9. PUBLIC COMMENTS AND RESPONSES (UP TO 60 MINUTES)

Public comment is not an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the School Board or public. Also, public comment is not a forum to attack individual school system employees or Board Members. Any such complaints should be submitted in writing to the Superintendent for appropriate handling. Finally, this is not a forum for addressing issues involving individual students. Because of privacy concerns, such issues should be submitted in writing to the Superintendent for appropriate handling. Each speaker is allowed three minutes to address the Board. Speakers must stand at the podium and not approach the dais.

This is a business meeting of the School Board and the public expects that we conduct it in an orderly, efficient, effective and dignified manner. We request that speakers keep this in mind when making your comments. We also request that the audience keep that in mind and not demonstrate approval or disapproval of what a speaker has said by clapping or booing. The Board appreciates the public's input and will listen attentively, consider each comment, and usually will not respond, enter into debate, or answer questions during comments on agenda items or during the public comments section.

PUBLIC INPUT INSTRUCTIONS:

1. Before you begin speaking, please provide any handouts to the Agency Clerk.
2. Please identify yourself only by your full name for the record.
3. You have no more than three minutes to speak. Please stop speaking when the bell rings.
4. Florida Law requires all citizens to conduct themselves in an orderly fashion at public meetings.
5. **WARNING:** Any individual who interferes with the expeditious or orderly process of a School Board meeting, will be subject to removal from the meeting pursuant to Section 1001.372(3) Florida Statutes at the discretion of the Chair. Orderly fashion is deemed as, at a minimum (1) no profanity (2) no vulgar language (3) no discourteous, disrespectful, or disparaging conduct.

7) RECOGNITIONS

7.1 Manatee Community Foundation

Minutes: Mr. Mike Barber, Director of Communications, Family and Community Engagement, spoke regarding the Manatee Community Foundation. He shared their mission and introduced Ms. Mary Glass, President of the Manatee Education Foundation.

Ms. Glass spoke regarding Ms. Susie Bowie, Executive Director of the Manatee Community Foundation, and the Foundation's support of students and schools.

Superintendent Cynthia Saunders presented Ms. Bowie with a Gratitude Award and thanked Ms. Bowie.

Ms. Bowie thanked the Board and Superintendent and spoke regarding the partnership with the District.

7.2 Community Foundation of Sarasota

Minutes: Mr. Mike Barber, Director of Communications, Family and Community Engagement, invited Mr. Kevin Chapman, Executive Director of Administration, to come forward and speak about the Community Foundation of Sarasota County.

Mr. Chapman spoke regarding the District's partnership with the Foundation and a grant the District would be receiving through the Foundation from the Strauss Literacy Initiative. He discussed the pilot program that the grant would fund for early screening and detection of early literacy challenges. He introduced Ms. Kirsten Russell, Vice President of Community Impact, Community Foundation of Sarasota County, and Ms. Jamie Kattrein, of the Community Foundation of Sarasota County.

Ms. Russell thanked Ms. Bowie and the Manatee Community Foundation. She spoke regarding the Strauss Literacy Initiative and expressed appreciation for Mr. Chapman's work.

The Board asked questions and thanked Ms. Russell.

8) REPORTS AND PRESENTATIONS

8.1 Construction Update

Minutes: Mr. Joe Ranaldi, Chief Operations Officer, spoke regarding projects at Sugg Middle School and Braden River Middle School and introduced Mr. Reginald Goff, Project Manager.

Mr. Goff introduced the Design and Construction Teams for the projects: Mr. Stephen Johnson of Harvard Jolly Architects, Mr. Nathan Carr of Willis Smith Construction, Mr. Brando Fetzek of NDC Construction, and Mr. Travis Steed of Long & Associates Architects.

Mr. Johnson and Mr. Carr utilized the attached presentation to update the Board on the following:

- Sugg Middle School Project Scope Overview
- Project Budget
- Project Schedule
- Shared images

Board Member Choate spoke regarding the line for pickup. Superintendent Saunders provided information and noted that the road would be expanded, and Moody Elementary School would also benefit from the enhancement.

Board Member Foreman inquired about the location of the agricultural program on the campus. Superintendent Saunders spoke regarding the agricultural program at the school.

Mr. Steed and Mr. Fetzek utilized the attached presentation to update the Board on the following:

- Braden River Project Scope Overview
- Project Progress
- Project Budget
- Shared Images

Mr. Ranaldi thanked the Board and noted that there would be a ribbon cutting ceremony later in the year.

AYES:	Charlie Kennedy, Gina Messenger, James Golden, Mary Foreman, Chad Choate

14) NEW BUSINESS (NO SUPERINTENDENT RECOMMENDATION)

14.1 Approval of Reappointment of Member of the Audit Committee

Minutes: Public comment as follows:

1. Michael Hartman

Board Member Foreman requested confirmation that the member would like to continue her service on the Committee. Dr. Susan Agruso confirmed that she consents to the reappointment.

RESULT:	**Adopted [UNANIMOUS]**
MOVER:	Gina Messenger
SECONDER:	Chad Choate
AYES:	Charlie Kennedy, Gina Messenger, James Golden, Mary Foreman, Chad Choate

14.2 Ratification of Florida School Boards Association (FSBA) Advocacy Committee Representation

Minutes: Chair Golden explained that the Committee assignments were made in November by the Board. He stated that he is the current representative, and that Mrs. Foreman is the alternate. Board Member Foreman requested that Mr. Chad Choate be considered for the role as the representative or alternate.

Chair Golden asked if Mr. Choate would serve as the alternate. Mr. Choate agreed to serve.

Chair Golden clarified the motion to affirm Chair Golden as the representative to the Advocacy Committee and Mr. Chad Choate as the alternate.

RESULT:	**Adopted [UNANIMOUS]**
MOVER:	James Golden
SECONDER:	Gina Messenger
AYES:	Charlie Kennedy, Gina Messenger, James Golden, Mary Foreman, Chad Choate

14.3 Discussion Concerning Role and Responsibility of the Board's Audit Committee in Oversight of Internal Technology Security - added June 9, 2022

Minutes: Chair Golden asked the Board Attorney, Mr. Stephen Dye, if the topic was appropriate for the Board to discuss in public or if it needed to be discussed in the shade. Mr. Dye spoke regarding two Bills that were approved by the legislature and are pending signature by the Governor. He stated that one of the Bills will add clarity to the issue of cybersecurity matters being discussed outside of the public records and public meetings law. He recommended that the Board postpone the discussion until the first part of July to determine if the Bill passes. Mr. Dye offered to send copies of the Bill to the Board.

The Board held discussion regarding the timing of the discussion. Mr. Dye provided guidance and stated that the appropriate motion would be to postpone the discussion rather than table the discussion.

14.3a Motion to Postpone the Discussion

RESULT:	**Adopted [UNANIMOUS]**
MOVER:	James Golden
SECONDER:	Gina Messenger
AYES:	Charlie Kennedy, Gina Messenger, James Golden, Mary Foreman, Chad Choate

14.4 Motion to Reinstate the Member of the Citizens' Financial Oversight Committee (CFOC) Who Was Terminated at the May 24, 2022 Board Meeting and Return Matter to the CFOC to Adhere to the Committee's Charter Requiring a Super-Majority in Order to Make a Recommendation to the Board

Minutes: Chair Golden noted that the item had been added to the Agenda during the Approval of the Agenda. Following a question, Mr. Stephen Dye, School Board Attorney, recommended that the Chair open the discussion for Public Comment. Public Comment as follows:

1. Michael Hartman
2. Pat Barber
3. Cindy Spray

Chair Golden inquired about the language in the Charter. Mr. Dye informed the Board that any recommendation to the Board requires a supermajority vote according to the Charter. He further discussed the Charter and the Committee's charge. He noted the discussion of the Board on May 24, 2022, was initiated by information that was given to the Board.

Board Member Choate noted that there would be a Workshop discussion regarding the CFOC on Thursday, June 16, 2022.

Board Member Foreman stated the reasons for bringing the motion to the Board and expressed desire to follow procedures. She expressed concerns and stated that it is premature for the Board to be considering replacements on the Committee prior to the upcoming Workshop discussion.

Board Member Kennedy agreed with Board Member Choate's comments. He stated that any Board Member could make a motion to remove a Committee Member. He explained his justification for making the motion to remove the Committee Member and discussed additional possibilities for motions.

Board Member Messenger spoke regarding the CFOC Charter and expressed support for the action of the Board taken on May 24, 2022. She noted that the Charter states the grounds for removing a Committee Member.

Following the vote, Chair Golden requested that it be clear that the motion was not recommended by counsel. Mr. Dye stated that the statement made by Chair Golden was too strong as there was more than one path forward.

Board Member Kennedy made a motion outside of any recommendation from the Committee.

RESULT:	**ADOPTED [3 TO 2]**
MOVER:	Mary Foreman
SECONDER:	Chad Choate
AYES:	Charlie Kennedy, Mary Foreman, Chad Choate
NAYS:	Gina Messenger, James Golden

14.4a Motion to Remove the Individual from the Citizens' Financial Oversight Committee that was Reinstated

Minutes: Board Member Messenger noted that a majority of the Committee agrees with the removal of the Member.

At the request of Board Member Foreman, Mr. Dye confirmed that the motion was acceptable to add to the Agenda as it was related to the same subject

RESULT:	**ADOPTED [4 TO 1]**
MOVER:	Charlie Kennedy
SECONDER:	Gina Messenger
AYES:	Charlie Kennedy, Gina Messenger, James Golden, Mary Foreman
NAYS:	Chad Choate

14.5 Recommendation for Replacement of Vacancy on the Citizens' Financial Oversight Committee (CFOC)

Minutes: Chair Golden stated that he had put the recommendation forward and would withdraw the matter from the Agenda.

RESULT:	**WITHDRAWN**

15) WORKSHOP ITEM REQUESTS

Minutes: There were no Workshop item requests.

16) UPDATES

A. Legal Department Update

Minutes: Mr. Stephen Dye, School Board Attorney, updated the Board on the following:

Shooting Range – stated that the location on the city property where the range would be located is under discussion to be moved and he will be bringing that to the Board at a later date. He noted the lease would need to be amended if the change occurs.

B. Instructional Update

Minutes: Dr. Dan Evans, Deputy Superintendent of Instruction, updated the Board on the following:

Graduations – shared that the District was celebrating recent graduates.

State Championship – spoke regarding the Lakewood Ranch High School girls softball team and their recent accomplishment for winning back-to-back state championships and congratulated the coaches and Principal Dustin Dalquist.

Curriculum Department Conferences – stated that the Instruction Division would continue to bring updates to the Board regarding legislative updates.

Leadership Conference – spoke regarding upcoming training sessions for employees in June.

Summer School – shared that Summer School was off to a great start and thanked all involved.

C. Operations Update

Minutes: There was no update.

D. Safety & Security Update

Minutes: Mr. Paul Damico, Chief of Safety & Security, updated the Board on the following:

Safety – shared the mission and provided a brief overview of requirements for Florida schools.

Following the update, the Board asked questions.

17) SUPERINTENDENT REMARKS

Minutes: Superintendent Saunders updated the Board on the following:

AFSCME – thanked Ms. Deanna Howell, President of AFSCME, and the bargaining team for their work in reaching an agreement for the raises. She thanked the Board for the support.

Summer Graduations – stated that there would be summer graduations at MTC June 27 and June 30.

Second Strategic Planning Community Task Force – shared that the second planning session would be held June 15.

Job Fairs – shared dates for upcoming virtual Job Fairs and upcoming Job Fairs at the Wakeland Support Center.

18) BOARD COMMENTS

Board Member Choate

Planning for 2022-2023 – spoke regarding the training for faculty for the new curriculum.

AFSCME – congratulated the bargaining team for reaching an agreement in negotiations.

Board Member Kennedy

Safety & Security – expressed appreciation for the update.

Thanks – thanked his Board colleagues, Superintendent, and staff.

Summer – wished all of the students a wonderful summer.

Board Member Foreman

CFOC – explained the reasons for her vote for New Business items regarding the Committee.

Protocols for the Agenda – spoke regarding protocols for amending the agenda and expressed concerns with the Chair's ability to make a change to the agenda on short notice.

Evaluations – spoke regarding the evaluations for the Superintendent and Board Attorney and stated that the Board is required to complete an annual evaluation. She requested that the Board begin the process for the Attorney's evaluation.

FSBA Conference – shared that she attended the FSBA Annual Summer Conference. She stated that she was elected as the new Secretary Treasurer of the Greater Florida Consortium of School Boards.

Vice-Chair Messenger

AFSCME – expressed appreciation for the team involved in reaching an agreement for AFSCME bargaining and spoke regarding the importance of the timing of the raises.

Appreciation – expressed appreciation for the Board, Chairman Golden, and the employees.

Chair Golden

Thanks – thanked Superintendent Saunders for her work; the Board; and Attorney Dye for his insightful comments in terms of legal ramifications.

Legal Evaluation – discussed the attorney evaluation and noted that the Board hires a law firm rather than an individual attorney. He discussed considerations of the evaluation.

Progress - shared that he has enjoyed peace in the Board Room as the Board has made progress.

19) ADJOURNMENT

Minutes: There being no further business to come before the Board, Chair Golden adjourned the Meeting at 1:21 PM.

_____	_____
Cynthia Saunders, Ex Officio Secretary and Superintendent of Schools	Rev. James T. Golden Chairman

NOTICE

Any person who desires to appeal any decision made by the School Board with respect to any matter considered at the above-mentioned meeting will need a record of the proceedings, and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which an appeal may be based. School Board meetings are held in accessible locations. Auxiliary aids will be provided, upon written request received at least 48 hours prior to the meeting, to participants with disabilities.

Workshop 9:00 AM
Manatee County School District
215 Manatee Avenue West
Bradenton, FL 34205
www.manateeschools.net

Times Indicated Are Approximate

I) CALL TO ORDER

Attendee Name	Status
Charlie Kennedy, Board Member Cynthia Saunders, Superintendent Doug Wagner, Deputy Superintendent of Operations Gina Messenger, Vice-Chair James Golden, Chair Mary Foreman, Board Member Stephen Dye, School Board Attorney Tim Bargeron, Deputy Superintendent of Business Services Chad Choate, Board Member	Present
Mitchell Teitelbaum, General Counsel Dan Evans, Deputy Superintendent of Instruction	Absent

Minutes: Chair Golden called the Workshop to order at 9:02 AM and announced that Board Member Kennedy had joined the Workshop virtually.

II) WORKSHOP

1. School Concurrency, Land Holdings and Impact Fees Update

Minutes: Mr. Joe Ranaldi, Chief Operations Officer, stated that two documents are utilized for school planning. He spoke regarding the documents, the standing Interlocal Agreement for Public School Facility Planning between the four municipalities within Manatee County and the Manatee County Impact Fee Ordinance. Mr. Mike Pendley, Executive Planner, utilized the attached presentation and spoke regarding the following:

- School Concurrency
- Vacant Land Ownership
- Future Land Ownership
- Impact Fees

The Board asked questions throughout the presentation.

Chair Golden requested that the individuals representing the Board in the impact fee discussions keep in mind the concerns of staffing needs as well as the desire to assist the families that most need relief.

Mr. Pendley updated the Board on Manatee County's Impact Fee discussions.

Chair Golden asked if the information necessary to develop a draft of a resolution would be available by the first meeting in August. Superintendent Saunders stated that the District could have the proposed language for a resolution in first meeting in August and noted that the final document would not be available if the County had not finished. She stated that Mr. Dye and Mr. Pendley could work on the language for the resolution.

2. Overview of the 2022-2023 Budget | General Fund

Minutes: Mr. Tim Bargeron, Deputy Superintendent of Business Services, summarized the previous workshops regarding the budget. He utilized the attached presentation and provided supplemental handouts containing the information from the presentation. He discussed the following:

- 2022-2023 Budget Preparation
- Fund Balance History
- Fund Balance Requirements
- Fund Balance Projections
- Year to Year Expense Change by Program
- Future Meetings

The Board asked questions throughout the presentation.

Board Member Foreman expressed concerns regarding the reserve fund. She requested the Board consider raising the target for the reserve fund amount.

The Board held discussion regarding the reserve funds. Superintendent Saunders commended the Finance Team for reaching the highest reserve fund the District has had.

Following a question from Board Member Choate, Mr. Bargeron explained ESSER funds.

The Board held discussion regarding scholarship vouchers. Chair Golden requested the topic be addressed when the Board discusses what they would like to advocate for through the Florida School Boards Association and what the Board will ask the legislative delegation to be advocating for on their behalf.

Chair Golden announced a recess at 11:00 AM and reconvened at 11:09 AM.

3. Citizens' Financial Oversight Committee Presentation

Minutes: Mr. David Ballard, Chair of the Citizen's Financial Oversight Committee (CFOC), presented the attached Annual Report from the CFOC to the Board.

Following a comment from Mr. Ballard, Chair Golden inquired about the recommendation to improve the data collection regarding employee fill rates. Superintendent Saunders discussed specifics regarding the HR System and noted that the HR systems for a school district are built based on how many positions are needed and how many are filled and unfilled. She stated that staff would need to ask the vendor if they could program the system in a fashion to track employees individually. The Board held discussion regarding measuring teacher retention.

Ms. Pat Barber, President of the Manatee Education Association, spoke regarding retention rates and stated that both of the Bargaining Units have seniority lists which could be merged to attain the data that is being requested.

The Board Members thanked Mr. Ballard and expressed appreciation for the work of the Committee.

Also in attendance were the following Committee Members: Ms. Donna Fredricksen, Ms. Cynthia Howard, Mr. Tom Ehren, and Ms. Pat Barber.

Board Member Kennedy thanked Mr. Ballard for his service to the School District.

Chair Golden moved forward on the Agenda to Public Comment.

4. Discussion of Citizens' Financial Oversight Committee (CFOC)

Minutes: Board Member Foreman spoke regarding options to improve the functioning of the Citizens' Financial Oversight Committee (CFOC). She recommended having Carr, Riggs & Ingram (CRI) conduct an audit and have the CFOC function in a similar fashion to the Audit Committee. She spoke regarding membership appointments to the Committee and noted the importance of defining eligibility and the process. She discussed the members on the Committee from the unions and questioned whether they should be voting members.

Vice-Chair Messenger spoke regarding the history of the CFOC. She expressed concerns with the cost of hiring an auditor and noted the differences between the CFOC and the Audit Committee. She spoke in support of having the liaison interview applicants for membership and discussed additional appointment options including recruiting members of community organizations. She stated that the goal of the union members was the same as the goal of the Committee and did not see a conflict of interest allowing them to be voting members. She requested clarification regarding Board Member Foreman's proposal to hire CRI to conduct an audit.

Board Member Foreman stated that the finances would be audited, and the outcomes would be accumulated. She provided additional details and examples.

Board Member Kennedy spoke in support of having a basic audit report done by an external audit firm for the Committee to utilize.

Board Member Choate spoke regarding the CFOC and expectations of the Committee. He spoke regarding the importance for the Board to monitor the Committee and ensure the Committee is completing the task as charged.

Chair Golden requested quarterly updates from the Citizens' Financial Oversight Committee. He commended Mr. Ballard and the Committee on the Report they provided. He made a commitment to ensure the Committee that the vacancies that exist will be filled with the appropriate individuals that do not have their own agenda.

Vice-Chair Messenger expressed concerns with the frequency of the updates from the Committee. She requested the language be specific to prevent the Committee from spending time creating something the Board is not wanting. Chair Golden clarified that he would like to give the Committee the opportunity to come before the Board prior to the annual Report from the Committee.

Board Member Foreman spoke regarding the terms for the membership of the CFOC and noted that there would be openings. She discussed the role of the liaison and requested guidance. She suggested individuals with education, finance, arts, and STEM backgrounds be considered for membership. She stated that the union members should hold non-voting positions.

Chair Golden requested to add his withdrawn item from the June 14, 2022 Meeting to the June 28, 2022 Meeting for the consideration of an individual to fill the remainder of the term for the vacant seat on the CFOC.

Ms. Fredricksen addressed the Board and spoke in support of having an occasional audit conducted.

Superintendent Saunders clarified that the State audits the District every three years and is currently in the process of an operational audit.

III) PUBLIC COMMENTS

Minutes: Following Workshop item, *Citizens' Financial Oversight Committee Presentation*, the Board heard Public Comments. Public Comment as follows:

1. Michael Hartman
2. Norman Nelson

Following Public Comment, Superintendent Saunders spoke regarding the thirty minutes of instructional time that was added for students and noted that half of the learning time was taken out of non-instructional time and was negotiated through the Manatee Education Association.

IV) ADJOURNMENT

Minutes: Chair Golden adjourned the Workshop at 12:40 PM.

AGENDA ITEM NO. 8.1

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept, and Expend the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), formerly known as the Carl D. Perkins Secondary Grant for the 2022-2023 School Year, in the Amount of $555,796.00

Executive Summary
The purpose of the Secondary grant funded by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) is to develop more fully the academic and technical skills of secondary students who elect to enroll in career and technical education (CTE) programs. This is an entitlement grant; under the existing federal authorization, the School District of Manatee County is allocated an estimated $555,796.00 (allocation is contingent on Florida's 2022 federal award). The secondary grant will support secondary CTE programs.

A copy of the grant is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Adult, Career & Technical Education | Goal 1
Implement curriculum opportunities for students to learn technical skills with a wide range of strategies through their educational career.

Adult, Career & Technical Education | Goal 2
Implement curriculum opportunities for students to learn people skills with a wide range of strategies through their educational career.

Recommendation
The Superintendent recommends approval to apply, accept, and expend the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), formerly known as the Carl D. Perkins Secondary Grant for the 2022-2023 school year, in the amount of $555,796.00.

Financial Impact
There is no cost to the General Fund. All activities under this grant are funded by federal Perkins V dollars at no material expense to the District. This grant will bring the District an estimated $555,796.00 for the period July 1, 2022 to June 30, 2023. There is no significant difference in how this budget will be spent over last year, including partial salary and benefits for Career Pathways Coordinator, salary of Work-based Learning personnel, instructional supplies, transportation, rental vehicles, equipment repair, non-contracted hourly and benefits, substitutes, software, registrations, printing and travel for professional development and career and technical student organizations.

_ School District of Manatee County _, hereby acknowledge and agree to the statements below.
Name of Grantee

A. Career and Technical Education Instructional and Programmatic Policies

The Grantee agrees:

CS _____ 1 To use the Florida Career and Technical Education Curriculum Frameworks located at http //www fldoe org/academics/career-adult-edu/career-tech-edu/curriculum-frameworks/ in accordance with Rule 6A-6 0571 to plan, deliver and assess instruction

CS _____ 2 To ensure that all career and technical education teachers meet the minimum requirements and abide by the provisions set forth in the applicable sections in Chapter 1012 Personnel of the Florida Statutes section 1012 39 (1)(c), F S

CS _____ 3 To provide local professional development as defined in Perkins V Section 3(40) for staff and faculty and ensure participation in state-provided professional development and meetings as appropriate and deemed mandatory by the state

CS _____ 4 To offer at least one program of study (Sec 134(b)(2)) that meets all of Florida's Programs of Study Standards at http://www.fldoe.org/academics/career-adult-edu/Perkins/ProgramsofStudy.stml

CS _____ 5 To undertake the necessary steps to identify, adopt or develop additional programs of study in order to achieve the Perkins V State Plan requirement that 25 percent (or more) of all local career and technical education students are enrolled in a fully implemented Perkins V program of study in program year 2021-2022

CS _____ 6 To collaborate with local workforce development boards and other local workforce agencies, one-stop delivery systems described in section 121(e)(2) of the Workforce Innovation and Opportunity Act (29 U S.C 3151(e)(2)), and other partners to provide—

a) career exploration and career development coursework, activities, or services,
b) career information on employment opportunities that incorporate the most up to-date information on high-skill, high-wage, or in-demand industry sectors or occupations, as determined by the Comprehensive Local Needs Assessment, and
c) an organized system of career guidance and academic counseling to students before enrolling and while participating in a career and technical education program (Sec 134(b)(3))

CS _____ 7 To incorporate challenging State academic standards, including those adopted by Florida under section 1111(b)(1) of the Elementary and Secondary Education Act of 1965

CS _____ 8 To provide activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations that will lead to self-sufficiency

CS _____ 9 To prepare career and technical education participants for non-traditional fields

CS _____ 10 To provide equal access for special populations to career and technical education courses, programs, and programs of study

CS _____ 11 To ensure that members of special populations will not be discriminated against based on their status as members of special populations

B. Comprehensive Local Needs Assessment (CLNA)

The Grantee agrees:

CS _____ 1 To ensure that all career preparatory and technology education programs being supported with Perkins funds meet Florida's Perkins V Secondary Size, Scope and Quality (SSQ) Standards at http //fldoe org/academics/career-adult-edu/Perkins/clna stml (Sec 134(c)(2)(B)(i), Sec 135(b)) Newly implemented and in development programs utilizing Perkins funds that are being brought into SSQ compliance must meet all SSQ criteria within a timeframe less than the total length of the program Programs must have students enrolled as a condition to utilize Perkins funds for support

CS _____ 2 To ensure all career preparatory and technology education programs supported by Perkins funds are aligned to State, regional, Tribal, or local in-demand industry sectors or occupations as evidenced by the comprehensive local needs assessment (Sec. 134(c)(2)(B)(ii))

CS _____ 3 To maintain all relevant documentation relating to need identification and stakeholder engagement for five (5) years beyond the time of submission to the FDOE

CS _____ 4 To ensure that programs and courses identified by FDOE as ineligible to be supported with Perkins V funding will not be supported with local Perkins funds

CS _____ 5 To ensure that stakeholder engagement required in Sec 134(d) and Sec 134(e) will take place to inform updates to the comprehensive local needs assessment, labor market alignment, implementation of programs and programs of study, implementation of work-based learning, and the coordination of local resources

CS _____ 6 To conduct the biennial comprehensive local needs assessment during the 2021-2022 program year

C. Program Performance: Program Improvement and Data Reporting

The Grantee agrees:

CS _____ 1 To adhere to the prescribed data collection and reporting requirements from the FDOE and as mandated by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) Annually, the FDOE will publish data reporting handbooks identifying all reporting requirements and formats

a) Failure to report accurate and complete data during the required reporting periods may result in the return of funds

CS _____ 2 To accept that each eligible recipient will be expected to meet the local agreed upon performance levels for each secondary performance measure beginning with the data for program year 2020-2021

CS _____ 3 To accept that performance on the Perkins V measures is based on each recipient's accurate data submission of student performance information as reported to the state

CS _____ 4 To accept the requirement to implement additional program improvement measures and/or activities if the eligible recipient is not meeting 90% of the required performance target for any measure

CS _____ 5 To address disparities or gaps in performance as described in Section 113(b)(3)(C)(ii)(II) in the coming plan year, and if no meaningful progress has been achieved prior to the third program year, additional actions will be taken to eliminate those disparities or gaps

D. Grants and Fiscal Management and other Federal and State Administrative Provisions

The Grantee agrees:

CS _____ 1 To accept the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) Four Year Plan (July 1, 2020 to June 30, 2024) grant period, the funds are appropriated annually and FDOE will evaluate eligible recipient's grant application each program year Grantees agree to expended Perkins V funds on eligible career and technical education (CTE) programs that

- I document a need specified within the Comprehensive Local Needs Assessment (CLNA) in accordance with Perkins V Section 134(c-e)
- II meet the Perkins V requirements for sufficient Size, Scope and Quality as specified in Florida's Perkins V State Plan in accordance with Perkins V Section 134(c)(2)(B)(i) and
- III coincide with the Requirements for Uses of Funds in accordance Perkins V Section 135

CS _____ 2 To accept overall responsibility for ensuring that the grant funds are managed in accordance with Florida's Perkins V State Plan, Sections134 and 135 of Perkins V, GEPA, OMB Circulars, UGG, EDGAR, Project Application and Amendment Procedures for Federal and State Programs (Green Book), any other relevant statutes, and regulations for guidance

Furthermore, the applicant accepts the responsibility to use fiscal internal control and accounting procedures that will ensure the proper disbursement of, and accounting for, federal funds Applicable federal regulations include

a Education Department General Administrative Regulations (EDGAR) http //www2 ed gov/policy/fund/reg/edgarReg/edgar html

b 2 CFR 200 in the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards

CS _____ 3 To retain records for financial transactions and supporting documentation for auditing purposes If records are requested by the FDOE or the State of Florida Division of Financial Services, all records must be provided Records should be maintained for **five years** from the last day of the program or longer if there is an ongoing investigation or audit

CS _____ 4 To accept the requirement that the FDOE will monitor grantee's compliance with program and fiscal requirements according to applicable federal and state laws and regulations specified by

- 2 C F R 200 of the Uniform Guidance https //www federalregister gov/articles/2013/12/26/2013-30465/uniform-administrative-requirements-cost-principles-and-audit-requirements-for-federal-awards
- Florida Department of Financial Services ***Reference Guide for State Expenditures*** https //www myfloridacfo com/division/aa/manuals/documents/ReferenceGuideforStateExpenditures pdf and guidelines published in the Florida Department of Education's ***Green Book*** available at http //www fldoe org/finance/contracts-grants-procurement/grants-management/project-application-amendment-procedur stml
- The DCAE, ***Quality Assurance Policies, Procedures and Protocols Manual*** is available at http //www fldoe org/academics/career-adult-edu/compliance/

CS _____ 5 To ensure that funds received through this grant will be used to supplement Perkins V CTE program operating funds and will in no case be used to supplant local and state funding for such programs

CS _____ 6 To maintain Personnel Activity Reports (also referred to as Time and Effort Reports) for all applicable federal and state funded employees and ensure that these reports are signed by the employee and the supervisor

CS _____ 7 To accept that FDOE contract managers will periodically review the progress made on the implementation of your local four-year plan

CS _____ 8 To submit a completed DOE 399 form, Final Project Disbursement Report, and the Projected Equipment Purchases Form to the FLDOE, Comptroller's Office, by August 20, 2023

CS _____ 9 To accept that equipment purchased under this program must follow the Uniform Guidance found at https //www federalregister gov/articles/2013/12/26/2013-30465/uniform-administrative-requirements-cost-principles-and-audit-requirements-for-federal-awards

CS _____ 10 To ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs For details, refer to http //www ed gov/fund/grant/apply/appforms/gepa427 pdf

CS _____ 11 To accept that if Grantee fails or refuses for any reason to perform any of its obligation under this contract or violates the grant policies, procedures or assurances, FDOE may impose such sanctions as it may deem appropriate Sanctions may include, but are not limited to, placing the Grantee on a Corrective Action Plan (CAP), cancellation or termination of the contract, repayment of funds to the Agency, reduction in current year funds, reduction in future funds, withholding of payments in whole or in part, and the seeking of other remedies as may be provided by this contract law Any cancellation, termination, or suspension of this contract, if imposed, shall become effective at the close of business on the day of Grantee receipt of written notice thereof from FDOE

E. Data Privacy and Security

The Grantee agrees:

CS _____ 1 To comply with the Family Educational Rights and Privacy Act (FERPA) (20 U S C 1232g), a federal privacy law administered by the U S Department of Education FERPA and its implementing regulations (34 Code of Federal Regulations [CFR] part 99) protect the privacy of students' education records and afford parents and eligible students certain rights to inspect and review education records, to seek to amend these records, and to consent to the disclosure of personal identifiable information (PII) from education records Unless expressly indicated in 20 U S C 1232g, FERPA prohibits the disclosure of PII from education records without written consent For the full text of 20 U S C 1232g, see the Office of the Law Revision Counsel's United States Code Web page at http //uscode house gov/view xhtml?req=(title 20%20section 1232g%20edition prelim) The USDOE provided information on FERPA on this site https //ed gov/policy/gen/guid/fpco/ferpa/index html

CS _____ 2 To ensure access to individual records will be stringently controlled through technical security conventions and passwords, complimentary to those established by Northwest Regional Data Center Appropriate computer passwords and Login ID's shall be assigned to users in order to establish each user's data access authority only to the records or data elements required to complete federal- or state-mandated activities

CS _____ 3 To comply with records retention schedules established by the Florida Department of State, Division of Library and Information Services, Records management program, consistent with the requirements of Section 257 36, Florida Statutes

I certify that I have reviewed, understand, and agree to comply with the above assurances.

FLORIDA DEPARTMENT OF EDUCATION
2022-2023 Request for Application (RFA Entitlement)
TAPS#23B004 – Secondary

2020-2024 PERKINS V REQUIREMENTS
Secondary, Section 131

Section 1. Comprehensive Local Needs Assessment and Stakeholder Engagement

A Comprehensive Local Needs Assessment (CLNA) is required of all eligible recipients every two years. Local eligible recipients conducted their first CLNA during the 2019-2020 program year, which served to guide the development of activities and programs to meet Perkins V requirements to be implemented during the 2020-2021 and 2021-2022 program years. The second CLNA was conducted by eligible recipients during the 2021-2022 program year to guide the development of activities and programs to meet Perkins V requirements to be implemented during the 2022-2023 and 2023-2024 program years.

CLNA requirements for the 2022-2023 local continuation grant application:

- Provide information from the 2021-2022 CLNA in the CLNA Program Summary form and related narrative questions, as well as priority needs identified during the CLNA process.
- Describe the process the eligible recipient used to conduct the second CLNA during the 2021-2022 program year by responding to the following:

A **Secondary CLNA and Budget Excel Workbook** contains required worksheets, including: CLNA Program Summary, DOE 101 Budget Narrative Form; and Projected Equipment Purchases Form. (NOTE that the size, scope and quality, labor market alignment, programs of study, and fundable programs worksheets have been combined into the CLNA Program Summary form for the 2022-2023 program year.)

- Use the 2022-2023 Excel Workbook Secondary CLNA and Budget Excel Workbook and submit as XXX-Agency Name-SEC
- Each eligible agency is required to populate the CLNA Program Summary worksheet to ensure that the program data reflect current criteria (see Parts 1-A and 1-B below).
- DOE 101 Budget Narrative Form must be completed.
- Projected Equipment Purchases Form must be completed (if applicable).

A. Please respond to the following question:

Question	Response
i. Describe the process your agency used to conduct the required biennial CLNA during the 2021-2022 program year. The results from this CLNA will guide your agency's Perkins V high priorities that will be implemented in the 2022-2023 and 2023-2024 program years.	In the summer of 2019 at the Florida Association of Career and Technical Education (FACTE) conference, representatives from the secondary programs in Manatee and Sarasota counties, Manatee Technical College, Suncoast Technical College and State College of Florida along with the Career Source Suncoast formed the Manasota CLNA Task force. We met bi-weekly from September 2019-June 2020 to collaborate on the CLNA process and work together to make our programs better. We conducted surveys, and in person meetings with stake holders to ascertain the needs of the communities we serve. In 2021-22 we have continued to collaborate as the need arises, and some members meet on a bi-monthly basis to discuss areas of opportunity. Individually, each institution collected data to support program needs and identify gaps in service or coverage. We used previous years' Perkins' indicators to show areas of need/focus. We used our local student information system to pull data related to program completion, industry certification, GPA, and demographics to assist in identification of gaps or challenges. We further used the Local Targeted Occupations List, Regional Targeted Occupations List, Southwest FL Projections List and Career Source Suncoast Projections to determine whether or not a program was expected to be high wage, high skill or in demand. We have also conducted new surveys with instructors, students, parents and the business community to determine our progress and areas of need.

B. Complete the Stakeholder Consultation Summary Table below:

Instructions:
This table must be utilized by the eligible recipient to minimally demonstrate in the RFA how local stakeholders were consulted in conducting the CLNA as required in section 134. This form is a simple table that can be expanded to provide the required narrative.

This table serves as a summary of the process and methods used to consult and identification of the stakeholders that were consulted. Extensive documentary evidence such as meeting agendas, meeting minutes, transcripts, surveys, presentations, focus group materials, and any other form of consultation should not be submitted with the application but must be maintained locally. Extensive documentation may be requested as part of a local Perkins V monitoring and compliance review.

CLNA: Stakeholder Consultation Summary Table:

[A] Stakeholder Category Required by Perkins V Law	[B] List the individuals, organizations, associations and other groups consulted locally for this category of stakeholder.	[C] Describe the process and methods (meetings, surveys, focus groups, etc.) used for stakeholder consultation for this category of stakeholder.	[D] List the CLNA component(s) for which this category of stakeholder was consulted.
(i) representatives of career and technical education programs in a local educational agency or educational service agency, including teachers, career guidance and academic counselors, principals and other school leaders, administrators, and specialized instructional support personnel and paraprofessionals	CTE teachers, administrators, students, career advisors, and support personnel from the secondary and post-secondary levels	Discussions regarding needs were a part of every meeting and these individuals were contacted using a survey (Results below). Location of stakeholder employment: Middle School-69% High School-31% Stakeholder feels they have adequate instructional materials, equipment and technology to adequately prepare students for employment and/or further education. 80% reported in the affirmative. 12% disagreed or strongly disagreed, state of the art equipment (mostly computers) and old technology tools were listed as negatives.	All

		Stakeholder is provided adequate professional development in regard to skills of the industry. 79% agreed with only 4% disagreeing and asking for additional training. Stakeholder is provided adequate professional development to maintain relevant teaching strategies. 77% were in agreement with 8% feeling like they did not have access to sufficient professional development. Stakeholder has adequate access to provide worked based learning opportunities for their students. 66% felt they had adequate access to work-based learning opportunities; 6% said it was not applicable to their program and only 27% indicated they did not feel they had ample opportunity for work based learning.	
(ii) representatives of career and technical education programs at postsecondary educational institutions, including faculty and administrators	Local post-secondary partners that serve on secondary advisory boards. Post-secondary administrators, career counselors, program area managers, and instructors.	They were surveyed and they gave input at their advisory board meetings ACT department met with post-secondary staff on a monthly basis to discuss needs, concerns and future plans.	All
(iii) representatives of the State board or local workforce development boards and a range	Advisory board members, chamber of commerce, professional boards, and workforce agencies.	They were asked to give their input in the form of surveys. These surveys measured their participation, satisfaction, needs and perceptions related to CTE programs, support, activities,	All

of local or regional businesses or industries		CTSOs and students. There were also open-ended questions related to improvement The results follow: 31% of respondents have hired graduates from our local educational institutions. 71% of respondents feel our graduates meet their entry level requirements. When asked what credentials they would like to see in future employees, they responded as follows: A variety of credentials were mentioned, many of which we do offer. Most suggested soft skills were lacking in entry level applicants. Stakeholders were asked to describe one thing the educational community could do better. Overwhelmingly, the business community would like to see us promote CTE better, teach more CTE in middle school and, again, promote and teach soft skills and professionalism.	
(iv) parents and students	Over 1800 students and parents were surveyed. Some also serve on advisory councils.	They were asked to give their input in the form of surveys. These surveys measured their participation, satisfaction, needs and perceptions related to CTE programs, support, activities, CTSOs and students. There were also open-ended questions related to improvement Parents who responded reported their students current grade level: 65% were middle school and 35% were high school.	All

		The students who self-reported were 54% middle schoolers and 46% were high schoolers. Parents reported 70% of those students were enrolled in a CTE course currently. 50% of the responders were aware and in favor of industry certifications. 42% were aware of CTSO opportunities 80% rated their students experience as Excellent or Good. 4% reported a negative CTSO experience. Students responding to a similar question reported 45% favorable to CTSOs and 14% having a poor experience in a CTSO. When asked about dual enrollment at a post-secondary school, only 58% of parents knew of that opportunity. Up from 30% two years ago. Each parent respondent was allowed a suggestion box- most had none but better communication about CTE courses was mentioned as well as better funding for CTE programs. Most student responders were well aware of career options (82%) but only 21% had visited a college or local business on a field trip. This is likely due in large part to Covid as we have not been able to	

		travel for almost 2 years. (Note: many were middle school students who will have an opportunity later). 38% of students reported they had guest speakers come to their classroom (due to Covid and the ban on campus visitors) and 34% had work place learning experience (a fairly high percentage considering the middle school students were included in this question). 74% of student responders felt they had access to a good selection of CTE electives. 70% of students have decided on a career and named it, more than half were CTE related.	
(v) representatives of special populations	Over 1600 students, many of whom represent special population	They were asked to give their input in the form of surveys. These surveys measured their participation, satisfaction, needs and perceptions related to CTE programs, support, activities, CTSOs and students. There were also open-ended questions for improvement. See results above	All
(vi) representatives of regional or local agencies serving out-of-school youth, homeless children and youth, and at-risk youth (as defined in section 1432 of the Elementary and Secondary	Career Source Suncoast which represents many of these organizations (Boys & Girls Clubs Unidos Now, Goodwill and Salvation Army), project HEART (homeless youth), Horizons school (suspended and expelled youth),	They were asked to give their input in the form of informal surveys. These surveys measured their participation, satisfaction, needs and perceptions related to CTE programs, support, activities, CTSOs and students. There were also open-ended questions for improvement	All

Education Act of 1965)			
(vii) representatives of Indian Tribes and Tribal organizations in the State (where applicable)	*NA*		
(viii) any other stakeholders that the eligible agency may require the eligible recipient to consult (if applicable)	*NA*		

C – Size, Scope and Quality (SSQ) for Middle Grades Courses and Grades 9-12 Career Preparatory and Technology Education Programs

The purpose of this section is to give local eligible recipients an opportunity to provide information related to size, scope and quality of career and technical education programs.

i. Populate the CLNA Program Summary Worksheet in the Secondary CLNA and Budget Excel Workbook with the required SSQ information. *Report both middle grades and secondary.*

ii. Complete the following narrative summaries.

Middle Grades Narrative Summary for SSQ

		RESPONSE
(a) SIZE: Intentionally Designed Pathways	Explain how your middle school CTE programs are selected and how they link to high school and postsecondary CTE programs.	There has been a historical practice of continuing programs because the teacher is certified in it. However, we have encouraged our schools to consult with the ACT department when making decisions related to replacement of a program or teacher. To that end all new programs must be approved through our office before they are implemented. This allows us (the experts) to ensure that there is proper alignment to high school programs.
(b) SCOPE: Engaging Instruction	Describe how your district's middle grades exploratory courses provide instruction that integrates academic, technical, and employability skills.	Our middle grade courses follow the FLDOE curriculum frameworks thereby ensuring that students receive academic, technical and employability skills. We further encourage teachers to plan together when possible and participate in the CTSO to further integrate academic, technical and employability skills
(c) QUALITY: Appropriate Instructional Supports	Describe how your district's middle grades exploratory courses provide instruction that incorporates relevant equipment, technology, and materials to support learning.	We are fortunate to have multiple resources for funding CTE and utilize Perkins and those resources to ensure that students are using relevant equipment, technology and materials. Over the last 3 years, the SDMC has dedicated more than $5 million to upgrade equipment in our CTE programs
(d) QUALITY: Prepared and	Describe how your district's middle grades exploratory courses provide CTE instructors	Most of the Perkins funding is used to support professional development for teachers in pedagogy, industry

Effective Teachers	support to maintain up-to-date skills and knowledge necessary to support learning.	certifications, conference attendance, and CTSO support. We further pay non-contracted hourly (NCH) pay for many of the professional learning opportunities and offer teachers the opportunity to learn from each other through our Programs In Practices.
(e) QUALITY: Access and Equity	Describe how your district's middle grades exploratory courses implement measures to eliminate barriers and create opportunities for all students to succeed in CTE.	Our students are free to choose any CTE course as an elective. There is no application process and schools work very hard to give students their first choice in electives. Should a student struggle in a CTE class, they are encouraged to request help from the teacher and many schools offer peer assistance.

9-12 Career Preparatory/Technology Education Programs Narrative Summary for SSQ

		RESPONSE
(f) SCOPE: Business and Industry Engagement and Workforce Alignment	Describe how your district's CTE programs strategically engage business and industry to ensure the program meets workforce demand as substantiated by the CLNA Labor Market Alignment.	Most of our programs have advisory councils that consist of parents, students, business and industry partners as well as instructors at the secondary and post-secondary levels. Additionally, CTE staff sit on multiple boards and committees (Sar-Mana Manufacturing Assoc, Gulf Coast Builders Exchange, Manatee Chamber of Commerce, Future Workforce Committee, Reach Manatee, Jr. Leadership Manatee etc.) to ensure a robust connection to business and industry.
(g) QUALITY: Engaging Instruction	Describe how your district's CTE programs provide instruction that integrates academic, technical and employability skills and how those programs support the integration of academic skills into your CTE programs.	Our CTE courses follow the FLDOE curriculum frameworks thereby ensuring that students receive academic, technical and employability skills. We further encourage teachers to plan together when possible and participate in the CTSO to further integrate academic, technical and employability skills. Many of our high schools also offer academies that are supported by the district office through participation and NCH.
(h) QUALITY: Appropriate Instructional Supports	Describe how your CTE programs provide instruction that incorporates relevant equipment, technology, and materials to support learning.	We are fortunate to have multiple resources for funding CTE and utilize Perkins and those resources to ensure that students are using relevant equipment, technology and

		materials. Ove the last 3 years, the SDMC has dedicated more than $5 million to upgrade equipment in our programs
(i) QUALITY: Prepared and Effective Faculty and Staff	Describe how your CTE programs provide CTE instructors supports to maintain up to date skills and knowledge necessary to support learning.	Most of the Perkins funding is used to support professional development for teachers in teaching, industry certifications, conference attendance, and CTSO support. We further pay non-contracted hourly (NCH) pay for many of the professional learning opportunities.

iii. **List High-Priority SSQ Needs:** As a result of your CLNA review, provide a **numbered list** of the high-priority need(s) that will be addressed in the 2022-2023 program year.

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to match budget expenditures to these needs in the 2022-2023 program year.

Add additional rows as necessary.

Reference Number	Need (Use for Planning and Budgeting)
1	**Continued support for new and existing teachers for release time, subs, CTSOs and professional development**
2	**Continued support for Advisory councils and professional partnerships**
3	**Continued support for teachers & students in our CTSOs**
4	**Continued support for classroom supplies and equipment**

Add additional rows, as needed

D – Labor Market Alignment (LMA)

The purpose of this section is to give local eligible recipients an opportunity to provide information and identify high priority needs related to labor market alignment for career and technical education programs.

i. **Populate the CLNA Program Summary Worksheet in the Secondary CLNA and Budget Excel Workbook with the required LMA information.**

As a result of your CLNA review of labor market alignment, indicate if your district has identified programs that will be phased out and/or programs that you are considering for program development in the program years from 2020-2024. If your district has identified these programs, please complete the appropriate table.

ii. Programs to be Phased Out (if applicable)

Program Number	Program Name	# of 21-22 Enrolled Students	# of Schools at which this program is offered	Last Year program will be offered
	NA at this time			

Add additional rows, as needed

iii. Programs Considered for Development (if applicable)

Program Number	Program Name	Documentation of Local Need
	NA at this time	

Add additional rows, as needed

E - Development and Implementation of CTE Programs and Programs of Study (POS)

The purpose of this section is to give local eligible recipients an opportunity to identify high priority needs related to program and program of study development and implementation.

i.

		RESPONSE
a.	**Alignment**: Which of your district's locally offered programs would benefit from additional postsecondary program, course, and/or curriculum alignment?	Agriculture, Building Construction Trades
b.	**Acceleration**: Which programs of study, or potential programs of study, would benefit from additional accelerated credit opportunities, including dual or concurrent enrollment, local/statewide articulation agreements, or aligned academic accelerated credit courses?	It is difficult to offer Career Dual Enrollment when there are such strong restrictions on the post secondary programs that can serve high school students. If the credentials that can be earned could be expanded maybe we could offer more dual enrollment to our high school students.
c.	**Coordination**: Which program areas are un- or underrepresented on your advisory council(s)?	Since most of our programs have advisory councils, it would seem that they are adequately represented
d.	**Percent Enrollment**: Per Florida's Perkins V State Plan, all secondary eligible recipients are to have 50% enrollment in fully compliant Programs of Study by 2022-23 (and 75% enrollment for 2023-24). Estimate your percent enrollment in programs of study (columns E and R of the CLNA Excel can help) and determine how many additional programs of study will need to be launched in 2022-23 to meet the 50% enrollment in programs of study goal.	The 21-22 enrollment in a program of study is nearly 25%. We are adding Digital Design and Horticulture to the existing Applied Engineering programs to exceed the 50% expectation for 22-23.

ii. List High-Priority CTE Programs and Programs of Study Needs: As a result of your CLNA review, provide a **numbered list** of the high-priority need(s) that will be addressed in the 2022-2023 program year.

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to match budget expenditures to these needs in the 2022-2023 program year.

Reference Number	Need (Use for Planning and Budgeting)
1	**Continued support for teachers & staff to attend advisory council and articulation meetings**
2	**Continued support for Career Pathways Coordinator position to work with MTC and SCF**
3	
4	

Add additional rows, as needed

F - Recruitment, Retention, and Training of Teachers, Faculty and All Other Professionals

The purpose of this section is to give local eligible recipients an opportunity to provide information and identify high priority needs related to the recruitment, retention and training of CTE personnel.

i. Complete the following narrative summary.

Faculty and Staff:

	RESPONSE
a. Provide an overview of your district's process and method for evaluating existing efforts of recruitment, retention, and training of career and technical education teachers, faculty, specialized instructional support personnel, paraprofessionals, and career guidance and academic counselors, including individuals in groups underrepresented in such professions and what the evaluation revealed about those efforts.	Each year the ACT department evaluates our current situation as it relates to recruitment, retention, and training of staff. That evaluation has led to the addition of our work-based learning staff member that will assist with helping teachers and student navigate the world of work-based learning. We are ALWAYS looking for ways to draw in new CTE teachers, retain the ones we have and give them the training to move forward. This person will also have some responsibility for assisting new CTSO advisors and chapters in navigating the process of participation in a CTSO (affiliation, travel, competition). She will further have responsibility with new teacher mentorship and student work-based learning opportunities.
b. Provide an overview of your district's process and method for evaluating whether the agency has underrepresented individuals in the professions.	Each year the ACT department evaluates our current situation as it relates to recruitment, retention and training of staff, and while important to recognize where there is underrepresentation, it is secondary to JUST FINDING a teacher that is qualified. We work closely with industry partners, parents, academic teachers and state colleagues to identify teachers that are interested in the CTE

	field and bring them to Manatee County or if already in the county into the ACT fold.
c. Provide a summary description of what the evaluations (existing efforts on recruitment, retention, and training; underrepresented individuals) revealed and any changes that will be made to address areas of concern that surfaced from conducting this needs assessment.	To this end we have identified some areas of training that we are working to implement around the new CTE teacher experience. This "New Teacher Boot Camp" will assist them with navigating the parts of being a CTE teacher that may be different from a traditional academic teacher. Additionally, we plan to offer classroom management instruction to help those teachers that come to us from business and industry and don't have ANY classroom experience.

ii. **List High-Priority CTE Faculty & Staff Needs:** As a result of your CLNA review of recruitment, retention, and training of teachers, faculty and all other CTE professionals and any additional findings resulting from implementation during the past program year, provide a list of the high-priority need(s) that will be addressed in the 2022-2023 program year.

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to track budget expenditures to these needs in the 2022-2023 program year.

Reference Number	Need (Use for Planning and Budgeting)
1	**Continued support for Work-Based Learning teacher on assignment**
2	**Continued support for release time for teachers to collaborate and be mentored**
3	**Continued support for Non-contracted hourly pay for teachers to be trained**
4	**Continued support for Career Pathways Coordinator**

Add additional rows, as needed

G - Evaluation of Performance on Perkins Accountability Measures

The purpose of this section is to give local eligible recipients an opportunity to provide information and to identify high priority needs related to Perkins performance data. Eligible recipients may use previously provided baseline data to identify anticipated performance gaps.

i. **Complete the following narrative summary.**

Performance Review:

	RESPONSE
a. **Underperformance**: Using the last three years of available data, list by year the agency's Perkins performance indicators that performed under 90% of the local agreed upon performance level.	**NA**
b. **Gaps**: Using the most recent available data, identify subgroups and special populations that performed below the agency's total performance level.	**Measure 1S1**: ELL and Economically Disadvantaged students showed performance more than 2% below the district average. **Measure 2S1:** Black, ELL, Hispanic, economically disadvantaged students w/Disabilities and males showed performance more than 2% below the district average. **Measure 2S2:** Black, Ell, Hispanic, economically disadvantaged, and disabled students showed performance more than a 2% below the district average. **Measure 2S3:** Black, Ell, Hispanic, economically disadvantaged, and disabled students showed performance more than a 2% below the district average. **Measure 3S1:** Black, Hispanic, economically disadvantaged, disabled and migrant students showed performance more than 2% below the district average. **Measure 4S1:** Asian, Black, Hispanic, economically disadvantaged, disabled and Male students showed performance more than 2% below the district average. **Measure 5S1:** Black, ELL, Female, Hispanic, economically disadvantaged, disabled and migrant students showed performance more than 2% below the district average.
c. **Trends**: Using the last three years of available data, identify which Perkins performance indicators have trended upward or downward.	**Measure 1S1: Fluctuated up and down** **Measure 2S1: Fluctuated up and down** **Measure 2S2: Trended upward** **Measure 2S3: Trended downward** **Measure 3S1: Trended downward** **Measure 4S1: Trended upward** **Measure 5S1: Fluctuated down then up**
d. **Root Causes**: Based on root cause analysis, list factors that likely contributed to the identified underperformance, gaps, and trends.	One of the most significant factors over the last two years of data would be Covid-19. Covid contributed to learning losses, inability to deliver services to the most vulnerable students, job loss (economically disadvantaged), and gave an excuse to some for keeping children at home and out of a learning environment. It also kept our students from participating in over 40% of the normal industry certification testing

	in 19-20 because there was not a good option to test from home using the computer/chromebooks that were available. In 20-21 many of our students were still at home or participating in a Hybrid model of teaching using the same computers and facing the same issues. Many policies and practices that were adopted as a result of Covid had an impact on the statistics, but we are hopeful that most students will still benefit from the education they have received through CTE programs. Some significant and positive changes have happened as a result of Covid that will impact the experience that students and teachers have as they participate in industry certification testing. These changes should render positive results. However, we are concerned that recent changes in the IC offerings will negatively impact the statistics. When certifications are taken off the list, you can't expect the same results year after year.

ii. **List High-Priority CTE Performance Needs:** As a result of reviewing the baseline data on Perkins V performance measures and any additional findings resulting from implementation during the past program year, provide a **numbered list** of the high-priority need(s) that will be addressed in the 2022-2023 program year.

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to track budget expenditures to these needs in the 2022-2023 program year.

Reference Number	Need (Use for Planning and Budgeting)
1	**Support for industry certification testing, prep, and professional development**
2	**Support for student and teacher participation in CTSOs**
3	**Support for identified career pathways and expansion of new ones**
4	**Support for work-based learning and the expansion of new options**

Add additional rows, as needed

H - Progress toward implementation of equal access to high-quality career and technical education courses and programs of study for all students

The purpose of this section is to give local eligible recipients an opportunity to identify high priority needs related to equal access to CTE programs.

i. Complete the following narrative summary.

Equal Access:

	RESPONSE
a. Evaluate the local implementation of strategies and policies to provide the resources, social services, and academic support that certain students need to succeed in school.	The ACT department works closely with our ESE, ESOL, School Counselors, and project HEART (homeless) to meet the needs of students when they arise. Most often this will present as support for students who can't afford to travel to a CTSO event. When the needs are presented to us, we will meet those needs when possible.
b. Evaluate the local implementation of strategies to overcome barriers, both intentional and unintentional, that result in lower rates of access to, participation in or performance gaps in, the courses and programs for special populations.	Our largest barrier to access continues to be the requirement for reading and math remediation. Often students who need remediation will only have one opportunity to take an elective in their schedule each year. We work to make sure that they choose CTE programs whenever possible. There is still the occasional administrator or school counselor that does not really understand CTE. When identified, ACT staff works to help them understand the importance of CTE, program sequencing, and program completion.
c. Evaluate the local implementation of programs that are designed to enable special populations to meet the local levels of performance.	The ACT department works closely with our ESE, ESOL, School Counselors, and project HEART (homeless) to meet the needs of students when they arise. Most often this will present as support for students who can't afford to travel to a CTSO event. When the needs are presented to us, we will meet those needs when possible.
d. Evaluate the local implementation of activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations in competitive, integrated settings that will lead to self-sufficiency.	All CTE programs are open to all students and reflect the standards of the business or industry they represent. We have worked very hard to provide all necessary supplies and equipment that are needed in the CTE classroom to support that goal. We will continue to provide robust experiences and exposure to all students so that they have a vision of what the future holds for them.

ii. List High-Priority Equity and Access Needs: As a result of your CLNA review of the implementation of equal access to high-quality career and technical education courses and programs of study for all students, provide a **numbered list** of the high-priority need(s) that will be addressed in the current program year.

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to track budget expenditures to these needs in the 2022-2023 program year.

Reference Number	Need (Use for Planning and Budgeting)
1	**Support for non CTE personnel to attend CTE related events**
2	**Support for students to visit post-secondary institutions and local business and industry partners.**
3	**Support for economically disadvantaged students**
4	

Add additional rows, as needed

I - Other Identified Needs from Comprehensive Local Needs Assessment (if applicable)

The following questions are optional and designed to provide an additional opportunity to share other needs identified as part of the CLNA. Describe the process used to identify these other priority needs.

i. **List Other High-Priority Needs:** As a result of your CLNA review, provide a **numbered list** or other priority needs not captured by previous questions in this section (e.g., training of school counselors/advisors on CTE and career planning and advising; continued engagement of stakeholders; support for advisory councils).

Note: List only needs (areas of potential growth and improvement), as opposed to solutions/initiatives/plans/expenses or other approaches to meeting the identified needs. Provide the list as a sequentially numbered list (1, 2, 3, etc.), not a ranked priority list. The list will be used to track budget expenditures to these needs in the 2022-2023 program year.

Reference Number	Need (Use for Planning and Budgeting)
1	**NA**
2	
3	
4	

Add additional rows, as needed

Section 2. Primary Program of Study and CTE Secondary Programs for 2022-2023

NOTE: In accordance with Florida's Four-Year Perkins V State Plan, during the 2022-2023 program year, each eligible recipient will be required to use Perkins funds to support only those CTE programs that:

- meet size, scope and quality requirements;
- meet labor market alignment requirements; and
- meet a need identified in the agency's 2021-2022 Comprehensive Local Needs Assessment.

In addition, for the 2021-2022 program year, eligible secondary recipients must offer a sufficient number of fully compliant programs of study, so at least 25% of the agency's CTE students are enrolled in these programs of study. This requirement will increase to fifty percent in 2022-2023 and seventy-five percent in 2023-2024. A list of the program of study requirements can be found in **Attachment A** of this RFA and in the *2022-2023 Perkins V Implementation Guide*.

In submitting your primary program of study and listing your compliant programs of study needed to meet the enrollment percentage requirement, your agency is attesting to the fact that the submitted primary program of study and the other required programs of study will meet all state required elements throughout the 2022-2023 program year.

A – Perkins Fundable Programs

The purpose of this section is to give local eligible recipients an opportunity to identify all CTE secondary programs that meet the SSQ (or in SSQ development) and LMA state requirements that will be supported with Perkins V funds during the 2022-2023 program year.

- **Complete the Fundable Programs portion of the Program Needs Assessment worksheet in the Secondary CLNA and Budget Excel Workbook and indicate the CTE secondary programs that meet all state requirements for funding eligibility.** CTE secondary programs with expenses included on the Budget Narrative Form: DOE 101 must appear as fundable on the Program Needs Assessment worksheet.
- See the *2022-2023 Perkins V Implementation Guide* for further instructions on how to complete the Fundable Programs Worksheet.
- Some CTE programs are not Perkins fundable. Please see the Secondary CTE Programs Not Eligible for Perkins Funding list in the *2022-2023 Florida's Perkins V Implementation Guide*.

B - 2022-2023 Programs of Study

The purpose of this section is to give local eligible recipients an opportunity to identify all secondary CTE programs that meet the state's definition of a Program of Study. (Reminder: For the 2021-2022 project year, it is required that twenty-five percent or more of the agency's total CTE enrollment be in fully compliant programs of study. For 2022-2023, the percentage is fifty percent.)

Complete the Programs of Study column in the CLNA Program Summary Worksheet in the Secondary CLNA and Budget Excel Workbook and identify all compliant programs of study.

- See the *2022-2023 Perkins V Implementation Guide* for further instructions on how to complete the Programs of Study Worksheet.

C - Template for the Submission of the 2021-2022 Primary Secondary Program of Study

The purpose of this section is for local eligible recipients to submit their annual required primary program of study for the 2022-2023 program year on the Perkins V template located in **Attachment B.** The primary program of study MUST be submitted on the Perkins V template. Programs of study submitted on the prior Perkins IV template will not be accepted. An example program of study and further guidance is included in the *2022-2023 Perkins V Implementation Guide* and on the FDOE Program of Study Page.

Complete the Primary Program of Study template in Attachment B.

	Program Name:	Program Code and/or CIP	Participating Schools and Institutions	Accelerated Credit Opportunity(ies)
Secondary	***Middle School:*** Applied Engineering	8401100 high school program	Manatee County Schools: Haile Middle School	High School Credit
	High school: Applied Engineering	8401100-high school program	Manatee County: Bayshore, Braden River, Lakewood Ranch, Manatee, Palmetto, Parrish Community & Southeast High Schools	Completion of Applied Engineering Technology 1-3 and Advanced Applications in Technology can earn students 3-27 credit hours at State College of Florida (courses: ETI1701, ETD1320C, ETM1010C, ETI1110, EET1084, ETI1420C, ETD2368C). Applicable credits would be applied to an Engineering Technology Support Specialist and/or an AS Degree in Engineering Technology
Postsecondary	***Registered Apprenticeship:*** N/A	N/A		

	Technical College/Center:	Industrial Technology I100200, Machining Technologies I200100, Electrical and Instrumentation Technology 1 I110100	Manatee Technical College	Completion of one of these career certificate programs can earn students 3-9 credit hours at State College of Florida (courses: ETI1701, ETM1010C, EET1084, Applicable credits would be applied to an Engineering Technology Support Specialist and/or an AS Degree in Engineering Technology
	FCS Institution: AS Degree or Certificate Programs in Engineering Programs Electronics CCC 0615030310, Engineering Technology Support CCC 0615000007 Or Engineering Technology 0615000001	Electronics CCC 0615030310, Engineering Technology Support CCC 0615000007 Or Engineering Technology 0615000001	State College of Florida, Manatee-Sarasota	Statewide articulation for related CAPE industry certification may apply
	University: BS degree in Engineering Programs including Civil, Mechanical, Electrical and Environmental	CIP codes	Florida University System	Statewide articulation for related CAPE industry certification may apply

D - List of Advisory Council Members Overseeing the Primary Program of Study

The purpose of this section is to give local eligible recipients an opportunity to list the members that are involved in the advisory council overseeing the agency's primary program of study. Advisory councils must include, at a minimum, the following stakeholders: representatives from secondary, postsecondary, and business and industry.

Complete the Program of Study Advisory Council Member List table below.

Secondary Program of Study Advisory Council Member List		
Name	**Organization**	**Representation Category** (Secondary, Postsecondary, Business and Industry, Other)
Jason Merritt	School District Manatee County (SDMC)	Secondary
Brooke Corbett	SDMC	Secondary
Don Newman	NewPower Consulting, Inc.	Industry
Tony Tillett	George F. Young, Inc.	Industry
Matthew Spenks	United Airlines	Industry/Parent
Jennifer Boris	State College of Florida	Postsecondary
Rui Fernandez	SDMC	Secondary

E - Dissemination of Information on CTE Secondary Programs and Programs of Study

Eligible recipients must respond to the narrative question in Part 2-E.

	Response
Describe how secondary students, including students who are members of special populations, will learn about your agency's CTE course offerings and whether each course is part of a CTE program of study in the 2022-2023 program year.	Students are made aware of CTE course offerings and programs of study through various methods like ACT department produced publications, Schoology, school district and teacher websites, school publications like newsletters, websites, and curriculum guides, as well as informational Back to School Nights, and SAC meetings. The CTE department works closely with Title 1, Title 3, and the Migrant departments to ensure parents and students have knowledge of our programs. Additionally, school career advisors visit feeder schools with guidance staff to ensure balanced dissemination of information and work on their own campuses to ensure that all students are aware of CTE programs at the secondary and post-secondary level. Each year the ACT staff visits district guidance meetings to further the CTE message and to answer programmatic and pathway related questions. CTE staff are an integral part of the Student Progression Committee to ensure that all compliance related issues are intentionally

	covered in the student progression plan and that ALL CTE students are given the best opportunity to participate in their selected CTE courses.

Section 3. Career Exploration and Guidance

A - Collaboration related to Career Exploration and Guidance with Local Workforce Development Boards

Eligible recipients must respond to the narrative questions in Part 3-A.

	Response
i. Describe how your agency will collaborate with local workforce development agencies (e.g., CareerSource) to offer career exploration and career development coursework, activities, or services.	The Deputy Superintendent of Operations, who is the upline of the Adult, Career and Technical education department, currently sits on the board of the local workforce development board (Career Source Suncoast). A member of the school district staff is present at nearly every meeting, program and offering of Career Source. Additionally, district staff participate in the planning and implementation of several Career Source employment events related to secondary students. Career Source staff is also available to dual enrolled students at Manatee Technical College (MTC) by way of the Career Source satellite office on the campus of MTC. The district will also support these activities with substitutes for teacher participation and transportation of students to these events. There is opportunity for a clear CTE pathway and articulation between secondary students, Manatee Technical College, State College of Florida, and the six surrounding counties through local articulation agreements, as well as statewide agreements. Articulation meetings between stakeholders are held biennially to review, edit or create new local articulation agreements. Curriculum and certifications are assessed and compared between the institutions. The Career Pathways Coordinator works with both secondary and postsecondary institutions and facilitates, edits or reviews as needed during the interim. Copies of agreements are posted online and kept in each stakeholder's facilities. To a lesser extent, in number, partners from programs'

	business partners, advisory board members, the Chamber, and Workforce Board. Curriculum sequence is based on FLDOE curriculum frameworks.
ii. Describe how your agency will collaborate with local workforce development agencies (e.g., CareerSource) to offer career information on employment opportunities that incorporate the most up-to-date information on high-skill, high-wage, or in-demand industry sectors or occupations.	While publications provide a great resource, the best way to get this information into the hands of the students is through their teachers and career advisors. To that end, we support the professional development of teachers and career advisors along with the release time for CTSO involvement that fosters those relationships with business and industry. Additionally, we provide for field trips to events that expose students to those high-skill, high-wage, or in-demand career fields. We also encourage direct contact with employers through visits to their business.
iii. Describe how your agency will collaborate with local workforce development agencies (e.g., CareerSource) to offer an organized system of career guidance and academic counseling to students before enrolling and while participating in a career and technical education program.	The Adult Career and Technical (ACT) department currently oversees eight career advisors in our seven high schools. With our newest high school adding an advisor at the beginning of the 21-22 school year. These advisors work on a daily basis to inform and educate the students, staff and parents on the current workforce trends and availability of high wage, high skill, in demand careers. They serve on local committees and boards of these organizations to foster an open line of communication and engagement with the local workforce community. Perkins funds will be used to support career advisors, teachers and guidance counselors by providing professional development and by offering support for student field trips to local businesses, technical programs, and workforce focused events. These could be in the form of class or organization field trips and support for CTSOs.

Section 4. Continuous Academic Improvement and Academic Integration

A – Promote and support the continuous Academic Improvement and Integration

Eligible recipients must respond to the narrative questions in Part 4-A.

		Response
i.	Describe how your agency will promote continuous improvement in academic achievement of students in career and technical education programs through rigorous standards for the academic and technical skill components of the program.	Collaboration between core academic teachers and CTE teachers, as well as input and experiential learning opportunities with experts in the field will be utilized to promote rigorous standards for academic and technical skill components of CTE programs. The Executive Director and Assistant Director visit and review classroom instruction to ensure and facilitate academic rigor and technical skill components are present. They also provide guidance and instruction for teachers in incorporating the standards. Staff and Administration engage in continuous program improvement through regular analysis of academic and industry certification data to determine areas of concern and to determine gaps in student performance. Students are further encouraged to participate in the industry certification process throughout their high school careers. Instructors are supported with content specific professional learning to enhance their understanding and give students relevant content.
ii.	Describe how your agency will support the integration of academic skills into your CTE secondary programs in the 2022-2023 program year.	The ACT department promotes continuous improvement and integration of academic skills by offering opportunities for teachers to grow professionally that will include: Programs in practice—release time opportunities to observe local and state model programs in their prescribed curricular area No Techer Left Behind—Summer and school year PD that focuses on attainment of technical skill, integration of academics into CTE and continuous improvement in reading.

	Professional Development and Conference attendance—Opportunities for teachers (especially new or new to field) to attend integration and content specific professional development that meets the needs of their classrooms. Support for CTSOs—the ACT department supports students who participate in and teachers who sponsor/chaperone their related CTSO by proving subs, transportation, travel expenses and opportunities for professional development. CTE teachers work regularly with their academic counterparts to determine common language, and places where academic skills can be reinforced in the CTE classrooms. CTE Teachers are also encouraged to plan with their academic peers to promote true integration of academic skills into the CTE classroom. Several of our high schools offer Career Academies where integration of academic skills is a part of the National Career Academy Coalition certification process. We are in the process of expanding career academies to new schools.

Section 5. Equity and Access for Special Populations

A – Activities related to equity and access for special populations as defined in the Perkins V Act.

Eligible recipients must respond to the narrative questions in Part 5-A.

Describe how your agency will:

	Response
i. Describe how your agency will provide activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations that will lead to self-sufficiency.	The School District of Manatee continues to work closely with school and ESE personnel to offer accommodations, modifications and support to students in special populations. Additionally, we will provide for field trips, college & career fairs, leadership events, OJT and internships where appropriate to recruit and retain special populations into high-skill, high-wage, and in-demand industries in our area.

	During the 2022-2023 school year we will continue to support CTE options for our alternative school (Horizons). We will focus on high demand job opportunities that will accommodate the unique circumstances of the students who are served by this school. All special populations are integrated into our existing CTE programs and are given access to all aspects of all programs including the opportunity to take industry certifications, participate in CTSOs, and work-based learning activities.
ii. Describe how your agency will prepare CTE secondary participants for non-traditional fields.	The School District of Manatee will provide for field trips, college & career fairs, leadership events, OJT and internships where appropriate to recruit and retain students into non-traditional fields. Additionally, on all publications we will include students who represent our population and depict those non-traditional fields in a positive light. We also employ teachers from special populations and in non-traditional fields, and will continue to recruit these employees.
iii. Describe how your agency will provide equal access for special populations to career and technical education courses, programs, and programs of study.	All secondary CTE programs are available to all students in Manatee County. Students are free to choose courses at will and have access to all CTE courses at their school. The only constraints on course choice are based around the need for the student to participate in remediation and the availability of courses based on their schedule. There is no application process or minimum GPA requirement to gain entry to a program. Additionally, students may apply for school choice (based on availability) if a program is not available at their districted school. During our CLNA process, we consulted with local stakeholders and found that they feel that students have equal access to programmatic offerings but are often hindered from taking CTE programs because of the district's remedial course expectations for students who score a 1 or 2 on the state testing. CTE staff will continue to participate in the district's student progression plan committee to address this issue. We will continue to work closely with our Title 1 and Migrant counterparts to ensure that any barriers are addressed in a timelymanner.

iv. Describe how your agency will ensure that members of special populations will not be discriminated against based on their status as members of special populations in the 2022-2023 program year.	The School District of Manatee County does not discriminate on the basis of race, color, national origin, gender, age, disability, marital status or genetic information in its educational programs, services or activities, or in it hiring or employment practices. The district also provides equal access to its facilities to the Boy Scouts and other patriotic youth groups, as required by the Boy Scout of American Equal Access Act. Any employee, student, applicant for admissions, applicant for employment, volunteer, vendor, or member of the public who believes he/she has been discriminated against or has been harassed by an employee, student, or other third part who is subject to control of the School Board on account of race, color, national origin, gender, age, disability, marital status, genetic information or any other basis prohibited by law, is encourage to use the appropriate grievance procedures set forth in School Board Policy 2.19– Discrimination and Harassment Prohibited

Section 6. Opportunities for Work-Based Learning

A – Activities related to work-based learning opportunities.

Eligible recipients must respond to the narrative questions in Part 6-A.

	Response
i. Describe how your agency will provide work-based learning opportunities to students participating in your CTE secondary programs and the types of opportunities that will be available.	We will continue to offer OJT programs that support existing CTE programs and expand those programs as CTE offerings increase. Additionally, DCT programs will be available where programmatic OJT does not exist and in addition to some regular OJT programs. OJT will also be offered at our alternative high school (Horizons Academy) when appropriate to service students who are behind in credits and have other challenges that can't be addressed in a regular school setting. We are exploring the world of pre-apprenticeships, but need more local post-secondary apprenticeships to pair them with.

	We will work with Career Source and local business and industry leaders to offer work-based learning opportunities like OJT and internships designed to lead to future employment. It is our goal to employ a Program Improvement/Work-based Learning Specialist to assist schools in creating or improving their work-based learning opportunities to include OJT, Internships, Apprenticeships and Teacher/Student Externships. This will allow for more dedicated interaction with local business/industry partners to create opportunities for students in our community. Due to COVID-19 we were not able to hire this position last year, but were able to hire at the end of the 21-22 program year. This individual will begin work on June 1, 2022.
ii. Describe how your agency will work with representatives from local businesses/industry to develop and/or expand work-based learning opportunities for CTE secondary students in the 2022-2023 program year.	In addition to the strategies listed above, we will continue to work with our business partners to strengthen the bond between our local workforce community and our secondary programs. One example of that partnership is the newly formed Sarasota Manatee Manufacturing Association's Workforce Development Committee. This committee exists for the sole purpose of connecting the local manufacturing community with its future workforce (the schools).

Section 7. Opportunities for Postsecondary Credit for Secondary Students

A – Activities related to postsecondary education

Eligible recipients must respond to the narrative question in Part 7-A.

	Response
Describe how your agency will provide students participating in CTE programs with opportunities to gain postsecondary credit while attending high school, such as through dual or concurrent enrollment or early college high school in the 2022-2023 program year.	We offer high school students the opportunity to enroll in both MTC and SCF for the purpose of dual enrollment as early as 16 years old. MTC opportunities are offered during the school day and in the evening and SCF opportunities are offered as a part of our dual enrollment agreement. MTC offers more than 15 programs to high school students through the career dual enrollment process. This year we will also be offering dual enrollment on a few of our high school campuses. This will be our first attempt to offer DE on more than one high school campus. Students also earn postsecondary credit through industry certification and articulation of high school program completion to postsecondary institutions in our immediate service area and in the Tampa Bay region through the Tampa Bay Regional Articulation Agreements.

Describe how your agency will provide students participating in CTE programs with opportunities to gain postsecondary credit while attending high school, such as through dual or concurrent enrollment or early college high school in the 2022-2023 program year.

Section 8. Support for CTE personnel

A – Activities related to support for CTE personnel

Eligible recipients must respond to the narrative questions in Part 8-A.

	Response
i. Describe how your agency will coordinate with institutions of higher education to support the recruitment, preparation, retention, and	Manatee offers robust alternative certification opportunities that include a para to teacher pathway, alternative teacher certification for those wishing to obtain a state teaching certificate and a local certification option for

training, including professional development of teachers, faculty, administrators, school counselors and other guidance personnel (career advisors), specialized instructional support personnel and paraprofessionals, particularly those taking alternative routes to certifications.	teachers who have business and industry experience. We have a well defined partnership with the University of Florida—College of Agriculture and Life Sciences to offer pre-service teachers internship opportunities and often translate to future employment. We will continue to work with our post-secondary partners to increase CTE offerings at that level and will continue to work closely with the Florida Association for Career and Technical Education to utilize their course offerings for our locally certified teachers.
ii. Describe how you will identify and support those underrepresented in the teaching profession.	By offering a robust system of support to new, transitioning and veteran teachers we are removing barriers for all groups. Support for teachers includes non-contracted hourly compensation while at the CTSO official events, paid curriculum writing opportunities, paid summer training, targeted industry training, peer mentoring and district office support.

Section 9. Performance of Special Populations and Subgroups

A – Activities related to performance of special populations and subgroups

Eligible recipients must respond to the narrative question in Part 9-A.

	Response
Describe how your agency will address disparities or gaps in performance in special subpopulations and subgroups in each year of the plan, and if no meaningful progress is achieved prior to the third program year, describe additional actions that will be taken to eliminate such disparities or gaps in the 2022-2023 program year.	The first step in addressing the disparities or gaps is to identify them. We have added additional data elements in our student information system, and we will track the trends in performance of identified individuals. Once identified, students can be offered additional services based on their special subpopulation. These services could include additional counseling and special accommodations based on their situation. We will work closely with our ESE counterparts to support their efforts in establishing robust IEPs and 504s for students who require that support. CTE also connects with these subpopulations through the various departments and community agencies that work specifically with the different groups to provide opportunities for CTE classes and equity in access. We will continue to train our instructors in best practices to support the various sub populations. We will further identify barriers that theses populations could encounter and work to eliminate those barriers. We will rely on our community partners to help us identify the best ways to address

	any disparities in performance through continued dialog that began with our CLNA activities. *Individuals in minority racial and ethnic groups—Ensure equal access and provide guidance services to students who qualify for special programs based on their racial or ethnic group. *Individuals with disabilities—ensure equal access to all CTE programs and support from our ESE department and provide any identified services. *Individuals from economically disadvantaged families, including low-income youth and adults—Ensure equal access to all CTE programs and rely on our industry partners for best practices in supporting this subpopulation. *Individuals preparing for non-traditional fields—Provide equal access and individualized consultation on opportunities available to students in non-traditional fields. *out-of-workforce individuals—NA for secondary *English learners—Ensure equal access and provide services where appropriate through our English Language Learners program. *Homeless individuals—Ensure equal access and provide referrals to our Homeless Education program. *Migrants—Ensure equal access and provide referrals to our Migrant Education program. *Youth who are in or have aged out of the foster care system—Ensure equal access and provide referrals to our psychologist/social workers and guidance counselors. *Youth with a parent who— Is a member of the armed forces and is on active duty—Work with school counselors, psychologist and social workers to support these students.

Section 10. Accountability and Program Improvement

All districts must maintain robust data collection and management systems. In addition, processes must be in place to review program performance on a regular basis. An overview of accountability requirements for Perkins V may be found in **Attachment C** and the *2022-2023 Perkins V Implementation Guide*.

Eligible recipients must respond to the narrative questions in Part 10-A.

	Response
A. Describe the agency's data management information system and practices related to tracking student outcomes, maintaining quality of the data, data privacy, continuous monitoring of program performance, and the ability to identify and quantify any disparities or gaps in performance especially with regard to special populations.	The School District of Manatee utilizes the FOCUS system for the purpose of managing student information. All student data is entered into this system and is accessible through various reports. Staff, including school registrars, college & career advisors, and CTE staff regularly update critical information so that the most accurate information is available when needed. There is a rigorous process of entering and tracking industry certification data so that it is as accurate as possible. Student data is evaluated regularly to determine the success of a program/certification. Adjustments are made when necessary and appropriate.

Reminder: As part of the 2020-2021 application process, eligible recipients identified the agreed upon levels of performance for the core indicators for each of the program years covered by the local four-year plan. Eligible recipients will be held accountable for these performance targets beginning with the data from the 2020-2021 program year. Program Improvement Plans (PIP) will be required for those measures not meeting at least 90% of the agreed upon performance level. Procedures for identifying measure performance and submitting PIPs will be provided under separate cover.

Section 11. Support for Reading/Strategic Imperatives (FLDOE Requirement)

A – Activities related to reading and strategic imperatives included in the State Board of Education's K-20 Strategic Plan

Eligible recipients must respond to the narrative question in Part 11-A.

	Response
Describe how the project will incorporate one or more of the Goals included in the State Board of Education's K-20 Strategic Plan. URL: http://www.fldoe.org/policy/state-board-of-edu/strategic-plan.stml	The Manatee Career & Technical Education programs incorporate Florida's State Board of Education Strategic Plan Goals 1, 2, and 3. **Goal 1, highest student achievement,** is incorporated by following the Department of Education standards for student achievement of occupational completion points. Using NRS approved assessment instruments we ensure standardized results and outcomes for all students. We focus on increasing the number of highly effective teachers through the professional development supported by Perkins, such as obtaining industry accreditations. **Goal 2, seamless articulation/maximum access**, is incorporated by encouraging all students to take part in the Florida Ready to Work exam and to earn an industry certification. Each student is equipped with the latest digital technology. Through the supportive services offered through the career and technical education programs, our students can earn their high school diploma and become ready for today's job market. **Goal 3, skilled workforce/economic development,** we will continue to expand opportunities for our secondary programs to offer more industry certifications and work-based learning opportunities. As a part of our ongoing program improvement process, we will continue to evaluate each program/certification to ensure that the program is meeting the needs of business and industry and offering the most relevant industry certification for the program. **Reading and math** comprehension strategies are incorporated into all career/technical classes. Students who are having difficulties achieving sufficient scores are encouraged to see one of our 6 (federal grant funded) Academic Advisors for additional assistance and remediation. Student Mentor Advocates will even track the performance of some students and intervene when they are in need of support. Science strategies are addressed through our smaller learning communities' effort where teachers create and implement an integrated curriculum; so the academic core, including science, is integrated with all courses in the career area.

Section 12. Notice Regarding Automotive Service Technology Education Programs (State Requirement)

A – Documentation of Automotive Service Technology Program

Eligible recipients must respond to the narrative question in Part 12-A.

Florida Statute 1004.925 states: *All automotive service technology education programs shall be industry certified in accordance with rules adopted by the State Board of Education. A*utomotive Service Technology education programs that are not industry certified or are not in the certification cycle will not be permitted to use Perkins funds to support such programs, unless the funds are used to obtain certification for the program.

Eligible recipients must provide documentation of industry certification or evidence that the program is in the process of obtaining certification as part of the application package.

The instructor in the program at Parrish Community High School (our only standalone Automotive program) is also employed by Manatee Technical College as an automotive instructor under this ASE credential. Because PCHS has not yet had a graduating class (May 2022), they can't be accredited under the ASE banner. The instructor is certified and has begun the ASE certification process that includes the implementation of a robust advisory council.

Education Foundation

CERTIFICATE OF ACCREDITATION

This is to signify that:

Manatee Technical College

Secondary & Post-Secondary

Expires 2/1/2025

Has been evaluated by the

ASE Education Foundation

in the areas of instruction, course of study, facilities and equipment, and meet the standards of quality for the training of Automobile technicians at the following level:

Master Automobile Service Technology

Timothy A. Zilke
President, ASE

Michael Coley
President, ASE Education Foundation

Section 13. Federal Programs - General Education Provisions Act (GEPA) (Federal Requirement)

A – Description of process to ensure equitable access

Eligible recipients must respond to the narrative question in Part 13-A.

	Response
For the fiscal year 2022-2023, provide a concise, one-page description of the process to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs. For details, refer to URL: http://www.ed.gov/fund/grant/apply/appforms/gepa427.pdf	In accordance with the requirements of Section 427 of the GEPA Public Law 103-382, here set forth is Manatee School District's GEPA Plan to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs. No employee, student, applicant for admission or applicant for employment, volunteer, vendor, or member of the public, shall, on the basis of race, color, national origin, gender, disability, marital status, age, genetic information or any other basis prohibited by law, be excluded from participation in, be denied the benefits of or be subjected to discrimination or harassment under any educational programs, activities, services, or in any employment conditions, policies or practices conducted by the Manatee County Public School System. The District shall comply with all state and federal statutes relating to nondiscrimination, including but not limited to Florida Statutes: Title VII, Title IX, the Americans with Disabilities Act of 1990 (ADA) Section 504 of the Rehabilitation Act of 1973, ADEA, Section 1000.05 Florida Statutes (2005). Manatee District Schools Career & Technical Education programs make accommodations and modifications for students and teachers with disabilities. Instructional accommodations include learning environment, methods and materials, and assignments and assessments. Testing accommodations include presentation, time, and assistive devices. Other support services include personnel (interpreters, readers, tutors) and assistive technology, such as special keyboard, talking calculator and computers. Teachers refer students with disabilities to an ESE coordinator who works with students, teachers, and administration to ensure students with disabilities receive the services they need. Additionally, students make requests for their chosen classes are placed based on grade level, request rank and attainment of prerequisite courses (finishing the first level before the second level). The only barrier to

	access is if a student does not have the required room in their schedule to accommodate the requested course.

Section 14. Budget Narrative Requirements and Secondary CTE Assurances Form

A – Complete Budget Narrative DOE 101 Form and Secondary CTE Assurances Form

Eligible recipients must complete both items listed above in Part 14-A.

AGENDA ITEM NO. 8.2

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Accept Funds and Renew the Service Agreement Between the District Board of Trustees of State College of Florida (SCF) and the School District of Manatee County for Partial Funding of Career Pathways Coordinator Salary, in the Amount of $22,000.00

Executive Summary
For more than 15 years, State College of Florida (SCF) has paid a portion of the Career Pathways Coordinator salary. The Career Pathways Coordinator programmatically guides career/technical high school students in earning industry certification and assists them in becoming secondary program completers. Through classroom presentations, the coordinator guides students in their program of study, which leads to postsecondary education. This position also coordinates the development of articulation agreements between secondary and postsecondary institutions. SCF to pay $22,000.00 for the period of July 1, 2022 through June 30, 2023.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Adult, Career & Technical Education | Goal 1
Implement curriculum opportunities for students to learn technical skills with a wide range of strategies through their educational career.

Adult, Career & Technical Education | Goal 2
Implement curriculum opportunities for students to learn people skills with a wide range of strategies through their educational career.

Recommendation
The Superintendent recommends approval to accept funds and renew the service agreement between the District Board of Trustees of State College of Florida (SCF) and the School District of Manatee County for partial funding of Career Pathways Coordinator salary, in the amount of $22,000.00.

Financial Impact
There will be no cost to the General Fund. The District is projected to receive funds from SCF in the amount of $22,000.00 for the 2022-2023 school year.

SCF Career Pathways Agreement 2022-2023

SERVICE AGREEMENT BETWEEN
DISTRICT BOARD OF TRUSTEES OF STATE COLLEGE OF FLORIDA, MANATEE-SARASOTA
AND
SCHOOL DISTRICT OF MANATEE COUNTY
2022-2023

This agreement shall be between the District Board of Trustees of State College of Florida, Manatee -Sarasota located at 5840 26th Street West, Bradenton, Florida 34207 (hereinafter referred as "SCF"), and service contractor, School District of Manatee County ("SDMC") located at 215 Manatee Avenue West Bradenton, Florida 34205. Specifically, the SDMC shall provide SCF with an hourly waged (= or < **$22,000 : 1 year**) **Career Pathways Coordinator**, under contract, between July 1, 2022 – June 30, 2023, to programmatically guide career/technical high school students in earning industry certification and becoming secondary program completers as well as development of Programs of Studies and Articulation Agreements. This contract will be paid exclusively through the use of Carl D. Perkins funds (Perkins) awarded to SCF. The Grant/Agreement Notification of Award/Obligation (hereinafter referred to as "GRANT"), is incorporated herein by reference and attached hereto as ATTACHMENT "Three". The purpose of the GRANT is to strengthen the career and technical skills of students participating in the career and technical educations programs thereby bolstering the regional workforce. The fiscal/programmatic agreements were made in accordance with the *State of Florida Contract and Grant User Guide*, Chapter 3, Agreements at URL: http://www.myfloridacfo.com/ASdir/docs/ContractandGrantManagementUserGuide.pdf.

01. ARTICLE 1: SCOPE OF WORK AND PROVISIONS

Summary of Terms and Conditions

The Term of this Service Agreement shall be for the twelve (12) months, beginning on July 1, 2022, and ending on June 30, 2023 (programmatic and budget period), pending approval by the Funding Agency, the Florida Department of Education. Work may commence as of the Funding Agency's approval date. No grant funds may be disbursed for program expenses incurred prior to the Funding Agency approval. SCF hereby agrees to release **$22,000** in funds from its **$431,899** Perkins Grant funds (or such other amount as may be approved by the Funding Agency) as defined by deliverable schedule as shown in Article 2 in the following six (6) services:

The one **(1)** contract **Career Pathways Coordinator** shall formally revise and present to SCF any necessary revisions of the 2022-2023 agreement between July 1, 2022 and June 30, 2023 in any of the following thirty **(30)** CTE program areas: **(1)** Building Trades & Construction Design→Construction Mgmt Technology, **(2)** Drafting→Construction Mgmt **(3)** Air Conditioning, Refrigeration & Heating Technology→Construction Management Technology, **(4)** Digital Video Technology→Digital Cinema, Digital Design →Graphic Design Support Technology, **(5)** Digital Design→Graphic Design Technology, **(6)** Accounting Applications to Accounting Technology, **(7)** Accounting Applications → Accounting Certificate **(8)** International Business→Business Administration **(9)** Medical Administrative Specialist→Business Administration Mgmt, **(10)** Marketing→Business Administration/Marketing, **(11)** Business Mgmt and Analysis→ Business Administration/Management Specialization, **(12)** Administrative Office Specialist →Business Administration/Management, **(13)** Marketing→Risk Management **(14)** Early

Childhood Education→ Early Childhood Education, **(15)** .Net Application Development → Computer Science Programs **(16)** Applied Cybersecurity → Computer Science Programs, **(17)** Web Development→Computer Science Programs **(18)** Computer Systems Information Technology→ Computer Science Programs, **(19)** Information Technology→Computer Science Programs, **(20)** JAVA Development & Programming→Computer Science Programs, **(21)** Legal Administrative Specialist → Paralegal/Legal Assisting, **(22)** Fire Science→Fire Science **(23)** Biomedical Sciences → Biotechnology, **(24)** Electronics Technology → Certificate: Electronics **(25)** Electricity→ Certificate: Engineering Technology Support Specialist, **(26)** Applied Engineering Technology → Certificate: Engineering Technology Support Specialist, **(27)** Applied Engineering Technology→Engineering Technology, **(28)** Electronics Technology→ Engineering Technology **(29)** Engineering Pathways→Engineering Technology, and **(30)** Applied Robotics→Engineering Technology

The **Career Pathways Coordinator shall formally** (in writing) develop and present to SCF any necessary revisions of the 2022-2023 agreement.

- The **Career Pathways Coordinator** shall develop, facilitate and/disseminate formally (in writing) career pathway Program of Study templates, and facilitate a minimum of three (3) fifty-minute sessions to twelve grades 9-12 or technical school classes (minimum of 25 students per session) re: emerging/developing programs at SCF between July 1, 2022 and June 30, 2023 as allowed by schools and public gathering guidelines.

- The **Career Pathways Coordinator** shall have a physical presence on the SCF campus at least one day per week between July 1, 2022 and June 30, 2023 with agreed upon schedule that meets student needs and will attend Program Manager meetings and advisory council meetings as requested.

- The **Career Pathways Coordinator** shall formally (in writing) verify that a minimum of five hundred (300) CTE students at SDMC high schools earn CTE credit between July 1, 2022 and June 30, 2023.

- The **Career Pathways Coordinator** shall formally (in writing) verify that a minimum of three hundred (300) CTE students at SDMC County high schools earn industry certification between July 1, 2022 and June 30, 2023.

Florida Department of Education - Project Application and Amendment Procedures for Federal and State Programs (Green Book) http://www.fldoe.org/comptroller/gbook.asp

SDMC will consult the Excluded Parties List System website (http://www.epls.gov) before conducting business with any organization involved in the Project. If SDMC knowingly contracts with a listed firm, SCF may disallow costs, issue a stop work order, or take other remedies as appropriate, subject to Articles 6 and 7 herein.

SDMC must notify SCF in writing of any desired programmatic or budget change prior to implementation of that change. Should SCF determine that prior written approval from the Funding Agency is required, SCF will submit a written request to the Funding Agency, and SDMC will not implement the change until it receives written confirmation of Funding Agency approval from SCF.

03. ARTICLE 3: INSPECTION OF RECORDS

The Florida Department of Education, the State of Florida Division of Financial Services and the U.S. Department of Education, or their agents, may inspect all records related to this Service Agreement. Such records will be available in the SCF's Office for Finance and its Perkins and Career Pathways offices. Access to a student's education records as defined by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. s. 1232g and federal regulations issued at 34 C.F.R. 99.1 et seq., is permitted based on Florida Statute Section 1006.52(2), FERPA regulation section 34 C.F.R. 99.31, and signed student consent language contained in the SCF Career Pathways College Credit Permission Form and the articulation agreements between SCF and SDMC. All parties receiving access to student educational records must use and maintain them in accordance with FERPA, including any requirements with regard to re-disclosure and recordkeeping.

04. ARTICLE 4: REMEDIES FOR NON-COMPLIANCE/NON-PERFORMANCE OF SERVICES

In the event that SDMC does not fulfill the requirements set forth under Articles 1and 2, SCF will not reimburse the district for non-compliance or non-performance.

05. ARTICLE 5: REQUIRED REPORTS

SDMC shall prepare and submit six formative (monthly) reports and an annual summative programmatic and financial status report to SCF as justification for reimbursement for performance upon request.

06. ARTICLE 6: PAYMENT TERMS

SCF will contribute no more than $22,000 of its allocated Perkins Grant to SDMC, upon the completion and documented validation of services in accordance with the deliverables and dates specified above in Articles 1 and 2. In the event funding is reduced by the Funding Agency during the term hereof, resultant adjustments shall be made.

SCF shall provide payment to SDMC on a reimbursement basis for actual expenses incurred by SDMC for Services under this Agreement, within the budgets set out in this Agreement.

SDMC shall submit quarterly invoices and backup documentation including but not limited to payroll reports (PARS), SDMC invoices, travel reimbursements, financial report (FR 399) and other paperwork to the SCF Finance Office on or before the 12th of each month following the end of the month the expenses were paid, with the final billing request and summary of Activities and resulting outcomes due by July 12, 2023.

The budget for SDMC is attached to this Agreement as Attachment "Two".

Final fiscal and program reports, including the final billing request and a summary of the activities and resulting outcomes, must be submitted to SCF by the 12th working day of July, 2023 to allow sufficient time for final reimbursement to SDMC, account reconciliation, and compilation of program outcomes.

No equipment will be purchased with grant funds without prior approval of SCF. The final invoice submitted to SCF by SDMC must include the following statement: "SDMC certifies that any grant-funded equipment, materials, supplies, and/or instrumentation were purchased, delivered, and used in support of approved grant activities prior to the end of the approved funding period, and that the current per unit fair market value of any remaining grant-funded equipment does not exceed $5,000.00." If SDMC cannot provide this certification statement for any reason, SDMC must notify SCF in writing at least fourteen (14) calendar days prior to submission of the final invoice, to request specific instructions regarding submission of the final invoice. Any equipment purchased will be tracked in accordance with Perkins Grant requirements.

SCF will not be responsible for reimbursement of any expenses that cannot be documented as having been purchased, delivered, and used in support of approved grant activities prior to the last day of the approved funding period.

07. ARTICLE 7: RECORD KEEPING

SCF Office for Finance and the Perkins and Career Pathways Offices will maintain both financial and programmatic records related to the performance of this Agreement. The FLDOE, DFS, the USDOE, and the Florida Auditor General, or their agents will have access to such records upon request, subject to the provisions in Article 3 "Inspection of Records" of this Agreement. Records will be maintained for five years from the last day of the program or longer as may be required by law if there is an ongoing investigation or audit.

08. ARTICLE 8: COST ACCOUNTING

SCF has an adequate cost accounting system and will serve as fiscal agent for the Manatee Consortium. In accordance with the deliverable schedule as shown in Article 2, SCF will contribute no more than $22,000 of its Perkins Grant funds to SDMC as reimbursement for performance. SCF Office for Finance will provide fiscal oversight of the Consortium funds.

09. ARTICLE 9: NON-EXPENDABLE PROPERTY

Funds provided through this Service Agreement will not be used to acquire non-expendable property as described in the FLDOE, Request For Application for the Carl D. Perkins, Career and Technical Education, Postsecondary, Section 132.

10. ARTICLE 10: RETURN OF UNUSED FUNDS

In the event of unused funds for this Service Agreement at the close of the grant year, the fiscal agent, SCF, will return the unused funds to the FLDOE.

11. ARTICLE 11: COST

In accordance with the United States Office of Management and Budget ("OMB") Circular A-21 "Cost Principles For Educational Institutions," all costs associated with this Agreement are reasonable, allowable, allocable, and documented, and require repayment for all disallowed costs.

12. ARTICLE 12: AUDITS

Audits pursuant to this Agreement shall be governed as provided in "Audit Requirements," attached hereto and incorporated herein as Attachment One with Exhibit One.

13. ARTICLE 13: MONITORING PROCESS

In accordance with the Strengthening Career and Technical Education for the 21st Century Act of 2018(Perkins V), the Consortium will comply with program and fiscal requirements related to the monitoring process according to applicable federal and state laws and regulations specified by: Education Department General Administrative Regulations (EDGAR), Office of Management and Budget (OMB) Circulars, and Florida Department of Financial Services *Reference Guide for State Expenditures* and guidelines published in the Florida Department of Education's *Green Book*.

14. ARTICLE 14: TERMINATION

This Agreement may be terminated if any member of the Consortium fails to perform its duties or responsibilities under this Agreement and/or in accordance with the conditions for a Consortium as described in the Strengthening Career and Technical Education for the 21st Century Act of 2018 (Perkins V) (2022-2023 Edition) Florida Department of Education.

This Agreement may be terminated by either Party with or without cause by giving thirty (30) days written notice to the other Party. Additionally, this Agreement may be terminated by SCF as follows:

(a) In the event that SDMC materially defaults in the performance of any duty, obligation, covenant or agreement made in this Agreement, then SCF shall provide to SDMC written notice specifying the Event of Default. SDMC shall have fifteen (15) days within which to initiate action to correct the default and thirty (30) days within which either to cure the default, or to demonstrate to the satisfaction of SCF that corrective action has been taken and will likely result in curing the default. In the event that the SDMC fails to cure the default, SCF will have the right to terminate this Agreement. In such case, SCF shall provide thirty (30) days written notice to effectuate said termination.

Notice shall be sufficient if delivered to SDMC, personally, or mailed by certified mail to the following individual at this address, with copies as listed thereafter:

Dr. Paul Gansemer, Executive Director Adult, Career & Technical Education
School District of Manatee County
215 Manatee Avenue West
Bradenton, FL 34205

Copies of the written notice must be sent to the following:

Doug Wagner, Deputy Superintendent of Operations
School District of Manatee County
215 Manatee Avenue West
Bradenton, FL 34205

(b) Termination by the Funding Agency of its Grant with SCF shall constitute grounds for immediate termination of this Agreement by SCF.

(c) The filing of a voluntary or involuntary petition in bankruptcy, the appointment of a receiver, or an assignment for the benefit of creditors by SDMC shall constitute grounds for immediate termination of this Agreement by SCF.

(d) If the Agreement is terminated by SCF or by the SDMC for convenience, due to SDMC breach, or due to termination of the Grant, within thirty (30) days of termination, SDMC will pay to SCF all monies paid in advance by or on behalf of SCF to or on behalf of the SDMC, or SCF will reimburse any outstanding funds due to SDMC for allowable costs through the date of termination.

15. ARTICLE 15: MODIFICATIONS

The Parties may amend and modify this Agreement from time to time by mutual written agreement, provided that this Agreement and amendment or modification thereto shall not conflict with the terms of the Grant without the written consent of the Funding Agency, nor

shall any amendment or modification be effective unless it is in writing and signed by both Parties or their duly appointed designees.

16. ARTICLE 16: GENERAL PROVISIONS

This Agreement contains the entire agreement of the Parties hereto concerning the subject matter hereof as of the date hereof and shall be binding upon and shall inure to the benefit of the Parties, their successors and assigns. No waiver of any covenant or condition of this Agreement by either Party shall be deemed or implied to constitute a further waiver of same or any other covenant or condition of this Agreement.

In any action brought to enforce any provision of this Agreement, the prevailing Party shall be entitled to collect reasonable attorneys' fees and other costs, as permitted by Florida law.

This Agreement shall be construed both as to meaning and effect under the laws of the State of Florida.

Each Party agrees to be fully responsible for its own acts of negligence and the acts of negligence of its respective officers, agents, and employees acting within the scope of their agency or employment and agrees to be responsible for any damages resulting from said negligence subject to the limitations and defenses provided by section 768.28 of the Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by SCF or SDMC. Nothing herein shall be construed as consent by SCF or SDMC to be sued by third parties in any manner arising out of this Agreement.

SCF and SDMC are institutions of the State of Florida, and their "self-insurance" limitations are provided for by law. The Parties are provided with comprehensive general liability insurance with the limits of Two Hundred Thousand Dollars and Zero Cents ($200,000.00) per person, Three Hundred Thousand Dollars and Zero Cents ($300,000.00) per occurrence, pursuant to the terms and limitations of Florida Statutes, Section 768.28 and Florida Statutes, Chapter 284, Part II, as the same may be amended from time to time.

Neither SCF nor SDMC shall be responsible for its default, delay or failure to perform any terms or conditions of the Agreement when failure to perform is due to causes beyond such party's reasonable control including, but not limited to: civil unrest, strike, lockout, flood, action or in action of governmental authorities, epidemic, war, act of terrorism, embargo, fire, earthquake, hurricane, windstorm, act of God or default of common carrier. In the event of such default, delay or failure to perform, any date or times by which either party is otherwise scheduled to perform may be extended for a period of time equal in duration to the time lost by reason of the excused delay, default or force majeure upon agreement of the Parties and the Funding Agency.

Each of the Parties is an independent contractor and nothing contained herein shall constitute or designate any of the employees or agents of one party as employees or agents of the other party.

Both parties agree to abide by all laws and regulations regarding student records, including Family Education Rights and Privacy Act (FERPA).

SDMC acknowledges and agrees that any expenses incurred above and beyond the grant funds shall be borne and paid by SDMC. SDMC will be liable for any program funds used for purposes other than payment of costs listed in the approved budget.

ATTACHMENT ONE
AUDIT REQUIREMENTS

The administration of resources awarded by the Florida Department of Education ("Department") to the Manatee Career Pathways Consortium ("Recipient") Recipient may be subject to audits and/or monitoring by the Department, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department staff to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

1. In the event that the Recipient expends $500,000 or more in Federal awards in its fiscal year, the Recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Attachment One to this Service Agreement indicates Federal resources awarded through the Department by this Agreement. In determining the Federal awards expended in its fiscal year, the Recipient shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the Recipient conducted by the Auditor General in accordance with the provisions OMB Circular A-133, as revised, will meet the requirements of this part.

2. In connection with the audit requirements addressed in Part I, paragraph 1, the Recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

3. If the Recipient expends less than $500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Recipient expends less than $500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Recipient resources obtained from other than Federal entities).

PART II: OTHER AUDIT REQUIREMENTS

No additional audit requirements have been imposed.

PART III: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by PART I of this Attachment One to the Service Agreement shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the Recipient directly to each of the following:

   A. The Department at each of the following addresses:

   B. The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, should be submitted to the Federal Audit Clearinghouse), at the following address:

      Federal Audit Clearinghouse
      Bureau of the Census
      1201 East 10th Street
      Jeffersonville, IN 47132

   C. Other Federal agencies and pass-through entities in accordance with Sections .320 (e) and (f), OMB Circular A-133, as revised.

2. In the event that a copy of the reporting package for an audit required by PART I of this Attachment One to this Service Agreement and conducted in accordance with OMB Circular A-133, as revised, is not required to be submitted to the Department for the reasons pursuant to Section .320 (e)(2), OMB Circular A-133, as revised, the Recipient shall submit the required written notification pursuant to Section .320 (e)(2) and a copy of the Recipient's audited schedule of expenditures of Federal awards directly to each of the following (*If the State awarding entity, pursuant to Section .320(f), OMB Circular A-133,wants a copy of the reporting package described in Section .320(c) and/or a management letter, the State awarding agency should replace the above language with the following language*) Pursuant to Section .320 (f), OMB Circular A-133, as revised, the Recipient shall submit a copy of the reporting package described in Section .320 (c), OMB Circular A-133, as revised, and any management letter issued by the auditor, to the Department at each of the following addresses:

   Department address(es) (i.e., office(s) responsible for program oversight)

3. Any reports, management letter, or other information required to be submitted to the Department pursuant to this Attachment One to this Service Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

4. Recipients, when submitting financial reporting packages to the Department for audits done in accordance with OMB Circular A-133 or Chapters 10.550 (local governmental

entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Recipient in correspondence accompanying the reporting package.

PART IV: RECORD RETENTION

1. The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Attachment One to this Service Agreement for a period of five years from the date the audit report is issued, and shall allow the Department or its designee, CFO, or Auditor General access to such records upon request. The Recipient shall ensure that audit working papers are made available to the Department or its designee, CFO, or Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department.

EXHIBIT – 1
To Attachment One of the Service Agreement

FEDERAL RESOURCES AWARDED TO THE RECIPIENT PURSUANT TO THIS SERVICE AGREEMENT CONSIST OF THE FOLLOWING:

Federal Program: U.S. Department of Education, Carl D. Perkins, Career and Technical Education Secondary and Postsecondary Programs, Sections 131 and 132, CFDA #84.048 -

COMPLIANCE REQUIREMENTS APPLICABLE TO THE FEDERAL RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

Federal Program: U.S. Department of Education, Carl D. Perkins, Career and Technical Education Secondary and Postsecondary Programs, Sections 131 and 132

The purpose of this federal award program is to develop more fully the academic and career and technical skills of postsecondary and secondary education students who elect to enroll in career and technical education programs.

ATTACHMENT THREE
GRANT/AGREEMENT NOTIFICATION OF AWARD/OBLIGATION
(To be attached upon receipt of award)

AGENDA ITEM NO. 8.3

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of the New Agreement Between the School Board of Manatee County and Pappou G LLC, DBA The Breakfast Company, for On-The-Job Training for Exceptional Student Education Students for June 2022-June 2025, No Financial Impact

Executive Summary
The School Board has, over the years, contracted with numerous providers for on-the-job training (OJT) career experiences for Exceptional Student Education (ESE) students as they transition from school to work.

In order for students to continue to fully participate in this type of on-the-job career experience program, it is necessary for each of the participating providers to sign an agreement with the school system.

This agreement will provide high school ESE students who are enrolled in a career experience course to earn elective credits towards a standard diploma. The program satisfies course credit requirements, as well as places emphasis on career and employability skills. An ESE teacher or job coach will provide supervision of the students. In addition, for ESE students who qualify for supported employment services through Vocational Rehabilitation (VR), Employment Specialists will assist both businesses and ESE students regarding work accommodations and modifications when necessary for job success. Students that participate in the OJT program at this job site will be taught, but are not limited to, skills in maintenance, custodial, and stocking skills.

A copy of the agreement is attached for review.
- New Agreement: Pappou G LLC, dba The Breakfast Company

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Adult, Career & Technical Education | Goal 1
Implement curriculum opportunities for students to learn technical skills with a wide range of strategies through their educational career.

Adult, Career & Technical Education | Goal 2
Implement curriculum opportunities for students to learn people skills with a wide range of strategies through their educational career.

Recommendation
The Superintendent recommends approval of the new agreement between the School Board of Manatee County and Pappou G LLC, dba The Breakfast Company, for on-the-job training for exceptional student education students for June 2022-June 2025, no financial impact.

Financial Impact
There is no financial impact.

Affiliation agreement The Breakfast Company

The School Board of Manatee County
Affiliation Agreement for Career Experience

AGREEMENT for affiliation with PAPPOU G LLC, dba The Breakfast Company
Address: 7246 55th Avenue East, Bradenton, FL 34203

This agreement is made between The School Board of Manatee County and PAPPOU G LLC, dba The Breakfast Company (hereafter called the Affiliating Site).

WHEREAS, it is of mutual interest and benefit that the students enrolled in the Career Experience Program, who are qualified as Exceptional Students, are provided the opportunity and benefit of the educational facilities of PAPPOU G LLC, dba The Breakfast Company for gainful employability skills and workplace competencies.

NOW, THEREFORE, in consideration of the premises, which are hereby deemed to be incorporated into this Agreement as an integral part hereof and not mere recital hereto, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Affiliating Site and Manatee County Public School Career Experience Sites hereby agree as follows:

RESPONSIBILITIES OF AFFILIATING SITE: The Affiliating Site shall perform all of the following duties and obligations with due diligence, care, and in good faith.

A. The personnel of the Affiliating Site will recognize the student as a participant in an educational program and will be willing to cooperate as appropriate to make arrangements for teaching situations for the student that will contribute to their growth and development of skills.

B. To select employees to serve as role-model trainers for the students.

C. Students shall not receive compensation for their participation in the above educational experiences.

D. The Affiliating Site will immediately notify the ESE Teacher/Job Coach, in the event of an accident, injury, or a medical emergency. The Job Coach will notify the appropriate emergency contact for that student.

E. Maintain business liability insurance.

F. To identify work areas for training students as deemed appropriate by the Affiliating Site's management staff.

G. To provide on-site supervision in specified training areas with the cooperation of the ESE teacher/Job Coach to be assigned by The Board.

H. To consider students who meet competency requirements for future employment.

RESPONSIBILITIES OF THE SCHOOL: The School Board of Manatee County shall perform all of the following duties and obligations with due diligence, due care and in good faith:

A. The School Board of Manatee County will provide a teacher/Job Coach of Exceptional Education to be available on a daily basis to work with the identified students. The Job Coach/teacher will

collaborate with the assigned site personnel to ensure that students' meet identified curriculum framework competencies and has the authority, after consultation with the Affiliating Site, to discontinue the training of any student deemed appropriate.

B. To provide transportation for the students to the worksite and back to the selected school center each day.

C. To require all participating students subscribe to the school accident insurance coverage and that evidence of this coverage be presented for each student to the Affiliating Site if requested.

D. To provide general liability "student in practicum" insurance coverage, covering any negligent acts committed by a student while enrolled in any on-the-job educational training programs.

Terms and Conditions:

Term and Renewal:

This Agreement shall be in effect from the date of the signature of the School Board Chair for a period of three years, through June 30, 2025, upon which time the School and Affiliating Site have the option, without change to this Agreement, to extend this Agreement for a period of an additional three years. Either the School Board of Manatee County or the Affiliating Site reserve the right to terminate this contract, with 30 days written notice.

Compliance with Jessica Lunsford Act:

The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at: http://www.manateeschools.net/pages/SDMC/Departments/District_Support_Services/Purchasing/Jessica_Lunsford_Act

ASSIGNMENT:

Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by The School Board of Manatee County upon thirty days written notice and The School Board of Manatee County will be released of any and all obligations under this contract.

THIRD PARTY BENEFICIARIES:

This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

GOVERNING LAW:

This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar

forum. The costs of such dispute will be borne by the individual party.

RELATIONSHIP OF PARTIES:

The parties are affiliating sites. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School Board of Manatee County does not direct or control the work or services to be performed, or how to perform such work or services under this agreement. Indemnification:

INDEMNIFICATION:

Subject to the limitations contained in Florida Statutes, each party shall indemnify, defend, and hold the other party, its affiliates and their respective trustees, governors, directors, officers, employees, contractors, subcontractors, and agents (collectively, the "Indemnified Parties") harmless from and against any and all liabilities, suits, actions, claims, demands, damages, losses, expenses, and costs of every kind and character (including, without limitation, reasonable attorney fees court costs, and expert witness fees) suffered or incurred by, or asserted or imposed against the party seeking indemnification (or its Indemnified Parties) to the extent resulting from, connected with, or arising out of any negligent or wrongful act or omission by the indemnifying party (or its Indemnified Parties)".

CONFIDENTIALITY:

Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008.

SOVEREIGN IMMUNITY:

The parties acknowledge and agree that the School Board of Manatee County, Florida, as a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

STANDARDS OF CONDUCT:

The affiliating site will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies.

SEVERABILITY AND WAIVER:

If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

FORCE MAJEURE:

The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such a acts of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event

that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

EQUAL OPPORTUNITY:

The provider agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or marital status.

FEDERAL DEBARMENT & SUSPENSION CERTIFICATION:

This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

TERMINATION FOR CAUSE AND CONVENIENCE:

Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to provider or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida.

Termination for Convenience—Termination of this contract in whole or in part may be made by the School Board of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

COMPLIANCE WITH THE SUNSHINE LAW:

The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

SCHOOL DISTRICT POLICY:

In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be effected with any individual or business entity in which any member of the School Board of Manatee County or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in F.S. 112.

COMPLIANCE WITH REGULATIONS:

Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the affiliating site will in no way be a cause for relief from responsibility. The affiliating site shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The successful affiliating site must not be in violation of any zoning or other ordinances in the performance of this contract.

SAFETY STANDARDS:

All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

OTHER PROVISIONS:

POSSESSION OF FIREARMS: Possession of firearms will not be tolerated on the project or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the provider/affiliating site, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the provider/affiliating site. If a sub-contractor fails to terminate said employee or independent contractor, the provider/affiliating site shall terminate its agreement with the sub-contractor. If the provider/affiliating site fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. “Firearm” means any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any destructive devise, or any machine gun. Powder actuated construction nailers and fasteners are excluded from this definition.

CRIMINAL ACTS: Employment on the project by the provider/affiliating site, or any of its subcontractors, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Provider/affiliating site agrees to take all steps necessary to remove such person from the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the provider/affiliating site does not comply with this provision.

POSSESSION/USE/UNDER THE INFLUENCE OF MIND ALTERING SUBSTANCES: Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Provider/affiliating site employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Provider/affiliating site. If a sub-contractor fails to terminate said employee or independent contractor, the Provider/affiliating site shall terminate its agreement with the sub-contractor. If the Provider/affiliating site fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee

County.

ENTIRE AGREEMENT:

This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. This agreement shall become effective on the agreement date, or the date on which the agreement has been signed by parties required to execute as indicated below and shall have a term not to exceed one year.

CUSTODIAN OF PUBLIC RECORD:

If the vendor has questions regarding the applicability of chapter 119, Florida statues, to the contractor's duty to provide public records relating to this contract, contact the custodian of public records: Public Records Custodian 215 Manatee Avenue W. Bradenton, Florida, 34205 (941) 708-8770 publicrecords@manateeschools.net

AGENDA ITEM NO. 8.4

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept and Expend Summer Learning Camps Program Grant, in the Amount of $1,153,144.00

Executive Summary
This grant is made available through the American Rescue Plan (ARP) Act, Elementary and Secondary School Emergency Relief (ESSER) Fund and must be used to create, develop, and implement summer learning camps. Focusing on students in grades Kindergarten – 12, the program performance period is from the date of the approved application through August 31, 2023. Programs must be held for a minimum of five weeks and address early literacy (grades K-3), secondary science, technology, engineering, and mathematics (STEM) and/or middle grades civics education.

Through this funding, the School District of Manatee County (SDMC) will have the means to create, develop and implement face-to-face summer learning camps that will provide English language acquisition support, opportunities for credit recovery for older students, and hands-on STEM learning experiences for two distinct, and high-risk student populations – Migrant Summer Camp and Summer ESE Literacy Program. Each program will provide targeted academic enrichment including foundational literacy skills, STEM-based projects, and access to educational field trips that bring science and STEM to life for these highly disadvantaged students. Transportation, breakfast, and lunch will all be provided daily as required by the grant.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Student Achievement | Goal 1
By 2023, 56% of our third-grade students will meet or exceed grade-level expectations for reading.

Student Achievement | Goal 2
Increase the average high school graduation rate by 2% points each school year (baseline: 2018-2019, 83.2%).

Recommendation
The Superintendent recommends the approval to apply, accept and expend the Summer Learning Camps Program grant, in the amount of $1,153,144.00.

Financial Impact
There will be no cost to the general fund. The District is projected to receive funds for the Summer Learning Camps grant, in the amount of $1,153,144.00.

CERTIFICATION

I, Cynthia Saunders, Superintendent, as the official who is authorized to legally bind the agency/organization, do hereby certify to the best of my knowledge and belief that all the information and attachments submitted in this application are true, complete and accurate, for the purposes, and objectives, set forth in the RFA or RFP and are consistent with the statement of general assurances and specific programmatic assurances for this project I am aware that any false, fictitious, or fraudulent information or the omission of any material fact may subject me to criminal, or administrative penalties for the false statement, false claims or otherwise. Furthermore, all applicable statutes, regulations, and procedures, administrative and programmatic requirements, and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Further, I understand that it is the responsibility of the agency head to obtain from its governing body the authorization for the submission of this application

Pending Board Approval

SUMMER LEARNING CAMPS
CFDA # 84.425U - TAPS Number: 22B118

1) Project Abstract: Through the support of the American Rescue Plan Act, Elementary and Secondary School Emergency Relief Fund, the School District of Manatee County (SDMC) will have the means to create, develop and implement face-to-face summer learning camps which will provide English language acquisition support, opportunities for credit recovery, and hands-on science, technology, engineering, and mathematics (STEM) learning experiences for two distinct, and high-risk student populations here in Manatee County. [Assurances 2, 8]

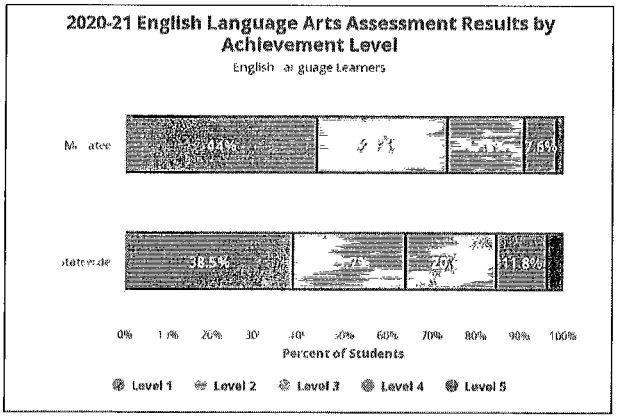
Migrant Summer Camp: SDMC will host a summer learning camp to support Manatee's migrant student population. Extended summer learning provides the opportune time for mobile students to participate in structured supplemental programming designed to fill in the gaps caused by transition and disruption. [Assurance 2] **Target Schools:** Myakka Elementary, R. Dan Nolan Middle School, and Lakewood Ranch and/or Parrish High Schools. **Number of Students:** Estimating 105-130 students: 80-90 elementary, 20-30 middle school, and 5-10 high school students. **Characteristics:** Students, in grades Kindergarten through 12th, will be identified as migrant with the majority learning English as a second language. Nearly all students will also be identified as having a low socioeconomic status (SES), which not only speaks to income but also to potential educational attainment and subjective perceptions of social status and social class. **Project Goals, Objectives, and Outcomes:** Elementary students participating in this summer learning camp will increase their literacy skills as determined by SDMC progress monitoring tools: K-5 iReady, assessment data and course completion as appropriate. Ultimately, the overarching goal of this supplemental learning experience is to augment the school district's ongoing work in providing the supports so that migrant students can reach challenging academic standards and graduate with a high school diploma that prepares them for responsible citizenship, further learning, and productive employment.

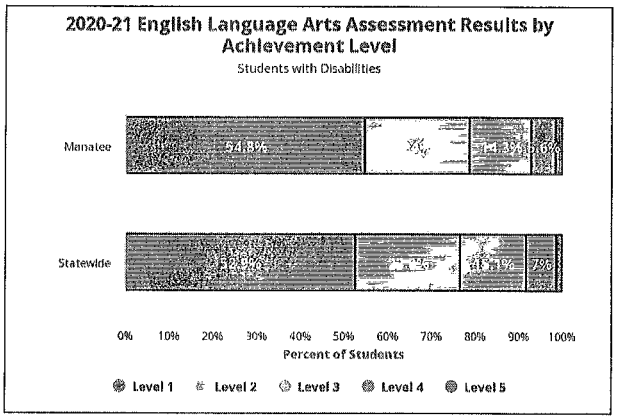
Summer ESE Literacy Program: SDMC will host a summer learning camp to support Manatee's population of students with disabilities (SWD). Extended summer learning is critical as this district strives to address the impact of lost instructional time -- especially for this fragile and high-risk student population. [Assurance 2] Students will participate in evidence-based initiatives focusing on academic

achievement along with enrichment programs with critical services embedded in the program designed to safeguard requirements linked to IEPs and 504 plans. **Target Schools:** The ESE Summer Learning Camp is scheduled for June 2023 for the duration of five to seven weeks at designated elementary, middle, and high school hubs. To ensure that students having the most significant academic need are given priority to summer recovery and support, SDMC, will use the following indicators to identify students: K-3rd students in the 2021-2022 school year with a substantial deficiency in reading who are 2-3 years below grade level. These students may be at-risk for retention and/or scored below grade level on benchmark assessment. **Number of Students:** Estimating 165-230 students: 15-20 Prekindergarten, 50-60 elementary school, 50-90 middle school, and 50-60 high school students. **Characteristics:** Participants will be identified as students who have an IEP and are performing academically below grade level standards by one year or more. District assessment data and/or FSA and EOC data will be used to identify students who are most likely to need additional support in literacy skills. **Project Goals, Objectives, and Outcomes:** Increase literacy skills as identified by SDMC progress monitoring tools employing iReady diagnostic tools and district benchmark assessments as appropriate. The goal of the ESE Summer Extended Program will be to increase students' baseline literacy level by half a year, thus, closing the academic gap of SWD students by 5-10%.

2) Program Development and Design: Aligning to Assurance 2, targeting students with the most significant academic need, grant funds will support two distinct, and high-need population of students within Manatee: Migrant/English Language Learners and Students with Disabilities. Both Migrant and ESE programs, running concurrently throughout the summer, will provide English language acquisition support and hands-on science, technology, engineering, and mathematics (STEM) learning experiences designed to increase student achievement. Data shows the critical need for support in foundational literacy skills within both student subgroups.

School District of Manatee County compared to the State of Florida: 2020-21 English Language Arts FSA (Scoring 3 or greater)





Manatee County Subgroup Comparison: 2020-21 English Language Arts FSA (Scoring 3 or greater)

Grade	Non-SWD	SWD	Gap	Non - Migrant	Migrant	Gap
All Grades	**55%**	**21%**	**-34%**	**50%**	**26%**	**-24%**
3	54%	27%	-27%	49%	19%	-30%
4	59%	27%	-31%	53%	52%	-1%
5	58%	23%	-35%	52%	26%	-26%
6	58%	20%	-38%	52%	30%	-22%
7	52%	16%	-36%	47%	19%	-28%
8	58%	17%	-42%	53%	21%	-32%
9	53%	15%	-38%	48%	28%	-20%
10	52%	13%	-39%	48%	17%	-31%

To increase the academic achievement of both student subgroups, the School District of Manatee County (SDMC) will ensure the use of literacy strategies, practices, and programs with strong or moderate evidence levels, as defined by ESSA, for improving student outcomes. To this effort, SDMC will prepare students using standards/content for the upcoming grade level, frontloading for the next school year, while teachers diagnose unfinished learning, or deficiencies in learning, and intervene accordingly. Daily instruction will include, but is not limited to, explicit and systematic instruction in the five areas of reading: phonological awareness, phonics, fluency, vocabulary, and comprehension, based on student needs. The programs will address standards to build content knowledge, provide whole group, small group and/or one-on-one targeted instruction, provide immediate corrective feedback to remedy any

deficiencies, provide opportunities for developing independence and self-confidence, and building and maintaining relationships with adults and peers.

Furthermore, SDMC, the LEA, will make certain that the each of the following programs abide by all federal, state, and local laws and that student accommodations, as required by an IEP or 504 Plan, are safeguarded. [Assurances 7, 10]

Migrant Summer Camp: The School District of Manatee County (SDMC) implements a number of interventions and strategies to address learning loss and overall low academic achievement, especially among its most underserved student populations. In this case, a supplemental summer learning program is being offered to Manatee County's migrant students, who are typically learning English as a Second Language (ELL), as this population categorically underperforms on standardized testing across the district when compared to their Non-ELL peers. Note: SDMC will also invite students experiencing homelessness and children and youth in foster care to this summer learning camp as this transitional and high-risk population also faces obstacles and barriers to learning and achieving academic success.

General Services and Activities: The Migrant Summer Camp, Manatee's proposed summer learning experience is scheduled for five weeks this summer from June 6th through the 30th continuing July 11th through the 14th. A second five-week camp is slated for the summer of 2023 at designated elementary, middle, and high school sites. [Assurance 9]

Students will be invited to attend this camp through recommendations by teacher(s), counselor(s) and/or administration. Parents will be contacted regarding this opportunity with communication provided in both English and Spanish via targeted ConnectEd phone calls, flyers, posts on social media, and/or invitation. The school district's Migrant Home School Liaison will be key in communicating with the student's parents/guardians. Each school site will regularly communicate with its student's parents/guardians regarding successes, challenges, and program particulars.

Daily programming is scheduled Monday-Thursday. It is expected that students will have access to 5.5 hours of targeted instruction – 110 hours total. To encourage student attendance, breakfast and lunch will be provided daily at all program sites along with transportation. [Assurance 4]

To bring this comprehensive program to fruition, staffing includes a ratio of one teacher to every 12-15 students, and paraprofessional support per site. The school district will provide mandatory professional development to summer staff each year to include the use of evidence-based practices and programs, the use of assessment/progress monitoring to inform instruction, and strategies to encourage a positive environment for youth development. [Assurance 3]

Camps will be divided into three grade-appropriate programs: **Elementary Camp:** To reach migrant elementary students and families living in east Manatee County, Myakka Elementary School will

host the summer program, which will focus on foundational literacy skills. *"Reading proficiency by third grade is the most important predictor of high school graduation and career success Yet every year, more than 80 percent of low-income children miss this crucial milestone "*[1] SDMC recognizes the importance of raising the ELA achievement level for this district's lowest performing cohort of elementary students.

Additionally, to increase access to engaging and equitable STEM-based learning, migrant elementary students will learn foundational STEM fluencies through Kid Spark's Mobile STEM Lab and curricula.

Morning Strand Each morning will start with breakfast followed by the daily classroom meeting. This period provides time for introductions, reviews, and the opportunity for students to build relationships. Students will then participate in blocks of learning to include activities such as an interactive read aloud, small group and independent reading, shared close reading with daily writing response, and/or word study for phonics and vocabulary acquisition. A sample schedule is included below.

To lift the performance of all students, teachers will employ multiple approaches aligning to ELA standards having strong or moderate evidence levels. To this effort, Literacy Footprints, iReady and SIPPS (Systematic Instruction in Phonological Awareness, Phonics, and Sight Words) have been selected for this summer program as each offers high-quality instructional resources and diagnostic tools essential to differentiating student learning.

For example, SIPPS, included in *What Works Clearinghouse*, "is a research-based foundational skills program proven to help both new and struggling readers in grades K–12, including English Language Learners (ELLs)."[2] SIPPS focuses on reading development critical to achieving grade level reading through explicit routines focused on phonological awareness, spelling-sounds, and sight words SIPPS can be adapted for student learning in Tiers I-III. Through these curricula, teachers will deliver engaging, standards-based lessons that will enable all students to access grade-level learning and beyond.

Recess and lunch are scheduled the hour following the morning learning block.

Afternoon Strand This period will be centered on STEM-based learning featuring a science component to include coding and engineering. These hands-on minds-on experiences, linking to the science standards, will also support language acquisition. Kid Spark was selected as it is a comprehensive and progressive engineering and computer science-based curriculum that includes teacher lesson plans, student workbooks, design challenges, evaluation rubrics, and unit assessments.

[1] "The Campaign for Grade-Level Reading " Grade Level Reading, The Campaign for Grade-Level Reading, 2020, gradelevelreading.net/

[2] Center for the Collaborative Classroom, https://www.collaborativeclassroom org/programs/sipps/

Kid Spark STEM Pathways Lab, in particular, covers a broad range of technologies such as structural and mechanical engineering, applied mathematics, rapid prototyping and 3D printing, and coding and robotics through hands-on and collaborative challenges. Teachers will participate in Kid Spark's professional development courses both online and in-person via ZOOM prior to summer camp.

Progress Monitoring The school district will provide teachers with student data for each student they instruct. Teachers will be supported with monitoring progress and adjusting instruction based on student data, as well as conduct pre/post assessments to measure the impact of learning using the existing progress monitoring tools. As per Assurance 5, SDMC will provide the number of student participants by grade level, the number of overall program hours conducted, report pre/post assessment data, and a program analysis to the Florida Department of Education, within 30 days of concluding the program.

Evaluation iReady diagnostics will provide pre- and post-assessment data to determine the program's impact. Additional grade level quarterly benchmark assessments for pre- and post-assessments will be utilized as appropriate.

Sample Schedule:

Time	Purpose and Instructional Activity
8:30 - 8:45 a.m.	Breakfast
8:45 - 9:00 a.m.	Morning Classroom Meeting
9:00 - 10:00 a.m.	Small-Group Remediation (2 Groups) • K-5 iReady (30 minutes) • K-2 Literacy Footprints (30 minutes) • 3-5 SIPPS (30 minutes)
10:00 - 10:30 a.m.	Interactive Read Aloud (IRA) Explicitly model effective reading strategies emphasizing text comprehension
10:30 - 11:15 a.m.	Math Skills (Acaletics)
11:15 a.m. - 12:15 p.m.	Break: Recess and Lunch (each 30 minutes)
12:15 - 2:00 p.m.	STEM Project-based Learning – Kid Spark STEM Pathways Lab
2:00 - 2:30 p.m.	Dismissal

Secondary Camp: Similar to the elementary camp program and meeting all assurances, middle and high school students will have access to summer programming held at R. Dan Nolan Middle School, Lakewood Ranch High School and/or Parrish High School Monday through Thursday from 8:30 a.m. - 2:00 p.m. To encourage student attendance, breakfast and lunch will be provided daily at all program sites along with transportation.

- Middle School STEM Camp: Held at the R. Dan Nolan Middle School, middle school students will primarily participate in Kid Spark's STEM-based learning for the duration of the camp. "In Kid Spark's 6th - 8th Grade STEM Program, students explore challenging STEM concepts from their

everyday world, authoring with technology to solve problems and create new solutions."[3] Students will learn about engineering concepts, computer science, robotics, physics, and manufacturing.

If needed, middle school students will have the option to spend this camp time participating in remedial learning activities. They will be able to participate in the STEM activities depending on their progress.

Sample Schedule:

Time	Purpose and Instructional Activity
8:30 - 8:45 a.m.	Breakfast
8:45 - 9:00 a.m.	Morning Classroom Meeting
9:00 - 11:15 a.m.	STEM Project-based Learning – Kid Spark STEM Pathways Lab
11:15 a.m. - 12:15 p.m.	Break: Recess and Lunch (each 30 minutes)
12:15 - 2:00 p.m.	STEM Project-based Learning – Kid Spark STEM Pathways Lab
2:00 - 2:30 p.m.	Dismissal

- High School Remedial Learning: The high school program, slated for Lakewood Ranch and/or Parrish High School assists migrant students with remedial education to include literacy, science, and civics instruction. The program is expected to culminate in obtaining critically needed credit that is required for high school graduation.

Progress Monitoring As appropriate, the school district will provide teachers with student data for each student they will instruct. Teachers will be supported with monitoring progress and adjusting instruction based on student data, as well as conduct pre/post assessments to measure the impact of learning using the existing progress monitoring tools. As per Assurance 5, the school district will provide the number of student participants by grade level, the number of overall program hours conducted, report pre/post assessment data, and a program analysis to the Department, within 30 days of concluding the program.

Evaluation Remedial education will be evaluated based upon course completion. STEM learning will be evaluated through embedded program assessments including a pre- and post-test.

Educational Learning Experiences for All Migrant Campers: All migrant students participating in summer learning will have the opportunity to attend at least one field trip scheduled during the five-week program held in either 2022 and/or 2023. Each field trip connects to STEM learning, builds literacy skills through increased vocabulary and comprehension, and provides access to students who would otherwise not have the ability to visit these facilities due to poverty.

[3] Kid Spark Education, https //kidsparkeducation.org/6-8

Busch Gardens: Depending on the grade, three learning tracks are offered: Animal Expeditions, Forces of Nature and Wild Careers. Busch Gardens' educators will help students explore the park's immersive ecosystems, participate in an interactive animal encounter, and guide students through grade appropriate activities. Tours align with the Next Generation Sunshine State Standards and include pre/post field trip material. Students will be able to enjoy the park and its world-class zoological facility for the day. Transportation is provided.

Mote Marine Laboratory and Aquarium: Mote is an independent, nonprofit marine research institution that provides 51 educational programs and is involved with 24 research programs with the overarching belief that the conservation and sustainable use of the world's oceans begins with research and education. Several grade-appropriate, and standards-based learning experiences are available that focus on exploring marine life, learning about the environment and the water cycle, technology's role in research, and investigating the role of a scientist. For example, "Ocean Problem Solver: During this STEM-based program students will learn why the ocean is important and how humans affect it. Students will explore Blue Holes recently discovered right here in our local oceans. Then using the engineering process, they will work in teams on solutions, building a model to collect samples deep in the ocean to learn more about these newly discovered features."[4] Transportation is provided.

ZooTampa at Lowry Park: Encompassing some 56 acres of naturalistic animal exhibits in a tropical garden setting, ZooTampa is recognized by the State of Florida as a center for wildlife conservation and biodiversity, and as a center for education and endangered species conservation. Students will participate in age-appropriate educational tours that align to State Standards and benchmarks including living versus non-living things, primate observation, animal classification, and animal habitats. Pre and post activities are available. Students will also participate in an onsite scavenger hunt and a mining experience. Transportation is provided.

ESE Summer Learning Camp: This program is designed to help minimize the "summer slide" – loss of learning that typically occurs when school is on break. Continued programming mitigates this lapse in learning and/or access to supports and services critical to helping students with disabilities meet their IEP goals.

General Services and Activities: The ESE Summer Learning Camp is scheduled for June 2023 for the duration of five to seven weeks at designated elementary, middle, and high school hubs. [Assurance 9] Students will be invited to attend this camp through recommendations by teacher(s),

[4] Mote Marine Laboratory and Aquarium, https //mote org/education/schools-groups

student services staff, and/or administration. Parents will be contacted regarding this opportunity with communication
provided in both English and Spanish via phone message, flyer, and/or invitation. Each school site will be responsible for making sure that staff regularly communicates with its students' parents/guardians regarding successes, challenges, and program particulars.

Daily programming is scheduled Monday-Thursday, and it is expected that students will have access to 5.5 hours of targeted instruction - up to 154 hours of programming – delivered face-to-face. To encourage student attendance, breakfast and lunch will be provided daily at all program sites along with transportation. [Assurances 4, 8] To bring this comprehensive program to fruition, each program hub will be staffed by teachers and paraprofessionals, based on the number of students participating. SDMC is estimating five teachers/five paraprofessionals for the Prekindergarten program, seven teachers/seven paraprofessionals with the elementary students, six teachers/six paraprofessionals working with middle school students, and five teachers/five paraprofessionals at the high school hub.

Mandatory professional development will be provided to program staff to include general orientation and topics such as program features and benefits, how to pull and interpret reports, and how to utilize the program in a blended learning environment. On-demand sessions will be provided throughout the program as necessary. [Assurance 3]

Morning Strand Each morning will start with breakfast followed by the daily classroom meeting. This period provides time for introductions, reviews, and the opportunity for students to build relationships.

Focusing on increasing student achievement in English Language Arts, the morning will entail the use of MindPlay Virtual Reading Coach and MindPlay Literacy. This research-based program is web-based and delivers one-to-one systematic reading instruction with virtual coaching. Students will improve their reading abilities to include accuracy and fluency. Kindergarten and first grade students will start with the MindPlay Virtual Reading Coach program.

MindPlay Literacy includes all the components of MindPlay Virtual Reading Coach (phonemic awareness, phonics, grammar for meaning, vocabulary, fluency, and comprehension). Students who test two or more grade levels below actual level, or tests below expectation for phonics, will receive all components of the program. Students who test near, at or above grade level, while also meeting phonics expectations for their grade level, will be placed directly into fluency and comprehension. Both curricula include a diagnostic and supplemental materials to support student achievement through the program.

Lunch is scheduled after the last morning learning block to be followed by recess.

Afternoon Strand This period will be centered on STEM-based learning featuring a science component to include coding and engineering. These hands-on minds-on experiences, linking to the

science standards, will also support language acquisition. Kid Spark was selected as it is a comprehensive and progressive engineering and computer science-based curriculum that includes teacher lesson plans, student workbooks, design challenges, evaluation rubrics, and unit assessments. Teachers will participate in professional development courses hosted through Kid Spark's online learning management system prior to summer camp.

Educational Learning Experiences for All: All students participating in the ESE Summer Learning Camp will have the opportunity to attend at least one field trip scheduled for 2022 and 2023, depending on scheduling and availability of the venue. Each field trip connects to STEM learning, builds literacy skills through increased vocabulary and comprehension, and provides access to students who may not have the ability to visit these facilities.

Busch Gardens: Depending on the grade, three learning tracks are offered: Animal Expeditions, Forces of Nature and Wild Careers. Busch Gardens' educators will help students explore the park's immersive ecosystems, facilitate an animal encounter, and guide students through grade appropriate activities. Tours are standards-based to align with the Next Generation Sunshine State Standards and include pre/post field trip material. Students will be able to enjoy the park and its world-class zoological facility for the day. Transportation is provided.

Mote Marine Laboratory and Aquarium: Mote is an independent, nonprofit marine research institution that provides 51 educational programs and is involved with 24 research programs with the overarching belief that the conservation and sustainable use of the world's oceans begins with research and education. Several grade-appropriate, and standards-based learning experiences are available that touch on exploring marine life, learning about the environment and the water cycle, technology's role in research, and investigating the role of a scientist. For example, "Ocean Problem Solver: During this STEM-based program students will learn why the ocean is important and how humans affect it. Students will explore Blue Holes recently discovered right here in our local oceans. Then using the engineering process, they will work in teams on solutions, building a model to collect samples deep in the ocean to learn more about these newly discovered features."[5] Transportation is provided.

ZooTampa at Lowry Park: First originating in the 1930's as a municipal department with a small number of Florida native species, the facility has since grown over the years to now encompass 56 acres of naturalistic animal exhibits in a lush, tropical garden setting. ZooTampa is recognized by the State of Florida as a center for wildlife conservation and biodiversity, and also as a center for education and endangered species conservation. Students will participate in age-appropriate educational tours that align to State Standards and benchmarks including living versus non-living things, primate observation,

[5] Mote Marine Laboratory and Aquarium, https://mote.org/education/schools-groups.

animal classification, and animal habitats. Pre and post activities are available. Students will also participate in an onsite scavenger hunt and a mining experience. Transportation is provided.

Sample Schedule:

Time	Purpose and Instructional Activity
8:30 - 8:45 a.m.	Breakfast
8:45 - 9:00 a.m.	Morning Classroom Meeting
9:00 - 10:00 a.m.	MindPlay Virtual Reading Coach and MindPlay Literacy
10:00 - 11:15 a.m.	Targeted Small Group Instruction
11:15 a.m. - 12:15 p.m.	Break: Recess and Lunch (each 30 minutes)
12:15 - 2:00 p.m.	STEM Project-based Learning – Kid Spark STEM Pathways Lab
2:00 - 2:30 p.m.	Dismissal

Progress Monitoring The school district will provide teachers with student data for each student they will instruct. Teachers will be supported with monitoring progress and adjusting instruction based on student data, as well as conduct pre/post assessments to measure the impact of learning using the existing progress monitoring tools. As per Assurance 5, the school district will provide the number of student participants by grade level, the number of overall program hours conducted, report pre/post assessment data, and a program analysis to the Department, within 30 days of concluding the program. [Assurance 5]

Evaluation Grade level quarterly benchmark assessments for pre- and post-assessments will be utilized to assess the impact of these activities.

3) Program Evaluation of Effectiveness: SDMC will collect qualitative and quantitative information, as well as anecdotal information the duration of both the Migrant and ESE summer camps. Program success will be determined by the increase in student achievement as measured per pre- and post-assessments and embedded diagnostics.

Formative assessments, such as teacher observations and weekly quizzes, will be employed to evaluate student engagement, course content and overall delivery throughout the program so that challenges can be mitigated in real-time.

All data points will be compiled and analyzed to provide the basis for a comprehensive program evaluation that includes processes, procedures, and delivery of content. This information is critical in gauging overall program effectiveness, highlight areas of improvement and ultimately guide the work needed to ensure a successful program in 2023. [Assurance 6]

SDMC will provide a summative report to the Department that includes the number of student participants by grade level, the number of overall program hours conducted, pre/post assessment data, and an analysis of program operations, within 30 instructional days of concluding the program.

Each LEA shall provide a proportional allocation to each charter school in their district: SDMC works to ensure the provision of equitable services and support of charter schools thus enjoying a steadfast collaborative working relationship. Charter schools were notified of this funding opportunity via email shortly after the district was made aware of the initiative. The charters received a Letter of Intent that included a description of the opportunity, and an Intent to Participate, which was due by May 24. Phone calls were made to follow-up.

While consultation is not required, the Director of District Support along with a Federal Programs and Grants Specialist provides ongoing support to charters by disseminating pertinent information including allocations, allowable expenditures, relevant timelines, and the method of reimbursement (FA399 process). A district's Junior Accountant will work in tandem with the district's Finance Department to review, process, and track all reimbursements.

DOE ATTESTATION (Program and Grants Management)

The cost for each line item budget category has been evaluated and determined to be allowable, reasonable and necessary as required by Section 216 3475, Florida Statutes Documentation is on file evidencing the methodology used and the conclusions reached.

FLORIDA DEPARTMENT OF EDUCATION

April 2022 **DOE 101S**

Elementary and Secondary School Emergency Relief (ESSER) Fund under the American Rescue Plan (ARP) Act

PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The Superintendent of the School District of Manatee County, FL assures the following:

1. The LEA will submit a DOE 100A Project Application Form, Project Narrative, DOE 101 Budget Narrative Form and Program Assurances Form by the due date - unless an extension is granted by the Florida Department of Education.
2. The LEA will comply with all requirements relating to Maintenance of Equity, in accordance with section 2004(c) of the ARP Act.
3. The LEA will comply with all reporting requirements and submit required reports to the Florida Department of Education at such time and in such manner and containing such information as the department may subsequently require.
4. The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals available for interview and examination, upon the request of (i) the Florida Department of Education, the Florida Auditor General; (ii) the Department and/or its Inspector General; or (iii) any other federal or state agency, commission, or department in the lawful exercise of its jurisdiction and authority.
5. **Program Assurance 1, Allocable Expenditures:** Allowable expenditures during the school year (outside of the summer months) are limited to planning, curriculum, and consumables for the upcoming summer program. All expenditures will be solely for the benefit of the summer program.
6. **Program Assurance 2, Target Students with the Most Significant Academic Need:** The LEA will assure that students with evidence of the most significant academic need are given priority to the summer learning camps.
7. **Program Assurance 3, Staff Training:** The LEA will provide training to staff, including but not limited to administrators, coaches, teachers, and support staff. The training will include a focus on evidence-based practices and programs, the use of assessment/progress monitoring to inform instruction and establishing a positive environment for youth development.
8. **Program Assurance 4, Promote Student Attendance:** The LEA will provide transportation and snack and/or meals to participants through this funding or alternative funding sources.
9. **Program Assurance 5, Progress Monitoring:** The LEA will provide teachers with student data for each student they will instruct. The LEA will support teachers with monitoring progress and adjusting instruction based on student data, as well as conduct pre/post assessments to measure the impact of learning using the existing progress monitoring tools. LEAs will report the number of student participants by grade level, the number of overall program hours conducted, and pre/post assessment data to the Department, as prescribed by the Department, within 30 instructional days at the conclusion of programming.
10. **Program Assurance 6, Assessment:** The LEA will provide a summative report to the Department that includes the number of student participants by grade level, the number of overall program hours conducted, pre/post assessment data, and an analysis of program operations, within 30 instructional days of concluding the program.
11. **Program Assurance** 7, **Content and Instruction:** The LEA will assure the use of strategies, practices and programs with strong or moderate evidence levels, as defined by ESSA, for improving student outcomes. The LEA will prepare students using standards/content for the upcoming grade level, frontloading for the next school year, while teachers diagnose unfinished learning, or deficiencies in

learning, and intervene accordingly. Daily instruction will include grade-level content area enrichment; provide whole group, small group and/or one-on-one targeted instruction to provide immediate corrective feedback to remedy any deficiencies, provide opportunities for developing independence and self-confidence, and building and maintaining relationships with adults and peers.

12. **Program Assurance 8, Service Delivery Format:** The LEA will assure that program services are conducted face-to-face with students. FLVS may operate a virtual program.
13. **Program Assurance 9, Program Duration:** The LEA will assure that the program is conducted for a minimum of five (5) weeks.
14. **Program Assurance 10, Compliance:** The LEA will assure that this program will abide by all federal, state, and local laws.

Local Educational Agency Chief Executive Officer or Authorized Representative (Printed Name):
Cynthia Saunders, Superintendent, School District of Manatee County, FL

Signature: [Jun 3, 2022 15:33 EDT]	**Date:** June 3, 2022

AGENDA ITEM NO. 8.5

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept, and Expend the Title I, Part C for 2022-2023 School Year, in the Amount of $429,931.00

Executive Summary
Title I, Part C Migrant Education Program is a federal entitlement grant that the District receives on an annual basis and will be used to fund district wide and school-based Migrant Education Program initiatives. The Title I, Part C application and budget are attached for review and acceptance. The DOE 100A requires the Superintendent's signature to certify that the grant requirements have been met and are ready for submission to the Florida Department of Education (FLDOE) for the release of the Title I, Part C funds. The FLDOE will notify the District Migrant Department if any revisions or additions need to be made to the application. The final application will be sent to the Superintendent and the School Board for acceptance and approval to expend the Title I, Part C.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Curriculum & Instruction | Goal 3
Establish professional learning systems to advance continuous academic improvements, promote collective responsibility for student achievement, and support alignment of educator goals, school improvement goals, and school district goals by August 2022.

Curriculum & Instruction | Goal 4
Improve our eLearning structure to maximize online learning for our students, teachers and families.

Equitable Recruitment & Retention | Goal 1
Recruit the most qualified, diverse and motivated staff.

Equitable Recruitment & Retention | Goal 2
Improve teacher and other employee retention rates.

Inclusive Culture & Engagement | Goal 1
Create a cultural commitment for improving service at all levels of the school district for internal and external customers.

Inclusive Culture & Engagement | Goal 2
Improve internal and external communications.

Inclusive Culture & Engagement | Goal 3
Expand diversity and inclusion initiatives across the school district for employees and students.

Inclusive Culture & Engagement | Goal 4
Enhance parent and community engagement.

Student Achievement | Goal 1
By 2023, 56% of our third-grade students will meet or exceed grade-level expectations for reading.

Student Achievement | Goal 2
Increase the average high school graduation rate by 2% points each school year (baseline: 2018-2019, 83.2%).

Student Achievement | Goal 3
Increase the percentage of students meeting college and career acceleration, as defined by the state accountability model, by 2% points each school year.

Student Achievement | Goal 4
Increase the percentage of students deemed Kindergarten ready by 2% each school year using documented performance on the Florida Kindergarten Readiness Screener.

Recommendation
The Superintendent recommends approval to apply, accept, and expend the Title I, Part C for 2022-2023 school year, in the amount of $429,931.00.

Financial Impact
There will be no cost to the General Fund. The District is projected to received funds for the Title I, Part C Grant in the amount of $429,931.00 for the 2022-2023 school year.

Florida 2022-23 ESEA Federal Program Assurances

General Assurances (Click here to access documents related to General Assurances)

Assurance 1: The Local Educational Agency (LEA) has on file with the FDOE, Office of the Comptroller and a signed statement by the agency head certifying applicant adherence to these General Assurances for Participation in State and Federal Programs The complete text may be found in Section D of the Green Book. The certification of adherence, currently on file with the FDOE Comptroller's Office, shall remain in effect indefinitely The certification does not need to be resubmitted with this application, unless a change occurs in federal or state law, or there are other changes in circumstances affecting a term, assurance or condition

Assurance 2: The LEA assures that they will comply with all applicable supplement not supplant requirements under ESEA [ESEA sections 1118(b), 1304(c)(2), 1415(b), 2301, 3115(g), 4110, 5232]

Assurance 3: The LEA assures that they will comply with the K12 ESEA Common Federal Program Guidance

Assurance 4: The LEA assures, as appropriate, that stakeholder collaboration across multiple programs will occur as outlined under ESSA.

Assurance 5: The LEA assures that a comprehensive needs assessment is conducted that takes into account information on the academic achievement of children in relation to the challenging state academic standards

Assurance 6: The LEA assures that timely and meaningful consultation occur between LEA and private school officials prior to any decision that affects the opportunities of eligible private school children, teachers, and other educational personnel to participate in programs subject to equitable participation

Assurance 7: The LEA assures that they submit their application by the dates listed on the 2022-23 Collaborative Calendar

Assurance 8: The LEA assures they will periodically monitor and evaluate the effectiveness of the activities approved within the program application

Title I, Part A: Improving Basic Programs Operated by Local Educational Agencies

Assurance 1: Migratory Children: The LEA assures that migratory and formerly migratory children who are eligible to receive services under Title I are selected to receive such services on the same basis as other children who are selected to receive services under Title I program [ESEA section 1112(c)(1)]

Assurance 2 Private Schools: The LEA assures that it will provide services to eligible children attending private elementary schools and secondary schools in accordance with section 1117, and timely and meaningful consultation with private school officials regarding such services unless there are no eligible private schools identified [ESEA section 1112(c)(2)]

Assurance 3: NAEP The LEA assures that it will participate, if selected, in the National Assessment of Educational Progress (NAEP) in reading and mathematics in grades 4 and 8 carried out under section 303(b)(3) of the National Assessment of Educational Progress Authorization Act (20 U S C 9622(b)(3)) [ESEA section 1112(c)(3)]

Assurance 4: Cross Coordination. TThe LEA assures that it will coordinate and integrate services provided under Title I with other educational services at the LEA or individual school level, such as services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths, in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program [ESEA section1112(c)(4)]

Assurance 5: Child Welfare Agency Point of Contact: The LEA assures that it will collaborate with the State or local child welfare agency to designate a point of contact if the corresponding child welfare agency notifies the LEA, in writing, that the agency has designated an employee to serve as a point of contact for the LEA [ESEA section 1112(c)(5)(A)]

Assurance 6: Certification: The LEA assures that all teachers and paraprofessionals working in a program supported with funds under Title I meet applicable state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification[section1112(c)(6)] The LEA will also ensure parents are notified appropriately according to the "Parents Right-To-Know" provision [ESEA 1112(e)(1)(A-B)]

Assurance 7: Early Childhood Education: The LEA assures that in the case the LEA that chooses to use Title I, Part A funds to provide early childhood education services to low-income children below the age of compulsory school attendance, such services comply with the performance standards established under section 641A(a) of the Head Start Act (42 U S C. 9836a(a)) [ESEA section 1112(c)(7)]

Assurance 8: Parents Right-To-Know: The LEA assures parents are notified appropriately according to the "Parents Right To-Know" provision [ESEA section 1112(e)(1)(A-B)]

Assurance 9: Collaboration: The local educational agency (LEA) assures that its plan was developed with timely and meaningful consultation with teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, charter school leaders (in an LEA that has charter schools), administrators (including administrators of programs described in other parts of this Title), other appropriate school personnel, and with parents of children in schools served under Title I [ESEA section 1112(a)(1)(A)]

Assurance 10: Coordination of Programs As appropriate, the LEA assures the plan is coordinated with other programs under ESEA, the Individuals with Disabilities Education Act (20 U.S C 1400 et seq), the Rehabilitation Act of 1973 (20 U S.C. 701 et seq), the Carl D Perkins Career and Technical Education Act of 2006 (20 U S C. 2301 et seq), the Workforce Innovation and Opportunity Act (29 U S.C 3101 et seq), the Head Start Act (42 U.S.C 9831 et seq), the McKinney-Vento Homeless Assistance Act (42 U S.C 11301 et seq), the Adult Education and Family Literacy Act (29 U.S.C 3271 et seq), and other Acts as appropriate [ESEA section 1112(a)(1)(B)]

Assurance 11: Child Welfare Agency Procedures: The LEA assures they will collaborate with the state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged, and funded for the duration of the time in foster care The procedures will ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S C. 675(4)(A)), and ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the LEA will provide transportation to the school of origin if: the local child welfare agency agrees to reimburse the LEA for the cost of such transportation, the LEA agrees to pay for the cost of such transportation, or the LEA and the local child welfare agency agree to share the cost of such transportation [ESEA section 1112(c)(5)(B)]

Assurance 12: Parent Consultation: The LEA assures that in order to receive parent and family engagement funds under section 1116 the agency will conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under Title I consistent with section 1116 Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children [ESEA section 1116(a)(1)]

Assurance 13 School Parent and Family Engagement Policy: The LEA assures that the following requirements outlined in section 1116(b)(1-4) are met (1) Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of section 1116 (c-f) and Assurances 11c-f Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school, (2) If the school has a parent and family engagement policy that applies to all parents and family members, such school may amend that policy, if necessary, to meet the requirements of this subsection, (3) If the LEA involved has a school district-level parent and family engagement policy that applies to all parents and family members in all schools served by the LEA, such agency may amend that policy, if necessary, to meet the requirements of this subsection, and (4) If the plan under section 1112 is not satisfactory to the parents of participating children, the LEA shall submit any parent comments with such plan when such LEA submits the plan to the state [ESEA section 1116(b)]

Assurance 14: Policy Involvement: The LEA assures that each school served under this part shall meet the following requirements outlined in section 1116(c)(1 5) (1) Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved, (2) offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement, (3) involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b)except that if a school has in place a process for involving parents in the joint planning and design of the school's programs, the school may use that process, if such process includes an adequate representation of parents of participating children, (4) provide

parents of participating children — (A) timely information about programs under this part, (B) a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of Florida's challenging academic standards, and (C) if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible, and (5) if the schoolwide program plan, under section 1114(b), is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the LEA. [ESEA section 1116(c)]

Assurance 15: Shared Responsibilities for Student Achievement: The LEA assures that the following requirements outlined in section 1116(d)(1-2) are met as a component of the school-level parent and family engagement policy developed under subsection (b), each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the Florida's challenging academic standards Such compact shall — (1) describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the Florida's challenging academic standards, and the ways in which each parent will be responsible for supporting their children's learning, volunteering in their child's classroom, and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time, and (2) address the importance of communication between teachers and parents on an ongoing basis through, at a minimum — (A) parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as it relates to the individual child's achievement, (B) frequent reports to parents on their children's progress, (C) reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities, and (D) ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand [ESEA section 1116(d)]

Assurance 16. Building Capacity for Involvement: To assure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and LEA funded under Title I will meet the provisional requirements as outlined in section 1116(e)(1-5 and 14) [ESEA section 1116(e)]

Assurance 17: Accessibility In carrying out the parent and family engagement requirements under Title I, LEAs and schools, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, to the extent practicable, in a language such parents understand [ESEA section 1116(f)]

Assurance 18: Family Engagement in Education Programs: The LEA assures that in a state operating a program under part E of Title IV, each LEA or school that receives assistance under this part shall inform parents and organizations of the existence of the program [ESEA section 1116(g)]

Assurance 19: Private School Consultation: The LEA assures that after timely and meaningful consultation with appropriate private school officials, it will provide special educational services, instructional services, counseling, mentoring, one-on-one tutoring, or other benefits that address the needs of eligible children identified under section 1115(c), and, ensures that teachers and families of eligible children participate, on an equitable basis, in services and activities pursuant to section 1116. [ESEA section 1117(a)(1)(A) and (B)]

Assurance 20 Private School and LEA Agreement. The LEA assures that after conducting the timely and meaningful consultation with appropriate private school officials, it will submit a copy of the agreement between the LEA and the private school to the FDOE ombudsman in the Office of Grants Management. [ESEA section 1117(b)(1)]

Assurance 21 Affirmation of Agreement: The LEA assures that it will submit to the FDOE ombudsman a written affirmation, signed by officials of each participating private school, that the meaningful consultation required by this section has occurred The written affirmation shall provide the option for private school officials to indicate such officials' belief that timely and meaningful consultation has not occurred or that the program design is not equitable with respect to eligible private school children If such officials do not provide such affirmation within a reasonable period of time, the LEA shall forward the documentation that such consultation has, or attempts at such consultation have, taken place to the state educational agency [ESEA section 1117(b)(5)]

Assurance 22: Supplement, Not Supplant Methodology: The LEA assures that it will be in compliance stipulated in paragraph (1) concerning supplement and not supplant requirements To address this compliance, the LEA assures that it has a methodology used to allocate state and local funds to each school receiving assistance under this part is in place to ensure that such school receives all of the state and local funds it would otherwise receive if it were not receiving assistance under Title I, Part A [ESEA section 1118(b)(1 2)]

Assurance 23: Public School and Non-Public School Eligibility Survey (PSES/NPSES): The LEA assures they are in compliance with the PSES and NPSES guidelines to properly rank and serve their Public K-12 schools and to determine Title I, Part A equitable proportion of funds. [ESEA sections 1113(a)(3) and 1117(a)(4)]

Assurance 24: English Language Learners (ELLs) Notification Requirements: The LEA assures that it will be in compliance with the requirements set forth in section 1112(e)(3)(A-B) the use of Title I, Part A and/or Title III funds to provide a language instruction educational program as determined under Title III shall, not later than 30 days after the beginning of the school year, inform parents using the 'Annual Parent Notification Letter' of an English learner identified for participation or participating in such a program For children who have not been identified as English learners prior to the beginning of the school year, but are identified as English learners during such school year, the LEA shall notify the children's parents during the first two weeks of the child being placed in a language instruction educational program using the 'Initial Parent Notification Letter ' [ESEA sections 1112(3)(A) and (B)]

Assurance 25: Comparability: The LEA assures that it will be in compliance with the requirements provided in section 1118(c)(2)(A) to ensure the following comparability requirements are met a LEA-wide salary schedule, a policy to ensure equivalence among schools in teachers, administrators, and other staff; or a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies [ESEA section 1118(c)(2)(A)]

Assurance 26. Constitutionally Protected Prayer: The LEA assures they will certify in writing to the Department that no policy of the LEA prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary and secondary schools An LEA must provide this certification to the Bureau of Federal Educational Programs by October 1 of each year [ESEA section 8524(b)]

Title I, Part C: Migrant Education Program

Assurance 1: The LEA assures funds for Migrant Education Program (MEP) will be used only for programs and projects, including the acquisition of equipment, in accordance with ESEA, section 1306, and to coordinate such programs and projects with similar programs and projects within the state and in other states, as well as with other Federal programs that can benefit migratory children and their families [ESEA section 1304(c)(1)]

Assurance 2 The LEA assures programs and projects funded for MEP will be carried out in a manner consistent with the objectives of section 1114, subsections (b) and (d) of section 1115, subsections (b) and (c) of section 1118, and Part F [ESEA section 1304(c)(2)]

Assurance 3 The LEA assures that in the planning and operation of programs and projects, there is appropriate consultation with parents of migratory children, including parent advisory councils for programs of at least 1 (one) school year in duration, and that all such programs and projects are carried out in a manner that provides for the same parental involvement as is required for programs and projects under section 1116, unless extraordinary circumstances make such provision impractical, and in a format and language understandable to the parents [ESEA section 1304(c)(3)]

Assurance 4: The LEA assures that in planning and carrying out such programs and projects, there will be adequate provision for addressing the unmet educational needs of preschool migratory children and migratory children who have dropped out of school [ESEA section 1304(c)(4)]

Assurance 5: The LEA assures the effectiveness of such programs and projects will be determined, where feasible, using the same and standards approaches that will be used to assess the performance of students, schools, and local educational agencies under Title I, Part A [ESEA section 1304(c)(5)]

Assurance 6: The LEA assures such programs and projects will provide for advocacy and outreach activities for migratory children and their families, to inform such children and families of other education, health, nutrition, and social services to help connect them to such services [ESEA section 1304(c)(6)]

Assurance 7: The LEA assures to the extent feasible, such programs and projects will provide for advocacy and other outreach activities for migratory children and their families, including helping such children and families gain access to other education, health, nutrition, and social services, professional development programs, including mentoring, for teachers and other program personnel, family literacy programs, the integration of information technology into educational and related programs, and programs that facilitate the

transition of secondary school students to postsecondary education or employment. [ESEA section 1304(c)(7)]

Assurance 8: The LEA assures they will conduct the transfer of migrant student records according to state required policies and procedures including actively participate with and meet all Migrant Student Information Exchange System requirements [ESEA section 1308(b)(2) 34 CFR 200 85(d) 20 USC 6398(b)(2)]

Assurance 9: The LEA assures they will assist the state in determining the number of migratory children under Section 1303(a)(1), and the LEA shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards, or, have dropped out of school [ESEA section 1304(d) 34 CFR Part 200 89(c) 20 USC 6394(d)]

Assurance 10. The LEA assures they will assist the state to promote interstate and intrastate coordination of services for migratory children, including coordination with other relevant programs and local projects in the state and in other states. [ESEA section 1304(b)(3) 34 CFR Part 200.82(b)]

Title I, Part D, Subpart 2: Neglected and Delinquent Youth

Assurance 1: The LEA assures they shall adhere to the purpose of Section 1420 to provide opportunities for students to meet the same challenging state content standards and student academic achievement standards that all children in Florida are expected to meet. [ESEA sections 1421 [20 U S C. 6451] and 1425(6) [20 U S C. 6455]]

Assurance 2. The LEA assures they shall design transitional and supportive programs to meet the needs of children and youth returning to schools within the LEA or other alternative educational programs and assist them in completing their education [ESEA sections 1422 [20 U S C. 6452] and 1424 [20 U.S C 6454]]

Assurance 3 The LEA assures they shall, where feasible, involve parents in efforts to improve educational achievement of their children and prevent further delinquent activities. [ESEA sections 1425(8) [20 U S C. 6455]]

Assurance 4: The LEA assures they shall adhere to the provision of services under section 1423(2) and program requirements under section 1425 for any correctional facility in which the LEA has entered into an agreement [ESEA section 1423 [20 U.S C. 6453]]

Assurance 5: The LEA assures they shall evaluate the program not less than once every three years to determine the program's impact on student outcomes [ESEA section 1431 [20 U S C 6456]]

Title II, Part A: Supporting Effective Instruction

Assurance 1. The LEA assures they will comply with section 8501 (regarding participation by private school children and teachers) [ESEA section 2102(b)(2)(E)]

Assurance 2: The LEA assures they will coordinate professional development activities authorized under this part with professional development activities provided through other Federal, State, and local programs [ESEA section 2102(b)(2)(F)]

Title III, Part A: English Language Acquisition, Language Enhancement and Academic Achievement

Assurance 1. The LEA assures that it will be in compliance with section 1112(e) – Parents Rights-to-know, prior to, and throughout, each school year as of the date of application [ESEA section 3116(b)(4)(A)]

Assurance 2· The LEA assures that it is not in violation of any State law, including State constitutional law, regarding the education of English learners, consistent with Sections 3125 and 3126 [ESEA section 3116(b)(4)(B)]

Assurance 3. The LEA assures that each school with English learner (EL) students receives funds from non-Federal sources to fulfill the LEA's obligations under Title IV of the Civil Rights Act of 1964 and the Equal Educational Opportunities Act, before using Title III, Part A funds for languages services to EL students [ESEA section 3115(g)]

Assurance 4: The LEA assures that, if applicable, it will coordinate activities and share relevant data under its plan with local Head Start and Early Head Start agencies, including migrant and seasonal Head Start agencies, and other early childhood education providers. [ESEA section 3116(b)(4)(D)]

Assurance 5: The LEA consults with officials of private schools in a timely and meaningful manner to make available equitable Title III, Part A services to eligible English learners and immigrant children attending private schools located within the LEA's geographical boundaries [ESEA section 8501]

Title IV, Part A: Student Support and Academic Enrichment

Assurance 1· The LEA assures that it will prioritize the distribution of funds to schools served by the local educational agency, or consortium of such agencies, that—are among the schools with the greatest needs, as determined by such local educational agency, or consortium, have the highest percentages or numbers of children counted under section 1124(c),

Assurance 2. The LEA assures that it will comply with section 8501 regarding equitable participation by private school children and teachers. [ESEA section 4106(e)(2)(B)]

Assurance 3: With the exception of LEAs outlined in special rule ESEA 4106(f), the LEA assures that it will use not less than 20 percent of funds received under this subpart to support one or more of the activities authorized under section 4107 [ESEA section 4106(e)(2)(C)]

Assurance 4: With the exception of LEAs outlined in special rule ESEA 4106(f), the LEA assures that it will use not less than 20 percent of funds received under this subpart to support one or more activities authorized under section 4108. [ESEA section 4106(e)(2)(D)]

Assurance 5· With the exception of LEAs outlined in special rule ESEA 4106(f), the LEA assures that it will use a portion of funds received under this subpart to support one or more activities authorized under section 4109(a), including an assurance that the local educational agency, or consortium of local educational agencies, will comply with section 4109(b) [ESEA section 4106(e)(2)(E)]

Assurance 6: The LEA assures that it will annually report to the State for inclusion in the report described in section 4104(a)(2) how funds are being used under this subpart to meet the requirements of subparagraphs (C) through (E) [ESEA section 4106(e)(2)(F)]

Title V, Part B, Subpart 2: Rural and Low-Income Schools

Assurance 1 The local educational agency (LEA) assures that its grant funds under Title V, Part B, subpart 2 will be used for any of the following activities authorized under the following ESEA Title programs Title I, Part A, Title II, Part A, Title III, Part A, Title IV, Part A, and parental involvement activities [ESEA section 5222(a)]

Assurance 2. The LEA assures that its grant funds under Subpart 2 will be used to supplement, and not supplant, any other Federal, State, or local education funds [ESEA section 5232]

Florida 2022-23 ESEA Federal Programs Preliminary Allocations*

**Each LEA knows the climate within their LEA and should only use these preliminary allocation amounts for planning purposes.*

Title I, Part C
Manatee

Education of Migratory Children

To ensure that high-quality education programs and supplemental support services are available to migratory children.

Preliminary Allocation	**$429,931.00**
Requested Allocation Amount	**$429,931.00**

Area of Focus 1	K-12 Instructional Services
Area of Focus 2	Early Childhood
Area of Focus 3	Identification and Recruitment (ID&R) and Out of School Youth (OSY)
Area of Focus 4	Parent & Family Engagement and Support Services
Area of Focus 5	Administrative Costs

Title I, Part C Base Equitable Services Formula

Number of Students	
A1 LEA Enrollment of Migrant Students	542
A2. Participating Private Schools' Enrollment of Migrant Students	0
A3. Total Enrollment of Migrant Students A1 + A2	542
Title I, Part C Base Preliminary Allocation	
B1. Total LEA Base Preliminary Allocation (from the allocation tab)	$429,931.00
B2. Administrative Costs (for public and private school programs)	$164,200.20
B3. LEA Base Preliminary Allocation Minus Admin Costs B1-B2	$265,730.80
Per Pupil Rate	
C1. B3 divided by A3	$490.28
Equitable Services	
Estimated amount of MEP funds to be spent for services to migrant students in private schools= A2 x C1	$0.00

Activity Information for Area of Focus 1

A. Describe the LEA's plan for addressing migrant students' needs in the area of K-12 Academic Services. Include descriptions of how the plan will address the Measurable Program Outcomes (MPOs) from the 2021 Migrant Education Program Service Delivery Plan.

The School District of Manatee County Migrant Education Program will address the Reading MPO, the Math MPO, as well as Graduation MPO's 1-3, by carrying out a coordinated assistance approach in supporting ELA and Math education for K-12 migrant students. The SDMC MEP will meet at least once per quarter to review student data, progress of goals, and to discuss coordinated adjustment to services and schedules.

At a high population migrant elementary school, 1.1 a Migrant Resource Teacher will provide targeted assistance in ELA and Math through small group instruction, as well as, coaching to assist teachers with cross-content area strategies to support ELA and Math instruction in the classroom 1.2 Two Migrant Home School Liaisons will provide targeted ELA and Math assistance to migrant students based on Early Warning System data to assure students at middle and high schools (and some elementary schools) are achieving academically The schools assigned to each of the HSL s will be based on the enrollment numbers of each school. A primary area of focus for HSL s will be helping students with credit accrual and helping high school students meet graduation requirements.

Additionally the MEP team will address Graduation MPO's 1-3 by reviewing all Migrant Student high school and middle school schedules by the end of the first two weeks of school After a deep schedule analysis of each individual student schedule, we will communicate to the school administration and school guidance counselors all potential opportunities for credit accrual towards graduation or for Accelerated/Certification Course placements. In addition, a Migrant Advocate (position funded in AOF 4) will provide ELA and Math support to students, coaching to assist teachers (on an as-needed basis) with cross-content area strategies to support ELA and Math instruction in the classroom The main area of responsibility for the Migrant Advocate within our 'coordinated effort plan will be elementary schools and high migrant population charter schools

All of the MEP Staff mentioned here will have tutoring services as a tool/resource at their disposal. The MEP Staff will be able to coordinate tutoring services when the need arises Tutoring options will include the following: T4,PA Title IV, Part A will fund FEV Tutor This is

☐ **No Title I, Part C funds will be used to address this Area of Focus. If this box is checked then the LEA does not need to complete the next question or the budget section for this Area of Focus.**

B. Describe the funded activities that will be implemented to address Area of Focus 1.

Activity 1	1.1 Migrant Resource Teacher will provide targeted assistance in ELA and Math through small group instruction, as well as, coaching to assist teachers with cross-content area strategies to support ELA and Math instruction in the classroom.
Activity 2	1.2 Two Migrant Home School Liaisons will provide targeted ELA and Math assistance to migrant students based on Early Warning System data to assure students at middle and high schools (and some elementary schools) are achieving academically The schools assigned to each of the HSL s will be based on the enrollment numbers of each school. A primary area of focus for HSL s will be helping students with credit accrual and helping high school students meet graduation requirements.
Activity 3	1.3 The MEP will fund two certified teachers to tutor students at Nolan Middle School, approximately 4 hours per week every Tuesday and Thursday morning, from mid-October 2022 to April 2023 Transportation will be provided to Migrant students.
Activity 4	1.4 The MEP will also fund elementary school tutors where the data indicates there is a substantial need (6 or more Migrant Students in need of tutoring).
Activity 5	1.5 SDMC MEP will also help to address the Reading MPO and the Math MPO by supporting the 2023 Migrant Summer Camp held in June by providing transportation and by funding educational print materials.
Activity 6	1.6 Assistance in paying educational program fees
Activity 7	1.7 purchasing school supplies when the need arises.
Activity 8	1.8 printing for educational purposes.

AGENDA ITEM NO. 8.6

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept and Expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, Effective August 2022 - July 2023, in the Amount of $225,000.00

Executive Summary
The 21st Century Community Learning Centers Grant will provide after school services at Palm View K-8 school. Students will participate in programming that includes homework help, reading, math, STEM, and personal enrichment. As required, each site will also host parent education workshops. This will be 4-year grant award with annual funding from the Florida Department of Education.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation
The Superintendent recommends approval to apply, accept, and expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, effective August 2022 - July 2023, in the amount of $225,000.00.

Financial Impact
The School District will act as the fiscal agent for the project.

Scope of Work/Narrative Form

In Progress - Last edited: May 19 2022

Scope of Work/Narrative Form

Project Design/Scope of Work

The proposal must be completed in the online system used by the department. Each section below will appear in the online system. Applicants may work independently on the application or invite others within their agency to collaborate on a single application using the online system. The department encourages applicants to work collaboratively within their agency on each application to build ownership of the program components across the agency and within the local community.

3.1 Project Abstract/Summary

Instructions

Complete a short statement (no more than 100 words) that briefly identifies the number of students served; the names and locations of the schools targeted; the grades of the students to be served; and the components of program service; and an overview of the services to be offered to the adult family members of the students served. Use the template below. Post a statement for each site using the template.

Template Text

(Agency Name) operates the (Name of the Program) at (Address, City & Zip) of Community Learning Center. (Number of) students are provided programming during the (school year and/or summer) from (start time) to (end time), (days of the week of program operations) beginning (program start date) to (program end date). Program activities include (name of ESSA approved program activities included in application).

Refer to the RFP for more information.

The School District of Manatee County (SDMC) operates the Palm View K-8 Grant at Palm View K-8 School, 6025 Bayshore Road, Palmetto, FL 34221 a Community Learning Center. One hundred-twenty Kindergarten through 8th grade students are provided programming during the school year from 3:15PM–5:45PM, Monday through Friday beginning August 10, 2022 to May 19, 2023. Program activities include academic enrichment - reading and English Language Arts (ELA); mathematics; science, technology engineering and math (STEM); healthy and active lifestyles; well-rounded education activities (visual and performing arts education); and literacy activities (i.e. adult family member literacy events to support students and their families).

We believe that having a successful program means tying family and community involvement in schools to positive student outcomes. Palm View plans to increase parent involvement through family events and workshops. Five (5) events will be designed to help family members improve their involvement in their child’s education. Workshop dates and information will be disseminated via 21st CCLC students, flyers, automated calls (in English/Spanish), the program website, and the school marquee. To recruit and retain more parents, workshops will be offered in the evenings with materials available in both English and Spanish. Participation will be monitored through sign-in sheets. Events will last approximately one hour and will provide parents with information designed to help them assist their children with educational activities at home including reading strategies, math skills, and simple STEM projects. In addition, community partners will help to provide valuable and educational workshops/events for the adult family

members offered in the late afternoon/early evening. As more 21st CCLC families become involved, the expectation is there will be an improvement in student academic performance.

3.2a Site-Level Funding Eligibility Upload

Instructions

Go to the Know Your Schools portal at **https://edudata.fldoe.org.** Use the search bar to find the school(s) you wish to serve. Determine if the school is eligible by reviewing the School Accountability Summary or LEA-identified support list. If the school has been identified for support, review the Population and Enrollment tab to determine the Student Count. Based on the student count and the other areas that have been identified during the needs assessment, determine how many students are expected to be served at the community learning center site each day. Select the range of students expected to be served for the school year and/or summer for the grant. Note that the maximum funding amount under each proposal should not exceed $500,000.

Refer to the RFP for more information.

3.2b Site-Level Funding Eligibility Upload

	Number of Sites Served	Site(s) Name
	One (1)	Palm View K-8 School

3.3a Applicant Capacity

Instructions

Use the dropdown menus to indicate the number of years of experience the applicant has providing expanded learning opportunities for students using federal funding and operating a 21st CCLC program. If the applicant has operated a 21st CCLC program, use the textbox to indicate the dates of operation. If the applicant has provided other types of expanded learning opportunities, use the text box in question 3.3b to describe the opportunity.

Refer to the RFP for more information.

	Number of Years	Dates of Operation
21st CCLC	10+	2001 - Present
Federal Funding	10+	1965 - Present
Other Types	10+	1980 - Present

3.3b Applicant Capacity

Instructions

If the applicant has held other federal funding, use the text box to indicate the name of the programming and the program dates.

Refer to the RFP for more information.

EXPERIENCE WITH EXTENDED LEARNING PROGRAMS: The School District of Manatee County (SDMC) has substantial experience in efficiently operating effective and impactful extended learning programs for more than 20 years. SDMC offers out-of-school programming and extended learning programs throughout public schools and public charter schools in Manatee County. With over 50,000 students attending District public schools, a significant effort has been made to focus on the support and improvement of out-of-school programs in Manatee County.

SDMC's Extended Day Enrichment Program (EDEP) operates before and after school programming in 27 elementary schools during the school year. EDEP offers daily academic enrichment along with fun and engaging hands-on activities for students. In addition, the District operated a successful Supplemental Educational Services (SES) program from 2005 through 2013. SDMC was only one of five districts in

Florida running the program as a district-based SES provider program. More than 600 students were tutored each year and on average, 89% achieved learning gains over the program's tenure.

EXPERIENCE USING FEDERAL FUNDING: As noted above, the School District of Manatee County (SDMC) has tremendous experience in obtaining, overseeing, and managing federal funds, with substantial federal funding used specifically to support Extended Learning Programs. In addition to centralized support of out-of-school programs, the District has also received federal, state and local funds to help provide out-of-school programs with limited financial burden on the families and students. More specifically, the SDMC Department of Federal Programs oversees millions in annual funding specific to offering expanded learning opportunities to students in Title 1 schools (e.g., after school tutoring, Saturday school, and summer programs). Over the past 8 years, Title III funds have been used to tutor English Language Learners (ELL) during the extended learning time. Further, federal funds are used to host summer program camps for middle school students and elementary school students at Title 1 schools. The SDMC Exceptional Student Education Department also offers expanded learning opportunities for students with special needs through tutoring programs and extending the school year through the summer. The Adult, Career and Technical Education Department has raised over 75 million in funds over the past 18 years and oversees many local, state and federal programs. Grants include School Transformation, Perkins and Small Learning Communities. The SDMC School Improvement Department has utilized grant funds in Title 1 schools to extend the regular school day, provide after school tutoring and professional development for teachers and staff. In total, during the 2021-2022 school year, SDMC has overseen $134.4 million in federal funding to support students during the regular day and through extended learning opportunities. Additionally, SDMC has received funding to support extended learning opportunities from a variety of local foundations, associations and corporations - including the Manatee Education Foundation, Dollar General, Verizon, AAA, the Laura Bush Library Grant, and VW Foundation. These grants and donations helped provide smaller awards to individual schools and teachers.

EXPERIENCE WITH 21ST CCLC PROGRAMMING: SDMC has operated 21st CCLC programs for over 20 years and received more than $12 million across 9 grants to serve K-12 students in 19 schools. Palm View K-8 has been successful implementing the program for students over the past five years. Based on standardized testing data from 2018-2019 summative reports, regularly participating students attending the 21st CCLC program had a 42% increase in academic achievement level in reading and 59% increase in math. Additionally, reading and math quarter grades increased with 62% of students meeting reading proficiency and 63% meeting math proficiency. This program is vital to the community. 21st CCLC has provided parents a safe and secure place for their children to receive support for academics and enrichment activities. Students benefit from more time in the classroom and receiving homework help

from certified teachers. Teachers and staff at Palm View have stated students who attend the 21st CCLC program attend school more regularly, complete their homework effectively and have better behavior. SDMC has implemented the proposed 21st CCLC services over the years to meet federal, state and district requirements.

The 21st CCLC Palm View K-8 Grant will be housed within the district's Curriculum Department and the Extended Day Enrichment Program (EDEP) that provides programming during non-school hours to 27 public schools. With this placement, the district will be able to leverage the experience, resources and staff of EDEP including an experienced Program Director with 20 years facilitating 21st CCLC programs. Palm View will be managed by a full-time Site Coordinator ready for immediate implementation providing strong site leadership. In addition, each site will have a 21st CCLC Program Team comprised of representatives from the school district, community, school administration, teachers, parents and/or students.

PROGRAM ADMINISTRATION AND FISCAL MANAGEMENT: SDMC is committed to a high level of transparency with regard to processes, practices and investments. School level expenditures are made public by school. Providing full disclosure of all relevant fiscal information in a timely and systematic manner, www.manateeschools.net is used as the vehicle to publish these documents. All matters of the budget are approved by the School Board, comprised of five elected officials. The Board has no vested financial interest in program operations.

PROGRAM EVALUATIONS: To appropriately track and encumber obligated expenditures, function and object codes will be set using the Financial and Program Cost Accounting and Reporting for Florida Schools (Red Book). Program funds, records and budgetary expenses will be housed, tracked and reconciled by the program bookkeeper located at the district's Professional Support Center. All actions will be approved by the Program Director, Curriculum Director and the school district's Finance Department. SDMC has extensive experience collecting, maintaining, analyzing and reporting accurate program evaluation data. Processes include ongoing professional development, FOCUS student information system that tracks all student data and oversight from the school district's Research and Assessment Department.

PROGRAM IMPLEMENTATION: SDMC has experience in providing a broad range of services. These services are in line with the 21st CCLC program goals, objectives, and approved activities from standards-based education to nationally-awarded STEM programming to research-based curricula within 48 traditional school sites as well as alternative sites. Palm View has the support of parents, the community and District to ensure the program is implemented with fidelity.

3.4a Building Your Program Team

Instructions

Use the text box to identify the members of the program team for this application. Describe the rationale for including each team member and the contribution, value or activities they will bring to the community learning center. Secure a signed letter of commitment for each member of the program team for the duration of the project.

Refer to the RFP for more information.

PROGRAM TEAM: The School District of Manatee County worked with district administrators, school administrators and staff, community partners and parents to develop a strong Program Team with the ability to design the proposal, support the implementation of the grant, and provide ongoing insight into the continuous improvement of the 21st CCLC program. As part of the proposal development process, the Program Team became an integral part of identifying needs, determining ideal operational considerations, and informing the best activities to meet the needs of all stakeholders. The Program Team is composed of stakeholder representatives that are fully capable of speaking on behalf of their fellow stakeholders (e.g. teachers, community-connected parents, high-level school administrators, district level contacts and secondary institution representatives).

PROGRAM TEAM MEMBERSHIP: The Program Team member selection was a critical task to ensure the most knowledgeable individuals were included to help design the 21st CCLC proposal and the associated activities. All individuals on the Program Team have provided letters of commitment to continue serving on the Program Team for the duration of the four-year grant. It is anticipated that the Program Team will grow in future years, as additional individuals are identified that would help improve the 21st CCLC program and the services to students and families (e.g. new teachers, new parents, new students in the school, etc.). Ultimately, the Palm View K-8 Program Team includes team members who collaborated, contributed and provided their expertise in the development of the application. The team members are:

Trish Dezso - Director, EDEP and 21st Century (District Administrator)
Kaththea Johnson - Principal (School Administrator)
Cindy Pham - Assistant Principal (School Administrator)

Jodie Hyvonen - Community Member

Sonya Hernandez - Parent of Student at Palm View K-8 School

Rosa Cline - Elementary Teacher at Palm View K-8 School

Stacy Cummings - Middle School Teacher at Palm View K-8 School

Carol Lewis - Coordinator, Career Pathways, Secondary and Postsecondary Institution

The Full-Time 21st CCLC Site Coordinator will also be a member of the Program Team

Trish Dezso, Program Director for the School District of Manatee County brings over 20 years of experience implementing 21st CCLC before/after and summer programming. Kaththea Johnson, Palm View Principal brings almost 20 years of experience in schools as a Teacher and Administrator, having previously taught in a 21st CCLC program and currently overseeing Palm View's 21st CCLC program. Cindy Pham, Assistant Principal at Palm View K-8, has experience with 21st CCLC helping to facilitate the current program. Jodie Hyvonen and Sonya Hernandez serve as the Community and Parent members bringing relevant information about community and family needs. Rosa Cline and Stacy Cummings currently serve as Site Coordinators for the after school 21st CCLC Grant and both bring years of experience in leadership and teaching in both elementary and middle schools. Carol Lewis, Career Pathways Coordinator works closely with State College of Florida and Manatee Technical College. With 24 years experience, Carol's expertise will support a smooth transition between secondary and post-secondary institutions. Once the grant is awarded, a full-time 21st CCLC Site Coordinator will be hired and will be a permanent member of the Program Team.

PROGRAM TEAM TASKS: The Program Team was involved in all stages of the application process. The Team met on four separate occasions to assess program needs, evaluate current community and school resources, identify program operations and any gaps in services that could be addressed by a 21st CCLC program, and develop and select activities for inclusion in the final 21st CCLC proposal. Quarterly meetings will be held throughout each project year to ensure activities are implemented with fidelity, while also ensuring progress towards proposed outcomes and operations. The Program Team will work together to plan, revise and modify program activities to ensure the quality of the continuous improvement process, including engagement of all stakeholders and plans for sustainability.

In addition to the Program Team, the Palm View 21st CCLC Grant has secured partnerships with several important stakeholders that will help support and expand the 21st CCLC offerings under this grant proposal: University of Florida/IFAS Extension, Manatee Technical

College, The Bishop Museum of Science and Nature, Van Wezel, Manatee Education Foundation, Manasota Elite Educators Insurance, Bayside Community Church, Extended Day Enrichment Program (EDEP), Soar in 4/Florida Grade Level Reading Campaign and the Adult, Career and Technical Education (ACT) department. Palm View K-8 School and SDMC will continue to seek additional 21st CCLC partners that can provide donations, goods, services, resources and volunteers. In addition, SDMC will continue to leverage the current agreement with the National School Lunch Program to provide a daily nutritious snack afterschool.

3.5 Engaging Stakeholders

Instructions

Use the text box to describe stakeholder engagement in the community learning center. Describe the types of stakeholders engaged during the development of the application. Describe the plan for the frequency and method of engagement during the project period and the topics in which stakeholders will be engaged during the implementation of the 21st CCLC program. Describe how the community learning center will receive feedback from the stakeholders and how that feedback will be implemented in the development of the program activities. Survey the stakeholders to determine what is needed in a community learning center.

Refer to the RFP for more information.

IDENTIFIED STAKEHOLDERS: Stakeholders are partners in the development, implementation and continuous improvement of the learning community center. The engagement of stakeholders has several explicit purposes; (1) identify the needs of the students, families, schools and communities; (2) identify current gaps in programming and services where funding could best be applied to support students and families; and (3) identify specific activities and subject areas that best support and address the identified needs and gaps. The process of identifying and engaging stakeholders in the planning and design of the program helped inform the final grant proposal. With feedback from each stakeholder group, the program has been thoughtfully designed to meet the needs of students and their adult family members. The program is site-specific, age-appropriate and designed for each school's unique environment. The Program Team determined the most valuable stakeholders to engage through the 21st CCLC were:

(1) Reading and Math Teachers - School day teachers are crucial to the development and continued success of the community learning center. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T. (Benchmarks for Excellent Student Thinking) standards and provide activities to compliment core academic programs. Program teachers and staff will regularly communicate with school day teachers in order to align lessons with day-to-day classroom instruction. This communication will occur at least weekly through emails, phone calls and meetings. Topics of discussion will include student attendance, behavior and academic needs. Feedback will be used to revise and refine activities in order to better support what students are learning and/or identify areas needing additional support. With the support of these regular day teachers, the Program Team believes students attending the program will have a better chance of meaningful change that will be reflected in their academic performance and during teacher observations.

(2) Adult Family Members - Parents, guardians and caregivers are key for successfully implementing and sustaining effective programming. Through parental support and involvement, students will be more successful at school and home. At least 5 parent engagement events will be provided for parents through

the 21st CCLC Grant during the program year. Events will promote the importance of parents supporting their child's education through strategies for helping with homework and independent reading and math skills. Participating parents will complete a survey after each event to provide feedback on areas of program improvement and additional needs. A portion of each event will be used to discuss and share ideas pertaining to program enhancement. The Program Team noted that parent engagement is a struggle across the targeted population; however, services under the 21st CCLC grant will give them the tools to improve and understand the educational process.

(3) Students - The Program Team noted the importance of engaging students in the process as they are essential to 21st CCLC program success. Just having students attend the program is not as powerful as ensuring they have a voice. Surveying students gives them that voice and allows participation in the program design. Throughout the program year, students will be surveyed to gain valuable feedback on future programming.

(4) Community Partners - SDMC has established strong partnerships within this grant proposal. Community members will consist of nearby retirement communities, businesses, local organizations, churches and established partners. The community supports the school district's 21st CCLC Palm View K-8 Grant as a way to close the gap in services for the county's most at-risk children. The Program Team will meet at least quarterly with community stakeholders to discuss specific topics in areas of need and support for students. Meetings will provide feedback for future program planning and sustainability.

During the design process, the Program Team meaningfully surveyed teachers, parents, students and potential partners to identify what is needed in a community learning center at Palm View. SurveyMonkey was used to create, collect and analyze survey results. Paper surveys were available to stakeholders without access to a computer. The Know Your Schools Portal indicates Palm View has 53 teachers and 804 students. Data was collected from 39% of teachers, 34% of students, 12% of parents and 5 partners.

Ongoing collaboration throughout the grant will ensure the community learning center continues to meet the needs of all stakeholders.

3.6 Assessing Program Needs

Instructions

Use the Know Your Schools portal to review the school-level data for the target school(s) under the following areas:

• Assessments-Academic Achievement, Growth, and Participation

• Assessments-English Language Learners

• Acceleration

• Discipline and Attendance

• Graduation and Postsecondary

Use the text box below to summarize the trends found in the school-level data and the results of the surveys of the teachers, parents and communities. Identify the issues and trends that need to be addressed. Describe the activities that the survey respondents would like to see in the community learning center. Identify any assets that already exist in the community to focus on those needs identified above and assets that do not yet exist which are needed to meet the needs.

Refer to the RFP for more information.

NEEDS ASSESSMENT: A needs assessment was critical in formulating an in-depth understanding of Palm View’s needs. The data was gathered from a number of sources including the Florida Department of Education, Palm View's School Improvement Plan, the Know Your Schools Portal, district assessment data, and stakeholders. Palm View serves 815 students in kindergarten through 8th grade. The school is surrounded on three sides by retirement communities comprised of manufactured homes and sandwiched between two major thoroughfares. It serves Rubonia, a high-poverty community. Situated along a major highway with no sidewalks and narrow roads, most students are bussed to school or are car riders. Based on the Community Eligibility Program, an alternative approach for offering school meals to local schools based on former free and reduced student numbers, 100% of students receive free lunch.

ACADEMIC ACHIEVEMENT GROWTH AND PARTICIPATION: In 2018-2019, Palm View increased their school letter grade from a D to an A. Data prior to the 2018-2019 school year showed a downward trend in ELA overall proficiency and learning gains, and very little improvement in Math proficiency. Many resources and support were put into place including the implementation of 21st CCLC. Over the next 3 years, Palm View transitioned to a full Kindergarten through 8th grade school and met the challenges of COVID-19 and learning loss. 2020-2021 school grade data showed Palm View K-8 dropping from an A to a D, however, the state did not require schools and districts to take their grade. Therefore, Palm View K-8 is still labeled an A.

There is a significant decrease in proficiency when comparing higher performing 3rd-5th grade students

with lower performing 6th-8th grade students in both ELA/Reading and Math content areas. Overall learning gains and the bottom quartile were between 67% and 92% in 2018-2019, decreasing to an average of 35% in 2020-2021. In all content areas, ELA/Reading, Math, and Science, student proficiency decreased as did learning gains and number of students in the bottom quartile.

All subgroup areas have decreased proficiency. Compared to last year, there was a significant difference in the number of students who made learning gains and those who did not. In all content areas, ESE and ELL subgroups decreased both proficiency and in learning gains. When comparing 2020-2021 FSA and progress monitoring data with our 2018-2019 school grade data, all areas decreased which raises a concern in every component, including a focus on subgroups. All subgroups fell below the 41% state requirement in 2020-2021: SWD: 25%; ELL: 31%; Black/African American: 33%; Hispanic: 39%; Multiracial: 29%; and ED: 37%.

TITLE 1 COMPREHENSIVE NEEDS ASSESSMENT: There is a critical need to provide students with more opportunities for standards-based academic tutoring and enrichment. Added enrichment could further advance the success of lower performing students. Using the Power Index, areas of greatest need for improvement and therefore most focus are:
1. Middle School Acceleration - Algebra I and Geometry
2. Lowest Quartile Learnings Gains in both ELA/Reading and Math
3. Subgroups focusing on: ESE and ELL (Based on a review of data, many of these students also fall into the L25 groups and therefore have an impact in multiple areas)

Contributing factors for the decrease in performance include the following:
1. Converting from a K-5 elementary school to a full K-8 school, doubling capacity in 2 years
2. Two new components factored into school grade calculations: Social Studies (EOCs) and MS Acceleration
3. Increase in the number of students within high-needs subgroups: ESE and ELL
4. Discipline, Trauma, need for SEL and Restorative Practices for students on campus

SCHOOL BENCHMARK DATA: 2021-2022 1st & 2nd quarter data for grade levels, ELL, Students with Disabilities (SWD), and other Subgroups shows as follows:
ELA/Reading:
• 3rd grade ELA proficiency: Q1-33%; Q2-23%
• 4th grade ELA proficiency: Q1-44%; Q2-34%
• 5th grade ELA proficiency: Q1-35%; Q2-33%

• 6th grade ELA proficiency: Q1-45%; Q2-31%

• 7th grade ELA proficiency: Q1-28%; Q2-33%

• 8th grade ELA proficiency: Q1-41%; Q2-31%

Math:

• 3rd grade MATH proficiency: Q1-38%; Q2-27%

• 4th grade MATH proficiency: Q1-55%; Q2-61%

• 5th grade MATH proficiency: Q1-52%; Q2-50%

• 6th grade MATH proficiency: Q1-36%; Q2-28%

• 7th grade MATH proficiency: Q1-43%; Q2-44%

• 8th grade MATH proficiency: Q1-33%; Q2-34%

Science:

• 5th grade Science proficiency: Q1-26%; Q2-27%

• 8th grade Science proficiency: Q1-14%; Q2-30%

Acceleration:

• Algebra & Geometry proficiency: Q1-60%; Q2-54%

Students with Disabilities:

• SWD Q1:

o ELA: 12% proficiency; 31% learning gains; 43% L25 learning gains

o Math: 29% proficiency; 49% learning gains; 74% L25 learning gains

o Science: 8% proficiency

o Acceleration: No SWD are currently in an accelerated course.

• SWD Q2:

o ELA: 13% proficiency; 45% learning gains; 60% L25 learning gains

o Math: 26% proficiency; 62% learning gains; 85% L25 learning gains

o Science: 4% proficiency

o Acceleration: No SWD are currently in an accelerated course.

English/Language Learners:

• ELL Q1:

o ELA: 22% proficiency; 36% learning gains; 17% L25 learning gains

o Math: 43% proficiency; 53% learning gains; 80% L25 learning gains

o Science: 17% proficiency

o Acceleration: 33% proficiency

• ELL Q2:

o ELA: 21% proficiency; 44% learning gains; 46% L25 learning gains

o Math: 32% proficiency; 54% learning gains; 85% L25 learning gains

o Science: 19% proficiency

o Acceleration: 33% proficiency

ACCESS for ELL: Data from the annual summative English language proficiency assessments over the last two years show a significant decrease in Overall Proficiency Rating and a large increase in the number of ELLs receiving services.
2019-2020: 94 students; 28% overall proficiency rating
2020-2021: 117 students; 9% overall proficiency rating

ACCELERATION-ALGEBRA 1: Based on the 2020-2021 progress monitoring data, proficiency in Algebra 1 increased to 56% in 2021-2022 which was more than a 30% increase from the previous year.

3RD GRADE RETENTION: For 2021-2022, Palm View has 18 retained 3rd grade students and 1 Academy classroom with a full time Reading endorsed teacher and paraprofessional. Benchmark data results are:
ELA: Q1-17% proficiency; Q2-11% proficiency
Math: Q1-31% proficiency; Q2-19% proficiency
ELA Overall Learning Gains: 12/16 – 75%. L25 LG: 12/15 – 80%
Math Overall Learning Gains: 12/14 – 86%. L25 LG: 10/11 – 91%

DISCIPLINE AND ATTENDANCE: Over the last two years, the majority of discipline referrals were written for disruptive behavior (due to lack of engagement), disrespect (to staff and others), and tardies. In 2021-2022, 17% of students received referrals in Quarter 1 and 22% received referrals in Q2. The increase in referrals was due to the implementation of a new tardy threshold policy beginning second quarter. To improve discipline and attendance, all students attend a 20-minute advisory period each day that includes social and emotional learning along with restorative practices. There is a need for continued social and emotional learning.

The percentage of students missing 10% or more of school decreased from 44% in the 1st quarter to 38% in the 2nd quarter. Data from the 2020-2021 school year show a total of 42% of students have missed 10% or more of the school year. A Graduation Enhancement Technician employed at Palm View is focused on improving attendance and reducing tardies through incentives and monitoring policies for daily and weekly tracking of students at all three Tier support levels.

STAKEHOLDER SURVEYS: Data was collected from 39% of teachers, 34% of students, 12% of parents and 5 partners. 95% of TEACHERS surveyed believe after school programming is important for students and the program should be free. In addition, 100% agreed parents could not afford weekly fees for afterschool programming. Teachers identified the following three areas as the greatest need: reading at

grade level, understanding math concepts and behaving in class. They feel structured after school programs would improve resources for students, homework completion, reading and math skills and connection to the community. STUDENTS identified help with homework, outdoor games and fitness, science projects and experiments, painting and drawing as the most desired activities. Survey results showed students struggled most in the area of homework, math and reading. Over 90% of PARENTS surveyed stated their children needed after school programming, however, 83% stated they could not afford to pay and after school programming is not readily available in the community. Areas of need identified by parents include homework help, reading, math and STEM. Parents indicated they would want their children to attend programming at least 4 days after school for 2.5 hours each day. Five potential PARTNERS participated in the survey stating their interest in partnering with the community learning center. The partners feel providing a safe place for students and families is the top priority. Academic support and enrichment activities are equally important. Potential partners indicated support through donations, volunteers and in-kind resources. In summary, the three elements of program activities identified the most by students and families are homework help, academic support and enrichment opportunities.

3.7a Intentionally Designing Activities

Instructions

Upload a completed site profile worksheet for each site proposed. Create a schedule for each program component that includes the start and end time for each activity and which activity will be offered in each time block.

Refer to the RFP for more information

Click here to download and complete the Site Profile Worksheet.

Click "Upload a file' to upload completed Site Profile Worksheet(s) and Schedule(s).

MCSD 21st CCLC Family Member Services Sample Schedule 22-23 Palm View K8.pdf

Filename: MCSD 21st CCLC Family Member Services Sample Schedule 22-23 Palm View K8.pdf **Size:** 96.9 kB

21st CCLC Sample Palm View K8 Schedule.pdf

Filename: 21st CCLC Sample Palm View K8 Schedule.pdf **Size:** 85.0 kB

3.7b Intentionally Designing Activities

Instructions

Use the text box to submit a narrative that outlines how the activities in the proposed schedule address the needs identified in the program needs assessment. Describe how the community learning center will implement each activity on the schedule. Identify the interventions the program staff will use for each activity and their levels of evidence. Provide references for the evidence levels.

Describe the program's recruitment strategy. Outline the communication strategy the program will use to recruit and retain students and families. Describe how families will be selected for participation and encouraged to attend program activities. Identify any enrollment priorities and how they will be carried out.

Refer to the RFP for more information.

ACADEMIC ENRICHMENT: READING/ENGLISH LANGUAGE ARTS

Palm View K-8 will provide 21st CCLC students with activities that directly align with Florida's B.E.S.T. standards and the needs assessment findings outlined previously, particularly the reading needs demonstrated by prior FSA performance data, teacher feedback, parent feedback, and overall recommendations from the Program Team. The ELA activities will focus on reading areas that are challenging for students such as phonics and foundational skills of primary grades and vocabulary, fluency, and comprehension for all grade levels. All activities will accommodate different learning styles and levels to include both remediation and enrichment. The following reading curriculum will be used for elementary students: Benchmark Advanced, Literacy Footprints, Leveled Readers, Accelerated Reader; and for middle school students: Lexia Power Up Reading, Accelerated Reader and Leveled Readers along with Edginuity for credit recovery to support the chosen interventions. DimensionU will supplement reading for 3rd – 8th grade.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student's ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with "think-a-louds" – teacher verbalizes the thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: According to the needs assessment stakeholder survey data, students targeted for the 21st CCLC program need additional reading support. Reading interventions that begin early in the primary grades have shown to benefit students in later grades. Research suggests struggling to read in younger grades must be addressed or students risk ongoing struggles throughout their education. Students who are not proficient in reading by 3rd grade have four times higher dropout rate than readers who are proficient (e.g., Fiester, 2010). Family literacy nights will be planned to provide opportunities for adult family members to acquire English language and literacy skills while empowering them to become more involved in their children's education.

EVIDENCE AND REFERENCES: Overall, the activities and lessons are selected and designed to provide

research-based, reading support and interventions for students in kindergarten through 8th grade. The components for the reading activities were selected to best impact reading comprehension, reading fluency and reading achievement for 21st CCLC students. Although no information for the reading programs was found on the What Works Clearinghouse (WWC), several studies were found that support the Tier 1 interventions and recommendations requiring research totaling at least 300 participants. The "Report of the National Reading Panel" (NICHD, 2000) provides equally compelling evidence for explicit, systematic instruction for each of the five essential components of literacy (phonemic awareness, phonics, fluency, vocabulary, and comprehension). “Explicit instruction in reading makes a difference in student outcomes, especially for those who are low achieving” (Denton et al., 2003, p. 202). “Explicitness has been a component of instruction in studies documenting improved outcomes in phonological awareness, decoding, and the application of comprehension strategies for the understanding of text” (Denton et al.).

FREQUENCY: Reading activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year. Family literacy activities will also be planned so children and parents can experience reading together.

ACADEMIC ENRICHMENT: MATHEMATICS
Math will focus on standards-based activities, project based learning, and hands-on learning with manipulatives. All activities will accommodate different learning styles and levels to include both remediation and enrichment. Math lessons will come from enVision MATH, Best Standards for Math, DimensionU and Acaletics intervention and support materials. In addition, Edginuity will be used with middle school students for credit recovery.

INTERVENTION DESCRIPTION: Concrete-Representational-Abstract (CRA) is an approach to teaching math. All topics in math can be taught using CRA. Students do not have to progress through the concrete to get to the representational and abstract phases. Students often work at the concrete and abstract or representational and abstract phases at the same time. With CRA, students work with hands-on materials that represent math problems (concrete), pictorial representations (representational), and problems with numbers and symbols (abstract). The teacher explicitly bridges the connection between the three components of math problems.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student’s ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction

include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with “think-a-louds” – teacher verbalizes the thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on the collected survey data, teachers, parents and students indicated the need for additional math support. Parent involvement is a primary factor in supporting students’ educational success. The 21st CCLC program will plan family events so parents feel knowledgeable and comfortable to help their children succeed in mathematics. The events may be led by afterschool staff or local experts from the community.

EVIDENCE AND REFERENCES: While the What Works Clearinghouse did not include information on the selected math interventions, support for math was clearly indicated in the needs assessment. When teachers provide effective math instruction, teachers can reduce the performance gap between students who are at risk for math (Clarke, Smollkowski, Baker, Fien, Doabler, & Chard, 2011). Students with learning disabilities who receive effective math intervention develop critical skills like problem-solving and abstract reasoning, which are necessary for math proficiency (Gersten, Chard, Jayanthi, Baker, Morphy, & Flojo, 2008; Allsopp, Lovin, & Van Ingen, 2017). Results of a study of middle school math teachers indicated students who learned using the CRA method to solve equations outperformed peers receiving traditional instruction (Witzel, Mercer, & Miller, 2003). CRA methods teaching place value, fractions, addition, subtraction, multiplication, algebra and word problems are supported by research (Mancl, Miller, & Kennedy, 2012).

FREQUENCY: Math activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year.

ACADEMIC ENRICHMENT: SCIENCE/STEM and CAREER COMPETENCIES AND READINESS
Through STEM, students will engage in experiential education that excites, engages, and enriches through a hands-on, learn-by-doing approach in science, technology, engineering and math. Skills will be taught so that all students can understand and build on prior knowledge. For middle school students specifically, STEM activities will include career competencies and career readiness.

ACTIVITY/DESCRIPTION: STEAM-Woz ED PATHWAYS
Palm View K-8 is the first school in the Nation to implement all 5 Woz Pathways school-wide. Since beginning implementation in the 2019-2020 school year, Palm View has added other Pathways to include Animation and Artificial Intelligence. Expanding the Woz program to the community learning center will support Palm View's focus on employment and career competencies and readiness. The Woz lessons are purposefully designed to build an engineering mindset while developing the soft skills employers value. Collaboration, problem solving, and critical thinking are inherent in every project. K-8 students will participate in robotics, engineering, digital and graphic design, along with animation and coding. 21st CCLC groups will participate in STEM competitions throughout the year.

ALIGNMENT TO STUDENT/FAMILY NEEDS: Woz ED provides a personalized approach to nurturing an engineering mindset through hands-on projects that progress from Kindergarten through employment. These learners can dream, design, engineer, test, improve, and create through coding, robotics, drones, 3D printing and data analysis. Children today are growing up in a world very different from the one experienced 15 years ago. Students must be equipped to solve problems and work in team environments to succeed in tomorrow’s job market.

EVIDENCE AND REFERENCES: Steve Wozniak, Apple Co-Founder and Founder of Woz Ed, is a leader of K-12 STEM education around the world, providing students access to high-quality technology training. Recognizing the importance of access to STEM education, Palm View K-8 has been able to provide students with the opportunity to continue exploring their interest in STEM activities and advancing their skills. While the WWC does not include Woz ED Pathways interventions for Science/STEM, the needs assessment indicates the importance of providing STEM activities within the proposed 21st CCLC program. However, accessibility to STEM learning is not always easy. A STEM report by the U.S. Department of Education states, “We must also make sure that no matter where children live, they have access to quality learning environments. A child’s zip code should not determine their STEM fluency.” Further noted in “The Edvocate” (www.theedadvocate.org), there are 7 benefits to STEM education: fosters ingenuity and creativity; builds resilience; encourages experimentation; encourages teamwork; encourages knowledge application; encourages tech use; teaches problem-solving; and encourages adaption.

FREQUENCY: Science/STEM activities will be offered to all students at least twice per week for approximately 45 minutes throughout the program year. Students will engage in STEM activities with certified teachers all of whom will be directly trained in providing the Woz ED Pathways curriculum.

ACADEMIC ENRICHMENT: HEALTHY AND ACTIVE LIFESTYLES

ACTIVITY/DESCRIPTION: SPARK-PE

All 21st CCLC students will receive activities related to healthy and active lifestyles that are aligned to student needs and Florida's Standards for Physical Education. To best address student needs, Palm View K-8 will purchase and implement the research-based SPARK curriculum (Sports, Play and Active Recreation for Kids). SPARK provides a collection of researched-based physical education programs emphasizing a highly active curriculum, on-site staff development, and significant follow-up support. To ensure all students are fully engaged, SPARK features both diverse instructional and diverse curricular models that embody the HOPE (Health Optimizing Physical Education) and are aligned to both state and national standards. SPARK is specifically designed to provide activities aligned to school-day fitness lessons and activities. All lessons include age, space, and ability adaptations so all students can fully participate in developmentally appropriate, organized, and high-quality physical activities. There are four components to the SPARK-PE activity selected for Palm View K-8 program: (1) group fitness activities (e.g., basketball, soccer) to improve cardiovascular fitness and positive social traits; (2) fitness circuit activities that infuse cooperative strategies, peer coaching, turn taking protocols, and self-practice of previously taught skills and movements; (3) endurance games (e.g., walking, jogging) to promote aerobic and cardiovascular fitness; and (4) personal fitness activities to promote fitness goal setting and lifelong wellness commitment among students.

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on the need assessment data obtained from the Project Team and stakeholder surveys, there is a need for overall wellness. Data collected from 39% teachers, 32% students and 12% parents indicated a need for health and wellness programming during the 21st CCLC program. Although there is fitness provided during the regular school day, as per Florida Statutes, there is a significant need for additional fitness and health to support students. Moreover, according to the Florida Department of Health (2021), more than 30% of low-income children living in Manatee County are either overweight or obese. The goal of the 21st CCLC program Healthy and Active Lifestyles activity is to improve personal and physical wellness through structured activities that foster healthy lifestyles. Students will learn how to work well with others, build and foster good sportsmanship, and explore ways to incorporate personal fitness into their everyday lives.

EVIDENCE AND REFERENCES: The What Works Clearinghouse did not include interventions in healthy and active lifestyles, yet the needs assessment clearly indicates the importance of providing these activities. Fortunately, the WWC outlines the type of research and sample sizes needed for each "tier" of evidence-based interventions with Tier 1 interventions and recommendations. Many research studies have been conducted to determine whether physical wellness is connected to academic performance. For example, de Greeff and colleagues (2014) studied 544 students and found cardiovascular fitness was significant

predictors of student academic performance in both math and English Language Arts. More specific to Florida, research conducted with 132 elementary school students found a significant relationship between physical fitness and academic performance, as measured by Florida statewide assessments (Wingfield, Graziano, McNamera, & Janicke, 2011). Finally, through a systematic review of 26 peer reviewed research studies, researchers found an association between increased physical fitness and improved academic performance and executive function (Salas Sanchez, et al., 2022), with the researchers calling for increased hours of physical education to “more effectively develop the cognitive aspects” of children in elementary school.

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in SPARK-PE activities with the personal enrichment instructors, all of whom will be directly trained in providing the curriculum.

ACADEMIC ENRICHMENT: ART AND MUSIC EDUCATION
Art and music education is designed to give students opportunities that would otherwise not be easily accessible, and to offer a high-quality education. Both inspire students to stay in school, increases motivation, improves attitudes and attendance, and improves academic performance. According to Americans for the Arts, a student involved in the arts is four times more likely to be recognized for successful academic achievement. The Arts can influence and shape a child’s development on several levels: academically, socially and emotionally.

ACTIVITY/DESCRIPTION: Teachers certified in art and music education will provide instruction to enhance student learning experiences during the 21st CCLC program. Palm View K-8 plans to provide arts education through music, movement, drama/theatre and visual art mediums (drawing and painting). Intervention strategies will include whole group and small group instruction along with hands-on real life experiences.

ALIGNMENT TO STUDENT/FAMILY NEEDS: At a time when art and music education is struggling for classroom time in schools, the 21st CCLC program can offer much needed support and provide students with other engaging activities. Stakeholder survey results support the need for additional enrichment activities including art and music.

EVIDENCE AND REFERENCES: Students in schools serving predominantly low-income households receive less arts instruction than students in schools serving higher-income households (afterschoolalliance.org). Many evaluations demonstrate the benefits of the Arts to students who participate, such as: academic gains, improved cognitive skills, positive behaviors, increased engagement, creativity (Big Thought,

2010). According to a multi-year study of children participating in the Thriving Minds arts afterschool program, students progressed from interacting with creations to becoming creators themselves (2010). Study results of students (1st-8th grade) participating in an out-of-school music program, demonstrated higher levels of academic performance over peers not attending. Further, students exhibited better performance on measures of executive functions and higher scores on standardized tests (Holochwost, et al., 2017).

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in Art and Music with the personal enrichment instructors, all of whom will be directly trained in providing the curriculum.

RECRUITMENT AND RETENTION: The 21st century community learning center will give priority to students identified with educational difficulties or heightened risk factors such as low-test scores, possibility of/or past retention, poor school attendance, etc. These students are representative of the wider community and those facing the most significant barriers to academic success. The following strategies will be used to reach and enroll the targeted students: information and registration table at Back-to-School Event/Open House, distribution of flyers and registration packets in English/Spanish, posters hung throughout the campus, and information on the marquee. Teachers, counselors, and Graduation Enhancement Technicians will work with 21st CCLC staff to ensure that students at high risk of retention are specifically invited to attend. To recruit parents and families there will be direct contact at school events, automated phone calls, newsletters and information posted on the website. To encourage students to remain in attendance from the beginning to the end of the program day, the schedule will be structured so that engaging, high energy activities are held the entire time. Also, adhering to school district protocol, elementary school students are not allowed to sign themselves out of a program. To encourage regular attendance, several attention-grabbing and fun enrichment activities and projects are planned to include hands-on STEM challenges, arts and music education and academic enrichment.

3.7c Intentionally Designing Activities

Instructions

Upload a completed Partners Table and the letters of support including a letter from school district executive leadership (Superintendent or Assistant Superintendent) and an administrator from the target school. For other partners, describe the tangible contribution of the partner and the frequency of the contribution to the program.

Refer to the RFP for more information.

Click here to download the Partners Table.

Click "Upload a file" to upload Partners Table and Letters of Support.

Partners Table and Letters PVK8.pdf

Filename: Partners Table and Letters PVK8.pdf **Size:** 692.0 kB

3.8a Recruiting and Retaining High Quality Staff

Instructions

Use the text box to describe the staffing structure of the community learning center. Outline the positions that will be hired in the community learning center. Discuss how the staffing structure interfaces with the scheduled activities in the previous section.

Refer to the RFP for more information.

STAFFING PLAN: The program will be housed under the already existing Extended Day Enrichment Program that provides programming during non-school hours. An experienced Program Director will manage the implementation of the program and budget. Each school site will have a full-time Site Coordinator overseeing the day-to-day programming supporting the academic and enrichment activities of students and families in the 21st century community learning center.

STAFFING STRUCTURE: The PROGRAM DIRECTOR will report directly to the Director of Elementary Curriculum who in turn reports to the Executive Director of Curriculum and Professional Learning. Included in the staffing structure is an experienced Junior Accountant/Bookkeeper reporting directly to the Program Director. All financial transactions will be approved by the Program Director, Director of

Elementary Curriculum, and the Finance Department. The Program Director and Junior Accountant/Bookkeeping services are an in-kind contribution, and a testament to the significant support the 21st CCLC Program will receive. Each school will have a full-time SITE COORDINATOR who is critical to properly implementing the 21st CCLC program effectively, efficiently, and with fidelity. They will be responsible for the daily oversight of all aspects of the program and staff, be on-site during all program hours, and certified in First Aid/CPR. In addition, they will be responsible for securing partnerships in the community to sustain the program after the four-year grant has concluded.

Additional staff include CERTIFIED TEACHERS with expertise in core academic subjects who will facilitate all academic enrichment. Highly qualified teachers will be recruited from Palm View as they have invaluable knowledge of the students. At least 1 certified teacher will be present during all academic activities and the staff to student ratio will be 1:10. ACTIVITY LEADERS will oversee personal enrichment activities with a ratio of 1:20 and will also support the required ratio of staff to students for academics.

ROBUST QUALIFICATIONS AND DUTIES: All staff will be responsible for completing an application which they receive from the Site Coordinator. This application will include specific requirements noting their qualifications, years of experience, certifications, etc. We also require teachers attach a copy of their teaching certificate to the 21st CCLC application. In addition to teachers being highly qualified, we hire Reading and English for Speakers of Other Languages (ESOL) endorsed teachers, Exceptional Student Education (ESE) teachers and trained translators. Once applications have been reviewed for qualifications, hiring of the staff is determined by the Program Director with input from the school administration and Site Coordinator. Job descriptions will be provided for staff clearly outlining their responsibilities and a signature of acknowledgment is required. As a school district the lines of communication have been established for working with teachers, staff, school administrators, as well as the administration at the district level which ensures the quality of our success. We have access to the school district’s Human Resource Department system which conducts criminal background checks on all employees working directly with children before hiring. All district staff undergo a Level II background screening and at least two staff members per center will have CPR/First Aid certification. In addition, staff will be screened through the "Background Screening Clearinghouse" overseen by the Florida Department of Children and Families. 21st CCLC staff members will participate in professional development related to academic achievement through the district’s Office of Professional Learning.

TRAINING PLAN FOR QUALITY IMPROVEMENT: Training plays an essential role in successful education improvement. To ensure our program is implemented with fidelity we provide initial training for the staff during the July/August months prior to the start of 21st CCLC. In addition, all program staff will participate in quarterly professional development sessions specific to the 21st CCLC Program. Training of

the curriculum and other instructional materials will be completed at the beginning and throughout the year as needed. Other training topics may include increasing self-esteem through educational achievement and supporting various learning styles. The district has two in-service days during the school year where 21st CCLC training will occur. Each staff member will be responsible for reading and signing their intent/commitment to work the 21st CCLC program and comply with ethical business practices. We will create a solid foundation through individual training about the community learning center during the August/September start up months. We will utilize advance methods to improve teacher effectiveness which will result in student achievement. The Program Director and/or Site Coordinator will conduct four 4-hour trainings, as well as participate in the required statewide training with at least one other staff member. Training on activities, procedures, and other policies will be ongoing, as needed. Additional training may also include CPR/First Aid, EZReports, STEM curricula, child and youth development, afterschool and summer learning, family engagement, evidence-based practices, and other site-specific academics/enrichments in order to deliver an effective and successful community learning center program.

3.8b Recruiting and Retaining High Quality Staff

Instructions

Upload sample job descriptions for each position mentioned above that include the qualifications and the duties of each position.

Refer to the RFP for more information.

Click "Upload the file" to upload Sample Job Descriptions.

Palm View K8 Job Descriptions.pdf

Filename: Palm View K8 Job Descriptions.pdf Size: 290.8 kB

3.8c Recruiting and Retaining High Quality Staff

Instructions

Provide a schedule of training for the community learning center staff.

Refer to the RFP for more information.

Click "Upload a file" to upload Schedule of Training.

MCSD 21st CCLC Training Schedule 2022-2023.pdf

Filename: MCSD 21st CCLC Training Schedule 2022-2023.pdf Size: 78.7 kB

3.9 Implementing with Fidelity

Instructions

Use the text box to describe the program strategy for ensuring that the activities proposed in this application are implemented with fidelity. Include the methods the community learning center leadership will use to ensure that the number of days and hours of programming are provided and that the programming is delivered with rigor. Identify the data points to be used to determine if the program is effective and how the community learning center staff will collect those data points. Explain how the data points will be used to revise, adapt or eliminate programming and the frequency of that process.

Refer to the RFP for more information.

Members from the Program Team will serve as leadership of the community learning center. The Leadership Team will include school Principal, Site Coordinator and Program Director. This team will be responsible for ensuring the program is carried out with fidelity, days and hours of programming align with the program application and the activities are delivered with rigor using data to revise, adapt or eliminate programming. In addition, the leadership team will oversee staff training and the activities that are designed to provide continuous education to students.

The 21st CCLC Fidelity Plan is firmly grounded in a commitment to continuous improvement of operations, services, and outcomes. The cornerstone is a logical process of planning, data collection, analysis, reporting, and refining. As such, the plan will include three connected elements to help ensure the program being implemented is effective, efficient, and sustainable: progress monitoring, data analysis and continuous improvement.

The Continuous Improvement Model (CIM), a quality-based approach used within educational settings and particularly effective for reducing achievement gaps between student subgroups will be utilized. The model focuses upon individualized assessment using both formal (e.g., surveys) and informal (e.g., meetings) techniques to guide incremental changes within ongoing services, adopt new ways to improve and measure outcomes, discontinue or adapt activities that have no value, and increase emphasis on program success.

The immediate and individualized feedback provided through CIM is particularly important for implementation of the 21st CCLC program to help guide/ensure the highest impact for each student. The program will also use CIM to guide any immediate operational changes necessary to provide a high-quality program, including such areas as staffing changes, adjustments, or resources to specific activities. The fidelity plan will provide a structure for generating information needed for ongoing program refinement.

The Continuous Improvement Model will support data collection within three general categories: (1) District Data; (2) Program Data; and (3) Stakeholder Data.

(1) District data will include all student demographics, state standardized tests and end-of-course exams (from prior and current years), student progress reports and report card grades, student attendance during the school day, and any other additional data deemed useful for the program.

(2) Program data will include (A) student attendance (daily) and enrollment status, (B) demographics, (C) program operational information (e.g., hours, activities, facilities, staffing, and partners), and (D) adult family member data.

(3) Stakeholder data will be collected quarterly through teacher surveys, parent surveys, student surveys, and partner surveys. Survey data will be collected using electronic systems to ensure accuracy of collected data.

To further support the fidelity plan, the Principal will meet monthly with the Site Coordinator to review progress monitoring data. Data will include benchmark assessments, progress reports, quarter grades and behavior. Data collection will be ongoing and will be used to refine program activities. The Site Coordinator will be responsible for day-to-day program operations to ensure the center is following the proposed calendar, daily schedule and activities. Oversight will occur through staff meetings, walkthroughs and lesson plans. The Program Director will perform monthly fidelity checks to confirm the

community learning center is implemented as intended. Monthly Leadership Team meetings will be held to discuss findings from the fidelity checks and other collected data. Together these strategies will serve as the ongoing process to revise, adapt and/or eliminate ineffective programming.

3.10 Project Budget

Instructions

Complete and upload the DOE 101S Budget Narrative Form. For applicants that use the Red Book, please complete the function and object codes for the expenditures. For all other applicants, please enter the account codes from the agency's general ledger in the object code column. In the Account Title and Narrative column, enter the name of the expenditure, a description of the expenditure and a funding calculation that shows how the total amount of the expenditure was derived. In the amount column, enter the total amount for that line item. Include any administrative costs percentages so as to not exceed the maximum percentage.

Refer to the RFP for more information.

Click here to download the DOE 101S Budget Narrative Form.

Click "Upload a file" to upload the DOE 101S Budget Narrative Form.

DOE101S Palm View K8 Grant.xls

Filename: DOE101S Palm View K8 Grant.xls **Size:** 126.0 kB

3.11 Plan for Sustainability

Instructions

Use the text box to describe the agency's strategic planning process for continued sustainability of the 21st CCLC program. Describe outreach and advocacy strategies the program team will use to develop continued support after the funding ends. Explain how you will document progress towards sustainability within your progress plan.

Refer to the RFP for more information.

With the foundation built by the 21st CCLC and the sustainability efforts of the Program Team,

impoverished and high-risk students will have continued access to free educational services. These services are designed to promote academic and personal success. By creating a vision and annual goals, conducting community outreach, advocating for support and seeking new partnerships and funding, the Program Team will be successful in sustaining the program for students and their families.

Each year the Program Team will hold quarterly meetings to establish a clear vision and goals for the program. Meetings will provide opportunities to review progress and reflect. Duties will be assigned to each team member in order to maximize time and effort and support the four-year sustainability plan. Specifically, the full-time site coordinator will dedicate a portion of each week to the sustainability plan including contacting local businesses, churches, community organizations and outreach groups; seeking federal, state, local and private funding; building relationships with parents, students, staff and the greater school community. The parent team member will advocate for resources in the community and assist with the survey data. The school administrators will continue outreach efforts with current business partners and the school community. They will assist in collaboration building, advocacy efforts and funding sources. As additional support, the Program Director will facilitate collaboration and communication between stakeholders.

The four-year sustainability plan is as follows:

Year 1: Create a vision and identify both short term and long-term goals. Develop an advocacy plan to share the vision and garner support. Begin building collaboration within the community to support the continuation of programming after funding ends. Create and administer surveys for various stakeholder groups and analyze data to monitor progress. Identify key partners for collaboration and seek funding resources.

Year 2: Revisit and revise Year 1 goals and identify progress indicators. Continue the advocacy plan. Survey data will be collected from students, families and staff related to expectations for the program along with open feedback for the coming year. Budget will be reviewed and the goal for at least two additional partnerships will be pursued so the level of services will not be impacted.

Year 3: Continued reflection on progress from Years 1 and 2 toward goals and adjustments using stakeholder feedback and new partnerships. Extra advocacy efforts will be made to increase awareness of our vision and mission. Goals for at least 2-3 additional partners will be pursued to support all levels and areas of programming. Survey data will be collected throughout the school year on the school’s needs and will help monitor progress towards sustainability.

Year 4: The focus will be on identifying, combining and seeking resources to sustain the program. Partnerships and collaboration will be strengthened to support the goals and action plans moving forward. Seek solutions for any areas of concern related to sustainability.

Palm View will continue to build upon the program each year by conducting outreach efforts, securing commitments from community agencies, local businesses and partners and advocating for their program. The program's impact and positive outcomes will be shared on a regular basis to build support and awareness within the community through multiple outlets including social media.

Priority Points

Completed - Apr 27 2022

Priority Points Form

Priority 1

Evidence that the proposal targets only high-need students and families?

Over 90% of the student body receives free/reduced price meals

Upload Priority 1 Evidence:

CERTIFICATION

I, Cynthia Saunders, as the official who is authorized to legally bind the agency/organization, do hereby certify to the best of my knowledge and belief that all the information and attachments submitted in this application are true, complete and accurate, for the purposes, and objectives, set forth in the RFA or RFP and are consistent with the statement of general assurances and specific programmatic assurances for this project. I am aware that any false, fictitious or fraudulent information or the omission of any material fact may subject me to criminal, or administrative penalties for the false statement, false claims or otherwise. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Further, I understand that it is the responsibility of the agency head to obtain from its governing body the authorization for the submission of this application.

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

(1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.

(2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

(4) An applicant that proposes a project to increase school safety might describe the special efforts it will take to address concern of lesbian, gay, bisexual, and transgender students, and efforts to reach out to and involve the families of LGBT students

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number Public reporting burden for this collection of information is estimated to average 1 5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information The obligation to respond to this collection is required to obtain or retain benefit (Public Law 103-382 Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U S Department of Education, 400 Maryland Ave , SW, Washington, DC 20210-4537 or email ICDocketMgr@ed gov and reference the OMB Control Number 1894-0005

Department of Education's General Education Provisions Act (GEPA)

Section 427 of the General Education and Provisions Act requires each applicant for funds (other than an individual person) includes in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs.

In the text area below, please provide a brief narrative outlining how your program will meet the requirements outlined in Section 427 of the General Education Provisions Act (GEPA).

The Nita M. Lowey 21st Century Community Learning Centers project for the School District of Manatee County ensures equitable access to all beneficiaries including students, staff, parents, and community members regardless of gender, race, national origin, color, disability, or age. Each site will recruit staff through an open application process and target students who have the greatest need for supplemental services. Sites will recruit students who performed in the lower quartile on state standardized tests to be included in the program first; all other students are then provided with applications for parental notification and permission purposes. Special education teachers and other support staff will be hired as needed so specialized assistance can be provided to students with specific needs. Instructional materials and services will be modified and/or purchased according to student need and training for staff will be provided when necessary. The program will offer a variety of activities to meet the needs of a diverse group of students including academic enrichment and support, personal enrichment, and recreational activities. Written notices to parents are sent home in English and Spanish as well as other languages in an effort to counter any language barriers that would thwart communication. Additionally, the program sites are public schools, all of which have access for persons with disabilities.

Date Signed

General Assurances, Terms, and Conditions for Participation in Federal and State Programs

The Department of Education has developed a "General Assurances" document that must be signed by all agencies and organizations that receive federal or state funds. This is required by:

- Federal regulation 34 CFR §76.301 of the Education Department General Administrative Regulations (EDGAR), which requires a general application for subgrantees/subrecipients for participation in federal programs funded by the U.S. Department of Education that meets the requirements of Section 442 of the General Education Provisions Act (GEPA).
- Applicable federal statutes.
- Applicable regulations of other federal agencies.
- State laws and regulations pertaining to the expenditure of state funds.

Florida Department of Education
Bureau of the Comptroller
325 West Gaines Street
914 Turlington Building
Tallahassee, FL 32399-0400

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental agencies are required to submit the certification page of the General Assurances with an original signature of the official who is legally authorized to bind the entity along with each application submitted to the Department.

Florida Department of Education
General Assurances, Terms, and Conditions for Participation in Federal and State Programs

Authority for Data Collection: 20 USC 1232e (a)

Planned Use of Data: The requirements established in United States Code Annotated, Title 20, Education, Chapter 31, Subchapter III, Section 1232(e), stipulate that "[e]ach local education agency which participates in an applicable program under which federal funds are made available to such agency through a state agency shall submit, to such an agency, a general application containing the assurances set forth in subsection [1232e] (b)." The application shall cover the participation by the local education agency and all other organizations participating in state and federal programs administered by the Florida Department of Education. These assurances are set forth below in the "General Assurances" section.

Instructions: These general assurances will be in effect for the duration of the project it covers. The state agencies or boards administering the projects covered by the application shall not require the submission or amendment of such an application unless required by changes in federal or state law, or by other significant change in the circumstances affecting an assurance in such application. The superintendent, agency head, or other authorized officer must sign the certification and return it to the following address. No payment for project/grant awards will be made by this agency without a current signed General Assurances form on file. For further information, contact the Florida Department of Education, Bureau of the Comptroller, at (850) 245-0401.

Certification:

I, the undersigned official am legally authorized to bind the named agency/organization of the State of Florida, hereby apply for participation in federally funded and/or state-funded education programs on behalf of the named agency/organization below. I certify that the agency will adhere to and comply with the General Assurances, Terms, and Conditions and all requirements outlined in the "Project Application and Amendment Procedures for Federal and State Programs" (Green Book).

School District of Manatee County	41	Cynthia Saunders
Typed Agency Name	Agency Number	Typed Name and Title of Authorized Official (Agency Head)

I certify that the agency will adhere to each of the assurances contained in this set of *General Assurances, Terms, and Conditions for Participation in Federal and State Programs* as applicable to the project(s) for which this agency is responsible.

Return original to: Florida Department of Education
Bureau of the Comptroller
914 Turlington Building
325 West Gaines Street
Tallahassee, FL 32399-0400

School districts, state colleges, state universities, and governmental entities are required to have a signed certification page of the General Assurances on file with the Department's Bureau of the Comptroller, bearing the original signature of the current superintendent for school districts or the current agency head/president that has legal authority to bind the agency.

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental entities are required to submit the certification page of the General Assurances with an original signature of the agency head who is legally authorized to bind the entity, along with each application submitted to the Department.

General Assurances

Assurance is hereby given that, to the extent applicable:

- The recipient has the legal authority to apply for the federal/state funding, and the instructional, managerial, and financial capability (including funds sufficient to pay non-federal share of project costs, as applicable) to ensure proper planning, management, and completion of the project described in this/all applications submitted.

- The recipient will administer each program covered by the application in accordance with all applicable laws, regulations, statutes, rules, policies, procedures, and program requirements.

- The recipient will comply with all the requirements in the Department's *Project Application and Amendment Procedures for Federal and State Programs* (Green Book).

- The control of funds provided to the recipient under each program, and title to property acquired with those funds, will be in a public agency, and a public agency will administer those funds and property

- The recipient will have/establish and maintain a proper accounting system in accordance with generally accepted accounting standards.

- The recipient will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal and state funds paid to that agency under each program. Access to documents, papers, and other such records shall be made available to authorized representatives of U.S. governmental agencies, including but not limited to, the federal awarding agency, Inspectors General, the Comptroller General, the Florida Department of Education, the Florida Department of Financial Services, and the Auditor General of the State of Florida for the purpose of program and fiscal auditing and monitoring.

- The recipient will submit such reports to the Florida Department of Education and to U.S. governmental agencies as may reasonably be required to enable the Florida Department of Education and U.S. governmental agencies to perform their duties. The recipient will maintain such fiscal and programmatic records, including those required under 20 U.S.C. 1234f, and will provide access to those records, as necessary, for those Departments/agencies to perform their duties.

- To assure that expenditures reported are proper and in accordance with the terms and conditions of the Project Award and approved project budget, the official who is authorized to legally bind the agency/organization agrees to the following certification for all fiscal reports and/or vouchers requesting payment. By signing the "General Assurances, Terms, and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that the reports submitted are true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purpose and objectives set forth in the terms and conditions of the Project Award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

- To assure that all applications submitted for project/grant funding are proper and in accordance with the terms and conditions outlined in the RFA and/or the RFP, the official who is authorized to legally bind the agency/organization agrees to the following certification. By signing the "General Assurances, Terms and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that all applications submitted are true, complete, and accurate, for the purposes and objectives set forth in the RFA and/or the RFP. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal or administrative penalties for false statements, false claims or otherwise.

- The recipient will provide reasonable opportunities for systematic consultation with and participation of teachers, parents, and other interested agencies, organizations, and individuals, including education-related community groups and non-profit organizations, in the planning for and operation of each program

- Any application, evaluation, periodic program plan, or report relating to each program will be made readily available to parents and other members of the general public

- For projects involving construction:

    - The project is not inconsistent with the Florida Department of Education's overall plans for the construction of school facilities.
    - In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary of Education under Section 794 of Title 28 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities.
    - When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients in excess of $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

- The recipient has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program, significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects. Such procedures shall ensure compliance with applicable federal laws and requirements.

- The recipient will not expend funds under the applicable program to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

- The recipient will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

- The recipient will initiate and complete the work within the applicable time frame after receipt of approval from the awarding agency.

- The recipient will comply with all federal statutes relating to nondiscrimination. (These include but are not limited to Title VI of the Civil Rights Act of 1964 [P.L. 88-352], which prohibits discrimination on the basis of race, color, or national origin; Title IX of the Education Amendments of 1972, as amended [20 U.S.C. 1681-1683 and 1685-1686], which prohibits discrimination on the basis of sex; Section 504 of the Rehabilitation Act of 1973, as amended [29 U.S.C. 794], which prohibits discrimination on the basis of handicaps; and the Age Discrimination Act of 1975, as amended [42 U.S.C. 6101-6107], which prohibits discrimination on the basis of age.)

- The recipient will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

- The recipient will comply with the requirements of the Gun-Free Schools Act of 1994.

- The recipient will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and 2 CFR §200, Subpart F, "Audit Requirements" and/or Section 215.97, Florida Statutes, "Florida Single Audit Act" as applicable.

- The recipient assures that no federally appropriated funds have been paid or will be paid by or on behalf of the recipient to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- The recipient will comply with the requirements in 2 CFR Part 180, Governmentwide Debarment and Suspension (Nonprocurement).

- The recipient certifies that neither it nor its officers is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal Department or agency.

- The recipient certifies that it will maintain a drug-free workplace and will comply with the requirements of the Drug-Free Workplace Act of 1988.

- The recipient will comply with all state and federal requirements, as applicable, for internal controls to ensure compliance with federal and state statutes, regulations, and terms and conditions of the award.

- The recipient will comply with Florida's Government-in-the-Sunshine Law (Chapter 286, Florida Statutes), that provides a right of access to meeting of boards, commissions and other governing bodies of state and local governmental agencies or authorities.

- The recipient will comply with all applicable requirements of all other federal and state laws, statutes, executive orders, regulations, policies, terms and conditions governing each program funded.

- If applicable, the recipient will conduct assessments that are consistent with Section 1111(b) (3) of the No Child Left Behind Act.

- If applicable, the recipient will annually assess students who have been in the United States for three or more consecutive years, and the recipient will annually assess the English proficiency of all participating limited English proficient children, consistent with Section 1111(b)(7) of the No Child Left Behind Act

- If applicable, after timely and meaningful consultation, the recipient will provide the opportunity for children enrolled in private, non-profit schools, and the educational personnel of such schools, equitable participation in the activities and services provided by these federal funds, and will notify the officials of the private schools of said opportunity. (Educational services or other benefits provided, including materials and equipment, shall be secular, neutral, and non-ideological. Expenditures for such services or other benefits shall be equal [consistent with the number of children to be served] to expenditures for programs of children enrolled in the public schools of the local educational agency.)

- Failure to comply with the General Assurances or any aspect of the *Project Application and Amendment Procedures for Federal and State Programs* (Green Book) may result in more restrictive conditions or project termination.

Terms

Applicant - A school district or other entity seeking a project award from the Florida Department of Education.

Budget - The applicant's financial plan, in terms of accounts and amounts, showing use of funds for carrying out project objectives, services, or activities as found on the budget narrative form (DOE 101) and on other budget documents required by the Florida Department of Education.

Budget Period - The interval of time into which a project period is divided for budgetary purposes.

Capital Outlay - Equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, the value or cost of which is $1,000 or more and the normal expected life of which is one year or more (Sections 216.011 and 273.02, Florida Statutes).

Conflict of Interest – Must disclose in writing any potential conflict of interest in accordance with applicable federal and/or state laws or policies.

Disbursement - Payment made in cash, by check, or via other electronic means.

Data Universal Numbering System (DUNS) - Nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. The federal government's Office of Management & Budget has adopted the use of the DUNS numbers (unique entity identifier), for registering with the System for Award Management (SAM). A non-federal entity is required to have a DUNS number (unique entity identifier), and registered with SAM, in order to apply for, receive, and report on a federal award.

Equipment – A material item of a non-expendable nature, such as a built-in facility, a movable or fixed unit of furniture or furnishings, an instrument or apparatus, a machine (including attachments), instructional skill-training device, or a set of small articles whose parts are replaceable or repairable, the whole retaining its identity and utility over a period of time which is characteristic for items of its class, with a useful life of more than one year.

Mandatory Disclosure – Must disclose, in a timely manner, in writing all violations of criminal law involving fraud, bribery or gratuity violations potentially affecting the project award.

Monitoring – Actions, activities, and practices used by the Florida Department of Education to determine that funds are used and programs are operated in accordance with applicable federal and state statutes, rules, and regulations.

More Restrictive Conditions - Special requirements or restrictions imposed on a project recipient as a condition of project approval by the Florida Department of Education

Obligations - The amounts for orders placed, contracts awarded, services received, or for similar transactions during the stipulated project period, which will require payment during the same or a future period.

Private, Non-profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more corporations or associations whose net earnings do not benefit and cannot lawfully benefit any private shareholder or entity.

Private, For-Profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more individuals, partnerships, corporations, or associations whose net earnings do or can benefit any private shareholder or entity.

Project - The services, activities, or program that an entity agrees to provide for a specified period of time using state or federal funds awarded to a project recipient.

Project Application - An entity's request for a project award under state or federal education programs administered by the Florida Department of Education.

Project Award - The approval of a project application as stated in the Project Award Notification sent to project recipients that specifies the amount of funds awarded, the project period, and any special requirements or restrictions to be imposed by the Florida Department of Education.

Project Period - The length of time for which a project has been authorized/awarded

Project Recipient - The school district, a local education agency (LEA), colleges, universities, public agency [including faith-based organizations (FBOs) and community-based organizations (CBOs)], or non-public agency that has been awarded a project to provide services or activities described in a project application approved by the Florida Department of Education.

Roll-Forward - Unobligated balances of an award or project that are allowed to be continued in subsequent funding periods

System for Award Management (SAM) - is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for SAM. All applicants must be registered in SAM before submitting an application for federal funding and continue to maintain an active SAM registration with current information at all times during an active award. A valid "unique entity identifier" will be required when applying with SAM (see Data Universal Numbering System (DUNS) for more information regarding the "unique entity identifier"). https://www.sam.gov/portal/SAM/#1

Supplies - All personal property (excluding equipment, intangible property, and debt instruments) items of expendable nature that are consumed, worn out, or deteriorated in use or that lose their identity through fabrication or incorporation into a different or more complex unit or substance.

Explanation of Grants Management Requirements

The following section elaborates on certain requirements included in legislation or regulations referred to in the "General Assurances" section. This section also explains the broad requirements that apply to federal program funds.

Accounts and Records

The recipient shall maintain all accounts, records, and other supporting documentation pertaining to all costs incurred and revenues or other applicable credits acquired under each approved project for a minimum of five years (see Section C, Fiscal and Program Accountability, Record Retention, for additional information).

Allowable Costs

In accounting for and expending project/grant funds, a recipient and/or sub-recipient may only charge expenditures to the project award if they are: (a) in payment of obligations incurred during the approved project period; (b) in conformance with the approved project; (c) in compliance with all applicable statutes and regulatory provisions; (d) costs that are allocable to a particular cost

objective; (e) spent only for reasonable and necessary costs of the program; and (f) not used for general expenses required to carry out other responsibilities of the recipient and/or sub-recipient. All recipients must have written procedures for determining allowability in accordance with Subpart E – Cost Principles of 2 CFR Part 200 and the terms and conditions of the project award.

Amendments

Unless otherwise stated, all project recipients shall use the project amendment requirements and procedures described in the *Project Application and Amendment Procedures for Federal and State Programs* administered by the Florida Department of Education (Green Book), Section B, Project Amendments.

Audits

This part is applicable for all non-Federal entities as defined in 2 CFR §200, Subpart F.

1. In the event that the recipient expends $750,000 or more in federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR §200, Subpart F. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR §200, Subpart F. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200, Subpart F, will meet the requirements of this part.

2. In connection with the audit requirements, the recipient shall also fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508.

3. If the recipient expends less than $750,000 in federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, is not required. In the event that the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

Audits – State-Funded Programs

This part is applicable if the project recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the project recipient expends a total amount of state financial assistance equal to or in excess of $500,000 in any fiscal year, the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other non-state entities.

State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

2. In connection with the audit requirements above, the project recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General.

3. If the project recipient expends less than $500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the project recipient's resources obtained from non-state entities).

Pursuant to Section 215.97(8), Florida Statutes, state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.

Reports to be Submitted

Copies of reporting packages for audits conducted in accordance with 2 CFR §200, Subpart F, shall be submitted, as required by 2 CFR §200.512(d), by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- The Federal Audit Clearinghouse (FAC) in 2 CFR §200, Subpart F. requires the auditee to electronically submit the data collection form described in §200.512(b) and the reporting package described in §200.512(c) to FAC at: https://harvester.census.gov/facides/(S(mqamohbpfj0hmyh1r45p1po1))/account/login.aspx

Copies of financial reporting packages shall be submitted by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- Auditor General's Office
  401 Pepper Building
  111 West Madison Street
  Tallahassee, FL 32399-1450

Copies of reports or management letter(s) shall be submitted by or on behalf of the recipient directly to:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- In response to requests by a Federal agency, auditees must submit a copy of any management letters issued by the auditor, 2 CFR §200.512(e).

Any reports, management letters, or other information required to be submitted to the Department pursuant to this agreement shall be submitted timely in accordance with Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, as applicable.

Recipients, when submitting financial reporting packages to the Department for audits completed in accordance with 2 CFR §200, Subpart F, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Davis-Bacon Act, as amended (40 U.S.C. 276a et seq.)

When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor (DOL) regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the

Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the DOL in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the federal awarding agency. DOL regulations, rules, and instructions concerning implementation of the Davis-Bacon Act and other labor laws can be found at Title 29 CFR Parts 1, 3, 5, 6, and 7.

Debarment, Suspension, and Other Responsibility Matters

As required by Executive Orders (E.O.) 12549 and 12689, Debarment and Suspension, and implemented at 2 CFR Part 180, for prospective participants in primary covered transactions, as defined in 2 CFR §§§180.120, 180.125 and 180.200, no contract shall be made to parties identified on the General Services Administration's *Excluded Parties List System* as excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding their exclusion status and that of their principal employees.

The federal government imposes this requirement in order to protect the public interest, and to ensure that only responsible organizations and individuals do business with the government and receive and spend government grant funds. Failure to adhere to these requirements may have serious consequences – for example, disallowance of cost, termination of project, or debarment. To assure that this requirement is met, there are four options for obtaining satisfaction that subgrantees and contractors are not suspended, debarred, or disqualified. They are:

The applicant certifies that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from covered transactions by any federal Department or agency.

- Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes; commission of embezzlement; theft, forgery, bribery, falsification, or destruction of records; making false statements; or receiving stolen property.

- Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in this certification.

- Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

Drug-Free Workplace (Grantees Other Than Individual)

As required by the Drug-Free Workplace Act of 1988 and implemented in 34 CFR §§84.200 and 84.610, the applicant certifies that it will continue to provide a drug-free workplace by:

- Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

- Establishing, as required by 34 CFR §84.215, an ongoing drug-free awareness program to inform employees about:

    - The dangers of drug abuse in the workplace.
    - The grantee's policy of maintaining a drug-free workplace.
    - Any available drug counseling, rehabilitation, and employee assistance programs.
    - The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

- Requiring that each employee engaged in the performance of the project is given a copy of this statement.

- Notifying the employee in the statement that, as a condition of employment under the project, the employee will:

    - Abide by the terms of the statement.
    - Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

- Notifying the agency in writing within 10 calendar days after receiving notice of an employee's conviction of a violation of a criminal drug statute in the workplace, as required by 34 CFR §84.205(c)(2), from an employee or otherwise receiving actual notice of employee's conviction. Employers of convicted employees must provide notice, including position title to:

    Director, Grants and Contracts Service
    U.S. Department of Education
    400 Maryland Avenue, S.W. [Room 3124, GSA – Regional Office Building No. 3]
    Washington, D.C. 20202-4571

    (Notice shall include the identification number[s] of each affected grant).

- Taking one of the following actions, as stated in 34 CFR §84.225(b), within 30 calendar days of receiving the required notice with respect to any employee who is convicted of a violation of a criminal drug statute in the workplace.

    - Taking appropriate personnel action against such an employee, up to and including termination consistent with the requirements of the Rehabilitation Act of 1973, as amended.
    - Requiring such employee to participate satisfactorily in drug abuse assistance or

rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

Making a good-faith effort to maintain a drug-free workplace through implementation of requirements stated above.

DUNS Number - Data Universal Numbering System

The federal government requires organizations to provide a DUNS number (unique entity identifier), and register with the System for Award Management (SAM), as part of their grant applications and proposals. The DUNS number (unique entity identifier), is a nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. Some entities will also have what is known as "DUNS + 4," which is used to identify specific units within a larger entity.

Registering for a DUNS number (unique entity identifier), is free of charge with no obligation to purchase any products from the Dun and Bradstreet Company. An authorizing official of the organization should request the number. Generally, it only takes a day to obtain a DUNS number by phone (1-866-705-5711), while applications through the Dun and Bradstreet website can take up to 30 days.

All recipients and sub-recipients funded with federal funds must obtain a DUNS number (unique entity identifier), and register with SAM prior to applying/receiving a Project Award.

EDGAR - Education Department General Administrative Regulations

The federal grant administrative regulations for education (Title 34 CFR Parts 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99), was revised on December 26, 2014, with the implementation of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Grants Guidance), and delete 34 CFR Parts 74, 80, and 85 (Part 85 changed to 2 CFR Part 180) and included the deleted regulations into the Uniform Grants Guidance. Both administrative regulations (EDGAR and Uniform Grants Guidance), apply to all federal projects/awards.

General Education Provisions Act (GEPA) Requirements - Section 427 (Federal Requirement) Equity for Students, Teachers, and Other Program Beneficiaries

The purpose of Section 427 of GEPA is to ensure equal access to education and to promote educational excellence by ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in proposed projects, and to promote the ability of such students, teachers, and beneficiaries to meet high standards. Further, when designing their projects, grant applicants must address the special needs and equity concerns that might affect the ability of students, teachers, and other program beneficiaries to participate fully in the proposed project.

Program staff within the granting institution must ensure that information required by Section 427 of GEPA is included in each application that the Department funds. *(There may be a few cases, such as research grants, in which Section 427 may not be applicable because the projects do not have individual project beneficiaries. Contact the Government Printing Office staff should you believe a situation of this kind exists.)* In addition, all application packages for discretionary grants and

cooperative agreements must include the "Notice To All Applicants"(attached) that explains the requirements of Section 427.

The statute highlights **six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, and age**. Based on local circumstances, the applicant can determine whether these or other barriers may prevent participants from access and participation in the federally assisted project, and how the applicant would overcome these barriers.

These descriptions may be provided in a single narrative or, if appropriate, may be described in connection with other related topics in the application. Applicants should be asked to state in the table of contents where this requirement is met.

Department program staff members are responsible for screening each application to ensure that the requirements of this section are met before making an award. If this condition is not met, after the application has been selected for funding the program staff should contact the applicant to find out why this information is missing. Documentation must be in the project file indicating that this review was completed before the award was made. If an oversight occurred, the program staff may give the applicant another opportunity to satisfy this requirement, but must receive the missing information before making the award, 34 CFR §75.231.

All applicants for new awards must satisfy this provision to receive funding. Those seeking *continuation* awards do not need to submit information beyond the descriptions included in their original applications.

Gun Possession

As required by Title XIV, Part F, and Section 14601 (Gun-Free Schools Act of 1994) of the Improving America's Schools Act.

- The applicant certifies that in compliance with Section 1006.13(3) (a), Florida Statutes, any student who is determined to have brought a firearm, as defined in 18 U.S.C. s. 921, to school, any school function, or on any school-sponsored transportation will be expelled, with or without continuing educational services, from the student's regular school for a period of no less than one full year, and referred to the criminal justice or juvenile justice system.

- School boards may assign the student to a disciplinary program or second-chance school for the purpose of continuing educational services during the period of expulsion.

- Superintendents may consider the one-year expulsion requirement on a case-by-case basis and request that the school board modify the requirement if determined to be in the best interest of the student and the school system.

Indirect Cost and Administrative Fees

School District - The Department has been given authority by the U. S. Department of Education to negotiate indirect cost proposals and to approve indirect cost rates for school districts. School districts are required to develop an indirect cost proposal and, if they fail to do so, they will not be allowed to recover any indirect costs. Amounts from zero to the maximum negotiated rate may be

approved for a program or project by the Department of Education's Comptroller. Indirect costs shall only apply to federal projects.

State Agencies, Local Governments, Indian Tribal Governments, Universities, Colleges and all Non-Governmental Agencies - The Department will allow state universities, state colleges, private colleges and universities, and non-governmental agencies to charge an indirect cost (administrative and/or overhead) up to eight percent or the agency's restricted rate approved by the appropriate cognizant agency, **whichever is lower**. This rate may be charged on the total direct costs disbursed less the amounts of subcontracts in excess of $25,000, stipends, tuition and related fees, and items of equipment, alterations, renovations, and flow-through funds ("pass through" to another entity) on projects issued by the Department. This rate is intended to be all-inclusive of typical administrative and overhead costs, including but not limited to, rental of office space, bookkeeping and accounting services, and utilities. In the alternative, the Department will approve an indirect cost rate of eight percent plus the direct charges for typical administrative and overhead costs such as office space rental when such costs can be directly and appropriately allocated to the program. To recover indirect costs above eight percent, agencies other than school districts must furnish to the DOE's Comptroller's Office a copy of their current negotiated restricted indirect cost plan that has been approved by the appropriate cognizant agency. Amounts from eight percent to the maximum negotiated rate may be approved for a program or project by the Department's Comptroller. For agencies that may have indirect cost in excess of the eight percent limit may not charge directly, use to satisfy matching or cost sharing requirements, or charge to another federal award. Indirect costs shall only apply to federal projects.

Restrictions on Funds for Administration

Restrictions on the amount or percentage that can be charged to a project's administration (which includes indirect cost) will be reflected in the RFP or RFA and/or in the approved Project Award notification or amendment, where applicable.

Administrative Fee for Non-Federal Funds

An administrative fee may be approved by the Department for non-federal projects not to exceed five percent of the total cost of the project.

Interest Income

Based on Section 216.181(16) (b), Florida Statutes, and 2 CFR Part §200.305 (9), project/grant recipients shall remit on an annual basis all interest earned on cash advanced by the Department.

Lobbying

In accordance with Section 216.347, Florida Statutes, the disbursement of grants and aids appropriations for lobbying is prohibited. The Department may not authorize or make any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency. The provisions of this section are supplemental to the provisions of Section 11.062, Florida Statutes, and any other law prohibiting the use of state funds for lobbying purposes.

As required by Section 1352, Title 31, of the U.S. Code, and implemented in 34 CFR Part 82, for persons entering into a grant or cooperative agreement over $100,000, as defined in 34 CFR §§82.105 and 82.110, the applicant certifies that:

- No federally appropriated funds have been paid or will be paid by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, contracts under grants, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

Monitoring

In addition to reviews of audits conducted in accordance with 2 CFR §200, Subpart F, and Section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits, and/or other procedures. By entering into this agreement (Project/Grant), the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

More Restrictive Conditions

Project recipients found to be in noncompliance with program and/or fund source requirements or determined to be "high risk" shall be subject to the imposition of more restrictive conditions. (See Section G, Conditions for the Approval of Project Applications and Project Amendments, or the Termination of a Project for additional information.)

Obligations by Project Recipients

Obligations will be considered to have been incurred by project recipients on the basis of

documentary evidence of binding commitments for the acquisition of goods or property or for the performance of work, except that funds for personal services, for services performed by public utilities, for travel, and for the rental of facilities shall be considered to have been obligated at the time such services were rendered, such travel was performed, and/or when facilities are used.

Ownership of Products—Intellectual Property

The ownership of products resulting from a project, which are subject to intellectual property rights, shall remain with the Department unless such ownership is explicitly waived. The following terms and conditions apply to all grants and project recipients, unless explicitly waived:

- With respect to all products created by the grantee for this project, said materials will be the property of the Department.

- To the extent that any product constitutes a "work" within the meaning of U.S. copyright laws, 17 U.S.C.S. 101, et seq., it shall be a "work for hire." In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the contractor shall assign and convey to the Department all right, title, and interest in the product or material and require its employees and subcontractors to do the same.

- The grantee agrees that its employees will not assert any ownership of the product produced under the project. The grantee shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure the Department's rights.

- Any claim by the grantee of ownership of pre-existing copyrights should be explicitly stated in the project documentation.

- The grantee agrees that if it hires any third party to perform any work on the project, the work shall be on a "work for hire" basis and shall not in any way infringe upon the Department's ownership of the product.

- The grantee agrees not to convey any rights in the product to a third party.

- If the grantee hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the grantee and the Department the non-exclusive license to use the product.

- A licensing agreement or other agreement regarding the use of intellectual property developed under the project may be developed between the Department and grantee in order to further the use of the products in the educational community.

Participation of Private School Students and Staff in Federal Grants

Students and staff of nonpublic schools shall be given an opportunity for equitable participation in activities or services conducted by school districts using federal funds. Appropriate personnel must be aware of, and consult, program-specific guidelines discussed in the applicable program statute,

regulations, and guidance documents.

Personnel Costs – Time Distribution

Charges to federal projects for personnel costs, whether treated as direct or indirect costs, are allowable to the extent that they satisfy both the Department's requirements and the specific requirements of 2 CFR §200.430, and will be based on payrolls documented in accordance with generally accepted practices of the local educational agency (LEA) and approved by a responsible official(s) of the LEA.

When employees work solely on a single federal award or cost objective, charges for their salaries and wages must be supported by personnel activity reports (PARs), which are periodic certifications (at least semi-annually) that the employees worked solely on that program for the period covered by the certification. These certifications must be signed by the employee or a supervisory official having firsthand knowledge of the work performed by the employee.

When employees work on multiple activities or cost objectives (e.g., more than one federal project, a federal project and a non-federal project, an indirect cost activity and a direct cost activity, two or more indirect activities which are allocated using different allocation bases, or an unallowable activity and a direct or indirect cost activity), the distribution of their salaries or wages will be supported by personnel activity reports or equivalent documents that meet the following standards:

- Reflect an after-the-fact distribution of the actual activity of each employee
- Account for the total activity for which each employee is compensated
- Prepared at least monthly and must coincide with one or more pay periods
- Signed and dated by the employee

The U.S. Department of Education has approved for use in Florida a substitute system for allocating salaries to federal projects. As part of this substitute system, the Personnel Activity Reporting System (PARS) may be implemented by school districts so long as it is implemented in accordance with the Department's approved substitute system. This document is available upon request from the Department's Bureau of Contracts, Grants, and Procurement Management Services. When school districts choose to use the substitute system, no variations are allowed without specific written authorization from the Department. School districts choosing not to use the approved substitute system must implement a system that meets all of the requirements of both the Department and 2 CFR §200.430. School districts choosing to use the Department's substitute system must furnish to DOE's Comptroller's Office the district's policies and procedures, which specify the reporting months, as well as the actual time reporting instrument for approval. For each district given authorization to adopt a substitute system, a written approval/agreement will be in effect for the duration of the district's participation in the substitute system or until such time as the requirements change for the Department.

Note: This does not authorize school districts to consolidate administrative funds except as otherwise stated in the project award notification or to use "teams" as a basis for allocating personnel

cost. These methods apply only to the Department.

Project Effective Dates

For federal programs, funds shall be obligated no earlier than the date the project application was received by the Department and determined to be in substantially approvable form or the effective date of the federal grant award, whichever is later.

For state programs, funds shall be obligated no earlier than the effective date of the legislative appropriation, usually July 1.

All Project Award Notifications reflect the beginning and ending dates of the project period and the date for submission of the final expenditure report. All conditions stated in the award notification are considered binding on the project recipient.

Property

Property purchased, in whole or in part, with federal funds shall be used for the purpose of that federal program and accounted for in accordance with applicable federal and state statutes, rules, and regulations, as follows.

Disposition of Equipment - Based on Section 273.055, Florida Statutes, and Rules 69I-72.002, and 69I-73.005, Florida Administrative Code, when original or replacement equipment acquired under a grant or sub-grant is no longer needed for the original project or program or for other activities currently or previously supported by a federal agency, disposition of the equipment will be made as follows:

- Items of equipment with an acquisition cost of less than $1,000 may be retained, sold, or otherwise disposed of with no further obligation to the awarding agency. Income received from these sales will not be reported to the Department.

- Items of equipment with an acquisition cost in excess of $1,000 and a useful life of one year or more may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

- In cases where a grantee or sub-grantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or sub-grantee to take excess and disposition actions.

The Department's policy concerning proceeds received from the sale of property with a current per unit fair market value of $1,000 through $5,000 is the net amount received from such sales will remain at the sub-grantee level to be used in the same ongoing program. Funds from such sales will be treated as other program income in the same ongoing program(s). This type of income must be amended into a current year's project in which the sale occurred. It should then be reported on line 11 of the Project Disbursement Report (form DOE 399, DOE 499, or DOE 599) as a total for the fiscal year in which the sale(s) occurred. This identification of income is necessary to meet reporting requirements of the United States Department of Education. Complete documentation for this type of income and expenditures must be maintained for monitoring and auditing purposes. Income from the sale of this type of property should be recorded in the agency's special revenue account as other

income and identified as such for the federal cash advance reconciliation at the end of each fiscal year. If the agency is no longer receiving funds for the particular project or program, the income from such equipment sales will be returned to the Department to be forwarded to the United States Department of Education.[1] Equipment that was initially purchased with federal funds with a current per-unit fair market value in excess of $5,000, must be processed in accordance with 2 CFR §200.313(e)(2), with the assistance and written approval of the Department.

Disposition of Real Property - Disposition of real property will be handled on an individual basis. The local educational agency will also coordinate real property dispositions with the program coordinator responsible for the particular project or program from which the real property was purchased. Property purchased entirely with state funds shall meet the minimum requirements of the Auditor General as defined in the County and District Tangible Personal Property publication in addition to local procedures. (See Section F, Program Income, Interest Income, and the Disposition of Equipment, for additional information.)[2]

Inventory of Property – All project recipients must ensure that a complete physical inventory of all property is taken at least once each fiscal year. Chapter 69I-72.006, Florida Administrative Code.

Protected Prayer in Public Elementary and Secondary Schools

As required in Section 9524 of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the No Child Left Behind Act of 2001, school districts and other local education agencies must certify annually that they have no policy that prevents or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools.

Purchasing

All recipients and subrecipients must have documented procurement policies and procedures that meet the minimum requirements of federal and state statutes, rules, and regulations. Under the Uniform Administrative Requirements, the procurement standards are located at 2 CFR §§200.317 – 200.326.

Reporting Requirements—Financial Disbursements

Federal project recipients on cash advance are required to report disbursements using the Cash Advance and Reporting of Disbursements System (CARDS)[3] and by submitting a Project Budget Summary and Disbursement Report (DOE 399, DOE 499, or DOE 599) annually for each active project. These reports must be received in the DOE's Comptroller's Office by the 20th of the month succeeding the final month in which the disbursements were made. Failure to submit these reports in a timely manner may result in a decrease or delay in the monthly cash advance or loss of funds. Other federal project recipients are required to report in accordance with instructions stated in the Project Award Notification. State project recipients shall submit reports as required by the Department. Audit reports shall be sent in accordance with Section 215.97, Florida Statutes, to:

[1] Upon termination of a project, and at the discretion of the Department, all equipment/property purchased with project funds will be transferred to the location(s) specified by the Department and all necessary actions to transfer the ownership records of the equipment/property to the Department or its designee, will be taken.
[2] Ibid
[3] CARDS Cash Advance and Reporting of Disbursements System), is scheduled to be replaced with FLAGS (FLA Grants System). When replaced, all references to CARDS will be FLAGS.

Florida Department of Education

325 W. Gaines Street
Tallahassee, FL 32399-0400

Retention and Access to Records

Requirements related to retention and access to project/grant records, are determined by federal and state laws, rules, and regulations. Federal regulation 2 CFR §200.333, addresses the retention requirements for records that applies to all financial and programmatic records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal or Project award. If any litigation, claim, or audit is started before the expiration date of the retention period, the records must be maintained until all ligation, claims, or audit findings involving the records have been resolved and final action taken.

In Florida, the General Records Schedule GS1-SL for State and Local Government Agencies (available at http://dos.myflorida.com/library-archives/records-management/general-records-schedules/) includes the following requirements related to grant files for recipients:

> This record series documents activities relating to grant-funded projects conducted by the grant recipient, including the application process and the receipt and expenditure of grant funds. These files may include, but are not limited to, grant applications; contracts; agreements; grant status, narrative, and financial reports; and supporting documentation. Project completion has not occurred until all reporting requirements are satisfied and final payments have been received.

The length of retention for these records in Florida is five years after the completion of the project provided applicable audits have been released.

Access to records of the grantee and subgrantees and the expiration of the right of access is found at 2 CFR §200.336 (a) (c), which states:

> (a) Records of non-Federal entities. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the pass-through entity, or any of their authorized representatives, including but not limited to the, Florida Department of Education, Florida Department of Financial Services, and the Auditor General of the State of Florida, must have the right of access to any documents, papers, or other records of non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.
>
> (c) Expiration of right of access. The rights of access in this section are not limited to the required retention period but last as long as the records are retained.

Single Audit Act

- If a recipient expends **state** financial assistance equal to or in excess of $500,000 in a fiscal year,

that recipient is subject to the requirements of the Florida Single Audit Act (see Resources).

- If the recipient expends **federal** financial assistance equal to or in excess of $750,000 in a fiscal year, the recipient is subject to the requirements of the Federal Single Audit Act.

Projects/Grants awarded by the Florida Department of Education to subrecipients will be subject to audits and/or monitoring by the Department.

Supplement, Not Supplant

In accordance with program-specific authorizing laws and regulations implementing those laws, federal funds must generally be used to increase, to the extent practical, the level of nonfederal funds that would be available in the absence of federal funds, and in no case to replace these nonfederal funds.

The Stevens Amendment

All federally funded projects must comply with the Stevens Amendment of the Department of Defense Appropriation Act, found in Section 8136, which provides:

> When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds, including but not limited to state and local governments, shall clearly state (1) the percentage of the total cost of the program or project which will be financed with federal money, (2) the dollar amount of federal funds for the project or program, and (3) the percentage and dollar amount of the total costs of the project or program that will be funded by non-governmental sources.

Travel

All travel performed in connection with approved project activities must be in compliance with the current Section 112.061, Florida Statutes, which covers per diem allowance and travel expenses. The Florida Department of Education's Travel Manual is available at: http://www.fldoe.org/core/fileparse.php/5625/urlt/0076987-travelmanual.pdf .

Section 112.061(14), Florida Statutes, Applicability to Counties, County Officers, District School Boards, Special Districts, and Metropolitan Planning Organizations, establishes statutory authority allowing specified entities to establish travel reimbursement rates other than those established by Section 112.061(6)(a), (6)(b), and (7)(d), Florida Statutes. Each entity must comply in accordance with the statute, and include with the project application a copy of the applicable document, e.g., ordinance, resolution, policy, or rule, and have a detailed description on the project budget form.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

The Uniform Grants Guidance or UGG (2 CFR Part 200), went into effect on December 26, 2014, which consolidated previous requirements from OMB Circulars A-21, A-87, A-89, A-102, and A-110, A-122, A-133 into a uniform set of rules.. The focus for the change, from the Office of

Management and Budget (OMB) is streamlining the Federal government's guidance on Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards. These regulations are required for all federally funded projects/programs.

2022-23 21st CCLC Subrecipient Assurances

The subrecipient agrees to the program requirements and expectations for the implementation of the 21st CCLC program as outlined in the Request for Proposals (RFP) and the assurances below. Each assurance must be initialed by the Agency Head. The final page must be signed by the agency head.

Program Operations

The 21st CCLC program will be fully operational and providing services to students within **30 calendar days** of receiving the DOE 200 award notification or within **14 calendar days** from the first day of incurring 21st CCLC expenditures, whichever is earlier. (____)

Academic Focus

All academic services will be aligned with the curriculum in the core subject areas of each of the schools attended by the participating students. (____)

Evidence-based Research

Program activities will be implemented based on evidence-based practices using the levels of evidence in the Every Student Succeeds Act. Activities must be based in evidence that shows that the students will meet challenging State academic standards. (____)

Supplement, Not Supplant

Funds under this part will be used to increase the level of state, local and/or other nonfederal funds that would, in the absence of funds under this part, be made available for programs and activities authorized under this part, and in no case supplant federal, state, local or non-federal funds. Subrecipients must also coordinate Federal, State, and local programs to make the most effective use of resources. (____)

Facilities

Program facilities will be as available and accessible to participants as the students' local school. The facilities have sufficient resources to provide all proposed and required activities. The program will maintain equipment, security, resources and a clear strategy for the safe transportation of students to and from the center and home. The program will take place in a safe and easily accessible facility as outlined in the RFP, Florida Statutes and Florida Administrative Code. (____)

Supplemental Meals

Students will be provided nutritious snacks and/or meals that meet the requirements of the United States Department of Agriculture (USDA) guidelines for afterschool snacks and summer meal supplements. A supplemental snack will be offered to each student, each day. A meal will be offered to each student when the program exceeds four hours of operation each day. Snacks/meals **cannot** be purchased with 21st CCLC funds and must come from other resources. Students will **not** be charged for costs associated with supplemental snacks/meals. (____)

Students with Special Needs

Students with special needs will be afforded the same opportunities as children in the general population. Students with special needs include those who may be identified as English language learners (ELLs); homeless; migrant; or with physical, developmental, psychological, sensory or learning disabilities that result in significant difficulties in communication, self-care, attention or behavior, and are in need of more structured, intense supervision. Children with special needs shall not be excluded from the 21st CCLC program, regardless of the level or severity of need, provided that they can be safely accommodated. ( )

For Federal Programs - General Education Provisions Act (GEPA)

A concise description of the process to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs was submitted with the proposal. For details refer to Section 427 of GEPA, Public Law 103-382, at www2.ed.gov/fund/grant/apply/appforms/gepa427.doc ( )

Collaboration with Schools

The program was developed and will be implemented in active collaboration with the schools attended by participating students and the community ( )

Community Awareness

The subrecipient gave notice to the community of its intent to submit an application to operate a 21st CCLC program. The agency will provide for public availability and review of the application and any waiver request after submission. ( )

Property

Property acquired with 21st CCLC funds will remain within the appropriate facility for continued use in the 21st CCLC program until the funding period has expired. If the 21st CCLC program no longer exists at the end of the program period, all equipment will be distributed to another federal program. ( )

Records Retention

The subrecipient will retain all records relating to the 21st CCLC program for which federal funds are received for a period of five (5) years after the completion of the last activity of the program or until such time as all pending reviews or audits have been completed and resolved. ( )

Monitoring and Evaluation Activities

The subrecipient will fully cooperate with all monitoring, auditing, evaluation and reporting requirements established by the Florida Department of Education (FDOE) and/or authorized representatives. The program will submit all required data and reports, as required and/or requested, to the State of Florida (Florida Department of Financial Services and the Florida Department of Education) and the United States Education Department (USED). ( )

Student Safety

The subrecipient will ensure that all procedures and regulations for health, fire, safety, pick-ups, parental/guardian consents, transportation, field trips, food, medical and other

emergency procedures will be clearly listed and widely disseminated, and that they will conform to applicable local and state standards. (CS)

Suspension of the Grant

The department may suspend or terminate the grant with 30 days notice, in whole or in part, if federal funds supporting the grant are reduced or withdrawn, or for nonperformance by the subrecipient at any time during the term of the grant. The FDOE and the subrecipient may suspend or terminate the agreement, in whole or in part, upon mutual agreement. (CS)

Financial Consequences

If the subrecipient fails to meet and comply with the activities established in the approved application or make appropriate progress on the activities, and they are not resolved within two weeks of notification, the department will (1) approve a reduced payment, (2) request the applicant redo the work, if possible and/or (3) terminate the project. Activities subject to financial consequences include failure to meet student attendance targets, operate the program as indicated in the program schedule, report programmatic data, submit deliverables or meet the performance goals of the program. (CS)

By accepting grants funds, the undersigned hereby assures and agrees that, in accordance with statutes and regulations, the agency will comply with program assurances listed above; the approved application; the applicable rules, regulations and laws; and the rules, requirements, and expectations contained in the RFP.

Assurance of Providing Equitable Services for Private Schools (Private School Participation)

21st CCLC programs are required to provide equitable services to eligible private school students, teachers and other education personnel. Applicants must assure that the agency has and will continue to ensure timely and meaningful consultation for equitable services to private school children and teachers within the local education service areas. 21st CCLC programs must, at a minimum, consult with officials from those private schools located in the specific geographic area(s) served by program site(s).

In accordance with 34 C.F.R. Part 76.656, provide the following information in reference to consultation and participation of eligible private schools in Title IV, Part B, 21st CCLC:

(a) A description of how the applicant will meet the federal requirements for participation of students enrolled in private schools.

While there are no private schools within the attendance zones of the targeted schools, the district continued consultation and collaboration efforts with private schools in November 2021 during the annual private schools fair. Email communications were sent to private schools who had not opted out of services, specifically 21st CCLC services, in January 2022. Further communication via certified letters, emails and phone calls will be made during the summer of 2022 to ensure private schools and their students can be served if they choose.

(b) The number of students enrolled in private schools who have been identified as eligible to benefits under the program.

At this time no students have been identified as eligible to receive services. Ongoing consultation will occur to identify eligible students and provide services as required.

(c) The places and times that the students will receive benefits under the program.

If students are identified as eligible to receive services through the 21st CCLC grant, these students would receive services at the targeted school site Monday through Friday after school between the hours of 3:15pm and 5:45pm on days when school is in session.

(d) The differences, if any, between the program benefits the applicant will provide to public and private school students, and the reasons for the differences.

There will be no differences in the services and benefits provided to public and private school students. All students regardless of the school in which they attend will receive the same level of service including programming days and hours and activities.

☑ Check this box if there are NO private schools located within the geographic area(s) of the site(s) where the 21st CCLC program is located.

To Whom It May Concern,

We would like to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this gran application is awarded your school will be come a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through in-kind donations, and financial wellness initiatives for staff. In addition, we will work with the district to help provide additional resources or services as needed. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

Scott Cox

Manatee County School District
2501 63rd Avenue East
Bradenton, FL 34203

Dear Holli Vigna, Program Administrator Extended Day Enrichment Program (EDEP),

The University of Florida/IFAS Extension Family Nutrition Program commits to participating in and supporting the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. As such, the below prospective "commitments" will adjust based on future examination and funding availability for our programs.

The Family Nutrition Program (FNP) is the Florida component of the USDA's Supplemental Nutrition Assistance Program (SNAP-Ed). The goal of SNAP-Ed is to improve the likelihood that low-income individuals, including those eligible for SNAP, will make healthy food choices within a limited budget, become more physically active, and reduce time spent in sedentary behaviors as part of a healthy lifestyle

The Family Nutrition Program is delivered through UF/IFAS Cooperative Extension Service. UF/IFAS is a federal-state-county partnership dedicated to developing knowledge in agriculture, human and natural resources, and the life sciences, and enhancing and sustaining the quality of human life by making that information accessible. We are currently in a multi-year contract to provide SNAP-Education throughout Florida, and in the process of applying for another multi-year contract that would begin October 2022. We have been continually funded for this project since 1996. As such, the below perspective "commitments" will adjust based on future examination and funding availability for our programs.

FNP will contribute to providing nutrition education at Manatee Elementary, Palmetto Elementary, Palm View K-8, Lincoln Middle School and Lee Middle School through September 2022.

Sincerely,

Karla P. Shelnutt

Dear Ms. Vigna,

The Manatee Education Foundation is writing in support of the 21st Century Community Learning Center grant application for Manatee Elementary, Palmetto Elementary, Palm View K-8, Lee Middle School, and Lincoln Middle School. We strongly support this grant application to provide positive enrichment opportunities for students in the School District of Manatee County.

The Manatee Education Foundation agrees to contribute $100.00 for four years to purchase books for CCLC participants to boost literacy and academic achievement.

Thank you for your work to provide enhanced educational opportunities for students in the School District of Manatee County.

Sincerely,

Mary Glass

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

I would like to extend my support for the Manatee County School District's Nita M. Lowey 21st Century Community Learning Centers Grant. I understand the applications will be for community learning centers at both elementary and middle school. This is an exciting opportunity for our schools and community; I am excited to work together to provide support during the grant cycle and beyond.

As the Executive Director of the Adult Career and Technical Education Department (ACT), I am committed to providing staffing and resources to support learning activities at the participating schools not only through my department but through Manatee Technical College. I will encourage faculty and staff to volunteer and share their expertise with the students through equipment demonstrations, activity lessons, and group presentations.

I look forward to creating a lasting partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

Paul M. Gansemer, Ed.D.

March 28, 2022

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

On behalf of the Manatee Technical College (MTC), I am writing to support the School District of Manatee County as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. I understand that if this grant application is awarded, several schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support during the proposed grant cycle.

MTC has been serving the local community for more than 50 years. Today, with almost 50 programs, MTC offers training for careers in 15 of the 20 fastest growing industries. The Bradenton Area Economic Development Corporation, Manatee Chamber of Commerce, CareerSource Suncoast, and many local companies count on MTC to help meet local workforce demands and attract new business and industry to Manatee County.

To demonstrate our commitment to the 21st Century Community Learning Centers, we at MTC will provide support for learning activities including Career Readiness for middle school students and STEM initiatives for students in grades K-8. In addition, we plan to recruit teachers and staff from MTC to work with each community learning center, serving as volunteers, quest speakers, and facilitators.

We look forward to a continuing partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

RE: Letter of Support for 21st CCLC Grant Application

To Whom It May Concern:

As the Executive Director of Education & Life Long Learning for the Van Wezel Foundation, we are pleased to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through continuation of our After School Arts Integration programs. These lessons are taught by professional teaching artists, and assist with learning in arts and academic subject areas. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

Kelli Maldonado
Executive Director of Education & Lifelong Learning

RE: Letter of Support for 21st CCLC Grant Application

Dear Ms. Dezso,

We would like to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours. The Bishop is proud to continue to support you in providing these services as we have in the past.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through our 8-week-long series of weekly science programming designed for students grades 3 to 5. By partnering to provide this program, we aim to inspire students to engage in science, support science skills and understanding, and ultimately help to prepare them for the 5th grade Statewide Science Assessments. In addition, we will work with the district to help provide additional resources or services as needed. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

March 11, 2022

RE: Letter of Support 21st CCLC Grant

Greetings:

We would like to extend our support to you and Manatee County Schools as you apply for the 21st Century Community Learning Centers Grant. We understand that if this grant application is approved targeted elementary schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community as well as your schools and are happy to work with you in making this happen.

The Campaign for Grade Level Reading is a community wide effort to help all children, especially those from low income families, succeed in school by ensuring they read on grade level and by the end of third grade.

The Campaign for Grade Level Reading addresses the most common issues and obstacles impacting a child's ability to read; school readiness, school attendance, summer learning, healthy families and parent engagement. Our initiative is designed to explore new ways to deliver the support and resources children need to achieve reading proficiency early in life and build a strong foundation for future success.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Centers, the Soar in 4 program will provide support for each 21st CCLC site through family engagement and literacy and healthy families events. In addition, we will work with the district and grant personnel to help provide additional resources or services as needed. The value of these services would be approximately $2,500.

We wish you luck in your application and hope we will have the opportunity to serve the students and families at the selected sites.

Sincerely,

Dr. Sheila Halpin
Coordinator for the Campaign for Grade Level Reading and Soar in 4

Extended Day Enrichment Program

March 30, 2022

RE: Letter of Support Nita M. Lowey 21st CCLC Request for Proposal

To Whom It May Concern:

The Extended Day Enrichment Program would like to extend our support for the 21st Century Community Learning Centers Request for Proposal for Palm View K-8 School. We understand that if this grant application is approved, schools will become community learning centers providing services for students and their families. We know this is an exciting opportunity for our community as well as the schools included in the grant. We are pleased to partner with the district and the schools and provide support.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, we will provide support for each 21st CCLC site by purchasing and donating books for students in the program. This will support reading at home and provide materials for students to use in the home. In addition, we will help provide additional resources for students and their families including pencils for student use at both home and school and support for special activities and family member services. The EDEP bookkeeper will also serve as the 21st CCLC bookkeeper, however, no funds from the grant will be used to cover costs for this position. This cost sharing allows more money for direct services to students and their family members and increases our commitment as a partner. The value of donated items is approximately $500 per site and the value of the EDEP bookkeeper's time is estimated at $1500 per site.

We wish you luck in your application for the 21st Century Community Learning Centers Grant and hope we will have the opportunity to assist the district in serving the students and families of our community.

Sincerely,

Elizabeth Thompson

Re: Letter of Support for 21st CCLC Grant and Partner Contributions

To Whom It May Concern:

Please accept this letter from the School District of Manatee County in support of the Nita M. Lowey 21st Century Community Learning Centers request for proposal for Palm View K8 School. By providing high quality educational experiences beyond the school day and facilitating special family events for at-risk students, we will close achievement gaps and students will gain valuable life skills. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T standards and provide activities to complement core academic programs. 21st CCLC enrichment opportunities give students time for creative and innovative thinking and provide parents much-needed resources for academic success.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, the district's Extended Day Enrichment Program (EDEP) will provide a portion of time from the district-paid junior accountant to perform bookkeeping services related specifically to the grant. This contribution will allow more grant funds to be spent on direct services to students, which will enhance the educational impact for participating students. The in-kind donation is estimated at $1,500.00. We anticipate continuing this service and in-kind donation for each year of funding. In addition, EDEP will provide funds in the amount of $1,000.00 to purchase books for students and materials and supplies for family engagement. The total contribution for this partnership will be $2,500.00.

The School District of Manatee County will support this grant application and the school programs for a successful implementation of 21st CCLC. Students and families will greatly benefit from the additional services and resources.

Sincerely,

Cynthia Saunders (May 3, 2022 08:22 EDT)

To Whom It May Concern:

I am pleased to write this letter in support of the School District of Manatee County's Nita M. Lowey 21st CCLC grant application for Palm View K-8. The 21st CCLC will be greatly beneficial to our community, students and families as this program is designed to enhance academic achievement and promote personal success. As Principal, I have participated in the design of the proposal, along with members of the program team. I am eager to help and support the project, staff, students and their families.

To this effort, our school will be focused on serving the needs of our students, families and community through meaningfully designed activities based on our needs assessment. The 21st CCLC program will be linked to the regular school day. Remediation, acceleration, and enrichment activities will be included to engage all students. Activities will support grade level standards, while providing an exciting and fun way to engage students in the learning process.

As Principal, I will meet regularly with the site coordinator to ensure program goals and objectives are being met. We will work together to identify students for enrollment, review data, and encourage communication between the regular day teachers and afterschool staff. The program team will meet quarterly to support the 21st CCLC program by monitoring progress, coordinating partners, and reviewing and revising the program as needed. I will promote the 21st CCLC program at SAC and faculty meetings to increase support and engagement from parents and faculty. I support the use of our school building, our campus, and our staff for the 21st CCLC program. This partnership is essential as we work to help students and their families.

COMMUNITY ELIGIBILITY PROGRAM

- This year 24 school sites are participating in a new program called Community Eligibility Program or CEP.

  The Community Eligibility Program (CEP) provides an alternative approach for offering school meals to local schools and schools based on former free & reduced student numbers, instead of collecting individual applications for free and reduced-price meals. What this means is that all students at the schools listed below will receive free breakfast and lunch.

  Participating Schools:

  - Abel Elementary
  - Ballard Elementary
  - Bayshore Elementary
  - Bayshore High
  - Blackburn Elementary
  - Daughtrey Elementary
  - Horizons Academy
  - Just for Girls Academy
  - Lee Middle
  - Lincoln Memorial Academy
  - Manatee Elementary
  - Moody Elementary
  - Oasis Middle
  - Oneco Elementary
  - Palm View K-8
  - Palmetto Elementary
  - Prine Elementary
  - Rogers Garden Elementary
  - Samoset Elementary
  - Sea Breeze Elementary
  - Southeast High
  - Sugg Middle
  - Tillman Elementary
  - Visible Men Academy (VMA)

*Pursuant to Florida Department of Education (FDOE) Emergency Order No. 2021-EO-02, school districts and charter school governing boards were provided the flexibility to apply to the FDOE to have a 2020-21 school grade or school improvement rating officially recorded and reported for any school that tested 90 percent or more of its eligible students in the 2020-21 academic year. Districts and schools that did not opt in, or were not eligible to opt in, did not receive a summative rating for the 2020-21 school year. Additionally, in April 2021, the U.S. Department of Education approved Florida's Amended ESSA Waiver for Report Card requirements related to certain assessments and accountability for the 2020-21 school year.

**Pursuant to Florida Department of Education Emergency Order No. 2020-EO-1, spring K-12 statewide assessment test administrations for the 2019-20 school year were canceled and accountability measures reliant on such data were not calculated for the 2019-20 school year. Additionally, in April 2020, the U.S. Department of Education provided a Report Card waiver for requirements related to certain assessments and accountability that are based on data from the 2019-20 school year.

For information about Florida's Consolidated State Plan, see Every Student Succeeds Act (ESSA), and for detailed information about School and District Grade calculations see the School Grades Overview and Guide to Calculating School Grades, District Grades, and the Federal Percent of Points Index.

AGENDA ITEM NO. 8.7

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept and Expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, Effective August 2022 - July 2023, in the Amount of $500,000.00

Executive Summary
The 21st Century Community Learning Centers Grant will provide before school, after school and summer program services at Electa Lee Middle and Lincoln Memorial Middle schools. Students will participate in programming that includes homework help, reading, math, STEM, and personal enrichment. As required, each site will also host parent education workshops. This will be 4-year grant award with annual funding from the Florida department of Education.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation
The Superintendent recommends approval to apply, accept, and expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, effective August 2022 - July 2023, in the amount of $500,000.00.

Financial Impact
The School District will act as the fiscal agent for the project.

Scope of Work/Narrative Form

In Progress - Last edited: May 20 2022

Scope of Work/Narrative Form

Project Design/Scope of Work

The proposal must be completed in the online system used by the department. Each section below will appear in the online system. Applicants may work independently on the application or invite others within their agency to collaborate on a single application using the online system. The department encourages applicants to work collaboratively within their agency on each application to build ownership of the program components across the agency and within the local community.

3.1 Project Abstract/Summary

Instructions

Complete a short statement (no more than 100 words) that briefly identifies the number of students served; the names and locations of the schools targeted; the grades of the students to be served; and the components of program service; and an overview of the services to be offered to the adult family members of the students served. Use the template below. Post a statement for each site using the template.

Template Text

(Agency Name) operates the (Name of the Program) at (Address, City & Zip) of Community Learning Center. (Number of) students are provided programming during the (school year and/or summer) from (start time) to (end time), (days of the week of program operations) beginning (program start date) to (program end date). Program activities include (name of ESSA approved program activities included in application).

Refer to the RFP for more information.

The School District of Manatee County (SDMC) operates the Middle School Grant at Electa Lee Middle School, 4000 53rd Avenue West, Bradenton, FL 34210 a Community Learning Center. Eighty 6th-8th grade students are provided programming during the school year from 7:45AM - 8:45AM in the morning and 4:15PM - 5:45PM in the afternoon, Monday – Friday beginning August 10, 2022 - May 19, 2023. Program activities include academic enrichment - reading and English Language Arts (ELA); mathematics; science, technology, engineering, and math (STEM); healthy and active lifestyles; well-rounded education activities (visual and performing arts education); and literacy activities (i.e. adult family member literacy events to support students and their families). A six-week summer program June 5, 2023 - July 20, 2023 will be provided for eighty students from 8:00AM - 1:00PM.

The School District of Manatee County (SDMC) operates the Middle School Grant at Lincoln Memorial Middle School, 305 17th Street East, Palmetto, FL 34221 a Community Learning Center. Eighty 6th-8th grade students are provided programming during the school year from 7:45AM – 8:45AM in the morning and 4:15PM - 5:45PM in the afternoon, Monday – Friday beginning August 10, 2022 - May 19, 2023. Program activities include academic enrichment - reading and English Language Arts (ELA); mathematics; science, technology, engineering and math (STEM); healthy and active lifestyles; well-rounded education activities (visual and performing arts education); and literacy activities (i.e. adult family member literacy events to support students and their families). A six-week summer program June 5 - July 20, 2023 will be provided for eighty students from 8:00AM - 1:00PM.

We believe that having a successful program means tying family and community involvement in schools to positive student outcomes. Lee and Lincoln Middle Schools plan to increase parent involvement through family events and workshops. Five (5) events will be designed to help family members improve their involvement in their child's education. Workshop dates and information will be disseminated via 21st CCLC students, flyers, automated calls (in English/Spanish), the program website and the school marquee. To recruit and retain more parents, workshops will be offered in the evenings with materials available in both English and Spanish. Participation will be monitored through sign-in sheets. Events will last approximately one hour and will provide parents with information designed to help them assist their child with educational activities at home including reading strategies, math skills and simple STEM projects. In addition, community partners will help to provide valuable and educational workshops/events for the adult family members offered in the late afternoon/early evening. As more 21st CCLC families become involved, the expectation is there will be an improvement in student academic performance.

3.2a Site-Level Funding Eligibility Upload

Instructions

Go to the Know Your Schools portal at **https://edudata.fldoe.org.** Use the search bar to find the school(s) you wish to serve. Determine if the school is eligible by reviewing the School Accountability Summary or LEA-identified support list. If the school has been identified for support, review the Population and Enrollment tab to determine the Student Count. Based on the student count and the other areas that have been identified during the needs assessment, determine how many students are expected to be served at the community learning center site each day. Select the range of students expected to be served for the school year and/or summer for the grant. Note that the maximum funding amount under each proposal should not exceed $500,000.

Refer to the RFP for more information.

Click here to download the Funding Request Guide.

Click "Upload a file" to upload the Funding Request Guide.

3.2b Site-Level Funding Eligibility Upload

	Number of Sites Served	Site(s) Name
	Two (2)	Lincoln Memorial Middle School Electa Lee Magnet Middle School

3.3a Applicant Capacity

Instructions

Use the dropdown menus to indicate the number of years of experience the applicant has providing expanded learning opportunities for students using federal funding and operating a 21st CCLC program. If the applicant has operated a 21st CCLC program, use the textbox to indicate the dates of operation. If the applicant has provided other types of expanded learning opportunities, use the text box in question 3.3b to describe the opportunity.

Refer to the RFP for more information.

	Number of Years	Dates of Operation
21st CCLC	10+	2002 - present
Federal Funding	10+	1965 - Present
Other Types	10+	1980 - Present

3.3b Applicant Capacity

Instructions

If the applicant has held other federal funding, use the text box to indicate the name of the programming and the program dates.

Refer to the RFP for more information.

EXPERIENCE WITH EXTENDED LEARNING PROGRAMS: The School District of Manatee County(SDMC) has substantial experience in efficiently operating effective and impactful extended learning programs for over 20 years. SDMC offers out-of-school programming and extended learning programs throughout public schools and public charter schools in Manatee County. With over 50,000 students attending SDMC public schools, a significant effort has been made to focus on the support and improvement of out-of-

school programs in Manatee County.

The District's Extended Day Enrichment Program (EDEP) operates before and after school programming in 27 elementary schools during the school year. EDEP offers daily academic enrichment along with fun and engaging activities for students. In addition, SDMC operated a successful Supplemental Educational Services (SES) program from 2005 through 2013. SDMC was only one of five districts in Florida running the program as a district-based SES provider program. More than 600 students were tutored each year and on average, 89% achieved learning gains over the program's tenure.

EXPERIENCE USING FEDERAL FUNDING: As noted above, the School District of Manatee County has tremendous experience in obtaining, overseeing, and managing federal funds, with substantial federal funding used specifically to support Extended Learning Programs. In addition to centralized support of out-of-school programs, SDMC has also received federal, state and local funds to help provide out-of-school programs with limited burden on the families and students. More specifically, the SDMC Department of Federal Programs oversees millions in annual funding specific to offering expanded learning opportunities to students in Title 1 schools (e.g., after school tutoring, Saturday school and summer programs). Over the past 8 years, Title III funds have been used each year to tutor English Language Learners (ELL) during the extended learning time. Further, federal funds are used to host summer program camps for middle school students and elementary school students at Title 1 schools. The SDMC Exceptional Student Education Department also offers expanded learning opportunities for students with special needs through tutoring programs and extending the school year into the summer. The Adult, Career and Technical Education Department has raised over 75 million in funds over the past 18 years and oversees many local, state and federal programs. Grants include School Transformation, Perkins and Small Learning Communities. The SDMC School Improvement Department has utilized grant funds in Title 1 schools to extend the regular school day, provide after school tutoring and professional development for teachers and staff. In total, during the 2021-2022 school year, SDMC has overseen $134.4 million in federal funding to support students during the regular day and through extended learning opportunities. Additionally, SDMC has received funding to support extended learning opportunities from a variety of local foundations, associations and corporations - including the Manatee Education Foundation, Dollar General, Verizon, AAA, the Laura Bush Library Grant, and VW Foundation. These grants and donations provided smaller awards to individual schools and teachers.

EXPERIENCE WITH 21ST CCLC PROGRAMMING: SDMC has operated 21st CCLC programs for over 20 years and received more than $12 million across 9 grants to serve K-12 students in 19 schools. Lincoln Memorial Middle school has been successful implementing the program for students over the past five years. Based on standardized testing data from 2018-2019 summative reports, regularly participating

students attending the 21st CCLC program had a 42% increase in academic achievement level in reading and 59% increase in math. Additionally, reading and math quarter grades increased with 62% of students meeting reading proficiency and 63% meeting math proficiency. This program is vital to the community. 21st CCLC has provided parents a safe and secure place for their children to receive support for academics and enrichment activities. Students benefit from more time in the classroom and receiving homework help from certified teachers. Teachers and staff have stated students who participate the 21st CCLC program attend school more regularly, complete their homework effectively and have better behavior. SDMC has implemented the proposed 21st CCLC services over the years to meet federal, state and district requirements.

The 21st CCLC Middle School Grant will be housed within the district's Curriculum Department and the Extended Day Enrichment Program (EDEP) that provides programming during non-school hours to 27 public schools. With this placement, the district will be able to leverage the experience, resources and staff of EDEP including an experienced Program Director with over 20 years facilitating 21st CCLC programs. Lee and Lincoln Middle schools will be managed by a full-time Site Coordinator at each site ready for immediate implementation providing strong site leadership. In addition, each site will have a 21st CCLC Program Team comprised of representatives from the school district, community, school administration, teachers, parents and/or students.

PROGRAM ADMINISTRATION AND FISCAL MANAGEMENT: SDMC is committed to a high level of transparency with regard to processes, practices and investments. School level expenditures are made public by school. Providing full disclosure of all relevant fiscal information in a timely and systematic manner, www.manateeschools.net is used as the vehicle to publish these documents. All matters of the budget are approved by the School Board, comprised of five elected officials. The Board has no vested financial interest in program operations.

PROGRAM EVALUATIONS: To appropriately track and encumber obligated expenditures, function and object codes will be set using the Financial and Program Cost Accounting and Reporting for Florida Schools (Red Book). Program funds, records and budgetary expenses will be housed, tracked and reconciled by the program bookkeeper located at the district's Professional Support Center. All actions will be approved by the Program Director, Curriculum Director and the school district's Finance Department. The District has extensive experience collecting, maintaining, analyzing and reporting accurate program evaluation data. Processes include ongoing professional development, FOCUS student information system that tracks all student data and oversight from the school district's Research and Assessment Department.

PROGRAM IMPLEMENTATION: SDMC has experience in providing a broad range of services. These services are in line with the 21st CCLC program goals and approved activities from standards-based education to nationally-awarded STEM programming to research-based curricula within 48 traditional school sites as well as alternative sites. The Middle School Grant has the support of parents, the community and District to ensure the program is implemented with fidelity.

3.4a Building Your Program Team

Instructions

Use the text box to identify the members of the program team for this application. Describe the rationale for including each team member and the contribution, value or activities they will bring to the community learning center. Secure a signed letter of commitment for each member of the program team for the duration of the project.

Refer to the RFP for more information.

PROGRAM TEAM: The School District of Manatee County worked with district administrators, school administrators and staff, community partners and parents to develop a strong Program Team with the ability to inform the proposal, support the implementation of the grant, and provide ongoing insight into the continuous improvement of the 21st CCLC grant. As part of the proposal development process, the Program Team became an integral part of identifying needs, determining ideal operational considerations, and informing the best activities to meet the needs of all stakeholders. The Program Team is composed of stakeholder representatives that are fully capable of speaking on behalf of their fellow stakeholders (e.g. teachers, community-connected parents, high-level school administrators, district level contacts and secondary institution representatives).

PROGRAM TEAM MEMBERSHIP: The Program Team member selection was a critical task to ensure the most knowledgeable individuals were included to help design the 21st CCLC proposal and the associated activities. All individuals on the Program Team have provided letters of commitment to continue serving on the Program Team for the duration of the four-year grant. It is anticipated that the Program Team will grow in future years, as additional individuals are identified that would help improve the 21st CCLC program and the services to students and families (e.g. new teachers, new parents, new students in the school, etc.). Ultimately, the Middle School Grant's Program Team includes team members who collaborated, contributed and provided their expertise in the development of the application.

The team members for Lee Middle School are:
Trish Dezso - Director, EDEP and 21st Century (District Administrator)
Ginger Collins - Principal (School Administrator)
Gary Crawford - Community Member
Kristen Bowden - Parent of Student at Lee Middle School
Danielle McClellan - Teacher at Lee Middle School
Carol Lewis - Coordinator, Career Pathways, Secondary and Postsecondary Institution
The Full-Time 21st CCLC Site Coordinator will also be a member of the Program Team

Trish Dezso, Program Director for the School District of Manatee County brings over 20 years of experience implementing 21st CCLC before/after and summer programming. Ginger Collins, Principal at Lee Middle School brings over 25 years of experience in schools as a Teacher and Administrator. She brings a wealth of knowledge regarding supplemental services outside of the regular school day. Gary Crawford serves as the community representative bringing relevant information about community partnerships and support services. Kristen Bowden is the parent representative and serves as the voice of family members and their needs. Danielle McClellan is the Testing Coordinator and Data Coach for Lee Middle. Her knowledge of student achievement adds value to the program team. Carol Lewis, Career Pathways Coordinator works closely with State College of Florida and Manatee Technical College. With 24 years of experience, Carol's expertise will support a smooth transition between secondary and post-secondary institutions. Once the grant is awarded, a full-time 21st CCLC Site Coordinator will be hired and will be a permanent member of the Program Team.

The team members for Lincoln Memorial Middle School are:
Trish Dezso - Director, EDEP and 21st Century (District Administrator)
Ronnie King - Principal (School Administrator)
Irene Nikitopoulos - Assistant Principal (School Administrator)
Alfred James - Community Member
Kerline Ilfra - Parent of Student at Lincoln Middle School
Chandoue Lawrence - Teacher at Lincoln Middle School
Carol Lewis - Coordinator, Career Pathways, Secondary and Postsecondary Institution
The Full-Time 21st CCLC Site Coordinator will also be a member of the Program Team

Trish Dezso, Program Director for the School District of Manatee County brings over 20 years

of experience implementing 21st CCLC before/after and summer programming. Ronnie King, Principal at Lincoln Memorial Middle School brings many years of experience in education. Irene Nikitopoulos, Assistant Principal has served as a teacher, curriculum specialist and school administrator. Both administrators have organized several school based instructional programs aimed at increasing student achievement. In addition, both have 21st CCLC experience. Alfred James and Kerline Ilfra serve as the community and parent members bringing relevant information about community and family needs. Chandoue Lawrence serves as a Dean at Lincoln Memorial Middle. She is the current 21st CCLC Site Coordinator and has years of teaching experience. Carol Lewis, Career Pathways Coordinator works closely with State College of Florida and Manatee Technical College. With 24 years of experience, Carol's expertise will support a smooth transition between secondary and post-secondary institutions. Once the grant is awarded, a full-time 21st CCLC Site Coordinator will be hired as a permanent member of the Program Team.

PROGRAM TEAM TASKS: The Program Team from both schools was involved in all stages of the application process. The Teams met on several separate occasions to assess program needs, evaluate community and school resources, identify program operations and any gaps in services that could be addressed by a 21st CCLC program, and develop and select activities for inclusion in the final 21st CCLC proposal. Quarterly meetings will be held throughout each project year to ensure activities are implemented with fidelity, while also ensuring progress towards proposed outcomes and operations. The Program Team will work together to plan, revise and modify program activities to ensure the quality of the continuous improvement process, including engagement of all stakeholders and plans for sustainability.

Lee and Lincoln Middle Schools have secured partnerships with University of Florida/IFAS Extension, Van Wezel, Manatee Technical College, The Bishop Museum of Science and Nature, Manatee Education Foundation, Extended Day Enrichment Program (EDEP), Soar in 4/Florida Grade Level Reading Campaign and Adult, Career and Technical Education (ACT) department. Lee Middle School currently partners with the MASH initiative and Avenue941. Mr. Gary Crawford, community program team member, is the business representative for both partnerships. They provide non-monetary mentoring, attendance monitoring and support services. Lincoln Memorial Middle School partners include Boys and Girls Club of Manatee County (BGCMC) and Replay. BGCMC offers daily access to a range of programs in 3 core areas: academic success, good character and leadership, and healthy lifestyles. Replay Outreach is a non-profit organization that encourages at-risk teens to uncover their purpose

in life, learn to manage their behavior, and gain the skills and attitudes that will lead to success. Each school will continue to seek additional partners who can provide monetary donations, goods and services, resources and volunteers. In addition, the district will continue to secure an agreement with the National School Lunch Program to provide a daily nutritious snack during the after school component.

Filename: Program Team Letters Lincoln Middle.pdf Size: 293.4 kB

3.5 Engaging Stakeholders

Instructions

Use the text box to describe stakeholder engagement in the community learning center. Describe the types of stakeholders engaged during the development of the application. Describe the plan for the frequency and method of engagement during the project period and the topics in which stakeholders will be engaged during the implementation of the 21st CCLC program. Describe how the community learning center will receive feedback from the stakeholders and how that feedback will be implemented in the development of the program activities. Survey the stakeholders to determine what is needed in a community learning center.

Refer to the RFP for more information.

IDENTIFIED STAKEHOLDERS: Stakeholders are partners in the development, implementation and continuous improvement of the learning community center. The engagement of stakeholders has several explicit purposes; (1) identify the needs of the students, families, schools and communities; (2) identify current gaps in programming and services where funding could best be applied to support students and families; and (3) identify specific activities and subject areas that best support and address the identified needs and gaps. The process of identifying and engaging stakeholders in the planning and design of the program helped inform the final grant proposal. With feedback from each stakeholder group, the program has been thoughtfully designed to meet the needs of students and their adult family members. The

program is site-specific, age-appropriate and designed for each school's unique environment. The Program Teams determined the most valuable stakeholders to engage through the 21st CCLC were:

(1) Reading and Math Teachers - School day teachers are crucial to the development and continued success of the community learning center. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T. (Benchmarks for Excellent Student Thinking) standards and provide activities to compliment core academic programs. Program teachers and staff will regularly communicate with school day teachers in order to align lessons with day-to-day classroom instruction. This communication will occur at least weekly through emails, phone calls and meetings. Topics of discussion will include student attendance, behavior and academic needs. Feedback will be used to revise activities in order to better support what students are learning and/or identify areas needing additional support. With the support of these regular day teachers, the Program Teams believe students attending the program will have a better chance of meaningful change that will be reflected in their academic performance and during teacher observations.

(2) Adult Family Members - Parents, guardians and caregivers are key for successfully implementing and sustaining effective programming. Through parental support and involvement, students will be more successful at school and home. At least 5 parent engagement events will be provided for parents through the 21st CCLC Grant throughout the program year. Events will promote the importance of parents supporting their child's education through strategies for helping with homework and independent reading and math skills. Participating parents will complete a survey after each event to provide feedback on areas of program improvement and additional needs. A portion of each event will be used to discuss and share ideas pertaining to program enhancement. The Program Teams noted that parent engagement is a struggle across the targeted population; however, services under the 21st CCLC grant will give them the tools to improve and understand the educational process.

(3) Students - The Program Teams noted the importance of engaging students in the process as they are essential to 21st CCLC program success. Just having students attend the program is not as powerful as ensuring they have a voice. Surveying students gives them that voice and allows participation in the program design. Throughout the program year, students will be surveyed to gain valuable feedback on future programming.

(4) Community Partners - SDMC has established strong partnerships within this grant proposal. Community members consist of nearby retirement communities, businesses, local organizations and established partners. The community supports the school district's 21st CCLC Middle School Grant as a way to close the gap in services for the county's most at-risk children. The Program Teams will meet at

least quarterly with community stakeholders to discuss specific topics in areas of need and support for students. Meetings will provide feedback for future program planning and sustainability.

During the design process, each Program Team meaningfully surveyed teachers, parents, students and potential partners to identify what is needed in a community learning center. SurveyMonkey was used to create, collect and analyze survey results. Paper surveys were available to stakeholders without access to a computer. The Know Your Schools Portal indicates Lee Middle has 51 teachers and 782 students. Data was collected from 59% of teachers, 24% of students, 10% of parents and 5 partners. In addition, the portal indicates Lincoln Memorial Middle has 22 teachers and 332 students. Data was collected from 36% of teachers, 12% of students, 11% of parents and 4 partners.

Ongoing collaboration throughout the grant will ensure the community learning center continues to meet the needs of all stakeholders.

3.6 Assessing Program Needs

Instructions

Use the Know Your Schools portal to review the school-level data for the target school(s) under the following areas:

• Assessments-Academic Achievement, Growth, and Participation

• Assessments-English Language Learners

• Acceleration

• Discipline and Attendance

• Graduation and Postsecondary

Use the text box below to summarize the trends found in the school-level data and the results of the surveys of the teachers, parents and communities. Identify the issues and trends that need to be addressed. Describe the activities that the survey respondents would like to see in the community learning center. Identify any assets that already exist in the community to focus on those needs identified above and assets that do not yet exist which are needed to meet the needs.

Refer to the RFP for more information.

NEEDS ASSESSMENT: The School District of Manatee County serves 50,953 students with 50.1% receiving free/or reduced lunch. More than half of the student body is of a minority race 52.6% with 33.1% of Hispanic/Latino origin and 13.7% Black. A needs assessment was critical in formulating an in-depth understanding of Lee and Lincoln Middle Schools' needs. The data was gathered from a number of sources including the Florida Department of Education, Lee and Lincoln Middle Schools' Improvement Plans, the Know Your Schools Portal, district assessment data, and stakeholders.

LEE MIDDLE SCHOOL:
Lee Middle School serves 780 students in 6th through 8th grade. The school is located in a suburban area surrounded by businesses, shopping plazas, rental apartments and established neighborhoods. It serves a diverse community with students choosing to attend the magnet program. Situated along a major thorough fare many students are bussed to school or transported by parents. Based on the Community Eligibility Program, an alternative approach for offering school meals to local schools based on former free and reduced student numbers, 100% of students receive free lunch.

ACADEMIC ACHIEVEMENT GROWTH AND PARTICIPATION: English Language Arts (ELA) is a focus area with the School Achievement being at 34%, which is 20% below the State percentile. As well, the school ELA Learning Gains were at 49% which was below the State learning gains by 5%. These comparisons fall greatly below the State averages and therefore are considered a critical need. The area of focus for Math is a need to increase the school student achievement from 36% as earned on the 2018-2019 FSA to a 5% gain for a total of 41%. Another area of focus is on learning gains with a 2018-2019 school percentage score of 45% a need to increase by 5% for an overall total of 50%.
There has been a two-year decline trend in the Student with Disabilities (SWD) sub-group. SWD declined by 1% in Math and Science Achievement and a need for a 10% gain in overall achievement. SWD learning gains need to be reinforced and supported by remediation, tutoring and consequentially mastery of standards. Push-in and pull-out tutoring opportunities will be made available through scheduling teacher aides to specific classrooms and supplementing learning opportunities with iReady, Reading Plus, vocab. com, IXL and Study Island.

Lee's ESE student population is at 31% proficiency and has been low performing for two years. Additional low performance groups were ELL students and Black/African (B/A) American students both at 40% proficiency.

TITLE 1 COMPREHENSIVE NEEDS ASSESSMENT: Based on the Title 1 comprehensive needs assessment there is a critical need to provide students with more opportunities for standards based academic

tutoring and enrichment. Added enrichment could further advance the success of lower performing students.

1st & 2nd Quarter Benchmark data for ELL & SWD students shows the following:
ELL 6th grade ELA proficiency: Q1 39.4% Q2 24.8%
ELL 7th grade ELA proficiency: Q1 20.4% Q2 16.7%
ELL 8th grade ELA proficiency: Q1 33.3% Q2 33%

SWD 6th grade ELA proficiency: Q1 19.6% Q2 22.4%
SWD 7th grade ELA proficiency: Q1 9.1% Q2 3.1%
SWD 8th grade ELA proficiency: Q1 22.7% Q2 26.2%

ELL 6th grade Math proficiency: Q1 43.4% Q2 31.7%
ELL 7th grade Math proficiency: Q1 33.3% Q2 34.6%
ELL 8th grade Math proficiency: Q1 24.7% Q2 20%

SWD 6th grade Math proficiency: Q1 10.6% Q2 8.2%
SWD 7th grade Math proficiency: Q1 16.7% Q2 18.2%
SWD 8th grade Math proficiency: Q1 24.4% Q2 27.3%

Algebra (acceleration)
Quarter 1: 71.3% proficient
Quarter 2: 65.4% proficient

Geometry (acceleration)
Quarter 1: 63.6% proficient
Quarter 2: 72.7% proficient

Acceleration courses also include French, Spanish, English 1, and Digital Information Technology. Lee provides advanced courses in all core classes at every grade level.

The Math and Science Departments had the largest gap at 22 percentage points below the State. The factors that contributed to the Science department scores include the high ELL population at Lee Middle School and the unique vocabulary to scientific terms. Science is only tested in one grade level and has a spiral curriculum with students being State tested in only eighth grade. A final factor is lack of inclusion of hands-on and engaging science activities.

Discipline:
The largest number of discipline referrals so far this year has been tardies, with disruptive behavior as the second highest number of referrals.

Absences:
Average Daily Attendance
21/22 School Year (as of 3/31/22)
6th grade: 88.26%
7th grade: 87.81%
8th grade: 85.52%

A Graduate Enhancement Technician employed at Lee Middle School is focused on improving attendance and reducing tardies through incentives and monitoring policies for daily and weekly tracking of students at all three Tier support levels.

Physical Fitness: As included in the Florida Department of Health in Manatee County's "Annual Report," it's recognized "adult and childhood obesity are influenced by healthy eating and physical activity habits." The report goes on to state that the level of physical activity, particularly among children, depends on the availability of "physical activity opportunities." Communities and schools like Lee Middle need to offer these opportunities to increase physical activity. This contributes to the overall health and attitude of our students.

STAKEHOLDER SURVEYS: Data was collected from 59% of teachers, 24% of students, 10% of parents and 5 partners. 98% of TEACHERS surveyed believe after school programming is important for students and the program should be free. In addition, 100% agreed parents could not afford weekly fees for afterschool programming. Teachers identified the following three areas as the greatest need: reading at grade level, understanding math concepts and behaving in class. They feel structured after school programs would improve resources for students, homework completion, reading and math skills and connection to the community. STUDENTS identified help with homework, outdoor games and fitness, science projects and experiments, painting and drawing as the most desired activities. Survey results showed students struggled most in the area of homework, math and reading. Over 90% of PARENTS surveyed stated their children needed after school programming, however, 89% stated they could not afford to pay and after school programming is not readily available in the community. Areas of need identified by parents include homework help, reading, math and STEM. Parents indicated they would want their children to attend programming at least 4 days after school for 2.5 hours each day. Five

potential PARTNERS participated in the survey stating their interest in partnering with the community learning center. The partners feel providing a safe place for students and families is the top priority. Academic support and enrichment activities are equally important. Potential partners indicated support through donations, volunteers and in-kind resources. In summary, the three elements of program activities identified the most by students and families are homework help, academic support and enrichment opportunities.

LINCOLN MEMORIAL MIDDLE SCHOOL:
Lincoln Memorial Middle School serves 332 students in 6th through 8th grade. Lincoln is located in Palmetto, a city within Manatee County, Florida. Rich in historical tradition, the school was created prior to desegregation, and was the only all black high school in the county. Palmetto has traditionally been a low-income community, and most of Lincoln's student population continues to come from low-socio economic circumstances. The community has been plagued with violence and drug use; few students continue their post high school years in academics.

ACADEMIC ACHIEVEMENT GROWTH AND PARTICIPATION: Based on District Quarterly Benchmark data measured during Winter, 2021, 42% of students were at grade-level proficiency for Reading and 49% of student were at grade-level proficiency for Math. Both results are below the state average as measured by 20/21 FSA Scores. Over 95% of Lincoln Memorial Middle School students were tested during this District Benchmark assessment.

Greatest Need (ELA and Math): The areas of greatest concern were those students in the following grades:
• 7th grade where grade-level proficiency in Reading was measured at 37%
• 6th grade where grade-level proficiency in Math was measured at 30%.
• Sixth grade and 8th grade achievement levels in Reading were recorded at 41% and 47% respectively, while math proficiency was recorded at 41% for 7th graders and 67% for 8th graders.

Gains (ELA and Math): Overall gains from 21/22 Winter Quarterly Benchmarks were measured at 59% for Reading and 57% for Math. Although more than half of students showed gains, the data revealed an area of concern for 6th grade students where only 24% of students showed improvement. The data also indicated that although the lower quartile made significant growth (over 68% showed gains in both Reading and Math), students who were already at grade-level were not as likely to show improvement.

Science: Although a 16-percentage point increase was seen in Science comparing the 21/22 Winter Quarterly Benchmark to the previous SSA, only 34% of 8th grade students were considered proficient.

This is significantly below the state average of 45% as measured by the 20/21 Statewide Science Assessment. Similarly, the 21/22 Winter District Benchmark assessment revealed that 59% of students were proficient which is once again below the State average of 64%.

TITLE 1 COMPREHENSIVE NEEDS ASSESSMENT: Based on Lincoln's Title 1 comprehensive needs assessment there is a critical need to provide students with more opportunities for standards based academic tutoring and enrichment. Added enrichment could further advance the success of lower performing students.

Acceleration: Lincoln Memorial's "Acceleration" rate centers on the number of students enrolled in Algebra and Geometry. Currently, approximately 20% of students in 7th and 8th grades are participating in advanced courses (29 students in Algebra and 11 in Geometry). Our need is to increase this percentage to 50% to be consistent with other high-performing schools in our District. Using the Power Index, areas of greatest need for improvement and therefore most focus are the following:
(1) Middle School Acceleration – Algebra 1 and Geometry
(2) Lowest Quartile Learnings Gains in both ELA/Reading and Math
(3) Subgroups focusing on: ESE and ESOL (Based on a review of data, many of these students also fall into our L25 lists and therefore have an impact in multiple areas)

Sub-Groups (Achievement): Several subgroups showed deficiencies in proficiency levels as compared to all other subgroups. This aligns with subject areas that are already considered below grade level, specifically 7th grade ELA. Further, ELL populations are showing deficiencies as compared to other groups in 7th grade ELA, while Lincoln Memorial's black population is showing deficiencies in 8th grade Science.

Physical Fitness: As included in the Florida Department of Health in Manatee County's "Annual Report," it's recognized "adult and childhood obesity are influenced by healthy eating and physical activity habits." The report goes on to state that the level of physical activity, particularly among children, depends on the availability of "physical activity opportunities." Communities and schools like Lincoln Memorial Middle need to offer these opportunities to increase physical activity. This contributes to the overall health and attitude of our students.

STAKEHOLDER SURVEYS: Data was collected from 36% of teachers, 12% of students, 11% of parents and 4 partners. 99% of TEACHERS surveyed believe after school programming is important for students and the program should be free. In addition, 100% agreed parents could not afford weekly fees for afterschool programming. Teachers identified the following three areas as the greatest need: reading at

grade level, understanding math concepts and behaving in class. They feel structured after school programs would improve resources for students, homework completion, reading and math skills and connection to the community. STUDENTS identified help with homework, outdoor games and fitness, science projects and experiments, painting and drawing as the most desired activities. Survey results showed students struggled most in the area of homework, math and reading. Over 95% of PARENTS surveyed stated their children needed after school programming, however, 100% stated they could not afford to pay and after school programming is not readily available in the community. Areas of need identified by parents include homework help, reading, math and STEM. Parents indicated they would want their children to attend programming at least 4 days after school for 2.5 hours each day. Five potential PARTNERS participated in the survey stating their interest in partnering with the community learning center. The partners feel providing a safe place for students and families is the top priority. Academic support and enrichment activities are equally important. Potential partners indicated support through donations, volunteers and in-kind resources. In summary, the three elements of program activities identified the most by students and families are homework help, academic support and enrichment opportunities.

3.7a Intentionally Designing Activities

Instructions

Upload a completed site profile worksheet for each site proposed. Create a schedule for each program component that includes the start and end time for each activity and which activity will be offered in each time block.

Refer to the RFP for more information

Click here to download and complete the Site Profile Worksheet.

Click "Upload a file' to upload completed Site Profile Worksheet(s) and Schedule(s).

3.7b Intentionally Designing Activities

Instructions

Use the text box to submit a narrative that outlines how the activities in the proposed schedule address the needs identified in the program needs assessment. Describe how the community learning center will implement each activity on the schedule. Identify the interventions the program staff will use for each activity and their levels of evidence. Provide references for the evidence levels.

Describe the program’s recruitment strategy. Outline the communication strategy the program will use to recruit and retain students and families. Describe how families will be selected for participation and

encouraged to attend program activities. Identify any enrollment priorities and how they will be carried out.

Refer to the RFP for more information.

ACADEMIC ENRICHMENT: READING/ENGLISH LANGUAGE ARTS
The Middle School Grant will provide 21st CCLC students with activities that directly align with Florida's B.E.S.T. standards and the needs assessment findings outlined previously, particularly the reading needs demonstrated by prior FSA performance data, teacher feedback, parent feedback, and overall recommendations from the Program Teams. The ELA activities will focus on reading areas that are challenging for students such as vocabulary, fluency, and comprehension for all grade levels. All activities will accommodate different learning styles and levels to include both remediation and enrichment. Lee Middle School will use the following curriculum to support students: Lexia Power Up Reading, and Leveled Readers along with Edginuity for credit recovery. Lincoln Memorial Middle School will use the following curriculum: Lexia Power Up Reading, SIPPS, USA Test Prep and Scholastic Scope and Action Magazine. In addition, Edginuity will be used for credit recovery.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student's ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with "think-a-louds" – teacher verbalizes the thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: According to the needs assessment stakeholder survey data for both schools, students targeted for the 21st CCLC program need additional reading support. Reading interventions that begin early in the primary grades have shown to benefit students in secondary grades. ELA data for Lee Middle School shows student achievement being 34% and learning gains at 49%; both falling greatly below state averages and are therefore considered a critical need. Lincoln Memorial Middle

School data shows 42% were at grade level proficiency for reading which falls below the state average as measured by 2020-2021 FSA scores. Research suggests struggling to read in younger grades must be addressed or students risk ongoing struggles throughout their education. Teengagement Solutions, a purposeful standards-based program addresses the essential skills needed for college and career readiness. Students will develop skills in reading, writing and standards-based assessments while cultivating traits needed to become conscientious, capable contributors in society. Teengagement Solutions transforms teen literacy. Additionally, family literacy nights will be planned to provide opportunities for adult family members to acquire English language and literacy skills while empowering them to become more involved in their children's education.

EVIDENCE AND REFERENCES: Overall, the activities and lessons are selected and designed to provide research-based, reading support and interventions for students in 6th through 8th grade. The components for the reading activities were selected to best impact reading comprehension, reading fluency and reading achievement for 21st CCLC students. Although little information for the selected reading programs was found on the What Works Clearinghouse (WWC), several studies were found that support the Tier 1 interventions and recommendations requiring research totaling at least 300 participants. The "Report of the National Reading Panel" (NICHD, 2000) provides equally compelling evidence for explicit, systematic instruction for each of the five essential components of literacy (phonemic awareness, phonics, fluency, vocabulary, and comprehension). “Explicit instruction in reading makes a difference in student outcomes, especially for those who are low achieving” (Denton et al., 2003, p. 202). “Explicitness has been a component of instruction in studies documenting improved outcomes in phonological awareness, decoding, and the application of comprehension strategies for the understanding of text” (Denton et al., 2003, p. 202).

FREQUENCY: Reading activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year. Family literacy activities will also be planned so children and parents can experience reading together.

ACADEMIC ENRICHMENT: MATHEMATICS
Math will focus on standards-based activities, project based learning, and hands-on learning with manipulatives. All activities will accommodate different learning styles and levels to include both remediation and enrichment. Math lessons will come from supplemental materials from the core academic math program used during the regular school day. Additional math curriculum will include ALEKS, Acaletics and other intervention and support materials. In addition, Edginuity will be used with for credit recovery.

INTERVENTION DESCRIPTION: Concrete-Representational-Abstract (CRA) is an approach to teaching math. All topics in math can be taught using CRA. Students do not have to progress through the concrete to get to the representational and abstract phases. Students often work at the concrete and abstract or representational and abstract phases at the same time. With CRA, students work with hands-on materials that represent math problems (concrete), pictorial representations (representational), and problems with numbers and symbols (abstract). The teacher explicitly bridges the connection between the three components of the math problems.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student's ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with "think-a-louds" – teacher verbalizes the thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on the collected survey data, teachers, parents and students indicated the need for additional math support. Lee Middle School has a need to increase student achievement in math from 36% to 41% which would be a 5% gain. Specifically, math achievement of students with disabilities declined. 49% of students attending Lincoln Memorial Middle School meet proficiency in math yet this is still below the state average. Parent involvement is a primary factor in supporting students' educational success. The 21st CCLC program will plan family events so parents feel knowledgeable and comfortable to help their children succeed in mathematics. The events may be led by afterschool staff or local experts from the community.

EVIDENCE AND REFERENCES: While the What Works Clearinghouse did not include information on the selected math programs, support for math was clearly indicated in the needs assessment. When teachers provide effective math instruction, teachers can reduce the performance gap between students who are at risk for math (Clarke, Smollkowski, Baker, Fien, Doabler, & Chard, 2011). Students with learning disabilities who receive effective math intervention develop critical skills like problem-solving

and abstract reasoning, which are necessary for math proficiency (Gersten, Chard, Jayanthi, Baker, Morphy, & Flojo, 2008; Allsopp, Lovin, & van Ingen, 2017). Results of a study of middle school math teachers indicated students who learned using the CRA method to solve equations outperformed peers receiving traditional instruction (Witzel, Mercer, & Miller, 2003). CRA methods teaching place value, fractions, addition, subtraction, multiplication, algebra and word problems are supported by research (Mancl, Miller, & Kennedy, 2012).

FREQUENCY: Math activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year.

ACADEMIC ENRICHMENT: SCIENCE/STEM and CAREER COMPETENCIES AND READINESS: Through STEM, students will engage in experiential education that excites, engages, and enriches through a hands-on, learn-by-doing approach in science, technology, engineering and math. Skills will be taught so that all students can understand and build on prior knowledge. STEM activities will include career competencies and career readiness.

ACTIVITY/DESCRIPTION: STEAM-Woz ED – LEE MIDDLE SCHOOL
The Woz ED program will support our focus on employment and career competencies and readiness. The Woz lessons are purposefully designed to build an engineering mindset while developing the soft skills employers value. Woz ED resources help students authentically explore their future in the tech economy. Collaboration, problem solving, and critical thinking are inherent in every project. Students will participate in robotics, engineering, digital and graphic design, along with animation and coding. 21st CCLC groups will participate in STEM competitions throughout the year.

ACTIVITY/DESCRIPTION: STEM-SOLIDWORKS AND PITSCO PROJECTS – LINCOLN MEMORIAL MIDDLE SCHOOL
Solidworks and Pitsco Projects will support science, technology and math as well as career competency and readiness. Solidworks is a complete 3D software program where students create, simulate, publish and manage data. Solidworks solutions are easy to deploy, easy to use and simple to administer allowing students to capitalize on new opportunities. Pitsco Projects enable students to practice the future-ready skills they need no matter their path after school, all while integrating STEM disciplines in real life, practical scenarios. Students will participate in robotics, engineering, digital and graphic design and coding. 21st CCLC groups will participate in STEM competitions throughout the year.

ALIGNMENT TO STUDENT/FAMILY NEEDS: STEM activities provide a personalized approach to nurturing and engineering mindset through hands-on projects that progress from Kindergarten through

employment. These learners can dream, design, engineer, test, improve, and create through coding, robotics, drones, 3D printing and data analysis. Children today are growing up in a world very different from the one experienced 15 years ago. Students must be equipped to solve problems and work in team environments to succeed in tomorrow's job market.

EVIDENCE AND REFERENCES: Steve Wozniak, Apple Co-Founder and Founder of Woz Ed, is a leader of K-12 STEM education around the world, providing students access to high-quality technology training. Recognizing the importance of access to STEM education, Lee and Lincoln Middle Schools will provide students with the opportunity to continue exploring their interest in STEM activities and advancing their skills. While the WWC does not include Woz ED, Solidworks or Pitsco research for Science/STEM, the needs assessment indicates the importance of providing STEM activities within the proposed 21st CCLC program. However, accessibility to STEM learning is not always easy. A STEM report by the U.S. Department of Education states, "We must also make sure that no matter where children live, they have access to quality learning environments. A child's zip code should not determine their STEM fluency." Further noted in "The Edvocate," www.theedadvocate.org, there are 7 benefits to stem education: fosters ingenuity and creativity; builds resilience; encourages experimentation; encourages teamwork; encourages knowledge application; encourages tech use; teaches problem-solving; and encourages adaption.

FREQUENCY: Science/STEM activities will be offered to all students at least twice per week for approximately 45 minutes throughout the program year. Students will engage in STEM activities with certified teachers all of whom will be directly trained in providing the selected STEM curriculums.

ACADEMIC ENRICHMENT: HEALTHY AND ACTIVE LIFESTYLES
ACTIVITY/DESCRIPTION: SPARK-PE (Sports, Play and Active Recreation for Kids)
All 21st CCLC students will receive activities related to healthy and active lifestyles that are aligned to student needs and Florida's Standards for Physical Education. To best address student needs, Lee and Lincoln Middle Schools will purchase and implement the research-based SPARK-PE curriculum. SPARK-PE provides a collection of researched-based physical education programs emphasizing a highly active curriculum, on-site staff development, and significant follow-up support. To ensure all students are fully engaged, SPARK-PE features both diverse instructional and diverse curricular models that embody the HOPE (Health Optimizing Physical Education) and are aligned to both state and national standards. SPARK-PE is specifically designed to provide activities aligned to school-day fitness lessons and activities. All lessons include age, space, and ability adaptations so all students can fully participate in developmentally appropriate, organized, and high-quality physical activities. There are four components to the SPARK-PE activity selected for the Middle School Grant program: (1) group fitness activities (e.g.,

basketball, soccer) to improve cardiovascular fitness and positive social traits; (2) fitness circuit activities that infuse cooperative strategies, peer coaching, turn taking protocols, and self-practice of previously taught skills and movements; (3) endurance games (e.g., walking, jogging) to promote aerobic and cardiovascular fitness; and (4) personal fitness activities to promote fitness goal setting and lifelong wellness commitment among students.

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on need assessment data obtained from the Project Team and stakeholder surveys, there was a need for overall wellness at both middle schools. Lee Middle school data collected from 59% of teachers, 24% of students and 10% of parents indicated a need for health and wellness programming during the 21st CCLC program. Likewise, Lincoln Memorial Middle school data collected from 45% of teachers, 10% of students and 10% of parents showed the same need. Although there is fitness provided during the regular school day, as per Florida Statutes, there is a significant need for additional fitness and health to support students. Moreover, according to the Florida Department of Health (2021), more than 30% of low-income children living in Manatee County are either overweight or obese. The goal of the 21st CCLC program Healthy and Active Lifestyles activity is to improve personal and physical wellness through structured activities that foster healthy lifestyles. Students will learn to how to work well with others, build and foster good sportsmanship, and explore ways to incorporate personal fitness into their everyday lives.

EVIDENCE AND REFERENCES: The What Works Clearinghouse did not include interventions in healthy and active lifestyles, yet the needs assessment clearly indicates the importance of providing these activities. Fortunately, the WWC outlines the type of research and sample sizes needed for each “tier” of evidence-based interventions with Tier 1 interventions and recommendations. Many research studies have been conducted to determine whether physical wellness is connected to academic performance. For example, de Greeff and colleagues (2014) studied 544 students and found cardiovascular fitness was significant predictors of student academic performance in both mathematics and English Language Arts. More specific to Florida, research conducted with 132 elementary school students found a significant relationship between physical fitness and academic performance, as measured by Florida statewide assessments (Wingfield, Graziano, McNamera, & Janicke, 2011). Finally, through a systematic review of 26 peer reviewed research studies, researchers found an association between increased physical fitness and improved academic performance and executive function (Salas Sanchez, et al., 2022), with the researchers calling for increased hours of physical education to “more effectively develop the cognitive aspects” of children in elementary school.

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in SPARK-PE activities with the personal enrichment instructors, all of

whom will be directly trained in providing the curriculum.

ACADEMIC ENRICHMENT: ART AND MUSIC EDUCATION

Art and music education is designed to give students opportunities that would otherwise not be easily accessible, and to offer a high-quality education. Both inspire students to stay in school, increases motivation, improves attitudes and attendance, and improves academic performance. According to Americans for the Arts, a student involved in the arts is four times more likely to be recognized for successful academic achievement. The Arts can influence and shape a child's development on several levels: academically, socially and emotionally.

ACTIVITY/DESCRIPTION: Teachers certified in art and music education will provide instruction to enhance student learning experiences during the 21st CCLC program. The Middle School Grant plans to provide arts education through music, movement, drama/theatre and visual art mediums (drawing and painting). Intervention strategies will include whole group and small group instruction along with hands-on real-life experiences.

ALIGNMENT TO STUDENT/FAMILY NEEDS: At a time when art and music education is struggling for classroom time in schools, the 21st CCLC program can offer much needed support and provide students with other engaging activities. Stakeholder survey results support the need for additional enrichment activities including art and music.

EVIDENCE AND REFERENCES: Students in schools serving predominantly low-income households receive less arts instruction than students in schools serving higher-income households (afterschoolalliance.org). Many evaluations demonstrate the benefits of the Arts to students who participate, such as: academic gains, improved cognitive skills, positive behaviors, increased engagement, creativity (Big Thought, 2010). According to a multi-year study of children participating in the Thriving Minds arts afterschool program, students progressed from interacting with creations to becoming creators themselves (2010). Study results of students (1st-8th grade) participating in an out-of-school music program, demonstrated higher levels of academic performance over peers not attending. Further, students exhibited better performance on measures of executive functions and higher scores on standardized tests (Holochwost, et al., 2017).

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in Art and Music with the personal enrichment instructors, all of whom will be directly trained in providing the curriculum.

RECRUITMENT AND RETENTION: The 21st Century Community Learning Center will give priority to students identified with educational difficulties or heightened risk factors such as low-test scores, possibility of/or past retention, poor school attendance, etc. These students are representative of the wider community and includes those facing the most significant barriers to academic success. The following strategies will be used to reach and enroll the targeted students: information and registration table at Back-to-School Event/Open House, distribution of flyers and registration packets in English/Spanish, posters hung throughout the campus, and information on the marquee. Teachers, counselors, and Graduation Enhancement Technicians will work with 21st CCLC staff to ensure that students at high risk of retention are specifically invited to attend. To recruit parents and families there will be direct contact at school events, automated phone calls, newsletters and information posted on the website. To encourage students to remain in attendance from the beginning to the end of the program day, the schedule will be structured so that engaging, high energy activities are held the entire time. Also, adhering to school district protocol, elementary school students are not allowed to sign themselves out of a program. To encourage regular attendance, several attention-grabbing and fun enrichment activities and projects are planned to include hands-on STEM challenges, gardening, arts and music education and academic enrichment.

3.7c Intentionally Designing Activities

Instructions

Upload a completed Partners Table and the letters of support including a letter from school district executive leadership (Superintendent or Assistant Superintendent) and an administrator from the target school. For other partners, describe the tangible contribution of the partner and the frequency of the contribution to the program.

Refer to the RFP for more information.

Click here to download the Partners Table.

Click "Upload a file" to upload Partners Table and Letters of Support.

Partners Table and Letters Middle School Grant.pdf

Filename: Partners Table and Letters Middle School Grant.pdf **Size:** 732.3 kB

3.8a Recruiting and Retaining High Quality Staff

Instructions

Use the text box to describe the staffing structure of the community learning center. Outline the positions that will be hired in the community learning center. Discuss how the staffing structure interfaces with the scheduled activities in the previous section.

Refer to the RFP for more information.

STAFFING PLAN: The program will be housed under the already existing Extended Day Enrichment Program that provides programming during non-school hours. An experienced Program Director will manage the implementation of the program and budget. Each school site will have a full-time Site Coordinator overseeing the day-to-day programming supporting the academic and enrichment activities of students and families in the community learning centers.

STAFFING STRUCTURE: The PROGRAM DIRECTOR will report directly to the Director of Elementary Curriculum who in turn reports to the Executive Director of Curriculum and Professional Learning. Included is an experienced Junior Accountant/Bookkeeper reporting directly to the Program Director. All financial transactions will be approved by the Program Director, Director of Elementary Curriculum, and the Finance Department. The Program Director and Junior Accountant/Bookkeeping services are an in-kind contribution, and a testament to the significant support the 21st CCLC Program will receive. Each school will have a full-time/on-site SITE COORDINATOR who is critical to properly implementing the 21st CCLC program effectively, efficiently, and with fidelity. They will be responsible for the daily oversight of all aspects of the program and staff. In addition, they will be responsible for securing partnerships in the community in year one to sustain the program after the four-year grant has concluded.

Additional staff include CERTIFIED TEACHERS with expertise in core academic subjects who will facilitate all academic enrichment. Highly qualified teachers will be recruited from Lee and Lincoln Middle Schools as they have invaluable knowledge of the students. At least 1 certified teacher will be present during all academic activities and the staff to student ratio will be 1:10. ACTIVITY LEADERS will oversee personal enrichment activities with a ratio of 1:20 and will also support the required ratio of staff to students for academics.

ROBUST QUALIFICATIONS AND DUTIES: All staff will be responsible for completing an application which they receive from the Site Coordinator. This application will include specific requirements noting their qualifications, years of experience, certifications, etc. We also require they attach a copy of their teaching certificate to the application. In addition to our teachers being highly qualified we hire Reading and English for Speakers of Other Languages (ESOL) endorsed teachers, Exceptional Student Education (ESE) teachers and trained translators. Once we have reviewed their qualifications, hiring of the staff is determined by the Program Director with input from the school administration and Site Coordinator. Job descriptions will be provided for staff clearly outlining their responsibilities and a signature of acknowledgment is required. As a school district we have the lines of communication established for

working with teachers, school administrators, as well as the administration at the district level which ensures the quality of our success. We have access to the school district's Human Resource Department system which conducts criminal background checks on all employees working directly with children before hiring. All district staff undergo a Level II background screening and at least two staff members per center will have CPR certification. In addition, staff will be screened through the Florida Background Screening Clearinghouse. 21st CCLC staff members will participate in professional development related to academic achievement through the district's Office of Professional Learning.

TRAINING PLAN FOR QUALITY IMPROVEMENT: Training plays an essential role in successful education improvement. To ensure our program is implemented with fidelity we provide initial training for the staff during the July/August months prior to the start of 21st CCLC. In addition, all program staff will participate in quarterly professional development sessions specific to the 21st CCLC Program. Training of the curriculum and other instructional materials will be completed at the beginning and throughout the year as needed. Other training topics may include increasing self-esteem through educational achievement and supporting various learning styles. The district has two in-service days during the school year where 21st CCLC training will occur. Each staff member will be responsible for reading and signing their intent/commitment to work the 21st CCLC program and comply with ethical business practices. We will create a solid foundation through individual training about the community learning center during the August/September start up months. We will utilize advance methods to improve teacher effectiveness which will result in student achievement. The Program Director and/or Site Coordinator will conduct four 4-hour trainings, as well as participate in the required statewide training with at least one other staff member. Training on activities, procedures, and other policies will be ongoing, as needed. Additional training may also include CPR/First Aid, EZReports, STEM curricula, child and youth development, afterschool and summer learning, family engagement, evidence-based practices, and other site-specific academics/enrichments in order to deliver an effective and successful community learning center program.

3.8b Recruiting and Retaining High Quality Staff

Instructions

Upload sample job descriptions for each position mentioned above that include the qualifications and the duties of each position.

Refer to the RFP for more information.

Click "Upload the file" to upload Sample Job Descriptions.

Middle School Grant Job Descriptions.pdf

3.8c Recruiting and Retaining High Quality Staff

Instructions

Provide a schedule of training for the community learning center staff.

Refer to the RFP for more information.

Click "Upload a file" to upload Schedule of Training.

MCSD 21st CCLC Training Schedule 2022-2023.pdf

Filename: MCSD 21st CCLC Training Schedule 2022-2023.pdf Size: 78.7 kB

3.9 Implementing with Fidelity

Instructions

Use the text box to describe the program strategy for ensuring that the activities proposed in this application are implemented with fidelity. Include the methods the community learning center leadership will use to ensure that the number of days and hours of programming are provided and that the programming is delivered with rigor. Identify the data points to be used to determine if the program is effective and how the community learning center staff will collect those data points. Explain how the data points will be used to revise, adapt or eliminate programming and the frequency of that process.

Refer to the RFP for more information.

Members from the Program Team will serve as leadership of the community learning center. The Leadership Team will include school Principal, Site Coordinator and Program Director. This team will be responsible for ensuring the program is carried out with fidelity, days and hours of programming align with the program application and the activities are delivered with rigor using data to revise, adapt or eliminate programming. In addition, the leadership team will oversee staff training and the activities that are designed to provide continuous education to students.

The 21st CCLC Fidelity Plan is firmly grounded in a commitment to continuous improvement of operations, services, and outcomes. The cornerstone is a logical process of planning, data collection, analysis, reporting, and refining. As such, the plan will include three connected elements to help ensure the program being implemented is effective, efficient, and sustainable: progress monitoring, data analysis and continuous improvement.

The Continuous Improvement Model (CIM), a quality-based approach used within educational settings and particularly effective for reducing achievement gaps between student subgroups will be utilized. The model focuses upon individualized assessment using both formal (e.g., surveys) and informal (e.g., meetings) techniques to guide incremental changes within ongoing services, adopt new ways to improve and measure outcomes, discontinue or adapt activities that have no value, and increase emphasis on program success.

The immediate and individualized feedback provided through CIM is particularly important for implementation of the 21st CCLC program to help guide/ensure the highest impact for each student. The program will also use CIM to guide any immediate operational changes necessary to provide a high-quality program, including such areas as staffing changes, adjustments, or resources to specific activities. The fidelity plan will provide a structure for generating information needed for ongoing program refinement.

The Continuous Improvement Model will support data collection within three general categories: (1) District Data; (2) Program Data; and (3) Stakeholder Data.

(1) District data will include all student demographics, state standardized tests and end-of-course exams (from prior and current years), student report card grades, student attendance during the school day, and any other additional data deemed useful for the program.

(2) Program data will include (A) student attendance (daily) and enrollment status, (B) demographics, (C)

program operational information (e.g., hours, activities, facilities, staffing, and partners), and (D) adult family member data.

(3) Stakeholder data will be collected quarterly through teacher surveys, parent surveys, student surveys, and partner surveys. Survey data will be collected using electronic systems to ensure accuracy of collected data.

To further support the fidelity plan, the Principal will meet monthly with the Site Coordinator to review progress monitoring data. Data will include benchmark assessments, progress reports, quarter grades and behavior. Data collection will be ongoing and will be used to refine program activities. The Site Coordinator will be responsible for day-to-day program operations to ensure the center is following the proposed calendar, daily schedule and activities. Oversight will occur through staff meetings, walkthroughs and lesson plans. The Program Director will perform monthly fidelity checks to confirm the community learning center is implemented as intended. Monthly Leadership Team meetings will be held to discuss findings from the fidelity checks and other collected data. Together these strategies will serve as the ongoing process to revise, adapt and/or eliminate ineffective programming.

3.10 Project Budget

Instructions

Complete and upload the DOE 101S Budget Narrative Form. For applicants that use the Red Book, please complete the function and object codes for the expenditures. For all other applicants, please enter the account codes from the agency's general ledger in the object code column. In the Account Title and Narrative column, enter the name of the expenditure, a description of the expenditure and a funding calculation that shows how the total amount of the expenditure was derived. In the amount column, enter the total amount for that line item. Include any administrative costs percentages so as to not exceed the maximum percentage.

Refer to the RFP for more information.

Click here to download the DOE 101S Budget Narrative Form.

Click "Upload a file" to upload the DOE 101S Budget Narrative Form.

3.11 Plan for Sustainability

Instructions

Use the text box to describe the agency's strategic planning process for continued sustainability of the 21st CCLC program. Describe outreach and advocacy strategies the program team will use to develop continued support after the funding ends. Explain how you will document progress towards sustainability within your progress plan.

Refer to the RFP for more information.

With the foundation built by the 21st CCLC program and the sustainability efforts of the Program Team, impoverished and high-risk students will have continued access to free educational services. These services are designed to promote academic and personal success. By creating a vision and annual goals, conducting community outreach, advocating for support and seeking new partnerships and funding, the Program Team will be successful in sustaining the program for students and their families.

Each year the Program Team will hold quarterly meetings to establish a clear vision and goals for the

program. Meetings will provide opportunities to review progress and reflect. Duties will be assigned to each team member in order to maximize time and effort and support the four-year sustainability plan. Specifically, the full-time site coordinator will dedicate a portion of each week to the sustainability plan including contacting local businesses, churches, community organizations and outreach groups; seeking federal, state, local and private funding; building relationships with parents, students, staff and greater school community. The parent team member will advocate for resources in the community and assist with the survey data. The school administrators will continue outreach efforts with current business partners and the school community. They will assist in collaboration building, advocacy efforts and funding sources. As additional support, the Program Director will facilitate collaboration and communication between stakeholders.

The four-year sustainability plan is as follows:

Year 1: Create a vision and identify both short term and long-term goals. Develop an advocacy plan to share the vision and garner support. Begin building collaboration within the community to support the continuation of programming after funding ends. Create and administer surveys for various stakeholder groups and analyze data to monitor progress. Identify key partners for collaboration and seek funding resources.

Year 2: Revisit and revise Year 1 goals and identify progress indicators. Continue the advocacy plan. Survey data will be collected from students, families and staff related to expectations for the program along with open feedback for the coming year. Budget will be reviewed and the goal for at least two additional partnerships will be pursued so the level of services will not be impacted.

Year 3: Continued reflection on progress from Years 1 and 2 toward goals and adjustments using stakeholder feedback and new partnerships. Extra advocacy efforts will be made to increase awareness of our vision and mission. Goals for at least 2-3 additional partners will be pursued to support all levels and areas of programming. Survey data will be collected throughout the school year on the school’s needs and will help monitor progress towards sustainability.

Year 4: The focus will be on identifying, combining and seeking resources to sustain the program. Partnerships and collaboration will be strengthened to support the goals and action plans moving forward. Seek solutions for any areas of concern related to sustainability.

Lee and Lincoln Middle Schools will continue to build upon the program each year by conducting outreach efforts, securing commitments from community agencies, local businesses and partners and

advocating for their program. The program’s impact and positive outcomes will be shared on a regular basis to build support and awareness within the community through multiple outlets including social media.

CERTIFICATION

I, Cynthia Saunders, as the official who is authorized to legally bind the agency/organization, do hereby certify to the best of my knowledge and belief that all the information and attachments submitted in this application are true, complete and accurate, for the purposes, and objectives, set forth in the RFA or RFP and are consistent with the statement of general assurances and specific programmatic assurances for this project. I am aware that any false, fictitious or fraudulent information or the omission of any material fact may subject me to criminal, or administrative penalties for the false statement, false claims or otherwise. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Further, I understand that it is the responsibility of the agency head to obtain from its governing body the authorization for the submission of this application.

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

(1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.

(2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

(4) An applicant that proposes a project to increase school safety might describe the special efforts it will take to address concern of lesbian, gay, bisexual, and transgender students, and efforts to reach out to and involve the families of LGBT students

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number Public reporting burden for this collection of information is estimated to average 1 5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information The obligation to respond to this collection is required to obtain or retain benefit (Public Law 103-382 Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U S Department of Education, 400 Maryland Ave , SW, Washington, DC 20210-4537 or email ICDocketMgr@ed gov and reference the OMB Control Number 1894-0005

Department of Education's General Education Provisions Act (GEPA)

Section 427 of the General Education and Provisions Act requires each applicant for funds (other than an individual person) includes in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs.

In the text area below, please provide a brief narrative outlining how your program will meet the requirements outlined in Section 427 of the General Education Provisions Act (GEPA).

The Nita M. Lowey 21st Century Community Learning Centers project for the School District of Manatee County ensures equitable access to all beneficiaries including students, staff, parents, and community members regardless of gender, race, national origin, color, disability, or age. Each site will recruit staff through an open application process and target students who have the greatest need for supplemental services. Sites will recruit students who performed in the lower quartile on state standardized tests to be included in the program first; all other students are then provided with applications for parental notification and permission purposes. Special education teachers and other support staff will be hired as needed so specialized assistance can be provided to students with specific needs. Instructional materials and services will be modified and/or purchased according to student need and training for staff will be provided when necessary. The program will offer a variety of activities to meet the needs of a diverse group of students including academic enrichment and support, personal enrichment, and recreational activities. Written notices to parents are sent home in English and Spanish as well as other languages in an effort to counter any language barriers that would thwart communication. Additionally, the program sites are public schools, all of which have access for persons with disabilities.

Date Signed

General Assurances, Terms, and Conditions for Participation in Federal and State Programs

The Department of Education has developed a "General Assurances" document that must be signed by all agencies and organizations that receive federal or state funds. This is required by:

- Federal regulation 34 CFR §76.301 of the Education Department General Administrative Regulations (EDGAR), which requires a general application for subgrantees/subrecipients for participation in federal programs funded by the U.S. Department of Education that meets the requirements of Section 442 of the General Education Provisions Act (GEPA).
- Applicable federal statutes.
- Applicable regulations of other federal agencies.
- State laws and regulations pertaining to the expenditure of state funds.

Florida Department of Education
Bureau of the Comptroller
325 West Gaines Street
914 Turlington Building
Tallahassee, FL 32399-0400

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental agencies are required to submit the certification page of the General Assurances with an original signature of the official who is legally authorized to bind the entity along with each application submitted to the Department.

Florida Department of Education
General Assurances, Terms, and Conditions for Participation in Federal and State Programs

Authority for Data Collection: 20 USC 1232e (a)

Planned Use of Data: The requirements established in United States Code Annotated, Title 20, Education, Chapter 31, Subchapter III, Section 1232(e), stipulate that "[e]ach local education agency which participates in an applicable program under which federal funds are made available to such agency through a state agency shall submit, to such an agency, a general application containing the assurances set forth in subsection [1232e] (b)." The application shall cover the participation by the local education agency and all other organizations participating in state and federal programs administered by the Florida Department of Education. These assurances are set forth below in the "General Assurances" section.

Instructions: These general assurances will be in effect for the duration of the project it covers. The state agencies or boards administering the projects covered by the application shall not require the submission or amendment of such an application unless required by changes in federal or state law, or by other significant change in the circumstances affecting an assurance in such application. The superintendent, agency head, or other authorized officer must sign the certification and return it to the following address. No payment for project/grant awards will be made by this agency without a current signed General Assurances form on file. For further information, contact the Florida Department of Education, Bureau of the Comptroller, at (850) 245-0401.

Certification:

I, the undersigned official am legally authorized to bind the named agency/organization of the State of Florida, hereby apply for participation in federally funded and/or state-funded education programs on behalf of the named agency/organization below. I certify that the agency will adhere to and comply with the General Assurances, Terms, and Conditions and all requirements outlined in the "Project Application and Amendment Procedures for Federal and State Programs" (Green Book).

School District of Manatee County	41	Cynthia Saunders
Typed Agency Name	Agency Number	Typed Name and Title of Authorized Official (Agency Head)

I certify that the agency will adhere to each of the assurances contained in this set of *General Assurances, Terms, and Conditions for Participation in Federal and State Programs* as applicable to the project(s) for which this agency is responsible.

[redacted] (May 3 2022 08 22 EDT)	05/03/2022	941-708-8770

Return original to: Florida Department of Education
Bureau of the Comptroller
914 Turlington Building
325 West Gaines Street
Tallahassee, FL 32399-0400

School districts, state colleges, state universities, and governmental entities are required to have a signed certification page of the General Assurances on file with the Department's Bureau of the Comptroller, bearing the original signature of the current superintendent for school districts or the current agency head/president that has legal authority to bind the agency.

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental entities are required to submit the certification page of the General Assurances with an original signature of the agency head who is legally authorized to bind the entity, along with each application submitted to the Department.

General Assurances

Assurance is hereby given that, to the extent applicable:

- The recipient has the legal authority to apply for the federal/state funding, and the instructional, managerial, and financial capability (including funds sufficient to pay non-federal share of project costs, as applicable) to ensure proper planning, management, and completion of the project described in this/all applications submitted.

- The recipient will administer each program covered by the application in accordance with all applicable laws, regulations, statutes, rules, policies, procedures, and program requirements.

- The recipient will comply with all the requirements in the Department's *Project Application and Amendment Procedures for Federal and State Programs* (Green Book).

- The control of funds provided to the recipient under each program, and title to property acquired with those funds, will be in a public agency, and a public agency will administer those funds and property

- The recipient will have/establish and maintain a proper accounting system in accordance with generally accepted accounting standards.

- The recipient will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal and state funds paid to that agency under each program. Access to documents, papers, and other such records shall be made available to authorized representatives of U.S. governmental agencies, including but not limited to, the federal awarding agency, Inspectors General, the Comptroller General, the Florida Department of Education, the Florida Department of Financial Services, and the Auditor General of the State of Florida for the purpose of program and fiscal auditing and monitoring.

- The recipient will submit such reports to the Florida Department of Education and to U.S. governmental agencies as may reasonably be required to enable the Florida Department of Education and U.S. governmental agencies to perform their duties. The recipient will maintain such fiscal and programmatic records, including those required under 20 U.S.C. 1234f, and will provide access to those records, as necessary, for those Departments/agencies to perform their duties.

- To assure that expenditures reported are proper and in accordance with the terms and conditions of the Project Award and approved project budget, the official who is authorized to legally bind the agency/organization agrees to the following certification for all fiscal reports and/or vouchers requesting payment. By signing the "General Assurances, Terms, and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that the reports submitted are true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purpose and objectives set forth in the terms and conditions of the Project Award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

- To assure that all applications submitted for project/grant funding are proper and in accordance with the terms and conditions outlined in the RFA and/or the RFP, the official who is authorized to legally bind the agency/organization agrees to the following certification. By signing the "General Assurances, Terms and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that all applications submitted are true, complete, and accurate, for the purposes and objectives set forth in the RFA and/or the RFP. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal or administrative penalties for false statements, false claims or otherwise.

- The recipient will provide reasonable opportunities for systematic consultation with and participation of teachers, parents, and other interested agencies, organizations, and individuals, including education-related community groups and non-profit organizations, in the planning for and operation of each program

- Any application, evaluation, periodic program plan, or report relating to each program will be made readily available to parents and other members of the general public

- For projects involving construction:

    - The project is not inconsistent with the Florida Department of Education's overall plans for the construction of school facilities.
    - In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary of Education under Section 794 of Title 28 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities.
    - When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients in excess of $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

- The recipient has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program, significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects. Such procedures shall ensure compliance with applicable federal laws and requirements.

- The recipient will not expend funds under the applicable program to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

- The recipient will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

- The recipient will initiate and complete the work within the applicable time frame after receipt of approval from the awarding agency.

- The recipient will comply with all federal statutes relating to nondiscrimination. (These include but are not limited to Title VI of the Civil Rights Act of 1964 [P.L. 88-352], which prohibits discrimination on the basis of race, color, or national origin; Title IX of the Education Amendments of 1972, as amended [20 U.S.C. 1681-1683 and 1685-1686], which prohibits discrimination on the basis of sex; Section 504 of the Rehabilitation Act of 1973, as amended [29 U.S.C. 794], which prohibits discrimination on the basis of handicaps; and the Age Discrimination Act of 1975, as amended [42 U.S.C. 6101-6107], which prohibits discrimination on the basis of age.)

- The recipient will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

- The recipient will comply with the requirements of the Gun-Free Schools Act of 1994.

- The recipient will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and 2 CFR §200, Subpart F, "Audit Requirements" and/or Section 215.97, Florida Statutes, "Florida Single Audit Act" as applicable.

- The recipient assures that no federally appropriated funds have been paid or will be paid by or on behalf of the recipient to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- The recipient will comply with the requirements in 2 CFR Part 180, Governmentwide Debarment and Suspension (Nonprocurement).

- The recipient certifies that neither it nor its officers is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal Department or agency.

- The recipient certifies that it will maintain a drug-free workplace and will comply with the requirements of the Drug-Free Workplace Act of 1988.

- The recipient will comply with all state and federal requirements, as applicable, for internal controls to ensure compliance with federal and state statutes, regulations, and terms and conditions of the award.

- The recipient will comply with Florida's Government-in-the-Sunshine Law (Chapter 286, Florida Statutes), that provides a right of access to meeting of boards, commissions and other governing bodies of state and local governmental agencies or authorities.

- The recipient will comply with all applicable requirements of all other federal and state laws, statutes, executive orders, regulations, policies, terms and conditions governing each program funded.

- If applicable, the recipient will conduct assessments that are consistent with Section 1111(b) (3) of the No Child Left Behind Act.

- If applicable, the recipient will annually assess students who have been in the United States for three or more consecutive years, and the recipient will annually assess the English proficiency of all participating limited English proficient children, consistent with Section 1111(b)(7) of the No Child Left Behind Act

- If applicable, after timely and meaningful consultation, the recipient will provide the opportunity for children enrolled in private, non-profit schools, and the educational personnel of such schools, equitable participation in the activities and services provided by these federal funds, and will notify the officials of the private schools of said opportunity. (Educational services or other benefits provided, including materials and equipment, shall be secular, neutral, and non-ideological. Expenditures for such services or other benefits shall be equal [consistent with the number of children to be served] to expenditures for programs of children enrolled in the public schools of the local educational agency.)

- Failure to comply with the General Assurances or any aspect of the *Project Application and Amendment Procedures for Federal and State Programs* (Green Book) may result in more restrictive conditions or project termination.

Terms

Applicant - A school district or other entity seeking a project award from the Florida Department of Education.

Budget - The applicant's financial plan, in terms of accounts and amounts, showing use of funds for carrying out project objectives, services, or activities as found on the budget narrative form (DOE 101) and on other budget documents required by the Florida Department of Education.

Budget Period - The interval of time into which a project period is divided for budgetary purposes.

Capital Outlay - Equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, the value or cost of which is $1,000 or more and the normal expected life of which is one year or more (Sections 216.011 and 273.02, Florida Statutes).

Conflict of Interest – Must disclose in writing any potential conflict of interest in accordance with applicable federal and/or state laws or policies.

Disbursement - Payment made in cash, by check, or via other electronic means.

Data Universal Numbering System (DUNS) - Nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. The federal government's Office of Management & Budget has adopted the use of the DUNS numbers (unique entity identifier), for registering with the System for Award Management (SAM). A non-federal entity is required to have a DUNS number (unique entity identifier), and registered with SAM, in order to apply for, receive, and report on a federal award.

Equipment – A material item of a non-expendable nature, such as a built-in facility, a movable or fixed unit of furniture or furnishings, an instrument or apparatus, a machine (including attachments), instructional skill-training device, or a set of small articles whose parts are replaceable or repairable, the whole retaining its identity and utility over a period of time which is characteristic for items of its class, with a useful life of more than one year.

Mandatory Disclosure – Must disclose, in a timely manner, in writing all violations of criminal law involving fraud, bribery or gratuity violations potentially affecting the project award.

Monitoring – Actions, activities, and practices used by the Florida Department of Education to determine that funds are used and programs are operated in accordance with applicable federal and state statutes, rules, and regulations.

More Restrictive Conditions - Special requirements or restrictions imposed on a project recipient as a condition of project approval by the Florida Department of Education

Obligations - The amounts for orders placed, contracts awarded, services received, or for similar transactions during the stipulated project period, which will require payment during the same or a future period.

Private, Non-profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more corporations or associations whose net earnings do not benefit and cannot lawfully benefit any private shareholder or entity.

Private, For-Profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more individuals, partnerships, corporations, or associations whose net earnings do or can benefit any private shareholder or entity.

Project - The services, activities, or program that an entity agrees to provide for a specified period of time using state or federal funds awarded to a project recipient.

Project Application - An entity's request for a project award under state or federal education programs administered by the Florida Department of Education.

Project Award - The approval of a project application as stated in the Project Award Notification sent to project recipients that specifies the amount of funds awarded, the project period, and any special requirements or restrictions to be imposed by the Florida Department of Education.

Project Period - The length of time for which a project has been authorized/awarded

Project Recipient - The school district, a local education agency (LEA), colleges, universities, public agency [including faith-based organizations (FBOs) and community-based organizations (CBOs)], or non-public agency that has been awarded a project to provide services or activities described in a project application approved by the Florida Department of Education.

Roll-Forward - Unobligated balances of an award or project that are allowed to be continued in subsequent funding periods

System for Award Management (SAM) - is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for SAM. All applicants must be registered in SAM before submitting an application for federal funding and continue to maintain an active SAM registration with current information at all times during an active award. A valid "unique entity identifier" will be required when applying with SAM (see Data Universal Numbering System (DUNS) for more information regarding the "unique entity identifier"). https://www.sam.gov/portal/SAM/#1

Supplies - All personal property (excluding equipment, intangible property, and debt instruments) items of expendable nature that are consumed, worn out, or deteriorated in use or that lose their identity through fabrication or incorporation into a different or more complex unit or substance.

Explanation of Grants Management Requirements

The following section elaborates on certain requirements included in legislation or regulations referred to in the "General Assurances" section. This section also explains the broad requirements that apply to federal program funds.

Accounts and Records

The recipient shall maintain all accounts, records, and other supporting documentation pertaining to all costs incurred and revenues or other applicable credits acquired under each approved project for a minimum of five years (see Section C, Fiscal and Program Accountability, Record Retention, for additional information).

Allowable Costs

In accounting for and expending project/grant funds, a recipient and/or sub-recipient may only charge expenditures to the project award if they are: (a) in payment of obligations incurred during the approved project period; (b) in conformance with the approved project; (c) in compliance with all applicable statutes and regulatory provisions; (d) costs that are allocable to a particular cost

objective; (e) spent only for reasonable and necessary costs of the program; and (f) not used for general expenses required to carry out other responsibilities of the recipient and/or sub-recipient. All recipients must have written procedures for determining allowability in accordance with Subpart E – Cost Principles of 2 CFR Part 200 and the terms and conditions of the project award.

Amendments

Unless otherwise stated, all project recipients shall use the project amendment requirements and procedures described in the *Project Application and Amendment Procedures for Federal and State Programs* administered by the Florida Department of Education (Green Book), Section B, Project Amendments.

Audits

This part is applicable for all non-Federal entities as defined in 2 CFR §200, Subpart F.

1. In the event that the recipient expends $750,000 or more in federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR §200, Subpart F. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR §200, Subpart F. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200, Subpart F, will meet the requirements of this part.

2. In connection with the audit requirements, the recipient shall also fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508.

3. If the recipient expends less than $750,000 in federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, is not required. In the event that the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

Audits – State-Funded Programs

This part is applicable if the project recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the project recipient expends a total amount of state financial assistance equal to or in excess of $500,000 in any fiscal year, the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other non-state entities.

State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

2. In connection with the audit requirements above, the project recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General.

3. If the project recipient expends less than $500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the project recipient's resources obtained from non-state entities).

Pursuant to Section 215.97(8), Florida Statutes, state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.

Reports to be Submitted

Copies of reporting packages for audits conducted in accordance with 2 CFR §200, Subpart F, shall be submitted, as required by 2 CFR §200.512(d), by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- The Federal Audit Clearinghouse (FAC) in 2 CFR §200, Subpart F. requires the auditee to electronically submit the data collection form described in §200.512(b) and the reporting package described in §200.512(c) to FAC at: https://harvester.census.gov/facides/(S(mqamohbpfj0hmyh1r45p1po1))/account/login.aspx

Copies of financial reporting packages shall be submitted by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- Auditor General's Office
  401 Pepper Building
  111 West Madison Street
  Tallahassee, FL 32399-1450

Copies of reports or management letter(s) shall be submitted by or on behalf of the recipient directly to:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- In response to requests by a Federal agency, auditees must submit a copy of any management letters issued by the auditor, 2 CFR §200.512(e).

Any reports, management letters, or other information required to be submitted to the Department pursuant to this agreement shall be submitted timely in accordance with Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, as applicable.

Recipients, when submitting financial reporting packages to the Department for audits completed in accordance with 2 CFR §200, Subpart F, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Davis-Bacon Act, as amended (40 U.S.C. 276a et seq.)

When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor (DOL) regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the

Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the DOL in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the federal awarding agency. DOL regulations, rules, and instructions concerning implementation of the Davis-Bacon Act and other labor laws can be found at Title 29 CFR Parts 1, 3, 5, 6, and 7.

Debarment, Suspension, and Other Responsibility Matters

As required by Executive Orders (E.O.) 12549 and 12689, Debarment and Suspension, and implemented at 2 CFR Part 180, for prospective participants in primary covered transactions, as defined in 2 CFR §§§180.120, 180.125 and 180.200, no contract shall be made to parties identified on the General Services Administration's *Excluded Parties List System* as excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding their exclusion status and that of their principal employees.

The federal government imposes this requirement in order to protect the public interest, and to ensure that only responsible organizations and individuals do business with the government and receive and spend government grant funds. Failure to adhere to these requirements may have serious consequences – for example, disallowance of cost, termination of project, or debarment. To assure that this requirement is met, there are four options for obtaining satisfaction that subgrantees and contractors are not suspended, debarred, or disqualified. They are:

The applicant certifies that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from covered transactions by any federal Department or agency.

- Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes; commission of embezzlement; theft, forgery, bribery, falsification, or destruction of records; making false statements; or receiving stolen property.

- Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in this certification.

- Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

Drug-Free Workplace (Grantees Other Than Individual)

As required by the Drug-Free Workplace Act of 1988 and implemented in 34 CFR §§84.200 and 84.610, the applicant certifies that it will continue to provide a drug-free workplace by:

- Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

- Establishing, as required by 34 CFR §84.215, an ongoing drug-free awareness program to inform employees about:

    - The dangers of drug abuse in the workplace.
    - The grantee's policy of maintaining a drug-free workplace.
    - Any available drug counseling, rehabilitation, and employee assistance programs.
    - The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

- Requiring that each employee engaged in the performance of the project is given a copy of this statement.

- Notifying the employee in the statement that, as a condition of employment under the project, the employee will:

    - Abide by the terms of the statement.
    - Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

- Notifying the agency in writing within 10 calendar days after receiving notice of an employee's conviction of a violation of a criminal drug statute in the workplace, as required by 34 CFR §84.205(c)(2), from an employee or otherwise receiving actual notice of employee's conviction. Employers of convicted employees must provide notice, including position title to:

    Director, Grants and Contracts Service
    U.S. Department of Education
    400 Maryland Avenue, S.W. [Room 3124, GSA – Regional Office Building No. 3]
    Washington, D.C. 20202-4571

    (Notice shall include the identification number[s] of each affected grant).

- Taking one of the following actions, as stated in 34 CFR §84.225(b), within 30 calendar days of receiving the required notice with respect to any employee who is convicted of a violation of a criminal drug statute in the workplace.

    - Taking appropriate personnel action against such an employee, up to and including termination consistent with the requirements of the Rehabilitation Act of 1973, as amended.
    - Requiring such employee to participate satisfactorily in drug abuse assistance or

rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

Making a good-faith effort to maintain a drug-free workplace through implementation of requirements stated above.

DUNS Number - Data Universal Numbering System

The federal government requires organizations to provide a DUNS number (unique entity identifier), and register with the System for Award Management (SAM), as part of their grant applications and proposals. The DUNS number (unique entity identifier), is a nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. Some entities will also have what is known as "DUNS + 4," which is used to identify specific units within a larger entity.

Registering for a DUNS number (unique entity identifier), is free of charge with no obligation to purchase any products from the Dun and Bradstreet Company. An authorizing official of the organization should request the number. Generally, it only takes a day to obtain a DUNS number by phone (1-866-705-5711), while applications through the Dun and Bradstreet website can take up to 30 days.

All recipients and sub-recipients funded with federal funds must obtain a DUNS number (unique entity identifier), and register with SAM prior to applying/receiving a Project Award.

EDGAR - Education Department General Administrative Regulations

The federal grant administrative regulations for education (Title 34 CFR Parts 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99), was revised on December 26, 2014, with the implementation of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Grants Guidance), and delete 34 CFR Parts 74, 80, and 85 (Part 85 changed to 2 CFR Part 180) and included the deleted regulations into the Uniform Grants Guidance. Both administrative regulations (EDGAR and Uniform Grants Guidance), apply to all federal projects/awards.

General Education Provisions Act (GEPA) Requirements - Section 427 (Federal Requirement) Equity for Students, Teachers, and Other Program Beneficiaries

The purpose of Section 427 of GEPA is to ensure equal access to education and to promote educational excellence by ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in proposed projects, and to promote the ability of such students, teachers, and beneficiaries to meet high standards. Further, when designing their projects, grant applicants must address the special needs and equity concerns that might affect the ability of students, teachers, and other program beneficiaries to participate fully in the proposed project.

Program staff within the granting institution must ensure that information required by Section 427 of GEPA is included in each application that the Department funds. *(There may be a few cases, such as research grants, in which Section 427 may not be applicable because the projects do not have individual project beneficiaries. Contact the Government Printing Office staff should you believe a situation of this kind exists.)* In addition, all application packages for discretionary grants and

cooperative agreements must include the "Notice To All Applicants"(attached) that explains the requirements of Section 427.

The statute highlights **six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, and age**. Based on local circumstances, the applicant can determine whether these or other barriers may prevent participants from access and participation in the federally assisted project, and how the applicant would overcome these barriers.

These descriptions may be provided in a single narrative or, if appropriate, may be described in connection with other related topics in the application. Applicants should be asked to state in the table of contents where this requirement is met.

Department program staff members are responsible for screening each application to ensure that the requirements of this section are met before making an award. If this condition is not met, after the application has been selected for funding the program staff should contact the applicant to find out why this information is missing. Documentation must be in the project file indicating that this review was completed before the award was made. If an oversight occurred, the program staff may give the applicant another opportunity to satisfy this requirement, but must receive the missing information before making the award, 34 CFR §75.231.

All applicants for new awards must satisfy this provision to receive funding. Those seeking *continuation* awards do not need to submit information beyond the descriptions included in their original applications.

Gun Possession

As required by Title XIV, Part F, and Section 14601 (Gun-Free Schools Act of 1994) of the Improving America's Schools Act.

- The applicant certifies that in compliance with Section 1006.13(3) (a), Florida Statutes, any student who is determined to have brought a firearm, as defined in 18 U.S.C. s. 921, to school, any school function, or on any school-sponsored transportation will be expelled, with or without continuing educational services, from the student's regular school for a period of no less than one full year, and referred to the criminal justice or juvenile justice system.

- School boards may assign the student to a disciplinary program or second-chance school for the purpose of continuing educational services during the period of expulsion.

- Superintendents may consider the one-year expulsion requirement on a case-by-case basis and request that the school board modify the requirement if determined to be in the best interest of the student and the school system.

Indirect Cost and Administrative Fees

School District - The Department has been given authority by the U. S. Department of Education to negotiate indirect cost proposals and to approve indirect cost rates for school districts. School districts are required to develop an indirect cost proposal and, if they fail to do so, they will not be allowed to recover any indirect costs. Amounts from zero to the maximum negotiated rate may be

approved for a program or project by the Department of Education's Comptroller. Indirect costs shall only apply to federal projects.

State Agencies, Local Governments, Indian Tribal Governments, Universities, Colleges and all Non-Governmental Agencies - The Department will allow state universities, state colleges, private colleges and universities, and non-governmental agencies to charge an indirect cost (administrative and/or overhead) up to eight percent or the agency's restricted rate approved by the appropriate cognizant agency, **whichever is lower**. This rate may be charged on the total direct costs disbursed less the amounts of subcontracts in excess of $25,000, stipends, tuition and related fees, and items of equipment, alterations, renovations, and flow-through funds ("pass through" to another entity) on projects issued by the Department. This rate is intended to be all-inclusive of typical administrative and overhead costs, including but not limited to, rental of office space, bookkeeping and accounting services, and utilities. In the alternative, the Department will approve an indirect cost rate of eight percent plus the direct charges for typical administrative and overhead costs such as office space rental when such costs can be directly and appropriately allocated to the program. To recover indirect costs above eight percent, agencies other than school districts must furnish to the DOE's Comptroller's Office a copy of their current negotiated restricted indirect cost plan that has been approved by the appropriate cognizant agency. Amounts from eight percent to the maximum negotiated rate may be approved for a program or project by the Department's Comptroller. For agencies that may have indirect cost in excess of the eight percent limit may not charge directly, use to satisfy matching or cost sharing requirements, or charge to another federal award. Indirect costs shall only apply to federal projects.

Restrictions on Funds for Administration

Restrictions on the amount or percentage that can be charged to a project's administration (which includes indirect cost) will be reflected in the RFP or RFA and/or in the approved Project Award notification or amendment, where applicable.

Administrative Fee for Non-Federal Funds

An administrative fee may be approved by the Department for non-federal projects not to exceed five percent of the total cost of the project.

Interest Income

Based on Section 216.181(16) (b), Florida Statutes, and 2 CFR Part §200.305 (9), project/grant recipients shall remit on an annual basis all interest earned on cash advanced by the Department.

Lobbying

In accordance with Section 216.347, Florida Statutes, the disbursement of grants and aids appropriations for lobbying is prohibited. The Department may not authorize or make any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency. The provisions of this section are supplemental to the provisions of Section 11.062, Florida Statutes, and any other law prohibiting the use of state funds for lobbying purposes.

As required by Section 1352, Title 31, of the U.S. Code, and implemented in 34 CFR Part 82, for persons entering into a grant or cooperative agreement over $100,000, as defined in 34 CFR §§82.105 and 82.110, the applicant certifies that:

- No federally appropriated funds have been paid or will be paid by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, contracts under grants, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

Monitoring

In addition to reviews of audits conducted in accordance with 2 CFR §200, Subpart F, and Section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits, and/or other procedures. By entering into this agreement (Project/Grant), the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

More Restrictive Conditions

Project recipients found to be in noncompliance with program and/or fund source requirements or determined to be "high risk" shall be subject to the imposition of more restrictive conditions. (See Section G, Conditions for the Approval of Project Applications and Project Amendments, or the Termination of a Project for additional information.)

Obligations by Project Recipients

Obligations will be considered to have been incurred by project recipients on the basis of

documentary evidence of binding commitments for the acquisition of goods or property or for the performance of work, except that funds for personal services, for services performed by public utilities, for travel, and for the rental of facilities shall be considered to have been obligated at the time such services were rendered, such travel was performed, and/or when facilities are used.

Ownership of Products—Intellectual Property

The ownership of products resulting from a project, which are subject to intellectual property rights, shall remain with the Department unless such ownership is explicitly waived. The following terms and conditions apply to all grants and project recipients, unless explicitly waived:

- With respect to all products created by the grantee for this project, said materials will be the property of the Department.

- To the extent that any product constitutes a "work" within the meaning of U.S. copyright laws, 17 U.S.C.S. 101, et seq., it shall be a "work for hire." In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the contractor shall assign and convey to the Department all right, title, and interest in the product or material and require its employees and subcontractors to do the same.

- The grantee agrees that its employees will not assert any ownership of the product produced under the project. The grantee shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure the Department's rights.

- Any claim by the grantee of ownership of pre-existing copyrights should be explicitly stated in the project documentation.

- The grantee agrees that if it hires any third party to perform any work on the project, the work shall be on a "work for hire" basis and shall not in any way infringe upon the Department's ownership of the product.

- The grantee agrees not to convey any rights in the product to a third party.

- If the grantee hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the grantee and the Department the non-exclusive license to use the product.

- A licensing agreement or other agreement regarding the use of intellectual property developed under the project may be developed between the Department and grantee in order to further the use of the products in the educational community.

Participation of Private School Students and Staff in Federal Grants

Students and staff of nonpublic schools shall be given an opportunity for equitable participation in activities or services conducted by school districts using federal funds. Appropriate personnel must be aware of, and consult, program-specific guidelines discussed in the applicable program statute,

regulations, and guidance documents.

Personnel Costs – Time Distribution

Charges to federal projects for personnel costs, whether treated as direct or indirect costs, are allowable to the extent that they satisfy both the Department's requirements and the specific requirements of 2 CFR §200.430, and will be based on payrolls documented in accordance with generally accepted practices of the local educational agency (LEA) and approved by a responsible official(s) of the LEA.

When employees work solely on a single federal award or cost objective, charges for their salaries and wages must be supported by personnel activity reports (PARs), which are periodic certifications (at least semi-annually) that the employees worked solely on that program for the period covered by the certification. These certifications must be signed by the employee or a supervisory official having firsthand knowledge of the work performed by the employee.

When employees work on multiple activities or cost objectives (e.g., more than one federal project, a federal project and a non-federal project, an indirect cost activity and a direct cost activity, two or more indirect activities which are allocated using different allocation bases, or an unallowable activity and a direct or indirect cost activity), the distribution of their salaries or wages will be supported by personnel activity reports or equivalent documents that meet the following standards:

- Reflect an after-the-fact distribution of the actual activity of each employee
- Account for the total activity for which each employee is compensated
- Prepared at least monthly and must coincide with one or more pay periods
- Signed and dated by the employee

The U.S. Department of Education has approved for use in Florida a substitute system for allocating salaries to federal projects. As part of this substitute system, the Personnel Activity Reporting System (PARS) may be implemented by school districts so long as it is implemented in accordance with the Department's approved substitute system. This document is available upon request from the Department's Bureau of Contracts, Grants, and Procurement Management Services. When school districts choose to use the substitute system, no variations are allowed without specific written authorization from the Department. School districts choosing not to use the approved substitute system must implement a system that meets all of the requirements of both the Department and 2 CFR §200.430. School districts choosing to use the Department's substitute system must furnish to DOE's Comptroller's Office the district's policies and procedures, which specify the reporting months, as well as the actual time reporting instrument for approval. For each district given authorization to adopt a substitute system, a written approval/agreement will be in effect for the duration of the district's participation in the substitute system or until such time as the requirements change for the Department.

Note: This does not authorize school districts to consolidate administrative funds except as otherwise stated in the project award notification or to use "teams" as a basis for allocating personnel

cost. These methods apply only to the Department.

Project Effective Dates

For federal programs, funds shall be obligated no earlier than the date the project application was received by the Department and determined to be in substantially approvable form or the effective date of the federal grant award, whichever is later.

For state programs, funds shall be obligated no earlier than the effective date of the legislative appropriation, usually July 1.

All Project Award Notifications reflect the beginning and ending dates of the project period and the date for submission of the final expenditure report. All conditions stated in the award notification are considered binding on the project recipient.

Property

Property purchased, in whole or in part, with federal funds shall be used for the purpose of that federal program and accounted for in accordance with applicable federal and state statutes, rules, and regulations, as follows.

Disposition of Equipment - Based on Section 273.055, Florida Statutes, and Rules 69I-72.002, and 69I-73.005, Florida Administrative Code, when original or replacement equipment acquired under a grant or sub-grant is no longer needed for the original project or program or for other activities currently or previously supported by a federal agency, disposition of the equipment will be made as follows:

- Items of equipment with an acquisition cost of less than $1,000 may be retained, sold, or otherwise disposed of with no further obligation to the awarding agency. Income received from these sales will not be reported to the Department.

- Items of equipment with an acquisition cost in excess of $1,000 and a useful life of one year or more may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

- In cases where a grantee or sub-grantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or sub-grantee to take excess and disposition actions.

The Department's policy concerning proceeds received from the sale of property with a current per unit fair market value of $1,000 through $5,000 is the net amount received from such sales will remain at the sub-grantee level to be used in the same ongoing program. Funds from such sales will be treated as other program income in the same ongoing program(s). This type of income must be amended into a current year's project in which the sale occurred. It should then be reported on line 11 of the Project Disbursement Report (form DOE 399, DOE 499, or DOE 599) as a total for the fiscal year in which the sale(s) occurred. This identification of income is necessary to meet reporting requirements of the United States Department of Education. Complete documentation for this type of income and expenditures must be maintained for monitoring and auditing purposes. Income from the sale of this type of property should be recorded in the agency's special revenue account as other

income and identified as such for the federal cash advance reconciliation at the end of each fiscal year. If the agency is no longer receiving funds for the particular project or program, the income from such equipment sales will be returned to the Department to be forwarded to the United States Department of Education.[1] Equipment that was initially purchased with federal funds with a current per-unit fair market value in excess of $5,000, must be processed in accordance with 2 CFR §200.313(e)(2), with the assistance and written approval of the Department.

Disposition of Real Property - Disposition of real property will be handled on an individual basis. The local educational agency will also coordinate real property dispositions with the program coordinator responsible for the particular project or program from which the real property was purchased. Property purchased entirely with state funds shall meet the minimum requirements of the Auditor General as defined in the County and District Tangible Personal Property publication in addition to local procedures. (See Section F, Program Income, Interest Income, and the Disposition of Equipment, for additional information.)[2]

Inventory of Property – All project recipients must ensure that a complete physical inventory of all property is taken at least once each fiscal year. Chapter 69I-72.006, Florida Administrative Code.

Protected Prayer in Public Elementary and Secondary Schools

As required in Section 9524 of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the No Child Left Behind Act of 2001, school districts and other local education agencies must certify annually that they have no policy that prevents or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools.

Purchasing

All recipients and subrecipients must have documented procurement policies and procedures that meet the minimum requirements of federal and state statutes, rules, and regulations. Under the Uniform Administrative Requirements, the procurement standards are located at 2 CFR §§200.317 – 200.326.

Reporting Requirements—Financial Disbursements

Federal project recipients on cash advance are required to report disbursements using the Cash Advance and Reporting of Disbursements System (CARDS)[3] and by submitting a Project Budget Summary and Disbursement Report (DOE 399, DOE 499, or DOE 599) annually for each active project. These reports must be received in the DOE's Comptroller's Office by the 20th of the month succeeding the final month in which the disbursements were made. Failure to submit these reports in a timely manner may result in a decrease or delay in the monthly cash advance or loss of funds. Other federal project recipients are required to report in accordance with instructions stated in the Project Award Notification. State project recipients shall submit reports as required by the Department. Audit reports shall be sent in accordance with Section 215.97, Florida Statutes, to:

[1] Upon termination of a project, and at the discretion of the Department, all equipment/property purchased with project funds will be transferred to the location(s) specified by the Department and all necessary actions to transfer the ownership records of the equipment/property to the Department or its designee, will be taken.
[2] Ibid
[3] CARDS Cash Advance and Reporting of Disbursements System), is scheduled to be replaced with FLAGS (FLA Grants System). When replaced, all references to CARDS will be FLAGS.

Retention and Access to Records

Requirements related to retention and access to project/grant records, are determined by federal and state laws, rules, and regulations. Federal regulation 2 CFR §200.333, addresses the retention requirements for records that applies to all financial and programmatic records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal or Project award. If any litigation, claim, or audit is started before the expiration date of the retention period, the records must be maintained until all ligation, claims, or audit findings involving the records have been resolved and final action taken.

In Florida, the General Records Schedule GS1-SL for State and Local Government Agencies (available at http://dos.myflorida.com/library-archives/records-management/general-records-schedules/) includes the following requirements related to grant files for recipients:

> This record series documents activities relating to grant-funded projects conducted by the grant recipient, including the application process and the receipt and expenditure of grant funds. These files may include, but are not limited to, grant applications; contracts; agreements; grant status, narrative, and financial reports; and supporting documentation. Project completion has not occurred until all reporting requirements are satisfied and final payments have been received.

The length of retention for these records in Florida is five years after the completion of the project provided applicable audits have been released.

Access to records of the grantee and subgrantees and the expiration of the right of access is found at 2 CFR §200.336 (a) (c), which states:

> (a) Records of non-Federal entities. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the pass-through entity, or any of their authorized representatives, including but not limited to the, Florida Department of Education, Florida Department of Financial Services, and the Auditor General of the State of Florida, must have the right of access to any documents, papers, or other records of non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.
>
> (c) Expiration of right of access. The rights of access in this section are not limited to the required retention period but last as long as the records are retained.

Single Audit Act

- If a recipient expends **state** financial assistance equal to or in excess of $500,000 in a fiscal year,

that recipient is subject to the requirements of the Florida Single Audit Act (see Resources).

- If the recipient expends **federal** financial assistance equal to or in excess of $750,000 in a fiscal year, the recipient is subject to the requirements of the Federal Single Audit Act.

Projects/Grants awarded by the Florida Department of Education to subrecipients will be subject to audits and/or monitoring by the Department.

Supplement, Not Supplant

In accordance with program-specific authorizing laws and regulations implementing those laws, federal funds must generally be used to increase, to the extent practical, the level of nonfederal funds that would be available in the absence of federal funds, and in no case to replace these nonfederal funds.

The Stevens Amendment

All federally funded projects must comply with the Stevens Amendment of the Department of Defense Appropriation Act, found in Section 8136, which provides:

> When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds, including but not limited to state and local governments, shall clearly state (1) the percentage of the total cost of the program or project which will be financed with federal money, (2) the dollar amount of federal funds for the project or program, and (3) the percentage and dollar amount of the total costs of the project or program that will be funded by non-governmental sources.

Travel

All travel performed in connection with approved project activities must be in compliance with the current Section 112.061, Florida Statutes, which covers per diem allowance and travel expenses. The Florida Department of Education's Travel Manual is available at: http://www.fldoe.org/core/fileparse.php/5625/urlt/0076987-travelmanual.pdf .

Section 112.061(14), Florida Statutes, Applicability to Counties, County Officers, District School Boards, Special Districts, and Metropolitan Planning Organizations, establishes statutory authority allowing specified entities to establish travel reimbursement rates other than those established by Section 112.061(6)(a), (6)(b), and (7)(d), Florida Statutes. Each entity must comply in accordance with the statute, and include with the project application a copy of the applicable document, e.g., ordinance, resolution, policy, or rule, and have a detailed description on the project budget form.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

The Uniform Grants Guidance or UGG (2 CFR Part 200), went into effect on December 26, 2014, which consolidated previous requirements from OMB Circulars A-21, A-87, A-89, A-102, and A-110, A-122, A-133 into a uniform set of rules.. The focus for the change, from the Office of

Management and Budget (OMB) is streamlining the Federal government's guidance on Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards. These regulations are required for all federally funded projects/programs.

2022-23 21st CCLC Subrecipient Assurances

The subrecipient agrees to the program requirements and expectations for the implementation of the 21st CCLC program as outlined in the Request for Proposals (RFP) and the assurances below. Each assurance must be initialed by the Agency Head. The final page must be signed by the agency head.

Program Operations

The 21st CCLC program will be fully operational and providing services to students within **30 calendar days** of receiving the DOE 200 award notification or within **14 calendar days** from the first day of incurring 21st CCLC expenditures, whichever is earlier. (____)

Academic Focus

All academic services will be aligned with the curriculum in the core subject areas of each of the schools attended by the participating students. (____)

Evidence-based Research

Program activities will be implemented based on evidence-based practices using the levels of evidence in the Every Student Succeeds Act. Activities must be based in evidence that shows that the students will meet challenging State academic standards. (____)

Supplement, Not Supplant

Funds under this part will be used to increase the level of state, local and/or other nonfederal funds that would, in the absence of funds under this part, be made available for programs and activities authorized under this part, and in no case supplant federal, state, local or non-federal funds. Subrecipients must also coordinate Federal, State, and local programs to make the most effective use of resources. (____)

Facilities

Program facilities will be as available and accessible to participants as the students' local school. The facilities have sufficient resources to provide all proposed and required activities. The program will maintain equipment, security, resources and a clear strategy for the safe transportation of students to and from the center and home. The program will take place in a safe and easily accessible facility as outlined in the RFP, Florida Statutes and Florida Administrative Code. (____)

Supplemental Meals

Students will be provided nutritious snacks and/or meals that meet the requirements of the United States Department of Agriculture (USDA) guidelines for afterschool snacks and summer meal supplements. A supplemental snack will be offered to each student, each day. A meal will be offered to each student when the program exceeds four hours of operation each day. Snacks/meals **cannot** be purchased with 21st CCLC funds and must come from other resources. Students will **not** be charged for costs associated with supplemental snacks/meals. (____)

Students with Special Needs

Students with special needs will be afforded the same opportunities as children in the general population. Students with special needs include those who may be identified as English language learners (ELLs); homeless; migrant; or with physical, developmental, psychological, sensory or learning disabilities that result in significant difficulties in communication, self-care, attention or behavior, and are in need of more structured, intense supervision. Children with special needs shall not be excluded from the 21st CCLC program, regardless of the level or severity of need, provided that they can be safely accommodated. ( )

For Federal Programs - General Education Provisions Act (GEPA)

A concise description of the process to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs was submitted with the proposal. For details refer to Section 427 of GEPA, Public Law 103-382, at www2.ed.gov/fund/grant/apply/appforms/gepa427.doc ( )

Collaboration with Schools

The program was developed and will be implemented in active collaboration with the schools attended by participating students and the community ( )

Community Awareness

The subrecipient gave notice to the community of its intent to submit an application to operate a 21st CCLC program. The agency will provide for public availability and review of the application and any waiver request after submission. ( )

Property

Property acquired with 21st CCLC funds will remain within the appropriate facility for continued use in the 21st CCLC program until the funding period has expired. If the 21st CCLC program no longer exists at the end of the program period, all equipment will be distributed to another federal program. ( )

Records Retention

The subrecipient will retain all records relating to the 21st CCLC program for which federal funds are received for a period of five (5) years after the completion of the last activity of the program or until such time as all pending reviews or audits have been completed and resolved. ( )

Monitoring and Evaluation Activities

The subrecipient will fully cooperate with all monitoring, auditing, evaluation and reporting requirements established by the Florida Department of Education (FDOE) and/or authorized representatives. The program will submit all required data and reports, as required and/or requested, to the State of Florida (Florida Department of Financial Services and the Florida Department of Education) and the United States Education Department (USED). ( )

Student Safety

The subrecipient will ensure that all procedures and regulations for health, fire, safety, pick-ups, parental/guardian consents, transportation, field trips, food, medical and other

emergency procedures will be clearly listed and widely disseminated, and that they will conform to applicable local and state standards. (CS)

Suspension of the Grant

The department may suspend or terminate the grant with 30 days notice, in whole or in part, if federal funds supporting the grant are reduced or withdrawn, or for nonperformance by the subrecipient at any time during the term of the grant. The FDOE and the subrecipient may suspend or terminate the agreement, in whole or in part, upon mutual agreement. (CS)

Financial Consequences

If the subrecipient fails to meet and comply with the activities established in the approved application or make appropriate progress on the activities, and they are not resolved within two weeks of notification, the department will (1) approve a reduced payment, (2) request the applicant redo the work, if possible and/or (3) terminate the project. Activities subject to financial consequences include failure to meet student attendance targets, operate the program as indicated in the program schedule, report programmatic data, submit deliverables or meet the performance goals of the program. (CS)

By accepting grants funds, the undersigned hereby assures and agrees that, in accordance with statutes and regulations, the agency will comply with program assurances listed above; the approved application; the applicable rules, regulations and laws; and the rules, requirements, and expectations contained in the RFP.

Assurance of Providing Equitable Services for Private Schools (Private School Participation)

21st CCLC programs are required to provide equitable services to eligible private school students, teachers and other education personnel. Applicants must assure that the agency has and will continue to ensure timely and meaningful consultation for equitable services to private school children and teachers within the local education service areas. 21st CCLC programs must, at a minimum, consult with officials from those private schools located in the specific geographic area(s) served by program site(s).

In accordance with 34 C.F.R. Part 76.656, provide the following information in reference to consultation and participation of eligible private schools in Title IV, Part B, 21st CCLC:

(a) A description of how the applicant will meet the federal requirements for participation of students enrolled in private schools.

While there are no private schools within the attendance zones of the targeted schools, the district continued consultation and collaboration efforts with private schools in November 2021 during the annual private schools fair. Email communications were sent to private schools who had not opted out of services, specifically 21st CCLC services, in January 2022. Further communication via certified letters, emails and phone calls will be made during the summer of 2022 to ensure private schools and their students can be served if they choose.

(b) The number of students enrolled in private schools who have been identified as eligible to benefits under the program.

At this time no students have been identified as eligible to receive services. Ongoing consultation will occur to identify eligible students and provide services as required.

(c) The places and times that the students will receive benefits under the program.

If students are identified as eligible to receive services through the 21st CCLC grant, these students would receive services at the targeted school site Monday through Friday before school from 7:45am to 8:45am, after school between the hours of 4:15pm and 5:45pm on days when school is in session. A summer program will also be offered.

(d) The differences, if any, between the program benefits the applicant will provide to public and private school students, and the reasons for the differences.

There will be no differences in the services and benefits provided to public and private school students. All students regardless of the school in which they attend will receive the same level of service including programming days and hours and activities.

☑ Check this box if there are NO private schools located within the geographic area(s) of the site(s) where the 21st CCLC program is located.

March 11, 2022

Manatee County School District
2501 63rd Avenue East
Bradenton, FL 34203

Dear Holli Vigna, Program Administrator Extended Day Enrichment Program (EDEP),

The University of Florida/IFAS Extension Family Nutrition Program commits to participating in and supporting the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. As such, the below prospective "commitments" will adjust based on future examination and funding availability for our programs.

The Family Nutrition Program (FNP) is the Florida component of the USDA's Supplemental Nutrition Assistance Program (SNAP-Ed). The goal of SNAP-Ed is to improve the likelihood that low-income individuals, including those eligible for SNAP, will make healthy food choices within a limited budget, become more physically active, and reduce time spent in sedentary behaviors as part of a healthy lifestyle.

The Family Nutrition Program is delivered through UF/IFAS Cooperative Extension Service. UF/IFAS is a federal-state-county partnership dedicated to developing knowledge in agriculture, human and natural resources, and the life sciences, and enhancing and sustaining the quality of human life by making that information accessible. We are currently in a multi-year contract to provide SNAP-Education throughout Florida, and in the process of applying for another multi-year contract that would begin October 2022. We have been continually funded for this project since 1996. As such, the below perspective "commitments" will adjust based on future examination and funding availability for our programs.

FNP will contribute to providing nutrition education at Manatee Elementary, Palmetto Elementary, Palm View K-8, Lincoln Middle School and Lee Middle School through September 2022.

Sincerely,

Karla P. Shelnutt

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

On behalf of the Manatee Technical College (MTC), I am writing to support the School District of Manatee County as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. I understand that if this grant application is awarded, several schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support during the proposed grant cycle.

MTC has been serving the local community for more than 50 years. Today, with almost 50 programs, MTC offers training for careers in 15 of the 20 fastest growing industries. The Bradenton Area Economic Development Corporation, Manatee Chamber of Commerce, CareerSource Suncoast, and many local companies count on MTC to help meet local workforce demands and attract new business and industry to Manatee County.

To demonstrate our commitment to the 21st Century Community Learning Centers, we at MTC will provide support for learning activities including Career Readiness for middle school students and STEM initiatives for students in grades K-8. In addition, we plan to recruit teachers and staff from MTC to work with each community learning center, serving as volunteers, quest speakers, and facilitators.

We look forward to a continuing partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

Valerie Viands, Ed.D.

RE: Letter of Support for 21st CCLC Grant Application

To Whom It May Concern:

As the Executive Director of Education & Life Long Learning for the Van Wezel Foundation, we are pleased to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through continuation of our After School Arts Integration programs. These lessons are taught by professional teaching artists, and assist with learning in arts and academic subject areas. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

Kelli Maldonado

RE: Letter of Support for 21st CCLC Grant Application

Dear Ms. Dezso,

We would like to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours. The Bishop is proud to continue to support you in providing these services as we have in the past.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through our 8-week-long series of weekly science programming designed for students grades 3 to 5. By partnering to provide this program, we aim to inspire students to engage in science, support science skills and understanding, and ultimately help to prepare them for the 5th grade Statewide Science Assessments. In addition, we will work with the district to help provide additional resources or services as needed. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

I would like to extend my support for the Manatee County School District's Nita M. Lowey 21st Century Community Learning Centers Grant. I understand the applications will be for community learning centers at both elementary and middle school. This is an exciting opportunity for our schools and community; I am excited to work together to provide support during the grant cycle and beyond.

As the Executive Director of the Adult Career and Technical Education Department (ACT), I am committed to providing staffing and resources to support learning activities at the participating schools not only through my department but through Manatee Technical College. I will encourage faculty and staff to volunteer and share their expertise with the students through equipment demonstrations, activity lessons, and group presentations.

I look forward to creating a lasting partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

Paul M. Gansemer, Ed.D.

RE: Letter of Support 21st CCLC Grant

Greetings:

We would like to extend our support to you and Manatee County Schools as you apply for the 21st Century Community Learning Centers Grant. We understand that if this grant application is approved targeted elementary schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community as well as your schools and are happy to work with you in making this happen.

The Campaign for Grade Level Reading is a community wide effort to help all children, especially those from low income families, succeed in school by ensuring they read on grade level and by the end of third grade.

The Campaign for Grade Level Reading addresses the most common issues and obstacles impacting a child's ability to read; school readiness, school attendance, summer learning, healthy families and parent engagement. Our initiative is designed to explore new ways to deliver the support and resources children need to achieve reading proficiency early in life and build a strong foundation for future success.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Centers, the Soar in 4 program will provide support for each 21st CCLC site through family engagement and literacy and healthy families events. In addition, we will work with the district and grant personnel to help provide additional resources or services as needed. The value of these services would be approximately $2,500.

We wish you luck in your application and hope we will have the opportunity to serve the students and families at the selected sites.

Sincerely,

Dr. Sheila Halpin

Dr. Sheila Halpin
Coordinator for the Campaign for Grade Level Reading and Soar in 4

Extended Day Enrichment Program

March 30, 2022

RE: Letter of Support Nita M. Lowey 21st CCLC Request for Proposal

To Whom It May Concern:

The Extended Day Enrichment Program would like to extend our support for the 21st Century Community Learning Centers Request for Proposal for Lee and Lincoln Middle Schools. We understand that if this grant application is approved, schools will become community learning centers providing services for students and their families. We know this is an exciting opportunity for our community as well as the schools included in the grant. We are pleased to partner with the district and the schools and provide support.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, we will provide support for each 21st CCLC site by purchasing and donating books for students in the program. This will support reading at home and provide materials for students to use in the home. In addition, we will help provide additional resources for students and their families including pencils for student use at both home and school and support for special activities and family member services. The EDEP bookkeeper will also serve as the 21st CCLC bookkeeper, however, no funds from the grant will be used to cover costs for this position. This cost sharing allows more money for direct services to students and their family members and increases our commitment as a partner. The value of donated items is approximately $500 per site and the value of the EDEP bookkeeper's time is estimated at $1500 per site.

We wish you luck in your application for the 21st Century Community Learning Centers Grant and hope we will have the opportunity to assist the district in serving the students and families of our community.

Sincerely,

Elizabeth Thompson

Re: Letter of Support for 21st CCLC Grant and Partner Contributions

To Whom It May Concern:

Please accept this letter from the School District of Manatee County in support of the Nita M. Lowey 21st Century Community Learning Centers request for proposal for Lee and Lincoln Middle schools. By providing high quality educational experiences beyond the school day and facilitating special family events for at-risk students, we will close achievement gaps and students will gain valuable life skills. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T standards and provide activities to complement core academic programs. 21st CCLC enrichment opportunities give students time for creative and innovative thinking and provide parents much-needed resources for academic success.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, the district's Extended Day Enrichment Program (EDEP) will provide a portion of time from the district-paid junior accountant to perform bookkeeping services related specifically to the grant. This contribution will allow more grant funds to be spent on direct services to students, which will enhance the educational impact for participating students. The in-kind donation is estimated at $1,500.00 per site. We anticipate continuing this service and in-kind donation for each year of funding. In addition, EDEP will provide funds in the amount of $1,000.00 per site to purchase books for students and materials and supplies for family engagement. The total contribution for this partnership will be $5,000.00.

The School District of Manatee County will support this grant application and the school programs for a successful implementation of 21st CCLC. Students and families will greatly benefit from the additional services and resources.

Sincerely,

Cynthia Saunders (May 3 2022 08.20 EDT)

RE: Letter of Support for 21st CCLC Grant Application

Dear Principal King:

We would like to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond.

By providing before and after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during before and after school hours.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through before school programming on your site, as well as after school and summer programming at our Palmetto campus, focused on academic success, character and leadership development, and healthy lifestyles. In addition, we will work with the district to help provide additional resources or services as needed. With a 75 year history in our community, the Boys & Girls Clubs of Manatee County is well-positioned to leverage resources to assist your school in closing the achievement gap. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

To Whom It May Concern:

I am pleased to write this letter in support of the School District of Manatee County's Nita M. Lowey 21st CCLC grant application for Electa Lee Magnet Middle The 21st CCLC will be greatly beneficial to our community, students and families as this program is designed to enhance academic achievement and promote personal success. As Principal, I have participated in the design of the proposal, along with members of the program team. I am eager to help and support the project, staff, students and their families.

To this effort, our school will be focused on serving the needs of our students, families and community through meaningfully designed activities based on our needs assessment. The 21st CCLC program will be linked to the regular school day. Remediation, acceleration, and enrichment activities will be included to engage all students Activities will support grade level standards, while providing an exciting and fun way to engage students in the learning process.

As Principal, I will meet regularly with the site coordinator to ensure program goals and objectives are being met. We will work together to identify students for enrollment, review data, and encourage communication between the regular day teachers and afterschool staff. The program team will meet quarterly to support the 21st CCLC program by monitoring progress, coordinating partners, and reviewing and revising the program as needed. I will promote the 21st CCLC program at SAC and faculty meetings to increase support and engagement from parents and faculty. I support the use of our school building, our campus, and our staff for the 21st CCLC program. This partnership is essential as we work to help students and their families.

To Whom It May Concern:

I am pleased to write this letter in support of the School District of Manatee County's Nita M. Lowey 21st CCLC grant application for (Lincoln Memorial Middle School). The 21st CCLC will be greatly beneficial to our community, students and families as this program is designed to enhance academic achievement and promote personal success. As Principal, I have participated in the design of the proposal, along with members of the program team. I am ready and eager to help and support the project, staff, students and their families with whatever is necessary to make this program successful.

With this in mind, Lincoln Memorial Middle School will be focused on serving the needs of our students, families and community through meaningfully designed activities based on our needs assessment and with enrichment programming that embodies our school culture. The 21st CCLC program will be linked to the regular school day. Remediation, acceleration, and enrichment activities will be included to engage all students. Activities will support grade level standards, while providing an exciting and fun way to engage students in the learning process.

As Principal, I will meet regularly with the site coordinator to ensure program goals and objectives are being met. We will work together to identify students for enrollment, review data, and encourage communication between the regular day teachers and afterschool staff. The program team will meet quarterly to support the 21st CCLC program by monitoring student academic progress, coordinating partners, and reviewing and revising the program as needed. I will promote the 21st CCLC program at SAC and faculty meetings to increase support and engagement from parents and faculty and our community partners. I support the use of our school building, our campus, and our staff for the 21st CCLC program. This partnership is essential as we work to help students and their families.

Sincerely,

L. Key

RE: Program Team Letter of Support

Dear Mr. King,

I am pleased to support Lincoln Memorial Middle School in their application for the Nita M. Lowey 21st Century Community Learning Centers grant and commit to serve on the Program Team that will begin planning and designing the program for students and their families. If awarded, I understand this will be a multi-year commitment in which my support will be required.

I believe this opportunity will support students and their families in numerous ways. I am excited and look forward to my role in making this program a success for all involved. As an Assistant Principal, I bring years of experience and knowledge regarding after school programming and tutoring to the Team. I pledge to attend planning meetings and continued support throughout the grant period.

Thank you for including me in this important process. I look forward to learning more and helping the students, families, and community.

Sincerely,

Irene Nikitopoulos

COMMUNITY ELIGIBILITY PROGRAM

- This year 24 school sites are participating in a new program called Community Eligibility Program or CEP.

  The Community Eligibility Program (CEP) provides an alternative approach for offering school meals to local schools and schools based on former free & reduced student numbers, instead of collecting individual applications for free and reduced-price meals. What this means is that all students at the schools listed below will receive free breakfast and lunch.

  Participating Schools:

  - Abel Elementary
  - Ballard Elementary
  - Bayshore Elementary
  - Bayshore High
  - Blackburn Elementary
  - Daughtrey Elementary
  - Horizons Academy
  - Just for Girls Academy
  - Lee Middle
  - Lincoln Memorial Academy
  - Manatee Elementary
  - Moody Elementary
  - Oasis Middle
  - Oneco Elementary
  - Palm View K-8
  - Palmetto Elementary
  - Prine Elementary
  - Rogers Garden Elementary
  - Samoset Elementary
  - Sea Breeze Elementary
  - Southeast High
  - Sugg Middle
  - Tillman Elementary
  - Visible Men Academy (VMA)

AGENDA ITEM NO. 8.8

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept and Expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, Effective August 2022 - July 2023, in the Amount of $300,000.00

Executive Summary
The 21st Century Community Learning Centers Grant will provide after school services at Manatee Elementary and Palmetto Elementary schools. Students will participate in programming that includes homework help, reading, math, STEM, and personal enrichment. As required, each site will also host parent education workshops. This will be 4-year grant award with annual funding from the Florida Department of Education.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation
The Superintendent recommends approval to apply, accept, and expend the Nita M. Lowey 21st Century Community Learning Centers Request for Proposal, effective August 2022 - July 2023, in the amount of $300,000.00.

Financial Impact
The School District will act as the fiscal agent for the project.

Scope of Work/Narrative Form

Completed - May 20 2022

Scope of Work/Narrative Form

Project Design/Scope of Work

The proposal must be completed in the online system used by the department. Each section below will appear in the online system. Applicants may work independently on the application or invite others within their agency to collaborate on a single application using the online system. The department encourages applicants to work collaboratively within their agency on each application to build ownership of the program components across the agency and within the local community.

3.1 Project Abstract/Summary

Instructions

Complete a short statement (no more than 100 words) that briefly identifies the number of students served; the names and locations of the schools targeted; the grades of the students to be served; and the components of program service; and an overview of the services to be offered to the adult family members of the students served. Use the template below. Post a statement for each site using the template.

Template Text

(Agency Name) operates the (Name of the Program) at (Address, City & Zip) of Community Learning Center. (Number of) students are provided programming during the (school year and/or summer) from (start time) to (end time), (days of the week of program operations) beginning (program start date) to (program end date). Program activities include (name of ESSA approved program activities included in application).

Refer to the RFP for more information.

The School District of Manatee County (SDMC) operates the Elementary School Grant at Manatee Elementary, 1609 6th Avenue East, Bradenton, FL 34208 a Community Learning Center. Eighty Kindergarten-5th grade students are provided programming during the school year from 3:15PM-5:45PM, Monday-Friday beginning August 10, 2022 - May 19,2023. Program activities include academic enrichment - reading and English Language Arts (ELA); mathematics; science, technology, engineering and math (STEM); healthy and active lifestyles; well-rounded education activities (visual and performing arts education); and literacy activities (i.e. adult family member literacy events to support students and their families).

The School District of Manatee County (SDMC) operates the Elementary School Grant at Palmetto Elementary, located at 1540 10th Street West, Palmetto, FL 34221 a Community Learning Center. Eighty Kindergarten-5th grade students are provided programming during the school year from 3:15PM-5:45PM, Monday-Friday beginning August 10, 2022 - May 19, 2023. Program activities include academic enrichment - reading and English Language Arts (ELA); mathematics; science, technology, engineering and math (STEM); healthy and active lifestyles; well-rounded education activities (visual and performing arts education); and literacy activities (i.e. adult family member literacy events to support students and their families).

We believe that having a successful program means tying family and community involvement in schools

to positive student's outcomes. Manatee and Palmetto Elementary Schools plan to increase parent involvement through family events and workshops. Five (5) events will be designed to help family members improve their involvement in their child's education. Workshop dates and information will be disseminated via 21st CCLC students, flyers, automated calls (in English/Spanish), the program website and the school marquee. To recruit and retain more parents, workshops will be offered in the evenings with materials available in both English and Spanish. Participation will be monitored through sign-in sheets. Events will last approximately one hour and will provide parents with information designed to help them assist their child with educational activities at home including reading strategies, math skills and simple STEM activities. In addition, community partners will help to provide valuable and educational workshops/events for the adult family members offered in the late afternoon/early evening. As more 21st CCLC families become involved, the expectation is there will be an improvement in student academic performance.

3.2a Site-Level Funding Eligibility Upload

Instructions

Go to the Know Your Schools portal at **https://edudata.fldoe.org.** Use the search bar to find the school(s) you wish to serve. Determine if the school is eligible by reviewing the School Accountability Summary or LEA-identified support list. If the school has been identified for support, review the Population and Enrollment tab to determine the Student Count. Based on the student count and the other areas that have been identified during the needs assessment, determine how many students are expected to be served at the community learning center site each day. Select the range of students expected to be served for the school year and/or summer for the grant. Note that the maximum funding amount under each proposal should not exceed $500,000.

Refer to the RFP for more information.

Click here to download the Funding Request Guide.

Click "Upload a file" to upload the Funding Request Guide.

MCSD Elementary Grant FRG.xlsx

Filename: MCSD Elementary Grant FRG.xlsx **Size:** 14.1 kB

3.2b Site-Level Funding Eligibility Upload

	Number of Sites Served	Site(s) Name
	Two (2)	Manatee Elementary School Palmetto Elementary School

3.3a Applicant Capacity

Instructions

Use the dropdown menus to indicate the number of years of experience the applicant has providing expanded learning opportunities for students using federal funding and operating a 21st CCLC program. If the applicant has operated a 21st CCLC program, use the textbox to indicate the dates of operation. If the applicant has provided other types of expanded learning opportunities, use the text box in question 3.3b to describe the opportunity.

Refer to the RFP for more information.

	Number of Years	Dates of Operation
21st CCLC	10+	2001 - Present
Federal Funding	10+	1965 - Present
Other Types	10+	1980 - Present

3.3b Applicant Capacity

Instructions

If the applicant has held other federal funding, use the text box to indicate the name of the programming and the program dates.

Refer to the RFP for more information.

EXPERIENCE WITH EXTENDED LEARNING PROGRAMS: The School District of Manatee County (SDMC) has substantial experience in efficiently operating effective and impactful extended learning programs for over 20 years. The District offers out-of-school programming and extended learning programs throughout public schools and public charter schools in Manatee County. With over 50,000 students attending SDMC public schools, a significant effort has been made to focus on the support and improvement of out-of-

school programs in Manatee County.

The District's Extended Day Enrichment Program (EDEP) operates before and after school programming in 27 elementary schools during the school year. EDEP offers daily academic enrichment along with fun and engaging activities for students. In addition, the District operated a successful Supplemental Educational Services (SES) program from 2005 through 2013. SDMC was only one of five districts in Florida running the program as a district-based SES provider program. More than 600 students were tutored each year and on average, 89% achieved learning gains over the program's tenure.

EXPERIENCE USING FEDERAL FUNDING: As noted above, the School District of Manatee County (SDMC) has tremendous experience in obtaining, overseeing, and managing federal funds, with substantial federal funding used specifically to support Extended Learning Program. In addition to centralized support of out-of-school programs, the District has also received federal, state and local funds to help provide out-of-school programs with limited burden on the families and students. More specifically, the SDMC Department of Federal Programs oversees millions in annual funding specific to offering expanded learning opportunities to students in Title 1 schools (e.g., after school tutoring, summer programming and Saturday school). Over the past 8 years, Title III funds have been used each year to tutor English Language Learners (ELL) during the extended learning time. Further, federal funds are used to host summer program camps for middle school students and elementary school students at Title 1 schools. The SDMC Exceptional Student Education Department also offers expanding learning opportunities for students with special needs through tutoring and extending the school year during summer months. The Adult, Career and Technical Education Department has raised over 75 million in funds over the past 18 years and oversees many local, state and federal programs. Grants include School Transformation, Perkins and Small Learning Communities. The SDMC School Improvement Department has utilized grant funds in Title 1 schools to extend the regular school day, provide after school tutoring and professional development for teachers and staff. In total, during the 2021-2022 school year, SDMC has overseen $134.4 million in federal funding to support students during the regular day and through extended learning opportunities. Additionally, SDMC has received funding to support extended learning opportunities from a variety of local foundations, associations and corporations - including the Manatee Education Foundation, Dollar General, Verizon, AAA, the Laura Bush Library Grant, and VW Foundation. These grants and donations help provided smaller awards to individual schools and teachers.

EXPERIENCE WITH 21ST CCLC PROGRAMMING: SDMC has operated 21st CCLC programs for over 20 years and received more than $12 million across 9 grants to serve K-12 students in 19 schools. Manatee and Palmetto Elementary schools have been successful implementing the program for students over the past five years. Based on standardized testing data from 2018-2019 summative reports, regularly

participating students attending the 21st CCLC program had a 42% increase in academic achievement level in reading and 59% increase in math. Additionally, reading and math quarter grades increased with 62% of students meeting reading proficiency and 63% meeting math proficiency. This program is vital to the community. 21st CCLC has provided parents a safe and secure place for their child to receive support for academics and enrichment activities. Students benefit from more time in the classroom and receiving homework help from certified teachers. Teachers and staff have stated students who attend the 21st CCLC program attend school more regularly, complete their homework effectively and have better behavior. SDMC has implemented the proposed 21st CCLC services over the years to meet federal, state and district requirements.

The 21st CCLC Elementary School Grant will be housed within the district's Curriculum Department and its Extended Day Enrichment Program (EDEP) that provides programming during non-school hours to 27 public schools. With this placement, the district will be able to leverage the experience, resources and staff of EDEP including an experienced Program Director with over 20 years facilitating 21st CCLC programs. Manatee and Palmetto Elementary Schools will be managed by a full-time Site Coordinator ready for immediate implementation providing strong site leadership. In addition, each site will have a 21st CCLC Program Team comprised of representatives from the school district, community, School Administrator, Teacher, Parent and/or Student.

PROGRAM ADMINISTRATION AND FISCAL MANAGEMENT: The District is committed to a high level of transparency with regard to processes, practices and investments. School level expenditures are made public by school. Providing full disclosure of all relevant fiscal information in a timely and systematic manner, www.manateeschools.net is used as the vehicle to publish the documents. All matters of the budget are approved by the School Board, comprised of five elected officials. The Board has no vested financial interest in program operations.

PROGRAM EVALUATIONS: To appropriately track and encumber obligated expenditures, function and object codes will be set using the Financial and Program Cost Accounting and Reporting for Florida Schools (Red Book). Program funds, records and budgetary expenses will be housed, tracked and reconciled by the program bookkeeper located at the district's Professional Support Center. All actions will be approved by the Program Director, Curriculum Director and the school district's Finance Department. The District has extensive experience collecting, maintaining, analyzing and reporting accurate program evaluation data. Processes include ongoing professional development, FOCUS student information system that tracks all student data and oversight from the school district's Research and Assessment Department.

PROGRAM IMPLEMENTATION: SDMC has experience in providing a broad range of services. These services are in line with the 21st CCLC program goals, objectives, and approved activities from standards-based education to nationally-awarded STEM programming to research-based curricula within 48 traditional school sites as well as alternative sites. The Elementary School Grant has the support of parents, the community and District to ensure the program is implemented with fidelity.

3.4a Building Your Program Team

Instructions

Use the text box to identify the members of the program team for this application. Describe the rationale for including each team member and the contribution, value or activities they will bring to the community learning center. Secure a signed letter of commitment for each member of the program team for the duration of the project.

Refer to the RFP for more information.

PROGRAM TEAM: The School District of Manatee County worked with district administrators; school administrators and staff; community partners and parents to develop a strong Program Team with the ability to inform the proposal, support the implementation of the grant, and provide ongoing insight into the continuous improvement of the 21st CCLC grant. As part of the proposal development process, the Program Team became an integral part of identifying needs, determining ideal operational considerations, and informing the best activities meet the needs of all stakeholders. The Program Team is composed of stakeholder representatives that are fully capable of speaking on behalf of their fellow stakeholders (e.g. teachers, community-connected parent, high-level school administrators, district level contact and secondary institution representative).

PROGRAM TEAM MEMBERSHIP: The Program Team member selection was a critical task to ensure the most knowledgeable individuals were included to help design the 21st CCLC proposal and the associated activities. All individuals on the Program Team have provided letters of commitment to continue serving on the Program Team for the duration of the four-year grant. It is anticipated that the Program Team will grow in future years, as additional individuals are identified that would help improve the 21st CCLC program and the services to students and families (e.g. new teachers, new parents, new students in the school, etc.). Ultimately, the Elementary School Grant's Program Team includes team members who collaborated, contributed and provided their expertise in the development of the application.

The team members for Manatee Elementary School are:
Trish Dezso - Director, EDEP and 21st Century (District Administrator)
Lourdes Gonzalez - Principal (School Administrator)
Natalie Jadid - Assistant Principal (School Administrator)
Renita Houston - Community Member
Vanessa Goldsmith - Parent of Student at Manatee Elementary School
Maria Cuffaro - Teacher at Manatee Elementary School
Carol Lewis - Coordinator, Career Pathways, Secondary and Postsecondary Institution
The Full-Time 21st CCLC Site Coordinator will also be a member of the Program Team

Trish Dezso, Program Director for the School District of Manatee County brings over 20 years of experience implementing 21st CCLC before/after and summer programming. Lourdes Gonzalez, Principal at Manatee Elementary School brings over 25 years of experience in schools as a Teacher, School Administrator and District Administrator. She brings a wealth of knowledge regarding supplemental services outside of the regular school day. Natalie Jadid, Assistant Principal has experience as a Teacher and School Administrator including after school programs. Renita Houston serves as the community representative bringing relevant information about community partnerships and support services. Vanessa Goldsmith is the parent representative and serves as the voice of family members and their needs. Maria Cuffaro serves as the Reading Coach for Manatee Elementary. Her knowledge of student achievement adds value to the program team. Carol Lewis, Career Pathways Coordinator works closely with State College of Florida and Manatee Technical College. With 24 years experience, Carol's expertise will support a smooth transition between secondary and post-secondary institutions. Once the grant is awarded, a full-time 21st CCLC Site Coordinator will be hired and will be a permanent member of the Program Team.

The team members for Palmetto Elementary are:
Trish Dezso - Director, EDEP and 21st Century (District Administrator)
Billie-Jo Tyne-Fintel - Principal (School Administrator)
Steve Goudy - Community Member
Andrea Padron - Parent of Student at Palmetto Elementary School
Alana Monestime - Teacher at Palmetto Elementary School
Carol Lewis - Coordinator, Career Pathways, Secondary and Postsecondary Institution
The Full-Time 21st CCLC Site Coordinator will also be a member of the Program Team

Trish Dezso, Program Director for the School District of Manatee County brings over 20 years of experience implementing 21st CCLC before/after and summer programming. Billie-Jo Tyne-Fintel, Principal at Palmetto Elementary School brings many years of experience in education as an administrator and a teacher. In addition, Mrs. Tyne-Fintel has 21st CCLC program experience as an administrator. Steve Goudy and Andrea Padron serve as the community and parent members bringing relevant information about community and family needs. Alana Monestime serves as a 2nd grade teacher at Palmetto Elementary. Carol Lewis, Career Pathways Coordinator works closely with State College of Florida and Manatee Technical College. With 24 years experience, Carol's expertise will support a smooth transition between secondary and post-secondary institutions. Once the grant is awarded, a full-time 21st CCLC Site Coordinator will be hired as a permanent member of the Program Team.

PROGRAM TEAM TASKS: The Program Team from each school was involved in all stages of the application process. The Teams met on several separate occasions to assess program needs, evaluate community and school resources, identify program operations and any gaps in services that could be addressed by a 21st CCLC program, and develop and select activities for inclusion in the final 21st CCLC proposal. Quarterly meetings will be held throughout each project year to ensure activities are implemented with fidelity, while also ensuring progress towards proposed outcomes and operations. The Program Team will work together to plan, revise and modify program activities to ensure the quality of the continuous improvement process, including engagement of all stakeholders and plans for sustainability.

Manatee and Palmetto Elementary Schools have secured partnerships with University of Florida/IFAS Extension, Van Wezel, The Bishop Museum of Science and Nature, Manatee Technical College, Manatee Education Foundation, Extended Day Enrichment Program (EDEP), Soar in 4/Florida Grade Level Reading Campaign and Adult, Career and Technical Education (ACT) department.

Manatee Elementary School is a Community Partnership School who has several partners committed to provide services and funding to the school over the next 25 years. These partners have agreed to support al aspects of the school including the regular school day as well as other programs such as 21st CCLC. The community partnership organizations are:

- **Children’s Home Society of Florida**
- **Boys & Girls Clubs of Manatee County**
- **MCR Health**
- **School District of Manatee County**

• University of South Florida

Additionally, Manatee Elementary has two partners specifically committed to the 21st CCLC program. Partners include:
• Sarasota Alumni Chapter - Kappa Alpha Psi, Fraternity, Inc. – will provide guest speakers for 21st CCLC students and/or their families through their Speakers Bureau.
• Roger's Community Methodist Church – will provide donations to the program as well as volunteers, retired educators and skilled professionals, to work with students in varying capacities.

Palmetto Elementary School's 21st CCLC partners, have pledged to provide provide goods, services and/or donations to enhance the curriculum and development of the students' learning:
• Church of Hope – will provide volunteers to work with small groups and individual students and donations of goods such as backpacks and school supplies. They also provide holiday meals for families in need as well as Christmas gifts for identified families.
• Pelican Snoballs – will provide support through goods and services for 21st CCLC Family Literacy Events and student incentives.
• Tequila's Restaurant – will provide support through donations including food for family events and special student activities.

Each school will continue to seek additional partners who can provide monetary donations, goods and services, resources and volunteers. In addition, the district will continue to secure an agreement with National School Lunch Program to provide a daily nutritious snack during the after school component.

3.5 Engaging Stakeholders

Instructions

Use the text box to describe stakeholder engagement in the community learning center. Describe the types of stakeholders engaged during the development of the application. Describe the plan for the frequency and method of engagement during the project period and the topics in which stakeholders will be engaged during the implementation of the 21st CCLC program. Describe how the community learning center will receive feedback from the stakeholders and how that feedback will be implemented in the development of the program activities. Survey the stakeholders to determine what is needed in a community learning center.

Refer to the RFP for more information.

IDENTIFIED STAKEHOLDERS: Stakeholders are partners in the development, implementation and continuous improvement of the learning community center. The engagement of stakeholders has several explicit purposes; (1) identify the needs of the students, families, schools and communities; (2) identify current gaps in programming and services where funding could best be applied to support students and families; and (3) identify specific activities and subject areas that best support and address the identified needs and gaps. The process of identifying and engaging stakeholders in the planning and design of the program helped inform the final grant proposal. With feedback from each stakeholder group, the program has been thoughtfully designed to meet the needs of students and their adult family members. The program is site-specific, age-appropriate and designed for each school's unique environment. The Program Teams determined the most valuable stakeholders to engage through the 21st CCLC were:

(1) Reading and Math Teachers - School day teachers are crucial to the development and continued success of the community learning center. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T. (Benchmarks for Excellence Student Thinking) standards and provide activities to compliment core academic programs. Program teachers and staff will regularly communicate with school day teachers in order to align lessons with day-to-day classroom instruction. This communication will occur at least weekly through emails, phone calls and meetings. Topics of discussion will include student attendance, behavior and academic needs. Feedback will be used to revise activities in order to better support what students are learning and/or identify areas needing additional support. With the support of these regular day teachers, the Program Teams believe students attending the program will have a better chance of meaningful change that will be reflected in their academic performance and during teacher observations.

(2) Adult Family Members - Parents, guardians and caregivers are key for successfully implementing and sustaining effective programming. Through parental support and involvement, students will be more successful at school and home. At least 5 parent engagement events will be provided for parents through the 21st CCLC Grant throughout the program year. Events will promote the importance of parents supporting their child's education through strategies for helping with homework and independent reading and math skills. Participating parents will complete a survey after each event to provide feedback on areas of program improvement and additional needs. A portion of each event will be used to discuss and share ideas pertaining to program enhancement. The Program Teams noted that parent engagement is a struggle across the targeted population; however, services under the 21st CCLC grant will give them the tools to improve and understand the educational process.

(3) Students - The Program Teams noted the importance of engaging students in the process as they are essential to 21st CCLC program success. Just having students attend the program is not as powerful as ensuring they have a voice. Surveying students gives them that voice and allows participation in the program design. Throughout the program year, students will be surveyed to gain valuable feedback on future programming.

(4) Community Partners - The District has established strong partnerships within this grant proposal. Community members will consist of nearby retirement communities, businesses, local organizations and established partners. The community supports the school district's 21st CCLC Elementary School Grant as a way to close the gap in services for the county's most at-risk children. The Program Teams will meet at least quarterly with community stakeholders to discuss specific topics in areas of need and support for students. Meetings will provide feedback for future program planning and sustainability.

During the design process, the Program Teams meaningfully surveyed teachers, parents, students and potential partners to identify what is needed in a community learning center. SurveyMonkey was used to create, collect and analyze survey results. Paper surveys were available to stakeholders without access to a computer. The Know Your Schools Portal indicates Manatee Elementary has 39 teachers and 563 students. Data was collected from 30% of teachers, 14% of students, 18% of parents and 3 partners. In addition, the portal indicates Palmetto Elementary has 40 teachers and 593 students. Data was collected from 32% of teachers, 10% of students, 11% of parents and 4 partners.

Ongoing collaboration throughout the grant will ensure the community learning center continues to meet the needs of all stakeholders.

3.6 Assessing Program Needs

Instructions

Use the Know Your Schools portal to review the school-level data for the target school(s) under the following areas:

• Assessments-Academic Achievement, Growth, and Participation

• Assessments-English Language Learners

• Acceleration

• Discipline and Attendance

• Graduation and Postsecondary

Use the text box below to summarize the trends found in the school-level data and the results of the surveys of the teachers, parents and communities. Identify the issues and trends that need to be addressed. Describe the activities that the survey respondents would like to see in the community learning center. Identify any assets that already exist in the community to focus on those needs identified above and assets that do not yet exist which are needed to meet the needs.

Refer to the RFP for more information.

NEEDS ASSESSMENT: The School District of Manatee County serves 50,953 students with 50.1% receiving free/or reduced lunch. More than half of the student body is of a minority race 52.6% with 33.1% of Hispanic/Latino origin and 13.7% Black. A needs assessment was critical in formulating an in-depth understanding of Manatee and Palmetto Elementary School's needs. The data was gathered from several sources including the Florida Department of Education, Manatee and Palmetto Elementary Schools' Improvement Plans, Know Your Schools Portal, district assessment data, and stakeholders.

MANATEE ELEMENTARY SCHOOL: Manatee Elementary School serves 563 students in kindergarten through 5th grade. The school located in Bradenton, sits along busy State Road 64 – a gateway to downtown Bradenton – that is manned by a crossing guard during the school year. Students are mostly walkers and car riders. The surrounding area consists of established neighborhoods, rentals properties, low-income housing, Tropicana factory and nearby trauma center Manatee Memorial Hospital. Based on the Community Eligibility Program, an alternative approach for offering school meals to local schools based on former free and reduced student numbers, 100% of students receive free lunch.

ACADEMIC ACHIEVEMENT GROWTH AND PARTICIPATION: In 2018-2019, Manatee increased their school letter grade from a “D” to a “B”. Data prior to the 2018-2019 school year showed a downward trend in ELA overall proficiency and learning gains, and very little improvement in Math proficiency. Many resources and support were put into place including the implementation of 21st CCLC. The challenges of COVID-19 and learning loss were evident. In 2020-2021 school grade data showed Manatee dropping from an B to a D, however, the state did not require schools and districts to take their grade.

There is a significant decrease in proficiency when comparing higher performing 3rd-5th grade students with lowest quartile students in both ELA/Reading and Math content areas. In 2018-2019, overall ELA learning gains was 57 %, decreasing to 28% in 2020-2021. The lowest quartile students in ELA was 63% in 2018-2019, decreasing to 52% in 2020 -2021. The overall math learning gains in 2018 was 74%, decreasing to 51% in 2020-2021. The lowest quartile students in Math was 62%, decreasing to 50% in 2020-2021. All content areas ELA/Reading, Math, and Science decreased proficiency.

All subgroup areas have decreased proficiency and there was a significant difference in the number of students who made learning gains compared to last year and those who did not. ESE and ESOL subgroups decreased both proficiency and in learning gains in all content areas. When comparing 2020-2021 FSA and progress monitoring data with 2018-2019 school grade data, all areas decreased which raises a concern in every component, including a focus on subgroups. All subgroups, excluding white which was 45%, fell below the 41% state requirement in 2020-2021. Data is as follows: SWD: 10%; ELL: 21%; Black/African American: 16%; and Hispanic: 23%.

TITLE 1 COMPREHENSIVE NEEDS ASSESSMENT: There is a critical need to provide students with more opportunities for standards-based academic tutoring and enrichment. Added enrichment could further advance the success of lower performing students.

In 2021-2022, Manatee Elementary was able to use after-school programs - Boys and Girls Club and 21st Century - as an additional layer of instruction. Students were placed in grade level groups and provided opportunities to accelerate or remediate their learning. Teachers were provided professional learning opportunities to enhance their knowledge with high yield instructional practices. They provided supplemental support to the core instruction (i.e. build background, increase vocabulary, make input comprehensible, reinforce concepts, & build conceptual understanding) in order to increase proficiency and provide remediation and additional support for Tier 2 and Tier 3 instruction. In addition, the District ESOL department provided POP-UP professional learning opportunities to support our teachers with additional strategies to support ELL students. Instructional strategies for building student capacity for comprehension was built into every Professional Learning Community meeting.

Manatee Elementary School's Community Partnership is instrumental with supporting the needs of our families. They worked with us to inform parents about ways to support their children as they transition to the next grade level. As a team we provided learning opportunities to help the parents understand their child's curriculum and assessment requirements, as well as how to use technology. The partnership provides classes to support parents with learning English, mentors to work with students and ongoing support to enhance the student experiences. They also offer social and emotional learning resources for our students and community.

Ongoing contributing factors that have affected the success of Manatee Elementary students include:
1. Low proficiency in reading comprehension requires 2 interventionists who provide Tier 2 and Tier 3 interventions.
2. Consistent teacher turnover which impacts opportunities to build capacity of teachers and staff to support students in our diverse population.
3. Poor attendance and students arriving late to school continues to be a problem.

Manatee's Graduation Enhancement Tech works with families to improve school attendance, reduce tardies and help meet other student needs.

SCHOOL BENCHMARK DATA: 2021-2022 1st & 2nd quarter data for grade levels, ELL, Students with Disabilities (SWD), and other Subgroups shows as follows:
ELA/Reading:
• 3rd grade ELA proficiency: Q1- 36% ; Q2- 25%
• 4th grade ELA proficiency: Q1- 24%; Q2- 28%
• 5th grade ELA proficiency: Q1- 18% ; Q2- 24%
Math:
• 3rd grade MATH proficiency: Q1 39 %; Q2- 28%
• 4th grade MATH proficiency: Q1 39% ; Q2- 31%
• 5th grade MATH proficiency: Q1 43%; Q2- 29%
Science:
• 5th grade Science proficiency: Q1-14% ; Q2-18%
ELL students: (Based on the Quarter 2 Benchmark Test)
• ELA achievement: 29; Learning Gains 44; L25 students 67
• Math Achievement: 33; Learning Gains 43; L25 students 80
• Science Achievement: 26
Students with Disabilities: (Based on the Quarter 2 Benchmark Test)

• ELA Achievement: 10; Learning Gains: 44; L25 students: 60
• Math Achievement: 9; Learning Gains: 50; L25 students 68
• Science Achievement: 0

ACCESS for ELL: Data from the annual summative English language proficiency assessments over the last two years show a significant decrease in Overall Proficiency Rating and a large increase in the number of ELLs receiving services.
• 2018-2019: 30% overall proficiency rating
• 2020-2021: 12% overall proficiency rating

3RD GRADE RETENTION: In 2020-21, Manatee retained 22 third grade students and has 2 Academy classrooms which are both staffed with a full time Reading endorsed teacher and full time paraprofessional. Benchmark data results are:
• ELA: Q1- 9% proficiency; Q2- 14% proficiency
• Math: Q1- 9% proficiency; Q2- 27% proficiency
Learning Gains Q1:
• ELA Overall Learning Gains: 90% L25 LG: 100%
• Math Overall Learning Gains: 90% L25 LG: 86%
Learning Gains Q2:
• ELA Overall Learning Gains: 85.5% L25 LG: 94%
• Math Overall Learning Gains: 93% L25 LG: 90%

DISCIPLINE AND ATTENDANCE: Over the last two years, most discipline referrals were written for aggression and disruption. In 2021-2022, 221 referrals were written in Quarter 1 and 344 referrals were written in Q2. Many of the referrals were for repeat offenders that were being addressed on a case-by-case basis.

Attendance is an ongoing challenge for Manatee Elementary. As of January 2022, 68% of 3rd – 5th grade students were missing 10% or more of the school year. This early warning signal was addressed. The Graduate Enhancement Technician employed at Manatee Elementary worked with the Student Services Department to focus on improving attendance and reducing tardies through incentives and monitoring policies for daily and weekly tracking of students at all three Tier support levels.

Physical Fitness: As included in the Florida Department of Health in Manatee County’s “Annual Report,” it’s recognized “adult and childhood obesity are influenced by healthy eating and physical activity habits.” The report goes on to state that the level of physical activity, particularly among children,

depends on the availability of “physical activity opportunities.” Communities and schools need to offer these opportunities to increase physical activity. This contributes to the overall health and attitude of our students.

STAKEHOLDER SURVEYS: Data was collected from 30% of teachers, 14% of students, 18% of parents and 3 partners from Manatee Elementary. 99% of teachers surveyed believe after school programming is important for students and the program should be free. In addition, 100% agreed parents could not afford weekly fees for afterschool programming. TEACHERS identified the following three areas as the greatest need: reading at grade level, understanding math concepts and behaving in class. They feel structured after school programs would improve resources for students, homework completion, reading and math skills and connection to the community. STUDENTS identified help with homework, outdoor games and fitness, science projects and experiments, painting and drawing as the most desired activities. Survey results showed students struggled most in the area of homework, math and reading. Over 95% of PARENTS surveyed stated their children needed after school programming, however, 100% stated they could not afford to pay and after school programming is not readily available in the community. Areas of need identified by parents include homework help, reading, math and STEM. Parents indicated they would want their children to attend programming at least 4 days after school for 2.5 hours each day. Three potential PARTNERS participated in the survey stating their interest in partnering with the community learning center. The partners feel providing a safe place for students and families is the top priority. Academic support and enrichment activities are equally important. Potential partners indicated support through donations, volunteers, and in-kind resources. In summary, the three elements of program activities identified the most by students and families are homework help, academic support, and enrichment opportunities.

PALMETTO ELEMENTARY SCHOOL: Palmetto Elementary School serves 593 students in kindergarten through 5th grade. Located in the city of Palmetto, most of the students live within a two-mile radius and walk to school. The area is a leader in the agriculture industry with major growers such as Taylor and Fulton Packing House. The attending families consist of immigrant farmers or factory workers who live in migrant housing camps or manufactured homes.

ACADEMIC ACHIEVEMENT GROWTH AND PARTICIPATION: Since the 2016-2017 school year, Palmetto has maintained a school grade of a C. Historical data reveals that ELA achievement continues to be the area of greatest need for students at Palmetto Elementary School, while math proficiency remains a relative strength. The need for improvement in ELA Achievement is directly tied to a trend across grades K-3 in which the majority of students tend to be one or more years below grade level in phonics. In order to address this need for improvement, a systematic approach to foundational skills needs to be

implemented in grades K-2, and students in grades 3, 4, & 5 who are one or more grade levels below in phonics need to be provided intensive supports targeting this deficit.

Students with Disabilities were recommended for support services by general education teachers and services were provided by resource teachers who pulled students out of class to work with them. In order to address this and ensure all students are properly identified for additional supports and services when necessary, a systematic approach to Multi-Tiered Systems of Support must be developed and teacher collaborative teams must meet regularly to monitor the progress of all students.

Pandemic related school closures and social isolation has also impacted students; likely widening the achievement gap for some students. One of the most important things a school and teacher can do to address the challenges of teaching students from poverty is to create a safe environment for learning, including extended learning programs. Thus, building positive, enriching relationships will also be a focus of our efforts to improve student achievement.

Yearly we have utilized the 21st CCLC to support and enhance the skills of the students enrolled in the program. The past two years have brought on the challenges of COVID-19 and the concern for learning loss, so we have worked to make sure students have routines in place to expose them consistently to the foundational reading skills and to develop math fluency, which is also done during 21st Century. The 2020-2021 school grade data showed Palmetto remaining solidly at a C, with minimal learning loss being shown due to the supports we put in place during the school day, as well as during 21st Century.

There is a decrease in proficiency when comparing higher-performing 3rd-5th grade students with lower-performing students in both ELA and Math content areas. Learning gains for the bottom quartile in ELA for the 2020-2021 school year were at 43% and math learning gains for the bottom quartile were at 52%. In the 2020-2021 school year we had an ELA decrease of 3% overall while math increased 3% and Science increased by 5%.

The Federal Index shows that ESE and ESOL subgroups decreased in both proficiency and in learning gains in ELA and Math. The SWD subgroup fell below the 41% state requirement in 2020-2021. In looking at the breakdown of different ethnicities, 17% of Palmetto’s population is African American, and 12% of them are performing below grade level in ELA. 62% of the school population is Hispanic with 43% performing below grade level. 16% of the population is White and 1% is performing below grade level.

TITLE 1 COMPREHENSIVE NEEDS ASSESSMENT: There is a critical need to provide students with more opportunities for standards-based academic tutoring and enrichment. Added enrichment could further

advance the success of lower-performing students. Using the Power Index, areas of greatest need for improvement and therefore most focus are the following:

1. Support of Tier 1 instruction for foundational reading skills.
2. Lowest Quartile Learnings Gains in both ELA/Reading and Math
3. Subgroups focusing on: SWD and ESOL (Based on a review of data, many of these students also fall into our L25 lists and therefore have an impact in multiple areas)

Contributing factors for the decrease in performance include the following:

1. COVID
2. Language barrier
3. Fail to properly implement tier 1 instruction consistently, rigorously, and with high expectations
4. Lack of exposure and background knowledge for our students
5. Lack of consistent attendance for students
6. Social/Emotional needs and the lack of emotional regulation

SCHOOL BENCHMARK DATA: 2021-2022 1st & 2nd quarter data for grade levels, ELL, Students with Disabilities (SWD), and other Subgroups shows as follows:

ELA/Reading:

• 3rd grade ELA proficiency: Q1- 34% ; Q2- 29%
• 4th grade ELA proficiency: Q1- 31%; Q2- 37%
• 5th grade ELA proficiency: Q1- 57%; Q2- 46%

Math:

• 3rd grade MATH proficiency: Q1- 47%; Q2- 34%
• 4th grade MATH proficiency: Q1- 43%; Q2- 42%
• 5th grade MATH proficiency: Q1- 73%; Q2- 71%

Science:

• 5th grade Science proficiency: Q1- 47%; Q2- 38%

Students with Disabilities:

• SWD Q1:
o ELA: 18% proficiency; 56% learning gains; 73% L25 learning gains
o Math: 22 proficiency; 67% learning gains; 71% L25 learning gains
o Science: 24% proficiency
• SWD Q2:
o ELA: 11% proficiency; 41% learning gains; 53% L25 learning gains
o Math: 20% proficiency; 69% learning gains; 83% L25 learning gains
o Science: 21% proficiency

English/Language Learners:

• ELL Q1:

o ELA: 26% proficiency; 62% learning gains; 71% L25 learning gains

o Math: 47% proficiency; 71% learning gains; 85% L25 learning gains

o Science: 24% proficiency

• ELL Q2:

o ELA: 25% proficiency; 56% learning gains; 65% L25 learning gains

o Math: 41% proficiency; 66% learning gains; 84% L25 learning gains

o Science: 27% proficiency

ACCESS for ELL: Data from the annual summative English language proficiency assessments over the last two years show a significant decrease in Overall Proficiency Rating and a large increase in the number of ELLs receiving services.

3RD GRADE RETENTION: In 2021-2022, Palmetto has 17 retained 3rd-grade students and 1 Academy classroom with a full time Reading endorsed teacher and paraprofessional. Benchmark data results are:

• ELA: Q1- 29.6% proficiency; Q2-39.6% proficiency

• Math: Q1- 46.5% proficiency; Q2-39.8% proficiency

• ELA Overall Learning Gains: 84.6%

• Math Overall Learning Gains: 17%

DISCIPLINE AND ATTENDANCE: Over the last two years, most discipline referrals were written for aggression with a majority coming from our EBD unit. In 2021-2022, 2% of students received referrals in Quarter 1 and 1% received referrals in Q2. The average daily attendance for our school increased from 90% in the 1st quarter to 93% in the 2nd quarter. A Graduate Enhancement Technician employed at Palmetto is focused on improving attendance and reducing tardies through incentives and monitoring policies for daily and weekly tracking of students at all three Tier support levels.

Physical Fitness: As included in the Florida Department of Health in Manatee County’s “Annual Report,” it’s recognized “adult and childhood obesity are influenced by healthy eating and physical activity habits.” The report goes on to state that the level of physical activity, particularly among children, depends on the availability of “physical activity opportunities.” Communities and schools need to offer these opportunities to increase physical activity. This contributes to the overall health and attitude of our students.

STAKEHOLDER SURVEYS: Data was collected from 32% of teachers, 10% of students, 11% of parents and

4 partners from Palmetto Elementary. 97% of teachers surveyed believe after school programming is important for students and the program should be free. In addition, 100% agreed parents could not afford weekly fees for afterschool programming. TEACHERS identified the following three areas as the greatest need: reading at grade level, understanding math concepts, and behaving in class. They feel structured after school programs would improve resources for students, homework completion, reading and math skills and connection to the community. STUDENTS identified help with homework, outdoor games and fitness, science projects and experiments, painting and drawing as the most desired activities. Survey results showed students struggled most in homework, math skills and reading. Over 92% of PARENTS surveyed stated their children needed after school programming, however, 100% stated they could not afford to pay and after school programming is not readily available in the community. Areas of need identified by parents include homework help, reading, math and STEM. Parents indicated they would want their children to attend programming at least 4 days after school for 2.5 hours each day. Four potential PARTNERS participated in the survey stating their interest in partnering with the community learning center. The partners feel providing a safe place for students and families is the top priority. Academic support and enrichment activities are equally important. Potential partners indicated support through donations, volunteers, and in-kind resources. In summary, the three elements of program activities identified the most by students and families are homework help, academic support, and enrichment opportunities.

3.7a Intentionally Designing Activities

Instructions

Upload a completed site profile worksheet for each site proposed. Create a schedule for each program component that includes the start and end time for each activity and which activity will be offered in each time block.

Refer to the RFP for more information

Click here to download and complete the Site Profile Worksheet.

Click "Upload a file' to upload completed Site Profile Worksheet(s) and Schedule(s).

Filename: MCSD 21st CCLC Family Member Services Sample Schedule 22-23 Elementary.pdf **Size:** 97.2 kB

21st CCLC Sample Elementary Schedule.pdf

Filename: 21st CCLC Sample Elementary Schedule.pdf **Size:** 82.8 kB

3.7b Intentionally Designing Activities

Instructions

Use the text box to submit a narrative that outlines how the activities in the proposed schedule address the needs identified in the program needs assessment. Describe how the community learning center will implement each activity on the schedule. Identify the interventions the program staff will use for each activity and their levels of evidence. Provide references for the evidence levels.

Describe the program's recruitment strategy. Outline the communication strategy the program will use to recruit and retain students and families. Describe how families will be selected for participation and encouraged to attend program activities. Identify any enrollment priorities and how they will be carried out.

Refer to the RFP for more information.

ACADEMIC ENRICHMENT: READING/ENGLISH LANGUAGE ARTS
The Elementary School Grant will provide 21ST CCLC students with activities that directly align with Florida's BEST standards and the needs assessment findings outlined previously, particularly the reading needs demonstrated by prior FSA performance data, teacher feedback, parent feedback, and overall recommendations from the Program Team. The ELA activities will focus on reading areas that are challenging for our students such as vocabulary, fluency, and comprehension for all grade levels. All activities will accommodate different learning styles and levels to include both remediation and enrichment. Manatee and Palmetto Elementary Schools will use the following curriculum to support students: Learning A-Z RazPlus, Leveled Readers and other supplemental materials.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student's ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with "think-a-louds" – teacher verbalizes thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: According to the needs assessment stakeholder survey data for both schools, students targeted for the 21st CCLC program need additional reading support. Reading interventions that begin early in the primary grades have shown to benefit students in secondary grades. Based on 20-21 ELA assessment data for Manatee Elementary School, 79% of students do not meet grade level proficiency and only 28% of all students achieved learning gains; both falling greatly below state averages and are therefore considered a critical need. Palmetto Elementary School ELA assessment data shows 65% of students do not meet grade level proficiency for reading which falls below the state average as measured by 2020-2021 FSA scores. However, 50% of all students achieved learning gains. Research suggests struggling to read in younger grades must be addressed or students risk ongoing struggles throughout their education. Students will develop skills in reading, writing and standards-based

assessments while cultivating traits needed to become conscientious, capable contributors in society. Additionally, family literacy nights will be planned to provide opportunities for adult family members to acquire English language and literacy skills while empowering them to become more involved in their children’s education.

EVIDENCE AND REFERENCES: Overall, the activities and lessons are selected and designed to provide research-based, reading support and interventions for students in Kindergarten through 5th grade. The components for the reading activities were selected to best impact reading comprehension, reading fluency and reading achievement for 21st CCLC students. Although little information for the selected reading programs was found on the What Works Clearinghouse (WWC), several studies were found that support the Tier 1 interventions and recommendations requiring research totaling at least 300 participants. The "Report of the National Reading Panel" (NICHD, 2000) provides equally compelling evidence for explicit, systematic instruction for each of the five essential components of literacy (phonemic awareness, phonics, fluency, vocabulary, and comprehension). “Explicit instruction in reading makes a difference in student outcomes, especially for those who are low achieving” (Denton et al., 2003, p. 202). “Explicitness has been a component of instruction in studies documenting improved outcomes in phonological awareness, decoding, and the application of comprehension strategies for the understanding of text” (Denton et al., 2003, p. 202).

FREQUENCY: Reading activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year. Family literacy activities will also be planned so children and parents can experience reading together.

ACADEMIC ENRICHMENT: MATHEMATICS
Math will focus on standards-based activities, project based learning, and hands-on learning with manipulatives. All activities will accommodate different learning styles and levels to include both remediation and enrichment. Math lessons will come from supplemental materials from the core academic math program used during the regular school day. Additional math curriculum will include enVisionMATH and Acaletics and other intervention and support materials.

INTERVENTION DESCRIPTION: Concrete-Representational-Abstract (CRA) is an approach to teaching math. All topics in math can be taught using CRA. Students do not have to progress through the concrete to get to the representational and abstract phases. Students often work at the concrete and abstract or representational and abstract phases at the same time. With CRA, students work with hands-on materials that represent math problems (concrete), pictorial representations (representational), and problems with numbers and symbols (abstract). The teacher explicitly bridges the connection between the three

components of the math problems.

INTERVENTION DESCRIPTION: Explicit, systematic instruction strategy involves teaching a specific skill or concept in a highly structured and carefully sequenced manner. Research has indicated that teaching in this manner is highly effective and significantly improves a student's ability. This strategy is effective across all grade levels and diverse groups of students. The key components of explicit instruction include: (1) identifying skills or concepts to be learned; (2) connecting content to previous learning; (3) giving precise instructions; (4) modeling concepts in a step-by-step manner with "think-a-louds" – teacher verbalizes thought process while demonstrating the concept; (5) providing opportunities to practice; (6) encouraging students to verbalize the strategy used to solve the problem; (7) offering specific feedback followed by time to correct errors including reteaching; and (8) checking for and promoting maintenance. The key components for systematic instruction include: (1) presenting lessons that build on one another moving from simple to complex skills; (2) breaking complex skills into smaller more manageable chunks; (3) prioritizing tasks from easy to more difficult; and (4) scaffolding instruction by providing temporary supports (e.g., manipulatives, written prompts or cues).

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on the collected survey data, teachers, parents and students indicated the need for additional math support. Manatee Elementary School has a need to increase student achievement in math from 40% to 50% which would be a 10% gain. Specifically, math achievement of students with disabilities declined. 54% of students attending Palmetto Elementary School meet proficiency in math yet only 26% students with disabilities meet proficiency in math. Parent involvement is a primary factor in supporting students' educational success. The 21st CCLC program will plan family events so parents feel knowledgeable and comfortable to help their children succeed in mathematics. The events may be led by afterschool staff or local experts from the community.

EVIDENCE AND REFERENCES: While the What Works Clearinghouse did not include information on the selected math programs, support for math was clearly indicated in the needs assessment. When teachers provide effective math instruction, teachers can reduce the performance gap between students who are at risk for math (Clarke, Smollkowski, Baker, Fien, Doabler, & Chard, 2011). Students with learning disabilities who receive effective math intervention develop critical skills like problem-solving and abstract reasoning, which are necessary for math proficiency (Gersten, Chard, Jayanthi, Baker, Morphy, & Flojo, 2008; Allsopp, Lovin, & van Ingen, 2017). Results of a study of middle school math teachers indicated students who learned using the CRA method to solve equations outperformed peers receiving traditional instruction (Witzel, Mercer, & Miller, 2003). CRA methods teaching place value, fractions, addition, subtraction, multiplication, algebra and word problems are supported by research (Mancl, Miller, & Kennedy, 2012).

FREQUENCY: Math activities will be offered to all students at least two times per week for 30-45 minutes throughout the program year.

ACADEMIC ENRICHMENT: SCIENCE/STEM
Through STEM, students will engage in experiential education that excites, engages, and enriches through a hands-on, learn-by-doing approach in science, technology, engineering and math. Skills will be taught so that all students can understand and build on prior knowledge.

ACTIVITY/DESCRIPTION: STEAM-Woz ED
The Woz lessons are purposefully designed to build an engineering mindset while developing the soft skills employers value. Woz ED resources help students authentically explore their future in the tech economy. Collaboration, problem solving, and critical thinking are inherent in every project. Students will participate in robotics, engineering, digital and graphic design, along with animation and coding. 21st CCLC groups will participate in STEM competitions throughout the year.

ALIGNMENT TO STUDENT/FAMILY NEEDS:
STEM activities provide a personalized approach to nurturing and engineering mindset through hands-on projects that progress from Kindergarten through employment. These learners can dream, design, engineer, test, improve, and create through coding, robotics, drones, 3D printing and data analysis. Children today are growing up in a world very different from the one experienced 15 years ago. Students must be equipped to solve problems and work in team environments to succeed in tomorrow’s job market.

EVIDENCE AND REFERENCES: Steve Wozniak, Apple Co-Founder and Founder of Woz Ed, is a leader of K-12 STEM education around the world, providing students access to high-quality technology training. Recognizing the importance of access to STEM education, Manatee and Palmetto Schools will provide students with the opportunity to continue exploring their interest in STEM activities and advancing their skills. While the WWC does not include Woz ED, Solidworks and Pitsco research for Science/STEM the needs assessment indicates the importance of providing STEM activities within the proposed 21st CCLC program. However, accessibility to STEM learning is not always easy. A STEM report by the U.S. Department of Education states, “We must also make sure that no matter where children live, they have access to quality learning environments. A child’s zip code should not determine their STEM fluency.” Further noted in “The Edvocate,” www.theedadvocate.org, there are 7 benefits to stem education: fosters ingenuity and creativity; builds resilience; encourages experimentation; encourages teamwork; encourages knowledge application; encourages tech use; teaches problem-solving; and encourages

adaption.

FREQUENCY: Science/STEM activities will be offered to all students at least twice per week for approximately 45 minutes throughout the program year. Students will engage in STEM activities with certified teachers all of whom will be directly trained in providing the Woz Pathways curriculum.

ACADEMIC ENRICHMENT: HEALTHY AND ACTIVE LIFESTYLES

ACTIVITY/DESCRIPTION: SPARK-PE
All 21st CCLC students will receive activities related to healthy and active lifestyles that are aligned to student needs and Florida's Standards for Physical Education. To best address student needs, Lee and Lincoln Middle Schools will purchase and implement the research-based SPARK-PE curriculum (Sports, Play and Active Recreation for Kids). SPARK provides a collection of researched-based physical education programs emphasizing a highly active curriculum, on-site staff development, and significant follow-up support. To ensure all students are fully engaged, SPARK features both diverse instructional and diverse curricular models that embody the HOPE (Health Optimizing Physical Education) and are aligned to both state and national standards. SPARK is specifically designed to provide activities aligned to school-day fitness lessons and activities. All lessons include age, space, and ability adaptations so all students can fully participate in developmentally appropriate, organized, and high-quality physical activities. There are four components to the SPARK-PE activity selected for the Elementary School Grant program: (1) group fitness activities (e.g., basketball, soccer) to improve cardiovascular fitness and positive social traits; (2) fitness circuit activities that infuse cooperative strategies, peer coaching, turn taking protocols, and self-practice of previously taught skills and movements; (3) endurance games (e.g., walking, jogging) to promote aerobic and cardiovascular fitness; and (4) personal fitness activities to promote fitness goal setting and lifelong wellness commitment among students.

ALIGNMENT TO STUDENT/FAMILY NEEDS: Based on need assessment data obtained from the Project Team and stakeholder surveys, there was a need for overall wellness at both middle schools. Manatee Elementary school data collected from 30% of teachers, 14% of students and 18% of parents indicated a need for health and wellness programming during the 21st CCLC program. Likewise, Palmetto Elementary school data collected from 32% of teachers, 10% of students and 11% of parents showed the same need. Although there is fitness provided during the regular school day, as per Florida Statutes, there is a significant need for additional fitness and health to support students. Moreover, according to the Florida Department of Health (2021), more than 30% of low-income children living in Manatee County are either overweight or obese. The goal of the 21st CCLC program Healthy and Active Lifestyles activity is to improve personal and physical wellness through structured activities that foster healthy lifestyles.

Students will learn to how to work well with others, build and foster good sportsmanship, and explore ways to incorporate personal fitness into their everyday lives.

EVIDENCE AND REFERENCES: The What Works Clearinghouse did not include interventions in healthy and active lifestyles, yet the needs assessment clearly indicates the importance of providing these activities. Fortunately, the WWC outlines the type of research and sample sizes needed for each “tier” of evidence-based interventions with Tier 1 interventions and recommendations. Many research studies have been conducted to determine whether physical wellness is connected to academic performance. For example, de Greeff and colleagues (2014) studied 544 students and found cardiovascular fitness was significant predictors of student academic performance in both mathematics and English Language Arts. More specific to Florida, research conducted with 132 elementary school students found a significant relationship between physical fitness and academic performance, as measured by Florida statewide assessments (Wingfield, Graziano, McNamera, & Janicke, 2011). Finally, through a systematic review of 26 peer reviewed research studies, researchers found an association between increased physical fitness and improved academic performance and executive function (Salas Sanchez, et al., 2022), with the researchers calling for increased hours of physical education to “more effectively develop the cognitive aspects” of children in elementary school.

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in SPARK-PE activities with the personal enrichment instructors, all of whom will be directly trained in providing the curriculum.

ACTIVITY/DESCRIPTION: CARING SCHOOL COMMUNITY
Further enhancing the healthy and active lifestyles activity, this program is designed to build a supportive, collaborative community between schools, students, and parents. The program will be integrated throughout the 21st CCLC program at Palmetto Elementary School. According to WWC, Caring School Community aims to promote core values, prosocial behavior, and a schoolwide feeling of community. The program consists of four elements originally developed for the Child Development Project: class meeting lessons, cross-age “buddies” programs, “homeside” activities, and schoolwide community. Class lessons provide teachers and students with a forum to get to know one another, discuss issues, identify and solve problems collaboratively, and make a range of decisions that affect classroom life. Cross-age buddies activities pair whole classes of older and younger students for academic and recreational activities that build caring cross-age relationships and create a schoolwide climate of trust. Homeside activities include short conversational activities that are sent home with students for them to do with parents or caregivers and then to discuss back in their classroom. The activities incorporate the families’ perspectives, cultures, and traditions, thereby promoting interpersonal

understanding. Schoolwide community-building activities bring students, parents, and school staff together to create new school traditions. The WWC notes two studies conducted in kindergarten through sixth grade classes with approximately 2,336 students that shows the program had a positive effect on behavior within a school and an additional two studies where potentially positive effects were shown in knowledge, attitudes and values.

ACADEMIC ENRICHMENT: ART AND MUSIC EDUCATION

Art and music education is designed to give students opportunities that would otherwise not be easily accessible, and to offer a high-quality education. Both inspire students to stay in school, increases motivation, improves attitudes and attendance, and improves academic performance. According to Americans for the Arts, a student involved in the arts is four times more likely to be recognized for successful academic achievement. The Arts can influence and shape a child's development on several levels: academically, socially and emotionally.

ACTIVITY/DESCRIPTION: Teachers certified in art and music education will provide instruction to enhance student learning experiences during the 21st CCLC program. The Elementary School Grant plans to provide arts education through music, movement, drama/theatre and visual art mediums (drawing and painting). Intervention strategies will include whole group and small group instruction along with hands-on real-life experiences.

ALIGNMENT TO STUDENT/FAMILY NEEDS: At a time when art and music education is struggling for classroom time in schools, the 21st CCLC program can offer much needed support and provide students with other engaging activities. Stakeholder survey results support the need for additional enrichment activities including art and music.

EVIDENCE AND REFERENCES: Students in schools serving predominantly low-income households receive less arts instruction than students in schools serving higher-income households (afterschoolalliance.org). Many evaluations demonstrate the benefits of the Arts to students who participate, such as: academic gains, improved cognitive skills, positive behaviors, increased engagement, creativity (Big Thought, 2010). According to a multi-year study of children participating in the Thriving Minds arts afterschool program, students progressed from interacting with creations to becoming creators themselves (2010). Study results of students (1st-8th grade) participating in an out-of-school music program, demonstrated higher levels of academic performance over peers not attending. Further, students exhibited better performance on measures of executive functions and higher scores on standardized tests (Holochwost, et al., 2017).

FREQUENCY: Activities will be offered to students for at least 30 minutes twice a week throughout the program year. Students will engage in Art and Music with the personal enrichment instructors, all of whom will be directly trained in providing the curriculum.

RECRUITMENT AND RETENTION: 21st CCLC community learning center will give priority to students identified with educational difficulties or heightened risk factors such as low-test scores, possibility of/or past retention, poor school attendance, etc. These students are representative of the community wide students facing the most significant barriers to academic success. The following strategies will be used to reach and enroll the targeted students: information and registration table at Back-to-School Event/Open House, distribution of flyers and registration packets in English/Spanish, posters hung throughout the campus, and information on the marquee. Teachers, counselors, and Graduation Enhancement Technicians will work with 21st CCLC staff to ensure that students at high risk of retention are specifically invited to attend. To recruit parents and families there will be direct contact at school events, automated phone calls, newsletters and information posted on the website. To encourage students to remain in attendance from the beginning to the end of the program day, the schedule will be structured so that engaging, high energy activities are held the entire time. Also, adhering to school district protocol, elementary school students are not allowed to sign themselves out of a program. To encourage regular attendance, several attention-grabbing and fun enrichment activities and projects are planned to include hands-on STEM challenges, gardening, arts and music education and academic enrichment.

3.7c Intentionally Designing Activities

Instructions

Upload a completed Partners Table and the letters of support including a letter from school district executive leadership (Superintendent or Assistant Superintendent) and an administrator from the target school. For other partners, describe the tangible contribution of the partner and the frequency of the contribution to the program.

Refer to the RFP for more information.

Click here to download the Partners Table.

Click "Upload a file" to upload Partners Table and Letters of Support.

Partners Table and Letters Elementary Grant.pdf

Filename: Partners Table and Letters Elementary Grant.pdf **Size:** 819.8 kB

3.8a Recruiting and Retaining High Quality Staff

Instructions

Use the text box to describe the staffing structure of the community learning center. Outline the positions that will be hired in the community learning center. Discuss how the staffing structure interfaces with the scheduled activities in the previous section.

Refer to the RFP for more information.

STAFFING PLAN: The program will be housed under the already existing Extended Day Enrichment Program that provides programming during non-school hours. An experienced Program Director will manage the implementation of the program and budget. Each school site will have a full-time Site Coordinator overseeing the day-to-day programming supporting the academic and enrichment activities of students and families in the community learning centers.

STAFFING STRUCTURE: The PROGRAM DIRECTOR will report directly to the Director of Elementary Curriculum who in turn reports to the Executive Director of Curriculum and Professional Learning. Included is an experienced Junior Accountant/Bookkeeper reporting directly to the Program Director. All financial transactions will be approved by the Program Director, Director of Elementary Curriculum, and the Finance Department. The Program Director and Junior Accountant/Bookkeeping services are an in-kind contribution, and a testament to the significant support the 21st CCLC Program will receive. Each school will have a full-time/on-site SITE COORDINATOR who is critical to properly implementing the 21st CCLC program effectively, efficiently, and with fidelity. They will be responsible for the daily oversight of all aspects of the program and staff. In addition, they will be responsible for securing partnerships in the community in year one to sustain the program after the four-year grant has concluded.

Additional staff include CERTIFIED TEACHERS with expertise in core academic subjects who will facilitate all academic enrichment. Highly qualified teachers will be recruited from Manatee and Palmetto Elementary Schools as they have invaluable knowledge of the students. At least 1 certified teacher will be present during all academic activities and the staff to student ratio will be 1:10. ACTIVITY LEADERS will oversee personal enrichment activities with a ratio of 1:20 and will also support the required ratio of staff to students for academics.

ROBUST QUALIFICATIONS AND DUTIES: All staff will be responsible for completing an application which they receive from the Site Coordinator. This application will include specific requirements noting their qualifications, years of experience, certifications, etc. We also require they attach a copy of their teaching certificate to the application. In addition to our teachers being highly qualified we hire Reading and English for Speakers of Other Languages (ESOL) endorsed teachers, Exceptional Student Education

(ESE) teachers and trained translators. Once we have reviewed their qualifications, hiring of the staff is determined by the Program Director with input from the school administration and Site Coordinator. Job descriptions will be provided for staff clearly outlining their responsibilities and a signature of acknowledgment is required. As a school district we have the lines of communication established for working with teachers, school administrators, as well as the administration at the district level which ensures the quality of our success. We have access to the school district's Human Resource Department system which conducts criminal background checks on all employees working directly with children before hiring. All district staff undergo a Level II background screening and at least two staff members per center will have CPR certification. In addition, staff will be screened through the Florida Background Screening Clearinghouse. 21st CCLC staff members will participate in professional development related to academic achievement through the district's Office of Professional Learning.

TRAINING PLAN FOR QUALITY IMPROVEMENT: Training plays an essential role in successful education improvement. To ensure our program is implemented with fidelity we provide initial training for the staff during the July/August months prior to the start of 21st CCLC. In addition, all program staff will participate in quarterly professional development sessions specific to the 21st CCLC Program. Training of the curriculum and other instructional materials will be completed at the beginning and throughout the year as needed. Other training topics may include increasing self-esteem through educational achievement and supporting various learning styles. The district has two in-service days during the school year where 21st CCLC training will occur. Each staff member will be responsible for reading and signing their intent/commitment to work the 21st CCLC program and comply with ethical business practices. We will create a solid foundation through individual training about the community learning center during the August/September start up months. We will utilize advance methods to improve teacher effectiveness which will result in student achievement. The Program Director and/or Site Coordinator will conduct four 4-hour trainings, as well as participate in the required statewide training with at least one other staff member. Training on activities, procedures, and other policies will be ongoing, as needed. Additional training may also include CPR/First Aid, EZReports, STEM curricula, child and youth development, afterschool and summer learning, family engagement, evidence-based practices, and other site-specific academics/enrichments in order to deliver an effective and successful community learning center program.

3.8b Recruiting and Retaining High Quality Staff

Instructions

Upload sample job descriptions for each position mentioned above that include the qualifications and the duties of each position.

Refer to the RFP for more information.

Click "Upload the file" to upload Sample Job Descriptions.

Elementary Grant Job Descriptions.pdf

Filename: Elementary Grant Job Descriptions.pdf Size: 278.8 kB

3.8c Recruiting and Retaining High Quality Staff

Instructions

Provide a schedule of training for the community learning center staff.

Refer to the RFP for more information.

Click "Upload a file" to upload Schedule of Training.

MCSD 21st CCLC Training Schedule 2022-2023.pdf

Filename: MCSD 21st CCLC Training Schedule 2022-2023.pdf Size: 78.7 kB

3.9 Implementing with Fidelity

Instructions

Use the text box to describe the program strategy for ensuring that the activities proposed in this application are implemented with fidelity. Include the methods the community learning center leadership will use to ensure that the number of days and hours of programming are provided and that the programming is delivered with rigor. Identify the data points to be used to determine if the program is effective and how the community learning center staff will collect those data points. Explain how the data points will be used to revise, adapt or eliminate programming and the frequency of that process.

Refer to the RFP for more information.

Members from the Program Team will serve as leadership of the community learning center. The Leadership Team will include school Principal, Site Coordinator and Program Director. This team will be responsible for ensuring the program is carried out with fidelity, days and hours of programming align with the program application and the activities are delivered with rigor using data to revise, adapt or eliminate programming. In addition, the leadership team will oversee staff training and the activities that are designed to provide continuous education to students.

The 21st CCLC Fidelity Plan is firmly grounded in a commitment to continuous improvement of operations, services, and outcomes. The cornerstone is a logical process of planning, data collection, analysis, reporting, and refining. As such, the plan will include three connected elements to help ensure the program being implemented is effective, efficient, and sustainable: progress monitoring, data analysis and continuous improvement.

The Continuous Improvement Model (CIM), a quality-based approach used within educational settings and particularly effective for reducing achievement gaps between student subgroups will be utilized. The model focuses upon individualized assessment using both formal (e.g., surveys) and informal (e.g., meetings) techniques to guide incremental changes within ongoing services, adopt new ways to improve and measure outcomes, discontinue or adapt activities that have no value, and increase emphasis on program success.

The immediate and individualized feedback provided through CIM is particularly important for implementation of the 21st CCLC program to help guide/ensure the highest impact for each student. The program will also use CIM to guide any immediate operational changes necessary to provide a high-quality program, including such areas as staffing changes, adjustments, or resources to specific activities. The fidelity plan will provide a structure for generating information needed for ongoing program refinement.

The Continuous Improvement Model will support data collection within three general categories: (1) District Data; (2) Program Data; and (3) Stakeholder Data.

(1) District data will include all student demographics, state standardized tests and end-of-course exams (from prior and current years), student report card grades, student attendance during the school day, and any other additional data deemed useful for the program.

(2) Program data will include (A) student attendance (daily) and enrollment status, (B) demographics, (C)

program operational information (e.g., hours, activities, facilities, staffing, and partners), and (D) adult family member data.

(3) Stakeholder data will be collected quarterly through teacher surveys, parent surveys, student surveys, and partner surveys. Survey data will be collected using electronic systems to ensure accuracy of collected data.

To further support the fidelity plan, the Principal will meet monthly with the Site Coordinator to review progress monitoring data. Data will include benchmark assessments, progress reports, quarter grades and behavior. Data collection will be ongoing and will be used to refine program activities. The Site Coordinator will be responsible for day-to-day program operations to ensure the center is following the proposed calendar, daily schedule and activities. Oversight will occur through staff meetings, walkthroughs and lesson plans. The Program Director will perform monthly fidelity checks to confirm the community learning center is implemented as intended. Monthly Leadership Team meetings will be held to discuss findings from the fidelity checks and other collected data. Together these strategies will serve as the ongoing process to revise, adapt and/or eliminate ineffective programming.

3.10 Project Budget

Instructions

Complete and upload the DOE 101S Budget Narrative Form. For applicants that use the Red Book, please complete the function and object codes for the expenditures. For all other applicants, please enter the account codes from the agency's general ledger in the object code column. In the Account Title and Narrative column, enter the name of the expenditure, a description of the expenditure and a funding calculation that shows how the total amount of the expenditure was derived. In the amount column, enter the total amount for that line item. Include any administrative costs percentages so as to not exceed the maximum percentage.

Refer to the RFP for more information.

Click here to download the DOE 101S Budget Narrative Form.

Click "Upload a file" to upload the DOE 101S Budget Narrative Form.

DOE101S Elementary Grant.xls

Filename: DOE101S Elementary Grant.xls **Size:** 126.0 kB

3.11 Plan for Sustainability

Instructions

Use the text box to describe the agency's strategic planning process for continued sustainability of the 21st CCLC program. Describe outreach and advocacy strategies the program team will use to develop continued support after the funding ends. Explain how you will document progress towards sustainability within your progress plan.

Refer to the RFP for more information.

With the foundation built by the 21st CCLC program and the sustainability efforts of the Program Team, impoverished and high-risk students will have continued access to free educational services. These services are designed to promote academic and personal success. By creating a vision and annual goals, conducting community outreach, advocating for support and seeking new partnerships and funding, the Program Team will be successful in sustaining the program for students and their families.

Each year the Program Team will hold quarterly meetings to establish a clear vision and goals for the

program. Meetings will provide opportunities to review progress and reflect. Duties will be assigned to each team member in order to maximize time and effort and support the four-year sustainability plan. Specifically, the full-time site coordinator will dedicate a portion of each week to the sustainability plan including contacting local businesses, churches, community organizations and outreach groups; seeking federal, state, local and private funding; building relationships with parents, students, staff and greater school community. The parent team member will advocate for resources in the community and assist with the survey data. The school administrators will continue outreach efforts with current business partners and the school community. They will assist in collaboration building, advocacy efforts and funding sources. As additional support, the Program Director will facilitate collaboration and communication between stakeholders.

The four-year sustainability plan is as follows:

Year 1: Create a vision and identify both short term and long-term goals. Develop an advocacy plan to share the vision and garner support. Begin building collaboration within the community to support the continuation of programming after funding ends. Create and administer surveys for various stakeholder groups and analyze data to monitor progress. Identify key partners for collaboration and seek funding resources.

Year 2: Revisit and revise Year 1 goals and identify progress indicators. Continue the advocacy plan. Survey data will be collected from students, families and staff related to expectations for the program along with open feedback for the coming year. Budget will be reviewed and the goal for at least two additional partnerships will be pursued so the level of services will not be impacted.

Year 3: Continued reflection on progress from Years 1 and 2 toward goals and adjustments using stakeholder feedback and new partnerships. Extra advocacy efforts will be made to increase awareness of our vision and mission. Goals for at least 2-3 additional partners will be pursued to support all levels and areas of programming. Survey data will be collected throughout the school year on the school’s needs and will help monitor progress towards sustainability.

Year 4: The focus will be on identifying, combining and seeking resources to sustain the program. Partnerships and collaboration will be strengthened to support the goals and action plans moving forward. Seek solutions for any areas of concern related to sustainability.

Manatee and Palmetto Elementary Schools will continue to build upon the program each year by conducting outreach efforts, securing commitments from community agencies, local businesses and

partners and advocating for their program. The program’s impact and positive outcomes will be shared on a regular basis to build support and awareness within the community through multiple outlets including social media.

CERTIFICATION

I, Cynthia Saunders, as the official who is authorized to legally bind the agency/organization, do hereby certify to the best of my knowledge and belief that all the information and attachments submitted in this application are true, complete and accurate, for the purposes, and objectives, set forth in the RFA or RFP and are consistent with the statement of general assurances and specific programmatic assurances for this project. I am aware that any false, fictitious or fraudulent information or the omission of any material fact may subject me to criminal, or administrative penalties for the false statement, false claims or otherwise. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Further, I understand that it is the responsibility of the agency head to obtain from its governing body the authorization for the submission of this application.

PENDING BOARD APPROVAL – June 14, 2022

E) [redacted] (May 3 2022 08:25 EDT) — Superintendent — 05/03/2022

Signature of Agency Head — Title: Pending Board Approval — Date

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

(1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.

(2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

(4) An applicant that proposes a project to increase school safety might describe the special efforts it will take to address concern of lesbian, gay, bisexual, and transgender students, and efforts to reach out to and involve the families of LGBT students

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number Public reporting burden for this collection of information is estimated to average 1 5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information The obligation to respond to this collection is required to obtain or retain benefit (Public Law 103-382 Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U S Department of Education, 400 Maryland Ave , SW, Washington, DC 20210-4537 or email ICDocketMgr@ed gov and reference the OMB Control Number 1894-0005

Department of Education's General Education Provisions Act (GEPA)

Section 427 of the General Education and Provisions Act requires each applicant for funds (other than an individual person) includes in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs.

In the text area below, please provide a brief narrative outlining how your program will meet the requirements outlined in Section 427 of the General Education Provisions Act (GEPA).

The Nita M. Lowey 21st Century Community Learning Centers project for the School District of Manatee County ensures equitable access to all beneficiaries including students, staff, parents, and community members regardless of gender, race, national origin, color, disability, or age. Each site will recruit staff through an open application process and target students who have the greatest need for supplemental services. Sites will recruit students who performed in the lower quartile on state standardized tests to be included in the program first; all other students are then provided with applications for parental notification and permission purposes. Special education teachers and other support staff will be hired as needed so specialized assistance can be provided to students with specific needs. Instructional materials and services will be modified and/or purchased according to student need and training for staff will be provided when necessary. The program will offer a variety of activities to meet the needs of a diverse group of students including academic enrichment and support, personal enrichment, and recreational activities. Written notices to parents are sent home in English and Spanish as well as other languages in an effort to counter any language barriers that would thwart communication. Additionally, the program sites are public schools, all of which have access for persons with disabilities.

Date Signed

General Assurances, Terms, and Conditions for Participation in Federal and State Programs

The Department of Education has developed a "General Assurances" document that must be signed by all agencies and organizations that receive federal or state funds. This is required by:

- Federal regulation 34 CFR §76.301 of the Education Department General Administrative Regulations (EDGAR), which requires a general application for subgrantees/subrecipients for participation in federal programs funded by the U.S. Department of Education that meets the requirements of Section 442 of the General Education Provisions Act (GEPA).
- Applicable federal statutes.
- Applicable regulations of other federal agencies.
- State laws and regulations pertaining to the expenditure of state funds.

Return to:

Florida Department of Education
Bureau of the Comptroller
325 West Gaines Street
914 Turlington Building
Tallahassee, FL 32399-0400

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental agencies are required to submit the certification page of the General Assurances with an original signature of the official who is legally authorized to bind the entity along with each application submitted to the Department.

Florida Department of Education
General Assurances, Terms, and Conditions for Participation in Federal and State Programs

Authority for Data Collection: 20 USC 1232e (a)

Planned Use of Data: The requirements established in United States Code Annotated, Title 20, Education, Chapter 31, Subchapter III, Section 1232(e), stipulate that "[e]ach local education agency which participates in an applicable program under which federal funds are made available to such agency through a state agency shall submit, to such an agency, a general application containing the assurances set forth in subsection [1232e] (b)." The application shall cover the participation by the local education agency and all other organizations participating in state and federal programs administered by the Florida Department of Education. These assurances are set forth below in the "General Assurances" section.

Instructions: These general assurances will be in effect for the duration of the project it covers. The state agencies or boards administering the projects covered by the application shall not require the submission or amendment of such an application unless required by changes in federal or state law, or by other significant change in the circumstances affecting an assurance in such application. The superintendent, agency head, or other authorized officer must sign the certification and return it to the following address. No payment for project/grant awards will be made by this agency without a current signed General Assurances form on file. For further information, contact the Florida Department of Education, Bureau of the Comptroller, at (850) 245-0401.

Certification:

I, the undersigned official am legally authorized to bind the named agency/organization of the State of Florida, hereby apply for participation in federally funded and/or state-funded education programs on behalf of the named agency/organization below. I certify that the agency will adhere to and comply with the General Assurances, Terms, and Conditions and all requirements outlined in the "Project Application and Amendment Procedures for Federal and State Programs" (Green Book).

School District of Manatee County	41	Cynthia Saunders
Typed Agency Name	Agency Number	Typed Name and Title of Authorized Official (Agency Head)

I certify that the agency will adhere to each of the assurances contained in this set of *General Assurances, Terms, and Conditions for Participation in Federal and State Programs* as applicable to the project(s) for which this agency is responsible.

Return original to:

Florida Department of Education
Bureau of the Comptroller
914 Turlington Building
325 West Gaines Street
Tallahassee, FL 32399-0400

School districts, state colleges, state universities, and governmental entities are required to have a signed certification page of the General Assurances on file with the Department's Bureau of the Comptroller, bearing the original signature of the current superintendent for school districts or the current agency head/president that has legal authority to bind the agency.

Community-based organizations, faith-based organizations, independent colleges, and other non-governmental entities are required to submit the certification page of the General Assurances with an original signature of the agency head who is legally authorized to bind the entity, along with each application submitted to the Department.

General Assurances

Assurance is hereby given that, to the extent applicable:

- The recipient has the legal authority to apply for the federal/state funding, and the instructional, managerial, and financial capability (including funds sufficient to pay non-federal share of project costs, as applicable) to ensure proper planning, management, and completion of the project described in this/all applications submitted.

- The recipient will administer each program covered by the application in accordance with all applicable laws, regulations, statutes, rules, policies, procedures, and program requirements.

- The recipient will comply with all the requirements in the Department's *Project Application and Amendment Procedures for Federal and State Programs* (Green Book).

- The control of funds provided to the recipient under each program, and title to property acquired with those funds, will be in a public agency, and a public agency will administer those funds and property

- The recipient will have/establish and maintain a proper accounting system in accordance with generally accepted accounting standards.

- The recipient will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal and state funds paid to that agency under each program. Access to documents, papers, and other such records shall be made available to authorized representatives of U.S. governmental agencies, including but not limited to, the federal awarding agency, Inspectors General, the Comptroller General, the Florida Department of Education, the Florida Department of Financial Services, and the Auditor General of the State of Florida for the purpose of program and fiscal auditing and monitoring.

- The recipient will submit such reports to the Florida Department of Education and to U.S. governmental agencies as may reasonably be required to enable the Florida Department of Education and U.S. governmental agencies to perform their duties. The recipient will maintain such fiscal and programmatic records, including those required under 20 U.S.C. 1234f, and will provide access to those records, as necessary, for those Departments/agencies to perform their duties.

- To assure that expenditures reported are proper and in accordance with the terms and conditions of the Project Award and approved project budget, the official who is authorized to legally bind the agency/organization agrees to the following certification for all fiscal reports and/or vouchers requesting payment. By signing the "General Assurances, Terms, and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that the reports submitted are true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purpose and objectives set forth in the terms and conditions of the Project Award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

- To assure that all applications submitted for project/grant funding are proper and in accordance with the terms and conditions outlined in the RFA and/or the RFP, the official who is authorized to legally bind the agency/organization agrees to the following certification. By signing the "General Assurances, Terms and Conditions for Participation in Federal and State Programs", I certify to the best of my knowledge and belief that all applications submitted are true, complete, and accurate, for the purposes and objectives set forth in the RFA and/or the RFP. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal or administrative penalties for false statements, false claims or otherwise.

- The recipient will provide reasonable opportunities for systematic consultation with and participation of teachers, parents, and other interested agencies, organizations, and individuals, including education-related community groups and non-profit organizations, in the planning for and operation of each program

- Any application, evaluation, periodic program plan, or report relating to each program will be made readily available to parents and other members of the general public

- For projects involving construction:

    - The project is not inconsistent with the Florida Department of Education's overall plans for the construction of school facilities.
    - In developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary of Education under Section 794 of Title 28 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities.
    - When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients in excess of $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

- The recipient has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each program, significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects. Such procedures shall ensure compliance with applicable federal laws and requirements.

- The recipient will not expend funds under the applicable program to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or any affiliate of such an organization.

- The recipient will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

- The recipient will initiate and complete the work within the applicable time frame after receipt of approval from the awarding agency.

- The recipient will comply with all federal statutes relating to nondiscrimination. (These include but are not limited to Title VI of the Civil Rights Act of 1964 [P.L. 88-352], which prohibits discrimination on the basis of race, color, or national origin; Title IX of the Education Amendments of 1972, as amended [20 U.S.C. 1681-1683 and 1685-1686], which prohibits discrimination on the basis of sex; Section 504 of the Rehabilitation Act of 1973, as amended [29 U.S.C. 794], which prohibits discrimination on the basis of handicaps; and the Age Discrimination Act of 1975, as amended [42 U.S.C. 6101-6107], which prohibits discrimination on the basis of age.)

- The recipient will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

- The recipient will comply with the requirements of the Gun-Free Schools Act of 1994.

- The recipient will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and 2 CFR §200, Subpart F, "Audit Requirements" and/or Section 215.97, Florida Statutes, "Florida Single Audit Act" as applicable.

- The recipient assures that no federally appropriated funds have been paid or will be paid by or on behalf of the recipient to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- The recipient will comply with the requirements in 2 CFR Part 180, Governmentwide Debarment and Suspension (Nonprocurement).

- The recipient certifies that neither it nor its officers is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal Department or agency.

- The recipient certifies that it will maintain a drug-free workplace and will comply with the requirements of the Drug-Free Workplace Act of 1988.

- The recipient will comply with all state and federal requirements, as applicable, for internal controls to ensure compliance with federal and state statutes, regulations, and terms and conditions of the award.

- The recipient will comply with Florida's Government-in-the-Sunshine Law (Chapter 286, Florida Statutes), that provides a right of access to meeting of boards, commissions and other governing bodies of state and local governmental agencies or authorities.

- The recipient will comply with all applicable requirements of all other federal and state laws, statutes, executive orders, regulations, policies, terms and conditions governing each program funded.

- If applicable, the recipient will conduct assessments that are consistent with Section 1111(b) (3) of the No Child Left Behind Act.

- If applicable, the recipient will annually assess students who have been in the United States for three or more consecutive years, and the recipient will annually assess the English proficiency of all participating limited English proficient children, consistent with Section 1111(b)(7) of the No Child Left Behind Act

- If applicable, after timely and meaningful consultation, the recipient will provide the opportunity for children enrolled in private, non-profit schools, and the educational personnel of such schools, equitable participation in the activities and services provided by these federal funds, and will notify the officials of the private schools of said opportunity. (Educational services or other benefits provided, including materials and equipment, shall be secular, neutral, and non-ideological. Expenditures for such services or other benefits shall be equal [consistent with the number of children to be served] to expenditures for programs of children enrolled in the public schools of the local educational agency.)

- Failure to comply with the General Assurances or any aspect of the *Project Application and Amendment Procedures for Federal and State Programs* (Green Book) may result in more restrictive conditions or project termination.

Terms

Applicant - A school district or other entity seeking a project award from the Florida Department of Education.

Budget - The applicant's financial plan, in terms of accounts and amounts, showing use of funds for carrying out project objectives, services, or activities as found on the budget narrative form (DOE 101) and on other budget documents required by the Florida Department of Education.

Budget Period - The interval of time into which a project period is divided for budgetary purposes.

Capital Outlay - Equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, the value or cost of which is $1,000 or more and the normal expected life of which is one year or more (Sections 216.011 and 273.02, Florida Statutes).

Conflict of Interest – Must disclose in writing any potential conflict of interest in accordance with applicable federal and/or state laws or policies.

Disbursement - Payment made in cash, by check, or via other electronic means.

Data Universal Numbering System (DUNS) - Nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. The federal government's Office of Management & Budget has adopted the use of the DUNS numbers (unique entity identifier), for registering with the System for Award Management (SAM). A non-federal entity is required to have a DUNS number (unique entity identifier), and registered with SAM, in order to apply for, receive, and report on a federal award.

Equipment – A material item of a non-expendable nature, such as a built-in facility, a movable or fixed unit of furniture or furnishings, an instrument or apparatus, a machine (including attachments), instructional skill-training device, or a set of small articles whose parts are replaceable or repairable, the whole retaining its identity and utility over a period of time which is characteristic for items of its class, with a useful life of more than one year.

Mandatory Disclosure – Must disclose, in a timely manner, in writing all violations of criminal law involving fraud, bribery or gratuity violations potentially affecting the project award.

Monitoring – Actions, activities, and practices used by the Florida Department of Education to determine that funds are used and programs are operated in accordance with applicable federal and state statutes, rules, and regulations.

More Restrictive Conditions - Special requirements or restrictions imposed on a project recipient as a condition of project approval by the Florida Department of Education

Obligations - The amounts for orders placed, contracts awarded, services received, or for similar transactions during the stipulated project period, which will require payment during the same or a future period.

Private, Non-profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more corporations or associations whose net earnings do not benefit and cannot lawfully benefit any private shareholder or entity.

Private, For-Profit Organization - An agency, organization, or institution not under federal or public supervision or control, which is owned by one or more individuals, partnerships, corporations, or associations whose net earnings do or can benefit any private shareholder or entity.

Project - The services, activities, or program that an entity agrees to provide for a specified period of time using state or federal funds awarded to a project recipient.

Project Application - An entity's request for a project award under state or federal education programs administered by the Florida Department of Education.

Project Award - The approval of a project application as stated in the Project Award Notification sent to project recipients that specifies the amount of funds awarded, the project period, and any special requirements or restrictions to be imposed by the Florida Department of Education.

Project Period - The length of time for which a project has been authorized/awarded

Project Recipient - The school district, a local education agency (LEA), colleges, universities, public agency [including faith-based organizations (FBOs) and community-based organizations (CBOs)], or non-public agency that has been awarded a project to provide services or activities described in a project application approved by the Florida Department of Education.

Roll-Forward - Unobligated balances of an award or project that are allowed to be continued in subsequent funding periods

System for Award Management (SAM) - is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for SAM. All applicants must be registered in SAM before submitting an application for federal funding and continue to maintain an active SAM registration with current information at all times during an active award. A valid "unique entity identifier" will be required when applying with SAM (see Data Universal Numbering System (DUNS) for more information regarding the "unique entity identifier"). https://www.sam.gov/portal/SAM/#1

Supplies - All personal property (excluding equipment, intangible property, and debt instruments) items of expendable nature that are consumed, worn out, or deteriorated in use or that lose their identity through fabrication or incorporation into a different or more complex unit or substance.

Explanation of Grants Management Requirements

The following section elaborates on certain requirements included in legislation or regulations referred to in the "General Assurances" section. This section also explains the broad requirements that apply to federal program funds.

Accounts and Records

The recipient shall maintain all accounts, records, and other supporting documentation pertaining to all costs incurred and revenues or other applicable credits acquired under each approved project for a minimum of five years (see Section C, Fiscal and Program Accountability, Record Retention, for additional information).

Allowable Costs

In accounting for and expending project/grant funds, a recipient and/or sub-recipient may only charge expenditures to the project award if they are: (a) in payment of obligations incurred during the approved project period; (b) in conformance with the approved project; (c) in compliance with all applicable statutes and regulatory provisions; (d) costs that are allocable to a particular cost

objective; (e) spent only for reasonable and necessary costs of the program; and (f) not used for general expenses required to carry out other responsibilities of the recipient and/or sub-recipient. All recipients must have written procedures for determining allowability in accordance with Subpart E – Cost Principles of 2 CFR Part 200 and the terms and conditions of the project award.

Amendments

Unless otherwise stated, all project recipients shall use the project amendment requirements and procedures described in the *Project Application and Amendment Procedures for Federal and State Programs* administered by the Florida Department of Education (Green Book), Section B, Project Amendments.

Audits

This part is applicable for all non-Federal entities as defined in 2 CFR §200, Subpart F.

1. In the event that the recipient expends $750,000 or more in federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR §200, Subpart F. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR §200, Subpart F. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200, Subpart F, will meet the requirements of this part.

2. In connection with the audit requirements, the recipient shall also fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §200.508.

3. If the recipient expends less than $750,000 in federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, is not required. In the event that the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR §200, Subpart F, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

Audits – State-Funded Programs

This part is applicable if the project recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the project recipient expends a total amount of state financial assistance equal to or in excess of $500,000 in any fiscal year, the recipient must have a state single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other non-state entities.

State financial assistance does not include federal direct or pass-through awards and resources received by a non-state entity for federal program matching requirements.

2. In connection with the audit requirements above, the project recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General.

3. If the project recipient expends less than $500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the project recipient's resources obtained from non-state entities).

Pursuant to Section 215.97(8), Florida Statutes, state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.

Reports to be Submitted

Copies of reporting packages for audits conducted in accordance with 2 CFR §200, Subpart F, shall be submitted, as required by 2 CFR §200.512(d), by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- The Federal Audit Clearinghouse (FAC) in 2 CFR §200, Subpart F. requires the auditee to electronically submit the data collection form described in §200.512(b) and the reporting package described in §200.512(c) to FAC at: https://harvester.census.gov/facides/(S(mqamohbpfj0hmyh1r45p1po1))/account/login.aspx

Copies of financial reporting packages shall be submitted by or on behalf of the recipient directly to each of the following:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- Auditor General's Office
  401 Pepper Building
  111 West Madison Street
  Tallahassee, FL 32399-1450

Copies of reports or management letter(s) shall be submitted by or on behalf of the recipient directly to:

- Florida Department of Education
  Bureau of Contracts, Grants, and Procurement Management Services
  344 Turlington Building
  325 West Gaines Street
  Tallahassee, FL 32399-0400

- Florida Department of Education's program office at the address stated on the Project Award Notification

- In response to requests by a Federal agency, auditees must submit a copy of any management letters issued by the auditor, 2 CFR §200.512(e).

Any reports, management letters, or other information required to be submitted to the Department pursuant to this agreement shall be submitted timely in accordance with Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, as applicable.

Recipients, when submitting financial reporting packages to the Department for audits completed in accordance with 2 CFR §200, Subpart F, or Chapters 10.550 (local governmental entities) or 10.650 (non-profit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Davis-Bacon Act, as amended (40 U.S.C. 276a et seq.)

When required by federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a et seq.), as supplemented by Department of Labor (DOL) regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the

Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the DOL in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the federal awarding agency. DOL regulations, rules, and instructions concerning implementation of the Davis-Bacon Act and other labor laws can be found at Title 29 CFR Parts 1, 3, 5, 6, and 7.

Debarment, Suspension, and Other Responsibility Matters

As required by Executive Orders (E.O.) 12549 and 12689, Debarment and Suspension, and implemented at 2 CFR Part 180, for prospective participants in primary covered transactions, as defined in 2 CFR §§§180.120, 180.125 and 180.200, no contract shall be made to parties identified on the General Services Administration's *Excluded Parties List System* as excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding their exclusion status and that of their principal employees.

The federal government imposes this requirement in order to protect the public interest, and to ensure that only responsible organizations and individuals do business with the government and receive and spend government grant funds. Failure to adhere to these requirements may have serious consequences – for example, disallowance of cost, termination of project, or debarment. To assure that this requirement is met, there are four options for obtaining satisfaction that subgrantees and contractors are not suspended, debarred, or disqualified. They are:

The applicant certifies that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from covered transactions by any federal Department or agency.

- Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes; commission of embezzlement; theft, forgery, bribery, falsification, or destruction of records; making false statements; or receiving stolen property.

- Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in this certification.

- Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

Drug-Free Workplace (Grantees Other Than Individual)

As required by the Drug-Free Workplace Act of 1988 and implemented in 34 CFR §§84.200 and 84.610, the applicant certifies that it will continue to provide a drug-free workplace by:

- Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

- Establishing, as required by 34 CFR §84.215, an ongoing drug-free awareness program to inform employees about:

    - The dangers of drug abuse in the workplace.
    - The grantee's policy of maintaining a drug-free workplace.
    - Any available drug counseling, rehabilitation, and employee assistance programs.
    - The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

- Requiring that each employee engaged in the performance of the project is given a copy of this statement.

- Notifying the employee in the statement that, as a condition of employment under the project, the employee will:

    - Abide by the terms of the statement.
    - Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction.

- Notifying the agency in writing within 10 calendar days after receiving notice of an employee's conviction of a violation of a criminal drug statute in the workplace, as required by 34 CFR §84.205(c)(2), from an employee or otherwise receiving actual notice of employee's conviction. Employers of convicted employees must provide notice, including position title to:

    Director, Grants and Contracts Service
    U.S. Department of Education
    400 Maryland Avenue, S.W. [Room 3124, GSA – Regional Office Building No. 3]
    Washington, D.C. 20202-4571

    (Notice shall include the identification number[s] of each affected grant).

- Taking one of the following actions, as stated in 34 CFR §84.225(b), within 30 calendar days of receiving the required notice with respect to any employee who is convicted of a violation of a criminal drug statute in the workplace.

    - Taking appropriate personnel action against such an employee, up to and including termination consistent with the requirements of the Rehabilitation Act of 1973, as amended.
    - Requiring such employee to participate satisfactorily in drug abuse assistance or

rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

Making a good-faith effort to maintain a drug-free workplace through implementation of requirements stated above.

DUNS Number - Data Universal Numbering System

The federal government requires organizations to provide a DUNS number (unique entity identifier), and register with the System for Award Management (SAM), as part of their grant applications and proposals. The DUNS number (unique entity identifier), is a nine-digit number issued by the Dun and Bradstreet Company. This company provides business information for credit, marketing, and purchasing decisions. Some entities will also have what is known as "DUNS + 4," which is used to identify specific units within a larger entity.

Registering for a DUNS number (unique entity identifier), is free of charge with no obligation to purchase any products from the Dun and Bradstreet Company. An authorizing official of the organization should request the number. Generally, it only takes a day to obtain a DUNS number by phone (1-866-705-5711), while applications through the Dun and Bradstreet website can take up to 30 days.

All recipients and sub-recipients funded with federal funds must obtain a DUNS number (unique entity identifier), and register with SAM prior to applying/receiving a Project Award.

EDGAR - Education Department General Administrative Regulations

The federal grant administrative regulations for education (Title 34 CFR Parts 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99), was revised on December 26, 2014, with the implementation of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Grants Guidance), and delete 34 CFR Parts 74, 80, and 85 (Part 85 changed to 2 CFR Part 180) and included the deleted regulations into the Uniform Grants Guidance. Both administrative regulations (EDGAR and Uniform Grants Guidance), apply to all federal projects/awards.

General Education Provisions Act (GEPA) Requirements - Section 427 (Federal Requirement) Equity for Students, Teachers, and Other Program Beneficiaries

The purpose of Section 427 of GEPA is to ensure equal access to education and to promote educational excellence by ensuring equal opportunities to participate for all eligible students, teachers, and other program beneficiaries in proposed projects, and to promote the ability of such students, teachers, and beneficiaries to meet high standards. Further, when designing their projects, grant applicants must address the special needs and equity concerns that might affect the ability of students, teachers, and other program beneficiaries to participate fully in the proposed project.

Program staff within the granting institution must ensure that information required by Section 427 of GEPA is included in each application that the Department funds. *(There may be a few cases, such as research grants, in which Section 427 may not be applicable because the projects do not have individual project beneficiaries. Contact the Government Printing Office staff should you believe a situation of this kind exists.)* In addition, all application packages for discretionary grants and

cooperative agreements must include the "Notice To All Applicants"(attached) that explains the requirements of Section 427.

The statute highlights **six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, and age**. Based on local circumstances, the applicant can determine whether these or other barriers may prevent participants from access and participation in the federally assisted project, and how the applicant would overcome these barriers.

These descriptions may be provided in a single narrative or, if appropriate, may be described in connection with other related topics in the application. Applicants should be asked to state in the table of contents where this requirement is met.

Department program staff members are responsible for screening each application to ensure that the requirements of this section are met before making an award. If this condition is not met, after the application has been selected for funding the program staff should contact the applicant to find out why this information is missing. Documentation must be in the project file indicating that this review was completed before the award was made. If an oversight occurred, the program staff may give the applicant another opportunity to satisfy this requirement, but must receive the missing information before making the award, 34 CFR §75.231.

All applicants for new awards must satisfy this provision to receive funding. Those seeking *continuation* awards do not need to submit information beyond the descriptions included in their original applications.

Gun Possession

As required by Title XIV, Part F, and Section 14601 (Gun-Free Schools Act of 1994) of the Improving America's Schools Act.

- The applicant certifies that in compliance with Section 1006.13(3) (a), Florida Statutes, any student who is determined to have brought a firearm, as defined in 18 U.S.C. s. 921, to school, any school function, or on any school-sponsored transportation will be expelled, with or without continuing educational services, from the student's regular school for a period of no less than one full year, and referred to the criminal justice or juvenile justice system.

- School boards may assign the student to a disciplinary program or second-chance school for the purpose of continuing educational services during the period of expulsion.

- Superintendents may consider the one-year expulsion requirement on a case-by-case basis and request that the school board modify the requirement if determined to be in the best interest of the student and the school system.

Indirect Cost and Administrative Fees

School District - The Department has been given authority by the U. S. Department of Education to negotiate indirect cost proposals and to approve indirect cost rates for school districts. School districts are required to develop an indirect cost proposal and, if they fail to do so, they will not be allowed to recover any indirect costs. Amounts from zero to the maximum negotiated rate may be

approved for a program or project by the Department of Education's Comptroller. Indirect costs shall only apply to federal projects.

State Agencies, Local Governments, Indian Tribal Governments, Universities, Colleges and all Non-Governmental Agencies - The Department will allow state universities, state colleges, private colleges and universities, and non-governmental agencies to charge an indirect cost (administrative and/or overhead) up to eight percent or the agency's restricted rate approved by the appropriate cognizant agency, **whichever is lower**. This rate may be charged on the total direct costs disbursed less the amounts of subcontracts in excess of $25,000, stipends, tuition and related fees, and items of equipment, alterations, renovations, and flow-through funds ("pass through" to another entity) on projects issued by the Department. This rate is intended to be all-inclusive of typical administrative and overhead costs, including but not limited to, rental of office space, bookkeeping and accounting services, and utilities. In the alternative, the Department will approve an indirect cost rate of eight percent plus the direct charges for typical administrative and overhead costs such as office space rental when such costs can be directly and appropriately allocated to the program. To recover indirect costs above eight percent, agencies other than school districts must furnish to the DOE's Comptroller's Office a copy of their current negotiated restricted indirect cost plan that has been approved by the appropriate cognizant agency. Amounts from eight percent to the maximum negotiated rate may be approved for a program or project by the Department's Comptroller. For agencies that may have indirect cost in excess of the eight percent limit may not charge directly, use to satisfy matching or cost sharing requirements, or charge to another federal award. Indirect costs shall only apply to federal projects.

Restrictions on Funds for Administration

Restrictions on the amount or percentage that can be charged to a project's administration (which includes indirect cost) will be reflected in the RFP or RFA and/or in the approved Project Award notification or amendment, where applicable.

Administrative Fee for Non-Federal Funds

An administrative fee may be approved by the Department for non-federal projects not to exceed five percent of the total cost of the project.

Interest Income

Based on Section 216.181(16) (b), Florida Statutes, and 2 CFR Part §200.305 (9), project/grant recipients shall remit on an annual basis all interest earned on cash advanced by the Department.

Lobbying

In accordance with Section 216.347, Florida Statutes, the disbursement of grants and aids appropriations for lobbying is prohibited. The Department may not authorize or make any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency. The provisions of this section are supplemental to the provisions of Section 11.062, Florida Statutes, and any other law prohibiting the use of state funds for lobbying purposes.

As required by Section 1352, Title 31, of the U.S. Code, and implemented in 34 CFR Part 82, for persons entering into a grant or cooperative agreement over $100,000, as defined in 34 CFR §§82.105 and 82.110, the applicant certifies that:

- No federally appropriated funds have been paid or will be paid by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any federal grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement.

- If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, contracts under grants, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

Monitoring

In addition to reviews of audits conducted in accordance with 2 CFR §200, Subpart F, and Section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits, and/or other procedures. By entering into this agreement (Project/Grant), the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

More Restrictive Conditions

Project recipients found to be in noncompliance with program and/or fund source requirements or determined to be "high risk" shall be subject to the imposition of more restrictive conditions. (See Section G, Conditions for the Approval of Project Applications and Project Amendments, or the Termination of a Project for additional information.)

Obligations by Project Recipients

Obligations will be considered to have been incurred by project recipients on the basis of

documentary evidence of binding commitments for the acquisition of goods or property or for the performance of work, except that funds for personal services, for services performed by public utilities, for travel, and for the rental of facilities shall be considered to have been obligated at the time such services were rendered, such travel was performed, and/or when facilities are used.

Ownership of Products—Intellectual Property

The ownership of products resulting from a project, which are subject to intellectual property rights, shall remain with the Department unless such ownership is explicitly waived. The following terms and conditions apply to all grants and project recipients, unless explicitly waived:

- With respect to all products created by the grantee for this project, said materials will be the property of the Department.

- To the extent that any product constitutes a "work" within the meaning of U.S. copyright laws, 17 U.S.C.S. 101, et seq., it shall be a "work for hire." In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the contractor shall assign and convey to the Department all right, title, and interest in the product or material and require its employees and subcontractors to do the same.

- The grantee agrees that its employees will not assert any ownership of the product produced under the project. The grantee shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure the Department's rights.

- Any claim by the grantee of ownership of pre-existing copyrights should be explicitly stated in the project documentation.

- The grantee agrees that if it hires any third party to perform any work on the project, the work shall be on a "work for hire" basis and shall not in any way infringe upon the Department's ownership of the product.

- The grantee agrees not to convey any rights in the product to a third party.

- If the grantee hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the grantee and the Department the non-exclusive license to use the product.

- A licensing agreement or other agreement regarding the use of intellectual property developed under the project may be developed between the Department and grantee in order to further the use of the products in the educational community.

Participation of Private School Students and Staff in Federal Grants

Students and staff of nonpublic schools shall be given an opportunity for equitable participation in activities or services conducted by school districts using federal funds. Appropriate personnel must be aware of, and consult, program-specific guidelines discussed in the applicable program statute,

regulations, and guidance documents.

Personnel Costs – Time Distribution

Charges to federal projects for personnel costs, whether treated as direct or indirect costs, are allowable to the extent that they satisfy both the Department's requirements and the specific requirements of 2 CFR §200.430, and will be based on payrolls documented in accordance with generally accepted practices of the local educational agency (LEA) and approved by a responsible official(s) of the LEA.

When employees work solely on a single federal award or cost objective, charges for their salaries and wages must be supported by personnel activity reports (PARs), which are periodic certifications (at least semi-annually) that the employees worked solely on that program for the period covered by the certification. These certifications must be signed by the employee or a supervisory official having firsthand knowledge of the work performed by the employee.

When employees work on multiple activities or cost objectives (e.g., more than one federal project, a federal project and a non-federal project, an indirect cost activity and a direct cost activity, two or more indirect activities which are allocated using different allocation bases, or an unallowable activity and a direct or indirect cost activity), the distribution of their salaries or wages will be supported by personnel activity reports or equivalent documents that meet the following standards:

- Reflect an after-the-fact distribution of the actual activity of each employee
- Account for the total activity for which each employee is compensated
- Prepared at least monthly and must coincide with one or more pay periods
- Signed and dated by the employee

The U.S. Department of Education has approved for use in Florida a substitute system for allocating salaries to federal projects. As part of this substitute system, the Personnel Activity Reporting System (PARS) may be implemented by school districts so long as it is implemented in accordance with the Department's approved substitute system. This document is available upon request from the Department's Bureau of Contracts, Grants, and Procurement Management Services. When school districts choose to use the substitute system, no variations are allowed without specific written authorization from the Department. School districts choosing not to use the approved substitute system must implement a system that meets all of the requirements of both the Department and 2 CFR §200.430. School districts choosing to use the Department's substitute system must furnish to DOE's Comptroller's Office the district's policies and procedures, which specify the reporting months, as well as the actual time reporting instrument for approval. For each district given authorization to adopt a substitute system, a written approval/agreement will be in effect for the duration of the district's participation in the substitute system or until such time as the requirements change for the Department.

Note: This does not authorize school districts to consolidate administrative funds except as otherwise stated in the project award notification or to use "teams" as a basis for allocating personnel

cost. These methods apply only to the Department.

Project Effective Dates

For federal programs, funds shall be obligated no earlier than the date the project application was received by the Department and determined to be in substantially approvable form or the effective date of the federal grant award, whichever is later.

For state programs, funds shall be obligated no earlier than the effective date of the legislative appropriation, usually July 1.

All Project Award Notifications reflect the beginning and ending dates of the project period and the date for submission of the final expenditure report. All conditions stated in the award notification are considered binding on the project recipient.

Property

Property purchased, in whole or in part, with federal funds shall be used for the purpose of that federal program and accounted for in accordance with applicable federal and state statutes, rules, and regulations, as follows.

Disposition of Equipment - Based on Section 273.055, Florida Statutes, and Rules 69I-72.002, and 69I-73.005, Florida Administrative Code, when original or replacement equipment acquired under a grant or sub-grant is no longer needed for the original project or program or for other activities currently or previously supported by a federal agency, disposition of the equipment will be made as follows:

- Items of equipment with an acquisition cost of less than $1,000 may be retained, sold, or otherwise disposed of with no further obligation to the awarding agency. Income received from these sales will not be reported to the Department.

- Items of equipment with an acquisition cost in excess of $1,000 and a useful life of one year or more may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

- In cases where a grantee or sub-grantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or sub-grantee to take excess and disposition actions.

The Department's policy concerning proceeds received from the sale of property with a current per unit fair market value of $1,000 through $5,000 is the net amount received from such sales will remain at the sub-grantee level to be used in the same ongoing program. Funds from such sales will be treated as other program income in the same ongoing program(s). This type of income must be amended into a current year's project in which the sale occurred. It should then be reported on line 11 of the Project Disbursement Report (form DOE 399, DOE 499, or DOE 599) as a total for the fiscal year in which the sale(s) occurred. This identification of income is necessary to meet reporting requirements of the United States Department of Education. Complete documentation for this type of income and expenditures must be maintained for monitoring and auditing purposes. Income from the sale of this type of property should be recorded in the agency's special revenue account as other

income and identified as such for the federal cash advance reconciliation at the end of each fiscal year. If the agency is no longer receiving funds for the particular project or program, the income from such equipment sales will be returned to the Department to be forwarded to the United States Department of Education.[1] Equipment that was initially purchased with federal funds with a current per-unit fair market value in excess of $5,000, must be processed in accordance with 2 CFR §200.313(e)(2), with the assistance and written approval of the Department.

Disposition of Real Property - Disposition of real property will be handled on an individual basis. The local educational agency will also coordinate real property dispositions with the program coordinator responsible for the particular project or program from which the real property was purchased. Property purchased entirely with state funds shall meet the minimum requirements of the Auditor General as defined in the County and District Tangible Personal Property publication in addition to local procedures. (See Section F, Program Income, Interest Income, and the Disposition of Equipment, for additional information.)[2]

Inventory of Property – All project recipients must ensure that a complete physical inventory of all property is taken at least once each fiscal year. Chapter 69I-72.006, Florida Administrative Code.

Protected Prayer in Public Elementary and Secondary Schools

As required in Section 9524 of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the No Child Left Behind Act of 2001, school districts and other local education agencies must certify annually that they have no policy that prevents or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools.

Purchasing

All recipients and subrecipients must have documented procurement policies and procedures that meet the minimum requirements of federal and state statutes, rules, and regulations. Under the Uniform Administrative Requirements, the procurement standards are located at 2 CFR §§200.317 – 200.326.

Reporting Requirements—Financial Disbursements

Federal project recipients on cash advance are required to report disbursements using the Cash Advance and Reporting of Disbursements System (CARDS)[3] and by submitting a Project Budget Summary and Disbursement Report (DOE 399, DOE 499, or DOE 599) annually for each active project. These reports must be received in the DOE's Comptroller's Office by the 20th of the month succeeding the final month in which the disbursements were made. Failure to submit these reports in a timely manner may result in a decrease or delay in the monthly cash advance or loss of funds. Other federal project recipients are required to report in accordance with instructions stated in the Project Award Notification. State project recipients shall submit reports as required by the Department. Audit reports shall be sent in accordance with Section 215.97, Florida Statutes, to:

[1] Upon termination of a project, and at the discretion of the Department, all equipment/property purchased with project funds will be transferred to the location(s) specified by the Department and all necessary actions to transfer the ownership records of the equipment/property to the Department or its designee, will be taken.
[2] Ibid
[3] CARDS Cash Advance and Reporting of Disbursements System), is scheduled to be replaced with FLAGS (FLA Grants System). When replaced, all references to CARDS will be FLAGS.

Florida Department of Education
Bureau of Contracts, Grants, and Procurement Management Services

325 W. Gaines Street
Tallahassee, FL 32399-0400

Retention and Access to Records

Requirements related to retention and access to project/grant records, are determined by federal and state laws, rules, and regulations. Federal regulation 2 CFR §200.333, addresses the retention requirements for records that applies to all financial and programmatic records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal or Project award. If any litigation, claim, or audit is started before the expiration date of the retention period, the records must be maintained until all ligation, claims, or audit findings involving the records have been resolved and final action taken.

In Florida, the General Records Schedule GS1-SL for State and Local Government Agencies (available at http.//dos.myflorida.com/library-archives/records-management/general-records-schedules/) includes the following requirements related to grant files for recipients:

> This record series documents activities relating to grant-funded projects conducted by the grant recipient, including the application process and the receipt and expenditure of grant funds. These files may include, but are not limited to, grant applications; contracts; agreements; grant status, narrative, and financial reports; and supporting documentation. Project completion has not occurred until all reporting requirements are satisfied and final payments have been received.

The length of retention for these records in Florida is five years after the completion of the project provided applicable audits have been released.

Access to records of the grantee and subgrantees and the expiration of the right of access is found at 2 CFR §200.336 (a) (c), which states:

> (a) Records of non-Federal entities. The Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the pass-through entity, or any of their authorized representatives, including but not limited to the, Florida Department of Education, Florida Department of Financial Services, and the Auditor General of the State of Florida, must have the right of access to any documents, papers, or other records of non-Federal entity which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right also includes timely and reasonable access to the non-Federal entity's personnel for the purpose of interview and discussion related to such documents.
>
> (c) Expiration of right of access. The rights of access in this section are not limited to the required retention period but last as long as the records are retained.

Single Audit Act

- If a recipient expends **state** financial assistance equal to or in excess of $500,000 in a fiscal year,

that recipient is subject to the requirements of the Florida Single Audit Act (see Resources).

- If the recipient expends **federal** financial assistance equal to or in excess of $750,000 in a fiscal year, the recipient is subject to the requirements of the Federal Single Audit Act.

Projects/Grants awarded by the Florida Department of Education to subrecipients will be subject to audits and/or monitoring by the Department.

Supplement, Not Supplant

In accordance with program-specific authorizing laws and regulations implementing those laws, federal funds must generally be used to increase, to the extent practical, the level of nonfederal funds that would be available in the absence of federal funds, and in no case to replace these nonfederal funds.

The Stevens Amendment

All federally funded projects must comply with the Stevens Amendment of the Department of Defense Appropriation Act, found in Section 8136, which provides:

> When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds, including but not limited to state and local governments, shall clearly state (1) the percentage of the total cost of the program or project which will be financed with federal money, (2) the dollar amount of federal funds for the project or program, and (3) the percentage and dollar amount of the total costs of the project or program that will be funded by non-governmental sources.

Travel

All travel performed in connection with approved project activities must be in compliance with the current Section 112.061, Florida Statutes, which covers per diem allowance and travel expenses. The Florida Department of Education's Travel Manual is available at: http://www.fldoe.org/core/fileparse.php/5625/urlt/0076987-travelmanual.pdf .

Section 112.061(14), Florida Statutes, Applicability to Counties, County Officers, District School Boards, Special Districts, and Metropolitan Planning Organizations, establishes statutory authority allowing specified entities to establish travel reimbursement rates other than those established by Section 112.061(6)(a), (6)(b), and (7)(d), Florida Statutes. Each entity must comply in accordance with the statute, and include with the project application a copy of the applicable document, e.g., ordinance, resolution, policy, or rule, and have a detailed description on the project budget form.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

The Uniform Grants Guidance or UGG (2 CFR Part 200), went into effect on December 26, 2014, which consolidated previous requirements from OMB Circulars A-21, A-87, A-89, A-102, and A-110, A-122, A-133 into a uniform set of rules.. The focus for the change, from the Office of

Management and Budget (OMB) is streamlining the Federal government's guidance on Administrative Requirements, Cost Principles, and Audit Requirements for Federal awards. These regulations are required for all federally funded projects/programs.

2022-23 21st CCLC Subrecipient Assurances

The subrecipient agrees to the program requirements and expectations for the implementation of the 21st CCLC program as outlined in the Request for Proposals (RFP) and the assurances below. Each assurance must be initialed by the Agency Head. The final page must be signed by the agency head.

Program Operations

The 21st CCLC program will be fully operational and providing services to students within **30 calendar days** of receiving the DOE 200 award notification or within **14 calendar days** from the first day of incurring 21st CCLC expenditures, whichever is earlier. (____)

Academic Focus

All academic services will be aligned with the curriculum in the core subject areas of each of the schools attended by the participating students. (____)

Evidence-based Research

Program activities will be implemented based on evidence-based practices using the levels of evidence in the Every Student Succeeds Act. Activities must be based in evidence that shows that the students will meet challenging State academic standards. (____)

Supplement, Not Supplant

Funds under this part will be used to increase the level of state, local and/or other nonfederal funds that would, in the absence of funds under this part, be made available for programs and activities authorized under this part, and in no case supplant federal, state, local or non-federal funds. Subrecipients must also coordinate Federal, State, and local programs to make the most effective use of resources. (____)

Facilities

Program facilities will be as available and accessible to participants as the students' local school. The facilities have sufficient resources to provide all proposed and required activities. The program will maintain equipment, security, resources and a clear strategy for the safe transportation of students to and from the center and home. The program will take place in a safe and easily accessible facility as outlined in the RFP, Florida Statutes and Florida Administrative Code. (____)

Supplemental Meals

Students will be provided nutritious snacks and/or meals that meet the requirements of the United States Department of Agriculture (USDA) guidelines for afterschool snacks and summer meal supplements. A supplemental snack will be offered to each student, each day. A meal will be offered to each student when the program exceeds four hours of operation each day. Snacks/meals **cannot** be purchased with 21st CCLC funds and must come from other resources. Students will **not** be charged for costs associated with supplemental snacks/meals. (____)

Students with Special Needs

Students with special needs will be afforded the same opportunities as children in the general population. Students with special needs include those who may be identified as English language learners (ELLs); homeless; migrant; or with physical, developmental, psychological, sensory or learning disabilities that result in significant difficulties in communication, self-care, attention or behavior, and are in need of more structured, intense supervision. Children with special needs shall not be excluded from the 21st CCLC program, regardless of the level or severity of need, provided that they can be safely accommodated. ( )

For Federal Programs - General Education Provisions Act (GEPA)

A concise description of the process to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs was submitted with the proposal. For details refer to Section 427 of GEPA, Public Law 103-382, at www2.ed.gov/fund/grant/apply/appforms/gepa427.doc ( )

Collaboration with Schools

The program was developed and will be implemented in active collaboration with the schools attended by participating students and the community ( )

Community Awareness

The subrecipient gave notice to the community of its intent to submit an application to operate a 21st CCLC program. The agency will provide for public availability and review of the application and any waiver request after submission. ( )

Property

Property acquired with 21st CCLC funds will remain within the appropriate facility for continued use in the 21st CCLC program until the funding period has expired. If the 21st CCLC program no longer exists at the end of the program period, all equipment will be distributed to another federal program. ( )

Records Retention

The subrecipient will retain all records relating to the 21st CCLC program for which federal funds are received for a period of five (5) years after the completion of the last activity of the program or until such time as all pending reviews or audits have been completed and resolved. ( )

Monitoring and Evaluation Activities

The subrecipient will fully cooperate with all monitoring, auditing, evaluation and reporting requirements established by the Florida Department of Education (FDOE) and/or authorized representatives. The program will submit all required data and reports, as required and/or requested, to the State of Florida (Florida Department of Financial Services and the Florida Department of Education) and the United States Education Department (USED). ( )

Student Safety

The subrecipient will ensure that all procedures and regulations for health, fire, safety, pick-ups, parental/guardian consents, transportation, field trips, food, medical and other

emergency procedures will be clearly listed and widely disseminated, and that they will conform to applicable local and state standards. (CS)

Suspension of the Grant

The department may suspend or terminate the grant with 30 days notice, in whole or in part, if federal funds supporting the grant are reduced or withdrawn, or for nonperformance by the subrecipient at any time during the term of the grant. The FDOE and the subrecipient may suspend or terminate the agreement, in whole or in part, upon mutual agreement. (CS)

Financial Consequences

If the subrecipient fails to meet and comply with the activities established in the approved application or make appropriate progress on the activities, and they are not resolved within two weeks of notification, the department will (1) approve a reduced payment, (2) request the applicant redo the work, if possible and/or (3) terminate the project. Activities subject to financial consequences include failure to meet student attendance targets, operate the program as indicated in the program schedule, report programmatic data, submit deliverables or meet the performance goals of the program. (CS)

By accepting grants funds, the undersigned hereby assures and agrees that, in accordance with statutes and regulations, the agency will comply with program assurances listed above; the approved application; the applicable rules, regulations and laws; and the rules, requirements, and expectations contained in the RFP.

Assurance of Providing Equitable Services for Private Schools (Private School Participation)

21st CCLC programs are required to provide equitable services to eligible private school students, teachers and other education personnel. Applicants must assure that the agency has and will continue to ensure timely and meaningful consultation for equitable services to private school children and teachers within the local education service areas. 21st CCLC programs must, at a minimum, consult with officials from those private schools located in the specific geographic area(s) served by program site(s).

In accordance with 34 C.F.R. Part 76.656, provide the following information in reference to consultation and participation of eligible private schools in Title IV, Part B, 21st CCLC:

(a) A description of how the applicant will meet the federal requirements for participation of students enrolled in private schools.

While there are no private schools within the attendance zones of the targeted schools, the district continued consultation and collaboration efforts with private schools in November 2021 during the annual private schools fair. Email communications were sent to private schools who had not opted out of services, specifically 21st CCLC services, in January 2022. Further communication via certified letters, emails and phone calls will be made during the summer of 2022 to ensure private schools and their students can be served if they choose.

(b) The number of students enrolled in private schools who have been identified as eligible to benefits under the program.

At this time no students have been identified as eligible to receive services. Ongoing consultation will occur to identify eligible students and provide services as required.

(c) The places and times that the students will receive benefits under the program.

If students are identified as eligible to receive services through the 21st CCLC grant, these students would receive services at the targeted school site Monday through Friday after school between the hours of 3:15pm and 5:45pm on days when school is in session.

(d) The differences, if any, between the program benefits the applicant will provide to public and private school students, and the reasons for the differences.

There will be no differences in the services and benefits provided to public and private school students. All students regardless of the school in which they attend will receive the same level of service including programming days and hours and activities.

☑ Check this box if there are NO private schools located within the geographic area(s) of the site(s) where the 21st CCLC program is located.

March 11, 2022

Manatee County School District
2501 63rd Avenue East
Bradenton, FL 34203

Dear Holli Vigna, Program Administrator Extended Day Enrichment Program (EDEP),

The University of Florida/IFAS Extension Family Nutrition Program commits to participating in and supporting the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. As such, the below prospective "commitments" will adjust based on future examination and funding availability for our programs.

The Family Nutrition Program (FNP) is the Florida component of the USDA's Supplemental Nutrition Assistance Program (SNAP-Ed). The goal of SNAP-Ed is to improve the likelihood that low-income individuals, including those eligible for SNAP, will make healthy food choices within a limited budget, become more physically active, and reduce time spent in sedentary behaviors as part of a healthy lifestyle.

The Family Nutrition Program is delivered through UF/IFAS Cooperative Extension Service. UF/IFAS is a federal-state-county partnership dedicated to developing knowledge in agriculture, human and natural resources, and the life sciences, and enhancing and sustaining the quality of human life by making that information accessible. We are currently in a multi-year contract to provide SNAP-Education throughout Florida, and in the process of applying for another multi-year contract that would begin October 2022. We have been continually funded for this project since 1996 As such, the below perspective "commitments" will adjust based on future examination and funding availability for our programs.

FNP will contribute to providing nutrition education at Manatee Elementary, Palmetto Elementary, Palm View K-8, Lincoln Middle School and Lee Middle School through September 2022.

Sincerely,

Karla P. Shelnutt

March 28, 2022

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

On behalf of the Manatee Technical College (MTC), I am writing to support the School District of Manatee County as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. I understand that if this grant application is awarded, several schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support during the proposed grant cycle.

MTC has been serving the local community for more than 50 years. Today, with almost 50 programs, MTC offers training for careers in 15 of the 20 fastest growing industries. The Bradenton Area Economic Development Corporation, Manatee Chamber of Commerce, CareerSource Suncoast, and many local companies count on MTC to help meet local workforce demands and attract new business and industry to Manatee County.

To demonstrate our commitment to the 21st Century Community Learning Centers, we at MTC will provide support for learning activities including Career Readiness for middle school students and STEM initiatives for students in grades K-8. In addition, we plan to recruit teachers and staff from MTC to work with each community learning center, serving as volunteers, quest speakers, and facilitators.

We look forward to a continuing partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

Valerie Viands, Ed.D

RE: Letter of Support for 21st CCLC Grant Application

Dear Ms. Dezso,

We would like to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours. The Bishop is proud to continue to support you in providing these services as we have in the past.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through our 8-week-long series of weekly science programming designed for students grades 3 to 5. By partnering to provide this program, we aim to inspire students to engage in science, support science skills and understanding, and ultimately help to prepare them for the 5th grade Statewide Science Assessments. In addition, we will work with the district to help provide additional resources or services as needed. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Sincerely,

Casey McCabe and Christine Michael
Co-Curators of Learning

RE: Letter of Support for 21st CCLC Grant Application

To Whom It May Concern:

As the Executive Director of Education & Life Long Learning for the Van Wezel Foundation, we are pleased to extend our support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. We understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. We feel this is an exciting opportunity for our community and are excited to work together to provide support over the four-year grant cycle and beyond

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Center, we will provide support through continuation of our After School Arts Integration programs. These lessons are taught by professional teaching artists, and assist with learning in arts and academic subject areas. We look forward to a continuing partnership with the 21st Century Community Learning Center and the School District of Manatee County.

Thank you for all you do in support of the students and families within our community.

Dear Ms. Vigna,

The Manatee Education Foundation is writing in support of the 21st Century Community Learning Center grant application for Manatee Elementary, Palmetto Elementary, Palm View K-8, Lee Middle School, and Lincoln Middle School. We strongly support this grant application to provide positive enrichment opportunities for students in the School District of Manatee County.

The Manatee Education Foundation agrees to contribute $100.00 for four years to purchase books for CCLC participants to boost literacy and academic achievement.

Thank you for your work to provide enhanced educational opportunities for students in the School District of Manatee County.

Sincerely,

Mary Glass

Extended Day Enrichment Program

March 30, 2022

RE: Letter of Support Nita M. Lowey 21st CCLC Request for Proposal

To Whom It May Concern:

The Extended Day Enrichment Program would like to extend our support for the 21st Century Community Learning Centers Request for Proposal for Palmetto and Manatee Elementary Schools. We understand that if this grant application is approved, schools will become community learning centers providing services for students and their families. We know this is an exciting opportunity for our community as well as the schools included in the grant. We are pleased to partner with the district and the schools and provide support.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, we will provide support for each 21st CCLC site by purchasing and donating books for students in the program. This will support reading at home and provide materials for students to use in the home. In addition, we will help provide additional resources for students and their families including pencils for student use at both home and school and support for special activities and family member services. The EDEP bookkeeper will also serve as the 21st CCLC bookkeeper, however, no funds from the grant will be used to cover costs for this position. This cost sharing allows more money for direct services to students and their family members and increases our commitment as a partner. The value of donated items is approximately $500 per site and the value of the EDEP bookkeeper's time is estimated at $1500 per site.

We wish you luck in your application for the 21st Century Community Learning Centers Grant and hope we will have the opportunity to assist the district in serving the students and families of our community.

Sincerely,

Elizabeth Thompson

RE: Letter of Support 21st CCLC Grant

Greetings:

We would like to extend our support to you and Manatee County Schools as you apply for the 21st Century Community Learning Centers Grant. We understand that if this grant application is approved targeted elementary schools will become community learning centers providing services for students and their families. We feel this is an exciting opportunity for our community as well as your schools and are happy to work with you in making this happen.

The Campaign for Grade Level Reading is a community wide effort to help all children, especially those from low income families, succeed in school by ensuring they read on grade level and by the end of third grade.

The Campaign for Grade Level Reading addresses the most common issues and obstacles impacting a child's ability to read; school readiness, school attendance, summer learning, healthy families and parent engagement. Our initiative is designed to explore new ways to deliver the support and resources children need to achieve reading proficiency early in life and build a strong foundation for future success.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

To demonstrate our commitment to your 21st Century Community Learning Centers, the Soar in 4 program will provide support for each 21st CCLC site through family engagement and literacy and healthy families events. In addition, we will work with the district and grant personnel to help provide additional resources or services as needed. The value of these services would be approximately $2,500.

We wish you luck in your application and hope we will have the opportunity to serve the students and families at the selected sites.

Sincerely,

Dr. Sheila Halpin

RE: Letter of Support for 21st CCLC Grant Application

To Whom it May Concern:

I would like to extend my support for the Manatee County School District's Nita M. Lowey 21st Century Community Learning Centers Grant. I understand the applications will be for community learning centers at both elementary and middle school. This is an exciting opportunity for our schools and community; I am excited to work together to provide support during the grant cycle and beyond.

As the Executive Director of the Adult Career and Technical Education Department (ACT), I am committed to providing staffing and resources to support learning activities at the participating schools not only through my department but through Manatee Technical College. I will encourage faculty and staff to volunteer and share their expertise with the students through equipment demonstrations, activity lessons, and group presentations.

I look forward to creating a lasting partnership with the 21st Century Community Learning Centers and the School District of Manatee County. Thank you for all you do in support of the students and families within our community.

Sincerely,

Paul M. Gansemer, Ed.D.

Re: Letter of Support for 21st CCLC Grant and Partner Contributions

To Whom It May Concern:

Please accept this letter from the School District of Manatee County in support of the Nita M. Lowey 21st Century Community Learning Centers request for proposal for Manatee and Palmetto Elementary Schools. By providing high quality educational experiences beyond the school day and facilitating special family events for at-risk students, we will close achievement gaps and students will gain valuable life skills. 21st CCLC will play a vital role in supporting student learning of the new B.E.S.T standards and provide activities to complement core academic programs. 21st CCLC enrichment opportunities give students time for creative and innovative thinking and provide parents much-needed resources for academic success.

To demonstrate our commitment to the 21st Century Community Learning Centers grant, the district's Extended Day Enrichment Program (EDEP) will provide a portion of time from the district-paid junior accountant to perform bookkeeping services related specifically to the grant. This contribution will allow more grant funds to be spent on direct services to students, which will enhance the educational impact for participating students. The in-kind donation is estimated at $1,500.00 per site. We anticipate continuing this service and in-kind donation for each year of funding. In addition, EDEP will provide funds in the amount of $1,000.00 per site to purchase books for students and materials and supplies for family engagement. The total contribution for this partnership will be $5,000.00.

The School District of Manatee County will support this grant application and the school programs for a successful implementation of 21st CCLC. Students and families will greatly benefit from the additional services and resources.

Sincerely,

RE: Program Team Letter of Support

Dear Ms. Gonzalez,

I am pleased to support Manatee Elementary School in their application for the Nita M. Lowey 21st Century Community Learning Centers grant and commit to serve on the Program Team that will begin planning and designing the program for students and their families. If awarded, I understand this will be a multi-year commitment in which my support will be required.

I believe this opportunity will support students and their families in numerous ways. I am excited and look forward to my role in making this program a success for all involved. As a district representative, I bring years of experience and knowledge regarding after school programming and tutoring to the Team. I pledge to attend planning meetings and continued support throughout the grant period.

Thank you for including me in this important process. I look forward to learning more and helping the students, families, and community.

Manatee Elementary – A Community Partnership School

Vision Manatee Elementary strives to achieve. improved student learning, stronger families, and a healthier community

Mission. Manatee Elementary School partners directly with the families and community to focus on consistent Attendance, appropriate Behavior, academic Competencies, whole-child Development, engaging Enrichment, and comprehensive Health

March 10, 2022

To Whom It May Concern:

I am pleased to write this letter in support of the School District of Manatee County's Nita M. Lowey 21st CCLC grant application for Manatee Elementary School. The 21st CCLC will be greatly beneficial to our community, students and families as this program is designed to enhance academic achievement and promote personal success. As Principal, I have participated in the design of the proposal, along with members of the program team. I am eager to help and support the project, staff, students and their families.

To this effort, our school will be focused on serving the needs of our students, families and community through meaningfully designed activities based on our needs assessment. The 21st CCLC program will be linked to the regular school day. Remediation, acceleration, and enrichment activities will be included to engage all students. Activities will support grade level standards, while providing an exciting and fun way to engage students in the learning process.

As Principal, I will meet regularly with the site coordinator to ensure program goals and objectives are being met. We will work together to identify students for enrollment, review data, and encourage communication between the regular day teachers and afterschool staff. The program team will meet quarterly to support the 21st CCLC program by monitoring progress, coordinating partners, and reviewing and revising the program as needed. I will promote the 21st CCLC program during our Community Partnership Cabinet Meetings, Community Partnership Leadership Council Meetings, as well as during our SAC and faculty meetings to increase support and engagement from the Community Partnership cabinet leaders, community partners, parents, and staff. I support the use of our school building, our campus, and our staff for the 21st CCLC program. This partnership is essential as we work to strengthen our Community Partnership School model and help students and their families.

Sincerely,

Lourdes M. Gonzalez, Principal

We will work together to identify students for enrollment, review data, and encourage communication between the regular day teachers and afterschool staff. The program team will meet quarterly to support the 21st CCLC program by monitoring progress, coordinating partners, and reviewing and revising the program as needed. I will promote the 21st CCLC program at SAC and faculty meetings to increase support and engagement from parents and faculty. I support the use of our school building, our campus, and our staff for the 21st CCLC program. This partnership is essential as we work to help students and their families.

Sincerely,

Billie-Jo Tyne Fintel

RE: Letter of Support for 21st CCLC Grant Application

Dear Palmetto Elementary School,

I would like to extend my support to your school and the Manatee County School District as you apply for the Nita M. Lowey 21st Century Community Learning Centers Grant. I understand that if this grant application is awarded your school will become a community learning center providing services for students and their families. I am committed to serving on your program team and feel this is an exciting opportunity for our community. I am excited to work together to design the program and provide support over the four- year grant cycle and beyond.

By providing after school activities for students and events for families, learning gaps will be reduced and students will gain valuable life skills while participating in academic and enrichment activities. The services provided will also help parents manage their responsibilities as they relate to education and safety during after school hours.

Thank you for all you do in support of the students and families within our community.

Sincerely,

Community Member
Pastor of Church of Hope

RE: Letter of Support for 21st CCLC Grant Application

To Whom It May Concern,

I am pleased to support Palmetto Elementary in their application for the Nita M. Lowey 21st Century Community Learning Centers grant and commit to serve on the program team that will begin planning and designing the programs for students and their families. If awarded, I understand this will be a multi-year commitment in which my support will be required.

I believe this opportunity will support students and their families in numerous ways. I am excited and look forward to my role in making this program successful for all involved.

Thank you for including me in this important process. I look forward to learning more and helping the students, families, and community.

Sincerely,

Andrea Padron, PES Parent

RE: Program Team Letter of Support

Dear Ms. Tyne-Fintel,

I am pleased to support Palmetto Elementary School in their application for the Nita M. Lowey 21st Century Community Learning Centers grant and commit to serve on the Program Team that will begin planning and designing the program for students and their families. If awarded, I understand this will be a multi-year commitment in which my support will be required.

I believe this opportunity will support students and their families in numerous ways. I am excited and look forward to my role in making this program a success for all involved. As the Career Pathways Coordinator, I bring years of experience and knowledge to the team related to higher education and career opportunities for students. I pledge to support partnerships with State College of Florida and Manatee Technical College to bring information and support for students and their families.

Thank you for including me in this important process. I look forward to learning more and helping the students, families, and community.

Sincerely,

Carol Lewis

COMMUNITY ELIGIBILITY PROGRAM

- This year 24 school sites are participating in a new program called Community Eligibility Program or CEP.

  The Community Eligibility Program (CEP) provides an alternative approach for offering school meals to local schools and schools based on former free & reduced student numbers, instead of collecting individual applications for free and reduced-price meals. What this means is that all students at the schools listed below will receive free breakfast and lunch.

  Participating Schools:

  - Abel Elementary
  - Ballard Elementary
  - Bayshore Elementary
  - Bayshore High
  - Blackburn Elementary
  - Daughtrey Elementary
  - Horizons Academy
  - Just for Girls Academy
  - Lee Middle
  - Lincoln Memorial Academy
  - Manatee Elementary
  - Moody Elementary
  - Oasis Middle
  - Oneco Elementary
  - Palm View K-8
  - Palmetto Elementary
  - Prine Elementary
  - Rogers Garden Elementary
  - Samoset Elementary
  - Sea Breeze Elementary
  - Southeast High
  - Sugg Middle
  - Tillman Elementary
  - Visible Men Academy (VMA)

AGENDA ITEM NO. 8.9

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase Systematic Instruction in Phoneme Awareness, Phonics, and Sight Words (SIPPS) Materials and Services, SDMC No. 23-0035-BS, Continued Procurement with Vendor, Estimated in the Amount of $100,000.00

Executive Summary
Systematic Instruction in Phoneme Awareness, Phonics and Sight Words (SIPPS) is an evidence-based foundational skills program to help struggling readers in grades K-12 increase phonemic awareness, phonics skills and build confidence for fluent, independent reading. The program provides a structured literacy approach through explicit and systematic instructional routines. The vendor will provide in-person professional development to non-title elementary schools and middle school intensive reading teachers during district-wide training days and across the year at individual school sites to ensure SIPPS implementation with fidelity.

Approval of this agenda item does not indicate immediate or complete expenditure of approved funds. Funds will only be expended as budget(s) allow. The requested subscription is for the period of July 1, 2022 through June 30, 2023.

The supplier is Center for Collaborative Classroom Inc., Alameda, CA, Florida Document No. F11000000134.

Florida Statutes Section 1010.04(4) states, "Alternative procedures for purchasing – The State Board of Education may, by regulation, provide for alternative procedures for bidding or purchasing in cases in which the character of the item requested renders competitive bidding impractical."

State Board Rule 6A-1.012(7) states, "The requirements for requesting bids from three (3) or more sources is hereby waived as authorized by Section 237.02, Florida Statutes, for the purchase of professional or educational services, educational tests, textbooks, printed instructional materials, computer software, films, reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution".

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Curriculum & Instruction | Goal 3
Establish professional learning systems to advance continuous academic improvements, promote collective responsibility for student achievement, and support alignment of educator goals, school improvement goals, and school district goals by August 2022.

Recommendation
The Superintendent recommends purchase Systematic Instruction in Phoneme Awareness, Phonics, and Sight Words (SIPPS) materials and services, SDMC No. 23-0035-BS, continued procurement with vendor, estimated in the amount of $100,000.00.

Financial Impact

The funding sources for these expenditures are CERP, grant, general and various other school funds and is included in the proposed budget for 2022-2023.

TERMS AND CONDITIONS:

Term of Agreement:

This Agreement shall become effective on the Agreement Date, or the date on which the agreement has been signed by both parties, whichever is later, and shall have a term not to exceed one year.

Assignment:

Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

Compliance with Jessica Lunsford Act:

The School District of Manatee County and State of Florida, requires all Vendors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School Board related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net/

Third Party Beneficiary:

This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

Governing Law:

This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

Relationship of Parties:

The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

Indemnification:

Vendor agrees to defend indemnify and hold harmless the School District, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a services contract, Vendor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Vendor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification.

Confidentiality:

Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008.

Sovereign Immunity:

The parties acknowledge and agree that the School Board, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

Compliance Requirements:

The School District, acknowledges and understands that the projects contemplated by this contract are being constructed on public property owned by the School District, which property may at various times during construction be occupied by students, teachers, parents and school administrators. Accordingly, in order to secure the property, protect students and staff, and otherwise comply with applicable law, the Vendor agrees to all provisions and instructions contained in this Agreement and agrees that the failure of Vendor to comply with any of these provisions and instructions may result in the termination of this contract by the School District of Manatee County.

Invoice Requirements:

The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.

The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.

The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the services performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

Contact with Students:

Unless otherwise specified, the Vendor, will have no employees or independent contractors, material men, supplier

or anyone involved in any manner with projects resulting from this Agreement shall have direct or indirect contact with students at project sites. A violation of this provision shall result in immediate termination of the offender and issuance of a trespass notice from the School District. Vendor shall be responsible for insuring compliance by all employees, independent contractors and sub-contractors or other persons involved in any manner with projects resulting from this Agreement.

Standards of Conduct:

Vendor will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Vendor, but also to the employees of its sub-contractors.

Severability and Waiver:

If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

Force Majeure:

The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such a acts of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

Equal Opportunity:

The Vendor agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or marital status. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Federal Debarment & Suspension Certification:

This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

Termination:

Termination for Cause—The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

Termination for Convenience—Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

Custodian of Public Records:

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian
215 Manatee Avenue W.
Bradenton,
Florida, 34205
(941) 708-8770
publicrecords@manateeschools.net

Compliance to the Sunshine Law:

The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Vendor hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

School District Policy:

In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment

or services shall be effected with any individual or business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 Florida Statutes.

Compliance with Regulations:

Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Vendor will in no way be a cause for relief from responsibility. The Vendor shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Vendor must not be in violation of any zoning or other ordinances in the performance of this contract.

Safety Standards:

All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

Tax Exemptions:

When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

Contract Work Hours & Safety Standards Act:

(34 CFR 80.36(I) (6): All vendors, Vendors and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part 5).

Possession of Firearms:

Possession of firearms will not be tolerated on the project or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Vendor, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Vendor. If a sub-contractor fails to terminate said employee or independent contractor, the Vendor shall terminate its agreement with the sub-contractor. If the Vendor fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. “Firearm” has the meaning given in Subsection 790.001(6) Florida Statutes.

Criminal Acts:

Employment on the project by the Vendor, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Vendor agrees to take all steps necessary to remove such person from the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Vendor does not comply with this provision

Possession/Use/Under the influences of Mind Altering Substances:

Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Vendor’s employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Vendor. If a sub-contractor fails to terminate said employee or independent contractor, the Vendor shall terminate its agreement with the sub-contractor. If the Vendor fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Clean Air and Water Pollution Act:

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office. The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office.

Energy Policy and Conservation Act:

The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

Byrd Anti-Lobbying Amendment:

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or

attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Funding Agreement (Right to Inventions):

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2(a), and the contractor/subcontractor enters into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement", the contractor/subcontractor must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and implementing regulations issued by the awarding agency.

Procurement of Recovered Materials

1. In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.

2. Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of $10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of $10,000 of the item both under and outside that contract.

Entire Agreement:

This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict the terms of this agreement shall govern.

Covid 19 The Vendor agrees to follow the School District of Manatee County's protocols pertaining to COVID-19.

Employment Eligibility Verification ("E-VERIFY"):

By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

2022-2023 Boys and Girls Clubs Agreement

BOYS & GIRLS CLUBS OF MANATEE COUNTY, INC.
AND
THE SCHOOL BOARD OF MANATEE COUNTY

SCHOOL SERVICES AGREEMENT
2022-2023

This Agreement is entered the 1st day of July 2022, by and between the BOYS & GIRLS CLUBS OF MANATEE COUNTY, INC., hereinafter referred to as "The Provider," and THE SCHOOL BOARD OF MANATEE COUNTY, hereinafter referred to as "The Board." This agreement will expire at the end of the 2022-2023 school year.

The BOYS & GIRLS CLUBS OF MANATEE COUNTY will provide before-school and/or after-school programs and summer programs for registered Manatee County school students at the following locations: Daughtrey Elementary, Rogers Garden-Bullock Elementary, Oneco Elementary, and Manatee Elementary. Boys & Girls Club employees will work with students on phonics and vocabulary activities contained in the district's Mentoring Toolkit https://www.manateeschools.net/literacy

The BOYS & GIRLS CLUBS OF MANATEE COUNTY agrees to ensure all employees and volunteers have level II screening, provide these services to all students as capacity allows attending the aforementioned schools, provided appropriate fees are paid and scholarships are made available to students in need. A student participation fee not to exceed $900.00 annually, per participant, shall apply at each site. A student participation fee of $35.00 per participant for the summer program only.

The BOYS & GIRLS CLUBS OF MANATEE COUNTY agrees to follow the School District of Manatee County's COVID-19 Protocols.

In addition, only employees of the School District of Manatee County and level II screened individuals may administer and participate in the program that takes place on school grounds unless otherwise modified or amended in writing. The Provider also agrees to run their program in accordance with the school district calendar. The Provider may staff and administer their own program offsite, provided they comply with the safety procedures enumerated above.

I. The Provider Agrees:

A. To provide literacy mentors to work in a before-school, after-school program, and/or summer program for school students attending the following schools: Daughtrey Elementary, Rogers Garden-Bullock Elementary, Oneco Elementary, and/or Manatee Elementary.

B. To provide school programs beginning July 1, 2022 and ending on June 30, 2023 to Kindergarten through fifth grade students at the designated elementary schools.

C. School Programs (instructional materials, resources, and assessments) must be approved by the curriculum team of the Board, sending items for review to the Director of Elementary Curriculum. No materials, resources, or assessments will be used unless approved by the curriculum team.

D. To provide and maintain all necessary devices for the program.

E. To operate out of school time programs. The specific time of operation shall be determined in collaboration the district's volunteer coordinator. At a minimum the program will run on regular school attendance days.

F. The Provider will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. The Provider will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement.

G. To provide a site coordinator or other qualified individual, such as a teacher, paraprofessional or someone who works at the school as Boys & Girls Club program staff. That person will be responsible for the overall supervision and management of the total operation of the program at each designated school.

H. The Provider, to the extent permitted by law, to indemnify and save and hold harmless the School Board of Manatee County, including its employees, agents and representatives, and to accept all liability arising out of or resulting from any accident, illness, sickness and personal injuries including death, occurring to persons on school premises and property damage to school premises and to property of others during the time of rental, including reasonable attorney fees, except when such accident, illness, sickness, damage, personal injury, or death is caused by the negligence or fault of The Board, or its agents or employees. The Provider agrees to reimburse The Board for any expenses The Board may incur in defending any such claim that may result from The Provider's use of the facilities, including attorney's fees costs, and payment of any settlement or judgment. To provide General Liability Insurance of no less than two million dollars and Worker's Compensation Insurance.

I. The parties acknowledge and agree that the School Board, as political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

J. The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. The Provider

hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian
215 Manatee Avenue W. Bradenton,
Florida, 34205
(941) 708-8770
publicrecords@manateeschools.net

K. Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008. The School District of Manatee County is under no legal obligation to furnish student records to the Provider. Any records requested by the Provider must be done on an individual basis with proper legal authorization from a legal guardian and/or parent. At no point in time, will the District allow access to their student information system and/or generate reports under the FOCUS system for the Provider.

II. The Board Agrees:

A. To waive the facility usage fees for operation of school programs at the designated schools for the times they are in session during the school year and the summer. The Provider will pay any rental fees or dues typically charged by the school district when using school campuses that are not the designated schools. The programs will be in operation on student attendance days. This does not apply to Special Events, unless prior approval is granted.

B. To provide suitable space and secured storage for the programs as designated by the school principal.

C. To provide general maintenance and cleaning of the program space, including refuse removal.

D. A means for emergency communication when the school office is closed.

E. The School District of Manatee County will provide data collection and aggregate analyses for student groups of 10 or more (excluding individual student data) and the management processes needed to ensure that continuous progress is made in areas that are supported by the provider. These areas include:

Elementary Schools:

- Improved attendance (10% cut-off, percent of students who have more than 10% absences)
- Decreased summer learning loss
- K-5 ELA & Math: Improved progress towards grade level proficiency on State Progress Monitoring Assessments (administered at beginning, mid-year, and end of year). (If looking for outcomes for success: we will provide: meeting State Proficiency and State Growth/Learning Gains targets).
- 5th Science: Meeting State Proficiency (If looking for outcomes for success: we will provide: meeting State Proficiency targets).

Use of Data: The data to be collected and analyzed, and then shared with the provider to be used to:

- Evaluate progress of the initiatives and programs
- Share progress
- Inform next steps

Timeline for data dissemination: Twice per year (January and June) for attendance data. Twice per year: September/October and June for State Progress Monitoring data. Once per year: July for 5th Science

III. Miscellaneous

A. This agreement will remain in effect for the 2022-2023 school year unless terminated by either party by giving written notice to the other party that the agreement will terminate 30 days from receipt of the said notice.

B. The Volunteer Coordinator, will serve as the point of contact for resolving program concerns.

C. This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

D. The parties are independent contractors. This agreement does not create a

partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School Board does not direct or control how to perform such work or services under this agreement.

E. Provider and their employees will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies.

F. The Provider and its volunteers are invited and encouraged to participate in all Soar in 4 monthly events, as well as the individual school Soar in 4 events. The Provider is invited to set up a table and provide informational resources to the families and/or educational materials and supplies that align with the topics for each event.

IV. Compliance with Jessica Lunsford Act

Vendors, individuals or entities under contract with the School Board of Manatee County who are permitted access on school grounds when students are present must comply with section 1012.465, Florida Statutes and must meet Level 2 screening requirements as described in Section 1012.32 Florida Statutes. If it is found that a person who is employed or under contract does not meet the Level 2 requirements, the person shall be immediately suspended from working in that capacity and shall remain suspended until the final resolution of any appeal. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must agree to indemnify and hold harmless the School Board for any claims made against the School Board related to the failure to comply with this requirement.

V. Sovereign Immunity

The parties acknowledge and agree that the School Board of Manatee County, Florida, as a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

VI. Student Records

FERPA is a federal law that protects the privacy of student education records, and the PII contained therein, maintained by educational agencies or institutions or by a party acting for the agencies or institutions. The FERPA statute is found at 20 U.S.C. § 1232g and its implementing regulations are set forth at 34 CFR Part 99. FERPA applies to all educational agencies and institutions that receive funds under any program administered by the Secretary of the U.S. Department of Education (Department).

It is expressly understood that the services provided by the Boys & Girls Club do not fall within any exception to FERPA. The School District of Manatee County will not provide any student school records absent a written authorization for each and every student. The District is under no

obligation to provide any specific school data for tests, grades or student growth to the Boys & Girls Club, nor any other outside entity on behalf of the Boys & Girls Club.

VII. E-VERIFY:

Employment Eligibility Verification ("E-VERIFY"): By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system. The Contracted Site agrees to execute the attached E-Verify form annexed to this agreement.

VIII. Termination

Either party to this agreement may terminate the agreement with 30 days written notice to the other party as listed below.

IX. Entire Agreement

This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict, the terms of this agreement shall govern.

June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase DreamBox Learning, Inc. Software and Services, SDMC No. 23-0028-BS, Estimated in the Amount of $70,000.00

Executive Summary
DreamBox Learning, Inc. software is a K-8 math program powered by students, built by and for educators, and independently proven to positively impact student achievement. By automatically and continuously supporting all students at their right level, DreamBox Learning, Inc. is a powerful partner in every classroom, school and district. DreamBox Learning, Inc. will provide the software program and professional development to the District.

Approval does not indicate immediate or complete expenditure of approved funds. Approved funds will only be expended on an as needed basis throughout the contract period. The requested contract is for the period of July 1, 2022 through June 30, 2023.

Florida Statutes Section 1010.04(4) states, "Alternative procedures for purchasing – The State Board of Education may, by regulation, provide for alternative procedures for bidding or purchasing in cases in which the character of the item requested renders competitive bidding impractical."

Subsection 6A-1.012(14) F.A.C. states, "A district school board, when acquiring, whether by purchase, lease, lease with option to purchase, rental or otherwise, information technology, as defined in Section 282.004(11), F.S., may make any acquisition through the competitive solicitation process as described herein or by direct negotiation and contract with a vendor or supplier, as best fits the needs of the school district as determined by the district school board."

Subsection 6A-1.012(11) F.A.C. states, "The requirement for requesting competitive solicitations for commodities or contractual services from three or more sources is hereby waived as authorized by Section 1010.04(4)(a), F.S., for: (a) The purchase by district school boards of professional services which shall include, without limitation, artistic services; academic program reviews; lectures by individuals; auditing services not subject to Section 218.391, F.S.; legal services, including attorney, paralegal, expert witness, court reporting, appraisal or mediator services; and health services involving examination, diagnosis, treatment, prevention, medical consultation or administration; and, (b) The purchase by district school boards of educational services and any type of copyrighted materials including, without limitation, educational tests, textbooks, printed instructional materials, computer software, films, filmstrips, videotapes, DVDs, disc or tape recordings, digital recordings, or similar audio-visual materials, and for library and reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution;"

The supplier is DreamBox Learning Inc., Bellevue, WA, Florida Document No. F16000002718.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation

The Superintendent recommends approval to purchase DreamBox Learning, Inc. Software and Services, SDMC No. 23-0028-BS, estimated in the amount of $70,000.00.

Financial Impact

The funding source for this expenditure is ESSER III funds and is included in the Curriculum Department proposed budget for 2022-2023.

TERMS AND CONDITIONS

DreamBox Learning, Inc. ("**DreamBox Learning**") offers software products and services that provide personalized math instruction in an engaging environment for students. DreamBox Learning provides a three-pronged approach to math, focusing on teaching concepts, problem-solving, and procedures, that is underpinned with an intelligent, adaptive engine that sequences and personalizes instruction to meet the needs of each student. DreamBox Learning's software products and services are offered to you on a software-as-a-service basis pursuant to the terms and conditions set forth in this Software-as-a-Service Agreement (the "**Agreement**"). This Agreement is made and entered into by and between DreamBox Learning and you, the customer identified on the attached order form ("**you**" or "**Customer**"). This Agreement sets forth the terms and conditions pursuant to which DreamBox Learning agrees to provide to you access to and use of the software products and services described in this Agreement (collectively, the "**Software and Services**"). This Agreement comprises the attached order form (the "**Order Form**") and these terms and conditions (the "**Terms and Conditions**"), each of which are an integral part of this Agreement and incorporated herein by this reference. If this Agreement reflects your understanding, please indicate your agreement to be legally bound hereto by having a duly authorized signatory sign the Order Form. The Agreement will only be effective when executed and delivered by a duly authorized signatory of each party. Capitalized terms used but not otherwise defined in these Terms and Conditions (whether in singular, plural, or possessive) have the meaning ascribed to such terms in these Terms and Conditions or the Order Form.

1. CUSTOMER ACCOUNT

1.1 **Access**. These Terms and Conditions govern your access to the Software and Services. The Software and Services comprise the software to which you are granted access by DreamBox Learning (the "**Software**") and the services provided by DreamBox Learning to you in connection therewith (the "**Services**"). Beginning on the Service Start Date, DreamBox Learning will provide you with the account activation information necessary for you to access the Software and Services via an online account (the "**Customer Account**"). Notwithstanding anything to the contrary herein, you will be responsible for obtaining and maintaining at your expense all the necessary hardware, software, connections to the Internet, and other systems and networks required in order to access the Customer Account and the Software and Services provided in connection therewith. You are solely responsible for the confidentiality and use of the usernames, passwords, and account identifiers associated with the Customer Account. In no event will DreamBox Learning be liable for any loss of your data or other claims to the extent the same arose from unauthorized access to the Customer Account.

1.2 **Updates; Enhancements.** At no charge to you, DreamBox Learning will install on its servers any software updates deemed reasonably necessary to address errors, bugs, or other performance issues in the Customer Account or the Software and Services (collectively, "**Updates**"). Updates, if any, will be subject to this Agreement. DreamBox Learning reserves the right at any time and without prior notice to Customer to temporarily limit Customer's access to the Customer Account and use of the Software and Services in order to perform repairs, make modifications, or as a result of circumstances beyond DreamBox Learning's reasonable control. DreamBox Learning may, in its sole discretion, modify, enhance, or otherwise change the Software and Services upon written notice to you. DreamBox Learning shall not be obligated to provide to you any new feature, functionality, or service for which DreamBox Learning generally charges a separate fee.

1.3 **License.** Subject to the terms and conditions of this Agreement, DreamBox Learning hereby grants to you a limited, non-exclusive, non-sublicenseable, non-transferable license during the Subscription Period to access the Customer Account and permit designated administrators, faculty members, staff members, and enrolled students to use the Software and Services, as made available to you via the Customer Account, commencing on the Service Start Date, solely for your own educational purposes.

1.4 **Protections Against Unauthorized Use.** You will take all appropriate steps and precautions to protect the Software and Services from unauthorized use by your officers, directors, trustees, administrators, faculty, staff, employees, agents, and students, and any third parties who obtain access to the Software and Services directly or indirectly through you, including any former officers, directors, trustees, administrators, faculty, staff, employees, agents, or students. You understand that nothing in the license granted to you in Section 1.3 above permits you to disclose know-how, trade secrets, or other non-public information disclosed to you by DreamBox Learning to any third party without obtaining DreamBox Learning's advance written consent except as otherwise required by applicable state or federal law. In the event of any actual or suspected unauthorized use by anyone who obtained access to the Software and Services directly or indirectly through you, you will take all steps reasonably necessary to terminate such unauthorized use. Further, you will provide to DreamBox Learning such cooperation and assistance related to any such unauthorized use as DreamBox Learning may reasonably request.

1.5 **End Users' Compliance with Website Terms of Use.** You understand that your users of the Software and Services (i.e., your designated administrators, faculty members, staff members, and students) will be bound by the terms and conditions set forth in DreamBox Learning's Website Terms of Use (available at http://www.dreambox.com/terms or a successor site) to which such individuals will consent in connection with their access to and use of the Software and Services.

1.6 **Reservation of Rights**. The Software and Services are licensed to you, not sold. You acknowledge that the Software and Services and any and all intellectual property rights therein, including any know-how, trade secrets, and other non-public information related to the Software and Services, are, and shall remain, the sole and exclusive property of DreamBox Learning and contain DreamBox Learning's confidential and proprietary materials. All uses of DreamBox Learning's trademarks and related goodwill incidental to your access to the Customer Account or use of the Software and Services will inure solely to DreamBox Learning and you will obtain no rights with respect to any of DreamBox Learning's trademarks. You acknowledge and agree that, if you or your officers, directors, trustees, administrators, faculty, staff, employees, agents, or students provide any feedback or suggestions to DreamBox Learning concerning the Software and Services (including identifying any errors or improvements) ("**Feedback**"), DreamBox Learning is hereby assigned all right, title, and interest in and to the Feedback, including any and all intellectual property rights therein, and DreamBox Learning is free to use the Feedback without any payment or restriction.

2. PAYMENT

Unless otherwise stated in the Order Form: (i) Purchase Orders referencing the Order Form are due within thirty (30) days of the Effective Date of this Agreement, and (ii) Payment is due within thirty (30) days of receipt of Invoice but no later than fifteen (15) days from Service Start Date.

3. SERVICES

3.1 **Delivery**. Professional Development may be delivered on-site or by electronic means (webinar), as outlined in the applicable Order Form. All Professional Development will be utilized during the term of the Order Form. Professional Development not utilized during the term of the Order Form will be forfeited.

3.2 **Cancelation**.

(a) On-site Professional Development canceled within 15 business days of the scheduled on-site visit will result in forfeiture. DreamBox Learning shall have no obligation to reschedule on-site. Notwithstanding the foregoing, if on-site visit is canceled due to acts of God, government regulations, disaster, or strikes DreamBox will work in good faith with the Customer to reschedule.

(b) Webinars canceled within 3 business days of the scheduled webinar will result in forfeiture. DreamBox Learning shall have no obligation to reschedule the webinar. Notwithstanding the foregoing, if webinar is canceled due to acts of God, government regulations, disaster, or strikes DreamBox will work in good faith with the Customer to reschedule.

(c) Should DreamBox be unable to deliver on-site Professional Development during the term of the Order Form due to prolonged school closures, inability for DreamBox employees to travel safely, or other instance which may cause it to be unsafe for DreamBox employees to interact in person with Customer employees then DreamBox will deliver the same Professional Development content virtually on the committed dates.

4. TERM AND TERMINATION

4.1 **Term**. This Agreement will become effective as of the Effective Date, and it will continue in effect until it is terminated in accordance with Sections 4.2, 4.3, and/or 4.4 below (the "**Term**"). For the avoidance of doubt, the Term comprises the period between the Effective Date and the Service Start Date, the Subscription Period, and any additional Renewal Period.

4.2 **Subscription Period**. The "**Subscription Period**" will be for the duration set forth in the Order Form. Following the end of the Subscription Period, the Order Form will automatically expire. Parties may mutually agree in writing, in a new Order Form, to renew this Agreement for one or more additional periods "**Renewal Period**" .

4.3 **Termination without Cause**. Neither party may terminate this Agreement without cause. For termination for cause, see Section 4.4 below. Notwithstanding the foregoing, you may terminate this Agreement at the end of the Subscription Period or the then-current Renewal Period. In the event that after the first 12 months of your Subscription Period or during a Renewal Period the amount necessary to pay the Fee, or Fees, are not included in your budget appropriation for the applicable period you may terminate your current Order Form, provided that (a) you use your best efforts to seek and obtain the necessary amount to meet your payment obligations hereunder in each applicable budget appropriation; (b) you notify us of your intent to terminate the agreement within 60 days after the applicable budget appropriation is approved and no later than 30 days prior to the end of the Initial Period or the Renewal Period, as the case may be, and (c) you do not, and you hereby agree that you will not, seek and obtain replacement software or services that are the same as or similar to the Software and Services during the applicable appropriation period.

4.4 **Termination or Suspension for Cause**. Either party may terminate this Agreement and the rights granted hereunder by written notice to the other party in the event of any material breach by the other party of any term or condition set forth herein, if such breach remains uncured 10 days after receipt by the defaulting party of a written notice of default from the non-defaulting party. In addition to other remedies available to DreamBox Learning, it may, in its sole discretion, suspend your access to the Customer Account and use of the Software and Services if payment of any Fee is due and payable and remains outstanding for more than 45 days.

4.5 **Survival**. Upon termination or expiration of this Agreement, all rights and duties of the parties toward each other pursuant to the Agreement cease except that: (a) within 30 days after the effective date of termination, you will pay all amounts owing to DreamBox Learning, including any Fees accrued prior to the effective date of termination; and (b) Sections 1.4, 1.5, 1.6, 4.5, and 7 survive termination or expiration of this Agreement.

5. PRIVACY

DreamBox Learning understands and agrees that you have obligations under the Family Educational Rights and Privacy Act and regulations and guidelines issued thereunder, as the same may be amended from time to time ("**FERPA**"), and other privacy laws to protect the confidentiality of personally identifiable information, as that term is defined in FERPA ("**PII**"), and to obligate those to whom you disclose PII to perform certain functions on your behalf in order to meet requirements and safeguards with respect to the use of such PII. During the term of this Agreement, DreamBox Learning is designated as your authorized representative (as that term is defined in FERPA) to receive, obtain, or create PII residing in one or more of DreamBox Learning's computer information systems used to host the Software and perform the Services. Without limiting any other obligations of this Agreement, DreamBox Learning will (a) not use PII for any purpose other than as expressly allowed under this Section 5; (b) not further disclose PII to any person, other than (i) to your applicable public school district and its employees or (ii) as specifically required or authorized by federal law; and (c) implement policies and procedures consistent with FERPA and in accordance with generally accepted practices, privacy laws, and regulations to safeguard PII from unauthorized use and further disclosure. Notwithstanding the foregoing, you acknowledge and agree that you are responsible for notifying DreamBox Learning concerning any changes to your public school district or its administrators, faculty members, staff members, students, parents, or guardians that may affect DreamBox Learning's privacy policies. DreamBox Learning has no obligations to change its practices unless and until it has received notification from you of any such change, or changes, including, without limitation, any change in desired access by an administrator, faculty member, staff member, student, parent, or guardian.

6. NOTICE

Any notice required or permitted under the terms of this Agreement or required by law must be in writing and must be: (a) delivered in person, (b) sent by first class mail, or (c) sent by overnight air courier, in each case properly posted and fully prepaid to the address set forth on the Order Form. Either party may change its address for notices by notice to the other party given in accordance with this Section 6. Notices will be deemed

given at the time of actual delivery in person, three business days after deposit in the mail as set forth above, or one day after delivery to an overnight air courier service.

7. WARRANTY

DREAMBOX LEARNING DOES NOT WARRANT THE SOFTWARE OR SERVICES, EXCEPT AS SPECIFICALLY AGREED TO IN WRITING, AND EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, ACCURACY, TITLE, AND NON-INFRINGEMENT. YOU WILL NOT HAVE THE RIGHT TO MAKE OR PASS ON ANY REPRESENTATION OR WARRANTY ON BEHALF OF DREAMBOX LEARNING TO ANY THIRD PARTY. NEITHER PARTY SHALL HAVE ANY CONTRACTUAL INDEMNIFICATION OBLIGATIONS TO THE OTHER PARTY.

8. MISCELLANEOUS

The Terms and Conditions and the Order Form contain the entire agreement of the parties with respect to the subject matter of this Agreement and supersede all previous communications, representations, understandings, and agreements, either oral or written, between the parties with respect to said subject. No terms, provisions, or conditions of any sales order, purchase order, acknowledgement, or other business form that either party may use in connection with the transactions contemplated by this Agreement will have any effect on the rights, duties, or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of a receiving party to object to these terms, provisions, or conditions. This Agreement may not be amended, except by a writing signed by both parties. Applicable activation codes for the subscription purchased by you will be issued following receipt of your authorized signature on the Order Form. Receipt of a signed Order Form from you represents a binding agreement to purchase access to and use of the Software and Services. All Fees and payments are non-refundable, unless you terminate this Agreement for cause pursuant to Section 4.4 above, in which case you will receive a prorated refund of any Fees paid in advance of receipt of the Software and Services. You will remit all payments in US Dollars. Fees are exclusive of any applicable taxes or surcharges. Taxes and surcharges, if applicable, are subject to change at the time of invoicing. DreamBox Learning will not charge you taxes or surcharges if you provide us with a valid tax exemption certificate. The parties shall attempt to settle any dispute, controversy, or claim arising out of or in connection with this Agreement through consultation and negotiation in good faith and a spirit of cooperation. This Agreement and all disputes, claims, or controversies arising out of or in connection with this Agreement, including any question regarding its formation, existence, validity, enforceability, performance, interpretation, breach, or termination shall be governed by and construed in accordance with the substantive local laws of the Customer's home state as provided in the Order Form, without reference to its choice of law rules and not including the provisions of the 1980 U.N. Convention on Contracts for the International Sale of Goods. Each party hereby irrevocably consents to the exclusive jurisdiction and venue of the federal and state courts located in the Customer's home county and state, in connection with any action arising out of or in connection with this Agreement and agrees that service of process to the party's address set forth on the Order Form (as may be updated from time-to-time by written notice to the other party in accordance with this Section 8) will constitute effective service within the Customer's home state. It is the express intention of the parties that DreamBox Learning perform the Services as an independent contractor. Nothing in this Agreement will in any way be construed to constitute DreamBox Learning as your agent, employee, or representative. Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed as a waiver of the party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice the party's right to take subsequent action. Exercise or enforcement by either party of any right or remedy under this Agreement will not preclude the enforcement by the party of any other right or remedy under this Agreement or that the party is entitled by law to enforce. If any term, condition, or provision in this Agreement is found to be invalid, unlawful, or unenforceable to any extent, the parties will endeavor in good faith to agree to amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on an amendment, the invalid term, condition, or provision will be severed from the remaining terms, conditions, and provisions of this Agreement, which will continue to be valid and enforceable to the fullest extent permitted by law. This Agreement may be executed in counterparts, each of which will be deemed to be an original and together will constitute one and the same agreement. This Agreement may also be executed and delivered by facsimile or other electronic means and such execution and delivery will have the same force and effect of an original document with original signatures. This Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.

TERMS AND CONDITIONS

DreamBox Learning, Inc. ("**DreamBox Learning**") offers software products and services that provide personalized math instruction in an engaging environment for students. DreamBox Learning provides a three-pronged approach to math, focusing on teaching concepts, problem-solving, and procedures, that is underpinned with an intelligent, adaptive engine that sequences and personalizes instruction to meet the needs of each student. DreamBox Learning's software products and services are offered to you on a software-as-a-service basis pursuant to the terms and conditions set forth in this Software-as-a-Service Agreement (the "**Agreement**"). This Agreement is made and entered into by and between DreamBox Learning and you, the customer identified on the attached order form ("**you**" or "**Customer**"). This Agreement sets forth the terms and conditions pursuant to which DreamBox Learning agrees to provide to you access to and use of the software products and services described in this Agreement (collectively, the "**Software and Services**"). This Agreement comprises the attached order form (the "**Order Form**") and these terms and conditions (the "**Terms and Conditions**"), each of which are an integral part of this Agreement and incorporated herein by this reference. If this Agreement reflects your understanding, please indicate your agreement to be legally bound hereto by having a duly authorized signatory sign the Order Form. The Agreement will only be effective when executed and delivered by a duly authorized signatory of each party. Capitalized terms used but not otherwise defined in these Terms and Conditions (whether in singular, plural, or possessive) have the meaning ascribed to such terms in these Terms and Conditions or the Order Form.

1. CUSTOMER ACCOUNT

1.1 **Access**. These Terms and Conditions govern your access to the Software and Services. The Software and Services comprise the software to which you are granted access by DreamBox Learning (the "**Software**") and the services provided by DreamBox Learning to you in connection therewith (the "**Services**"). Beginning on the Service Start Date, DreamBox Learning will provide you with the account activation information necessary for you to access the Software and Services via an online account (the "**Customer Account**"). Notwithstanding anything to the contrary herein, you will be responsible for obtaining and maintaining at your expense all the necessary hardware, software, connections to the Internet, and other systems and networks required in order to access the Customer Account and the Software and Services provided in connection therewith. You are solely responsible for the confidentiality and use of the usernames, passwords, and account identifiers associated with the Customer Account. In no event will DreamBox Learning be liable for any loss of your data or other claims to the extent the same arose from unauthorized access to the Customer Account.

1.2 **Updates; Enhancements.** At no charge to you, DreamBox Learning will install on its servers any software updates deemed reasonably necessary to address errors, bugs, or other performance issues in the Customer Account or the Software and Services (collectively, "**Updates**"). Updates, if any, will be subject to this Agreement. DreamBox Learning reserves the right at any time and without prior notice to Customer to temporarily limit Customer's access to the Customer Account and use of the Software and Services in order to perform repairs, make modifications, or as a result of circumstances beyond DreamBox Learning's reasonable control. DreamBox Learning may, in its sole discretion, modify, enhance, or otherwise change the Software and Services upon written notice to you. DreamBox Learning shall not be obligated to provide to you any new feature, functionality, or service for which DreamBox Learning generally charges a separate fee.

1.3 **License.** Subject to the terms and conditions of this Agreement, DreamBox Learning hereby grants to you a limited, non-exclusive, non-sublicenseable, non-transferable license during the Subscription Period to access the Customer Account and permit designated administrators, faculty members, staff members, and enrolled students to use the Software and Services, as made available to you via the Customer Account, commencing on the Service Start Date, solely for your own educational purposes.

1.4 **Protections Against Unauthorized Use.** You will take all appropriate steps and precautions to protect the Software and Services from unauthorized use by your officers, directors, trustees, administrators, faculty, staff, employees, agents, and students, and any third parties who obtain access to the Software and Services directly or indirectly through you, including any former officers, directors, trustees, administrators, faculty, staff, employees, agents, or students. You understand that nothing in the license granted to you in Section 1.3 above permits you to disclose know-how, trade secrets, or other non-public information disclosed to you by DreamBox Learning to any third party without obtaining DreamBox Learning's advance written consent except as otherwise required by applicable state or federal law. In the event of any actual or suspected unauthorized use by anyone who obtained access to the Software and Services directly or indirectly through you, you will take all steps reasonably necessary to terminate such unauthorized use. Further, you will provide to DreamBox Learning such cooperation and assistance related to any such unauthorized use as DreamBox Learning may reasonably request.

1.5 **End Users' Compliance with Website Terms of Use.** You understand that your users of the Software and Services (i.e., your designated administrators, faculty members, staff members, and students) will be bound by the terms and conditions set forth in DreamBox Learning's Website Terms of Use (available at http://www.dreambox.com/terms or a successor site) to which such individuals will consent in connection with their access to and use of the Software and Services.

1.6 **Reservation of Rights**. The Software and Services are licensed to you, not sold. You acknowledge that the Software and Services and any and all intellectual property rights therein, including any know-how, trade secrets, and other non-public information related to the Software and Services, are, and shall remain, the sole and exclusive property of DreamBox Learning and contain DreamBox Learning's confidential and proprietary materials. All uses of DreamBox Learning's trademarks and related goodwill incidental to your access to the Customer Account or use of the Software and Services will inure solely to DreamBox Learning and you will obtain no rights with respect to any of DreamBox Learning's trademarks. You acknowledge and agree that, if you or your officers, directors, trustees, administrators, faculty, staff, employees, agents, or students provide any feedback or suggestions to DreamBox Learning concerning the Software and Services (including identifying any errors or improvements) ("**Feedback**"), DreamBox Learning is hereby assigned all right, title, and interest in and to the Feedback, including any and all intellectual property rights therein, and DreamBox Learning is free to use the Feedback without any payment or restriction.

2. PAYMENT

Unless otherwise stated in the Order Form: (i) Purchase Orders referencing the Order Form are due within thirty (30) days of the Effective Date of this Agreement, and (ii) Payment is due within thirty (30) days of receipt of Invoice but no later than fifteen (15) days from Service Start Date.

3. SERVICES

3.1 **Delivery**. Professional Development may be delivered on-site or by electronic means (webinar), as outlined in the applicable Order Form. All Professional Development will be utilized during the term of the Order Form. Professional Development not utilized during the term of the Order Form will be forfeited.

3.2 **Cancelation**.

(a) On-site Professional Development canceled within 15 business days of the scheduled on-site visit will result in forfeiture. DreamBox Learning shall have no obligation to reschedule on-site. Notwithstanding the foregoing, if on-site visit is canceled due to acts of God, government regulations, disaster, or strikes DreamBox will work in good faith with the Customer to reschedule.

(b) Webinars canceled within 3 business days of the scheduled webinar will result in forfeiture. DreamBox Learning shall have no obligation to reschedule the webinar. Notwithstanding the foregoing, if webinar is canceled due to acts of God, government regulations, disaster, or strikes DreamBox will work in good faith with the Customer to reschedule.

(c) Should DreamBox be unable to deliver on-site Professional Development during the term of the Order Form due to prolonged school closures, inability for DreamBox employees to travel safely, or other instance which may cause it to be unsafe for DreamBox employees to interact in person with Customer employees then DreamBox will deliver the same Professional Development content virtually on the committed dates.

4. TERM AND TERMINATION

4.1 **Term**. This Agreement will become effective as of the Effective Date, and it will continue in effect until it is terminated in accordance with Sections 4.2, 4.3, and/or 4.4 below (the "**Term**"). For the avoidance of doubt, the Term comprises the period between the Effective Date and the Service Start Date, the Subscription Period, and any additional Renewal Period.

4.2 **Subscription Period**. The "**Subscription Period**" will be for the duration set forth in the Order Form. Following the end of the Subscription Period, the Order Form will automatically expire. Parties may mutually agree in writing, in a new Order Form, to renew this Agreement for one or more additional periods "**Renewal Period**" .

4.3 **Termination without Cause**. Neither party may terminate this Agreement without cause. For termination for cause, see Section 4.4 below. Notwithstanding the foregoing, you may terminate this Agreement at the end of the Subscription Period or the then-current Renewal Period. In the event that after the first 12 months of your Subscription Period or during a Renewal Period the amount necessary to pay the Fee, or Fees, are not included in your budget appropriation for the applicable period you may terminate your current Order Form, provided that (a) you use your best efforts to seek and obtain the necessary amount to meet your payment obligations hereunder in each applicable budget appropriation; (b) you notify us of your intent to terminate the agreement within 60 days after the applicable budget appropriation is approved and no later than 30 days prior to the end of the Initial Period or the Renewal Period, as the case may be, and (c) you do not, and you hereby agree that you will not, seek and obtain replacement software or services that are the same as or similar to the Software and Services during the applicable appropriation period.

4.4 **Termination or Suspension for Cause**. Either party may terminate this Agreement and the rights granted hereunder by written notice to the other party in the event of any material breach by the other party of any term or condition set forth herein, if such breach remains uncured 10 days after receipt by the defaulting party of a written notice of default from the non-defaulting party. In addition to other remedies available to DreamBox Learning, it may, in its sole discretion, suspend your access to the Customer Account and use of the Software and Services if payment of any Fee is due and payable and remains outstanding for more than 45 days.

4.5 **Survival**. Upon termination or expiration of this Agreement, all rights and duties of the parties toward each other pursuant to the Agreement cease except that: (a) within 30 days after the effective date of termination, you will pay all amounts owing to DreamBox Learning, including any Fees accrued prior to the effective date of termination; and (b) Sections 1.4, 1.5, 1.6, 4.5, and 7 survive termination or expiration of this Agreement.

5. PRIVACY

DreamBox Learning understands and agrees that you have obligations under the Family Educational Rights and Privacy Act and regulations and guidelines issued thereunder, as the same may be amended from time to time ("**FERPA**"), and other privacy laws to protect the confidentiality of personally identifiable information, as that term is defined in FERPA ("**PII**"), and to obligate those to whom you disclose PII to perform certain functions on your behalf in order to meet requirements and safeguards with respect to the use of such PII. During the term of this Agreement, DreamBox Learning is designated as your authorized representative (as that term is defined in FERPA) to receive, obtain, or create PII residing in one or more of DreamBox Learning's computer information systems used to host the Software and perform the Services. Without limiting any other obligations of this Agreement, DreamBox Learning will (a) not use PII for any purpose other than as expressly allowed under this Section 5; (b) not further disclose PII to any person, other than (i) to your applicable public school district and its employees or (ii) as specifically required or authorized by federal law; and (c) implement policies and procedures consistent with FERPA and in accordance with generally accepted practices, privacy laws, and regulations to safeguard PII from unauthorized use and further disclosure. Notwithstanding the foregoing, you acknowledge and agree that you are responsible for notifying DreamBox Learning concerning any changes to your public school district or its administrators, faculty members, staff members, students, parents, or guardians that may affect DreamBox Learning's privacy policies. DreamBox Learning has no obligations to change its practices unless and until it has received notification from you of any such change, or changes, including, without limitation, any change in desired access by an administrator, faculty member, staff member, student, parent, or guardian.

6. NOTICE

Any notice required or permitted under the terms of this Agreement or required by law must be in writing and must be: (a) delivered in person, (b) sent by first class mail, or (c) sent by overnight air courier, in each case properly posted and fully prepaid to the address set forth on the Order Form. Either party may change its address for notices by notice to the other party given in accordance with this Section 6. Notices will be deemed given at the time of actual delivery in person, three business days after deposit in the mail as set forth above, or one day after delivery to an overnight air courier service.

7. WARRANTY

DREAMBOX LEARNING DOES NOT WARRANT THE SOFTWARE OR SERVICES, EXCEPT AS SPECIFICALLY AGREED TO IN WRITING, AND EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY, ACCURACY, TITLE, AND NON-INFRINGEMENT. YOU WILL NOT HAVE THE RIGHT TO MAKE OR PASS ON ANY REPRESENTATION OR WARRANTY ON BEHALF OF DREAMBOX LEARNING TO ANY THIRD PARTY. NEITHER PARTY SHALL HAVE ANY CONTRACTUAL INDEMNIFICATION OBLIGATIONS TO THE OTHER PARTY.

8. MISCELLANEOUS

The Terms and Conditions and the Order Form contain the entire agreement of the parties with respect to the subject matter of this Agreement and supersede all previous communications, representations, understandings, and agreements, either oral or written, between the parties with respect to said subject. No terms, provisions, or conditions of any sales order, purchase order, acknowledgement, or other business form that either party may use in connection with the transactions contemplated by this Agreement will have any effect on the rights, duties, or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of a receiving party to object to these terms, provisions, or conditions. This Agreement may not be amended, except by a writing signed by both parties. Applicable activation codes for the subscription purchased by you will be issued following receipt of your authorized signature on the Order Form. Receipt of a signed Order Form from you represents a binding agreement to purchase access to and use of the Software and Services. All Fees and payments are non-refundable, unless you terminate this Agreement for cause pursuant to Section 4.4 above, in which case you will receive a prorated refund of any Fees paid in advance of receipt of the Software and Services. You will remit all payments in US Dollars. Fees are exclusive of any applicable taxes or surcharges. Taxes and surcharges, if applicable, are subject to change at the time of invoicing. DreamBox Learning will not charge you taxes or surcharges if you provide us with a valid tax exemption certificate. The parties shall attempt to settle any dispute, controversy, or claim arising out of or in connection with this Agreement through consultation and negotiation in good faith and a spirit of cooperation. This Agreement and all disputes, claims, or controversies arising out of or in connection with this Agreement, including any question regarding its formation, existence, validity, enforceability, performance, interpretation, breach, or termination shall be governed by and construed in accordance with the substantive local laws of the Customer's home state as provided in the Order Form, without reference to its choice of law rules and not including the provisions of the 1980 U.N. Convention on Contracts for the International Sale of Goods. Each party hereby irrevocably consents to the exclusive jurisdiction and venue of the federal and state courts located in the Customer's home county and state, in connection with any action arising out of or in connection with this Agreement and agrees that service of process to the party's address set forth on the Order Form (as may be updated from time-to-time by written notice to the other party in accordance with this Section 8) will constitute effective service within the Customer's home state. It is the express intention of the parties that DreamBox Learning perform the Services as an independent contractor. Nothing in this Agreement will in any way be construed to constitute DreamBox Learning as your agent, employee, or representative. Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed as a waiver of the party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice the party's right to take subsequent action. Exercise or enforcement by either party of any right or remedy under this Agreement will not preclude the enforcement by the party of any other right or remedy under this Agreement or that the party is entitled by law to enforce. If any term, condition, or provision in this Agreement is found to be invalid, unlawful, or unenforceable to any extent, the parties will endeavor in good faith to agree to amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on an amendment, the invalid term, condition, or provision will be severed from the remaining terms, conditions, and provisions of this Agreement, which will continue to be valid and enforceable to the fullest extent permitted by law. This Agreement may be executed in counterparts, each of which will be deemed to be an original and together will constitute one and the same agreement. This Agreement may also be executed and delivered by facsimile or other electronic means and such execution and delivery will have the same force and effect of an original document with original signatures. This Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.

AGENDA ITEM NO. 8.12

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase Imagine Learning Digital Libraries Site Licenses, SDMC No. 23-0027-BS, Continued Procurement with Vendor, Estimated in the Amount of $500,000.00

Executive Summary
Imagine Learning provides a digital curriculum for all district middle and high schools with access to core courses, Advanced Placement, electives, world languages, credit recovery, and Virtual Tutors (test preparation in SAT/ACT, GED, FSA, and all applicable EOCs). The curriculum can be used in a variety of district programs such as initial credit earning for core and general electives, credit recovery, extended learning, alternative education, hospital homebound, virtual, and summer programs.

Imagine Learning also provides a diagnostic and instructional digital language and literacy program that will be used to support newly arrived English Language Learners (ELLs) in K-5 and ELLs that scored a level 1 or a level 2 on the state English language proficiency test (ACCESS 2.0 for ELLs). The program is research-based and aligned to the Florida State Standards. It provides rigorous instruction using an adaptive approach where each student receives an explicit, individualized learning path that adjusts to his or her learning needs and measures individual progress with embedded assessments. Imagine Learning provides heritage language assistance for students in 15 languages. As a student's English proficiency increases, the native language support will automatically fade. This program utilizes comprehensive and individualized reports for teachers and administrators to track a student's individual growth and progress. Technical support and professional development are included in the cost.

Approval of this agenda item does not indicate immediate or complete expenditure of approved funds. Approved funds will only be expended on an as needed as budget allows. The requested contract is for the period of July 1, 2022 through June 30, 2023.

Historical expenditures for 2020-2021 was $516,350.00 and 2021-2022 is currently $593,147.93.

Florida Statutes Section 1010.04(4) states, "Alternative procedures for purchasing – The State Board of Education may, by regulation, provide for alternative procedures for bidding or purchasing in cases in which the character of the item requested renders competitive bidding impractical."

Subsection 6A-1.012(14) F.A.C. states, "A district school board, when acquiring, whether by purchase, lease, lease with option to purchase, rental or otherwise, information technology, as defined in Section 282.004(11), F.S., may make any acquisition through the competitive solicitation process as described herein or by direct negotiation and contract with a vendor or supplier, as best fits the needs of the school district as determined by the district school board."

Subsection 6A-1.012(11) F.A.C. states, "The requirement for requesting competitive solicitations for commodities or contractual services from three or more sources is hereby waived as authorized by Section 1010.04(4)(a), F.S., for: (a) The purchase by district school boards of professional services which shall include, without limitation, artistic services; academic program reviews; lectures by individuals; auditing services not subject to Section 218.391, F.S.; legal services, including attorney, paralegal, expert witness, court reporting, appraisal or mediator services; and health services involving examination, diagnosis, treatment, prevention, medical consultation or administration; and, (b) The purchase by district school boards of educational services and any type of copyrighted materials including, without limitation, educational tests, textbooks, printed instructional materials, computer software, films, filmstrips, videotapes, dvds, disc or tape recordings, digital

recordings, or similar audio-visual materials, and for library and reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution;"

The supplier is Imagine Learning, LLC., Scottsdale, AZ, Florida Document No. M20000011599.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 2
Review and revise the current MTSS Behavioral and Academic Document to create a Framework that encompasses academics, behavior, social emotional learning and mental health by June 2021.

Curriculum & Instruction | Goal 3
Establish professional learning systems to advance continuous academic improvements, promote collective responsibility for student achievement, and support alignment of educator goals, school improvement goals, and school district goals by August 2022.

Recommendation
The Superintendent recommends approval to purchase Imagine Learning digital libraries site licenses, SDMC No. 23-0027-BS, continued procurement with vendor, estimated in the amount of $500,000.00.

Financial Impact
The funding source for this expenditure is Curriculum General Fund and Grant Funds and is included in the Curriculum and Federal Programs and Grants Departments proposed budget for 2022-2023.

AGENDA ITEM NO. 8.13

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Rowlett Middle Academy Charter School Contract Renewal for the 2022-2027 School Years

Executive Summary
Florida Statutes 1002.33 (7) 9 (b) provides that a charter may be renewed provided that a program review demonstrates that the criteria set forth in statute have been successfully accomplished and that none of the grounds for non-renewal has been documented. Rowlett Middle Academy Charter School has been in operation in Manatee County since the 2017 school year, serving students in grades 6-8 with approximately 654 students. The current contract for Rowlett Middle Academy Charter School expires on June 30, 2022.

The Charter Review Team conducted a review as required by statute. The Review Process includes a Renewal Application submitted by Rowlett Middle Academy Charter School, documentation review, and on-site visit.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation
The Superintendent recommends approval of Rowlett Middle Academy Charter School contract renewal for the 2022-2027 school years.

Financial Impact
The District will receive an administrative fee of five percent (5%) of the FTE on the first two hundred-fifty (250) students attending the charter school. The administrative fee provides charter management services, a procession of teacher certification data, and information services including access to student information systems. Rowlett Middle Academy Charter School will receive any remaining FTE and other appropriate funds for the K-8 program.

Rowlett Middle Academy

Florida Standard Charter Renewal Contract

THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA

THIS CHARTER entered into as of the 28th day of June 2022
by and between

The School Board of Manatee County, Florida, a body corporate operating and existing under the Laws of the State of Florida

and

William Monroe Rowlett Academy for the Arts & Communication, Inc, d/b/a William Monroe Rowlett Middle Academy for Leadership, Arts and Communication,
400 30th Avenue West, Bradenton, FL 34205

a non-profit organization

Definitions

Definitions: The following terms shall have the following meanings herein unless the context clearly requires otherwise:

Application shall mean the School's application for a Charter (including amendments) as submitted to and approved by the Sponsor.

Governing Board shall mean the governing board or body of the School.

Charter shall mean this Charter entered into between the School and the Sponsor.

County shall mean Manatee County, Florida.

District shall mean the school district for the County as referenced in Art. IX, Section 4, Florida Constitution.

FDOE shall mean the Florida Department of Education.

High-Stakes Review shall mean an in-depth sponsor review of important charter school performance data utilizing the agreed upon goals and objectives referenced in this Charter. This review differs from routine annual reports in terms of depth and comprehensiveness of the data reviewed.

School shall mean William Monroe Rowlett Academy for the Arts & Communication, Inc., d/b/a William Monroe Rowlett Middle Academy for Leadership, Arts and Communication herein after referred to therein as "Rowlett Middle Academy" or "RMA" (contracting party or legal entity and dba).

Sponsor shall mean the school board of the District as referenced in Art. IX, Section 4, Florida Constitution.

State shall mean the State of Florida.

Superintendent shall mean the superintendent of schools for the District as referenced in Art. IX, Section 4, Florida Constitution.

Section 1

A. Application is Approved. The Application is approved by the Sponsor. A copy of the Application is attached hereto as Appendix 1 and constitutes a part of this Charter. In the event of any conflict between the Application and any other provision of this Charter, the Charter provision shall control.

B. Term of Charter.

1. Effective Date. This Charter shall become effective on the date it is approved by both parties.

2. Term. The term of this Charter shall be Five [5] years commencing on July 1, 2022, and ending on June 30, 2027, unless terminated sooner as provided herein, or extended pursuant to Section 1.B.2., herein. The term shall be automatically extended on a month-to-month basis until the Charter has been renewed, non-renewed, or terminated by the Sponsor. If the parties cannot reach agreement on the terms of a new contract, either party may request mediation from the FDOE, pursuant to section 1002.33(7)(b), Florida Statutes. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on the dispute, including whether proposed provisions of the Charter violate the intended flexibility granted charter schools by statute. The parties agree to amend this Charter, upon any further changes to Florida Statutes or the status of School that allow for terms of greater than five [5] years upon the request of the School.

3. Charter Modification. This Charter may be modified during its initial term or any renewal term only upon approval of both parties. No such modification shall be enforceable unless it is in writing and approved by both the Governing Board and the Sponsor. If the modification involves changes to the grade levels, except as provided by law for high-performing charter schools, the School must provide information acceptable to the Sponsor relating to operational capacity, curriculum, budget, facilities, and staff.

4. Charter Renewal. This Charter may be renewed as provided for in section 1002.33, or 1002.331, Florida Statutes. No later than September 15th in the final academic year of this charter, a Sponsor shall provide notice to the School regarding the process and timeline for completing the programmatic review required under s. 1002.33(7)(c)1., Florida Statutes. Upon completion of the programmatic review, but no later than 90 days prior to the end of the charter term, the Sponsor shall notify the governing board of the Charter School in writing of the proposed action to renew, terminate, or non-renew the charter, pursuant to s. 1002.33(8)(a), Florida Statutes. The Sponsor may not require the School to waive the provisions of s. 1002.331, Florida Statutes, or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2), Florida Statutes, as a condition of approval or renewal of the Charter.

5. Periodic Review and Evaluation. The Sponsor shall annually evaluate the Charter School on its performance and progress toward meeting the standards and targets included in this Charter, including academic achievement goals. If the term of this Charter exceeds five years, the Sponsor shall conduct a High-Stakes Review at least every five years and shall present the findings of the review to the Governing Board of the School.

C. Education Program and Curriculum

1. Any material changes to the education program or curriculum as described in the approved Application or Charter requires Sponsor approval.

2. The School agrees to implement its educational and related programs as specified in the Application unless otherwise modified by this Charter.

3. The School shall make reading a primary focus of the curriculum and provide sufficient resources to identify and provide specialized instruction for students who are reading below grade level. The reading curriculum and instructional strategies shall be consistent with Florida Standards and grounded in scientifically based reading research.

4. The School shall adopt the District's plan for English Language Learners, or implement an alternate District approved plan. If applicable, the School's plan for English Language Learners is attached hereto as Appendix 3. The plan must include sufficient information and detail to allow the Sponsor to determine legal sufficiency.

5. The School will establish the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used, as described in the approved Application or otherwise described in this Charter.

D. Renewal, Non-Renewal, or Termination

1. Non-Renewal/Termination of this Charter. The Sponsor shall make student academic achievement for all students the most important factor when determining whether to renew or terminate this Charter. The Sponsor may choose not to renew or terminate this Charter if it finds that any of the following grounds below exist by clear and convincing evidence, as set forth in section 1002.33(8), Florida Statutes.

i. Failure to participate in Florida's education accountability system created in s. 1008.31, as required in this section, or failure to meet the requirements for student performance established pursuant to Section 2A of the Charter.

ii. Failure to meet generally accepted standards of fiscal management.

iii. Material violation of law.

iv. Other good cause shown, which may include, but is not limited to, any of the following:

a. Failure to cure a material breach of any term or condition of this Charter after written notice of non-compliance;

b. Failure to implement a reading curriculum that is consistent with effective reading strategies grounded in scientifically based reading research if not timely cured after written notice;

c. Filing for voluntary bankruptcy, adjudication of bankruptcy or of insolvency, or other state of financial impairment by the School such that the School can no longer operate or is no longer financially viable;

d. Failure by the School to provide the District with access to records as required by law or this Charter;

e. Failure of the School to maintain minimum insurance coverage as described in this Charter if not timely cured after written notice;

f. Violation by the School of any court order pertaining to the operation of the School;

g. A criminal conviction upon matters involving the School against either the Governing Board, its members (collectively or individually), or the management company where the Governing Board knew or should have known of the conduct underlying the conviction and failed to take corrective action;

h. Failure by the School to timely submit to the District a financial corrective action plan or financial recovery plan and required supporting documents following a notification from the District, Auditor General, or FDOE, that such a plan is required;

i. Failure by the School to implement any financial corrective action plan or financial recovery plan approved by the Florida Commissioner of Education pursuant to section 218.503, Florida Statutes;

j. Failure to provide periodic progress reports as required by the financial recovery plan if not timely cured after written notice;

k. Perpetration of a material fraud upon the District or material intentional misrepresentation in the Application;

l. Failure to comply with background screening and other requirements set forth in section 1002.33, Florida Statutes;

m. Failure by the School to comply with all applicable laws, ordinances and codes of federal, state and local governance including, without limitation, the Individuals with Disabilities Education Act (IDEA) and applicable laws relating to English Language Learners (ELL).

n. Failure to make sufficient progress in attaining the student achievement objectives of the Charter established pursuant to Section 2.A. and the School's School Improvement Plan, if applicable, and a showing that it is not likely that such objectives can be achieved before the end of the Charter term;

o. Willfully or recklessly failing to manage public funds in accordance with the law;

p. Any action by the School that is detrimental to the health, safety, or welfare of its students that is not timely cured after written notice;

q. Failure to maintain the minimum number of three Governing Board members for more than 30 days;

r. Failure to obtain and maintain all necessary licenses, permits, zoning, use approval, facility certifications, and any other approval required by the local government or any other governmental authorities having jurisdiction at any time during the term of this Charter.

2. The Sponsor shall notify the Governing Board in writing at least ninety days prior to renewing, non-renewing, or terminating this Charter, following the procedures set forth in section 1002.33(8), Florida Statutes.

i. If the Sponsor issues a notice of non-renewal or termination, the notice shall state in reasonable detail the grounds for the proposed action and stipulate that the Governing Board may, within 14 calendar days of

receipt of the notice, request a hearing.

ii. A request for a hearing must be authorized by a vote of the Governing Board and be submitted pursuant to the Notice provisions of this Charter.

3. The Sponsor may immediately terminate this charter pursuant to section 1002.33(8)(c), Florida Statutes.

i. Upon receipt of notice of immediate termination from the Sponsor, the School shall immediately provide the Sponsor access to the School's facilities along with security system access codes and access codes for all School owned or leased computers, software, networking, switching and all other technical systems in the School's facilities or remotely located areas serving the School, and shall immediately make accessible all educational and administrative records of the School. Moreover, within two (2) business days, the School shall turn over to the Sponsor copies of all records and information regarding the accounts of all of the public funds held by the School. The Sponsor shall assume operation of the school throughout the pendency of the hearing as provided for in s. 1002.33(8)(d), Florida Statutes, unless the continued operation of the School would materially threaten the health, safety or welfare of the students. Failure by the Sponsor to assume and continue operation of the School shall result in the awarding of reasonable costs and attorney's fees to the School if the School prevails on appeal. If the School prevails in an appeal through a final adjudication by an administrative law judge or by a final adjudication and mandate by the appellate court if an appeal to the appellate court is filed, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's Governing Board shall resume operation and oversight of the School.

ii. The School's instructional and operational employees may continue working in the School during the time that the Sponsor operates the School, at the Sponsor's option, but will not be considered employees of the Sponsor. Any existing employment contracts that any School personnel may have with the School may not be assumed or transferred to the Sponsor or any entity created by the Sponsor during the assumption of operations of the School unless the Sponsor or its entity, and the School, agree otherwise. The Sponsor reserves the right to take any appropriate personnel action regarding the School's employees.

4. If the School elects to terminate or non-renew the Charter, it shall provide reasonable prior notice of the election to the Sponsor indicating the final date of operation as voted by the Governing Board at a publicly noticed meeting. A board resolution signed by the School's Governing Board chair and secretary, indicating support of this action, shall accompany the written notification provided to the Sponsor. The School agrees that such notification shall be considered a voluntary termination by the Governing Board and a waiver of its right to a hearing or appeal.

5. Upon notice of termination or non-renewal the School shall not remove any public property from the premises without written Sponsor approval.

E. Post Termination Provisions

1. If this Charter is not renewed or is terminated, the School shall be responsible for all the debts of the School. The District shall not assume the debt from any contract for services including lease or rental agreements, made between the School and a third party, except for a debt previously detailed and agreed upon, in writing, by both the Sponsor and the Governing Board and that may not reasonably be assumed to have been satisfied by the Sponsor.

2. In the event of termination or non-renewal of this Charter, any and all leases existing between the District and the School shall be automatically cancelled, unless the lease provides otherwise. In no event shall the District be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

3. In the event of termination or non-renewal, any students enrolled at the School may be enrolled at their home District school, or any other school, consistent with the District's student transfer procedures including transfer of all student records to the receiving school. All assets of the School purchased with public funds, including supplies, furniture and equipment, will revert to full ownership of the Sponsor (subject to any lawful liens or encumbrances) or as otherwise provided by law. Any unencumbered public funds from the School, property and improvements of the Sponsor, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal is resolved. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor.

4. Final Audit: Pursuant to section 1002.33, Florida Statutes, upon notice of non-renewal, closure, or termination, an independent audit shall be completed within 30 days to account for all public funds and assets. During the fiscal year in which

the termination or non-renewal occurs, the Sponsor may withhold from the School's FEFP funds, without penalty or interest, an amount necessary to cover the costs for a final financial audit of the School. The audit shall be conducted by an independent certified public accountant.

F. General Statutory Requirements

1. The School shall not discriminate in educational programs/activities or employment and shall provide equal opportunity for all as required by Federal, State and local law, rule, regulation and court order.

2. Additionally, the School shall comply with those statutes that specifically apply to charter schools as set forth in section 1002.33 generally, subsection 1002.33(16), and other applicable State laws. The School agrees that it will abide by all Federal and State laws, statutes, rules, and regulations applicable to charter schools and also abide by the terms and conditions of the Charter.

Section 2: Academic Accountability

Student academic achievement for all students shall be the most important factor when considering whether to renew, non-renew, or terminate this charter.

A. Annual Objectives

1. By September 15 of each year the Sponsor shall provide the School with academic student performance data on state required assessments for each student attending the School that was enrolled the prior year in another public school, pursuant to s. 1002.33(7)(a)3., Florida Statutes. The Sponsor may fulfill this requirement by providing the School access to the data.

2. By September 15 of each year the Sponsor shall provide the School the rates of academic progress for the prior year for comparable student populations in the District. The data shall include proficiency and growth on state assessments for English Language Arts and Mathematics by grade grouping (grades 3-5, 6-8, 9-12) for the following student groups:
   i. Students scoring a level 1 on prior year assessment
   ii. Students scoring a level 2 on prior year assessment
   iii. Students scoring a level 3 or higher on prior year assessments
   iv. Students with disabilities
   v. English Language Learners

3. By October 15 of the first year of this Charter, the School shall provide its proposed academic achievement goals for the remaining years of the Charter to the Sponsor. The academic achievement goals shall include, at a minimum, growth and proficiency on state assessments, and may include performance on additional assessments included

in the approved Application. If the School will not serve students in grades that participate in the statewide assessments the academic achievement goals shall be based on the assessments included in the approved application, and at least one assessment administered in traditional public schools in the District. Charter School Academic Achievement Goals shall be uploaded to the Sponsor's Monitoring Warehouse, Charters.Link, and shall include academic goals for all students, including evidence-based strategies and interventions for subgroups as identified by Federal Indexes, as well as measures of progress towards goals.

i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the proposed academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. If the Sponsor does not provide written notification within 30 days of receipt, the goals shall be deemed accepted by the Sponsor.

4. By October 15 of the second year of the School's operation, the School shall provide its proposed academic achievement goals for the remaining years of the Charter, up to a maximum of four years or the end of the current Charter term, whichever occurs first, using the same parameters and testing set forth in Section 2.A.3, above. Schools that have contracts in excess of five years shall resubmit proposed academic achievement goals every four years pursuant to the process described in this paragraph.

   i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the academic achievement goals it shall provide the School a written explanation. If the Sponsor does not respond within 30 days of receipt the academic achievement goals are deemed accepted. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. The goals may be adjusted at any time upon mutual written consent of both parties.

5. Annually, the School shall report its performance against the academic goals. If the School falls short of the academic achievement goals set forth under the provisions of this Charter the Sponsor shall report such shortcomings to the School's Governing Board and FDOE.

6. The School and Sponsor may agree to adjust the goals through the same process set forth in Section 2.A., above.

7. Methods of Measurement: The methods used to identify the educational strengths and needs of students are set forth in the approved Application.

8. School Improvement Plans: The School shall develop and implement a School

Improvement Plan as required by section 1002.33(9)(n), Florida Statutes and applicable State Board of Education Rules or applicable federal law. If the School is not required to submit a school improvement plan pursuant to Section 1002.33(9), Florida Statutes, but is identified by the Department (under the Every Student Succeeds Act) to be included in the list of comprehensive support and improvement (CS&I) schools or targeted support and improvement (TS&I) schools, it must develop and implement a school improvement plan approved by the Governing Board.

B. Assessments

1. State required assessments: All students at the School will participate in all State assessment programs and assessments required by law. The School shall facilitate required alternate assessments and comply with state reporting procedures.

2. Additional Assessments: Students may participate in any or all District assessment programs in which the District students in comparable grades or schools participate and shall participate in any other assessments as described in the Application. The School shall be responsible for the costs of District assessments that are not required by law or this Charter, except those developed with federal funds or those developed using Florida's Item Bank and Test Platform

3. If an IEP, 504 Plan or an EP for a student indicates accommodations or an alternate assessment for participation in a State assessment, or District assessment, as applicable, the School will facilitate the accommodations or alternate assessment and comply with State reporting procedures.

4. All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services or support activities that are routinely provided to the Sponsor's staff regarding implementation of District and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.

5. The District shall provide the School with reports on District and State assessments in the same manner and at the same time as for all public schools in the District.

6. The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.

C. Student Promotion and Graduation: The School's student promotion policy shall be consistent with the provisions of the Application and applicable Florida law. The School [will] adopt the Sponsor's student progression plan. The school shall be responsible and provide credit recovery options for middle grades students who fail core academic courses (Language Arts, Math, Science, Social Studies). The School shall provide Credit Recovery Options to Grade 8 students during the school year, or summer following grade 8, as necessary, prior to promotion to high school.

The School's policy for determining that a student has satisfied the requirements for graduation shall be consistent with the provisions of the Application, and Florida law.

Schools that serve students in grade 12 shall annually notify parents in writing the accreditation status of the school and the implications of non-accreditation, if applicable. The notification may be provided in the parent handbook.

D. Data Access and Use Pursuant to Statute

The School agrees to allow the District reasonable access to review its data sources in order to assist the District in making a valid determination about the degree to which student performance requirements, as stated in this Charter, have been met.

Section 3: Students

A. The School is authorized to serve students in grades 6 through 8.

The School may provide enrollment preferences as allowed for in section 1002.33(10), Florida Statutes. Further, the School may limit the enrollment process to target specific student populations as set forth in section 1002.33(10)(e), Florida Statutes, or as described in the approved Application.

The school may expand its capacity to no more than 670 students during the term of this contract and follow all notification requirements for enrollment as set forth in Florida Statute and enumerated below.

The School will accept all eligible students in accordance with federal and state anti-discrimination laws and in accordance with the Florida Educational Equity Act, section 1000.05(2) (a), Florida Statutes. The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The School may not request prior to enrollment, through the application or otherwise, information regarding the student's prior academic performance. Pursuant to section 1002.33(7), Florida Statutes, admission or dismissal must not be based on a student's academic performance.

The School shall be non-sectarian in its programs, admissions policies, employment practices and operations. The School will meet all applicable state and local health,

safety, and civil rights requirements. The School will comply with all applicable provisions of the Marjory Stoneman Douglas High School Public Safety Act, including the following:

1. Section 1006.12, relating to safe school officer;

2. Section 1006.07(7), relating to threat assessment teams;

3. Section 1006.07(9), relating to School Environmental Safety Incident Reporting;

4. Section 1006.07(6)(c), relating to adopting an active assailant response plan;

5. Section 943.082(4)(b), relating to the mobile suspicious activity reporting tool;

6. Section 1012.584, relating to youth mental health awareness assistance training.

7. The School will comply with Allyssa's Law and all other regular and monthly monitoring requirements that must be entered in Charters.Link.

8. All required monthly Active Shooter Drills, Threat Assessment Team Meetings must be entered into Charters.Link with all appropriate and required signatures.

The School will not participate in its Sponsor's plan for the mental health assistance allocation. If the School develops its own plan, it must submit that plan to its governing board for approval. After the plan is approved by the governing board, it must be provided to the School's Sponsor.

B. The School shall make reasonable efforts, in accordance with federal law, to achieve a racial or ethnic balance reflective of the community it serves or within the racial or ethnic range of other public schools in the District and shall not discriminate against students with disabilities who are served in Exceptional Student Education programs (ESE) and students who are served as English Language Learners (ELL). The School will be responsible to defend any and all Due Process Complaints and/or State Complaints for violations of FAPE and the IDEA. Any and all costs incurred by the School District in the defense of these claims will be paid by the School.

If the District is operating under a federal order or other resolution or settlement agreement, the School shall comply with those requirements applicable to charter schools

that are not considered a local education agency (LEA). The School is not required to comply with federal requirements applicable to charter schools also considered to be an LEA.

C. Recruitment

The School will recruit throughout all segments of the community. This may include direct mailings, public advertisement utilizing the local and community press and informational meetings at a variety of locations using both English and other languages where appropriate.

D. Eligible Students

1. Each year, the School agrees to enroll an eligible student by accepting a timely application through deadlines as determined by the Governing Board and publicly advertised. If the target goal of students is not met by the deadline, and the School wishes to extend, the School will give sufficient public notice and extend the application deadline for a set time as determined and publicized by the Governing Board. If, at the 10-day count, the registered enrollment as reflected in the Sponsor's data system is less than 75% of the School's total projected enrollment as provided for under the provisions of Section 3.F. of this Charter, the School shall, upon request by the Sponsor, submit a revised budget within 30 days taking into account the reduced enrollment. Failure to provide the revised budget may constitute good cause for termination.

2. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants shall have an equal chance of being admitted through a random selection process. The School may give preference in admission to students or limit the enrollment as provided for in section 1002.33(10), Florida Statutes. The School shall clearly indicate in its Policies and Procedures the lottery procedures and enrollment preferences the School will utilize.

3. Enrollment is subject to compliance with the provisions of section 1003.22, Florida Statutes, concerning school entry health examinations and immunizations.

4. If this Charter is not renewed or is terminated, a student who attended the School may be enrolled in another public school pursuant to Sponsor policies.

5. A student may withdraw from the School at any time and enroll in another public school, as determined by District policy. The School shall work in conjunction with the parent(s) and the receiving school to ensure that such transfers minimize impact on the student's grades and academic achievement.

6. Students at the School are eligible to participate in an interscholastic extracurricular activity at the public school to which the student would be otherwise assigned to attend pursuant to section 1006.15(3)(d) and 1002.20(18)(c), Florida Statutes.

E. Class Size

The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

F. Annual Enrollment

1. Preliminary Projected Enrollment: No later than January 15 of each year, the School shall provide to the Sponsor the School's Preliminary Projected Enrollment for the following school year. The Preliminary Projected Enrollment shall not constitute a cap on the School's enrollment for the following school year.

2. Annual Enrollment Capacity: The Annual Enrollment Capacity shall be annually determined by the Governing Board in conjunction with the Sponsor based on the factors set forth in section 1002.33(10), Florida Statutes. The School shall provide to the Sponsor by March 1 of each year of this Charter, or a date otherwise agreed to by the Sponsor and School, the proposed Annual Enrollment Capacity for the subsequent school year. Disagreements between the Sponsor and the School relating to Annual Enrollment Capacity will be resolved using the dispute resolution provisions in this Charter and section 1002.33, Florida Statutes. The School shall not enroll students in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the School shall not be exceeded during any session. The Annual Enrollment Capacity of a School that is designated as High-Performing pursuant to section 1002.331, Florida Statutes, shall be determined by the Governing Board.

3. Final Enrollment Projection: No later than June 1 of each year, the School shall provide to the Sponsor the School's Final Enrollment Projection for the upcoming school year. For purposes of this Charter, Final Enrollment Projection is not A nnual Enrollment Capacity, but is the School's projection for how many students will be enrolled when the school year begins and will serve as the basis for initial FEFP payments.

G. Maintenance of Student Records as Required by Statute

1. The School shall maintain confidentiality of student records as required by federal and state law.

2. The School will maintain active records for current students in accordance with applicable Florida Statutes and State Board of Education rules.

3. All permanent (Category A) records of students leaving the School, whether by graduation, transfer to another public school, or withdrawal to attend another

school, will be immediately transferred to the District in accordance with Florida Statutes. Records will be transmitted to the District's records retention department.

4. Records of student progress (Category B) will be transferred to the appropriate school if a student withdraws to attend another public school or any other school. The School may retain copies of the departing student's academic records created during the student's attendance at the School.

5. Upon the withdrawal of a student from the School, the School will retain the student's original records, except that such records will be immediately transferred to another District school when requested by that school. Requests for student records from public or private schools outside of the County and private schools within the County must be made in writing. Only copies of requested records may be provided. Copies only of student records may be provided to parents upon their request unless the student is considered an eligible student under FERPA. The School will retain the student's record for three (3) years after student withdrawal or until requested by another District public school in this County, whichever comes first. At the end of the third year all inactive student records will be returned to the District's records retention department.

6. Upon termination or closure of the School, all student education records and administrative records shall be transferred immediately to the Sponsor's records retention office for processing and maintenance.

7. The School will comply with all other public record retention requirements for non-student related records in a manner consistent with applicable Florida law. The School shall comply with Fla. Stat. Chapter 119 (the Public Records Act) and all other applicable statutes pertaining to public records.

8. The Sponsor will ensure that all student records will be provided immediately to the School upon request and upon enrollment of students in the School from a District school.

9. The School must maintain a record of all the students who apply to the School, whether or not they are eventually enrolled. The information shall be made available to the Sponsor upon written request. However, such requests may not be made until after the October survey period. The School shall maintain documentation of each enrollment lottery conducted. Such documentation shall provide sufficient detail to allow the Sponsor to verify that the random selection process utilized by the School was conducted in accordance with section 1002.33(10)(b), Florida Statutes. Records must be maintained in accordance with applicable record retention laws.

H. Exceptional students shall be provided with programs implemented in accordance with applicable Federal, state and local policies and procedures; and, specifically, the

Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, sections 1000.05 and 1001.42(4) (l) of the Florida Statutes, and Chapter 6A- 6 of the Florida Administrative Code. This includes, but is not limited to:

1. A non-discriminatory policy regarding placement, assessment, identification, and selection.

2. Free appropriate public education (FAPE).

3. Individual Educational Plans (IEP's), to include an annual IEP meeting with the student's family.

Students with disabilities will be educated in the least restrictive environment and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

Those students, whose needs cannot be adequately addressed at the School, as determined by the IEP team, will be referred to an appropriate placement within the District. Parents of students with disabilities will be afforded procedural safeguards in their native language, consistent with the manner that those safeguards are provided in the District's traditional schools or using the District's materials. Unless the School is specifically for students with disabilities, the School shall not request through the School's application a student's IEP or other information regarding a student's special needs, nor shall the School access such information prior to the enrollment lottery.

Upon enrollment, or notice of acceptance sent to the student, the School may request from the District information related to the student's program and needs, including the student's most recent IEP, which shall be provided within 10 days. If the School believes, upon review of the IEP, that the student's needs cannot be met at the School an IEP meeting shall be convened within 30 days. The Sponsor shall be invited to and may attend the meeting, at which time the IEP team shall determine whether the School is an appropriate placement for the student.

A representative of the Sponsor shall be invited to participate in all IEP meetings and will serve as the LEA representative. The Sponsor retains the right to determine whether or not to send a representative to such meetings. However, if no representative of the Sponsor will attend an IEP meeting, the Sponsor must designate which individual or employment position at the School will serve as LEA representative and must provide such individual with training required to serve as LEA representative.

4. Due Process Hearing:

i. A student, parent, or guardian who indicates at an IEP, EP, or 504 meeting that they wish to file for a due process hearing or State Complaint pursuant to State law and rules shall be given the appropriate forms by the School. These forms shall also be provided upon request at any other time.

ii. Due process hearing requests shall be forwarded to the Sponsor's ESE Director and the District's General Counsel within one (1) school day of receipt.

iii. The Sponsor will select and assign an attorney in consultation with the School. The School may also hire an attorney at its cost to consult and cooperate with the Sponsor. Final decisions on legal strategies shall be made by the Sponsor's attorney in consultation with the School.

iv. In cooperation with the assigned attorney, the School is responsible for scheduling resolution and mediation meetings as required under State and Federal law.

v. The Sponsor shall ensure that:
(a) The due process hearing is conducted pursuant to applicable State laws and rules;
(b) A final decision is reached; and
(c) A copy of the decision is mailed to the parties.

vi. The School shall bear all the costs associated with the administrative due process hearing, legal representation, discovery, court reporter, and interpreter. In the event that the student, parents, or guardians prevail, either through a hearing or settlement, the School shall pay any and all attorneys' fees, reimbursements, compensatory education and any other costs incurred, agreed upon or awarded; however, the District shall assume or reimburse the costs of the defense attributable to, caused by or through the fault of the District, if any. Costs and fees incurred will be automatically reduced from the FTE funds passed through the Sponsor to the School, without any penalty of interest, although the School may request, and the parties agree to a payment plan.

If the School receives a complaint filed or becomes aware of an investigation with the Office of Civil Rights or any other governmental entity and the complaint or investigation relates to the School and could involve the Sponsor, the School shall within one (1) school day notify the Sponsor and provide the Sponsor any documentation from the agency. The School shall fully cooperate with the Sponsor during the investigation and proceeding and provide the Sponsor any relevant information. The School shall bear all costs associated with the investigation. However, the Sponsor shall assume or reimburse the costs attributable to, caused by, or through the fault of the Sponsor, if any.

I. ESE administrative services covered by the administrative fee, pursuant to section 1002.33(20), Florida Statutes, includes professional development related to IEP development; access to any electronic IEP system or forms; initial evaluation for ESE placement; and other supports and services as agreed to by the School and the District.

J. English for Speakers of Other Languages: Students at the School who are English Language Learners will be served by English to Speakers of Other Languages (ESOL) certified personnel who will follow the District's Plan for English Language Learners (ELLs), or an alternate plan that has been approved by the Sponsor. The School shall be invited to attend the District's ESOL Procedures Training(s) and shall comply with applicable rules and regulations.

K. Dismissal Policies and Procedures

The School shall implement the dismissal policies as described in the approved Application or subsequently submitted to and approved by the Sponsor. If the School materially revises the dismissal policies, it shall provide the Sponsor the revised policies within 30 days of adoption by the Governing Board. If the Sponsor determines that the revised dismissal policies violate applicable law, it shall provide the School with written notice within 30 days. The School shall have the opportunity to resubmit.

Upon the School's decision to implement dismissal, the School shall refer the student to the District for appropriate placement with the District. Dismissal procedures shall be clearly defined in writing and included in any Parent Contract, shared with students and parents annually and provided to the District no later than two weeks prior to the opening of school each year. In each instance where dismissal is initiated, the parents will receive written notice of the dismissal including the reasons for dismissal and a summary of the actions taken to assist the student prior to dismissal. The District shall be provided a copy of the dismissal notice on the same day as the parent. The School shall work in conjunction with the parent(s) and the receiving school to assure that, to the greatest extent possible, such dismissals occur at logical transition points in the school year (e.g. grading periods or semester breaks) that minimize impact on the student grades and academic achievement.

The School may withdraw a student involuntarily for failure to maintain eligibility, such as District residency requirements, or for material violation of the School's Student Conduct Code, which must also be compliant with IDEA, Section 504 of the Rehabilitation Act, and the American with Disabilities Act (ADA) for student with disabilities.

The School may not withdraw a student involuntarily for poor academic performance or for a minor infraction of the School's Code of Conduct. The School will ensure that no pressure, coercion, negotiation or other inappropriate inducement may be used to attempt to have parents or guardians withdraw students from the School.

L. Student Code of Conduct, Suspension and Expulsion

The School will maintain a safe learning environment at all times. The School shall adopt a Code of Student Conduct as described in the approved Application. The School will report each month to the District the number of violations of the Code, by offense, to be included in the District's discipline reporting, as required by law. The School agrees that it will not engage in the corporal punishment of students. Students recommended for expulsion or placement in an alternative school will be referred to the Sponsor for appropriate disposition. If the student remains enrolled at the School while placed at an alternative school, costs for the alternative school charged to the School, if any, will not exceed the Sponsor's actual cost for such student unless mutually agreed to by the School and Sponsor in a contract negotiated separately from the Charter. Students with disabilities shall be afforded a manifestation determination if required by the Individuals with Disabilities Education Act.

M. School or Parent Contract

The School agrees to submit any proposed Parent Contracts, including amendments, to the Sponsor for review by March 1 annually. The Sponsor shall approve the proposed Parent Contract or reject it if it does not comply with applicable law, within 30 days of receipt. If the Sponsor rejects the proposed Parent Contract it shall provide its reasons for rejection in writing, detailing the legal insufficiency, and shall allow the School to resubmit a revised draft. If the School or Sponsor elects to resolve any dispute through the dispute resolution procedures, then the deadline for approving the Parent Contract will be extended through the conclusion of that dispute resolution process. The School may not accept monetary donations in lieu of volunteer hours.

Section 4: Financial Accountability

A. Revenue: State and Local

1. Basis for Funding: Student Reporting

i. School will report the daily attendance of each student to the District to meet District attendance reporting requirements, as required by law.

ii. The School agrees to report its student enrollment to the District as provided in section 1011.62, Florida Statutes, and in accordance with the definitions in section 1011.61, Florida Statutes, at the agreed upon intervals and using the method used by the District when recording and reporting cost data by program. The District shall include the School's enrollment when recording and reporting cost data by program. The District shall include the School's enrollment in the District's report of student enrollment. The School shall use the Sponsor's electronic data processing software system and procedures for the processing of student enrollment,

attendance, FTE collection, assessment information, IEP's, ELL plans, 504 plans, and any other required individual student plan. The Sponsor will offer training to the School and invite the School to any subsequent training for District staff, in the use of such system and procedures at no cost to the School. A representative of the School shall attend such training. The Sponsor shall provide the School with equal access to the Sponsor's student information systems that are used by traditional public schools in the District.

iii. If the School submits data relevant to FTE, Federal, or grant funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State, the United States Department of Education or the District for any errors or omissions in data that the School submitted provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s) so that the School, on its own, or through the Sponsor, at the School's expense may participate in any proceedings to challenge or appeal such audit findings. After final disposition of any appeals, the District shall deduct any such adjustments from the School's subsequent revenue disbursements evenly over the remaining months of the fiscal year or according to an agreed upon payment plan.

iv. The District agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a District school in a manner fully consistent with Florida law. The basis of the funding shall be the sum of the District's operating funds from the Florida Education Finance Program (FEFP) as provided in section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds and funds from the District's current operating discretionary millage levy, divided by the total funded weighted full-time equivalent students (WFTE) in the District; multiplied by the weighted full-time equivalent students for the School.

v. If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of categorical program funds included in the total funds available in the FEFP by the Legislature, including transportation, the research-based reading allocation, and the Florida digital classrooms allocation and any other funds made part of the FEFP by the Florida Legislature.

vi. Total funding for the School shall be recalculated during the year to reflect the revised calculations under the Florida Education Finance Program by the state and the actual weighted full-time equivalent students reported by the School during the full-time equivalent student survey periods designated by the Commissioner of Education.

2. Millage Levy, if applicable

The District shall provide additional funding to the School via any applicable capital outlay or operating millage levied by the Sponsor as required by law

3. Fees to be Charged to the School by the District.

The Sponsor may charge the School an administrative fee in an amount not to exceed the maximum rate allowed under section 1002.33(20), Florida Statutes. Such fee shall be withheld ratably from the distributions of funds, defined in section 1002.33(17)(b), Florida Statutes, to be made to the School under this Charter. Such fee shall cover only those services provided by the Sponsor which are required to be covered under such statute. If the School requests services from the Sponsor beyond those provided for in statute, the Sponsor and the School will enter into a separate written agreement approved by both parties.

The District shall provide the distribution of funds reconciliation simultaneously with each revenue disbursement to the School including any administrative and other fees and charges withheld.

4. Distribution of Funds Schedule

i. The Sponsor shall calculate and submit twelve (12) monthly or twenty- four bi-monthly payments to the account specified by the School. Each payment will be one-twelfth (1/12) or one twenty-fourth (1/24) of the funds described in Section 4.A.1., above, less the administrative fee set forth in Section 4.A.3, above. The first payment will be made by July 15 of the School's first year of operation. Subsequent payments will be made no later than the 15th of each month beginning with August 15.

ii. For each year of the Charter, monthly payments will be calculated as follows:

a. July through October payment shall be based on the School's Final Projected Enrollment as determined under the provisions of Section 3.F. of this Charter, if a minimum of 75 percent of the Final Projected Enrollment is entered into the Sponsor's Student Information System by the first day of the current month. Otherwise, or if the School's enrollment exceeds its Projected Enrollment, the Sponsor shall fund the School based on the number of students actually registered as of the first day of the month.

b. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds

distributed monthly to the School for the remainder of the fiscal year.

c. Payments will be adjusted retroactively for prior period adjustments.

iii. Payment shall not be made, without penalty of interest, for students in excess of the School facility's valid capacity as determined by the School's Certificate of Occupancy, Certificate of Use, or Fire Permit or in excess of the Annual Enrollment Capacity for the school year (whichever is less). In the event that the required county or municipality facility permits do not indicate a facility capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.

iv. The Sponsor may withhold monthly payments, without penalty of interest, if the School's Certificate of Occupancy, Certificate of Use, or Fire Permit has expired or has otherwise become invalid. The School shall notify the Sponsor immediately if any of the aforementioned documents has expired or become invalid. The Sponsor shall release, in full, all funds withheld under this provision when the School has cured the deficiency. Payments will not be withheld pending receipt of the School's Certificate of Occupancy, Certificate of Use or Fire Permit for its initial location or any subsequent location, so long as the School has met applicable statutory deadlines for obtaining such approvals.

Additionally, funding for the School shall be adjusted during the year as follows:

a. In the event of a state holdback or a proration, which reduces District funding, the School's funding will be reduced proportionately to the extent required by law.

b. In the event that the District exceeds the state cap for WFTE for Group 2 programs established by the Legislature resulting in unfunded WFTE for the District, then the School's funding shall be reduced to reflect its proportional share of any unfunded WFTE.

v. The District shall make every effort to ensure that the School receives timely and efficient reimbursement of funds. Other than those payments provided for in this Charter, for which other requirements for timely payments have been made, the payment shall be issued no later than ten (10) working days after the District

receives a distribution of state or federal funds. If a warrant for payment is not issued within ten (10) working days after the receipt of funding by the District, or the due date set forth in this Charter, the District shall pay to the School, in addition to the amount of the scheduled disbursement, interest at a rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration of the ten (10) day period until such time as the warrant is issued.

Payment shall be made to the account in a state-approved depository specified and approved by the Governing Board at a public meeting.

Notwithstanding the foregoing, distribution of FTE funds may be withheld, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) day overdue:

i. The School's monthly/quarterly financial statement as required by State Board of Education Rule 6A-1.0081, F.A.C.

ii. The School's annual financial audit as required by section 218.39, F.S and this Charter.

The Sponsor shall release, in full, funds withheld under this provision within 10 days of receipt of the documents that resulted in the withholding of funds.

B. Federal Funding

Pursuant to section 1002.33(17)(d), Florida Statutes, the Sponsor shall include the School in all requests for federal funds for which the School, or its students, is eligible, including without limitations, Title I, Title II, and IDEA funds. The Sponsor will provide copies of federal fund grant requests to the School no later than the date they are submitted to FDOE or a federal agency, as applicable.

Pursuant to section 1002.33(17), Florida Statutes, unless otherwise mutually agreed to by the School and Sponsor, and consistent with state and federal rules and regulations governing the use and disbursement of federal funds, the Sponsor shall reimburse the School on a monthly basis for all invoices submitted by the School for federal funds available to the Sponsor for the benefit of the School, the School's students, and the School's students as public students in the District. If the School elects to receive funds in lieu of services, the following provisions apply:

1. The Sponsor shall provide to the School by July 15 of each year, or at other times of the school year if other federal funds become available, a projected annual

allocation for all federal funds, as described above, that the School may draw as reimbursement for services provided. The projected annual allocation shall be based upon the School's Final Projected Enrollment as provided for in 3.F. of this Charter or other data as applicable to the federal funds to be allocated.

2. The School shall provide to the Sponsor a plan that describes how the funds will be used in accordance with applicable federal requirements as required by law. The plan must include sufficient detail to allow review of the plan for compliance with applicable federal regulations. The Sponsor shall have 30 days to review and approve the plan. If the Sponsor deems the plan unacceptable, the Sponsor shall provide the School with written notice detailing the deficiencies and provide an opportunity to cure.

3. The School shall submit invoices by the 15th of each month to receive reimbursement for allowable expenses incurred during the prior month. The School shall maintain documentation of all expenditures in accordance with applicable law and provide to the Sponsor upon request. Expenditures shall be included in required monthly or quarterly financial statements.

4. The Sponsor shall reimburse the School within 30 days of receipt of the invoice. If the Sponsor determines that the invoice is insufficient, it shall provide written notice to the School within ten (10) days of receipt.

5. If the School and Sponsor mutually agree that the School will receive services funded through federal funds in lieu of the funds, such services will be provided to the School in the same manner as such services are provided to school district schools and to the students enrolled at school district schools.

6. The per pupil allocation of Title I funds will be determined annually in accordance with federal and state Title I regulations by the District for that purpose. The allocation of Title I Funds shall be made in accordance with the Public Charter Extension Act of 1998 and all corresponding guidance and regulations and applicable Florida law.

7. Any capital outlay item purchased with Title I must be identified and labeled for Title I property audits. The property must be returned to the District if the School is no longer eligible for Title I funding.

8. Should the School receive Title I funds it will employ highly qualified staff: teachers that are certified and teaching infield; Para-educators with two years of college, an AA degree, or that have passed an equivalent exam.

9. If the School accepts Title I funds, the School will receive a separate parent involvement allocation that must be spent in support of parental involvement activities and the School will implement a parent involvement program subject to

the provisions of Title I federal law, currently section 1118 of NCLB.

10. The District and regional Title I staff will provide technical assistance and support in order to ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards.

11. Medicaid School Match Program Participation: Under the Medicaid Certified School Match Program, the School may be eligible to seek reimbursement for certain services provided to Medicaid-eligible students who qualify for services under the IDEA part B or C. In order to seek reimbursements, the School shall follow the procedures established by the Agency for Health Care Administration for Medicaid-reimbursable services to eligible students in the School.

C. Federal Grants

The School agrees to comply with the District's rules, policies and procedures for federal and state Grants Management for grants submitted through the District, which include, but are not limited to:

1. Working with the appropriate District staff to facilitate District's approval for all federal and state grant applications developed by the School for which the District will serve as fiscal agent

2. Submitting a grant application executive summary and grant description for each such grant processed and submitting an annual end-of-the-year Grant Final Report.

3. Ensuring that all grant indirect costs are appropriated, if allowed, to the district for applicable Federal Grants that are approved, monitored and/or disbursed by the Sponsor. For purposes of the Public Charter School Program Grant, authorized under Title V, Part B, of the Elementary and Secondary Education Act, no indirect costs may be appropriated to the Sponsor unless the School voluntarily agrees to such appropriation.

D. Charter School Capital Outlay Funds

1. Application

If the School meets the FDOE criteria for Charter School Capital Outlay Funds, the School must submit a Capital Outlay Plan pursuant to the process required by FDOE.

2. Distribution

Should the School receive a Capital Outlay allocation, the District shall distribute such funds to the School within 10 days of receipt of such funds from the FDOE.

E. Restriction on Charging Tuition or Fees

The School shall not charge tuition or fees, except those fees allowable by statute that are normally charged by other public schools in the District. If the School intends to charge fees, it shall submit its proposed fee schedule to the District for review no later than March 1 prior to the School Year in which the fees are intended to be charged, or within 30 days of contract execution for the initial school year. If the District believes that the proposed fee schedule does not meet the requirements of this subsection or applicable law, it will submit comments to the School and request additional information no later than thirty (30) days following receipt of the proposed fee schedule. If the parties are unable to resolve such issues, the matter will be submitted for alternative dispute resolution as set forth herein and Florida law. Fees shall not be a barrier to enrollment.

F. Budget

1. Annual Budget

The School shall annually prepare an operating budget for the School. The budget shall be formally adopted by the Governing Board at a scheduled public meeting. The adoption of the budget shall be documented in the minutes of the meeting. The School shall provide to the Sponsor a copy of the approved budget and a copy of the minutes of the Governing Board meeting documenting adoption of the budget, no later than August 30, for the fiscal year.

2. Amended Budget
Any amendments to the adopted budget shall be approved by the Governing Board at a scheduled meeting thereof and a copy provided to the District within 10 business days of the meeting at which the budget was amended.

G. Financial Records, Reports and Monitoring

1. Maintenance of Financial Record

The School shall use the standard state format contained in the Financial and Program Cost Accounting and Reporting for Florida Schools (The Red Book) for all financial transactions and maintenance of financial records.

2. Financial and Program Cost Accounting and Reporting for Florida Schools. The School agrees to do an annual cost accounting in a form and manner consistent with generally accepted governmental accounting standards in Florida. The financial statements are to be prepared in accordance with the provisions of section 1002.33(9), Florida Statutes.

3. Financial Reports

i. Monthly or Quarterly Financial Reports

The School will submit a monthly or quarterly, as applicable, financial statement pursuant to section 1002.33(9), Florida Statutes, and Rule 6A-1.0081, Florida Administrative Code, to the Sponsor no later than the last day of the month following the month being reported or in the case of a High-Performing charter school, financial reports shall be submitted quarterly as provided by Florida law. The monthly or quarterly report will be in the format prescribed by the FDOE.

The parties agree that the Sponsor may reasonably request, in accordance with section 1002.33(5)(b)1.j., Florida Statutes, documents on the School's financial operations beyond the monthly financial statement and the School shall provide in a reasonable timeframe.

ii. Annual Property Inventory

The School will submit annually to the Sponsor a property inventory of all capital assets or additions to capital assets purchased with public funds (including grant funds). This includes land or existing buildings, improvements to grounds, construction of buildings, additions to building, remodeling of buildings, initial equipment, new and replacement equipment, and software. This shall include furniture, fixtures, and equipment. The property inventory shall include the date of purchase, description of the item purchased, the cost of the item, and the item location. The property inventory shall be submitted to the sponsor annually at the same time School's Annual Audit is submitted.

iii. Program Cost Report

The School agrees to deliver to the Sponsor its annual cost report in a form and manner consistent with generally accepted governmental accounting standard in Florida, no later than the last business day in July.

iv. Annual Financial Audit

The School will annually obtain a financial audit, from a licensed Certified Public Accountant or Auditor, selected pursuant to section 218.391, Florida Statutes. The audit will be performed in accordance with Generally Accepted Auditing Standards; Governing Standards and the Rules of the Auditor General for the State of Florida. The School will provide a copy of its annual financial audit (including any School responses to audit findings) to the Sponsor no later than September 30.

The Sponsor reserves the right to perform additional audits and investigations at its expense as part of the Sponsor's financial monitoring responsibilities as it deems necessary to ensure fiscal accountability and sound financial management.

v. Form 990, if applicable

The School shall organize as, or be operated by, a nonprofit organization. If the School has obtained federal tax-exempt status as a 501(c) (3) organization, the School shall provide the Sponsor copies of any correspondence from the Internal Revenue Service (IRS) confirming the School's 501(c)(3) status and will provide to the Sponsor a copy of its annual Form 990 within 15 business days after filing it with the IRS. Notwithstanding anything set forth in this Charter, the Sponsor does not covenant to extend or pledge its own tax-exempt status in any way for the use and benefit of the School.

vi. The School shall provide all required financial documents noted herein in a timely manner consistent with the terms of this Charter.

4. The School's fiscal year shall be July 1 – June 30

5. If the School's annual financial audit reveals a deficit financial position, the auditors are required to notify the School's Governing Board, the Sponsor and the FDOE in writing. The auditor shall report such findings in the form of an exit interview to the principal or the principal administrator of the School and the chair of the Governing Board within seven (7) business days after finding the deficit position.

6. A final annual financial audit report shall be provided to the entire Governing Board, the Sponsor and the FDOE within fourteen (14) business days after the exit interview.

7. If the School experiences one of the financial conditions included in section 1002.345, Florida Statutes, it shall address such findings as required by law.

H. Financial Management of School

1. The Governing Board shall be responsible for the operation and fiscal management of the School. The fiscal management of the School shall be conducted in a manner consistent with the provisions of the Application.

2. The School shall adhere to any additional applicable financial requirements mandated by State or Federal laws and regulations.

3. Notwithstanding anything else herein to the contrary, the Sponsor shall not

i. Guarantee payment for any purchases made by the School;

ii. Guarantee payment for any debts incurred by the School;

iii. Guarantee payment for any loans taken out by the School.

iv. Lend its good faith and credit in order for the School to obtain a loan or other forms of credit.

The School shall not suggest or represent to third parties, including, but not limited to, lenders, vendors, creditors, other business entities or their representatives, governmental entities, or other individuals anything to the contrary of the immediately preceding sentences.

4. The School agrees to provide to the District, upon request, proof of sufficient funds or a letter of credit to assure prompt payment of operating expenses associated with the School, including but not limited to, the amount of any lease payments, teacher and other staff salaries and benefits, transportation cost, etc. The parties stipulate that provision of a financially feasible, adopted budget, shall be sufficient for meeting this requirement.

I. Description of Internal Operating Procedures

The School shall develop and implement sufficient internal operating procedures as described in the approved Application to ensure sound financial management.

Section 5: Facilities

A. The School shall be located at 400 30th Avenue West, Bradenton, FL 34205. The School must provide a copy of the lease agreement, use agreement, or ownership documents and certificate of occupancy or temporary certificate of occupancy documenting compliance with all applicable codes no later than fifteen (15) days prior to the School's opening. The School shall make facilities accessible to Sponsor for safety inspection purposes. A facility for students to utilize during the class day is a material requirement of this Charter. If the facility is sub-leased, the School shall provide, upon request, documentation verifying the owner of the facility has approved the School's use of the facility if such approval is required.

Any proposed change in location or an additional location must be requested in writing to the Sponsor, and any new location must meet the same standards contained herein and applicable law. If the proposed location will not result in a substantial change to the student population or burden to the currently enrolled students and their families and does not alter the school's mission, approval shall not be unreasonably withheld. The School shall not

change locations without prior written approval from the Sponsor, Superintendent or Superintendent's designee.

Notwithstanding the aforementioned, in unforeseen circumstances or emergencies, if the facility is damaged or unable to safely house students and staff, the School must notify the Sponsor, immediately, and secure an alternative location to ensure no interruption in instruction. The alternative location shall be subject to all facility requirements indicated in this section and applicable law. If the circumstances result in limited interruption of instruction the School shall ensure that the required number of instructional hours is provided.

B. The School shall use facilities that comply with the requirements in section 1002.33(18), Florida Statutes. The School shall provide the District with a list of the facilities to be used and their location. The School agrees to periodic health and safety inspections conducted by District safety staff.

C. In the event the School is dissolved or is otherwise terminated, all property of the Sponsor and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the Sponsor, subject to complete satisfaction of any lawful liens or encumbrances. Any unencumbered public funds from the School, Sponsor property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal status is resolved.

D. If the School is a Conversion School pursuant to section 1002.33, Florida Statutes, the Sponsor shall maintain the facilities as required by section 1002.33(18), Florida Statutes.

E. The School shall not display any religious or partisan political symbols, statues or artifacts, on the property and facilities where the School will operate.

Section 6: Transportation

A. The School shall provide transportation to the School's students consistent with the requirements of Part I.E. of Chapter 1006, Florida Statues, section 1012.45 and section 1002.33(20)(c), Florida Statutes. The School may provide transportation through an agreement or contract with the Sponsor, a private provider, or parents.

B. Reasonable Distance [for purposes of this Charter]: The School and Sponsor shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within 2 miles.

C. The parties may agree for the District to provide transportation to and from the School. If such agreement is reached it shall be the subject of a separate contract. If agreement is reached with the Sponsor the School may utilize, at the School's expense, the District's

transportation services for extracurricular events, field trips, and other activities on the same basis and terms as other District schools.

D. The School shall comply with all applicable transportation safety requirements. Should the School choose to implement its own transportation plan rather than contract with the District for transportation services, it shall submit a transportation plan to the District for review and approval. The School shall provide the District the name of the private transportation provider and a copy of the signed contract no later than 10 business days prior to the use of the service.

- The school shall submit monthly bus inspection reports to the District via Charters Link.
- The school shall participate in and submit bus evacuation drills twice per year, within the first 6 weeks of each semester via Charters Link.
- The School will only use properly licensed and trained drivers that comply with all Florida and Federal guidelines.

E. If the School submits data relevant to FTE funding for transportation that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the Sponsor or State arising as a result of any errors or omissions, misrepresentations or inaccurate projections for which the School is responsible provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s), so that the School, on its own, or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. After final disposition of any appeals, the Sponsor shall deduct such assessed amount from the next available payment otherwise due to the School, without penalty of interest. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same.

Section 7: Food Services

The School shall provide food services to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program, it shall follow all applicable federal rules and regulations.

Section 8: Insurance & Indemnification

A. The School agrees to provide the following proof of insurance:

1. Errors and Omissions coverage to include prior acts, sexual harassment, civil rights and employment discrimination, breach of contract, insured versus insured, consultants and independent contractors and with minimum policy limits of $2,000,000.00. The insurance shall be subject to a maximum deductible not to exceed $25,000 per claim. If the insurance is on a claims-made basis, the School shall maintain, without interruption, the Professional Liability Insurance until three

(3) years after termination of this Charter;

2. General liability coverage written on an occurrence form with minimum policy limits of $1,000,000.00 per occurrence and an aggregate limit of $2,000,000.00;

3. Business automobile coverage with the same limits as general liability.

B. Property insurance shall be secured for buildings and contents. Property Insurance coverage for the "Building" includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.

C. The School further agrees to secure and maintain property insurance for the School's personal property, and to insure all of the District's owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.

D. The School agrees to provide adequate Workers' Compensation insurance coverage as required by Chapter 440, Florida Statutes.

E. Fidelity Bond and Crime Coverage: The School shall purchase Employees Dishonesty or Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School's administrators and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million ($1,000,000) dollars per loss/two million ($2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty or Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.

F. No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured. Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for which evidence was provided. Should any of the above-described policies (A-E) be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.

G. Failure to secure and continuously maintain all insurance listed in items A-E without cure after written notice above may constitute grounds for termination of this charter.

H. The School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the School's members, officers, or employees or other agents in connection with and arising out of any services within the scope of this Charter; (b) the School's material breach of this Charter or law; (c) any failure by the School to pay its suppliers or any subcontractors. In addition, the School shall indemnify, protect and hold the District harmless against all claims and actions brought against the District by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School, except when Sponsor supplied, or required School to use that material, process, machine, or appliance, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter. The School shall not indemnify Sponsor for intentional or negligent conduct of Sponsor, or any other cause of action caused by or through the fault of the Sponsor.

I. Applicable to All Coverages the School Procures

1. Other Coverages: The insurance provided by the School shall apply on a primary basis and any other insurance or self-insurance maintained by the Sponsor or its members, officers, employees, or agents, shall be in excess of the insurance provided by or on behalf of/ the School.

2. Deductibles and Retention: Except as otherwise specified, the insurance maintained by the School shall apply on a first-dollar basis without application of deductible or self- insurance retention.

3. Liability and Remedies: Compliance with the insurance requirements of this Charter shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees, or agents by the insurance shall be in addition to and not in lieu of any other remedy available under the Charter or otherwise.

4. Subcontractors: The School shall require its subcontractors and its sub-subcontractors to maintain any and all insurance required by law.

5. Waiver of Subrogation: All policies will be endorsed for waiver of subrogation in favor of the Sponsor.

6. Defense outside the limits: Whenever possible, coverage for School Leader's Errors and Omission and Sexual Abuse Liability policies should be written with "Defense Costs outside the limits". This term ensures that limits are available to pay claims rather having attorney's fees erode the available claim dollars.

J. The District agrees to indemnify and hold harmless the School, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the District's members, officers, employees or other agents in connection with and arising out of any services within the scope of this Charter; or (b) the District's material breach of this Charter or law. In addition, the Sponsor shall indemnify, protect and hold the School harmless against all claims and actions brought against the School by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the District or required by the District to be used by the School, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter.

K. Notwithstanding anything to the contrary contained herein, through such indemnification set forth in Sections 8(H) and 8(J) above, the District and the School do not waive sovereign immunity to the extent sovereign immunity is available or beyond the limited waiver of sovereign immunity set forth in Section 768.28, Florida Statutes. In the event of any claims described in Sections 8(H) and 8(J) above, the School and Sponsor shall notify one another of any such claim promptly upon receipt of same. The School and Sponsor shall each have the option to defend such claims with their own counsel at the expense of the other party. If the Sponsor or School choose to not hire their own counsel to defend, the other party shall assume the defense of any such claim and have authority in the defense thereof. The parties' obligation to indemnify one another shall survive the termination of this Charter.

L. Notification of Third-Party Claim, Demand, or Other Action: The School and Sponsor shall notify each other of the existence of any third-party claim, demand or other action giving rise to a claim for indemnification under this provision (a "third-party claim") and shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that the Sponsor shall at all times have the right to participate in such defense at its own expense. If, within a reasonable amount of time after receipt of notice of a third-party claim, the School or Sponsor fails to undertake to defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the third-party claim for the account. The School or the Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a third-party claim.

M. Notice of Claims

1. Time to Submit

The School shall provide the Sponsor with proof of insurance pursuant to Section 8(F) of this Charter.

2. Notice of Cancellation

The evidence of insurance shall provide that the District be given no less than sixty (60) days written notice prior to cancellation.

3. Renewal or Replacement
Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the District with evidence of the renewal or replacement of the insurance no less than thirty (30) days before the expiration or termination of the required insurance for which evidence was provided.

Section 9: Governance

A. Governance of the School will be in accordance with the Bylaws or other organizational documents of the School and as described in the Application. The general direction and management of the affairs of the School shall be vested in the Governing Board with a minimum of 3 members. A majority of the voting members of the Governing Board shall constitute a quorum. A majority of those members of the Governing Board present shall be necessary to act. Members of the Governing Board may attend in person or by means of communications media technology used in accordance with rules adopted by the Administration Commission under s. 120.54(5), Florida Statutes. The Governing Board's primary role will be to set policy, provide financial oversight, annually adopt and maintain an operating budget, exercise continuing oversight over the School's operations, and communicate the vision of the School to community members. It shall be the duty of the Governing Board to keep a complete record of all its actions and corporate affairs and supervise all officers and agents of the School and to see that their duties are properly performed.

The Governing Board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the School is located and may be a Governing Board member, employee of the School, or individual contracted to represent the Governing Board. If the Governing Board oversees multiple charter schools in the same school district, the Governing Board must appoint a separate individual representative for each charter school in the district. The representative's contact information must be provided annually, in writing, to parents and posted prominently on the School's website.

All meetings and communications involving members of the Governing Board shall be held in compliance with Florida's Sunshine Law.

The Board shall have at least two public meetings per school year within the District. The meetings must be noticed, open, and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the School's operations. The appointed representative and the School's principal or director, or his or her equivalent, must be physically present at each meeting.

All members of the Governing Board will be required to attend Governance training and refresher courses as required by section 1002.33, Florida Statute, and Rule 6A-6.0784, Florida Administrative Code.

The Governing Board will serve as the sole responsible fiscal agent for setting the policies guiding finance and operation. School policies are decided by the Governing Board, and the Principal ensures that those policies are implemented.

The School will be a [private employer/public employer] and [will/will not] participate in the Florida Retirement System.

B. The School shall be organized as a Florida nonprofit organization.

C. The Bylaws or other organizational documents of the School shall establish the procedures by which members of the Governing Board are appointed and removed and the election of officers. The Governing Board will develop and implement policies regarding educational philosophy, program, and financial procedures. The Governing Board will oversee assessment and accountability procedures to assure that the School's student performance standards are met or exceeded.

1. The Governing Board shall exercise continuing oversight over the School's operations and will be held accountable to its students, parents or guardians, and the community at large, through a continuous cycle of planning, evaluation, and reporting as set forth in section 1002.33, Florida Statutes.

2. The Governing Board will be responsible for the over-all policy decision making of the School, including the annual approval of the budget.

3. Upon nomination and prior to appointment to the Governing Board, a member shall be fingerprinted pursuant to section 1002.33(12)(g), Florida Statutes. The cost of the fingerprinting is the responsibility of the School or Governing Board member. Prospective Governing Board members whose fingerprint check results warrant disqualification under the Statute shall not be appointed to the board.

4 The Governing Board shall ensure that the School has retained the services of a certified public accountant or auditor for the annual financial audit, pursuant to

section 1002.345(2), Florida Statutes, who shall submit the report to the Governing Board.

5. The Governing Board shall review and approve the audit report, including any audit findings and recommendations for the financial recovery plan.

6. The Governing Board shall perform the duties set forth in section 1002.345, Florida Statutes, including monitoring any financial corrective action plan or financial recovery plan.

7. No member of the Governing Board or their immediate family will receive compensation, directly or indirectly from the School or the School's operations. No School or management company employee, or his or her spouse, shall be a member of the Governing Board. Violation of this provision or any violation of sections 112.313(2),(3),(7) and (12) and section 112.3143, Florida Statutes, by a member of the Board, shall constitute a material breach of this Charter.

8. Any change in Governing Board membership must be reported to Sponsor in writing within 5 business days of the change and entered into Charters Link.

9. All newly appointed Governing Board members must complete a Level 2 screening prior to serving on the Governing Board at the cost of the School and entered into Charters Link.

D. The School shall allow reasonable access to its facilities and records to duly authorized representatives of the District. Conversely, the District shall allow reasonable access to its records to duly authorized representatives of the School to the extent allowable by law.

To the extent the School is provided access to Sponsor's data systems, all School employees and students will be bound by Sponsor's computer policies and standards regarding data privacy and system security.

E. If an organization (management organization), including but not limited to: 1) a management company, 2) an educational service provider, or 3) a parent organization, will be managing or providing significant services to the School, the contract for services between the management organization and the Governing Board shall be provided to the Sponsor and attached as an appendix to this Charter. Any contract between the management organization and the School must ensure that:

1. Members of the Governing Board or their spouses will not be employees of the management organization, nor should they be compensated for their service on the Board or selected to serve on the Board by the management organization.

2. The Governing Board retains the right to hire an independent attorney, accountant, and audit firm representing and working for, or on behalf of, the School. Notwithstanding, the Governing Board and the management organization may

contract for such services as determined by the management agreement and as otherwise allowed by law. The Governing Board shall use an audit firm that is independent from the management organization for the purposes of completing the annual financial audit required under section 218.39, Florida Statutes.

3. The contract will clearly define each party's rights and responsibilities including specific services provided by the management organization and the fees for those services and specifies reasonable and feasible terms under which either party may terminate the contract.

4. All equipment and furnishings that are purchased with public funds will be the property of the School, not the management organization and any fund balance remaining at the end of each fiscal year will belong to the School, not the management organization.

5. All loans from the management organization to the School, such as facility loans or loans for cash flow, will be appropriately documented and will be repaid at a rate no higher than market rates at the time of the loan.

6. A copy of any material changes to the contract between the management organization and the Governing Board shall be submitted to the District within five (5) days of execution. The Sponsor shall have 30 days to review the material changes. If the changes violate the terms of this Charter or applicable law the Sponsor shall provide written notice to the School which shall include a description of the violations. The School may address the concerns or initiate the dispute resolution process included in this Charter.

7. The management organization will perform its duties in compliance with this Charter.

F. Any default or breach of the terms of this Charter by the management company shall constitute a default or breach under the terms of this Charter by the School unless the School cures such breach after written notice.

Section 10: Human Resources

A. The School shall select its own personnel.

B. The School's employment practices shall be nonsectarian.

C. The teachers employed by or under contract to the School shall be certified as required by Chapter 1012.

D. Employees of the School may participate in professional development activities offered by the District. Any costs associated with professional development for which there is an

additional fee, and for which no Federal funding has been provided for such purposes to the Sponsor, will be the responsibility of the School or individual School employee.

E. The School may not employ an individual to provide instructional services or to serve as a teacher's aide if the individual's certification or licensure as an educator is suspended or revoked by this or any other state.

F. This Charter makes the following full disclosure of the identity of all relatives employed by the School who are related to the School owner, president, chairperson of the Governing Board, superintendent, Governing Board member, principal, assistant principal, or any other person employed by the School who has equivalent decision-making authority per Fla. Stat. § 1002.33(7) (a) (18):

This information shall be submitted annually via Charters.Link, signed by the school principal. Any changes that would reflect nepotism, should be avoided and entered in Charters.Link immediately.

If the relative is employed after execution of this Charter, the School shall disclose to the District, within 10 business days, the employment of any person who is a relative as defined in section 1002.33(7)(a)18., Florida Statutes.

The School shall comply with the restriction on employment of relatives, pursuant to section 1002.33(24), Florida Statutes.

G. The School may not knowingly employ an individual who has resigned from a school or school district in lieu of disciplinary action with respect to child welfare or safety or who has been dismissed for just cause by any school or school district with respect to child welfare or safety or who is under current suspension from any school or school district.

H. The School shall disclose to the parents the qualifications of its teachers in the manner required by law. The School shall provide to the District, prior to the opening of school, the qualifications and assignments of all staff members using the Sponsor's designated database. Teaching assignments must match the State's course code directory numbers. Changes will be provided to the District within 3 work days of hiring, granting leaves of absence, or terminating teachers.

I. The School shall implement policies and procedures for background screening of all prospective employees, volunteers and mentors.

J. The School shall require all employees and the members of the Governing Board to be fingerprinted by an authorized law enforcement agency or an employee of the School or Sponsor who is trained to take fingerprints, pursuant to section 1002.33(12), Florida Statutes. The cost of fingerprinting shall be borne by the School or the individual being fingerprinted. The results of all such background investigations and fingerprinting will be reported in writing to the Superintendent of Schools or his or her designee. No School employee or member of the Governing Board may be on campus with students until his or

her fingerprints are processed and cleared. The School shall ensure that it complies with all fingerprinting and background check requirements, including those relating to vendors, pursuant to, sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and shall follow Sponsor's policy with regard to the fingerprinting and background check requirements of volunteers. The School shall notify the District's Human Resource Department when a staff member is no longer employed at the School.

The School shall require all employees and Board members to self-report within 48 hours to appropriate authorities any arrest and final disposition of such arrest other than minor traffic violations. The School shall then take appropriate action relating to the employment of that individual.

K. The School shall not violate the anti-discrimination provisions of section 1000.05, Florida Statutes, and the Florida Education Equity Act.

Section 11: Required Reports and Documents

The Sponsor and School shall agree upon submission deadlines for the following required documents.

A. Monthly

1. Financial Reports, per State Board of Education Rule (quarterly if School is designated High-Performing pursuant to section 1002.331, Florida Statute.)

2. Bus Inspection Reports and FLDOT and Federal CDL compliance.

3. All required monthly and regularly scheduled General Monitoring Requirements must be uploaded to ChartersLink on or before the required due date.

B. Quarterly

1. Governing Board meeting agenda and minutes

C. Annually

1. Annual Student Achievement Report

2. Annual Financial Audit

3. Program Cost Report

4. Annual Inventory Report [capital purchases with public funds]

5. Policies and Procedures of the school [if materially revised]

6. School based Student Code of Conduct [if materially revised]

7. Dismissal Policies and Procedures [if materially revised]

8. Crisis Response Plan [if materially revised]

9. Employee Handbook [if materially revised]

10. Current List of members of the Governing Board and Principal

11. School's Parental Contract [if materially revised]

12. Projected Enrollment [for subsequent school year]

13. Capacity [for subsequent school year]

14. School Calendar [for subsequent school year] if different than the District

15. Evidence of Insurance

16. Management Organization Agreement [if materially revised]

17. Student Progression Plan [if materially revised]

18. Comprehensive Incident and Safety Management Plan.

19. Other Reports or General Monitoring Documents as required by Florida Statute or changes in Legislation.

D. The Sponsor may request additional reports if the request is provided in writing and provides reasonable and specific justification.

E. In connection with its oversight responsibilities, the District may provide information, upon request, to third parties, including creditors and other parties doing business with the School, regarding (i) the School's compliance with its reporting obligations and other obligations hereunder or under applicable law, (ii) the status of the School's charter, and (iii) any disciplinary action that has been taken, including the existence of any Corrective Action Plan and the School's compliance with the requirements thereof.

Section 12: Miscellaneous Provisions

A. Impossibility

Neither party shall be in default of this Charter, if the performance of any or all of this Charter is prevented, delayed, hindered or otherwise made impracticable or impossible by reason of any strike, flood, hurricane, riot, fire, explosion, war, act of God, sabotage or any other casualty or cause beyond either party's control, and which cannot be overcome by reasonable diligence and without unusual expense.

B. Drug Free Workplace: The School shall be a drug-free workplace, as provided by State and Federal law.

C. Entire Agreement

This Charter shall constitute the full, entire, and complete agreement between the parties hereto. All prior representations, understandings and agreements whether written or oral are superseded and replaced by this Charter. This Charter may be altered, changed, added to, deleted from or modified only through the voluntary, mutual written consent of the parties. Any amendment to this Charter shall require approval of the Sponsor and the Governing Board.

D. No Assignment without Consent

This Charter shall not be assigned by either party without mutual written consent.

E. No Waiver

No waiver of any provision of this Charter shall be deemed or shall constitute a waiver of any other provision unless expressly stated. The failure of either party to insist in any one or more instances upon the strict performance of any one or more of the provisions of this Charter shall not be construed as a waiver or relinquishment of said term or provision, and the same shall continue in full force and effect. No waiver or relinquishment to any provision of this Charter shall be deemed to have been made by either party unless in writing and signed by the parties.

F. Default Including Opportunity to Cure

In the event that the School should default under any provision hereto, absent any circumstance permitting immediate termination, the School shall have thirty (30) days from written notice of default to cure, unless otherwise agreed to by the parties in writing.

G. Survival Including Post Termination of Charter: All representations and warranties made herein shall survive termination of this Charter.

H. Severability: If any provision or any part of this Charter is determined to be unlawful, void, or invalid, that determination shall not affect any other provision or any part of any other provision of this Charter and all such provisions shall remain in full force and effect.

I. Third Party Beneficiary: This Charter is not intended to create any rights in a third-party beneficiary.

J. Choice of Laws, Jurisdiction and Venue of Disputes and Waiver of Jury Trial

This Charter is made and entered into in the County and shall be interpreted according to the laws of the State. The exclusive jurisdiction and venue for any litigation between the parties arising out of or related to this Charter, shall be the Circuit Court, the County Court in and for the County, or the appropriate appellate or federal court except as otherwise provided for resolution of disputes pursuant to section 1002.33(7)(b), Florida Statutes. The parties forever waive the right to trial by jury for any and all litigation between the parties arising out of or related to this Charter. The parties agree to have any such dispute settled by a judge alone, without a jury.

K. Notice

Official correspondence between the School and the District shall be in writing and signed by an officer of the Governing Board or the Principal of the School. Every notice, approval, consent or other communication authorized or required by this Charter shall not be effective unless same shall be in writing and sent postage prepaid by United States mail, directed to the other party at its address hereinafter provided or such other address as either party may designate by notice from time to time in accordance herewith:

1. Notices to the School:

Rowlett Middle Academy, Inc.
Attn: Governing Board Chair
802 11th Street West, Bradenton, FL 34205

2. Notices to the Sponsor

The School Board of Manatee County, Florida
Attn: Superintendent
215 Manatee Avenue West, Bradenton, FL 34205

Notice may also be given by email to the email addresses provided by the parties subject to verbal or written confirmation of receipt.

Each of the persons executing this Charter represents and warrants that he or she has the full power and authority to execute the Charter on behalf of the party for whom he or she signs and that he or she enters into this Charter of his or her own free will and accord and in accordance with his or her own judgment, and after consulting with anyone of his or her own choosing, including but not limited to his or her attorney.

L. Conflict Between Charter and Florida Law

In any case where this charter conflicts with Florida law, the terms of the applicable Florida Statute, State Board Rule, or case law will control over the Charter.

M. Conflict or Dispute Resolution

Subject to the applicable provisions of section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with section 1002.33(8)(c), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict or dispute resolution procedure.

The following dispute resolution process not otherwise pre-empted by section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute. All disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process:

Step 1 -- The persons having responsibility for implementing this Charter for the grieving party will write to the other party to identify the problem, propose action to correct the problem and explain reasons for the proposed action.

Step 2 -- The person having responsibility for implementing this Charter for the other party will respond in writing within fifteen (15) calendar days, accepting the proposed action or offering alternative solution(s) to the problem. A meeting of representatives of the parties may be held to reach agreement on the solution and subsequent action.

Step 3 -- Upon resolution of the problem, the responsible personnel from both parties will develop a joint written explanation indicating the resolution. This document will be retained with this Charter. If an amendment to the Charter is necessary, the amendment will be submitted for action by both parties.

Step 4 -- If efforts at agreement within a reasonable time are unsuccessful, the parties may have recourse to their available legal remedies, including, without limitation, mediation

through the FDOE or those additional remedies set forth in section 1002.33(7)(b), Florida Statutes.

N. Citations

Whenever a Florida Statute or State Board of Education Rule is referenced in this Charter, it shall be construed to mean the statute or rule as it is amended from time to time.

The Sponsor's policies will not control this Charter or be incorporated herein absent written consent of the Governing Board, as provided by Florida law, unless the School agreed to such policies in the approved Application or otherwise agreed to by the Governing Board in writing.

If the Sponsor subsequently amends any agreed-upon Sponsor policy the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the Sponsor may not hold the School responsible for any provision of a newly revised policy unless the revised policy is mutually agreed upon.

Upon the Sponsor's revision of a mutually agreed upon Sponsor policy, the Sponsor shall provide written notification to the School and Governing Board. The written notification shall include the revised policy and shall allow the Governing Board 45 days to reject the revised policy. If the Governing Board does not provide written notice of its rejection of the policy, the revised policy is deemed accepted by the Governing Board. If the Governing Board rejects the revised policy, it shall remain bound by the policy as it existed at the time the Governing Board agreed to it.

O. Interpretation

The headings in the Charter are for convenience and reference only and in no way define, limit or describe the scope of the Charter and shall not be considered in the interpretation of the Charter or any provision hereof. This Charter is the product of negotiation between the parties and therefore the terms of this Charter shall not be construed against either party as the drafter.

AGENDA ITEM NO. 8.14

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Imagine North at Manatee - Charter School Contract Renewal for the 2022-2027 School Years

Executive Summary
Florida Statutes 1002.33(7)9(b) provides that a charter may be renewed provided that a program review demonstrates that the criteria set forth in statute have been successfully accomplished and that none of the grounds for non-renewal has been documented. Imagine North at Manatee - Charter School has been in operation in Manatee County since the 2007 school year, serving students in grades PreK-8 with approximately 643 students. The current contract for Imagine North at Manatee - Charter School expires on June 30, 2022.

The Charter Review Team conducted a review as required by statute. The Review Process includes a Renewal Application submitted by Imagine at North Manatee, documentation review, and on-site visit.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Curriculum & Instruction | Goal 1
Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students.

Recommendation
Approval of Imagine North at Manatee - Charter School contract renewal for the 2022-2027 school years.

Financial Impact
The District will receive an administrative fee of five percent (5%) of the FTE on the first two hundred-fifty (250) students attending the charter school. The administrative fee provides charter management services, procession of teacher certification data, and information services including access to student information systems. Imagine North at Manatee - Charter School will receive any remaining FTE and other appropriate funds for the K-8 program.

THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA

THIS CHARTER entered into as of the 28th day of June 2022
by and between

The School Board of Manatee County, Florida, a body corporate operating and existing under the Laws of the State of Florida

and

Imagine Manatee County, LLC, d/b/a/Imagine Charter School at North Manatee
9275 49th Ave E, Palmetto, FL 34221

a non-profit organization

Definitions

Definitions: The following terms shall have the following meanings herein unless the context clearly requires otherwise:

Application shall mean the School's application for a Charter (including amendments) as submitted to and approved by the Sponsor.

Governing Board shall mean the governing board or body of the School.

Charter shall mean this Charter entered into between the School and the Sponsor.

County shall mean Manatee County, Florida.

District shall mean the school district for the County as referenced in Art. IX, Section 4, Florida Constitution.

FDOE shall mean the Florida Department of Education.

High-Stakes Review shall mean an in-depth sponsor review of important charter school performance data utilizing the agreed upon goals and objectives referenced in this Charter. This review differs from routine annual reports in terms of depth and comprehensiveness of the data reviewed.

School shall mean Imagine Manatee County, LLC (d/b/a Imagine Charter School At North Manatee
Sponsor shall mean the school board of the District as referenced in Art. IX, Section 4, Florida Constitution.

State shall mean the State of Florida.

Superintendent shall mean the superintendent of schools for the District as referenced in Art. IX, Section 4, Florida Constitution.

Section 1

A. Application is Approved. The Application is approved by the Sponsor. A copy of the Application is attached hereto as Appendix 1 and constitutes a part of this Charter. In the event of any conflict between the Application and any other provision of this Charter, the Charter provision shall control.

B. Term of Charter.

1. Effective Date. This Charter shall become effective on the date it is approved by both parties.

2. Term. The term of this Charter shall be 5years commencing on July 1, 2022 and ending on June 30, 2027 unless terminated sooner as provided herein or extended pursuant to Section 1.B.2., herein. The term shall be automatically extended on a month-to-month basis until the Charter has been renewed, non-renewed, or terminated by the Sponsor. If the parties cannot reach agreement on the terms of a new contract, either party may request mediation from the FDOE, pursuant to section 1002.33(7)(b), Florida Statutes. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on the dispute, including whether proposed provisions of the Charter violate the intended flexibility granted charter schools by statute.

3. Charter Modification. This Charter may be modified during its initial term or any renewal term only upon approval of both parties. No such modification shall be enforceable unless it is in writing and approved by both the Governing Board and the Sponsor. If the modification involves changes to the grade levels, except as provided by law for high-performing charter schools, the School must provide information acceptable to the Sponsor relating to operational capacity, curriculum, budget, facilities, and staff.

   i. The charter school will follow SDMC Policy and Statute with regard to charter amendment requests and will advise in writing any construction that will take place on their facility or at any other proposed location prior to the permitting process.

4. Charter Renewal. This Charter may be renewed as provided for in section 1002.33, or 1002.331, Florida Statutes. No later than September 15th in the final academic year of this charter, a Sponsor shall provide notice to the School regarding the process and timeline for completing the programmatic review required under s. 1002.33(7)(c)1., Florida Statutes. Upon completion of the programmatic review, but no later than 90 days prior to the end of the charter term, the Sponsor shall notify the governing board of the Charter School in writing of the proposed action to renew, terminate, or non-renew the charter, pursuant to s. 1002.33(8)(a), Florida Statutes. The Sponsor may not require the School to waive the provisions of s. 1002.331, Florida Statutes, or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2), Florida Statutes, as a condition of approval or renewal of the Charter.

5. Periodic Review and Evaluation. The Sponsor shall annually evaluate the Charter School on its performance and progress toward meeting the standards and targets included in this Charter, including academic achievement goals. If the term of this Charter exceeds five years, the Sponsor shall conduct a High-Stakes Review at least every five years and shall present the findings of the review to the Governing Board of the School.

C. Education Program and Curriculum

1. Any material changes to the education program or curriculum as described in the approved Application or Charter requires Sponsor approval.

2. The School agrees to implement its educational and related programs as specified in the Application unless otherwise modified by this Charter.

3. The School shall make reading a primary focus of the curriculum and provide sufficient resources to identify and provide specialized instruction for students who are reading below grade level. The reading curriculum and instructional strategies shall be consistent with Florida Standards and grounded in scientifically based reading research.

4. The School shall adopt the District's plan for English Language Learners, or implement an alternate District approved plan. If applicable, the School's plan for English Language Learners is attached hereto as Appendix 3. The plan must include sufficient information and detail to allow the Sponsor to determine legal sufficiency.

5. The School will establish the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used, as described in the approved Application or otherwise described in this Charter.

D. Renewal, Non-Renewal, or Termination

1. Non-Renewal/Termination of this Charter. The Sponsor shall make student academic achievement for all students the most important factor when determining whether to renew or terminate this Charter. The Sponsor may choose not to renew or terminate this Charter if it finds that any of the following grounds below exist by clear and convincing evidence, as set forth in section 1002.33(8), Florida Statutes.

i. Failure to participate in Florida's education accountability system created in s. 1008.31, as required in this section, or failure to meet the requirements for student performance established pursuant to Section 2A of the Charter.

ii. Failure to meet generally accepted standards of fiscal management.

iii. Material violation of law.

iv. Other good cause shown, which may include, but is not limited to, any of the following:

a. Failure to cure a material breach of any term or condition of this Charter after written notice of non-compliance;

b. Failure to implement a reading curriculum that is consistent with effective reading strategies grounded in scientifically based reading research if not timely cured after written notice;

c. Filing for voluntary bankruptcy, adjudication of bankruptcy or of insolvency, or other state of financial impairment by the School such that the School can no longer operate or is no longer financially viable;

d. Failure by the School to provide the District with access to records as required by law or this Charter;

e. Failure of the School to maintain minimum insurance coverage as described in this Charter if not timely cured after written notice;

f. Violation by the School of any court order pertaining to the operation of the School;

g. A criminal conviction upon matters involving the School against either the Governing Board, its members (collectively or individually), or the management company where the Governing Board knew or should have known of the conduct underlying the conviction and failed to take corrective action;

h. Failure by the School to timely submit to the District a financial corrective action plan or financial recovery plan and required supporting documents following a notification from the District, Auditor General, or FDOE, that such a plan is required;

i. Failure by the School to implement any financial corrective action plan or financial recovery plan approved by the Florida Commissioner of Education pursuant to section 218.503, Florida Statutes;

j. Failure to provide periodic progress reports as required by the financial recovery plan if not timely cured after written notice;

k. Perpetration of a material fraud upon the District or material intentional misrepresentation in the Application;

l. Failure to comply with background screening and other requirements set forth in section 1002.33, Florida Statutes;

m. Failure by the School to comply with all applicable laws, ordinances and codes of federal, state and local governance including, without limitation, the Individuals with Disabilities Education Act (IDEA) and applicable laws relating to English Language Learners (ELL).

n. Failure to make sufficient progress in attaining the student achievement objectives of the Charter established pursuant to Section 2.A. and the School's School Improvement Plan, if applicable, and a showing that it is not likely that such objectives can be achieved before the end of the Charter term;

o. Willfully or recklessly failing to manage public funds in accordance with the law;

p. Any action by the School that is detrimental to the health, safety, or welfare of its students that is not timely cured after written notice;

q. Failure to maintain the minimum number of three Governing Board members for more than 30 days;

r. Failure to obtain and maintain all necessary licenses, permits, zoning, use approval, facility certifications, and any other approval required by the local government or any other governmental authorities having jurisdiction at any time during the term of this Charter.

2. The Sponsor shall notify the Governing Board in writing at least ninety days prior to renewing, non-renewing, or terminating this Charter, following the procedures set forth in section 1002.33(8), Florida Statutes.

i. If the Sponsor issues a notice of non-renewal or termination, the notice shall state in reasonable detail the grounds for the proposed action and stipulate that the Governing Board may, within 14 calendar days of receipt of the notice, request a hearing.

ii. A request for a hearing must be authorized by a vote of the Governing Board and be submitted pursuant to the Notice provisions of this Charter.

3. The Sponsor may immediately terminate this charter pursuant to section 1002.33(8)(c), Florida Statutes.

i. Upon receipt of notice of immediate termination from the Sponsor, the School shall immediately provide the Sponsor access to the School's facilities along with security system access codes and access codes for all School owned or leased computers, software, networking, switching and all other technical systems in the School's facilities or remotely located areas serving the School, and shall immediately make accessible all educational and administrative records of the School. Moreover, within two (2) business days, the School shall turn over to the Sponsor copies of all records and information regarding the accounts of all of the public funds held by the School. The Sponsor shall assume operation of the school throughout the pendency of the hearing as provided for in s. 1002.33(8)(d), Florida Statutes, unless the continued operation of the School would materially threaten the health, safety or welfare of the students. Failure by the Sponsor to assume and continue operation of the School shall result in the awarding of reasonable costs and attorney's fees to the School if the School prevails on appeal. If the School prevails in an appeal through a final adjudication by an administrative law judge or by a final adjudication and mandate by the appellate court if an appeal to the appellate court is filed, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's Governing Board shall resume operation and oversight of the School.

ii. The School's instructional and operational employees may continue working in the School during the time that the Sponsor operates the School, at the Sponsor's option, but will not be considered employees of the Sponsor. Any existing employment contracts that any School personnel may have with the School may not be assumed or transferred to the Sponsor or any entity created by the Sponsor during the assumption of operations of the School unless the Sponsor or its entity, and the School, agree otherwise. The Sponsor reserves the right to take any appropriate personnel action regarding the School's employees.

4. If the School elects to terminate or non-renew the Charter, it shall provide reasonable prior notice of the election to the Sponsor indicating the final date of operation as voted by the Governing Board at a publicly noticed meeting. A board resolution signed by the School's Governing Board chair and secretary, indicating support of this action, shall accompany the written notification provided to the Sponsor. The School agrees that such notification shall be considered a voluntary termination by the Governing Board and a waiver of its right to a hearing or appeal.

5. Upon notice of termination or non-renewal the School shall not remove any public property from the premises without written Sponsor approval.

E. Post Termination Provisions

1. If this Charter is not renewed or is terminated, the School shall be responsible for all the debts of the School. The District shall not assume the debt from any contract for services including lease or rental agreements, made between the School and a third party, except for a debt previously detailed and agreed upon, in writing, by both the Sponsor and the Governing Board and that may not reasonably be assumed to have been satisfied by the Sponsor.

2. In the event of termination or non-renewal of this Charter, any and all leases existing between the District and the School shall be automatically cancelled, unless the lease provides otherwise. In no event shall the District be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

3. In the event of termination or non-renewal, any students enrolled at the School may be enrolled at their home District school, or any other school, consistent with the District's student transfer procedures including transfer of all student records to the receiving school. All assets of the School purchased with public funds, including supplies, furniture and equipment, will revert to full ownership of the Sponsor (subject to any lawful liens or encumbrances) or as otherwise provided by law. Any unencumbered public funds from the School, property and improvements of the Sponsor, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal is resolved. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor.

4. Final Audit: Pursuant to section 1002.33, Florida Statutes, upon notice of non-renewal, closure, or termination, an independent audit shall be completed within 30 days to account for all public funds and assets. During the fiscal year in which the termination or non-renewal occurs, the Sponsor may withhold from the School's FEFP funds, without penalty or interest, an amount necessary to cover the costs for a final financial audit of the School. The audit shall be conducted by an independent certified public accountant.

F. General Statutory Requirements

1. The School shall not discriminate in educational programs/activities or employment and shall provide equal opportunity for all as required by Federal, State and local law, rule, regulation and court order.

2. Additionally, the School shall comply with those statutes that specifically apply to

charter schools as set forth in section 1002.33 generally, subsection 1002.33(16), and other applicable State laws. The School agrees that it will abide by all Federal and State laws, statutes, rules, and regulations applicable to charter schools and also abide by the terms and conditions of the Charter.

Section 2: Academic Accountability

Student academic achievement for all students shall be the most important factor when considering whether to renew, non-renew, or terminate this charter.

A. Annual Objectives

1. By September 15 of each year the Sponsor shall provide the School with academic student performance data on state required assessments for each student attending the School that was enrolled the prior year in another public school, pursuant to s. 1002.33(7)(a)3., Florida Statutes. The Sponsor may fulfill this requirement by providing the School access to the data.

2. By September 15 of each year the Sponsor shall provide the School the rates of academic progress for the prior year for comparable student populations in the District. The data shall include proficiency and growth on state assessments for English Language Arts and Mathematics by grade grouping (grades 3-5, 6-8, 9-12)for the following student groups:
   i. Students scoring a level 1 on prior year assessment
   ii. Students scoring a level 2 on prior year assessment
   iii. Students scoring a level 3 or higher on prior year assessments
   iv. Students with disabilities
   v. English Language Learners

3. By October 15 of the first year of this Charter, the School shall provide its proposed academic achievement goals for the remaining years of the Charter to the Sponsor. The academic achievement goals shall include, at a minimum, growth and proficiency on state assessments, and may include performance on additional assessments included in the approved Application. If the School will not serve students in grades that participate in the statewide assessments the academic achievement goals shall be based on the assessments included in the approved application, and at least one assessment administered in traditional public schools in the District. Charter School Academic Achievement Goals shall be uploaded to the Sponsor's Monitoring Warehouse, Charters.Link, and shall include academic goals for all students, including evidence-based strategies and interventions for subgroups as identified by Federal Indexes, as well as measures of progress towards goals.

   i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the proposed academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party

may request mediation pursuant to section 1002.33(6), Florida Statutes. If the Sponsor does not provide written notification within 30 days of receipt, the goals shall be deemed accepted by the Sponsor.

4. By October 15 of the second year of the School's operation, the School shall provide its proposed academic achievement goals for the remaining years of the Charter, up to a maximum of four years or the end of the current Charter term, whichever occurs first, using the same parameters and testing set forth in Section 2.A.3, above. Schools that have contracts in excess of five years shall resubmit proposed academic achievement goals every four years pursuant to the process described in this paragraph.

    i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the academic achievement goals it shall provide the School a written explanation. If the Sponsor does not respond within 30 days of receipt the academic achievement goals are deemed accepted. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. The goals may be adjusted at any time upon mutual written consent of both parties.

5. Annually, the School shall report its performance against the academic goals. If the School falls short of the academic achievement goals set forth under the provisions of this Charter the Sponsor shall report such shortcomings to the School's Governing Board and FDOE.

6. The School and Sponsor may agree to adjust the goals through the same process set forth in Section 2.A., above.

7. Methods of Measurement: The methods used to identify the educational strengths and needs of students are set forth in the approved Application.

8. School Improvement Plans: The School shall develop and implement a School Improvement Plan as required by section 1002.33(9)(n), Florida Statutes and applicable State Board of Education Rules or applicable federal law. If the School is not required to submit a school improvement plan pursuant to Section 1002.33(9), Florida Statutes, but is identified by the Department (under the Every Student Succeeds Act) to be included in the list of comprehensive support and improvement (CS&I) schools or targeted support and improvement (TS&I) schools, it must develop and implement a school improvement plan approved by the Governing Board.

B. Assessments

1. State required assessments: All students at the School will participate in all State assessment programs and assessments required by law. The School shall facilitate

required alternate assessments and comply with state reporting procedures.

2. Additional Assessments: Students may participate in any or all District assessment programs in which the District students in comparable grades or schools participate and shall participate in any other assessments as described in the Application. The School shall be responsible for the costs of District assessments that are not required by law or this Charter, except those developed with federal funds or those developed using Florida's Item Bank and Test Platform

3. If an IEP, 504 Plan or an EP for a student indicates accommodations or an alternate assessment for participation in a State assessment, or District assessment, as applicable, the School will facilitate the accommodations or alternate assessment and comply with State reporting procedures.

4. All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services or support activities that are routinely provided to the Sponsor's staff regarding implementation of District and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.

5. The District shall provide the School with reports on District and State assessments in the same manner and at the same time as for all public schools in the District.

6. The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.

C. Student Promotion and Graduation: The School's student promotion policy shall be consistent with the provisions of the Application and applicable Florida law. The School will adopt the Sponsor's student progression plan. The School shall provide summer school for grade 3 students who would otherwise be retained, at their own cost. The school shall be responsible and will provide credit recovery options for middle grades students who fail core academic courses (Language Arts, Math, Science, Social Studies). The School shall provide Credit Recovery Options to Grade 8 students during the school year, or summer following grade 8, as necessary, prior to promotion to high school.

The School's policy for determining that a student has satisfied the requirements for graduation shall be consistent with the provisions of the Application, and Florida law.

Schools that serve students in grade 12 shall annually notify parents in writing the accreditation status of the school and the implications of non-accreditation, if applicable. The notification may be provided in the parent handbook.

D. Data Access and Use Pursuant to Statute

The School agrees to allow the District reasonable access to review its data sources in order to assist the District in making a valid determination about the degree to which student performance requirements, as stated in this Charter, have been met.

Section 3: Students

A. The School is authorized to serve students in grades Pre-K through 8.

The School may provide enrollment preferences as allowed for in section 1002.33(10), Florida Statutes. Further, the School may limit the enrollment process to target specific student populations as set forth in section 1002.33(10)(e), Florida Statutes, or as described in the approved Application.

The School's capacity for the 2022-2023 school year is 750 students as per their notice of intent, and will follow all notification requirements for increased enrollment as set forth in Florida Statute and enumerated below.

The School will accept all eligible students in accordance with federal and state anti-discrimination laws and in accordance with the Florida Educational Equity Act, section 1000.05(2) (a), Florida Statutes. The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The School may not request prior to enrollment, through the application or otherwise, information regarding the student's prior academic performance. Pursuant to section 1002.33(7), Florida Statutes, admission or dismissal must not be based on a student's academic performance.

The School shall be non-sectarian in its programs, admissions policies, employment practices and operations. The School will meet all applicable state and local health, safety, and civil rights requirements. The School will comply with all applicable provisions of the Marjory Stoneman Douglas High School Public Safety Act, including the following:

1. Section 1006.12, relating to safe-school officer;
2. Section 1006.07(7), relating to threat assessment teams;
3. Section 1006.07(9), relating to School Environmental Safety Incident Reporting;
4. Section 1006.07(6)(c), relating to adopting an active assailant response plan;
5. Section 943.082(4)(b), relating to the mobile suspicious activity reporting tool;

6. Section 1012.584, relating to youth mental health awareness and assistance training.
7. The School will comply with Alyssa's Law and all other monthly requirements that must be entered in Charters.Link.

The School will not participate in its Sponsor's plan for the mental health assistance allocation. If the School develops its own plan, it must submit that plan to its governing board for approval. After the plan is approved by the governing board, it must be provided to the School's Sponsor.

The School shall make reasonable efforts, in accordance with federal law, to achieve a racial or ethnic balance reflective of the community it serves or within the racial or ethnic range of other public schools in the District and shall not discriminate against students with disabilities who are served in Exceptional Student Education programs (ESE) and students who are served as English Language Learners (ELL).

B. Recruitment

The School will recruit throughout all segments of the community. This may include direct mailings, public advertisement utilizing the local and community press and informational meetings at a variety of locations using both English and other languages where appropriate.

C. Eligible Students

1. Each year, the School agrees to enroll an eligible student by accepting a timely application through deadlines as determined by the Governing Board and publicly advertised. If the target goal of students is not met by the deadline, and the School wishes to extend, the School will give sufficient public notice and extend the application deadline for a set time as determined and publicized by the Governing Board. If, at the 10-day count, the registered enrollment as reflected in the Sponsor's data system is less than 75% of the School's total projected enrollment as provided for under the provisions of Section 3.F. of this Charter, the School shall, upon request by the Sponsor, submit a revised budget within 30 days taking into account the reduced enrollment. Failure to provide the revised budget may constitute good cause for termination.

2. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants shall have an equal chance of being admitted through a random selection process. The School may give preference in admission to students or limit the enrollment as provided for in section 1002.33(10), Florida Statutes. The School shall clearly indicate in its Policies and Procedures the lottery procedures and enrollment preferences the School will utilize.

3. Enrollment is subject to compliance with the provisions of section 1003.22, Florida Statutes, concerning school entry health examinations and immunizations.

4. If this Charter is not renewed or is terminated, a student who attended the School may be enrolled in another public school pursuant to Sponsor policies.

5. A student may withdraw from the School at any time and enroll in another public school, as determined by District policy. The School shall work in conjunction with the parent(s) and the receiving school to ensure that such transfers minimize impact on the student's grades and academic achievement.

6. Students at the School are eligible to participate in an interscholastic extracurricular activity at the public school to which the student would be otherwise assigned to attend pursuant to section 1006.15(3)(d) and 1002.20(18)(c), Florida Statutes.

D. Class Size

The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

E. Annual Enrollment

1. Preliminary Projected Enrollment: No later than January 15 of each year, the School shall provide to the Sponsor the School's Preliminary Projected Enrollment for the following school year. The Preliminary Projected Enrollment shall not constitute a cap on the School's enrollment for the following school year.

2. Annual Enrollment Capacity: The Annual Enrollment Capacity shall be annually determined by the Governing Board in conjunction with the Sponsor based on the factors set forth in section 1002.33(10), Florida Statutes. The School shall provide to the Sponsor by March 1 of each year of this Charter, or a date otherwise agreed to by the Sponsor and School, the proposed Annual Enrollment Capacity for the subsequent school year. Disagreements between the Sponsor and the School relating to Annual Enrollment Capacity will be resolved using the dispute resolution provisions in this Charter and section 1002.33, Florida Statutes. The School shall not enroll students in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the School shall not be exceeded during any session. The Annual Enrollment Capacity of a School that is designated as High-Performing pursuant to section 1002.331, Florida Statutes, shall be determined by the Governing Board.

3. Final Enrollment Projection: No later than June 1 of each year, the School shall provide to the Sponsor the School's Final Enrollment Projection for the upcoming school year. For purposes of this Charter, Final Enrollment Projection is not A nnual Enrollment Capacity, but is the School's projection for how many students will be enrolled when the school year begins and will serve as the basis for initial FEFP payments.

F. Maintenance of Student Records as Required by Statute

1. The School shall maintain confidentiality of student records as required by federal and state law.

2. The School will maintain active records for current students in accordance with applicable Florida Statutes and State Board of Education rules.

3. All permanent (Category A) records of students leaving the School, whether by graduation, transfer to another public school, or withdrawal to attend another school, will be immediately transferred to the District in accordance with Florida Statutes. Records will be transmitted to the District's records retention department.

4. Records of student progress (Category B) will be transferred to the appropriate school if a student withdraws to attend another public school or any other school. The School may retain copies of the departing student's academic records created during the student's attendance at the School.

5. Upon the withdrawal of a student from the School, the School will retain the student's original records, except that such records will be immediately transferred to another District school when requested by that school. Requests for student records from public or private schools outside of the County and private schools within the County must be made in writing. Only copies of requested records may be provided. Copies only of student records may be provided to parents upon their request unless the student is considered an eligible student under FERPA. The School will retain the student's record for three (3) years after student withdrawal or until requested by another District public school in this County, whichever comes first. At the end of the third year all inactive student records will be returned to the District's records retention department.

6. Upon termination or closure of the School, all student education records, and administrative records shall be transferred immediately to the Sponsor's records retention office for processing and maintenance.

7. The School will comply with all other public record retention requirements for non-student related records in a manner consistent with applicable Florida law. The School shall comply with Fla. Stat. Chapter 119 (the Public Records Act) and all other applicable statutes pertaining to public records.

8. The Sponsor will ensure that all student records will be provided immediately to the School upon request and upon enrollment of students in the School from a District school.

9. The School must maintain a record of all the students who apply to the School,

whether or not they are eventually enrolled. The information shall be made available to the Sponsor upon written request. However, such requests may not be made until after the October survey period. The School shall maintain documentation of each enrollment lottery conducted. Such documentation shall provide sufficient detail to allow the Sponsor to verify that the random selection process utilized by the School was conducted in accordance with section 1002.33(10)(b), Florida Statutes. Records must be maintained in accordance with applicable record retention laws.

G. Exceptional students shall be provided with programs implemented in accordance with applicable Federal, state and local policies and procedures; and, specifically, the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, sections 1000.05 and 1001.42(4) (l) of the Florida Statutes, and Chapter 6A- 6 of the Florida Administrative Code. This includes, but is not limited to:

1. A non-discriminatory policy regarding placement, assessment, identification, and selection.

2. Free appropriate public education (FAPE).

3. Individual Educational Plans (IEP's), to include an annual IEP meeting with the student's family.

   Students with disabilities will be educated in the least restrictive environment and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

   Those students, whose needs cannot be adequately addressed at the School, as determined by the IEP team, will be referred to an appropriate placement within the District. Parents of students with disabilities will be afforded procedural safeguards in their native language, consistent with the manner that those safeguards are provided in the District's traditional schools or using the District's materials. Unless the School is specifically for students with disabilities, the School shall not request through the School's application a student's IEP or other information regarding a student's special needs, nor shall the School access such information prior to the enrollment lottery.

Upon enrollment, or notice of acceptance sent to the student, the School may request from the District information related to the student's program and needs, including the student's most recent IEP, which shall be provided within 10 days. If the School believes, upon review of the IEP, that the student's needs cannot be met at the School an IEP meeting shall be convened within 30 days. The Sponsor shall be invited to and may attend the meeting, at which time the IEP team shall determine whether the School is an appropriate placement for the student.

A representative of the Sponsor shall be invited to participate in all IEP meetings and will serve as the LEA representative. The Sponsor retains the right to determine whether or not to send a representative to such meetings. However, if no representative of the Sponsor will attend an IEP meeting, the Sponsor must designate which individual or employment position at the School will serve as LEA representative and must provide such individual with training required to serve as LEA representative.

4. Due Process Hearing:

i. A student, parent, or guardian who indicates at an IEP, EP, or 504 meeting that they wish to file for a due process hearing or State Complaint pursuant to State law and rules shall be given the appropriate forms by the School. These forms shall also be provided upon request at any other time.

ii. Due process hearing requests shall be forwarded to the Sponsor's ESE Director and the District's General Counsel within one (1) school day of receipt.

iii. The Sponsor will select and assign an attorney in consultation with the School. The School may also hire an attorney at its cost to consult and cooperate with the Sponsor. Final decisions on legal strategies shall be made by the Sponsor's attorney in consultation with the School.

iv. In cooperation with the assigned attorney, the School is responsible for scheduling resolution and mediation meetings as required under State and Federal law.

v. The Sponsor shall ensure that:
(a) The due process hearing is conducted pursuant to applicable State laws and rules;
(b) A final decision is reached; and
(c) A copy of the decision is mailed to the parties.

vi. The School shall bear all the costs associated with the administrative due process hearing, legal representation, discovery, court reporter, and interpreter. In the event that the student, parents, or guardians prevail, either through a hearing or settlement, the School shall pay any and all attorneys' fees, reimbursements, compensatory education and any other costs incurred, agreed upon or awarded; however, the District shall assume or reimburse the costs of the defense attributable to, caused by or through the fault of the District, if any. Costs and fees incurred will be automatically reduced from the FTE funds passed through the Sponsor to the School, without any penalty of interest, although the School may request, and the parties agree to a payment plan.

If the School receives a complaint filed or becomes aware of an investigation with the Office of Civil Rights or any other governmental entity and the complaint or investigation relates to the School and could involve the Sponsor, the School shall within one (1) school day notify the Sponsor and provide the Sponsor any documentation from the agency. The

School shall fully cooperate with the Sponsor during the investigation and proceeding and provide the Sponsor any relevant information. The School shall bear all costs associated with the investigation. However, the Sponsor shall assume or reimburse the costs attributable to, caused by, or through the fault of the Sponsor, if any.

H. ESE administrative services covered by the administrative fee, pursuant to section 1002.33(20), Florida Statutes, includes professional development related to IEP development; access to any electronic IEP system or forms; initial evaluation for ESE placement; and other supports and services as agreed to by the School and the District.

I. English for Speakers of Other Languages: Students at the School who are English Language Learners will be served by English to Speakers of Other Languages (ESOL) certified personnel who will follow the District's Plan for English Language Learners (ELLs), or an alternate plan that has been approved by the Sponsor. The School shall be invited to attend the District's ESOL Procedures Training(s) and shall comply with applicable rules and regulations.

J. Dismissal Policies and Procedures

The School shall implement the dismissal policies as described in the approved Application or subsequently submitted to and approved by the Sponsor. If the School materially revises the dismissal policies, it shall provide the Sponsor the revised policies within 30 days of adoption by the Governing Board. If the Sponsor determines that the revised dismissal policies violate applicable law, it shall provide the School with written notice within 30 days. The School shall have the opportunity to resubmit.

Upon the School's decision to implement dismissal, the School shall refer the student to the District for appropriate placement with the District. Dismissal procedures shall be clearly defined in writing and included in any Parent Contract, shared with students and parents annually and provided to the District no later than two weeks prior to the opening of school each year. In each instance where dismissal is initiated, the parents will receive written notice of the dismissal including the reasons for dismissal and a summary of the actions taken to assist the student prior to dismissal. The District shall be provided a copy of the dismissal notice on the same day as the parent. The School shall work in conjunction with the parent(s) and the receiving school to assure that, to the greatest extent possible, such dismissals occur at logical transition points in the school year (e.g. grading periods or semester breaks) that minimize impact on the student grades and academic achievement.

The School may withdraw a student involuntarily for failure to maintain eligibility, such as District residency requirements, or for material violation of the School's Student Conduct Code, which must also be compliant with IDEA, Section 504 of the Rehabilitation Act, and the American with Disabilities Act (ADA) for student with disabilities.

The School may not withdraw a student involuntarily for poor academic performance or for a minor infraction of the School's Code of Conduct. The School will ensure that no

pressure, coercion, negotiation or other inappropriate inducement may be used to attempt to have parents or guardians withdraw students from the School.

K. Student Code of Conduct, Suspension and Expulsion

The School will maintain a safe learning environment at all times. The School shall adopt a Code of Student Conduct as described in the approved Application. The School will report each month to the District the number of violations of the Code, by offense, to be included in the District's discipline reporting, as required by law. The School agrees that it will not engage in the corporal punishment of students. Students recommended for expulsion or placement in an alternative school will be referred to the Sponsor for appropriate disposition. If the student remains enrolled at the School while placed at an alternative school, costs for the alternative school charged to the School, if any, will not exceed the Sponsor's actual cost for such student unless mutually agreed to by the School and Sponsor in a contract negotiated separately from the Charter. Students with disabilities shall be afforded a manifestation determination if required by the Individuals with Disabilities Education Act.

L. School or Parent Contract

The School agrees to submit any proposed Parent Contracts, including amendments, to the Sponsor for review by March 1 annually. The Sponsor shall approve the proposed Parent Contract or reject it if it does not comply with applicable law, within 30 days of receipt. If the Sponsor rejects the proposed Parent Contract it shall provide its reasons for rejection in writing, detailing the legal insufficiency, and shall allow the School to resubmit a revised draft. If the School or Sponsor elects to resolve any dispute through the dispute resolution procedures, then the deadline for approving the Parent Contract will be extended through the conclusion of that dispute resolution process. The School may not accept monetary donations in lieu of volunteer hours.

Section 4: Financial Accountability

A. <u>Revenue: State and Local</u>

1. Basis for Funding: Student Reporting

i. School will report the daily attendance of each student to the District to meet District attendance reporting requirements, as required by law.

ii. The School agrees to report its student enrollment to the District as provided in section 1011.62, Florida Statutes, and in accordance with the definitions in section 1011.61, Florida Statutes, at the agreed upon intervals and using the method used by the District when recording and reporting cost data by program. The District shall include the School's enrollment when recording and reporting cost data by program. The District shall include the School's enrollment in the District's report of student enrollment. The School shall use the Sponsor's electronic data processing

software system and procedures for the processing of student enrollment, attendance, FTE collection, assessment information, IEP's, ELL plans, 504 plans, and any other required individual student plan. The Sponsor will offer training to the School and invite the School to any subsequent training for District staff, in the use of such system and procedures at no cost to the School. A representative of the School shall attend such training. The Sponsor shall provide the School with equal access to the Sponsor's student information systems that are used by traditional public schools in the District.

iii. If the School submits data relevant to FTE, Federal, or grant funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State, the United States Department of Education or the District for any errors or omissions in data that the School submitted provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s) so that the School, on its own, or through the Sponsor, at the School's expense may participate in any proceedings to challenge or appeal such audit findings. After final disposition of any appeals, the District shall deduct any such adjustments from the School's subsequent revenue disbursements evenly over the remaining months of the fiscal year or according to an agreed upon payment plan.

iv. The District agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a District school in a manner fully consistent with Florida law. The basis of the funding shall be the sum of the District's operating funds from the Florida Education Finance Program (FEFP) as provided in section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds and funds from the District's current operating discretionary millage levy, divided by the total funded weighted full-time equivalent students (WFTE) in the District; multiplied by the weighted full-time equivalent students for the School.

v. If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of categorical program funds included in the total funds available in the FEFP by the Legislature, including transportation, the research-based reading allocation, and the Florida digital classrooms allocation and any other funds made part of the FEFP by the Florida Legislature.

vi. Total funding for the School shall be recalculated during the year to reflect the revised calculations under the Florida Education Finance Program by the state and the actual weighted full-time equivalent students reported by

the School during the full-time equivalent student survey periods designated by the Commissioner of Education.

2. Millage Levy, if applicable

The District shall provide additional funding to the School via any applicable capital outlay or operating millage levied by the Sponsor as required by law

3. Fees to be Charged to the School by the District.

The Sponsor may charge the School an administrative fee in an amount not to exceed the maximum rate allowed under section 1002.33(20), Florida Statutes. Such fee shall be withheld ratably from the distributions of funds, defined in section 1002.33(17)(b), Florida Statutes, to be made to the School under this Charter. Such fee shall cover only those services provided by the Sponsor which are required to be covered under such statute. If the School requests services from the Sponsor beyond those provided for in statute, the Sponsor and the School will enter into a separate written agreement approved by both parties.

The District shall provide the distribution of funds reconciliation simultaneously with each revenue disbursement to the School including any administrative and other fees and charges withheld.

4. Distribution of Funds Schedule

i. The Sponsor shall calculate and submit twelve (12) monthly or twenty- four bi-monthly payments to the account specified by the School. Each payment will be one-twelfth (1/12) or one twenty-fourth (1/24) of the funds described in Section 4.A.1., above, less the administrative fee set forth in Section 4.A.3, above. The first payment will be made by July 15 of the School's first year of operation. Subsequent payments will be made no later than the 15th of each month beginning with August 15.

ii. For each year of the Charter, monthly payments will be calculated as follows:

a. July through October payment shall be based on the School's Final Projected Enrollment as determined under the provisions of Section 3.F. of this Charter, if a minimum of 75 percent of the Final Projected Enrollment is entered into the Sponsor's Student Information System by the first day of the current month. Otherwise, or if the School's enrollment exceeds its Projected Enrollment, the Sponsor shall fund the School based on the number of students actually registered as of the first day of the month.

b. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the School for the remainder of the fiscal year.

c. Payments will be adjusted retroactively for prior period adjustments.

iii. Payment shall not be made, without penalty of interest, for students in excess of the School facility's valid capacity as determined by the School's Certificate of Occupancy, Certificate of Use, or Fire Permit or in excess of the Annual Enrollment Capacity for the school year (whichever is less). In the event that the required county or municipality facility permits do not indicate a facility capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.

iv. The Sponsor may withhold monthly payments, without penalty of interest, if the School's Certificate of Occupancy, Certificate of Use, or Fire Permit has expired or has otherwise become invalid. The School shall notify the Sponsor immediately if any of the aforementioned documents has expired or become invalid. The Sponsor shall release, in full, all funds withheld under this provision when the School has cured the deficiency. Payments will not be withheld pending receipt of the School's Certificate of Occupancy, Certificate of Use or Fire Permit for its initial location or any subsequent location, so long as the School has met applicable statutory deadlines for obtaining such approvals.

Additionally, funding for the School shall be adjusted during the year as follows:

a. In the event of a state holdback or a proration, which reduces District funding, the School's funding will be reduced proportionately to the extent required by law.

b. In the event that the District exceeds the state cap for WFTE for Group 2 programs established by the Legislature resulting in unfunded WFTE for the District, then the School's funding shall be reduced to reflect its proportional share of any unfunded WFTE.

v. The District shall make every effort to ensure that the School receives timely and efficient reimbursement of funds. Other than

those payments provided for in this Charter, for which other requirements for timely payments have been made, the payment shall be issued no later than ten (10) working days after the District receives a distribution of state or federal funds. If a warrant for payment is not issued within ten (10) working days after the receipt of funding by the District, or the due date set forth in this Charter, the District shall pay to the School, in addition to the amount of the scheduled disbursement, interest at a rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration of the ten (10) day period until such time as the warrant is issued.

Payment shall be made to the account in a state-approved depository specified and approved by the Governing Board at a public meeting.

Notwithstanding the foregoing, distribution of FTE funds may be withheld, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) day overdue:

i. The School's monthly/quarterly financial statement as required by State Board of Education Rule 6A-1.0081, F.A.C.

ii. The School's annual financial audit as required by section 218.39, F.S and this Charter.

The Sponsor shall release, in full, funds withheld under this provision within 10 days of receipt of the documents that resulted in the withholding of funds.

B. Federal Funding

Pursuant to section 1002.33(17)(d), Florida Statutes, the Sponsor shall include the School in all requests for federal funds for which the School, or its students, is eligible, including without limitations, Title I, Title II, and IDEA funds. The Sponsor will provide copies of federal fund grant requests to the School no later than the date they are submitted to FDOE or a federal agency, as applicable.

Pursuant to section 1002.33(17), Florida Statutes, unless otherwise mutually agreed to by the School and Sponsor, and consistent with state and federal rules and regulations governing the use and disbursement of federal funds, the Sponsor shall reimburse the School on a monthly basis for all invoices submitted by the School for federal funds available to the Sponsor for the benefit of the School, the School's students, and the School's students as public students in the District. If the School elects to receive funds in lieu of services, the following provisions apply:

1. The Sponsor shall provide to the School by July 15 of each year, or at other times

of the school year if other federal funds become available, a projected annual allocation for all federal funds, as described above, that the School may draw as reimbursement for services provided. The projected annual allocation shall be based upon the School's Final Projected Enrollment as provided for in 3.F. of this Charter or other data as applicable to the federal funds to be allocated.

2. The School shall provide to the Sponsor a plan that describes how the funds will be used in accordance with applicable federal requirements as required by law. The plan must include sufficient detail to allow review of the plan for compliance with applicable federal regulations. The Sponsor shall have 30 days to review and approve the plan. If the Sponsor deems the plan unacceptable, the Sponsor shall provide the School with written notice detailing the deficiencies and provide an opportunity to cure.

3. The School shall submit invoices by the 15th of each month to receive reimbursement for allowable expenses incurred during the prior month. The School shall maintain documentation of all expenditures in accordance with applicable law and provide to the Sponsor upon request. Expenditures shall be included in required monthly or quarterly financial statements.

4. The Sponsor shall reimburse the School within 30 days of receipt of the invoice. If the Sponsor determines that the invoice is insufficient, it shall provide written notice to the School within ten (10) days of receipt.

5. If the School and Sponsor mutually agree that the School will receive services funded through federal funds in lieu of the funds, such services will be provided to the School in the same manner as such services are provided to school district schools and to the students enrolled at school district schools.

6. The per pupil allocation of Title I funds will be determined annually in accordance with federal and state Title I regulations by the District for that purpose. The allocation of Title I Funds shall be made in accordance with the Public Charter Extension Act of 1998 and all corresponding guidance and regulations and applicable Florida law.

7. Any capital outlay item purchased with Title I must be identified and labeled for Title I property audits. The property must be returned to the District if the School is no longer eligible for Title I funding.

8. Should the School receive Title I funds it will employ highly qualified staff: teachers that are certified and teaching infield; Para-educators with two years of college, an AA degree, or that have passed an equivalent exam.

9. If the School accepts Title I funds, the School will receive a separate parent involvement allocation that must be spent in support of parental involvement activities and the School will implement a parent involvement program subject to

the provisions of Title I federal law, currently section 1118 of NCLB.

10. The District and regional Title I staff will provide technical assistance and support in order to ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards.

11. Medicaid School Match Program Participation: Under the Medicaid Certified School Match Program, the School may be eligible to seek reimbursement for certain services provided to Medicaid-eligible students who qualify for services under the IDEA part B or C. In order to seek reimbursements, the School shall follow the procedures established by the Agency for Health Care Administration for Medicaid-reimbursable services to eligible students in the School.

C. Federal Grants

The School agrees to comply with the District's rules, policies and procedures for federal and state Grants Management for grants submitted through the District, which include, but are not limited to:

1. Working with the appropriate District staff to facilitate District's approval for all federal and state grant applications developed by the School for which the District will serve as fiscal agent

2. Submitting a grant application executive summary and grant description for each such grant processed and submitting an annual end-of-the-year Grant Final Report.

3. Ensuring that all grant indirect costs are appropriated, if allowed, to the district for applicable Federal Grants that are approved, monitored and/or disbursed by the Sponsor. For purposes of the Public Charter School Program Grant, authorized under Title V, Part B, of the Elementary and Secondary Education Act, no indirect costs may be appropriated to the Sponsor unless the School voluntarily agrees to such appropriation.

D. Charter School Capital Outlay Funds

1. Application

If the School meets the FDOE criteria for Charter School Capital Outlay Funds, the School must submit a Capital Outlay Plan pursuant to the process required by FDOE.

2. Distribution

Should the School receive a Capital Outlay allocation, the District shall distribute such funds to the School within 10 days of receipt of such funds from the FDOE.

E. Restriction on Charging Tuition or Fees

The School shall not charge tuition or fees, except those fees allowable by statute that are normally charged by other public schools in the District. If the School intends to charge fees, it shall submit its proposed fee schedule to the District for review no later than March 1 prior to the School Year in which the fees are intended to be charged, or within 30 days of contract execution for the initial school year. If the District believes that the proposed fee schedule does not meet the requirements of this subsection or applicable law, it will submit comments to the School and request additional information no later than thirty (30) days following receipt of the proposed fee schedule. If the parties are unable to resolve such issues, the matter will be submitted for alternative dispute resolution as set forth herein and Florida law. Fees shall not be a barrier to enrollment.

F. Budget

1. Annual Budget

The School shall annually prepare an operating budget for the School. The budget shall be formally adopted by the Governing Board at a scheduled public meeting. The adoption of the budget shall be documented in the minutes of the meeting. The School shall provide to the Sponsor a copy of the approved budget and a copy of the minutes of the Governing Board meeting documenting adoption of the budget, no later than August 30, for the fiscal year.

2. Amended Budget
Any amendments to the adopted budget shall be approved by the Governing Board at a scheduled meeting thereof and a copy provided to the District within 10 business days of the meeting at which the budget was amended.

G. Financial Records, Reports and Monitoring

1. Maintenance of Financial Record

The School shall use the standard state format contained in the Financial and Program Cost Accounting and Reporting for Florida Schools (The Red Book) for all financial transactions and maintenance of financial records.

2. Financial and Program Cost Accounting and Reporting for Florida Schools The School agrees to do an annual cost accounting in a form and manner consistent with generally accepted governmental accounting standards in Florida. The financial statements are to be prepared in accordance with the provisions of section

1002.33(9), Florida Statutes.

3. Financial Reports

i. Monthly or Quarterly Financial Reports

The School will submit a monthly or quarterly, as applicable, financial statement pursuant to section 1002.33(9), Florida Statutes, and Rule 6A-1.0081, Florida Administrative Code, to the Sponsor no later than the last day of the month following the month being reported or in the case of a High-Performing charter school, financial reports shall be submitted quarterly as provided by Florida law. The monthly or quarterly report will be in the format prescribed by the FDOE.

The parties agree that the Sponsor may reasonably request, in accordance with section 1002.33(5)(b)1.j., Florida Statutes, documents on the School's financial operations beyond the monthly financial statement and the School shall provide in a reasonable timeframe.

ii. Annual Property Inventory

The School will submit annually to the Sponsor a property inventory of all capital assets or additions to capital assets purchased with public funds (including grant funds). This includes land or existing buildings, improvements to grounds, construction of buildings, additions to building, remodeling of buildings, initial equipment, new and replacement equipment, and software. This shall include furniture, fixtures, and equipment. The property inventory shall include the date of purchase, description of the item purchased, the cost of the item, and the item location. The property inventory shall be submitted to the sponsor annually at the same time School's Annual Audit is submitted.

iii. Program Cost Report

The School agrees to deliver to the Sponsor its annual cost report in a form and manner consistent with generally accepted governmental accounting standard in Florida, no later than the last business day in July.

iv. Annual Financial Audit

The School will annually obtain a financial audit, from a licensed Certified Public Accountant or Auditor, selected pursuant to section 218.391, Florida Statutes. The audit will be performed in accordance with Generally Accepted Auditing Standards; Governing Standards and the Rules of the

Auditor General for the State of Florida. The School will provide a copy of its annual financial audit (including any School responses to audit findings) to the Sponsor no later than September 30.

The Sponsor reserves the right to perform additional audits and investigations at its expense as part of the Sponsor's financial monitoring responsibilities as it deems necessary to ensure fiscal accountability and sound financial management.

v. Form 990, if applicable

The School shall organize as, or be operated by, a nonprofit organization. If the School has obtained federal tax-exempt status as a 501(c) (3) organization, the School shall provide the Sponsor copies of any correspondence from the Internal Revenue Service (IRS) confirming the School's 501(c)(3) status and will provide to the Sponsor a copy of its annual Form 990 within 15 business days after filing it with the IRS. Notwithstanding anything set forth in this Charter, the Sponsor does not covenant to extend or pledge its own tax-exempt status in any way for the use and benefit of the School.

vi. The School shall provide all required financial documents noted herein in a timely manner consistent with the terms of this Charter.

4. The School's fiscal year shall be July 1 – June 30

5. If the School's annual financial audit reveals a deficit financial position, the auditors are required to notify the School's Governing Board, the Sponsor and the FDOE in writing. The auditor shall report such findings in the form of an exit interview to the principal or the principal administrator of the School and the chair of the Governing Board within seven (7) business days after finding the deficit position.

6. A final annual financial audit report shall be provided to the entire Governing Board, the Sponsor and the FDOE within fourteen (14) business days after the exit interview.

7. If the School experiences one of the financial conditions included in section 1002.345, Florida Statutes, it shall address such findings as required by law.

H. Financial Management of School

1. The Governing Board shall be responsible for the operation and fiscal management of the School. The fiscal management of the School shall be conducted in a manner consistent with the provisions of the Application.

2. The School shall adhere to any additional applicable financial requirements mandated by State or Federal laws and regulations.

3. Notwithstanding anything else herein to the contrary, the Sponsor shall not

   i. Guarantee payment for any purchases made by the School;

   ii. Guarantee payment for any debts incurred by the School;

   iii. Guarantee payment for any loans taken out by the School.

   iv. Lend its good faith and credit in order for the School to obtain a loan or other forms of credit.

   The School shall not suggest or represent to third parties, including, but not limited to, lenders, vendors, creditors, other business entities or their representatives, governmental entities, or other individuals anything to the contrary of the immediately preceding sentences.

4. The School agrees to provide to the District, upon request, proof of sufficient funds or a letter of credit to assure prompt payment of operating expenses associated with the School, including but not limited to, the amount of any lease payments, teacher and other staff salaries and benefits, transportation cost, etc. The parties stipulate that provision of a financially feasible, adopted budget, shall be sufficient for meeting this requirement.

I. Description of Internal Operating Procedures

The School shall develop and implement sufficient internal operating procedures as described in the approved Application to ensure sound financial management.

Section 5: Facilities

A. The School shall be located at 9275 49th Avenue East, Palmetto, FL 34221. The School must provide a copy of the lease agreement, use agreement, or ownership documents and certificate of occupancy or temporary certificate of occupancy documenting compliance with all applicable codes no later than fifteen (15) days prior to the School's opening. The School shall make facilities accessible to Sponsor for safety inspection purposes. A facility for students to utilize during the class day is a material requirement of this Charter. If the facility is sub-leased, the School shall provide, upon request, documentation verifying the owner of the facility has approved the School's use of the facility if such approval is required.

Any proposed change in location or an additional location must be requested in writing to the Sponsor, and any new location must meet the same standards contained herein and applicable law. If the proposed location will not result in a substantial change to the student population or burden to the currently enrolled students and their families and does not alter the school's mission, approval shall not be unreasonably withheld. The School shall not change locations without prior written approval from the Sponsor, Superintendent or Superintendent's designee.

Notwithstanding the aforementioned, in unforeseen circumstances or emergencies, if the facility is damaged or unable to safely house students and staff, the School must notify the Sponsor, immediately, and secure an alternative location to ensure no interruption in instruction. The alternative location shall be subject to all facility requirements indicated in this section and applicable law. If the circumstances result in limited interruption of instruction the School shall ensure that the required number of instructional hours is provided.

B. The School shall use facilities that comply with the requirements in section 1002.33(18), Florida Statutes. The School shall provide the District with a list of the facilities to be used and their location. The School agrees to periodic health and safety inspections conducted by District safety staff.

C. In the event the School is dissolved or is otherwise terminated, all property of the Sponsor and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the Sponsor, subject to complete satisfaction of any lawful liens or encumbrances. Any unencumbered public funds from the School, Sponsor property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal status is resolved.

D. If the School is a Conversion School pursuant to section 1002.33, Florida Statutes, the Sponsor shall maintain the facilities as required by section 1002.33(18), Florida Statutes.

E. The School shall not display any religious or partisan political symbols, statues or artifacts, on the property and facilities where the School will operate.

Section 6: Transportation

A. The School shall provide transportation to the School's students consistent with the requirements of Part I.E. of Chapter 1006, Florida Statues, section 1012.45 and section 1002.33(20)(c), Florida Statutes. The School may provide transportation through an agreement or contract with the Sponsor, a private provider, or parents.

B. Reasonable Distance [for purposes of this Charter]: The School and Sponsor shall

cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within [two to four miles miles].

C. The parties may agree for the District to provide transportation to and from the School. If such agreement is reached it shall be the subject of a separate contract. If agreement is reached with the Sponsor the School may utilize, at the School's expense, the District's transportation services for extracurricular events, field trips, and other activities on the same basis and terms as other District schools.

D. The School shall comply with all applicable transportation safety requirements. Should the School choose to implement its own transportation plan rather than contract with the District for transportation services, it shall submit a transportation plan to the District for review and approval. The School shall provide the District the name of the private transportation provider and a copy of the signed contract no later than 10 business days prior to the use of the service.

- The school shall submit monthly bus inspection reports to the District via Charters.Link.
- The school shall participate in and submit bus evacuation drills twice per year, within the first 6 weeks of each semester via Charters.Link.
- The School will only use properly licensed and trained drivers that comply with all Florida and Federal guidelines.

E. If the School submits data relevant to FTE funding for transportation that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the Sponsor or State arising as a result of any errors or omissions, misrepresentations or inaccurate projections for which the School is responsible provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s), so that the School, on its own, or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. After final disposition of any appeals, the Sponsor shall deduct such assessed amount from the next available payment otherwise due to the School, without penalty of interest. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same.

Section 7: Food Services

The School shall provide food services to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program it shall follow all applicable federal rules and regulations.

Section 8: Insurance & Indemnification

A. The School agrees to provide the following proof of insurance:

1. Errors and Omissions coverage to include prior acts, sexual harassment, civil rights and employment discrimination, breach of contract, insured versus insured, consultants and independent contractors and with minimum policy limits of $2,000,000.00. The insurance shall be subject to a maximum deductible not to exceed $25,000 per claim. If the insurance is on a claims-made basis, the School shall maintain, without interruption, the Professional Liability Insurance until three (3) years after termination of this Charter;

2. General liability coverage written on an occurrence form with minimum policy limits of $1,000,000.00 per occurrence and an aggregate limit of $2,000,000.00;

3. Business automobile coverage with the same limits as general liability.

B. Property insurance shall be secured for buildings and contents. Property Insurance coverage for the "Building" includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.

C. The School further agrees to secure and maintain property insurance for the School's personal property, and to insure all of the District's owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.

D. The School agrees to provide adequate Workers' Compensation insurance coverage as required by Chapter 440, Florida Statutes.

E. Fidelity Bond and Crime Coverage: The School shall purchase Employees Dishonesty or Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School's administrators and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million ($1,000,000) dollars per loss/two million ($2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty or Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.

F. No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured. Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for

which evidence was provided. Should any of the above-described policies (A-E) be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.

G. Failure to secure and continuously maintain all insurance listed in items A-E without cure after written notice above may constitute grounds for termination of this charter.

H. The School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the School's members, officers, or employees or other agents in connection with and arising out of any services within the scope of this Charter; (b) the School's material breach of this Charter or law; (c) any failure by the School to pay its suppliers or any subcontractors. In addition, the School shall indemnify, protect and hold the District harmless against all claims and actions brought against the District by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School, except when Sponsor supplied, or required School to use that material, process, machine, or appliance, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter. The School shall not indemnify Sponsor for intentional or negligent conduct of Sponsor or any other cause of action caused by or through the fault of the Sponsor.

I. Applicable to All Coverages the School Procures

1. Other Coverages: The insurance provided by the School shall apply on a primary basis and any other insurance or self-insurance maintained by the Sponsor or its members, officers, employees, or agents, shall be in excess of the insurance provided by or on behalf of/ the School.
2. Deductibles and Retention: Except as otherwise specified, the insurance maintained by the School shall apply on a first-dollar basis without application of deductible or self- insurance retention.
3. Liability and Remedies: Compliance with the insurance requirements of this Charter shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees, or agents by the insurance shall be in addition to and not in lieu of any other remedy available under the Charter or otherwise.
4. Subcontractors: The School shall require its subcontractors and its sub-subcontractors to maintain any and all insurance required by law.
5. Waiver of Subrogation: All policies will be endorsed for waiver of subrogation in favor of the Sponsor.
6. Defense outside the limits: Whenever possible, coverage for School Leader's Errors

and Omission and Sexual Abuse Liability policies should be written with "Defense Costs outside the limits". This term ensures that limits are available to pay claims rather having attorney's fees erode the available claim dollars.

J. The District agrees to indemnify and hold harmless the School, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the District's members, officers, employees or other agents in connection with and arising out of any services within the scope of this Charter; or (b) the District's material breach of this Charter or law. In addition, the Sponsor shall indemnify, protect and hold the School harmless against all claims and actions brought against the School by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the District or required by the District to be used by the School, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter.

K. Notwithstanding anything to the contrary contained herein, through such indemnification set forth in Sections 8(H) and 8(J) above, the District and the School do not waive sovereign immunity to the extent sovereign immunity is available or beyond the limited waiver of sovereign immunity set forth in Section 768.28, Florida Statutes. In the event of any claims described in Sections 8(H) and 8(J) above, the School and Sponsor shall notify one another of any such claim promptly upon receipt of same. The School and Sponsor shall each have the option to defend such claims with their own counsel at the expense of the other party. If the Sponsor or School choose to not hire their own counsel to defend, the other party shall assume the defense of any such claim and have authority in the defense thereof. The parties' obligation to indemnify one another shall survive the termination of this Charter.

L. Notification of Third-Party Claim, Demand, or Other Action: The School and Sponsor shall notify each other of the existence of any third-party claim, demand or other action giving rise to a claim for indemnification under this provision (a "third-party claim") and shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that the Sponsor shall at all times have the right to participate in such defense at its own expense. If, within a reasonable amount of time after receipt of notice of a third-party claim, the School or Sponsor fails to undertake to defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the third-party claim for the account. The School or the Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a third-party claim.

M. Notice of Claims

1. Time to Submit

The School shall provide the Sponsor with proof of insurance pursuant to Section 8(F) of this Charter.

2. Notice of Cancellation

The evidence of insurance shall provide that the District be given no less than sixty (60) days written notice prior to cancellation.

3. Renewal or Replacement
Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the District with evidence of the renewal or replacement of the insurance no less than thirty (30) days before the expiration or termination of the required insurance for which evidence was provided.

Section 9: Governance

A. Governance of the School will be in accordance with the Bylaws or other organizational documents of the School and as described in the Application. The general direction and management of the affairs of the School shall be vested in the Governing Board with a minimum of 3 members. A majority of the voting members of the Governing Board shall constitute a quorum. A majority of those members of the Governing Board present shall be necessary to act. Members of the Governing Board may attend in person or by means of communications media technology used in accordance with rules adopted by the Administration Commission under s. 120.54(5), Florida Statutes. The Governing Board's primary role will be to set policy, provide financial oversight, annually adopt and maintain an operating budget, exercise continuing oversight over the School's operations, and communicate the vision of the School to community members. It shall be the duty of the Governing Board to keep a complete record of all its actions and corporate affairs and supervise all officers and agents of the School and to see that their duties are properly performed.

The Governing Board must appoint a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative must reside in the school district in which the School is located and may be a Governing Board member, employee of the School, or individual contracted to represent the Governing Board. If the Governing Board oversees multiple charter schools in the same school district, the Governing Board must appoint a separate individual representative for each charter school in the district. The representative's contact information must be provided annually, in writing, to parents and posted prominently on the School's website.

All meetings and communications involving members of the Governing Board shall be held in compliance with Florida's Sunshine Law.

The Board shall have at least two public meetings per school year within the District. The meetings must be noticed, open, and accessible to the public, and attendees must be

provided an opportunity to receive information and provide input regarding the School's operations. The appointed representative and the School's principal or director, or his or her equivalent, must be physically present at each meeting.

All members of the Governing Board will be required to attend Governance training and refresher courses as required by section 1002.33, Florida Statute, and Rule 6A-6.0784, Florida Administrative Code.

The Governing Board will serve as the sole responsible fiscal agent for setting the policies guiding finance and operation. School policies are decided by the Governing Board, and the Principal ensures that those policies are implemented.

The School will be a [private employer/public employer] and [will/will not] participate in the Florida Retirement System.

B. The School shall be organized as a Florida nonprofit organization.

C. The Bylaws or other organizational documents of the School shall establish the procedures by which members of the Governing Board are appointed and removed and the election of officers. The Governing Board will develop and implement policies regarding educational philosophy, program, and financial procedures. The Governing Board will oversee assessment and accountability procedures to assure that the School's student performance standards are met or exceeded.

1. The Governing Board shall exercise continuing oversight over the School's operations and will be held accountable to its students, parents or guardians, and the community at large, through a continuous cycle of planning, evaluation, and reporting as set forth in section 1002.33, Florida Statutes.

2. The Governing Board will be responsible for the over-all policy decision making of the School, including the annual approval of the budget.

3. Upon nomination and prior to appointment to the Governing Board, a member shall be fingerprinted pursuant to section 1002.33(12)(g), Florida Statutes. The cost of the fingerprinting is the responsibility of the School or Governing Board member. Prospective Governing Board members whose fingerprint check results warrant disqualification under the Statute shall not be appointed to the board.

4 The Governing Board shall ensure that the School has retained the services of a certified public accountant or auditor for the annual financial audit, pursuant to section 1002.345(2), Florida Statutes, who shall submit the report to the Governing Board.

5. The Governing Board shall review and approve the audit report, including any audit findings and recommendations for the financial recovery plan.

6. The Governing Board shall perform the duties set forth in section 1002.345, Florida Statutes, including monitoring any financial corrective action plan or financial recovery plan.

7. No member of the Governing Board or their immediate family will receive compensation, directly or indirectly from the School or the School's operations. No School or management company employee, or his or her spouse, shall be a member of the Governing Board. Violation of this provision or any violation of sections 112.313(2),(3),(7) and (12) and section 112.3143, Florida Statutes, by a member of the Board, shall constitute a material breach of this Charter.

8. Any change in Governing Board membership must be reported to Sponsor in writing within 5 business days of the change and entered into Charters.Link.

9. All newly appointed Governing Board members must complete a Level 2 screening prior to serving on the Governing Board at the cost of the school and entered into Charters.Link.

D. The School shall allow reasonable access to its facilities and records to duly authorized representatives of the District. Conversely, the District shall allow reasonable access to its records to duly authorized representatives of the School to the extent allowable by law.

To the extent the School is provided access to Sponsor's data systems, all School employees and students will be bound by Sponsor's computer policies and standards regarding data privacy and system security.

E. If an organization (management organization), including but not limited to: 1) a management company, 2) an educational service provider, or 3) a parent organization, will be managing or providing significant services to the School, the contract for services between the management organization and the Governing Board shall be provided to the Sponsor and attached as an appendix to this Charter. Any contract between the management organization and the School must ensure that:

1. Members of the Governing Board or their spouses will not be employees of the management organization, nor should they be compensated for their service on the Board or selected to serve on the Board by the management organization.

2. The Governing Board retains the right to hire an independent attorney, accountant, and audit firm representing and working for, or on behalf of, the School. Notwithstanding, the Governing Board and the management organization may contract for such services as determined by the management agreement and as otherwise allowed by law. The Governing Board shall use an audit firm that is independent from the management organization for the purposes of completing the

annual financial audit required under section 218.39, Florida Statutes.

3. The contract will clearly define each party's rights and responsibilities including specific services provided by the management organization and the fees for those services and specifies reasonable and feasible terms under which either party may terminate the contract.

4. All equipment and furnishings that are purchased with public funds will be the property of the School, not the management organization and any fund balance remaining at the end of each fiscal year will belong to the School, not the management organization.

5. All loans from the management organization to the School, such as facility loans or loans for cash flow, will be appropriately documented and will be repaid at a rate no higher than market rates at the time of the loan.

6. A copy of any material changes to the contract between the management organization and the Governing Board shall be submitted to the District within five (5) days of execution. The Sponsor shall have 30 days to review the material changes. If the changes violate the terms of this Charter or applicable law the Sponsor shall provide written notice to the School which shall include a description of the violations. The School may address the concerns or initiate the dispute resolution process included in this Charter.

7. The management organization will perform its duties in compliance with this Charter.

F. Any default or breach of the terms of this Charter by the management company shall constitute a default or breach under the terms of this Charter by the School unless the School cures such breach after written notice.

Section 10: Human Resources

A. The School shall select its own personnel.

B. The School's employment practices shall be nonsectarian.

C. The teachers employed by or under contract to the School shall be certified as required by Chapter 1012.

D. Employees of the School may participate in professional development activities offered by the District. Any costs associated with professional development for which there is an additional fee, and for which no Federal funding has been provided for such purposes to the Sponsor, will be the responsibility of the School or individual School employee.

E. The School may not employ an individual to provide instructional services or to serve as a

teacher's aide if the individual's certification or licensure as an educator is suspended or revoked by this or any other state.

F. This Charter makes the following full disclosure of the identity of all relatives employed by the School who are related to the School owner, president, chairperson of the Governing Board, superintendent, Governing Board member, principal, assistant principal, or any other person employed by the School who has equivalent decision-making authority per Fla. Stat. § 1002.33(7) (a) (18):

This information shall be submitted annually via Charters.Link, signed by the school principal. Any changes that would reflect nepotism should be avoided and entered into Charters.Link immediately.

If the relative is employed after execution of this Charter, the School shall disclose to the District, within 10 business days, the employment of any person who is a relative as defined in section 1002.33(7)(a)18., Florida Statutes.

The School shall comply with the restriction on employment of relatives, pursuant to section 1002.33(24), Florida Statutes.

G. The School may not knowingly employ an individual who has resigned from a school or school district in lieu of disciplinary action with respect to child welfare or safety or who has been dismissed for just cause by any school or school district with respect to child welfare or safety or who is under current suspension from any school or school district.

H. The School shall disclose to the parents the qualifications of its teachers in the manner required by law. The School shall provide to the District, prior to the opening of school, the qualifications and assignments of all staff members using the Sponsor's designated database. Teaching assignments must match the State's course code directory numbers. Changes will be provided to the District within 3 workdays of hiring, granting leaves of absence, or terminating teachers.

I. The School shall implement policies and procedures for background screening of all prospective employees, volunteers and mentors.

J. The School shall require all employees and the members of the Governing Board to be fingerprinted by an authorized law enforcement agency or an employee of the School or Sponsor who is trained to take fingerprints, pursuant to section 1002.33(12), Florida Statutes. The cost of fingerprinting shall be borne by the School or the individual being fingerprinted. The results of all such background investigations and fingerprinting will be reported in writing to the Superintendent of Schools or his or her designee. No School employee or member of the Governing Board may be on campus with students until his or her fingerprints are processed and cleared. The School shall ensure that it complies with all fingerprinting and background check requirements, including those relating to vendors,

pursuant to, sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and shall follow Sponsor's policy with regard to the fingerprinting and background check requirements of volunteers. The School shall notify the District's Human Resource Department when a staff member is no longer employed at the School.

The School shall require all employees and Board members to self-report within 48 hours to appropriate authorities any arrest and final disposition of such arrest other than minor traffic violations. The School shall then take appropriate action relating to the employment of that individual.

K. The School shall not violate the anti-discrimination provisions of section 1000.05, Florida Statutes, and the Florida Education Equity Act.

Section 11: Required Reports and Documents

The Sponsor and School shall agree upon submission deadlines for the following required documents.

A. Monthly

1. Financial Reports, per State Board of Education Rule (quarterly if School is designated High-Performing pursuant to section 1002.331, Florida Statute.

2. Bus Inspection Reports and FLDOT and Federal CDL compliance.

3. Active Shooter Drills and Threat Assessment Team Meeting Minutes

B. Quarterly

1. Governing Board meeting agenda and minutes

C. Annual

1. Annual Student Achievement Report

2. Annual Financial Audit

3. Program Cost Report

4. Annual Inventory Report [capital purchases with public funds]

5. Policies and Procedures of the school [if materially revised]

6. School based Student Code of Conduct [if materially revised]

7. Dismissal Policies and Procedures [if materially revised]

8. Crisis Response Plan [if materially revised]

9. Employee Handbook [if materially revised]

10. Current List of members of the Governing Board and Principal

11. School's Parental Contract [if materially revised]

12. Projected Enrollment [for subsequent school year]

13. Capacity [for subsequent school year]

14. School Calendar [for subsequent school year] if different than the District

15. Evidence of Insurance

16. Management Organization Agreement [if materially revised]

17. Student Progression Plan [if materially revised]

18. Comprehensive Incident and Safety Management Plan.

19. Other Reports or General Monitoring Documents as required by Florida Statute or changes in Legislation.

D. The Sponsor may request additional reports if the request is provided in writing and provides reasonable and specific justification.

E. In connection with its oversight responsibilities, the District may provide information, upon request, to third parties, including creditors and other parties doing business with the School, regarding (i) the School's compliance with its reporting obligations and other obligations hereunder or under applicable law, (ii) the status of the School's charter, and (iii) any disciplinary action that has been taken, including the existence of any Corrective Action Plan and the School's compliance with the requirements thereof.

Section 12: Miscellaneous Provisions

A. Impossibility

Neither party shall be in default of this Charter, if the performance of any or all of this Charter is prevented, delayed, hindered or otherwise made impracticable or impossible by reason of any strike, flood, hurricane, riot, fire, explosion, war, act of God, sabotage or any other casualty or cause beyond either party's control, and which cannot be overcome by reasonable diligence and without unusual expense.

B. Drug Free Workplace: The School shall be a drug-free workplace, as provided by State and Federal law.

C. Entire Agreement

This Charter shall constitute the full, entire, and complete agreement between the parties hereto. All prior representations, understandings and agreements whether written or oral are superseded and replaced by this Charter. This Charter may be altered, changed, added to, deleted from or modified only through the voluntary, mutual written consent of the parties. Any amendment to this Charter shall require approval of the Sponsor and the Governing Board.

D. No Assignment without Consent

This Charter shall not be assigned by either party without mutual written consent.

E. No Waiver

No waiver of any provision of this Charter shall be deemed or shall constitute a waiver of any other provision unless expressly stated. The failure of either party to insist in any one or more instances upon the strict performance of any one or more of the provisions of this Charter shall not be construed as a waiver or relinquishment of said term or provision, and the same shall continue in full force and effect. No waiver or relinquishment to any provision of this Charter shall be deemed to have been made by either party unless in writing and signed by the parties.

F. Default Including Opportunity to Cure

In the event that the School should default under any provision hereto, absent any circumstance permitting immediate termination, the School shall have thirty (30) days from written notice of default to cure, unless otherwise agreed to by the parties in writing.

G. Survival Including Post Termination of Charter: All representations and warranties made herein shall survive termination of this Charter.

H. Severability: If any provision or any part of this Charter is determined to be unlawful, void, or invalid, that determination shall not affect any other provision or any part of any other provision of this Charter and all such provisions shall remain in full force and effect.

I. Third Party Beneficiary: This Charter is not intended to create any rights in a third-party beneficiary.

J. Choice of Laws, Jurisdiction and Venue of Disputes and Waiver of Jury Trial

This Charter is made and entered into in the County and shall be interpreted according to

the laws of the State. The exclusive jurisdiction and venue for any litigation between the parties arising out of or related to this Charter, shall be the Circuit Court, the County Court in and for the County, or the appropriate appellate or federal court except as otherwise provided for resolution of disputes pursuant to section 1002.33(7)(b), Florida Statutes. The parties forever waive the right to trial by jury for any and all litigation between the parties arising out of or related to this Charter. The parties agree to have any such dispute settled by a judge alone, without a jury.

K. Notice

Official correspondence between the School and the District shall be in writing and signed by an officer of the Governing Board or the Principal of the School. Every notice, approval, consent or other communication authorized or required by this Charter shall not be effective unless same shall be in writing and sent postage prepaid by United States mail, directed to the other party at its address hereinafter provided or such other address as either party may designate by notice from time to time in accordance herewith:

1. Notices to the School:

Imagine Charter at North Manatee
Attn: Governing Board Chair
9275 49th Ave E, Palmetto, FL 34221

Arnold Law Firm
3810 Crown Point Road
Suite B
Jacksonville, FL 32257

2. Notices to the Sponsor

The School Board of Manatee County, Florida
Attn: Superintendent
215 Manatee Avenue West, Bradenton, FL 34205

Notice may also be given by email to the email addresses provided by the parties subject to verbal, electronic or written confirmation of receipt.

Each of the persons executing this Charter represents and warrants that he or she has the full power and authority to execute the Charter on behalf of the party for whom he or she signs and that he or she enters into this Charter of his or her own free will and accord and in accordance with his or her own judgment, and after consulting with anyone of his or her own choosing, including but not limited to his or her attorney.

L. Conflict Between Charter and Florida Law

In any case where this charter conflicts with Florida law, the terms of the applicable Florida Statute, State Board Rule, or case law will control over the Charter.

M. Conflict or Dispute Resolution

Subject to the applicable provisions of section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with section 1002.33(8)(c), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict or dispute resolution procedure.

The following dispute resolution process not otherwise pre-empted by section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute. All disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process:

Step 1 -- The persons having responsibility for implementing this Charter for the grieving party will write to the other party to identify the problem, propose action to correct the problem and explain reasons for the proposed action.

Step 2 -- The person having responsibility for implementing this Charter for the other party will respond in writing within fifteen (15) calendar days, accepting the proposed action or offering alternative solution(s) to the problem. A meeting of representatives of the parties may be held to reach agreement on the solution and subsequent action.

Step 3 -- Upon resolution of the problem, the responsible personnel from both parties will develop a joint written explanation indicating the resolution. This document will be retained with this Charter. If an amendment to the Charter is necessary, the amendment will be submitted for action by both parties.

Step 4 -- If efforts at agreement within a reasonable time are unsuccessful, the parties may have recourse to their available legal remedies, including, without limitation, mediation through the FDOE or those additional remedies set forth in section 1002.33(7)(b), Florida Statutes.

N. Citations

Whenever a Florida Statute or State Board of Education Rule is referenced in this Charter, it shall be construed to mean the statute or rule as it is amended from time to time.

The Sponsor's policies will not control this Charter or be incorporated herein absent

written consent of the Governing Board, as provided by Florida law, unless the School agreed to such policies in the approved Application or otherwise agreed to by the Governing Board in writing.

If the Sponsor subsequently amends any agreed-upon Sponsor policy the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the Sponsor may not hold the School responsible for any provision of a newly revised policy unless the revised policy is mutually agreed upon.

Upon the Sponsor's revision of a mutually agreed upon Sponsor policy, the Sponsor shall provide written notification to the School and Governing Board. The written notification shall include the revised policy and shall allow the Governing Board 45 days to reject the revised policy. If the Governing Board does not provide written notice of its rejection of the policy, the revised policy is deemed accepted by the Governing Board. If the Governing Board rejects the revised policy, it shall remain bound by the policy as it existed at the time the Governing Board agreed to it.

O. Interpretation

The headings in the Charter are for convenience and reference only and in no way define, limit or describe the scope of the Charter and shall not be considered in the interpretation of the Charter or any provision hereof. This Charter is the product of negotiation between the parties and therefore the terms of this Charter shall not be construed against either party as the drafter.

[THE REMAINDER OF THIIS PAGE IS INTENTIONALLY LEFT BLANK]

AGENDA ITEM NO. 8.15

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Renew the Contract Between The Early Learning Coalition of Manatee County, Inc. and The School Board of Manatee County for the 2022-2023 School Year, Not to Exceed $30,000.00

Executive Summary
The Early Learning Coalition of Manatee County, Inc. and their approval sites, provide infant/childcare for teen parents attending district schools. Teen parents attending their regular schools have been entitled to childcare per state statue. Due to transportation and liability issues, it is beneficial for childcare to be provided in reasonable proximity to the school the parents attend.

The Early Learning Coalition of Manatee County, Inc. and their approved sites will continue to provide infant/childcare services for children of teen parents directly through Early Learning Coalition of Manatee County, Inc. and via a subcontract with any other suitable licensed childcare providers, as required by state statue.

This contract will ensure that all children will have an opportunity for a quality learning experience.

A copy of the contract is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Safety | Goal 1
Increase the number of best practices, resources and evidence-based approaches in the areas of school climate and safety across all district campuses and buildings.

Safety | Goal 2
Increase the capabilities of all district schools to appropriately prevent and intervene with unsafe and disruptive student behaviors, while reducing the number of instructional days lost to Out of School Suspensions.

Recommendation
The Superintendent recommends approval to renew the contract between the Early Learning Coalition of Manatee County, Inc. and the School Board of Manatee County for the 2022-2023 school year, not to exceed $30,000.00.

Financial Impact
The cost to implement this purchase will not exceed $30,000.00 per year. The funding source for this annual expenditure is General Funds and is included in the Dropout Prevention Department proposed budget for 2022-2023.

Early Learning Coalition 2022-2023

EARLY LEARNING COALITION OF MANATEE COUNTY, INC.
AND
THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA
For 2022–2023 School Year

This contract is entered into by and between **EARLY LEARNING COALITION OF MANATEE COUNTY, INC.,** 600 8th Avenue W. Ste. 100, Palmetto Florida 34221, hereinafter referred to as "the Coalition" and **THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA** whose address is 215 Manatee Avenue West, Bradenton, Florida 34205, hereafter referred to as "the Board", and is effective July 1, 2022 and expires June 30, 2023.

I. The Coalition Agrees:

A To follow the School District of Manatee County COVID-19 protocols.

B. To follow the School District of Manatee County Student Code of Conduct and the Policy and Procedural Manual.

C To administer through legally operating providers, child care services for eligible children of teen parents in full-time membership in the Florida Education Finance Program in attendance at their assigned schools or verified as working in an approved on-the-job training course placement with by the on-the-job (OJT) teacher of record and time cards. Students employed after school will need to have an extended child care contract. Providers will follow the School Readiness Contract. Coalitionproviders listed with a School Readiness Contract in probationary status will not be permitted to accept children of teenparents.

D. That the hours of service will be 6:30 a.m. to 6:00 p.m. or as agreed upon by both parties, based on teen-parent school hours.

E To bill the Board based on the total number of students in attendance.

F. To use the Board's approved calendar to indicate the number of school days billed in each month. ESE students may exceed the 180-school day calendar.

G To assign a student identification number for each child including all appropriate data for reporting.

H To submit the required weekly attendance reports by the 10th day of the following month to the "board."

I To grant access by the School District, the Florida Department of Education, the Auditor General's Office, the appropriate federal agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit examination, excerpts, and transcriptions.

J To ensure the below contracted childcare provider obligations:

- To be responsible for maintaining the program as required by the Florida Administrative Code Chapter 65C-22 Child Care Licensing standards and any other
- To provide developmentally appropriate learning activities for children of teen parents.
- To provide equipment to meet minimum specifications of Department of Children and Families guidelines.

- To ensure the appropriate supervision of the childcare program.

- To provide developmental screenings using Ages and Stages Questionnaire – 3rd edition for children of teen parents.

- To submit notification of registrations and withdrawals of students within 24 hours of enrollment/withdrawal to the appropriate Board personnel.

- To maintain daily attendance records with documentation of excused absences. These records are to be submitted to the appropriate school registrar at the end of each week. Teen parents will notify the provider and school district of absences afterthree consecutive days. Provider must attempt to determine need for continued care and notify school district if the child will or will not be returning. Any student accumulating five (5) consecutive unexcused days will be withdrawn and payment to the provider will be terminated on the sixth (6) day.

- To provide general liability and accident insurance for workers and children.

- To require each child who is entitled to initial admittance to any school in this state to present certification of a school-entry health examination performed within one (1) year prior to enrollment in school. Each child should also present or have on file a certification of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A copy of the birth certificate for each child being enrolled by the student should be on record.

- To maintain health records on each student. Where appropriate, schools should use forms approved and provided by the Department of Health. These records become a part of each student's permanent record, to be transferred when the student transfers, is promoted, or changes schools.

- To provide copies of credentials for child care workers, supervisors, and administrators, including, but not limited to, CDA certificates, CDS certificates, community college degrees, college/university degrees, licenses, teacher certificates, etc. to the extent required. The instructional program will provide and deliver Tier 3 interventions by reading endorsed or certified teachers to those students as required by Federal and State Law.

- Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state and federal regulations except on written consent of the recipient of his parent or guardian where authorized by law.

- To develop written policies concerning the care of students in emergencies, clinical and administrative records, and insurance coverage.

- Coalition will assure that the PROVIDER will comply with all statutory and administrative requirements for the protection of children, specifically reporting suspected child abuse or neglect or other reportable events under Chapter 3 9 . 2 0 1 F.S. by calling the ABUSE Hotline at (800) 962-2873.

- Coalition will assure that the PROVIDER will immediately report to the ELC-Manatee any unusual incidents that involve the health and safety of children or an event that would put the ELC- Manatee and/or the School District of Manatee County at risk or cause a negative publicreaction.

- The Coalition will NOT provide transportation for students.

II. Food Service Agreement

A Any and all separate contract for FoodServices is unaffected by this Contract and will remain in full force and effect. The School shall provide food service to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program, it shall follow all applicable federal rules and regulations. If the school chooses to contract with the School District of Manatee County for meals, a separate agreement will be required. All terms of those separate agreements are subject to separate and distinct negotiations, renewal and expiration.

III. The Board Agrees

A To reimburse the Coalition for off-site contracted child care and direct support services at the following daily rates to be determined on an annual basis:

FULL-TIME daily rates – the costs indicated below represents the cost for a full day of services:

<12 Months	$48.40
12 <24 Months	$37.03
24 <36 Months	$33.95
36 <48 Months	$29.04
48 <60 Months	$27.23
60 <72 Months	$25.41
School Age	$23.47

B That this contract shall become effective July 1, 2022 terminate June 30, 2023. The full-time daily rates will be determined on an annual basis.

C To pay for Coalition childcare system non-direct/support services on behalf of the teenage participants. The childcare system support services will be paid at a rateof 5% of services which will be rendered each month and included in the monthly invoice.

IV. The Coalition and The Board MutuallyAgree

a. That this contract shall be null and void if the State of Florida does not fundteen parent childcareprograms.

b. The Coalition may terminate this Contract with or without cause by giving the Board thirty (30) calendar days written notice of its intent to cease TAPP Services.

c. The Coalition agrees to follow the Student Code of Conduct and the School District of Manatee County Policy and Procedural Manual.

d. The Board may terminate this Contract "without cause" by giving the Coalition (30) calendar days written notice that it will cease TAPP funding.

e. In each of the above cases the notice period is based upon the date of receipt of the notice by the receiving party, as documented by a return receipt request.

f. That the staff of the Board will be permitted to review the program provided by the Coalition and confers with its staff at reasonable times. Further, the Board and the Coalition agree to abide by all procedures and guidelines developed and mutually agreed upon by both parties regarding the implementation of the

contract.

g. The unforeseen questions or any problems arising during the administration of the contract between parties shall be resolved through negotiations. The negotiated resolution of the unforeseen problems or questions shall be reduced to writing, which shall then be attached to and made part of this contract as a clarifying interpretation.

h. This agreement shall be governed by the laws of the state of Florida and governing regulatory rules, excepting Florida laws regarding choice of law. Any action brought to enforce this agreement shall be brought exclusively before the appropriate court in and for Manatee County, Florida.

V. This contract may be modified subject to revenue shortfall which reducesdistrict funding. This modification shall be proportionate to the Board's reduction.

VI. Terms and Conditions

A This Agreement shall become effective on the Agreement Date, or the date on which the agreement has been signed by both parties, whichever is later, and shall have a term not to exceed one year.

B Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be canceled by the School District upon thirty days written notice and the School District will be released of any and all obligations under this contract.

C The School District of Manatee County and State of Florida requires all Providers/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals or entities under contract with the School District required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School District related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net.

D. This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

E This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

F. The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

G The Coalition agrees to defend indemnify and hold harmless the School District, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When

pertaining to a services contract Coalition will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Provider will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver ofindemnification.

H Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non-Discrimination Act of 2008.

I The parties acknowledge and agree that the School District, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall bepreserved.

J The Coalition will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Provider, but also to the employees of its sub- contractors.

K If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

L The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as an act of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

M The Coalition agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or maritalstatus.

N This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85,Section 85.510.

O Termination for Cause. The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to the Provider or recoveries by the School District under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

P. Termination for Convenience. Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the

goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval whenrequired.

Q **CUSTODIAN OF PUBLIC RECORDS:**
IF THE COALITION HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian
215 Manatee Avenue W. Bradenton,
Florida, 34205
(941) 708-8770
publicrecords@manateeschools.net

R The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Provider hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

S In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be affected with any individual or business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 FloridaStatutes.

T. Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Provider will in no way be a cause for relief from responsibility. The Provider shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Provider must not be in violation of any zoning or other ordinances inthe performance of thiscontract.

U. All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards thereunder.

V. When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

W. All vendors, Providers and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part5).

X Possession of firearms will not be tolerated on provider's property or any School District of Manatee County

property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Provider, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Provider. If a sub- contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" has the meaning given in Subsection 790.001(6) Florida Statutes.

Y. Employment on provider's property by the Provider, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Provider agrees to take all steps necessary to remove such person the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Provider does not comply with thisprovision.

Z. Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Provider's employees or independent contractors or its sub- contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub- contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of ManateeCounty.

AA. This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict, the terms of this agreement shall govern.

BB. Employment Eligibility Verification ("E-VERIFY"): By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages, or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.092, Florida Statues and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system. The Contracted Site agrees to execute the attached E-Verify form annexed to this agreement.

Contractor E-Verify Number: __577509_____

CC. Entire Agreement: This is the entire agreement and supersedes any prior agreements oral and/or in writing. Any modification of this agreement must be in writing and mutually agreed to by all parties.

IN WITNESS THEREOF, the parties hereto have caused this eight (8) page contract to be executed by their undersigned officials as duly authorized.

AGENDA ITEM NO. 8.16

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Renew the Contract Between PACE Center For Girls, Inc. and the School Board of Manatee County for the 2022-2023 School Year

Executive Summary
PACE Center for Girls, Inc, serves at-risk and troubled teens. PACE addresses the therapeutic, social and educational needs of young girls by creating an environment that fosters growth. PACE values all girls and young women, believing each one deserves an opportunity to find her voice, to achieve her potential, and to celebrate a life defined by responsibility, dignity, serenity, and grace.

The renewed contract between PACE Center For Girls, Inc. and the School Board of Manatee County will provide for up to fifty-five (55) students to participate in the the PACE program. The addendum reflects a brief description of the educational services being provided. The information has been provided by the contract site director and has not been edited. This effort supports the District's commitment to strengthening the learning opportunities for all students. This contract will ensure that all children will have an opportunity for a quality learning experience.

A copy of the contract is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Safety | Goal 1
Increase the number of best practices, resources and evidence-based approaches in the areas of school climate and safety across all district campuses and buildings.

Safety | Goal 2
Increase the capabilities of all district schools to appropriately prevent and intervene with unsafe and disruptive student behaviors, while reducing the number of instructional days lost to Out of School Suspensions.

Recommendation
The Superintendent recommends approval to renew the contract between PACE Center for Girls, Inc. and the School Board of Manatee County for the 2022-2023 school year.

Financial Impact
The funding source for this expenditure is General Funds and is included in the Dropout prevention Department approved (or proposed) budget. The District will reimburse PACE Center for Girls, Inc. 95% of the weighted Full-Time Equivalency (FTE) based upon FTE generated during the 2022-2023 school year.

PACE CENTER FOR GIRLS, INC.
AND
THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA
For 2022-2023 School Year

This contract is entered into between **PACE CENTER FOR GIRLS, INC.,** 3508 26th Street West, Bradenton, Florida 34205, hereinafter referred to as "the Provider" and **THE SCHOOL BOARD OF MANATEE COUNTY,** whose address is 215 Manatee Avenue West, Bradenton, Florida 34205, hereafter referred to as "the Board", and is effective July 1, 2022 and expires June 30, 2023.

I. The Provider Agrees:

ADMINISTRATION

A. To follow the School District of Manatee County COVID-19 protocols.

B. To follow the School District of Manatee County Student Code of Conduct and the Policy and Procedural Manual.

C. To provide an educational program in accordance with this agreement for students in grades 6-12.

D. To implement and maintain an effective educational program that allows youth in the juvenile justice system the opportunity to obtain a high-quality education.

E. To designate a staff member to be responsible for the administration of the contract and for the supervision of the educational program.

F. To have written procedures for admission, dismissal, and separation of students.

G. To require each child who is entitled to initial admittance to any school in this state to present certification of a school-entry health examination performed within one (1) year prior to enrollment in school. Each child should also present or have on file certification of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health.

H. To provide for appropriate screening of students for scoliosis at the proper age.

I. To maintain health records on each student. Where appropriate, schools should use forms approved and provided by the Department of Health. These records become a part of each student's permanent record, to be transferred when the student transfers, is promoted, or changes schools.

J. To have a written philosophy, curriculum and methodology for each special program to be provided to each student placed under this contract.

K. To provide classroom space, furniture and equipment for the teachers and students participating in the school program.

L. To provide and continually maintain a safe and secure learning environment for all students who enter under this contract.

M. To coordinate the implementation of curriculum, instruction and assessment according to statute.

N. To evaluate teachers and maintain rigor in the instructional program.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

EDUCATIONAL PROGRAM

A. That the program is staffed by professionally qualified instructional personnel and must have all certifications and endorsements as required by Florida Statute and State Board Rules. The instructional program will provide and deliver Tier 3 interventions by reading endorsed or certified teachers to those students as required by Federal and State Law.

B. Teachers shall also possess or be in the process of obtaining English for Speakers of other Languages (ESOL) endorsement as required by Florida Statute and State Board Rules. Documentation must be provided concerning what is being done to meet the ESOL requirement on an annual basis.

C. To notify parents in writing when a teacher is teaching out of his/her area of certification. This notification can be in the form of individual letters or appear as a notice in the Provider's newsletter. Copies of this notification should be sent to The Office of Dropout Prevention/Alternative Education.

D. To require all teachers with temporary certification to participate in the district's certification program, or another comparable certification program. The Provider, or teacher participant will pay for the cost of participation.

E. To provide documentation that teachers with temporary certification have applied for certification including a timeline for steps being taken to obtain professional certification.

F. To require that all staff be fingerprinted and processed by the Board and the Federal Bureau of Investigation for criminal background checks.

G. That a personnel file shall be maintained on each employee documenting the qualifications of personnel: resume, transcripts, letters of reference, certification (if applicable). Copies of documents should be sent to Human Resources to be maintained in a district file.

H. That the instructional day and year is consistent with statutes, taking into account the number of school hours or school days provided the student by the district. There should be six (6) hours of instruction daily with one (1) hour for planning for instructional staff.

I. That the instructional program shall meet the requirements of the Florida Statutes, including on-line learning and career and professional education (CAPE) requirements and include curricular offerings consistent with the Florida Course Code Directory. Teacher assignments will be determined as prescribed by course codes and the specified area(s) of certification, including Exceptional Student Education (ESE) certification.

J. (Middle Grades ONLY) That a rigorous reading requirement is provided for reading and language arts programs as the primary component of its school improvement plan.

K. (Middle Grades ONLY) That a quarterly report is submitted to the district school contact on the progress of students toward increased reading achievement.

L. All students will participate in entry and exit assessments as required by statute and Quality Assurance Standards. That instruction shall be delivered through a variety of instructional techniques to address students' academic levels and learning styles based on entry assessments and past records.

M. All middle school students and all high school students that score below a Level 2 on the most recent administration of the Florida Standard Assessment (FSA) must be enrolled in an intensive reading class. That all teachers shall be responsible for the planning, development, and delivery of standards-based instructional activities aligned to the Sunshine State Standards.

N. All students will participate in FSA testing as required by the State of Florida. The administration schedule must follow the state prescribed schedule or be approved by the Office of Assessment and Accountability.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

O. To document the provision of ESE services, including obtaining, reviewing and determining whether the current Individual Education Plan (IEP) is appropriate. An IEP meeting will be convened as soon as possible if the current IEP cannot be implemented as written. The district ESE Specialist will be present at all IEP meetings.

P. To develop plans under Section 504 of the Rehabilitation Act of 1973 for eligible students with disabilities, individual English Language Learning (ELL) plans for limited English proficient students and Individual Progress Monitoring Plans (IPMPs) for non-ESE students according to Florida Statute that includes specific individualized long-term goals and short-term instructional objectives for reading, writing, mathematics, and science. The plan should also identify diagnostic assessments, intervention strategies, progress updates, and a schedule for determining progress toward achieving goals and objectives of the plans mentioned above.

Q. To ensure that IPMPs and IEPs are used by all instructional personnel to assist in providing individualized instruction and educational services to students, regardless of the content area they are teaching. There should also be a strong emphasis on appropriate agency coordination.

R. To provide regular and special education services to students in accordance with the student's IPMPs or IEP as governed by Florida laws and IDEA.

S. To provide Speech, Language, Physical and/or Occupational Therapy as defined in the student's IEP. To provide all information required by the Florida Department of Education for each speech/language pathologist assigned to work with students in the Manatee District Schools.

T. That if a student has expressed intent to terminate school enrollment, the student should be notified of the option of enrolling in a program for a General Education Diploma (GED).

U. To document the transmittal of the Educational Exit Portfolio to the student's next educational placement prior to, or at the time of exit, that include the following items:

1. A district withdrawal form that includes grades in progress;
2. A copy of the student's exit plan: continuing education needs and goals, anticipated next educational placement and job/career or vocational training plans, and diploma option; and
3. A copy of permanent record information that includes results of any state and district-wide assessments, current cumulative total of credits attempted and earned, including those credits earned prior to commitment.

V. To develop an individual transition plan cooperatively with the student, his/her parents, school district and/or contracted providers' personnel, probation officer, personnel from the student's home school district and Department of Juvenile Justice (DJJ) program staff. The transition plan must address:

1. Academic re-entry goals;
2. Career and employment goals; and
3. Recommended educational placement.

W. To develop exit portfolios for each student prior to exit from a commitment program. DJJ shall provide the following information as required by statutes:

1. Transition plan;
2. Results of district and statewide assessments;
3. Academic improvement plan (AIP), 504 plan, and/or individual educational plan (IEP) for exceptional students;
4. Academic record or transcript; and
5. Work and/or project samples.

X. To provide an opportunity for parents or guardians to participate to the extent necessary in the review of placement process.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

RECORDS AND REPORTS

A. To designate a staff member to serve as Registrar.

B. To maintain students' records in a manner and form prescribed by the Board, the State of Florida, and federal agencies. Records shall include data required to participate in the Florida Education Finance Program (FEFP), including the documentation for special programs such as Exceptional Student Education (ESE). These records must be retained for a period of three (3) years beyond the final payments and all other pending matters are closed. Failure to maintain accurate records required for an audit may result in forfeiture of earned FTE payments. The content of these records shall include, but not be limited to, the following:

1. A copy of the student's individualized education plan (IEP);
2. Assessment data, including grade level proficiency in reading, writing, and mathematics, and performance on any state or standardized tests;
3. A copy of the student's permanent cumulative record;
4. A copy of the student's academic transcript; and
5. A portfolio reflecting the student's academic accomplishments while in the DJJ program.

C. To request and document requests for all student educational records, transcripts, withdrawal forms, and ESE records, including Individual Education Plans (IEPs), on the date of student entry to the program. Each school district shall provide these students' educational records no later than five (5) school days after the receipt of the request.

D. To report the non-attendance of students to the office of the Supervisor of Dropout Prevention in accordance with Florida Department of Education, Florida Education Finance Program (FEFP) guidelines.

E. To report to the county health department director or administrator annual reports of compliance with the provisions of school health examinations and immunizations.

F. To be responsible for all Florida Department of Education and the Board's district reports, reporting student academic progress to parents in the appropriate home language according to the requirements in statute and for communication with the students' home schools when necessary.

G. To accurately maintain student data on the district's student information system.

H. To submit monthly cost reports to the district to account for expenditures of all state, local, and federal funds.

MANAGEMENT

A. To develop written policies concerning the care of students in emergencies, clinical and administrative records, and insurance coverage.

B. To grant access by the School District, the Florida Department of Education, the Auditor General's Office, the appropriate federal agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit examination, excerpts, and transcriptions.

C. To provide quarterly expenditure reports to the Board to include Title 1 and FTE expenditures as required by Quality Assurance Standards. The reports are to be submitted during September, December, March and June.

FOOD SERVICE AGREEMENT

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

A. Any and all separate contract for Food Services is unaffected by this Contract and will remain in full force and effect. The School shall provide food service to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program, it shall follow all applicable federal rules and regulations. If the school chooses to contract with the School District of Manatee County for meals, a separate agreement will be required. All terms of those separate agreements are subject to separate and distinct negotiations, renewal and expiration.

TRANSPORTATION AGREEMENT

A. The contracted site will be responsible for any and all transportation of students. The school District of Manatee County **will not** provide transportation for any students of the contracted site.

II. THE BOARD AGREES:

A. To reimburse the Provider for delivery of the program services in an amount equal to 95% of the weighted FTE funding generated per year for the actual number of eligible students enrolled in the program during the official FTE survey weeks conducted by the Florida Department of Education. The number of FTE will be adjusted in accordance with any adjustment made by the Florida State Legislature or the Florida Department of Education. The maximum number of full-time equivalent students to be funded under this agreement is FIFTY-FIVE (55) students, which may equal up to EIGHTY (80) maximum FTE for the 250-day calendar. Payments for August through December will be made on the basis of an estimate of the FTE count. Payments for January through March will be adjusted in accordance with actual July and actual October FTE count and an estimate for the February and June count. The payments for April through June will be based on the actual counts for July, October and February and an estimated June count. The Board will pay the Provider 100% of appropriated Supplemental Academic Instructional (SAI) funding, Instructional Materials, including the DJJ supplemental allocation. In addition, the Board will pay the Provider its proportional share of allocation for the Exceptional Student Education Guaranteed Allocation. It is further understood by the Board and the Provider that if there is a loss of funding because of the district exceeding the cap on any area of the FTE, there will be a proportional decrease in funding to the School.

B. That one hundred percent (100%) of the formula-based categorical funds generated by these students must be spent on appropriate categorical purchases for these students.

C. District school boards are to satisfy invoices from providers within 15 working days of receipt. District school boards that fail to timely satisfy an invoice must also pay interest, at a rate of 1 percent per month, calculated daily.

D. That the students participating in General Education Diploma (GED) preparation programs shall be funded at the basic program cost factor.

E. That an ESE-certified Specialist will be provided by the Board through the 240-day school year. The ESE-certified Specialist will be responsible for review and preparation, staffing and maintaining ESE compliance records for all exceptional education students as well as determining the student's matrix and serving as the local education agency (LEA) representative.

F. To provide screening to determine if the use of assistive technology devices and other specialized equipment is necessary for an exceptional student to benefit from education.

G. To provide the initial diagnostic and evaluation services for an exceptional student. Any further evaluations will be the responsibility of the Provider.

SCHOOL IMPROVEMENT

A. To offer technical assistance and support through the Board's staff including the participation in and approval of the school improvement process and assist with the implementation of the School Improvement Plan (SIP), to include access to the district professional services when available.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

B. To ensure that the Board-approved SIP is based on educational program needs, actual instructional assignments, Quality Assurance (QA) findings, and is designed to address student outcomes, performance, and achieve state educational goals.

C. To ensure that the SIP is based on issues relevant to budget, training, instructional materials, technology, staffing, and student support services. The SIP is implemented as evidenced through adequate school improvement progress reports and annual evaluations.

III. THE PROVIDER AND THE BOARD MUTUALLY AGREE:

A. That the staff of the Board will be permitted to review the program provided by the Provider and confers with its staff at reasonable times. Further, the Board and the Provider agree to abide by all procedures and guidelines developed and mutually agreed upon by both parties regarding the implementation of the contract.

B. That unforeseen questions or any problems arising during the administration of the contract between parties shall be resolved through negotiations. The negotiated resolution of the unforeseen problems or questions shall be reduced to writing, which shall then be attached to and made part of this contract as a clarifying interpretation.

C. That this contract shall become effective July 1, 2022 and terminate June 30, 2023 or by thirty (30) days written notice by either party.

D. The Board and the Provider agree to comply with the Standards and Key Indicator Compliance issues as outlined in the Quality Assurance guidelines.

E. To develop a mutually agreed upon school improvement plan (SIP), as required by statute. Educational Administrators work cooperatively with the staff of the Board, program instructional personnel, student, and parents, to create a written SIP. The SIP must be specific to the program.

F. The Board and the Provider agree to submit any dispute, with the exception of an immediate termination as set forth in section I. C. 6. b., to the Department of Education for mediation. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on issues of equitable treatment of the School as a public school, whether provisions of the Contract violate the intended flexibility granted contract schools by statute, or any other matter except the termination or nonrenewal of the contract. The administrative law judge shall award the prevailing party reasonable attorneys' fees and costs.

G. The Board and the Provider agrees to the Education Accountability for DJJ Programs, Rule 6A-1.099812, F.A.C., establishes a performance rating system for DJJ education programs that measure performance on twelve (12) components. Ratings are based solely upon data submitted to FDOE. The school district shall grant the user access for Pace local and National Office designees to verify and correct data in all systems used to submit Pace data to FDOE regarding FTE and DJJ accountability reporting. A school district designee shall work with a Pace designee(s) assigned by its National Office to verify that all data, including student-enrollment data, program entry and exit dates, and any other data needed to calculate a DJJ accountability rating, is accurate and reported timely to the FDOE. The District will work with Pace to correct any errors or omissions in the data reported.

H. If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay be either party to exercise a right under this agreement will be a waiver of that right.

I. This contract may be modified subject to revenue shortfall, which reduces district funding. This modification shall be proportionate to the Board's reduction.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

IV. TERMS AND CONDITIONS:

A. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be canceled by the School District upon thirty days written notice and the School District will be released of any and all obligations under this contract.

B. The School District of Manatee County and State of Florida requires all Providers/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals or entities under contract with the School District required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School District related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net/

C. This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

D. This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

E. The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

F. Provider agrees to defend indemnify and hold harmless the School District, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a services contract Provider will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Provider will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification.

G. Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non-Discrimination Act of 2008.

H. The parties acknowledge and agree that the School District, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

I. Provider will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Provider, but also to the employees of its sub- contractors.

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

J. If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

K. The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such an act of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

L. The Provider agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or marital status.

M. This agreement is subject to the requirement by Executive Order 12549, Department and Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

N. Termination for Cause. The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School District under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

O. Termination for Convenience. Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

P. CUSTODIAN OF PUBLIC RECORDS:

IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

215 Manatee Avenue W. Bradenton, Florida 34205
(941) 708-8770
publicrecords@manateeschools.net

Q. The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Provider hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

R. In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be affected with any individual or business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 Florida Statutes.

S. Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Provider will in no way be a cause for relief from responsibility. The Provider shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Provider must not be in violation of any zoning or other ordinances in the performance of this contract.

T. All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

U. When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

V. All vendors, Providers and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part 5).

W. Possession of firearms will not be tolerated on provider's property or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Provider, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub- contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" has the meaning given in Subsection 790.001(6) Florida Statutes.

X. Employment on provider's property by the Provider, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Provider agrees to take all steps necessary to remove such person the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Provider does not comply with this provision.

Y. Possession/use and/or being under the influence of any illegal mind-altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Provider's employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind-altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Z. This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict, the terms of this agreement shall govern.

AA. Employment Eligibility Verification ("E-VERIFY"): By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system. The Contracted Site agrees to execute the attached E-Verify form annexed to this agreement.

V. FORMAL AGREEMENTS:

In compliance with PL 114-95, Section 1423, the School Board Agrees to meet all the requirements of PL 114-95, Section 1423:

1) Where feasible, ensure that educational programs in the school facility are coordinated with the student's home school, particularly with respect to a student with an individualized education program under part B of the Individuals with Disabilities Education Act;

2) If the child or youth is identified as in need of special education services while in the correctional facility, notify the local school of the child or youth of such need;

3) Where feasible, provide transition assistance to help the child or youth stay in school, including coordination of services for the family, counseling, assistance in accessing drug and alcohol abuse prevention programs, tutoring, and family counseling;

4) Provide support programs that encourage children and youth who have dropped out of school to reenter school once their term at the correctional facility has been completed, or provide such children and youth with the skills necessary to gain employment or seek a secondary school diploma or its recognized equivalent;

5) Work to ensure that the school facility is staffed with teachers and other qualified staff who are trained to work with children and youth with disabilities taking into consideration the unique needs of such children and youth;

6) Ensure that educational programs in that educational programs in the juvenile justice facilities are related to assisting students to meet the challenging State academic standards;

7) To the extent possible, use technology to assist in coordinating educational programs between the school facility and the community school;

8) Where feasible, involve parents in efforts to improve the educational achievement of their children and prevent the further involvement of such children in delinquent activities;

9) Coordinate funds received under this subpart with other local, State, and Federal funds available to provide services to participating children and youth, such as funds made available under title I of Public Law 105–220, and vocational and technical education funds;

DocuSign Envelope ID: 3F86D569-FD5F-49B9-9224-C8DFED32E578

10) Coordinate programs operated under this subpart with activities funded under the Juvenile Justice and Delinquency Prevention Act of 1974 and other comparable programs, if applicable; and

11) If appropriate, work with local businesses to develop training, curriculum-based youth entrepreneurship education, and mentoring programs for children and youth.

12) Upon the child's or youth's entry into the juvenile justice facility, work with the child's or youth's family members and the local educational agency that most recently provided services to the child or youth (if applicable) to ensure that any relevant and appropriate academic records and plans not provided to probation staff during the commitment staffing process regarding the continuation of educational services for such child or youth are shared jointly between the juvenile justice facility and local educational agency in order to facilitate the transition of such children and youth between the local educational agency and the juvenile justice facility; and

13) Upon discharge from a juvenile justice facility, ensure consultation occurs between the local educational agency and the juvenile justice facility for a period jointly determined necessary to coordinate educational services so as to minimize disruption to the child's or youth's achievement.

IN WITNESS THEREOF, the parties hereto have caused this eleven (11) page contract to be executed by their undersigned officials as duly authorized

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Student and Adult Meal Cost Increases for the School Year 2022-2023

Executive Summary
The School District of Manatee County has not increased paid meal costs since 2019. When costs were raised in 2019, we had projected raising costs in 2021. However, due to the U.S. Department of Agriculture's COVID-19 waivers that provided free meals, a cost increase was not necessary. A 14% increase in food and supply costs during the 2021-2022 school year has necessitated raising costs for the 2022-2023 school year. The recommendation is to raise lunch costs $.25 per meal at both elementary and secondary schools. Elementary student paid lunches would now be $2.75, and secondary student paid lunches would now be $3.00. Secondary students receive additional portions of fruits and vegetables. Adult meal costs will be increased from $1.60 to $2.00 for breakfast and from $3.50 to $4.00 for lunch.

A survey of surrounding districts is attached and shows that the School District of Manatee County would be in the range with other districts.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Recommendation
The Superintendent recommends approval of student and adult meal cost increases for the school year 2022-2023.

Financial Impact
The financial impact to the Food and Nutrition Services Fund 410 would be an increase of $411,143.58 in revenue.

Title
Approval of Educational Plant Survey for 2022, No Financial Impact

Executive Summary
An educational plant survey is a study of present educational and ancillary facilities within a school district and the determination of that district's future needs. The survey focuses on facilities rather than the educational programs; however, there is a relationship between the two. The resulting recommendations are for the capital projects that will be approved by the Department of Education (DOE) based on projected Capital Outlay Full Time Equivalents (COFTE). The survey is required to be completed at least once every five years by Florida Statute (F.S.) 1013.31 and must be submitted to DOE prior to July 1. Interim Spot Surveys to modify this 2022 Plant Survey can be conducted as often as is necessary and are Board approved.

The survey identifies the projects that are permissible for the expenditure of all capital funds, except sales tax and impact fees, during the next five years. As such, the survey provides a menu of choices for the District from which the actual capital projects may be selected. The projects are identified by comparing the existing Florida Inventory of School Houses (FISH) data to the standards set forth in the State Requirements for Educational Facilities (SREF) and aligning the district-wide school capacities with the DOE's COFTE projections only and does not take into consideration growth through School Concurrency. The age of the facilities are also considered in devising the recommendations for projects that may need to be considered in the future.

There are no recommendations for new schools during the survey period as DOE projects that the growth of COFTE, excluding School Concurrency, can be accommodated in existing facilities. The recommendations focus on site improvement, remodeling, and renovations.

The supporting documentation is available in the Construction Services Department for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval of Educational Plant Survey for 2022, no financial impact.

Financial Impact
There is no financial impact. The survey permits the District to spend certain capital funds on facility improvements outlined in the supporting documentation.

Title
Approval of the Appointments, Change of Assignments, Promotions, Reappointments, Reassignments, Resignations, Retirements, Suspensions, Terminations, and Transfers

Executive Summary
The personnel listed under change of assignments, promotions, reappointments, reassignments, resignations, retirements, suspensions, terminations, and transfers have been recommended by their principal or immediate supervisor to the Superintendent of Schools.

The personnel recommended for appointment for the 2021-2022 and 2022-2023 school years have been interviewed by members of the administrative staff and have applications with favorable references on file in the Human Resources Department.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Equitable Recruitment & Retention | Goal 1
Recruit the most qualified, diverse and motivated staff.

Equitable Recruitment & Retention | Goal 2
Improve teacher and other employee retention rates.

Recommendation
The Superintendent recommends the approval of the appointments, change of assignments, promotions, reappointments, reassignments, resignations, retirements, suspensions, terminations, and transfers.

Financial Impact
There is no financial impact.

AGENDA ITEM NO. 8.20

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of the Report of Teachers Out-of-Field Content, Reading, ESOL (English for Speakers of Other Languages), and/or Long-Term Substitutes

Executive Summary
The Out-of-Field Plan for Manatee County Schools provides that teachers are notified of their out-of-field status at the point that the current certification that they hold does not meet the required certification for the subject(s) they are teaching. State School Board Rule 6A-1.0503 provides that any out-of-field teacher must be appointed by the School Board as being out-of-field after verification that an appropriately certified teacher is not available. The attached list of teachers was appointed by the School Board as out-of-field. These teachers have the option of passing the subject area exam or completing a minimum of six semester hours annually toward certification until such time that they can pass the test if applicable.

The META (Multicultural and Educational Training Advocacy) Consent Decree requires that all teachers of ELLs (English Language Learners) receive training in ESOL (English for Speakers of Other Languages) strategies. The number of required training hours ranges from 18 to 300 hours and is categorized by the subject in which the teacher gives instruction. Categories are I, II, III, and IV. The timeline for completing training hours is also driven by the category. Specifics are given to each teacher at the time of hire or when there is a change of assignment. Category I Teachers who are not ESOL Certified or Endorsed must be reported to the Board as out-of-field. The attached list contains the names of those teachers that are required to be reported to the Board.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Equitable Recruitment & Retention | Goal 1
Recruit the most qualified, diverse and motivated staff.

Equitable Recruitment & Retention | Goal 2
Improve teacher and other employee retention rates.

Recommendation
The Superintendent recommends approval of the report of Teachers Out-of-Field Content, Reading, ESOL (English for Speakers of Other Languages), and/or Long-Term Substitutes.

Financial Impact
There is no financial impact.

AGENDA ITEM NO. 8.22

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase Off Duty Officer Services for the 2022-2023 School Year, Continued Procurement of Commodity, Estimated in the Amount of $150,000.00

Executive Summary
The Manatee County Sheriff's Office (SDMC No. 23-0046-BS), City of Bradenton (SDMC No. 23-0047-BS), and City of Palmetto (SDMC No. 23-0048-BS) will provide off duty officers for special duty services for the 2022-2023 school year. These special duty services include traffic control, athletic/special events, and additional school security throughout the school year.

Approval of this agenda item does not indicate immediate or complete expenditure of funds. Funds will only be expended as budget(s) allow. Expenditures for the new contract period are expected to be in line with the current year's spend. The requested contract(s) are for the period of July 1, 2022 through June 30, 2023.

Historical expenditures are as follows:
- 2019-2020 school year: $126,760.83
- 2020-2021 school year: $109,708.25
- YTD 2021-2022 school year: $126,732.50

Florida Statutes Section 1010.04(4) states, “Alternative procedures for purchasing - The State Board of Education may, by regulation, provide for alternative procedures for bidding or purchasing in cases in which the character of the item requested renders competitive bidding impractical.”

This item aligns with the District’s Strategic Plan Goal(s) which state(s):

Safety | Goal 1
Increase the number of best practices, resources and evidence-based approaches in the areas of school climate and safety across all district campuses and buildings.

Safety | Goal 2
Increase the capabilities of all district schools to appropriately prevent and intervene with unsafe and disruptive student behaviors, while reducing the number of instructional days lost to Out of School Suspensions.

Security | Goal 1
Strengthen and secure school and district facilities.

Security | Goal 2
Promote and maintain school-wide safety and minimize the effects of emergencies and other dangerous situations through emergency preparedness on how to prevent, prepare, respond and recover in the face of emergencies and disasters.

Recommendation
The Superintendent recommends approval to purchase off duty officer services for the 2022-2023 school year, continued procurement of commodity, estimated in the amount of $150,000.00.

Financial Impact

The funding source for this expenditure is Safe Schools Categorical, internal account, and department funds and is included in the proposed budget for 2022-2023.

MANATEE COUNTY SHERIFF'S OFFICE
OFF-DUTY EMPLOYMENT UNIT CONTRACT
MANATEE COUNTY SCHOOL DISTRICT

This contract made and entered into this 14th day of June, 2022 by and between:

Business/Individual Information
(EMPLOYER)

Name: School District of Manatee County

Street:215 Manatee Avenue West E-Mail:teitelbaumm@manateeschools.net

Suite #:_____ City: Bradenton State: FL Zip:34205

Primary Contact: Mitchell Teitelbaum Title: General Counsel

Work #: (941) 708-8770 x2261 FAX: (941) 708-8653 Cell: (941) 705-9186

Secondary Contact: _____ Title: _____

Work #: (_____)_____ FAX:(_____)_____ Cell:(____)_____

herein sometimes referred to as "EMPLOYER", and the Manatee County Sheriff's Office, whose mailing address is 600 301 Blvd W, Suite 202, Bradenton, FL 34205 hereinafter sometimes referred to as "MCSO".

Employers of off-duty deputies shall be responsible for payment for services rendered.

1. The rate for employing a deputy in a law-enforcement related off-duty assignment is $40.00 per hour to the deputy.

2. Payments shall be made payable to the Manatee County Sheriff's Office.

3. Deputies shall receive a minimum fee of three (3) hours pay for any work detail of less than three (3) hours duration.

4. There is a required twenty-four hour notification of cancellation. If the EMPLOYER requests the detail to be cancelled within that 24-hour limit, the EMPLOYER is responsible for paying the three (3) hour minimum for each deputy affected.

5. Based on the type of event, MCSO has established minimum staffing requirements and the EMPLOYER agrees to abide by those minimums if the number of requested deputies differs.

6. MCSO reserves the right to mandate more staffing than requested or require the hiring of a supervisor based on an individualized assessment of the event (by MCSO Command Staff) in order to more effectively provide for deputy and patron safety.

DocuSign Envelope ID: 5B8AF51B-A320-479D-B4EF-A0DF95B18519

7. The type, frequency, and duration of any patrol and/or enforcement activities conducted by MCSO shall be mutually determined by MCSO and EMPLOYER and may be adjusted or revised as agreed upon by the parties. Any patrol and/or enforcement activities will be performed at the direction and discretion of MCSO Supervisors and/or Patrol District Commanders with consideration given to MCSO resources that are available.

8. Employed deputies will enforce all laws in accordance with Florida State Statutes and applicable Manatee County Sheriff's Office general orders and procedures governing such enforcement activities. Decisions regarding the issuance of Uniform Traffic Citations or Notices to Appear and/or effectuating physical arrests will be made at the discretion of employed deputies.

9. MCSO will invoice the School Board for all services rendered by off-duty deputies, and provide sufficient detail for a proper pre-audit and post-audit. At a minimum, all invoicing shall include the following details: invoice date, invoice number, name of deputy, hours (including documentation as to the start-time and duration of services rendered at the off-duty employment location), rate and school site. See Appendix "A" attached hereto and incorporated herein.

10. Scope of Services, may include the following: provide security, manage traffic and crowd control.

TERM: This contract shall be effective July 1, 2022 and terminate June 30, 2023 unless terminated in writing by MCSO or EMPLOYER. Both MCSO and EMPLOYER shall have the right to terminate the contract in writing at any time.

EMPLOYER acknowledges that, pursuant to Florida Statutes s. 30.2905, EMPLOYER is responsible for acts or omissions of employed off-duty deputy sheriff(s) while performing services for EMPLOYER. EMPLOYER agrees to indemnify MCSO against all claims, liabilities, loss, injury, death or damage whatsoever, including but not limited to attorney fees, on account or arising from any acts or omissions by off-duty deputy sheriff(s) employed under this agreement.

This agreement shall be binding on and inure the benefit of the heirs, personal representatives, successors, assigns, and insurers of the respective parties hereto. By signing below the signatory indicates that s/he has the requisite authority to bind EMPLOYER.

(Date)

I, Cynthia Saunders, Superintendent; Rev. James Golden, Chairman, as authorized representative of the aforementioned hiring entity/employer, hereby acknowledge that I have read and understand the "Conditions of Permit," which I have signed and dated. I further agree to abide by, and be subject to these conditions in all respects, if a permit is issued as a result of this application. In addition, (hiring entity/employer) School District of Manatee County, through its authorized representative, hereby agrees to hold harmless and indemnify the City of Bradenton, the Bradenton Police Department, and their respective representatives and employees from any and all claims or liability which arise, or might arise, from the participation of the Bradenton Police Department or its employees in services rendered pursuant to any permit issued as a result of this application, including claims caused or suffered by third parties. I further agree that, as the employer of an officer for security services, (hiring entity/employer) School District of Manatee County, shall be responsible for the acts or omissions of the police officer while they are performing services for that employer while off duty from the Bradenton Police Department. If permittee is a Florida government agency or unit thereof, in no case shall this clause expand the limitations of those set forth in s.768.28, Florida Statutes.

_____ _____

Hiring Entity/Employer Authorized Signature Date

By signing below, the above application for permit is hereby granted and the above application together with the attached "Conditions of Contract" are hereby adopted, by reference, and are made a part ofand constitute the terms of the permit.

_____ _____

Bradenton Police Department Authorized Signature Date

Special Detail Conditions of Contract

Types of Contract

Annual Permit is issued when services of officers in an extra-duty detail capacity will be needed for more than 30 days or on a recurring basis.

Temporary Permit is issued when services of officers in an extra-duty detail capacity will be needed during a period of less than 30 days.

Payment Schedule

Annual Permit: The hiring entity/employer will be billed weekly or bi-weekly (varies by vendor payroll processing) and must make payment upon receipt of billing in form of a check or money order. Payment must be received within 15 days of invoice date.

Temporary Permit: The hiring entity/employer will be billed the Monday following the date of the special detail and must make payment upon receipt of billing in form of a check or money order. Payment must be received within 7 days of invoice date. Officers can work additional hours if requested by an authorized agent listed on the permit. The hiring entity/employer must then pay the additional cost which will be billed on the invoice. No officer is allowed to accept any monies directly from a hiring entity/employer.

Note: A billing will be declared delinquent when payment in full has not been received by the Bradenton Police Department by the last calendar day of the month in which the bill is dated, or thirty calendar days after the initial billing date, whichever is greater. At this time, extra-duty detail services will be terminated, and the permit will become void.

Rates Per Hour

The charges for special detail services shall be in accordance with the following fee requiring a minimum of three hours each: *Check or money orders ONLY – one made payable to the individual officer for hours worked, and one to the City of Bradenton for administrative fees (see below).*

Officer	$40.00
Supervisor (when required for staffing)	$44.00
Marine Unit (Boat)*	$26.75
City of Bradenton**	$5.00
City Holiday***	$50.00

Larger events requiring a Supervisor have an increase for their rate of pay when required.

Note: *When utilizing the Police Department Marine Unit, an additional charge of a $45 fee will be charged for cleaning/maintenance per event.

**A fee of $5.00 per hour will be charged to recover for equipment, vehicle(s), and administrative costs.

<u>The total hourly rate for an off-duty officer is $45.00 except on City recognized holidays when the rate is $55.00.</u>

***The below listed holidays may not be on the actual day of the holiday if the holiday itself is on a Saturday or Sunday. The holiday pay will only be required on the date that the City of Bradenton OBSERVES the holiday (i.e.: If Veteran's Day is on a Saturday, then the City of Bradenton would observe the holiday on the Friday preceding the actual holiday or if the Veteran's Day is on a Sunday, then the City of Bradenton would observe the holiday on the Monday following the actual holiday, which will be when the holiday fee would be required.)

City Holidays Included for Holiday Fee

New Year's Day
Martin Luther King Day
President's Day
Memorial Day
Independence Day
Labor Day
Veteran's Day
Thanksgiving Day
Thanksgiving Friday
Christmas Eve
Christmas Day

The above fee schedule is subject to change. Following such change, the Police Department shall give notice to the hiring entity/employer within 14 days.

Mail Payment to:
Bradenton Police Department
Attn: Extra-Duty Security Coordinator
100 10th Street West
Bradenton, FL 34205-8634

Staffing of Special Detail

The Bradenton Police Department extra-duty security coordinator or designee shall review all contract assignment applications prior to approval. In review, staffing needs will be evaluated and, if deficient, the supervisor in charge shall use discretionary judgment to determine minimum staffing requirements of the hiring entity/employer to ensure proper security and safety of employees and the community.

It is the responsibility of the hiring entity/employer to notify the extra-duty detail coordinator if the hiring entity/employer will be closed for a holiday or any other purpose when officers are normally scheduled. If the hiring entity/employer fails to notify this office, the normal minimum charges for the assignment will apply.

If a hiring entity/employer requests a schedule change, the extra-duty coordinator or designee will try to accommodate these changes if made at least 24 hours prior to the event.

In the event that an officer scheduled is unable to fulfill their assignment, the extra-duty detail security coordinator will make all reasonable attempts to find a replacement officer to cover the requested times.

If an officer fails to show up for a scheduled detail, the hiring entity/employer may contact the extra-duty detail coordinator during business hours at (941) 932-9317 or after hours at (941) 932-9377. It is the hiring entity/employer's responsibility to notify the extra-duty security detail coordinator of any time the officer was not present to prevent being invoiced for that time.

Staffing Requirements

Two (2) officers minimum per every 500 people when alcohol is sold. Three (3) officers minimum per every beer tent. If the extra-duty security coordinator determines that the size of the event warrants less or more officers, the hiring entity/employer will work with the extra-duty security coordinator to determine the appropriate number of officers needed for the job on a case by case basis. In cases where the hiring entity/employer underestimates the attendance, the on-site supervisor or on-duty watch commander may, at their discretion, notify the hiring entity/employer that additional officers are needed. Whether or not the hiring entity/employer was able to be notified, the additional officers may be called in, and the hiring entity/employer will be billed accordingly.

One sergeant is required when at least five officers (5), but less than nine officers (9) are hired. Additional sergeants are needed for every squad of five (5) thereafter.

Example: 1 – 4 officers = 0 Sergeants; 5 – 9 officers = 1 Sergeant; 10 – 14 officers = 2 Sergeants; one Lieutenant is required when two or more sergeants are required.

Supervisors hourly rate is $44.00/hour when required for staffing as listed above.

Officer Safety

Normally, a minimum of two (2) officers will be scheduled to work at an alcohol establishment for officer safety reasons. However, the Bradenton Police Department extra-duty security coordinator or designee may waive this requirement if conditions warrant only one officer.

Officers are prohibited from working assignments within the confines of the alcohol establishment. Officers shall remain on the outside of the building, patrolling the exterior areas of the business and parking lots.

Officer Duties

Officers shall enter the alcohol establishment only in response to an incident requiring official police action. Once concluded, they will return outside.

Under no circumstances will officers assume a role, or participate with business representatives, in any activity that is engaged in determining the age of patrons desiring entry into the alcohol establishment. Officers shall not "card" (check identification cards or driver's licenses) any customers/patrons of any business. Officers do have the responsibility to investigate situations identified by the hiring entity/employer wherein individuals proffer counterfeit or false identification.

Officers shall not work as a "bouncer" and are prohibited from collecting or handling money for the hiring entity.

Notice to Hiring Entity/Employer

The officers are at all times subject to the policies of the Bradenton Police Department (BPD) and the rules and regulations governing employees of the BPD. A hiring entity/employer has no authority over BPD personnel and is restricted to providing only a general assignment of duties to be performed by the officer. Those rules never supersede BPD policy or procedures and the hiring entities of the extra-duty detail officers are hereby so advised. Extra-duty officers remain under the exclusive control of the Bradenton Police Department and accountable for strict adherence to BPD rules and regulations. Any conflicting rules of hiring entities/employers of special extra-duty detail officers will be disregarded. The officer shall refuse to perform any duties deemed to be in conflict with the guidelines established by the BPD. As determined by the Chief, officers may be recalled from special extra-duty to on-duty status.

This permit is for security and/or traffic assistance only and does not exempt the hiring entity/employer from obtaining other necessary permits for this event.

The Bradenton Police Department is not obligated to provide extra-duty services. A permit will not be issued to any person, firm, or organization whose offices, members, business, or operations are in any way questionable or for any event of a potentially compromising nature or which appears to the Chief to be inconsistent with the mission and/or values of the Office of the Chief of Police.

The undersigned hiring entity/employer agrees, individually and on behalf of the named applicant, to promptly pay for extra-duty detail services rendered. Furthermore, the undersigned hiring entity/employer agrees, individually and on behalf of the named applicant to pay all costs, expenses and attorney's fees incurred in the collection of any sums due hereunder.

Contract Cancellation

The Bradenton Police Department reserves the right to deny or cancel a permit at any time with or without cause. The hiring entity/employer may cancel or postpone an assignment by contacting the Bradenton Police Department at least 12 hours in advance. If the venue of an event is outdoors, the hiring entity/employer may cancel or postpone an assignment by contacting the Bradenton Police Department at least 4 hours in advance if the event is cancelled due to unforeseen inclement weather only. If the hiring entity/employer fails to make proper and timely notice, the hiring entity/employer shall compensate the assigned officer and Bradenton Police Department at a rate of three hours pay for each scheduled individual.

Call (941) 932-9317 for cancellations during business hours Monday-Friday, 8:00 AM to 4:00 PM; call (941) 932-9377 for unforeseen problems after business hours.

I have read and understand the "Special Detail Conditions of Contract."

AGENDA ITEM NO. 8.23

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase School Resource Officer (SRO) Services through The Manatee County Sheriff's Office for the 2022-2023 School Year, SDMC No. 23-0049-BS, Continued Procurement for Services, Estimated in the Amount of $1,280,417.84

Executive Summary
The Manatee County Sheriff's Office will provide deputy sheriffs to the School Resource Officer (SRO) program. The total of sixteen (16) deputies will be available for schools within Manatee County's jurisdiction, to include seven (7) for high schools and nine (9) for middle schools. This also includes three (3) SRO supervisors.

The School Board of Manatee County shall be responsible for 50% of the annual cost of the SRO program in the amount of $1,280,417.84 to be paid in quarterly installments. The District will also reimburse the Manatee County Sheriff's Officer for overtime duty and officer training as permissible per the contract.

Approval of this agenda item does not indicate immediate or complete expenditure of funds. Funds will only be expended as budget(s) allow. Expenditures for the new contract period are expected to be in line with the current year's spend. The requested contract is for the period of July 1, 2022 through June 30, 2023.

Historical expenditures are as follows:
- 2019-2020 school year: $1,339,096.70
- 2020-2021 school year: $1,275,115.20
- YTD 2021-2022 school year: $1,433,750.94

Florida Statutes Section 1010.04(4) states, “Alternative procedures for purchasing - The State Board of Education may, by regulation, provide for alternative procedures for bidding or purchasing in cases in which the character of the item requested renders competitive bidding impractical.”

This item aligns with the District’s Strategic Plan Goal(s) which state(s):

Safety | Goal 1
Increase the number of best practices, resources and evidence-based approaches in the areas of school climate and safety across all district campuses and buildings.

Safety | Goal 2
Increase the capabilities of all district schools to appropriately prevent and intervene with unsafe and disruptive student behaviors, while reducing the number of instructional days lost to Out of School Suspensions.

Security | Goal 1
Strengthen and secure school and district facilities.

Security | Goal 2
Promote and maintain school-wide safety and minimize the effects of emergencies and other dangerous situations through emergency preparedness on how to prevent, prepare, respond and recover in the face of emergencies and disasters.

Recommendation

The Superintendent recommends approval to purchase school resource officer (SRO) services through the Manatee County Sheriff's Office for the 2022-2023 school year, SDMC No. 23-0049-BS, continued procurement for services, estimated in the amount of $1,280,417.84.

Financial Impact

The funding source for this expenditure is Safe Schools Categorical, internal account, and department funds and is included in the proposed budget for 2022-2023.

Attachment C MCSO SRO Budget 2022-2023

2022-2023 School Resource Officer Program Agreement

This AGREEMENT entered into for the 2022-2023 school year (July 1, 2022 through June 30, 2023 by and between THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA, body corporate, whose mailing address is 215 Manatee Avenue West, Bradenton, Florida 34205, hereinafter referred to as "**School Board**" and THE SHERIFF OF MANATEE COUNTY, FLORIDA, whose mailing address is 600 US Highway 301 Boulevard West, Suite 202, Bradenton, Florida 34205, hereinafter referred to as the "**Sheriff**," for the purposes of establishing a School Resource Officer Program, staffed by school resource officer, hereinafter referred to as "**SRO**," within the certain public schools of **Manatee County**, Florida.

WHEREAS, pursuant to Section 1006.12, Florida Statutes, the **School Board** has the responsibility to develop and implement programs for security purposes to be in effect during the school operating hours; and

WHEREAS, the **School Board** has the additional responsibility to provide educational services to the students; and

WHEREAS, the **Sheriff** has the responsibility for law enforcement, including the provision of security services and programs for the prevention of crime; and

WHEREAS, the **School Board** and the **Sheriff** are mutually responsible for providing a safe environment within which students may receive appropriate instructional and educational services which can be delivered more efficiently through the cooperative efforts of said parties to the benefits of public health, safety, and welfare.

NOW, THEREFORE, the **School Board** and the **Sheriff** mutually agree as follows:

ARTICLE 1. SHERIFF RESPONSIBILITIES

A. Providing School Resource Officers:

1. The **Sheriff** shall commit employed Deputy Sheriffs to the School Resource Officer (**SRO**) program and will be available for schools within the Manatee County jurisdiction as set forth in **Attachment "A".**

2. Two sergeants and one lieutenant will be assigned by the **Sheriff** to oversee and supervise the **SRO** program. Each of the above will also be required to sign in and complete the sign in and sign out sheets as set forth in **Attachment "B".**

B. Responsibilities:

1. The **Sheriff** shall be responsible for employing, training, disciplining, assigning, and dismissing of all **SRO's**.

2. The **Sheriff** shall be responsible for fully equipping the **SRO** with the necessary and required law enforcement equipment and apparel needed to perform the **SRO** functions within the school environment.

3. The **Sheriff** shall maintain all personnel records and other records related to law enforcement services delivered by the **SRO** as may be required or allowed by law including, but not limited to, individual **SRO** personnel records and files, incident reports, criminal investigative reports, citations, and other such documentations.

4. The **Sheriff** shall maintain control and responsibility over the **SRO** as well as their equipment and activities.

C. **SRO** Duty Hours:

1. For the Term of Agreement, each **SRO** shall work a forty-three hour week consisting of 8.6-hour days, corresponding to the school calendar regular session, based upon the SRO's assigned work detail.

2. The **SRO** workday shall correspond with the teacher's regular workday in the respective schools. Whenever needed, **SRO** may be temporarily reassigned by the **Sheriff** for accrued leave or during other periods of law enforcement purposes, another SRO will be assigned. With approval of the **Sheriff** and after consultation with the School Administrator, **SRO** will be allowed to request and utilize their annual leave throughout the year.

3. The schools may request the use of the **SRO** for overtime within each two-week period. Overtime will be paid directly to the **SRO** by the **Sheriff** and reimbursed to the **Sheriff** from the school's internal accounts within 30 days of receipt of invoice.

D. Duties of the **SRO:**

1. The **SRO** shall act as an instructor for specialized, short-term programs at their respective schools when requested to do so by the principal or member of the faculty and approved by the **Sheriff**. The **SRO** may teach part of these programs as a guest lecturer when so requested, however, the **SRO** shall not be responsible for teaching of the program on a full-time basis.

2. The **SRO** is approved to teach the "Character Development" program, the "Crossroads, It's Your Choice" program, the "Know the Law" program and the "D.A.R.E." program. All other programs must be approved by the principal of their respective schools and the **Sheriff**.

E. General Responsibilities of **SRO**:

1. **SRO** shall coordinate all of their activities with the principal of their respective school and shall receive approval, advice, and guidance prior to enacting any programs within said school that have not previously been established or approved under this Agreement.

2. **SRO** shall develop expertise in presenting various subjects to students which shall include a basic understanding of law, the role of law enforcement officers, and the law enforcement mission.

3. **SRO** shall encourage individual and group discussion with the students of their respective schools based upon materials presented in the classroom environment to further establish a rapport with those students.

4. The **SRO**, if requested by the principal of their respective school, shall attend parent/faculty meetings and student staffing, in order to solicit support and understanding of the **SRO** program from the faculty and parents and to promote awareness of the law enforcement function. If these meetings or staffing occur outside of the **SRO's** working hours, overtime will be paid directly to the **SRO**s by the **Sheriff** and reimbursed to the **Sheriff** from the school's internal accounts or School District of Manatee County (SDMC) department funds within 30 days of receipt of invoice.

5. If available based on the duties and responsibilities of the **SRO**, the **SRO** shall make themselves available for student, parent, and faculty member conferences in order to assist with the identification of and solving of problems of a law enforcement or crime prevention nature. Any confidential information obtained, pursuant to Chapter 39, Florida Statutes, shall not be disclosed except as provided for by law or court order.

6. **SRO** shall become familiar with all community agencies which offer assistance to youths and their families, such as mental health clinics, drug treatment centers, and Community Based Programs. **SRO** shall make referrals when appropriate.

7. The **SRO** shall assist the principal in developing plans and strategies to prevent and/or minimize dangerous situations which may result from student unrest.

8. Should it become necessary to conduct formal police interviews or investigations with students, the **SRO** shall adhere to those legal requirement policies and procedures established by the **Sheriff** and the **School Board**; provided however, that the **Sheriff** shall have the authority

to modify or suspend said policies and procedures in the interest of criminal justice and/or public safety. The **SRO** shall render assistance to other law enforcement officers in matters regarding the **SRO** school assignment.

9. The **SRO** shall not act as a school disciplinarian, school administrator, or assistant principal, but will cooperate and participate as necessary in the **School Board** expulsion hearing process, if requested by the Superintendent of Schools or legal counsel and approved by the **Sheriff**.

10. The **SRO** shall not be assigned duties regularly assigned to school staff such as lunchroom or hall monitor. If there is a problem area, the **SRO** may evaluate or assist the school staff in monitoring those areas.

11. The **SRO** shall adhere to the **Sheriff's** policies and procedures when transporting citizens.

12. The **SRO** will follow and conform to all **School Board** policies and procedures that do not conflict with the established policies and procedures of the **Sheriff**.

13. The **SRO** shall take law enforcement actions as necessary and advisable under the circumstances involved in any situation occurring at the **SRO** school and, as soon as practicable, if not prohibited by confidentiality provisions of state law, the **SRO** shall notify the principal of the school to which the **SRO** is assigned of any law enforcement activity undertaken or ongoing on the school's campus.

14. At the principal's request and subject to the availability based on the duties and responsibilities of the **SRO**, the **SRO** shall take appropriate law enforcement action against intruders, trespassers, and unwanted unauthorized individuals who may appear at school related functions. Whenever practicable, the **SRO** shall advise the principal before requesting additional law enforcement assistance on the campus.

15. If it is necessary for the **SRO** to be absent from his/her assigned school for a period of time less than a full workday, the **SRO** shall contact the **SRO** supervisor. The **SRO** supervisor will then ensure that the school has a replacement **SRO** prior to the assigned **SRO** leaving campus.

16. **SRO**s shall sign in and out at their assigned schools to document their presence at the school for purposes of the State of Florida Department of Education auditing requirements. The sign-in and sign-out form to be utilized for this purpose is attached hereto as **Attachment "B".**

17. **SRO** shall wear the official Deputy Sheriff Uniform at all times while on duty as an **SRO**; however, appropriate civilian attire may be worn on those occasions mutually agreed upon, by and between the school principal and the **Sheriff** or their appropriate designee.

ARTICLE 2. SCHOOL BOARD RESPONSIBILITIES

A. Facilities and Materials:

The **School Board** shall provide each **SRO** the following facilities and materials necessary for the performance of the **SRO** functions:

1. An air conditioned, properly lighted private office with a seven (7) digit telephone for business purposes, a secure file cabinet, desk, chair, and appropriate office supplies, access to computer or secretarial assistance, access to copying equipment, and a portable 2-way radio for communications with other school personnel.

2. Access to the **School Board**'s student information systems, to include, access to student information through Focus, as available, relating to all students enrolled at the SROs assigned school, for the purpose of minimizing juvenile delinquency and truancy and maintaining student safety. **SRO supervisors** shall have access to student information through FOCUS in the entire school district for a school related purpose. Any information obtained by the **SRO**s through such access shall be maintained confidential pursuant to the Family Educational Rights and Privacy Act and Section 1002.22, Florida Statutes (2020). The **SRO supervisor** to the extent it exists, shall have mobile access to surveillance cameras at all the schools located within Manatee County.

3. The **School Board** shall appropriate such funds as may be necessary in order to provide each **SRO** for the school year, the ability, when authorized by the respective principal, to purchase supplies and other equipment or materials that are needed in the performance of the **SRO** function including, but not limited to, cameras, and other such matter.

4. The **School Board** shall provide the **Sheriff** notice, at least two (2) years, prior to commencement of any new school construction or conversion within Manatee County.

B. Training:

The Manatee County Sheriff's Department shall advise the School Board in writing of any permanent staff changes of School Resource Officers within schools, including but not limited to leaves of absence greater than 14 days,

retirements, and reassignments. The School Board will be notified and required to consent to any staff reassignment.

The **School Board** shall upon written request reimburse the **Sheriff** its proportionate share (50%) of the reasonable costs of additional formal training expenses for **SRO** that have been requested and agreed to in advance by and between the **School Board** and the **Sheriff**, as being necessary for an assigned **SRO** to obtain certification as a School Resource Practitioner or other training necessary to fulfill the specific requirements of certification as an **SRO**. The reimbursement for agreed expenses shall include, but not be limited to, registration, tuition, lodging, and meals, all in keeping with the applicable state guidelines. If mutually agreed upon in advance by the **School Board** and the **Sheriff**, **SRO** may be reimbursed for other SRO specific training expenses. The **School Board** shall reimburse the **Sheriff** for any **SRO** training mandated by statute.

C. Section 1006.13, Florida Statutes, Policy of zero tolerance for crime and victimization compliance:

The **School Board** shall ensure that any act that poses a threat to school safety, whether committed by a student or adult, is reported to the **SRO** assigned to the involved school or an **SRO** supervisor. The **SRO** or **SRO** supervisor will be the Sheriff's designee to handle any reported act(s) that poses a threat to school safety whether committed by a student or adult.

The **School Board** personnel shall immediately consult with an **SRO** or **SRO supervisor** concerning appropriate delinquent acts and crimes.

ARTICLE 3. GENERAL TERMS AND CONDITIONS

A. Each **SRO** shall be a certified law enforcement officer, within the State of Florida, employed by and responsible to the **Sheriff** and will not, under any circumstances be an employee of the **School Board** nor shall the **School Board** be liable for their actions.

B. The **SRO** in the exercise of their duties and responsibilities will coordinate those school activities and education curriculum involved in their duties with the Superintendent of Schools and the principal of their assigned school.

C. The **SRO** supervisor shall coordinate, in keeping with the policies of the **School Board** and after request the principal of the respective school subject to availability based on the duties and responsibilities of the **SRO**, the scheduling of **SRO** at extra-curricular activities, including after-school security activities for which special arrangements shall be made for compensation. Any such extra-curricular activities requested by the **School Board**, over and above the normal

pay period, shall be in compliance with all applicable rules and regulations of the **Sheriff** and the Department of Labor under the Fair Labor Standards Act.

D. The **School Board** shall reimburse the **Sheriff** the yearly costs, expenses, entitlements and benefits resulting from the assignment of **SRO** as set forth in **ATTACHMENTS "C"** to this Agreement, attached hereto and incorporated as if fully rewritten herein. The **School Board** shall remit this total annual compensation due to the **Sheriff** in quarterly installments for full time **SRO**. Payments shall be due as per the following schedule:

November 11, 2022
February 24, 2023
May 19 2023
August 4, 2023

The **Sheriff** also shall submit quarterly invoices for any mutually approved in writing, additional fees or other compensation for services or expenses. All invoicing, at a minimum, shall include the following details: invoice date, invoice number, name of officer, hours, rate and any additional items as specified by the school or site at the time of service. Invoices will be paid on a NET 30 day basis.

E. If the **School Board** determines that it is necessary to utilize **SRO** for designated summer school programs, the **Sheriff** shall provide up to 8 **SRO**s and the **SRO** costs, expenses, entitlements and benefits shall be reimbursed to the **Sheriff** by the **School Board**. Summer school services shall be **billed upon completion of summer school**.

F. If due to an exceptional occurrence, sporting event, public meeting or other activity, it is necessary for other deputies, in addition to the assigned **SRO** to attend those activities in their official duty capacity in order to maintain peace and order, the Sheriff shall make every attempt to staff that event, meeting, or activity, with SROs which may be assigned to other schools, and who may be paid overtime. Should the Sheriff be unable to obtain a sufficient number SROs to staff the event, meeting, or activity, compensation for those additional deputies will be charged to the **School Board** in keeping with the **Sheriff**'s existing rules and policies concerning the provision of off-duty officers as further provided within any then-existing Off-Duty Employment Unit Contract between the School Board and Sheriff.

G. The **SRO** shall be entitled to those sick days accrued during the term of this Agreement, without loss of pay if the **SRO** becomes sick and is absent from duties at his/her assigned school. If the **School** Board desires and requests a substitute or replacement officer for the absent **SRO** and the absent **SRO** is utilizing accrued sick leave, then the **School Board** shall be responsible for the variance in cost for that substitute officer for the unavailable **SRO**. The **SRO** supervisor shall not be used to act as a substitute officer for an unavailable **SRO**. If the absence of the **SRO** is due to sickness/injury that is job related and

compensable through worker's compensation, the **Sheriff** shall be responsible for compensating and providing a substitute officer for the period of time that the assigned **SRO** is absent and receiving worker's compensation.

H. If the assigned **SRO** is required to work overtime (in excess of 86 hours) by the **School Board**, the **School Board** shall be responsible for compensating the **SRO** at 1.5 times the hourly rate of pay. Overtime will be paid directly to the officers by the **Sheriff** and reimbursed to the **Sheriff** from the school's internal accounts or SDMC department funds within 30 days of receipt of invoice.

I. The **Sheriff** and the **School Board** shall cooperate and act in good faith in fulfilling the terms and conditions of this Agreement. If, due to unforeseen circumstances, issues arise or questions develop regarding the implementation and interpretation of the provisions of the Agreement, both parties shall negotiate in good faith in resolving those matters in keeping with the public purpose of this Agreement in protecting the students, **School Board** staff, and the general public.

J. If it becomes necessary for an assigned **SRO** to be relieved of duty or be removed from his/her position at his/her assigned school by the **Sheriff**, the principal of the school affected, shall be contacted and briefed of the facts relating to the removal. If the removal of the **SRO** is at the request of the affected school's principal, said request shall be in writing documenting the reason for such request and forwarded through the affected **SRO**'s chain of command, with a copy forwarded to the Superintendent of Schools. An appropriate meeting of the necessary staff of the **Sheriff** and the **School Board** shall be scheduled in order to discuss and resolve the issues involved with the affected **SRO**. The **Sheriff** shall make the final determination regarding placement of **Sheriff**'s personnel.

K. Term:

The term of the Agreement shall be for the 2022-2023 school year and expire on June 30, 2023. The Agreement may be terminated by the **School Board** at any time if insufficient funding occurs as a result of the action of the State Legislature or withdrawal of funds occurs during the term of the Agreement. In either case, the **School Board** will be responsible for the financial obligations of this Agreement for the balance of the term or unless vacancies occur in order to transfer **SRO**'s into a budgeted Deputy Sheriff position. This agreement may be extended an additional thirty days upon the written consent of both parties.

L. Termination:

The Agreement may be terminated by either party upon thirty (30) day written notice where a substantial breach of the Agreement has occurred, and the breaching party has failed to cure the breach within 30 days. Upon termination,

the **School Board** shall be entitled to a prorated refund in accordance with the compensation formula for each day the **SRO** services are not provided as a result of termination. The **Sheriff** shall be entitled to compensation for all services performed up to the date of termination.

M. Indemnification:

Consistent with Section 768.28, Florida Statutes, the **School Board** and the **Sheriff** agree to defend, indemnify and hold harmless the other party, their agents, employees, officers and Board Members against any and all third-party claims, loses, damages, expenses, or liabilities, including attorney's fees, resulting from or arising out of the intentional or negligent acts or omissions of its own employees, officers or agents, whether occurring before or after the **School Board** and the **Sheriff** assumed the obligations of this Agreement. No provision of the Agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

N. Notice:

Where any notice is required under this Agreement or applicable law, such notice shall be provided by certified mail, return receipt requested, as follows:

For **Sheriff**

Rick Wells, Sheriff
Manatee County Sheriff's Office
600 301 Blvd. West, Suite 202
Bradenton, Florida 34205

For **School Board**

Cynthia Saunders, Superintendent
School District of Manatee County
215 Manatee Avenue West
Bradenton, Florida 34205

O. Entire Agreement:

This Agreement, together with the attachments set forth below represents the entire understanding of the parties and supersedes all prior agreements, whether written or oral, with respect to such subject matter. All attachments are incorporated in their entirety into and form part of the Agreement. The Agreement has the following attachments:

Attachment A – School Coverage Sheet
Attachment B – School Sign-in and Sign-out Sheet
Attachment C - School Resource Officer Budget

P. Severability:

No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any

waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver.

Q. Venue:

This Agreement shall be governed by and shall be construed in accordance with the laws of the state of Florida. Venue for any litigation hereunder shall be in Manatee County, Florida.

R. Equal Opportunity:

The **School Board** and the **Sheriff** do not discriminate on the basis of race, sex, marital status, national origin, religion, disability, or age, in the operation of the school district or in the provisions of services.

S. The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 et seq., and Section 119.01 et seq., Florida Statutes. The contracting party with the **School Board** hereby acknowledges and agrees to comply with the Florida Sunshine Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this Agreement for inspection and copying, public records requests, internal audits and for any other informational purpose.

T. Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the proposer will in no way be a cause of relief from responsibility. The proposer shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The successful proposer(s) must not be in violation of any zoning or other ordinances in the performance of this contract.

[The Remainder of This Page Is Intentionally Left Blank]

IN WITNESS WHEREOF, the parties have caused the execution of this Agreement, in duplicate, on the date last signed below.

AGENDA ITEM NO. 8.24

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Extend the Bid on Painting Services, SDMC No. 19-0061-MR, Continued Procurement for Services, Estimated in the Amount of $2,000,000.00

Executive Summary
On December 11, 2018, the Board approved the bid for painting services. This bid was subject to renewal under the same terms and conditions as the original bid at the option and agreement of all parties for two additional one year periods. At this time, the District has exercised all of the renewal options available and is requesting a six month extension of the current contract pricing. The contract has been reviewed and found to be satisfactory under the original bid terms and conditions. Copies of the bid specifications and pricing are on file in the Purchasing Department.

Approval of this agenda item does not indicate immediate or complete expenditure of funds. Funds will only be expended as budget(s) allow. Expenditures for the extension contract period are expected to be in line with current year spend. The requested contract extension is for the period of July 1, 2022 through December 31, 2022.

Historical expenditures are as follows:
- Contract Year 1: $929,044.75
- Contract Year 2: $483,875.00
- Renewal 1: $1,195,874.00
- Renewal 2 YTD: $1,383,451.00

This bid was awarded to:
- Boro Building and Property Maintenance, Sarasota, FL, Florida Document No. G21000039826
- Hampton Painting, Bradenton, FL, Florida Document No. P00000031757
- Quick Painting Group, Orlando, FL, Florida Document No. P15000054917
- Siesta Key Decor Painting and Waterproofing, Sarasota, FL Florida Document No. G03100900226
- TSI of Manatee, Palmetto, FL, Florida Document No. P09000008046

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval to extend the bid on painting services, SDMC No. 19-0061-MR, continued procurement for services, estimated in the amount of $2,000,000.00.

Financial Impact
The funding source for this estimated expenditure is County Wide (CW) Painting Funds and is included in the Maintenance and Operations and District proposed budget(s) for 2022-2023.

Extension Amendment, Painting Services, SDMC No. 19-0061-MR, Extension 1

This Amendment to **Painting Services, SDMC No. 19-0061-MR** ("Contract") is made and entered into as of the last date signed below by and between The School District of Manatee County ("District") and **Boro Building and Property Maintenance** ("Contractor"). District and Contractor are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

1. **CONTRACT EXTENSION:**
   1.1 The District hereby executes an extension for a period of six (6) months from July 1, 2022 through December 31, 2022. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District.

2. **CONFLICT OF TERMS:**
   2.1 To the extent any of the terms of this agreement conflict with the terms of the contract, the terms of this agreement shall control. All other terms of the contract remain in full force.

3. **WARRANTY OF AUTHORITY**
   3.1 Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party.

4. **PAYMENT TERMS:**
   4.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

5. **INVOICE REQUIREMENTS:**
   5.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
   The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
   The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

6. **NON-FUNDING:**
   6.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

7. **TERMINATION FOR CAUSE and CONVENIENCE:**

7.1 Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

8. **COMPLIANCE WITH THE SUNSHINE LAW:**

8.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

9. **EQUAL EMPLOYMENT OPPORTUNITY:**

9.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

10. **ANTI-DISCRIMINATION**:

10.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

11 **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

11.1 School District of Manatee County encourages the use of Minority Owned Businesses, Small Businesses, and Women Owned Businesses. Contractor agrees to ensure small businesses, minority owned businesses and women's business enterprises are used whenever possible, such as when

participation as partners, joint-venture's, prime contractor, sub-contractors, and in contracting opportunities.

12 **FORCE MAJEURE:**

12.1 The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restriction, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Forge Majeure., In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

13 **GOVERNING LAW:**

13.1 This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

14 **DAVIS-BACON ACT:**

14.1 as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "AntiKickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations.

15 **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:**

15.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the nonFederal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

16 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

16.1 If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit

organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

17 **CLEAN AIR ACT:**

17.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

18 **DEBARMENT AND SUSPENSION:**

18.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

19 **BYRD ANTI-LOBBYING AMENDMENT:**

19.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

20. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

20.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

21. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

21.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required

by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

22. **INDEMNIFICATION:**

22.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

23. **INSURANCE:**

23.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    i. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

24. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

24.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

25. **SOVEREIGN IMMUNITY:**

25.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICA BILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205
(941) 708-8770 publicrecords@manateeschools.net

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27 ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but

are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Extension Amendment, Painting Services, SDMC No. 19-0061-MR, Extension 1

This Amendment to **Painting Services, SDMC No. 19-0061-MR** ("Contract") is made and entered into as of the last date signed below by and between The School District of Manatee County ("District") and **Hampton Painting** ("Contractor"). District and Contractor are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

1. **CONTRACT EXTENSION:**
   1.1 The District hereby executes an extension for a period of six (6) months from July 1, 2022 through December 31, 2022. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District.

2. **CONFLICT OF TERMS:**
   2.1 To the extent any of the terms of this agreement conflict with the terms of the contract, the terms of this agreement shall control. All other terms of the contract remain in full force.

3. **WARRANTY OF AUTHORITY**
   3.1 Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party.

4. **PAYMENT TERMS:**
   4.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

5. **INVOICE REQUIREMENTS:**
   5.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
   The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
   The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

6. **NON-FUNDING:**
   6.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

7. **TERMINATION FOR CAUSE and CONVENIENCE:**

7.1 Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

8. **COMPLIANCE WITH THE SUNSHINE LAW:**

8.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

9. **EQUAL EMPLOYMENT OPPORTUNITY:**

9.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

10. **ANTI-DISCRIMINATION**:

10.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

11 **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

11.1 School District of Manatee County encourages the use of Minority Owned Businesses, Small Businesses, and Women Owned Businesses. Contractor agrees to ensure small businesses, minority owned businesses and women's business enterprises are used whenever possible, such as when

participation as partners, joint-venture's, prime contractor, sub-contractors, and in contracting opportunities.

12 **FORCE MAJEURE:**

12.1 The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restriction, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Forge Majeure., In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

13 **GOVERNING LAW:**

13.1 This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

14 **DAVIS-BACON ACT:**

14.1 as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "AntiKickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations.

15 **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:**

15.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the nonFederal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

16 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

16.1 If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit

organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

17 **CLEAN AIR ACT:**

17.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

18 **DEBARMENT AND SUSPENSION:**

18.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

19 **BYRD ANTI-LOBBYING AMENDMENT:**

19.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

20. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

20.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

21. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

21.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required

by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

22. **INDEMNIFICATION:**

22.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

23. **INSURANCE:**

23.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    i. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

24. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

24.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

25. **SOVEREIGN IMMUNITY:**

25.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICA BILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205
(941) 708-8770 publicrecords@manateeschools.net

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27 ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but

are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Extension Amendment, Painting Services, SDMC No. 19-0061-MR, Extension 1

This Amendment to **Painting Services, SDMC No. 19-0061-MR** ("Contract") is made and entered into as of the last date signed below by and between The School District of Manatee County ("District") and **Quick Painting Group** ("Contractor"). District and Contractor are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

1. **CONTRACT EXTENSION:**
   1.1 The District hereby executes an extension for a period of six (6) months from July 1, 2022 through December 31, 2022. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District.

2. **CONFLICT OF TERMS:**
   2.1 To the extent any of the terms of this agreement conflict with the terms of the contract, the terms of this agreement shall control. All other terms of the contract remain in full force.

3. **WARRANTY OF AUTHORITY**
   3.1 Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party.

4. **PAYMENT TERMS:**
   4.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

5. **INVOICE REQUIREMENTS:**
   5.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
   The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
   The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

6. **NON-FUNDING:**
   6.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

7. **TERMINATION FOR CAUSE and CONVENIENCE:**

7.1 Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

8. **COMPLIANCE WITH THE SUNSHINE LAW:**

8.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

9. **EQUAL EMPLOYMENT OPPORTUNITY:**

9.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

10. **ANTI-DISCRIMINATION**:

10.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

11 **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

11.1 School District of Manatee County encourages the use of Minority Owned Businesses, Small Businesses, and Women Owned Businesses. Contractor agrees to ensure small businesses, minority owned businesses and women's business enterprises are used whenever possible, such as when

participation as partners, joint-venture's, prime contractor, sub-contractors, and in contracting opportunities.

12 **FORCE MAJEURE:**

12.1 The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restriction, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Forge Majeure., In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

13 **GOVERNING LAW:**

13.1 This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

14 **DAVIS-BACON ACT:**

14.1 as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, ''Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction''). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland ''AntiKickback'' Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations.

15 **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:**

15.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the nonFederal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

16 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

16.1 If the Federal award meets the definition of ''funding agreement'' under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit

organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

17 **CLEAN AIR ACT:**

17.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

18 **DEBARMENT AND SUSPENSION:**

18.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

19 **BYRD ANTI-LOBBYING AMENDMENT:**

19.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

20. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

20.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

21. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

21.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required

by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

22. **INDEMNIFICATION:**

22.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

23. **INSURANCE:**

23.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    i. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

24. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

24.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

25. **SOVEREIGN IMMUNITY:**

25.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICA BILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205
(941) 708-8770 publicrecords@manateeschools.net

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27 ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but

are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Extension Amendment, Painting Services, SDMC No. 19-0061-MR, Extension 1

This Amendment to **Painting Services, SDMC No. 19-0061-MR** ("Contract") is made and entered into as of the last date signed below by and between The School District of Manatee County ("District") and **Siesta Key Décor Painting** ("Contractor"). District and Contractor are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

1. **CONTRACT EXTENSION:**
   1.1 The District hereby executes an extension for a period of six (6) months from July 1, 2022 through December 31, 2022. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District.

2. **CONFLICT OF TERMS:**
   2.1 To the extent any of the terms of this agreement conflict with the terms of the contract, the terms of this agreement shall control. All other terms of the contract remain in full force.

3. **WARRANTY OF AUTHORITY**
   3.1 Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party.

4. **PAYMENT TERMS:**
   4.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

5. **INVOICE REQUIREMENTS:**
   5.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
   The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
   The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

6. **NON-FUNDING:**
   6.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

7. **TERMINATION FOR CAUSE and CONVENIENCE:**

7.1 Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

8. **COMPLIANCE WITH THE SUNSHINE LAW:**

8.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

9. **EQUAL EMPLOYMENT OPPORTUNITY:**

9.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

10. **ANTI-DISCRIMINATION**:

10.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

11 **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

11.1 School District of Manatee County encourages the use of Minority Owned Businesses, Small Businesses, and Women Owned Businesses. Contractor agrees to ensure small businesses, minority owned businesses and women's business enterprises are used whenever possible, such as when

participation as partners, joint-venture's, prime contractor, sub-contractors, and in contracting opportunities.

12 **FORCE MAJEURE:**

12.1 The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restriction, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Forge Majeure., In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

13 **GOVERNING LAW:**

13.1 This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

14 **DAVIS-BACON ACT:**

14.1 as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "AntiKickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations.

15 **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:**

15.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the nonFederal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

16 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

16.1 If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit

organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

17 **CLEAN AIR ACT:**

17.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

18 **DEBARMENT AND SUSPENSION:**

18.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

19 **BYRD ANTI-LOBBYING AMENDMENT:**

19.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

20. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

20.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

21. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

21.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required

by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

22. **INDEMNIFICATION:**

22.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

23. **INSURANCE:**

23.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    i. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

24. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

24.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

25. **SOVEREIGN IMMUNITY:**

25.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICA BILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205
(941) 708-8770 publicrecords@manateeschools.net

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27 ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but

are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Extension Amendment, Painting Services, SDMC No. 19-0061-MR, Extension 1

This Amendment to **Painting Services, SDMC No. 19-0061-MR** ("Contract") is made and entered into as of the last date signed below by and between The School District of Manatee County ("District") and **TSI of Manatee** ("Contractor"). District and Contractor are collectively referred to herein as the "Parties." All capitalized terms used herein shall have the meaning assigned to them in the Contract, unless otherwise defined herein.

1. **CONTRACT EXTENSION:**
   1.1 The District hereby executes an extension for a period of six (6) months from July 1, 2022 through December 31, 2022. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District.

2. **CONFLICT OF TERMS:**
   2.1 To the extent any of the terms of this agreement conflict with the terms of the contract, the terms of this agreement shall control. All other terms of the contract remain in full force.

3. **WARRANTY OF AUTHORITY**
   3.1 Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party.

4. **PAYMENT TERMS:**
   4.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

5. **INVOICE REQUIREMENTS:**
   5.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
   The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
   The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

6. **NON-FUNDING:**
   6.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

7. **TERMINATION FOR CAUSE and CONVENIENCE:**

7.1 Termination for Cause—The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

8. **COMPLIANCE WITH THE SUNSHINE LAW:**

8.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

9. **EQUAL EMPLOYMENT OPPORTUNITY:**

9.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

10. **ANTI-DISCRIMINATION**:

10.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

11 **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

11.1 School District of Manatee County encourages the use of Minority Owned Businesses, Small Businesses, and Women Owned Businesses. Contractor agrees to ensure small businesses, minority owned businesses and women's business enterprises are used whenever possible, such as when

participation as partners, joint-venture's, prime contractor, sub-contractors, and in contracting opportunities.

12 **FORCE MAJEURE:**

12.1 The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restriction, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Forge Majeure., In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

13 **GOVERNING LAW:**

13.1 This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

14 **DAVIS-BACON ACT:**

14.1 as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "AntiKickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations.

15 **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT:**

15.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the nonFederal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

16 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

16.1 If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit

organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

17 **CLEAN AIR ACT:**

17.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

18 **DEBARMENT AND SUSPENSION:**

18.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

19 **BYRD ANTI-LOBBYING AMENDMENT:**

19.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

20. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

20.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

21. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

21.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required

by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

22. **INDEMNIFICATION:**

22.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

23. **INSURANCE:**

23.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    i. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

24. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

24.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

25. **SOVEREIGN IMMUNITY:**

25.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICA BILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205
(941) 708-8770 publicrecords@manateeschools.net

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27 ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but

are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Contractor/Vendor Disqualifiable Offenses:

- ❖ Any offense listed in s. 943.0435 (1)(a) 1., relating to the registration of an individual as a sexual offender.
- ❖ Section 393.135, relating to sexual misconduct with certain developmentally disabled clients and the reporting of such sexual misconduct.
- ❖ Section 394.4593, relating to sexual misconduct with certain mental health patients and the reporting of such sexual misconduct.
- ❖ Section 775.30, relating to terrorism.
- ❖ Section 782.04, relating to murder.
- ❖ Section 787.01, relating to kidnapping.
- ❖ Any offense under chapter 800, relating to lewdness and indecent exposure.
- ❖ Section 826.04, relating to incest.
- ❖ Section 827.03, relating to child abuse, aggravated child abuse, or neglect of a child.

AGENDA ITEM NO. 8.25

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Request to Declare Surplus and Demolish Portables 126, 161, and 287

Executive Summary
Portables 126, 161, and 287 located on the Braden River Middle School campus, 6215 River Club Blvd., Bradenton, have been deemed unsatisfactory/unsafe for use as classroom, office space or storage. The cost for the District to renovate/repair or relocate would exceed the current value and it is recommended the units be taken out of service. Portables 126, 161, and 287 will be removed from the site and demolished off District property.

The portable is listed in the property records as follows:
Port-126 Portable, Classroom 24 x 36 County
Acquired January 1, 1987
Acquisition cost $26,193.00 (Net Book Value $0)

The portable is listed in the property records as follows:
Port-161 Portable, Classroom 24 x 36 County
Acquired January 1, 1989
Acquisition cost $27,947.19 (Net Book Value $0)

The portable is listed in the property records as follows:
Port-287 Portable, Classroom 24 x 32 County
Acquired January 1, 1993
Acquisition cost $25,059.16 (Net Book Value $0)

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval of request to declare surplus and demolish portables 126,161 and 287.

Financial Impact
Portables 126, 161, and 287 are fully depreciated. The cost to remove and demolish the portables was included in the Braden River Middle School renovations and addition Phase III plans approved by the Board on February 23, 2021. There are no additional costs.

Re: Demolition of three existing portables

Reginald, per your request of 5/31/22, I inspected portables #126, #161, and #287 located at Braden River Middle School. These units are 1987, 1989 and 1993, 24' x 36' (287 is 24' x 32'), Type 5 construction, Classroom Buildings, they are currently setting idle on site. My inspection revealed the follow issues with each unit's.

Unit #126:

- Exterior siding has wood rot around the bottom four feet of the unit.
- Roof singles need replacement
- ALL fascia board needs replacement
- 85% of soffit needs replacement
- ALL windows need re-caulking and adjustments
- Exterior doors/frames, thresholds, and hardware need re-placement
- Existing A/C units need major service work
- Interior of unit smells musty and needs cleaning of carpet
- Floor sub-floor is soft needs replacement
- Ceiling tile needs replacement, curling due to moisture
- Ceiling grid showing rust area needs replacement
- Light lenses need replacement
- Light fixtures bubbles need upgrade to LED's

P.O. Box 9069
Bradenton, FL 34206-9069
215 Manatee Avenue West
Bradenton, FL 34205
941.708.8770
www.manateeschools.net

- Exit lighting needs upgrading and new Exit lights installed
- Ramp and rear landing, light fixtures need upgrading

The estimated cost to renovate this unit back to a classroom is $78,000+/-

Unit #161:

- Exterior siding has wood rot around the bottom four feet of the unit.
- Roof singles need replacement
- ALL fascia board needs replacement
- 85% of soffit needs replacement
- ALL windows need re-caulking and adjustments
- Exterior doors/frames, thresholds, and hardware need replacement
- Existing A/C units need major service work
- Interior of unit smells musty and needs cleaning of carpet
- Floor sub-floor is soft needs replacement
- Ceiling tile needs replacement, curling due to moisture
- Ceiling grid showing rust area needs replacement
- Light lenses need replacement
- Light fixtures bubbles need upgrade to LED's
- Toilet room needs upgrade to meet ADA standards
- Storage rooms need lights, ceiling upgrades
- Wash station needs sink upgrade and knee panel install
- All VCT tile needs upgrading to LVT
- Telecommunications equipment needs upgrading
- Security system needs upgrading to current district standards
- Electrical panel needs upgrade for the additional computers
- Exit lighting needs upgrading and new Exit lights installed

- Ramp and rear landing, light fixtures need upgrading

The estimated cost to renovate this unit back to a classroom is $78,000+/-

Unit #287:

- Exterior siding has wood rot around the bottom four feet of the unit.
- Wasp exterminator to remove large nest before any work on portable can begin
- Roof singles need replacement
- ALL fascia board needs replacement
- 85% of soffit needs replacement
- ALL windows need re-caulking and adjustments
- Exterior doors/frames, thresholds, and hardware need replacement
- Existing A/C units need major service work
- Interior of unit smells musty and needs cleaning of carpet
- Floor sub-floor is soft needs replacement
- Ceiling tile needs replacement, curling due to moisture
- Ceiling grid showing rust area needs replacement
- Light lenses need replacement
- Light fixtures bubbles need upgrade to LED's
- Toilet room needs upgrade to meet ADA standards
- Storage rooms need lights, ceiling upgrades
- Wash station needs sink upgrade and knee panel install
- All VCT tile needs upgrading to LVT
- Telecommunications equipment needs upgrading
- Security system needs upgrading to current district standards
- Electrical panel needs upgrade for the additional computers
- Exit lighting needs upgrading and new Exit lights installed

- Ramp and rear landing, light fixtures need upgrading

The estimated cost to renovate this unit back to a classroom is $82,000+/-

Estimated cost to renovate all three portables to SREF standards $238,000+/-

Allow Maintenance to salvage equipment items as needed:

- Exit lighting
- Exit signage
- Pull stations
- Electrical panel door face
- Security items and hardware
- Possible furniture, shelf units, desk, chairs, marker boards, tack boards etc.
- Toilets, toilet accessories
- Interior doors, frames, and hardware
- A/C units for parts

AGENDA ITEM NO. 8.26

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Purchase Safety and Security Equipment, SDMC No. 23-0051-RG, Estimated in the Amount of $250,000.00

Executive Summary
The safety and security of our students is our top priority. The District is not only focused on the prevention of a dangerous situation on campus for our students, staff and visitors but also the quick response to handle the situation should one occur.

The District is requesting approval to spend an estimated $250,000.00 to upgrade the district's safety and security equipment to continue providing students and staff with the safe and secure environment for a successful education.

Purchases for upgraded equipment will be made using State of Florida contracts. Florida Statutes, Chapter 287.042(2) and the Rules of the State Board of Education, Chapter 6A-1.012(4) (6) exempt from competitive bid requirements those purchases made, under the provision of the State of Florida Department of Management Services contracts.

Information relating to the security or fire safety systems for any property owned by or leased to the state or any of its political subdivisions, and information relating to the security or fire safety systems for any privately owned or leased property which is in the possession of any agency as defined in s. 119.011(2), including all records, information, photographs, audio and visual presentations, schematic diagrams, surveys, recommendations, or consultations or portions thereof relating directly to or revealing such systems or information is confidential and exempt from s. 119.07 (1), and any portion of a meeting relating directly to or that would reveal such systems or information is exempt from s. 286.011.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Security | Goal 1
Strengthen and secure school and district facilities.

Security | Goal 2
Promote and maintain school-wide safety and minimize the effects of emergencies and other dangerous situations through emergency preparedness on how to prevent, prepare, respond and recover in the face of emergencies and disasters.

Recommendation
The Superintendent Recommends approval to purchase safety and security equipment, SDMC No. 23-0051-RG, estimated in the amount of $250,000.00.

Financial Impact
The cost to implement this agenda item is estimated at $250,000.00. The funding source for this estimated expenditure is the Local Capital Improvement fund.

AGENDA ITEM NO. 8.27

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Renew the Professional Services Contract with Cherry Bekaert, LLP to Provide Financial Auditing Services for Fiscal Year 2021-2022, SDMC No. 20-0102-RG, Estimated in the Amount of $64,200.00

Executive Summary
On May 12, 2020, the School Board of Manatee County approved the Auditor Selection Committee recommendation to negotiate a contract with Cherry Bekaert, LLP for external auditing services. Per the RFP, the term of the agreement will provide external auditing services to the School District of Manatee County (SDMC) for a period of five (5) years and may be renewed or renegotiated for two (2) additional one year periods, beginning with an audit of District financial statements and Schools Internal Funds financial statements for the fiscal year ending June 30, 2020, and ending after the completion and submission of the audit report for the fiscal year ending June 30, 2024.

Approval of the Letter of Engagement for the audit of fiscal year 2021-2022 is requested. The scope of work includes audit of schools' internal funds and preparation of the financial statements and footnotes. The fee for the audit services will not exceed $60,200.00. The estimated fee for the preparation of the financial statements and footnotes of the District's School Internal Funds is $3,000.00 to $4,000.00, depending on hours to complete.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Recommendation
The Superintendent recommends approval to renew the professional services contract with Cherry Bekaert, LLP to provide financial auditing services for Fiscal Year 2021-2022, SDMC No. 20-0102-RG, estimated in the amount of $64,200.00.

Financial Impact
The cost to implement this agenda item will not exceed $60,400.00. The funding source for this expenditure is General Operating Funds, and is included in the District's proposed budget for 2022-2023.

June 7, 2022

The School Board of Manatee County
School District of Manatee County
215 Manatee Avenue West
Bradenton, FL 34205

Honorable Members of the School Board of Manatee County:

This engagement letter between School District of Manatee County (hereafter referred to as the "District" or "you" or "your" or "management") and Cherry Bekaert LLP (the "Firm" or "Cherry Bekaert" or "we" or "us" or "our") sets forth the nature and scope of the services we will provide, the District's required involvement and assistance in support of our services, the related fee arrangements, and other Terms and Conditions, which are attached hereto and incorporated by reference, designed to facilitate the performance of our professional services and to achieve the mutually agreed upon objectives of the District.

Summary of services

We will provide the following services to the District as of and for the year ended June 30, 2022:

Audit and attestation services

1. We will audit the basic financial statements of the District's Miscellaneous Special revenue fund (School Internal Accounts) as of and for the year ended June 30, 2022.
2. We will audit the supplemental Combining Schedule of Changes in Total Fund Balance by School. As part of our engagement, we will apply certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Nonattest accounting and other services

1. We will assist in the preparation of the financial statements and footnotes of the District's Miscellaneous Special Revenue Fund (School Internal Accounts).

Your expectations

Our services plan, which includes our audit plan, is designed to provide a foundation for an effective, efficient, and quality-focused approach to accomplish the engagement objectives and meet or exceed the District's expectations. Our service plan will be reviewed with you periodically and will serve as a benchmark against which you will be able to measure our performance. Any additional services that you may request, and that we agree to provide, will be the subject of separate written arrangements.

The District recognizes that our professional standards require that we be independent from the District in our audit of the District's financial statements and our accompanying report in order to ensure that our objectivity and professional skepticism have not been compromised. As a result, we cannot enter into a fiduciary relationship with the District and the District should not expect that we will act only with due regard to the District's interest in the performance of this audit, and the District should not impose on us special confidence that we will conduct this audit with only the District's interest in mind. Because of our obligation to be independent of the District, no fiduciary relationship will be created by this engagement or audit of the District's financial statements.

The engagement will be led by Scott Anderson, who will be responsible for assuring the overall quality, value, and timeliness of the services provided to you.

Audit and attestation services

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The objective of our audit is the expression of an opinion as to whether the District's basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the Summary of Services section when considered in relation to the basic financial statements taken as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements in conformity with the basis of accounting noted above. The objective also includes reporting on:

- Internal control over financial reporting and compliance with the provisions of applicable laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards.*

Auditor's responsibilities for the audit of the financial statements

We will conduct our audit in accordance with GAAS and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of accounting records and other procedures as deemed necessary to enable us to express such an opinion. We will also:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Obtain an understanding of the District and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion(s). The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the DistrictDistrict's ability to continue as a going concern for a reasonable period of time.

Nonattest accounting and other services

In connection with any of the audit, accounting, or other services noted below, we will provide a copy of all schedules or other support for you to maintain as part of your books and records supporting your basic financial statements. You agree to take responsibility for all documents provided by Cherry Bekaert and will retain copies based on your needs and document retention policies. By providing these documents to you, you confirm that Cherry Bekaert is not responsible for hosting your records or maintaining custody of your records or data and that Cherry Bekaert is not providing business continuity or disaster recovery services. You confirm you are responsible for maintaining internal controls over your books and records including business continuity and disaster recovery alternatives. In addition, any documents provided to Cherry Bekaert by the District in connection with these services will be considered to be copies and will not be retained by Cherry Bekaert after completion of the accounting and other services. You are expected to retain anything you upload to a Cherry Bekaert portal and are responsible for downloading and retaining anything we upload in a timely manner. Portals are only meant as a method of transferring data, are not intended for the storage of client information, and may be deleted at any time. You are expected to maintain control over your accounting systems to include the licensing of applications and the hosting of said applications and data. We do not provide electronic security or back-up services for any of your data or records. Giving us access to your accounting system does not make us hosts of information contained within.

The accounting and other services described in this section are nonaudit services, which do not constitute audit services under Government Auditing Standards, and such services will not be conducted in accordance with Government Auditing Standards. We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming District's management responsibilities.

In conjunction with providing these accounting and other services, we may use third party software or templates created by Cherry Bekaert for use on third party software. Management expressly agrees that the District has obtained no rights to use such software or templates and that Cherry Bekaert's use of the District's data in those applications is not deemed to be hosting, maintaining custody, providing business continuity, or disaster recovery services.

Accounting services

We will advise District's management about the application of appropriate accounting principles, and may propose adjusting journal entries to the District's financial statements. The District's management is responsible for reviewing the entries and understanding the nature of any proposed entries and the impact they have on the District's financial statements. If, while reviewing the journal entries, the District's management determines that a journal entry is inappropriate, it will be the District's management's responsibility to contact us to correct it.

Financial statement preparation

We will assist in the preparation of the financial statements of the District's Internal Accounts and related notes, based on information provided by the District. However, the responsibility for the District's financial statements and notes remains with the District's management. This responsibility includes establishing and maintaining adequate records and effective internal controls over financial reporting, the selection and application of accounting principles, the safeguarding of assets, and adjusting the financial statements for any material misstatements as well as reviewing and approving for publication the draft financial statements prepared with our assistance.

District's management responsibilities related to accounting and other services

For all nonattest services we perform in connection with the engagement, you are responsible for designating a competent employee to oversee the services, make any management decisions, perform any management functions related to the services, evaluate the adequacy of the services, retain relevant copies supporting your books and records, and accept overall responsibility for the results of the services.

Prior to the release of the report, the District's management will need to sign a representation letter acknowledging its responsibility for the results of these services, and acknowledging receipt of all appropriate copies.

District's management responsibilities related to the audit

The District's management is responsible for designing, implementing, and maintaining effective internal controls, including evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; and

ensuring that the District's management and financial information is reliable and properly reported. The District's management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

The District's management is responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the District from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the District involving (1) the District's management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the District received in communications from employees, former employees, grantors, regulators, or other. In addition, you are responsible for identifying and ensuring that the District complies with applicable laws, regulations contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

The District's management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. The District's management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective

actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing District's management views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all the District's management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Reporting

We will issue a written report upon completion of our audit of the District's financial statements. Our report will be addressed to the Honorable Members of the School Board of Manatee County. Circumstances may arise in which our report may differ from its expected form and content based on the result of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report on internal control and compliance, and will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of theDistrict's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the District is subject to an audit requirement that is not encompassed in the terms of the engagement, we will communicate to District's management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Indemnification for known misrepresentations

The Firm will rely on the District's management providing the above noted representations to us, both in the planning and performance of the audit, and in considering the fees that we will charge to perform the audit. Because we will be relying on Management's representations, you agree to indemnify the Firm, and its partners and employees, and hold them harmless from all claims, liabilities, losses, and costs arising in circumstances where there has been a known misrepresentation by an officer or employee of the District regardless of whether such officer or employee was acting in the District's interest, and *even if the Firm acted negligently or wrongfully in failing to uncover or detect such misrepresentation*. This indemnification will survive termination of this letter.

Timing

The work associated with this engagement will take place from late June/early July through November.

Fees

The fee contemplates only the services described in the Summary of Services section of this letter. If the District's management requests additional services not listed above, we will provide an estimate of those fees prior to commencing additional work.

The fee for the audit services described in the Summary of Services section of this letter, will not exceed $60,200. The estimated fee for the preparation of the financial statements and footnotes of the District's School Internal Funds is $3,000 to $4,000, depending on hours to complete.

If the foregoing is in accordance with your understanding, please sign a copy of this letter in the space provided and return it to us. If you have any questions, please call Scott Anderson at 813.251.1010.

Sincerely,

CHERRY BEKAERT LLP

Cherry Bekaert LLP

ATTACHMENT – Engagement Letter Terms and Conditions

SCHOOL DISTRICT OF MANATEE COUNTY

ACCEPTED BY: _____

TITLE: _____ DATE: _____

Cherry Bekaert LLP
Engagement Letter Terms and Conditions

The following terms and conditions are an integral part of the attached engagement letter and should be read in their entirety in conjunction with your review of the letter.

Limitations of the audit report

Should the District wish to include or incorporate by reference these financial statements and our report thereon into *any* other document at some future date, we will consider granting permission to include our report into another such document at the time of the request. However, we may be required by generally accepted auditing standards ("GAAS") to perform certain procedures before we can give our permission to include our report in another document such as an annual report, private placement, regulator filing, official statement, offering of debt securities, etc. You agree that the District will not include or incorporate by reference these financial statements and our report thereon, or our report into any other document without our prior written permission. In addition, to avoid unnecessary delay or misunderstandings, it is important to provide us with timely notice of your intention to issue any such document.

Limitations of the audit process

In conducting the audit, we will perform tests of the accounting records and such other procedures as we consider necessary in the circumstances to provide a reasonable basis for our opinion on the financial statements. We also will assess the accounting principles used and significant estimates made by the District's management, as well as evaluate the overall financial statement presentation.

Our audit will include procedures designed to obtain reasonable assurance of detecting misstatements due to errors or fraud that are material to the financial statements. Absolute assurance is not attainable because of the nature of audit evidence and the characteristics of fraud. For example, audits performed in accordance with GAAS are based on the concept of selective testing of the data being examined and are, therefore, subject to the limitation that material misstatements due to errors or fraud, if they exist, may not be detected. Also, an audit is not designed to detect matters that are immaterial to the financial statements. In addition, an audit conducted in accordance with GAAS does not include procedures specifically designed to detect illegal acts having an indirect effect (e.g., violations of fraud and abuse statutes that result in fines or penalties being imposed on the District) on the financial statements.

Similarly, in performing our audit we will be aware of the possibility that illegal acts may have occurred. However, it should be recognized that our audit provides no assurance that illegal acts generally will be detected, and only reasonable assurance that illegal acts having a direct and material effect on the determination of financial statement amounts will be detected. We will inform you with respect to errors and fraud, or illegal acts that come to our attention during the course of our audit unless clearly inconsequential. In the event that we have to consult with the District's counsel or counsel of our choosing regarding any illegal acts we identify, additional fees incurred may be billed to the District. You agree that the District will cooperate fully with any procedures we deem necessary to perform with respect to these matters.

We will issue a written report upon completion of our audit of the District's financial statements. If, for any reason, we are unable to complete the audit, or are unable to form, or have not formed an opinion on the financial statements, we may decline to express an opinion or decline to issue a report as a result of the engagement. We will notify the appropriate party within your organization of our decision and discuss the reasons supporting our position.

Audit procedures – general

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve professional judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the District's management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the District or to acts by the District's management or employees acting on behalf of the District. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits, nor do they expect auditors to provide reasonable assurance of detecting waste and abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of the District's management of any material errors and fraud, or illegal acts that come to our attention during the course of our audit. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditor is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditor.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors and financial institutions. We will request written representations from the District's attorneys as part of the engagement, and they may bill the District for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit procedures – internal controls

Our audit will include obtaining an understanding of the District and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control, including cybersecurity, and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards.*

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to the District's management and those charged with governance internal control related matters that are required to be communicated under American Institute of Certified Public Accountants ("AICPA") professional standards, and *Government Auditing Standards.*

Audit procedures - compliance

As part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws and regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Nonattest services

All nonattest services to be provided in the attached engagement letter (if applicable) shall be provided pursuant to the AICPA Code of Professional Conduct. The AICPA Code of Professional Conduct requires that we establish objectives of the engagement and the services to be performed, which are described under nonattest services in the attached letter.

You agree that the District‘s designated individual will assume all the District‘s management responsibilities for the nonattest services we provide; oversee the services by designating an individual, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them. In order to ensure we provide such services in compliance with all professional standards, the designated individual is responsible for:

- Making all financial records and related information available to us.
- Ensuring that all material information is disclosed to us.
- Granting unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
- Identifying and ensuring that such nonattest complies with the laws and regulations.

The accuracy and appropriateness of such nonattest services shall be limited by the accuracy and sufficiency of the information provided by the District‘s designated individual. In the course of providing such nonattest services, we may provide professional advice and guidance based on knowledge of accounting, tax and other compliance, and of the facts and circumstances as provided by the District‘s designated individual. Such advice and guidance shall be limited as permitted under the Code of Professional Conduct.

Communications

At the conclusion of the audit engagement, we may provide the District‘s management and those charged with governance a letter stating any significant deficiencies or material weaknesses which may have been identified by us during the audit and our recommendations designed to help the District make improvements in its internal control structure and operations related to the identified matters discovered in the financial statement audit. As part of this engagement, we will ensure that certain additional matters are communicated to the appropriate members of the District. Such matters include (1) our responsibility under GAAS; (2) the initial selection of and changes in significant accounting policies and their application; (3) our independence with respect to the District; (4) the process used by District‘s management in formulating particularly sensitive accounting estimates and the basis for our conclusion regarding the reasonableness of those estimates; (5) audit adjustments, if any, that could, in our judgment, either individually or in the aggregate be significant to the financial statements or our report; (6) any disagreements with the District‘s management concerning a financial accounting, reporting or auditing matter that could be significant to the financial statements; (7) our views about matters that were the subject of the District‘s management’s consultation with other accountants about auditing and accounting matters; (8) major issues that were discussed with the District‘s management in connection with the retention of our services, including, among other matters, any discussions regarding the application of accounting principles and auditing standards; and (9) serious difficulties that we encountered in dealing with the District‘s management related to the performance of the audit.

Other matters

Access to working papers

The working papers and related documentation for the engagement are the property of the Firm and constitute confidential information. We have a responsibility to retain the documentation for a period of time to satisfy legal or regulatory requirements for records retention. It is our policy to retain all workpapers and client information for seven years from the date of issuance of the report. It is our policy to retain emails and attachments to emails for a period of 12 months, except as required by any governmental regulation. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties. Any parties seeking access to our working papers must agree to sign our standard access letter.

We may be requested to make certain documentation available to regulators, governmental agencies (e.g., SEC, PCAOB, HUD, DOL, etc.), or their representatives ("Regulators") pursuant to law or regulations. If requested, access to the documentation will be provided to the Regulators. The Regulators may intend to distribute to others, including other governmental agencies, our working papers and related documentation without our knowledge or express permission. You hereby acknowledge and authorize us to allow Regulators access to and copies of documentation as requested. In addition, our Firm, as well as all other major accounting firms, participates in a "peer review" program covering our audit and accounting practices as required by the AICPA. This program requires that once every three years we subject our quality assurance practices to an examination by another accounting firm. As part of the process, the other firm will review a sample of our work. It is possible that the work we perform for the District may be selected by the other firm for their review. If it is, they are bound by professional standards to keep all information confidential. If you object to having the work we do for you reviewed by our peer reviewer, please notify us in writing.

Electronic transmittals

During the course of our engagement, we may need to electronically transmit confidential information to each other, within the Firm, and to other entities engaged by either party. Although email is an efficient way to communicate, it is not always a secure means of communication and thus, confidentiality may be compromised. As an alternative, we recommend using our Client Portal ("Portal") to transmit documents. Portal allows the District, us, and other involved entities to upload and download documents in a secure location. You agree to the use of email, Portal, and other electronic methods to transmit and receive information, including confidential information between the Firm, the District, and other third party providers utilized by either party in connection with the engagement.

Use of third party providers

In the normal course of business, we may on occasion use the services of an independent contractor or a temporary or loaned employee, all of whom may be considered a third party service provider. On these occasions, we remain responsible for the adequate oversight of all services performed by the third-party service provider and for ensuring that all services are performed with professional competence and due professional care. We will adequately plan and supervise the services provided by the third party service provider; obtain sufficient relevant data to support the work product; and review compliance with technical standards applicable to the professional services rendered. We will enter into a contractual agreement with the third party service provider to maintain the confidentiality of information and be reasonably assured that the third party service provider has appropriate procedures in place to prevent the unauthorized release of confidential information to others.

Subpoenas

In the event we are requested or authorized by the District, or required by government regulation, subpoena, or other legal process to produce our working papers or our personnel as witnesses with respect to our engagement for the District, the District will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expense, as well as the fees and expenses of our counsel, incurred in responding to such a request at standard billing rates.

Dispute resolution procedures

If any dispute, controversy, or claim arises in connection with the performance or breach of this Agreement, either party may, on written notice to the other party, request that the matter be mediated. Such mediation would be conducted by a mediator acceptable to both parties. Both parties would exert their best efforts to discuss with each other in good faith their respective positions in an attempt to finally resolve such dispute, controversy, or claim.

Waiver of Trial by Jury

In the event the parties are unable to successfully mediate any dispute, controversy or claim, the parties agree to WAIVE TRIAL BY JURY and agree that the court will hear any matter without a jury.

Independent Contractor

Each Party is an independent contractor with respect to the other and shall not be construed as having a trustee, joint venture, agency, or fiduciary relationship.

No Third-Party Beneficiaries

The Parties do not intend to benefit any third party by entering into this Agreement, and nothing contained in this Agreement confers any right or benefit upon any person or entity who or which is not a signatory of this Agreement.

Terms and conditions supporting fees

The estimated fees set forth in the attached engagement letter are based on anticipated full cooperation from the District's personnel, timely delivery of requested audit schedules and supporting information, timely communication of all significant accounting and financial reporting matters, the assumption that unexpected circumstances will not be encountered during the audit, as well as working space and clerical assistance as mutually agreed upon and as is normal and reasonable in the circumstances. We strive to ensure that we have the right professionals scheduled on each engagement. As a result, sudden District requested scheduling changes or scheduling changes necessitated by the agreed information not being ready on the agreed-upon dates can result in expensive downtime for our professionals. Any last minute schedule changes that result in downtime for our professionals could result in additional fees. Our estimated fee does not include assistance in bookkeeping or other accounting services not previously described. If for any reason the District is unable to provide such schedules, information, and assistance, the Firm and the District will mutually revise the fee to reflect additional services, if any, required of us to achieve these objectives.

The estimated fees contemplate that the District will provide adequate documentation of its systems and controls related to significant transaction cycles and audit areas**.**

In providing our services, we will consult with the District with respect to matters of accounting, financial reporting, or other significant business issues as permitted by professional standards. Accordingly, time necessary to affect a reasonable amount of such consultation is reflected in our fee. However, should a matter require research, consultation, or audit work beyond that amount, the Firm and the District will agree to an appropriate revision in our fee.

The estimated fees are based on auditing and accounting standards effective as of the date of this engagement letter and known to apply to the District at this time, but do not include any time related to the application of new auditing or accounting standards that impact the District for the first time. If new auditing or accounting standards are issued subsequent to the date of this letter and are effective for the period under audit, we will estimate the impact of any such standard on the nature, timing, and extent of our planned audit procedures and will communicate with the District concerning the scope of the additional procedures and the estimated fees.

The District agrees to pay all costs of collection (including reasonable attorneys' fees) that the Firm may incur in connection with the collection of unpaid invoices. In the event of nonpayment of any invoice rendered by us, we retain the right to (a) suspend the performance of our services, (b) change the payment conditions under this engagement letter, or (c) terminate our services. If we elect to suspend our services, such services will not be resumed until your account is paid. If we elect to terminate our services for nonpayment, the District will be obligated to compensate us for all time expended and reimburse us for all expenses through the date of termination.

This engagement letter sets forth the entire understanding between the District and the Firm regarding the services described herein and supersedes any previous proposals, correspondence, and understandings whether written or oral. Any subsequent changes to the terms of this letter, other than additional billings, will be rendered in writing and shall be executed by both parties. Should any portion of this engagement letter be ruled invalid, it is agreed that such invalidity will not affect any of the remaining portions.

AGENDA ITEM NO. 8.28

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of the Memo of Understanding (MOU) Between Guy Harvey Ocean Foundation and the School Board of Manatee County for the Guy Harvey Academy of Arts and Science at Anna Maria Elementary

Executive Summary
The School District of Manatee County is partnering with the Guy Harvey Ocean Foundation to establish the first-ever "Guy Harvey Academy of Arts & Science" ("Guy Harvey Academy") at Anna Maria Elementary, which will utilize the Guy Harvey Ocean Foundation (GHOF) Educational Components designed for teachers, students, families and supporting program partners.

This first-ever Guy Harvey Academy shall contain marine sciences and other related content and art components, teacher trainings, including branded signage on the school structure, mutually agreeable production plans, budgets, and respective timelines for the development of the "Guy Harvey Academy"(GHA). All aspects of the new academy will be mutually pre-approved by both parties.

Anna Maria Elementary will be the first school to implement, followed by King Middle School and Manatee High School; a draft timeline is included with the MOU that includes the first three years outlined.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Inclusive Culture & Engagement | Goal 4
Enhance parent and community engagement.

Recommendation
The Superintendent recommends approval of the Memo of Understanding (MOU) between Guy Harvey Ocean Foundation and the School Board of Manatee County for the Guy Harvey Academy of Arts & Science at Anna Maria Elementary.

Financial Impact
The estimated cost to implement this agenda item for the first year will not exceed $50,000.00. The funding for the estimated expenditures is the millage fund and is included in the referendum budget for 2022-2023.

MEMORANDUM OF UNDERSTANDING BETWEEN
GUY HARVEY OCEAN FOUNDATION
and
SCHOOL BOARD OF MANATEE COUNTY

This **MEMO OF UNDERSTANDING ("MOU")** is entered into as of the 28th day of June, 2022 (the "Effective Date"), by and between the **GUY HARVEY OCEAN FOUNDATION** ("GHOF") located at 8000 N Ocean Drive, Suite #304, Davie, Florida 33004 and the **SCHOOL BOARD OF MANATEE COUNTY, FLORIDA**, collectively the "Parties". The term of this Memorandum of Understanding is Five (5) years and will expire on June 30, 2027, unless otherwise renewed or extended in writing by all parties, or otherwise terminated. This Memorandum of Understanding will become effective upon the signature of all parties.

WITNESSETH

WHERAS, the Parties wish to work together to foster and promote extensive collaboration across the public, private and philanthropic sectors to fund, support, and implement the development of a comprehensive educational offering which shall serve as a new model entitled "GUY HARVEY ACADEMY OF ARTS & SCIENCE"* ("Guy Harvey Academy") which shall utilize Guy Harvey Ocean Foundation (GHOF) Educational Components designed for teachers, students and families. These compoments shall be made available on-line and in physical locations for schools, teacher trainings, supporting program partners and their respective facilities. This Guy Harvey Academy shall contain marine sciences and other related content and art components.

The School District of Manatee will designate their Anna Maria Elementary School as the first official Manatee County Guy Harvey Academy which shall include branded signage on the school structure to be mutually pre-approved by both parties. GHOF's marketing and public relations teams will collaborarate with Anna Maria Elementary School to assist in promoting this collaboration between the parties.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements herein contained, the Parties agree as follows:

1. **Production, Budgets & Timeline**

The Parties shall work together to develop mutually agreeable production plans, budgets and respective timelines for the development of the "Guy Harvey Academy"(GHA). All supporting educational content for the "Academy" shall be mutually pre-approved and co-produced by the Parties and may include but not be limited to the following:

A. Year One (1) – Develop K-5 programs with School map standards (Including course text, standard alignment, assessments, student guides, teacher PowerPoint, offline activities, etc.)

i. An aquarium in which content will be co-developed and include an art component. Initial content will contain approximately 20 modules.
ii. The school shall be outfitted with GHOF pre-approved and designed Guy Harvey branded materials necessary to conduct the programs.
iii. 5th grade students who matriculate shall be awarded a certificate of completion in the Guy Harvey Academy 5th grade curriciulum.

B. Year two (2) – Prepare the curriculum for Title 1 Summer School Camp program; develop a 6th grade module using the aquarium and create more detailed content for K-5 curriculum including experiential outdoor exercises.
   i. Utilize content for the aquarium, including an art component
   ii. Provide each participating Title 1 School with Guy Harvey branded materials needed to conduct the program for to use at their school;
   iii. 6th grade content will contain eductional modules and will include an art component; Guy Harvey branded materials will be provided to 6th grade teachers which includes all pieces necessary to conduct the programs.
   iv. K-5 curriculum will align with school standards (Including course text, standard alignment, assessments, student guides, teacher PowerPoint, offline activities, etc.)

C. Year three (3) – Continue Title 1 summer camp programs; develop 7-8th grade modules; create detailed 6th grade content to include experiential outdoor exercises; and begin the high school program
   i. Utilize content for the aquarium, including an art component
   ii. Provide each participating Title 1 School with Guy Harvey Branded materials needed to conduct the program for to use at their school;
   iii. 7-8th grade content will contain approximately a mutually pre-approved number of modules and include an art component; Guy Harvey branded materials will be provided to 7th and 8th grade teachers including all pieces necessary to conduct the programs.
   iv. 6th grade expanded curriculum will align with school standards (Including course text, standard alignment, assessments, student guides, teacher PowerPoint, offline activities, etc.)
   v. High School Program to be co-developed with school map standards (Including course text, standard alignment, assessments, student guides, teacher PowerPoint, offline activities, etc.)

2. <u>Teacher Training & Development</u>

"Guy Harvey Academy" programs shall be included as a part of the ongoing GHOF Educator Professional Development Programs and shall be implemented that are initially intended to include:

A. School Wide Training: Train the Trainer at Anna Maria Elementary (August 2022).
B. Title One Teacher Training June 2023 and June 2024.
C. Middle School Teacher Training August 2023 and August 2024

D. High School Training August 2024
E. Invitation to co-attend and co-present at State and National educator conferences attended by Guy Harvey Ocean Foundation (i.e. National Marine Educators Association (NMEA), Florida Marine Science Educators Association (FMSEA), National Association of Biology Teachers, Florida Association of Science Teachers (FAST), Florida Association of Science Supervisors (FASS), National Science Teachers Association (NSTA), National Association of Biology Teachers (NABT).

3. Derivative Works

All newly developed content co-created for the Guy Harvey Academy at Anna Maria Elementary School shall be considered "Derivative Works" and be mutually pre-approved of by the parties. These derivative works shall be subject to the following:

A. Be co-owned by the parties.
B. Any and all pre-existing footage and/or intellectual property of any kind provided by either party that may be incorporated into the derivative works shall remain the sole property of the original party.
C. Both parties shall have the right to promote and distribute said derivative works upon pre-approval of the other party which shall not be unreasonably withheld.
D. All derivative works shall bare the respective joint copyright and respective trademarks of the Guy Harvey Ocean Foundation, the School District of Manatee County and Guy Harvey to the trademarks required.
E. Anna Maria Elementary School logo shall be featured on on a designated area of the GHOF.org site featuring educational collaborative partnerships. Additionally, the GHOF logo shall be featured on the Anna Maria Elementary School website.

4. Marketing & Promotion

The Parties shall mutually make best efforts to provide ongoing marketing and promotion for the "Guy Harvey Academy of Art & Science at Anna Maria Elementary School"* and shall include but not be limited to the following:

A. Ongoing social media posts and promotions featuring Manatee County School Board, Guy Harvey Foundation and additional Manatee County Organizations.
B. A joint press conference & media campaign in August 2022.
C. The "Guy Harvey Academy of Arts & Science at Anna Maria Elementary" may be featured in a GHOF Quarterly E-newsletter and ongoing updates may also be included as mutually pre-approved by the parties.
D. The School and School District Superintendents shall be included as a feature article in the Guy Harvey Magazine in the Fall 2022 Edition and/or the Spring 2023 Edition.

5. **Joint Fundraising**

The Parties shall work to collaboratively develop ongoing fundraising initiatives for the initial collaboration period of three years to support the development and expansion of the program. Fundraising may include large scale events to be co-produced based on budgets and logistics mutually pre-approved by the Parties. Additionally, a co-branded "Guy Harvey Treasure Chest" may additionally be provided to Manatee County schools which may include but not be limited to a wide of educational support materials and decorative Guy Harvey branded art.

6. **Termination:**

Either Party may terminate this MOU at any time and for any reason by providing a nintey (90) day written notice to the other Party and sent in accordance with the Notice provisions below. In the event one Party terminates this MOU, the Parties shall work in good faith to continue at a minimum to fulfill any remaining collaboration obligations which may remain in effect at the time of termination. In the event of termination for any reason both parties shall maintain the right to utilize any preexisting derivative works at their discretion.

7. **Limitation of Liability**

To the extent permitted by law, the Parties mutually agree that no Party shall be liable for the acts of the other Party. Each Party shall fully indemnify the others including for all legal costs, against any claim in contract, tort or criminal law made against a Party for their acts or omissions of any kind in relation to this agreement. For the avoidance of doubt, the intention is that no Party to this agreement shall in any way become liable for the actions of another Party in any suit by a third party, regardless of the merit of any such claim. Each party to maintain general liability insurance in amounts no less than $1,000,000, and $2,000,000 per occurrence.

8. **Entire Agreement**

This MOU represents the entire agreement between the Parties and supersedes all prior oral or written statements or agreements. This MOU may only be amended by written amendments duly executed by the Parties hereto.

9. **Notices**

Any notice to either party must be in writing and signed by the Party giving it, and served: 1) by hand; 2) e-mail and/or postal carrier, postage prepaid, registered or certified, return receipt requested; or 3) through expedited mail or package service, if a receipt showing the delivery has been retained, and addressed as follows:

13. **Compliance with Jessica Lunsford Act**

Vendors, individuals or entities under contract with the School Board of Manatee County who are permitted access on school grounds when students are present must comply with section 1012.465, Florida Statutes and must meet Level 2 screening requirements as described in Section 1012.32 Florida Statutes. If it is found that a person who is employed or under contract does not meet the Level 2 requirements, the person shall be immediately suspended from working in that capacity and shall remain suspended until the final resolution of any appeal. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must agree to indemnify and hold harmless the School Board for any claims made against the School Board related to the failure to comply with this requirement.

The duly authorized representatives of the parties hereby execute this AGREEMENT as of the date noted above.

AGENDA ITEM NO. 8.29

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval to Advertise a Request for Qualifications (RFQ) for Architect/Prototype and Construction Management (CM) at Risk Services for East K-8

Executive Summary
The District is requesting approval to place legal advertisements in the Bradenton Herald to run for three (3) consecutive weeks to announce the Request for Qualifications (RFQ) of Architect/Prototype and Construction Management (CM) at Risk Services for East K-8 new site.

East K-8:
Scope: New Site located at Academic Avenue east of Uihlein Rd
East K-8: 40 Acres
Estimated Total Project Budget: $61,500,000
Advertising Dates: Fall of 2022

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 1
Maximize all district resources to enhance the learning environment and ensure financial sustainability.

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval to advertise a Request for Qualifications (RFQ) for Architect/Prototype and Construction Management (CM) at Risk Services for East K-8.

Financial Impact
The cost of the advertisement is included in the project budget and it is estimated at $400.00.

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Palmetto High School - Partial Replacement Project - Agreement Between Owner and Gilbane Building Company - Amendment 2, in the Amount of $274,502.00

Executive Summary
The purpose of the requested action is to approve Amendment 2 to the Agreement between Owner and Gilbane Building Company which authorizes additional pre-construction services necessary to provide construction management at risk services for the partial replacement of Palmetto High School. The scope of work includes installation of security fencing around the football field and campus perimeter.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval of Palmetto High School - Partial Replacement Project - Agreement between Owner and Gilbane Building Company - Amendment 2, in the amount of $274,502.00.

Financial Impact
The amount of Amendment 2 is $274,502.00. The Pre-construction Services fee is $396,918.00 and is included in the total project budget requirement of $39,000,000.00. A Guaranteed Maximum Price Proposal will be completed after the construction documents are developed. **This project is funded by Capital funds**.

AGENDA ITEM NO. 8.31

School Board of Manatee County
June 28, 2022 - Regular Board Meeting
Action Item

Title
Approval of Blackburn Elementary School - Addition and Renovation - Agreement Between Owner and Wannemacher Jensen Architects, in the Amount of $100,000.00

Executive Summary
The purpose of the requested action is to enter into an Agreement between Owner and Wannemacher Jensen Architects, which will provide architectural and engineering services for an addition and campus renovation for Blackburn Elementary School. The scope of work will include but is not limited to the replacement of Building 1 and the removal of Building 6. Complete renovations of the existing campus include the replacement of roof, mechanical, and plumbing systems. Building envelope improvements including window, door, and insulation systems. Campus Safety/Security improvements including fire alarm, site improvements, and on-site traffic queuing.

Blackburn Elementary School - Addition and Renovation Summary Sheet is attached for your reference.

This project is included in the Educational Plant Survey.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Financial Transparency & Capital Planning | Goal 2
Build and maintain district facilities to provide the best quality education and services to our students, staff and community.

Recommendation
The Superintendent recommends approval of Blackburn Elementary School - Addition and Renovation - Agreement between Owner and Wannemacher Jensen Architects, in the amount of $100,000.00.

Financial Impact
The fee for architectural and engineering services is $100,000.00. This fee is included in the total project budget requirement of $24,000,000.00. **This project is funded by Capital Outlay funds.**

AGREEMENT BETWEEN OWNER AND ARCHITECT/ENGINEER

THIS AGREEMENT is made this 29th day of June in the year 2022 by and between the SCHOOL BOARD OF MANATEE COUNTY, FLORIDA ("**Owner**") and the **Wannemacher Jensen Architects, 29 West Orange Street, Tarpon, FL 34689, Federal Tax ID Number , Architect License Number AR94244,** authorized to do business in the State of Florida ("**A/E**"), for A/E to perform architectural, engineering and/or other professional services described herein for the design and construction of: **a partial building replacement and complete renovations** located at **Blackburn Elementary School** (the "**Project**"). The Owner and the A/E, for the consideration set forth herein, agree as follows:

ARTICLE 1
RELATIONSHIP OF PARTIES, EXTENT OF THE AGREEMENT AND DEFINITIONS

1.1 The Construction Team

1.1.1 The CM, the Owner and the A/E comprise the Construction Team and shall work together from the start of Project planning through Final Completion and be available thereafter to the extent additional services are required.

1.1.2 The A/E shall provide leadership to the Construction Team on all matters relating to design.

1.1.3 The CM shall provide leadership to the Construction Team on all matters relating to construction.

1.2 The A/E

1.2.1 The A/E shall provide Owner with professional architectural and other professional services described herein in all phases of the Project to which this Agreement applies. All services to be provided by A/E pursuant to this Agreement shall be in conformance with the Scope of Work described herein and within **Exhibits A – D**.

1.2.2 The A/E accepts a relationship of trust and confidence established by the Owner and this Agreement. The A/E represents to Owner that it has expertise in the type of professional services that will be required for the Project. A/E agrees to provide its services using its professional skill and judgment, to use its best efforts to complete the Project in the most expeditious and economical manner consistent with the Owner's interest, and to work with the Owner and the CM to further the interests of the Owner.

1.2.3 A/E shall be acting as an independent contractor at all times during the Project and no provision in the Agreement shall create an employment or agency relationship between the parties.

1.2.4 A/E agrees to cooperate with CM with respect to CM's delivery of services to Owner. A/E agrees to incorporate, whenever practicable and consistent with good design, and after Owner's written approval, all suggestions or recommendations timely made by CM with respect to the Project design.

1.2.5 A/E agrees to obtain and maintain throughout the period of this Agreement all such licenses as are required to do business in the State of Florida and in Manatee County, Florida, including all licenses required by the respective state boards and other governmental

agencies responsible for regulating and licensing the professional services to be provided and performed by A/E pursuant to this Agreement.

1.2.6 A/E agrees that, when the services to be provided pursuant to the Agreement relate to a professional service which, under Florida Statutes, requires a license, certificate of authorization or other form of legal entitlement to practice such services, A/E shall employ and/or retain only qualified personnel to provide such services.

1.2.7 A/E agrees that its services provided pursuant to this Agreement shall be subject to Owner's reasonable review and approval. A/E agrees to comply, at its own expense, with all federal, state and local laws, applicable statutes, ordinances, codes, administrative orders, rules, regulations including utility regulations, local and state fire marshal requirements and the Florida Building Code, as well as the requirements of any governmental agencies which regulate or have jurisdiction over the Project or the services to be provided and performed by A/E including, but not limited to, any interlocal agreements between Owner and Manatee County. In the event of any conflicts in these requirements, A/E shall promptly notify Owner of such conflict in writing and utilize its best professional judgment to resolve the conflict. Nothing in this Agreement shall be construed to eliminate A/E's responsibility for compliance of its design, its documents and its services with applicable local, state and federal statutes and regulations and applicable professional practice standards. Owner's approval of the design documents in no way relieves A/E of its obligation to deliver complete and accurate documents necessary for successful construction of the Project.

1.2.8 Any Contract Documents, as defined herein, prepared or furnished by A/E that contain errors, conflicts or omissions will be promptly corrected by A/E at no additional cost to Owner. A/E shall promptly notify Owner in writing of any discovered discrepancies, inconsistencies, or missing information necessary to provide reasonably accurate and complete documents. If CM reports to A/E any conflicts, errors or discrepancies in the Contract Documents, including during construction, A/E shall provide a written interpretation or clarification of the Contract Documents within a reasonable time period so as to not delay the Project.

1.2.9 A/E shall be responsible for obtaining and thoroughly and carefully reviewing all surveys and geological reports with respect to the Project including those reports obtained and/or provided by Owner. A/E's design documents shall be consistent and coordinated with the information set forth in all such surveys and geological reports. In the event A/E has any questions or concerns about the contents of any such surveys or reports, A/E shall notify Owner in writing within ten (10) days of A/E's receipt of any such surveys or geological reports. A/E and Owner will attempt to mutually resolve any such questions or concerns.

1.2.10 A/E agrees, for both itself and all of its Consultants, to comply with all of Owner's rules and regulations with respect to safety and security at Owner's facilities as such rules and regulations may be modified and amended by Owner from time to time.

1.2.11 Key representatives for the A/E are shown on **Exhibit A** and shall not be revised without the written approval of the Owner such approval not to be unreasonably withheld. The A/E representatives who are designated are authorized and responsible to act on behalf of A/E with respect to directing, coordinating and administering all aspects of the services to be provided and performed under this Agreement. By execution of this Agreement

acknowledges that the key representatives identified on **Exhibit A** have full authority to bind and obligate A/E on all matters arising out of or relating to this Agreement.

1.2.12 A/E Consultants

1.2.12.1 The services to be performed pursuant to this Agreement shall be performed by the A/E and A/E's consultants identified in **Exhibit A** ("**Consultants**") unless otherwise authorized in writing by Owner. The employment of, contract with, or use of the services of any other person or firm by A/E, as independent consultant or otherwise, shall be subject to the prior written approval of Owner. No provision of this Agreement shall, however, be construed as constituting an agreement between Owner and any such other person or firm. Nor shall anything contained herein be deemed to give any such party or any third party any claim or right of action against Owner beyond such as may otherwise exist without regard to this Agreement. Notwithstanding the foregoing, Owner shall enjoy the same benefits and rights as to A/E's Consultants as A/E enjoys with respect to A/E's Consultants and all of A/E's agreements with A/E's Consultants shall be in writing, signed by both parties and shall include the following provision: "Owner is intended to be an express, recognized third-party beneficiary of this Agreement."

1.2.12.2 Should Owner terminate this Agreement with A/E, Owner shall, upon Owner's request, obtain assignment of those of the Consultant's agreement(s) with a different A/E elected by Owner. Each of A/E's agreements with the Consultants shall specifically provide that Owner shall only be responsible to the Consultants for those obligations of A/E that accrue subsequent to Owner's exercise of its right to take an assignment of such agreement. Each of A/E's agreements with Consultants shall require or provide that: (a) nothing in the Contract Documents will create a contractual relationship between Owner and the Consultant unless Owner elects to accept contingent assignment of the agreement as provided herein, and (b) the Consultant shall resolve all disputes involving Owner in the same manner as provided in Article 13 below.

1.2.12.3 At Owner's request, A/E shall provide to Owner copies of all of A/E's agreements with A/E's Consultants.

1.2.12.4 A/E shall be responsible to Owner for the acts and omissions of A/E's employees and Consultants arising out of or resulting from the performance of services hereunder including those that that do not conform to the A/E's standard of care, would constitute a breach of this Agreement if the act or omission were committed by A/E, or are otherwise wrongful or unlawful.

1.3 Extent of Agreement

1.3.1 This Agreement is complementary to the drawings, specifications, conditions of the contract (General, Supplementary and other Conditions, if applicable), recordings of presentations and interviews (including the content of the audio/visual oral presentation made to the Professional Selection Committee), and, together with them, comprises the full and entire Agreement between the Owner and the A/E and supersedes all prior negotiations, representations or agreements. This Agreement shall not be superseded by any provisions or other documents for construction.

1.3.2 No modification or amendment to the Agreement shall be valid or binding upon the Owner and the A/E unless in writing and executed by the parties intending to be bound by it.

1.3.3 The headings contained within this Agreement are for the purpose of convenience only and shall not be deemed to expand, limit or change the provisions in such articles, sections, paragraphs, schedules, exhibits and/or attachments hereto.

1.3.4 The Owner and A/E acknowledge they have carefully reviewed this Agreement and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Agreement shall not be construed more strongly against any party, regardless of who is responsible for its preparation. The remedies granted to Owner in the Agreement are cumulative and not in limitation of any other rights and remedies of Owner at law or in equity.

1.3.5 This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

1.3.6 All representations and covenants of the parties shall survive the expiration of the Agreement. All of A/E's representations and indemnifications made in or required by the Agreement, as well as all continuing obligations indicated in the Agreement, will survive final payment to A/E for its services and termination or completion of the Agreement.

1.3.7 This Agreement shall not be recorded.

1.3.8 Where necessary to the context hereof, the singular shall include the plural and the plural shall include the singular and any one gender may include any other gender.

1.4 Definitions

1.4.1 "**Owner**" means The School Board of Manatee County, Florida, as represented by the Department of Construction Services and its Project Director.

1.4.2 "**Project Director**" means the person designated by the Owner's Department of Construction Services to provide direct interface with the A/E and the CM regarding Owner's interests and responsibilities. The Project Director shall have authority to transmit instructions, receive information, and interpret and define Owner's policies and decisions with respect to the Project.

1.4.3 "**Owner Construction Services Budget**" is comprised of Owner's funds that are budgeted, requested and available for the construction of the Project and is **$18,300,000.00**, including all CM fees and costs of the work as further identified below:

Construction Costs	$
General Conditions	$
Overhead and Profit	$
Pre-Construction	$ 850,000.00
Unforeseen Conditions	$
Bond	$
TOTAL	$ 850,000.00

1.4.4 "**Total Project Cost**" is comprised of the actual costs for all design services, construction services, Owner services and all fees and other costs necessary to design, develop and construct the Project and is **$24,000,000.00**.

1.4.5 "**Contract Documents**" consist of the agreement between the Owner and the CM (the "**CM Agreement**"), the exhibits described therein, and any executed and issued addenda, Change Orders, and amendments signed by Owner. The term "Contract Documents" shall also include all plans and specifications for the construction of the Project ("**Construction Documents**") prepared by the A/E including any revisions, but only after the Construction Documents have been completed by A/E and approved in writing by Owner. Upon Owner's acceptance of CM's proposal for the Guaranteed Maximum Price (the "**GMP Proposal**"), the GMP will become an Amendment to the Agreement ("**GMP Amendment**") and will become a part of the Contract Documents and shall establish the Agreement's GMP, Contract Time and liquidated damages for incorporated phases of work.

1.4.5.1 Interpretations of conflicts will be based upon the following Contract Documents, which are set forth and ranked in order of precedence:

(a) Duly executed amendments, Change Orders, Addenda and Architect Supplemental Instructions ("ASIs") with those of a later date having precedence over those of an earlier date;

(b) The CM Agreement, not including the Exhibits;

(c) Exhibits to the CM Agreement; and

(d) All other Contract Documents with those of a later date having precedence over those of an earlier date.

1.4.6 "**Substantial Completion**" means that: (1) the Project is sufficiently completed in accordance with the Contract Documents so that the Owner can occupy or utilize the work or designated portions thereof for the use for which it is intended as expressed in the Contract Documents; (2) a Certificate of Substantial Completion has been executed and issued by the A/E and CM; and (3) a Certificate of Occupancy has been issued by the permitting authority.

1.4.7 "**Final Completion**" means that all of the following events have occurred: (1) a Certificate of Substantial Completion has been executed and issued by the A/E and CM; (2) within the time provided for in the CM Agreement, the CM has completed all of the punch list items and corrected all of the deficiencies, and the closeout items enumerated within the CM Agreement have been completed; (3) a Certificate of Occupancy has been issued for the Project; and (4) the Owner has taken possession of the Project.

1.4.8 "**Contract Time**" shall be established through the GMP Amendment to the Agreement and is defined as the period of time beginning with the commencement of the construction work through the date required for Substantial Completion and Final Completion of the work.

1.4.9 "**Business Day**" shall mean all days of the week excluding Saturdays and Sundays and all legal holidays observed by Owner. For provisions within the Agreement that require a

certain action within a specified time period, the Owner and A/E may mutually agree to a different time period depending on the circumstances of the particular Project.

1.4.10 "**Total Project Budget**" means the total cost of the Project including design services, construction services, Owner services (including FF&E and Technology) and all fees and other costs necessary to design, develop and construct the Project and is **$24,000,000.00**.

ARTICLE 2
COMPENSATION

2.1 Lump Sum Architect/Engineering Fee

2.1.1 The Owner agrees to pay the A/E as compensation for its Pre-Construction Services to include the design associated with the installation of portable classrooms, modifications to Buildings 2 and 5, site security improvements and select finish upgrades throughout the campus in the amount of **$100,000.00** (the "**A/E Pre-Construction Fee**") to be paid per Article 8, which is comprised of the following:

2.1.2 The Owner agrees to pay the A/E as compensation for its services as described in Article 3 the amount of **$____TBD_____** (the "**A/E Fee**") to be paid per Article 8, which is comprised of the following:

Basic Services (includes Structural and MEP services)		**$_____**
Civil Engineering		
Civil	$_____	
Landscaping	$_____	
Permitting	$_____	
Surveys	$_____	
Total Civil Engineering Services		**$_____**
Authorized Additional Services		
CRM/SPECS	$_____	
FLEET/LCCA	$_____	
Acoustical	$_____	
Food Service	$_____	
Total Authorized Additional Services		**$_____**
Total A/E Fee		**$_____**

2.2 Other Additional Services

2.2.1 Any additional services beyond the Scope of Work as described in Article 4 and authorized by the Owner in accordance with the Agreement ("**Other Additional Services**") are to be paid as mutually agreed between the A/E and the Owner by lump sum or a multiple of payroll costs.

2.2.2 Other Additional Services defined in Article 4 that are to be paid as a multiple of actual payroll costs shall be based upon the actual cost of salary or wages paid directly to personnel engaged on the projects as set forth in **Exhibit C**. The multiple applied to actual

cost covers overhead, profit and all fringe benefits, including all applicable taxes. The multiples shall be mutually agreed between the Owner and the A/E as follows:

2.2.2.1 Architect: ____

2.2.2.2 Civil Engineer: ____

2.2.2.3 Structural Engineer: ____

2.2.2.4 Mechanical, Electrical & Plumbing Engineer: ____

2.2.2.5 Landscape Architect: ____

2.2.2.6 Other: ____

2.3 Reimbursable expenses as defined in Article 7.

ARTICLE 3
A/E SERVICES

3.1 Time

3.1.1 Services to be rendered by A/E shall be commenced subsequent to the execution of this Agreement and upon written "Notice to Proceed" from Owner for all or any designated portion of the Project and shall be performed and completed in accordance with the terms of this Agreement. Upon Owner's acceptance of the Schematic Design Documents, the Owner and A/E shall mutually agree upon a Design Schedule for the performance of A/E's services and timing of A/E's deliverables as required pursuant to the terms of this Agreement. The Design Schedule shall include allowances for periods of time required for Owner's review, for review by the CM if required, and for approval of submissions by the authorities having jurisdiction over the Project. With Owner's written approval, A/E shall adjust the Design Schedule, if necessary, as the Project proceeds until the commencement of construction. Time is of the essence with respect to the performance of this Agreement.

3.1.2 Should A/E be obstructed or delayed in the prosecution or completion of its services as a result of unforeseeable causes beyond the control of A/E, not due to its own fault or neglect, and which could not be avoided by the exercise of reasonable diligence, including: (1) acts of God or of the public enemy, (2) acts of government, (3) fires, (4) floods, (5) epidemics, (6) quarantine regulation, (7) strikes, and/or (8) lockouts, then A/E shall notify Owner in writing within seven (7) business days (unless Owner expressly agrees in writing to a longer period of time) after commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which A/E may have had to request a time extension.

3.1.3 Except as provided within Article 4 or elsewhere in the Agreement, no interruption, interference, inefficiency, suspension or delay in the commencement or progress of A/E's services from any cause whatsoever, including those for which Owner may be responsible in whole or in part, shall relieve A/E of its duty to perform or give rise to any right to damages or additional compensation from Owner. Except as provided within Article 4 or elsewhere in the Agreement, A/E expressly acknowledges and agrees that it shall receive no damages for delay. A/E's sole remedy, if any, against Owner will be the right to seek

an extension of time to perform its services; provided, however, the granting of any such time extension shall not be a condition precedent to the aforementioned "No Damage for Delay" provision.

3.1.4 A/E acknowledges that timely delivery of A/E's deliverables required under this Agreement and timely responses to questions, required revisions to Contract Documents, submittals, and requests for information ("RFIs") or clarification, is critical to the Project. A/E's actions in reviewing and responding to the items described within this Section shall be taken in accordance with the timeframes specified in this Agreement, or in the deliverable or submittal schedule approved by Owner or, in the absence of a timeframe specified in this Agreement or an approved schedule, with reasonable promptness, but in no event more than five (5) business days after A/E's receipt of the question, submittal, RFI, or request for clarification or revisions to Contract Documents.

3.2 CM at Risk Delivery Process

3.2.1 The A/E agrees to provide professional design and construction administration services while operating within a modified Construction Management at Risk delivery process for the Project as set forth within this Agreement.

3.2.2 Stage I – District Project Planning

3.2.2.1 By entering into this Agreement, the A/E agrees to the Project description, the Total Project Budget, the Substantial Completion date and the Project Schedule as set forth herein.

3.2.2.2 A/E shall review Owner's program documents, including the School District of Manatee County Planning Manual for Schools & Ancillary Spaces (the "**Planning Manual**"), Owner's design objectives and constraints including evaluation of energy efficient design alternatives, space requirements, capacity and performance requirements, any budgetary limitations not addressed with the Scope of Work, and other requirements set forth in the Contract Documents, to ascertain the requirements of the Project and shall agree that it will meet the design requirements set forth therein. The A/E agrees to assist the Owner in developing revisions to the Planning Manual, as necessary, that incorporate standard construction concepts, techniques and building materials. The A/E shall develop Educational Specifications in conjunction with the Owner.

3.2.2.3 The A/E agrees that the Project is necessary, the site is appropriate and that the Project can be designed and successfully constructed within the limits of Owner's Construction Services Budget and Owner's program constraints.

3.2.3 Stage II – Project Budget Endorsement

3.2.3.1 The first ranked A/E and CM shall:

(a) Review the Owner's Project Scope, Total Project Budget, Project Schedule and level of quality required; and,

(b) Provide a Letter of Commitment and School Board presentation publicly, if requested, endorsing the Project Scope, Total Project

Budget, Project Schedule and level of quality required as adequate and appropriate.

3.2.3.2 Monthly Reports

(a) During Stage II and until the Notice to Proceed to the CM is issued, and not later than the first of each month therein, the A/E shall submit to the Owner a complete and descriptive status report and a forecasted design and development completion schedule.

(b) The A/E shall take minutes of all meetings held with the Owner and CM during Stage II and through issuance of a Notice to Proceed to the CM and shall provide copies of the minutes to the Owner and CM within ten (10) calendar days following such meetings or prior to the next scheduled meeting.

3.2.3.3 Project Schedule

(a) The CM will prepare and submit a preliminary Project Schedule for Owner and A/E review and acceptance, which indicates all relevant activities during Stages II, III and IV of the delivery process.

(b) The Project Schedule will serve as the framework for the development of all future detailed schedules and the CM shall produce and update the Project Schedule monthly throughout the Project.

(c) The Project Schedule shall indicate proposed activities, dependencies, durations, milestone dates for receipt and approval of pertinent information, submittal of a GMP Proposal, preparation and processing of shop drawings, use of samples, and delivery of materials or equipment requiring long-lead time procurement.

(d) The Project Schedule shall also coordinate the CM services, the A/E services and the Owner responsibilities.

(e) If preliminary Project dates provided in the Project Schedule, which have been previously approved, are later found to be inaccurate, the CM will make appropriate recommendations to Owner's Project Director and the A/E.

3.2.3.4 Construction Cost Estimate

(a) The CM shall prepare, for Owner and A/E review and approval, a detailed estimate of Construction costs ("**Construction Cost Estimate**"), which shows the various elements of the Project and costs for construction of same. A/E shall work closely with CM in the CM's preparation of the Construction Cost Estimate.

(b) The CM will update and issue the Construction Cost Estimate at the completion of each Phase of Stage III Services, including the submission of the GMP Proposal, as follows:

(1) Phase I Schematic Design – with more detail with supporting data

(2) Phase II Design Development – with systems selected

(3) Phase III Construction Documents:

i. 50% Drawings – only final details missing and establishment of preliminary GMP; and

ii. 100% Drawings – issuance of final GMP Proposal

(c) The Construction Cost Estimate shall be reviewed with the Owner's Project Director and the A/E. If Construction Costs and/or any estimate exceed previously approved estimates or the Owner's Construction Services Budget, the CM shall make appropriate recommendations to the Owner and A/E for corrective action and propose value engineering and/or alternates for Owner and A/E consideration.

(d) Any recommendations and advice by the CM concerning design alternatives or value engineering, include the preparation of cost estimates and comments concerning the constructability of the design, shall be subject to approval by the Owner's Project Director and the A/E. A/E agrees to incorporate all suggestions or recommendations made by CM with respect to the Project design and approved in writing by Owner whenever practicable and consistent with good design.

3.2.4 Stage III – Project Design and Development

3.2.4.1 The Project Design and Development Phase consists of three (3) primary phases each progressively developing the Project design and Contract Documents with Owner approval.

3.2.4.2 Monthly Reports

(a) During Stage III and until the Notice to Proceed is issued to the CM, and not later than the first of each month therein, the A/E shall submit to the Owner a complete and descriptive status report and a forecasted design and development completion schedule.

(b) The A/E shall take minutes of all meetings held with the Owner and CM during Stage III and through issuance of a Notice to Proceed to the CM and shall provide copies of the minutes to the Owner and CM within ten (10) calendar days following such meetings or prior to the next scheduled meeting.

3.2.4.3 Phase I – Schematic Design

(a) Based upon the mutually agreed-upon Project program, Project Schedule and Total Project Budget by Owner and A/E, and after taking into consideration the comments and recommendations from the CM,

A/E shall prepare Schematic Design Documents from the programming phase documents, which further define Owner's program and which shall consist of plans, sections, elevations, outline specifications and any other details necessary to define the program.

(b) The A/E shall coordinate the development with the CM and Owner to meet design requirements and identify the areas within the design that offer the greatest potential for elimination of unnecessary costs.

(c) A/E shall consult with CM with respect to (i) CM's development of the Construction Cost Estimate, (ii) CM's development of an overall Project Schedule, and (iii) CM's comments and recommendations concerning the Project design. A/E shall approve or provide written comments to CM and to the Project Director within ten (10) business days of receipt of CM's comments and recommendations.

(d) The A/E shall provide and distribute copies of the Schematic Design Documents, as required by the Project Director, for review and comment.

(e) The Schematic Design Documents are subject to Owner's review and approval. A/E shall respond in writing to Owner's review comments within fourteen (14) calendar days of receipt and responses shall be forwarded directly to Owner's Project Director. A/E shall revise the Schematic Design Documents as required by Owner in order to obtain Owner's written approval and authorization to proceed to the Phase II – Design Development Phase.

(f) Owner's acceptance of the Schematic Design Documents in no way relieves A/E of its obligation to deliver complete and accurate documents necessary for successful construction of this Project.

(g) At the completion of Stage III: Phase I – Schematic Design, the A/E and CM shall:

(1) Provide a second Letter of Commitment and School Board presentation publicly, if requested, stating that the Schematic Design is in conformance with the Project Scope of Work and that the Owner's:

i. Project Schedule continues to be appropriate;

ii. Project level of quality is being achieved; and

iii. Construction Services Budget is adequate.

(2) Or, have its services terminated in accordance with Article 10. If the Agreement is terminated, Phase I documents become the property of the Owner, which may be used or changed by the Owner, solely for the purpose of completing the Project. The

A/E shall retain the right to use the Phase I documents in any manner that does not hamper completion of the Project.

3.2.4.4 Phase II – Design and Development

(a) From the approved Schematic Design Documents, the A/E shall prepare the Design Development Documents including plans, elevations, other drawings, sketches, materials research, and specifications specific to Project requirements in order to set and indicate the size and character of the total Project including materials, type of structure, and mechanical and electrical systems. The data from the Design Development Documents shall be sufficient to fix the Scope of the Project to allow the CM to provide the Project Director with a preliminary GMP for construction.

(b) The A/E shall coordinate the development with the CM and shall consult with CM regarding (i) CM's development of the Construction Cost Estimate, (ii) CM's development of an overall Project Schedule and (iii) CM's comments and recommendations concerning the Project design. A/E shall approve or provide written comments to CM and to the Project Director within ten (10) business days of receipt of CM's comments and recommendations.

(c) The A/E shall also work with Owner's Project Director and CM to meet design requirements and identify the areas within the design that offer the greatest potential for the elimination of unnecessary costs including working with CM to generate and evaluate alternative ideas in terms of feasibility to construct, time and cost.

(d) The A/E shall provide and distribute copies of Design Development Documents for review and comments as required by the Project Director including A/E's confirmation that the Project design disciplines have been coordinated within the Design Development Documents.

(e) The Design Development Documents are subject to Owner's review and approval. A/E shall respond in writing to any review comments within fourteen (14) calendar days of receipt and responses shall be forwarded directly to Owner's Project Director. A/E shall revise the Design Development Documents as required by Owner in order to obtain Owner's written approval and authorization to proceed to the Phase III – Construction Documents Phase.

(f) The CM shall provide the A/E and Owner with a preliminary GMP. The A/E shall, within seven (7) days of receipt, provide the Project Director with review and comments on the CM's preliminary GMP.

(g) At the completion of Stage III: Phase II – Design and Development, the CM shall:

(1) Provide a third Letter of Commitment and School Board presentation publicly stating that the Design Development

Documents are in conformance with the Project Scope and that the:

i. Project Schedule continues to be appropriate;

ii. Project level of quality is being achieved; and

iii. Construction Services Budget is adequate.

(2) Or, provide evidence prohibiting the commitment.

(h) The A/E shall not, unreasonably or without cause, impede the CM's ability to provide the requirements set forth herein.

(i) The CM shall start to develop subcontractor interest in the Project and shall furnish to the Owner and A/E a list of possible subcontractors and suppliers that may furnish material or equipment for each principal portion of the work. The Owner and A/E will reply in writing to the CM if there are any objections to a subcontractor or supplier.

(j) With the assistance of the A/E, the CM shall perform Advertising, Bidding and Awarding of Contracts per State Requirements for Educational Facilities (SREF), Section 4.2(2).

3.2.4.5 Phase III – Construction Documents

(a) After Owner's review and approval of the Phase II – Design Development Documents, the A/E shall prepare the Construction Documents including working drawings and specifications setting forth in detail each discipline's requirements into a cohesive whole based upon the Design Development Documents and consultations with the CM and the Owner's Project Director. The A/E shall confirm that all Project design disciplines have been properly coordinated.

(b) The Construction Documents shall conform to applicable building codes and zoning codes and accepted construction industry standards. A/E shall signify its responsibility for the Construction Documents by affixing its signature, date and seal as required by Florida Statutes. Where the Agreement provides for Owner's approval of the A/E's design recommendations and decisions, this approval does not relieve the A/E of any responsibilities.

(c) If the Project meets the definition of a threshold building, the A/E shall prepare and submit to the Owner a copy of the threshold building inspection plan, which shall provide specific inspection procedures and schedules such that the portions of the Project specified within the threshold inspection plan can be adequately inspected for compliance. The inspection plan must be submitted to the Owner with the 100% completed Construction Documents and prior to Owner's issuance of written authorization for construction to start.

(d) A/E shall prepare and provide to Owner all applications, data and documents required to obtain the approval of all authorities having jurisdiction over the Project, including any applicable storm water management districts and State and local fire marshals. This shall be accomplished at the appropriate time, but not later than the ninety percent (90%) completion point of this phase. To ensure the timely approval of all permits necessary for the construction of the Project, including all environmental permits, A/E shall furnish, on a timely basis, such plans, data and information as may be necessary to secure approval of the required permits. A/E shall, at no additional cost to Owner, make all reasonable and necessary revisions to the Construction Documents required to obtain the necessary permit approvals for construction of the Project.

(e) The A/E shall consult with CM with respect to (i) CM's development of the Construction Cost Estimate, (ii) CM's development of an overall Project Schedule and (iii) CM's comments and recommendations concerning the Project design. A/E shall approve or provide written comments to CM and to the Project Director within ten (10) business days of receipt of CM's comments and recommendations.

(f) The A/E shall evaluate all product substitution requests by the CM and render decisions in a reasonable time period.

(g) A/E shall provide the Project Director with three (3) copies of the Construction Documents, which shall be properly signed and sealed by the A/E. Copies of documents for A/E use are the responsibility of the A/E.

(h) Construction Documents prepared by the A/E are subject to Owner's review and approval. A/E shall respond in writing to Owner's review comments within fourteen (14) calendar days of receipt and responses shall be forwarded directly to Owner's Project Director. A/E shall revise the Construction Documents as required by Owner to obtain Owner's written approval of such documents.

(i) Upon approval of the Construction Documents, the A/E shall provide the Project Director with required copies of completed and approved Construction Documents and shall furnish digital copies of all drawings and Specifications to the CM.

(j) GMP Proposal

(1) When the Owner determines that the Construction Documents are 100% complete, the CM shall provide a GMP Proposal.

(2) If the Owner determines the Construction Documents are not 100% complete and a GMP is required to maintain the Project Schedule, the CM shall provide line items within the GMP Proposal for further development of drawings and specifications

by the A/E, which shall not include changes in scope, systems, materials or equipment.

(3) The CM shall meet with the Project Director and A/E to review the contents of GMP Proposal. The Owner and A/E shall identify, in writing, all discrepancies in the GMP Proposal and provide same to CM. After receiving the list of discrepancies, the CM shall make the appropriate adjustments to the GMP Proposal for submission to the Owner and the A/E.

(4) A/E shall assist the Owner in reviewing, evaluating and advising Owner regarding CM's final Project Schedule and GMP Proposal. A/E shall make a written recommendation to Owner with respect to Owner entering into an agreement with CM for the amount of the GMP Proposal.

(k) Bid Documents and Bidding

(1) The necessary bidding documents, general conditions and supplementary general conditions of the contract, Division 1 of the Specifications, proposal and contract forms are to be prepared by the CM.

(2) The CM shall provide and distribute copies of bid documents for each bid group for review and comment including non-technical documents as directed by the Project Director.

(3) A/E shall assist the Project Director in coordinating the development of each bid group with the CM and provide the Project Director with review and comments on the CM's estimate for each bid group package.

(4) The CM is responsible for administrating the competitive bidding process of each bid group and shall develop procedures that are acceptable to the Project Director and the A/E for pre-qualification of subcontractors and material suppliers, develop subcontractor interest in the Project and conduct pre-bid conferences with interested bidders to review the bid package documents and Project Schedule approved by the Construction Team.

(5) A/E shall attend the pre-bid conferences and bid openings for each bid group. A/E shall also be responsible for developing, in consultation with the Construction Team, and providing to the Project Director, any addenda to the Contract Documents that result from those conferences. The Project Director shall approve all addenda prior to distribution and copies, properly sealed, shall be submitted to the Project Director.

(6) The A/E shall assist the CM in evaluating all bids received and provide comments and recommendations to the Project Director

on each proposed authorization for work. The Project Director will determine which bids will be accepted and indicate the Project Director's acceptance by signing the bid tabulation form for each work scope.

(l) The A/E shall not impede the CM's ability to provide the requirements set forth herein.

(m) At 100% completion of Stage III: Phase III – Construction Documents, the CM shall either:

(1) Provide a detailed GMP less than or equal to the Construction Services Budget; and mobilize construction personnel and proceed with Stage IV – Project Construction; or

(2) Provide a detailed GMP greater than the Construction Services Budget after which the Owner shall grant the CM thirty (30) calendar days from 100% completion of Stage III to return with a GMP less than or equal to the Construction Services Budget.

(3) If the CM returns after thirty (30) calendar days with a GMP that exceeds the Construction Services Budget, at the recommendation of the Superintendent of the School District of Manatee County, the Owner may:

i. Modify the Construction Services Budget thereby increasing the Total Project Budget without additional cost to the Owner including for A/E Fees; or

ii. Terminate the CM Agreement allowing the next ranked construction management firm to provide a GMP within the Construction Services Budget and begin construction.

3.2.5 Stage IV – Project Construction and Warranty

3.2.5.1 The construction phase shall commence on the earlier of the following:

(a) The Owner's acceptance of the CM GMP Proposal and issuance of the Notice to Proceed to the CM, or

(b) The Owner's authorization to the CM to:

(1) Award a subcontract;

(2) Undertake the work with CM forces; or

(3) Issue a purchase order for materials or equipment required for the work.

3.2.5.2 Construction Schedule

(a) Within thirty calendar (30) days after the receipt of the Notice to Proceed to the CM, the CM shall prepare a Construction Schedule and submit the schedule to the A/E and Project Director for approval. The Construction Schedule shall graphically depict the sequence and duration of all activities required to satisfactorily finish the Project. The Construction Schedule shall represent an accurate assessment of the current status of the Project and of the work remaining to be accomplished and it shall provide a sound basis for identifying variances and problems and for making management decisions.

(b) The CM shall submit all updated and/or revised Construction Schedules to the Owner and A/E for review. If requested by Owner or A/E, CM shall furnish any information needed to justify the reasonableness of any activity duration set forth in the Construction Schedule including estimated activity manpower, anticipated quantities, and production rates.

3.2.5.3 The A/E shall provide administration for the CM Agreement as set forth below:

(a) The A/E shall be a representative of the Owner during construction and shall advise and consult with the Owner's Project Director. A/E shall keep Owner apprised of all contacts and/or communications between A/E and CM and Owner shall be copied on all correspondence between A/E and CM. All contacts and/or communications between A/E and the various trade subcontractors shall be routed through CM.

(b) The A/E shall act on behalf of the Owner only to the extent in the Contract Documents unless modified by written consent of Owner.

(c) Prior to the commencement of work, the Owner and A/E may conduct a preconstruction conference that will be attended by the CM and others, as appropriate for the particular needs of the Project. At the preconstruction conference, the attendees will discuss the Construction Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for Payment, and to establish a working understanding among the parties as to the work.

(d) During the Project, if required by Owner and depending on the particular needs of the Project. the A/E may conduct Owner / A/E meetings.

(e) CM shall conduct regular Project status meetings with the Construction Team and shall deliver copies of written meeting minutes to Owner and A/E within five (5) days of each meeting. The CM shall maintain a log of RFIs, submittals and shop drawings, potential cost items and ASIs to be reviewed by the Construction Team at each meeting and be acted upon thereafter.

(f) A/E may attend meetings between CM and its subcontractors.

(g) If requested and/or required by the needs of the Project, CM shall prepare and submit a submittal schedule to Owner and A/E for approval. The submittal schedule will be coordinated with CM's Construction Schedule. CM shall review and approve shop drawings and other submittals and implement procedures for transmittal to the A/E of such submittals for action, and closely monitor their review process.

(h) A/E shall prepare, reproduce and distribute supplemental drawings, specifications and interpretations in response to requests for clarification by CM or Owner as necessary. A/E shall provide its response to any such request to Owner and CM within ten (10) days unless otherwise agreed to between Owner and A/E.

(i) A/E will review and respond to all submittals from CM, including shop drawings, samples and product data, within a reasonable period of time so as not to delay the progress of the work, but in no event, more than ten (10) days unless otherwise agreed to between Owner and A/E. Review of CM's submittals is not conducted for the purpose of determining the accuracy and completeness of other details, such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of CM as required by the Contract Documents. A/E's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by A/E, of any construction means, methods, techniques, sequences or procedures. A/E's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

(j) A/E shall conduct construction field observation services consisting of periodic visits to the Project site as detailed within **Exhibit B** (or as frequently as necessary), to become generally familiar with the progress and quality of the work and to determine if the work is proceeding in accordance with the Construction Documents. When A/E discovers portions of the work that do not conform to the Construction Documents, A/E shall have the authority and duty to reject such work. A/E shall provide a written report of each visit, within ten (10) days from A/E's site visit, to Owner's Project Director. This field observation requirement shall also apply to Consultants of A/E at appropriate construction points.

(k) Through its on-site observations of the work in progress and field checks of materials and equipment, A/E shall endeavor to protect Owner against defects and deficiencies in the work of CM and the various trade subcontractors of CM.

(l) The A/E shall not have charge or control, nor be responsible for construction means, methods, techniques, sequences or procedures, safety precautions and programs, or for acts or omissions of the CM or subcontractors.

(m) The A/E shall have access to the work whenever it is in preparation or progress.

(n) Based on such observations at the site and on the Applications for Payment submitted by CM, A/E shall recommend the amount owing to CM and shall execute and issue the Certificates of Payment initially completed by CM for such amounts. The issuance of Certificate of Payment shall constitute a representation by A/E to Owner that: (i) the work has progressed to the point indicated; (ii) that to the best of A/E's knowledge, information and belief, the quality of the work is in accordance with the Construction Documents subject to minor deviations from the Construction Documents correctable prior to completion, and to any specific qualifications stated in the Certificate of Payment; and (iii) CM is entitled to payment in the amount certified.

(o) A/E shall review claims by CM for extra compensation and/or extensions of time, and make written recommendations to Owner within five (5) business days of receipt of such claims concerning validity, and prepare responses for Owner.

(p) A/E shall review and provide written comment upon all Change Orders requests by CM, as well as any cost estimate associated with a Change Order request, prepared by CM. Owner shall prepare all Change Orders and/or other amendments to this Agreement. Upon agreement by Owner, A/E shall prepare and provide Construction Change Directives to Owner for approval and issuance to CM and revise the Construction Documents accordingly. The A/E shall also review and approve or take other action on Changes in Condition ("CIC") prepared by the CM for the Owner's authorization.

(q) A/E shall be, in the first instance, the interpreter of the requirements of the Contract Documents. A/E shall render opinions on all claims of CM relating to the execution and progress of the work and on all other matters or questions related thereto. A/E's decisions in matters relating to artistic effect shall be final if consistent with the intent of the Contract Documents, subject to Owner's written approval. A/E shall review for comment or approval any and all proposal requests, supplemental drawings and information, proposed substitutions, value engineering suggestions and proposed Change Orders to Owner's contract with CM. The A/E's decisions on other claims, including those in question between Owner and CM, shall be subject to claims provisions in this Agreement.

(r) The A/E shall have authority to reject work in nonconformance with the Contract Documents. Whenever, in the A/E's reasonable opinion, it becomes necessary or advisable to ensure the proper implementation or the intent of the Contract Documents, subject to Owner' prior written approval, the A/E shall have the authority to require special inspection or testing of any work whether or not such work be fabricated, installed, or completed. The A/E shall take such action only after consultation with the CM and Project Director.

(s) In the event of a disagreement between the CM and the A/E regarding acceptability of work and conformance with the plans and specifications, the Owner, in its sole discretion shall have the right to determine such acceptability and/or conformance.

(t) The A/E may order minor changes in work, which do not involve a change in the Total Project Cost or an extension of Contract Time. Such changes shall be by written order issued to the CM and endorsed by the Project Director.

(u) A/E shall advise Owner of facts known to A/E which may constitute an event of default on the part of CM under the Contract Documents, and advise and make recommendations to Owner with respect to the remedies available to Owner under the Contract Documents.

(v) A/E shall review and comment upon, without assuming any liability for, CM's quality control program.

(w) Upon notice from CM, and with the assistance of Owner, A/E shall conduct the Substantial Completion inspection, determine the date of Substantial Completion and, as required by Owner, A/E and CM shall issue a Certificate of Substantial Completion on the form required by the Owner including a list of punch list items to be completed or corrected. A/E shall review and comment upon, and supplement as appropriate, the punch lists prepared by CM. The A/E shall notify CM in writing of work not complete by providing the final punch list to CM within seven (7) business days after CM has achieved Substantial Completion. CM shall then prepare a schedule for completion of the items indicating completion dates for Owner's and A/E review.

(x) Upon notice from CM, A/E shall conduct a final inspection to determine the date of Final Completion and assist Owner in final acceptance of Project. If requested by Owner, A/E shall issue the Certificate of Final Inspection on the form required by the Florida Department of Education, Office of Educational Facilities, which shall indicate A/E's final acceptance of the Project.

(y) The A/E shall assist the CM in receiving and forwarding to the Owner all closeout documents including required guarantees, warranties, affidavits, releases, consent of surety to final payment, bonds, waivers, manuals, as-built drawings, and maintenance books. The A/E shall review for compliance with CM's obligation under the Contract Documents, all operation and maintenance manual submittals, prior to submittal to Owner.

(z) After CM provides A/E with its marked-up "as-built" drawings and specifications, A/E will revise the final approved Construction Documents to incorporate all as-built information contained in CM's marked-up as-built drawings and specifications, as well as to reflect all addenda to the Construction Documents, contract changes and field changes (sometimes referred to herein as the "**Record Documents**") in

a form as required by the Owner. A/E shall provide Owner with: one (1) hard copy, one (1) electronic copy in AutoCAD, and one (1) electronic copy in PDF.

ARTICLE 4
OTHER ADDITIONAL SERVICES

4.1 The following Other Additional Services shall cause the A/E to incur extra expense. If the Owner authorizes any of the services as set forth within Article 4, in writing, Owner shall pay A/E for the authorized services as a lump sum or as a multiple of actual payroll costs as determined by the Owner:

4.1.1 Services due to Owner-approved changes in general Project Scope or requirements after approval of Stage III – Project Design and Development: Phase I – Schematic Drawings;

4.1.2 Revising previously approved drawings or specifications to accomplish Owner-approved changes;

4.1.3 Providing detailed cost estimates;

4.1.4 Preparing documents for Change Orders when required by the Owner;

4.1.5 Consultation and/or professional services and reimbursable costs of types set forth herein concerning replacement of work damaged by fire or other casualty during construction;

4.1.6 Arranging for work to proceed should the CM default due to delinquency or insolvency; and

4.1.7 Providing prolonged contract administration and observation should the Contract Time be exceeded by 25% due to no fault of the A/E. The A/E's services performed in connection with Project closeout, including but not limited to, Substantial Completion and Final Completion, shall not be considered prolonged contract administration.

4.1.8 Project representation beyond basic services as follows:

4.1.8.1 If the Owner and the A/E agree that more extensive representation at the site than described in Article 3 shall be provided, the A/E shall provide additional representation to assist with site responsibilities ("**Additional Representation**").

4.1.8.2 Project representatives for such Additional Representation will be selected, employed and directed by the A/E and compensated as determined by the Owner.

4.1.8.3 Other than expressly stated in this Section, Additional Representation shall not modify the obligations of the A/E.

4.1.9 Services of special consultants, other than typical structural, mechanical, civil, plumbing, landscape and electrical engineering and services of estimators making detailed cost estimates;

4.1.10 Service of consultants providing surveys, testing and subsurface investigations authorized by the Owner other than those services included within the A/E Fee; and

4.1.11 Other Additional Services for the Project not identified within this Agreement.

4.2 Other Additional Services must be approved in writing in the form of a written and executed amendment to this Agreement prior to starting such services. Owner shall not be responsible for the costs of Other Additional Services commenced without Owner's express prior written approval. Failure to obtain prior written approval for Other Additional Services waives A/E's claim that it performed Other Additional Services and, instead, such services will be deemed to be part of the Basic Services required of A/E hereunder.

4.3 Fees for additional services required to correct, modify, alter or change any work as a result of the A/E's failure to properly provide Contract Documents that reflect Owner's Project scope, time, quality and budget are not considered valid extra expenses under the terms of this Agreement.

ARTICLE 5
OWNER RESPONSIBILITIES

5.1 Owner, as represented by the Department of Construction Services and the Project Director, will provide information to A/E regarding the requirements of the Project including design objectives and constraints, space requirements, capacity and performance requirements and any budgetary limitations that are not addressed within the Scope of Work.

5.2 Owner shall assign and authorize its Project Director, as set forth in **Exhibit A**, to act on the Owner's behalf in transmitting instructions, receiving information and interpreting and defining Owner's policies and decisions with respect to the Project.

5.3 Wherever the terms of this Agreement refer to some action, consent, or approval (excluding approvals of Other Additional Services or changes to this Agreement) to be provided by Owner or some notice, report or document is to be provided to Owner, such reference to "Owner" shall mean Owner's Project Director, unless otherwise stated by Owner in writing.

5.4 The Project Director will examine documents submitted by the A/E and render decisions in a reasonably timely manner to avoid unreasonable delay. The Project Director will observe the procedure of issuing orders to the CM through the A/E.

5.5 Except as may be otherwise expressly authorized by the School District of Manatee County, neither the Project Director nor any other party is authorized to issue any verbal or written orders or instructions to the A/E that would have the effect, or be interpreted to have the effect, of modifying or changing in any way the: (a) Scope of Work to be provided and performed by the A/E pursuant to the Agreement; or (b) the amount of compensation Owner is obligated or committed to pay A/E.

5.6 The Owner will retain a CM to manage the Project. The CM's duties are defined in the CM Agreement between the Owner and CM and a copy of the CM Agreement will be furnished to the A/E and will not be modified without written notice to the A/E.

5.7 The Owner will furnish, or direct the A/E to obtain, at the Owner's expense, a certified survey of the site including gradesand lines of streets, alleys, pavements, and adjoining property, rights of way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours, locations and dimensions of existing buildings, improvements and trees, available service and

utility lines and provide test borings and pits necessary for subsoil conditions. The A/E services in obtaining this data by others is included within the A/E Fee.

5.8 Owner shall pay for structural, chemical, mechanical, soil mechanics or other tests and reports, if required.

5.9 Owner shall arrange and pay for legal, auditing and insurance counseling as Owner may require.

5.10 Project Director shall provide written notice to A/E of any deficiencies or defects discovered by Owner with respect to the services to be rendered by the A/E; however, no action or failure to act by the Project Director or the Owner shall relieve A/E from any of its duties or obligations set forth in the Agreement.

5.11 If the Construction Cost Estimate or detailed cost estimates are in excess of stated limits, the Owner may give written approval of an increase in the limit or cooperate in revising the Project to reduce the Project Total Cost. These approvals are available only through the completion of Stage III – Project Design and Development: Phase I – Schematic Design.

ARTICLE 6
CONSTRUCTION COST

6.1 Definitions

6.1.1 The construction cost shall be the total estimated cost to the Owner for construction of all elements of the Project designed and specified by the A/E including labor and materials furnished by Owner and any equipment designed, specified, selected or specially provided by the A/E (the "**Construction Cost**").

6.1.2 The Cost of Work shall include the Construction Costs, pre-construction services by CM, general conditions, the CM's reimbursable costs and bond costs. The Cost of Work shall not exceed the Owner's Construction Services Budget as set forth in Article 1.

6.1.3 Construction Cost and the Cost of Work do not include A/E compensation, amounts paid to the A/E's Consultants, land cost, right of way or any other Owner service costs.

6.2 Responsibility

6.2.1 The A/E shall assist the CM in evaluating the Owner's Total Project Budget and review the Construction Cost Estimates prepared by the CM. Neither the Owner nor the A/E has control over the cost of labor, materials, equipment, CM's method of determining bid prices, competitive bidding process, or market or negotiation conditions. The A/E does not warrant that bids or negotiated prices will not vary from the proposed Total Project Budget established or approved by the Owner, or estimates or cost evaluations provided by the CM.

6.2.2 No fixed limit of Construction Costs shall be established as a condition of this Agreement unless such fixed limit has been agreed upon by the Construction Team.

6.2.3 In the case of a fixed limit of Construction Costs being exceeded by the total of the figures from bona fide bids or negotiated proposals plus the CM's estimate of the other element costs, the Owner shall follow the requirements of Article 3.

ARTICLE 7
REIMBURSABLE EXPENSES

7.1 Reimbursable expenses are actual expenditures not incidental to the services described in Article 3 and not exceeding the limits of Section 112.061, *Florida Statutes*, made by the A/E in the interest of the Project. All reimbursable expenses require prior written authorization from the Owner. Owner shall not be responsible for the costs of reimbursable expenses incurred by A/E without Owner's express prior written approval. The following are considered legitimate reimbursable expenses and will be reimbursed by the Owner:

7.1.1 Transportation and living expenses of A/E employees when traveling in connection with services other than those defined in Article 3;

7.1.2 Reproduction of drawings and specifications excluding (1) copies for A/E use and sets required at each phase of the delivery process and (2) at termination of A/E or completion of the Project;

7.1.3 Premium portions of overtime, which are deemed reasonable by Owner, unless required by the A/E to maintain its own schedule;

7.1.4 Renderings or models for the Owner's sole use; and

ARTICLE 8
PAYMENTS TO THE A/E

8.1 The lump sum for the A/E Fee set forth in Article 2 of this Agreement shall be broken down into the stages and activities listed below and allocated per the percentages indicated below. The Owner shall make monthly payments for each stage or activity in proportion to the percentage of each stage or activity that is completed during the previous month:

Schematic Design	15%
Design and Development Phase	15%
Construction Documents Phase	35%
Issuance of Construction Authorization	5%
Construction Phase	30%
TOTAL	**100%**

8.2 Payments for Other Additional Services to the A/E as defined in Article 4 as a lump sum shall be paid in accordance with the written authorization.

8.3 Payments for Other Additional Services of the A/E as defined in Article 4 as a multiple of actual payroll costs and for reimbursable expenses as defined in Article 7, shall be made monthly upon presentation of a detailed invoice satisfactory to the Owner.

8.4 Payments Withheld

8.4.1 No deductions shall be made from the A/E's compensation on account of penalty, liquidated damages or other sums merely because payment is withheld from the CM, or because of changes in the construction cost other than those for which the A/E is held legally liable.

8.5 Request for Payment

8.5.1 A/E's request for payment must be presented on the Construction Services Form required by the Owner in the office of the Project Director no later than the 25th of each month. The A/E and the Project Director shall review the payment request, approve, as appropriate, and forward to the Owner by the first of the month following the month in which the A/E's request for payment was presented. Payment shall occur on the 10th of the month following the A/E's issuance of request for payment or the following business day should the 10th fall on a weekend or national holiday.

8.5.2 A/E's acceptance of final payment shall constitute a full waiver of any and all claims by it against Owner arising out of this Agreement or otherwise related to the Project, except those previously made in writing and identified by A/E as unsettled at the time of the final payment. Neither the acceptance of A/E's services nor payment by Owner shall be deemed to be a waiver of any of Owner's rights against A/E.

8.5.3 The Owner and A/E waive Claims against each other for consequential, special and punitive damages arising out of or relating to this Agreement or the services provided by the A/E on the Project. The mutual waiver includes, but is not limited to: (1) damages incurred by Owner for rental expenses, for losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons; and (2) damages incurred by the A/E for loss of business and reputation, and for loss of profit, except anticipated profit arising directly from the work.

8.5.4 Nothing in this Agreement is intended or shall be construed to require Owner to determine the adequacy, accuracy or sufficiency of the design, the Contract Documents or A/E's services, which are each A/E's responsibility. Owner's review, inspection, acceptance, or payment for any of A/E's services shall not constitute acceptance of services that fail to conform to the requirements of this Agreement, unless Owner expressly accepts such non-conforming services in writing.

8.6 Project Suspension or Abandonment

8.6.1 If the Project is suspended or abandoned in whole or part for more than three (3) months due to no fault of the A/E, the A/E shall be paid for all services performed prior to receipt of written notice from the Owner of such suspension or abandonment, including reimbursable expenses due. When the Project is resumed, the Architect shall be compensated for any actual expenses incurred in the interruption and resumption of the A/E's services and the time schedules shall be equitably adjusted. The A/E's fees for the remaining services shall not be adjusted unless the Owner, in its sole discretion, makes such an adjustment.

ARTICLE 9
A/E RECORDS

9.1 A/E shall keep accurate and adequate records and supporting documentation which concern or reflect its services hereunder, including but not limited to all Contract Documents, the accounting records of the A/E, the A/E's direct personnel, Consultants, and reimbursable expenses. The records and documentation shall be retained by A/E in editable electronic format for a minimum of ten (10) years from the date of termination of this Agreement or the date the Project is completed, or such longer period of time as may be required by law or this Agreement, whichever is later. Owner, or

any duly authorized agents or representatives of Owner, shall have the right to audit, inspect and copy all such records and documentation upon reasonable request and as often as they deem necessary during the period of this Agreement and during the period noted above in which the records are to be retained; provided, however, such activity shall be conducted only during normal business hours.

ARTICLE 10
TERMINATION OF AGREEMENT

10.1 Termination for Cause

10.1.1 A/E shall be considered in material breach of this Agreement and such breach will be considered cause for Owner to terminate this Agreement, in whole or in part, as further set forth herein, for any of the following reasons: (1) failure to begin work under the Agreement within the time specified; or (2) failure to properly and timely perform the services to be provided hereunder or as directed by Owner; or (3) the bankruptcy or insolvency or a general assignment for the benefit of creditors by A/E or by any of A/E's principals, partners, officers or directors; or (4) failure to obey laws, ordinances, regulations or other codes of conduct, or (5) otherwise materially breaches this Agreement. Owner may terminate this Agreement in whole or in part by giving seven (7) days' written notice to A/E.

10.1.2 Notwithstanding anything herein to the contrary, the Owner may unilaterally terminate this Agreement for refusal by the A/E to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, *Florida Statutes*, made or received by the A/E, or its Consultants in conjunction with this Agreement.

10.2 Termination for Convenience

10.2.1 Upon not less than seven (7) days' written notice, the Owner may terminate A/E's services under this Agreement, in whole or in part, for Owner's convenience and without cause in accordance with this clause. Upon termination, the A/E shall be entitled to payment and profit for work completed to the time of termination only together with any costs reasonably incurred by A/E that are directly attributable to the termination, but A/E shall not be entitled to any other or further recovery against Owner, including anticipated fees, profit on work not required to be performed, or attorneys' fees and costs. The Owner, in its sole and reasonable discretion and based upon the approved Project Schedule, shall determine the percentage of work completed.

10.2.2 Upon termination as set forth herein, A/E shall deliver to Owner all Project documents including all papers, plans, records, documents, auto CAD Files, drawings, calculations, models and other materials in A/E's possession or control arising out of or relating to this Agreement. All such documents submitted to the Owner at the time of termination may be used by the Owner for the purpose of completing the Project and other purposes set forth in this Agreement. The A/E shall retain the right to use the design documents created by A/E in any manner consistent with this Agreement, which does not hamper completion of the Project, if such use does not violate any law protecting confidential information.

10.3 A/E may terminate this Agreement upon not less than seven (7) days' written notice to Owner, which identifies the specific reason for termination, should the Owner fail to substantially perform in accordance with the terms of this Agreement through no fault of the A/E.

10.4 Owner and A/E may terminate this Agreement by mutual written agreement.

ARTICLE 11
OWNERSHIP AND USE OF DOCUMENTS
AND INTELLECTUAL PROPERTY

11.1 All records, documents, drawings, notes, tracings, plans, computer aided design (CAD) files, specifications, maps, models, presentations, evaluations, reports and other technical data, and schematics prepared or developed by or for A/E, or otherwise provided to Owner, pursuant to this Agreement shall be considered to be Contract Documents. To the extent they have any such rights, unless relinquished under this Article 11, A/E and its Consultants shall retain all common law, statutory and other reserved rights, including copyrights, in the Contract Documents.

11.2 A/E shall grant, and hereby does grant, Owner an unlimited, non-exclusive, worldwide, irrevocable, perpetual, fully-paid-up, license to reproduce, create derivatives of, distribute, perform, publish and otherwise use all Contract Documents in which A/E has or may have any rights: (1) as reasonably necessary for archival, safety, and disaster recovery purposes; (2) for submission or distribution, as Owner reasonably determines is prudent or proper, to meet official regulatory requirements, or for similar purposes, in connection with this Project: (3) for constructing, completing, reconstructing, repairing, renovating, altering, adding to, maintaining, occupying, and otherwise using the Project; and (4) for the planning, design, construction, completion, reconstruction, repair, renovation, alteration, use, occupancy, and maintenance of other structures and projects.

11.3 A/E shall obtain from each of A/E's Consultants (which includes subconsultants, contractors, subcontractors, agents and representatives) either an assignment from the Consultant to Owner of all common law, statutory and other reserved rights, including copyrights and performance rights, in and to all Contract Documents in which the Consultant has or may have such rights, or an unlimited, worldwide, perpetual, irrevocable, fully-paid-up license running from A/E's Consultant to Owner, granting Owner the right to reproduce, create derivatives of, distribute, and use all Contract Documents in which A/E's Consultant has or may have any rights: (1) as reasonably necessary for archival, safety, and disaster recovery purposes; (2) for submission or distribution, as Owner reasonably determines is prudent or proper, to meet official regulatory requirements, or for similar purposes, in connection with this Agreement; (3) for constructing, completing, reconstructing, repairing, renovating, altering, adding to, maintaining, occupying and otherwise using the Project; and (4) for the planning, design, construction, completion, reconstruction, repair, renovation, alteration, use, occupancy, and maintenance of other structures and projects.

11.4 A/E shall grant, and hereby does grant, Owner, an unlimited, worldwide, non-exclusive, irrevocable, perpetual, fully-paid-up license: (1) to design, commission, and create architectural works that are derivatives of or substantially similar to this Project or any architectural work portrayed in any version of any Contract Documents; and (2) to use, reproduce, make derivatives of, publish, perform, distribute copies of, and otherwise use any architectural or other works created, authored, or provided by A/E or A/E's Consultants pursuant to this Agreement, for marketing, promotional, advertising, ordinary business, and educational purposes, in any medium.

11.5 Owner acknowledges that, in granting the licenses herein, A/E and A/E's Consultants have not agreed to provide the following services to Owner for any future project for which Owner uses any license granted herein: Code Compliance (including, but not limited to, Building Code changes, statutory changes, SREF changes), Educational Program changes, Enhanced Hurricane Protection Area (EHPA) requirements, advanced energy efficiencies, permits, inspections, field reports, civil engineering for future site(s), Educational Specifications, schematic design or design development

documents, signed and sealed permit drawings (including but not limited to those drawings submitted to SWFWMD and/or BO), submittal or shop drawing reviews, architect supplemental instructions (ASIs), responses to requests for information (RFIs), updates to project specifications, as-builts, LEED or Green Globes calculations or energy modeling, life cycle cost analysis, color selections, interior design, color boards for Owner approval, filings for governmental authorities (including, but not limited to Manatee County, City of Bradenton, City of Palmetto), landscape design, pre-construction meetings, jobsite meetings, special meetings, approvals of budget transfers, approvals of CM pay applications, and/or approval of any other project documents.

11.6 All licenses granted herein or pursuant to this Agreement are worldwide, perpetual and irrevocable and shall continue even in the event this Agreement is terminated for any reason. A/E consents to Owner's use of the Contract Documents to complete the Project following A/E's termination for any reason or to perform additions to or remodeling or renovations of the Project. In the event of any such termination, A/E hereby consents to any use of any and all Contract Documents by any replacement architects, contractors, engineers or other professionals retained by Owner provided, however, A/E shall not be liable for any of the design work performed by such replacement architects, engineers or other professionals and Owner agrees to indemnify and hold A/E harmless from any such liability related to design work performed by the replacement architect.

11.7 A/E, upon reasonable request by Owner, even if such request is made after termination or expiration of this Agreement for any reason, shall take all steps reasonably required by Owner to memorialize, perfect, substantiate, record, or evidence all licenses, assignments, and rights Owner has, is due, or may have under or pursuant to this Agreement, and shall do so at no additional charge to Owner.

11.8 A/E shall, upon reasonable request by Owner, even if such request is made after termination or expiration of this Agreement for any reason, or upon completion of the Project should no such request be made by Owner, provide to Owner: (1) reproducible copies of all Contract Documents; (2) written copies of all licenses and assignments obtained by A/E from A/E's Consultants pursuant to Section 11.3; and (3) a written license from A/E to Owner pursuant to Section 11.2. Wherever practical, all such copies of the Contract Documents shall be provided in both editable electronic form and in hard paper form. A/E shall not be responsible for inadvertent errors caused by the electronic transmission of Contract Documents unless it knew or reasonably should have known of such errors and failed to promptly notify Owner in writing. In the event of any discrepancies between any such electronic copies and hard paper copies issued by A/E, the hard paper copy shall control.

11.9 Without limitation, Owner may assign, encumber, or sublicense any license granted herein or pursuant to this Agreement to a lender, a tenant of the Project, or a subsequent owner of any portion the Project. Owner shall be permitted to authorize contractors, engineers, subcontractors, sub-subcontractors, material or equipment suppliers, consultants, agents and architects to reproduce applicable portions of the Contract Documents as appropriate to and for use in connection with the completion of the Project or Owner's exercise of any right or license granted herein or pursuant to this Agreement.

11.10 A/E warrants to Owner that it has full right and authority to grant the licenses specified herein to Owner. A/E hereby represents and warrants that all Contract Documents, architectural works, or other works developed, authored, or provided to Owner pursuant to this Agreement shall be original work of A/E or A/E's Consultants, in the public domain, or developed, authored or provided pursuant to a valid, enforceable and appropriate license or assignment and shall not infringe any copyright, performance right, trademark, patent or other intellectual property right of any third party. To the fullest extent permitted by law, A/E shall indemnify, protect and hold harmless Owner

and its agents, employees, officers and Board Members from and against all liabilities, damages, losses and costs, including reasonable attorneys' fees, arising out of, or resulting from, any claim by any third party asserting that any Contract Document, architectural work, or other work developed or authored by A/E or A/E's Consultants, or provided to Owner by A/E, pursuant to this Agreement infringes any intellectual property right, including copyright, of any person.

ARTICLE 12
INSURANCE

12.1 During the term of this Agreement or for such longer period as otherwise specified herein or required by applicable law, A/E shall provide, pay for, and maintain, with companies satisfactory to Owner, the types of insurance described herein. All insurance shall be from companies duly authorized to do business in the State of Florida.

12.2 Within ten (10) days from the execution of this Agreement, A/E shall deliver to Owner properly executed Certificates of Insurance and required additional insured endorsements in form acceptable to Owner evidencing the fact that A/E has acquired and put in place the insurance coverages and limits required hereunder. The Certificates of Insurance must identify the specific Project name, as well as the site location and address. A/E shall promptly submit a certified, true copy of the policy and any endorsements issued or to be issued on the policy if requested by Owner.

12.3 A/E shall notify Owner, in writing, within five (5) days after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverages or limits received by A/E from its insurer. In the event of a reduction in the aggregate limit of any policy to be provided by it hereunder, A/E shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy.

12.4 All insurance policies required by this Agreement shall include the following provisions and conditions by endorsement to the policies:

12.4.1 The term "The School Board of Manatee County, Florida" shall include the Manatee County Public Schools, the Manatee County School Board, a body corporate, the Manatee County School District and the Public School System and all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and offices thereof and individual members and employees thereof in their official capacity, and/or while acting on behalf of the Manatee County School Board.

12.4.2 All insurance policies, other than the Professional Liability policy and the Workers Compensation policy, shall name the Indemnitees (as that term is defined within this Agreement) as additional insureds as to the operations of A/E under the Contract Documents pursuant to additional insured endorsements acceptable to Owner and shall contain a provision regarding severability of interests.

12.4.3 Companies issuing the insurance policies shall have no recourse against Owner for payment of premiums or assessments for any deductibles which are all at the sole responsibility and risk of A/E.

12.4.4 All insurance coverages of A/E shall be primary to any insurance or self-insurance program carried by Owner applicable to this Project, and the "Other Insurance" provisions of any policies obtained by A/E shall not apply to any insurance or self-insurance program carried by Owner applicable to this Project.

12.4.5 All insurance policies shall be fully performable in Manatee County, Florida, and shall be construed in accordance with the laws of the State of Florida.

12.4.6 All insurance policies must expressly state that the insurance company will accept service of process in Manatee County, Florida, and that the exclusive venue for any action concerning any matter under those policies shall be in the appropriate state court situated in Manatee County, Florida.

12.5 The acceptance by Owner of any evidence of the insurance coverages and limits required in this Agreement, including any Certificate of Insurance, policy or additional insured endorsement, does not constitute approval or agreement by Owner that the insurance requirements have been met or that the insurance policies shown on the Certificates of Insurance comply with the requirements of this Agreement.

12.6 If any insurance provided pursuant to this Agreement expires prior to the completion of the services required hereunder or specified tail or completed operations period, renewal Certificates of Insurance and, if requested by Owner, certified, true copies of the renewal policies and applicable additional insured endorsements, shall be furnished to Owner thirty (30) days prior to the date of expiration.

12.7 Should at any time A/E not maintain the insurance coverages required in this Agreement, Owner may cancel the Agreement or, at its sole discretion, shall be authorized, but not required, to purchase such coverages and charge A/E for such coverages purchased. If A/E fails to reimburse Owner for such costs within thirty (30) days after demand, Owner has the right to offset these costs from any amount due A/E under this Agreement. Owner shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company/companies used. The decision of Owner to purchase such insurance coverages shall in no way be construed to be a waiver of its rights under this Agreement.

12.8 To the extent damages are covered by property insurance, Owner and A/E waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance. Owner or A/E, as appropriate, shall require similar waivers (in favor of the parties enumerated herein) from the contractors, consultants, agents and employees of any of them.

12.9 All insurance companies from whom A/E obtains the insurance policies required hereunder must meet the following minimum requirements:

12.9.1 The insurance company must be duly licensed and authorized by the Department of Insurance of the State of Florida to transact the appropriate insurance business in the State of Florida.

12.9.2 The insurance company must have been in such insurance business continuously for not less than five (5) years immediately prior to the date of execution of this Agreement.

12.9.3 The insurance company must be listed in the most current edition of Best's Key Rating Guide, have a rating classification of either "A" or "A+" and a financial size category rating of class IV or higher.

12.10 Unless otherwise stated herein, and before starting and until completion of all services required hereunder, A/E shall procure and maintain insurance of the types and to the limits set forth below.

A/E shall also require each of its Consultants to procure and maintain, until the completion of that Consultant's services or for such longer period as otherwise specified herein or required by applicable law, insurance of the types and to the limits specified below unless such insurance requirement for the Consultant is expressly waived in writing by Owner. All self-insured retentions or deductibles will be A/E's sole responsibility.

12.11 Professional Liability Insurance

12.11.1 A/E shall maintain a professional liability policy, including errors and omission coverage, insuring A/E's liability arising out of the performance of professional services under this Agreement including for any negligent act, error, mistake or omission in rendering or failing to render professional services described in this Agreement whether committed or alleged to have been committed by the A/E or any person employed by the A/E or by others for whom the A/E is legally responsible. A/E shall continue the coverage amounts specified herein for a period of not less than five (5) consecutive years after Project Final Completion. No "sunset" limitation shall apply. The policy retroactive date will always be prior to the date services were first performed by A/E for Owner, and the retroactive date will not be moved forward during the term of the Agreement and for five (5) years thereafter.

12.11.2 The policy shall be issued to the A/E as the insured named therein, covering all services to be performed by the A/E on the Project. A/E waives its right of recovery against Owner as to any claims under this insurance. Any deductible or self-insured retention applicable to any claim shall be the sole responsibility of A/E. The insurance company shall waive its rights of subrogation against the Indemnitees.

12.11.3 Policy Amounts

12.11.3.1 For projects with a Total Project Budget of less than $5,000,000.00, and unless otherwise agreed to in writing between Owner and A/E, the A/E's policy shall provide coverage, for the acts and omissions of the A/E, in the amount of $1,000,000.00 with an aggregate of $1,000,000.00. Said policy shall contain a maximum deductible or self-insured retention of $25,000.00.

12.11.3.2 For projects with a Total Project Budget of more than $5,000,000.00 but less than $15,000,000.00, and unless otherwise agreed to in writing between Owner and A/E, the A/E's policy shall provide coverage, for the acts and omissions of the A/E, in the amount of $2,000,000.00 with an aggregate of $2,000,000.00. Said policy shall contain a maximum deductible or self-insured retention of $100,000.00.

12.11.3.3 For projects with a Total Project Budget of more than $15,000,000.00, and unless otherwise agreed to in writing between Owner and A/E, the A/E's policy shall provide coverage for the acts and omissions of the A/E in an amount as set by the schedule established by the Owner's Risk Management Department determined on a case-by-case basis using a scaled ratio according to the total value of the Project with a deductible or self-insured retention of no more than $100,000.00.

12.12 Commercial General Liability

12.12.1 A/E shall maintain a commercial general liability policy that is written on an "occurrence" basis. Coverage, as provided by 1986 (or later) ISO commercial general liability form, shall include, but not be limited to, Bodily Injury, Contractual for this Agreement, Independent Contractors, Broad Form Property Damage, Personal Injury and Fire Legal Liability Coverages. If A/E provides any construction work, it must also include Products and Completed Operations Coverage, with the Completed Operations Coverage maintained for this Project for not less than five (5) years following Final Completion. Applicable deductibles or self-insured retention, not to exceed $25,000.00, shall be the sole responsibility of A/E. The insurance company shall waive its rights of subrogation against the Indemnitees. Limits of coverage shall not be less than the following for Bodily Injury, including Death, Property Damage and Personal Injury Combined Single Limits:

General Aggregate	$3,000,000.00
Products - Completed Operations Aggregate	$2,000,000.00
Personal and Advertising Injury	$1,000,000.00
Each Occurrence	$1,000,000.00
Fire Damage (Any One Fire)	$50,000.00
Medical Expenses per Person	$5,000.00
Site Specific Project Aggregate Limits	same as above

12.13 Automobile Liability
