**Other Business:**

NOTE: State Representatives Victoria Foley and Ryan Fecteau were present to address questions and concerns from the Council.

Mayor Casavant asked for Representatives Foley and Fecteau’s thoughts on today’s Governor’s Stay At Home Order.

Rep. Fecteau realizes how the Order is helpful to communities who have been grappling with the issue of mandating that folks stay at home during this time. He agrees with the Order and the direction it gives to keep folks at home.

Rep. Foley is glad that the Governor has taken a proactive step; and is glad she specified in the Order that folks may still go shopping for groceries and other essential items, go for walks, go fishing, etc., and would like everyone to educate themselves as to what activities are essential and which ones are not essential.

Councilor Lessard – noted the shortage of Personal Protective Equipment (PPE). Both Representative Foley and Fecteau offered assurances that the State CDC (Center for Disease Control) has done a great job in distributing PPE to communities as it becomes available.

Councilor Emhiser – asked about the June 9th Election and if they have any insight on what will happen with the election. He also asked about the enforcement of the Governor’s Order put into place today.

Rep. Fecteau agreed with what City Clerk, Carmen Morris shared earlier in that the State is currently moving forward with the June 9th election; however, that there are likely to be modifications on how the election is conducted. He noted that absentee voting will more than likely be highly encouraged. He said that talks are ongoing at the State and he has not heard of the election being delayed.

In regards to enforcement of the Governor’s Order, Rep. Fecteau shared the Governor’s sentiment that we do not want this to turn into a police state. Folks are being asked to maintain a balance of not enhancing anxieties; but also discouraging social interactions that are not essential.

Councilor St. Cyr – asked about the increase in revenue funding that the City and School Department had been expecting, and if that is likely to still happen. Rep. Foley answered that it is too early to know.

Councilor Ready – shared that while he was at Seeds of Hope today, he saw a gentleman there who was trying to get through to unemployment and it took him 3 hours. He is concerned about the Dept. of Labor and the access to this department who are in most need.

Rep. Foley encouraged constituents to contact her and Rep. Fecteau if they need assistance getting through the process.

Rep. Fecteau noted that the Dept. of Labor is asking those who are self-employed to hold off on applying for unemployment because the enormous amount of calls flooding the department and the lack of Staff to handle the calls. He and Rep. Foley are finding that this has been the number one issue brought up by constituents.

Councilor Ortiz – appreciates the information about the unemployment issue that was shared by Representatives Foley and Fecteau, and she asked that they keep the City updated so that we may be able to communicate and help folks through the process.

Councilor McCurry – would like the unemployment information included on the City’s website and get that out to the public as soon as possible. There are too many folks living from week to week and it is important for them to be able to get through the process. Rep. Foley noted that the Dept. of Labor is developing processes “in real time” and are doing what they can to get folks paid and, in some cases, are even going retroactive when the situation warrants it.

Councilor Ready – said that Rep. Fecteau sent out a notice about a week ago explaining that he was organizing volunteers to assist seniors in the community and since then, he has collaborated with City’s General Assistance Office and has become a resource for those who call in with requests for help.
Motion by Councilor McCurry, seconded by Councilor Lessard to adjourn.
Vote: Unanimous.

City Manager Report:
City Manager, James Bennett had for the following updates:

(1) In regards to the FY21 Budget preparation and process, he and School Superintendent, Jeremy Ray are working on coming up with revised, reduced budgets to be presented to the Council at the beginning of May. He did note that due to COVID-19, there is a good chance the FY21 Budget will not be approved until mid to late June.

(2) The Finance Committee has asked to receive the updated financials. Jim is going to ask the Acting Finance Director, Gerry Matherne to work on that and will get the requested information out to the Council as soon as possible.

(3) Jim thanked the community, the Council, the City Employees and all the volunteers for all their efforts during these challenging times. He expressed his gratitude for the various ways the community has shown support to the City Employees.

Other Business:
Councilor Ready: expressed his concern about the next Planning Board meeting being held via ZOOM, and the fact that the Courthouse project will be considered at that meeting. He stressed the importance that Staff figure out a way to allow public comment and input during that discussion, especially since there have been concerns expressed by the neighbors in this area.

He suggested that Staff look into possibly allowing citizens to bring their yard waste to the Recycling Center since the Center is now open for large item drop off.
Councilor Lessard: in response to the City Manager’s comments about bringing forward a revised/reduced FY21 Budget, he noted that he is comfortable with the expense side of the budget, and suggested that any proposed additions to Staff be included in the Contingency Fund. He explained that this would allow the Council to move the money when and where it may be needed, which is important in light of the COVID-19 situation.

Councilor McCurry: also touched on the FY21 Budget, and let the City Manager know that if a revised and reduced budget is going to be brought forward, he wants to see justifications for the reductions and how staffing and services will be affected by the reductions.

He agrees with Councilor Ready in regards to opening the Recycling Center, not only for large item drop off, but also for disposal of yard waste. He would like to see this happen and stop the curbside collection of yard waste. He feels this would be safer for the Public Works Employees.

Councilor St. Cyr: along with the updated financials that he has requested, he would also like to see a list of on-going economic development projects throughout the City – like the Lincoln Mill Redevelopment, Riverdam, the parking garage, etc.

Mayor Casavant asked the City Manager to address some of the suggestions and requests brought up by the Councilors. Jim offered the following:

- The Lincoln Mill and Riverdam projects are moving forward. In fact, Riverdam closed on the property today. The parking garage is also still progressing.
- He will talk with Public Works Director, Jeff Demers about possibly modifying the staffing at the Recycling Center in order to offer more services.
- He assured the Council that Staff members continue to work on setting ZOOM meetings in such a way that would allow public participation and comment.

Mayor Addressing the Council: Mayor Casavant reported that most of the people who have reached out to him have had positive comments about how City Staff has and continues to handle the current COVID-19 situation. He is so proud of how City Staff has risen to the current challenges at every level.

He reminded the citizens that there is a lot of information the City has put out in various ways, including the City’s website, the City’s Facebook page, Twitter account and of course, the weekly Biddeford Beat.

He is hearing concerns from citizens about access to the beaches. Thus far, he has not seen keeping the beaches open as an issue, and urges folks to continue keeping social distances at all times.

He thanked the Council for their patience in working through the whole virtual meeting process. He also thanked City Manager, James Bennett for his leadership throughout this whole ordeal, from his ability to anticipate what needs to be done to reacting to whatever issues arise.

Motion by Councilor Belanger, seconded by Councilor Clearwater to adjourn.
Vote: Unanimous. Time: 7:03 p.m.

BE IT ORDERED, that the City Manager or his designee be authorized to sign a unit cost contract with Design Dwellings, Inc. DBA DDI Construction of Gorham, Maine for the construction of the Lower Main Street Sewer Separation Project as per the bid submitted and opened on March 30, 2020, in the amount of $786,160. Funding for this work is from the Sewer Separation Bonds approved by voters and as provided for in Fund 402 and Fund 411, account Code number 31153.

NOTE: The Finance Committee will review this item at their April 21, 2020 meeting.
The City of Biddeford requested bids by public advertisement in the Portland Press Herald for the above named project. The bid advertisement was also posted on the City of Biddeford's Web Site. The bids were opened on March 30, 2020.

The project work area is on Lower Main Street from Water Street to Alfred Street. A location map is enclosed.

The project is a sewer separation project being constructed to reduce the city’s combined sewer overflows (CSOs). The project involves separating the current one pipe combined sewer carrying both stormwater and sewage in a single pipe into a two pipe system with one pipe carrying wastewater and one pipe carrying stormwater. The project is being completed as part of the City’s consent decree with MeDEP and as outlined in the City’s CSO sewer separation master plan.

Three (3) earthwork construction firms reviewed the plans and specifications for the work. Three (3) firms submitted a bid for the project. Bidding results are attached. DDI Construction, of Gorham, Maine submitted the lowest bid of $ 786,160.00 (see bid tabulation sheet attached). Based on a review of the bids, and review of references and discussions with officials involved on previous similar sized projects, DDI Construction appears to be qualified to perform the work. Therefore, Staff recommends that DDI Construction be awarded the contract work.

The contract is a unit cost contract and only those items supplied and installed will be paid. Funding for this work will come from the voter approved CSO Sewer Separation bonds, the funding is provided in Fund 402, and Fund 411, account Code 31153.

The project is on a schedule track to have the work completed this year on advance of the MDOT Maine Street paving early next year. Therefore, staff is respectfully requesting both the Finance Committee and City Council review and take action on the project at their April 21, 2020 meeting.

2020.24 IN BOARD OF CITY COUNCIL...APRIL 21, 2020

BE IT ORDERED, that the City Council of the City of Biddeford does hereby renew the Agreement for the operation of a shared Assessing Department with the City of Saco.

NOTE: The Agreement is attached. This item is a recommendation from the Biddeford-Saco Joint Committee.
AGREEMENT
FOR OPERATION
OF
SHARED ASSESSING DEPARTMENT

THIS AGREEMENT is made this _____ day of ________________, 2020 by and between the CITY OF BIDDEFORD, a Maine municipal corporation existing under the laws of the State of Maine and located in York County (hereinafter “Biddeford”) and the CITY OF SACO, a Maine municipal corporation existing under the laws of the State of Maine and located in York County (hereinafter “Saco”), collectively (“The Parties”).

WHEREAS, pursuant to 30-A M.R.S. § 2201, et seq., municipalities are permitted to make the most efficient use of their powers by enabling them to cooperate with other municipalities on the basis of mutual advantage; and,

WHEREAS, the Cities desire to create efficiencies for the benefit of the citizens and property taxpayers of both communities; and,

WHEREAS, Biddeford is willing and able to provide assessment services through its City Assessor to Saco on a cost sharing basis and pursuant to the terms provided below.

NOW, THEREFORE, Biddeford and Saco agree as follows:

1. **Creation of Joint Department:** The Cities have previously, through vote of their respective City Councils approved this agreement, voting to create a joint Assessing Department which will be made up of shared employees between the two communities as well as employees that are hired directly by the individual cities to assist the joint efforts.

2. **Staffing of Joint Department:** The Cities will jointly share and employ the Chief Assessor for both communities. For the purpose of this agreement, one of the Cities will take the lead as the primary employer for the purpose of employment issues (see paragraph 3 and 6). The day to day oversight of the employee will be jointly shared between the Biddeford City Manager and the Saco City Administrator.
   
   a. For the initial term of this agreement, the Cities agree to appoint Biddeford’s Assessor to serve in the capacity of Chief Assessor for the joint department.

   b. Each community will employ a Deputy Assessor who will have primary responsibilities to their respective community. Each deputy shall be appointed by the respective City Manager/City Administrator upon nomination by the shared Chief Assessor. While the respective deputies will remain as employees of the respective community, each will be expected to assist the Chief Assessor in any and all issues facing either community as so directed.
c. The Cities will jointly share and employ an Assessing Listing Agent to assist both communities in determining the values of personal property and real property. For the initial term of this agreement, the Assessing Listing Agent will be an employee of the City of Saco. The Parties, through their respective City Manager/City Administrator will agree on the process of filling this new position.

d. Each community commits to supplying the necessary administrative support for their respective assessing offices. For the purposes of this agreement, this shall be at least 20 hours weekly of dedicated support.

3. **Appointment of Biddeford Assessors’ Agent.** Saco’s City Council has appointed the Biddeford Assessor, with the consent of Biddeford, to be the official Saco Assessors’ Agent for all purposes required under law, but subject to the provisions in Paragraph 4 below, he shall at all times remain solely an employee of Biddeford.

4. **Scope of Services.** The Cities agree to the following scope of services for the two shared positions:

   a. The Chief Assessor shall perform all duties and responsibilities imposed by law on the Saco Assessors’ Agent, including assessing the April 1st real and personal property taxes and committing the same for collection, management of assessing personnel, hearing and deciding abatement requests, providing information to municipal officials and citizens, state agencies, vendors and other persons with interest in activities pertaining to the assessing functions of Saco including, appearing in any and all administrative and judicial forums to defend challenges to the Saco assessments. The duties of Saco Assessors’ Agent are more clearly defined in the job description, attached as Attachment A. It is expected that over any extended period of time, the Chief Assessor will spend equal time performing duties for each community. It is the expectation that the Chief Assessor will maintain a physical presence in Saco for two (2) days each week and be available via telephone and email and in person, as needed during the regular work week, to address questions or concerns that cannot be addressed by other employees. It is understood that during commitment periods or periods of peak abatement request activity, additional physical attendance and/or time commitment may be required at the office of a particular party, and it is agreed that the Chief Assessor may, in his discretion, allocate his time such that the time demands for one party are met without sacrificing his duties for the other party.

   b. It is the expectation that the Assessing Listing Agent will spend an equal amount of time between the two communities over any extended period of time. It will be expected that the Assessing Listing Agent will be in Biddeford City Hall at least two (2) days a week under normal circumstances.

5. **Assessment Data.** The data collected, analyzed and archived for each City shall physically reside in that City. All data, databases and other assessment records shall be assembled and stored for each City separately. While the merged use of the data is encouraged, the databases themselves shall remain independent entities, as they exist on the date of this agreement and each Party shall
be solely responsible for the integrity, protection, and backup of its respective data.

6. **City as Sole Employer.**

   a. The Chief Assessor shall remain an employee of Biddeford during the term of this agreement for all administrative purposes including, without limitation, pay, benefits and worker's compensation coverage. However, the Assessor shall be subject to the oversight, direction and control of the party for whom duties are being performed and shall conform to the relevant provisions of any charter, ordinance or policy of the party for whom duties are being performed.

   b. The Assessing Listing Agent shall remain an employee of Saco during the term of this agreement for all administrative purposes including, without limitation, pay, benefits and worker's compensation coverage. However, the employee shall be subject to the oversight, direction and control of the Chief Assessor.

7. **Saco Responsibility.** The Chief Assessor shall be an agent of the Saco City Administrator for the purposes of statutory authorization and for all functions and duties of the assessing office including, without limitation, establishing taxable valuation assessments, determination of abatement requests, exemption funding, certification of ratios, and listing and, where appropriate, inspecting real and personal property and equipment. Saco shall provide a dedicated workspace for the Chief Assessor at Saco's City Hall, complete with desk, chair, telephone, computer, and internet access and related office supplies to use when working in the City of Saco. Saco will also provide office support, legal counsel and assessment defense costs, independent appraisals, mass valuations and reviews as needed, and funding and physical location for administrative appeals processes for challenges to Saco assessments. Saco shall provide such additional financial and administrative support for mapping, computer systems, printing, mailing and other necessary resources and functions as Saco shall deem necessary and prudent for the proper administration of the Saco assessing function.

8. **Cost.** The Cities agree to share all employment costs of the Chief Assessor and Assessing Listing Agent equally. Effective July 1, 2020, all employment costs shall include the respective professional development costs as well as the cost of the respective licenses and memberships; which shall be jointly agreed to by the respective City Manager/Administrator prior to the adoption of each community’s annual budget. Quarterly, the Cities will meet to determine the amounts owed and payment will be made within thirty (30) days of the determination. The Cities, through their respective City Manager/Administrator will determine the joint budget for the operation of the joint operation, subject to the budget authorization process in each community.

9. **Indemnification.** If a claim is brought against either Saco or Biddeford arising out of, or within the scope of the service performed by the Chief Assessor, or any other agents he may lawfully engage, for Saco, then Saco shall defend, indemnify and hold harmless Biddeford and its officials, agents and employees, including, without limitation, the Assessor in his official and individual capacities from and against all such claims, damages, losses and expenses, including reasonable attorney's fees. This section shall not be interpreted to waive the monetary limits or substantive areas of immunity under the Maine Tort Claims Act.

10. **Term and Termination of Agreement.** The initial term of this Agreement shall expire on June
30, 2022 and shall commence on the day it is signed by the Biddeford City Manager and Saco City Administrator. This Agreement may be canceled by either party upon written notice to the other party at least 60 days prior to the intended termination date. The Parties agree that any amendment to this Agreement may be upon the mutual written and affirmative action of the City Councils of both municipalities.

11. **Notification.** Notices under this Agreement shall be sufficient if sent by first class mail or hand-delivered as follows:

TO SACO:  
City Administrator  
City of Saco  
300 Main Street  
Saco, ME 04072

TO BIDDEFORD:  
City Manager  
City of Biddeford  
205 Main Street  
Biddeford, ME 04005

12. **Default.** In the event a party defaults under this Agreement, the other party shall have those remedies available at law and equity, provided it shall first give the defaulting party written notice and a reasonable time to cure.

13. **Disputes.** If a claim or dispute arises out of this Agreement or its performance, the Parties agree to endeavor in good faith to resolve it equitably through negotiation, or if that fails, through non-binding mediation. If the Parties are unable to resolve this matter through mediation, the Parties agree to submit their dispute to binding arbitration before a single arbitrator under the rules of the American Arbitration Association.

14. **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties. If any clause, section or provision is held to be invalid or unenforceable, that shall not affect the entire agreement and the Parties agree to meet and negotiate a new clause, section, provision, or agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year first written.

RE: Council Agenda Items for April 21, 2020 Meeting

Please find the following introductory comments for the upcoming meeting:

2020.24 Included in the Council package is the recommended contract for two additional years of Saco and Biddeford sharing the employment of Biddeford’s Assessor. The agreement has been reviewed and recommended by the Biddeford Saco Joint Committee (Mayor Casavant, Councilor Lessard and Councilor Ready serve as Biddeford’s representatives).

2020.25 The Biddeford Saco Joint Committee is recommended that each City establish a reserve account in the amount of $25,000 that the committee would have available to further their work. The recommendation for Biddeford is that the Council is the reserve account would be established by transferring undesignated funds to the dedicate fund.

2020.27 Staff is recommending that the Council authorize the City Manager to sign off on a new grant opportunity to get planned future work done under a new federal program. This opportunity would allow the work to be completed with no local match requirement. The Council may recall that a similar action was taken last year that resulted in the substantial grant (over $7,000,000) for improvements at the airport without any local grant.
