2.18 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.19 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, VENDOR, when executing, renewing, or extending an agreement with SBBC must provide an affidavit signed by an officer or representative of VENDOR under penalty of perjury stating that VENDOR does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject VENDOR to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if VENDOR is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or in connection with VENDOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement.

2.20 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section

287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.21 **Background Screening.** VENDOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.22 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. VENDOR shall keep and maintain public records required by SBBC to perform the services required under this Agreement. Upon request from SBBC's custodian of public records, VENDOR shall provide SBBC with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. VENDOR shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the

Agreement if VENDOR does not transfer the public records to SBBC. Upon completion of the Agreement, VENDOR shall transfer, at no cost, to SBBC all public records in possession of VENDOR or keep and maintain public records required by SBBC to perform the services required under the Agreement. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.23 **Proprietary Information**.

2.23.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.23.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are

subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.24 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of termination for convenience by SBBC, no refunds shall be due for any fees paid or payable under this Agreement . SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement. SBBC does not waive the right to a trial by jury; agree to the payment of attorney's fees, or agree to arbitration for any disputes.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the

resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of

the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

AGR-FY24-161 – Destination Knowledge

Board Meeting Date: July 28, 2026

Requested Action:
Approve the First Amendment and additional budget authority of $309,784 between The School Board of Broward County, Florida (SBBC), and DKMarsh, Inc., d/b/a Destination Knowledge, for a term that commences on September 1, 2026, and concludes on August 31, 2027.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• School Board Policy 4800: Exceptional Student Education Policies and Procedures (P&P): SBBC is required to provide specialized materials and equipment for students with disabilities when they are necessary for the student to receive a Free Appropriate Public Education (FAPE).
Statutory Requirement	• Florida Statute: F.S. § 1003.01 ensures exceptional students' access to specialized instructional materials, services, and equipment. • The Individuals with Disabilities Education Act (IDEA) specifies the provisions governing parentally placed private school students with disabilities. Destination Knowledge is a curriculum chosen to help deliver equitable services and provide targeted instructional support to eligible private school students with disabilities.
If the School Board votes "Yes"	• The First Amendment and the associated increase in budget authority will ensure that BCPS is in compliance with IDEA by providing equitable services, including instructional materials and resources, to eligible students with disabilities who are parentally placed in private schools, consistent with federal requirements. Furthermore, approval guarantees the District to remain in compliance with School Board Policy 4800 and Florida Statute 1003.01.
If the School Board votes "No"	• Without this approval BCPS will limit their ability to provide equitable services, instructional materials, and resources to eligible students with disabilities who are parentally placed in private schools, potentially resulting in noncompliance with IDEA proportionate share requirements.

Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency • Guardrail 2: Equity • Guardrail 4: Accountability
Measurable Outcome(s)/Return on Investment	• Approval of this request will enable SBBC to meet its legal obligation under the Individuals with Disabilities Education Act (IDEA) to provide equitable services to students with disabilities who are parentally placed in private schools. Measurable outcomes include timely identification, evaluation and delivery of services to all eligible students. Destination Knowledge provides increased access to instructional materials and supports academic achievement, ensures access to instruction, and support measurable academic and functional growth toward Private School Service Plans goals and progress monitoring data. • The return on investment is demonstrated through maintained federal compliance, full utilization of IDEA proportionate share funds in accordance with federal requirements, avoidance of potential audit findings or financial penalties, and improved access to specialized supports that promote student participation and progress.

Background/History
SBBC will provide instructional materials and resources to district-eligible students with disabilities enrolled in private schools through the proportionate share requirements of IDEA.

Destination Knowledge supports the District's Private School Services Office in delivering equitable services to parentally placed private school students, as required under IDEA proportionate share allocations. Over the past year, the number of students accessing services in private schools has increased significantly, largely due to expanded participation in the Florida Empowerment Scholarship - Unique Abilities. As a result, the number of students evaluated and served by the District has nearly doubled over the past two years, which requires expanded service offerings, direct instruction, and instructional tools.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Original Agreement Term: August 29, 2023, through August 31, 2026; First Amendment Term: September 1, 2026, through August 31, 2027, with two additional one-year renewal periods.

Multi-Year Agreement:	Yes, a multi-year Agreement provides operational efficiency and continuity of resources. It ensures significant cost savings and operational efficiencies. By locking in predictable pricing over several years, the District secures volume discounts for essential ESE instructional resources for students with disabilities that attend eligible private schools and access our services. Operationally, this approach dramatically reduces administrative costs and staff time associated with the annual re-bidding and contract negotiation process, ensuring the best price for critical instructional resources for student's accessing a private school service plan.
Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Pursuant to Purchasing Policy 3800, (III, D) and Florida Administrative Code 6A-1.012, 11(b), and 14, which authorizes the purchase of any type of copyrighted materials, Instructional materials, and computer software without competitive solicitations.

Table B: Financial Impact, Funding Source, and Budget Authority
This table summarizes the financial impact of the requested Board action, including the contract agreement authority being approved and the budget sources supporting that request.

Budget Impact Summary Statement:

1. Funding for this Agreement comes from the IDEA Grant's equitable proportion allocation and is designated for parentally placed private school students with disabilities.
2. This First Amendment extends the Original Agreement term from September 1, 2026, through August 31, 2027. The Agreement will continue to benefit eligible private school students attending eligible private schools throughout Broward County.

New / Current Requested Agreement Authority

Budget Authority Request(s)
This section identifies the budget sources that support the requested contract agreement authority, including current-year budget availability and any anticipated funding in future fiscal years, subject to the School Board's annual budget approval.

Current Fiscal Year Budget Authority

Fiscal Year	Length of Agreement Terms	Budget Fund	Amount	Included in Budget (Y/N)
FY27	10 months	IDEA-Proportionate Share	$258,154	Y

Future Fiscal Year(s)	Length of Agreement Terms	Budget Fund	Amount
FY28	2 months	IDEA-Proportionate Share	$51,630

School Impact, Stakeholder Engagement, and Implementation Considerations

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Students with disabilities will benefit from continued access to specialized materials, diagnostic tools, and direct specialized instruction required to implement students' Private School Service Plans (PSSPs). These resources directly support educators, therapists, and service providers in meeting the diverse learning and accessibility needs of students with disabilities. In addition, the district can affirm its commitment to fully comply with IDEA-Proportionate Share requirements, including the provision of equitable supplemental services and the ongoing support of students with disabilities who are parentally placed in private schools.
School Selection /Prioritization	Resources are distributed District-wide and allocated based on individual eligible student needs as specified in their PSSP's. Any private school serving students requiring specialized ESE resources will receive the necessary materials. If circumstances arise that affect the district's ability to provide equitable services across all participating private schools, the district will prioritize service delivery based on demonstrated student need in alignment with IDEA-Proportionate Share. Priority would then be given to eligible private schools with the highest proportion and/or total number of students with disabilities requiring the impacted services. This approach ensures that limited resources are allocated in a manner that addresses the most critical service needs first while maintaining compliance with IDEA requirements.
Community/ Stakeholder Engagement	Input gathered through required ongoing, timely, and meaningful consultation ensures transparency, promotes community trust, and supports the selection of high-quality instructional resources that reflect student needs.
End-User Input	Private school representatives requested instructional resources that support the educational needs of identified students with disabilities.
Technology/Capital Expected Lifecycle/Replacement Cycle	Not Applicable

shall be provided adequate and appropriate workspace in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by Vendor to permit audit, inspection, examination, evaluation, and reproduction as permitted under this section constitute grounds for termination of this Agreement by SBBC for cause and are grounds for SBBC's denial of some or all of any Vendor's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by Vendor in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by Vendor. If the audit discloses billings or charges to which Vendor is not contractually entitled, Vendor shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand.

(f) Inspection of Subcontractor's Records. If applicable, Vendor shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by Vendor to include such requirements in any subcontract constitute grounds for termination of this Agreement by SBBC for cause and are grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to Vendor pursuant to this Agreement and such excluded costs shall become the liability of Vendor.

(g) Inspector General Audits. Vendor shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

For the present, the parties designate the following as the respective places for giving notice:

2.09 **E-Verify**. Pursuant to Section 448.095, Florida Statutes, any party contracting with SBBC shall register with and use the E-Verify system to verify the work authorization for all employees hired during the course of this Agreement. Any such party shall require any subcontractors used to perform the duties and responsibilities under this Agreement to register with and use the E-Verify system to verify the work authorization for all employees that the subcontractor hires during the course of this Agreement. If applicable, any such party must also obtain and retain an affidavit from a subcontractor stating that the subcontractor does not employ, contract with or subcontract with anyone who is not duly authorized to work in the United States. If SBBC has a good faith belief that any such party has knowingly violated Section 448.09(1), Florida Statutes, SBBC may immediately terminate this Agreement for cause and without notice or an opportunity to cure the violation. Termination by SBBC pursuant to this section is not a breach of this Agreement and may not be considered as such.

2.10 **Background Screening**. Vendor shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of Vendor's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of Vendor or its personnel providing any services under this Agreement. Vendor shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to Vendor and its personnel. The parties agree that the failure of Vendor to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit Vendor to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. Vendor agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from Vendor's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

Upon completion of the Agreement, Vendor shall transfer, at no cost, to SBBC all public records in possession of Vendor or keep and maintain public records required by SBBC to perform the services required under the Agreement. If Vendor transfers all public records to SBBC upon completion of the Agreement, Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Vendor keeps and maintains public records upon completion of the Agreement, Vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC's information technology systems.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-1900, RECORDREQUESTS@BROWARDSCHOOLS.COM, RISK MANAGEMENT DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

In addition, an affidavit signed by Vendor must be furnished to SBBC stating the following: "Insert Name does not own any vehicles. If Vendor acquires any vehicles during the term of the Agreement, Vendor agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.14 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital

status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.15 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by Vendor that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Vendor further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. Vendor acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. Vendor further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if Vendor (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is one million dollars ($1,000,000) or more, the Agreement may be terminated at SBBC's option if Vendor is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.16 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.17 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.18 **Proprietary Information**.

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate,

or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the

matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party,

and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

FY23-226 - Online Database-Gale in Context Cengage Learning

Board Meeting Date: July 28, 2026

Requested Action:
Approve the Second Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and Cengage Learning, Inc., for a term that commences on September 1, 2026, and concludes on August 31, 2027, with budget authority in the amount of $227,470.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Policy 4120
Statutory Requirement	• FL Stat. 1006.28 and FL Stat. 1006.40
If the School Board votes "Yes"	• All schools would continue to have equitable access to Gale databases, which contain vetted research resources, establishing a standardized platform for student inquiry, literacy, and academic research. The databases support curriculum alignment, professional learning, and higher expectations for research rigor.
If the School Board votes "No"	• Access to Gale databases will be inconsistent for both students and teachers across schools, potentially hindering equitable access to reliable research resources. This ongoing disparity would extend dependence on school-based funding. Furthermore, districtwide alignment in research standards, integrated curriculum, and instructional support would likely be delayed or possibly missed altogether.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency • Guardrail 2: Equity • Guardrail 3: School Support
Measurable Outcome(s)/Return on Investment	**Measurable Outcomes:** • By June 2027, SBBC aims for at least 40% of students utilizing Gale databases for research. Progress will be tracked through Gale usage reports (article retrievals,

	user sessions, and searches made), and year-over-year growth in these metrics will guide instructional support. **Return on Investment:** • From a fiscal perspective, a centralized license reduces duplicative school-based subscriptions, stabilizes costs, and maximizes district purchasing power. Collectively, these outcomes represent a return on investment through increased equity of access, improved instructional consistency, and more efficient use of District funds.

Background/History
SBBC has consistently integrated Gale databases as foundational components of their library media and digital research offerings. Since 2021, SBBC has provided centralized support for key Gale products, including Gale in Context, Global Issues, Opposing Viewpoints, and National Geographic Kids, ensuring seamless access through district platforms like Canvas and Clever. These resources enrich curriculum delivery, promote inquiry-based learning, and support multilingual students.

After the discontinuation of several digital research platforms, District leadership identified critical gaps in vetted, standard-aligned research resources for both students and educators. To bridge these gaps, Gale in Context databases were chosen to guarantee reliable access to authoritative materials aligned with the Florida Benchmark for Excellent Student Thinking (B.E.S.T.) Standards. This platform offers comprehensive research support for Advanced Placement (AP), International Baccalaureate (IB), and Cambridge curricula. Additionally, Cengage offers a local control option, enabling the district administration to remove digital content from schools or District-wide immediately. This tool enables filtering capability at the District level to adhere to legislation.

Under **F.S. § 1006.28**, there is clear and direct support for School Districts to purchase and license research databases as part of their instructional and library media programs. Under Florida law, research databases fall squarely within the statutory definition of "instructional materials," which is intentionally broad and inclusive of digital resources.

Under **F.S. § 1006.40** strengthens this authority by establishing both the obligation and the funding mechanism for Districts to acquire such resources. District School Boards are required to provide each student with a major tool of instruction in core academic subjects, including social studies, science, language arts, reading, and literature. Research databases directly support these subjects by providing access to primary sources, academic articles, historical documents, and current periodicals.

Procurement Method:	**Piggyback Agreement** (Yes/No): No **Acquisition Method**: Pursuant to Purchasing Policy 3800, , Section III (D) and (E), and Rule 6Q-1.012(11)(b) and (14), Florida Administrative Code, competitive solicitations are not required for the purchase of educational services and any type of copyrighted materials, including, without limitation, educational tests, textbooks, printed instructional materials, computer software, films, filmstrips, videotapes, DVDs, disc or tape recordings, digital recordings, or similar audio-visual materials, and for library and reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, and exclusive agent within the state, a governmental agency, or a recognized educational institution.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by Cengage in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by Cengage. (f) Inspection of Subcontractor's Records. If applicable, Cengage shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by Cengage to include such requirements in any subcontract constitute grounds for termination of this Agreement by SBBC for cause and are grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to Cengage pursuant to this Agreement and such excluded costs shall become the liability of Cengage.

Cengage agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from Cengage's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.20 **Proprietary Information**.

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and

attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such does not affect the remaining portions of this Agreement and the same remains in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.19 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of

the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC will renew coverage for critical Fortinet equipment, ensuring uninterrupted security operations, continued vendor support, and protection against evolving cyber threats.
If the School Board votes "No"	• Failure to renew coverage will expose our systems to potential vulnerabilities, disrupt support services, and increase the risk of security breaches.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• The return on investment for this renewal lies in maintaining a secure and reliable digital environment that protects students and staff while they access the internet, reducing the risk of cyber incidents and ensuring uninterrupted learning and operations.

Background/History:
SBBC's technology infrastructure, including security cameras, computers, smartboards, and phones, is safeguarded by firewalls. These systems thoroughly inspect data to ensure compliance with the Children's Internet Protection Act (CIPA). The enterprise infrastructure systems constitute the initial layer of defense for cybersecurity, safeguarding all systems within SBBC's data center, schools, and administration sites.

The additional budget authority will facilitate the renewal of coverage for Fortinet equipment responsible for verifying who or what is accessing SBBC systems and protecting the SBBC network from cyber threats.

EXECUTIVE SUMMARY

ITB-FY23-013 – Recycling Services

Board Meeting Date: July 28, 2026

Requested Action:
Approve the Second Renewal of Invitation to Bid (ITB) ITB-FY23-013 – Recycling Services awarded to Coastal Waste & Recycling of Broward County, LLC, with budget authority in the amount of $380,000.

General Information

The following information outlines the governing authority, Districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• The ITB renewal ensures uninterrupted recycling services that advance the District's sustainability objectives by reducing landfill dependency, promoting resource conservation, and embedding sustainable practices into daily operations systemwide.
If the School Board votes "No"	• The School Board of Broward County, Florida (SBBC), will experience interruptions in recycling services across schools and administrative facilities, resulting in increased disposal of materials in landfills, increasing disposal costs, limiting resource conservation, and hindering the progress of sustainability practices.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• BBC's Recycling Program diverts approximately 85,000 yards of recyclable commodities out of the regular solid waste stream. This translates to approximately $700,000 per year in cost avoidance. This value is expected to increase as we continue to see an increase in participation, and solid waste expenses continue to escalate.

Background/History
The original Agreement was approved at the Regular School Board Meeting (RSBM) on May 17, 2022 (OO-24) with $1,357,000 in budget authority. The first 12-month renewal and budget authority of $256,000 (OO-11) was approved on August 19, 2025. The total budget authority approved to date is $1,613,000.

The Energy & Sustainability Office of the Sustainability & Compliance (S&C) manages the Recycling Program at 251 Schools and Administrative sites throughout the District. The utilization of this Agreement provides for the weekly collection and processing of recyclable materials generated within the School District. Items available to be collected for recycling and processing are cardboard, paper, glass, metal, and plastic. After recyclable materials are delivered to the processing facility in Pompano Beach, Florida, they undergo a sorting and separation process. Once sorted, the recyclable materials are sent to their respective end-use facilities for further processing or reuse. Any municipal solid waste (MSW) or non-recyclable materials identified during sorting are diverted to the incinerator for disposal.

As part of this ITB, the vendor assists in providing program outreach and training to various school and department staff. The vendor pays commodity rebates for materials generated; however, at this time, rebates are not currently being received due to the low market value of the commodities (recyclables). However, the District receives a (monthly) rebate to supplement the cost of one staff position that manages the contract, billing, and daily SBBC facility interactions.

The following shows the volume of recyclable materials collected from our schools monthly (January, February, and March 2026).

BCSB Recycling Estimates - Q1 2026			
	Jan-26	Feb-26	Mar-26
Yards	8,073	8,046	6,914
Tons - SSR	116.50	116.11	99.77

This section outlines how the proposed item will impact schools, including the selection and prioritization process where applicable, as well as stakeholder and end-user input. It also addresses technology and capital asset life cycles, replacement planning, and any additional operational details necessary to provide the Board with a comprehensive understanding of implementation.

Impact on Schools	Recycling plays a vital role in advancing both fiscal responsibility and environmental sustainability across SBBC. By diverting significant volumes of recyclable materials from the waste stream, the program reduces refuse disposal costs, increases available space in the landfill, and maximizes the efficient use of District resources. In addition, the Recycling Program supports educational outcomes by promoting environmental awareness, resource conservation, and responsible habits among students. Schools serve as a model for sustainable practices, helping to instill lifelong values that extend beyond the classroom and into the broader community.
School Selection /Prioritization	Participation is open to all schools across the District without prioritization.
Community/ Stakeholder Engagement	Implementation of this ITB strengthens the District's role as a key community partner in Broward County's regional recycling and waste reduction efforts, supporting coordinated outreach, education, and stakeholder engagement initiatives that promote increased participation and long-term sustainable behavior.

EXECUTIVE SUMMARY

ITB-FY24-053 – Floor Machines, Supplies, and Repair Parts

Board Meeting Date: July 28, 2026

Requested Action:
Approve the First Renewal for Invitation to Bid (ITB) ITB-FY24-053 – Floor Machines, Supplies, and Repair Parts to the following two Vendors: 1) Dade Paper & Bag, LLC; 2) South Florida Janitorial & Pool Supply, Inc., with budget authority in the amount of $1,267,140.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Yes. The maintenance and repair of flooring is required, as noted in the State Requirements for Educational Facilities (SREF), Florida Department of Education, Chapter 5, 2014 Edition.
If the School Board votes "Yes"	• The Physical Plant Operations (PPO) Department will have the ability to purchase institutional-grade floor cleaning machines, supplies, and parts at single-fixed percentage discounts from various catalogs. This bid is also utilized to purchase supplies and parts such as bags, hoses, and accessories that are necessary for the efficient operation of the equipment and to maintain a safe and clean educational environment for the District schools and administrative sites. Purchases are made directly from the Manufacturer in a timely manner, yielding cost savings to the District.
If the School Board votes "No"	• The PPO Department may be unable to procure floor cleaning machines, as well as the necessary parts and accessories, in an efficient and timely manner. Purchasing through alternate Vendors, may result in increased costs due to price markups. In addition, delays in procurement could hinder the District's ability to maintain a safe, clean, and healthy environment at Schools and Administrative Sites District-wide. Limited access to floor cleaning equipment, parts and accessories may also adversely affect indoor air quality.

Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• The discounts received from the manufacturers provide cost savings to the District, and the PPO Department can provide reliable floor cleaning services at all Schools and Administrative Sites – District-wide.

Background/History
This bid is utilized by the PPO Department to purchase institutional-grade floor cleaning machines, supplies, and parts at single-fixed percentage discounts from various catalogs. These machines range from vacuum cleaners, extractors, floor scrubbers and burnishers, among others, to maintain a safe and clean educational environment for the District Schools and Administrative Sites. This bid is also utilized to purchase supplies and parts such as bags, hoses, and accessories that are necessary for the efficient operation of the equipment. Additionally, the stockroom and PPO use this bid to buy parts necessary to repair and maintain District floor cleaning equipment.

Measurable Outcome(s)/Return on Investment	• This investment yields a multi-year return by producing job-ready graduates, reducing instructional cost per student, sustaining a high-demand workforce program, and ensuring equitable access to industry-standard technology while maintaining predictable, controlled expenditures over a 60-month period.

Background/History
The printer is aligned with industry standards and used for the Multimedia Digital Printing Program, which uses the printer to produce a wide range of commercial and creative print products as part of the hands-on, portfolio-based instruction. Students design and print real-world materials. The printer is used for logo and branding materials, business forms, newsletters, brochures, certificates, graduation booklets, business cards, and package designs. In addition to individual products, students complete both online portfolios and a printed portfolio showcasing their work, reflecting industry standards and preparing them for employment in graphic design and digital press operations. This printer allows students to experience the complete production process from design through final output.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	60-month term commencing upon Installation.
Multi-Year Agreement:	Yes, utilizing a multi-year cooperative Agreement ensures a streamlined procurement process, pre-competed pricing to deliver cost savings, and uninterrupted copier services over the lease term.
Procurement Method:	**Piggyback Agreement** (Yes/No): Yes, Cooperative NASPO ValuePoint. **Acquisition Method**: Pursuant to Purchasing Policy 3800, Section 6A-1.012(6), Florida Administrative Code, and Section 1001.451, Florida Statutes, in lieu of requesting competitive solicitations from three (3) or more sources, the School Board may make alternative ("piggyback") purchases at or below the specified prices from competitively solicited contracts awarded by other city or county governmental agencies, other district school boards, regional consortium service organizations, community colleges, federal agencies, the public or governmental agencies of any state, or from state university system cooperative bid agreements. In order to exercise this authority, the proposer awarded a contract by another entity listed above must agree to permit The School Board to make alternative ("piggyback") purchases upon terms, conditions, and prices (or below such prices) that are materially the same as those that were competitively awarded through the other entity's contract, and the school district has determined such alternative ("piggyback") purchases to be of economic advantage. Staff obtained proposals from two additional National Cooperative sources: **OMNIA Partners** – The lease was comparable in price, but the B&W and color copies were higher in price per copy, which would result in increased overall costs to the district over the term of the agreement. **Sourcewell** – The lease and the price per copy were both higher than NASPO ValuePoint and therefore not a good option for SBBC. A copy of the Piggyback documents is available online at: http://www.broward.k12.fl.us/supply/agenda/44100000-24-NASPO-ACSforMulti-FunctionDevices,Copiers,andRelatedSoftwareandServices.pdf http://www.broward.k12.fl.us/supply/agenda/NASPOValuePointMasterAgreementTermsandConditions_KonicaMinolta.pdf

2.15.1 Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials. If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the re-quested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the re-quested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action, but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.16 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

2.16.1 By SBBC. SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable, up to the limits of Section 768.28, Florida Statutes, for any damages resulting from said negligence.

2.16.2 By KONICA MINOLTA. For any and all third-party claims,

actions, demands, liabilities, and expenses of any kind which are caused by, related to, growing out of or happening in connection with this Agreement (including any determination arising out of or related to this Agreement that KONICA MINOLTA or its employees, agents subcontractors, assignees, or delegates are not independent contractors in relation to SBBC), KONICA MINOLTA shall be fully liable for the actions of its employees, subcontractors, and agents and shall fully indemnify, defend, and hold harmless SBBC (including each of its current and former officers, agents, and employees) for any and all loss, damage, injury, costs, reasonable expenses, or other casualty to person or property, to the extent caused by KONICA MINOLTA's negligence or greater culpability. Without limiting this indemnification requirement, SBBC may provide KONICA MINOLTA (i) written notice of any action or threatened action, (ii) the opportunity to take over and settle or defend any such action at KONICA MINOLTA's sole expense, and (iii) assistance in defending the action at KONICA MINOLTA's sole expense. The above indemnity requirement does not apply to that portion of any loss or damages proximately caused by the negligent act or omission of SBBC. Nothing herein is intended to act as a waiver of SBBC's sovereign immunity or to be deemed consent by SBBC, or its subdivisions to suit by third parties.

Limitation of Liability. For all claims against KONICA MINOLTA under this Agreement, and regardless of the basis on which the claim is made, KONICA MINOLTA's aggregate liability for direct damages under this Agreement will be limited to the greater of $250,000.00 or in aggregate one and one-half (1.5) times the total payments made by SBBC to KONICA MINOLTA for the products or services in question in the twelve (12) months immediately preceding the first occurrence of the event giving rise to such liability. This limitation will not apply to any claim arising under an indemnity provision of this Agreement or any provision of this Agreement relating to insurance required to be provided by KONICA MINOLTA. Unless otherwise specifically enumerated in this Agreement, no party will be liable to the other for special, indirect, punitive, or consequential damages, including lost data or records (unless this Agreement requires KONICA MINOLTA to back-up data or records), even if the party has been advised that such damages are possible. No party will be liable for lost profits, lost revenue, or lost institutional operating savings.

For damages other than those excluded in the preceding paragraph, SBBC's liability is limited to: (1) if the damage is SBBC's failure to pay amounts due to KONICA MINOLTA for products received and accepted by SBBC pursuant to this Agreement, then only the amount due for such products and any interest owed under Section 215.422, Florida Statutes; or (2) in the event the damage is not related to SBBC's failure to comply with the payment provisions of this Agreement, to the maximum of the limited waiver of sovereign immunity provided for in Section 768.28, Florida Statutes.

2.17 **Insurance Requirements**. KONICA MINOLTA shall comply with the following insurance requirements throughout the term of this Agreement:

2.17.1 General Liability. KONICA MINOLTA shall have and maintain General Liability in-surance with limits of not less than $1,000,000.00 per occurrence for Bodily Injury/ Property Damage; $1,000,000.00 General Aggregate; and limits of not less than $1,000,000.00 for Products/Completed Operations Aggregate.

2.17.3 Auto Liability. KONICA MINOLTA shall have and maintain Owned, Non-Owned and Hired Auto Liability insurance with Bodily Injury and Property Damage with limits of not less than $1,000,000.00 Combined Single Limit. If KONICA MINOLTA does not own any vehicles, it shall have and maintain hired and non-owned automobile liability coverage in the amount of $1,000,000.00. In addition, an affidavit signed by KONICA MINOLTA must be furnished to SBBC stating the following: Konica Minolta Business Solutions U.S.A., Inc. does not own any vehicles. If Konica Minolta Business Solutions U.S.A., Inc. acquires any vehicles during the term of the Agreement, Konica Minolta Business Solutions U.S.A., Inc. agrees to provide proof of "Any Auto" coverage effective as of the date of vehicle acquisition."

2.17.4 Acceptability of Insurance Carriers. The insurance policies required under this Agreement shall be issued by companies qualified to do business in the State of Florida and hav-ing a rating of at least A- VI by AM Best or Aa3 by Moody's Investor Service.

2.17.5 Verification of Coverage. Proof of the required insurance must be submitted to the insurance tracking system within (15) calendar days of this notification. 2.17.6.3 Certificate Holder: The School Board of Broward County, Florida, 600 Southeast Third Avenue, Fort Lauderdale, Florida 33301.

2.17.7 Cancellation of Insurance. KONICA MINOLTA is prohibited from providing services under this Agreement with SBBC without first obtaining the minimum required insurance cover-age and must notify SBBC within two (2) business days if required insurance is cancelled.

2.17.8 SBBC reserves the right to review, but not unreasonably reject or accept any required policies of insur-ance, including limits, coverages, or endorsements herein throughout the term of this Agree-ment.

2.18 **Nondiscrimination**.

2.18.1 As a condition of entering into this Agreement, KONICA MINOLTA represents and warrants that it will comply with the SBBC's Commercial Nondiscrimination Policy, as described under, Section D.1 of SBBC's Policy No. 3330 – Supplier Diversity Outreach Program, as such policy shall be amended from time-to-time.

2.18.2 As part of such compliance, KONICA MINOLTA shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall KONICA MINOLTA retaliate against any person for reporting instances of such discrimination. KONICA MINOLTA shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring

in the SBBC's relevant marketplace. KONICA MINOLTA understands and agrees that a material violation of this clause is considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in SBBC Agreements, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

2.19 **Annual Appropriation**. SBBC's performance and obligations under this Agree-ment is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination, but in no event less than sixty (60) calendar days prior to the effective dates of such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section; provided, however, that SBBC shall remain liable for all amounts due for products received and services rendered through the effective date of such termination, including any early termination charges applicable to lease arrangements pursuant to Section 3.5.1 of this Agreement.

2.20 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.21 **Foreign Country of Concern Attestation Form.** Nongovernmental entities receiving an award under this Agreement will receive access to personal identifying information for purposes of Sections 287.138 and 501.17(g)1, Florida Statutes. A proposed agreement or amendment submitted by a nongovernmental entity without a fully executed "Foreign Country of Concern Attestation Form" will be rejected pursuant to Section 287.138(4)(a), Florida Statutes, and will not be considered for award.

2.22 **Incorporation by Reference**. **Exhibits A and** B attached hereto is incorporated into this Agreement by reference.

ARTICLE 3 – GENERAL CONDITIONS

3.1 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver

of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Stat-utes. This section survives the termination of all performance or obligations under this Agree-ment and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.2 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agree-ment and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivi-sion of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.3 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcon-tractors, or assignees.

3.4 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such rem-edy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.5.

3.5 **Termination**. (a) This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. KONICA MINOLTA shall not furnish any products or services after it receives the notice of termination, except as necessary to complete any continued portion of this Agreement. KONICA MINOLTA will not be entitled to recover any cancellation charges or lost profits. If this Agreement is terminated before performance is

completed, except as set forth below in 3.5(b), KONICA MINOLTA will be paid only for that work performed. In the event of such termination, SBBC is entitled to a pro rata refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, con-clusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

(b) Early Termination for Convenience of Straight Leases. If SBBC terminates a Straight Lease for convenience, SBBC must pay, within a maximum of sixty (60) calendar days after the requested termination, the difference of rates between the Straight Lease period which was selected at the time of order and the longest Straight Lease term which was fulfilled multiplied by the number of months SBBC held the device. If SBBC wishes to terminate a Straight Lease for convenience before the term of the shortest Straight Lease offered by KONICA MINOLTA, SBBC will convert the Straight Lease to the Florida Post-Hoc Lease-Cancellation Rate (FLPL Rate) and pay, within a maximum of sixty (60) calendar days after the requested termination, the difference between the rate of the Straight Lease period which was selected by SBBC at the time of order and the FLPL Rate multiplied by the number of months SBBC held the device.

3.6 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.7 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.8 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.9 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or un-

derstandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party; provided, however, that KONICA MINOLTA may assign, solely for financing purposes, upon written notification to and subsequent approval by SBBC, its right, title and interest in and to: (i) the products subject to this Agreement; (ii) all payments and other amounts due and to become due hereunder with respect to such products; and (iii) all rights and remedies under this Agreement with respect to such products, payments, and other amounts due. Any such assignment shall not excuse KONICA MINOLTA from fulfilling its obligations under this Agreement. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC, except as expressly provided herein.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure, Notice of Delay, and No Damages for Delay**. Neither party will be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of such party or its employees, subcontractors, or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, lightning strikes, fires, floods, or other similar cause wholly beyond such party's control, or for any of the foregoing that affect suppliers if no alternate source of supply is available to KONICA MINOLTA. In case of any delay KONICA MINOLTA believes is excusable, KONICA MINOLTA shall notify SBBC in writing of the delay or potential delay and describe the cause of the delay either (i) within ten (10) calendar days after the cause that creates or will create the delay first arose, if KONICA MINOLTA could reasonably foresee that a delay could occur as a result; or (ii) if a delay is not reasonably foreseeable, within five (5) calendar days after the date KONICA MINOLTA first had reason to believe that a delay could result. THE FOREGOING WILL CONSTITUTE KONICA MINOLTA'S SOLE REMEDY OR EXCUSE WITH RESPECT TO ANY DELAY except if such delay is caused by the fraud, bad faith, or active interference of SBBC. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy, and a rebuttable presumption of prejudice will exist based on KONICA MINOLTA's untimely notice. KONICA MINOLTA shall not assert any claim for damages related to such delay. KONICA MINOLTA will not be entitled to an increase in the contract price or payment of any kind from SBBC for direct, indirect, consequential, impact, or other costs, expenses, or damages, including costs of acceleration or inefficiency, arising becaseu of delay, disruption, interference, or hindrance from any cause whatsoever. In no event shall a lack of funds on the part of either party be deemed a force majeure event.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

PY27-014 – Foam Hand Soap with Dispensers

Board Meeting Date: July 28, 2026

Requested Action:
Approve the Agreement between The School Board of Broward County, Florida (SBBC), and South Florida Janitorial & Pool Supply, Inc., and the budget authority in the amount of $523,236.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Yes. Hand Soap is permitted at lavatories and sinks, as noted in the State Requirements for Educational Facilities (SREF), Chapter 5, 2014 Edition.
If the School Board votes "Yes"	• The Physical Plant Operations (PPO) Department will have the ability to purchase Foam Hand Soap with Dispensers for use at District schools and administrative sites. These products are necessary to support daily operations and maintain proper hygiene standards throughout the District.
If the School Board votes "No"	• The PPO Department may experience delays and operational challenges in procuring Foam Hand Soap with Dispensers for District schools and administrative sites. In addition, purchasing through alternate sources may result in higher costs, as this Agreement provides pricing and operational efficiencies to the District.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Based on estimated annual quantities, the proposed piggyback agreement is expected to provide approximately $367,430 in annual financial benefit to the District through direct cost savings and avoidance of projected renewal price increases for foam hand soap purchases. Additionally, the District currently does not pay for new dispensers under the existing Agreement and will continue not paying for dispensers under the proposed Agreement. Pricing verified through another piggyback vendor reflected a cost of approximately $3 per dispenser.

Background/History
The School District of Palm Beach County ("SDPBC"), awarded the Invitation to Bid (ITB)#26-22C to South Florida Janitorial & Pool Supply, Inc. for Miscellaneous Janitorial Supplies and Accessories.

SDPBC provides a purchasing vehicle that SBBC may access as it exists under Section 100.451(1), Florida Statutes, and Rule 6A-1.012(6), Florida Administrative Code (Piggyback).

This bid will be utilized throughout the District in schools and offices. The foam hand soap and dispensers on the SDPBC contract are the same systems currently installed in the District's bathrooms and handwashing areas. These products are essential to maintaining safe and healthy environments. Foam hand soap has a better yield than regular lotion or gel soap, requires less water, and is, therefore, more environmentally friendly. Dispensers are leak-free, and the vendor provides them at no cost to the District for the duration of the Agreement. Additionally, the vendor replaces and repairs broken units and supplies repair parts, also at no cost to the District for the Agreement's duration.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Original Agreement: September 16, 2026, through January 22, 2029, with the option of a one two-year renewal period.
Multi-Year Agreement:	Yes. Utilizing a multi-year Piggyback Agreement provides pricing stability, operational efficiencies, and uninterrupted access to Foam Hand Soap with Dispensers for District schools and administrative sites. The Agreement also allows the District to secure favorable pre-escalation pricing, resulting in measurable cost savings and cost avoidance.
Procurement Method:	**Piggyback Agreement** (Yes/No): Yes **Acquisition Method**: Pursuant to Purchasing Policy 3800, Part III, subparagraph C, and Section 6A-1.012(6), Florida Administrative Code, in lieu of requesting competitive solicitations from three or more sources, SBBC may make alternative ("piggyback") purchases at or below the specified prices from competitively solicited contracts awarded by other city or county governmental agencies, other District School Boards, regional consortium service organizations, community colleges, federal agencies, the public or governmental agencies of any state, or from state university system cooperative bid agreements. In order to exercise this authority, the proposer awarded a contract by another entity listed above must agree to permit SBBC to make alternative ("piggyback") purchases upon terms, conditions, and prices (or below such prices) that are materially the same as those that were competitively awarded through the other entity's contract, and SBBC has determined such alternative ("piggyback") purchases to be of economic advantage.

	Staff reviewed additional piggyback purchasing options for comparable hand soap and dispenser systems: The **Interlocal Purchasing System** (**TIPS**) – Pricing for comparable foam hand soap and dispenser systems was approximately 318% higher than the proposed Agreement, which would result in substantially increased overall costs to the District over the term of the Agreement. **OMNIA Partners** – Pricing for comparable products was approximately 395% higher than the proposed Agreement and therefore did not provide the same overall economic advantage to the District. **Sourcewell** – Pricing for comparable foam hand soap systems was approximately 277% higher than the proposed Agreement and was not determined to be the best value option for SBBC. The proposed Agreement is expected to provide an annual financial efficiency of approximately $367,430 to the District through direct cost savings and cost avoidance. Additionally, the proposed Agreement continues to provide dispensers, replacement parts, and repairs at no cost to the District for the duration of the Agreement and was determined to provide the best overall economic advantage to SBBC. A copy of the Piggyback documents is available online at: http://www.broward.k12.fl.us/supply/agenda/26C-22C_CatalogDiscount,MiscellaneousJanitorialSuppliesandAccessories.pdf

Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473,

Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the Agreement is One Million Dollars and 00/100 Cents ($1,000,000.00) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

VENDOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes, and all of its personnel who (a) are to be permitted access to school grounds when students are present, (b) will have direct contact with students, or (c) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. Personnel who are subject to background screening include all of VENDOR's non-exempt employees, representatives, agents, and sub-contractors performing duties under this Agreement who meet any of the three (3) descriptions listed above. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under this Agreement. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement (FDLE) to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate this Agreement immediately for cause and with no opportunity required to permit VENDOR to cure such default and no further responsibilities or duties for SBBC to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467, and 1012.468, Florida Statutes. SBBC issued identification badges must be worn at all times when on SBBC property or when performing services for SBBC and must be worn where they are visible and easily readable.

2.12 **Public Records**. Any party contracting with SBBC is required to (a) keep and maintain available for public inspection any records that pertain to services rendered under this Agreement; (b) provide the public with access to public records on the same terms and conditions

that SBBC would provide such records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and (d) meet all requirements for retaining public records and transfer, at no cost to SBBC, all public records in that party's possession upon termination of its Agreement with SBBC and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All of such party's records stored electronically must be provided to SBBC in a format that is compatible with SBBC's information technology systems. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party is responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorney's fees for non-compliance with that law. Each party acknowledges that this Agreement and all attachments thereto are public records and do not constitute trade secrets.

IF A PARTY TO THIS AGREEMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 754-321-2300, RECORDREQUESTS@BROWARDSCHOOLS.COM, LEGISLATIVE AFFAIRS DEPARTMENT, PUBLIC RECORDS DIVISION, 600 SOUTHEAST THIRD AVENUE, FORT LAUDERDALE, FLORIDA 33301.

2.13 **Proprietary Information**.

A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

2.13.2 If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

Upon the occurrence of a default that is not cured during the applicable cure period, this

Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate; and VENDOR shall be responsible for any expenses related to such disposal.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state, and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual

expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies**. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

3.19 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement on the Effective Date.

EXECUTIVE SUMMARY

RFP-19-097E – WAN Fiber Options

Board Meeting Date: July 28, 2026

Requested Action:
Approve the Novation and Third Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), Zayo Education, Inc., and Zayo Education, LLC, for a term that commences on March 3, 2020, and concludes on March 3, 2030, with budget authority in the amount of $495,325.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Not Applicable
If the School Board votes "Yes"	• SBBC will incorporate data center colocation services into the existing RFP-19-097E - WAN Fiber Agreement. This action enables the relocation of critical core network infrastructure from the Technical Support Services Center (TSSC) to a carrier-grade, secure off-site facility, ensuring robust Internet connectivity, network resiliency, and operational continuity for all schools and District facilities. In addition, the Board will recognize the name change of the vendor from Zayo Education, Inc. to Zayo Education, LLC.
If the School Board votes "No"	• SBBC will not be able to implement an alternative data center solution to augment TSSC. Without an approved colocation facility, the relocation or loss of TSSC would result in a single point of failure, placing all schools and District facilities at risk of losing Internet connectivity and access to critical instruction, administrative, safety, and communication systems.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• Improve resiliency and eliminate single points of failure across WAN and Internet access to ensure continuous, reliable connectivity. • Improved network availability supported by 99.99 percent uptime through SLA backed performance, redundant

	architecture, generator backup, and hardened physical security. • Long-term cost predictability through fixed monthly pricing and the ability to terminate services independently with 30 days' notice if District needs change.

Background/History
SBBC currently centralizes its Wide Area Network (WAN) traffic and Internet connectivity at TSSC. As the District considers future options for the TSSC location, it is important to ensure continuity of services through a suitable alternative data center, as the loss of this facility could affect Internet connectivity across the District.

In 2020, the District awarded RFP-19-097E – WAN Fiber Options to establish a long-term, resilient, fiber-based WAN designed to evolve with changing needs. The RFP allows for service adjustments as District requirements grow and change. Information Systems Division has determined that amending the existing WAN agreement to include colocation services is necessary to ensure a diverse network architecture that supports online access to critical instructional resources.

School Selection /Prioritization	Not Applicable
Community/ Stakeholder Engagement	The technology department worked internally with District leadership and facilities planning teams to assess infrastructure risk, continuity needs, and alternative solutions. The recommended approach aligns with District operational priorities and long-term infrastructure planning while minimizing disruption to services during future facility transitions.
End-User Input	Not Applicable
Technology/Capital Expected Lifecycle/Replacement Cycle	The colocation facility supports the District's long-term fiber-based WAN architecture, which is designed as a utility-grade infrastructure asset with an expected lifecycle of more than 15 years. 2.01 **Term of Agreement**. Unless terminated earlier pursuant to Section 3.05 of this Agreement, the term of this Agreement shall commence upon execution by all parties and

(b) If parties exercise the right to extend this agreement, pursuant to section 2.01(a), beginning on the one hundred and twenty first (121st) month of service at any individual site, a reduced rate of Six Hundred and Twenty-Five and 00/100 Dollars ($625.00) per site per month with net thirty (30) day payment terms, for the following:

Greater than forty (40) hours	50%

VENDOR will provide monthly metrics on each circuit. These monthly reports should display uptime, latency, jitter, packet loss and bandwidth demand level statistics for each circuit. VENDOR also agrees to report outages monthly on a circuit by circuit basis credits. For subring and point to point circuit outages, credits will be limited to the specific circuit or site. For a primary ring or aggregation hub circuit, service credits will also include all sites where an outage occurs due to the primary ring or aggregation hub circuit failure.

VENDOR and SBBC agree that a single event that impacts multiple sites will be considered a single, major incident, not multiple minor incidents.

2.04 **SBBC Growth or Reduction**. The number of SBBC locations (sites) at the time of the RFP is two hundred sixty-five (265), which can change during the course of this Agreement and shall be subject to the following:

(a) Growth. New SBBC sites added during the initial term of this Agreement shall bear the same costs listed above in section 2.03. Service at the new sites shall conclude upon the termination or expiration of this Agreement, as described in section 2.01. For the avoidance of doubt, if the parties do not exercise the right to extend the term pursuant tot Section 2.01(a), then service to all sites, including any new sites shall conclude at the end of the initial term.

(b) Reduction. A reduction in up to five percent (5%) of the number of SBBC sites or 14 sites, whichever is greater, during the initial term is permissible without penalty or impact on cost of goods or services listed above in section 2.03.

(c) Relocation. Relocation of an SBBC site shall not be considered a termination or subject to penalties. Additionally, the term associated with the site shall continue as if the site remained in the same location.

2.05 **Priority of Documents**. In the event of a conflict between documents, the following priority of documents shall govern.

First:	This Agreement, then;
Second:	Addendum No. 2 to RFP 19-097E, then;
Third:	Addendum No. 1 to RFP 19-097E, then;
Fourth:	RFP 19-097E – WAN Fiber Options, then;
Fifth:	Proposal submitted by VENDOR in response to RFP 19-097E

2.06 **Disclosure of Education Records and Employee Information**. Although no student education records shall be disclosed pursuant to this Agreement, should VENDOR come into contact with education records during the course of contracted responsibilities, these records are confidential and protected by the Family Educational Rights and Privacy Act (FERPA) and state laws and may not be used or re-disclosed. Any use or re-disclosure may violate applicable federal and state laws. Likewise, no employee information shall be disclosed by SBBC to VENDOR. Should VENDOR come into contact with employee information, it may not be re-disclosed except as required or permitted by law.

2.07 **Rider for E-Rate**. SBBC may seek funding through the Federal Universal Service Fund program known as "E-Rate" for some or all of the Services or Service Components purchased under the Agreement. E-Rate is administered by the Schools and Libraries Division ("SLD") of the Universal Service Fund Administrative Company ("USAC") (sometimes collectively or individually referred to herein as "USAC/SLD" and/or "E-Rate Program"). The Federal Communications Commission ("FCC") has promulgated regulations that govern the participation in the E-Rate Program. Both Parties agree to adhere to FCC regulations as well as the rules established by SLD and USAC regarding participation in the E-Rate Program. The Parties further agree that eligibility or ineligibility of products or services for E-Rate funding is solely the

responsibility of the SBBC, USAC/SLD and/or the FCC. VENDOR makes no representations or warranties regarding such eligibility.

(a) SBBC Elections. SBBC acknowledges its obligation to designate the method (BEAR Form 472 or SPI Form 474) by which it will receive E-Rate discounts for each such Service.

(b) Billed Entity Application Reimbursement ("BEAR") - Form 472. SBBC agrees to submit to USAC/SLD complete and accurate BEAR - Form 472 requests prior to the FCC Invoice Deadline date for the Funding Request Number(s) ("FRN') being submitted on that Form 472 if SBBC has paid the VENDOR in full for the products or services and wants to be reimbursed for the discount amount. USAC will review the invoice and will pay SBBC if payment is approved in which SBBC will receive payment directly to their bank account. It is solely SBBC's responsibility to ensure the accuracy of this submission and the amounts sought to be recovered through the E-Rate program.

(c) Service Provider Invoice form - ("SPI") - Form 474. After VENDOR has received notification of approved funding, an approved Form 486, and SBBC has confirmed the appropriate Billed Accounts to be discounted per Funding Request Number, VENDOR will then provide E-Rate program discounts and will file a Form 474 SPI. SBBC agrees to promptly submit any VENDOR or USAC/SLD Forms needed to support requests for reimbursement of Services rendered.

(d) Reimbursement of USAC/SLD. If USAC/SLD seeks reimbursement from VENDOR of E-Rate funds as a result of SBBC's failure to comply with the E-Rate rules or regulations, including SBBC delays in submitting required forms or contracts; or, if USAC/SLD determines that Service(s) that it had previously approved for discounts are not eligible and funds must be returned (a "ComAd") (other than as the result of VENDOR's failure to comply with the E-Rate requirements), then SBBC shall reimburse VENDOR for any such funds VENDOR must return to USAC/SLD within ninety (90) days of notice from USAC/SLD seeking reimbursement. In addition, SBBC agrees and acknowledges that a determination of ineligibility does not affect the obligations set forth in the Agreement, including those obligations related to payments, fees and early termination fees.

(e) Requested Information. If requested, SBBC will promptly provide VENDOR with final copies of the following E-Rate-related materials (including all attachments) prepared by or for SBBC: (i) Form 471 and Item 21 Attachment; if appropriate, (ii) Form 486; (iii) Form 500; (iv) Service Substitution Request; (v) Service Certification Form; and, (vi) Form 472-BEAR. If the SBBC issues purchase orders, SBBC shall clearly delineate between eligible and non-eligible Services on those orders.

(f) Representations, Warranties and Breaches of the Agreement. Each Party represents, warrants and agrees that it is, as specified in the Agreement, contractually obligated to comply with all laws and the requirements applicable to the E-Rate Program. In addition to any contractual obligations set forth in the Agreement and to the extent permitted by law, each Party agrees that it is required by the Agreement to pay to the other Party (its employees, officers,

directors and agents, and its parents and affiliates under common control) as consideration for the Service(s) any payments made to third parties (including FCC or USAC/SLD claims) and related loss, liability, damage and expense (including reasonable attorney's fees) arising out of the breaching Party's violation of the requirements of the E-Rate Program or other breaches of the Agreement and the representations, warranties contained in it.

(g) SBBC Designation of Conditions to Service. As a condition to the provision of the Service(s), services will not commence and/or equipment will not ship until VENDOR receives notification that E-Rate funds have been committed; if E-Rate funding for services and/or equipment is denied in subsequent E-Rate years and the cause for such termination is directly attributable to VENDOR's action (or inaction), the Services will terminate unless and until a new Amendment is executed.

1) Scope: SBBC agrees to use best efforts to obtain funding from the USAC/SLD and VENDOR will not begin Services (including, without limitation, construction, installation or activation activities) until after VENDOR receives SBBC notification to proceed with the Services, and verification of funding approval.

    i. With specific reference to Internal Connections (IC), a verification of Form 486 approval, by the USAC/SLD. VENDOR will commence Service(s) as soon as is practical following the receipt of the appropriate documentation.

2) Funding Denial Agreement Termination: If a funding request is denied by the USAC/SLD, the Services and/or equipment, shall terminate sixty (60) days from the date of the FCDL in which E-Rate funding is denied or on the thirtieth (30^{th}) day following the final appeal of such denial. This termination right applies only to the first (1^{st}) year of the multi-year agreement.

(h) Service Substitutions and Suspension of Payments. VENDOR will provide Services and Service Components only as approved by the SLD and may suspend activities pending approval of service substitution requests. Insofar as VENDOR services are being reimbursed with E-Rate funds and VENDOR becomes aware that USAC/SLD has suspended payment resulting from a possible program rule violation or breach of the Agreement by SBBC and, accordingly, suspension of services, VENDOR may continue Services upon execution of an agreement mutually satisfactory to both parties.

(i) Non-Appropriations. By executing the Agreement and ordering services, SBBC warrants that SBBC has funds appropriated and will pay all monthly amounts due for lease and maintenance of the dark fiber WAN, managed network equipment and any related services due hereunder through the end of SBBC's current fiscal period. SBBC further agrees to request all appropriations and funding necessary to pay for the dark fiber lease and maintenance and managed network equipment and related services for each subsequent fiscal period through the end of the initial term (described in the first sentence of Section 2.01). In the event SBBC is unable to obtain the necessary appropriations or funding for the dark fiber lease and maintenance, managed network equipment and related Service(s), SBBC may terminate said Service(s) upon the following

conditions: (i) SBBC has taken all actions necessary to obtain adequate appropriations or funding; (ii) despite SBBC's best efforts funds have not been appropriated and are otherwise unavailable to pay for the Service(s); and (iii) SBBC has negotiated in good faith with VENDOR to develop revised terms, an alternative payment schedule or a new agreement to accommodate SBBC's budget for such Service(s). No penalty shall accrue to SBBC in the event this provision is exercised, and except as set forth herein SBBC shall not be obligated or liable for any future payments due or any damages as a result of termination under this Agreement.

SBBC acknowledges and agrees that if SBBC terminates the lease and maintenance of the dark fiber WAN and managed network equipment and related services due to non-appropriations or any other cause, it will no longer have access to or use of the dark fiber as of the effective date of termination.

2.08 **Inspection of VENDOR's Records by SBBC**. VENDOR shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by SBBC under this Agreement. All VENDOR's applicable records, regardless of the form in which they are kept, shall be open to inspection and subject to audit, inspection, examination, evaluation and/or reproduction, during normal working hours, by SBBC's agent or its authorized representative to permit SBBC to evaluate, analyze and verify the satisfactory performance of the terms and conditions of this Agreement and to evaluate, analyze and verify the applicable business records of VENDOR directly relating to this Agreement in order to verify the accuracy of invoices provided to SBBC. Such audit shall be no more than one (1) time per calendar year.

(a) Duration of Right to Inspect. For the purpose of such audits, inspections, examinations, evaluations and/or reproductions, SBBC's agent or authorized representative shall have access to VENDOR's records from the effective date of this Agreement, for the duration of the term of this Agreement, and until the later of five (5) years after the termination of this Agreement or five (5) years after the date of final payment by SBBC to VENDOR pursuant to this Agreement.

(b) Notice of Inspection. SBBC's agent or its authorized representative shall provide VENDOR reasonable advance written notice (not to exceed two (2) weeks) of any intended audit, inspection, examination, evaluation and or reproduction.

(c) Audit Site Conditions. SBBC's agent or its authorized representative shall have access to VENDOR's facilities and to any and all records related to this Agreement, and shall be provided adequate and appropriate work space in order to exercise the rights permitted under this section.

(d) Failure to Permit Inspection. Failure by VENDOR to permit audit, inspection, examination, evaluation and/or reproduction as permitted under this section shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for SBBC's denial of some or all of any VENDOR's claims for payment.

(e) Overcharges and Unauthorized Charges. If an audit conducted in accordance with this section discloses overcharges or unauthorized charges to SBBC by VENDOR in excess of two percent (2%) of the total billings under this Agreement, the actual cost of SBBC's audit shall be paid by VENDOR. If the audit discloses billings or charges to which VENDOR is not contractually entitled, VENDOR shall pay said sum to SBBC within twenty (20) calendar days of receipt of written demand unless otherwise agreed to in writing by both parties.

(f) Inspection of Subcontractor's Records. If applicable, VENDOR shall require any and all subcontractors, insurance agents and material suppliers (hereafter referred to as "Payees") providing services or goods with regard to this Agreement to comply with the requirements of this section by insertion of such requirements in any written subcontract. Failure by VENDOR to include such requirements in any subcontract shall constitute grounds for termination of this Agreement by SBBC for cause and shall be grounds for the exclusion of some or all of any Payees' costs from amounts payable by SBBC to VENDOR pursuant to this Agreement and such excluded costs shall become the liability of VENDOR.

(g) Inspector General Audits. VENDOR shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Florida Office of the Inspector General or by any other state or federal officials.

2.09 **Notice**. When any of the parties desire to give notice to the other, such notice must be in writing, sent by U.S. Mail, postage prepaid, addressed to the party for whom it is intended at the place last specified; the place for giving notice shall remain such until it is changed by written notice in compliance with the provisions of this paragraph. For the present, the Parties designate the following as the respective places for giving notice:

2.10 **Background Screening**. VENDOR shall comply with all requirements of Sections 1012.32, 1012.465, 1012.467 and 1012.468 Florida Statutes, and all of its personnel who (1) are to be permitted access to school grounds when students are present, (2) will have direct contact with students, or (3) have access or control of school funds, will successfully complete the background screening required by the referenced statutes and meet the standards established by the statutes. This background screening will be conducted by SBBC in advance of VENDOR or its personnel providing any services under the conditions described in the previous sentence. VENDOR shall bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to VENDOR and its personnel. The parties agree that the failure of VENDOR to perform any of the duties described in this section shall constitute a material breach of this Agreement entitling SBBC to terminate immediately with no further responsibilities or duties to perform under this Agreement. VENDOR agrees to indemnify and hold harmless SBBC, its officers and employees from any liability in the form of physical or mental injury, death or property damage resulting from VENDOR's failure to comply with the requirements of this section or with Sections 1012.32, 1012.465, 1012.467 and 1012.468 Florida Statutes.

2.11 **Public Records**. The following provisions are required by Section 119.0701, Florida Statutes, and may not be amended. If VENDOR transfers all public records to SBBC upon completion of the Agreement, VENDOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If VENDOR keeps and maintains public records upon completion of the Agreement, VENDOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to SBBC, upon request from SBBC's custodian of public records, in a format that is compatible with SBBC 's information technology systems.

(a) By SBBC: SBBC agrees to be fully responsible up to the limits of Section 768.28, Florida Statutes, for its acts of negligence, or its employees' acts of negligence when acting within the scope of their employment and agrees to be liable for any damages resulting from said negligence.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section shall survive the termination of all performance or obligations under this Agreement and shall be fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. None of the parties intend to directly or substantially benefit a third party by this Agreement. The parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement shall at all times be acting in the capacity of independent contractors and not as an officer, employee or agent of one another. Neither party or its respective agents, employees, subcontractors or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits or any other benefits of SBBC employees shall exist as a result of the performance of any duties or responsibilities under this Agreement. SBBC shall not be responsible for social security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors or assignees.

3.04 **Default**. The parties agree that, in the event that either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days written notice to cure the default. However, in the event said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period shall be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon sixty (60) calendar days written notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to Section 3.05.

3.05 **Termination**.

(a) This Agreement may be canceled with or without cause by SBBC during the term hereof upon sixty (60) calendar days written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC shall be entitled to a *pro rata* refund of pre-paid amounts for any services that are scheduled to be delivered after the effective date of such termination, unless such amounts are required to be paid in connection with the termination pursuant to Sections 3.05(b) and 3.05(c) below. SBBC shall have no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ninety (90) business days following the termination, conclusion or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, title to such property shall pass to SBBC, and SBBC may use or dispose of such property as SBBC deems fit and appropriate.

(b) If termination is due to VENDOR's failure to comply with the requirements of the E-Rate Program or VENDOR's uncured default of this Agreement (as described in Section 3.04), SBBC shall have no further liability to VENDOR except for any unpaid portions of services already rendered or that will be rendered prior to the effective date of applicable termination, which shall be paid to VENDOR prior to the effective date of the applicable termination.

(c) SBBC understands that VENDOR is required to enter into a substantial long-term obligation in order to deliver the services described herein, and VENDOR is only incurring this obligation based on a commitment from SBBC that it will receive full benefit of the initial term of this Agreement at all 265 sites, as described in the first sentence of Section 2.01. If termination is for any other reason than specified in Section 3.05(b) above, SBBC shall immediately pay to VENDOR an amount equal to all future payments (as described in Sections 2.03(a) and 2.03(b)) that would be owed to VENDOR during the initial term of the Agreement . For the avoidance of doubt, such amounts shall be owed by SBBC regardless of whether the services described herein have been rendered, and VENDOR shall have no obligation to provide such services after termination of this Agreement. The parties acknowledge and agree that this provision is a material

aspect of the Agreement and VENDOR would not enter into this Agreement without such provision.

(d) SBBC further acknowledges and agrees that if SBBC terminates this Agreement with or without cause, it will no longer have access to or use of the dark fiber as of the effective date of termination.

(e) Individual Circuit Termination. SBBC may terminate services on an individual circuit basis, without the need to terminate the Agreement in its entirety.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules and regulations in performing its duties, responsibilities and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida shall have jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred or encumbered by any party without the prior written consent of the other party. There shall be no partial assignments of this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe or describe the

scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. In the event that any one or more of the sections, paragraphs, sentences, clauses or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable or void in any respect, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect as if such invalid, illegal, unlawful, unenforceable or void sections, paragraphs, sentences, clauses or provisions had never been included herein.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

3.17 **Force Majeure**. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Survival**. All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds shall survive the termination of this Agreement.

3.19 **Agreement Administration**. SBBC has delegated authority to the Superintendent of Schools or his/her designee to take any actions necessary to implement and administer this Agreement.

3.20 **Counterparts and Multiple Originals**. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Agreement.

3.21 **Authority**. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement on the date first above written.

SCHEDULE "A": Network Architect Engineering Professional Services & Staff Augmentation

Network Architecture Services Skill Sets:
Routing and Switching; Firewall and Unified Thread Management; Network Design; Security Design; Reference Architectures; Cisco router and Nexus switches; Fortigate firewalls and Fortinet ecosystem; F5 VIPRION platform; HPE routing and switching hardware.

Minimum Network Architecture Service Responsibilities:
- Evaluate emerging technologies and perform functionality testing
- Recommend strategies to improve network performance and increase scalability
- Document and deploy device standards and configuration best practices
- Provide highest tier support for network and security teams
- Supply training and knowledge transfer to team members
- Investigate published security advisories and recommend action to mitigate potential threats

SBBC and Network Architect Guidelines:

1. Network Architect Services Professional will be a part of the VENDOR's Architecture team, dedicated to SBBC. Network Architect Services Professional would be provided at 50 hours per week, scheduled as agreed upon by SBBC's Information Technology Division and VENDOR.

2. Network Architecture Services Professional and Field Engineering staff is employed by VENDOR with VENDOR's benefits, including holidays and paid time off (PTO).

3. SBBC shall communicate directly with Network Architect Services Staff (and would not go through VENODR's CTAC [Customer Technical Assistance Center] team), who would essentially act as a member of the SBBC technical team, with guidance, personnel management, and professional development provided by VENDOR.

4. If possible, the Network Architect Services Professional will live in South Florida, but it is not guaranteed.     a. If the Network Architect Services Professional lives outside the South Florida area, VENDOR will facilitate for Network Architect Services Professional to be onsite with SBBC for a one (1) week per month, to be scheduled as agreed upon by SBBC and VENDOR. If SBBC does not utilized the week of onsite care within the year in which it accrues, the week(s) will be "rolled-over" and be available to SBBC in subsequent year(s).

    b. At the commencement of this Amendment, Network Architect Services Professional will be onsite with SBBC for three (3) weeks the first month, two (2) weeks the second month and as needed thereafter, as agreed upon by IT and VENDOR.

3.2.3 Except as otherwise limited by this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate and to carry out the legal responsibilities of Business Associate if: (i) such disclosure is Required by Law, or (ii) Business Associate obtains reasonable assurances from the person to whom the information is disclosed that such information will remain confidential and used or further disclosed only as Required by Law or for the purposes for which it was disclosed to the person, and the person agrees to notify Business Associate of any and all instances of which it is aware that the confidentiality of the information has been breached.

3.3.2 SBBC shall provide Business Associate with any and all changes in, or revocation of, authorization by an Individual to use or disclose PHI, if such changes affect Business Associate's permitted or required uses and disclosures.

3.3.3 SBBC shall notify Business Associate of any and all restrictions to the use or disclosure of PHI that SBBC has agreed to in accordance with 45 CFR § 164.522.

3.3.4 SBBC and its representatives shall be entitled to audit Business Associate from time-to-time to verify Business Associate's compliance with the terms of this Agreement. SBBC shall provide Business Associate written notice at least ten (10) business days prior to the audit described in this paragraph. SBBC shall be entitled and enabled to inspect the records and other information relevant to Business Associate's compliance with the terms of this Agreement. SBBC shall conduct its review during the normal business hours of Business Associate, as the case may be, and to the extent feasible without unreasonably interfering with Business Associate's normal operations.

3.8.3 Termination for Cause by SBBC. SBBC may terminate this Agreement without penalty or recourse to SBBC if SBBC determines that Business Associate has violated a material term of this Agreement. Upon SBBC's knowledge of a material breach by Business Associate, SBBC shall provide an opportunity for Business Associate to cure the breach. Business Associate shall not retain any copies of the PHI except to the extent that the destruction or return of the PHI is infeasible. Business Associate shall provide to SBBC written notification of the conditions that make return or destruction of the PHI infeasible. If it is determined by SBBC that the return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that SBBC explicitly authorizes in writing for so long as Business Associate maintains such PHI.

3.9 **Liability**. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

Any party's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. 4.10 **Place of Performance**. All obligations of SBBC under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and shall be payable and performable in Broward County, Florida.

4.11 **Severability**. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, unlawful, unenforceable or void in any respect, the invalidity, illegality, unenforceability or unlawful or void nature of that provision shall not affect any other provision and this Agreement shall be considered as if such invalid, illegal, unlawful, unenforceable or void provision had never been included herein.

A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

4.16 **Regulatory References**. A reference in this Agreement to any part of the Privacy Rule, the Security Rule, the HITECH Act, or HIPAA shall refer to the most current form of legislation, and shall incorporate any future amendments.

4.17 **Governing Law**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. EXECUTIVE SUMMARY

AGR25-112 – Center for the Collaborative Classroom Incorporated (SIPPS)

Board Meeting Date: June 23, 2026

Requested Action:
Approve the First Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and Center for the Collaborative Classroom (SIPPS) with a term that commences on August 1, 2026, and concludes on July 31, 2027, with budget authority in the amount of $90,927.99.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Supports 6A-6.053 District Comprehensive Evidence-Based Reading Plan, Evidence-Based Intensive Interventions
If the School Board votes "Yes"	• It will ensure that elementary schools have access to Systematic Instruction in Phonological Awareness, Phonics, and Sight Words (SIPPS) as an evidence-based intervention aligned to Florida Rule 6A-6.053 and the District's Comprehensive Evidence-Based Reading Plan (CERP). SIPPS directly supports the delivery of evidence-based, intensive interventions for students with foundational reading deficiencies, enabling schools to meet state requirements for differentiated literacy instruction and accelerate student achievement in English Language Arts (ELA).
If the School Board votes "No"	• Non-approval will limit schools' ability to implement SIPPS as a targeted, evidence-based intervention, potentially impacting the District's capacity to fully align with Florida Rule 6A-6.053 and the Comprehensive Evidence-Based Reading Plan (CERP). This may reduce access to structured, systematic supports for students requiring intensive foundational reading interventions, thereby constraining schools' ability to effectively address reading deficiencies and meet state expectations for evidence-based literacy instruction.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency

Measurable Outcome(s)/Return on Investment	• Students who attended schools that implemented the SIPPS program demonstrated growth across all grade levels from PM1 to PM3. • Kindergarten students showed the largest average increase, gaining 37.63 points. • Grade 1 students demonstrated an average gain of 32.45 points. • Grade 2 students increased by an average of 22.51 points, exceeding the district average growth of 21.87 points. • Grade 3 students demonstrated average gains of 19.05 exceeding district average growth of 18.14 points. • Grade 4 students demonstrated average gains of 18.03 points exceeding district average growth of 16.65 points. • Grade 5 students gained an average of 13.78 points, which is essentially equivalent to the district average of 13.80 points. • Overall, students participating in the SIPPS program demonstrated growth that was generally comparable to or greater than districtwide averages, with particularly strong performance observed in Grades 3 and 4. In addition, schools that used SIPPS as an intervention: • Decreased their Level 1 students from 24% in 2025 to 19% in 2026 on FAST ELA PM3. • Increased their Level 3 and above students from 53% in 2025 to 59% in 2026 on FAST ELA PM3.

Background/History :
The products included in the Agreement are on the District's state-approved Comprehensive Evidence-Based Reading Plan. Schools have the ability to purchase programs listed below to support different subgroups of students based on the identified needs of the students:

Systematic Instruction in Phonological awareness, Phonics, & Sight Words (SIPPS): Beginning	The program's systematic Scope and Sequence provides a structured-literacy approach to instruction through explicit routines focused on phonological awareness, spelling-sounds, and high-frequency words. Each level of SIPPS corresponds to a specific stage of reading development. The beginning kit is for students in K-3rd grade who are struggling with basic consonants, digraphs, and short vowels.
SIPPS: Extension	This is for students in 1st – 3rd grade who are ready for the more complex spelling pattern phase, with emphasis on segmenting and blending of multisyllabic words.

Agreement Terms and Financial Impact

The following information provides a detailed summary of the contract agreement summary, financial impact of this item, including funding allocation, budget authority, fiscal year expenditures, and any current or future financial obligations.

SIPPS: Challenge	This is designed for students who are ready to decode and encode in the polysyllabic/morphology phase.
SIPPS: Plus	This is designed for teaching foundational skills for students in 4th-12th grade who are substantially below grade level, using age-appropriate materials.

Table A: Agreement Summary, Multi-Year Analysis, and Procurement Method
This table summarizes the contract agreement terms, including the multi-year financial breakdown and total projected cost, and identifies the procurement method used in accordance with District purchasing requirements.

Agreement Term:	Original Agreement Term: July 22, 2025, through July 31, 2026; First Amendment: August 1, 2026, through July 31, 2027.
Multi-Year Agreement:	Yes, this is a one-year Agreement with two one-year extension periods.
Procurement Method:	**Piggyback Agreement (Yes/No):** No **Acquisition Method**: Pursuant to Purchasing Policy 3800, III (D), and Rule 6A-1.012(11)(b), Florida Administrative Code, competitive solicitations are not required for the purchase of educational services and any type of copyrighted materials, including, without limitation, educational tests, textbooks, printed instructional materials, computer software, films, filmstrips, videotapes, DVDs, disc or tape recordings, digital recordings, or similar audio-visual materials, and for library and reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, and exclusive agent within the state, a governmental agency, or a recognized educational institution.

(i) SBBC reserves the right to review, reject or accept any required policies of insurance, including limits, coverages, or endorsements herein throughout the term of this Agreement.

2.17 **Equal Opportunity Provision**. The parties agree that no person shall be subjected to discrimination because of age, race, color, disability, gender identity, gender expression, marital status, national origin, religion, sex or sexual orientation in the performance of the parties' respective duties, responsibilities and obligations under this Agreement.

2.18 **Certification Regarding Scrutinized Activities**. Section 287.135(2)(a), Florida Statutes, prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135(2)(b), Florida Statutes, further prohibits a company from bidding on, submitting a proposal for, or entering into or renewing an Agreement for goods or services over One Million Dollars and 00/100 Cents ($1,000,000.00) if, at the time of contracting or renewal, the company is on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, both created pursuant to Section 215.473, Florida Statutes, or the company is engaged in business operations in Cuba or Syria. Entering into this Agreement constitutes certification by VENDOR that it is not listed on any of the following: (a) the Scrutinized Companies that Boycott Israel List, (b) Scrutinized Companies with Activities in Sudan List, or (c) the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. VENDOR further certifies that it is not engaged in a boycott of Israel or engaged in business operations in Cuba or Syria. VENDOR acknowledges that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs. VENDOR further understands that any Agreement with SBBC for goods or services of any amount may be terminated at SBBC's option if VENDOR (a) is found to have submitted a false certification, (b) has been placed on the List of Scrutinized Companies that Boycott Israel, or (c) is engaged in a boycott of Israel. And, in addition to the foregoing, if the amount of the

Agreement is One Million Dollars and 00/100 Cents ($1,000,000) or more, the Agreement may be terminated at SBBC's option if VENDOR is found to have submitted a false certification, has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.19 **Annual Appropriation**. SBBC's performance and obligations under this Agreement is contingent upon an annual budgetary appropriation by its governing body. If SBBC does not allocate funds for the payment of services or products to be provided under this Agreement, this Agreement may be terminated by SBBC at the end of the period for which funds have been allocated. SBBC shall notify the other party at the earliest possible time before such termination. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

2.20 **Excess Funds**. Any party receiving funds paid by SBBC under this Agreement agrees to promptly notify SBBC of any funds erroneously received from SBBC upon the discovery of such erroneous payment or overpayment. Any such excess funds shall be refunded to SBBC, together with any applicable statutory interest.

2.21 **Proprietary Information**.

(a) Any documents or materials submitted to SBBC shall be open for inspection by any person in accordance with Section 119.07, Florida Statutes, except as otherwise exempted from disclosure by applicable law. A party contracting with SBBC must clearly mark, label, designate, or identify any portions of any documents or materials it provides to SBBC which are claimed to be confidential and exempt from public inspection, provided that the confidential or exempt portions of such documents or materials are clearly marked with specific citations of law that provide the asserted confidentiality or exemption. A contracting party's failure to identify any confidential or exempt portions of documents or materials or to specify the law establishing their confidential or exempt status is a waiver of confidential or exempt status for any such unidentified or unsupported portions of any documents or materials.

(b) If SBBC receives a public record request for documents or materials in its custody under this Agreement which have been properly marked as confidential or exempt, SBBC will notify the contracting party of the public records request. The notice shall state that the requested materials will be produced by SBBC to the requesting party within ten (10) calendar days of the date of the written notification, unless the contracting party has initiated an action at its sole cost and expense in a court of competent jurisdiction to preclude the release of the requested materials. The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver

of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.22 **Forced Labor.**

(a) Excluded Vendors - the Forced Labor Vendor List. Section 287.1346, Florida Statutes, prohibits SBBC from awarding a contract or purchase order to, or transacting business pertaining to the provision of commodities with a vendor on the Forced Labor Vendor List created and maintained by the Florida Department of Management Services, or an entity under the control of such vendor, for a period of three hundred and sixty-five (365) calendar days after the date the vendor was placed on the list (the "Disqualification Period") unless the vendor is removed from the list pursuant to Section 287.1346(5)(d), Florida Statutes. VENDOR understands that any contract or purchase order with SBBC for the provision of commodities of any amount may be terminated during the Agreement Term at SBBC's sole option pursuant to Section 287.1346(4)(a)2.b, Florida Statutes, if VENDOR or an entity under VENDOR's control is placed on the Forced Labor Vendor List created and maintained by the Florida Department of Management Services.

(b) Forced Labor Certification Form. Before entering into a contract or purchase order with SBBC for the provision of commodities, a member of VENDOR's senior management is required by Section 287.1346(4)(b), Florida Statutes, to certify, in writing, that to the best of his or her knowledge the commodities such vendor is offering to the SBBC have not been produced, in whole or in part, by forced labor. "Forced labor" means work or service exacted from any person, including a minor, under the menace of a penalty for nonperformance and for which the worker does not offer himself or herself voluntarily or an activity that violates Section 787.06, Florida Statutes. "Senior management" includes chief executive officers; assistant chief executive officers, including, but not limited to, assistant presidents, vice presidents, or assistant treasurers; chief financial officers; chief personnel officers; or any employee of an entity performing similar functions. The VENDOR acknowledges that pursuant to Section 287.1346(4)(f), Florida Statutes, the submission of a false certification may subject it to civil fines and penalties. VENDOR must provide SBBC with an updated and current Forced Labor Certification Form prior to any renewal or extension of this contract or purchase order. The original copy of VENDOR's executed Forced Labor Certification Form will be kept in SBBC's contract file.

2.23 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, VENDOR, when executing, renewing, or extending an agreement with The School Board of Broward County, Florida must provide an affidavit signed by an officer or representative of VENDOR under penalty of perjury stating that VENDOR does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject VENDOR to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if VENDOR is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or

in connection with VENDOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement, and SBBC may terminate. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There

shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival.** All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

EXECUTIVE SUMMARY

AGR25-112 – Center for the Collaborative Classroom Incorporated (SIPPS)

Board Meeting Date: July 28, 2026

Requested Action:
Approve the First Amendment to the Agreement between The School Board of Broward County, Florida (SBBC), and Center for the Collaborative Classroom (SIPPS) with a term that commences on August 1, 2026, and concludes on July 31, 2027, with no increase in budget authority.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• Not Applicable
Statutory Requirement	• Supports 6A-6.053 District Comprehensive Evidence-Based Reading Plan, Evidence-Based Intensive Interventions
If the School Board votes "Yes"	• It will ensure that elementary schools have access to Systematic Instruction in Phonological Awareness, Phonics, and Sight Words (SIPPS) as an evidence-based intervention aligned to Florida Rule 6A-6.053 and the District's Comprehensive Evidence-Based Reading Plan (CERP). SIPPS directly supports the delivery of evidence-based, intensive interventions for students with foundational reading deficiencies, enabling schools to meet state requirements for differentiated literacy instruction and accelerate student achievement in English Language Arts (ELA).
If the School Board votes "No"	• Non-approval will limit schools' ability to implement SIPPS as a targeted, evidence-based intervention, potentially impacting the District's capacity to fully align with Florida Rule 6A-6.053 and the Comprehensive Evidence-Based Reading Plan (CERP). This may reduce access to structured, systematic supports for students requiring intensive foundational reading interventions, thereby constraining schools' ability to effectively address reading deficiencies and meet state expectations for evidence-based literacy instruction.
Alignment to the 2027 Strategic Goals and Guardrails	• Goal 1: Early Literacy Proficiency
Measurable Outcome(s)/Return on Investment	• Students who attended schools that implemented the SIPPS program demonstrated growth across all grade levels from PM1 to PM3. Kindergarten students showed the largest

	average increase, gaining 37.63 points, closely aligning with the district average growth of 38.34 points. Grade 1 students demonstrated an average gain of 32.45 points, slightly below the district average of 32.80 points. Grade 2 students increased by an average of 22.51 points, exceeding the district average growth of 21.87 points. In Grades 3 and 4, students demonstrated average gains of 19.05 and 18.03 points, respectively, both exceeding district averages of 18.14 and 16.65 points. Grade 5 students gained an average of 13.78 points, which was essentially equivalent to the district average of 13.80 points. Overall, students participating in the SIPPS program demonstrated growth that was generally comparable to or greater than districtwide averages, with particularly strong performance observed in Grades 3 and 4.

Background/History :
The products included in the Agreement are on the District's state-approved Comprehensive Evidence-Based Reading Plan. Schools have the ability to purchase programs listed below to support different subgroups of students based on the identified needs of the students:

Systematic Instruction in Phonological awareness, Phonics, & Sight Words (SIPPS): Beginning	The program's systematic Scope and Sequence provides a structured-literacy approach to instruction through explicit routines focused on phonological awareness, spelling-sounds, and high-frequency words. Each level of SIPPS corresponds to a specific stage of reading development. The beginning kit is for students in K-3rd grade who are struggling with basic consonants, digraphs, and short vowels.
SIPPS: Extension	This is for students in 1st – 3rd grade who are ready for the more complex spelling pattern phase, with emphasis on segmenting and blending of multisyllabic words.
SIPPS: Challenge	This is designed for students who are ready to decode and encode in the polysyllabic/morphology phase.
SIPPS: Plus	This is designed for teaching foundational skills for students in 4th-12th grade who are substantially below grade level, using age-appropriate materials.

The contracting party shall name the party requesting the documents or materials as a defendant and will not name SBBC as a party to the action but will provide SBBC with notice of such proceedings. The contracting party agrees to indemnify SBBC for any costs, expenses, and attorney's fees SBBC may incur with regard to any legal proceedings and judgments that may arise from the request for the contracting party's public records that are subject to claims of confidential or exempt status. A failure to timely initiate the legal action required by this paragraph is a waiver

of any claim that the requested information is confidential and exempt from public disclosure. The contracting party waives any cause of action against SBBC for the release of materials pursuant to a public records request except for any claims based upon the intentional or grossly negligent conduct of any employee of SBBC.

2.22 **Forced Labor.**

(a) Excluded Vendors - the Forced Labor Vendor List. Section 287.1346, Florida Statutes, prohibits SBBC from awarding a contract or purchase order to, or transacting business pertaining to the provision of commodities with a vendor on the Forced Labor Vendor List created and maintained by the Florida Department of Management Services, or an entity under the control of such vendor, for a period of three hundred and sixty-five (365) calendar days after the date the vendor was placed on the list (the "Disqualification Period") unless the vendor is removed from the list pursuant to Section 287.1346(5)(d), Florida Statutes. VENDOR understands that any contract or purchase order with SBBC for the provision of commodities of any amount may be terminated during the Agreement Term at SBBC's sole option pursuant to Section 287.1346(4)(a)2.b, Florida Statutes, if VENDOR or an entity under VENDOR's control is placed on the Forced Labor Vendor List created and maintained by the Florida Department of Management Services.

(b) Forced Labor Certification Form. Before entering into a contract or purchase order with SBBC for the provision of commodities, a member of VENDOR's senior management is required by Section 287.1346(4)(b), Florida Statutes, to certify, in writing, that to the best of his or her knowledge the commodities such vendor is offering to the SBBC have not been produced, in whole or in part, by forced labor. "Forced labor" means work or service exacted from any person, including a minor, under the menace of a penalty for nonperformance and for which the worker does not offer himself or herself voluntarily or an activity that violates Section 787.06, Florida Statutes. "Senior management" includes chief executive officers; assistant chief executive officers, including, but not limited to, assistant presidents, vice presidents, or assistant treasurers; chief financial officers; chief personnel officers; or any employee of an entity performing similar functions. The VENDOR acknowledges that pursuant to Section 287.1346(4)(f), Florida Statutes, the submission of a false certification may subject it to civil fines and penalties. VENDOR must provide SBBC with an updated and current Forced Labor Certification Form prior to any renewal or extension of this contract or purchase order. The original copy of VENDOR's executed Forced Labor Certification Form will be kept in SBBC's contract file.

2.23 **Affidavit Regarding the Use of Coercion for Labor and Services**. Pursuant to Section 787.06(13), Florida Statutes, VENDOR, when executing, renewing, or extending an agreement with The School Board of Broward County, Florida must provide an affidavit signed by an officer or representative of VENDOR under penalty of perjury stating that VENDOR does not use coercion for labor or services as defined in that statute. The submission of a false affidavit may subject VENDOR to civil penalties, attorney's fees, and/or costs. Any Agreement with SBBC shall be terminated by SBBC without recourse if VENDOR is found to have submitted a false affidavit. Any delays in delivery or service under this Agreement arising out of, as a result of, or

in connection with VENDOR's use of coercion for labor or services as defined by Section 787.06(13), Florida Statutes, is not a Force Majeure event under this Agreement, and SBBC may terminate. No penalty accrues to SBBC if this provision is exercised, and SBBC is not obligated or liable for any future payments due or any damages as a result of termination under this section.

ARTICLE 3 – GENERAL CONDITIONS

3.01 **No Waiver of Sovereign Immunity**. Nothing herein is intended to serve as a waiver of sovereign immunity by any agency or political subdivision to which sovereign immunity may be applicable or of any rights or limits to liability existing under Section 768.28, Florida Statutes. This section survives the termination of all performance or obligations under this Agreement and is fully binding until such time as any proceeding brought on account of this Agreement is barred by any applicable statute of limitations.

3.02 **No Third-Party Beneficiaries**. The parties expressly acknowledge that it is not their intent to create or confer any rights or obligations under this Agreement in or upon any third person or entity. None of the parties intend to directly or substantially benefit a third-party by this Agreement. The parties agree that there are no third-party beneficiaries to this Agreement and that no third-party is entitled to assert a claim against any of the parties based upon this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any Agreement.

3.03 **Independent Contractor**. The parties to this Agreement are acting in the capacity of independent contractors and not as an officer, employee, or agent of one another. Neither party or its respective agents, employees, subcontractors, or assignees shall represent to others that it has the authority to bind the other party unless specifically authorized in writing to do so. No right to SBBC retirement, leave benefits, or any other benefits of SBBC employees exists as a result of the performance of any duties or responsibilities under this Agreement. SBBC is not responsible for Social Security, withholding taxes, contributions to unemployment compensation funds or insurance for the other party or the other party's officers, employees, agents, subcontractors, or assignees.

3.04 **Default**. The parties agree that, if either party is in default of its obligations under this Agreement, the non-defaulting party shall provide to the defaulting party (30) calendar days' written notice to cure the default. However, if said default cannot be cured within said thirty (30) calendar day period and the defaulting party is diligently attempting in good faith to cure same, the time period will be reasonably extended to allow the defaulting party additional cure time. Upon the occurrence of a default that is not cured during the applicable cure period, this Agreement may be terminated by the non-defaulting party upon thirty (30) calendar days' notice. This remedy is not intended to be exclusive of any other remedy, and each and every such remedy is cumulative and in addition to every other remedy now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder precludes any other or future exercise thereof. Nothing in this section shall be construed to preclude termination for convenience pursuant to section 3.05.

3.05 **Termination**. This Agreement may be terminated with or without cause by SBBC during the term hereof upon thirty (30) calendar days' written notice to the other parties of its desire to terminate this Agreement. In the event of such termination, SBBC is entitled to a *pro rata* refund of any pre-paid amounts for any services scheduled to be delivered after the effective date of such termination. SBBC has no liability for any property left on SBBC's property by any party to this Agreement after the termination of this Agreement. Any party contracting with SBBC under this Agreement agrees that any of its property placed upon SBBC's facilities pursuant to this Agreement shall be removed within ten (10) business days following the termination, conclusion, or cancellation of this Agreement and that any such property remaining upon SBBC's facilities after that time shall be deemed to be abandoned, that title to such property shall pass to SBBC, and that SBBC may use or dispose of such property as SBBC deems fit and appropriate.

3.06 **Compliance with Laws**. Each party shall comply with all applicable federal, state and local laws, SBBC policies, codes, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

3.07 **Place of Performance**. All of SBBC's obligations under the terms of this Agreement are reasonably susceptible of being performed in Broward County, Florida and are payable and performable in Broward County, Florida.

3.08 **Governing Law and Venue**. This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any disputes, controversies, or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted exclusively to the jurisdiction of the State courts of the Seventeenth Judicial Circuit of Broward County, Florida or to the jurisdiction of the United States District Court for the Southern District of Florida. Each party agrees and admits that the state courts of the Seventeenth Judicial Circuit of Broward County, Florida or the United States District Court for the Southern District of Florida has jurisdiction over it for any dispute arising under this Agreement.

3.09 **Entirety of Agreement**. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof is predicated upon any prior representations or agreements, whether oral or written.

3.10 **Binding Effect**. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns.

3.11 **Assignment**. Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered by any party without the prior written consent of the other party. There

shall be no partial assignment of interests under this Agreement including, without limitation, the partial assignment of any right to receive payments from SBBC.

3.12 **Captions**. The captions, section designations, section numbers, article numbers, titles, and headings appearing in this Agreement are inserted only as a matter of convenience, have no substantive meaning, and in no way define, limit, construe, or describe the scope or intent of such articles or sections of this Agreement, nor in any way affect this Agreement and shall not be construed to create a conflict with the provisions of this Agreement.

3.13 **Severability**. If any one or more of the sections, paragraphs, sentences, clauses, or provisions contained in this Agreement is held by a court of competent jurisdiction to be invalid, illegal, unlawful, unenforceable, or void in any respect, such does not affect the remaining portions of this Agreement and the same remain in full force and effect as if such invalid, illegal, unlawful, unenforceable, or void sections, paragraphs, sentences, clauses, or provisions had never been included.

3.14 **Preparation of Agreement**. The parties acknowledge that they have sought and obtained whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to herein expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

3.15 **Amendments**. No modification, amendment, or alteration in the terms or conditions contained herein is effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by each party hereto.

3.16 **Waiver**. The parties agree that each requirement, duty and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. Any party's failure to enforce any provision of this Agreement is not a waiver of such provision or modification of this Agreement unless the waiver is in writing and signed by the party waiving such provision. A written waiver is only effective as to the specific instance for which it is obtained and is not a continuing or future waiver.

3.17 **Force Majeure**. Neither party is obligated to perform any duty, requirement, or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, wars, sabotage, accident, flood, acts of God, strikes, or other labor disputes, riot or civil commotions, epidemics, pandemics, government regulations, and the issuance or extension of existing government orders of the United States, the State of Florida, or local county and municipal governing bodies, or by reason of any other matter or condition beyond the control of either party, and which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall a lack of funds on the part of either party be deemed Force Majeure.

3.18 **Rights and Remedies.** The duties and obligations imposed by this Agreement and the rights and remedies available thereunder are in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

3.19 **Survival.** All representations and warranties made herein, indemnification obligations, obligations to reimburse SBBC, obligations to maintain and allow inspection and audit of records and property, obligations to maintain the confidentiality of records, reporting requirements, and obligations to return public funds survive the termination of this Agreement.

3.20 **Agreement Administration.** SBBC has delegated authority to the Superintendent of Schools or her/his designee to take any actions necessary to implement and administer this Agreement.

3.21 **Counterparts and Multiple Originals.** This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is an original, but all of which, taken together, shall constitute one and the same Agreement.

3.22 **Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement upon the date of the last signature below.

If the School Board votes "Yes"	• The proposed adoption and rescission shall become effective on July 29, 2026. Approval will support system-wide governance, legal compliance, transparency, and operational alignment by ensuring that the District's policy framework reflects current legal requirements, Board direction, and District practices. Background/History

On May 5, 2026, the School Board approved the Agreement between The School Board of Broward County, Florida and Neola, Inc. to support the District's policy modernization efforts through policy development, legal update services, administrative procedure support, and digital publication of Board bylaws, policies, and administrative procedures. As part of the District's ongoing policy modernization initiative, these policies, along with additional policy proposals, were presented to the School Board for review and discussion during the Workshop held on June 8, 2026. The policies were subsequently reviewed again during the Regular School Board Meeting held on June 23, 2026. During both meetings, School Board Members and stakeholders were provided the opportunity to review and discuss the proposed policy language.

Consistent with the District's rulemaking process and applicable legal requirements, the policy proposals were publicly noticed and advertised in advance of both the June 8, 2026 Workshop and the June 23, 2026 Regular School Board Meeting. Following Board review and discussion, these specific policy proposals were subsequently advertised for Rule Development on June 30, 2026.

The proposed policy language reflects feedback and input received during the Board's review process, including comments and recommendations provided by School Board Members and stakeholders. This agenda item represents the next step in the District's continuing effort to maintain a policy framework that is current, legally compliant, transparent, accessible, and aligned with Board governance priorities and District operations.

Adoption and rescission of the policies presented herein will further advance the District's systematic review, revision, adoption, rescission, and publication of School Board Policies in a manner that promotes consistency, operational alignment, transparency, and legal compliance.

POLICY NO. 1232

POLITICAL ACTIVITIES

Pursuant to State law, staff members who are employed by the School Board shall not participate in any political campaign for an elective office while on duty.

Pursuant to State law, staff members may not expend public funds (that is, any funds under the jurisdiction or control of the District) for a political advertisement or any other communication sent to electors concerning an issue, referendum, or amendment, including State questions that are subject to a vote of the electors.

PURSUANT TO F.S. 106.011:

A. 'Political advertisement' means a paid expression in a 'communications medium,' whether radio, television, newspaper, magazine, periodical, campaign literature, public comment during Board meetings, direct or electronic mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue. However, political advertisement does not include:

   1. a statement by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, in support of or opposition to a candidate or issue, in that organization's newsletter, which newsletter is distributed only to the members of that organization;

   2. editorial endorsements by a newspaper, a radio or television station, or any other recognized news medium.

B. 'Communications medium' means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct or electronic mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an

DRAFT

expenditure for use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group.

Therefore, staff members who engage in political activities or hold public office shall not use time, facilities, equipment, or personnel of the school system to engage in such activities. Specifically, the use of copy reproduction equipment or other machinery or supplies, the use of secretarial help, school system technology, or any other school facilities or personnel is strictly prohibited. Telephone use for such political activities during duty hours shall be confined to an emergency only, and then only in such manner as shall not conflict with the staff member's school-related duties. Additionally, staff members who engage in political activities or hold public office are expected to discourage constituents or other persons with whom they are associated with in their political capacities, from making telephone calls to them during duty hours.

Video or programming produced by the School Board of Broward County, including any individual department or school, shall not be used for political campaign advocacy. Any editing, embedding, or distribution of such videos without the permission of the Superintendent is strictly prohibited. Direct linking to complete video files is not permissible for use in political campaigns. Board Members may use videos or photos of themselves engaged in their normal activities as School Board members.

Staff who declare themselves candidates for an elective office shall notify the Superintendent immediately upon qualifying for election. They shall submit to the Superintendent a written explanation of how they will conduct their campaign so that it will be in accord with the requirements of State law and this policy.

All candidates for public office may be granted personal leave without pay. The staff member's request for leave shall be submitted according to the established procedure.

Such candidates shall adhere strictly to Florida statutes governing political activity on the part of public official and public employees.

A staff member who is a successful candidate for an office requiring a part-time responsibility shall report immediately to the Superintendent after the election and thereafter, when deemed necessary by the Superintendent, to evaluate the compatibility of the dual responsibility and the need for personal leave without pay.

PUBLIC-PRIVATE PARTNERSHIPS, UNSOLICITED PROPOSALS, COMPETITIVE SOLICITATIONS, AND DIRECT NEGOTIATIONS REGARDING BOARD-OWNED PROPERTY AND RESOURCES

The School Board recognizes that there is a public need for timely and cost-effective construction or upgrades of educational and other facilities that may not be wholly satisfied by existing procurement methods such as competitive bidding, design-build, and selection of construction or program management companies. In accordance with State law, this policy provides that in addition to its existing procurement methods, the Board may solicit proposals or receive unsolicited proposals for qualifying public-private project(s) and may thereafter enter into a comprehensive agreement or an interim agreement with a private entity, or a consortium of private entities, for the building, upgrading, operating, ownership, or financing of facilities. In addition, the Board may enter into a comprehensive agreement, interim agreement, or other contracting arrangements that include multiple government and private entities.

DRAFT

availability of financing, or any other aspect of the Proposed Project. The rights of the contracting entity and the Board will be governed by the Interim Agreement, which must be in writing. No purported Interim Agreement or terms relating thereto shall be effective, binding, or valid until approved by the Board and signed in writing.

E. **Lease Payment** - any form of payment, including a land lease, by a public entity to the private entity of a qualifying project for the use of the project.

B. The estimated cost of the qualifying project is reasonable and beneficial as determined by the Board in relation to similar facilities.

C. The private entity's plans will result in the timely acquisition, design, construction, improvement, renovation, expansion, equipping, maintenance, or operation of the qualifying project.

III. COMPETITIVE SOLICITATION OF PUBLIC-PRIVATE PARTNERSHIP FOR QUALIFYING PROJECTS

A. The Superintendent may competitively solicit and recommend public-private partnerships and agreements with private entities to the Board for qualifying projects in accordance with law and this policy.

The licensed design professional who prepares the design criteria package shall be retained to serve the Board through completion of the design and construction of the project. The licensed design professional shall be selected through the Board's existing selection process and procedures. The costs incurred for retaining the licensed design professional may be reimbursed to the Board as part of the comprehensive agreement if the proposer is selected by the Board for award. Notice shall be included in the solicitation documents that such reimbursement may be required under the comprehensive agreement if awarded.

C. The Board may also include a reasonable application fee in the comprehensive agreement with the proposer that covers the costs of processing, reviewing, and evaluating the proposal, including, but not limited to, reasonable attorney fees and fees for financial and technical advisors or consultants and for other necessary advisors and consultants. B. **Application Fees**

1. The Board shall charge a fee to the private entity to cover the costs of processing, reviewing, and evaluating any unsolicited proposal, including a fee to cover the costs of attorneys, engineers, consultants, and financial advisors. The fee charged for reviewing the proposal shall be based on the level of expertise deemed necessary by the Superintendent but will not be greater than the direct costs associated with evaluating the proposal. Direct costs may include, but are not limited to (a) the cost of staff time required to process, evaluate, review, and respond to the proposal, and (b) the costs of attorneys, engineers, financial advisors and other consultants. If the project proceeds beyond the initial review and is published for competition, additional fees for review and evaluation may be charged.

If the application fee is more than the direct costs for the evaluation, the difference will be refunded to the applicant. However, additional fees may be charged based on the nature and complexity of the proposal and review required. If the initial fee does not cover the direct costs to evaluate the proposal, the Superintendent must request in writing the additional amounts required. The private entity must pay the additional amounts within thirty (30) days after receipt of the notice. If the entity fails to pay, the evaluation will not proceed. All fees must be paid prior to further evaluation. Payment must be made by electronic fund transfer wire, cashier's check, or other non-cancelable instrument. Personal checks will not be accepted.

3. The Superintendent shall notify the Board upon receipt of an unsolicited proposal, at which time the cone of silence governed by policy shall be imposed. The cone of silence shall remain in place until:

    a. an agenda item is published for a Board meeting in which the unsolicited proposal will be recommended by the Superintendent for rejection or to proceed to as a qualifying project under this policy; or

The designated procurement official may ask for additional details or information needed to substantially meet the criteria and properly evaluate the proposal. If the proposal is deemed by the Superintendent to be incomplete, lacking in sufficient detail, does not meet the best interest or the District's needs, or fails to substantially meet the criteria required by this policy, it may be rejected at the sole discretion of the Superintendent. The Superintendent shall inform the proposer in writing of the reason(s) why the proposal will not be accepted, including the missing information or details, and return the application fee to the proposer.

4. The proposal shall be evaluated if the Superintendent determines that the proposal substantially meets all requirements of Section IV of this policy, including proper submission of the application fee and all criteria, and the Superintendent determines that the best interest and needs of the District will be served by the qualified project. If the unsolicited proposal involves architecture, engineering, or landscape architecture, and/or other professional services, the Superintendent must ensure a professional review and evaluation of the design and construction proposed by the initial or any other subsequent proposers to ensure material quality standards, interior space utilization, budget estimates, design and construction schedules, and sustainable design and construction standards consistent with statutes and rules governing public education facilities, to include but not limited to SREF. Such review shall be performed by an architect, a landscape architect, or an engineer licensed in this State qualified to perform the review and shall be selected through the Board's existing selection process and procedures. Following the initial review and evaluation of the unsolicited proposal, such professional(s) shall remain available, if needed, to advise the Board through the completion of the design and construction of the project.

5. Where such unsolicited proposal involves any interest in Board-owned property or assets, the Superintendent shall obtain, as applicable, a reliable estimate of the value of such property or assets in a manner consistent with the appraisal and/or valuation procedures outlined in Policy Disposal of Surplus Land and Other Real Property, for a transfer, trade, public or private sale, and any other procedure associated with obtaining a fair and independent value of the property.

V. BOARD AUTHORIZATION TO PUBLISH OR REJECT THE UNSOLICITED PROPOSAL

A. In addition to the criteria set forth in Section IV above, the Superintendent must determine that the proposed qualified project received in an unsolicited proposal:

1. is in the public's best interest;

2. supports the mission of the Board;

3. is for a facility that is owned by the Board or is for a facility for which ownership will be conveyed to the Board;

4. has adequate safeguards in place to ensure that additional costs or service disruptions are not imposed on the public in the event of a material default or cancellation of the comprehensive agreement by the Board;

5. has adequate safeguards in place to ensure that the Board or private entity has the opportunity to add capacity to the proposed project or other facilities serving similar predominantly public purposes;

6. will be owned by the Board upon completion, expiration, or termination of the comprehensive agreement and upon payment of the amounts financed, if any.

B. Upon completion of the review and evaluation of the unsolicited proposal, the Superintendent shall proceed with a recommendation to the Board to either reject the proposal or proceed to publication of the unsolicited proposal as a qualifying project in order to evaluate other proposals for the same project The Superintendent shall notify the proposer in writing as to the recommendation being made for the Board to accept or reject the unsolicited proposal and publish a Board item agenda regarding any such recommendation(s).

C. Following Board approval to publish the qualifying project, the Superintendent must publish in accordance with the publication requirements of a competitive solicitation under its procurement policies, and the notice shall also be published in the Florida Administrative Register and a newspaper of general circulation in Broward County at least once a week for two (2) weeks stating the Board has received an unsolicited proposal and will accept other proposals for the same project.

D. At the time of publication of the qualified project, the cone of silence governed by Policy shall be reinstated and the Procurement Director shall notify the Board and Superintendent. The timeframe within which other

DRAFT

proposals will be accepted shall be determined on a project-by-project basis based on the complexity of the qualifying project and the public benefit to be gained by allowing a longer or shorter period of time within which other proposals may be received. However, the timeframe for allowing other proposals must be at least twenty-one (21) days, but no more than one hundred twenty (120) days after the initial date of publication of the solicitation. If approved by a majority of the Board, the Board may alter the timeframe for accepting proposals to more adequately suit the needs of the qualifying project. A copy of the notice of solicitation must be mailed to each local government in the affected area.

E. The notice shall identify the procedures that will be used for submitting and evaluating the proposals which shall be the same as those for submission of unsolicited proposals, including the application fee.

F. If the solicited qualifying project includes design work, the solicitation must include a design criteria package prepared by an architect, a landscape architect, or an engineer licensed in this state which is sufficient to allow private entities to prepare a bid or a response. The design criteria package must specify reasonably specific criteria for the qualifying project such as the legal description of the site, with survey information; interior space requirements; material quality standards; schematic layouts and conceptual design criteria for the qualifying project; cost or budget estimates; design and construction schedules; and site development and utility requirements. The licensed design professional who prepares the design criteria package shall be retained to serve the responsible public entity through the completion of the design and construction of the project. The same professional may have completed the initial review of the unsolicited proposal.

VI. PUBLIC PRIVATE BOARD SOLICITATION

The Superintendent may determine that a private public partnership is in the best interest of the District without receiving an unsolicited proposal. The District may move forward with a solicitation for a proposed private public partnership for a qualifying project. The solicitation notice shall identify the procedures that will be used for submitting and evaluating the proposals which shall be the same as those for submission of unsolicited proposals, including the application fee. If the solicited qualifying project includes design work, the solicitation must include a design criteria package as noted in section V. (F). The timeframe that proposals will be accepted shall be determined on a project-by-project basis based upon the complexity of the qualifying project and the public benefit to be gained by allowing a longer or shorter period of time within which other proposals may be received. However, the timeframe for allowing other proposals must be at least twenty-one (21) days, but no more than one hundred twenty (120) days after the initial date of publication of the solicitation. If approved by a majority of the Board, the Board may alter the timeframe for accepting proposals to more adequately suit the needs

DRAFT

of the qualifying project. A copy of the notice of solicitation must be mailed to each local government in the affected area.

VII. EVALUATION AND BOARD APPROVAL OF A PROPOSAL FOLLOWING RESPONSE PERIOD

A. After the response period for a solicited proposal, or the public notification period for an unsolicited proposal has expired, all proposals received shall be evaluated according to the published criteria and ranked in order of preference. The ranking shall be conducted by a selection committee appointed by the Superintendent on a project-by-project basis and in compliance with existing procurement policies. Factors that must be considered in ranking the proposals include, but are not limited to, professional qualifications of the proposer(s), general business terms, innovative design techniques, or cost-reduction and other costs related terms, and finance plans. The Superintendent may then begin negotiations for a comprehensive agreement with the highest-ranked firm. If the negotiation results are not satisfactory, the Superintendent may terminate negotiations with the proposer and negotiate with the second-ranked or subsequent-ranked firms, in the order consistent with this procedure. No proposer is guaranteed the award of a contract as a result of being favorably ranked for this project and the issuance of a solicitation shall create no rights for the proposer including rights as a bidder, under contract, or intellectual property. If only one proposal is received, the Superintendent may negotiate in good faith, but if the negotiation is unsatisfactory, negotiations may be terminated. Notwithstanding this process, any and all proposals may be rejected by the Board in accordance with this policy at any point in the process. A contract will not be finalized or enforceable until it is approved by the Board and fully executed by all parties and a total project cost has been approved by the Board.

B. The bid protest process shall apply only to any final Board decision to move forward and award to a proposer or to reject all bids, unless such protest is waived.

C. The Superintendent shall perform an independent analysis of the proposed public-private partnership, which demonstrates the cost-effectiveness and overall public benefit, before the comprehensive agreement is recommended to the Board for finalization and execution. Said analysis shall be included as part of the agenda item for the Board's review.

VIII. INTERIM AND COMPREHENSIVE AGREEMENT

The terms of any Interim or Comprehensive Agreement to be negotiated shall include, but not be limited to, the scope, design, amenities, total cost, and duration of the proposed project. The terms will include the Board's review, approval, and control of project design and performance standards for construction, operations,

DRAFT

and maintenance, for which compensation to the Respondent/Proposer may be adjusted should the performance standards not be met. Terms will also include the Board's right to inspect construction, operations, financing (if applicable), and maintenance, as well as the records relating to the cost of such operations; project insurance; labor wage and local workforce requirements; auditing rights, termination clauses, events of default and the parties' rights and responsibilities in the event of same; fees, lease payments or service payments to be paid under the agreement; the School Board maintains ownership and operation of the property during the use restriction period; the owner shall not convey, sublease, or transfer the property approved for this disposition without the consent of the Board, the restrictions in favor of the Board shall run with the land; and any other terms the Board deems appropriate for the proposed project.

Any Interim or Comprehensive Agreement shall define the rights and obligations of the Board and the contracting entity with regard to the proposed project. Prior to entering into a Comprehensive Agreement, an Interim Agreement may be entered into that permits a Respondent/Proposer or other private entity to perform activities, which may be compensable, related to the proposed project, usually in the nature of continued due diligence activities to inform the Board about the proposed project's feasibility. The Interim Agreement is a discretionary step, not necessary in all cases, but is available should the Board determine more investigation or due diligence is necessary about the proposed project before entering into a Comprehensive Agreement. The Board shall not be bound to enter into a Comprehensive Agreement merely because it entered into an Interim Agreement. However, prior to developing or operating the Proposed Project, the Respondent/Proposer shall enter into a Comprehensive Agreement with the Board.

A. Before developing or operating the qualifying project, the private entity must enter into a comprehensive agreement with the Board.

B. The Comprehensive Agreement shall include the requirements required by F.S. 255.065(7), including but not limited to:

    1. delivery of performance and guarantee bonds in compliance with F.S. 255.05;

    2. Board approvals of the project design, inspection and monitoring by the Board during the course of the project;

    3. maintenance of public liability insurance by the private entity, periodic filing of financial statements by the private entity;

    4. procedures governing the rights and responsibilities of the parties during the course of the project and in the event of material default by the private entity;

DRAFT

5. provisions for the transfer or purchase of the property or other interest of the private entity by the Board;

6. payment schedules, financing arrangements, and auditing rights;

7. provisions evidencing the private entity's compliance with all of the Board's policies; and

8. any other provisions deemed necessary for the qualifying project.

C. In accordance with F.S. 255.065(7(b), the agreement may also include provisions that:

1. allow the Board to make grants or loans to the private entity;

2. relate to notice of fault, cure rights, and unavoidable delays;

3. terminate the authority and duties of the private entity and dedicate the qualifying project to the Board;

4. address reimbursement and/or payment for costs incurred by the Board in reviewing and processing the initial proposal.

IX. MATERIAL TERMS AND MODIFICATIONS

Any changes to the terms of an Interim or Comprehensive Agreement, as may be agreed upon in writing by the parties from time to time, and in order to be enforceable, shall be added to the Interim or Comprehensive Agreement only by written amendment as approved by the Board or through its Board policies. Verbal changes shall not be enforceable against the Board. No act or omission or verbal representation shall be enforceable against the Board.

X. QUALIFYING PROJECT FINANCING

A. The private entity may secure its own private-source financing which must be paid in full upon transfer of the facility to the Board in accordance with the comprehensive agreement. Upon transfer to the Board, title to the facility shall be free and clear of all encumbrances and liens of any kind whatsoever.

B. As provided in and in accordance with State law, the Board may use innovative finance techniques including Federal loans as provided in Titles 23 and 49, C.F.R., commercial bank loans, other public and/or private sources, from its own capital or operating budget, or any other legally permissible funding source including proceeds of debt issuance.

C. Financing arrangements, however, shall not require the Board to indemnify the financing source, subject the facility to liens in violation of F.S. 11.066(5),

DRAFT

or secure financing by a mortgage on, or security interest in, the real or tangible property of the Board in a manner that could result in the loss of the fee ownership of the property or facility by the Board, or otherwise result in the foreclosure of the Board's interest in such property.

D. The full faith and credit of the Board may not be pledged to secure the financing of the private entity.

XI. DEFAULT, OPERATION, EXPIRATION, AND TERMINATION

A. Upon expiration or termination of a Comprehensive Agreement, the Board may use revenues from the qualifying project to pay current operation and maintenance costs of the qualifying project or for any other purpose deemed appropriate by the Board and allowed by law.

B. If the private entity materially defaults under the Comprehensive Agreement, the compensation that is otherwise due to the private entity is payable to satisfy all financial obligations to investors and lenders in the same way provided in the Comprehensive Agreement. Revenues in excess of the costs for operation and maintenance costs may be paid to the investors and lenders to satisfy payment obligations under those agreements.

C. The Board may terminate a comprehensive agreement with cause and exercise any other rights or remedies that may be available to it in accordance with the provisions of the comprehensive agreement.

D. The assumption of the development or operation of the qualifying project does not obligate the Board to pay any obligation of the private entity from sources other than revenues from the qualifying project unless stated otherwise in the Comprehensive Agreement.

XII. GOVERNMENTAL ENTITIES AND OTHER DIRECT NEGOTIATIONS

Aside from entering into a Comprehensive Agreement or Interim Agreement with a private entity or entities, the Board may enter into other contracting arrangements that include multiple government and private entities. When such contracting arrangements are contemplated, efforts must be undertaken to ensure that arrangements and transactions involving Board-owned assets, real estate, and resources are properly evaluated and assessed prior to engaging into agreements that bind the Board beyond a period of one (1) year.

In addition, the Superintendent must take steps to ensure that the transactions are transparent, as appropriate, and scrutinized and subject to audit, and that Board-owned property is used for its intended purpose.

As such, the Board should be notified and appropriately briefed on any and all major transactions being contemplated by the Superintendent and/or District staff.

DRAFT

This can be one (1) Board item or several items, but all must be stated prior to the final approval of the project. Any Board agenda item(s) related to such transactions shall include and/or ensure the following:

A. Description of how the proposed project supports the education mission of the Board;

B. Description of the parties involved in the transaction, including those who are parties to any agreement wherein the Board incurs liability;

   In identifying a party, the item should include the formal corporate name and fictitious names, if applicable. All related parties of interest must also be identified.

C. Detailed description of ownership interests, including parties' interests, the size, shape, location, lot size (square footage), building size;

D. Detailed description of the financial benefits to be obtained by all parties during the term of the agreements, including the benefits that accrue to the Board;

E. All restrictions and encumbrances, covenants, use restrictions, and any other interests that bind and inure to the benefit of parties, their successors and assigns, and any other party that acquires any right, title, or interest in the project;

F. Development fees, lease payments, cash participation, net proceeds, payment provisions;

G. For projects involving leasehold interest, a full financial analysis with respect to the anticipated revenues and fiscal impact of the development over the life of a lease and the percentage, if any, and whether there are any archeological or historical designations or any biological, zoning or environmental problems (e.g., incinerators, active or inactive dump sites, toxic soil, underground storage tanks) on the property that could adversely impact the timely use of the property for the intended purpose;

H. Condition of title to the site or any known title defects;

I. Compatibility or incompatibility of present and projected uses of adjacent properties with the intended use;

J. Parties responsible for monitoring and enforcing any agreements or use restrictions concerning the project;

M. All agreements associated with a Board item must be provided to the Board at the time of the publication of the agenda for a Board meeting;

N. Use agreements and restrictions that must be recorded in a first priority position against the properties, prior to any financing documents or other encumbrances;

O. The Board maintains ownership and operation of the property during the use restriction period;

P. The owner shall not convey, sublease, or transfer the property approved for this disposition without the consent of the Board, and the restrictions in favor of the Board shall run with the land.

Q. Board Agenda Items resulting from such negotiations shall include and disclose those elements that are required for a Comprehensive Agreement as set forth in this policy.

The Board shall be notified in a manner deemed appropriate if negotiations with the governmental entities and private entities have been determined viable by the Superintendent. The Superintendent shall also provide quarterly updates to the Board. This can be one Board item or several items, but all must be stated prior to the final approval of the project.

XIII. SOVEREIGN IMMUNITY

Neither the sovereign immunity of the Board nor any Board officer or employee is waived as a result of participation in, or approval of, any part of a qualifying project or its operation, including, but not limited to, interconnection of the qualifying project with any other infrastructure or project.

XIV. CONFIDENTIAL MATERIALS

The Board shall not be liable for any costs incurred by private entities in preparing, submitting, or presenting unsolicited proposals or competing proposals.

Respondent/Proposer may assert that any trade secrets, financial records, and proprietary or other confidential information in its unsolicited proposal are confidential information that it claims to be exempt from disclosure under applicable Florida public records laws. ~~Policy 8040~~

~~Leases of Real Property and Facilities; Event Contracts~~

~~School Board Policy 8040 shall only govern the lease of real property and facility by The School Board of Broward County, Florida ("SBBC"). SBBC is the only entity that has the authority to approve leases in excess of three (3) calendar days for the school district. However, Event Contracts of no more than three (3) calendar days may be administratively executed in accordance with the requirements of this policy.~~

~~RULES~~

1. ~~Leases of Real Property and Facilities; Event Contracts: The Director of the Facility Planning and Real Estate Department ("FP&RE") or in case of departmental name change or organizational change, the head of the succeeding department ("SD") or Superintendent's designee shall be responsible for coordinating the development of standard contracts for the lease or rental of real property by SBBC with the Office of the General Counsel except as stated herein regarding Event Contracts. All SBBC lease or rental agreements shall utilize SBBC's standard lease contracts, except when the lessor of the real property requires the lessor's lease contract form to be utilized for such lease.~~

2. ~~The FP&RE Director or the Superintendent's designee with real estate negotiating experience shall be responsible for negotiating pertinent lease agreements regarding SBBC's lease or rental of real property.~~

3. ~~To assure appropriate liability and property protection has been arranged for SBBC's protection and to ascertain the extent of SBBC's legal responsibilities, all lease or rental agreements, including renewals for real property, shall be sent by all the requesting departments to FP&RE or SD for processing, and subsequently, FP&RE shall transmit the leases or rental agreements to the Office of the General Counsel, for its review and approval; and thereafter, the finalized lease or rental agreements shall be scheduled by FP&RE for SBBC's consideration and possible approval.~~

4. ~~FP&RE must exercise due diligence before recommending the renewal of existing leases or the entry by SBBC into new leases. At a minimum, the following information must be addressed in the agenda items for leases brought forth for SBBC action:~~

    a. ~~The reason and need for the proposed lease;~~

    b. ~~Proof that no existing available SBBC-owned facilities are available to house the needs that require the proposed lease;~~

    c. ~~The benefits/detriments for students served of a leased site offering educational program(s) shall be a factor for lease renewal or termination. Whenever possible, the end of the lease term for each educational lease renewal shall be consistent with the end of the School District's school year;~~

d. If existing SBBC-owned facilities are available to serve the needs to be met by the proposed leased facility, the construction cost per square foot to renovate the existing SBBC-owned facilities; and

e. Comparable lease rates for similar real property in the sub-market of the proposed leased facility's location, and the construction cost per square foot to renovate the proposed leased space.

5. All real property leases shall be placed through FP&RE on a SBBC meeting agenda only when the appropriate lease documents have been received and approved as to form and legal content by the Office of the General Counsel. Except as otherwise provided herein, this requirement shall not apply to Event Contracts as defined in this policy.

6. Leases must be scheduled in a timely manner for SBBC consideration and formal action. Lease renewals should be placed on SBBC agendas for meetings at least ninety (90) calendar days before the lease is set to expire. New leases must be placed on SBBC agendas for meetings at least ninety (90) calendar days before the lease is set to commence. All lease renewals may be placed on an SBBC agenda for a meeting less than ninety (90) calendar days before the expiration of the lease's current term; however, in such cases, FP&RE must explain why the lease renewal was scheduled in an abbreviated timeframe. Regardless of the foregoing, any renewal option that may be exercised by SBBC shall appear on the agenda of a SBBC meeting conducted no less than ninety (90) calendar days prior to the deadline for SBBC's provision of notice to the lessor of SBBC's exercise of that renewal option.

7. With the exception of Event Contracts under Rule 8, FP&RE shall be responsible for maintaining a master file and database of all approved lease or rental contracts for real properties that are subject to the provisions of this Policy.

8. **Short Term Rental Contracts/Event Contracts:** A principal, facility director, or executive director/director of an administrative department ("Referring Administrator") is hereby delegated the authority to enter into and execute short term rental contracts ("Event Contracts") of no more than three (3) calendar days in duration for the use of outside facilities, provided that the Event Contracts have first been reviewed and approved by the pertinent Regional Superintendent's Office (RSO), FP&RE, the Risk Management Department, and the Office of the General Counsel.

9. **Event Contract Review Process**: The Event Contract Review Process shall be implemented as follows:

a. The Referring Administrators shall submit any proposed Event Contracts to the RSO immediately upon receipt from the outside facility, and not less than forty-five (45) business days prior to scheduled event date.

b. Upon receipt of a proposed Event Contract, the RSO shall promptly or within no less than five (5) business days, forward the Event Contract simultaneously to FP&RE, the Risk

Management Department, and the Office of the General Counsel (accompanied by an Event Contract Routing Form) for those departments to conduct their respective review of the Event Contracts by the review completion date.

c. FP&RE, the Risk Management Department, and the Office of General Counsel shall use their respective best efforts to facilitate the conduct of any event and return a reviewed Event Contract to the RSO, not less than ten (10) business days from the date of receipt of the Event Contract from the RSO.

d. The Referring Administrator shall proceed to execute the Event Agreement **ONLY** if one of the following has occurred: (1) FP&RE, the Risk Management Department, and the Office of the General Counsel have signed the Event Contract Routing Form, thereby approving the execution of the Event Contract; (2) If so stated and required by the Office of the General Counsel, the vendor has executed the standard school district Event Contract Addendum and appended it to the vendor's standard agreement.

10. **Limited Persons Authorized to Execute Event Contracts**: This policy only delegates contract authority to a principal, facility director, executive director/director of an administrative department ("Referring Administrator"), or in her/his absence, to the school district administrator assigned to fulfill the absent Referring Administrator's duties. This policy does not authorize instructional personnel, clerical personnel, or students to execute an Event Contract on behalf of the school district.

11. **Revision of Vendor Event Contracts**: Event Contracts that are prepared by outside vendors shall be revised to contain necessary standard school district provisions or will incorporate by reference an attached standard school district Event Contract Addendum [copy to be provided by the Office of the General Counsel during the Event Contract review process]. The terms of the standard school district Event Contract Addendum will prevail in the event of any conflict within the vendor's standard event contract. Referring Administrators are not authorized to execute Event Contracts that require:

    a. Arbitration;

    b. The payment of attorney fees in the event of litigation;

    c. The School Board to be contractually liable for damages caused during an event by its personnel or guests [except as permitted by Section 768.28, Florida Statutes, or within the scope of any insurance coverage approved by the Risk Management Department and required by the Event Contract]; or

    d. The School Board is to be liable for any claims against the vendor for copyright violations related to the event.

If a vendor refuses to alter its Event Contract as required by this policy and SBBC's reviewing departments, or refuses to execute the standard school district Event Contract Addendum, the

Referring Administrator is not authorized to execute the Event Contract and (a) the Event Contract must be timely placed upon a School Board agenda for School Board approval; or (b) an alternate venue for the event must be identified by the Referring Administrator. Accordingly, Referring Administrators should expeditiously subject any Event Contracts for review and approval.

12. **Statutory Vendor Affidavits**: Prior to the execution of an Event Contract, the vendor's authorized representative must execute and deliver a standard affidavit form required by Section 787.06(13), Florida Statutes, [copy to be provided by the Office of the General Counsel during the Event Contract review process]. The affidavit executed shall be retained by the Referring Administrator in the Event Contract file.

EXECUTIVE SUMMARY

Resolution No. 27-01 – Master Equipment Lease

Board Meeting Date: July 28, 2026

Requested Action: Adopt Resolution 27-01 – Master Equipment Lease, which will authorize the execution and delivery of a Master Lease-Purchase Agreement and related Agreements with JP Morgan Chase Bank, N.A., with respect to the acquisition, purchase, financing and leasing of certain equipment and vehicles in an aggregate principal amount not to exceed $300,000.000.

General Information

The following information outlines the governing authority, districtwide implications, historical background, strategic alignment with the 2027 goals and guardrails, and the anticipated measurable outcomes and return on investment related to this agenda item.

District-zone Impact/Board Member: District-wide	
School Board Policy Requirement	• N/A
Statutory Requirement	• N/A
If the School Board votes "Yes"	• The District will be authorized to enter into the Master Equipment Lease Program with JPMorgan Chase Bank, N.A., providing access to up to $300 million in financing capacity for Board-approved capital equipment and vehicle acquisitions. The initial financing issuance is expected to be approximately $97.5 million. The $300 million represents the maximum program capacity, not an immediate use of the full amount. The program will provide a flexible and competitively procured financing mechanism to support the acquisition of technology equipment, districtwide intercom replacements, buses, white fleet vehicles, security equipment, and other approved capital assets while preserving financial flexibility and supporting future capital needs.

If the School Board votes "No"	• The District will not be authorized to utilize the proposed Master Equipment Lease Program for financing Board-approved capital equipment and vehicle acquisitions. As a result, the anticipated initial financing of approximately $97.5 million would not proceed under the proposed structure, and planned purchases may need to be delayed, deferred, reduced in scope, funded through available cash resources, or financed through an alternative funding strategy. The District would also need to evaluate other options to address current and future capital equipment needs.
Alignment to the 2027 Strategic Goals and Guardrails	• Business Operations
Measurable Outcome(s)/Return on Investment	• The Master Equipment Lease Program provides a competitively procured financing mechanism that supports the acquisition of essential capital equipment and vehicles while preserving available cash resources and maintaining flexibility to address current and future capital needs. • The program authorizes financing capacity of up to $300 million, with an initial issuance anticipated at approximately $97.5 million. • Future financings will be issued as needed and remain subject to School Board approval. • The Financial Advisory Committee approved a motion for the District to enter into a Master Equipment Lease at the June 18, 2026 meeting.

Background/History: The School Board of Broward County is seeking approval to enter into a Master Equipment Lease Program to finance the acquisition of capital equipment and technology assets. This allows the District to lease-purchase essential equipment and vehicles over time, rather than paying the full cost upfront. The Master Equipment Lease serves as an umbrella financing agreement under which individual lease schedules may be added as the School Board approves equipment purchases. The proposed program establishes a maximum aggregate financing capacity (i.e., ceiling) of $300 million, with an initial financing expected to fund approximately $97.5 million of District-approved capital assets.

The District has maintained a similar Master Equipment Lease structure for more than 30 years through Banc of America Public Capital Corp., the current incumbent provider. To ensure the District continued to receive the most competitive financing terms available in the marketplace, the Treasurer instructed the District's Financial Advisor, PFM Financial Advisors LLC, to conduct a competitive Request for Proposals (RFP) process to evaluate current market rates, financing terms, fees, capacity and available providers.

Six (6) proposals were received from: Banc of America Public Capital Corp., BMO Harris Investment Company, LLC, First American, Flagstar Public Funding Corp., JPMorgan Chase Bank, N.A., and Wells Fargo. On June 18, 2026, the Financial Advisory Committee evaluated the proposals. They approved a motion recommending that the School Board select JPMorgan Chase Bank, N.A. as the provider for the Master Equipment Lease Program based on the overall competitiveness of its proposal, including financing rates, capacity, fees, and terms.

The Master Equipment Lease does not have a fixed expiration date and is intended to be available for use as needed. The structure provides the District with flexibility to finance Board-approved equipment and capital asset needs over time, without requiring a new master financing procurement each time an eligible project is ready for financing.

As a safeguard, all projects financed through the Master Equipment Lease Program must be included in the District Educational Facilities Plan (DEFP), as applicable, and approved by the School Board before financing. The proposed program is substantially similar to the District's existing arrangement with Banc of America Public Capital Corp., except that the JP Morgan Chase Bank, NA. would become the financing provider. The overall financing structure, approval process, and intended use of funds remain largely unchanged.

Approval of the Master Equipment Lease Program with JP Morgan Chase Bank, N.A. will provide the District with a competitively procured financing solution to support essential capital equipment and vehicle acquisitions while preserving available cash resources and maintaining flexibility to address current and future capital needs.

This section does not bind the Lessee to make any expenditure, incur any obligations or proceed with the purchase of the Equipment.

Section 4. Private Negotiated Financing. It is hereby found and declared that a private negotiated financing through the Master Lease, pursuant to a Request for Proposals dated April 20, 2026 by PFM Financial Advisors, LLC on behalf of Lessee is in the best interest of Lessee and is found to be necessary on the basis of the following reasons, as to which specific findings are hereby made:

Due to the volatility of the market for "annual appropriation" securities such as the Master Lease and the limited number of institutions engaged in the business of financing governmental equipment leases, the Lessee must be able to execute transactions at the most advantageous times, rather than at specific advertised dates, thereby permitting Lessee to obtain the best possible price and other terms for the Master Lease.

Section 5. Other Actions Authorized. The officers and employees of Lessee including, without limitation, the Chair, Vice Chair, Secretary, Superintendent, the Chief Financial Officer, the Treasurer and the Office of the General Counsel are hereby authorized to take all action necessary or reasonably required by the parties to the Master Lease and the Escrow Agreement to carry out, give effect to and consummate the transactions contemplated thereby (including the execution and delivery of one or more Schedules of Property, Acceptance Certificates, Incumbency Certificates, Payment Schedules, and any tax certificates and agreements, as contemplated in the Master Lease) and to take all action necessary in conformity therewith, including, without limitation, the execution and delivery of any closing and other documents required to be delivered in connection with the Master Lease and the Escrow Agreement.

Section 6. No General Liability. Nothing contained in this Resolution, the Master Lease, the Escrow Agreement nor any other instrument shall be construed with respect to Lessee as incurring a pecuniary liability or charge upon the general credit of Lessee or against its taxing power, nor shall the breach of any agreement contained in this Resolution, the Master Lease, the Escrow Agreement or any other instrument or document executed in connection therewith impose any pecuniary liability upon Lessee or any charge upon its general credit or against its taxing power, except to the extent that the rental payments payable under the Master Lease are special limited obligations of Lessee, subject to annual appropriation as provided in the Master Lease.

Section 7. Appointment of Authorized Lessee Representatives. The Superintendent, the Chief Financial Officer and the Treasurer of Lessee are each hereby designated to act as authorized representatives of Lessee for purposes of the Master Lease until such time as Lessee shall designate any other or different authorized representative for purposes of the Master Lease.

Section 8. Severability. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 9. Repealer. All resolutions or parts thereof, inconsistent herewith, are hereby repealed to the extent of such inconsistency.

Section 10. Open Meetings. It is hereby found and determined that all formal actions of Lessee concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of Lessee, and that all deliberations of Lessee that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 11. Effective Date. This Resolution shall be effective immediately upon its approval and adoption.

Adopted this 28th day of July, 2026.

MASTER LEASE-PURCHASE AGREEMENT

Dated As of: _____

Lessee: **SAMPLE**

This Master Lease-Purchase Agreement together with all addenda, riders and attachments hereto, as the same may from time to time be amended, modified or supplemented ("Master Lease") is made and entered by and between **JPMORGAN CHASE BANK, N.A.** ("Lessor") and the lessee identified above ("Lessee").

1. **LEASE OF EQUIPMENT.** Subject to the terms and conditions of this Master Lease, Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, all Equipment described in each Schedule signed from time to time by Lessee and Lessor.

2. **CERTAIN DEFINITIONS.** All terms defined in the Lease are equally applicable to both the singular and plural form of such terms. (a) "Schedule" means each Lease Schedule signed and delivered by Lessee and Lessor, together with all addenda, riders, attachments, certificates and exhibits thereto, as the same may from time to time be amended, modified or supplemented. Lessee and Lessor agree that each Schedule (except as expressly provided in said Schedule) incorporates by reference all of the terms and conditions of the Master Lease. (b) "Lease" means any one Schedule and this Master Lease as incorporated into said Schedule. (c) "Equipment" means the property described in each Schedule, together with all attachments, additions, accessions, parts, repairs, improvements, replacements and substitutions thereto. (d) "Lien" means any security interest, lien, mortgage, pledge, encumbrance, judgment, execution, attachment, warrant, writ, levy, other judicial process or claim of any nature whatsoever by or of any person. (e) "Termination Value" has the meaning assigned to such term in the applicable Payment Schedule.

3. **LEASE TERM.** See Section 1 of the Master Lease-Purchase Addendum executed in connection with this Master Lease.

4. **RENT PAYMENTS.**

4.1 For each Lease, Lessee agrees to pay to Lessor the rent payments (the "Rent Payments") in the amounts and at the times as set forth in the Payment Schedule attached to the Schedule (the "Payment Schedule"). A portion of each Rent Payment is paid as and represents the payment of interest as set forth in the Payment Schedule. Lessee acknowledges that its obligation to pay Rent Payments including interest therein accrues as of the Accrual Date stated in the Schedule or its Payment Schedule; provided, that no Rent Payment is due until Lessee accepts the Equipment under the Lease or the parties execute an escrow agreement. Rent Payments will be payable for the Lease Term in U.S. dollars, without notice or demand at the office of Lessor (or such other place as Lessor may designate from time to time in writing).

4.2 If Lessor receives any payment from Lessee later than ten (10) days from the due date, Lessee shall pay Lessor on demand as a late charge five per cent (5%) of such overdue amount, limited, however, to the maximum amount allowed by law.

4.3 EXCEPT AS SPECIFICALLY PROVIDED IN SECTION 6, THE OBLIGATION TO PAY RENT PAYMENTS UNDER EACH LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS AND SHALL NOT BE SUBJECT TO ANY SETOFF, DEFENSE, COUNTERCLAIM, ABATEMENT OR RECOUPMENT FOR ANY REASON WHATSOEVER.

5. **DELIVERY; ACCEPTANCE; FUNDING CONDITIONS.**

5.1 Lessee shall arrange for the transportation, delivery and installation of all Equipment to the location specified in the Schedule ("Location") by Equipment suppliers ("Suppliers") selected by Lessee. Lessee shall pay all costs related thereto.

5.2 Lessee shall accept Equipment as soon as it has been delivered and is operational. Lessee shall evidence its acceptance of any Equipment by signing and delivering to Lessor the applicable Schedule. If Lessee signs and delivers a Schedule and if all Funding Conditions have been satisfied in full, then Lessor will pay or cause to be paid the costs of such Equipment as stated in the Schedule ("Purchase Price") to the applicable Supplier.

5.3 Lessor shall have no obligation to pay any Purchase Price unless all reasonable conditions established by Lessor ("Funding Conditions") have been satisfied, including, without limitation, the following: (a) Lessee has signed and delivered the Schedule and its Payment Schedule; (b) no Event of Default shall have occurred and be continuing; (c) no material adverse change shall have occurred in the Internal Revenue Code of 1986, as amended, and the related regulations and rulings thereunder (collectively, the "Code"); (d) no

material adverse change shall have occurred in the financial condition of Lessee or any Supplier; (e) the Equipment is reasonably satisfactory to Lessor and is free and clear of any Liens; (f) all representations of Lessee in the Lease remain true, accurate and complete; and (g) Lessor has received all of the following documents, which shall be reasonably satisfactory, in form and substance, to Lessor: (1) evidence of insurance coverage required by the Lease; (2) an opinion of Lessee's counsel; (3) reasonably detailed invoices for the Equipment; (4) Reserved. (5) copies of resolutions by Lessee's governing body authorizing the Lease and incumbency certificates for the person(s) who will sign the Lease; (6) such documents and certificates relating to the tax-exempt interest payable under the Lease (including, without limitation, IRS Form 8038G or 8038GC) as Lessor may request; and (7) such other documents and information previously identified by Lessor or otherwise reasonably requested by Lessor.

6. **TERMINATION FOR GOVERNMENTAL NON-APPROPRIATIONS.** See Section 2 of the Master Lease-Purchase Addendum executed in connection with this Master Lease.

7. **LIMITATION ON WARRANTIES. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, AS TO THE MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY OF THE EQUIPMENT OR AS TO THE VALUE, DESIGN, CONDITION, USE, CAPACITY OR DURABILITY OF ANY OF THE EQUIPMENT**. For and during the Lease Term, Lessor hereby assigns to Lessee any manufacturer's or Supplier's product warranties, express or implied, applicable to any Equipment and Lessor authorizes Lessee to obtain the customary services furnished in connection with such warranties at Lessee's sole expense. Lessee agrees that (a) all Equipment will have been purchased by Lessor in accordance with Lessee's specifications from Suppliers selected by Lessee, (b) Lessor is not a manufacturer or dealer of any Equipment and has no liability for the delivery or installation of any Equipment, (c) Lessor assumes no obligation with respect to any manufacturer's or Supplier's product warranties or guaranties, (d) no manufacturer or Supplier or any representative of said parties is an agent of Lessor, and (e) any warranty, representation, guaranty or agreement made by any manufacturer or Supplier or any representative of said parties shall not be binding upon Lessor.

8. **TITLE; SECURITY INTEREST.** See Section 3 of the Master Lease-Purchase Addendum executed in connection with this Master Lease.

9. **PERSONAL PROPERTY.** All Equipment is and will remain personal property and will not be deemed to be affixed or attached to real estate or any building thereon.

10. **MAINTENANCE AND OPERATION.** Lessee agrees it shall, at its sole expense: (a) repair and maintain all Equipment in good condition and working order and supply and install all replacement parts or other devices when required to so maintain the Equipment or when required by applicable law or regulation, which parts or devices shall automatically become part of the Equipment; and (b) use and operate all Equipment in a careful manner in the normal course of its operations and only for the purposes for which it was designed in accordance with the manufacturer's warranty requirements; and (c) comply with all laws and regulations relating to the Equipment. If any Equipment is customarily covered by a maintenance agreement, Lessee will furnish Lessor with a maintenance agreement by a party reasonably satisfactory to Lessor. No maintenance or other service for any Equipment will be provided by Lessor. Lessee will not make any alterations, additions or improvements ("Improvements") to any Equipment without Lessor's prior written consent unless the Improvements may be readily removed without damage to the operation, value or utility of such Equipment, but any such Improvements not removed prior to the termination of the applicable Lease shall automatically become part of the Equipment.

11. **LOCATION; INSPECTION.** Equipment will not be removed from, or if Equipment is rolling stock its permanent base will not be changed from, the Location without Lessor's prior written consent which will not be unreasonably withheld. Upon reasonable notice to Lessee, Lessor may enter the Location or elsewhere during normal business hours to inspect the Equipment.

12. **LIENS, SUBLEASES AND TAXES.**

12.1 Lessee shall keep all Equipment free and clear of all Liens. Lessee shall not sublet or lend any Equipment or permit it to be used by anyone other than Lessee or Lessee's employees.

12.2 To the extent that Lessee is subject to any Taxes, Lessee shall pay when due all such Taxes which may now or hereafter be imposed upon any Equipment or its ownership, lease, rental, sale, purchase, possession or use, upon any Lease or upon any Rent Payments or any other payments due under any Lease. If Lessee fails to pay such Taxes when due, Lessor shall have the right, but not the obligation, to pay such Taxes. If Lessor pays any such Taxes, then Lessee shall, upon demand, immediately reimburse Lessor therefor. "Taxes" means, to the extent that Lessee is subject to any taxes, present and future taxes, levies, duties, assessments or other governmental charges that are not based on the net income of Lessor, whether they are assessed to or payable by Lessee or Lessor,

including, without limitation (a) sales, use, excise, licensing, registration, titling, gross receipts, stamp and personal property taxes, and (b) interest, penalties or fines on any of the foregoing.

13. **RISK OF LOSS.**

13.1 Lessee bears the entire risk of loss, theft, damage or destruction of any Equipment in whole or in part from any reason whatsoever ("Casualty Loss"). No Casualty Loss to any Equipment shall relieve Lessee from the obligation to make any Rent Payments or to perform any other obligation under any Lease. Proceeds of any insurance recovery will be applied to (a) Lessee's obligations under this Section 13 or (b) repair or replace such Equipment, as mutually agreed upon by Lessee and Lessor.

13.2 If a Casualty Loss occurs to any Equipment, Lessee shall immediately notify Lessor of the same and Lessee shall, unless otherwise directed by Lessor, immediately repair the same.

13.3 If Lessor determines that any item of Equipment has suffered a Casualty Loss beyond repair ("Lost Equipment"), then Lessee shall either: (a) immediately replace the Lost Equipment with similar equipment in good repair, condition and working order free and clear of any Liens (except Lessor's Liens), in which event such replacement equipment shall automatically be Equipment under the applicable Lease, and deliver to Lessor true and complete copies of the invoice or bill of sale covering the replacement equipment; or (b) on earlier of 60 days after the Casualty Loss or the next scheduled Rent Payment date (the "Loss Payment Due Date"), pay Lessor (i) all amounts owed by Lessee under the applicable Lease, including the Rent Payments due on or accrued through such date plus (ii) an amount equal to the Termination Value as of the Rent Payment date (or if the Casualty Loss payment is due between Rent Payment dates, then as of the Rent Payment date preceding the date that the Casualty Loss payment is due) set forth in the Payment Schedule to the applicable Lease plus (iii) a Break Funding Charge. If Lessee is making such payment with respect to less than all of the Equipment under a Lease, then Lessor will provide Lessee with the pro rata amount of the Rent Payment and Termination Value to be paid by Lessee with respect to the Lost Equipment and a revised Payment Schedule. "Break Funding Charge" means the amount, if any, by which (a) the present value of all Remaining Payments discounted to the Prepayment Date at a rate equal to the swap rate of an interest rate swap which the Lessor shall be deemed to have entered into as of the business day preceding the Prepayment Date exceeds (b) the present value of all Remaining Payments discounted to the Prepayment Date at a rate equal to the swap rate of an interest rate swap which the Lessor shall be deemed to have entered into as of the date of the Lease. "Fair Market Value" means the amount which would be paid for an item of Equipment by an informed and willing buyer (other than a used equipment or scrap dealer) and an informed and willing seller neither under a compulsion to buy or sell. "Prepayment Date" means, (i) in the case of a payment resulting from a Casualty Loss, the Loss Payment Due Date, or (ii) in the case of a demand made pursuant to section 20, the Demand Date. "Remaining Payments" means, as of the Prepayment Date, (a) the remaining rents and all other amounts Lessee is obligated to pay under the Lease at the end of the Lease Term, including, without limitation, an amount equal to the Fair Market Value of the Equipment at the end of the Rent Term as originally anticipated by Lessor at the date of the Lease; provided, that Lessee agrees that such value shall be determined by the books of Lessor as of the date of the Schedule.

13.4 Lessee shall bear the risk of loss for, shall pay directly, and shall defend Lessor against any and all claims, liabilities, proceedings, actions, expenses (including reasonable attorney's fees), damages or losses arising under or related to any Equipment, including, but not limited to, the possession, ownership, lease, use or operation thereof. These obligations of Lessee shall survive any expiration or termination of any Lease. Lessee shall not bear the risk of loss of, nor pay for, any claims, liabilities, proceedings, actions, expenses (including attorney's fees), damages or losses which arise directly from events occurring after any Equipment has been returned by Lessee to Lessor in accordance with the terms of the applicable Lease or which arise directly from the gross negligence or willful misconduct of Lessor.

14. **INSURANCE.**

14.1 (a) Lessee at its sole expense shall at all times keep all Equipment insured against all Casualty Losses for an amount not less than the Termination Value of the Equipment. Proceeds of any such insurance covering damage or loss of any Equipment shall be payable to Lessor as lender loss payee. (b) Lessee at its sole expense shall at all times carry public liability and third party property damage insurance in amounts reasonably satisfactory to Lessor protecting Lessee and Lessor from liabilities for injuries to persons and damage to property of others relating in any way to any Equipment. Proceeds of any such public liability or property insurance shall be payable first to Lessor as additional insured to the extent of its liability, and then to Lessee.

14.2 All insurers shall be reasonably satisfactory to Lessor. Lessee shall promptly deliver to Lessor satisfactory evidence of required insurance coverage and all renewals and replacements thereof. Each insurance policy will require that the insurer give Lessor at least 30 days prior written notice of any cancellation of such policy and will require that Lessor's interests remain insured regardless of any act, error, misrepresentation, omission or neglect of Lessee. The insurance maintained by Lessee shall be primary without any right of contribution from insurance which may be maintained by Lessor.

15. **NO PREPAYMENT.** Lessee shall not be permitted to prepay the Rent Payments or any other obligation under a Lease in whole or in part, except as otherwise provided in the Prepayment Schedule Addendum.

16. **LESSEE'S REPRESENTATIONS AND WARRANTIES.** With respect to each Lease and its Equipment, Lessee hereby represents and warrants to Lessor that: (a) Lessee has full power, authority and legal right to execute and deliver the Lease and to perform its obligations under the Lease, and all such actions have been duly authorized by appropriate findings and actions of Lessee's governing body; (b) the Lease has been duly executed and delivered by Lessee and constitutes a legal, valid and binding obligation of Lessee, enforceable in accordance with its terms; (c) the Lease is authorized under, and the authorization, execution and delivery of the Lease complies with, all applicable federal, state and local laws and regulations (including, but not limited to, all open meeting, public bidding and property acquisition laws) and all applicable judgments and court orders; (d) the execution, delivery and performance by Lessee of its obligations under the Lease will not result in a breach or violation of, nor constitute a default under, any agreement, lease or other instrument to which Lessee is a party or by which Lessee's properties may be bound or affected; (e) there is no pending, or to the best of Lessee's knowledge threatened, litigation of any nature which may have a material adverse effect on Lessee's ability to perform its obligations under the Lease; and (f) Lessee is a state, or a political subdivision thereof, as referred to in Section 103 of the Code, and Lessee's obligation under the Lease constitutes an enforceable obligation issued on behalf of a state or a political subdivision thereof.

17. **TAX COVENANTS.**

17.1 Lessee hereby covenants and agrees that: (a) Lessee shall comply with all of the requirements of Section 149(a) and Section 149(e) of the Code, as the same may be amended from time to time, and such compliance shall include, but not be limited to, executing and filing Internal Revenue Form 8038G or 8038GC, as the case may be, and any other information statements reasonably requested by Lessor; (b) Lessee shall not do (or cause to be done) any act which will cause, or by omission of any act allow, any Lease to be an "arbitrage bond" within the meaning of Section 148(a) of the Code or any Lease to be a "private activity bond" within the meaning of Section 141(a) of the Code; and (c) Lessee shall not do (or cause to be done) any act which will cause, or by omission of any act allow, the interest portion of any Rent Payments to be or become includable in gross income for Federal income taxation purposes under the Code.

17.2 Upon the occurrence of an Event of Taxability, the interest portion of any Rent Payment shall be at the Taxable Rate retroactive to the date of occurrence of the Event of Taxability, and Lessee shall pay such additional amount as will result in Lessor receiving the interest portion of the Taxable Rate identified in the Payment Schedule. For purposes of this section, "Event of Taxability" means a determination that the interest portion of Rent Payments is included for federal income tax purposes in the gross income of the Lessor due to Lessee's action or failure to take action, including breach of covenants set forth in section 17.1 hereof. An Event of Taxability shall occur upon the earliest of: (1) the happening of any event which may cause such Event of Taxability, or (2) Lessor's payment to the applicable taxing authority of the tax increase resulting from such Event of Taxability, or (3) the adjustment of Lessor's tax return to reflect such Event of Taxability, or (4) the date as of which the interest portion of the Rent Payments is determined by the Internal revenue Service to be includable in the gross income of the Lessor for federal income tax purposes.

18. **ASSIGNMENT.**

18.1 Lessee shall not assign, transfer, pledge, hypothecate, nor grant any Lien on, nor otherwise dispose of, any Lease or any Equipment or any interest in any Lease or Equipment.

18.2 Lessor may assign its rights, title and interest in and to any Lease or any Equipment, and/or may grant or assign a security interest in any Lease and its Equipment, in whole or in part, to any party at any time; provided, however, that any assignment under this Section 18 may only be made to an internal, related/affiliate entity of Lessor. Any such assignee or lienholder (an "Assignee") shall have all of the rights of Lessor under the applicable Lease. **LESSEE AGREES NOT TO ASSERT AGAINST ANY ASSIGNEE ANY CLAIMS, ABATEMENTS, SETOFFS, COUNTERCLAIMS, RECOUPMENT OR ANY OTHER SIMILAR DEFENSES WHICH LESSEE MAY HAVE AGAINST LESSOR, SO LONG AS SUCH RIGHTS ARE NOT EXTINGUISHED AGAINST LESSOR.** Unless otherwise agreed by Lessee in writing, any such assignment transaction shall not release Lessor from any of Lessor's obligations under the applicable Lease. An assignment or reassignment of any of Lessor's right, title or interest in a Lease or its Equipment shall be enforceable against Lessee only after Lessee receives a written notice of assignment which discloses the name and address of each such Assignee, provided, that such notice from Lessor to Lessee of any assignment shall not be so required if Lessor assigns a Lease to JPMORGAN CHASE & CO. or any of its direct or indirect subsidiaries. Lessee shall keep a complete and accurate record of all such assignments in the form necessary to comply with Section 149(a) of the Code and for such purpose, Lessee hereby appoints Lessor (or Lessor's designee) as the book entry and registration agent to keep a complete and accurate record of any and all assignments of any Lease. Lessee agrees to acknowledge in writing any such assignments if so requested

18.3 Each Assignee of a Lease hereby agrees that: (a) the term Secured Obligations as used in Section 8.3 hereof is hereby amended to include and apply to all obligations of Lessee under the Assigned Leases and to exclude the obligations of Lessee under any Non-Assigned Leases; (b) said Assignee shall have no Lien on, nor any claim to, nor any interest of any kind in, any Non-Assigned Lease or any Equipment covered by any Non-Assigned Lease; and (c) Assignee shall exercise its rights, benefits and remedies as the assignee of Lessor (including, without limitation, the remedies under Section 20 of the Master Lease) solely with respect to the Assigned

Leases. "Assigned Leases" means only those Leases which have been assigned to a single Assignee pursuant to a written agreement; and "Non-Assigned Leases" means all Leases excluding the Assigned Leases.

18.4 Subject to the foregoing, each Lease inures to the benefit of and is binding upon the heirs, executors, administrators, successors and assigns of the parties hereto.

19. **EVENTS OF DEFAULT.** For each Lease, "Event of Default" means the occurrence of any one or more of the following events as they may relate to such Lease: (a) Lessee fails to make any Rent Payment (or any other payment) as it becomes due in accordance with the terms of the Lease, and any such failure continues for ten (10) days after the due date thereof; (b) Lessee fails to perform or observe any of its obligations under Sections 12.1, 14 or 18.1 hereof; (c) Lessee fails to perform or observe any other covenant, condition or agreement to be performed or observed by it under the Lease and such failure is not cured within thirty (30) days after receipt of written notice thereof by Lessor; (d) any statement, representation or warranty made by Lessee in the Lease or in any writing delivered by Lessee pursuant thereto or in connection therewith proves at any time to have been false, misleading or erroneous in any material respect as of the time when made; (e) Lessee applies for or consents to the appointment of a receiver, trustee, conservator or liquidator of Lessee or of all or a substantial part of its assets, or a petition for relief is filed by Lessee under any federal or state bankruptcy, insolvency or similar law, or a petition in a proceeding under any federal or state bankruptcy, insolvency or similar law is filed against Lessee and is not dismissed within sixty (60) days thereafter; or (f) Lessee shall be in default under any other Lease or under any other financing agreement executed at any time with Lessor.

20. **REMEDIES.** See Section 4 of the Master Lease-Purchase Addendum executed in connection with this Master Lease.

21. **RETURN OF EQUIPMENT.** If Lessor is entitled under the provisions of any Lease, including any termination thereof pursuant to Sections 6 or 20 of this Master Lease, to obtain possession of any Equipment or if Lessee is obligated at any time to return any Equipment, then (a) Reserved.(b) Lessee shall, at its sole expense and risk, immediately de-install, disassemble, pack, crate, insure and return the Equipment to Lessor (all in accordance with applicable industry standards) at any location in the continental United States selected by Lessor. Such Equipment shall be in the same condition as when received by Lessee (reasonable wear, tear and depreciation resulting from normal and proper use excepted), shall be in good operating order and maintenance as required by the applicable Lease, shall be free and clear of any Liens and shall comply with all applicable laws and regulations. Until Equipment is returned as required above, all terms of the applicable Lease shall remain in full force and effect including, without limitation, obligations to pay Rent Payments and to insure the Equipment. Lessee agrees to execute and deliver to Lessor all documents reasonably requested by Lessor to evidence the transfer of legal and beneficial title to such Equipment to Lessor and to evidence the termination of Lessee's interest in such Equipment.

22. **LAW GOVERNING.** Each Lease shall be governed by the laws of the state where Lessee is located (the "State").

23. **NOTICES.** Any notices and demands under or related to this document shall be in writing and delivered to the intended party at its address stated herein (if to Lessor **1111 Polaris Parkway, Suite 1A (OH1-1085), Columbus, Ohio 43240**, to the attention of the GNPH Operations Manager). Notice shall be deemed sufficiently given or made (a) upon receipt if delivered by hand, (b) on the Delivery Day after the day of deposit with a nationally recognized courier service, (c) on the third Delivery Day after the day of deposit in the United States mail, sent certified, postage prepaid with return receipt requested, and (d) only if to Lessee, on the third Delivery Day after the notice is deposited in the United States mail, postage prepaid. "Delivery Day" means a day other than a Saturday, a Sunday, or any other day on which national banking associations are authorized to be closed. Any party may change its address for the purposes of the receipt of notices and demands by giving notice of such change in the manner provided in this provision.

24. **FINANCIAL INFORMATION.** Lessee agrees to furnish to Lessor annual audited financial statements of Lessee within 180 days of the end of each fiscal year of Lessee. Additionally, Lessee agrees to provide additional information as reasonably requested by Lessor.

25. **SECTION HEADINGS.** All section headings contained herein or in any Schedule are for convenience of reference only and do not define or limit the scope of any provision of any Lease.

26. **EXECUTION IN COUNTERPARTS.** Each Schedule to this Master Lease may be executed in several counterparts, each of which shall be deemed an original, but all of which shall be deemed one instrument. If more than one counterpart of each Schedule is executed by Lessee and Lessor, then only one may be marked "Lessor's Original" by Lessor.

27. **ENTIRE AGREEMENT; WRITTEN AMENDMENTS.** Each Lease, together with the exhibits, schedules and addenda attached thereto and made a part hereof and other attachments thereto constitute the entire agreement between the parties with respect to the lease of the Equipment covered thereby, and such Lease shall not be modified, amended, altered, or changed except with the written consent of Lessee and Lessor. Any provision of any Lease found to be prohibited by law shall be ineffective to the extent of such prohibition without invalidating the remainder of the Lease.

28. **OFFSHORING.** Subject to applicable laws, processing of Lessee confidential information may be performed by any Lessor affiliate, including affiliates, branches and units located in any country in which Lessor conducts business or has a service provider. In addition, Lessor may perform certain services and functions outside the United States that are indirect, ancillary, redundant back-up, back office, exception processing or services that are incidental to the performance of this agreement. Lessee authorizes Lessor to transfer customer information to such affiliates, branches and units at such locations as Lessor deems appropriate. For business resiliency purposes and disaster recovery services, subject to Lessor's cybersecurity and privacy policies, certain services and functions may be performed outside of the United States. Lessor reserves the right to store, access, view or process any data wherever it deems appropriate for the services Lessor provides.

29. **ELECTRONIC SIGNATURES.** Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Related Document and/or (z) any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement, any other Related Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Related Document or such Ancillary Document, as applicable. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Related Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require Lessor to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent Lessor has agreed to accept any Electronic Signature, Lessor shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of Lessee or any other Obligor without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of Lessor, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, Lessee hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among Lessor, Lessee and Obligors, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Related Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) Lessor may, at its option, create one or more copies of this Agreement, any other Related Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Related Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Related Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against any Affiliates of Lessor for any liabilities arising solely from Lessor's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any liabilities arising as a result of the failure of Lessee and/or any Obligor to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature. As used herein, "Electronic Signature" means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record. MASTER LEASE-PURCHASE ADDENDUM
(For Local Government Lessee in Florida)

Dated: _____

Master Lease-Purchase Agreement Date: _____

Lessee: SAMPLE

Reference is made to the above Master Lease-Purchase Agreement ("Master Lease") by and between **JPMORGAN CHASE BANK, N.A.** ("Lessor") and the above lessee ("Lessee"). This Addendum amends and modifies the terms and conditions of the Master Lease and is hereby made a part of the Master Lease. Unless otherwise defined herein, capitalized terms defined in the Master Lease shall have the same meaning when used herein.

NOW, THEREFORE, as part of the valuable consideration to induce the execution of Leases, Lessor and Lessee hereby agree to amend the Master Lease as follows:

1. The entire Section 3 of the Master Lease is amended and restated as follows:

3. **TERM.**

(a) The term of the lease of the Equipment described in each Lease ("Lease Term") commences on the first date any of such Equipment is accepted by Lessee pursuant to Section 5 hereof and, unless earlier terminated as expressly provided in the Lease, continues until Lessee's payment and performance in full of all of Lessee's obligations under the Lease. Each Lease Term shall consist of an Original Term and, if renewed as stated below, such number of Renewal Terms as shall extend the Lease Term of a Lease to the date that the last Rent Payment stated in the Payment Schedule to such Lease is due and payable.

(b) The Original Term of each Lease will commence on the first date any of the Equipment is accepted by Lessee pursuant to Section 5 hereof and shall extend to the last day of the fiscal year of Lessee in which such commencement date occurs. Lessee has the option to renew the Lease Term of each Lease and each Renewal Term of a Lease shall be twelve months, shall correspond to Lessee's fiscal year and shall commence on the first day following the last day of the Original Term or the preceding Renewal Term, as the case may be; provided, that the last scheduled Renewal Term of a Lease shall be such lesser number of months as may be necessary to extend the Lease Term of the Lease to the date that the last Rent Payment stated in the Payment Schedule is due and payable.

(c) The Original Term of each Lease shall terminate on the last day of the fiscal year of Lessee that corresponds to the Original Term and each Renewal Term shall terminate on the last day of the fiscal year of Lessee that corresponds to said Renewal Term; provided, that the Original Term and each Renewal Term of each Lease may be renewed for the succeeding Renewal Term, but only if a Renewal Act is taken by Lessee. "Renewal Act" means the affirmative act of Lessee whereby Lessee gives notice of its intent to renew the affected Lease for the applicable Renewal Term; provided, that, if permitted by applicable State law, the act of the governing body of Lessee whereby funds are appropriated to pay Rent Payments for a Lease that are due and payable in such succeeding Renewal Term shall be deemed such an affirmative act of Lessee.

2. The entire Section 6 of the Master Lease is amended and restated as follows:

6. **TERMINATION FOR NON-RENEWAL.**

6.1 For each Lease, Lessee represents and warrants: that it has appropriated and budgeted the necessary funds to make all Rent Payments required pursuant to such Lease for the remainder of the fiscal year in which the Original Term commences; and that it currently intends to make Rent Payments for the full Lease Term as scheduled in the applicable Payment Schedule. Without contractually committing itself to do so, Lessee reasonably believes that moneys in an amount sufficient to make all Rent Payments can and will lawfully be appropriated and made available for all Rent Payments. All Rent Payments shall be payable out of the capital funds of Lessee or out of other funds legally available for such purpose. Lessor agrees that no Lease will be a general obligation of Lessee and that no Lease shall constitute a pledge of either the full faith and credit of Lessee or the taxing power of Lessee.

6.2 If Lessee fails to renew a Lease Term of a Lease as provided above, then a "Non-Renewal Event" shall be deemed to have occurred. If a Non-renewal Event occurs, then: (a) Lessee shall give Lessor immediate notice of such Non-Renewal Event; and (b) on the Return Date, Lessee shall return to Lessor all, but not less than all, of the Equipment covered by the affected Lease, at Lessee's sole expense, in accordance with Section 21 hereof, provided, that if Lessee fails to so return the Equipment, then Lessee shall pay to Lessor the full amount under Section 15 hereof as if Lessee had elected to exercise its purchase option for Equipment. "Return Date" means the last day of the fiscal year for which appropriations were made for the Rent Payments due under a Lease.

3. The entire Section 8 of the Master Lease is amended and restated as follows:

8. **TITLE; UCC FILINGS.**

8.1 Upon Lessee's acceptance of any Equipment under a Lease, title to the Equipment shall vest in Lessee, subject to Lessor's rights under such Lease including, without limitation, Sections 6, 20 and 21 hereof.

8.2 Lessor shall not have a security interest in any of the Equipment under the Uniform Commercial Code of the State of Florida, but, in order to give notice to others of Lessor's rights under Sections 6, 20 and 21 hereof, Lessee agrees to execute and deliver to Lessor UCC financing statements relating to the Equipment and any amendments thereto.

4. The entire Section 20 of the Master Lease is amended and restated as follows:

20. **REMEDIES.** If any Event of Default occurs, then Lessor may, at its option, exercise any one or more of the following remedies:

(a) Lessor may require Lessee to pay, and Lessee agrees that it shall pay, (1) all amounts then currently due under all Leases, (2) all remaining Rent Payments due under all Leases during the fiscal year in effect when the Event of Default occurs, and (3) interest on the foregoing amounts at the highest lawful rate from the date of Lessor's demand for such payment;

(b) upon Lessor's request, Lessee will promptly return all Equipment to Lessor in the manner set forth in Section 21, provided, that if Lessee fails to so return any Equipment, Lessor 's exclusive remedy for such failure is a right to commence an equitable proceeding for a writ of mandamus or other equitable right for specific performance of Lessee's agreement to so return the Equipment to Lessor and Lessor acknowledges that such remedy is subject to all applicable equitable defenses of Lessee;

(c) if Lessee returns any Equipment to Lessor under clause (b) above, then Lessor agrees to use commercially reasonable efforts under then current circumstances to sell, lease or otherwise dispose of such Equipment, in whole or in part, in one or more public or private transactions, and if Lessor so disposes of any such Equipment, then Lessor shall retain the entire proceeds of such disposition free of any claims of Lessee up to, but not exceeding, all amounts then currently due under all Leases, plus the Termination Value due under all Leases when the Event of Default occurs plus the expenses set forth in clause (e) of this Section 20;

(d) subject to the provisions of the Leases that restrict Lessor's right at law to repossess or foreclose on the Equipment, Lessor may exercise any other right, remedy or privilege which may be available to Lessor under applicable law or Lessor may enforce any of Lessee's obligations under any Lease by appropriate court action at law or in equity; and/or

(e) Lessor may require Lessee to pay (and Lessee agrees that it shall pay) all out-of-pocket costs and expenses incurred by Lessor as a result (directly or indirectly) of the Event of Default and/or of Lessor's actions under this Section 20, including, without limitation, any attorney fees and expenses and any costs related to the repossession, safekeeping, storage, repair, reconditioning or disposition of any Equipment.

None of the above remedies is exclusive, but each is cumulative and in addition to any other remedy legally available to Lessor. Lessor's exercise of one or more remedies shall not preclude its exercise of any other remedy. No delay or failure on the part of Lessor to exercise any remedy under any Lease shall operate as a waiver thereof, nor as an acquiescence in any default, nor shall any single or partial exercise of any remedy preclude any other exercise thereof or the exercise of any other remedy.

5. Nothing in the Master Lease or any Schedule shall be interpreted or construed as granting Lessor a security interest in or other lien or encumbrance on any Equipment. Notwithstanding anything to the contrary in the Master Lease or any Schedule, Lessor waives and releases any right that it may have at law (including, without limitation, under Article 9 of the Uniform Commercial Code) to repossess or foreclose on any Equipment.

6. Lessor acknowledges that (a) Lessee expects that all Rent Payments will be paid from legally available revenue sources ; (b) no Lease will be a general obligation of Lessee, (c) no Lease will be payable from a pledge of ad valorem taxes, and (d) no Lease shall constitute a pledge of either the full faith and credit of Lessee or the taxing power of Lessee.

Except as expressly amended by this Addendum and other modifications signed by Lessor and Lessee, the Master Lease remains unchanged and in full force and effect. This Addendum shall control in the event of any conflict between its terms and conditions and the terms and conditions of the Master Lease.

EXHIBIT B

Form of Escrow Agreement

ESCROW AGREEMENT

THIS ESCROW AGREEMENT (*"Escrow Agreement"*) is made as of _____, 20___ by and among JPMorgan Chase Bank, N.A. (*"Lessor"*), SAMPLE LEESSE NAME(*"Lessee"*) and U.S. BANK NATIONAL ASSOCIATION, as escrow agent (*"Escrow Agent"*).

Lessor and Lessee have heretofore entered into that certain Master Lease-Purchase Agreement dated as of _____, 20___ (the *"Master Agreement"*) and a Lease Schedule No. XXXXXX thereto dated _____, 20___ (the *"Schedule"* and, together with the terms and conditions of the Master Agreement incorporated therein, the *"Agreement"*). The Schedule contemplates that certain personal property described therein (the *"Equipment"*) is to be acquired from the vendor(s) or manufacturer(s) thereof (the *"Vendor"*). After acceptance of the Equipment by Lessee, the Equipment is to be financed by Lessor to Lessee pursuant to the terms of the Agreement.

The Escrow Funding Schedule Addendum and Arbitrage Certificate to the Lease (the "Escrow Addendum") further contemplates that Lessor will deposit an amount equal to the anticipated aggregate acquisition cost of the Equipment (the *"Purchase Price"*), being $_____, with Escrow Agent to be held in escrow and applied on the express terms set forth herein. Such deposit, together with all interest and other additions received with respect thereto (hereinafter the *"Escrow Fund"*) is to be applied to pay the Vendor its invoice cost (a portion of which may, if required, be paid prior to final acceptance of the Equipment by Lessee); and, if applicable, to reimburse Lessee for progress payments already made by it to the Vendor of the Equipment.

The parties desire to set forth the terms on which the Escrow Fund is to be created and to establish the rights and responsibilities of the parties hereto.

NOW, THEREFORE, in consideration of the sum of Ten Dollars ($10.00) in hand paid, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Escrow Agent hereby agrees to serve as escrow agent upon the terms and conditions set forth herein. The moneys and investments held in the Escrow Fund are for the benefit of Lessee and Lessor, and such moneys, together with any income or interest earned thereon, shall be expended only as provided in this Escrow Agreement, and shall not be subject to levy or attachment or lien by or for the benefit of any creditor of either Lessee or Lessor. Lessor, Lessee and Escrow Agent intend that the Escrow Fund constitute an escrow account in which Lessee has no legal or equitable right, title or interest until satisfaction in full of all conditions contained herein for the disbursement of funds by the Escrow Agent therefrom. However, if the parties' intention that Lessee shall have no legal or equitable right, title or interest until all conditions for disbursement are satisfied in full is not respected in any legal proceeding, the parties hereto intend that Lessor have a security interest in the Escrow Fund, and such security interest is hereby granted by Lessee to secure payment of all sums due to Lessor under the Master Agreement. For such purpose, Escrow Agent hereby agrees to note, or cause to be noted, on all books and records relating to the Escrow Fund, the Lessor's interest therein.

2. On such day as is determined to the mutual satisfaction of the parties (the *"Closing Date"*), Lessor shall deposit with Escrow Agent cash in the amount of the Purchase Price, to be held in escrow by Escrow Agent on the express terms and conditions set forth herein.

On the Closing Date, Escrow Agent agrees to accept the deposit of the Purchase Price by Lessor, and further agrees to hold the amount so deposited together with all interest and other additions received with respect thereto, as the Escrow Fund hereunder, in escrow on the express terms and conditions set forth herein.

3. Escrow Agent shall at all times segregate the Escrow Fund into an account maintained for that express purpose, which shall be clearly identified on the books and records of Escrow Agent as being held in its capacity as Escrow Agent. Securities and other negotiable instruments comprising the Escrow

Fund from time to time shall be held or registered in the name of Escrow Agent (or its nominee). The Escrow Fund shall not, to the extent permitted by applicable law, be subject to levy or attachment or lien by or for the benefit of any creditor of any of the parties hereto (except with respect to the security interest therein held by Lessor).

4. The cash comprising the Escrow Fund from time to time shall be invested and reinvested by Escrow Agent in one or more investments as directed by Lessee. Absent written direction from Lessee, the cash will be invested in the U.S. Bank National Association Money Market Deposit Account, as set forth in Exhibit 1. Lessee represents and warrants to Escrow Agent and Lessor that the investments selected by Lessee for investment of the Escrow Fund are permitted investments for Lessee under all applicable laws. Lessee and Lessor recognize and agree that Escrow Agent will not provide supervision, recommendations or advice relating to either the investment of the Escrow Fund or the purchase or disposition of any investment and Escrow Agent will not have any liability for any loss in an investment made pursuant to the terms of this Escrow Agreement. Escrow Agent has no responsibility whatsoever to determine the market or other value of any investment and makes no representation or warranty as to the accuracy of any such valuations. Escrow Agent will use due diligence to collect amounts payable under a check or other instrument for the payment of money comprising the Escrow Fund and shall promptly notify Lessee and Lessor in the event of dishonor of payment under any such check or other instruments. Interest or other amounts earned and received by Escrow Agent with respect to the Escrow Fund shall be deposited in and comprise a part of the Escrow Fund. Escrow Agent shall maintain accounting records sufficient to permit calculation of the income on investments and interest earned on deposit of amounts held in the Escrow Fund. The parties acknowledge that to the extent regulations of the Comptroller of Currency or other applicable regulatory entity grant a right to receive brokerage confirmations of security transactions of the escrow, the parties waive receipt of such confirmations, to the extent permitted by law. Escrow Agent shall furnish a statement of security transactions on its regular monthly reports. Escrow Agent may elect, but shall not be obligated, to credit the Escrow Fund with funds representing income or principal payments due on, or sales proceeds due in respect of, assets in the account, or to credit to the account assets intended to be purchased with such funds, in each case before actually receiving the requisite funds from the payment source, or to otherwise advance funds for account transactions. Notwithstanding anything else in this Escrow Agreement, (i) any such crediting of funds or assets shall be provisional in nature, and Escrow Agent shall be authorized to reverse or offset any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Escrow Agreement shall constitute a waiver of any of U.S. Bank National Association's rights as a securities intermediary under Uniform Commercial Code §9-206. Escrow Agent may also set-off against and deduct from the Escrow Fund with respect to checks or other deposits that have been credited to the accounts but are subsequently returned unpaid or reversed, or other overdrafts that may arise from time to time in the account (whether by reason of provisional credit, failed or assumed settlements, claw-backs or other reason).

5. Upon request by Lessee and Lessor, Escrow Agent shall send monthly statements of account to Lessee and Lessor, which statements shall set forth all withdrawals from and interest earnings on the Escrow Fund as well as the investments in which the Escrow Fund is invested.

6. Escrow Agent shall take the following actions with respect to the Escrow Fund:

(a) Upon Escrow Agent's acceptance of the deposit of the Purchase Price, an amount equal to Escrow Agent's acceptance fee, as set forth on Exhibit 2 hereto, shall be disbursed from the Escrow Fund to Escrow Agent in payment of such fee.

(b) Escrow Agent shall pay costs of the Equipment upon receipt of a duly executed Requisition Request (substantially in the format of Exhibit 3) signed by Lessor and Lessee. Lessor's and Lessee's authorized signatures are provided in Exhibit 5 attached hereto. Escrow Agent will use best efforts to process requests for payment within one (1) Business Day of receipt of Requisition Requests received prior to 2:00 p.m. Central Time. The final Requisition Request shall be accompanied by a duly executed Final Acceptance Certificate form attached as Exhibit 4 hereto, upon which Escrow Agent may conclusively rely. For purposes of this Escrow Agreement,

"Business Day" shall mean any day, other than a Saturday, Sunday or legal holiday, on which Escrow Agent is open to the public for general banking purposes.

Escrow Agent is authorized but shall not be required to seek confirmation of instructions received hereunder by telephone call-back to any person designated by the instructing party on Exhibit 5 hereto, and Escrow Agent may rely upon the confirmation of anyone purporting to be a person so designated. The persons and telephone numbers for call-backs may be changed only in writing actually received and acknowledged by Escrow Agent and shall be effective only after Escrow Agent has a reasonable opportunity to act on such changes. If Escrow Agent is unable to contact any of the designated representatives identified in Exhibit 5, Escrow Agent is hereby authorized but shall be under no duty to seek confirmation of such instructions by telephone call-back to any one or more of Lessee's or Lessor's executive officers ("Executive Officers"), as Escrow Agent may select. Such Executive Officer shall deliver to Escrow Agent a fully executed incumbency certificate, and Escrow Agent may rely upon the confirmation of anyone purporting to be any such officer. Lessee and Lessor agree that Escrow Agent may at its option record any telephone calls made pursuant to this Section. Escrow Agent in any funds transfer may rely solely upon any account numbers or similar identifying numbers provided by Lessee and Lessor to identify (i) the beneficiary, (ii) the beneficiary's bank, or (iii) an intermediary bank, even when its use may result in a person other than the beneficiary being paid, or the transfer of funds to a bank other than the beneficiary's bank or an intermediary bank so designated. Lessee and Lessor acknowledge that these optional security procedures are commercially reasonable.

(c) Upon receipt by Escrow Agent of written notice from Lessor that an Event of Default or a Non-Appropriation Event has occurred under the Agreement, upon which Escrow Agent may conclusively rely, all funds then on deposit in the Escrow Fund shall be paid to Lessor for application in accordance with the Master Agreement, and this Escrow Agreement shall terminate.

(d) Upon receipt by Escrow Agent of written notice from Lessor that the purchase price of the Equipment has been paid in full (upon which Escrow Agent may conclusively rely) or upon the Escrow Expiration Date set forth below , Escrow Agent shall pay the funds then on deposit in the Escrow Fund to Lessor to be applied first to the next Rental Payment due under the Agreement, second, to reimburse Lessee for the interest portion of the Rental Payments previously made within the past 18 months, and third, to prepayment of the principal component of Lease Payments in inverse order of maturity. To the extent the Agreement is not subject to prepayment, Lessor consents to such prepayment to the extent of such prepayment amount from the Escrow Fund. Following disbursement of funds pursuant to this Escrow Agreement, Escrow Agent shall have no responsibility whatsoever to determine whether any funds will be used and applied in the manner contemplated herein. Upon disbursement of all amounts in the Escrow Fund, this Escrow Agreement shall terminate.

Escrow Expiration Date:_____

(e) This Escrow Agreement shall terminate upon the distribution of all the amounts in the Escrow Fund pursuant to any applicable provision of this Escrow Agreement, and Escrow Agent will thereafter have no further obligation or liability whatsoever with respect to this Escrow Agreement.

7. The fees and expenses, including any legal fees, of Escrow Agent incurred in connection herewith shall be paid by Lessee upon Escrow Agent's demand. The basic fees and expenses of Escrow Agent shall be as set forth on Exhibit 2 and Escrow Agent is hereby authorized to deduct such fees and expenses from the Escrow Fund as and when the same are incurred without any further authorization from Lessee or Lessor. Escrow Agent may employ legal counsel and other experts as it deems necessary for advice in connection with its obligations hereunder and shall have full and complete authorization and protection in acting in accordance with the advice of such counsel, except in the event of Escrow Agent's

gross negligence, willful misconduct or bad faith. Escrow Agent waives any claim against Lessor with respect to compensation hereunder.

8. Escrow Agent undertakes to perform only such duties as are expressly set forth herein and no duties will be implied. Escrow Agent shall have no liability for acting upon any written instruction presented by Lessee or Lessor in connection with this Escrow Agreement, which Escrow Agent in good faith believes to be genuine. Furthermore, Escrow Agent shall not be liable for any act or omission in connection with this Escrow Agreement except for its own gross negligence, willful misconduct or bad faith. In no event will Escrow Agent be liable for incidental, indirect, special, consequential or punitive damages or penalties of any kind (including, but not limited to lost profits), even if Escrow Agent has been advised of the likelihood of such damages or penalty and regardless of the form of action. Escrow Agent shall not be liable for any loss or diminution in value of the Escrow Fund as a result of the investments made by Escrow Agent. Lessee shall, to the fullest extent permitted by law, indemnify and hold harmless Escrow Agent and each director, officer, employee and affiliate of Escrow Agent (each, an "Indemnified Party") upon demand against any and all claims, actions and proceedings (whether asserted or commenced by Lessee, Lessor or any other person or entity and whether or not valid), losses, damages, liabilities, penalties, costs and expenses of any kind or nature (including without limitation reasonable attorneys' fees, costs and expenses) (collectively, "Losses") arising from this Escrow Agreement or Escrow Agent's actions hereunder, except to the extent such Losses are finally determined by a court of competent jurisdiction, which determination is not subject to appeal, to have been directly caused solely by the gross negligence, willful misconduct or bad faith of such Indemnified Party. Lessee further agrees to indemnify each Indemnified Party for all costs, including without limitation reasonable attorneys' fees, incurred by such Indemnified Party in connection with action taken to enforce Lessee's obligations to Escrow Agent under this Escrow Agreement. The obligations of Lessee under this Section shall survive any termination of this Escrow Agreement and the resignation or removal of Escrow Agent.

9. Escrow Agent may resign at any time by giving thirty (30) days' prior written notice to Lessor and Lessee. Lessor may at any time remove Escrow Agent as Escrow Agent under this Escrow Agreement upon written notice to Lessee and Escrow Agent. Such removal or resignation shall be effective on the date set forth in the applicable notice. Upon the effective date of resignation or removal, Escrow Agent will transfer the Escrow Fund to the successor Escrow Agent selected by Lessor. If Lessor fails to appoint a successor escrow agent within thirty (30) days after notice of resignation or removal is received, Escrow Agent may petition a court of competent jurisdiction to appoint a successor escrow agent, and all costs and expenses related to such petition shall be paid by Lessee.

10. Lessee hereby represents, covenants and warrants that pursuant to Treasury Regulations Section 1.148-7(d), the gross proceeds of the Agreement will be expended for the governmental purposes for which the Agreement was entered into, as follows: at least 15% within six months after the Commencement Date, such date being the date of deposit of funds into the Escrow Fund, at least 60% within 12 months after the Commencement Date, and 100% within 18 months after the Commencement Date. If Lessee is unable to comply with Section 1.148-7(d) of the Treasury Regulations, Lessee shall, at its sole expense and cost, compute rebatable arbitrage on the Agreement and pay rebatable arbitrage to the United States at least once every five years, and within 60 days after payment of the final rental or Lease Payment due under the Agreement. Except as otherwise agreed by Escrow Agent in writing, Escrow Agent has no tax reporting or withholding obligation except to the Internal Revenue Service with respect to Form 1099-B reporting on payments of gross proceeds under Internal Revenue Code Section 6045 and Form 1099 and Form 1042-S reporting with respect to investment income earned on the Escrow Fund, if any. Lessee and Lessor shall provide Escrow Agent a properly completed IRS Form W-9 or Form W-8, as applicable, for each payee. If requested tax documentation is not so provided, Escrow Agent is authorized to withhold taxes as required by the United States Internal Revenue Code and related regulations.

11.In the event of (i) any disagreement between the undersigned or any of them, and/or any other person, resulting in adverse claims and demands being made in connection with or for any moneys involved herein or affected hereby or (ii) Escrow Agent is unable, after reasonable due diligence, to determine the proper action with respect to its obligations hereunder, Escrow Agent shall be entitled at its option to refuse to comply with any such claim or demand, so long as such disagreement shall continue, and in so refusing Escrow Agent may refrain from making any delivery or other disposition of any moneys involved herein or affected hereby and in so doing Escrow Agent shall not be or become liable to the undersigned or any of them or to any person or party for its failure or refusal to comply with such conflicting or adverse demands, and Escrow Agent shall be entitled to continue so to refrain and refuse so to act until:

(a) the rights of the adverse claimants have been finally adjudicated in a court assuming and having jurisdiction of the parties and the moneys involved herein or affected hereby; or

(b) all differences shall have been adjusted by Master Agreement and Escrow Agent shall have been notified thereof in writing signed by all of the persons interested.

Escrow Agent may, but shall not be required to, file an appropriate civil action including an interpleader action to resolve any such disagreement hereunder.

12. All notices, approvals, consents, requests and other communications hereunder (each, a "Notice") must be in writing (and any communication sent to Escrow Agent hereunder must be in the form of a document that is signed manually or by way of an Electronic Signature as provided below, including a digital signature provided via DocuSign (or such other digital signature provider as specified in writing to Escrow Agent by either Lessor or Lessee) or an electronic copy thereof), in English, and may only be delivered (a) by personal delivery, or (b) by national overnight courier service, or (c) by certified or registered mail, return receipt requested, or (d) by facsimile transmission, with confirmed receipt or (e) by email by way of a PDF attachment thereto. Delivery of an executed counterpart of a signature page of (A) this Agreement and/or (B) any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement and/or the transactions contemplated hereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement or such Ancillary Document, as applicable. Each party hereto shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of any other party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature. Upon the request of Escrow Agent or Lessor, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, each party hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among any of the parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (B) each party may, at its option, create one or more copies of this Agreement and/or any Ancillary Document in the form of an imaged

electronic record in any format, which shall be deemed created in the ordinary course of such party's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), and (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement and/or such Ancillary Document, respectively, including with respect to any signature pages thereto. As used herein, "Electronic Signature" means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record. Each other party agrees to assume the risks arising out of the use of Electronic Signatures and electronic methods to submit Notices to Escrow Agent, including without limitation the risk of Escrow Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

13. This Escrow Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns. The U.S. Bank Money Market Deposit Account is a U.S. Bank National Association ("U.S. Bank") interest-bearing money market deposit account designed to meet the needs of its customers. Selection of this investment includes authorization to place funds on deposit and invest with U.S. Bank.

U.S. Bank uses the daily balance method to calculate interest on this account (actual/365 or 366.) This method applies a daily periodic rate to the principal balance in the account each day. Interest is accrued daily and credited monthly to the account. Interest rates are determined at U.S. Bank's discretion, and may be tiered by customer deposit amount.

The owner of the account is U.S. Bank, U.S. Bank Trust National Association, or U.S. Bank Trust Company National Association (as applicable) (the "U.S. Bank Entities") as agent for Global Corporate Trust customers. The U.S. Bank Entities perform all account deposits and withdrawals. Deposit accounts are FDIC-insured per depositor, as determined under FDIC Regulations, up to applicable FDIC limits.

THE U.S. BANK ENTITIES, WHEN ACTING AS AN INDENTURE TRUSTEE OR IN A SIMILAR CAPACITY, ARE NOT REQUIRED TO REGISTER AS A MUNICIPAL ADVISOR WITH THE SECURITIES AND EXCHANGE COMMISSION FOR PURPOSES OF COMPLYING WITH THE DODD-FRANK WALL STREET REFORM & CONSUMER PROTECTION ACT. INVESTMENT ADVICE, IF NEEDED, SHOULD BE OBTAINED FROM YOUR INVESTMENT ADVISOR.

AUTOMATIC AUTHORIZATION

In the absence of specific written direction to the contrary as may be authorized under the governing agreement, the applicable U.S. Bank Entity is hereby directed to invest and reinvest proceeds and other available moneys in the U.S. Bank Money Market Deposit Account. Customer confirms that the U.S. Bank Money Market Deposit Account is a permitted investment under the governing agreement and this authorization is the permanent direction for investment of the moneys until the applicable U.S. Bank Entity is notified in writing of alternate instructions.
