September 16, 2025 - Regular Board Meeting

Title
Manatee County History Day Presentation by Clerk of the Court & Comptroller Angel Colonneso

Executive Summary
About Manatee History Day
Manatee History Day is the local affiliate of Florida History Day (FHD) and National History Day (NHD), statewide and nationwide thematic contests, like the science fair, that reinforces the importance of writing skills, critical thinking, use of credible sources, and other methods to prepare students for high school or college. Students can choose between submitting a paper, documentary, exhibit board, website, or a performance. The best of these projects are recommended to compete at the state contest in Tallahassee with the possibility of competing at the national level in Maryland.
Every year National History Day frames students research within a historical theme. The theme is chosen for the broad application to world, national, or state history and its relevance to ancient history or to the more recent past.
The NHD theme provides a focused way to increase students historical understanding by developing a lens to read history, an organizational structure that helps students place information in the correct context and finally, the ability to see connections over time.

AGENDA ITEM NO. 11.2

School Board of Manatee County
September 16, 2025 - Regular Board Meeting
Action Item

Title
Approval of the Report of Teachers' Out-of-Field Content, Reading, and ESOL (English for Speakers of Other Languages) (No Financial Impact)

Executive Summary
The Out-of-Field Plan for Manatee County Schools provides that teachers are notified of their out-of-field status at the point that their current certification does not meet the required certification for the subject(s) they are teaching. State School Board Rule 6A-1.0503 provides that any out-of-field teacher must be appointed as out-of-field after verifying that an appropriately certified teacher is unavailable. The School Board appointed the attached list of teachers as out-of-field. These teachers can pass the subject area exam or complete a minimum of six semester hours annually toward certification until such time they can pass the test, if applicable.

The Multicultural and Educational Training Advocacy (META) Consent Decree requires that all teachers of English Language Learners (ELLs) receive training in English for Speakers of Other Languages (ESOL) strategies. The required training hours range from 18 to 300 hours and are categorized by the subject in which the teacher gives instruction. Categories are I, II, III, and IV. The category also drives the timeline for completing training hours. Specifics are given to each teacher at the time of hire or when there is a change of assignment. Category I Teachers who are not ESOL Certified or Endorsed must be reported to the Board as out-of-field. The attached list contains the names of the teachers who must be reported to the Board.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 1

Recommendation
The Superintendent recommends approval of the report of teachers' out-of-field content, reading and ESOL (English for Speakers of Other Languages) (No Financial Impact).

IV. Supports for School Improvement

Developing and Implementing

Describe how the LEA will support each UniSIG-eligible school in developing and implementing a SIP.

The School Improvement Plan (SIP) provides the framework in which these programs and curricula can be delivered with fidelity at each school site while serving unique target audiences. This collaborative action plan highlights overall goals and measurable outcomes that will ultimately drive data informed decision-making critical to success that will increase equitable education and academic achievement for all students. The process of developing a comprehensive SIP for all schools, including those identified within this proposal, leverages a multidisciplinary approach to student learning that provides differentiated support and guidance.

To craft a meaningful plan for improvement, district support will be provided throughout the problem solving and planning process to strengthen the capacity of the school based instructional leadership teams. The Executive Director of Secondary Schools and the Executive Director of School Improvement and Leadership Development will oversee this work and provide professional development, support, and guidance in developing and later orchestrating each school's SIP.

The Executive Director of Secondary Schools and the Executive Director of School Improvement and Leadership Development will counsel the principals, district administrative team, and school leadership teams as they complete the online template. The Executive Directors will review the individual school data, and work with the leadership team to write, review and revise the plan.

To formulate and then execute a budget that is allowable, allocable, and reasonable while aligning funds to the designated SIP areas of focus, The Director of Federal Programs and Grants and Junior Accountant will provide one-on-one consultation and assistance throughout the year. With this support, all schools have been able to construct UniSIG applications to include specific activities that will lead to measurable outcomes.

Note that once the SIP is reviewed from multiple partners including the School Advisory Council, community partners and stakeholders, all plans are submitted to the School Board of Manatee County, Florida, for approval.

Successful implementation of a SIP involves employing a systematic approach with accountability checkpoints. It is critical for schools to be engaged in the ongoing progress monitoring and data management to ensure that every student is receiving the highest level of instruction. The Executive Director of Secondary Schools and the Executive Director of School Improvement and Leadership Development will conduct regularly scheduled meetings with the principals and leadership

teams to review goals and evaluate current processes and progress.

Alignment of Resources

Describe the process through which the LEA identifies and aligns all district resources (e.g., personnel, instructional, curricular, policy) in order to meet the needs of all students and maximize desired student outcomes.

Include the methodology for coordinating and supplementing federal, state and local funds, services and programs to align to interventions in UniSIG-eligible schools.

Provide the person(s) responsible, frequency of meetings, inventory of resources and any problem-solving activities used to determine how to apply resources for the highest impact.

District teams and school leaders collaborate to create a rigorous academic program that directly correlates to increase student success both within the classroom as well as the post-graduation period to ensure the school district aligns all of its resources to meet the needs of all students and maximize desired student outcomes. The District personnel involved include the Executive Directors of Elementary and Secondary schools, the Elementary and Secondary Director of Curriculum, the Executive Director of Student Services and Family Engagement, the Director of Exceptional Student Education, the Director of Federal Programs and Grants and the Director of Assessment, Accountability and Research to establish a system of support for all schools.

Multiple data sources are collected, synthesized, and analyzed throughout the year such as longitudinal data from state assessments and district benchmark testing, as well as attendance rates, discipline data and progress monitoring assessments. School climate data is collected along with additional quantitative and qualitative data to contribute to outcome-based assessment process. Using these data points to drive decision-making and inform instruction ensures that support for individual schools is differentiated and based on actual need. Moving forward, the data is collected and monitored monthly to guide and monitor progress.

Overseeing this alignment of resources rests on the Executive Directors of Elementary and Secondary to provide continuing support for leadership development and management. Actions of accountability include monthly meetings with the school instructional leadership teams, ILT, to review school data. Currently, the Executive Directors also oversee the implementation of action plans to address student needs and realign instruction as necessary to improve outcomes.

Each school is required to use the Florida CIMS online Schoolwide Improvement Plan template and develop a yearly school-wide improvement plan (SIP). The Executive Directors will work closely with school administrators to develop the SIP. In order to monitor teaching and learning at the school level,

school administrators utilize the district-adopted Danielson framework for teaching. Each school is required to have an instructional leadership team to regularly review school data and modify instruction and support as necessary.

The Deputy Superintendent of Instruction directs the work of the Directors of Elementary and Secondary curriculum as well as the Director of Assessment, Accountability and Research as they provide support with staff and leadership development and assessments for both FAST and progress monitoring. This position oversees SDMC's Curriculum Department and Curriculum Specialists who are tasked with developing district curricula and assessments align with all standards including Florida's Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards. The Deputy Superintendent of Instruction coordinates district and school-based support to ensure fidelity of delivery and implementation of district curriculum. This position also supervises professional learning opportunities for all stakeholders.

The Executive Directors of Elementary and Secondary schools and the Executive Director of Student Services and Family Engagement report to the Deputy Superintendent of Instruction and are charged with providing support to any school designated as CS&I and TS&I. Support will also be provided to other assigned schools identified throughout the district evaluation system as needing additional assistance. The Executive Directors also review the SIPs and any CS&I and TS& I schools and provide support in the areas of problem solving, solution finding and accountability regarding the implementation of programs and fidelity.

The Instructional Leadership Team conducts continuous observations and instructional reviews and attends regularly scheduled instructional leadership meetings for assigned schools. The information gathered from these activities is compiled and then reviewed during subsequent meetings to include the Executive Directors, the Directors of Exceptional Student Education, Student Services and Assessment, Accountability and Research. These meetings are paramount to coordinate alignment of resources necessary to achieve the District's goals.

LEA Policies and Practices

Identify specific policies and practices the LEA shall seek to add, modify or remove in order to establish or strengthen systems that support school-based leadership teams to implement interventions. Provide the rationale for the proposed changes and the steps required to make the modifications, including person(s) responsible for implementation and follow-up.

The school district aligns to the Florida Department of Education 's guidelines to establish and implement schoolwide improvement plans and ensures that school-based leadership teams are supported in their critical work to implement interventions through a continuous assessment of progress and process that is collaborative in nature.

To align each unique school to the overarching district goals and strategies, and address the needs and areas of focus highlighted in the school improvement plan, each site is required to appoint a school based Instructional Leadership Team (ILT). Teams typically include representation from teacher leaders, administration, and coaches, and are critical to providing a systematic way in which to coordinate school improvement initiatives. To this effort, leadership teams are expected to complete a reflection regarding the school's current status, conduct a needs assessment/analysis for relevant data points and craft a cohesive and meaningful plan linked to evidence-based strategies.

Meeting regularly, the ILT reviews school data and modifies instruction and support if needed. Each meeting agenda also includes a period dedicated to reviewing and adjusting action plans. Each school's administration is then charged with presenting this information to the Executive Directors of Elementary and Secondary Schools for additional assessment and support.

The Executive Directors of Elementary and Secondary will also oversee classroom observations at CS& I schools. Reports will be provided to the principal, Director of Assessment, Accountability and Research which will document progress in research and key milestones and objectives outlined in the SIP. Lastly, the Directors of Elementary and Secondary Curriculum coordinates support to any CS&I and TS&I high schools, and ensures that each site has the support, materials and equipment necessary to meet the needs of its underserved students.

Note that school improvement actions are published in the board-approved School District of Manatee County policy manual under policy 2120. “School improvement plans are developed and implemented by school-based teams, working collaboratively, so that both building level and district level goals for students can be identified and correlated, and then achieve through effective planning, problem solving and assessment. Each year the school improvement plans for schools that include any grades 6, 7 or 8 shall include information and data on the school's early warning system as required by this policy and Florida law.”

Policy 2125 outlines the role of the school Advisory Council, aligning to Florida statutes, and states that the school improvement plan be prepared with the collaboration and approval of the school Advisory Council.

Operational Flexibility

Provide the LEA's definition of “operational flexibility” provided to UniSIG-eligible schools to enable full and effective implementation of the SIP.

The Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESSA), “provides greater flexibility for state and local education leaders to do what is best for

children while maintaining important protections for historically underserved students, including economically disadvantaged students, students with disabilities, and English learners, (United States Department of education, EESA Flexibilities, pg. 3). This flexibility is to ensure that all students have access to an equitable education that is delivered by effective teachers in safe learning environments. The School District of Manatee County Florida (SDMC) delivers a robust educational program that strives to address the many needs of its students while promoting continuous improvement and achievement. To this effort, principals are provided flexibility in the utilization of Title I and school improvement resources.

Each year, the Director of Federal Programs and Grants collaborates with Title I principals to review the available resources and meets with district departments to determine the type and level of support needed for the coming year. As part of a sites detailed assessment, the school team will work closely with the district staff to identify specific needs for programs, instructional staffing, district support, and supplemental materials and resources. This plan is then submitted to the Director of Elementary Curriculum and will serve as the foundation of the district's annual plan.

Other areas of operational flexibility are based on the work between senior leadership and school administration. Senior leadership will work closely with the school to review the curriculum and make modifications to the master schedule and resources based on detailed analysis of student assessment data. The principal will also collaborate with the Director of Federal Programs and Grants, Executive Directors of Elementary and Secondary, Executive Director of Student Services, Directors of Curriculum and Professional Learning, Director of Assessment, Accountability and Research, and Superintendent to identify needs in curriculum, instruction, materials, staffing, and master scheduling necessary to support students.

Lastly, the Executive Directors will strategize with the principal to determine class schedules and ensure students receive the necessary core and remedial support as determined through data assessments.

External Partners

Describe the LEA's rigorous review process to recruit, screen, select and evaluate any external partners with whom the LEA will collaborate.

N/A

Monitoring

Describe how the LEA will monitor each school receiving UniSIG funds.

The Progress Monitoring Data Review survey will be conducted at each school with a 2024 school grade of D. The data collected will be used to inform state, district, and school leaders in their conversations about professional capacity and school climate as it relates to student achievement.

Furthermore, CS&I schools will participate in the quarterly Progress Monitoring Data Review, which is provided by the Bureau of School Improvement over the 9-week period throughout the entire school year.

Sustainability

Explain the strategies and activities the LEA will implement to support the UniSIG-eligible school after the school improves performance and is no longer eligible.

The strategies and activities SDMC will implement through UniSIG are sustainable as they center on building capacity and a framework of embedded supports to include leadership development of the instructional teams at each CS & I school on developing effective structures aligned to student achievement. Professional learning focused on instructional coaching to build teacher content knowledge will also be provided to the literacy coaches and administrative teams. By working collaboratively to support teacher efficacy and instilling evidence based instructional practices that will impact student achievement, it is expected that success will be sustained upon existing CS & I status.

Alignment with K-20 Strategic Plan

Describe how the project will incorporate one or more of the Goals included in the State Board of Education's K-20 Strategic Plan.

The mission of Florida's Early Learning-20 education system is to increase the proficiency of all students within one seamless efficient system, by allowing them the opportunity to expand their knowledge and skills through learning opportunities and research valued by students, parents and communities. Through the implementation of UniSIG, student achievement will be increased through strengthened curriculum goals addressed in the SIP and ensuring it is fully aligned with state standards, best practices and evidenced- based instructional strategies to engage students and enhance the learning experience for unique needs of all the students served. Increased student achievement will also be achieved through ongoing professional development opportunities to enhance teaching practices and effectively support the needs of the underserved population who need high-quality, rigorous instruction.

If this matter pertains to a school that becomes a charter school, this Agreement may be cancelled by School District upon thirty days written notice and School District shall be released of any and all obligations under this Agreement.

C. Entire Agreement: This Agreement and its accompanying Exhibits constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals, or representations, written or oral, concerning its subject matter. The parties shall not be bound by any terms, conditions, statements, warranties, or representations, written or oral, not contained herein.

D. Amendments; Waivers: No modification or amendment of any provision of this Agreement will be effective unless in writing and signed by both parties. Any amendments changing the City's financial obligations under this Agreement shall require approval by the City Commission. The City Commission hereby authorizes the City

Manager or City Manager's authorized designee to approve and execute all Agreement amendments on behalf of the City that do not change the City's financial obligations under this Agreement. The failure or neglect by any party to enforce any right under this Agreement shall not be deemed to be a waiver of that party's rights. A waiver shall not be effective unless it is in writing and signed by the party who possesses the right to waive enforcement of same.

E. Governing Law and Venue: The laws of the State of Florida govern the rights, obligations, and remedies of the Parties under this Agreement. The exclusive venues for any legal or judicial proceedings in connection with the enforcement or interpretation of this Agreement shall be in the state or federal courts located in the county of domicile of the defendant party.

F. Relationship of Parties: The parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this Agreement.

G. Indemnification: The School District, to the extent allowed by law, shall indemnify and hold harmless the City of North Port, Florida and its Fire Rescue District and its officers, medical and nursing staff, representatives, and employees from and against all liabilities, claims, damages, and expenses, including reasonable attorneys' fees, relating to or arising out of any act or omission of the personal injury, professional liability, or, with respect to the failure to make proper payment of required taxes, withholding, employee benefits or statutory or other entitlement.

The City shall indemnify the School Board of Manatee County, Florida and its employees, officers, and agents, against any liabilities, claims, damages, and expenses, including reasonable attorneys' fees, incurred by School District in defending or compromising any claims or actions brought against the School District arising out of or related to the City of North Port's employees' or representatives' performance of this Agreement.

In the event of any threatened or impending action that may give rise to a claim under the terms of this section, the party seeking indemnification for such claim must promptly give notice to the other party in writing by certified mail. The indemnity provided herein shall not apply to any settlement agreement entered into by one party without the consent of the indemnifying party.

This provision does not and shall not be construed to waive the School District or the City of North Port's entitlement to Sovereign Immunity as provided under applicable Florida Law and any obligation under this section shall be restricted to and shall otherwise not waive the limits on damages and other provisions contained in Section 768.28, Florida Statutes.

The terms of this section shall survive the termination of this Agreement.

H. Confidentiality: The parties agree to maintain confidential records and information

pursuant to applicable law, including, but not limited to, the Americans with Disabilities Act, the Family and Medical Leave Act, Family Educational Rights and Privacy Act, the Genetic Information Nondiscrimination Act, the Health Insurance Portability and Accountability Act. Regarding data storage and breaches, the Parties agree to comply with the applicable provisions of Section 501.171, Florida Statutes. Regarding data storage and breaches, Affiliate shall employ commercial best practices for ensuring the security of all District data including, but not limited to, electronic, spoken and paper information accessed, used, created, maintained, disposed of, or otherwise handled in the course of Affiliate's performance of this Agreement. In the event of a breach of security as defined in Section 501.171, Florida Statutes, Affiliate shall notify District immediately, but no later than ten days following a determination of a breach of data security. Additionally, Affiliate shall fully cooperate, at its own expense, with District regarding District's statutory notification requirements. This cooperation includes law enforcement and auditors. Additionally, the parties acknowledge that District as a local governmental entity is subject to the State of Florida's public record laws. Should a request be made for disclosure of confidential records of Affiliate, District shall provide notice to the other party who may then, at its discretion, respond to the request. Should Affiliate not disclose the records or documents, Affiliate will defend and indemnify District for any fees and costs which are incurred or taxed against District because of the non-disclosure. Should Affiliate require confidential student information or personally identifiable information as a "school official," it may enter into a separate data privacy and sharing agreement with District.

I. Sovereign Immunity: Each party acknowledges and agrees that the other is a governmental entity entitled to the protections of sovereign immunity as set forth in Section 768.28, Florida Statutes. Nothing in this Agreement shall be construed as a waiver of either party's sovereign immunity, or as a waiver of any rights, defenses, or limitations provided under Section 768.28 or any other applicable law. This includes, but is not limited to, limitations on liability and the process for bringing claims against a sovereign entity. All such rights and defenses are expressly reserved by both parties to the full extent permitted by law.

J. Severability: If any one or more of the provisions of this Agreement should be held contrary to law or public policy, or should for any reason whatsoever be held invalid or unenforceable by a court of competent jurisdiction, then such provision or provisions shall be null and void and shall be deemed separate from the remaining provisions of this Agreement, which remaining provisions shall continue in full force and effect, provided that the rights and obligations of the parties contained herein are not materially prejudiced and the intentions of the parties continue to be effective.

Upon completion or termination of this Agreement, either transfer, at no cost, all public records related to the Agreement to the other party, or continue to maintain them in accordance with applicable public records retention requirements. If records are transferred, any duplicates that are exempt or confidential must be securely destroyed.

If either party fails to comply with a public records request, the non-compliant party shall indemnify and hold harmless the other party for any resulting legal costs, penalties, or damages incurred due to such failure.

NORTH PORT FIRE RESCUE

STANDARD OPERATING GUIDELINE

101 FIREFIGHTER CODE OF ETHICS

Effective Date:	Revision Date:	Reference:
May 1, 2022		

Scott Titus, Fire Chief

I. PURPOSE

We in the fire service should have a significant impact on the ethical behavior of our co-workers. Most American firefighters do an honest job, and we suffer embarrassment and the loss of public trust when someone soils our good reputation. We do care what the public thinks of us, and we will work to keep our image clean.

II. DEFINITIONS

ETHICS - is a general term for what is often described as the "science (study) of morality". It also encompasses:

- Philosophy, ethical behavior is that which is "good" or right"
- A set of moral principles or values.
- The study of fundamental principles that defines values and determines moral duty and obligation.
- System of moral principles, rules and standards of conduct.
- Study of right and wrong, good and bad, moral judgment, etc.

III. PROCEDURES

A. ETHICAL CONDUCT

1. Employees shall conduct themselves at all times in such a manner as to create respect for themselves, as public servants, and the City they represent.

2. Employees shall place public interest above individual, group, or special interests and will consider their jobs as an opportunity to serve the citizens of North Port.

3. Employees shall not discriminate because of race, color, religion, age, sex, handicap, political affiliation, or national ancestry. In his/her job capacity, each employee shall prevent and eliminate such discrimination while providing services, assigning work schedules, and in executing all personal actions.

4. Employee shall not accept any personal gift, favor, service, money, or anything of value from the public that might reasonably tend to influence or might reasonably be inferred to influence the impartial discharge of duties.

5. Employees shall always, when in contact with the public, be fair, courteous, respectful, and impartial. Most citizen complaints are not due to inappropriate treatment but rather due to the negative or rude behavior demonstrated by Firefighters. Employees shall immediately report and document any situations created by a member of the public or by any member of the department to their supervisor.

6. Employees shall not use their position for personal gain and will keep confidential all information not available to all citizens, but that is available to the employee by virtue of their position in the organization.

7. Employees shall, when in public, clearly distinguish/identify between all statements and actions made as an individual and as a representative of the department.

B. CONDUCT ON DUTY

1. Employees shall be required to keep themselves and their uniforms ready to perform their duties at all times.

2. Employees shall exhibit and promote "Esprit De Corps" through courteous, professional mannerisms and actions. Respect and consideration toward other members of the Department as well as professional and lay persons shall be afforded at all times.

3. All Department employees are expected to conduct themselves in a mature and professional manner. Due regard shall be applied toward decent language, moral conduct, financial responsibility, self-discipline, discretion and courtesy.

4. Employees shall use social media/networking, electronic communications, or other media technology opportunities in a manner that does not discredit, dishonor, or embarrass the Department or the City of North Port, the fire service and the public. Failure to resolve or report inappropriate use of this media equates to condoning this behavior and is considered a violation of policy.

5. No employee shall report for, or be on duty, while under the influence of any intoxicating beverage or drug. Employees shall not be absent from duty or rendered unfit to fully perform assigned duties for reasons attributed to, or produced from, indulgence of alcohol or drugs.

6. On duty personnel shall stay in their respective stations, available for duty unless they are on Department business or have permission by their station officer to be elsewhere. On duty personnel who leave their respective station, for other than the Department's business, shall have prior approval from their District Chief.

7. Accidents or personal injury occurring as a result of horseplay and practical jokes shall be subject to corrective action. A reduction in medical benefits as outlined by Workers Compensation may also occur. Physical contact sports or actions (wrestling, boxing, karate, and the like) are not permitted at any time. A violation of this rule shall result in corrective action.

8. Employees assigned to shift duty shall notify the District Chief of any inability to report for work at the earliest possible time. Personnel not complying with notification procedures prior to 0700 on the day they are to report for duty shall be absent without leave.

C. CONDUCT OFF DUTY

1. Employees are expected to conduct themselves in a mature and professional manner. Due regard shall be applied toward decent language, moral conduct, financial responsibility, self-discipline, discretion and courtesy.

2. Employees who are charged with violation of Local, State, or Federal law shall notify his/her District Chief as soon as practical. An investigation shall be conducted into the incident and a decision rendered as to

whether a breach of State, City, or North Port Fire Rescue rules has occurred, that would interfere with the employee's ability to carry out his/her official duties.

3. Employees shall not wear department issued uniforms or protective clothing off duty unless given specific permission to do so by the Fire Chief or his/her designee.

NORTH PORT FIRE RESCUE

STANDARD OPERATING GUIDELINE

510 – HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

Effective Date:	Revision Date:	Reference:
October 21, 2022		CAAS 103.04.02

Scott Titus, Fire Chief

I. PURPOSE

The North Port Fire Rescue District, in recognition of the purpose and requirements of the HIPAA Privacy Rule, establishes this policy and best practices for North Port Fire Rescue personnel.

The standards for Privacy of individually health information ("Privacy Rule") established a set of national standards for the protection of certain health information. The U.S. Department of Health and Human Services ("HHS") issued the privacy rule to implement the requirement of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). The HIPAA Privacy Rule protects all "individually identifiable health information" held or transmitted by a covered entity or its business associate, in any form or media, whether electronic, paper, or oral. The Privacy Rule calls this information "Protected Health Information ("PHI")

II. DEFINITIONS

Training - All NPFR personnel are required to undergo Privacy Rule/HIPAA training every 2 years. New employees will go through Privacy Rule/HIPAA training during their orientation.

Electronic Patient Care Report (ePCR) - is considered protected health information and is the property of the North Port Fire Rescue District.

Incidental Disclosures - The Privacy Rule is not intended to impede common practices that are essential in providing health care to an individual. Incidental disclosures are inevitable, but these will typically occur in radio or face to face conversation between healthcare provides (NPFR personnel and hospital personnel). Incidental disclosures should be kept to a minimum and related to required patient care practices.

Penalties for HIPAA Violation - There are significant potential ramifications for agencies and individuals that do not adhere to the HIPAA Privacy Rule including civil fines and criminal penalties. Failure of NPFR personnel to comply with this policy may result in such fines, penalties and/or disciplinary action against the responsible individual(s).

Privacy Officer Designation - In compliance with the HIPAA Privacy Rule, the NPFR has a designated Privacy Officer, which is the Division Chief of EMS. In the absence of the designated Privacy Officer, questions, concerns and reports regarding protected health information or HIPAA compliance should be directed to the alternative Privacy Officers in the following order:

- 1 - Battalion Chief-EMS
- 2 - Fire Chief

III. PROCEDURES

A. The North Port Fire Rescue District has developed and maintains Privacy Practices for the protection of protected health information (PHI). All individuals who receive a medical assessment and treatment from NPFR personnel shall be provided with a copy of the NPFR Privacy Practices.

B. Management and control of protected health information, which is used for approved purposes including patient care documentation (assessment and treatment) as required by our medical treatment protocols, shall be compliant with HIPAA in that the protected health information shall be protected from unauthorized disclosure by:

1. Maintenance of Business Associate Agreements with entities which NPFR is authorized to share a patient's protected health information.

2. Covering or securing protected health information while it is being used by NPFR for the purposes of patient care documentation.

3. Document retention and destruction shall be performed by the district/city in accordance with applicable Florida laws.

C. Disclosure of protected health information shall only be allowed if authorized by the patient or as documented by the NPFR Privacy Practices in adherence with HIPAA allowable disclosures.

SECTION 2 WORKING AT THE CITY OF NORTH PORT

Number:	**2.1**	
Title:	**ETHICS**	
Issued:	**January 3, 2022**	
Revised:		

2.1 ETHICS

PURPOSE

The City of North Port is committed to conducting its business fairly, impartially, in an ethical and proper manner, in compliance with all laws and regulations, and with integrity underlying all relationships, including those with citizens, customers, suppliers, and communities, and among employees. The highest standards of ethical business conduct are required of City employees in performance of their responsibilities. City employees must engage in conduct and/or activities that represent honesty, integrity, and impartiality.

The City of North Port can only achieve a high ethical standard if all employees act accordingly. The City's integrity and reputation rest on the many, often small decisions employees make every business day.

This policy has been established to maintain the integrity of the City in dealings between employees, customers, and suppliers. This policy is not intended to cover every situation but should be considered and serve as the cornerstone for all business decisions.

This policy covers all employees of the City of North Port. An employee with questions regarding the interpretation of this policy, should talk with their immediate manager, director, or the Human Resources Department.

Exactly what constitutes a conflict of interest, or an unethical business practice is both a moral and a legal question.

The City recognizes and respects an individual employee's right to engage in activities outside of their employment that are private in nature and do not in any way conflict with or reflect poorly on the City. However, management reserves the right to determine when an employee's activities represent a conflict with the City's interests or reflect poorly on the City, and to take whatever action is necessary to resolve the situation.

POLICY

This policy is intended to provide guidance to all employees on areas of ethical risk, to help them recognize and deal with ethical issues, provide mechanisms to report unethical conduct, foster a culture of honesty and accountability, deter unethical behavior, promote fair and accurate disclosure and financial planning, and to address and provide clarity of expectations around all relationships and social responsibility.

No code or policy can anticipate every situation or relationship (internal and external). Accordingly, this policy provides guiding principles. The City will make all decisions on the application of this policy on a case-by-case basis.

All City employees are required to acknowledge that they have read and understand this policy and must be/remain in compliance with it.

PROCEDURE

A. RELATIONSHIP TO CITY'S CORE VALUES AND BUSINESS GOALS

Core values include honesty, fairness in the treatment of others, openness to input and feedback from others, and valuing the diversity of knowledge, skills, perspectives, and ideas each individual brings to the workplace. Employees are required and expected to act responsibly to establish a harmonious work environment, characterized by good will. Employees are encouraged to submit complaints in good faith, and to have complaints investigated and responded to in a reasonable time. The City provides a safe avenue, free of retaliation or reprisal, for this process.

B. ACCOUNTABILITY

1. Internal accountability. Employees are expected to uphold the City's commitment to protect human rights, discourage illegal labor practices, and to report any abuses to the City immediately.

2. External accountability. The City advises its suppliers and contractors that each is expected to comply with all applicable international, national, and local laws, rules, regulations, standards, and orders in connection with the performance of their relationship with the City. This includes but is not limited to all applicable laws, rules, and regulations relating to international trade, human rights, human trafficking in supply chains, illegal labor practices, embargos, import and export control, and sanctioned party lists.

Legal and regulatory compliance, including any required disclosures, are required of all City employees. All employees are expected to comply with all rules, laws, and regulations applicable to the City and to that individual's job duties.

D. ACCOUNTING INTEGRITY

The City Manager and City Commissioners rely on the integrity of the City's financial reports and other financial reporting. Financial reporting must be reliable, complete, and timely. Accounting management and employees are required to maintain and adhere to the City's internal controls as well as to legal requirements for this activity. It is the responsibility of all employees, but especially employees in the Finance Department, to report any questionable accounting or auditing practices that appear contrary to this requirement.

E. PROTECTION OF PROPRIETARY INFORMATION, INTELLECTUAL PROPERTY, AND CITY ASSETS

For the City to continue to grow and be successful, its proprietary and sensitive information, as well as

that of its customers and vendors, must be kept confidential except where otherwise required by Florida law. The City must not violate the intellectual property or copyrights of others and requires the same of its employees. Additionally, City assets must only be used for legitimate business purposes.

F. PERSONAL BEHAVIOR

Each employee has a responsibility to the City and their colleagues to demonstrate the highest standards of personal integrity and honesty in all business activities. Employees must:

1. Comply with all applicable laws, ordinances, and regulations in carrying out their job responsibilities.

2. Eliminate any and all circumstances that may result in the receipt of a personal privilege or benefit through or based on the performance of their job duties.

3. Discuss openly with management any situation the employee believes may compromise their personal integrity or place the City in a questionable situation.

4. An employee must notify their immediate supervisor or the Human Resources Department no later than the next business day from the date of the employee's arrest, pending criminal action, or criminal conviction.

5. Participate in any internal or external investigation authorized by the City Manager or Human Resources Department by providing testimony and evidence upon request.

6. Avoid all interests or activities that conflict with the ethical conduct of their job duties.

7. Maintain the integrity of City information and records, both internal and external documents. Alteration or falsification of any record or data is in violation of this policy.

G. CONFLICT OF INTEREST

The City is committed to conducting business honestly, with integrity, and in full compliance with the law. This commitment includes but is not limited to relationships with auditors, customers, employees, government representatives, vendors, and the public.

No employee acting in their official capacity shall either directly or indirectly purchase, rent, or lease any realty, good, or service for the City from any business entity in which the employee or employee's spouse, or any relative of the employee or employee's spouse, is an officer, partner, director, or proprietor or in which the employee, employee's spouse, or any relative of either has a financial interest.

In line with this commitment, no employee shall knowingly conduct business for the City when their behavior is not honest or lawful. All City related business conducted by an employee must serve the best interests of the City.

H. GIFTS AND GRATUITIES

No employee shall, at any time, accept any compensation, payment, or thing of value when the employee

knows, or with the exercise of reasonable care should know, that it was given to influence any action or decision in which the employee is expected to participate in their official capacity. Anyone involved in influencing the purchasing process (recommending, specifying, selecting, ordering, etc.) must be dedicated to the best interests of the City, and must avoid any activity that may compromise the purchasing decision making process.

De-minimis gifts, such as candy or holiday treats, may be accepted on behalf of an office or department as a whole and must be shared among the department staff. Any other gift received must be reported to the City Manager's office within five (5) days of receipt. The City Manager or designee shall determine whether there is a conflict or potential conflict of interest and resolve the matter as they determine is in the best interest of the City.

A cash gift, or the equivalent, must never be accepted from a customer or vendor. Any such gift received or offered must be reported to the City Manager's office within five (5) days of receipt.

I. POLITICAL ACTIVITIES

Employees are encouraged to keep informed and aware of important issues, and to be involved and take part in the voting process. The City has an interest in elections at the national, state, county, and local levels. The City, through the City Commission, may choose to express its opinion on local and national issues that affect City business, but it will not abuse the City's standing to influence political issues. In political matters, the City is mindful of its legal and ethical obligations and will obey all relevant laws and regulations.

Employees may engage in political activities to the extent allowed by law during their off-duty time, so long as their activities do not interfere with the operation of City business. Employees are prohibited from wearing or displaying political badges, buttons, stickers, clothing, or other political items or campaign items while on-duty, riding in or on City equipment, in City uniform, or when representing oneself as a City employee.

Employees may run for elective office or be appointed to non-elective office, so long as the position has no direct or indirect interference with their work as a City employee. Employees elected to the City Commission must resign their position as a City employee prior to starting their term in office. No City funds may be used directly or indirectly to solicit or provide contributions to political candidates, and no employee may be solicited by the City or other employee for political or campaign contributions while on-duty or on City property.

J. VIOLATIONS OF THIS POLICY

1. How to define the gray areas. An employee faced with a situation that they believe may cause a violation of this policy or who is unsure how to handle a situation as it relates to this policy, should consult the Human Resources Department for clarification. Open and honest communication will ensure that misunderstandings do not occur in the adherence to this policy.

2. How to report a violation. Employees have a duty to report suspected wrongdoing and should address the situation directly or report to their Manager, Director, or the Human Resources Department. In most situations, reporting the issue to a higher level of management or the Human Resources Department will allow the City to resolve the issue.

3. A violation of City policy is subject to corrective action up to and including termination. This applies equally to anyone who condones improper or illegal conduct by another employee.

Every reasonable effort will be made to ensure that all employees are familiar with this policy and are aware that any complaint involving a violation of this policy will be investigated and resolved appropriately.

PROCEDURE

A. SEXUAL HARASSMENT

1. Sexual harassment is unwelcome conduct of a sexual nature that is sufficiently persistent or offensive to unreasonably interfere with an employee's job performance or that creates an intimidating, hostile, or offensive work environment. Sexual harassment is defined by the Equal Employment Opportunity Commission Guidelines as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when, for example:

    a. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment.

    b. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

    c. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile, or offensive work environment.

2. Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess, or sexual deficiencies; leering, whistling, or touching; insulting or obscene comments or gestures; display in

the workplace of sexually suggestive objects or pictures; and other physical, verbal, or visual conduct of a sexual nature.

3. Sexual harassment can be physical and psychological in nature. An aggregation of a series of incidents can constitute sexual harassment, even if one of the incidents considered on its own would not be harassing. Employees are prohibited from harassing other employees whether or not the harassment occurs on City property, and whether or not it occurs during working hours.

4. The City prohibits any behavior by an employee that could be considered sexual harassment by another City employee, citizen, vendor, or visitor to the City. The behavior is prohibited regardless of how it is conducted, including but not limited to by voicemail, e-mail, text message, Instant Message (IM), or other type of nonverbal, spoken, written, or electronic communication.     a. Repeated unwelcome contact or touching.

    e. Continued or repeated use of sexually degrading words about a person or the person's body.

5. The above list is not exhaustive, and each situation will be considered in light of its specific facts and circumstances.

6. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, that is offensive both objectively and subjectively, that fails to respect the rights of others, that lowers morale, and that interferes with work effectiveness.

B. DISCRIMINATORY HARASSMENT

1. Discriminatory harassment is unwelcome verbal, written, or physical conduct that is directed at a person because of the person's race, color, age, sex, national origin, religion, marital status, sexual orientation, gender identity, disability, genetic information, or any other legally recognized status entitled to protection under local, state, or federal anti-discrimination law, when:

    a. Such conduct has the purpose or effect of unreasonably interfering with the person's work performance; or

    b. Such conduct has the purpose or effect of creating an intimidating, hostile, or offensive work environment.

2. No employee shall behave in a way that could be considered discriminatory harassment by another employee, citizen, vendor, or visitor to the City. The behavior is prohibited regardless of

how it is conducted, including but not limited to by voicemail, e-mail, text message, Instant Message (IM), or other type of nonverbal, spoken, written, or electronic communication. Prohibited behaviors includes but are not limited to:

a. Repeated unwelcome jokes or comments about a person's legally protected status (e.g., racial, or ethnic jokes or comments).

b. Continued and repeated use of slurs, epithets, derogatory terms, or comments reflecting stereotypes based on a person's legally protected status; and

2. Anyone with knowledge of or made aware of an allegation of harassment has a duty to report it and must immediately make the Human Resources Department aware of the prohibited conduct.

3. If jurisdiction under Title VII, ADEA, or ADA can be established, an investigation will be conducted. A report of the investigation's findings and recommendations will be prepared and sent through the Director of Human Resources to the City Manager. Additionally, recommendations will be made to the applicable departments.

4. An investigation may include individual interviews with the parties involved, with individuals who may have observed the alleged conduct, and with those with relevant knowledge. All employees have a duty to cooperate in any investigation upon request.

5. Confidentiality will be maintained throughout the investigatory process to the extent permissible or as required by law.

6. Retaliation against an individual for reporting harassment or for participating in an investigation of a claim of harassment is a serious violation of law and this policy and may subject an employee to disciplinary action up to and including termination. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

7. Responsive action to a finding of harassment may include employee training, referral to counseling, or disciplinary action such as a warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, or termination as determined appropriate under the circumstances.

8. False and malicious complaints of harassment, discrimination, or retaliation (as opposed to complaints that, even if erroneous, are made in good faith) may be the subject of appropriate disciplinary action.

Accordingly, none of the provisions of this Agreement are intended to create, nor shall be deemed or construed to create any relationship between District and Affiliate other than that of independent entities contracting with each other solely for the purpose of achieving the provisions of this Agreement. The parties hereto shall be considered to be independent, and neither of them, nor any of their respective representatives, employees or agents shall be construed to be the agent, employee, servant or representative of the other.

9. **TERM; EXTENSION; TERMINATION:**

A. Term and Extension: This Agreement shall be in effect for a period of three school years commencing on the date of execution by all parties and terminating on June

30, 2028. The parties may agree to mutually extend the Agreement for a period of three additional years in writing on or before June 30, 2028.

B. Termination for Cause: Affiliate shall be considered in material breach of this Agreement and such breach will be considered cause for District to terminate this Agreement, in whole or in part, as further set forth herein, for any of the following reasons: (1) failure to properly and timely perform in accordance with the Agreement; (2) the bankruptcy or insolvency or a general assignment for the benefit of creditors by Affiliate or by any of Affiliate's principals, partners, officers or directors; (3) failure to obey laws, ordinances, regulations or other codes of conduct, or (4) otherwise materially breaching this Agreement. District shall promptly notify Affiliate in writing of the determination and the reason(s) for the termination, together with the effective date of the termination. Payments made to Affiliate or recoveries by District under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Notwithstanding anything herein to the contrary, District may unilaterally terminate this Agreement for refusal by Affiliate to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, made or received by Affiliate in conjunction with this Agreement.

C. Termination for Convenience: Upon not less than 30 days advance written notice, District may terminate this Agreement, in whole or in part, for District's convenience and without cause in accordance with this clause.

D. Effect of Illegality: If a legislative body, a court of competent jurisdiction or an administrative agency having authority to regulate any of the parties, holds this Agreement or the obligations to be performed hereunder to be illegal under this Agreement, then the parties agree to engage in good faith negotiations towards amending the Agreement.

10. **MISCELLANEOUS PROVISIONS:**

A. Compliance with Jessica Lunsford Act: Affiliate shall comply with the Jessica Lunsford Act (JLA). Affiliate hereby indemnifies and holds harmless District for any claims made against District related to the failure of Affiliate or Affiliate's personnel to comply with any of the laws referenced in this paragraph or related to Affiliate's obligation to comply with the Jessica Lunsford Act and Florida law governing background screening requirements.

B. Assignment: Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a charter school, this Agreement may be cancelled by District upon thirty days written notice and District shall be released of any and all obligations under this Agreement.

C. Entire Agreement: This Agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. The parties shall not be bound by any terms, conditions, statements, warranties, or representations, written or oral, not contained herein.

D. Amendments; Waivers: No modification or amendment of any provision of this Agreement will be effective unless in writing and signed by both parties. The failure or neglect by any party to enforce any right under this Agreement shall not be deemed to be a waiver of that party's rights. A waiver shall not be effective unless it is in writing and signed by the party who possesses the right to waive enforcement of same.

E. Governing Law: This Agreement will be governed by the laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this Agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

F. Relationship of Parties: The parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the District does not direct or control the work or services to be performed, or how to perform such work or services under this Agreement.

G. Indemnification: Affiliate shall defend, indemnify and hold harmless District, its officers, employees, and agents, and the School Board of Manatee County, Florida, and its members from any and all liability, losses or damages, including attorneys' fees and costs of defense, which District, its officers, employees, and agents, and the School Board of Manatee County, Florida, and its members may incur as a result of any claim, demand, suit, or cause of action or proceeding of any kind or nature arising out of, relating to, or resulting from the performance of this Agreement by Affiliate, its employees, officers and agents. The parties agree to promptly notify one another of any claims and to cooperate in the defense of all claims towards a goal of settling or otherwise disposing of all claims in a manner that is mutually agreeable to both parties. To the extent permitted by law, each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence.

The indemnification provisions of this Agreement shall survive termination of this Agreement for any claims that may be filed after the termination date of the Agreement provided the claims are based upon actions that occurred during the performance of this Agreement.

H. Confidentiality: The parties agree to maintain confidential records and information pursuant to applicable law, including, but not limited to, the Americans with Disabilities Act, the Family and Medical Leave Act, Family Educational Rights and Privacy Act, the Genetic Information Nondiscrimination Act, the Health Insurance Portability and Accountability Act. Regarding data storage and breaches, Affiliate shall employ commercial best practices for ensuring the security of all District data including, but not limited to, electronic, spoken and paper information accessed, used, created, maintained, disposed of, or otherwise handled in the course of Affiliate's performance of this Agreement. In the event of a breach of security as defined in Section 501.171, Florida Statutes, Affiliate shall notify District immediately, but no later than ten days following a determination of a breach of data security. Additionally, Affiliate shall fully cooperate, at its own expense, with District regarding District's statutory notification requirements. This cooperation includes law enforcement and auditors. Additionally, the parties acknowledge that District as a local governmental entity is subject to the State of Florida's public record laws. Should a request be made for disclosure of confidential records of Affiliate, District shall provide notice to the other party who may then, at its discretion, respond to the request. Should Affiliate not disclose the records or documents, Affiliate will defend and indemnify District for any fees and costs which are incurred or taxed against District because of the non-disclosure. Should Affiliate require confidential student information or personally identifiable information as a "school official," it may enter into a separate data privacy and sharing agreement with District.

I. Sovereign Immunity: Affiliate acknowledges and agrees that District does not waive its immunity and nothing herein, including the naming of District as an additional insured, shall be interpreted or deemed as a waiver of District's rights, including the limitation of waiver of immunity, as set forth in Section 768.28, Florida Statutes, or any other statutes, and District expressly reserves these rights to the full extent allowed by law. All defenses relative to sovereign immunity are expressly reserved by District

J. Contact with Students: Unless otherwise specified, Affiliate will not permit any employee, independent contractor, material men, supplier or anyone involved in any manner with work pursuant to this Agreement on District property. A violation of this provision shall result in immediate termination of the offender and issuance of a trespass notice from District. Affiliate shall be responsible for insuring compliance by all employees, independent contractors and subcontractors or other persons involved in any manner with work pursuant to this Agreement.

K. Standards of Conduct: Affiliate will be held to the same standards of conduct as District employees while conducting business with District. These standards, as defined in District policies, will apply to Affiliate's employees and employees of Affiliate's

L. Severability: If any one or more of the provisions of this Agreement should be held contrary to law or public policy, or should for any reason whatsoever be held invalid or unenforceable by a court of competent jurisdiction, then such provision or provisions shall be null and void and shall be deemed separate from the remaining provisions of this Agreement, which remaining provisions shall continue in full force and effect, provided that the rights and obligations of the parties contained herein are not materially prejudiced and the intentions of the parties continue to be effective.

M. Force Majeure: The term "Force Majeure" means circumstances beyond the reasonable control of a party, (such as an act of God, a government restriction, a war, an insurrection, a labor dispute, a financial insolvency, an economic hardship, a strife, a failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this Agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this Agreement for convenience upon written notice.

N. Equal Opportunity: Affiliate shall not discriminate on the basis of race, color, ethnicity, sex, national origin, religion, disability, pregnancy, age, ancestry, genetic information, or marital status.

    ii. Upon request from District's custodian of public records (identified below), provide District with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise

I certify that physical inventory for the 2024-2025 fiscal year (FY) has been completed for my school or site, and I have been provided with an end-of-year inventory list, including a list of any items assigned to my school that were not found during inventory or any subsequent follow up visits.

If any items were stolen during the year, I have submitted a *Request to Remove Lost or Stolen Property from Inventory* form to the Supervisor of the Property Records/Records Management department, along with police reports from local law enforcement, in accordance with School Board policy po7450. Likewise, an *Asset Transfer* form has been completed for any assets that have been relocated to another site during the year, and a *Request for Property Disposal and Deletion* form completed and submitted for any items that were disposed.

Missing Status

I understand that, if my school or site has any assets that were deemed missing in the 24-25FY, they will be highlighted on the end-of-year inventory list and will be marked as "Missing" in PeopleSoft-FSCM and are considered high priority items for the 25-26FY physical inventory.

I certify that physical inventory for the 2024-2025 fiscal year (FY) has been completed for my school or site, and I have been provided with an end-of-year inventory list, including a list of any items assigned to my school that were not found during inventory or any subsequent follow up visits.

Likewise, an *Asset Transfer* form has been completed for any assets that have been relocated to another site during the year, and a *Request for Property Disposal and Deletion* form completed and submitted for any items that were disposed.

Acknowledgement

I certify that physical inventory for the 2024-2025 fiscal year (FY) has been completed for my school or site, and I have been provided with an end-of-year inventory list, including a list of any items assigned to my school that were not found during inventory or any subsequent follow up visits.

If any items were stolen during the year, I have submitted a *Request to Remove Lost or Stolen Property from Inventory* form to the Supervisor of the Property Records/Records Management department, along with police reports from local law enforcement, in accordance with School Board policy po7450. Likewise, an *Asset Transfer* form has been completed for any assets that have been relocated to another site during the year, and a *Request for Property Disposal and Deletion* form completed and submitted for any items that were disposed.

Missing Status

I understand that, if my school or site has any assets that were deemed missing in the 24-25FY, they will be highlighted on the end-of-year inventory list and will be marked as "Missing" in PeopleSoft-FSCM and are considered high priority items for the 25-26FY physical inventory.

Acknowledgement

I certify that physical inventory for the 2024-2025 fiscal year (FY) has been completed for my school or site, and I have been provided with an end-of-year inventory list, including a list of any items assigned to my school that were not found during inventory or any subsequent follow up visits.

If any items were stolen during the year, I have submitted a *Request to Remove Lost or Stolen Property from Inventory* form to the Supervisor of the Property Records/Records Management department, along with police reports from local law enforcement, in accordance with School Board policy po7450. Likewise, an *Asset Transfer* form has been completed for any assets that have been relocated to another site during the year, and a *Request for Property Disposal and Deletion* form completed and submitted for any items that were disposed.

Missing Status

I understand that, if my school or site has any assets that were deemed missing in the 24-25FY, they will be highlighted on the end-of-year inventory list and will be marked as "Missing" in PeopleSoft-FSCM and are considered high priority items for the 25-26FY physical inventory.

Acknowledgement

I certify that physical inventory for the 2024-2025 fiscal year (FY) has been completed for my school or site, and I have been provided with an end-of-year inventory list, including a list of any items assigned to my school that were not found during inventory or any subsequent follow up visits.

If any items were stolen during the year, I have submitted a *Request to Remove Lost or Stolen Property from Inventory* form to the Supervisor of the Property Records/Records Management department, along with police reports from local law enforcement, in accordance with School Board policy po7450. Likewise, an *Asset Transfer* form has been completed for any assets that have been relocated to another site during the year, and a *Request for Property Disposal and Deletion* form completed and submitted for any items that were disposed.

I. Introduction

Plan Purpose

The purpose of the Mental Health Assistance Allocation (MHAA) is to provide funding to assist school districts in establishing or expanding school-based mental health care; train educators and other school staff in responding to mental health issues; and connect children, youth and families who may experience behavioral health issues with appropriate services.

These funds are allocated annually in the General Appropriations Act to each eligible school district. Each school district shall receive a minimum of $100,000, with the remaining balance allocated based on each school district's proportionate share of the state's total unweighted full-time equivalent student enrollment.

Charter schools that submit a plan separate from the school district are entitled to a proportionate share of district funding. A charter school plan must comply with all of the provisions of this section, must be approved by the charter school's governing body, and must be provided to the charter school's sponsor. *(Section [s.] 1006.041, Florida Statutes [F.S.])*

Submission Process and Deadline

The application must be submitted to the Florida Department of Education (FDOE) by **August 1, 2025.**

There are two submission options for charter schools:

- Option 1: District submission includes charter schools in their application.
- Option 2: Charter school(s) submit a separate application from the district.

II. MHAA Plan

A. MHAA Plan Assurances

1. District Assurances

One hundred percent of state funds are used to establish or expand school-based mental health care; train educators and other school staff in detecting and responding to mental health issues; and connect children, youth and families with appropriate behavioral health services.

Other sources of funding will be maximized to provide school-based mental health services (e.g., Medicaid reimbursement, third-party payments and grants).

Collaboration with FDOE to disseminate mental health information and resources to students and families.

A system is included for tracking the number of students at high risk for mental health or co-occurring substance use disorders who received mental health screenings or assessments; the number of students referred to school-based mental health services providers; the number of students referred to community-based mental health services providers; the number of students who received school-based interventions, services or assistance; and the number of students who received community-based interventions, services or assistance.

Mental Health Assistance Allocation Plans for charter schools that opt out of the District's MHAA Plan are reviewed for compliance.

Curriculum and materials purchased using MHAA funds have received a thorough review and all content is in compliance with State Board of Education Rules and Florida Statutes.

The MHAA Plan must be focused on a multi-tiered system of supports to deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and to students at high risk of such diagnoses. Section 1006.041, F.S.

District assessment procedures, at a minimum, include the use of an approved assessment tool as required by Senate Bill 1620 (effective July 1, 2025).

2. School Board Policies

Students referred to a school-based or community-based mental health services provider, for mental health screening for the identification of mental health concerns and students at risk for mental health disorders are assessed within 15 calendar days of referral.

School-based mental health services are initiated within 15 calendar days of identification and assessment.

Community-based mental health services are initiated within 30 calendar days of referral.

Individuals living in a household with a student receiving services are provided information about behavioral health services through other delivery systems or payors for which such individuals may qualify if such services appear to be needed or enhancements in those individuals' behavioral health would contribute to the improved well-being of the student.

District schools and local mobile response teams use the same suicide screening instrument approved by FDOE pursuant to s. 1012.583, F.S., and Rule 6A-4.0010, Florida Administrative Code.

Assisting a mental health services provider or a behavioral health provider as described in s. 1006.041, F.S., respectively, or a school resource officer or school safety officer who has completed mental health crisis intervention training in attempting to verbally de-escalate a student's crisis situation before initiating an involuntary examination pursuant to s. 394.463, F.S. Such procedures must include strategies to de-escalate a crisis situation for a student with a developmental disability as that term is defined in s. 393.063, F.S.

The requirement that in a student crisis situation, the school or law enforcement personnel must make a reasonable attempt to contact a mental health professional who may initiate an involuntary examination pursuant to s. 394.463, F.S., unless the child poses an imminent danger to self or others before initiating an involuntary examination pursuant to s. 394.463, F.S. Such contact may be in person or using telehealth, as defined in s. 456.47, F.S. The mental health professional may be available to the school district either by contracts or interagency agreements with the managing entity, one or more local community behavioral health providers, the local mobile response team, or be a direct or contracted school district employee. Note: All initiated involuntary examinations located on school grounds, on school transportation or at a school-sponsored activity must be documented in the Involuntary Examinations and Restraint and Seclusion (IERS) platform.

Parents of students receiving services are provided information about other behavioral health services available through the student's school or local community-based behavioral health service providers. Schools may meet this requirement by providing information about and internet addresses for web-based directories or guides for local behavioral health services.

A system is in place to measure the program outcomes outlined in s.1006.041, F.S.

Tier 1

Describe the key EBP components that will be implemented.

Youth Mental Health First Aid is a 6.5-hour training that teaches district personnel how to identify, understand and respond to signs of mental illness and substance use disorders in youth. The training gives adults who work with youth the skills they need to reach out and provide initial support to children and adolescents in grades PreK-12 who may be developing a mental health or substance use problems and help connect them to the appropriate care. The School District of Manatee County is in the process of providing all required district personnel with this training.

Early Identification
Explain how your district will implement evidence-based mental health services for students to improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

Youth Mental Health First Aid training is provided to all district personnel through in person presentation of training material. Trainings are offered throughout the school year during the school day. This training consists of 6.5 hours of face-to-face training. Employees sign up for training through the district's professional learning site.

Additionally, schools utilize resiliency lessons built to support the FDOE resiliency standards. These standards are delivered throughout the year as a tier 1 support for all students. The FDOE developed state education standards and resources to equip students with skills that build resiliency. The FDOE has identified the following 11 resiliency characteristics to help students overcome challenges: Perseverance, Grit, Gratitiude, Responsibility, Responsible Decision Making, Critical Thinking and Problem Solving, Self-Awareness and Self-Management, Mentorship, Citizenship, Honesty, and Empathy.

High Risk Students

Explain how the supports will deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

The training of staff in Youth Mental Health First Aid will help staff members identify those students who are at risk of mental health challenges and/or substance use disorders so they may be referred to appropriate school- or community-based resources.

Describe the key EBP components that will be implemented.

MBF Child Safety Matters is a comprehensive, evidence-based curriculum for elementary school students in grades K-5. The program educates and empowers children and all relevant adults with information and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, all types of abuse, and digital abuse dangers. The facilitator will present an engaging, interactive PowerPoint, along with lectures, small group discussion, skill practice, videos, and games.

Early Identification

Explain how your district will implement evidence-based mental health services for students to improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

Comprehensive program teaches universal safety rules and strategies following recommendations of polyvictimization research. Students will participate in three lessons. School counselors will deliver the lessons, or they can be facilitated by Manatee Children's Services. The program is found to be of sound quality and effective in four independent research studies. In addition, it has been found to possess effective learning strategies and is developmentally/age approrpriate for children in grades K-5.

Additionally, the Florida Department of Education (FDOE) developed state education standards and resources to equip students with skills that build resiliency. FDOE has identified the following 11 resiliency characteristics to help children overcome challenges: Perseverance, Grit, Gratitude, Responsibility, Responsible Decision Making, Critical Thinking & Problem Solving, Self-Awareness & Self-Management, Mentorship, Citizenship, Honesty, and Empathy. To support this work, the SDMC has taken the following steps:
* Summer work groups have been working to create lessons aligned with FDOE resiliency standards.
* A community/school district group has been working to use the FDOE resiliency standards to support in the development of Portrait of a Graduate, which defines the scope of how the district, in partnership with the community, will build resiliency in student lessons to support graduates in postsecondary career and/or college.
* School counselors, support staff, and teacher will provide classroom lessons aligned to the Resiliency standards by utilizing the FDOE Resiliency Toolkit as the primary resource.
* Parent resources for all the resiliency characteristics will be available on the SDMC website.

Describe the key EBP components that will be implemented.

TeachTown is a comprehensive, character-based, video-modeling curriculum for students with special needs who qualify for alternative curriculum to the general education curriculum. Features of the TeachTown curriculum include structured lessons to systematically target social behaviors utilizing fun

and animated videos that are engaging and teach socially appropriate behaviors, which also serve as a positive model for children. Teachers have access to a systematic data collection tool that provides automatic reporting and graphing features that can be shared with parents and school staff. This program is available for all students who are receiving alternative curriculum instruction.

Early Identification
Explain how your district will implement evidence-based mental health services for students to improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

TeachTown is a comprehensive, character-based, video-modeling curriculum for students with special needs that connects the treatment and progress made in the clinical setting to what children are learning in the school setting. Students will work independently for approximately 20 minutes three times per week on both academic and social skills computer-generated lessons. In order to reinforce the social-emotional lessons, related group social skills lessons are taught weekly.

The Zones of Regulation provides an easy way to think and talk about how we feel on the inside and sort emotions into four colored Zones, all of which can be expected in life. Besides being utilized in counseling sessions by mental health professionals, the Zones curriculum has been provided to all E/BD and ASD classrooms.

The Zones can be used as a whole-class model for measuring student's feelings, or it can be used in small-group or individual counseling to work with students to identify their feelings, emotions, and how

to regulate these when they are not feeling their best.

Tier 2

Describe the key EBP components that will be implemented.

Check In/Check Out provides additional support for students who need more support to meet their goals socially, emotionally, and/or academically. CICO gives students a boost and allows them to meet behavioral goals. CICO intervention forms can be customized to reflect behaviors that need additional focus. Teachers provide feedback to the student on these behaviors throughout the day. Criteria used to identify students for CICO: a student who struggles with Tier 1 goals and behaviors, little to no classwork participation or completion, poor performance in submitting homework, lack of participation in class, poor organizational and/or time management skills, struggles with emotions, focus, attentiveness, staying on task, as well as interpersonal and/or self-regulation skills.

Early Identification
Explain how your district will implement evidence-based mental health services for students to improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

Students are assigned to a coach/mentor who they meet with at the beginning of the day to set goals for the day. This adult can be a counselor, teacher, or other staff member who is not an instructor for that student. Typically, the student uses a "points card" that spells out the goals for each part of the day. As the student progresses through the day, his/her teacher evaluates the student's behavior and

assigns points for meeting the daily goals. At the end of the day, the student checks out with the same staff member he/she began the day with, assessing the point total for the day. The final component of this process involves the student taking his/her points card to a parent at home and returning it signed at the next morning check in. The coach/mentor encourages the student to reflect on what they did well, how they feel, and what they need to work on.

High Risk Students

Explain how the supports will deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

At its most basic premise, the CICO meeting is an opportunity for student and mentor to work together to improve behavior. CICO doesn't focus on the student's struggles in behavior; instead, it centers on the positive goals met and the efforts the student made to attain those goals. Because Tier 2 interventions provide aditional assistance to students, the expectation is that those students will eventually return to the school's Tier 1 behavior plan.

Tier(s) of Implementation

Tier 3

Describe the key EBP components that will be implemented.

Manatee County's Handle With Care (HWC) program is modeled after the West Virginia Defending Childhood Initiative and is a multi-agency collaborative effort to increase knowledge and awareness when a student has experienced a traumatic event in their home or community. The School District of Manatee County partners with all local law enforcement agencies to establish an immediate notification system when a student enrolled in a district school becomes involved with an active case. This system is designed to notify school principals, teachers, and counselors that a student may be experiencing some level of trauma and to simply be aware, if outward signs of problems begin to emerge.

Early Identification

Explain how your district will implement evidence-based mental health services for students to

improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

HWC is a just-in-time intervention situational to the student who has experiened a recent traumatic event. Each morning, local law enforcement notifies the school district of students who may have experienced a traumatic event in the previous evening (i.e., police or EMS visit, removal from home, etc.). The designated HWC school personnel will alert the student's principal and teacher(s) with an email with the subject line: Handle With Care and the message of Student ID number and initials. A Handle With Care icon will appear next to the student's name in the FOCUS student system. The school counselor or assistant principal then conducts a 5-minute stand-up meeting with the student's teachers to verbally share need-to-know information about the recent traumatic event, review signs of distress and trauma-sensitive interventions, and advise them of who to call for help if signs of distress worsen or persist after 2-3 weeks.

High Risk Students

Explain how the supports will deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

HWC supports the evidence that creating a safe and supportive school environment, building secure attachments, and developing a student's non-cognitive skills can lead to student stability and success. The HWC program ultimately creates a safe and supportive school environment, builds secure attachments, and develops a student's non-cognitive skills to lead to the student's stability and success. It also allows school staff to monitor a student for signs of distress and to contact a school counselor, school psychologist, or school social worker to request assistance if needed.

Describe the key EBP components that will be implemented.

The School of Behavioral and Learning Excellence (SABLE) and the School of Therapeutic and

Academic Resources (STAR) programs are short-term alternative education school for students who have a mental health diagnosis and are engaging in significantly challenging behaviors that have shown little or no respnse to the targeted and intensive interventions of a multi-tiered system of suport. When fully staffed, SABLE consists of one middle school classroom and three elementary school classrooms (grades 1-5). STAR is a short-term alternative education school within SABLE consisting of two PreK-K classrooms. Generally, the length of stay for a student will be one to two quarters. All cases, however, are considered on an individual basis. A board-certified child psychiatrist or nurse practitioner provides weekly on-site mental health evaluations for students at SABLE as well as medication evaluations and medication regulation for families who do not have a private psychiatrist. There will be one full-time social worker, one full-time mental health therapist or school counselor, and one full-time behavior specialist. The social worker and license mental health therapist or school counselor will provide small-group and individual counseling to all students. In addition, a district school psychologist is assigned to SABLE to provide assistance with evaluations for students.

Early Identification

Explain how your district will implement evidence-based mental health services for students to improve the early identification of social, emotional or behavioral problems or substance use disorders, as well as the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

Students appropriate for referral to SABLE and STAR should have mental health diagnosis and be engaging in significantly challenging behaviors that have shown little or no respnse to the targeted and intensive interventions of a multi-tiered system of suport. An observation by Student Services staff (school psychologist or school social worker) and/or an ESE Behavior Specialist will be conducted to document the implementation of tiered interventions. Once the team at SABLE determines that the student is appropriate for acceptance to the program, a meeting will be scheduled at the sending school to discuss the placement at SABLE as an option for the student. It is required that the parent/guardian attend this meeting. If the student is a student who is eligible for ESE services, it is also required that an ESE Resource Compliance Specialist be in attendance as well. This meeting will be recorded in the notes section of the IEP if the student is a student who receives ESE services, or it will be recorded in a Conference Note if the student is a general education student. The file is then delivered back to SABLE and SABLE staff will contact the parent/guardian to set up a day and time for the student to be registered and start at SABLE. Dismissal from SABLE will be based on individual student data. A student's length of stay beyond one quarter will be considered on an individual basis. A dismissal meeting will be scheduled at SABLE. The parent/guardian and receiving school staff will be invited to this meeting. Dismissal paperwork and an IEP revision (if appropriate) will be completed. Positive behavior interventions and the student's response to those

interventions will be discussed. This meeting will occur within five to ten days of the student's dismissal from SABLE.

While at SABLE, a student will have multiple opportunities for learning resiliency and social skills in group and individual sessions. Everyday Speech and Bouncy the Service Dog's Ready to Learn Resiliency programs are used for group sessions. For individual sessions, CBT, motivational interviewing, and solution-focused therapy are all methods that are used to work with students.

High Risk Students

Explain how the supports will deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

While participating in the SABLE/STAR program, students will receive small-group and individual counseling as well as mental health evaluations and medication management. The indviduallydesigned mental health plans (stabilizing of the student, teaching appropriate coping strategies, medication managements, and therapy/counseling) will be used towards the goal of returning the student to their traditional public schools withing one to two quarters.

2. Policy, Roles and Responsibilities

Explain how direct employment of school-based mental health services providers (school psychologists, school social workers, school counselors and other licensed mental health professionals) will reduce staff-to-student ratios.

The direct employment of school-based providers allows the district to reduce staff-to-student ratios most notably in the area of school social work services. Without the direct employment of school social workers through the MHAA, our staff-to-student ratio would be 1:2,225. With the availability of direct employment through the MHAA, we are able to hire additional social workers to make our staff-to-student ratio 1:1,797.

Describe your district's established policies and procedures to increase the amount of time student services personnel spend providing direct mental health services (e.g., review and revision of staffing allocations based on school or student mental health assistance needs).

In order to best staff our schools with mental health providers, each school psychologist and school social worker is required to keep a log of the amount of time spent providing counseling to students. In addition, community providers also keep logs to show time spent directly working with students. At the end of each school year, these logs are reviewed to determine if a school needs more or less time from a mental health provider. Additionally, schools can contact the mental health provider during the year if they believe they need additional time from a mental health provider. Logs are reviewed and assistance is given when possible.

Describe the role of school-based mental health providers and community-based partners in the implementation of your evidence-based mental health program.

School counselors oversee the implementation of Tier 1 EBPs in their schools. School counselors, school psychologists, and school social workers implement Tier 2 EBPs in the schools. Tier 3 EBPs can be implemented by school counselors, psychologists, social workers, or school-based community partners.

Proof of publication will be available at the conclusion of the solicitation process.

II. SOLICITATION DETAILS

A. SOLUTIONS-BASED SOLICITATION

This RFP and contract award process is a solutions-based solicitation; meaning that Sourcewell is seeking equipment, products, or services that meet the general requirements of the scope of this RFP and that are commonly desired or are required by law or industry standards.

B. REQUESTED EQUIPMENT, PRODUCTS, OR SERVICES

It is expected that proposers will offer a wide array of equipment, products, or services at lower prices and with better value than what they would ordinarily offer to a single government entity, a school district, or a regional cooperative.

1. Sourcewell is seeking proposals for Class 4-8 Chassis and Cabs with Related Equipment, Accessories, and Services. Awards under this solicitation for Class 4-8 chassis and cabs[2] will be in two (2) categories. Proposers submitting a proposal in Category 1 as defined herein will be submitting in the broad category that includes all types of engines, fuel, and propulsion systems. For example, if a Proposer offers chassis and cabs with Internal Combustion Engines (ICE) as well as chassis and cabs with electric propulsion systems the Proposer should designate it is seeking an award in Category 1 **only**. Proposers seeking an award in Category 2, as defined herein, must include at least one solution offered within the scope of Category 2 for electric propulsion systems **only**.

Category 1: **All** engines, fuel, and propulsion type chassis and cabs:

a. Internal Combustion Engine fuel types including but not limited to: Gasoline, Diesel, Propane Autogas, CNG, Biodiesel, or other alternative fuels for the following class chassis:
    i. Class 4;
    ii. Class 5;
    iii. Class 6;
    iv. Class 7;
    v. Class 8.
b. Battery Electric Vehicle (BEV), Fuel Cell Electric Vehicle, Hybrid Electric Vehicle, or other alternative Electric Propulsion Systems for the following class chassis:
    i. Class 4;
    ii. Class 5;
    iii. Class 6;
    iv. Class 7;
    v. Class 8.

Proposers may include related equipment, accessories, parts, upfitting, services, and Class 3 chassis to the extent that these solutions are ancillary or complementary to the equipment or products being proposed in Category 1 above.

[2] The vehicle weight classes are defined by the Federal Highway Administration (FHWA) and are used consistently throughout the industry. These classes, 1-8, are based on gross vehicle weight rating (GVWR), the maximum weight of the vehicle, as specified by the manufacturer.

Category 2: Electric Propulsion Systems **only** chassis and cabs:

a. Battery Electric Vehicle (BEV), Fuel Cell Electric Vehicle, or other alternative Electric Propulsion Systems for the following class chassis:
    i. Class 4,
    ii. Class 5,
    iii. Class 6,
    iv. Class 7,
    v. Class 8.

Proposers may include related equipment, accessories, parts, upfitting, services, and Class 3 chassis to the extent that these solutions are ancillary or complementary to the equipment or products being proposed in Category 2 above.

2. The primary focus of this solicitation is on Class 4-8 Chassis and Cabs. This solicitation should NOT be construed to include services-only, or transit bus solutions.

3. This solicitation does not include those equipment, products, or services covered under categories included in pending or planned Sourcewell solicitations, or in contracts currently maintained by Sourcewell, identified below:

a. Automobiles, Vans, SUVs, and Light Trucks with Related Equipment, Accessories, and Services (RFP #091521); and
b. School Buses with Related Accessories, Supplies, Parts, and Services (RFP #061023)

Generally, the solutions for Participating Entities are turn-key solutions, providing a combination of equipment, products and services, delivery, and installation to a properly operating status. However, equipment-only or products-only solutions may be appropriate for situations where Participating Entities possess the ability, either in-house or through local third-party contractors, to properly install and bring to operation the equipment or products being proposed.

Sourcewell prefers suppliers that provide a sole source of responsibility for the equipment, products, and services provided under a resulting contract. If proposer is including the equipment, products, and services of its subsidiary entities, the proposer must also identify all included subsidiaries in its proposal. If proposer requires the use of distributors, dealers, resellers, or subcontractors to provide the equipment, products, or services, the proposal must address how the equipment, products or services will be provided to Participating Entities, and describe the network of distributors, dealers, resellers, and/or subcontractors that will be available to serve Participating Entities under a resulting contract.

Sourcewell encourages suppliers to offer the broadest possible selection of equipment, products, and services being proposed over the largest possible geographic area and to the largest possible cross-section of Sourcewell current and future Participating Entities.

C. REQUIREMENTS

It is expected that proposers have knowledge of all applicable industry standards, laws, and regulations and possess an ability to market and distribute the equipment, products, or services to Participating Entities.

1. Safety Requirements. All items proposed must comply with current applicable safety or regulatory standards or codes.
2. Deviation from Industry Standard. Deviations from industry standards must be identified with an explanation of how the equipment, products, and services will provide equivalent function, coverage, performance, and/or related services.
3. New Equipment and Products. Proposed equipment and products must be for new, current model; however, proposer may offer certain close-out equipment or products if it is specifically noted in the Pricing proposal.
4. Delivered and operational. Unless clearly noted in the proposal, equipment and products must be delivered to the Participating Entity as operational.
5. Warranty. All equipment, products, supplies, and services must be covered by a warranty that is the industry standard or better.

D. PROSPECTIVE CONTRACT TERM

The term of any resulting contract(s) awarded by Sourcewell under this solicitation will be four years. Sourcewell and supplier may agree to up to three additional one-year extensions based on the best interests of Sourcewell and its Participating Entities. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

E. ESTIMATED CONTRACT VALUE AND USAGE

Based on past volume of similar contracts, the estimated annual value of all transactions from contracts resulting from this RFP are anticipated to be USD $250 Million; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the contract(s) awarded from this RFP; however, sales and sales volume from any resulting contract are not guaranteed.

F. MARKETING PLAN

Proposer's sales force will be the primary source of communication with Participating Entities. The proposer's Marketing Plan should demonstrate proposer's ability to deploy a sales force or dealer network to Participating Entities, as well as proposer's sales and service capabilities. It is expected that proposer will promote and market any contract award.

G. ADDITIONAL CONSIDERATIONS

1. Contracts will be awarded to proposers able to best meet the need of Participating Entities. Proposers should submit their complete line of equipment, products, or services that are applicable to the scope of this RFP.
2. A proposer may submit only one proposal. If related, affiliated, or subsidiary entities elect to submit separate proposals, rather than a single parent-entity proposal, each such proposal must be prepared independently and without cooperation, collaboration, or collusion.
3. If a proposer works with a consultant on its proposal, the consultant (an individual or company) may not assist any other entity with a proposal for this solicitation.
4. Proposers should include all relevant information in its proposal, since Sourcewell cannot consider information that is not included in the proposal. Sourcewell reserves the right to verify proposer's information and may request clarification from a proposer, including samples of the proposed equipment or products.
5. Depending upon the responses received in a given category, Sourcewell may need to organize responses into subcategories in order to provide the broadest coverage of the requested equipment, products, or services to Participating Entities. Awards may be based on a subcategory.
6. A proposer's documented negative past performance with Sourcewell or its Participating Entities occurring under a previously awarded Sourcewell contract may be considered in the evaluation of a proposal.

III. PRICING

A. REQUIREMENTS

All proposed pricing must be:

1. Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:
   a. **Line-item Pricing** is pricing based on each individual product or services**.** Each line must indicate the proposer's published "List Price," as well as the "Contract Price."
   b. **Percentage Discount from Catalog or Category** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products or services. Individualized percentage discounts can be applied to any number of defined product groupings. Proposers will be responsible for providing and maintaining current published MSRP with Sourcewell, and this pricing must be included in its proposal and provided throughout the term of any contract resulting from this RFP.
2. The proposer's not to exceed price. A not to exceed price is the highest price for which equipment, products, or services may be billed to a Participating Entity. However, it is permissible for suppliers to sell at a price that is lower than the contracted price.
3. Stated in U.S. and Canadian dollars (as applicable).

4. Clearly understandable, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Participating Entity's location).

Proposers should clearly identify any costs that are NOT included in the proposed product or service pricing. This may include items such as installation, set up, mandatory training, or initial inspection. Include identification of any parties that impose such costs and their relationship to the proposer. Additionally, proposers should clearly describe any unique distribution and/or delivery methods or options offered in the proposal.

B. ADMINISTRATIVE FEES

Proposers awarded a contract are expected to pay to Sourcewell an administrative fee in exchange for Sourcewell facilitating the resulting contracts. The administrative fee is normally calculated as a percentage of the total sales to Participating Entities for all contracted equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

IV. CONTRACT

Proposers awarded a contract will be required to execute a contract with Sourcewell (see attached template). Only those modifications the proposer indicates in its proposal will be available for discussion. Much of the language in the Contract reflects Minnesota legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Minnesota law may result in the proposal being disqualified from further review and evaluation.

To identify any exception, or to request any modification, to Sourcewell's standard Contract terms, conditions, or specifications, a proposer must submit the proposed exception(s) or requested modification(s) via redline in the Contract Template provided in the "Documents" section of the "Bid Details" page on the Sourcewell Procurement Portal and uploaded as part of its response. Only those exceptions noted at the time of the proposal submission will be considered.

Exceptions must:

1. Clearly identify the affected article and section.
2. Clearly note the requested modification; and as applicable, provide requested alternative language.

Unclear requests will be automatically denied.

Only those exceptions that have been accepted by Sourcewell will be included in the contract document provided to the awarded supplier for signature.

If a proposer receives a contract award resulting from this solicitation it will have up to 30 days to sign and return the contract. After that time, at Sourcewell's sole discretion, the contract award may be revoked.

V. RFP PROCESS

A. PRE-PROPOSAL CONFERENCE

Sourcewell will hold an optional, non-mandatory pre-proposal conference via webcast on the date and time noted in the Solicitation Schedule for this RFP and on the Sourcewell Procurement Portal. The purpose of this conference is to allow potential proposers to ask questions regarding this RFP and Sourcewell's competitive contracting process. Information about the webcast will be sent to all entities that have registered for this solicitation opportunity through their Sourcewell Procurement Portal Vendor Account. Pre-proposal conference attendance is optional.

B. QUESTIONS REGARDING THIS RFP AND ORAL COMMUNICATION

All questions regarding this RFP must be submitted through the Sourcewell Procurement Portal. The deadline for submission of questions is found in the Solicitation Schedule and on the Sourcewell Procurement Portal. Answers to questions will be issued through an addendum to this RFP. Repetitive questions will be summarized into a single answer and identifying information will be removed from the submitted questions.

All questions, whether specific to a proposer or generally related to the RFP, must be submitted using this process. Do not contact individual Sourcewell staff to ask questions or request information as this may disqualify the proposer from responding to this RFP. Sourcewell will not respond to questions submitted after the deadline.

C. ADDENDA

Sourcewell may modify this RFP at any time prior to the proposal due date by issuing an addendum. Addenda issued by Sourcewell become a part of the RFP and will be delivered to potential proposers through the Sourcewell Procurement Portal. Sourcewell accepts no liability in connection with the delivery of any addenda.

Before a proposal will be accepted through the Sourcewell Procurement Portal, all addenda, if any, must be acknowledged by the proposer by checking the box for each addendum. It is the responsibility of the proposer to check for any addenda that may have been issued up to the solicitation due date and time.

If an addendum is issued after a proposer submitted its proposal, the Sourcewell Procurement Portal will WITHDRAW the submission and change the proposer's proposal status to

INCOMPLETE. The proposer can view this status change in the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account. The proposer is solely responsible to check the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account periodically after submitting its proposal (and up to the Proposal Due Date). If the proposer's proposal status has changed to INCOMPLETE, the proposer is solely responsible to:

i) make any required adjustments to its proposal;
ii) acknowledge the addenda; and
iii) ensure the re-submitted proposal is received through the Sourcewell Procurement Portal no later than the Proposal Due Date and time shown in the Solicitation Schedule above.

D. PROPOSAL SUBMISSION

Proposer's complete proposal must be submitted through the Sourcewell Procurement Portal no later than the date and time specified in the Solicitation Schedule. Any other form of proposal submission, whether electronic, paper, or otherwise, will not be considered by Sourcewell. **Late proposals will not be considered.** It is the proposer's sole responsibility to ensure that the proposal is received on time.

It is recommended that proposers allow sufficient time to upload the proposal and to resolve any issues that may arise. The time and date that a proposal is received by Sourcewell is solely determined by the Sourcewell Procurement Portal web clock.

In the event of problems with the Sourcewell Procurement Portal, follow the instructions for technical support posted in the portal. It may take up to 24 hours to respond to certain issues.

Upon successful submission of a proposal, the Sourcewell Procurement Portal will automatically generate a confirmation email to the proposer. If the proposer does not receive a confirmation email, contact Sourcewell's support provider at support@bidsandtenders.ca.

To ensure receipt of the latest information and updates via email regarding this solicitation, or if the proposer has obtained this solicitation document from a third party, the onus is on the proposer to create a Sourcewell Procurement Portal Vendor Account and register for this solicitation opportunity.

Within the Sourcewell Procurement Portal, all proposals must be digitally acknowledged by an authorized representative of the proposer attesting that the information contained in in the proposal is true and accurate. By submitting a proposal, proposer warrants that the information provided is true, correct, and reliable for purposes of evaluation for potential contract award. The submission of inaccurate, misleading, or false information is grounds for disqualification from a contract award and may subject the proposer to remedies available by law.

E. GENERAL PROPOSAL REQUIREMENTS

Proposals must be:

- In substantial compliance with the requirements of this RFP or it will be considered nonresponsive and be rejected.
- Complete. A proposal will be rejected if it is conditional or incomplete.

Prior to the proposal deadline, a proposer may withdraw its proposal.

G. OPENING

The Opening of proposals will be conducted in the Sourcewell Procurement Portal immediately following the proposal due date and time. To view the list of proposers resulting from the opening, verify that the Sourcewell Procurement Portal opportunities list search is set to "All" or "Closed."

Members of the public may attend the Opening at Sourcewell's office located at 202 12th Street NE, Staples, MN to hear the results.

VI. EVALUATION AND AWARD

A. EVALUATION

The award(s) will be limited to the number of proposers that Sourcewell determines is necessary to meet the needs of its Participating Entities.

Factors to be considered in determining the number of contracts to be awarded in any category may include the following:

Question 2:

Portal Questionnaire | TAB 1: Proposer Identity & AuthRe [SIC]: # 4: Provide CAGE code or Unique Entity Identifier (SAM):

Questions: If the participating bidder is in process of obtaining a CAGE code or Unique Entity Identifier (UEI) SAM, will this disqualify the bidder? Is this required to bid?

Answer 2:

A CAGE or Unique Entity Identifier (SAM) code is not required to be considered for or awarded a Sourcewell contract. Proposals are evaluated based on the criteria as stated in the RFP. Refer to the General Instructions above Questionnaire Table 1. Respond "N/A" if a question does not apply (preferably with an explanation).

Question 3:

Page. 6 | E. Estimated Contract Value and Usage: Based on past volume of similar contracts, the estimated annual value of all transactions from contracts resulting from this RFP are anticipated to be USD $250 Million; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the contract(s) awarded from this RFP; however, sales and sales volume from any resulting contract are not guaranteed.
Question: Please provide raw data on the statement provided in this section?

Answer 3:

This RFP's anticipated volume is an estimate based on past volumes of similar Sourcewell contracts. It is an estimate only, and no sales or sales volume are guaranteed.

Question 4:

Page.6 | F. Marketing Plan: Proposer's sales force will be the primary source of communication with Participating Entities. The proposer's Marketing Plan should demonstrate proposer's ability to deploy a sales force or dealer network to Participating Entities, as well as proposer's sales and service capabilities. It is expected that proposer will promote and market any contract award.

Question: Can the agency please clarify this request, is the agency asking how the supplier plans to market the cooperative agreement; can the agency provide detail on what the agency is seeking on this Marketing Plan?

Answer 4:

In the competitive process, Sourcewell will not advise a proposer on the content of the proposal, so it is left to the discretion of each proposer to articulate a marketing plan within the Questionnaire Table 7 (line Item 36-39) that aligns with its business methods and satisfies all the requirements of RFP Section II. F. - Marketing Plan. The solicitation is a competitive process and proposals are evaluated on the criteria stated in the RFP.

Question 5:

Page.7 | III Pricing: B. Administrative Fees. Proposers awarded a contract are expected to pay to Sourcewell an administrative fee in exchange for Sourcewell facilitating the resulting contracts. The administrative fee is normally calculated as a percentage of the total sales to Participating Entities for all contracted equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

Question: is the agency focused on the 1% -2% fee or can the bidder offer their administrative fee?

Answer 5:

It is left to the discretion of each proposer to determine and propose an administrative fee that is consistent with its business and its industry. Within the Questionnaire tables, Table 13, Line Item 68, provides the respondent the opportunity to Identify a proposed administrative fee that you will pay to Sourcewell.

Question 6:

Page 8. | IV. Contract: Contract. [SIC]

Question: Will agency accept redlines, if yes, prior or with the submission of the bid response?

Answer 6:

See Questionnaire, Step 1, Table 18, Line Item 86 - Exceptions to Terms, Conditions, or Specifications Form. “To identify any exception, or to request any modification, to Sourcewell standard Contract terms, conditions, or specifications, a Proposer must submit the proposed exception(s) or requested modification(s) via redline in the Contract Template provided in the “Bid Documents” section. Proposer must upload the redline in the “Requested Exceptions” upload field. All exceptions and/or proposed modifications are subject to review and approval by Sourcewell and will not automatically be included in the Contract.

Question 7:

Is an organization allowed to provide their own submission, while also being part of another company's submission (for the same Sourcewell RFP)?

Answer 7:

See RFP Section II. G - Additional Considerations - 2. "A proposer may submit only one proposal. If related, affiliated, or subsidiary entities elect to submit separate proposals, rather than a single parent-entity proposal, each such proposal must be prepared independently and without cooperation, collaboration, or collusion."

Title
Approval for the Palmetto High School Junior Reserve Officer Training Corps (JROTC) to Participate in the Army Ten-Miler in Washington, D.C., October 11-14, 2025 (School Internal Accounts)

Executive Summary
The Army Ten-Miler, held annually in Washington, D.C., is the second-largest 10-mile race in the United States. It attracts thousands of civilian and military participants, including college ROTC teams from across the country. Palmetto High School JROTC has proudly participated in this prestigious event in ten of the past twelve years.

This year, twelve senior cadets (7 males and 5 females) from the JROTC Command and Staff will represent Palmetto High School in the race. In addition to the run, students will engage in educational visits to the Pentagon, U.S. Capitol, Arlington National Cemetery, the National Mall monuments, and Smithsonian museums. For many of these students, this will be their first experience traveling outside the state of Florida.

This field trip provides these students valuable information on opportunities for careers in the federal government or military as well as college scholarship and intern possibilities. Experiences gained by these cadets may be brought back and shared with other students at Palmetto High School and throughout the district. Students who have participated in this in the past have earned appointments to Military Academies and ROTC Scholarships to major universities.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 8
Expand acceleration opportunities for all middle and high school students

Recommendation
The Superintendent recommends approval for the Palmetto High School JROTC to participate in the Army Ten-Miler in Washington, D.C., October 11-14, 2025 (School Internal Accounts).

Financial Impact
The entire trip is funded through the Palmetto High School JROTC internal account at no cost to the district.

Approval for the Palmetto High School, Braden River High School, Bayshore High School, and Manatee High School Junior Reserve Officer Training Corps (JROTC) Raider Teams to attend the US Army Cadet Command Raider National Competition at Fort Knox, KY, October 22-27, 2025 (No Financial Impact)

Executive Summary
The United States Army Cadet Command (USACC) will host the third annual Raider Challenge National Competition at Fort Knox, Kentucky, from October 22–27, 2025. This prestigious event brings together top high school Raider teams from across the nation—including Alaska, Hawaii, and overseas Department of Defense schools—to compete for the JROTC National Championship. It is the only nationally recognized and USACC-endorsed Army Raider competition.

Out of 162 Army JROTC programs in Florida, only 21 were selected to represent the state. Four of these—Palmetto, Manatee, Bayshore, and Braden River High Schools—are part of the School District of Manatee County. Their selection reflects a strong tradition of excellence, including multiple state championships and top three national finishes.

Approximately 84 cadets from these four schools will participate. Transportation will be provided via Army-funded commercial buses directly from each school to Fort Knox. While at the installation, cadets will be housed in government barracks and receive meals—all fully funded by the Army.

Participation in this event directly supports key components of the JROTC curriculum, including physical fitness, teamwork, and leadership development. It also offers students exposure to military careers, federal service opportunities, and potential college scholarships. Notably, last year the USACC Commanding General awarded four-year scholarships to qualified cadets from the first-place teams. This experience serves as a powerful motivator for current and future JROTC students across the district.

Title
Approval of Resolution 2025-009 Authorizing a Section 1011.13, Florida Statutes Tax Anticipation Note (TAN), Series 2025 (General Fund)

Executive Summary

Section 1011.13, Florida Statutes, authorizes and empowers the School Board to enter into current loans or borrow money for operating purposes (tax anticipation notes) any fiscal year in which school funds are estimated to be insufficient at any time during that fiscal year to pay obligations created by the School Board in accordance with its operating budget and provides for the repayment of that loan from the proceeds of revenues reasonably anticipated to be collected during the fiscal year in which the loan is made. The District has to borrow money to cover expenditures until the first property tax distribution is made, usually during the last week of November or the first week of December. The District has issued tax anticipation notes for the last sixteen years to help during this period. The tax anticipation note for this year will be sold via a private placement (i.e., bank loan) to Wells Fargo Municipal Capital Strategies LLC, which submitted the most favorable bid in response to a Request for Proposals distributed on behalf of the District by its Financial Advisor, PFM Financial Advisors LLC. The attached Resolution approves the sale of the note to Wells Fargo Municipal Capital Strategies LLC and delegates certain authority to the Chair and Superintendent or their designee for the issuance of such note along with such other administrative functions relative to the award and execution of the note. In concert with the Board's Financial Advisor and Bond Counsel, staff has prepared the requisite documentation required to complete this transaction in an amount not to exceed $55,000,000.00 with the District's repayment scheduled to be on or before February 26, 2026. Attached is the final Resolution.

Historical TAN Funding:

2024-2025	$48M
2023-2024	$58M
2022-2023	$50M
2021-2022	$50M

or a copy of an Internal Revenue Service Technical Advice Memorandum or Statutory Notice of Deficiency which holds that the interest on the Note is includable in the gross income of the Holder; (ii) the issuance of any public or private ruling of the Internal Revenue Service that the interest on the Note is includable in the gross income of the Holder; or (iii) receipt by the District or Holder of an opinion of Note Counsel that the interest on the Note has become includable in the gross income of the Holder for federal income tax purposes; provided, however, no Determination of Taxability shall occur under subparagraph (i) or (ii) hereunder unless the District has been afforded the opportunity, at its expense, to contest any such assessment, and, further, no Determination of Taxability shall occur until such contest, if made, has been finally determined. For all purposes of this definition, a Determination of Taxability will be deemed to occur on the first date as of which the interest on the Note is deemed includable in the gross income of the Holder of the Note. If at any time (a) Wells Fargo Bank, National Association ceases to exist or (b) Wells Fargo Bank, National Association ceases to establish or publish a prime rate from which the Prime Rate is then determined, the applicable variable rate from which the Prime Rate is determined

thereafter shall be instead the prime rate reported in The Wall Street Journal (or the average prime rate if a high and a low prime rate are therein reported). "2025/2026 Fiscal Year" means the fiscal year of the District which commenced July 1, 2025 and ends June 30, 2026.

SECTION 3. FINDINGS. It is hereby found, determined and declared as follows:

(A) Pursuant to Section 1011.13, Florida Statutes, and other applicable provisions of law, the school board of any school district in the State is authorized to negotiate a current loan at any time the current school funds on hand are estimated to be insufficient to pay obligations created by such school board, in accordance with the applicable budget of such school district.

(B) The Board has caused to be prepared an Operating Budget reflecting the reasonable estimates of receipts and expenditures of the District during the 2025/2026 Fiscal Year.

(C) The Board, to the extent possible, has endeavored to arrange the expenditures of the District for the 2025/2026 Fiscal Year so as to make it unnecessary for the District to incur loans.

(D) It is estimated based on the Operating Budget that the school funds will be insufficient, at various times during the 2025/2026 Fiscal Year, to satisfy obligations to be created by the Board in accordance with the Operating Budget of the District.

(E) It is therefore necessary for the benefit of the schools of the District for a loan to be obtained to meet the disbursement requirements of the Operating Budget, such loan to be retired from Pledged Revenues anticipated to be received in accordance with the Operating Budget and, if necessary, from the Non-Ad Valorem Funds.

(F) Pursuant to a Request for Proposals, the Financial Advisor solicited bids from various financial institutions to provide the District with a loan in an amount not to exceed $55,000,000 to provide interim funds for payment of operating expenses of the District during the 2025/2026 Fiscal Year.

(G) The Lender submitted the most beneficial proposal to provide the District with such loan.

(H) That due to the potential volatility of the market for tax-exempt obligations such as the Note and the complexity of the transactions relating to such Note, it is in the best interest of the District to issue the Note on a negotiated basis to the Lender pursuant to Section 218.385(1), Florida Statutes. The Board acknowledges receipt of the information required by Section 218.385, Florida Statutes, in connection with such sale of the Note, including a "truth-in-bonding" statement. The aforementioned information is set forth in the form of the letter of the Lender attached hereto as Exhibit B, an executed copy of which will be received by the District prior to the issuance of the Note.

(I) That the Board hereby determines it to be in the best interest of the District and its inhabitants to provide such interim financing by obtaining a loan from the Lender and to evidence such loan through the issuance of the Note in the aggregate principal amount not exceeding the Principal Amount.

(J) The Principal Amount of the Note shall be less than 80% of the amount estimated to be available from taxes levied by the District for operating purposes for the 2025/2026 Fiscal Year.

(K) The Principal Amount of the Note does not exceed the Cumulative Cash Flow Deficit plus any reasonable working capital reserve not in excess of the amount permitted by Section 1.148-6(d)(3)(iii)(B) of the Regulations.

(L) The loan as evidenced by the Note and computed as prescribed by Section 1011.13, Florida Statutes, will be, in the aggregate, not in excess of the amount necessary for the proper operation of the schools in the District.

(M) The Note will be payable as to both principal and interest from the Pledged Revenues estimated in the Operating Budget to be available, and, if necessary, is

additionally payable from, but is not secured by, the Non-Ad Valorem Funds. Neither the faith and credit nor the taxing power of the State, the County, the Board or the District are pledged to the payment of the principal of or the interest on the Note.

(N) It is estimated that the Pledged Revenues will be sufficient to pay the principal of and interest on the Note when due.

SECTION 4. ACCEPTANCE OF PROPOSAL. The Board hereby accepts the proposal of the Lender to provide the District with interim financing for the payment of operating expenses.

SECTION 5. RESOLUTION TO CONSTITUTE CONTRACT. In consideration of the acceptance of the Note authorized to be issued hereunder, this Resolution shall be deemed to be and shall constitute a contract between the District, the Board and the Holder of the Note. The covenants and agreement herein set forth to be performed by the District and the Board shall be for the benefit, protection and security of the Holder of the Note.

SECTION 6. AUTHORIZATION AND DESCRIPTION OF THE NOTE. For the purpose of financing the cost of obligations incurred in the ordinary operations of the District in the 2025/2026 Fiscal Year, there is hereby authorized to be issued the "School District of Manatee County, Florida Tax Anticipation Note, Series 2025," in the principal amount of not-to-exceed $55,000,000. The Note shall be sold to the Lender at a price equal to 100% of the stated principal amount of the Note. The exact principal amount of the Note to be issued pursuant to this Resolution shall be determined by the Superintendent in accordance with the terms of this Resolution, provided such amount shall not exceed $55,000,000.

The Note shall be dated its day of delivery, shall be issued in the single denomination of not to exceed $55,000,000, shall be in fully-registered form, shall mature on the Maturity Date and shall bear interest from its dated date until maturity, calculated on a 360-day year basis (consisting of twelve 30-day months), payable on the Maturity Date at an annual interest rate equal to the Interest Rate (subject to adjustment as provided in Sections 7 and 20(b) below), which rate shall in no event exceed the maximum rate allowed by applicable law.

The Note shall not be subject to prepayment prior to maturity.

SECTION 7. ADJUSTMENTS TO INTEREST RATE. (A) In the event of a Determination of Taxability, the Interest Rate on the Note shall be adjusted to be equal to the product of (a) the initial Interest Rate multiplied by (b) one divided by one minus the maximum federal corporate tax rate on the date of calculation (the "Taxable Rate") effective retroactively to the date on which such Determination of Taxability occurs. Immediately upon a Determination of Taxability, the District agrees to pay to the Holder

or former Noteholder of the Note, as applicable, subject to such Determination of Taxability the Additional Amount (as defined herein). "Additional Amount" means (i) the difference between (a) interest on the Note for the period commencing on the date on which the interest on such Note (or portion thereof) loses its tax-exempt status and ending on the earlier of the date such Note ceased to be outstanding or such adjustment is no longer applicable to such Note (the "Taxable Period") at a rate per annum equal to the Taxable Rate, and (b) the aggregate amount of interest payable on such Note for the Taxable Period under the provisions of such Note without considering the Determination of Taxability, plus (ii) any penalties, interest or other charges paid or payable by such Noteholder or former Noteholder, as applicable, to the Internal Revenue Service by reason of such Determination of Taxability.

(B) The Noteholder shall promptly notify the District in writing of any adjustments pursuant to this Section 7; provided, however, that the Noteholder's failure to promptly provide such notice shall not release the District from its obligations hereunder to pay such adjustments. Such adjustments shall become effective as of the effective date of the event causing such adjustment. Adjustments pursuant to this Section 7 may be retroactive. The Noteholder shall certify to the District in writing the Additional Amount, if any, due to the Noteholder or former Noteholder, as applicable, as a result of an adjustment pursuant to this Section 7. Notwithstanding any provision of this Section 7 to the contrary, in no event shall the interest rate on the Note exceed the maximum rate permitted by applicable law.

(C) The provisions set forth in this Section 7 shall survive payment of the Note until such time as the federal statute of limitations under which the interest on the Note could be declared taxable under the Code shall have expired.

SECTION 8. EXECUTION AND AUTHENTICATION OF NOTE. The Note shall be executed in the name of the District by the Chair of the Board, and attested and countersigned by the Superintendent, as ex-officio Secretary of the Board, and the corporate seal of the District or a facsimile thereof shall be affixed thereto or reproduced thereon. The Note may be signed and sealed on behalf of the District by any person who at the actual time of the execution of such Note shall hold such offices in the District, although at the date of such Note such person may not have been so authorized. The Note may be executed by the facsimile signatures of the Chair or Superintendent so long as the Note bears one manual signature.

There shall be a Certificate of Authentication of the Note Registrar on the Note, and no Note shall be valid or obligatory for any purpose or be entitled to any security or benefit under the provisions of this Resolution unless such Certificate shall have been duly executed by the Note Registrar. The authorized signature for the Note Registrar shall be either manual or in facsimile, provided, however, that at least one of the above signatures, including that of the authorized signatures for the Note Registrar, appearing on the Note shall be a manual signature.

SECTION 9. NOTE MUTILATED, DESTROYED, STOLEN OR LOST. In case the Note shall be mutilated, destroyed, stolen or lost, upon the Holder furnishing the District proof of its ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the District may prescribe and paying such expenses as the District may incur, the District shall issue and deliver a new Note of like tenor as the Note so mutilated, destroyed, stolen or lost, in lieu of or substitution for the Note, if any, destroyed, stolen or lost, or in exchange and substitution for such mutilated Note, upon surrender of such mutilated Note, if any, to the District and the cancellation thereof; provided however, if the Note shall have matured or be about to mature, instead of issuing a substitute Note, the District may pay the same, upon being indemnified as aforesaid, and if such Note be lost, stolen or destroyed, without surrender thereof. Any Note surrendered under the terms of this Section 9 shall be cancelled by the Paying Agent.

Any such duplicate Note issued pursuant to this Section 9 shall constitute an original, additional contractual obligation on the part of the District whether or not, as to the duplicate Note, the lost, stolen or destroyed Note be at any time found by anyone, and such duplicate Note shall be entitled to equal and proportionate benefits and rights as to lien on and source and security for payment from the Pledged Revenues, as hereinafter pledged, to the same extent as any other Note issued hereunder.

SECTION 10. REGISTRATION AND TRANSFER OF NOTE. The Note shall be and shall have all the qualities and incidents of a negotiable instrument under the Uniform Commercial Code-Investment Securities Laws of the State, and each successive Holder, in accepting the Note, shall be conclusively deemed to have agreed that such Note shall be and have all of said qualities and incidents of such a negotiable instrument.

There shall always be a Note Registrar with respect to the Note, which shall be the District or a bank or trust company located within or without the State with corporate trust powers. The Note Registrar initially shall be the District acting through its Deputy Superintendent of Business Services. The Note Registrar shall be responsible for maintaining the books for the registration of the transfer and exchange of the Note.

If the Note is presented for transfer, exchange or payment (if so required by the District or the Note Registrar) it shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the District or the Note Registrar, as the case may be, duly executed by the Holder or by his duly authorized attorney.

Upon surrender to the Note Registrar for transfer or exchange of the Note accompanied by an assignment or written authorization for exchange, whichever is applicable, duly executed by the Holder or his attorney duly authorized in writing, the Note Registrar shall deliver in the name of the Holder or the transferee or transferees, as the case

may be, a new fully registered Note of authorized denominations and of the same maturity and interest rate for the aggregate principal amount which the Holder is entitled to receive.

The District and the Note Registrar may charge the Holder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first such exchange or transfer following the delivery of such Note. The Note Registrar or the District may also require payment from the Holder or his transferee, as the case may be, of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. Such charges and expenses shall be paid before any such new Note shall be delivered.

A new Note delivered upon any transfer or exchange shall be a valid obligation of the District, evidencing the same debt as the Note surrendered, shall be secured under this Resolution, and shall be entitled to all of the security and benefits hereof to the same extent as the Note surrendered.

The District and the Note Registrar may treat the Holder of the Note as the absolute owner thereof for all purposes, whether or not such Note shall be overdue, and shall not be bound by any notice to the contrary. The person in whose name the Note is registered shall be deemed the Holder thereof by the District and the Note Registrar, and any notice to the contrary shall not be binding upon the District or the Note Registrar.

Whenever the Note shall be delivered to the Note Registrar for cancellation, upon payment of the principal amount thereof, or for replacement, transfer or exchange, such Note shall be cancelled and destroyed by the Note Registrar, and counterparts of a certificate of destruction evidencing such destruction shall be furnished to the District.

The Holder of the Note shall only be entitled to assign its right, title and interest in the Note to (i) an affiliate of the Lender, (ii) a trust or other custodial arrangement established by the Lender or one or more of its affiliates, the owners of any beneficial interest in which are limited to "qualified institutional buyers" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended, or (iii) a transferee that delivers to the Note Registrar an executed investor letter substantially in the form attached as Exhibit C hereto with such changes as are acceptable to the District and Note Counsel and that is (A) a "qualified institutional buyer" as defined in Rule 144A promulgated under the Securities Act of 1933, as amended and (B) a commercial bank organized under the laws of the United States, or any state thereof, or any other country which is a member of the Organization for Economic Cooperation and Development, or a political subdivision of any such country, and, in any case, having a combined capital and surplus, determined as of the date of any transfer of not less than $5,000,000,000. Subject to compliance with the transfer restrictions of the prior sentence, the Note may only be transferred in minimum authorized denominations of $250,000 and any larger denomination constituting an integral multiple of $5,000.

SECTION 11. FORM OF NOTE. The text of the Note shall be in substantially the form of Exhibit A hereto, with such modifications, deletions and insertions as may be necessary and desirable, and as may be authorized or permitted by this Resolution.

SECTION 12. SECURITY FOR NOTE; SPECIAL OBLIGATION OF DISTRICT. To the extent necessary to pay when due the principal of and the interest on the Note, the Pledged Revenues are irrevocably pledged to the payment of the Note. The Note and the interest thereon do not constitute a general obligation or indebtedness of, or a pledge of the faith and credit of, the Board, the District, the County, the State or any political subdivision or agency thereof within the meaning of any constitutional or statutory provision or limitation but shall be payable from and secured solely by a lien upon and pledge of the Pledged Revenues in the manner provided herein and therein. If necessary, the Note is additionally payable from, but is not secured by, the Non-Ad Valorem Funds of the District. The Note and the obligation evidenced thereby shall not constitute a lien upon any property of or in the District other than the Pledged Revenues in the manner provided in this Resolution. No Holder of the Note shall ever have the right to compel the exercise of the ad valorem taxing power of the Board, the District, the County or the State or any political subdivision or agency thereof, other than the levy, collection and application of the Pledged Revenues, for the payment of the principal of or interest on the Note in the manner herein and in the Note provided.

SECTION 13. NOTE PAYMENT FUND. (A) There is hereby established the "School District of Manatee County, Florida Tax Anticipation Note, Series 2025 Note Payment Fund" (the "Note Payment Fund") to be held by the District as a separate special fund for the benefit of the Holder of the Note; provided that the cash required to be accounted for therein may be pooled with other funds of the District so long as adequate accounting records are maintained to reflect and control the restricted purposes of such Note Payment Fund moneys. The Note Payment Fund shall be held in trust by the District for the sole benefit of the Holder, and the Holder is granted an express lien on the moneys and/or investments held in the Note Payment Fund. The Holder of the Note shall have no lien upon all or any portion of the Non-Ad Valorem Funds unless and until any such funds are deposited into the Note Payment Fund. The District covenants that it shall deposit sufficient monies or Permitted Investments into the Note Payment Fund on or before February 19, 2026, or the first Business Day thereafter, in an amount not less than the principal of and interest on the Note due on the Maturity Date, such that not later than February 19, 2026, or the first Business Day thereafter, the balance on deposit therein will equal the amount of principal and interest becoming due on the Note on the Maturity Date. If, on February 19, 2026, or the first Business Day thereafter, and continuously thereafter, there is not on deposit in the Note Payment Fund an amount (including Permitted Investments and the income or earnings to be received thereon) equal to all principal of and interest on the Note due on the Maturity Date, the Board shall designate the Note Payment Fund as its depository for the receipt of Pledged Revenues and continue such

designation until such time as the amount in the Note Payment Fund, together with the earnings to be received thereon, is equal to all principal of and interest on the Note due on the Maturity Date. The District further covenants that it will take no action and make no expenditures so as to impair its ability to make such required deposit to the Note Payment Fund.

(B) All investments held in the Note Payment Fund shall mature on or prior to the Maturity Date. All such investments shall be valued for the purpose of this Section 13 at their principal amount, and interest income or earnings to be received on or prior to the date of maturity of the Note shall be included in the Note Payment Fund balance for purposes of determining whether the requirements of this Section 13 have been met.

(C) Funds in the Note Payment Fund may be invested only in Permitted Investments. Earnings on investments held in the Note Payment Fund shall be retained and reinvested in the Note Payment Fund until the amount on deposit in the Note Payment Fund together with the earnings to be received thereon, is equal to the entire principal of and interest on the Note due on the Maturity Date. Thereafter, such earnings may be withdrawn by the District and used in the District's discretion as provided by law except as provided in Subsection 13(D) hereof.

(D) Amounts in the Note Payment Fund, other than earnings permitted to be withdrawn by the District pursuant to Subsection 13(C) hereof, shall be applied solely to the payment of the principal of and interest on the Note, and in the event of a Determination of Taxability, the Additional Amount. After all such amounts shall have been paid, any amounts remaining in the Note Payment Fund may be used in the District's discretion as provided by law.

(E) On or prior to February 25, 2026, the District shall, if necessary, adjust the amount on deposit in the Note Payment Fund in order to ensure that sufficient funds are on deposit therein on the Maturity Date to pay the principal of and interest on the Note in full.

SECTION 14. APPLICATION OF NOTE PROCEEDS. The proceeds of the sale of the Note shall first be applied by the District to pay the costs of issuance of the Note. The remaining proceeds from the sale of the Note shall be used by the District to pay the lawful operating expenses of the District as the Board shall direct. The Holders of the Note issued hereunder shall have no responsibility for the use of the proceeds of said Note, and the use of such Note proceeds by the District shall in no way affect the rights of such Noteholders.

SECTION 15. COVENANTS OF DISTRICT AND BOARD. The Board covenants on its behalf and on behalf of the District with the Holders so long as any of the Note is outstanding and unpaid as follows, to the extent not already performed or accomplished:

(A) to comply promptly with the Act and other applicable statutes in regard to (i) adoption of the Operating Budget, (ii) determination of the amounts necessary to be raised for current operating purposes for the 2025/2026 Fiscal Year, (iii) determination of millage necessary to be levied for current operating purposes for the 2025/2026 Fiscal Year, (iv) certification of such millage to the County Property Appraiser, (v) ordering the County Property Appraiser to assess such millage, and (vi) collecting the taxes paid and due to the Board from the County Tax Collector;

(B) in preparing, approving and adopting its Operating Budget controlling or providing for the expenditures of its funds, so long as any principal of or interest on the Note is outstanding and unpaid, to appropriate, allot and approve, in the manner required by law from funds of the District derived from sources other than ad valorem taxes and legally available therefor, amounts sufficient to pay the principal of and interest on the Note;

(C) not to issue without the prior written consent of the Lender any (i) indebtedness of any kind payable from the Pledged Revenues, or (ii) obligations payable from or secured by a lien on the moneys on deposit in the Note Payment Fund;

(D) except as otherwise expressly provided herein, not to enter into any contract or other agreement and not to take any action by which the rights of any Holder might be impaired or diminished;

(E) not to modify or amend this Resolution or any resolution amendatory hereof or supplemental hereto, without the prior consent in writing of Holders of fifty-one percent (51%) or more in principal amount of the Note then outstanding, provided that no modification or amendment shall permit, without the consent of all of the Holders, a change (i) in the maturity of the Note or a reduction in the rate of interest thereon, (ii) in the amount of the principal obligation evidenced by the Note, (iii) that would affect the unconditional promise of the District to collect the ad valorem tax revenues and to make the deposits to the Note Payment Fund required herein, (iv) that would reduce the percentage of Holders required above, for modifications or amendments hereto, (v) that would affect the tax covenants of the District contained in Section 16 hereof, or (vi) that would impair the obligation of the District to pay the principal of and interest on the Note at maturity or the remedies granted herein for the enforcement of such obligation. For the purpose of Holders' voting rights or consents, the Note owned by or held for the account of the District, directly or indirectly, shall not be counted;

(F) to provide the Lender with annual financial statements and such other financial and operating information as the Lender shall reasonably request at no cost to the Lender. If the Note is not fully paid off by the Maturity Date, the District agrees that it shall deliver to the Lender within 270 days of each fiscal year end, a copy of the District's audited annual financial report, and a District tentative budget and a capital improvement

plan within 60 days of its fiscal year end and any other such information as reasonably requested by the Lender;

(G) that as of the date of issuance of the Note, no offering statement or other offering document shall have been prepared in connection with the issuance of the Note and the Note is not being offered for purchase by the Lender from any broker-dealer;

(H) that as of the date of issuance of the Note, the Note shall not be rated by any rating agency or otherwise, and that the District shall not seek to have the Note rated by any rating agency or otherwise, for the entire duration the Note shall be outstanding;

(I) no placement agent has been retained and no placement agent shall be retained by the District in connection with the Note; and

(J) to provide the Lender with all information required to identify the District in accordance with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Title III of Pub. L. 107 56 (signed into law October 26, 2001).

SECTION 16. TAX COMPLIANCE. Neither the Board, the District nor any third party over whom the Board or the District has control, will make any use of the proceeds of the Note or the Pledged Revenues at any time during the term hereof and thereof which would cause the Note to be "private activity bonds" within the meaning of Section 148 of the Code or "arbitrage bonds" within the meaning of Section 148 of the Code. The Board, on behalf of the District, covenants throughout the term of the Note, to comply with the requirements of the Code and the Regulations, as such may be amended from time to time.

SECTION 17. EXECUTION OF RATE LOCK AGREEMENT AND OTHER DOCUMENTS. (A) The Rate Lock Agreement, substantially in the form attached hereto as Exhibit D, is hereby approved by the Board with such changes, modifications, deletions and additions as may be hereafter necessary and the Board hereby authorizes the Superintendent, upon consultation with the Deputy Superintendent for Business Services and the Financial Advisor, to execute the Rate Lock Agreement if deemed to be in the best interest of the District and to deliver the Rate Lock Agreement to Wells Fargo Bank, National Association for its execution.

(B) The Chair, Vice Chair, Superintendent, ex-officio Secretary of the Board, the Deputy Superintendent of Business Services and their designee(s) are hereby authorized to execute and deliver such documents and certificates, including the Note, in addition to those expressly authorized by this Resolution, and to take such further actions as they shall deem reasonably necessary or appropriate to effect the issuance of the Note and the other transactions contemplated by this Resolution.

Those officers are further authorized to make or effect any election, selection, choice, consent, approval, or waiver on behalf of the District with respect to the Note as the District is permitted or required to make or give under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or characterization of the Note or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties thereon, or making payments in lieu thereof, or obviating such amounts or payments, as determined by such officer. Any such action of such officer shall be in writing and signed by the officer.

SECTION 18. NOTE REGISTRAR AND PAYING AGENT AND AGREEMENT THEREFOR. The District shall act, through its Deputy Superintendent of Business Services, as Note Registrar and Paying Agent hereunder. The Deputy Superintendent of Business Services shall perform such duties as are more fully described herein and in the Note.

The Deputy Superintendent of Business Services shall fulfill the functions of Note Registrar and Paying Agent with respect to the Note until a qualified successor shall have been designated by the District and accepted such duties, such designation to be subject to written notice to the Note Registrar and Paying Agent, or until the Note have been paid in full pursuant to the terms hereof and of the Note.

SECTION 19. EVENTS OF DEFAULT. The following shall be "Events of Default" under this Resolution and the term "Event of Default" shall mean, whenever it is used in this Resolution, any one or more of the following events:

(A) Failure by the District to pay the principal and interest on the Note when due.

(B) The commencement by or against the District of any bankruptcy, insolvency or similar proceedings, including, without limitation, a debt moratorium.

(C) Any statement or representation made by the District in this Resolution or any other documents in relation thereto shall be proven untrue in any material respect.

(D) Default by the District in the performance of any other covenant, condition or agreement set forth herein or in any other documents executed in connection with the Note and failure to cure such default within 30-days of such default (unless a longer grace period is agreed to prior to the expiration of the then cure period in writing by the Holder).

SECTION 20. REMEDIES. (A) The Holder of the Note issued under the provisions of this Resolution may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any

applicable statutes to be performed by the District or the Board or by any officer thereof; provided, however, that the Noteholder shall not have the right to declare the Note immediately due and payable.

(B) Upon an Event of Default under Section 19 of this Resolution, the Note shall bear interest at the Default Rate until all amounts then due under the Note are paid in full or until such Event of Default is cured.

SECTION 21. WAIVER OF JURY TRIAL; APPLICABLE LAW. (A) To the extent permitted by applicable law, the District, knowingly, voluntarily and intentionally waives any right it may have to a trial by jury in respect of any litigation based on, or arising out of, under or in connection with this Resolution, the Note or any agreement contemplated to be executed in connection with this Resolution, or any course of conduct, course of dealing, statements (whether verbal or written) or actions of the District or the Holder of the Note.

(B) The substantive laws of the State shall govern this Resolution and the Note.

SECTION 22. SEVERABILITY. If any one or more of the covenants, agreements or provisions of this Resolution should be held contrary to any express provision of law or contrary to the policy of express law, although not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Resolution and shall in no way affect the validity of all other provisions of this Resolution or of the Note issued hereunder.

SECTION 23. REPEALING CLAUSE. All resolutions or parts thereof in conflict with the provisions herein contained are, to the extent of such conflict, hereby superseded and repealed.

SECTION 24. EFFECTIVE DATE. This Resolution shall be effective immediately upon its adoption.

ADOPTED at a Regular Meeting this 16th day of September 2025.

The School Board of Manatee County, Florida
Bradenton, Florida

Board Members:

In connection with the purchase of the $**[**PAR**]** principal amount School District of Manatee County, Florida Tax Anticipation Note, Series 2025 (the "Note") authorized to be issued by Resolution No. 2025-009 of The School Board of Manatee County, Florida, as governing body of the School District of Manatee County, Florida (the "Issuer"), adopted on September 16, 2025 (the "Resolution"), the undersigned, on behalf of the lender of the loan evidenced by the Note (the "Original Lender"), hereby acknowledges and represents that (1) the Original Lender is familiar with the Issuer; (2) the Original Lender has been furnished certain business and financial information about the Issuer; (3) the Issuer has made available to the Original Lender the opportunity to obtain additional information and to evaluate the merits and risks of a loan to the Issuer; and (4) the Original Lender has had the opportunity to ask questions of and receive answers from representatives of the Issuer concerning the terms and conditions of the offering and the information supplied to the Original Lender.

The Original Lender acknowledges and represents that it has been advised that the Note has not been registered under the Securities Act of 1933, as amended, in reliance upon the exemption contained in Section 3(a)(2) thereof, and that the Issuer is not presently registered under Section 12 of the Securities and Exchange Act of 1934, as amended. The Original Lender, therefore, realizes that if and when the Original Lender wishes to resell the Note, there may not be available current business and financial information about the Issuer. Further, no trading market now exists for the Note. Accordingly, the Original Lender understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to the maturity of the Note may not be possible or may be at a price below that which the Original Lender is paying for the Note.

The Original Lender has been offered an opportunity to have made available to it any and all such information it might request from the Issuer. The Original Lender has conducted its own investigation to the extent it deemed necessary. On this basis, it is agreed by acknowledgment of this letter that the Original Lender hereto is not relying on any party or person other than the Issuer or its representatives to undertake the furnishing or verification of information relating to this transaction.

The Original Lender acknowledges that the Note is being purchased as part of a private placement of the Note negotiated directly between the Issuer and representatives of the undersigned. Accordingly, the Original Lender has been advised by the Issuer that no Official Statement or other disclosure document has been prepared in connection with the issuance of the Note. TERM SHEET

EXHIBIT D

CALCULATION OF BREAKAGE FEE

The Breakage Fee applicable to any failure for the Closing Date to occur on or prior to the Rate Lock Expiration Date, shall be calculated as set forth in this Exhibit D.

1. Capitalized terms used in this Exhibit D and not otherwise defined herein have the meanings assigned thereto in the Forward Fixed Rate Lock Agreement to which this Exhibit D is attached.

The following defined terms are used in this Exhibit D:

"Breakage Fee" means the amount required to be paid by the District in connection with any Termination Event, calculated as provided in this Exhibit D.

"Calculation Agent" means Wells Fargo Bank, National Association or its affiliates or such other entity designated by the Bank.

"Day Count Fraction" is the anticipated basis on which interest will be computed on the Note. The Day Count Fraction utilizes 30-day months and 360-day years.

"Interest Payment Frequency" is the anticipated frequency of interest payments under the Note. Interest on the Note shall be paid on the Maturity Date.

"Fixed Rate" means **[__%]** per annum.

"Maturity Date" means **[February 26, 2026]**.

"Scheduled Date" means each date specified on Schedule 1 hereto in the columns labeled Scheduled Date.

"*Schedule of Principal Amounts*" is the anticipated principal amount of the Note scheduled to be outstanding on the date the Note are funded and on the Scheduled Dates. The Schedule of Principal Amounts for the Scheduled Dates is specified in Schedule 1 to this Exhibit D.

"Termination Date" means the Rate Lock Expiration Date or such earlier date on which the District informs the Bank in writing that it will not close the transaction contemplated herein with the Bank on or prior to the Rate Lock Expiration Date.

"Termination Event" means the failure of the Closing Date to occur on or prior to the Rate Lock Expiration Date for any reason.

2. In connection with any Termination Event, a Breakage Fee shall be paid by the District to the Bank if the Breakage Fee is a positive number. No Breakage Fee shall be payable for a Termination Event if the Breakage Fee for that Termination Event is a negative number. Any

Breakage Fee will be determined by the Calculation Agent, on the business day next preceding the Termination Date, as follows:

"Breakage Fee" for any Termination Event is the difference of:

(i) the sum of the present values of a series of amounts computed for each Scheduled Date after the Closing Date through the Maturity Date, each of which amounts is equal to the product of (A) the Affected Principal Amount for the Affected Principal Period ending on that Scheduled Date, times (B) the Fixed Rate times (C) the Day Count Fraction for such Affected Principal Period,

minus

(ii) the sum of the present values of a series of amounts computed for each Scheduled Date after the Closing Date through the Maturity Date, each of which amounts is equal to the product of (A) the Affected Principal Amount for the Affected Principal Period ending on that Scheduled Date, times (B) the Termination Rate, times (C) the Day Count Fraction for such Affected Principal Period,

where:

(1) the Calculation Agent computes such present values by discounting each such series of amounts described in clauses (i) and (ii) above from their respective Scheduled Date to the Maturity Date using a series of discount factors corresponding to those Scheduled Dates as determined by the Calculation Agent from the swap yield curve that the Calculation Agent would use as of the Termination Date in valuing a series of fixed rate interest rate swap payments similar to such series of amounts;

(2) the *"Affected Principal Amount"* for an Affected Principal Period is the principal amount of the Note reflected in the Schedule of Principal Amounts scheduled to be outstanding during that Affected Principal Period determined as of the Termination Date by reference to such Schedule of Principal Amounts before giving effect to the Termination Event on that Termination Date;

(3) the *"Affected Principal Period"* is each period from and including a Scheduled Date to but excluding the next succeeding Scheduled Date; *provided, however,* if the Termination Date occurs prior to the first Scheduled Date, the initial Affected Principal Period shall be the period from and including the first Scheduled Date to but excluding the Scheduled Date next succeeding the first Scheduled Date and the Affected Principal Amount for such initial Affected Principal Period shall be the initial amount stated in the Schedule of Principal Amounts outstanding; and

(4) the "*Termination Rate*" for any Termination Date is the fixed rate the Calculation Agent determines is representative of what swap dealers would be willing to pay to the Calculation Agent (or, if required to be cleared under the Commodity Exchange Act or a Commodity Futures Trading Commission rule or regulation promulgated

thereunder, to a swap clearinghouse) as fixed rate payors in accordance with the Interest Payment Frequency in return for receiving the daily average of SOFR over a one-month period (or such alternate rate index designated for use in lieu of SOFR by the International Swaps and Derivatives Association) based payments monthly under interest rate swap transactions that would commence on such Termination Date, and mature on, or as close as commercially practicable to, the Maturity Date.

3. The Calculation Agent shall determine the Breakage Fee hereunder in good faith using such methodology as the Calculation Agent deems appropriate under the circumstance, and the Calculation Agent's determination shall be conclusive and binding in the absence of manifest error.
