FIRE CHIEF ORAL REPORT

The District recently celebrated a decade of providing Advanced Life Support Service to the community. The event was a tremendous success, honoring the paramedics and EMTs who serve the community. A special highlight was hearing from Jeanette Tongson, the wife of Joel Tongson, who survived a heart attack, making the occasion even more meaningful.

This Thursday, May 30th, we will hold an Oath and Badge Pinning ceremony for our three new recruits. The public is always welcome to attend this significant event.

A general reminder to the public: On June 1st, the District will begin enforcing the Weed Abatement program in American Canyon. This initiative aims to ensure our community's safety by requiring all grass and vegetation to be trimmed, thereby minimizing the risk of wildland and structural fires spreading to homes and natural areas.

The District has fostered a partnership with the City of American Canyon, Napa Fire Wise, and Napa County, playing a crucial role in establishing a sheep grazing program for fire risk reduction. Currently, the sheep are grazing at Newell. Napa County and Fire Wise have provided substantial funding for this initiative and have pledged additional support for next year if the contract is renewed.

We are excited to announce that the District has received a new inflatable boat, funded by a \$45,000 grant from the Department of Boating and Waterways. This boat, designed by Captain Abalos and Chief Prettyman, can operate in as little as four inches of water and will enhance our capabilities on the Napa River. Special thanks to Mrs. Provencher for her efforts in securing the grant.

Lastly, Chief Belyea attended the Fire District's Association of California Conference in Monterey, where he was re-elected to the Board of Directors for Zone 1. He also serves as a Fire District Representative on a joint legislative task force between Cal Chiefs and the Fire Districts Association, reviewing pending legislation and its potential impacts on fire services. Additionally, Chief Belyea is one of the Fire District representatives on the State Education Advisory Committee, which meets quarterly to review and recommend training requirements or updates to the State Fire Marshal.

TITLE

Annual Appropriations limit for Fiscal Year 2024-2025.

RECOMMENDATION

Adopt a Resolution Approving the Annual Appropriations Limit for the American Canyon Fire Protection District for Fiscal Year 2024-2025.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

In November 1979, California voters added Article XIII-B to the State Constitution, which placed limitations on the appropriations of State and local governments. The Article, as implemented by State Legislation, requires that local agencies set an annual spending limit for budget appropriations funded from the proceeds of taxes, as defined by the law and accepted statewide guidelines.

In June 1990, voters approved Proposition 111, which amended Article XIII-B. The amendment changed both how the limit was calculated and the appropriations that were subject to the limit and added governing body adoption and independent audit requirements.

Calculating the Appropriations Limit

The base year was set as fiscal year 1978-79 and the first appropriations limit was applied to public agency budgets beginning in fiscal year 1980-81. The appropriations limit is revised annually by a prescribed formula that uses a combination of the percentage change in California's per capita personal income or non-residential assessed valuation, if available, and the local jurisdictions change in population measured as of January 1st of each year. The percentage change in per capita personal income and the percentage change in population are provided by the California Department of Finance.

There are no penalties under Article XIII-B for failure to adopt a limit. Compliance with the law is intended to be locally enforced by citizens. The State Government Code limits a civil court challenge of the appropriations limit calculation to a 45-day period after adoption.

Proceeds of Taxes and Appropriations Subject to Limit

After the annual appropriations limit is calculated, the appropriations that are subject to the limit are determined. The appropriations limit only applies to appropriations that are funded from the proceeds of taxes, which are defined in the statewide guidelines.

American Canyon Fire Protection District Appropriation Limit

Consistent with prior years, the fiscal year 2024-25 appropriations limit was calculated using the statewide per capita personal income increase of 3.62% and the City of American Canyon population change of 1.77%. Applying these factors results in an increase in the prior year appropriations limit of 5.45%, or \$843,676. This amount is added to the FY 2023-24 appropriations limit of \$15,480,285, resulting in a FY 2024-25 appropriations limit of \$16,323,961. The appropriations subject to the limit were determined to be \$6,829,284, which is \$9,494,677 under the appropriation limit. The detailed calculations are available for public review as presented in the attached Appropriations Spending Limit Worksheet (Attachment B).

Resolution 2024-14

**A Resolution of the American Canyon Fire Protection District
Establishing the Appropriations Limit
For Fiscal Year 2024-2025
Pursuant to Article XIII B of the California Constitution**

WHEREAS, Article XIII B of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity shall not exceed the appropriation limit of such government entity for the prior year adjusted for certain changes mandated by Proposition 4 passed in November 1979 and Proposition 111 passed in June 1990 except as otherwise provided for in said Article XIII B and implementing State statutes; and

WHEREAS, pursuant to said Article XIII B, and Section 7900 et seq. of the California Government Code, the District is required to set its appropriation limit for each fiscal year; and

WHEREAS, the District staff has conducted the necessary analysis and calculations to determine the appropriations limit for fiscal year 2024-2025 relying on the fiscal year 2023-2024 limit as approved by the Board of Directors for the District, and applying the following two adjustment factors: *Change in Population* and *Change in Per Capita Income*; and

WHEREAS, based on such calculations District staff has determined the said appropriation limit, and pursuant to Section 7910 of the Government Code, has made available to the public the documentation used in the determination of the limit;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the District that:

1. The annual adjustment factors used to calculate the fiscal year 2024-2025 appropriations limit shall be the change in State Per Capita Income of 3.62% for 2024-2025 and the January 2024 City population change of 1.77%, as provided by the State Department of Finance;
2. The new Appropriation Limit for Fiscal Year 2024-2025 shall be and is hereby set in the amount of \$16,323,961; and
3. The fiscal year 2024-2025 Budget appropriations subject to the appropriation limit are \$6,829,284.

Write Off of Uncollectible Fire Service Fees for the Fiscal Year 2023-2024.

RECOMMENDATION

Adopt Resolution 2024-15 authorizing the write off of uncollectible Fire Service Fees in the amount of \$386.58.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

District Ordinance 2013-01 was approved on July 30, 2013 confirming and clarifying District Resolution No 2-80 and Resolution 6-80 which was adopted after voter approved initiative Measure B in June 1980 for an assessment known as the Fire Service Fee. The fee was granted by the voters, Article XIII A of the State Constitution and AB 618 and is solely for the purpose of producing revenue to maintain Fire Service levels. Fire Service Fees are collected by the Napa County Assessor's Office through property taxes on real property. Manufactured homes that are not on the Tax Assessor roles are billed annually and collected by the District. On the attachment to this Staff Report we have listed the fees that we are requesting to write off as bad debt due to our inability to collect for the various reasons indicated.

FISCAL IMPACT

The recommended write-off amount is \$386.58.

TITLE

First Responder Fee.

RECOMMENDATION

Adopt a Resolution approving the annual cost-of-living increase to the District First Responder Fee for Emergency Medical Services.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

On November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services. California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services.

Ordinance 2019-02 provides for an annual cost-of-living increase for the First Responder Fee. These fees may be increased in the future by District resolution consistent with applicable law, including but not limited to annual adjustments each July 1 based on the annual change in the Consumer Price Index (CPI) Urban Wage Earners, San Francisco-Oakland-San Jose, CA region, measured as of February of each year.

Consistent with that determination, it is recommended that the First Responder Fee be increased by the cost-of-living adjustment of 2.4%. If approved, the Fire Responder Fee would increase by \$13.51, from \$562.74 to \$576.25.

FISCAL IMPACT

When the percentage increase in the Consumer Price Index is applied the fee will increase from \$562.74 to \$576.25.

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act ("CEQA") pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378 of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

TITLE

Fire Mitigation Fees.

RECOMMENDATION

Adopt a Resolution Increasing the 1986 Mitigation Fee for Fiscal Year 2024-2025 by the Change in the Consumer Price Index for the Year ended April 2024 by an increase of 3.8 percent.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

In November 1986, the voters approved a mitigation fee which is actually an assessment to help pay for Fire District facilities and apparatus. This revenue measure was needed due to the combination of the passage of Proposition 13 (Article XIII of the State Constitution), which severely reduced the District’s tax base and the needs in future years based on projected construction of residential and commercial development. The Fire Mitigation Fee is a one-time tax (which is now properly characterized as an assessment) which is levied upon property owners who construct and occupy any residential, commercial or industrial building located with the District. The assessment is calculated based on the square footage of the structure.

Pursuant to the 1986 Mitigation Fee Resolution 86-5, Section 4, Paragraph K, the Board of Directors shall review and adjust the rate each year according to the changes in the Consumer Price Index (CPI). For the year ending April 2024, the CPI index for the San Francisco/Oakland/San Jose increased 3.8 percent. The increase is applicable to all building permits issued beginning July 1, 2024.

FISCAL IMPACT

When the percentage increase in the CPI is applied, the assessment is increased as follows:

Category	Current	Proposed
Single Family	\$.2828	\$.2938

Multi-Family	\$.3451	\$.3582

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality act ("CEQA") pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378(b)(4) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

Additionally, in September 1997, District Counsel completed a Prop. 218 analysis and confirmed that no additional CEQA study or Public Hearing needs to be conducted when confirming the annual increase.

Fire Service Fee Special Tax.

RECOMMENDATION

Adopt a Resolution approving the annual cost-of-living increase to the District Fire Service Fee Special Tax consistent with District Ordinance 2013-01 and confirming the Fire Service Fee Assessments of \$850.489.10 for Fiscal Year 2024/2025.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

At the June 1980 general election, a ballot measure designated as Measure B was approved by 76% of the voters of the then-independent District to provide supplemental funding for fire protection and emergency services in the District subsequent to the passage of Proposition 13 in 1978.

The Fire Service Fee is apportioned to all parcels in the District based on the associated demand for fire protection services; and is applied on a “per equivalent dwelling unit” basis, or “EDU.” On July 20, 2013, the District Board enacted Ordinance 2013-01 to clarify and implement the provisions of Measure B. The District subsequently filed a validation action, American Canyon Fire Protection District v. All Persons Interested in the Matter of the Validity of the American Canyon Fire Protection District Ordinance No. 2013-1 Confirming Special Tax for Fire Services, Napa Superior Court Case No. 26-62587, which resulted in a Judgement on January 22, 2014 which confirmed the validity of Ordinance 2013-01.

Ordinance 2013-01 provides for an annual cost-of-living increase for the Fire Service Fee. This inflationary adjustment is based on the change in the California Consumer Price Index from January to January of each year. The District has retained Capitol Public Finance to determine the annual adjustment for FY 2024-2025, Attachment 2.

Consistent with that determination, it is recommended that the Fire Service Fee be increased by the cost-of-living adjustment of 3.26%. If approved, the Fire Service Fee would increase by \$3.65, from \$112.08/EDU to \$115.73/EDU.

The District Ordinance requires the Fire Chief to compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District. The list is updated each year to reflect any new construction or parcel splits. The parcel listings are attached for review. After review of the fee listing, the Board confirms the assessments by resolution, which is then submitted to the Napa County Auditor-Controller. For secured property, the Auditor-Controller includes the annual assessments on the property tax bill. In the case of unsecured property, the Auditor -Controller distributes the collection and the Tax Collector mails the individual bills and collects the assessment separate from the property tax rolls.

The attached Fire Service Fee assessment listings for Fiscal Year 2024-2025 total \$816,865.90 for secured property and \$33,623.20 for unsecured (mobile home,) for a total assessment of \$850,489.10.

In accordance with District Ordinance 2013-01, a hearing of the “Fire Service Fee Board of Review” will be noticed subsequent to Board approval of the annual listing for any property owner wishing to challenge their annual assessment.

FISCAL IMPACT

If approved, the proposed Fire Service Fee of \$115.73/EDU is expected to generate operating revenue of \$850,489.10 for fiscal year 2024-2025. Adopting the annual inflationary adjustment will maintain parity between Fire Service Fee and increases in the cost of providing fire protection and other emergency services, consistent with Ordinance 2013-01.

RESOLUTION 2024-18

A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ESTABLISHING FIRE SERVICE FEES AND ADOPTING FIRE SERVICE FEE ASSESSMENTS FOR FISCAL YEAR 2024-2025 CONSISTENT WITH DISTRICT ORDINANCE 2013-01

WHEREAS, at the June 1980 General Election, a ballot measure entitled “Measure B,” was approved by 76% of the voters of the American Canyon Fire Protection District (“District”), then an independent fire protection district; and,

WHEREAS, Measure B was enacted to address the limitations imposed on property taxes by Proposition 13, Art. XIII A of the State Constitution; and,

WHEREAS, Measure B contained provisions which were based on fire flow determined by property use and specific uses and could be characterized as either an assessment or a special tax; and,

WHEREAS, in July 2013, the Board of Directors (“Board”) enacted Ordinance 2013-01 which amended the District Ordinance enacted by the passage of Measure B clarifying and defining the intent of the voters in enacting Measure B; and,

WHEREAS, Ordinance 2013-01 was the subject of a final judgement of the Superior Court of Napa County in the matter of *American Canyon Fire Protection District v. all Persons Interested, etc.*, Napa Superior Court Case No. 26-62587, in which Judgement confirming the validity of Ordinance 2013-01 was entered on January 22, 2014; and,

WHEREAS, consistent with Measure B and the judicially validated Ordinance 2013-01, the District is authorized to increase of the Fire Service Fee by the cost of living increases as determined in the Bay Area consistent with the California Consumer Price Index; and,

WHEREAS, the District retained the consulting firm of Capital Public Finance to make a determination of the cost of living increase consistent with Ordinance 2013-01 and the amount increased for the period of January 2023 to January 2024 was determined to be 3.26%; and,

WHEREAS, the District Ordinance requires the Fire Chief to annually compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District; and,

WHEREAS, after review of the fee listing the Board confirms the assessments by resolution and the resolution and listing are then submitted to the Napa County Auditor-Controller and included on property tax bills each year for secured properties; and,

WHEREAS, the Board has reviewed the listing of prospective assessments and confirms the total assessments of \$850,489.10 and requests the Napa County Auditor-Controller include assessments for secured property of \$816,865.90 in the 2024-2025 property tax billings and requests Napa County Tax Collector to prepare the invoices of the unsecured property owners (mobile home) in the amount of \$33,623.20; and

WHEREAS, the Fire Service Fee Board of Review will be noticed subsequent to Board approval of the annual listing in accordance with District Ordinance 2013-01;

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize and increase in the District Fire Service Fee by the amount of 3.26 percent (3.26%), effective July 1, 2024; and

BE IT FURTHER RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize the Fire Chief to direct the Napa County Auditor-Controller to include the Fire Service Fee assessments for secured property owners in the amount of \$850,489.10 on the fiscal year 2024-2025 property tax rolls and to issue invoices to unsecured property (mobile home) owners in the amount of \$33,623.20 for a total assessment of \$850,489.10.

TITLE

Total Tentative Agreement between American Canyon Fire Protection District and the American Canyon Firefighters IAFF Local 1186.

RECOMMENDATION

Adopt a Resolution approving the Total Tentative Agreement and authorize the Fire Chief to Execute and Sign a Memorandum of Agreement between the American Canyon Fire Protection District and American Canyon Firefighters IAFF Local 1186.

CONTACT

Geoff Belyea, Fire Chief

BACKGROUND & ANALYSIS

Over the past few months, the American Canyon Fire Protection District ("District") and representatives from the American Canyon Firefighters IAFF Local 1186 ("Local 1186") have been engaged in collaborative negotiations to establish a successor to the current Labor Agreement, which will expire on June 30, 2024.

The negotiations between the District and Local 1186 have produced a Total Tentative Agreement. The Fire Chief is authorized to executed and sign the Memorandum of Agreement.

FISCAL IMPACT

The execution of the Total Tentative Agreement is anticipated to have a moderate fiscal impact, which has been accounted for in the District's budget projections.

RESOLUTION 2024-19

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ADOPTING THE TOTAL TENTATIVE AGREEMENT AND AUTHORIZING THE FIRE CHIEF TO EXECUTE AND SIGN A MEMORANDUM OF AGREEMENT BETWEEN AMERICAN CANYON FIRE PROTECTION DISTRICT AND AMERICAN CANYON FIREFIGHTERS IAFF LOCAL 1186

WHEREAS, the American Canyon Fire Protection District ("District") and the American Canyon Firefighters IAFF Local 1186 ("Local 1186") have been engaged in negotiations to establish a successor to the Labor Agreement expiring on June 30, 2024; and

WHEREAS, these negotiations have been conducted in a collaborative and productive manner over the past few months; and

WHEREAS, the District and Local 1186 representatives have reached a Total Tentative Agreement; and

WHEREAS, all parties have agreed to terms and conditions for the period of July 1, 2024 and June 30, 2027; and

WHEREAS, the Fire Chief has been authorized to execute and to sign the Memorandum of Understanding developed to incorporate the Agreement.

NOW THEREFORE, BE IT RESOLVED that the Board of Directors of the American Canyon Fire Protection District approves the Total Tentative Agreement between the District and Local 1186 and authorizes the Fire Chief to execute and sign the Memorandum of Agreement.

RECOMMENDATION

Hold a Public Hearing and adopt a Resolution approving the Preliminary Budget for the American Canyon Fire Protection District for the Fiscal Year 2024-2025.

BACKGROUND

Presented for your review is the American Canyon Fire Protection District's Fiscal Year 2024-2025 (FY25) Preliminary Budget. The District's budget establishes a guideline for anticipated revenues and operating expenditures to ensure inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a practical and realistic financial plan for the upcoming fiscal year, ensuring that the enhanced level of firefighter staffing previously authorized by the Board to safeguard our community is maintained. The additional staffing affords both a greater level of fire protection and emergency medical services for the community and a higher level of safety for our firefighters when responding to emergencies. The budget is consistent with the District's mission, vision, and values, and has been prepared with the priorities and resources necessary to accomplish the goals and objectives established by the Board of Directors.

In 2022, the Fire Chief presented a Long-Range Master Plan that identified three critical issues facing the District moving forward: recruitment and retention of safety personnel; the ability to adequately staff the district to keep pace with the anticipated growth in service demand; and adding Battalion Chief positions for the supervision and training of line staff, and for added administrative support. The Fiscal Year 2023-24 budget was developed in furtherance of addressing these critical issues; and as demonstrated throughout this report, the FY25 budget provides continued funding for these efforts and allows the District to execute its mission to protect and preserve life and property and to have a positive impact on the lives of the people and the communities we serve.

DISCUSSION

The District utilizes three funds in accounting for financial transactions: General Operating Fund (810), Fire Mitigation Fee Fund (830), and Fleet, Facilities & Equipment Fund (860).

The purpose of each fund is described below:

- **General Operations Fund** – This fund is used to account for the receipt of property taxes, fire assessment fees and other operating revenues, along with expenditures for personnel, services

and supplies associated with the day-to-day operations of the District.

- **Fire Mitigation Fee Fund** – this fund is used to track revenue received from the Fire Capital Facilities Fee and a voter-approved tax on new development, both of which are restricted in use to capital expenditures on facilities, apparatus, and safety equipment.
- **Fleet, Facilities & Equipment (FF&E) Fund** – This fund is used for the accumulation of resources to be used for capital expenditures intended to enhance and maintain the District’s significant investment in capital infrastructure, which in turn promotes the safety of the community and safety of our employees while also promoting long-term fiscal stability. Funding sources include transfers from the General Operating Fund and Fire Mitigation Fee Fund and other non-recurring revenues such as sale of surplus assets.

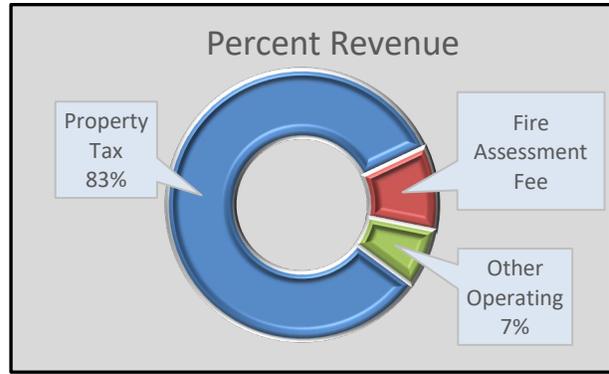

GENERAL FUND BUDGET SUMMARY.

Proposed General Operations Fund revenue for FY25 totals \$8.1 million and includes \$6.7 million in property taxes and \$1.4 million in other operating revenues. Proposed General Fund spending for FY25 totals \$8.2 million and includes \$7.2 million in salaries and benefits and \$1 million in other operating expenditures. There is no operating transfer from the General Operating Fund to the FF&E Fund proposed for FY25 given recent capital acquisitions and other FF&E funding sources. The proposed operating budget would use \$99,000 of the reserve balance to fund operating expenses, as compared to \$125,000 surplus for FY24. The following chart provides a comparison of projected FY25 preliminary budget operating results with prior actual results:

GENERAL OPERATING FUND REVENUE

Property taxes represent 83% of the General Operating Fund revenue budget. The assessed value of property within the District’s jurisdiction continues to experience significant growth. The District's other major source of operating revenue is the fire assessment fee, which amounts to 12% of projected revenue. The remaining 6% of the revenue budget is comprised of other revenue sources, including fire plan review & inspection fees, first responder fees, AMR contractual funding and investment earnings.

The following table shows the annual change in revenues over the past eight years:

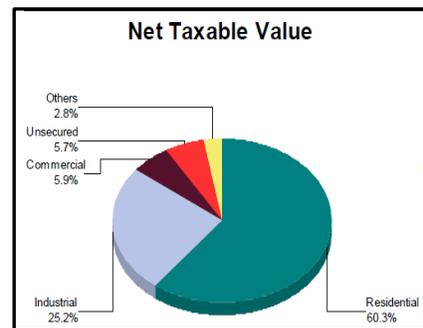

Fiscal Year	Revenue	Increase/(decrease)	Growth Rate (%)
FY18	\$5,742,240	\$982,768	20.6%
FY19	\$5,888,763	\$146,522	2.6%
FY20	\$5,861,436	(\$27,327)	-0.5%
FY21	\$6,697,631	\$836,195	14.3%
FY22	\$6,660,590	(\$37,041)	-0.6%
FY23	\$6,817,542	\$156,952	2.4%
FY24	\$7,523,617	\$706,075	10.4%
FY25	\$8,072,577	\$548,960	7.3%

The fluctuation in revenue from FY18 through FY22 is mostly attributable to the level of annual strike team activity and the related reimbursements occurring in those years.

In forecasting the FY25 General Operating Fund revenue budget, several factors and expectations were considered in developing a realistic revenue projection that provides sufficient funding for the delivery of services. Historical data and trends were used along with assumptions regarding the economic environment the District is most likely to encounter in the upcoming fiscal year.

The majority of property tax revenue comes from the assessed value of residential property. The local housing market has remained stable and resilient despite the rise in mortgage interest rates due to efforts at the federal level to combat inflation, with property values continuing to move in an upward direction. In 2023, the assessed value of all property in American Canyon grew by 11%. Whether this trend will continue remains to be seen and depends on a combination of factors such as the labor market and overall health of the economy, housing supply and demand, development projects, inflation, and interest rates. However, given the relative affordability of the local housing market in comparison with other Bay Area markets, there is reason for optimism regarding continued property tax growth.

Driven by both rising home prices and new development activity, property tax revenue has seen steady growth of late, averaging 9% over the past three years. While substantial uncertainties remain concerning inflation and the overall economy, development in American Canyon is continuing at an accelerated pace and the expectation is that property taxes will increase at a rate like that

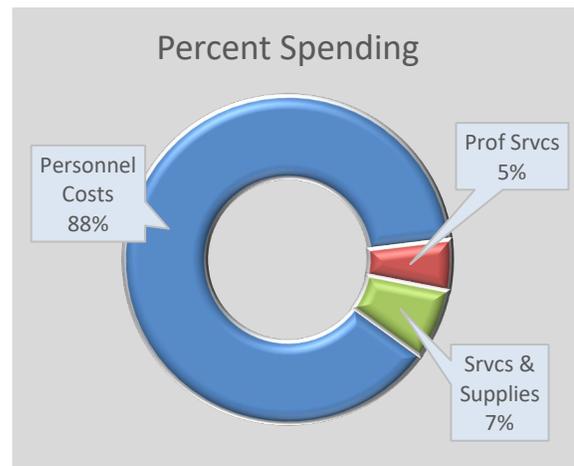

experienced in recent years.

GENERAL OPERATING FUND EXPENDITURES

The following table shows the annual change in spending over the past eight years:

Fiscal Year	Spending	Increase/(decrease)	Growth Rate (%)
FY18	\$5,137,768	\$507,542	11.0%
FY19	\$5,247,536	\$109,768	2.1%
FY20	\$5,759,957	\$512,421	9.8%
FY21	\$6,593,350	\$833,393	14.5%
FY22	\$7,012,563	\$419,213	6.4%
FY23	\$7,141,950	\$129,387	1.8%
FY24	\$7,398,477	\$256,527	3.6%
FY25	\$8,171,792	\$773,315	10.5%

General Operating Fund expenditures are projected to be approximately \$8.2 million for fire and EMS operations in FY25. Salaries and benefits represent \$7.2 million or 88% of the expenditures. Services and supplies are projected at \$566,000 or 7% of expenditures for those items necessary to conduct the work of the District. The legal, professional and contract services budget is projected at \$407,000 or 5% of overall expenditures. As noted earlier, there is no operating transfer out to the FF&E Fund proposed for FY25 due to recent capital financing activities and other revenue sources.

Salaries and Benefits - This represents normal compensation for all previously authorized positions, which includes salaries, stipends, specialty pays, and other elements such as retirement, health insurance, dental insurance, life insurance, and post-employment health benefits. For FY25, the preliminary budget represents an \$754,000 or 12% increase over last year’s final budget.

Authorized Staffing				
	FY22	FY23	FY24	FY25
All District Personnel	25.3	25.3	27	27

The increase is primarily attributable to a projected salary adjustment effective 7/1/2024 that impacts both salaries and retirement costs, along with an anticipated payment of \$200,000 toward the District's

unfunded liability for retiree medical benefits (i.e., OPEB trust fund contribution). Cost escalation for medical and workers' compensation benefits account for \$124,000 of the increase.

Services and Supplies - These expenses are for materials, equipment, and supplies operational and administrative use. Also, included in this category are expenses related to conference and training registration, memberships and licenses, travel, and transportation. These are essential expenditures necessary to sustain day-to-day operations for administering Fire Suppression, EMS, Fire Prevention, and Administrative Support services. The preliminary budget of \$566,000 for FY25 is \$50,000 or 8% less than the prior year's budget due mostly to a reduction in dispatch costs. (Dispatch costs for the past two years included catchup payments from previous years that were either underbilled or not billed at all.)

Professional/Contractual Services - These are essential expenditures that cover a wide variety of professional services provided through agreements with several vendors. These include but are not limited to fire plan check and inspections, recruitment services, legal services, financial consulting, and other general contract services. The FY25 preliminary budget of \$407,000 a \$97,000 thousand or 31% above the prior year's budget. The increase is primarily attributable to higher costs for fire plan reviews and inspection services.

Capital Expenditures - Fixed assets are classified as purchases over \$5,000 per unit. These include fire engines, fire trucks, IT equipment, mobile radios, vehicles, self-contained breathing apparatus (SCBA), audio and visual equipment, airboats, and forklifts. The FY25 preliminary budget for the FF&E Fund is \$677,000. Significant capital expenditures include annual payments for the lease purchase financing of two new fire engines (\$287,000) and the annual Enterprise lease payment of \$79,000; \$196,000 for fire and emergency medical equipment; and \$53,000 for station equipment and improvements. The Enterprise lease payments are offset by \$50,000 in proceeds from the sale of surplus vehicles.

OTHER ECONOMIC AND OPERATIONAL ISSUES

Strategic Plan and Goals - The District's strategic initiatives for FY25 as discussed with the Board's Finance Committee have been incorporated throughout this budget, many of which pertain in large measure to anticipating and preparing the District to meet the expected increase in service demand from the Watson Ranch development and other major development projects. The 2022 Master Plan will help guide the strategic plans, goals, and priorities of the District in support of the Board's vision and goals designed to shape the future of the District, ensure District resources are in strategic alignment with this vision, and that we remain well positioned to meet the all-risk emergency needs of a growing community.

Pension Funding Policy - Retirement plan costs involve two basic cost components: the normal cost rate, expressed as a percentage of payroll and the amortization of the Unfunded Actuarial Liability (UAL), which is annual fixed payment amount. The District receives an actuarial valuation of its retirement plans from CalPERS each year. The most recent valuation is for the plan year ended June 30, 2022, which set the retirement normal cost contribution rates and UAL payment for FY25. Each July, the District makes a lump-sum prepayment to CalPERS for the annual UAL fixed payment amount and realizes a discount/savings by doing so. The July 2025 UAL prepayment is \$779,796, which saves the District \$26,076 or 3.2% of the annual UAL payment for FY25.

Other Post-Employment Benefit (OPEB) Funding Policy— The retiree medical benefit plan is funded like the pension plan. Plan costs involve two basic cost components: the normal cost rate and the amortization of the OPEB UAL. The District continues to prefund its OPEB liability, consistently contributing 100% or more of the actuarially determined contributions each year. An actuarial valuation for OPEB is performed every two years. The most recent valuation is for the plan year ended June 30, 2023, which sets the UAL contribution amounts for FY25 (\$200,606) and FY26 (\$193,152).

CONCLUSION

Budgetary Priorities - The District's FY25 Preliminary Budget presents a realistic and achievable financial plan for the next fiscal year. It provides for a high level of fire and emergency response services, enhances the leadership and development of our personnel, and places a top priority on the health and safety of the public and our firefighters. Heading into FY25 there are still uncertainties pertaining to the ongoing state of the economy, the high inflation environment, and the level of continued development activity. The District however is moving forward with confidence in our ability to meet the financial and operational challenges that lie ahead, and proactively positioning the District to address the expected increase in demand for emergency services associated with further residential and commercial development.

Financial Stewardship - The Board and management place a high priority on closely monitoring the impact of local economic conditions on the District's finances and our ability to maintain service levels, meet infrastructure needs, and to build and maintain prudent reserve balances. The budget preparation process is guided by the following fundamental fiscal principles:

- Utilize long-range financial planning tools to ensure the District remains financially viable for future generations.
- Ongoing operating expenditures are to be paid with ongoing operating revenues.
- Address the unfunded liabilities associated with employee retirement benefits.
- Services provided by District Staff that have a cost recovery element should be as close to full cost recovery as is feasible.
- Unassigned fund balances at fiscal year-end are allocated to reserves for future uses.

The District has incorporated these principles into its fiscal strategies and uses them to set fiscally responsible short and long-term goals. As a result, the District's reserves remain aligned with Board policy and the long-term financial outlook remains positive. Effective leadership and prudent fiscal practices ensure residents and businesses receive the best possible fire and live safety services with the resources available. We will continue to fortify the District's financial sustainability through sound and efficient planning and budgeting to ensure we maintain a high level of emergency services to our growing community.

Acknowledgements - This FY25 budget would not be possible without the support, guidance, and strategic direction from the Finance Committee and Board with respect to fiscal policies and guidelines for budget development. I also wish to express my appreciation to the union representatives and employees of the District for their ongoing collaboration and willingness to work with the Board and Administration for the long-term good of the District and those we serve. With their cooperation and commitment to providing the best possible service, we have been able to stabilize our finances, enhance the delivery of essential emergency services and keep the District on a fiscally sustainable path moving forward.

We would like to express our appreciation as well to the City of American Canyon for their continuing support of our public safety partnership.

And lastly, I wish to thank our residents and area businesses for your support, cooperation, and partnership with the District in making our community an outstanding and safe place to live, play, and

work.

BOARD PRIORITY PROGRAMS AND PROJECTS

The overarching goal of the Districts Strategic Plan is to provide the community of American Canyon with the highest possible level of service balanced with long term financial sustainability. Strategic Initiative #5 is to develop a fixed assets and apparatus and equipment preventative maintenance and capital improvement program.
