BACKGROUND & ANALYSIS

On April 26, 2022, Board member Mark Joseph requested staff to provide him and the Board with an overview and explanation of Section 201 of the State of California Emergency Medical Act. The primary genesis of this request stemmed from Board member Joseph's recent participation in the 2022 California Fire Districts Association conference and meeting on April 5, 2022 through April 8, 2022 in Napa. While attending this conference, Mr. Joseph participated in at least one educational session that addressed the impacts of historical and recent efforts by the California Fire Service to address statewide and local interpretation and enforcement of regulations impacting the delivery of emergency medical services provided by fire departments.

Why are 201 Rights of interest or important to our Fire District?

Section 1797.201 of the Health and Safety Code states: "Upon the request of a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, a county shall enter into a written agreement with the city or fire district regarding the provision of prehospital emergency medical services for that city or fire district. Until such time that an agreement is reached, prehospital emergency medical services shall be continued at not less than the existing level, and the administration of prehospital EMS by cities and fire districts presently providing such services shall be retained by those cities and fire districts, except the level of prehospital EMS may be reduced where the city council, or the governing body of a fire district, pursuant to a public hearing, determines that the reduction is necessary."

Hence, fire departments who have provided a level of EMS service since June 1, 1980 can continue to provide that same level of service until such time the fire department enters into a formal agreement with the county of a defined level of service.

Why are Fire Departments in the EMS business?

Your fire department has provided emergency medical response services in one form or another since the formation of the American Canyon Volunteer Fire Department and the successor organization, the American Canyon Fire Protection District when it was formed in 1957. Initially those emergency medical services were best described as First Aid and Basic Life Support (CPR, control of bleeding and stabilization and splinting of broken bones, etc.) in nature. In 2014, the Fire District increased its level of service to Advance Life Support (ALS) with the inclusion of paramedic trained firefighters on District response apparatus. It has always been the intention and mission of the Fire District to provide the highest level of emergency medical service feasible given department staffing/resources and the expressed needs of the community.

California Fire Protection Districts receive their statutory authority to exist and provide service under guidelines established in State Law (Section 13800, et seq.) within the Health Safety Code (California Administrative Code). The current version of the Fire Protection District Law was most recently updated in 1987. **Chapter 5 General Powers and Duties Section 13862 (c) specifically establishes that a Fire Protection District shall have the power to provide Emergency medical services.**

Over the course of the past 3+ decades, across the State from San Bernardino County, Stanislaus and Sonoma Counties, local Fire Departments, County Local EMS Agencies (LEMSA) and the State EMS Agency have done battle over who regulates and defines the level and delivery of emergency medical services locally. Some of these conflicts have found their way to the State Supreme Court, in efforts to clarify and define statutory authority of over City and Fire Protection Districts abilities to define the level and provision of emergency medical response services at a local level, including ambulance transport. The majority of these battles have centered around conflicts emerging from interpreting the intent of Section 201 of the California Emergency Medical Services Act and its reference to 'grandfathering'. Fire Districts and Cities which were providing either Basic Life Support (BLS) or Advanced Life Support (ALS) paramedic services prior to the adoption of the EMS Act on June 1, 1980 were allowed to continue to provide those services under 'grandfathering' language found in Section 201 of the Act.

According to a February 1, 2015 opinion of the California Attorney General, this portion of the EMS Act was legislatively intended to be only temporary and a bridge to assist the State and local County EMS agencies time to develop strategies to address the historic provision and management of EMS at a local level where City Fire Departments and Fire Protection Districts were already delivering ems in their jurisdictions. **The legislation prescribed a mechanism in which the City and Fire Protection District would need to enter into a written agreement regarding the provision of prehospital emergency medical services with the LEMSAs. The EMS Act also specified that until such an**

agreement was reached, the City and Fire Protection District shall continue to provide services at existing levels and the administration of these services shall be retained by the cities and fire districts. This language has essentially allowed for there to be a stalemate between the cities, fire districts and the LEMSAs over the implementation of this provision and written agreements between the cities, fire protection districts and the local EMS agencies.

Additionally, a lack of recognition of the level at which local government (Cities and Fire Protection Districts) were financially and organizationally committed to the delivery of these services in many cases has led to tension and in some cases litigation over who defines the level and degree of EMS services across the state. The approach of the EMS Act was to vest the authority and oversight of Statewide and local EMS management with the Counties and their LEMSA. In a somewhat contradictory legislative language and intent, Cities and Fire Protection Districts also have statutory authority defined in State Law to manage and delivery EMS in their jurisdictions. The Legislature in its efforts to try and address the coordination and the delivery of emergency medical services across the State and locally may have intentionally or unintentionally underestimated the importance of the role that local fire departments perform on a daily basis in the delivery of pre-hospital emergency medical care. Based on who and how Section 201 wording is interpreted, there will continue to be a difference of opinion between Cities, Fire Protection Districts and the State EMSA and County LEMSAs until new legislation is adopted specifically designed to address these conflicts.

The delivery of prehospital emergency medical care has been a complex and multi-faceted challenge statewide since the early 1970s. The EMS Act of 1980 was the States attempt at bringing oversight and continuity to the delivery of these services. The impacts of Managed Healthcare, medical reimbursement challenges for all levels of medical service providers, the impacts of Mental Health patient service needs, indigent and homeless, cost of Trauma Services and Air Medical transportation services all require a coordinated and comprehensive response across the prehospital and clinical medicine delivery systems. No one provider or component of the existing ems delivery system has the financial or physical resources to address all of these challenges adequately. Funding will always be inadequate given the scale of the problems that we are faced with currently and lack of collaboration that seems to be happening both locally and on a statewide level. Locally, here in Napa County there needs to be a better recognition of the value of what local fire departments bring to the table in the daily delivery of prehospital emergency medical care.

Health and Safety Code 1797.201 (Contracts with Local Government for EMS Services)

Upon the request of a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, a county shall enter into a written agreement with the city or fire district regarding the provision of prehospital emergency medical services for that city or fire district. Until such time that an agreement is reached, prehospital emergency medical services shall be continued at not less than the existing level, and the administration of prehospital EMS by cities and fire districts presently providing such services shall be retained by those cities and fire districts, except the level of prehospital EMS may be reduced where the city council, or the governing body of a fire district, pursuant to a public hearing, determines that the reduction is necessary. Notwithstanding any provision of this section the provisions of Chapter 5 (commencing with Section 1798) shall apply. (Added by Stats. 1980, Ch. 1260.)

AMENDED IN SENATE APRIL 12, 2021

SENATE BILL

No. 443

Introduced by Senator Hertzberg

February 16, 2021

An act to ~~amend Sections 13115 and 13120 of the Elections Code, relating to elections; amend Section 1798.8 of, and to add Sections 1797.91 and 1797.232 to, the Health and Safety Code, relating to emergency medical services.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 443, as amended, Hertzberg. ~~Referendum measures. Emergency medical services (EMS): prehospital EMS.~~

Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, governs local emergency medical services (EMS) systems and authorizes each county to develop an EMS program and designate a local EMS agency. Existing law requires a county to enter into a written agreement with a city or fire district that contracted for or provided prehospital EMS as of June 1, 1980. Existing law requires, until that written agreement is reached, prehospital EMS to be continued at not less than the existing level and the administration of prehospital EMS by cities and fire districts contracting for or providing those services as of June 1, 1980, to be retained by those cities and fire districts.

This bill would require a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, to be deemed to retain its authority regarding, and administration of,

the prehospital emergency medical services when a city or fire district enters into an agreement with a county for the joint exercise of powers regarding prehospital emergency medical services for that city or fire district, or ceases to contract for, provide, or administer prehospital emergency medical services as a result of a judicial finding, as specified. The bill would clarify the Legislature’s intent that a city’s or fire district’s entry into a written agreement, as described, does not make the city or fire district ineligible to contract with a county, as described above, or result in the transfer, termination, relinquishment, or extinguishment of that city’s or fire district’s authorities regarding, or administration of, prehospital emergency medical services, and to abrogate contrary judicial holdings.

Under the act, the medical direction and management of an emergency medical services system is under the medical control of the medical director of the local EMS agency. The act requires the medical control to be maintained in accordance with standards for medical control established by the Emergency Medical Services Authority. The act prohibits this medical control from being construed to limit, supplant, prohibit, or otherwise alter a public safety agency’s authority to directly receive and process requests for assistance originating within the public safety agency’s territorial jurisdiction through the emergency “911” system.

This bill would clarify the Legislature’s intent by clarifying the scope and breadth of this medical control as described under the act, to restrict local EMS agencies’ medical control authority over public safety agencies, as specified, and to clarify that a public safety agency does not transfer any of the public safety agency’s authority regarding the administration of emergency medical services by adhering, or agreeing to adhere, to a local EMS agency’s medical control authority, and to abrogate contrary judicial holdings.

~~(1) Existing law specifies the order in which statewide ballot measures are required to appear on the ballot, with referendum measures required to be last after all initiative measures.~~

~~This bill would instead require initiative and referendum measures to appear in the order in which they qualify for the ballot.~~

~~(2) The California Constitution provides that the electors may approve or reject a statute by referendum. Senate Constitutional Amendment 1 of the 2021–22 Regular Session, if approved by the voters, would require that the ballot for a referendum measure provide that a “Yes” vote is in favor of the referendum and rejects the statute or part of the statute~~

subject to the referendum, and a “No” vote is against the referendum and approves the statute or part of the statute subject to the referendum, thus requiring a majority vote in favor of the referendum to reject the statute or part of the statute subject to the referendum.

~~This bill would make conforming statutory changes contingent on the approval of the voters of SCA 1 of the 2021–22 Regular Session.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~-no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1797.91 is added to the Health and Safety
2 Code, to read:
3 1797.91. “Level of prehospital EMS” or “level” means the
4 quantity of available staff, vehicles, and equipment, as well as the
5 character of available EMS services as constituting basic life
6 support, advanced life support, or limited advanced life support.
7 SEC. 2. Section 1797.232 is added to the Health and Safety
8 Code, to read:
9 1797.232. (a) When a city or fire district that contracted for
10 or provided, as of June 1, 1980, prehospital emergency medical
11 services, enters an agreement with a county for the joint exercise
12 of powers under Chapter 5 (commencing with Section 6500) of
13 Division 7 of Title 1 of the Government Code regarding prehospital
14 emergency medical services for that city or fire district, or ceases
15 to contract for, provide, or administer prehospital emergency
16 medical services as a result of *City of Oxnard v. County of Ventura*
17 (2021) 71 Cal.App.5th 1010, the city or fire district shall be deemed
18 to retain its authorities regarding, and administration of, the
19 prehospital emergency medical services pursuant to Section
20 1797.201.
21 (b) In enacting this section, it is the intent of the Legislature to
22 clarify that a city’s or fire district’s entry into a written agreement
23 as described in subdivision (a) of this section does not make the
24 city or fire district ineligible for Section 1797.201 or result in the
25 transfer, termination, relinquishment, or extinguishment of that
26 city’s or fire district’s authorities regarding, or administration of,
27 prehospital EMS, under Section 1797.201, and to abrogate any
28 contrary holdings in *City of Oxnard v. County of Ventura* (2021)
29 71 Cal.App.5th 1010 and other judicial decisions.

1 *SEC. 3. Section 1798.8 of the Health and Safety Code is*
2 *amended to read:*

3 1798.8. (a) Notwithstanding any provision of this division,
4 medical control by a local EMS agency medical director, or
5 medical direction and management of an emergency medical
6 services system, as described in this chapter, shall not be construed
7 to do any of the following:

8 (1) Limit, supplant, prohibit, or otherwise alter a public safety
9 agency's authority to directly receive and process requests for
10 assistance originating within the public safety agency's territorial
11 jurisdiction through the emergency "911" system established
12 pursuant to Article 6 (commencing with Section 53100) of Chapter
13 1 of Part 1 of Division 2 of Title 5 of the Government Code. This
14 paragraph does not supersede the local EMS agency's authority
15 to adopt and implement emergency lifesaving instructions or EMD
16 prearrival instructions.

17 (2) Authorize or permit a local EMS agency to delegate, assign,
18 or enter into a contract in contravention of subdivision (b) of
19 Section 53110 of the Government Code.

20 (3) Authorize or permit a local EMS agency to unilaterally
21 reduce a public safety agency's response mode below that of the
22 EMS transport provider, prevent a public safety response, or alter
23 the deployment of public safety emergency response resources
24 within the public safety agency's territorial jurisdiction.

25 (4) Authorize or permit a local EMS agency to prevent a public
26 safety agency from providing mutual aid pursuant to the California
27 Emergency Services Act (Chapter 7 (commencing with Section
28 8550) of Division 1 of Title 2 of the Government Code).

29 (b) A public safety agency's adherence to the policies,
30 procedures, and protocols adopted by a local EMS agency does
31 not constitute a transfer of any of the public safety agency's
32 authorities regarding the administration of emergency medical
33 services.

34 (c) *In enacting this section, it is the intent of the Legislature to*
35 *clarify the scope and breadth of medical control as described in*
36 *this chapter, restrict local EMS agencies' medical control authority*
37 *over public safety agencies as specified in this section, clarify that*
38 *a public safety agency does not transfer any of the public safety*
39 *agency's authorities regarding the administration of emergency*
40 *medical services by adhering, or agreeing to adhere, to a local*

1 *EMS agency's medical control authority, and abrogate any*
2 *contrary holdings in County of San Bernardino v. City of San*
3 *Bernardino (1997) 15 Cal.4th 909 and other judicial decisions.*

4 SECTION 1. ~~Section 13115 of the Elections Code is amended~~
5 ~~to read:~~

6 ~~13115. The order in which all state measures that are to be~~
7 ~~submitted to the voters shall appear on the ballot is as follows:~~

8 ~~(a) Bond measures, including those proposed by initiative, in~~
9 ~~the order in which they qualify.~~

10 ~~(b) Constitutional amendments, including those proposed by~~

Re: Senate Bill 443 (Hertzberg), As Proposed to be Amended – SUPPORT

Dear Chair Wood:

I am writing to you on behalf of American Canyon Fire Protection District to express our support for Senate Bill 443 ("SB 443"). Ensuring that local fire agencies remain in control of making policy decisions regarding their own jurisdiction strengthens their relationship with their constituents and allows them to make decisions on how to best serve these communities.

The American Canyon Fire Protection District (District) is located in Napa County and was founded in 1957 and exists today as a Subsidiary Special District to the City of American Canyon. The District's jurisdiction is the City of American Canyon and an unincorporated area surrounding the city limits. The District service area is approximately eight square miles in size and we protect a population of approximately 20,000. The District is also frequently called upon to provide automatic and mutual aid to multiple agencies in both Napa and Solano counties. The District provides a high level of Fire Suppression, EMS, and Rescue Services to our community. The District has representation on several regional response teams such as The Napa Interagency Hazardous Incident Team (NIHIT) and Napa Interagency Rescue Team (NIRT).

Fire agencies' ability to make the adjustments needed to best serve their communities has recently come under scrutiny through recent court decisions. SB 443 addresses local fire service agencies concerns stemming from those decisions as well as clarifies the original intent of SB 438 (Hertzberg, Chapter 389, Statutes of 2019) that limits Local Emergency Medical Services Agencies (LEMSA) medical control authority over fire agencies and retains fire agencies administrative rights of their EMS, regardless of the choice to enter into a county's joint powers agreement (JPA). All communities deserve to receive fast, reliable, and affordable EMS services, SB 443 streamlines the response process for service areas. SB 443 also provides the flexibility for communities to structure their emergency response through a governance structure best fitted for their constituents.

For all the reasons listed above and more, American Canyon Fire Protection District wishes to show our support for SB 443 and ask you for an "aye" vote on the bill.

Sincerely,

Michael P. Cahill

RE: Senate Bill 443 (Hertzberg) EMS Dispatch Services
As Amended – **OPPOSE**
Set for Hearing on June 28, 2022 – Assembly Health Committee

Dear Assembly Member Wood,

On behalf of the Napa County Board of Supervisors, I write to inform you of our unanimous opposition to Senate Bill 443, authored by Senator Hertzberg. The author and sponsors assert this measure is intended to clarify the intent of SB 438 (Hertzberg, Chapter 389, Statutes of 2019), the subject of which was the operation of public safety answering points (PSAPs), including 9-1-1 Emergency Medical Services (EMS) dispatch centers. During negotiations on SB 438, county organizations including the California State Association of Counties (CSAC), Urban Counties of California (UCC), Rural County representatives of California (RCRC), and the County Health Executives Association of California (CHEAC) were assured that the measure was not intended to undermine local emergency medical services agency (LEMSA) medical control.

SB 443 seeks to undermine and circumvent litigation that has affirmed county control over their local emergency medical services systems. SB 443 proposes to abrogate, the California Supreme Court, in the case of *County of San Bernardino v. City of San Bernardino* (1997 15.Cal [15.cal]. 4th 909). SB 443 also seeks to abrogate other court cases filed on the basis of medical control and .201 rights including cases between the *City of Oxnard v. County of Ventura* and *S. San Joaquin County Fire Authority, et.al [et.al]*, v. *San Joaquin EMS Agency, et.al [et.al]*. Again, neither case seeks to clarify the intent of SB 438, which was about the dispatch of EMS services. Rather, both court cases ruled against cities and fire districts attempting to undermine LEMSA medical control through their so-called “.201 rights.”

The EMS system of today that provides equitable access and delivery of high-quality care is the intentional result of the implementation of the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act (EMS Act). The EMS Act created a comprehensive two-tiered system governing virtually every aspect of prehospital emergency medical services. The Legislature’s desire to achieve coordination and integration in place of what had previously been a haphazard and inequitable arrangement is evident throughout the EMS Act. At the state level, the Emergency Medical Services Authority (EMSA) performs a number of different functions relating to the coordination of EMS throughout the state. The second tier of governance under the EMS Act is occupied by the LEMSA. The LEMSA is the neutral agent of the county charged with planning, implementing, and evaluating an emergency medical services system “consisting of an organized pattern of readiness and response services based on public and private agreements and operational procedures” (§ 1797.204).

Chapter 5 of the EMS Act provides that "The medical direction and management of an emergency medical services system shall be under the medical control of the medical director of the local EMS agency. This medical control shall

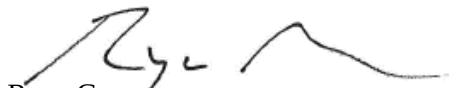

be maintained in accordance with standards for medical control established by the authority [i.e., the state authority].” Moreover, Section 1797.220 of the EMS Act is clear that “The local EMS agency, using state minimum standards, shall establish policies and procedures approved by the medical director of the local EMS agency to assure medical control of the EMS system.” When challenged, the courts have consistently affirmed that medical control is broad and expansive, encompassing matters directly related to regulating the quality of emergency medical services.

SB 443 would permit local municipal agencies to act outside of the medical control of the LEMSA medical director in the response and delivery of prehospital emergency care. Cities and districts would have the ability to separate themselves from the county’s organized EMS system and its oversight, thereby impeding the county’s ability to assure the coordination, integration, and availability of services countywide. Rural and / or lower income areas of the county could consequently experience reduced or limited services. Accordingly, SB 443 is antithetical to the equitable provision of emergency medical care for all people. SB 443 would also risk patient safety as it would remove the LEMSA medical director’s authority to provide impartial medical direction and oversight, which assures a patient-centric system. LEMSA medical directors are highly qualified and experienced EMS physicians, who are tasked to oversee EMS systems of care. In practical terms, this bill makes it possible for a public safety agency to administratively determine whether or not to operate within the clinical system of care.

SB 443 is an attempt to broadly erode the authority of EMSA and the LEMSAs, with specific intent to weaken the ability of the county’s physician EMS medical director to maintain medical control and to ensure standardization of the EMS system. The organized EMS system established under the EMS Act provides for coordination, integration, equity, and evidence-based practice in the delivery of high-quality emergency medical services. The result will likely be widespread fragmentation of the organized, efficient, and effective EMS system of today and reversion to the disjointed state that existed prior to the implementation of the EMS Act.

It is for these reasons that the County of Napa strongly opposes SB 443 and respectfully urges your ‘NO’ vote on the measure. If you should have any questions, please contact Paul Yoder or Karen Lange at 916-446-4656.

Sincerely,

Ryan Gregory

TITLE

Annual cost-of-living increase to the District Fire Service Fee Special Tax for Fiscal Year 2022/2023.

RECOMMENDATION

Adopt [Resolution 2022-10](#) approving the annual cost-of-living increase to the District Fire Service Fee Special Tax consistent with District Ordinance 2013-01 and confirming the Fire Service Fee Assessments of \$752,326.74 for Fiscal Year 2022/2023.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

At the June 1980 general election, a ballot measure designated as Measure B was approved by 76% of the voters of the then-independent District to provide supplemental funding for fire protection and emergency services in the District subsequent to the passage of Proposition 13 in 1978.

The Fire Service Fee is apportioned to all parcels in the District based on the associated demand for fire protection services; and is applied on a “per equivalent dwelling unit” basis, or “EDU.” On July 20, 2013, the District Board enacted Ordinance 2013-01 to clarify and implement the provisions of Measure B. The District subsequently filed a validation action, American Canyon Fire Protection District v. All Persons Interested in the Matter of the Validity of the American Canyon Fire Protection District Ordinance No. 2013-1 Confirming Special Tax for Fire Services, Napa Superior Court Case No. 26-62587, which resulted in a Judgement on January 22, 2014 which confirmed the validity of Ordinance 2013-01.

Ordinance 2013-01 provides for an annual cost-of-living increase for the Fire Service Fee. This inflationary adjustment is based on the change in the California Consumer Price Index from January to January of each year. The District has retained Capitol Public Finance to determine the annual adjustment for FY2022-2023, Attachment 2.

Consistent with that determination, it is recommended that the Fire Service Fee be increased by the cost-of-living adjustment of 7.39%. If approved, the Fire Service Fee would increase by \$7.34, from \$99.02/EDU to \$106.36/EDU.

The District Ordinance requires the Fire Chief to compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District. The list is updated each year to reflect any new construction or parcel splits. The parcel listings are attached for review. After review of the fee listing, the Board confirms the assessments by resolution, which is then submitted to the Napa County Auditor-Controller. For secured property, the Auditor-Controller includes the annual assessments on the property tax bill. In the case of unsecured property, the Auditor -Controller distributes the collection and the Tax Collector mails the individual bills and collects the assessment separate from the property tax rolls.

The attached Fire Service Fee assessment listings for Fiscal Year 2022-2023 total \$720,687.20 for secured property and \$31,639.54 for unsecured (mobile home,) for a total assessment of \$752,326.74.

In accordance with District Ordinance 2013-01, a hearing of the “Fire Service Fee Board of Review” will be noticed subsequent to Board approval of the annual listing for any property owner wishing to challenge their annual assessment.

COUNCIL PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community."

FISCAL IMPACT

If approved, the proposed Fire Service Fee of \$106.36/EDU is expected to generate operating revenue of \$752,326.74 for fiscal year 2022-2023. Adopting the annual inflationary adjustment will maintain parity between Fire Service Fee and increases in the cost of providing fire protection and other emergency services, consistent with Ordinance 2013-01.

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378 of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

RESOLUTION 2022-10

A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ESTABLISHING FIRE SERVICE FEES AND ADOPTING FIRE SERVICE FEE ASSESSMENTS FOR FISCAL YEAR 2022-2023 CONSISTENT WITH DISTRICT ORDINANCE 2013-01

WHEREAS, at the June 1980 General Election, a ballot measure entitled “Measure B,” was approved by 76% of the voters of the American Canyon Fire Protection District (“District”), then an independent fire protection district; and,

WHEREAS, Measure B was enacted to address the limitations imposed on property taxes by Proposition 13, Art. XIIA of the State Constitution; and,

WHEREAS, Measure B contained provisions which were based on fire flow determined by property use and specific uses and could be characterized as either an assessment or a special tax; and,

WHEREAS, in July 2013, the Board of Directors (“Board”) enacted Ordinance 2013-01 which amended the District Ordinance enacted by the passage of Measure B clarifying and defining the intent of the voters in enacting Measure B; and,

WHEREAS, Ordinance 2013-01 was the subject of a final judgement of the Superior Court of Napa County in the matter of *American Canyon Fire Protection District v. all Persons Interested, etc.*, Napa Superior Court Case No. 26-62587, in which Judgement confirming the validity of Ordinance 2013-01 was entered on January 22, 2014; and,

WHEREAS, consistent with Measure B and the judicially validated Ordinance 2013-01, the District is authorized to increase of the Fire Service Fee by the cost of living increases as determined in the Bay Area consistent with the California Consumer Price Index; and,

WHEREAS, the District retained the consulting firm of Capital Public Finance to make a determination of the cost of living increase consistent with Ordinance 2013-01 and the amount increased for the period of January 2021 to January 2022 was determined to be 7.39%; and,

WHEREAS, the District Ordinance requires the Fire Chief to annually compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District; and,

WHEREAS, after review of the fee listing the Board confirms the assessments by resolution and the resolution and listing are then submitted to the Napa County Auditor-Controller and included on property tax bills each year for secured properties; and,

WHEREAS, the Board has reviewed the listing of prospective assessments and confirms the total assessments of \$752,326.74 and requests the Napa County Auditor-Controller include assessments for secured property of \$720,687.20 in the 2022-2023 property tax billings and requests Napa County Tax Collector to prepare the invoices of the unsecured property owners (mobile home) in the amount of \$31,639.54 and

WHEREAS, the Fire Service Fee Board of Review will be noticed subsequent to Board approval of the annual listing in accordance with District Ordinance 2013-01;

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize and increase in the District Fire Service Fee by the amount of 7.39 percent (7.39%), effective July 1, 2022; and

BE IT FURTHER RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize the Fire Chief to direct the Napa County Auditor-Controller to include the Fire Service Fee assessments for secured property owners in the amount of \$720,326.74 on the fiscal year 2022-2023 property tax rolls and to issue invoices to unsecured property (mobile home) owners in the amount of \$31,639.54 for a total assessment of \$752,326.74.

Fire Mitigation Fees

RECOMMENDATION

Adopt [Resolution 2022-11](#) Increasing the 1986 Mitigation Fee for Fiscal Year 2022-2023 by the Change in the Consumer Price Index for the Year ended April 2022 by an increase of 5% percent.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

In November 1986, the voters approved a mitigation fee which is actually an assessment to help pay for Fire District facilities and apparatus. This revenue measure was needed due to the combination of the passage of Proposition 13 (Article XIII of the State Constitution), which severely reduced the District's tax base and the needs in future years based on projected construction of residential and commercial development. The Fire Mitigation Fee is a one-time tax (which is now properly characterized as an assessment) which is levied upon property owners who construct and occupy any residential, commercial or industrial building located within the District. The assessment is calculated based on the square footage of the structure.

Pursuant to the 1986 Mitigation Fee Resolution 86-5, Section 4, Paragraph K, the Board of Directors shall review and adjust the rate each year according to the changes in the Consumer Price Index (CPI). For the year ending April 2022, the CPI index for the San Francisco/Oakland/San Jose increased 5 percent. The increase is applicable to all building permits issued beginning July 1st, 2021.

COUNCIL PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community."

FISCAL IMPACT

When the percentage increase in the CPI is applied, the assessment is increased as follows:

Assessment Rate Per Square Foot

Category	Current	Proposed
Single Family	\$.2585	\$.2714
Multi-Family	\$.3154	\$.3312
Commercial	\$.4731	\$.4968
Industrial	\$.5738	\$.6025

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act ("CEQA") pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378(b)(4) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

Additionally, in September 1997, District Counsel completed a Prop. 218 analysis and confirmed that no additional CEQA study or Public Hearing needs to be conducted when confirming the annual increase.

TITLE

First Responder Fee annual cost-of-living-increase.

RECOMMENDATION

Adopt [Resolution 2022-12](#) approving the annual cost-of-living increase to the District First Responder Fee for Emergency Medical Services.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

On November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services. California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services.

Ordinance 2019-02 provides for an annual cost-of-living increase for the First Responder Fee. These fees may be increased in the future by District resolution consistent with applicable law, including but not limited to annual adjustments each July 1 based on the annual change in the Consumer Price Index (CPI) Urban Wage Earners, San Francisco-Oakland-San Jose, CA region, measured as of February of each year.

Consistent with that determination, it is recommended that the First Responder Fee be increased by the cost-of-living adjustment of 5.2%. If approved, the Fire Responder Fee would increase by \$26.42, from \$508.00 to \$534.42.

COUNCIL PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community."

FISCAL IMPACT

When the percentage increase in the CPI is applied, the Fee will increase from \$508.00 to \$534.42.

TITLE

Write Off of Uncollectible Fire Service Fees FY2021-2022.

RECOMMENDATION

Adopt [Resolution 2022-13](#) authorizing the write off of uncollectible Fire Service Fees in the amount of \$2,343.86.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

District Ordinance 2013-01 was approved on July 30, 2013 confirming and clarifying District Resolution No 2-80 and Resolution 6-80 which was adopted after voter approved initiative "Measure B" in June 1980 for an assessment known as the Fire Service Fee. The fee was granted by the voters, Article XIII A of the State Constitution and AB 618 and is solely for the purpose of producing revenue to maintain Fire Service levels. Fire Service Fees are collected by the Napa County Assessor's Office through property taxes on real property. Manufactured homes that are not on the Tax Assessor roles are billed annually and collected by the District. On the attachment to this Staff Report we have listed the fees that we are requesting to write off as bad debt due to our inability to collect for the various reasons indicated.

COUNCIL PRIORITY PROGRAMS AND PROJECTS

Public Safety: "Ensure American Canyon remains a safe community."

FISCAL IMPACT

The recommended write-off amount of uncollectible fees is \$2,343.86.

ENVIRONMENTAL REVIEW

No environmental review is required, as the proposed action is not a "project" pursuant to the California Environmental Quality Act and has no potential for causing an impact on the environment.

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT APPROVING THE WRITE-OFF OF UNCOLLECTIBLE FIRE SERVICE FEES FOR FY 2021-2022

WHEREAS, the American Canyon Fire Protection District (District) collects annual Fire Service Fees, approved by District Ordinance 2013-01 confirming and clarifying District Resolution No 2-80 and Resolution 6-80;

WHEREAS, the District has Fire Service Fees in the amount of \$ 2,343.86 that have been uncollectible; and

WHEREAS, reasonable attempts have been made to collect the fees and the situation warrants writing off the remaining uncollectible amounts;

NOW THEREFORE, BE IT RESOLVED that the Board of Directors of the American Canyon Fire Protection District authorizes the Fire Chief to write-off as uncollectable Fire Service Fees in the amount of \$ 2,343.86.

Annual Appropriations Limit for Fiscal Year 2022-2023.

RECOMMENDATION

Adopt [Resolution 2022-14](#) approving the annual appropriations limit for the American Canyon Fire Protection District for fiscal year 2022-2023.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

In November 1979, California voters added Article XIII-B to the State Constitution, which placed limitations on the appropriations of State and local governments. The Article, as implemented by State Legislation, requires that local agencies set an annual spending limit for budget appropriations funded from the proceeds of taxes, as defined by the law and accepted statewide guidelines.

Calculating the Appropriations Limit

The base year was set as fiscal year 1978-79 and the first appropriations limit was applied to public agency budgets beginning in fiscal year 1980-81. The appropriations limit is revised annually by a prescribed formula that uses a combination of the percentage changes in California's per capita personal income or non-residential assessed valuation, if available, and the local jurisdictions change in population measured as of January 1st of each year. The percentage change in per capita personal income and the percentage change in population are provided by the California Department of Finance.

In June 1990, Proposition 111 was approved, which amended Article XIII-B. The amendment changed both how the limit was calculated and the appropriations that were subject to the limit, and added governing body adoption and independent audit requirements.

There are no penalties under Article XIII-B for failure to adopt a limit. Compliance with the law is intended to be locally enforced by citizens. The State Government Code limits a civil court challenge of the appropriations limit calculation to a 45-day period after adoption.

Proceeds of Taxes and Appropriations Subject to Limit

After the annual appropriations limit is calculated, the appropriations that are subject to the limit are determined. The appropriations limit only applies to appropriations that are funded from the proceeds of taxes, which are defined in the statewide guidelines.

American Canyon Fire Protection District Appropriation Limit

Consistent with prior years, the fiscal year 2022-23 appropriations limit was calculated using the statewide per capita personal income increase of 7.55% and the City of American Canyon population change of 0.43%. Applying these factors results in an increase in the prior year appropriations limit of 8.01%, or \$1,114,253; and when added to the FY 2021-22 appropriations limit of \$13,910,774, results in a FY 2022-23 appropriations limit of \$15,025,027. The appropriations subject to the limit were determined to be \$5,373,698, which is \$9,651,329 under the appropriation limit. The detailed calculations are presented in the attached Appropriations Spending Limit Worksheet (Attachment 2).

Resolution 2022-14

A Resolution of the American Canyon Fire Protection District Establishing the Appropriations Limit For Fiscal Year 2022-23 Pursuant to Article XIII B of the California Constitution

WHEREAS, Article XIII B of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity shall not exceed the appropriation limit of such government entity for the prior year adjusted for certain changes mandated by Proposition 4 passed in November 1979 and Proposition 111 passed in June 1990 except as otherwise provided for in said Article XIII B and implementing State statutes; and

WHEREAS, pursuant to said Article XIII B, and Section 7900et seq. of the California Government Code, the District is required to set its appropriation limit for each fiscal year; and

WHEREAS, the District staff has conducted the necessary analysis and calculations to determine the appropriations limit for fiscal year 2022-23 relying on the fiscal year 2021-22 limit as approved by the Board of Directors for the District, and applying the following two adjustment factors: *Change in Population* and *Change in Per Capita Income*; and

WHEREAS, based on such calculations District staff has determined the said appropriation limit, and pursuant to Section 7910 of the Government Code, has made available to the public the documentation used in the determination of the limit;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the District that:

1. The annual adjustment factors used to calculate the fiscal year 2022-23 appropriations limit shall be the change in State Per Capita Income of 7.55% and the January 2022 City population change of 0.43%, as provided by the State Department of Finance;
2. The new Appropriation Limit for Fiscal Year 2022-23 shall be and is hereby set in the amount of \$15,025,027; and
3. The fiscal year 2022-23 Budget appropriations subject to the appropriation limit are \$5,373,698.

Authorizing overtime payment to Fire District Employees in support of an emergency incident, or pre-positioned for emergency response.

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

For several years there has been an “agreement for local government fire and emergency assistance to the state of California and federal agencies;” commonly referred to as the California Fire Assistance Agreement (“CFAA”). Under the CFAA, local agency fire departments, such as the American Canyon Fire Protection District (“District”), assist the State and other local agencies in the prevention and suppression of major fire incidents. In 2015, the District updated the Resolution with the Governor’s Office of Emergency Services (“Cal OES”) providing for payment to District employees under the CFAA.

This month, CalOES notified the District to update the Agreement to include the positions of Fire Chief and Assistant Fire Chief because the employment agreements were no longer valid due to specific names listed.

An updated resolution needs to be executed to include the following positions of Fire Chief, Assistant Fire Chief, Division Chief, Battalion Chief, Fire Captain, Firefighter/Paramedic, and Firefighter to receive overtime while in course of their employment and away from their official duty station and assigned to an emergency incident, in support of an emergency incident, or pre-positioned for emergency response.

SUBJECT

Hold a Public Hearing and adopt a resolution approving the Preliminary Budget for the American Canyon Fire Protection District for the Fiscal Year 2022-23.

BACKGROUND AND ISSUES

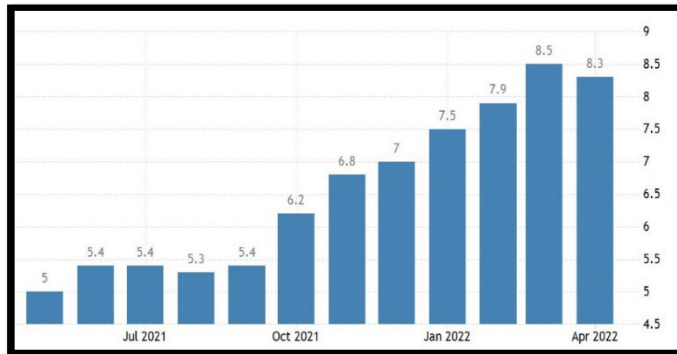

I am pleased to present the Board with a preliminary budget for fiscal year 2022-23 (FY23 budget) that represents a realistic yet conservative financial plan for the upcoming fiscal year, ensuring that the enhanced level of firefighter staffing implemented with the reopening of the James Road station to safeguard our community during the pandemic is maintained. The additional staffing affords both a greater level of safety for our firefighters and greater level of fire protection and emergency medical services to safeguard our community during the pandemic, a fire event, or other emergencies. It is consistent with the District's mission, vision, and values, and has been prepared with the priorities and resources necessary to accomplish the goals and objectives established by the Board of Directors. This budget will allow the District to execute its mission to protect and preserve life and property from the impact of fire, disaster, injury, and illness and have a positive impact in the lives of the people and the communities the District protects.

The past two fiscal years have provided many challenges to local municipalities because of the COVID-19 pandemic. The pandemic caused many uncertainties and yielded significant economic hardship for many of our residents and businesses. The District, however, remains in good financial health. Approximately eighty-three percent (83%) of our revenue is derived from property taxes and, while we were cautious about these revenues at the beginning of the pandemic, we found that property values experienced strong and consistent growth over the last two years. New construction and a strong local housing market continue to provide for growth in property tax revenues. With this growth and the economy returning to pre-pandemic levels, the District anticipates an increased demand in the coming year for emergency calls and community risk reduction activities as businesses recover and reopen after a temporary shutdown caused by public health measures implemented in response to the pandemic. The District anticipates that both our emergency service demands as well as the demands for our community risk reduction services will continue to increase into the future at rates similar to our pre-pandemic experience.

FISCAL UNCERTAINTIES HEADING INTO THE FY23 BUDGET YEAR

Impacts of High Interest Rate/High Inflation Environment - The surge in inflation has the potential to negatively impact District finances. The costs of fuel, new equipment, supplies, and construction is rising dramatically, which, in turn, has a negative impact on our budget. To moderate inflation, the Federal Reserve Bank raised the federal funds rate in May 2022 one-half percentage point, and in June another three-quarters of a percentage point, the largest increases since 2000. The increase in the Federal Funds rate has a direct impact on short-term interest rates, which in turn has a positive impact on the interest earnings of the District's investments. The current high

inflation environment can create financial challenges for the District in the event increasing costs outpace revenue growth.

Looming Recession – While new construction and a strong housing market have been driving growth in District revenues for the last decade, there is a real possibility the economy goes into a recession, and then stalls just as we are planning for major, continued growth. The question is whether a recession will be brief, like the one in 2020 caused by COVID-19 impacts on the economy, or long-term like the 2008-2009 economic collapse spurred by the mortgage crisis. The District has engaged a consultant that is currently about halfway through the development of a Master Plan. This new Plan will provide a roadmap for how we will continue to meet the emergency services needs of the community as it grows over the next decade. Funding for implementation of the Master Plan is dependent upon both one-time and ongoing revenue generated from that new development; the timing of which becomes crucial for implementation of the Master Plan initiatives. We want to be proactive and well situated to meet the increased service demand, yet not so far ahead that the growth in expenses outpaces the growth in revenues and threatens the near-term fiscal stability of the District.

NEW THIS YEAR

Completion of 6-0 Staffing Implementation- In FY20/21 the Board approved the implementation of a 6-0 staffing model for the Fire District. This allowed for the opening of the previously closed James Road Fire Station and putting into service an additional 3-person fire engine company to address the impacts of the COVID-19 Pandemic and firefighter safety within American Canyon. Initially this increased staffing was accomplished through the use of overtime. The FY21/22 Budget included two permanently funded firefighter positions and one overtime position as an incremental move to fully staff this second engine company. Last year during Budget hearings, staff recommended and the Board approved funding these positions in FY 21/22 from District Reserve Funds with the anticipation that the 3rd firefighter position would be moved from an overtime position to a fully staffed position in the FY22/23 Budget. Staff is now recommending that this final firefighter position be moved from the overtime budget and into the dedicated firefighter staffing allocations for FY 22/23.

New Apparatus – We are proposing to replace two of our older Type 1 engines: E-311 acquired in 2004 and the manufacturer (American La France) is no longer in business; and E-211 acquired in 2013 has experienced a series of mechanical issues that kept it out of service for approximately 180 days last year. The current cost of the new engines is estimated to be approximately \$900,000 each, including related safety equipment. Given interest rates are still attractive for borrowing, we are proposing a seven-year lease purchase financing for the engines, utilizing a combination of FF&E funds and special developer mitigation tax proceeds to fund the annual lease payments, with no expected impact on the General Operating Fund.

The proposed FF&E budget includes funding for two command vehicles at an estimated cost of \$90,000 each, one of which was carried over from FY22. The two existing command vehicles (2011 and 2016 Ford F-150's) would either be traded or retained for use by the new chief officer positions discussed below under District Reorganization. Also being proposed is FF&E funding of \$20,000 for replacement of the Zodiac rescue boat

originally acquired in 2002. These boats are specifically designed to meet the demanding requirements of Search & Rescue missions. They are highly portable, can be packed down in a bag and can be rapidly deployed by means of high-pressure inflation systems within minutes.

Radio Communication and Station Alerting - Our current cache of portable radios is nearing end of life and we are seeking to upgrade and standardize our critical communications platforms, as well as to achieve radio interoperability throughout the county and with neighboring emergency responders. The radios cost approximately \$10,000 each. We are expecting to get six portable radios from the county and are proposing to purchase another 13-14 radios with the overall goal of providing each Firefighter a portable radio, which will increase communications on emergency incidents and provide increased safety for our Firefighters. We are also proposing to replace the current alert warning system at station 211 at an estimated cost is approximately \$60,000. We have included \$200,000 in the FF&E budget these two items.

District Master Plan - Residential and commercial development will bring an increased demand for emergency services. To be proactive the District, in partnership with the consulting firm of AP Triton, has initiated a long-term Master Plan for the services, facilities and apparatus needed to meet service demand over the next decade. AP Triton is presently conducting a Community Risk Assessment (CRA) and Standards of Cover Analysis (SOC). When complete, the District's management team will work with AP Triton to develop a methodology using data driven metrics to continually measure performance for the purpose of maintaining and improving response capabilities. Staff will further work with AP Triton on developing options and recommendations for the best short-term, mid-term and long-term strategies to achieve the level of service delivery and resource deployment consistent with identified performance objectives and targets. AP Triton representatives have conducted initial meetings with staff and key stakeholders, and a review of documents is underway. The projected completion of the study is anticipated for the fall of 2022.

District Reorganization and Delegation of Duties -

Management has long felt the need for more leadership and supervision ***on-shift*** at the line level. In most fire agencies this accomplished through a Battalion Chief (BC) position working the same work schedule as our firefighters. These are chief officer positions responsible for planning, organizing, managing, and supervising the personnel, stations, equipment, and emergencies for their assigned shifts, and directly supervise Fire Captains.

BC's command and direct emergency scenes, assist in determining long-range goals and objectives, oversee training, assist in preparing and monitoring the budget, and direct or conduct special studies or projects. In addition to providing supervision, training and administrative support, the BC position creates a career path to the Assistant and Fire Chief positions. Ultimately, three BC's will be needed to provide coverage for each shift; however, this is beyond what the budget can support at present. The FY23 proposed budget contains funding for two BC positions for six months beginning January 1, 2023. We believe this mid-year strategy will be easier to implement financially given the anticipated growth in District property taxes and related revenues associated with the initial construction phases in the Watson Ranch Project. We anticipate that the third BC being added when there is sufficient revenue growth to support the added cost. The delay in hiring affords the opportunity to confirm property tax revenue for the year and get a better sense of the impact of the economy on local development activity. We also want to ensure this organizational change is supported by and in alignment with the Master Plan. We feel adding the BC positions will result in greater oversight of District activities and lead to an efficient and more effective organization.

BUDGET DEVELOPMENT PROCESS

The District takes a conservative approach to projecting revenues and a realistic approach to projecting expenditures. The Fire Chief is responsible for ensuring a balanced budget in which expenses are within revenue budget allocation. Property tax revenues are estimated based on a projection of the year-over-year growth in assessed valuation of property within the District. All other operating revenues are estimated by reviewing service contract agreements, economic factors affecting fees, and estimations based on historical data. The District's payroll expenditure forecasts were based on authorized staffing levels with compensation and benefits as outlined in the memorandum of understanding (MOU) with labor and compensation plans of all District personnel. Internal budget meetings are held to discuss funding for any new positions, new strategic initiatives, and capital needs. The proposed budget is then reviewed further with the Finance Committee, which consists of the Board Chair and Vice-Chair.

The District prepares a budget for funds that are subject to the budget requirements of state law. Those requirements further stipulate the District adopt a preliminary budget by July 1st and a final budget by October 1st of each year, after County Assessor has certified the property tax roll for the year. Community members are encouraged to participate in the District's budget process through the public hearings prior to the approval of the preliminary and final budgets by the Board of Directors.

BUDGET OVERVIEW

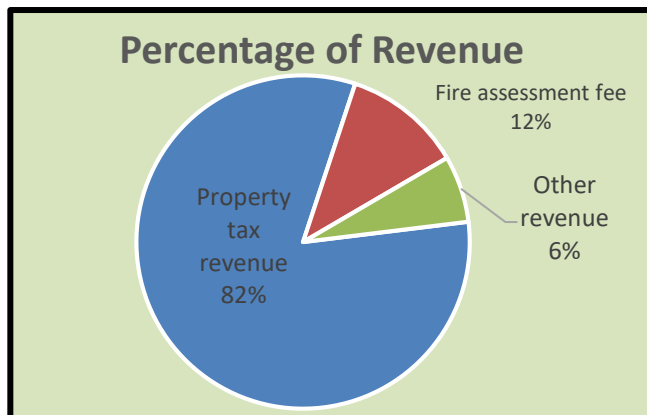

The budget establishes a guideline for the anticipated revenue and operating expenditures to ensure that inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a logical structure to organize various program costs, projects, and other expenses, as well as a sound system for control of the District's revenues and expenditures. The preliminary General Operations Fund budget for FY23 utilizes a combination of ongoing revenues and reserve funds to further enhance emergency services and preparedness by adding an additional firefighter position, two Battalion Chief positions and funding the replacement of critical safety apparatus.

GENERAL FUND BUDGET SUMMARY

The FY23 General Fund revenue budget totals \$6.5 million, which includes \$5.4 million in property taxes and \$1.1 million in other operating revenues. The General Fund expenditure budget totals \$7.2 million, and includes \$6 million in salaries and benefits, \$946,000 in other operating expenditures and an operating transfer from the General Fund of \$179,000 to the Fleet, Facilities and Equipment (FF&E) Fund. The projected operating budget would use \$632,000 of the reserve balance for FY23 to pay for operating expenses, as compared to \$260,000 for FY22. The following chart provides a summary comparison of projected FY23 preliminary budget operating results with prior actual results:

General Fund	FY2018-19 Actual Amount	FY 2019-20 Actual Amount	FY2020-21 Actual Amount	FY 2021-22 Pre-Audit Amount	FY 2022-23 Preliminary Budget

GENERAL FUND REVENUE SUMMARY

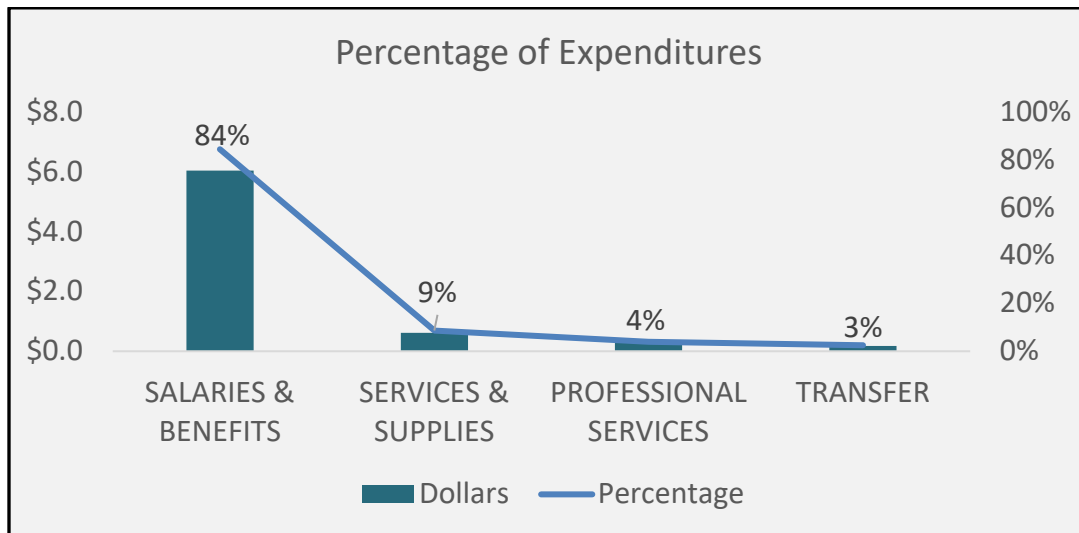

The District's General Fund revenue is projected to be \$6.5 million for use in carrying out the projects and program costs in FY23. The General Fund is financed primarily by property taxes, which represents \$5.4 or 82% of District-wide revenues. The District's other major source of operating revenue is the fire assessment fee (\$752 thousand or 12%). Other revenue sources include fire plan review & inspection fees, AMR contractual funding and investment earnings (\$423 thousand or 7%).

GENERAL FUND EXPENDITURE SUMMARY

The District's General Fund expenditures, including operating transfers out, are projected to be approximately \$7.2 million for fire and EMS operations in FY23. The General Fund salaries and benefits

expenditure represents \$6 million or 84% of the District-wide expenditure. Services and supplies are projected at \$619 thousand or 9% of the District-wide expenditures to provide items necessary to carry out the work of the District. The legal, professional and contract services budget is projected at \$327 thousand or 4% of overall expenditures. The operating transfers out from the General Fund to the FF&E Fund total \$179 thousand or 3% of the overall District-wide expenditures.

OTHER ECONOMIC AND OPERATIONAL ISSUES

Strategic Plan and Goals - The District's strategic initiatives for FY23 as discussed with the Board's Finance Committee are incorporated throughout this budget, many of which pertain in large part to anticipating and preparing the District to meet the expected increase in service demand from the Watson Ranch development and other major development projects. The Master Plan will help ensure the strategic plans, goals, and priorities of the District support of the vision and ideas designed to shape the future of the District and to ensure District resources are in strategic alignment with this vision.

Pension Funding Policy - Retirement plan costs involve two basic cost components: the normal cost rate, expressed as a percentage of payroll and the UAL, which is a fixed amount payment due each fiscal year. CalPERS has implemented an aggressive plan to increase the funded status of retirement plans through requiring a fixed amount UAL payment by employers annually. The District receives an annual actuarial plan valuation of its retirement plans from CalPERS each year. The most recent valuation available is for plan year ended June 30, 2020, which sets retirement contribution rates for FY23. Each July, the District makes a lump-sum prepayment to CalPERS for the annual UAL amount and realizes a 3.5% interest savings by doing so. The projected UAL savings for FY23 is \$24,000.

OPEB Funding Policy – The retiree medical benefit plan is funded in a similar manner to the pension plan. Plan costs involve two basic cost components: the normal cost rate and the amortization of the Unfunded Actuarial Liability (UAL). The District receives an annual actuarial plan valuation of its Other Post-Employment Benefit each year. The most recent valuation available is for plan year ended June 30, 2021, which sets retiree medical contribution amounts for FY23 and FY24.

CONCLUSION

Budgetary Priorities - The District's FY23 Preliminary Budget presents a healthy and structurally balanced guide for the next fiscal year. This budget will enable the District to maintain high quality fire and emergency response services, provide quality training to our personnel, and place a top priority on the health and safety of the public and our staff. Heading into FY23 there are still uncertainties pertaining to the ongoing state of the pandemic and the high inflation environment. The District is moving forward with

confidence to focus on our priorities of completing the Master Plan and being proactive with respect to the expected increase in demand for emergency services associated with further residential and commercial development.

Financial Stewardship - The Board and management place a high priority on closely monitoring the impact of local economic conditions on the District's finances as well as the District's ability to maintain high service levels, meet infrastructure needs, and to build and maintain healthy reserve balances. The budget preparation and adoption process are guided by several fundamental fiscal tenets:

- Utilize long-range financial planning tools to ensure the District remains financially viable for future generations.
- Ongoing operating expenditures are to be paid with ongoing operating revenues.
- Eliminate the unfunded liabilities associated with employee retirement benefits.
- Services provided by District Staff that have a cost recovery element should be as close to full cost recovery as is feasible.
- Unassigned fund balances at fiscal year-end are allocated to reserves for future uses.

The District has incorporated these tenets into its fiscal strategies and uses them to set fiscally responsible short and long-term goals. Despite the recent difficult economic conditions, the District's reserves remain healthy and the long-term financial outlook remains positive. Effective leadership and prudent fiscal practices continue to ensure that the residents and businesses receive the service level that they have come to expect. We will continue to fortify the District's financial sustainability through sound and efficient planning and budgeting to ensure we maintain a high level of emergency services to our growing community.

Acknowledgements - This FY23 budget would not be possible without the support, guidance, and strategic direction from the Board with respect to fiscal policies and guidelines for budget development. I also wish to express my appreciation to the union representatives and employees of the District for their ongoing collaboration and willingness to work with the Board and Administration for the long-term good of the District and those we serve. With their cooperation and commitment to providing the best possible service within available funding constraints, we have been able to stabilize our finances, enhance the delivery of essential emergency services and keep the District on a fiscally sustainable path moving forward.

We would like to express our appreciation as well to the City of American Canyon for their continuing support of a public safety partnership.

And thank you to the taxpaying public, our residents, and area businesses for their support, cooperation, and partnership with the District in making our community an outstanding and safe place to play, work and live.

BOARD PRIORITY PROGRAMS AND PROJECTS

The overarching goal of the Districts Strategic Plan is to provide the community of American Canyon with the highest possible level of service balanced with long term financial sustainability. Strategic Initiative #5 is to develop a fixed assets and apparatus and equipment preventative maintenance and capital improvement program.

TITLE

Fire Chief Employment Agreement.

RECOMMENDATION

Consideration and possible approval of Fire Chief [Employment Agreement](#) between the American Canyon Fire Protection District and Geoffrey Belyea, Effective July 1, 2022.

CONTACT

William D. Ross, District Counsel

BACKGROUND & ANALYSIS

District Chief, Michael P. Cahill, will conclude his employment with the District effective June 30, 2022. On May 29, 2022, at the American Canyon Fire Protection Board of Directors' Closed Session Meeting there was one matter agendized Relating to Public Employment - Pursuant to Government Code Section 54957(b), Position: District Chief. District Counsel, William D. Ross, reported action in the form of Board direction (4-0, with Vice-Chair Aboudamous being excused) to designate Geoff Belyea as District Chief, effective July 1, 2022, with terms and compensation of employment to be confirmed at the District Board meeting of June 28, 2022 by an Employment Agreement.

It is recommended that the District Board of Directors consider the prospective Employment Agreement for District Chief effective for the Fiscal Year 2022/2023 for Chief Belyea.

It is recognized that a portion of the Agreement, Section 5.1, is subject your discretion as it may be exercised during the agendized Closed Session to determine the hourly rate of the proposed Employment Agreement.

AGREEMENT BETWEEN AMERICAN CANYON FIRE PROTECTION DISTRICT AND GEOFFREY S. BELYEA

THIS AGREEMENT ("Agreement") is made and entered into as of July 1, 2022, by and between the American Canyon Fire Protection District ("District") and Geoffrey S. Belyea ("Employee") with respect to terms and conditions of employment of Employee as Fire Chief for District.

WHEREAS, District desires to employ the services of Employee as Fire Chief of the District; and

WHEREAS, Employee desires to accept employment as Fire Chief of the District on the terms and conditions contained in this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement the parties agree as follows:

Section 1. Duties.

The Fire Chief position is that of Chief Administrator of the District and is responsible for the efficient administration of all affairs of the District which are under his or her control. District agrees to employ Employee as Fire Chief to perform the following functions and duties:

- a. Conduct all administrative operations of the District, including, but not limited to: maintenance of payroll and payroll records, leave records, vacation and work schedules, and personnel and finance records; direct and supervise all purchasing activities of the District.
- b. Program and use the District computer facilities including, but not limited to, placing files and administrative records into the computer. Computer instruction shall be made available to the Chief on an as needed basis upon approval of the Board of Directors of the District ("Board").
- c. Enforce all ordinances and rules and regulations of the District and see that all contract, permits and privileges granted by the Board are complied with and observed.
- d. Appoint, remove, promote and demote any and all officers and employees of the District except elective officers, District Counsel, District Treasurer and District Clerk, subject to all applicable rules and regulations which may be adopted by the Board and any applicable Memorandum of Understanding.
- e. Control, order and give directions to all subordinate officers and employees of the District under his jurisdiction.
- f. Serve as Fire Marshal and maintain and enforce fire prevention codes and ordinances and recommend to the Board for adoption such measures and ordinances as deemed necessary.

g. Manage and supervise equipment maintenance and training of personnel to use the equipment.

h. Prepare and disseminate technical and District activity reports and records.

i. Prepare, submit for Board approval and administer the District's annual budget and develop and maintain the District's Master Plan.

j. Attend or appoint a designee to attend necessary administrative and operational meetings, as well as civic and/or governmental meetings requiring the presence of a District representative.

k. Be available to respond to, respond to and direct District personnel in responding to major fires and other emergency incidents.

l. Perform such other legally permissible and proper duties and functions as the Board may assign from time to time.

At all times, during the term of this Agreement, Employee shall be directly responsible to and report to the Board.

Section 2. Term.

A. The term of this Agreement shall commence as of the date first written above and shall terminate upon the earlier to occur of: (1) the exercise of the District Board of its right to remove the Fire Chief pursuant to and on the terms and conditions set forth in this Agreement, or (2) the resignation of the Employee pursuant to Section 3.8.

8. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the District to terminate the services of Employee at any time, subject to the provisions set forth in this Agreement, Section 3.A.

C. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the Employee to resign at any time from the Fire Chiefs position, subject only to the provisions set forth in Section 3.8.

Section 3. Termination and Severance Pay.

A. Employee expressly acknowledges and agrees that Employee shall be an "at will" employee serving at the pleasure of the Board and may be removed as Fire Chief with or without cause in the sole exercise of discretion by the Board. Employee shall be notified in writing of the Board's intent to terminate and remove him from the Fire Chief position and shall be provided with the opportunity to be heard on the matter. Such notice and hearing shall not confer any other right upon Employee or limit the Board's right to terminate his employment without cause.

In the event Employee is removed by the Board during such time as Employee is willing and able to perform his duties under this Agreement, then subject to the limitations

set forth in this Agreement Section 3.A. District agrees to pay Employee severance pay in a lump sum cash payment as determined by the following schedule:

(1) If Employee receives a notice of intent to terminate and remove at any time during the term of this agreement, Employee shall be entitled to nine (9) months of base salary (severance pay).

The severance pay schedule above assumes that Employee shall be continuously employed during each of the referenced periods. In the event that Employee takes an unpaid leave of absence for a period greater than four weeks in any twelve-month period, each of the referenced time periods shall be extended for a period equal to the length of the unpaid leave of absence. Such severance pay shall be calculated based on Employee's current level of salary at the time of receipt of the notice.

District shall have no obligation to make the severance payments specified in this section if Employee is terminated and removed from the Fire Chief position for willful misconduct. A determination of willful misconduct shall be within the sole discretion of the Board, provided that it shall relate to the welfare of the District and be evidenced by findings of acts constituting such willful misconduct. Willful misconduct shall include conduct directly related to conduct in office, and directly related to the duties of the office including the refusal to follow the lawful directions of the Board of Directors. Willful misconduct shall also include conduct not directly related to the performance of official duties when such conduct has a direct and harmful effect on the welfare of the District. Evidence of such direct and harmful effect shall include, but shall not be limited to, conviction of a felony.

B. In the event Employee voluntarily resigns from the position of Fire Chief, Employee shall provide District a minimum thirty (30) days written notice, unless the parties otherwise agree in writing.

Section 4. Disability.

If Employee is permanently disabled or is otherwise unable to perform Employee's duties because of sickness, accident, injury, mental incapacity or health condition not within the scope of Labor Code section 4850 for a period of six (6) consecutive months, District in its sole discretion shall have the option to terminate this Agreement, subject to the severance pay provisions of Section 3.A.

Section 5. Compensation and Benefits.

Section 5.1. Salary.

District agrees to pay Employee for Employee's services on an annual base salary as set forth in the following salary schedule payable in installments at the same time and in the same manner as other employees of the District are paid. The base salary shall be subject to an annual increase effective July 1st each year, based on the percentage increase which occurred in the Consumer Price Index published in April of each year for the San Francisco Oakland Hayward area ("CPI"). The annual base salary increase shall be equal to one hundred percent (100%) of the percentage increase in the CPI up to a maximum of six percent (6%) and in no event shall the CPI increase in base salary exceed five percent (6%). The beginning annual base salary is set forth below:

Step 1

Hourly

Annual

In addition to the above annual salary, the District agrees to pay three percent (3%) of Employee's salary annually towards a 401(a), which also requires Employee contributions.

Section 5.2. Automobile.

A. District shall provide Employee with the use of an emergency vehicle twenty-four (24) hours per day. The use of such vehicle shall be subject to any existing or future Board Policy established with respect to such vehicle.

Section 5.3. Clothing Allowance.

Employee shall receive a clothing allowance calculated at the rate of fifty dollars (\$50.00) per month, which shall be paid monthly.

Section 5.4. Vacation.

Employee shall accrue 240 hours of vacation leave per year.

Employee may accumulate vacation leave to a maximum of three hundred forty (340) hours per year. Employee shall be compensated for vacation hours accrued in excess of three hundred forty (340) hours up to a maximum of eighty (80) hours per year. Compensation for such excess vacation hours shall be made on an annual basis on December 31st of each year at Employee's then current level of salary. Notwithstanding the foregoing, Employee may accumulate vacation leave in excess of three hundred forty (340) hours for an identified purpose upon the prior written approval of the Board of

Directors.

Section 5.5. Holidays.

Holidays to be the same as all City of American Canyon official holidays.

In the event Employee is required to work on any of the above-mentioned holidays, he shall receive equal time off to be taken within two months of that date, this shall include scheduled Duty Chief coverage.

Section 5.6. Sick Leave.

Employee shall accrue sick leave at the rate of one and one quarter (1.25) days for each month of service. Employee's accumulation of sick leave shall be unlimited.

However, after Employee accumulates four hundred and eighty (480) hours of sick leave, Employee may elect to sell back up to twenty-five percent (25%) of total hours of sick leave. Employee shall be compensated for twenty-five percent (25%) of the number of excess hours offered for compensation at a rate based on Employee's then current level of salary.

Upon retirement, Employee is entitled to convert unused accumulated sick leave to service credit as provided under PERS, Cal. Government Code Section 20965.

Section 5.7. Insurance.

District agrees for the term of this Agreement, and such additional period as may be required by applicable law to make premium payments to applicable insurance providers on behalf of Employee and Employee's dependents for all life, medical and dental and such other insurance coverages as are provided to other employees of the District. Such insurance coverages shall be provided in the same amounts as are provided to other employees of the District.

Section 5.8. Administrative Leave.

Employee shall be credited one hundred twenty (120) hours of Administrative Leave on July 1 of each fiscal year. Such Administrative Leave may not be accumulated in excess of one hundred twenty (120) hours per year.

Employee may at any time, at Employee's option, elect to be compensated for any number of hours of accumulated administrative leave. Such compensation shall be made at the time elected by Employee and shall be calculated at a rate based on Employee's then current level of salary.

Section 5.9. Benefits Negotiated on Behalf of Represented Employees.

In the event that subsequent to the effective date of this Agreement, Employee acts on behalf of District as District Negotiator with organized employees, Employee shall not receive any new or increased benefits negotiated for such organized employees for a period of eighteen months from the effective date of the Memorandum of Understanding reflecting such benefits. However, the provisions of this section 5.9 are not intended to and shall not supersede the provisions of section 5.7 of this Agreement which

grant to Employee such insurance coverages in such amounts as are provided to all other District Employees. In addition, the provisions of this section 5.7 shall apply prospectively only to benefits not yet negotiated and not reflected in the current Memorandum of Understanding between the District and its organized employees.

Section 5.10 Longevity Pay

The Fire Chief shall receive longevity pay in the following increments:

After completion of 5 years	\$ 50.00
After completion of 10 years	\$100.00
After completion of 15 years	\$150.00
After completion of 20 years	\$200.00
After completion of 25 years	\$250.00

Payment will be made semi-monthly, 24 times per year.

Section 7. Hours of Work.

The Employee shall devote full-time to the Fire Chief position and shall generally work forty hours (40) per week. The hours of work may vary, as Employee may be required as Fire Chief to perform duties and responsibilities outside the normal business hours of the District. Employee shall attend all Board of Director's meetings unless excused.

Section 7A Overtime.

Employee will receive no overtime pay for work performed outside of normal business hours. Exception: Employee will receive overtime pay at 1.5 x hourly rate for work in excess of 40 hours a week when performing work outside of the District on a fully reimbursed (portal to portal) mutual aid incident ("CFAA", State of California Master Mutual Aid or Equipment for Hire).

Section 8. Retirement.

District shall contract with the Public Employees Retirement System of the State of California for retirement benefits. Employee shall pay the employee's portion of the retirement contribution for such benefit.

Section 9. Expense Reimbursement.

District shall reimburse, provided that prior approval is obtained from the Board of Directors, all reasonable, actual and necessary expenses of Employee in performing the duties of the Fire Chief.

Section 10. Indemnification and Defense of Employee.

A. District shall, consistent with the provisions of Government Code sections 810 et seq., defend, save and hold harmless, and indemnify Employee against any tort, professional liability, claim or demand or any legal action, arising out of an alleged act or omission occurring in the performance of Employee's duties or actions related to this position as Fire Chief. The District will provide and pay a full legal defense with a mutually agreed attorney representing Employee's interest.

B. District shall provide and pay for all cost of any fidelity or other bonds required of the Employee.

Section 11. Goal Setting, Performance Evaluation.

A. Employee shall schedule annual meetings of the Board of Directors pursuant to applicable provisions of the Ralph M. Brown Act to establish performance goals and objectives which the Board wishes Employee to address or achieve during each fiscal year. The Board may in its discretion, establish a committee to meet with Employee at such annual meetings to establish and review Employee's performance goals and objectives.

B. By June 30 of each year, the Board shall formally review and evaluate the performance of the Employee. The Board shall provide the Employee with a written summary statement of the evaluation and provide the Employee an adequate opportunity to discuss his evaluation with the Board in Closed Session. Employee shall sign the performance evaluation to acknowledge that he is aware of its contents. Such evaluation shall be placed in Employee's personnel file.

Section 12. Other Terms And Conditions of Employment.

A. The Board, may fix any such other terms and conditions of employment relating to performance of the Employee.

B. All provisions of the District's ordinances, resolutions, regulations, memorandums of understanding or directives relating to vacation, administrative leave, sick leave, cost of living adjustments, retirement, holidays and other salary or benefits applicable to other employees not inconsistent with the provisions of this Agreement, shall also apply to Employee in addition to the provisions of this Agreement.

Section 13. Notices.

Any notice relating to this Agreement shall be given in writing and shall be deemed sufficiently given and served for all purposes when delivered personally or by generally recognized overnight courier service, or three business day after deposit in the United States mail, certified or registered, return receipt requested with postage prepaid addressed as follows:

Section 14. Entire Agreement.

The terms and conditions and covenants of this Agreement are intended by the parties as a final expression of their agreement with respect to such terms, conditions and covenants as are included in this Agreement and may not be contradicted by evidence of any prior or contemporaneous agreement. This Agreement specifically supersedes any prior written or oral agreement between the parties.

Section 15. Amendment.

This Agreement may be amended from time to time only by the mutual written agreement of the parties.

Section 16. Governing Law.

This Agreement shall be governed by the laws of the State of California, and the rights and obligations of the parties hereto shall be construed and enforced in accordance with the laws of the State of California.

Section 17. Waiver.

Any waiver at any time by any party hereto of its rights with respect to default of any other matter arising in connection with this Agreement shall not be deemed to be a waiver with respect to any other default or matter. The exercise by a party of any remedy provided in the Agreement or at law shall not prevent the exercise by that party of any other remedy provided in this Agreement or at law.

Section 18. Severability.

If any terms, provisions, conditions and covenants of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

Section 19. Legal Advice: Neutral Interpretation.

Each party has received independent legal advice from its attorneys with respect to the advisability of executing this Agreement and the meaning of the provisions hereof. The provisions of this Agreement shall be construed as to their fair meaning, and not for or against any party based on any attribution to such party as the source of the language in question. The headings used in this Agreement are for the convenience of reference only and shall not be used in construing this Agreement.

Section 20. No Third-Party Beneficiary.

Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any person other than the parties to it and their respective permitted successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation of any third party to any party hereto or given any third person any right of subrogation or action over and against any party to this Agreement.

Section 21. Counterparts.

This Agreement is executed in four (4) duplicate originals, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement consists of ten (10) pages which constitute the entire understanding and agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement with the intent to be bound thereby as of the date first written above.

BACKGROUND & ANALYSIS

On April 26, 2022, Board member Mark Joseph requested staff to provide him and the Board with an overview and explanation of Section 201 of the State of California Emergency Medical Act. The primary genesis of this request stemmed from Board member Joseph's recent participation in the 2022 California Fire Districts Association conference and meeting on April 5, 2022 through April 8, 2022 in Napa. While attending this conference, Mr. Joseph participated in at least one educational session that addressed the impacts of historical and recent efforts by the California Fire Service to address statewide and local interpretation and enforcement of regulations impacting the delivery of emergency medical services provided by fire departments.

Why are 201 Rights of interest or important to our Fire District?

Section 1797.201 of the Health and Safety Code states: "Upon the request of a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, a county shall enter into a written agreement with the city or fire district regarding the provision of prehospital emergency medical services for that city or fire district. Until such time that an agreement is reached, prehospital emergency medical services shall be continued at not less than the existing level, and the administration of prehospital EMS by cities and fire districts presently providing such services shall be retained by those cities and fire districts, except the level of prehospital EMS may be reduced where the city council, or the governing body of a fire district, pursuant to a public hearing, determines that the reduction is necessary."

Hence, fire departments who have provided a level of EMS service since June 1, 1980 can continue to provide that same level of service until such time the fire department enters into a formal agreement with the county of a defined level of service.

Why are Fire Departments in the EMS business?

Your fire department has provided emergency medical response services in one form or another since the formation of the American Canyon Volunteer Fire Department and the successor organization, the American Canyon Fire Protection District when it was formed in 1957. Initially those emergency medical services were best described as First Aid and Basic Life Support (CPR, control of bleeding and stabilization and splinting of broken bones, etc.) in nature. In 2014, the Fire District increased its level of service to Advance Life Support (ALS) with the inclusion of paramedic trained firefighters on District response apparatus. It has always been the intention and mission of the Fire District to provide the highest level of emergency medical service feasible given department staffing/resources and the expressed needs of the community.

California Fire Protection Districts receive their statutory authority to exist and provide service under guidelines established in State Law (Section 13800, et seq.) within the Health Safety Code (California Administrative Code). The current version of the Fire Protection District Law was most recently updated in 1987. **Chapter 5 General Powers and Duties Section 13862 (c) specifically establishes that a Fire Protection District shall have the power to provide Emergency medical services.**

Over the course of the past 3+ decades, across the State from San Bernardino County, Stanislaus and Sonoma Counties, local Fire Departments, County Local EMS Agencies (LEMSA) and the State EMS Agency have done battle over who regulates and defines the level and delivery of emergency medical services locally. Some of these conflicts have found their way to the State Supreme Court, in efforts to clarify and define statutory authority of over City and Fire Protection Districts abilities to define the level and provision of emergency medical response services at a local level, including ambulance transport. The majority of these battles have centered around conflicts emerging from interpreting the intent of Section 201 of the California Emergency Medical Services Act and its reference to 'grandfathering'. Fire Districts and Cities which were providing either Basic Life Support (BLS) or Advanced Life Support (ALS) paramedic services prior to the adoption of the EMS Act on June 1, 1980 were allowed to continue to provide those services under 'grandfathering' language found in Section 201 of the Act.

According to a February 1, 2015 opinion of the California Attorney General, this portion of the EMS Act was legislatively intended to be only temporary and a bridge to assist the State and local County EMS agencies time to develop strategies to address the historic provision and management of EMS at a local level where City Fire Departments and Fire Protection Districts were already delivering ems in their jurisdictions. **The legislation prescribed a mechanism in which the City and Fire Protection District would need to enter into a written agreement regarding the provision of prehospital emergency medical services with the LEMSAs. The EMS Act also specified that until such an**

agreement was reached, the City and Fire Protection District shall continue to provide services at existing levels and the administration of these services shall be retained by the cities and fire districts. This language has essentially allowed for there to be a stalemate between the cities, fire districts and the LEMSAs over the implementation of this provision and written agreements between the cities, fire protection districts and the local EMS agencies.

Additionally, a lack of recognition of the level at which local government (Cities and Fire Protection Districts) were financially and organizationally committed to the delivery of these services in many cases has led to tension and in some cases litigation over who defines the level and degree of EMS services across the state. The approach of the EMS Act was to vest the authority and oversight of Statewide and local EMS management with the Counties and their LEMSA. In a somewhat contradictory legislative language and intent, Cities and Fire Protection Districts also have statutory authority defined in State Law to manage and delivery EMS in their jurisdictions. The Legislature in its efforts to try and address the coordination and the delivery of emergency medical services across the State and locally may have intentionally or unintentionally underestimated the importance of the role that local fire departments perform on a daily basis in the delivery of pre-hospital emergency medical care. Based on who and how Section 201 wording is interpreted, there will continue to be a difference of opinion between Cities, Fire Protection Districts and the State EMSA and County LEMSAs until new legislation is adopted specifically designed to address these conflicts.

The delivery of prehospital emergency medical care has been a complex and multi-faceted challenge statewide since the early 1970s. The EMS Act of 1980 was the States attempt at bringing oversight and continuity to the delivery of these services. The impacts of Managed Healthcare, medical reimbursement challenges for all levels of medical service providers, the impacts of Mental Health patient service needs, indigent and homeless, cost of Trauma Services and Air Medical transportation services all require a coordinated and comprehensive response across the prehospital and clinical medicine delivery systems. No one provider or component of the existing ems delivery system has the financial or physical resources to address all of these challenges adequately. Funding will always be inadequate given the scale of the problems that we are faced with currently and lack of collaboration that seems to be happening both locally and on a statewide level. Locally, here in Napa County there needs to be a better recognition of the value of what local fire departments bring to the table in the daily delivery of prehospital emergency medical care.

Health and Safety Code 1797.201 (Contracts with Local Government for EMS Services)

Upon the request of a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, a county shall enter into a written agreement with the city or fire district regarding the provision of prehospital emergency medical services for that city or fire district. SENATE BILL

No. 443

Introduced by Senator Hertzberg

February 16, 2021

An act to ~~amend Sections 13115 and 13120 of the Elections Code, relating to elections; amend Section 1798.8 of, and to add Sections 1797.91 and 1797.232 to, the Health and Safety Code, relating to emergency medical services.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 443, as amended, Hertzberg. ~~Referendum measures. Emergency medical services (EMS): prehospital EMS.~~

Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, governs local emergency medical services (EMS) systems and authorizes each county to develop an EMS program and designate a local EMS agency. Existing law requires a county to enter into a written agreement with a city or fire district that contracted for or provided prehospital EMS as of June 1, 1980. Existing law requires, until that written agreement is reached, prehospital EMS to be continued at not less than the existing level and the administration of prehospital EMS by cities and fire districts contracting for or providing those services as of June 1, 1980, to be retained by those cities and fire districts.

This bill would require a city or fire district that contracted for or provided, as of June 1, 1980, prehospital emergency medical services, to be deemed to retain its authority regarding, and administration of,

the prehospital emergency medical services when a city or fire district enters into an agreement with a county for the joint exercise of powers regarding prehospital emergency medical services for that city or fire district, or ceases to contract for, provide, or administer prehospital emergency medical services as a result of a judicial finding, as specified. The bill would clarify the Legislature's intent that a city's or fire district's entry into a written agreement, as described, does not make the city or fire district ineligible to contract with a county, as described above, or result in the transfer, termination, relinquishment, or extinguishment of that city's or fire district's authorities regarding, or administration of, prehospital emergency medical services, and to abrogate contrary judicial holdings.

Under the act, the medical direction and management of an emergency medical services system is under the medical control of the medical director of the local EMS agency. The act requires the medical control to be maintained in accordance with standards for medical control established by the Emergency Medical Services Authority. The act prohibits this medical control from being construed to limit, supplant, prohibit, or otherwise alter a public safety agency's authority to directly receive and process requests for assistance originating within the public safety agency's territorial jurisdiction through the emergency "911" system.

This bill would clarify the Legislature's intent by clarifying the scope and breadth of this medical control as described under the act, to restrict local EMS agencies' medical control authority over public safety agencies, as specified, and to clarify that a public safety agency does not transfer any of the public safety agency's authority regarding the administration of emergency medical services by adhering, or agreeing to adhere, to a local EMS agency's medical control authority, and to abrogate contrary judicial holdings.

~~(1) Existing law specifies the order in which statewide ballot measures are required to appear on the ballot, with referendum measures required to be last after all initiative measures.~~

~~This bill would instead require initiative and referendum measures to appear in the order in which they qualify for the ballot.~~

~~(2) The California Constitution provides that the electors may approve or reject a statute by referendum. Senate Constitutional Amendment 1 of the 2021–22 Regular Session, if approved by the voters, would require that the ballot for a referendum measure provide that a "Yes" vote is in favor of the referendum and rejects the statute or part of the statute~~

subject to the referendum, and a “No” vote is against the referendum and approves the statute or part of the statute subject to the referendum, thus requiring a majority vote in favor of the referendum to reject the statute or part of the statute subject to the referendum.

~~This bill would make conforming statutory changes contingent on the approval of the voters of SCA 1 of the 2021–22 Regular Session.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 1797.91 is added to the Health and Safety
2 Code, to read:
3 1797.91. “Level of prehospital EMS” or “level” means the
4 quantity of available staff, vehicles, and equipment, as well as the
5 character of available EMS services as constituting basic life
6 support, advanced life support, or limited advanced life support.
7 SEC. 2. Section 1797.232 is added to the Health and Safety
8 Code, to read:
9 1797.232. (a) When a city or fire district that contracted for
10 or provided, as of June 1, 1980, prehospital emergency medical
11 services, enters an agreement with a county for the joint exercise
12 of powers under Chapter 5 (commencing with Section 6500) of
13 Division 7 of Title 1 of the Government Code regarding prehospital
14 emergency medical services for that city or fire district, or ceases
15 to contract for, provide, or administer prehospital emergency
16 medical services as a result of *City of Oxnard v. County of Ventura*
17 (2021) 71 Cal.App.5th 1010, the city or fire district shall be deemed
18 to retain its authorities regarding, and administration of, the
19 prehospital emergency medical services pursuant to Section
20 1797.201.
21 (b) In enacting this section, it is the intent of the Legislature to
22 clarify that a city’s or fire district’s entry into a written agreement
23 as described in subdivision (a) of this section does not make the
24 city or fire district ineligible for Section 1797.201 or result in the
25 transfer, termination, relinquishment, or extinguishment of that
26 city’s or fire district’s authorities regarding, or administration of,
27 prehospital EMS, under Section 1797.201, and to abrogate any
28 contrary holdings in *City of Oxnard v. County of Ventura* (2021)
29 71 Cal.App.5th 1010 and other judicial decisions.

1 *SEC. 3. Section 1798.8 of the Health and Safety Code is*
2 *amended to read:*

3 1798.8. (a) Notwithstanding any provision of this division,
4 medical control by a local EMS agency medical director, or
5 medical direction and management of an emergency medical
6 services system, as described in this chapter, shall not be construed
7 to do any of the following:

8 (1) Limit, supplant, prohibit, or otherwise alter a public safety
9 agency's authority to directly receive and process requests for
10 assistance originating within the public safety agency's territorial
11 jurisdiction through the emergency "911" system established
12 pursuant to Article 6 (commencing with Section 53100) of Chapter
13 1 of Part 1 of Division 2 of Title 5 of the Government Code. This
14 paragraph does not supersede the local EMS agency's authority
15 to adopt and implement emergency lifesaving instructions or EMD
16 prearrival instructions.

17 (2) Authorize or permit a local EMS agency to delegate, assign,
18 or enter into a contract in contravention of subdivision (b) of
19 Section 53110 of the Government Code.

20 (3) Authorize or permit a local EMS agency to unilaterally
21 reduce a public safety agency's response mode below that of the
22 EMS transport provider, prevent a public safety response, or alter
23 the deployment of public safety emergency response resources
24 within the public safety agency's territorial jurisdiction.

25 (4) Authorize or permit a local EMS agency to prevent a public
26 safety agency from providing mutual aid pursuant to the California
27 Emergency Services Act (Chapter 7 (commencing with Section
28 8550) of Division 1 of Title 2 of the Government Code).

29 (b) A public safety agency's adherence to the policies,
30 procedures, and protocols adopted by a local EMS agency does
31 not constitute a transfer of any of the public safety agency's
32 authorities regarding the administration of emergency medical
33 services.

34 (c) *In enacting this section, it is the intent of the Legislature to*
35 *clarify the scope and breadth of medical control as described in*
36 *this chapter, restrict local EMS agencies' medical control authority*
37 *over public safety agencies as specified in this section, clarify that*
38 *a public safety agency does not transfer any of the public safety*
39 *agency's authorities regarding the administration of emergency*
40 *medical services by adhering, or agreeing to adhere, to a local*

1 *EMS agency's medical control authority, and abrogate any*
2 *contrary holdings in County of San Bernardino v. City of San*
3 *Bernardino (1997) 15 Cal.4th 909 and other judicial decisions.*

4 SECTION 1. Section 13115 of the Elections Code is amended
5 to read:

6 13115. ~~The order in which all state measures that are to be~~
7 ~~submitted to the voters shall appear on the ballot is as follows:~~

8 (a) ~~Bond measures, including those proposed by initiative, in~~
9 ~~the order in which they qualify.~~

10 (b) ~~Constitutional amendments, including those proposed by~~
11 ~~initiative, in the order in which they qualify.~~

12 (c) ~~Legislative measures, other than those described in~~
13 ~~subdivision (a) or (b), in the order in which they are approved by~~
14 ~~the Legislature.~~

15 (d) ~~Initiative and referendum measures, other than those~~
16 ~~described in subdivision (a) or (b), in the order in which they~~
17 ~~qualify.~~

18 SEC. 2. Section 13120 of the Elections Code is amended to
19 read:

20 13120. ~~The ballots used when voting upon a state, county, city,~~
21 ~~or district statute or ordinance referred to the voters of the~~
22 ~~respective jurisdiction as a referendum measure pursuant to~~
23 ~~Division 9 (commencing with Section 9000) shall have printed on~~
24 ~~them the words "Shall the statute (or ordinance) (stating the nature~~
25 ~~thereof, including any identifying number or title) be rejected?"~~
26 ~~Opposite the statement of the statute or ordinance to be voted on~~
27 ~~and to its right, or immediately below if there is not sufficient~~
28 ~~space opposite the statement or ordinance and to its right, the words~~
29 ~~"Yes" and "No" shall be printed on separate lines, with voting~~
30 ~~targets. If a voter marks the voting target next to the printed word~~
31 ~~"Yes," the voter's vote shall be counted in favor of the referendum~~
32 ~~and against adoption of the ordinance or statute. If the voter marks~~
33 ~~the voting target next to the printed word "No," the voter's vote~~
34 ~~shall be counted against the referendum and in favor of adoption~~
35 ~~of the ordinance or statute.~~

36 SEC. 3. Section 2 of this act shall become operative only if
37 SCA 1 of the 2021–22 Regular Session is approved by the voters.

Re: Senate Bill 443 (Hertzberg), As Proposed to be Amended – SUPPORT

Dear Chair Wood:

I am writing to you on behalf of American Canyon Fire Protection District to express our support for Senate Bill 443 ("SB 443"). Ensuring that local fire agencies remain in control of making policy decisions regarding their own jurisdiction strengthens their relationship with their constituents and allows them to make decisions on how to best serve these communities.

The American Canyon Fire Protection District (District) is located in Napa County and was founded in 1957 and exists today as a Subsidiary Special District to the City of American Canyon. The District's jurisdiction is the City of American Canyon and an unincorporated area surrounding the city limits. The District service area is approximately eight square miles in size and we protect a population of approximately 20,000. The District is also frequently called upon to provide automatic and mutual aid to multiple agencies in both Napa and Solano counties. The District provides a high level of Fire Suppression, EMS, and Rescue Services to our community. The District has representation on several regional response teams such as The Napa Interagency Hazardous Incident Team (NIHIT) and Napa Interagency Rescue Team (NIRT).

Fire agencies' ability to make the adjustments needed to best serve their communities has recently come under scrutiny through recent court decisions. SB 443 addresses local fire service agencies concerns stemming from those decisions as well as clarifies the original intent of SB 438 (Hertzberg, Chapter 389, Statutes of 2019) that limits Local Emergency Medical Services Agencies (LEMSA) medical control authority over fire agencies and retains fire agencies administrative rights of their EMS, regardless of the choice to enter into a county's joint powers agreement (JPA). All communities deserve to receive fast, reliable, and affordable EMS services, SB 443 streamlines the response process for service areas. SB 443 also provides the flexibility for communities to structure their emergency response through a governance structure best fitted for their constituents.

For all the reasons listed above and more, American Canyon Fire Protection District wishes to show our support for SB 443 and ask you for an "aye" vote on the bill.

Sincerely,

Michael P. Cahill
District Fire Chief

RE: Senate Bill 443 (Hertzberg) EMS Dispatch Services
As Amended – **OPPOSE**
Set for Hearing on June 28, 2022 – Assembly Health Committee

Dear Assembly Member Wood,

On behalf of the Napa County Board of Supervisors, I write to inform you of our unanimous opposition to Senate Bill 443, authored by Senator Hertzberg. The author and sponsors assert this measure is intended to clarify the intent of SB 438 (Hertzberg, Chapter 389, Statutes of 2019), the subject of which was the operation of public safety answering points (PSAPs), including 9-1-1 Emergency Medical Services (EMS) dispatch centers. During negotiations on SB 438, county organizations including the California State Association of Counties (CSAC), Urban Counties of California (UCC), Rural County representatives of California (RCRC), and the County Health Executives Association of California (CHEAC) were assured that the measure was not intended to undermine local emergency medical services agency (LEMSA) medical control.

SB 443 seeks to undermine and circumvent litigation that has affirmed county control over their local emergency medical services systems. SB 443 proposes to abrogate, the California Supreme Court, in the case of *County of San Bernardino v. City of San Bernardino* (1997 15.Cal [15.cal]. 4th 909). SB 443 also seeks to abrogate other court cases filed on the basis of medical control and .201 rights including cases between the *City of Oxnard v. County of Ventura* and *S. San Joaquin County Fire Authority, et.al [et.al]*, v. *San Joaquin EMS Agency, et.al [et.al]*. Again, neither case seeks to clarify the intent of SB 438, which was about the dispatch of EMS services. Rather, both court cases ruled against cities and fire districts attempting to undermine LEMSA medical control through their so-called “.201 rights.”

The EMS system of today that provides equitable access and delivery of high-quality care is the intentional result of the implementation of the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act (EMS Act). The EMS Act created a comprehensive two-tiered system governing virtually every aspect of prehospital emergency medical services. The Legislature’s desire to achieve coordination and integration in place of what had previously been a haphazard and inequitable arrangement is evident throughout the EMS Act. At the state level, the Emergency Medical Services Authority (EMSA) performs a number of different functions relating to the coordination of EMS throughout the state. The second tier of governance under the EMS Act is occupied by the LEMSA. The LEMSA is the neutral agent of the county charged with planning, implementing, and evaluating an emergency medical services system “consisting of an organized pattern of readiness and response services based on public and private agreements and operational procedures” (§ 1797.204).

Chapter 5 of the EMS Act provides that "The medical direction and management of an emergency medical services system shall be under the medical control of the medical director of the local EMS agency. This medical control shall

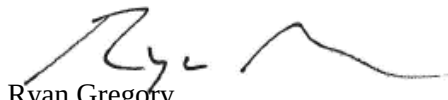

be maintained in accordance with standards for medical control established by the authority [i.e., the state authority].” Moreover, Section 1797.220 of the EMS Act is clear that “The local EMS agency, using state minimum standards, shall establish policies and procedures approved by the medical director of the local EMS agency to assure medical control of the EMS system.” When challenged, the courts have consistently affirmed that medical control is broad and expansive, encompassing matters directly related to regulating the quality of emergency medical services.

SB 443 would permit local municipal agencies to act outside of the medical control of the LEMSA medical director in the response and delivery of prehospital emergency care. Cities and districts would have the ability to separate themselves from the county’s organized EMS system and its oversight, thereby impeding the county’s ability to assure the coordination, integration, and availability of services countywide. Rural and / or lower income areas of the county could consequently experience reduced or limited services. Accordingly, SB 443 is antithetical to the equitable provision of emergency medical care for all people. SB 443 would also risk patient safety as it would remove the LEMSA medical director’s authority to provide impartial medical direction and oversight, which assures a patient-centric system. LEMSA medical directors are highly qualified and experienced EMS physicians, who are tasked to oversee EMS systems of care. In practical terms, this bill makes it possible for a public safety agency to administratively determine whether or not to operate within the clinical system of care.

SB 443 is an attempt to broadly erode the authority of EMSA and the LEMSAs, with specific intent to weaken the ability of the county’s physician EMS medical director to maintain medical control and to ensure standardization of the EMS system. The organized EMS system established under the EMS Act provides for coordination, integration, equity, and evidence-based practice in the delivery of high-quality emergency medical services. The result will likely be widespread fragmentation of the organized, efficient, and effective EMS system of today and reversion to the disjointed state that existed prior to the implementation of the EMS Act.

It is for these reasons that the County of Napa strongly opposes SB 443 and respectfully urges your ‘NO’ vote on the measure. If you should have any questions, please contact Paul Yoder or Karen Lange at 916-446-4656.

Ryan Gregory

Annual cost-of-living increase to the District Fire Service Fee Special Tax for Fiscal Year 2022/2023.

RECOMMENDATION

Adopt [Resolution 2022-10](#) approving the annual cost-of-living increase to the District Fire Service Fee Special Tax consistent with District Ordinance 2013-01 and confirming the Fire Service Fee Assessments of \$752,326.74 for Fiscal Year 2022/2023.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

At the June 1980 general election, a ballot measure designated as Measure B was approved by 76% of the voters of the then-independent District to provide supplemental funding for fire protection and emergency services in the District subsequent to the passage of Proposition 13 in 1978.

The Fire Service Fee is apportioned to all parcels in the District based on the associated demand for fire protection services; and is applied on a “per equivalent dwelling unit” basis, or “EDU.” On July 20, 2013, the District Board enacted Ordinance 2013-01 to clarify and implement the provisions of Measure B. The District subsequently filed a validation action, American Canyon Fire Protection District v. All Persons Interested in the Matter of the Validity of the American Canyon Fire Protection District Ordinance No. 2013-1 Confirming Special Tax for Fire Services, Napa Superior Court Case No. 26-62587, which resulted in a Judgement on January 22, 2014 which confirmed the validity of Ordinance 2013-01.

Ordinance 2013-01 provides for an annual cost-of-living increase for the Fire Service Fee. This inflationary adjustment is based on the change in the California Consumer Price Index from January to January of each year. The District has retained Capitol Public Finance to determine the annual adjustment for FY2022-2023, Attachment 2.

Consistent with that determination, it is recommended that the Fire Service Fee be increased by the cost-of-living adjustment of 7.39%. If approved, the Fire Service Fee would increase by \$7.34, from \$99.02/EDU to \$106.36/EDU.

The District Ordinance requires the Fire Chief to compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District. The list is updated each year to reflect any new construction or parcel splits. The parcel listings are attached for review. After review of the fee listing, the Board confirms the assessments by resolution, which is then submitted to the Napa County Auditor-Controller. For secured property, the Auditor-Controller includes the annual assessments on the property tax bill. In the case of unsecured property, the Auditor -Controller distributes the collection and the Tax Collector mails the individual bills and collects the assessment separate from the property tax rolls.

The attached Fire Service Fee assessment listings for Fiscal Year 2022-2023 total \$720,687.20 for secured property and \$31,639.54 for unsecured (mobile home,) for a total assessment of \$752,326.74.

In accordance with District Ordinance 2013-01, a hearing of the “Fire Service Fee Board of Review” will be noticed subsequent to Board approval of the annual listing for any property owner wishing to challenge their annual assessment.

FISCAL IMPACT

If approved, the proposed Fire Service Fee of \$106.36/EDU is expected to generate operating revenue of \$752,326.74 for fiscal year 2022-2023. Adopting the annual inflationary adjustment will maintain parity between Fire Service Fee and increases in the cost of providing fire protection and other emergency services, consistent with Ordinance 2013-01.

BOARD PRIORITY PROGRAMS AND PROJECTS

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378 of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

RESOLUTION 2022-10

A RESOLUTION OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT ESTABLISHING FIRE SERVICE FEES AND ADOPTING FIRE SERVICE FEE ASSESSMENTS FOR FISCAL YEAR 2022-2023 CONSISTENT WITH DISTRICT ORDINANCE 2013-01

WHEREAS, at the June 1980 General Election, a ballot measure entitled “Measure B,” was approved by 76% of the voters of the American Canyon Fire Protection District (“District”), then an independent fire protection district; and,

WHEREAS, Measure B was enacted to address the limitations imposed on property taxes by Proposition 13, Art. XIIA of the State Constitution; and,

WHEREAS, Measure B contained provisions which were based on fire flow determined by property use and specific uses and could be characterized as either an assessment or a special tax; and,

WHEREAS, in July 2013, the Board of Directors (“Board”) enacted Ordinance 2013-01 which amended the District Ordinance enacted by the passage of Measure B clarifying and defining the intent of the voters in enacting Measure B; and,

WHEREAS, Ordinance 2013-01 was the subject of a final judgement of the Superior Court of Napa County in the matter of *American Canyon Fire Protection District v. all Persons Interested, etc.*, Napa Superior Court Case No. 26-62587, in which Judgement confirming the validity of Ordinance 2013-01 was entered on January 22, 2014; and,

WHEREAS, consistent with Measure B and the judicially validated Ordinance 2013-01, the District is authorized to increase of the Fire Service Fee by the cost of living increases as determined in the Bay Area consistent with the California Consumer Price Index; and,

WHEREAS, the District retained the consulting firm of Capital Public Finance to make a determination of the cost of living increase consistent with Ordinance 2013-01 and the amount increased for the period of January 2021 to January 2022 was determined to be 7.39%; and,

WHEREAS, the District Ordinance requires the Fire Chief to annually compile a list of “Fire Service Fees” for both secured and unsecured properties (mobile homes) in the District; and,

WHEREAS, after review of the fee listing the Board confirms the assessments by resolution and the resolution and listing are then submitted to the Napa County Auditor-Controller and included on property tax bills each year for secured properties; and,

WHEREAS, the Board has reviewed the listing of prospective assessments and confirms the total assessments of \$752,326.74 and requests the Napa County Auditor-Controller include assessments for secured property of \$720,687.20 in the 2022-2023 property tax billings and requests Napa County Tax Collector to prepare the invoices of the unsecured property owners (mobile home) in the amount of \$31,639.54 and

WHEREAS, the Fire Service Fee Board of Review will be noticed subsequent to Board approval of the annual listing in accordance with District Ordinance 2013-01;

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize and increase in the District Fire Service Fee by the amount of 7.39 percent (7.39%), effective July 1, 2022; and

BE IT FURTHER RESOLVED, that the Board of Directors of the American Canyon Fire Protection District does hereby authorize the Fire Chief to direct the Napa County Auditor-Controller to include the Fire Service Fee assessments for secured property owners in the amount of \$720,326.74 on the fiscal year 2022-2023 property tax rolls and to issue invoices to unsecured property (mobile home) owners in the amount of \$31,639.54 for a total assessment of \$752,326.74.

**Certification of Unsecured and Secured Roll For American Canyon Fire Protection
District Service Fee Fiscal Year 2022-2023**

I, Michael P. Cahill, as Secretary to the American Canyon Fire Protection District (“District”) Board of Directors, certify to the best of my ability and upon information and belief that the following are the Parcels, listed by their Assessor’s Parcel Number which are subject to the District Fire Service Fee, consistent with District Ordinance 2013-01. The list was formulated after several reviews of official records of the County of Napa and the District.

Dated: June 28, 2022

Michael P. Cahill
Secretary of the Board

Fire Mitigation Fees

RECOMMENDATION

Adopt [Resolution 2022-11](#) Increasing the 1986 Mitigation Fee for Fiscal Year 2022-2023 by the Change in the Consumer Price Index for the Year ended April 2022 by an increase of 5% percent.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

In November 1986, the voters approved a mitigation fee which is actually an assessment to help pay for Fire District facilities and apparatus. This revenue measure was needed due to the combination of the passage of Proposition 13 (Article XIII of the State Constitution), which severely reduced the District's tax base and the needs in future years based on projected construction of residential and commercial development. The Fire Mitigation Fee is a one-time tax (which is now properly characterized as an assessment) which is levied upon property owners who construct and occupy any residential, commercial or industrial building located with the District. The assessment is calculated based on the square footage of the structure.

Pursuant to the 1986 Mitigation Fee Resolution 86-5, Section 4, Paragraph K, the Board of Directors shall review and adjust the rate each year according to the changes in the Consumer Price Index (CPI). For the year ending April 2022, the CPI index for the San Francisco/Oakland/San Jose increased 5 percent. The increase is applicable to all building permits issued beginning July 1st, 2021.

FISCAL IMPACT

When the percentage increase in the CPI is applied, the assessment is increased as follows:

Assessment Rate Per Square Foot

Category	Current	Proposed
Single Family	\$.2585	\$.2714

Multi-Family	\$.3154	\$.3312
Commercial	\$.4731	\$.4968
Industrial	\$.5738	\$.6025

BOARD PRIORITY PROGRAMS AND PROJECTS

ENVIRONMENTAL REVIEW

The approval of the proposed resolution is not subject to the California Environmental Quality Act (“CEQA”) pursuant to Section 15060(c)(2) because the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; and Section 15060(c)(3) because the activity is not a project as defined in Section 15378(b)(4) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3 because it is a governmental financing mechanism that has no potential for resulting in physical change to the environment, directly or indirectly. In addition, the resolution is not a project under CEQA Regulation Section 15061(b)(3) because it has no potential for causing a significant effect on the environment.

Additionally, in September 1997, District Counsel completed a Prop. 218 analysis and confirmed that no additional CEQA study or Public Hearing needs to be conducted when confirming the annual increase.

TITLE

First Responder Fee annual cost-of-living-increase.

RECOMMENDATION

Adopt [Resolution 2022-12](#) approving the annual cost-of-living increase to the District First Responder Fee for Emergency Medical Services.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

On November 5, 2019, the Board of Directors passed and adopted Ordinance 2019-02, establishing a First Responder Fee for Emergency Medical Services. California Health and Safety Code Sections 13146.2(b), 13217(b), 13862, 13869, 13871, 13874, 13916, and 17951, together with Chapter 8, Division 1, Title 7 of the California Government Code, authorize the District to adopt a First Responder Fee and to charge and collect a fee to defray the cost of providing District services.

Ordinance 2019-02 provides for an annual cost-of-living increase for the First Responder Fee. These fees may be increased in the future by District resolution consistent with applicable law, including but not limited to annual adjustments each July 1 based on the annual change in the Consumer Price Index (CPI) Urban Wage Earners, San Francisco-Oakland-San Jose, CA region, measured as of February of each year.

Consistent with that determination, it is recommended that the First Responder Fee be increased by the cost-of-living adjustment of 5.2%. If approved, the Fire Responder Fee would increase by \$26.42, from \$508.00 to \$534.42.

FISCAL IMPACT

When the percentage increase in the CPI is applied, the Fee will increase from \$508.00 to \$534.42.

TITLE

Write Off of Uncollectible Fire Service Fees FY2021-2022.

RECOMMENDATION

Adopt [Resolution 2022-13](#) authorizing the write off of uncollectible Fire Service Fees in the amount of \$2,343.86.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

District Ordinance 2013-01 was approved on July 30, 2013 confirming and clarifying District Resolution No 2-80 and Resolution 6-80 which was adopted after voter approved initiative “Measure B” in June 1980 for an assessment known as the Fire Service Fee. The fee was granted by the voters, Article XIII A of the State Constitution and AB 618 and is solely for the purpose of producing revenue to maintain Fire Service levels. Fire Service Fees are collected by the Napa County Assessor’s Office through property taxes on real property. Manufactured homes that are not on the Tax Assessor roles are billed annually and collected by the District. On the attachment to this Staff Report we have listed the fees that we are requesting to write off as bad debt due to our inability to collect for the various reasons indicated.

FISCAL IMPACT

The recommended write-off amount of uncollectible fees is \$2,343.86.

BOARD PRIORITY PROGRAMS AND PROJECTS

ENVIRONMENTAL REVIEW

No environmental review is required, as the proposed action is not a “project” pursuant to the California Environmental Quality Act and has no potential for causing an impact on the environment.

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE AMERICAN CANYON FIRE PROTECTION DISTRICT APPROVING THE WRITE-OFF OF UNCOLLECTIBLE FIRE SERVICE FEES FOR FY 2021-2022

WHEREAS, the American Canyon Fire Protection District (District) collects annual Fire Service Fees, approved by District Ordinance 2013-01 confirming and clarifying District Resolution No 2-80 and Resolution 6-80;

WHEREAS, the District has Fire Service Fees in the amount of \$ 2,343.86 that have been uncollectible; and

WHEREAS, reasonable attempts have been made to collect the fees and the situation warrants writing off the remaining uncollectible amounts;

NOW THEREFORE, BE IT RESOLVED that the Board of Directors of the American Canyon Fire Protection District authorizes the Fire Chief to write-off as uncollectable Fire Service Fees in the amount of \$ 2,343.86.

Annual Appropriations Limit for Fiscal Year 2022-2023.

RECOMMENDATION

Adopt [Resolution 2022-14](#) approving the annual appropriations limit for the American Canyon Fire Protection District for fiscal year 2022-2023.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

In November 1979, California voters added Article XIII-B to the State Constitution, which placed limitations on the appropriations of State and local governments. The Article, as implemented by State Legislation, requires that local agencies set an annual spending limit for budget appropriations funded from the proceeds of taxes, as defined by the law and accepted statewide guidelines.

Calculating the Appropriations Limit

The base year was set as fiscal year 1978-79 and the first appropriations limit was applied to public agency budgets beginning in fiscal year 1980-81. The appropriations limit is revised annually by a prescribed formula that uses a combination of the percentage changes in California's per capita personal income or non-residential assessed valuation, if available, and the local jurisdictions change in population measured as of January 1st of each year. The percentage change in per capita personal income and the percentage change in population are provided by the California Department of Finance.

In June 1990, Proposition 111 was approved, which amended Article XIII-B. The amendment changed both how the limit was calculated and the appropriations that were subject to the limit, and added governing body adoption and independent audit requirements.

There are no penalties under Article XIII-B for failure to adopt a limit. Compliance with the law is intended to be locally enforced by citizens. The State Government Code limits a civil court challenge of the appropriations limit calculation to a 45-day period after adoption.

Proceeds of Taxes and Appropriations Subject to Limit

After the annual appropriations limit is calculated, the appropriations that are subject to the limit are determined. The appropriations limit only applies to appropriations that are funded from the proceeds of taxes, which are defined in the statewide guidelines.

American Canyon Fire Protection District Appropriation Limit

Consistent with prior years, the fiscal year 2022-23 appropriations limit was calculated using the statewide per capita personal income increase of 7.55% and the City of American Canyon population change of 0.43%. Applying these factors results in an increase in the prior year appropriations limit of 8.01%, or \$1,114,253; and when added to the FY 2021-22 appropriations limit of \$13,910,774, results in a FY 2022-23 appropriations limit of \$15,025,027. The appropriations subject to the limit were determined to be \$5,373,698, which is \$9,651,329 under the appropriation limit. The detailed calculations are presented in the attached Appropriations Spending Limit Worksheet (Attachment 2).

Resolution 2022-14

A Resolution of the American Canyon Fire Protection District Establishing the Appropriations Limit For Fiscal Year 2022-23 Pursuant to Article XIII B of the California Constitution

WHEREAS, Article XIII B of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity shall not exceed the appropriation limit of such government entity for the prior year adjusted for certain changes mandated by Proposition 4 passed in November 1979 and Proposition 111 passed in June 1990 except as otherwise provided for in said Article XIII B and implementing State statutes; and

WHEREAS, pursuant to said Article XIII B, and Section 7900et seq. of the California Government Code, the District is required to set its appropriation limit for each fiscal year; and

WHEREAS, the District staff has conducted the necessary analysis and calculations to determine the appropriations limit for fiscal year 2022-23 relying on the fiscal year 2021-22 limit as approved by the Board of Directors for the District, and applying the following two adjustment factors: *Change in Population* and *Change in Per Capita Income*; and

WHEREAS, based on such calculations District staff has determined the said appropriation limit, and pursuant to Section 7910 of the Government Code, has made available to the public the documentation used in the determination of the limit;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the District that:

1. The annual adjustment factors used to calculate the fiscal year 2022-23 appropriations limit shall be the change in State Per Capita Income of 7.55% and the January 2022 City population change of 0.43%, as provided by the State Department of Finance;
2. The new Appropriation Limit for Fiscal Year 2022-23 shall be and is hereby set in the amount of \$15,025,027; and
3. The fiscal year 2022-23 Budget appropriations subject to the appropriation limit are \$5,373,698.

Authorizing overtime payment to Fire District Employees in support of an emergency incident, or pre-positioned for emergency response.

RECOMMENDATION

Adopt [Resolution 2022-15](#) authorizing overtime payment to Fire District Employees while in course of their employment and away from official duty station and assigned to an emergency incident, in support of an emergency incident, or pre-positioned for emergency response.

CONTACT

Michael P. Cahill, Fire Chief

BACKGROUND & ANALYSIS

For several years there has been an “agreement for local government fire and emergency assistance to the state of California and federal agencies;” commonly referred to as the California Fire Assistance Agreement (“CFAA”). Under the CFAA, local agency fire departments, such as the American Canyon Fire Protection District (“District”), assist the State and other local agencies in the prevention and suppression of major fire incidents. In 2015, the District updated the Resolution with the Governor’s Office of Emergency Services (“Cal OES”) providing for payment to District employees under the CFAA.

This month, CalOES notified the District to update the Agreement to include the positions of Fire Chief and Assistant Fire Chief because the employment agreements were no longer valid due to specific names listed.

An updated resolution needs to be executed to include the following positions of Fire Chief, Assistant Fire Chief, Division Chief, Battalion Chief, Fire Captain, Firefighter/Paramedic, and Firefighter to receive overtime while in course of their employment and away from their official duty station and assigned to an emergency incident, in support of an emergency incident, or pre-positioned for emergency response.

FISCAL IMPACT

Any fiscal impact will occur when assistance is requested with reimbursement occurring at the amounts set forth in the CFAA and District Resolution or specific Agreement for Hire of the District.

SUBJECT

Hold a Public Hearing and adopt a resolution approving the Preliminary Budget for the American Canyon Fire Protection District for the Fiscal Year 2022-23.

BACKGROUND AND ISSUES

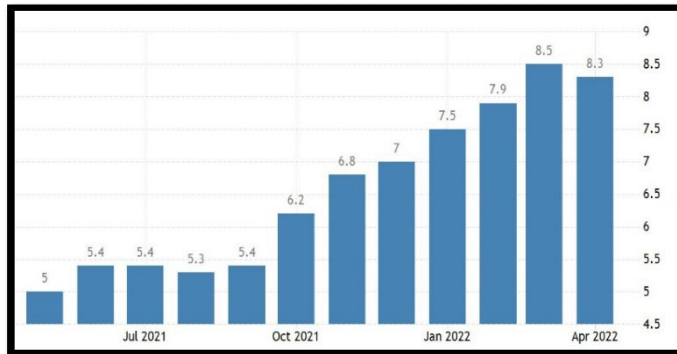

I am pleased to present the Board with a preliminary budget for fiscal year 2022-23 (FY23 budget) that represents a realistic yet conservative financial plan for the upcoming fiscal year, ensuring that the enhanced level of firefighter staffing implemented with the reopening of the James Road station to safeguard our community during the pandemic is maintained. The additional staffing affords both a greater level of safety for our firefighters and greater level of fire protection and emergency medical services to safeguard our community during the pandemic, a fire event, or other emergencies. It is consistent with the District's mission, vision, and values, and has been prepared with the priorities and resources necessary to accomplish the goals and objectives established by the Board of Directors. This budget will allow the District to execute its mission to protect and preserve life and property from the impact of fire, disaster, injury, and illness and have a positive impact in the lives of the people and the communities the District protects.

The past two fiscal years have provided many challenges to local municipalities because of the COVID-19 pandemic. The pandemic caused many uncertainties and yielded significant economic hardship for many of our residents and businesses. The District, however, remains in good financial health. Approximately eighty-three percent (83%) of our revenue is derived from property taxes and, while we were cautious about these revenues at the beginning of the pandemic, we found that property values experienced strong and consistent growth over the last two years. New construction and a strong local housing market continue to provide for growth in property tax revenues. With this growth and the economy returning to pre-pandemic levels, the District anticipates an increased demand in the coming year for emergency calls and community risk reduction activities as businesses recover and reopen after a temporary shutdown caused by public health measures implemented in response to the pandemic. The District anticipates that both our emergency service demands as well as the demands for our community risk reduction services will continue to increase into the future at rates similar to our pre-pandemic experience.

FISCAL UNCERTAINTIES HEADING INTO THE FY23 BUDGET YEAR

Impacts of High Interest Rate/High Inflation Environment - The surge in inflation has the potential to negatively impact District finances. The costs of fuel, new equipment, supplies, and construction is rising dramatically, which, in turn, has a negative impact on our budget. To moderate inflation, the Federal Reserve Bank raised the federal funds rate in May 2022 one-half percentage point, and in June another three-quarters of a percentage point, the largest increases since 2000. The increase in the Federal Funds rate has a direct impact on short-term interest rates, which in turn has a positive impact on the interest earnings of the District's investments. The current high

inflation environment can create financial challenges for the District in the event increasing costs outpace revenue growth.

Looming Recession – While new construction and a strong housing market have been driving growth in District revenues for the last decade, there is a real possibility the economy goes into a recession, and then stalls just as we are planning for major, continued growth. The question is whether a recession will be brief, like the one in 2020 caused by COVID-19 impacts on the economy, or long-term like the 2008-2009 economic collapse spurred by the mortgage crisis. The District has engaged a consultant that is currently about halfway through the development of a Master Plan. This new Plan will provide a roadmap for how we will continue to meet the emergency services needs of the community as it grows over the next decade. Funding for implementation of the Master Plan is dependent upon both one-time and ongoing revenue generated from that new development; the timing of which becomes crucial for implementation of the Master Plan initiatives. We want to be proactive and well situated to meet the increased service demand, yet not so far ahead that the growth in expenses outpaces the growth in revenues and threatens the near-term fiscal stability of the District.

NEW THIS YEAR

Completion of 6-0 Staffing Implementation- In FY20/21 the Board approved the implementation of a 6-0 staffing model for the Fire District. This allowed for the opening of the previously closed James Road Fire Station and putting into service an additional 3-person fire engine company to address the impacts of the COVID-19 Pandemic and firefighter safety within American Canyon. Initially this increased staffing was accomplished through the use of overtime. The FY21/22 Budget included two permanently funded firefighter positions and one overtime position as an incremental move to fully staff this second engine company. Last year during Budget hearings, staff recommended and the Board approved funding these positions in FY 21/22 from District Reserve Funds with the anticipation that the 3rd firefighter position would be moved from an overtime position to a fully staffed position in the FY22/23 Budget. Staff is now recommending that this final firefighter position be moved from the overtime budget and into the dedicated firefighter staffing allocations for FY 22/23.

New Apparatus – We are proposing to replace two of our older Type 1 engines: E-311 acquired in 2004 and the manufacturer (American La France) is no longer in business; and E-211 acquired in 2013 has experienced a series of mechanical issues that kept it out of service for approximately 180 days last year. The current cost of the new engines is estimated to be approximately \$900,000 each, including related safety equipment. Given interest rates are still attractive for borrowing, we are proposing a seven-year lease purchase financing for the engines, utilizing a combination of FF&E funds and special developer mitigation tax proceeds to fund the annual lease payments, with no expected impact on the General Operating Fund.

The proposed FF&E budget includes funding for two command vehicles at an estimated cost of \$90,000 each, one of which was carried over from FY22. The two existing command vehicles (2011 and 2016 Ford F-150's) would either be traded or retained for use by the new chief officer positions discussed below under District Reorganization. Also being proposed is FF&E funding of \$20,000 for replacement of the Zodiac rescue boat

originally acquired in 2002. These boats are specifically designed to meet the demanding requirements of Search & Rescue missions. They are highly portable, can be packed down in a bag and can be rapidly deployed by means of high-pressure inflation systems within minutes.

Radio Communication and Station Alerting - Our current cache of portable radios is nearing end of life and we are seeking to upgrade and standardize our critical communications platforms, as well as to achieve radio interoperability throughout the county and with neighboring emergency responders. The radios cost approximately \$10,000 each. We are expecting to get six portable radios from the county and are proposing to purchase another 13-14 radios with the overall goal of providing each Firefighter a portable radio, which will increase communications on emergency incidents and provide increased safety for our Firefighters. We are also proposing to replace the current alert warning system at station 211 at an estimated cost is approximately \$60,000. We have included \$200,000 in the FF&E budget these two items.

District Master Plan - Residential and commercial development will bring an increased demand for emergency services. To be proactive the District, in partnership with the consulting firm of AP Triton, has initiated a long-term Master Plan for the services, facilities and apparatus needed to meet service demand over the next decade. AP Triton is presently conducting a Community Risk Assessment (CRA) and Standards of Cover Analysis (SOC). When complete, the District's management team will work with AP Triton to develop a methodology using data driven metrics to continually measure performance for the purpose of maintaining and improving response capabilities. Staff will further work with AP Triton on developing options and recommendations for the best short-term, mid-term and long-term strategies to achieve the level of service delivery and resource deployment consistent with identified performance objectives and targets. AP Triton representatives have conducted initial meetings with staff and key stakeholders, and a review of documents is underway. The projected completion of the study is anticipated for the fall of 2022.

District Reorganization and Delegation of Duties -

Management has long felt the need for more leadership and supervision ***on-shift*** at the line level. In most fire agencies this accomplished through a Battalion Chief (BC) position working the same work schedule as our firefighters. These are chief officer positions responsible for planning, organizing, managing, and supervising the personnel, stations, equipment, and emergencies for their assigned shifts, and directly supervise Fire Captains.

BC's command and direct emergency scenes, assist in determining long-range goals and objectives, oversee training, assist in preparing and monitoring the budget, and direct or conduct special studies or projects. In addition to providing supervision, training and administrative support, the BC position creates a career path to the Assistant and Fire Chief positions. Ultimately, three BC's will be needed to provide coverage for each shift; however, this is beyond what the budget can support at present. The FY23 proposed budget contains funding for two BC positions for six months beginning January 1, 2023. We believe this mid-year strategy will be easier to implement financially given the anticipated growth in District property taxes and related revenues associated with the initial construction phases in the Watson Ranch Project. We anticipate that the third BC being added when there is sufficient revenue growth to support the added cost. The delay in hiring affords the opportunity to confirm property tax revenue for the year and get a better sense of the impact of the economy on local development activity. We also want to ensure this organizational change is supported by and in alignment with the Master Plan. We feel adding the BC positions will result in greater oversight of District activities and lead to an efficient and more effective organization.

BUDGET DEVELOPMENT PROCESS

The District takes a conservative approach to projecting revenues and a realistic approach to projecting expenditures. The Fire Chief is responsible for ensuring a balanced budget in which expenses are within revenue budget allocation. Property tax revenues are estimated based on a projection of the year-over-year growth in assessed valuation of property within the District. All other operating revenues are estimated by reviewing service contract agreements, economic factors affecting fees, and estimations based on historical data. The District's payroll expenditure forecasts were based on authorized staffing levels with compensation and benefits as outlined in the memorandum of understanding (MOU) with labor and compensation plans of all District personnel. Internal budget meetings are held to discuss funding for any new positions, new strategic initiatives, and capital needs. The proposed budget is then reviewed further with the Finance Committee, which consists of the Board Chair and Vice-Chair.

The District prepares a budget for funds that are subject to the budget requirements of state law. Those requirements further stipulate the District adopt a preliminary budget by July 1st and a final budget by October 1st of each year, after County Assessor has certified the property tax roll for the year. Community members are encouraged to participate in the District's budget process through the public hearings prior to the approval of the preliminary and final budgets by the Board of Directors.

BUDGET OVERVIEW

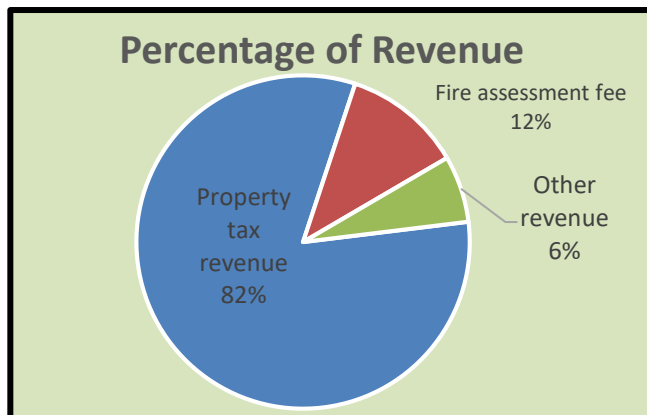

The budget establishes a guideline for the anticipated revenue and operating expenditures to ensure that inflows of resources will be adequate to support the delivery of services based on established priorities. It provides a logical structure to organize various program costs, projects, and other expenses, as well as a sound system for control of the District's revenues and expenditures. The preliminary General Operations Fund budget for FY23 utilizes a combination of ongoing revenues and reserve funds to further enhance emergency services and preparedness by adding an additional firefighter position, two Battalion Chief positions and funding the replacement of critical safety apparatus.

GENERAL FUND BUDGET SUMMARY

The FY23 General Fund revenue budget totals \$6.5 million, which includes \$5.4 million in property taxes and \$1.1 million in other operating revenues. The General Fund expenditure budget totals \$7.2 million, and includes \$6 million in salaries and benefits, \$946,000 in other operating expenditures and an operating transfer from the General Fund of \$179,000 to the Fleet, Facilities and Equipment (FF&E) Fund. The projected operating budget would use \$632,000 of the reserve balance for FY23 to pay for operating expenses, as compared to \$260,000 for FY22. The following chart provides a summary comparison of projected FY23 preliminary budget operating results with prior actual results:

General Fund	FY2018-19 Actual Amount	FY 2019-20 Actual Amount	FY2020-21 Actual Amount	FY 2021-22 Pre-Audit Amount	FY 2022-23 Preliminary Budget

GENERAL FUND REVENUE SUMMARY

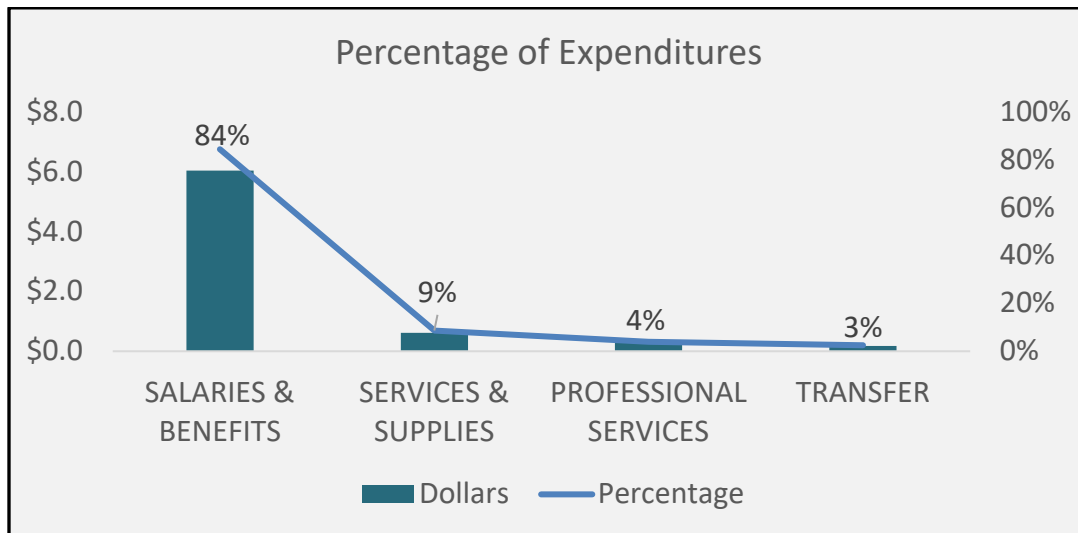

The District's General Fund revenue is projected to be \$6.5 million for use in carrying out the projects and program costs in FY23. The General Fund is financed primarily by property taxes, which represents \$5.4 or 82% of District-wide revenues. The District's other major source of operating revenue is the fire assessment fee (\$752 thousand or 12%). Other revenue sources include fire plan review & inspection fees, AMR contractual funding and investment earnings (\$423 thousand or 7%).

GENERAL FUND EXPENDITURE SUMMARY

The District's General Fund expenditures, including operating transfers out, are projected to be approximately \$7.2 million for fire and EMS operations in FY23. The General Fund salaries and benefits

expenditure represents \$6 million or 84% of the District-wide expenditure. Services and supplies are projected at \$619 thousand or 9% of the District-wide expenditures to provide items necessary to carry out the work of the District. The legal, professional and contract services budget is projected at \$327 thousand or 4% of overall expenditures. The operating transfers out from the General Fund to the FF&E Fund total \$179 thousand or 3% of the overall District-wide expenditures.

OTHER ECONOMIC AND OPERATIONAL ISSUES

Strategic Plan and Goals - The District's strategic initiatives for FY23 as discussed with the Board's Finance Committee are incorporated throughout this budget, many of which pertain in large part to anticipating and preparing the District to meet the expected increase in service demand from the Watson Ranch development and other major development projects. The Master Plan will help ensure the strategic plans, goals, and priorities of the District support of the vision and ideas designed to shape the future of the District and to ensure District resources are in strategic alignment with this vision.

Pension Funding Policy - Retirement plan costs involve two basic cost components: the normal cost rate, expressed as a percentage of payroll and the UAL, which is a fixed amount payment due each fiscal year. CalPERS has implemented an aggressive plan to increase the funded status of retirement plans through requiring a fixed amount UAL payment by employers annually. The District receives an annual actuarial plan valuation of its retirement plans from CalPERS each year. The most recent valuation available is for plan year ended June 30, 2020, which sets retirement contribution rates for FY23. Each July, the District makes a lump-sum prepayment to CalPERS for the annual UAL amount and realizes a 3.5% interest savings by doing so. The projected UAL savings for FY23 is \$24,000.

OPEB Funding Policy – The retiree medical benefit plan is funded in a similar manner to the pension plan. Plan costs involve two basic cost components: the normal cost rate and the amortization of the Unfunded Actuarial Liability (UAL). The District receives an annual actuarial plan valuation of its Other Post-Employment Benefit each year. The most recent valuation available is for plan year ended June 30, 2021, which sets retiree medical contribution amounts for FY23 and FY24.

CONCLUSION

Budgetary Priorities - The District's FY23 Preliminary Budget presents a healthy and structurally balanced guide for the next fiscal year. This budget will enable the District to maintain high quality fire and emergency response services, provide quality training to our personnel, and place a top priority on the health and safety of the public and our staff. Heading into FY23 there are still uncertainties pertaining to the ongoing state of the pandemic and the high inflation environment. The District is moving forward with

confidence to focus on our priorities of completing the Master Plan and being proactive with respect to the expected increase in demand for emergency services associated with further residential and commercial development.

Financial Stewardship - The Board and management place a high priority on closely monitoring the impact of local economic conditions on the District's finances as well as the District's ability to maintain high service levels, meet infrastructure needs, and to build and maintain healthy reserve balances. The budget preparation and adoption process are guided by several fundamental fiscal tenets:

- Utilize long-range financial planning tools to ensure the District remains financially viable for future generations.
- Ongoing operating expenditures are to be paid with ongoing operating revenues.
- Eliminate the unfunded liabilities associated with employee retirement benefits.
- Services provided by District Staff that have a cost recovery element should be as close to full cost recovery as is feasible.
- Unassigned fund balances at fiscal year-end are allocated to reserves for future uses.

The District has incorporated these tenets into its fiscal strategies and uses them to set fiscally responsible short and long-term goals. Despite the recent difficult economic conditions, the District's reserves remain healthy and the long-term financial outlook remains positive. Effective leadership and prudent fiscal practices continue to ensure that the residents and businesses receive the service level that they have come to expect. We will continue to fortify the District's financial sustainability through sound and efficient planning and budgeting to ensure we maintain a high level of emergency services to our growing community.

Acknowledgements - This FY23 budget would not be possible without the support, guidance, and strategic direction from the Board with respect to fiscal policies and guidelines for budget development. I also wish to express my appreciation to the union representatives and employees of the District for their ongoing collaboration and willingness to work with the Board and Administration for the long-term good of the District and those we serve. With their cooperation and commitment to providing the best possible service within available funding constraints, we have been able to stabilize our finances, enhance the delivery of essential emergency services and keep the District on a fiscally sustainable path moving forward.

We would like to express our appreciation as well to the City of American Canyon for their continuing support of a public safety partnership.

And thank you to the taxpaying public, our residents, and area businesses for their support, cooperation, and partnership with the District in making our community an outstanding and safe place to play, work and live.

BOARD PRIORITY PROGRAMS AND PROJECTS

The overarching goal of the Districts Strategic Plan is to provide the community of American Canyon with the highest possible level of service balanced with long term financial sustainability. Strategic Initiative #5 is to develop a fixed assets and apparatus and equipment preventative maintenance and capital improvement program.

[Geoff Belyea Agreement](#)

AGREEMENT BETWEEN AMERICAN CANYON FIRE PROTECTION DISTRICT AND GEOFFREY S. BELYEA

THIS AGREEMENT ("Agreement") is made and entered into as of July 1, 2022, by and between the American Canyon Fire Protection District ("District") and Geoffrey S. Belyea ("Employee") with respect to terms and conditions of employment of Employee as Fire Chief for District.

WHEREAS, District desires to employ the services of Employee as Fire Chief of the District; and

WHEREAS, Employee desires to accept employment as Fire Chief of the District on the terms and conditions contained in this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement the parties agree as follows:

Section 1. Duties.

The Fire Chief position is that of Chief Administrator of the District and is responsible for the efficient administration of all affairs of the District which are under his or her control. District agrees to employ Employee as Fire Chief to perform the following functions and duties:

- a. Conduct all administrative operations of the District, including, but not limited to: maintenance of payroll and payroll records, leave records, vacation and work schedules, and personnel and finance records; direct and supervise all purchasing activities of the District.
- b. Program and use the District computer facilities including, but not limited to, placing files and administrative records into the computer. Computer instruction shall be made available to the Chief on an as needed basis upon approval of the Board of Directors of the District ("Board").
- c. Enforce all ordinances and rules and regulations of the District and see that all contract, permits and privileges granted by the Board are complied with and observed.
- d. Appoint, remove, promote and demote any and all officers and employees of the District except elective officers, District Counsel, District Treasurer and District Clerk, subject to all applicable rules and regulations which may be adopted by the Board and any applicable Memorandum of Understanding.
- e. Control, order and give directions to all subordinate officers and employees of the District under his jurisdiction.
- f. Serve as Fire Marshal and maintain and enforce fire prevention codes and ordinances and recommend to the Board for adoption such measures and ordinances as deemed necessary.

g. Manage and supervise equipment maintenance and training of personnel to use the equipment.

h. Prepare and disseminate technical and District activity reports and records.

i. Prepare, submit for Board approval and administer the District's annual budget and develop and maintain the District's Master Plan.

j. Attend or appoint a designee to attend necessary administrative and operational meetings, as well as civic and/or governmental meetings requiring the presence of a District representative.

k. Be available to respond to, respond to and direct District personnel in responding to major fires and other emergency incidents.

l. Perform such other legally permissible and proper duties and functions as the Board may assign from time to time.

At all times, during the term of this Agreement, Employee shall be directly responsible to and report to the Board.

Section 2. Term.

A. The term of this Agreement shall commence as of the date first written above and shall terminate upon the earlier to occur of: (1) the exercise of the District Board of its right to remove the Fire Chief pursuant to and on the terms and conditions set forth in this Agreement, or (2) the resignation of the Employee pursuant to Section 3.8.

8. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the District to terminate the services of Employee at any time, subject to the provisions set forth in this Agreement, Section 3.A.

C. Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the Employee to resign at any time from the Fire Chiefs position, subject only to the provisions set forth in Section 3.8.

Section 3. Termination and Severance Pay.

A. Employee expressly acknowledges and agrees that Employee shall be an "at will" employee serving at the pleasure of the Board and may be removed as Fire Chief with or without cause in the sole exercise of discretion by the Board. Employee shall be notified in writing of the Board's intent to terminate and remove him from the Fire Chief position and shall be provided with the opportunity to be heard on the matter. Such notice and hearing shall not confer any other right upon Employee or limit the Board's right to terminate his employment without cause.

In the event Employee is removed by the Board during such time as Employee is willing and able to perform his duties under this Agreement, then subject to the limitations

set forth in this Agreement Section 3.A. District agrees to pay Employee severance pay in a lump sum cash payment as determined by the following schedule:

(1) If Employee receives a notice of intent to terminate and remove at any time during the term of this agreement, Employee shall be entitled to nine (9) months of base salary (severance pay).

The severance pay schedule above assumes that Employee shall be continuously employed during each of the referenced periods. In the event that Employee takes an unpaid leave of absence for a period greater than four weeks in any twelve-month period, each of the referenced time periods shall be extended for a period equal to the length of the unpaid leave of absence. Such severance pay shall be calculated based on Employee's current level of salary at the time of receipt of the notice.

District shall have no obligation to make the severance payments specified in this section if Employee is terminated and removed from the Fire Chief position for willful misconduct. A determination of willful misconduct shall be within the sole discretion of the Board, provided that it shall relate to the welfare of the District and be evidenced by findings of acts constituting such willful misconduct. Willful misconduct shall include conduct directly related to conduct in office, and directly related to the duties of the office including the refusal to follow the lawful directions of the Board of Directors. Willful misconduct shall also include conduct not directly related to the performance of official duties when such conduct has a direct and harmful effect on the welfare of the District. Evidence of such direct and harmful effect shall include, but shall not be limited to, conviction of a felony.

B. In the event Employee voluntarily resigns from the position of Fire Chief, Employee shall provide District a minimum thirty (30) days written notice, unless the parties otherwise agree in writing.

Section 4. Disability.

If Employee is permanently disabled or is otherwise unable to perform Employee's duties because of sickness, accident, injury, mental incapacity or health condition not within the scope of Labor Code section 4850 for a period of six (6) consecutive months, District in its sole discretion shall have the option to terminate this Agreement, subject to the severance pay provisions of Section 3.A.

Section 5. Compensation and Benefits.

Section 5.1. Salary.

District agrees to pay Employee for Employee's services on an annual base salary as set forth in the following salary schedule payable in installments at the same time and in the same manner as other employees of the District are paid. The base salary shall be subject to an annual increase effective July 1st each year, based on the percentage increase which occurred in the Consumer Price Index published in April of each year for the San Francisco Oakland Hayward area ("CPI"). The annual base salary increase shall be equal to one hundred percent (100%) of the percentage increase in the CPI up to a maximum of six percent (6%) and in no event shall the CPI increase in base salary exceed five percent (6%). The beginning annual base salary is set forth below:

Step 1

Hourly

Annual

In addition to the above annual salary, the District agrees to pay three percent (3%) of Employee's salary annually towards a 401(a), which also requires Employee contributions.

Section 5.2. Automobile.

A. District shall provide Employee with the use of an emergency vehicle twenty-four (24) hours per day. The use of such vehicle shall be subject to any existing or future Board Policy established with respect to such vehicle.

Section 5.3. Clothing Allowance.

Employee shall receive a clothing allowance calculated at the rate of fifty dollars (\$50.00) per month, which shall be paid monthly.

Section 5.4. Vacation.

Employee shall accrue 240 hours of vacation leave per year.

Employee may accumulate vacation leave to a maximum of three hundred forty (340) hours per year. Employee shall be compensated for vacation hours accrued in excess of three hundred forty (340) hours up to a maximum of eighty (80) hours per year. Compensation for such excess vacation hours shall be made on an annual basis on December 31st of each year at Employee's then current level of salary. Notwithstanding the foregoing, Employee may accumulate vacation leave in excess of three hundred forty (340) hours for an identified purpose upon the prior written approval of the Board of

Directors.

Section 5.5. Holidays.

Holidays to be the same as all City of American Canyon official holidays.

In the event Employee is required to work on any of the above-mentioned holidays, he shall receive equal time off to be taken within two months of that date, this shall include scheduled Duty Chief coverage.

Section 5.6. Sick Leave.

Employee shall accrue sick leave at the rate of one and one quarter (1.25) days for each month of service. Employee's accumulation of sick leave shall be unlimited.

However, after Employee accumulates four hundred and eighty (480) hours of sick leave, Employee may elect to sell back up to twenty-five percent (25%) of total hours of sick leave. Employee shall be compensated for twenty-five percent (25%) of the number of excess hours offered for compensation at a rate based on Employee's then current level of salary.

Upon retirement, Employee is entitled to convert unused accumulated sick leave to service credit as provided under PERS, Cal. Government Code Section 20965.

Section 5.7. Insurance.

District agrees for the term of this Agreement, and such additional period as may be required by applicable law to make premium payments to applicable insurance providers on behalf of Employee and Employee's dependents for all life, medical and dental and such other insurance coverages as are provided to other employees of the District. Such insurance coverages shall be provided in the same amounts as are provided to other employees of the District.

Section 5.8. Administrative Leave.

Employee shall be credited one hundred twenty (120) hours of Administrative Leave on July 1 of each fiscal year. Such Administrative Leave may not be accumulated in excess of one hundred twenty (120) hours per year.

Employee may at any time, at Employee's option, elect to be compensated for any number of hours of accumulated administrative leave. Such compensation shall be made at the time elected by Employee and shall be calculated at a rate based on Employee's then current level of salary.

Section 5.9. Benefits Negotiated on Behalf of Represented Employees.

In the event that subsequent to the effective date of this Agreement, Employee acts on behalf of District as District Negotiator with organized employees, Employee shall not receive any new or increased benefits negotiated for such organized employees for a period of eighteen months from the effective date of the Memorandum of Understanding reflecting such benefits. However, the provisions of this section 5.9 are not intended to and shall not supersede the provisions of section 5.7 of this Agreement which

grant to Employee such insurance coverages in such amounts as are provided to all other District Employees. In addition, the provisions of this section 5.7 shall apply prospectively only to benefits not yet negotiated and not reflected in the current Memorandum of Understanding between the District and its organized employees.

Section 5.10 Longevity Pay

The Fire Chief shall receive longevity pay in the following increments:

After completion of 5 years	\$ 50.00
After completion of 10 years	\$100.00
After completion of 15 years	\$150.00
After completion of 20 years	\$200.00
After completion of 25 years	\$250.00

Payment will be made semi-monthly, 24 times per year.

Section 7. Hours of Work.

The Employee shall devote full-time to the Fire Chief position and shall generally work forty hours (40) per week. The hours of work may vary, as Employee may be required as Fire Chief to perform duties and responsibilities outside the normal business hours of the District. Employee shall attend all Board of Director's meetings unless excused.

Section 7A Overtime.

Employee will receive no overtime pay for work performed outside of normal business hours. Exception: Employee will receive overtime pay at 1.5 x hourly rate for work in excess of 40 hours a week when performing work outside of the District on a fully reimbursed (portal to portal) mutual aid incident ("CFAA", State of California Master Mutual Aid or Equipment for Hire).

Section 8. Retirement.

District shall contract with the Public Employees Retirement System of the State of California for retirement benefits. Employee shall pay the employee's portion of the retirement contribution for such benefit.

Section 9. Expense Reimbursement.

District shall reimburse, provided that prior approval is obtained from the Board of Directors, all reasonable, actual and necessary expenses of Employee in performing the duties of the Fire Chief.

Section 10. Indemnification and Defense of Employee.

A. District shall, consistent with the provisions of Government Code sections 810 et seq., defend, save and hold harmless, and indemnify Employee against any tort, professional liability, claim or demand or any legal action, arising out of an alleged act or omission occurring in the performance of Employee's duties or actions related to this position as Fire Chief. The District will provide and pay a full legal defense with a mutually agreed attorney representing Employee's interest.

B. District shall provide and pay for all cost of any fidelity or other bonds required of the Employee.

Section 11. Goal Setting, Performance Evaluation.

A. Employee shall schedule annual meetings of the Board of Directors pursuant to applicable provisions of the Ralph M. Brown Act to establish performance goals and objectives which the Board wishes Employee to address or achieve during each fiscal year. The Board may in its discretion, establish a committee to meet with Employee at such annual meetings to establish and review Employee's performance goals and objectives.

B. By June 30 of each year, the Board shall formally review and evaluate the performance of the Employee. The Board shall provide the Employee with a written summary statement of the evaluation and provide the Employee an adequate opportunity to discuss his evaluation with the Board in Closed Session. Employee shall sign the performance evaluation to acknowledge that he is aware of its contents. Such evaluation shall be placed in Employee's personnel file.

Section 12. Other Terms And Conditions of Employment.

A. The Board, may fix any such other terms and conditions of employment relating to performance of the Employee.

B. All provisions of the District's ordinances, resolutions, regulations, memorandums of understanding or directives relating to vacation, administrative leave, sick leave, cost of living adjustments, retirement, holidays and other salary or benefits applicable to other employees not inconsistent with the provisions of this Agreement, shall also apply to Employee in addition to the provisions of this Agreement.

Section 13. Notices.

Section 14. Entire Agreement.

The terms and conditions and covenants of this Agreement are intended by the parties as a final expression of their agreement with respect to such terms, conditions and covenants as are included in this Agreement and may not be contradicted by evidence of any prior or contemporaneous agreement. This Agreement specifically supersedes any prior written or oral agreement between the parties.

Section 15. Amendment.

This Agreement may be amended from time to time only by the mutual written agreement of the parties.

Section 16. Governing Law.

This Agreement shall be governed by the laws of the State of California, and the rights and obligations of the parties hereto shall be construed and enforced in accordance with the laws of the State of California.

Section 17. Waiver.

Any waiver at any time by any party hereto of its rights with respect to default of any other matter arising in connection with this Agreement shall not be deemed to be a waiver with respect to any other default or matter. The exercise by a party of any remedy provided in the Agreement or at law shall not prevent the exercise by that party of any other remedy provided in this Agreement or at law.

Section 18. Severability.

If any terms, provisions, conditions and covenants of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by law.

Section 19. Legal Advice: Neutral Interpretation.

Each party has received independent legal advice from its attorneys with respect to the advisability of executing this Agreement and the meaning of the provisions hereof. The provisions of this Agreement shall be construed as to their fair meaning, and not for or against any party based on any attribution to such party as the source of the language in question. The headings used in this Agreement are for the convenience of reference only and shall not be used in construing this Agreement.

Section 20. No Third-Party Beneficiary.

Nothing in this Agreement, express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any person other than the parties to it and their respective permitted successors and assigns, nor is anything in this Agreement intended to relieve or discharge any obligation of any third party to any party hereto or given any third person any right of subrogation or action over and against any party to this Agreement.

Section 21. Counterparts.

This Agreement is executed in four (4) duplicate originals, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement consists of ten (10) pages which constitute the entire understanding and agreement of the parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement with the intent to be bound thereby as of the date first written above.
