland Headwaters Grant, the remaining recreational elements to include trails, boardwalks, island and shade sails, and disc golf.

Phase III: Proposed Nature Education Building.

Construction of Phase I was completed in April 2025. With that work finalized, Whitehead Construction is now preparing to begin construction on Phase II. The funding associated with Phase II, requires that the stormwater components be completed by the end of 2026.

All three phases have been planned around a footprint for Phase III, should the city elect to design and build it. Until such time, it will serve as additional greenspace.

Based on the Design Build Contract, Whitehead has presented staff with a Guaranteed Maximum Price (GMP) Amendment which includes the construction of phase II. The GMP amendment contains the following project elements:

- Design*
- Phase I Construction* – Recreational elements, Natural Trail, Exercise Trail, Playground, Picnic area, Outdoor Classroom, Fishing Pier, Trailhead/Parking Area.
- Phase II Construction – Stormwater and wetland infrastructure, recreational elements: trails, *boardwalks, concrete Island and shade sails and disc golf.*

The terms and conditions of the original Design-Build contract remain in full effect. The GMP amendment is summarized below

- If any items within the contract documents are inconsistent with this amendment, this amendment shall be the controlling document.
- Whitehead shall provide construction work for South Lake Howard Nature Park Construction Phase II based on all related design materials.
- The GMP for this project shall not exceed $3,991,020 ($281,037 Design, $739,509 FRDAP Phase 1, and 2,970,474 Construction Phase II) plus any change orders issued in accordance to the Design-Build Contract and less any owner credits

Whitehead Construction is expected to start construction at the beginning of October. The project is expected to take up to nine months for the proposed scope of work.

FINANCIAL IMPACT

The total project costs including the Guaranteed Maximum Price is $3,991,020.

The total cost for the construction of the phase II elements is $2,970,474. Funding for this is available from the following funding sources:

- $1,350,000 – Stormwater Quality Operating Budget.
    - *$450,000 is reimbursable through Heartland Headwaters Grant*
- $259,569 – Stormwater Cash Carry Forward
- $200,000 – CSX Contributing Funds
- $1,090,695 – Park Impact Fees
- $70,210 – In Lieu of Sidewalks Fees

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Environmental Stewardship
- **Goal:** 4.3 Continue to monitor lakes and implement proactive strategies for lake management.

RECOMMENDATION

Staff recommends the City Commission approve the Guaranteed Maximum Price Amendment with Whitehead Construction for the South Lake Howard Nature Park expansion, project budget as proposed within this fact sheet, and authorize the City Manager to sign all documents and take all necessary actions related thereto.

Guaranteed Maximum Price Amendment to
Design-Build Contract
Between
the City of Winter Haven, a Florida municipal corporation
and
Everett Whitehead & Son, Inc., dba; Whitehead Inc., a Florida corporation

This "**Guaranteed Maximum Price Amendment"** (hereafter "Amendment") to the existing February 26, 2024 Design-Build Contract between the **City of Winter Haven**, a Florida municipal corporation (hereafter "City" or "Owner") and **Everett Whitehead & Son, Inc., dba; Whitehead, Inc.**, a Florida corporation (hereafter "Whitehead" or "Design-Builder") is made and entered into this 25th day of August, 2025.

W I T N E S S E T H:

WHEREAS, on February 26, 2024, the City and Whitehead entered into the aforementioned Design-Build Contract for the purposes therein described, including but not limited to, the provision of Design Phase Work and Construction Phase Services by Whitehead regarding the "South Lake Howard Nature Park Expansion"; and

WHEREAS, City and Whitehead wish to amend their current contractual relationship in order to (a) describe the necessary specific Construction Phase Services required by the City for the South Lake Howard Nature Park Expansion, and (b) establish the specific framework for construction of the South Lake Howard Nature Park Expansion including specifications, timelines, and other conditions; and

WHEREAS, City and Whitehead intend this Amendment to supplement the previous statements of their ongoing relationship in regard to the design and construction of the City's South Lake Howard Nature Park Expansion;

NOW THEREFORE, in exchange for the mutual consideration given herein, receipt of which is acknowledged by City and Whitehead, the parties agree to amend their February 26, 2024, Design-Build Contract (hereafter "Agreement") as follows:

ARTICLE 1 – GENERAL PROVISIONS

§1.1 Incorporation of Recitals. The foregoing recitals are incorporated herein by the parties as true and correct statements forming the factual basis for entry into this Amendment to the existing Agreement between Owner and Design-Builder.

§1.2 Construction of Amendment. The parties agree that if anything in the Contract Documents, is inconsistent with the terms and conditions of this Amendment, this Amendment shall control. Paragraphs, provisions, and sections or subsections modified by this Amendment shall read as set forth herein. All terms and conditions of the Contract Documents shall be read so as to give the provisions of this Amendment full force and effect.

§1.3 Severability. Should a court or other competent authority render invalid any provision of the Amendment, the parties agree that this shall not in any manner affect the enforceability of the other provisions of the Agreement or Amendment.

§1.4 Merger. The Contract between the Owner and Design-Builder, evidenced by the Contract Documents as a complete set (to include this Amendment), represents the entire agreement between Owner and Design-Builder and supersedes all prior communications, negotiations, representations, or agreements, either written or oral. Subject only to properly issued Change Orders, the Contract may be amended only by written instrument signed by both Owner and Design-Builder and approved by the Owner's governing body.

ARTICLE II – GUARANTEED MAXIMUM PRICE

§2.1 Whitehead shall provide all Construction Work for the South Lake Howard Nature Park Expansion in accordance with the Design for the South Lake Howard Nature Park Expansion and all related materials including, but not limited to, design documents, concept drawings, plans, materials documents, Whitehead Construction Owner Proposal dated 8/8/2025 and specifications developed by Design-Builder during the Design Phase of this South Lake Howard Nature Park Expansion and as approved by Owner as well as the terms of the Design-Build Agreement entered into between Owner and Whitehead on February 26, 2024, for a Guaranteed Maximum Price not to exceed $3,991,020.00 ($281,037 Design, $739,509 FRDAP, $2,970,474.00 Construction Phase Base bid and alternates 1,2,3,4,&5) plus any change orders issued in accordance with the Design-Build Agreement and less any Owner credits as described in the Design-Build Agreement.

§2.2 The terms of the Design-Build Agreement entered into between the Owner and Design-Builder dated February 26, 2024, to the extent not amended herein are incorporated by reference into this Agreement and shall remain in full force and effect including but not limited to the provisions of Article 5 of the Design-Build Agreement dealing with the Guaranteed Maximum Price, it being intended that the provisions of this Amendment are deemed to be supplementary to all provisions in the Design-Build Agreement entered into between Owner and Design-Builder dated February 26, 2024.

(The rest of this page left intentionally blank)

IN WITNESS WHEREOF, the parties hereto have executed this Guaranteed Maximum Price Amendment as of the date first above written.

RE: RFQ-23-41 South Lake Howard Nature Park Expansion (WC #6866)

Mr. Palmer,

Whitehead Construction is pleased to provide the following proposal to complete the phase two renovations of South Lake Howard Nature Park. This proposal is based on civil plans provided by Carter Kaye Engineering, drawn by Kriss Kaye, dated 5/20/2025, hardscape plans provided by Catalyst Design Group, dated 3/19/2025 and the following scope of work.

General Conditions

- General liability/Workers compensation insurance
- Bond
- Supervision/Project Management
- Temporary facilities
- Construction trailer
- Permit Fee ***$5,000.00 Allowance***
- Construction Administration

Site Work

- Mobilization
- Construction layout and certified as-builts
- Demolition
  - Asphalt – 266 CY
  - Base rock – 266 CY
  - Concrete – 80 CY
  - Fence – 320 LF
  - Pipe 75 LF
  - Saw cutting
  - Trees & brush land clearing 6.57 acres
- Temporary construction of access roads
- Turbidity barriers and erosion control
- Pond construction & mass grading
- Storm pipe installation per plan

- Grout existing storm pipe - 600’ of 48” RCP
  - Excavation for multiple access points
  - Cut into pipe for access
  - ***Allowance of $75,000.00*** *included*
- Nature trails per plans
  - 1.5” SP9.5 Asphalt
  - Trails 531 SY
  - Stabilized limerock screenings
- Dewatering for storm piping
  - 15” HP
  - 48” RCP
  - Storm water inspection
  - Dewater storm pipe
  - Patch trails
- Storm Structures
  - Endwall 48” FDOT
  - Control structure type H
  - Type E inlet
  - Rock, Brick and INV Concrete
  - 18” yard Drain
  - Control structure weirs
  - Fabriform
- Water and Fire
  - Connect EX 2” HDPE Service Pipe
  - 334 LF 2” HDPE SDR9
  - 930 LF 1’ HDPE
  - Magnetic marking tape/wire
  - Pressure testing
  - Stubbed for future building use
- Sanitary sewer
  - Cut in 14 x 6 WYE
  - 6” PVC Service pipe
  - Cleanout
  - Stubbed for future building use
- Signage and striping per plan
- Site surveying
- Soils testing
- Removal of existing exercise equipment
- **$25,000.00 Allowance** for additional erosion control and plantings

LANDSCAPING

- Supply and install new commercial irrigation installation
  - Drip & bubblers to be used
  - Excludes turf irrigation
- Landscape Services per plan
  - (5) Autumn Gold Bald Cypress 45 GAL
  - (4) Florida Flame Red Maple 65 GAL
  - (6) Southern Live Oak 65 GAL
  - (4) Dahoon Holly 30 GAL
  - (4) Muskogee Crape Myrtle 30 GAL
  - (9) Wax Myrtle 30 GAL
  - (74) Walter's Viburnum 3 GAL
  - (111) Coontie 3 GAL
  - (356) White Fountain Grass 1 GAL
- Wetland Mitigation planting per plan
  - (118) 5 GAL plants
  - (275) 3 GAL plants
  - (2473) 1 GAL plants
  - (4958) Bare root plants
  - (20,000) SF Bahia Sod Allowance

Total $1,879,569.00

(One Million, Eight Hundred, Seventy-nine Thousand, Five Hundred, Sixty-nine Dollars and 00/100***)

Exclusions

- Impact fees, Builders risk insurance, Temporary fencing, Park Fencing, Sod irrigation, PEMB and erection, Exercise equipment and pads, Pedestrian improvements, Boardwalks and bridges, Island and shade sail, Recreational elements and amenities, Disc Golf and accessories, Afterhours and weekend work, Site Dewatering, Turf irrigation, PEMB Design and construction, Park and amenity signage, Alternates and work not outlined above

ALTERNATES

*** Alternates must be completed with base bid to be accepted and are not priced as individual jobs for future consideration***

ALTERNATE 1 **Add $70,210.00**

Pedestrian Improvements

- 157 SY Aggregate trails
- (2) New crosswalks
- (1) Demo of existing crosswalk
- 300 SY Demo of existing trails
- (8) removable bollards at crosswalks
  - Non-traffic rated
- **Landscaping allowance** of $5,000.00 to fill in plantings and sod where existing trail and crosswalk were removed

ALTERNATE 2 **Add** **$679,342.00**

Board walks without truck rated bridge

- Boardwalks built per plan to match existing boardwalk construction
  - 660 LF at 6’ wide
  - 40 LF at 8’ wide
  - Treated lumber framing
  - Composite decking
  - Railings w/ wire mesh
  - Pilings
  - Includes alteration from plans to bypass island and add a turn off to the island

Fencing

- ***$5000.00 Allowance*** for security fencing to island on board walk
  - 6’ High w/ 3’ Wings that span past the boardwalk on each side
  - Lockable gate

ALTERNATE 3 **Add** **$162,249.00**

Island and Shade sail

- 30’ Concrete circular pad and steps at island
  - Steps to be 12” deep – radiused on one side of pad
  - Rebar installed per engineered plans
  - ***$10,000.00 Allowance*** *included for stamped concrete, pattern TBD*
- Fabricate and install (1) Shade structure at Island
  - 30’ x 30’ x 30 triangle
  - 8’ x 8’ Concrete footers
  - Engineering included

ALTERNATE 4 **Add** **$124,380.00**

Park Amenities

- Fabricate and install (1) Shade sale structure at existing picnic table slab
  - 20’ x 12’ x 8’H
  - Concrete footers
  - Engineering included
- (4) Benches with concrete pads
  - 6’ benches
  - Perforated black steel
  - Secured to pads per manufacturer specs
  - Model MCMD6PSSM
- (2) Litter receptacles
  - Solar powered w/ battery back up
  - Model Bigbelly SC5.5 standard capacity 32gallon
  - Secured to concrete pads per manufacturer specs
  - Standard color choices included
- (3) Dog litter receptacles
  - Poly dogipot quick pet stations
  - Black
  - Installed per plan and manufacturers specs

- (1) Drinking fountain
  - Model 10145 Chilled w/ Pet bowl
  - Electrical TBD no design
  - Plumbing per plans
- ***$15,000.00 Allowance*** *for Railroad ohmage design (no details provided in plans)*
- ***$17,000.00 Allowance*** *for Park signage (including trail and disc golf signage)*
  - (1) Information kiosk
    - Finish specs TBD
  - (4) Interpretive panels
    - Finish specs TBD

ALTERNATE 5 **Add** **$54,724.00**

Disc Golf

- (8) Disc golf tee box and baskets
  - 12’ x 10’ Concrete slabs at starting “Tees”
    - 4” Thick
    - Hand troweled and brushed finish
  - Match X baskets
  - Concrete footers

NOTE

This proposal is valid for 30 days, however, in the event of a material price increase due to today’s volatile construction market, tariffs, or a delay in material availability during the performance of the contract work, through no fault of Whitehead Construction, the contract sum, and duration shall be equitably adjusted by an owner-approved change order in accordance with the contract documents

Thank you for the opportunity to provide you with this proposal. If you have any questions, please feel free to contact our office at (863) 293-6473.

With Kind Regards,

Nathan Marshall

SUBJECT: Design-Build Contract, Guaranteed Maximum Price (GMP) with Whitehead Construction Inc. - Construction Phase for Motor Pool Road and Pedestrian Connectivity Elements (RFQ-22-03)

BACKGROUND

On January 24, 2022, the City Commission awarded RFQ-22-03 (Design Build Lake Conine Nature Park Recreation Elements) to Whitehead Construction. In addition to the Recreation Elements Phase for the Park, RFQ-22-03 also contemplated any needed vehicular and pedestrian improvements to access the site, including any offsite work needed. The Motor Pool Road corridor is a primary access for both vehicular and pedestrian/trail connections to the Lake Conine area and surrounding neighborhood. On January 8, 2024, a design proposal for Motor Pool Road Corridor Pedestrian & Vehicular Improvements was brought before the commission for approval and award.

The design has been completed, and includes pedestrian facilities from Hwy 17 to Motor Pool Road with a connection to the Lake Conine Nature Park, structural improvements to Motor Pool Road, drainage work, traffic calming, and landscaping. This effort also includes installation of a reclaimed water line that completes the interconnection of the City's re-use system. This will enable flow from Waste Water Treatment Plant 3 to supply customers in the northern part of the Utility service area.

Whitehead has prepared a proposal for the cost to construct the Motor Pool Road Corridor Pedestrian and Vehicular Improvements. The project shall not exceed $3,104,031, for the cost to construct the improvements, plus any change orders issued in accordance to the Design-Build Contract and less any owner credits

Whitehead Construction is expected to start construction at the beginning of October. The project is expected to take up to six months for the proposed scope of work.

FINANCIAL IMPACT

The total cost for the construction of the Motor Pool Road Corridor Pedestrian & Vehicular Improvements is $3,104,031. Funding for this is available from the following funding sources:

- $1,323,336 – Transportation Fund.
- $781,579 – Water Department (402-08-324-6301 – FY 25/26)
- $424,116 – Storm Water Cash Carry Forward
- $300,000 – Streets Operating Budget
- $200,000 – Park Impact Fees
- $75,000 – Dark Fiber Enterprise Fund

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Quality of Life
- **Goal:** 2.4 Ensure that as the city grows, opportunities for access to recreation grow along with the population especially geographically.

- **Pillar:** Infrastructure
- **Goal:** 3.2 Take a comprehensive approach to transportation planning and maintenance of transportation assets.

- **Pillar:** Infrastructure
- **Goal:** 3.3 Ensure an actionable strategy is in place for the future of water resources.

RECOMMENDATION

Staff recommends the City Commission approve the Guaranteed Maximum Price Amendment with Whitehead Construction for the Motor Pool Road Corridor Pedestrian and Vehicular Improvements, project budget as proposed within this fact sheet, and authorize the City Manager to sign all documents and take all necessary actions related thereto.

City of Winter Haven
Attn: Mr. Andy Palmer
451 Third Street, NW
Winter Haven, FL 33881

RE: Motor Pool Road Improvements (WC #7049)

Mr. Palmer,

Whitehead Construction is pleased to provide the following budget proposal for the Motor Pool Road Improvements. This proposal is based on the 80% Value Engineered civil plans provided by Carter Kaye Engineering, drawn by Kriss Kaye on 1/28/2025, and 60% Landscaping plans provided by Catalyst Design Group on 2/3/2025, and the following scope of work.

General Conditions

- General Liability/Workers Compensation Insurance
- Supervision/Project Management
- Temporary Facilities
- Mobilization
- Maintenance of Traffic
- Construction Layouts and As-Builts
- Construction Office Trailer
- Bonding
- SWPPP Monitoring
- Civil Construction Administration

Demolition

- Complete site clearing and demolition to plan
    - Remove and dispose of:
        - Asphalt
        - Concrete
        - Curbing
        - Trails and base
        - Bollards
        - Water pipes
        - Storm pipes and inlets
        - (33) Existing trees marked to be removed – Stumps ground down 6” below grade

Site Work

- Provide Erosion Control per plan
  - Type III Silt Fence
  - Inlet Protection
- Supply and install asphalt & base per plan
  - 10,341 Square Yards – 1.5” SP-12.5 Asphalt pavement at driveways, Motor Pool Road and widening
  - 2,096 Square Yards – SP-9.5 Asphalt pavement at paved trails
  - 10,400 Square Yards – 1” SP-9.5 Asphalt pavement at driveways, Motor Pool Road, and widening
  - 4,547 Square Yards – 8” Crushed concrete base (LBR-100) at removed base area, asphalt trails and widening
  - 9,528 Square yards – 12” Type B Stabilized subgrade (LBR-40)
  - 2619 Square yards – 6” Crushed concrete base

Concrete

- Supply and install concrete per plan
  - 788 Linear feet of type D curb
    - Includes 7’ of transition curb
  - 171 Linear feet of Miami Curb
    - Includes 7’ of transition curb
  - 73 Linear feet of type F curb
  - 219 Linear feet of 5’ ADA sidewalk
    - 4” thick reinforced concrete
  - 14 Linear feet of 6’ ADA sidewalk
    - 4” Thick reinforced concrete
  - 410 Square feet of detectable warning mats
  - 184 Square feet of FDT 522-003 6” thick concrete driveway aprons (2 locations)
  - (11) 6’ x 4’ Concrete flumes w/ dissipaters
    - Includes #3 rebar and rip rap bags
  - (1) 17’-5’’ x 4’ Concrete flume w/ dissipaters
    - Includes #3 rebar and rip rap bags

Reclaim Water

- **Install the following items provided by others (labor and equipment only)**
- 24" MJ Long Sleeve 2.000 EACH
- 24" DR18 Reclaim Water Pipe 20.000 LF
- 20" DR18 Reclaim Water Pipe 10.000 LF
- 18" DR18 Reclaim Water Pipe 906.000 LF
- 16" DR18 Reclaim Water Pipe 28.000 LF
- 12" DR18 Reclaim Water Pipe 12.000
- 24" MJ Tee 1.000 EACH
- 24" X 8" MJ Tee 1.000 EACH
- 24" X 20" MJ Reducer 1.000 EACH
- 18" MJ Tee 2.000 EACH
- 18" MJ 45 Bend 1.000 EACH
- 18" MJ 11.25 Bend 2.000 EACH

- MJ 45 Bend 1.000 EACH
- 18" X 16" MJ Reducer 1.000 EACH
- 18" X 12" MJ Reducer 1.000 EACH
- 12" X 8" MJ Reducer 1.000 EACH
- 16" MJ Cap 1.000 EACH
- 8" MJ Cap 1.000 EACH
- Fire Hydrant Assembly 1.000 EACH
- 24" Plug Valve W/ Box/Tag 1.000 EACH
- 24" MJ Gate Valve W/Box/Tag 2.000 EACH
- 20" MJ Gate Valve W/Box/Tag 1.000 EACH
- 18" MJ Gate Valve W/Box/Tag 4.000 EACH
- 8" MJ Gate Valve W/Box/Tag 1.000 EACH
- Blowoff Assy. 3.000 EACH
- Pressure Testing
- Remove (900 LF) Of 8" Reclaim Pipe

Earthwork

- Cut out & grade proposed areas using cut materials to be placed and compacted as needed, grade building pad, roadway and final grade at these scopes' completion

Signage

- Supply and install signage and road striping per plan
  - R1-1 36" F&I Stop Sign (17 EA)
  - W11-2 W/W16-9P F&I Pedestrian Crossing W/Ahead (8 EA)
  - W11-2 W/W16-7PL F&I Pedestrian Crossing W/Arrow (8 EA),
  - W1-5 W/W13-1P F&I Winding Road W/Advisory (3 EA)
  - Sign F&I No Motorized Vehicles Sign (2 EA)
  - 8" White Paint (1,200 LF)
  - 18" White Paint (70 LF)
  - Temp Paint (LS),
  - 6" White Thermoplastic (8,200 LF),
  - 6" Yellow Thermoplastic (6,350 LF)
  - 12" White Thermoplastic (1,201 LF)
  - 24" White Stop Bar Thermoplastic (16 EA)
  - 12" White Crosswalk Thermoplastic (7 EA)
  - 24" White Thermoplastic Crosswalk (1 EA)
  - 18" Yellow Thermoplastic (40 LF)
  - Special Emphasis Crosswalk (3EA)
  - Speed Hump Triangles Preform (8 EA)
  - Bike Man/Ped/Arrow Preform Thermoplastic (12 EA)
  - RPM's (340 EA)
  - Preform Thermoplastic (230 LF)
- *Pedestrian crosswalk lighting is not included due to lack of detail on plans*

Landscape/Irrigation

- *$50,000 Allowance for irrigation work and rework*
- Supply and install landscape trees, palms, shrubs, and ground covers
    - (5) Florida flame red maples
    - (4) Heritage river birch
    - (23) Southern live oaks
    - (19) Autumn gold bald cypress
    - (45) Tuskegee crape myrtles
    - (8) Muskogee crape myrtles
    - (214) Flax lilies
    - (292) Pink muhly grass
    - (44) Sand cordgrass
    - (110) Dwarf fakahatchee
    - (105) CY – Mulch
    - (81,000) Square feet of Bahia sod
    - (3,361) Square yards for 2’ of Bahia sod at BOC, sidewalk, & edge pavement

Storm System

- Supply and install storm system to plan
    - (23) Linear feet of 36" ADS HP storm pipe
    - (172) Linear feet of 30" ADS HP storm pipe
    - (105) Linear feet of 24" ADS HP storm pipe
    - (52 Linear feet of 18" ADS HP storm pipe
    - (48) Linear feet of 15" ADS HP storm pipe
    - (5) Type C inlet
    - (1) Type C inlet W/J bottom
    - (1) Type D inlet
    - (2) Type V inlet

Guaranteed Maximum Price Amendment to
Design-Build Contract
Between
the City of Winter Haven, a Florida municipal corporation
and
Everett Whitehead & Son, Inc., dba; Whitehead Inc., a Florida corporation

This "**Guaranteed Maximum Price Amendment"** (hereafter "Amendment") to the existing January 24, 2022 Design-Build Contract between the **City of Winter Haven**, a Florida municipal corporation (hereafter "City" or "Owner") and **Everett Whitehead & Son, Inc., dba; Whitehead, Inc.**, a Florida corporation (hereafter "Whitehead" or "Design-Builder") is made and entered into this 25th day of August, 2025.

W I T N E S S E T H:

WHEREAS, on January 24, 2022, the City and Whitehead entered into the aforementioned Design-Build Contract for the purposes therein described, including but not limited to, the provision of Design Phase Work and Construction Phase Services by Whitehead regarding the RFQ-22-03, "Lake Conine Nature Park Recreation Elements" Project which also included the design and construction of offsite improvements related to anticipated pedestrian and vehicular travel to and from the Lake Conine Nature Park involving and utilizing the Motor Pool Road corridor which are hereafter referred to as the "Motor Pool Road Improvements"; and

WHEREAS, on January 8, 2024, the City Commission approved a design proposal for the "Motor Pool Road Improvements" awarded under the provisions within RFQ-22-03, contemplating pedestrian and vehicular travel to and from Lake Conine Nature Park involving and utilizing the Motor Pool Road corridor; and

WHEREAS, City and Whitehead wish to amend their current contractual relationship in order to (a) describe the necessary specific Construction Phase Services required by the City for the Motor Pool Road Improvements, and (b) establish the specific framework for construction of the Motor Pool Road Improvements including specifications, timelines, and other conditions; and

WHEREAS, City and Whitehead intend this Amendment to supplement the previous statements of their ongoing relationship in regard to the design and construction of the City's Motor Pool Road Improvements;

NOW THEREFORE, in exchange for the mutual consideration given herein, receipt of which is acknowledged by City and Whitehead, the parties agree to amend their January 24, 2022, Design-Build Contract (hereafter "Agreement") as follows:

ARTICLE 1 – GENERAL PROVISIONS

§1.1 Incorporation of Recitals. The foregoing recitals are incorporated herein by the parties as true and correct statements forming the factual basis for entry into this Amendment to the existing Agreement between Owner and Design-Builder.

§1.2 Construction of Amendment. The parties agree that if anything in the Contract Documents, is inconsistent with the terms and conditions of this Amendment, this Amendment shall control. Paragraphs, provisions, and sections or subsections modified by this Amendment shall read as set forth herein. All terms and conditions of the Contract Documents shall be read so as to give the provisions of this Amendment full force and effect.

§1.3 Severability. Should a court or other competent authority render invalid any provision of the Amendment, the parties agree that this shall not in any manner affect the enforceability of the other provisions of the Agreement or Amendment.

§1.4 Merger. The Contract between the Owner and Design-Builder, evidenced by the Contract Documents as a complete set (to include this Amendment), represents the entire agreement between Owner and Design-Builder and supersedes all prior communications, negotiations, representations, or agreements, either written or oral related to the "Motor Pool Road Improvements" . Subject only to properly issued Change Orders, the Contract may be amended only by written instrument signed by both Owner and Design-Builder and approved by the Owner's governing body.

ARTICLE II – GUARANTEED MAXIMUM PRICE

§2.1 Whitehead shall provide all Construction Work for the Motor Pool Road Improvements in accordance with the Design for the Motor Pool Road Improvements and all related materials including, but not limited to, design documents, concept drawings, plans, materials documents, Whitehead Construction Owner Proposal dated 8/8/2025 and specifications developed by Design-Builder during the Design Phase of this Motor Pool Road Improvements and as approved by Owner as well as the terms of the Design-Build Agreement entered into between Owner and Whitehead on January 24, 2022, for a Guaranteed Maximum Price not to exceed $3,267,924 ($163,893 Design + $3,104,031 Construction Phase) plus any change orders issued in accordance with the Design-Build Agreement and less any Owner credits as described in the Design-Build Agreement.

§2.2 The terms of the Design-Build Agreement entered into between the Owner and Design-Builder dated January 24, 2022, to the extent not amended herein are incorporated by reference into this Agreement and shall remain in full force and effect including but not limited to the provisions of Article 5 of the Design-Build Agreement dealing with the Guaranteed Maximum Price, it being intended that the provisions of this Amendment are deemed to be supplementary to all provisions in the Design-Build Agreement entered into between Owner and Design-Builder dated January 24, 2022.

(The rest of this page left intentionally blank)

IN WITNESS WHEREOF, the parties hereto have executed this Guaranteed Maximum Price Amendment as of the date first above written.

WHITEHEAD INC.,
a Florida corporation

FROM: Nancy Hurley, Affordable Housing Compliance Manager

SUBJECT: State Housing Initiatives Annual Report (AR)

BACKGROUND

The State Housing Initiatives Partnership program (SHIP) provides funds to eligible local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program was designed to serve very low-, low- and moderate-income families. Funds are based on a formula and are distributed annually. In order to receive funds each locality is required to submit an annual report which encompasses two years. Attached is the Close-Out Report for SHIP Fiscal Year 2022-2023 and data for Interim Report Year 2023-2024. The SHIP Fiscal Year begins July 1 and ends June 30. Program funds have been used to provide home repair, down payment assistance, disaster assistance, and emergency repair.

The City received a distribution of $489,968 for Fiscal Year 2022-2023. In addition to the distribution the City also received Hurricane Housing Recovery Program funds, interest, and program income. Twenty-four (24) residents were assisted with this funding. The state annual distribution for Fiscal Year 2023-2024 was $626,236. These funds have been expended or encumbered and the remaining clients are awaiting the contractor to begin the work. Although the City is not required to report close out data for Fiscal Year 2023-2024, the City's SHIP distribution which was expended or encumbered totaled $649,613.87. Additionally, the City is contracted with Guardian Community Resources Management and Envirobuild, LLC to perform down payment assistance and housing repair/rehabilitation services.

FINANCIAL IMPACT

There is no financial impact to the City as funds are provided by the State of Florida.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Quality of Life
- **Goal:** 2.1 – Take a strategic, creative, and locally-specific approach to maximize the availability of attainable (affordable, workforce, attainable) housing opportunities.
- **Strategy:** 2.1.4 – Ensure all available Local Housing Assistance Plan strategies are implemented annually.

RECOMMENDATION

Staff recommends the City Commission approve the SHIP Annual Report for Close-Out Year 2022-2023 and Interim Year 2023-2024; and authorize the Mayor (SHIP requires the elected official) to sign the certification form directing Staff to submit the report to the Florida Housing Finance Corporation.

State Housing Initiatives Partnership (SHIP) Program
Annual Report and Local Housing Incentives Certification

On Behalf of the City of Winter Haven, I hereby certify that:

1. The Annual Report information submitted electronically to Florida Housing Finance Corporation is true and accurate for the closeout year 2022-2023 and interim years 2023-2024.
2. The local housing incentives or local housing incentive plan have been implemented or are in the process of being implemented. Including, at a minimum:
    a. Permits as defined in s.163.3164 (15) and (16) for affordable housing projects are expedited to a greater degree than other projects; and
    b. There is an ongoing process for review of local policies, ordinances, regulations, and plan provisions that increase the cost of housing prior to their adoption.
3. The cumulative cost per newly constructed housing per housing unit, from these actions is estimated to be $ N/A.
4. The cumulative cost per rehabilitated housing per housing unit, from these actions is estimated to be $0.00.

ATTEST (Seal)

420.9075 (10) Each county or eligible municipality shall submit to the corporation by September 15 of each year a report of its affordable housing programs and accomplishments through June 30 immediately preceding submittal of the report. The report shall be certified as accurate and complete by the **local government's chief elected official or his or her designee.** Transmittal of the annual report by a county's or eligible municipality's chief elected official, or his or her designee, certifies that the local housing incentive strategies, or, if applicable, the local housing incentive plan, have been implemented or are in the process of being implemented pursuant to the adopted schedule for implementation.

DATE: August 8, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Gary Hubbard, P.E., Water Department Director

SUBJECT: Resolution R-25-41: Approval of Asset Management Plan for the City's Wastewater Utility System.

BACKGROUND

On May 7, 2021, the Florida Department of Environmental Protection (FDEP) and the City entered into a State Revolving Fund (SRF) loan agreement, WW531302, for the new sewage force main, fiber optic, and reclaim water expansion to Wastewater Treatment Plant #3 (WWTP#3) and the Harmony Master Lift Station. The project will be completed by the beginning of September 2025.

As a condition of obtaining funding from the SRF, the City is required to implement an Asset Management Plan (AMP) for the City of Winter Haven's Wastewater Utility System. The AMP must be adopted by Ordinance or Resolution and have written procedures for its implementation to be eligible for a financing rate reduction.

The AMP develops a systematic approach to the City's infrastructure from a 40-year life-cycle management perspective and provides a basis for achieving the maximum value for City assets. Through analyzing risk, optimizing cost, and monitoring performance throughout the asset's life cycle, an AMP allows the City to proactively maintain and rehabilitate its systems to avoid costly emergency repairs.

FINANCIAL IMPACT

There is no financial impact anticipated by the passage of Resolution R-25-41.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Infrastructure
- **Goal:** 3.3 – Ensure an actionable strategy is in place for the future of water resources.
- **Strategy:** 3.3.2 – Secure financial and technical resources needed to modernize and expand the City's wastewater infrastructure in consideration of projected growth and regulatory changes. and

- **Pillar:** Infrastructure
- **Goal:** 3.3 – Ensure an actionable strategy is in place for the future of water resources.
- **Strategy:** 3.3.4 – Maintain relationships with local, regional, state, and federal regulatory and cooperative agencies directly related to integrated water resource management.

RECOMMENDATION

Staff recommends the City Commission approve Resolution R-25-41 and authorize the City Manager, and other City officials to take any and all further actions related thereto.

- Winter Haven AMP (Final May 2025)

RESOLUTION NO. R-25-41

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA, APPROVING THE CITY OF WINTER HAVEN, FLORIDA ASSET MANAGEMENT PLAN DATED MAY 2025 RELATING TO THE CITY'S WASTEWATER UTILITY SYSTEM; AUTHORIZING THE MAYOR, CITY CLERK, CITY MANAGER, AND CITY'S WATER DEPARTMENT DIRECTOR AND ANY OTHER CITY OFFICIALS TO TAKE ALL ACTIONS NECESSARY TO EFFECTUATE THE INTENT OF THIS RESOLUTION; PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.

WHEREAS, Florida Statutes provide for financial assistance to local governments to finance construction of municipal utility system improvements; and

WHEREAS, the Florida Department of Environmental Protection State Revolving Fund (SRF) has designated the City of Winter Haven, Florida Wastewater Utility System Improvements, identified in the Asset Management Plan dated May 2025 relating to the City's Wastewater Utility System, as potentially eligible for funding; and

WHEREAS, as a condition of obtaining funding from the SRF, the City of Winter Haven, Florida is required to implement an Asset Management Plan for the City of Winter Haven's Wastewater Utility System and regarding any Improvements identified therein; and

WHEREAS, it is in the best interests of the residents and citizens of the City of Winter Haven, Florida for the City Commission to approve the City of Winter Haven, Florida Asset Management Plan dated May 2025 relating to the City's Wastewater Utility System in the form attached hereto as Exhibit "A" and incorporated herein by reference in order to obtain funding in accordance with SRF guidelines for eligible Improvements identified therein.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA:

1. The above recitals are incorporated herein and form a factual basis for the passage of this Resolution.

2. That the City of Winter Haven, Florida Asset Management Plan dated May 2025 relating to the City's Wastewater Utility System in the form attached hereto as Exhibit "A" and incorporated herein by reference, is approved.

3. That the Mayor, City Clerk, City Manager, and the City's Water Department Director and any other City Officials are authorized to take all actions necessary to effectuate the intent of this Resolution and to execute and implement the City of Winter Haven, Florida Asset Management Plan dated May 2025 relating to the

City's Wastewater Utility System which is approved herein in accordance with applicable Florida law, City Charter, and City Code of Ordinances, and Commission direction in order to obtain funding from the SRF.

3. The provisions of this Resolution are severable. If any word, sentence, clause, phrase or provision of this Resolution for any reason is declared by any court of competent jurisdiction to be void, unconstitutional or unenforceable, then all remaining provisions and portions of this Resolution shall remain in full force and effect.

4. All Resolutions in conflict with this Resolution are repealed to the extent necessary to give this Resolution full force and effect.

5. This Resolution shall take effect immediately upon its passage.

INTRODUCED AND PASSED by the City Commission of the City of Winter Haven, Florida, in Regular Session, on this 25th day of August, 2025.

CITY OF WINTER HAVEN, FLORIDA

1 INTRODUCTION

In 2024, the City of Winter Haven engaged the services of Jones Edmunds to provide general engineering services for developing an Asset Management Plan (AMP) that follows the requirements outlined by the Florida Department of Environmental Protection (FDEP) in accordance with Rule 62-503, Florida Administrative Code (FAC). The AMP develops a systematic approach to realizing the value of the City's infrastructure from a life-cycle management perspective over a 40-year period.

AMPs provide a basis for achieving the maximum value for City assets through analyzing risk and optimizing cost and performance throughout the assets' lifecycle. Keeping a strong AMP allows the City to proactively maintain and rehabilitate its systems to avoid costly emergency repairs. Effective planning also enables the City to rehabilitate pavements and reclaimed water, wastewater, and stormwater systems concurrently where possible, resulting in cost savings and less disturbance to residents. This AMP currently only includes the City's wastewater system assets.

As part of the State Revolving Fund (SRF) loan requirements outlined in Rule 62-503, FAC, recipients of those funds are encouraged to adopt an AMP to promote the longevity of their systems. To comply with Clean Water SRF Loan Agreements, the City must also adopt an AMP by Ordinance or Resolution and have written procedures for its implementation to be eligible for a financing rate reduction.

Implementing an AMP would meet the loan recipient's requirement to adopt and implement a Fiscal Sustainability Plan to promote long-term support for proposed repair, replacement, or expansion in accordance with Section 603 of the Rule (33 US Code [USC] §1383). Table 1 provides the components needed for an AMP to be eligible.

Table 1 FDEP Requirements for an AMP

FDEP Requirements for Asset Management Plans (FAC 62-503)		Report Section Reference
a)	Identification of all assets within the project sponsor's system	2
b)	An evaluation of the current age, condition, and anticipated useful life of each asset	3
c)	The current value of the assets	4
d)	The cost to operate and maintain all assets	5
e)	A capital improvement plan based on a survey of industry standards, life expectancy, life cycle analysis, and remaining useful life	6
f)	An analysis of funding needs	7
g)	An analysis of population growth and wastewater or stormwater flow projections, as applicable, for the sponsor's planning area, and a model, if applicable, for impact fees; commercial, industrial, and residential rate structures; and industrial pretreatment fees and parameters	8
h)	The establishment of an adequate funding rate structure	9

FDEP Requirements for Asset Management Plans (FAC 62-503)		Report Section Reference
i)	A threshold rate set to ensure the proper operation of the utility, if the sponsor transfers any of the utility proceeds to other funds, the rates must be set higher than the threshold rate to facilitate the transfer and proper operation of the utility	10
j)	A plan to preserve the assets; renewal, replacement, and repair of the assets as necessary, and a risk-benefit analysis to determine the optimum renewal or replacement time	11
k)	A plan to evaluate and implement water and energy conservation efforts that meet the requirements set forth in Section 602 of the Act (33 USC §1382)	12

This AMP includes the following components: (a), (b), (e), (g), (j), and (k). The City provided components (c), (d), (f), (h), and (i) with information relating to the City's rate structure and the valuation of infrastructure referenced in this AMP.

2 IDENTIFICATION OF WASTEWATER ASSETS

2.1 SUMMARY OF WASTEWATER ASSETS

The City has a sanitary sewer system that encompasses 41.52 square miles and serves a population of approximately 59,270 residents. The City's wastewater system consists of two master lift stations (MLS) (Chain of Lakes [COL] and Harmony) and 234 lift stations, all with corresponding force mains. The City's gravity collection system includes 34 sewershed basins that correlate with each pump/lift station. The City owns and operates the wastewater system. The first wastewater treatment plant (WWTP) was constructed in 1950. The system has grown over time and now two WWTPs, Nos. 2 and 3, exist. The original WWTP was demolished and converted into the COL MLS in the early 2000s.

The COL MLS collects sewage from WWTP No. 2 and most of the City's service area and repumps it to WWTP No. 3 via a 24-inch force main for treatment and disposal.

2.2 WASTEWATER SYSTEM ASSETS

The City's geographic information system (GIS) data in Appendix A details the City's wastewater system assets by category, and the asset tables in Appendix B summarize them. Appendix C provides exhibits of the City's lift stations and their associated appurtenances.

2.2.1 GIS WASTEWATER SYSTEM DATA

The City's GIS contains data regarding the following City-owned wastewater assets:

- MLS
- Lift stations
- Force mains
- Gravity mains
- Air release valves (ARVs)
- Manholes
- Clean-outs.

Each asset is labeled by a unique Facility Asset (FA) number for identification and rehabilitation or replacement tracking purposes. The GIS data are constantly updated to reflect changes to the wastewater system based on new construction as-builts, rehabilitation efforts, and routine inspection data.

2.2.2 Wastewater Treatment Plants

The City currently operates two WWTPs that treat approximately 6.1 million gallons per day (MGD) of wastewater to a very high standard of water quality.

2.2.2.1 WWTP No. 1

WWTP No 1 was on the COL site. It was demolished in the early 2000s, and the new COL MLS was constructed adjacent to it.

2.2.2.2 WWTP No. 2

WWTP No. 2 is in the north part of the City near the Florence Villa Community and treats approximately 1.4 million gallons of wastewater per day. The capacity of WWTP No. 2 is 1.7 MGD. This highly treated water is distributed to golf courses, cemeteries, parks, subdivisions, and commercial locations for irrigating landscapes.

2.2.2.3 WWTP No. 3

WWTP No. 3 is on the south side of the City and in 2024 treated approximately 4.7 MGD of wastewater to reuse quality standards. The capacity of WWTP No. 3 is 7.5 MGD.

The City has completed a pumping and storage facility to begin using this reuse water for irrigation and is constructing the transmission mains for distribution. At this time, most of WWTP No. 3's treated wastewater is discharged to the Peace Creek Canal, which flows into the Peace River to Charlotte Harbor. The City plans to develop a 100-percent reuse water system so that all water is considered a resource to be used in the One Water Plan.

2.2.3 Sewer Lift Stations

The City maintains a comprehensive list of lift stations including location, size, material, plant name where sewage is treated, installation date, and lift station number. The condition of each lift station is not recorded—only whether it is active or a planned lift station. Currently, no comprehensive lift station assessment report exists that determines the condition and remaining service life of the City's lift stations. Such an assessment report is recommended to be performed every 10 years.

According to the Sewer Asset Summary Table in Appendix B, the City has the following sewer lift station assets:

- MLSs: Five each.
- Duplex Lift Stations: 225 each.

2.2.4 Gravity Sewer, Manholes, Force Mains, Valves, and ARVs

The City maintains a comprehensive list of gravity sewer mains, sewer manholes, force mains, valves, and ARVs including location, size, material, plant name where sewage is treated, installation date, and lift station number. The condition of each item is not recorded—only whether it is active or a planned addition. Currently, no comprehensive

gravity or force main assessment report exists that determines the condition and remaining service life of the City's gravity and force mains. Such an assessment report is recommended to be performed every 10 years.

According to the Sewer Asset Summary Table in Appendix B, the City has the following sewer system assets:

- Gravity Sewer: 254.95 miles
- Force Main: 129.02 miles
- Manholes: 5,682
- ARVs: 129
- Valves: 374

3 EVALUATION OF WASTEWATER ASSETS

The Section provides an overview of the current age, condition, and expected useful life of each asset. The City's wastewater system was installed in 1950; however, many assets throughout the system have since been rehabilitated or replaced then. Each of the following sub-sections details a specific category of wastewater system asset.

3.1 WASTEWATER TREATMENT PLANTS

WWTP No. 1 has been demolished.

WWTP No. 2 is in the north part of the City near the Florence Villa Community and treats approximately 1.4 MGD. WWTP No. 2 is a 1.7-MGD annual average daily flow (AADF) Type I activated-sludge domestic WWTP consisting of:

- Automatic and manual bar screens.
- One grit removal and classifier.
- Two anoxic basins with a total volume of 135,000 gallons.
- Three aeration basins with a total volume of 401,700 gallons.
- Two clarifiers with a total volume of 355,450 gallons covering 4,748 square feet of surface area.
- Two traveling bridge automatic backwash filters.
- Two chlorine contact chambers with a total volume of 135,717 gallons.
- Two aerobic sludge digesters with a total volume of 250,000 gallons.
- One belt filter press.
- Sludge drying beds.

WWTP No. 2 is operated to achieve secondary treatment with high-level disinfection including liquid chlorine for public access reuse. The WWTP is in good condition. The permit was renewed in 2024 for 5 years, requiring renewal in 2029. The facility has been in operation since 1971, and in 1991 the facility was upgraded to meet the standards for public access irrigation by adding new filters, chlorine contact chambers, and effluent pumping facilities. In 2002, anoxic basins for denitrification were added, the headworks were modified, and a belt filter press was installed.

WWTP No. 3 is on the south side of Winter Haven and treats approximately 4.7 MGD of wastewater. WWTP No. 3 is a 7.5-MGD AADF Type I activated-sludge domestic WWTP consisting of:

- Three mechanical bar screens.
- One manual bar screen.
- One aerated grit chamber with a total volume of 60,318 gallons.
- Three aeration basins with a total volume of 3,620,000 gallons. Two anoxic basins each with a floating mixer to keep solids in suspension. The total volume under aeration is 3,720,000 gallons, and the total volume of the anoxic basins is 1,030,000 gallons.
- Three clarifier basins with a total volume of 1,410,000 total gallons covering 15,239 square feet of surface area.
- Two sand filters covering a total of 3,136 square feet of filtration area.
- Two chlorine contact chambers sized for 12,000,000 gallons per day with a total volume of 380,000 total gallons.
- Two dichlorination/reaeration chambers with a total volume of 187,500 gallons. Effluent from the reaeration/dechlorination chambers gravity flows to a pond and is then pumped to the primary ditch that flows into an unnamed tributary of the Peace Creek Canal and ultimately to the Peace River.
- Residuals are processed in two aerobic sludge digesters with a total volume of 1,582,000 gallons. One digester is aerobic, and the other is anaerobic with internal recycling.
- A sludge thickener with a total volume of 79,309 gallons used for sludge concentration and increased digester space.
- Two disk thickeners with a maximum feed rate of 70 gallons per minute (gpm) used to maximize digester space and produce a 15- to 20-percent cake.
- Two belt presses used to dewater sludge before land application.

This facility accepts residuals from WWTP No. 2 for stabilization and land application. WWTP No. 3 is in good condition. The permit was renewed in 2021 for 5 years, requiring renewal in 2026. The WWTP has been in operation since 1977. In 1991, the facility was upgraded to meet the standards for public access irrigation by adding new filters, chlorine contact chambers, and effluent pumping facilities. In 2015, the headworks were modified and a traveling bridge filter was installed.

3.2 Lift Stations

3.2.1 Duplex Lift Stations

Appendix C contains information on each lift station pump installed including:

- Asset number.
- Installed date.
- Location.
- Service provider.
- Voltage/phase.
- Motor/horsepower (hp).
- Minimum generator size.
- Auxiliary power.
- Number of pumps.
- Telemetry.
- Installed date.
- Head.
- Dimensions.

The condition of each lift station or whether any plans exist to overhaul the lift station are not included. Lift station pumps are generally overhauled every 10 to 20 years to optimize

performance and maintain reliability. Lift stations have an expected useful life of 20 years after each rehabilitation. Of the 225 duplex lift stations, the City has more than 40 stations that were installed in the 1970s.

3.2.2 Master Lift Stations

The City defines an MLS as any lift station that pumps over 1 MGD. FDEP defines an MLS as any lift station that receives flows from other lift stations and then repumps it. The State of Florida's definition is that Winter Haven has two MLSs and both have been renovated or constructed during the last 10 years. The City's definition is that they have 225 duplex lift stations and five MLSs. Two of the five MLSs have been rehabilitated during the last 10 years and are reported to be in good condition.

The COL MLS was constructed between 2016 and 2018 and placed into service in 2019. The COL MLS included installing four new centrifugal pumps, mechanical piping, instrumentation, electrical control panels, a diesel-powered emergency bypass pump system, an odor-control system, an emergency generator, a flow meter, and a motor-control center (MCC) building.

Lift Station (LS) No. 101 MLS has three submersible pumps, mechanical piping, instrumentation, electrical control panels, a diesel-powered emergency bypass pump system, an odor-control system, an emergency generator, and a flow meter.

LS No. 182 MLS has three submersible pumps, mechanical piping, instrumentation, electrical control panels, a diesel powered emergency bypass pump system, an odor-control system, an emergency generator, and a flow meter.

LS No. 303 MLS has three submersible pumps, mechanical piping, instrumentation, electrical control panels, a diesel-powered emergency bypass pump system, an odor-control system, an emergency generator, and a flow meter.

LS No. 355 MLS has three submersible pumps, mechanical piping, instrumentation, electrical control panels, a diesel-powered emergency bypass pump system, an odor-control system, an emergency generator, and a flow meter.

Harmony MLS will be designed in 2025 and constructed in 2026. Its size will be similar to the COL MLS.

3.2.3 City Capacity Analysis

A systemwide capacity analysis has not been conducted, but Table 2 shows that a capacity analysis of the COL MLS was performed based on future flow conditions identified in Section 8 of this report. The capacity of the COL MLS is critical to the City's entire wastewater system since it pumps a large part of the City's wastewater to WWTP No. 3.

3.3 Force Mains and ARVs

The City maintains more than 129 miles of sewer force mains, more than 130 ARVs, and more than 375 valves. Appendix C contains information on each installed force main including the asset number, installation date, location, size, material, and dimensions.

Table 2 Capacity Analysis: COL MLS

Description	gpm	gpd
COL MLS Operating Point (ADF)	3,705	5,335,200
PHF Operating Point (gpm)	8,000	11,520,000
Remaining ERUs before exceeding COL MLS capacity in PHF (ERU)	2,300	
Reduced-Intensity Build-Out ADF	2,413	3,474,232
Peaking Factor	2.15	
Reduced-Intensity Build-Out PHF (gpm)	5,860	8,438,400
Maximum Build-Out ADF	2,653	3,820,440
Peaking Factor	2.43	
Maximum Build-Out PHF (gpm)	8,951	12,889,440

Notes: ADF = average daily flow; ERU = equivalent residential unit; gpd = gallons per day; PHF = peak hourly flow.

Reference: Appendix D:

- Based on the operating point of 5,670 gpm at 81.7 feet total dynamic head (TDH) with two pumps operating at the same time.
- From Table 2, maximum build-out ADF does not exceed existing COL MLS capacity.
- Based on hourly flow data from the City regarding COL MLS Pump Station 1 flow meter (January 2019 to March 2020). The peaking factor equals the PHF divided by the ADF.
- The COL MLS capacity/peaking factor equals the PHF.
- Estimated based on 275 gpd/ERU.
- The City's population in 2024 was 59,270, and the service area contains approximately 83,000 residents according to the World Population Review.

The first force mains were installed in the 1970s and range from 2 to 30 inches. Force main pipes have a 50-year life expectancy and can last longer depending on use and soil conditions. Sixty-five percent of the City's force mains are polyvinyl chloride (PVC), 12 percent are unknown, 9 percent are cast iron, 7 percent are high-density polyethylene (HDPE), 6 percent are ductile iron, and 1 percent are asbestos cement.

ARVs need to be regularly maintained and replaced every 10 to 20 years based on their condition. The proper functioning of ARVs will extend the life of the force main.

The Sewer Asset Summary Table in Appendix B shows that the City has the following force main system assets:

- 129.02 miles of piping
- 129 ARVs
- 374 valves

3.4 Gravity Mains and Manholes

The City maintains over 255 miles of gravity sewer mains and more than 5,680 sewer manholes. Appendix C contains information on each gravity main and manhole installed including the asset number, installation date, location, size, material, and dimensions.

The first gravity mains were installed in the 1970s and range from 2 to 30 inches. Gravity main pipes have a 50-year life expectancy and can last longer depending on use and soil

conditions. Fifty-seven percent of the City's gravity mains are PVC, 31 percent are vitrified clay, 10 percent are unknown, and 2 percent are cast iron and ductile iron.

The City maintains a comprehensive list of all its manholes. The first manholes were installed in the 1970s, and 8 percent have been rehabilitated.

The Sewer Asset Summary Table in Appendix B shows that the City has the following collection system assets:

- Gravity Sewer: 254.95 miles
- Manholes: 5,682

4 CURRENT VALUE OF WASTEWATER ASSETS

The City maintains a record of the value of all City-owned assets and adjusts the value based on age and condition. Appendices A, B, and E provide complete lists of water and wastewater utility assets. Table 3 summarizes the asset values.

Table 3 Asset Values

Asset Description	Original Value	Replacement Cost
Utility Buildings	$4,798,198.00	$22,319,447.00
Utility Equipment	$1,148,469.60	$1,535,428.00
Utility Improvement	$46,578,266.10	$87,606,428.00
Utility Infrastructure – Lift Stations	$18,772,700.66	$35,044,543.00
Utility Infrastructure – Sewer	$14,998,592.72	$41,417,723.00
Total	**$86,286,227.08**	**$187,923,569.00**

Reference: City Water & Wastewater Impact Fee Update 2021

5 COST OF OPERATIONS AND MAINTENANCE OF ASSETS

The City's operations staff are essential to successfully operating the wastewater system because they are responsible for operating and maintaining the collection system and keeping a high level of service (LOS) for customers. The operations and maintenance costs, including in-house and contracted sums plus the cost for spare parts, are detailed each year to inform future budgets. The City's maintenance program's goals for the wastewater system should be to prevent failures, maximize system reliability while optimizing cost, and ensure the sustainability of the infrastructure. Table 4 summarizes the City's operation and maintenance costs.

6 CAPITAL IMPROVEMENT PLAN (CIP)

The City Charter requires that the City Manager prepares and submits a CIP annually to the City Commission. The CIP is a 5-year planning document for significant capital projects scheduled over a 5-year period. The CIP is incorporated into the City's budget process. Capital improvements will be provided to correct deficiencies, accommodate desired future growth, and replace dilapidated or obsolete facilities as indicated in the 5-year Schedule of Improvements. Appendix F contains the wastewater 5-year CIP.

Table 4 City Operation and Maintenance Costs

UTILITY FUND

SUMMARY

	2023 Actual Amount	2024 Amended Budget	2024 Estimated Budget	2025 Final Budget

Table 5 shows that 21 utility projects are listed in the City's 5-year 2024 to 2025 CIP, each assigned a number with the prefix of "UT-." However, many consist of multiple smaller projects that were combined under a single project. Table 5 also shows the City-provided completion schedule by project cost.

Transmission and collection projects comprise 17 percent of the total 5-year plan, lift station projects comprise 4 percent, wastewater treatment projects comprise 7 percent, and WWTP No. 3 comprises 72 percent. The proposed project will provide the needed upgrades and use parts of the existing plant to offset the overall cost and land application of reuse. When upgrading WWTP No. 3, providing more modern applications of effluent discharge may be incorporated.

Table 5 lists the CIP Projects. Appendix F also presents the project descriptions.

7 ANALYSIS OF FUNDING NEEDS

Funding needs for the City are determined by calculating and reconciling the variance between planned projects over the next 5 years and the approved budget. Table 5 and Appendices G and H produce the funding needs evaluation completed by the City. Table 6 shows that the Fiscal Year (FY) 2025 collected revenues are projected to be $80,264,344 and the sources from which they are accrued. Table 7 show that the FY 2025 expenses are projected to be $74,833,871 and the services that they are budgeted for. Table 8 summarizes the projected revenues, expenditures, and funding requirements. Table 9 shows the City's financing assumptions.

The excess of revenues is $5,430,473 for the FY 2025 budget, which is short of the $11,967,435 needed for the planned CIP projects and therefore requires additional funding for the CIP projects in 2025.

The City passed Ordinance O-24-41 Water, reclaim and sewer rate adjustment and Ordinance O-24-42 Water and sewer connection fee rate adjustment to raise fees no less than 2.5% in years 2024 through 2028 to cover the additional projects.

8 POPULATION GROWTH AND FLOW PROJECTIONS

8.1 Flow Projections

Appendix I includes the City's budget presentation with an analysis of projected population growth for the City. The City experiences variations in population from seasonal residents and tourism. Projected wastewater flow for the City was estimated based on the maximum build-out potential of the City in accordance with density pool allocations per land use as maintained within the City's Comprehensive Plan, Land Development Code, and Code of Ordinances. Table 10 provides population projections.

Available ERUs were used to calculate the additional flow expected to be generated by development. A Reduced-Intensity Buildout Condition was also analyzed to estimate the development expected within the next 10 years. Table 11 contains the wastewater flow projects and ERU analysis for three conditions: Current (2024), Projected (2035), and Projected (2045). Table 12 provides flow projections for WWTP Nos. 2 and 3.

Table 5 Planned Wastewater CIP Projects

	Project Name	Capital Expenses				
		FY25	FY26	FY27	FY28	FY29

Existing Condition (2024)	ADF (gpd)	6,072,000
	ERUs	22,080
	gpd/ERU	275
Projected Condition (2035)	Projected ADF	7,830,075
	Projected ERUs	28,473
	Projected Increase %	29%
	gpd/ERU	275
Projected Condition (2045)	Projected ADF	8,650,125
	Projected ERUs	31,455
	Projected Increase %	42%
	gpd/ERU	275

- City COL MLS Flow Meter Data (January 2019 to March 2020). This is the total flow discharged from Winter Haven including inflow and infiltration.
- Estimated based on 2024 Polk County property use data per parcel
- Based on the Community Redevelopment District (CRD) Buildout Scenarios spreadsheet provided by the City on March 1, 2021. The parcels outside the CRD were considered to be built-out in the existing condition; therefore, the Existing Condition (2020) ERUs were used to calculate the Maximum Build-Out ERUs outside the CRD.
- The gpd/ERU as established for the Existing Condition (2020) was used to project the Maximum Build-Out ADF.

Table 12 Flow Projections for WWTP Nos. 2 and 3

Year	Total AADF (MGD)	Total ADWF (MGD)	Total PWWF (MGD)
2020	5.47	5.42	16.46
2025	6.49	6.43	20.05
2030	7.32	7.24	22.48
2035	7.83	7.75	23.87
2040	8.29	8.20	25.10
2045	8.65	8.56	26.11

Notes: ADWF = average dry-weather flow; PWWF = peak wet-weather flow.

Reference Technical Memorandum: COWH One Water Master Plan Phase 2A WWTP Consolidation Evaluation, Table 2-6, Black & Veatch, February 2021.

9 FUNDING RATE STRUCTURE

9.1 CONNECTION FEE SCHEDULE

Table 13 shows the City's service charge and connection fee for new developments. The ERU growth is multiplied by the service charge and connection fee to determine revenue for the City.

Table 13 Utility Impact Fees

	Rates Effective January 1, 2025	
	Inside City	Outside City
Wastewater: ERU = 250 gpd	$8,175.00	$10,217.50

The City's funding rate structure is based on secured and expected funding sources that the City will use to complete projects. The rate structure is also used to determine future funding needs. Appendix J includes the City's funding rate structure.

9.2 CALCULATION OF IMPACT FEES

Impact fees are to recover all or a portion of the cost for certain major utility facilities. The utility's impact fees were first effective on February 23, 1987, pursuant to Ordinance O-87-08 and last recalculated and effective pursuant to Ordinance O-24-42 on January 1, 2025 (the "Ordinance"), and thereafter adjusted by the City to address inflation. Appendix K includes the latest impact fee report and Table 14 shows the results.

10 THRESHOLD RATE

The City's threshold rate is set to ensure proper operation of the utility. If the City transfers any utility proceeds to other City funds, the rates must be set higher than the threshold rate to ensure that operation of the City's wastewater utility system is successful. Table 15 includes the City's established threshold rate.

Table 14 Updated and Existing Impact Fee per ERC

	Wastewater
Updated	
LOS gpd/ERC	$250
Treatment	$7,000.00
Transmission	$1,175.00
Total	$8,175.00
Existing	
LOS gpd/ERC	$275.00
Treatment	$3,454
Transmission	$742.5
Total	$4,196.50
Difference	
LOS gpd/ERC	($25.00)
Treatment	$3,546
Amount	$3,978.50
Percent	94.8%
Transmission	
Amount	$432.50
Percent	58%

Reference: City of Winter Haven Water and Wastewater Impact.

11 PRESERVING, RENEWING, AND REPLACING ASSETS

This Section outlines the City's plan for preserving, renewing, and replacing its wastewater assets and provides a risk-benefit analysis to determine the optimum renewal or replacement time. Each sub-section details a specific category of wastewater system assets.

11.1 LIFT STATIONS

The City's lift stations are maintained by City staff. The City staff weekly visit the lift stations to check the station, pump down the station, and record pump hours. The City uses Cartegraph asset management to gather data and schedule each visit and inspection. The results of these inspections are used to inform the City of current and future lift station rehabilitation efforts.

Table 16 summarizes the City's lift station rehabilitation and replacement efforts for the next 5 years. Pump overhaul and routine maintenance are not included as a capital project expense. In addition to the pump overhaul and routine maintenance, the City should also complete a pump and lift station assessment every 15 years starting in 2026 to identify any infrastructure requiring rehabilitation or replacement.

Table 15 Threshold Rate

The opinion of probable costs (OPC) included are high-level estimates based on preliminary design information and does not reflect final design or construction costs. The Engineer has no control over the cost of labor, materials, or equipment; the Contractor's methods of determining prices; competitive bidding; or market conditions. The OPCs provided herein are based on the current information known to the Engineer and represent only the Engineer's judgment as a design professional familiar with the construction industry. The Engineer cannot and does not guarantee that proposals, bids, or actual construction costs will not vary from its OPCs.

11.2 Force Mains and ARVs

The City’s force mains and ARVs are maintained by City staff. The City uses Cartegraph asset management to gather data and schedule each evaluation and inspection. The results of these evaluations inform the City which force mains need to be evaluated. A force main assessment should be completed every 10 years until all force main replacements have been completed.

Table 17 summarizes the proposed force main rehabilitation and replacement efforts for the next 5 years. Repairs and routine maintenance are not included as a CIP project expense.

Table 17 Planned Wastewater Force Main Capital Projects

Project Name	Capital Expenses				
	FY25	FY26	FY27	FY28	FY29
UT-42 – Force Main Extensions	$350,000	$650,000	$700,000	$750,000	$700,000

11.3 Collection System (Gravity Mains and Manholes)

The City’s gravity mains and manholes are maintained by City staff. The City uses Cartegraph asset management to gather data and schedule each visit and inspection. The Cartegraph inspection process determines the manhole and line replacement or relining of the sewer line segments. Collection system evaluation including cleaning, closed-circuit television (CCTV) inspection, and National Association of Sewer Service Companies (NASSCO) ratings for gravity pipelines and manholes should occur every 5 years to continually evaluate the condition of the City’s wastewater system and identify ways to reduce inflow and infiltration (I&I). The condition and recommendation for rehabilitation should be established and re-prioritized based on the results of these inspections. Prioritization of rehabilitation and replacement should be evaluated based on the I&I contribution in each sewershed and infrastructure criticality as well as overall condition.

Sewer smoke-testing should be performed to identify significant contributors of I&I and determine the locations of any illegal connections to the system and other sources of stormwater inflow. The City should perform smoke testing every 5 years. A public relations program should be established to communicate when smoke may enter a home or a building during smoke testing. Smoke testing procedures should include how line segments are isolated, the maximum amount of line to be smoked at one time, and the weather conditions under which smoke-testing is conducted. Dye testing may also be performed to confirm the results of smoke-testing.

The City's wastewater system hydraulic model should be updated at a minimum every 5 years to reflect current flow data and changes to infrastructure throughout the City. Updates may need to occur more frequently if significant changes occur to the infrastructure or an increase in flow results from development. The City should identify and map sanitary sewer laterals.

Table 18 summarizes the proposed gravity main and manhole rehabilitation and replacement efforts for the next 5 years. Repairs and routine maintenance are not included as a CIP project expense.

Table 18 Planned Wastewater Collection System Capital Projects

Project Name	Capital Expenses				
	FY25	FY26	FY27	FY28	FY29
UT-39 – Septic/Sewer	$1,000,000	$1,000,000	$1,000,000	$1,000,000	$1,000,000

11.4 Meter Audit Program

The Meter Audit Program began in 2016 to enable the City Utility Department's Account Services to check all meters in the City. The field members of this Program comprise Meter Repair Technicians I and II who physically verify all equipment on site at properties throughout Winter Haven, make any necessary repairs, take photographs for meter locations, and log all meter-related information into a booklet for review.

The Meter Services Division works closely with the Customer Service Division by completing work orders that are called in by the City's customers. The Meter Services Division completes monthly work orders consisting of new service requests, terminations, non-payment turn-offs, turn-on paid requests, vacation turn-on or off requests, meter re-reads with data logging capabilities, and other miscellaneous field verification work orders.

The Meter Services Division is also responsible for reading all residential and commercial water, irrigation, and reuse meters to capture consumption used for billing purposes.

11.5 Fats, Oils, and Grease (FOG) Program

In 2024, the City adopted a FOG Program to combat the buildup of fats, oils, and grease in the collection system by City Ordinance 2014 Section 19-64. The FOG Program includes education, regular inspection, and sewer cleaning. FOG problem areas in the system are identified from historical work orders, sanitary sewer overflows (SSOs) due to grease, and interviews with staff involved in sewer cleaning. These problem areas help focus regulation, outreach, and cleaning efforts. The City has the authority to regulate discharges of grease

to the collection system and is authorized to inspect facilities. All commercial and industrial grease-generating facilities are required to install grease interceptors or grease removal devices. Facilities are required to maintain their grease interceptors and keep records of their maintenance and operation including when the interceptor is cleaned and accumulated grease is removed. The City's wastewater GIS geodatabase should be updated to include all grease traps and their locations. The wastewater geodatabase should include pertinent information about grease traps such as the condition, contact numbers, instances of non-compliance, and date of installation.

11.6 Summary of Recommended Preservation, Renewal, and Replacement Improvement Efforts

Table 19 and Table 20 summarize the known recommended improvements for the City wastewater system over a 20-year planning horizon.

12 WATER AND ENERGY CONSERVATION PLAN

In accordance with the City's Comprehensive Plan, the City's goal is to ensure the highest environmental quality possible and appropriately manage and where appropriate, restore or enhance its natural resources (aquatic, wetland, air, and terrestrial).

The City will promote water conservation as an integral part of water management programs, rules, and plans and promote using reclaimed water for irrigation. Reclaimed water for irrigation will not be used in excess and will be implemented to prevent runoff into stormwater systems and ultimately surrounding water bodies.

The City will continue to cooperate with the Southwest Florida Water Management District (SWFWMD), Polk County, and neighboring communities to conduct water conservation programs. If a water shortage is declared, the City shall support the SWFWMD, Polk County, Auburndale, Haines City, and Tampa Bay Water's (TBW) Water Shortage Plan in accordance with Chapter 40D-21, FAC.

SUBJECT: FINAL City of Winter Haven – Harmony Master Lift Station Hydraulic Modeling

---

1 Introduction and Project Summary

As part of a reclaimed water (RCW) main and force main (FM) project, the City of Winter Haven (City), Florida, is replacing a 30-inch FM that carries wastewater from the Chain O'Lakes Master Lift Station (MLS) to Wastewater Treatment Plant (WWTP) No. 3. The new 24-inch FM will provide for a new connection between the Chain O'Lakes Complex MLS and WWTP No. 3. The Harmony MLS, to be located near the southern end of the proposed Harmony on Lake Eloise Development (Harmony Development), will receive flow from and discharge flows to this 24-inch FM, acting as a booster station for the Chain O'Lakes Complex MLS and other 24-inch force main flows while also serving the Harmony Development. The Harmony MLS is being designed, permitted, and constructed as part of the ongoing RCW main and FM replacement project. The design of the Harmony MLS is to mimic that of the Chain O'Lakes MLS, which was also designed by Jones Edmunds.

The project area is shown on **Figure 1**, including:

- The Chain O'Lakes MLS. This City MLS has a firm design capacity of nearly 16 million gallons per day (MGD).
- The 23,000 linear feet (LF) of 24-inch force main that is under construction. This will replace a 30-inch existing force main connecting the Chain O'Lakes MLS and WWTP No. 3.
- The Harmony Development, which at completion will have three (3) lift stations serving 1,184 equivalent residential units (ERUs) comprised of single-family residences, townhomes, commercial unites, and a clubhouse spread over five (5) phases.
- The proposed Harmony MLS site at the southern end of the Harmony Development near Eloise Loop Road.
- WWTP No. 3.

Figure 1. *Location map of the entire project area.*

Updates to the DRAFT version of this report include model runs performed using the actual inner diameter for the high-density polyethylene pipe being installed (which is different from the original modeling performed by Jones Edmunds for the 24-inch force main design), incorporating a manufacturer's check valve minor loss coefficient for high head scenarios, and adjusting elevations at the Harmony MLS based on revisions to 100% design.

2 Hydraulic Model Setup

The hydraulic model was created in Bentley SewerGEMS software. The model elements were based on a previously developed Bentley WaterGEMS model used by Jones Edmunds to determine the appropriate size of the force main being constructed (Jones Edmunds, 2019). The conversion to SewerGEMS provides for additional functionality and can be incorporated into an area or system-wide model in the future for master planning purposes. Pump and pressure pipe calculations using the gradually-varied flow (GVF) solver within SewerGEMS are the same as those utilized in WaterGEMS.

AutoCAD construction plan drawing files for the 24-inch force main supplied by Jones Edmunds were used to adjust the model force main alignment to match the project design (Jones Edmunds, 2020).

2.1 24-inch Force Main Attributes

Pipe diameters along the 23,000 linear foot (LF) force main were assigned a value of 22.76 inches for polyvinyl chloride (PVC) dimension ratio (DR) 18 and 19.38 inches for high-density polyethylene (HDPE) DR 11 to reflect inner diameters of the piping being installed.

Pressure junctions were added to the force main at the locations of valves, fittings, and drastic changes in elevation such as low points of horizontal directional drills (HDDs). Pressure junctions were also added at a minimum of every 1,500 LF otherwise for a total of 124 locations along the force main. Ten (10) air valves were added to the model where indicated on the construction plan drawings. Ground and pipe invert elevations at pressure junctions and air valve locations were assigned to the nearest approximate one-foot value based on the construction plans.

The 24-inch force main from the Chain O'Lakes MLS discharged in the model into the master manhole on the Harmony MLS site. Additionally, a Harmony MLS bypass was included in the model for select scenarios where the Chain O'Lakes MLS could pump all the way to WWTP No. 3 as an operational alternative if the Harmony MLS was down for maintenance issues.

2.2 Harmony MLS Attributes

The Harmony MLS was set up in the model to match the preliminary design drawings supplied by Jones Edmunds, which are intended to essentially replicate the Chain O'Lakes MLS design. Grade at the Chain O'Lakes MLS is shown as Elevation (EL.) 142.80', which is roughly the ground elevation in the vicinity of the proposed Harmony MLS. However, the proposed sanitary sewer invert into the Harmony MLS will lower than the one entering the Chain O'Lakes MLS based on Harmony Development provided data and final Harmony MLS design, so the Harmony MLS will be deeper than the Chain O'Lakes MLS.

Ductile iron piping at the Harmony MLS was modeled with a diameter of 15.92 inches for 16-inch pipe discharges and 23.61 inches for the discharge header.

The pumps used for the Harmony MLS in the model were similar to those used for the Chain O'Lakes MLS. The pump curve for the variable-frequency driven (VFD) Xylem Flygt CP 3306 pumps at the Chain O'Lakes MLS is shown on **Figure 2**. The pumps used for the Harmony MLS were model NP 3306 pumps.

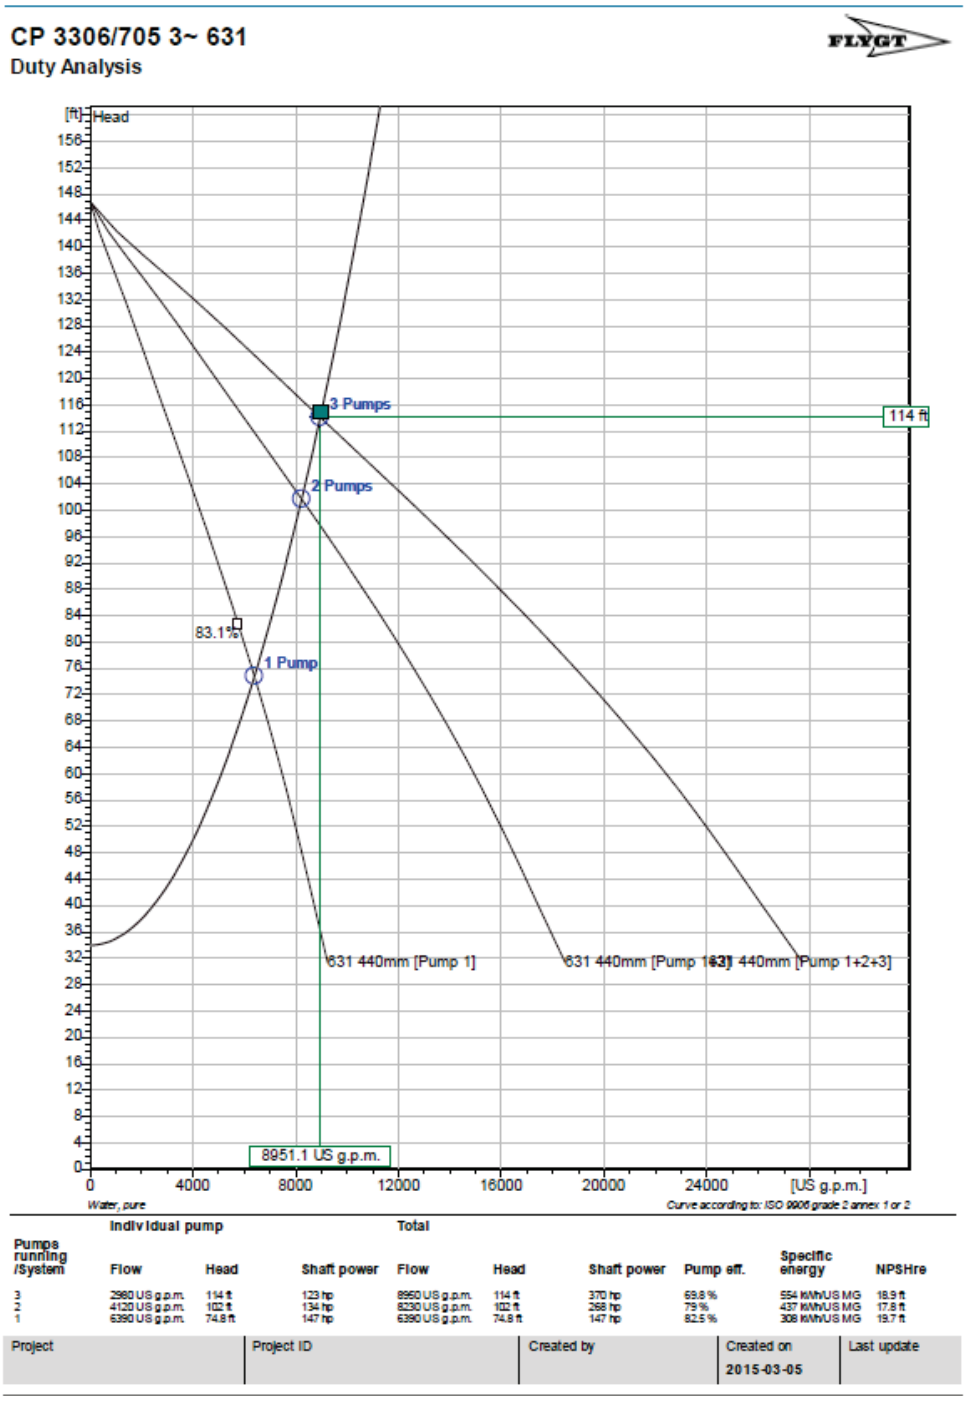

Figure 2. *Curves for pumps at the Chain O'Lakes MLS (system curve is related to the Chain O'Lakes design).*

2.3 Hydraulic Model Scenarios

To analyze a wide range of operating conditions, modeling was performed under steady-state conditions (i.e., representing a snapshot in time) under "high head" and "low head" conditions with various other flows in the 24-inch force main. Note that high head and low represent a bracket of normal operating conditions and are not necessarily indicate of the entire operating range the pumps will experience. High and low head conditions in the model differ with regard to the following:

- Pipe friction losses.
- Minor losses at the Chain O'Lakes and Harmony MLSs.
- Inlet and outlet boundary conditions.

Current and future scenarios for maximum operations (i.e., no other lift stations on), annual average day demand (AADF), and peak hour demand (PHD) were analyzed with either 1, 2, or 3 pumps in operation at both the Chain O'Lakes MLS and Harmony MLS as benchmarks. These are summarized in Section 4.

Specific scenarios were then examined based on design conditions for the Chain O'Lakes MLS and proposed design conditions for the Harmony MLS. These results are summarized in later sections.

2.3.1 Pipe Friction Losses

A key difference between low and high head conditions is the condition of the force main. Brand new piping is "smooth" while aged piping can suffer corrosion, buildup of hardened grit, and other issues. The degree of roughness affects the hydraulic friction loss along the piping and reduces the pump output by causing higher head conditions.

For pressure piping such as force mains, friction headloss calculations are typically performed using the Hazen-Williams equation, which was used for modeling the Harmony MLS. The Hazen-Williams equation for friction headloss is:

$$H_f = 10.44 L Q_{gpm}^{1.85} / (C^{1.85} d^{4.8655})$$

where:

H_f = friction headloss (ft)
L = length of pipe (ft)
Q_{gpm} = flow (gpm)
C = Hazen-Williams pipe roughness or friction factor
d = internal pipe diameter (in.).

Higher values of C represent smoother pipe. A typical value for new plastic pipe such as PVC and HDPE is C=150. This was used for low head conditions.

Plastic pipes do not suffer from corrosion like some other pipe materials. However, they can accumulate solids, and the "Recommended Standards for Wastewater Facilities" (commonly known as "Ten State Standards") states that a Hazen-Williams C=120 is the smoothest design to be used for plastic pipe (GLUMB, 2014). This was used for high head conditions.

These values were also used for the Chain O'Lakes MLS and Harmony MLS ductile iron pipes.

2.3.2 Minor Losses

Minor losses for valves and fittings are often significant at pump stations while friction losses are dominant along long pipelines. Minor losses are governed by:

$$H_m = K\, v^2 / (2\, g)$$

where:

H_m = minor losses (ft)
K = loss coefficient
v = velocity (feet per second)
g = gravitational constant (32.2 feet per second^2).

Minor loss items and pipe lengths at the proposed Harmony MLS were based on preliminary base drawings for the Harmony MLS provided by Jones Edmunds as shown on **Figure 3**. The values for minor losses at the Chain O'Lakes MLS and Harmony MLS were set to match values Jones Edmunds had used for low head conditions at the Chain O'Lakes MLS. For high head conditions, built-in and more conservative values within SewerGEMS were used as shown on **Table 1** except for the check valve value which was derived from the rating curve for the GA Industries Ludlow Swing Check Valve with Lever and Weight, V-420, installed at the Chain O' Lakes MLS.

Table 1. *Minor loss values used at the Chain O'Lakes MLS and Harmony MLS under high head conditions.*

ITEM	K-VALUE FOR MINOR LOSSES
90° Bend (Compact)	0.37
Check Valve	1.00
Gate Valve	0.39
Tee (Line Flow)	0.35
Tee (Branch Flow)	1.28
Expansion (Conical)	0.03
Expansion (Sudden)	0.80

2.3.3 Boundary Conditions

The wet well water surface elevations used by Jones Edmunds for the Chain O'Lakes MLS in their force main model are as follows (and shown on **Figure 4**):

- High head – 123.5 ft.
- Low head – 130.0 ft.

While the ground elevation at the Harmony MLS site is similar to that of the Chain O'Lakes site, due to the elevations of the Harmony Development collection system and influent sewer to the

Harmony MLS site, the proposed Harmony MLS will be deeper than the Chain O'Lakes MLS. The corresponding wet well water surface elevations are also different.

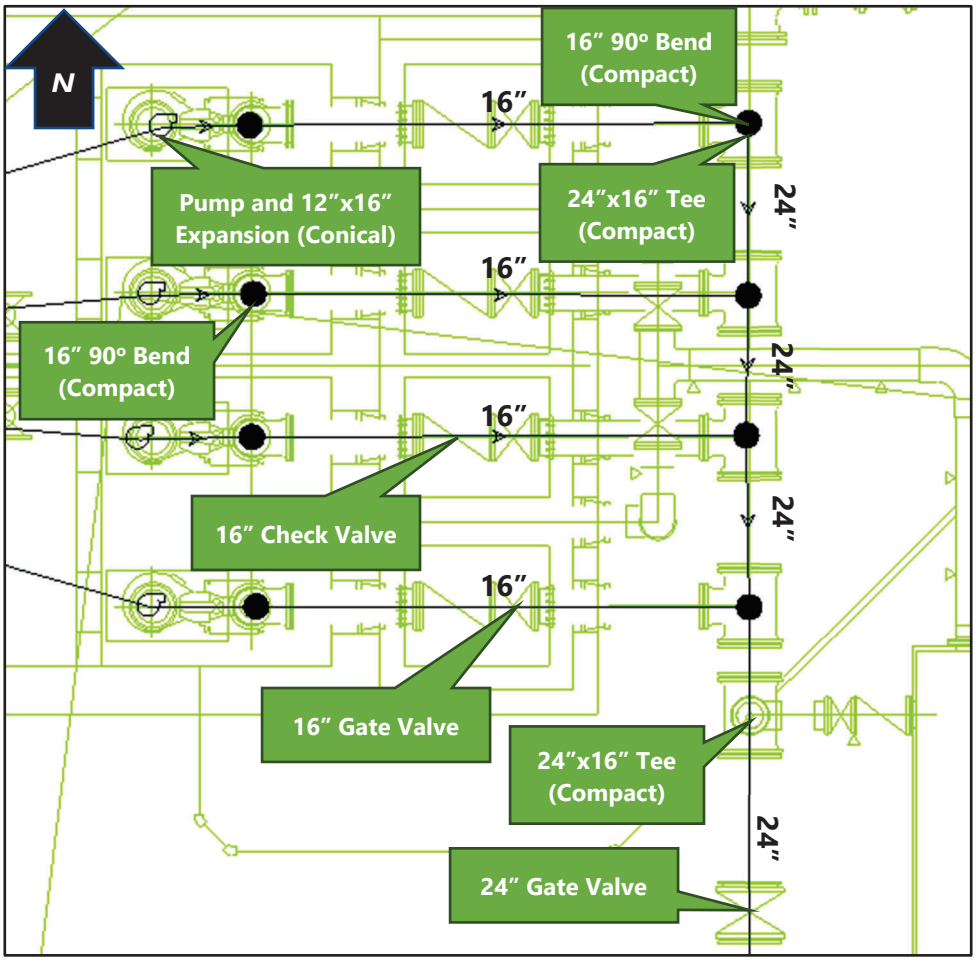

Figure 3. *SewerGEMS model overlay on a preliminary drawing of the Harmony MLS.*

FLOAT AND TRANSDUCER SETTINGS:

THE BELOW FLOATS AND TRANSDUCERS SHALL BE PROVIDED IN EACH WET WELL:

Ⓐ	HWL ALARM/REDUNDANT FIRM PUMPS ON EL:	130.50
Ⓑ	LWL ALARM/REDUNDANT ALL PUMPS OFF EL:	124.00
Ⓒ	SUBMERSIBLE PUMPS LEVEL SET POINT:	129.00
Ⓓ	BYPASS PUMP ON EL:	131.50
	BYPASS PUMP OFF EL:	125.00
	BYPASS PUMP LEVEL SET POINT:	129.00

Figure 4. *Float and transducer settings for the Chain O'Lakes MLS, from Jones Edmunds (2017) Sheet M-2.*

Based on Jones Edmunds' design for the Harmony MLS, the following Harmony MLS wet well water surface elevations were used:

- High head – 113.75 ft.
- Low head – 117.65 ft.

The outlet elevations at WWTP No. 3 used by Jones Edmunds for their force main sizing model were as follows:

- High head – 157.66 ft.
- Low head – 153.83 ft.

According to Jones Edmunds (2015), the water surface elevation for the low head condition was taken from the hydraulic profile of WWTP No. 3 while the water surface elevation for the high head condition was the highest structure elevation at the influent to WWTP No. 3 These values were used for the Harmony MLS model.

Note that head conditions can be lower than the low head conditions used in the modeling efforts, e.g., if a wet well water surface elevation rises above normal operating conditions due to high flows. High head conditions used in the model represent a relatively high head condition that can be paradoxical. For example, the wet well water surface elevation represents the level right where pumps would be turning-off. However, other system conditions such as contributing flows and the WWTP No. 3 outlet elevation may represent extreme conditions where the water surface elevation in the wet well would likely be higher – possibly even higher than the value assigned for the low head condition.

3 Flow Development

Flows entering the Harmony MLS will include:

- Flows from the Chain O'Lakes MLS.
- Flows from lift stations to the west and north of the Harmony Development, including:
    - Up to six (6) private lift stations.
    - City LS 207.
    - City LS 209.
- Flows from lift stations to the east of the Harmony Development, including:
    - City LS 178.
    - City LS 215.
- Flows from the Harmony Development.

Other lift stations manifold into the force main between the Harmony MLS and WWTP No. 3, including:

- Flows from lift stations to the west and south of the Harmony Development, including:
    - Three (3) private lift stations.
    - City LS 141.

- Flows from the east which manifold near the entrance to WWTP No. 3.
- Flow from the Eloise Loop Development.

These approximate locations are shown on **Figure 5**.

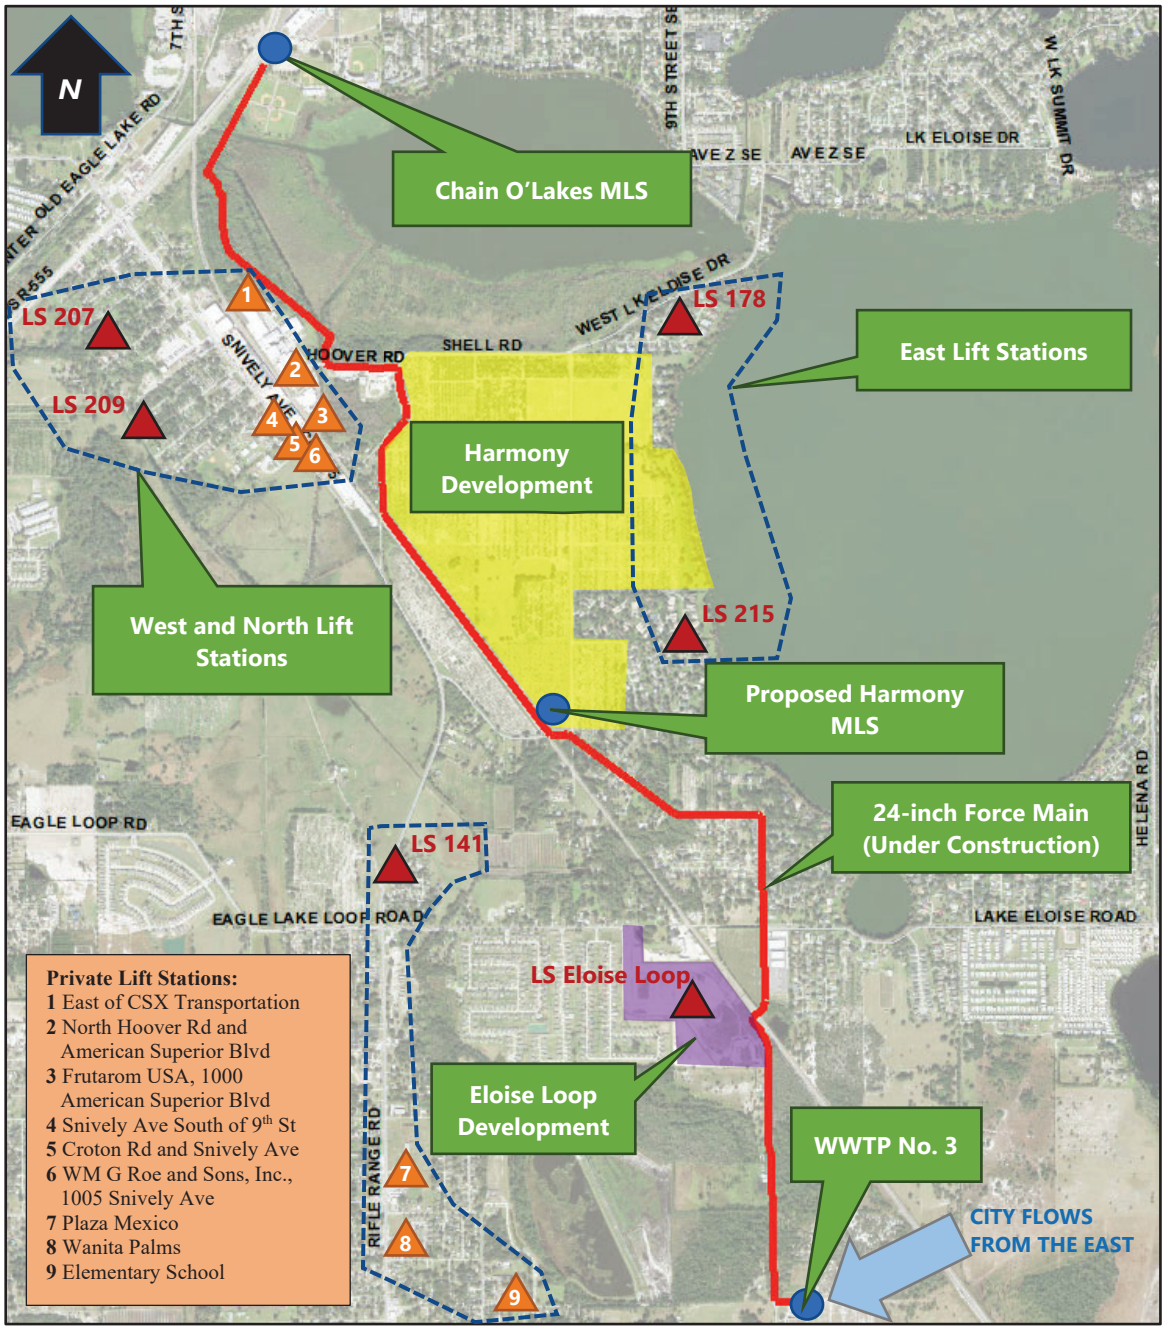

Figure 5. *Location map of modeled flow sources.*

3.1 Flows from the Chain O'Lakes MLS

Estimated flows for the Chain O'Lakes MLS were based on Jones Edmunds (2015) and are summarized in **Table 2**.

City-provided data for WWTP No. 3 from January 2020 through October 2021 showed a minimum monthly flow of 3.30 MGD, an average monthly flow of 4.10 MGD, and a maximum monthly flow of 5.32 MGD. There is a slight increasing trend as shown on **Figure 6**. Jones Edmunds (2015) demonstrated that flows from the Chain O'Lakes MLS represented 91% of the flow to WWTP No. 3 during the period of September 25-28, 2014. The average daily flow to WWTP No. 3 during this period was 4.9 MGD, which is higher than the January 2020 through October 2021 average but during a month (September) that was the peak month in 2020 and a peak thus far in 2021.

Table 2. *Chain O'Lakes MLS flow projections.*

MLS DESIGN FLOW CONDITION	CURRENT DESIGN FLOW (MGD)	FUTURE DESIGN FLOW (MGD)
AADF	3.50	5.29
PHF	10.50	15.87

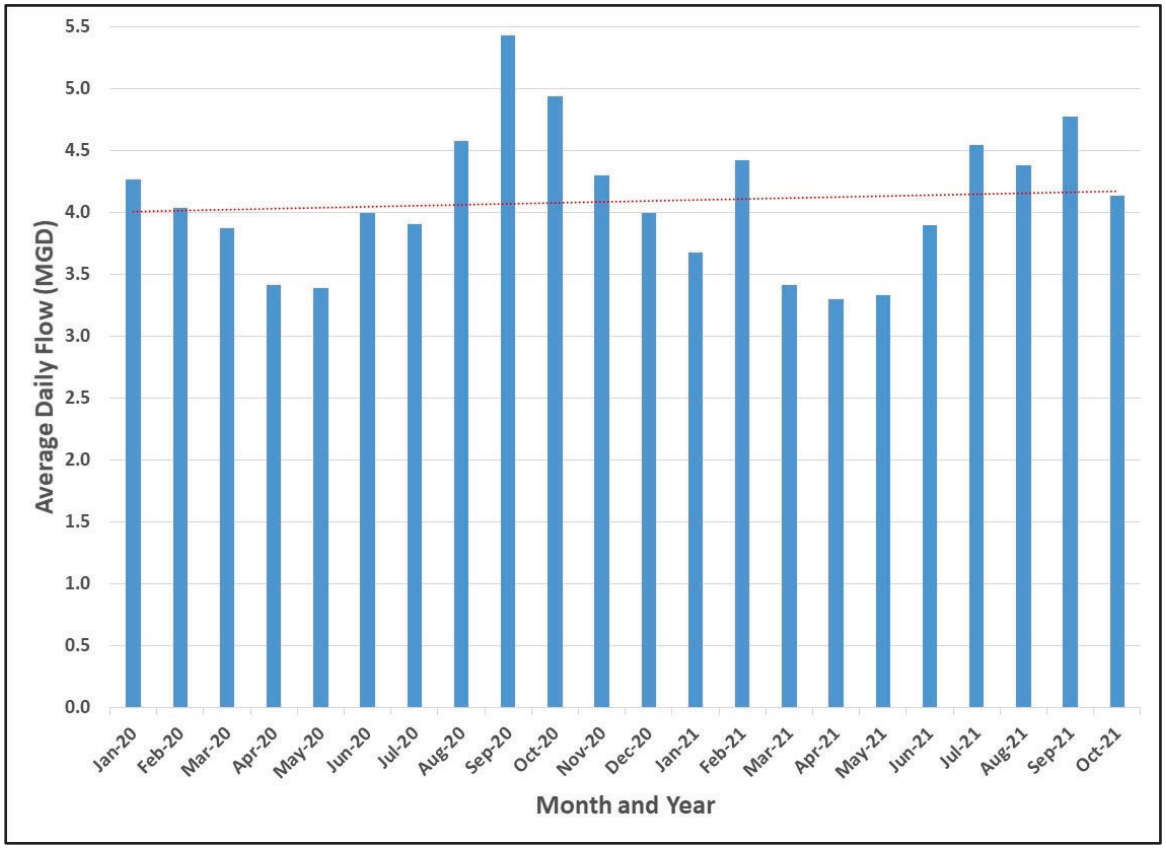

Figure 6. *WWTP No. 3 monthly average flows from January 2020 through October 2021.*

3.2 Flows from the West and North

Flows from the west and north of the Harmony Development include up to six (6) lift stations. The flows and pump information at these locations is unknown:

- East of CSX Transportation
- North Hoover Rd and American Superior Blvd
- Frutarom USA, 1000 American Superior Blvd
- Snively Ave South of 9th St
- Croton Rd and Snively Ave
- WM G Roe and Sons, Inc., 1005 Snively Ave

Flows also include two City lift stations, LSs 207 and 209.

The modeling was based on the assumption that the City will redirect three (3) of the private lift stations to LS 209 and then through LS 207 to the 24-inch force main. Because information such as design flows and pump information for the private lift stations are unknown, it was assumed that the PHF would not exceed 5 feet per second (5 fps) in the 6-inch force main from LS 207 for the high head condition, or 441 gallons per minute (gpm). It was assumed the PHF:AADF peaking factor was 4:1, giving an AADF of 110 gpm.

For the remaining three (3) private lift stations, the same assumptions were made based on a 4-inch force main. The PHF based on 5 fps was 196 gpm while the AADF based on a PHF: AADF ratio of 4:1 was 49 gpm.

Current and future flows from these lift stations were assumed to be the same. No allowance was made for future growth.

3.3 Flows from the East

Two City lift stations will contribute flows to the force main from the East. LS 178 pumps into a 6-inch force main and will connect to the 24-inch force main upstream of the Harmony MLS. LS 215 was modeled as pumping into the Harmony MLS system through its 4-inch force main. LS 178 was assigned a flow of 110 gpm for AADF and 441 gpm for PHF. LS 215 was assigned a flow of 49 gpm for AADF and 196 gpm for PHF.

Current and future flows from these lift stations were assumed to be the same. No allowance was made for future growth.

3.4 Flows from the Harmony Development

Flows were provided by Dewberry for the Harmony Development's internal wastewater load. Three (2) separate lift stations are planned in addition to the Harmony MLS being located within the development:

- The Harmony MLS will be required for Phase 1, and the collection system upstream within the Harmony Development will have a projected buildout AADF of 43 gpm and PHF of 173 gpm.

- LS2 will be required for Phase 2 and will have a projected buildout AADF of 111 gpm and PHF of 389 gpm.
- LS 3 will be required for Phase 3 and will have a projected buildout AADF of 101 gpm and PHF of 353 gpm.

For current conditions, Phase 1 flows of 43 gpm AADF and 173 gpm were used. The Harmony Development lift stations were assigned a future flow totaling AADF of 255 gpm and PHF of 915 gpm representing the sum of all phases of development.

3.5 Other Manifold Lift Stations

These include flows which manifold into force mains downstream of the Harmony Development, including:

- Three (3) private lift stations and City LS 141, to the south and west of Harmony MLS
- City flows from the east which manifold near the entrance to WWTP No. 3.
- Flow from the Eloise Loop Development.

3.5.1 Lift Stations to the South and West

LS 141 and the private lift stations Plaza Mexico, Wanita Palms, and Elementary School connect directly to the existing 30-inch force main but will not connect directly to the new 24-inch force main until just outside of WWTP No. 3.

The design flows and pump information for the private lift stations is unknown. Since the largest force main associated with these force mains is 6-inch (Wanita Palms LS), the flow assigned to this location was 196 gpm for AADF and 441 gpm for PHF. Current and future flows from these lift stations were assumed to be the same. No allowance was made for future growth.

3.5.2 Eloise Loop Development

Construction plans for Phase I of the Eloise Loop Development (JSK Consulting, 2019) show a total of 205 lots for the subdivision along with a wastewater LS. The LS design sheet shows a duplex pump station with a design flow of 189 gpm. Assuming each of the 205 lots will be single family residential, the buildout AADF for the subdivision can be estimated at 205 ERUs x 270 gallons per day (gpd) per ERU (consistent with what was used for the Harmony Development) = 55,350 gallons per day, or 38 gpm. The design flow of the LS of 189 gpm is 4.9 times this value. This suggests the Eloise Loop LS was designed for the buildout of the Eloise Loop Development.

It was assumed that the 61 lots of Phase IA will be developed by the time the Harmony MLS is online This is unlikely to require the Eloise Loop LS to operate a PHF at its design capacity of 189 gpm for extended periods of time, but this was used for PHF to match the Eloise Loop LS design flow. For current AADF, a value of 61 ERUs x 270 gpd per ERU = 16,470 gpd, or 11 gpm, was used.

3.5.3 City Force Main from the East

There is a City-owned force main with flows from the east that will connect with the new 24-inch force main at the WWTP No. 3 entrance, where the union becomes 36-inch entering WWTP No. 3. The size of this force main is shown as both 24-inch and 16-inch in different sources. Based on Jones Edmunds (2015), the average flow through this force main was on the order of 0.5 MGD in 2014. This was assumed to be 0.5 MGD (347 gpm) for current AADF conditions. Using a peaking factor of 3.0 would generate a current PHF of 1,041 gpm.

The future PHF was estimated to be 3,133 gpm based on the velocity of 5 fps while AADF was estimated as 1,044 gpm based on a peaking factor of 3.0.

3.6 Flow Summary

A summary of current (e.g., around the time when the Harmony MLS is first online) and future design flows input into the model for AADF and PHF conditions is shown in **Table 3**.

Table 3. *Summary of modeled flow contributions.*

SOURCE		CURRENT AADF (GPM)	CURRENT PHF (GPM)	FUTURE AADF (GPM)	FUTURE PHF (GPM)
FLOW TO HARMONY MLS	West and North LSs	159	637	159	637
	East LSs	159	637	159	637
	Harmony Development	43	173	255	915
FLOW TO WWTP No. 3	South and West LSs	110	441	110	441
	Force Main from the East	347	1,041	1,044	3,133
	Eloise Loop Development	11	50	38	189

4 Benchmark Hydraulic Model Results

4.1 Current and Future Conditions with No Other Flows

High head and low head conditions were run with 1, 2, and 3 pumps on at both the Chain O'Lakes MLS and the Harmony MLS with no other contributing flows modeled. The results are summarized by **Table 4** and **Figure 7** for the Chain O'Lakes MLS and by **Table 5** and **Figure 8** for the Harmony MLS. These suggest the firm capacity of the Harmony MLS will be 0.5 to 1.5 MGD lower than the firm capacity of the Chain O'Lakes MLS under the modeled operating conditions when no other lift stations are pumping to the 24-inch force main.

The highest velocity observed during modeling these scenarios was at the Chain O'Lakes MLS in a 16-inch discharge pipe under the One Pump ON – Low Head scenario of 10.8 fps. The highest pressure observed during modeling these scenarios was 68 pounds per square inch (psi) just south of the Chain O'Lakes MLS in a deep section of HDD under the Three Pumps ON – High Head scenario.

Table 4. *Summary of current condition scenarios for the Chain O'Lakes MLS with no small lift stations in operation.*

SCENARIO	PUMP FLOW (MGD)	PUMP HEAD (FT)	TOTAL MLS OUTFLOW (MGD)
One Pump ON – Low Head	9.7	68	9.7
One Pump ON – High Head	8.2	81	8.2
Two Pumps ON – Low Head	6.3	99	12.6
Two Pumps ON – High Head	5.1	108	10.3
Three Pumps ON – Low Head	4.6	113	13.7
Three Pumps ON – High Head	3.7	120	11.0

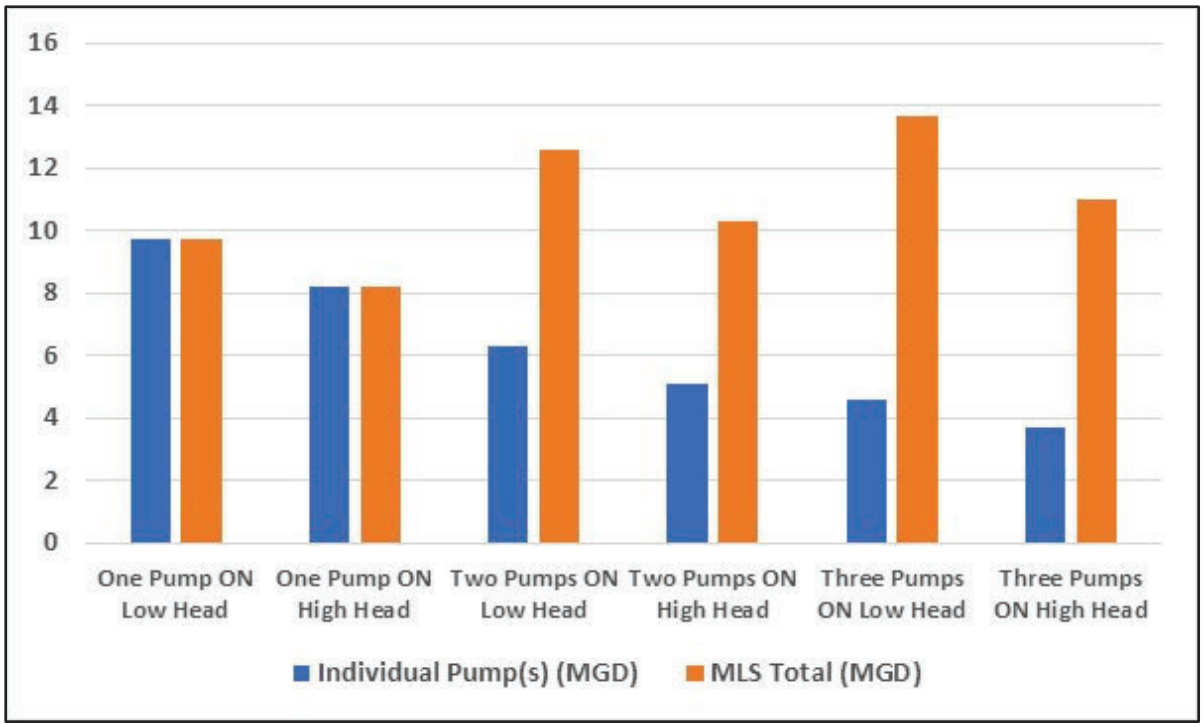

Figure 7. *Summary of current condition scenarios for the Chain O'Lakes MLS with no small lift stations in operation.*

Table 5. *Summary of current condition scenarios for the Harmony MLS with no small lift stations in operation.*

SCENARIO	PUMP FLOW (MGD)	PUMP HEAD (FT)	INFLUENT MLS FLOW (MGD)	TOTAL MLS OUTFLOW (MGD)
One Pump ON – Low Head	8.2	77	9.7	8.2
One Pump ON – High Head	6.9	89	8.2	6.9
Two Pumps ON – Low Head	5.5	101	12.6	11.0
Two Pumps ON – High Head	4.4	109	10.3	8.8
Three Pumps ON – Low Head	4.0	112	13.7	12.1
Three Pumps ON – High Head	3.2	118	11.0	9.6

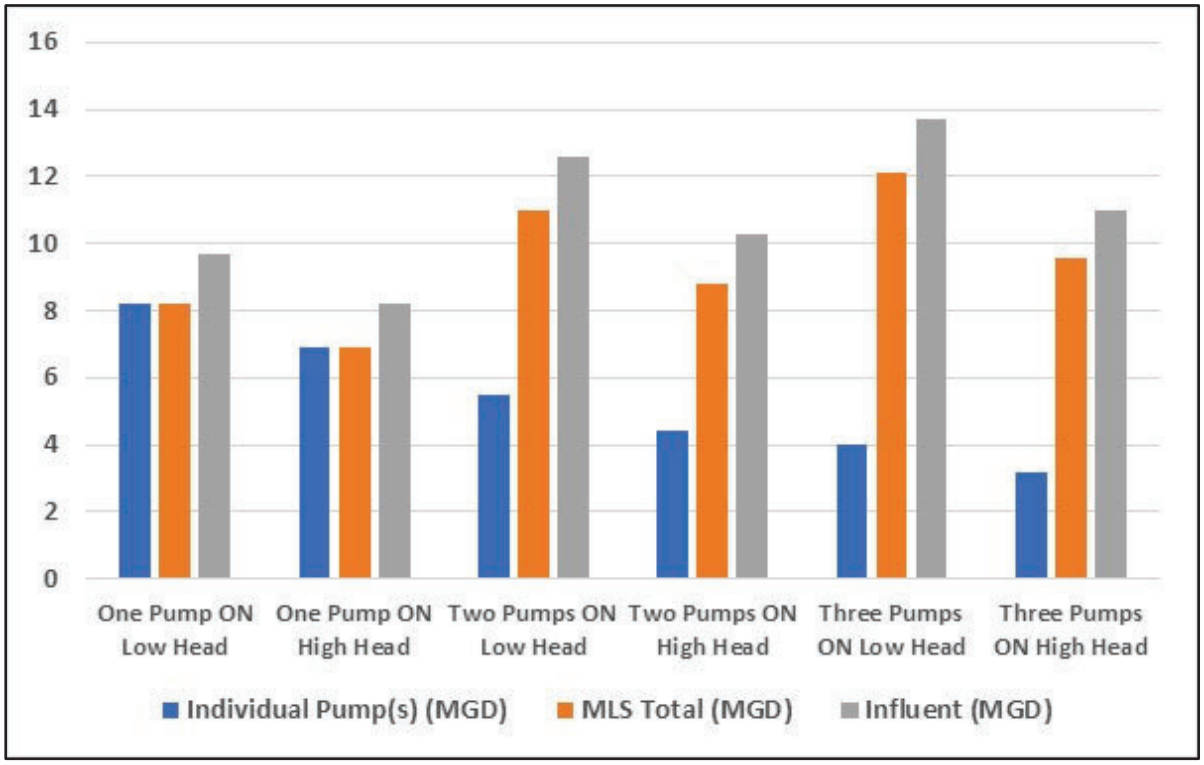

Figure 8. *Summary of current condition scenarios for the Harmony MLS with no small lift stations in operation.*

4.2 Current AADF Conditions

High head and low head conditions were run with 1, 2, and 3 pumps on at both the Chain O'Lakes MLS and the Harmony MLS with other contributing flows modeled under AADF conditions. The results are summarized in **Table 6** and on **Figure 9** for the Chain O'Lakes MLS and in **Table 7** and on **Figure 10** for the Harmony MLS. These suggest the firm capacity of the Harmony MLS may be

0.4 to 1.4 MGD lower than the firm capacity of the Chain O'Lakes MLS under modeled current AADF conditions.

The highest velocity observed during modeling these scenarios was at the Chain O'Lakes MLS in a 16-inch discharge pipe under the One Pump ON – Low Head scenario of 10.8 fps. The highest pressure observed during modeling these scenarios was 68 pounds per square inch (psi) just south of the Chain O'Lakes MLS in a deep section of HDD.

Table 6. *Summary of current condition scenarios under AADF for the Chain O'Lakes MLS.*

SCENARIO	PUMP FLOW (MGD)	PUMP HEAD (FT)	TOTAL MLS OUTFLOW (MGD)
One Pump ON – Low Head	9.6	68	9.6
One Pump ON – High Head	8.2	82	8.2
Two Pumps ON – Low Head	6.2	99	12.5
Two Pumps ON – High Head	5.1	109	10.1
Three Pumps ON – Low Head	4.5	113	13.6
Three Pumps ON – High Head	3.6	121	10.9

Three Pumps ON – High Head	3.2	118	11.4	9.5

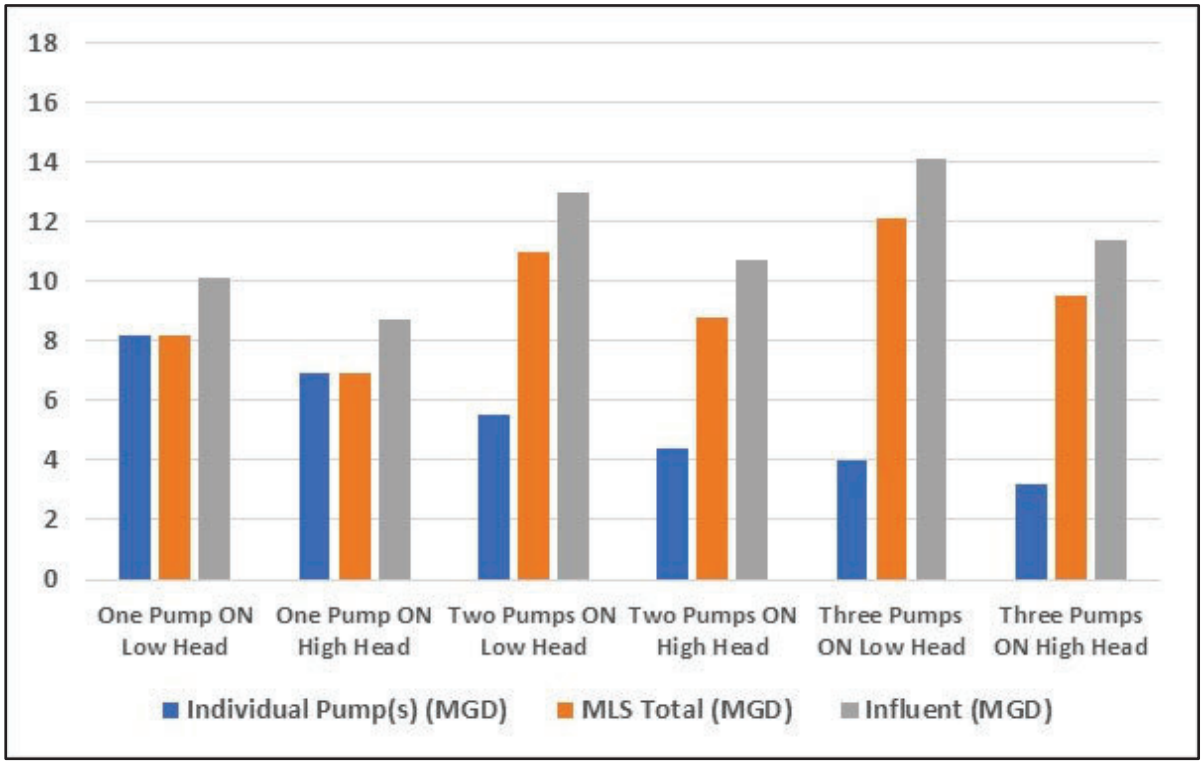

Figure 10. *Summary of current condition scenarios under AADF for the Harmony MLS.*

4.3 Current PHF Conditions

High head and low head conditions were run with 1, 2, and 3 pumps on at both the Chain O'Lakes MLS and the Harmony MLS with other contributing flows modeled under PHF conditions. The results are summarized by **Table 8** and **Figure 11** for the Chain O'Lakes MLS and by **Table 9** and **Figure 12** for the Harmony MLS. These suggest the firm capacity of the Harmony MLS may be 0.3 to 1.2 MGD lower than the Chain O'Lakes MLS under modeled current PHF conditions.

The highest velocity observed during modeling these scenarios was at the Chain O'Lakes MLS in a 16-inch discharge pipe under the One Pump ON – Low Head scenario of 10.5 fps. The highest pressure observed during modeling these scenarios was 69 pounds per square inch (psi) just south of the Chain O'Lakes MLS in a deep section of HDD.

Table 8. *Summary of current condition scenarios under PHF for the Chain O'Lakes MLS.*

SCENARIO	PUMP FLOW (MGD)	PUMP HEAD (FT)	TOTAL MLS OUTFLOW (MGD)
One Pump ON – Low Head	9.4	70	9.4
One Pump ON – High Head	7.9	84	7.9
Two Pumps ON – Low Head	6.1	100	12.1
Two Pumps ON – High Head	4.9	110	9.8

Three Pumps ON – High Head	3.2	118	12.6	9.5

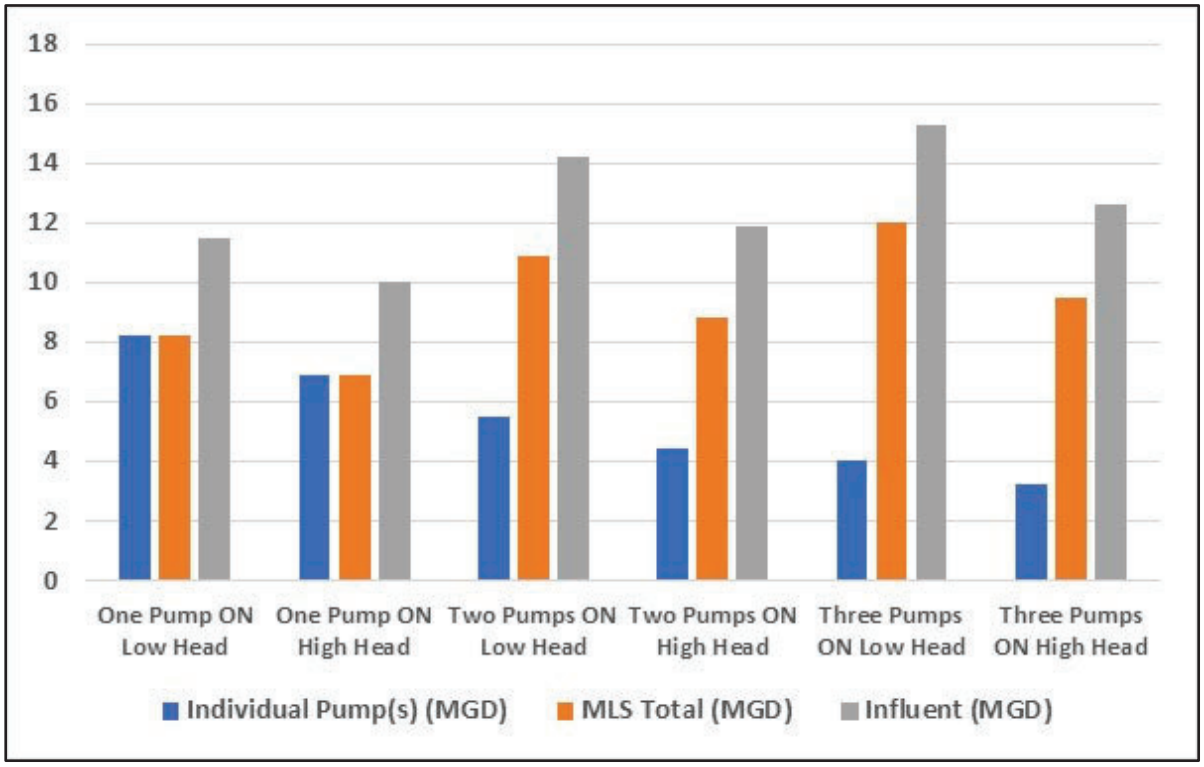

Figure 12. *Summary of current condition scenarios under PHF for the Harmony MLS.*

4.4 Future AADF Conditions

High head and low head conditions were run with 1, 2, and 3 pumps on at both the Chain O'Lakes MLS and the Harmony MLS with other contributing flows modeled under AADF conditions. The results are summarized by **Table 10** and **Figure 13** for the Chain O'Lakes MLS and by **Table 11** and **Figure 14** for the Harmony MLS. These suggest the firm capacity of the Harmony MLS may

be 0.4 to 1.4 MGD lower than the firm capacity of the Chain O'Lakes MLS under modeled future AADF conditions.

The highest velocity observed during modeling these scenarios was at the Chain O'Lakes MLS in a 16-inch discharge pipe under the One Pump ON – Low Head scenario of 10.8 fps. The highest pressure observed during modeling these scenarios was 68 pounds per square inch (psi) just south of the Chain O'Lakes MLS in a deep section of HDD.

4.5 Future PHF Conditions

High head and low head conditions were run with 1, 2, and 3 pumps on at both the Chain O'Lakes MLS and the Harmony MLS with other contributing flows modeled under AADF conditions. The results are summarized by **Table 12** and **Figure 15** for the Chain O'Lakes MLS and by **Table 13** and **Figure 16** for the Harmony MLS. These suggest the firm capacity of the Harmony MLS may

be 0.3 to 1.2 MGD lower than the firm capacity of the Chain O'Lakes MLS under modeled future PHF conditions.

The highest velocity observed during modeling these scenarios was at the Chain O'Lakes MLS in a 16-inch discharge pipe under the One Pump ON – Low Head scenario of 10.5 fps. The highest pressure observed during modeling these scenarios was 69 pounds per square inch (psi) just south of the Chain O'Lakes MLS in a deep section of HDD.

4.6 Summary of Benchmark Results

Based on the modeling results with 1, 2, and 3 pumps on at full speed at both the Chain O'Lakes MLS and Harmony MLS under various conditions:

- The firm capacity of the Harmony MLS may be lower than that of the Chain O'Lakes MLS. Additional flows upstream of the Harmony MLS will make the influent flows to the Harmony MLS higher than flows to the Chain O'Lakes MLS.

- Pressures exceeding 60 psi were modeled in the HDD section just south of the Chain O'Lakes MLS, but only if three (3) pumps were on at full speed. Jones Edmunds (2020) noted that the normal maximum pressure is to be 40 psi. This is exceeded in the model under some scenarios in HDD locations.
- The maximum velocity at the Chain O'Lakes MLS can approach 11 fps if only one pump is operating at full speed. This is below the 15 fps maximum allowable of Hydraulic Institute Standards and other guidelines, although the allowable velocity is to be lower if there is a check valve as in this case. High velocities increase the risk of hydraulic transients, such as in the case of a sudden shutdown due to power loss and a check valve slam. No transient analysis was performed as part of this modeling effort.
- The maximum velocity in the HDPE section of the 24-inch force main can approach or exceed 9 fps under low head conditions if three (3) pumps are on at the Harmony MLS at full speed.
- If three (3) pumps are on at the Chain O'Lakes MLS at full speed, the influent flow to the Harmony MLS is projected to exceed the Harmony MLS firm capacity under modeled conditions.
- The flow and head results at the Harmony MLS were very consistent throughout all respective low head and high head scenarios.

A graphical representation of individual pump operating points for both Chain O'Lakes MLS and Harmony MLS is shown on **Figure 17**. Note that the curve representation within SewerGEMS is smoothed relative to the manufacturer's curve which places modeled operating points just off of the curve.

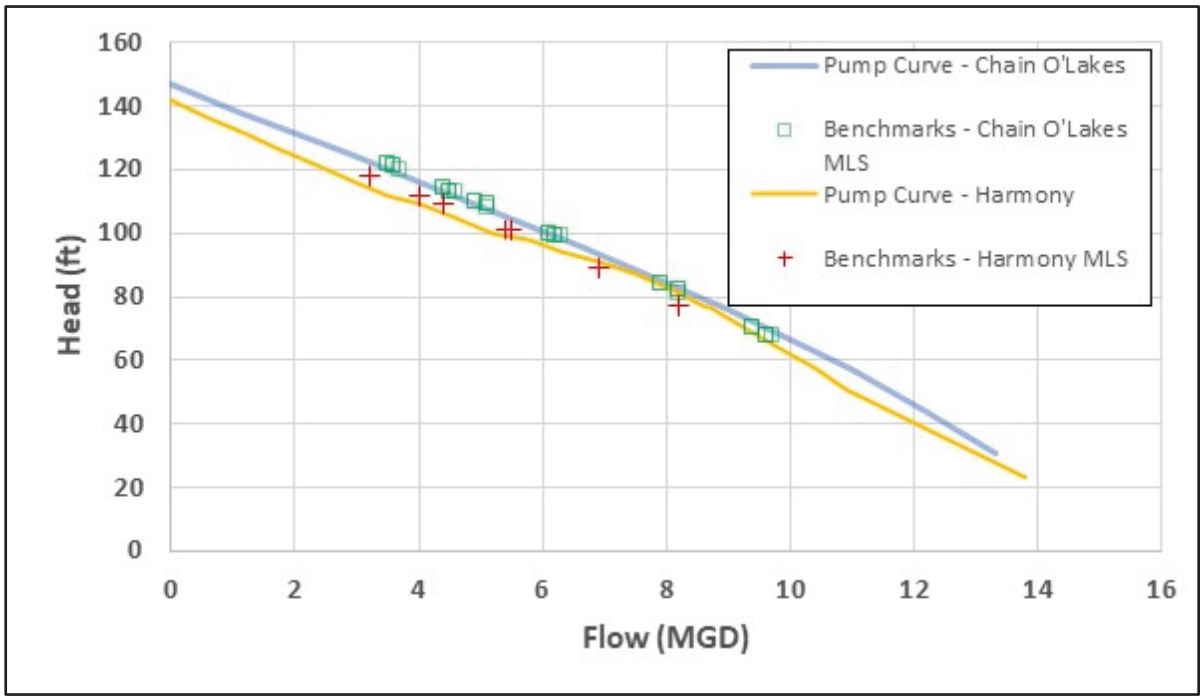

Figure 17. *Summary of benchmark pump operating points for the Chain O'Lakes MLS and Harmony MLS.*

5 Additional Hydraulic Model Results

Based on the findings of Section 4, detailed hydraulic analyses were performed for the following scenarios:

- Current AADF with Chain O'Lakes MLS and Harmony MLS operating to match AADF under low head and high head conditions.
- Current PHF with Chain O'Lakes MLS and Harmony MLS operating to match PHF under low head and high head conditions.
- Future AADF with Chain O'Lakes MLS and Harmony MLS operating to match AADF under low head and high head conditions.
- Future PHF with Chain O'Lakes MLS and Harmony MLS operating to match PHF under low head and high head conditions.

5.1 Current AADF with Chain O'Lakes MLS and Harmony MLS at AADF

This scenario was the same as those performed under Section 4.2 for current AADF system flows but with the Chain O'Lakes operating with one (1) pump set to 3.5 MGD to match the current estimated AADF at the Chain O'Lakes MLS and one (1) pump at the Harmony MLS set to match the modeled influent flow.

Under low head conditions, one (1) pump at the Chain O'Lakes MLS in the model operated at 0.45% speed to generate 3.5 MGD. Typically, 60% is the minimum turndown speed, so the Chain O'Lakes MLS will likely cycle on-and-off trying to maintain a level under AADF conditions. One (1) pump at the Harmony MLS matched the inflow of 4.0 MGD operating at 69% speed.

The maximum pressure in the model was only 30 psi, and the maximum 24-inch force main velocity was 3.0 fps.

Figure 18 and **Figure 19** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under low head conditions.

Under high head conditions, the pump at the Chain O'Lakes MLS in the model operated at 55%. As with the low head conditions, this pump will likely cycle on-and-off under AADF conditions. One (1) pump at the Harmony MLS matched the inflow of 4.0 MGD operating at 77% speed.

The maximum pressure in the model was 32 psi. **Figure 20** and **Figure 21** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under high head conditions.

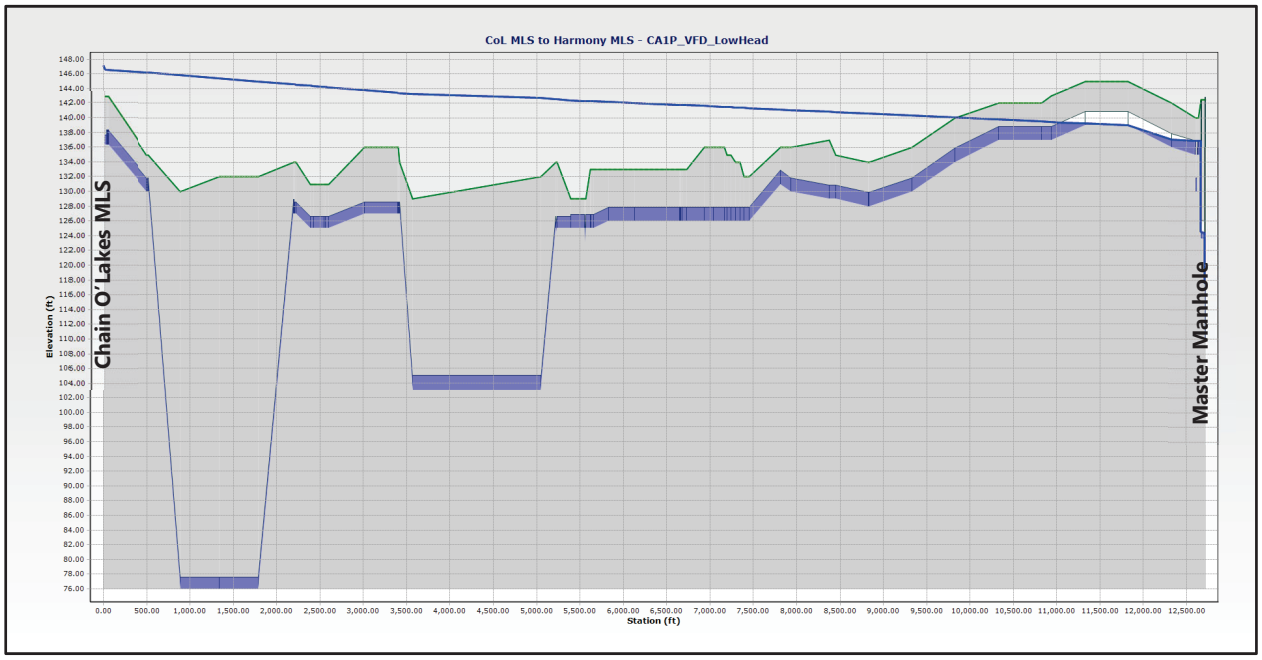

***Figure 18**. Low head profile of existing AADF conditions with the Chain O'Lakes MLS at 3.5 MGD.*

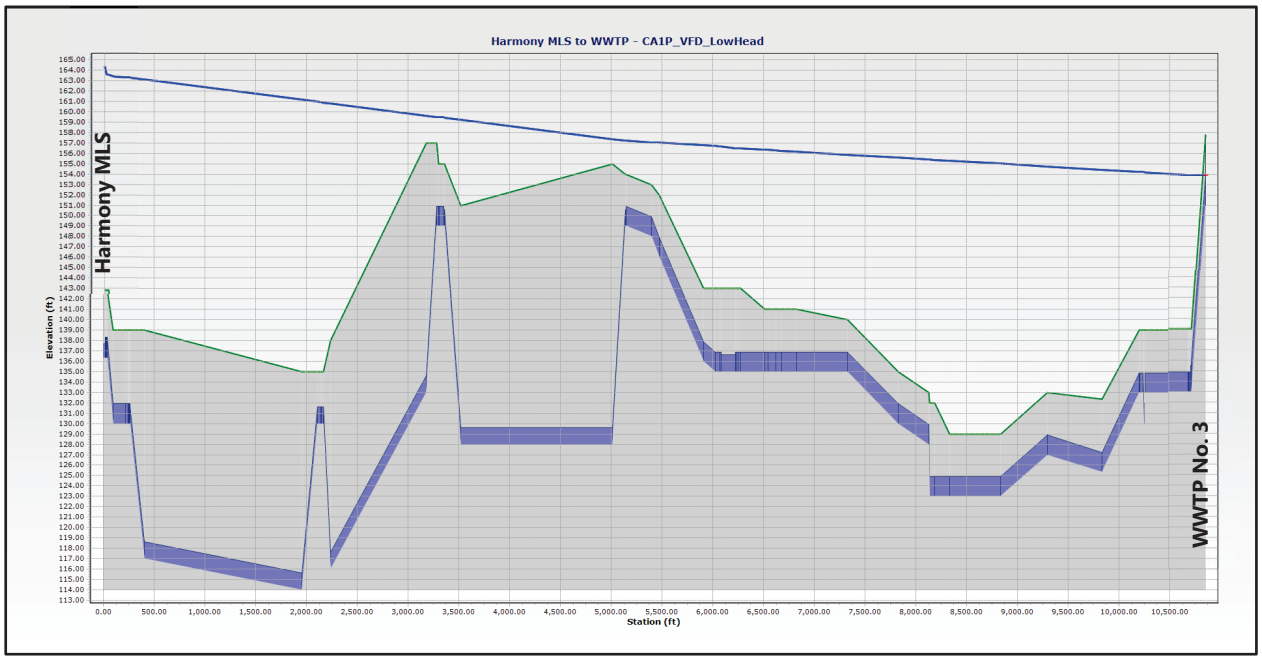

***Figure 19**. Low head profile of existing AADF conditions with the Harmony MLS at 4.0 MGD to match AADF influent.*

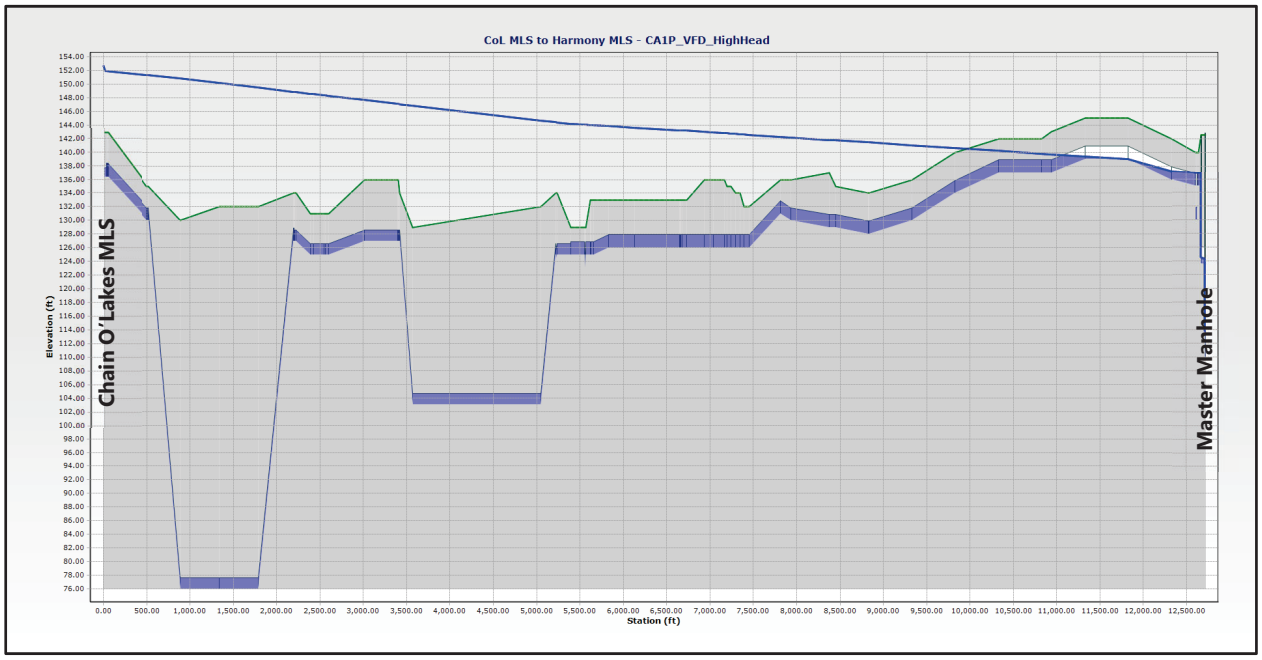

Figure 20. *High head profile of modeled existing AADF conditions with the Chain O'Lakes MLS at 3.5 MGD.*

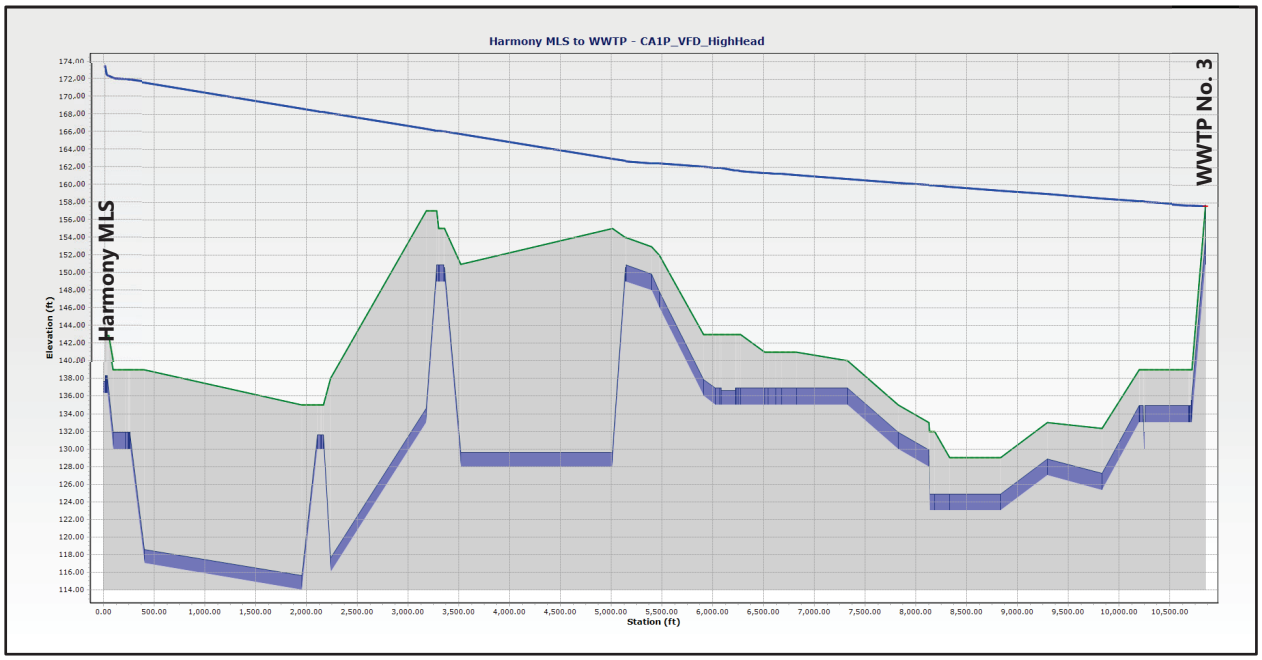

Figure 21. *High head profile of existing AADF conditions with the Harmony MLS at 4.0 MGD to match modeled AADF influent.*

5.2 Current PHF with Chain O'Lakes MLS and Harmony MLS at PHF

This scenario was the same as those performed under Section 4.3 for current PHF system flows but with the Chain O'Lakes MLS set to match the 10.5 MGD current design PHF and Harmony MLS set to match the modeled influent of 12.6 MGD.

Under low head conditions, three (3) pumps at the Chain O'Lakes MLS in the model operated at 82% speed to generate 10.5 MGD. Three (3) pumps at Harmony at full speed generated 12.2 MGD, below the projected influent of 12.6 MGD.

The maximum pressure in the model was 50 psi as the pressure throughout the HDD area just south of the Chain O'Lakes MLS was above 40 psi. The maximum 24-inch force main velocity was 9.2 fps.

Figure 22 and **Figure 23** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under low head conditions.

Under high head conditions, three (3) pumps at the Chain O'Lakes MLS in the model operated at 99% to generate 10.5 MGD. Three (3) pumps at the Harmony MLS generated 9.6 MGD operating at full speed, 3 MGD below the modeled influent of 12.6 MGD. **Figure 24** and **Figure 25** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under high head conditions. The maximum pressure under high head conditions was 69 psi.

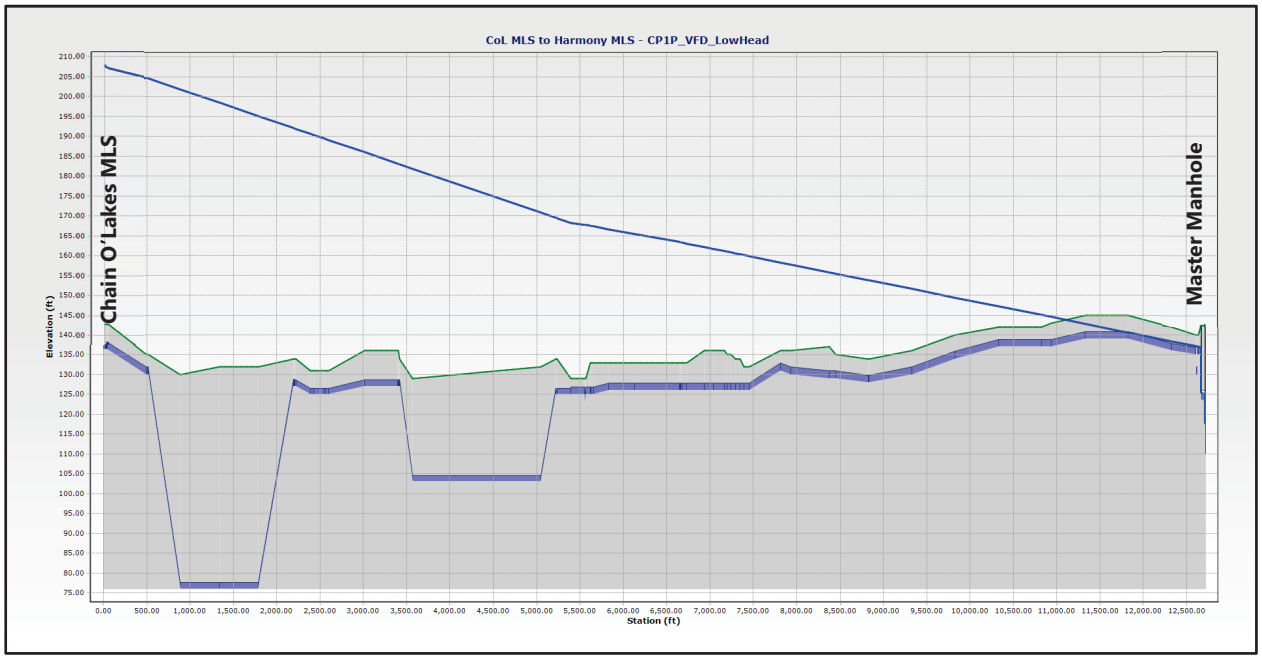

***Figure 22**. Low head profile of modeled existing PHF conditions with the Chain O'Lakes MLS at 10.5 MGD.*

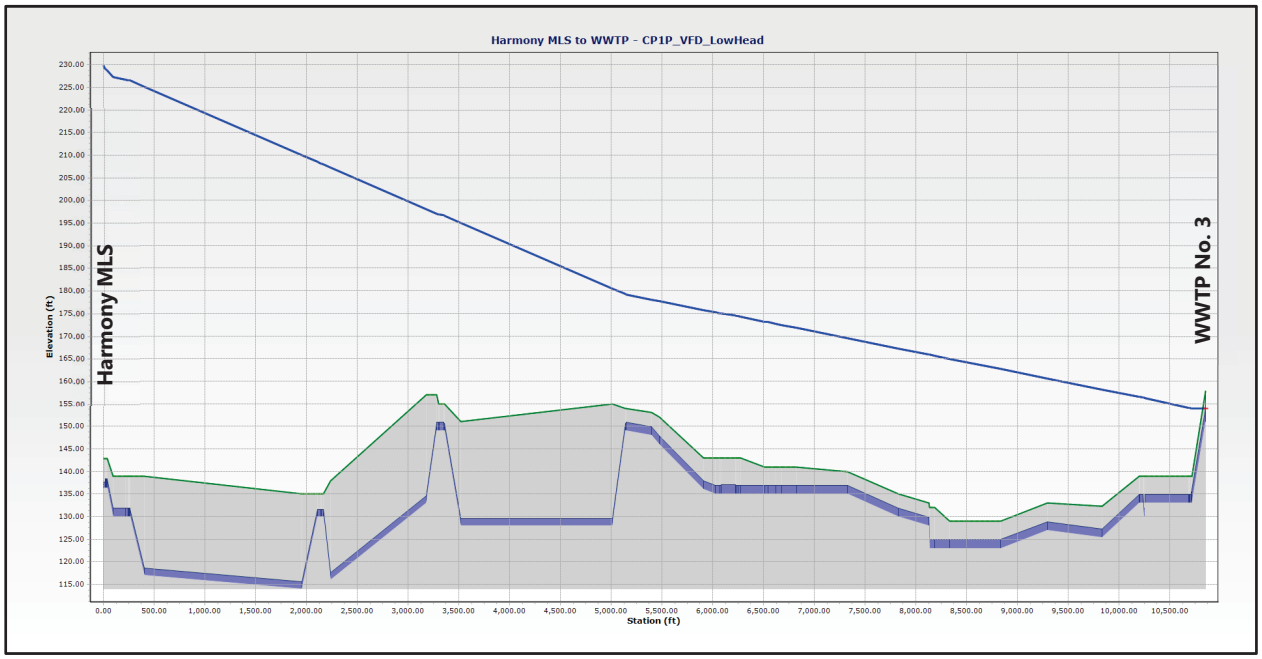

***Figure 23**. Low head profile of modeled existing PHF conditions with the Harmony MLS at 12.2 MGD (below 12.6 MGD modeled PHF influent).*

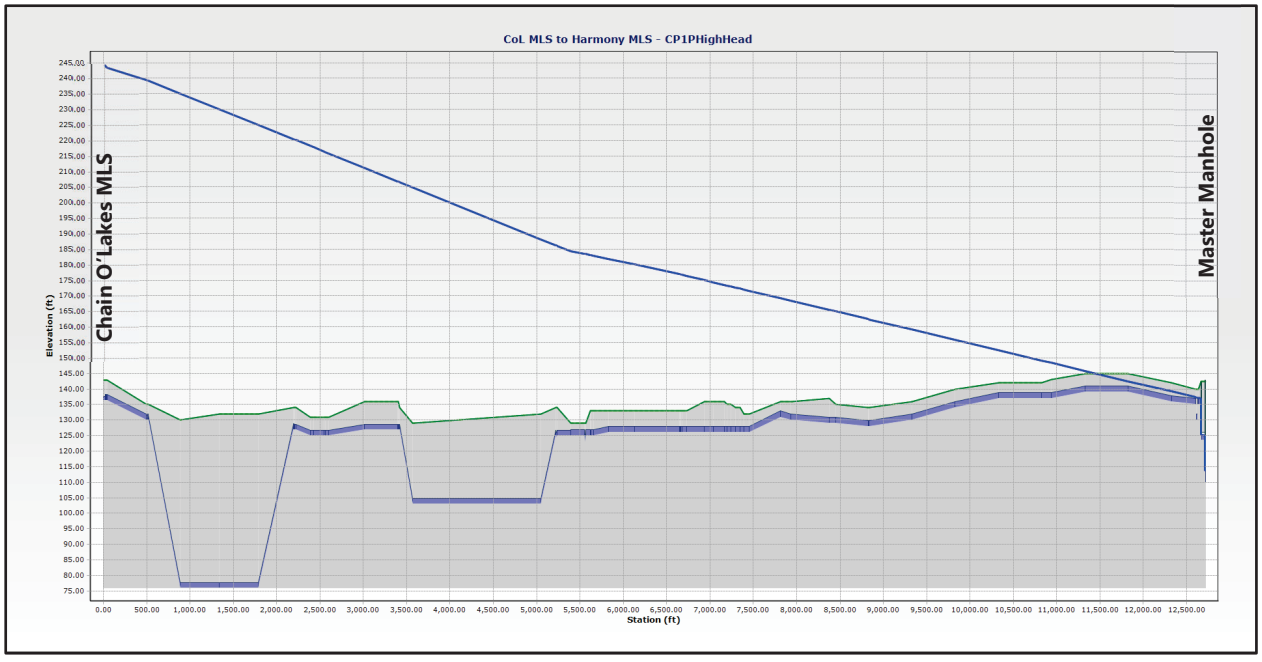

***Figure 24**. High head profile of modeled existing PHF conditions with the Chain O'Lakes MLS at 10.5 MGD.*

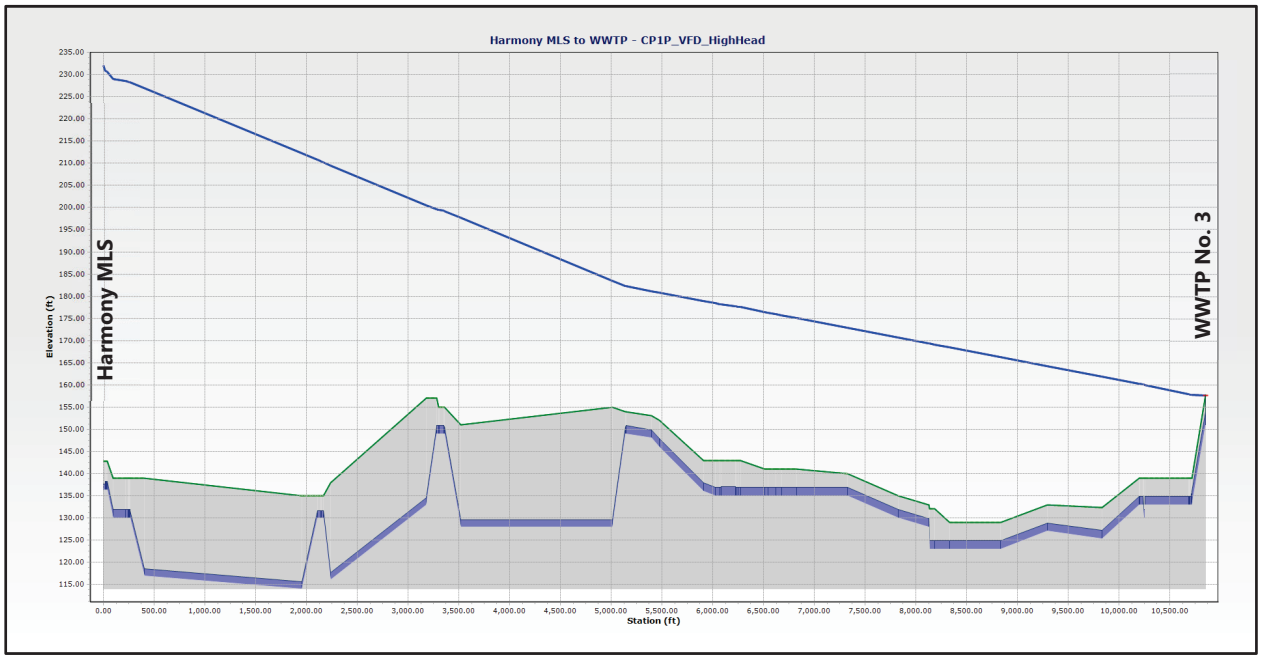

Figure 25. *High head profile of modeled existing PHF conditions with the Harmony MLS at 9.6 MGD (below 12.6 MGD modeled influent).*

5.3 Future AADF with Chain O'Lakes MLS and Harmony MLS at AADF

This scenario was the same as those performed under Section 4.4 for future AADF system flows but with the Chain O'Lakes operating at 5.3 MGD to match the future design AADF at the Chain O'Lakes MLS and the Harmony MLS set to match the modeled influent flow.

Under low head conditions, one (1) pump at the Chain O'Lakes MLS in the model operated at 61% speed to generate 5.3 MGD. Typically, 60% is the minimum turndown speed, so 61% is borderline operation. Chain O'Lakes MLS may need to operate at a higher speed and cycle on-and-off trying to maintain a level under future AADF conditions. One (1) pump at the Harmony MLS matched the modeled influent of 6.1 MGD operating at 84% speed.

The maximum pressure in the model was only 34 psi, and the maximum 24-inch force main velocity was 4.6 fps.

Figure 26 and **Figure 27** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under low head conditions.

Under high head conditions, one (1) pump at the Chain O'Lakes MLS in the model operated at 71% to generate 5.3 MGD. One (1) pump at the Harmony MLS matched the modeled influent of 6.1 MGD while operating at 93%.

The maximum pressure in the model was 34 psi. **Figure 28** and **Figure 29** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under high head conditions.

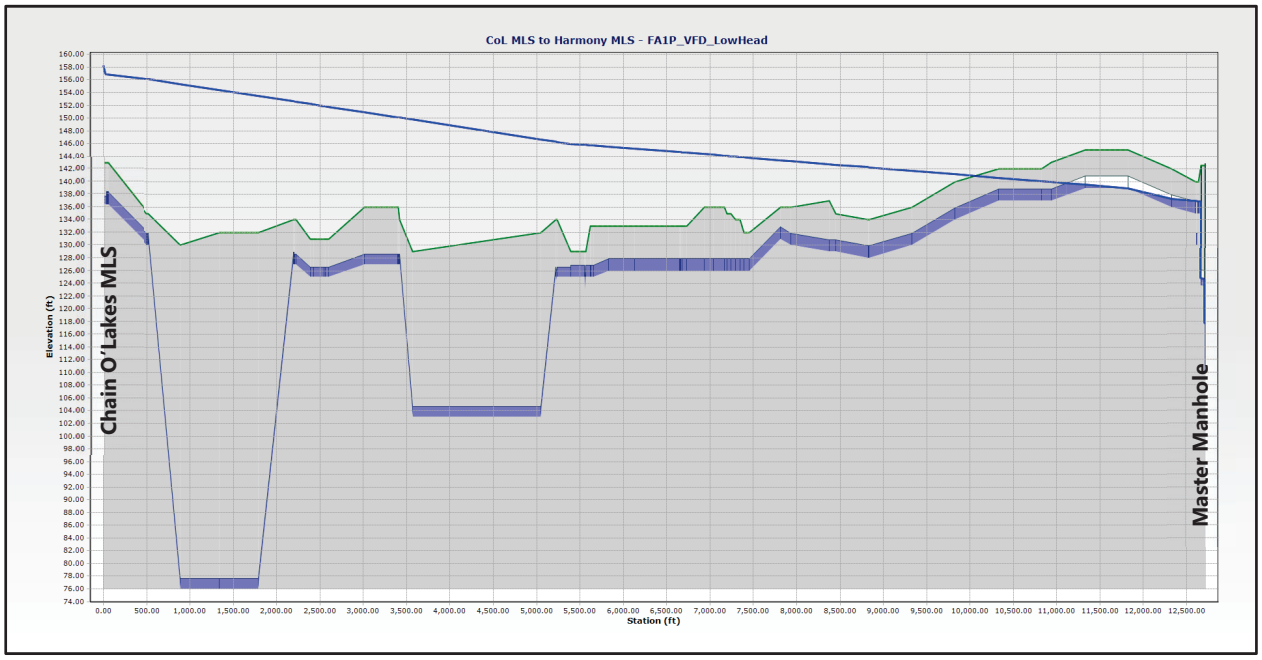

Figure 26. *Low head profile of modeled future AADF conditions with the Chain O'Lakes MLS at 5.3 MGD.*

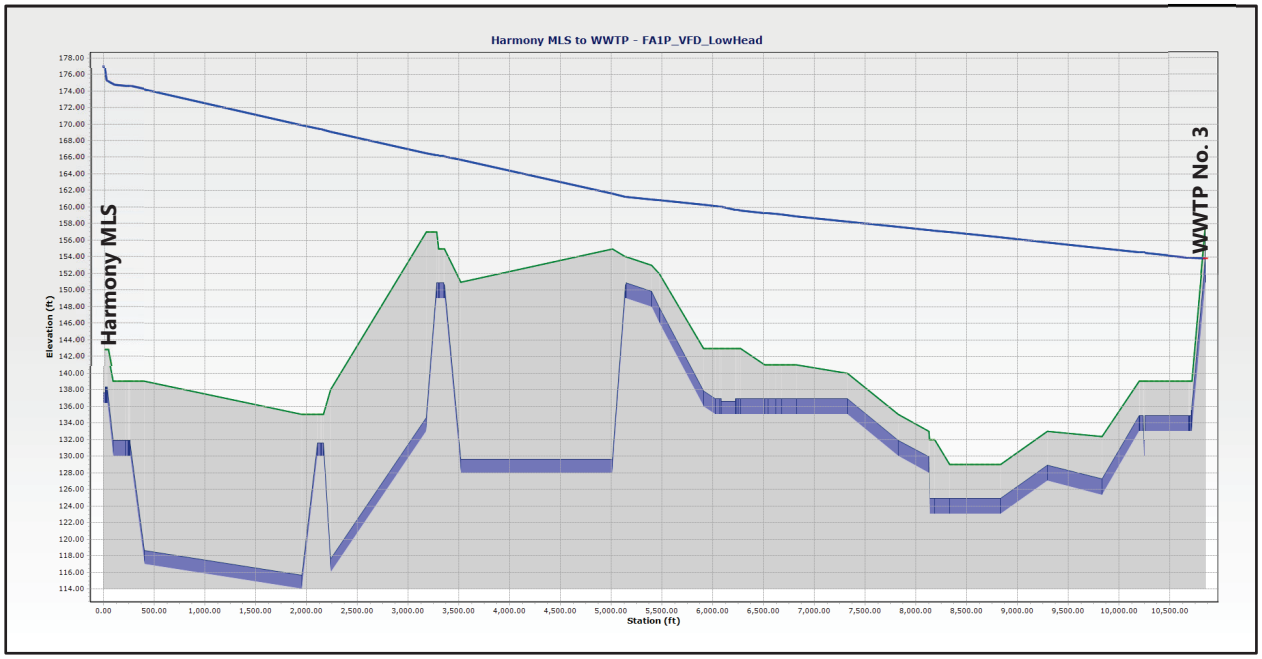

Figure 27*. Low head profile of modeled future AADF conditions with the Harmony MLS at 6.1 MGD to match modeled AADF influent.*

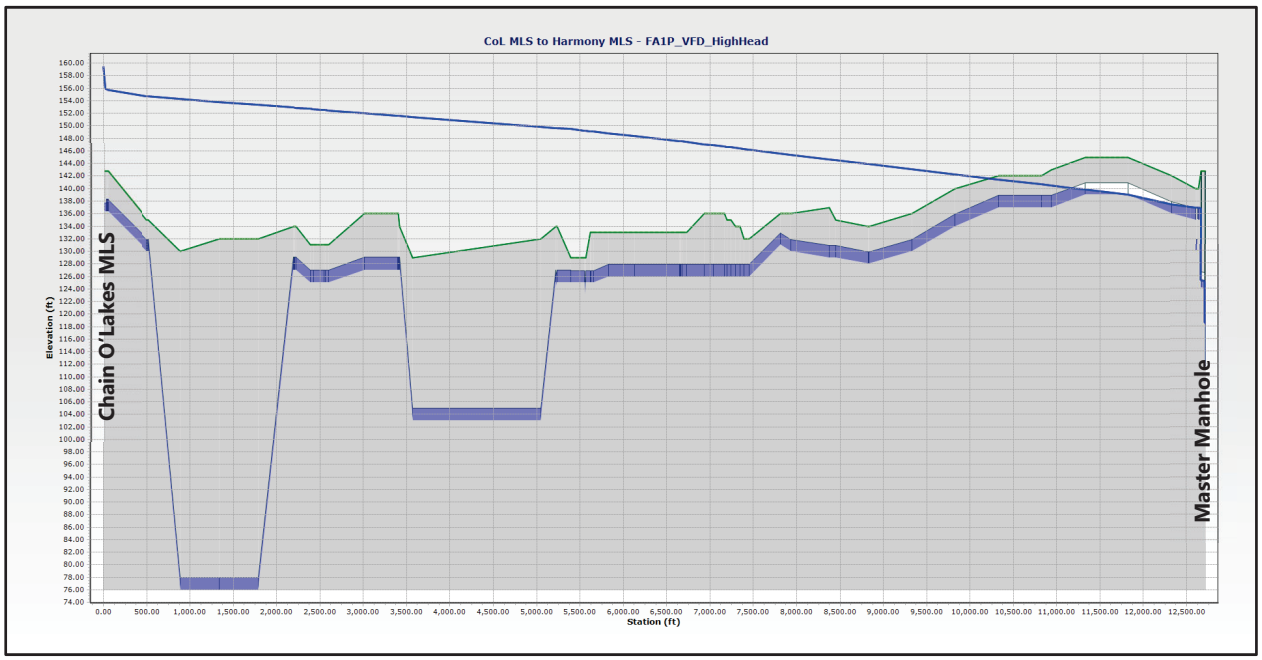

Figure 28. *High head profile of modeled future AADF conditions with the Chain O'Lakes MLS at 5.3 MGD.*

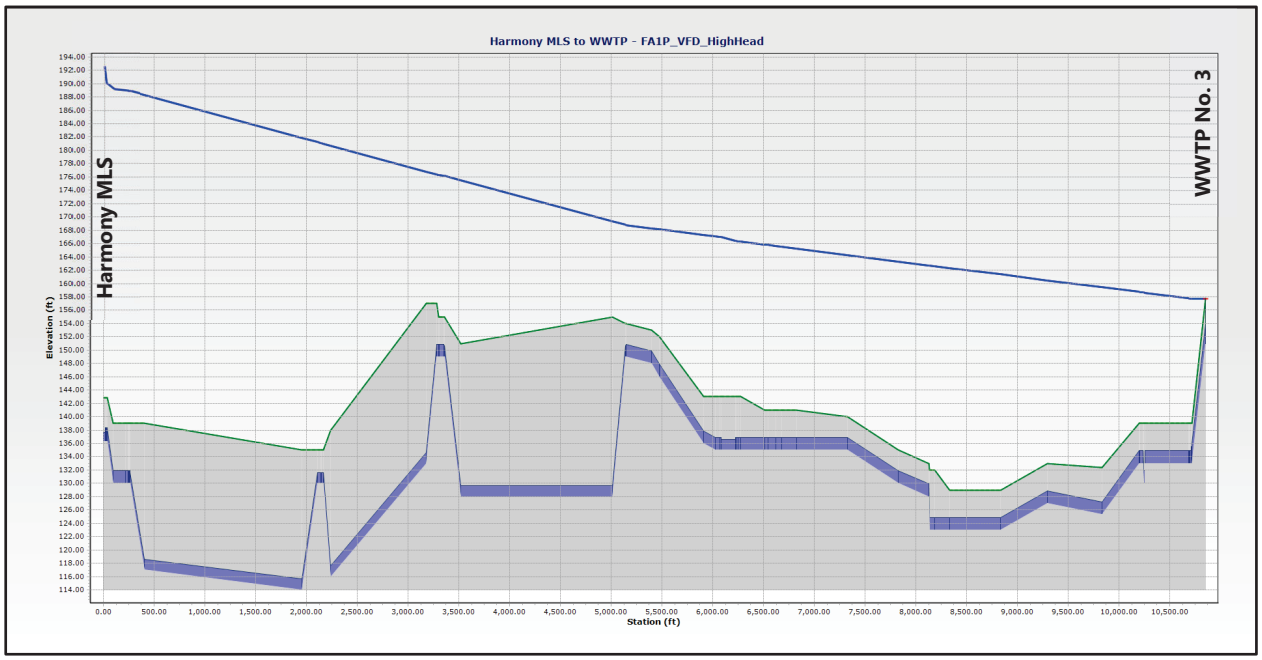

Figure 29*. High head profile of modeled future AADF conditions with the Harmony MLS at 6.1 MGD to match modeled AADF influent.*

5.4 Future PHF with Chain O'Lakes MLS and Harmony MLS at PHF

This scenario was the same as those performed under Section 4.5 for future PHF system flows but with the Chain O'Lakes operating at firm capacity to try and match the 15.9 MGD to match the future design PHF at the Chain O'Lakes MLS and the Harmony MLS set to match the modeled influent flow.

Under low head conditions, three (3) pumps at the Chain O'Lakes MLS operating at full speed generated 13.3 MGD. Three (3) pumps at the Harmony MLS were unable to match the modeled influent of 16.4 MGD and produced 12.0 MGD. This is a shortfall of over 4 MGD.

The maximum pressure in the model was 69 psi (in the HDD section just south of the Chain O' Lakes MLS), and the maximum 24-inch force main velocity was 10.0 fps.

Figure 26 and **Figure 27** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under low head conditions.

Under high head conditions, the three (3) pumps at the Chain O'Lakes MLS operated at full speed and generated 10.5 MGD, which is below the design capacity of 15.9 MGD. The influent to the Harmony MLS was 13.7 MGD, and the three (3) pumps at the Harmony MLS at full speed generated 9.5 MGD. This is a shortfall of over 4 MGD.

The maximum pressure in the model was 69 psi. **Figure 28** and **Figure 29** show the force main profiles and modeled hydraulic grade lines from the Chain O'Lakes MLS to the Harmony MLS and then the Harmony MLS to WWT No. 3, respectively, under high head conditions.

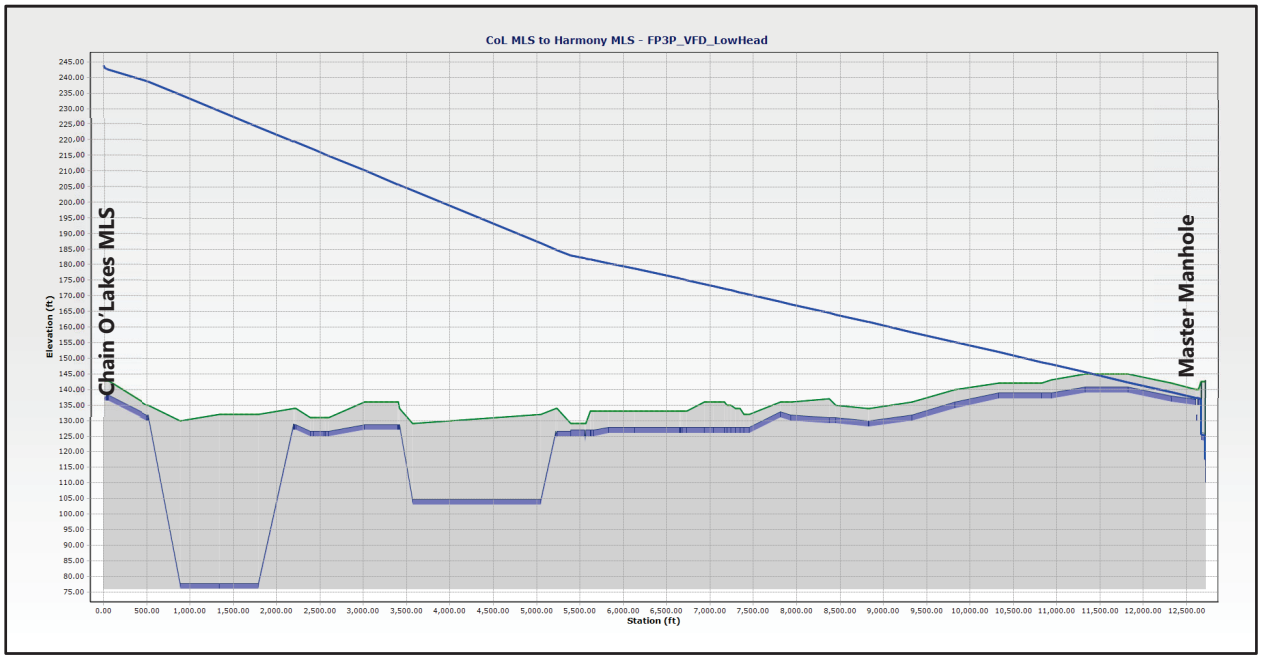

Figure 30. *Low head profile of modeled future PHF conditions with the Chain O'Lakes MLS at three pumps on (13.3 MGD).*

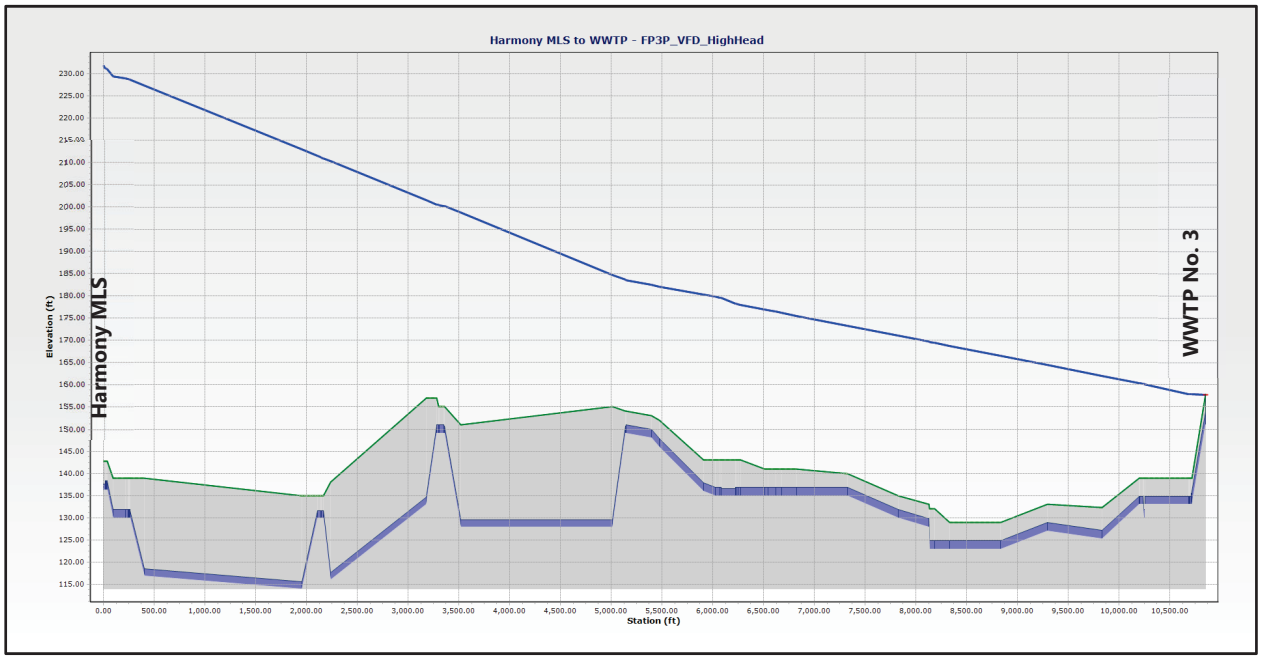

***Figure 33**. High head profile of modeled future PHF conditions with the Harmony MLS at three pumps on (12.75 MGD).*

5.5 Summary of Additional Hydraulic Results

Based on the hydraulic models under low head and high head conditions for both current and future AADF and PHF, the following results were identified:

- Under current and future AADF flow conditions, the Chain O'Lakes MLS was unable to maintain continuous operation at a speed 60% (i.e., 36 Hz) or higher and would likely cycle on-and-off in reality as opposed to maintaining a constant flow or wet well level.
- Under future PHF, the Chain O'Lakes MLS was unable to produce the original 15.9 MGD design flow.
- Under both low and high head conditions and future PHF, the Harmony MLS was unable to match the modeled influent flow. The deficit was up to over 4 MGD.

These operating results are summarized in **Table 14**. Note that these results are based on the modeling conditions and assumptions of this report. For example, if the Chain O' Lakes MLS or Harmony MLS were unable to match the influent flow, the wet well water level would rise, which would result in a lower head condition than was modeled. This would increase pumping output. Alternate head conditions beyond those documented in this report were not analyzed, nor were dynamic modeling scenarios performed to capture fluctuations in wet well levels and their impacts on pumping rates.

Table 14. *Summary of hydraulic operating results.*

SCENARIO	CHAIN O'LAKES MLS			HARMONY MLS			
	OUTFLOW (MGD)	NUMBER OF PUMPS	PUMP SPEED %	INFLUENT (MGD)	OUTFLOW (MGD)	NUMBER OF PUMPS	PUMP SPEED %

6 Alternative Flow Analysis

The original design flow conditions for the Chain O'Lakes MLS were based on a current AADF of 3.50 MGD and a future AADF of 5.29 MGD. The PHF for both design conditions was assumed to be 3.0 (Jones Edmunds, 2015).

However, a typical peaking factor relating PHF to AADF can be determined using Ten State Standards (GLUMB, 2014):

$$PF = (18 + P^{0.5}) / (4 + P^{0.5})$$

where:

PF = peaking factor = PHF/AADF

P = equivalent population in 1000s.

The PF is stated to include inflow and infiltration rates for modern construction methods. It has a maximum value of 4.5 and decreases with increasing population served.

According to the Winter Haven Comprehensive Plan (City, 2011), the Level of Service (LOS) for sanitary sewer treatment was 110 gallons per capita per day (gpcd) at the time of adoption with requirements of 105 gpcd by 2017 and 100 gpcd by 2025.

Using 100 gpcd for the future gross sanitary loading, the equivalent population in 1000s, P, would be 52.9. The resulting PF would be only 2.24 and not 3.0. Using a future AADF of 5.29 MGD and a PF=2.24, the future PHF would be 11.84 MGD.

Adjustments to current and future PHF based on utilizing this PF methodology are shown in **Table 15**. Using the Ten State PF, the future PHF to the Chain O'Lakes MLS is reduced by 4.02 MGD. Model results using this future PHF are shown in **Table 16**.

Table 15. *Summary of original design conditions for the Chain O'Lakes MLS and possible revisions based on Ten State Standards.*

AADF SCENARIO	DESIGN AADF (MGD)	DESIGN PEAKING FACTOR	DESIGN PHF (MGD)	TEN STATE PEAKING FACTOR	TEN STATE PHF (MGD)
Current	3.50	3.0	10.50	2.41	8.44
Future	5.29	3.0	15.87	2.24	11.85

Table 16. *Summary of hydraulic operating results using a revised PHF at the Chain O'Lakes MLS based on Ten State Standards.*

	CHAIN O'LAKES MLS			HARMONY MLS			
SCENARIO	OUTFLOW (MGD)	NUMBER OF PUMPS	PUMP SPEED %	INFLUENT (MGD)	OUTFLOW (MGD)	NUMBER OF PUMPS	PUMP SPEED %
Future PHF – Low Head	11.85	3	88	15.00	12.00[1]	3	100
Future PHF – High Head	10.52[1]	3	100	13.68[1]	9.48[1]	3	100

[1]Below the modeled or design influent.

7 Bypass Analysis

The 24-inch force main being constructed will be able to bypass the Harmony MLS if necessary for maintenance or operational issues. This was modeled with the Chain O'Lakes MLS in operation and flows to the Harmony MLS input into the 24-inch force main just downstream of the Harmony MLS location. These model results are summarized in **Table 17**.

Table 17. *Summary of model results when bypassing the Harmony MLS.*

SCENARIO	OUTFLOW (MGD)	NUMBER OF PUMPS	PUMP SPEED %
Current AADF – Low Head	3.50	1	63
Current AADF – High Head	3.50	1	75
Current PHF – Low Head	8.34[1]	3	100
Current PHF – High Head	6.20[1]	3	100
Future AADF – Low Head	5.29	1	82
Future AADF – High Head	5.29	1	96
Future PHF – Low Head	7.80[1]	3	100
Future PHF – High Head	5.63[1]	3	100

[1]Below the design influent.

8 Conclusions

Based on the hydraulic modeling performed, the City can install similar pumps at the Harmony MLS (e.g., Xylem Flygt NP 3306, 150 hp) as those being used at the Chain O'Lakes MLS with the following caveats and understandings:

- Use of such a pump model at the Harmony MLS cannot match the projected influent under future PHF conditions if the Chain O'Lakes MLS is at 15.87 MGD as it was under the original design. However, using a PHF based on the Ten State Standards PF, the Chain O'Lakes MLS would see much lower peak flows than under the original design conditions.
- A daily pump cycle at the Harmony MLS should target 3.0-3.5 fps to suspend settled solids and maintain a smooth C-factor to avoid the future high head conditions with C=120 or lower.
- Occasional pigging should be performed to restore the pipeline to a smooth condition and avoid the future high head conditions with C=120 or lower.
- Future upgrades to infrastructure may be necessary to account for any realized shortfall in meeting PHF requirements.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

WWTP #2 is reaching the end of its useful life expectancy, with plans of decommissioning. Prior to the decommissioning and planned WWTP #3 expansion completion various upgrades to the plant will be required to continue the successful functionality of the plant.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Wastewater Treatment Plant #2 receives 2 Million Gallons per Day of sewage. A progressive schedule for the decommissioning of the facility and upgrade/upsize WWTP #3 to continue to produce the required effluent discharge and reclaim water standards is ongoing. A continuing effort to repair, upgrade and expand the plant to provide quality reclaim water service to the City is a priority of the Capital Improvement program and staff.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

Bradco parcel project will consist of a wetland recharge area, an ASR well, a trail system with connectivity to future planned trails, upland area for residential development and a planned admin./utility facility (Admin facility - separate project 2023-305C-003).

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

The One Water approach to specific projects provides benefits to the community and area resources. The community will benefit from the use of nature/trail areas and the natural process education that will be provided. The area resources will benefit through aquifer recharge and restoration of wetland area protecting and contributing to the overall conservation of the resource. The organization benefit includes a new facility from which to provide services to our residents.

Comprehensive Plan Element Category:

PROJECT OVERVIEW:

DA provides construction processes and costs to be negotiated and agreed to best serve the interest of the utility and City as a whole. Agreements include: planning, cost sharing and construction details agreed on by both the City and developers once executed.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

DA provide opportunity to offset the cost of upgrades and expansion to the utility and an opportunity to coordinate project specifics early on in the construction process expediting project progress. Planning aspects include terms detailing on how a property will be developed in the interest of the CIty and stakeholders.

PROJECT OVERVIEW:

The future Winter Haven Water Facility Building will require utility service connections for water sanitary reclaim and fiber. These connections will be designed and constructed along Buckeye Loop Rd. Running north from Dundee Rd.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Connections will allow staff to have access to potable water, fire protection, sanitary collection, reclaim use and fiber for technological needs

Account Code(s):	402-08-316-6301		
Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

WWTP#3 has five (5) Centrifugal Aeration Blowers that supply oxygen to the Aeration basins that treat the mixed liquor. This system is vital to the operation of the Wastewater Plant. Improvements need to be made to the header pipe, seals and gaskets and expansion joints that supply the D.O to the microorganisms.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

This addresses the air loss in the system. This will also improve blower efficiency and reduce downtime for repairs to the Aeration blowers being overused. Due to previous failures the header system has a temporary support system in place eliminating the temporary support benefits of efficient normal operations.

Comprehensive Plan Element Category:

PROJECT OVERVIEW:

The existing WWTP # 3 has reached the end of its useful life and needs extensive upgrade and renovation. The proposed project will provide the needed upgrades and utilize parts of the existing plant to offset overall cost and application. There is also the opportunity to provide more modern applications of effluent discharge.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

The proposed expansion will provide the ability to efficiently treat the current capacity and planned growth capacity for the City. This is a high priority for the department as much of the existing plant has reached the end of its useful life and requires upgrade and replacement.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

The existing Cypresswood Water Treatment plant has reached the end of its useful life and through acquisition of a parcel in close vicinity to allow for a replacement project detailing a new plant. The design will include a well plan for the existing and proposed wells to serve the plant.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Providing a reliable water distribution system for the residents, proactively working on replacement of deteriorated existing systems and preparing for future expansion is a priority of the Capital Improvements program. The new plant will provide benefit by a design that takes in consideration the growth in the City and the capacities to serve that growth.

PROJECT OVERVIEW:

A master LS is required in this area to continue to meet the wastewater demands as there is planned growth in the area. The proposed LS is an integral part of the current overall expansion plan for the collection system and treatment facilities.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Providing a reliable sewage collection system for the residents, proactively working on reducing infiltration and intrusion on the existing system and preparing for future expansion is a priority of the Capital Improvements Program. Harmony Master LS will benefit the planned growth and existing community in the area with adequate means to capture and deliver effluent wastewater to the treatment facility.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

Program eliminates existing private septic systems by providing a means of connection to City sewer services. The program includes the design and construction of lateral connection to gravity/force mains along ROW such that the existing septic system can be abandoned/abated, as per regulation, allowing services to be then provided through City collection and treatment services.

Project Benefits

Providing reliable connection for sewage collection for the residents, proactively working on reducing leaching from existing septic systems and preparing for future expansion is a priority of the Capital Improvements Program. Protecting Winter Haven's lakes by facilitating a Septic to Sewer Program to provide sewer connections to unserviced lots surrounding the lakes and near shore parcels to reduce nutrient loading and improve water quality.

PROJECT OVERVIEW:

N. Lake Shipp Dr, replacement of undersized and deteriorated gravity and force main in conjunction with roadway and stormwater improvements.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Providing a reliable water distribution/wastewater collection system for the residents, proactively working on replacement of deteriorated existing system infrastructure, AC replacement and preparing for future expansion is a priority of the Capital Improvements program.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

The master lift station at WWTP #2 has become counter cost effective to the R&M budget and has reached the end of its useful life; thereby, the proposed project replaces the existing station to meet the demands of the facility and continue to serve the City as a whole.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Providing a reliable sewage collection system and treatment facility for the residents, proactively working on reducing infiltration and intrusion on the existing system is a priority of the Capital Improvements Program. The Master Lift Station is a key component of the treatment facility, its replacement will benefit the city with reliable treatment operations now and into the future.

PROJECT OVERVIEW:

Main expansion consists of infrastructure constructed and upgraded in and to areas not presently served by City sanitary services. This includes infrastructure to areas for system use of sanitary collection, new areas of growth, existing communities and areas that allow for looping and connection to meet residential/operational needs. Project is outlined in the Water Resources Sustainability Plan.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

As the Winter Haven area continues to lead as a high-growth region among the nation, system expansion is required to continue to provide reliable sanitary services to our service area now and into the future. The benefits include a modern, reliable system that can meet and continue to meet the needs long into the future. The sanitary system benefits the City from a conservation perspective and being good stewards with the resource continuing to build the system's applicability will benefit by expanding this effort.

Comprehensive Plan Element Category:	Potable Water: Objective 1.1, 1.3; Water Supply Objective 1.1		

PROJECT OVERVIEW:

Project consists of a 370+ acre tract of land that will house a planned wetland reclaim recharge area, admin./maint. facility and upland development area. The project is part of the One Water Master Plan initiative and will be the kickoff project for the Sapphire Necklace.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Projects identified will provide beneficial use of reclaim water and recharge the regional aquifer and provide one means to protect lake levels. Additional benefit is the admin/maint. facility that will provide a departmental operational center, the existing facility is outgrown and has limits on the effectiveness of providing services projections based on the current and future needs of the populous and utility.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

Project to design/construct an aquifer recharge injection well to recharge the Floridian aquifer with advanced treated wastewater in an effort to provide sustainable water resources into the future. The project plan includes coordination with DEP to allow for capacity considerations with the amounts injected for later use as capacity.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Projects identified will provide beneficial use of reclaimed water and recharge surficial aquifers and lakes. Project is outlined in the Water Resources Sustainability Plan.

Comprehensive Plan Element Category:			

PROJECT OVERVIEW:

A 30 mile AWS Transmission main (reuse) loop is being created around the City utility service area to supply reuse water to its customers, create aquifer recharge and wetland augmentation. Providing a by-pass line directly to WWTP#2 from the transmission main from WWTP#3 ensure adequate pressure in the system for distribution.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

The ability to repump the reuse water from WWTP#2 will provide the stability and reliability against fluctuations in the line pressures serving the residents, golf courses and future aquifer recharge projects.

Comprehensive Plan Element Category:

PROJECT OVERVIEW:

Replacement of aging lift stations as they reach the end of their useful life or become counter cost effective from a maintenance perspective.

Project Benefits - How Project Addresses Existing or Future Level of Service or Implements Goals of Comprehensive Plan:

Providing a reliable sewage collection system for the residents, proactively working on reducing infiltration and intrusion on the existing system and preparing for future expansion is a priority of the Capital Improvements Program. The replacement program benefits the City through improving safety, functionality and reducing long term or repeated maintenance.

UTILITY FUND - WASTEWATER TREATMENT PLANT 2 - 402-08-304

MISSION STATEMENT

Protect the public health, welfare and safety by properly maintaining the City's Wastewater Plant #2 facility in an efficient manner, while protecting our natural environment.

PERFORMANCE METRICS

Visit MyWinterHaven.com/480/Transparency to see up-to-date data on each performance metric listed below.

Pillar	**3**	**INFRASTRUCTURE**
Goal	**3.3**	**Ensure an actionable strategy is in place for the future of water resources.**
Strategy	**3.3.5**	**Additional 3.3 Metrics**
Metric	3.3.5.15	Wastewater capacity utilized (MGD). # (WD)
Metric	3.3.5.16	Permitted wastewater capacity utilized. % (WD)
Metric	3.3.5.17	Reuse water utilized (GPD). # (WD)
Metric	3.3.5.18	Irrigation water saved (GPD). # (WD)

Population Demographics

ABOUT WINTER HAVEN

STATISTICAL DATA

DATE OF INCORPORATION
November 1923

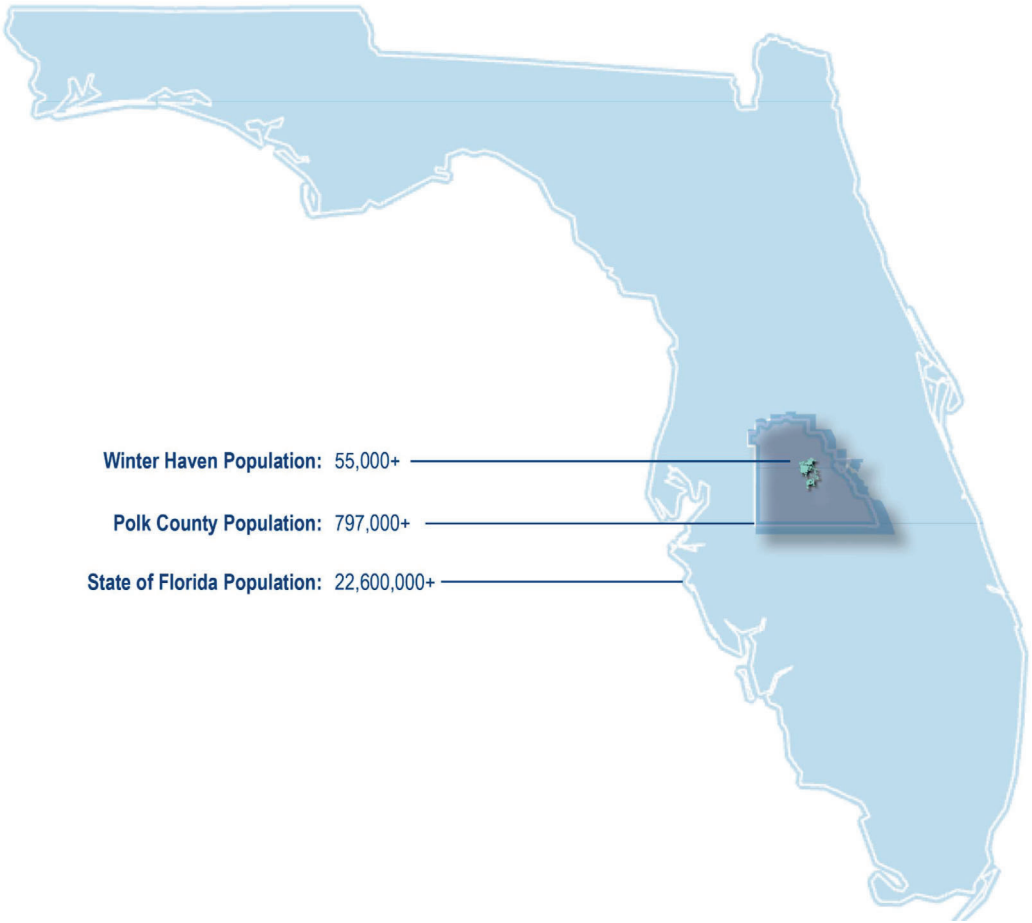
NUMBER OF LAKES
50

AREA IN CITY LIMITS
41.35 Square Miles

AREA OF LAKES
8.2 Square Miles

FORM OF GOVERNMENT
Winter Haven's City government comprises an appointed city manager who works with a five-member commission chaired by a mayor: the mayor is elected by the commissioners. Commissioners have a four-year term of office.

LOCATION
Winter Haven is located in the center of Polk County in the center of the State of Florida, equidistant between the major metropolitan areas of Orlando and Tampa. Many area attractions in Tampa and Orlando are all within an hour's drive. The beaches of either the east or west coast are less than 75 miles away.



ABOUT WINTER HAVEN

ECONOMIC CONDITION AND OUTLOOK

Winter Haven is located in central Polk County, which lies in the center of the State of Florida, equidistant between the major metropolitan areas of Orlando and Tampa. The County, which encompasses the Lakeland Winter Haven Metropolitan Statistical Area, is the ninth most populous county in the state with an estimated population of 848,278 in 2024. Polk is currently the fastest growing County in Florida and seventh fastest in the country. The quality of life, amenities, and access to art and culture are the top motivators for moving to Polk County.

Polk County exhibits a diversified economy with service, retail trade, construction, healthcare, business and financial services, and manufacturing being the major employment sectors in the county. Significant employment also comes from the mining, tourism and citrus industries. Polk County's continued population growth, record low unemployment rates, and the income associated with Polk's diversifying economy are lessening the damage that economic challenges could do to the County.

Winter Haven's population for 2024 is 57,923 which represents a 29.2% increase over the last five years. There have been 5,792 residential permits issued in the City during this same time frame to include a mix of single- family homes, mobile homes and multiple family units.

The outlook for Winter Haven remains positive, for both physical and economic growth. The Southeast and Lucerne Park areas contain a significant amount of platted residential lots, serviceable by City water and sewer utilities. In the last ten years, the City has annexed 1.1 square miles into the city limits of Winter Haven. Additionally, developers continue to show interest in the City's downtown; within the past two years several new commercial and multi- family projects have been permitted within the downtown and surrounding areas. In total, 211 new housing units have been completed, or are presently under construction, in or near downtown. In early 2024, a 108-room hotel opened in the downtown corridor representing the first new hotel located in the City's core in 20 years. Supporting these new residential and lodging developments are a wide variety of new restaurant options which have recently opened throughout the downtown area.

With its strategic location in Central Florida, Winter Haven continues to attract businesses and residents alike. Key sectors, such as tourism, real estate, and healthcare, are thriving, supported by a growing population and an influx of investments in infrastructure and amenities.

The real estate market remains robust, fueled by both residential and commercial developments. Housing demand is strong, and new construction projects are helping to meet this demand while also providing jobs and boosting local spending.

The tourism sector benefits from Winter Haven's proximity to major attractions like LEGOLAND Florida, which continues to draw visitors year-round. Additionally, efforts to revitalize the downtown area have made it a vibrant hub for dining, entertainment, and small businesses, further contributing to the city's economic growth.

The healthcare industry is another significant contributor to the local economy. With expanding medical facilities and services, Winter Haven is becoming a regional healthcare destination, offering employment opportunities and attracting professionals to the area.

Challenges such as inflation and potential economic downturns could impact growth, but Winter Haven's diverse economy and ongoing investments position it well for resilience and continued prosperity.

Overall, the economic outlook for Winter Haven is promising, with steady growth expected across key sectors, making it an attractive location for businesses and residents alike.

Notes:

1. Effective 10/1/2025, and each 10/1 thereafter, each rate, fee, and charge in this schedule of Miscellaneous Charges and Fees and other municipal services fees shall increase automatically by 2.5%. (Ord. O-24-41)

2. Water- and Sewer-related Rates, Charges and Fees in this Schedule are imposed by Ordinances O-05-67 and O-24-41 and by §§ 19-143 (Water Meter Installation), 19-150(b) (Irrigation Meter Installation), 19-37 (Temporary Services), 19-145 (Sewer Inspection), 19-2 and 19-153 (Accounts), 19-6 and 19-144 (Reactivation), 19-12(d) (Unauthorized Connections and Tampering), 19-147(b) (Fire Services), and 19-150(g) (Special Vacation Amounts) of the City Code.

3. Stormwater- and Garbage-related Rates, Charges, and Fees in this Schedule are imposed by §§ 14-60 (Garbage) and 19-219(c) (Stormwater) of the City Code.

Appendix K

Impact Fees

Section 3 – Wastewater Connection Fee

Introduction

Wastewater Connection Fees are one-time charges assessed against new customers or developers to recover a proportional share of the capital costs incurred by the City to provide capacity for new customers. This capacity may be already constructed, funded, and available in existing facilities, or the service capacity may be planned and included as future capital projects in a CIP. Connection Fees are an important funding mechanism to ensure justifiable cost recovery and to limit the burden of ratepayers funding growth-related projects.

This section of the report summarizes the basis for the update of the City's calculated wastewater Connection Fees. Included is a review of the City's existing wastewater Connection Fees, a discussion of the derivation of the proposed Connection Fees, and a comparison of the existing and proposed fees with other nearby utilities.

Existing Wastewater Connection Fees

The City's existing wastewater Connection Fees were last updated in 2022, pursuant to Ordinance No. O-22-04, and are charged to new customers for connection to the City's wastewater system. Single family residential customers are charged $4,196.50 for each new connection within the City's incorporated boundaries. Through adoption of Ordinance O-23-51 in September 2023, the ERUs for various other types of residential land uses were identified and are as follows:

Single Family Detached – 1.0 ERU per Unit
Single Family Attached – 1.0 ERU per Unit
Multi-family up to four (4) units – 1.0 ERU per Unit
Multi-family five (5) units and greater – 0.6 ERUs per Unit

For non-residential connections, Ordinance O-23-51 provides that the City Engineer will evaluate all non-residential applications for utility service on a case-by-case basis using data available such as anticipated flows of the development, appropriate and accepted industry standards, and/or flows of other similar developments in order to calculate an estimated ERU value for each development.

The ERU factors and application approach are recommended to remain consistent through establishment of this report.

The City charges 25% more to connections outside the City limits.

Connection Fee Methodologies

As mentioned in Section 2. Water Connection Fee, there are numerous approaches to determining Connection Fees that have been adopted by utilities across the state of Florida and the country. However, two approaches are most often used and are recognized in the industry as cost-justified by the American Water Works Association (AWWA)

and Water Environmental Federation (WEF)[2]. These two approaches are the System Buy-In method and the Incremental Cost method. A brief description of these two approaches may be found in Section 2. The proposed wastewater Connection Fees discussed in this report are based on a hybrid method as there is consideration that the City has a significant investment in existing assets and has identified certain required improvements over the next several years to serve new growth.

The costs of system expansions have been blended with the existing capacity available (total existing capacity less capacity consumed by existing development) to determine the average cost per gallon of capacity available for new development.

Design of Wastewater Connection Fee

With respect to designing wastewater Connection Fees, generally there are two significant components that need to be addressed: 1) the level of service to be apportioned to the applicants that request system capacity; and 2) the amount of capital costs to be recovered from a new customer requesting service. Both of these issues are related to the level of the Connection Fee expressed on an ERU basis which represents the average capacity required to service a typical individually metered single family residential account.

LEVEL OF SERVICE REQUIREMENTS

The previous Water Connection Fee section discusses LOS standards for water. With the proposed reduction in the water LOS from 350 gpd to 275 gpd, a corresponding reduction has been identified for the wastewater Connection Fees. To maintain a similar LOS relationship with water, it is recommended that the wastewater Connection Fee be reduced from 275 gpd to 250 gpd.

CAPITAL COSTS RECOVERED

Buy-In Value

The City's two wastewater treatment facilities have been rated to provide 9.200 MGD of capacity, and the average daily sewage treated at the facilities is currently 5.961 MGD. The City is planning on renovating and upgrading the wastewater treatment plant (WWTP) 3 and increasing the capacity from 7.500 MGD to 12.000 MGD. Additionally, the WWTP 2 is being decommissioned, so the total capacity of the wastewater treatment system will be 12.00 MGD once these projects are completed.

Current users have an average daily use of 5.961 MGD, the 12-month average from August 2022 through July 2023 pursuant to the City's discharge monitoring reports (DMRs). This gives a remaining capacity of 6.039 MGD from the existing wastewater system. Since some existing capacity is available to serve a portion of the anticipated near-term growth in the City's wastewater service area, it is appropriate to include a portion of the value of existing facilities in the wastewater Connection Fee calculation.

The value of existing facilities has been determined based on the City's current fixed asset records as of October 1, 2023. The records included a complete listing of wastewater assets with its asset number, cost basis (Original Cost), life-to-date depreciation, and date acquired for all assets. With the decommissioning of the WWTP 2, the assets associated with the plant have been excluded from the cost basis of the wastewater Connection Fee calculation. The total original cost of all the wastewater fixed assets is approximately $58.9 million.

The fixed assets were also classified by functional categories such as treatment and collection to identify which of the assets are part of the major system backbone infrastructure and thus should be part of the wastewater Connection

[2] AWWA Manual M26 – Water Rates and Related Charges, Ch. 3: System Development Charges, pp. 19-33.

Fee calculation. Local service lines that are dedicated to serving only existing customers, vehicle and minor equipment costs, and assets donated by or paid for by developers are not included in the wastewater Connection Fee calculation.

The renovation and expansion of WWTP 3 is being conducted in phases with anticipated capacity above the 12.000 MGD by the end of the project. The total estimated project cost of the complete expansion is $420,000,000, so the $181,700,000 portion included in the incremental costs as shown in Table 7 represents 43.3% of the total project. While this project is adding capacity, it is also renovating the existing facility, so it is appropriate to exclude a portion of the existing assets related to WWTP 3. For WWTP 3, the remaining 56.7% of the existing assets are included in the Connection Fee calculation, or $24.3 million of the total $44.8 million.

Table 6 summarizes the value of existing wastewater assets with capacity available to serve new customers:

Table 6: Wastewater Fixed Asset Valuation

Description	Original Cost
Treatment [1]	$34,047,600
Collection	24,843,600
Total	$58,891,200

[1] Amount excludes the portion of the WWTP 3 that is being replaced by the renovation and expansion project.

Incremental Costs

The City provided a CIP, detailed on Exhibit 4, that identifies several wastewater upgrade and expansion projects that will provide benefits to new development. The primary projects associated with new capacity are the aforementioned upgrade and expansion of WWTP 3 as well as various transmission projects including a master lift station at WWTP 2 and Harmony. Each of these projects is designed to provide the appropriate system wide capacity to accommodate new growth. The magnitude of the WWTP 3 project, which includes modernization of a facility that is reaching its useful life, providing enhanced treatment, and is reflective of the current cost of development new wastewater treatment capacity represents and extraordinary change from the embedded cost of capacity. Since this upgrade and expansion is to help serve new connections to the wastewater system it is appropriate to include this project in the wastewater Connection Fee calculation. Any grant funding identified by the City has been excluded from the Connection Fee calculations. The table below provides the incremental costs based on the functional category of service.

Table 7: Incremental Wastewater Asset Investments

Description	Amount
Treatment	$230,470,750
Collection	19,626,000
Total	$250,096,750

Wastewater Connection Fee Calculation

To determine the unit cost of capacity, the sum of the original cost of the City's wastewater system assets related to the original portion of capacity remaining and the incremental wastewater asset investments are divided by the available 9.446 MGD of capacity available for consumption from future development. This calculation produces a unit cost expressed in gallons per day for all inside City connections. The City will continue to apply an additional 25% to connections outside City limits. Table 8 illustrates the calculation of the wastewater Connection Fee under the hybrid approach:

Table 8: Wastewater Connection Fee Calculation

Description	Treatment	Collection	Total
Existing Facilities [1]	$34,047,600	$24,843,600	$58,891,200
Other Planned Improvements	230,470,750	19,626,000	250,096,750
Total Costs Recovered	$264,518,350	$44,469,600	$308,987,950
Existing Capacity (MGD)	9.446	9.446	9.446
Unit Cost per Gallon	$28.00	$4.70	$32.71
Level of Service	250	250	250
Calculated Fee per ERU	$7,000.00	$1,175.00	$8,175.00
Calculated Fee per ERU (rounded)			$8,175.00

As shown on the table above, the calculated wastewater Connection Fee is $8,175.00 per ERU compared to the existing fee of $4,196.50, which represents an increase of $3,978.50 or approximately 94.8%.

As demonstrated on Exhibit 5, there is an area in the City referred to as the South Industrial Service Area, where the primary wastewater trunk lines have been installed and contributed by the initial developer. As such, future development within this area will only pay the treatment portion of the wastewater connection fees.

Wastewater Connection Fee Comparison

Figure 5 provides a comparison of the City's existing and calculated wastewater Connection Fees to similar fees charged by other surrounding communities.

DATE: August 11, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager
Charles E. Bird, Assistant Director of Public Safety

FROM: Tanya Ayers, Safe Neighborhoods Director

SUBJECT: Resolution R-25-42 – Certification of Code Compliance Special Assessments for the 2025 Tax Roll

---

BACKGROUND

On December 12, 2012, the City Commission adopted Resolution R-12-27 in accordance with Florida Statute 197.3632, implementing the Uniform Method of Collecting Non-Ad Valorem Assessments authorizing the City Commission to collect special assessment (abatement) liens on property tax bills. The City entered into Inter-local agreements with the Polk County Property Appraiser and the Polk County Tax Collector to have unpaid assessments billed through the annual tax bill.

On July 28, 2025, a public hearing was held before the City Commission to allow affected property owners an opportunity to present objections and testimony regarding the cost of corrective actions taken to bring the properties into compliance. Notice of that Hearing was published in the newspaper and mailed to each of the affected property owners at their address as listed on the tax roll.

The City's Safe Neighborhoods Department is now requesting the City Commission impose unpaid special assessments as Non-Ad Valorem Special Assessments on the affected property owners' tax bills and authorize the City Attorney, or his designee, to certify and transmit same to the Polk County Tax Collector.

The Safe Neighborhoods Department has prepared a list of all unpaid charges specifying the property owner's name, parcel identification number, and location of the subject property as well as the City's abatement costs. The list is attached to Resolution R-25-42 and sets forth the information required by the applicable Florida Statutes.

The purpose of the Resolution is for the City Commission to approve, certify, and authorize the transmittal of the Non-Ad Valorem Assessment Roll to the Tax Collector utilizing the Uniform Method of Collection under Section 197.3632 of the Florida Statutes.

FINANCIAL IMPACT

The Property Appraiser shall be compensated by the City for the administrative costs of 1% of the amount levied on the TRIM Notice. The estimated administrative cost to the Property Appraiser is $330. Said costs will be charged to Code Compliance account 001-02-217-340.

The Tax Collector shall be compensated by the City for administrative costs equal to the actual collection costs incurred. The estimated collection fees are $660. Said fees will be charged to Code Compliance account 001-02-217-5130.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Responsible Government
- **Goal:** 6.1 – Exemplify fiscal accountability and resiliency.
- **Strategy:** 6.1.5 – Research and pursue alternative / nontraditional revenue sources, as well as partnership opportunities, to enhance the City's financial sustainability and resiliency.

RECOMMENDATION

Staff recommends the City Commission approve Resolution R-25-42 and authorize the City Attorney or his designee to take all necessary actions related thereto.

RESOLUTION NO. R-25-42

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA ELECTING TO UTILIZE THE UNIFORM METHOD OF COLLECTING NON-AD VALOREM ASSESSMENTS AS AUTHORIZED UNDER SECTION 197.3632, FLORIDA STATUTES, FOR COLLECTING UNPAID NON-AD VALOREM SPECIAL ASSESSMENTS LEVIED BY THE CITY COMMISSION; ADOPTING FINDINGS OF FACT; ADOPTING A NON-AD VALOREM ASSESSMENT ROLL; AUTHORIZING THE CITY ATTORNEY TO CERTIFY THE ASSESSMENT ROLL TO THE TAX COLLECTOR; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Winter Haven has undertaken to improve various properties throughout the City through a program of demolishing dilapidated structures cleaning and clearing overgrown lots; and

WHEREAS, the City Commission finds that the properties so improved have specially benefited from the City's actions in an amount equal to or greater than the costs incurred by the City in carrying out such program and greater in kind and degree than other properties within the City; and

WHEREAS, the owners of many of the benefited properties have failed or refused to reimburse the City for the costs incurred by the City in improving their property; and

WHEREAS, the City Commission finds that it is fair and equitable to assess against each benefited property a non-ad valorem special assessment in an amount equal to the costs incurred by the City in improving said property, less any amounts paid by the property owner to offset such costs; and

WHEREAS, the uniform method of collecting non-ad valorem assessments, as authorized by Section 197.3632, Florida Statutes, provides for the collection of non-ad valorem assessments by including such assessments on the tax bills issued for the collection of ad valorem taxes; and

WHEREAS, the City Commission desires to utilize the uniform method of collecting non-ad valorem assessment to collect the non-ad special assessments specified herein; and

WHEREAS, in accordance with the requirements of Section 197.3632, Florida Statutes, the City Commission has conducted a duly advertised public hearing prior to the adoption of this Resolution, at which hearing the City Commission received all written objections and heard testimony from all interested persons;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA:

SECTION 1. The foregoing findings are incorporated herein by reference and made a part hereof.

SECTION 2. The City Commission hereby elects to utilize the uniform method of collecting non-ad valorem assessments, as provided in Section 197.3632, Florida Statutes, for collecting the non-ad valorem special assessments specified herein, which assessments have been levied against the property described on Exhibit A, attached hereto and made a part hereof.

SECTION 3. The City Commission hereby adopts and certifies Exhibit A as the City of Winter Haven's 2025 lot clearing and demolition non-ad valorem assessment roll, to be forwarded to the Tax Collector for collection pursuant to Section 197.3632, Florida Statutes.

SECTION 4. The City Attorney or his designee is hereby authorized and designated to certify and transmit the non-ad valorem assessment roll adopted herein to the Tax Collector on compatible electronic medium, as provided in Section 197.3632, Florida Statutes.

SECTION 5. This Resolution shall take effect immediately upon passage.

INTRODUCED AND PASSED by the City Commission of the City of Winter Haven, in regular session, this 25th day of August 2025.

CERTIFICATE TO NON-AD VALOREM ASSESSMENT ROLL

I, the undersigned, hereby certify that I am the Chairman of the Board, or authorized agent of City of Winter Haven, located in Polk County, Florida; as such, I have satisfied myself that all property included or includable on the Non-Ad Valorem Assessment Roll for the aforesaid county is properly assessed so far as I have been able to ascertain; and that all required extensions on the above described roll to show the non-ad valorem assessments attributable to the property listed therein have been made pursuant to law.

I further certify that, upon completion of this certificate and the attachment of same to the herein described Non-Ad Valorem Assessment Roll as part thereof, said Non-Ad Valorem Assessment Roll will be delivered to the Tax Collector of this county.

In witness whereof, I have subscribed this certificate and caused the same to be attached to and made a part of the above described Non-Ad Valorem Assessment Roll this the _____ day of August, 2025 (year).

SUBJECT: R-25-43 – Adopting the 2025 Polk County Multi-Jurisdictional Local Mitigation Strategy (LMS)

BACKGROUND

The Local Mitigation Strategy (LMS) is a multi-jurisdictional plan developed to assess hazard vulnerabilities, identify mitigation goals, and outline strategies to reduce risk from natural, technological, and societal disasters. Polk County's LMS is updated every five years to maintain eligibility for certain state and federal hazard mitigation funding programs and to comply with the Disaster Mitigation Act of 2000 (44 CFR §201.6).

The 2025 Polk County Multi-Jurisdictional LMS was developed through a coordinated effort of the Polk County LMS Working Group, which includes representatives from municipalities, special districts, and other participating agencies. This process evaluated hazard risks, developed mitigation goals, and prioritized projects for funding consideration.

Following a comprehensive review by the Florida Division of Emergency Management (FDEM), the LMS received a determination of Approval Pending Adoption from the State Hazard Mitigation Officer on June 19, 2025. This status confirms that the plan meets all federal hazard mitigation planning requirements, subject to formal adoption by all participating jurisdictions, including the City of Winter Haven.

Adoption of the LMS by the City Commission:

- Formally commits the City to cooperating in the Countywide Local Mitigation Strategy (LMS).

- Maintains the City's eligibility to apply for federal mitigation grants, including the Hazard Mitigation Grant Program (HMGP), Flood Mitigation Assistance (FMA), and Building Resilient Infrastructure and Communities (BRIC) grants.
- Ensures the City's hazard mitigation strategies remain consistent with county-wide and regional resilience efforts

FINANCIAL IMPACT

There is no direct fiscal impact associated with the adoption of the LMS. Adoption preserves the City's eligibility for future mitigation funding, which could reduce future disaster recovery costs and protect public infrastructure and private property.

STRATEGIC PLAN ALIGNMENT

Pillar: Community Safety
Goal: 5.4 Ensure local government functions are aligned with community safety best practices.

RECOMMENDATION

Staff recommends the City Commission approve Resolution R-25-43, adopting the City of Winter Haven's designated portion of the 2025 Polk County Multi-Jurisdictional Local Mitigation Strategy and authorize the City Manager or his designee to take any and all actions incidental and necessary that are related to the City's actions and/or performance under the City's designated portion of the 2025 Polk County Multi-Jurisdictional Local Mitigation Strategy.

ATTACHMENTS

- R-25-43 – LMS Adoption Resolution
- Polk County 2025 Multi-Jurisdictional Local Mitigation Strategy (LMS) – Executive Summary, condensed version

RESOLUTION NO. R-25-XX

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA ADOPTING THE 2025 POLK COUNTY MULTI-JURISDICTIONAL LOCAL MITIGATION STRATEGY UPDATE AND PROVIDING AN EFFECTIVE DATE .

WHEREAS, areas of Polk County, including the City of Winter Haven, are vulnerable to the human and economic costs of natural, technological, and societal disasters; and

WHEREAS, the City Commission of the City of Winter Haven realizes the importance of reducing or eliminating those vulnerabilities for the overall public health, safety, and welfare of the community; and

WHEREAS, a Local Mitigation Strategy presents a unified strategy to build a disaster-resilient community; and

WHEREAS, State, local and tribal governments are required by Federal law (Title 42, Part 68 of the United States Code and Title 44, Part 201 of the Code of Federal Regulations) to adopt a hazard-mitigation plan as a condition for receiving certain types of emergency or nonemergency disaster assistance; and

WHEREAS, the Disaster Mitigation Act of 2000 requires each local jurisdiction to have either its own local mitigation strategy or to actively participate in the development and maintenance of multi-jurisdictional mitigation strategy; and

WHEREAS, the City of Winter Haven actively participated in the development and maintenance of the Polk County Local Mitigation Strategy as adopted in 2002, 2005, 2010, 2015, and 2020 and

WHEREAS, the City of Winter Haven has actively participated in the 2025 update to the Local Mitigation Strategy through the Polk County Local Mitigation Strategy

Working Group, which has established a comprehensive, coordinated planning process to eliminate or decrease these vulnerabilities; and

WHEREAS, City of Winter Haven representatives and staff have identified, justified, and prioritized proposed projects and programs needed to mitigate the vulnerabilities of the City of Winter Haven to the impacts of future disasters; and

WHEREAS, the Polk County 2025 Multi-Jurisdictional LMS incorporated these proposed projects and programs into the update that has been prepared and issued for consideration and adoption by the jurisdictions of Polk County; and

WHEREAS, the State of Florida Division of Emergency Management has issued an “Approval Pending Adoption” of the Polk County 2025 Multi-Jurisdictional Local Mitigation Strategy.

NOW, THEREFORE, BE IT RESOLVED, by the City Commission of the City of Winter Haven:

1. The City Commission of the City of Winter Haven hereby accepts and adopts its designated portion of the “Polk County 2025 Multi-Jurisdictional LMS”.

2. Agency personnel of the City of Winter Haven shall pursue available funding opportunities for implementation of the proposals and projects designated therein.

3. Agencies and organizations within the City of Winter Haven will, upon receipt of such funding or other necessary resources, seek to implement proposals contained in the LMS.

4. The City of Winter Haven will continue to participate in the updating and expanding of the LMS in future years.

5. The City of Winter Haven will encourage businesses, industries, and community groups operating within Polk County to also participate in the updating and expansion of the LMS in the years ahead.

6. The City of Winter Haven will continue to participate in the furtherance of public involvement opportunities.

7. This Resolution will be effective immediately after passage by the City Commission.

INTRODUCED AND PASSED by the City Commission of the City of Winter Haven, Florida, in Regular Session, on this 25th day of August, 2025.

POLK
COUNTY

2025
Multi-jurisdictional
Local Mitigation Strategy

PREPARED BY
THE POLK COUNTY LOCAL MITIGATION STRATEGY WORKING GROUP

March 1, 2025

PROMULGATION STATEMENT

With this notice, we are pleased to promulgate the Polk County 2025 Multi-Jurisdictional Local Mitigation Strategy (LMS). The LMS provides a structure for identifying hazards and vulnerabilities, assisting jurisdictions and partners and the County to plan for those hazards and vulnerabilities, and mitigating hazards using local, State, and Federal funding sources, making Polk County more resilient.

The Polk County Division of Emergency Management shall be responsible for coordinating the preparation and update of the LMS through the LMS Working Group and subgroups and will ensure that this document is consistent with similar Federal, State, and municipal plans. The LMS will become effective upon official adoption by the Polk County Board of County Commissioners (BoCC), and effective for municipalities, Polk County Public Schools, and partnering jurisdictions upon their individual adoption.

Brian Thurston
Chairperson
Local Mitigation Strategy Working Group

Paul Womble
Director
Division of Emergency Management

EXECUTIVE SUMMARY

Polk County, its jurisdictions, and partners face natural and human-caused hazards that may affect the lives and property of residents and visitors. The Polk County 2025 Multi-Jurisdictional Local Mitigation Strategy (LMS) is a mechanism for the County and its jurisdictions to reduce or eliminate exposure to impacts of hazards. The 2025 update of the LMS is a result of a coordinated, cooperative effort within Polk County.

The LMS Working Group identified and prioritized project-planning goals for the LMS following the completion of an updated hazard identification and risk assessment. With the updated analysis, the LMS Working Group identified, justified, and prioritized proposals for projects and programs that may avoid or minimize vulnerabilities in the future, resulting in a Mitigation Action Plan (MAP) for Polk County.

The LMS Working Group has submitted the LMS to the Florida Division of Emergency Management (FDEM) for review and approval. FDEM has the authority to review the LMS on behalf of the Federal Emergency Management Agency (FEMA). FDEM utilizes the Local Hazard Mitigation Plan Review Tool, which includes the 2025 Florida Local Mitigation Strategy Crosswalk to review the LMS. Appendix E includes Polk County's 2025 LMS Crosswalk.

Once FDEM issues a decision that the updated LMS adequately addresses these requirements, the LMS Working Group will vote to adopt the LMS and submit to the jurisdictions' governing bodies for formal adoption and approval and to the participants identified in Section III for letters of commitment. Appendix G includes the adoption resolutions from each jurisdiction and letters of commitment from the identified participants. The governing bodies of the jurisdictions will consider the final draft LMS for final approval and adoption. Consistent with Florida's open meetings statutes, the public will have an opportunity to comment on each jurisdiction's adoption of the LMS during public meetings. In accordance with Federal practice, the jurisdictions have one year from the date of State approval of the LMS to complete the formal adoption. The following jurisdictions may adopt the final draft of the LMS.

- Polk County
- Polk County Public Schools
- City of Auburndale
- City of Bartow
- City of Davenport
- Town of Dundee
- City of Eagle Lake
- City of Fort Meade
- City of Frostproof
- City of Haines City
- Village of Highland Park
- Town of Hillcrest Heights
- Town of Lake Alfred
- Town of Lake Hamilton
- City of Lake Wales
- City of Lakeland
- City of Mulberry
- City of Polk City
- City of Winter Haven
- Golden Lakes Community Development
- Polk County School Board
- Lake Region Lakes Management District

The LMS Working Group completed the update with the assistance of County staff and Central Florida Regional Planning Council staff. The LMS includes the best available information at the time the document was prepared. As new information becomes available, the LMS Working Group intends to provide ongoing updates to ensure this document remains current.

SECTION I - INTRODUCTION

The Federal Emergency Management Agency (FEMA) defines mitigation as "Any sustained action taken to reduce or eliminate the long-term risk to human life and property from hazards." Hazard mitigation focuses attention and resources on community policies and actions to produce cumulative benefits over time. A mitigation plan states the goals and actions a community intends to follow to reduce vulnerability and exposure to future hazard events. A systematic process centered on participation of residents, businesses, public officials, and other community stakeholders is the basis of the Polk County 2025 Multi-Jurisdictional Local Mitigation Strategy (LMS).

A local mitigation plan is the written representation of a jurisdiction's commitment to reduce risks from hazards. Local officials may refer to the plan in day-to-day activities and decisions regarding regulations, permitting, and funding capital improvements and other community initiatives. The local mitigation plan serves as the basis for the State to prioritize future grant funding as it becomes available.

Community stakeholders may utilize the LMS as a tool to increase public awareness about local hazards and risks while providing options and resources available to reduce those risks. Teaching the public about potential hazards will help each jurisdiction protect itself against the impacts of hazards and will enable informed decision making on where to live, purchase property, or locate businesses.

Background

Natural hazards such as hurricanes, floods, extreme heat, and tornadoes are a part of the world around us. Their occurrences are natural and inevitable. The LMS considers hazards as significant threats to human life, safety, and property.

Polk County, located in central Florida, is vulnerable to a wide range of natural hazards, including hurricanes, severe thunderstorms, flooding, tornadoes, extreme heat, and wildfires. The County is also vulnerable to human-caused hazards including cyber-attacks, hazardous material spills, and civil disturbances. These hazards threaten the life and safety of residents and have the potential to damage or destroy both public and private property, disrupt the local economy, and affect the overall quality of life of individuals who live, work, and visit in the community. While jurisdictions cannot eliminate natural hazards, they can take actions to lessen the potential impacts on the community.

FEMA Definition of Hazard Mitigation:
"Any sustained action taken to reduce or eliminate the long-term risk to human life and property from hazards."

Hazard mitigation techniques include structural measures, such as strengthening buildings and infrastructure from the destructive forces of potential hazards, and non-structural measures such as adoption of sound land use policies and the creation of public awareness programs. A comprehensive mitigation approach addresses hazard vulnerabilities existing today and in the near future. The LMS is

essential to evaluate projected patterns of future development and consider them in terms of how growth will increase or decrease a community's overall hazard vulnerability.

Key components of the comprehensive approach to hazard mitigation are developing, adopting, and updating as needed, a local hazard mitigation plan. A local hazard mitigation plan establishes a broad community vision and guiding principles for reducing hazard risk and proposes mitigation actions to eliminate or reduce identified vulnerabilities.

The Polk County 2025 Multi-Jurisdictional Strategy (LMS) forms the basis for incorporating hazard mitigation principles and practices into the routine government activities and functions of Polk County and the jurisdictions within the County. The LMS recommends actions to protect residents from losses to hazards that pose the greatest threats. The mitigation actions recommend structural solutions to reduce existing vulnerability, such as elevation, retrofitting, and acquisition projects. Local policies governing community growth and development, incentives for natural resource protection, and public awareness and outreach activities are examples of additional actions to reduce Polk County's future vulnerability to identified hazards. The LMS is a living document, with implementation and evaluation procedures established to help achieve meaningful objectives and successful outcomes over time.

This LMS relates to the following jurisdictions in Polk County:

- Polk County
- Polk County Public Schools
- City of Auburndale
- City of Bartow
- City of Davenport
- Town of Dundee
- City of Eagle Lake
- City of Fort Meade
- City of Frostproof
- City of Haines City
- Village of Highland Park
- Town of Hillcrest Heights
- Town of Lake Alfred
- Town of Lake Hamilton
- City of Lake Wales
- City of Lakeland
- City of Mulberry
- City of Polk City
- City of Winter Haven
- Golden Lakes Community Development
- Polk County School Board
- Lake Region Lakes Management District

Each municipality in the County may adopt the LMS and identified participants may issue a letter of commitment once FEMA and Florida Division of Emergency Management (FDEM) have approved the LMS document.

SECTION I: INTRODUCTION

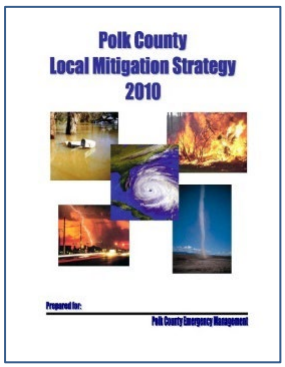
Disaster Mitigation Act of 2000

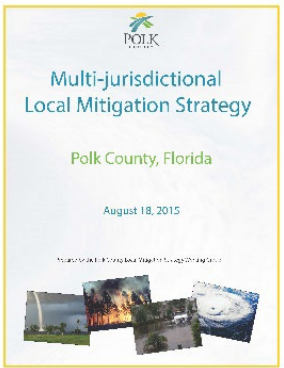
To reduce mounting natural disaster losses, the U.S. Congress passed the Disaster Mitigation Act of 2000 (DMA 2000) to amend the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Act), and to invoke new and revitalized approaches to mitigation planning. Section 322 of DMA 2000 emphasizes the need for close coordination on mitigation planning activities by State and local government entities. The Act makes the development of a hazard mitigation plan an eligibility requirement for any local government applying for Federal mitigation grant funds. These funds include the Hazard Mitigation Grant Program and the Pre-Disaster Mitigation program. FEMA administers both programs under the Department of Homeland Security. Communities with an adopted and Federally approved hazard mitigation plan thereby become pre-positioned and are more apt to receive available mitigation funds before and after the next disaster occurs.

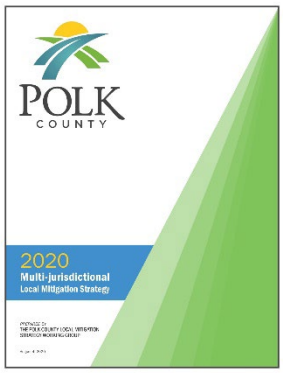
FEMA set forth guidelines for the LMS in the Interim Final Rule in the Federal Register of 44 Code of Federal Regulations (CFR) Part 201. These requirements instruct that a Local Mitigation Strategy identify natural hazards and their impacts, identify actions to reduce losses resulting from the hazards, and create a process for the implementation of the LMS. For Polk County and its jurisdictions to remain eligible for Federal mitigation funds, the County must review, revise, and resubmit an updated LMS for approval every five years.

Polk County LMS History

Polk County and its jurisdictions created the Polk County LMS in 1999. In 2010, the County and its jurisdictions updated the LMS. In 2015, the update included a reorganization of the document. The 2020 and 2025 updates to the LMS were prepared in coordination with FEMA Region IV and FDEM to ensure that the LMS meets all applicable DMA 2000 and State requirements.







Purpose

The purpose of the LMS is to develop and execute an ongoing strategy for reducing the community's vulnerability to identified natural, technological, and human-caused hazards. The LMS provides a rational, managed basis for considering and prioritizing hazard-specific mitigation options and for developing and executing cost-effective mitigation projects. Additionally, the LMS provides a foundation for justifying the solicitation and use of local, State, Federal, and other funding to support hazard mitigation projects and initiatives.

The LMS establishes an ongoing process that integrates hazard mitigation into the entire community including the public and private sectors and residents. The LMS serves as a bridge between local governments' comprehensive growth management plans, the County Comprehensive Emergency Management Plan (CEMP), land development regulations, and relevant ordinances and codes such as floodplain management policies. The LMS integrates mitigation initiatives set forth in various policies, programs, and regulations into a single stand-alone document.

Authority

The LMS Working Group developed the LMS in accordance with current State and Federal rules and regulations governing local hazard mitigation plans. Polk County and its jurisdictions will adopt the LMS in accordance with standard local procedures. Section VIII includes copies of local adoption resolutions. The LMS partners shall routinely monitor, review, and revise the LMS, as necessary, to maintain compliance with the following provisions, rules, and legislation:

- Section 322, Mitigation Planning, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as enacted by Section 104 of the Disaster Mitigation Act of 2000 (P.L. 106-390);
- FEMA's Interim Final Rule published in the Federal Register on February 26, 2002, at 44 CFR Part 201;
- Flood Insurance Reform Act of 2004 (P.L. 108-264); and
- Biggert-Waters Flood Insurance Reform Act of 2012.

LMS Contents

The LMS includes the following sections to address FEMA requirements for a local mitigation plan.

- Full report available upon adoption from the State Hazard Mitigation Officer

Re: Polk County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Director Womble,

This is to confirm that we have completed a State review of the Polk County Local Mitigation Strategy (LMS) update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201.6(b)-(d). Based on our review and comments, Polk County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Polk County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Polk County, Unincorporated
Polk County School Board
City of Auburndale
City of Bartow
City of Davenport
Town of Dundee
City of Eagle Lake
City of Fort Meade
City of Frostproof
City of Haines City
City of Mulberry
City of Polk City
City of Winter Haven
Village of Highland Park
Town of Hillcrest Heights
City of Lake Alfred
Town of Hamilton
City of Lake Wales
City of Lakeland

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Polk County LMS.

If you have any questions regarding this matter, please contact your LMS Liaison Michell Budihas at mitchell.budihas@em.myflorida.com or 850-524-4195.

Respectfully,

Kristin Lentz

SUBJECT: R-25-44 - Renewal of Statewide Mutual Aid Agreement

BACKGROUND

The State of Florida, through the Division of Emergency Management, is requesting that all counties and municipalities update their Statewide Mutual Aid Agreement (SWMAA) to the latest 2023 edition. The City of Winter Haven originally entered into this agreement on May 14, 2001, with the most recent renewal in 2020 (Resolution R-20-49).

Pursuant to the Florida Emergency Management Act (Chapter 252, Florida Statutes), the State and its political subdivisions are authorized to provide and receive emergency assistance during disasters, including the coordination and deployment of resources across jurisdictions.

This Resolution authorizes the City to participate in mutual aid activities with other political subdivisions in accordance with Chapter 252 of the Florida Statutes. It also approves and incorporates the updated SWMAA into the City's Comprehensive Emergency Management Plan (CEMP), enhancing Winter Haven's capabilities in disaster preparedness, response, and recovery.

FINANCIAL IMPACT

There is no financial impact associated with the updated SWMAA.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Community Safety
- **Goal:** 5.4 – Ensure local government functions are aligned with community safety best practices.
- **Strategy:** 5.4.1 – Develop and maintain a City-wide Comprehensive Emergency Management Plan (CEMP) that covers risk, response, and vulnerability.

RECOMMENDATION

Staff recommends the City Commission pass Resolution R-25-44 and approve the SWMAA and authorize the City Manager or his designee and other necessary City Officials to execute the SWMAA with the State of Florida Division of Emergency Management, and take any and all additional actions necessary thereto.

ATTACHMENTS

- Resolution R-25-44
- Statewide Mutual Aid Agreement

RESOLUTION NO. R-25-44

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA APPROVING AN AGREEMENT WITH THE STATE OF FLORIDA DIVISION OF EMERGENCY MANAGEMENT FOR STATEWIDE MUTUAL AID AUTHORIZING THE CITY MANAGER TO EXECUTE SAID AGREEMENT AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the State of Florida is vulnerable to a wide range of disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services; and

WHEREAS, such disasters are likely to exceed the capability of any one local government to cope with the disaster with existing resources and may also give rise to unusual technical needs that the local government may be unable to meet with existing resources but that other local governments may be able to offer; and

WHEREAS, the State of Florida Emergency Management Act, codified in Chapter 252 of the Florida Statutes, authorizes the State and its political subdivisions to provide emergency aid and assistance in the event of a disaster or emergency; and

WHEREAS, Chapter 252 of the Florida Statutes also authorizes the State to coordinate the provision of any equipment, services, or facilities owned or organized by the State or its political subdivisions for use in the affected area upon the request of the duly constituted authority of the area; and

WHEREAS, this Resolution authorizes the request, provision, and receipt of interjurisdictional mutual assistance in accordance with the Emergency Management Act, Chapter 252 of the Florida Statutes, among political subdivisions within the State and accordingly approves that Agreement with the State of Florida Department of Emergency Management for Statewide Mutual Aid which promotes the health, safety, and welfare of the citizens, residents, and business owners within the City of Winter Haven, Florida; and

NOW, THEREFORE, BE IT RESOLVED BY CITY COMMISSION OF THE CITY OF

WINTER HAVEN, FLORIDA, AS FOLLOWS:

Section 1. The above factual recitals are hereby incorporated into and constitute the basis for the passage of this Resolution.

Section 2. The City Commission of the City of Winter Haven, Florida hereby approves and accepts that certain Agreement with the State of Florida Department of Emergency Management regarding Statewide Mutual Aid, a copy of which Is attached hereto as Exhibit A, and which is incorporated herein by reference, and which is authorized pursuant to Section 163.01(3)(a), Florida Statutes, and further authorizes the City Manager and other necessary City Officials to execute and deliver said Agreement to the State of Florida Division of Emergency Management along with a certified copy of this Resolution.

Section 2. This Resolution shall become effective immediately upon passage.

INTRODUCED AND PASSED by the City Commission of the City of Winter Haven, Florida, in regular session this 25th day of August, 2025.

STATEWIDE MUTUAL AID AGREEMENT - 2023

This Agreement is an acknowledgment of receipt by the Florida Division of Emergency Management ("the Division") and the local government ("Participating Party") signing this Agreement. Execution of this agreement replaces all previous iterations and is active until a new agreement is drafted and requested by The Division.

This Agreement is based on the existence of the following conditions:

A. The State of Florida is vulnerable to a wide range of emergencies and disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services.

B. Such emergencies and disasters often exceed the emergency response and recovery capabilities of any one county or local government.

C. Such incidents may also give rise to unusual and unanticipated physical and technical needs which a local government cannot meet with existing resources, but that other local governments within the State of Florida may be able to provide.

D. The Emergency Management Act, chapter 252, *Florida Statutes*, provides each local government of the state the authority to develop and enter into mutual aid agreements within the state for reciprocal emergency aid in case of emergencies too extensive to be dealt with unassisted, and through such agreements ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

E. Pursuant to chapter 252.32, *Florida Statutes*, the Division renders mutual aid among the political subdivisions of the state to carry out emergency management functions and responsibilities.

F. Pursuant to chapter 252, *Florida Statutes*, the Division has the authority to coordinate and direct emergency management assistance between local governments and concentrate available resources where needed.

Based on the existence of the foregoing conditions, the Parties agree to the following articles:

ARTICLE I: DEFINITIONS

As used in this Agreement, the following expressions shall have the following meanings:

A. The "Agreement" is this Agreement, which shall be referred to as the Statewide Mutual Aid Agreement ("SMAA").

B. The "Division" is the Florida Division of Emergency Management.

C. A "Requesting Party" to this Agreement is a Participating Party who requests assistance under this agreement.

D. An "Assisting Party" to this Agreement is a Participating Party who provides assistance to a Requesting Party under this agreement.

E. The "Period of Assistance" is the time during which an Assisting Party renders assistance to a Requesting Party under this agreement and includes the time necessary for the resources and personnel of the Assisting Party to travel to the place specified by the Requesting Party and the time necessary to return to their place of origin.

F. A "Mission" is a documented emergency response activity performed during a Period of Assistance, usually in reference to one operational function or activity.

G. A "local government" is any educational district, special district, or any entity that is a "local governmental entity" within the meaning of section 11.45(1)(g), *Florida Statutes.*

H. An "educational district" is any school district within the meaning of section 1001.30, *Florida Statutes*, and any Florida College System Institution or State University within the meaning of section 1000.21, *Florida Statutes*.

I. A "special district" is any local or regional governmental entity which is an independent special district within the meaning of section 189.012(3), *Florida Statutes*, established by local, special, or general act, or by rule, ordinance, resolution, or interlocal agreement.

J. A "tribal council" is the respective governing bodies of the Seminole Tribe of Florida and Miccosukee Tribe of Indians recognized as special improvement district by section 285.18(1), *Florida Statutes*.

K. An "interlocal agreement" is any agreement between local governments within the meaning of section 163.01(3)(a), *Florida Statutes*.

L. A "Resource Support Agreement" as used in this Agreement refers to a supplemental agreement of support between a Requesting Party and an Assisting Party.

M. "Proof of work" as used in this Agreement refers to original and authentic documentation of a single individual or group of individuals' emergency response activity at a tactical level.

N. "Proof of payment" as used in this Agreement refers to original and authentic documentation of an emergency response expenditure made by an Assisting Party.

O. A "Reimbursement Package" as used in this Agreement refers to a full account of mission response documentation supported by proof of work and proof of payment.

P. Any expressions not assigned definitions elsewhere in this Agreement shall have the definitions assigned them by the Emergency Management Act, Chapter 252, *Florida Statutes*.

ARTICLE II: APPLICABILITY OF THE AGREEMENT

Any Participating Party, including the Division, may request assistance under this Agreement for a "major disaster" or "catastrophic disaster" as defined in section 252.34, *Florida Statutes*, minor disasters, and other such emergencies as lawfully determined by a Participating Party.

ARTICLE III: INVOCATION OF THE AGREEMENT

In the event of an emergency or anticipated emergency, a Participating Party may request assistance under this Agreement from any other Participating Party or the Division if, in the judgement of the Requesting Party, its own resources are inadequate to meet the needs of the emergency or disaster.

A. Any request for assistance under this Agreement may be oral, but within five (5) calendar days must be confirmed in writing by the Requesting Party. All requests for assistance under this Agreement shall be transmitted by the Requesting Party to another Participating Party or the Division. If the Requesting Party transmits its request for Assistance directly to a Participating Party other than the Division, the Requesting Party and Assisting Party shall keep the Division advised of their activities.

B. The Division shall relay any requests for assistance under this Agreement to such other Participating Parties as it may deem appropriate and coordinate the activities of the Assisting Parties to ensure timely assistance to the Requesting Party. All such activities shall be carried out in accordance with the State's Comprehensive Emergency Management Plan.

ARTICLE IV: RESPONSIBILITIES OF REQUESTING PARTIES

To the extent practicable, all Requesting Parties shall provide the following information to their respective county emergency management agency, the Division, and the intended Assisting Party or Parties. In providing such information, Requesting Parties should utilize Section I of the

Resource Support Agreement (RSA) Form, available via the Division approved documents SharePoint site[1].

A. A description of the Mission to be performed by the Assisting Party;

B. A description of the resources and capabilities needed to complete the Mission successfully;

C. The location, date, and time personnel and resources from the Assisting Party should arrive at the incident site, staging area, facility, or other location designated by the Requesting Party;

D. A description of the health, safety, and working conditions expected for deploying personnel;

E. Lodging and meal availability;

F. Any logistical requirements;

G. A description of any location or facility outside the territorial jurisdiction of the Requesting Party needed to stage incoming resources and personnel;

H. The location date, and time for personnel of the Requesting Party to meet and receive the personnel and equipment of the Assisting Party; and

I. A technical description of any communications equipment needed to ensure effective information sharing between the Requesting Party, any Assisting Parties, and all relevant responding entities.

ARTICLE V: RESPONSIBILITIES OF ASSISTING PARTIES

Each Party shall render assistance under this Agreement to any Requesting Party to the extent practicable that its personnel, equipment, resources, and capabilities can render assistance. If upon receiving a request for assistance under this Agreement a Party determines that it has the capacity to render some or all of such assistance, it shall provide the following information without delay to the Requesting Party, the Division, and the Assisting Party's County emergency management agency. In providing such information, the Assisting Party should utilize the Section II of the Resource Support Agreement (RSA) Form, available via the Division approved documents SharePoint site.

[1] FDEM approved documents such as activity logs and mutual aid forms can be found at: https://portal.floridadisaster.org/projects/FROC/FROC_Documents/Forms/AllItems.aspx?View=%7B6F3CF7BD%2DC0A4%2D4BE2%2DB809%2DC8009D7D0686%7D

A. A description of the personnel, equipment, supplies, services and capabilities it has available, together with a description of the qualifications of any skilled personnel;

B. An estimate of the time such personnel, equipment, supplies, and services will continue to be available;

C. An estimate of the time it will take to deliver such personnel, equipment, supplies, and services to the location(s) specified by the Requesting Party;

D. A technical description of any communications and telecommunications equipment available for timely communications with the Requesting Party and other Assisting Parties;

E. The names and contact information of all personnel whom the Assisting Party has designated as team leaders or supervisors; and

F. An estimated cost for the provision of assistance.

ARTICLE VI: RENDITION OF ASSISTANCE

The Requesting Party shall afford the emergency response personnel of all Assisting Parties, while operating within the jurisdictional boundaries of the Requesting Party, the same powers, duties, rights, and privileges, except that of arrest unless specifically authorized by the Requesting Party, as are afforded the equivalent emergency response personnel of the Requesting Party. Emergency response personnel of the Assisting Party will remain under the command and control of the Assisting Party, but during the Period of Assistance, the resources and responding personnel of the Assisting Party will perform response activities under the operational and tactical control of the Requesting Party.

A. Unless otherwise agreed upon between the Requesting and Assisting Party, the Requesting Party shall be responsible for providing food, water, and shelter to the personnel of the Assisting Party. For Missions performed in areas where there are insufficient resources to support responding personnel and equipment throughout the Period of Assistance, the Assisting Party shall, to the fullest extent practicable, provide their emergency response personnel with the equipment, fuel, supplies, and technical resources necessary to make them self-sufficient throughout the Period of Assistance. When requesting assistance, the Requesting Party may specify that Assisting Parties send only self-sufficient personnel and resources but must specify the length of time self-sufficiency should be maintained.

B. Unless the Requesting Party has specified the contrary, it shall, to the fullest extent practicable, coordinate all communications between its personnel and the responding personnel of the Assisting Parties, and shall determine and share the frequencies and other technical specifications of all communications equipment to be used, as appropriate, with the deployed personnel of the Assisting Parties.

C. Personnel of the Assisting Party who render assistance under this Agreement shall receive the usual wages, salaries, and other compensation as are normally afforded to personnel for emergency response activities within their home jurisdiction, and shall have all the immunities, rights, interests, and privileges applicable to their normal employment. If personnel of the Assisting Party hold local licenses or certifications limited to the jurisdiction of issue, then the Requesting Party shall recognize and honor those licenses or certifications for the duration of the Period of Assistance.

ARTICLE VII: REIMBURSEMENT

After the Period of Assistance has ended, the Assisting Party shall have 45 days to develop a full reimbursement package for services rendered and resources supplied during the Period of Assistance. All expenses claimed to the Requesting Party must have been incurred in direct response to the emergency as requested by the Requesting Party and must be supported by proof of work and proof of payment.

To guide the proper documentation and accountability of expenses, the Assisting Party should utilize the Claim Summary Form, available via the Division approved documents SharePoint site as a guide and summary of expense to collect information to then be formally submitted for review by the Requesting Party.

To receive reimbursement for assistance provided under this agreement, the Assisting Party shall provide, at a minimum, the following supporting documentation to the Requesting Party unless otherwise agreed upon between the Requesting and Assisting Parties:

A. A complete and authentic description of expenses incurred by the Assisting Party during the Period of Assistance;

B. Copy of a current and valid Internal Revenue Service W-9 Form;

C. Copies of all relevant payment and travel policies in effect during the Period of Assistance;

D. Daily personnel activity logs demonstrating emergency response activities performed for all time claimed (for FDEM reimbursement Division approved activity logs will be required for personnel activity claims);

E. Official payroll and travel reimbursement records for all claimed personnel expenses;

F. Neat and comprehensive fringe benefit calculations for each position class or category of claimed personnel;

G. Written justification for all additional expenses/purchases incurred during the Period of Assistance;

H. Proof of payment for additional/miscellaneous expenses incurred during the Period of Assistance

I. Equipment activity logs demonstrating equipment use and operation in support of emergency response activities for all time claimed (for FDEM reimbursement Division approved forms will be required for equipment activity claims);

J. Proof of reimbursement to all employees who incurred emergency response expenses with personal money;

K. Justification for equipment repair expenses; and

L. Copies of any applicable supporting agreements or contracts with justification.

If a dispute or disagreement regarding the eligibility of any expense arises, the Requesting Party, Assisting Party, or the Division may elect binding arbitration. If binding arbitration is elected, the Parties must select as an arbitrator any elected official of another Participating Party, or any other official of another Participating Party whose normal duties include emergency management, and the other Participating Party shall also select such an official as an arbitrator, and the arbitrators thus chosen shall select another such official as a third arbitrator.

The three (3) arbitrators shall convene by teleconference or videoconference within thirty (30) calendar days to consider any documents and any statements or arguments by the Division, the Requesting Party, or the Assisting Party concerning the protest, and shall render a decision in writing not later than ten (10) business days after the close of the hearing. The decision of a majority of the arbitrators shall bind the parties and shall be final.

If the Participating Parties do not elect binding arbitration, this agreement and any disputes arising thereunder shall be governed by the laws of the State of Florida and venue shall be in Leon County, Florida. Nothing in this Agreement shall be construed to create an employer-employee relationship or a partnership or joint venture between the participating parties. Furthermore, nothing contained herein shall constitute a waiver by either Party of its sovereign immunity or the provisions of section 768.28, Florida Statutes. Nothing herein shall be construed as consent by either Party to be sued by third parties.

ARTICLE VIII: COST ELIGIBLE FOR REIMBURSEMENT

The costs incurred by the Assisting Party under this Agreement shall be reimbursed as needed to make the Assisting Party whole to the fullest extent practicable.

A. Employees of the Assisting Party who render assistance under this Agreement shall be entitled to receive from the Assisting Party all their usual wages, salaries, and any and all other compensation for mobilization, hours worked, and demobilization. Such compensation shall include any and all contributions for insurance and retirement, and such employees shall continue to accumulate seniority at the usual rate. As between the employees and the Assisting Party, the employees shall have all the duties, responsibilities, immunities, rights, interests, and privileges incident to their usual employment. The Requesting Party shall reimburse the Assisting Party for these costs of employment.

B. The costs of equipment supplied by the Assisting Party shall be reimbursed at the rental rate established in FEMA' s Schedule of Equipment, or at any other rental rate agreed to by the Requesting Party. In order to be eligible for reimbursement, equipment must be in actual operation performing eligible work. The labor costs of the operator are not included in the rates and should be approved separately from equipment costs. The Assisting Party shall pay for fuels, other consumable supplies, and repairs to its equipment as needed to keep the equipment in a state of operational readiness. Rent for the equipment shall be deemed to include the cost of fuel and other consumable supplies, maintenance, service, repairs, and ordinary wear and tear. With the consent of the Assisting Party, the Requesting Party may provide fuels, consumable supplies, maintenance, and repair services for such equipment at the site. In that event, the Requesting Party may deduct the actual costs of such fuels, consumable supplies, maintenance, and services from the total costs otherwise payable to the Assisting Party. If the equipment is damaged while in use under this Agreement and the Assisting Party receives payment for such damage under any contract of insurance, the Requesting Party may deduct such payment from any item or items billed by the Assisting Party for any of the costs for such damage that may otherwise be payable.

C. The Requesting Party shall pay the total costs for the use and consumption of any and all consumable supplies delivered by the Assisting Party for the Requesting Party under this Agreement. In the case of perishable supplies, consumption shall be deemed to include normal deterioration, spoilage, and damage notwithstanding the exercise of reasonable care in its storage and use. Supplies remaining unused shall be returned to the Assisting Party in usable condition upon the close of the Period of Assistance, and the Requesting Party may deduct the cost of such returned supplies from the total costs billed by the Assisting Party for such supplies. If the Assisting Party agrees, the Requesting Party may also replace any and all used consumable supplies with like

supplies in usable condition and of like grade, quality and quantity within the time allowed for reimbursement under this Agreement.

D. The Assisting Party shall keep records to document all assistance rendered under this Agreement. Such records shall present information sufficient to meet the audit requirements specified in the regulations of FEMA and any applicable circulars issued by the State of Florida. Upon reasonable notice, the Assisting Party shall make its records available the Requesting Party for inspection or duplication between 8:00 a.m. and 5:00 p.m. on all weekdays, except for official holidays.

ARTICLE IX: INSURANCE

Each Participating Party shall determine for itself what insurance to procure, if any. With the exceptions in this Article, nothing in this Agreement shall be construed to require any Participating Party to procure insurance.

A. Each Participating Party shall procure employers' insurance meeting the requirements of the Workers' Compensation Act, as amended, affording coverage for any of its employees who may be injured while performing any activities under the authority of this Agreement, and shall be provided to each Participating Party.

B. Participating Parties may elects additional insurance affording liability coverage for any activities that may be performed under the authority of this Agreement .

C. Subject to the limits of such liability insurance as any Participating Party may elect to procure, nothing in this Agreement shall be construed to waive, in whole or in part, any immunity any Participating Party may have in any judicial or quasi-judicial proceeding.

D. Each Participating Party which renders assistance under this Agreement shall be deemed to stand in the relation of an independent contractor to all other Participating Parties and shall not be deemed to be the agent of any other Participating Party.

E. Nothing in this Agreement shall be construed to relieve any Participating Party of liability for its own conduct and that of its employees.

F. Nothing in this Agreement shall be construed to obligate any Participating Party to indemnify any other Participating Party from liability to third parties.

ARTICLE X: GENERAL REQUIREMENTS

Notwithstanding anything to the contrary elsewhere in this Agreement, all Participating Parties shall be subject to the following requirements in the performance of this Agreement:

A. All Participating Parties shall allow public access to all documents, papers, letters, or other materials subject to the requirements of the Public Records Act, as amended, and made or received by any Participating Party in conjunction with this Agreement.

B. No Participating Party may hire employees in violation of the employment restrictions in the Immigration and Nationality Act, as amended.

C. No costs reimbursed under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Legislature of the State of Florida or any of its agencies.

D. Any communication to the Division under this Agreement shall be sent via either email, the Division of Emergency Managements Enterprise System (DEMES), or mail to the Response Bureau, Florida Division of Emergency Management, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100.

E. Any communication to a Participating Party shall be sent to the official or officials specified by that Participating Party. For the purpose of this section, any such communication may be sent by the U.S. Mail, e-mail, or other electronic platforms.

ARTICLE XI: EFFECTS OF AGREEMENT

Upon its execution by a Participating Party, this Agreement shall have the following effect with respect to that Participating Party:

A. The execution of this Agreement by any Participating Party which is a signatory to the Statewide Mutual Aid Agreement of 1994 shall terminate the rights, interests, duties, responsibilities, and obligations of that Participating Party under the Statewide Mutual Aid Agreement of 1994, but such termination shall not affect the liability of the Participating Party for the reimbursement of any costs due under the Statewide Mutual Aid Agreement of 1994, regardless of whether such costs are billed or unbilled.

B. The execution of this Agreement by any Participating Party which is a signatory to the Public Works Mutual Aid Agreement shall terminate the rights, interests, duties, responsibilities and obligations of that Participating Party under the Public Works Mutual Aid Agreement, but such termination shall not affect the liability of the Participating Party for the reimbursement of any costs due under the Public Works Mutual Aid Agreement,

regardless of whether such costs are billed or unbilled.

C. Upon the activation of this Agreement by the Requesting Party, this Agreement shall supersede any other existing agreement between it and any Assisting Party to the extent that the former may be inconsistent with the latter.

D. Upon its execution by any Participating Party, this Agreement will continue in effect for one (1) year from its date of execution by that Participating Party, and it shall automatically renew each year after its execution, unless within sixty (60) calendar days before the renewal date the Participating Party notifies the Division, in writing, of its intent to withdraw from the Agreement.

E. The Division shall transmit any amendment to this Agreement by sending the amendment to all Participating Parties not later than five (5) business days after its execution by the Division. Such amendment shall take effect not later than sixty (60) calendar days after the date of its execution by the Division and shall then be binding on all Participating Parties. Notwithstanding the preceding sentence, any Participating Party who objects to the amendment may withdraw from the Agreement by notifying the Division in writing of its intent to do so within that time in accordance with section F of this Article.

F. A Participating Party may rescind this Agreement at will after providing the other Participating Party a written SMAA withdrawal notice. Such notice shall be provided at least 30 days prior to the date of withdrawal. This 30-day withdrawal notice must be: written, signed by an appropriate authority, duly authorized on the official letterhead of the Participating Party, and must be sent via email, the Division of Emergency Managements Enterprise System (DEMES), or certified mail.

ARTICLE XII: INTERPRETATION AND APPLICATION OF AGREEMENT

The interpretation and application of this Agreement shall be governed by the following conditions:

A. The obligations and conditions resting upon the Participating Parties under this Agreement are not independent, but dependent.

B. Time shall be of the essence of this Agreement, and of the performance of all conditions, obligations, duties, responsibilities, and promises under it.

C. This Agreement states all the conditions, obligations, duties, responsibilities, and promises of the Participating Parties with respect to the subject of this Agreement, and there are no conditions, obligations, duties, responsibilities, or promises other than those expressed in this Agreement.

D. If any sentence, clause, phrase, or other portion of this Agreement is ruled unenforceable or invalid, every other sentence, clause, phrase, or other portion of the Agreement shall remain in full force and effect, it being the intent of the Division and the other Participating Parties that every portion of the Agreement shall be severable from every other portion to the fullest extent practicable. The Division reserves the right, at its sole and absolute discretion, to change, modify, add, or remove portions of any sentence, clause, phrase, or other portion of this Agreement that conflicts with state law, regulation, or policy. If the change is minor, the Division will notify the Participating Party of the change and such changes will become effective immediately; therefore, please check these terms periodically for changes. If the change is substantive, the Participating Parties may be required to execute the Agreement with the adopted changes. Any continued or subsequent use of this Agreement following the posting of minor changes to this Agreement shall signify implied acceptance of such changes.

E. The waiver of any obligation or condition in this Agreement by a Participating Party shall not be construed as a waiver of any other obligation or condition in this Agreement.

NOTE: This iteration of the State of Florida Statewide Mutual Aid Agreement will replace all previous versions.

The Division shall provide reimbursement to Assisting Parties in accordance with the terms and conditions set forth in this Article for missions performed at the direct request of the Division. Division reimbursement eligible expenses must be in direct response to the emergency as requested by the State of Florida. All required cost estimations and claims must be executed through the DEMES Mutual Aid Portal and assisting agencies must use all required FDEM forms for documentation and cost verification. If a Requesting Party has not forwarded a request through the Division, or if an Assisting Party has rendered assistance without being requested to do so by the Division, the Division shall not be liable for the costs of any such assistance.

FDEM reserves the right to deny individual reimbursement requests if deemed to not be in direct response to the incident for which asset was requested.

STATEWIDE MUTUAL AID AGREEMENT – SAMPLE ATTACHMENT
Encompassed Entities

This notice is an acknowledgment of an amendment to the 2023 SMAA by the Florida Division of Emergency Management ("the Division") which allows parent entities to include individual departments and subdivisions, within their authority, to be listed as SMAA designees eligible for SMAA request and assistance procedures.

By our authority and adoption of the attached 2023 Statewide Mutual Aid agreement, as the parent entity, the following departments and subdivisions will be included as SMAA signatories for all asset request, assistance, and applicable reimbursement processes:

All entities listed herein will still require access to the DEMES Mutual Aid System for FDEM Reimbursement process requirements.

DATE: August 18, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Eric Labbe, Economic Opportunity and Community Investment Director

SUBJECT: **Resolution R-25-45:** Administrative Plat Approval Policy

---

BACKGROUND

In the previous legislative session the Florida Legislature adopted Senate Bill 784 which was published and numbered as Chapter 2025-164 of the Laws of Florida (the Act). The Act amends Part 1 of Chapter 177 of Florida Statutes to require that each plat and replat of land lying within the City of Winter Haven's municipal limits intended to be offered for recording in the public records of the County be first submitted to the City for administrative approval. The Act supersedes local conflicting plat regulations and removes all requirements to hold public hearings and obtain approvals from the City of Winter Haven Planning Commission and the City of Winter Haven City Commission.

The Act also requires the designation of an "administrative authority" to receive, review, process and approve, approve with conditions, or deny plats and replats.

Resolution R-25-45 formally adopts an administrative plat approval process detailing interim procedures and designating an interim City administrative authority while staff works to develop an amendment to the City of Winter Haven's Land Development Code recognizing the requirements of the Act.

FINANCIAL IMPACT

There is no direct financial impact as a result of this request.

STRATEGIC PLAN ALIGNMENT

This Resolution adopts an interim policy addressing changes to State Law and is not specifically defined as a goal or strategy in the Strategic Plan. However, it is generally aligned with the Responsible Government pillar.

RECOMMENDATION

Staff recommends the City Commission approve Resolution R-25-45 and authorize the City Manager or his designee to take all necessary actions related thereto.

ATTACHMENT

- Resolution R-25-45

RESOLUTION NO. R-25-45

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA, RELATING TO MUNICIPAL APPROVAL OF PLATS AND REPLATS OF LAND; MAKING FACTUAL FINDINGS; ADOPTING CITY POLICY REGARDING THE ADMINISTRATIVE RECEIPT, REVIEW, AND PROCESSING OF APPLICATIONS FOR FINAL PLAT OR REPLAT APPROVAL; PROVIDING FOR CONFLICTS, SEVERABILITY, THE ADMINISTRATIVE CORRECTION OF SCRIVENER'S ERRORS AND AN EFFECTIVE DATE.

WHEREAS, the 2025 Florida Legislature adopted Committee Substitute for Committee Substitute for Committee Substitute for Senate Bill 784, which was published and numbered by Secretary of State of the State of Florida as Chapter 2025-164, Laws of Florida (the "Act"); and

WHEREAS, effective July 1, 2025, the Act amends Part I of Chapter 177, Florida Statutes, to require that each plat and replat of land lying within the City of Winter Haven's municipal limits intended to be offered for recording in the public records of the county be first submitted to the City for administrative approval; and

WHEREAS, the Act supersedes conflicting municipal local plat and replat regulations relating to plat and replat approvals and removes all requirements to hold public hearings and obtain approvals from the City of Winter Haven Planning Commission and the City of Winter Haven City Commission at public meetings; and

WHEREAS, pursuant to Section 1 of the Act and Section 177.071(1)(a), Florida Statutes (2025), the City of Winter Haven City Commission "shall designate, by ordinance or resolution, an administrative authority to receive, review, and process [a] plat or replat "submittal" and "designate" [e] an administrative official responsible for approving, approving with conditions, or denying the proposed plat or replat"; and

WHEREAS, as used in the Act, and pursuant to Section 177.071(1)(b), Florida Statutes (2025), the term "administrative authority" means "a department, division, or other agency of the" City and "includes an administrative officer or employee designated by the" City Commission of the City of Winter Haven such as "a city manager, … a deputy city manager, … an assistant city manager, or other high ranking … city department or division director with direct or indirect oversight responsibilities" for the City's "land development, housing, utilities, or public works programs"; and

WHEREAS, pursuant to Section 1 of the Act and Section 177.071(2), Florida Statutes (2025), within 7 business days of the City's receipt of an application for plat or replat approval, the City's administrative authority is required to "provide written notice to the applicant acknowledging receipt of the plat or replat submittal and identifying any missing documents or information necessary to process the plat or replat submittal for compliance" with state and local land platting laws; and

WHEREAS, laws relating to the municipal approval of plat maps and replat maps that are codified in Chapter 21 of the City of Winter Haven Code of Ordinances and Chapters 163 and 166 of the Florida Statutes require both the Planning Commission of the City of Winter Haven and the City Commission of the City of Winter Haven to conduct public hearings and multiple readings of any ordinance that proposes changes to the City's set of land development regulations; and

WHEREAS, the City Commission of the City of Winter Haven finds it necessary, prudent, and in the public interest to formally adopt interim procedures and designate an interim City administrative authority to receive, review, and process plats and replats in compliance with the Act while City staff develops an amendment to the City of Winter Haven's land development regulations; and

WHEREAS, it is the intent and instruction of the City Commission of the City of Winter Haven that the interim procedures and interim designation of a City administrative authority should apply only to plats and replats submitted on or after July 1, 2025, and it is the further intent and instruction of the City Commission of the City that the law of the City and of the State of Florida in effect at the time of plat or replat submittal for all plats and replats submitted before July 1, 2025 should apply until the plat or replat is fully processed and approved, approved with conditions, or denied; and

WHEREAS, to the extent a declaration is necessary in order to give this Resolution full force and effect, the City Commission of the City of Winter Haven declares a period of "zoning in progress" with respect to the receipt, review, and processing of plats and replats submitted on or after July 1, 2025, and instructs the City Manager and his staff to apply the interim procedures adopted herein until the City Commission of the City of Winter Haven can adopt a final ordinance amending its land development regulations regarding plat and replat receipt, review, processing, and approval, approval with conditions, or denial;

NOW, THEREFORE, BE IT ENACTED BY THE CITY COMMISSION OF THE CITY OF WINTER HAVEN, FLORIDA:

Section 1. Incorporation of Recitals.

The foregoing whereas clauses and recitals, all of which are incorporated herein by reference, are found by the City Commission to be true and correct statements that form the factual basis for passage of this Resolution and of the policy attached hereto.

Section 2. Adoption of Interim Administrative Final Plat Approval Policy.

The City of Winter Haven formally adopts the "Interim Administrative Final Plat Approval Policy" which is attached hereto as Exhibit "A" and incorporated herein by reference and hereby directs the City Manager to implement said policy and authorizes the City Manager or his designee to take all necessary and appropriate actions related

thereto.

Section 3. Zoning in Progress; Future Amendments to the City's Land Development Regulations.

It is the intent of the City of Winter Haven to formally incorporate the Interim Administrative Final Plat Approval Policy into the City of Winter Haven's land development regulations at its earliest convenient time. To the extent the Interim Administrative Final Plat Approval Policy conflicts with anything in Chapter 21 of the City of Winter Haven Code of Ordinances, the City of Winter Haven formally declares a period of "zoning in progress" with respect to applications for municipal approval of final plats and replats prior to recording in the public records of Polk County, Florida and directs the City Manager or his designee to follow the Interim Administrative Final Plat Approval Policy, instead of Chapter 21 of the City of Winter Haven Code of Ordinances, on all matters related to the receipt, review, processing, approval, approval with conditions, or denials of final plats made for recording.

Section 4. Conflicts.

All resolutions in conflict with this Resolution are hereby repealed in order to give this Resolution full force and effect.

Section 5. Severability.

If any portion of this Resolution and Exhibit "A" is declared invalid or unenforceable, then to the extent it is possible to do so without destroying the overall intent and effect of this Resolution and Exhibit "A", the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of this Resolution and Exhibit "A" shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

Section 6. Administrative Correction of Scrivener's Errors.

Provisions of this Resolution and Exhibit "A" may be renumbered or relettered and the correction of typographical and/or scrivener's errors which do not affect the intent may be authorized by the City Manager or his designee, without need of Commission action, by filing a corrected copy of same with the City Clerk.

Section 7. Effective Date.

This Resolution shall become effective immediately upon its passage by the City Commission.

RESOLUTION NO. R-25-45
Exhibit "A"

City of Winter Haven, Florida
Interim Administrative Final Plat Approval Policy
Adopted August 25, 2025

Section 1. Statement of Adoption and Purpose; Provisions of Local Ordinances Recognized as Superseded; Effective Period.

(a) This policy is adopted by the City Commission of the City of Winter Haven, Florida (the "City Commission") pursuant to Section 1 of Chapter 2025-164, Laws of Florida, codified at Section 177.071, Florida Statutes (2025). The purpose of this policy is to implement an administrative process, as required by Section 177.071(1)(a), Florida Statutes (2025), for evaluating a final plat submitted for City approval prior to recording in the Public Records of Polk County, Florida, during the interim period while the City develops and adopts amendments to Chapter 21 of the Code of Ordinances of the City of Winter Haven, Florida relating to final plat or replat approval.

(b) This policy recognizes that portions of Chapter 21 of the Code of Ordinances of the City of Winter Haven, Florida relating to the receipt, review, and processing of applications for final plat approval may have been superseded by Section 177.071, Florida Statutes (2025). Nothing in this policy shall affect the requirement to post a maintenance and defect guarantee pursuant to Section 21-397(9) of the Code of Ordinances of the City of Winter Haven, Florida.

(c) This policy shall be effective until an ordinance adopting appropriate amendments to Chapter 21 of the Code of Ordinances of the City of Winter Haven, Florida relating to final plat approval has been adopted.

Section 2. Designation of Administrative Official; City Manager May Designate Alternate Administrative Official.

(a) The administrative official designated to receive, review, and process a submittal for final plat or replat approval by the City of Winter Haven, Florida is the Economic Opportunity and Community Investment Director of the City of Winter Haven ("City Administrative Authority").

(b) By letter filed with the City Clerk of the City of Winter Haven, Florida, the City Manager may designate himself or herself, or another high-ranking City Department or Division Director with direct or indirect responsibility for the municipality's land development, housing, utilities, or public works program as an alternate City Administrative Authority to fulfill the Economic Opportunity and Community Investment Director's obligation to receive, review, and process a submittal for final plat approval.

Section 3. Process for Final Plat Approval.

(a) *Application for Final Plat Approval; Contents.* A final plat shall be submitted to the City Administrative Authority for approval under this policy before recording in the Public Records of Polk County, Florida. Once subdivision infrastructure construction documents have been approved by the City Engineer, a subdivision developer may submit to the City Administrative Authority an application for final plat approval on a form developed by the City Administrative Authority together with the following:

(1) The fee, prescribed from time to time by the City Commission, for processing the application for final plat review and approval;

(2) A proposed final plat conforming with the requirements of Section 177.091, Florida Statutes, and the requirements of this Policy, drawn with a preferred scale of (1) inch equals (100) feet, that includes the following items:

(A) Dedications and reservations to be executed by the landowner;

(B) Acknowledgement and joinder for any party accepting a dedication or reservation;

(C) Certification by a registered land surveyor; and

(D) Statements of endorsement to be signed by the City engineer, the City's reviewing surveyor, and the City Administrative Authority;

(3) A boundary survey of the lands contained within the subdivision;

(4) Electronic AutoCAD .dwg files of the final plat and boundary survey;

(5) A title opinion or property information report, issued pursuant to Section 177.041, Florida Statutes, signed and certified or updated within ninety (90) days of the date of filing the application;

(6) Documentation establishing, if applicable, that a homeowner's association or property owner's association is legally formed and active for the subdivision;

(7) Copies of homeowner's documents (articles of incorporation, bylaws, and deed restrictions), if any;

(8) A detailed cost estimate breakdown of all proposed subdivision improvements certified by a Florida-licensed engineer;

(9) A scale drawing depicting any homes constructed on lots prior to approval of the final plat;

(10) Copies of all required permits and approvals issued by governing bodies having jurisdiction over properties being subdivided; and

(11) Three (3) paper sets and one (1) electronic set of City-approved engineering as-built drawings, certified by a professional engineer or registered land surveyor with personal verification and knowledge of the exact location and dimensions of all completed improvements, as well as certification that all utilities have been installed in accordance with specifications, if applicable improvements and utilities have been installed.

(b) *Submissions to be Stamped with Date and Time of Filing.* The City Administrative Authority shall stamp all submissions made under this policy with the date and time of his or her receipt.

(c) *Written Notice to Applicant of Receipt by City Administrative Authority.* After the City Administrative Authority's receipt of an application for final plat approval, the City Administrative Authority shall provide written notice to the applicant acknowledging receipt of the application and identifying any missing documents or information necessary to process the application for compliance with Section 177.091, Florida Statutes. The written notice shall also provide information regarding the application approval process, including requirements regarding the completeness of the process and applicable timeframes for reviewing, approving, and otherwise processing the application.

(d) *Timeframes for Reviewing, Approving and Otherwise Processing an Application for Final Plat Approval.* The timeframes for reviewing, approving, and otherwise processing an application for final plat approval are as follows:

(1) *Written Notice of Receipt of Submittal*: Written notice under paragraph (c) of this section shall be issued to the applicant within seven (7) business days after the City Administrative Authority receives a submittal pursuant to this policy.

(2) *Requests for Additional Information.* If the City Administrative Authority makes a request for additional information in its written notice of receipt of submittal, the timeframes in Section 166.033(2)(a), Florida Statutes, shall apply.

(3) *Review and Processing Period.* Once the City Administrative Authority has deemed an application for final plat review complete, the City Administrative Authority shall, within one hundred eighty (180) days, review and process an application for final plat approval and approve, approve with conditions, or deny the application.

(4) *Time for Applicant to Satisfy Conditions.* If a final plat application is approved with conditions by the City Administrative Authority, the applicant

shall have ninety (90) days from the date of notification to fully satisfy all conditions identified in the City Administrative Authority's letter of approval with conditions. After ninety (90) days, the final plat application shall remain pending, but shall become subject to any changes in this policy, the Code of Ordinances of the City of Winter Haven, Florida, and the Florida Statutes.

(5) *Extensions of Time.* The applicant, in writing addressed to the City Administrative Authority, may request an extension of any timeframe above, except for the ninety (90) day period in subparagraph (d)(4) of this section. The City Administrative Authority, or an official, an employee, an agent, or a designee of the City Commission of the City of Winter Haven may not request or require the applicant to file a written extension of time.

Section 4. <u>Standards for Final Plat Approval; Effect.</u>

(a) *Standards for review.* No final plat shall be approved by the City Administrative Authority for recording, unless:

(1) The final plat conforms with any approved preliminary plat;

(2) The final plat is in compliance with all applicable regulations, approved construction drawings and as-built drawings;

(3) All improvements have been installed, inspected and accepted by the City or, where permitted by the City, the developer has provided the City with adequate performance security and adequate defect security in accordance with the provisions of the Code of Ordinances of the City of Winter Haven, Florida and this policy;

(4) The developer has paid all required application and recording fees;

(5) When construction of improvements is required, a subdivision agreement or developer's agreement has been negotiated and executed by the developer;

(6) The developer has provided one (1) copy of all homeowner's documents (articles of incorporation, bylaws, and deed restrictions) for review by the City attorney and three (3) copies of the approved homeowners documents; and

(7) The final plat is in full compliance with this policy, the Code of Ordinances of the City of Winter Haven, Florida and Part I, Chapter 177, Florida Statutes.

(b) *Action on application.* The City Administrative Authority shall take action to approve, approve with conditions, or deny each fully complete application for final plat

approval that is filed pursuant to this policy. If the City Administrative Authority determines that the applicant must make changes to the final plat document as part of a letter approving the final plat with conditions, including changes to exactions or to restrictions on the face of the plat, the City Attorney must review and approve of such changes for the condition to be satisfied. If the City Administrative Authority denies the application for final plat approval, the City Administrative Authority shall set forth his or her reasons for denial in writing, including a citation to the applicable portions of an ordinance, rule, statute, or other legal authority for the denial.

(c) *Effect of City Administrative Authority decision.*

(1) Approval of the application for final plat approval shall authorize the City Administrative Authority to sign the copy of the final plat to be recorded. Approval of the application for final plat approval with conditions shall authorize the City Administrative Authority to sign the copy of the final plat to be recorded once the conditions of approval are fully satisfied.

(2) Once the final plat is signed by the City Administrative Authority, the final plat shall be filed and recorded with the Clerk of the Circuit Court for Polk County. The City Administrative Authority shall be responsible for recording the final plat and for returning one (1) reproducible copy of the recorded plat to the City Engineer.

(3) If the application for final plat approval is denied, the City Administrative Authority shall return the proposed final plat to the applicant.

(4) Unless otherwise indicated in the City Administrative Authority's letter of approval or letter of approval with conditions, the City Administrative Authority's signature on the final plat to be recorded constitutes acceptance of dedications to the public and public improvements on behalf of the City of Winter Haven, Florida.

(e) *Automatic approval contingencies.* Final plat approval shall always be contingent upon the developer providing proof of:

(1) Filing with the Department of State of the bylaws and articles of incorporation for the homeowners association;

(2) When construction of improvements is required, approval of a subdivision agreement or developer's agreement by the City, executed by the parties, and recorded in the public records in and for Polk County, Florida; and

(3) Receipt of all applicable federal, state and local permits which may include, but shall not be limited to, permits issued by the Florida Department of Transportation, the Florida Department of Environmental Protection, the U.S. Army Corps of Engineers, and the Southwest Florida Water

Management District.

No lot may be sold until all automatic contingencies have been fulfilled.

Section 5. Performance Security.

(a) *When performance security required.* In order to receive final plat approval from the City Administrative Authority before the installation and/or completion of all improvements, the developer shall provide and maintain sufficient full performance security guaranteeing the installation and approval of all private on-site or off-site improvements and the installation and acceptance of all public on-site or off-site improvements in accordance with the minimum requirements set forth herein.

(b) *How performance security is provided.* When providing full performance security, the developer shall submit the performance security on forms acceptable to the City Administrative Authority and such security shall be effective as of the date on which the City Administrative Authority approves the final plat. Performance security shall comply with all applicable statutory requirements, the requirements of this Code, and be satisfactory in form to the City attorney and the City engineer and the City's planning staff and be in an amount equal to one hundred twenty-five (125) percent of the estimated value of the work that remains uncompleted and not accepted at the time of final plat approval as certified in writing by the engineer of record, subject to approval by the City's planning staff and the City engineer.

(c) *Minimum surety requirements.* When providing a bond for performance security, the bonding company shall have a B+ or better rating in accordance with "Best Bond Book." In the case of a letter of credit, provisions for drawdowns from the letter of credit as improvements are completed and accepted shall accompany the surety. The letter of credit shall have a maximum duration of twenty-four (24) months.

(d) *Limitation on performance security.* No more than fifty (50) percent of the value of the total required improvements shall be considered for bonding and/or a letter of credit given hereunder.

(e) *Effective period; extensions.* The effective period of the performance security shall not be less than one (1) year from the date on which the City Administrative Authority approves the final plat; provided, however, that the City may permit or require extensions by renegotiation of the security amount and execution of a new subdivision agreement.

(f) *Acceptance and release of performance security.* Acceptance of performance security shall be on such terms as stated by the City Administrative Authority in the City Administrative Authority’s letter of approval or letter of approval with conditions. Subject to the terms of an applicable agreement, if any, or the terms and conditions of the City Administrative Authority’s acceptance of performance security, the performance security shall be released by the City Administrative Authority when all private

improvements are installed, inspected, and approved and when all public improvements are installed, inspected, and affirmatively accepted by the City and/or the entity with jurisdiction.

DATE: August 22, 2025

TO: Honorable Mayor and City Commissioners

VIA: T. Michael Stavres, City Manager
M.J. Carnevale, Deputy City Manager

FROM: Frederick J. Murphy, Jr., Esquire
City Attorney

SUBJECT: Senate Bill 180 Challenge / Resolution

BACKGROUND

Pursuant to the City Commission's consensus at the conclusion of the Agenda Review Workshop meeting on Wednesday, August 20, 2025, a draft form Resolution provided to the City Attorney by Attorney Jamie Alan Cole, Partner with the Weiss Serota Helfman Cole & Bierman law firm, regarding authorization relating to a legal challenge to Senate Bill 180 is attached.

This is provided for further discussion by the City Commission in order for the City Commission to give direction to the City Attorney as to:

1. Whether or not the City Commission desires to participate in the proposed litigation challenging SB 180; and
2. If so, authorize retaining the Weiss Serota Helfman Cole & Bierman law firm to represent the City as a party in such litigation.

Depending on the City Commission's direction, a further Resolution would be presented to the City Commission regarding this matter at its meeting on September 10, 2025.

FINANCIAL IMPACT

At this time there is no financial impact.

STRATEGIC PLAN ALIGNMENT

- **Pillar:** Responsible Government
- **Goal:** 6.2 – Engage and participate in legislative matters (State and Federal) and advocate for Home Rule and local priorities.

- **Strategy:** 6.2.2 – Develop and circulate an annual legislative platform advocating for local interests in response to State and Federal policy.

RECOMMENDATION

The City Attorney recommends that the City Commission review, discuss, and provide direction.

ATTACHMENT

- Form Resolution Authorizing Participation in Lawsuit Relating to SB 180

RESOLUTION NO. 2025-_____

A RESOLUTION OF THE [GOVERNING BODY] OF [GOVERNMENTAL ENTITY], FLORIDA, AUTHORIZING PARTICIPATION IN A LAWSUIT SEEKING, AMONG OTHER THINGS, TO DECLARE THAT SENATE BILL 180'S IMPOSITION OF A BLANKET STATEWIDE PROHIBITION ON THE EXERCISE OF HOME RULE AUTHORITY OVER LAND USE AND ZONING REGULATIONS, IS UNCONSTITUTIONAL AND SHOULD BE ENJOINED, AND RETAINING WEISS SEROTA HELFMAN COLE + BIERMAN, PL TO PROSECUTE THE LAWSUIT; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Article VIII, Section 2(b) of the Florida Constitution provides that municipalities "shall have governmental, corporate and proprietary powers to enable them to conduct municipal government, perform municipal functions and render municipal services," and authorizes municipalities to exercise any power for municipal purposes except as otherwise provided by law; and

WHEREAS, pursuant to Section 2(b) of Article VIII of the Florida Constitution and Chapters 163 and 166, Florida Statutes, municipalities have broad authority to adopt comprehensive plans, enact land development regulations, issue development permits, and impose temporary moratoria in furtherance of local public health, safety, and welfare, including for purposes of orderly growth, environmental protection, disaster recovery, and community resiliency; and

WHEREAS, on June 26, 2025, Senate Bill 180 ("SB 180"), titled "Emergencies," was signed into law by Governor Ron DeSantis and became effective immediately as Chapter 2025-190, Florida Statutes; and

WHEREAS, among other things, Section 28 of SB 180 prohibits all local government-initiated ordinances that impose "more restrictive or burdensome" comprehensive plan

amendments, land development regulations, or procedures concerning review, approval, or issuance of site plans, development permits, or development orders (collectively, "Land Use and Zoning Regulations") for the period commencing retroactively from August 1, 2024, through October 1, 2027, even if such amendments, regulations or procedures are in no way related to any hurricane or other emergency and even if such amendments, regulations, or procedures were duly enacted prior to the enactment of SB 180; and

WHEREAS, Section 28 of SB 180 also bans local moratoria on construction, reconstruction, or redevelopment of property damaged by a hurricane during the same timeframe; and

WHEREAS, Section 18 of SB 180 further prohibits local governments that are located in counties that are entirely or partially within 100 miles of the track of any future hurricane from enacting "more restrictive or burdensome" Land Use and Zoning Regulations, and moratoria on construction, reconstruction, or redevelopment of any property, damaged or not, for a period of one year after the storm makes landfall; and

WHEREAS, SB 180 is unconstitutional and invalid because, among other things, it:

(a) embraces more than one subject and matter properly connected therewith in violation of Article III, Section 6 of the Florida Constitution;

(b) includes a defective title in violation of Article III, Section 6 of the Florida Constitution;

(c) requires municipalities and counties to spend in the aggregate an amount that exceeds an insignificant fiscal impact without including a finding that the law fulfills an important state interest as required by Article VII, Section 18 of the Florida Constitution;

(d) constitutes a sweeping intrusion on home-rule authority, threatening local ability to enact land use, zoning, flood-resiliency, and environmental protections, contrary to Article VIII,

Section 2(b) of the Florida Constitution to a degree that renders the constitutional provision hollow; and

(e) contains provisions that classify political subdivisions on a basis that is not reasonably related to the subject of the law in violation of Art. III, Section 11(b) of the Florida Constitution; and

WHEREAS, for example, despite SB 180 being titled "Emergencies," SB 180 contains various matters that are not connected and/or are unrelated to emergencies, including Section 18 and 28's total ban on any "more restrictive or burdensome" Land Use and Zoning Regulations, and Section 18's prohibition on moratoria on construction, reconstruction, and redevelopment of property, even if the property is intact and was not damaged by a hurricane or other emergency event; and

WHEREAS, the provisions of SB 180 also impose expenditure obligations upon municipalities and counties that, as conceded in the Florida Legislature's own staff analysis, exceed the threshold amount for an unfunded mandate, despite the lack of any finding in SB180 that the law fulfills an important state interest; and

WHEREAS, Section 18 of SB 180 infringes upon municipal home rule authority by prohibiting municipalities from enacting Zoning and Land Use Regulations if they are located within a county that is entirely or partially within 100 miles of the track of a hurricane for one year in a completely indiscriminate manner that disregards the size, intensity, or impact of a hurricane on the municipality, whether a proposed Zoning and Land Use Regulation has even a *de minimis* impact on hurricane recovery efforts, or even if the Zoning and Land Use Regulations are necessary to protect the public health, safety, and welfare from the effects of a hurricane; and

WHEREAS, Section 18 of SB 180 further usurps the municipal home rule authority

guaranteed by the citizens of Florida in the Florida Constitution by imposing blanket prohibitions on any moratoria on construction, reconstruction, or redevelopment of property for one year whenever a future hurricane falls within 100 miles of the county where the municipality is located, regardless of the necessity or impetus behind such moratoria; and

WHEREAS, Section 28 of SB 180 similarly prohibits municipalities from enacting Zoning and Land Use Regulations for the entire state of Florida retroactively from August 1, 2024, through October 1, 2027, without any rational justification; and

WHEREAS, SB 180's vague prohibitions on moratoria on construction, reconstruction, and redevelopment of properties and Land Use and Zoning Regulations that are "more restrictive or burdensome," and other ambiguous provisions render SB 180 incomprehensible, create uncertainty, chill local governance, and encourage preemptive, potentially frivolous, litigation to force local governments into repealing legislation, even if it might otherwise be a valid exercise of home rule authority; and

WHEREAS, the [GOVERNING BODY] of the [GOVERNMENTAL ENTITY] (the "[SHORT FORM ENTITY]") desires to authorize the participation of the [SHORT FORM ENTITY] in a lawsuit seeking declaratory, injunctive, and other appropriate relief from the provisions of SB 180, which impose a blanket statewide prohibition on the exercise of home rule authority relating to Land Use and Zoning Regulations, based upon the any appropriate legal theories, including, without limitation, those set forth herein, subject to the participation of at least ten local governments (the "Lawsuit"); and

WHEREAS, it is in the best interest of the [SHORT FORM ENTITY] to participate in the Lawsuit and to urge other local governments to join as plaintiffs; and

NOW, THEREFORE, BE IT RESOLVED BY THE [GOVERNING BODY] OF THE

[GOVERNMENTAL ENTITY], FLORIDA, AS FOLLOWS:

Section 1. **Recitals.** The above-stated recitals are hereby adopted and confirmed.

Section 2. **Authorization to Participate in Lawsuit.** The [GOVERNING BODY] hereby authorizes the participation of the [SHORT FORM ENTITY] in the Lawsuit, subject to participation of at least ten local governments.

Section 3. **Legal Representation and Fee Structure.** Weiss Serota Helfman Cole + Bierman, PL (the "Firm") is retained to represent the [SHORT FORM ENTITY] in the Lawsuit, at both the trial and appellate levels. The Firm will charge a flat fee, inclusive of attorneys' fees and costs, of $10,000 to represent the [SHORT FORM ENTITY] in the Lawsuit in the trial court, which shall be payable within ten days of the effective date of this Resolution. The [SHORT FORM ENTITY] shall also pay $5,000 to the Firm to represent it in any appeal related to the Lawsuit that is filed at the District Court of Appeal within 30 days of the filing of such appeal, and $5,000 to the Firm to represent it in any appeal that is filed at the Florida Supreme Court within 30 days of the filing of such appeal. The [SHORT FORM ENTITY] acknowledges that the Firm will be representing other local governments in the Lawsuit and waives any conflicts related to such representation. The [SHORT FORM ENTITY] also acknowledges that the Firm may represent other entities, private or public, at the [SHORT FORM ENTITY] and that the representation of [SHORT FORM ENTITY] in this Lawsuit alone, because it is part of a coalition, will not constitute a conflict of interest and, to the extent it does, waives such conflict of interest.

Section 4. **Urge Participation.** The [SHORT FORM ENTITY] invites and urges other local governments to join as plaintiffs in the Lawsuit and to coordinate their efforts with the [SHORT FORM ENTITY].

Section 5. **Transmittal.** The Clerk is directed to distribute this Resolution to all local

governments in [COUNTY NAME] County. The Clerk is further directed to distribute this Resolution to the Firm.

Section 6. Implementation. The appropriate [SHORT FORM ENTITY] officials are authorized to execute all necessary documents and to take any necessary action to effectuate the intent of this Resolution.

Section 7. Effective Date. That this Resolution shall take effect immediately upon the adoption hereof.

PASSED AND ADOPTED this ___ day of _____, 2025.
