THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

TUESDAY, JULY 28, 2026 8:45 AM
Kathleen C. Wright Building
600 Southeast Third Avenue, Board Room
Fort Lauderdale, Florida 33301

AGENDA FOR REGULAR SCHOOL BOARD MEETING

REGULAR SCHOOL BOARD MEETING CAN BE VIEWED VIA LIVE STREAM OVER THE INTERNET ON THE DISTRICT'S WEBSITE (www.browardschools.com).

School Board meetings will be held with Board Members being physically present and via electronic communication. This advertised Regular School Board Meeting will be accessible virtually. **Public Written Agenda Comments - Members of the public may submit public written comments by selecting the eComments tab at the following District webpage: https://www.browardschools.com/Page/55263. Public Written Agenda Comments must be submitted no later than 1:00 p.m. the day before the published date of the School Board Meeting or Workshop. Anonymous comments will not be accepted; therefore, written comments must include the person's name, city of residence, and zip code. Written agenda comments may not exceed a maximum of twenty-two hundred and fifty (2250) characters.** Pursuant to School Board Policy 1020, the public may speak a total of twelve (12) minutes during any single meeting. Additionally, in the event a large group of individuals (ten (10) or more) sign-up to speak on any one agenda item, the Board Chair has the authority to adjust the time limit for each speaker to speak less than the three (3) minutes usually permitted or limit the overall time speakers will be heard on that item.

Free guest parking is available at the southeast 3rd Avenue parking lot on all School Board meeting dates.

ADJOURNMENT

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may call the Director, Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or email eeo@browardschools.com.

Individuals with disabilities requesting accommodations under the Americans with Disabilities Act Amendments Act of 2008, (ADAAA) may call Equal Educational Opportunities/ADA Compliance Department at 754-321-2150 or email eeo@browardschools.com. Language Interpretation/Translation Services are available for the public upon request to the Bilingual/ESOL Department by emailing ESOLRequests@browardschools.com.

Any person who decides to appeal any decision made at a meeting(s) announced by this Notice with respect to any matter considered at such meeting(s) will need a record of the proceedings and for such purpose may need that a verbatim record of the proceeding is made, which records testimony and evidence upon which the appeal is to be based.

Telephone conferencing or other telecommunications technology may be used in conducting this public meeting to permit absent Board Members to participate in discussions, to be heard by other School Board Members and the public, and to hear discussions taking place during the meeting.

Notice is hereby given that two or more Board Members of The School Board of Broward County, Florida, may be participating.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA

OFFICE OF THE SUPERINTENDENT

May 5, 2026
Tuesday, 8:45 a.m.

MINUTES OF REGULAR SCHOOL BOARD MEETING

The School Board of Broward County, Florida, met in special session at 8:47 a.m., in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathy Dupuy-Bruno, General Counsel.

Call to Order The Chair called the meeting to order. Board Member Rupert introduced students from Sanders Park Elementary School who led The Pledge of Allegiance to the Flag of the United States of America.

Moment of Silence was held for Joby Siepert, Budget Support Specialist in the Magnet & Innovative Program Office.

Minutes for Approval Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the official Minutes for the following Board Meetings: (9-0 vote)
• March 31, 2026 - Special School Board Meeting
• April 7, 2026 - Regular School Board Meeting

Added / Changed Items The Superintendent released a revised agenda with certain changes for this meeting and published it on the school District's website on April 22, 2026, April 28, 2026, May 1, 2026, and May 4, 2026.

Added Minutes: March 31, 2026, SSBM; April 7, 2026, RSBM
Added: A-4, B-1, B-2, B-4, B-5, GG-1 through GG-3, JJ-7, JJ-8, MM-9 through MM-12, OO-12 through OO-14, OO-17, OO-18
Additional Information: H-2, H-3
Added Session: Attorney Client
Added Speakers (AM): Nathalie Lynch-Walsh, Delvin King, Tracie Summerville, Trudy Jermanovich, Brian Shaffer-Wicks
Revised: H-1, F-2, OO-15
Special Order: B-3, LL-1
Withdrawn: OO-7, OO-9, OO-16

The Chair finds pursuant to Section 120.525, Florida Statues, that good cause exists for such changes and accepts the revised agenda.

Close Agenda Upon motion by Dr. Zeman, seconded by Ms. Thompson and carried, the Agenda was approved and declared closed. (9-0 vote)

Consent Agenda Following identification of those items Board Members and members of the public indicated they would like considered separately, motion was made by Dr. Zeman seconded by Mrs. Bulman and carried, to approve the Consent Agenda for the remaining items (identified by *). (9-0 vote)

Open Agenda Following identification of those items Board Members and members of the public indicated they would like considered separately, motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Open Items that were not indicated to be pulled for discussion.
Mrs. Alhadeff was absent for the vote. (8-0 vote)

***** CONSENT AGENDA *****

Items Consent agenda items will be noted by a single letter, and open agenda items will be noted by double letters in accordance with Policy 1020.

H. HUMAN RESOURCES (CONSENT)

H-1. Appointments, Leaves, and Separations of Employment (Approved)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the appointments, leaves, and separations of employment. District-wide (9-0 vote)

Agenda Items H-1 and GG-3 were moved and discussed concurrently.

Comments were made congratulating retirees and wishing departing employees well.

A vote was taken on these items.

H-2. Employee Corrective Actions/Probationary Release (Approved)
Motion was made by Ms. Thompson, seconded by Mrs. Hixon and carried, to approve employee discipline and corrective actions. District-wide (9-0 vote)

No discussion was held, and a vote was taken on this item.

(Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to bring Agenda Item H-2 back for public comment.)

The Chair received public comments.

A brief comment was made regarding the ongoing investigation, and appreciation was expressed for staff's commitment to conducting investigations objectively and based on the facts.

A vote was taken on this item.

***H-3. Supplemental Pay Positions 10 (Approved)**
Approved the supplemental pay positions for the 2025/2026 school/fiscal year. District-wide

A. ACADEMICS (CONSENT)

A-1. FY-26-193 - Boys and Girls Club Data Sharing Agreement-Identifiable (Approved)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the Agreement between the Boys and Girls Club of Broward County, Inc. (BGCBC) and the School Board of Broward County, Florida (SBBC). Contract term Date of Last signature through June 30, 2027, with the option of two 1-year extensions. District-wide (9-0 vote)

The Board held a lengthy discussion which included, but was not limited to, inquiries regarding parent and student data privacy, consent requirements, and security safeguards within the data-sharing agreement; the partnership's potential to enhance academic support and student outcomes; recommendations to use general, secure email accounts and standard operating procedures to strengthen oversight and continuity; recognition of the agreement as a model for protecting student and parent data through strict opt-in and usage restrictions; and the educational benefits of sharing data to identify academic needs, provide targeted interventions, monitor progress, and support at-risk students.

A vote was taken on this item.

A-2. Intuit Charitable Contribution, License, and Donation Agreement (Approved)

Motion was made by Ms. Thompson, seconded by Dr. Zeman and carried, to approve the new Agreement between The School Board of Broward County, Florida (SBBC), and Intuit, Inc for the donation of a food truck to Blanche Ely High School through the three- year agreement for food truck and additional funds for the culinary program to purchase food and equipment as needed. District 7 (9-0 vote)

Board discussion included appreciation for a donated food truck to support the school's culinary program, and inquiries regarding community use, vehicle oversight, insurance, maintenance, and student safety procedures.

A vote was taken on this item.

***A-3. 2026-2027 New Waivers (Approved)**

Approved New Waivers for the 2026 - 2027 school year. The New Waivers are for Professional Study Days and Exam Exemptions. District-wide

A-4. Big Brothers/Big Sisters of Broward, Inc. (Approved)

Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to approve Agreement between The School Board of Broward County, Florida (SBBC) and Big Brothers/Big Sisters of Broward, Inc. (BBBS). District-wide (9-0 vote)

Comments were made supporting the partnership with Big Brothers Big Sisters, recognizing its positive impact on students through mentorship, and expressing appreciation for efforts to finalize the agreement and maintain the organization's presence in schools.

A vote was taken on this item.

B. BOARD MEMBERS (CONSENT)

B-1. Expansion of Magnet Programs (Not Approved)

Motion was made by Dr. Zeman, seconded by Ms. Thompson, to Direct the Superintendent of Schools to explore strategies to expand the number of top-rated, all-magnet high schools modeled after Pompano Beach High School to at least four schools, with implementation beginning with the 2027-2028 school year and to be completed no later than the 2029–2030 school year. Holness Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (2-7 vote)

Board discussion included, but was not limited to, expanding magnet high schools to attract and retain students; concerns regarding costs and implementation; consideration of magnet programs as part of the District's redefining efforts; and strategies to compete with private and charter schools for enrollment.

A vote was taken on this item.

B-2. Exploration of At-Home Wi-Fi Access Options for Students
(Approved as Amended)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to direct the superintendent to explore ways to provide Wi-Fi to students at home and bring those options back to the board by August 1, 2026. Leonardi. **This Motion was superseded by a Motion to Amend (page 6).** (9-0 vote)

The Chair received public comments.

Board discussion pertained to students lacking home Wi-Fi access for school-issued laptops; partnerships and low-cost internet options; concerns about district spending and duplicating existing free internet programs; the need to limit assistance to financially eligible students; equity for all students for online assignment access; and improving awareness of available programs.

Motion to Table (Carried)
Motion was made by Mrs. Leonardi, seconded by Dr. Zeman and carried, to table Agenda Item B-2, Exploration of At-Home Wi-Fi Access Options for Students until later in the meeting. (9-0 vote)

A vote was taken on the Motion to Table.

(Motion was made by Dr. Zeman, seconded by Mrs. Hixon to bring back Agenda Item B-2 for discussion.)

Comments were made regarding prior district research into student internet access options; clarification was given that earlier vendor outreach was informational only, and no agreements were finalized; existing free and low-cost internet resources on the student website were reviewed; and concerns were raised about lack of student awareness of available programs.

Substitute Motion (Carried)
Motion was made by Mrs. Hixon, seconded by Mr. Cervera and carried, I move to Direct the Superintendent to send out through a parent link, all of the information of how to access internet at low or no cost that is currently accessible on the district website; and to add a direct link to the homepage of the Broward Schools website. (9-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, concerns about student awareness of available low-cost and no-cost internet programs; clarification that prior district research identified vendor options but did not result in agreements. Suggestions to improve outreach include using school websites, social workers, newsletters, and parent links that direct users to school-specific pages. The survey data showed approximately 3% of responding students lacked home internet access. There was a review of estimated district costs to provide internet service; and the need to increase communication and accessibility of existing resources.

Motion to Amend (Carried)
Motion was made by Mrs. Alhadeff, seconded by Mrs. Leonardi and carried, to add a direct link to the homepage of the Broward Schools website. (9-0 vote)

The Chair received public comments.

A vote was taken on the Amendment.

A vote was taken on the Substitute Motion as amended.

B-3. Proclamations Sponsored by School Board Members
(Approved as Amended)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to receive the proclamations sponsored by School Board members. Board.
(9-0 vote)

During the May 5, 2026, Regular School Board Meeting, Board Member Maura McCarthy Bulman (District 1), Board Member Rebecca Thompson (District 2), Board Member Sarah Leonardi, Chair (District 3), Board Member Lori Alhadeff (District 4), Board Member Adam Cervera, Esq. (District 6), Board Member Nora Rupert (District 7), Board Member Dr. Allen Zeman (District 8), and Board Member Debra Hixon (District 9), co-sponsored this item from the dais.

The Chair received public comments.

A brief comment was made expressing support for the item and appreciation to Dr. Jones' family, while recognizing his compassionate leadership and service to the district's most vulnerable students.

A vote was taken on this item.

B-4. Representation on the Florida School Boards Association Advocacy Committee (Approved)

Motion was made by Dr. Zeman, seconded by Ms. Hixon and carried, to appoint an Advocacy Representative Member and Advocacy Representative Member Alternate for the Florida School Boards Association (FSBA) Advocacy Committee for the term July 1, 2026, to June 30, 2027. Board
(9-0 vote)

Comments were made regarding term limits and leadership development. A leadership role was relinquished, and interest in the FSBA position was expressed.

Motion (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Leonardi and carried, I move that we appoint Rebecca Thompson to the role of Advocacy Representative Member. (9-0 vote)

A vote was taken on the Motion.

A vote was taken on the item.

B-5. Appointment to the Broward Behavioral Health Coalition, Inc. Board of Directors (Approved as Amended)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the Memorandum of Understanding with the Broward Behavioral Health Coalition, Inc. ("BBHC") and appoint a School Board Member to serve on BBHC's Board of Directors. Board. **This Motion was superseded by a Motion to Amend.** (9-0 vote)

A brief comment was made pertaining to the importance of appointing a Board member, and an expression of interest in fulfilling the position.

Motion to Amend (Carried)
Motion was made by Mrs. Leonardi, seconded by Mrs. Bulman and carried, I move to appoint Rebecca Thompson to the Broward Behavioral Health Coalition's Board of Directors. (9-0 vote)

The Chair received public comments.

Board discussion pertaining to questions regarding prior conflict-of-interest guidance requiring resignation from the Broward Behavioral Health Coalition board while a new appointment was now being considered; general counsel stated the prior legal analysis would be reviewed and guidance provided.

Motion to Postpone (Failed Due to Lack of Second)
Motion was made by Dr. Zeman, to move to postpone Agenda Item B-5, Appointment to the Broward Behavioral Health Coalition, Inc. Board of Directors to the May 19, 2026, Special School Board Meeting, to receive an answer from the General Counsel to see if the position could be filled.

Comments were made regarding concerns over approving an appointment before general counsel reviewed prior conflict-of-interest guidance. Discussed the Baker Act transportation pilot program, including its expansion from a small group of schools to approximately 53 schools. Staff to provide a detailed follow-up.

Motion to Table (Carried)
Motion was made by Mrs. Leonardi, seconded by Mrs. Hixon and carried, to table Agenda Item B-5, Appointment to the Broward Behavioral Health Coalition, Inc. Board of Directors to later in the meeting. (9-0 vote)

The Chair received public comments.

A vote was taken on the Motion to Table.

Motion to Extend (Carried)
Motion was made by Mrs. Leonardi, seconded by Mrs. Rupert and carried, to extend the Regular School Board Meeting for two hours (7:50 p.m.)
Mrs. Alhadeff, Mrs. Bulman, Mr. Cervera and Dr. Zeman voted no. (5-4 vote)

(Motion was made by Dr. Zeman, seconded by Mrs. Hixon to bring back Agenda Item B-5 for discussion.)

General Counsel shared that review of prior ethics guidance determined the BBHC conflict concern had been resolved through creation of a designated SBBC seat on the Board, allowing the appointment to move forward.

A vote was taken on this item as amended.

C. OFFICE OF THE SUPERINTENDENT (CONSENT)

E. SAFETY & SECURITY (CONSENT)

F. FINANCIAL MANAGEMENT (CONSENT)

***F-1. Surplus of Tangible Personal Property for the Period Ended March 31, 2026 (Approved)**

Approved the Surplus of Tangible Personal Property for the Period Ended March 31, 2026. District-wide

F-2. Budget Report for the Period Ended March 31, 2026 (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Budget Reports for the period ended March 31, 2026. District-wide Mrs. Alhadeff was absent for the vote. (8-0 vote)

The Chair received public comments.

Board discussion included, but was not limited to, concerns regarding salary and overtime expenditures, the risk of falling below the 3% fund balance requirement, internal controls and accountability for personnel costs, and the need for continued fiscal oversight and corrective action.

A vote was taken on this item.

(The Regular School Board Meeting recessed for the Public Hearing.)

G. GENERAL COUNSEL (CONSENT)

J. CAPITAL PROGRAMS (CONSENT)

L. CHIEF OF STAFF & COMMUNICATIONS (CONSENT)

M. STRATEGY & INNOVATION (CONSENT)

O. OPERATIONS (CONSENT)

O-1. EDOC Summary of Progress Report - January 1, 2026 - March 31, 2026 (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to receive the Economic Development Opportunities & Compliance Department (EDOC) Summary of Progress Report for the January 1, 2026 – March 31, 2026 reporting period – Quarter 3. District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

(The Regular School Board Meeting resumed with Agenda Item O-1.)

The Chair received public comments.

Comments were made encouraging increased participation by certified small local businesses, acknowledging efforts to support supplier engagement through outreach events, and requesting a review of procurement policies to ensure compliance with newly enacted state laws.

A vote was taken on this item.

O-2. AGR26-163 - Microsoft Enrollment for Education Solutions (EES) Agreement (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve Agreement, AGR26- 163 - Microsoft Enrollment for Education Solutions (EES), between The School Board of Broward County, Florida (SBBC), and Microsoft Corporation. District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items O-2 and OO-12 were moved and discussed concurrently.

Board discussion included recognition of staff efforts to secure technology partnerships and contract savings, appreciation for the benefits these agreements brought to students and the District; and acknowledgment of successful negotiations that resulted in significant cost reductions.

A vote was taken on these items.

*O-3. RFP-FY23-278 - Yearbooks and Memory Books for All Schools (Approved)

Approved the First Amendment and Renewal for the Agreements between The School Board of Broward County, Florida (SBBC), and the following six Vendors: 1) Hercules Achievement, LLC; 2) Jostens, Inc.; 3) Plattsco, Inc. d/b/a Yearbooklife; 4) Taylor Publishing Company d/b/a Balfour; 5) Treering Corporation; 6) Walsworth Publishing Company, Inc. District-wide

S. SCHOOLS (LEARNING COMMUNITIES) (CONSENT)

(Click on School Board Meeting May 5, 2026.)

Superintendent's Report
Superintendent Hepburn expressed appreciation for teachers during Teacher Appreciation Week and Teacher Appreciation Day. He recognized their dedication to creating quality learning opportunities for students and highlighted the lasting impact teachers have on shaping students' lives, futures, and communities. He also acknowledged the meaningful experiences educators have when former students share how a teacher positively influenced their lives.

BECON presented a video recap highlighting key moments in the District.

(CSA Central), and authorize the related Additional Spending Authority. District 5
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

JJ-7. Additional Funding Request – Atlantic West ES, P.001796-ADA

(Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve an increase to the project budget for Atlantic West Elementary School (Project P.001796-ADA) in the amount of $4,100. District 7
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

JJ-8. Sixth Amendment to PSA - Nob Hill ES, P.002112 **(Approved)**

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Sixth Amendment to the Professional Services Agreement (PSA) between The School Board of Broward County, Florida (SBBC), and The Tamara Peacock Company Architects of Florida, Inc. (Tamara Peacock), in the amount of $4,777, and authorize the related Spending Authority. District 6
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

LL. CHIEF OF STAFF & COMMUNICATIONS (OPEN)

LL-1. 2026 Referendum – Allocation Framework and Funding Distribution Approval (Approved as Amended)

Motion was made by Mrs. Rupert, seconded by Ms. Thompson, to adopt the final allocation percentages for the 2026 Operating Referendum and establish any minimum eligibility thresholds for employee supplements, to serve as the official funding framework for financial modeling, budget development, collective bargaining, and public communication. District-wide. **This Motion was superseded by a Motion to Amend (Pages 16-18).** (9-0 vote)

The Chair received public comments.

(The Regular School Board Meeting recessed for an Attorney-Client session.)

(The Regular School Board Meeting resumed with Agenda Item LL-1.)

Board discussion included, but was not limited to, referendum voter support and funding allocated to maximize student enrollment and educator compensation; directing more funding to school-based educators while maintaining mental health and safety services; inadequate state funding and the need for advocacy in Tallahassee; reservations that shifting to a 95/5 allocation could result in additional layoffs in safety, security, and mental health positions; and flexibility in future funding allocations and potential surplus funds.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Rupert, seconded by Mr. Cervera, I move to adopt scenario C with allocation for salaries to 90%, 5% safety, and 5% mental health, and that the Board is fully apprised of the negotiations of the 90% allocation.

The Chair received public comments.

Discussed the scenario C proposal.

Motion as Amended (Carried)
Motion was made by Mrs. Hixon, seconded by Mrs. Leonardi and carried, I move to amend the language in the prior motion, to read as follows:
I move to adopt Scenario C with allocation for salaries no less than 90%, and up to 10% to be divided between Safety and Mental Health**,** and that the Board is fully apprised of the negotiations of the 90% allocation during the union negotiations.
Mrs. Alhadeff, Mrs. Bulman, Dr. Holness, and Ms. Thompson. (5-4 vote)

The Chair received public comments.

Board discussion included, but was not limited to, flexibility in allocating up to 10% of referendum funds between Safety and Mental Health; projected budget shortfalls resulting from declining enrollment; potential impacts of funding changes on security and mental health staffing levels; the importance of maintaining school safety and support for student mental health; and that the 2027-28 school year would be the first year of the specific referendum funds would be available.

Board discussion continued with the impact on personnel; balancing employee compensation with operational needs; consideration of alternative allocation scenarios, including 85%/15 or 87%/13 splits; concerns regarding long-term financial sustainability; and the referendum's potential effect on voter support and future District budgeting.

A vote was taken on the amended motion (page 16).

Board discussion included, but was not limited to, referendum funding allocations for employee compensation, safety, and mental health; projected revenue increases and budget impacts; support for prioritizing school-based educators and mental health services; and concerns regarding referendum language and funding flexibility.

Second Amendment (Carried)
Motion was made by Mrs. Bulman, seconded by Mrs. Leonardi and carried,
I move to amend the language in the motion to read as follows:
I move to adopt Scenario C with allocation for ~~salaries~~ additional compensation no less than 90%,… (9-0 vote)

The Chair received public comments.

General Counsel clarified the ballot language, and explained the status of the amended motion.

Board discussion included clarification of referendum compensation language; consideration of replacing "salaries" with "compensation;" preserving flexibility to fund positions or supplements; and procedural guidance on amending the motion.

Substitute Motion to Amend (Withdrawn)
Motion was made by Mrs. Bulman, seconded by Mrs. Leonardi, I move to amend the language in the motion to read as follows:
I move to adopt Scenario C with allocation for ~~salaries~~ compensation no less than 90%,…

The Chair received public comments.

Mrs. Bulman substituted the word, "salaries" to "compensation" as the word "additional" was removed. She subsequently withdrew her substitute motion and proceeded with her original amendment to retain the phrase "additional compensation." It was made clear that supplements and additional compensation over base salary was the purpose of the exercise for everyone receiving it.

A vote was taken on the Second Amendment.

Second Motion as Amended (Carried)
Motion made by Mrs. Bulman, seconded by Mrs. Leonardi and carried,
I move to adopt Scenario C with allocation for additional compensation no less than 90%, and up to 10% to be divided between Safety and Mental Health, and that the Board is fully apprised of the negotiations of the 90% allocation during the union negotiations. (9-0 vote)

A vote was taken on the Second Motion as Amended.

Third Motion to Amend (Carried)
Motion was made by Mrs. Rupert, seconded by Mrs. Hixon and carried,
I move that the Superintendent review the employees listed in this item, whose salaries are paid for by the referendum so they can be moved to the General Fund. (9-0 vote)

The Chair received public comments.

Comments were made that employees whose positions are funded through the referendum should be informed ahead of time that their roles depend on referendum funding. There was also support for moving mental health and safety positions into the general fund to ensure their long-term stability.

Amendment (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to add the words after general fund, "by school year 2027-2028," to read as follows:
"I move that the Superintendent review the employees listed in this item, whose salaries are paid for by the referendum so they can be moved to the General Fund by school year 2027-2028." (9-0 vote)

The Chair received public comments.

A vote was taken on the Amendment.

Third Motion as Amended (Carried)
Motion was made by Mrs. Rupert, seconded by Mrs. Hixon and carried,
I move that the Superintendent review the employees listed in this item, whose salaries are paid for by the referendum so they can be moved to the General Fund by school year 2027-2028. (9-0 vote)

A vote was taken on the Third Motion as Amended.

Motion (Failed)
Motion was made by Mrs. Rupert, seconded by Mr. Cervera, I move that the District increase all employees currently being paid 5.5% to 10% for the meet and confer groups.
Dr. Holness and Ms. Thompson were absent for the vote. Mrs. Bulman, Mr. Cervera, Mrs. Hixon, Mrs. Leonardi, and Dr. Zeman voted no. (2-5 vote)

General Counsel advised delaying decisions on allocations for non-bargaining and meet-and-confer units, noting that changes could impact ongoing union negotiations and recommending the matter be revisited after negotiations are completed.

The Chair received public comments.

Board discussion included, concerns that percentage-based compensation increases lacked transparency and could create inequities; and allocating 2027 - 28 compensation funds was premature and could impact future budgets.

A vote was taken on the Motion.

Board discussion culminated with clarification that acceptance of the Superintendent's proposal was to exclude Educational Support & Management Association of Broward (ESMAB) Salary Bands D and above; and a requested follow-up of a toolkit for the Board, principals, and other stakeholders that would like to participate in the awareness campaign.

A vote was taken on this item as amended.

MM. STRATEGY & INNOVATION (OPEN)

MM-1. Venture Design Premium Services Agreement (PSAs) 1 (Approved)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the following Premium Services Agreements for fee-based educational services to charter schools for the 2026-2027 school year: District-wide

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Reciprocal Use Agreement (RUA) between The School Board of Broward County, Florida (SBBC) and the City of Lauderhill, Florida (City) which will allow the SBBC and the City to utilize each other's facilities. District 5
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

MM-11. ROCS Lease Assignment and Assumption (Approved)
Motion was made by Dr. Zeman, seconded by Mrs. Bulman and carried, to approve the Assignment and Assumption of Agreement between the School Board of Broward County, Florida (SBBC), Alfredo Agnone and Jerry Sommer, regarding the Resident on Campus Security (ROCS) program. District 1
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Comments were made expressing appreciation for the ROCS program and the law enforcement officers who help maintain campus safety; and recognizing staff for their prompt efforts to bring the item forward in support of school safety initiatives.

A vote was taken on this item.

MM-12. Second Amendment to Recreation License Agreement - City of Fort Lauderdale (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Second Amendment to the Recreation License Agreement between the School Board of Broward County, Florida (SBBC) and the City of Fort Lauderdale (City), to incorporate certain provisions and list Bennett Elementary and Fort Lauderdale High schools in the Second Amendment to RLA.
Districts 3 and 5
Mrs. Alhadeff was absent for the vote. (8-0 vote)
Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

OO. OPERATIONS (OPEN)

OO-1. AGR26-026 – Imagine Language and Literacy Software Program (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the First Amendment Renewal to the Agreement between The School Board of Broward County, Florida (SBBC), and Imagine Learning, LLC, with budget authority in the amount of $640,000. District-wide
Mrs. Alhadeff was absent for the vote. Mr. Cervera voted no. (7-1 vote)

Board discussion included, but was not limited to, concerns regarding software expenditures, usage, and effectiveness; requests for information on software reviews, reductions, and programs that had been discontinued; recommendations that teacher and student feedback be incorporated into software evaluations; and requests to identify software that was required by grants, regulations, or other mandates.

A vote was taken on this item.

OO-2. AGR26-027 – Ellevation Software Program (Postponed to May 19, 2026, SSBM)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the First Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and Curriculum Associates, LLC for a term that commenced on June 17, 2025, and concludes June 30, 2026, and the additional spending authority of $874,497. District-wide **This Motion was superseded by a Motion to Postpone.**
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Board discussion included, but was not limited to, questions regarding the cost and effectiveness of English for Speakers of Other Languages (ESOL) software; efforts to transition compliance functions to Focus; concerns about software expenditures; and consideration of delaying the item for further review.

Motion to Postpone (Carried)
Motion was made by Dr. Zeman, seconded by Mrs. Leonardi and carried, to postpone Agenda Item OO-2, AGR26-027 – Ellevation Software Program to the May 19, 2026 Special School Board Meeting.
Mrs. Alhadeff was absent for the vote. (8-0 vote)

A vote was taken on the Motion to Postpone.

OO-3. AGR26-147 – Charter Schools Compliance Program (Approved)

No discussion was held, and a vote was taken on these items.

OO-11. RFP-FY21-134 – Disclosure Counsel Services (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the First Amendment for the Agreement between The School Board of Broward County, Florida (SBBC), and Nabors, Giblin & Nickerson, P.A., for a term that commences on July 1, 2026, and concludes on December 31, 2026. District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

OO-12. ITB26- 176 - Microsoft District-wide Software A5 Licensing Agreement (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Award of Invitation to Bid (ITB) ITB26-176 - Microsoft District-wide Software A5 Licensing Agreement to the following Vendor: CDW Government LLC, for a term of 61 months, with options to renew for two additional one-year periods and a possible 180-day extension beyond the renewal period. District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items O-2 and OO-12 were moved and discussed concurrently.

A vote was taken on these items.

OO-13. ITB-FY23-048 – Asbestos Abatement and Miscellaneous Remediation (Approved)

Motion was made by Dr. Zeman, seconded by Mrs. Rupert and carried, to approve the Second Renewal and Additional Budget Authority in the amount of $900,000 for the term of the award of Invitation to Bid (ITB) FY23-048 – Asbestos Abatement and Miscellaneous Remediation with the following three Vendors: 1)Decon Environmental & Engineering, Inc.; 2) Prism Response, LLC; 3) Simpson Environmental Services, LLC. District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Agenda Items FF-2, GG-1, GG-2, JJ-2 through JJ-8, MM-1 through MM-10, MM-12, OO-3, OO-5, OO-8, OO-10, OO-11, OO-13, OO-17, and OO-18 were moved concurrently.

No discussion was held, and a vote was taken on these items.

OO-14. PY26-091 – Student Recruitment Campaign (Approved as Amended)

Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the Agreement between The School Board of Broward County, Florida (SBBC), and Caissa Public Strategy LLC d/b/a CAISSA K12 (CAISSA), and the budget authority in the amount of $150,000. District-wide. **This Motion was superseded by a Motion to Amend (page 26).**
Mr. Cervera and Mrs. Rupert voted no. (6-2 vote)

The Chair received public comments.

Board discussion included payment being contingent on successful enrollment and retention through the October FTE count; the concerns about the vendor's prior experience and success rate in other districts; whether recruitment should be handled internally by District staff and social workers; and the low financial risk and potential for increased enrollment revenue.

Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Dr. Holness and carried, to extend the budget authority cap in the amount of $1.5 million dollars not $150,000.
Mrs. Alhadeff was absent for the vote. Mr. Cervera and Mrs. Rupert voted no. (6-2 vote)

The Chair received public comments.

A vote was taken on the Motion to Amend.

A vote was taken on this item as amended.

OO-15. RFP24-243 - Internet Service Provider (Approved)
Motion was made by Dr. Zeman, seconded by Mrs. Hixon and carried, to approve the First Amendment and Renewal to the Agreement between The School Board of Broward County, Florida (SBBC), and Crown Castle Fiber, LLC, and additional budget authority request in the amount of $1,920,000 (FY27 $960,000 and FY28 $960,000). District-wide
Mrs. Alhadeff was absent for the vote. (8-0 vote)

Comments were made regarding student concerns about Wi-Fi reliability and connectivity; staff indicated that the item would improve network resiliency and bandwidth while also addressing security needs; and appreciation was expressed for efforts to enhance students' technology experience.

A vote was taken on this item.

OO-16. RFP25-093 – Demolition Services (Withdrawn)

OO-17. RFP -FY24-013 – Professional Develop Services for Private Sch – Title II, Part A (Approved)

Board Member Discussion(s)
Bulman presented a motion for discussion.

Motion (Carried)
Motion was made by Mrs. Bulman, seconded by Ms. Thompson and carried, to convert the School Board Workshop that is scheduled for May 11, 2026, to discuss the 26-27 Organizational Chart, so a final vote can be taken on the Organizational Chart on that day to avoid further delay making principal assignments and to meet personnel and notification deadlines.
Mrs. Alhadeff and Mr. Cervera were absent for the vote. Mrs. Hixon and Mrs. Rupert voted no. (5-2 vote)

Board discussion on converting the organizational chart workshop into a Special School Board Meeting for a vote included concerns about public participation and review of the final chart, support for expedited approval to provide certainty for affected employees and schools, clarification that revisions reflected prior Board feedback and would be posted before the meeting, and discussion of meeting logistics, public comment procedures, and legal notice requirements.

Dr. Zeman suggested reviewing Policy 1020 at a June 16 workshop and June 23 meeting; emphasized improving public perception of board meetings; and proposed potential changes to enhance board effectiveness and public participation. There were no objections from the Board.

Ms. Thompson raised concerns that the workshop agenda for June 12 did not include meeting times and inquired why the times were omitted.

General Counsel recommended not including specific agenda item times, citing potential legal risks and noting that standard practice is for the public to attend meetings as noticed rather than at designated times for individual items.

Board discussion included concerns that removing agenda item times could limit public participation; suggestions to explore alternative public comment structures and meeting practices; support for placing high-interest items earlier on workshop agendas; and consensus to continue including agenda times pending further discussion of Policy 1020.

General Counsel advised that rulemaking could not occur on June 16 or June 23 because the required two-week notice period could not be met.

Ms. Thompson recognized Cherish Samuel, student from Miramar High School, for being honored at the Community Involvement Awards after completing more than 2,300 service hours. She also highlighted student participation in Rally in Tally for New Floridians, a cheerleading competition victory by Pines Collegiate Academy, and a first-place finish by Walter C. Young's Next Gen Knights drone team. She invited colleagues to a community beautification project at Hawkes Bluff Elementary.

Mrs. Hixon acknowledged Teacher Appreciation Week and celebrated Cypress Bay High School and Western High School students who completed the Western University local government program. She congratulated National Merit Motorola Solutions Scholarship recipient Ziyue Xu from Cypress Bay High School. Board Member Hixon highlighted the District's employee volunteer initiative and recognized Maria Baron-Cascio and the Mental Health Services Department for their volunteer service.

Mrs. Bulman highlighted Community Involvement Award recipients from District 1, including students Christopher White and Mia Rose Suarez from Hollywood Hills High School; Rachel Silver, Broward Schools employee; Mayor Joyce Davis of Dania Beach; and Tom Lander, Chair of Safe Schools South Forida and expressed pride in their recognition and service to the community.

Additional Board discussion included an inquiry regarding efforts to recover more than $5.5 million in withheld tax collector funds, updates on legislative activity during the upcoming special session, and potential legal avenues for reclaiming the funds.

Mrs. Leonardi recognized Teacher Appreciation Week, Nurse Appreciation Week, and Mother's Day, and requested a Board priority-tracking system to monitor pending requests and deliverables. Discussion included staff plans to implement a centralized dashboard for board follow-ups.

Closed Door - None scheduled for this meeting.

Attorney Client Session(s) - Scheduled for 12:30 p.m.

> The General Counsel's Office has requested an attorney -client session for the May 5, 2026, Regular School Board meeting. The private session has been scheduled for 12:30 p.m. to discuss settlement negotiations and/or strategy relative to the following pending litigation:

OHL Building, Inc., n/k/a OHLA Building, Inc. vs. The School Board of Broward County, Florida; (2) The School Board of Broward County, Florida vs. Zyscovich, LLC; and (3) Zyscovich, LLC v. Nutting Engineers of Florida, Inc., collectively under Case No. CACE-22-008804 (02), pending before the 17th Judicial Circuit in and for Broward County, Florida.

The following persons will attend this attorney -client session: School Board Members: Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff; Maura McCarthy Bulman; Adam Cervera, Esq.; Debra Hixon; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; Oscar E. Soto, Esq. of the law firm of the Soto Law Group; Thomas C. Cooney, Esq., Assistant General Counsel; and Kathy Dupuy-Bruno, Esq., B.C.S., General Counsel.

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

May 11, 2026
Monday, 10:00 a.m.

MINUTES OF SPECIAL SCHOOL BOARD MEETING

The School Board of Broward County, Florida, met in special session at 10:00 a.m. in the Board Room of the Kathleen C. Wright Administrative Center, 600 Southeast Third Avenue, Fort Lauderdale, Florida. Present were: School Board Members Sarah Leonardi, Chair; Dr. Jeff Holness, Vice Chair; Lori Alhadeff (Telephonically); Adam Cervera, Esq.; Debra Hixon; Maura McCarthy Bulman; Nora Rupert; Rebecca Thompson; Dr. Allen Zeman; Dr. Howard Hepburn, Superintendent of Schools; and Kathy Dupuy-Bruno, General Counsel.

Call to Order The Chair called the meeting to order and led the Pledge of Allegiance to the Flag of the United States of America.

Added / Changed Items The Superintendent released a revised agenda with certain changes for this meeting and published it on the school District's website on May 6, 2026, May 7, 2026, and May 8, 2026.
Added Exhibits: Agenda Item 1
Additional Information: Agenda Item 2

The Chair finds pursuant to Section 120.525, Florida Statues, that good cause exists for such changes and accepts the revised agenda.

Close Agenda Upon motion by Dr. Zeman, seconded by Ms. Thompson and carried, the Agenda was approved and declared closed. (9-0 vote)

Purpose of Meeting For The School Board of Broward County, Florida to conduct official business of the District, and any other items the Board deems necessary.

Board Member Cervera raised a point of order and requested clarification from General Counsel regarding the legal permissibility of changing the meeting from a workshop to a special board meeting.

General Counsel explained that the meeting change was legally permissible under Florida Statute 286.011, which allowed the Board to change, move, or cancel meetings at its discretion with proper notice.

Superintendent's Recommendation(s)

1. **Superintendent's 2026-2027 Organizational Chart (Approved as Amended)**
   Motion was made by Dr. Zeman, seconded by Mrs. Hixon, to approve the Superintendent's 2026-2027 Organizational Chart. District-wide. **This Motion was superseded by a Motion to Amend (pages 2-7)**.
   Mr. Cervera and Mrs. Rupert voted no. (7-2 vote)

   The Chair received public comments.

Superintendent Hepburn introduced the item with a PowerPoint presentation pertaining to the proposed organizational chart stating the chart established a clearer operating framework for Broward County Public Schools during financial and enrollment challenges. The structure aligned leadership, resources, and district functions to improve accountability, coordination, student support, operational effectiveness, and long-term financial stability while reflecting Board feedback and maintaining a student-centered focus.

Board discussion included, but was not limited to, declining enrollment and reduced revenue; proposed staffing cuts and central office restructuring; protecting school-based positions; budget reduction strategies; financial sustainability; and support for Superintendent Hepburn's reorganization plan.

Motion to Amend (No Vote Taken)
Motion was made by Mrs. Alhadeff, seconded by Mrs. Hixon, I move to separate the Chief Facilities Officer and the Chief Operations Officer into two distinct positions.

The Chair received public comments.

Motion as Amended (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Holness and carried, to add and combine the Chief Strategy and Innovation Officer with Chief Operations Officer to be called the Chief of Strategy and Operations, to read as follows:
I move to separate the Chief Facilities Officer and the Chief Operations Officer into two distinct positions. To add and combine the Chief Strategy and Innovation Officer with Chief Operations Officer to be called the Chief of Strategy and Operations.
(9-0 vote)

The Chair received public comments.

Board discussion continued pertaining to restructuring chief positions; separating facilities and operations leadership roles; executive pay bands; recruitment of qualified facilities leadership; staffing shortages; and support for the amended reorganization plan.

A vote was taken on the Motion as Amended.

Comments were made regarding the planning process for staffing reductions; inadequate state education funding; the impact on employees; and efforts to support affected staff and protect retirement eligibility.

Second Motion to Amend (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Zeman and carried, to direct the Superintendent to ensure that any employee within five years or less to retirement has an individual plan with the District on either finding a position in the District or at another governmental institution that allows them to remain in the Florida Retirement System (FRS). (9-0 vote)

The Chair received public comments.

Board discussion included clarification of the motion's intent and implementation; and compliance with collective bargaining agreements and applicable laws. Staff informed they were collaborating with each impacted employee regarding placement opportunities within the district or other FRS participating agencies. Superintendent Hepburn stated that 80 to 90% of the employees will be placed in vacancies based on their qualifications.

A vote was taken on the Second Motion to Amend (page 2).

Comments were made regarding employee dedication amid budget cuts; BECON staffing reductions; food service staffing; and Student Support Services.

Motion (Withdrawn)
Motion was made by Mrs. Hixon, seconded by Mrs. Rupert, I move to reinstate 19 of the Student Support Instructional Specialist (SSIS) positions, and reduce School Social Workers (SSW) by 19 positions.

The Chair received public comments.

Following public comments, Mrs. Rupert withdrew her second to the motion.

Third Motion to Amend (Carried)
Motion was made by Mr. Cervera, seconded by Mrs. Leonardi and carried, referring to page 3, the Executive Director of Enterprise Analytics & Intelligence position and the Assistant Director of Enterprise Project Management. Motion to cut the Executive Director of Enterprise Analytics & Intelligence position and have one Director of Enterprise Analytics & Intelligence, the current position held below the pay band line.
Mrs. Alhadeff, Mrs. Bulman, Dr. Holness, and Dr. Zeman voted no. (5-4 vote)

The Chair received public comments.

Board discussion included, but was not limited to, discussed the day-to-day responsibilities managed by the two positions, which were not new positions; realignment of enterprise positions to improve District-wide integration and efficiency; oversight of enterprise software, analytics, artificial intelligence, and project management; and concerns regarding organizational structure, costs, accountability, and projected savings.

A vote was taken on the Third Motion to Amend.

Motion (Failed Due to Lack of Second)
Motion was made by Mr. Cervera, referring to page 11, to remove the Executive Director of Food and Nutrition Services and have their duties and responsibilities split amongst the other two directors, who are directly below the pay line under that role.

Motion (No Vote taken)
Motion was made by Mr. Cervera, seconded by Dr. Zeman, referring to page 11, motion to remove the position of Executive Director, Student Transportation of Fleet Services, and have those roles and responsibilities absorbed by the Director as well as the many Managers who work directly under the Director of Student Transportation of Fleet Services.

The Chair received public comments.

Comments were made regarding the elimination of a transportation leadership position, raising concerns about operational oversight of the largest transit system in Broward County; and discussed the salaries of both positions.

Substitute Motion to Amend (Carried)
Motion was made by Mrs. Hixon, seconded by Dr. Holness and carried, referring to page 11, motion to eliminate the Director, Student Transportation & Fleet Services and keep the Executive Director, Student Transportation of Fleet Services.
Mrs. Alhadeff was absent for the vote. Mr. Cervera and Mrs. Rupert voted no.
(6-2 vote)

The Chair received public comments.

Additional comments noted difficulties recruiting a director-level candidate for the District's large transportation system at a lower salary; concerns were raised about operational impacts and consultant costs if the Director position were eliminated; and it was suggested the vacant role could be absorbed by increasing the Executive Director's span of control.

Motion (Failed Due to Lack of Second)
Motion was made by Mr. Cervera, referring to page 12, to cut the Executive Director of Physical Plant Operations and combine that person's workload and responsibilities with the Director of Physical Plant Operations and the Director of Sustainability and Compliance and many managers who fall directly under them.

Motion (Withdrawn)
Motion was made by Mr. Cervera, referring to page 13, Executive Director of Capital Programs and an Executive Director of Budget, motion to combine those two positions into one and title it Executive Director of Capital Programs and Budget.

The motion was withdrawn due to concerns that certain individuals were not within the same reporting structure.

Motion (Failed)
Motion was made by Mr. Cervera, seconded by Mrs. Hixon, referring to page 15, motion to eliminate the Executive Director of Technology Operations and have their responsibilities and obligations absorbed by the four Directors (Data Intelligence, Infrastructure Services, Application Services and Technology Support Services) who are direct reports to that individual.
Mrs. Alhadeff was absent for the vote. Mrs. Bulman, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Ms. Thompson, and Dr. Zeman voted no. (2-6 vote)

The Chair received public comments.

The Board held a robust discussion which included, but was not limited to, proposed Information Technology (IT) leadership reductions and operational impacts; technology cost savings, efficiencies, and innovation initiatives; administrative restructuring and staffing reductions; concerns regarding cybersecurity, system reliability, and District-wide technology support; executive leadership roles and oversight responsibilities; and the long-term fiscal and operational impact of additional executive-level cuts.

A vote was taken on the Motion (page 4).

Motion (Failed)
Motion was made by Mr. Cervera, seconded by Mrs. Leonardi, referring to page 16, motion to cut the Executive Director of Talent Management and to reinstate the position of Director of Human Resources (HR) Operations.
Mrs. Alhadeff was absent for the vote. Mrs. Bulman, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (1-7 vote)

The Chair received public comments.

A vote was taken on the Motion.

Additional Board discussion included, but was not limited to, school budget allocations; staffing flexibility; enrollment-based funding reductions; clarification of district staffing allocation practices; confirmation that no directive was issued requiring principals to reduce staff by 10%; school enrichment program availability; organizational chart approval and staffing timelines; school budgeting processes; and Deaf and Hard of Hearing staffing support.

Motion (Failed)
Motion was made by Ms. Thompson, seconded by Dr. Holness, to bring back the Deaf and Hard of Hearing (DHH) Coordinator position.
Mrs. Alhadeff, Mrs. Bulman, Mrs. Hixon, Dr. Holness, Mrs. Leonardi, Ms. Thompson, and Dr. Zeman voted no. (2-7 vote)

The Chair received public comments.

Discussion included District versus school-based deaf and hard of hearing staffing vacancies; and principal communication regarding staffing decisions.

A vote was taken on the Motion.

Fourth Motion to Amend (Carried)
Motion was made by Ms. Thompson, seconded by Dr. Zeman and carried, referring to page 3, to bring back the Executive Director, Enterprise Analytics & Intelligence position.
Mr. Cervera, Mrs. Hixon, and Mrs. Rupert voted no. (6-3 vote)

The Chair received public comments.

Board discussion included, but was not limited to, enterprise analytics and artificial intelligence cost savings initiatives; overtime and projected energy savings; the value of technology leadership positions; potential outsourcing costs; and proposed restructuring of enterprise analytics supervisory roles.

A vote was taken on the Fourth Motion to Amend (page 5).

Board discussion continued pertaining to, staffing reduction impacts on students and schools; workforce and career technical education programs; proposed governance staffing positions; and exceptional student education leadership and compliance support.

Motion (No Vote Taken)
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, referring to page 8, I move to remove the Director, Exceptional Student Education Curriculum, and reinstate the Executive Director, Exceptional Student Education position.

The Chair received public comments.

Substitute Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, referring to page 8, I move to delete the Director, Exceptional Student Education Support/Compliance, and reinstate the Executive Director, Exceptional Student Education position. (9-0 vote)

Board discussion included, proposed restructuring of exceptional student education leadership positions; oversight and operational responsibilities within exceptional student education services; staffing alignment and span of control within the department; compliance, curriculum, and specialized instruction functions; and support for maintaining executive-level leadership for exceptional student education programs.

A vote was taken on the Substitute Motion to Amend.

Board discussion included, but was not limited to, organizational chart reductions; budget stabilization efforts; declining enrollment and state funding concerns; stakeholder communication and collaboration; school safety camera maintenance; and future budget planning and stakeholder engagement initiatives; certified teacher position reductions; vacant versus filled staffing eliminations; and clarification of staffing reduction totals within the proposed organizational chart.

Motion (Failed)
Motion was made by Mr. Cervera, seconded by Mrs. Rupert, motion to bring back 112 certified teacher positions from the Organizational chart (Summary By Positions log). Mrs. Alhadeff, Mrs. Bulman, Mrs. Hixon, Dr. Holness. Mrs. Leonardi, Ms. Thompson, and
Dr. Zeman voted no. (2-7 vote)

The Chair received public comments.

Board discussion included the motion involving below-the-line positions on the organizational chart and the cost impact; proposed reductions in district instructional positions; reassignment opportunities for certified staff; involuntary transfer and placement procedures; clarification of District instructional personnel versus classroom teaching roles; staffing vacancies and school placement availability; enrollment-based staffing adjustments; and school funding tied to student enrollment.

A vote was taken on the Motion (page 6).

Motion to Table (Carried)
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to table Agenda Item 1, Superintendent's 2026-2027 Organizational Chart until later in the meeting. (9-0 vote)

A vote was taken on the Motion to Table.

(Motion was made by Dr. Zeman, seconded by Ms. Thompson to bring Agenda Item 1 back for discussion.)

Motion to Extend (Carried)
Motion was made by Mrs. Leonardi, seconded by Dr. Zeman and carried, to extend the Special School Board Meeting by 15 minutes. (9-0 vote)

A vote was taken on the Motion to Extend.

The Board reviewed and discussed revisions to the Organizational chart based on the approved amendments. Superintendent Hepburn shared that an additional change moved the Chief Fire Official from the Chief Facilities Officer to the Chief Strategy & Operations division.

Motion (Failed)
Motion was made by Mrs. Bulman, seconded by Dr. Holness, to reinstate the Director, Student Transportation & Fleet Services position back on the Organizational chart.
Mr. Cervera, Mrs. Hixon, Mrs. Leonardi, Mrs. Rupert, Ms. Thompson, and Dr. Zeman voted no. (3-6 vote)

Comments were made pertaining to the motion.

A vote was taken on the Motion.

A vote was taken on the item as amended.

2. Proposed 2026-2027 Job Description (Approved as Amended)
Motion was made by Dr. Zeman, seconded by Mrs. Rupert, to approve the revised job description as noted on the 2026-27 Superintendent's Organizational Chart. District-wide.
This Motion was superseded by a Motion to Amend (pages 8 & 9).
(9-0 vote)

The Chair received public comments.

Motion to Amend (Carried)
Motion was made by Mrs. Rupert, seconded by Dr. Zeman and carried, I move to strike out the words, "educational leadership, or a related field" in the first bullet under the Minimum Qualifications & Experience, to read as follows:

- An earned master's degree from an accredited institution in psychology, social work, counseling, mental health counseling, public health.~~, educational leadership, or a related field.~~

(9-0 vote)

The Chair received public comments.

A vote was taken on the Motion to Amend.

Second Motion to Amend (Carried)
Motion was made by Mrs. Rupert, seconded by Mrs. Hixon and carried, I move that the original second bullet to be moved to the third position under Minimum Qualifications & Experience and remove "or related educational leadership roles," to read as follows:

- A minimum of seven (7) years of progressively responsible experience in mental health services, or student services. ~~,or related educational leadership roles.~~
  (9-0 vote)

A vote was taken on the Second Motion to Amend.

Third Motion to Amend (Carried)
Motion was made by Mrs. Rupert, seconded by Ms. Thompson and carried, to move the first bullet in Preferred Qualifications & Experience to become the second bullet under the Minimum Qualifications & Experience, to read as follows:

- Eligible for or possess Florida certification as a school social worker and/or licensed in an area of mental health.

(9-0 vote)

The Chair received public comments.

Board discussion included concerns about unclear eligibility language for school social worker certification and mental health licensure; inquiries were raised about the meaning of "eligible for" and provisional status; and clarification that school social worker certification may be provisional, while mental health licensure requires full completion of licensing requirements.

A vote was taken on the Third Motion to Amend.

Fourth Motion to Amend (Carried)
Motion was made by Ms. Thompson, seconded by Mrs. Leonardi and carried, to revise the position title and position goal, to read as follows:

Position Title: Director, ~~Wellness~~ Student Services and Mental Health

Position Goal: To provide strategic leadership, direction, and oversight for an integrated system of ~~wellness~~ student services and mental health services that supports the academic, social, emotional, and behavioral success of all students. This role ensures the unified structure and alignment of wellness, mental health, prevention, intervention, and student services while maintaining compliance with all federal, state, and local mandates and advancing the District Strategic Plan.
(9-0 vote)

The Chair received public comments.

A brief comment was made.

A vote was taken on the Fourth Motion to Amend.

Fifth Motion to Amend (Carried)
Motion was made by Dr. Zeman, seconded by Ms. Thompson and carried, to amend the language of the second bullet under Minimum Qualifications & Experience, to read as follows:

- Licensed in an area of mental health and/or eligible for or possess Florida certification as a school social worker.

(9-0 vote)

The Chair received public comments.

A vote was taken on the Fifth Motion to Amend.

A vote was taken on the item as amended.

General Board Discussion
Mrs. Bulman congratulated Sebastian Gonzalez of South Broward High School for placing fourth in the state track and field tournament in the 800 meter and recognized his parents, Rodolfo Gonzalez and Jenny Garcia, for their work as assistant coaches.

Mr. Cervera announced that Isabella Pardo of Western High School won first place in the photography category of the Sun-Sentinel's 2026 annual high school journalism contest for her Girls Exhibit entry.

Mrs. Hixon congratulated the Marjory Stoneman Douglas baseball team for advancing to the state competition - final four.

Ms. Thompson gave a shout out to Charles W. Flanagan High School track for winning 4A in the state championship.

Adjournment This meeting was adjourned at 6:23 p.m.

Public comments sent electronically are attached and posted online.

My name is Dr. Trudy Jermanovich.
Once again I have to point out that the Superintendent and staff have not followed the proper procedures for allowing comments through the morning of the Special School Board meeting when there was a late notice. I believe that the public should have had access to make a comment up to 8AM on Monday for the late noticed Special School Board meeting on the Organizational Chart. This document also includes a list of many positions which are to be eliminated, so it directly affects many people within the SBBC organization.
Putting the time for comments to close on Mother's Day when there was even a special "pop-up" message saying this was a change in the date for this Special School Board Meeting is NOT being transparent. It also denies people a place to register their concerns publicly. Since I'm sure no one will read these messages and ask the Superintendent to have his staff change the time to the proper 8AM Monday deadline, I can only point out that this is another failure of communication skills. I hope it is noted on the next evaluation of those whose job it is to make this happen, as it is but one instance of the lack of communication.
In comparing the positions that are being eliminated, I can only point out that too many critical positions of counselors, ESP's, and support staff that have been working in the schools are posted in spots to be eliminated. There were a minimal number of eliminations of those "above the line" in district positions. There has been a history of having high level people go into schools and simply tell others what they're doing wrong. To put it simply, this is where the micromanagement of teachers begins and it should stop now. In comparing an organizational chart from the early 2000's when the district had not yet lost students, this presentation is incredibly top heavy with Directors. I do not believe it should be passed in its present form.

Based on the most recent teacher contract proposal, it appears that Broward County Public Schools is not doing

its part to retain or attract qualified educators.

How can an employer expect to maintain a strong, healthy, and effective workforce while reducing health insurance benefits and requiring its employees to pay significantly more out of pocket? Many teachers already work second jobs to keep up with the rising cost of living. Educators often seek medical care due to the high demands, stress, and daily exposure that come with this profession. Health coverage is not a luxury for teachers — it is a necessity. Yet instead of increasing teacher salaries, Broward County Public Schools is proposing changes that will leave employees taking home even less money.

For example, an employee earning between $50,000 and $75,000 who selects the Premier Plus Health Plan could see their annual income reduced by at least $1,624 due to premium payments, higher deductibles, increased medication costs, and higher co-pays. Even employees selecting the Premier Plan could see a reduction of at least $805 annually. Additionally, Broward County Public Schools has not offered a monetary raise to offset these increased healthcare costs.

If Broward County truly wants the best educators in our classrooms, then it must ensure that educators are supported and cared for so they can remain physically, mentally, and emotionally healthy. Investing in teachers is investing in student success.

Do you realize that last year a single dependent's health insurance doubled?!! I now pay almost $1.000 a month for one child. Now you want to TAX us and make us pay for our own insurance. SBBC has notoriously mismanaged money. Cut more high up positions. Cut more "compliance specialists". Cut more people who send us "Mindful Monday" emails. The SBBC departments are supposed to be helpful to us. Many are the opposite! Furthermore, you lost the public trust by allowing Directors and above to collect $14,000 each of referendum money. Now that money may not be renewed because of your poor money mismanagement. Palm Beach County just got a 3.5% raise. You are offering us a PAY CUT. The .5% was from the state and does not even cover filling up our gas tanks. It is clear that you do not value the people working in the schools working with the actual students. However, you will always take credit for an "A" school district. Give us a raise and DO NOT charge us for health insurance. Your employees CANNOT afford to live in Broward and our pay is unacceptable! I would rather NOT be charged for insurance than to have to pay for people's GLP1 drugs. Other major companies do not cover these drugs. You don't even cover my Thyroid medication yet you are agreeing to cover GLP1s at the cost of all employees. CUT from the top, increase our pay to an actual living wage, and do not increase our insurance costs. Look for a cheaper insurance company to partner with. Your proposal is absurd!

RE: eliminating (5) BECON School Services employees - Electronics Technicians and Manager, leaving only 3 employed and 1 clerk to serve the entire district. ELIMINATING POSITIONS from BECON School Services will COST the DISTRICT MORE MONEY than they think they are saving and will possibly DISRUPT TEACHING, LEARNING, AND SAFETY. I strongly urge the Board to reconsider. I believe this action was performed out of ignorance, as to the essential services BECON School Services performs, cost savings, and impact on safety, and support for teachers and learning, that BECON School Services employees perform for the district. Besides the primary role of servicing/maintaining, installing, all audio visual equipment (TV’s, IPTV, Broadcast Studios, cameras, LCD Projectors, doc cams, other miscellaneous Audio Visual equipment) equipment used by teachers, administrators, and staff daily… saving perhaps millions that would be outsourced to an outside vendor. Besides directly supporting Teachers, Students, and Administration, for the entire district… BECON School Services technicians have also supported and cooperatively worked with many other departments including IT, SSEP Safety Security, and PPO. BECON School services has assisted the Safety Security IT Surveillance Security Camera team for the past several years with THOUSANDS OF SECURITY CAMERA WORK ORDERS, because the vendor that is outsourced is overwhelmed trying to keep up with the repair and installation of broken and outdated security cameras across the district… saving the district millions of dollars. The team has also worked with PPO and Security to remove hundreds of security cameras from hundreds of portables that were demolished

and will be demolished… saving the district from hiring a vendor to do the work. The team has helped the IT Network team to update hundreds of servers because of a need for fast reliable experienced technicians… again saving the district from possible outsourcing or not completing tasks in a timely manner. ELIMINATING POSITIONS from BECON School Services will COST the DISTRICT MORE MONEY than they think they are saving and will possibly DISRUPT TEACHING, LEARNING, AND SAFFTY. I strongly urge the Board to reconsider.

I am writing to express deep concern and strong disappointment regarding the proposal to require teachers to pay for their health insurance while offering no salary increase whatsoever. This decision sends a troubling message about how the district values its educators and the essential work they do every day.

Teachers are already navigating increased workloads, rising costs of living, and the ongoing challenges of supporting students academically and emotionally. Asking them to shoulder additional financial burdens without any corresponding raise is not only unreasonable but fundamentally disrespectful to the profession.

Health insurance is not a luxury. It is a basic necessity, and shifting this cost onto teachers without adjusting compensation effectively amounts to a pay cut. This undermines morale, retention, and the district's ability to attract and keep high_quality educators.

I urge the board to reconsider this proposal and engage in a transparent, good_faith effort to support teachers rather than place additional strain on them. Our educators deserve fair compensation, financial stability, and respect for the critical role they play in our schools.

Michelle Bennett

Submitted At: 12:36pm 05-09-26

I am very ashamed of the Board and the Superintendent. Not making any effort to provide teachers with any relief (no raise), elimination positions (while the glut continues to happen at the top), the erosion of insurance, then 'patting' themselves on the back by 'voting' for 90% referendum monies going to teachers. What I know and others may not realize is that Broward County voters approved referendums. Nothing from nothing is nothing. Additionally, no teacher with the education that we have achieved, the certification we must maintain along with increased annual compliance and expectations should 'have to' obtain 2nd jobs, not be able to buy a starter home or condo, or live in 'affordable housing. How do you look in the mirrors every day?
Didn't the Superintendent come from Palm Beach County? So, are they in better shape after he left (not because of him but in spite of him) to be able to offer their teachers a 3.5% raise? I'm pretty sure that the referendum will be on the Palm Beach County November ballot as well.

Cutting School Services and placing schools at the mercy of outside vendors would create further delays, higher costs, and greater disruption. Our department follows district protocol and has the required security clearance to provide skilled, in-house, immediate response when critical systems need attention. We support the classroom technology, broadcast systems, and security systems that schools depend on every day. Preserving School Services helps protect student learning, staff support, district-wide stability, and most importantly, school safety.

Kim Jones
Location:
Submitted At: 10:24pm 05-08-26

It should be noted that the School Services Department is not expendable—it is essential. Even while facing limited resources, lack of recognition, and escalating demands, this team has consistently delivered professional, responsive support to serve the entire BCPS district. Their work keeps classrooms functioning, learning uninterrupted, and security systems reliable when they matter most. Preserving School Services is not just

fiscally responsible—it is a commitment to student learning, staff support, and district_wide stability.

Valerie Ruwe

Submitted At: 5:50pm 05-08-26

I am writing to express my extreme disappointment regarding the proposed 0.5% raise. When compared to the 3.5% increase provided to teachers in Palm Beach, this offer is already insulting. However, when you factor in the new requirement for employees to pay for insurance plans, it becomes clear that this raise will not even cover the added insurance costs. In reality, we are being asked to accept a pay cut.
_Furthermore, while the organizational chart claims there will be no school personnel reductions, employees are reporting that positions are being eliminated and extra periods in secondary schools are being reduced.
_I ask the Board: Have you spoken directly with your principals to ask if their budgets have been impacted? I urge you to do your due diligence and speak with school leaders to confirm these reductions before you vote. You cannot claim to support schools while simultaneously reducing their resources and cutting teacher pay

EXECUTIVE SUMMARY

2025-2026 ANNUAL EDUCATIONAL EQUITY ACT PLAN

Board Meeting Date: July 28, 2026
Requested Action: To receive the 2025-2026 ANNUAL EDUCATIONAL EQUITY ACT PLAN

General Information

The Annual Educational Equity Plan update serves as a reporting tool that enables FDOE to ensure adherence to federal and state laws, including Title IX, Title IV, Title II (ADA), and Section 504, and to confirm that educational resources are equitably distributed. The Equity Act mandates monitoring minority enrollment in advanced coursework, including Advanced Placement (AP), International Baccalaureate (IB), Dual Enrollment (DE), Honors, and other Level 3 courses as well as monitoring gender equity in athletics.

District-zone Impact/Board Member: District Wide	
School Board Policy Requirement	• SBBC policy 4001.1
Statutory Requirement	• Supports F.S. 1000.05 Florida Educational Equity Act (FEEA)
If the School Board votes "Yes"	• SBBC will be able to submit the Annual Educational Equity Act Plan to the Office of Equal Educational Opportunity (OEEO), Florida Department of Education (FDOE), as required by F.S. 1000.05
If the School Board votes "No"	• SBBC will not submit the Annual Educational Equity Act Plan to the Office of Equal Educational Opportunity (OEEO), Florida Department of Education (FDOE) and be in violation of F.S. 1000.05
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail: Equity
Measurable Outcome(s)/Return on Investment	• The successful compliance with F.S. 1000.05 Florida Educational Equity Act (FEEA)

Background/History

The Florida Educational Equity Act (FEEA), governed by Florida Statute 1000.05, requires the Florida Department of Education (FDOE) to monitor public school districts for compliance with the statute. The Annual Educational Equity Plan update serves as a reporting tool that enables FDOE to ensure adherence to federal and state laws, including Title IX, Title IV, Title II (ADA), and Section 504, and to confirm that educational resources are equitably distributed. The Equity Act mandates monitoring minority

enrollment in advanced coursework, including Advanced Placement (AP), International Baccalaureate (IB), Dual Enrollment (DE), Honors, and other Level 3 courses as well as monitoring gender equity in athletics.

Broward County Public Schools (BCPS) data reflects an increase in minority enrollment in AP, IB, DE, Honors, and Level 3 courses over the past four years (2022–23 through 2025–26). Specifically:

- (Grades 9–12) AP/IB/AICE Courses: Black students 13%, Hispanic students 13%
- (Grades 9–12) All Level 3 Courses (including AP/IB/AICE, DE, and Honors): Black students 17%, Hispanic students 13%
- (Grades 10–12) Dual Enrollment: Black students 5%, Hispanic students 3%

BCPS continues to implement corrective action plans to meet Athletics Compliance goals and remains committed to providing appropriate assistance and support to pregnant and parenting students.

PART I:

PROCEDURAL REQUIREMENTS

PART I: PROCEDURAL REQUIREMENTS

A. Changes to Nondiscrimination and Anti-Harassment Policies or Grievance Procedures as required by the U.S. Department of Education (USED)

Indicate below and submit any policies or procedures revised since the last district update in 2025 into your designated ShareFile folder. Please select from the following:

- ☐ Updated district Nondiscrimination Policy has been uploaded to district's ShareFile.
- ☐ Updated district Anti-Harassment Policy has been uploaded to district's ShareFile.
- ☐ Updated district Grievance Procedures have been uploaded to district's ShareFile.
- ■ No updates since the district's 2025 submission.

B. Required Notices

1. **Annual Notification of Nondiscrimination for Vocational Education Programs**

   This notification is required and must be published once a year, prior to the beginning of each school year. Submit the requested evidence below to show you have met this requirement:

   - The annual notification of nondiscrimination was published on the district website indicating course offerings and relevant contact information. Posting on the district website is sufficient for reporting.
   - The annual notification of nondiscrimination was published indicating the summary of Career and Technical Education (CTE) offerings at the district's high schools.
   - The annual notification of nondiscrimination that was published indicating the summary of CTE offerings for the district's operated technical center(s).
     - All published annual notifications of nondiscrimination must include contact information for the district's point of contact and the person(s) designated to coordinate Title IX and Section 504 compliance activity, if different, for complainant(s) to file a complaint of discrimination and/or harassment, should the need arise.
     - In addition to the internet, notification can be done on radio, television or newspaper for those areas that have little to no access to the internet.

   ■ Evidence of compliance has been uploaded to district's ShareFile.

   ☐ No evidence supporting compliance was uploaded to district's ShareFile.

2. **Continuous Notification of Nondiscrimination**

   This notification is required and must be continuously published and posted throughout the year in district and school publications. Submit the requested evidence below to show you have met this requirement:

   - Submit copies of materials that include the continuous notification of nondiscrimination and contact information for Title II-Americans with Disabilities Act (ADA), Title IX, Section 504, and district Equal Educational Opportunity contact.
     - Identify documents with the continuous notification of nondiscrimination and **only submit the cover page and all relevant page(s)** that includes the statement.
     - Documents include school newsletters, school handbooks, student progression plans, application forms, brochures, district's publications available to students, parents, staff and the general public, etc. Posting only on the district or school website is insufficient.

   ■ Evidence of compliance has been uploaded to district's ShareFile.

   ☐ No evidence supporting compliance was uploaded to district's ShareFile.

3. **Notice for Availability of Reasonable Accommodations to Applicants for Employment**

- Submit copies of webpages or printed materials for applicants for employment that include the notice that reasonable accommodations are available for qualified applicants with disabilities during the application and interview process. The notices should also include contact information for requesting accommodations. Submit the requested evidence below to show you have met this requirement:

  ■ Evidence of compliance has been uploaded to district's ShareFile.
  ☐ No evidence supporting compliance was uploaded to district's ShareFile.

SUBJECT: **OFFICIAL NONDISCRIMINATION AND REASONABLE ACCOMMODATION STATEMENTS**

This memo serves as a reminder to please use the District's Nondiscrimination Policy Statement 4001.1 on all printed materials other than stationery (i.e., brochures, flyers, websites, etc.). This replaces any other statement of nondiscrimination that you may be using.

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may call the Assistant Director, Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or email eeo@browardschools.com.

In addition to this statement, under the Americans with Disabilities Act Amendments Act of 2008, the District is responsible for notifying job applicants, employees, students, parents, and the public of our obligation to provide accommodations to otherwise qualified individuals with disabilities. Therefore, any notice inviting parents, employees, students, or the public to apply for vacancies, register for classes, or attend functions, meetings, conferences, training, or any other District or school-based event, must include the following statement:

Individuals with disabilities requesting accommodations under the Americans with Disabilities Act Amendments Act of 2008, (ADAAA) may call Equal Educational Opportunities/ADA Compliance Department at 754-321-2150 or email eeo@browardschools.com.

Should you have any questions regarding these statements, **please contact the Department of Equal Educational Opportunities/ADA Compliance at 754-321-2150.**

Superintendent of Schools

SUBJECT: **PROCEDURE FOR AN EMPLOYEE REQUEST FOR REASONABLE ACCOMMODATION UNDER THE AMERICANS WITH DISABILITIES ACT AMENDMENTS ACT 2008**

In accordance with the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), the District is required to make a reasonable accommodation to the known physical or mental limitations of a qualified individual with a disability, unless it can show that the accommodation would cause an undue hardship. A reasonable accommodation is a critical component of the ADAAA's assurance of nondiscrimination.

To assist principals, department heads, and supervisors with this complex task, the Equal Educational Opportunities/ADA Compliance Department has developed the Reasonable Accommodation Request Procedure. This procedure ensures smooth, legal, and consistent handling of requests for accommodation.

Attached is the procedure to follow whenever an employee requests a reasonable accommodation. To access the ADA application, please refer all employees to: www.browardschools.com/eeo. Equal Educational Opportunities/ADA Compliance staff will work with the employee and immediate supervisor in determining if the employee is a qualified individual with a disability and what effective form of accommodation can be provided.

This procedure does not replace other procedures such as the one used when an employee is currently on or returns from a leave due to a Worker's Compensation injury, when an employee requests Family Medical Leave, or when an employee requests other medical leave benefits. These requests should continue to be handled through the appropriate channels.

If you have any questions regarding this procedure, **please contact the Department of Equal Educational Opportunities/ADA Compliance at 754-321-2150.**

SUBJECT: **SECTION 504 OF THE REHABILITATION ACT OF 1973 – NOTIFICATION FLYER**

As a resolution to a discrimination complaint filed with the Office for Civil Rights, the attached flyer has been created in an effort to ensure that our parents, as well as the general public, are aware of who they can contact with questions regarding Section 504 of the Rehabilitation Act of 1973 (Section 504).

As you are aware, Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. Additionally, Section 504 enables educational accommodations for students with disabilities who are not eligible for services under the Individuals with Disabilities Education Act.

The posting of this flyer is mandatory and must be placed on your school's bulletin board in your school where parents and other members of the public may have access.

Should you have any questions or require additional information, **please contact the Department of Equal Educational Opportunities/ADA Compliance at 754-321-2150.**

AP/IB/AICE Courses

Methods and Strategies

1. The high school Advanced Academic team consisting of the principal, assistant principal, guidance staff and department heads will monitor the participation and performance of Black, Hispanic, Black male and Hispanic male students, and English Language Learners (Ells LY, LP, and LF) enrolled in Advanced Academic programs: Advanced Placement (AP), International Baccalaureate (18), and Advanced International Certificate of Education (AICE) courses in grades 9-12.

2. The high school Advanced Academic team will identify achievement gaps in incoming 9th-grade students. In conjunction with the middle schools, they will develop strategies to narrow and eliminate these gaps at the middle school level.

3. Use of student grades, standardized test scores, and teacher recommendations, along with tools like College Board's AP Potential for the identification of students who are ready for Advanced Academic courses and subsequent enrollment in AP, AICE, and IB courses, which also includes the identification of English Language Learners regardless of English language proficiency level.

4. Develop a District monitoring tool and reporting procedures for enrollment in Advanced Academic programs in low-income schools. Ensure schools have properly placed all students in appropriate Advanced Academic courses.

5. Encourage and support school-based initiatives to increase parent awareness of AP, AICE and IB courses in the district's top languages (English, Spanish, Haitian Creole, Portuguese).

6. Develop a distance learning program that will allow schools with low student participation to offer AP/IB/AICE courses via a remote learning program. This will enable schools to offer AP/IB/AICE courses not available at their location.

7. Advanced Academic teachers will participate in the Advanced Academic PLC program, which focuses on improving teacher content-area knowledge and advanced pedagogical practices.

8. Identify eligible ELLs (LY, LP, and LF) at the time of registration based on previous transcripts, regardless of English language proficiency.

9. Increase awareness of the Advanced Academic Leadership Team's use of ELL accommodations, scaffolds, and language acquisition strategies through training.

Accountability Measures:

1. Develop procedures to create and monitor individual school enrollment in Advanced Academic courses at the beginning of the school year. Ensure all potential students are enrolled in the appropriate Advanced Academic course.

2. Continually monitor enrollment in Advanced Academic programs to measure corrections in AP, AICE, and IB course enrollment through the use of school enrollment reports.

3. Develop a District assessment tool to assist schools in evaluating their Advanced Academic program.

Timelines

Increase the number of Black students in grades 9-12 enrolling in AP/IB/AICE courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic students in grades 9-12 enrolling in AP/IB/AICE courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Black male students in grades 9-12 enrolling in AP/IB/AICE courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic male students in grades 9-12 enrolling in AP/IB/AICE courses by 3 percentage points in the 2026-2027 school year.

EVALUATION OF METHODS AND STRATEGIES

The following percentages reflect within race/ethnicity calculations for students enrolled in all Level 3 Courses. In 2022-23, 79% of Whites, 62% of Blacks, and 71% of Hispanics, 75% of White Males, 55% of Black Males, and 67% of Hispanic Males were enrolled. In 2025-26, 88% of Whites (an increase of 9 percentage points), 79% of Black (an increase of 17 percentage points), 84% of Hispanics (an increase of 13 percentage points), 86% of White Males (an increase of 11 percentage points), 75% of Black Males (an increase of 20 percentage points), and 81% of Hispanic Males (an increase of 14 percentage points) were enrolled.

Level Three Courses

Methods and Strategies

1. The high school team, consisting of the principal, assistant principal, guidance staff, and department heads, will monitor the participation and performance of Black, Hispanic, Black male, and Hispanic male students, in addition to English Language Learners (ELLs LY, LP, and LF), enrolled in all level three courses.

2. Encourage and support school-based initiatives to increase parent awareness of level three courses in the district's top languages (English, Spanish, Haitian Creole, Portuguese).

3. Develop a distance learning program that will allow schools with low student participation to offer level three courses via a remote learning program. This will enable schools to offer level three courses not available at their location.

4. Identify eligible ELLs (LY, LP, and LF) at the time of registration based on previous transcripts, regardless of English language proficiency.

5. Increase awareness of the High School Team's use of ELL accommodations, scaffolds, and language acquisition strategies through training.

Accountability Measures:

1. Continually monitor level three course enrollment to measure corrections enrollment through the use of school enrollment reports.

2. Develop a District assessment tool to assist schools in evaluating their Level 3 courses.

Timelines

Increase the number of Black students in grades 9-12 enrolling in level three courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Black male students in grades 9-12 enrolling in level three courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic students in grades 9-12 enrolling in level three courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic male students in grades 9-12 enrolling in level three courses by 3 percentage points in the 2026-2027 school year.

Increase the number of English Language Learners (LY, LP, and LF) in grades 9-12 enrolling in Level 3 courses by 2 percentage points in the 2026-2027 school year.

EVALUATION OF METHODS AND STRATEGIES

The following percentages reflect within race/ethnicity calculations for students enrolled in Dual Enrollment Courses. In 2022-23, 15% of Whites, 9% of Blacks, and 10% of Hispanics, 13% of White Males, 7% Black Males, and 8% of Hispanic Males were enrolled. In 2025-26, 19% of Whites (an increase of 4 percentage points), 14% of Blacks (an increase of 5 percentage points), 13% of Hispanics (an increase of 3 percentage points), 16% of White Males (an increase of 3 percentage points), 10% of Black Males (an increase of 3 percentage points), and 11% of Hispanic Males (an increase of 3 percentage points) were enrolled.

For Dual Enrollment Courses

Methods and Strategies

1. The high school Advanced Academic team consisting of the principal, assistant principal, guidance staff and department heads will monitor the participation and performance of Black, Hispanic, Black male and Hispanic male students, and English Language Learners (Ells LY, LP, and LF) enrolled in dual enrollment courses at BCPS partner universities: Broward College, University of Florida, Florida International University, Florida Atlantic University , and Embry-Riddle University

2. Use of student grades, standardized test scores, ~~and~~ teacher recommendations, and post-secondary readiness test scores for the identification of students who are ready for dual enrollment courses, which also includes the identification of English Language Learners regardless of English language proficiency level.

3. Develop a District monitoring tool and reporting procedures for enrollment in dual enrollment courses in low-income schools. Ensure schools have properly placed all students in appropriate dual enrollment courses.

4. Encourage and support school-based initiatives to increase parent awareness of dual enrollment courses in the district's top languages (English, Spanish, Haitian Creole, Portuguese).

5. Develop a distance learning program that will allow schools with low student participation to offer AP/IB/AICE courses via a remote learning program. This will enable schools to offer AP/IB/AICE courses not available at their location.

6. Identify eligible ELLs (LY, LP, and LF) at the time of registration based on previous transcripts, regardless of English language proficiency.

7. Increase awareness of the Advanced Academic Leadership Team's use of ELL accommodations, scaffolds, and language acquisition strategies through training.

Accountability Measures:

1. Develop procedures to create and monitor individual school enrollment in dual enrollment courses at the beginning of the school year. Ensure all potential students are enrolled in the appropriate dual enrollment course.

2. Continually monitor enrollment in dual enrollment courses to measure corrections in course enrollment through the use of school enrollment reports

3. Develop a District assessment tool to assist schools in evaluating their dual enrollment program.

Timelines

Increase the number of Black students in grades 9-12 enrolling in Dual Enrollment courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic students in grades 9-12 enrolling in Dual Enrollment courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Black male students in grades 9-12 enrolling in Dual Enrollment courses by 3 percentage points in the 2026-2027 school year.

Increase the number of Hispanic male students in grades 9-12 enrolling in Dual Enrollment courses by 3 percentage points in the 2026-2027 school year.

PART IV: ATHLETICS COMPLIANCE VERIFICATION

C. ATHLETICS CORRECTIVE ACTION PLAN

C. Athletics Corrective Action Plan

District: Broward

School Name:Blanche Ely

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

[■] Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

There is currently a disparity in participation numbers between female and male student-athletes. The school is committed to increasing opportunities, awareness, and participation for female students in alignment with Title IX expectations. To support this initiative, the athletic department will actively promote female athletic programs through school-wide announcements, social media campaigns, student spotlight features, recruitment events, middle school outreach, and community engagement activities. Coaches and student-athletes will work collaboratively with SGA, guidance counselors, and school leadership to encourage female student participation in athletics. The school will also increase visibility of girls' sports through game promotions, recognition events, digital media content, website updates, and partnerships with feeder middle schools to educate incoming students on athletic opportunities available at Blanche Ely High School.

What is the timeline for addressing the deficiencies found in athletics?

The timeline for addressing the deficiencies found in athletics will begin at the start of the 2026 - 2027 school year. The athletic department will work with administration, coaches, students, and community stakeholders to improve participation.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

C. Athletics Corrective Action Plan

District: BROWARD

School Name: CORAL SPRINGS HS

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

☒ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

Our athletic participation numbers are currently not fully aligned with gender equity expectations due to lower female participation in some sports programs. To increase participation, the athletic department will actively promote sports through social media, ParentLink messages, the school website, QR code flyers, and morning and afternoon announcements. Coaches and student-athletes will assist with recruitment by hosting interest meetings, speaking with students during lunches and school events, and participating in freshman orientation and meet-and-greet events. Athletic information tables will also be set up during school events to provide students and parents with information about sports offered, tryout dates, and eligibility requirements. The school will continue promoting offseason workouts, conditioning opportunities, and open gyms to encourage year-round involvement. Guidance counselors and staff members will also help identify and encourage students who may be interested in participating in athletics.

What is the timeline for addressing the deficiencies found in athletics?

The school will begin these recruitment and awareness efforts on August 10, 2026, the first day of school, and continue them throughout the 2026-2027 school year. Athletic opportunities will be promoted through social media, ParentLink messages, announcements, and school events.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

☒ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

To address the deficiencies found in athletics related to increasing female athletic participation and opportunities, the DBHS plans to expand the female athletic programs and provide greater access to sports and extracurricular athletic activities for female students. The school will conduct student interest surveys and review participation data to ensure compliance with Title IX requirements and identify areas where additional opportunities are needed. Efforts will also include increasing recruitment and outreach initiatives to encourage more female students to participate in athletics. In addition, the school will work to ensure equitable access to facilities, equipment, uniforms, transportation, funding, and practice schedules for female athletic programs. The athletics department will enhance the visibility and promotion of female sports through school announcements, social media, and community engagement activities. Professional development and training will be provided to coaches and staff to strengthen awareness of gender equity

What is the timeline for addressing the deficiencies found in athletics?

The timeline for addressing the deficiencies found in athletics will begin immediately and continue throughout the current school year. Within the first 30 days, the school will review all athletic compliance procedures, identify areas requiring corrective action, and ensure that all

C. Athletics Corrective Action Plan

District: Broward
School Name: Hollywood Hills
If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

▪ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

The planned actions to address the deficiencies in sports participation at Hollywood Hills is, first and foremost, for the AD and Administration to continue hiring female coaches for female sports as we believe they're a direct and positive influence in recruiting females to play sports. Last year, Hollywood Hills hired six new female coaches this yea and we saw an increase to roster spots in Flag Football, Cross-Country, Girls' Soccer and Softball, and plan on adding Girls' Basketball and Beach Volleyball teams for next year.

We also plan to heavily promote female sports through posted flyers, social media, morning and Parent Link announcements from the AD and Admin, as well as through student-led lunch sign-ups. During interest meetings, our coaches allow returning players to speak on behalf the program.

What is the timeline for addressing the deficiencies found in athletics?

The timeline for addressing the dificiencies is immediate, we've already posted the open vacancies, and have held interest meetings and student-led sign-ups for Girls' Volleyball, Cross-Country and Cheerleading.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

Intended actions to help promote JV female athletics include reaching out to existing staff members to add JV girls soccer, volleyball, softball, and basketball positions. If no staff is interested, reach out to community to see if any eligible applicants are interested. Our plan to increase female involvement include conducting a school-wide JV girls athletics interest survey, using social media, announcements, posters, and student ambassadors to highlight success stories of current female athletes. We are reaching out to our feeder middle schools to promote the sports. During our Freshman Invasion in August, we always promote the female sports. We are going to celebrate our female sports publicly and schoolwide.

What is the timeline for addressing the deficiencies found in athletics?

Effective Immediately Announcements will begin, leading into beginning 26 27 school year.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

C. Athletics Corrective Action Plan

District: Broward County Public Schools

School Name: Stranahan High School

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

☒ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

To promote gender equity and increase awareness, participation, and support for girls' athletics, I will implement the following strategies:

Increase Promotion and Visibility of Girls' Sports
Actively promote girls' athletic programs throughout the school and surrounding community using school communication platforms, parent links, social media campaigns, club meetings, morning announcements, and pep rallies.

Ensure girls' athletic accomplishments, schedules, and achievements are consistently highlighted to increase engagement and attendance.
Improve Accessibility and Attendance at Girls' Sporting Events
Collaborate with athletic staff to schedule more girls' games and events at times that maximize attendance by parents, faculty, staff, students, and community members.
Increase school spirit and participation through targeted event promotion and campus involvement initiatives.

Strengthen Female Athlete Mentorship and Advocacy
Reintroduce former alumni and successful female athletes to serve as guest speakers, mentors, and role models.
Organize opportunities for students to learn about the importance of girls' sports, leadership, perseverance, scholarship opportunities, and lifelong benefits of athletic participation.

Increase Student Engagement and Awareness
Partner with student organizations and clubs to encourage participation, advocacy, and support for girls' athletic programs.

Create school-wide initiatives that celebrate female athletic achievement and encourage equitable representation.
Monitor Progress and Impact
Review participation data, attendance at girls' sporting events, and student/community feedback to evaluate the effectiveness of implemented strategies and make adjustments as needed.

What is the timeline for addressing the deficiencies found in athletics?

June 2026 - May 2027

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

C. Athletics Corrective Action Plan

District: BROWARD

School Name: WEST BROWARD HIGH SCHOOL

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

☒ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

Our plan is to actively promote our female athletic programs through a variety of platforms and outreach opportunities. Beginning at the end of the current school year and continuing into the summer, we will utilize the Bobcat Newsletter to highlight all sports offered at West Broward. Freshman orientation will serve as an additional key opportunity to showcase our athletic programs. Our Athletic Association, made up of student-athletes and members of the student body, will support these efforts by delivering weekly announcements through the school's PA system and TV broadcasts as each sports season approaches. They will also provide brief in-class announcements during study hall periods to increase awareness. In addition, we will continue leveraging parent communication tools, develop an athletics website, and expand our presence across all social media platforms to ensure consistent and widespread promotion.

What is the timeline for addressing the deficiencies found in athletics?

We aim to resolve the issue by September 2026 in preparation for 2026-2027 school year.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

Principal Signature _____ **Date** 5/21/2026

Superintendent Signature _____ **Date** 6/17/26

C. Athletics Corrective Action Plan

District: Broward

School Name:Western High School

If the district is out of compliance, please answer the following questions:

How is your school out of compliance with athletics requirements in the Athletics Compliance Verification Form? Select all indicators that apply.

☒ Sports Participation	☐ Equipment and Supplies	☐ Game and Practice Schedules
☐ Travel and Per Diem Allowances	☐ Coaching and Academic Tutoring	☐ Sports Facilities
☐ Medical and Training Facilities/Services	☐ Athletic Program Publicity and Promotion	☐ Support Services

What are the planned actions to address the deficiencies found in athletics?

We continue to advertise through our morning announcements, parent links, the principal weekly news letter and throughout all our social media platforms to encourage both males as well as female participation.

We will ensure that our coaches of male and female teams are visible during open house, freshman invasion and where there are other opportunities to search for students who are interest participating in sports.

What is the timeline for addressing the deficiencies found in athletics?

The timeline for addressing these deficiencies found athletics will begin immediately.

We hereby verify that the above corrective action plan will be implemented to bring the institution into compliance within the time frame indicated in the Plan.

Superintendent Signature _____ **Date** 6/17/21

PART IV: ATHLETICS COMPLIANCE VERIFICATION

D. ATHLETICS CORRECTIVE ACTION PLAN UPDATE(S)

D. Athletics Corrective Action Plan Update(s)

An Athletics Corrective Action Plan (CAP) update is required if a school was previously out of compliance and is currently in compliance based on a previously submitted CAP. If a school with a previous CAP has a current CAP with the same non-compliance indicator (e.g., sport participation), an update is not needed.

Please provide a progress update for each previous CAP that is now in compliance:
The Junior Varsity programs at the school now meet the needs of all athletes and are within the given range of compliance.

PART V:

SINGLE – SEX CLASSES

PART V: SINGLE-SEX CLASSES

Single-Sex Evaluation Verification Form

Complete if district has single-sex classes, extracurricular activities and/or schools.

District: Broward

1. I hereby verify that the district has informed parents/students that participation in co-education options is available and the participation in single-sex classes, extracurricular activities and/or schools is completely voluntary. (Title IX, 34 C.F.R. § 106.34(b),(c))

2. I hereby verify that the required evaluations of the single-sex classes and extracurricular activities were completed, as required by Title IX, 34 C.F.R. § 106.34(b)(4).

Superintendent Signature

6/17/26
Date

Single-Sex Classes

1. Does the district operate single-sex classes in English/Language Arts, Mathematics, Science or another subject? ☐ Yes ■ No

If you have selected 'yes,' please complete the 2025-26 Single-Sex Classes Excel spreadsheet.

Download the Single-Sex Classes Excel spreadsheet (2025-26) and enter the number of classes (not courses) for which single-sex classes were offered at co-educational schools in the district. This must be completed for each co-ed school. Report classes that cover the content of the courses outlined below regardless of the course name.

- **Mathematics** includes general mathematics courses as well as college preparatory mathematics courses such as Algebra I, Geometry, and Algebra II.
- **English/Reading/Language Arts** includes general English/reading/language arts courses as well as college preparatory English/reading/language arts courses.
- **Science** includes general science courses as well as college-preparatory science courses such as Biology, Chemistry and Physics.
- **"Other academic subjects"** includes history, social studies, foreign languages and computer science.

2025-26 Single-Sex Classes			
School Name:	Number of Classes for Males Only	Number of Classes for Females Only	Total Single-Sex Classes
Mathematics			
English/Reading/Language Arts			
Science			
Other academic subjects			

After filling out the information on the spreadsheet, upload the 2025-26 Single-Sex Classes Excel spreadsheet to the district's ShareFile.

PART VI:

PREGNANT AND PARENTING STUDENTS

PART VI: PREGNANT AND PARENTING STUDENTS

To ensure that pregnant and parenting students are treated in compliance with the requirements of Title IX, 34 C.F.R. §§ 106.21(c) and 106.40, and Section 1003.54, F.S., districts are asked to respond to the following questions regarding programs for pregnant and parenting students:

(1) How does the district make provisions for pregnant and parenting students to complete the coursework necessary to earn a high school diploma? How are ancillary services (such as childcare, health care, parent education and transportation) provided?

1. Seagull Alternative High School offers pregnant and parenting teens an array of services including to but not limited to:
Transportation (door-to door) round-trip
Licensed childcare facility (6 weeks to 5 years old)
On-site clinic with registered nurse
Free breakfast (all students/toddlers) and free/reduced lunch for students and toddlers
Full-time Family Counselor (case management/referral services)
Full-time Social Worker (resources and home visits)
University of Florida Extension Services (nutrition, healthy lifestyle workshops)
Mentoring programs (My Safety Starts with Me, Hosanna 4 Youth, Women of Tomorrow)
Bus passes, Clothing, Formula, Diapers, Holiday toys/gifts provided by My Safe Harbor (school partner)
Parenting courses
Job Coach (District assigned)

(2) Does the district offer a separate program for pregnant and parenting students? ☒ Yes ☐ No

(3) How are students informed of curricula, services or other options available through the separate program, if provided, and in their home schools? Upload documentation used to inform pregnant and parenting students of their educational options (e.g., brochures, flyers, website).

Upon enrollment at Seagull, every student meets with a certified school counselor that reviews transcripts and graduation requirements/goals. During the consultation, diploma options and course offerings are discussed. Students and parents are advised that Seagull is a competency-based, work at your own pace program whereby credits or courses may be earned or completed prior to the close of the marking period or quarter unlike traditional schools. Students are also advised about the childcare services and requirements to enroll their baby/toddler in the program. Additionally, student orientations are held quarterly where essential staff (i.e., administration, guidance, support services, etc.) present an overview of services performed by that department.

(4) How are school counselors and administrators trained to effectively advise pregnant or parenting students of their options to participate in regular classroom activities or enroll in a special program?

School counselors and administrators follow state and district directives/memorandums regarding changes and procedures for all programs including pregnant and teen parent programs. Additionally, information is shared during monthly department chair/leadership team meetings with administration, Literacy, STEM, Literacy Coach, SAC chair, Guidance/ESE, social services, and childcare departments to review, update, train on policies/procedures relevant to the disciplines.

******Services such as childcare, healthcare, parent education and transportation are provided to Pregnant & Parenting Students in specific centers (Henry D. Perry Education Center, Seagull Alternative High School and Charles Family Resource Center).***

Student Success

Seagull Alternative High

Our mission is to meet the unique, educational, Social, and emotional needs of our diverse student population in a secure and nurturing environment.

Seagull offers the following programs:

- **Online Academic Options through Edgenuity**
  - ✓ 24-hour access to coursework.
- **Credit Recovery Program**
  Students can recover credits toward earning a standard high school diploma.
  - ✓ ***We are now accepting 7th and 8th grade students*** *who have been or may be retained.*
- **Teen Parent Program**
  Offered as an option for pregant and parenting teens, males and females.
  - ✓ *Childcare provided at no cost.*
  - ✓ *We are now accepting 7th and 8th grade students who are expecting and/or currently teen parents*
- **Adults with Disabilities, proudly refered to as *"Adults with Abilities"***
  Enables adult students to acquire and develop skills to gain self-sufficiency and increase their level of independence.
- **Employee Childcare Program**
  Fully licensed by the State of Florida, childcare services are available to Broward County Public Schools employees.

Entry Guidelines

Students in 7th-12th grade that are over age for grade level and not succeeding in the traditional setting or deficient in credits or GPA and/or may have gaps in their educational history are candidates for admission into Seagull Alternative High School. Seagull also enrolls pregnant and parenting teens, males and females.

Seagull accepts ESE students pursuing a standard high school diploma (non-Access points) and needing academic support due to insufficient credits and/or low GPA. Our low ESE staff-to-student ratio increases opportunities for student assistance.

Students are referred by school counselors and will be reviewed for eligibility to enroll. Students with exceptionalities or an IEP will require a staffing.*

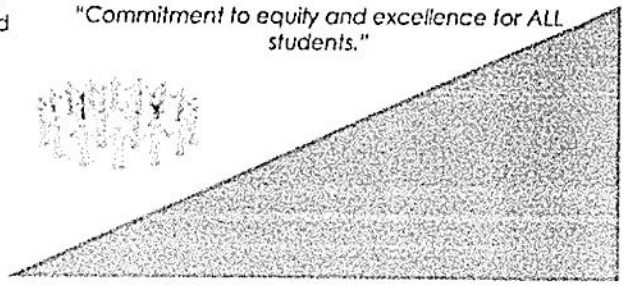
Seagull students are provided with a variety of options that can lead to graduation and are supported by services for the student and their immediate family that are essential to success.

A staffing between sending school and Seagull is required prior to withdrawing an ESE student from their home school.

For more information regarding the referral and registration process, please contact Ms. Marci Bennett, Guidance Director, at 754-321-7300. To discuss ESE staffing and placement, please contact Ms. Renee Hudson, ESE Specialist, at 754-321-7300.

For more information regarding Childcare, please contact Dr. Audrey Robillard, Childcare Director, at 754-321-7300.

For more information regarding the Adults with Abilities Program, please contact Mr. Anthony Schmieder, Lead Program Teacher, at 754-321-7300.



Academic Offerings

Students attending Seagull Alternative High School are provided academic courses, which align to those of a traditional middle or high school. In some instances, if a course is not offered at Seagull, the student will be required to complete the course via Florida Virtual or Community Schools North/South. Our guidance counselor meets one-on-one with students and parents to ensure that each student is scheduled into the courses necessary in order to meet promotion and graduation requirements.

Our Outreach

- The site-based School Social Worker and Family Counselor provide intervention and prevention services.
  - Mental health counseling
  - Drug and alcohol prevention
  - Referral and case management services
- Wraparound community partnerships
  - OB-GYN/Pediatric services
  - Family planning
  - Tutoring
- On-site school nurse
- Site-based Job Coach and BRACE Advisor

"Commitment to equity and excellence for ALL students."

Get Involved...

Your input and support is important to us. If you are interested in being a part of our School Advisory Council (SAC), please contact the school at 754-321-7300. We welcome and encourage your involvement.

SAC meetings are held every last Wednesday of the month at 9:30 a.m.

Are you interested in mentoring or volunteering? We are always looking for individuals who are willing to commit to mentoring or volunteering on our campus. If you would like additional information, please contact Ms. Renee Johnson at 754-321-7300.

PART VI: PREGNANT AND PARENTING STUDENTS

To ensure that pregnant and parenting students are treated in compliance with the requirements of Title IX, 34 C.F.R. §§ 106.21(c) and 106.40, and Section 1003.54, F.S., districts are asked to respond to the following questions regarding programs for pregnant and parenting students:

(1) How does the district make provisions for pregnant and parenting students to complete the coursework necessary to earn a high school diploma? How are ancillary services (such as childcare, health care, parent education and transportation) provided?

Charles Drew Family Resource Center follows the Florida Department of Education's graduation plan. In our efforts to adhere to this plan, we offer multiple diploma options as well as flexible scheduling for our students. Using a competency-based approach, our students can earn credits at their own pace, often leading to course recovery and on-time graduation. Schedule changes are done as students complete courses allowing them to immediately move on to the next course needed in their graduation plan.
Full-time childcare is offered at no cost to our students/parents. Wraparound services for our parents/students and their children include events such as Mommy and Me/Daddy and Me parenting classes. We have a School Social Worker available to support our students. Broward County Schools' transportation is available to our parents/students and their children. A car seat is provided for each child to ensure their safety as they are transported each day. Furthermore, teen parent students have an opportunity to join mentoring programs such as: Women of Tomorrow.

(2) Does the district offer a separate program for pregnant and parenting students? ☒ Yes ☐ No

(3) How are students informed of curricula, services or other options available through the separate program, if provided, and in their home schools? Upload documentation used to inform pregnant and parenting students of their educational options (e.g., brochures, flyers, website).

There is no specific curriculum separating pregnant and parenting students from traditional students without children. They must meet the same graduation requirements based on their diploma option.

However, the methods in which we reach these curricula needs differ from traditional schools in that credits are earned through a competency-based system of approach. Through this method, we can meet each students' individual needs.

Please see the district website that describes our teen parent program and our available services. Additional information can also be found on our website at www.browardschools.com/davethomas.

(4) How are school counselors and administrators trained to effectively advise pregnant or parenting students of their options to participate in regular classroom activities or enroll in a special program?

Administrators, school counselors, social workers, and family counselors all attend district training related to credit evaluation, testing, and graduation requirements. In addition, the staff is trained in the Response to Intervention (RtI) process to assist our parents/students should they be experiencing needs beyond what is traditionally addressed at a Tier 1 level for all students. School counselors and school social workers attend monthly district teen parent seminars and guidance trainings. Morning Announcements and Parent Link calls are made to inform students of activities and events.

******Services such as childcare, healthcare, parent education and transportation are provided to Pregnant & Parenting Students in specific centers (Henry D. Perry Education Center, Seagull Alternative High School and Charles Family Resource Center).***

Adult General Education (AGE) Courses

ABE Classes

Adult Basic Education Classes

Monday - Friday 8:00am - 1:30pm

GED Classes

General Education Development Preparation Classes

Monday - Friday 8:00am - 1:30pm

Registration: Monday & Wednesday 8-9am
TABE Testing: Monday & Wednesday 9am - 12pm

For a small investment of $30* per term you will prepare to enter the workforce or enhance your current job skills.

For upcoming term dates, visit us online at dave.thomas.browardschools.com

Open enrollment, register now!

*State mandated block tuition fee: $30 per term.
Cash or money order only.

AGE General Registration Information

- Registration is continuous throughout the year for ABE, GED and ESOL classes.
- $15 Testing Fee required before testing for ABE, GED and ESOL classes.
- $20 annual Student Activity Fee is charged one time per person, per campus, per school year. This fee is used to offset the costs of providing school security and campus-related activities.
- Tuition Fee based on proof of Florida Residency: $30 per term.

Acceptable Proof of Residency Affidavit Documents

Two (2) forms of documentation are required. (Documents must be dated at least 12 months prior to date of registration.)

At least one (1) of the forms must include the following:

- Florida Driver's License
- Florida Voter's Registration Card
- State of Florida Identification Card
- Florida Vehicle Registration
- Proof of permanent home in Florida which is occupied as a primary residence by the student or by the student's parent, if the student is a dependent child
- Proof of a Homestead Exemption in Florida
- Transcripts from a Florida High School for multiple years, or a GED earned within the last 12 months
- Proof of a Permanent full-time employment in Florida for at least 30 hours per week for a 12-month period

One (1) of the forms of documentation used in conjunction with one document listed above may include the following:

- A declaration of domicile in Florida
- A Florida professional or occupational license
- A Florida incorporation
- A document evidencing family ties in Florida
- Proof of membership in a Florida-based charitable or professional organization
- Any other documentation that supports the student's request for resident status, including, but not limited to, utility bills and proof of 12 consecutive months of payments; or an official state, federal, or court document evidencing legal ties to Florida

Teen Parent Program General Registration Information

- Bring a copy of your withdrawl form from your previous school.
- Immunization requirements have been met for grades 7-12.
- Proof of change of address.

Pregnant Students:
Must complete a Physician's Statement of Pregnancy Verification prior to enrollment.

Parenting Students:
Must produce the following information:

- Baby's birth certificate or footprints from the hospital
- Baby's social security number (if available)
- Shot record (up to date) recorded on blue HRS form #680
- Physical exam form recorded on yellow form #3040

Students under the age of 18 must have your parent or legal guardian's signature on registration forms.

Out of County Students:

- Bring the correct address and phone number of your previous school.
- Official, sealed transcript records detailing proof of grades, credits earned, testing, etc. will expedite the registration process.

Out of State Students:

- Your immunization record must be transferred to a blue HRS #680 form, and must have had a physical examination (yellow #3040 form) within the last 12 months if this is the first time in the Florida school system.
- Student's birth certificate is required.

Myriad of Programs on Campus

The Charles Drew Family Resource Center provides educational opportunities for Early Head Start and Head Start children, teen parent and 7th - 12th grade teen students, and adults.

EHS/HS STUDENTS

Monday - Friday 7:30 a.m. until 3:00 p.m.

Early Head Start accepts pregnant women and children birth to 3-years-old. Head Start children must be 3-or 4-years old on or before September 1, 2018. Both programs offer a full-day educational program. Family income must be at or below the US Department of Health & Human Services Poverty Guidelines to qualify for the program. Applications must be completed by parent/guardian ONLY.

Teen Program

Monday - Friday 9:30 a.m. until 4:15 p.m.

Every student in the Teen program is offered an educational alternative for high school completion. The program features a sequential, competency-based curriculum, which allows the student to work at his/her own rate. Teacher directed instruction is also an integral part of the curriculum, as well as daily attendance and participation. Additionally, teens that are parenting participate in an on-site child development group and are provided with tips and strategies on parenting. The non-traditional environment increases the individualization of instruction. In addition, students are exposed to many cultural events and social topics through field trips and guest speakers. They are also encouraged to join one or more school clubs that include Human Relations Council, Teen Speak Out, and Chorus.

Our on-site child development program includes childcare and active participation by the teen parents. They are also encouraged to participate in the many mentoring and social programs we offer which include Amanda's Place and Women of Tomorrow. A Healthy Start nurse and a registered nurse are available in our Health Center and all children have use of a car seat while enrolled.

Adult Program

Monday - Friday 8:00 a.m. until 1:30 p.m.

Whether you're looking for improvements in your reading, writing, language and math skills or preparing for your GED® test, we're here to make sure you have the appropriate guidance to lead you through. You can continue basic education, make up courses that were missed previously, or work on literacy courses. Contact us to learn more about any of our courses or register with us today.

2018 - 2019

PART VI: PREGNANT AND PARENTING STUDENTS

To ensure that pregnant and parenting students are treated in compliance with the requirements of Title IX, 34 C.F.R. §§ 106.21(c) and 106.40, and Section 1003.54, F.S., districts are asked to respond to the following questions regarding programs for pregnant and parenting students:

(1) How does the district make provisions for pregnant and parenting students to complete the coursework necessary to earn a high school diploma? How are ancillary services (such as childcare, health care, parent education and transportation) provided?

Henry D. Perry Education Center follows the Florida Department of Education's graduation plan. In our efforts to adhere to this plan, we offer multiple diploma options as well as flexible scheduling for our students. Because we are a credit recovery school and fall under Policy 1003.53 which governs alternative and dropout prevention programs, our students are able to earn credits in a competency-based system, often leading to students recovering deficient credits and still meeting their cohort graduation timeline. Schedule changes are done as students complete courses allowing them to immediately move on to the next course needed in their graduation plan.
Full time childcare is offered at no cost to our students/parents. Wraparound services for our parents/students and their children include such events as the Finding Balance and Milk & Cookies Literacy Initiative. The Finding Balance Seminar consisted of Broward Healthy Start Connect Program. Also teen parent students participate in the Literacy Initiative, Milk & Cookies and Mommy & Me in which they are educated on the importance of reading to their babies. In addition, we work with Memorial and their partnering agencies to provide medical assistance and healthcare to our parents/students, often assisting with insurance needs when there is no medical insurance currently on record. We have 2 full time School Social Workers and 2 Family Counselors available for our students on all campuses. Broward County Schools' transportation is available to our parents/students and their children. A car seat is provided for each child to ensure the their safety as they are transported each day. Furthermore, teen parent students have an opportunity to join mentoring programs such as: Women of Tomorrow, Mentoring Tomorrow's Leaders (MTL), and Boys II Men Mentoring group.

(2) Does the district offer a separate program for pregnant and parenting students? ☒ Yes ☐ No

(3) How are students informed of curricula, services or other options available through the separate program, if provided, and in their home schools? Upload documentation used to inform pregnant and parenting students of their educational options (e.g., brochures, flyers, website).

There is not a specific curricula established that separates parents/students from traditional students without children. They must meet the same graduation requirements based on their diploma option. However, the methods in which we reach these curricula needs differs from traditional schools in that credits are earned through a competency-based system. Through this method, we are able to meet each parent/student's individual curricula needs when it comes to scheduling and wraparound services.

Please see the attached brochure that describes our teen parent program and our available services. Additional information can also be found on our https://perryeducation.browardschools.com/.

(4) How are school counselors and administrators trained to effectively advise pregnant or parenting students of their options to participate in regular classroom activities or enroll in a special program?

Administrators, school counselors, social workers, and family counselors all attend district training related to credit evaluation, testing, and graduation requirements. In addition, staff is trained in the Response to Intervention (RtI) process in order to assist our parents/students should they be experiencing needs beyond what is traditionally address at a Tier 1 level for all students. Schools counselors, School Social Workers, and Family Counselors attend monthly district teen parents seminars and guidance trainings. Canvas announcements, Monthly School Newsletter, and Parent Link calls are made to inform students of activities and events. Quarterly club days are scheduled to allow students to learn about our clubs and provide opportunities for them to join.

Teen Parent Program

The philosophy of the Teen Parent Program is to provide academic and socio-emotional support to ensure success among our students.

We offer academic alternatives, child care, counseling, linkages to community resources, all in an effort to ensure a secure future for the student and child. Teen parents must remain onsite and attend courses while utilizing the daycare.

- Three fully accredited diploma options
- Competency-Based Instruction
- Literacy Initiative
- Full-time On Site School Nurse
- Full-time On Site Social Workers
- Door-to-door transportation is provided for all teen parents
- A car seat is provided to each teen parent/child

Pregnant Students :

- Must complete a Physician's Statement of Pregnancy
- Verification prior to enrollment

Parenting Students :

- Baby's birth certificate or footprints from the hospital
- Baby's social security number (if available)
- Shot record (up-to-date) recorded on blue HRS for #680
- Physical exam form recorded on yellow form #3040

Childcare

Child development program offering childcare services to the children of Broward County Public School's Staff

- Babies must be at least 6 weeks old to enter our Child Development Center
- Copy of Birth Certificate or official document of birth
- Baby/child's Immunization Record, Form 680
- Baby/child's Physical Exam Form 3040

Tours to view facility are available per request

Pre-K

- Ages 3-5
- Age and Developmental Appropriate Curriculum
- Literacy Initiative
- Lunches provided
- 2 snacks provided by parents
- Playground Facilities

EXECUTIVE SUMMARY

Agreement with Mental Health America of Southeast Florida, Inc.

Board Meeting Date: July 28, 2026

Requested Action: Approve Agreement between The School Board of Broward County, Florida (SBBC), and Mental Health America of Southeast Florida, Inc. (MHASEF)

General Information	
The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.	
District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not applicable.
Statutory Requirement	• Not applicable.
If the School Board votes "Yes"	• SBBC will enter into a multi-year Agreement allowing MHASEF to provide students with access to the Listen to Children mentoring program, providing individualized weekly support to improve self-esteem, communication, and emotional regulation. • Schools will receive structured support through trained volunteer "Listeners" under professional supervision.
If the School Board votes "No"	• SBBC would not enter into a multi-year Agreement with MHASEF, resulting in students not having access to this structured mentoring support model. Additionally, schools will lose an opportunity to expand tiered student support services at no cost.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 5: Wellness Support
Measurable Outcome(s)/Return on Investment	• This Agreement enables the District to provide targeted, school-based mentoring services that support students' social-emotional development at no cost. Mental Health America of Southeast Florida, Inc. implements the Listen to Children program through trained, background-screened volunteers who deliver weekly, supervised sessions in compliance with student safety, confidentiality, and data protection requirements. Student progress is monitored through pre- and post-program surveys measuring key outcomes such as self-esteem, communication, and emotional regulation. The return on investment is realized through the expansion of student support services without financial impact, the use of data to measure outcomes, and a structured program model that strengthens student engagement and school connectedness.

Background/History

Mental Health America of Southeast Florida, Inc. is a Florida not-for-profit organization that partners with schools to provide the Listen to Children (LTC) program, a structured, school-based mentoring initiative designed to support students' social-emotional development.

The LTC program pairs trained, background-screened volunteers ("Listeners") with students who may benefit from additional support due to challenges such as peer relationships, low self-esteem, or life transitions.

Through weekly, school-based sessions, Listeners engage students in guided conversation and age-appropriate activities to build trust, improve communication, and strengthen emotional regulation.

Listeners receive formal training and ongoing supervision from mental health professionals, and the program operates in coordination with school counselors and staff to ensure appropriate student selection, parent consent, and alignment with school-based support systems.

Agreement Terms and Financial Impact
The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	July 28, 2026-June 30, 2028
Multi-Year Agreement:	Yes
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Statutory/Programmatic Service Agreement

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. There is no financial impact to the District.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations	
This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.	
Impact on Schools	Provides eligible students with access to school-based mentoring services that support emotional regulation and development, communication, and student engagement.
School Selection /Prioritization	Participation is voluntary and open to eligible District students based on referrals from School Counselors and/or parent request. Parent permission is required for participation, and no student records are shared without signed consent from a legal parent/guardian.
Community/ Stakeholder Engagement	Partnership with MHASEF leverages community volunteers and resources to support students and families.
End-User Input	Parents/guardians provide written consent through the Listen to Children Program Consent Form (Exhibit B). Teachers of students who participate in the program will complete a Pre/Post Survey (Exhibit C). Students who are mentees will complete a Pre/Post Survey (Exhibit D).
Technology/Capital Expected Lifecycle/Replacement Cycle	Not applicable.

- Agreement

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida, 33301

and

MENTAL HEALTH AMERICA OF SOUTHEAST FLORIDA, INC.
(hereinafter referred to as "CONTRACTOR"),
A Florida not-for-profit corporation,
whose principal address is
7145 West Oakland Park Boulevard, Lauderhill, FL 33313

Each a "party" and together, the "parties"

WHEREAS, CONTRACTOR provides a mentoring program for students titled Listen to Children ("LTC"), which pairs trained volunteers with participating children whose parent(s)/guardian(s) have consented to their participation in LTC ("Participants"); and

WHEREAS, LTC provides Participants with the benefit of experiencing a supportive relationship with a caring adult ("Listener"; and

WHEREAS, common reasons for referrals to LTC include, but are not limited to, difficulty with peer relationships, low self-esteem, and trouble adapting to life changes (recent move to a new school, divorce/remarriage of parents, illness/death of a family member); and

WHEREAS, the primary goal of LTC is to improve the self-esteem, social interactions, communication, and emotional regulation of Participants, via individualized weekly sessions with a Listener through conversation, active listening, and approved age-appropriate activities.

WHEREAS, the services under this Agreement are provided at no cost to SBBC and do not require the expenditure of SBBC funds; and

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 – RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on **June 30, 2028**, unless terminated earlier pursuant to Section 3.5 (Termination) this Agreement, and, upon the approval of both parties in writing in the form of an Amendment to this Agreement executed by both parties, may be extended two (2) additional one-year periods. There shall be no automatic extensions or renewals of this Agreement.

2.2 **CONTRACTOR's Program Model**. For the duration of this Agreement CONTRACTOR shall provide the following services:

2.2.1 Training. Trained Listeners who have successfully completed CONTRACTOR's program orientation and twelve (12) mandatory hours of LTC training.

2.2.1.1 As part of this training, Listeners also complete six (6) hours of Active Listening Training, performed by Idelle Newburge, LMHC; and Pillars of Perl for Mentors Training from Mentoring Central.

2.2.2 Assignment and Scheduling.

2.2.2.1 After CONTRACTOR receives the appropriate consent from a Participant's parent(s)/guardian(s) and the Listener's approved volunteer application, CONTRACTOR's LTC director/coordinator assigns a Listener to a school based on geographic location and as well as the Listener's preferred school(s). The Listener is then paired with a Participant.

2.2.2.2 Listeners coordinate the day and time at which they are available to listen to Participants.

2.2.2.3 Listening is a weekly commitment, and Listeners meet with the same Participants each week.

2.2.2.4 Listeners may interact with Participants during their lunch hour but in a discreet setting and as scheduled by the Participant's Guidance Counselor.

2.2.2.5 Each Listener provides their service for up to four (4) individual Participants in thirty (30) minute sessions at the Participants' school location.

2.2.2.6 At no time will any Listener interact or engage with a Participant outside of the approved school setting. This includes any method of digital or electronic communication.

2.2.3 Supervision**.**

2.2.3.1 All Listeners must adhere to CONTRACTOR's "Listen to Children Program – Volunteer Policies" attached hereto and incorporated herein as **Exhibit A**.

2.2.3.2 Listeners are guided by CONTRACTOR's mental health professionals, mentors (veteran Listeners), and Guidance Counselors from the Participants' school.

2.2.3.3 Listeners are not licensed mental health professionals or Guidance Counselors and shall not provide any mental health services or guidance counseling to Participants at any time.

2.2.3.4 Listeners must attend mandatory "advisory group" meetings with licensed mental health professionals who donate their services to support the LTC. CONTRACTOR's staff are available to support Listeners and to provide ongoing in-service training for skill development.

2.3 **SBBC Responsibilities**. For the duration of this Agreement SBBC shall do the following:

2.3.1 Student Selection. In school settings, SBBC Guidance Counselors and teachers will determine whether a student(s) may benefit from involvement in LTC. A parent/guardian who is familiar with LTC may also request that their child(ren) participate.

2.3.2 Consent. Prior to any Participant's involvement in LTC, which includes a student meeting, speaking, or otherwise engaging a Listener, appropriate SBBC staff shall obtain prior consent from student's parent/guardian, by **Exhibit B** attached hereto and incorporated herein.

2.4 **Performance Outcome Measures**. LTC performance outcome measures are collected by pre

and post program surveys given to both the teacher and Participant. Data will be used to compare Participant performance at the beginning of the program and the end of the program. Demographic data is also used to gather the consent forms to ensure that services are provided to children in a non-discriminatory manner, via **Exhibits C** (Teacher Pre/Post Survey) and **D** (Youth Pre/Post Survey), attached hereto and incorporated herein.

2.5 **Cost**. All services provided under this Agreement, including enhancements, deliverables, and support, shall be provided to SBBC at no cost. CONTRACTOR shall not invoice SBBC and SBBC shall have no obligation to pay or reimburse CONTRACTOR for any fees, expenses, or costs, including any third-party, pass-through, or incidental costs incurred in connection with this Agreement.

2.6 **SBBC Disclosure of Education Records**.

2.6.1 SBBC staff will provide CONTRACTOR with the education records listed in this section for the following purposes:

2.6.1.1 To improve the self-esteem, social interactions, communication, and emotional regulation of Participants, via individualized weekly sessions with a Listener through conversation, active listening, and approved age-appropriate activities.

2.6.1.2 To ensure LTC program satisfaction among Participants.

2.6.1.3 To evaluate the impact of the program

2.6.2 SBBC staff will provide CONTRACTOR with the following Participant education records, via encrypted email:

2.6.2.1 School
2.6.2.2 First and Last Name
2.6.2.3 Grade Level
2.6.2.4 Teacher's Name
2.6.2.5 Gender
2.6.2.6 Date of birth (month and year only)
2.6.2.7 Ethnicity
2.6.2.8 Race

2.6.3 In addition to the Participant education records disclosed by SBBC staff via encrypted email, SBBC staff will also provide CONTRACTOR with hard copies of completed Teacher

and Student pre and post program surveys. The surveys will contain student's first name, last initial and the student's responses. (See **Exhibits C and D**).

2.6.4 Surveys: The administration of any surveys to students must be in compliance with the Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. 1232h; 34 C.F.R. 98).

2.6.5 Consent: SBBC will refer parents/guardians to CONTRACTOR. The parent/guardian will provide written consent to CONTRACTOR for SBBC to disclose education records to CONTRACTOR. CONTRACTOR will then provide the completed consent forms to SBBC **prior** to SBBC disclosing the Participant education records listed in this section. This consent for disclosure will be included on **Exhibit B** for the student's participation in the LTC program.

2.6.6 Limits to Confidentiality: The conversation/session between the Listener and the Participant will be confidential. However, such confidentiality is subject to the limitations outlined below:

2.6.6.1 Pursuant to mandatory reporting requirements under Chapter 39, Florida Statutes, as worded or may be amended, CONTRACTOR (to include all Listeners) providing services under this Agreement, shall comply with all reporting requirements concerning child abuse, abandonment, or neglect.

2.6.6.1.1 In addition, the Listener shall also immediately report any concerns to the Participant's Guidance Counselor, Social Worker, and School Principal, prior to leaving the school campus, as well as to CONTRACTOR's Children's Program Director.

2.6.6.2 If the Listener reasonably believes that a Participant is displaying any signs of self-harm or harming others.

2.6.6.3 Information about Participants (identified by their first name only) may be shared with licensed mental health professionals in CONTRACTOR's advisory groups, in order to troubleshoot issues that Participants may be experiences, and ensure quality services.

2.6.7 The requirements of this section shall supersede any uses and disclosures of education records or the like as listed in CONTRACTOR's privacy policies if any.

2.7 **CONTRACTOR Safeguarding the Confidentiality of Education Records**.

2.7.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.7.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.7.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.7.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.7.1.4 Notify the SBBC Privacy Officer immediately upon discovery of any actual or suspected *hard copy breach of confidentiality* of education records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.7.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.7.2.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.7.2.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

2.7.2.3 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or suspected electronic breach or unauthorized disclosure of confidentiality of education records, regardless of whether the VENDOR has confirmed it or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.7.2.4 Fully cooperate with appropriate SBBC employees, including Privacy Officer and/or Information Technology employees to resolve any privacy investigations and concerns in a timely manner; and

2.7.2.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.7.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.7.2.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.7.2.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.7.2.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.7.3 CONTRACTOR shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments, or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.7.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.8 **SBBC Disclosure of Employee Records**.

2.8.1 SBBC staff will provide CONTRACTOR with the employee records listed in this section for the following purposes:

2.8.1.1 To coordinate services to the best availability of the teacher and Participant.

2.8.1.2 To ensure services are rendered.

2.8.1.3 To ensure quality of services.

2.8.1.4 To ensure that the LTC program aims of improving the self-esteem, social interactions, communication, and emotional regulation of Participants, via individualized weekly sessions with a Listener through conversation, active listening, and approved age-appropriate activities are achieved.

2.8.1.5 To evaluate the impact of the program.

2.8.2 SBBC will provide CONTRACTOR with the following employee records, via encrypted email or through CONTRACTOR's Microsoft 365 Forms Portal.

2.8.2.1 Employee First and Last Name.
2.8.2.2 Employee grade level taught.
2.8.2.3 Schedule availability for Participant.

2.8.3 In addition to the employee records disclosed by SBBC staff via encrypted email, SBBC staff will also give CONTRACTOR hard copies of pre and post program surveys completed by teachers. The surveys will contain teacher's first name, last initial and the Participant's responses, as well as Participant's first name and initial of last name (See **Exhibit C**).

2.8.4 The requirements of this section shall supersede any uses and disclosures of employee records as listed in CONTRACTOR's privacy policies, if any.

2.9 **MHASEFL Safeguarding the Confidentiality of Employee Records.**

2.9.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.9.1.1 Fully comply with the requirements of state or federal law or regulation regarding the confidentiality of employee records; and

2.9.1.2 Hold the employee records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law; and

2.9.1.3 Only share employee records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement; and

2.9.1.4 Notify the SBBC Privacy Officer immediately upon discovery of any actual or suspected *hard copy breach of confidentiality* of employee records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.9.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.9.2.1 Protect employee records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the employee's records and information; and

2.9.2.2 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or suspected *electronic breach*

of confidentiality of education records regardless of whether the CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.9.2.3 Prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so; and

2.9.2.4 Be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law.

2.9.3 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.10 **Auditing of Data Protection Controls**.

2.10.1 CONTRACTOR or any of CONTRACTOR's subcontractors with access to SBBC data shall provide an attestation stating CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by CONTRACTOR or any of CONTRACTOR's subcontractors with access to SBBC data under this Agreement.

2.10.2 At a minimum, the audit shall show what controls are utilized for all of the following actions:

2.10.1.1 Protecting SBBC against unauthorized access, unauthorized disclosure, and damage.

2.10.1.2 Reducing the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data.

2.10.1.3 Ensuring SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in a manner to meet CONTRACTOR's objectives while also ensuring the data is protected from unauthorized use or disclosure.

2.10.1.4 Monitoring compliance with established security controls.

2.10.3 CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data under this Agreement shall, at minimum, annually complete a third-party assessment of their cybersecurity controls showing compliance with acceptable cybersecurity standards. CONTRACTOR shall provide SBBC an attestation of continued compliance by CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.11 **Studies Conducted for SBBC**.

2.11.1 Primary Investigators of program evaluation studies conducted by CONTRACTOR that impact the daily activities of students, parents, or employees, or require use of data from same individuals must submit a Research Request to the SBBC's Institutional Review Board ("IRB") for review and approval prior to the initiation of any study-related activities. SBBC's IRB and Research Review Process reviews the design, procedures, and potential impact on school and District operations to ensure the following:

2.11.1.1 The purpose, scope, limitations, and duration of the study is clearly outlined; and

2.11.1.2 The protection of human subjects in the research process; and

2.11.1.3 Personally identifiable information ("PII") is only used for purposes of the identified study; and

2.11.1.4 PII is only used by representatives of the organization identified in this Agreement; and

2.11.1.5 The safe and confidential storage and transmittal of education records.

2.11.2 The purposes and scope of the study or program evaluation to be conducted by CONTRACTOR are as follows:

2.11.2.1 Evaluate the effectiveness of the intervention aims of improving the self-esteem, social interactions, communication, and emotional regulation of Participants, via individualized weekly sessions with a Listener through conversation, active listening, and approved age-appropriate activities achieved.

2.11.2.2 Ensure LTC program satisfaction among Participants.

2.11.3 If applicable, research or program evaluation activities conducted by CONTRACTOR cannot coincide with State or District testing.

2.11.4 The duration of study activities shall commence on or after the Effective Date of this Agreement and shall conclude at the end of business on June 30, 2028 and must be conducted during the term of this Agreement (and any applicable extensions thereof). As IRB renewal is necessary, it must be submitted yearly during the duration of this Agreement before expiration.

2.11.5 CONTRACTOR shall destroy or return any disclosed information to SBBC when no longer needed for the purposes for which the study is to be conducted.

2.11.6 CONTRACTOR is responsible for costs incurred for data requested from the District's Data Warehouse at a rate of One Hundred Fifty Dollars and 00/100 Cents per hour ($150.00/hr). SBBC's total fees are based on the time required by SBBC employees to build data files. An estimate of SBBC's fees will be provided to CONTRACTOR upon approval of the IRB protocol and receipt of CONTRACTOR's formal data request.

2.11.6 CONTRACTOR shall comply with all requirements of the District's IRB and Research Review Process. Questions regarding this process may be directed to BCPS.IRB@browardschools.com.

2.12 **Inspection of VENDOR's Records by SBBC**. CONTRACTOR shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of CONTRACTOR's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to CONTRACTOR's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to CONTRACTOR pursuant to this Agreement. SBBC's agent or its authorized representative shall provide COTRACTOR with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the CONTRACTOR's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section. CONTRACTOR shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.13 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
To CONTRACTOR:	MENTAL HEALTH AMERICA OF SOUTHEAST FLORIDA, INC. 7145 W Oakland Park Blvd Lauderhill, Florida 33313

2.14 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.15 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with SBBC must attest under penalty of perjury that the non-governmental entity does not use coercion for labor or services as defined in that statute. By execution of this Agreement by an authorized representative of CONTRACTOR, CONTRACTOR hereby attests under penalty of perjury that VENDOR does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes. Under penalties of perjury, the undersigned authorized representative of CONTRACTOR declares that they have read the foregoing statement and that the facts stated in it are true. Further, any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with CONTRACTOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.16 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida

Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.17 **Entities of Foreign Concern**. The provisions of this section apply only if this Agreement provides access to an individual's personal identifying information. By execution of this Agreement, the undersigned authorized representative of CONTRACTOR hereby attests under penalty of perjury as follows: CONTRACTOR is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in CONTRACTOR; and the undersigned authorized representative of CONTRACTOR declares that they have read the foregoing statement and that the facts stated therein are true. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes, as worded or may be amended hereafter.

2.18 **Public Entity Crime Act**. CONTRACTOR represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that statute. CONTRACTOR further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether VENDOR has been placed on the convicted vendor list.

2.19 **Background Screening.** CONTRACTOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.20 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.21 **Proprietary Information**.

2.21.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.21.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.22 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.22.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment, and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, as worded or may be amended hereafter, for any damages resulting from said negligence.

2.22.2 By VENDOR. VENDOR agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all third party claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all, and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by VENDOR, its agents, servants, or employees; the equipment of VENDOR, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of VENDOR or the negligence of VENDOR's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by VENDOR, SBBC, or otherwise.

2.23 **Insurance Requirements**. VENDOR shall comply with the following insurance requirements throughout the term of this Agreement:

2.23.1 General Liability. VENDOR shall have and maintain General Liability insurance with limits of not less than $1,000,000.00 per occurrence for Bodily Injury/ Property Damage; $1,000,000.00 General Aggregate; and limits of not less than $1,000,000.00 for Products/Completed Operations Aggregate.

2.23.2 Professional Liability/Errors & Omissions. VENDOR shall have and maintain Professional Liability/Errors & Omissions insurance with a limit of not less than $1,000,000.00 per occurrence covering any services provided under this Agreement.

2.23.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, VENDOR shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000.00/$100,000.00/$500,000.00 (each accident/disease-each employee/disease-policy limit).

2.23.4 Auto Liability. VENDOR shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits of not less than $1,000,000.00 Combined Single Limit. If VENDOR does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount

of $1,000,000.00. In addition, an affidavit signed by VENDOR must be furnished to SBBC stating the following: "Mental Health America of Southeast Florida, Inc." does not own any vehicles. If Mental Health America of Southeast Florida, Inc. acquires any vehicles during the term of the Agreement, Mental Health America of Southeast Florida, Inc., agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.23.5 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.23.6 Verification of Coverage. Proof of the required insurance must be furnished by VENDOR to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. To streamline this process, SBBC has partnered with EXIGIS Risk Management Services to collect and verify insurance documentation. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences in order to permit VENDOR sufficient time to remedy any deficiencies. VENDOR must verify its account information and provide contact details for its Insurance Agent via the link provided to it by email.

2.23.7 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.23.7.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2.23.7.2 All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

2.23.7.3 Certificate Holder: The School Board of Broward County, Florida, c/o EXIGIS Risk Management Services, P.O. Box 4668-ECM, New York, New York 10163-4668.

2.23.8 Cancellation of Insurance. VENDOR is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

2.23.9 SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.24 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.25 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.26 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.27 **Incorporation by Reference**. **Exhibits A, B, C,** and **D** are incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or

entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right

to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination without cause pursuant to Section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the

State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN **WITNESS WHEREOF,** the parties hereto have made and executed this Agreement upon the date of the last signature below.

Listen to Children Program – Volunteer Policies

Background/Security Clearance

The School Board of Broward County, Florida requires Listener volunteers to submit a volunteer application to https://www.fieldprintbrowardschools.com. Schools must have evidence of clearance before allowing Listeners to meet with students. Fingerprints must be redone every 5 years.

Confidentiality Policy

It is the policy of the Mental Health America's Listen to Children Program to protect the confidentiality of its child participants. All Listeners are to understand the scope and limitations of confidentiality and to adhere to them. Volunteers are not to divulge personal information about participating children and their families, including:

- Information gained from child mentees, written or spoken, about themselves, and/or their families.
- Child participants' full names (Childre are identified on logs by first name and last initial **only**, e.g., Jon B.).
- Information gained about participants from School Counselors, teachers, or other school staff.
- Pictures of children. Listeners must not take photos of mentees!

Limits of Confidentiality

- Information about mentees may be shared in Advisory Groups led by mental health professionals using only first names. The purpose of sharing is to gain insight and ideas regarding problem-solving and ways to address the issue of concern. All info shared in the groups must stay in the group!
- Volunteer Listeners **must disclose information indicating that a mentee may be dangerous to or intends to harm him/herself or others or is in a dangerous situation**. This must be reported to the School Counselor before leaving school. If s/he is not available, information is reported to the Assistant Principal or Principal (or School Social Worker). After making the report, volunteers should inform the Listen to Children Program Director. **Under no circumstances will the Listener share information with the teacher or other office staff.**

Advisory Meetings

Listeners are expected to attend scheduled Advisory Meetings.

Performance Assessments

At the end of the school year, Listeners will receive an assessment of performance regarding submission of logs, attendance at school, Advisory Meeting attendance, etc.

Reasons/Procedures for Dismissal

Failure to comply with policies set forth may result in immediate withdrawal from the program. In such case, the school will be notified not to accept the Listeners at school. They school may also decide it does not want the services of the Listener.

EXHIBIT A

MHA CHILDREN'S SERVICES

Listen to Children Program Consent Form

A trained background-screened, volunteer called a Listener will meet with your child for 30 minutes each week during school hours. Engaging your child in play and conversation, the Listener will build a relationship of trust and be a positive role model. The volunteer will try to build self-esteem, promote a positive attitude about school, increase social skills, and provide a safe space for your child to express themselves. These are not licensed mental health practitioners. Since there are a limited number of Listeners, please complete this form and submit as soon as possible.

Child's School: _____

Child's First and last Name: _____

Child's Grade: _____

Teacher's Name: _____

Gender: **Boy** _____ **Girl** _____

Date of Birth: Month and year only _____

Ethnicity (Check one):
Hispanic or Latino _____ **Non-Hispanic** _____

Native Hawaiian or Pacific Islander _____

Other _____

Prefer not to answer _____

I authorize my child to participate in the Listen to Children Program. I understand that an unlicensed, trained, background-screened Listener volunteer will meet with my child for 30 minutes per week during school hours.

EXHIBIT B

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA ("SBBC")
DISLCOSURE OF EDUCATION RECORDS TO
MENTAL HEALTH AMERICA OF SOUTHEAST FLORIDA, INC. ("MHA")

I authorize that the following personally identifiable education records be disclosed to MHA: My child's school, first and last name, grade level, teacher's name, gender, date of birth (month and year only), ethnicity, race, and the completed pre and post Teacher Surveys and pre and post Youth Surveys.

MHA RE-DISCLOSURE OF EDUCATION RECORDS

I authorize the redisclosure of all personally identifiable education records listed above to the United Way of Broward County through The Department of Children and Families' Performance Based Prevention System to meet funding requirements, except for the Teacher and Youth Surveys. Survey results will be aggregated and de-identified prior to MHA redisclosing such to the United Way of Broward County. This permission may be retracted at any time by my notification or upon my child's request by emailing LTC@mhasefl.org.

LIMITS TO CONFIDENTIALITY

The conversation between the Listener and the SBBC student will be confidential. However, if the volunteer perceives the child to be at risk (abused, neglected, or exploited), or if the child displays any signs of suicidal or homicidal ideation, the Listener will immediately report such suspicions to the School Counsel, School Social Worker, or School Principal, prior to leaving the school, and to the MHA Children's Program Director as well. In addition, information about students (identified by their first name only) may be shared with licensed mental health professionals in MHA advisory groups, in order to troubleshoot issues students are facing and ensure quality services.

EXECUTIVE SUMMARY

Agreement with Take Stock in Children of Broward County, Inc.

Board Meeting Date: July 28, 2026

Requested Action: Approve Agreement between The School Board of Broward County, Florida (SBBC), and Take Stock in Children of Broward County, Inc. (TSIC).

General Information	
The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.	
District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not applicable.
Statutory Requirement	• Not applicable.
If the School Board votes "Yes"	• SBBC will formalize a multi-year agreement with TSIC to provide scholarships, academically focused volunteer mentoring, and college and career readiness support to eligible low-income, at-risk middle and high school students at no cost to the District. SBBC will share specified student education records with TSIC only when written parental consent is obtained through the Consent for Release of Education Records (Exhibit A). TSIC mentors will be required to complete SBBC volunteer registration, background screening, and program training requirements before serving students.
If the School Board votes "No"	• TSIC would not operate under a current Board-approved agreement, limiting the District's ability to support student participation and share education records necessary for mentoring, scholarship eligibility monitoring, program evaluation, and student success supports.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 3: School Support • Guardrail 5: Wellness Support
Measurable Outcome(s)/Return on Investment	• TSIC's statewide 2024-2025 evaluation demonstrated strong student outcomes, including 99% of participating students maintaining a GPA above 2.0, 92% maintaining satisfactory attendance, and 99% of participating seniors graduating and completing program requirements. TSIC also exceeded objectives for mentoring, college readiness activities, and student support services.

Background/History

TSIC is a Florida not-for-profit organization that provides scholarships, academically focused volunteer mentoring, college success coaching, and postsecondary readiness support for low-income, at-risk middle and high school students. Through this Agreement, TSIC mentors provide encouragement, goal setting, academic support, and guidance designed to improve educational outcomes and prepare students for future success. The Agreement formalizes the partnership between SBBC and TSIC by establishing responsibilities related to mentoring services, volunteer screening, student record disclosures, confidentiality protections, and program oversight. All services are provided at no cost to SBBC.

Agreement Terms and Financial Impact
The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Commences upon execution and concludes July 27, 2030. The Agreement may be extended for up to two additional one-year periods through written amendment.
Multi-Year Agreement:	Yes
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Statutory/Programmatic Service Agreement

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. There is no financial impact on SBBC.
2. All mentoring, scholarship support, college success coaching, and related services are provided by TSIC at no cost to the District.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
2026-2027	Year 1	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
2027-2028	Year 2	N/A	N/A
2028-2029	Year 3	N/A	N/A
2029-2030	Year 4	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations	
This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.	
Impact on Schools	Provides eligible low-income, at-risk students with access to mentoring, college success coaching, scholarship opportunities, academic monitoring, and college readiness supports designed to improve academic achievement, attendance, graduation outcomes, and postsecondary access.
School Selection /Prioritization	Participation is voluntary and available to eligible students who meet TSIC income and program requirements. Parent or guardian consent is required prior to participation and prior to the release of student education records.
Community/ Stakeholder Engagement	The partnership leverages community volunteers serving as mentors, post-secondary institutions, scholarship resources, and community organizations to support student achievement and college readiness. TSIC recruits, screens, trains, and supervises volunteer mentors.
End-User Input	Parents or guardians provide written consent for participation and for disclosure of student records through the Consent for Release of Education Records (Exhibit A). Student progress data, attendance, GPA, test scores, schedules, disciplinary information, and other approved records support mentoring, monitoring, scholarship eligibility, and program evaluation activities.
Technology/Capital Expected Lifecycle/Replacement Cycle	No District technology purchases or capital assets are required. TSIC administers its own data systems, mentoring management processes, and program operations.

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

TAKE STOCK IN CHILDREN OF BROWARD COUNTY, INC.
(hereinafter referred to as "CONTRACTOR"),
a Florida not-for-profit corporation,
whose principal place address is
11110 West Oakland Park Blvd., #230
Sunrise, Florida 33351

Each a "party" and together, the "parties"

RECITALS

WHEREAS, CONTRACTOR provides scholarships, academically focused volunteer mentoring, and career coaching to low-income, at-risk middle and high school students (the "Participants"); and

WHEREAS, the mentors provided by CONTRACTOR ("TSIC Mentors") offer Participants support, guidance, and encouragement to build confidence, a solid foundation of values, establish goals, and improve academic skills; and

WHEREAS, the services under this Agreement are provided at no cost to SBBC and do not require the expenditure of SBBC funds; and

WHEREAS, the parties mutually recognize the benefits to Participants from the services rendered under this Agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.1 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.1 **Term of Agreement**. The term of this Agreement commences upon the date of the last signature below ("Effective Date") and concludes on **July 27, 2030**, unless terminated earlier pursuant to Section 3.5 (Termination) this Agreement, and, upon the approval of both parties in writing in the form of an Amendment to this Agreement executed by both parties, may be extended two (2) additional one-year periods. There shall be no automatic extensions or renewals of this Agreement.

2.2 **CONTRACTOR's Responsibilities**. In accordance with this Agreement and any Exhibits incorporated herein, the following shall apply:

2.2.1 CONTRACTOR shall provide SBBC with a designated program director who serves as the primary local and state liaison with SBBC.

2.2.2 Prior to providing any Services to participating Participants, CONTRACTOR shall first obtain from the Participant's parent(s)/guardian(s), or Participant who is the age of majority, a signed Consent for Release of Education Records, attached hereto and incorporated herein by reference as **Exhibit A**, and SBBC (through its department of School Culture and Student Support) shall maintain the Participants' signed forms in accordance with applicable record retention requirements.

2.2.3 CONTRACTOR shall require all TSIC Mentors to complete the SBBC District Volunteer Application and complete all SBBC background check requirements pursuant to Section 2.14 (Background Checks) of this Agreement.

2.2.4 CONTRACTOR shall ensure that the TSIC Mentors are qualified to work with Participants.[1]

2.2.5 CONTRACTOR shall provide orientation and training to TSIC Mentors with assistance as necessary and appropriate from the SBBC School Culture and Student Support department.

[1] As evidence by successful completion of required background checks, as well as TSIC Mentor orientation and training.

2.2.6 CONTRACTOR shall ensure that TSIC Mentors working with SBBC Participants acknowledge, sign, and comply with the provisions of the current Mentor Policy Adherence Agreement, attached hereto and incorporated herein as **Exhibit C**.

2.2.7 CONTRACTOR shall recruit TSIC Mentors, ensuring their commitment to meet with one or more low-income, at-risk Participants for at least thirty (30) minutes per week during the school year.[2] Income eligibility shall be determined pursuant to Income Eligibility Guidelines, attached hereto and incorporated herein by reference as **Exhibit B**.

2.2.8 At no time will any TSIC Mentors interact or engage with a Participant outside of the approved school setting. This includes any method of digital or electronic communication.

2.2.9 TSIC Mentors are not licensed mental health professionals or Guidance Counselors and shall not provide any mental health services or guidance counseling to Participants at any time.

2.2.10 CONTRACTOR shall comply with applicable SBBC policies and procedures, state, and federal laws as worded or may be amended.

2.2.11 CONTRACTOR shall ensure that TSIC Mentors check in at a school's single point of entry. All other access points are prohibited.

2.2.12 At no time shall the TSIC Mentors be considered SBBC employees or personnel. TSIC Mentors shall not be assigned to fill, perform, or substitute for any defined role, function, or job responsibility of SBBC employees or personnel. Nothing in this Agreement shall be construed to mean that TSIC Mentors will take over or perform any daily responsibilities, functional duties, or roles typically fulfilled by SBBC employees or personnel. TSIC Mentors shall not operate as an extension of SBBC's personnel headcount.

2.2.13 Limits to Confidentiality.

2.2.13.1 Pursuant to mandatory reporting requirements under Chapter 39, Florida Statutes, as worded or may be amended, CONTRACTOR and all TSIC Mentors providing services under this Agreement, shall comply with all reporting requirements concerning child abuse, abandonment, or neglect.

[2] TSIC Mentors do not meet with Participants over the summer.

2.2.13.2 TSIC Mentors shall also immediately report concerns if they believe a Participant poses a serious, imminent risk of harm to themselves or others. Such report should be made to the Participant's Guidance Counselor and/or Social Worker (if applicable), the school principal, and CONTRACTOR's designated program director, prior to leaving the school campus.

2.3 **SBBC Responsibilities**. In accordance with this Agreement and any Exhibits incorporated herein, the following shall apply:

2.3.1 SBBC shall designate an SBBC School Culture and Student Support department mentor program liaison who shall serve as the point of contact for CONTRACTOR for services provided under this Agreement, and who will facilitate obtaining the signed Consent for Release of Education Records form from a Participant's parent(s)/guardian(s).

2.3.2 SBBC shall conduct background screening pursuant to Section 2.14 (Background Screening) of this Agreement.

2.3.3 Assist CONTRACTOR in the collection of Participant data including but not limited to the areas of grades, test scores, course schedules, attendance, disciplinary history, and psychological tests reports, to be used internally to compile semester reports (requested twice a year), track Participant status, and ensure Participant compliance to maintain scholarship eligibility.

2.3.4 Provide access to information regarding SBBC resources for Participants and families as applicable and appropriate.

2.4 **Cost**. All services provided under this Agreement, including enhancements, deliverables, and support, shall be provided to SBBC at no cost. CONTRACTOR shall not invoice SBBC and SBBC shall have no obligation to pay or reimburse CONTRACTOR for any fees, expenses, or costs, including any third-party, pass-through, or incidental costs incurred in connection with this Agreement.

2.5 **SBBC Disclosure of Education Records.**

2.5.1 SBBC staff will provide CONTRACTOR with the education records listed in this section for the following purpose(s):

2.5.1.1 For TSIC Mentors to provide mentoring services to SBBC Participants. These education records will be personally identifiable.

2.5.1.2 To assure that Participants are making acceptable academic progress.

2.5.1.3 To assess the effectiveness of CONTRACTOR's program.

2.5.1.4 To identify and assist with any challenges that Participants may face.

2.5.1.5 For CONTRACTOR to provide **de-identified** statistical accountability data to funders whose financial contributions support CONTRACTOR's ability to provide Participants with scholarships and services.

2.5.1.6 For CONTRACTOR to send non-personally identifiable statistical data to its primary funder, the Florida Department of Education in a Summative Evaluation, an example of which is attached hereto as **Exhibit D**.

2.5.1.7 To provide Florida pre-paid scholarships for Participants towards post-secondary education.

2.5.2 SBBC staff will provide CONTRACTOR the following personally identifiable education records, via secure email at the end of the first and second semesters for the academic year:

2.5.2.1 Participant first and last name
2.5.2.2 Student Identification Number
2.5.2.3 Grades (*i.e.*, GPAs)
2.5.2.4 Test scores
2.5.2.5 Course schedules
2.5.2.6 Attendance
2.5.2.7 Disciplinary history if applicable (*i.e.*, suspensions/expulsion)
2.5.2.8 Psychological tests reports

2.5.3 In addition to the education records being disclosed by SBBC staff in this section, Participants will input activities and tasks to TSIC Mentor into CONTRACTOR's HopeForce Application. Likewise, parent(s)/guardian(s) will provide income eligibility information in accordance with **Exhibit B** via CONTRACTOR's online platform.

2.5.4 CONTRACTOR shall comply with the Children's Online Privacy Protection Act of

1998 (COPPA), 15 U.S.C. 6501-6505, and its corresponding Children's Online Privacy Protection Rule, 16 C.F.R. Part 312. In instances where Participants under the age of thirteen (13) years enter personally identifiable work and information into CONTRACTOR's online platform, or when CONTRACTOR engages in passive tracking of children's personal information, SBBC shall obtain written verifiable consent from each Participant's parent(s)/guardian(s) as required by COPPA.

2.5.5 CONTRACTOR shall adhere to the disclosure restrictions of student meal eligibilities. Child Nutrition Programs (hereinafter referred to as "CNPs") are subject to disclosure restrictions imposed by Section 9(b)(6) of the National School Lunch Act (hereinafter referred to as "NSLA"). Student eligibility information cannot be made available to all school officials as a general practice. A program or person may be authorized under the NSLA to receive free and reduced-price eligibility information; however, there must be a legitimate "need to know" to provide a service or carry out an authorized activity.

2.5.6 Parent(s)/guardian(s) will electronically complete the SBBC Parent's Disclosure Form, indicating the student has been approved for Free or Reduced meals and giving SBBC permission to use student's Free and Reduced Lunch eligibility for specific programs. The school administrator or designee has access to the names of the students and specific programs within the school if the parent(s)/guardian(s) have completed the SBBC Parent's Disclosure Form. The school administrator or designee will have access to this information for Qualified students.

2.5.7 Prior to providing any Services to participating Participants, CONTRACTOR shall first obtain from the Participant's parent(s)/guardian(s), or Participant who is the age of majority, a signed Consent for Release of Education Records (**Exhibit A**), and SBBC shall maintain the Participants' signed forms in accordance with applicable record retention requirements.

2.5.8 The requirements of this section shall supersede any uses and disclosures of education records or the like, as listed in CONTRACTOR's privacy policies if any.

2.6 **CONTRACTOR Safeguarding the Confidentiality of Education Records**.

2.6.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.6.1.1 Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing

regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2.6.1.2 Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

2.6.1.3 Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

2.6.1.4 Notify the SBBC Privacy Officer immediately upon discovery of any actual or suspected hard copy breach of confidentiality of education records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.6.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.6.2.1 Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2.6.2.2 Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

2.6.2.3 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or suspected electronic breach of confidentiality of education records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.6.2.4 Fully cooperate with appropriate SBBC staff, including Privacy Officer and/or Information Technology staff to resolve any privacy investigations and concerns in a timely manner; and

2.6.2.5 Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.6.2.6 Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

2.6.2.7 Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

2.6.2.8 Purge education records from any media once the media is no longer in use or is to be disposed; and

2.6.2.9 Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

2.6.3 Liability for Breach of Confidentiality. CONTRACTOR shall, for itself, its officers, employees, agents, representatives, contractors or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

2.6.4 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.7 **CONTRACTOR Redisclosure of SBBC Education Records**. CONTRACTOR will redisclose the following:

2.7.1 **De-identified** education records listed in this Agreement to the Florida Department of Education, secondary education institutions, higher learning institutions, and academic advisors.

2.7.1.1 CONTRACTOR's redisclosure of **de-identified** SBBC education records to partners or donors under this section shall be limited to those partners or donors whose funding directly supports the programs and scholarships provided under this Agreement.

2.7.1.2 CONTRACTOR will also redisclose the **de-identified** aggregate Broward County level education records listed in this Agreement to the University of Florida for the purposes of completing the Summative Evaluation of the program, an example of which is attached hereto as **Exhibit D**.

2.8 **Third Party Safeguarding the Confidentiality of Education Records**. For any and all education records that CONTRACTOR rediscloses to any and all entities with which it contracts or utilizes ("third parties") pursuant to the terms of this Agreement, CONTRACTOR shall ensure that those third parties comply with the terms of this Agreement, including but not limited to the safeguarding requirements of this Agreement. CONTRACTOR shall take any and all responsibility for the negligent act(s) or omissions of any and all third parties that it utilizes to comply with the terms of this Agreement.

2.9 **Assessment of Data Protection Controls**.

2.9.1 CONTRACTOR or any of CONTRACTOR's subcontractors with access to SBBC data shall provide an attestation stating CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data have undergone a third-party assessment of their cybersecurity controls and that the cybersecurity controls being used comply with acceptable cybersecurity standards. This attestation shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by CONTRACTOR or any of CONTRACTOR's subcontractors with access to SBBC data under this Agreement.

2.9.2 At a minimum, the audit shall show what controls are utilized for all of the following actions:

2.9.1.1 Protecting SBBC against unauthorized access, unauthorized disclosure, and damage.

2.9.1.2 Reducing the risk of compromise of the availability, integrity, confidentiality, and privacy of the provided SBBC data.

2.9.1.3 Ensuring SBBC student and/or employee personal information is collected, used, retained, disclosed, and disposed of in a manner to meet CONTRACTOR's objectives while also ensuring the data is protected from unauthorized use or disclosure.

2.9.1.4 Monitoring compliance with established security controls.

2.9.3 CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data under this Agreement shall, at minimum, annually complete a third-party assessment of their cybersecurity controls showing compliance with acceptable cybersecurity standards. CONTRACTOR shall provide SBBC an attestation of continued compliance by CONTRACTOR and/or CONTRACTOR's subcontractors with access to SBBC data within ten (10) business days of written request by SBBC.

2.10 **No Disclosure of SBBC Employee Records**. SBBC shall not disclose any employee records to CONTRACTOR pursuant to this Agreement. However, should CONTRACTOR come into contact with employee records during the course of contracted responsibilities, these records shall only be disclosed pursuant to federal and state laws, and the following provisions shall apply concerning CONTRACTOR safeguarding the confidentiality of employee records:

2.10.1 Privacy. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.10.1.1 Fully comply with the requirements of state or federal law or regulation regarding the confidentiality of employee records; and

2.10.1.2 Hold the employee records in strict confidence and not use or disclose same except as required by this Agreement or as required or permitted by law; and

2.10.1.3 Only share employee records with those who have a need to access the information in order to perform their assigned duties in the performance of this Agreement; and

2.10.1.4 Notify the SBBC Privacy Officer immediately upon discovery of any actual or suspected hard copy breach of confidentiality of employee records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

2.10.2 IT Security. Notwithstanding any provision to the contrary within this Agreement, CONTRACTOR shall:

2.10.2.1 Protect employee records through administrative, physical and technological safeguards to ensure adequate controls are in place to protect the employee's records and information; and

2.10.2.2 Notify the SBBC Director Information Security and Assurance immediately upon discovery of any actual or suspected electronic breach of confidentiality of education records, regardless of whether CONTRACTOR has confirmed it or assessed its severity, by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

2.10.2.3 Prepare and distribute, at its own cost, any and all required notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so; and

2.10.2.4 Be responsible for any fines or penalties for failure to meet notice requirements pursuant to federal and/or Florida law.

2.10.3 The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.11 **Inspection of CONTRACTOR's Records by SBBC**. CONTRACTOR shall establish and maintain books, records, and documents (including electronic storage media) related to this Agreement. All of CONTRACTOR's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation, and reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations, and reproductions, SBBC's agent or authorized representative shall have access to CONTRACTOR's Records from the Effective Date of this Agreement, for the duration of the term of the Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to CONTRACTOR pursuant to this Agreement. SBBC's agent or its authorized representative shall provide CONTRACTOR with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation, and reproduction. SBBC's agent or its authorized representative shall have access to the CONTRACTOR's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section. CONTRACTOR shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.12 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC: Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

With a Copy to: Director, Student Culture and Student Support
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

To CONTRACTOR: Amanda Frey, Executive Director
Take Stock in Children of Broward County, Inc.
1930 Southwest 145th Avenue, Room 224
Miramar, Florida 33027

2.13 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, con-tract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without no-tice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.14 **Background Screening.** CONTRACTOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of CONTRACTOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of CONTRACTOR or its personnel providing any services under this Agreement. CONTRACTOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to CONTRACTOR and its personnel. The parties agree that the failure of CONTRACTOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit CONTRACTOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. CONTRACTOR agrees

to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from CONTRACTOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.15 **Public Records.** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. CONTRACTOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, CONTRACTOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. CONTRACTOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if CONTRACTOR does not transfer the public records to SBBC. Upon completion of the Agreement, CONTRACTOR shall transfer, at no cost, to SBBC all public records in possession of CONTRACTOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If CONTRACTOR transfers all public records to SBBC upon completion of the Agreement, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the Agreement, CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, OPTION 5, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.16 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.16.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence

when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.16.2 CONTRACTOR. CONTRACTOR agrees to indemnify, hold harmless and defend SBBC, its agents, servants and employees from any and all claims, judgments, costs, and expenses including, but not limited to, reasonable attorney's fees, reasonable investigative and discovery costs, court costs, and all other sums which SBBC, its agents, servants, and employees may pay or become obligated to pay on account of any, all and every claim or demand, or assertion of liability, or any claim or action founded thereon, arising or alleged to have arisen out of or due to the products, goods, or services furnished by CONTRACTOR, its agents, servants, or employees; the equipment of CONTRACTOR, its agents, servants, or employees while such equipment is on premises owned or controlled by SBBC; or the negligence of CONTRACTOR or the negligence of CONTRACTOR's agents when acting within the scope of their employment, whether such claims, judgments, costs, and expenses are for damages, damage to property including SBBC's property, and injury or death of any person whether employed by CONTRACTOR, SBBC, or otherwise.

2.17 **Insurance Requirements.** CONTRACTOR shall comply with the following insurance requirements throughout the term of this Agreement:

2.17.1 General Liability. CONTRACTOR shall have and maintain General Liability insurance with limits of not less than $1,000,000 per occurrence for Bodily Injury/ Property Damage; $1,000,000 General Aggregate; and limits of not less than $1,000,000 for Products/Completed Operations Aggregate.

2.17.2 Cyber Liability/Technology Errors and Omissions. CONTRACTOR shall maintain insurance for breaches of *personally identifiable information* and data caused by CONTRACTOR, its employees, its systems, or its software, in the amount of $1,000,000.00 per occurrence / $2,000,000.00 aggregate, and that such insurance shall be available and applied to indemnify SBBC for damages, penalties, costs, and fees sustained by CONTRACTOR as a result of such data breaches.

2.17.3 Workers' Compensation. In accordance with Chapter 440, Florida Statutes, CONTRACTOR shall have and maintain Workers' Compensation insurance and Employer's Liability limits of not less than $100,000/$100,000/$500,000 (each accident/disease-each employee/disease-policy limit).

2.17.4 Auto Liability. CONTRACTOR shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits

of not less than $1,000,000 Combined Single Limit. If CONTRACTOR does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount of $1,000,000. In addition, an affidavit signed by CONTRACTOR must be furnished to SBBC stating the following*: "Take Stock in Children of Broward County, Inc., does not own any vehicles. If Take Stock in Children of Broward County, Inc., acquires any vehicles during the term of the Agreement, Take Stock in Children of Broward County, Inc., agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."*

2.17.5 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and having a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.17.6 Verification of Coverage. Proof of the required insurance must be furnished by CONTRACTOR to SBBC's Risk Management Department by Certificate of Insurance within fifteen (15) calendar days of the date of this Agreement. All certificates (and any required documents) must be received and approved by SBBC's Risk Management Department before any work commences to permit CONTRACTOR to remedy any deficiencies. Post award you will receive an email including a link to upload (drag and drop) your certificate of insurance.

2.17.7 Required Conditions. Liability policies must include the following terms on the Certificate of Insurance:

2.17.7.1 The School Board of Broward County, Florida, its members, officers, employees, and agents are added as additional insureds.

2.17.7.2 All liability policies are primary of all other valid and collectable coverage maintained by The School Board of Broward County, Florida.

2.17.7.3 Certificate Holder: The School Board of Broward County, Florida, 600 Southeast Third Avenue, 11th Floor, Fort Lauderdale, Florida 33301.

2.17.8 Cancellation of Insurance. CONTRACTOR is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance coverage and must notify SBBC within two (2) business days if required insurance is cancelled.

2.17.9 SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.18 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex, or sexual orientation in the performance of the parties' respective duties, responsibilities, and obligations under this Agreement.

2.19 **Certification Regarding Scrutinized Activities.** Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by CONTRACTOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. CONTRACTOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. CONTRACTOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. CONTRACTOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if CONTRACTOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if CONTRACTOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.20 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, all non-governmental entities executing, renewing, or extending an agreement with SBBC must attest under penalty of perjury that the non-

governmental entity does not use coercion for labor or services as defined in that statute. By execution of this Agreement by an authorized representative of CONTRACTOR, CONTRACTOR hereby attests under penalty of perjury that CONTRACTOR does not use coercion for labor or services, as such terms are defined in Section 787.06, Florida Statutes. Under penalties of perjury, the undersigned authorized representative of CONTRACTOR declares that they have read the foregoing statement and that the facts stated in it are true. Further, any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with CONTRACTOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement. CONTRACTOR's Affidavit is incorporated herein by reference.

2.21 **Entities of Foreign Concern**. CONTRACTOR has access to personal identifying information ("PII") as permitted herein while performing its obligations under this Agreement. By execution of this Agreement, the undersigned authorized representative of CONTRACTOR hereby attests under penalty of perjury as follows: CONTRACTOR is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in CONTRACTOR; and the undersigned authorized representative of CONTRACTOR declares that they have read the foregoing statement and that the facts stated therein are true. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes, as worded or may be amended hereafter. CONTRACTOR's attestation is incorporated herein by reference.

2.22 **Proprietary Information**.

2.22.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.22.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or

exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.23 **Names and Marks**. CONTRACTOR shall not acquire any rights under this Agreement to, and shall not use, the name of "The School Board of Broward County, Florida" or "SBBC", or "Broward County Public Schools" or "BCPS" either alone or in conjunction with or as part of any other name, word, mark, picture, logo, design, and/or trademark (collectively, "SBBC Marks") in any of CONTRACTOR's advertising, publicity, or promotion, to express or imply any endorsement by SBBC or The School Board of Broward County, Florida, of its services, or in any other manner (whether or not similar to the uses hereinabove specifically prohibited) without the prior review and written approval by SBBC, except as expressly permitted herein. No advertisement, publication, or other use of SBBC Marks shall be published or otherwise promulgated by CONTRACTOR without SBBC's prior inspection and written approval. This clause shall survive the expiration or sooner termination of this Agreement.

2.24 **Exhibits**. **Exhibits A, B, C,** and **D** attached hereto are incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination without cause pursuant to Section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be

deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state, and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this

Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

2026-2027 Consent for Release of Education Records

I, the undersigned parent or legal guardian of (name of minor child), represent and warrant that I am of legal age and have the legal capacity and authority to contract for and on behalf of my child.

I hereby authorize and give consent to any school district or school my child is attending, or previously attended, to release my child's education records (including any personally identifiable information contained therein) to TSIC, Inc., d/b/a Take Stock in Children ("TSIC"), or any of its designees, upon request by TSIC or its designees. TSIC's designees include, without limitation, the local TSIC lead agency ("Lead Agency"), and the employees, teachers, volunteers, and mentors of TSIC or its Lead Agency.

The education records and information covered by this consent and authorization include my child's student ID, current and past grades, test scores, student course schedules, attendance records, disciplinary history, and psychological test reports.

I understand that this consent for the release of education records is necessary for TSIC and its designees to monitor my child's compliance with the terms and conditions of the TSIC Student Participation Agreement, to assure that my child is making acceptable academic progress, to assess the effectiveness of TSIC's program, and to identify and assist with any challenges that my child may face.

I authorize any education record or information received pursuant to this consent to be disclosed to third parties (such as secondary education institutions, higher learning institutions, academic advisors, and/or TSIC partners or donors who provide funding for the TSIC programs and scholarships) when TSIC determines that such disclosure is in furtherance of the TSIC program, services or mission.

However, TSIC agrees not to sell or rent personally identifiable information from my child's education records to any third party, and will implement and maintain reasonable security procedures and practices to protect my child's personally identifiable information from any access, disclosure or use that I did not consent to or that is not otherwise authorized or required by law or regulation. I hereby release, discharge, and agree to hold harmless TSIC and its designees from any liability related to any use whatsoever of said information contained in the education records.

I understand and agree that this consent for release of education records shall be continuing and remain in effect for the length of time that my child participates in the TSIC program. I also acknowledge that I may request that the school district or school provide copies of the education records disclosed to TSIC or its designees, and that I have the right to revoke this consent at any time by delivering a written revocation to TSIC. However, I agree that this consent is irrevocable with respect to the education records and information actually received by TSIC or its designees pursuant to this consent, and that TSIC or its designees may retain such records or information for a period that may extend beyond my child's participation in any TSIC program, in compliance with the applicable Florida Retention Schedules.

Income Eligibility Guidelines
Updated July 1, 2026

Take Stock in Children requires that every student's financial situation be examined closely at the time the student's application is evaluated.

All students must qualify under at least one of the options outlined below:

(1) Free and Reduced Lunch program / USDA Income Eligibility Guidelines (Table 1)

Student must be a recipient of the Free and Reduced Lunch program and meet the income eligibility guidelines published annually by the U.S. Department of Agriculture (Guidelines Announced for Free and Reduced-Price School Meals and Milk Programs). To qualify under this standard, students must receive and be verified (through a review of their current year filed IRS Tax Form 1040 where student is listed as a dependent) as income eligible to receive Free/Reduced Price lunch under the FRL Income Eligibility Chart (receipt of Free/Reduced Lunch without Tax verification will not be accepted). Line 7b on the IRS Tax Form 1040 is what we look at for income.

Source: https://www.federalregister.gov/documents/2026/04/09/2026-06842/child-nutrition-programs-income-eligibility-guidelines#page-17934

OR

HUD Documentation / HUD Income Eligibility by County Guidelines Chart (Table 2)

Students must be a recipient **or** meet the income eligibility guidelines published annually by the U.S. Department of Housing and Urban Development (HUD). To qualify, applicants must not exceed the "Very Low Income" eligibility threshold designated by the HUD standard published annually for Broward County. To qualify under this standard, students must have an official documentation from the U.S. Department of HUD indicating that family is currently receiving HUD benefits naming student as a household beneficiary or be verified (through a review of their current year filed IRS Tax Form 1040) as income eligible based on the HUD Income Eligibility Chart.

OR

(2) Medicaid Recipient Documentation

Students must be a recipient of Florida Medicaid services. To qualify under this standard, students must currently be receiving services (through a review of their Florida Medicaid benefits) and must provide official documentation for eligibility from the Department of Children and Families (DCF) or the Social Security Administration (for SSI recipients).

OR

(3) SNAP or TANF Recipient Documentation

Student must be a SNAP recipient. To qualify under this standard, students must currently be receiving services and must provide official documentation for eligibility from the Department of Children and Families.

In the instance the student's parents/guardian does not file Federal income taxes, the following documents can be used:

- TANF – Letter from State of Florida indicating that family has been approved to receive TANF benefit and names of household beneficiaries (the student applicant's name should be listed as part of household on the document). The date of eligibility for benefits indicated on the letter should align with the application date for the TSIC program (i.e., the student should be eligible to receive TANF benefits at the time of TSIC application).

- Proof that the student is in Foster Care (currently active as a foster care student during the application period of TSIC).

- Signed document on school district letterhead, from the School district's Homeless Liaison, verifying in writing that the student is homeless and qualifies for free/reduced lunch. The document date should align with the date of the TSIC application.

EXHIBIT B

TABLE 1

Qualifying Under Free and Reduced Lunch Program /USDA Guidelines

Reminder: Total income before taxes, social security, health benefits, union dues, or other deductions must be reported.

Income Guidelines provided by USDA.gov Updated

Qualifying Under HUD Very Low-Income Limits

The Department of Housing and Urban Development (HUD) sets income limits that determine eligibility for assisted housing programs including the Public Housing, Section 8 project- based, Section 8 Housing Choice Voucher, Section 202 housing for the elderly, and Section 811 housing for persons with disabilities programs. HUD develops income limits based on Median Family Income estimates and Fair Market Rent area definitions for each metropolitan area, parts of some metropolitan areas, and each non-metropolitan county.

The statutory basis for HUD's income limit policies is Section 3 of the U.S. Housing Act of 1937, as amended. The below chart provides the key "Very Low-Income" income limits. Very low-income families are defined as families whose incomes do not exceed 50 percent of the median family income for the area.

EXHIBIT B

INCOME QUALIFICATION FOR TSIC BROWARD

Applicants will be required to provide a copy of their most recent 1040 tax form or HUD benefits

Household Size	Maximum Annual Household Income for Students Currently Receiving Free/Reduced Lunch*	Maximum Annual Household Income for Students Meeting US HUD Income Guidelines
1	$ 28,953	$ 40,350
2	$ 39,128	$ 46,100
3	$ 49,303	$ 51,850
4	$ 59,478	$ 57,650
5	$ 69,653	$ 62,250
6	$ 79,828	$ 66,900
7	$ 90,003	$ 71,500
8	$ 100,178	$ 76,100
for each additional Family member	$ 10,175	n/a

You may be eligible if a student is a current recipient of:
1. SNAP
2. TANF
3. Medicaid
OR
4. Currently in Foster Care or Homeless

Please contact our offices for further information.

* If qualifying under this income level, proof of current receipt of free/reduce lunch services must be provided.

2026-2027 Mentor Policy Adherence Agreement

Please initial your approval next to each statement.

_____ As a mentor in the Take Stock in Children program, I will always act in a manner that is in the best interest of my student and that is compliant with Florida and federal laws and regulations, including the Florida and federal laws and regulations governing education and the confidentiality of education records.

_____ I verify that I am willing to undergo a background check in compliance with the standards of my local school district, school, a Florida Public Charter School, or a Florida Department of Education-approved School of Choice, as applicable.

_____ I verify that I am willing to complete the required mentor training provided by Take Stock in Children, including training on Florida and federal laws governing education.

_____ I will adhere to all volunteer policies of my local school district, school and/or charter school, as applicable.

_____ I will not willfully arrange unmonitored contact (digital or otherwise) with my student or without the supervision of Take Stock in Children, school officials or parent(s)/guardian.

_____ I will not drive my student in my car.

_____ I will maintain the confidentiality of my student's education records and will not disclose such education records, or the personally identifiable information contained therein, to any person other than my student's parent/guardian, teacher, guidance counselor, or school liaison/administrator, or an employee or

EXHIBIT C

representative of the Take Stock in Children organization, including the local Take Stock in Children lead agency.

_____ I will notify my student or their school liaison or the Take Stock in Children College Success Coach if I am unable to attend a previously scheduled meeting.

_____ I will notify local Take Stock in Children lead agency if I must terminate my mentor position for any reason and, regardless of whether my mentor position is terminated by me or by Take Stock in Children, I will return to Take Stock in Children all of my student's education records that are in my possession, custody or control.

_____ I will notify my local Take Stock in Children lead agency if I am arrested or if there is any reason to believe that my ability to pass a background check has been impacted.

_____ I understand that Take Stock in Children will terminate my relationship with my student if I violate any of the above policies.

TAKE STOCK IN CHILDREN 2024-2025 SUMMATIVE EVALUATON REPORT

EXHIBIT

Take Stock in Children®

Luminary Evaluation

Summary of Findings

Analysis of program data from the 2024-2025 program year indicates that Take Stock in Children met or exceeded grant objectives. Table 2 presents the end-of-year grant deliverables, metrics, and evidence of each.

Table 2. Take Stock in Children's Required End-of-Year Deliverables Metrics

Deliverable	End-of-Year Metric	Year-End Progress	Evidence
1. Enrollment	By the end of the year, Take Stock in Children will serve at least 8,000 students.	Exceeded	As of June 30, 2025, a total of 8,520 students were active in the program (Table 7).
2. Mentor Match	Mentor-to-student match rate will average at least 90% statewide.	Exceeded	The average mid-year mentor match rate is 97%.
3. Recruitment Activities	A total of 4 multi-regional mentor recruitment activities will be conducted (one per quarter).	Exceeded	A total of 17 multi-regional activities were conducted in Quarters 1–4 (Table 8).
4. Mentor Recruitment & Training	A minimum of 1,200 new mentors will be recruited and trained by the end of the grant year.	Exceeded	A total of 1,453 new mentors were recruited, screened, and trained by the end of the grant year (Table 9).
5. Mentoring Sessions (Returning Matches)	Mentor-mentee pairings matched for the whole grant year will conduct an average of 12-15 mentor sessions by the end of the school year.	Exceeded	An average of 19 mentoring sessions per student were conducted by returning mentors during Quarters 1– 4 (Table 10).
6. Mentoring Sessions (New Matches)	Newly matched mentor-mentee pairings will conduct an average of 2 mentor sessions per each month matched.	Exceeded	An average of 2.2 mentoring sessions were conducted each month by new mentors (Table 11).
7. College Success Coach Visits	Visits will average 1 per semester for grades 6–10, and 2 per semester for grades 11–12.	Exceeded	An average total of 98% of students received target services during Quarters 1-4 (Table 14).
8. College Readiness Workshops	A total of 4 college readiness workshops conducted at each site per year (including 2 sessions focused on college readiness and financial aid procedures for seniors), plus a new student orientation where applicable.	Exceeded	A total of 45 sites (100%) offered 5 or more college readiness workshops during Quarters 1-4 (Table 15).
9. Professional Development	A total of 15 professional development opportunities will be provided for staff by the end of the year with five (5) in Quarter 1, three (3) in Quarter 2, four (4) in Quarter 3, and three (3) in Quarter 4.	Exceeded	A total of 25 professional development workshops were offered to staff during Quarter 1; 10 during Quarter 2; 12 during Quarter 3; and 9 during Quarter 4 (Table 18).
10. Student Academic Performance	A total of 90% of students will improve or maintain a G.P.A. at or above 2.0.	Exceeded	99% of students maintained a grade point average of at least 2.0 for Semester 1 and 99% for Semester 2. The average GPA for the network is 3.34 (Table 19).
11. Student School Attendance	A total of 90% of students will improve or maintain satisfactory school attendance.	Exceeded	92% of students had 17 or fewer unexcused absences for the 2024-2025 academic year (Table 20).
12. Graduation Rate	A total of 90% of seniors will successfully complete the Take Stock in Children program and graduate from high school.	Exceeded	99% of seniors completed the Take Stock in Children program and graduated from high school in time (Table 21).

EXHIBIT D

DELIVERABLE 1: STUDENT ENROLLMENT

End of Year Objective: Take Stock in Children will serve a minimum of 8,000 students by the end of the 2024–2025 grant year, combining students receiving mentoring and other college readiness services. Additional college readiness services include individualized college coaching, academic support and monitoring, and college readiness workshops.

Progress: Exceeded

The Take Stock in Children program exceeded the grant deliverable, as a total 8,520 students were enrolled, as indicated by its annual peak enrollment, with the addition of 2,028 new students entering the program (Table 7).

DELIVERABLE 4: MENTOR RECRUITMENT AND TRAINING

End of Year Objective: A minimum of 1,200 new mentors will be screened and trained by the end of the grant year.

Progress: Exceeded

The Take Stock in Children program exceeded the grant deliverable. A total of 1,451 mentors were recruited, screened, and trained by the end of Quarter 4 (Table 9).

DELIVERABLE 5: MENTORING SESSIONS WITH RETURNING MATCHES

End of Year Objective: Program participants who have been matched with a mentor for the entire grant year will receive an average of 12 to 15 mentor sessions by the end of the school year.

Progress: Exceeded

An average of 19 mentoring sessions per student were conducted for students with returning mentors during the grant year (Table 10).

DELIVERABLE 6: MENTORING SESSIONS WITH NEW MATCHES

End of Year Objective: New matches are mentor-mentee pairings that have not been matched for the full school year. Take Stock in Children tracks these sessions to ensure the mentors and mentees meet regularly and expects students with new mentor matches to complete an average of 2 monthly mentor sessions.

Progress: Exceeded

An average of 2.2 mentoring sessions were conducted each month for students with new mentor matches (Table 11).

TOTAL MENTORING SESSIONS (QUARTERLY FLDOE GRANT DELIVERABLE)

End-of-Year Objective: At least 5,000 mentor sessions will be conducted during Quarter 1, at least 26,000 during Quarter 2, at least 28,000 during Quarter 3, and at least 20,000 during Quarter 4. The combined total of mentor sessions conducted during the grant year will be at least 79,000.

Progress: Exceeded

A total of 15,653 mentor sessions were conducted in Quarter 1. A total of 41,634 mentor sessions were conducted during Quarter 2. A total of 47,462 mentor sessions were conducted during Quarter 3. A total of 32,490 mentor sessions were conducted during Quarter 4.

The combined total of mentor sessions was 137,239, exceeding the objective by 58,239 mentor sessions for the year. The Take Stock in Children program exceeded both the quarterly and the yearly grant objectives (Table 12).

STUDENTS MENTORED/MENTEES SERVED (QUARTERLY FLDOE GRANT DELIVERABLE)

Quarterly Objective: At least 3,000 students will be mentored during Quarter 1; at least 5,450 students will be mentored during Quarter 2; at least 5,600 students will be mentored during Quarter 3; and at least 5,000 students will be mentored during Quarter 4.

Progress: Exceeded

A total of **5,503** students were mentored during Quarter 1, exceeding the target by 2,503. A total of **6,888** students were mentored during Quarter 2, exceeding the target for students mentored by 1,438. A total of **7,201** students were mentored during Quarter 3, exceeding the target for students mentored by 1,601. A total of **7,345** students were mentored during Quarter 4, exceeding the target for students mentored by 2,345. These numbers exceeded the objective for students mentored for Quarters 1-4 (Table 13).

College Success Coaching

Take Stock in Children requires that College Success Coaches visit twice per semester with students in 11th and 12th grade and once per semester with students in 6th through 10th grade. Key Performance Indicators (KPIs) are used at each Take Stock affiliate site to measure compliance with these requirements (see Table 14).

DELIVERABLE 7: STUDENTS MEETING THE COLLEGE SUCCESS COACH VISIT KPI REQUIREMENT

End of Year Objective: College Success Coach visits will average 1 per semester for grades 6-10, and 2 per semester for grades 11-12. The Take Stock in Children program is expected to achieve at least 85% of the objective by the end of the grant year.

Progress: Exceeded

An average of **98%** of Take Stock in Children program students (grades 6-12) received the annual dosage of target services during the grant year (Table 14).

Table 14. Students in Grades 6-12 Meeting College Success Coach Visit KPI Requirements by County/Region*

EXHIBIT D

College Readiness Workshops

Take Stock in Children local affiliate programs are responsible for designing and coordinating workshops to prepare students for the requirements of preparing for, applying to, attending, and succeeding in postsecondary experiences. Local affiliate programs are required to conduct at least four College Readiness Workshops per year.

DELIVERABLE 8: COLLEGE READINESS WORKSHOPS

End of Year Objective: A total of 4 college readiness workshops will be conducted at each site per year (including 2 sessions focused on college readiness and financial aid procedures for seniors), plus a new student orientation where applicable. The Take Stock in Children program is expected to achieve at least 85% of each objective by the end of the grant year.

Progress: Exceeded

45 sites (100%) offered five (5) or more College Readiness Workshops during Quarters 1-4 as described in Table 15; forty-five (45) sites (100%) offered New Student Orientation by the end of the grant year (Table 16).

Training for Mentors and Staff

Both the State Office of Take Stock in Children and their affiliate organizations provide regular and periodic development sessions for affiliate staff and training for mentors in order to assist these key stakeholders in supporting student college readiness efforts.

MENTORING TRAINING (QUARTERLY FLDOE GRANT DELIVERABLE)

Quarterly Objective: At least 31 sites will conduct mentor trainings during Quarter 1 and Quarter 2 respectively, as reported to the Take Stock in Children State Office. At least 26 sites will conduct mentor trainings during Quarter 3, and at least 25 sites will conduct mentor trainings during Quarter 4.

Progress: On Track

A total of 45 sites conducted mentor trainings during Quarter 1, 42 sites in Quarter 2, 44 sites in Quarter 3, 39 sites in Quarter 4, exceeding the objective for quarterly mentor training (Table 17).

EXECUTIVE SUMMARY

Establishing Safe and Responsible Device Use for Students

Board Meeting Date: July 28, 2026

Requested Action: Direct the Superintendent to establish the following guardrails around safe technology use in our schools:

Motion 1: Ensure that Linewize is implemented to catch any concerning student use (such as suicidal ideation, self-harm, or violence) of school devices (including on any AI platforms) and that they are sent to DSOC in real time.

Motion 2: Limit the screen time of VPK-through 2nd grade students to only what is necessary for state-mandated testing and/or accommodations for students with special needs.

Motion 3: Ensure that the AI policy and related technology policies coming to the School Board on August 4, 2026, include the maximum limitation on device and AI use for our elementary school-level students. The appropriate District staff will be available to address questions and concerns related to that maximum limitation.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: Leonardi	
School Board Policy Requirement	• N/A
Statutory Requirement	• N/A
If the School Board votes "Yes"	• The Superintendent will be directed to establish guardrails for safe and responsible student device use in schools. This will include ensuring Linewize is implemented to identify concerning student activity on school devices, including activity related to suicidal ideation, self-harm, violence, or concerning use on AI platforms, and that such alerts are sent to the District Security Operations

	Center in real time. The Superintendent will also be directed to limit VPK through grade 2 student screen time to what is necessary for state-mandated testing and/or accommodations for students with special needs, and to ensure that the AI policy and related technology policies scheduled to come before the Board include maximum limitations on device and AI use for elementary school-level students..
If the School Board votes "No"	• The Superintendent will not be directed to establish the proposed additional guardrails around safe and responsible student device use at this time. As a result, the District may continue operating under existing technology, device-use, student safety, and instructional practices without the specific Board direction outlined in this item, including real-time escalation of concerning student device activity to the District Security Operations Center, screen-time limitations for VPK through grade 2 students, and maximum limitations on device and AI use for elementary school-level students in the forthcoming AI and related technology policies. • A "No" vote may delay the District's ability to establish consistent, age-appropriate expectations for student technology use and may limit the opportunity to address Board and community concerns related to student safety, developmental appropriateness, screen time, and responsible use of artificial intelligence in schools.
Alignment to the 2027 Strategic Goals and Guardrails	• Board/District Operations
Measurable Outcome(s)/Return on Investment	• The measurable outcomes include implementation of real-time monitoring and escalation protocols for concerning student use of school devices, reduced nonessential screen time for VPK through grade 2 students, and the inclusion of clear limitations on device and AI use for elementary school-level students in the forthcoming AI policy and related technology policies. The return on investment is increased student safety, improved oversight of school-issued device use, stronger alignment between technology use and instructional necessity, and clearer expectations for age-appropriate student access to digital tools and AI platforms.

Background/History

During the 2025-2026 school year, a series of roundtables were conducted to discuss the use of technology in schools. Feedback was received from District 3 parents, high school students, and middle school students, and one barrier consistently identified was lack of access to Wi-Fi at home. Other school districts have taken different approaches to providing that access to students, and to support equity and access, it is important for BCPS to continue exploring ways to address technology-related barriers for students and families.

At the same time, as technology continues to expand in educational settings, school districts are increasingly required to evaluate not only student access to digital tools, but also how devices, online platforms, and artificial intelligence tools are introduced and used in schools. While technology can support instruction, access to learning resources, individualized student needs, and academic engagement, its use must be balanced with student safety, privacy, age-appropriate development, and the instructional needs of each grade level.

The proposed item reflects the Board's interest in establishing clearer guardrails around safe and responsible technology use in schools, particularly for younger students and for student-facing artificial intelligence tools. The requested action directs the Superintendent to ensure that Linewize is implemented to identify concerning student use of school devices, including activity related to suicidal ideation, self-harm, violence, or concerning use on AI platforms, and that such alerts are sent to the District Security Operations Center in real time.

This item also recognizes that elementary students, particularly students in VPK through grade 2, may require additional safeguards due to their developmental stage and the importance of direct instruction, social interaction, early literacy development, and hands-on learning experiences. Accordingly, the requested action seeks to limit screen time for VPK through grade 2 students to only what is necessary for state-mandated testing and/or accommodations for students with special needs.

In addition, the requested action directs that the AI policy and related technology policies scheduled to come before the Board include the maximum limitation on device and AI use for elementary school-level students. Staff will also be available to address Board questions and concerns related to those limitations and the operational considerations associated with implementation.

Together, these proposed guardrails are intended to ensure that student technology use is implemented in a manner that is equitable, age-appropriate, instructionally necessary, and aligned with student safety, privacy, and developmental considerations. The requested action will provide directions to the Superintendent to evaluate implementation needs, identify operational considerations, and support a plan for safe and responsible technology use across schools.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	N/A
Multi-Year Agreement:	N/A
Procurement Method:	**Piggyback Agreement** (Yes/No): **Acquisition Method**:N/A

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. There is no immediate budget impact associated with this item. There is no immediate budget impact associated with this item. Any potential future budget impact would be brought forward through the appropriate budget approval process before implementation, as applicable.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	This item is intended to support schools by establishing clearer parameters for safe and responsible student technology use. Schools will benefit from improved processes for identifying and escalating concerning student activity on school devices, particularly where safety risks such as self-harm, suicidal ideation, or violence may be present. The item also supports elementary schools by limiting screen time for the District's youngest learners to required testing needs and approved accommodations, while allowing schools to maintain access to technology when it is instructionally necessary, legally required, or needed to support students with special needs.
School Selection /Prioritization	This item applies Districtwide and is not limited to a specific school or group of schools. The proposed guardrails are intended to support safe and responsible technology use across all schools, with specific emphasis on age-appropriate limitations for elementary school-level students and VPK through grade 2 students. Prioritization will focus on student safety, developmental appropriateness, instructional necessity, state-mandated testing requirements, accommodations for students with special needs, and the implementation of real-time monitoring and escalation procedures for concerning student device activity. Schools serving younger students may require additional implementation guidance to ensure device and AI use is limited, consistent, and aligned with Board direction.
Community/ Stakeholder Engagement	N/A

End-User Input	N/A
Technology/Capital Expected Lifecycle/Replacement Cycle	This item does not request the purchase of new technology, capital equipment, or replacement devices. The proposed action focuses on establishing guardrails for the safe and responsible use of existing District technology. Any future technology or capital considerations would be dependent on the Superintendent's implementation review, including whether existing systems, monitoring tools, network capabilities, reporting processes, or device-management platforms require updates to fully support real-time safety notifications, age-appropriate access limitations, and implementation of Board-approved AI and technology policies. Any future costs or lifecycle considerations would be addressed through the appropriate technology, safety, instructional, or capital planning processes, as applicable.

EXECUTIVE SUMMARY

Surplus of Tangible Personal Property for the Period Ended May 31, 2026

Board Meeting Date: July 28, 2026

Requested Action: Approve the Surplus of Tangible Personal Property for the Period Ended May 31, 2026.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Policy 3024: Property Accountability and Responsibility.
Statutory Requirement	• Florida Statute 274.07.
If the School Board votes "Yes"	• The District will be following statutory requirements per Florida Statute 274.07.
If the School Board votes "No"	• The District will continue to carry obsolete Tangible Personal Property in the District's financial records and the District will be out of compliance with statutory requirements per Florida Statute 274.07.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations.
Measurable Outcome(s)/Return on Investment	• There is no Return on Investment since these items have zero and/or minimal book value and in most cases exceeded their useful life. Per Florida Statute 274.07, proper and timely disposition of the District's surplus of Tangible Personal Property is required.

Background/History

The surpluses of tangible personal property shall be submitted to the Board pursuant to Florida Statute 274.07, which requires "the disposal of property shall be recorded in the minutes of the governmental unit." This item includes a Surplus of Tangible Personal Property for the period ended May 31, 2026, with a net book value of $761.72. The net book value is an accounting term used to describe the cost of an asset, less accumulated depreciation, or amortization. Items recommended for a surplus are reviewed and approved by the Surplus Committee. All items will be disposed of as prescribed by law.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method

EXECUTIVE SUMMARY

Easements Agreement

Board Meeting Date: July 28, 2026

Requested Action: Approve the Easements Agreement (Agreement) between the School Board of Broward County, Florida (SBBC) and Florida Power & Light Company (FPL), to permit the installation of overhead power lines at the Physical Plant Operations Zone 3 (PPO Zone 3) facility. District 1.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 1	
School Board Policy Requirement	• None
Statutory Requirement	• None
If the School Board votes "Yes"	• A "Yes" vote will result in the granting of easements to FPL which shall permit FPL to install overhead electric lines on the PPO Zone 3 facility to connect to a new planned electrical substation in the vicinity. Additionally, SBBC will receive compensation in the amount of $900,000 for the Permanent Easement and $212,000 for the Temporary Construction Easement.
If the School Board votes "No"	• A "No" vote on this item and no easements will be granted to FPL, and FPL will either have to abandon its planned installation of overhead electric lines on the PPO Zone 3 facility, which may negatively impact its ability to connect the lines to its new planned electrical substation, or FPL may seek to obtain the easement through the eminent domain process. In this scenario, SBBC will not receive the $900,000 compensation for the Easement nor the $212,000 for the Temporary Construction Easement.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Immediate revenue generation of $1,112,000 to SBBC with no capital expenditure, coupled with long-term utility infrastructure improvements that

	reduce operational risk associated with power outages at the PPO Zone 3 facility.

Background/History

Due to significant residential and commercial growth in Hollywood, Florida where the Physical Plant Operations (PPO) Zone 3 facility is currently located, FPL is constructing an electrical substation on the real property directly south and adjacent to the PPO Zone 3 facility. As a result, FPL is requesting an Easement of 26,542 square feet (Easement Area) and a Temporary Construction Easement of 14,250 square feet (Temporary Easement Area) along the southern property line of the PPO Zone 3 facility. The purpose of the request is to allow FPL to install two 45-to-60-foot concrete poles and overhead electrical lines that will connect the substation to the electrical network in the area. The Easement sought is a permanent easement, which FPL plans to utilize to routinely access and maintain the substation and related matters contained within the Easement Area.

If granted the Easement, FPL will pay $900,000 to SBBC within fifteen (15) days of full execution of the Agreement. If granted the Temporary Construction Easement, FPL will pay $212,000 within fifteen (15) days of full execution of the Agreement. The monetary values for both easements were derived from three professional appraisals. To ensure due diligence, staff submitted and presented the appraisals to the Negotiations Parameters Committee (NPC) on March 27, 2026. Subsequently, the NPC reviewed the appraisals, deliberated and established $900,000, as the value for the Easement Area and $4,000 per month for the Temporary Construction Easement.

It should be noted that SBBC will continue to have use of the Easement Area for employee/guest parking, portable trailer parking, and vehicular circulation except in those areas (currently two parking spaces) where electrical poles and their bases are constructed and permanently located. The Temporary Construction Easement Area is also available for employee/guest parking during the time that FPL does not require the space for its own purposes. The Agreement includes standard provisions addressing indemnification, insurance requirements, and limitation of liability between the parties.

This Board item consists of an Easements Agreement, which supplements, clarifies, and coordinates the terms of both the Permanent Easement and Temporary Construction Easement agreements. If this item is approved by the Board, all three agreements will need to be signed.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

purchasing requirements.

Agreement Term:	Commencing July 28, 2026 and running coextensive with the Permanent Easement (effectively perpetual in duration)
Multi-Year Agreement:	Not Applicable (Perpetual Easement Interest)
Procurement Method:	**Piggyback Agreement**: No **Acquisition Method**: Not Applicable

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

There is no cost to SBBC. Approval of this item will result in SBBC receiving $900,000 for the Permanent Easement and $212,000 for the Temporary Construction Easement, payable within fifteen (15) days of full execution.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
July 28, 2026	N/A	$1,112,000

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	None
School Selection /Prioritization	Not Applicable
Community/ Stakeholder Engagement	Not Applicable
End-User Input	Not Applicable
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

Easements Agreement

EASEMENTS AGREEMENT

THIS EASEMENTS AGREEMENT ("Agreement") is made and entered into as of this 28th day of July 2026 (the "Effective Date"), by and between

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

FLORIDA POWER & LIGHT COMPANY, a Florida corporation
(hereinafter referred to as "FPL"),
whose principal place of business is
700 Universe Boulevard, Juno Beach, Florida 33408.

WHEREAS, SBBC is the owner of certain real property located at 1295 North 21st Avenue, Hollywood, Florida 33020, currently known as PPO Zone 3 and more particularly described in **Exhibit "A"** attached hereto and incorporated herein (the "Property"); and

WHEREAS, SBBC and FPL (collectively, "Parties") desire to enter into a Permanent Easement Agreement concerning that certain portion of the Property ("Permanent Easement Area"), a copy of which is attached hereto as **Exhibit "B"** and incorporated herein (the "Permanent Easement"); and

WHEREAS, the Parties also desire to enter into a Temporary Construction Easement Agreement concerning that certain portion of the Property ("Temporary Easement Area" together with the Permanent Easement Area are collectively hereinafter referred to as the "Easement Area"), a copy of which is attached hereto as **Exhibit "C"** and incorporated herein (the "Temporary Easement"); and

WHEREAS, the Parties desire that certain terms and conditions applicable to the Easements not be recorded in the Public Records of Broward County; and

WHEREAS, this Agreement is intended to supplement, clarify, and coordinate the terms of the Permanent Easement and Temporary Easement.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals**. The Parties agree that the foregoing recitals are true and correct and hereby incorporated herein by reference.

1.02 **Agreement Documents; Exhibits.** The following documents are collectively referred to as the "Agreement Documents" and are attached hereto and incorporated herein by this reference as if fully set forth in this Agreement:

a. Exhibit "A" – Property Description;
b. Exhibit "B" – Permanent Easement;
c. Exhibit "C" – Temporary Construction Easement; and
d. Exhibit "D" – Affidavit Regarding Coercion for Labor and Services.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement**. The term of this Agreement shall commence on the Effective Date and shall continue for so long as the Permanent Easement remains in effect. Notwithstanding anything to the contrary in this Agreement, the term provisions set forth in the Permanent Easement and Temporary Easement shall control with respect to the duration of those respective easement rights.

2.02 **Notice**. When either party desires to give notice to the other, such notice must be in writing addressed to the party for whom it is intended at the place last specified and shall be deemed to have been duly delivered and deemed to have been received (a) upon personal delivery, (b) twenty-four (24) hours after deposit with a nationally recognized overnight delivery service, or (c) if mailed, upon the first to occur of actual receipt or four (4) business days after being placed in the U.S. Mail, postage prepaid, registered or certified mail, with return receipt requested. The place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. All notices under the Permanent Easement and Temporary Easement shall be governed by the notice provisions set forth in this Section. For the present, the Parties designate the following as the respective places for giving notice:

To SBBC:
Superintendent of Schools
The School Board of Broward County, Florida
600 Southeast Third Avenue
Fort Lauderdale, Florida 33301

With a Copy to:
Chief of Operations and Facilities
The School Board of Broward County, Florida
600 SE 3rd Avenue, 10th Floor
Fort Lauderdale, Florida 33301

and

Director of Facility Planning & Real Estate
The School Board of Broward County, Florida
600 SE 3rd Avenue, 8th Floor
Fort Lauderdale, Florida 33301

To FPL:
Corporate Real Estate Department
Florida Power & Light Company
700 Universe Boulevard (B2A/JB)
Juno Beach, FL 33408

With a Copy to:
General Counsel

Florida Power & Light Company
700 Universe Boulevard (E2A/JB)
Juno Beach, FL 33408

2.03 **Affidavit Regarding the Use of Coercion for Labor and Services.** Pursuant to Section 787.06(13), Florida Statutes, when a contract is executed, renewed, or extended between a nongovernmental entity and SBBC, the nongovernmental entity must provide SBBC entity with an affidavit signed by an officer or a representative of the nongovernmental entity under penalty of perjury attesting that the nongovernmental entity does not use coercion for labor or services as defined in Section 787.05(13), Florida Statutes. The nongovernmental entity shall attach hereto as **Exhibit "D,"** an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject the nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any agreement with SBBC shall be terminated by SBBC without recourse if the nongovernmental entity is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with the nongovernmental entity's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.04 **Insurance**. Prior to any use of the Easement Area, FPL shall obtain and maintain, throughout the period of any commercial use, commercial general liability insurance with coverages or self-insurance in amount not less than $1,000,000.00 per occurrence. The liability coverage must be on an "occurrence" basis as opposed to "claims made." All such insurance shall be sufficient to protect FPL, its contractors and their subcontractors, to the extent that they are involved in work on behalf of FPL, and SBBC against the claims of third persons, and to cover claims by SBBC against FPL, its contractor and their subcontractors for which FPL has assumed liability under this Agreement. SBBC shall be named as an additional insured of all such policies obtained by FPL. If requested by SBBC, FPL shall furnish SBBC with a certificate of insurance or evidence of self-insurance dated and signed by a stated, authorized agent for the insuring company or companies.

2.05 **Construction**. The Agreement Documents shall be read together and to the extent of any inconsistency between this Agreement and the Permanent Easement (Exhibit "B") or Temporary Easement (Exhibit "C"), (i) the applicable easement document shall control with respect to the scope, use, and operation of the easement rights granted therein, and (ii) this Agreement shall control in all other respects, unless such applicable easement document expressly states otherwise.

2.06 **Indemnification**. FPL and SBBC shall each be responsible for its own facilities, for protection of its own systems, and for ensuring adequate safeguards for FPL customers, and the personnel and equipment of SBBC and FPL. To the extent permitted by law, and subject to the limitations set forth in Section 768.28, F.S., if applicable, SBBC shall indemnify, defend and hold FPL harmless, and FPL shall indemnify, defend and hold SBBC harmless, from any and all claims, demands, costs or expenses, for loss, damage or injury to persons or property caused by, arising out of, or resulting from: (a) any act or omission by the respective party or that party's contractors, agents, servants and employees in connection with the development, construction, use or operation of that party's facilities, improvements or systems, or the operation or use thereof in connection with the other party's facilities, improvements or systems, (b) any defect

in, failure of, or fault related to, a party's facilities, improvements or systems, or (c) the negligence of the respective party or negligence of that party's contractors, agents, servants or employees. The respective party shall pay all claims, costs, damages and losses in connection with (a), (b) or (c) above, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the other party, where applicable, including appellate proceedings and shall pay all costs, judgment and attorney's fees that may issue thereon. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Section 768.28, F.S., nor shall same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful, or intentional acts or omissions.

2.07 **Limitation of Liability**. To the fullest extent permitted by law, neither SBBC nor FPL, nor their respective officers, directors, agents, employees, members, parents, subsidiaries or affiliates, successors or assigns, or their respective officers, directors, agents, employees, members, parents, subsidiaries or affiliates, successors or assigns, shall be liable to the other party or their respective officers, directors, agents, employees, members, parents, subsidiaries or affiliates, successors or assigns, for claims, suits, actions or causes of action for incidental, indirect, special, punitive, or consequential damages connected with or resulting from performance or non-performance, or any actions undertaken in connection with or related to the Easements, including without limitation, any such damages which are based upon causes of action for breach of contract, tort (including negligence and misrepresentation), breach of warranty, strict liability, statute, operation of law, under any indemnity provision or any other theory of recovery. If no remedy or measure of damages is expressly provided herein, the obligor's liability shall be limited to direct damages of up to One Million Dollars ($1,000,000) for each such breach, and such direct damages shall be the sole and exclusive measure of damages and all other remedies or damages at law or in equity are waived; provided, however, that this sentence shall not apply to limit the liability of a party whose actions giving rise to such liability constitute gross negligence or willful misconduct. The provisions of this section shall apply regardless of fault and shall survive termination, cancellation, suspension, completion or expiration of the Easements. Nothing contained in this Agreement shall be deemed to be a waiver of a party's right to seek injunctive relief.

2.08 **SBBC's Existing Improvements.** FPL acknowledges and agrees that SBBC may continue to operate and maintain its two existing mobile office trailers located within the Easement Area as of the date hereof, as shown on Exhibit "A" attached hereto and made a part hereof (collectively, the "Existing Improvements"), and for such Existing Improvements to remain within the Easement Area, and that in the event the Existing Improvements are destroyed or damaged and in need of replacement, now or in the future at any time, the replacement the mobile office trailer, as applicable, may be installed or constructed in the same location as the respective Existing Improvements; provided however, the replacement mobile office trailer may not exceed its existing height or expand the footprint of such Existing Improvement's current encroachment within the Easement Area as of the date hereof.

2.09 **Permits; Tree Removal; Compliance with Law.** FPL shall, at its sole cost and expense, obtain and maintain all approvals, permits, authorizations, and licenses required by applicable law in connection with the exercise of the rights granted herein, including, without

limitation, any permits required by the City of Hollywood, Florida ("City"), for any and all work associated with the construction of the "Facilities" as defined in both the Permanent Easement (attached hereto as Exhibit "B") and the Temporary Construction Easement (attached hereto as Exhibit "C"), including but not limited to the removal, relocation, trimming, or disturbance of trees located on the Easement Area. SBBC shall reasonably cooperate with FPL in executing permit applications or other documentation required by the City in connection with tree removal or any other activities; however, FPL shall be solely responsible for preparing, submitting, and prosecuting all such applications and for complying with all applicable code requirements. FPL shall comply with all conditions imposed by any permit or approval, including any requirements for tree relocation, replacement, or mitigation planting. To the extent mitigation or replacement is required as a result of activities conducted by or on behalf of FPL, FPL shall be solely responsible for satisfying such requirements. Nothing herein shall be construed to relieve FPL from compliance with any applicable municipal ordinance governing tree protection, except to the limited extent preempted by state law.

2.10 **Public Records; Limited Confidentiality**. The Parties acknowledge that SBBC is a public governmental entity subject to Florida public records laws, including Chapter 119, Florida Statutes. Accordingly, this Agreement and its terms may be disclosed, published, and included as an agenda item and supporting materials for a public meeting, and shall be produced in response to public records requests, to the extent required by law. The Parties acknowledge that this Agreement may be subject to disclosure pursuant to Chapter 119, Florida Statutes. Notwithstanding such disclosure obligations, the Parties agree that this Agreement shall not be recorded in the Public Records of Broward County. Any attempted recordation by either party shall constitute a material breach of this Agreement; however, such attempted recordation shall not, in and of itself, void or terminate the remaining provisions of this Agreement, which shall remain in full force and effect unless otherwise terminated in accordance with its terms. **This restriction does not apply to the Permanent Easement or Temporary Easement, which the Parties intend to be recorded.**

2.11 **Compensation**.

a. Permanent Easement. As consideration for the grant of the Permanent Easement, FPL shall pay SBBC the total amount of Nine Hundred Thousand Dollars and Zero Cents ($900,000.00), which payment shall be paid within fifteen (15) calendar days following full execution of the Agreement Documents by wire transfer or check payable to The School Board of Broward County, Florida.

b. Temporary Easement. As consideration for the grant of the Temporary Easement, FPL shall pay SBBC a one-time lump sum payment in the amount of Two Hundred Twelve Thousand Dollars and Zero Cents ($212,000.00), which payment shall be paid within fifteen (15) calendar days following full execution of the Agreement Documents by wire transfer or check payable to The School Board of Broward County, Florida.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver

of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the Parties intend to directly or substantially benefit a third-party by this Agreement. The Parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the Parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of this Agreement.

3.03 **Independent Contractor**. The Parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The Parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party thirty (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof.

3.05 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.06 **Place of Performance**. All obligations shall be performed in Broward County, Florida.

3.07 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States

District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.08 **Entire Agreement**. The Permanent Easement, Temporary Easement, and this Agreement collectively constitute the entire agreement of the Parties with respect to the subject matter hereof and supersede all prior negotiations and understandings. The Parties agree that there are no commitments, agreements or understandings concerning the subject matter that are not contained in Permanent Easement, Temporary Easement, and this Agreement. Accordingly, the Parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.09 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns.

3.10 **Assignment**. Neither party may assign the Permanent Easement, Temporary Easement, or this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned, or delayed.

3.11 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.12 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.13 **Preparation of Agreement**. The Parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.14 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.15 **Waiver**. The Parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.16 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or

obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.17 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.19 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer the Agreement Documents.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

3.22 **FPL's Use and Maintenance of the Permanent Easement**.

a. SBBC grants to FPL, its authorized agents, representatives, or employees the right to install, access, and maintain asphalt roadway pavement, curbing, sidewalk, drainage, streetlights and landscaping on, over, across, and through the Easement Area.

b. FPL shall, at its sole expense, properly and appropriately maintain and repair the Facilities. Subject to FPL's acquired easement rights herein, to the extent FPL's use of the Property results in damage to the asphalt roadway pavement, curbing, sidewalks, drainage, street lights, and landscaping within the Easement Area, FPL will repair or replace such improvements with the same, like or better quality, at their original location to the extent practicable.

3.23 **Security**. Except in the event of an emergency, FPL, its authorized agents, representatives, or employees, shall notify the Director, Physical Plant Operations for SBBC or his or her designee upon arrival at the Property, and if FPL requires the use of the Property outside of the Easement Area then FPL will provide said notice in advance of accessing the Property.

3.24 **Environmentally Hazardous Material**. FPL hereby acknowledges that the SBBC prohibits the storage or leakage of any Hazardous Substance on SBBC's Property at any and all times.

"Hazardous Substance" is defined as any pollutant, contaminant, waste or chemical or any toxic, radioactive, ignitable corrosive, reactive or otherwise hazardous substance, waste or material or any substance, waste or material having any constituent elements displaying any of the foregoing characteristics, including petroleum, its derivatives, by-products and other hydrocarbons, and any substance, waste or material regulated for its hazardous properties under any Environmental Law. Environmental Law means any federal, state, or local applicable law, and any governmental order or agreement with any governmental Authority: (a) relating to pollution (or the cleanup thereof) or the protection of natural resources, endangered or threatened species, human health or safety, or the environment (including ambient air, soil, surface water or groundwater, or subsurface strata); or (b) concerning the presence of, exposure to, or the management, manufacture, use, containment, storage, recycling, reclamation, reuse, treatment, generation, discharge, transportation, processing, production, disposal or remediation of any Hazardous Substance. FPL agrees not to store or leak any Environmentally Hazardous Substance on SBBC's Property. In all events, FPL shall be responsible for remediating any damage caused from the release of Hazardous Substances on the Easement Area or any surrounding areas caused by FPL or persons acting under FPL.

3.25 **Damage.** FPL shall promptly repair any damage to the Easement Area caused solely and directly by FPL, or any of its employees, agents, contractors or any party acting on behalf of FPL in performing any of its activities under the terms of this Agreement, using materials that are of equal or greater quality than the materials damages or destroyed.

3.26 **Restoration.** Upon completion of any construction activities by FPL within the Property under the Agreement Documents, FPL shall remove all physical material pertaining to construction of the Facilities and restore the Easement Area, and any impacted lands of SBBC adjoining the Easement Area, to substantially the same physical condition that existed immediately prior to FPL's use of the Property.

3.27 **No Obstructions of Property.** With the exception of the Facilities, neither the Easement Area nor Property shall be obstructed by any object that would unreasonably prohibit access, ingress or egress, or materially interfere with the operations of the Property other than for the purposes allowed under this Agreement.

EASEMENT
(Corporate)

KNOW ALL MEN BY THESE PRESENTS that **THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA**, a body corporate and political subdivision of the State of Florida, whose post office address is 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301 ("**Grantor**") in consideration of the sum of Ten Dollars and No Cents ($10.00) and other valuable considerations, receipt of which is hereby acknowledged, do hereby grant to **FLORIDA POWER & LIGHT COMPANY**, a Florida corporation, whose address is 700 Universe Boulevard, Juno Beach, Florida 33408 and to its successors and assigns (the term "assigns" meaning any person or business entity owning by way of assignment all or a portion of rights under this easement with Florida Power & Light Company or its other assigns retaining and exercising the other rights) (hereinafter "**Grantee**"), an easement forever, to be used for the construction, operation, and maintenance of one or more overhead and underground electric transmission and distribution lines, including but not limited to, wires, poles, "H" frame structures, towers, cables, conduits, anchors, guys, roads, trails and equipment associated therewith, attachments and appurtenant equipment for communication purposes (all of the foregoing hereinafter referred to as "**Facilities**"), over, under, in, on, upon and across the lands of Grantor situated in the County of Broward, and the State of Florida (hereinafter the "**Easement**") and being more particularly described as follows:

See **Exhibit "A"** attached hereto and made a part hereof (the "**Easement Area**");

together with the right and privilege from time to time to reconstruct, inspect, alter, repair, improve, enlarge, add to, change the voltage, as well as the nature or physical characteristics of, replace, remove or relocate the Facilities or any part of them, lay temporary mats, install gates to existing or future fences, install fill, culverts or other drainage facilities upon, across, over or under the Easement Area with all rights and privileges necessary or convenient for the full enjoyment or the use thereof for the herein described purposes, including, but not limited to, the right to cut and keep clear all trees and undergrowth and other obstructions within the Easement Area and on lands of Grantor adjoining the Easement Area that may interfere with the proper construction, operation and maintenance of such Facilities or any part of them, the right to mark the location of any underground Facilities by above ground and other suitable markers; together with the right of ingress and egress over designated access routes reasonably approved by Grantor and coordinated in advance, except in emergencies, for personnel, vehicles and equipment over the adjoining lands of Grantor, for the purpose of exercising and enjoying the rights granted by this Easement and any or all of the rights granted hereunder.

Notwithstanding anything contained herein to the contrary, by the execution and delivery hereof Grantor acknowledges and agrees that (i) Grantor's activities shall not interfere or be inconsistent with the use, occupation, maintenance or enjoyment thereof by Grantee, or as might cause a hazardous condition; and (ii) no portion of the Easement Area shall be excavated, altered, obstructed, surfaced or paved and no building, well, irrigation system, structure, obstruction or improvement (including any improvements for recreational activities) shall be located, constructed, maintained or operated over, under, upon or across the Easement Area by Grantor, or the heirs, personal representatives, successors or assigns of Grantor without the prior written permission of Grantee. Grantor acknowledges and agrees that any improvement, structure or alteration that interferes with or is inconsistent with the use, occupation, maintenance or enjoyment thereof by Grantee or its licensees or as might cause a hazardous condition shall be a violation of this provision. However, no violation of this provision shall be deemed adverse or hostile to Grantee until such time as said violation interferes with Grantee's actual use, occupation, maintenance

or enjoyment of the Easement Area and the rights granted hereunder; and until Grantee first provides written notice to Grantor of the violation(s) and Grantor fails to cure the violations complained of within thirty (30) days of such notice.

Grantor covenants that Grantor is the fee simple owner of the Easement Area. And further covenants that the Easement Area is free and clear of liens, encumbrances and third party rights and/or claims of any kind.

(Remainder of page intentionally left blank; signature page follows)

IN WITNESS WHEREOF, Grantor has executed this Easement this 28th day of July 2026.

Juno Beach, FL 33408

Parcel ID Number: 51-42-03-10-0330

TEMPORARY CONSTRUCTION EASEMENT
(Corporate)

THIS TEMPORARY CONSTRUCTION EASEMENT ("**Easement**"), is executed and effective this 28th day of July, 2026 ("**Effective Date**"), by and between **The School Board of Broward County, Florida**, a body corporate and political subdivision of the State of Florida, whose post office address for notice purposes is 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301, its successors and assigns ("**Grantor**"), and **Florida Power & Light Company**, a Florida corporation, whose address for notice purposes is 700 Universe Boulevard, B2A/JB, Juno Beach, Florida 33408, Attention: Corporate Real Estate Department, its successor and assigns ("**Grantee**") (the term "assigns" meaning any person or business entity owning by way of assignment all or a portion of rights under this Easement, with Grantor or Grantee or their respective assigns retaining and exercising the remaining unassigned rights). Grantor and Grantee are sometimes referred to individually as a "**Party**", and collectively, as "**Parties**".

PREMISES

A. Grantor is the owner of a certain tract of real property located in Broward County, Florida and more particularly described in **Exhibit "A"** attached hereto and made a part hereof (the "**Easement Area**"); and

B. Grantee intends to construct, operate and maintain one or more overhead and underground electric transmission and distribution lines, including but not limited to, wires, poles, "H" frame structures, towers, cables, conduits, anchors, guys, roads, trails and equipment associated therewith, attachments and appurtenant equipment for communication purposes (collectively, the "**Facilities**"); and

C. Grantor desires to grant and convey to Grantee a temporary construction easement in, on, over, under and across the Easement Area for the Facilities, over which certain equipment and facilities will ingress and egress in furtherance of the construction of the Facilities.

IN CONSIDERATION of the foregoing and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereto agree as follows:

1. **Grant**. Grantor does hereby grant, bargain, sell and convey unto Grantee, a temporary easement in, on, over, under and across the Easement Area for the purposes of conducting ancillary activities related to the construction of the Facilities, together with the right for vehicles, equipment and Facilities to traverse over the Easement Area; and the right of ingress to and egress from the Easement Area and over and along designated access routes reasonably approved by Grantor and coordinated in advance, except in emergencies, on the adjoining lands of Grantor by Grantee, its agents, invitees, contractors, subcontractors, licensees, subsidiaries and affiliates. Grantee shall also have the right to lay temporary mats, clear the land, cut, prune and remove or otherwise dispose of any foliage or vegetation and keep the land clear of all obstructions on or near the Easement Area and Grantee shall not be liable for damages caused on the Easement Area by keeping the Easement Area clear of such trees, brush, or undergrowth, in the exercise of its rights hereunder.

2. **Maintenance & Use**. Grantee shall keep the Easement Area in good condition and repair, excluding ordinary wear and tear and damage by the elements or by Grantor, or Grantor's employees, contractors, agents and/or invitees. Grantee shall not allow the Easement Area to be used for any unlawful purpose. Grantee shall comply with all applicable governmental laws, ordinances, rules and regulations while using the Easement Area for the purposes granted herein.

3. **Term**. The term of the Easement ("**Term**") shall commence on the Effective Date and shall automatically expire upon the earlier of: (i) the date Grantee completes construction of its Facilities; or (ii) on December 31, 2030, whichever occurs first, without the need for further action on the part of either Party. Grantor authorizes the Superintendent of Schools to extend the Term of this Easement in writing, if required, without the need for further action by Grantor.

4. **Authority**. Grantor hereby represents and warrants to Grantee that Grantor owns the Easement Area in fee simple and is fully authorized and empowered to grant the rights and benefits herein granted to Grantee. And further covenants that the subject land is free and clear of liens, encumbrances and third party rights and/or claims of any kind.

5. **Damage**. Throughout the Term, Grantee will repair any damage to the Easement Area, to the extent such damage is caused by Grantee or its contractors, subcontractors, employees or agents.

6. **Removal & Restoration**. Upon full or partial termination of this Easement, Grantee shall remove all physical material pertaining to the Facilities and restore the Easement Area to substantially the same physical condition that existed immediately before Grantee's use of the Easement Area (except for replanting any trees, brush or undergrowth that is cleared pursuant to this Easement).

7. **Complete Agreement**. This Easement and separate Easements Agreement between the Parties represent the complete and integrated agreement of the Parties with respect to the subject matter herein and supersedes all prior oral or written agreements.

8. **Governing Law**. This Easement shall be governed by and interpreted in accordance with the laws of the State of Florida. The Parties agree to first attempt to settle any dispute arising out of or in connection with this Easement by good faith negotiation. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Easement, each shall have all remedies available at law or in equity.

9. **Counterparts**. This Easement may be executed in separate counterparts, each of which is an original, and all of which together constitute one and the same instrument.

10. **Covenants**. Notwithstanding anything contained herein to the contrary, by the execution and delivery hereof Grantor so expressly agrees that no portion of the Easement Area shall be excavated, altered, obstructed, improved, surfaced or paved without the prior written permission of Grantee, and no building, well, irrigation system, structure, obstruction or improvement (including any improvements for recreational activities) shall be located, constructed, maintained or operated over, under, upon or across said Easement Area by Grantor, or the heirs, personal representatives, successors or assigns of Grantor. Any improvement, structure or alteration that interferes with or is inconsistent with the use, occupation, maintenance or enjoyment thereof by Grantee or as might cause a hazardous condition shall be a violation of this provision. However, no violation of this provision shall be deemed adverse or hostile to Grantee until such time as said violation interferes with Grantee's actual use, occupation and enjoyment of the Easement Area and the rights granted hereunder; and until Grantee first provides written notice to Grantor of the violation(s) and Grantor fails to cure the violations complained of within thirty (30) days of such notice. Notwithstanding the foregoing, Grantor may continue to use the Easement Area for school operations and such other purposes; provided, however, such purposes are not inconsistent with the rights granted herein to Grantee or as might cause a hazardous condition.

11. **Compensation**. Compensation payable in connection with this Easement are governed by the separate Easements Agreement between the Parties.

EXECUTIVE SUMMARY

Utility Easement Agreement and Bill of Sale – Welleby ES, P.002114

Board Meeting Date: July 28, 2026

Requested Action:

Approve Utility Easement Agreement and Bill of Sale between The School Board of Broward County, Florida and the City of Sunrise for Welleby Elementary School.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member:	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• The addition of a new fire line with valves, fire hydrants and transfer ownership of all equipment, material and/or property to be maintained exclusively by City of Sunrise.
If the School Board votes "No"	• All equipment, material and/or property installed in connection with the City of Sunrise's fire hydrants will not be maintained by the City and will be the responsibility of the District. It will also prevent the City's permit closeout process and will adversely affect the school's access to the City's water services.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Approving this item would allow for proper closeout of the scope of work.

Background/History

The School Board of Broward County hired a contractor to complete the new fire line with valves and fire hydrant additions scope of work at Welleby Elementary School. City of Sunrise requires a utility easement as well as a bill of sale to close out the permit.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

purchasing requirements.

Agreement Term:	Not Applicable
Multi-Year Agreement:	Not Applicable
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: ITB – Design/Bid/Build

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. There is no financial impact on this item.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	**N/A**	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	**N/A**	**N/A**	**N/A**	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
N/A	**N/A**	**N/A**	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Not Applicable
School Selection /Prioritization	Not Applicable
Community/ Stakeholder Engagement	Not Applicable
End-User Input	Not Applicable
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

UTILITY EASEMENT

THIS UTILITY EASEMENT is made and executed this 28th day of July 2026 ,by The School Board of Broward County, Florida whose mailing address is 600 SE 3rd Avenue, Fort Lauderdale, FL (hereinafter referred to as the "Grantor") to the City of Sunrise, a Florida municipal corporation, whose mailing address is 10770 West Oakland Park Boulevard, Sunrise, Florida 33351 (hereinafter referred to as the "Grantee"):

(Whenever used herein the terms "Grantor" and "Grantee" include all the parties to this instrument and the heirs, legal representatives and assigns of individuals, and the successors and assigns of corporations, partnerships (including joint ventures), public bodies, and quasi-public bodies.)

WITNESSETH:

WHEREAS, Grantor is lawfully seized in fee simple and is in possession of that certain property situated in Broward County, Florida, as more particularly described on Exhibit "A," which is attached to and by this reference made a part of this document (hereinafter referred to as the "Easement Land");and

WHEREAS, Grantor and Grantee have entered into a certain Bill of Sale of even date herewith (the "Bill of Sale"), pursuant to which Grantor has conveyed to Grantee certain potable water and/or sanitary sewer lines, lift stations, and related utility facilities located on or within property owned by Grantor; and

WHEREAS, this Utility Easement is granted as part of the same transaction as the Bill of Sale and is intended to provide Grantee with the perpetual rights necessary to access, operate, maintain, repair, replace, and reconstruct the utility facilities conveyed pursuant to the Bill of Sale, together with any appurtenances thereto; and

WHEREAS, the utility facilities located within the Easement Land are being conveyed to Grantee pursuant to the Bill of Sale, and this Utility Easement is intended to burden the Easement Land for the benefit of such conveyed facilities; and

WHEREAS, the Bill of Sale and this Utility Easement are intended to be read together as integrated components of a single transaction, and neither would have been executed without the other; and

WHEREAS, the Facilities and Systems subject to this Utility Easement are limited to those potable water and/or sanitary sewer lines, lift stations, and related utility facilities conveyed to Grantee pursuant to the Bill of Sale, together with any replacements or appurtenant facilities directly related thereto, and nothing herein shall be deemed to convey ownership of any other utilities or facilities not expressly conveyed by the Bill of Sale.

NOW, THEREFORE, in consideration of the sum of Ten and no/100 Dollars ($10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Grantor does hereby grant unto the Grantee, an exclusive perpetual utility easement in, on, over, under, through, and across the Easement Land, with the full and free right of ingress and egress for the purposes of the construction, installation, reconstruction, rebuilding, replacement, repairing, operation, distribution and maintenance of lift stations, force mains, water lines, gravity sewers, storm drainage systems, reclaimed water systems, natural gas lines, LP gas lines and tanks, messages or telecommunications and all appurtenances relative to these facilities or systems (hereinafter referred to as "Facilities and Systems"). Grantee shall preclude the use by other utilities of this perpetual exclusive utility easement, such as for cable TV, telephone, communication, electric or gas; unless otherwise authorized in writing by the Grantor by way of amendment of this exclusive perpetual utility easement.

2. Grantee shall have the right and privilege from time to time to alter, improve, enlarge, add to, change the nature or physical characteristics or replace, remove or relocate such Facilities and Systems in, upon, over, under, through and across the Easement Land along with all rights and privileges necessary or convenient for the full benefit and use thereof for the purposes described in this instrument, including, but not limited to, the right to clear obstructions within the Easement Land that might interfere with the purposes for which such Facilities and Systems are or might be constructed, along with the right of ingress and egress for personnel and equipment of Grantee, its contractors, agents, successors, or assigns, over the adjoining lands of the Grantor, its successors and assigns, including successors in title, for the purpose of maintaining the above Facilities and Systems which are located in the Easement Area.

3. Grantor warrants that Grantor has good and indefeasible fee simple title to and possession of the Easement Land and that it has good and lawful right to grant this Easement, and that the Grantee, its successors and assigns, shall have all of the rights to the Easement Land as stated herein.

4. Grantor hereby agrees that Grantee’s sole obligation after the completion of any construction, installation, reconstruction, rebuilding, replacement, or repairing the Facilities and Systems served by the Easement Land shall be limited to adequately filling and compacting any excavation to a finished grade. Grantor agrees to be solely responsible for removing and restoring, and shall hold the Grantee harmless from, any damages to the

improvements now or hereafter existing on the Easement Land including, without limitation, pavers, stamped concrete, landscaping, fencing and concrete pillars, or any other requirements imposed by the City's Code of Ordinances.

5. No change, alteration, modification or amendment may be made to this Easement without the express written consent of Grantor and Grantee.

6. Grantor warrants that to the best of Grantor's knowledge and belief, the Easement Land is free and clear of soil and ground water contamination. For and in consideration of ten dollars ($10) receipt of which is hereby acknowledged, Grantor shall indemnify and hold Grantee harmless for all claims and damages resulting from any such contamination.

7. The provisions of Chapter 15 of the City Code of Grantee, as amended from time to time, are incorporated in this Easement.

BILL OF SALE

KNOW ALL MEN BY THESE PRESENTS that The School Board of Broward County, Florida,

(hereinafter referred to as the "Grantor), for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable considerations to it paid by the City of Sunrise, (hereinafter referred to as "City"), the receipt of which is hereby acknowledged, has granted, bargained, sold, transferred, set over and delivered, and by these presents does grant, bargain, sell transfer, set over and deliver unto City, its successors and assigns, all those certain goods and chattels described as follows:

> Potable water lines and/or sanitary sewage collection lines and/or lift stations and related facilities constructed within the right-of-way and/or property of The School Board of Broward County, Florida, which system is more completely described in Exhibit "A" and/or "B".

WHEREAS, Grantor and Grantee have entered this Bill of Sale of even date herewith (the "Bill of Sale"), pursuant to which Grantor has conveyed to Grantee certain potable water and/or sanitary sewer lines, lift stations, and related utility facilities located on or within property owned by Grantor; and

WHEREAS, contemporaneously with the execution of this Bill of Sale, Grantor is granting to Grantee a Utility Easement over certain portions of Grantor's property in order to permit the continued use, operation, maintenance, and replacement of the utility facilities conveyed hereby; and

WHEREAS, this Bill of Sale is granted as part of the same transaction as the Utility Easement and is intended to provide Grantee with the perpetual rights necessary to access, operate, maintain, repair, replace, and reconstruct the utility facilities conveyed pursuant to the Bill of Sale, together with any appurtenances thereto.

WHEREAS, this Bill of Sale is executed contemporaneously with, and as part of the same transaction as, that certain Utility Easement by and between Grantor and Grantee dated July 28, 2026, and notwithstanding any form revision dates, the parties acknowledge and agree that this Bill of Sale and the Utility Easement are executed of even date and are intended to be read and construed together.

And the GRANTOR, for itself and its successors, hereby covenants to and with the

City, its successors and assigns, that it is the lawful owner of the said goods and chattels, that they are free from all liens and encumbrances, that it has good right to sell the same as aforesaid, and that it will warrant and defend the same against the lawful claims and demands of all persons whomsoever. Grantor acknowledges and agrees that the provisions of Chapter 15 of the City Code, as amended from time to time, are incorporated into this Bill of Sale.

In addition, the GRANTOR hereby warrants said potable water systems and/or sanitary sewage collection systems and/or lift stations and related facilities to be free from defects due to installation and/or materials for a period of twelve (12) months from the date of execution of this document and GRANTOR further agrees to reimburse City in full for reasonable and necessary repairs (as determined by City), due to said defects during the twelve (12) month period; cost of same shall be set out on an invoice from the person performing the repairs.

EXECUTIVE SUMMARY

Charter School Deferral - Florida Charter School Organization IV, Inc. – SACs II

Board Meeting Date: July 28, 2026

Requested Action:
Approve the request to defer the opening of Florida Charter School Organization IV, Inc. d/b/a Summit Academy Charter School II until the 2027-2028 school year.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 6	
School Board Policy Requirement	• Policy 1163
Statutory Requirement	• Section 1002.33(6)(b)(5), Florida Statutes
If the School Board votes "Yes"	• Pursuant to section 1002.33, Florida Statutes, Florida Charter School Organization IV, Inc. d/b/a Summit Academy Charter School II will defer the opening of its charter school until the 2027 – 2028 school year. Upon approval of an application, the initial startup shall commence with the beginning of the public-school calendar for the district in which the charter is granted. A charter school may defer the opening of the school's operations for up to 3 years to provide time for adequate facility planning. The charter school must provide written notice of such intent to the sponsor and the parents of enrolled students at least 30 calendar days before the first day of school.
If the School Board votes "No"	• Pursuant to Section 1002.33(6)(b)5, Florida Statutes, The School Board of Broward County, Florida will fail to exercise its duties as Sponsor by granting a deferral to the 2026-2027 school year for the aforementioned approved charter applicant.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations

Measurable Outcome(s)/Return on Investment	• Not Applicable

Background/History

On December 16, 2025, The School Board of Broward County, Florida approved the charter school replication application submitted by Florida School Organization IV, Inc. d/b/a Summit Academy Charter School II to open an elementary/middle charter school serving grades kindergarten through eight (K-8) beginning the 2026-2027 school year.

On May 5, 2026, The School Board of Broward County, Florida approved a five (5) year charter school agreement with Florida School Organization IV, Inc. d/b/a Summit Academy Charter School II.

Florida Charter School Organization IV, Inc. has submitted a request to defer the opening of Summit Academy Charter School II, citing good cause citing due to its inability to secure a suitable facility. Accordingly, the Superintendent of Schools recommends that The School Board of Broward County, Florida, in its capacity as Sponsor, approve the deferral of the school's opening to the 2027-2028 school year pursuant to Section 1002.33(6)(b)5, Florida Statutes.

Section 1002.33(6)(b)5, Florida Statutes, states that "upon approval of an application, the initial startup shall commence with the beginning of the public-school calendar for the district in which the charter is granted. A charter school may defer the opening of the school's operations for up to three (3) years to provide time for adequate facility planning. The charter school must provide written notice of such intent to the sponsor and the parents of enrolled students at least 30 calendar days before the first day of school."

Prior to commencing operations, Florida School Organization IV, Inc. d/b/a Summit Academy Charter School II shall update its charter school application to reflect: (1) a revised budget, and (2) any other applicable modifications resulting from the approved deferral.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Agreement Term: July 1, 2026, through June 30, 2031
Multi-Year Agreement:	Yes
Procurement Method:	**Piggyback Agreement** (Yes/No): Not Applicable **Acquisition Method**: Not Applicable

Table B: Financial Impact, Funding Source, and Budget Authority *This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.*		
Budget Impact Summary Statement: There is no financial impact to the District.

July 10, 2026

Dear Ms. Donte Collins,

This letter serves as formal notification that, during an emergency meeting of the Florida Charter School Organization IV, Inc. Governing Board held on July 8, 2026, at 9:00 a.m., the Board voted to defer the opening of the school.

After careful consideration, the Board determined that it is in the best interest of the school and its stakeholders to postpone the planned opening due to pending litigation. This decision was made to allow the legal matters to be resolved before commencing school operations and to ensure a successful and stable launch.

Following the Board's action, the school has begun notifying all applicable stakeholders, including prospective families, employees, vendors, and other interested parties, of this decision. We are actively working on updating the school's website to reflect this information as well.

The school remains fully committed to the project and will continue working diligently to prepare for opening. We are committed to providing the Sponsor with periodic updates regarding the status of the litigation, facility readiness, and all other significant developments related to the school's progress.

At this time, the school anticipates opening in August 2027 for the 2027–2028 school year, subject to the resolution of the pending litigation and satisfaction of all applicable requirements.

We appreciate the Sponsor's continued support and understanding. Should you have any questions or require additional information, please do not hesitate to contact us.

Sincerely,

Jose Cervantes

Jose Cervantes
FCSO IV Inc. Governing Board

Electronic Articles of Incorporation For

FLORIDA CHARTER SCHOOL ORGANIZATION VII, INC.

II) EXECUTIVE SUMMARY

Form Result

The Executive Summary should provide a concise overview of the proposed plan for the school; its mission and vision; the educational need for the school and the anticipated student population; the education plan and school design; the school

culture; community engagement or partnerships to date; and the applicant team's capacity to successfully open and operate a high-quality school given the above considerations.

The Executive Summary should not exceed 2 pages and will not be counted against the page limits.

This section will not be rated and will not be a basis for an approval or denial decision. The Executive Summary should provide a concise overview of the proposed plan.

Our envisioned charter school, Summit Academy, in Broward County, Florida, represents an innovative educational paradigm that integrates Humane Sciences into the fabric of learning. As a replication of Summit Academy, a high-performing charter school in Broward County with a consecutive 'A' grade according to the Florida Department of Education, we bring proven strategies, systems, and a legacy of academic excellence to Broward County. Our mission is rooted in nurturing compassionate, globally conscious citizens who champion empathy, critical thinking, and ethical responsibility. Our overarching vision is to create a vibrant learning community that seamlessly blends Humane Sciences with traditional subjects, fostering a profound understanding of the interconnectedness of all life forms. Through innovative pedagogical approaches and a profound commitment to social responsibility, we are dedicated to delivering an exceptional educational experience that empowers students to excel academically and as conscientious global citizens.

Our school envisions an inclusive and intellectually stimulating environment where students develop a deep understanding of Humane Sciences while embracing diversity, empathy, and innovation. By cultivating a strong sense of community and mutual respect, our vision is to inspire students to become catalysts of positive change both locally and globally.

As a replication of Summit Academy, Summit Academy builds upon a proven model of success, characterized by individualized attention, differentiated instruction, and a supportive community. This approach aligns seamlessly with the anticipated student population we aim to serve. Summit Academy will be a haven for diverse learners, providing an education that resonates with our mission's core values. By offering tailored instruction and fostering a nurturing environment, we aim to empower students to excel both academically and ethically, just as Summit Academy has successfully done in Broward County.

The heart of our educational program lies in the integration of Humane Sciences within the core academic areas. This approach ensures alignment with Florida standards while nurturing students' holistic development. Our learning environment will be a dynamic blend of classroom-based instruction, collaborative projects, and experiential learning opportunities. With a focus on small class sizes, we are poised to provide personalized instruction that caters to varied learning needs, continuing the high standards set by Summit Academy.

Responding to the need for a holistic approach to education, we anticipate serving a diverse student population reflective of

Broward County's cultural richness. In a world grappling with complex challenges, our students will emerge as empowered advocates for positive change. We anticipate an inclusive student population that mirrors the county's cultural diversity, embracing children from varied backgrounds and perspectives. Our curriculum is designed as a dynamic tapestry where Humane Sciences, traditional subjects, and experiential learning intertwine. We champion inquiry-based learning, encouraging students to think critically and creatively. Blending classroom-based instruction with technology integration, we prepare our students for the digital age while fostering meaningful connections to real-world scenarios.

Our school culture is built upon the pillars of empathy, respect, and collaboration. We believe that embracing diversity enriches learning experiences and cultivates a well-rounded perspective. Cultural awareness is woven into every facet of our environment, creating a space where students grow academically and socially through shared experiences.

We have embarked on a journey of community engagement, forging partnerships with local organizations, cultural institutions, and eco-conscious initiatives. These collaborations enhance our curriculum by providing students with practical insights beyond textbooks, fostering a deeper connection between the classroom and the community they will ultimately serve. Engaging with community partners and cultural institutions, our curriculum extends beyond the classroom, enabling students to explore practical applications of their learning.

Our team brings a robust blend of educational expertise, community advocacy, and visionary leadership. As with Summit Academy, Summit Academy is united by a shared commitment to delivering an education that is both academically rigorous and aligned with our mission and vision. Our team's collective capacity positions us well to successfully open and operate a high-quality school that embraces the values of empathy and ethical responsibility.

Community engagement and parental involvement are integral to our school's ethos. Our dedicated governing board will uphold ethical standards and ensure sound governance. We are committed to open communication, fostering strong partnerships between parents, students, and the school. An appointed representative will facilitate parental involvement and address concerns.

In terms of operations, securing a suitable facility is of utmost importance. We will prioritize safety by implementing Alyssa's Law protocols, active assailant response plans, and threat assessment teams. Our approach emphasizes both physical

safety and cultivating a culture of open reporting and clear disciplinary procedures.

Financial accountability and sustainability underscore our operational philosophy. Our financial management will adhere to the highest standards of transparency, internal controls, and compliance with legal requirements. Through prudent budgeting, we will efficiently allocate resources, always prioritizing the best interests of our students and their education.

In summary, Summit Academy is a replication of the successful Summit Academy, building upon a transformative approach to K-8 education by seamlessly integrating Humane Sciences into the learning journey. By weaving Humane Sciences into the curriculum, fostering an inclusive learning environment, and nurturing strong community partnerships, we aspire to cultivate lifelong learners, compassionate leaders, and active contributors to a better world. With a mission to cultivate compassionate, globally conscious citizens, we are driven by an unwavering commitment to preparing students for the complexities of the world they will inherit. Through innovative curriculum design, community engagement, and a passionate team, we are poised to establish a transformative institution that equips students with the skills, values, and mindset needed to thrive in a rapidly changing global landscape.

Evaluation Rubrics

This application element is not evaluated

III) EDUCATIONAL PLAN

The education plan should define what students will achieve, how they will achieve it, and how the school will evaluate performance. It should provide a clear picture of what a student who attends the school will experience in terms of educational climate, structure, assessment and outcomes.

1. Mission, Guiding Principles and Purpose

Reviewer Instructions

The Mission, Guiding Principles and Purpose section should indicate what the school intends to do, for whom and to what degree.

Statutory References:

s. 1002.33(2)

Evaluation Criteria:

A response that meets the standard will present:

- A clear and compelling mission and vision statement that defines the guiding principles and values of the school.

- Adequate references to evidence that the application fulfills the statutory guiding principles and purposes for charter schools. (Note: the substance of each addressed principle and purpose will be evaluated within appropriate application sections.)

Form Result

A. Provide the mission and vision statements for the proposed charter school. The mission is a statement of the fundamental purpose of the school, describing why it exists. The vision statement outlines how the school will operate and what it will achieve in the long term. The mission and vision statement provide the foundation for the entire proposal, and taken together, should illustrate what success looks like.

- *If the applicant is proposing a classical charter school, include how the school will emphasize the development of students in the principles in moral character and civic virtue through a well-rounded education in the liberal arts and sciences, which is based on the classical trivium stages of grammar, logic, and rhetoric.*

Mission Statement:

Inspiring Compassion, Nurturing Curiosity: Our proposed charter school in Broward County, Florida, is dedicated to cultivating a dynamic educational environment where students in grades K-8 embark on a transformative journey of humane sciences exploration. Our mission is to instill a profound sense of empathy, ethical awareness, and global responsibility in each student. Through an innovative curriculum that seamlessly integrates humane sciences with traditional subjects, we aim to empower future leaders who embrace diversity, practice compassion, and drive positive change, both locally and globally.

Vision Statement:

In our envisioned future, our charter school stands as a beacon of educational excellence, igniting young minds with a passion for knowledge and compassion. We envision a vibrant and inclusive community where students, educators, and families collaborate in fostering a deep understanding of the interdependence of all living beings and the planet. By cultivating critical thinking, cultural sensitivity, and a commitment to environmental sustainability, our graduates will thrive as ethical decision-makers, social innovators, and advocates for a better world. Our vision is to nurture graduates who radiate empathy, champion human welfare and ecological harmony, and leave an indelible mark on Broward County, Florida, and the global community.

Broward Public Schools Strategic Vision:

Summit Academy Charter School II is committed to advancing the Broward County Strategic Plan as outlined in the Florida Department of Education Authorizer's Report published in January 2025. We embrace the district's vision to become premier centers of knowledge, organized around students and the quality of the work provided to them, with a promise to move from good to great by creating challenging, engaging, and meaningful learning experiences for every child, every day. Summit Academy Charter School II will uphold this vision by maintaining high academic and ethical standards, operating with the autonomy afforded to charter schools while ensuring accountability for student outcomes and fiscal responsibility, and protecting student and public interests through a safe, caring, and inclusive environment. In partnership with Broward Public Schools, parents, and the community, we will work collaboratively to ensure all students graduate prepared with the knowledge, skills, and desire to succeed. Summit Academy Charter School II will complement the district's initiatives while serving as a model of innovation, community engagement, and

student-centered excellence that strengthens the entire public school system.

B. Describe how the proposed school will utilize the guiding principles found in section 1002.33(2)(a), F.S.

In accordance with the law, charter schools shall be guided by the following principles:

- *Meet high standards of student achievement while providing parents flexibility to choose among diverse educational opportunities within the state's public school system.*
- *Promote enhanced academic success and financial efficiency by aligning responsibility and accountability.*
- *Provide parents with sufficient information on whether their child is reading at grade level and whether the child gains at least a year's worth of learning for every year spent in the charter school.*

    - *Meet high standards of student achievement while providing parents flexibility to choose among diverse educational opportunities within the state's public school system.* PAGE(S) 7, 21-23
    - *Promote enhanced academic success and financial efficiency by aligning responsibility and accountability.* PAGE(S) 28-29, 50-51, 54-57
    - *Provide parents with sufficient information on whether their child is reading at grade level and whether the child gains at least a year's worth of learning for every year spent in the charter school.* PAGE(S) 19-21

C. Describe how the proposed school will meet the prescribed purposes for charter schools found in section 1002.33(2)(b), F.S.

In accordance with the law, charter schools shall fulfill the following purposes:

- *Improve student learning and academic achievement.*
- *Increase learning opportunities for all students, with a special emphasis on low-performing students and reading.*
- *Encourage the use of innovative learning methods.*
- *Require the measurement of learning outcomes.*

In accordance with the law, charter schools shall fulfill the following purposes:

- *Improve student learning and academic achievement.* PAGE(S) 7, 12, 14-16
- *Increase learning opportunities for all students, with a special emphasis on low-performing students and reading.* PAGE(S) 7, 10-14
- *Encourage the use of innovative learning methods.* PAGE(S) 7-10
- *Require the measurement of learning outcomes.* PAGE(S) 14, 16-19

D. Describe how the proposed charter school will fulfill the optional purposes of charter schools found in section 1002.33(2)(c), F.S. If one or more of the optional purposes does not apply to the proposed school, please note "N/A". **This section is optional.**
In accordance with the law, charter schools may fulfill the following purposes:

- *Create innovative measurement tools.*
- *Provide rigorous competition within the public school district to stimulate continual improvement in all public schools.*
- *Expand the capacity of the public school system.*
- *Mitigate the educational impact created by the development of new residential dwelling units.*
- *Create new professional opportunities for teachers, including ownership of the learning program at the school site.*

2. Target Population and Student Body

Reviewer Instructions

The Target Population and Student Body section should describe the anticipated target population of the school and explain how the school will be organized by grade structure, class size and total student enrollment over the term of the school's charter.

Statutory Reference(s):

s. 1002.33(10)

Evaluation Criteria:

A response that meets the standard will present:

- A clear description of the students the charter school intends to serve including any target populations in accordance with Florida law.
- Alignment of the targeted student body with the overall mission of the school.

Form Result

A. Describe the anticipated student population to be served and how that aligns with the school's mission. Applicants should state if they will give enrollment preference or limit the enrollment process, as allowed by law, to certain student populations defined in section 1002.33(10)(d) & (e), F.S.[2] If the applicant intends to have enrollment preferences they should be described in the ***Student Recruitment and Enrollment*** section.

---

[2] For operators intending to apply and be eligible for federal funding under the US Department of Education's Charter Schools Program, recruitment and admissions policies and practices must meet all federal requirements. *See* Charter Schools Program, Title V, Part B of the ESEA, Non-regulatory Guidance, Section E. (Lottery, Recruitment and Admissions).

The anticipated student population to be served by our proposed charter school aligns seamlessly with the school's mission, emphasizing the integration of humane sciences, compassion, and responsible global citizenship. We envision a diverse and inclusive student body that encompasses a broad range of backgrounds and characteristics, fostering an environment of mutual respect, understanding, and collaborative learning.

Alignment with the School's Mission:

Diversity of Backgrounds: Our anticipated student population reflects the rich diversity found in the Broward community, including a mix of racial, ethnic, socioeconomic, and cultural backgrounds. This diversity aligns with our mission to cultivate empathy and cultural sensitivity among students, preparing them to engage thoughtfully in a globalized world. Broward's current demographics of **243,553** school aged children enrolled in BCPS during 2024-2025 are: 39.1% Hispanic, 38.1% Black/African American, 16.1% White, 3.7% Asian, 2.6% Multiracial and 0.2% American Indian/ Native Alaskan. The current population of economically disadvantaged students in Broward County is 53.2%.

Empathy and Compassion: Students joining our school are expected to come with an inherent curiosity and willingness to explore humane sciences, showcasing their genuine interest in understanding and addressing societal and environmental issues. This resonates with our mission to inspire compassion and ethical awareness, nurturing their sense of responsibility for both human welfare and the well-being of all living beings.

Commitment to Ethical Decision-Making: The student population is anticipated to include families who value ethical decision-making and the development of strong moral character. Our mission aligns perfectly with this commitment by infusing ethics and integrity into every aspect of education, empowering students to make principled choices.

Global Awareness: Students who enroll in our school are likely to share an interest in global perspectives and cross-cultural understanding. Our mission dovetails with this by fostering a broader outlook on the interconnectedness of the world, preparing students to contribute as responsible global citizens.

Environmental Consciousness: Given Broward's environmental concerns and its relevance in Florida's ecosystem, our anticipated student population will likely include families who value environmental sustainability. This aligns with our mission to nurture a sense of responsibility for ecological harmony and the well-being of the planet.

Enrollment Preferences and Limitations:

In accordance with the provisions of section 1002.33(10)(d) & (e), F.S., we acknowledge that our charter school may be allowed to give enrollment preferences or implement limitations based on certain student populations, such as students within specific age groups or grade levels and students who reside within a reasonable distance of the school, subject to certain provisions described in the law.

In Section 14 of our application, we will provide a detailed description of our intended enrollment preferences, ensuring that they are in full compliance with state regulations and are aligned with our mission to foster an inclusive, compassionate, and diverse learning environment. These preferences will be designed to further our commitment to equal educational opportunities while addressing the unique needs and circumstances of specific student populations as permitted by law.

B. If a facility has not been identified in the ***Facilities*** section of this application, state the geographic area which the applicant intends to serve.

In Section 16 of our application, we acknowledge that a facility has not yet been identified. However, we are committed to serving the educational needs of the Broward County community. The geographic area we intend to serve encompasses neighborhoods and districts within Broward County and possibly within the Davie area. Our goal is to provide accessible and quality education to a diverse range of students from various neighborhoods, ensuring that our charter school becomes a valuable resource for families throughout the broader Broward area. As we progress in our application process and secure a facility, we will provide specific details regarding the physical location and its accessibility to the community we intend to serve.

C. Provide enrollment projections in the table below for each year of proposed operation. These projections are not enrollment caps. Annual capacity determinations will be made by the governing board in conjunction with the sponsor per section 1002.33(10), F.S.

Five Year Enrollment Projections

	Year 1	Year 2	Year 3	Year 4	Year 5

11					
12					
Total	0	0	0	0	0

D. Provide a brief explanation of how the enrollment projections were developed.

Enter explanation here

The charter school will serve no more than the Certificate of Occupancy of the facility states as a maximum. Furthermore, the applicant will notify the sponsor in accordance with the Florida Statutes of projected changes to enrollment.

Enrollment projections for the K-8 school were developed through a combination of demographic data analysis, local population trends, and educational demand considerations. Although some charter schools in Broward County have opened with less students than we have projected, we must take into consideration the increase in population.

Demographic Analysis: Data was collected on the current population of school-aged children in the County of Broward and the surrounding areas. This analysis, conducted by CBRE LLC, included factors such as age distribution, household composition, and racial/ethnic backgrounds. The goal was to understand the potential pool of students that the school could draw from.

Population Trends: Historical and current population trends in Broward were examined to identify any growth or decline patterns in the school-aged population. This information helped project how the student population might change over the coming years. Information was gathered using US Census data as well as information from established projection models.

Educational Demand: Market research and surveys were conducted to assess the demand for a K-8 school with a focus on humane sciences in the Broward area. This included gauging parent interest, preferences for alternative education approaches, and the alignment of the proposed curriculum with community values.

Local Factors: Consideration of local factors, such as nearby schools, their capacities, and educational offerings, played a role in estimating the enrollment for the new school. Additionally, economic conditions and employment opportunities in the area impact enrollment projections.

Community Engagement: Input from the community, including potential parents, educators, and stakeholders, was gathered through meetings, focus groups, or surveys. This assisted in understanding the community's level of interest and support for the school.

Comparable Schools: Most enrollment projections and school-based demographics information was derived from the FLDOE Broward County Report Card for the 2024-2025 school year. Similar charter schools or educational institutions in other areas, their enrollment patterns, ESE and ELL populations and experiences were considered to inform projections for the new school.

Adjustments and Scenarios: Enrollment projections involved multiple scenarios based on different assumptions, such as varying rates of growth, marketing effectiveness, and community engagement outcomes. These scenarios helped account for uncertainties and plan for different contingencies.

Expert Consultation: Education experts, demographers, and data analysts have been consulted to provide insights and expertise in projecting enrollments, considering factors like birth rates, migration patterns, and educational trends.

Feedback Loops: As the school becomes established, the enrollment projections will be continuously refined based on actual enrollment numbers, feedback from parents and students, and other real-world factors that emerge.

It's important to note that enrollment projections are estimates and can be influenced by various factors. Flexibility in accommodating different enrollment outcomes is often built into the school's planning and budgeting processes.

E. Briefly explain the rationale for the number of students and grade levels served in year one and the basis for the growth plan in subsequent years as illustrated in the table above.

Enter explanation here

The decision regarding the number of students and grade levels served in year one, as well as the growth plan for subsequent years, is rooted in a strategic approach to ensure a smooth and impactful launch while maintaining the quality of education and the integrity of our mission.

Year One (Initial Year):

In the first year, we have chosen to begin with a focused enrollment, serving a limited number of students in each grade level. This approach allows us to establish a strong foundation for our educational programs, develop a close-knit school community, and ensure personalized attention to each student. By commencing with a manageable student population, we can effectively refine our curriculum, teaching methodologies, and administrative processes, thereby setting the stage for sustainable growth.

Growth Plan (Subsequent Years): The growth plan outlined in subsequent years is informed by the following factors:

Educational Excellence: As we expand grade levels in subsequent years, we prioritize maintaining the quality of education and preserving our commitment to humane sciences, compassion, and global awareness. Gradual growth enables us to ensure that each new grade level receives the same high standard of education that our initial cohorts experienced.

Faculty and Resources: Our growth plan takes into account the recruitment and professional development of qualified educators who resonate with our mission. Scaling up in a thoughtful manner ensures that we can adequately support our faculty and provide students with the attention and resources they deserve.

Physical Facilities: The growth plan considers the identification and preparation of appropriate physical facilities. We aim to secure a facility that accommodates the growing student population, adheres to safety standards, and fosters an environment conducive to our educational goals.

Community Engagement: Each phase of growth involves engaging with the community, parents, and stakeholders to ensure that the expansion aligns with the evolving needs and expectations of the Broward area.

Sustainability: The growth plan is designed to be sustainable, both academically and financially. Gradual expansion allows us to maintain fiscal responsibility and avoid compromising the quality of education or the unique ethos of our school.

In summary, our approach balances the desire to provide transformative education with the need to ensure a strong foundation for our students and school community. We are committed to a thoughtful and deliberate growth trajectory that

aligns with our mission, values, and the educational aspirations of our students and families.

Evaluation Criteria: Target Population and Student Body

Reviewers will look for:

- A clear description of the students the charter school intends to serve including any target populations in accordance with Florida law.
- Alignment of the targeted student body with the overall mission of the school.

3. Educational Program Design

Reviewer Instructions

The Educational Program Design section should describe the educational foundation of the school and the teaching and learning strategies that will be employed.
Statutory Reference(s):
s. 1002.33(7)(a)2.
Evaluation Criteria:
A response that meets the standard will present an educational program design that:

- An educational program design that:
  - Is clear and coherent;

    - Is based on effective, experience or research-based educational practices and teaching methods, and high standards for student learning;
    - Aligns with the school's mission and responds to the needs of the school's target population, and
    - Is likely lead to improved student performance for the school's target population.
- A proposed daily school schedule and annual calendar that complies with statutory requirements for annual number of instructional minutes/days and aligns with priorities and practices described in the educational program design.

Form Result

A. Describe the proposed charter school's educational program.

The proposed charter school's educational program is designed to offer a unique and comprehensive learning experience centered around humane sciences, fostering empathy, critical thinking, and responsible global citizenship. Our program integrates traditional subjects with the principles of humane sciences, cultivating a holistic approach to education that prepares students for success in an interconnected world. Here's an overview of our educational program:

Humane Sciences Curriculum: Our curriculum places a strong emphasis on humane sciences, encompassing a range of subjects that explore the interconnectedness of life, ethical decision-making, and global challenges. Students learn about animal welfare, environmental sustainability, social justice, and cultural diversity. This interdisciplinary approach encourages students to think critically and reflect on their role in promoting positive change.

Integrated Learning: We believe in the power of integration. Core subjects such as language arts, mathematics, science, and social studies are interconnected with humane sciences concepts. For example, students might explore literature that highlights empathy, analyze data related to environmental issues in mathematics, or study historical events through a lens of social responsibility.

Experiential Learning: We embrace experiential learning as a key pedagogical approach. Students engage in hands-on projects, field trips, and community service initiatives that allow them to apply their learning to real-world situations. Whether it's participating in local environmental conservation efforts or volunteering at animal shelters, students gain a deeper understanding of the impact they can make.

Cultural Enrichment: Cultural diversity is celebrated through our curriculum. Students learn about different cultures, traditions, and perspectives, fostering respect and empathy for others. Activities, festivals, and guest speakers create a dynamic and inclusive learning environment.

Ethical Education: Ethical education is woven into every facet of our program. Through discussions, case studies, and reflective practices, students develop strong moral character, ethical reasoning, and the ability to make principled decisions in both personal and societal contexts.

Environmental Awareness: Given our commitment to environmental sustainability, students learn about ecological systems, conservation, and sustainable practices. Outdoor activities, nature studies, and eco-friendly initiatives contribute to a sense of responsibility for the planet.

Global Perspectives: Our program encourages students to think globally. Through projects, virtual exchanges, and collaborations with schools around the world, students gain a deeper understanding of global issues and develop the skills to collaborate on solutions.

Individualized Support: We recognize the uniqueness of each student. Our educators provide differentiated instruction to meet diverse learning styles, abilities, and interests. Small class sizes ensure personalized attention, fostering both academic growth and well-being.

In summary, the proposed charter school's educational program is a pioneering blend of humane sciences, traditional subjects, experiential learning, and ethical education. Through this innovative approach, we aim to nurture compassionate, informed, and globally aware individuals who are well-equipped to create positive change in their communities and beyond.

B. Describe the basic learning environment (e.g., classroom-based, independent study, blended learning), including rationale for class size and structure and how the learning environment supports and is consistent with the mission.

Our proposed charter school offers a dynamic and engaging learning environment that combines classroom-based instruction with experiential learning and blended learning strategies. This approach ensures a well-rounded education that aligns with our mission of nurturing empathy, critical thinking, and responsible global citizenship.

Classroom-Based Instruction: Classroom-based instruction forms the foundation of our learning environment. In these spaces, students engage in interactive discussions, collaborative projects, and hands-on activities that foster deeper understanding and connection with the curriculum. Expert educators facilitate these sessions, providing guidance and personalized support.

Experiential Learning: We believe that learning is most impactful when students directly engage with the subject matter. Experiential learning takes place through field trips, community service, and hands-on projects. This approach allows students to apply classroom concepts to real-world situations, reinforcing the values of empathy and responsible citizenship.

Blended Learning: To accommodate diverse learning styles and prepare students for technology-driven environments, we incorporate blended learning approaches. This entails a combination of in-person instruction and digital resources, allowing students to access learning materials, conduct research, and collaborate online. Blended learning enhances self-directed learning skills while maintaining the benefits of traditional classroom interactions.

Our choice of class size and structure is guided by our mission to provide individualized attention, foster a sense of community, and create a supportive environment for each student's holistic growth.

Smaller Class Sizes: We maintain smaller class sizes to ensure personalized attention and meaningful interactions between educators and students. This allows educators to address individual learning needs, promote active engagement, and build relationships that facilitate development. Our class sizes are not based on averages but a true 18:1 or 22:1 ratio.

Collaborative Structure: Our classrooms are designed to encourage collaboration and open dialogue. Group discussions, peer collaborations, and team projects enable students to learn from one another's diverse perspectives, promoting a deeper understanding of the interconnectedness of the world.

<u>The learning environment aligns seamlessly with our mission:</u>

Empathy and Collaboration: The classroom-based and collaborative structure nurtures empathy and effective

communication, values that are essential to responsible global citizenship.

Experiential Learning: The experiential learning component reinforces the principles of compassionate action and environmental stewardship, directly reflecting our mission's emphasis on empathy and ethical responsibility.

The educational program of our proposed charter school is informed by a well-rounded research base that draws from various educational theories, methodologies, and best practices. Our approach is founded on a synthesis of educational research that supports the integration of humane sciences, experiential learning, and holistic development.

Humane Sciences and Ethical Education: Research on humane education, ethical reasoning, and character development underpins our focus on empathy, compassion, and ethical decision-making. Studies emphasize the importance of nurturing these qualities to create responsible citizens.

Experiential and Project-Based Learning: The use of experiential and project-based learning is supported by research that highlights its effectiveness in promoting deeper understanding, engagement, and retention of knowledge. These methodologies align with our goal of fostering real-world connections and practical application.

Life Skills and Wellness: Our program incorporates life skills and wellness principles to foster emotional intelligence, self-awareness, and interpersonal skills, aligning with our mission to nurture holistic growth.

Global Citizenship Education: The concept of global citizenship education is informed by research on cultivating global awareness, intercultural competence, and a sense of responsibility for the planet. Our program draws from this research to prepare students as responsible, active global citizens.

Inquiry-Based Learning and Critical Thinking: Research on inquiry-based learning and critical thinking underscores their role in developing problem-solving skills, curiosity, and analytical thinking. These aspects are integrated into our curriculum to encourage students to think critically about complex global issues.

Multidisciplinary and Integrated Curricula: The use of multidisciplinary and integrated curricula is informed by research showing that these approaches foster connections between subjects, leading to a deeper understanding of the material. Our program uses this approach to weave humane sciences into traditional subjects.

As we move forward, we remain committed to ongoing reflection and refinement based on the latest educational

research to continually enhance our students' learning experiences.

C. Describe the research base used to design the educational program.

The educational program is grounded in a comprehensive research base and designed to align closely with Florida statutes and the specific requirements of the Broward County Pupil Progression Plan and Reading Plan. This alignment ensures a high-quality educational experience that meets state standards and local expectations while supporting high achievement, engagement, and student growth. Drawing on educational psychology, developmental learning theories, and evidence-based instructional practices, the program emphasizes a balanced approach to academics, life skills learning, and critical thinking. Some of the research used in planning the educational design is published by National Institute of Health, The Aspen Institute and The Learning Policy Institute.

Core elements include differentiated instruction, allowing students to progress at individual paces, supported by Florida Statute § 1008.25, which mandates remediation and progression protocols to support student achievement. The use of formative assessments is integral to this model, ensuring alignment with state requirements and enabling instruction tailored to student needs—a practice extensively supported by research showing that personalized learning enhances achievement and motivation.

Cognitively based strategies, such as spaced repetition and active learning, are also employed, following evidence indicating these methods enhance retention and mastery over time. Additionally, the program integrates project-based learning (PBL), rooted in constructivist theories, to foster collaborative problem-solving skills. This approach supports the development of skills essential for long-term success, including communication, teamwork, and adaptability, as outlined in the Broward County Pupil Progression Plan's emphasis on skill mastery and real-world readiness.

A strong focus on reading development is built into the program, directly aligned with the Broward County Reading Plan and Florida Statute § 1003.4156, which outlines reading intervention and proficiency goals. Targeted reading strategies and interventions address diverse literacy needs, ensuring students achieve benchmarks that support their progression.

Lastly, character education is a critical pillar of the program, based on research showing the long-term impact of life skills learning on academic and personal success, in alignment with Florida’s character education requirements.

With this strong foundation in state and local guidelines and research-based strategies, the educational program is innovative, inclusive, and impactful, ensuring that all students are prepared for success within the classroom and beyond.

D. Provide a sample daily schedule and school annual calendar, including the annual number of days and hours of instructional time as Attachment B. (Note: if approved, the Governing Board will formally adopt an annual calendar)

Attachment B: Sample daily school schedule and annual school calendar

Attachment B.pdf
2.43 MB • Added 2 months ago

E. Explain how the services the school will provide to the target population support attainment of the state-adopted standards, as required by section 1002.33, F.S.

The services that our proposed charter school will provide to the target population are carefully designed to support the attainment of state-adopted standards as required by section 1002.33, F.S. Our educational approach, which integrates humane sciences with traditional subjects, is strategically aligned with state standards to ensure that our students meet and exceed the academic expectations while also fostering the values and skills outlined in our mission. Here's how our services support the attainment of state-adopted standards:

Curriculum Alignment: Our curriculum is intentionally aligned with state-adopted standards for each subject area. While integrating humane sciences, we ensure that the core concepts and skills required by the state standards are covered. This alignment is achieved through careful mapping of curriculum objectives and cross-referencing them with the relevant standards.

Rigorous Learning: Our approach emphasizes academic rigor by addressing the cognitive demands outlined in state standards. Through engaging activities, thoughtful assessments, and challenging projects, students are exposed to complex ideas and encouraged to apply critical thinking skills, ensuring their preparedness for standardized assessments.

Transdisciplinary Learning: We believe that real-world issues often require a multidisciplinary understanding. By incorporating humane sciences across subjects, we encourage students to make connections between different content areas. This approach not only promotes holistic understanding but also supports the development of higher-order thinking skills.

Experiential Learning and Application: Our focus on experiential learning and application is closely tied to state standards that emphasize practical skills and real-world relevance. Students apply their learning through projects, investigations, and community engagement, demonstrating mastery of both content and skills.

Individualized Support: Services such as differentiated instruction, tutoring, and academic interventions are provided to meet the diverse needs of our student population. This personalized approach ensures that every student has the opportunity to grasp and excel in the subject matter, aligning with standards for equitable access and achievement.

Assessment and Progress Monitoring: We assess student learning through a variety of methods, including formative and summative assessments. Assessments are designed to align with state-adopted standards, providing valuable data to measure progress and inform instructional decisions.

Life Skills and Wellness: Supporting students' development aligns with the state's emphasis on whole-child education. Wellness services help students manage emotions, develop interpersonal skills, and maintain a positive attitude towards learning, contributing to overall academic success.
In summary, our school's services are intentionally structured to align with state-adopted standards, ensuring that students not only meet academic expectations but also develop the values, skills, and competencies outlined in our mission. The integration of humane sciences, experiential learning, and individualized support creates a comprehensive educational experience that is both academically rigorous and values-driven, preparing students for success in both their academic endeavors and their contributions to society.

Evaluation Criteria: Educational Program Design

Reviewers will look for

- An educational program design that:
  - Is clear and coherent;
  - Is based on effective, experience- or research-based educational practices and teaching methods, and high standards for student learning;
  - Aligns with the school's mission and responds to the needs of the school's target population, and
  - Is likely lead to improved student performance for the school's target population.
- A proposed daily school schedule and annual calendar that complies with statutory requirements for annual number of instructional minutes/days and aligns with priorities and practices described in the educational program design.

Notes

Concern was added at 10/10/2025 09:51 AM by Dillon Giorgis

Daily schedule does not meet 1003.455 for Elementary Physical Education. Students must receive 150 minutes of physical education weekly.

Science of Reading:

---How will the school ensure that there is a systematic, explicit and multisensory approach to instruction in foundational skills especially for **primary** students? The application indicates that they will be implementing "guided reading" for small group instruction. This is a Balanced Literacy practice. SoR illustrates that effective small group instruction should be differentiated, fluid, flexible and skill based.

---Who will train the teachers to implement small group instruction grounded in the Science of Reading?

Differentiated Instruction:

---How will **all content areas** identify differentiated instruction to meet the needs of all students throughout the school day, and not just in reading classes?

Professional Development:

The application fails to outline how teachers will receive training for the programs and strategies identified in the application.

---How will teachers be provided the professional development to support these programs and structure? Who will deliver the PD? If provided by in-house staff, how is the effectiveness of the PD evaluated? How will teachers be monitored and supported with implementation of best practices learned in the PD offering.

---- Describe how all teachers will be trained in the programs/curriculum used in each subject area, grade level, and ability level.

Concern was added at 10/15/2025 03:57 PM by Rhonda L. Stephanik

As per **Nicole Marsala, Secondary Curriculum Supervisor, Social Studies:**
Note was added at 10/09/2025 12:20 PM by Nicole Marsala
Please ensure that everythig listed in the educational program is aligned to state standards and statute.

4. Curriculum and Instructional Design

Reviewer Instructions

The Curriculum Plan section should explain not only *what* the school will teach but also *how* and *why*.

Statutory Reference(s):

s. 1002.33(6)(a)2.; s. 1002.33(6)(a)4.; s. 1002.33(7)(a)2.; s.1002.33(7)(a)4.

A response that meets the standard will present a curriculum plan that:

- Provides a clear and coherent framework for teaching and learning;
- Is research-based;
- Is well-aligned with the school's mission and educational philosophy;
- Provides an emphasis on reading;
- Will enable students to attain Florida standards and receive a year's worth of learning for each year enrolled; and
- Will be appropriate for students below, at, and above grade level.

Form Result

A. Describe the school's curriculum in the core academic areas, illustrating how it will prepare students to achieve Florida standards. Describe the primary instructional strategies that the school will expect teachers to use and why they are appropriate for the anticipated student population. Describe the methods and systems teachers will have for providing differentiated instruction to meet the needs of all students, including how students who enter the school below grade level will be engaged in and benefit from the curriculum and the formalized multi-tiered level of supports that will be provided to students who are performing below grade level. In particular, describe the mathematics curriculum and differentiated strategies that will be used for students performing at grade level or higher and a separate mathematics curriculum and strategies for students who are performing below grade level.

Enter description here

Our school's curriculum is meticulously designed to align with Florida standards in the core academic areas while infusing the principles of humane sciences. In English Language Arts (ELA), Mathematics, Science, and Social Studies, our curriculum maps content, skills, and benchmarks align to state standards. This alignment ensures that students gain the knowledge and skills needed to succeed academically and prepare for standardized assessments. The school will adopt State approved curriculum as well as District and State Assessments upon approval of application from the latest adoption lists.

English Language Arts (ELA): Our ELA curriculum emphasizes reading comprehension, writing, and effective communication through a 90-minute uninterrupted reading block. Through literature (fiction and nonfiction), students analyze diverse perspectives, fostering empathy and cultural understanding. They practice evidence-based writing, critical analysis, and language conventions, skills that align with ELA standards. The school will also be implementing the Science of Reading in the foundational skills teaching and support.

Possible Planned Textbooks at time of Application: MyView by Savvas or Benchmark K-5 by Benchmark Education. Benchmark Intervention Kits and Phonics or Read180 for intervention. MyPerspectives (6-8) by Savvas Learning Company LLC, formerly Pearson K12 Learning LLC. Phonics for Reading (Intensive Reading 6-8) by Curriculum Associates.

Mathematics: The mathematics curriculum focuses on conceptual understanding, problem-solving, and real-world applications. Students engage in hands-on activities, group discussions, and digital resources, aligning with state mathematics standards. The curriculum builds a strong mathematical foundation while nurturing critical thinking skills. In response to legislative changes, such as House Bill 7039 (2023), the School has implemented measures to identify and support students with substantial deficiencies in mathematics. This includes systematic and explicit instruction tailored to individual student needs, progress monitoring, and collaboration with parents to develop individualized progress monitoring plans.

Planned Textbook at time of Application: Envision (K-8) by Savvas Learning Company LLC, formerly Pearson K12 Learning LLC. For Advanced Math, Savvas Envision Algebra 1. Intensive Mathematics Curriculum will be Ready Toolkit and Ready Grade Level Materials by Curriculum Associates.

Science: In science, students explore the interconnectedness of life, ecosystems, and environmental challenges. Inquiry-based learning and hands-on experiments foster scientific inquiry, aligning with state science standards. Students develop

critical thinking and data analysis skills, preparing them for scientific literacy.

Planned Textbook at time of Application: Elevate/Expedition (2026) (K-8) by Savvas Learning Company LLC, formerly Pearson K12 Learning LLC.

Social Studies: Our social studies curriculum examines historical contexts, cultural diversity, and global citizenship. Students analyze primary sources, engage in discussions, and explore current events, aligning with state social studies standards. This curriculum fosters critical thinking, civic engagement, and a deep understanding of societies.

Planned Textbook at time of Application: Gallopade for Florida (Series K-5) and Cengage Learning (6-8).

Mathematics (some proposed ideas of instructional strategies):

Our mathematics program is aligned to the Florida B.E.S.T. standards and delivered in a daily block with a brief number-sense routine, a concise concept launch, small-group rotations, and a synthesis/exit ticket. A dedicated 30–45 minute "WIN" period occurs 3–5 days per week for targeted acceleration or intervention without pulling students from core instruction. Teachers use curriculum-embedded exit tickets, common unit assessments, and FAST (PM1–PM3); data are reviewed in bi-weekly PLCs to regroup students within a schoolwide MTSS framework (Tier 1 for all, Tier 2 strategic, Tier 3 intensive). ESE and ELL students access grade-level content through UDL, co-teaching, scaffolded language objectives, visuals, and accommodations per plan.

For students performing at grade level or higher, teachers use a problem-based, B.E.S.T.-aligned core with enrichment that emphasizes DOK 3–4 tasks, math discourse, error analysis, and real-world modeling (e.g., Desmos/GeoGebra). Flexible grouping, curriculum compacting, and choice projects extend learning; readiness-based acceleration in grades 6–8 provides advanced pathways (e.g., Pre-Algebra/Algebra 1), with placement adjusted as data show mastery. Opportunities such as Math Circles, investigations, and clubs/competitions further challenge students.

For students performing below grade level, Tier 2 provides small-group, standards-aligned intervention 3–5 times weekly (20–30 minutes) on prerequisite skills (number sense, operations, fractions). Tier 3 delivers explicit, systematic instruction 4–5 times weekly (30–45 minutes) following a Concrete-Representational-Abstract sequence with cumulative review. Instruction features I do–We do–You do modeling, immediate feedback, daily fluency practice, manipulatives and visual models, schema-based strategies for word problems, front-loaded vocabulary with sentence frames, and short pre-teach/re-teach cycles; adaptive practice tools are used purposefully and monitored.

Progress is monitored bi-weekly with curriculum-based measures and skill probes, with monthly fidelity checks; students enter/exit tiers based on clear criteria (e.g., two consecutive data points at/above target and common assessment performance). School goals include sustaining or moving more students to FAST Levels 4–5 and increasing Algebra 1 proficiency by grade 8 where offered. Families receive brief, plain-language updates after each FAST window and unit assessment, along with aligned home resources for both enrichment and skill reinforcement.

Primary Instructional Strategies:

Our primary instructional strategies reflect our commitment to experiential learning, inquiry-based exploration, and technology integration. These strategies are appropriate for our anticipated student population as they:

- Promote Engagement: Experiential learning, such as field trips and hands-on projects, captivates students' curiosity and makes learning relevant to their lives.
- Foster Critical Thinking: Inquiry-based learning encourages students to ask questions, investigate problems, and develop analytical skills.
- Enhance Digital Literacy: Technology integration prepares students for the digital age and enables them to access diverse learning resources.
- Cultivate Empathy: Literature discussions, group activities, and community engagement instill empathy and an understanding of diverse perspectives.

Differentiated Instruction and Multi-Tiered Support to meet the diverse needs of students:

- Differentiation: Teachers employ various instructional methods, materials, and assessments to address individual learning styles, abilities, and interests.
- Student Entry Below Grade Level: Students entering below grade level as per the FAST data or other screening tools used, receive additional support through targeted interventions, small group instruction, and personalized learning plans. Parents are immediatley made aware of the deficiencies or strategies being used for remediation.

MTSS: Summit Academy Charter School II will implement a robust Multi-Tiered System of Supports (MTSS) to assist students performing below grade level. The MTSS framework will provide a structured, data-driven approach to identify students in need of additional academic or behavioral interventions and ensure they receive timely, targeted support

to improve their performance. The process will include the following key components:

Identification of Students Needing Support: Summit Academy Charter School II will utilize various evaluation tools to identify students who are below grade level. Initial identification will be based on results from FAST progress monitoring, classroom assessments, teacher observations, and other diagnostic tools such as iReady and STAR assessments. Additionally, the school will analyze state PM3 data to identify trends in student achievement and flag students needing immediate interventions.

Once students are identified, Summit Academy Charter School II will initiate the MTSS process by placing students in the appropriate intervention tier based on their needs. The school will ensure this process is collaborative and involves teachers, parents, and staff to create individualized intervention plans.

Tier 1: Core Instruction: Tier 1 represents the core academic instruction provided to all students. Summit Academy Charter School II will ensure that core instruction is rigorous, standards-aligned, and differentiated to meet the diverse needs of students. Teachers will incorporate evidence-based strategies to promote mastery of grade-level content and reduce the number of students needing additional interventions.

Tier 1 instruction will be monitored through classroom formative assessments, progress monitoring tools, and regular data chats between teachers and school leadership. These data chats, conducted at least once a month, will ensure that instructional practices are adjusted to address any gaps in learning before students fall significantly behind.

Tier 2: Targeted Small-Group Interventions: Students who demonstrate difficulty mastering grade-level standards despite receiving high-quality Tier 1 instruction will be moved to Tier 2. At this level, students will receive additional targeted interventions in small groups. Interventions may include strategies such as:

- Guided reading and math groups
- Focused phonics instruction for students struggling with foundational reading skills
- Use of online adaptive learning programs to address skill gaps
- Targeted practice sessions based on specific standards

The effectiveness of Tier 2 interventions will be tracked using progress monitoring tools, including biweekly assessments, classroom data, and student work samples. Progress will be reviewed during biweekly meetings of Summit Academy Charter School II's Collaborative Problem-Solving Team

(CPST), a dedicated team of teachers, instructional coaches, and administrators. The CPST will analyze data to determine whether students are making adequate progress or if they need to move to Tier 3 interventions.

Tier 3: Intensive Individualized Interventions: Students who do not show sufficient progress with Tier 2 interventions will be moved to Tier 3, where they will receive more intensive, individualized support. Tier 3 interventions may involve one-on-one instruction, pull-out sessions with specialized interventionists, and the development of individualized learning plans.

At this stage, Summit Academy Charter School II will use additional diagnostic tools to identify the root causes of learning difficulties, including assessments for specific learning disabilities, behavioral challenges, and other barriers to success. Interventions at Tier 3 will be closely monitored through weekly progress checks to ensure students are receiving the necessary support to make meaningful gains.

Evaluation Tools and Data-Driven Decision Making: Summit Academy Charter School II will use a variety of tools to evaluate the effectiveness of interventions across all tiers, including:

- **FAST Progress Monitoring Assessments** to track ELA and Math proficiency
- **iReady Diagnostic Assessments** to identify specific learning gaps
- **STAR Assessments** to monitor reading and math growth
- **Classroom Assessments and Formative Tools** to provide real-time feedback on student progress

Data from these tools will be reviewed during data chats with teachers and leadership to adjust instructional practices and interventions as needed. The CPST will meet biweekly to review student progress, adjust intervention plans, and make data-driven decisions about moving students between tiers.

Collaborative Problem-Solving Team (CPST): The CPST will be a cornerstone of Summit Academy Charter School II's MTSS process. This team will meet every two weeks to:

- Review progress monitoring data
- Analyze the effectiveness of current interventions
- Identify students needing additional support
- Develop action plans to address learning gaps
- Ensure interventions are implemented with fidelity

The CPST will include classroom teachers, intervention specialists, instructional coaches, school counselors, and administrators. The team will collaborate to ensure that every

student receives the necessary support to succeed academically.

Summit Academy Charter School II's use of the MTSS system ensures that no student falls through the cracks. By systematically identifying students below grade level, providing targeted interventions, and utilizing progress monitoring tools, the school will ensure that all students receive the support they need to achieve academic success. The biweekly CPST meetings and regular data chats will foster a collaborative and data-driven culture focused on continuous improvement and positive student outcomes.

B.

- If the curriculum is fully developed, summarize curricular choices (e.g. textbooks) by core subject and the rationale for each. Include as Attachment C, a sample course scope and sequence for each core subject for each division (elementary, middle, and high school) the school would serve.
- If the curriculum is not yet fully developed, describe any curricular choices made to date and proposed curricular choices (e.g. textbooks, etc.) and explain the plan for how the curriculum will be completed between approval of the application and the opening of the school. This should include a timeline, milestones, and individuals responsible for included tasks. Also, describe the focus of the curriculum plan and explain how the curriculum will be implemented. Include what core subject areas will be offered and provide evidence on how the curriculum will be aligned to Florida standards.
- Provide evidence that reading is a primary focus of the school and that there is a research-based curriculum and set of strategies for students who are reading at grade level or higher and, independently, a curriculum and strategy for students reading below grade level. Reading instructional strategies for foundational skills shall include phonics instruction for decoding and encoding as the primary instructional strategy for word reading. Instructional strategies may not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading. Include the school's reading curriculum as Attachment D.

Enter content here

As of now, our curriculum is in the process of development and refinement to be aligned with the latest requirements, reflecting our commitment to providing a high-quality education aligned with Florida standards. While the full curriculum is not yet finalized, we have made several curricular choices and have a comprehensive plan for its completion between application approval and school opening. Here's a detailed overview of our approach:

Curricular Choices Made to Date:

- Integration of Humane Sciences: We have established a framework for integrating humane sciences across core subject areas, ensuring that ethical awareness and global perspectives are woven into the curriculum.
- Experiential Learning: Our approach to hands-on learning and experiential projects has been chosen to infuse real-world relevance and application into the curriculum.

Proposed Curricular Choices: Textbooks and Resources: We are in the process of evaluating and selecting textbooks, digital resources, and supplementary materials that align with Florida standards and our mission. Preliminary selections have been identified in the application; however these may change to meet the latest standards or requirements.

Assessment Strategies: We are designing assessment strategies that encompass formative and summative assessments, project-based evaluations, and reflective activities to gauge student progress.

Curriculum Development Plan: We have established a detailed plan for completing the curriculum development process:

- Timeline: The curriculum development timeline spans from application approval to school opening, with key milestones identified throughout the process.
- Responsibilities: Our curriculum development team, composed of experienced educators and subject experts, is responsible for different components of curriculum development, including content selection, resource evaluation, assessment design, and alignment with Florida standards.

Focus of the Curriculum Plan: Our curriculum plan centers on integrating humane sciences with core academic subjects, fostering critical thinking, and nurturing global awareness. It emphasizes experiential learning, ethical education, and digital literacy to prepare students for a complex, interconnected world.

Curriculum Implementation: The curriculum will be implemented through classroom-based instruction, experiential projects, blended learning, and real-world application with fidelity. Our teachers will receive professional development to effectively deliver the curriculum and integrate humane sciences into their teaching practices.
Core Subject Areas and Alignment to Florida Standards: Our curriculum covers core subject areas including English Language Arts (ELA), Mathematics, Science, and Social Studies. To ensure alignment with Florida standards, we are actively cross-referencing curriculum content with state-adopted standards for each subject area.
Florida Approved and Adopted Textbooks: At this stage, we are in the process of evaluating Florida-approved and adopted textbooks that align with our curriculum and standards. Our selection will be informed by the best available resources to support student learning and achievement.
In conclusion, while our curriculum is still under development, we have made important curricular choices and have a comprehensive plan to finalize it between application approval and school opening. Our focus on humane sciences integration, experiential learning, and alignment with Florida standards ensures that our curriculum will provide a well-rounded education that prepares students for success in academics and beyond.

- *Provide evidence that reading is a primary focus of the school and that there is a research-based curriculum and set of strategies for students who are reading at grade level or higher and, independently, a curriculum and strategy for students reading below grade level. Include the school's reading curriculum as Attachment D.*

Our school places a strong emphasis on reading as a foundational skill for academic success and personal growth as required by the state adoption of the Science of Reading. Evidence of this focus includes:

- Curriculum Integration: Reading is integrated across all subjects, allowing students to encounter diverse texts that enhance their understanding of various disciplines.
- Library Resources: We maintain a well-stocked library with a diverse collection of age-appropriate books that cater to different reading levels and interests.
- Daily Reading Time: Each day includes dedicated reading time, during which students engage with both fiction and non-fiction texts to foster a love for reading.

- Parental Involvement: We actively involve parents in our reading initiatives, providing resources and strategies to encourage reading at home.

Research-Based Curriculum for Students at and Above Grade Level:
Our research-based curriculum for students reading at and above grade level is designed to challenge and expand their reading skills. This curriculum includes:

- Literature Circles: Small group discussions allow students to delve deeper into texts, analyze themes, and engage in critical thinking.
- Complex Texts: Students engage with age-appropriate complex texts that expose them to diverse writing styles, perspectives, and vocabulary.
- Socratic Seminars: These discussions promote deep analysis and encourage students to defend their viewpoints with evidence from the text.
- Literary Analysis: Students learn to identify literary elements such as symbolism, foreshadowing, and characterization, enhancing their comprehension and interpretation skills.

Curriculum and Strategy for Students Reading Below Grade Level:
For students reading below grade level, our curriculum and strategy are designed to provide targeted support and accelerate their progress. This includes:

- Individualized Learning Plans: Each student's reading level is assessed, and an individualized plan is developed to address their specific needs.
- Small Group Instruction: Small-group reading sessions allow for personalized attention, targeted interventions, and focused skill development.
- Phonics and Vocabulary Building: Emphasis is placed on phonics, decoding strategies, and vocabulary enrichment to strengthen fundamental reading skills.
- Reading Interventions: Evidence-based interventions, such as guided reading and one-on-one tutoring, are implemented to provide intensive support.

Please refer to Attachment D for our detailed reading curriculum, which outlines the specific strategies, activities, and resources used to enhance reading skills for both students at and below grade level.

Attachment C: Sample curriculum scope and sequence	Attachment C.pdf 8.49 MB • Added 2 months ago
Attachment D: School's reading curriculum	Attachment D Reduced.pdf 22.66 MB • Added 2 months ago

C. If the school will adopt or develop additional academic standards beyond those mandated by the state, explain the types of standards (e.g., content areas, grade levels). Describe the adoption or development process. Select one grade level and subject area as an example and explain how these additional standards exceed required standards and contribute to meeting the mission of the school.

Enter content here	The School will not adopt any additional standards beyond those mandated by the state.

D. Describe the research base and foundation materials that were used or will be used to develop the curriculum.

Enter content here

The development of our curriculum is grounded in a strong research base and foundation materials that support our mission to integrate Humane Sciences principles into all aspects of education. The research base encompasses various fields, including education, ethics, psychology, and Humane Sciences. The curriculum development process involves selecting and adapting resources that align with our mission and vision. Here's how we've used or will use the research base and foundation materials:

Ethical Education Research: We draw on research in ethical education to inform the integration of ethical decision-making, empathy, and character development into our curriculum. Studies on effective methods for nurturing ethical reasoning and empathy guide our approach to teaching these essential skills.

Humane Sciences Literature: We refer to literature in Humane Sciences to identify core principles and concepts that underpin our curriculum. Research on the interconnectedness of life, animal welfare, environmental sustainability, and human well-being informs our curriculum's content.

Interdisciplinary Research: The curriculum integrates findings from interdisciplinary research that highlights connections between Humane Sciences and various academic disciplines. We adapt strategies from interdisciplinary education research to create learning experiences that bridge subjects and foster critical thinking.

Curriculum Design Frameworks: We use curriculum design frameworks rooted in educational research to ensure coherence, alignment, and student-centered learning experiences. Research-based principles for curriculum design, such as backward design and constructivist approaches, guide the creation of engaging lessons.

Character Education Resources: We incorporate character education resources that are grounded in research on positive youth development, empathy-building, and fostering life skills and wellness. These resources help us infuse our curriculum with character education components that align with our mission.

Pedagogical Approaches: The curriculum development process considers research-based pedagogical approaches that promote active learning, inquiry-based learning, and collaborative learning. Educational research on these approaches guides the design of instructional strategies that engage and empower students.

Assessment Strategies: Informed by research on formative and summative assessment, aiming to provide meaningful feedback and track student progress effectively.

Professional Development Resources: Educators are provided with professional development resources rooted in research to enhance their understanding of Humane Sciences, ethics, and effective instructional strategies.
In summary, our curriculum development is informed by a rich research base spanning various fields. This research ensures that our curriculum aligns with best practices in education, ethical education, Humane Sciences, and interdisciplinary learning. By using foundation materials that are supported by research, we create a curriculum that is both rigorous and aligned with our mission to foster ethical reasoning, empathy, and an understanding of the interconnectedness of life.

Attach any files as evidence (optional)

E. Describe proposed curriculum areas to be included other than the core academic areas.

Enter description here

In addition to the core academic areas, our proposed curriculum encompasses a range of subject areas that align with our mission to cultivate Humane Sciences principles, ethical decision-making, and holistic student development. These curriculum areas are designed to provide students with a well-rounded education that fosters empathy, critical thinking, and a deep understanding of the interconnectedness of life. Here are the proposed curriculum areas to be included:

Humane Sciences Studies: This dedicated curriculum area focuses on exploring the principles and concepts of Humane Sciences, including ethical considerations, animal welfare, environmental sustainability, and social justice.

Character Education: A comprehensive character education curriculum is integrated into all grade levels to nurture qualities such as empathy, compassion, integrity, and responsible citizenship.

Ethics and Values: This curriculum area delves into ethical theories, values, and decision-making processes. Students engage in discussions, case studies, and reflective activities to develop their ethical reasoning skills.

Global Citizenship: Students learn about global issues, cultures, and social justice topics to foster an understanding of their role as responsible global citizens.

Service Learning: Service learning is a vital component of our curriculum, allowing students to engage in community service projects that apply Humane Sciences principles in real-world contexts.

Environmental Studies: This curriculum area explores environmental science, sustainability, and the impact of human activities on the planet. Students develop an appreciation for environmental stewardship.

Life Skills and Wellness: A comprehensive curriculum helps students develop emotional intelligence, interpersonal skills, and strategies for managing stress and challenges.

Arts and Expression: The arts are integrated to encourage creativity, self-expression, and a deeper understanding of emotions and diverse perspectives.

Interdisciplinary Projects: Regular interdisciplinary projects encourage students to apply knowledge and skills from various subjects to address real-world challenges.

Physical Education/Health: The Physical Education (PE) courses impart knowledge, offer group experiences, teach the value of good sportsmanship as well as the value of effort and achievement, and build lasting recreational interests. The PE program seeks to develop an appreciation for sports from the standpoint of a spectator, a reader of sports, as well as a participant. The health and safety competencies will focus on

educating students to develop habits of health that contribute to the continued good functioning of the body. The P.E. program will consist of a standards-based, balanced, sequential and progressive program involving moderate to vigorous physical activity during the required 150 minutes per week for elementary students and the equivalent of one class period per day of physical education for one semester of each year that is required for students enrolled in grades 6 through 8, (as per F.S. 1003.455). Adaptive PE will be available for any students who may require it.

Music: The music curriculum, aligned with the Florida Standards (FS), includes both vocal and instrumental music. Teachers will introduce students to both skills and knowledge of various genres. Skills and techniques will be developed throughout all grade levels and will focus on music instruction in skills and techniques involved in singing and playing instruments, practice in musical interpretation, and training in creative expression.

Art –The primary goal in art education is to provide all students with an opportunity to develop and explore their creative potential. The art curriculum includes planning, developing, and implementing the fine arts as outlined in the FS.

Humane Sciences in Literature: Students explore literature that highlights Humane Sciences themes, fostering critical analysis and empathy.

Technology and Ethics: This curriculum area addresses the ethical considerations related to technology use, privacy, and digital citizenship.

Leadership and Advocacy: Students learn about effective leadership, advocacy, and communication skills to make positive changes in their communities.

Career and Education Planning Course- Section 1003.4156, Florida Statutes, requires students to complete a Career and Education Planning course to be taken in sixth, seventh, or eighth grade. The school will use one of the approved courses to meet this requirement. This course will be customizable, internet-based, include research-based assessments, and be easy to use per F.S. 1003.4156 (1) (e). The students will complete a personalized academic and career plan.

World Languages: The school recognizes that there is a growing international interdependence among nations, which demands that the United States develop global citizens with a sound understanding of international and cross-cultural issues and the ability to communicate in more than one language.

Incorporating these diverse curriculum areas enriches students' education by providing a comprehensive understanding of ethical decision-making, empathy,

environmental sustainability, social justice, and more. These areas align with our mission to cultivate a holistic educational experience that prepares students to become compassionate and responsible members of society.

F. Discuss the system and structures the school will implement for students at risk of not meeting academic requirements or of dropping out.

Enter content here

The school provides a supportive and inclusive learning environment for all students, including those at risk of not meeting academic requirements or dropping out. Our comprehensive system and structures aim to identify, support, and empower these students to succeed academically, socially, and emotionally. Here's how we will implement a robust support system:

Early Identification: Our teachers and staff will closely monitor students' academic performance, behavior, and attendance to identify those who may be at risk. Data analysis and regular progress assessments will help us proactively identify students who need additional support.

Intervention Teams: We will establish intervention teams comprising teachers, counselors, administrators, and other specialists to collaborate on strategies for at-risk students.

Individualized Support Plans: For students at risk, we will develop individualized support plans that outline specific goals, strategies, and interventions tailored to their needs.

Academic Interventions: Targeted interventions may include additional tutoring, small-group instruction, differentiated assignments, and access to academic support resources.

Wellness Support: Counseling services, peer mentoring, and life skills and wellness programs provide students with tools to manage stress, build resilience, and navigate challenges.

Parent and Guardian Engagement: Regular communication with parents and guardians will foster collaboration and provide a support network to help students succeed.

Attendance and Engagement Initiatives: Initiatives to improve attendance and student engagement may include rewards programs, interactive lessons, and involvement in extracurricular activities.

Progress Monitoring: Continuous monitoring of students' progress and the effectiveness of interventions will guide adjustments and ensure their success.

Data-Driven Approach: Our support system will rely on data to identify trends, effectiveness of interventions, and areas for improvement.

Collaboration with Families and Community Partners: Collaboration with families, community organizations, and agencies will provide a comprehensive support network for at-risk students.

In summary, our school's system and structures for students at risk of not meeting academic requirements or dropping out are rooted in early identification, individualized support, targeted interventions, and collaboration among educators, families, and the community. By creating a supportive and responsive

environment, we aim to empower all students to overcome challenges and achieve their full potential.

Evaluation Criteria: Curriculum and Instructional Design

Reviewers will look for a curriculum and instructional program design, whether fully developed or not, that:

- Provides a clear and coherent framework for teaching and learning;
- Is research-based;
- Is well-aligned with the school's mission and educational philosophy;
- Provides an emphasis on reading;
- Will enable students to attain Florida standards and receive a year's worth of learning for each year enrolled; and
- Will be appropriate for students below, at, and above grade level.

Notes

Strength was added at 10/07/2025 03:20 PM by Joe Luechauer

Music and Art curriculum are referenced.

Concern was added at 10/08/2025 12:04 PM by Monique Byrd

No world language offering.

Concern was added at 10/10/2025 09:55 AM by Dillon Giorgis

No reference to health education mandates in FS 1003.42 and how those will implemented and incorporated in their curriculums. Physical education statutes are referenced and stated that they will be followed but their schedules do not reflect that.

Application Reviewed by Matthew Cordova, Curriculum Supervisor (Charter Schools Management/Support) and David Shelly, Curriculum Supervisor, Secondary Learning.

1. According to the submission, they will be using MyPerspectives by Savvas for (6-8) and Phonics for Reading by Curriculum Associates (Intensive 6-8). This covers Tier 1 and Tier 3, but there is no state-approved curriculum identified for Tier 2 Students
    - *Please clarify which state-adopted curriculum will be used for Tier 2 students. 1002.33 (6)(a)(4), Fla. Stat.*

Concern was added at 10/14/2025 03:35 PM by Terri Coyle

Application Reviewed by Melissa Miller, Curriculum Supervisor - Elementary Learning, and Terri Coyle, Curriculum Supervisor, Charter Schools Management/Support:

MTSS Tier 2 & 3:

The application goes into a detailed process for intervention in math. However, in ELA, there is no clear process.

---What high-quality instructional materials will be used to remediate for PA, phonics, fluency, and vocabulary? How will the intervention be appropriately matched to the skill gap? How will parents be notified about the progress of any student with a substantial deficiency in math or reading?
There is no clear process for diagnosing skill gaps when a student is below the 10% in K-2 or 20% in 3-5, as now required.
---Please clarify how data will be analyzed.
The application indicates technology will be used. However, that does not meet the requirements outlined by the state.
---What online evidence-based program will be used (by grade levels and subject areas)?

Extended Learning Opportunities (tutoring):
----How will the students be identified for tutoring and/or extended learning opportunities offered by the school? Frequency and duration? Small Group/Whole Group? Who will be providing the instruction? How will the school monitor progress of students who are receiving tutoring services?

5. Student Performance, Assessment and Evaluation

Reviewer Instructions

The Student Performance, Assessment and Evaluation section should define what students attending the school should know and be able to do and reflect how the academic progress of individual students, cohorts over time, and the school as a whole will be measured.

Statutory Reference(s):
s. 1002.33(6)(a)3.; s.1002.33(7)(a)3.; s.1002.33(7)(a)4.; s.1002.33(7)(a)5.

Evaluation Criteria:
A response that meets the standard will present:

- An understanding of academic accountability provisions and goals mandated by the state.
- An indication that the applicant will hold high expectations for student academic performance.
- Measurable goals for student academic growth and improvement.
- Promotion standards that are based on high expectations and provide clear criteria for promotion from one level to the next, and for graduation (if applicable).
- Evidence that a range of valid and reliable assessments will be used to measure student performance.
- A proposed assessment plan that is sufficient to determine whether students are making adequate progress.
- Evidence of a comprehensive and effective plan to use student achievement data to inform decisions about and adjustments to the educational program.
- Plans for sharing student performance information that will keep students and parents well informed of academic progress.
- Acknowledgement of and general plan to meet FERPA requirements.

Form Result

Performance Goals

A. Describe the expected incoming baseline of student academic achievement of students who will enroll in the school. Based upon the expected incoming baseline performance, describe the school's goals for academic growth and improvement that students are expected to show each year and the rationale for those goals. Describe how the school's academic

goals and objectives for improving student learning will be revised if the actual incoming baseline is substantially different than the expected baseline. Describe how success will be evaluated, and the desired overall results to be attained through instruction.

Enter description here

The expected incoming baseline of student academic achievement for Summit Academy Charter School II reflects the most recent PM3 data from Broward County, which we understand will not serve as a benchmark for the 2026-2027 school year. However, according to this data, 63.7% of students are proficient in English Language Arts (ELA), with 14.8% scoring a Level 1 and considered non-passing. In Math, 64.9% are proficient, with 15.2% at Level 1. Science proficiency stands at 63.5%, with 14.4% scoring a Level 1, while Civics has the highest proficiency rate at 77.5%, with 9.5% at Level 1. For specific subgroups, English Language Learners (ELL) have a proficiency rate of 48.9% in ELA and 58.0% in Math, while Exceptional Student Education (ESE) students achieve proficiency rates of 36.6% in ELA and 42.4% in Math.

Summit Academy Charter School II's academic growth and improvement goals are ambitious yet achievable, reflecting the school's commitment to excellence. The academy aims to surpass the district averages by a minimum of 5% in both ELA and Math, 3% in Science, and 10% in Civics.

For ELL students, the goal is to increase ELA proficiency by 10% and Math proficiency by 7%. Similarly, the school seeks to improve ESE proficiency rates by 10% in both subjects. These goals are rooted in the belief that targeted instructional strategies, data-driven interventions, and high expectations can significantly boost student performance.

For subsequent years in the charter, the goal is to continue the percentage gains above the district averages identified above. Although percentages are not required to be identified at this time for subsequent years, the charter school expects to continue to make adequate annual progress.

The rationale for these goals lies in Summit Academy Charter School II's mission to foster academic excellence and close achievement gaps. The school will employ evidence-based practices, including differentiated instruction, intensive progress monitoring, and individualized support for ELL and ESE students. Additionally, Summit Academy Charter School II will provide professional development for teachers to ensure they are equipped with effective strategies for meeting the diverse needs of all learners. By setting high but realistic goals, the school aims to prepare its students for long-term academic success and to exceed state and district expectations.

Revising Goals for Different Baseline: If the actual incoming baseline significantly differs from the expected baseline, we will undertake a thorough analysis to understand the factors contributing to the difference. In collaboration with our instructional leadership team, teachers, and stakeholders, we will adjust our academic goals and objectives accordingly.

Flexibility is key to ensuring that our goals remain realistic and attainable while addressing the specific needs of our students.
Evaluation of Success: The success of our academic goals will be evaluated through a comprehensive assessment process that includes both formative and summative measures. We will use a combination of classroom assessments, standardized tests, progress monitoring, and other data sources to track student performance and growth.
Desired Overall Results: Through instruction, our desired overall results are:

- Demonstrable Growth: All students, regardless of their starting point, should show consistent growth in their academic abilities each year.
- Equitable Outcomes: We aim to eliminate achievement gaps and provide equitable opportunities for all students to excel.
- Mastery of Standards: Students should demonstrate mastery of state standards and essential skills in their respective grade levels.
- Critical Thinking and Problem Solving: Our instruction will foster critical thinking, problem-solving, and application of knowledge.
- Love for Learning: We aspire to instill a love for learning and a sense of curiosity that continues beyond the classroom.

In summary, our school's academic goals are closely tied to the expected incoming baseline of student achievement. Our commitment to continuous improvement, data-driven decision-making, and flexible goal setting will ensure that we provide effective instruction and support to every student, enabling them to achieve their academic potential and become lifelong learners.

B. Describe any mission-specific educational goals and targets for the school not captured by state accountability requirements. State goals clearly in terms of the measures or assessments the school plans to use.

Enter description here

In addition to State accountability requirements, our school has mission-specific educational goals that reflect our unique focus on Humane Sciences and holistic student development. These goals are tailored to our mission and vision, encompassing not only academic achievement but also life skills and wellness, character development, and a sense of community. Here are our mission-specific educational goals and the measures we plan to use to track progress:
Humane Sciences Proficiency:

- *Goal:* To develop students' proficiency in Humane Sciences, including empathy, compassion, ethics, and understanding of the interconnectedness of life.
- *Measures:* We will assess students' understanding of humane principles through project-based assessments, reflective essays, presentations, and discussions. Additionally, student involvement in community service projects will reflect their commitment to these principles.

Ethical Decision-Making:

- *Goal:* To nurture students' ability to make ethical decisions that consider the well-being of individuals, animals, and the environment.
- *Measures:* Students will engage in ethical case studies, debates, and collaborative problem-solving scenarios. Their ability to analyze dilemmas and articulate thoughtful decisions will be assessed.

Well-Being and Wellness:

- *Goal:* To support students' social and emotional growth, helping them develop self-awareness, resilience, and positive relationships.
- *Measures:* We will utilize surveys, self-assessments, and teacher observations to gauge students' emotional well-being, interpersonal skills, and their ability to manage stress and challenges.

Community Engagement:

- *Goal:* To foster a sense of responsibility towards the local and global community by encouraging active involvement and making positive contributions.
- *Measures:* The school will track students' participation in community service projects, their leadership roles, and the impact of their efforts on the community.

Cross-Disciplinary Understanding:

- *Goal:* To cultivate students' ability to connect Humane Sciences concepts with other academic disciplines, fostering a well-rounded understanding.
- *Measures*: Integrated projects and assessments will showcase students' capacity to apply Humane Sciences principles to subjects like science, literature, history, and art.

Student Agency:

- *Goal:* To empower students to take ownership of their learning and personal development, fostering a sense of autonomy and lifelong learning.
- *Measures:* Students' ability to set goals, track progress, and reflect on their learning journey will be assessed through self-assessment tools, portfolios, and student-led conferences.

Collaboration and Empathy:

- *Goal:* To develop students' collaboration skills and empathy by promoting teamwork, effective communication, and understanding of diverse perspectives.
- *Measures:* Collaborative projects, peer evaluations, and role-playing scenarios will demonstrate students' ability to work effectively in groups and empathize with others.

In summary, our mission-specific educational goals encompass a holistic approach to education, focusing on Humane Sciences principles, ethical decision-making, well-being, community engagement, cross-disciplinary understanding, student agency, and collaboration. The measures we plan to use include a combination of assessments, observations, projects, and reflective activities that align with our mission and vision, providing a comprehensive understanding of students' growth and development beyond academic achievements.

Placement and Progression

C. Describe the school's student grade level and course placement procedures.

Enter content here

Our school's student grade level and course placement procedures are designed to ensure that students are placed in the appropriate grade level and courses that align with their academic abilities, needs, and prior educational experiences. These procedures aim to provide a supportive and engaging learning environment for each student. Here's how our placement procedures work:

Enrollment Information Gathering: During the enrollment process, parents and guardians provide information about the student's prior education, transcripts, assessment results, and any records.

Review of Records: Our administrative team reviews the students' academic records, transcripts, and any available standardized test scores to assess their academic background and achievements.

Assessment: Depending on the grade level and courses, students may take placement assessments in subjects like mathematics and language arts to determine their current academic levels.

Individualized Placement: Placement decisions are made based on a combination of factors, including prior academic performance, assessment results, and teacher recommendations.

IEP and 504 Plan Consideration: For students with Individualized Education Plans (IEPs) or 504 plans, their specialized accommodations and goals are considered when determining appropriate grade level and course placements.

Differentiation and Advanced Placement: Gifted and talented students are placed in advanced courses and enrichment programs to challenge and nurture their abilities.

Parent Input: We value parental input and consider any insights parents provide about their child's learning style, strengths, and needs.

Communication: Placement decisions are communicated to parents and students, with an opportunity for discussion and clarification if needed.

Continuous Monitoring: Students' progress is closely monitored throughout the school year. Adjustments may be made based on ongoing assessments and feedback from teachers.

Transition Support: Students transitioning from different educational settings, such as new students joining our school, will receive additional support to ensure smooth adjustment.

Collaboration with Teachers: Teachers play a vital role in assessing student readiness and abilities. Regular communication between teachers and administrators informs placement decisions.

In summary, our school's student grade level and course placement procedures involve a comprehensive approach that considers academic records, assessment results, teacher recommendations, individualized needs, and parent input. By placing students in appropriate courses and grade levels, we aim to create a supportive and challenging learning environment that fosters academic growth and personal development.

D. State whether the applicant intends to use the local school district's pupil progression plan. If not, explain the policies and standards for promoting students from one grade level to the next or provide the pupil progression plan as Attachment E

Enter content here

The school intends to use the local school district's pupil progression plan for promoting students from one grade level to the next. We recognize the importance of aligning with established district policies and standards to ensure consistency and coherence in student advancement. By following the district's pupil progression plan, we aim to provide a seamless educational experience for our students while adhering to recognized best practices and guidelines.

Attachment E reduced.pdf

10.13 MB • Added 2 months ago

E. If the school will serve high school students, describe the methods used to determine if a student has satisfied the requirements specified in section 1003.428, F.S., and any proposed additional requirements.

Enter description here

N/A

F. Discuss how and when promotion and graduation criteria will be communicated to parents and students.

Enter content here

Promotion and graduation criteria will be communicated to parents and students through multiple channels to ensure clarity and understanding. At the beginning of the academic year, the criteria will be introduced during orientation sessions, where parents and students can ask questions and discuss expectations. A detailed outline of these criteria will be included in the student handbook, which is distributed to families and available online for easy access throughout the year.

Teachers will review the promotion and graduation requirements with students during classroom discussions, ensuring students understand the benchmarks for academic progress. Parents will also be informed during parent-teacher conferences, where individual student progress can be discussed in relation to promotion or graduation criteria.

The criteria will be highlighted in quarterly progress reports and report cards, giving families a clear indication of how their child is performing relative to the school's expectations. Information will also be shared via school newsletters, email notifications, and the school's website, ensuring that parents and students are kept up to date on any changes or reminders regarding these requirements.

For students at risk of not meeting the criteria, individualized meetings with parents, students, and school counselors will be arranged to develop action plans and provide additional support. Furthermore, workshops or informational sessions may be held to guide families through the promotion and graduation process, ensuring a comprehensive understanding of academic expectations.

Assessment and Evaluation

G. In addition to all mandatory assessments, identify the primary interim assessments the school will use to assess student learning needs and progress throughout the year (including baseline assessments) including a **proposed** assessment schedule as Attachment F. Provide the rationale for selecting these assessments, including an explanation of how these assessments align with the school's curriculum, performance goals, and state standards.

Enter content here

In addition to all mandatory state assessments, the school will implement a comprehensive set of interim assessments to monitor student learning needs and progress throughout the year. These assessments include baseline, formative, and summative evaluations, which will guide instructional adjustments and interventions to meet each student's needs.
Curriculum Growth Assessments:

- Purpose: To measure students' academic progress in reading, math, and language arts from kindergarten through 8th grade. These adaptive tests provide immediate data on individual student performance and growth.
- Rationale: All curriculum is aligned with state standards and offers personalized insights into student achievement, allowing teachers to tailor instruction. It also tracks student growth over time and provides predictions for performance on state assessments.
- Schedule: Administered three times per year—Fall (baseline), Winter (mid-year progress check), and Spring (end-of-year assessment).

i-Ready Diagnostic:

- Purpose: To assess students in reading and mathematics, providing insight into specific skill gaps and instructional needs.
- Rationale: i-Ready is closely aligned with Florida State Standards and integrates directly with classroom instruction, allowing for targeted interventions based on detailed data. It offers personalized learning paths for students to address identified gaps.
- Schedule: Administered three times a year—beginning of the year (BOY), mid-year (MOY), and end of year (EOY).

FAST Progress Monitoring (F.A.S.T.)/ STAR:

- Purpose: To monitor student progress in foundational skills, reading, and mathematics in grades K-8, using the Florida Assessment of Student Thinking (FAST) system and the STAR Assessments.
- Rationale: FAST/STAR align with Florida state standards and provides detailed insights into early literacy and math skills. The assessments track student progress throughout the year to ensure students are on track to meet state benchmarks.
- Schedule: Administered three times annually, in Fall, Winter, and Spring.

Benchmark Assessments:

- Purpose: To evaluate student understanding of key standards in core subject areas.
- Rationale: These district-level assessments provide a uniform measure of progress toward mastery of grade-level standards and prepare students for state-mandated assessments. They align with the school's curriculum and performance goals.
- Schedule: Administered at the end of each academic quarter to monitor progress and readiness for state assessments.

Teacher-Developed Formative Assessments:

- Purpose: To provide frequent, classroom-level data on student progress toward mastery of specific skills and standards.
- Rationale: These assessments allow teachers to adjust instruction in real time based on student performance and ensure that the curriculum is being effectively implemented.
- Schedule: Ongoing, administered weekly or bi-weekly, based on instructional pacing and unit goals.

Assessment Schedule: A detailed proposed assessment schedule is provided as Attachment F, which will outline the timing of each assessment throughout the school year, ensuring adequate time for instruction, review, and preparation.
Rationale for Selecting These Assessments: These assessments were selected because they align with the school's curriculum, performance goals, and state standards. They provide a holistic view of student progress, enabling targeted interventions and personalized learning plans. Additionally, they offer actionable data that can be used to track growth, meet the diverse learning needs of students, and prepare them for success on mandatory state assessments.
The combination of baseline, formative, and summative assessments will ensure that the school is responsive to student needs and can continuously adjust instruction to maximize student achievement. Please see Attachment F.

Attachment F: Proposed assessment Schedule

Attachment F.pdf

H. Describe how student assessment and performance data will be used to evaluate and inform instruction. Who will be responsible for managing the data, interpreting it for classroom

teachers, and leading or coordinating professional development to improve student achievement?

Enter content here

Student assessment and performance data will play a crucial role in our school's instructional evaluation and improvement process. We are committed to using data-driven decision-making to ensure that instruction is effective, responsive, and aligned with our mission and goals. Here's how we will use data to evaluate and inform instruction:

Data Collection: We will collect a variety of assessment data, including formative assessments, summative assessments, standardized test scores, project outcomes, and student work samples.

Data Analysis: Our data analysis process will involve identifying trends, patterns, strengths, and areas for improvement in student performance.

Instructional Adjustments: Classroom teachers will use data to make informed instructional decisions, such as adjusting teaching strategies, grouping students, and targeting interventions.

Individualized Instruction: Data will help teachers differentiate instruction to meet the diverse needs of students, including those who may need additional support or enrichment.

Professional Learning Communities (PLCs): We will establish PLCs where teachers collaborate to analyze data, share insights, and develop strategies for improving student learning.

Data Review Meetings: Regular data review meetings will be conducted to discuss student progress, instructional adjustments, and the impact of interventions.

Instructional Coaches or Leads: Instructional coaches or leads will support teachers in analyzing data, interpreting trends, and implementing effective instructional strategies.

Data Dashboards: User-friendly data dashboards will be developed to visually represent student performance, making it easier for teachers to identify areas needing attention.

Professional Development: Our instructional leadership team will lead or coordinate professional development sessions focused on interpreting data, using assessment results, and adapting instruction.

Action Plans: Based on data analysis, teachers and instructional leaders will collaboratively develop action plans to address specific areas of improvement.

Differentiated Support: Teachers will use assessment data to identify students who need additional support, ensuring that interventions are targeted and effective.

Growth Monitoring: Data will be used to monitor individual student growth over time, celebrating achievements and adjusting strategies as needed.

Ongoing Reflection: Teachers will regularly reflect on the effectiveness of their instructional choices based on data and

make continuous improvements.

Family Communication: Parents and guardians will be informed of student progress and involved in the data-driven improvement process.

Accountability and Transparency: Our school leadership will be accountable for using data to inform decision-making and will regularly communicate progress to stakeholders.

In summary, student assessment and performance data will be utilized to create a culture of continuous improvement, with teachers, instructional leaders, and data specialists working collaboratively to enhance instruction, support individual student growth, and ensure alignment with our mission and goals.

I. Explain the training and support that school leadership and teachers will receive in analyzing, interpreting, and using performance data to improve student learning.

Enter content here

Training and support in analyzing, interpreting, and using performance data are critical components of our professional development program for leadership and teachers. We recognize the importance of empowering educators with the skills and knowledge to effectively leverage data to enhance student learning outcomes. Here's how we will provide training and support:

Data Literacy Workshops: Regular workshops will be conducted to enhance educators' understanding of different types of assessment data, data analysis techniques, and the interpretation of data trends.

Data Analysis Tools: Educators will receive training on using data analysis tools and software to efficiently manage, visualize, and draw insights from student performance data.

Data-Informed Instructional Strategies: Workshops and training sessions will focus on translating data insights into actionable instructional strategies, tailored to diverse student needs.

Differentiated Instruction: Training will emphasize the use of data to differentiate instruction, enabling educators to personalize learning experiences for each student.

Collaborative Data Review: Professional Learning Communities (PLCs) will be organized to foster collaborative data review and discussion among teachers, facilitating knowledge sharing.

Case Studies and Simulations: Educators will engage in case studies and simulations that simulate real-world data scenarios, enhancing their ability to make data-informed decisions.

Data Dashboards Training: Educators will be trained on using data dashboards to visualize and track student progress, making data interpretation more accessible.

Action Planning Workshops: Workshops will guide educators in developing action plans based on data insights, outlining strategies for addressing specific learning needs.

Coaching and Mentoring: Instructional coaches or mentors will provide ongoing support, offering guidance on data analysis techniques and their application.

Reflective Practices: Teachers will be encouraged to reflect on their teaching practices based on data feedback, fostering continuous improvement.

Family Communication Training: Educators will receive training on how to effectively communicate student progress to parents and guardians using data-driven insights.

Integration with Curriculum Design: Training will highlight the integration of data analysis with curriculum design, ensuring instructional strategies align with data insights.

Student-Centered Focus: All training will emphasize the ultimate goal of improving student learning outcomes and nurturing a student-centered approach.

Continuous Professional Development: Training will be an ongoing process, with opportunities for educators to deepen their data literacy skills over time.

By providing comprehensive training and support, we aim to equip school leadership and teachers with the tools and expertise needed to analyze, interpret, and effectively use performance data. This will enable them to make informed decisions, adapt instruction, and drive continuous improvement in student learning outcomes.

J. Describe the corrective actions the school would take if it falls short of student academic achievement expectations or goals at the school-wide, classroom, sub-group, or individual student level. Explain what would trigger such corrective actions and who would be responsible for implementing it.

Enter content here

Our commitment to student academic achievement is unwavering, and we have established a comprehensive system of corrective actions to address any shortfalls in meeting school-wide, classroom, sub-group, or individual student academic achievement expectations or goals. These actions are designed to identify challenges early, provide targeted interventions, and continuously improve our educational practices. Here's an overview of the corrective actions we would take:

Early Identification of Shortfalls: Regular data analysis will be conducted to identify any deviations from academic achievement expectations. These analyses will be carried out at the school-wide, classroom, sub-group, and individual student levels.

Data Review and Root Cause Analysis: Upon identifying a shortfall, a team of instructional leaders, administrators, and teachers will conduct a detailed root cause analysis to understand the underlying factors contributing to the shortfall.

Targeted Interventions: Based on the root cause analysis, targeted interventions will be developed and implemented to address the specific challenges hindering academic achievement. These interventions may include additional tutoring, differentiated instruction, and more.

Professional Development: Teachers may receive additional professional development to enhance their instructional strategies, ensuring alignment with best practices and students' needs.

Individualized Support Plans: For students experiencing academic challenges, individualized support plans will be developed to outline strategies for improvement, involving teachers, counselors, and parents or guardians.

Parent Communication: Parents or guardians will be informed of their child's academic challenges and involved in the development and monitoring of intervention strategies.

Data-Driven Progress Monitoring: Interventions will be closely monitored through ongoing data analysis to assess their effectiveness. If an intervention is not producing the desired results, adjustments will be made.

Collaboration with Stakeholders: The entire school community, including teachers, parents, administrators, and students, will collaborate to address shortfalls in academic achievement.

Individualized Academic Plans: For students requiring intensive support, personalized academic plans will be created with specific goals, strategies, and milestones.

Frequent Check-Ins: Regular check-ins and progress reviews will be scheduled to evaluate the effectiveness of corrective actions and make informed decisions for further adjustments.

Continuous Improvement Culture: A culture of continuous improvement will be fostered, emphasizing a proactive approach to addressing academic challenges.
Transparency and Accountability: School leadership will take responsibility for the implementation of corrective actions, ensuring transparency and accountability in the process.
Advisory Board Involvement: If needed, the school's advisory board will provide insights and guidance on corrective actions, leveraging their expertise and perspectives.
Evaluation and Documentation: The outcomes of corrective actions, their effectiveness, and any modifications made will be thoroughly documented for future reference.
By promptly identifying academic achievement shortfalls, implementing targeted interventions, involving stakeholders, and maintaining a culture of continuous improvement, we aim to ensure that every student's academic needs are met.

K. Describe how student assessment and performance information will be shared with students and with parents.

Enter content here

We believe in open communication and collaboration between students, parents, and educators, and are committed to sharing student assessment and performance information in a transparent and informative manner. Effective communication fosters student engagement, supports academic progress, and encourages a shared responsibility for success. Here's how we will share student assessment and performance information within 20 days of the student attending the school:

Regular Reporting: Progress reports will be issued on a regular basis to provide an overview of students' academic progress, including grades, assignments, and participation.

Parent-Teacher Conferences: Regular parent-teacher conferences will be held to discuss students' academic achievements, challenges, and goals.

Online Portals: We will provide online portals where parents and students can access real-time information about grades, assignments, attendance, and upcoming assessments.

Individualized Communication: Teachers will communicate with students and parents individually to provide tailored feedback and guidance.

Assessment Summaries: After assessments, summaries will be sent home, explaining the purpose of the assessment, the skills assessed, and strategies for improvement.

Student-Led Conferences: Periodic student-led conferences will allow students to showcase their work, reflect on their progress, and set goals alongside their parents.

Data Dashboards: Interactive data dashboards will be available to provide visual representations of students' performance trends over time.

Personalized Feedback: Teachers will provide specific feedback on assignments and assessments, highlighting strengths and areas for improvement.

Student Portfolios: Students will maintain portfolios showcasing their work, which will be shared with parents to demonstrate growth and achievement.

Classroom Newsletters: Classroom newsletters will highlight student accomplishments, upcoming assessments, and strategies for supporting learning at home.

Student-Led Reflections: Students will be encouraged to reflect on their own performance, set goals, and communicate with their parents about their academic journey.

Workshops and Seminars: Workshops and seminars for parents will be organized to explain assessment strategies, interpretation of data, and ways to support learning at home.

Phone and Email Communication: Teachers and school staff will be available for phone and email communication to address questions and concerns related to student performance.

Transparent Grading Policies: We will provide clear explanations of grading policies, assessment formats, and evaluation criteria to ensure transparency.
Language Accessibility: Communication will be provided in languages that accommodate the diverse linguistic backgrounds of our student body and their families.
By sharing assessment and performance information through multiple channels, tailored to the needs of students and parents, we foster a strong partnership between the school, students, and families, leading to informed decision-making, academic growth, and a supportive environment.

L. Describe the plan for protecting the privacy of individual student academic performance data and other student-related information.

Enter content here

Protecting the privacy of individual student academic performance data and other student-related information is of paramount importance to us. We are committed to maintaining strict confidentiality, adhering to legal requirements, and implementing robust security measures to safeguard this sensitive information. Here's our comprehensive plan for ensuring student data privacy:

Compliance with Laws and Regulations: We will comply with all applicable federal and state laws, including the Family Educational Rights and Privacy Act (FERPA) and Florida Admin. Code R. 6A-1.0955, to ensure the privacy and confidentiality of student data.

Data Encryption: All electronic student data will be encrypted during storage and transmission to prevent unauthorized access.

Secure Data Storage: Student data will be stored in secure, password-protected databases that are accessible only to authorized personnel.

Role-Based Access: Access to student data will be granted based on roles and responsibilities, ensuring that only authorized staff have access to specific information.

Restricted Sharing: Student data will not be shared with third parties unless required by law or with explicit consent from parents or guardians.

Parental Consent: Prior to collecting and storing any student data, we will obtain consent from parents or guardians, clearly explaining the purpose and scope of data collection.

Data Minimization: We will collect only the minimum amount of student data necessary to achieve educational objectives, minimizing any potential risks.

Anonymous Reporting: Whenever possible, student data will be anonymized for analysis and reporting purposes to protect individual identities.

Data Retention Policies: Data retention policies will be established to ensure that student data is retained only for the duration necessary to fulfill educational purposes.

Staff Training: All school staff will undergo training on data privacy laws, best practices, and their responsibilities to protect student data.

Secure Online Platforms: Online platforms and software used for data collection and storage will be carefully selected for their security features and compliance with privacy standards.

Physical Security: Any physical documents containing student data will be securely stored and access will be limited to authorized personnel.

Incident Response Plan: An incident response plan will be in place to address any potential data breaches or privacy

violations, ensuring a swift and effective response.
Transparency and Communication: Parents and guardians will be informed of our data privacy policies, explaining how student data is collected, stored, and used.
Data Audits: Regular audits will be conducted to monitor and assess our data protection measures, identifying areas for improvement.
Our commitment to student data privacy is a fundamental aspect of our school's operations. By following best practices, adhering to legal requirements, and prioritizing security measures, we will ensure that student academic performance data and other student-related information are treated with the utmost care and confidentiality.

Evaluation Criteria: Student Performance

Reviewers will look for:

- An understanding of academic accountability provisions and goals mandated by the state.
- An indication that the applicant will hold high expectations for student academic performance.
- Measurable goals for student academic growth and improvement.
- Promotion standards that are based on high expectations and provide clear criteria for promotion from one level to the next, and for graduation (if applicable).
- Evidence that a range of valid and reliable assessments will be used to measure student performance.
- A proposed assessment plan that is sufficient to determine whether students are making adequate progress.
- Evidence of a comprehensive and effective plan to use student achievement data to inform decisions about and adjustments to the educational program.
- Plans for sharing student performance information that will keep students and parents well informed of academic progress.
- Acknowledgement of and general plan to meet FERPA requirements.

Element Review

Rating/Description
Meets the Standard Added by Adrienne Reynolds at 10/13/2025
Meets the Standard - Final Rating Added by Rhonda L. Stephanik at 10/13/2025

6. Exceptional Students

Reviewer Instructions

The Exceptional Students section should demonstrate an understanding of the requirements of the school to serve all students and provide a concrete plan for meeting the broad spectrum of educational needs and providing all students with a quality education.
Statutory Reference(s):
s. 1002.33(16)(a)3.
Evaluation Criteria:
A response that meets the standard will present:

- A clear description of the programs, strategies and supports the school will provide to students with disabilities that will ensure appropriate access for students with disabilities and that the school will not discriminate based on disability.
- A clear description of how the school will ensure students with disabilities will have an equal opportunity of being selected for enrollment.
- A comprehensive and compelling plan for appropriate identification of students with special needs to ensure they are served in the least restrictive environment possible, have appropriate access to the general education curriculum and schoolwide educational, extra-curricular, and culture-building activities in the same manner as non-disabled students, receive required and appropriate support services as outlined in their Individual Education Plans and 504 plans, and participate in standardized testing.
- An understanding and commitment to collaborating with the sponsor to ensure that placement decisions for students with disabilities will be made based on each student's unique needs through the IEP process.
- An appropriate plan for evaluating the school's effectiveness in serving exceptional students, including gifted.
- A realistic enrollment projection (SWD) and a staffing plan that aligns with the projections.

Form Result

A. Provide the school's projected population of students with disabilities and describe how the projection was made.

Enter content here

Our projected population of students with disabilities is based on careful analysis of historical data, local demographics, and prevailing trends. We are committed to providing an inclusive and supportive educational environment that meets the needs of students with disabilities. While specific numbers may vary, we anticipate the following projected population based on our research and analysis:

Projected Population of Students with Disabilities: Approximately 16.6% of the total student population.

Methodology for Projection:

Historical Data: We have reviewed data from local schools and the FLDOE to understand the percentage of students with disabilities in the region. This historical context helps inform our projection.

Local Demographics: We have considered the local demographic trends, birth rates, and population growth in the catchment area. This analysis was conducted by CBRE, which aids in estimating the potential number of students with disabilities.

Community Outreach: Discussions with parents, caregivers, and community organizations have provided additional insight into the potential number of students with disabilities who may enroll in our school. Three focus groups were conducted in March, May and July of 2025.

Comparable School Data: We have examined data from comparable schools or charter organizations using the FLDOE Broward County Report Card to understand their enrollment trends among students with disabilities.

Legal Requirements: We have ensured that our projected population aligns with legal requirements for providing special education services as mandated by state and federal laws.

Individualized Education Plans (IEPs): We anticipate students with existing IEPs who may be seeking a school environment that meets their needs.

It's important to note that our projection is an estimate based on available information, and the actual population of students with disabilities may vary. Our commitment to providing a full continuum of services and to providing the least restrictive environment while providing inclusive education remains unwavering, and we are prepared to provide appropriate support and services to all students with disabilities who enroll in our school.

B. Describe how the school will ensure that students with disabilities will have an equal opportunity of being selected for enrollment in the charter school.

Enter description here

Our school provides equal opportunities for all students, including those with disabilities, to enroll and thrive in our charter school. We are committed to upholding the principles of inclusivity, accessibility, and equitable treatment. Here's how we will ensure that students with disabilities have an equal opportunity of being selected for enrollment:

Non-Discrimination Policy: Our enrollment policies strictly adhere to federal and state laws that prohibit discrimination based on disability. We do not discriminate against any student with disabilities during the enrollment process.

Open and Transparent Enrollment Process: Our enrollment process is open and transparent, ensuring that information about our school, application procedures, and deadlines is readily available to all prospective families.

Inclusive Application Process: We make accommodations in the application process to ensure that students with disabilities, including mental impairments, can apply without facing barriers. This may include providing alternative formats for application materials or extending application deadlines upon request.

No Disadvantage Due to Disability: Students with disabilities are evaluated based on their qualifications and not their disabilities. We do not consider disabilities as a factor in determining enrollment. The sample student enrollment application is included as Attachment S.

Random Selection and Lottery: In cases where demand exceeds available space, our school uses a random selection or lottery process to ensure fairness. All eligible students, including those with disabilities, have an equal opportunity to be selected.

Individualized Education Plans (IEPs): We work closely with families and educational professionals to ensure that students with IEPs receive appropriate accommodations and services, as required by law. Our commitment to providing a supportive learning environment is extended to all students with disabilities.

Reasonable Accommodations: Our school will make reasonable accommodations to ensure that students with disabilities can fully participate in all aspects of the educational experience, including access to curriculum, extracurricular activities, and school facilities.

Accessibility Considerations: Our physical facilities and digital resources will be designed to be accessible to students with various disabilities. This includes features such as ramps, elevators, assistive technology, and accessible content.

Ongoing Communication: We maintain open lines of communication with families of students with disabilities to

understand their needs, provide updates on enrollment procedures, and answer any questions they may have.

Collaboration with Advocacy Groups: We collaborate with local advocacy groups and organizations that support individuals with disabilities to ensure that our enrollment processes align with best practices and legal requirements.

In summary, our commitment to inclusiveness and equal opportunity ensures that students with disabilities are afforded the same consideration and access to enrollment as any other student. We will continuously strive to create a welcoming and supportive environment that promotes the success and well-being of all students, regardless of their abilities.

C. Describe how the school will work with the sponsor and through the Individual Education Plan (IEP) process when necessary to ensure students with disabilities receive a free appropriate education (FAPE) in the least restrictive environment (LRE).

Enter description here

Our school is dedicated to collaborating with the sponsor, families, and educational professionals to ensure that students with disabilities receive Free Appropriate Public Education (FAPE) in the least restrictive environment (LRE) as mandated by federal and state laws. We recognize the importance of individualized support and tailored education for students with disabilities. Here's how we will work through the IEP process to achieve these goals:

Collaborative Approach: We maintain a collaborative relationship with the sponsor to ensure that our school's policies and practices align with the sponsor's guidelines and expectations for serving students with disabilities.

Identifying Students in Need of Support: We actively identify students who may require special education services through careful assessment, observation, input from families, and previous educational records. If necessary, we will collaborate with the sponsor and families to initiate the IEP process.

Individualized Education Plan (IEP) Development: For students identified as needing special education services, we will convene a team, including parents, educators, and relevant professionals, to develop an IEP. The IEP will outline specific goals, accommodations, modifications, and services tailored to the students' needs and strengths. This same team will be responsible for immediate collaboration with all stakeholders when a new student enrolls with an existing IEP.

Least Restrictive Environment (LRE): We are committed to providing an educational environment that is as inclusive and integrated as possible. We ensure that students with disabilities are placed in the LRE where they can interact with non-disabled peers to the maximum extent appropriate while receiving necessary supports.

Ongoing Monitoring and Support: Our educators, special education professionals, and IEP teams will continuously monitor the progress of students with disabilities and adjust their educational plans as needed to meet their evolving needs.

Professional Development: Our educators will receive ongoing professional development in special education practices, IEP development, and strategies for supporting students in the LRE.

Regular Communication: We maintain open lines of communication with families to ensure that their input is valued in the development and implementation of IEPs. Regular meetings will be scheduled to discuss progress, adjustments, and concerns.

Sufficient Resources and Accommodations: We provide the necessary resources, assistive technology, and accommodations outlined in IEPs to support students with disabilities in their academic pursuits and overall growth.

Advocate for Students' Rights: We uphold the rights of students with disabilities and their families, ensuring that they receive the appropriate services, accommodations, and supports they are entitled to under the law.

Annual Review and Revision: Each student's IEP will be reviewed annually, and if necessary, revised to reflect changes in goals, progress, and needs.

In summary, our school is committed to working collaboratively with the sponsor, families, and professionals to ensure that students with disabilities receive a FAPE in the least restrictive environment. Through a tailored IEP process, ongoing support, and a commitment to inclusivity, we aim to create an educational environment where all students can thrive academically and socially. Although the district does not attend annual IEPs, nor does the district sign as the LEA on the IEP, a district representative will attend and participate in staffing to assist the team in determining eligibility, waiver meetings, and change of placement meetings.

D. Describe the methods the school will use to identify students with disabilities that have not yet been identified

Enter description here

Our school is dedicated to identifying and providing support for students with disabilities who may not yet have been identified. Early intervention and timely identification are crucial to ensuring that these students receive the appropriate resources and accommodations to succeed academically and socially. Here are the methods we will use to identify such students:

Observation and Data Analysis: Teachers, counselors, and other school staff will be trained to observe students' behavior, academic performance, and social interactions. Regular data analysis will help identify students who may be struggling academically or behaviorally.

Universal Screening: We will implement universal screening measures to assess all students' academic and behavioral progress. These screenings can help us identify students who may need additional support or evaluation.

Response to Intervention (RTI): Our school will implement an RTI framework that provides a tiered approach to addressing students' academic and behavioral needs. Through RTI, we can identify students who do not respond to standard interventions and may require targeted support.

Parent and Teacher Input: We value the insights of parents and teachers who interact with students on a daily basis. We will encourage open communication and collaboration to identify students who may need additional assistance.

Classroom and Behavioral Assessments: We will use various assessment tools to evaluate students' academic performance and behavior in the classroom. This can help us identify students who may be struggling and require further evaluation.

Individualized Observations: Special education professionals will conduct individualized observations of students who are suspected of having disabilities. These observations can provide valuable insights into their learning and behavioral patterns.

Review of Records: We will review students' academic records, previous assessments, and any relevant medical or psychological reports to identify potential disabilities that may not have been previously recognized.

Collaboration with Outside Agencies: We will collaborate with external agencies, healthcare professionals, and specialists who may have insights into students' needs and disabilities.

Early Childhood Screening: For students entering our school at an early age, we will implement early childhood screening to identify developmental delays and potential disabilities.

Professional Development: Our staff will receive ongoing professional development on recognizing signs of potential disabilities, ensuring they are equipped to identify students in need.

In summary, our school is committed to a proactive approach to identifying students with disabilities who may not have been previously identified. By using a combination of observation, data analysis, screenings, collaboration, and assessment, we aim to provide early intervention and support to ensure that all students have the opportunity to reach their full potential.

E. Describe the programs, strategies, and supports the school will provide, including supplemental supports and services and modifications and accommodations to ensure the academic success of students with disabilities whose education needs can be met in a regular classroom environment with at least 80% of instruction occurring in a class with non-disabled peers.

Enter description here

Our school is committed to providing a comprehensive range of programs, strategies, and supports to ensure the academic success of students with disabilities who can be educated in a regular classroom environment with at least 80% of instruction occurring alongside non-disabled peers. We recognize the importance of inclusive and personalized education to meet diverse learning needs. Here's how we will achieve this:

Differentiated Instruction: Our educators will use differentiated instruction to tailor lessons to individual learning styles, abilities, and needs. This approach ensures that students with disabilities receive content at their level of understanding while participating in the same classroom environment.

Universal Design for Learning (UDL): Our curriculum will be designed following UDL principles, allowing for multiple means of representation, engagement, and expression. This ensures that instructional materials are accessible to all students, including those with disabilities.

Co-Teaching: We will implement co-teaching models where a special education teacher collaborates with a general education teacher in the same classroom. This partnership of two certified teachers allows for individualized support and accommodation within the regular classroom.

Individualized Education Plans (IEPs): For students with disabilities, IEPs will outline specific goals, accommodations, modifications, and services tailored to their needs. These will guide teachers in providing appropriate support and maintaining a sense of belonging in the classroom.

Small-Group Interventions: We will offer small-group interventions for students who require additional support in specific areas. These interventions can target academic skills, social-emotional development, and other individual needs.

Assistive Technology: Assistive technology tools will be available to students with disabilities to enhance their learning experience. This technology can include text-to-speech software, speech recognition tools, and digital organizers.

Flexible Assessments: Assessments will be designed to accommodate students' individual needs, ensuring that they can demonstrate their understanding in ways that align with their abilities.

Collaborative Planning: Regular collaboration between general education teachers, special education teachers, and support staff will ensure that the instructional needs of all students are met.

Behavioral Supports: We will implement positive behavior interventions to address behavioral challenges and provide a supportive classroom environment for students with disabilities.

Peer Assistance and Mentoring: Students with disabilities will have opportunities to engage with peer mentors who provide academic, social, and emotional support.

Parent Involvement: We value the input of parents in planning their child's education. Regular communication and collaboration with parents ensure that their child's needs are met effectively.

Professional Development: Our educators will receive ongoing professional development to enhance their skills in differentiating instruction, using assistive technology, and implementing effective inclusive practices.

In summary, our school is dedicated to providing a robust set of programs, strategies, and supports to ensure the academic success of students with disabilities in a regular classroom environment. By embracing inclusive practices, individualized support, and a commitment to diversity, we aim to create an environment where all students thrive academically and socially.

F. Describe how the school will work with the sponsor and through the IEP process to determine whether a student with a disability whose education needs require a regular classroom and resource room combination (between 40-80% of instruction occurring with non-disabled peers) can be provided FAPE by the school.

Enter description here

Our school is committed to working collaboratively with the sponsor and through the Individualized Education Plan (IEP) process to determine whether a student with a disability whose education needs require a regular classroom and resource room combination (between 40-80% of instruction occurring with non-disabled peers) can receive a Free Appropriate Public Education (FAPE). We recognize the importance of individualized support and tailored education to meet the unique needs of each student. Here's how we will ensure the provision of FAPE:

Collaborative Decision-Making: Although the district does not attend annual IEPs, nor does the district sign as the LEA on the IEP, a district representative will attend and participate in staffing to assist the team in determining eligibility, waiver meetings, and change of placement meetings. We will collaborate closely with the sponsor, families, and IEP teams to make informed decisions regarding the placement and services needed for students with disabilities.

Evaluation and Assessment: Through thorough evaluation and assessments, we will determine the student's strengths, challenges, and specific needs. This process will guide the development of the student's IEP.

Individualized Education Plan (IEP) Development: The IEP will outline the student's goals, accommodations, modifications, and services needed to ensure their academic success and overall growth. This plan will be developed collaboratively with input from parents, educators, and specialists.

Placement Considerations: We will consider the appropriate balance between regular classroom instruction and resource room support to meet the student's educational needs. Our goal is to provide the least restrictive environment while ensuring access to the necessary services.

Ongoing Monitoring and Progress Assessment: We will closely monitor the student's progress and regularly assess the effectiveness of the support and accommodations outlined in the IEP. Adjustments will be made as needed to ensure the student's success.

Communication and Transparency: We will maintain open lines of communication with parents, keeping them informed of the student's progress, adjustments to the IEP, and changes in services.

Collaboration with Resource Room Staff: Resource room staff and general education teachers will collaborate to ensure a cohesive approach to instruction and support. Regular discussions and sharing of strategies will help provide a seamless experience for the student.

Parental Input and Decision-Making: Parents' input and preferences will be valued in the decision-making process regarding the student's placement and services. Decisions will be made collectively with their involvement.

Regular IEP Meetings: IEP meetings will be scheduled at least annually to review the student's progress, discuss adjustments to the IEP, and determine if the placement is still appropriate.

Professional Development: Our educators will receive ongoing professional development to enhance their skills in providing support and accommodations to students with disabilities.

In summary, our school is committed to a collaborative and student-centered approach when determining the appropriate balance between regular classroom and resource room instruction for students with disabilities. By working together with the sponsor, families, and IEP teams, we aim to provide a FAPE that ensures academic success, growth, and a positive learning experience for every student.

G. Describe how the school will work with the sponsor and through the IEP process to determine whether a student with a disability whose education needs require a separate classroom (less than 40% of instruction occurring with non-disabled peers) can be provided FAPE by the school.

Enter description here

Our school is committed to working collaboratively with the sponsor and through the Individualized Education Plan (IEP) process to determine whether a student with a disability whose education needs require a separate classroom (less than 40% of instruction occurring with non-disabled peers) can receive a Free Appropriate Public Education (FAPE). We recognize that each student's needs are unique, and our goal is to provide the necessary support and resources for their academic success and overall development. Here's how we will ensure the provision of FAPE:

Collaborative Decision-Making: We will collaborate closely with the sponsor, families, and IEP teams to make informed decisions regarding the most appropriate placement and services for students with disabilities.

Comprehensive Evaluation and Assessment: Through thorough evaluation and assessments, we will gain a deep understanding of the student's strengths, challenges, and specific needs. This information will guide the development of a tailored IEP.

Individualized Education Plan (IEP) Development: The IEP will outline the student's goals, accommodations, modifications, and services needed to ensure their academic success, growth, and overall well-being. This plan will be developed collaboratively with input from parents, educators, and specialists.

Consideration of Least Restrictive Environment (LRE): While some students may require a separate classroom, we will always consider opportunities to include them in general education settings to the extent possible, even if at a minimal level.

Intensive Support and Differentiation: For students requiring alternate classroom setting, we will provide intensive support, individualized instruction, and differentiation to meet their unique learning needs. Highly qualified educators and specialists will work collaboratively to deliver appropriate instruction.

Regular Progress Monitoring: We will consistently monitor the student's progress and assess the effectiveness of the support and accommodation outlined in the IEP. Regular adjustments will be made as needed.

Parental Involvement and Communication: Parents will be active in the decision-making process and will be kept informed of their child's progress, adjustments to the IEP, and changes in services.

Transition Planning: Transition planning will be a critical component of the IEP process for students in separate classrooms. We will collaborate with families and students to

create a plan that ensures a smooth transition between educational settings when appropriate.

Regular IEP Meetings: IEP meetings will be scheduled at least annually to review the student's progress, discuss adjustments to the IEP, and determine if the placement meets the student's needs.

Professional Development: Our educators and specialists will receive ongoing professional development to enhance their skills in providing support and accommodations to students with disabilities in separate classroom settings.

In summary, our school is committed to providing a collaborative, student-centered approach when determining the appropriate educational placement for students with disabilities requiring a separate classroom. By working closely with the sponsor, families, and IEP teams, we aim to provide a FAPE that promotes academic success, growth, and a positive learning experience for each student.

H. Describe the plans for monitoring and evaluating the progress and success of students with disabilities to ensure the attainment of each student's goals as set forth in the IEP or 504 plan, including plans for promoting graduation for students with disabilities (high schools only).

Enter description here

Our school is dedicated to the continuous monitoring and evaluation of the progress and success of students with disabilities to ensure the attainment of each student's goals as set forth in their Individualized Education Plan (IEP) or 504 plan. We understand the importance of tracking progress, making data-informed decisions, and making necessary adjustments to support each student's growth. Here's how we will ensure effective monitoring and evaluation:

Data Collection and Progress Tracking: Our educators and specialists will consistently collect data on students' academic performance, behavioral development, and growth. Regular assessments will be conducted to measure students' progress against their IEP goals and objectives.

Individualized Support Plans: For students with IEPs, individualized support plans will be developed to outline specific strategies, accommodations, and services to help them meet their goals. These support plans will be monitored regularly to ensure their effectiveness and relevance.

Goal Review and Adjustments: IEP teams will at least convene annually to review the progress of students with disabilities and discuss the attainment of their goals. Adjustments will be made to the IEPs, if necessary, based on the student's progress and changing needs.

Ongoing Communication: Regular communication will be maintained with parents and caregivers to keep them informed about their child's progress and any adjustments made to their IEP. Parent-teacher conferences, progress reports, and open lines of communication will ensure that families are engaged partners in their child's education.

Data-Informed Decision-Making: Data collected through assessments and observations will be analyzed to inform decisions about instructional strategies, interventions, and supports. This data-driven approach will help tailor instruction to meet individual student needs.

Professional Development: Our educators will receive training in using data to inform instruction, assess progress, and adapt strategies to meet the needs of students with disabilities.

Intervention Strategies: For students facing challenges in achieving their goals, intervention strategies will be implemented promptly to provide additional support. These strategies may include small-group interventions, targeted instruction, or support.

Collaborative Support: Collaboration between general education teachers, special education teachers, and support staff will ensure a cohesive approach to supporting students with disabilities.

Gradual Release of Responsibility: As students make progress, they will be gradually encouraged to take more responsibility for their learning, empowering them to become active participants in their educational journey.

Documentation and Reporting: Progress and assessments will be well-documented, and detailed reports will be maintained to demonstrate the effectiveness of interventions and the achievement of goals.

Comprehensive Testing Support for Students with Disabilities (SWD): The school will provide SWD with appropriate accommodations for standardized assessments, as outlined in each student's Individualized Education Program (IEP) or 504 Plan. IEP teams, including teachers and parents, will review and determine accommodations tailored to individual needs, such as extended time, alternative formats, small-group settings, or assistive technology. Staff will receive training on implementing accommodations consistently and in compliance with state guidelines. Progress monitoring data will guide any necessary instructional adjustments before testing, ensuring equitable access to assessments and adherence to Florida's testing policies for SWD.

Individualized Assessment Accommodations: The school will provide a range of accommodations tailored to meet the specific needs of each SWD, as indicated in their Individualized Education Program (IEP) or 504 Plan. Accommodations may include, but are not limited to, extended testing time, frequent breaks, modified test formats (such as Braille or large print), small-group or individual testing environments, the use of assistive technology, and alternative response formats. These accommodations ensure SWD have the necessary support to demonstrate their knowledge and skills effectively.

IEP Team Collaboration and Planning: The IEP team, which includes educators, specialists, and parents, will collaboratively review each SWD's needs well in advance of testing periods. During this review, the team will confirm or adjust assessment accommodations, ensuring they are appropriate for both the student's current needs and the specific format of the upcoming standardized tests. This process will help tailor supports to the unique requirements of each assessment.

Staff Training and Professional Development: Teachers, proctors, and testing coordinators will participate in professional development to ensure they understand and correctly implement each accommodation. Training will cover state testing protocols, accommodation best practices, and strategies for maintaining test integrity while supporting SWD. Additionally, staff will learn to monitor student well-being

during testing to create a supportive, stress-minimized environment.

Progress Monitoring and Pre-Testing Readiness: The school will utilize continuous progress monitoring throughout the year to assess SWD academic growth and readiness for standardized testing. Data from these assessments will guide individualized instructional adjustments to better prepare students for testing. The school will also conduct practice testing sessions under accommodation conditions, helping students become comfortable with the process and enabling staff to identify any necessary adjustments to support plans.

Adherence to State Guidelines and Compliance: The school will strictly adhere to Florida's Department of Education guidelines for testing accommodations for SWD, ensuring compliance with both state and federal laws, including the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act. The governing board will regularly review testing practices to confirm that the school meets or exceeds compliance requirements, supporting fair and equitable testing experiences for SWD.

This comprehensive plan ensures that SWD are fully supported throughout the testing process, enhancing accessibility and promoting a fair opportunity for all students to succeed.

In summary, our school is committed to thorough and ongoing monitoring and evaluation to ensure the attainment of each student's goals as outlined in their IEP or 504 plan. By maintaining a collaborative approach, data-driven decision-making, and a focus on individualized support, we aim to provide students with the resources they need to thrive academically and personally.

I. Identify the staffing plan, based on the above projection, for the school's special education program, including the number and qualifications of staff.

Enter content here

Our staffing plan for the school's special education program is designed to provide comprehensive support and services to students with disabilities based on the projected population and their diverse needs. The qualifications of our staff are aligned with state requirements and best practices in special education. The following is an outline of our staffing plan:
Special Education Director/Coordinator: 1

- Qualifications: Master's degree in special education or related field, administrative certification, experience in special education leadership.
- Responsibilities: Oversees the entire special education program, manages IEP processes, collaborates with staff and families, ensures compliance with regulations.

Special Education Teachers: 1-2 special education teachers. (Excludes dual certified teachers)

- Qualifications: Bachelor's or Master's degree in special education, appropriate certification.
- Responsibilities: Deliver specialized instruction, develop and implement IEPs, collaborate with general education teachers, assess student progress.

Paraprofessionals/Teacher Assistants: up to 2 if needed

- Qualifications: Appropriate certifications and training in working with students with disabilities.
- Responsibilities: Provide support within classrooms, assist in implementing IEPs, offer individualized assistance to students.

Speech-Language Pathologist: 1

- Qualifications: Master's degree in speech-language pathology, appropriate state licensure.
- Responsibilities: Provide speech therapy, assessments, and interventions for students with communication disorders.

Counselor/Social Worker: 1

- Qualifications: Master's degree in counseling or social work, appropriate state licensure.
- Responsibilities: Provide support, counseling, and interventions for students with emotional or behavioral needs.

Professional Development: All staff members in the special education program will receive ongoing professional

development to stay updated on best practices, regulations, and the latest strategies in special education.

In summary, our staffing plan is designed to ensure that students with disabilities receive the support and services they need to succeed academically, socially, and emotionally. Our team is committed to fostering an inclusive and supportive learning environment for all students.

J. Describe how the school's overall effectiveness in serving exceptional education students will be evaluated.

Enter description here

The school's overall effectiveness in serving exceptional education students will be evaluated through a comprehensive and multi-faceted approach that considers academic progress, social and emotional growth, parent and student satisfaction, compliance with legal regulations, and ongoing collaboration with stakeholders. The evaluation process will be ongoing and data-driven, aiming to continually enhance the quality of support and services provided. Here's how we will evaluate the effectiveness of our special education program:

Academic Progress: Regular assessment of students' academic progress will be conducted, comparing their performance against IEP goals and state standards. Standardized test scores, classroom assessments, and progress monitoring data will be analyzed to measure growth over time.

IEP Compliance: The accuracy and timeliness of IEP development, implementation, and monitoring will be assessed to ensure that each student's needs are being addressed appropriately.

Student Growth and Achievement: Individual student growth over time will be evaluated, considering their starting point and the progress made toward their personalized goals.

Life Skills Development: The school will track students' growth, behavior improvement, and engagement in school activities through observations, assessments, and feedback from teachers and counselors.

Parent and Student Satisfaction: Surveys and feedback from parents and students will be collected to gauge their satisfaction with the special education program, services, and support.

Collaboration and Communication: The effectiveness of collaboration between special education and general education teachers, support staff, and families will be evaluated to ensure a cohesive approach to student support.

Professional Development: The ongoing professional development provided to special education staff will be assessed to ensure they are equipped with the skills and knowledge necessary to meet students' needs effectively.

Data Analysis: Data collected through assessments, progress monitoring, and feedback will be analyzed to identify trends, areas of improvement, and successes.

Continuous Improvement Plan: Based on the evaluation findings, the school will develop a continuous improvement plan that outlines actionable steps to enhance the quality of support and services for exceptional education students.

External Review: Periodic external reviews by third-party evaluators or consultants will provide an objective perspective

on the school's effectiveness in serving exceptional education students. This cost will be incurred by the ESP.

In summary, our school is committed to a comprehensive evaluation process that considers academic progress, growth, parent and student satisfaction, compliance, and collaboration. By continuously assessing our efforts and making data-driven improvements, we will ensure that our special education program effectively meets the diverse needs of all exceptional education students and fosters their success in both academic and personal domains.

K. Describe how the school will serve gifted and talented students.

Enter description here

Our school is dedicated to providing a supportive and enriching educational experience for gifted and talented students. We recognize that these students have unique learning needs and abilities that require specialized attention to help them reach their full potential. Here's how we will serve gifted and talented students:

Differentiated Instruction: Our educators will use differentiated instruction to tailor learning experiences to the strengths, interests, and readiness levels of gifted and talented students. Advanced content, accelerated pacing, and challenging assignments will be provided to ensure these students remain engaged and appropriately challenged.

Enrichment Opportunities: We will offer a range of enrichment opportunities such as advanced courses, honors classes, and other school based specialized/enrichment programs that allow gifted and talented students to delve deeper into their areas of interest.

Individualized Learning Plans: Individualized learning plans will be developed for gifted and talented students to outline personalized academic goals, challenges, and opportunities for growth.

Advanced Curriculum: Advanced and specialized curriculum will be provided across various subjects, allowing gifted and talented students to explore complex concepts and engage in advanced projects.

Independent Study and Research Projects: Gifted and talented students will have the chance to pursue independent study projects and research, fostering a sense of curiosity, exploration, and self-directed learning.

Flexible Grouping: Flexible grouping practices will be implemented, allowing gifted and talented students to collaborate with peers of similar abilities on challenging projects and activities.

Mentorship and Expert Guest Speakers: Gifted and talented students will have opportunities to connect with mentors, experts, and guest speakers in their fields of interest.

Competitions and Challenges: Students will be encouraged to participate in academic competitions, challenges, and contests that align with their interests and strengths.

Project-Based Learning: Gifted and talented students will engage in project-based learning experiences that encourage critical thinking, problem-solving, and creativity.

Professional Development: Our educators will receive ongoing professional development to enhance their ability to identify and support the needs of gifted and talented students.

Parent Engagement: We will actively involve parents in the education of their gifted and talented children, providing

resources, workshops, and opportunities for collaboration.
Peer Networks: Gifted and talented students will have the chance to connect with peers who share their interests and abilities, fostering a sense of community and mutual support.
Regular Assessment and Adjustment: The progress of gifted and talented students will be closely monitored through assessments and ongoing dialogue, allowing us to adjust instruction as needed.
In summary, our school is committed to providing gifted and talented students with a learning environment that fosters their unique abilities, supports their passions, and challenges them to excel academically and personally. Through personalized instruction, enrichment opportunities, and a supportive community, we aim to empower these students to become lifelong learners and leaders in their chosen fields.

Evaluation Criteria: Exceptional Students

Reviewers will look for:

- A clear description of the programs, strategies and supports the school will provide to students with disabilities that will ensure appropriate access for students with disabilities and that the school will not discriminate based on disability.
- A clear description of how the school will ensure students with disabilities will have an equal opportunity of being selected for enrollment.
- A comprehensive and compelling plan for appropriate identification of students with special needs to ensure they are served in the least restrictive environment possible, have appropriate access to the general education curriculum and schoolwide educational, extra-curricular, and culture-building activities in the same manner as non-disabled students, receive required and appropriate support services as outlined in their Individual Education Plans and 504 plans, and participate in standardized testing.
- An understanding and commitment to collaborating with the sponsor to ensure that placement decisions for students with disabilities will be made based on each student's unique needs through the IEP process.
- An appropriate plan for evaluating the school's effectiveness in serving exceptional students, including gifted.
- A realistic enrollment projection (SWD) and a staffing plan that aligns with the projections.

7. English Language Learners

Reviewer Instructions

The English Language Learners section should demonstrate an understanding of the requirements of the school to serve English Language Learner students and provide a concrete plan for meeting the broad spectrum of educational needs and providing all students with a quality education.
Statutory Reference(s):
s. 1002.33(10)(f)
Evaluation Criteria:
A response that meets the standard will present:

- Demonstrated understanding of legal obligations regarding the education of English Language Learners.
- A comprehensive and compelling plan for educating English Language Learner students that reflect the full range of programs and services required to provide all students with a high-quality education.

- A clear plan for monitoring and evaluating the progress of ELL students, including exiting students from ELL services.
- Demonstrated capacity to meet the school's obligations under state and federal law regarding the education of English Language Learners.
- A realistic enrollment projection (ELL) and a staffing plan that aligns with the projections.

Form Result

A. Describe how the school will meet the needs of English Language Learners as required by state and federal law, including the procedures that will be utilized for identifying such students, ensuring that they have equitable access to the school's programming and communicating with their families.

Enter description here

Our proposed charter school is committed to meeting the needs of English Language Learners (ELLs) as mandated by both state and federal laws. Our approach ensures that ELL students receive equitable access to our programming while fostering a supportive and inclusive learning environment. The school will ensure that they meet all legal obligations regarding the education of English Language Learners. Here's an overview of how we will address these requirements:

Identifying ELL Students: We will employ standardized assessment tools such as the Home Language Survey and WIDA to identify ELL students and determine their English proficiency levels. These assessments will include language proficiency tests and evaluations of language and literacy skills and will be administered by the ELL Coordinator or trained staff. Additionally, we will collaborate with previous schools and utilize student records to identify ELL students entering our program.

Equitable Access to Programming: To ensure equitable access to our programming, we will implement the following strategies:

ESOL Curriculum Integration: English for Speakers of Other Languages (ESOL) instruction will be seamlessly integrated into the curriculum across subjects. This approach supports language development while allowing ELL students to engage with core content.

Differentiated Instruction: Our teachers will differentiate instruction based on ELL students' language proficiency levels, learning styles, and academic needs. This personalized approach supports individual progress and success.

Language Support: ELL students will receive language support services through small-group instruction, peer mentoring, and specialized resources. This assists them in developing English language skills required to engage fully in the curriculum.

Communication with Families: We are committed to fostering strong communication with ELL students' families and adopting all federally and locally mandated communication regulations and timelines. This will include but is not limited to:

Cultural Competency: Our staff will receive training to develop cultural competency, ensuring effective communication and understanding with families from diverse linguistic and cultural backgrounds.

Translation Services: We will provide translation services for important documents, such as newsletters, school policies, and event announcements, enabling families to stay informed.

Bilingual Staff: We will strive to have bilingual staff members who can effectively communicate with ELL students and their families in their preferred languages. Will also have an ELL

interventionist for any language whose student population exceeds 15.

Parent Engagement Workshops: We will host workshops to help families understand the school system, our curriculum, and their role in supporting their child's education.

Professional Development: Our educators will undergo professional development to enhance their expertise in teaching ELL students. This training will encompass language acquisition strategies, differentiated instruction, and effective ways to support language development across subjects.

In summary, our school is committed to providing ELL students with equitable access to education, aligning with state and federal requirements. By integrating ESOL instruction, employing differentiated strategies, facilitating effective communication, and fostering a culturally inclusive environment, we ensure that ELL students thrive academically and socially while celebrating their unique linguistic and cultural identities.

B. Describe specific instructional programs, practices, and strategies the school will employ to ensure academic success and equitable access to the core academic program for these students, including those below, at, or above grade level.

Enter description here

Our school is dedicated to ensuring academic success and equitable access to the core academic program for English Language Learners (ELLs) across all proficiency levels, including those below, at, or above grade level. We are committed to implementing specific instructional programs, practices, and strategies that cater to the diverse needs of ELL students:

Sheltered Instruction: For ELLs in middle school below grade level, we will utilize sheltered instruction techniques. This approach involves modifying language complexity while maintaining the integrity of content. Teachers will use simplified language, visual aids, and hands-on activities to facilitate comprehension of core subject matter.

Differentiated Instruction: Differentiated instruction will be a cornerstone of our approach for ELLs across all proficiency levels. Teachers will tailor instruction based on individual students' language abilities, learning styles, and academic needs. This includes providing additional support, extension activities, and varied resources.

Scaffolding: For ELLs at or slightly below grade level, we will employ scaffolding strategies to gradually build their language skills while advancing their understanding of core content. This involves providing prompts, graphic organizers, and structured activities to support comprehension.

Collaborative Learning: Collaborative learning will be encouraged for ELLs at all levels. Working in groups allows ELL students to engage with peers, practice language skills, and learn from one another's perspectives.

Language Immersion: ELL students at higher proficiency levels will benefit from language immersion techniques. We will encourage them to engage in discussions, presentations, and projects that require advanced language skills, promoting further language development.

Vocabulary Development: A focus on vocabulary development will be central to our instruction for ELLs at all levels. We will integrate explicit vocabulary instruction, context-based word learning, and interactive activities to expand students' language repertoire.

Modified Assessment: For ELLs, assessments will be designed with language proficiency in mind. We will ensure that assessments align with language capabilities and provide alternative assessment methods that allow students to demonstrate their understanding effectively.

Cultural Relevance: Incorporating culturally relevant content and examples will enhance ELL students' engagement and comprehension. This strategy helps bridge linguistic and cultural gaps while making learning meaningful.

Family Involvement: Engaging families in ELL students' education is vital. We will host workshops, provide resources, and maintain open lines of communication to empower families to support their child's academic journey.

Professional Development: Our educators will receive ongoing professional development focused on effective ELL strategies, linguistics, cultural competency, and differentiated instruction. This ensures that teachers are equipped to address the unique needs of ELL students.

In summary, our instructional programs, practices, and strategies for ELLs encompass a holistic approach to cater to diverse proficiency levels. By employing sheltered instruction, differentiation, scaffolding, collaborative learning, and more, we will ensure that ELL students receive equitable access to the core academic program while fostering academic success and language development.

C. Provide plans for monitoring and evaluating the progress and success of ELL students, including exiting students from ELL services.

.

Enter content here

Our school is dedicated to the ongoing monitoring and evaluation of the progress and success of English Language Learners (ELL) students. Our plans encompass a comprehensive approach that includes regular assessments, data analysis, collaborative discussions, and a clear framework for exiting students from ELL services when they have achieved language proficiency. Here's an outline of our monitoring and evaluation plans:

Initial Language Proficiency Assessment: Upon enrollment and depending on the Home Language Survey, ELL students will undergo an initial language proficiency assessment within the first twenty days to determine their English language proficiency levels. If the student is not assessed within 20 days, the period is extended to an additional 20 days, and parents are notified in writing. This assessment will provide baseline data that informs instructional planning. (WIDA Screener)

Formative Assessments: Formative assessments will be conducted regularly to gauge ELL students' progress in language acquisition and content comprehension. These assessments will be both informal (observations, classwork) and formal (quizzes, presentations), providing ongoing insights into students' development.

Data Analysis and Progress Tracking: Teachers and instructional leaders will regularly analyze assessment data to track individual students' progress over time. This data-driven approach will guide instructional decisions and interventions for ELL students.

Collaboration and Professional Learning Communities: Teachers will collaborate in professional learning communities to discuss student progress, share successful strategies, and address challenges. These collaborative discussions will foster a supportive environment for refining instructional approaches.

Exit Criteria and Process: Students will exit ELL services based on ACCESS for ELLS 2.0 for the State of Florida. This will be based on established criteria, which include achieving proficiency in language skills and demonstrating consistent academic performance. The exit process will involve collaboration among ELL teachers, classroom teachers, parents, and administrators.

Parent Involvement: Parents will be engaged in the progress monitoring process through regular updates on their child's language development and academic performance. Meetings will be held to discuss assessment results, set goals, and collaboratively plan for support.

Transition Support: Students who exit ELL services will receive transition support to ensure their continued success. This may

include ongoing monitoring, targeted intervention, and assistance in adapting to standard classroom expectations.

Periodic Review and Reflection: The school leadership team will periodically review the effectiveness of our ELL support programs and make adjustments based on outcomes and feedback. This ongoing review process ensures continuous improvement.

Professional Development for ELL Educators: Our ELL educators will participate in professional development focused on monitoring and evaluation strategies for ELL students. This training will equip them with the knowledge and skills needed to effectively track progress and make informed decisions.

In summary, our plans for monitoring and evaluating ELL students' progress encompass a holistic approach that ensures ongoing assessment, data analysis, collaboration, and transparent communication with families. With a clear exit criteria and transition support framework, we aim to guide ELL students towards language proficiency and academic success while continuously refining our instructional approaches.

D. Describe the staffing plan for the school's English Language Learner program, including the number of and proposed qualifications of staff.

Enter description here

Our staffing plan for the English Language Learner (ELL) program is designed to provide comprehensive support to ELL students across different proficiency levels. Our goal is to create an environment where ELL students can thrive academically, socially, and linguistically. The staffing plan includes the following components:

ELL Teachers: Teachers who specialize in English language acquisition and instruction in addition to their content area certification. These teachers will be responsible for providing targeted language support, designing differentiated instruction, and collaborating with classroom teachers to ensure ELL students' success. Proposed qualifications for ELL teachers include:

- A bachelor's or master's degree in English as a Second Language (ESL), TESOL (Teaching English to Speakers of Other Languages), or a related field.
- State certification in ESL or ESOL.
- Knowledge of effective ELL instructional strategies and methodologies.
- Strong communication skills and cultural sensitivity.

Classroom Teachers: All classroom teachers will receive training in ELL strategies and differentiation to effectively support ELL students in mainstream classrooms. They will collaborate closely with ELL teachers to align instruction, develop appropriate content modifications, and address individual student needs.

School Based ELL Coordinator: A School Based ELL coordinator will oversee the implementation of the ELL program, collaborate with instructional leaders, and provide ongoing professional development for teachers. The ELL coordinator will also ensure that ELL students' progress is monitored, and data-driven decisions are made to support their academic growth.

Support Staff: Depending on the size of our ELL student population, we may allocate additional support staff, such as paraprofessionals or teacher assistants, to provide one-on-one or small-group assistance to ELL students.

Professional Development: Continuous professional development will be provided to all staff involved in the ELL program. This training will cover best practices in ELL instruction, cultural competence, assessment strategies, and collaboration between ELL and content teachers.

Bilingual Support: Whenever possible, we will strive to hire bilingual staff members who can communicate effectively with ELL students and their families in their native languages.

Bilingual staff members facilitate smoother communication and a more inclusive environment.
Experience and Expertise: We will prioritize hiring ELL teachers with experience working with diverse student populations and a proven track record of improving English language proficiency and academic achievement.
Based on Broward County's current English Language Learner (ELL) population of approximately 15.0%, as reported by the County Report Card 2024-2025 published by the FLDOE, we project that ELL students will comprise a similar percentage of our enrollment. This projection will guide our staffing plan, ensuring sufficient resources to support ELL students effectively. Our plan includes hiring certified ESOL instructors and providing targeted professional development for all teachers to equip them with strategies to support language acquisition. Additionally, we will monitor enrollment trends and adjust staffing as needed to maintain adequate support for our ELL students, ensuring alignment with our projections and commitment to inclusive education.
In summary, our staffing plan for the ELL program is designed to provide comprehensive support that addresses the diverse needs of ELL students. Through a team of qualified ELL teachers, collaboration with classroom teachers, ongoing professional development, and a focus on cultural competence, we aim to create an inclusive and supportive learning environment that promotes academic success and language acquisition for all ELL students.

Evaluation Criteria: English Language Learners

Reviewers will look for:

- Demonstrated understanding of legal obligations regarding the education of English Language Learners.
- A comprehensive and compelling plan for educating English Language Learner students that reflect the full range of programs and services required to provide all students with a high- quality education.
- A clear plan for monitoring and evaluating the progress of ELL students, including exiting students from ELL services.
- Demonstrated capacity to meet the school's obligations under state and federal law regarding the education of English Language Learners.
- A realistic enrollment projection (ELL) and a staffing plan that aligns with the projections.

8. School Culture and Discipline

Reviewer Instructions

The School Climate and Discipline section should describe the learning environment of the school and provide evidence that the school will ensure a safe environment conducive to learning.
Statutory Reference(s):
s. 1002.33(7)(a)7.; s. 1002.33(7)(a)11.
Evaluation Criteria:
A response that meets the standard will present:

- A planned school culture that is consistent with the school's mission and congruent with the student discipline policy.
- An approach to classroom management and student discipline that is consistent with the overall school culture and philosophy.

- Recognition of legal obligations and children’s rights related to enforcing student discipline, suspension, and recommended expulsion, including the school’s code of conduct, if available.
- Consideration of how the code of conduct will apply to students with special needs.
- Appropriate and clear roles of school administrators, teachers, staff, and the governing board regarding discipline policy implementation.

Form Result

A. Describe the culture or ethos of the proposed school. Explain how it will promote a positive academic environment and reinforce student intellectual and social development.

Enter content here

The culture and ethos of our proposed school are rooted in fostering a dynamic, inclusive, and empathetic learning environment that promotes a positive academic atmosphere and nurtures student intellectual and social development. Our school culture is designed to cultivate well-rounded individuals who excel academically, exhibit strong character, and contribute positively to their communities. Here's how we plan to achieve this:

Culture of Empathy and Inclusion: Our school places a strong emphasis on empathy, understanding, and acceptance. We create an environment where students respect and celebrate each other's differences, embracing diverse perspectives and experiences. This culture of inclusion helps students develop strong interpersonal skills, promoting a sense of belonging and well-being.

Ethical Responsibility: We instill a sense of ethical responsibility in our students, encouraging them to make ethical choices and exhibit integrity in all aspects of their lives. We believe that character development is intertwined with academic success and societal contributions.

Inquiry-Based Learning: Our culture encourages curiosity and critical thinking. Students are encouraged to ask questions, explore topics deeply, and develop a passion for learning. This approach not only enhances academic growth but also fosters independent thinkers who are well-prepared for future challenges.

Collaborative Environment: We promote collaboration and teamwork, both in academic endeavors and in extracurricular activities. Collaborative projects and group discussions help students develop strong communication skills, learn from peers, and appreciate the value of collective effort.

Ethical Decision-Making: Our school ethos emphasizes the importance of ethical decision-making. Through ethical dilemmas, discussions on real-world challenges, and exposure to humane sciences, students develop the ability to make informed and morally sound choices.

Student-Centered Approach: We prioritize the well-being, growth, and development of each student. This student-centered approach ensures that students are supported in their academic pursuits while also receiving the necessary guidance to develop emotionally and socially.

Global Awareness: We nurture a global perspective, encouraging students to understand their roles as responsible citizens in a globalized world. Cultural awareness, international collaborations, and exploration of global issues are integral to our ethos.

Mentorship and Role Models: Teachers, staff, and older students serve as mentors and role models, guiding younger students in their academic, social, and personal development. This mentorship fosters a sense of belonging and offers guidance in navigating challenges.

Celebrating Achievements: We celebrate both academic and character achievements, reinforcing positive behavior, academic excellence, and contributions to the community. Recognizing accomplishments encourages students to strive for success in all aspects of their lives.

In summary, our school culture and ethos are centered on empathy, ethical responsibility, critical thinking, collaboration, and global awareness. This holistic approach not only creates a positive academic environment but also empowers students to become well-rounded individuals who contribute positively to society and make a meaningful impact in the world.

B. State whether the applicant intends to use the local school district's code of conduct policy. If the applicant does not intend to use the local school district's code of conduct policy, describe in detail the school's approach to student discipline. If already developed, provide the proposed discipline policy or student code of conduct as Attachment G. Taken together, the narrative and code of conduct (if provided) should:

- Explain the practices the school will use to promote discipline, including both penalties for infractions and incentives for positive behavior;
- List and define the offenses for which students must (non-discretionary) and may (discretionary) be suspended or recommended to the local school district for expulsion;
- Describe the roles of administrators, teachers, staff, and the governing board regarding the discipline policy;
- Provide an explanation of how the school will take into account the rights of students with disabilities in disciplinary actions and proceedings;
- Describe procedures for due process when a student is suspended or recommended to the local school district for expulsion as a result of a violation, including a description of the appeals process that the school will employ for students facing recommended expulsion and a plan for providing services to students who are out of school for more than ten days; and
- Explain the process for informing students and parents about their rights and responsibilities under the code of conduct.

Enter content here

To develop a comprehensive and compliant student discipline policy, it’s essential to integrate both the Broward County School District Code of Conduct and federal law. Here’s how each element aligns:

The discipline policy should reflect a positive, respectful school environment, aligning with the school's mission. Broward's Code of Conduct emphasizes a safe, inclusive, and respectful environment where student behaviors promote academic success and well-being. This should be central to the school's culture, creating consistency between day-to-day activities and long-term goals.

The approach to classroom management and discipline should be aligned with the school's overall philosophy. The Broward Code encourages a proactive discipline model, which uses positive reinforcement and restorative practices to reduce the need for punitive measures. This creates a learning-focused, rather than punishment-focused, atmosphere.

A clear chain of responsibility for implementing the discipline policy ensures it is applied consistently. The Broward Code outlines roles, stating that teachers are responsible for managing classroom behavior, while administrators handle more serious disciplinary actions. The governing board has oversight to ensure the policy aligns with legal and ethical standards, while ensuring transparency with parents and the community.

By integrating these elements, the school's discipline policy will ensure alignment with its mission, uphold student rights, and maintain a safe and inclusive environment for all learners. The applicant intends to use the local school district's code of conduct policy for our school's code of conduct. We recognize the importance of consistency and alignment with district policies to ensure a safe and supportive learning environment for our students. In order to ensure that students and parents are informed about their rights and responsibilities, the Broward Public Schools (BCPS) Code of Student Conduct and the school’s Student-Parent Handbook will be distributed to families at the beginning of each year and/or upon enrollment at the school, and will be available on the school’s website. To ensure full compliance with the BCPS Code of Student Conduct, Summit Academy Charter School II will implement the following strategies:

Adoption of the Latest BCPS Code of Student Conduct: Summit Academy Charter School II will adopt the most current version of the BCPS Code of Student Conduct and will annually review it to ensure all policies, including SESIR (School Environmental Safety Incident Reporting) codes, are up to date. The school will incorporate any updates from BCPS to ensure

that its discipline policies are fully aligned with district requirements. A dedicated staff member will be responsible for maintaining updated copies of the code and ensuring all staff members are familiar with the latest guidelines.

Staff Training on Discipline and Conduct: The school will participate in **ongoing discipline training** sessions provided by Broward Public Schools. This will include attending mandatory district discipline updates, professional development sessions, and any workshops related to behavior management and student discipline throughout the school year. These trainings will ensure that staff are well-versed in the latest discipline protocols and capable of implementing them effectively.

Implementation of SESIR Codes: Summit Academy Charter School II will use the most **up-to-date SESIR codes** as outlined by Broward Public Schools. Regular audits of SESIR data will be conducted to ensure accurate reporting and compliance with state and district guidelines.

Monitoring and Review of Discipline Procedures: The school will establish a system to regularly monitor adherence to the BCPS Code of Student Conduct. This includes reviewing discipline data, implementing corrective actions, and revisiting policies as needed to maintain compliance. The school's administrative team will meet quarterly to evaluate discipline procedures and make necessary adjustments to align with district expectations.

As a charter school operating within Broward County, we adhere to Florida Statutes regarding student discipline while maintaining our autonomy in developing specific policies. When a student is suspended or recommended for expulsion, we follow procedures outlined in Section 1006.09, Florida Statutes, which governs due process for student discipline.

In cases of suspension, the student will be informed of the reasons for the suspension and given the opportunity to respond. If the suspension is for a period of less than 10 days, the principal or their designee will notify the parent or guardian within 24 hours. Summit Academy Charter School II recognizes that only the Broward County School Board has the authority to expel a student. If a student is suspended for more than 10 days, or if expulsion is recommended, the school will provide written notice to the parent or guardian, and the student will be referred to the Broward County School Board with a recommendation for expulsion. In this event the school will work collaboratively with the school district to develop a plan for providing services to students who are out of school for more than ten days.

A student shall be subject to involuntary withdrawal from the school if (a) the student commits a material violation of the Broward County Code of Student Conduct (such as a Level III or IV offense), which complies with IDEA, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act for

students with disabilities, and (b) if applicable, it has been determined, through the procedures contained in Florida Admin Code R. 6A-6.03312, that a student's behavior is not a manifestation of the student's disability or (c) the student fails to maintain eligibility, such as residency requirements. The school's dismissal policy affords students with due process, including written notice and an opportunity to challenge the grounds for removal. Summit Academy Charter School II's dismissal policy is more thoroughly described in the school's Student-Parent Handbook, which is included as Attachment G.

The school shall not withdraw a student involuntarily for poor academic performance or for a minor infraction of the Code of Conduct. Summit Academy Charter School II will ensure that no pressure, coercion, negotiation or other inappropriate inducement will be used to attempt to have parents or guardians withdraw students from the school.

For students with disabilities, all actions for dismissal shall be in compliance with IDEA, Section 504 of the Rehabilitation Act, the ADA, and Florida law, including Florida Admin. Code R. 6A-6.03312.

By adopting these measures, Summit Academy Charter School II will ensure compliance with the Broward Public Schools Code of Student Conduct and maintain high standards of discipline and student behavior management. For additional information, please refer to the Student Code of Conduct found in Attachment G.

9. Supplemental Programming

Reviewer Instructions

Supplemental Programming
The Supplemental Programming section should describe extra and co-curricular activities offered by the school. This section is optional.
Statutory Reference(s):
NA
Evaluation Criteria:
A response that meets the standard will present:

- A clear description of extra- and co-curricular activities that support, and do not detract from, the educational program.
- Evidence of an adequate funding source for extra- and co-curricular activities.
- Lack of supplemental programming may not be a basis for denial.

Form Result

A. Describe any extra- and co-curricular activities or programming the school will offer, if applicable; how often they will occur; and how they will be funded.

Enter content here

Our school is dedicated to providing a well-rounded educational experience that extends beyond the classroom. We will offer a variety of extra- and co-curricular activities to enhance students' social, emotional, and intellectual development. These activities will align with our mission, values, and the interests of our diverse student population. Here are some examples of the activities we plan to offer:

Arts and Creativity:

- Visual Arts Club: Students can express their creativity through painting, drawing, and other visual arts mediums.
- Performing Arts Ensemble: Opportunities for theater, music, dance, and other performing arts will be provided.

STEM Enrichment:

- Robotics Club: Students can explore engineering concepts and problem-solving through building and programming robots.
- Science Olympiad: Team-based competition that enhances students' knowledge in various science disciplines.

Global Awareness and Community Engagement:

- Model United Nations: Students can engage in simulated diplomatic debates and discussions on global issues.
- Community Service Club: Activities that encourage students to give back to their community and develop empathy.

Outdoor Exploration and Eco-Consciousness:

- Nature Club: Students can participate in outdoor activities, nature hikes, and learn about environmental conservation.
- Gardening Club: Students can cultivate a school garden, promoting sustainability.

Leadership and Personal Development:

- Student Council: An opportunity for students to develop leadership skills and contribute to school decision-making.
- Public Speaking Workshops: Programs to help students build confidence in public speaking and effective communication.

- Cultural Clubs: Student-led groups celebrating different cultures, fostering understanding and appreciation.

Athletics

- Age-Appropriate Sports: Flag Football, Basketball, Cross Counrtry, Soccer, Volleyball, Dance, Cheerleading, Step, etc.

Frequency and Funding:
The frequency of these activities will vary based on the nature of the program. Some activities may occur weekly, while others might be held on a monthly or seasonal basis. We plan to secure funding for these activities through a combination of sources:

- Student Fees: Some activities may have nominal participation fees to cover materials, equipment, and facilitators.
- Grants and Sponsorships: We will actively seek grants and sponsorships from local businesses, community organizations, and educational foundations.
- Fundraising: School-wide fundraising events will contribute to funding for extra- and co-curricular activities.
- Parent Involvement: Parent volunteers may offer their expertise or support to run certain programs.

Overall, our aim is to provide a diverse array of activities that cater to students' interests, promote personal growth, and complement their academic experience. We believe that these activities contribute to a holistic education that nurtures well-rounded individuals who are prepared to excel both in academics and in life.

Evaluation Criteria: Supplemental Programming

Reviewers will look for:

IV) ORGANIZATIONAL PLAN

The Organizational Plan should provide an understanding of how the school will be governed and managed. It should present a clear picture of the school's governance and management priorities, what responsibilities various groups and people will have, and how those groups will relate to one another.

1. Governance

Reviewer Instructions

The Governance section should describe how the policy-making and oversight function of the school will be structured and operate.

Statutory Reference(s):

s. 1002.33(7)(a)15.; s. 1002.33(9)

Evaluation Criteria:

A response that meets the standard will present:

- A governing board that is legally structured, or has a plan to organize in conformity with the laws of Florida.
- A clear description of the governing board's roles, powers, and duties that are consistent with overseeing the academic, organizational, and financial success of the school.
- Appropriate delineation between governance and school management roles.
- At least the core of the Governing Board is identified that has a wide range of knowledge and skills needed to oversee a charter school.
- A board structure (e.g. bylaws and policies concerning member selection, committees, meeting frequency) that supports sustainable and effective school governance.
- Evidence that applicant understands and intends to implement open meeting and records laws.
- Clear policy and plan for dealing with conflicts of interest.
- Appropriate and clear role for any advisory bodies or councils if included.

- An outline of a grievance process (or policy) that will simultaneously address parent or student concerns and preserve appropriate governance and management roles.

Form Result

A. Describe the school's existing or planned legal status, including non-profit status and federal tax- exempt status.

Enter description here

The proposed charter school is actively pursuing legal status as a non-profit entity and is in the process of obtaining federal tax-exempt status. The application for non-profit status has been submitted, and the school is currently awaiting approval.
Upon receiving approval for non-profit status, the school will be positioned to operate as a tax-exempt organization, ensuring that resources are directed towards enhancing educational programs, supporting students, and maintaining the school's overall mission-driven initiatives.
The school is fully committed to following all legal processes and requirements to secure its non-profit status and federal tax-exempt status, thereby strengthening its foundation for delivering a top-tier educational experience while serving as a responsible and accountable member of the community.

B. Provide the following documents, if available, as attachments:

- The articles of incorporation for the applicant organization (or copies of the filing form) –Attachment H
- 501(c)(3) tax exempt status determination letter (or copy of the filing form) –Attachment I
- Governing board by-laws – Attachment J
- Governing board code of ethics and conflict of interest policy – Attachment K

C. Describe the governance structure of the proposed school, including the primary roles, powers, and duties of the governing board; committee structure (if applicable); and how the board will interact with the principal/head of school and any advisory bodies.

Enter content here

The Governing Board functions as the chief policymaking body, overseeing and managing the school's operations. Its role is to lead and govern the organization. The Principal, in alignment with established operating policies, procedures, and approved budgets, holds the responsibility for the day-to-day school operations. The Education Service Provider (ESP) collaborates closely with both the Board and the Principal, facilitating the execution of the charter's terms and the Board's decisions.

The faculty and staff will directly report to the Principal, who is an employee of the Board and is selected and evaluated by the Governing Board. The Board also designates a representative as per F.S. 1002.33 (9) (p) (2). The School Advisory Council plays an integral role in shaping the School Improvement Plan and assists the Board, ESP, and Principal in crafting the budget.

The Governing Board enters into a contract with the ESP to support the school's day-to-day activities and collaborate with the Principal, while the Board retains budgetary approval authority. The ESP's accountability is to the Governing Board, providing support to translate the charter's provisions and the Board's decisions into actions.

In essence, the Principal's leadership encompasses overseeing all school faculty and staff, the

The direct interaction between the Board and the ESP establishes a continuous channel for the Board to verify the ESP's fulfillment of its obligations, which will be explicitly outlined in the management contract.

The Principal will be under the direct supervision of the governing board and subject to annual evaluations conducted by the board. Monthly status updates will be presented by the Principal to the Governing Board, along with attendance at all board meetings to address inquiries. Likewise, the ESP will participate in all Board meetings, reporting to the governing board and ensuring follow-up on action items.

The Principal's accountability will primarily stem from the employment contract's performance expectations. Reporting directly to the Board, the Principal will be assessed by input from Board members on their performance using the Florida Charter School Consortium Tool.

The Broward-based Summit Academy Charter School II will form a Board partially composed of local community members entrusted with overall strategic guidance and operational supervision and experts in the operation and management of schools. The Board's responsibilities include selecting the ESP, formulating and adopting the School Policy manual, overseeing the budget, and addressing concerns raised by parents and community members.

The Board will internally designate officers to hold distinct roles within the School Board of Directors. Essential roles will include:

- President: This individual will manage the agenda and conduct all meetings of the School Board of Directors. Additionally, they will chair the Principal Hiring Committee.
- Secretary: Responsible for recording and presenting minutes for each board meeting, the Secretary will also ensure archiving and public availability of minutes.
- Treasurer: In charge of leading the Budget Committee, the Treasurer will propose an annual budget to the School Board of Directors. Collaborating with the Principal and ESP, they will ensure accurate financial reporting. Additionally, the Treasurer will oversee the selection and retention of an independent auditor for an annual audit.

These officer positions will be filled annually during the Board's yearly meeting. The Board reserves the right to define supplementary roles as deemed appropriate.

D. State the frequency of board meetings and describe how the board will comply with open meetings and records laws.

Enter content here

The governing board of the proposed charter school will hold quarterly meetings to ensure effective oversight, decision-making, and alignment with the school's mission and goals. These meetings will be held in Broward County and mandate that local representation is present. The board is committed to transparency and accountability, and as such, it will adhere to Florida's Sunshine Law to ensure compliance with open meetings and records laws.

Compliance with Sunshine Law: The board is dedicated to maintaining transparency and open communication with stakeholders, including parents, students, staff, and the community. To ensure compliance with Florida's Sunshine Law (Chapter 286, Florida Statutes), the following measures will be implemented:

Public Notice: The board will provide advance public notice of all board meetings, including date, time, and location, through various communication channels such as the school website, social media, and community announcements.

Agendas and Materials: Meeting agendas, supporting materials, and documents to be discussed will be made available to the public before the meetings. This ensures that interested parties have access to relevant information.

Accessible Meetings: Board meetings will be open to the public and will provide an opportunity for attendees to provide public comments and observe discussions and decision-making processes.

Minutes and Records: Accurate and detailed minutes of each board meeting will be recorded and maintained as part of the official public record. These minutes will accurately reflect the discussions, actions taken, and decisions made during the meetings.

Executive Sessions: While the board aims to conduct its business transparently, there may be instances where certain discussions are held in executive sessions as permitted by law.

By adhering to Florida's Sunshine Law, the governing board will foster an environment of openness, accountability, and effective governance. This approach ensures that the board operates in the best interests of the school and its stakeholders while maintaining the highest ethical standards and transparency.

E. Describe the current and desired size and composition of the governing board. Identify key skills, areas of expertise, and constituencies that are or will be represented on the governing board.

Enter content here

The governing board of Summit Academy Charter School II envisions a board size of 3 to 7 members who will meet quarterly in Broward County and who bring together a diverse range of skills, expertise, and community representation. The board's composition reflects a combination of business, education, and local community members, ensuring a comprehensive approach to decision-making and oversight.

The current founding board consists of seven members. Key skills and areas of expertise represented on the governing board include education, finance, legal, leadership, curriculum development, community engagement, and organizational management. By having a well-rounded representation of these skills, the board is equipped to make informed decisions that align with the school's mission and strategic goals.

Additionally, the board strives to achieve a composition that reflects the cultural, socioeconomic, and demographic diversity of the local community it serves. This diversity enables the board to better understand the needs and aspirations of students, parents, and stakeholders, fostering a more inclusive and responsive governance structure.

In summary, Summit Academy Charter School II establishes a governing board with a balanced composition of skilled professionals, educators, and community members, working collectively to drive the school's success and ensure high-quality education for all students.

F. Describe how board members have been and will be selected including term limits and selection of officers.

Enter content here

Board members of Summit Academy Charter School II in Broward have been and will continue to be selected through a comprehensive process that emphasizes their alignment with the school's mission, expertise, diversity, and commitment to educational excellence. The Board nominating committee will identify potential candidates based on their qualifications and dedication to the school's values.

The process of selecting officers will be guided by the Board's bylaws and organizational needs. The President, Director, Secretary, and Treasurer positions will be elected annually during the Board's yearly meeting. The selection process will consider the individual's experience, capabilities, and the needs of the school, with a focus on distributing responsibilities and ensuring a well-rounded team.

Collectively, these measures aim to assemble a board with a diverse skill set, comprehensive expertise, and a shared commitment to advancing the Charter School's mission and vision for exceptional education.

G. Explain how this structure and composition will ensure that the school will be an academic, operational, and financial success.

Enter content here

The carefully designed structure and composition of the governing board at Summit Academy Charter School II are integral to ensure the school's success on academic, operational, and financial fronts. By assembling a diverse group of individuals with varied skills and expertise, the board will foster a comprehensive approach to decision-making that considers all aspects of the school's operations. The governing board will report progress annually to its sponsor.

Academic Success: The board's representation of educators, curriculum developers, and educational leaders will contribute to the development and implementation of a robust and effective academic program. With a deep understanding of pedagogy and curriculum design, the board will guide the school in aligning instructional strategies with the latest educational research and best practices, ensuring that students receive a high-quality education that meets and exceeds state standards.

Operational Excellence: The presence of board members with expertise in organizational management, finance, and legal matters will be crucial in maintaining smooth and efficient operations. They will provide oversight to ensure compliance with applicable regulations, establish strong financial systems, and develop operational policies and procedures that promote transparency, accountability, and efficiency.

Financial Viability: Board members with financial acumen will play a pivotal role in the school's financial health. Their expertise will aid in budget development, fiscal oversight, and fundraising efforts, safeguarding the school's financial sustainability. The board will also ensure responsible allocation of resources to support instructional needs and enhance the overall student experience.

Strategic Decision-Making: The diverse composition of the board, including community representatives, will provide a 360-degree view of the school's impact on the local community. This broader perspective will help the board make informed strategic decisions that align with the community's values and aspirations, leading to a stronger school-community connection.

Continuous Improvement: By combining the insights and perspectives of educators, professionals, and community advocates, the board will establish a culture of continuous improvement. Regular evaluations, data analysis, and open discussions will lead to informed adjustments in policies, strategies, and initiatives, ensuring that the school remains adaptable and responsive to evolving educational landscapes.

The governing board's strategic composition at Summit Academy Charter School II will be a driving force behind the

school's academic, operational, and financial success. Its diverse skills, expertise, and commitment to student achievement and community engagement will empower the school to thrive and fulfill its mission of providing an exceptional educational experience to all students.

H. Complete the table below (add lines as necessary) and for each individual identified here provide 1) a completed and signed Board Member Information Sheet (template provided), and 2) resume.

I. Describe the plans for board member recruitment and development, including the orientation process for new members and ongoing professional development to increase the capacity of the board.

Enter contet here

The governing board of the proposed charter school recognizes the critical role that effective board members play in the success of the school. The board is committed to recruiting local individuals who possess a strong dedication to the school's mission, a diverse range of skills and expertise, and a shared commitment to the highest standards of governance and accountability. The plans for board member recruitment and development include comprehensive strategies to ensure that the board remains well-equipped to fulfill its responsibilities.

Board Member Recruitment:

The board will employ a targeted recruitment process to identify local individuals who align with the school's mission and possess expertise in areas such as education, finance, legal, community engagement, and governance. The recruitment process will involve:

Needs Assessment: The board will conduct a thorough assessment of its needs and areas where additional expertise or diversity is required.

Outreach and Networking: The board will actively seek potential board members through outreach, networking, and engagement with community organizations, educational institutions, and professional networks.

Application and Interview: Prospective board members will submit applications outlining their qualifications and commitment to the school's mission. The board will conduct interviews to assess alignment, expertise, and dedication.

Board Member Orientation:

New board members will undergo a comprehensive orientation process to familiarize them with the school's mission, governance structure, policies, and expectations. The orientation process includes:

Introduction to School: New board members will receive a comprehensive introduction to the school's history, mission, educational programs, and community.

Governance Training: Board members will receive training on their roles, responsibilities, legal obligations, open government laws, financial responsibilities and conflicts of interest and ethics as outlined in state law and the school's bylaws.

Financial and Legal Overview: New board members will gain an understanding of the school's financial operations, budgeting, reporting, and legal compliance.

Community Engagement: The orientation will emphasize the importance of building relationships with the school community, parents, students, and stakeholders.

Ongoing Professional Development:

To ensure the board's continued effectiveness, ongoing professional development will be offered to enhance members' skills and knowledge. This includes:

Regular Workshops: Besides the quarterly meeting held in Broward County, the board will organize workshops on topics relevant to school governance, education trends, legal matters, and financial oversight.

External Resources: Board members will have access to external resources such as conferences, seminars, and training offered by organizations specializing in charter school governance and leadership.

The combination of strategic recruitment, thorough orientation, and ongoing professional development will empower the board to provide effective leadership, strategic guidance, and robust oversight to the proposed charter school. This approach ensures that the board remains dedicated to the school's mission and is well-prepared to navigate the challenges and opportunities in education.

J. Describe the board’s ethical standards and procedures for identifying and addressing conflicts of interest.

Enter content here

The governing board of the proposed charter school is committed to upholding high ethical standards and ensuring transparency in all its actions. The board recognizes the importance of identifying and addressing conflicts of interest to maintain the integrity of its decision-making processes. To this end, the board has established clear ethical standards and procedures that guide its members in their responsibilities and interactions.

Ethical Standards: Board members are expected to act in such a manner as to uphold and enhance personal and professional honor, integrity, and the dignity of the education profession. They are expected to treat with respect all persons, regardless of race, religion, gender, sexual orientation, marital or family status, disability, age or national origin. Board members will avoid any interest or activity that is in conflict with the conduct of official duties. The board members are expected to adhere to a set of ethical standards that include but are not limited to:

Conflict of Interest: Board members will act in the best interest of the school and its students. They will avoid conflicts of interest or the appearance of impropriety that could compromise their ability to make unbiased decisions.

Transparency: Board members will conduct themselves with transparency, honesty, and integrity in all their dealings related to the school. They will disclose any potential conflicts of interest that may arise.

Accountability: Board members will be accountable for their actions and decisions. They will make decisions that prioritize the school's mission and the well-being of its students.

Conflict of Interest Procedures:

Board members will undergo governance training that has been approved by the Florida Department of Education. The program will include comprehensive coverage on the topics of conflicts of interest and ethics, including how to identify the existence of a conflict of interest. In addition, the board has established procedures for identifying and addressing conflicts of interest:

Disclosure: Board members will disclose any potential conflicts of interest to the board chair or designated officer as soon as they become aware of them. This includes financial interests, relationships, or affiliations that may impact their objectivity. Board members who have a conflict of interest and who refuse to resign shall be involuntarily removed by the board.

Action Plan: If a conflict of interest is identified, the board will develop an action plan to address the conflict. This may include seeking outside legal advice, altering decision-making processes, or taking other appropriate measures to address the conflict of interest.

Transparency: The board will ensure that any actions taken to address conflicts of interest are communicated transparently to all parties, including the school community and stakeholders.
Annual Review: The board will conduct an annual review of its conflict of interest procedures and ethical standards to ensure their effectiveness and relevance. The school's policy on conflicts of interest is included as Attachment K.
By implementing these ethical standards and procedures, the governing board of the proposed charter school aims to foster a culture of transparency, accountability, and integrity. This commitment helps ensure that the board's decisions are made in the best interests of the school, its students, and the community it serves.

K. Describe, if applicable, any school advisory bodies or councils that are in place or will be formed, including the roles and duties of each and the reporting structure of such entity relative to the school's governing board and leadership.

Enter content here

Summit Academy Charter School II recognizes the importance of involving stakeholders in the decision-making process and fostering a strong sense of community engagement. To achieve this, the school will establish a School Advisory Council (SAC) to serve as a vital link between the school's stakeholders and its governing board and leadership.

School Advisory Council (SAC):

The SAC will consist of diverse stakeholders, including parents, community members, teachers, and school administrators. This advisory body will provide valuable input, feedback, and insights on various aspects of the school's operations and initiatives. The SAC's primary role is to offer recommendations and suggestions to enhance the overall educational experience and ensure alignment with community needs and expectations.

Roles and Duties:

Community Voice: The SAC will serve as a forum for open dialogue between the school and its community members. It will provide a platform for sharing concerns, ideas, and suggestions that contribute to the school's improvement and success.

Policy and Program Feedback: The council will review and provide feedback on school policies, programs, and initiatives. This input will help the governing board and school leadership make informed decisions that resonate with the community's values.

Community Outreach: The SAC will assist in organizing community events, outreach activities, and initiatives that promote collaboration and engagement between the school and its surrounding community.

School Improvement Plan: The council will collaborate with the governing board and school leadership in developing and refining the School Improvement Plan (SIP), ensuring it reflects the aspirations and needs of students, parents, and the community.

Reporting Structure: The SAC will report to the school's principal. It will provide feedback, suggestions, and recommendations directly to the principal, who will then collaborate with the governing board and school leadership to integrate the SAC's insights into decision-making processes. The SAC's involvement will be characterized by transparency, regular communication, and a commitment to fostering a positive school-community relationship.

In summary, the establishment of the School Advisory Council at Summit Academy Charter School II reflects the school's commitment to inclusive decision-making and community involvement. By engaging a diverse range of stakeholders, the

SAC will contribute to the school's ongoing improvement, responsiveness to community needs, and overall success.

L. Briefly explain the process that the school will follow should a parent or student have an objection to a governing board policy or decision, administrative procedure, or practice at the school. This includes the process for developing procedures for complaint resolution of parental concerns involving student welfare, including the student welfare provisions described in section 1001.42(8)(c)1.-6., F.S. The entire process or policy does not have to be developed; however, applicants should be able to articulate the primary steps.

Enter content here

Summit Academy Charter School II is dedicated to ensuring an open and transparent environment where parents and students can voice concerns and have their issues addressed promptly and fairly. If a parent or student has an objection to a governing board policy or decision, administrative procedure, or practice at the school, the following process will be followed:

Initial Discussion: The concerned parent or student is encouraged to first engage in a direct and respectful conversation with the relevant staff member or teacher involved. This dialogue will provide an opportunity to clarify any misunderstandings and address the concern.

Formal Complaint: If the issue remains unresolved, the parent or student can submit a formal complaint to the school principal. The complaint should be in writing and detail the specific nature of the concern and any relevant information. The principal will acknowledge receipt of the complaint and initiate an investigation.

Investigation and Resolution: The principal will thoroughly investigate the complaint, gather relevant information, and consider any applicable policies or procedures. Depending on the nature of the concern, the principal may involve other staff members in the investigation process.

Communication: The principal will communicate the findings of the investigation and any recommended actions to the concerned parent or student. If the issue is resolved to the satisfaction of the parent or student, the process will be considered concluded.

Appeal Process: If the parent or student remains dissatisfied with the resolution, they can submit a formal appeal to the Parent Liaison. The appeal should include the details of the original complaint, the investigation process, and reasons for disagreement with the resolution.

Review and Decision: The Parent Liaison, an ESP Representative and a Board Representative will review the appeal, consider the information provided, and make a final decision. The decision will be communicated to the parent or student in a timely manner.

It's important to note that Summit Academy Charter School II is committed to adhering to the student welfare provisions outlined in section 1001.42(8)(c)1.-6., F.S.

All parents have the right to seek relief for a concern regarding a student's welfare under §1001.42(8)(c)1-6, Fla. Stat., and to request appointment of a special magistrate if those concerns are unresolved.

This includes any complaints or disputes related to the following:

- Concerns over a change in the student's services or monitoring related to the student's mental, emotional, or physical health or well-being and the school's ability to provide a safe and supportive learning environment for the student.

- Concerns related to any school policies or procedures that are perceived to discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.

- Concerns over classroom instruction related to sexual orientation or gender identity, which is prohibited in grades K-8 and must be age-appropriate for all other grades.

- Concerns over student support services training developed or provided to school personnel that is believed to be out of compliance with guidelines, standards, and frameworks established by the Florida Department of Education.

- Concerns over parental notification at the beginning of the school year about healthcare services offered by the school, including the ability to opt-out or withhold consent for any such services.

- For grades kindergarten through third only, concerns over whether the school provided a well-being questionnaire or health screening form to the parent and sought their permission before it was administered to the student.

Any complaints presented by a parent related to concerns summarized above shall be addressed in the following manner: The parent shall notify the principal of any concerns related to the above areas. The principal (or designee) will provide a response to the parent within seven (7) days. If the parent remains aggrieved, the parent may present the dispute to the Broward School District. The school district must attempt to resolve the dispute within thirty (30) days. If the dispute remains unresolved, a parent may request the appointment of a special magistrate utilizing the "Parental Request for Appointment of a Special Magistrate for Charter School Students." Parents will be provided information regarding where to get the form. For the purposes of this policy, "days" shall mean business days and exclude state, federal and school holidays.

The school shall fully cooperate in the school district's resolution procedures and comply with the school district's decision for resolution of the complaint. The principal shall be responsible for responding to inquiries by the Florida Department of Education regarding a request for appointment of a special magistrate and shall notify the Department of the principal's name and email address.
Overall, the school's complaint resolution process aims to foster effective communication, transparency, and a collaborative approach to resolving concerns and maintaining a positive school environment for all stakeholders.

If the school is filing the application in conjunction with a college, university, museum, educational institution, another non-profit organization or any other partner, provide the following information:

Evaluation Criteria: Governance

Reviewers will look for:

- A governing board that is legally structured, or has a plan to organize in conformity with the laws of Florida.
- A clear description of the governing board's roles, powers, and duties that are consistent with overseeing the academic, organizational, and financial success of the school.
- Appropriate delineation between governance and school management roles.

- At least the core of the Governing Board is identified that has a wide range of knowledge and skills needed to oversee a charter school.
- A board structure (e.g. bylaws and policies concerning member selection, committees, meeting frequency) that supports sustainable and effective school governance.
- Evidence that applicant understands and intends to implement open meeting and records laws.
- Clear policy and plan for dealing with conflicts of interest.
- Appropriate and clear role for any advisory bodies or councils if included.
- An outline of a grievance process (or policy) that will simultaneously address parent or student concerns and preserve appropriate governance and management roles.

Notes

Note was added at 10/14/2025 01:46 PM by Detra Adams

This section was reviewed by Donté Collins, Director and Detra Adams, Coordinator within the Charter Schools Management/Support Department. Clarifying Question: describe the process that will be implemented to ensure that the governing board, school staff, and volunteers are in compliance with current fingerprinting and background screening requirements.
This section of the application is incomplete as the Statement of Assurances are for another school, HACS, and not for Summit Academy II.

2. Management and Staffing

Reviewer Instructions

Management and Staffing

The Management and Staffing section should describe how the day-to-day administration of the school's operations will be structured and fulfilled.

Statutory Reference(s):

s. 1002.33(7)(a)9.; s. 1002.33(7)(a)14.

Evaluation Criteria:

A response that meets the standard will present:

- An organizational chart or charts that clearly and appropriately delineate lines of authority and reporting.
- A management structure that includes clear delineation of roles and responsibilities for administering the day-to-day activities of the school.
- Identification of a highly-qualified school leader or a sound plan for the recruitment and selection of the school leader.
- A viable and adequate staffing plan.
- A sound plan for recruiting and retaining highly-qualified and appropriately-certified instructional staff.

Form Result

A. Submit as Attachment M organization charts that show the school governance, management, and staffing structure in

- The pre-operational year;
- The first year of school operations;
- At the end of the charter term; and
- When the school reaches full capacity, if in a year beyond the first charter term.

Each organization chart should clearly delineate the roles and responsibilities of and lines of authority and reporting among the governing board, staff, and any related bodies (such as advisory bodies or parent or teacher councils), and any external organizations that will play a role in managing the school. The organization charts should also specifically document lines of authority and reporting within the school.

B. Identify the principal or head of school candidate and explain why this individual is well-qualified to lead the proposed school in achieving its mission. Summarize the proposed leader's academic and organizational leadership record. Provide specific evidence that demonstrates capacity to design, launch, and manage a high-performing charter school. If the proposed leader has never run a school, describe any leadership training programs that (s)he has completed or is currently participating in. Discuss the evidence of the leader's ability to effectively serve the anticipated population. Also provide, as Attachment N, the proposed job description and resume for this individual.

--OR--

If no candidate has been identified, discuss the process and timeline for recruiting, selecting, and hiring the school leader. Describe the criteria to be used in selecting this leader, and provide as Attachment O the position's qualification requirements. What are the key skills and competencies for the school leader? What qualities must the school leader have for this school to be successful?

Enter content here

Recruitment Process:

Establishment of Search Committee: A search committee will be formed, consisting of board members, teachers, parents, and community stakeholders. This committee will oversee the entire recruitment process, ensuring diverse input and transparency.

Job Description Development: The committee will develop a comprehensive job description outlining the responsibilities, qualifications, and desired attributes for the school leader. This will be aligned with the school's mission and vision.

Advertising the Position: The position will be advertised through various channels, including education job boards, professional networks, social media, and local community platforms. Outreach efforts will also include posting in educational associations and attending job fairs to attract a diverse pool of candidates.

Selection Process: Application Review: The search committee will review all applications to shortlist candidates based on their qualifications and experience in educational leadership, particularly in charter schools or similar settings.

Interviews: Shortlisted candidates will participate in multiple rounds of interviews, including one-on-one interviews with committee members and a panel interview with stakeholders. This process will assess candidates' leadership philosophies, problem-solving skills, and alignment with the school's culture and values.

Reference Checks: Reference checks will be conducted for the top candidates to gain insight into their leadership styles and effectiveness.

Final Decision: The search committee will make a recommendation to the governing board, who will make the final hiring decision.

Timeline:

- Month 1: Establish the search committee and develop the job description.
- Months 2-3: Advertise the position and begin accepting applications.
- Month 4: Review applications and conduct initial interviews.
- Month 5: Conduct final interviews and reference checks.
- Month 6: Make the final hiring decision and extend an offer to the selected candidate.

Criteria for Selecting the School Leader

- Educational Background: A master's degree in educational leadership, administration, or a related field is

preferred.

- Leadership Experience: A minimum of 5 years of experience in educational leadership, with a strong preference for experience in charter schools or similar educational settings.
- Proven Track Record: Evidence of successful school turnaround or improvement, demonstrated by increased student achievement and positive school culture.
- Knowledge of Best Practices: Familiarity with effective instructional practices, curriculum development, and assessment strategies, particularly for diverse learners.

Key Skills and Competencies

- Visionary Leadership: Ability to articulate and implement a clear vision for the school, aligning the school's goals with the needs of the community and students.
- Strong Communication Skills: Excellent verbal and written communication skills to engage with stakeholders, including staff, students, parents, and the community.
- Collaborative Approach: A demonstrated ability to work collaboratively with diverse teams, fostering a culture of shared decision-making and accountability.
- Data-Driven Decision-Making: Proficient in using data to inform instructional practices and school improvement strategies, ensuring all decisions are based on evidence.
- Cultural Competency: Understanding and appreciation for diversity, ensuring that all students feel valued and included, and that their needs are met.

Qualities for Success

- Empathy and Approachability: The school leader must be approachable and empathetic, building strong relationships with students, staff, and parents to foster a positive school climate.
- Resilience and Adaptability: The ability to navigate challenges and adapt to changing circumstances, maintaining a focus on student achievement and school improvement.
- Commitment to Continuous Improvement: A strong dedication to personal and professional growth, seeking out opportunities for development and encouraging the same in staff.
- Passion for Education: A genuine passion for education and a commitment to providing high-quality educational experiences for all students.

Attachment O: Position's Qualification Requirements will detail the specific qualifications and skills necessary for the school leader role.

C. Describe the management structure of the school. As Attachment P provide job descriptions for each administrative or leadership position that identifies key roles, responsibilities, and accountability.

Enter content here

The management structure of Summit Academy Charter School II is designed to ensure effective leadership, clear lines of responsibility, and efficient operations. Key administrative and leadership positions are outlined below along with their corresponding job descriptions provided in Attachment P:
Governing Board:

- Role: Responsible for policy-making, oversight, and strategic direction.
- Accountability: Ensures alignment with the school's mission, compliance with regulations, and financial stability.

Principal (P):

- Role: Manages day-to-day school operations, curriculum delivery, and student performance.
- Accountability: Reports to the Board of Directors, ensures effective school management and academic excellence.

Assistant Principal (AP):

- Role: Supports the Principal in various operational and academic matters.
- Accountability: Assists the Principal in achieving school goals and maintaining a conducive learning environment.

Instructional Staff:

- Role: Delivers curriculum, facilitates student learning, and assesses student progress.
- Accountability: Reports to the Principal, ensures quality instruction and student achievement.

Specialists and Support Staff:

- Role: Provides specialized services, such as counseling, special education, and extracurricular activities.
- Accountability: Supports student needs and contributes to a well-rounded education.

Administrative Staff:

- Role: Handles administrative functions, including HR, finance, and facilities management.
- Accountability: Supports the overall operation of the school and ensures compliance with regulations.

For detailed job descriptions and a comprehensive understanding of the roles, responsibilities, and accountability

for each administrative or leadership position, please refer to Attachment P. These job descriptions have been meticulously developed to ensure clarity and effectiveness in fulfilling the school's mission and objectives.

E. Explain the school's plan for recruitment, selection, and development of a highly qualified and appropriately certified instructional staff that is aligned with applicable federal laws and state requirements as well as the school's design.

Enter explanation here

The school's plan for recruitment, selection, and development of a highly qualified and appropriately certified instructional staff is comprehensive and aligned with applicable federal laws, state requirements, and the school's design. This plan aims to ensure that the teaching staff is well-equipped to deliver high-quality education that aligns with the school's mission and goals.

Recruitment: The school will implement a rigorous and targeted recruitment strategy to attract highly qualified educators who align with the school's values and vision. The strategy will include advertising positions through various channels such as educational job boards, social media, and networking events. The school will actively seek out educators who have a passion for humane sciences and possess a strong commitment to student success.

Selection: The school will be nonsectarian in its programs, admission policies, employment practices, and operations. The selection process will involve a thorough evaluation of candidates' qualifications, experience, and alignment with the school's mission. A selection committee, consisting of school administration, curriculum specialists and lead teachers, will review applications and conduct interviews. Candidates will be assessed not only on their subject expertise but also on their ability to create an engaging and inclusive learning environment that supports the school's focus on humane sciences.

Certification and Qualifications: The school will adhere to all applicable federal and state laws related to teacher certification. All instructional staff members will be required to hold the appropriate certifications and qualifications for their respective subject areas. The school will verify certifications and conduct background checks to ensure compliance with legal requirements. Some teachers will be dual certified and act in the capacity of more than one role. They will simply be listed as fulltime teachers on the staffing matrix and budget.

Professional Development: The school is committed to providing continuous professional development opportunities for its instructional staff. These opportunities will focus on enhancing teaching skills, staying updated on the latest educational practices, and aligning with the school's curriculum and pedagogical approach. Professional development will include workshops, seminars, conferences, and collaborative learning experiences.

Mentoring and Support: Newly hired instructional staff will be provided with mentoring and support to facilitate their successful integration into the school's culture and instructional practices. Experienced teachers and

administrators will mentor new hires, guiding them through the school's curriculum, instructional methods, and classroom management strategies.
Evaluation and Growth: A comprehensive teacher evaluation process will be established to assess instructional effectiveness, adherence to the school's mission, and alignment with state standards. Feedback from evaluations will guide individualized professional development plans that support teachers in their growth as educators.
Collaboration and Innovation: The School will foster a collaborative environment where teachers have opportunities to share best practices, engage in peer learning, and participate in curriculum development. This collaborative approach will encourage innovation and ensure a consistent alignment with the school's mission.
In summary, the school's plan for recruiting, selecting, and developing a highly qualified and certified instructional staff is designed to attract educators who are passionate about humane sciences, provide them with ongoing support and professional development, and ensure their alignment with the school's mission and goals.

Evaluation Criteria: Management and Staffing

Reviewers will look for:

- An organizational chart or charts that clearly and appropriately delineate lines of authority and reporting.
- A management structure that includes clear delineation of roles and responsibilities for administering the day-to-day activities of the school.
- Identification of a highly-qualified school leader or a sound plan for the recruitment and selection of the school leader.
- A viable and adequate staffing plan.
- A sound plan for recruiting and retaining highly-qualified and appropriately-certified instructional staff.

Notes

Concern was added at 10/15/2025 03:58 PM by Sherry Richmond

Section E: Certification and Qualifications: It is stated in this section "All instructional staff members will be required to hold the appropriate certifications and qualifications for their respective subject areas.
Section P: Based on review of attachment P, the qualifications of guidance/school counselor indicates a bachelor's degree from an accredited institution. This is not correct as FLDOE requires a master's or higher degree with a graduate major in guidance and counseling or school counseling that includes a minimum of a six-hundred clock hours of supervised internship serving school-aged students in a prekindergarten, an elementary or a secondary

school setting. Or, under Plan 2 a master's or higher degree with a graduate major in counseling other than guidance and counseling or school counseling that includes the a minimum of a six-hundred clock hours of supervised internship with school-aged children and their families with at least nine (9) semester hours of graduate credits in specific courses outlined at https://www.fldoe.org/teaching/certification/certificate-subjects/administrative-rules/6a-4-0181.stml. The job description should address the responsibilities of conducting behavioral threat assessments (BTAs) and suicide threat assessments (SRAs). If not able to secure a candidate certified or eligible for FLDOE certification in school counseling PK-12, can consider hiring a Department of Health (DOH) registered mental health counselor or FLDOE certified school social worker or school psychologist to fill this role since they can conduct BTAs and SRAs.
Section Q: Indicated under teacher job description in qualification section the following: "ESOL certified or endorse (this qualification may be waived in special situtations..." Teachers identified out-of-field for esol must get in compliance by completing the required training based on subject area being taught which is outlined in Florida State Statute 1012.42 (2) and 6A-1/0503 (3)(b)(1-3) and at https://www.browardschools.com/bcps-departments/human-resources/certification/esol-compliance-and-training-information

Partially Meets the Standard - Final Rating Added by Rhonda L. Stephanik at 10/13/2025

3. Human Resources and Employment

Reviewer Instructions

The Human Resources and Employment section should define the policies and procedures that frame the school's relationship with its staff.
Statutory Reference(s):
s. 1002.33(7)(a)14.; s. 1002.33(12)
Evaluation Criteria:
A response that meets the standard will present:

- A clear explanation of the relationship between employees and the school.
- Description of the school leader and teacher evaluation plans, or outline of such plans, which align with the Student Success Act as defined by state law.
- A compensation and benefits plan or outline of such a plan that is aligned with Florida's Student Success Act, and will attract and retain quality staff.
- Procedures that are likely to result in the hiring of highly-effective personnel.

- Policies and procedures that hold staff to high professional standards or a plan to develop such policies and procedures.
- An effective plan to address any leadership or staff turnover.

Form Result

A. Explain the relationship that will exist between the school and its employees, including whether the employees will be at-will. Discuss the school's tentative plan regarding use of employment contracts. If the school will use contracts, explain the nature and purpose of the contracts. Use and nature of employment contracts may be finalized after application approval.

Enter explanation here

The school will comply with all requirements of Florida Statutes Chapter 1012 and Florida Administrative Code Chapter 6A-4, including, but not limited to ensuring that all employees, as required by Florida Statutes 1012.55, hold a valid Florida Educator's certificate or license with the appropriate coverage as provided for in the Course Code Directory and referenced in Florida Administrative Code 6A-1.09441, or are authorized under another provision per Florida Administrative Code 6A-1.0503. If the school has received approval by their governing school board for a teacher to teach out of field as permitted by Florida Administrative Code 6A-1.0503, the school will comply with all parental notification requirements per Florida Statutes 1012.42.

The relationship between the school and its employees will be guided by a framework that fosters a collaborative and professional environment while adhering to the legal context of employment in the state of Florida. The school recognizes that Florida is an at-will employment state, which means that either the employee or the school can terminate the employment relationship at any time, with or without cause. The school shall not employ an individual whose relative, as defined by 1002.33, advocated such employment and is an officer or an employee of the school with authority to recommend employment.

Use of Employment Contracts: While the final use and nature of employment contracts may be determined after application approval, the school's tentative plan is to utilize annual employment contracts for its instructional and administrative personnel in accordance with F.S. 1002.33(16)(b)(6). These contracts will outline the terms and conditions of employment, including roles, responsibilities, compensation, benefits, and expectations for professional conduct.

Purpose of Employment Contracts: The purpose of the employment contracts is to establish a clear understanding between the school and its employees regarding their roles, responsibilities, and the terms of their employment. Contracts provide a legal framework that outlines the rights and obligations of both parties, ensuring transparency and accountability.

Nature of Employment Contracts: The employment contracts will be designed to protect the interests of both the school and its employees. They will outline job duties, performance expectations, requirements for background checks as per F.S 1002.33(12)(g)4, compensation structures, benefits, leave policies, and other terms of employment. The contracts will serve as a reference for both parties and provide a basis for addressing any concerns or disputes that may arise during the employment relationship.

Flexibility and Adaptability: The school recognizes the dynamic nature of education and the need to be adaptable to changing circumstances. As such, the employment contracts will be drafted in a way that allows for updates and adjustments as necessary, while ensuring compliance with state and federal laws.

The school is committed to creating a positive and collaborative work environment that values the contributions of its employees. The use of employment contracts, guided by the at-will employment nature of the state, will contribute to clear communication, mutual understanding, and the establishment of a professional foundation for successful collaboration.

B. Provide the performance evaluation or a general outline of the performance evaluation plan, consistent with the substantive requirements included in s. 1012.34, F.S. (the Student Success Act), for administrators and instructional personnel including who will conduct the evaluations, what instrument will be used, and how the results will be used to guide performance and professional development. A final, detailed outline will be required after application approval.

Enter content here

The school's performance evaluation plan for administrators and instructional personnel will adhere to the requirements outlined in s. 1012.34, F.S. (the Student Success Act), ensuring a comprehensive and fair assessment of employee performance. While a detailed outline will be finalized after application approval, the following provides a general overview of the plan:

Performance Evaluation Process:

- Principal Evaluations for Staff: The school's Principal will be responsible for conducting evaluations for instructional staff. These evaluations will be based on a structured assessment framework provided by the Florida Consortium of Public Charter Schools.
- Governing Board Evaluation of Principal: The Governing Board will conduct an annual evaluation of the Principal, assessing their leadership and administrative performance.

Performance Evaluation Instrument: The school will utilize the evaluation instrument provided by the Florida Consortium of Public Charter Schools, which aligns with the state's requirements and best practices for assessing instructional personnel and administrators.

Use of Evaluation Results: The evaluation results will be used to guide professional development plans and support continuous improvement for administrators and instructional personnel. Feedback from evaluations will be provided to employees to identify strengths, areas for improvement, and strategies for growth. The evaluation process will inform decisions related to promotions, compensation adjustments, and recognition of outstanding performance.

Professional Development Integration: The evaluation results will be used to identify areas where additional training or professional development is needed to enhance employee effectiveness. The school will offer targeted professional development opportunities to address areas identified for improvement through the evaluation process.

Alignment with Student Success: The performance evaluation plan will emphasize alignment with student success, ensuring that administrators and instructional personnel contribute positively to students' academic growth and achievement.

Continuous Improvement Approach: The evaluation process will be an ongoing cycle, allowing employees to reflect on their performance, set goals for growth, and receive ongoing feedback to enhance their effectiveness.

While the specifics of the performance evaluation plan will be solidified after application approval, the school is committed to

implementing a robust evaluation process that supports employee development, aligns with state requirements, and ultimately contributes to the overall success of the school and its students.

C. Provide the compensation structure or a general outline of the compensation structure for all employees, including salary ranges and employment benefits as well as any incentives or reward structures, if applicable. How will compensation and other components factor into the staff retention plan?

Enter contet here

The school will set its salary to meet or exceed the salaries offered by the Broward County School District. The school's compensation plan will include health insurance, life, short- and long-term disability and 401k benefits. Teachers will be required to participate in evaluations and merit pay as required by Florida Statute 1012.34.

The Performance Salary Schedule (merit pay) includes salary adjustments for performance, which become a lasting part of the employee's base salary and includes salary supplements for specified job assignments or duties, but only remain in effect while the employee is performing those duties or assignments. Neither an adjustment nor a supplement is considered a bonus.

The salary ranges for the employees for the first year are as follows:

- Principal: $98,477-$135,587 Avg. salary: $108,032
- Assistant Principal $55,515-$83,284 Avg salary: $66,900
- Part-time Registrar/Data Prep Clerk: $12,000 Avg salary: $12,000
- Secretary: $30,000-36,000 Avg Salary: $32,000
- Curriculum Coordinator: $50,000-$65,000 Avg. salary: $55,500
- Guidance counselor: $55,000-$65,000 Avg. salary: $57,500
- Custodial: $13-$15 per hour
- Teachers: $50,400-$65,000 Avg salary: $54,300
- ESE/ESOL Coordinator: $52,000-$65,000 Avg salary: $54,500
- Nurse: $40 per hour as needed
- Security Guard: $45,000-$65,000 Avg salary: $55,000

Retention of high-quality staff is paramount to the success of the school. The school's compensation package is competitive with the district's compensation package. In addition to the competitive salary, full-time employees will be provided with health insurance, life insurance, short- and long-term disability insurance and 401k benefits.

The School's retention plan will be developed in greater detail after the hiring of the principal. The main components of the plan will include the following:

- Competitive salary
- 401k benefits
- Insurance benefits
- Empowerment: the School believes in the importance of empowering its teachers to use their skills and special talents to promote the mission and vision of the school

- Ownership: the School believes in the importance of teachers taking ownership in the program, curriculum and school.
- Professional growth: the School believes in the importance of providing relevant and necessary opportunities for professional growth, and in providing teachers the opportunity to assess their needs as it relates to professional development
- Trust and mutual respect: the School will hire what it believes to be highly qualified teachers. Since the School will hire professionals ready, willing and excited to be at the School, the School will demonstrate trust and mutual respect for its teachers as professionals that will get the job done.
- Support: the School understands the importance of providing support to its teachers.
- Respecting and protecting a teacher's teaching and planning time: the School understands that professionals must be given the opportunity to do what they do. Interruptions during teaching time and during planning time hinder student learning and send a message to the teachers that their time is not valuable.
- Compensation for elevated roles: Teachers that take on certain additional responsibilities should be compensated.
- Positive culture: the School believes that it is important to have a positive culture for the teachers in order to create a positive culture for the students
- Solicitation of teacher feedback from administration and appropriate response thereto.

D. Outline the school's procedures for hiring and dismissing school personnel, including conducting criminal background checks.

Hiring Procedures:

- Job Posting: Vacant positions will be posted internally and externally to attract a diverse pool of qualified candidates via the school website and job seeking websites.
- Application Review: Applications will be reviewed to ensure alignment with job requirements and qualifications.
- Interview Process: Shortlisted candidates will be invited for interviews with a selection committee.
- Reference Checks: References from previous employers will be contacted to verify candidates' work history and performance.
- Selection Decision: The selection committee will make recommendations to the Principal for final decisions on hiring.

Criminal Background Checks: All potential employees will undergo a comprehensive criminal background check as mandated by state law to ensure the safety and security of the school community. Criminal background checks will include fingerprinting and a review of state and federal criminal records.

Grievance Procedures Summit Academy Charter School II provides a clear and accessible grievance process for employees to address any concerns or disputes in the workplace. Employees are encouraged to first discuss issues with their immediate supervisor for resolution. If the issue remains unresolved, employees may submit a formal written grievance to the school's administration, which will be reviewed promptly. The school is committed to ensuring fair treatment, open communication, and a timely resolution for all employee grievances, fostering a positive and supportive work environment.

Dismissal Procedures: Performance Review: Employee performance will be regularly evaluated to ensure alignment with job expectations and professional standards.

- Performance Improvement Plans: Employees with performance concerns will be offered support and a Performance Improvement Plan (PIP) to address areas of concern.
- Documentation: An acknowledgement form is signed by employees accepting receipt of the Faculty Handbook and disciplinary requirements within. Any instances of inadequate performance or policy violations will be documented with supporting evidence.

- Consultation: The Principal will consult with the Human Resources department and the school's legal counsel to ensure compliance with all applicable laws and regulations.
- Dismissal Decision: In cases where performance issues are not successfully addressed, or if there are serious policy violations, the Principal, in consultation with the Human Resources department, will make the decision to initiate the dismissal process.
- Final Decision: After considering all relevant information, the Principal will make the final decision on employee dismissal.

The school's procedures for hiring and dismissing personnel are designed to ensure fairness, transparency, and compliance with legal requirements. By following comprehensive hiring procedures and providing clear performance expectations, the school aims to foster a professional and productive work environment that supports the success of both employees and students.
Summit Academy Charter School II maintains a drug and alcohol-free workplace in accordance with DFWP Act of 1988. The use or possession of illegal drugs or alcohol on school property or during school activities is strictly prohibited. Violations may result in disciplinary action, including termination.

E. If personnel policies have been developed, include as Attachment R. If personnel policies and procedures have not been developed provide a clear plan, including timeline, for the development and approval by governing board.

Enter content here	See Attached
Attachment R: Personnel policies, if developed	Attachment R.pdf 13.77 MB • Added 2 months ago

F. Explain how the governing board and school leadership would handle unsatisfactory leadership, teacher, or staff performance, as well as leadership or teacher turnover.

Enter content here

Handling Unsatisfactory Performance: When it comes to addressing unsatisfactory leadership, teacher, or staff performance, the school's approach is guided by a commitment to fair and supportive processes that promote growth and accountability:

Performance Improvement Plans (PIPs): If an employee's performance falls below expectations, a Performance Improvement Plan (PIP) will be implemented. The PIP will outline specific areas of concern, along with a clear plan for improvement. Support, resources, and timelines for improvement will be provided.

Regular Feedback and Support: Regular feedback sessions will be conducted to provide ongoing guidance and support to employees. Open communication channels will facilitate understanding of performance expectations and areas for development.

Professional Development: The school will offer professional development opportunities to enhance skills and address performance gaps. Tailored support will be provided based on individual needs.

Handling Leadership or Teacher Turnover: Leadership and teacher turnover is an anticipated aspect of any educational institution. The school is committed to handling such situations with a focus on continuity and maintaining high educational standards:

Succession Planning: The school leadership will establish a succession planning strategy to ensure a smooth transition in leadership roles. This includes identifying potential successors and providing them with professional development opportunities.

Transition Support: For both leadership and teaching positions, the school will provide support to ensure a seamless transition. Incoming staff members will receive onboarding and orientation to familiarize them with the school's mission, vision, and operational procedures.

Documentation and Knowledge Transfer: Outgoing staff will collaborate in documenting key processes, best practices, and insights to facilitate knowledge transfer to new team members.

Stakeholder Communication: Transparent communication will be maintained with stakeholders, including parents and students, to manage expectations and assure them that the quality of education will continue to be a top priority.

Continuous Improvement: The school leadership will continuously assess and refine recruitment and retention strategies to minimize turnover and create an engaging work environment.

By prioritizing professional growth, providing support, and maintaining open lines of communication, the school aims to address unsatisfactory performance and turnover in ways that contribute to the overall success and stability of the institution.

Evaluation Criteria: Human Resources and Employment

Reviewers will look for:

- A clear explanation of the relationship between employees and the school.
- Description of the school leader and teacher evaluation plans, or outline of such plans, which align with the Student Success Act as defined by state law.
- A compensation and benefits plan or outline of such a plan that is aligned with Florida's Student Success Act, and will attract and retain quality staff.
- Procedures that are likely to result in the hiring of highly-effective personnel.
- Policies and procedures that hold staff to high professional standards or a plan to develop such policies and procedures.
- An effective plan to address any leadership or staff turnover.

4. Professional Development

Reviewer Instructions

The Professional Development section should clearly describe the proposed expectations and opportunities for administrators, teachers, and other relevant personnel.

Statutory Reference(s):

NA

Evaluation Criteria:

A response that meets the standard will present:

- Professional development activities for administrators and instructional staff that align with the educational program and support continual professional growth as well as growth in responsibilities related to specific job descriptions.

Form Result

A. Describe the school's professional development expectations and opportunities for administrators and instructional personnel, including the following:

1. Identify the person or position responsible for overseeing professional development activities.
2. Discuss the core components of professional development and how these components will support effective implementation of the educational program. Discuss the extent to which professional development will be conducted internally or externally and will be individualized or uniform. Describe how the effectiveness of professional development will be evaluated.

2. Describe any professional development that will take place prior to school opening. What will be covered during this induction period? How will instructional personnel be prepared to deliver any unique or particularly challenging aspects of the curriculum and instructional methods?
3. Describe the expected number of days or hours for professional development throughout the school year, and explain how the school's calendar, daily schedule, and staffing structure accommodate this plan. Include time scheduled for common planning or collaboration and how such time will typically be used.

1. *Identify the person or position responsible for overseeing professional development activities.*

Oversight of Professional Development

The Principal or ESP will be responsible for overseeing professional development activities at the school. This individual will work closely with the school leadership team and collaborate with external experts to ensure the highest quality of professional development for administrators and instructional personnel. This individual will monitor and track all professional development and measure impact on teachers as well as students. The school will be utilizing individual professional development plans to provide for teacher autonomy and choice in professional learning. Furthermore, the school will be focusing professional development on a variety of topics, such as the learning environment, school safety, data analysis for school improvement, and reading and math content.

2. Discuss the core components of professional development and how these components will support effective implementation of the educational program. Discuss the extent to which professional development will be conducted internally or externally and will be individualized or uniform. Describe how the effectiveness of professional development will be evaluated.

Core Components of Professional Development

- Curriculum Training: In-depth training on the school's curriculum, instructional methods, and assessment strategies will be provided to instructional personnel.
- Pedagogical Techniques: Training sessions focused on effective teaching techniques, differentiated instruction, and incorporating innovative educational practices into the classroom.
- Cultural Competency: Professional development to enhance cultural competency and inclusivity to ensure a positive and respectful learning environment for all students.
- Special Education Strategies: Training to equip educators with strategies to support students with diverse learning needs, aligning with the school's commitment to inclusivity.
- Collaboration and Common Planning: Opportunities for teachers to collaborate, share insights, and engage in common planning to enhance instructional approaches and outcomes. New teachers will also be linked to mentor educators as part of the PD process.

- External Experts and Workshops: The school will also bring in external experts and conduct workshops to provide fresh perspectives and insights.
- Individualized and Uniform Approach: Professional development will strike a balance between uniform training to ensure consistency in the educational program and individualized training to address specific needs and strengths of educators.

3. Describe any professional development that will take place prior to school opening. What will be covered during this induction period? How will instructional personnel be prepared to deliver any unique or particularly challenging aspects of the curriculum and instructional methods?

Pre-School Opening Professional Development

Prior to the school's opening, instructional personnel will engage in a comprehensive induction period that covers:

- In-depth training on the school's unique curriculum and its humane sciences focus.
- Strategies for delivering challenging aspects of the curriculum, including interactive learning methods and student-centered pedagogies.
- Specialized training for handling diverse student populations, including English Language Learners and students with disabilities.

Other required annual training programs, including youth mental health awareness and assistance, school safety and security, and educator misconduct.

4. Describe the expected number of days or hours for professional development throughout the school year, and explain how the school's calendar, daily schedule, and staffing structure accommodate this plan. Include time scheduled for common planning or collaboration and how such time will typically be used.

Number of Days or Hours for Professional Development

The school's academic calendar will be thoughtfully designed to accommodate regular professional development throughout the school year. A minimum of eight full days of professional development will be scheduled, in addition to weekly collaboration time. The breakdown will include:

- Eight full days of professional development focused on curriculum, pedagogy, cultural competency, and specialized areas.
- Weekly collaboration time for teachers to engage in lesson planning, sharing insights, and discussing student

progress.

Common Planning and Collaboration

- Daily schedules will incorporate time for common planning and collaboration among teachers.
- This collaboration time will be used to discuss instructional strategies, share best practices, and review student data to inform instructional decisions.
- Collaborative meetings will also provide opportunities for cross-disciplinary discussions and team-based problem-solving.

Evaluation of Professional Development

- The effectiveness of professional development will be evaluated through various means, including:
  - Participant feedback and surveys to assess the relevance and impact of training sessions.
  - Observation and assessment of instructional implementation by school leadership.
  - Analysis of student outcomes and progress aligned with professional development initiatives.
  - Regular reviews by the ESP and the school leadership team to ensure continuous improvement and alignment with school goals.

By prioritizing ongoing professional development, the school aims to cultivate a community of educators who are well-equipped to deliver a high-quality educational experience that aligns with the school's mission and instructional vision.

Evaluation Criteria: Professional Development

Reviewers will look for:

- Professional development activities for administrators and instructional staff that align with the educational program and support continual professional growth as well as growth in responsibilities related to specific job descriptions.

5. Student Recruitment and Enrollment

Reviewer Instructions

The Student Recruitment and Enrollment section should describe how the school will attract and enroll its student body.

Statutory Reference(s):

s. 1002.33(7)(a)7.; s. 1002.33.(7)(a)8.; s. 1002.33(10)

Evaluation Criteria:

A response that meets the standard will present:

- A student recruitment plan that will enable the school to attract its targeted population.
- An enrollment and admissions process that is open, fair, and in accordance with applicable law.
- A plan and process that will likely result in the school meeting its enrollment projections.

Form Result

A. Describe the plan for recruiting students that will result in the school meeting its projected enrollment. Include strategies for reaching the school's targeted populations and those that might otherwise not have easy access to information on available educational options including, but not limited to, families in poverty; academically low-achieving students; students with disabilities; and English Language Learners.

Enter content here

Our student recruitment plan is designed to ensure that the school meets projected enrollment while also prioritizing outreach to targeted populations that may face barriers accessing educational options. We are committed to creating inclusive and diverse student body that represents a wide range of backgrounds and needs. Here is an overview of our recruitment strategies:

Community Partnerships: Collaborating with community organizations, social service agencies, and local community centers that serve families in poverty or underserved areas.

Also, partnering with organizations that support academically low-achieving students and provide additional academic assistance.

Multilingual Communication: Providing information about the school's offerings, mission, and enrollment process in multiple languages to cater to the needs of English Language Learner families. Furthermore, translating essential documents and materials to ensure accessibility.

Special Education Advocacy Groups: Engaging with local special education advocacy groups to reach out to families of students with disabilities and ensure they are aware of our inclusive programs and support services.

School Liaison for ELL Families: Appointing a dedicated liaison who speaks multiple languages to assist English Language Learner families with enrollment procedures and address any concerns.

Information Sessions and Workshops: Hosting information sessions and workshops in community centers, libraries, and other accessible venues to educate families about the school's unique educational approach and benefits.

Personalized Outreach: Engaging in direct outreach to families through phone calls, and personalized invitations to open houses and enrollment events.

Online Platforms and Social Media: Utilizing online platforms and social media to disseminate information about the school's offerings, achievements, and enrollment process.

Parent Referrals: Encouraging enrolled families to refer other families in their networks, creating a sense of community engagement.

Summit Academy Charter School II plans to expand its recruitment efforts beyond the immediate area surrounding the school. The school will implement a targeted marketing strategy that includes outreach to neighboring areas through digital advertising, social media campaigns, and partnerships with local community organizations. Additionally, Summit Academy Charter School II will attend regional education fairs and promote its programs in high-traffic areas outside the

county to increase visibility. By broadening its recruitment reach, the school aims to draw families who are seeking high-quality educational options from a wider geographic area.

Through these strategies, the school aims to ensure that information about our free educational option is accessible to all families, including those who may not have easy access to educational resources. Our commitment to diversity and inclusivity is reflected in our proactive efforts to reach out to targeted populations and provide them with the information and support they need to make informed decisions for their children's education.

We believe that our multi-faceted approach community outreach will result in the school meeting its enrollment projections.

B. Explain how the school will achieve a racial/ethnic balance reflective of the community it serves or within the racial/ethnic range of other local public schools in accordance with section 1002.33(7)(a)8., F.S.

Enter content here

The communities in Broward County vary in terms of racial and ethnic diversity, with some areas being less diverse than others. Understanding this, the school is committed to fostering a diverse and inclusive learning environment that reflects the racial and ethnic composition of the community it serves. Our approach to achieving racial and ethnic balance aligns with the principles outlined in section 1002.33(7)(a)8., F.S., and is guided by a comprehensive plan that prioritizes equity and representation. Here's how we will achieve a racial/ethnic balance reflective of the community:

Outreach to Diverse Communities: Our student recruitment plan includes targeted outreach to various racial and ethnic communities within the local area. We will actively engage with community organizations, religious institutions, and cultural centers to connect with families from different backgrounds.

Inclusive Marketing and Communication: Our marketing materials, communication channels, and website content will be designed to be inclusive and representative of various racial and ethnic groups. We will use images, stories, and testimonials that resonate with families from diverse backgrounds.

Collaboration with Local Public Schools: By collaborating with local public schools, we will establish relationships and communication channels to ensure that families from different racial and ethnic backgrounds are informed about our school option.

Bilingual and Multilingual Outreach: We will provide information about the school in multiple languages to cater to non-English-speaking families. Offering translated materials and language assistance during enrollment and communication processes.

Community Engagement Events: Hosting community engagement events that celebrate cultural diversity and allow families from various racial and ethnic backgrounds to connect and learn about our school.

Equity in Admissions: Ensuring that our admissions process is fair and unbiased, without any discrimination based on race or ethnicity. Implementing enrollment procedures that prioritize equity and inclusivity.

Ongoing Monitoring and Adjustments: Continuously monitoring the racial and ethnic composition of enrolled students to identify any imbalances. Making adjustments to our outreach and recruitment strategies as needed to address any disparities.

By adopting these measures, the school is dedicated to achieving a racial and ethnic balance that reflects the community it serves. We recognize the importance of representation and inclusion in education, and we are

committed to creating an environment where all students feel valued, respected, and empowered to learn and thrive together.

C. Describe the school's proposed enrollment policies and procedures, including an explanation of the enrollment timeline, any preferences for enrollment and lottery process. Provide proposed enrollment application as Attachment S.

Enter content here

Summit Academy Charter School II will implement transparent and equitable enrollment policies and procedures to ensure all students have an opportunity to apply. The enrollment process will begin with an **open application period,** which will be advertised through various channels, including the school's website, social media, and community outreach efforts.

Enrollment preferences will be given in accordance with s. 1002.33 (10)(d), F.S., including siblings of currently enrolled students, children of school employees and governing board members, children of an active-duty member of any branch of the United States Armed Forces, and children of a safe-school officer.

If the number of applications exceeds available seats, the school will hold a **randomized lottery** to determine admissions. The lottery will be conducted in a fair and transparent manner, with selected students notified and provided with a timeline to accept or decline their offer of admission. After the lottery, if any seats remain, they will be filled on a first-come, first-served basis.

The lottery process at Summit Academy Charter School II will be conducted in a fair and transparent manner when the number of applications exceeds available seats. Here's how the lottery will be handled:

- **Open Application Period**: Families will have a designated timeframe to submit enrollment applications. Applications received after the deadline will be added to the waitlist and considered only after all lottery-selected students have been placed.
- **Public Lottery Drawing**: If there are more applicants than available seats, a random lottery drawing will be held. The lottery will be open to the public, ensuring transparency, and may be conducted electronically or through a manual drawing process.
- **Preferences**: In accordance with state laws, enrollment preferences will be applied first. These preferences may include siblings of current students, children of staff, and students of military families, as applicable. Students who meet these criteria will be placed before the general pool of applicants is considered.
- **Random Selection**: After preferences are applied, the remaining seats will be filled through a random selection process. Each applicant in the general pool will have an equal chance of being selected.
- **Waitlist**: Once all available seats are filled, additional applicants will be placed on a waitlist in the order they were drawn. Should seats become available, students on the waitlist will be offered admission in the order they appear.

- **Notification and Acceptance**: Families of selected students will be notified of their acceptance and given a specified amount of time to confirm their child's enrollment. If they decline or fail to respond within the given timeframe, the seat will be offered to the next student on the waitlist.

This process ensures that admissions are handled fairly while maintaining compliance with state laws and the school's policies.
The proposed enrollment timeline and all application procedures will be made publicly available, ensuring families have clear guidance on how and when to apply in accordance with the law.
The **proposed enrollment application** is attached as **Attachment S.**

A response that meets the standard will present:

- A general conception of how parents will be involved with the school that aligns with the school's mission and provisions of the educational program. A detailed plan may be developed following approval.

Form Result

A. Briefly explain the general plan to engage parents in the life of the school (in addition to any proposed governance roles described in previous sections of this application, if applicable) as well as plans for regular communication with parents about school matters. This *could* include building family-school partnerships to strengthen support for learning, volunteer opportunities, or activities the school will seek from, or offer to parents. This *must* include the governing board's appointment of a representative to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes, s. 1002.33(7)(d)1., F.S.

Enter content here

The school places a strong emphasis on building a collaborative and supportive partnership with parents to enhance the educational journey of our students. Our general plan to engage parents in the life of the school is rooted in open communication, active involvement, and mutual respect. Here are the key components of our plan:

Regular Communication Channels: The school will establish a variety of communication channels to keep parents informed about school matters. These may include newsletters, emails, a school website, and a dedicated parent portal with access to academic updates, event calendars, and announcements.

Parent Representative on Governing Board: The Governing Board will appoint a dedicated representative to facilitate parental involvement in accordance with s. 1002.33(9)(p)(2), F.S.. This representative will act as a liaison between parents and the school administration, provide access to information, assist parents and others with questions and concerns, and resolve disputes. The representative will reside in Broward County and may be a governing board member, school employee, or an individual contracted to represent the governing board. The representative will be physically present at two governing board meetings each, year, at a minimum.

Parent-Teacher Conferences: Regular parent-teacher conferences will be scheduled to provide opportunities for parents to discuss their child's progress, receive feedback, and engage in meaningful conversations about their child's academic and social development.

Workshops and Seminars: The school will organize workshops and seminars on topics related to parenting, education, and child development. These sessions will empower parents with knowledge and tools to support their child's learning at home.

Volunteer Opportunities: The school will offer various volunteer opportunities for parents to actively participate in school activities, such as assisting in classrooms, organizing events, or participating in extracurricular programs.

Family-School Events: Regular family-school events, such as open houses, curriculum nights, and cultural celebrations, will provide opportunities for parents to engage with teachers, staff, and other families in a relaxed and welcoming environment.

School Advisory Council: The establishment of a Parent Advisory Council will allow parents to provide input and feedback on school policies, programs, and initiatives, fostering a sense of ownership and collaboration.

Parent Education: Parent education sessions will be offered on topics such as effective communication strategies, understanding the curriculum, and supporting student success.

Conflict Resolution Mechanisms: Clear procedures for addressing concerns and disputes will be communicated to parents. The appointed parent representative will play a pivotal role in addressing and resolving conflicts in a timely and respectful manner.

Surveys and Feedback: Regular surveys and feedback mechanisms will be employed to gather input from parents about their experiences, suggestions, and areas for improvement.

Through these initiatives, the school aims to create a vibrant and inclusive community where parents feel valued, informed, and engaged in their child's education. By fostering a strong partnership between parents and the school, we believe we can collectively contribute to the holistic development and success of our students.

B. Discuss any established community resources that will be available to students and parents, if applicable. Describe any partnerships the school will have with community organizations, businesses, or other educational institutions. Specify the nature, purposes, terms, and scope of services of any such partnerships including any fee-based or in-kind commitments from community organizations or individuals that will enrich student learning.

Enter content here

The school is dedicated to creating a strong network of community resources and partnerships that enhance the educational experience of students and provide valuable support to parents. These partnerships are designed to broaden students' horizons, enrich their learning, and connect families with valuable community resources. Here are the established community resources and partnerships that will be available:

The applicant will establish a strong partnership with Broward Public Schools to provide essential services (when available) such as mental health counseling, speech therapy, occupational and physical therapy (OT/PT), and translation services. This collaboration will enhance support for Exceptional Student Education (ESE), English Language Learners (ELL), and gifted students by ensuring access to additional resources and specialized services available, promoting an inclusive and well-rounded educational environment.

Community Organizations: The school will collaborate with local non-profit organizations that align with our mission of humane sciences and provide opportunities for students to engage in meaningful community service projects.

Environmental Conservation Groups: Partnerships with environmental conservation organizations will allow students to learn about and contribute to sustainable practices, wildlife preservation, and environmental stewardship.

Animal Shelters and Sanctuaries: Partnerships with animal shelters and sanctuaries will provide students with hands-on experiences related to animal care, welfare, and advocacy.

Local Businesses: The school will establish partnerships with local businesses that can offer internship opportunities, guest speaker sessions, and career exploration activities.

Universities and Research Institutions: Collaborations with universities and research institutions will provide students with exposure to advanced research methods, mentorship opportunities, and the chance to engage in scientific inquiry.

Cultural and Arts Organizations: Partnerships with cultural and arts organizations will offer students access to artistic experiences, performances, and creative workshops that complement the school's well-rounded educational approach.

Parental Engagement: Parental involvement will extend to the broader community through partnerships with local libraries, community centers, and parent-led initiatives that offer workshops and resources to support parents' roles in their children's education.

Mentorship Programs: The school will establish mentorship programs connecting students with professionals in the fields

of humane sciences, environmental conservation, and related industries.

Volunteer Opportunities: Community organizations will provide volunteer opportunities for students, fostering a sense of civic responsibility and active community engagement.

Nature and Outdoor Education Centers: Partnerships with outdoor education centers will enable students to participate in nature-focused programs, and hands-on experiences in natural habitats.

Terms and Commitments: The nature, purposes, terms, and scope of services of these partnerships will be outlined in formal agreements that detail the responsibilities and commitments of parties.

In-Kind and Fee-Based Commitments: Some partnerships may involve in-kind commitments, such as providing resources, facilities, or expert speakers to enhance student learning. Fee-based commitments may include specialized workshops or programs delivered by external experts.

Through these dynamic partnerships, the school aims to extend learning beyond the classroom walls, connect students and parents with valuable community resources, and create a well-rounded educational experience that prepares students for success in a diverse and interconnected world.

C. Provide, as Attachment T, any existing evidence of demand for the school or support from intended community partners, if available (e.g. letters of intent/commitment, memoranda of understanding, or contracts).

Attachment T: Evidence of demand for the school

Attachment T.pdf

D. Describe the process of appointing a representative to facilitate parental involvement, provide parents access to information, and resolve parental disputes. Include a description of how the dispute resolution procedures are designed to resolve and protect the rights of parents as enumerated in ss. 1001.42(8)(c)1.-6., 1002.20 and 1014.04, F.S.

Enter content here

The appointment of a representative to facilitate parental involvement and address parental concerns is a crucial aspect of our commitment to fostering a collaborative and inclusive school community. Our process is designed to ensure that parents have access to accurate information, a platform for resolving disputes, and a voice in their children's education. Here is an outline of the process and dispute resolution procedures:

Appointment of Parent Representative: The Governing Board will appoint an experienced and qualified individual to serve as the Parent Representative. The Parent Representative's role is to act as a liaison between parents, the school administration, and the Governing Board.

Communication and Access to Information: The Parent Representative will maintain an open line of communication with parents, providing them with accurate and timely information related to school matters. Regular updates will be provided through newsletters, emails, meetings, and other communication channels.

Dispute Resolution Procedures:

- Informal Resolution: Parents are encouraged to address concerns informally with the relevant teacher or staff member directly involved. If the concern remains unresolved, parents can reach out to the Parent Representative for assistance.
- Formal Dispute Resolution: If an issue remains unresolved after the informal stage, parents can formally present their concern to the Parent Representative. The Parent Representative will review the matter, gather information, and facilitate communication between the parties involved.
- Mediation: If resolution is not achieved through direct communication, the Parent Representative may suggest mediation as a voluntary and confidential process. Mediation involves an impartial third party who helps facilitate communication and assists in finding a mutually acceptable solution.
- Rights Protection: Throughout the process, parents' rights enumerated in relevant Florida statutes (ss. 1001.42(8)(c)1.-6., 1002.20, and 1014.04, F.S.) will be protected, including the right to express concerns without fear of retaliation and the right to a fair and impartial resolution process.
- Transparency and Communication: Parents will be informed of the progress of their concern's resolution at each stage of the process. The Parent Representative will

maintain open communication with parents and ensure that their voices are heard.

By establishing a clear and comprehensive process, we aim to create an environment where parents feel empowered, informed, and confident in their ability to raise concerns and engage in meaningful dialogue. Our priority is to work collaboratively to address parental concerns while safeguarding the rights and well-being of all parties involved.
All parents have the right to seek relief for a concern regarding a student's welfare under §1001.42(8)(c)1-6, Fla. Stat., and to request appointment of a special magistrate if those concerns are unresolved.
This includes any complaints or disputes related to the following:
Concerns over a change in the student's services or monitoring related to the student's mental, emotional, or physical health or well-being and the school's ability to provide a safe and supportive learning environment for the student.

- Concerns related to any school policies or procedures that are perceived to discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional, or physical health or well-being.
- Concerns over classroom instruction related to sexual orientation or gender identity, which is prohibited in grades K-8 and must be age-appropriate for all other grades.

- Concerns over student support services training developed or provided to school personnel that is believed to be out of compliance with guidelines, standards, and frameworks established by the Florida Department of Education.

- Concerns over parental notification at the beginning of the school year about healthcare services offered by the school, including the ability to opt-out or withhold consent for any such services.

- For grades kindergarten through third only, concerns over whether the school provided a well-being questionnaire or health screening form to the parent and sought their permission before it was administered to the student.

Any complaints presented by a parent related to concerns summarized above shall be addressed in the following manner:

The parent shall notify the principal of any concerns related to the above areas. The principal (or designee) will provide a response to the parent within seven (7) days. If the parent remains aggrieved, the parent may present the dispute to the Broward County School District. The school district must attempt to resolve the dispute within thirty (30) days. If the dispute remains unresolved, a parent may request the appointment of a special magistrate utilizing the "Parental Request for Appointment of a Special Magistrate for Charter School Students." Parents will be provided information regarding where to get the form. For the purposes of this policy, "days" shall mean business days and exclude state, federal and school holidays.

The school shall fully cooperate in the school district's resolution procedures and comply with the school district's decision for resolution of the complaint. The principal shall be responsible for responding to inquiries by the Florida Department of Education regarding a request for appointment of a special magistrate and shall notify the Department of the principal's name and email address.

Evaluation Criteria: Parent and Community Involvement

Reviewers will look for:

- A general conception of how parents will be involved with the school that aligns with the school's mission and provisions of the educational program. A detailed plan may be developed following approval.

Element Review

Rating/Description
Meets the Standard Added by Sophie Cariveau at 10/06/2025
Meets the Standard - Final Rating Added by Rhonda L. Stephanik at 10/13/2025

V) BUSINESS PLAN

The Business Plan should provide an understanding of how the charter operators intend to manage the school's finances. It should present a clear picture of the school's financial viability including the soundness

of revenue projections; expenditure requirements; and how well the school's budget aligns with and supports effective implementation of the educational program.

1. Facilities

Reviewer Instructions

The Facilities section should provide an understanding of the school's anticipated facilities needs and how the school plans to meet those needs.

Statutory Reference(s):

s. 1002.33(7)(a)13.; s. 1002.33(18)

Evaluation Criteria:

If a facility is acquired, reviewers will look for:

- Evidence that the proposed facility complies with all applicable laws, regulations, and policies and can be ready for the school's opening OR a timeline to ensure the facility will be in compliance and ready by school's opening.
- A facility that is appropriate and adequate for the school's program and targeted population.
- Evidence that the school has the necessary resources to fund the facilities plan.
- A reasonable back-up plan should the proposed facility plan fall through.

If a facility is not yet acquired, reviewers will look for:

- A realistic sense of facility needs.
- A plan and timeline for securing a facility that is appropriate and adequate for the school's program and targeted population.
- Reasonable projections of facility requirements.
- Evidence that the school has the necessary resources to fund the facilities plan.
- Adequate facilities budget based on demonstrated understanding of fair market costs.

Form Result

If the site is acquired:

A. Describe the proposed facility, including location, size, and layout of space.

Enter description here -

B. Describe the actions that will be taken to ensure the facility is in compliance with applicable laws, regulations, and policies and is ready for the school's opening.

Enter description here -

C. Describe how the facility aligns with the proposed educational program and other requirements such as mandated class sizes.

Enter description here	The facility has not yet been identified.

D. Document the anticipated costs for the facility, including renovation, rent, utilities, and maintenance. Identify, if applicable, any funding sources (other than state and local funding) that will be applied to facilities-related costs and include evidence of such (e.g. letter, MOU) as Attachment U. If renting an existing facility, provide draft lease agreement as Attachment V.

E. Describe the back-up facilities plan. What is the alternate plan for facilities if the proposed facility is not available or is determined to be inappropriate for the school's opening?

Enter content here	-

<u>If the site is not yet acquired:</u>

F. Explain the school's facility needs, including desired location, size, and layout of space.

Enter explanation here

The school's facility needs are a critical aspect of providing a conducive learning environment that aligns with our mission and educational goals. Our vision for the school's facility encompasses the following key aspects:

Desired Location: The school envisions a location within the Broward County, FL area that is accessible to students and families in the community. Proximity to public transportation and major roadways will facilitate ease of commuting.

Size and Layout: The facility should be designed to accommodate a diverse range of educational spaces, including classrooms, science labs, a library/media center, art studios, and specialized spaces for humane sciences. The layout will be student-centered, promoting collaborative learning and interaction among students and teachers. Ample space for extracurricular activities, including indoor and outdoor areas for physical education and recreational activities, will be an integral part of the design.

Classroom Configuration: The school envisions classrooms that are spacious, well-lit, and equipped with modern technology to support innovative teaching methods. Flexible seating arrangements will be employed to accommodate various teaching styles and collaborative learning experiences.

Specialized Spaces for Humane Sciences: Given the school's focus on humane sciences, dedicated spaces will be designed for interactive learning in this field, fostering exploration and engagement with animal welfare, environmental conservation, and related subjects.

Safety and Security: The facility will prioritize the safety and security of all students and staff, with appropriate security measures, emergency response systems, and controlled access points.

Aesthetics and Environmental Considerations: The facility's aesthetics will reflect the school's mission and values, creating an inspiring and inviting atmosphere for learning. Environmental considerations, such as energy efficiency and sustainability, will be integrated into the facility's design and operations.

Community Engagement Spaces: Spaces for meetings, presentations, workshops, and community events will be included to foster a sense of belonging and collaboration among students, parents, teachers, and the broader community.

Outdoor Learning Spaces: Outdoor spaces, such as courtyards, gardens, and open areas, will be integrated into the design to provide opportunities for outdoor learning, relaxation, and recreation.

The school's facility needs are deeply rooted in providing a safe, nurturing, and engaging environment that supports

students' intellectual, social, and emotional growth. As we continue our journey to secure an appropriate facility, these considerations will guide our decision-making process to ensure that the physical space aligns harmoniously with our educational vision and mission.

G. Provide an estimate of the costs of the anticipated facility needs and describe how such estimates have been derived. Identify, if applicable, any funding sources (other than state and local funding) that will be applied to facilities-related costs and include evidence of such (e.g. letter, MOU) as Attachment U.

Enter content here

Anticipated facility needs are a fundamental aspect of our school's operational plan, and we have estimated the associated costs based on careful analysis and consideration. Our facility cost estimates have been derived through collaboration with real estate professionals, contractors, and experts in educational facility development. We have also considered factors such as location, size, required renovations or customization, safety enhancements, and compliance with regulatory standards.

Here is an overview of the estimated costs of our anticipated facility needs:

Facility Acquisition or Lease: estimated in Attachment X

This includes costs associated with either purchasing or leasing a suitable facility within the Broward County, FL area. It accounts for the real estate market conditions, property size, location, and features that align with our mission.

Renovations and Customization: estimated in Attachment X

Depending on the selected facility, certain renovations or customizations may be necessary to align the space with our educational goals and ensure the safety and comfort of students and staff.

Safety and Security Enhancements: estimated in Attachment X

This includes expenses related to installing safety features, such as security systems, access controls, fire alarms, and emergency response mechanisms.

Technology Infrastructure: estimated in Attachment X

Funds are allocated for setting up a robust technology infrastructure to support modern teaching methods and ensure access to digital resources for both students and educators.

Furnishings and Equipment: estimated in Attachment X

This encompasses costs for furnishing classrooms, common areas, specialized spaces, and offices with appropriate furniture, fixtures, and educational equipment.

Funding Sources:

In addition to state and local funding, we have secured a commitment from Project Finance & Development Investments, LLC. to provide $500,000 toward facilities-related costs.

This commitment is supported by an official letter of agreement (Attachment U) that outlines the funding amount and the terms of the arrangement.

We are confident that the estimated facility costs are aligned with our commitment to providing a safe, engaging, and conducive learning environment. These estimates have been thoughtfully calculated to ensure transparency, accountability, and responsible financial planning for the school's future facility needs.

Attachment U: Evidence of facility funding sources, if applicable	Attachment U.pdf 844.83 KB • Added 2 months ago

H. Explain the strategy and schedule that will be employed to secure an adequate facility.

Enter explanation here

Securing an adequate facility is a top priority for the school, and we have developed a comprehensive strategy and schedule to ensure its successful acquisition. Our approach is designed to align with our mission, educational goals, and the needs of our students and community. Here is an overview of our strategy and schedule:

Facility Needs Assessment: Conduct a thorough assessment of the specific facility requirements, taking into consideration factors such as size, layout, specialized spaces for humane sciences, safety features, accessibility, and proximity to the target population.

Location Research: Identify potential areas within the Broward, FL region that align with the school's mission and are accessible to students and families.

Engage Real Estate Professionals: Collaborate with experienced real estate professionals who specialize in educational facilities to explore available options and opportunities.

Site Visits and Evaluation: Visit potential sites to assess their suitability based on the established criteria. Evaluate factors such as layout, infrastructure, safety, transportation accessibility, and community integration.

Community Engagement: Engage with local community members, parents, and stakeholders to gather input on preferred facility characteristics and locations.

Financial Planning: Develop a clear financial plan that outlines the budget allocated for facility acquisition and potential renovation or customization costs.

Lease or Purchase Negotiations: Negotiate lease or purchase agreements with property owners based on the facility. Ensure that the terms align with the school's budget and long-term goals.

Due Diligence: Conduct thorough due diligence, including legal reviews, building inspections, and assessments of compliance with regulatory requirements.

Governing Board Approval: Present potential facility options to the Governing Board for review and approval.

Facility Customization: If necessary, plan for any required renovations or customization to align the facility with the school's educational needs and mission.

Regulatory Approvals: Obtain necessary zoning and permit approvals from local authorities.

Transition and Preparation: Develop a comprehensive plan for transitioning to the new facility, including logistics for moving equipment, materials, and technology.

Facility Opening: Prepare the facility for the school's opening, ensuring that all safety measures, technology infrastructure,

and learning spaces are fully operational.
Ongoing Facility Management: Establish a facility management plan to ensure ongoing maintenance, safety protocols, and necessary updates.
Schedule: The timeline for securing a facility will depend on factors such as property availability, negotiations, approvals, and customization needs. However, our goal is to secure a suitable facility well in advance of the school's projected opening date.
By adhering to this strategy and schedule, the school is committed to securing a facility that aligns with our educational vision, supports our mission, and provides a safe and inspiring environment for our students' holistic growth and development.

l. Describe the back-up facilities plan.

Enter content here

The school recognizes the importance of having a comprehensive back-up facilities plan to ensure continuity of operations in the event of unforeseen disruptions. Our back-up facilities plan encompasses the following key elements:

Identification of Alternate Sites: The school will identify potential alternate sites in proximity to the primary facility that could serve as temporary locations in case of emergencies or unforeseen circumstances that render the primary facility unusable.

Agreements with Local Partners: We will establish relationships with local community centers, libraries, or other educational institutions that may be willing to offer temporary space in the event of facility disruptions.

Communication Protocols: Clear communication protocols will be established to notify students, parents, staff, and other stakeholders of any changes in location due to facility disruptions. Timely and accurate communication will be essential to minimize confusion and disruptions.

Logistical Planning: The back-up facilities plan will include logistics for transporting instructional materials, technology, and other necessary resources to the alternate site.

Continuity of Instruction: The instructional team will have a plan in place to adapt teaching methods and materials to the alternate site, ensuring that students continue to receive high-quality instruction.

Safety and Security Measures: The alternate site will undergo safety assessments to ensure that it meets the necessary safety and security standards for students and staff.

Testing and Drills: Periodic testing and drills will be conducted to ensure that all stakeholders are familiar with the back-up facilities plan and are prepared to smoothly transition to the alternate site if needed.

Review and Updates: The back-up facilities plan will be regularly reviewed and updated to account for changes in circumstances, resources, and stakeholder needs.

Collaboration with Local Authorities: The school will collaborate with authorities and emergency management agencies to ensure alignment with community-wide emergency response plans.

By having a robust back-up facilities plan in place, the school aims to minimize disruptions to students' learning experiences and maintain operational continuity even in the face of unexpected challenges. This plan reflects our commitment to providing a reliable and adaptable educational environment for our students, staff, and community.

Evaluation Criteria: Facilities

If a facility is acquired, reviewers will look for:

- Evidence that the proposed facility complies with all applicable laws, regulations, and policies and can be ready for the school's opening OR a timeline to ensure the facility will be in compliance and ready by school's opening.
- A facility that is appropriate and adequate for the school's program and targeted population.
- Evidence that the school has the necessary resources to fund the facilities plan.
- A reasonable back-up plan should the proposed facility plan fall through.

If a facility is not yet acquired, reviewers will look for:

- A realistic sense of facility needs.
- A plan and timeline for securing a facility that is appropriate and adequate for the school's program and targeted population.
- Reasonable projections of facility requirements.
- Evidence that the school has the necessary resources to fund the facilities plan.
- Adequate facilities budget based on demonstrated understanding of fair market costs.

2. Transportation Service

Reviewer Instructions

The Transportation section should describe how the school will address these services for its student body.

Statutory Reference(s):
s. 1002.33(20)
Evaluation Criteria:
A response that meets the standard will present:

- An outline of a reasonable transportation plan that serves all eligible students and will not be a barrier to access for students residing within a reasonable distance of the school.

Form Result

Describe the school's plan for transportation to ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance of the school, s. 1002.33(20)(c) F.S.

Enter description here

Our school recognizes the importance of ensuring equal access to education for all students, regardless of their transportation needs. We have developed a comprehensive transportation plan and shall cooperate with the sponsor to ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance (2 to 4 miles) of the school, as outlined in section 1002.33(20)(c) F.S. Here's an overview of our transportation plan:

Transportation Eligibility Assessment: We will assess the transportation needs of students by gathering information on student addresses and distances from the school.

Route Planning: Based on the data collected, we will design transportation routes that cover neighborhoods where students reside, ensuring efficient and convenient pick-up and drop-off points. Bus stops will be strategically located at safe and easily accessible points within the neighborhoods, reducing the need for long walks or inconvenient travel.

Collaboration with Transportation Providers: We will collaborate with local transportation providers, including school bus companies and public transportation authorities, to determine available options and services. The Management Company also has busses that they own and are willing to provide to the school for the initial five (5) years.

Transportation Schedules: Clear transportation schedules will be established, communicated to parents and students, and regularly updated.

Consideration of Student Needs: We will accommodate the needs of students with disabilities or special circumstances, ensuring that transportation is accessible and comfortable for all.

Communication and Information: Parents will receive detailed information about transportation routes, schedules, and procedures, ensuring transparency and ease of planning.

Parent Engagement: Parents will have the opportunity to provide input and feedback on transportation preferences, helping us tailor the transportation plan to their needs.

Alternative Transportation Options: For families living further away from the school, we will explore options such as providing carpool group information or providing information on public transportation routes without incurring liability or responsibility for these services.

Continuous Evaluation: We will continuously evaluate the effectiveness of our transportation plan, seeking feedback from parents and students to make necessary adjustments.

Our goal is to ensure that transportation does not pose a barrier to students' equal access to education. By providing safe, reliable, and accessible transportation options, we aim to

support the diverse needs of our student population and promote an inclusive learning environment.

3. Food Service

Reviewer Instructions

The Food Service section should describe how the school will address these services for its student body.

Statutory Reference(s):
s. 1002.33(20)(a)1.
Evaluation Criteria:
A response that meets the standard will present:

- A food service plan that will serve all students and makes particular provisions for those students who may qualify for free or reduced price lunch.
- A food service plan that places an emphasis on quality, healthy foods.

Form Result

Describe the school's plan for food services, including any plans for contracting services or plans to participate in the National School Lunch Program. Explain how the school's food service plan will ensure healthy, well-rounded meals for students.

Enter description here

Our school is dedicated to providing students with nutritious and well-rounded meals that support their overall health and well-being. Our food services plan encompasses a holistic approach to ensure the availability of healthy meals and promote positive eating habits among students. All meals will be distributed to students using a point-of-sale accountability procedure. Here's an overview of our food services plan:

Nutrient-Rich Menu Planning: Our food services team collaborates with nutritionists and experts to design a menu that emphasizes nutrient-rich foods, incorporating a variety of fruits, vegetables, lean proteins, whole grains, and dairy products. For the past 4 years, the Board has partnered with nutritionist Severine Johnson for the meals of the school being replicated, Summit Academy.

Balanced Meals: Each meal will be designed to provide quality, healthy foods through a balanced combination of macronutrients and essential vitamins, ensuring students receive the necessary fuel for optimal physical and cognitive development. Meals will meet state and federal requirements including USDA Dietary Guidelines.

Local and Organic Options: We will strive to source locally grown and organic ingredients whenever possible, supporting local farmers and providing students with fresh, high-quality produce.

Reduced Processed Foods: Our menu will minimize the use of highly processed foods and artificial additives, focusing on whole foods to promote better health.

Allergen Considerations: We will accommodate students with food allergies and dietary restrictions, offering alternative options and ensuring a safe dining environment.

Student Involvement: Students' preferences and feedback will be taken into consideration when planning the menu, encouraging their active participation in choosing healthy meal options.

Nutrition Education: We will incorporate nutrition education into our curriculum, teaching students about the importance of balanced diets and making informed food choices.

Meal Presentation: Our food services team will ensure that meals are visually appealing and appetizing, encouraging students to try new foods and explore diverse flavors.

National School Lunch Program (NSLP): We will participate in the NSLP to provide students with access to federally funded, subsidized meals that meet nutritional guidelines. The school will implement an application and verification plan and during the verification period, the confirmation of eligibility for free and reduced priced meal benefits under the NSLP will be completed. The current population of economically

disadvantaged students in Broward County is 77.8%. The school will process all NSLP applications and adhere to program operation and record keeping requirements. The school will disseminate lunch applications to all students upon enrollment and will have applications available throughout the year. If the school's application as a sponsor under the NSLP is not approved in time, the school will enter into a piggy-back agreement for the initial year.

Contracting Food Services: We will be contracting food services to experienced providers who share our commitment to nutrition and quality. As required by the NSLP, vendors will be selected by an open competitive process as prescribed by the USDA and the Florida Department of Agriculture. Vendors will be required to submit evidence of approval as a food service vendor for the NSLP.

Regular Menu Evaluation: Our food services plan will undergo regular evaluation to assess the nutritional value, variety, and overall quality of meals.

Parent and Community Engagement: We will involve parents and the community in the food services planning process, seeking input and collaboration to ensure a comprehensive approach.

The school facility will include a lunchroom, or, at a minimum, a seating area that meets nutritional and sanitation standards. The school will arrange for health inspections and shall maintain all required permits for food service.

Our food services plan aims to create an environment where students can enjoy nutritious, appealing meals that contribute to their well-being and academic success. By fostering healthy eating habits and providing access to wholesome foods, we are dedicated to nourishing our students' bodies and minds.

Evaluation Criteria: Food Service

Reviewers will look for:

4. School Safety and Security

Reviewer Instructions

The School Safety and Security section should provide a description of the school's plan to ensure the safety and security of its students and faculty.

Statutory Reference(s):
s. 1002.33(7)(a)11; s. 1002.33(16)(b)8, 12, and 14
Evaluation Criteria:
A response that meets the standard will present:

- A plan that reasonably ensures the safety of students and staff and the protection of the school facility and property. Note that a fully-developed plan will be completed after approval of the application.
- A description of how the school plans to comply with the requirement that at least one safe-school officer is present while school is in session.
- Procedures that clearly demonstrate a plan to respond to active assailant incidents.
- A description of how the school plans to train school staff to respond to active assailant incidents.
- A description of how the school will establish a team to assess and intervene with individuals whose behavior may post a threat to the safety of staff or students.

Form Result

Outline the plan for school safety and security for students, staff, the facility, and property, especially as it relates to the applicable provisions in the Marjory Stoneman Douglas High School Public Safety Act.
Specifically:

A. Describe what steps the school would take to assure there is a safe-school officer present while school is in session, pursuant to section 1006.12, F.S.

Enter description here

The safety and security of our students, staff, and the school community are of paramount importance. The school will adhere to all school safety requirements applicable to charter schools, including the requirements set forth in Florida Admin. Code R. 6A-1.0017, 6A-1.0018, and 6A-1.0019, s. 1006.12 F.S and all applicable statutes. To ensure a safe learning environment, we have developed a comprehensive plan to have a qualified safe-school officer present while school is in session, in accordance with s. 1006.12, F.S. Here are the steps we would take:

Designated Safe-School Officer: We will designate trained personnel, such as a School Resource Officer (SRO) or security personnel, to serve as the safe-school officer.

Collaboration with Law Enforcement: We will collaborate with local law enforcement agencies to identify available officers who can fulfill the role of the safe-school officer.

Hiring and Training: If necessary, we will hire or contract a safe-school officer with the appropriate qualifications and training in school safety and security.

Roles and Responsibilities: The safe-school officer will be responsible for ensuring a safe environment during school hours, responding to security concerns, and collaborating with school staff and administrators.

Visibility and Presence: The safe-school officer will interact with and be visible to students, staff, and visitors, creating a sense of security and deterrence.

Emergency Preparedness: The safe-school officer will be trained to respond effectively to various emergencies, including lockdowns, medical incidents, and evacuation procedures.

Building Relationships: The safe-school officer will build positive relationships with students, promoting trust and open communication about safety concerns.

Crisis Intervention: The safe-school officer will receive training in crisis intervention and de-escalation techniques to address potential conflicts or disturbances.

Collaborative Approach: The safe-school officer will work collaboratively with school administrators, teachers, counselors, and support staff to address safety concerns and implement security measures.

Ongoing Training: The safe-school officer will undergo regular training to stay updated on the latest safety protocols and best practices.

Safety Drills: The safe-school officer will participate in safety drills, ensuring readiness for various scenarios.

Reporting and Documentation: The safe-school officer will maintain accurate records of safety incidents, interventions, and activities to inform future planning.

Communication with Law Enforcement: The safe-school officer will maintain open lines of communication with local law enforcement agencies to share information and collaborate on safety matters.

Enhanced Safety and Security: The school utilizes a comprehensive camera system throughout the campus to ensure the safety and security of students, staff, and visitors. Cameras provide continuous monitoring of high-traffic and sensitive areas, deterring potential incidents and allowing for swift response when needed. The camera system is strategically placed to maximize security while respecting privacy guidelines and adhering to legal standards.

Continual Improvement: We will regularly review the effectiveness of our safe-school officer program and make adjustments as needed to enhance security.

The school will adhere to the safety requirements outlined in s. 1006.07, F.S., including locking all gates and doors when not in use. If a gate or door is left unlocked, it will be actively supervised. Furthermore, the school, with assistance from the safe-school officer, will comply with all inspection and reporting requirements. All classrooms will have clearly marked shelter-in-place areas, and students will be informed of these spaces within the first 10 days of school.

Summit Academy Charter School II will actively promote the use of FortifyFL, the mobile suspicious activity reporting tool operated by the State of Florida. The school will ensure a link to FortifyFL is on its website, reference the service in at least two newsletters per year, and display posters on the community bulletin board. Furthermore, the application will be installed on all mobile devices issued to students, and the site will be bookmarked on all student-issued computer devices. The board of directors will designate one or more persons to receive tips through FortifyFL and maintain accurate, up-to-date contact information in the FortifyFL database. Advertising for FortifyFL will advise that persons who knowingly submits a false tip through FortifyFL may be subject to further investigation by law enforcement, and may be subject to criminal penalties. Within the first 5 days of each school year, students will be provided training on FortifyFL.

Our commitment to having a qualified safe-school officer present while school is in session reflects our dedication to maintaining a safe and secure learning environment. By working closely with law enforcement, providing ongoing training, and fostering positive relationships, we aim to ensure the safety and well-being of our students and staff.

B. Explain how the school will adopt an active assailant response plan and provide annual training on the plan, as required by section 1006.07(6), F.S.

Enter explanation here

The safety and security of our school community is a top priority, and we are committed to adopting a comprehensive active assailant response plan and providing annual training as mandated by section 1006.07(6), F.S. Our approach to this critical aspect of safety involves the following steps:

Active Assailant Response Plan Development: We will collaborate with law enforcement agencies, security experts such as School Guardians and State School Safety Inspectors, and stakeholders to develop a robust active assailant response plan.

Plan Components: Our plan will include detailed protocols for responding to an active assailant situation, communication procedures, lockdown procedures, evacuation routes, and guidelines for interacting with law enforcement. The plan will include plans and expectations for responding to an active assailant situation using three strategies: evading or evacuating, taking cover or hiding, and responding to or fighting back.

Tailored to School Environment: The plan will be tailored to the specific layout and features of our school building, ensuring that response strategies are effective in our unique context.

Training Materials and Resources: We will compile training materials, videos, and resources that support our active assailant response plan and provide a clear understanding of the procedures.

Annual Training Sessions: We will conduct annual training sessions for all staff members, including teachers, administrators, support staff, and custodians by October 1st of each year.

Participation of Law Enforcement: Local law enforcement agencies will participate in training sessions to provide insights, guidance, and demonstrations on responding to active assailant situations.

Hands-On Drills and Simulations: Practical exercises, drills, and simulations will be conducted to familiarize students and staff with response procedures and enhance their preparedness. The School will conduct all drills required under Florida Admin. Code R. 6A-1.0018(16).

Crisis Communication Training: Training will also cover communication protocols during an active assailant incident, ensuring effective coordination and dissemination of information.

Training for Students: Students will also receive training on age-appropriate safety measures and the importance of following instructions during emergencies. Maps showing fire drill escape routes will be posted in all school rooms and provided to students and staff upon request.

Scenario-Based Training: Training sessions will involve scenario-based simulations to replicate real-life situations and promote effective decision-making.

Family Reunification Plan: The board of directors shall, in coordination with local law enforcement agencies and local government, adopt a family reunification plan to reunite students and employees with their families in the event the school is closed or unexpectedly evacuated due to a disaster.

The reunification plan will be reviewed annually and updated, if applicable.

Evaluation and Improvement: After each training session, we will gather feedback from participants to identify areas for improvement and refine the active assailant response plan.

Refresher Training: In addition to annual training, refresher sessions may be conducted throughout the year to reinforce knowledge and skills.

Community Engagement: We will engage with parents and the community to communicate our commitment to safety and involve them in the development and review of our active assailant response plan.

Continuous Updates: Our active assailant response plan will be reviewed and updated regularly to reflect the latest best practices and evolving safety considerations.

The school is fully committed to ensuring the safety and well-being of its students and staff. To achieve this, we are dedicated to complying with Alyssa's Law, which is aimed at enhancing school safety by implementing effective communication systems during emergency situations. Alyssa's Law requires schools to have panic alarms or alert systems that can quickly and discreetly notify law enforcement and first responders in the event of a threat or emergency. Additionally, the school will use the Florida Safe Schools Assessment Tool (FSSAT) to assess and address risks at the school. The school will implement recommendations made by law enforcement and first responders.

By adopting a thorough active assailant response plan and providing ongoing training, we are taking proactive steps to enhance the safety and preparedness of our school community. This approach reflects our dedication to ensuring a secure environment for learning and growth.

C. Explain how the school will establish a threat assessment team as required by section 1006.07(7), F.S.

Enter explanation here

Creating a threat management team is a crucial component of our commitment to maintaining a safe and secure school environment, in alignment with section 1006.07(7), F.S. and Florida Admin. Code R. 6A-1.0019. The primary purpose of the threat management team is to minimize the risk of violence at the school, and the team is responsible for coordinating resources and assessing and intervening with individuals whose behavior may pose a threat to the safety of the school.

Our threat management team will be composed of at least four individuals with diverse expertise, working collaboratively to identify and address potential threats. Here's how we will establish and operate our threat management team:

Team Composition: The principal will be responsible for appointing team members. Our threat management team will include key personnel with expertise in various areas, such as school administration, mental health, law enforcement, counseling, and student support. The team will also include a member with personal knowledge of the student of concern. Team members will meet the requirements of Florida Admin. Code R.6A-1.0019(4)(c).

Training: Team members will receive specialized training in the Florida Model, threat assessment procedures, identifying risk factors, behavioral analysis, and crisis intervention techniques.

Collaborative Approach: The team will work together to review and assess potential threats or concerning behaviors exhibited by students, staff, or individuals within the school community.

Information Sharing: Members of the threat management team will collaborate and share relevant information to gather a comprehensive understanding of the situation.

Early Intervention: The team will focus on early intervention and prevention, aiming to identify and address potential threats before they escalate.

Regular Meetings: The team will convene as often as needed to fulfill its duties of assessing and intervening with students whose behavior may pose a threat of harm to themselves or others, but no less than monthly. The team will maintain documentation of their meetings, including meeting dates, team members in attendance, cases discussed and actions taken.

Evidence-Based Assessment: The team will use evidence-based protocols to assess threats, taking into consideration behavioral indicators, social media activity, and other relevant information.

Decision-Making Process: Based on assessment findings, the team will collectively make decisions regarding appropriate interventions, referrals, and support services.

Student Support: For cases involving students, the threat management team will collaborate with counselors, teachers, and other support staff to provide necessary interventions and assistance.

Privacy and Confidentiality: The team will handle all information with utmost confidentiality, adhering to legal requirements and guidelines for sharing information.

Communication with Law Enforcement: If necessary, the team will liaise with law enforcement agencies to ensure a coordinated response to potential threats.

Documentation and Reporting: Detailed documentation of assessment findings, interventions, and outcomes will be maintained to inform future decision-making and review.

Continuous Training and Improvement: The threat management team will participate in ongoing training to stay updated on best practices and improve effectiveness of threat assessment processes.

Community Engagement: We will engage parents, students, and the community in understanding the role of the threat management team and promoting a collaborative approach to safety.

Regular Review: The threat management team's procedures and effectiveness will be regularly reviewed and updated to reflect evolving safety considerations and best practices.

By establishing a dedicated threat management team, we are proactively addressing potential threats and creating a supportive and secure environment for our school community. Our team's collective expertise and collaborative efforts will contribute to early intervention, prevention, and the overall safety and well-being of our students and staff.

D. Explain how the school will accurately and timely report incidents related to school safety and discipline as required by section 1006.07(9), F.S.

Enter explanation here

Accurate and timely reporting of incidents related to school safety and discipline is essential to maintaining transparency, addressing concerns, and ensuring the safety and well-being of our school community, as mandated by section 1006.07(9), F.S. We have developed a comprehensive approach to reporting incidents promptly and accurately. Here's how we will fulfill this requirement:

Incident Documentation: In accordance with the Florida Model Training, all incidents related to school safety and discipline will be promptly documented by staff members who witness or are informed about the incident. The principal, along with two or more staff members, will be trained in properly managing School Environmental Safety Incident Reports (SESIR). The School Safety Officer will also participate in FLDOE training to accurately report incidents.

Incident Categories: We will establish clear categories for different types of incidents, including bullying, harassment, fights, vandalism, and more.

Reporting Channels: Multiple reporting channels will be available to staff, students, parents, and stakeholders. This includes in-person reporting, written reports, online platforms, and dedicated email addresses.

Centralized Reporting System: We will implement a centralized reporting system where incidents can be documented and recorded, ensuring consistency and easy access to information. The school will ensure that all incidents which qualify for reporting under SESIR are reported to the FLDOE. More specifically, any incident occurring on the school campus, on school-sponsored transportation, during off-campus school-sponsored activities, or off-campus where the incident is accomplished through electronic means, if the incident substantially disrupts the educational process or orderly operation of the school, and which otherwise meets a SESIR definition, will be reported.

Incident Reporting Form: A standardized incident reporting form will be used to ensure that all relevant details are captured consistently.

Timely Reporting: Incidents will be reported promptly following the occurrence, ensuring that accurate information is documented while the details are still fresh.

Communication Protocols: We will establish clear communication protocols to ensure that relevant stakeholders are informed about incidents appropriately. This may include notifications to parents, staff, and appropriate authorities.

Incident Review and Analysis: Reported incidents will be reviewed and analyzed by designated personnel to identify trends, patterns, and potential areas of concern.

Privacy and Confidentiality: Confidentiality of sensitive information will be maintained in accordance with legal requirements when reporting incidents involving students.
Reporting to Authorities: If required by law or regulations, incidents will be reported to the appropriate authorities in a timely manner.
Communication with Parents: Parents will be promptly informed of incidents involving their children, ensuring open communication and transparency.
Annual Reporting: We will compile an annual report on incidents related to school safety and discipline, summarizing the data, trends, and actions taken to address them.
Continuous Improvement: Our reporting processes will be regularly reviewed and improved based on feedback, best practices, and emerging needs.
Stakeholder Engagement: We will engage with parents, students, staff, and the community to promote awareness of our reporting processes and encourage active participation.
By implementing a robust incident reporting system and prioritizing accuracy and timeliness, we are dedicated to promoting transparency, addressing concerns, and fostering a safe and supportive school environment for all members of our community.

Evaluation Criteria: School Safety and Security

Reviewers will look for:

- A plan that reasonably ensures the safety of students and staff and the protection of the school facility and property. Note that a fully developed plan will be completed after approval of the application.
- A description of how the school plans to comply with the requirement that at least one safe-school officer is present while school is in session.
- Procedures that clearly demonstrate a plan to respond to active assailant incidents.
- A description of how the school plans to train school staff to respond to active assailant incidents.
- A description of how the school will establish a threat management team to coordinate resources, assess and intervene with students whose behavior may post a threat to the safety of the school, school staff or students.

5. Budget

Reviewer Instructions

The Budget section should provide financial projections for the school over the term of its charter.

Statutory Reference(s):

s. 1002.33(6)(a)5.; s. 1002.33(6)(b)2.

Evaluation Criteria:
A response that meets the standard will present:

- Budgetary projections that are consistent with and support all key aspects of the application, including the school's mission, educational program, staffing plan, and facility.
- A realistic assessment of projected sources of revenue and expenses that ensure the financial viability of the school.
- A sound plan to adjust the budget should revenues not materialize as planned.

Form Result

A. Provide as Attachment X, an operating budget covering each year of the requested charter term that contains revenue projections (using the Florida charter school revenue estimate worksheet as Attachment W for at least the first year of operation), expenses, and anticipated fund balances. The budget should be based on the projected student enrollment indicated in Section 2 of the application. A template for the operating budget may be available from the sponsor upon request.

Attachment X: Operating Budget	Attachment X.pdf 3.88 MB • Added 2 months ago

Attachment W: school revenue estimate worksheet

Attachment W.pdf
1.09 MB • Added 2 months ago

B. Provide a start-up budget as Attachment Y that contains a balance sheet, revenue projections, including source of revenues, expenses, and anticipated fund balance. The start-up budget must cover any period prior to the beginning of FTE payments in which the school will expend funds on activities necessary for the successful start-up of the school.

Attachment Y: start-up budget

Attachment Y.pdf
475.21 KB • Added 2 months ago

C. If the budget is contingent upon sources of funding beyond those typically provided by local, state, and federal governments (such as funding from foundations, donors, grants), provide evidence of such funding (e.g. MOU, letters) as Attachment Z.

Attachment Z: special sources of funding

Attachment Z.pdf
872.71 KB • Added 2 months ago

D. Provide a detailed narrative description of the line-item revenue and expenditure assumptions on which the operating and start-up budget are based. The budget narrative should provide sufficient information to fully understand how budgetary figures were determined.

Enter content here

The operating and start-up budgets for the school are based on several key revenue and expenditure assumptions, outlined in Attachment X, to ensure a sustainable financial foundation during the initial years of operation. The primary revenue assumptions are based on projected student enrollment, with funding derived from per-student allocations through the Florida Education Finance Program (FEFP) and other local or state funding sources. The enrollment figures are estimated conservatively, with a focus on maintaining enrollment stability through effective marketing and outreach strategies. Additionally, revenue projections account for potential grants and philanthropic donations that may be secured in the first year, as well as possible reimbursements for federal programs such as Title I and IDEA. These revenue streams are projected with a degree of caution to ensure that the school can meet its obligations even if actual revenues fall short of initial projections. On the expenditure side, the budget assumes essential costs for staff salaries, benefits, and operational expenses, such as rent, utilities, and instructional materials. Teacher salaries are based on competitive market rates, and the budget includes allowances for the recruitment of qualified staff with appropriate certifications. Operational costs are based on market research and historical data for similar schools, ensuring that the school can maintain quality facilities, technology infrastructure, and academic materials. Additionally, the budget includes start-up costs such as facility renovations, furniture, and initial marketing campaigns to establish the school's presence in the community. These expenditures are scaled according to the school's revenue projections, ensuring that initial outflows are aligned with anticipated income, and will be adjusted if revenue targets are lower than expected. The budget also includes a contingency fund for unforeseen costs, such as legal fees or additional compliance-related expenses, to ensure that the school's financial needs are met during its start-up phase and throughout the first year of operation.

E. Discuss the school's contingency approach and plan to meet financial needs if anticipated revenues are not received or are lower than estimated. This may include budgets for 75% and 50% of revenue projections or a budget for whatever percentage the applicant considers the minimum percentage at which they could operate the educational plan presented.

Enter content here

If anticipated revenues are not received or are lower than estimated, the school will implement a contingency approach to ensure that financial needs are met and the educational plan can continue to operate. The school will prepare alternative budgets based on varying revenue scenarios, including budgets for 75% and 50% of projected revenue, as outlined in Attachments U, X, and Z. These contingency budgets will focus on reducing non-essential expenses, such as delaying capital expenditures, limiting administrative costs, and adjusting staffing levels to align with the reduced funding. In addition, the school will prioritize core educational services and ensure that funding is directed towards student programs and essential operational costs.

To further mitigate financial risks, the school will explore options for short-term financing, such as a line of credit or bridging loans, to cover any temporary cash flow gaps. The school will also actively seek alternative revenue sources, such as grants, donations, or additional student enrollment, to supplement the reduced funding. By closely monitoring financial performance and adjusting expenditures as needed, the school will ensure that it can continue to deliver its educational services even in the face of revenue shortfalls.

F. Explain in detail the year one cash flow contingency plan, in the event that revenue projections are not met (or not met on time).

Enter explanation here

In the event that revenue projections are not met or are delayed during the first year of operation, the school will implement a cash flow contingency plan to maintain financial stability. The plan will involve closely monitoring cash inflows and expenditures to identify any shortfalls early. If necessary, the school will reduce discretionary spending, delay non-essential capital expenditures, and temporarily defer or adjust staffing levels to align with available resources. Additionally, the school will explore options for short-term financing, such as a line of credit or bridging loans, to cover any gaps in cash flow until revenue targets are met. This proactive approach will ensure that the school can continue its operations smoothly while safeguarding its financial health.

Reduced budgets, as outlined in Attachment X, will serve as a guideline for adjusting expenditures if revenue projections are not met, ensuring that essential functions of the school are prioritized, and non-critical spending is minimized. The school will also work closely with its financial team to assess alternative revenue opportunities or additional funding sources that can help stabilize cash flow during the first year.

G. Provide monthly cash flow projections for the school's start-up period (i.e. from the date on which the application is approved to the beginning of the first fiscal year of operation) through the first year of operation.

Enter content here	See Attachment X
Attach any files containing cash flow projections (optional)	Attachment X.pdf 3.88 MB • Added 2 months ago

Evaluation Criteria: Budget

Reviewers will look for:

- Budgetary projections that are consistent with and support all key aspects of the application, including the school's mission, educational program, staffing plan, and facility.

6. Financial Management and Oversight

Reviewer Instructions

The Financial Management and Oversight section should describe how the school's finances will be managed and who will be responsible for the protection of student and financial records.

Statutory Reference(s):
s. 1002.33(6)(a)5.; s. 1002.33(7)(a)9.; s. 1002.33(7)(a)11.
Evaluation Criteria:
A response that meets the standard will present:

- A clear description of how the school's finances will be managed, including who (or what contracted entity) will manage the finances. Such plan should contain strong internal controls to ensure appropriate fiscal management and ability to comply with all financial reporting requirements.
- A plan for the governing board to regularly exercise oversight over and take accountability for all financial operations of the school.
- Provisions for an annual financial audit.
- Appropriate public transparency of school financial health.
- Appropriate plan to securely store financial records.
- A plan to obtain appropriate and reasonable insurance coverage.

Form Result

A. Describe who will manage the school's finances and how the school will ensure strong internal controls over financial management and compliance with all financial reporting requirements.

Enter description here

The financial management of the school will be a collaborative effort between Building Hope and the Governing Board, ensuring strong internal controls and compliance with all financial reporting requirements. Here's how both entities will play a role in managing the school's finances:

Building Hope: Building Hope, as a well-established charter school support organization, will provide comprehensive financial management and oversight services to the school. Their experienced financial team will contribute their expertise to manage day-to-day financial operations, budgeting, reporting, and compliance.

Governing Board: The Governing Board, as the school's ultimate decision-making authority, will have direct oversight of financial matters. They will work closely with Building Hope to ensure prudent financial management aligned with the school's goals and mission.

Internal Controls: Building Hope, in collaboration with the Governing Board, will establish robust internal controls to safeguard the school's financial assets and ensure accurate financial reporting. Financial policies and procedures will be developed, documented, and communicated to all relevant stakeholders, ensuring consistency and transparency in financial practices.

Financial Reporting: Building Hope will maintain accurate financial records and generate regular financial reports for review by the Governing Board. Financial reports will be designed to provide a clear overview of the school's financial health, budget performance, and compliance with funding requirements.

Compliance: Building Hope will monitor compliance with all financial reporting requirements, ensuring that the school adheres to state and federal regulations. The Governing Board will actively participate in financial reviews and compliance assessments to ensure accountability.

Auditing and Reviews: The school's financial records will undergo regular internal audits and reviews to identify any discrepancies or issues that need to be addressed. Building Hope will coordinate external audits, working with reputable auditing firms to conduct annual financial audits and provide assurance of compliance.

Transparency and Communication: Building Hope and the Governing Board will maintain transparent communication regarding financial matters. Regular meetings will include financial updates and discussions to ensure alignment with the school's mission and goals.

Financial Training: The Governing Board members will receive training on financial management, governance, and fiduciary

responsibilities to enhance their understanding of financial matters.

Risk Management: Building Hope will work with the school to identify and mitigate financial risks through sound financial planning and risk management strategies.

By combining the expertise of Building Hope and the oversight of the Governing Board, the school's financial management will benefit from a dual layer of expertise and accountability. This collaborative approach will foster financial stability, accountability, and transparency, ensuring that the school's resources are managed prudently and in alignment with its educational mission.

B. Explain the mechanisms the governing board will use to monitor the school's financial health and compliance.

Enter explanation here

The Governing Board will play a crucial role in monitoring the school's financial health and compliance, ensuring transparency, accountability, and the prudent use of resources. Here are the mechanisms the Board will use to effectively monitor the school's financial health and compliance:

Financial Reports and Updates: Regular financial reports will be provided to the Governing Board, detailing the school's budget performance, expenditures, revenues, and any significant financial developments. The financial reports will offer a clear snapshot of the school's financial position and assist the board in making informed decisions.

Budget Review and Approval: The Governing Board will review and approve the school's annual budget, ensuring that it aligns with the school's mission, goals, and strategic priorities. Budget discussions will involve analyzing financial projections, assessing funding sources, and evaluating how resources are allocated. Throughout the school year the budget will be reviewed by the Governing Board and the Governing Board shall be responsible for amending the budget, if necessary.

Compliance Monitoring: The Governing Board will ensure compliance with financial reporting requirements set by the charter contract and any applicable state and federal agencies, as well as any obligations outlined in the charter agreement. Compliance reviews will encompass financial statements, grants, contracts, and other financial documentation.

Internal Audits and Reviews: The Governing Board will oversee internal audits and reviews of financial records to identify any potential irregularities, discrepancies, or areas of concern. The board will collaborate with external auditors to ensure the integrity and accuracy of financial statements.

Financial Policy Development and Review: The Governing Board will develop and review financial policies and procedures to ensure that the school's financial operations are conducted in accordance with best practices and regulatory requirements and/or will adopt District approved policies if available.

Risk Management and Mitigation: The board will actively participate in discussions on risk management strategies to identify and address financial risks that could impact the school's stability.

Disclosures and Transparency: The Governing Board will ensure that all necessary financial disclosures are made accurately and in a timely manner to the relevant authorities, stakeholders, and the public.

Strategic Financial Planning: The board will engage in discussions about long-term financial sustainability, growth strategies, and investment decisions to support the school's mission.

Oversight of Financial Decisions: Major financial decisions over $1000, such as contracts, partnerships, and major expenditures, will be subject to review and approval by the Governing Board. There will also be no spending without the approval of the Principal.

Training and Professional Development: Governing Board members will receive training in financial management, governance, fiduciary responsibilities, open government and conflicts of interest/ethics to effectively carry out their oversight role.

Open Communication: The board will maintain open lines of communication with school leadership and the financial management team to stay informed about financial matters.

By actively engaging in these mechanisms, the Governing Board will ensure that the school's financial health and compliance are closely monitored, fostering responsible financial management, accountability, and the achievement of the school's educational objectives.

C. Describe the school's plans and procedures for conducting an annual audit of the financial operations of the school.

Enter description here

To ensure compliance with Section 218.391, Florida Statutes (F.S.), in the selection process for an auditor, Summit Academy Charter School II will follow a thorough and transparent procedure in choosing a qualified auditor for the school's annual financial audit. This process will adhere to the legal and regulatory requirements outlined in the statute.

The school's governing board will establish an auditor selection committee consisting of members with relevant financial expertise, which may include at least one member of the governing board. The committee will be tasked with overseeing the entire selection process, reviewing proposals, and ensuring full compliance with Section 218.391, F.S.

The selection committee will develop clear, objective criteria for evaluating prospective auditors. Criteria will include qualifications, relevant experience with charter school audits, understanding of Florida public sector accounting, audit approach, and proposed fees. In compliance with Section 218.391, F.S., the committee will publicly advertise a request for proposals (RFP) to ensure that all qualified auditing firms have the opportunity to submit proposals. The RFP will outline the scope of services and evaluation criteria in a way that ensures fairness and transparency.

After receiving proposals, the selection committee will evaluate each based on the established criteria. Proposals will be ranked according to the auditor's qualifications, experience, approach, and cost. The committee will then recommend the highest-ranked firm to the governing board.

Once the governing board approves the recommended auditor, the committee will proceed to negotiate the terms of the audit contract, ensuring that the terms are fair, compliant with Florida law, and align with the school's needs. The final contract will be submitted to the governing board for approval.

By following this process, Summit Academy Charter School II will ensure its compliance with Section 218.391, F.S., while selecting a highly qualified auditor to perform the annual audit of the school's financial operations.

Plans and Procedures for Conducting the Annual Audit:

- Engagement and Pre-Audit Preparation: The school will formally engage the selected external auditor for the annual financial audit. The school's financial management team will collaborate with the auditor to provide necessary documentation.
- Audit Planning: The external auditor will work with the school's financial management team to develop an audit plan, which will outline the scope, focus areas, and audit timeline.
- Financial Record Review: The school's financial team will organize relevant financial records, including financial statements, transaction records, contracts, and grants.

- On-Site Audit: The auditor will conduct an on-site visit to review and verify financial records.
- Testing and Verification: The auditor will perform tests to verify the accuracy of financial transactions, reconcile accounts, and examine supporting documentation.
- Internal Control Evaluation: The auditor will evaluate the school's internal controls related to financial operations and recommend improvements if necessary.
- Financial Statements and Reporting: After the audit, the external auditor will prepare and present the audited financial statements reflecting the school's financial status.
- Audit Findings and Recommendations: The auditor will share any findings or recommendations with the school to improve internal controls or financial practices.
- Transparency and Compliance: The school will ensure that the audit process complies with all applicable regulations, maintaining transparency throughout.
- Board Review and Approval: The governing board will review and approve the audited financial statements, acknowledging the audit findings and recommendations.
- Annual Reporting: The audited financial statements will be included in the school's annual report, submitted to the Sponsor and posted on the school's website to ensure transparency with stakeholders.

By adhering to these procedures, the school will ensure accurate, transparent, and compliant financial reporting, reflecting responsible financial management.

D. Describe the method by which accounting records will be maintained.

Enter description here

The school will maintain accurate and organized accounting records through a systematic and compliant process:

- Accounting Software: Reliable accounting software will be used to manage financial transactions, accounts, and reports.
- Chart of Accounts: A structured chart of accounts will be established to categorize and organize financial transactions.
- Accrual Basis Accounting: The school will follow accrual accounting to record financial transactions in the period they occur.
- Documentation: Financial transactions will be supported by appropriate documentation, stored both electronically and in hard copy.
- Transaction Recording: Financial transactions will be recorded promptly and accurately in the accounting system.
- Bank Reconciliation: Regular reconciliations will ensure that bank account balances match recorded balances, with any discrepancies investigated.
- Financial Statements: The software will generate balance sheets, income statements, and cash flow statements.
- Internal Controls: Strong internal controls will be implemented to safeguard financial records.
- Regular Review: The financial team will conduct routine checks to ensure accuracy and completeness of records.
- Backup and Security: Data backups and security measures will protect sensitive financial information.
- Compliance and Audits: Records will be compliant with applicable laws and regulations, ready for audits.
- Record Retention: Financial records will be retained for the required period in a secure location.

This method ensures that the school's accounting records are accurate, transparent, and compliant with regulatory requirements, supporting responsible financial management and accountability.

E. Describe how the school will ensure financial transparency to the authorizer and the public, including its plans for public adoption of its budget and public dissemination of its annual audit and financial report.

Enter description here

The school is committed to maintaining a high level of financial transparency to the authorizer, the public, and all stakeholders. We recognize the importance of providing clear and accessible financial information to demonstrate accountability and responsible financial management. Here's how we will ensure financial transparency:
Public Adoption of Budget: The school's annual budget will be developed in collaboration with the Governing Board and the financial management team. The budget will be presented to the Governing Board for review and approval. The approved budget will be publicly adopted during a designated board meeting. This meeting will be open to the public, allowing stakeholders to gain insight into the school's financial priorities and resource allocation.
Public Dissemination of Annual Audit and Financial Report: The annual audit, will result in audited financial statements. The financial statements audited, along with the auditor's report, will be made available to the public. These documents will be accessible through the school's official website and other communication channels. A summary of the audit findings and key financial performance indicators will be shared with stakeholders in a clear and comprehensible manner.
Financial Reporting and Communication: The school's management team will provide updates to the Governing Board on financial matters. The Governing Board will then share financial updates with the public during meetings, promoting transparency and accountability. All information required by s. 1002.33(9)(p)(1), F.S., including the school’s annual budget, annual independent fiscal audit and governing board meeting minutes shall be posted to the school’s website.
Open Board Meetings: Governing Board meetings will be open to the public, providing an opportunity for stakeholders to attend, ask questions, and gain insights into the school's financial decisions and management.
Community Engagement: The school will actively engage with parents, community members, and other stakeholders through regular communications, newsletters, and town hall meetings. These platforms will serve as opportunities to discuss financial matters and address any inquiries.
Annual Report: The school will prepare an annual report that includes a summary of financial performance, budget allocation, and other financial highlights. This report will be shared with the public to offer a comprehensive overview of the school's financial health.
Transparency Initiatives: The school will explore additional transparency initiatives, such as interactive financial dashboards or online platforms that allow stakeholders to access and visualize financial data.
By implementing these measures, and publishing them on the school website, the school aims to provide transparent and accessible

financial information to the authorizer, the public, and all stakeholders. This commitment to financial transparency aligns with our core values and underscores our dedication to responsible financial stewardship and accountability.

F. Describe any key back-office services to be outsourced via contract, such as business services, payroll, and auditing services. Include the anticipated costs of such services and criteria for selecting such services.

Enter description here

The school recognizes the importance of efficient and specialized back-office services to ensure smooth operations and compliance with regulatory requirements. As part of our approach to outsourcing key back-office services, we plan to contract with reputable service providers for business services, payroll, and auditing services. Here's an overview of our approach:

Business Services: We will contract with Building Hope, a well-established charter school support organization, to provide comprehensive business services. Their experienced team will manage administrative functions, including bookkeeping, accounts payable and receivable, financial reporting, and vendor management. The anticipated cost for business services is paid by the management company. Criteria for selecting a business services provider included their expertise in school administration, track record in managing financial operations, and alignment with our mission and values.

Payroll Services: We will contract with ADP, a recognized leader in payroll processing, to manage payroll processing, tax withholding, benefits administration, and compliance with labor regulations. The estimated annual cost for payroll services is estimated in Attachment X. We selected ADP based on their expertise in payroll management, accuracy, security of sensitive information, and their ability to provide responsive customer support.

Auditing Services: We will contract with our selected external auditing firm, to conduct the annual financial audit and review of our financial operations. The cost for the annual audit services is estimated in Attachment X. Criteria for selecting an auditing services provider included their expertise in school audits, reputation for thoroughness, and their ability to provide actionable recommendations for improvement.

Selection Criteria:

- Providers' experience and track record in serving educational institutions, especially charter schools.
- Their ability to offer secure and compliant services, adhering to relevant regulations.
- Alignment with the school's mission, values, and commitment to transparency.
- Demonstrated ability to provide timely and accurate services that meet the school's needs.

By outsourcing these key back-office services to Building Hope and ADP, and continuing the partnership with a certified auditing accounting firm, we aim to leverage the expertise of experienced professionals while ensuring compliance and accuracy in financial operations. This approach allows us to focus on our core mission of providing high-quality education while leaving specialized tasks to trusted partners.

G. Describe how the school will store financial records.

Enter content here

The school will establish a systematic and secure approach to storing financial records to ensure accessibility, accuracy, and compliance with record retention requirements. Here's how we will store financial records:

To ensure that electronic records at Summit Academy Charter School II are secure and accessible only to authorized internal users, the IT team will implement the following security measures:

Access Controls: The school will establish role-based access controls (RBAC) that limit data access based on user roles and responsibilities. Only authorized personnel will be granted access to sensitive information.

Strong Authentication Protocols: Multi-factor authentication (MFA) will be implemented to add an extra layer of security, requiring users to verify their identity through multiple methods before accessing electronic records.

Regular Audits and Monitoring: The IT team will conduct regular audits of user access logs to monitor for unauthorized access attempts. Any suspicious activity will be promptly investigated.

Data Encryption: Sensitive electronic records will be encrypted both in transit and at rest to protect against unauthorized access. This ensures that even if data is intercepted, it cannot be read without the appropriate decryption keys.

Firewalls and Intrusion Detection Systems: The school will utilize firewalls and intrusion detection systems (IDS) to monitor and control incoming and outgoing network traffic, helping to deter outside users from accessing sensitive information.

User Training: Staff members will receive regular training on data security best practices, including how to recognize phishing attempts and the importance of safeguarding sensitive information.

Secure Backup Solutions: Regular backups of electronic records will be performed and stored securely to prevent data loss and ensure quick recovery in the event of a security breach.

Electronic Document Management System: We will implement an electronic document management system to store and organize electronic financial records. This system will include folders and subfolders for various categories of financial documents.

Cloud-Based Storage: Financial records will be stored on a secure cloud-based platform with robust security measures. This approach ensures data redundancy, disaster recovery, and accessibility from different locations.

Physical Document Storage: Hard copies of critical financial documents, such as contracts and legal agreements, will be stored in locked filing cabinets within a secure office space.

Data Backup and Recovery: Regular data backups will be performed to prevent data loss. Backups will be stored securely off-site, and data recovery procedures will be in place in case of emergencies.

Record Retention Policy: The school will develop and adhere to a record retention policy as dictated by Florida law that outlines how long specific financial records should be retained based on legal, regulatory, and operational requirements.

Compliance with Regulations: Financial records will be stored in accordance with relevant regulations, including the Florida Public Records Act and any other federal or state requirements.

Security Measures: We will employ physical and digital security measures to prevent unauthorized access, data breaches, and data loss.

Disaster Recovery Plan: A disaster recovery plan will be in place to address potential data loss due to unforeseen events. This plan will include steps for data restoration and continuity of operations.

By implementing these measures, the school will ensure that its financial records are securely stored, easily accessible, and compliant with relevant regulations. This systematic approach contributes to the transparency, accountability, and responsible financial management of the school's operations. Summit Academy Charter School II will create a secure environment for electronic records, protecting sensitive information from unauthorized access and ensuring compliance with data protection regulations.

H. Describe the insurance coverage the school will obtain, including applicable health, workers compensation, general liability, property insurance, and directors' and officers' liability coverage.

Enter content here

The School agrees to provide the following proof of insurance:

- Errors and Omissions coverage to include prior acts, sexual harassment, civil rights and employment discrimination, breach of contract, insured versus insured, consultants and independent contractors and with minimum policy limits of $2,000,000.00. The insurance shall be subject to a maximum deductible not to exceed $25,000 per claim. If the insurance is on a claims-made basis, the School shall maintain, without interruption, the Professional Liability Insurance until three (3) years after termination of this Charter;
- General liability coverage written on an occurrence form with minimum policy limits of $1,000,000.00 per occurrence and an aggregate limit of $2,000,000.00; Business automobile coverage with the same limits as general liability.
- Property insurance shall be secured for buildings and contents. Property Insurance coverage for the "Building" includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.

The School further agrees to secure and maintain property insurance for the School's personal property, and to insure all of the District's owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.

Summit Academy Charter School II offers a comprehensive employee benefits package designed to support the health and well-being of its staff. Employees are provided health insurance through United Healthcare, ensuring access to quality medical services. In addition to health insurance, the school offers a $10,000 life insurance policy to eligible employees. Staff also have the option to enroll in additional coverage for dental and vision insurance, as well as the opportunity to purchase short-term or long-term disability insurance to help protect against income loss due to illness or injury. This benefits package

reflects Summit Academy Charter School II's commitment to providing essential resources that contribute to a supportive and caring work environment.
The School agrees to provide adequate Workers' Compensation insurance coverage as required by Chapter 440, Florida Statutes.
Fidelity Bond and Crime Coverage: The School shall purchase Employees Dishonesty or Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School's administrators and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million ($1,000,000) dollars per loss/two million ($2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty or Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.
No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured.
Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for which evidence was provided. Should any of the above described policies be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.

Attach any insurance policies or related documents (optional)

Notes

Concern was added at 10/13/2025 03:25 PM by Reynaldo Tunnermann

The narrative on internal controls in this section lacks sufficient detail regarding the specific areas of the school's financial operations that will be subject to control and the nature of the controls to be implemented."

Concern was added at 10/14/2025 12:28 PM by Ella Ahgal

I agreed with Mr. Reynaldo Tunnermann. It would be helpful if we could expand on this section and provide more clarity on which areas of financial operations we are targeting and the exact controls we plan to implement. This will ensure a comprehensive understanding and proper execution of our internal control measures.

7. Start-Up Plan

Reviewer Instructions

The Start-Up Plan should provide a clear roadmap of the steps and strategies that will be employed to prepare the school to be ready to serve its students well on the first day of operation.

Statutory Reference(s):
s. 1002.33(7)(a)16.
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Provides a thoughtful and realistic implementation plan that covers major operational items and provides flexibility for addressing unanticipated events.

Form Result

A. Present a projected timetable for the school's start-up, including but not limited to the following key activities:

i. Applying for and securing appropriate legal status (e.g. status as a state corporation, federal non-profit)
ii. Identifying and securing facility
iii. Recruiting and hiring staff (leaders, teachers, and other staff)
iv. Staff training
v. Finalizing curriculum and other instructional materials
vi. Governing board training

vii. Policy adoption by Board (if necessary)
viii. Recruiting students
ix. Enrollment lottery, if necessary
x. Establishing financial procedures
xi. Securing contracted services
xii. Fundraising, if applicable
xiii. Finalizing transportation and food service plans
xiv. Procuring furniture, fixtures and equipment
xv. Procuring instructional materials

The activities included should align with the start-up budget described earlier in the application. If an activity will be paid for by a source of funding not included in the start-up budget, it should be clearly indicated. (This timetable is a projection and is not meant to be binding on the school or sponsor. A formal timeline may be negotiated in the charter agreement)

Enter content here

Here is a projected timetable for the start-up of the school, outlining key activities aligned with the start-up budget:
Action Plan:
November 2025:

- Apply for legal status as a state corporation and federal non-profit.
- Begin discussions and negotiations with potential facility providers.
- Continue legal status application process.
- Research and finalize potential facility options.

December 2025

- Secure legal status as a state corporation and federal non-profit.
- Secure facility lease or purchase agreement.
- Develop and implement a recruitment plan for key positions.
- Establish and implement recruitment plan for students.

January 2026:

- Continue legal and financial preparations.
- Develop a detailed staff recruitment plan.
- Begin General Enrollment Period and follow Lottery Guidelines
- Establish Financial Procedures

February 2026 – March 2026:

- Receive Charter Approval

- Recruit and hire essential staff positions.
- Initiate background checks and reference checks for staff candidates.
- Continue General Enrollment Period and follow Lottery Guidelines.
- Order Furniture, Fixtures and Equipment.
- Governing Board Training
- Establish Financial Procedures

April 2026:

- Finalize key leadership positions and teacher recruitment.
- Develop and implement staff orientation and training plans.
- Continue General Enrollment Period and follow Lottery Guidelines.

- Order Textbooks
- Policy Adoption by Board
- Secure Contracted Services (including Transportation and Food Services)

July 2026:

- Conclude staff recruitment and hiring.
- Initiate staff training on school policies, safety procedures, and curriculum.
- Finalize curriculum and instructional materials for teachers.
- Continue Enrollment Period and follow Lottery Guidelines.

Please note that this timetable is a projection and subject to adjustments based on various factors such as facility availability, regulatory requirements, and unforeseen circumstances. As requested by the evaluation criteria, this timeline simply addresses major operational items and provides flexibility in time for unanticipated events. As allowed by state statutes a formal timeline will be negotiated and included in the charter agreement.

Evaluation Criteria: Start-Up Plan

Reviewers will look for a thoughtful and realistic implementation plan that covers major operational items and provides flexibility for addressing unanticipated events.

VII) ADDENDA

Instructions

This addendum to the Model Florida Charter School Application is required of any applicant seeking any of the following:

- Replication of existing schools or school models*
- School operation or management via contract with a third-party education service provider (ESP**)

*An applicant may be considered to be replicating an existing school design if: 1) the proposed school is substantially similar overall to at least one school, AND 2) the individuals or organization involved in the establishment and operation of the proposed school are deeply involved in the operation of the similar school(s). For example, a plan to implement a specific program, such as a widely-used curriculum, would not be categorized as the replication of an existing school design.

**An ESP is any third-party entity, whether non-profit or for-profit, that provides comprehensive education management services to a school via contract with the school's governing board.

Complete each section as applicable:
Addendum A – Applicants seeking to replicate an existing school or school model
Addendum A1 – Applicants seeking to replicate a high-performing charter school per s. 1002.331, F.S.
Addendum B – Applicants contracting with a third-party ESP

Applicants must complete all applicable sections of the addendum. Some applicants will be required to complete multiple addenda. Schools replicating a high-performing charter school pursuant to s. 1002.331, F.S., are not required to complete Addendum A.

1. Replications

Reviewer Instructions

The Replications section should identify the school to be replicated and provide evidence that the model has been successful in raising student achievement, while also describing the capacity of the organization to operate an additional school.
Statutory Reference(s):
s. 1002.33(6)
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.
- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.
- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

Form Result

A. Identify the existing school(s), including MSID number(s), to be replicated and provide evidence that the existing design has been effective in raising student achievement. The effectiveness of an existing school design should include evidence of the success of the academic program as well as organizational and financial viability. It should show a direct relationship between program elements and student achievement.

The existing school to be replicated is Summit Academy Charter School, located in Broward County, Florida, with MSID number 5320. Summit Academy Charter School has a track record of success in raising student achievement and demonstrating organizational and financial viability. Below are key points of evidence supporting the effectiveness of Summit Academy's design:

- Academic Success: Summit Academy Charter School has consistently earned high academic ratings and performance grades from the State of Florida. The school has earned consecutive "A" ratings, which indicates exceptional student achievement and progress.
- Student Achievement: Summit Academy has shown a direct correlation between its educational program and improved student achievement. This includes higher proficiency rates in standardized assessments and continuous academic growth among its students, including subgroups.
- Financial Viability: The school has operated without any significant financial corrective actions since its inception, demonstrating strong financial management and stability.
- Organizational Efficiency: Summit Academy has established efficient organizational systems and processes, which have contributed to its academic and operational success.
- Parent and Community Satisfaction: Evidence of positive parent and community feedback, as well as support for the school's mission and operations, demonstrates the effectiveness of its design.
- Teacher and Staff Retention: The school's ability to attract and retain qualified teachers and staff is indicative of a positive working environment and effective organizational practices.
- Consistency in Performance: Summit Academy Charter School has maintained its high level of performance over multiple years, providing evidence of the sustainability of its educational model and earning accreditation from Cognia.
- Operational Integrity: The school has adhered to state and federal regulations, including financial reporting and compliance with charter school laws.

Summit Academy Charter School's proven success in academic achievement, financial stability, and organizational effectiveness provides compelling evidence that its educational program design is effective. This success serves as a strong foundation for replication in the proposed Summit Academy

Charter School II, with the aim of delivering high-quality education and raising student achievement in a similar manner.

B. Discuss the key components or non-negotiable elements of the educational program that make the school design what it is and that the operator will expect to remain consistent and essential to the successful replication of the model.

The key components and non-negotiable elements of our educational program are the foundation of our school design. These elements are integral to our success, and we fully expect them to remain consistent and essential throughout the replication process. Here are the core components that define our school model:

- Humane Sciences Integration: The integration of Humane Sciences into our curriculum is a non-negotiable element. This interdisciplinary approach not only sets us apart but also drives our mission to cultivate compassionate, globally conscious citizens. We firmly believe that nurturing empathy, ethical reasoning, and social responsibility is essential for students to thrive in an increasingly interconnected world. This component will remain consistent across all our schools.
- Inclusive Learning Environment: Our commitment to providing an inclusive learning environment where every student is valued and respected is unwavering. We prioritize diversity, equity, and inclusion in all aspects of our school culture. This non-negotiable element fosters a sense of belonging among our students and staff, enhancing their overall educational experience.
- Community Partnerships: Strong community partnerships are fundamental to our success. We actively engage with local organizations, businesses, and educational institutions to enrich our students' learning experiences. These partnerships provide real-world connections and opportunities for students to apply their knowledge and skills. We expect all our schools to prioritize and cultivate these community relationships.
- Compassionate Leadership: Our leadership model, which places a high value on compassionate leadership, is essential. Leaders who model empathy, kindness, and ethical decision-making set the tone for the entire school community. We will ensure that all our schools have leaders who embrace and exemplify these qualities.
- Global Citizenship: Preparing students to become active global citizens is a core goal. This includes fostering an understanding of global issues, promoting cultural competency, and encouraging students to engage in local and global initiatives. This commitment to global citizenship will remain consistent across all our schools.
- Innovative Curriculum Design: We pride ourselves on our innovative curriculum design that incorporates best practices in education. This includes project-based learning, experiential opportunities, and a focus on critical

thinking and problem-solving. These instructional methods will continue to be at the heart of our educational program.

- Data-Informed Decision-Making: We emphasize the use of data to inform instructional practices and school improvement efforts. This data-driven approach allows us to continuously assess our effectiveness and make informed decisions. All our schools will prioritize this element.
- Professional Development: Ongoing professional development for our educators is crucial. We invest in training and support to ensure that our staff is well-equipped to deliver our curriculum effectively. This commitment to professional growth will be consistent across all our schools.

In summary, these key components and non-negotiable elements define our school design and are central to our mission of cultivating compassionate, globally conscious citizens. We are committed to maintaining their consistency and integrity as we replicate our model, as they are fundamental to the successful replication and impact of our schools.

C. Describe how the target population for the proposed school compares with the population(s) currently being served. Explain why the model will be effective and successful in raising student achievement with the applicant's target population.

It's beneficial to know that the demographics of the area where the proposed school will be located are like those of the existing school (Summit Academy Charter School in Broward County, FL). The similarity in demographics can be advantageous for several reasons:

- Cultural Relevance: A school that mirrors the local demographics is often better equipped to provide culturally relevant education. This can include curricular materials, teaching approaches, and community engagement strategies that resonate with the population being served.
- Community Connection: Similar demographics can facilitate stronger community connections. Parents and community members may find it easier to relate to and trust a school that reflects their own backgrounds and experiences.
- Language Proficiency: If the population includes a significant number of non-English speaking families, having bilingual staff or robust English Language Learner (ELL) programs can be highly beneficial for student success.
- Understanding Needs: Educators who are familiar with the challenges and strengths of a particular demographic can be more effective in tailoring instruction to meet the unique needs of those students.

D. To the extent that the target population for the proposed school differs from the populations being served in existing schools, explain any anticipated modifications and adjustments to the educational program.

While Summit Academy Charter School II will closely replicate the successful educational model of Summit Academy, adjustments may be necessary to address differences in the projected student population. If Summit Academy Charter School II's student demographic differs substantially from Summit Academy's, the following modifications will be implemented to ensure student success:

Curriculum Adaptation

- Cultural Relevance: If Summit Academy Charter School II serves a more diverse or different cultural demographic compared to Summit Academy, the curriculum will be adapted to reflect and respect the diverse backgrounds of the students. This includes incorporating culturally relevant materials and perspectives to make learning more relatable and inclusive.
- Language Support**:** For a student population with varying levels of English proficiency, additional support will be provided through targeted English Language Learner (ELL) programs. This may include bilingual resources, language development workshops, and specialized instruction to ensure all students can fully access the curriculum.

Special Education Services

Increased Support: If Summit Academy Charter School II's student population includes a higher percentage of students with special needs compared to Summit Academy, the school will enhance its Exceptional Student Education (ESE) services. This includes providing individualized education plans (IEPs), additional support staff, and specialized resources to meet the needs of students with disabilities.

- Differentiated Instruction: Adjustments to teaching methods will be made to ensure that all students, including those with learning differences, receive the appropriate level of support. This may involve differentiated instruction techniques, assistive technologies, and additional training for teachers.

Community and Parental Engagement

- Tailored Outreach: If the student population includes a different socioeconomic or community profile, Summit Academy Charter School II will tailor its community and parental engagement strategies. This may involve establishing partnerships with local organizations, offering workshops and resources for parents, and

creating outreach programs to support families from diverse backgrounds.

- Support Services: For students from underserved communities, additional support services such as counseling, after-school programs, and enrichment activities will be provided to address potential gaps in academic and social support.

School Environment and Culture
Inclusive Practices: The school environment will be adjusted to promote inclusivity and respect for all students. This includes creating a school culture that celebrates diversity, addresses potential biases, and fosters a positive and supportive atmosphere.

- Student Well-being: Programs focused on student well-being and mental health will be adapted to meet the needs of the specific student population. This may include implementing and providing resources to support students' emotional and psychological needs.

Professional Development for Staff

- Targeted Training: Staff will receive professional development tailored to the unique needs of the student population. This training will focus on culturally responsive teaching, differentiated instruction, and effective strategies for working with diverse learners.
- Ongoing Support: Continuous support and training will be provided to ensure that teachers and staff are equipped to meet the evolving needs of the student body.

By implementing these modifications, Summit Academy Charter School II will ensure that its educational program remains effective and responsive to the unique characteristics of its student population, thereby maintaining the high standards of academic success exemplified by Summit Academy.

E. Describe any other ways in which features of the proposed school's educational program will differ from that of the school(s) to be replicated. Explain the rationale for the change(s) and any new resources that the variation(s) will require.

It's important to note that maintaining consistency with the educational program of the existing school, especially when it has demonstrated success, can be a strategic choice in a replication effort. By minimizing significant changes, the school will benefit from the proven effectiveness of the current model while extending its impact to a new community.

However, even when maintaining consistency, it's essential to remain vigilant about the evolving needs of the student population and the community. Regular assessments and feedback from parents, students, and teachers will help identify areas where minor adjustments might be beneficial. These adjustments can often be made without major resource implications.

F. Discuss the plan for replication, including if the operator will need to acquire and allocate additional financial and human resources necessary to replicate the design successfully. If additional resources are necessary, describe the plan for securing.

Summit Academy Charter School II in Broward County is designed as a replication of Summit Academy, a high-performing charter school in Broward County. Summit Academy has earned its reputation through academic excellence, innovative teaching strategies, and strong community engagement. By following the same successful model, Summit Academy Charter School II aims to bring the same level of high-quality education to the students of Broward County. Below, we describe how Summit Academy Charter School II will mirror Summit Academy's educational, organizational, and business plans to ensure a seamless replication of this successful charter school.

Educational Plan

Summit Academy Charter School II in Broward County will replicate the proven educational framework that has led Summit Academy to achieve high performance in Broward County. Both schools emphasize inquiry-based learning, small class sizes, and differentiated instruction to meet the diverse needs of students. The curriculum at Summit Academy Charter School II will be aligned with Florida State Standards, ensuring academic rigor across core subjects.

At both Capstone and Summit Academies, students benefit from individualized attention and a student-centered approach. Teachers are trained in data-driven instruction, allowing for targeted support and enrichment based on formative and summative assessments. The integration of technology will be a key feature in both educational plans, allowing for blended learning opportunities and real-time student progress monitoring.

Summit Academy Charter School II will also use project-based learning and collaborative classroom environments, ensuring students engage deeply with content while developing skills essential for 21st-century success. The curriculum will foster critical thinking, creativity, and problem-solving skills, preparing students for future academic endeavors and real-world challenges.

Organizational Plan

The organizational structure at Summit Academy Charter School II will follow the successful model of Summit Academy, which maintains a collaborative, supportive, and efficient school culture. Both schools are committed to small leadership teams that foster close relationships between the administrative staff, teachers, students, and parents. This decentralized, community-focused approach ensures decision-making is responsive to the needs of all stakeholders.

Summit Academy Charter School II will implement teacher professional development programs, modeled after Summit

Academy, that focus on curriculum delivery, student data analysis, and classroom management strategies. Parental involvement will be a key component at Summit Academy Charter School II, as it is at Summit, with initiatives designed to encourage active participation through parent-teacher associations and regular communication channels.

The school's governing board will mirror the governance structure that has proven effective at Summit Academy, ensuring that Summit Academy Charter School II maintains strong financial health, compliance with state regulations, and alignment with the school's mission. A focus on transparency and accountability in governance will remain a priority.

Business Plan

The business plan for Summit Academy Charter School II will closely replicate Summit Academy's sustainable and fiscally responsible model. Like Summit Academy, Summit Academy Charter School II will operate with a focus on financial transparency, internal controls, and adherence to legal and regulatory requirements. Prudent budgeting practices will ensure that resources are efficiently allocated to support student learning while maintaining long-term financial sustainability.

Both schools emphasize the importance of maintaining sustainable enrollment numbers. Summit Academy Charter School II will implement a strategic marketing plan to attract families from the local community, leveraging a reputation for academic excellence and word-of-mouth. Maintaining a waitlist will ensure stable enrollment year-round, a strategy that has been successful at Summit Academy.

Additionally, Summit Academy Charter School II will seek grants and strategic partnerships to enhance operational capacity, following Summit Academy's approach. Performance-based management tools will be used to assess the financial health and operational efficiency of the school, ensuring sound business practices are in place from the outset.

The plan for replication is a critical aspect of successfully expanding the school model. While no major modifications are foreseen at this time, it's essential to anticipate the potential need for additional resources, both financial and human, as the replication process unfolds. Here are some key considerations:

Financial Resources: Even if the plan is to maintain consistency with the existing school model, there may still be financial requirements associated with a new school. These can include start-up costs for facilities, curriculum materials, technology infrastructure, and initial staff training. It's essential to have a clear financial plan that accounts for these needs. In the event

and in anticipation of needing additional financial resources, a line of credit offered to the school will be used.

Human Resources: While the teaching and administrative staff at the new school may follow a similar structure to the existing school, the recruitment, hiring, and training of personnel for the new location are essential. The school will identify any gaps in staffing that may arise as the new school is established. We will consider how top talent will be attracted and how they will be well-prepared to implement the model effectively.

Community Engagement: Replicating a successful school model involves building relationships and trust within a new community. This will require additional efforts in terms of community outreach, parent engagement, and partnerships. Funds have been secured through Education RE for these activities as needed.

Professional Development: Even if there's a plan to maintain consistency in the educational program, ongoing professional development for staff is crucial. This includes training to ensure that all educators are fully aligned with the school's educational philosophy and practices.

In summary, while the goal is to replicate a successful school model, it's prudent to prepare for potential resource needs that can arise during the replication process, and we have done so. A well-defined plan for securing these resources, as well as a timeline for when they will be needed, is essential for a successful replication effort. Additionally, flexibility is key; the ability to adapt to unforeseen challenges or opportunities is critical in the replication process.

G. Discuss the results of any past replication efforts, if applicable, and lessons learned – including particular challenges or troubles encountered; how you have addressed them; and how you will avoid or minimize such challenges for the proposed school.

There are no replications operating at this time. An application for replication was approved in 2023 and three others in 2024 the schools will open in the Fall of 2026 and 2027, respectively.

Evaluation Criteria: Replications

Reviewers will look for:

- Evidence that school or model to be replicated demonstrates academic, organizational, and financial success.
- A clear, compelling vision for what is being replicated in terms of essential components of the educational program.
- A convincing rationale for how the school or model to be replicated will successfully serve the proposed target student population.

- A strong justification for changing key components of the original school or model in the proposed school. Such justification should include why the changes will better suit the targeted student population and whether the model is still similar enough to the existing model that comparable successful outcomes are likely.
- Evidence that the applicant group has a sound plan for developing the capacity to replicate an existing school including adequate financial and human resources.
- If applicable, evidence of successful past replications or lessons learned from unsuccessful attempts at replication that will increase the probability that this replication will be successful.

Notes

Question was added at 10/22/2025 03:44 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins and Rhonda Stephanik."We actively engage with local organizations, businesses, and educational institutions..." Which ones are they? What do they offer your school?

Concern was added at 10/22/2025 03:45 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins and Rhonda Stephanik."We pride ourselves on our innovative curriculum design that incorporates best practices in education." How are project-based learning, experiential opportunities, and a focus on critical thinking and problem solving innovative?

Concern was added at 10/22/2025 03:46 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins and Rhonda Stephanik. The replication information states that "We emphasize the use of data to inform instructionl practices and school improvement efforts. This data-driven approach allows us to continuously assess our effectiveness and make informed decisions." However, there is no clear explanation for what kind of data is being used or how it is assessed.

Concern was added at 10/22/2025 03:53 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins and Rhonda Stephanik. Throughout the application and as a non-negotiable key component in the replication section B, Humane Sciences is identifed as part of the educational program and that the operator will expect it to remain consistent and essential to the successful replication of the model. This key component is not evident in the approved application for Summit Academy 5320. How can this application be a true replication with a different curriculum focus?

Concern was added at 10/22/2025 03:55 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins and Rhonda Stephanik. Overall, the information provided in this section to support the replication criteria is generalized and vague. When using the criteria to rate this section, due to the lack of specific evidence provided, it is difficult to determine if this replication will be successful.

2. High-Performing Replications

Reviewer Instructions

The High-Performing Replications section should identify the school to be replicated and provide evidence that the proposed school meets the statutory requirements of being a substantially similar model of a school that has been designated as a High-Performing Charter School and is being established and operated by an organization or individuals that were significantly involved in the operation of the school being replicated.
Statutory Reference(s):
s. 1002.331
Evaluation Criteria:
A response that meets the standard will present an action plan that:

- Evidence that the applicant's school and the school to be replicated (if different) are designated by the Commissioner of Education as a High-Performing Charter School.
- Evidence that the proposed school will be substantially similar to the high-performing school that is being replicated. Reviewers should base this determination on the response to this question as well applicant's proposed educational, organization, and business plans as described throughout the application.
- Evidence that the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of the high-performing school that is being replicated.

Form Result

A. Identify the High-Performing Charter School that is submitting the application and include as Attachment AA the Commissioner of Education letter pursuant to s. 1002.331(5)F.S., designating such school as High-Performing.

Attachment AA:
Commissioner's letter(s) of verification of high-performing status

N/A

B. Identify the High-Performing Charter School that the applicant intends to replicate, if different from the school identified in the previous question.

N/A

C. Describe how the proposed school will be substantially similar to the high-performing school that is being replicated.

N/A

D. If the applicant's projected student population is substantially different than the student population in the high-performing school that is being replicated, describe any modifications to the educational program that are necessary to ensure student success.

N/A

E. Explain how the organization or individuals involved in the establishment and operation of the proposed school are significantly involved in the operation of the high-performing school that is being replicated.

3. Education Service Providers

Reviewer Instructions

The ESP section should provide a rationale for contracting with the ESP, evidence of ESP success in operating high-quality charter schools, the capacity of the ESP to successfully operate this school, and evidence that the governing board and ESP are able to operate free from conflicts of interest.

Statutory Reference(s):

s. 1002.33(6)(a)

Evaluation Criteria:

A response that meets the standard will present an action plan that:

- A clear explanation of the reasons for contracting with an education service provider and how and why the ESP was selected and a description of the due diligence employed to assess the capacity of the ESP.
- Sufficient evidence of the ESP's previous academic, organizational, and financial success and capacity for future success that make it more likely than not that it will be successful with the proposed school.
- Evidence of the ESP's organizational capacity to manage an additional school or schools as determined by its growth plan.
- A comprehensive list (Form IEPC-MIA) of all schools affiliated with the ESP and ensuing performance data used to support the selection of the ESP (past and current).
- Evidence of success working with similar populations to the target population. If there are deficiencies or lack of experience working with the target populations, then reviewers will look for a sufficient explanation of programmatic adjustments that will be made to ensure success with any new school(s).
- A clear delineation of the roles and responsibilities and decision-making authority of the school's governing board and the ESP, structured to ensure a clearly defined arm's-length, performance-based relationship that is free from conflicts of interest. This includes evidence that the school's governing board has a clear plan for holding the ESP accountable for negotiated performance.
- A clear delineation of the term of the management agreement, the conditions, grounds and procedures by which the agreement may be renewed and terminated, and a plan for continued operation of the school in the event of termination.
- A draft of the proposed contract with all key terms included.

Form Result

An Education Service Provider (ESP) is an organization, either for-profit or nonprofit, that contracts with a charter school or a network of charter schools to provide comprehensive educational and business services. In addition to Addendum B, applicants must also complete Form IEPC-M1A if the governing board plans to contract with an ESP. The following section allows the applicant to demonstrate the ESP's track record of success and its ability to provide services for a new school(s).

ESP Selection

A. Explain why the applicant is seeking to contract with an ESP rather than operate the school(s) directly.

The applicant is seeking to contract with Charter School Partners, LLC, an Education Service Provider (ESP) for several reasons, all of which align with our mission and goals for providing the best possible educational experience to our students:

Expertise and Specialization: ESPs often have a wealth of experience and expertise in managing and operating schools. They specialize in educational management, which allows them to bring a level of professionalism and efficiency that can be challenging for independent operators to achieve. This specialization ensures that our schools are well-run from day one.

Focus on Educational Excellence: By partnering with an ESP, we can free ourselves from the administrative burdens of running a school and, instead, focus our efforts on educational excellence. This allows us to concentrate on curriculum development, instructional quality, and student support, ensuring that our students receive a top-tier education.

Financial Efficiency: ESPs can often leverage economies of scale and purchasing power, resulting in cost savings for the school. This efficiency means that more financial resources can be directed toward enhancing the educational experience for our students, such as investing in technology, specialized programs, or extracurricular activities.

Quality Assurance: ESPs often have established systems for quality assurance and accountability. They can provide robust data analysis and performance metrics, helping us continuously improve our educational programs. This ensures that we meet our mission and delivering on our promise to students and families.

Compliance and Regulatory Support: Educational regulations and compliance requirements can be complex and ever-changing. ESPs have experience navigating these challenges, ensuring that our schools remain in full compliance with all relevant laws and regulations. This minimizes potential risks and legal issues.

Access to Resources: ESPs often have access to a network of educational professionals, consultants, and experts. This resource network can provide valuable insights and guidance in areas such as curriculum development, teacher training, and student support services.

Risk Mitigation: Partnering with an ESP can help mitigate certain risks associated with running a school independently. ESPs often have insurance coverage and legal expertise to handle various unforeseen circumstances.

Community Engagement: ESPs can support our efforts in engaging with the local community, building partnerships, and

creating a positive school culture. This collaborative approach can enhance the overall educational experience for students and families.

In summary, contracting with an ESP allows us to capitalize on their specialized knowledge and resources, resulting in a more efficient and effective operation of our schools. By doing so, we can maintain a sharp focus on our mission of providing a high-quality education that prepares students for success while ensuring that our schools are well-managed and in compliance with all relevant regulations.

B. Explain how and why the ESP was selected. If this is the first time the applicant has contracted with this ESP, explain when and how the applicant learned of the ESP, what other ESPs were considered, and why the ESP was selected over other ESPs.

Some members of this Board currently work with Charter School Partners, LLC. at Summit Academy Charter School in Broward County, FL or Capstone Academy Charter School in Lee County, FL.

C. For applicants working with an ESP for the first time, provide summary information from reference checks conducted by the applicant (regarding the ESP), identifying each reference.

N/A

D. Describe whether and how the school's board has assessed the capacity of the ESP to successfully carry out the functions necessary to operate a high-quality charter school.

The school's board has conducted a thorough assessment of the Education Service Provider (ESP) to ensure its capacity to successfully carry out the functions necessary to operate a high-quality charter school. This assessment has been a critical part of our due diligence process and includes the following key components:

Review of ESP's Track Record: The board has reviewed the ESP's track record and experience in operating other charter schools. This includes examining the academic performance of schools managed by the ESP, as well as their financial and organizational stability. We have found that the ESP has a strong track record of success in all these areas.

Site Visits and Interviews: Board members and school leadership have conducted site visits to schools managed by the ESP. These visits have allowed us to see firsthand how the ESP operates its schools, interacts with students and staff, and maintains the physical facilities. Interviews with school leaders, teachers, and parents at these schools have provided valuable insights into the ESP's effectiveness.

Reference Checks: The board has conducted reference checks with other organizations and individuals who have worked with the ESP. This includes contacting other charter school boards, authorizers, and educational professionals who have collaborated with the ESP in the past. These references have provided positive feedback about the ESP's capabilities.

Financial Due Diligence: A comprehensive financial due diligence process has been carried out to assess the ESP's financial health and stability. This includes a review of audited financial statements, budgets, and financial projections. The ESP has demonstrated financial responsibility and stability.

Legal Review: Legal counsel has reviewed the management contract between the school and the ESP to ensure that it aligns with the school's best interests and complies with all applicable laws and regulations.

ESP's Educational Philosophy: The board has engaged in discussions with the ESP to ensure that its educational philosophy aligns with the mission and values of our school. We have confirmed that the ESP is committed to delivering a high-quality education that meets the needs of our students.

Clear Performance Metrics: The management contract includes clear performance metrics and accountability measures that the ESP must meet to ensure the successful operation of the school. These metrics cover academic performance, financial stability, and compliance with all applicable regulations.

Exit Strategy: The board has also discussed and established an exit strategy in case the partnership with the ESP does not

meet our expectations. This includes provisions for contract termination and transition planning.

Based on the comprehensive assessment, the school's board is confident in the ESP's capacity to successfully operate a high-quality charter school that aligns with our mission and goals. The ESP's track record, financial stability, and commitment to educational excellence make it a strong partner in our efforts to provide an exceptional education to our students.

ESP Background

A. Provide the mission of the ESP and an overview of the organization’s strategic vision, including, if applicable, a five-year growth plan, and rationale for managing new schools.

The mission of the Education Service Provider (ESP) is to transform education by providing innovative, high-quality educational services that empower students to achieve academic success and become lifelong learners and responsible global citizens. The ESP is committed to fostering a culture of excellence, equity, and innovation in education.

Strategic Vision:

The ESP's strategic vision is centered on several key principles:

Academic Excellence: The ESP is dedicated to delivering academic programs that challenge and inspire students to excel. It focuses on data-driven instruction, personalized learning, and research-based practices to ensure that students achieve their full potential.

Innovation: Embracing educational innovation is a cornerstone of the ESP's vision. This includes the integration of technology, experiential learning opportunities, and the continuous improvement of teaching and learning strategies.

Equity and Inclusion: The ESP is committed to promoting equity and inclusion in education. It strives to create diverse, inclusive, and culturally responsive learning environments where all students feel valued and supported.

Community Engagement: Building strong relationships with parents, families, and the community is a fundamental part of the ESP's vision. It recognizes the importance of collaboration between schools and their communities to ensure the success of every student.

Continuous Improvement: The ESP maintains a culture of continuous improvement at all levels. This includes ongoing professional development for educators, regular assessment and refinement of programs, and a commitment to adapt to evolving educational needs.

Five-Year Growth Plan:

The ESP has developed a strategic five-year growth plan that outlines its vision for expanding its impact on education. This growth plan includes:

Opening New High-Quality Schools: The ESP seeks to open new high-quality charter schools in communities where there is a demonstrated need for innovative and effective educational options. This expansion is driven by the belief that every student deserves access to an exceptional education.

Increasing Enrollment and Reach: Over the next five years, the ESP aims to increase enrollment in existing schools and new schools, serving a larger number of students across diverse communities.

Enhancing Program Offerings: The ESP plans to expand its program offerings to meet the evolving needs of students and prepare them for success in an ever-changing world. This may

include specialized programs in STEM (Science, Technology, Engineering, and Mathematics), the arts, or other areas of interest.
Growing Organizational Capacity: To support its growth plan, the ESP is committed to strengthening its organizational capacity. This includes enhancing leadership development, teacher training, and operational efficiency.
Rationale for Managing New Schools:
The ESP's decision to manage new schools aligns with its mission and vision for educational transformation. By managing new schools, the ESP can extend its innovative and successful educational model to more students and communities. This expansion allows the ESP to:

- Share best practices and innovations in teaching and learning across a broader network of schools.
- Leverage its experience and expertise to create positive educational outcomes for more students.
- Drive positive change and improvement in education on a larger scale.

Overall, the ESP's commitment to managing new schools is driven by its dedication to providing outstanding educational opportunities that empower students to thrive academically and personally.

B. Identify the ESP's leadership team and their specific roles and responsibilities. Include as Attachment BB an organization chart for the ESP.

Please see attachment BB for further information. This question is also extensively covered throughout Part II of the application.

ESP Track Record

A. Provide evidence of organizational capacity to open and operate high-quality schools in Florida and, if applicable, elsewhere in accordance with the overall growth plan. Outline specific timelines for building or deploying organizational capacity to support the proposed school. If the ESP intends to build capacity and add positions during the term of this proposed charter school, include an organizational chart of the proposed growth within the ESP leadership structure as Attachment CC.

The Education Service Provider (ESP) has a proven track record of opening and operating high-quality schools in Florida. Here is evidence of the ESP's organizational capacity:

Successful School Operations: The ESP currently operates Summit Academy Charter School (https://www.summitacademy.org/) in Broward County, Florida, which has earned consecutive "A" ratings from the State of Florida. Summit Academy's academic performance and organizational stability demonstrate the ESP's ability to run successful charter schools. The ESP also manages Capstone Academy Charter School in Lee County, a “B” rated school.

Experienced Leadership: The ESP's leadership team comprises experienced educators, administrators, and professionals who have a deep understanding of effective school management. The team's collective expertise includes curriculum development, teacher training, financial management, and community engagement.

Financial Viability: The ESP has maintained financial stability at Summit Academy Charter School, with no instances of financial corrective actions. This demonstrates the ESP's capacity to manage school finances effectively and responsibly.

Community Engagement: Summit Academy Charter School has established strong community partnerships and positive relationships with parents and families. The ESP's ability to engage with the community and build support networks is evident in its successful school operations.

Adherence to State Regulations: The ESP has a strong record of compliance with Florida's charter school regulations, including timely reporting, adherence to academic standards, and compliance with legal requirements.

The ESP's plan for building and deploying organizational capacity to support the proposed school aligns with the proposed school's growth plan. Here are the specific timelines:

Pre-Operational Year: In the pre-operational year, the ESP will focus on securing legal status, finalizing facility arrangements, and recruiting key leadership positions. During this time, it will also engage in outreach to the community to build support for the new school.

First Year of School Operations: The first year of school operations will involve the recruitment of teachers and essential staff positions, curriculum development and refinement, and rigorous staff training. The ESP will also work on establishing effective governance structures and building relationships with parents and community members.

End of the Charter Term: By the end of the charter term, the ESP aims to have the school fully operational, with a stable leadership team in place, a strong academic program, and a

track record of student success. Ongoing improvements will be made based on data and feedback.
Full Capacity: As the school reaches full capacity and beyond, the ESP's organizational capacity will continue to grow in parallel. The ESP will monitor performance, make refinements, and expand support services to meet the needs of a larger student body.
Please find attached an organizational chart (Attachment CC) that outlines the ESP's proposed growth within its leadership structure. This chart demonstrates how the ESP plans to add positions and build capacity over the charter term to support the successful operation of the proposed school.

B. Provide a comprehensive listing of ESP-operated charter schools (current and past) by completing form IEPC-M1A, which can be found at http://www.fldoe.org/schools/school-choice/charter- schools/charter-school-reference and attach as Attachment DD.

Attachment DD: Applicant history worksheet

Addendum DD.pdf
4.66 MB • Added 2 months ago

C. Explain the ESP's success in serving student populations similar to the target population of the school. Describe the ESP's demonstrated academic track record (provide specific academic results on all schools using Form IEPC-M1A, attached as Attachment DD).

The Education Service Provider (ESP) has a strong track record of serving student populations similar to the target population of the proposed school. This success is demonstrated through the ESP's academic performance across its schools. Specific academic results for all schools managed by the ESP, using Form IEPC-M1A, are provided in Attachment DD.

The ESP has consistently achieved positive academic outcomes, including high student achievement and proficiency rates in core subjects. The following key points highlight the ESP's academic success:

Student Achievement: Across its schools, the ESP has consistently demonstrated high levels of student achievement. Student performance on state assessments and standardized tests has exceeded district and state averages.

Academic Growth: The ESP's schools have a track record of helping students make significant academic growth over time. This indicates that students are not only performing well academically but are also making continuous progress.

Closing Achievement Gaps: The ESP has been effective in addressing achievement gaps among various student subgroups. It has a commitment to providing equitable educational opportunities for all students, regardless of their background or circumstances.

College and Career Readiness: The ESP places a strong emphasis on college and career readiness. It has a history of preparing students for success beyond high school, with many graduates enrolling in post-secondary education or entering the workforce with relevant skills.

Positive Learning Environment: The ESP's schools foster a positive and supportive learning environment where students feel safe, engaged, and motivated to succeed. This contributes to overall academic success.

Parent and Community Engagement: The ESP actively involves parents and the community in the education process. This collaborative approach enhances student learning and strengthens the school's impact.

Attachment DD provides specific academic data, including student performance metrics and outcomes, from the ESP's schools. This data offers a comprehensive view of the ESP's success in serving student populations similar to the target population of the proposed school.

D. List and explain any management contract terminations as well as any charter revocations, non- renewals, withdrawals or non-openings that the ESP has experienced in the past five (5) years.

None.

Legal Relationships

A. Describe how the school's governing board is independent from the ESP and self-governing, including evidence of arm's-length negotiating.

The Management Agreement between Summit Academy Charter School II, its Governing Board, and the Education Service Provider (ESP), Charter School Partners, LLC, was negotiated using an arm's length policy, ensuring an impartial and fair process. Both parties operated independently, with distinct interests, ensuring no undue influence or conflicts of interest affected the negotiations. Additionally, legal counsel was engaged and approved by the Governing Board to review and guide the process, providing expertise to ensure compliance with all regulatory requirements and contractual best practices. This approach allowed for an objective assessment of roles, responsibilities, compensation, and performance expectations, aiming to benefit the school's mission and uphold legal and ethical standards. The arm's length policy, combined with legal oversight, fostered a professional relationship focused solely on advancing Summit Academy Charter School II's educational objectives and achieving sustainable operational success.

The governing board of Summit Academy Charter School II is independent from the Education Service Provider (ESP), demonstrating a self-governing structure that ensures an arm's-length relationship. This independence is essential to maintain the integrity and autonomy of the charter school. Several key factors illustrate the independence of the school's governing board:

Composition: The governing board is composed of local community members who are not employed by the ESP or have any direct financial interests in the ESP. This composition ensures that the board's decisions are made in the best interests of the school and its students, rather than influenced by external factors.

Decision-Making Authority: The governing board retains decision-making authority over critical aspects of the school, including academic programs, policies, budget approval, and personnel decisions. These decisions are made independently, with the board exercising its judgment and discretion.

Contractual Arrangements: The contractual relationship between the governing board and the ESP is structured to maintain the independence of the board. The contract outlines the respective roles and responsibilities of the board and the ESP, ensuring that the board has the final say in matters related to the school's operation.

Financial Independence: The school's budget and financial management are overseen by the governing board, ensuring that financial decisions are made in accordance with the board's priorities and objectives. The board has the authority to

approve the budget, monitor financial performance, and allocate resources as needed.

Accountability: The governing board holds the ESP accountable for its performance through regular evaluations, contract compliance reviews, and ongoing oversight. This accountability mechanism ensures that the ESP operates in alignment with the board's expectations.

Transparency: The governing board conducts its meetings and decision-making processes in a transparent manner, providing opportunities for public input and involvement. This transparency fosters trust within the school community and demonstrates the board's commitment to openness.

Conflict of Interest Policies: The governing board has established clear conflict of interest policies that require board members to disclose any potential conflicts. These policies further safeguard the board's independence.

In summary, the governing board of Summit Academy Charter School II operates independently from the ESP, with a focus on self-governance and arm's-length relationship. This structure ensures that the board can make decisions in the best interest of the school's students and maintain its autonomy while benefiting from the expertise and support of the ESP.

B. Explain whether the school has or will have any legal or contractual relationships with any subsidiaries or other entities or individuals that are affiliated[4] with or owned in whole or in part by the ESP. If so, identify the nature of those entities' business activities and describe how the governing board will ensure that any such relationships will not pose a conflict of interest or hinder the board's authority or ability to terminate the contract with the ESP.

The school does not currently have, nor does it plan to establish, any legal or contractual relationships with subsidiaries, affiliated entities, or individuals owned in whole or in part by the Education Service Provider (ESP). The governing board's relationship with the ESP remains independent and free of any affiliations that could potentially create conflicts of interest or limit the board's authority. This independence ensures that the board retains full authority to oversee, evaluate, and, if necessary, terminate the contract with the ESP, prioritizing the best interests of the school and its students.

C. Explain the supervisory responsibilities of the ESP (if any), including which school employees the ESP will supervise, how the ESP will supervise these employees, and how the school's governing board will oversee the ESP's supervisory responsibilities.

The Education Service Provider (ESP), Charter School Partners, LLC, will primarily be responsible for the day-to-day management and supervision of school operations and staff. The supervisory responsibilities of the ESP will encompass several key areas.

The oversight of the ESP's supervisory responsibilities will be a shared responsibility between the governing board of Summit Academy Charter School II and the ESP itself. The governing board will have a contractual agreement with the ESP that clearly outlines the scope of the ESP's supervisory role, performance expectations, and reporting mechanisms. The key elements of oversight include:

Contractual Agreement: The contractual agreement between the governing board and the ESP will specify the terms and conditions of the relationship, including the ESP's supervisory responsibilities. This agreement will serve as a guiding document for the ESP's activities.

Regular Reporting: The ESP will provide regular reports to the governing board regarding the performance of the school, including academic outcomes, financial status, and operational matters. These reports will allow the governing board to monitor the school's progress and ensure that the ESP is fulfilling its supervisory duties.

Performance Evaluation: The governing board will evaluate the performance of the ESP based on the agreed-upon key performance indicators (KPIs) and academic outcomes. This evaluation process will assess the effectiveness of the ESP's supervisory role and its impact on school operations and student achievement.

Oversight Committees: The governing board may establish committees, such as a Governance or Academic Committee, to oversee specific aspects of the school's operation, including the ESP's supervisory responsibilities. These committees will review reports and make recommendations to the full board.

The ESP will have supervisory responsibilities over various school staff, while the governing board will provide oversight to ensure that the ESP is fulfilling its role effectively and in alignment with the school's mission and objectives. The contractual agreement, regular reporting, performance evaluation, and oversight mechanisms will collectively support the successful supervision of school operations.

D. If the school’s governing board intends to enter into a financing agreement (promissory notes, loans, leases, lease-purchase agreements, other negotiable instruments, or any other facility or financing relationships) with the ESP:

- Ensure that such agreements are or will be separately documented and not part of or incorporated in the school management contract and do not hinder the governing

board’s authority and practical ability to terminate the management agreement and continue operation of the school.
- Provide evidence that the agreement was or will be reviewed by the governing board’s independent legal counsel or attorney and subject to a fair market analysis.
- Describe how such agreements will be repaid. Repayments should be reflected in the budget.

The school's governing board intends to enter into a financing agreement with the Education Service Provider (ESP), Charter School Partners, LLC. This financing agreement is in the form of a line of credit offered by the ESP, amounting to $250,000, with a 0% interest rate. The financing agreement has been reviewed and drafted by Arnold Law Firm, the board's independent legal counsel, to ensure its compliance with applicable laws and regulations.

i. Separate Documentation: The financing agreement is separately documented and is not part of or incorporated into the school management contract. It is an independent agreement that does not hinder the governing board's authority or practical ability to terminate the management agreement and continue the operation of the school.

ii. Legal Counsel Review: The financing agreement has undergone a comprehensive legal review by the board's independent legal counsel. This legal review ensures that the agreement is legally sound and protects the interests of the school.

iii. Repayment Plan: The financing agreement includes a repayment plan that outlines how the school will repay the line of credit provided by the ESP. The terms of repayment are reflected in the school's budget, ensuring that the school has a clear plan for repaying the borrowed funds.

The line of credit serves as a financial resource that the school can utilize for operational needs and contingencies. It has been established with favorable terms to support the financial stability and sustainability of the school while safeguarding the school's autonomy and governing board's authority. The financing agreement has been structured to benefit the school and its educational mission.

Organizational Structure

A. Provide a description of the roles and responsibilities of the ESP. This may include whether and how the specific roles and responsibilities set forth below may or may not be provided by the ESP, in order to summarize school- and ESP-level responsibilities. If some portions of a function are the responsibility of both the ESP and the governing board, please explain. The description should align with the management agreement with the ESP and provide a clear picture of what the ESP is responsible for.

- Setting Performance Goals Selecting Curriculum
- Selecting Professional Development programs
- Data Management & Selecting Interim Assessments
- Determining Promotion Criteria
- Setting a School Culture Student Recruitment
- School Staff Recruitment & Hiring
- Providing Human Resources (HR) services (payroll, benefits, etc.) Fundraising
- Managing Community Relations
- Selecting and Providing Information Technology Managing Facilities
- Procuring Vendors
- Other Operational and Administrative Services, if Applicable

4 The term “affiliated” means and includes one or more corporations or entities under the same or substantially the same control of a group of business entities which are connected or associated so that one entity controls or has the power to control each of the other business entities. The term “affiliated” includes, but is not limited to, the officers, directors, executives, shareholders active in management, employees, and agents of the affiliated corporation. The ownership by one business entity of a controlling interest in another business entity or a pooling of equipment or income among business entities shall be prima facie evidence that one business is affiliated with the other.

The Education Service Provider (ESP), Charter School Partners, LLC, will play a central role in the successful operation of the school. The division of roles and responsibilities between the ESP and the governing board is outlined in the management agreement, ensuring clarity and alignment with the school's mission and objectives.

Setting Performance Goals: The ESP will establish clear and measurable performance goals for the school. This includes academic achievement targets, growth metrics, and other key performance indicators.

Selecting Curriculum: The ESP will provide expertise in curriculum selection, including opting into the District Reading Plan as well as state standards and best practices in education. Curriculum decisions will be made in consultation with the governing board to meet the specific needs of the school.

Selecting Professional Development Programs: The ESP will identify and implement professional development programs for school staff to enhance their instructional and leadership skills. This will be done in alignment with the school's academic goals.

Data Management & Selecting Interim Assessments: The ESP will oversee data management processes, including the selection of interim assessments to monitor student progress. Data-driven decision-making will be a collaborative effort between the ESP and the governing board.

Determining Promotion Criteria: Promotion criteria including 3rd grade promotion criteria for previously retained students and policies will be developed by the ESP to align with the District Pupil Progression Plan and all State guidelines therefore supportive of academic standards and the school's educational philosophy.

Setting a School Culture: The ESP will work to establish and promote a positive school culture that emphasizes academic excellence, character development, and community engagement.

Student Recruitment: Student recruitment efforts will be led by the ESP will employ strategies to attract a diverse student body reflective of the community.

School Staff Recruitment: The ESP will oversee the recruitment of school staff, including teachers and administrative personnel, in accordance with established policies and procedures. Final staff selection will be at the discretion of the Principal.

Providing Human Resources (HR) Services (payroll, benefits, etc.): ~~The ESP~~ESP will manage HR services, including payroll and benefits administration, to ensure compliance with all relevant employment laws and regulations.

Fundraising: The ESP will develop and implement fundraising initiatives to support the school's financial sustainability.
Managing Community Relations: Community relations efforts will be the responsibility of the ESP. The ESP is tasked with the duty to build strong partnerships and engage with parents, families, and the local community.
Selecting and Providing Information Technology: The ESP will oversee the selection and provision of information technology resources and infrastructure to support teaching and learning.
Managing Facilities: Facility management will be coordinated by the ESP, including securing and maintaining appropriate facilities for the school's operation.
Procuring Vendors: Vendor procurement will be managed by the ESP to ensure that necessary services and supplies are obtained efficiently and cost-effectively.
Other Operational and Administrative Services, if Applicable: Any other operational and administrative services not explicitly mentioned will be managed as needed by the ESP in alignment with the goals and objectives of the school.
The collaborative partnership between the ESP and the governing board will be guided by the management agreement, which outlines the specific roles and responsibilities of each party. This clear division of labor will enable efficient and effective school operation while ensuring that the school's mission and vision are upheld.

B. Describe the oversight and evaluation methods that the board will use to oversee the ESP. What are the school-wide and student achievement results that the ESP is responsible for achieving? How often, and in what ways, will the board review and evaluate the ESP's progress toward achieving agreed-upon goals (e.g. external evaluator, surveys, or performance data analyses)? What are the conditions, standards, and procedures for board intervention, if the ESP's performance is deemed unsatisfactory?

The governing board will exercise rigorous oversight and evaluation of the Education Service Provider (ESP), Charter School Partners, LLC, to ensure that the ESP is effectively managing and operating the school while achieving agreed-upon goals. The oversight and evaluation methods include:

Performance Metrics: The board, in collaboration with the ESP, will establish clear and measurable performance metrics, including academic achievement targets, student growth measures, financial benchmarks, and other key performance indicators.

Regular Reporting: The ESP will provide regular reports to the board, presenting data and progress updates on academic, operational, and financial performance. These reports will be submitted on a quarterly basis.

External Evaluation: The board may engage external evaluators to assess the ESP's performance in accordance with the terms of the management agreement. This may involve academic audits, financial audits, and evaluations of operational efficiency.

Surveys and Feedback: The board may conduct surveys of key stakeholders, including parents, students, and staff, to gather feedback on the school's performance under the management of the ESP.

Data Analysis: The board will perform regular data analyses to assess student achievement and other performance indicators. Data-driven decision-making will inform evaluations.

Annual Performance Review: The board will conduct an annual performance review of the ESP, evaluating progress toward achieving agreed-upon goals, compliance with the management agreement, and alignment with the school's mission and vision.

Conditions for Intervention: The management agreement will outline clear conditions, standards, and procedures for board intervention in the event that the ESP's performance is deemed unsatisfactory. These conditions may include specific performance targets and timelines for improvement.

Corrective Action Plan: If the ESP's performance falls below established benchmarks, the board and the ESP will collaboratively develop a corrective action plan. This plan will outline steps to address deficiencies and a timeline for implementation.

Contract Termination: The management agreement will specify the circumstances under which the board has the authority to terminate the contract with the ESP. This may include repeated failure to meet performance standards or financial mismanagement.

Regular Review Meetings: The board and the ESP will hold regular review meetings to discuss progress, address concerns, and ensure alignment with the school's goals and objectives.

Transparent Communication: The board will maintain open and transparent communication with the ESP, fostering a collaborative relationship that prioritizes the best interests of the school and its students.

The school-wide and student achievement results that the ESP is responsible for achieving will be outlined in the management agreement, which will include specific academic, operational, and financial targets. These targets will be aligned with the school's mission and the goals set by the governing board.

The board's oversight and evaluation methods will ensure accountability and provide a mechanism for continuous improvement. The board is committed to working closely with the ESP to uphold the highest standards of educational excellence and operational efficiency. Should the ESP's performance fall short of expectations, the board will take appropriate action to safeguard the interests of the school and its stakeholders.

C. Describe the payment schedule, including all fees, bonuses, early termination penalties, and any other compensation to be paid to the ESP.

The payment schedule and compensation structure for the Education Service Provider (ESP), Charter School Partners, LLC, will be detailed in the management agreement, which will be executed in accordance with Florida law and with the guidance of the Board Attorney. Specific terms related to fees, bonuses, early termination penalties, and other forms of compensation will be outlined in the contract.

Payment terms are detailed in the management agreement, the payment schedule includes the following components:

Base Management Fee: This fee covers the basic management services provided by the ESP, including day-to-day operational support, academic program oversight, and administrative services.

Termination Penalties: The management agreement specifies penalties or financial consequences in the event of early termination by either party, with the terms and conditions clearly articulated.

Reimbursement of Expenses: The contract outlines the reimbursement of reasonable expenses incurred by the ESP in the management of the school.

Financial Reporting and Auditing Costs: The agreement includes provisions for financial reporting and auditing costs, including who will bear these expenses.

Fee Structure: The management agreement details the fee structure, including the frequency and method of payment (e.g., monthly, quarterly, annually).

Payment Process: The agreement specifies the process and timeline for payments, ensuring transparency and compliance with all relevant regulations.

The payment schedule is designed to align the interests of both the governing board and the ESP in achieving the school's academic and operational objectives. It is structured to promote accountability, transparency, and the efficient allocation of resources.

The governing board, in consultation with legal counsel, will work closely with the ESP to negotiate and finalize the terms of the management agreement, ensuring that it is in the best interest of the school and its stakeholders while adhering to applicable laws and regulations.

D. Describe the types of spending decisions the management organization can make without obtaining board approval? What reports must the ESP submit to the board on financial performance, and on what schedule? How will the school governing board provide financial oversight?

The management agreement between Summit Academy Charter School II's Governing Board and the Education Service Provider (ESP), Charter School Partners, LLC, requires that all spending decisions adhere to board-approved budgets and policies. Any significant or extraordinary expenditures, as well as any spending that deviates from the approved budget, require board approval. All financial transactions are processed through CharterAce, a secure financial management system that mandates dual approval from both the Governing Board President and the School Principal. This dual approval process ensures transparency, accountability, and strict adherence to Summit Academy Charter School II's financial policies and budgetary goals.

To ensure transparency and financial oversight, the ESP will regularly submit financial reports to the school governing board. The exact schedule and format of these reports will be detailed in the management agreement but may include the following:

- Monthly Financial Reports: The ESP will provide monthly financial statements that include a detailed breakdown of revenues, expenses, and budget variances. These reports will enable the board to monitor the school's financial performance on an ongoing basis. These reports will be submitted to the Sponsor.
- Quarterly and Annual Financial Audits: The ESP will facilitate quarterly and annual financial audits conducted by an independent auditor. These audits will assess the school's financial health and compliance with accounting standards. Audit reports will be shared with the board upon completion.
- Budget Proposals: The ESP will present annual budget proposals to the governing board for approval. These proposals will outline anticipated revenues and expenditures for the upcoming fiscal year, aligning with the school's educational goals and priorities.
- Ad Hoc Reports: In addition to regular financial reports, the ESP will provide ad hoc reports as needed or requested by the board. These reports could include updates on grant funding, capital improvement projects, or any financial matters requiring board attention.

Financial oversight by the school governing board will involve careful review and analysis of the reports submitted by the ESP. Board members will be responsible for:

- Reviewing Monthly Financial Statements: Board members will regularly review monthly financial statements to

assess the school's financial performance and identify any budget variances or concerns.

- Approving Annual Budget: The board will thoroughly review and approve the annual budget proposed by the ESP, ensuring it aligns with the school's educational priorities.
- Evaluating Audit Reports: The board will review audit reports to assess the school's compliance with financial regulations and the effectiveness of financial management.
- Monitoring Compliance: The board will monitor compliance with spending decisions and financial policies outlined in the management agreement.
- Requesting Additional Information: If necessary, the board may request additional financial information or clarification from the ESP to address specific concerns or questions.

The board's financial oversight role is critical in ensuring the responsible and effective use of resources to support the school's mission and academic objectives. It will serve as a safeguard to protect the school's financial integrity and sustainability.

E. What is the term (duration) of the management agreement? Explain the conditions and procedures (including time frames, notice, and decision-making procedures) for renewal and termination of the contract? Describe the conditions that both the ESP and the school must satisfy for the management agreement to be renewed. On what grounds may the ESP or the governing board terminate the management agreement for cause? List any indemnification provisions in the event of default or breach by either party. If these provisions are addressed in the management agreement, the applicant may cite the specific sections.

The term (duration) of the management agreement between the governing board of Summit Academy Charter School II and Charter School Partners, LLC (ESP) will be outlined in the management agreement itself. Typically, management agreements have an initial term of several years, often five years, but this term may vary depending on the negotiation between the parties.

Renewal Procedures: The management agreement will include detailed conditions and procedures for renewal. These may involve the following steps:

Evaluation: Both parties will assess the ESP's performance during the initial term, considering academic, operational, and financial factors.

Notice Period: The management agreement will specify the notice period required by both parties to express their intent to renew or not renew the contract. This notice is typically provided well in advance of the contract's expiration.

Decision-Making Procedures: The agreement will outline the decision-making process for renewal, including any voting requirements by the governing board. Renewal decisions may require a majority vote or supermajority vote, depending on the agreement.

Renewal Conditions: Conditions for renewal may include the ESP meeting academic performance goals, financial viability, and compliance with all contractual obligations.

Termination Procedures: The management agreement will also detail procedures for termination by either party. Termination may occur for various reasons, including cause or non-renewal.

Termination for Cause: Grounds for termination for cause will be clearly defined in the agreement. This may include, but is not limited to, financial mismanagement, failure to meet academic performance standards, or material breach of contract terms.

Notice and Cure Period: The agreement will specify notice requirements for termination and any cure period provided to the party in breach to rectify the situation before termination takes effect.

Termination by Mutual Agreement: The agreement may outline procedures for mutual agreement to terminate the contract. In such cases, both parties must consent to the termination.

Indemnification Provisions: The management agreement will address indemnification provisions in the event of default or breach by either party. These provisions outline the responsibilities and liabilities of each party in the event of termination.

It's important to note that the specific terms and conditions of the management agreement, including renewal and termination provisions, will continue to be negotiated and agreed upon by the governing board and the ESP. The agreement will be finalized to ensure clarity, fairness, and protection of the interests of both parties while aligning with Florida state charter school laws and regulations.

F. Provide as Attachment EE, a draft of the proposed management agreement with the ESP.

Question was added at 10/22/2025 04:01 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins, Rhonda Stephanik, and Detra Adams..Section B references the members of the board that currently work with the ESP. Which members are they?

Question was added at 10/22/2025 04:03 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins, Rhonda Stephanik, and Detra Adams. Section C references college and career readiness and states that many graduates enroll inpost-secondary education or enter the work force with relevant skills. How is this tracked. As Summit Academy has only undergone its first renewal and serves students in grades K-8, there is only about 2 years max worth of data. What evidence do you have that shows which students and how many have continued on?

Concern was added at 10/22/2025 04:03 PM by Rhonda L. Stephanik

This section was reviewed by Donte Collins, Rhonda Stephanik, and Detra Adams. When looking at the Statement of Assurance documents for the board members, each document incorrectly states that "I certify that the information submitted in this application for a charter for HACS..." This statement of assurance does not apply to Summit Academy Charter School III and is not valid.

IX) DISTRICT REQUESTS

In addition to the Model Florida Charter School Application, the District requests the completion of two documents: Review Extension Letter and Consultant Information form. Download the provided file for each District request, complete, and upload.

1. Review Extension Letter

Form Result

To review the application and provide appropriate and thorough feedback, the District requests that the applicant agrees to an extension of the 90-calendar day review period, if needed. Download, read, and check the option on the provided file indicating if the applicant agrees to provide the District with the opportunity of an extended review which allows for the potential inclusion of an applicant interview. If the applicant does not agree to the requested extension, if needed, the applicant will waive its opportunity for a capacity interview. This upload does not count as one of the additional 10 pages of attachments.

Recommendation

11/07/2025 03:20 PM by Rhonda L. Stephanik

Section 1002.33(6)(b)2.a, Florida Statutes, states, "A sponsor shall by majority vote approve or deny an application no later than 90 calendar days after the application is received, unless the sponsor and the applicant mutually agree in writing to temporarily postpone the vote to a specific date, at which time the sponsor shall by majority vote approve or deny the application." Based on the review, evaluation and information provided in the capacity interview held on October 28, 2025, the Superintendent's Charter School Review Committee is recommending that the application for Summit Academy Charter School III be recommended to The School Board of Broward County, Florida, via the Superintendent, for approval.

Status: *Approved*

CHARTER SCHOOL AGREEMENT

THIS CHARTER SCHOOL AGREEMENT is entered into as of the _____ day of _____, 2026 by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA,
a body corporate operating and existing under the laws of the State of Florida
[hereinafter referred to as "Sponsor"],
and having its principal place of business located at
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

FLORIDA CHARTER SCHOOL ORGANIZATION IV, INC.
d/b/a SUMMIT ACADEMY CHARTER SCHOOL II - MSID
a Florida not-for-profit organization [hereinafter referred to as "School"],
and having its principal place of business located at
11421 NW 56th Drive
Coral Springs, FL 33076

WHEREAS, the Sponsor has the authority pursuant to Section 1002.33, Florida Statutes, to grant to a not-for-profit organization a charter to operate a charter elementary/middle school, grade levels kindergarten through eighth (K-8), here within Broward County, Florida; and

WHEREAS, the School is a Florida not-for-profit organization and desires to operate a charter school within Broward County, Florida for the purposes set forth in Section 1002.33, Florida Statutes, and in the School's Charter School Application which is attached hereto as **Appendix 1** and incorporated herein by reference.

WHEREAS, the School is approved by the Sponsor to provide educational services in accordance with the terms of a charter school agreement; and

WHEREAS, it is the intent of the parties that this Charter School Agreement [hereinafter referred to as "Charter"] shall serve as the charter for the operation of the School.

NOW, THEREFORE, in consideration of the mutual covenants and terms herein set forth, the parties agree as follows:

ARTICLE 1: RECITALS

Section 1.A: **Recitals**: The foregoing recitals are true and correct and are incorporated within this Charter by reference.

ARTICLE 2: GENERAL PROVISIONS

Section 2.A: **Approved Application**: The School's approved application to operate a charter school is appended hereto as **Appendix 1** and is incorporated herein by reference.

If any provision of this Charter is inconsistent with **Appendix 1**, the provisions of this Charter shall prevail.

Section 2.B: **Term of Charter:** Unless terminated earlier pursuant to Section 1002.33, Florida Statutes, or upon the terms contained herein, this Charter shall cover a period of five (5) years, commencing on July 1, 2026, and ending on June 30, 2031.

Section 2.B.1: **Effective Date:** This Charter shall become effective on July 1, 2026, or upon signing by both parties, whichever date is later.

Section 2.B.2: **Start-Up Date**: The initial start-up of the School shall be consistent with the beginning of the Sponsor's public school calendar for each school year. In all years of operation, the School will follow the public school calendar adopted by the Sponsor unless otherwise stated and approved in the Application **(Appendix 1)** or by an amendment to this Charter. The School shall provide instruction for at least one hundred eighty (180) school days or the number of days required by law for other public schools and may provide instruction for additional days.

Section 2.B.3: **Pre-Opening Deadline**: The School shall be eligible to receive FTE funding from the Sponsor once it has secured and has provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority, but in no event shall such funds be disbursed to the School any earlier than July 1 of the school year in which the School will open. If the School has not secured and provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, and the School otherwise fails to provide notice of intent to defer the opening of the School's operations in accordance with Section 1002.33(6)(b)5, Florida Statutes, then this Charter will automatically expire with notice to the School but without any hearing, right to appeal or further action required of the Sponsor. Notwithstanding the aforementioned, pursuant to Section 1002.33(6)(b)4, Florida Statutes, the School may defer the opening of the school's operations for up to 3 years to provide time for adequate facility planning. If the School has not already utilized the two (2) planning years authorized by Section 1002.33(7)(a)12, Florida Statutes, with regard to its approved application, a year under this Charter shall automatically be a planning year if the School has not secured and provided to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School. The School shall not be entitled to enroll any students during a planning year and shall not be eligible to receive any FTE funding from the Sponsor during such planning year. If the School has already utilized both of its two (2) planning years subsequent to approval of its application and thereafter fails to secure and provide to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the School, that third year shall constitute the final deferral year permitted to the School by Section 1002.33(6)(b)2, Florida Statutes. If the School has already utilized all three (3) of its deferral years subsequent to approval of its application and thereafter fails to secure and provide to the Sponsor evidence of at least temporary facility approval from the appropriate licensing or zoning authority no later than fifteen (15) calendar days prior to the opening of the

School, then this Charter shall automatically expire with notice to the School but without any hearing, right to appeal or further action required of the Sponsor.

Section 2.B.4: **Charter Modification**: This Charter may be modified during its term by mutual agreement of the parties, provided such modifications are agreed to in writing and executed by both parties. Alteration of the grade levels served will require approval of a subsequent or supplemental charter school application to serve those additional grades. Furthermore, no modifications may alter student eligibility for enrollment except as permitted by applicable law.

Section 2.B.4.a: **High Performing Charter School:** As per Section 1002.331, Florida Statutes, a State designated high-performing charter school may increase its student enrollment, contract capacity, not to exceed the current facility capacity and expand grade levels within kindergarten through grade 12 to add grade levels not already served if any annual enrollment increase resulting from grade level expansion is within the limits established above. A high-performing charter school shall notify the Sponsor in writing by March 1 if it intends to increase enrollment or expand grade levels the following year. The written notice shall specify the amount of the enrollment increase and the grade levels that will be added, as applicable.

Section 2.B.5: **Charter Renewal**: This Charter may be renewed pursuant to Section 1002.33(7)(c)1, Florida Statutes, for such duration as may be established by mutual written agreement of the parties, or as otherwise required or allowed by law.

Section 2.C: **Educational Program and Curriculum**: The School shall deliver an educational program and curriculum as described in its Application which is attached hereto and incorporated herein as **Appendix 1.**

Section 2.D: **Non-Renewal/Cancellation and Termination**: Any non-renewal, cancellation or termination of the Charter shall be subject to Section 1002.33(8), Florida Statutes, and the terms of this Charter.

Section 2.D.1: **Non-Renewal Provisions**: At the end of the term of the Charter, the Sponsor may choose not to renew the School's Charter upon a finding of clear and convincing evidence for any of the following reasons which is not cured after notice and reasonable opportunity to cure, in accordance with Section 14.F. of this Charter, such as:

(a) a failure by the School to participate in the state's education accountability system created in Section 1008.31, Florida Statutes, or failure to meet requirements for student performance stated in this Charter;

(b) a failure by the School to meet generally accepted standards of fiscal management due to deteriorating financial conditions or financial emergencies determined pursuant to Section 1002.345, Florida Statutes, and defined by law and applicable rules of the State Board of Education; and

(c) a material violation of law.

Section 2.D.1.a: **Notice of Renewal/Non-Renewal from the Sponsor; Appeal:** Except when exercising its authority for the immediate termination of a charter school, the Sponsor shall provide written notification to the governing body of the School of the proposed renewal or non-renewal of its Charter at least ninety (90) calendar days in advance of the proposed action. In the event of a non-renewal, the notice shall state in reasonable detail the grounds for the proposed action and shall expressly find that one or more of the grounds for non-renewal under Section 1002.33(8)(a), exists by clear and convincing evidence and state that the School's governing body may issue a request for a hearing. Said request must be made within fourteen (14) calendar days of receiving the notice. The hearing shall be conducted using the procedure specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.1.b: **Notice of Renewal/Non-Renewal from the School:** The School shall notify the Sponsor in writing at least ninety (90) calendar days prior to the expiration of the Charter as to the School's intent to renew or not to renew.

Section 2.D.2: **90-Day Termination** This Charter may be terminated upon ninety (90) calendar days written notice pursuant to Section 1002.33(8)(b) Florida Statutes, for any of the grounds listed in the foregoing Non-Renewal Section, or ground otherwise provided or available under applicable law. This Charter may also be terminated by the Sponsor before the expiration of its term if the Sponsor determines, pursuant to Section 1002.33(8)(a)1, Florida Statutes, and after due notice and opportunity to be heard, that insufficient progress has been made by the School in meeting the requirements for student performance agreed to by the parties hereto and contained in this Charter and if it is not likely that such objectives can be achieved before expiration of the Charter.

Section 2.D.2.a: **Notice from the Sponsor; Appeal:** Except when immediately terminated pursuant to this Charter, the Sponsor shall provide written notification to the governing body of the School of the proposed termination of a charter at least ninety (90) calendar days in advance of the proposed action. The notice shall expressly find that one or more of the grounds for non-renewal under Section 1002.33(8)(a), Florida Statutes, exists by clear and convincing evidence and shall state that the School's governing body may issue a request for a hearing. Said request must be made within fourteen (14) calendar days of receiving the notice. The hearing shall be conducted using the procedure specified in Section 1002.33(8)(b), Florida Statutes.

Section 2.D.3: **Immediate Termination**: This Charter may be terminated immediately by the Sponsor pursuant to Section 1002.33(8)(c), Florida Statutes, if it determines that an immediate and serious danger exists to the health, safety, or welfare of the School's students. In making the determination as to whether good cause exists for immediate termination, the Sponsor will consider whether the totality of the circumstances warrant a decision to forego the procedures for a ninety (90) day termination. The sponsor's determination is subject to the procedures set forth in Section 2.D.2.a, except that the hearing may take place after the charter has been terminated. The Sponsor shall notify in writing the School's governing body, the School's principal, and the FDOE if the Charter is immediately terminated. The Sponsor shall clearly

identify the specific issues that resulted in the immediate termination and provide evidence of prior notification of issues resulting in the immediate termination when appropriate. Upon receiving written notice from the Sponsor, the School's governing board has ten (10) calendar days to request a hearing. A requested hearing must be expedited, and the final order must be issued within sixty (60) calendar days after the date of request. The Sponsor shall further cooperate and afford the School immediate access, at no cost, to any and all records in Sponsor's possession as may be needed and required by the School in preparation of its appeal upon School's request, to the extent that such records were turned over to the Sponsor pursuant to this Section.

Section 2.D.3.a: **Immediate Termination – Operations During Appeal**: Upon receipt of notice of immediate termination, the School shall immediately provide the Sponsor access to the School's facilities, security system access codes and access codes for School owned/leased computers in the School's facilities, and shall immediately make accessible all educational and administrative records of the School so the Sponsor may immediately take any appropriate actions. Moreover, within two (2) business days, the School shall turn over to the Sponsor all records and information regarding the accounts of all of the public funds held by the School and shall turn over to the Sponsor all of the School's public property and public funds. If the School prevails in an appeal to the Division of Administrative Hearings (DOAH) and any subsequent filed appeals, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's governing board shall resume operation and oversight of the School. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 2.D.3.a.1: **Immediate Termination – Assets and Property During Appeal**: Any unencumbered public funds from the School, and district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal status is resolved.

Section 2.D.3.a.2: **Immediate Termination – School Debts and Term of Lease During Appeal**: However, nothing herein shall be construed as an obligation on the part of the Sponsor to secure the extension of a lease term during the pendency of an appeal or to pay with Sponsor's fund any debts incurred by the School in order to avert a foreclosure or eviction.

Section 2.D.3.a.3: **Immediate Termination –Correspondence During Appeal**: During the pendency of any appeal, the Sponsor shall forward to the chair of School's governing board copies of any correspondence or other written communications related to the School's leases and mortgages or to the extension or termination of any of the School's contracts or business relationships. To the extent the Sponsor continues to operate the School during the pendency of an appeal in the same facilities previously occupied by the School, School funds shall be available and used to make the appropriate facility payments pursuant to Section 2.D.3.c. herein below. At no time shall Sponsor take any action to violate the terms of the lease

during the pendency of an appeal. The Sponsor shall cure an unintentional breach of the lease terms during an appeal upon receipt of notice hereof.

Section 2.D.3.a.4: **Immediate Termination – Non-Renewal or Termination During Pendency of Appeal**: Since the issues on appeal shall be limited to whether there existed grounds for the immediate termination of the Charter, this Charter may still be terminated upon ninety (90) calendar days' notice or non-renewed in accordance with its terms during the pendency of an appeal in accordance with Section 1002.33(8), Florida Statutes.

Section 2.D.3.a.5: **Immediate Termination – Retrieval of Personal Items by School Personnel**: If the School appeals to the Division of Administrative Hearings and is unsuccessful in the appeal (or if the School fails to timely file an appeal), the School shall be dissolved pursuant to Section 1002.33(8), Florida Statutes. In such event, the Sponsor shall allow the School's governing body and its employees, agents and assigns to retrieve any of their respective personal belongings from the School's facility. However, all property and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the Sponsor, subject to complete satisfaction of any lawful liens or encumbrances.

Section 2.D.3.b: **Hearing Process**: The School's governing body may, within ten (10) calendar days after receiving the Sponsor's decision to immediately terminate the Charter, request a hearing in accordance with Section 1002.33(8)(b) and (c), Florida Statutes.

Section 2.D.3.c: **Sponsor Operation of School Pending Appeal**: The sponsor shall assume operation of the charter school throughout the pendency of the hearing under paragraph (b) unless the continued operation of the charter school would materially threaten the health, safety, or welfare of the students. Section 1002.33(8)(c), Florida Statutes, states that "failure by the sponsor to assume and continue operation of the charter school shall result in the awarding of reasonable costs and attorney's fees to the charter school if the charter school prevails on appeal." The Sponsor shall hold and conserve the School's public property and assets purchased with public funds, including cash and investments which are public funds, in trust until the School has exhausted all appellate rights pursuant to section 1002.33(8)(b) and (c), Florida Statutes. The Sponsor shall only disburse School funds in order to pay the normal expenses of the School as they accrue in the ordinary course of business. Normal expenses shall include, but not be limited to, the payment of employee salaries and benefits. This provision shall not be interpreted to require Sponsor funds be used to pay School expenses.

Section 2.D.3.d: **School Employees After Immediate Termination**: The School's instructional and operational employees may continue working in the charter school until such time as the School exhausts its appellate remedies. Notwithstanding the general policy of employees continuing to serve in their regular capacities during that time, the Sponsor reserves the right to take any appropriate personnel action as to such employees if cause should arise or be discovered during the Sponsor's assumed operation of the charter school (after the Sponsor provides any required due process to such employees if they are not terminable at-will).

Section 2.D.4: **Post Termination Provisions**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the disposition of financial and operational records, student records, property and assets, debts and leases shall be in accordance with the provisions of this Charter and applicable law.

Section 2.D.4.a: **Financial & Operational Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, all administrative, operational and financial records of the School shall be turned over to the Sponsor along with necessary access to the School's facilities on the date the expiration, non-renewal or termination takes effect.

Section 2.D.4.b: **Student Records**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, student records shall be turned over to Sponsor by the date of expiration, non-renewal or termination takes effect.

Section 2.D.4.c: **Property/Assets of the School**: The parties acknowledge that both the Sponsor and the School are public entities. In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor and except as otherwise provided by law; all assets, supplies and equipment purchased with public funds by the School or which would otherwise be due and payable to the School shall instead be delivered to, retained and owned by the Sponsor and all school property and improvements purchased with public funds, furnishings and equipment and any unencumbered public funds shall automatically revert or transfer, as the case may be, to full ownership by the Sponsor (subject to any lawful liens and encumbrances) following the School's exhaustion of its appellate remedies. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds or non-public funds, then it shall be presumed that it was purchased with public funds and ownership of the asset shall automatically revert to the Sponsor. Property and assets purchased with public funds shall be defined as all property, whether real or personal, purchased directly with grants and funds provided by a governmental entity. Funds provided by the School and used by an Education Services Provider (ESP) company to purchase property and assets for the School are considered public funds. Any property and improvements, furnishings and equipment purchased without Article 12.0 funds for the School which have not been reimbursed by public funds shall be the property of the School should the Charter terminate or not be renewed. Any assets existing at the time of expiration, termination, or non-renewal of this Charter School Agreement, which have been funded by both Article 12.0 funds and non-public funds, shall be equitably divided between the parties. Any disputes concerning such equitable division of assets shall be addressed through the dispute resolution provisions available through Section 1002.33, Florida Statutes, or as specified in this Charter. Property and assets purchased solely by non-public funds or by an educational management organization in conjunction with operating the School shall not be deemed to have been purchased with public funds. The financial and auditing personnel and staff of the Sponsor and the School shall cooperate in and coordinate the proper identification and sources of funding for the property and improvements, furnishings, and equipment purchased for the School and the appropriate record keeping of same, during the term hereof or any extensions of this Charter School Agreement.

Section 2.D.4.d: **Debts of the School**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, the Governing Board of the School shall be responsible for all the debts of the School. The parties acknowledge that the Sponsor may not assume the debt arising from any contract for services made between the governing body of the School, the management company (if applicable), and/or third parties, except for a debt that is previously detailed and agreed upon (in writing and executed with the same formalities as this Charter) by both the Sponsor, the governing body of the School and/or the management company (if applicable), and that may not reasonably be assumed to have been satisfied by the Sponsor. The Sponsor may only assume the benefit of the property for which a debt, financial obligation, or liability may attach or accrue in the event that the Sponsor assumes or takes on the corresponding obligation for the debt, obligation, or liability as set forth herein. The Sponsor may not assume the asset for which a debt, financial obligation or liability may accrue leaving the School with the ultimate financial responsibility.

Section 2.D.4.e: **Leases of the School**: In the event that the Charter expires or is terminated (other than immediate termination) or non-renewed by the Sponsor, any and all leases existing between the Sponsor and the School shall be automatically cancelled. However, in no event shall the Sponsor be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

Section 2.D.4.f: **Dissolution of the School:** Upon expiration, non-renewal or termination of the Charter and exhaustion of any rights to appeal, the School shall be dissolved under the provisions of the statute under which the School was organized.

Section 2.D.4.g: **Student Enrollment Upon Non-Renewal**: Any student enrolled at the School at the time of the expiration, termination or non-renewal of this Charter may apply to and be enrolled in a public school operated by Sponsor or another charter school in accordance with the Sponsor's or the recipient charter school's normal application and enrollment procedures.

Section 2.D.5: **Voluntary Termination**: The School's governing board may elect to voluntarily terminate this Charter by sending to the Sponsor a written notice of voluntary termination executed by the chair of the School's governing board. In the event of a voluntary termination, the School shall be deemed to have waived any right to notice, hearing or appeal of the termination of its Charter. The School shall inform the Sponsor no later than fifteen (15) calendar days prior to the date specified in the notice of voluntary termination. Any such voluntary termination shall be effective as of the date specified in the governing board's notice. Upon receipt of notice of the intent to voluntarily terminate the contract, the governing board's right to notice, hearing or appeal shall cease. In the event of a voluntary termination, all post-termination provisions stated in this Charter shall apply other than the provisions for notice, hearing or appeal.

Section 2.E: **Non-Discrimination Policy**: The School agrees to adhere to a policy of non-discrimination in educational programs/activities and employment and strives affirmatively to provide equal opportunity for all as required by:

Section 2.E.1: Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, religion or national origin;

Section 2.E.2: Title VII of the Civil Rights Act of 1964, as amended, which prohibits discrimination in employment on the basis of race, color, religion, gender or national origin;

Section 2.E.3: Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of gender;

Section 2.E.4: The Age Discrimination in Employment Act of 1967 (ADEA), as amended, which prohibits discrimination on the basis of age with respect to individuals who are at least forty (40) years of age;

Section 2.E.5: Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination against the disabled;

Section 2.E.6: The Americans with Disabilities Act of 1990 (ADA) which prohibits discrimination against individuals with disabilities in employment, public service, public accommodations and telecommunications;

Section 2.E.7: The Family and Medical Leave Act of 1993 (FMLA) which requires covered employers to provide up to twelve (12) weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons;

Section 2.E.8: The Florida Educational Equity Act which prohibits discrimination against a student or employee on the basis of race, gender, national origin, marital status, or handicap;

Section 2.E.9: The Florida Civil Rights Act of 1992 which secures freedom from discrimination on the basis of race, color, religion, gender, national origin, age, handicap or marital status for all individuals within the State;

Section 2.E.10: For public employers, Public Law 93-508 (Federal Law) and Section 295.07, Florida Statutes, which provide categorical preferences for employment and re-employment rights to veterans; and

Section 2.E.11: Sponsor's School Board Policy, which prohibits discrimination on the basis of sexual orientation, in effect at the time of execution of this Charter by the parties, or if subsequently amended, as the parties may agree to apply.

Section 2.F: **Class Size:** To the extent applicable, the School will comply with Article IX, Section 1 of the Florida Constitution, and any applicable state law governing class size. If it is determined that the School was required to comply with Article IX, Section 1 of the Florida Constitution or any state law governing class size and failed to do so, and such non-compliance adversely impacts Sponsor's compliance with state law, any such penalties imposed upon the

Sponsor shall be borne upon the School. Furthermore, the School shall promptly reimburse the Sponsor for any penalties incurred by Sponsor as a result of the School's non-compliance.

Section 2.G: **Additional Requirements**: The Sponsor reserves the right to require the School to adhere to School Board Policy 1163 in affect at the time of execution of this Charter by the parties, or if subsequently amended, as the parties may agree to apply, and any additional requirements imposed upon charter schools by applicable law or rules or by the FDOE.

ARTICLE 3: ACADEMIC ACCOUNTABILITY

Section 3.A: **Student Performance**: Student performance shall be assessed and evaluated in accordance with the School's governing laws and rules, the assessment and evaluation provisions of the School's Approved Application **(Appendix 1)** and the provisions of this Charter. In addition to evaluating the School's success in achieving the objectives stated in either the Application, the School Accountability Plan, or the School Improvement Plan, when required, the School shall be held accountable for meeting federal and state student performance requirements, as provided in Sections 1001.02, 1008.33, and 1008.345, Florida Statutes. The School agrees to permit the Sponsor's personnel to observe the charter school's operations to assess student performance upon reasonable notice.

Section 3.A.1: **Assessment and Evaluation**: The School will implement its educational program during the school year as specified in the School's Approved Application **(Appendix 1)** as may have been amended over time, setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure that reading is a primary focus of the curriculum and the necessary resources will be provided to identify and to provide specialized instruction for students who are reading below grade level. Further, the curriculum and instructional strategies for reading shall be consistent with the Florida Standards as determined by the FDOE and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian. The School shall ensure that its program is innovative and consistent with the state education goals established by Section 1000.03(5), Florida Statutes.

Section 3.A.1.a: **Expected Outcomes**: The School agrees to implement the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the methods of measurement that have been mutually agreed upon and identified in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules.

Section 3.A.1.b: **Methods of Measurement**: The School's expected outcomes will be measured in the initial year as described in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules.

Section 3.A.1.c: **Assessments**: The parties agree that the methods set forth in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules shall be used to identify the educational strengths and needs of students

and the educational goals and performance standards. This accountability criteria shall be based upon the School's assessment system, as agreed, and on statewide assessment programs. All assessments shall be conducted at the times specified in the School's Approved Application **(Appendix 1)** unless another time is required by the state.

Section 3.A.1.c.1: **State-Required Assessments**: Students attending the School shall participate, at the Sponsor's expense, in the statewide assessment program and in all state-required assessments in accordance with the provisions of Section 1002.33(7)(a)4, Florida Statutes. The School shall participate in training opportunities regarding implementation of state required assessments. To facilitate this participation, the Sponsor will provide consultation by its applicable school district staff and those services/support activities, which are routinely provided to the Sponsor's school district staff regarding implementation of state-required assessment activities (e.g., staff training, dissemination and collection of materials, monitoring, scoring, analysis, and summary reporting).

Section 3.A.1.c.2: **Additional Assessments**: When the Sponsor requires the School to participate in any District-wide assessments during, the Sponsor shall bear the cost of the School's participation in those assessments. When the School opts to participate in District-wide assessments, the School shall bear the costs associated with District-wide assessments. The School, at its discretion and own expense, may use other assessment tools that are educationally relevant, sound and consistent with this Charter.

Section 3.A.2: **Annual Student Performance**: The School will annually implement its educational program as specified in the School's Approved Application **(Appendix 1)**, setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure that reading is a primary focus of its annual curriculum and the necessary resources are provided to identify and to provide specialized instruction for students who are reading below grade level. The School's curriculum and instructional strategies for reading shall be consistent with Florida Standards and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian.

Section 3.A.2.a: **Annual Assessments**: The School's student performance will be annually assessed as described in the School's Approved Application **(Appendix 1)**, in this Charter, and as specified in applicable laws and rules. The School will annually implement its educational program as specified in the School's Approved Application **(Appendix 1)** setting forth the School's curriculum, instructional methods, any distinctive instructional techniques to be used, and the identification and acquisition of appropriate technologies needed to improve educational and administrative performance, which include a means for promoting safe, ethical, and appropriate uses of technology which comply with legal and professional standards. The School shall ensure in each year that reading is a primary focus of the curriculum and the necessary resources will be provided to identify and to provide specialized instruction for students who are reading below grade level. The School's annual curriculum shall

be consistent with Florida Standards and be grounded in evidence-based reading research. The School further agrees that its programs and operations shall be nonsectarian each year.

Section 3.A.2.a.1: **State-Required Annual Assessments**: The School will annually administer all state-required assessments to its students, at the Sponsor's expense, within the State timeframe during each year of the term of the Charter. In each year, the School shall administer to its students, at the Sponsor's expense, the statewide assessment program and all state-required assessments. In accordance with the provisions of Section 1002.33(7)(a)4, Florida Statutes, the School will participate in all state assessment programs in which Sponsor's students enrolled in comparable grades/schools participate. To facilitate this participation, the Sponsor will provide consultation in each year by its applicable school district staff and those services/support activities, which are routinely provided to the Sponsor's school district staff regarding implementation of state-required assessment activities (e.g., staff training, dissemination and collection of materials, monitoring, scoring, analysis, and summary reporting).

Section 3.A.2.a.2: **Additional Annual Assessments**: The School will implement, at its own expense, any assessments specified in its Approved Application **(Appendix 1).** When the Sponsor requires the School to participate in any district-wide assessments during the term of this Charter, the Sponsor shall bear the cost of the School's participation in those assessments. When the School opts during the term of this Charter to participate in district-wide assessments which are not required by the Sponsor, the School shall bear the costs associated with district-wide assessments. The School, at its discretion and own expense, may use other assessment tools during the term of this Charter that are educationally relevant, sound and consistent with this Charter.

Section 3.A.2.a.3: **Testing Process:** All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services or support activities that are routinely provided to the Sponsor's staff regarding implementation of Sponsor and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.

Section 3.A.2.a.4: **Testing Technology:** The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.

Section 3.A.2.a.5: **State Assessment Reporting:** The Sponsor shall provide the School with reports on state assessments in the same manner and at the same time as for all public schools in the District.

Section 3.B: **Student Promotion**: The School's students shall be promoted in accordance with the Sponsor's most recent Student Progression Plan, as amended from time to time.

Section 3.B.1: **Student Promotion Policy**: The School's student promotion policy shall be consistent with the provisions of the School's Approved Application **(Appendix 1)**, the provisions of this Charter and applicable laws and rules and shall comply with the Sponsor's most recent Student Progression Plan, as amended from time to time.

Section 3.B.2: **Graduation Requirements**: The School shall comply with the method described in Sections 1003.4281, 1003.4282 and 1008.25, Florida Statutes, and the Sponsor's policy for determining that a student has satisfied the requirements for graduation. Dropout Prevention and Academic Intervention programs must comply with the requirements of Section 1003.53, Florida Statutes, and Rule 6A-6.0521, Florida Administrative Code.

Section 3.C: **Academic Intervention Plan:** This section is not applicable to this Charter.

Section 3.D: **Data Access and Use**: The School agrees to allow the Sponsor access to its facilities and records to review data sources, including collection and recording procedures, in order to assist the Sponsor in making a valid determination as to whether student performance requirements have been met as stated in the Charter, and as required by Sections 1008.31 and 1008.345, Florida Statutes. The School must use the Sponsor's student information system and the Sponsor agrees to provide the School with sufficient access to such student information system. The School agrees to utilize data provided by the Sponsor in its electronic data processing systems pertaining to admissions, registration, and student records. The School shall also use records and grade procedures that adequately provide the information required by the Sponsor. If the School chooses to use an alternate grade book system other than the Sponsor's, the Sponsor will not be required to provide any technical support. The Sponsor will provide services/support activities which are routinely provided to the Sponsor's staff regarding implementation of state-required assessment activities (e.g., staff-training, dissemination and collection of materials, monitoring, scoring, analysis and summary reporting). Student performance data for each student in the School, including, but not limited to, state mandated assessment scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the Sponsor to the School in the same manner provided to other public schools in the district. Any expense for the aforementioned services that is not included as part of the Sponsor's administration fee under Section 1002.33(20), Florida Statutes, will be the responsibility of the School.

Section 3.D.1: **Student Performance/Progress Monitoring Reports:** The School agrees to collect student performance/progress monitoring data as required by statute and provide a copy to the Sponsor. Student performance/progress monitoring data will be uploaded into Charter Tools in the timeframe provided by the Sponsor.

Section 3.E: **Accreditation:** The School, if a high school or a school providing high school courses, must obtain and maintain applicable certification/accreditation of its educational program within four (4) years in order to ensure transferability of courses completed by the students at the School. Schools that serve students in grades 9-12 shall annually notify parents in writing the accreditation status of the school and the implications of non-accreditation, if applicable. The notification may be provided in the parent handbook.

Section 3.F: **Records and Grading Procedures**: Due to the possibility that students enrolled in the School may return to a district school or transfer to another charter school within the school district, the School will utilize a records and grading procedure that is consistent with the Sponsor's current records and grading procedures.

Section 3.G: **State System of Grading Schools**: The School shall be subject to the state system for grading set forth in Section 1008.34, Florida Statutes, and the acquisition by the School of two (2) consecutive grades of "F" after all school grade appeals are final, unless the charter school meets one of the exemption criteria pursuant to Section 1002.33(9)(n)3, Florida Statutes, shall constitute a material breach of this Agreement and good cause for the School's termination.

Section 3.G.1: **School Improvement Plans (SIPs)**: In the event the School receives a school grade issued under Section 1008.34(2), Florida Statutes, of "D" or "F" in any year, the School's director/principal and a representative of the School's Governing Board shall appear before the Sponsor in a publicly noticed meeting to submit a SIP for approval by the Sponsor. The Sponsor shall have the authority to approve and monitor the School's development and implementation of any SIP during the following school year as outlined in Rule 6A-1.099827, Florida Administrative Code. The School shall comply with all state and local requirements pertaining to said Rule. The Sponsor may also consider any action recommended by the Florida Board of Education as part of any SIP.

Section 3.G.1.a: **Corrective Actions**: If the School earns three consecutive grades below a "C," the charter school governing board shall choose one of the following corrective actions, as prescribed in state board rules:

Section 3.G.1.a.1: Contract for educational services to be provided directly to students, instructional personnel, and school administrator, as prescribed in state board rule. The School may select an Education Management Organization or Academic Management Organization to provide services to the Schools students, teachers, and administrators, including services such as, but not limited to, instructional coaching, curriculum review and alignment, and data literacy.

Section 3.G.1.a.2: Contract with an outside entity that has a demonstrated record of effectiveness to operate the School;

Section 3.G.1.a.3: Reorganize the School under a new director or principal who is authorized to hire new staff; or

Section 3.G.1.a.4: Voluntarily close; or

Section 3.G.1.a.5: Any additional actions required by applicable law or rule may be take in addition to, but not in lieu of, one of the corrective actions prescribed in Rule 6A-1.099827.

Section 3.G.1.b: **School Improvement Plan Approval Meeting**: The Sponsor shall approve or deny a school improvement plan submitted by the School at a publicly noticed meeting pursuant to Rule 6A-1.009827, Florida Administrative Code.

Section 3.H: **State Student Performance Requirements**: The School will be accountable for meeting the state's student performance requirements as delineated in Rule 6A-1.09981, Florida Administrative Code, *School District Accountability,* based on Sections 1001.02, 1008.22, 1008.34, and 1008.345, Florida Statutes.

Section 3.I: **Annual Accountability Report**: The School shall submit an Annual Accountability Report to the Sponsor by the date specified by the State each year during the term of this Charter School Agreement as required by Section 1002.33(9)(k), Florida Statutes. The Accountability Report will be reviewed by the Sponsor as required.

Section 3.J: **Reading Plan:** The School agrees to adopt and implement, the Sponsor's K-12 Comprehensive Evidence-Based Reading Plan (CERP) unless it has chosen to "opt-out" and use an alternate governing board approved core reading plan. If the school chooses to opt-out of the Sponsor's K-12 CERP, it shall provide to the Sponsor an alternative Evidence-Based Comprehensive Reading Plan to the Sponsor for review in compliance with applicable laws.

ARTICLE 4: STUDENTS

Section 4.A: **Eligible Students**: The School shall enroll all eligible students in accordance with Section 1002.33(10), Florida Statutes. Student enrollment shall be subject to the School's approved capacity, which shall be determined annually by the School's governing board, in conjunction with the Sponsor, in accordance with section 1002.33(10)(h)–(i), Florida Statutes. A student may not be transferred by the School to another charter school or district school except upon the prior written consent of the student's parent/guardian or of the student (if an adult). The School agrees that any transfer or withdrawal of students shall be conducted in accordance with the Sponsor's student enrollment and withdrawal policies and procedures. Parents may withdraw a student from the School at any time. In such event, the student shall either return to the student's regularly assigned district school or to another school with an appropriate program.

Section 4.A.1: **School Community**: The School shall make reasonable efforts, in accordance with federal law, to achieve racial or ethnic balance reflective of the community it serves or within the racial or ethnic range of other public schools in the District and shall not violate the antidiscrimination provisions of Section 1000.05, Florida Statutes, including to discriminate against students who are served under the Exceptional Student Education (ESE) program and students who are served as English Language Learners (ELL). The parties agree that the community to be served by the School is described in the School's Application **(Appendix 1).**

However, in no event shall any eligible student, as defined by Section 1002.33(10), Florida Statutes, be denied enrollment unless the School has attained its maximum school enrollment capacity.

Section 4.B: **Grades Served**: The School shall enroll students in those grades specified in its Approved Application **(Appendix 1).** A state designated high-performing charter school may expand grade levels as outlined in Section 1002.331 Florida Statutes.

Section 4.C: **Class Size**: The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

Section 4.D: **Annual Projected Enrollment**: The School shall provide to the Sponsor its projected FTE enrollment for the next school year by no later than the last Friday of May of the current school year during the term of this Charter. The Annual Projected Enrollment shall not be construed to constitute a maximum enrollment capacity at the School for the following academic school year.

Section 4.E: **Annual Capacity Determination**: The annual capacity shall be determined by the Governing Board in conjunction with the Sponsor based on the factors set forth in Section 1002.33(10), Florida Statutes. The School shall provide the Sponsor by March 1 of each year of this Charter, the proposed Annual Enrollment Capacity for the subsequent year. The School shall not enroll student in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the school shall not be exceeded during any session.

Section 4.E.1: **Annual Capacity of a High Performing Charter School**: The capacity of a high-performing charter school identified pursuant to Section 1002.331, Florida Statutes, shall be determined annually by the School's governing board. The governing board shall notify the Sponsor of any increase in enrollment by March 1 of the school year preceding the increase. The Sponsor may not require the School to identify the names of students to be enrolled or to enroll those students before the start of the school year as a condition of approval or renewal of a charter. Pursuant to Section 1002.331(2)(a), Florida Statutes, modification of the contract capacity of a charter school that has been identified as high-performing by the FDOE, shall not exceed the maximum capacity established by any applicable certificate of occupancy, certificate of use, fire permit or applicable provision of Article IX, Section 1 of the Florida Constitution or any other law or rule that is applicable to the School.

Section 4.F: **Admissions and Enrollment Plan**: The School shall implement the enrollment policies and procedures and lottery processes in accordance with the School's Governing Board policies and procedures, Section 1002.33 (10), Florida Statutes, and as otherwise provided by law. Pursuant to Section 1002.33(10)(e), Florida Statutes, the School may limit enrollment to target specific student populations. The School shall enroll all eligible students who submit a timely application, unless the number of applications exceed the stated capacity of the School, class, grade level, or building as agreed to in **(Appendix 1).** In that case, all applicants shall have an equal chance of being admitted through a random selection process. The School's enrollment plan shall comply with the following:

Section 4.F.1: **Equal Enrollment Opportunities**: Students requiring services from an Exceptional Student Education (ESE) program as well as students requiring services from English Language Learners (ELL) programs shall have equal opportunities of being selected for enrollment in the School. The School agrees to enroll any eligible student who submits a timely and completed application. However, if the number of applications exceeds the capacity of a program, class, grade level, or building all eligible applicants shall have an equal chance of being admitted through a random selection process that complies with Florida law and all applicable desegregation court orders, and/or settlement stipulations, Sponsor assignment plan/policies, voluntary school choice plans, and conditions relating to maintenance of appropriate student population that reflects the diversity of the community in which the School is located;

Section 4.F.2: **Enrollment for Conversion Schools**: In the event the School is operating as a conversion charter school, the School agrees to give enrollment preference in accordance with Section 1002.33(10)(e), Florida Statutes to students who would have otherwise attended that public school, however, parents or students may request non-participation and receive assignment to another public school through the Sponsor;

Section 4.F.3: **Community Diversity**: The School agrees that it will implement the strategies contained in **Appendix 1** to achieve and maintain a student population reflective of the diversity of the community the School serves, as defined above;

Section 4.F.4: **Enrollment Preferences - Siblings and Employees' Children**: The School acknowledges that it may give enrollment preference to eligible siblings of students enrolled in the School, to the child of an employee of the School, to the child of a member of the governing board of the School or to any other student as authorized by Florida law; and

Section 4.F.5: **Enrollment Preferences – Same Household**: The School acknowledges that it may give enrollment preference to students living in the same household with an accepted/attending student (i.e., foster home, foreign exchange student) subject to the provision of appropriate documentation to support such student eligibility.

Section 4.G: **Maintenance of Student Records**: The Sponsor agrees to cooperate with the School to provide cumulative folders and permanent records, including Individual Education Plans (IEPs) for Exceptional Students. The School shall maintain both active and archival records in Broward County, Florida, for current and former students in accordance with Florida Statutes. The School will maintain both active and archival records for current/former students in accordance with applicable federal and state laws. The Sponsor will assist the School in establishing appropriate record formats.

Section 4.G.1: **Cumulative Folders/Permanent Records**: All cumulative folders and permanent records of students leaving the School to attend a district school and copies of permanent records of students leaving a district school to attend the School will be forwarded to the receiving school immediately upon request. Neither the School nor the Sponsor shall delay the transfer of records due to a pending parent/student exit conference.

Section 4.G.2: **Records Upon Out-of-District Transfer**: All cumulative folders and permanent records of students leaving the School to attend a school other than a district school will be copied and forwarded to the receiving school. The original cumulative folder and permanent record of the student will be filed with the School's inactive student records and transferred to the Sponsor in accordance with applicable federal and state law.

Section 4.G.3: **Records Upon Other Transfers**: All cumulative folders and permanent records of students leaving the School for any reason, other than above, will be filed with the School's inactive student records and transferred to the Sponsor in accordance with applicable federal and state law;

Section 4.G.4: **Records Transfer to Sponsor**: All permanent (identified as "Category A" by the Florida Division of Library and Information Services) records of students leaving the School, whether by graduation, transfer to Sponsor's district schools, or withdrawal to attend another school, will be transferred to the Sponsor in accordance with applicable law. All records of student progress (identified as "Category B" by the Florida Division of Library and Information Services) will be immediately transferred to the appropriate recipient school, without exception, if a student withdraws to return to one of Sponsor's district schools or to another school system. The School may retain copies of the academic records created during a departing student's attendance at the School.

Section 4.G.5: **Inactive Student Records**: All inactive student records shall be maintained and archived by the school in accordance with Rule 6A-1.0955, Florida Administrative Code. The School shall maintain pupil attendance records in the manner specified in Rule 6A-1.044, Florida Administrative Code; and

Section 4.G.6: **Confidentiality of Student Records**: The School shall ensure that all student records are kept confidential as required by applicable federal and state laws including but not limited to the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. 1232g) and Sections 1002.22 and 1002.221, Florida Statutes. The Sponsor has the right with reasonable notice, if it has a legitimate educational interest to review any and all student records maintained by the School including, without limitation, records pertaining to students in the ESE, ELL and Multi-Tiered System of Support/Response to Intervention (MTSS/RtI) programs at the School.

Section 4.H: **Exceptional Student Education**: Students enrolled in the School who are eligible to receive Exceptional Student Education (ESE) services shall be provided a free appropriate public education by the School in accordance with this Charter, applicable federal and state laws and applicable administrative rules adopted by the Florida Board of Education. Students with disabilities will be educated in the least restrictive environment as outlined in the district's Special Policies and Procedures for Exceptional Students (SP&P).

Section 4.H.1: **Non-Discriminatory Policy**: The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The School shall adopt a policy providing that it will not discriminate against students with disabilities who are served in Exceptional Student Education (ESE) programs

and students who are served in English for Speakers of Other Languages (ESOL) programs; and that it shall not violate the anti-discrimination provisions of Section 1000.05, Florida Statutes (The Florida Education Equity Act). The School will be non-sectarian in its programs, admission policies, employment practices and operations. The School shall adopt and implement a non-discriminatory policy regarding placement, assessment, identification, selection, and admission of disabled students. The School will not request a copy of a student's Individual Education Plan (IEP) nor any other student information from the parent or any other source prior to the student's completion of the application process, nor shall the School access such student information on the Sponsor's student information system prior to admission of the student. The School's enrollment application will not include questions concerning a student's IEP or need for special services. Upon receiving the application for enrollment of a student with a disability, the School will convene a meeting with individuals knowledgeable about the student to evaluate the student's individual needs and determine whether the student can be provided a free, appropriate public education by the School.

Section 4.H.2: **Sponsor's Responsibilities**: The Sponsor will have the responsibility of conducting the psychoeducational evaluation of students referred for potential placement within exceptional student education in accordance with federal and state mandates. The School agrees that the Sponsor will perform psychoeducational evaluations of students initially referred for placement within exceptional student education without fee. The School will be billed for those services not covered by the administrative fee at the actual cost of these services. The School may obtain independent evaluations of students at the School's expense. These evaluations may be considered in determining eligibility but will not necessarily substitute for an evaluation conducted by the Sponsor's district personnel in a manner and timeframe consistent with that of all other schools in the district. The Sponsor will monitor the School for ESE compliance with applicable federal, state and local policies and procedures.

Section 4.H.3: **The School's Responsibilities**: The School shall make a continuum of services available to students with disabilities. Students with disabilities enrolled in the School shall be provided, at the School's expense, with programs implemented in accordance with federal, state and local policies and procedures, (or other State approved procedures) and, specifically, the Individuals with Disabilities Education Improvement Act (IDEIA), Section 504 of the Rehabilitation Act of 1973, 1000.05, 1003.57, 1001.42(4)(l), and 1002.33, Florida Statutes, Chapter 6A-6 of the State Board of Education Administrative Rule and Sponsor's Special Policies and Procedures for Exceptional Students. The School will be responsible, at its expense, for the delivery of all educational and related services indicated on the student's Individual Education Plan (IEP). Related services (e.g., speech/language therapy, occupational therapy, physical therapy, and counseling) must be provided by the School's staff or paid for by the School through a separate contract. Gifted students shall be provided with programs implemented in accordance with state and local policies and procedures, federal and state laws, and Chapter 6A-6 of the Administrative Rules adopted by the Florida Board of Education. The School will be responsible for the delivery of all educational services indicated on a student's educational plan.

Section 4.H.3.a: **IEP Meetings**. The School will develop an Individual Education Plan (IEP) and conduct an IEP meeting with the student's parents/guardians for each exceptional student enrolled in the School. The School will utilize all of the Sponsor's

forms and procedures related to ESE eligibility, IEP and placement process procedures. The School will invite the Sponsor to participate in the initial staffing and IEP meetings at the school and will provide the Sponsor with at least ten (10) days prior notice of such meetings as required by law and accompanied by a copy of the Parent Participation Form. A representative of the Sponsor shall participate in all initial IEP, EP, and applicable Section 504 Plan meetings. The administrator or designee in charge at the School will serve as the LEA Representative at all other annual and interim IEP, EP, and Section 504 meetings, which the School shall conduct.

Section 4.H.3.a.1: If it is determined by an IEP committee that the needs of a student with disabilities cannot be met at the School, the School will take steps to secure another placement for the student in accordance with federal and state mandates. The School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. The School's staff will work closely and as early as possible in the planning/development stages, with Sponsor staff to discuss the services needed by the School's students with disabilities.

Section 4.H.3.b: **Least Restrictive Environment:** Except as otherwise provided by the provisions of Section 2.E contained hereinabove, students with disabilities enrolled in the School will be educated in the least restrictive environment and will be segregated only if the nature and severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. As it is the School's goal to place students in an environment where they can best flourish, those students whose needs cannot be adequately addressed at the School will be appropriately referred; and the School's staff will work together with the Sponsor's personnel to ensure that the needs of these students are met. However, it is the School's obligation, and not that of the Sponsor or student's boundaried school, to provide all appropriate services to ESE students.

Section 4.H.3.c: **Procedural Measures:** As early as possible in the planning/development stages, the School's staff will work closely with the Sponsor's staff to discuss the needed services (including all related services and programs) of the School's students with disabilities. Parents of students with disabilities will be afforded procedural safeguards in their native language, which safeguards will include the areas of notice and consent, independent educational evaluations, confidentiality of student records, due process hearings, and surrogate parents.

Section 4.H.3.d: **Federal and State Reports:** Unless otherwise exempted by Chapter 1002, Florida Statutes, the School will complete federal, state and any other reports deemed necessary in accordance with the timelines and specifications of the Sponsor and the State Department of Education.

Section 4.H.3.e: **504 Students**: The School will provide reasonable accommodations to students with a physical or mental impairment which substantially limits a major life activity, if and to the extent required to enable such students to have an opportunity to be successful in their educational program equal to that of their non-disabled peers. The School shall prepare a 504 Accommodation Plan for all such students who do not have an IEP, in accordance with Section 504 of the Rehabilitation Act and its implementing regulations.

Section 4.H.4: **Due Process Hearings**: The School shall be liable to Sponsor for all damages, attorney's fees and costs awarded against the Sponsor relating to an alleged violation by the School of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 and School shall be liable for all attorney's fees and costs incurred by the Sponsor in its defense of any claims. The School shall have an opportunity to consult both in the selection of counsel and to participate in the defense of the due process proceedings. The School shall not be obligated to Sponsor under this subsection for any damages, attorney's fees and costs awarded in favor of a student with disabilities due to Sponsor's violation of federal and/or state laws related to the education of students with disabilities, including, without limitation, formal complaints, due process hearings, mediations or other court proceedings, relating to Section 615 of the Individuals with Disabilities Education Improvement Act or Section 504 of the Rehabilitation Act of 1973 or for any costs and attorney's fees incurred by Sponsor in defending a claim that resulted in such an award. All expenses, cost and attorney's fees owed to the Sponsor based on this Section shall be reimbursed by the School within thirty (30) calendar days of the submission of a written invoice to School by the Sponsor or an appropriate payment plan shall be negotiated.

Section 4.H.5: **English Language Learners (ELLs)**: Students enrolled at the School who are identified as English Language Learners (ELLs), will be provided with primary instruction in English by personnel who will follow the Sponsor's District Plan for English Language Learners and who either (a) hold a currently-valid State of Florida educator's certificate showing the ESOL subject area or the ESOL endorsement or (b) hold a currently-valid State of Florida educator's certificate in another area of certification, have been approved by the School's Board of Directors to teach in this capacity, and who complete the required in-service training in ESOL in the prescribed time frame per the State Department of Education rules and regulations provided by the school district in compliance with the *LULAC, et al. v. State Board of Education* Consent Decree. The School will meet all the requirements of the Consent Decree entered in *LULAC, et al. v. State Board of Education* and related rules of the State Board of Education in Chapter 6A-6. The School will comply with the Sponsor's current ELL plan, as approved by the State Board of Education, including the utilization of all forms and documents in–both the Sponsor's current ELL plan, which may be amended from time to time, as well as any district department handbooks, manuals and guidelines used for the process of identifying and classifying ELL students and for the provision of implementation of ESOL services to meet the needs of English Language Learners (ELLs). The School shall be invited to attend the District's ESOL Contact Meetings. The Sponsor will monitor the School for ELL compliance with applicable federal, state and local policies and procedures.

Section 4.I: **Dismissal Policies and Procedures**: The School agrees to dismiss students as described in Sponsor's School Board Policy in effect at the time of this Charter by the parties, within this Charter or as subsequently amended, and in the appropriate Section of the School's Application **(Appendix 1)**. The School agrees to maintain a safe learning environment at all times. The School shall comply with Florida state law and will adopt and follow the Sponsor's Code of Student Conduct, as may be modified by the Sponsor from time to time, for the School's students of the same grades promulgated by Sponsor. Any policies developed by the

School to implement the Code of Student Conduct shall be in accordance with the Florida State Board of Administration Rules, federal and state laws and regulations, and federal and state court decisions.

Section 4.I.1: **Expulsions:** The School's board of directors shall recommend expulsions to the Sponsor. However, the Sponsor has the ultimate authority in cases of student expulsion. If the School is considering removal of a student from attendance, the School will inform the Sponsor of its intention and share information concerning the basis for considering removal. If the student's actions lead to recommendation for assignment to an alternative school or expulsion from the Sponsor's district, the School will cooperate in providing information and testimony needed in any legal proceeding. Students will be assigned to an alternative school only through the process established by the Sponsor's Board Policy and will be expelled from the Sponsor's district only if approved by the Sponsor's School Board.

Section 4.I.1.a: **Liability** The School shall not be liable to the Sponsor for any damages, attorney's fees or costs relating to damages awarded due to actions of the Sponsor which are found to violate any federal and/or state laws related to any disciplinary or expulsion proceeding arising out of this Section that are the result of the Sponsor's actions. Further, the Sponsor shall be liable to the School to the extent permitted by law for such damages, attorney's fees or costs relating to damages awarded due to the Sponsor's actions which are found to violate federal and/or state laws related to any disciplinary or expulsion proceedings arising out of this Section that are the result of Sponsor's actions.

Section 4.I.2: **Manifestation Determination:** Students with disabilities shall be afforded a manifestation determination and will be disciplined, if required, in accordance with the requirements of the Individuals with Disabilities Education Improvement Act and Rehabilitation Act and the Sponsor's Exceptional Student Education Policies and Procedures (SP&P). If a student has been recommended for expulsion for commission of an expellable act as defined by the Sponsor's policy and the student is withdrawn from the School by a parent/guardian, the student may be denied enrollment in a district school by Sponsor or may be assigned to an appropriate expulsion abeyance program in accordance with Sponsor's policies. The School may not withdraw or transfer a student involuntarily unless the withdrawal or transfer is accomplished through established procedures mutually agreed upon in this Charter or through the Sponsor's applicable policies for student withdrawal.

Section 4.I.3: **Corporal Punishment**: The School agrees that it will not engage in the corporal punishment of its students.

Section 4.J: **Extracurricular Student Activities**: Students at the School shall be eligible for participation in extracurricular activities and athletic opportunities at the School in the same manner as other schools in the school district to the extent such programs or sports are offered. Nothing herein prohibits the School from imposing stricter requirements for participation in extracurricular activities. Students at the School will be eligible to participate in interscholastic extracurricular activity at the district school to which the student would be assigned according to Sponsor's policies and the rules of the Florida High School Athletic Association (FHSAA), unless such activity is provided at the School, so long as the School student meets the requirements of Section 1006.15, Florida Statutes. All such students will be assigned to a district school for

extracurricular activities through the Sponsor's student assignment office. The Sponsor agrees to support the School in its efforts to recognize student accomplishments. Such support shall include, but not be limited to, district competitions, district recognition programs and district scholarship programs. If there are any costs not paid for or reimbursed by the State, then the School shall pay its pro rata share of the costs of such recognition programs.

Section 4.K: **Enrollment - Health, Safety & Welfare**: Enrollment at the School is subject to compliance with the provisions of Section 1002.33, Florida Statutes, concerning school entry health examinations and immunizations. The School agrees to comply with the Federal Gun Free Schools Act of 1994 and any other applicable state and/or federal law pertaining to the health, safety and welfare of students.

Section 4.L: **Safety & Security Requirements:** The School shall comply with all applicable provisions of the Marjory Stoneman Douglas High School Public Safety Act, as well as any subsequent safety and security legislation or relevant sections of the Florida Administrative Code. This compliance includes, but is not limited to, adherence to the specific statutory and regulatory requirements enumerated below.

Section 4.L.1: Section 1006.12, Florida Statutes, relating to safe-school officers;

Section 4.L.2: Section 1006.07, Florida Statutes, relating to threat management teams;

Section 4.L.3: Section 1006.07, Florida Statutes, relating to School Environmental Safety Incident Reporting;

Section 4.L.4: Section 1006.1493, Florida Statutes, relating to the Florida Safe Schools Assessment Tool;

Section 4.L.5: Section 1006.07, Florida Statutes, relating to adopting an active assailant response plan;

Section 4.L.6: Section 943.082, Florida Statutes, relating to the mobile suspicious activity reporting tool;

Section 4.L.7: Section 1012.584, Florida Statutes, relating to youth mental health awareness and assistance training;

Section 4.L.8: Section 1006.07, Florida Statutes, relating to completing school campus tours;

Section 4.L.9: Section 1006.07, Florida Statutes, relating to adoption of family reunification plans;

Section 4.L.10: Section 1006.07, Florida Statutes, relating to adoption and implementation of a progressive discipline policy;

Section 4.L.11: Section 1006.07, Florida Statutes, relating to school safety requirements of physical security measures;

Section 4.L.12: Section 1006.07, Florida Statutes, relating to emergency drills and emergency procedures;

Section 4.L.13: Section1006.07, Florida Statutes, relating to control of students;

Section 4.L.14: Section 1006.07, Florida Statutes, relating to Code of Student Conduct;

Section 4.L.15: Section 1012.32, Florida Statutes, relating to qualifications of personnel;

Section 4.L.16: Rule 6A-1.0017: SESIR Rule, F.A.C;

Section 4.L.17: Rule 6A-1.0018: Safety & Security, F.A.C.; and

Section 4.L.18: Rule 6A-1.0019: Threat Management, F.A.C.

Section 4.M: **Safety & Security Reporting Requirements:** The School shall submit all required safety and security information through the Sponsor designated platform, portal, or other method as specified by the Sponsor. The School shall comply with all reasonable Sponsor-established deadlines for the submission of safety and security trainings, reports, or documentation. This would include any additional trainings, reports, or documentation deemed necessary by the Sponsor's School Safety Specialist. Such submissions must be made in a timely manner to allow for the Sponsor's review and, if necessary, corrective action, ensuring compliance with all applicable statutory and regulatory deadlines.

Section 4.N: **Subsequent Legislation:** Should any additional legislation affecting school safety or security be enacted during the term of this Agreement, the School shall promptly comply with all requirements for actions, reporting, and documentation as set forth in such legislation. Compliance shall be in accordance with the procedures described in Section 4.M above.

Section 4.O: **Mental Health Plan:** The School will annually determine whether it will participate in the Sponsor's Mental Health Plan to receive the mental health assistance allocation. If the School develops its own plan, it must submit that plan to its Governing Board for approval. After the plan is approved by the School's governing board, it must be provided to the Sponsor in the timeframe provided by the Sponsor.

ARTICLE 5: FINANCIAL ACCOUNTABILITY

Section 5.A: **Revenue - Basis for Student Funding**: The Sponsor agrees to fund the School for the students enrolled as if they are in a basic program or a special program in a school in the Sponsor's district. The basis for the funding shall be the sum of the Sponsor's

operating funds from the Florida Education Finance Program (FEFP) as provided in Section 1011.62, Florida Statutes, and the General Appropriations Act, including gross state and local funds, discretionary lottery funds, and funds from the Sponsor's district current operating discretionary millage funds, divided by the total funded weighted full-time equivalent students (WFTE) in the Sponsor's district, multiplied by the WFTE of the School, less the administrative fee as set forth in Section 1002.33(20)(a)3.The School shall receive one hundred percent (100%) of the Merit Award Program funds awarded to the School pursuant to Section 1012.225, Florida Statutes.

Section 5.A.1: **Student Reporting**: The School agrees to report to the Sponsor its student enrollment as provided in Section 1011.62, Florida Statutes, and, in accordance with the definitions contained in Section 1011.61, Florida Statutes, at the agreed-upon intervals and using the method used by the Sponsor's district when recording and reporting cost data by program. The Sponsor agrees to include the School's enrollment in the Sponsor's district report of student enrollment. In addition, for each year of the term of this charter, the School will submit the projected full-time equivalent student membership of the School to the Sponsor by the date specified by the Sponsor. The Sponsor will also provide training for the School's personnel in the use of designated district applications necessary to respond to the legislative requirements of Section 1008.345, Florida Statutes, including the annual report and the state required assessment program.

Section 5.A.1.a: **Retention of Attendance Records:** The School will retain the records documenting students' attendance, absences, and tardiness as required by applicable laws. These documents may include, but not limited to, teachers' daily attendance records, the absentee record, documentation of any changes to the absentee record, absentee slips, and any electronic absentee records. These records should be retained in accordance with the retention schedule published by Florida Department of State, Division of Library and Information Services, "General Records Schedule GS7 For Public Schools, Pre-K-12 and Adult and Career Education".

Section 5.A.2: **Distribution of Funds Schedule**: The Sponsor shall disburse the funds specified in this Article to the School in a timely and efficient manner. Timely distribution of funds to the School shall begin annually in July on a monthly basis. Until the Sponsor has conducted an official enrollment count, the monthly payments will be based on the School's prior year FTE student membership. Thereafter, the results of student enrollment counts and FTE membership surveys will be used in adjusting the amount of funds distributed monthly to the School for the remainder of the fiscal year. The Sponsor shall pay the School one-twelfth of the available funds less administrative fee as defined in Section 1002.33(20)(a), Florida Statutes within ten (10) business days of receipt by the Sponsor of a distribution of State or local funds. If payment is not made within ten (10) business days after receipt of funding by the Sponsor, the Sponsor shall pay to the School, in addition to the amount of the scheduled disbursement, interest at the rate of one percent (1%) per month calculated on a daily basis on the unpaid balance from the expiration for the ten (10) business day period until such time as the payment is made.

Section 5.A.2.a: **Disbursement - Start of New Charter School**
Pursuant to Section 1002.33(17), Florida Statutes: "For the first 2 years of a charter school's operation, if a minimum of seventy-five percent (75%) of the projected enrollment is entered into

the sponsor's student information system by the first day of the current month, the district school board shall distribute funds to the school for the months of July through October based on the projected full-time equivalent student membership of the charter school as submitted in the approved application. If less than seventy-five percent (75%) of the projected enrollment is entered into the sponsor's student information system by the first day of the current month, the sponsor shall base payments on the actual number of student enrollment entered into the sponsor's student information system. Thereafter, the results of full-time equivalent student membership surveys shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year." In no event shall monthly payments begin until the School has secured at least temporary facility approval from the appropriate licensing authority and has presented the same to the Sponsor. The Sponsor will determine the School's actual state fundable FTE using FDOE FTE reports and will make monthly payments to the School based on those reports and the most recent calculation of FEFP revenue, less payments received, less the district administrative fee, with the balance due divided by the remaining months in the fiscal year. Payment shall be on a monthly basis..

Section 5.A.3: **Adjustments**: Total funding for the School shall be recalculated during the year to reflect the revised calculations under the FEFP by the State and the actual unweighted and weighted FTE students reported by the School during the full-time equivalent survey periods designated by the Commissioner of Education. If the School submits data relevant to FTE funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State arising as a result of any errors or omissions for which the School is responsible. Upon receipt of notice from the State of such inaccuracy, the Sponsor shall promptly send notice to the School of the alleged errors discovered through such audit(s) so that the School, on its own or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same. Should the Sponsor receive notice of an FTE funding adjustment which is attributable to error, misreporting or substantial noncompliance by the charter school, the sponsor shall deduct the amount of such adjustment from the charter school's FTE funding until the total amount of the FTE funding adjustment is recovered by the Sponsor. Such adjustment shall not exceed the fiscal year. Upon receipt of notice from the State of such inaccuracy, the Sponsor shall promptly send notice to the School of the alleged errors discovered through such audit(s) so that the School, on its own or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such findings.

Section 5.A.4: **Millage Levy**: In accordance with the provisions of section 1002.33(9)(l), Florida Statutes, the School agrees that it shall not levy taxes or issue bonds secured by tax revenues. However, nothing in this provision shall preclude a municipality from levying municipal taxes during a period in which the municipality is operating a charter school.

Section 5.A.5: **Holdback/Proration**: In the event of a state holdback or a proration which reduces funding, the School's funding will be reduced proportionately. In the event that the Sponsor's district exceeds the state cap for WFTE for any expenditure category of programs established by the Legislature, resulting in unfunded WFTE for the Sponsor's district, then the School's funding shall be reduced to reflect its proportional share

of any unfunded WFTE and the School's funding will be reduced to reflect its proportionate share of any unfunded WFTE. In addition, should the Sponsor receive notice of an FTE funding adjustment which is attributable to error or substantial noncompliance by the School, the Sponsor shall deduct such assessed amount from the next available payment otherwise due the School. Upon receipt of notice from the State of such inaccuracy, the Sponsor shall promptly send notice to the School of the alleged errors discovered through such audit(s) so that the School, on its own or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such findings. In the event that the assessment is charged near the end of or after the term of this Charter where no further payments are due the School, the Sponsor shall provide prompt notice to the School which shall refund the Sponsor the amount of the assessment within thirty (30) calendar days following the conclusion of any challenge or appeal which is not concluded in the School's favor. The School will be responsible for an additional fee of one percent (1%) per month on the unpaid balance after thirty (30) calendar days from the date of notice of such assessment to be incurred solely following the conclusion of any challenge or appeal which is not concluded in the School's favor. In no event shall any interest charge exceed the legal interest rate permitted by state law.

Section 5.A.5.a: **Payment Withholding**: Distributions of FTE funds may be withheld without penalty of interest, upon written notice by the Sponsor, if any of the following required documents are more than thirty (30) calendar days overdue:

i. the School's monthly or quarterly financial statements, or

ii. the School's annual financial audit.

The Sponsor shall release, in full, any funds withheld under this provision within 10 (ten) calendar days of the Sponsor's receipt of the required documents whose absence resulted in the withholding of funds.

Section 5.A.6: **Categorical Funding**: If the School's students or programs meet the eligibility criteria in law, the School shall be entitled to its proportionate share of the categorical program funds included in the total funds available in the FEFP by the Legislature, including transportation, the evidence-based reading allocation, less the administrative fee permitted under Section 1002.33(20)(a), Florida Statutes. The School shall provide the Sponsor with documentation that categorical funds received by the School were expended for purposes for which the categoricals were established by the Florida Legislature. The School shall reimburse the Sponsor for any impermissible expenditure as established by State criteria, within thirty (30) calendar days of notice of such expenditures, following the conclusion of any challenge or appeal not concluded in the School's favor and a final determination that such expenditure was impermissible by the State or a court of law.

Section 5.A.7: **Federal Funding**: In any programs or services provided by the Sponsor which are funded by federal funds and for which federal funds follow the eligible student, the Sponsor agrees, upon adequate documentation that verifies student eligibility (e.g., approved free-and-reduced price meal applications) from the School, to provide the School with

equivalent federal funds per eligible student if the same level of service is provided by the School, provided that no federal law or regulation prohibits this transfer of funds.

Section 5.A.7.a: **Title I**: In accordance with applicable law including, without limitation, Section 1002.33(17), Florida Statutes, the Sponsor will always provide all federal funding for which the School is otherwise eligible, including Title 1 funding, not later than five (5) months after the School first opens or after a subsequent expansion of enrollment. Any Title I funds allocated to the School must be used to supplement core subjects for eligible students participating in the Title I program and shall be spent in accordance with federal regulations. These students will be identified utilizing the Survey 3 conducted annually during the prior fiscal year. Any capital outlay item purchased with Title I funds must be identified and labeled for Title I property audits. Any equipment purchased with Title I funds, which is classified as Capitalized Audio Visual or Equipment, remains the property of Title I, and must be identified and labeled for Title I property audits. If the School accepts Title I funds, at least one percent (1%) of the Title I funds budget must be spent in support of parental involvement activities. The School will ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The district and regional Title I staff will provide technical assistance and support in order to ensure that Title I guidelines are being followed at the School and that students are meeting high content and performance standards. The Sponsor agrees to timely notify the School of all dates and other information regarding reporting of student data, calendar of district in-service opportunities, and other dates and information pertinent to the School's compliance with this Charter.

Section 5.A.7.b: **IDEA**: The IDEA portion of the IDEA appropriation will be provided to the School.

Section 5.A.8: **Federal or Other Grants**: The Sponsor agrees to support the School in its efforts to secure grants by timely processing and submitting all documentation prepared by the School and necessary for the Schools competition for grants and other monetary awards, including but not limited to Federal Start-up Grant and Dissemination Grant. When the funding source requires that the Sponsor serve as the fiscal agent for a grant, the School shall, prior to generating any paperwork to the funding agency, notify the Sponsor in writing of its intent to submit a grant application and attach grant application guidelines. If the Sponsor develops a district-wide grant, the School may be included in the district proposal, if mutually agreed to by the School and the Sponsor. The Sponsor shall not agree to such participation unless the School specifically agrees to all terms, conditions, and requirements of the grant. If the School fails in any material respect to comply with said terms, conditions, and requirements, the School shall be solely responsible and liable for any consequences. When a charter school elects to participate in a district-wide grant prepared by the Sponsor's staff or when grant proposals are developed by district staff using student or School counts that include the students of the School, dollars and/or services distributed via grant funds will be provided to charter schools in the same manner as traditional public schools.

Section 5.A.9: **Other Funding Sources**: The Charter School may secure funding from private foundations, corporations, businesses and/or individuals.

Section 5.A.10: **Charter School Capital Outlay Funds:** Section 1013.62, Florida Statutes, provides procedures and guidance for the distribution of capital outlay funds appropriated to Florida's public charter schools. Capital Outlay (CO) plans must be submitted to the Florida Department of Education (FDOE) in the format and manner prescribed by the FDOE. The Sponsor will review and verify the information reported (uploaded) to the FDOE. The FDOE determines approval of the School's Capital Outlay Plan. A copy of the previous year's annual audited financials must be submitted to the School's Sponsor as well as any other supporting documentation, such as a copy of the school's accreditation by a regional accrediting association in order to verify that the charter school qualifies for capital outlay funds. The Sponsor distributes capital outlay funds to the charter schools within ten (10) calendar days upon receipt from the Florida Comptroller's Office.

Section 5.A.10.a: In accordance with Section 1002.33(8)(d), Florida Statutes, when a charter is not renewed or is terminated, the charter school shall be dissolved under the provisions of law under which the school was organized, and any unencumbered public funds, except for capital outlay funds and federal charter school program grant funds, from the charter school shall revert to the sponsor. Capital outlay funds provided pursuant to Section 1013.62, Florida Statutes, and federal charter school program grant funds that are unencumbered shall revert to the Department to be redistributed among eligible charter schools. In the event a charter school is dissolved or is otherwise terminated, all district school board property and improvements, furnishings, and equipment purchased with public funds shall automatically revert to full ownership by the district school board, subject to complete satisfaction of any lawful liens or encumbrances. Any unencumbered public funds from the charter school, district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the charter school, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the district school board's request, until any appeal status is resolved.

Section 5.A.10.b: In accordance with Section 1002.33(8)(e), Florida Statutes, if a charter is not renewed or is terminated, the charter school is responsible for all debts of the charter school. The district may not assume the debt from any contract made between the governing body of the school and a third party, except for a debt that is previously detailed and agreed upon in writing by both the district and the governing body of the school and that may not reasonably be assumed to have been satisfied by the district.

Section 5.A.10.c: The School shall provide the Sponsor's Accounting Department with lists of any property and/or improvements purchased with CO funds that the School may subsequently propose to dispose of as surplus property. The property and/or improvements purchased by the School using CO funds shall not be sold, transferred or encumbered, other than as provided herein, or disposed of by the School without obtaining the prior written consent of the Sponsor.

Section 5.A.11: **Information:** The Sponsor shall be entitled to inspection of the School's financial and pupil records upon request and reasonable notice. The School agrees that it will submit in a timely manner to the Sponsor all information pertaining to the charter school that is necessary for Sponsor to comply with Section 1010.20, Florida Statutes.

Section 5.A.12: **General Fixed Assets and Tangible Personal Property:** The School shall comply with all the requirements set forth in Florida Statutes and in the Florida Commissioner of Education's publication entitled *Financial and Program Cost Accounting and Reporting for Florida Schools* pertaining to general fixed assets and tangible personal property.

Section 5.A.13: **Access to Inventory**: The School agrees to allow the Sponsor reasonable access and the opportunity to review the inventory of public assets and records of such inventory. The inventory records should include; at minimum, the date of purchase, description of purchase, serial number of assets, cost of asset, funding source and current location of item.

Section 5.B: **Sponsor Administrative Fee**: The administrative fee calculated by the Sponsor shall be as defined in Section 1002.33(20)(a), Florida Statutes, not including capital outlay funds, federal and state grants, or any other funds, unless explicitly provided by law. The Sponsor shall not withhold an administrative fee from federal or state grants unless explicitly authorized by law. Funds from the reimbursement of any portion of the administrative fee to the school shall be used only for capital outlay purposes as specified in Section 1013.62(2), Florida Statutes. The Sponsor shall not withhold an administrative fee from capital outlay funds unless explicitly authorized by Florida law. The Sponsor shall provide those administrative and educational services specified in Section 1002.33(20)(a), Florida Statutes, to the School at no additional fee. These services shall include contract management services, FTE and data reporting, exceptional student education administration services, services related to eligibility and reporting duties required to ensure that school lunch services under the federal lunch program, consistent with the needs of the School, are provided by the school district at the request of the School; test administration services, including payment of the costs of state-required or district required student assessments; processing of teacher certificate data services, and information services, including equal access to student information systems that are used by public schools in the district in which the charter school is located as provided in Section 1002.33(20)(a), Florida Statutes, and any other services which may be included or excluded as the statute may be amended. Access by the School to other services not required in Section 1002.33(20)(a), Florida Statutes, but available through the Sponsor, may be negotiated separately by the parties. Services requiring separately negotiated contract with Sponsor are unique to each charter and must be negotiated between the School and the Sponsor. Charges for such services under those contracts will be assessed upon reasonable notice at the following rate:

> *Hourly rate + proportional benefits of the Sponsor's personnel performing the service, times the number of actual hours beyond services that are regularly regarded as district level administrative services.*

The Sponsor will invoice the School monthly for these services. The School shall issue payment no later than thirty (30) business days after receipt of an invoice. If a warrant for payment of an invoice is not issued within thirty (30) business days after receipt by the School, the School shall pay to the Sponsor, in addition to the amount of the invoice, interest at a rate of one percent (1%) per month calculated on a daily basis but in no event greater than interest rate permissible by state law on the unpaid balance from the expiration of the thirty (30) business day period until such time

as the warrant is issued. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 5.C: **Restriction on Charging Tuition**: In accordance with the provisions of Section 1002.33(9)(d), Florida Statutes, the School agrees that it shall not charge any tuition or fees to students enrolled in an FEFP funded program in any grade through Grade 12.

Section 5.D: **Allowable Student Fees**: The School further agrees that it shall not charge fees except for those fees normally charged by other public schools.

Section 5.E: **Annual Budget**: The School shall provide the Sponsor with annual preliminary and official budgets in the format prescribed by the Sponsor. The budgets must include a revenue projection sheet, a detailed budget worksheet, and a summary budget.

Section 5.E.1: **Governing Board Approval Required**: Pursuant to Section 1002.33(9)(h), Florida Statutes, the School's governing board shall annually adopt and maintain an operating budget.

Section 5.E.2: **Date to Submit Budget to Sponsor**: During each year of this Charter, the tentative budget must be submitted to the School's governing board during the preceding school year. The official approved budget is to be submitted to the Sponsor by July 15 of the preceding school year.

Section 5.E.3: **Amended Budget**: In the event that the School's governing board approves an amended budget, a copy of the amended budget shall be provided to the Sponsor within ten (10) calendar days of its approval by the School's Governing Board.

Section 5.F: **Financial Records, Reports and Monitoring**: The School shall utilize the standard state codification of accounts as contained in the most recent issue of the publication titled, *Financial and Program Cost Accounting and Reporting for Florida Schools* (the Red Book) as a means of codifying all transactions pertaining to its operations.

Section 5.F.1: **Access to Financial Records:** Upon reasonable request, the School will provide access to inspect and copy any and all financial records and supporting documentation including, but not limited to, the following items: monthly financial reports, cash receipts journals, cash disbursement journals, bank reconciliations, payroll records, general ledger account summaries and adjusting journal entries.

Section 5.F.2: **Fiscal Monitoring**: The parties agree that the Sponsor, upon a ten (10) business day notice, may make reasonable requests and the School shall provide, documents, including releases, on the School's financial operations beyond the monthly reports required by this Charter. Such reports shall be in addition to those required elsewhere in this Charter and be signed and approved by the chair of the School's governing board.

Section 5.G: **Maintenance of Funds**: Federal, state, and local funds shall be maintained by the School according to existing federal and state mandates and practices including, without limitation, any FEFP Guidelines pursuant to Section 1011.62, Florida Statutes. Separate

funds and bank accounts shall be maintained where required for federal funds and state and local funds.

Section 5.H: **Monthly Financial Reports**: Pursuant to Section 1002.33, Florida Statutes, the School shall provide monthly, or quarterly if a high-performing charter school pursuant to Section 1002.331, Florida Statutes, financial reports to the Sponsor in the format as prescribed by Rule 6A-1.0081, Florida Administrative Code, to be delivered to the Sponsor no later than the 25th day of the following month. Section 1002.33, Florida Statutes, requires the Sponsor to monitor the progress of the School towards meeting the goals established in the Charter and to monitor the revenues and expenditures of the School. The Sponsor shall not impose additional reporting requirements of the School in excess of those required by Section 1002.33, Florida Statutes, as long as the School has not been identified as having a deteriorating financial condition or financial emergency pursuant to Section 1002.345.The financial statement shall be in a form prescribed by the Department of Education. The monthly financial statements shall be prepared in accordance with Generally Accepted Accounting Principles (GAAP) in the same manner as the School's annual financial reports and presented along with the function/object dimensions prescribed in the FDOE publication titled, *Financial and Program Cost Accounting and Reporting for Florida Schools* (the Red Book.) At the discretion of the charter school's governing board, a charter school may elect to follow generally accepted accounting standards for not-for-profit organizations. The reports shall include a Balance Sheet, Statement of Revenue, Expenditures and Fund Balance, and Budget to Actual Report. The financial reports shall specifically include, but not be limited to, an accounting of all public funds received, and an inventory of the School's property purchased with such public funds as required by Sections 1002.33(9)(g), 274.02(1), and Florida Administrative Code Rule 69I-73.002, or successor statutes and rules. These monthly financial reports shall be cumulative. The statements shall have individual designations for each fund, including:

Section 5.H.1: assets, liabilities, and fund balances for each fund type;

Section 5.H.2: the budget as approved by the School's Governing Board;

Section 5.H.3: revenues and expenditures, year-to-date, vs. budget; and

Section 5.H.4: budget to actual report.

Section 5.I: **Monthly Financial Data**: The School shall implement monthly reconciliation procedures of all bank accounts. A copy of each entire bank statement, copy of cancelled checks, detailed general ledger cash accounts and supporting documentation shall be available to the Sponsor for audit review, upon request.

Section 5.I.1: **High Performing Schools:** The School shall provide a monthly financial statement to the Sponsor unless the School is designated as a high-performing charter school pursuant to Section 1002.331, Florida Statutes, in which case the high-performing charter school may provide a quarterly financial statement.

Section 5.J: **Quarterly Financial Reports:** High-performing charter schools shall submit quarterly financial reports as provided by Florida law. For purposes of this section the quarterly reporting periods will be July/August/September; October/November/December; January/February/March; and April/May/June. The quarterly reports will be delivered to the Sponsor no later than the 25th day of the following month in accordance with the accounts and codes prescribed in the most recent issuance of the publication titled "Financial and Program Cost Accounting and Reporting for Florida Schools"; or at the discretion of the School's governing board, the School may elect to follow generally accepted accounting standards for not-for-profit organizations, but must reformat this information for reporting according to Section 1002.33(9)(g)1, Florida Statutes, using the format prescribed by the Sponsor.

Section 5.K: **Evidence of Start-Up Funding**: Except for instances in which an existing Charter is renewed, the School provide to the Sponsor evidence of sufficient funds for start-up costs no later than ninety (90) calendar days prior to the start of the initial school year to assure prompt payment of operating expenses associated with the opening of the School including, but not limited to, the amount of any lease payments, teacher and other staff salaries and benefits, transportation costs, etc., for the beginning of the initial school year.

Section 5.L: **Property Inventories:** Pursuant to Rule 69I-73.002, Florida Administrative Code, the School will submit twice a year to the Sponsor a cumulative listing of all property valued over one thousand dollars ($1,000) purchased with public funds (i.e., FEFP, grant and any other public-generated funds) and private funds. The report should clearly indicate what items were purchased with public funds and which ones with private funds. Rule 69I-72, Florida Administrative Code, requires the custodian of public funds to ensure a complete physical inventory of all property. The School should maintain a subsidiary ledger of property purchased with public funds as outlined in Rule 69I-72.003, Florida Administrative Code, and have it available for review by the Sponsor. For the purpose of this section, the reporting periods will be December and June or upon written request of the Sponsor, with reasonable, mutually agreed upon notice for changing the reporting period.

Section 5.L1: The inventory report should follow the outline contained in Rule 69I-72.003, F.A.C., and must include, but not limited to:

(a) Identification number;

(b) Description of item or items;

(c) Physical location (the city, county, address or building name and room number therein);

(d) Name of custodian or custodian's delegate with assigned responsibility for the item;

(e) Class Code;

(f) In the case of a property group, the number and description of the component items comprising the group;

(g) Name, make or manufacturer, if applicable;

(h) Year and/or model(s), if applicable;

(i) Manufacturer's serial number(s), if any; and if an automobile, vehicle identification number (VIN) and title certificate number, if applicable;

(j) Date acquired; and

(k) Cost or value at the date of acquisition for the item or the identified component parts thereof.

Section 5.M: **Program Cost Report**: The School shall deliver to the Sponsor the School's Annual Program Cost Report for Charter Schools in the format as prescribed by the FDOE no later than the last business day in July of each year.

Section 5.N: **Annual Financial Audit**: At the School's sole expense, an annual audit of the School shall be conducted by a qualified, independent certified public accountant licensed to practice public accounting in the State of Florida and selected pursuant to the provisions and through the process of Section 218.391, Florida Statutes, and approved by the School's governing board, which approval shall not be unreasonably withheld, and shall be paid for by the School. The annual audits shall be performed in accordance with Generally Accepted Auditing Standards; Government Auditing Standards, issued by the Comptroller General of the United States; and the Rules of the Auditor General, State of Florida. The annual audit shall be conducted in a manner similar to that required of the Sponsor's school district by Section 218.39, Florida Statutes, in compliance with federal, state and school district regulations showing all revenues received from all sources and all direct expenditures for services rendered and shall be provided to the Sponsor by no later than September 30 of each year of the term of this Charter. The School's independently audited financial statements shall be included in this annual audit report. The annual audit reports shall be a complete presentation in accordance with generally accepted accounting principles including Management, Discussion and Analysis (MD&A). MD&A may be omitted from the audit with the consent of the Sponsor. The School shall ensure that the annual audit reports are in compliance with Chapters 10.800 and 10.850, Rules of the Auditor General, as applicable. The independent financial auditor shall report on the expenditure of the categorical funds. The School must comply with all provisions related to the submission of its audit report to the Auditor General including the response/rebuttal and corrective actions.

Section 5.N.1: **Annual Financial Audit: Distribution of Copies**: The findings shall first be reported by the auditor to the principal or administrator of the School and all persons serving on the School's governing board during an exit interview conducted within seven (7) business days of the conclusion of the audit or in such reasonable time thereafter as a meeting of the School's governing board may be scheduled for such purpose. Within fourteen (14) business days of the exit interview, the auditor shall provide a final report to the School's entire Governing Board, the Sponsor, and the FDOE. If the audited financial statements reflect a deficit financial position, the auditor is required to notify the School's governing board, the Sponsor, and the Department of Education of such circumstances. The School shall ensure timely submission of its annual audit report to the Auditor General, pursuant to Section 218.39(1) and (8), Florida

Statutes. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed. The auditor's failure to act timely shall not be cause for default or termination of this Charter.

Section 5.N.2: **Additional Audits Required by Sponsor**: The Sponsor reserves the right to perform additional audits at Sponsor's expense as part of the Sponsor's financial monitoring responsibilities as it deems necessary and appropriate pursuant to Section 1002.33(5)(b), Florida Statutes. The Sponsor has the right to review upon request all documentation pertaining to children with disabilities at the School.

Section 5.N.3: **Audited Financial Statements**: During each year of the term of this Charter, the School agrees to provide the Sponsor with the School's audited financial statements for the year ending June 30. The audited financial statements shall be prepared in the format required by Governmental Accounting Standards Board Statement No. 34 Basic Financial Statements and Management's Discussion & Analysis for State and Local Governments and presented in the Sponsor's Annual Comprehensive Financial Report (ACFR). The ACFR format should be provided no later than September 30 of each year. The annual audited financial reports shall include a complete set of financial statements, management's discussion & analysis, and notes thereto prepared in accordance with Generally Accepted Accounting Principles accepted in the United States of America and a management letter resulting from the financial statement audit. The audited financial statements and related management letter shall be provided no later than September 30 of each year. Municipal charters shall submit the annual audits no later than December 31 of each year.

Section 5.N.4: **Unaudited Financial Statements:** During each year of the term of this Charter, the School agrees to provide the Sponsor with the School's unaudited financial statements for the year ending June 30. The unaudited financial statements will be presented in the Sponsor's Annual Comprehensive Financial Report (ACFR). The ACFR format should be provided by the Sponsor no later than June 1 of each year. The unaudited financial reports should be prepared in accordance with Generally Accepted Accounting Principles. The unaudited financial statements shall be provided to the Sponsor no later than August 15 of each year.

Section 5.O: **School's Fiscal Year**: The School's fiscal year shall be the same as that of the Sponsor during the term of this Charter and shall commence on July 1 and conclude on June 30.

Section 5.P: **State of Financial Emergency:** Financial audits that reveal a state of financial emergency as defined in Section 218.503, Florida Statutes, and are conducted by a certified public accountant or auditor in accordance with Section 218.39, Florida Statutes, shall be provided to the Governing Body of the School within seven (7) business days after finding that a state of financial emergency exists. The School shall comply with the requirements of Section 218.501, Florida Statutes, regarding fiscal responsibility. The School's auditor shall report such findings in the form of an exit interview to the Chief Administrator/Principal of the School, and the Chair of the Governing Board, the Sponsor's Office of the Chief Auditor, and the Sponsor's Charter Schools Management/Support Department within seven (7) business days after finding the

state of financial emergency or deficit position, or as soon thereafter as a meeting shall be scheduled for such purpose. Pursuant to Section 218.503, Florida Statutes, the final report shall be provided to the entire Governing Board, the Sponsor and the Department of Education within fourteen (14) business days after the exit interview. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 5.P.1: **Financial Recovery Plans**: If the School is notified by the Commissioner of Education that a Financial Recovery Plan is required, the School must comply with applicable Florida Statutes and regulations governing Financial Recovery Plans, as amended from time to time, and will submit a detailed Financial Recovery Plan with the Sponsor and the Commissioner of Education within thirty (30) calendar days after receipt of such notice. Failure to timely submit a Financial Recovery Plan within a reasonable time following a finding of financial emergency constitutes good cause to terminate this Charter. The Financial Recovery Plan submitted by the School to the Sponsor and the Commissioner of Education in response to a finding of financial emergency pursuant to Section 218.503, Florida Statutes, must address the specific audit findings and must also show how the School will meet its current and future obligations and be a financially viable entity within the time period specified in the approved Financial Recovery Plan. Each financial recovery plan will be prepared in accordance with guidelines established by the FDOE and shall prescribe actions that will resolve or prevent the condition(s) that constitute a financial emergency. The Financial Recovery Plan must specify dollar amounts or cost cuts, cost avoidance, and/or realistic revenue projections that will allow the School to correct the condition(s) that caused the School to be found in a state of financial emergency. The Financial Recovery Plan must include appropriate supporting documentation. The Financial Recovery Plan will be subject to review and oversight. The Commissioner of Education may require and approve a Financial Recovery Plan pursuant to Section 218.503, Florida Statutes. In such instances, the School shall be responsible for implementing any Financial Recovery Plan. In the event of a finding of financial emergency and submission of an acceptable Financial Recovery Plan pursuant to Section 218.503, Florida Statutes, the School shall provide periodic financial reports to the School's governing board, the Sponsor, and the Commissioner of Education in a format sufficient to monitor progress toward achieving the Financial Recovery Plan. Failure to provide such periodic progress reports may constitute good cause for termination of this Charter. The Sponsor may choose to non-renew or terminate this Charter if the School fails to correct the deficiencies in a Financial Recovery Plan within one (1) year or if the School exhibits one (1) or more financial emergency conditions for two (2) consecutive years. If any Financial Recovery Plan submitted by the School is not properly implemented, subsequent to notice and an opportunity to cure, such improper implementation or failure to comply with the terms of the Financial Recovery Plan as determined by the Commissioner of Education shall be a material violation of this Charter and constitute good cause for its termination by the Sponsor.

Section 5.Q: **Deteriorating Financial Condition**: In the event the School is identified as having a deteriorating financial condition as defined by Section 1002.345, Florida Statutes, and the rules adopted by the State Board of Education, the Sponsor shall conduct an expedited review of the School. The School and the Sponsor shall develop and file a Corrective Action Plan with the Florida Commissioner of Education in accordance with Section 1002.345, Florida Statutes.

Section 5.Q.1: **Corrective Action Plans**: The School's governing body of the School shall be responsible for performing the duties in Section 1002.345, Florida Statutes, including implementation of a Corrective Action Plan (CAP). The School and Sponsor shall work collaboratively to develop a CAP in accordance with Section 1002.345, Florida Statutes, and Section 6A-1.0081, Florida Administrative Code. If the School and Sponsor cannot agree on a CAP, then each will submit their own proposed CAP to the Commissioner of Education. The School and Sponsor's Financial Recovery Committee will conduct meetings on an as needed basis as determined by the Sponsor to monitor progress upon any Corrective Action Plan. The Sponsor may choose to non-renew or terminate this Charter if the School fails to correct the deficiencies in a Corrective Action Plan within one (1) year.

Section 5.R: **Financial Management of School**: The School shall conduct fiscal management of its operations in accordance with the School's governing laws and rules, the provisions of this Charter, and all applicable federal, state and local policies.

Section 5.S: **Description of Internal Audit Procedures**: The School shall implement the internal audit procedures described in the School's governing laws and rules, the provisions of this Charter, and all applicable Sections of the School's approved Application **(Appendix 1).**

Section 5.T: **Other Government Reports**: The School shall provide the Sponsor with copies of all reports required to be filed with the Government of the United States and the State of Florida no later than one month after the due dates for such reports. Such reports shall include, but are not limited to, all payroll tax returns, and any required filing related to the School's nonprofit status.

ARTICLE 6: FACILITIES

Section 6.A: **Facility Notification and Inspection**: The School shall comply with the provisions of this section governing facility notification and inspection.

Section 6.A.1: **Facility Location**: The School is located at 2550 South Flamingo Road, Davie, Florida 33325.

Section 6.A.2: **District Inspection of Facility**: The School will be responsible for providing or hiring companies to perform inspections as required and forwarding results to the Sponsor. All facilities, including leased facilities, must be inspected annually by the local Fire Authority having jurisdiction. Upon reasonable notice, the Sponsor shall conduct periodic site visits for the purpose of reviewing and documenting, as appropriate, compliance with applicable health and safety requirements. Other inspection agencies may include, without limitation: Broward County Health Department to do inspections of the kitchens and related spaces; the Department of Labor and Employment to inspect for OSHA compliance. The School must show proof of the annual inspections at least ten (10) business days prior to the first day of each year of operation. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 6.B: **Compliance with Building and Zoning Requirements**: The School shall comply with all applicable laws, ordinances, and codes of federal, state, and local governance, including the IDEA, the ADA, and Section 504 of the Rehabilitation Act. The School shall obtain all necessary licenses, permits, zoning, use approval, facility certification, and other approvals required for use and continued occupancy of the facility as required by the local government or other governmental agencies, and copies shall be provided to the Sponsor.

Section 6.B.1: **Florida Building Code**: The School agrees to use facilities that comply with the Florida Building Code, as it pertains to charter schools, or with applicable state minimum building codes pursuant to Chapter 553, Florida Statutes, as each are applicable to charter schools, except for the requirements of the State Requirements for Educational Facilities (SREF).

Section 6.B.2: **Florida Fire Prevention Code**: The School agrees to use facilities that comply with the state minimum fire protection codes pursuant to Section 633.025, Florida Statutes, as adopted by the authority in whose jurisdiction the facility is located, including reference documents, applicable state and federal laws and rules.

Section 6.B.3: **Capacity of Facility**: At no time will the enrollment exceed the number of students approved in this Charter, the School's Application **(Appendix 1)** or permitted by zoning capacity and all applicable laws and regulations. The School shall not be entitled to monthly payments for students in excess of the School's valid facility capacity as determined by the School's Certificate of Occupancy, Certificate of Use or Fire Permit (whichever is less). Payments may be withheld if the School's Certificate of Occupancy, Certificate of Use or Fire Permit has expired or has otherwise become invalid until such defect has been cured. In the event that the required county and/or municipality facility permits do not indicate a facility's capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.

Section 6.C: **Location**: The School agrees to provide the Sponsor with documentation regarding the School's property interest (owner or lessor) in the property and facility where the School will operate. If the School does not own the property and facility, the School must show proof of a signed lease before the initial opening day of class. For leased properties, the School shall obtain from the landlord, and provide to the Sponsor, an affidavit indicating the method by which the landlord is complying with the requirements of Section 196.1983, Florida Statutes, regarding charter school exemption from ad valorem taxes. Lessor and Lessee shall provide the Sponsor with a disclosure affidavit in accordance with Section 286.23, Florida Statutes.

Section 6.C.1: **Temporary Facility**: The School may only use a temporary facility when the facilities approved within this agreement are temporarily not suitable for student use under all applicable laws, ordinances, and codes of federal, state, and local governance. Approved use of a temporary facility for a period of more than sixty (60) calendar days will require the amendment of this Charter by the parties.

Section 6.C.2: **Relocation**: The School shall notify the Sponsor in writing no less than ninety (90) days prior to any relocation. Any such relocation must be mutually agreed upon by both parties through the amendment of this Charter.

Section 6.C.3: **Additional Campuses**: The development by the School of additional campuses shall not be permitted under this Agreement. In the event that the School desires to construct and develop any additional campuses, the School shall be required to apply for and obtain a separate charter from Sponsor for each such new campus.

Section 6.C.4: **Shared Use of a Facility with Other Entities**: The School is co-located with Atlantic Montessori Charter School (5029) and Atlantic Montessori Charter School – West Campus (5164). The School shall disclose to the Sponsor the identity of any entity with whom it will share the facility or space or share any temporary facility during the term of this Charter. The School shall disclose the names of the co-located entities to the parents of all students enrolled in the school annually in writing and will place the names of the other entities on its state mandated website.

Section 6.C.4.a: **Entity Disclosure:** The School shall enroll all eligible students in accordance with Section 1002.33(10), Florida Statutes. The School's enrollment, when combined with the enrollment of other co-located school(s), may not exceed the building capacity established by the applicable certificate of occupancy. If the combined enrollment of the co-located schools should exceed the building capacity established by the applicable certificate of occupancy, Sponsor may terminate the charter school agreement of each of the co-located schools for good cause.

Section 6.D: **Prohibition to Affix Religious or Partisan Political Symbols, Statues, Artifacts on or About the Facility**: The School agrees not to affix any religious or partisan political symbols, statues, artifacts, etc., on or about the property and facilities where the School will operate.

Section 6.E: **Additions, Changes & Renovations:** The School must provide notice to the Sponsor of any proposed material additions, changes and renovations to be made to the educational facilities described in the original proposal. Such additional changes or renovated facilities may not be utilized for student activities until the Sponsor is provided copies of certificates of occupancy issued for such facilities and [if applicable] written approval obtained from the Broward County Traffic Engineering Department as to traffic control and pedestrian travel associated with said facilities. A "material addition, change or renovation" is defined as any improvement to real property that alters the square footage of the educational facility.

Section 6.F: **Disaster Preparedness Plan**: The School shall adopt the Sponsor's Disaster Preparedness Plan or submit the School's plan to the Sponsor for approval.

ARTICLE 7: TRANSPORTATION

Section 7.A: **Provision of Transportation by the School**: Transportation of charter school students shall be provided by the charter school consistent with the requirements of subpart I.E., of Chapter 1006, and Section 1012.45, Florida Statutes. The governing body of the charter school may provide transportation through an agreement or contract with the district school board, a private provider, or parents. The charter school and the sponsor shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance of the School. Any brochure, flyers or other multi-media and telecommunications information furnished/published by the School shall communicate that the School will provide transportation and the manner in which it will be made available to the School's students. The School acknowledges that the McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11431, et. seq.) requires that each child of a homeless individual and each homeless youth be afforded equal access to the same free, appropriate public education as provided to other children and youths. At the request of the parent or guardian, the School will provide transportation for a homeless student. The School shall provide transportation for students with disabilities enrolled in the School if required by the student's IEP. The rate of reimbursement to the School by the Sponsor for transportation will be equivalent to the reimbursement rate provided by the State of Florida for all eligible transported students.

Section 7.B: **Cooperation between Sponsor and School**: The School agrees that transportation shall not be a barrier to equal access for any student residing within a reasonable distance of the School as determined by the School's transportation plan. The School may contract with the Sponsor for student transportation services or with a private provider of transportation services or with parents as provided in Section 1002.33(20)(c), Florida Statutes. If the School contracts with a private transportation firm, the School will provide the Sponsor the name of such firm as part of the School's final transportation plan.

Section 7.C: **Reasonable Distance**: The School shall be responsible for transporting all students in a non-discriminatory manner to and from the School who reside two or more miles from the School and are within a reasonable distance of the School, or who are otherwise entitled to transportation by law. The term "reasonable distance" shall mean more than 2 and less than 4 miles.

Section 7.D: **Transportation Safety Compliance**: The School shall demonstrate compliance with all applicable transportation safety requirements. Unless it contracts with the Sponsor for the provision of student transportation, the School is required to ensure that each school bus transporting the School's students meets applicable federal motor vehicle safety standards and other specifications. The School agrees to monitor the status of the commercial driver's licenses of each school bus driver employed or hired by the School (hereafter "School Bus Drivers") unless it contracts with Sponsor to provide such services. The School will provide the Sponsor's Charter Schools Management/Support Department, an updated list each quarter of all School Bus Drivers providing commercial driver's license numbers, current license status and license expiration dates.

Section 7.E: **Failure to Comply:** Failure to materially comply with any local, state or federal rule or regulation concerning school transportation after notice and reasonable opportunity to cure, may constitute good cause for termination of this Charter School Agreement.

Furthermore, the School shall promptly reimburse the Sponsor for any penalties incurred by the Sponsor as a result of the School's non-compliance. If the School submits data relevant to FTE funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State arising as a result of any errors or omissions for which the School is responsible. Upon receipt of notice from the State of such inaccuracy, the Sponsor shall promptly send notice to the School of alleged errors discovered through such audit(s) so that the School on its own, or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same. Such adjustments shall not exceed the fiscal year.

ARTICLE 8: INSURANCE & INDEMNIFICATION

Section 8.A: **Indemnification of Sponsor by School**: Nothing contained in this Charter is intended to serve as a waiver of sovereign immunity of any rights or limits to liability provided by Section 768.28, Florida Statutes. To the extent permitted by law under Section 768.28, Florida Statutes, the School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from:

Section 8.A.1: the negligence, intentional wrongful act, misconduct or culpability of the School or of the School's employees or other agents in connection with and arising out of their services within the scope of this Charter;

Section 8.A.2: the School's material breach of this Charter or applicable federal or state law;

Section 8.A.3: any failure by the School to pay its employees, contractors, suppliers, subcontractors, or any other creditors;

Section 8.A.4: any failure by School to correct deficiencies found in casualty, safety, sanitation and fire safety inspections;

Section 8.A.5: the failure of the School's officers, directors or employees to comply with any laws, statutes, ordinances or regulations of any governmental authority or subdivision that apply to the operation of the School or the providing of educational services set forth in this Charter. However, the School shall not be obligated to indemnify the Sponsor against claims, damages, expenses or liabilities to the extent these may result from the negligence of the Sponsor, its members, officers, employees, subcontractors or others acting on its behalf;

Section 8.A.6: any professional errors or omissions, or claims of errors or omissions, by the School employees, agents, or by the School's governing board;

Section 8.A.7: any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School; or

Section 8.A.8: any penalties incurred by the Sponsor as a result of the School's noncompliance with Article 7 or reimbursements to the State arising as a result of any errors or omissions in data relevant to FTE funding for which the School is responsible;

Section 8.A.9: However, the School shall not be obligated to indemnify the Sponsor against claims, damages, expenses or liabilities to the extent these may result from the negligence of the Sponsor, its directors, officers, employees, subcontractors, or others acting on its behalf other than the School, its directors, officers, employees, subcontractors and suppliers.

Section 8.B: **Defense of Claims against the Sponsor**: The School agrees to defend any and all such action using competent counsel, selected by the School, subject to Sponsor's approval, which shall not be unreasonably withheld.

Section 8.C: **Indemnity for Professional Liability**: The School's duty to indemnify the Sponsor for professional liability as insured by the School Leaders Errors and Omissions policy described in this Charter shall continue in full force and effect notwithstanding the expiration, non-renewal or early termination of this Charter with respect to any claims based on facts or conditions which occurred prior to termination. The School's Errors and Omissions limitation on post-termination claims of professional liability shall not impair the Sponsor's claims to indemnification with respect to a claim for which the School is insured or for which the School should have been insured under Commercial General Liability Insurance, Automobile Liability Insurance or Employer's Liability Insurance.

Section 8.D: **Indemnity for Certain Specified Claims**: The School shall also indemnify, defend and protect and hold the Sponsor harmless against all claims and actions brought against the Sponsor by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, software, machine or appliance used by the School, any failure of School to comply with provisions of the Individuals with Disabilities Education Act (IDEA), including failure to provide a Free Appropriate Public Education (FAPE) to an enrolled student or failure to furnish services provided for in a student's individual education plan, and any violation by School of the state's public records or open meetings laws.

Section 8.E: **Indemnification of School by Sponsor**: Nothing contained in this Charter is intended to serve as a waiver of sovereign immunity of any rights or limits to liability provided by Section 768.28, Florida Statutes. To the extent permitted by law under Section 768.28, Florida Statutes, the Sponsor agrees to indemnify, defend and hold the School, its members, officers, employees and agents harmless from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from:

Section 8.E.1: the negligence, intentional wrongful act, misconduct or culpability of the Sponsor or of the Sponsor's employees or other agents in connection with and arising out of their services within the scope of this Charter;

Section 8.E.2: the Sponsor's material breach of this Charter or applicable federal or state law;

Section 8.E.3: any failure by the Sponsor to pay its suppliers or any subcontractors;

Section 8.E.4: the failure of the Sponsor's officers, directors or employees to comply with any laws, statutes, ordinances or regulations of any governmental authority or subdivision that apply to the operation of the School or the providing of educational services set forth in this Charter. However, the Sponsor shall not be obligated to indemnify the School against claims, damages, expenses or liabilities to the extent these may result from the negligence of the School, the School's governing board members, officers, employees, subcontractors or others acting on the School's behalf; or

Section 8.E.5: any professional errors or omissions, or claims of errors or omissions, by the Sponsor's employees, agents, or School Board Members.

Section 8.F: **Defense of Claims against the School**: The Sponsor agrees to defend any and all such action using competent counsel, selected by the Sponsor, subject to School's approval, which shall not be unreasonably withheld.

Section 8.G: **Notice of Claims**: The School and the Sponsor shall notify each other of the existence of any third party claim, demand or other action giving rise to a claim for indemnification under this Charter (a Third Party Claim) and shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that if the School or Sponsor shall fail to undertake or to so defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the Third Party Claim for the account and at the risk and expense of the School or Sponsor, which they agree to assume. The School and Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a Third-Party Claim.

Section 8.H: **Sovereign Immunity**: Notwithstanding anything herein to the contrary, neither party waives any of its sovereign immunity, and any obligation of one party to indemnify, defend or hold harmless the other party as stated above shall extend only to the limits, if any, permitted by Florida law, and shall be subject to the monetary limitations established by Section 768.28, Florida Statutes. Nothing herein shall be deemed to be a waiver of rights or limits to liability existing under Section 768.28, Florida Statutes.

Section 8.I: **Acceptable Insurers**: Insurers providing the insurance required of the School by this Charter must meet the following minimum requirements:

Section 8.I.1: Be authorized by certificates of authority from the Department of Insurance of the State of Florida, an eligible surplus lines insurer under Florida Statutes, or be an authorized insurance trust as approved by the Florida Office of Insurance Regulation with acceptable financials as defined in Section 163.01, Florida Statutes. In addition, the insurer, or in the case of an authorized insurance trust, the re-insurer, must have a Best's Rating of "A-" or better and a Financial Size Category of "VI" or better according to the latest edition of

Best's Key Rating Guide, published by A.M. Best Company, within the last thirty (30) calendar days of certificate issuance; and

Section 8.I.2: If, during the period when an insurer is providing insurance required by this Charter, an insurer shall fail to comply with the foregoing minimum requirements, the School shall, as soon as it has knowledge of any such failure, immediately notify the Sponsor and immediately replace the insurance with new insurance from an insurer meeting the requirements. Such replacement insurance coverage must be obtained within twenty (20) calendar days of cancellation or lapse of coverage.

Section 8.J: **Commercial and General Liability Insurance**: The School shall, at its sole expense, procure, maintain and keep in force Commercial General Liability Insurance which shall conform to the following requirements:

Section 8.J.1: **Liabilities Covered:** The School's Commercial General Liability Insurance shall cover the School for those sources of liability (including, but not limited to, coverage for Premises Operations, Products/Completed Operations, Contractors, and Contractual Liability) which would be covered by the latest occurrence form edition of the standard Commercial General Liability Coverage Form (ISO form CG 00 01), as filed for use in the State of Florida by the Insurance Services Office.

Section 8.J.2: **Minimum Limits:** The minimum limits to be maintained by the School (inclusive of any amounts provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence/Two Million Dollars ($2,000,000) annual aggregate.

Section 8.J.3: **Deductible/Retention:** Except with respect to coverage for Property Damage Liability, the Commercial General Liability coverage shall apply on a first dollar basis without application of any deductible or self-insured retention unless the School is governed by a municipality. The coverage for Property Damage Liability may be subject to a maximum deductible or self-insured retention of One Thousand Dollars ($1,000) per occurrence. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions. The municipality governing this school will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations.

Section 8.J.4: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on an occurrence basis. If on a claims-made basis, the School shall maintain without interruption the Liability Insurance until four (4) years after termination of this Charter.

Section 8.J.5: **Additional Insureds:** The School shall include the Sponsor and its members, officers, employees and agents as "Additional Insureds" on the required Liability Insurance. The coverage afforded for such Additional Insureds shall be no more restrictive than that which would be afforded by adding the Sponsor as Additional Insureds using the latest Additional Insured – Owners, Lessees or Contractors (Form B) Endorsement (ISO Form

CG 20 10). The certificate of insurance shall be clearly marked to reflect "The Sponsor, its members, officers, employees and agents as Additional Insureds (ISO Form CG 20 10)".

Section 8.K: **Automobile Liability Insurance**: The School shall, at its sole expense, procure, maintain and keep in force Automobile Liability Insurance which shall conform to the following requirements:

Section 8.K.1: **Liabilities covered:** The School's insurance shall cover the School for Automobile Liability which would be no less restrictive than the latest occurrence edition of the standard Business Auto Policy (ISO Form CA 00 001), which includes coverage for Contractual Liability, as filed for Sponsor in the State of Florida by the Insurance Services Office. Coverage shall be included on all Owned, Non-Owned and Hired automobiles, buses and other vehicles used in connection with this Charter. In the event the School does not own any vehicles, we will accept hired and non-owned coverage in the amounts listed above. In addition, we will require an affidavit signed by the School indicating the following:

> *The School does not own any vehicles. In the event we acquire any vehicles throughout the term of this agreement, the School agrees to provide proof of "Owned Auto" coverage effective date of acquisition.*

If School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/Self-Insured Retentions. The municipality governing the School will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations.

Section 8.K.2: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on an occurrence basis. If on a claims-made basis, the School shall maintain, without interruption, the Automobile Liability Insurance until four (4) years after termination of this Charter.

Section 8.K.3: **Minimum Limits:** The minimum limits to be maintained by the School (inclusive of any amount provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence, and if subject to an annual aggregate, Three Million Dollars ($3,000,000) annual aggregate.

Section 8.K.4: **Coverage Form:** Such coverage shall not be any less restrictive than the standards ISO Business Auto Policy CA 00 01.

Section 8.L: **Workers Compensation/Employer's Liability**: The School shall, at its sole expense, provide, maintain and keep in force Workers' Compensation and Employer's Liability Insurance which shall conform to the following requirements:

Section 8.L.1: **Coverages:** The School's insurance shall cover the School (and to the extent its subcontractors and its sub-subcontractors) for those sources of liability which would be covered by the latest edition of the Standard Workers' Compensation Policy, as filed for use in Florida by the National Council on Compensation Insurance, without restrictive endorsements. In addition to coverage for the Workers' Compensation Act, where appropriate, coverage is to be included for the Federal Employers' Liability Act and any other applicable federal and state law.

Section 8.L.2: **Minimum Limits:** Subject to the restrictions found in the standard Workers Compensation Policy, there shall be no maximum limit on the amount of coverage for statutory liability imposed by the Florida Workers' Compensation Act or any coverage customarily insured under Part One of the Standards Workers' Compensation Policy. The minimum amount of coverage for those coverages customarily insured under Part Two – Employer's Liability of the Standard Workers' Compensation Policy (inclusive of any amounts provided by any umbrella or excess policy) shall be One Million Dollars ($1,000,000) per occurrence, and if subject to an annual aggregate, Two Million Dollars ($2,000,000) annual aggregate. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/Self-Insured Retentions. The municipality governing this school will be responsible for any outstanding deductibles/Self-Insured Retentions if the School is unable to meet its financial obligations. Otherwise, coverage is required to be first dollar with no deductible. In the event that the School leases employees, it shall provide certified proof that the corporation from which it leases service maintains appropriate Workers' Compensation coverage. In addition, we will require a signed Workers Compensation affidavit by the School.

Section 8.M: **School Leader's Errors and Omissions Insurance**: Subject to reasonable commercial availability, the School shall, at its sole expense, procure, maintain and keep in force the School Leader's Errors and Omissions Liability Insurance which shall conform to the following requirements:

Section 8.M.1: **Form of Coverage:** The School Leader's Errors and Omissions Liability Insurance maintained by the School shall be on a form acceptable to the Sponsor and shall cover the School for those sources of liability typically insured by School Leader's Errors & Omissions Insurance for claims arising out of the rendering of or failure to render professional services in the performance of this Charter, including all provisions of indemnification which are part of this Charter.

Section 8.M.2: **Coverage Limits:** The insurance shall be subject to a maximum deductible not to exceed Twenty-Five Thousand Dollars ($25,000) per claim and the School shall be held responsible for any loss payments within the deductible. The minimum limits to be maintained by the School (inclusive of any amounts provided by an umbrella or excess policy) shall be One Million Dollars ($1,000,000) per claim/annual aggregate.

Section 8.M.3: **Occurrence/Claims:** Subject to reasonable commercial availability, coverage shall be on a claims-made basis, the School shall maintain,

without interruption, the Errors and Omissions Insurance until four (4) years after termination or non-renewal of this Contract.

Section 8.N: **Employees Dishonesty/Crime Insurance or Fidelity Bond:** The School shall purchase Employees Dishonesty /Crime Insurance for all governing board members and employees including Faithful Performance coverage for the School's administrators/principal and governing board with an insurance carrier authorized to do business in the State of Florida and shall be in the amount of no less than One Million Dollars ($1,000,000) per occurrence/claim. In lieu of Employee Dishonesty /Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.

Section 8.O: **Property Insurance**: The School agrees to obtain and maintain hazard insurance coverage for its own buildings and contents and agrees to provide proof of such insurance and its renewals to the Sponsor. The School agrees to insure any real property that it owns or leases at replacement cost coverage based on current total insured values. School's property insurance must include Hurricane and Windstorm coverage for real property. The deductible shall not be greater than five percent (5%) of the Total Insured Value (TIV). If the School is governed by a municipality, the Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/SIR.

Section 8.P: **Applicable to Other Coverages**: The following provisions are applicable to all insurance coverages required under this Charter:

Section 8.P.1: **Other Coverages:** The insurance required under this contract shall be endorsed to be primary of all other valid and collectable coverages maintained by the Sponsor and indicated on such Certificate of Insurance. Any other insurance or self-insurance maintained by the Sponsor or its members, officers, employees or agents shall be in excess of the insurance provided by or on behalf of the School.

Section 8.P.2: **Deductibles/Retention:** Except as otherwise specified in this Charter, the insurance maintained by the School shall apply on a first dollar basis without application of a deductible or self-insurance retention. If the School is governed by a municipality, then Sponsor's Risk Management Department can elect to accept program deductibles/Self-Insured Retentions as long as the Sponsor receives prior written notice from the municipality that the municipality will be responsible for any loss payments within the deductible/SIR. The municipality governing this charter school will be responsible for any outstanding deductibles/SIR if the School is unable to meet its financial obligations.

Section 8.P.3: **Liability and Remedies:** Compliance with the insurance requirements of this Charter shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees or agents by the insurance shall be in addition to and not in lieu of any other remedy available under this Charter or otherwise.

Section 8.P.4: **Subcontractors:** The School shall require its subcontractors and sub-subcontractors to maintain any and all insurance required by law. Except to the extent required by law, this Charter does not establish minimum insurance requirements for subcontractors or sub-subcontractors. However, the Sponsor will rely on the School to monitor and notify its subcontractors and their sub-subcontractors to confirm coverage is in force for the duration of the subcontractor/sub-subcontractor contract and have certificates of insurance on file to provide historical documentation should a claim occur that has not yet been reported to the School.

Section 8.P.5: **Provision for Cure**: The School shall cure any non-compliance with this Article 8 of the Charter within ninety (90) business days of the School's receipt from the Sponsor of written notice of the non-compliance.

Section 8.P.6: **Default upon Non-Compliance**: The School shall be in default of this Charter should it fail to procure, maintain and keep in effect the insurance coverages required by this Charter. Lapse of insurance coverage as described in this Charter will be considered good cause for recommendation of termination of this Charter.

Section 8.P.7: **Approval by Sponsor:** Neither approval by the Sponsor nor failure to disapprove the insurance furnished by the School shall relieve the School of the School's full responsibility to provide the insurance as required by this Charter.

Section 8.P.8: **Combined Services Coverage**: Combined services coverage under this Charter shall be permitted subject to approval by the Sponsor's Insurance and Benefits Department.

Section 8.P.9: **Default upon Non-Compliance:** The School shall be in material default of this Charter for failure to procure, maintain and keep in effect the insurance as required by this Charter.

Section 8.P.10: **Changes in Insurance Coverage**: The School must notify Sponsor of any contemplated material changes in insurance coverage.

Section 8.Q: **Evidence of Insurance**: Without limiting any of the other obligations of the School, the School shall, at the School's sole expense, procure, maintain and keep in force the amounts and types of insurance conforming to the minimum requirements set forth in this Charter. The School shall provide evidence of such insurance in the following manner:

Section 8.Q.1: **Time to Submit:** The School shall furnish the Sponsor with fully completed Certificate(s) of Insurance signed by an authorized representative of the insurer(s) providing the coverages. Except as otherwise specified in this Charter, the insurance shall commence prior to the commencement of the opening of the School and shall be maintained in force, without interruption, until this Charter is terminated. Evidence of insurance shall be provided by the School to the Sponsor before the initial opening day of classes. The School shall furnish the Sponsor with fully completed Certificate(s) of Insurance, signed by an authorized representative of the insurer(s) providing the coverage, four (4) weeks prior to the initial opening

day of classes for each school year. The certificates shall name the Sponsor as an Additional Insured if required by specific provisions of this contract addressing that form of insurance.

Section 8.Q.2: **Notice of Cancellation:** Each certificate of insurance shall contain a provision for written notification to the Sponsor in accordance with policy provisions as outlined in the current ISO Accord 25 (2009/09) form; or should older ISO versions be available provide a minimum of thirty (30) day notice of material changes or cancellation to Sponsor.

Section 8.Q.3: **Renewal/Replacement:** Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the Sponsor with evidence of the renewal or replacement of the insurance no less than thirty (30) business days before the expiration or termination of the required insurance for which evidence was provided.

Section 8.Q.4: **Pre-Charter Submission of Evidence**: Notwithstanding any other provision contained herein, the School may submit evidence of insurance prior to approval of this charter substantially similar to the insurance provisions set forth in this section and subject to Sponsor's approval.

ARTICLE 9: GOVERNANCE

Section 9.A: **Public or Private Employer**: Pursuant to Section 1002.33(12)(i), Florida Statutes, the School is operating as a private employer. The employees have contracted their services directly to the School or its governing body and as such, are not public employees.

Section 9.B: **Governing Board Responsibilities**: The School's governing body shall be made up of its governing board. The governing board of the School shall be responsible for all fiduciary, legal and regulatory compliance issues and shall perform all duties set forth in the School's Approved Application **(Appendix 1)** and the following duties and responsibilities:

Section 9.B.1: annually adopt and maintain an operating budget and submit its approved budget to the Sponsor by July 1 of each year along with a copy of the minutes of the meeting showing approval of the budget by the governing board;

Section 9.B.2: retain the services of a certified public accountant or auditor for the annual financial audit, who shall submit the report to the governing board;

Section 9.B.3: review and approve the audit report, including audit findings and recommendations for the financial recovery plan;

Section 9.B.4: monitor a financial recovery plan in order to ensure compliance, if applicable;

Section 9.B.5: establish, define, refine and oversee the School's educational philosophy, operational policies and procedures, academic accountability procedures, and financial

accountability procedures and ensure that the School's student performance standards are met or exceeded;

Section 9.B.6: exercise continuing oversight of the School's operations;

Section 9.B.7: report its progress annually to the Sponsor, which shall forward the report to the Commissioner of Education at the same time as other school accountability reports, in accordance with Section 1002.33(9)(k), Florida Statutes;

Section 9.B.8: participate in governance training approved by the Department of Education that must include government in the sunshine, conflicts of interest, ethics, and financial responsibility;

Section 9.B.9: make full disclosure of the identity of all relatives employed by the School in accordance with Section 1002.33(7)(a)(18), Florida Statutes;

Section 9.B.10: adopt policies establishing standards of ethical conduct for instructional personnel and School administrator in accordance with Section 1002.33(12)(g)(3), Florida Statutes;

Section 9.B.11: make all required financial disclosure if the School is operated by a municipal corporation or other public entity under Section 112.3144, Florida Statutes;

Section 9.B.12: comply with the standards of conduct set out in Sections 112.313(2), (3), (7), and (12), and 112.3143(3), Florida Statutes;

Section 9.B.13: avoid all conflict of interest, including, but not limited to, being employed by, owning, or serving on the board of directors of any entity which contracts with the School;

Section 9.B.14: demonstrate financial competence and adequate professional experience;

Section 9.B.15: recommend student expulsions to the Sponsor;

Section 9.B.16: determine in conformance with law and the terms of this Charter the rules, and regulations needed for the effective operation and general improvement of the School;

Section 9.B.17: be held accountable to the School's students, parents/guardians, and the community at large, through a continuous cycle of planning, evaluation, and reporting as set forth in Florida's charter school laws;

Section 9.B.18: be responsible for the over-all policy decision making of the School, in consultations with the School's staff, including the approval of the curriculum and the annual budget;

Section 9.B.19: serve as the fiscal agent for the School and be involved from the School's inception in all policy matters pursuant to the provisions of the corporation's bylaws; and

Section 9.B.20: comply with Rule 6A-6.0784, Florida Administrative Code, relating to Governance Training and fulfill all applicable Governance Training requirements; and

Section 9.B.21: appoint a representative (liaison), as required by statute, to facilitate parental involvement, provide access to information, assist parents and others with questions and concerns, and resolve disputes. Liaison information shall be kept current at all times, and necessary changes shall be reported to the Sponsor immediately.

Section 9.C: **Public Records**: The School will comply with Section 1002.33(16)(b)2, Florida Statutes, relating to public records. The public shall be provided reasonable access to the School's records in accordance with the provisions of this Charter and Chapter 119, Florida Statutes.

Section 9.D: **Reasonable Access to Records by Sponsor**: The School agrees to allow reasonable access to its facilities and records to duly authorized representatives of the Sponsor. Conversely, the Sponsor agrees to allow reasonable access to its records to duly authorized representatives of the School to the extent allowable by law.

Section 9.E: **The Sunshine Law**: To ensure that parents/guardians have access to the governance of the School, meetings of the School's governing board will be open to the public in accordance with Section 286.011, Florida Statutes, unless confidentiality is required by law. The School's governing board will provide reasonable public notice of the date, time, and place of its meetings and will maintain at the School's site detailed minutes of its meetings, which shall be regularly scheduled. Such meetings will be open to the public, and the minutes shall be available for public review. The School's governing board will publish a calendar on its website that contains a schedule of all governing board meetings for the school year, including the date and time of the meetings and the locations. The School agrees to hold meetings of its governing board within Broward County, Florida at least once a semester during the school year. The School shall provide the parents in writing, the process for placing an item on the agenda for the meetings of the School's governing board. A signed copy of the minutes will be on file at the School's site for review and a copy will be forwarded to the Sponsor.

Section 9.F: **Charter School's Website:** The School shall maintain a website that enables the public to access information regarding the school; the school's academic performance; the names of the governing board members; the programs at the school; any management companies, service providers, or education management corporation associated with the school, the school's annual budget and its annual independent fiscal audit; the school's grade pursuant to Section 1008.34, Florida Statutes; and on a quarterly basis, the minutes of governing board meetings. Governing board meetings must be noticed, open and accessible to the public, and attendees must be provided an opportunity to receive information and provide input regarding the charter school's operations.

Section 9.G: **Identification of Governing Board Members**: The selection of the School's governing board members and officers shall be as set forth in the School's approved Application **(Appendix 1)** or in School's by-laws if such are adopted subsequent to the submission of **Appendix 1**. The School's governing board will include local representatives, which may include parents/guardians and professionals qualified to support the educational and moral development of the School's students. No employee of the School, employee of one of the School's Education Services Provider (ESP) companies, or family member of an employee of one of the School's ESP companies may serve as a member of the School's governing board. The School's governing board cannot delegate its responsibility to the Sponsor to any other agency, ESP company or other contracted service provider. The School shall provide the parents in writing the names of the members of the School's governing board and a means by which they may be contacted.

Section 9.H: **Changes in Governing Board**: The names of the School's governing board members and the School's Chief Administrator/Principal must be current at all times and the Sponsor shall be notified within five (5) business days of any changes. The procedures for the replacement of the School's governing board members shall be set forth in the governing board's Bylaws. Members of the School's organizing group not serving on the School's governing board are not allowed to vote for governing board members or approve changes to the School's Articles or Bylaws. For the purposes of this provision, a "business day" is a day other than a Saturday, Sunday, legal holiday, or day that the Sponsor's administration is closed.

Section 9.I: **Background Screening of Governing Board Members and Chief Administrator**: Members of the governing board, shall be fingerprinted pursuant to Section 1002.33(12)(g), Florida Statutes, at their cost in a manner similar to that provided in Section 1012.32, Florida Statutes. Any person serving in any capacity with the School or its governing body must meet level 2 screening requirements as described in Section 1012.32, Florida Statutes. These fingerprints shall be submitted to the Florida Department of Law Enforcement for state processing and the Federal Bureau of Investigations for federal processing. The results of all fingerprint reports shall be provided to the Sponsor. All fees associated with the retention of fingerprints are the sole responsibility of the School. The School agrees that new governing board members and its Chief Administrator shall be on probationary status pending fingerprint processing and determination of compliance with standards of good moral character. Potential governing board members or Chief Administrators of the School shall submit official court dispositions for criminal offenses of moral turpitude listed as part of their fingerprint results. The School agrees not to appoint governing board members or Chief Administrators whose fingerprint check results reveal non-compliance with standards of good moral character. The School shall not allow any person to serve on its governing board or as its Chief Administrator who has been convicted of a felony crime or moral turpitude.

Section 9.J: **Non-Profit Organization**: As stated in the School's Application **(Appendix 1)** and as required by Section 1002.33(12)(i), Florida Statutes, the School has been organized as a Florida non-profit organization and shall maintain status as a Section 501(c)3 status under the Internal Revenue Code. Voting shall control the non-profit organization, and only the School's governing board shall vote. The School shall at all times operate as a non-

profit corporation and shall annually provide proof to the Sponsor of the School's status as a non-profit organization. Such status shall not be permitted to lapse, be revoked or terminate. Failure to comply with this section will constitute a material violation of the Charter and good cause for its termination by the Sponsor.

Section 9.K: **Compliance with Applicable Ethical Requirements**: To the extent applicable, the officers and directors of the School will comply with Part III, Section 112, Florida Statutes (the Code of Ethics for Public Officers and Employees) as provided in Section 1002.33(26), Florida Statutes.). The Sponsor shall be provided copies of any financial disclosure forms filed by the School's officers and directors. Members of the School's governing board cannot be employees of the School. Members of the School's governing board shall not receive financial benefit from the School's operations including, without limitation, the receipt of any grant funds. This restriction shall not include the reimbursement of out-of-pocket expenses incurred by the governing board member on behalf of their duties as a member of the School's governing board and substantiated with receipts or similar documentation. A violation of this provision shall constitute a material breach of the Charter. All members of the School's governing board shall comply with Sections 112.313(2), (3), (7) and (12), and 112.3143, Florida Statutes, and other applicable portion of the Code of Ethics for Public Officers and Employees. The School's governing board chair shall annually provide to the District a statement confirming that:

Section 9.K.1: No member of the School's governing board, acting in his/her private capacity, has sold services directly or indirectly to the School;

Section 9.K.2: No spouse, parent, child, stepchild, sibling, or employee of any Board Member serves as a member of the School's governing board;

Section 9.K.3: No member of the School's governing board is an employee of the School or of the ESP company operating the School; and

Section 9.K.4: No member of the School's governing board has received compensation, directly or indirectly from the School's operations, other than reimbursement of out of pocket expenses and substantiated with receipts or similar documentation.

Section 9.K.5: A violation of any of the foregoing provisions shall constitute a material breach of this Charter and good cause for its termination.

Section 9.L: **Bonding of School Personnel**: The officers, directors, and employees of the School who have the authority to receive and expend funds on behalf of the School shall be bonded to the same degree as officers and employees of the Sponsor. All bonds shall run to the School, the not-for-profit organization, and the Sponsor and shall be on file for inspection at all times.

Section 9.M: **School's Chief Administrator/Principal**: The duties of the School Chief Administrator/Principal shall be as set forth in the School's approved Application **(Appendix 1.)** The teachers, support, and contractual staff of the School will be directly supervised by the Principal or other on-site administrator.

Section 9.N: **Notification of Proper Authorities**: If after adopting the budget, a Member of the Governing Board in his/her obligated diligence believes that any other member of the Governing Board or any vendor, vendor's employee, ESP company, or ESP company agent or employee is directly responsible or wrongfully advises the members of the Governing Board to make an illegal expenditure of state monies not detailed in the budget or not available because of other necessary expenses or limitation of funds, unless such expenditure is otherwise approved by the Governing Board or said budget is amended, that Governing Board Member should immediately notify the Sponsor, the FDOE, and if deemed proper, the Attorney General, or any other proper authority.

ARTICLE 10: EDUCATION SERVICES PROVIDERS

Section 10.A: **Education Services Provider Agreement**: An Educational Services Provider (ESP) is an individual or organization that provides services to a charter school for which it receives compensation in excess of five percent (5%) of the charter school's FEFP operational revenue. For the purposes of this provision, "FEFP operational revenue" is defined as the General Fund revenue for operations received from the State of Florida based on FTE, including categorical revenues for such matters including, without limitation, instructional materials, FAI, and class size reduction, but shall not include any Federal or local revenues, or State funds for capital purposes. ESPs may be non-profit or for-profit entities. If any ESP company will be managing the School's operations, the contract between the ESP company and the School shall be submitted to the Sponsor In accordance with the responsibility of the School, contracts with management companies shall not usurp the authority of the School's Governing Board. The Sponsor will look to the Governing Board directly for accountability. Where the School changes ESP's, School will submit written documentation demonstrating due diligence in the selection process of any ESP and must maintain a performance-based "arms-length" relationship between the School and any ESP. The contract between the School and the ESP company shall specify reasonable and feasible terms that allow the School's governing board the ability to terminate the contract with the ESP company. Any contract between the School and an ESP company shall require that the ESP company operate the School in accordance with the terms specified in this Charter and with all applicable laws, ordinances, rules and regulations. In the event any ESP is retained by the School, the aggregate amounts paid to such entities shall not exceed fourteen and one-half percent (14.5%) FEFP operational revenues in any given school year and shall not accrue from year to year. Any default or breach of the terms of this Charter by the ESP company, after notice and reasonable opportunity to cure, shall constitute a default or breach by the School under the terms of the Charter between the School and the Sponsor. Employees of the ESP company and family members of employees of ESP companies may not sit on the School's governing board or serve as officers of the School. For the purposes of this section, "family members" shall be defined to include spouses, mothers, fathers, sisters, brothers, mothers-in-law, fathers-in-law, sisters-in-law, brothers-in-law, daughters, sons, daughters-in-law and sons-in-law.

Section 10.B: **ESP Company Added After Charter**: If the School desires to contract with an ESP company subsequent to the execution of this Charter, the proposed contract between the ESP company and the School shall be submitted to the Sponsor and any finalized ESP contract shall be provided by the School to the Sponsor.

Section 10.C: **Amendments**: All amendments to the contract between an ESP company and the School shall be submitted to the Sponsor. A copy of any amended ESP services agreement shall be provided to the Sponsor.

Section 10.D: **ESP Contract Amendments that Result in Material Change to Charter**: Any proposed amendment within an ESP contract that would necessitate a material change to this Charter shall require a prior modification of this Charter.

Section 10.E: **Change of ESP Provider**: Unless exigent circumstances exist, the School shall give the Sponsor notice prior to the termination of any ESP contract. In the event of an immediate termination of an ESP contract, the School will provide immediate notice to Sponsor of its decision.

ARTICLE 11: HUMAN RESOURCES

Section 11.A: **Hiring Practices**: The Parties to this Charter agree that the School shall select its own employees. The School agrees to implement the practices and procedures for hiring and dismissal, policies governing salaries, contracts, and benefit packages, and targeted staff size, staffing plan, and projected student-teacher ratio as described in the School's Application **(Appendix 1)**. The School must use thorough, consistent, and even-handed termination procedures. The School's governing board will determine salaries, benefits, and Position/Title classification, provided that the School's governing board may establish any additional positions it deems necessary.

Section 11.A.1: **Eligibility of Instructional Staff:** The School agrees to verify that applicants for instructional positions which require certification either hold or are eligible for an educational certificate prior to an offer of hire. The School shall not employ an individual for instructional services if the individual's certification or licensure as an educator is suspended or revoked by this or any other state. The School shall require that teachers maintain their certificate current at all times.

Section 11.B: **Reporting Staffing Changes**: The School agrees to provide written notice to Sponsor using the Sponsor's designated form within fourteen (14) calendar days of any new hires, leaves of absence, transfers and terminations. The School shall ensure that student information system data is updated upon the termination or hire of instructional staff and/or therapy service providers. The School shall also ensure course assignment changes are reflected as current in student information system for all instructional staff. Teaching assignments for all instructional staff, including new hires, must match the state course code directory numbers and teacher certification. The School will complete and submit all required personnel reports, including employee database surveys, in accordance with required due dates.

Section 11.B.1: **Reporting School Administrator/Principal Changes:** The name of the School Administrator/Principal must be current at all times. The Sponsor shall be notified immediately of any changes.

Section 11.C: **Non-Discriminatory Employment Practices**: The School shall be responsible for promoting diversity in its staff and agrees that its employment practices shall be nonsectarian and that it shall not violate the anti-discrimination provisions of Section 1000.05, Florida Statutes (The Florida Education Equity Act).

Section 11.D: **Teacher Certification and Highly Qualified**: All teachers employed by or under contract to the School shall be certified and highly qualified as required by Chapter 1012, Florida Statutes and any other applicable state or federal law. If the School receives Title I funds, it will employ highly qualified staff, as required. In compliance with those requirements, the School's teachers shall be certified and teaching infield (or have the appropriate out of field waivers) and the School's support staff shall have attained at least two (2) years of college education or have passed an equivalent exam. The School may employ or contract with skilled selected non-certified personnel to provide instructional services or to assist instructional staff members as education paraprofessionals in the same manner as defined in Chapter 1012 and as provided by State Board of Education rule for charter school governing boards; however, in order to comply with ESSA requirements, all teachers in core academic areas must be certified/qualified based on Florida Statutes and highly qualified as redefined by ESSA. The School agrees to disclose to the parents of its students the qualifications of instructional personnel hired by the School within thirty (30) calendar days of employment.

Section 11.D.1: **Remedy for Not Meeting Highly Qualified**: If the School fails to meet applicable requirements to employ certified and highly qualified staff, the School shall be responsible for reimbursement of any funding lost or other costs attributable as a result of the School's non-compliance.

Section 11.D.2: **Teachers Assigned to Teach Out-of-Field:** Per Section 1012.42, Florida Statutes, the School shall notify parents of all students in the classroom of any teacher assigned a course or student population for which the teacher is not appropriately certified. The School shall also obtain Governing Board approval for all teachers assigned to teach out-of-field and must ensure the appropriate out-of-field training is completed each school year per Rule 6A-1.0503, Florida Administrative Code.

Section 11.D.3: **Teachers Assigned to Teach Blended-Learning Programs**: Instructional personnel teaching blended learning program may be employees of the charter school or may be contracted to provide instructional services. At a minimum, the instructional personnel must hold state certification as required by Section 1012.55, Florida Statutes.

Section 11.E: **Fingerprinting and Background Screening**: The School shall, at the School's expense, require all employees to comply with the fingerprinting requirements of Section 1012.32, Florida Statutes. Members of the governing board of the charter school shall also be fingerprinted in a manner similar to that provided in Section 1012.32, Florida Statutes. Any person serving in any capacity with the School or its governing body must meet level 2 screening requirements as described in Section 1012.32, Florida Statutes. These fingerprints shall be submitted to the Florida Department of Law Enforcement for state processing and the Federal Bureau of Investigations for federal processing. The results of all fingerprint reports shall be

provided to the Sponsor. The School agrees that new applicants shall be on probationary status pending fingerprint processing and determination of compliance with standards of good moral character. Potential employees of the School shall submit official court dispositions for criminal offenses of moral turpitude listed as part of their fingerprint results. The School agrees not to hire applicants whose fingerprint check results reveal non-compliance with standards of good moral character. The School shall not allow any person (whether employed directly by the School or its governing body or by a contractor) to serve in any position requiring or involving direct contact with students who has been convicted of a felony crime or moral turpitude. All fees associated with the retention of fingerprints are the sole responsibility of the School.

Section 11.E.1: **Self-Reporting:** The School shall require all employees and Board Members to self-report within forty-eight (48) hours to appropriate authorities any arrest and final disposition of such arrest other than minor traffic violations. The School shall then take appropriate action relating to the employment of that individual.

Section 11.E.2: **Background Screening for School Volunteers:** The School shall implement policies and procedures for background screening of volunteers and mentors.

Section 11.F: **Employment Practices**: The School's employment practices shall be in compliance with its Application **(Appendix 1)** and the requirements specified in sections 11.G through 11.S inclusive.

Section 11.G: **Suspended or Revoked Certification or Licensure**: The School agrees not to knowingly employ an individual for instructional services if the individual's certification or licensure as an educator is suspended or revoked by this or any other state.

Section 11.H: **Resignation in Lieu of Disciplinary Action**: The School agrees not to knowingly employ an individual who has resigned in lieu of disciplinary action with respect to child welfare or safety or who has been dismissed for just cause by any school district with respect to child welfare or safety.

Section 11.I: **Codes and Principles of Conduct**: The School agrees that its employees will be required to abide by the guidelines set forth in Chapter 6B-1.001, Code of Ethics of the Education Profession in Florida, and Chapter 6B-1.006, Principles of Professional Conduct for the Education Profession in Florida.

Section 11.J: **Employee Handbook**: The School will adopt an employee handbook and provide a copy of the same (and any amendments thereto) to the Sponsor.

Section 11.K: **Collective Bargaining**: Pursuant to Section 1002.33(12)(b), Florida Statutes, the School's employees shall have the option to bargain collectively and may collectively bargain as a separate unit or as part of the existing district collective bargaining unit as determined by the structure of the School.

Section 11.L: **Professional Group:** The School's instructional personnel may choose to be part of a professional group that subcontracts with the School to operate the

instructional program under the auspices of a partnership or cooperative that they collectively own. Under this arrangement, the School's instructional personnel would not be public employees.

Section 11.M: **Payroll Services**: The School will provide payroll services for all of its employees.

Section 11.N: **Annual Employee Evaluations**: Each of the School's employees will be evaluated annually. Instructional and administrative staff will be evaluated based on the requirements outlined in Section 1012.34, Florida Statutes.

Section 11.O: **Personnel Records**: The School shall maintain personnel files for all persons employed by the School. Such files shall be maintained by the School at a readily accessible location in Broward County, Florida and shall be open to public inspection as provided by law. The School agrees to provide the Sponsor the names of all applicants for employment if requested.

Section 11.P: **Statutory Prohibitions and Restriction on Employment of Relatives**: The School's hiring practices shall at all times be in compliance with the requirements of Section 1002.33(12) and (24), Florida Statutes. Charter school personnel may not appoint, employ, promote, or advance, or advocate for appointment, employment, promotion, or advancement, in or to a position in the charter school in which the personnel exercises jurisdiction or control any individual who is a relative. An individual may not be appointed, employed, promoted, or advanced in or to a position in a charter school if such appointment, employment, promotion, or advancement has been advocated by charter school personnel who serve in an exercise jurisdiction or control over the charter school and who is a relative of the individual or if such appointment, employment, promotion, or advancement is made by the governing board of which a relative of the individual is a member. For the purposes of this section, the following definitions shall be used:

Section 11.P.1: "**Charter school personnel**" means a charter school president, chairperson of the governing board of directors, superintendent, governing board member, principal, assistant principal, or any other person employed by the charter school who has equivalent decision making authority has been delegated, to appoint, employ, promote, or advance individuals or to recommend individuals for appointment, employment promotion, or advancement in connection with employment in a charter school, including the authority as a member of a governing body of a charter school to vote on the appointment, employment, promotion, or advancement of individuals.

Section 11.P.2: "**Relative**" means father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister.

Section 11.R: **Training of Employees**: The School's teachers may participate in professional development opportunities conducted by the Sponsor and the Sponsor's teachers may participate in professional development opportunities conducted by the School.

Section 11.R.1: **Participation and Cost for Training Activities**: Training activities shall be made available by the Sponsor, to School's employees, on a space available basis and, the School shall pay all of the additional costs associated with the participation of the School's employees in such training activities at the same rates and reimbursement methodologies currently charged to the Sponsor for the participation of the Sponsor's employees. Training activities shall be made available by the School to Sponsor's employees on a space available basis and, except in instances of federally funded training, the Sponsor shall pay all of the additional costs associated with the participation of the Sponsor's employees in such training activities at the same rates and reimbursement methodologies currently charged to the School for the participation of the School's employees.

Section 11.R.2: **Participation in Federally Funded Training**: Training activities that are federally funded that are provided by the Sponsor shall be made available to School's employees on a space available basis without any charge to the School other than any charges that are also incurred by the Sponsor for the participation of the Sponsor's employees. Training activities that are federally funded that are provided by the School shall be made available to Sponsor's employees on a space available basis without any charge to the Sponsor other than any charges that are also incurred by the School for the participation of the School's employees.

Section 11.S: **Contracts, Compensation and Salary Schedules:** The School shall comply with Sections 1012.22(1)(c), 1012.335, and 1012.34, Florida Statutes, relating to employee contracts, compensation and salary schedules, workforce reductions and performance evaluations. The School shall not enter into a contact with an employee that exceeds the term of this contact or include payment acceleration clauses based upon notification of non-renewal or termination.

ARTICLE 12: REQUIRED REPORTS AND DOCUMENTS

Section 12.A: **Required Reports and Documents**: The School will provide all documents required of it pursuant to the approved Application **(Appendix 1)**, this Charter, or the School's governing laws and rules on the date(s) that the reports and documents are due to the sponsor.

ARTICLE 13: SCHOOL FOOD SERVICE

Section 13.A: **School Food Services; Extended Day Programs**: The provision of student food service at the charter school is the responsibility of the School and shall be provided according to applicable district, state and federal rules and regulations. The School shall make breakfast and lunch available to all students. Cafeteria services and extended day programs provided by the School shall be self-supporting. The School is solely responsible for funding any deficits it incurs in such services and programs and the Sponsor shall have no liability for same. Meals will be distributed to students using a point of sale accountability procedure. If applicable, the School shall distribute Information Letters and the Multi-Child Application for Free and

Reduced Price Meal Benefits to students and shall certify student eligibility for such programs using required federal rules and procedures.

Section 13.B: **Applicable Regulations**: The School shall comply with all USDA and FDOE regulations that are applicable to its child nutrition program.

ARTICLE 14: MISCELLANEOUS PROVISIONS

Section 14.A: **Impossibility**: Neither party shall be considered in default of this Charter if the performance of any section or all of this Charter is prevented, delayed, hindered or otherwise made impracticable or impossible by reason of any strike, flood, hurricane, riot, fire, explosion, war, act of God, sabotage, pandemic, epidemic, accident or any other casualty or cause beyond either party's control, and which cannot be overcome by reasonable diligence and without extraordinary expense.

Section 14.B: **Drug-Free Workplace**: The School is a Drug-Free Workplace. The School shall provide the Sponsor with a copy of the School's applicable Drug-Free Workplace policy and any amendments thereto.

Section 14.C: **Entire Agreement**: This Charter and the appendices hereto shall constitute the full, entire, and complete agreement between the parties hereto. All prior representations, understandings, and agreements whether written or oral are superseded and replaced by this Charter. This Charter may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in writing. Any substantial amendment to this Charter School Agreement shall require approval of both parties.

Section 14.D: **No Assignment without Consent**: This Charter shall not be assigned by either Party without the prior written consent of the other party, provided that the School may enter into contracts for services with an individual or group of individuals organized as a partnership or cooperative without the consent of the Sponsor.

Section 14.E: **No Waiver**: No waiver of any provision of this Charter shall be deemed to be or shall constitute a waiver of any other provision, unless expressly stated.

Section 14.F: **Default**: Except under circumstances that present a threat to health, safety or welfare or that constitute good cause for the immediate termination of this Charter, in accordance with Section 2.D.3. of this Agreement, notice of a default of a material provision of this Charter will be furnished to the defaulting party by the non-defaulting party. Except under circumstances that present a threat to health, safety or welfare or that constitute good cause for the immediate termination of this Charter, in accordance with Section 2.D.3. of this Agreement, or when a shorter period of time to effect compliance is required by applicable law or rules, the defaulting party will be permitted thirty (30) calendar days to remedy the identified default provided that if the identified default cannot be reasonably cured within such 30-day period, the cure period shall be reasonably extended as long as the defaulting party has commenced to cure the identified default. The cure period shall not exceed ninety (90) calendar days.

Section 14.G: **Survival Including Post-Termination of Charter**: All representations and warranties made herein, indemnification obligations, obligations to reimburse the Sponsor, obligations to maintain and allow inspection and audit of records and property, reporting requirements and obligations to return public funds or property purchased with public funds shall survive the termination of this Charter.

Section 14.H: **Severability**: If any provision or any section of this Charter is determined to be unlawful, void or invalid, that determination shall not affect any other provision or any section of any other provision of this Charter and all such remaining provisions shall continue in full force and effect, notwithstanding.

Section 14.I: **Third-Party Beneficiary**: This Charter is not intended to create any rights of a third-party beneficiary. This clause shall not be construed, however, as contrary to any statutory or constitutional right possessed by a member of the community, a student, or parent/guardian of a student enrolled at the School.

Section 14.J: **Choice of Laws and Venue**: This Charter is made and entered into in the State of Florida and shall be interpreted according to the laws of Florida, with venue in Broward County, Florida. The parties mutually agree that the language and all parts of this Charter shall in all cases be construed as a whole according to its fair meaning, and not strictly for or against any of the parties. This Charter shall be interpreted and construed according to the laws of the State of Florida. The School shall adhere to any additional requirements applicable to charter schools under state law or as mandated by the FDOE or any other agencies regulating the School.

Section 14.K: **Notice Provision**: All notices to be given hereunder shall be in writing, and all payments to be made hereunder shall be by check or wire transfer, and may be served by hand delivery, express delivery or by depositing the same in the United States mail addressed to the party to be notified, postpaid, and registered or certified with return receipt requested. Notice given in any manner shall be effective only if and when received by the party to be notified. All notices to be given to the parties hereto shall be sent to or delivered at the address set forth below:

WITH COPY TO:

Arnold Law Firm
3840 Crown Point Rd., Ste. B.
Jacksonville, FL 32257

By giving the other party at least fifteen (15) calendar days written notice thereof, a party may change its address and specify its new address for the purposes stated herein, and/or to notify the change of attorney.

Section 14.K.1: **Routine Communication:** For the purposes of day-to-day communication pertaining to the operations of the School, the Sponsor and School shall communicate via general electronic mail, (email), school specific email, verbal communication, US Postal service or via uploads of required documentation and comments on Anvilar or other like electronic document management system.

Section 14.L: **Authority**: Each of the persons executing this Charter represent and warrant that they have the full power and authority to execute the Charter on behalf of the party for whom he or she signs and to bind and obligate such party with respect to all provisions contained in this Charter and that he or she enters into this Charter of his or her own free will and accord and in accordance with his or her own judgment, and after consulting with anyone of his or her own choosing, including but not limited to his or her attorney.

Section 14.M: **Conflict**: In the event of any conflict between the provisions of this Charter and any Appendix, this Charter shall prevail.

Section 14.N: **Dispute Resolution**: Subject to the applicable provisions of Section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with Section 1002.33(8)(d), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict/dispute resolution procedure.

Section 14.N.1: The following dispute resolution process, not otherwise pre-empted by Section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute.

Section 14.N.2: Notwithstanding this provision, either party may seek any and all legal remedies available to it including, without limitation, mediation through the FDOE or those additional remedies set forth in Section 1002.33(6)(i), Florida Statutes.

Section 14.N.3: The dispute resolution procedure is as follows:

STEP 1: As a first step, informal discussion occurs between representatives of the School and the Sponsor regarding the particular issue(s) in question. If the matter is not resolved at Step One, either party may elect to forward the issue(s) to the next step.

STEP 2: Written notice by the Sponsor or the School outlining the nature of an identified problem in performance or operations not being met or completed to the satisfaction of either party. If the matter is not resolved at Step 2, either party may elect to forward the issue(s) to the next step.

STEP 3: Meeting between the governing board of the School and the Sponsor's staff or representative to discuss the issue(s) and attempt resolution of same and propose modifications or amendments to the terms and conditions of the Charter. If the matter is not resolved at Step 3, either party may elect to forward the issue(s) to the next step.

STEP 4: An item will be placed upon the agenda of the Sponsor's regular school board meeting to enable the Sponsor to render a final decision regarding the issue(s)which are in dispute.

Section 14.O: **Citations**: All Florida Statutes, State Board of Education Rules, or School Board Policies cited herein shall refer to the edition in effect when this Charter is executed or extended, subject to subsequent amendment of such statutes.

Section 14.P: **Headings**: The headings in the Charter are for convenience and reference only and in no way define, limit, or describe the scope of the Charter and shall not be considered in the interpretation of the Charter or any provision hereof.

Section 14.Q: **Advice of Counsel**: The School and the Sponsor both state that they have been represented by legal counsel in connection with the negotiation and execution of this Charter and each is satisfied with the legal representation it received.

Section 14.R: **Counterparts**: This Charter may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one Charter.

IN WITNESS WHEREOF, the Parties hereto have executed this Charter School Agreement as of the day and year first above written.

EXECUTIVE SUMMARY

Superintendent's Recommendations for Pre-Qualification Certification

Board Meeting Date: July 28, 2026

Requested Action:
Approve the Recommendations of the Qualification, Selection, and Evaluation Committee (QSEC) Meeting held on June 25, 2026, to certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew, as reflected in the attached Superintendent Recommendations - Tracking Report.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• The State Requirements for Educational Facilities (SREF), 2014 Edition.
If the School Board votes "Yes"	• The District will certify, re-certify firms, increase pre-qualification limits for specific firms, and revoke those that did not renew. Twenty-nine (29) firms representing thirty-one (31) licenses will be recertified; Two (2) firms representing two (2) licenses will increase limits; Three (3) firms are newly certified; and one (1) firm representing one (1) license is automatically revoked.
If the School Board votes "No"	• Denial by the School Board would stop the pre-qualification process, causing interruptions in the construction projects. This would also delay the issuance of new firms becoming prequalified and those firms that wanted to increase their limits.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	• Not Applicable

Background/History
State statutes, regulations, and School Board policies allow contractors who wish to pursue work with the District the opportunity to pre-qualify. These requirements mandate that a contractor is pre-qualified at the bid opening and that the School Board acts on a pre-qualification application within sixty (60) days. State regulations and School Board policy require that the School Board act on appeals within thirty (30) days, District-wide. The pre-qualification application process is in accordance with State Requirements for Educational Facilities (SREF) Chapter 4, Section 4.1(1), F.S. 1013.46, and School Board Policy 7003.1. The Procurement & Logistic Operations Department administers compliance with SREF and School Board policy requirements.

The criterion for pre-qualification is based on the single bid limit amount of the largest successfully completed project of a similar size and scope. The company's surety bonding or audited financial information determines the aggregate limit amount. The Procurement & Logistic Operations staff review the applications, make recommendations, and facilitate QSEC meetings. QSEC considers staff's recommendations and then forwards its recommendations to the Superintendent. The pre-qualification report provides data on the total number of pre-qualified companies by license type, new applications, renewal applications, and revoked applications.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Not Applicable
Multi-Year Agreement:	Not Applicable
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method:** Not Applicable.

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. There is no financial impact to the District

New/Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*			
Future Fiscal Year(s)	**Length of Agreement Terms**	**Budget Fund**	**Amount**
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Having a pool of pre-qualified contractors allows us to complete construction projects.
School Selection /Prioritization	Not Applicable
Community/ Stakeholder Engagement	Not Applicable
End-User Input	Not Applicable
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

EXECUTIVE SUMMARY

FY24-119 – Fire Academy Education Program – City of Fort Lauderdale

---

Board Meeting Date: July 28, 2026

Requested Action:
Approve the First Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and the City of Fort Lauderdale, Broward County, with a term that commences on August 1, 2026, and concludes on July 31, 2027, with no budget authority required.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• Fort Lauderdale High School (HS) Health Science students will continue to receive Emergency Medical Responder/Firefighter 1 instruction by the City of Fort Lauderdale Fire Department.
If the School Board votes "No"	• Fort Lauderdale HS Health Science students will not receive Emergency Medical Responder/Firefighter 1 instruction by the City of Fort Lauderdale Fire Department.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 4: College and Career Readiness
Measurable Outcome(s)/Return on Investment	• Return on Investment is an increased pass rate of 25% on completion of credentialed Firefighter 1 and Firefighter 2 certification trainings and exams. Prior exam pass rate was 45%, as evidenced by the Florida Certifying Agency (MyFloridaCFO) composed of secondary Fire Academy students.

Background/History
This Agreement with the City of Fort Lauderdale will provide Emergency Medical Responder/Firefighter 1 instruction to Fort Lauderdale HS Health Science students enrolled in the "Introduction to Firefighting Program". The program's content includes, but is not limited to, orientation to the fire service, fire alarms and communication, vehicles, apparatus and equipment, first responder emergency, medical techniques, safety, and employability skills.

Contract Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	October 17, 2023, through July 31, 2026; First Amendment Term: August 1, 2026, through July 31, 2027.
Multi-Year Agreement:	Yes, this is a three-year no-cost agreement with two additional one-year extension periods.
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Pursuant to Purchasing Policy 3800 III(E), as authorized by Florida Administrative Code Rule 6A-1.012 11(b) and 14, the requirement for requesting competitive solicitation for commodities or contractual services from three (3) or more sources is waived for the purchase of educational services.

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. This Agreement has a positive financial impact as the instructor is being provided by the City of Fort Lauderdale free of charge.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*			
Future Fiscal Year(s)	**Length of Agreement Terms**	**Budget Fund**	**Amount**
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	High schools offering Health Science Education programs will continue to have access to the Fire Academy Education Program, supporting instruction aligned to firefighting and emergency response career pathways.
School Selection /Prioritization	Participation is available to schools offering Health Science Education or related public safety pathways, based on program availability and student interest.
Community/ Stakeholder Engagement	This Agreement reflects a collaborative partnership between SBBC and the City of Fort Lauderdale, providing students with direct access to municipal fire and rescue professionals and strengthening connections between education and local government workforce needs.
End-User Input	Health Science instructors and students are the primary end users. Educators integrate program components into instruction, while students benefit from exposure to real-world career pathways and industry practices in firefighting and emergency services.
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

AGREEMENT

THIS AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

THE CITY OF FORT LAUDERDALE, FLORIDA
(hereinafter referred to as "City")
whose principal place of business is
100 North Andrews Avenue, Fort Lauderdale, Florida 33301

WHEREAS, SBBC is conducting educational programs through Health Science Education for the purpose of providing skilled workers for the health service industry in the fields of firefighting and rescue; and

WHEREAS, the City has the clinical facilities necessary to assist in provision of the said educational programs and desires to participate in the education programs for the benefit of the entire community.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

ARTICLE 1 - RECITALS

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

ARTICLE 2 – SPECIAL CONDITIONS

2.01 **Term of Agreement.** The term of this Agreement commences on the date of last signature below ("Effective Date") and concludes on July 31, 2026, unless terminated earlier pursuant to Section 3.05 of this Agreement. The term of this Agreement may, by mutual agreement between SBBC and City, be extended for two (2) additional one-year periods.

2.02 **Program Purpose.** The education of SBBC students is the primary purpose of the Fire Fighter Academy (the "Program"). The Program prepares students to provide initial care to sick or injured persons taught by certified first responder personnel.

2.03 **Instruction and Curriculum.** SBBC shall be responsible, as its sole expense, for the provision of classroom instruction, the selection of students, the establishment of curriculum, maintenance of records, evaluation of programs, and all educational experiences through the employment of certified instructors through compliance with the guidelines established by the Florida Department of Education and within SBBC Policies and Procedures. All faculty provided by SBBC shall be duly licensed, certified, or otherwise qualified to participate in the program. Neither SBBC or any participating student or faculty member shall interfere with or adversely affect the City's operations or the City's provision of health care services. The City is responsible for the practical and/or clinical experience of the students enrolled in the Program.

2.04 **No Compensation.** Each party shall perform the duties and responsibilities specified in this Agreement without compensation. Participating students shall be treated by the City as trainees and shall have no expectation of receiving compensation, benefits or future employment from either party. Students and faculty shall pay for their own meals while participating in the program.

2.05 **SBBC Disclosure of Education Records.**

(a) SBBC staff will provide (Fire Instructors, "the teachers of record" for SBBC's students) with the education records listed in this section for the following purposes:

1) for providing in-class instruction and evaluation of students learning to be firefighters.

2) for enrolling students in the Ride Along program (when applicable). Requirement for Ride along is 18 years of age and currently enrolled in Firefighter secondary program.

(b) SBBC will provide City's Fire Instructors with the following education records via SBBC's Pinnacle database. Access must be limited to information pertaining to the students served.

1) student first and last name
2) student identification number
3) student grade level
4) student date of birth
5) student gender
6) student home address
7) student home phone number
8) student email address
9) parent/guardian name
10) parent/guardian email address

(c) SBBC will provide the City's Fire Instructors with the following education records, via secured email and/or hard copy:

1) Release and Waiver Agreement, including student's first and last name (See **Exhibit A**)

2) City's Confidentiality Statement, including student's first and last name (See **Exhibit B**)

3) City's Request for Permission to Ride/ Hold-Harmless Agreement, including student's first and last name, if applicable (See **Exhibit C**)

(d) All forms and attachments **(Exhibits A, B, and C)** included in this agreement will be given directly to the City.

(e) SBBC will obtain written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section, or for the City's access to Pinnacle. **NOTE:** In addition, SBBC obtains written parent/guardian consent (or consent from students age 18 or older) for students to participate in the City's Fire fighter Ride Along program.

(f) The requirements of this section shall supersede any uses and disclosures of education records or the like as listed in the City's privacy policies, if any.

2.06 **City Confidentiality of Education Records.**

(a) Notwithstanding any provision to the contrary within this Agreement, City shall:

1) fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records;

2) hold any education records in strict confidence and not use or redisclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release;

3) ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

4) safeguard each education record through administrative, physical, and technological safety standards to ensure that adequate controls are in place to

protect the education records and information in accordance with FERPA's privacy requirements;

5) utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third-party;

6) notify SBBC immediately upon discovery of a breach of confidentiality of education records by telephone at 754-321-0300 (Manager, Information Security), and 754-321-1900 (Privacy Officer), and email at privacy@browardschools.com, and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes;

7) fully cooperate with appropriate SBBC staff, including its Privacy Officer and Information Technology staff to resolve any privacy investigations and concerns in a timely manner;

8) prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes;

9) be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law;

10) provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

11) purge education records from any media once the media is no longer in use or is to be disposed.

(b) All education records shall remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto and, upon termination of this Agreement shall, at SBBC's request, return to SBBC or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition.

(c) City shall, for itself, its officers, employees, agents, representatives, contractors, or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments, or losses incurred by

or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes. This section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

2.07 **Data Center Control Standards.** The Statement on Standards for Attestation Engagements ("SSAE") 16 or SSAE 18 is a set of auditing standards and guidance on using the standards, published by the Auditing Standards Board ("ASB") of the American Institute of Certified Public Accountants ("AICPA"), for redefining and updating how service companies report on compliance controls.

An SSAE 16 or SSAE 18 compliance assessment must be completed and an SSAE 16 or SSAE 18 compliance assessment report(s) must be issued before the commencement of services for each data center to be utilized and/or hosted by the City or by one of the City's subcontractors in the performance of this Agreement. A copy of each SSAE 16 or SSAE 18 compliance assessment report(s) shall be provided to SBBC within ten (10) calendar days after the Effective Date of this Agreement and before the commencement of services by the City or by any of the City's subcontractors. Each data center utilized and/or hosted by City or one of the City's subcontractors in the performance of this Agreement shall have and maintain a current SSAE 16 or SSAE 18 certification.

Each data center utilized and/or hosted by the City or by one of the City's subcontractors in the performance of this Agreement thereafter must, at minimum, annually complete an SSAE 16 or SSAE 18 compliance assessment and maintain SSAE 16 or SSAE 18 certification. The resulting annual SSAE 16 or SSAE 18 compliance assessment report(s) shall be provided by the City to SBBC throughout the term of the agreement and within ten (10) calendar days after its/their receipt by the City or the City's subcontractors. Along with the two types of audits, the copies of the SSAE 16 or SSAE 18 compliance assessment reports provided to SBBC shall include any completed Service Organization Control ("SOC") reports including (a) SOC 1 reports containing internal controls over financial reporting; (b) SOC 2 reports covering security, processing integrity, privacy controls, confidentiality and availability; and/or (c) the final SOC 3 report. SBBC is unable to execute a nondisclosure agreement ("NDA") for its receipt of any such reports. However, any information or documents provided to SBBC by the City or any of its subcontractors that is clearly labeled as "Confidential and Exempt from Public Inspection as a Trade Secret pursuant to Section 812.081(1)(f), Florida Statutes" will only be viewed by such SBBC personnel as is necessary and will not be made available for public inspection or copying pursuant to Chapter 119, Florida Statutes, and with Section 24(a), Article I of the Florida Constitution.

2.08 **Telephone Consultation.** SBBC shall provide faculty or school administration for consultation with the City by telephone at any given time during which students are on the City's premises without supervision by an instructor.

2.09 **Course Materials.** Upon request, SBBC shall provide the City copies of current course outlines, course objectives, curriculum, and philosophy and a list of faculty and their qualifications.

2.10 **Educational Experience.** SBBC faculty shall be responsible for maintaining cooperative relationships with City staff. The Firefighting educational experience to be provided to students shall be specified in writing and shall be based upon the needs of the student to satisfy the objectives of the Program. The City shall provide opportunities for participating students to observe and assist in various aspects of fire service training. SBBC must obtain written consent of the parent or student age eighteen (18) years prior to disclosing student educational plan information to the City. Participating students and faculty will be required by the City to execute a Release and Waiver Agreement, which is attached hereto as **Exhibit A.** The student must execute a Hold Harmless Agreement complying with the form attached hereto as **Exhibit C**, and herein incorporated by reference. The City reserves the right to deny acceptance or terminate continued participation in the Program to any student(s) that refuses to execute a Hold Harmless Agreement.

2.11 **Approval Accrediation Status.** Through its administrators and faculty, SBBC shall maintain approval/accreditation status for those programs specified in **Exhibit D,** which is attached hereto and incorporated herein by reference.

2.12 **Supervision of Educational Experiences**. Students participating in the SBBC Health Science Programs, including Firefighting 1-3, for clinical education experiences directly related to patient care shall be supervised by City personnel employed or contracted by City.

2.13 **Faculty Orientation**. The City shall provide an orientation for SBBC faculty prior to the commencement of the students' clinical educational experiences, if requested by SBBC faculty.

2.14 **Student Evaluation.** SBBC shall be responsible for guidance, direction and supervision of students participating in the Program. The City shall be responsible at all times for instruction for the fire academy program. Upon the request of SBBC, the City shall assist in the evaluation of student performance. Fire Instructors from the City are the "teacher of record" for SBBC students they instruct pursuant to this agreement. SBBC shall provide fire rescue instructors from the City with access to the Pinnacle database, which contains the following types of personally identifiable student information: student name, student identification number, grade level, birth date, gender, home address, home phone number, student email address, parent/guardian name and parent/guardian email address. Pursuant to the Family Educational Rights and Privacy Act (FERPA), the fire rescue instructor shall only access information pertaining to those students in his/her class, and such access shall be limited to the purpose of student evaluation and related matters (for example, contacting student's parent/guardian to discuss the evaluation). The information may not be used or re-disclosed for any other purpose. SBBC must obtain written consent of the parent or student age eighteen (18) years of age prior to disclosing student evaluation information to the City.

2.15 **Patient Confidentiality.** SBBC and its participating students and faculty shall keep strictly confidential and hold in trust all confidential information of City and/or its patients and shall not disclose or reveal any confidential information to any third party without- the express prior written consent of the City. Participating students and faculty will be required by SBBC to execute a Confidentiality Statement substantially complying with the form attached hereto as **Exhibit B**, and herein incorporated by reference. SBBC and its participating students and faculty shall comply with any applicable state or federal laws or regulations concerning patient confidentiality or protected health information. SBBC students and faculty shall receive orientation and training on City's privacy policies and procedures prior to beginning the educational programs, pursuant to this Agreement. Unauthorized disclosure of confidential information, patient information or protected health information shall be a material breach of this Agreement and shall constitute cause for the immediate termination of this Agreement. SBBC shall immediately notify the City of any unauthorized disclosure of confidential information, patient information or protected health information that comes to its knowledge. SBBC will not enter into any contracts with third persons to whom confidential information, patient information or protected health information would be provided without the express written consent of the

City and the imposition upon such third persons of the same duty to safeguard said information. SBBC's records relating to the use and disclosure of said information shall be available to inspection upon reasonable notice to the City or any federal or state authority entitled to access to such information. The provisions of this section shall survive the expiration or termination of this Agreement.

2.16 **Number of Assigned Students.** SBBC and the City agree that the determination of the number of students to be assigned to the City shall be at the discretion of the City, based on a variety of factors including, but not limited to, staff, space availability and the number of students enrolled in the program.

2.17 **Program Uniforms.** SBBC shall require students participating in the educational program to wear the uniform of the program and approved nametag while on the City's premises.

2.18 **Students Are Not City Employees.** SBBC, its faculty and its students shall in no event become or be deemed to be employees, servants, agents, or volunteers of the City. Students shall be considered employees, servants, agents or volunteers of SBBC.

2.19 **Discontinued Student Placement.** SBBC reserves the right to refuse or discontinue the placement of students if the City does not meet the professional educational requirements and standards of SBBC. The City reserves the right to discontinue the availability of its facilities and services to any student who does not continuously meet professional or other requirements, qualifications and standards of the City as determined by the City, following collaboration with SBBC personnel. The City reserves the right to immediately remove from its premises and to prohibit from future participation any student who behaves unprofessionally or poses an immediate threat or danger to patients or personnel or to the quality of medical services. However, the parties agree that only SBBC can dismiss a student from program participation.

2.20 **Personal Property**. The City shall not be responsible for the personal property belonging to SBBC faculty or students participating in the Program.

2.21 **Participant's Medical Care**. SBBC and/or the students participating in the Program shall be responsible for arranging for the student's medical care and/or treatment, if necessary, including transportation in the event of illness or injury while participating in the Program provided at the City's premises. In no event shall the City by financially or otherwise responsible for said medical care and treatment.

2.22 **Emergency Health Care Services**. The City shall provide immediate emergency health care services to faculty and students participating in the Program in the event of accidental injury or illness while on the City's premises. At the time of providing such services, the City and emergency health care facility shall accept assignment of the affected individual's personal or Broward County Schools Student Basic Accident insurance policy. Neither City nor SBBC will be responsible for costs involved in the provision of such services, the follow-up care, or hospitalization.

2.23 **City Accreditation/Licensure**. Upon request, the City shall provide proof of its accreditation/licensure status to SBBC.

2.24 **Inspection of City's Records by SBBC**. City shall establish and maintain books, records and documents (including electronic storage media) related to this Agreement. All of City's Records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC agent or its authorized representative. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to City's Records from the effective date of this Agreement, for the duration of the term of the Agreement, and five (5) years after the termination of this Agreement. SBBC's agent or its authorized representative shall provide City with reasonable advance notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction. SBBC's agent or its authorized representative shall have access to the City's facilities and to any and all records related to the Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section. City shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.25 **City Insurance**. The City maintains a self-insurance fund for the benefits of its employees, servants and agents. Nothing contained within this Agreement shall constitute a waiver of sovereign immunity by the City if the City possesses sovereign immunity.

2.26 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed

by written notice in compliance with the provisions of this paragraph. For the present, the parties designate the following as the respective places for giving notice:

To SBBC:	Superintendent of Schools The School Board of Broward County, Florida 600 Southeast Third Avenue Fort Lauderdale, Florida 33301
With a Copy to:	Director The School Board of Broward County, Florida 1701 NW 23rd Avenue Fort Lauderdale, Florida 33311
To City:	Fire Chief The City of Fort Lauderdale, Florida Fire Rescue 528 NW 2nd Street Fort Lauderdale, Florida 33311
With a Copy to:	Chief EMS The City of Fort Lauderdale, Florida Fire Rescue 528 NW 2nd Street Fort Lauderdale, Florida 33311
To City Attorney:	City Attorney The City of Fort Lauderdale, Florida 100 N Andrews Avenue Fort Lauderfale, Florida 33301
To City Manager:	City Manager 100 N. Andrews Avenue Fort Lauderdale, Florida 33301

2.27 **Criminal Background Check and Drug Screening.** All health science, emergency medicine, firefighting and criminal justice education students, as well as the practical nursing students who participate in a clinical experience at a hospital, nursing home or other clinical facility, must take and successfully pass a criminal background check and a ten-panel drug screening test. In accordance with the reemployment regulations and guidelines of the hospital, nursing home, clinical facility, or rescue station students may be denied program entrance. The results of the criminal background check and drug screening tests will be discussed with the student and his/her parent or guardian, if required.

2.28 **Public Records.** The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. City shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, City shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a

cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. City shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if City does not transfer the public records to SBBC. Upon completion of the Agreement, City shall transfer, at no cost, to SBBC all public records in possession of City or keep and maintain public records required by SBBC to perform the services required under the Agreement. If City transfers all public records to SBBC upon completion of the Agreement, City shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If City keeps and maintains public records upon completion of the Agreement, City shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.29 **Indemnification**. Each party agrees to be fully responsible for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.30 **Professional Liability Insurance Coverage**. SBBC shall provide the City proof of professional liability insurance coverage with a minimum of $1,000,000/$3,000,000 for each student and faculty member. Students shall be required to be covered by their own health or accident insurance.

2.31 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.32 **Annual Appropriation.** The performance and obligations of SBBC under this Agreement shall be contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such

termination. No penalty shall accrue to SBBC in the event this provision is exercised, and SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this section.

2.33 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC.

2.34 **Incorporation by Reference**. **Exhibits A, B, C, and D** attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

2.35 **Hold Harmless**. SBBC agrees to advise all faculty and students that the City requires each student to sign the Hold Harmless Agreement before participating in the Program. SBBC shall ensure that its faculty and students execute the Hold Harmless Agreement attached hereto as **Exhibit C** to this Agreement. SBBC shall provide all executed faculty and student Hold Harmless Agreements to the City prior to any faculty and/or student participation pursuant to this Agreement.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the

matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

EXHIBIT A

RELEASE AND WAIVER

I,_____, in consideration for being allowed to enroll and participate in the School Board of Broward County's Emergency Medical Responder, Introduction to Firefighting, and/or Criminal Justice Operations educational program(s), hereby agree to sign this Release and Waiver.

Accordingly, I agree to unconditionally release, waive, and discharge the City of Fort Lauderdale, Florida, its Commission members, employees, agents, and servants, all hereafter referred to as "releasees", from all claims and courses of action, that I, my personal representatives, assigns, heirs, and next of kin, may have for any loss, damage, or injury to person or property, whether caused by the negligence, or otherwise of the releasees. In addition, I agree to release against all claims, demands, and actions arising out of either my own actions or involvement with the City of Fort Lauderdale, Florida, and/or the above listed educational programs.

I certify and warrant that I am in good health and physical condition and is able to participate in the above activity.

I HAVE CAREFULLY READ THE FOREGOING RELEASE AND WAIVER AND KNOW THE CONTENTS THEREOF AND HAVE SIGNED THIS RELEASE AND WAIVER AS MY OWN FREE ACT.

I expressly agree that this Release and Waiver is intended to be as broad and as inclusive as permitted by the laws of the State of Florida, and that if any portion thereof is held invalid, it is agreed that the balance shall notwithstanding, continue in full force and effect.

In Witness Whereof, I have executed this Release and Waiver on _____, 20___.

CONFIDENTIALITY STATEMENT

The undersigned hereby acknowledges his/her responsibility under the Agreement between The School Board of Broward County, Florida ("SBBC") and the City of Fort Lauderdale, Florida ("City"), to keep confidential any information regarding City patients, as well as all confidential information of City. This includes all Protected Health Information (PHI). PHI is information which relates to the past, present, or future physical or mental health or condition of an individual, the provision of health care to an individual, or the past, present, or future payment for the provision of health care to an individual. PHI may be in oral (verbal), written, electronic (i.e. computer transmission, faxes) or any other form or medium. The undersigned agrees, under penalty of law, not to reveal to any person or persons except authorized clinical staff and associated personnel any specific information regarding any patient and further agrees not to reveal to any third party any confidential information of City, except as required by law or as authorized by City. The undersigned agrees to comply with any patient information privacy policies and procedures of School and City. The undersigned further acknowledges that he or she has viewed a videotape regarding City's patient information privacy practices in its entirety and has had an opportunity to ask questions regarding City's and School's privacy policies and procedures and privacy practices. The undersigned acknowledges its responsibility as required by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and agrees to comply with all of the requirements as contained in HIPAA.

REQUEST FOR PERMISSION TO RIDE AS AN OBSERVER AND HOLD-HARMLESS AGREEMENT

The undersigned being over the age of eighteen, does hereby request the Fort Lauderdale Fire-Rescue Department for permission to ride solely as an observer in an authorized Fort Lauderdale Fire-Rescue Department motor vehicle. This observation is for the purpose of educational benefit. If permission is granted, I hereby agree at all times to obey all instructions, orders and directives given me by the officer or officers in command whether it be in or at the fire station, on any fire department vehicle or at any incident scene. I fully realize and appreciate the basic nature of fire department work and the possibility that situations will arise which might result in exposure to danger or physical harm or injury, including, but not limited to, motor vehicle accidents. I nevertheless freely and voluntarily accept these risks. I further agree to keep confidential anything which I may observe when requested to do so by members of the Fort Lauderdale Fire-Rescue Department. Additionally, I understand that I cannot take any photographs, video or other imaging (analog or digital) without the express written consent of the Fire Chief or their designee. I further understand and agree that any medically related patient information shall not be disseminated in any form under penalty of law (HIPAA). Finally, I understand that the privilege of riding as an observer may be terminated at any time without notice by the Fort Lauderdale Fire-Rescue Department.

WHEREFORE, in consideration of the educational benefit to be received and the granting of the above request, I hereby agree to hold the City of Fort Lauderdale, its Commission, Fort Lauderdale Fire-Rescue Department and its Fire Chief, City of Fort Lauderdale employees, agents and servants harmless from any and all liability to me for bodily injury or property damage whether proximate or remote, sustained during the period of time I may be in the capacity of an observer as aforesaid.

EXHIBIT D

The School Board of Broward County, Florida through Health Science Education, Law and Public Safety Education, is conducting the following educational programs for the purpose of providing skilled workers for the Health Service Industry:

EMERGENCY MEDICAL RESPONDER – Fort Lauderdale High School	INTRODUCTION TO FIREFIGHTING – Emergency Medical Technician
CRIMINAL JUSTICE OPERATIONS	

FIRST AMENDMENT TO AGREEMENT

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

CITY OF FORT LAUDERDALE, FLORIDA
(hereinafter referred to as "City"),
a Florida municipality
having its principal place of business at
101 NE 3rd Avenue, Suite 2100, Fort Lauderdale, Florida 33301

RECITALS

A. **WHEREAS**, SBBC and City entered into an Agreement that commenced on October 17, 2023, and expires on July 31, 2026, regarding FY24-119; Fire Academy Education Program- City of Ft. Lauderdale ("Agreement"); and; and

B. **WHEREAS,** SBBC is conducting educational programs through Health Science Education for the purpose of providing skilled workers for the health service industry in the fields of firefighting and rescue; and

C. **WHEREAS,** the Agreement permits two (2) additional one (1) year extension periods; and

D. **WHEREAS,** SBBC and City wish to exercise the first of the two (2) options to extend the Agreement term for a period of one (1) year from August 1, 2026, through July 31, 2027, and amend certain provisions of the Agreement through this First Amendment to Agreement ("First Amendment").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Recitals.** The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

2. **Term of Agreement.** Pursuant to Section 2.01 of the Agreement is hereby extended from August 1, 2026 ("Effective Date") through July 31, 2027, unless terminated earlier pursuant to section 3.05 of the Agreement.

3. **Amended Provisions.** The parties hereby agree to the following amended provisions to the Agreement:

(a) The following provisions – sections 2.05 (b) and (e) and 2.06 - **replace** the respective provisions in the Agreement, by interlineation, as follows:

2.05 SBBC Disclosure of Education Records

(b) SBBC will provide City's Fire Instructors with the following education records via SBBC's FOCUS database. Access must be limited to information pertaining to the students served.

1) Student first and last name
2) Student identification number
3) Student grade level
4) Student date of birth
5) Student gender
6) Student home address
7) Student home phone number
8) Student email address
9) Parent/guardian name
10) Parent/guardian email address

(e) SBBC will obtain written consent from each student's parent/guardian or student age 18 years or older prior to disclosing the education records listed in this section, or for the City's access to FOCUS. NOTE: In addition, SBBC obtains written parent/guardian consent (or consent from students age 18 or older) for students to participate in the City's Fire fighter Ride Along program.

2.06 City's Safeguarding the Confidentiality of Education Records.

(a) Privacy. Notwithstanding any provision to the contrary within this Agreement, City shall:

1) Fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records; and

2) Hold any education records in strict confidence and not use or re-disclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 or older whose education records are to be shared provides prior written consent for their release; and

3) Utilize the education records solely for the purposes of providing products and services as contemplated under this Agreement; and shall not share, publish, sell, distribute, target advertise, or display education records to any third party, in compliance with Section 1006.1494, Florida Statutes; and shall otherwise be in full compliance with Section 1006.1494, Florida Statutes; and

4) Notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

(b) IT Security. Notwithstanding any provision to the contrary within this Agreement, City shall:

1) Ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request; and

2) Safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements; and

3) Notify the SBBC IT Security Assistant Director immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes; and

4) Fully cooperate with appropriate SBBC staff, including Privacy Officer and/or Information Technology staff to resolve any privacy investigations and concerns in a timely manner; and

5) Prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

6) Be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law; and

7) Provide SBBC with the name and contact information of its employee who shall serve as SBBC's primary security contact and shall be available to assist SBBC in resolving obligations associated with a security breach of confidentiality of education records; and

8) Purge education records from any media once the media is no longer in use or is to be disposed; and

9) Return, at SBBC's request, all education records to SBBC (at no additional cost and in a format that is compatible with SBBC's information technology systems) upon termination of this Agreement, or purge the education records in compliance with the applicable Florida Retention Schedules and provide SBBC with a written acknowledgment of said disposition. All education records remain the property of SBBC, and any party contracting with SBBC serves solely as custodian of such information pursuant to this Agreement and claims no ownership or property rights thereto.

(c) Liability. City shall, for itself, its officers, employees, agents, representatives, contractors or subcontractors, fully indemnify and hold harmless SBBC and its officers and employees for any violation of this section, including, without limitation, defending SBBC and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon SBBC, or payment of any and all costs, damages, judgments or losses incurred by or imposed upon SBBC arising out of a breach of this covenant by the party, or an officer, employee, agent, representative, contractor, or sub-contractor of the party to the extent that the party or an officer, employee, agent, representative, contractor, or sub-contractor of the party shall either intentionally or negligently violate the provisions of this section or of Sections 1002.22 and/or 1002.221, Florida Statutes.

(d) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

4. Cost. This is a no cost agreement.

5. **Order of Precedence among Agreement Documents.** In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

(a) this First Amendment to Agreement; then
(b) the Agreement.

6. **Other Provisions Remain in Force.** Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

7. **Authority.** Each person signing this First Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment to Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this First Amendment to Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

Renaming of Plantation High School

Board Meeting Date: July 28, 2026

Requested Action: Approve the renaming of Plantation High School to "Plantation High School 6-12".

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District 5	
School Board Policy Requirement	• School Board Policy 1401 – Naming/Renaming of School Board-Owned Facilities
Statutory Requirement	• N/A
If the School Board votes "Yes"	• Plantation High School will be renamed "Plantation 6-12" to reflect the approved merger of Plantation Middle School with Plantation High School and the school's expanded grade configuration. The name change will align the school's official name with its grade structure and will not affect the school's governance, accreditation, funding, or educational offerings.
If the School Board votes "No"	• The school's name will remain Plantation High School. The approved merger and expanded grade configuration may proceed; however, the school's official name would not reflect the full 6-12 grade configuration.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• N/A The measurable outcome is the successful implementation of the school's name change from Plantation High School to "Plantation 6-12" across applicable District records, communications, signage, and public-facing materials. The return on investment is improved clarity and consistency for students, families, staff, and the community regarding the school's grade configuration. The proposed name change does not affect governance, accreditation, funding, or educational offerings.

Background/History

As part of the District's Redefining Our Schools process, the merger of Plantation Middle School with Plantation High School was reviewed and approved to support the District's ongoing efforts to align school configurations with student, family, and community needs. As a result of this approved merger, Plantation High School will serve an expanded grade configuration that includes grades 6 through 12.

To accurately reflect this expanded grade structure, the Central Regional Superintendent has requested approval to rename Plantation High School to "Plantation 6-12." The proposed name change is intended to provide clarity for students, families, staff, and the broader community by ensuring the school's official name aligns with the grades it will serve.

This recommendation is limited to the school's name and grade configuration and does not affect the school's governance, accreditation, funding, or educational offerings. The District will continue to provide high-quality academic programs, support services, and opportunities that foster student success, while maintaining its commitment to serving the students and families of the Plantation school community.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method

This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Agreement Term:	N/A
Multi-Year Agreement:	N/A
Procurement Method:	**Piggyback Agreement** (Yes/No): **Acquisition Method**:

Table B: Financial Impact, Funding Source, and Budget Authority

This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

There is no immediate financial impact associated with approval of this item. Any future financial impact will be dependent on the District's official branding and implementation of the name change, including but not limited to updates to signage, school and District websites, letterhead, printed materials, student and family communications, uniforms, facility branding, records systems, and other public-facing materials where the school's name is used. Any such costs would be addressed through the appropriate departmental or school-based budget processes, as applicable.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A		

Budget Authority Request(s)

This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	The proposed name change will impact Plantation High School by aligning the school's official name with its expanded 6-12 grade configuration. This change will help students, families, staff, and community members clearly understand the school's structure following the approved merger. The renaming does not change the school's governance, accreditation, funding, or educational offerings and does not diminish the District's commitment to academic programs, support services, and student success.
School Selection /Prioritization	Plantation High School
Community/ Stakeholder Engagement	Community and stakeholder feedback was received and considered as part of the District's Redefining Our Schools process, which included the review and approval of the merger of Plantation Middle School with Plantation High School. The proposed name change to "Plantation 6-12" reflects that process and provides a clear, accurate name for the school's expanded grade configuration. Feedback received through the Redefining Our Schools process helped

	inform the District's planning and implementation considerations, including the need for clear communication with students, families, staff, and the broader school community.
End-User Input	N/A
Technology/Capital Expected Lifecycle/Replacement Cycle	N/A

SUBJECT: CONSIDERATION FOR RENAMING PLANTATION HIGH SCHOOL, "PLANTATION HIGH SCHOOL 6-12"

As part of the Redefining Our Schools process, and the approved merger of Plantation Middle School with Plantation High School. We are requesting permission to rename Plantation High School to Plantation High School 6–12.

We believe the proposed name change better reflects the school's expanded grade configuration and does not affect the school's governance, accreditation, funding, or educational offerings.

Our commitment to providing a high-quality education for all students remains steadfast. We will continue to offer exceptional academic programs, support services, and opportunities that foster student success. This recommendation represents a change in the school's name and grade structure only; our dedication to excellence and serving our students and families remains unchanged.

EXECUTIVE SUMMARY

Broward County Public Schools
2026-2027 Comprehensive Evidence-Based Reading Plan

Board Meeting Date: July 28, 2026

Requested Action: Approve the Broward County Public Schools (BCPS) 2026-2027 Comprehensive Evidence-Based Reading Plan.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• N/A
Statutory Requirement	• Under Florida Statue (Section 1003.4201) and State Board of Education Rule 6A-6.053, each school district must develop and submit to their local school board for approval.
If the School Board votes "Yes"	• BCPS will be able to submit the 2026-2207 Reding Plan to the Florida Department of education (FLDOE) and receive the annual Reading Allocation Funds. These funds are used to pay for Literacy Coaches at all elementary schools, approved ELA instructional materials for schools and Third Grade Summer Reading Academy.
If the School Board votes "No"	• BCPS will not be in compliance with state statute and will not receive the Reading Allocation dollars that are used to pay for Literacy Coaches at all elementary schools, approved ELA instructional materials for schools and Third Grade Summer Reading Academy.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1- Early Literacy
Measurable Outcome(s)/Return on Investment	• 2025-2026 Goal: The percentage of students in grade 3 who demonstrate grade level performance or above on the Florida Assessment of Student Thinking (FAST) ELA PM3 will increase from 61% on June 2025 ELA assessment to 64% by June 2026. This goal was met as 64% of 3rd grade

	students scored at or above grade-level performance on the 2026 FAST ELA PM3. • 2026-2027 Goal: The percentage of students in grade 3 who demonstrate grade level performance will increase from 64% on the 2026 FAST ELA PM3 to 67% on the 2027 FAST ELA PM3.

Background/History

Every district is required to submit its School Board approved Reading Plan to the FLDOE annually.

Agreement Terms and Financial Impact

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	The Comprehensive Evidence-Based Reading Plan provides guidance for all schools regarding the implementation of English Language Arts instruction that is aligned to the Science of Reading and ensures the implementation of evidence-based practices.
School Selection /Prioritization	District Wide
Community/ Stakeholder Engagement	N/A
End-User Input	The CERP is written based on feedback from the District Root Cause Analysis and Reflection committee who evaluates our implementation of literacy practices. The committee includes teachers, coaches, school-based administrators and district administrators from various departments such as ESE and ESOL.

Technology/Capital Expected Lifecycle/Replacement Cycle	N/A

Additional Backup:
Exhibit A: 2026-2027 Comprehensive Evidence-Based Reading Plan

Broward County Public Schools (BCPS)
2026-2027
Comprehensive Evidence-Based Reading Plan (CERP)

Annually, school districts must develop a Comprehensive Evidence-Based Reading Plan (CERP) that outlines the components of the district's comprehensive system of reading instruction. In order to assist districts, the Florida Department of Education (FLDOE) has developed the format below for district reading plans. Districts may utilize the Department's format or an alternative developed by the district. The CERP must be approved by the governing board or authority prior to being submitted to the Department by Saturday, August 1, 2026, for approval. A charter school that elects to develop its own CERP must submit its CERP, approved by the governing board or authority, to the sponsoring district by Wednesday, July 15, 2026, and meet the requirements of sections (ss.) 1002.33(7)(a)2.a. and 1003.4201, Florida Statutes (F.S.).

The District CERP depicts and details the role of administration (both district and school level), professional learning (PL), assessment, curriculum, and instruction in the improvement of student learning of the Benchmarks for Excellent Student Thinking (B.E.S.T.) English Language Arts (ELA) Standards as provided in Rule 6A-1.09401, Florida Administrative Code (F.A.C.), Student Performance Standards. This information is reflected for all schools and grade levels and must be shared with all stakeholders, including school administrators, literacy leadership teams, literacy coaches, classroom instructors, support staff, and parents.

1) Contact Information

The Main District Reading Contact will be the Department's contact for the District CERP and is responsible for the plan and its implementation. Other contacts are those who work primarily with an area covered within the plan. Indicate the contacts for your district. **Add additional rows as needed.**

Point of Contact	Name	Email	Phone
Main Reading Contact	Dr. Fabian Cone	fabian.cone@browardschools.com	754-321-1898
2nd Contact for K-5 CERP	Diane Raude	diane.raude@browardschools.com	754-321-1898
2nd Contact for 6-12 CERP	Marie Garrido	marie.garrido@browardschools.com	754-321-2123
Assessment	Richard Baum	richard.baum@browardschools.com	754-321-2510
Data Element	Emily Coppa	emily.coppa@browardschools.com	754-321-0329
Third Grade Promotion	Melissa Holtz	melissa.holtz@browardschools.com	754-321-1852
Multi-Tiered System of Supports (elementary)	Farrah Kellingbeck	farrah.kellingbeck@browardschools.com	754-321-1843
Multi-Tiered System of Supports (secondary)	Tanya Monroe	tanya.monroe@browardschools.com	754-321-2174

2) District Expenditures

Comprehensive System of Reading Instruction Expenditures (Rule 6A-6.053(9)(b)3.b., F.A.C.)
The reading funding included in the Florida Education Finance Program (FEFP) base funding is intended to provide comprehensive reading instruction to students in prekindergarten (PreK) through grade 12. Districts will include salaries and benefits, professional learning, assessment, programs/materials, tutoring and incentives required to effectively implement the district's plan. The expenditures must prioritize Voluntary Prekindergarten (VPK) students who have a substantial deficiency in early literacy skills and K-3 students who have a substantial reading deficiency or characteristics of dyslexia.

Charter schools must utilize their proportionate share in accordance with ss. 1002.33(7)(a)2.a., 1003.4201 and 1008.25(3)(a), F.S. *Note: All intensive reading interventions specified by the charter must be delivered by a teacher who has a literacy micro-credential or is certified or endorsed in reading.*

Comprehensive System of Reading Instruction Expenditures	Amount	FTE (where applicable)
Elementary Expenses		
Literacy coaches	**$8,954,408**	
Intervention teachers		
Scientifically researched and evidence-based supplemental instructional materials		
Third-grade summer reading camps	**$787,449**	
Summer reading camps		
Secondary Expenses		
Literacy coaches		
Intervention teachers		
Scientifically researched and evidence-based supplemental instructional materials		
PreK-Grade 12 Expenses		
Professional learning to help K-12 instructional personnel and certified PreK teachers earn a certification, a credential, an endorsement, or an advanced degree in scientifically researched and evidence-based reading instruction		
Incentives for K-12 instructional personnel and certified PreK teachers who obtain the Reading Endorsement or Certification		
Incentives for PreK-12 instructional personnel who obtain an Emergent, Elementary, or Secondary Literacy Micro-Credential		
Additional time per day of evidence-based intensive reading instruction for extended literacy learning (before or after school, summer, etc.)		
Tutoring programs to accelerate literacy learning		
Family engagement activities		
Other – Please Describe (Add additional rows as needed.)		
District Trainer	**$103,262**	
Estimated Sum of Expenditures	**$9,845,119**	

3) Literacy Leadership – District and School

A. Measurable Student Achievement Goals (Rule 6A-6.053(9)(b)3.d., F.A.C.)
Goals for the plan year should increase from the previous year in order to meet statewide literacy achievement goals.

For VPK, establish clear and measurable student literacy achievement goals based on percentiles from the Florida Assessment of Student Thinking (FAST).

FAST				
Grade	Previous School Year – % of Students Scoring	Goal for Plan Year – % of Students Scoring	Previous School Year – % of Students Scoring	Goal for Plan Year – % of Students Scoring
	Urgent Intervention <10th percentile	**Urgent Intervention** <10th percentile	**At & Above Benchmark** 40th percentile & above	**At & Above Benchmark** 40th percentile & above
VPK	Based on the 2025-2026 Progress Monitoring (PM) 2 administration of Star Early Literacy, 55 out of 1,298 VPK students (4%) scored below the 10th percentile.	Based on the 2026-2027 PM3 administration of Star Early Literacy, 53 out of 1,420 VPK students (3.73%) will score below the 10th percentile.	Based on the 2025-2026 PM2 administration of Star Early Literacy, 992 out of 1,298 VPK students (76%) scored above the 40th percentile.	Based on the 2026-2027 PM3 administration of Star Early Literacy, 1,094 out of 1,420 VPK students (77%) will score above the 40th percentile.

1. **Describe how the district will improve literacy outcomes for VPK students based on an analysis of student performance data.**

The Early Childhood Education Department (ECE) will host professional learning targeting early literacy interventions and effective instructional strategies in VPK. These professional learning topics were identified based on low-performing areas determined from the Star Early Literacy assessment. These include oral language, letter recognition, concepts of print, vocabulary development, and phonological awareness. VPK teachers will develop Progress Monitoring Plans (PMPs) for students scoring below the 10th percentile for PM 2 or 3. VPK PMPs will target early literacy content that are "Focus Skills" that the data demonstrates that the student needs from the Instructional Planning report. This will be implemented through intensive instruction via small group lessons and activities. VPK teachers will provide parents with Star Early Literacy Parent Reports and information on the New World's Reading Initiative program. VPK teachers will also provide parents with a "Read at Home" plan to assist parents in building early literacy skills with VPK students. School-based literacy coaches will continue to work with VPK teachers to analyze student data, identify skill gaps, determine student goals, and model effective early literacy practices and interventions.

For K-10, establish clear and measurable student literacy achievement goals based on achievement levels from the FAST.

FAST				
Grade	2025-2026 School Year – % of Students Scoring	Goal for Plan Year – % of Students Scoring	2025-2026 School Year – % of Students Scoring	Goal for Plan Year – % of Students Scoring
	Level 1	Level 1	Levels 3-5	Levels 3-5
K	16%	14%	63%	65%
1	20%	18%	66%	68%
2	22%	20%	57%	59%
3	17%	15%	64%	66%
4	15%	13%	65%	67%
5	12%	10%	67%	69%
6	14%	12%	68%	70%
7	13%	11%	67%	69%
8	16%	14%	63%	65%

9	15%	13%	63%	65%
10	15%	13%	64%	66%

B. Plan Implementation and Monitoring (Rule 6A-6.053(10), F.A.C.)

Districts must monitor the implementation of the District CERP at the district and school level, including charter schools are sponsored by a district.

1. Provide an explanation of the following:

Grades K-5	District Level	School Level
Data that will be collected and the frequency of review	**Student Assessment Data:** • School-by-school program usage data of our adopted, high-quality instructional materials for Tier 1 instruction, Benchmark Advance Florida Edition **(monthly)** • School, grade, region, and subgroup data using Unit Assessments from Benchmark Advance, iReady Diagnostic assessment, and FAST **(3 times per year)** • Charter school results **Classroom Walk-through Data:** • The district Literacy Leadership Team (LLT) during the 90-minute, uninterrupted reading block for effective implementation of instruction for K-2 and 3-5 utilizing our K-12 Science of Reading (SoR) Classroom Instructional Look-For Tool **(ongoing)**	**Student Assessment Data:** • Grade, teacher, and classroom data core Tier 1 curriculum using Benchmark Advance **(monthly)** • Grade and classroom progress monitoring data of Tier 1 curriculum using Benchmark Advance, iReady, and FAST **(3 times per year)** **Classroom Walk-through Data:** • School-level Literacy Leadership Team (LLT) conducts CWTs during the reading block for effective implementation of instruction in K-2 and 3-5 using Benchmark Advance Look-Fors and K-12 SoR Classroom Instructional Look-For Tool **(ongoing)**
Actions for continuous support and improvement **(ongoing)**	• The district provides support for LLTs via a Canvas page of resources outlining how to establish a school LLT, set a vision, set goals, and take action to improve student outcomes • Literacy Coach Forums support the implementation of professional development and alignment to the science of reading (**including charter schools**) • Review student achievement data and deploy support to schools that demonstrate a need • District-level LLTs walk through/ Instructional Review data using the K-12 Instructional Look-For Tool	• School-level LLTs will create a shared literacy vision, set goals, and monitor instruction through regular data conferences • School LLTs conduct CWTs during literacy block for effective implementation of instruction in K-2 and 3-5 utilizing Benchmark Advance CWT for whole group, small group, and the K-12 SoR Classroom Instructional Look-For Tool

DRAFT

Grades 6-8	District Level	School Level
Data that will be collected and the frequency of review	• **Student Assessment Data:** FAST, MAP, Code Placement, San Diego with Considerations for English Language Learners (ELLs) **(3 times per year)** using the Place-Plan-Monitor guidance tool • **Charter school results** • **Classroom Walkthrough Data: 1-3 times per year** depending on the priority level of the school.	**Student Assessment Data:** FAST, MAP, Code Placement, San Diego with Considerations for ELLs **(3 times per year)**, classroom formative assessments **(weekly)** using the Place-Plan-Monitor guidance tool **Classroom Walkthrough Data:** Ongoing
Actions for continuous support and improvement	• **Tiered school support: *All schools*** have access to monthly literacy coach forums, district professional learning, and the ELA & Literacy Hub resources. **Focus schools** have everything above plus biweekly support from a district Instructional Specialist. **Priority schools** have everything above plus weekly district support.	All schools have a school-based literacy coach who conducts regular coaching cycles based on teacher need, Professional Learning Communities (PLCs), and/or Collaborative Planning sessions that meet regularly.
Grades 9-12	**District Level**	**School Level**
Data that will be collected and the frequency of review	• **Student Assessment Data:** FAST, Measures of Academic Progress (MAP), Code Placement, San Diego with Considerations for ELLs **(3 times per year)** using the Place-Plan-Monitor guidance tool • **Charter school results** • **Classroom Walkthrough Data:** 1-3 times per year depending on the priority level of the school.	**Student Assessment Data:** FAST, MAP, Code Placement, San Diego with Considerations **(3 times per year)**, classroom formative assessments **(weekly)** using the Place-Plan-Monitor guidance tool **Classroom Walkthrough Data:** ongoing
Actions for continuous support and improvement	• **Tiered school support: *All schools*** have access to monthly literacy coach forums, district professional learning, and the ELA & Literacy Hub resources. **Focus schools** have everything above plus biweekly support from a district Instructional Specialist. **Priority schools** have everything above plus weekly district support.	All schools have a school-based literacy coach who conducts regular coaching cycles based on teacher need, PLC, and/or Collaborative Planning sessions that meet regularly.

DRAFT

2. Describe what has been revised to improve literacy outcomes for students in the district's CERP based upon the District CERP Reflection Tool and a root-cause analysis of student performance data.

For **Literacy Leadership**, both Secondary and Elementary members of **Broward's CERP Root Cause Analysis & Reflection Committee** determined that the district would benefit from a wider and more intentional approach to disseminating Broward's 2026-2027 CERP. As a result, an infographic summarizing the plan was developed and will be shared with leadership during Leadership Week. Throughout the year, there was timely information via principal and assistant principal meetings, Literacy Coach Forums, and email reminders to support CERP implementation.

All participants in **Broward's CERP Root Cause Analysis & Reflection Committee** felt it was essential to renew our focus on **Literacy Coaching**. This is especially true because our Reading Allocation subsidizes school-based Literacy Coaches throughout the district. We plan to build capacity by providing ongoing PL on a standardized coaching model during our Literacy Coach Forums for 2026-2027. In addition, all stakeholders would like to see a refocus on coaching practices that have the biggest impact on student achievement. As part of this initiative, we encourage Literacy Coaches to spend most of their time (over 50%) in classrooms providing direct support to teachers via modeling, co-teaching, and providing feedback.

In partnership with the Leadership Development & Teacher Support Department, we are aligning the role of Instructional Coaches to the evidence-based practices outlined in the "Just Read, Florida!" Coaching Model. We collaborated with principals, assistant principals, coaches, and district staff across various departments to create a calendar of tasks and expectations aligned to CERP implementation. A toolbox of protocols, such as lesson study, analysis of student work, and standards-based feedback are also being developed to support the effective use of Instructional Coaches.

Standards, Curriculum, Instruction & Intervention: The **Broward's CERP Root Cause Analysis & Reflection Committee**, the Elementary team is focused on ensuring that all students have access to high-quality instructional materials (HQIM) for Tier 1 instruction. The K-12 SoR Classroom Instructional Look-For Tool. The priority is to identify ways that provide teachers with additional planning time for the application of academic discourse and integrated writing opportunities that cement student learning. We continue to make progress with schools intentionally scheduling an intervention block outside of their 90-minute, uninterrupted reading block. This is called WIN (What I Need) time.

The Secondary team is focused on the effective practice of embedding reading, writing, speaking, and listening across all content areas. This supports and reinforces the priorities they have identified on their SoR journey. Teachers and Instructional Coaches will attend the new workshop titles, SoR-ing with Science, SoR-ing with Social Studies, and SoR-ing with Math, as well as the ELA and Intensive Reading options. An expanded focus on writing, which includes increasing use of an Artificial Intelligence (AI) infused tool, Writable, in ELA and Intensive Reading courses, with a plan to roll out in Social Studies next. A district-wide focus on academic discourse in each content area will be implemented.

Assessment: The Elementary Learning Department ELA Team has developed comprehensive diagnostic assessment tools or a plan for each of the six components of reading that drill down to the skill, as outlined in the B.E.S.T. Standards for ELA. In addition, instructional pathways that address specific skill gaps were developed. For example, a BCPS Phonics Diagnostic identified a gap with variable vowel teams. The teacher will select and implement the aligned instructional pathway. Each instructional pathway provides six lessons, a brief progress monitoring tool aligned to the skill, six additional lessons if required, and a second brief formative assessment. It is highly recommended that schools require pathway instruction before initiating Response to Intervention (RTI). This ensures that students receive targeted Tier 1 instruction on the identified skill prior to referral.

Broward's CERP Root Cause Analysis & Reflection Committee determined these tools to be of exceptional quality; however, they are not currently used universally throughout the district. In addition, data for Tier 2 and Tier 3 are often inconsistent or not aligned with the foundational skill gap identified using the decision tree. As a result, the Elementary team felt that Indicator 4, "Each school has an operational plan for the collection and regular review of progress monitoring data to evaluate the effectiveness of instruction in Tier 1 and to monitor progress of students receiving Tier 2 and 3 interventions," would best support the effort to increase effective usage.

The Secondary team created a tool to support coaches and teachers in implementing best practices for formative **Assessment** and differentiating instruction. The **Place-Plan-Monitor** document extends the Secondary Intensive Reading Placement Chart into a tool that takes educators from data to differentiation and includes case studies of students and follows them throughout the year as ongoing data is used to **place** students into the best fit intervention, **plan** for appropriate differentiated, scaffolded instruction using the Levels of Scaffolding Menu and to **monitor** the student response to intervention with the Monitor RTI document and guided questions using the Instruction, Curriculum, Environment, and Learner (ICEL) x Review, Interview, Observe, Test (RIOT) chart that helps educators get to and address the root causes of student reading difficulties. As a result, **Broward's CERP Root Cause Analysis & Reflection Committee** chose to focus Secondary on indicator 2, "A structure for ongoing formative assessment is in place to determine where instruction should be modified to meet individual student needs."

Professional Learning: Participants in **Broward's CERP Root Cause Analysis & Reflection Team** agreed that school-based PLCs need to implement evidence-based practices that improve student outcomes. This is outlined in Indicator 4, "PLCs are guided by assessment data and are ongoing, engaging, interactive, collaborative, job-embedded, and provide time for teachers to collaborate, research, conduct lesson studies, and plan instruction." During the 2026-2027 school year, district-wide PLCs will implement the following: lesson study, student work analysis, and feedback rubrics. Currently, the implementation and effectiveness of PLCs vary vastly from school to school.

3. **Describe the process used by principals to monitor implementation of the reading plan, including the frequency of reading walkthroughs conducted by administrators.**

School-level principals and Literacy Coaches annually review the district's reading plan with the School Literacy Leadership Team to ensure effective communication and implementation of the CERP. This is achieved by conducting classroom walkthroughs during the 90-minute reading block, participating in data chats, and actively participating in collaborative problem-solving team meetings. Verified documentation is submitted alongside each school's updated School Improvement Plan. BCPS Regional Superintendents and Teaching & Learning Directors review Tier 1 progress monitoring data and provide direct oversight of schools. Elementary/Secondary Learning ELA Curriculum Supervisors support and monitor implementation of the CERP by regular data disaggregation of FAST, iReady, adopted Tier 1 curriculum, CWTs, Instructional Reviews, and feedback conversations.

4. **In addition, describe how principals monitor collection and utilization of assessment data, including progress monitoring data, to inform instruction and support needs of students.**

The District Literacy Leadership Team and Student Assessment and Research Department meet regularly to review progress monitoring data from the FAST, iReady, and Tier 1 curriculum (K-5: Benchmark Advance; 6-12: Houghton Mifflin Harcourt (HMH). Findings are shared with BCPS Regional Superintendents and Teaching & Learning Directors. Additional school support is provided by the Regional Offices and the Office of Academics based on student achievement data. In 2025-2026, representatives from Curriculum Associates met quarterly with leaders from the Elementary and Secondary Learning Departments to gauge usage of our evidence-based core curriculum for Tier 1 instruction via the iReady diagnostic results. This ensured that schools were following the CERP. Therefore, we will continue this practice for the 2026-2027 school year. In addition, all teachers in K-5 are utilizing the district process for determining a reading area of focus for students not reading on grade level (Applying the SoR at BCPS: Part 2). This practice aligns with the science of reading and ensures that students receive the most appropriate intervention for their priority area of need. Finally, we will continue to closely monitor data and use of approved, evidence-based interventions. It is essential that K-5 students have the skills needed to decode with ease, the background knowledge, and vocabulary to understand what they are reading. Secondary Learning Department meets with HMH regularly to monitor program fidelity and student achievement, ensure that the CERP is being followed, and track student progress. After each assessment period, principals, assistant principals, schedulers, and coaches review student data at the district and school level during their respective monthly meetings. Based on these results, action plans are initiated. The goal at both the elementary and secondary levels is to phase students out of Tier 2 and 3 interventions. PM data ensures students remain successful in Tier 1 instruction.

C. Literacy Coaches (Rule 6A-6.053(4), F.A.C.)

The Just Read, Florida! literacy coach model delineates the roles and responsibilities of literacy coaches.

1. **Is the district using the Just Read, Florida! literacy coach model as defined in Rule 6A-6.053(4), F.A.C.?**

☒Yes **☐No**

2. **If no, please describe the evidence-based coach model the district is using.**

N/A

3. **How is the district's literacy coach model communicated to principals?**

The requirements of the "Just Read, Florida!" Literacy Coach Model per **Rule 6A-6.053(4), F.A.C.**, is communicated through a series of meetings and memos. Prior to the start of each school year, principals participate in a meeting outlining policy **Rule 6A-6.053(4), F.A.C.,** requirements. Throughout the school year, school-based Literacy Coaches participate in monthly forums to review/discuss coaching expectations and requirements, evidence-based instructional practices, data analysis, and strategies for school improvement. In addition, training and support on state statute expectations for the effective use of Literacy Coaches with school leaders will be an area of focus during the 2026-2027 school year. This includes building a shared vision for instructional coaching throughout the district that supports administrators and Literacy Coaches' implementation of evidence-based protocols, timelines, and expectations that align with the key indicators of the CERP.

4. **How does the district support literacy coaches throughout the school year?**

During their first two years in the role, Literacy Coaches must complete the BCPS Coach Credentialling Program. One of the key tasks of the program that provides opportunities to use current student data to enhance coaching practices, improve teacher effectiveness, and increase student achievement. Coaches are required to take a series of content courses designed by the District LLT, Elementary, or Secondary ELA Departments, to build their knowledge of literacy practices aligned to the SoR. Master Coaches are assigned to support school-based Literacy Coaches and new teachers based on need. The focus of this support is centered around helping coaches gather and analyze data to create action plans for differentiated instruction. Master Coaches and the District ELA Team work to ensure that Literacy Coaches participate in targeted professional learning based on the needs of each school. Broward developed a comprehensive plan that ensures support is provided to our valued school-based Literacy Coaches. Elementary Learning conducts monthly Literacy Coach Forums that conclude with an open Q & A session in which the Supervisors answer every question. The district recommends a follow-up implementation for the information provided during the Forum. These work-embedded applications of the content presented ensure teachers at the school level understand the district's vision for ELA. When new programs or practices are introduced to schools, district staff provides open "Technical Assistance" coaching sessions for direct support with the initiatives. When requested, ELA Team members are assigned to support the implementation of all aspects of the uninterrupted, 90-minute Reading Block.

At the secondary level, coaches are supported using a gradual release model that mimics the coaching expected at the schools. Every other month, a Literacy Coach Forum (I DO) is held, in which the coaches learn and begin to apply information about the upcoming tasks based on the calendar of expectations. Between these forums, coaches also meet in Literacy Coach Huddles, in which they collaboratively apply their new learning and exchange best practices (WE DO). Before the next Forum, coaches upload their completed tasks, including coaching cycles, data analysis, and data-based decisions aligned with the Place-Plan-Monitor guidance (YOU DO). This is signed and verified by the principal. Based on this evidence of implementation, coaches are provided with additional support.

5. **How is the district supporting coaches with prioritizing high-impact activities, such as conducting data analysis with teachers to establish goals and create action plans, coaching, and providing professional learning based on need?**

The CERP Root Cause Analysis & Reflection Committee selected data analysis as an area of continued focus for BCPS's 2026-2027 school year. For 2026-2027, there will be an emphasis on using data to identify and implement evidence-based practices. Every Broward school has at least one Literacy Coach that receives PL on aligning all literacy practices to the science of reading. PL will continue to focus on the analysis of school-wide student achievement data, checks for understanding, best practices on monitoring instruction and intervention, determining area of focus for readers below grade level, and embedding multisensory and metacognitive instructional strategies. BCPS emphasizes rigor, relevance, reading, and writing throughout the content areas. This promotes content area expertise and cements learning. Integrated use of classroom technology enhances teaching and learning, classroom management, and parent communication. At the secondary level, Literacy Coaches receive a list of milestones throughout the year to ensure that they are focused on key tasks of implementing the CERP, including progress monitoring, placement of students into interventions, completing coaching cycles, leading effective professional development (PD), and more. To support school-based LLTs, the Office of Academics developed tools that align literacy practices to the SoR. These include a BCPS SoR Implementation Guide, the BCPS SoR Playbook, and the BCPS SoR Rules of Engagement, and **BCPS K-12 SoR Classroom Instructional Look-Fors Tool.**

6. How does the district monitor implementation of the literacy coach model?

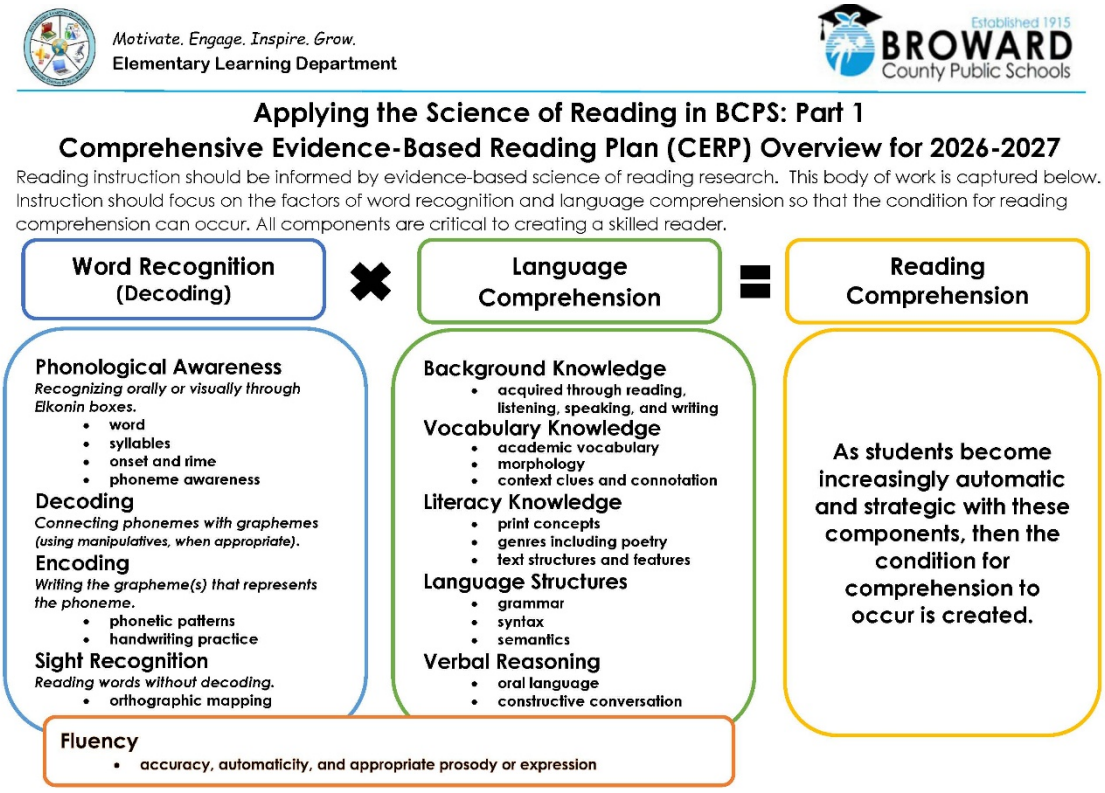
The Department of Coaching and Induction assigns a Master Coach to each cadre of schools. Master Coaches are assigned to Principal Supervisors. Master Coaches provide ongoing support to Literacy Coaches and monitor implementation of the requirements of the "Just Read, Florida!" Coaching Model per **Rule 6A-6.053(4), F.A.C.**

Literacy coaches submit evidence of their learning and implementation, such as coaching cycle logs and data reflections to determine additional support coaches may require.

7. How does the district measure the effectiveness of literacy coaches?

The Leadership Development & Teacher Support Department, along with Coaching and the Office of Academics, is finalizing a plan to articulate the district-wide expectations of instructional coaches that include monitoring and support throughout the school year based on high-leverage, evidence-based instructional coach roles. Once the plan is finalized and approved, it will be implemented during the 2025-2026 school year.

4) Assessment, Curriculum and Reading Instruction



A. Florida's Formula for Reading Success (Rule 6A-6.053(3)(a), F.A.C.)

K-12 reading instruction will align with Florida's Formula for Reading Success, 6 + 4 + T1 +T2 + T3, which includes:

- **Six components of reading**: oral language, phonological awareness, phonics, fluency, vocabulary and comprehension.
- **Four types of classroom assessments**: screening, progress monitoring, diagnostic, and summative assessment.
- **Three tiers of instruction that are standards-aligned**; include accommodations for students with a disability, students with an IEP, and students who are ELLs; and incorporate the principles of Universal Design for Learning as defined in 34 Code of Federal Regulations 200.2(b)(2)(ii).
    - **Core Instruction (Tier 1)**: provides print-rich, explicit, systematic, scaffolded, differentiated instruction and corrective feedback; builds background and content knowledge; incorporates writing in response to reading.
    - **Supplemental Instruction/Interventions (Tier 2)**: provides explicit, systematic, small group teacher-led instruction matched to student need, targeting gaps in learning to reduce barriers to students' ability to meet Tier 1 expectations; provides multiple opportunities to practice the targeted still(s) and receive corrective feedback; occurs in addition to core instruction.
    - **Intensive, Individualized Instruction/Interventions (Tier 3)**: provides explicit, systematic individualized instruction based on student need, one-on-one or very small group instruction with more guided practice, immediate corrective feedback and frequent progress monitoring; occurs in addition to core instruction and Tier 2 interventions. Tier 3 interventions must be provided for students identified as having a substantial deficiency in reading. All intensive reading interventions must be delivered by instructional personnel who are certified or endorsed in reading or possess a literacy micro-credential as provided in s. 1003.485, F.S.

1. How does the district's strategic plan align with Florida's Formula for Reading Success for all students, including students with disabilities and students who are English language learners?

Three guidance documents were created to summarize the CERP for 2026-2027: Applying the SoR at BCPS: Part 1, 2, and 3. Part 1 is an overview of the skills necessary to create a skilled grade-level reader, as seen below.

Motivate. Engage. Inspire. Grow.
Elementary Learning Department

Established 1915 BROWARD County Public Schools

Applying the Science of Reading in BCPS: Part 1
Comprehensive Evidence-Based Reading Plan (CERP) Overview for 2026-2027

Reading instruction should be informed by evidence-based science of reading research. This body of work is captured below. Instruction should focus on the factors of word recognition and language comprehension so that the condition for reading comprehension can occur. All components are critical to creating a skilled reader.

Word Recognition (Decoding) ✖ **Language Comprehension** = **Reading Comprehension**

Phonological Awareness
Recognizing orally or visually through Elkonin boxes.
- word
- syllables
- onset and rime
- phoneme awareness

Decoding
Connecting phonemes with graphemes (using manipulatives, when appropriate).

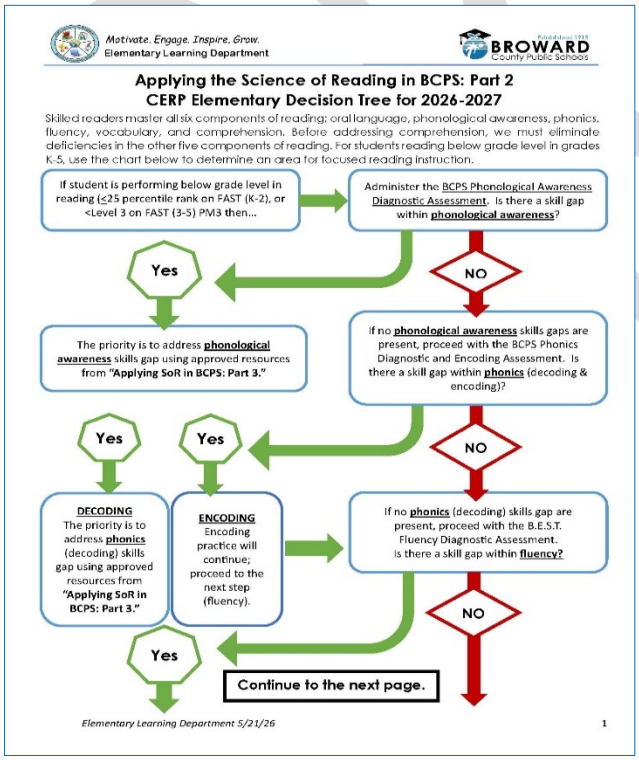
Encoding
Writing the grapheme(s) that represents the phoneme.
- phonetic patterns
- handwriting practice

Sight Recognition
Reading words without decoding.
- orthographic mapping

Background Knowledge
- acquired through reading, listening, speaking, and writing

Vocabulary Knowledge
- academic vocabulary
- morphology
- context clues and connotation

Literacy Knowledge
- print concepts
- genres including poetry
- text structures and features



Language Structures
- grammar
- syntax
- semantics

Verbal Reasoning
- oral language
- constructive conversation

Fluency
- accuracy, automaticity, and appropriate prosody or expression

As students become increasingly automatic and strategic with these components, then the condition for comprehension to occur is created.

Applying the SoR at BCPS: Part 2 explains the diagnostic assessment process.

Motivate. Engage. Inspire. Grow.
Elementary Learning Department

BROWARD County Public Schools

Applying the Science of Reading in BCPS: Part 2
CERP Elementary Decision Tree for 2026-2027

Skilled readers master all six components of reading: oral language, phonological awareness, phonics, fluency, vocabulary, and comprehension. Before addressing comprehension, we must eliminate deficiencies in the other five components of reading. For students reading below grade level in grades K-5, use the chart below to determine an area for focused reading instruction.

If student is performing below grade level in reading (≤25 percentile rank on FAST (K-2), or <Level 3 on FAST (3-5) PM3 then...

Administer the BCPS Phonological Awareness Diagnostic Assessment. Is there a skill gap within **phonological awareness**?

Yes

The priority is to address **phonological awareness** skills gap using approved resources from **"Applying SoR in BCPS: Part 3."**

NO

If no **phonological awareness** skills gaps are present, proceed with the BCPS Phonics Diagnostic and Encoding Assessment. Is there a skill gap within **phonics** (decoding & encoding)?

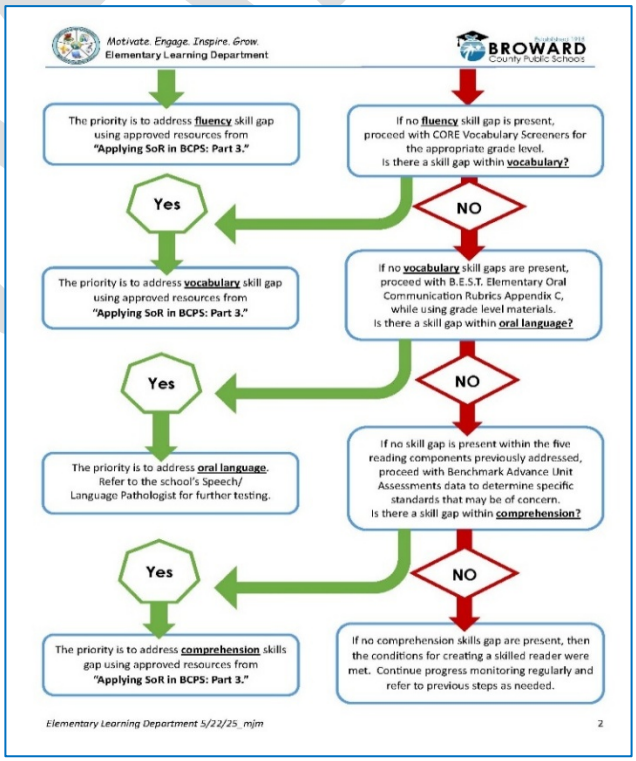
Yes

DECODING
The priority is to address **phonics** (decoding) skills gap using approved resources from **"Applying SoR in BCPS: Part 3."**

Yes

ENCODING
Encoding practice will continue; proceed to the next step (fluency).

NO



If no **phonics** (decoding) skills gap are present, proceed with the B.E.S.T. Fluency Diagnostic Assessment. Is there a skill gap within **fluency?**

Yes

Continue to the next page.

NO

Elementary Learning Department 5/21/26 1

Motivate. Engage. Inspire. Grow.
Elementary Learning Department

BROWARD County Public Schools

The priority is to address **fluency** skill gap using approved resources from **"Applying SoR in BCPS: Part 3."**

If no **fluency** skill gap is present, proceed with CORE Vocabulary Screeners for the appropriate grade level. Is there a skill gap within **vocabulary?**

Yes

The priority is to address **vocabulary** skill gap using approved resources from **"Applying SoR in BCPS: Part 3."**

NO

If no **vocabulary** skill gaps are present, proceed with B.E.S.T. Elementary Oral Communication Rubrics Appendix C, while using grade level materials. Is there a skill gap within **oral language?**

Yes

The priority is to address **oral language**. Refer to the school's Speech/ Language Pathologist for further testing.

NO

If no skill gap is present within the five reading components previously addressed, proceed with Benchmark Advance Unit Assessments data to determine specific standards that may be of concern. Is there a skill gap within **comprehension?**

Yes

The priority is to address **comprehension** skills gap using approved resources from **"Applying SoR in BCPS: Part 3."**

NO

If no comprehension skills gap are present, then the conditions for creating a skilled reader were met. Continue progress monitoring regularly and refer to previous steps as needed.

Elementary Learning Department

Established 1915 BROWARD County Public Schools

Applying the Science of Reading at BCPS: Part 3
Comprehensive Evidence-based Reading Plan (CERP) Resources for 2026-2027

Broward annually submits a Comprehensive Evidence-Based Reading Plan to the FLDOE. The programs, and practices listed on the approved plan help guide schools in the selection of district and state approved resources to address student needs. If a student has a foundational skill gap within the Word Recognition strand, there are many evidence-based options available on Broward's CERP (Comprehensive Evidence-Based Reading Plan). As a reminder, the science of reading clearly demonstrates that we must work to create the condition for comprehension to occur. Therefore, we do not directly remediate comprehension as an area of focus unless all other possible causes for reading deficiencies have been ruled out from the Word Recognition and Language Comprehension components.

Word Recognition (Decoding) ✖ **Language Comprehension** = **Reading Comprehension**

Phonological Awareness

Tier 1 Instruction: Benchmark Advance (K-5) **or** Heggerty (K-1)

Tier 2/3 Options: Benchmark Advance PA (K-1) **or** Bridge the Gap (2-5)

Phonics

Tier 1 Instruction: Benchmark Advance (K-5) **or** UFLI (K-2)

Tier 2/3 Options: Benchmark Adv. Phonics/ Word Study Interventions (K-5) **or** SIPPS: Beginning Challenge, & Extension (1-3) **or** Reading Horizons Discovery (1-3) **or** SIPPS Plus (4-5) **or** Reading Horizons Elevate (4-5) **or** UFLI (K-5)*

Fluency

Tier 1 Instruction: Benchmark Advance (K-5)

Tier 2/3 Options: Benchmark Advance Fluency Interventions (K-5) **or** Quick Reads (2-5)

Vocabulary/Comprehension

Tier 1 Instruction: Benchmark Advance (K-5)

Tier 2/3 Options: Benchmark Advance Comprehension Interventions (K-5) **or** Magnetic Reading (3-5) **or** Wordly Wise 3000 (2-5) **or** Vocabulary Surge (2-5)

*May be used as an intervention only if not previously used for Tier 1 instruction.

Elementary Learning Department _5/19/26

2. **Describe your public school PreK (VPK, ESE and other PreK) program's plan for assessment, standards, instruction and support to meet the needs of all learners.**

The ECE Department is included in the BCPS SoR journey to ensure cohesion of all instructional practices. BCPS is aligned with Florida's Formula for Reading Success. The district monitors the implementation of the curriculum to ensure that Florida's Early Learning and Developmental Standards are taught with fidelity and used to identify students who may need further support via ESE or ELL concerns. The ECE Department effectively assesses, supports, and meets the needs of all learners while laying the foundation for educational success in the future. STAR Early Literacy is administered at the conclusion of VPK.

The Head Start program conducts ongoing assessments, uses appropriate developmental screenings, parent-teacher conferences, home visits, formative assessments, and health screenings with strict timelines to monitor a student's progress, individual educational progress, and overall needs. Teachers document ongoing observational assessments in Teaching Strategies, a tool that is leveled three times a year (Fall, Winter, and Spring) to monitor students, classrooms, and developmentally appropriate objectives. Teachers use developmental assessments and screenings such as Heggerty, Brigance, eDECA, health screenings, assessments that measure literacy, speech and language, and concept development at varying times throughout the school year.

The classroom teacher must align instruction with the Florida Early Learning Standards to ensure it is taught with fidelity across all domains. Each Head Start/ Early Intervention class is inclusive and features a play-based approach and the use of Creative Curriculum. Within all BCPS Head Start/Early Intervention classrooms, teachers use the combined data from assessments, screenings, standards, and the curriculum to plan for instruction. The teachers analyze the data to design quality whole-group instruction and determine individualized areas of strength and areas for improvement for small-group or one-on-one instruction. This is when teachers target specific educational needs and provide personalized support.

Teachers scaffold instruction using a variety of modalities and materials to support reaching diverse learners. A strong emphasis on literacy is provided with a variety of conversation, feedback loops, open-ended questions, scaffolding, prompting through thought processes, encouragement, and affirmation. The final part of implementation is to meet the needs of all learners by supporting the school, staff, teachers, students, and families by fostering and deepening relationships for future success.

2a. Describe the instructional materials in your public school PreK (VPK, ESE, and other PreK) program utilizes.

The ESE Department utilizes the Creative Curriculum for Preschool, Heggerty Phonological Awareness, and Conscious Discipline materials.

3. **Describe the interventions provided to public school VPK students identified as having a substantial deficiency in early literacy skills as defined in Rule 6A-6.053(5), F.A.C.**

Teachers will develop a PMP for VPK students scoring below the 10th percentile on PM2 . VPK PMPs will target early literacy strategies implemented through intensive instruction via small group lessons and activities. Small group lessons and activities will utilize the following strategies to target early literacy: explicit instruction, oral language development, questions to check for understanding, non-linguistic representation, chunking content into digestible bites, providing multiple opportunities to practice, providing multiple means of representation, providing physical models to represent information, providing extended time, scaffolding strategies, small group instruction, differentiated instruction, prompts and cues, and understanding students' interest and background.

B. Assessment/Curriculum Decision Trees (Rule 6A-6.053(9)(b)4., F.A.C.)

Districts are required to develop Assessment/Curriculum Decision Trees to demonstrate how data will be used to determine specific reading instructional needs and interventions for all students in grades K-12. Use Assessment/Curriculum Decision Trees to address ALL students. The template can be used for grade bands or for individual grades.

The Decision Trees must contain the following information:

- Name of each assessment, targeted audience, component(s) of reading assessed, type of assessment, the frequency of data collection, and the method and timeframes by which assessment data will be provided to teachers and parents. For students in VPK through grade 10, the FAST must be administered pursuant to s. 1008.25(9)(b), F.S., and included as a component of the Assessment/Curriculum Decision Trees.
- Performance criteria used for decision-making for each assessment at each grade level.
- Evidence-based instructional materials and strategies.
- Specific criteria for when a student is identified to receive intensive reading interventions (Tier 3), what intensive reading interventions will be used, how the intensive reading interventions are provided, and assurance that intensive reading interventions are delivered by a teacher who is certified or endorsed in reading or instructional personnel who possess a literacy micro-credential.
- Identification of the multisensory interventions provided to students in grades K-3 who have a substantial deficiency in reading or characteristics of dyslexia, including a description of the intensive, explicit, systematic, and multisensory reading interventions that will be provided to students in grades K-3.

Note: Evidence-based instructional materials and strategies have a significant effect on improving student outcomes and meet strong, moderate, or promising levels of evidence as defined in 20 United States Code (U.S.C.) s. 7801(21)(A)(i):

(A) …an activity, strategy or intervention that –
(i) demonstrates a statistically significant effect on improving student outcomes or other relevant outcomes based on –
(I) strong evidence from at least 1 well-designed and well-implemented experimental study;
(II) moderate evidence from at least 1 well-designed and well-implemented quasi-experimental study; or
(III) promising evidence from at least 1 well-designed and well-implemented correlational study with statistical controls for selection bias.

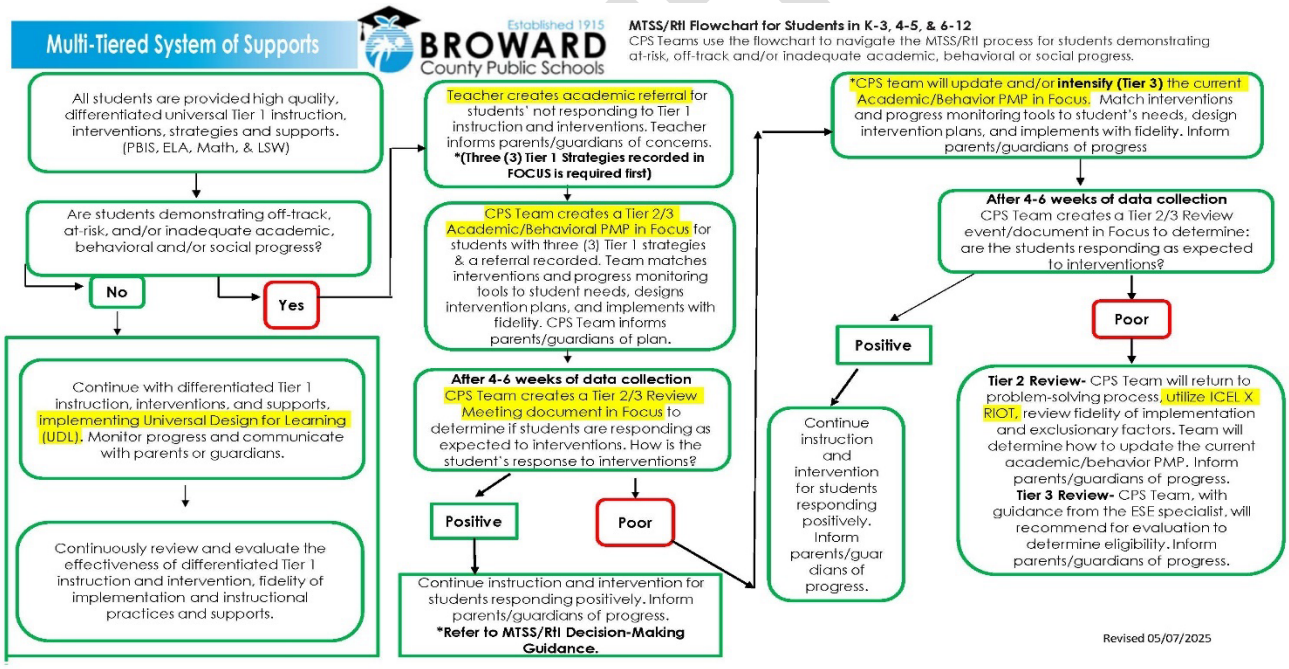
2. **Students with a Substantial Deficiency in Reading (Rule 6A-6.053(6), F.A.C.)**
Students identified with a substantial deficiency in reading must have an individualized progress monitoring plan that is designed to address the student's specific reading deficiency, and that meets the minimum requirements outlined in s. 1008.25(4)(c), F.S. The individualized progress monitoring plan must be developed within forty-five (45) days after the results of the coordinated screening and progress monitoring system become available, and parents must be consulted in the development of the plan.

Students with qualifying disabilities covered by an IEP or a 504 Plan are exempt from the requirement to have a PMP, if the IEP or 504 Plan addresses the student's reading deficiency. Nothing in Rule 6A-6.053, F.A.C., should be construed to require or prohibit an IEP or 504 Plan or the contents of the CERP.

A K-3 student is identified as having a substantial deficiency in reading if:

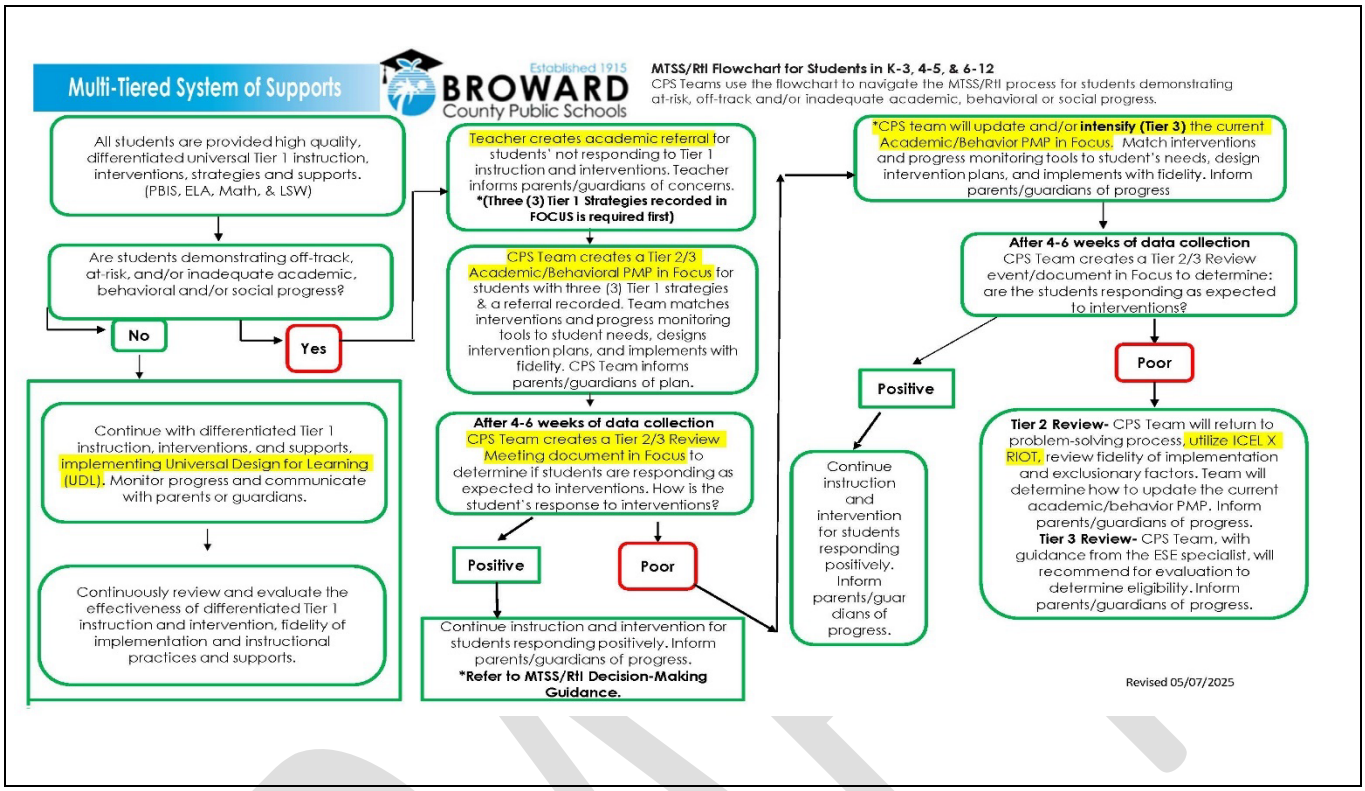
- The student is identified as in need of Tier 3 interventions;
- A student in grades K-3 demonstrates through progress monitoring, formative assessments, or teacher observation data, minimum skill levels for reading competency in one or more of the six (6) components of reading; and
    - For kindergarten, the student scores below the tenth (10th) percentile or is unable to complete the practice items on the designated grade-level assessment at the beginning, middle, or end of the year on the coordinated screening and progress monitoring system pursuant to s. 1008.25(9), F.S.;
    - For grades 1 and 2, the student scores below the tenth (10th) percentile or is unable to complete the practice items on the designated grade-level assessment for the

specified testing window of the coordinated screening and progress monitoring system pursuant to s. 1008.25(9), F.S.; or



- For grade 3, the student scores below the twentieth (20th) percentile at the beginning or middle of the year on the coordinated screening and progress monitoring system pursuant to s. 1008.25(9), F.S.

- A student in grade 3 scores Level 1 on the end-of-year statewide, standardized ELA assessment pursuant to s. 1008.22(3)(a), F.S.



Tier 3 interventions must be provided to students identified as having a substantial reading deficiency.

2a. Describe the district's process (e.g., Multi-Tiered System of Supports (MTSS) for identifying grades K-3 students in need of Tier 2/Tier 3 interventions.

This is the MTSS process for BCPS 26-27.

2b. Describe the district's process (e.g., MTSS) for identifying grades 4-5 students in need of Tier 2/Tier 3 interventions.

3. Students with Characteristics of Dyslexia (Rule 6A-6.053(7), F.A.C.)
Students who have characteristics of dyslexia must be covered by one of the plans described in s. 1008.25(4)(b), F.S., and parents must be consulted in the development of the plan.

DRAFT

3a. If not included within the Decision Tree, describe the district's process (i.e., actionable steps) for identifying K-3 students with characteristics of dyslexia. Tier 3 interventions must be provided to students identified as having characteristics of dyslexia.

If a student does not respond to Tier 1 small group supplemental strategy support, then the student will be referred for Tier 2 intervention for phonological awareness (PA). Our approved resources for PA are evidence-based and improve outcomes for students with characteristics of dyslexia. If no skill gap is detected in PA, schools will then move on to assess a student's phonics skills. If a skill gap is indicated, this will be the area addressed for Tier 1 small group supplemental strategy support. If a student does not respond to their Tier 1 support for phonics following 12 lessons, then the student will be referred to Tier 2 intervention in phonics. Our approved resources for phonics are evidence-based and improve outcomes for students with characteristics of dyslexia. If no skill gap is detected, schools will then assess the student on their fluency skills. This is another common area of concern for students with characteristics of dyslexia. If a skill gap is indicated, this will be the area addressed for Tier 1 small group supplemental strategy support. If no skill gap is detected, schools will then assess the student's vocabulary ability. If no skill gap is indicated, then comprehension Tier 1 small group supplemental strategy support may begin. We have ensured that the student has built the conditions for comprehension to occur.

In addition to diagnostic assessments that address the components of reading that children with dyslexia are most likely to struggle with, The Colorado Learning Disabilities Questionnaire - Reading Subscale (CLDQ-R) is utilized. The CLDQ-R is a screening tool that measures risk of reading disability (i.e., dyslexia) in school-age children (Willcutt et al., 2011). Normative scores for this questionnaire were developed based on parent reports of their 6-18-year-old children, as well as actual reading testing of these children. Willcutt et al. (2011) found that the CLDQ-R is reliable and valid. It is important to note that the CLDQ-R is only a screener and does not constitute a formal evaluation or diagnosis. However, along with our district diagnostic assessments, we are providing schools with the BCPS Dyslexia Screener.

3b. Describe the district's process for providing additional screening to students with characteristics of dyslexia pursuant to s. 1008.25(9), F.S. Name the screener(s) utilized.

BCPS Applying the Science of Reading: Part 2 ensures that word recognition skill gaps are addressed first for students exhibiting the characteristics of dyslexia. In addition, specific Instructional Pathways address the sub-skills of phonological awareness, phonics, and fluency. Teachers are provided with a suggested group of six lessons and a PM option. This is followed by six additional lessons and a final PMP option. This ensures that students with characteristics of dyslexia receive the explicit instruction that they need in Tier 1 prior to an RtI referral.

In addition to diagnostic assessments that cover the components of reading that children with dyslexia are most likely to struggle with, for 2026-2027, CLDQ-R will be used. The CLDQ-R is a screening tool designed to measure risk of reading disability (i.e., dyslexia) in school-age children (Willcutt et al., 2011). Normative scores for this questionnaire were developed based on parent reports of their 6- to 18-year-old children, as well as actual reading testing of these children. Willcutt et al. (2011) found that the CLDQ-R is reliable and valid. It is important to note that the CLDQ-R is only a screener and does not constitute a formal evaluation or diagnosis. However, along with our district diagnostic assessments, we are providing schools with our Dyslexia Screener.

4. Explain how the effectiveness of Tier 1 instruction is monitored.

Multiple data points are used to monitor Tier 1 instruction. This includes FAST, iReady Diagnostic, and Benchmark Advance unit assessments. Literacy Coach and school staff will provide support to classrooms in which less than 80% of students are performing below grade level (based on Tier 1 criteria). District personnel will provide support and PL to any school where less than 80% of all students are on grade level.

District-wide collection of data aligned to the K-12 SoR Instructional Look-Fors Tool monitors implementation of evidence-based practices that should impact student achievement. District staff completes the tool following all school-based visits.

In classrooms (or schools) where specified Tier 1 curriculum and supplemental resources do not indicate improved literacy outcomes for at least 80% of students, we identify teachers to receive PL and support in implementing whole group and small group differentiated instruction using evidence-based resources. Identified teachers also learn instructional practices that ensure the curriculum is being implemented with fidelity. In addition, we have a "BCPS SoR Rules of Engagement" to clearly outline the "Dos" and "Don'ts" for alignment with the SoR.

5. Explain how the effectiveness of Tier 2 interventions is monitored.

MTSS provides support to Collaborative Problem-Solving Team (CPST) members to ensure compliance with data collection, including progress monitoring of all MTSS instructional strategies, interventions, and other resources used to help all students achieve reading success. All intervention data is maintained in FOCUS (district comprehensive database). MTSS evaluates the effectiveness of tiered interventions at schools. The District Literacy Leadership Team monitors multiple data points, including program-embedded progress monitoring assessments from high-quality instructional materials (HQIM). The Office of Academics (Elementary, Secondary, ESE, and Bilingual/ESOL Departments) ensures that teachers are trained on how to use the reading decision charts' evidence-based instructional practices, strategies, and/or programs aligned to the CERP.

If the student is not making sufficient progress, return to the problem-solving process, utilize Instruction, ICEL/RIOT Framework, review fidelity of implementation and exclusionary factors, make instructional adjustments which may include a new goal, intervention, and/or a change in intensity.

6. **Explain how the effectiveness of Tier 3 interventions is monitored.**

MTSS provides support to CPST members to ensure compliance with data collection, including PM of all MTSS instructional strategies, interventions, and other resources used to help all students achieve reading success. All intervention data is maintained in FOCUS . MTSS evaluates the effectiveness of tiered interventions at schools. The District Literacy Leadership Team monitors multiple data points, including program-embedded PM assessments from high-quality instructional materials (HQIM). The Office of Academics (Elementary, Secondary, ESE, and Bilingual/ESOL Departments) ensures that teachers are trained on how to use the reading decision charts' evidence-based instructional practices, strategies, and/or programs aligned with the CERP.

Schools monitor the effectiveness of Tier 3 interventions to ensure they are implemented with fidelity and discussed during regular MTSS meetings. Once the skill gap is eliminated, the student is phased back to a Tier 2 or exited from the intervention. If Tier 2 criteria are met, discontinue plan, monitor progress, and provide supplemental support.

Grades K-5 Decision Tree
Elementary schools (K-5) must teach reading in a dedicated, uninterrupted block of time of at least 90 minutes daily to all students. The reading block will include whole-group instruction utilizing an evidence-based sequence of reading instruction and small-group differentiated instruction in order to meet individual student needs.
Tier 1 (Core) Only
Beginning of Year Data
Students must meet the following criteria at the beginning of the school year: Kindergarten - Grade 2: Scored "On Watch" (25-39 PR) or "At/Above Benchmark" (40 PR) criteria on the FAST STAR Early Literacy or Reading Assessment for 2026-2027 PM1. Grades 3-5: Scored at or above level 3 during the FAST-Cambium PM from 2025-2026 FAST PM3 or 2026-2027 PM1
List performance criteria that indicate Tier 1 instruction is sufficient for at least 80% of students. Kindergarten - Grade 2: Scored "At/Above Benchmark" (40 PR) criteria on the FAST STAR Early Literacy or Reading Assessment for 2026-2027 PM1. Grades 3-5: Scored at or above level 3 during the FAST-Cambium Progress Monitoring from 2025-2026 FAST PM3 or 2026-2027 PM1
What processes and procedures are in place to identify and solve problems to improve the effectiveness of Tier 1 instruction? Multiple data points are used to monitor Tier 1 instruction. This includes FAST, iReady Diagnostic, and Benchmark Advance unit assessments. Literacy Coach and school staff will provide support to classrooms in which less than 80% of students are performing below grade level (based on Tier 1 criteria). District personnel will provide support and PL to any school where less than 80% of all students are on grade level. District-wide collection of data aligned to the K-12 SoR Instructional Look-Fors Tool monitors implementation of evidence-based practices that should impact student achievement. District staff completes the tool following all school-based visits. After the above actions, schools or classrooms that continually do not meet 80% proficiency will receive additional district support based on specific identified needs to ensure fidelity of practice and curriculum. BCPS SoR Rules of Engagement document will be used to clearly outline the "Dos" and "Don'ts" for alignment to the evidence-based practices.

Core Instruction
Indicate the core curriculum utilized. Add additional rows as needed.

Name of Program	Year of Program Adoption
Benchmark Advance Florida 2022 (Level of Evidence: Promising)	**2021**

Performance criteria that prompt the addition of Tier 2 interventions for students not meeting expectations/benchmarks during the school year:

If a student is performing below grade level in reading (≤25 percentile rank on FAST (K-2), or <Level 3 on FAST (3-5) PM3 then…

Tier 1 Instruction + Tier 2 Interventions

Beginning of Year Data

Students who meet the following criteria at the beginning of the school year:

Kindergarten: Scored in the Intervention level (10-25 PR) on FAST STAR Early Literacy in PM1 for 2026-2027 and/or a foundational skill gap is identified in PA or phonics using Applying the SoR at BCPS: Part 2.

Grade 1: Scored in the Intervention level (10-25 PR) on FAST STAR Early Literacy or Reading in PM1 for 2026-2027 and/or a foundational skill gap is identified in PA or phonics using Applying the SoR at BCPS: Part 2.

Grade 2: Scored in the Intervention level (10-25 PR) on FAST Reading in PM1 for 2026-2027 and/or a foundational skill gap is identified in PA, phonics, fluency or vocabulary using Applying the SoR at BCPS: Part 2.

Grades 3-5: Scored below Level 3 on the 2025-2026 FAST PM3 and/or a foundational skill gap is identified in PA, phonics, fluency or vocabulary using Applying the SoR at BCPS: Part 2.

*One singular data point does not solely determine the need for Tier 2 intervention.

Number of times per week interventions are provided:
Tier 2 interventions are provided for a minimum of three times per week.

Number of minutes per intervention session:
15-30 minutes per session

Supplemental Instruction/Interventions
Indicate the evidence-based programs and/or practices used for Tier 2 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence. Add additional rows as needed.

Name of Program	ESSA Evidence Level	Verbiage (as needed)
Benchmark Advance Interventions for PA K-5, Phonics and Word Study K-5, Fluency K-5, and Comprehension 2-5	Moderate	NA
Reading Horizons Discovery K-3	Not Yet	The following Institute of Education Sciences (IES) Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to

		letters (Strong Evidence); **Recommendation 3:** Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence). The district will support and monitor implementation of this program by conducting school visits to observe, model, and provide feedback on implementation, including offering regular district-wide professional learning opportunities for teachers and coaches via a "train-the-trainer" model.
Reading Horizons Elevate 4-5	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS in the Primary Grades - **Recommendation 3**: Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below the benchmark score on universal screening (Strong Evidence); The district will support and monitor implementation of this program by conducting school visits to observe, model, and provide feedback on implementation, including offering regular district-wide professional learning opportunities for teachers and coaches via a "train-the-trainer" model.
Systematic Instruction in Phonological Awareness, Phonics, and Sight Words (SIPPS) Beginning, Extension & Challenge K-3	Moderate	NA
SIPPS Plus 4-5	Moderate	NA
Vocabulary Surge 2-5	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS in the Primary Grades - **Recommendation 3:** Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below the benchmark score on universal screening (Strong Evidence); Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to letters (Strong Evidence); **Recommendation 3**: Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence). The district will develop a plan to support and monitor implementation of this program by conducting school visits to observe, model, and provide feedback on implementation, including offering regular district-wide professional learning opportunities for teachers and coaches via a "train-the-trainer" model.

Phonics for Reading Grade: 3-5	Not Yet	NA
Reading Mastery Grade: K-5	Strong	NA
Talkies Grade: PreK-2	Not Yet	The following IES Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade: **Recommendation 1:** Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge.
English Language Learners		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
These programs are in addition to the other interventions listed on the CERP.		
Imagine Language & Literacy	Moderate	NA

For K-3 students who have a substantial deficiency in reading or characteristics of dyslexia, identify the multisensory interventions provided.

Reading Horizons Discovery, SIPPS, and SPIRE all include a multisensory component. In addition, some schools are using UFLI in K-2 to prevent gaps in PA and phonics.

Performance criteria that prompt the addition of Tier 3 interventions for students not meeting expectations/benchmarks during the school year:

Program-embedded assessments are used to progress monitor interventions effectiveness. If Tier 2 criteria above are not met (gap is not closing), return to problem-solving process, utilize ICEL/RIOT Framework, review fidelity of implementation and exclusionary factors, make instructional adjustments which may include a new goal, intervention, and/or a change in intensity.

Tier 1 Instruction + Tier 2 Interventions + Tier 3 Intensive Interventions

Beginning of Year Data

Students who meet the following criteria at the beginning of the school year:

Kindergarten: Scored in the Urgent Intervention level (Below 10 PR) on FAST Star Early Literacy in PM1 for 2025-2026, or a foundational skill gap is identified in PA or phonics using Applying the SoR at BCPS: Part 2.

Grade 1: Scored in the Urgent Intervention level (Below 10 PR) on FAST Star Early Literacy or Star Reading in PM1 for 2025-2026, OR a foundational skill gap is identified in PA or phonics using Applying the SoR at BCPS: Part 2.

Grade 2: Scored in the Urgent Intervention level (Below 10 PR) on FAST Star Reading in PM1 for 2025-2026, OR a foundational skill gap is identified in PA, phonics, fluency or vocabulary using Applying the SoR at BCPS: Part 2.

Grades 3-5: Scored below Level 2 on the 24-25 FAST Cambium PM3 or FAST Cambium PM1 for 2025-2026 OR a foundational skill gap is identified in PA, phonics, fluency or vocabulary using Applying the SoR at BCPS: Part 2.

*One singular data point does not solely determine need for Tier 3 intervention.

Number of times per week interventions are provided:
5 sessions per week

Number of minutes per intervention session:
30 minutes per session

Intensive, Individualized Instruction/Interventions
Indicate the evidence-based programs and/or practices used for Tier 3 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence. Add additional rows as needed.

Name of Program	ESSA Evidence Level	Verbiage (as needed)
Benchmark Advance Interventions for PA K-5, Phonics and Word Study K-5, Fluency K-5, and Comprehension 2-5	Moderate	NA
Reading Horizons Discovery K-3	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS Intervention in the Primary Grades - **Recommendation 3**: Provide intensive, systematic instruction on up to three foundational

		reading skills in small groups to students who score below the benchmark score on universal screening (Strong Evidence); Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to letters (Strong Evidence); Recommendation 3: Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence).
SIPPS Beginning, Extension & Challenge K-3	Moderate	NA
Vocabulary Surge 2-5	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS in the Primary Grades - **Recommendation 3:** Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below t h e benchmark score on universal screening (Strong Evidence); Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to letters (Strong Evidence); **Recommendation 3:** Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence).
Innovations for Learning High Impact Tutoring K-1	Strong	NA
Varsity Tutors 3-5	Not Yet	High-impact tutoring has shown large positive impacts on student achievement. This was added for our transformation schools with a high number of students who are significantly below grade level. This has been integrated into our transformation school's model.
Bridge the Gap-2-5	Moderate	NA
Bridge the Gap 2-5/ Heggerty K-2	Moderate	NA
UFLI Foundations	Strong	NA
Quick Reads	Strong	NA
Wordly Wise	Not Yet	The following IES Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade: **Recommendation 1:** Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge. The district will develop a plan to support and monitor implementation of this program by conducting school visits to observe, model, and provide feedback on implementation, including offering regular district-wide professional learning opportunities for teachers and coaches via a "train-the-trainer" model.

Indicate the evidence-based programs and/or practices implemented for students with a disability, students with an IEP, and students who are ELLs, if used instead of or in addition to programs above. Add additional rows as needed.		
Students with Disabilities

Talkies Grade: PreK-2	Not Yet	The following IES Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade: **Recommendation 1:** Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge.
Structured Methods in Language Education (SMILE) Grade: PreK-5	Not Yet	The following IES Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade: **Recommendation 1:** Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge.
Visualizing and Verbalizing Grade: 1-8	Not Yet	The following IES Practice Guide Recommendations support the program: Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade: **Recommendation 1:** Teach students academic language skills, including the use of inferential and narrative language, and vocabulary knowledge.
Unique Learning System K-12	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS in the Primary Grades - **Recommendation 3**: Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below the benchmark score on universal screening (Strong Evidence); Foundational Skills to Support Reading for Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to letters (Strong Evidence); Recommendation 3: Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence).
Fundations Grade: K-3 Wilson Reading System Grade: 2-12	Not Yet	The following IES Practice Guide Recommendations support the program: Assisting Students Struggling with Reading: RtI and MTSS in the Primary Grades - **Recommendation 3**: Provide intensive, systematic instruction on up to three foundational reading skills in small groups to students who score below the benchmark score on universal screening (Strong Evidence); Foundational Skills to Support Reading for

		Understanding in Kindergarten Through 3rd Grade - **Recommendation 2:** Develop awareness of the segments of sounds in speech and how they link to letters (Strong Evidence); Recommendation 3: Teach students to decode words, analyze word parts, and write and recognize words (Strong Evidence).

English Language Learners (ELLs)		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
These programs are in addition to the other interventions listed on the CERP.		

For K-3 students who have a substantial deficiency in reading or characteristics of dyslexia, identify the multisensory interventions provided.

Reading Horizons Discovery, SIPPS, and SPIRE all include a multisensory component. In addition, some schools are using UFLI in K-2 to prevent gaps in PA and phonics.

What processes and procedures are in place to identify and solve problems to improve the effectiveness of Tier 3 interventions?

MTSS provides support to CPST members to ensure compliance with data collection, including progress monitoring of all MTSS instructional strategies, interventions, and other resources used to help all students achieve reading success. MTSS evaluates the effectiveness of tiered interventions at schools. The District Literacy Leadership Team monitors multiple data points, including program-embedded PM assessments from high-quality instructional materials (HQIM). The Office of Academics (Elementary, Secondary, ESE, and Bilingual/ESOL Departments) ensures that teachers are trained on how to use the reading decision charts' evidence-based instructional practices, strategies, and/or programs aligned with the CERP.

Schools monitor the effectiveness of Tier 3 interventions to ensure they are implemented with fidelity and discussed during regular MTSS meetings. Once the skill gap is eliminated, the student is phased back to a Tier 2 or exited from the intervention. If Tier 2 criteria are met, discontinue plan, monitor progress, and provide supplemental support.

7. **Summer Reading Camps (Rule 6A-6.053(8), F.A.C.)**
Requirements of Summer Reading Camps pursuant to s. 1008.25(8), F.S., include:

- Providing instruction to grade 3 students who score Level 1 on the statewide, standardized ELA assessment;
- Implementing evidence-based explicit, systematic, and multisensory reading instruction in phonemic awareness, phonics, fluency, vocabulary, and comprehension; and
- Providing instruction by a highly effective teacher endorsed or certified in reading.
  - *Note: Instructional personnel who possess a literacy micro-credential **may not** be assigned to these students.*

7a. Provide a description of the district's plan to meet each requirement for Summer Reading Camps required by s. 1008.25(8), F.S. As a reminder, instructional personnel providing services to retained third grade students, including those attending Summer Reading Camp, must be certified or endorsed in reading and rated highly effective as determined by the teacher's performance evaluation under s. 1012.34, F.S.

Summer Reading Camps for Retained Grade 3 Students
Schedule: June 22nd - July 16th, 6 hours a day for students The Summer Reading Academy is scheduled for approximately 96 total hours

Evidence-Based Instructional Materials to be used, as defined in 20 U.S.C. s. 7801(21)(A)(i): Benchmark Advance 2022 and UFLI instructional materials will be utilized. Both feature explicit and systematic standards-based lessons. The curriculum includes whole-group and small-group differentiated reading and writing instruction. Lessons address skills in all components of reading instruction: phonological awareness, phonics, fluency, vocabulary, comprehension, handwriting, writing, and oral language. Teaching and learning practices provide phonological awareness instruction, multisensory phonics activities, opportunities to extend responses through writing about reading, critical thinking skills to build vocabulary, content knowledge, and oral language.
Alternative Assessment Used: Students will be provided with the opportunity to meet good cause promotion criteria through an alternative assessment (iReady), administered during the final week of Third Grade Summer Reading Academy. The resources and instructional materials listed below will be used to support the teaching and learning of students participating in the BCPS Third Grade Summer Reading Academy.
Additional Information (optional): The Third-Grade Summer Reading Academy will be offered to third-grade students who scored a Level 1 on FAST PM3 for ELA. The Summer Camp opportunity will be scheduled for approximately 96 total hours, with curriculum and instruction aligned to BCPS CERP for 2026-2027. The curriculum will be implemented by highly effective teachers who are either certified or endorsed in reading. An intensive focus on foundational skills and student literacy development will be prioritized. Curriculum options will be provided to meet the differentiated needs of all students attending. Science and social studies topics will be integrated through content-based text reading and writing that maximize vocabulary development and knowledge building. This year, the genre of testing will also be taught.

7b. Districts have the option of providing Summer Reading Camps to students in grades K-5 with a reading deficiency.

Summer Reading Camps for Students in Grades K-5
Will the district implement this option? **☐Yes ☒No**
If yes, please describe the grade level(s) that will be invited to participate.

Grades 6-8

8. Grades 6-8 Assessments

DRAFT

9. Describe the district's process (e.g., MTSS) for identifying grades 6-8 students in need of Tier 2/Tier 3 interventions.

The Secondary Decision Chart is aligned with the Simple View of Reading as described below, based on the PLACE portion of the Place-Plan-Monitor tool.

The first data point that is considered is FAST. Students with a level 3 and higher have their literacy needs addressed. If a student does not have at least a level 3 on FAST, the NWEA MAP, a proxy for language comprehension, and the Code Placement Test, a measure of word recognition, are administered.

If the student is proficient and above and an advancing decoder, this shows the student can grapple with on grade-level text in a Tier 1 class and have their literacy needs addressed in the ELA classroom and is not in need of an additional reading intervention, but their literacy skills are closely monitored by the Literacy Coach in case the student's needs change.

Students who score low on one or both assessments, NWEA MAP and Code Placement Test-- need additional reading support. If students can read the words on the page-as indicated by testing out of decoding on the Code Placement Test-- but don't know what those words mean -as indicated by a low MAP score that is below the 30th percentile- students need Tier 2 intervention with Read 180 addressing comprehension and vocabulary. If students can't read the words on the page as indicated by a low Code Placement Test score (entry points at segment 1), they are placed in Tier 3 with The Code (part of Read 180 and formerly System 44), focusing on phonological awareness, phonics, and fluency.

Students with an IEP and students who have a poor or questionable response to Tier 3 intervention are given the Diagnostic Assessments of Reading (DAR), and their data is discussed by the school's Collaborative Problem- Solving Team to determine next steps.

Beginning ELLs with an English Language Proficiency (ELP) score of a 1 or 2, OR A1, A2, or B1 are placed into the Developmental Language Arts/ ESOL Reading course to develop language skills. ELLs without a background of literacy in their home language may also be placed into a Tier 3 reading course depending on their needs.

10. Explain how the effectiveness of Tier 1 instruction is monitored.

The data from the above assessments are reviewed monthly and at the end of each assessment period to ensure that 80% of students are proficient. Classrooms (or schools) where specified Tier 1 curriculum and supplemental resources are not improving student literacy outcomes, identified teachers receive PL and support in implementing differentiated instruction using evidence-based resources and instructional practices to ensure the curriculum is being implemented with fidelity.

11. Explain how the effectiveness of Tier 2 interventions is monitored.

Program fidelity and student assessment data are monitored by the Secondary Learning Department and by school-based Literacy Leaders via Instructional Reviews by the Regional Office, and Secondary Learning provides feedback to the school on the implementation. This data is used to target school support throughout the school year.

Instructional Reviews take place to identify and solve problems to improve the effectiveness of Tier 2 intervention, including alignment with core curriculum and instruction when progress monitoring data indicates students in specific grade levels and classrooms are not progressing towards grade-level proficiency. These will be led by the Secondary Learning Department in collaboration with members of the Regional Offices, ESE, and Bilingual/ESOL departments based on the identified needs of the school and subgroups.

The Secondary Learning Department provides classroom teachers with PL and support on analysis of progress monitoring data and additional assessments referenced in the plan to ensure alignment of Tier 1 and Tier 2.

Secondary Learning, ESE, and Bilingual/ESOL Department, in collaboration with District Partners, such as ELLevation, provide PL and support to schools implementing evidence-based intervention programs/resources/practices/strategies.

Using the MONITOR portion of the Place-Plan-Monitor guidance tool, school-based (CPST) meet to discuss student data throughout the school year. If students have shown mastery at a Tier (achieving Level 3 on FAST or Proficient on MAP for Tier 2 or mastery of the Code Placement for Tier 3) may "graduate" from their current Tier. If students are meeting the expectations of the course and have a positive RtI, the intervention continues as designed. If students have a questionable or poor RtI, the team uses guiding questions from the ICEL x RIOT chart to identify and address the root causes.

12. Explain how the effectiveness of Tier 3 interventions is monitored.

Program fidelity and student assessment data are monitored by the Secondary Learning Department and by school-based Literacy Leaders via Instructional Reviews by the Regional Office, and Secondary Learning provides feedback to the school on the implementation. This data is used to target school support throughout the school year.

Instructional Reviews take place to identify and solve problems to improve the effectiveness of Tier 3 intervention, including alignment with core curriculum and instruction when progress monitoring data indicates students in specific grade levels and classrooms are not progressing towards grade-level proficiency. These will be led by the Secondary Learning Department in collaboration with members of the Regional Offices, ESE, and Bilingual/ESOL departments based on the identified needs of the school and subgroups.

The Secondary Learning Department provides classroom teachers with PL and support on analysis of progress monitoring data and additional assessments referenced in the plan to ensure alignment of Tier 1 and Tier 2.

Secondary Learning, ESE, and ESOL Department, in collaboration with District Partners, such as ELLevation, provide PL and support to schools implementing evidence-based intervention programs/resources/practices/strategies.

Using the MONITOR portion of the Place-Plan-Monitor guidance tool, school-based CPST meet to discuss student data throughout the school year. If students have shown mastery at a Tier (achieving Level 3 on FAST or Proficient on MAP for Tier 2 or mastery of the Code Placement for Tier 3) may "graduate" from their current Tier. If students are meeting the expectations of the course and have a positive RtI, the intervention continues as designed. If students have a questionable or poor RtI, the team uses guiding questions from the ICEL x RIOT chart to identify and address the root causes.

Grades 6-8 Decision Tree	
Tier 1 (Core) Only	
Beginning of Year Data	
Students must meet the following criteria at the beginning of the school year: A score of level 3 and up on the FAST AND a score above the 30th percentile on the MAP.	
List performance criteria that indicate Tier 1 is sufficient for at least 80% of students. Students are scoring 75% or higher on within program formative assessments.	
What procedures are in place to identify and solve problems to improve the effectiveness of Tier 1 instruction? Classrooms (or schools) where specified Tier 1 curriculum and supplemental resources are not improving student literacy outcomes, identified teachers receive PL and support in implementing differentiated instruction using evidence-based resources and instructional practices to ensure the curriculum is being implemented with fidelity.	
Core Instruction **Indicate the core curriculum utilized. Add additional rows as needed.**	
Name of Program	**Year of Program Adoption**
Houghton Mifflin Harcourt (HMH) Into Literature (Every Student Succeeds Act (ESSA) Rating: Moderate)	**2021**
Performance criteria that prompt the addition of Tier 2 interventions for students not meeting expectations/benchmarks during the school year: Students who drop below level 3 on the FAST receive additional support through the Into Literature differentiated resources and are targeted for additional support through extended learning opportunities.	

DRAFT

Tier 1 Instruction + Tier 2 Interventions

Beginning of Year Data

Students who meet the following criteria at the beginning of the school year:
A score of level 1 or 2 on the FAST AND a score below the 30th percentile on the MAP.

Number of times per week interventions are provided:
3-5
Number of minutes per intervention session:
45-90
Course(s) where interventions take place:
Intensive Reading

Supplemental Instruction/Interventions
Indicate the evidence-based programs and/or practices used for Tier 2 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence.
Add additional rows as needed.

Name of Program	ESSA Evidence Level	Verbiage (as needed)
HMH Read 180	Strong	NA

Indicate the evidence-based programs and/or practices implemented for students with a disability, students with an IEP, and students who are ELLs**, as applicable.**
Add additional rows as needed.

Students with Disabilities

Name of Program	ESSA Evidence Level	Verbiage (as needed)
Specialized Program Individualizing Reading Excellence (SPIRE)	Promising	NA

English Language Learners

Name of Program	ESSA Evidence Level	Verbiage (as needed)
iLit/ELL	Promising	NA
Imagine Learning	Promising	NA

Performance criteria that prompt the addition of Tier 3 interventions for students not meeting expectations/benchmarks during the school year:

If program embedded assessments in comprehension are 65% or below, then intensify instruction by increasing frequency and reducing group size of small group instruction and using program embedded Resources for Differentiated Instruction (RDI).

Tier 1 Instruction + Tier 2 Interventions + Tier 3 Intensive Interventions

Beginning of Year Data

Students who meet the following criteria at the beginning of the school year:

A score of level 1 or 2 on FAST, a score below the 30th percentile on the MAP, and a score that indicates a level 1, 4, 7, or 9 entry point on the Code Placement Test.

Number of times per week interventions are provided:
3-5
Number of minutes per intervention session:
45-90 with additional individual or small group teacher-led instruction as needed.
Course(s) where interventions take place: Intensive Reading

Intensive, Individualized Instruction/Interventions
Indicate the evidence-based programs and/or practices used for Tier 3 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence.
Add additional rows as needed.

Name of Program	ESSA Evidence Level	Verbiage (as needed)
HMH Read 180 The Code (part of Read 180 and formerly System 44)	**Strong**	**NA**

Indicate the evidence-based programs and/or practices implemented for students with a disability, students with an IEP and students who are (ELLs), as applicable.
Add additional rows as needed.

Students with Disabilities

Name of Program	ESSA Evidence Level	Verbiage (as needed)
Specialized Program Individualizing Reading Excellence (SPIRE)	Promising	NA

English Language Learners

14. Describe the district's process (e.g., MTSS) for identifying grades 6-8 students in need of Tier 2/Tier 3 interventions.

The Secondary Decision Chart is aligned with the Simple View of Reading. The first data point that is considered is FAST. Students with a level 3 and higher have their literacy needs addressed. If a student does not have at least a level 3 on FAST, the NWEA MAP, a proxy for language comprehension, and the Code Placement Test, a measure of word recognition is administered.

If the student is proficient and above and an advancing decoder, this shows t h e student can grapple with on-grade-level text in a Tier 1 class and have their literacy needs addressed in the ELA classroom and is not in need of an additional reading intervention, but their literacy skills are closely monitored by the Literacy Coach in case the student needs change.

Students who score low on one or both assessments—NWEA MAP and Code Placement Test need additional reading support. If students can read the words on the page-as indicated by testing out of decoding on the Code Placement Test but don't know what they mean as indicated by a low MAP score that is below the 30th percentile, students need Tier 2 intervention with Read 180 addressing comprehension and vocabulary. If students can't read the words on the page as indicated by a low Code Placement Test score (entry points at segment 1), they are placed in Tier 3 with The Code (part of Read 180 and formerly System 44) focusing on phonological awareness, phonics, and fluency.

Students with an IEP and students who have a poor or questionable response to Tier 3 intervention are given the DAR, and their data is discussed by the school's CPST to determine next steps.

15. Explain how the effectiveness of Tier 1 instruction is monitored.

The data from the above assessments are reviewed monthly and at the end of each assessment period to ensure that 80% of students are proficient. Classrooms (or schools) where specified Tier 1 curriculum and supplemental resources are not improving student literacy outcomes, identified teachers receive PL and support in implementing differentiated instruction using evidence-based resources and instructional practices to ensure the curriculum is being implemented with fidelity.

16. Explain how the effectiveness of Tier 2 interventions is monitored.

Program fidelity and student assessment data are monitored by the Secondary Learning Department. Instructional Reviews by the Regional Office and Secondary Learning provides feedback to the school on the implementation. This data is used to target school support throughout the school year.

Instructional Reviews take place to identify and solve problems to improve the effectiveness of Tier 2 intervention, including alignment with core curriculum and instruction when PM data indicates students in specific grade levels and classrooms are not progressing towards grade-level proficiency. These will be led by the Secondary Learning Department in collaboration with members of the Regional Offices, ESE, and Bilingual/ESOL departments based on the identified needs of the school and subgroups.

Secondary Learning Department provides classroom teachers with PL and support on analysis of PM data and additional assessments referenced in the plan to ensure alignment of Tier 1 and Tier 2. Secondary Learning, ESE, and Bilingual/ESOL Departments, in collaboration with District Partners, such as ELLevation, provide PL and support to schools implementing evidence-based intervention programs/resources/practices/strategies.

School CPST meet to discuss student data. If less than 80% of the class is making progress in the intervention, the team reviews student assessment data, classroom walkthroughs, attendance data, and behavior data to identify the root cause and adjust the intervention as needed.

17. Explain how the effectiveness of Tier 3 interventions is monitored.

Program fidelity and student assessment data are monitored by the Secondary Learning Department and by school-based Literacy Leaders via Instructional Reviews by the Regional Office, and Secondary Learning provides feedback to the school on the implementation. This data is used to target school support throughout the school year.

Instructional Reviews take place to identify and solve problems to improve the effectiveness of Tier 2 intervention, including alignment with core curriculum and instruction when PM data indicates students in specific grade levels and classrooms are not progressing towards grade-level proficiency. These will be led by the Secondary Learning Department in collaboration with members of the Regional Offices, ESE, and Bilingual/ESOL departments based on the identified needs of the school and subgroups.

The Secondary Learning Department provides classroom teachers with PL and support on analysis of progress monitoring data and additional assessments referenced in the plan to ensure alignment of Tier 1 and Tier 2.

Secondary Learning, ESE, and Bilingual/ESOL Departments in collaboration with District Partners, such as ELLevation, provide PL and support to schools implementing evidence-based intervention programs/resources/practices/strategies.

Using the MONITOR portion of the Place-Plan-Monitor guidance tool, school-based CPST meet to discuss student data throughout the school year. If students have shown mastery at a Tier (achieving Level 3 on FAST or Proficient on MAP for Tier 2 or mastery of the Code Placement for Tier 3) may "graduate" from their current Tier. If students are meeting the expectations of the course and have a positive RTI, the intervention continues as designed. If students have a questionable or poor RTI, the team uses guiding questions from the ICEL x RIOT chart to identify and address the root causes.

Grades 9-12 Decision Tree	
Tier 1 (Core) Only	
Beginning of Year Data	
Students must meet the following criteria at the beginning of the school year: A score of level 3 and up on the FAST AND a score above the 30th percentile on the MAP.	
List performance criteria that indicate Tier 1 is sufficient for at least 80% of students. Students are scoring 75% or higher on within program formative assessments.	
What procedures are in place to identify and solve problems to improve the effectiveness of Tier 1 instruction? Classrooms (or schools) where specified Tier 1 curriculum and supplemental resources are not improving student literacy outcomes, identified teachers receive PL and support in implementing differentiated instruction using evidence-based resources and instructional practices to ensure the curriculum is being implemented with fidelity.	
Core Instruction **Indicate the core curriculum utilized. Add additional rows as needed.**	
Name of Program	**Year of Program Adoption**
HMH Into Literature (ESSA Rating: Moderate)	**2021**
Performance criteria that prompt the addition of Tier 2 interventions for students not meeting expectations/benchmarks during the school year: Students who drop below level 3 on the FAST receive additional support through the Into Literature differentiated resources and are targeted for additional support through extended learning opportunities.	

Tier 1 Instruction + Tier 2 Interventions		
Beginning of Year Data		
Students who meet the following criteria at the beginning of the school year: A score of level 1 or 2 on the FAST AND a score below the 30th percentile on the MAP.		
Number of times per week interventions are provided: 3-5 **Number of minutes per intervention session:** 45-90 **Course(s) where interventions take place:** Intensive Reading		
Supplemental Instruction/Interventions **Indicate the evidence-based programs and/or practices used for Tier 2 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence.** **Add additional rows as needed.**		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
HMH Read 180	Strong	NA
Indicate the evidence-based programs and/or practices implemented for students with a disability, students with an IEP, and students who are ELLs, as applicable. **Add additional rows as needed.**		
Students with Disabilities		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
SPIRE	Promising	NA

English Language Learners (ELLS)		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
iLit/ELL	Promising	NA
Imagine Learning	Promising	NA

Performance criteria that prompt the addition of Tier 3 interventions for students not meeting expectations/benchmarks during the school year:

If program embedded assessments in comprehension are 65% or below, then intensify instruction by increasing frequency and reducing group size of small group instruction and using program embedded RDI.

Tier 1 Instruction + Tier 2 Interventions + Tier 3 Intensive Interventions

Beginning of Year Data

Students who meet the following criteria at the beginning of the school year:

A score of level 1 or 2 on the FAST, a score below the 30th percentile on the MAP, and a score that indicates a level 1, 4, 7, or 9 entry point on the Code Placement Test.

Number of times per week interventions are provided:
3-5
Number of minutes per intervention session:
45-90 with additional individual or small group teacher-led instruction as needed.

Course(s) where interventions take place: Intensive Reading

Intensive, Individualized Instruction/Interventions
Indicate the evidence-based programs and/or practices used for Tier 3 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence.
Add additional rows as needed.

Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
HMH Read 180 The Code (part of Read 180 and formerly System 44)	**Strong**	**NA**

Indicate the evidence-based programs and/or practices implemented for students with a disability, students with an IEP, and students who are ELLs, as applicable.
Add additional rows as needed.

Students with Disabilities		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
Specialized Program Individualizing Reading Excellence (SPIRE)	Promising	NA

English Language Learners (ELLS)		
Name of Program	**ESSA Evidence Level**	**Verbiage (as needed)**
iLit/ELL	Promising	NA
Imagine Learning	Promising	NA

What procedures are in place to identify and solve problems to improve the effectiveness of Tier 3 interventions?

Program fidelity and student assessment data are monitored by the Secondary Learning Department and by school-based Literacy Leaders via Instructional Reviews by the Regional Office, and Secondary Learning provides feedback to the school on the implementation. This data is used to target school support throughout the school year.

Instructional Reviews take place to identify and solve problems to improve the effectiveness of Tier 2 intervention, including alignment with core curriculum and instruction when PM data indicates students in specific grade levels and classrooms are not progressing towards grade-level proficiency. These will be led by the Secondary Learning Department in collaboration with members of the Regional Offices, ESE, and Bilingual/ESOL departments based on the identified needs of the school and subgroups.

The Secondary Learning Department provides classroom teachers with PL and support on analysis of progress monitoring data and additional assessments referenced in the plan to ensure alignment of Tier 1 and Tier 2.

Secondary Learning, ESE, and ESOL Department, in collaboration with District Partners, such as ELLevation, provide PL and support to schools implementing evidence-based intervention programs/resources/practices/strategies.

Using the MONITOR portion of the Place-Plan-Monitor guidance tool, school-based CPST meet to discuss student data throughout the school year. If students have shown mastery at a Tier (achieving Level 3 on FAST or Proficient on MAP for Tier 2 or mastery of the Code Placement for Tier 3) may "graduate" from their current Tier. If students are meeting the expectations of the course and have a positive RtI, the intervention continues as designed. If students have a questionable or poor RtI, the team uses guiding questions from the ICEL x RIOT chart to identify and address the root causes.

5) Professional Learning (PL) (Rule 6A-6.053(9)(b)3.f.—j., F.A.C.)

Describe the literacy PL that will be provided by the district and/or schools, aligned to the requirements below:

- Provide PL required by ss. 1012.585(3)(f) and 1012.98(5)(b)11., F.S., which includes training to help teachers integrate phonemic awareness, phonics, word study and spelling, fluency, vocabulary and text comprehension strategies into an explicit, systematic and sequential approach to reading instruction, including multisensory intervention strategies;
- Provide PL in B.E.S.T. ELA Standards and evidence-based reading practices and programs;
- Provide PL to help instructional personnel and certified PreK teachers funded in the Florida Education Finance Program (FEFP) earn a certification, a credential, an endorsement, or an advanced degree in scientifically researched and evidence-based reading instruction;
- Differentiate and intensify PL for teachers based on progress monitoring data;
- Identify mentor teachers and establish model classrooms within the school; and
- Ensure that time is provided for teachers to meet weekly for PL.

Provide the Name of PL, Target Audience, and Description.
Add additional rows as needed.

Name of Professional Learning	Target Audience	Description
Birth to 3 Language and Literacy	Early Childhood	Infant and toddler environments provide wonderful opportunities for caregivers to support and develop literacy and language skills. Students are expected to communicate in

	Education Teachers	their target language appropriately, accurately, and effectively in a range of different social, cultural, and academic contexts. This course is designed to give teachers the framework for understanding and planning for language and literacy success for students between the ages of zero and three.
Curriculum Fidelity for Preschool Overview	Early Childhood Education Teachers	Curriculum fidelity is a cornerstone in all quality preschool programs. This course will examine the connection between the physical environment, classroom structure, teacher-child interactions, and best practices. Participants will become familiar with the Curriculum Fidelity Checklist used in the Head Start and VPK programs. This checklist outlines ways to implement new classroom practice or modify existing practice to meet high-quality and performance standards of the Head Start and VPK programs.
Emergent Literacy in Preschool Classrooms	Early Childhood Education Teachers	Participants will identify the importance of phonemic awareness, oral language, concepts of print, shared reading, and writing in the development of early reading and writing skills. This workshop includes an overview of the early literacy program, along with the use of the Heggerty Phonemic Awareness program. Connections between the Head Start Child Development and Early Learning Framework, Florida Early Learning and Developmental Standards, Florida State Standards for Kindergarten, Marzano's Framework, and the CLASS observation tool, will be illustrated.
Differentiation in Preschool	Early Childhood Education Teachers	Participants learn strategies related to differentiated instruction when teaching a small group or individual children across all areas (cognitive, social/emotional, mathematical thinking, scientific inquiry, social studies, ELA, language, and literacy). Connections between the revised Head Start Child Development and Early Learning Framework and Florida Early Learning and Developmental Standards will be addressed.
English Language Learners in PreK	Early Childhood Education Teachers	Explore what research says about how preschool children develop language when processing two or more languages. Learn to identify and use research-based strategies, such as modeling, and other supports. Locate resources for supporting high-quality instructional interactions with children who are dual language learners. This self-paced course offers strategies to assist ELLs from the Big 5 of Language Development, including research related to diverse populations.
Course #1: The SoR, B.E.S.T. Standards, and Instructional Materials	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	Participants will engage in an overview of the correlation between SoR and the B.E.S.T. Standards. This course will focus on SoR alignment to the ELA Materials as found within the read-aloud, phonics and word study, reading & writing mini-lessons, and small-group lessons in Benchmark Advance for Grades K-5.
Course #2: The SoR: Word Recognition	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	Participants will dive deeper into SoR by developing a deeper understanding of the "word recognition" component of the Simple View of Reading. This will include an understanding of the key takeaways from the body of research that lead to evidence-based practices. This understanding, combined with hands-on practice and application of essential strategies, will assist teachers in improving student understanding and application of phonological awareness, phonics, and fluency

		skills essential to ensure decoding, thus creating a condition for comprehension to occur.
Course #3: The SoR: Language Comprehension	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	Participants will dive deeper into SoR by developing a deeper understanding of the "language comprehension" component of the Simple View of Reading. This will include an understanding of the key takeaways from the body of research that lead to evidence-based practices. This understanding, combined with hands-on practice and application of essential strategies, will assist teachers in improving student understanding and application of the oral language, vocabulary, background knowledge, literacy knowledge, and language structure skills essential to ensure language comprehension and create a condition for comprehension to occur.
Course #4: SoR: Fluid & Flexible Small Group Instruction	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	This course will focus on the why, when, and how of SoR-aligned, small group instruction. Participants will learn about the importance of fluid and flexible small groups and the past practices that created barriers for non-decoders. This PL will also include the disaggregation of student data to determine areas of focus, guide instructional decisions, and effectively plan for small group instruction.
Course #5: The SoR: The Reading & Writing Connection	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	During this course, participants will learn about the companion to Scarborough's Reading Rope Sedita's Writing Rope, which summarizes the key takeaways from the research about writing. Then, participants will learn of the role writing plays in cementing student learning. Next, teachers will make connections between the evidence, the B.E.S.T. Standards for ELA, and our high-quality instructional materials in Benchmark Advance. Finally, participants will utilize writing rubrics to analyze student work, use evidence of encoding to assess phonics skills, and plan for the next steps in writing instruction.
Course #6: SoR: Enriching All Students Through Project-Based Learning	K-5 ELA Teachers, Instructional Leaders, & Literacy Coaches	Just as it is essential that students have a strong understanding of the foundational skills needed to read on grade level, it is equally important to enrich students to foster a love of learning. In this course, participants will understand the role enrichment plays for all students. Then, teachers will make connections to the B.E.S.T. Standards for ELA. Finally, participants will dive into Benchmark Advance to explore resources to plan for impactful enrichment.
SoR-ing with Intensive Reading	Grades 6-12 reading teachers and coaches	In this interactive course, reading teachers, literacy coaches, and support staff in grades 6-12 will learn the research that makes up what is known as the SoR, and engage in activities that connect the B.E.S.T. standards and components of literacy. Participants will apply what they have learned to an upcoming lesson.
Evidence-Based Decoding & Encoding	Grades 6-12 reading teachers and coaches	In this interactive workshop, secondary reading teachers will learn, practice, and apply evidence-based methods to provide differentiated, scaffolded decoding and encoding instruction to small groups and individual students. Methods include the use of physical and digital manipulatives, contrastive analysis for linguistically diverse students, and engaging ways to provide multiple exposures to new spelling/sound patterns through retrieval practice.
Evidence-Based	Grades 6-12 reading	In this interactive workshop, secondary reading teachers will learn, practice, and apply evidence-based methods to

Comprehension Instruction	teachers and coaches	provide differentiated, scaffolded decoding and encoding instruction to small groups and individual students. Methods include the use of physical and digital manipulatives, contrastive analysis for linguistically diverse students, and engaging ways to provide multiple exposures to new spelling/sound patterns through retrieval practice.
Best-Practices in Stations	Grades 6-12 reading teachers and coaches	This is a dynamic teacher training course designed to enhance reading instruction through the effective use of the Read180 program, which delves into the dual components, the Read180 comprehension model, as well as the Read180 foundational model The Code. Participants will learn how to implement station rotations and select the proper rotational models to meet the needs of the varied academic levels of students. The course emphasizes the importance of continuous monitoring to track student progress and managing these rotations and stations to make data-driven adjustments. By the end of the course, educators will be equipped with strategies to optimize the Read180 stations.
The Read-Write Connection	Grades 6-12 reading teachers and coaches	Reading teachers will engage in activities that illustrate how reading skills are taught, applied, and assessed through writing assignments embedded in the adopted Intensive Reading curriculum. Reading teachers will learn and practice new instructional strategies on day one, implement them in the classroom, and then bring back student work for day two. On day two, teachers will collaborate on analyzing student-written work and determining what it means about the students' comprehension of the content and use this information to guide their planning for the next unit of instruction.
Reading Data & Differentiation	Grades 6-12 reading teachers and coaches	In this workshop, participants will tailor small group instruction to meet the needs of all learners by using data to differentiate instruction and motivate students. Participants will learn a variety of strategies for data chats and leave with a variety of Teacher Central Resources for differentiating instruction and modeling differentiated lessons.
SoR-ing with ELA	Grades 6-12 ELA teachers and coaches	Participants will learn about the research and background behind the SoR and how strategies that support the Foundational Standards can be implemented in Tier 1 instruction. Engaging activities will allow participants to gain an understanding of how students learn to read, the science behind the methodologies in reading classes, the importance of vocabulary instruction, and strategies for implementation. Participants will have an opportunity to enhance current lesson plans with newly gained knowledge of SoR strategies as well as with the tools and resources from their instructional materials.
ELA Key Benchmarks	Grades 6-12 ELA teachers and coaches	This one-day training will take ELA teachers into a deep dive into the "priority standards" within the B.E.S.T. standards/benchmarks and identified within the HMH Into Literature curriculum. Priority Standards are also known as Marzano's Critical Content. Teachers will explore each priority standard/benchmark with a close analysis of strategies for teaching the standards and sample assessments that provide effective progress monitoring and opportunities for targeted feedback. Teachers will be integrating the standards with their instructional planning, as well as practicing providing effective feedback.

ELA Centers, Stations, and Playlists	Grades 6-12 ELA teachers and coaches	This one-day training will model the design of student centers, stations, and playlists for use with the HMH Into Literature curriculum. Teachers will explore adapting the BEST standards-based components in the adopted curriculum to design centers and playlists to support scaffolding and differentiation, as well as student voice and choice in formative assessments. Teachers will be integrating the standards-based strategies with their instructional planning, as well as practice providing effective coordination and feedback.
ELA Designing for Rigor	Grades 6-12 ELA teachers and coaches	This one-day training will model and provide opportunities to practice the conditions for rigorous instruction in the ELA classroom. The workshop provides a comprehensive overview of five components for ensuring rigorous instruction and assessment, as well as strategies for practice. The content and practice will be directed toward an ELA audience, using the adopted curriculum.
Reading & Writing Workshop	Grades 6-12 ELA teachers and coaches	In a Reading and Writing Workshop, the teacher begins class with a brief mini lesson based on student formative assessment, then students apply the skill in their Reading and Writing as they complete their own projects while the teacher confers with individual students or groups to build proficiency. The class ends with sharing what students have been working on. This instructional method is perfect for Project-Based Learning (PBL) and increasing student engagement in class. As part of this interactive professional learning experience, participants will experience learning in a Reading and Writing Workshop where they will engage in differentiated student-centered reading and writing tasks that develop into a larger project. They will learn how to use the district-adopted curriculum in a Workshop format (either in a 90-minute class or a 50-minute class period) and how to plan mini-lessons based on ongoing formative feedback strategies.
Social Studies SoR	Grades 6-12 Social Studies teachers and coaches	Participants will learn about the research and background behind the SoR and how strategies that support the Foundational Standards can be implemented in Tier 1 instruction. Engaging activities will allow participants to gain an understanding of how students learn to read, the science behind the methodologies in reading classes, the importance of vocabulary instruction, and strategies for implementation. Participants will have an opportunity to enhance current lesson plans with newly gained knowledge of SoR strategies as well as with the tools and resources from their instructional materials.
Superheroes in U.S. History: Using Comics to Build Background Knowledge in History	Grades 6-12 Social Studies Teachers and Coaches	Participants will be able to analyze historical comics for bias, symbolism, and propaganda. Participants will be able to analyze WWI and WWII comics for factual accuracy, omission, and emotional appeal. Participants will understand how to incorporate this media into their classrooms.
Building Civics Comprehension	Grades 6-12 Social Studies Teachers and Coaches	Teachers will be able to identify low, moderate, and high levels of cognitive complexity in Civics questions. Teachers will be able to implement strategies in their classroom that help students interpret pictures, cartoons, or graphs. Teachers will be able to develop higher-order Civics questions that they can implement in their classroom. Teachers will be able to

		implement strategies to support the Common Core State Standards for Literacy in history/Social Studies in middle school Civics.
From Words to Meaning: Decoding Social Studies Texts for New Teachers	Grades 6-12 Social Studies Teachers and Coaches	This workshop is designed for secondary social studies teachers who are entering their first, second, or third year of teaching social studies in a middle or high school. Participants will learn how to locate and use social studies resources and mandates at both the state and district levels, blend BEST and Next Generation Science Standards (NGSS) , and increase pedagogical practices to meet the diverse needs of their students. Participants must have access to the BCPS Canvas platform and bring a fully charged laptop.
Decoding US History End-of-Course (EoC) Building Background Knowledge and Vocabulary for Student Success	Grades 6-12 Social Studies Teachers and Coaches	This introductory course is designed specifically for high school United States History teachers who are new to teaching US History. Through readings, videos, activities, and discussions, participants will have the opportunity to immerse themselves in best practices and high yielding resources. Participants will learn how to use key resources such as the U.S. History EOC Assessment Test Item Specifications to identify critical content and practice strategies that have resulted in student success. Participants will learn how to incorporate content and skills into classroom instruction to produce lessons that are both rigorous and engaging.
Asking Better Questions: Inquiry in SS	Grades 6-12 Social Studies teachers and coaches	In today's evolving classrooms, strong questioning skills paired with emerging technologies like AI can transform how students engage with Social Studies. This session equips educators with strategies to develop effective, inquiry-driven questions that deepen student's understanding of historical and civic content. Participants will explore Webb's Depth of Knowledge (DOK) to design higher-order prompts and use the Question Formulation Technique (QFT) to help students take ownership of their learning. The session also introduces practical ways to integrate AI tools to support questioning, source analysis, and critical thinking turning passive learning into active investigation. Teachers will leave with tools to craft compelling driving questions and use AI to support student inquiry in a purposeful, ethical, and engaging way.
AI as a Bridge to Background Knowledge in Social Studies	Grades 6-12 Social Studies teachers and coaches	This professional development session equips middle school social studies teachers with strategies to transform AI from a perceived threat into a powerful learning tool. Grounded in the SoR emphasizing comprehension, background knowledge, and critical thinking, this training supports educators in using AI to enhance academic inquiry in civics, history, and essay writing. Participants will explore ethical AI use, scaffold student engagement, and personalize instruction through hands-on activities and case study analysis. Teachers will leave with practical resources, classroom-ready strategies, and a plan to integrate AI in ways that promote ethical use, academic growth, and deeper understanding of complex social studies concepts.

SoR in Science	Grades 6-12 Science teachers and coaches	Teachers will learn and apply evidence-based reading strategies that align with the science of reading to enhance students' comprehension of science texts. This includes methods such as explicit vocabulary instruction, text structure analysis, and the use of graphic organizers to help students better understand and retain content. Teachers will develop and implement multisensory instructional techniques to support diverse learners in science. This includes using visual, auditory, and kinesthetic activities to engage students and reinforce reading skills, ensuring that all students, including those with reading difficulties, can access and understand science material. Teachers will acquire skills to analyze the data collected from formative assessments to identify student misconceptions, learning gaps, and areas of strength. They will learn how to use this data to adapt their instructional strategies and provide targeted feedback and support to students.
Building Mathematics Understanding w/ Literacy	Grades 6-12 Math teachers and coaches	This two-day professional development is designed to deepen Mathematics teachers' understanding of Florida's Math benchmarks while integrating the critical components of skilled reading—linguistic comprehension and word recognition—based on Scarborough's Reading Rope. Educators will examine effective instructional strategies to enhance student comprehension, promote mathematical reasoning, and align lessons with state standards for improved learning outcomes.

Instructional Personnel and Certified PreK Teachers
Describe how PL is provided to help instructional personnel and certified PreK teachers funded in the FEFP earn a certification, a credential or credentials, an endorsement, or an advanced degree in scientifically researched and evidence-based reading instruction.

Teachers can earn their reading endorsement through the district's five-module coursework via Broward Virtual or through the University of Florida's Literacy Matrix. Teachers can also earn points towards their educator 40-hour recertification in reading through any of the eligible courses offered. Options include online, asynchronous, or in-person. Additionally, teachers who complete SoR PL can earn the district's micro-credential.

Differentiated PL
Describe how PL is differentiated and intensified for teachers based on progress monitoring data.

Schools are tiered based on student achievement outcomes and Instructional Review walkthrough data. All schools have access to the district's PL course catalog, which includes a pathway for novice, intermediate, and experienced teachers. Teachers can register for courses based on need, and school-based Literacy Coaches can provide support via coaching cycles. Priority and focus schools are assigned district-based Instructional Specialists, who provide additional support for the Literacy Coaches and selected teachers based on need. This support is built on a gradual release model of instructional practices and coaching cycles.

Mentor Teachers
Describe how mentor teachers are identified and how model classrooms are established and utilized within the school.

Each school tiers teachers based on experience, pedagogy, and student performance data. Tier 1 teachers have opportunities to lead PLCs, support other teachers by sharing effective practices, and modeling.

DRAFT

Professional Learning Time
Describe how time is provided for teachers to meet weekly for professional learning.

Each school develops a PL calendar based on the school schedule and data-driven needs. PLCs are teacher-designed and led. PLC options may include lesson study, analysis of student work, and standards-based feedback. Select schools' micro-learning options:

- Lunch and Learn sessions - interactive strategy-based sessions aligned to teacher needs and interests. These are facilitated by the Literacy Coach or Tier 1/Mentor Teachers.
- Collaborative Planning sessions - subject/grade teachers discuss effective instructional strategies and make data-based decisions that impact instructional delivery. Teacher-led and coach-supported.

6) Tutoring Programs to Accelerate Literacy Learning (Rule 6A-6.053(9)(b)3.b., F.A.C.)

Describe any tutoring programs available within your district and include targeted grade levels (e.g., Reading Achievement Initiative for Scholastic Excellence (RAISE) High School Tutoring). Add additional rows as needed.

Name of Tutoring Program	Target Audience	Description
Learning High Impact Tutoring (ESSA Rating-Strong)	Select primary students (K-1) who meet the criteria	This program builds a solid phonics foundation, sight word acquisition, fluency, and comprehension. It is provided 1:1 in the classroom, 2- 5 times per week.
Varsity Tutors	Select students in our most critical schools	This program provides high-dosage, teacher-led tutoring for critical schools determined by the number of students with a substantial deficiency in reading.

7) Family Engagement (Rule 6A-6.053(9)(b)3.o., F.A.C.)

In accordance with the list outlined in s. 1008.25(5)(d), F.S., describes the district's plan for immediately notifying parents of students identified with a substantial deficiency in reading.

A comprehensive District Read-At-Home Plan includes multisensory reading strategies created for each grade level, K-5. The plan is provided to families of every student who exhibits a substantial deficiency in reading in conjunction with a PMP for Reading within two weeks of any FAST administration. The District Read-At-Home Plan is available to **all** families through the BCPS Supporting Young Learners website http://bit.ly/SupportingYoungLearners. It provides school-to-home connections that families can use to support their children's proficient development of literacy skills. The website includes cross-curricular resources to address academic needs across all content areas and highlights the New World Reading Initiative.

Families with children in grades 6-12 have access to the Supporting Middle and High School Readers website https://bit.ly/3MJtUnX. Students identified with areas of need in reading are provided with access to the website in conjunction with a (PMP for Reading within two weeks of any FAST administration. It is also available on the district's Supporting Secondary Learners site.

https://browardschools.instructure.com/courses/852789/pages/english-language-arts-and-reading
Access for **all** families.

Describe the literacy partnerships or programs the district utilizes to increase support for families to engage in literacy activities and reading at home (e.g., New Worlds Reading Initiative).

- Title 1 schools have access to district partners that provide books to students during family engagement events.
- Annually, the Children Services Council provides over 40,000 books to students for the District's Read for the Record Day.
- The Broward Teachers Union delivers books to schools. Students get to select a book to add to their home libraries.
- Annually, the Bilingual/ESOL Department provides Kindergarten students with a copy of a selected bilingual book. Then, district staff and community partners visit each school to read the selected book. Each student receives the same book in their home language to keep.
- The Family & Community Engagement (FACE) Department held several SoR themed "Hot Food, Hot Topics" events this year to build an understanding of evidence-based instruction for families throughout the community.

8) Assurances (Rule 6A-6.053(9(b)2., F.A.C.)

District CERP Assurances: Initial next to each assurance (a.—i.). The Local Educational Agency Chief Executive Officer, or his/her authorized representative, assures the following:

Initials	Assurance
RGB Designee	a. All reading instruction and PL is grounded in the SoR; uses instructional strategies that include phonics instruction for decoding and encoding as the primary strategy for word reading; and does not employ the three-cueing system model of reading or visual memory as a basis for teaching word reading.
RGB Designee	b. All students identified with a substantial deficiency in reading are covered by an individualized progress monitoring plan that meets the requirements of s. 1008.25(4)(c), F.S., to address their specific reading deficiency, unless they have an IEP or 504 plan that addresses their reading deficiency, or both in accordance with Rule 6A-6.053(6)(c), F.A.C.
RGB Designee	c. All intensive reading interventions provided in Summer Reading Camps to students in grade 3 who score Level 1 on the statewide, standardized ELA assessment are delivered by instructional personnel who are certified or endorsed in reading and rated highly effective as determined by the teacher's performance evaluation under s. 1012.34, F.S. All other intensive reading interventions are delivered by instructional personnel who are certified or endorsed in reading, or by instructional personnel who possess the elementary or secondary literacy micro-credential and who are supervised by an individual certified or endorsed in reading.
RGB Designee	d. Each school has a literacy leadership team consisting of a school administrator, literacy coach, media specialist, and a lead teacher, as applicable.
RGB Designee	e. All literacy coaches in the district meet the minimum qualifications described in Rule 6A-6.053(4), F.A.C.

RGB Designee	f. Literacy coaches are prohibited from performing administrative functions that will detract from their role as a literacy coach and from spending limited time administering or coordinating assessments.
RGB Designee	g. Literacy coaches are assigned to schools with the greatest need based on student performance data in reading.
RGB Designee	h. Time is provided for teachers to meet weekly for PL, including lesson study and PLCs.
RGB Designee	i. The CERP will be shared with stakeholders, including school administrators, literacy leadership teams, literacy coaches, classroom instructors, support staff and parents.
Local Educational Agency Chief Executive Officer or Authorized Representative (Printed Name): Dr. Fabian H. Cone	
Signature: Rudolph Burnett ***Designee***	Date: 7/9/26

9) Highly Effective Teachers

Describe how the district prioritizes the assignment of highly effective teachers, as identified in s. 1012.34(2)(e), from kindergarten to grade 2.

Strategic Communication with School Administrators: Placing Highly Effective Teachers in K–2. To ensure early literacy success, BCPS will implement a tiered communication and implementation plan aimed at placing highly effective teachers in Grades K, 1, and 2. Recognizing the foundational importance of these early grades in reading development, BCPS will:

- Issue district guidance via PIVOT Memo to all principals, regional directors, and superintendents outlining the expectation that K–2 classrooms be staffed with teachers rated "Highly Effective" under s. 1012.34(2)(e), F.S., using the most recent three-year average evaluation data.
- Determine if we can have Talent Development conduct early identification of projected vacancies in K–2 classrooms and match them with highly effective teachers using the district's teacher evaluation database and Talent Development staffing platform.
- Host targeted principal sessions during the first-level principals' meetings to share case studies and data showing the impact of highly effective teaching in early literacy development.
- Offer assistance, where possible, with Regional Offices and Talent Development any academic guidance and staffing support to school leaders during the hiring window to prioritize the placement of these teachers in K–2 before assigning them to upper grades.

EXECUTIVE SUMMARY

CareerSource Broward Memorandum of Understanding (MOU)

Board Meeting Date: July 28, 2026

Requested Action: To approve the MOU between the School Board of Broward County, Florida and CareerSource Broward.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• N/A
Statutory Requirement	• N/A
If the School Board votes "Yes"	• The district will maintain its partnership with One-Stop Career Centers to provide career, workforce, education and training to jobseekers and employers in the Broward Workforce Development Area.
If the School Board votes "No"	• The district will not be awarded the FLDOE Adult General Education (AGE), Integrated English Literacy and Civic Education (IELCE), and Corrections Education Grants. The MOU is an FLDOE requirement for the application of the AGE, IELCE, and Corrections grants.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal: College and Career Readiness/Acceleration • Guardrail 2: Equity
Measurable Outcome(s)/Return on Investment	• Postsecondary Education students who elect to enroll in AGE/IELCE and/or Corrections programs of study will enhance their knowledge and employability skills to pursue their high school credential, workforce training, English language acquisition, re-entry into employment, and positive postsecondary outcomes.

Background/History

The School Board of Broward County, Florida, is a one-stop partner identified in the Workforce Innovation and Opportunity Act (WIOA) of 2014 as the provider of Adult Education and Literacy Act activities and postsecondary Career and Technical Education (CTE) programs authorized under the Carl D. Perkins Career and Technical Education Act of 2006. WIOA requires that each one-stop partner enter an MOU. The purpose of the MOU is to provide access to Adult Literacy and postsecondary CTE program services through the Career Source Broward (CSBD) One-Stop Career Centers, which are part of the American Job Center network system. CSBD is the administrative entity for the CSBD Council of Elected Officials and for the Broward Workforce Development Board.

Agreement Terms and Financial Impact

Costs of the infrastructure of the One-Stop career centers will be funded in accordance with Exhibit A– Infrastructure Funding Agreement, incorporated herein by reference. As required by 20 CFR 678.755, the Parties agree that the infrastructure and shared services budget will be periodically reconciled against actual costs incurred and adjusted accordingly to ensure that it reflects a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to its use of the one-stop center and relative benefit received, and that complies with 2 CFR part 200. The agreement is effective from July 1, 2026, to June 30, 2029.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	July 28, 2026 to June 30, 2029
Multi-Year Agreement:	Yes
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: N/A

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. Fund is included in the budget.
2. Fiscal Years 2026-2029- Adult General Education (AGE) Grant.

New / Current Requested Agreement Authority		
Agreement Authority Terms	**Length of Agreement Terms**	**Total Agreement Amount**
7/28/2026-6/30/2029	**3 years**	$646.47

Budget Authority Request(s) *This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.*				
Current Fiscal Year Budget Authority				
Fiscal Year	**Length of Agreement Terms**	**Budget Fund**	**Amount**	**Included in Budget (Y/N)**
N/A	**N/A**	**N/A**	**N/A**	N/A
Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*				
Future Fiscal Year(s)	**Length of Agreement Terms**	**Budget Fund**	**Amount**	
SY 26-27	**12 months**	**AGE Grant**	$215.49	
SY 27-28	**12 months**	**AGE Grant**	$215.49	
SY 28-29	**12 months**	**AGE Grant**	$215.49	

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Workforce schools benefit from the CareerSource Broward MOU through the support of collaboration for postsecondary education students who elect to enroll in Adult General Education and Workforce training programming.
School Selection /Prioritization	Broward County Public Schools Workforce educational locations: Atlantic Technical College, McFatter Technical College, Sheridan Technical College, Whiddon Rogers Center, HD Perry Educational Center, Dave Thomas Educational Center, Community Schools North, Community Schools South.
Community/ Stakeholder Engagement	N/A
End-User Input	N/A
Technology/Capital Expected Lifecycle/Replacement Cycle	N/A

Memorandum of Understanding
for Workforce Development Partners

By and between CareerSource Broward
And
The School Board of Broward County, Florida

Section 1. Parties

This Memorandum of Understanding ("MOU") is entered into between CareerSource Broward, ("CSBD"); and The School Board of Broward County, Florida ("Partner"). CSBD and Partner are collectively referred to herein as the "Parties" and individually as a "Party."

Section 2. Purpose

The Workforce Innovation and Opportunity Act of 2014 ("WIOA") Sec. 121(c)(1) requires the local workforce development board, with the agreement of the Chief Local Elected Officials (CLEOs), to develop and enter into a MOU between the local workforce development board and the One-Stop Partners concerning the operation of the one-stop delivery system in a local area.

The purpose of this MOU is to describe the cooperative workforce training and employment efforts of CSBD and Partner and the actions to be taken by each to establish and maintain an effective and successful one-stop delivery system. The infrastructure funding agreement establishes a financial plan, including terms and conditions, to fund the services and operating costs of the one-stop delivery system.

This MOU establishes how resources will be coordinated, prevents duplication of services and ensures the effective and efficient delivery of workforce services in the counties represented by CSBD. In addition, this MOU establishes joint processes and procedures that will enable Partner to integrate with the current one-stop delivery system, resulting in a seamless and comprehensive array of education, human service, job training, and other workforce development services.

The Parties agree to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the Parties' respective programs, services, and agencies.

Section 3. Partners in the One-Stop Delivery System

Pursuant to 20 CFR 678.400, required one-stop partners are the entities responsible for administering the following programs and activities in the local area:

1. Programs authorized under title I of WIOA, including:
    a. Adults
    b. Dislocated workers
    c. Youth
    d. Job Corps
    e. YouthBuild
    f. Native American programs
    g. Migrant and seasonal farmworker programs

2. The Wagner-Peyser Act Employment Service program authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.), as amended by WIOA title III;
3. The Adult Education and Family Literacy Act (AEFLA) program authorized under title II of WIOA
4. The Vocational Rehabilitation (VR) program authorized under title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 et seq.), as amended by WIOA title IV (Division of Vocational Rehabilitation)
5. The Vocational Rehabilitation (VR) program authorized under title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 et seq.), as amended by WIOA title IV, including VR services provided by the Division of Blind Services
6. The Senior Community Service Employment Program (SCSEP) authorized under title V of the Older Americans Act of 1965 (42 U.S.C. 3056 et seq.) (Florida Department of Elder Affairs)
7. Career and technical education programs at the postsecondary level authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.) (Perkins V)
8. Trade Adjustment Assistance activities authorized under chapter 2 of title II of the Trade Act of 1974 (19 U.S.C. 2271 et seq.)
9. Jobs for Veterans State Grants programs authorized under chapter 41 of title 38, U.S.C.;
10. Employment and training activities carried out under the Community Services Block Grant (42 U.S.C. 9901 et seq.)
11. Employment and training activities carried out by the Department of Housing and Urban Development
12. Programs authorized under State unemployment compensation laws (in accordance with applicable Federal law) (Reemployment Services and Eligibility Assessment Program) (RESEA)
13. Programs authorized under sec. 212 of the Second Chance Act of 2007 (42 U.S.C. 17532)
14. Temporary Assistance for Needy Families (TANF) authorized under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) (Florida Department of Children and Families)

Additional partners in the local one-stop delivery system:

Section 4. Provision of Services

A. Access to Services. The Parties will make their program services accessible to job seekers, whether they are physically housed within a career center or provided virtually through the one-stop delivery system by:
    1. Exchanging participants' eligibility requirements for their workforce funding streams, identifying their program career services and designating services and activities that may be appropriate for integration into the one-stop delivery system.
    2. Jointly developing and participating in cross-training of frontline staff to assure an understanding of the activities, support services, and constraints applicable to joint partner workforce funding streams.
    3. Coordinating outreach and recruitment through links on each other's websites.
B. Coordinating Services. The Parties shall coordinate and deliver program services (including workforce services) as appropriate through the one-stop delivery system by:

1. Seeking opportunities to share resources and reduce duplication of activities to streamline services for customers and improve frontline staff efficiency such as by co-locating in a comprehensive or affiliate one-stop location site.
2. Working together on enhancing employer engagement to build a demand-driven system, improve business services, and match participants with work-based learning opportunities.
3. Promoting continuous improvement through the coordination of staff training to provide frontline staff with information and knowledge regarding each other's services.
4. Participating in the one-stop delivery system consistent with the terms of this MOU and the requirements of federal and state laws authorizing the program or activities and any related grant agreements.

C. Cross Referral. The Parties will implement policies and procedures that encourage the referral of customers to each other as appropriate by:
   1. Reviewing their individual program policies, procedures, and processes to align them to the extent allowed by each program's specific laws and regulations, to better serve customers through cross referral, sequential, or co-enrollment as may best benefit the customer.
   2. Using established methods for follow-up and reporting to each other on the services provided to the customer and the outcomes obtained.

D. Information Sharing. The Parties agree that the collection, use, and disclosure of customers' personally identifiable information (PII) is subject to various requirements set forth in federal and state privacy laws. Partner acknowledges that the execution of this MOU, by itself, does not function to satisfy all of these requirements.

E. All One-Stop center and Required Partner staff will be trained in the protection, use, and disclosure requirements governing PII and any other confidential data for all applicable programs.

F. Accessibility. The Parties will ensure access for individuals with barriers to employment, including consideration of technological tools for individuals with disabilities, in each of the one-stop centers and affiliate locations. The Parties will offer priority for services to recipients of public assistance, other low-income individuals, or individuals who are skills deficient for individualized career services and training services funded with WIOA adult funds.

Section 5. Funding of Infrastructure and Operating Costs

Costs of the infrastructure of the One-Stop career centers will be funded in accordance with **Exhibit A– Infrastructure Funding Agreement**, incorporated herein by reference. As required by 20 CFR 678.755, the Parties agree that the infrastructure and shared services budget will be periodically reconciled against actual costs incurred and adjusted accordingly to ensure that it reflects a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to its use of the one-stop center and relative benefit received, and that complies with 2 CFR part 200.

Section 6. Term

This MOU is effective July 1, 2026, or the date executed by both parties, whichever is later, through June 30, 2029, unless the MOU is terminated by either Party in accordance with the terms set forth herein.

Section 7. Modification and Renewal

A. This MOU will be reviewed, and if substantial changes have occurred, renewed, not less than once every three (3) year period to ensure appropriate funding and delivery of services.
B. The MOU must be updated not less than every (three) 3 years to reflect any changes in the signatory official of CSBD, one-stop partners, and chief elected officials, or one-stop infrastructure funding.
C. This MOU may be amended or modified by mutual consent of the Parties, by the issuance of a written amendment executed by the Parties.
D. The Parties may choose to include, via addendum to this MOU, other provisions that are consistent with WIOA title I, the authorizing statutes and regulations of one-stop partner programs, and the WIOA regulations.

Section 8. Termination

A. Either Party may terminate this MOU for convenience by giving thirty (30) calendar days' written notice pursuant to Section 8 (Notice).

B. In the event of termination, the Parties will convene within sixty (60) calendar days of termination to renegotiate a mutually acceptable replacement MOU, if required by law to do so.

Section 9. Notice

A. All notices required to be given to CSBD under this MOU shall be sufficient when hand delivered or mailed to CSBD at its office located at 2890 W. Cypress Creek Rd, Ft. Lauderdale, FL 33309, addressed to the President/CEO.

B. All notices required to be given to Partner under this MOU shall be sufficient when hand delivered or mailed to Partner's Superintendent of Schools, at his/her office located at 600 S.E. Third Avenue – 10th Floor, Fort Lauderdale, FL 33301.

Section 10. Nondiscrimination

The Parties agree to comply with the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.); on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); on the basis of sex under title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.); or on the basis of race, color, or national origin under title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.). The Parties agree that no individual shall be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in the administration of or in connection with, any program or activity relating to the operation of the one-stop delivery system because of race, color, religion, sex (except as otherwise permitted under title IX of the Education Amendments of 1972), national origin, age, disability, or political affiliation or belief.

Section 11. Confidentiality

The Parties agree to abide by all applicable federal, state, and local laws and regulations regarding confidential information, including, but not limited to: 20 CFR part 603, 45 CFR section 205.50, 20 USC 1232g and 34 CFR part 99, and 34 CFR 361.38. Each Party will ensure that the collection and use of any information, systems, or records that contain personally identifiable information ("PII") and other confidential/exempt information will be limited to purposes that support the programs and activities described in this MOU and will comply with applicable law. Each Party will ensure that access to software systems and files under its control that contain PII

or other personal or confidential information will be limited to authorized staff members who are assigned responsibilities in support of the services and activities described herein and will comply with applicable law. Each Party expressly agrees to take measures to ensure that no PII or other personal or confidential information is accessible by unauthorized individuals.

To the extent that confidential information needs to be shared amongst the Parties for the Parties' performance of their obligations under this MOU, and to the extent that such sharing is permitted by applicable law, any required data sharing agreements will be created and required confidentiality and ethical certifications will be signed by authorized individuals.

Section 12. Signatures

IN WITNESS WHEREOF, Partner and CareerSource Broward have caused this MOU to be duly executed as of the date set forth below.

The MOU must contain the signatures of the Chief Local Elected Official(s). Any changes in the signatory official of the board, one-stop partners, and Chief Local Elected Officials, must be reflected in the current MOU. The MOU must be updated at least once every three (3) years and included in the local board's WIOA Workforce Services' plan.

Exhibit A

Infrastructure Funding Agreement (IFA)

The purpose of this Infrastructure Funding Agreement Is to delineate each Party's responsibilities for the sharing of infrastructure costs and operating costs for the applicable One Stop Center.

The School Board of Broward County, Florida ("Partner") and CAREERSOURCE BROWARD ("CSBD") recognize that infrastructure costs, in accordance with 20 CFR 678.500(b), 34 CFR 361.500(b), and 34 CFR 463.500(b) are applicable to all required partners, regardless of whether they are physically located in CAREERSOURCE BROWARD'S Career Center. Pursuant to United States Department of Labor Training and Employment Guidance Letter 17-16 (USDOL TEGL 17-16), each partner's contributions to the infrastructure costs, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the partner programs' authorizing laws and regulations and the Uniform Guidance.

Infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the south One-Stop Center in Broward County, Florida. Non-personnel costs are defined by USDOL TEGL 17-16 and includes, but are not limited to:

- Rental of the facilities;
- Utilities and maintenance;
- Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- Technology to facilitate access to the American Job Center, including technology used for the center's planning and outreach activities.

The School Board of Broward County, Florida has chosen to utilize technology to facilitate access to the one-stop center, including technology used for the Center's planning and outreach activities (WIOA sec. 121(h)(4), 20 CFR 678.700(a), 34 CFR 361.700(a), and 34 CFR 463.700(a)).

The School Board of Broward County, Florida will provide ail art, logos, and content to submit to CAREERSOURCE BROWARD for publication within the time provided by CAREERSOURCE BROWARD.

Upon the receipt of proper invoice(s) at least thirty (30) calendar days prior to the payment due date as applicable or by the due dates below, The School Board of Broward County, Florida will pay CAREERSOURCE BROWARD the total of Six Hundred Forty-six and 47/100 Dollars ($646.47) in three (3) separate payments of Two Hundred Fifteen and 49/100 Dollars ($215.49) for the following periods:

(1) July 1, 2026, through June 30, 2027, payable by October 31, 2026.

(2) July 1, 2027 through June 30, 2028, payable by October 31, 2027.

(3) July 1, 2028 through June 30, 2029, payable by October 31, 2028.

The School Board of Broward County, Florida will pay for the costs associated with its participation in the one-stop center. as described above, subject to Section 8 (TERMINATION).

(The remainder of this page is intentionally left blank.)

Exhibit B
SBBC ADDENDUM

Section 1 **No Disclosure of SBBC Education Records.**

SBBC shall not disclose any education records to CSBD pursuant to this Agreement. However, should CSBD come into contact with education records during the course of contracted responsibilities, these records are confidential and protected by the Family Educational Rights and Privacy Act (FERPA) and state laws and may not be used or re-disclosed. CSBD's use or re-disclosure may violate applicable federal and state laws.

Section 2 **CSBD Safeguarding the Confidentiality of Education Records.**

(a) Privacy. Notwithstanding any provision to the contrary within this Agreement, CSBD shall:

1) fully comply with the requirements of Sections 1002.22, 1002.221, and 1002.222, Florida Statutes; the Family Educational Rights and Privacy Act, 20 U.S.C § 1232g (FERPA) and its implementing regulations (34 C.F.R. Part 99), and any other state or federal law or regulation regarding the confidentiality of student information and records;

2) hold any education records in strict confidence and not use or redisclose same except as required by this Agreement or as required or permitted by law unless the parent of each student or a student age 18 years or older whose education records are to be shared provides prior written consent for their release; and

3) notify the SBBC Privacy Officer immediately upon discovery of a hard copy breach of confidentiality of education records by telephone at 754-321-1900, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law.

(b) IT Security. Notwithstanding any provision to the contrary within this Agreement, CSBD shall:

1) ensure that, at all times, all of its employees who have access to any education records during the term of their employment shall abide strictly by its obligations under this Agreement, and that access to education records is limited only to its employees that require the information to carry out the responsibilities under this Agreement and shall provide said list of employees to SBBC upon request;

2) safeguard each education record through administrative, physical and technological standards to ensure that adequate controls are in place to protect the education records and information in accordance with FERPA's privacy requirements;

3) notify the SBBC Director of Information Security and Assurance immediately upon discovery of an electronic breach of confidentiality of education records by telephone at 754-321-0300, and email at privacy@browardschools.com; and take all necessary notification steps as may be required by federal and Florida law, including, but not limited to, those required by Section 501.171, Florida Statutes;

4) prepare and distribute, at its own cost, any and all required breach notifications, under federal and Florida Law, or reimburse SBBC any direct costs incurred by SBBC for doing so, including, but not limited to, those required by Section 501.171, Florida Statutes; and

5) be responsible for any fines or penalties for failure to meet breach notice requirements pursuant to federal and/or Florida law.

(c) The obligations under this section shall survive the termination of all performance required or conclusion of all obligations existing under this Agreement.

No Waiver of Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

Governing Law and Venue. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

EXECUTIVE SUMMARY

Recommendation for First Amendment to Agreement with Broward Behavioral Health Coalition, Inc.

Board Meeting Date: July 28, 2026

Requested Action: Approve the recommendation for the First Amendment with Broward Behavioral Health Coalition, Inc. (BBHC)

General Information	
The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.	
District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not applicable
Statutory Requirement	• Section 1011.62, Florida Statute
If the School Board votes "Yes"	• This amendment is being revised to reallocate funds from personnel costs to covered student services, allowing funds to be used more effectively to support student needs.
If the School Board votes "No"	• The funds will remain allocated to personnel costs and cannot be redirected to covered student services as proposed.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 5: Wellness Support
Measurable Outcome(s)/Return on Investment	• Referrals for mental health services will be processed in accordance with Section 1011.62, Florida Statute, requiring that students are assessed within fifteen (15) calendar days of a referral being made and that services are initiated within thirty (30) calendar days of the referral.

Background/History

Broward County Public Schools (BCPS) has partnered with Broward Behavioral Health Coalition (BBHC) since 2020 to expand access to behavioral health services and supports for students and families. As Broward County's behavioral health managing entity, BBHC coordinates a network of community providers and manages a secure online referral portal through which BCPS staff submit referrals, monitor service connections, and coordinate care. In April 2022, the School Board approved a formal agreement to strengthen coordination between BCPS and community providers, ensuring students have timely access to assessments, care coordination, case management, and evidence-based mental health services both during and outside of the school day.

Agreement Terms and Financial Impact
The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	July 1, 2025, through June 30, 2028
Multi-Year Agreement:	Yes
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Statutory/Programmatic Service Agreement

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
1. Funding for this Agreement is from the State Categorical Mental Health Allocation.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
7/1/2025 – 6/30/2028	**3 Years**	$6,000,000.

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
FY27	12 months	General Fund Mental Health Assistance Allocation	$2,000,000	Y

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
FY28	12 months	General Fund Mental Health Assistance Allocation	$2,000,000

School Impact, Stakeholder Engagement, and Implementation Considerations	
This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.	
Impact on Schools	Provides students with care coordination and access to community-based mental health services.
School Selection /Prioritization	Services remain available Districtwide to eligible students referred through mental health professionals and established BCPS referral processes.
Community/ Stakeholder Engagement	BCPS continues to collaborate with BBHC, its network of community behavioral health providers, and district staff to coordinate referrals and access to mental health services.
End-User Input	Participation in services is voluntary. Students are identified through conversations with school-based mental health professionals, and referrals require written consent from the parent/guardian.
Technology/Capital Expected Lifecycle/Replacement Cycle	No technology or capital assets are being purchased, replaced, or affected as part of this amendment.

Additional Backup: BBHC First Amendment Agreement

Docusign Envelope ID: 7B732668-4DCE-8707-83B4-D7000B79F54A

FIRST AMENDMENT TO AGREEMENT

THIS FIRST AMENDMENT TO AGREEMENT is made and entered into by and between:

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
(hereinafter referred to as "SBBC"),
a body corporate and political subdivision of the State of Florida,
whose principal place of business is
600 Southeast Third Avenue, Fort Lauderdale, Florida 33301

and

BROWARD BEHAVIORAL HEALTH COALITION, INC.,
a Florida not for profit corporation
(hereinafter referred to as "BBHC"),
whose principal place of business is
3521 West Broward Boulevard, Suite 206, Lauderhill, FL 33312.

WHEREAS, SBBC and BBHC entered into an Agreement that commenced on July 1, 2025, and expires on June 30, 2028, (hereafter "Agreement"); and

WHEREAS, the Agreement seeks to develop a multiagency service platform to coordinate and improve the provision of mental health services to district school students and their families through the integration of education and community treatment programs for district students with and at risk of emotional or behavioral disabilities; and

WHEREAS, BBHC provides SBBC with certain services under the Agreement so that the children, youth, and their families will be able to receive continuous behavioral health care services both within and outside of the district school environment or during breaks in the school year without a disruption of their behavioral health care needs; and

WHEREAS, the parties mutually desire to include new provisions within the Agreement and to amend certain provisions of the Agreement through this "First Amendment").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1.01 **Recitals**. The parties agree that the foregoing recitals are true and correct and that such recitals are incorporated herein by reference.

1.02 **Effective Date**. This First Amendment will become effective when executed by all parties.

Docusign Envelope ID: 7B732668-4DCE-8707-83B4-D7000B79F54A

1.03 **Amended or Added Provisions.** The parties hereby agree to the following new or amended provisions to the Agreement:

(a) The following provisions replace Section 2.4 – "Cost of Services"; Section 2.17 – "Affidavit Regarding the Use of Coercion for Labor and Services"; and Section 2.27 - Incorporation by Reference of the Agreement, by interlineation, as follows:

2.4 **Cost of Services**

Cost.

(a) The total cost to SBBC for the Scope of Services for the BBHC Positions of 1) one (1) Intake Coordinator; 2) seven (7) Care Coordinators; 3) one (1) Project Director; and 4) one (1) Contract Manager, and the BBHC Administrative Charge under the three (3) year term of this Agreement (with the staffing adjustments in year (1) of this Agreement noted below) is a total of Two Million, Four Hundred and Seventy-Eight Thousand Five Hundred and Seventy-Eight Dollars and 00/100 ($2,478,578.00) as specified below.

For the 2025–2026 Fiscal Year only, the Parties agree that a portion of funds budgeted under Section 2.4(a) for BBHC personnel positions in the amount of One Hundred Four Thousand Five Hundred Fourteen Dollars ($104,514.00) shall be reallocated to Covered Services described in Section 2.4(b).

Table 1

REVISED COST SCHEDULE					
DESCRIPTION	**Original Agreement Year 1 Cost**	**Proposed Amendment to Year 1 Cost**	**Difference**	**Cost**	
Position	**Sept 1, 2025 through June 30, 2026**	**Sept 1, 2025 through June 30, 2026**		**Sept 1, 2026 through June 30, 2027**	**Sept 1,2027 through June 30, 2028**
Intake Coordinator	93,750	93,750		98,438	103,359
Care Coordinators (5 positions)	389,578	286,201	103,377	409,056	429,510
Care Coordinators (2 positions)	150,000	150,000		157,500	165,375
Project Director	65,625	65,625		68,906	72,352
Contract Manager	45,938	44,800	1,137	48,234	50,646
BBHC Administrative Charge	74,489	74,489		78,213	82,124
Total	**819,379**	**714,865**	**104,514**	**860,347**	**903,366**
					Grand Total: $2,478,578.00

(b) The rates to SBBC for the Covered Services under this Agreement solely for the district school student that does not have insurance coverage through Medicaid or private insurance or the Covered Service is otherwise not covered by the district student's private insurance provider is outlined below for a total of up to and not to exceed Three Million, Five Hundred and Twenty-One Thousand, Four Hundred and Twenty-Two Dollars and 00/100 Cents ($3,521,422) during the original three (3) year term of this Agreement. Additionally, no more than ten percent (10%) of this sum can be used for the covered services of Supportive Housing/Living.

FY 2025–2026 Covered Services Funding Adjustment: For Fiscal Year 2025–2026 only, Covered Services funding is increased by $104,514.00 through the reallocation of personnel funds under Section 2.4(a). Reallocated funds shall be used exclusively for Assessment, Case Management, In-Home and On-site, Medical Services (psychiatric care), and/or Outpatient Services.

Covered Services Rate Per Hour FY 25-26	
Covered Services	**Rates**
Assessment	$ 113.33
Case Management	$ 85.28
In-Home and On-Site	$ 99.01
Medical Services	$ 427.86
Outpatient - Group	$ 26.73
Outpatient - Individual	$ 106.92
Supported Employment	$ 82.96
Supportive Housing/Living	$ 80.79

(c) The total cost to SBBC for the services over the three (3) year initial term of this Agreement is not to exceed amount specified above in Section 2.4(a) and (b), or Six Million Dollars and 00/100 Cents ($6,000,000.00), whichever is greater, unless SBBC, in its sole discretion, agrees to amend that cost for Covered Services under this Agreement through a written amendment that is approved by both parties.

2.17 Affidavit Regarding the Use of Coercion for Labor and Services. Pursuant to Section 787.06(13), Florida Statutes, when a contract is executed, renewed, or extended between a nongovernmental entity and SBBC, the nongovernmental entity must provide SBBC entity with an affidavit signed by an officer or a representative of the nongovernmental entity under penalty of perjury attesting that the nongovernmental entity does not use coercion for labor or services as defined in Section 787.05(13), Florida Statutes. The nongovernmental entity shall attach hereto as **Exhibit 1** an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury stating that the nongovernmental entity does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject the nongovernmental entity to civil penalties, attorney's fees, and/or costs. Any agreement with SBBC shall be terminated by SBBC without recourse if the nongovernmental entity is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with the nongovernmental entity's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.27 **Incorporation by Reference**. **Attachments A and B** attached to the Agreement and referenced therein and **Exhibits 1 and 2** attached hereto and referenced herein are incorporated into the Agreement by reference.

(d) The following new provision is added to the Agreement as Section 2.28 – "Foreign Country of Concern Attestation Form", by interlineation, as follows:

2.28 – **Foreign Country of Concern Attestation.** Non-governmental entities receiving an award under this Agreement will receive access to personal identifying information for purposes of Sections 287.138 and 501.17(g)1, Florida Statutes. Rule 60A-1.020, Florida Administrative Code, adopted Form PUR 1355, "Foreign Country of Concern Attestation Form" (the "Form") to be completed by all the nongovernmental entities that would access personal identifying information. The Form is attached hereto as **Exhibit 2** and must be executed by the non-governmental entity and be submitted with the non-governmental entity's executed agreement or an amendment renewing or extending an agreement. A proposed agreement or amendment submitted by a non-governmental entity without a fully executed "Foreign Country of Concern Attestation Form" will be rejected pursuant to Section 287.138(4)(a), Florida Statutes, and will not be considered for award.

1.04 **Order of Precedence among Agreement Documents**. In the event of conflict between the provisions of the Agreement and the provisions contained herein, the provisions of the following documents take precedence in this order:

a) this First Amendment to Agreement; then
b) the Agreement.

1.05 **Other Provisions Remain in Force.** Except as expressly provided herein, all other portions of the Agreement remain in full force and effect.

Docusign Envelope ID: 7B732668-4DCE-8707-83B4-D7000B79F54A

1.06 **Authority**. Each person signing this First Amendment to Agreement on behalf of either party individually warrants that he or she has full legal power to execute this First Amendment to Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this First Amendment to Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this First Amendment to Agreement on the Effective Date.

Exhibit 1
Affidavit Attesting to Noncoercive Conduct for Labor or Services

As a nongovernmental entity executing, renewing, or extending a contract with The School Board of Broward County, Florida ("SBBC"), the nongovernmental entity ("Entity") is required to provide an affidavit under penalty of perjury attesting that Entity does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes. As defined in Section 787.06(2)(a), Florida Statutes, coercion means: 1. Using or threatening to use physical force against any person; 2. Restraining, isolating, or confining or threatening to restrain, isolate, or confine any person without lawful authority and against her or his will; 3. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt, the length and nature of the labor or service are not respectively limited and defined; 4. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person; 5. Causing or threatening to cause financial harm to any person; 6. Enticing or luring any person by fraud or deceit; or 7. Providing a controlled substance as outlined in Schedule I or Schedule II of Section 893.03, Florida Statutes, to any person for the purpose of exploitation of that person.

Under penalties of perjury and as a person authorized to sign on behalf of the Entity, I declare that I have read the foregoing statement; that the facts stated in it are true; and that the Entity does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes.

Name of Entity: Broward Behavioral Health Coalition, Inc.

Entity's Address: 3521 West Broward Boulevard, Suite 206, Lauderhill, Florida 33312

EXHIBIT 2
FOREIGN COUNTRY OF CONCERN ATTESTATION
(REVISED FORM PUR 1355)

This form must be completed by an officer or representative of a nongovernmental entity ("Entity") submitting a bid, proposal, or reply to, or entering into, renewing, or extending, a contract with a The School Board of Broward County, Florida ("SBBC") which would grant the entity access to an individual's Personal Identifying Information. Capitalized terms used herein have the definitions ascribed in Rule 60A-1.020, F.A.C. The Entity is not owned by the government of a Foreign Country of Concern, is not organized under the laws of nor has its Principal Place of Business in a Foreign Country of Concern, and the government of a Foreign Country of Concern does not have a Controlling Interest in the Entity.

Under penalties of perjury and as a person authorized to sign on behalf of the Entity, I declare that I have read the foregoing statement; and that the facts stated in it are true.

EXECUTIVE SUMMARY

State Funded Mental Health Assistance Allocation Plan

Board Meeting Date: July 28, 2026

Requested Action: Approve the State funded Mental Health Assistance Allocation (MHAA) Plan for the 2026-2027 school year in preparation for submission to the Florida Department of Education (FLDOE) by August 1, 2026.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not applicable
Statutory Requirement	• Section 1006.041, F.S. • Section 1011.62(13), F.S.
If the School Board votes "Yes"	• The District will receive $14,224,694 from the FLDOE to continue funding positions and services using the State-allocated MHAA funds. These funds are used to support the mental health needs of students and families of Broward County Public Schools.
If the School Board votes "No"	• The positions and services currently funded with FLDOE's MHAA funds, that benefit the District's students and families, will not be able to continue without a new funding source.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 5: Wellness Support
Measurable Outcome(s)/Return on Investment	• All students needing mental health support will be referred to a school-based or community-based mental health service provider and assessed within 15 calendar days of referral. Additionally, school-based mental health services will be initiated within 30 calendar days of referral.

Background/History

The Florida Legislature established the MHAA in 2018, following the enactment of the Marjory Stoneman Douglas High School Public Safety Act. The FLDOE began rolling out this funding to school districts during the 2018-2019 school year to establish and expand school-based mental health care, train educators and other school staff to detect and respond to mental health issues, and connect children, youth and families who may experience behavioral health issues with appropriate services (Sections 1011.62(13) and 1006.041, F.S.).

The District's comprehensive plan for providing mental health services to students, families, and employees is supported through various initiatives, programs, and funding sources. The MHAA State funding focuses solely on the assurances under F.S. 1011.62(13).

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	N/A
Multi-Year Agreement:	N/A
Procurement Method:	**Piggyback Agreement** (Yes/No): N/A **Acquisition Method**: N/A

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. The District will receive State funding in the amount of $14,224,694.
2. The allocation to support students in District schools is projected to be approximately $12,065,670.
3. The allocation to support students in Charter Schools within the District is approximately $2,159,024.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
FY27	12 months	General Fund	14,224,694	Y

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	MHAA funding supports school-based mental health services, behavioral health interventions, suicide prevention initiatives, and staff training to improve early identification of student mental health needs and access to appropriate supports.
School Selection /Prioritization	Funding is allocated District-wide in accordance with statutory requirements and identified student needs. Resources and staffing are prioritized to ensure students have access to mental health supports across all schools.
Community/ Stakeholder Engagement	The District collaborates with students, families, school-based staff, community mental health providers, and community agencies to support a coordinated system of care and improve access to behavioral health services.
End-User Input	MHAA-funded supports are designed to address identified student, family, and staff needs through data-informed decision-making, stakeholder engagement, and ongoing evaluation of mental health services and program outcomes.
Technology/Capital Expected Lifecycle/Replacement Cycle	MHAA funds are utilized to support technology and equipment necessary for the delivery of school-based mental health services. Equipment is maintained and replaced in accordance with District technology and asset management guidelines.

Table of Contents

I. Introduction 1

II. MHAA Plan 2

A. MHAA Plan Assurances 2

B. LEA Program Implementation 6

C. MHAA Planned Funds and Expenditures 16

D. LEA School Board Approval 17

I. Introduction

Plan Purpose

The Mental Health Assistance Allocation (MHAA) is created to provide funding to assist local education agencies (LEA) in implementing their school-based mental health assistance program pursuant to section (s.) 1006.041, Florida Statutes (F.S.).

Each LEA must implement a school-based mental health assistance program that includes training classroom teachers and other school staff to detect and respond to mental health concerns and connect children, youth and families experiencing behavioral health needs with appropriate services. The program must also implement a multi-tiered system of supports to expand access to evidence-based mental health services, including assessment, diagnosis, intervention, treatment and recovery, for students with mental health or co-occurring substance use needs and those at high risk.

These funds are allocated annually in the General Appropriations Act to each eligible LEA.

Each LEA shall receive a minimum of $100,000, with the remaining balance allocated based on each school district's proportionate share of the state's total unweighted full-time equivalent student enrollment

Charter schools that submit a plan separate from the LEA are entitled to a proportionate share of LEA funding. A charter school plan must comply with all of the provisions of this section, must be approved by the charter school's governing body, and must be provided to the charter school's sponsor. *(Section [s.] 1006.041, Florida Statutes [F.S.])*

Submission Process and Deadline

The application must be submitted to the Florida Department of Education (FDOE) by **August 1, 2026.**

There are two submission options for charter schools:

- Option 1: District submission includes charter schools in their application.
- Option 2: Charter school(s) submit a separate application from the district.

II. MHAA Plan

A. MHAA Plan Assurances

1. LEA Assurances

One hundred percent of state funds are used to establish or expand school-based mental health care; train educators and other school staff in detecting and responding to mental health issues; and connect children, youth and families with appropriate behavioral health services.

Other sources of funding will be maximized to provide school-based mental health services (e.g., Medicaid reimbursement, third-party payments and grants).

Collaboration with FDOE to disseminate mental health information and resources to students and families.

A system is included for tracking the number of students at high risk for mental health or co-occurring substance use disorders who received:

- targeted mental health screenings or assessments;
- the number of students referred to school-based mental health services providers;
- the number of referrals made to school-based mental health services providers;
- the number of students referred to community-based mental health services providers;
- the number of referrals made to community-based mental health services providers;
- the number of students who received school-based interventions, services or assistance;
- and the number of students who received community-based interventions, services or assistance.

MHAA Plans for charter schools that opt out of the LEA MHAA plan have been reviewed by the LEA charter school sponsor.

Curriculum and materials purchased using MHAA funds have reviewed by the LEA and all content is in compliance with State Board of Education Rules and Florida Statutes.

The MHAA Plan is focused on a multi-tiered system of supports to deliver evidence-based mental health care assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and to students at high risk of such diagnoses. Section 1006.041, F.S.

2. LEA School Board Policies and Procedures

Students referred to a school-based or community-based mental health services provider for mental health screening for the identification of mental health concerns and students at risk for mental health disorders are assessed within 15 calendar days of referral.

School-based mental health services are initiated within 15 calendar days of identification and assessment.

Community-based mental health services are initiated within 30 calendar days of referral.

Parents of students receiving services are provided information about other behavioral health services available through the student's school or local community-based behavioral health services providers.

Individuals living in a household with a student receiving services are provided information about behavioral health services through other delivery systems for which such individuals may qualify if such services appear to be needed or enhancements in those individuals' behavioral health would contribute to the improved well-being of the student.

LEA-adopted assessment procedures, at a minimum, include the use of a Department-approved functional assessment tool as required in Rule 6A-4.0013, Florida Administrative Code (F.A.C.) (effective February 24, 2026).

LEA schools and local mobile response teams use the same suicide screening instrument approved by FDOE pursuant to s. 1012.583, F.S., and Rule 6A-4.0010, F.A.C.

Procedures to assist a mental health services provider or a behavioral health provider as described in s. 1006.041, F.S., respectively, or a school resource officer or school safety officer who has completed mental health crisis intervention training in attempting to verbally de-escalate a student's crisis situation before initiating an involuntary examination pursuant to s. 394.463, F.S.

Procedures include strategies to de-escalate a crisis situation for a student with a developmental disability as that term is defined in s. 393.063, F.S.

The requirement that in a student crisis situation, the school or law enforcement personnel must make a reasonable attempt to contact a mental health professional who may initiate an involuntary examination pursuant to s. 394.463, F.S., unless the child poses an imminent danger to self or others before initiating an involuntary examination pursuant to s. 394.463, F.S. Such contact may be in person or using telehealth, as defined in s. 456.47, F.S. The mental health professional may be available to the LEA either by contracts or interagency agreements with the managing entity, one or more local community behavioral health providers, the local mobile response team or be a direct or contracted LEA employee. Note: All initiated involuntary examinations located on school grounds, on school transportation or at a school-sponsored activity must be documented in the Involuntary Examinations and Restraint and Seclusion (IERS) platform.

B. LEA Program Implementation

1. MHAA-Funded Evidence-Based Program (EBP)

#1

Evidence-Based Program (EBP)
Youth Mental Health First Aid

Identify the source of the evidence-based program chosen.

If there are multiple sources, please select only one.
Other: National Council For Mental Wellbeing https://www.mentalhealthfirstaid.org/populationfocused-modules/youth/

Tier(s) of Implementation
Tier 1

Describe the key EBP components that will be implemented.

Youth Mental Health First Aid (YMHFA) is a comprehensive training program based on empirical evidence, designed to equip school personnel with the essential knowledge and skills necessary to recognize when a student is in distress and to provide appropriate assistance. This training imparts participants with specific, context-relevant competencies to evaluate a mental health crisis, deliver initial support, and facilitate connections to professional, peer, and social resources, as well as self-help options. By applying the strategies learned, participants can adeptly manage student behaviors, whether in individual or group contexts.

Early Identification
Explain how your program strategies will reduce the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

The course employs the Youth Mental Health First Aid (YMHFA) curriculum to equip all school-based personnel who work directly with students, identified through state job codes, with essential skills for early identification of mental health disorders. The YMHFA coordinator will oversee the notification of training needs to staff members, their administrators, and directors. Utilizing scenarios, interactive exercises, and a comprehensive five-step action plan, participants will cultivate specific competencies required to recognize early indicators of mental health concerns in students, which may potentially escalate into a crisis, and assist the youth in getting the needed help. Furthermore, this training will equip staff to implement universal prevention strategies designed to foster a positive school climate and integrate social-emotional learning activities, thereby providing preventative factors for at-risk students developing social, emotional, or behavioral problems, depression, anxiety disorders, or suicidal tendencies. Staff will be trained to identify and support vulnerable students proactively before their challenges escalate. For students dealing with trauma and violence, the YMHFA training will

educate staff on recognizing potential indicators and, importantly, on the designated mental health support personnel available on their campus, such as school counselors, family therapists, and school social workers, whom they should contact for assistance. The school district ensures that mental health professionals are available in every school to provide specialized support. In addition to recognizing signs and symptoms, the training includes a dedicated section on suicide prevention, which provides for recognizing suicidal thinking and behaviors and guidelines for effective intervention.

High Risk Students
Explain how the multitiered system of supports will deliver evidence-based mental health assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

Evidence-Based Program (EBP)
Inner Explorer

Identify the source of the evidence-based program chosen.

If there are multiple sources, please select only one.
Other: https://innerexplorer.com/

Tier(s) of Implementation
Tier 1

Describe the key EBP components that will be implemented.

Inner Explorer is a mindfulness platform that is scalable and easy to implement. Staff and families can join students in a daily 5–10-minute audio-guided mindfulness practice, which promotes well-being for the entire community. We offer age-appropriate practices for elementary, middle, and high school in English and Spanish, plus additional series, such as the Educator Well-Being Series and the Counselor Series.

Early Identification
Explain how your program strategies will reduce the likelihood of at-risk students developing social emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

The daily mindfulness builds foundational skills in self-regulation, focus, and emotional awareness, which strengthen students' ability to manage stress and regulate emotions, reducing risk factors

associated with anxiety, depression, and behavioral concerns. The program creates a predictable, calming structure that supports students exposed to trauma and violence by promoting emotional stability and a sense of safety. It enhances resilience and coping skills, allowing students to respond more effectively to challenges and adverse experiences.

High Risk Students

Explain how the multitiered system of supports will deliver evidence-based mental health assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

The District's multitiered system of supports (MTSS) provides a continuum of evidence-based mental health services, including screening, assessment, intervention, and recovery supports for students with identified or emerging needs. Through school-based teams and partnerships with community behavioral health providers, students receive services such as counseling, psychological evaluations, trauma-informed care, and crisis intervention across school, community, and virtual settings. Timely referral processes ensure rapid access to services. This coordinated approach delivers individualized supports that address mental health and co-occurring substance use needs while promoting stabilization and recovery.

#3

Evidence-Based Program (EBP)

Terrace Metrics

Identify the source of the evidence-based program chosen.

If there are multiple sources, please select only one.

Other: https://terracemetrics.org/

Tier(s) of Implementation

Tier 1, Tier 2, Tier 3

Describe the key EBP components that will be implemented.

Terrace Metrics is an innovative system that combines science-based assessments with practical, strength-driven resources to empower students, educators, and professionals alike. Whether it's building resilience in the classroom, supporting district-wide mental health efforts, or enhancing employee engagement and performance, Terrace Metrics delivers real-time, actionable insights that lead to measurable growth. Terrace Metrics: Smarter minds. Healthier people. Better outcomes.

Early Identification

Explain how your program strategies will reduce the likelihood of at-risk students developing social

emotional or behavioral problems, depression, anxiety disorders or suicidal tendencies, and how these will assist students dealing with trauma and violence.

Resilience is what helps students and schools adapt, respond, and keep moving forward when challenges arise. Research shows that resilience is one of the strongest predictors of academic and personal outcomes, and school health. Terrace Metrics works with schools nationwide to strengthen student resiliency and create systems that respond early, learn continuously, and improve outcomes. Built on the MTSS, Response to Intervention, and continuous improvement frameworks, the Terrace Metrics system brings schools, families, and communities together to identify needs early, track progress across tiers, and adjust supports so every student gets what they need to succeed.

High Risk Students

Explain how the multitiered system of supports will deliver evidence-based mental health assessment, diagnosis, intervention, treatment and recovery services to students with one or more mental health or co-occurring substance abuse diagnoses and students at high risk of such diagnoses.

Terrace Metrics brings its expertise in screening, progress monitoring, and improvement planning together in one easy-to-use system. It is the only system that delivers immediate results to the right school teams and connects those results directly to curricula aligned across all MTSS tiers—so teams know exactly what to do next. Comprehensive training and workshops are included to ensure the curricula are implemented with confidence and consistency.

2. Additional Programs (optional)

#1

Program Name
Riding the Waves

Tier(s) of Implementation
Tier 1

Program Description
Provide a brief description of the program and its purpose.

Riding the Waves is a prevention curriculum developmentally appropriate for 5th grade students. Lessons target identifying and coping with stress for elementary school. Lessons address healthy emotional development, depression, and anxiety. This curriculum's overarching goal is to build emotional skills within children to prevent suicide at its earliest stages.

#2

Program Name
Look Listen Link.

Tier(s) of Implementation
Tier 1

Program Description
Provide a brief description of the program and its purpose.

LOOK LISTEN LINK is an evaluated, classroom-based prevention curriculum geared for students in 6th, 7th, and 8th grades. It aims to teach students not only facts about stress, anxiety, depression, and suicide prevention, but also practical life skills to help a friend who may be struggling with these issues.

#3

Program Name
H.E.L.P. (Help Every Living Person)

Tier(s) of Implementation
Tier 1

Program Description
Provide a brief description of the program and its purpose.

H.E.L.P. (Helping Every Living Person) is an evaluated classroom suicide prevention curriculum for students in 9th, 10th, and 11th grades. Topics include stress and healthy coping skills, depression

and impact on teens' lives, causes and warning signs of suicide, and skills to intervene with a friend who may be considering suicide.

#4

Program Name
GCSCORED-RUMMERTIME

Tier(s) of Implementation
Tier 2, Tier 3

Program Description
Provide a brief description of the program and its purpose.

RUMERTIME® is a five-step culturally responsive, social-emotional problem-solving strategy that supports individuals in their journey from a place of intrapersonal and interpersonal imbalance to a place of intrapersonal and interpersonal balance, and from unconscious living to conscious living.

#5

Program Name
WhyTry

Tier(s) of Implementation
Tier 2, Tier 3

Program Description
Provide a brief description of the program and its purpose.

WhyTry is an evidence-based social and emotional learning (SEL) program. Sessions focus on teaching important life skills: decisions have consequences, dealing with peer pressure, obeying laws and rules, and plugging into a support system.

#6

Program Name
Lauren's Kids: Safer Smarter Kids!

Tier(s) of Implementation
Tier 1

Program Description
Provide a brief description of the program and its purpose.

The Lauren's Kids ***Safer, Smarter Schools*** curriculum is a Pre-Kindergarten through 12th Grade personal safety and abuse prevention program developed by Lauren's Kids, lifelong educators, sexual violence prevention experts, and developmental psychologists, with support and oversight

from the Florida Department of Education and the University of Florida. Engaging videos and in-class activities enable all children to effectively learn critical safety strategies, no matter their learning style. A step-by-step facilitator's guide, in person and online training, and parent letters are also components of this program. This is a curriculum that meets the state's required instruction. The Foundation's ***Safer, Smarter Schools*** curriculum is currently used in classrooms in 40 states.

#7

Program Name
Cognitive Behavioral Therapy

Tier(s) of Implementation
Tier 2, Tier 3

Program Description
Provide a brief description of the program and its purpose.

Cognitive Behavioral Therapy, or CBT, is a short-term therapy technique that can help people find new ways to behave by changing their thought patterns. Engaging with CBT can help people reduce stress, cope with complicated relationships, deal with grief, and face many other common life challenges.

3. Policy, Roles, and Responsibilities

Direct Employment

Explain how direct employment of school-based mental health services providers (school psychologists, school social workers, school counselors and other licensed mental health professionals) will reduce staff-to-student ratios.

Employment of school-based mental health service providers, such as school social workers, school counselors, and other licensed mental health professionals, reduces staff-to-student ratios and improves the mental health support available to students by increasing service availability, providing dedicated support to meet students' specific needs, and reducing caseloads. By directly employing school-based mental health services providers, schools can create a more supportive and responsive environment for students, leading to better mental health outcomes.
Mental health staff, including school counselors, school social workers, school psychologists, and family therapists, provide individual counseling, group counseling, classroom lessons, and consultation services to ensure students' mental health needs are met. District staff also provide crisis intervention and counseling sessions to students and families at school wellness centers.

Policies and Procedures

Describe your LEA’s established policies and procedures to increase the amount of time student services personnel spend providing direct mental health services (e.g., review and revision of staffing allocations based on school or student mental health assistance needs.

The District increases the time student services personnel spend providing direct services to students by aligning job descriptions and professional learning with state standards. This alignment and training ensure that mental health professionals focus their efforts on supporting the mental health of students through standards-based implementation.

Providers and Partners

Describe the role of school-based mental health providers and community-based partners in the implementation of your evidence-based mental health program.

Referrals are made to school-based and community-based partners who are trained in various EBPs and provide assessments and intervention. Through a contract with our managing entity, referrals can be made for students with severe mental health conditions and those with dual diagnoses. Many of our community providers are trained in CBT.
Through implementing evidence-based curricula, staff provide instruction and support to assist students with developing self-awareness, self-management, resiliency, relationship skills, responsible

decision-making, along with mindfulness, stress reduction, and emotional regulation strategies.
School-based mental health providers, including school social workers, school counselors, and other licensed mental health professionals, are directly employed by the District to provide a range of mental health services. These professionals are responsible for delivering evidence-based interventions, such as Cognitive Behavioral Therapy (CBT), to students who need support. They play a key role in the early identification of social, emotional, and behavioral problems by administering assessments and screenings to identify students at risk of developing mental health issues, such as depression, anxiety disorders, or substance use disorders.
In addition to early identification, school-based mental health providers are trained to handle crisis situations, providing immediate support and intervention to students dealing with trauma, violence, or other critical issues. They are also involved in delivering suicide prevention programs and other Tier 1 interventions. To ensure they remain effective in their roles, these professionals participate in continuous professional development to stay updated on best practices and new evidence-based strategies. This includes on-demand, video-based professional learning modules covering topics like trauma, mental health, and mindfulness.

4. Community Contracts/Interagency Agreements

Community Contracts/Interagency Agreements
List the contracts or interagency agreements with local behavioral health providers or Community Action Team (CAT) services and specify the type of behavioral health services being provided on or off the school campus.

Health Provider: Broward Behavioral Health Coalition and network providers.

Services Provided: Contract with Broward's managing entity to provide assessment, outpatient individual and group sessions, case management, medical services; in-home and at the various provider locations.

5. Employment Verification

EXECUTIVE SUMMARY

Performance Audit Report - Payroll, Overtime, and Overpayment Audit Qtr. 3 FY2025

Board Meeting Date: July 28, 2026

Requested Action: Receive Performance Audit Report on the Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Policy 1700 Office of the Chief Auditor
Statutory Requirement	• Fla. Stat. §1001.42(12)(l) Powers and Duties of District School Board, requires the district school board to establish an internal audit function that reports directly to the Board and evaluates internal controls, financial accountability, and compliance within the school system.
If the School Board votes "Yes"	• The School Board would receive the audit report on the Payroll, Overtime, and Overpayment Audit – Q3 FY2025 directly from the internal auditor in accordance with Florida Statute and SBBC policy.
If the School Board votes "No"	• If the School Board does not accept the audit report, it may undermine statutory oversight expectations, including the requirement that the internal auditor report directly to the Board.
Alignment to the 2027 Strategic Goals and Guardrails	• Guardrail 4 - Accountability
Measurable Outcome(s)/Return on Investment	• Continued improvement of internal control effectiveness and strengthened compliance with regulatory requirements and School Board policies and procedures.

Background/History
HCT Certified Public Accountants & Consultants, LLC conducted a performance audit to evaluate payroll, overtime, and overpayment processes for the period **January 1 – March 31, 2025**, using a sample of **100 transactions**.

The audit found that, although payroll operations function within established processes, the district's **decentralized environment** presents challenges related to documentation, consistency, and internal control enforcement at both the school and District levels.

The report identified **seven (7) audit findings** related to controls, documentation, and payroll accuracy, **and six (6) observations** that highlight process inconsistencies.

Staff did not consistently maintain sufficient support for payroll transactions, including overtime and supplemental pay, and payroll approvals often lacked clearly identifiable approvers, limiting accountability. The audit also found inconsistencies in payroll processing, including minor calculation variances and a high reliance on retroactive adjustments, with 19% of sampled employees affected due to delayed time entry and approvals. Additionally, staff did not consistently follow overtime pre-approval requirements or maintain adequate justification for additional compensation.

Summary of Audit Findings

#	Finding	Responsibility	Management Response
F-01	Lack of identifiable approval on payroll reports	Payroll	Agrees – will add name/title fields
F-02	Variances in referendum pay (by gross salary)	HR	Disagrees – based on start-of-year salary
F-03	Variances in referendum pay (by years of experience)	HR	Disagrees – data provided was incomplete
F-04	Retroactive pay from timekeeping / approval delays	Payroll	Agrees – Will issue reminders & monitor by location
F-05	Outdated compensation agreement (turnaround supplement)	HR	Agrees – stipends now end annually
F-06	No documented basis for supplement computation	HR	Partly Agrees – 4 National Board payments in error
F-07	Lack of supporting documentation for transactions	Payroll	Agrees – Considering centralization of payroll

While the issues identified are primarily administrative and governance-related, they represent control weaknesses that, if unaddressed, may increase exposure to errors, overpayments, and potential fraud, waste, and abuse. Overall, BCPS must strengthen payroll governance, documentation standards, and control processes to improve the accuracy, reliability, and integrity of payroll operations across the district.

Management has begun corrective actions, including improving approval documentation, reinforcing deadlines, and moving toward centralizing payroll operations.

The Audit Committee reviewed and approved the transmission of this report to the School Board at the June 18, 2026, Audit Committee meeting.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	N/A
Multi-Year Agreement:	N/A
Procurement Method:	**Piggyback Agreement** (Yes/No): N/A **Acquisition Method**: N/A

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:
There is no financial impact to the District. This report is funded through the General fund allocation of the Office of the Chief Auditor and included in the adopted FY26 budget.

New / Current Requested Agreement Authority

Agreement Authority Terms	Length of Agreement Terms	Total Agreement Amount
N/A	N/A	N/A

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
N/A	N/A	N/A	N/A	N/A

Future Fiscal Year Budget Authority *(Subject to Board Budget Approval)*

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
N/A	N/A	N/A	N/A

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	This audit report supports the School Board's oversight of compliance with regulatory requirements and School Board policies and procedures across all schools.
School Selection /Prioritization	This audit report is districtwide in nature and does not involve the selection or prioritization of individual schools.
Community/ Stakeholder Engagement	N/A
End-User Input	N/A
Technology/Capital Expected Lifecycle/Replacement Cycle	N/A

Independent Accountant's Performance Audit Report

To: Members of the School Board of
Broward County, Florida

We have performed the procedures enumerated below, which were agreed to by the School Board of Broward County, Florida ("BCPS"), solely to assist in evaluating payroll, overtime, and overpayment audit of the Third Quarter of 2025 (the "Payroll Audit Project"). BCPS is responsible for the design, implementation, and oversight of the internal controls related to payroll processing, as well as compliance with applicable federal and state laws, regulations, and District policies.

This performance audit was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants (AICPA). The procedures performed were designed to address the specified objectives of the engagement and do not constitute an examination or review engagement and, accordingly we do not express an opinion or conclusion.

Our procedures included evaluating payroll transactions, overtime expenditures, and compensation – related payments on a sample basis; assessing the adequacy of supporting documentation; identifying control deficiencies; and reviewing compliance with applicable policies, agreement and regulatory requirements.

The sufficiency of these procedures is solely the responsibility of BCPS. Consequently, we make no representation regarding the completeness or adequacy of the procedures described herein for any purpose other than these specified policies , agreement and regulatory requirements by BCPS.

Had we performed additional procedures, other matters might have come to our attention that would have been reported.

The procedures performed and the related findings and observation are described on pages 14 through 23 of this report.

This report is intended solely for the information and the use of the Broward County and BCPS management and is not intended to be, and should not be, used by anyone other than these specified parties.

Miami Phone (305) 331-8768
Hollywood Phone (954) 966-4435

PROJECT STATUS AT A GLANCE

The HCT audit team conducted testing based on a sample of 100 payroll transactions for the Third Quarter of 2025. The audit identified multiple control deficiencies, documentation gaps, and inconsistencies in payroll processing across the District.

Key Observations

1. **Lack of Identifiable Approval Documentation**
   Approval documents frequently contained signatures or initials without printed names or titles, limiting the ability to verify proper authorization.
2. **Insufficient Documentation for Regular Working Hours - Secondary**
   Supporting documentation for regular hours - secondary worked was often incomplete or unavailable, particularly for non- teacher employees, restricting verification of time worked.
3. **Missing or Incomplete Documentation for Supplements**
   Supporting documentation for supplements and additional compensation was inconsistent and frequently insufficient to validate payments.

Additional Areas of Concern

Audit procedures also identified the following:

- Weak controls over overtime approvals and supporting documentation
- Inconsistent application of overtime pre-approval requirements
- Limited documentation supporting weekend work and overtime justification
- Inconsistencies in secondary position rates and supporting agreements
- Lack of clarity and documentation for supplemental pay categories
- Payments processed without sufficient verification of work performed
- Missing or incomplete retroactive data.

Control and Process Gaps

The audit noted broader systematic issues, including:

- Decentralized payroll processing across multiple locations
- Gaps in internal controls, including segregation of duties concerns
- Limited ability to consistently verify payroll transactions across systems
- Reliance on incomplete or inconsistent documentation

Data and Documentation Limitations

The audit team relied on SAP transaction date, payroll reports, and supplemental documentation provided be the Payroll Department. In several, instances, additional data had to be requested to address missing or incomplete records.

Summary

Overall, the audit identified significant opportunities to strengthen payroll controls, improve documentation standard, and enhance oversight of payroll and overtime expenditures across the district.

BACKGROUND:

Project Overview

Broward County Public Schools ("BCPS" or "the district") operates a complex payroll environment supporting a large and diverse workforce across multiple departments, locations, and employee classifications. Payroll operations include regular wages, overtime, supplements, stipends, retroactive adjustments, and other compensation elements governed by collective bargaining agreements, District policies, and applicable federal and state regulations.

Due to the decentralized nature of payroll processing and the volume and variability of compensation structures, the payroll function presents increased risk related to data accuracy, documentation, internal controls, and compliance. Effective oversight requires consistent documentation, strong internal controls, and reliable system integration to ensure that payroll transactions are accurate, authorized, and properly supported.

Scope of Work

We performed a performance audit of payroll, overtime, and overpayment activities for the Third Quarter of 2025, covering the period from January 1st, 2025 through March 31st, 2025.

Our procedures included examining, on a sample basis, payroll payments and overtime expenditures, including:

- Primary, secondary, and OTP/OTS payments
- Double- time payments
- Overlapping time entries (e.g., SCK, VAC, SLO, TDA)
- Large one- time payments
- Retroactive payroll adjustments

Additional procedures performed included:

- Cross- checking employees date for duplicate or ghost employees and anomalies
- Identifying segregation of duties control deficiencies
- Reviewing weekend and holiday payments
- Identifying payments exceeding 16 hours in a single day
- Reviewing supplements and one-time payments outside of standard compensation structures

Prior Audit Follow-Up

We reviewed the results of a prior desktop audit, which included nine recommendations. The prior audit identified opportunities to reduce overtime expenditures, enhance payroll reporting and remuneration statements, and improve overall processes, particularly in response to budget constraints.

Data Sources and Documentation

We evaluated and relied upon the following reports and supporting documentation:

- Employee Remuneration Statements
- ZTIM Reports
- ZEARNINGS Reports
- SAP CADO Reports
- Retroactive Payroll Remuneration Statements
- Payroll reports summarizing overtime expenditures
- Salary schedules (primary and secondary)
- PAY-79 Overtime Reports
- SAP-PA20 Overviews and Basic Pay Reports

We also reviewed source documentation including collective bargaining agreements, invoices, payment records, Board agenda materials, email communications, system demonstrations, and interviews with BCPS personnel. Documentation was used to validate payroll transactions and confirm audit activities.

Methodology and Approach

This engagement was conducted in accordance with Government Auditing Standards (GAGAS) and attestation standards established by the American Institute of Certified Public Accountants (AICPA).

We applied commonly used auditing techniques, including data analysis, sampling, recalculations, and walkthrough procedures, to evaluate payroll transactions and identify findings, observations, and areas of noncompliance with District policies and applicable regulations.

The procedures performed were limited to those agreed upon by the School Board of Broward County and did not constitute an examination or audit. Accordingly, no opinion or conclusion is expressed

Use of Systems and Testing Procedures

We performed detailed walkthroughs using SAP transactions (including PA20 and PUOC_10) to review:

- Employee position history
- Work schedules
- Hourly rates
- Recurring payments
- Payroll transactions

These procedures enabled verification of employee compensation and validation of payroll entries.

Professional Standards and Independence

We confirm that all personnel involved in this engagement-maintained independence and objectivity in accordance with applicable professional standards. Fees for this engagement were based on professional time expended and were not contingent upon the results of the audit.

Firm Qualifications

HCT Certified Public Accountants & Consultants, LLC maintains an active license in the State of Florida and is in good standing with the Florida Board of Accountancy. HCT meets independence standards under generally accepted auditing standards and is a member of the AICPA Governmental Audit Quality Center.

All assigned audit personnel have met the Continuing Professional Education (CPE) requirements for governmental auditing in accordance with Florida Statute 473.312 and Government Auditing Standards.

Key Personnel

Roderick Harvey, CPA, CVA
Mr. Harvey has over 30 years of experience in public accounting, specializing in governmental and nonprofit entities, including management consulting, auditing, and attestation services. He has worked with over 170 municipalities, authorities, and districts.

HCT Audit Team

The HCT audit team collectively brings over 110 years of experience in internal controls, operational audits, and governmental auditing.

PERFORMANCE AUDIT OBJECTIVES

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025 ("Payroll Audit") from January 1, 2025, to March 31, 2025.

The purpose of this performance audit was to assess payroll, overtime, and overpayment processes and provide recommendations for operational improvements across the District. The audit focused on monitoring payroll activity, particularly overtime expenditures, to control costs and ensure employees are compensated accurately and timely in accordance with applicable federal and state laws, including the Fair Labor Standards Act (FLSA).

The objectives of the audit were to:

1. Determine whether payroll and timekeeping practices comply with established BCPS policies and procedures.
2. Recalculate employee wages and applicable withholdings on a sample basis.
3. Recalculate supplements and stipends paid to employees on a sample basis.
4. Assess the appropriateness of additional compensation, including supplements and stipends.
5. Recalculate overtime payments for the audit period on a sample basis.
6. Evaluate the appropriateness of overtime compensation and related payroll transactions.

AUDIT PROCEDURES PERFORMED

To achieve the above objectives, the following procedures were performed:

- Reviewed payroll expenditures for primary, secondary, and OTP/OTS payments
- Reviewed double-time payments
- Analyzed payroll reports for overlapping time entries (SCK, VAC, SLO, TDA, etc.)
- Reviewed large one-time payments and retroactive adjustments
- Scanned payroll reports for pay rate changes and anomalies
- Cross-checked employee data for duplicate or ghost employees
- Identified segregation of duties deficiencies
- Reviewed weekend and holiday payments
- Identification of payments exceeding 16 hours in a single day
- Reviewed supplements and one-time payments outside normal compensation
- Reviewed prior audit recommendations and their implementation status
- Evaluated payroll reports, SAP data, and supporting documentation
- Conducted interviews with selected BCPS personnel

PERFORMANCE AUDIT NARRATIVE

We commenced the performance audit by meeting with the Payroll Department and staff from the Office of the Chief Auditor (OCA) to obtain an understanding of Broward County Public Schools' (BCPS) payroll systems and processes.

A sample of 100 employees was selected to test wages, supplements, additional compensation, overtime, and payroll payments. To support the audit procedures, we requested and obtained the following documentation:

- 2025–2026 BCPS School Calendar
- BCPS forms supporting attendance and absences within the Time Management system
- Sample Employee Listing (dated February 19, 2026), which included:
    - Organizational unit classifications (school or department)
    - Position details and responsible organizational unit contacts
    - Primary hourly rate, base salary, and pay grade
    - Collective bargaining agreement designations for each employee
    - SAP screenshots, where applicable, for employees with changes in status (e.g., promotions, retirements, or salary adjustments during the audit period)
- Payroll Audit Records Request letters issued in December 2025
- Referendum source documentation outlining supplement criteria by employee group
- Supplement Guidelines (2025–2026), including degree supplement structures
- Bonus A+ documentation reflecting payment distributions submitted by locations and supporting amounts recorded in payroll reports

During the audit, it was determined that an understanding of employee classification structures was necessary. BCPS operates under seven (7) collective bargaining units and three (3) meet-and-confer groups, which govern compensation structures and payroll processes.

Collective Bargaining Agreements:

Broward Teachers Union (BTU)

- Education Professionals (BTU-EP)
- Education Support Professionals (BTU-ESP)
- Technical Support Professionals (BTU-TSP)

Federation of Public Employees (FOPE)

- Maintenance, Facilities Service, Transportation & Security (FOPE 4)
- Secretarial/Clerical (FOPE Clerical)
- Food Service (FOPE-FS)

Police Benevolent Association (PBA)

- Detectives

Meet and Confer Groups:

- Educational Support & Management Association of Broward, Inc. (ESMAB)
- Broward Principals & Assistants Association (BPAA)
- Confidential Office Personnel Association (COPA)

SUMMARY OF INTERVIEWS CONDUCTED:

Interview with BCPS Payroll Department Executive Team

We conducted an interview with the BCPS Payroll Department Executive Team on September 24, 2025, including Payroll Director, Auditor at OCA, and Senior Specialist in the Payroll Department. Staff from the Office of the Chief Auditor (OCA) was also in attendance. The purpose of the meeting was to obtain an overview of payroll processes, controls, and operational practices.

Through this discussion, we obtained an understanding of payroll processing timelines, key responsibilities across departments, and the flow of documentation between Human Resources, school locations, and other organizational units.

Key Topics Discussed

- **Payroll Process:**
  The payroll process is decentralized, with individual locations responsible for managing payroll activities. Payroll is processed on a biweekly cycle, utilizing the Kronos system for hourly employees. The process includes simulation runs, validation checks, and final processing prior to issuance.
- **Payroll Approval and Controls:**
  Management emphasized the importance of administrative review and approval prior to payroll finalization. It was noted that earlier approval timelines may improve accuracy and strengthen accountability.
- **Overpayment Handling:**
  Procedures for addressing overpayments include employee notification, structured repayment arrangements, and payroll deductions when necessary. Challenges were noted in recovering overpayments, particularly when employees separate from the District.
- **Audit and Documentation:**
  The importance of maintaining supporting documentation at the location level was emphasized. Strengthening documentation practices was identified as a key component of improving audit readiness and compliance.

Individuals Declining Participation:
No individuals declined to participate in the interview process

EFFECT OF KNOWN ERRORS TO THE DISTRICT:

To assess the potential district-wide impact of identified payroll discrepancies, we evaluated whether the error rate observed within the tested sample may indicate broader financial exposure across payroll transactions.

Extrapolation is an analytical method used to estimate the potential effect of identified errors across a larger population based on patterns observed within a tested sample. In the context of payroll, this method may be used to estimate the potential impact of overpayments, underpayments, overtime variances, and other compensation-related discrepancies.

While extrapolation provides insight into potential financial exposure and supports decision-making, the results are estimates and should not be interpreted as actual amounts. The reliability of such estimates depends on the consistency of identified error patterns, the representativeness of the sample, and whether underlying payroll conditions remain unchanged.

Based on audit testing, if a known error rate is identified within the sampled population, then that error rate can be extrapolated across the applicable Districtwide payroll population; the potential financial impact could approximate in the millions of dollars per quarter.

This estimate is presented solely to illustrate the potential magnitude of the issue and should not be interpreted as an actual identified loss.

The chart below is presented to assist the reader in understanding the potential district-wide effect of the identified error rate.

The above chart is presented to assist in understanding the potential district-wide impact of the identified error rate.

We present the above chart to assist with understanding the effect of our findings when reviewed at a district-wide level. The reader can estimate that the effect of the found error may have a financial impact at a district-wide level.

FINDINGS AND OBSERVATIONS

Performance Audit Findings

Finding #01: Lack of Identifiable Approval for Payroll Reports

Condition:
During testing of payroll transactions for Broward County Public Schools, it was noted that while payroll records generally contained signatures or initials indicating approval in most of the instances, the approving individual could not be clearly identified. The signatures/initials were not accompanied by printed names or titles. Only in a limited number of cases was it evident that the approval was obtained from an authorized individual (e.g., school principal).

Effect:
The absence of clearly identifiable approver information limits the ability to verify whether payroll reports were reviewed and approved by authorized personnel.

Cause:
This condition appears to be due to the lack of a standardized requirement or enforcement for including printed names and titles along with signatures/initials on payroll approval documentation.

Criteria:
PR-100 BCPS Business Practice Bulletin dated June 10, 2011, enumerates the sound internal control practices and standard payroll governance require that all payroll transactions be reviewed and approved by authorized personnel, with sufficient documentation to clearly identify the approver (e.g., name, title, and signature) to ensure accountability and auditability. Superintendent memo payroll practices and compliance 11.05.18 is also applicable.

Recommendation:
Management should implement and enforce a standardized payroll approval process requiring all approvers to include their printed name, title, and signature (or electronic equivalent) on payroll documentation.

Management Response provided by the BCPS Payroll Management: Payroll Department Director agrees with this finding. The district will revise the current payroll reports to include additional fields for the printed name, signature, and title of the approver.

Finding #02: Variances Identified in Referendum Pay Calculations based on gross salary

Condition:
During testing of supplement and referendum payments for Broward County Public Schools, HCT noted differences between the amounts recomputed and the amounts paid. The variances identified ranging from approximately $2 to $29 per month. A total of 22 instances of such differences were observed within the sample selected.

Effect:
These discrepancies indicate inconsistencies in payroll calculations. If systemic, such variances could accumulate over time and result in overpayments or underpayments, impacting payroll accuracy and employee compensation.

Cause:
The differences appear to be attributable to inconsistencies in calculation methodologies, such as timing of rate application, or system configuration variances.

Criteria:
Memorandum of Understandings between the School Board of Broward County and The Broward teaches union - Education Professionals (BTU - EP) ; The Broward teaches union - Education Support Professionals (BTU-ESP) ; The Broward teaches union - Technical Support Professionals (BTU - TSP) ; The Federation of Public Employees (FOPE) ; The Federation of Public Employees - Secretarial Clerical (FOPE - Secretarial Clerical) ; The Federation of Public Employees - Maintenance, Facilities, Transportation and Security (FOPE 4) ; Police Benevolent Association (PBA) and their Implementation matrix are applicable to this finding. Payroll processing should ensure accurate and consistent calculation of all compensation components, including supplements and referendum pay, in accordance with approved compensation agreements, salary schedules, and applicable policies.

Recommendation:
Management should review the calculation methodologies and system configurations used for computing supplements and referendum pay to ensure consistency and accuracy.

Management Response provided by the BCPS Human Resources Management: BCPS Human Resources (HR) does not agree with this finding. Referendum supplements for eligible non-instructional staff were calculated based on each employee's base salary at the start of the school year (August 2024). Pay raises that happened after these calculations were not used to update the supplement amounts. At that time, it was common practice not to revise referendum supplements for retroactive salary increases. This explains the differences noted in the audit report.

Finding #03: Variances in Referendum Pay Based on Years of Experience

Condition:
During testing of referendum-based compensation for Broward County Public Schools, HCT identified discrepancies between recomputed amounts and actual payments. These payments are based on employees' years of experience. The variances ranged from approximately $25 to $100 per month, with a total of 7 instances noted in the samples.

Effect:
These discrepancies may result in employees being overcompensated or undercompensated.

Cause:
The issue appears to stem from inaccurate or inconsistent application of years of experience within the payroll system, or potential gaps in updating employee experience data used to determine referendum pay.

Criteria:
Memorandum of Understandings between the School Board of Broward County and The Broward teaches union - Education Professionals (BTU - EP) ; The Broward teaches union - Education Support Professionals (BTU-ESP) ; The Broward teaches union - Technical Support Professionals (BTU - TSP) ; The Federation of Public Employees (FOPE) ; The Federation of Public Employees - Secretarial Clerical (FOPE - Secretarial Clerical) ; The Federation of Public Employees - Maintenance, Facilities, Transportation and Security (FOPE 4) ; Police Benevolent Association (PBA) and their Implementation matrix discuss that compensation based on years of experience should be calculated accurately and consistently in accordance with approved salary schedules, referendum agreements, and supporting employee data.

Recommendation:
Management should review and validate the employee experience data used in payroll calculations and ensure it is accurately maintained and updated within the system.

Management Response provided by the BCPS Human Resources Management: BCPS HR disagrees with the finding, noting that the data given to the auditor was incomplete. An August 12, 2024 email from the HR Information Systems Specialist highlighted issues with Infotype 33 Experience Years. Total teaching experience was calculated using the ZVERIFY report and relevant fields in Infotype 33. HR verified the years and provided screenshots, confirming they matched what the employee received.

Finding #04: Retroactive Pay Arising from Delays in Timekeeping and Approvals

Condition:
During testing of payroll transactions for Broward County Public Schools, HCT identified 8 instances where retroactive pay was processed due to delays related to missing time entries in prior pay periods and delayed submission of timesheets by employees. HCT noted that although no samples were specifically selected based on the "difference previous" pay component, 19 out of 100 sampled employees (19%) included payments related to this component in their pay-slips.

Effect:
Delayed processing of time entries results in retroactive payroll adjustments, which may increase the risk of payroll inaccuracies, reduce transparency in employee compensation, and create additional administrative burden. A high frequency of "difference previous" adjustments indicates recurring payroll corrections, which may suggest underlying inaccuracies in initial payroll processing. This increases the risk of errors in employee compensation, reduces payroll reliability, and may result in additional administrative effort to process adjustments.

Cause:
The condition appears to be due to non-adherence to established payroll timelines for timesheet submission and inconsistencies in initial payroll processing. Errors are potentially due to delayed or inaccurate time entries, late approvals, or system-related calculation issues requiring subsequent corrections.

Criteria:
PR-100 BCPS Business Practice Bulletin dated June 10, 2011, and the Superintendent memo, payroll practices and compliance 11.05.18 apply. Effective payroll controls require that all time entries be accurately recorded, submitted, and approved within established payroll deadlines to ensure timely and accurate compensation. Payroll processes should minimize the need for retroactive adjustments. The need for subsequent adjustments should be for exceptional cases.

Recommendation:
Management should reinforce compliance with timesheet submission and approval deadlines through clear communication and monitoring. Management should also analyze the root causes of "difference previous" and implement corrective measures to improve the accuracy of initial payroll processing.

Management Response provided by the BCPS Payroll Management: As outlined in PR100 – Payroll Business Practice Bulletin, all locations are required to process payroll data daily and ensure that all payroll documents, including timesheets and Certificates of Absence, are collected and entered within the applicable pay period in a timely manner. Management will implement the following corrective actions:

1. Issue written communication to all locations reminding them of payroll processing requirements.
2. Run reports to identify the locations with the highest number of retroactive payroll transactions.
3. Provide these statistics to the Area Superintendents for review and appropriate follow-up action.

Finding #05: Use of Outdated Compensation Agreement for Turnaround Supplement

Condition:
HCT noted that the supporting compensation agreement provided by the school was dated for FY 2018–19. The agreement outlines a three-year performance period and specifies payment terms applicable during that timeframe. However, no updated or renewed agreement applicable to FY 2025 was provided. Management indicated that the original agreement remained in effect throughout the employee's tenure, and no subsequent agreements were issued.

Designation: School Administrator
School Name: Park Ridge Elementary
Supplement paid: $ 500

Effect:
The absence of a current and valid agreement supporting compensation increases the risk of payments being made without appropriate authorization.

Cause:
This appears to be due to a lack of formal renewal or reissuance of compensation agreements for turnaround supplements beyond the original agreement period or insufficient documentation retention or update practices.

Criteria:
PR-100 BCPS Business Practice Bulletin dated June 10, 2011, the Superintendent memo payroll practices and compliance 11.05.18, and the OT and Comp Time concerns memo dated August 2019 apply to the finding. Compensation payments, including supplements, should be supported by valid and current agreements that clearly define eligibility, duration, and payment terms.

Recommendation:
Management should ensure that all compensation-related agreements are current, valid, and aligned with the applicable pay period. For agreements with defined durations, formal renewals or updated documentation should be maintained to support continued payments.

Management Response provided by the BCPS Human Resources Management: HR agrees with the finding. The recently merged Instructional and Non-instructional Staffing departments now form the Talent Management Department, improving process alignment and audit controls. All stipends end annually and require approval for reinstatement.

Finding #06: Lack of Defined Basis for Supplement Computation

Condition:
In multiple instances, supplement payments made to employees were supported by appropriate approvals. However, no documentation was provided to justify the basis or criteria used in computing the supplement amounts. Additionally, in certain cases, the re-computation performed during the audit did not agree with the amounts paid, and no explanation was available to support the variance.

Effect:
The absence of a clearly defined and documented basis for supplement calculations increases the risk of inconsistent payments, potential overpayments or underpayments, and non-compliance with applicable collective bargaining agreements and payroll policies.

Cause:
Lack of standardized guidance and documentation of criteria used in calculating supplement payments.

Criteria:
BCPS payroll policies and applicable collective bargaining agreements require that all supplement payments be calculated in accordance with established terms.

Recommendation:
We recommend that the District incorporate specific clauses or provisions from the applicable collective bargaining agreement or other appropriate document into the supplement approval documentation. This facilitates precheck at the approval level and improves the efficiency of the review process.

Management Response provided by the BCPS Human Resources Management: BCPS HR clarified that most payments are correct, with only 4 National Board Payments identified as errors due to outdated calculations before the pay raise. Corrective measures now ensure that payments based on hourly rates are updated after raises.

Finding #07: **Lack of Supporting Documentation for Payroll Transactions**

Condition:
In multiple instances, requested supporting documentation for additional payments (e.g., overtime approvals, workshop attendance proof) was either not provided or was insufficient to substantiate the payroll payments.

Effect:
This increases the risk of unsupported payroll transactions, improper payments, and audit limitations due to a lack of verifiable evidence.

Cause:
Inadequate documentation retention practices and a lack of timely response from responsible organizational units.

Criteria:
PR-100 BCPS Business Practice Bulletin dated June 10, 2011, the Superintendent memo payroll practices and compliance 11.05.18 and the OT and Comp Time concerns memo dated August 2019 apply. BCPS payroll and internal control policies require that all payroll transactions be supported by appropriate documentation and maintained for audit purposes.

Recommendation: We recommend that the District maintain supporting documentation for all payroll transactions at the school location or at the District department.

Management Response provided by the BCPS Payroll Management: As outlined in the PR100 – Payroll Business Practice Bulletin, all locations are required to maintain supporting documentation for all payroll transactions. The district is considering the centralization of payroll functions. As part of this district-wide initiative, locations will be required to submit all supporting documentation and approvals prior to payroll entry.

FINDINGS AND OBSERVATIONS

Performance Audit Observations

Observation 101: Payments Processed for Weekend Work

During testing of payroll transactions for Broward County Public Schools, HCT identified 24 instances where employees were compensated for hours worked on weekends.

Observation 102: Timekeeping and Additional Assignment Documentation

During our review of payroll for Q3 FY 2025 (January 1, 2025 – March 31, 2025), we noted the following:

The employee in position 80080310 served as an interim substitute teacher, which is his position of hire and not considered a secondary position. During the period 01/28/2025 through 01/31/2025, the Kronos timekeeping system was not operational, and the employee was unable to record his hours electronically. A manual timesheet was completed and approved by the supervisor to capture the hours worked.

Additionally, an additional position (80116352) was created to address missed planning time. Since this position was established solely to cover operational needs, a formal additional assignment agreement form was not available.

Observation 103: Secondary Position Payroll Documentation

During our review of payroll for Q3 FY 2025 (January 1, 2025 – March 31, 2025), we noted that in 11 instances, an employee worked in a secondary position in an organizational unit different from his primary organizational unit. While payroll for these hours was processed by the primary organizational unit, the approved timesheets and supporting documentation were maintained in the secondary organizational unit.

Observation 104: Additional Assignment / Compensation Agreement Documentation

During our review of payroll for Q3 FY 2025 (January 1, 2025 – March 31, 2025), we noted that in eight instances, the organizational units indicated that an additional assignment agreement or compensation agreement was not applicable. However, the units did not provide an explanation or rationale for why the agreement was deemed not applicable.

Observation 105: Lack of Response from Organizational Units for Additional Data.

During our review of payroll for Q3 FY 2025 (January 1, 2025 – March 31, 2025), we noted that in 13 instances, no responses were received from two organizational units, "Cypress Bay High and Pupil Transportation," regarding requested additional documentation or additional confirmations related to payroll, timekeeping, or additional assignments.

Observation 106: Accelerated Payroll Processing During Holiday Periods

During holiday periods (e.g., Christmas), payroll is processed on an accelerated basis, whereby payroll checks are projected and issued in advance based on employees' scheduled hours. Subsequent adjustments or corrections are processed in later payroll cycles to account for any differences between projected and actual hours worked. Processing payroll based on projected hours increases the risk of overpayments or underpayments, requiring subsequent adjustments.

The need to accommodate holiday schedules and ensure timely employee payments resulted in the advance processing of payroll based on estimated or scheduled hours rather than actual time recorded. PR-100 BCPS Business Practice Bulletin dated June 10, 2011 and the Superintendent memo, payroll practices, and compliance 11.05.18 provide guidance on the matter. Payroll should be processed based on actual hours worked and properly approved time records to ensure accuracy and completeness of payments.

Management Response to Certain Performance Audit Observations

Management Response provided by the BCPS Human Resources Management for Observation 104

According to Business Practice Bulletin H-220, the Additional Assignment Agreement Form is required exclusively for non-instructional employees. Teachers may receive alternative rates under EP CBA Article 19; therefore, completion of the Non-Instructional Additional Assignment Form is not necessary for instructional staff.

The observation related to the Assistant Principal is accurate. The location was unable to provide the Non-Instructional Additional Assignment Form for the Assistant Principal. This issue has since been addressed with the implementation of HR Connect. All additional assignments are now reviewed by HRSS prior to entry into the payroll system, ensuring that proper documentation is attached. No entries are processed automatically.

The observation concerning the Substitute Custodian is not accurate. Substitute custodians are hired in a general primary position (Non-ins Staffing) and receive additional assignments according to the specific sites where they serve. All their additional assignments pertain solely to substitute custodial roles, and the form is not required.

PAYROLL, OVERTIME, AND OVERPAYMENT AUDIT OF THE THIRD QUARTER OF 2025 CONCLUSION

The performance audit concluded that payroll, overtime, and overpayment processes for Broward County Public Schools (BCPS) during the Third Quarter of 2025 operate within a **decentralized environment** that presents challenges related to documentation, consistency, and internal control enforcement at both the school and District levels.

This report identified **seven (7) audit findings and six (6) observations**, primarily related to payroll governance, documentation practices, and control effectiveness. These conditions increase the risk of **unauthorized or unsupported payroll transactions, inaccurate employee compensation, and reduced transparency and accountability** across payroll operations.

Specifically, payroll processing at the location level is heavily reliant on clerical input, with limited visibility at the district level unless significant variances are identified. In addition, approval controls are not consistently enforced within the SAP workflow, as administrative review and authorization are not always formally documented within the payroll cycle.

To address these risks, we recommend strengthening internal controls by:

- Enforcing standardized approval and documentation requirements at the location level
- Requiring administrative approval within the SAP AA/BB payroll cycle to ensure proper authorization tracking
- Enhancing oversight and monitoring of payroll activities at the district level
- Reinforcing compliance with established payroll timelines and procedures

While the issues identified are primarily **administrative and governance-related**, they represent control weaknesses that, if unaddressed, may result in increased exposure to **errors, overpayments, and potential fraud, waste, and abuse**.

By strengthening payroll governance, documentation standards, and control processes, BCPS can significantly improve the **accuracy, reliability, and integrity of payroll operations across the district**.

APPENDIX AND EXHIBITS

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025

DR. ERNIE LOZANO, CHIEF HUMAN RESOURCES OFFICER
HUMAN RESOURCES DIVISION

PHONE: 754-321-1840 **FAX:** 754-321-2704 **EMAIL:** ernie.lozano@browardschools.com

DATE: May 18, 2026

TO: Mark Magli
Chief Auditor

FROM: Dr. Ernie Lozano Ernie Lozano (May 18, 2026 16:32:44 EDT)
Chief Human Resources Officer

SUBJECT: PAYROLL, OVERTIME, AND OVERPAYMENT AUDIT OF THE THIRD QUARTER OF 2025

I have reviewed the responses provided by Sue Rockelman, Executive Director, Talent Management, to the audit findings and observations. Based on my review, I agree with and approve of the responses to the audit findings.

I am committed to ensuring that all recommended actions are implemented with fidelity, including any necessary follow-up, monitoring, and administrative oversight to support full and sustained compliance.

Thank you.

EL/tjr

SUBJECT: **PAYROLL, OVERTIME, AND OVERPAYMENT AUDIT OF THE THIRD QUARTER OF 2025**

The Payroll Department has reviewed the Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025 performed by the Office of the Chief Auditor and is providing responses to Audit findings listed below.

Finding #1 – Lack of Identifiable Approval for Payroll Reports
Response: Agree.
The District will revise the current payroll reports to include additional fields for the printed name, signature, and title of the approver.

Finding #4 – Retroactive Pay Arising from Delays in Timekeeping and Approvals
Response: As outlined in PR100 – Payroll Business Practice Bulletin, all locations are required to process payroll data daily and ensure that all payroll documents, including timesheets and Certificates of Absence, are collected and entered within the applicable pay period in a timely manner. Management will implement the following corrective actions:

1. Issue written communication to all locations reminding them of payroll processing requirements.
2. Run reports to identify the locations with the highest number of retroactive payroll transactions.
3. Provide these statistics to the Area Superintendents for review and appropriate follow-up action.

Finding #7 – Lack of Supporting Documentation for Payroll Transactions
Response: As outlined in the PR100 – Payroll Business Practice Bulletin, all locations are required to maintain supporting documentation for all payroll transactions. The District is considering the centralization of payroll functions. As part of this district-wide initiative, locations will be required to submit all supporting documentation and approvals prior to payroll entry.

If you have any questions, please contact **Sharmila Laljie, Director, Payroll Department at 754-321-2450** or **Sharmila.laljie@browardschools.com.**

EXHIBIT #1

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025

SUBJECT: PAYROLL AND TIME ENTRY

General

The purpose of this bulletin is to provide guidance in the time management process which includes recording attendances and absences, record keeping and reporting.

Employees are paid on a bi-weekly pay frequency every other Friday except on Federal and bank holidays. When this occurs, the pay date is changed to the day before the holiday. Payrolls are processed based on payroll area, either AA or BB, and paid on alternate weeks. Most Payroll and Human Resources (HR) transactions such as time entry and the initiation of iForms are done at each location. Reference to the payroll schedules should be made to determine the applicable payroll area for employees. Payroll schedules are available on the ERP website via the following link: http://www.broward.k12.fl.us/erp/

Schedules and Payroll Deadlines

New payroll schedules are created and published at the beginning of each fiscal year. These schedules outline the various pay periods, pay dates and deadlines for time entry and processing. The schedules should be followed by all individuals responsible for time entry and payroll processing. In some rare cases, such as winter break and during support stack applications, a payroll may be processed in advance of the designated processing date. If this occurs, end users will be notified by email, payroll newsletters and via payroll webinars prior to any change.

Payrolls are processed every week for one of the two payroll areas; therefore, it is critical for the Payroll Contact to follow the payroll schedules closely. The payroll run and posting process involves many steps and several days to finalize paychecks and direct deposit processing along with the associated posting transactions. To comply with bank requirements for direct deposit transactions, payroll processing must be completed by a specific deadline to guarantee direct deposits to employees by the Friday pay date. Payroll processing begins Sunday afternoons and schools and departments are given a courtesy window every Monday morning to review and correct payroll data, including time worked for the weekend. Time must be entered on a daily basis. Therefore, this window must not be used to change or process any master data changes on employees' records. If master data changes are made during this correction window, they may not be captured for the current pay date.

At times, payroll processing may occur on a day other than Monday. If so, the correction window and deadlines will be altered to fit the circumstances and Payroll Contacts will be notified accordingly.

Documentation and Record Keeping

Accurate compensation requires synchronization and collaboration between the location and District departments. The employee, Payroll Contact, HR Action Processor, Principal/Director, the Payroll Department and the Human Resources Departments all play an integral role in accurately processing payment for or to employees. Documentation and approval of all payroll data including, but not limited to time cards, timesheets, Vacation/Leave Request forms, overtime and compensatory time forms, Temporary Duty Assignment forms (TDAs) and all related payroll reports is required. Below is an outline of the responsibilities of each party to ensure that all necessary approvals are obtained and documented:

- Employee:
  - Must request and receive written pre-approval to work overtime/compensatory time hours (Form 4707)
  - Must document all overtime/compensatory time hours worked
  - Must submit all payroll documentation, such as, but not limited to timesheets, Vacation/Leave Request Forms, TDAs and Overtime/Compensatory Time Forms to the Payroll Contact in a timely manner for each respective payroll period
- Payroll Contact:
  - Must ensure all payroll documentation such as, but not limited to timesheets, Vacation/Leave Request Forms, TDAs and Overtime/Compensatory Time Forms for the pay period are submitted in a timely manner
  - Must ensure all timesheets and Vacation/Leave Request Forms are processed in a timely manner, i.e.; within the appropriate pay period
  - Must print and review required payroll reports to ensure accuracy of payments
  - Must present required reports to Principal/Director for approval in a timely manner
  - Must maintain Payroll records including Vacation/Leave Request forms, TDA forms and required payroll reports (Time Management, Earnings and Overtime) filed by pay period and kept in a secured location for auditing purposes
- HR Action Processor:
  - Must create and execute HR actions such as but not limited to Supplements, One Time Payments, Additional Position Assignments, Return to Work and Separation of Employment
  - Must manage Universal Work List (UWL) and monitor status of HR actions to completion
  - Must request and/or change existing Position Request Form (PRF) when necessary
  - Must execute relevant reports to ensure accuracy of the master data entered
- Principal/Director:
  - Must pre-approve overtime/compensatory time hours prior to hours being worked (Form 4707)

- Must review and approve payroll changes and all final payroll reports (Time Management, Earnings and Overtime) no later than Wednesday afternoon prior to the pay date for each respective payroll area
- Must ensure that proper documentation is maintained for all items related to payroll and time entry
- Must review and approve HR actions created by the HR Action Processor in a timely manner

Tools and Resources

Several tools and resources are available to Payroll Contacts including weekly newsletters, monthly webinars and schedules and matrices to assist with effective and timely processing of payroll and HR transactions. These resources can be found on the BRITE website at: http://www.broward.k12.fl.us/erp

Time Entry

Timeliness in processing payroll and HR transactions is the key to accurate paychecks. Some processes such as employee transfers, change in payroll area, calendar changes and leaves require a collaborative effort between the location and some District departments such as Payroll, Leaves, Instructional Staffing and Non-Instructional Staffing. When these transactions are processed, Payroll Contacts are expected to follow up with appropriate departments in accordance with the payroll processing deadlines.

Time Entry - Critical Steps

Master data changes, (i.e., cost override changes, course enrollments, ESS changes and iForms) must not be processed during the payroll correction window unless notification has been received to process the change immediately. Any iForm creation/changes made during this time will cause errors and will not be processed.

The Payroll Contact should adhere to the following guidelines as part of the payroll processing function to ensure accurate and timely processing of payroll transactions:

Payroll Correction Window - Mondays

(1) Enter any last minute attendance or absence hours in Cross Application Time Sheet (CATS)
(2) Print and review the Time Management (ZTIM) and the Earnings (ZHPY_PAY59) Reports
(a) Ensure hours are accurate by reviewing the Time Management Report
(b) Ensure only active employees who are entitled to a paycheck are on the Earnings Report
(c) Ensure employees who are on an inactive leave or terminated are not on the Earnings Report
(3) Make any necessary adjustments or corrections in CATS
(4) Contact your assigned Payroll Processor if assistance is needed
(5) If any corrections or adjustments were made, print and review the Time Management and Earnings Reports again
(6) Final copies of the Time Management, Overtime, and the Earnings Reports must be reviewed, signed and dated by the administrator no later than Wednesday afternoon prior to the pay date

During the correction window, Payroll staff review payroll reports to minimize errors. If errors are detected during this review, Payroll Contacts will be notified to make necessary changes so that the payroll process can be completed.

Retroactive Changes

Retroactive time entry changes made to an employee's record may impact pay, including overtime calculations. Time entry must be completed in a timely manner within the related pay period. The calculation of overtime hours is based on the number of eligible hours within the employee's work week. If hours are entered after payroll has been processed for a particular pay period, eligible overtime hours will be paid in a subsequent pay check. Since all absences such as sick, vacation, compensatory and PLV hours will impact overtime calculation**, it is imperative that these absences are entered when used.** Late entry of such absences could result in unearned payments which will cause an overpayment to the affected employee.

Time Keeping Systems

The District uses three timekeeping systems to capture time data: KRONOS, COMPASS and CATS. Time data from these various systems are uploaded to SAP on a regular basis before the payroll process begins. The KRONOS upload occurs every Sunday, the COMPASS upload occurs on the Friday prior to BB pay dates and hours entered via CATS are transferred every two hours.

SUBJECT: PAYROLL AND TIME ENTRY

KRONOS

The following steps are required to capture time data in the KRONOS system:

1. Employee biometrically clocks in and out daily (referred to as "punches") using the KRONOS time clock
2. The Payroll Contact (or Sub Coordinator) must review the punches daily and make necessary cost override changes. Coding should be verified before making changes
3. On Friday mornings, the Payroll Contact (or Sub Coordinator) must review the KRONOS Optispool report for any missed punches or any other irregularities for entries that were captured from Monday through Thursday. **If errors are detected, the appropriate corrections must be made in KRONOS prior to the data upload to SAP**. After the KRONOS upload has occurred, all time entry changes and coding corrections for the pay period must be entered in CATS during the correction window.
4. A final review of the KRONOS OptiSpool Report must be made by the Payroll Contact early enough on Monday morning to allow time for corrections to be made in CATS before the noon deadline

COMPASS

The following steps are required to capture time data in the COMPASS system:

1. Employee punches in and out daily on a time card
2. Time cards are approved daily by foreman/supervisor
3. Time card data and absence information are entered into COMPASS daily
4. COMPASS hours are uploaded to SAP on the Friday prior to the BB pay date
5. Any attendances, absences and/or corrections that are not entered into COMPASS prior to the upload must be entered directly into CATS
6. The Payroll Contact must conduct a final review of the COMPASS Report for accuracy on Monday morning before payroll is run and make necessary corrections in CATS during the correction window

The Cross Application Time Sheet (CATS)

CATS is used to capture attendance and absence data for all District employees. In addition, cost assignment changes (cost overrides) must also be done via CATS whenever required. Step-by-step instructions for accessing CATS for time entry, review and the steps to change cost assignments can be found on the ERP website. All time entry in CATS must be done on a daily basis to ensure employees are paid timely and accurately. Initial time entry must be done prior to the Monday morning correction window. The purpose of this window is to review and correct payroll data. Payroll Contacts may review their time entries at any time by running the Display

Time Data (CADO) Report. The Time Management Report can be run after the scheduled 2-hour update is complete.

The following steps are performed to capture time data in CATS and ensure accurate payment to employees:

1. Locations are responsible for verifying employee attendance. The Payroll Contact enters employee time data into CATS on a daily basis. Hourly employees and employees working overtime MUST record hours worked including start and end times by using time cards or an attendance/time sheet.
2. Payroll Contact runs and reviews the Earnings and Time Management Reports on Monday mornings. Any changes must be entered in CATS during the correction window.
3. All changes and the final payroll reports must be reviewed, approved, dated and signed by the location's administrator by Wednesday prior to the pay date.

Variants

Variants may be created to streamline the steps for a variety of transactions and/or reports which are used frequently for the same group of employees. Payroll Contacts may create a variant to reduce the time required for time entry and processing in CATS. Existing variants should be updated when there are changes to staff. The step-by-step procedure to create variants can be found on the ERP website at: http://www.broward.k12.fl.us/erp

Absence and Attendance Codes

Several codes are available for use to accurately report employees' absences and attendances in SAP. A complete list can be found on the ERP website at: http://www.broward.k12.fl.us/erp

Pay Rates for Additional Position Assignments

Refer to Business Practice Bulletin H-170 Non-Instructional Additional Assignment Agreement Form. This bulletin can be accessed by the following link:
http://www.broward.k12.fl.us/erp/brite/support/businesspracticebulletins

Overtime and Compensatory Time

The Fair Labor Standards Act (FLSA) prescribes standards for overtime pay and requires employees, who are not exempt, to be paid for overtime at an overtime rate of one-and-one-half (1.5) times the employee's regular rate of pay for hours worked beyond forty (40) in a workweek. See School Board Policy 4300.1 for the criteria to be utilized for the payment of overtime and/or the granting of compensatory time for employees who are covered under the overtime provisions of the FLSA and applicable collective bargaining unit agreements. Other

information regarding eligibility and collective bargaining agreements for compensatory time can be found on the Compensatory Time Matrix on the Employee Relations website at: http://www.broward.k12.fl.us/employeerelations/otherhelpfullinks.htm

Overtime Calculation

Overtime is systematically calculated in SAP for eligible employees based on the number of hours entered during a work week. Specific time subtypes pertaining to overtime, i.e., overtime straight (OTS), overtime premium (OTP) and overtime double (OTD) should only be used when Payroll Contacts are directed to do so by duly authorized personnel. All overtime and compensatory hours MUST be pre-approved by principal/director prior to working. See School Board Policy 4300.1 for details regarding overtime/compensatory time.

Required Steps to Document Overtime/Compensatory Time Worked and Obtain Necessary Approvals

(1) Prior to working overtime/compensatory hours, the employee must complete the Overtime/Compensatory Time Form (#4707) denoting the estimated number of hours the employee expects to work. The form must be pre-approved by the Principal/Director.
(2) After the hours have been worked, the actual hours worked must be documented on the Overtime/Compensatory Time Form and approved by the Principal/Director.
(3) The Overtime/Compensatory Time Form must be submitted to the location's Payroll Contact prior to the end of the pay period in which the hours were worked.
(4) Hours must be entered into the payroll system by the time entry deadline for the respective pay date. Payroll schedules are available on the ERP website at: http://www.broward.k12.fl.us/erp
(5) The Payroll Contact is required to print and review the Overtime Report each pay period.
(6) The Overtime Report must also be reviewed and signed by the Principal/Director.

Payroll Reports

Several payroll reports are available to Payroll Contacts and Principals/Directors to assist with data entry review, verification of payroll data and the payroll approval process. Some reports may be accessed for informational purposes while others are required for the payroll process and auditing purposes.

Informational Reports:

Report Name	T-Code
Absence Overview	(Z_ABS)
Absence Quota Information	(PT_QTA10)
Attendance Overview	(Z_ATT)
Attendance/Absence Data: Calendar View	(S_AHR_61018660)
Display Time Sheet Data	(CADO)
Payroll Remuneration Statement RETRO Explanation	(PC00_M10_CEDT)
Quota Overview	(PT50)
Supplements Report	ZHPY_SUPPLMNT_REPORT)
Substitute, Temporary & Additional Positions	BI (Business Warehouse) Report

Required Reports:

During each payroll cycle, the following reports must be printed, reviewed and signed off by the Principal/Director:

(1) Earnings Report (ZHPY_PAY59) – This report lists all payments for employees at a location and displays the gross, net and retroactive totals. It should be printed based on the payroll being processed and reviewed first thing each Monday morning to ensure accurate payments. If an error is identified, the Payroll Contact must, without delay, make the correction during the correction window and contact the appropriate Payroll Processor for additional assistance. The purpose of this report is multifunctional and will assist Payroll Contacts in the following areas:
- Identify any possible time entry errors that may result in over or underpayments
- Ensure that employees who are entitled to a paycheck for the pay period are listed with a payment
- Ensure that employees who are not entitled to payment for the pay period due to unpaid leave, retirement or termination do not receive a payment

(2) Time Management Report (ZTIM) – This report lists all absences and attendances reported for an organizational unit. The report can be run by pay period, by week, by other specified periods of time and by organizational unit or personnel number. It should be printed based on the payroll being processed and reviewed first thing each Monday morning to ensure accurate time entry. If an error is identified, the Payroll Contact must make the correction during the correction window and contact the appropriate Payroll Processor immediately for additional assistance.

(3) Overtime Report (BI) – The Overtime Report must be printed and reviewed by the Payroll Contact and Principal/Director after each payroll is processed. The report provides information on overtime paid during the pay period and will enable locations to determine if employees worked at other locations. Hours worked at other locations may place an employee in an overtime status that may impact the locations' budgets. If

unapproved overtime appears on the report, the Payroll Contact must notify the appropriate Payroll Processor immediately. If the error results in an overpayment, the deletion of hours process to recuperate the overpayment must be followed. Work instructions for this process are available on the ERP website at: http://www.broward.k12.fl.us/erp

If an error is identified during review of any of the above reports, the Payroll Contact must promptly contact the appropriate Payroll Processor for assistance.

Attendance/Absence and Respective Forms

Attendance Record: Daily attendance records are recommended to be maintained to substantiate hours worked.

Absence Record: Absence records must be maintained at each location in accordance with Board Policy 4.3 and bargaining unit requirements.

A. **Attendance**

Temporary Duty Assignment (TDA): When an employee travels to perform a duty at a different location than the employee's regular assignment, he/she is said to be on a temporary duty assignment (TDA). This includes business travel and travel related to county sponsored seminars when meal reimbursements are involved. Specific requirements for TDAs can be found in Business Practice Bulletin A-435/Travel Reimbursement Procedure which can be found on the ERP website at: http://www.broward.k12.fl.us/erp/brite/support/businesspracticebulletins

Attendance Entered After Time Entry Deadline: Hours entered after the time entry deadline will NOT be captured for the respective pay date. However, if changes are made after the deadline, those changes must be approved by the administrator and will be captured in a subsequent paycheck.

B. **Absence**

Pre-approved Absences: A Vacation/Leave Request Form must be completed by the employee requesting the absence in accordance with Board Policy and bargaining unit requirements.

Unscheduled Absences: Employees with unscheduled absences must promptly complete the Vacation/Leave Request Form upon their return to work. The Vacation/Leave Request Form must be maintained at each location and must be signed by the employee

and the Principal/Director. The Payroll Contact must enter the time into the appropriate timekeeping system promptly to prevent possible overpayments.

Paid Absences Entered After Time Entry Deadline: Paid absences such as vacation and sick hours entered after the time entry deadline will be captured in a subsequent paycheck and the respective accrual balances will be adjusted accordingly.

Other Actions

A. **Calendar Change –** A Payroll Notification of Calendar Change Form must be completed and faxed to Payroll when an employee is changing payroll area, calendar days, or moving from a traditional to a year round school.

B. **Donated Sick Leave-** An employee may donate sick hours to another eligible employee in accordance with School Board Policy 4400 and the applicable bargaining unit contract. The Payroll Contact must notify Payroll when the employee who received the donation returns to work.

C. **Sick Leave Bank** – Participation in the sick leave bank is voluntary. A withdrawal may be approved only upon total depletion of the employee's accumulated sick leave and vacation leave. For further information please refer to Business Practice Bulletin A-137/Sick Leave Bank Procedures which can be found on ERP website at: http://www.broward.k12.fl.us/erp/brite/support/businesspracticebulletins

D. **Direct Deposit Reversal** – If an employee receives a payment via direct deposit in error, the Payroll Contact must notify the appropriate Payroll Processor immediately to initiate the reversal process. This process is completed by Payroll.

E. **Payroll Checks** – Payroll Contacts must notify Payroll regarding any checks or pay advices received for an employee that is no longer at that location due to an unpaid leave, transfer, retirement or termination.

Correction of Overpayment:

If an employee has been overpaid, a Payroll Notification-Adjustment of Wages/Deletion of Hours Form must be completed by the Payroll Contact as soon as the overpayment is identified in the system. There are two forms available, depending on the type of employee. The employee must select a repayment method from the options provided and sign the form within five business days from the date of notification. This form must also be signed and approved by the Payroll Contact and the Principal/Director. Completed forms must be faxed to the Payroll Department in a timely manner.

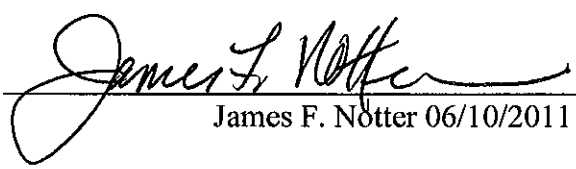
SUBJECT: PAYROLL AND TIME ENTRY

The Payroll Notification-Adjustment of Wages/Deletion of Hours Form may be obtained via the ERP website at: http://www.broward.k12.fl.us/erp

Off-Cycle Check Request and Escalation Process

Off-Cycle Check Request

An off-cycle check is a check that is processed outside of the regular pay cycle. It is processed when an employee did not receive pay in a regular scheduled paycheck due to delayed personnel action processing or delayed time entry. Off-Cycle Check Requests must be completed and signed by the Principal/Director with a detailed explanation for the request. Please refer to Business Practice Bulletin PR-104/Off-Cycle Checks.



Off-Cycle Escalation

An escalation request for an off-cycle check is available in extraordinary circumstances with the approval of the respective Executive Leadership Team (ELT) member and the Director of Payroll or designee. It is to be used if an employee did not receive a paycheck on the designated pay date due to time entry, HR action or systematic errors. The Principal/Director completes this form, obtains ELT member's approval and forwards the form to the Payroll Department for approval. Refer to Business Practice Bulletin PR-104/Off-Cycle Checks.

Detailed instructions and copies of the Off-Cycle Check Request and Off-Cycle Check Request – Escalation Forms can be obtained via the ERP website at: http://www.broward.k12.fl.us/erp

Emergency Payments

If the District is affected by an emergency such as a hurricane or any other natural disaster and is closed for business, emergency payment procedures may supersede standard procedures including those pertaining to overtime. Eligible employees may be entitled to higher rates of compensation for emergency situations per their bargaining unit agreements in effect at the time of the emergency. For additional information pertaining to emergency pay procedures, refer to Business Practice Bulletin PR-114/Emergency Pay Procedures Bulletin located on the ERP website at:
http://www.broward.k12.fl.us/erp/brite/support/businesspracticebulletins

EXHIBIT #2

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
OFFICE OF THE SUPERINTENDENT

Robert W. Runcie
Superintendent of Schools

November 5, 2018

TO: Senior Leadership Team
All Principals

FROM: Robert W. Runcie
Superintendent of Schools

SUBJECT: PAYROLL PRACTICES AND COMPLIANCE

The District is currently embarking on a district-wide redesign of the HR/Payroll processes. While that process gets underway, it is critical that we adhere to existing practices with due diligence and align these practices with sound fiscal policy, federal and state laws and auditing standards. Payroll policies and procedures must be followed to avoid serious risks and penalties to the District.

Please thoroughly review the Business Practice Bulletin (BPB) "PR-100 Payroll and Time Entry" to understand your responsibility and obligations as an administrator. The Auditor General has found numerous instances where we have not adhered to the requirements outlined in PR-100, which can be found on the Payroll department SharePoint site:

https://browardcountyschools.sharepoint.com/sites/Intranet/PAP/SitePages/Home.aspx

To avoid further audit exceptions please adhere to the following:

1. Review and approve payroll changes and all final payroll reports (Time Management, Earnings and Overtime) no later than Wednesday afternoon prior to the pay date for each respective payroll area. If someone appears on your report who has terminated employment, **you must immediately** contact the Payroll department and follow-up with the Compensation department concerning completion of the I-Form. Do not sign payroll reports without thoroughly reviewing them. Compensating terminated employees, results in overpayment of salaries and benefits, potential audit exceptions and incorrect reporting of taxes and retirement benefits to Florida Retirement System (FRS).
2. Review and maintain all documentation outlined in PR-100 for all payroll entries including supplements, additional/secondary position payments and overtime hours.
3. Review and approve all Human Resources actions created by the HR Action Processor (I-Forms) in a timely manner to prevent incorrect payments.
4. Review all absences and make sure they are entered in the period they occur. If an employee has depleted their accrued sick and or vacation hours, the PLV (Unpaid Leave) absence code must be entered to prevent an overpayment.
5. Daily time entry of payroll data is required; therefore, there should be minimal retroactive time entries on your payroll reports. All retroactive entries must be reviewed and approved each payroll period.

Failure to comply with these requirements could affect your annual evaluation and result in disciplinary action. If you have questions or concerns about these requirements, your payroll reports or the payroll process and if you would like additional payroll training for you or your staff, please contact Judith M. Marte, Chief Financial Officer at 754-321-1990 or Sharmila Laljie, Payroll Director at 754-321-2450.

SUBJECT: **OVERTIME AND COMPENSATORY TIME CONCERNS**

OVERTIME:

A recent audit of the District's payroll processes by the Auditor General has identified deficiencies in the methods utilized by the District to manage work time for employees who are eligible to earn overtime. Broward County Public Schools consistently spends up to three times more in overtime expenses when compared to information reported by neighboring Districts (Miami Dade and Palm Beach). While it is not possible to eliminate the utilization of overtime to maintain some District operations, excessive payments for unbudgeted overtime expenses negatively impact the District's overall budget for wages.

As a result, part of our internal payroll cleanup process is focusing on establishing systematic expectations for managing the accumulation and payment of overtime. In order to better manage the District's overtime costs, Administrators who authorize employees to work overtime must adhere to the following directives, effective immediately:

1. All overtime must be pre-approved prior to the work being performed.
2. Only work essential to maintain operational needs and responsibilities beyond the normal work week should be approved.
3. The assignment and payment of overtime must align with the Fair Labor Standards Act (FLSA), applicable Collective Bargaining Agreements and Board policy.
4. Sufficient funds must be allocated in your budget for the purpose of paying overtime.
5. Work assignments should be assigned/distributed as equally as possible among all eligible employees to minimize the accumulation of overtime.

The District will continue to closely monitor the administration of overtime costs.

COMPENSATORY TIME:

The lack of a consistent process for managing compensatory time continues to be problematic districtwide. A recent informal grievance from the BTU-TSP Unit and a review of our current practices has revealed that employees have been allowed to accumulate compensatory time in excess of contractual obligations and policy guidelines. Currently in SAP, unused compensatory time for BTU-TSP unit members is capped at 80 hours per year, but hundreds of additional hours are being documented by departments outside of the payroll system.

This practice has created a potential financial burden for the District. The Union, in recognition of the comp time problem, has agreed to work with the District to resolve this issue by the end of the 2019-2020 fiscal year. We are currently working with Payroll and IT to program system functionalities to ensure departments' ability to track all compensatory time in the payroll system; therefore, effective immediately, the following changes will be implemented:

1. The accumulation and usage of compensatory time must comply with Board policy/contractual language, and must be monitored by management.
2. The 80-hour cap for the BTU-TSP unit will be lifted to align with the BTU-TSP Collective Bargaining Agreement.
3. By August 31, 2019, all compensatory time earned to date, including time not currently recorded in the payroll system, must be entered in SAP.
4. By June 30, 2020, BTU-TSP unit members must use all documented compensatory time earned prior to July 1, 2019.
5. Future accumulation of compensatory time must be approved strictly for work essential to maintain operational needs of the District, and utilized during the accrual year, when possible.
6. Accumulation balances must be no greater than 80 hours at the end of each fiscal year.

Compliance with this directive is critical, as it will greatly assist us in reducing the District's overall financial liability.

EXHIBIT #4

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025

SUBJECT: **ADDITIONAL ASSIGNMENTS**

GENERAL:

The purpose of this bulletin is to establish guidelines for when to use an additional assignment and establish set rates for all additional assignments. An additional assignment can be for an instructional or non-instructional employee. In order to understand how to select the correct additional assignment, it is imperative that the HR Action Processor be aware of the HR Enterprise Structure which can be found on the ERP/BRITE's website at http://web/erpdb/brite/onlinelibrary/reference_schedules/. This bulletin also includes guidelines on how to complete the ***Non-Instructional Additional Assignment Agreement Form*** *(Exhibit #2)* that is required for all non-instructional additional assignments.

Additional Assignment Description: refers to a different assignment other than the primary assignment and is performed at a different time than the employee's primary position (i.e. before or after hours). The employee may be performing duties that are different from that of their primary assignment or the same duties at a different location (i.e., facilities serviceperson performing duties of an activities bus driver). An employee may hold one or more additional assignments. An additional assignment should not be used to pay an employee for the same work at the same location. These hours should be reported on the primary position.

An additional assignment is created when a location submits an Additional Assignment iForm, the principal/director approves it and then it is processed in SAP, depending on the job class used, either upon approval of the principal or review by HRIS. A location must have an additional position in their organizational unit prior to submitting an Additional Assignment iForm.

Instructional Additional Assignment: given to an instructional employee for hours worked beyond their work day (i.e. tutoring, FCAT prep, etc.). These assignments should only be held by salaried instructional employees (Personnel Area IN01). These assignments require approval from your area business analyst, budget department or the grant manager, as appropriate. The ***Non-Instructional Additional Assignment Form*** **is not** used for **instructional** additional assignments, including substitute teachers.

Note: If the instructional employee is working an additional hour consistently, process a work schedule change (Change in Pay iForm) instead of processing an additional assignment.

Non-instructional Additional Assignment: is given to an employee for hours worked beyond their work day to work a different assignment other than their primary assignment or at a different location. Most types of employees can be considered for a non-instructional additional assignment. The ***Non-Instructional Additional Assignment Form*** must be completed for all non-instructional personnel regardless of the additional assignment and must be attached to the Additional Assignment iForm. The form does not apply to substitute employees nor does it apply to instructional employees (Personnel Area IN01) that work an instructional additional assignment. However, the form **will** need to be completed for instructional personnel that work any non-instructional additional assignments.

SUBJECT: **ADDITIONAL ASSIGNMENTS**

A. HOW TO DETERMINE WHEN TO CREATE AN ADDITIONAL ASSIGNMENT VS ENTERING TIME ON THE PRIMARY ASSIGNMENT

An Additional Assignment should be used for the following:

- Working at a different location than primary position
- Rate of pay is different from primary
- Grants (reporting purposes, easier tracking)
- Before/After School Child Care
- Facility Rental
- FCAT Camp
- Dual Access for Time Entry *(authorization only)*
- Summer School

Hours beyond regular work schedule should be paid on the primary assignment if:

- Cost distribution (coding) is the same.
- Cost distribution is different but does not fall into one of the above categories.
- Rate of pay is the same.

Please note that this is not a comprehensive list of when to use additional assignments or enter time on the primary assignment.

B. HOW PAY RATE FOR AN ADDITIONAL ASSIGNMENT IS DETERMINED

The procedure outlined in this bulletin applies to all benefits eligible employees (employee subgroups 01 or 02) that hold one or more additional assignments. For temporary or substitute employees (employee subgroups 03, 04, 05, 06), refer to the ***Temporary/Substitute Salary Schedule*** to determine the proper rate of pay. The ***Temporary/Substitute Salary Schedule*** can be found on the Employee Relations website at http://web/employeerelations/salary_sched.htm.

1. **Additional Assignment work is different than the primary position work and Personnel Areas (PA) are different:** If the work performed in an additional assignment is in a *different* PA than the primary assignment, then the entry-level hourly rate of the appropriate salary schedule applies to the additional assignment.

   EXAMPLE #1: An employee whose primary assignment is Guidance Counselor-High which is in PA **(IN01),** making $48.46939 that works an additional assignment as an Activities Bus Driver which is in PA **(FP06)** will be paid the entry-level hourly rate as indicated on the ***Temporary/Substitute Salary Schedule.***

Primary Assignment	Primary PA	Primary Hourly Rate	Additional Assignment	Add. Assign. PA	Add. Assign. Hourly Rate
Guidance Counselor-High	IN01	48.46939	Activities Bus Driver (FP06)	FP06	11.58

Pay Rate for Additional Assignment: $11.58

2. **Additional Assignment work is different than the primary position work and the PA are the same:** If there is an established salary schedule rate on the ***Temporary/Substitute Salary Schedule*** for the additional assignment, then the hourly rate of the additional assignment will be based on the established rate. If the work is similar to the primary position and in the same PA, then the employee will receive the primary rate; exception: after school care workers.

   EXAMPLE #2a: An employee whose primary assignment is a Certified Classroom Assistant, which is in PA **(PA01)** who is making $9.57068 or $12.84861 per hour that works an additional assignment as a Child Care Monitor II which is in PA **(PA01)** for after school child care, will be paid the established rate from the ***Temporary/Substitute Salary Schedule*** for the additional assignment.

Primary Assignment	Primary PA	Primary Hourly Rate	Additional Assignment	Add. Assign. PA	Add. Assign. Hourly Rate
Cert Classroom Assistant	PA01	9.57068	Child Care Monitor II (PA01)	PA01	10.00
Cert Classroom Assistant	PA01	12.84861	Child Care Monitor II (PA01)	PA01	10.00

Pay Rate for Additional Assignment: $10.00

   EXAMPLE #2b: An employee whose primary assignment is a Bookkeeper II (Elem & Mid) which is in PA **(CL02),** making $17.27735 per hour that works an additional assignment as a Temp Hrly Teacher Adult Gen GED **(IN02)** for an adult/technical/community school will be paid based on the established rate from the ***Temporary/Substitute Salary Schedule*** for this additional assignment.

Primary Assignment	Primary PA	Primary Hourly Rate	Additional Assignment	Add. Assign PA	Add. Assign. Hourly Rate
Bookkeeper II (Elem & Mid)	CL02	17.27735	Temp Hrly Teacher Adult Gen GED (IN02)	IN02	23.65000

Pay Rate for Additional Assignment: $23.65000

3. **Additional Assignment work is the same as the primary position and Personnel Areas (PA) are the same:** If the work performed in an additional assignment is classified under the *same* PA as the primary position and the work performed is the same then the hourly rate of the primary assignment applies to the additional assignment.

   EXAMPLE #3: An employee whose primary assignment is an Assistant Head Facilities Serviceperson which is in PA **(FP03)**, making $16.63192 per hour that works an additional assignment as an Addl Pos Custodial **(FP03)** for facility rental will be paid the hourly rate of their primary assignment on this additional assignment.

Primary Assignment	Primary PA	Primary Hourly Rate	Additional Assignment	Add. Assign PA	Add. Assign. Hourly Rate
Assistant Head Facilities Serviceperson	FP03	16.63192	Addl Pos Custodial – Facility Rental (FP03)	FP03	16.63192

C. SELECTING THE CORRECT ADDITIONAL ASSIGNMENT JOB CLASS AND PAY RATE USING THE ADDITIONAL ASSIGNMENT JOB CLASS/RATE SCHEDULE *(Exhibit #1)*

The hourly rate for the additional assignment will be populated by SAP or the approver; however, the location must know the hourly rate to indicate it on the Non-instructional Additional Assignment Agreement Form. The reference documents ***Selecting the Correct Additional Assignment Job Class and Pay Rate Using the Additional Assignment Job Class/Rate Schedule*** was created to assist the HR Action Processor in determining the appropriate job class and rate of pay for employees. This document can be found on the ERP website at http://web/erpdb/brite/onlinelibrary/reference_schedules/.

D. COMPLETING THE NON-INSTRUCTIONAL ADDITIONAL ASSIGNMENT AGREEMENT FORM *(Exhibit #2)*

This form must be completed and signed by the employee and director/principal prior to the employee beginning the additional assignment. This form does not apply to temporary or substitute employees or instructional employees (Personnel Area IN01 or IN02) working an instructional additional assignment (IN01 or IN02). Instructional personnel working non-instructional additional assignments **will** need to complete this form. The Non-Instructional Additional Assignment Agreement form can be found on the ERP website at: http://www.broward.k12.fl.us/erpdb/brite/onlinelibrary/forms/ or on the District Documents & Forms web page at http://web/forms/formsoptions.htm.

1. **Employee Primary Assignment Information** – Print or Type
   To complete each section of the form, use PA20 and select the Basic Personal Data tab and then highlight Organizational Assignment (IT0001). Other data can be found under the Payroll tab by highlighting Basic Pay (IT0008).

   a. Personnel # - Employee identification number assigned by SAP to the employee who will be performing the additional assignment.

   b. Last Name/First Name – The employee's name as it appears in SAP.

   c. Primary Position #/ Primary Position Title – The 8-digit number beginning with "8" that identifies the employee's primary position and the title of the primary position of the employee who will be performing the additional assignment.

   d. Personnel Area – The 4-character code that represents the bargaining unit and is considered an attribute of the position; i.e., PA01, CL02, etc. Enter the 4 digit code that appears on organizational assignment infotype (IT0001) under the Enterprise Structure section.

e. Exempt/Non-Exempt Checkbox – Check the appropriate box, based on the organizational assignment in SAP. Enter the 1-character code that appears on the organizational assignment infotype (IT0001) under the Organizational Plan section.

   i. Exempt (E) status means the employee **is not** entitled to overtime.

   ii. Non-Exempt (N) status means the employee **is** entitled to overtime at the rate of one-and-one half (1.5) times the regular hourly rate of pay if they work more than 40 hours per week (primary position plus additional assignment hours).

f. Org Unit/Location Name – The 8-digit organizational unit number beginning with "6" and the name of the primary location of the employee who will be performing the additional assignment.

g. Hourly Rate – The rate of pay the employee is paid based on the primary assignment. Enter the rate that is above the All Days Paid Rate which appears on the Basic Pay (0008) infotype. This rate is the total of all the wage types. **Do not use the All Days Paid Rate**.

2. **Assignment Information** – Print or Type

a. Org Unit/Location Name – The 8-digit organizational unit number and the name of the location of the additional assignment.

b. Addl Position #/Additional Position Title - The 8-digit number beginning with "8" that identifies the additional position and the title of the additional position the employee will be performing.

c. Job CL# - The 6-digit number found on the Additional Assignment Job Class/Rate Schedule on the ERP/BRITE website at http://www.broward.k12.fl.us/erpdb/brite/onlinelibrary/reference_schedules/

d. Personnel Area – The 4-character code that represents the bargaining unit and is considered an attribute of the position. Use the PA on the Additional Assignment Job Class/Rate Schedule *(Exhibit #1)*

e. Personnel Area Comparison – Compare the Personnel Area of the Employee Primary Assignment Information section of the form to the Personnel Area of the Assignment Information section of the form. If they match, check Yes. If they do not match, check No.

f. Estimated Start Date/End Date – The anticipated start and end dates for this additional assignment. The start date cannot be prior to the employment date.

g. Estimated Total Hours – The estimated hours for this additional assignment based on available funding to cover the costs of this assignment.

3. **Hourly Rate of Additional Assignment** - Print or Type

   a. Hourly Rate – Enter the rate listed on the Additional Assignment Job Class/Rate Schedule. If PR is listed, enter the employee's Primary Hourly Rate (same rate listed in the Employee's Primary Assignment Information section of the Agreement form).

   b. Overtime Rate – If the Non-Exempt box in the Employee Primary Assignment Information section is checked, enter one-and-one half (1.5) times the hourly rate amount. Indicate n/a in this field if the Exempt box is checked. (Example: Hourly Rate is $10.00; Overtime Rate is $15.00)

      NOTE: Non-Exempt employees will be paid the overtime rate for the additional assignment which generated the overtime hours when all hours worked for SBBC (both primary assignment and any additional assignment hours) exceed 40 hours for the work week. The work week for SBBC begins on Monday and ends on Sunday. For further information regarding overtime calculations refer to Business Practice Bulletin PR-100, Payroll and Time Entry.

4. **Signatures**

   a. Employee Name/Signature/Date – Employee who will be performing the additional assignment should print name, then sign and date the form. Employee's signature confirms agreement to perform the work at the associated pay rate of the additional assignment.

   b. Principal/Director Name/Signature/Date – The principal/director who owns the additional assignment should print name, then sign and date the form.

E. PROCESSING THE NON-INSTRUCTIONAL ADDITIONAL ASSIGNMENT AGREEMENT FORM

1. Once the agreement form has been signed by all parties, the HR Action Processor at the location that owns the additional position must create an Additional Assignment iForm for the employee performing the additional assignment.

2. The HR Action Processor must follow the directions outlined in the work instructions for creating an Additional Assignment iForm which can be found in the HR Action Processor Training Manual. The ***Non-Instructional Additional Assignment Agreement Form*** must be attached to the iForm in order to be processed.

3. The Additional Assignment iForm will be routed via workflow to the Principal/Director for approval. Once approved, the iForm will either update the system or be routed to the appropriate department (i.e., Staffing or HRIS) for further review. Upon final review, the system will update the employee's record with the additional assignment at the appropriate rate of pay.

F. RECORDKEEPING AND RESPONSIBLITIES

1. The ***Non-Instructional Additional Assignment Agreement Form*** **must** be attached when submitting an Additional Assignment iForm for non-instructional additional positions.

2. The location to which the additional assignment belongs is responsible for maintaining applicable time recording documentation to support hours worked in the additional assignment(s) for each pay period.

   NOTE: Refer to Business Practice Bulletin PR-100 Payroll and Time Entry for the approval process for hours worked and record keeping requirements.

3. The location to which the additional assignment belongs is responsible for entering all hours reported on the position.

4. The location to which the additional assignment belongs is responsible for maintaining records of the signed ***Non-Instructional Additional Assignment Agreement Form.***

5. Employee performing the additional assignment(s) should keep a copy of the ***Non-Instructional Additional Assignment Agreement Form*** for their records.

DEFINITIONS

Primary Assignment - refers to the regularly scheduled assignment for which the employee works the majority of his/her workweek. This assignment is on the organizational assignment (0001) infotype.

Organizational Assignment (0001) – an infotype in SAP that contains employee information such as the position number and title, personnel area, personnel subarea (calendar), payroll area, exempt/nonexempt status, organizational unit number and name, default cost assignment, job number and title.

Additional Assignment - refers to a different assignment other than the primary assignment and may be utilized as needed. An employee may hold one or more additional assignments. The additional assignments are stored on infotype 0554.

Additional Position - refers to specific position that SBBC has identified to be used when an additional assignment is created and may be utilized as needed. An employee may hold one or more additional positions.

Fair Labor Standards Act (FLSA) - federal law that establishes minimum wage, overtime pay, record keeping, and child labor standards affecting full-time and part-time workers.

SUBJECT: **ADDITIONAL ASSIGNMENTS**

Personnel Area (PA) **-** refers to SAP 4-character code used for personnel administration to identify the type of employee – instructional, clerical, administrator, etc. This is also considered an attribute of the position.

Personnel SubArea (PSA) **-** refers to SAP 4-digit code used for personnel administration to identify an employee's work calendar – 196, 216A, 241/42 day, etc. This is also considered an attribute of the position.

Employee Group (EG) – refers to SAP 1-digit code used to identify the status of employees by categories – 1-Active FT, 2-Active PT, 3-Inactive, 4-Withdrawn, 8-Nonemployee. This is also considered an attribute of the position.

Employee Subgroup (ESG) – refers to SAP 2-digit code used to identify employees eligible for benefits and by categories – 01-Salaried (w/bnfts), 02-Hourly (w/bnfts), 03-Temporary, etc. This is also considered an attribute of the position.

Exempt Employee – refers to SAP 1- character code used to identify employees with an exempt status – "E" means the employee **is not** entitled to overtime. This is also considered an attribute of the job.

Non-Exempt Employee – refers to SAP 1- character code used to identify employees with a non-exempt status – "N" means the employee **is** entitled to overtime at the rate of one-and-one half (1.5) times the regular hourly rate of pay as required by FLSA. This is also considered an attribute of the job.

Overtime – Hours that are physically worked for SBBC (both primary assignment and any additional assignment hours) that exceeds 40 hours for the work week. The work week for SBBC begins on Monday and ends on Sunday. For further information regarding overtime calculations refer to Business Practice Bulletin PR-100, Payroll and Time Entry.

BRITE

SELECTING THE CORRECT ADDITIONAL ASSIGNMENT JOB CLASS AND PAY RATE USING THE ADDITIONAL ASSIGNMENT JOB CLASS/RATE SCHEDULE

1. In order to select the correct additional assignment job class and pay rate, you will need:
   - A current copy of your location's staffing report
   - The Additional Assignment Job Class/Rate Schedule
   - The primary Personnel Area (PA) of the employee who will be working the additional assignment. (**NOTE:** To find an employee's personnel area use PA20 and select Organizational Assignment [0001] under Basic Personal Data tab to view the 4-digit code; i.e., PA01, CL02, etc.)

2. The Additional Assignment Job Class/Rate Schedule should be used to determine the correct job class and to indicate the rate of pay to use for employees that will be working an additional assignment(s). There are three types of additional positions and which type to select depends on the Personnel Area (PA) of the additional position, the type of work being performed and how that compares to the PA on the primary assignment.
   - **Type A** - additional positions pertain to all employees, regardless of the PA on their primary assignment.
   - **Type B** - additional positions should be selected only if the PA of the additional position is the same as the PA on the employee's primary assignment and the work being performed is the same as the primary.
   - **Type C** - additional positions should only be selected if the PA of the additional position is different than the PA on the employee's primary assignment. *See Figure 1 below for assistance in selecting the correct additional position.*

3. Once you have determined which job class should be used on the additional assignment, review your staffing report to verify that a position which contains the identified job class is available at your location. If you do not find a position on your staffing report, you will need to submit a Position Request – Create form. The position must be created before you can continue.

   a. Using the Additional Assignment Job Class/Rate Schedule, find the additional position that best matches work that will be performed by the employee.

   b. If the Job CL selected is listed as Type A on the schedule, this is the Job CL and rate that will be assigned to the employee working the assignment.

   c. If the Job CL selected is listed as either Type B or C, compare the PA of the additional position found on the schedule to the PA on the employee's primary assignment.

   d. If the Job CL selected is listed as Type B and the PA on the additional assignment and the PA on the employee's primary assignment are the same then this is the Job CL and rate that will be assigned to the employee working the assignment. If the PA's are different, you need to review the schedule again and find a Job CL identified as Type C.

   e. If the Job CL selected is listed as Type C and the PA on the additional assignment is different than the PA on the employee's primary assignment then this is the Job CL and rate that will be assigned to the employee working the assignment. If the PA's are the same, you need to review the schedule again and find a Job CL identified as Type B.

The hourly rate of the certain additional assignments will vary depending on the employee's professional development. Contact the appropriate staffing department for assistance in selecting the correct rate on additional assignments that have multiple rates listed.

*Rate - Non-certified OR Certified out-of-field
**Rate - Bachelor's Degree OR Non-degreed Vocational with in-Field Certification
***Rate - Master's Degree (or higher) with Certificate OR Advanced Vocational Certificate

PR - The rate of pay on the additional assignment will be same as the the hourly rate on employee's primary assignment.

Type A - Additional Assignment pertains to all employees regardless of PA
Type B - Additional Assignment PA is the same as the Primary Assignment PA
Type C - Additional Assignment PA is the different from the Primary Assignment PA

6/7/2011

The School Board of Broward County, FL **EXHIBIT #2**

Non-Instructional Additional Assignment Agreement Form

This form is the initiating document to approve a non-instructional additional assignment for all permanent employees. This form does not apply to temporary or substitute employees or instructional employees (Personnel Area IN01 or IN02) working an instructional additional assignment (IN01 or IN02). Instructional personnel working non-instructional additional assignments will need to complete the form.

Employee Primary Assignment Information

Information in this Section can be obtained using SAP transaction PA20 by selecting Organizational Assignment (0001) and Basic Pay (0008).

Personnel # | Last Name | First Name

Primary Pos# | Primary Position Title | Personnel Area | ☐ Exempt ☐ Non-Exempt Exempt Status

Org Unit | Location Name | Hourly Rate

Assignment Information

The location that the additional position belongs to is responsible for the payroll processing of all hours recorded on the position.

Org Unit | Location Name

Addl Pos# | Additional Position Title | Job Class # | Personnel Area

Personnel Area Comparison: Does the Personnel Area in the Employee Information Section of the form match the Personnel Area in the Additional Position Description Section of this form? ☐ Yes ☐ No

If yes, then the additional assignment job class must be type A or B from the Addl Assignment Job Class/Rate Schedule list.
If no, then the additional assignment job class must be Type A or C from the Addl Assignment Job Class/Rate Schedule list.

List dates and total number of hours that are anticipated with the additional position. The dates and hours agreed to on this form are to be used only as an estimation and can be changed at any time based upon, but not limited to, a change in funding available to cover costs of the assignment or a change in the dates and hours necessary to complete the project.

Start Date | End Date | Estimated Tot Hrs

Hourly Rate of Additional Assignment

Enter the rate that is listed on the Addl Assignment Job Class/Rate Schedule. If PR is listed, then enter the hourly rate of the employee's primary assignment. If, for whatever reason, it is determined that the hourly rate agreed upon on this form was calculated incorrectly or the hourly rate on the employee's primary assignment changes, the hourly rate on this agreement will be recalculated and corrected based on the guidelines outlined in the Additional Assignments Business Practice Bulletin.

Hourly Rate | *Overtime Rate

*If the Non-Exempt box in the Employee Primary Assignment Information box is checked then enter one and one half times (1.5) the Hourly Rate amount, leave this field blank if the Exempt box is checked. The overtime rate will be paid for non-exempt employees when all combined hours worked, primary assignment and any other additional assignments, for SBBC during the work week exceed 40 hours. The workweek for SBBC begins on Monday and ends on Sunday.

EXHIBIT #5

Payroll, Overtime, and Overpayment Audit of the Third Quarter of 2025

SUPPLEMENTS

ALL VACANCIES IN SUPPLEMENTAL POSITIONS SHALL BE ADVERTISED FIRST WITHIN THE SCHOOL AND THEN IF NOT FILLED IN THE SCHOOL, SHALL BE ADVERTISED IN ALL SCHOOLS AND DEPARTMENTS. SCHOOL EMPLOYEES SHALL BE LIMITED TO TWO (2) SUPPLEMENTS PERFORMED DURING THE SCHOOL DAY, AND ANY ADDITIONAL SUPPLEMENTS WOULD REQUIRE A WAIVER.

AUTHORITY: F.S. 230.22 (1) (2)
POLICY ADOPTED: 12/15/77
POLICY AMENDED: 3/15/79 ; 12/17/81 AMENDED POLICY APPROVED: 4/5/84

RULES

1. Recommendations for supplemental positions should be presented to the Board for approval prior to the date the supplemental position begins.

2. No person shall receive more than one supplement for duties performed simultaneously with the duties for which another supplement is paid, i.e., an employee cannot receive pay for two supplements for the same hour(s) of work.

3. It shall be the responsibility of each principal/administrator to ensure compliance with job descriptions designated for specific supplements.

4. It shall be the responsibility of each principal/administrator to monitor this policy at his/her school location.

AUTHORITY: F.S. 230.22 (1) (2)
POLICY ADOPTED: 12/15/77
POLICY AMENDED: 3/15/79 ; 12/17/81 AMENDED POLICY APPROVED: 4/5/84

SCHOOL BOARD OF BROWARD COUNTY

AUDIT COMMITTEE MEETING

KC WRIGHT ADMINISTRATION CENTER
BOARD ROOM
600 SE 3RD AVENUE
FORT LAUDERDALE, FLORIDA

THURSDAY, JUNE 18, 2026
9:35 A.M. - 12:36 P.M.

Court Reporter:
Timothy R. Bass, Stenographic Reporter
Bass Reporting Service, Inc.
633 South Andrews Avenue, Suite 500
Fort Lauderdale, FL 33301

COMMITTEE MEMBERS IN ATTENDANCE:
MS. MARY FERTIG, Chair
MR. DON GILBERT
MR. ROBERT MAYERSOHN
MR. DHANDAPANI THIRUVENKEDAM
MS. MARIAH RABIDEAU
MR. ANDREW MEDVIN, CPA
MR. LEW NAYLOR
MS. RACHEL ROSAS
MS. MURIEL THEOPHIN-ATILUS

OFFICE OF THE CHIEF AUDITOR STAFF:

MR. MARK MAGLI, Chief Auditor
MS. NAKIA GOULDBOURNE, Manager, Internal Funds
MS. JENNIFER HARPALANI, Assistant Director, IT Audits
MS. ELENA PRITYKINA, Operational Audits
MS. RAYSA LUGO, Senior Auditor
MR. MERLIN BUTLER, Manager - Property & Inventory
MR. BRYAN ERHARD, System Support Specialist II
MR. DEREK TILLMAN, Executive Secretary
MS. OCTAVIA ALLEN HARDAWAY, Clerk Spec C

DISTRICT STAFF:

MS. ROMANEIR JOHNSON, Chief Financial Officer
MS. ANGINE TYGHTER, Director, Talent Acquisitions
MR. MICHAEL SALMERI, Manager, Talent Acquisition
DR. ERNIE W. LOZANO, Chief Human Resources Officer
MR. JEFFREY WHITNEY, Director, Budget
MR. RYAN SMITH, Director, Business Support Center
MR. ANTONIO BRIHM, Supervisor, Payroll
MS. HEATHER PARENTE, Director, Professional Practices

INVITED GUESTS:

MR. RODERICK HARVEY, External Auditor, HCT Certified Public Accountants and Consultants
MR. ROB BROLINE, External Auditor, Carr, Riggs & Ingram, L.L.C.
MR. MARK SMITH, External Auditor, Carr, Riggs & Ingram, L.L.C.
MR. TIM BASS, Court Reporter, United Reporting

The following pages are excerpts of the draft minutes of the Audit Committee Meeting of June 18, 2026 that are specifically related to Performance Audit Report - Payroll, Overtime, and Overpayment Audit Quarter 3, Fiscal Year 2025.

The complete minutes, which include Committee discussion on matters not related to this item, are scheduled for Committee discussion and approval at their next scheduled meeting on July 16, 2026.

the last thing on our agenda as we plan our agenda.

Okay. I'm going to just move then right way to the HCT - Payroll, Overtime and Overpayment Audit Report from the Third Quarter of 2025 and Mr. Magli.

MR. MAGLI: Good morning. I will introduce Mr. Roderick Harvey, who is the principal of HCT who performed this review for us. He can walk us through things. Generally, it was a review of many of the components involving payroll. It was initiated, the time period involves January 1st through March 31st of last year, as we call it Quarter 3, and it's a number of things, worked with many of the departments here, HR, Payroll, I think finance a little bit, and some of the school bases that cooperated with him. And Ms. Pritykina who worked hand in hand for our office helping to liaise that engagement. So I will leave it to him to give sort of an introduction to it and we'll move it forward with any questions.

MR. HARVEY: Good morning. My name is Roderick Harvey with HCT. Good to see everybody again. We performed a performance audit over

Payroll, Overtime and Overpayment Audit for, again, the third quarter for fiscal year 2025.

The Broward School Board operates a complex payroll environment supporting large and diverse work across multiple platforms, departments, locations and employee classifications. Those payroll operations include regular wages, overtime, supplements, stipends, retro payments and other compensation elements governed by collective bargaining agreements, district policies and applicable federal and state regulations. Because of the decentralized nature of the payroll process and the volume and variability of compensation structures the payroll function carries increased risk related to data accuracy, documentation, internal controls and compliance. Effective oversight requires consistent documentation, strong internal controls, reliable system integration and to ensure that payroll transactions are accurate, authorized and properly supported.

We performed our audit. We looked at various structures of documentation for our payroll. Items we looked at, primary, secondary payment, double time payment, overlapping entries, large

one-time payments, retroactive payroll adjustments. Additionally, we looked at cross-checking employee data for duplicate or ghost employees, identifying internal controls. Do the segregation of duties control deficiencies? The basis of our documentation we reviewed, we looked at reports from the SAP system, VPN reports, earnings reports, retroactive payroll remuneration reports. We also looked at overtime reports and basic pay reports. We reviewed the collective bargaining agreement, invoices, pay records, payroll agenda, email communications, system demonstrations, and, of course, interviews with BCPS personnel.

We identified seven findings as it relates to our work and our results. We also identified six observations that we noted.

Finding 1, and this is just a high level, Lack of Identifiable Approvals for Payroll Reports. Management agrees. And, again, with all of the findings there are our condition criteria recommendations, and, of course, Management response.

Finding 2, Variances in Referendum Pay, Management disagrees. Variance in Referendum

Pay, Management disagrees. But it did revolve around data being incomplete.

Retroactive Pay from Timekeeping and Approval, Management agrees, will issue reminders and monitor by location.

Outdated Compensation Agreement, Management agrees. Stipends will now end annually.

No Documentation Basis for Supplemental Computation, Management agrees.

Lack of Support -- Supporting Documentation for Transactions, Management agrees and will consider a centralized payroll.

Observations -- Key Observations, lack of identifiable approvals, insufficient documentation for regular working hours, and this is secondary, missing or incomplete documentation of supplements.

So in plain terms we believe that our report provides a basis of improvement for the district, things that should be considered and done to improve the payroll process.

We will now take any questions that you may have.

MS. FERTIG: Thank you. Okay. I just first of all want to tell you that I found this very

readable. One, the way you wrote it, but, two, the fact that you used a good-sized font also. So thank you. I know that's often something that comes up in our meetings that we have tiny, but this was great. So thank you for that.

Okay. I'm going to start with questions. Do you want to go around?

Muriel, did you have any comments on this?

MS. THEOPHIN-ATILUS: Yes. So good morning again. Muriel Theophin-Atilus. So -- well, my first thing was, I mean, for the documents that you were not able to receive, one of my concerns was, you know, for the memo that was sent when Mr. Runcie was superintendent asking for like, as far as the payroll, the process, that needs to be signed off and be complete. And so my concern is that if we're still establishing that same issue. Especially when it was $2 to $29 per month and 22 cases were found about the errors regarding that.

And then, also, the Retroactive Pay, how far back retroactive are we speaking that an employee can ask to get that paid on their next check?

MR. HARVEY: That is finding -- which finding are you specifically looking at?

MS. THEOPHIN-ATILUS: I think it's page 17.

17 or 18.

MR. HARVEY: That's Finding 4? I'm just going to -- so in this case, if I'm understanding the correct finding, HCT identified eight instances of retro pay where they were processed missing time and they were eventually paid. Here is the finding in plain terms. Retroactive pay is not wrong itself, it corrects earlier periods. I don't know, and maybe Management can speak to how far they go back, but the high share of pay slips carrying prior period adjustments signals that time is being entered or approved late. The fix is timeliness to ensure their daily entry timelines and to watch the departments or the locations for lag. I'm not sure how far they go back to correct or can go back. We just noted that several of them had that flag and that tag.

MS. THEOPHIN-ATILUS: Okay. Because I see that we're going back -- I'm so sorry, I have notes. So we're going back -- also, I'm going to reference the memo sent by Superintendent Runcie back in 2018. It -- or I'm wrong. It clearly states that payroll timesheets should be in by, let's just say, every Monday, you know. So I just feel like at this point, and I saw that when

you said Management did not agree, but I think that is something that's definitely big, because we're not being compliant in following that. So then what if all of a sudden I'm going through my paychecks and I realize three paychecks back I'm missing hours? To look at my stubs. Because I know now -- well, I hope BCPS does the same thing, the stubs are electronic and you have to log in to see them?

MR. HARVEY: I'm going to defer to Management.

MS. THEOPHIN-ATILUS: So, yes. So if that's the case, then, you know, what if one day I just decide to log in and three paychecks back I'm like, oh, my goodness, I never got that time or that pay, you know? So I think it's just a little -- because of the noncompliance on that, I think that's definitely something. And then when I saw that the Management did not agree, that was pretty much it.

MR. HARVEY: Thank you.

MS. FERTIG: Is there a response to how far back? I don't know who the person is who's answering, so --

MR. MAGLI: So we're going to have to get a

clarification on that. The director is on her way in. So she should be here shortly.

But do you have an answer for that?

So we'll have to follow up on that but as you go around with concerns, hopefully, we'll be able to address that shortly thereafter.

MS. FERTIG: Okay. Great. Thank you.

Anything else, Muriel, or --

MS. THEOPHIN-ATILUS: The other thing was the payment when they do a secondary job, I believe it was, and how the experience and the years that they've given. And I saw that you guys, I guess, you were previously using a software or you guys changed or we changed over to a software, so that's one of the things that are identifying the issues as well. So, you know, how long does it take usually to update? Or when, is there a time -- well, let me just say, I would suggest, you know, if there is something that quarterly needs to be updated as far as the years that staff has been with us to make sure that the calculations are done properly, I think that would be a good thing, because I've noticed that, as well. Thank you.

MS. FERTIG: Thank you. Mr. Mayersohn.

MR. MAYERSOHN: So, I guess, for me to get a grasp on this audit, can somebody explain to me the operational management of payroll?

So, as an example, does everybody submit electronically or there's still paper and pencil submissions? Is it if there are employees that are on a Kronos time clock system, is it the same thing? Because I know from my perspective the county uses a Kronos system and every employee is on a Kronos system internally. They may not punch a clock, but at least their time schedule is. So every employee signs off on, here's their schedule, they work, they review that they got paid. If there was a day off or they came in late or whatever they did, at the end of that two-week period they sign off on it. And, again, not necessarily, people would know that this is their employee number, that they signed off on it, regardless of -- it's an electronic signature. So I guess my question is, because it seems that there are, you've got, obviously, employees that are on, you know, a time clock system, employees that are on a regular, you know, I'll call it nonexempt, you work as many hours as you need to to get the job done, are

those employees treated the same in regards to their requirement to identify their pay and sign off on it from a schedule? And then is there a supervisor who then approves that method? As well as a supervisor who manages that Kronos time clock?

So, for example, let's say if an employee's supposed to work from nine to five and take a half hour for lunch, do they then have -- if they punch in at 8:50 does that count as their time or they can't punch in until 8:53? If they leave and they forget to punch out, how is that recorded? So, I guess -- I guess what I'm trying to understand is that operational management to then make comments on the findings. So can somebody kind of give me a broad overview on that?

MR. HARVEY: So I'll start out and give the broad understanding as we know it and just kind of lay the foundation. I will temper that by saying we looked at a sample of 100 transactions. So the school district pays in an AA/BB format. So some people fall in AA, BB. More foundation. The district operates several classification structures. So there are seven bargaining

agreement units. So that dictates how folks get paid. And I will list them out. Broward Teachers Union, Federation of Public Employees, Police Benevolent Association, and three meet and confer groups that govern the compensation structure. Further, payroll as far as documentation is maintained at the location or the school level.

MR. MAYERSOHN: Right. Is that maintained electronically or pen and paper? Like, for example, I'm a teacher, let's say. I work, you know, whatever is at a high school, I'm in at 7:00, I'm out at 2:30, that's my hours. How do I document that I've worked those hours? Do I verify that? And is there a supervisor who verifies that, yes, I was there for those hours?

MR. HARVEY: So -- great question. And part of that is within our findings, kind of half of that. So, yes, there's a Kronos system. At some point we noted in our findings, in our discussion, that certain locations went manual. One of the discussion points we had brought out is the title of the person. So, in other words, we could see that the pay was reviewed, but it didn't give the appropriate title of the person.

So our concern was did John reviewing the payroll of Betty, but they're at the same level, so in other words, and I think it's in the spirit of your question, is it reviewed, not only reviewed and signed off, but by a person that's higher in the structure, so that we can make sure, to your point, that the time is reflected accurately. So if John got in at 7:45 versus 7:30 that was noted and documented. Now, how it reflects forward, whether that time is dinged against the person or not I imagine is a function of their title, a function of where they fall in the bargaining units and agreements, and their salary. So that part I can't speak to. But I can give you or hopefully give you some foundation of kind of how it works in this decentralized format.

DR. LOZANO: Let me just simplify it a little bit. It's a paper-and-pencil process for the most part. If a teacher's going to be absent, they fill out a COA form, it's given to the office manager at a school. So as a principal of the school, I'll just start with school-based, every Monday payroll's run for each schedule, either are AA or BB. Then at the school level the office manager would pull the printouts of

the payroll, verify the attendance, verify, to Muriel's point, the secondary payments, make sure all the payments are accurate, make sure the time is accurate for the employee, then the principal receives that and the principal has to sign off. Then we get a second final printout that we do later in the week to, again, verify. It is a paper-and-pencil process for the most part in terms of certificates of absence and vacation time and things like that.

MR. MAYERSOHN: Can I make -- and, again, I'm just going to make this suggestion, we've talked about it numerous times. The district needs to get away from paper and pencil. For example, as in the county, we've gone -- we've transitioned from Kronos, we're going to run a UKG program. Every employee is on that system, whether they're an hourly employee or whether they are an exempt employee and they, you know, work a schedule. There are so many more efficiencies to be able to utilize that this system -- and even to run reports. So a principal can sign off and look on data to say, oh, my payroll for the last two weeks should be X, I wonder why it's Y, let me go in and identify it. As opposed to going, let me

see here, payroll, you know, administrator or clerk, can you look at this? It's -- it will save a ton of time and money in the long run. So, for example, if somebody were to take a day off, you know, how is that currently recorded now? I've got to write something on a note, Mary, I want to take the day off, here it is. Mary goes, oh, you know what, I've got a catastrophe, I'm busy right now, I can't do it, it gets lost and it doesn't come back until six weeks later where somebody says, oh, I guess somebody got paid and maybe they shouldn't have because of whatever category they're in.

So I just think from that electronic system I truly believe that, you know, the district should somehow find the money some way to be able to transition to a plan -- and I think we all agree, it's just a matter of the cost and implementation of it. But I think it runs it more efficiently and you're able to solve a lot of the challenges. You know, to Mr. Henry's point is that you don't have to worry who the supervisor is, it's there. The payroll supervisor is assigned. So, you know, here are the 12 people or 30 people that that person is responsible for. From a Kronos

system, when it gets -- like I said, with the clock, you know, somebody doesn't sign off, what happens? Does the employee who signed off on it -- because the employee will review it and go to their supervisor and say, hey, you know what, I forgot to sign out but I left at 4:30. Okay, we'll -- the supervisor, okay, we'll fill it in. If somebody signs in early or somebody signs in late. You know, you sign in late, fine, that's what you get paid for if you're an hourly employee, as opposed to the time sheets that are not, you know, 100 percent accurate. And I know -- is everybody who is an hourly employee, are they on Kronos? You'd have to look that up?

DR. LOZANO: Payroll can verify if everyone is. I know our Food & Nutrition staff is. Certain groups in our security group, Transportation. So -- but I can't verify that 100 percent are. So I would need payroll to verify that.

MR. MAYERSOHN: I mean, it just, as opposed to transferring from one system to another system, here's information, now it goes into SAP, it's just -- it's a lot of work, where all it takes is a button and go boop and it's done.

DR. LOZANO: So I appreciate this group and this conversation is very timely because the workshop that happened Tuesday, one of the conversations was the capital budget, and part of that conversation which is coming back Tuesday is the conversation around a new ERP system. So we've had -- we've had a system for 20-plus years. We didn't buy the entire ERP system. We bought certain modules and then over the years we tweaked it, redefined it to Browardize it. And then we just at the beginning of this year transitioned from that system to an upgraded system. But some of, because we didn't have the whole product, didn't transfer over. So we have pieces that we still rely on from the old system and the new system.

So, to your point, looking at and bringing in an updated 2026 fully electronic version of an ERP system that is comprehensive to this district is going to really clean up a lot of the findings that were presented in this report. So we're looking forward to the conversations Tuesday and moving forward. Dr. Hepburn is leading that charge, as well, to bring up that conversation about the importance of moving Broward County

Public Schools to an integrated more efficient fully self serviceable electronic ERP system.

MS. FERTIG: And just to add on to what Bob's saying, I feel like we've had this conversation, you know this because you have to come to our meetings occasionally and hear it, we've had the conversation repeatedly about having an electronic versus a paper system. And we're going to get into that in the next audit as well. And I just feel like year after year they keep telling us next year there will be a system. But increasingly as I read both of these I was reflecting on -- I knew the question that was going to come up. And I -- don't take this the wrong way, I kind of knew the answer, we're getting it next year.

And so I just wanted to add onto what he's saying, saying this is a long-term problem that needs to be addressed. So --

Okay. I'm -- are you -- do you have anymore?

MR. MAYERSOHN: I just -- I mean, look, payroll issues are not necessarily specific to Broward County Schools. I mean, there are tons of governmental entities, Broward County has issues, you know, with payroll. They probably

have more people that audit or review to catch those challenges so that it's in realtime. It's not four weeks later we look at it. So that's some of the things that if, you know -- and, again, I don't know if Mr. Harvey had reviewed all, you know, obviously, you've got a scope of work, what to do, you're not working outside of the scope, but, you know, in general, those are some of the things that are, you know, what's the level of a -- I mean, are there payroll supervisors that have to sign off or you're saying the schools are naturally the payroll clerk and the principal? As opposed to assigning it where it might be better served where the head of the English department, you know, does the payroll for all -- because they're getting a stipend as the department head, maybe that's added onto their duties and their tasks. You know, and, again, these are just things that are popping into my head to make it a smoother transition and element. Because the principal may not necessarily know that Mary Smith, who's an English teacher, was out today, because they're doing a bunch of, you know, other things. Maybe an assistant principal does or whatever,

but maybe they communicate that to the principal, you know, a week later. But with an electronic system, as I think we'll all agree, that press of a button where I can review it or look into it, I mean, is -- is definitely a bonus. So that's kind of my comment.

MS. FERTIG: Okay. Lew.

MR. NAYLOR: Yeah. Thank you. You mentioned that the audit was based upon 100 transactions. Is that 100 paychecks or 100 employees who were followed through the quarter to make sure their pay was calculated correctly?

MR. HARVEY: We selected -- thank you for that question. We selected a sample of 100 employs and tested wages, supplements and additional compensation, overtime and payroll. So it wasn't just a matter of 100 pay slips because each of those took us somewhere else depending on what the person had in their compensation slip. And from there we drilled down and tested based on why they would get this supplement, this basic pay, those types of things.

MS. FERTIG: So what percent of the total either transactions or employees were tested? I

mean, I'm looking at 15,000 teachers, I'm looking at 2,000 of this; how many total employees; how many total transactions?

MR. HARVEY: So --

MR. NAYLOR: Just to get a general idea of the sample size.

MR. HARVEY: A general idea.

So on page 13 we break out by category. So in the period under review, remember, we looked at a quarter, there were 31,166 employees affected. That payroll period, that three-month period the wages, gross wages total 456 -- 456 million. So we looked at a sample of 100 transactions. So we didn't base it on a percent of, we looked at the total and selected a hundred.

MR. NAYLOR: Okay. Okay. And that was one of my other questions, is, your category percents are based upon actual employee counts or dollar amounts, not employee counts? You're basically understating the number of transactions that potentially could have errors; is that correct.

MR. HARVEY: So -- which, I think, speaks to extrapolation. And so the extrapolation we showed in one of -- it's, number one, not a real

error. It's just, you know, kind of a mathematical potential that could happen. So I want to make sure I put that on the record. But, yes, if you look at potentially and try to extrapolate it's complex here because you could do it on numerous bases, employee count, employees per category, you could do it on wage size, transaction size. And so us, along with OCA, we selected 100 transactions. We didn't go back and say, okay, this reps one percent of all the transactions or one percent of the value of the payroll for that quarter.

MR. NAYLOR: So that would be -- that would be relevant when you're trying to determine the risks factors.

MR. HARVEY: That's correct. That's correct. And I can just tell you, the size of that selection, if we were to do it one percent, five percent, would be a lot of transactions.

MR. NAYLOR: Okay. Let me see. I was trying to go in order here. The -- well, while I'm looking, moving ahead to Compensatory Time and the process for handling, it says by 2019-2020 there was supposed to be an agreement on how to handle that. And since it still seems to be an

issue I don't know if there's been any movement on that. But as you noted there was additional financial risk to the district for that.

MR. HARVEY: Which page? Which finding are you referring to, Lew?

MR. NAYLOR: Let's see. I think that's page 44. Compensatory Time. Second paragraph you're talking about to resolve the issue by the end of 2019, 2020.

MR. HARVEY: Yeah, so what you're referring to, and this may be also the same that the young lady referred to is the 2019 memo from then Superintendent Runcie regarding compensatory time. I'm not aware if that has been implemented. I will defer to Management. But, yes, this is relating to something that should have been or was forthcoming going back to 2019.

MR. NAYLOR: Okay. So you're not -- you're not familiar with that; okay. So that would be Management.

Okay. Let's see here. Oh, one of the other questions in general is what -- was there any type of study done to see what percent of the findings or errors that you identified were related to the backup for the payroll processor?

Because understanding no one works 24/7, 365 days a year, so I was just trying to understand if the process errors identified were done by the people whose main responsibility was processing payroll or it was done by their backups?

MR. HARVEY: Can you restate the question? Are you asking our error rate that we found from our population or in the general --

MR. NAYLOR: Well, just when you look at and you make identification, each of those documents probably had who processed those. And the question was whether they were processed by the primary payroll -- what's that person called, payroll?

DR. LOZANO: Processor.

MR. NAYLOR: Payroll processor or their backup? Because that really goes back to training; right? So I'm just trying to understand if anything was looked at for that.

MR. HARVEY: So I think it's our Finding 1 where we note that we were able to see some of the signatures but not the initials. I mean, see the initials but not the title, so we could not tell who exactly was signing off. So we would not then be able to tell if it's the primary

person or backup person that is approving or agreeing to the time or the documentation put forward.

MR. NAYLOR: Okay. And then I think the last question, on page 24 you mentioned findings related to payroll governance. Could you define what you mean by governance?

MR. HARVEY: Just the overall controls of payroll. Just making sure the administration of it is handled correctly and appropriately on a consistent basis.

MR. NAYLOR: Okay. So it's not by the people who are making the decisions on the policies, it's the people who are responsible for the actual fiscal processing?

MR. HARVEY: That's what we -- the policies and procedures should already be in place. Based on that, the folks should be following it. And based on our testing, okay, here's what should be done, what did you do, how large is that gap? And so that's what we believe is governance. Are you following those laid-out policies every time all the time?

MR. NAYLOR: Okay. Thank you.

MR. HARVEY: Yes, sir.

MS. FERTIG: Mr. Medvin.

MR. MEDVIN: Thank you. It's obvious that the whole payroll system is rather complex.

MR. HARVEY: Yes, sir, Andrew.

MR. MEDVIN: And it's spread all over the place. And you said your sample was approximately 100?

MR. HARVEY: It was 100.

MR. MEDVIN: Which is almost miniscule for the total amount of transactions, employees, dollars, however you want to look at it. Is it fair to say that that sample is sufficient size to come up with a reasonable risk factor?

MR. HARVEY: We believe so. I would -- I would -- I would reframe -- I would re-pitch your question as the sample selected was enough to make conclusions on. And so the conclusions reached, the inferences made, we believe are indicative to be put forward to the population.

MR. MEDVIN: Now, this is my loaded question. Even as an auditor, which you're independent and not giving a formal opinion, at least you had access to the whole kit and caboodle at one time, do we have a problem or basically are we doing okay needing some improvement in your specific

recommendations?

MR. HARVEY: Yeah, that is a loaded question. So -- so let me split the hair. So I think the problem or to assign it as a problem is the responsibility of the board, the audit committee, and the people in charge. With that being said, I believe that the decentralized nature of payroll, the fact that documentation is hard to be found on a moment's notice, the lack of being able to track -- you've got two or three types of -- you've got a timeliness error, things are done correctly, but it's a lag, you have support errors or deficiencies, we can't find it, and then in some cases which causes extra time, the person's here but they also work there, so they work in two locations, and the secondary location has the paperwork. And so because of that it then gives an inference that there are wage issues. And because we don't know, and "we" is the global "we", you can't then determine of the $456 million for that quarter, what's the true error rate; if any.

MR. MEDVIN: Okay. But as a general, your observations, are we in deep doo-doo, as they say, or are we functioning fairly well subject to

obvious suggested improvements, i.e., full electronic reporting or are we in a crisis situation.

MR. HARVEY: So if I could make light of your question, I don't know how deep the doo-doo is, but something smells. And if something smells there's normally doo-doo or soiled meat in the area.

MR. MAYERSOHN: Is that an industry term?

MR. HARVEY: And so, to Bob's point, I think an electronic system would certainly allow us to measure if there are any anomalies out there. But I would say, I could go on the record and say, yes, I think based on what we saw, I mean we got seven findings and six observations on 100 samples. So if you extrapolate that to a thousand, what do we now have, 49 findings? I mean, so -- and it's not linear; right?

So I would say that something definitely needs to be fixed and I believe Mr. Lozano said that fixes are coming. So I think his commentary is good, that something should -- must be done regarding payroll. It is one of the biggest spends of this government, which we all know that.

MR. MEDVIN: Thank you.

MS. FERTIG: So I'm just going to just jump in here real quick and say, for Andrew, and for Bob, and for myself, and anyone else who was here when that 2019 memo was written and we had Ms. Marte here commenting on the various systems, we were hearing electronic. And you're telling us -- we were asking some of these same questions, probably Bob asked it, and we heard a lot of the same answers. So you're saying this is going to the board, Dr. Lozano, on Tuesday?

DR. LOZANO: For conversation in the workshop. So after the special meeting there is one item for the workshop that they scheduled for Tuesday, it's the capital budget item. And as part of that item the conversation around the ERP system. We're currently in the RFP process right now to choose and secure a new system and be ready to select and move forward. So this is ripe and perfect for the conversation we're going to have on Tuesday and in the months ahead.

MS. FERTIG: And so -- and I was going to wait until the end to say this, so I apologize, but I was going to say, they're not going to have this audit, are they, on Tuesday? But each of us

is appointed by somebody, so at the end of this we can have a conversation about what, you know, how important it is for them to see what we have in front us as an audit committee today when making decisions. I think when making those decisions it would be helpful to see this.

Okay. I'm sorry, I jumped in there.

MR. MEDVIN: I'm good.

MS. THEOPHIN-ATILUS: Can I? Good. Mr. Roderick, you said when -- I'm sorry, I can't see his name --

MR. HARVEY: Andrew.

MS. THEOPHIN-ATILUS: Mentioned the -- I'm so sorry, the memo, just like I did, so page 41 and page 44 or 43 with the memos that was sent out back to 2018-19, you made the statement that you're not sure if it was enforced.

MR. HARVEY: That's correct.

MS. THEOPHIN-ATILUS: So I'm just going to put there, that's a huge issue if it was not enforced, because, obviously, it went out to everyone. And then also on page 19 it shows how employees are being paid on outdated agreements of 2018 and '19, as well. So I just feel, are we stuck in 2018-19 since you don't know if it was

enforced? So what's basically going on?

MR. HARVEY: Yes, that's our Finding 5. Thank you.

MS. FERTIG: Mark, yeah.

MR. MAGLI: So, thank you. I want to point to the fact that we did, in fact, expect representation here and they are not, there's a reason that I'm not familiar with right here. But what I would say is that the system, whether we go to a new ERP or not and it's included to accommodate all these suggestions which are logical and sensible, of course, we have to take care of what we're doing right now anyway until that system's implemented. And we can't really wait until full implementation occurs for us to address this. So, certainly, I will bring this forward and we'll make sure that the superintendent understands what this is, and, potentially, some of these questions could have been answered before us here today more readily. Dr. Lozano is doing his best to answer things that are not necessarily directly under his purview. So I don't feel comfortable with just saying that we can just wait until the ERP, myself, and I do suggest that in whatever what

will be discussed next week in the workshop, you know, could include this along with a myriad of things that are supposed to be accomplished through the ERP system. I'm sure they'll be presenting a lot of factors. And so I recommend that. And we are getting answers from Mr. Harvey based on his view of things, which is, in fact, a sample. So I'm -- I'm not sure what the committee would want to do right now regarding this report. And, certainly, Mr. Harvey's done his best to do it and I would like to continue with all your questions, but Ms. Johnson is due to come later who is over finance, which a subsection of that would be payroll.

So I don't know if we want to table it for a minute or go through the rest of the questions, certainly, but --

MS. FERTIG: Yeah, I was actually wondering that when we didn't have someone here at the beginning but we had started with Mr. Harvey and just in respect for his time I was going to see if I -- I'm making a list of questions that when she comes, I'm sure everybody's doing the same thing, we can ask.

The question you had about electronic or

paper, what is what, and hours and so forth are things she's going to have to answer.

MR. MAYERSOHN: So just the one question that I have, does every employee sign off on their time sheet or whatever it is, or they just, this is what it is and they wait until they get their paycheck and then reconcile, no, I was here on Tuesday, I didn't get paid. Do they sign off on it?

MR. MAGLI: It's localized. So it's incumbent upon the department, the school, whatever, to review those records and to work on it. When they say paper and pencil, you, some of that involves the use of certificates of absence, things like that, that have to be entered into the system. I know that, locally, I eventually have to go through and review all those things and reports that are run through SAP that I certify and validate those times.

MR. MAYERSOHN: Right. But does the individual employee certify or sign off on their pay sheet? No? I see a head, no.

MS. PRITYKINA: So, generally, everybody is paid by the schedule that is set up in SAP. So unless you enter the time off into the system the

person is going to be paid regular hours whatever they're scheduled, for the majority. There are certain groups that are using Kronos but not everyone. And I believe that depends on the bargaining unit how the agreements are done, and things like. But, generally, what we see when we review payroll locations is they provide the time sheets for additional time worked to the schedule. But I haven't seen the employees -- like some locations keep sign-in and sign-out for regular hours, but employees generally -- I mean, they sign in and sign out every day, so that's pretty much that. But like they don't sign in at the end of the week saying, yeah, I worked these hours. So I don't know if that helps.

MR. MAYERSOHN: Yeah. And just my observation from what I'm hearing, and, obviously, Mr. Harvey, as I said, in the scope of what he has, but if an employee is not signing off on whether it's scheduled -- and, again, even in the Kronos system, I didn't sign out, and I'm not reviewing it and I'm not signing off, when I'm getting my paycheck a week later, because, again, you know, it's two weeks and then a week when you get the following or however it is,

you're then going to say, hey, wait a second here, my paycheck is wrong. As opposed to realtime where I sign off on it and in between that 7-day period I can then make a correction in realtime and figure out what's what to avoid, you know, I call backfilling, whatever the challenge may be. So I look at that, if an employee is not signing off that here are those hours, that they verify it, to me that's an internal control that should be looked at.

MS. FERTIG: Okay. I'm just going to note that we're at almost 10:30 and we do have several more audits, so we're just gonna, if it's okay, just pick up quickly with you all and then Ms. Johnson is coming later so we can get an answer to a couple of questions. So is that okay with everybody? I just want to get to the next audit which --

MS. ROSAS: Yeah, my question was, when we schedule audits do we put a projected date for the report to be due? And is there any discussion of what the staffing will be for the audit so that the audit can be short and sweet and we report it out or is it -- is there any planning of that? Because I didn't see it in the

objectives in the report but I wasn't sure how that worked.

MR. MAGLI: So in our initial engagement letter we try to project what it would take to complete the audit.

MS. ROSAS: Okay.

MR. MAGLI: This one, a couple of different factors were involved here that caused this thing to kind of be extended beyond what I think either my staff or Mr. Harvey's staff, he could speak a little bit to some of the concerns, but, you know, generally we try to project it and it's an estimate of the time period. And it did go longer than we anticipated. But, nonetheless, the review still held substance to what it is, even though the elapsed time, but there are certain considerations that we would have liked for it to have come quicker and we are working on that moving forward. So, yes.

MS. ROSAS: Thank you.

MS. FERTIG: DP, go ahead.

MR. THIRUVENKEDAM: Okay. So my question is, I'll start with the new ERP system, so can I know like a date when it is going to get implemented? So they're talking about it as 2026. Do we have

any specific month or anything?

MR. MAGLI: I'm sorry?

So as Dr. Lozano said, the ERP system right now is in the solicitation phase. It's out. I don't know when it closes. I know it's soon. I can follow up with when those things close, when the selection's made. Of course it has to go through the whole process of board approval and all that. So and that will take a little more time, of course. But I can maybe come back to you with more specific timelines for that.

DR. LOZANO: And as you know, with something this big with the amount of money it costs for an ERP system, there could be a bid protest. So a lot of actors weigh into when it's actually brought to the board. But the goal would be to bring it to the board in the fall of 2026. And then, again, to get from approval to actual implementation is a two to three-year process before you would finally be integrating and up and running with a functional ERP system. So it's not a quick process. It involves a lot of people, a lot of staff, to coordinate the writing of code, and scripts, and things like that. So it's a very comprehensive, complex process. And

those conversations and learning curve for the ERP system is what's going to start on Tuesday to begin putting out the information so the general public can understand and the board and everyone, just the entire process of what it means for a district as large as Broward County Public Schools to move to a new ERP system.

MR. THIRUVENKEDAM: Okay. Yeah, I am coming from an IT background so that's why I asked. I know how much time it takes. Thank you.

This is only a clarifying question, so if you see page number 13, I'm finding difficulty in understanding like total wages paid is 456 million for the third quarter and then we are saying that like 10 percent and then 30 percent, what is that number, actually, how I can understand this number?

MR. HARVEY: Yeah, so this is an example of an extrapolated error rate. It is there just for illustrative purposes only. We are not saying that there is an error of this size in this population. But from a mathematical perspective we looked at the gross wages by category for again that one quarter, and you can see in column 1 where we delineate for each of the categories

all of the pay, which totalled the 456 million, we also give the number of employees, we give a percent, and then based on a 10 or 20 percent error rate, if there's a 10 percent error rate in teachers' pay it would be the equivalent of $28 million. So mathematically that's what we're saying.

MR. THIRUVENKEDAM: So based on the sample how much would be the error rate based on the sample?

MR. HARVEY: Restate your question, please.

MR. THIRUVENKEDAM: Yeah, so what is the sample rate? Based on the sample what is the error rate now?

MR. HARVEY: Right. And that's -- we entertained that question earlier. So because we looked at 100 transactions we did not match it back as a value in dollars or number of employees to the overall population. And so it's hard or difficult to assign to say, hey, based on the 100 we saw, then that now means an error rate of 1 percent or a half a percent. So we're not able to do that. So it does leave a potential inability to be able to assign from the 100 we looked at to say, hey, this percent now

represents a full potential error rate. That math won't be able to be done here.

MS. FERTIG: I just want to welcome Ms. Johnson here. I know Dr. Lozano's really glad that you came in so you can take over answering the questions for him. Welcome.

MS. JOHNSON: Thank you. I was in a meeting with a board member.

MS. FERTIG: That's great. We're glad you're here.

MR. THIRUVENKEDAM: Thank you, sir.

MS. FERTIG: Don?

MR. GILBERT: Good morning all. Allow me to elevate a couple of things before I ask this simplest of questions.

MR. HARVEY: Yes.

MR. GILBERT: Because, of course, the concern is the decentralized nature of the current system in play to govern payroll compensation and things of that nature as well as, obviously, the need to have a centralized process, especially given all the various, you know, agreements in place and those calculations associated with those various agreements for accuracy and to minimize any errors, you know, just to say. And, of course,

piggybacking off of DP's look at that chart, and I already knew that that was just a number just for color, just to kind of give you an idea of the size of the potential error if not addressed and mitigated. And we're talking somewhere between 45.6 and 91.3 based off just the color of the sample. My concern is this. Out of all of the number of things we discussed, the key central point is the documentation. Because it's so manual and extensively manual. My question is, now that we know that is one of the linchpins in the accuracy or the deficiency of the current system, what is the then consequences of to those persons that's governing the payroll for the particular entity that these errors was found? Because, again, I know that training is one resolve, but then ongoing, like, okay, hey, we saw this last year and we continue to see it, so how do we then mitigate that to say, okay, guys, there are consequences because it's costly? And to this tune, it's a significant cost. It's nothing miniscule. It's, hey, look, if we don't get a grip on this, you know, we're going to be leaking very, very fast. So what is the then consequences to resolve the lack of documentation

or the clarity of the documentation? For example, when they say, okay, hey, was this done by the lead payroll person or backup, if we can't identify that, how do we then know who to address the training with? If this is just willful blindness because they identified there is a gap or of opportunity, how do we say, hey, no, we need to put a plug in this until we get a full fix? So that's the nature of my question, is, okay, what is the consequence? You know, it's like, okay, we know it and we're just going to have to deal with it until the system gets implemented three to four years from now? How do we then address that? That's the nature of my question.

MR. MAGLI: So relative to your comments, thank you. So, certainly, you know, follow-up as far as like oversight to individuals and errors and repeated, you know, failures to execute, there's the systemic parts of it, too. There's some, you know, integration problems and things like that. I think you're going to find there's a little bit of a theme today, that some of these disconnects from the decentralization and some of them are being addressed more aggressively and
