## TITLE

Upfit leased light-duty vehicles

## RECOMMENDATION

Adopt Resolution 2023-09 approving to upfit six leased light-duty vehicles with Wattco.

## CONTACT

Geoff Belyea, Fire Chief

## BACKGROUND & ANALYSIS

On August 23, 2022, the Board of Directors passed Resolution No. 2022-21 which approved a Master Equity Lease Agreement between the American Canyon Fire Protection District and Enterprise Fleet Management to provide the District with seven light-weight vehicles.

Subsequently, the American Canyon Fire Protection District has received six of the seven vehicles. However, these six vehicles require upfitting to install radios, electronics, vehicle accessories/equipment, and lightbars. The seventh vehicle does not need require any upfitting. The District will need to contract with a vendor to complete the upfitting process.

To reduce costs, the District removed equipment from three existing F-150 vehicles, which will be reused in the new vehicles. However, to complete the upfitting process, the District must contract with a vendor. WATTCO is the only vendor in the area that upfits Public Safety vehicles and has been selected to complete the work. The total cost for upfitting all six vehicles is \$61,426.25, broken down as follows:

Ford Explorer 1	\$16,116.57
Ford Explorer 2	\$16,115.57
Escape	\$ 2,805.58
Ford F-150	\$ 7,782.98
Ford F-250	\$ 9,483.30
Ford F-250	\$ 9,123.25
<b>Total</b>	<b>\$61,426.25</b>

## **COUNCIL PRIORITY PROGRAMS AND PROJECTS**

Public Safety: "Ensure American Canyon remains a safe community."

## **FISCAL IMPACT**

The District has budgeted for the upfitting of these vehicles in the FY22-23 budget, and the estimated cost of upfitting all six vehicles is \$61,426.25.

## **ENVIRONMENTAL REVIEW**
