**FIRE CHIEF ORAL REPORT**

The Fire Chief reported that the dry season is here and urged all property owners to take care of their properties and comply with the Weed Abatement Ordinance, which will take effect on June 1st. This is to ensure that the community is prepared for fire season.

Additionally, the Fire Chief announced that the District will be opening continuous recruitment for firefighter/paramedics next month.

The Fire Chief also reported on the District's radio communication system. Last year, the District initially budgeted \$140,000 for handheld radios, which would have covered 14 radios. However, it was identified there is a need for 25 radios. The District was able to secure 25 radios at no cost, approximately \$250,000 through two grant sources. These grants were made possible through the Napa County Offices of Emergency Services and a federal grant offered by Congressman Thompson for radio communications in Napa County. The Fire Chief expressed appreciation to Napa County Offices of Emergency Services, Congressman Thompson, the City of Napa, and Napa Dispatch for considering the District for the program.

Finally, the Fire Chief expressed gratitude to Laura and Martha for their work and contributions to the District for Admin Professionals Week.

**CHAIR/BOARD COMMENTS, COMMITTEE REPORTS, AND FUTURE AGENDA ITEMS**

Board Member Joseph gave a shout out to Board Member Oro to walking to the Board Meeting.

Vice-Chair Washington wanted to thank the District for saving lives. You cannot put a price tag on saving someone life.

Annual appropriations limit for the American Canyon Fire Protection District for fiscal year 2023-24.

## **RECOMMENDATION**

Adopt a [Resolution](#) approving the annual appropriations limit for the American Canyon Fire Protection District for fiscal year 2023-24.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

In November 1979, California voters added Article XIII-B to the State Constitution, which placed limitations on the appropriations of State and local governments. The Article, as implemented by State Legislation, requires that local agencies set an annual spending limit for budget appropriations funded from the proceeds of taxes, as defined by the law and accepted statewide guidelines.

In June 1990, voters approved Proposition 111, which amended Article XIII-B. The amendment changed both how the limit was calculated and the appropriations that were subject to the limit and added governing body adoption and independent audit requirements.

### Calculating the Appropriations Limit

The base year was set as fiscal year 1978-79 and the first appropriations limit was applied to public agency budgets beginning in fiscal year 1980-81. The appropriations limit is revised annually by a prescribed formula that uses a combination of the percentage changes in California's per capita personal income or non-residential assessed valuation, if available, and the local jurisdictions change in population measured as of January 1st of each year. The percentage change in per capita personal income and the percentage change in population are provided by the California Department of Finance.

There are no penalties under Article XIII-B for failure to adopt a limit. Compliance with the law is intended to be locally enforced by citizens. The State Government Code limits a civil court challenge of the appropriations limit calculation to a 45-day period after adoption.

### Proceeds of Taxes and Appropriations Subject to Limit

After the annual appropriations limit is calculated, the appropriations that are subject to the limit are determined. The appropriations limit only applies to appropriations that are funded from the proceeds of taxes, which are defined in the statewide guidelines.

### American Canyon Fire Protection District Appropriation Limit

Consistent with prior years, the fiscal year 2023-24 appropriations limit was calculated using the statewide per capita personal income increase of 4.44% and the City of American Canyon population change of -1.35%. Applying these factors results in an increase in the prior year appropriations limit of 3.03%, or \$455,258; and when added to the FY 2022-23 appropriations limit of \$15,025,027, results in a FY 2023-24 appropriations limit of \$15,480,285. The appropriations subject to the limit were determined to be \$6,024,303, which is \$9,455,982 under the appropriation limit. The detailed calculations are presented in the attached Appropriations Spending Limit Worksheet (Attachment 2).

**A Resolution of the American Canyon Fire Protection District  
Establishing the Appropriations Limit  
For Fiscal Year 2023-24  
Pursuant to Article XIII B of the California Constitution**

**WHEREAS**, Article XIII B of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity shall not exceed the appropriation limit of such government entity for the prior year adjusted for certain changes mandated by Proposition 4 passed in November 1979 and Proposition 111 passed in June 1990 except as otherwise provided for in said Article XIII B and implementing State statutes; and

**WHEREAS**, pursuant to said Article XIII B, and Section 7900et seq. of the California Government Code, the District is required to set its appropriation limit for each fiscal year; and

**WHEREAS**, the District staff has conducted the necessary analysis and calculations to determine the appropriations limit for fiscal year 2023-24 relying on the fiscal year 2022-23 limit as approved by the Board of Directors for the District, and applying the following two adjustment factors: *Change in Population* and *Change in Per Capita Income*; and

**WHEREAS**, based on such calculations District staff has determined the said appropriation limit, and pursuant to Section 7910 of the Government Code, has made available to the public the documentation used in the determination of the limit;

**NOW THEREFORE, BE IT RESOLVED** by the Board of Directors of the District that:

1. The annual adjustment factors used to calculate the fiscal year 2023-24 appropriations limit shall be the change in State Per Capita Income of 4.44% and the January 2023 City population change of -1.35%, as provided by the State Department of Finance;
2. The new Appropriation Limit for Fiscal Year 2023-24 shall be and is hereby set in the amount of \$15,480,285; and
3. The fiscal year 2022-23 Budget appropriations subject to the appropriation limit are \$6,024,303.

First Responder Fee

## **RECOMMENDATION**

Adopt [Resolution 2022-15](#) approving the annual cost-of-living increase to the District First Responder Fee for Emergency Medical Services.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

On November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services. California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services.

Ordinance 2019-02 provides for an annual cost-of-living increase for the First Responder Fee. These fees may be increased in the future by District resolution consistent with applicable law, including but not limited to annual adjustments each July 1 based on the annual change in the Consumer Price Index (CPI) Urban Wage Earners, San Francisco-Oakland-San Jose, CA region, measured as of February of each year.

Consistent with that determination, it is recommended that the First Responder Fee be increased by the cost-of-living adjustment of 5.3%. If approved, the Fire Responder Fee would increase by \$28.32, from \$534.42 to \$562.74.

## **FISCAL IMPACT**

The Fee will increase from \$ 534.42 to \$562.74 when the CPI percentage increase is applied.

## **ENVIRONMENTAL REVIEW**

The approval of the proposed resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378 of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

## CONTACT

Geoff Belyea, Fire Chief

## BACKGROUND & ANALYSIS

In November 1986, the voters approved a mitigation fee which is actually an assessment to help pay for Fire District facilities and apparatus. This revenue measure was needed due to the combination of the passage of Proposition 13 (Article XIII of the State Constitution), which severely reduced the District's tax base and the needs in future years based on projected construction of residential and commercial development. The Fire Mitigation Fee is a one-time tax (which is now properly characterized as an assessment) which is levied upon property owners who construct and occupy any residential, commercial or industrial building located with the District. The assessment is calculated based on the square footage of the structure.

Pursuant to the 1986 Mitigation Fee Resolution 86-5, Section 4, Paragraph K, the Board of Directors shall review and adjust the rate each year according to the changes in the Consumer Price Index (CPI). For the year ending April 2023, the CPI index for the San Francisco/Oakland/San Jose increased 4.2 percent. The increase is applicable to all building permits issued beginning July 1, 2023.

## FISCAL IMPACT

When the percentage increase in the CPI is applied, the assessment is increased as follows:

### *Assessment Rate per Square Foot*

Category	Current	Proposed
Single Family	\$.2714	\$.2828

Multi-Family	\$.3312	\$.3451
Commercial	\$.4968	\$.5177

**ENVIRONMENTAL REVIEW**

The approval of the proposed resolution is not subject to the California Environmental Quality act ("CEQA") pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378(b)(4) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

Additionally, in September 1997, District Counsel completed a Prop. 218 analysis and confirmed that no additional CEQA study or Public Hearing needs to be conducted when confirming the annual increase.

Fire Service Fee Special Tax

## RECOMMENDATION

Adopt [Resolution 2023-17](#) approving the annual cost-of-living increase to the District Fire Service Fee Special Tax consistent with District Ordinance 2013-01 and confirming the Fire Service Fee Assessments of \$ 801,110.70 for Fiscal Year 2023/2024.

## CONTACT

Geoff Belyea, Fire Chief

## BACKGROUND & ANALYSIS

At the June 1980 general election, a ballot measure designated as Measure B was approved by 76% of the voters of the then-independent District to provide supplemental funding for fire protection and emergency services in the District subsequent to the passage of Proposition 13 in 1978.

The Fire Service Fee is apportioned to all parcels in the District based on the associated demand for fire protection services; and is applied on a “per equivalent dwelling unit” basis, or “EDU.” On July 20, 2013, the District Board enacted Ordinance 2013-01 to clarify and implement the provisions of Measure B. The District subsequently filed a validation action, American Canyon Fire Protection District v. All Persons Interested in the Matter of the Validity of the American Canyon Fire Protection District Ordinance No. 2013-1 Confirming Special Tax for Fire Services, Napa Superior Court Case No. 26-62587, which resulted in a Judgement on January 22, 2014 which confirmed the validity of Ordinance 2013-01.

Ordinance 2013-01 provides for an annual cost-of-living increase for the Fire Service Fee. This inflationary adjustment is based on the change in the California Consumer Price Index from January to January of each year. The District has retained Capitol Public Finance to determine the annual adjustment for FY 2023-2024, Attachment 2.

Consistent with that determination, it is recommended that the Fire Service Fee be increased by the cost-of-living adjustment of 5.39%. If approved, the Fire Service Fee would increase by \$5.73, from \$106.36/EDU to \$112.08/EDU.

The District Ordinance requires the Fire Chief to compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District. The list is updated each year to reflect any new construction or parcel splits. The parcel listings are attached for review. After review of the fee listing, the Board confirms the assessments by resolution, which is then submitted to the Napa County Auditor-Controller. For secured property, the Auditor-Controller includes the annual assessments on the property tax bill. In the case of unsecured property, the Auditor -Controller distributes the collection and the Tax Collector mails the individual bills and collects the assessment separate from the property tax rolls.

The attached Fire Service Fee assessment listings for Fiscal Year 2023-2024 total \$768,542.84 for secured property and \$32,567.86 for unsecured (mobile home,) for a total assessment of \$801,110.70.

In accordance with District Ordinance 2013-01, a hearing of the “Fire Service Fee Board of Review” will be noticed subsequent to Board approval of the annual listing for any property owner wishing to challenge their annual assessment.

### **FISCAL IMPACT**

If approved, the proposed Fire Service Fee of \$112.08/EDU is expected to generate operating revenue of \$801,110.70 for fiscal year 2023-2024. Adopting the annual inflationary adjustment will maintain parity between Fire Service Fee and increases in the cost of providing fire protection and other emergency services, consistent with Ordinance 2013-01.

**RESOLUTION 2023-17**

**A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ESTABLISHING FIRE SERVICE FEES AND ADOPTING FIRE SERVICE FEE ASSESSMENTS FOR FISCAL YEAR 2023-2024 CONSISTENT WITH DISTRICT ORDINANCE 2013-01**

**WHEREAS**, at the June 1980 General Election, a ballot measure entitled “Measure B,” was approved by 76% of the voters of the American Canyon Fire Protection District (“District”), then an independent fire protection district; and,

**WHEREAS**, Measure B was enacted to address the limitations imposed on property taxes by Proposition 13, Art. XIII A of the State Constitution; and,

**WHEREAS**, Measure B contained provisions which were based on fire flow determined by property use and specific uses and could be characterized as either an assessment or a special tax; and,

**WHEREAS**, in July 2013, the Board of Directors (“Board”) enacted Ordinance 2013-01 which amended the District Ordinance enacted by the passage of Measure B clarifying and defining the intent of the voters in enacting Measure B; and,

**WHEREAS**, Ordinance 2013-01 was the subject of a final judgement of the Superior Court of Napa County in the matter of *American Canyon Fire Protection District v. all Persons Interested, etc.*, Napa Superior Court Case No. 26-62587, in which Judgement confirming the validity of Ordinance 2013-01 was entered on January 22, 2014; and,

**WHEREAS**, consistent with Measure B and the judicially validated Ordinance 2013-01, the District is authorized to increase of the Fire Service Fee by the cost of living increases as determined in the Bay Area consistent with the California Consumer Price Index; and,

**WHEREAS**, the District retained the consulting firm of Capital Public Finance to make a determination of the cost of living increase consistent with Ordinance 2013-01 and the amount increased for the period of January 2022 to January 2023 was determined to be 5.39%; and,

**WHEREAS**, the District Ordinance requires the Fire Chief to annually compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District; and,

**WHEREAS**, after review of the fee listing the Board confirms the assessments by resolution and the resolution and listing are then submitted to the Napa County Auditor-Controller and included on property tax bills each year for secured properties; and,

**WHEREAS**, the Board has reviewed the listing of prospective assessments and confirms the total assessments of \$801,110.70 and requests the Napa County Auditor-Controller include assessments for secured property of \$768,542.84 in the 2013-2024 property tax billings and requests Napa County Tax Collector to prepare the invoices of the unsecured property owners (mobile home) in the amount of \$32,567.86 and

**WHEREAS**, the Fire Service Fee Board of Review will be noticed subsequent to Board approval of the annual listing in accordance with District Ordinance 2013-01;

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize and increase in the District Fire Service Fee by the amount of 5.39 percent (5.39%), effective July 1, 2023; and

**BE IT FURTHER RESOLVED**, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize the Fire Chief to direct the Napa County Auditor-Controller to include the Fire Service Fee assessments for secured property owners in the amount of \$768,542.84 on the fiscal year 2023-2024 property tax rolls and to issue invoices to unsecured property (mobile home) owners in the amount of \$32,567.86 for a total assessment of \$801,110.70.

Write Off of Uncollectible Fire Service Fees Fiscal Year 2022-2023.

## **RECOMMENDATION**

Adopt [Resolution 2023-18](#) authorizing the write off of uncollectible Fire Service Fees in the amount of \$2,065.84.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

District Ordinance 2013-01 was approved on July 30, 2013 confirming and clarifying District Resolution No 2-80 and Resolution 6-80 which was adopted after voter approved initiative Measure B in June 1980 for an assessment known as the Fire Service Fee. The fee was granted by the voters, Article XIII A of the State Constitution and AB 618 and is solely for the purpose of producing revenue to maintain Fire Service levels. Fire Service Fees are collected by the Napa County Assessor's Office through property taxes on real property. Manufactured homes that are not on the Tax Assessor roles are billed annually and collected by the District. On the attachment to this Staff Report we have listed the fees that we are requesting to write off as bad debt due to our inability to collect for the various reasons indicated.

## **FISCAL IMPACT**

The write off recommended amount is \$2,065.84

2023 Statewide Climate-Related Wildfire & Disaster Prevention and Preparedness Grant.

## **RECOMMENDATION**

Approve [Resolution 2023-19](#) authorizing the Fire Chief to seek funding for Wildland Personal Protective Equipment (PPE) by applying for the 2023 Statewide Climate-Related Wildfire & Disaster Prevention and Preparedness Grant offered by California Fire Foundation, a statewide nonprofit 501(c)(3) charitable organization based in Sacramento. If awarded, the requested funding will not to exceed \$25,000.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

The California Fire Foundation (CFF) is an organization dedicated to providing support and resources that actively address wildfire preparedness and/or prevention needs, which protect and enhance the public's safety and the safety of the firefighters. This grant program is a successful partnership between PG&E and CFF.

If the District is awarded the Grant, the Board gives full support of the District's application and acceptance of the grant with a clear understanding of the long-term reporting obligations of a 2023 Statewide Climate Related Wildfire & Disaster Prevention and Preparedness Grant.

### Compliance with New PPE Regulations

According to California Labor Code Section 147.4, the Department of Industrial Relations Occupational Safety and Health Administration (Cal/OSHA) has updated regulations for PPE, effective January 1, 2023. The new requirements specify that Structural and Wildland Firefighting Protective Ensemble must be retired ten (10) years from the date of manufacture. As of now, our District's turnouts were manufactured in 2007 and need to be replaced to ensure compliance with these regulations.

### Deadline for Compliance

The new regulations allow the District until January 1, 2024, to become fully compliant with the

advanced inspection requirements. However, to meet this deadline, it is imperative that we proactively acquire new PPE for 2024. Our current turnouts have successfully passed in-service requirements for this year, but investing in new Wildland PPE will enable us to maintain the highest safety standards for our firefighters.

To ensure the safety and protection of our firefighting personnel, the District needs to procure complete sets of the following Wildland PPE items:

- Wildland pants
- Wildland jackets
- Helmets with eye protection
- Shrouds
- Gloves

#### Grant Proposal Details

The requested amount will not exceed \$25,000 per CFF. The funds will be utilized to purchase high-quality, compliant PPE equipment that meets the updated regulations and provides our firefighters with optimal protection during wildland firefighting operations.

By securing this grant funding, we will demonstrate our commitment of our firefighters, ensuring they have access to the most up-to-date and effective PPE. The acquisition of new Wildland PPE will enhance their operational capabilities, mitigate risks, and contribute to their overall effectiveness in protecting our community from wildfires.

#### **FISCAL IMPACT**

In the event that the grant is awarded, the District will benefit from a cost reduction of \$25,000 for the purchase of Wildland Protective Personal Equipment. This financial support will directly contribute to our efforts in acquiring the necessary gear to enhance the safety and well-being of our firefighters

Surplus MAKO Air Compressor and the Cascade Bottle System.

## **RECOMMENDATION**

Adopt a [Resolution](#) declaring the MAKO Air compressor and the Cascade Bottle System from the Former Rescue 11 as surplus Fire District property and further authorizes the District Fire Chief to donate or sell the surplus Fire District property.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

After a thorough assessment, it has been determined that both items are no longer serviceable and are beyond repair. As such, it is recommended that they be disposed of or sold for scrap value.

Details of the surplus Fire District property are as follows:

### **MAKO Air Compressor:**

Condition: Not serviceable

Purchased in 1996

Estimated Cost: \$18,500

### **Cascade Bottle System:**

Condition: Not serviceable

Purchased in 1992

Estimated Cost: \$16,000

Considering the current condition and the age of the MAKO Air Compressor and Cascade Bottle System, it is evident that they are no longer viable for operational use within the Fire District. The cost of repairing these items would likely exceed their value, making it impractical to pursue any refurbishment efforts.

## **FISCAL IMPACT**

Original purchase of surplus items:

1. MAKO Air Compressor: \$18,500
2. Cascade Bottle System: \$16,000

Considering the current non-serviceable condition of both the MAKO Air Compressor and Cascade Bottle System, their salvage value for scrapping purposes may vary.

AMERICAN CANYON FIRE PROTECTION DISTRICT  
BOARD AGENDA  
JUNE 27, 2023

STAFF REPORT  
PUBLIC HEARING  
ITEM NUMBER: 14

**TITLE**

Hold a Public Hearing and adopt a resolution approving the Preliminary Budget for the American Canyon Fire Protection District for the Fiscal Year 2023-24.

**CONTACT**

Geoff Belyea, Fire Chief

**RECOMMENDATION**

Hold a Public Hearing and adopt a resolution approving the Preliminary Budget for the American Canyon Fire Protection District for the Fiscal Year 2023-24.

**BACKGROUND & ANALYSIS**

Presented for your review is the American Canyon Fire Protection District's Fiscal Year 2023-24 (FY24) Preliminary Budget. The District's budget establishes a guideline for anticipated revenues and operating expenditures to ensure inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a practical and realistic financial plan for the upcoming fiscal year, ensuring that the enhanced level of firefighter staffing previously authorized by the Board to safeguard our community is maintained. The additional staffing affords both a greater level of fire protection and emergency medical services for the community and greater level of safety for our firefighters during such emergencies. The budget is consistent with the District's mission, vision, and values, and has been prepared with the priorities and resources necessary to accomplish the goals and objectives established by the Board of Directors.

In September 2022, the Fire Chief presented a Long-Range Master Plan that identified three critical issues facing the District moving forward: recruitment and retention of personnel; keeping up with anticipated growth and the ability to adequately staff the district; and the ability to provide additional chief officers (Battalion Chief) for the supervision and training of line staff, along with added administrative support. As demonstrated throughout this report, the budget was developed in furtherance of addressing those critical issues and allows the District to execute its mission to protect and preserve life and property and have a positive impact on the lives of the people and the communities we serve.

The lingering impacts of the pandemic, combined with efforts to combat inflation give rise to economic uncertainty. The District, however, remains in a good financial position heading into FY24. Eighty-three percent (83%) of our revenue is derived from property taxes and property values continue to experience strong and consistent growth due to new construction and a robust local housing market. With this growth and the economy returning to pre-pandemic levels, we anticipate that both our emergency service demands as well as the demands for our

community risk reduction services will continue to increase into the future at rates similar to our pre-pandemic experience.

## FISCAL UNCERTAINTIES HEADING INTO THE FY24 BUDGET YEAR

**Impacts of High Interest Rate/High Inflation Environment** - The annual inflation rate in the US fell to 4.1% in May 2023, the lowest since March 2021, and down from 4.9% in April and 5% in March. This is a positive development as high inflation has the potential to negatively impact District finances by driving up the costs of fuel, new equipment, supplies, and construction. To moderate inflation, the Federal Reserve Bank has been raising the federal funds rate. The increase in the Federal Funds rate directly impacts interest rates, which has a positive impact on the interest earnings of the District's investments but also raises borrowing costs. A high inflation environment can create financial challenges for the District in

the event rising costs outpace revenue growth, while higher interest rates could restrict the amount of available proceeds should the District need to engage in a long-term financing transaction.

**Looming Recession** – While new construction and a strong housing market have been driving growth in District revenues for the last decade, there are still concerns the economy could move into a recession, and then stall just as we are planning for the impacts of major, sustained growth. Then the question becomes whether a recession will be brief, like the one in 2020 caused by COVID-19 impacts on the economy, or long-term like the 2008-2009 economic collapse spurred by the mortgage crisis. Current indications are the fed polices are working to ease inflation without pushing the economy into a severe recession. As a result, this budget was developed assuming development continues as planned. The District has recently completed a Master Plan that provides a roadmap for how we will continue to meet the emergency services needs of the community as it grows over the next decade. Funding for implementation of the Master Plan is dependent upon both one-time and ongoing revenue generated from that new development; the timing of which becomes crucial for implementation of the Master Plan initiatives. We want to be proactive and well situated to meet the increased service demand, yet not so far ahead that the growth in expenses outpaces the growth in revenues and threatens the near-term fiscal stability of the District.

threatens the near-term fiscal stability of the District.

## NEW THIS YEAR

**Continue with District Reorganization/Delegation of Duties** – In recognition of the need for added leadership and supervision of *on-shift* personnel at the line level, last year the Board authorized the hiring of two Battalion Chief (BC) positions that work the same schedule as our firefighters, providing BC coverage for two of the three shifts. These are chief officer positions responsible for planning, organizing, managing, and supervising the personnel, stations, equipment, and emergencies for their assigned shifts, and directly supervising Fire Captains. BC's command and direct emergency scenes, assist in determining long-range goals and objectives, oversee training, assist in preparing and monitoring the budget, and will oversee special studies and projects. In addition to providing supervision, training and administrative support, the BC position creates a career path to the Assistant and Fire Chief positions. A third BC is needed to ensure BC coverage for all three shifts. The FY24 proposed budget contains funding for this third BC position for six months beginning January 1, 2024. The delay in hiring affords the opportunity to confirm property tax revenue for the year and get a better sense of the impact of the economy on local development activity.

**New Apparatus** – In FY23 the District secured lease purchasing financing of \$1,840,000 to replace two of our older Type 1 engines. An upfront payment of \$1,675,000 was issued to the manufacturer, with the remaining funds held in trust for the related “upfitting” costs when the engines are received hopefully sometime in 2024. Payments on the seven-year lease financing will be made utilizing a combination of FF&E funds and developer mitigation fees with little to no expected impact on the General Operating Fund. The annual payment of \$281,000 for FY24 is included in the proposed budget for the FF&E Fund.

The proposed FF&E budget also includes a payment of \$65,000 to Enterprise Leasing for command and administrative vehicles. The two existing command vehicles (2011 and 2016 Ford F-150's) will be sold. The FY24 proposed FF&E Fund budget includes \$65,000 for upfitting and radios for the new command vehicles.

In FY23, FF&E funding of \$20,000 was allocated for the replacement of the Zodiac rescue boat originally acquired in 2002. These boats are specifically designed to meet the demanding requirements of Search & Rescue missions. They are highly portable, can be packed down in a bag and can be rapidly deployed by means of high-pressure inflation systems within minutes. This purchase has been placed on hold while the staff explores grant funding opportunities.

**Radio Communication and Station Alerting** - Our current cache of portable radios is nearing end of life and we are seeking to upgrade and standardize our critical communications platforms, as well as to achieve radio interoperability throughout the county and with neighboring emergency responders. The radios cost approximately \$10,000 each. We were expecting to get six portable radios from the county and funding of \$140,000 was budgeted in the FF&E Fund in FY23 for the purchase of another 14 radios with the overall goal of providing each Firefighter a portable radio. This will enhance communications capabilities on emergency incidents and provide increased safety for our

Firefighters. Fortunately, we were able to secure all radios through a countywide grant at little to no cost to the District.

Funding of \$60,000 to replace the station alert warning system at Station 211 was included in the FF&E Fund in FY23. However, the vendor we were working with is no longer in business and this project has been moved into FY24 and an estimated cost of \$100,000.

### **BUDGET DEVELOPMENT PROCESS**

The District takes a conservative approach to projecting revenues and a realistic approach to projecting expenditures. The Fire Chief is responsible for developing operating and capital budgets in which spending is balanced with forecasted revenue growth and a prudent use of District reserves, while ensuring the District stays on a fiscally sustainable path going forward. Property tax revenues are estimated based on a projection of the year-over-year growth in assessed valuation of property within the District. All other operating revenues are estimated by reviewing service contract agreements, economic factors affecting fees, and estimations using historical data. The District's forecasted payroll expenditures are based on authorized staffing levels with compensation and benefits as outlined in the memorandum of understanding (MOU) with labor and compensation plans non-represented District personnel. Internal budget meetings are held to discuss funding for any new positions, new strategic initiatives, and capital needs. The proposed budget is then reviewed further with the Finance Committee, which consists of the Board Chair and Vice-Chair.

The District prepares a budget pursuant to the budget requirements of state law. Those requirements stipulate the District adopt a preliminary budget by July 1<sup>st</sup> and a final budget by October 1<sup>st</sup> of each year, after the County Assessor has certified the property tax roll for the year. Community members are encouraged to participate in the District's budget process through the public hearings prior to the approval of the preliminary and final budgets by the Board of Directors.

### **BUDGET OVERVIEW**

The budget establishes a guideline for the anticipated revenue and operating expenditures to ensure that inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a logical structure to organize various program costs, projects, and other expenses, as well as a sound system for control of the District's revenues and expenditures. The preliminary General Operations Fund budget for FY23 utilizes a combination of ongoing revenues and reserve funds to further enhance emergency services and preparedness by adding an additional firefighter position, two Battalion Chief positions and funding the replacement of critical safety apparatus.

### **GENERAL OPERATING FUND BUDGET SUMMARY.**

The FY24 General Fund revenue budget totals \$7.2 million, which includes \$6 million in property taxes and \$1.2 million in other operating revenues. The General Fund expenditure budget totals \$7.6 million and includes \$6.6 million in salaries and benefits and \$1 million in other operating expenditures. There is no proposed operating transfer from the General Fund to the Fleet, Facilities and Equipment (FF&E) Fund given recent capital acquisitions. The projected operating budget would use \$445,000 of the reserve balance to fund operating expenses, as compared to \$3,000 for FY23. The following chart provides a summary comparison of projected FY24 preliminary budget operating results with prior actual results:

	2021-22 Actual	2022-23 Final Budget	2022-23 Estimated Actual	2023-24 Preliminary Budget	FY24 vs FY23 Increase/ (Decrease)	Change in %

#### GENERAL OPERATING FUND REVENUE SUMMARY

The primary source of revenue for the District is property taxes, which represent 83% of the General Fund revenue budget. The local real estate market has been experiencing significant growth in the assessed property values within the District's jurisdictions and remained resilient during the pandemic. The District's other major source of operating revenue is the fire assessment fee, which amounts to 12% of projected revenue. The remaining 6% of the revenue budget is comprised of other revenue sources, including fire plan review & inspection fees, AMR contractual funding and investment earnings. The following table and chart show the annual change in the District's revenues over the last eight years:

Fiscal Year	Amount	Increase/(decrease)	Growth Rate (%)
2015-16	\$4,948,862	\$513,447	11.6%
2016-17	\$4,759,472	(\$189,390)	-3.8%
2017-18	\$5,742,240	\$982,768	20.6%
2018-19	\$5,888,763	\$146,522	2.6%
2019-20	\$6,589,716	\$700,954	11.9%
2020-21	\$6,784,951	\$195,235	3.0%
2021-22	\$6,660,590	(\$124,362)	-1.8%
2022-23	\$6,847,331	\$186,742	2.8%
2023-24 (proposed)	\$7,197,319	\$349,988	5.1%

In forecasting the FY24 General Operating Fund revenue budget, a number of factors and expectations were considered in order to provide a balanced revenue budget with sufficient funding for the delivery of services. Historical data and trends were factored in to determine the estimates, along with the economic environment that the District is most likely to encounter in the upcoming fiscal year. Overall, the amounts for FY24 represent a realistic projection of revenue for the upcoming year.

Property taxes are tied to real estate assessed valuations. The real estate market has remained stable and resilient despite the economic slowdown brought on by the COVID-19 pandemic. Property values continue to move in an upward direction, averaging 5.5% growth over the last four years and up 6.7% for FY23. Whether this trend will continue remains to be seen and depends on various factors such as the continued recovery of jobs and businesses, housing supply and demand, development projects, inflation, and interest rates. However, given the relative affordability of the local housing market in comparison with other Bay Area markets, there is reason for optimism regarding continued property tax revenue growth. The property tax revenue has seen steady growth even through the pandemic, averaging 7% over the past eight years. While there are substantial uncertainties in the economic environment, property taxes are still anticipated to increase by 7% in FY24, driven primarily by new development activity.

**GENERAL OPERATING FUND EXPENDITURE SUMMARY**

The District's General Fund expenditures are projected to be approximately \$7.6 million for fire suppression and related operations in FY24. Salaries and benefits represent \$6.6 million or 86% of the District-wide expenditures. Services and supplies are projected at \$723,000 or 10% of the District-wide expenditures and provide for items necessary to carry out the work of the District. The legal, professional and contract services budget is projected at \$335,000 or 4% of overall expenditures. As noted earlier, there is no operating transfer out to the FF&E Fund proposed for FY24 due to recent capital financing activities.

**Salaries and Benefits**

This represents normal compensation for all District personnel such as salaries, stipends, specialty pays, and workers compensation and other benefits including leave cash out, health insurance, dental insurance, life insurance, and post-employment health benefits. For FY24, the preliminary budget is set at \$6.6 million which is an increase of \$890,000 or 15.6% over last year’s amended budget.

Authorized Staffing				
	FY21	FY22	FY23	FY24
All District Personnel	22.3	25.3	27.3	28.3

The budget amount reflects full-year funding for all previously authorized positions, including a full year of the two Battalion Chief positions that were partially funded in FY23. Also included is funding for a 3<sup>rd</sup> Battalion

Chief for six months beginning January 1, 2024. These changes account for the majority of the increase over FY23. Hiring of the 3<sup>rd</sup> BC position is being purposefully delayed to first ascertain whether there is sufficient growth in property taxes and/or other operating revenue to support the added cost.

**Services and Supplies**

Materials and supplies expenditures are for tangible property consisting of materials, equipment, and supplies for operational and administrative use. Also included in this category are expenses related to conference and training registration, memberships and licenses, and travel and transportation. These are essential purchases that are essential to sustaining the District’s day-to-day operations for administering Fire Suppression, EMS, Fire Prevention, and Administrative Support services. The preliminary budget for FY24 is \$531,100, an increase of \$68,000 or 15% from the prior year’s budget due to higher anticipated needs for the upcoming fiscal year, including a communications/phone upgrade and increased cost for 9-1-1 emergency dispatch services.

**Professional/Contractual Services**

Contract services are essential operating expenditures that cover a wide variety of services provided through agreements with various vendors. These include but are not limited to insurance contracts, legal counsel services, financial services, IT support and other general contract services. The FY24 preliminary budget is \$527,000, a \$13,000 thousand or 2.5% increase from the prior year’s budget.

**OTHER ECONOMIC AND OPERATIONAL ISSUES**

**Strategic Plan and Goals** - The District's strategic initiatives for FY24 as discussed with the Board’s Finance Committee are incorporated throughout this budget, many of which pertain in large part to anticipating and preparing the District to meet the expected increase in service demand from the Watson Ranch development and other major development projects. The recently completed Master Plan will help ensure the strategic plans, goals, and priorities of the District support of the vision and ideas designed to shape the future of the District, ensure District resources are in strategic alignment with this vision and that we remain well positioned to meet the all-risk emergency needs of a growing community.

**Pension Funding Policy** - Retirement plan costs involve two basic cost components: the normal cost rate, expressed as a percentage of payroll and the Unfunded Actuarial Liability (UAL), which is a fixed amount payment due each fiscal year. The District receives an annual actuarial plan valuation of its retirement plans from CalPERS each year. The most recent valuation available is for plan year ended June 30, 2021, which set retirement contribution rates for FY24. Each July, the District makes a lump-sum prepayment to CalPERS for the annual UAL fixed payment amount and realizes a discount/savings by doing so. The projected UAL savings for FY24 is \$24,000.

**OPEB Funding Policy** – The retiree medical benefit plan is funded in a similar manner to the pension plan. Plan costs involve two basic cost components: the normal cost rate and the amortization of the OPEB UAL. The District receives an annual actuarial plan valuation of its Other Post-Employment Benefit every two

years. The most recent valuation available is for plan year ended June 30, 2021, which set retiree medical contribution amounts for FY23 and FY24.

## **CONCLUSION**

**Budgetary Priorities** - The District's FY24 Preliminary Budget presents a realistic financial plan for the next fiscal year. It provides for a high level of fire and emergency response services, enhances the leadership and development of our personnel, and places a top priority on the health and safety of the public and our firefighters. Heading into FY24 there are still uncertainties pertaining to the ongoing state of the economy, the high inflation environment, and the level of continued development activity. The District however is moving forward with confidence in our ability to meet the financial and operational challenges that lie ahead, and proactively positioning the District to address the expected increase in demand for emergency services associated with further residential and commercial development.

**Financial Stewardship** - The Board and management place a high priority on closely monitoring the impact of local economic conditions on the District's finances and our ability to maintain service levels, meet infrastructure needs, and to build and maintain prudent reserve balances. The budget preparation and adoption process are guided by the following fundamental fiscal principles:

- Utilize long-range financial planning tools to ensure the District remains financially viable for future generations.
- Ongoing operating expenditures are to be paid with ongoing operating revenues.
- Address the unfunded liabilities associated with employee retirement benefits.
- Services provided by District Staff that have a cost recovery element should be as close to full cost recovery as is feasible.
- Unassigned fund balances at fiscal year-end are allocated to reserves for future uses.

The District has incorporated these principles into its fiscal strategies and uses them to set fiscally responsible short and long-term goals. As a result, the District's reserves remain aligned with Board policy and the long-term financial outlook remains positive. Effective leadership and prudent fiscal practices continue to ensure that the residents and businesses receive the service level that they have come to expect. We will continue to fortify the District's financial sustainability through sound and efficient planning and budgeting to ensure we maintain a high level of emergency services to our growing community.

**Acknowledgements** - This FY24 budget would not be possible without the support, guidance, and strategic direction from the Board with respect to fiscal policies and guidelines for budget development. I also wish to express my appreciation to the union representatives and employees of the District for their ongoing collaboration and willingness to work with the Board and Administration for the long-term good of the District and those we serve. With their cooperation and commitment to providing the best possible service within available funding constraints, we have been able to stabilize our finances, enhance the delivery of essential emergency services and keep the District on a fiscally sustainable path moving forward.

We would like to express our appreciation as well to the City of American Canyon for their continuing support of our public safety partnership.

And thank you to the taxpaying public, our residents, and area businesses for their support, cooperation, and partnership with the District in making our community an outstanding and safe place to play, work and live.

**BOARD PRIORITY PROGRAMS AND PROJECTS**

The overarching goal of the Districts Strategic Plan is to provide the community of American Canyon with the highest possible level of service balanced with long term financial sustainability. Strategic Initiative #5 is to develop a fixed assets and apparatus and equipment preventative maintenance and capital improvement program.

**Resolution 2023-21**

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT  
ADOPTING THE PRELIMINARY BUDGET FOR FISCAL YEAR 2023-24**

**WHEREAS**, On June 27, 2023, the Board of Directors of the American Canyon Fire Protection District (District) held a Public Hearing on the proposed preliminary operating budget for Fiscal Year 2023-24; and

**WHEREAS**, it is the intent of the Board of Directors of the District to adopt the proposed preliminary operating budget for Fiscal Year 2023-24; and

**WHEREAS**, the Health & Safety Code (§13800, et seq.) requires the Fire District to adopt a preliminary budget prior to July 1 of each year; and

## **TITLE**

[Joint Powers Agreement between Napa City, Napa County, and the American Canyon Fire Protection District.](#)

## **RECOMMENDATION**

Approve the Joint Powers Agreement for services between City of Napa, Napa County, a political subdivision of the State of California, and the American Canyon Fire Protection District, a subsidiary special district to collaborate on providing fire protection and emergency response services.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

The agreement is based on the Joint Exercise of Powers Act, which allows two or more public agencies to jointly exercise any power common to each of them. The parties recognize the benefits of fire resource sharing and collaboration to enhance fire protection and emergency response services. The agreement provides for the provision of shared and cooperative Fire Services and functions on a case-by-case basis.

A party may request Fire Services from another party by submitting a written request at least 20 business days prior to the expected commencement of the requested services. The request should specify the scope of services, personnel, equipment and materials needed, the dates for which the services are requested, and the location of the services. The Assisting Party shall notify the Requesting Party within five business days of receipt of the request whether it accepts or rejects the request. Untimely requests may be considered at the discretion of the Assisting Party's Fire Chief.

The Requesting Party shall be responsible for the safekeeping of equipment provided by the Assisting Party and shall promptly return such equipment to the Assisting Party unless the Assisting Party agrees to retrieve it. The Requesting Party shall pay the Assisting Party for all costs incurred in providing services, including staff time, materials, and equipment. Compensation for staff time shall be the then-current Fully Burdened Overhead Rate for the Assisting Party's employee performing the services, and compensation for materials shall be the Assisting Party's actual cost for acquiring the materials.

The Assisting Party shall submit an invoice to the Requesting Party for the Fire Services provided, based on the rates set forth in the agreement. Payments of any undisputed amounts shall be due within thirty days after receipt of the Invoice. If any Party disputes any portion of the Invoice, it shall provide written notice of the dispute to the other Party within thirty days after receipt of the disputed Invoice, and the Parties shall thereafter cooperate in good faith to resolve the dispute.

All Fire Services performed by each Party shall be performed by, or under the supervision of, that Party's Fire Chief unless otherwise designated in writing by the Fire Chief. Each Party shall indemnify, defend and hold harmless the other Party, its officers, agents, and employees from any and all claims, losses, damages, expenses, or liabilities arising out of or related to the Fire Services provided under the agreement. The agreement may be terminated by any Party upon thirty days' written notice to the other Parties.

### **FISCAL IMPACT**

The fiscal impact of the agreement is likely to be offset by the benefits of improved collaboration and efficiency in the provision of fire protection and emergency response services. By pooling resources and expertise, the parties can better respond to emergencies and provide more effective protection to the community while reducing costs and avoiding duplication of effort.

This Joint Powers Agreement (this “Agreement”) is made and entered into by and between the CITY OF NAPA, a California charter city (“Napa”), NAPA COUNTY, a political subdivision of the State of California (“County”), and AMERICAN CANYON FIRE PROTECTION DISTRICT, a subsidiary special district of the City of American Canyon (“District”), on the date (the “Effective Date”) identified on the signature page. Napa, County, and District may be hereinafter individually identified as “Party,” or collectively, as “Parties.”

**RECITALS**

1. **WHEREAS**, pursuant to the Joint Exercise of Powers Act (Government Code section 6500 et seq.), two or more public agencies may by agreement jointly exercise any power common to each of the agencies; and
2. **WHEREAS**, Government Code section 6502 provides that by such agreement, the parties may jointly exercise their common powers within their own or each other’s geographic jurisdictions; and
3. **WHEREAS**, Government Code section 6504 provides that to implement the common purpose the parties to such agreement may designate one of the parties, in lieu of an independent agency, to receive from the other parties and disburse payments or advances of public funds, personnel, equipment, or property; and
4. **WHEREAS**, WHEREAS, the Parties to this Agreement recognize the benefits of fire resource sharing and collaboration for the purposes of enhancing fire protection and emergency response services (“Fire Services”) to the jurisdictions that are parties to this Agreement.

5. **WHEREAS**, on occasion, the Parties do not have sufficient staffing, equipment, and/or other resources to perform, support, or enhance their services in their respective boundaries and service areas, and seek the assistance of other local agencies to meet those needs.

6. **WHEREAS**, the Parties desire to enter into an agreement for the provision of shared and cooperative Fire Services and functions under the terms and provisions provided herein.

**NOW, THEREFORE**, Napa, the County, and the District, for the mutual consideration described herein, agree as follows:

**1. REQUEST FOR SERVICES.**

**1.1. Services Provided on Case-By-Case Basis.** Fire Services may be provided by one or more Parties to another Party participating in this Agreement on a case-by-case basis as such cases are identified and agreed upon by the Parties in accordance with the procedures set forth herein. Nothing contained herein is intended to alter or replace language specific to existing Mutual Aid, Automatic Aid, Assistance by Hire (“ABH”), or other agreements between participating agencies.

**1.2. Process for Making a Request.** A Party may request (“Requesting Party”) Fire Services from the other Party (“Assisting Party”) by submitting a written request to the Assisting Party’s Fire Chief or Authorized Representative at least twenty (20) business days prior to the date the requested services are expected to commence. The request for Fire Services shall specify the scope of the services, the personnel, equipment and/or materials requested, the dates for which the services are requested (including the number of hours of per day), and the location of the services. Within five (5) business days from receipt of the Requesting Party’s request, the Assisting Party shall notify the Requesting Party whether it accepts or rejects the request. The decision to accept or reject a request shall be made at the sole discretion of the Assisting Party’s Fire Chief. Untimely requests may be considered at the sole discretion of the Assisting Party’s Fire Chief.

**2. RESPONSIBILITIES OF REQUESTING PARTY.** The Requesting Party shall be responsible for the safekeeping of equipment provided by the Assisting Party and shall promptly return such equipment to the Assisting Party to the location specified by the Assisting Party (unless the Assisting Party agrees to retrieve the equipment) and in the same condition as it was received by the Requesting Party. Any damage caused by the requesting party while the equipment is under their care shall be repaired at the expense of the requesting party.

**3. COMPENSATION.** The Requesting Party shall pay the Assisting Party for all costs incurred by the Assisting Party in providing services to the Requesting Party pursuant to this Agreement. Compensation for staff time shall be the then-current fully burdened overhead rate (the “Fully Burdened Overhead Rate”) for the Assisting Party’s employee

performing the services. The Fully Burdened Overhead Rate is an hourly billable rate that captures all of the Assisting Party's costs (direct and indirect) associated with an employee, over and above gross compensation or payroll costs. Typical costs associated with the Fully Burdened Overhead Rate include payroll taxes, worker's compensation, health insurance, paid time off, pension contributions, other benefits, and indirect costs including departmental and agency-wide administrative overhead allocations. The applicable Fully Burdened Overhead Rate will depend on the employee performing the services as each employee has a different Fully Burdened Overhead Rate that is calculated based on that particular employee's salary and benefits. Each Party shall document and provide to the other Party, along with each invoice, the method/formula on which the Party relies for calculating the Fully Burdened Overhead Rate for its employees.

Compensation for materials shall be the Assisting Party's actual cost for acquiring the materials. Compensation for equipment shall be the applicable prorated monthly rental fleet rate for each piece of equipment.

4. **BILLING AND PAYMENT.** Within thirty (30) days of completion of a task, the Assisting Party shall submit an invoice ("Invoice") to the Requesting Party for the Fire Services, provided by that Party pursuant to this Agreement. The Invoice shall identify the services performed, the dates of such services and the charges therefor, based upon the rates set forth in Section 3 of this Agreement. Payments of any undisputed amounts shall be due within thirty days after receipt of the Invoice. If any Party disputes any portion of the Invoice submitted by another Party, that Party shall provide written notice of the dispute to the other Party within thirty (30) days after receipt of the disputed Invoice, and the Parties shall thereafter cooperate in good faith to resolve the dispute.
5. **AUTHORIZED REPRESENTATIVES.** All Fire Services performed by each Party under this Agreement shall be performed by, or under the supervision of, that Party's Fire Chief unless otherwise designated in writing by the Fire Chief as that party's Authorized Representative ("Authorized Representative").
6. **INFORMATION AND DOCUMENTATION.**
  - 6.1. **Accounting Records.** All parties shall maintain all accounting records related to this Agreement in accordance with generally accepted accounting principles and state law requirements, and in no event for less than four years. The accounting records to be maintained in accordance with this Agreement shall include, at a minimum, documents which support costs and expenses related to this Agreement, including documentation of requests for services, services performed, invoices, and payments. Each Party's accounting records shall be made available to the other Party within a reasonable time after request, during normal business hours.
  - 6.2. **Ownership of Work Product.** All original documents prepared by the Assisting Party (including its employees and agents) in performing the services under this

Agreement (“work product”), whether complete or in progress, shall become the property of the Assisting Party, and shall be given to the Requesting Party at the completion of services, or upon demand by the Requesting Party. Each Party shall have a right to make and keep copies of the work product.

7. **RELATIONSHIP BETWEEN THE PARTIES.** Each Party is an independent “public agency,” as defined by Government Code section 6500, and this Agreement does not create a separate legal entity. Each Party shall, at all times, remain an independent public agency solely responsible for all acts of its employees or agents, including any negligent acts or omissions, except as otherwise provided in Section 10(y) of this Agreement.
  - 7.1. Each Party (including its employees and agents) is not an agent of the other and shall have no authority to act on behalf of, or to bind to any obligation whatsoever, unless the Party provides prior written authorization. All Parties are not an officer or employee of the other, and shall not be entitled to any benefit, right, or compensation other than that provided in this Agreement.
8. **COMPLIANCE WITH LAW.** Each Party shall comply with all applicable legal requirements including all federal, state, and local laws (including ordinances and resolutions), whether or not said laws are expressly stated in this Agreement.
9. **INSURANCE.** Each Party shall, throughout the duration of this Agreement, maintain the following insurance (including, for the purpose of this section, self-insurance or coverage under a self-insurance pool) to cover each of their respective interests related to work performed under this Agreement (including coverage for their employees and agents). Concurrently with the execution of this Agreement, and prior to the commencement of any services, each Party shall provide the other with written proof of insurance (including self- insurance or self-insurance pool coverage) (certificates and endorsements), in a form acceptable to the other Parties. Each Party shall provide substitute written proof of insurance no later than thirty (30) days prior to the expiration date of any insurance coverage required by this Agreement.
  - 9.1. Commercial General Liability (with coverage at least as broad as ISO form CG 00 01 01 96) coverage in an amount not less than \$1,000,000 (ONE MILLION DOLLARS) per general occurrence for general liability, bodily injury, personal injury, and property damage. Each Party shall name the other as an additional covered Party or an additional insured.
  - 9.2. Automobile Liability (with coverage at least as broad as ISO form CA 00 01 07 97, for “any auto”) coverage in an amount not less than \$1,000,000 (ONE MILLION DOLLARS) per occurrence for bodily injury and property damage.
  - 9.3. Workers’ Compensation coverage as required by the State of California.

**10. Indemnification.** To the full extent permitted by law, each Party (“Indemnifying Party”) shall indemnify, hold harmless, release, and defend the other Party (including its officers, elected or appointed officials, employees, volunteers, and agents) (“Indemnified Party”) from and against any and all liability or claims (including actions, demands, damages, injuries, settlements, losses, or costs [including legal costs and attorney’s fees]) (collectively, “Liability”) of any nature, arising out of, pertaining to, or relating to the following: (x) the acts or omissions of the Indemnifying Party or its officers, agents, or employees under this Agreement; and (y) the acts or omissions of the employees or agents of the Indemnified Party under this Agreement working under the direction and control of the Indemnifying Party if such acts or omissions are within the scope of employment under the direction and control of the Indemnifying Party. Except as set forth in subsection (y) above, an Indemnifying Party will not be obligated to indemnify the Indemnified Party for the proportionate share of the Liability caused by the active negligence, sole negligence, or willful misconduct of the Indemnified Party. An Indemnifying Party’s indemnification obligations under this Agreement are not limited by any limitations of any insurance held by it, including, but not limited to, workers’ compensation insurance.

**11. TERM OF THE AGREEMENT.** The term of this Agreement begins on the date it is signed by the Clerk of the City of Napa, below, attesting to full execution of the Agreement by all Parties (“Effective Date”) and shall continue in effect until it is terminated in accordance with Section 12 of this Agreement.

**12. TERMINATION.** This Agreement may be terminated by any Party without cause by providing 30 days’ written notice of termination to all other Parties’ Authorized Representative, effective upon the date set forth in the notice; provided however, if a non-terminating Party made a request for services to the terminating Party, which the terminating Party agreed to accept in accordance with Section 1.2 of this Agreement prior to the non-terminating Party’s receipt of the written notice of termination, the notice of termination shall not be effective until after the terminating Party has provided the requested services to the non-terminating Party. If a Party exercises its right to terminate this Agreement in accordance with this Section, each Party shall pay all other Parties for all services satisfactorily performed in accordance with this Agreement, up to and including the effective date of the termination in accordance with the rates set forth in Section 3 and the procedures set forth in Section 4 of this Agreement.

**13. DEFAULT.** If a Party (“demanding Party”) has a good faith belief that another Party (“defaulting Party”) is not complying with the terms of this Agreement, the demanding Party shall give written notice of the default (with reasonable specificity) to the defaulting Party, and demand the default to be cured within ten days of the notice. If: (a) the defaulting Party fails to cure the default within ten (10) days of the notice, or, (b) if more than ten (10) days are reasonably required to cure the default and the defaulting Party fails to give adequate written assurance of due performance within ten (10) days of the notice, then (c) the demanding Party may terminate this Agreement upon written notice to the defaulting Party.

**14. NOTICES.** All notices or requests required or contemplated by this Agreement will be in writing and delivered to each Party's Fire Chief or Authorized Representative by personal delivery, U.S. Mail, nationwide overnight delivery service, email, or as otherwise specified herein. Delivery is deemed effective upon the first to occur of: (a) actual receipt by a Party's Fire Chief or Authorized Representative, (b) actual receipt at the address identified below, or (c) three (3) business days following deposit in the U.S. Mail of registered or certified mail sent to the address identified below. A Party's contact information, below, may be changed by providing written notice of any change to all other Parties.

**15. HEADINGS.** The heading titles for each section of this Agreement are included only as a guide to the contents and are not to be considered as controlling, enlarging, or restricting the interpretation of the Agreement.

**16. SEVERABILITY.** If any term of this Agreement (including any phrase, provision, covenant, or condition) is held by a court of competent jurisdiction to be invalid or unenforceable, the Agreement will be construed as not containing that term, and the remainder of this Agreement will remain in full force and effect; provided, however, this section will not be applied to the extent that it would result in a frustration of the parties' intent under this Agreement.

**17. GOVERNING LAW, JURISDICTION, AND VENUE.** The interpretation, validity, and enforcement of this Agreement will be governed and interpreted in accordance with the laws of the State of California. Any suit, claim, or legal proceeding of any kind related to this Agreement will be filed and heard in a court of competent jurisdiction in the County of Napa.

**18. ATTORNEY'S FEES.** If any litigation is commenced to enforce or interpret this Agreement, the prevailing Party is entitled to reasonable attorney's fees, costs, and expenses incurred.

- 19. MODIFICATIONS.** This Agreement may not be amended or modified orally. No amendment or modification of this Agreement is binding unless it is in a writing signed by both parties.
- 20. WAIVERS.** No waiver of a breach, default, or duty under this Agreement will be effective unless it is in writing and signed by the Party waiving the breach, default, or duty. Waiver of a breach, default, or duty under this Agreement will not constitute a continuing waiver or a waiver of any subsequent breach, default, or duty under this Agreement.
- 21. ENTIRE AGREEMENT.** This Agreement, including all documents incorporated herein by reference, comprises the entire integrated understanding between the parties concerning the Services. This Agreement supersedes all prior negotiations, agreements, and understandings regarding this matter, whether written or oral. The documents incorporated by reference into this Agreement are complementary; what is called for in one is binding as if called for in all. If any provision in any document attached or incorporated into this Agreement conflicts or is inconsistent with a provision in the body of this Agreement, the provisions in the body of this Agreement will control over any such conflicting or inconsistent provisions.
- 22. INTERPRETATION.** Each Party to this Agreement has had an opportunity to review the Agreement and consult with its respective legal counsel regarding the meaning of the Agreement. Accordingly, California Civil Code section 1654 will not apply to interpret any uncertainty in the meaning of the Agreement.
- 23. PRIVILEGES AND IMMUNITIES.** In accordance with California Government Code section 6513, all of the privileges and immunities from liability, all exemptions from laws, ordinances, and rules, and all pension, relief, disability, workmen's compensation, and other benefits which apply to the activity of the trustees, officers, employees, or agents of the Parties when performing their functions within the territorial limits of their respective public agencies, shall apply to them to the same degree and extent while engaged in the performance of any of their functions and duties associated with performance of this Agreement.
- 24. COUNTERPARTS.** This Agreement may be executed in counterparts, each one of which is deemed an original, but all of which together constitute a single instrument.
- 25. SIGNATURES.** The individuals executing this Agreement represent and warrant that they have the right, power, legal capacity, and authority to enter into and to execute this Agreement on behalf of the respective legal entities.

## **TITLE**

Approve the establishment of the Firefighter/Paramedic Trainee position.

## **RECOMMENDATION**

Adopt a [Resolution](#) approving the establishment of Firefighter/Paramedic Trainee positions.

## **CONTACT**

Geoff Belyea, Fire Chief

## **BACKGROUND & ANALYSIS**

The District has taken a proactive approach to address the shortage of firefighter/paramedic candidates by introducing a new Firefighter/Paramedic Trainee position. This position provides candidates with a comprehensive training program at an approved fire academy, which helps ensure a pipeline of qualified individuals for the line staff once they complete their studies.

The Firefighter/Paramedic Trainee position is an apprentice-level, non-sworn position in the Fire District. Successful candidates must satisfactorily pass all the requirements of the Academy before becoming candidates for the sworn position of Fire Fighter. This requires the ability to learn general principles and practices of accepted fire suppression and prevention operations, as well as the ability to perform basic and advanced life support procedures in a timely and effective manner.

Candidates for this position must possess a valid State of California Emergency Medical Technician-Paramedic (EMT-P) license, a valid California Driver's license, and a High School diploma or GED. They must also meet the physical requirements necessary to perform assigned duties in a safe and effective manner for self and others.

The District recognizes the importance of supporting its Firefighter/Paramedic Trainees during their training, and as such, it will pay trainees \$5,502.20 per month. This financial support is an important step in encouraging more individuals to pursue a career in firefighting and emergency medical services.

Upon completion of their studies, trainees will join the District's line staff as full-time firefighter/paramedics. This is a great opportunity for individuals who are interested in pursuing a

career in firefighting and emergency medical services. The District is committed to providing the necessary training and support to help trainees become successful firefighter/paramedics.

Overall, the introduction of the Firefighter/Paramedic Trainee position is a positive step towards addressing the staffing needs of the District and ensuring that the community is adequately protected. By providing support to candidates during their training, the District is investing in the future of its firefighting and emergency medical services. This position requires a new job description (Exhibit B).

### **FISCAL IMPACT**

During the trainee's attendance at the academy, the District will provide financial support by paying them a monthly stipend of \$5,502.20. The District has factored in the cost of a firefighter's salary in its budget once the trainees successfully complete the academy and join the line staff.

**FIREFIGHTER/PARAMEDIC-TRAINEE****Definition:**

This is an entry-level classification and differs from the Firefighter/ Paramedic position in that the Firefighter/Paramedic Trainee is assigned to a Firefighter Training Academy (meets or exceeds the standards for certification by the State Board of Fire Services and the Office of State Fire Marshal) designed to provide an overview of the basic level of training to function in a line position as a Firefighter/Paramedic. Training may include firefighting techniques and procedures, emergency medical training and rescue and hazardous materials training.

**Class Characteristics:**

This position is considered a temporary, non-sworn, unrepresented, at-will position in the Fire District. Incumbents are assigned to the Fire Academy and must satisfactorily pass all the requirements of the Firefighter Training Academy before becoming candidates for the sworn position of Fire Fighter/ Paramedic. Assignment to this classification is temporary. Incumbents that do not successfully complete the Firefighter Training Academy within the time established for completion will be terminated.

**Examples of Duties:**

Duties may include, but are not limited to, the following:

- Participate in and successfully complete and graduate from a comprehensive training program at an approved Firefighter Training Academy for a specified period of time.
- Successfully perform all related learning and testing activities.
- Perform related work while awaiting assignment to the Firefighter Training Academy.
- Perform related duties as assigned.
- Attend all academy courses and training in accordance with the academy schedule which may include varied days and/or hours

**SUPERVISION RECEIVED AND EXERCISED:**

- Under general direction of the Fire Officer and/or Fire Academy supervisor, and in a non-sworn/non-suppression capacity, attend and participate in a Firefighter I academy/training program (meets or exceeds the standards for certification by the State Board of Fire Services and the Office of the State Fire Marshal). The Trainee is responsible to learn, train, and successfully perform all related learning and testing activities relative to the technical knowledge, skills and physical capabilities required to perform in the capacity of a State of California certified Firefighter I.
